

**§ 4.11 Disclosure requests.**

(a) *Freedom of Information Act*—(1) *Initial requests*—(i) *Form and contents; time of receipt.* (A) A request under the provisions of the Freedom of Information Act, 5 U.S.C. 552, as amended, for access to Commission records shall be in writing and transmitted by one of the following means: by mail to the following address: Freedom of Information Act Request, Office of the General Counsel, Federal Trade Commission, 600 Pennsylvania Avenue NW., Washington, DC 20580; by facsimile transmission to (202) 326-2477; by email message to the FOIA email account at [foia@ftc.gov](mailto:foia@ftc.gov); or by the form located at the FTC's FOIA Web site, <https://www.ftc.gov/ftc/foia.htm>.

(B) Failure to mark the envelope and the request in accordance with paragraph (a)(1)(i)(A) of this section, or the filing of a request for expedited treatment under paragraph (a)(1)(i)(G) of this section, will result in the request (or requests, if expedited treatment has been requested) as received on the date that the processing unit in the Office of General Counsel actually receives the request(s).

(C) *Acknowledgment of requests.* Once a FOIA request is properly received by the processing unit in the Office of the General Counsel, a letter acknowledging the receipt of the request shall be mailed to the requester if processing the request will likely take more than 5 business days.

(D) *Identifiability.* (1) A properly filed FOIA request shall reasonably describe the records sought with enough detail to enable the Commission to locate them with a reasonable amount of effort. Whenever possible, the request should include specific information about each record sought such as date, title, name, author, recipient, subject matter of the record, provide information regarding fees pursuant to § 4.8(c), and provide sufficient contact information for a response to be sent.

(2) A denial of a request may state that the description required by paragraph (a)(2)(ii)(A) of this section is insufficient to allow identification and location of the records.

(E) *Costs; agreement to pay costs.* Requesters will be charged search, review, duplication and other chargeable direct

costs as prescribed by § 4.8 for requests under this section. All requests shall include a statement of the information needed to determine fees, as provided by § 4.8(c), and an agreement to pay fees (or a statement that the requester will not pay fees if a fee waiver is denied), as provided by § 4.8(d). Requests may also include an application for a fee waiver, as provided by § 4.8(e). An advance payment may be required in appropriate cases as provided by § 4.8(h).

(F) *Failure to agree to pay fees.* If a request does not include an agreement to pay fees, and if the requester is notified of the estimated costs pursuant to § 4.8(d)(3), the request will be deemed not to have been received until the requester agrees to pay such fees. If a requester declines to pay fees within ten calendar days and is not granted a fee waiver, the request will be denied.

(G) *Expedited treatment.* Requests may include an application for expedited treatment. Where such an application is not included with an initial request for access to records under paragraph (a)(1) of this section, the application may be included in any appeal of that request filed under paragraph (a)(3) of this section. Such application, which shall be certified by the requester to be true and correct to the best of such person's knowledge and belief, shall describe the compelling need for expedited treatment, including an explanation as to why a failure to obtain the requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual, or, with respect to a request made by a person primarily engaged in disseminating information, an explanation of the urgency to inform the public concerning actual or alleged Federal Government activity. The deciding official (as designated by the General Counsel) will, within 10 calendar days of receipt of a request for expedited treatment, notify the requester, in writing, of the decision to either grant or deny the request for expedited treatment, and, if the request is denied, advise the requester that this determination may be appealed to the General Counsel.

(H) *Records for sale at another government agency.* If requested materials are

#### §4.11

#### 16 CFR Ch. I (1–15 Edition)

available for sale at another government agency, the requester will not be provided with copies of the materials but will be advised to obtain them from the selling agency. The U.S. Government Printing Office (“GPO”), the official bookstore for most U.S. Government publications, can be contacted at (202) 512-1800 (for those in the Washington, DC area), toll-free at (866) 512-1800 and at [ContactCenter@gpo.gov](mailto:ContactCenter@gpo.gov). The GPO’s online store can be accessed at <http://bookstore.gpo.gov> and mail orders should be directed to U.S. Government Printing Office, P.O. Box 979050, St. Louis, MO 63197-9000.

(ii) *Time limit for initial determination.*

(A) The deciding official (as designated by the General Counsel) will, within 20 working days of the receipt of a request, or if applicable, the date that a request is properly filed, either grant or deny, in whole or in part, such request, unless the request has been granted expedited treatment in accordance with this section, in which case the request will be processed as soon as practicable. The date that a request is properly filed is the date on which the requester agrees to pay fees necessary for a response, reasonably describes the records sought, and provides sufficient contact information for a response to be sent. Any tolling of the 20-working day period will be done in compliance with the FOIA statute, as amended.

(B) Except in exceptional circumstances as provided in paragraph (a)(1)(ii)(C) of this section, the deciding official (as designated by the General Counsel) may extend the time limit by not more than 10 working days if such extension is:

(1) Necessary for locating records or transferring them from physically separate facilities; or

(2) Necessary to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are sought in a single or series of closely related requests; or

(3) Necessary for consultation with another agency having a substantial interest in the determination, or for consultation among two or more components of the Commission having substantial subject matter interest therein.

(C) If the deciding official (as designated by the General Counsel) extends the time limit for initial determination pursuant to paragraph (a)(1)(ii)(B) of this section, the requester will be notified in accordance with 5 U.S.C. 552(a)(6)(B). In exceptional circumstances, when the request cannot be processed within the extended time limit, the requester will be so notified and provided an opportunity to limit the scope of the request so that it may be processed within such time limit, or to arrange an alternative time frame for processing the request or a modified request. “Exceptional” circumstances will not include delays resulting from a predictable workload of requests under this section. Unwillingness to make reasonable modifications in the scope of the request or to agree to an alternative time frame may be considered as factors in determining whether exceptional circumstances exist and whether the agency has exercised due diligence in responding to the request.

(D) If the deciding official (as designated by the General Counsel) reasonably believes that requests made by a requester, or a group of requesters acting in concert, actually constitute a single request that would otherwise involve unusual circumstances, as specified in paragraph (a)(1)(ii)(B) of this section, and the requests involve clearly related matters, those multiple requests may be aggregated.

(E) If a request is not granted within the time limits set forth in paragraphs (a)(1)(ii)(A) and (B) of this section, the request shall be deemed to be denied and the requesting party may appeal such denial to the General Counsel in accordance with paragraph (a)(3) of this section.

(iii) *Initial determination.* (A) The deciding official (as designated by the General Counsel) will make reasonable efforts to search, using either manual or electronic means, for documents that exist as of the date of the receipt of a request for the requested records in electronic form or format, except when such efforts would significantly interfere with the operation of the Commission’s automated information

systems. Access will be granted to requested records, or any portions thereof, that must be made available under the Freedom of Information Act. The deciding official will determine whether access will be denied to records that are exempt under the Freedom of Information Act, 5 U.S.C. 552(b), unless the deciding official (as designated by the General Counsel) determines that such records fall within a category the Commission or the General Counsel has previously authorized to be made available to the public as a matter of policy and are otherwise not required to be undisclosed by law. Denials will set forth the reasons therefor and advise the requester that this determination may be appealed to the General Counsel if the requester believes either that the records are not exempt, or that the General Counsel should exercise discretion to release such records notwithstanding their exempt status. The deciding official (as designated by the General Counsel) will also provide a reasonable, good-faith estimate of the volume of any materials to which access is denied, unless providing such an estimate would harm an interest protected by an exemption in 5 U.S.C. 552(b) that was cited as a basis for withholding materials.

(B) The deciding official (as designated by the General Counsel) is deemed to be the sole official responsible for all denials of initial requests, except denials of access to materials contained in active investigatory files, in which case the Director or Deputy Director of the Bureau or the Director of the Regional Office responsible for the investigation will be the responsible official.

(C) Records to which access has been granted will be made available to the requester in any form or format specified by the requester, if the records are readily reproducible in that form or format, or can be converted to that form or format with a reasonable amount of effort. Certain records which are not easily copied or duplicated, such as tangible exhibits, will be made available for inspection for a period not to exceed 30 days from date of notification to the requester unless the requester asks for and receives the consent of the deciding official (as des-

ignated by the General Counsel) to a longer period. Records assembled pursuant to a request will remain available only during this period and thereafter will be refiled. Appropriate fees may be imposed for any new or renewed request for the same records.

(D) If a requested record cannot be located from the information supplied, or is known to have been destroyed or otherwise disposed of, the requester shall be so notified. The requester will also be notified if a record that is part of an official agency file is lost or missing. If the person so requests, he will also be notified if the record should subsequently be located.

(2) *FOIA Requester Service Center.* If a requester has questions or comments about the FOIA process, please call the FOIA Requester Service Center at (202) 326-2430 to either speak directly to a FOIA Case Officer or leave a voice message. A requester may ask the FOIA Case Officer to speak with the FOIA Public Liaison if there are concerns about the quality of the service received to an initial response, appeal or otherwise, during the process.

(3) *Appeals to the General Counsel from initial denials—(1) Form and contents; time of receipt—(A)(1)* If an initial request for expedited treatment is denied, the requester, at any time before the initial determination of the underlying request for records by the deciding official (as designated by the General Counsel) (or, if the request for expedited treatment was filed with any appeal filed under paragraph (a)(3)(i)(A)(2) of this section, at any time before the General Counsel's determination on such an appeal), may appeal the denial of expedited treatment to the General Counsel.

(2) If an initial request for records is denied in its entirety, the requester may, within 30 days of the date of the letter notifying the requester of that decision, appeal such denial to the General Counsel. If an initial request is denied in part, the time for appeal will not expire until 30 days after the date of the final letter notifying the requester that all records to which access has been granted have been made available. In unusual circumstances, the time to appeal may be extended by the General Counsel or his or her designee.

#### §4.11

#### 16 CFR Ch. I (1–1–15 Edition)

(3) If an initial request for a fee waiver or reduction is denied, the requester may, within 30 days of the date of the letter notifying the requester of that decision, appeal such denial to the General Counsel. In unusual circumstances, the time to appeal may be extended by the General Counsel or his or her designee.

(4) The appeal shall be in writing and shall clearly refer to the adverse decision, or portions of the decision, being appealed; the appeal should include a copy of the initial request and a copy of the response to that initial request, if any. The appeal may be: mailed to Freedom of Information Act Appeal, Office of the General Counsel, Federal Trade Commission, 600 Pennsylvania Avenue NW., Washington, DC 20580; submitted by facsimile to (202) 326–3198; or emailed to [FOIAAppeal@ftc.gov](mailto:FOIAAppeal@ftc.gov).

(B) If the appeal is mailed, failure to mark the envelope and the appeal in accordance with paragraph (a)(3)(i)(A)(4) of this section will result in the appeal (and any request for expedited treatment filed with that appeal) being treated as received on the actual date of receipt by the Office of General Counsel.

(C) Each appeal to the General Counsel that requests him or her to exercise his discretion to release exempt records shall set forth the interest of the requester in the subject matter and the purpose for which the records will be used if the request is granted.

(ii) *Time limit for appeal.* (A)(1) Regarding appeals from initial denials of a request for expedited treatment, the General Counsel will either grant or deny the appeal expeditiously;

(2) Regarding appeals from initial denials of a request for records, the General Counsel will, within 20 working days of the Office of General Counsel's receipt of such an appeal, either grant or deny it, in whole or in part, unless expedited treatment has been granted in accordance with this section, in which case the appeal will be processed expeditiously.

(B) The General Counsel may, by written notice to the requester in accordance with 5 U.S.C. 552(a)(6)(B), extend the time limit for deciding an appeal by not more than 10 working days pursuant to paragraph (a)(1)(ii)(B) of

this section, provided that the amount of any extension utilized during the initial consideration of the request under that paragraph will be subtracted from the amount of additional time otherwise available. Where exceptional circumstances do not permit the processing of the appeal within the extended time limit, the notice and procedures set forth in paragraph (a)(1)(ii)(C) of this section shall apply.

(iii) *Determination of appeal.* (A) The General Counsel has the authority to grant or deny all appeals and to release as an exercise of discretion records exempt from mandatory disclosure under 5 U.S.C. 552(b). In unusual or difficult cases, the General Counsel may, in his or her sole discretion, refer an appeal to the Commission for determination. A denial of an appeal in whole or in part will set forth the basis for the denial; will include a reasonable, good-faith estimate of the volume of any materials to which access is denied, unless providing such an estimate would harm an interest protected by an exemption in 5 U.S.C. 552(b) that was cited as a basis for withholding materials; and will advise the requester that judicial review of the decision is available by civil suit in the district in which the requester resides, or has his principal place of business, or in which the agency records are situated, or in the District of Columbia.

(B) The General Counsel may designate a Deputy General Counsel to make any determination assigned to the General Counsel by paragraph (a) of this section. The General Counsel or the official designated by the General Counsel to make the determination shall be deemed solely responsible for the denial of all appeals, except where an appeal is denied by the Commission. In such instances, the Commission shall be deemed solely responsible for the denial.

(b) *Requests from congressional committees and subcommittees.* Requests from congressional committees and subcommittees for nonpublic material shall be referred to the General Counsel for presentation to the Commission, subject to the provisions in 5 U.S.C. 552(c) and FTC Act 21(b) that neither the Freedom of Information Act, 5

## Federal Trade Commission

## §4.11

U.S.C. 552, nor the Federal Trade Commission Act, 15 U.S.C. 41, *et seq.*, is authority to withhold information from Congress. Upon receipt of a request from a congressional committee or subcommittee, notice will be given to the submitter of any material marked confidential, or any material within the scope of §4.10(a)(9), that is responsive to the request that the request has been received. No other notice need be provided prior to granting the request. The Commission will inform the committee or subcommittee that the submitter considers such information confidential.

(c) *Requests from Federal and State law enforcement agencies.* Requests from law enforcement agencies of the Federal and State governments for nonpublic records shall be addressed to a liaison officer, where the Commission has appointed such an officer, or if there is none, to the General Counsel. With respect to requests under this paragraph, the General Counsel, the General Counsel's designee, or the appropriate liaison officer is delegated the authority to dispose of them. Alternatively, the General Counsel may refer such requests to the Commission for determination, except that requests must be referred to the Commission for determination where the Bureau having the material sought and the General Counsel do not agree on the disposition. Prior to granting access under this section to any material submitted to the Commission, the General Counsel, the General Counsel's designee, or the liaison officer will obtain from the requester a certification that such information will be maintained in confidence and will be used only for official law enforcement purposes. The certificate will also describe the nature of the law enforcement activity and the anticipated relevance of the information to that activity. A copy of the certificate will be forwarded to the submitter of the information at the time the request is granted unless the agency requests that the submitter not be notified. Requests for material pursuant to compulsory process, or for voluntary testimony, in cases or matters in which the Commission is not a party will be treated in accordance with paragraph (e) of this section.

(d) *Requests from Federal and State agencies for purposes other than law enforcement.* Requests from Federal and State agencies for access to nonpublic records for purposes not related to law enforcement should be addressed to the General Counsel. The General Counsel or the General Counsel's designee is delegated the authority to dispose of requests under this paragraph. Disclosure of nonpublic information will be made consistent with sections 6(f) and 21 of the FTC Act. Requests under this section shall be subject to the fee and fee waiver provisions of §4.8. Requests for material pursuant to compulsory process, or for voluntary testimony, in cases or matters in which the Commission is not a party will be treated in accordance with paragraph (e) of this section.

(e) *Requests for testimony, pursuant to compulsory process or otherwise, and requests for material pursuant to compulsory process, in cases or matters to which the Commission is not a party.* (1) The procedures specified in this section will apply to compulsory process and requests for voluntary testimony directed to Commission employees, except special government employees, that relate in any way to the employees' official duties. These procedures will also apply to compulsory process and requests for voluntary testimony directed to former Commission employees or to current or former special government employees of the Commission that seek nonpublic materials or information acquired during Commission employment. The provisions of paragraph (e)(3) of this section will also apply when requests described above are directed to the Commission. For purposes of this section, the term *testimony* includes any written or oral statement by a witness, such as depositions, affidavits, declarations, and statements at a hearing or trial; the term *nonpublic* includes any material or information which, under §4.10, is not required to be made public; the term *employees*, except where otherwise specified, includes *special government employees* and other Commission employees; and the term *special government employees* includes consultants

and other employees as defined by section 202 of title 18 of the United States Code.

(2) Any employee or former employee who is served with compulsory process shall promptly advise the General Counsel of its service, the nature of the material or information sought, and all relevant facts and circumstances. This notification requirement also applies to any employee or former employee whose testimony is sought on a voluntary basis under the conditions set forth in paragraph (e)(1) of this section.

(3) A party who causes compulsory process to be issued to, or who requests testimony by, the Commission or any employee or former employee of the Commission shall furnish a statement to the General Counsel, unless, with respect to a request by a Federal or State agency, the General Counsel determines, as a matter of discretion, to waive this requirement. The statement shall set forth the party's interest in the case or matter, the relevance of the desired testimony or material, and a discussion of whether it is reasonably available from other sources. If testimony is desired, the statement shall also contain a general summary of the testimony and a discussion of whether Commission records could be produced and used in its place. Any authorization for testimony will be limited to the scope of the demand as summarized in such statement.

(4) Absent authorization from the General Counsel, the employee or former employee shall respectfully decline to produce requested material or to disclose requested information. The refusal should be based on this paragraph and on *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951).

(5) The General Counsel will consider and act upon compulsory process and requests for voluntary testimony under this section with due regard for statutory restrictions, the Commission's rules and the public interest, taking into account such factors as the need to conserve the time of employees for conducting official business; the need to avoid spending the time and money of the United States for private purposes; the need to maintain impartiality between private litigants in cases where a substantial government

interest is not involved; and the established legal standards for determining whether justification exists for the disclosure of confidential information and material.

(6) Invitations to testify before Congressional committees or subcommittees or to testify before other government bodies on the possible effects of legislative and regulatory proposals are not subject to paragraphs (e)(1) through (5) of this section.

(f) Requests by current or former employees to use nonpublic memoranda as writing samples shall be addressed to the General Counsel. The General Counsel or the General Counsel's designee is delegated the authority to dispose of such requests consistent with applicable nondisclosure provisions, including sections 6(f) and 21 of the FTC Act.

(g) Employees are encouraged to engage in teaching, lecturing, and writing that is not prohibited by law, Executive order, or regulation. However, an employee shall not use information obtained as a result of his Government employment, except to the extent that such information has been made available to the general public or will be made available on request, or when the General Counsel or the General Counsel's designee gives written authorization for the use of nonpublic information on the basis that the use is in the public interest.

(h) The General Counsel (or General Counsel's designee) may authorize a Commission member, other Commission official, or Commission staff to disclose an item or category of information from Commission records not currently available to the public for routine inspection and copying under Rule 4.9(b) where the General Counsel (or General Counsel's designee) determines that such disclosure would facilitate the conduct of official agency business and would not otherwise be prohibited by applicable law, order, or regulation. Requests for such determinations shall be set forth in writing and, in the case of staff requests, shall be forwarded to the General Counsel (or General Counsel's designee) through the relevant Bureau. In unusual or difficult cases, the General

Counsel may refer the request to the Commission for determination.

(i) The Director of the Bureau of Competition is authorized, without power of redelegation, to respond to access requests for records and other materials pursuant to an agreement under the International Antitrust Enforcement Assistance Act, 15 U.S.C. 6201 *et seq.* Before responding to such a request, the Bureau Director shall transmit the proposed response to the Secretary and the Secretary shall notify the Commission of the proposed response. If no Commissioner objects within three days following the Commission's receipt of such notification, the Secretary shall inform the Bureau Director that he or she may proceed.

(j)(1) The procedures specified in this section apply to disclosures of certain records to foreign law enforcement agencies in specified circumstances in accordance with the U.S. SAFE WEB Act of 2006. Nothing in this section authorizes the disclosure of material obtained in connection with the administration of the Federal antitrust laws or foreign antitrust laws, as defined in paragraph (j)(5)(i) of this section.

(2) Requests from foreign law enforcement agencies, as defined in paragraph (j)(5)(ii) of this section, for non-public records shall be addressed to the Director of the Office of International Affairs or the Director's designee, who shall forward them to the General Counsel with recommendations for disposition after obtaining any required certification described in paragraph (j)(3) of this section and approval of the Bureau of Consumer Protection. With respect to requests under this paragraph, the General Counsel or the General Counsel's designee is delegated the authority to dispose of them. Alternatively, the General Counsel may refer such requests to the Commission for determination, except that requests must be referred to the Commission for determination where the Bureau of Consumer Protection or the Office of International Affairs disagrees with the General Counsel's proposed disposition.

(3) Access under this section to any material subject to the disclosure restrictions in sections 6(f) or 21(b) of the

FTC Act or §4.10(d) may not be granted unless—

(i) An appropriate official of the foreign law enforcement agency has certified, either by prior agreement or memorandum of understanding or by other written certification, that such material will be maintained in confidence and will be used only for official law enforcement purposes; and

(ii)(A) The foreign law enforcement agency has set forth a bona fide legal basis for its authority to maintain the material in confidence;

(B) The materials are to be used for purposes of investigating, or engaging in enforcement proceedings related to, possible violations of:

(1) Foreign laws prohibiting fraudulent or deceptive commercial practices, or other practices substantially similar to practices prohibited by any law administered by the Commission;

(2) A law administered by the Commission, if disclosure of the material would further a Commission investigation or enforcement proceeding; or

(3) With the approval of the Attorney General, other foreign criminal laws, if such foreign criminal laws are offenses defined in or covered by a criminal mutual legal assistance treaty in force between the government of the United States and the foreign law enforcement agency's government;

(C) The appropriate Federal banking agency, (as defined in section 3(q) of the Federal Deposit Insurance Act (12 U.S.C. 1813(q)) or, in the case of a Federal credit union, the National Credit Union Administration has given its prior approval if the materials to be provided under paragraph (j)(3)(ii)(B) of this section are requested by the foreign law enforcement agency for the purpose of investigating, or engaging in enforcement proceedings based on, possible violations of law by a bank, a savings and loan institution described in section 18(f)(3) of the Federal Trade Commission Act (15 U.S.C. 57a(f)(3)), or a Federal credit union described in section 18(f)(4) of the Federal Trade Commission Act (15 U.S.C. 57a(f)(4)); and

(D) The foreign law enforcement agency is not from a foreign state that the Secretary of State has determined, in accordance with section 6(j) of the Export Administration Act of 1979 (50

(4) A copy of the certificate described in paragraph (j)(3) of this section will be forwarded to the submitter of the information at the time the request is granted unless the foreign law enforcement agency requests that the submitter not be notified.

(5) For purposes of this section:

(i) “Federal antitrust laws” and “foreign antitrust laws” are to be interpreted as defined in paragraphs (5) and (7), respectively, of section 12 of the International Antitrust Enforcement Assistance Act of 1994 (15 U.S.C. 6211); and

(ii) “Foreign law enforcement agency” is defined as:

(A) Any agency or judicial authority of a foreign government, including a foreign state, a political subdivision of a foreign state, or a multinational organization constituted by and comprised of foreign states, that is vested with law enforcement or investigative authority in civil, criminal, or administrative matters and

(B) Any multinational organization, to the extent that it is acting on behalf of an entity described in paragraph (j)(5)(i)(A) of this section.

#### §4.12 Disposition of documents submitted to the Commission.

(a) *Material submitted to the Commission.* (1) Any person who has submitted material to the Commission may obtain, on request, the return of material submitted to the Commission which has not been received into evidence:

(i) After the close of the proceeding in connection with which the material was submitted; or

(ii) When no proceeding in which the material may be used has been commenced within a reasonable time after completion of the examination and analysis of all such material and other information assembled in the course of the investigation.

(2) Such request shall be in writing, addressed to the custodian designated pursuant to §2.16 or the Secretary of the Commission in all other circumstances, and shall reasonably describe the material requested. A request for return of material may be filed at any time, but material will not be returned nor will commitments to return material be undertaken prior to the time described in this paragraph.

(b) *Commission-made copies of documents submitted to the Commission.* The Commission will not return to the submitter copies of documents made by the Commission unless, upon a showing of extraordinary circumstances, the Commission determines that return would be required in the public interest.

(c) *Disposition of material not returned.* Subsequent to the time prescribed in paragraph (a) of this section, the staff will examine all submitted material and Commission-made copies of documents located in a reasonable search of the Commission’s files and will determine, consistent with the Federal Records Act, 44 U.S.C. 3301, which materials are appropriate for preservation as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Commission or because of the information value of data in them. The Commission will dispose of all material determined not to be appropriate for preservation in accordance with applicable regulations of the National Archives and Records Administration.

#### §4.13 Privacy Act rules.

(a) *Purpose and scope.* (1) This section is promulgated to implement the Privacy Act of 1974 (Pub. L. 93–579, 5 U.S.C. 552a) by establishing procedures
