§ 4.20 Tonnage taxes.

(a) Except as specified in § 4.21, a regular tonnage tax or duty of 2 cents per net ton, not to exceed in the aggregate 10 cents per net ton in any 1 year, shall be imposed at each entry on all vessels which shall be entered in any port of the United States from any foreign port or place in North America, Central America, the West Indies, the Bahama Islands, the Bermuda Islands, the coast of South America bordering on the Caribbean Sea (considered to include the mouth of the Orinoco River), or the high seas adjacent to the U.S. or the above listed foreign locations, and on all vessels (except vessels of the U.S., recreational vessels, and barges, as defined in § 2101 of Title 46) that depart a U.S. port or place and return to the same port or place without being entered in the United States from another port or place, and regular tonnage tax of 6 cents per net ton, not to exceed 30 cents per net ton per annum, shall be imposed at each entry on all vessels which shall be entered in any port of the United States from any other foreign port. In determining the port of origin of a voyage to the United States and the rate of tonnage tax, the following shall be used as a guide:

(2) The same rate shall be applied in a case in which the vessel has transported cargo or passengers from a 6-cent port to a 2-cent port when all such cargo or passengers have been unladen or discharged at the 2-cent port, without regard to whether the vessel thereafter has proceeded to the United States in ballast or with cargo or passengers laden or taken on board at the 2-cent port.
