Subpart A—Interim Implementation of Guidance in 2 CFR Part 200

§ 1103.100 Applicability of 2 CFR part 200 to requirements for recipients in DoD Components’ terms and conditions.

Effective December 26, 2014, and on an interim basis pending update of the DoD Grant and Agreement Regulations to implement Office of Management and Budget (OMB) guidance published in 2 CFR part 200:

(a) The guidance in 2 CFR part 200 as modified and supplemented by provisions of Subpart B of this part governs the administrative requirements, cost principles, and audit requirements to be included in terms and conditions of DoD Components’ new grant and cooperative agreement awards to:

(1) Institutions of higher education, hospitals, and other nonprofit organizations included in the definition of “recipient” in part 32 of the DoD Grant and Agreement Regulations (32 CFR part 32).

(2) States, local governments, and Indian tribal governments.

(b) The following class deviations from selected provisions of the DoD Grant and Agreement Regulations therefore are approved for DoD Components’ new grant and cooperative agreement awards made on or after December 26, 2014:

(1) Awards to institutions of higher education, hospitals, and other nonprofit organizations included in the definition of “recipient” in part 32 of the DoD Grant and Agreement Regulations (32 CFR part 32) are not subject to the administrative requirements, cost principles, and audit requirements specified in 32 CFR part 32.

(2) Awards to States, local governments, and Indian tribal governments are not subject to the administrative requirements, cost principles, and audit requirements specified in part 33 of the DoD Grant and Agreement Regulations (32 CFR part 33).

(3) References in other parts of the DoD Grant and Agreement Regulations that cite part 32 or part 33 as the source of administrative requirements, cost principles, and audit requirements for awards to the types of recipient entities described in paragraphs (b)(1) and (2) of this section therefore do not apply to those new awards.

(c) Provisions of the DoD Grant and Agreement Regulations other than those listed in paragraph (b) of this section continue to be in effect, with applicability as stated in those provisions.

Subpart B—Pre-Existing Policies Continuing in Effect During Interim Implementation

§ 1103.200 Exception for small awards.

For small awards to institutions of higher education, hospitals, and other nonprofit organizations, DoD Components' terms and conditions may apply less restrictive requirements to recipients than the OMB guidance in 2 CFR part 200 specifies, except for requirements that are statutory. This exception maintains long-standing policy established in 32 CFR 32.4.

§ 1103.205 Timing of payments made using the reimbursement method.

In DoD Components' awards to institutions of higher education, hospitals, and other nonprofit organizations, the terms and conditions implementing the provisions of 2 CFR 200.305(b)(3) concerning timing of payments when the reimbursement method is used must specify that the DoD payment office generally makes payment within 30 calendar days after receipt of the request for reimbursement by the office designated to receive the request, unless the request is reasonably believed to be improper. This substitution of "generally makes payment" for "must make payment" maintains long-standing policy established in 32 CFR 32.22(e)(1).

§ 1103.210 Management of federally owned property for which a recipient is accountable.

In award terms and conditions implementing the guidance in 2 CFR 200.313(d) on procedural requirements for a recipient's equipment management system, DoD Components must:

(a) For any award to an institution of higher education, hospital, or other nonprofit organization, broaden the requirements of 2 CFR 200.313(d) to also apply to any federally owned property for which the recipient is accountable under its award. Doing so maintains long-standing policy established in 32 CFR 32.34(f).

(b) For any award to a State, local government, or Indian tribal government (as defined in 32 CFR part 33), specify that the recipient must manage federally owned equipment in accord-

ance with the DoD Components' rules and procedures. Doing so maintains long-standing policy established in 32 CFR 33.32(f).

§ 1103.215 Intangible property developed or produced under an award or subaward.

In DoD Components' awards to institutions of higher education, hospitals, and other nonprofit organizations, the award terms and conditions implementing the guidance in 2 CFR 200.315(a) on intangible property must exclude intangible property developed or produced under an award or subaward. Doing so maintains long-standing policy established in 32 CFR 32.36(e).

§ 1103.220 Debarment and suspension requirements related to recipients' procurements.

In award terms and conditions implementing the guidance in 2 CFR 200.318(h) on awarding contracts only to responsible entities, DoD Components must require recipients to comply with DoD's implementation in 2 CFR part 1125 of OMB guidance on non-procurement debarment and suspension (2 CFR part 180). Doing so maintains long-standing policy established in 2 CFR parts 180 and 1125 and in 32 CFR 32.44(d), as well as compliance with Executive Orders 12549 and 12689.

§ 1103.225 Debt collection.

In award terms and conditions implementing the guidance in 2 CFR 200.345 on collection of amounts due, DoD Components must inform recipients that DoD post-award administration offices follow procedures set forth in 32 CFR 22.820 for issuing demands for payment and transferring debts for collection, and that a recipient will be informed about specific procedures and timeframes affecting it through the written notices of grants officers' decisions and demands for payment. Doing so maintains long-standing policy established in 32 CFR 32.73(c).
