The first payment of principal and interest on a Consolidation loan is due from the borrower within 60 days after the borrower's liability on all loans being consolidated has been discharged.

(f) *Deferment of repayment.* Repayment of principal on a FFEL program loan may be deferred under the circumstances described in § 682.210.

(g) *Default.* If a borrower defaults on a loan, the guarantor reimburses the lender for the amount of its loss. The guarantor then collects the amount owed from the borrower.

(11) Any type of consulting arrangement or other contract with an employee of a financial aid office at a school, or an employee of a school who otherwise has responsibilities with respect to student loans or other financial aid provided by the school under which the employee would provide services to the lender.

(I) Other benefits to a borrower under a repayment incentive program that requires, at a minimum, one or more scheduled payments to receive or retain the benefit or under a loan forgiveness program for public service or other targeted purposes approved by the Secretary, provided these benefits are not marketed to secure loan applications or loan guarantees;

(J) Items of nominal value to schools, school-affiliated organizations, and borrowers that are offered as a form of generalized marketing or advertising, or to create good will; and

(C) The term “other benefits” includes, but is not limited to, preferential rates for or access to the lender’s other financial products, information technology equipment, or non-loan processing or non-financial aid-related computer software at below market rental or purchase cost, and printing and distribution of college catalogs and other materials at reduced or no cost.

(6) The term eligible lender does not include any lender that—

(iii) Employs a person who is debarred or suspended under E.O. 12549 (3 CFR, 1986 Comp., p. 189) or the FAR, 48 CFR part 9, subpart 9.4, in a capacity that involves the administration or receipt of FFEL Program funds.

(7) An eligible lender may not make or hold a loan as trustee for a school, or for a school-affiliated organization as defined in this section, unless on or before September 30, 2006—

(i) The eligible lender was serving as trustee for the school or school-affiliated organization under a contract entered into and continuing in effect as of that date; and

(C) Make a loan to a borrower who is not enrolled at that school;

(ii) Must offer loans that carry an origination fee or an interest rate, or both, that are less than the fee or rate authorized under the provisions of the Act; and

(iii) Must, for any fiscal year beginning on or after July 1, 2006 in which the school engages in activities as an eligible lender, submit an annual compliance audit that satisfies the following requirements:

(A) With regard to a school that is a governmental entity or a nonprofit organization, the audit must be conducted in accordance with § 682.305(c)(2)(v) and chapter 75 of title 31, United States Code, and in addition, during years when the student financial aid cluster (as defined in Office of Management and Budget Circular A-133, Appendix B, Compliance Supplement) is not audited as a “major program” (as defined under 31 U.S.C. 7501) must, without regard to the amount of loans made, include in such audit the school’s lending activities as a major program.

(B) With regard to a school that is not a governmental entity or a nonprofit organization, the audit must be conducted annually in accordance with § 682.305(c)(2)(i) through (iii).

(C) With regard to any school, the audit must include a determination that—

(1) The school used all payments and proceeds (i.e., special allowance and interest payments from borrowers, interest subsidy payments, proceeds from the sale or other disposition of loans) from the loans for need-based grant programs;

(2) Those need-based grants supplemented, rather than supplanted, the institution’s use of non-Federal funds for such grants; and

(3) The school used no more than a reasonable portion of payments and proceeds from the loans for direct administrative expenses.

Master Promissory Note (MPN). A promissory note under which the borrower may receive loans for a single period of enrollment or multiple periods of enrollment.

Nationwide consumer reporting agency. A consumer reporting agency that

compiles and maintains files on consumers on a nationwide basis and as defined in 15 U.S.C. 1681a(p).

Nonsubsidized Stafford loan. A Stafford loan made prior to October 1, 1992 that does not qualify for interest benefits under § 682.301(b) or special allowance payments under § 682.302.

Origination relationship. A special business relationship between a school and a lender in which the lender delegates to the school, or to an entity or individual affiliated with the school, substantial functions or responsibilities normally performed by lenders before making FFEL program loans. In this situation, the school is considered to have “originated” a loan made by the lender.

Origination fee. A fee that the lender is required to pay the Secretary to help defray the Secretary’s costs of subsidizing the loan. The lender may pass this fee on to the Stafford loan borrower. The lender must pass this fee on to the SLS or PLUS borrower.

Participating school. A school that has in effect a current agreement with the Secretary under § 682.600.

Period of enrollment. The period for which a Stafford, SLS, or PLUS loan is intended. The period of enrollment must coincide with one or more bona fide academic terms established by the school for which institutional charges are generally assessed (e.g., a semester, trimester, or quarter in weeks of instructional time, an academic year, or the length of the student’s program of study in weeks of instructional time). The period of enrollment is also referred to as the loan period.

Post-deferment grace period. For a loan made prior to October 1, 1981, a single period of six consecutive months beginning on the day following the last day of an authorized deferment period.

Repayment period. (1) For a Stafford loan, the period beginning on the date following the expiration of the grace period and ending no later than 10 years, or 25 years under an extended repayment schedule, from the date the first payment of principal is due from the borrower, exclusive of any period of deferment or forbearance.

(2) For unsubsidized Stafford loans, the period that begins on the day after the expiration of the applicable grace

period that follows after the student ceases to be enrolled on at least a half-time basis and ending no later than 10 years or 25 years under an extended repayment schedule, from that date, exclusive of any period of deferment or forbearance. However, payments of interest are the responsibility of the borrower during the in-school and grace period, but may be capitalized by the lender.

(3) For SLS loans, the period that begins on the date the loan is disbursed, or if the loan is disbursed in more than one installment, on the date the last disbursement is made and ending no later than 10 years from that date, exclusive of any period of deferment or forbearance. The first payment of principal is due within 60 days after the loan is fully disbursed unless a borrower who is also a Stafford loan borrower but who, has not yet entered repayment on the Stafford loan requests that commencement of repayment on the SLS loan be delayed until the borrower's grace period on the Stafford loan expires. Interest on the loan accrues and is due and payable from the date of the first disbursement of the loan. The borrower is responsible for paying interest on the loan during the grace period and periods of deferment, but the interest may be capitalized by the lender.

(4) For Federal PLUS loans, the period that begins on the date the loan is disbursed, or if the loan is disbursed in more than one installment, on the date the last disbursement is made and ending no later than 10 years, or 25 years under an extended repayment schedule, from that date, exclusive of any period of deferment or forbearance. Interest on the loan accrues and is due and payable from the date of the first disbursement of the loan.

(5) For Federal Consolidation loans, the period that begins on the date the loan is disbursed and ends no later than 10, 12, 15, 20, 25, or 30 years from that date depending upon the sum of the amount of the Consolidation loan, and the unpaid balance on other student loans, exclusive of any period of deferment or forbearance.

Satisfactory repayment arrangement. (1) For purposes of regaining eligibility under the title IV student financial as-

sistance programs, the making of six consecutive, on-time, voluntary full monthly payments on a defaulted loan. A borrower may only obtain the benefit of this paragraph with respect to renewed eligibility once.

(2) The required full monthly payment amount may not be more than is reasonable and affordable based on the borrower's total financial circumstances. Voluntary payments are payments made directly by the borrower, and do not include payments obtained by income tax off-set, garnishment, or income or asset execution. "On-time" means a payment received by the Secretary or a guaranty agency or its agent within 20 days of the scheduled due date.

(3) A borrower has not used the one opportunity to renew eligibility for title IV assistance if the borrower makes six consecutive, on-time, voluntary, full monthly payments under an agreement to rehabilitate a defaulted loan but does not receive additional title IV assistance prior to defaulting on that loan again.

School. (1) An "institution of higher education" as that term is defined in 34 CFR 600.4.

(2) For purposes of an in-school deferment, the term includes an institution of higher education, whether or not it participates in any title IV program or has lost its eligibility to participate in the FFEL program because of a high default rate.

School-affiliated organization. A school-affiliated organization is any organization that is directly or indirectly related to a school and includes, but is not limited to, alumni organizations, foundations, athletic organizations, and social, academic, and professional organizations.

School lender. A school, other than a correspondence school, that has entered into a contract of guarantee under this part with the Secretary or, a similar agreement with a guaranty agency.

Temporarily totally disabled. The condition of an individual who, though not totally and permanently disabled, is unable to work and earn money or attend school, during a period of at least 60 days needed to recover from injury or illness. With regard to a disabled dependent of a borrower, this term means a spouse or other dependent who, during a period of injury or illness, requires continuous nursing or similar services for a period of at least 90 days.

Third-party servicer. Any State or private, profit or nonprofit organization or any individual that enters into a contract with a lender or guaranty agency to administer, through either manual or automated processing, any aspect of the lender's or guaranty agency's FFEL programs required by any statutory provision of or applicable to Title IV of the HEA, any regulatory provision prescribed under that statutory authority, or any applicable special arrangement, agreement, or limitation entered into under the authority of statutes applicable to Title IV of the HEA that governs the FFEL programs, including, any applicable function described in the definition of third-party servicer in 34 CFR part 668; originating, guaranteeing, monitoring, processing, servicing, or collecting loans; claims submission; or billing for interest benefits and special allowance.
