§ 1631.10

§ 1631.7 Initial determination.

The FOIA Officer shall have the authority to approve or deny requests received pursuant to these regulations. The decision of the FOIA Officer shall be final, subject only to administrative review as provided in § 1631.10.

§ 1631.8 Prompt response.

(a)(1) When the FOIA Officer receives a request for expedited processing, he or she will determine within 10 work days whether to process the request on an expedited basis.

(2) When the FOIA Officer receives a request for records which he or she, in good faith, believes is not reasonably descriptive, he or she will so advise the requester within 5 work days. The time limit for processing such a request will not begin until receipt of a request that reasonably describes the records being sought.

(b) The FOIA Officer will either approve or deny a reasonably descriptive request for records within 20 work days after receipt of the request, unless additional time is required for one of the following reasons:

(1) It is necessary to search for and collect the requested records from other establishments that are separate from the office processing the request (e.g., the record keeper);

(2) It is necessary to search for, collect, and examine a voluminous amount of records which are demanded in a single request;

(3) It is necessary to consult with another agency which has a substantial interest in the determination of the request or to consult with two or more offices of the Board which have a substantial subject matter interest in the records; or

(4) It is necessary to devote resources to the processing of an expedited request under § 1631.6(f).

(c) When additional time is required for one of the reasons stated in paragraph (b) of this section, the FOIA Officer will extend this time period for an additional 10 work days by written notice to the requester. If the Board will be unable to process the request within this additional time period, the requester will be notified and given the opportunity to—

(1) Limit the scope of the request; or

(2) Arrange with the FOIA Officer an alternative time frame for processing the request.

§ 1631.9 Responses—form and content.

(a) When a requested record has been identified and is available, the FOIA officer shall notify the person making the request as to where and when the record is available for inspection or that copies will be made available. The notification shall also advise the person making the request of any fees assessed under § 1631.13 of this part.

(b) A denial or partial denial of a request for a record shall be in writing signed by the FOIA Officer and shall include:

(1) The name and title of the person making the determination;

(2) A statement of fees assessed, if any; and

(3) A reference to the specific exemption under the FOIA authorizing the withholding of the record, and a brief explanation of how the exemption applies to the record withheld; or

(4) If appropriate, a statement that, after diligent effort, the requested records have not been found or have not been adequately examined during the time allowed by § 1631.8, and that the denial will be reconsidered as soon as the search or examination is complete; and

(5) A statement that the denial may be appealed to the Executive Director within 30 calendar days of receipt of the denial or partial denial.

(c) If, after diligent effort, existing requested records have not been found, or are known to have been destroyed or otherwise disposed of, the FOIA Officer shall so notify the requester.
