Subpart P—Delegations of Authority by the Assistant Secretary for Administration

SOURCE: 75 FR 43381, July 23, 2010, unless otherwise noted.

§ 2.87 Deputy Assistant Secretary for Administration.

Pursuant to § 2.24(a), and subject to reservations in § 2.24(b), the following delegation of authority is made by the Assistant Secretary for Administration to the Deputy Assistant Secretary for Administration, to be exercised only during the absence or unavailability of the Assistant Secretary: Perform all the duties and exercise all the powers which are now or which may hereafter be delegated to the Assistant Secretary for Administration: Provided, that this authority shall be exercised first by a respective non-career Deputy Assistant Secretary in the order in which he or she has taken office as Deputy Assistant Secretary, and second by a career Deputy Assistant Secretary.

§ 2.89 Chief Information Officer.

(a) *Delegations.* The Chief Information Officer, under the supervision of the Assistant Secretary for Administration pursuant to § 2.24(a)(2), and with due deference for delegations to other Departmental Management officials, is responsible for executing the duties enumerated in Public Law 104-106 for agency Chief Information Officers, and additional specified duties, as follows:

(1) Report directly to the Secretary of Agriculture regarding information technology matters.

(2) Oversee all information technology and information resource management activities relating to the programs and operations of the Department and component agencies. This oversight includes approving information technology investments, monitoring and evaluating the performance of those investments and information resource management activities, approval of all architectures and components thereto and determining whether to continue, modify, or terminate an information technology program or project.

(3) Provide advice and other assistance to the Secretary and other senior management personnel to ensure that information technology acquired and managed for the Department consistent with chapter 35 of title 44, United States Code (Coordination of Federal Information Policy).

(4) Develop, implement, and maintain a sound and integrated Department-wide information technology architecture.

(5) Promote the effective and efficient design and operation of all major information resources management processes for the Department, including improvements to work processes of the Department.

(6) Approve the acquisition or procurement of information technology resources by, or on behalf of, any Department agency or office.

(7) Collaborate with Department procurement personnel with respect to information technology acquisition strategy and policy.

(8) Function as the Major Information Technology Systems Executive in USDA to integrate and unify the management process for the Department's
