

§ 3.32

for a certain class of debt is in the best interest of the United States. Federal agencies may request that the Secretary of the Treasury exempt specific classes of debts. Any such request by an agency must be sent to the Fiscal Assistant Secretary of the Treasury by the USDA CFO.

(c) A debt is considered 180 days delinquent for purposes of this section if it is 180 days past due and is legally enforceable. A debt is past due if it has not been paid by the date specified in the agency's initial written demand for payment or applicable agreement or instrument (including a post-delinquency payment agreement) unless other satisfactory payment arrangements have been made. A debt is legally enforceable if there has been a final agency determination that the debt, in the amount stated, is due and there are no legal bars to collection action. Where, for example, a debt is the subject of a pending administrative review process required by statute or regulation and collection action during the review process is prohibited, the debt is not considered legally enforceable for purposes of mandatory transfer to Treasury and is not to be transferred even if the debt is more than 180 days past due. When a final agency determination is made after an administrative appeal or review process (including administrative review under subpart F), the creditor agency must transfer such debt to Treasury, if more than 180 days delinquent, within 30 days after the date of the final decision.

§ 3.32 Discretionary referral for cross-servicing.

Agencies shall consider referring legally enforceable nontax debts that are less than 180 days delinquent to Treasury or to Treasury-designated "debt collection centers" in accordance with 31 CFR 285.12 to accomplish efficient, cost effective debt collection if no USDA payments will be available to collect the debt through internal administrative offset under § 3.43.

§ 3.33 Required certification.

Agencies referring delinquent debts to Treasury for collection via cross-servicing must certify, in writing, that:

7 CFR Subtitle A (1-1-15 Edition)

(a) The debts being transferred are valid and legally enforceable;

(b) There are no legal bars to collection; and

(c) The agency has complied with all prerequisites to a particular collection action under the laws, regulations or policies applicable to the agency, unless the agency and Treasury agree that Treasury will do so on behalf of the agency.

§ 3.34 Fees.

Federal agencies operating Treasury-designated debt collection centers are authorized to charge a fee for services rendered regarding referred or transferred debts. The fee may be paid out of amounts collected and may be added to the debt as an administrative cost.

Subpart D—Administrative Offset

SOURCE: 73 FR 4, Jan. 2, 2008, unless otherwise noted.

§ 3.40 Scope.

(a) This subpart sets forth the procedures to be used by agencies in collecting debts by administrative offset. The term "administrative offset" has the meaning provided in 31 U.S.C. 3701(a)(1).

(b) This section does not apply to:

(1) Debts arising under the Social Security Act, except as provided in 42 U.S.C. 404;

(2) Payments made under the Social Security Act, except as provided in 31 U.S.C. 3716(c) (see 31 CFR 285.4, Federal Benefit Offset);

(3) Debts arising under, or payments made under, the Internal Revenue Code (except for offset of tax refunds) or the tariff laws of the United States;

(4) Offsets against Federal salaries (such offsets are covered by subpart F);

(5) Offsets under 31 U.S.C. 3728 against a judgment obtained by a debtor against the United States;

(6) Offsets or recoupments under common law, State law, or Federal statutes specifically prohibiting offsets or recoupments of particular types of debts;

(7) Offsets in the course of judicial proceedings, including bankruptcy; or

(8) Intracontractual offsets to satisfy contract debts taken by a contracting

officer under the Contract Disputes Act, 41 U.S.C. 601-613.

(c) Unless otherwise provided for by contract or law, debts or payments that are not subject to administrative offset under 31 U.S.C. 3716 may be collected by administrative offset under the common law or other applicable statutory authority.

(d) Supplemental provisions related to offsets by the Commodity Credit Corporation (CCC) may be found at 7 CFR part 1403 and for the Farm Service Agency at 7 CFR part 792.

(e) Unless otherwise provided by law, administrative offset of payments under the authority of 31 U.S.C. 3716 to collect a debt may not be conducted more than 10 years after the government's right to collect the debt first accrued, unless facts material to the government's right to collect the debt were not known and could not reasonably have been known by the official or officials of the government who were charged with the responsibility to discover and collect such debts. This limitation does not apply to debts reduced to a judgment.

(f) In bankruptcy cases, agencies may seek legal advice from OGC concerning the impact of the Bankruptcy Code, particularly 11 U.S.C. 106, 362, and 553, on pending or contemplated collections by offset.

§3.41 Procedures for notification of intent to collect by administrative offset.

(a) Prior to initiation of collection by administrative offset, a creditor agency must:

(1) Send the debtor a written Notice of Intent to Collect by Administrative Offset, by mail or hand-delivery, of the type and amount of the debt, the intention of the agency to use non-centralized administrative offset (which includes a USDA internal administrative offset) to collect the debt 30 days after the date of the Notice, the name of the Federal agency or USDA agency from which the creditor agency wishes to collect in the case of a non-centralized administrative offset, the intent to refer the debt to Treasury for collection through centralized administrative offset (including possible offset of tax refunds) 60 days after the date of

the Notice if the debt is not satisfied by offset within USDA or by agreement with another Federal agency, and an explanation of the debtor's rights under 31 U.S.C. 3716; and

(2) Give the debtor the opportunity:

(i) To inspect and copy agency records related to the debt;

(ii) For a review within the agency of the determination of indebtedness in accordance with subpart F; and

(iii) To make a written agreement to repay the debt.

(b) The procedures set forth in paragraph (a) of this section are not required when:

(1) The offset is in the nature of a recoupment;

(2) The debt arises under a contract subject to the Contracts Disputes Act;

(3) In the case of a non-centralized administrative offset, the agency first learns of the existence of the amount owed by the debtor when there is insufficient time before payment would be made to the debtor/payee to allow for prior notice and an opportunity for review. When prior notice and an opportunity for review are omitted, the agency shall give the debtor such notice and an opportunity for review as soon as practicable and shall promptly refund any money ultimately found not to have been owed to the government; or

(4) The agency previously has given a debtor any of the notice and review opportunities required under this part, with respect to a particular debt (*see, e.g.,* §3.11). With respect to loans paid on an installment basis, notice and opportunity to review under this part may only be provided once for the life of the loan upon the occurrence of the first delinquent installment. Subsequently, if an agency elects this option, credit reporting agencies may be furnished periodically with updates as to the current or delinquent status of the loan account and the borrower may receive notice of referral to TOP for delinquent installments without further opportunity for review. Any interest accrued or any installments coming due after the offset is initiated also would not require a new notice and opportunity to review.

(c) The Notice of Intent to Collect by Administrative Offset shall be included
