

§ 247.17

7 CFR Ch. II (1–1–15 Edition)

(c) *Does the certification period end when a participant moves from the local area in which he or she was receiving benefits?* No. The State agency must ensure that local agencies serve a CSFP participant who moves from another area to an area served by CSFP and whose certification period has not expired. The participant must be given the opportunity to continue to receive CSFP benefits for the duration of the certification period. If the local agency has a waiting list, the participant must be placed on its waiting list ahead of all other waiting applicants. The local agency that determined the participant's eligibility must provide verification of the expiration date of the certification period to the participant upon request.

(d) *What must the local agency do to ensure that participants are aware of the expiration of the certification period?* The local agency must notify program participants in writing at least 15 days before the expiration date that eligibility for the program is about to expire. The local agency must include a statement in the written notification that informs the applicant that program standards are applied without discrimination by race, color, national origin, age, sex, or disability.

§ 247.17 Notification of discontinuance of participant.

(a) *What must a local agency do if it has evidence that a participant is no longer eligible for CSFP benefits during the certification period?* If a local agency has evidence that a participant is no longer eligible for CSFP benefits during the certification period, it must provide the participant with a written notification of discontinuance at least 15 days before the effective date of discontinuance.

(b) *What must a local agency do if it has to discontinue a participant from participation in the program prior to the end of the certification period due to the lack of resources necessary to continue providing benefits to the participant?* If a local agency does not have sufficient resources, such as a sufficient number

of caseload slots, to continue providing benefits to the participant(s) for the entire certification period, it must provide the participant(s) with a written notification of discontinuance at least 15 days before the effective date of discontinuance.

(c) *What must be included in the notification of discontinuance?* The notification of discontinuance must include the effective date of discontinuance, the reason for the participant's discontinuance, a statement of the individual's right to appeal the discontinuance through the fair hearing process, in accordance with § 247.33(a), and a statement that informs the applicant that program standards are applied without discrimination by race, color, national origin, age, sex, or disability.

§ 247.18 Nutrition education.

(a) *What are the State agency's responsibilities in ensuring that nutrition education is provided?* The State agency must establish an overall nutrition education plan and must ensure that local agencies provide nutrition education to participants in accordance with the plan. The State agency may allow local agencies to share personnel and educational resources with other programs in order to provide the best nutrition education possible to participants. The State agency must establish an evaluation procedure to ensure that the nutrition education provided is effective. The evaluation procedure must include participant input and must be directed by a nutritionist or other qualified professional. The evaluation may be conducted by the State or local agency, or by another agency under agreement with the State or local agency.

(b) *What type of nutrition education must the local agency provide?* The local agency must provide nutrition education that can be easily understood by participants and is related to their nutritional needs and household situations. The local agency must provide nutrition education that includes the following information, which should account for specific ethnic and cultural characteristics whenever possible:

(1) The nutritional value of CSFP foods, and their relationship to the
