

## 9. Claim for Indemnity

If two or more insured crop types, varieties, or classes are insured within the same unit, and multiple price elections, projected prices, or amounts of insurance are applicable, the dollar amount of insurance and the dollar amount of production to be counted will be determined separately for each type, variety, class, etc., that have separate price elections, projected prices, or amounts of insurance and then totaled to determine the total liability or dollar amount of production to be counted for the unit.

## 10. Concealment or Fraud

Notwithstanding any provision contained in any other crop insurance document, your CAT policy may be voided by us on all crops without waiving any of our rights, including the right to collect any amounts due:

(a) If at any time you conceal or misrepresent any material fact or commit fraud relating to this or any other contract issued under the authority of the Federal Crop Insurance Act with any insurance provider; and

(b) The voidance will be effective for the crop year during which any such act or omission occurred.

## 11. Exclusion of Coverage

(a) Options or endorsements that extend the coverage available under any crop policy offered by FCIC will not be available under this endorsement, except for the Supplemental Coverage Option and any other option or endorsement or other additional coverage expressly authorized in the Federal Crop Insurance Act and allowed in the actuarial documents (for example, the Stacked Income Protection Plan). Written agreements are not available for any crop insured under this endorsement.

(b) Notwithstanding any provision contained in any other crop policy, hail and fire coverage and high-risk land may not be excluded under catastrophic risk protection.

**§ 407.1 Applicability.**

The provisions of this part are applicable only to those crops for which a Crop Provision is contained in this part and the crop years specified.

**§ 407.2 Availability of Federal crop insurance.**

(a) Insurance shall be offered under the provisions of this part on the insured crop in counties within the limits prescribed by and in accordance with the provisions of the Federal Crop Insurance Act (7 U.S.C. 1501–1524) (Act). The crops and counties shall be designated by the Manager of the Federal Crop Insurance Corporation (FCIC) from those approved by the Board of Directors of FCIC.

(b) The insurance is offered through insurance providers reinsured by the FCIC that offer contracts containing the same terms and conditions as the contract set out in this part. These contracts are clearly identified as being reinsured by FCIC. FCIC may offer the contract for coverage contained in this part and part 402 of this chapter directly to the insured through the Department of Agriculture if the Secretary determines that the availability of local agents is not adequate. Those contracts are specifically identified as being offered by FCIC.
