

§ 981.50

(e) The recommended salable and reserve percentages to be established.

The Board shall also furnish to the Secretary a complete report of the proceedings of the Board meeting at which the recommended salable and reserve percentages were considered. If, for any reason, the Board fails to make these estimates or to recommend to the Secretary salable and reserve percentages as required hereby, reports representing the views of members with respect to such matters may be submitted to the Secretary who may act on the basis of such reports or other information available to him.

§ 981.50 Reserve obligation.

Whenever salable and reserve percentages are in effect for a crop year, each handler shall withhold from handling a quantity of almonds having a kernel weight equal to the reserve percentage of the kernel weight of all almonds such handler receives for his own account during the crop year: *Provided*, That, any quantity of almonds delivered to outlets such as poultry or animal feed or crushing into oil, in a manner permitting accountability to the Board, shall not be included in such receipts. The quantity of almonds hereby required to be withheld from handling shall constitute, and may be referred to as the "reserve" or "reserve obligation" of a handler. The almonds handled as salable almonds by any handler, in accordance with the provisions of this part, shall be deemed to be that handler's quota fixed by the Secretary within the meaning of section 8a(5) of the act.

§ 981.51 Requirements for reserve.

Each handler may satisfy his reserve obligation with such almonds specified in the terms of the agency agreement authorized in § 981.67, including all applicable inspection and certification requirements. Any handler who does not become an agent may receive credit by similarly delivering almonds to the Board or its designees. These requirements may be established by the

§ 981.52 Holding requirement and delivery.

Each handler shall, at all times, hold in his possession or under his control, in proper storage for the account of the Board, the quantity of almonds necessary to meet his reserve obligation less: (a) Any quantity which was disposed of by him pursuant to § 981.67; and (b) any quantity for which he is otherwise relieved by the Board of responsibility to so hold almonds. Upon demand of the Board reserve almonds shall be delivered to the Board f.o.b. handler's warehouse or point of storage, except that the Board shall not make such demand upon a handler with respect to reserve almonds for which he has agreed to undertake disposition pursuant to § 981.67. Any handler who does not act as agent for the Board in the disposition of reserve almonds shall be subject to the applicable inspection and certification requirements prescribed by the Board pursuant to § 981.67.

§ 981.54 Payment to handlers for services rendered.

The Board may pay handlers for necessary services rendered by them in connection with almonds eventually disposed of directly by the Board as reserve including but not limited to storing, shelling, sorting, bleaching, grading, packaging, fumigating, and other services in accordance with such schedule of payments and under such conditions as may be established by the Secretary after recommendation of the Board.

§ 981.55 Interhandler transfers.

(a) Any handler may, upon notice to and under the supervision and direction of the Board, transfer almonds or reserve credits to another handler. Any such transfers shall be accounted for in such manner that the reserve obligation and assessments on the combined
