(c) *Identification Service.* (1) Poultry or other product that is federally inspected and passed at an official establishment, or upon importation, under the Poultry Products Inspection Act, is officially marked to identify it as federally inspected and passed. (2) At the time service is furnished, product must be sound, wholesome, and fit for human food. The service will be available only on premises other than those of an official establishment. The sanitation of the place or area where service is furnished must comply with provisions of §§416.1 through 416.6 of this chapter.

(3) The mark of inspection shall be applied only under the immediate supervision of an inspector.

(4) This service does not cover further cutting and processing of products. These activities must take place at an official establishment.

(5) The registration and record-keeping requirements enumerated in Part 381, subpart Q, of this chapter shall apply to persons requesting voluntary identification service under this paragraph (c).
