To cite the regulations in this volume use title, part and section number. Thus, 24 CFR 200.1 refers to title 24, part 200, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 ..............................................................as of January 1
- Title 17 through Title 27 .................................................................as of April 1
- Title 28 through Title 41 .................................................................as of July 1
- Title 42 through Title 50 .............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 2016), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INTEGRATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.
(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 200.40 HUD fees.

The following fees apply to mortgages to be insured under this part.

(a) Application fee—SAMA letter (for new construction). An application fee of $1 per thousand dollars of the requested mortgage shall accompany the application for a SAMA letter. An additional fee of $1 per thousand dollars of the requested mortgage amount shall be charged for the review of plans and specifications.

(b) Application fee—feasibility letter (for substantial rehabilitation). An application fee of $3 per thousand dollars of the requested mortgage amount shall accompany the application for a feasibility letter.
(c) Application fee—conditional commitment. For a mortgage being insured under section 223(f) of the Act (12 U.S.C. 1715n), an application-commitment fee of $3 per thousand dollars of the requested mortgage amount shall accompany an application for conditional commitment.

(d)(1) Application fee—firm commitment: General. An application for firm commitment shall be accompanied by an application-commitment fee in an amount determined by the Secretary, which when added to any prior fees received in connection with the same application, shall not exceed $5.00 per thousand dollars of the requested mortgage amount to be insured. The payment of an application-commitment fee shall not be required in connection with an insured mortgage involving the sale by the government of housing or property acquired, held, or contracted pursuant to the Atomic Energy Community Act of 1955 (42 U.S.C. 2301 et seq.).

(2) Application fee—Section 232 Programs. For purposes of mortgages insured under HUD’s regulations in 24 CFR part 232, subpart C, an application for firm commitment shall be accompanied by an application fee in an amount determined by the Secretary, which shall not exceed $5.00 per thousand dollars of the requested mortgage amount to be insured.

(e) Inspection fee—(1) In general. The firm commitment may provide for the payment of an inspection fee in an amount not to exceed $5 per thousand dollars of the commitment. If an inspection fee is required, it shall be paid as follows:

(i) If the case involves insurance of advances, at the time of initial endorsement; or

(ii) If the case involves insurance upon completion, before the date construction is begun.

(2) Existing projects. For a mortgage being insured under section 223(f) of the Act, if the application provides for the completion of repairs, replacements and/or improvements (repairs), the Commissioner will charge an inspection fee equal to one percent (1%) of the cost of the repairs. However, where the cost of repairs is minimal, the Commissioner may establish a minimum inspection fee that exceeds one percent of the cost of repairs and can periodically increase or decrease this minimum fee.

(f) Fees on increases—in general. This section applies to all applications except applications involving hospitals, which are covered in 24 CFR part 242.

(1) Increase in firm commitment before endorsement. An application, filed before initial endorsement (or before endorsement in a case involving insurance upon completion), for an increase in the amount of an outstanding firm commitment, shall be accompanied by a combined additional application and commitment fee. This combined additional fee shall be in an amount that will aggregate $5 per thousand dollars of the amount of the requested increase. If an inspection fee was required in the original commitment, an additional inspection fee shall be paid in an amount computed at the same dollar rate per thousand dollars of the amount of increase in commitment as was used for the inspection fee required in the original commitment. When insurance of advances is involved, the additional inspection fee shall be paid at the time of initial endorsement. When insurance upon completion is involved, the additional inspection fee shall be paid before the date construction is begun; or, if construction has begun, it shall be paid with the application for increase.

(2) Increase in mortgage between initial and final endorsement. Upon the filing of an application between initial and final endorsement, for an increase in the amount of the mortgage, either by amendment or by substitution of a new mortgage, a combined additional application and commitment fee shall accompany the application. This combined additional fee shall be in an amount that will aggregate $5 per thousand dollars of the amount of the increase requested. If an inspection fee was required in the original commitment, an additional inspection fee shall accompany the application in an amount not to exceed the $5 per thousand dollars of the amount of the increase requested.
§ 200.45

(3) Loan to cover operating losses. In connection with a loan to cover operating losses (see Sec. 200.22), a combined application and commitment fee of $5 per thousand dollars of the amount of the loan applied for shall be submitted with the application for a firm commitment. No inspection fee shall be required.

(k) Reopening of expired commitments. An expired commitment may be reopened if a request for reopening is received by the Commissioner within 90 days of the expiration of the commitment. The reopening request shall be accompanied by a fee of 50 cents per thousand dollars of the amount of the expired commitment. If the reopening request is not received by the Commissioner within the required 90-day period, a new application, accompanied by the required application and commitment fee, must be submitted.

(h) Transfer fee. Upon application for the approval of a transfer of physical assets or the substitution of mortgagees, a transfer fee of 50 cents per thousand dollars shall be paid on the original face amount of the mortgage in all cases, except that a transfer fee shall not be paid where both parties to the transfer transaction are nonprofit purchasers, or when the transfer of physical assets or the substitution of mortgagees occurs contemporaneously with the restructuring of a mortgage pursuant to a restructuring plan under part 401, subpart C of this title.

(1) Refund of fees. If the amount of the commitment issued or increase in mortgage granted is less than the amount applied for, the Commissioner shall refund the excess amount of the application and commitment fees submitted by the applicant. If an application is rejected before it is assigned for processing, or in such other instances as the Commissioner may determine, the entire application and commitment fee or any portion thereof may be returned to the applicant. Commitment, inspection and reopening fees may be refunded, in whole or in part, if it is determined by the Commissioner that there is a lack of need for the housing or that the construction or financing of the project has been prevented because of condemnation proceedings or other legal action taken by a governmental body or public agency, or in such other instances as the Commissioner may determine. A transfer fee may be refunded only in such instances as the Commissioner may determine.

(j) Fees not required. (1) The payment of an application, commitment, inspection, or reopening fee shall not be required in connection with the insurance of a mortgage involving the sale by the Secretary of any property acquired under any section or title of the Act.

(2) The payment of an application or commitment fee shall not be required in connection with the insurance of a mortgage used to facilitate a restructuring plan under part 401, subpart C of this title.

§ 200.41 Maximum mortgagee fees and charges.

(a) Mortgagee fees and charges included in the mortgage must be for actual required services provided to the mortgagor by the mortgagee, and shall not exceed common market rates for such services as determined by the Commissioner.

(b) Mortgagee charges for prepayment of the mortgage and late mortgage payments shall not exceed that determined appropriate by the Commissioner.
required exhibits. An application for a SAMA or feasibility letter may be submitted by the project sponsor. An application for a firm commitment for insurance must be submitted by both the project sponsor and an approved mortgagee. Applications shall be submitted to the local HUD Office on HUD-approved forms. No application will be considered unless accompanied by all exhibits required by the form and program handbooks. At the option of the local HUD Office, the SAMA/Feasibility letter stage of processing can be combined with the firm commitment stage of processing.

(b) Firm commitment requirement. An application for a firm commitment must be made by an approved mortgagee for any project for which a mortgagor seeks mortgage insurance under the Act.

(c) Staged applications. Staged applications leading to an application for firm commitment shall be made as determined appropriate by the Commissioner, and in accordance with such terms and conditions established by the Commissioner. The intermediate stages to firm commitment may include a site appraisal and market analysis (SAMA) letter stage or a feasibility letter stage and a conditional commitment. The conditional commitment stage applies only to mortgages to be insured pursuant to section 223(f) of the Act.

(d) Effect of SAMA letter, feasibility letter, and firm commitment—(1) SAMA letter. (i) The issuance of a SAMA letter indicates completion of the site appraisal and market analysis stage to determine initial acceptability of the site and recognition of a specific market need. The SAMA letter is not a commitment to insure a mortgage for the proposed project and does not bind the Commissioner to issue a firm commitment to insure. The SAMA letter precedes the later submission of acceptable plans and specifications for the proposed project and is limited to advising the applicant as to the following determinations of the Commissioner, which shall not be changed to the detriment of an applicant, if the application for a firm commitment is received before expiration of the SAMA letter:

(A) The land value fully improved (with off-site improvements installed);
(B) The acceptability of the proposed project site, the proposed composition, number and size of the units and the market for the number of proposed units. Where the application is not acceptable as submitted, but can be made acceptable by a change in the number, size, or composition of the units, the SAMA letter may establish the specific lesser number of units which would be acceptable and any acceptable alternative plan for the composition and size of units; and
(C) The acceptability of the unit rents proposed. Where rent levels are unacceptable, the SAMA letter may establish specific rents which are acceptable.

(ii) After receiving a SAMA letter, the sponsor shall submit design drawings and specifications in a timeframe prescribed by the Commissioner. The Commissioner will review and comment on design development and the drawings and specifications. The comments will be provided to the sponsor for use in preparing a firm commitment application.

(2) Feasibility letter. The issuance of a feasibility letter indicates approval of the preliminary work write-up and outline specifications and completion of technical processing involving the estimated rehabilitation cost of the project, the “as is” value of the site, the detailed estimates of operating expenses and taxes, the specific unit rents, the vacancy allowance, and the estimated mortgage amount. The issuance of a feasibility letter is not a commitment to insure a mortgage for the proposed project and does not bind the Commissioner to issue a firm commitment to insure. Determinations found in a feasibility letter are not to be binding upon the Department and may be changed in whole or in part at any later point in time. The letter may even be unilaterally terminated by the Commissioner if found necessary.

(3) Conditional commitment. The issuance of a Section 223(f) conditional commitment indicates completion of
technical processing involving the estimated value of the property, the detailed estimates of rents, operating expenses and taxes and an estimated mortgage amount.

(e) Term of SAMA letter, feasibility letter, and conditional commitment. A SAMA letter, a feasibility letter, and a conditional commitment shall be effective for whatever term is specified in the respective letter or commitment.

(f) Rejection of an application. A significant deviation in an application from the Commissioner's terms or conditions in an earlier stage application commitment or agreement shall be grounds for rejection. The fees paid to such date shall be considered as having been earned notwithstanding such rejection.

COST CERTIFICATION

§ 200.95 Certification of cost requirements.

(a) Before initial endorsement of the mortgage for insurance, the mortgagor, the mortgagee, and the Commissioner shall enter into an agreement in form and content satisfactory to the Commissioner for the purpose of precluding any excess of mortgage proceeds over statutory limitations. Under this agreement, the mortgagor shall disclose its relationship with the builder, including any collateral agreement, and shall agree:

(1) To enter into a construction contract, the terms of which shall depend on whether or not there exists an identity of interest between the mortgagor and the builder.

(2) To execute a Certificate of Actual Costs, upon completion of all physical improvements on the mortgaged property.

(3) To apply in reduction of the outstanding balance of the principal of the mortgage any excess of mortgage proceeds over statutory limitations based on actual cost.

(b) The provisions of paragraph (a) of this section relating to disclosure and the requirement for a construction contract shall not apply where the mortgagor is the general contractor.

§ 200.96 Certificates of actual cost.

(a) The mortgagor’s certificate of actual cost, in a form prescribed by the Commissioner, shall be submitted upon completion of the physical improvements to the satisfaction of the Commissioner and before final endorsement, except that in the case of an existing project that does not require substantial rehabilitation and where the commitment provides for completion of specified repairs after endorsement, a supplemental certificate of actual cost will be submitted covering the completed costs of any such repairs. The certificate shall show the actual cost to the mortgagor, after deduction of any kickbacks, rebates, trade discounts, or other similar payments to the mortgagor, or to any of its officers, directors, stockholders, partners or other entity member ownership, of construction and other costs, as prescribed by the Commissioner.

(b) The Certificate of Actual Cost shall be verified by an independent Certified Public Accountant or independent public accountant in a manner acceptable to the Commissioner.

(c) Upon the Commissioner’s approval of the mortgagor’s certification of actual cost such certification shall be final and incontestable except for fraud or material misrepresentation on the part of the mortgagor.

§ 200.97 Adjustments resulting from cost certification.

(a) Fee simple site. Upon receipt of the mortgagor’s certification of actual cost there shall be added to the total amount thereof the Commissioner’s estimate of the fair market value of any land included in the mortgage security and owned by the mortgagor in fee, such value being prior to the construction of the improvements.

(b) Leasehold site. In the event the land is held under a leasehold or other interest less than a fee, the cost, if any, of acquiring the leasehold or other interest is considered an allowable expense which may be added to actual cost provided that in no event shall such amount be in excess of the fair market value of such leasehold or

(b) The Commissioner may delegate to the mortgagee or other party the Commissioner’s authority, in whole or in part, in accordance with the terms, conditions and standards established by the Commissioner in any executed Regulatory Agreement or other instrument granting the Commissioner supervision of the mortgagor.

If the amount calculated in accordance with paragraphs (a) or (b) of this section exceeds the statutory dollar amount limits or loan ratio limits permitted by the section of Act under which the mortgage is to be insured, or program loan ratio limits established by the Commissioner in the absence of statutory limits, the amount must be reduced to the applicable limits before final endorsement.

ENDORSEMENT

§ 200.100 Insurance endorsement.

The credit instrument shall be initially and finally endorsed simultaneously for insurance pursuant to a commitment to insure upon completion. Where the advances of construction funds are to be insured pursuant to a commitment for insured advances, initial endorsement of the credit instrument shall occur before any mortgage proceeds are insured and the time of final endorsement shall be as set forth in paragraph (b) of this section.

(a) Initial endorsement. The Commissioner shall indicate the insurance of the mortgage by endorsing the original credit instrument and identifying the section of the Act and the regulations under which the mortgage is insured and the date of insurance.

(b) Final endorsement. When all advances of mortgage proceeds have been made and all the terms and conditions of the commitment have been met to the Commissioner's satisfaction the Commissioner shall indicate on the original credit instrument the total of all advances approved for insurance and again endorse such instrument.

(c) Contract rights and obligations. The Commissioner and the mortgagee or lender shall be bound from the date of initial endorsement, whether the initial and final endorsement occur simultaneously or are split, by the provisions of the Contract Rights and Obligations set forth in the respective regulations for each section of the Act, as follows: Section 207 of the Act (24 CFR part 207); Section 213 of the Act (24 CFR part 213); Section 221 of the Act (24 CFR part 221); Section 231 of the Act (24 CFR part 231); Section 232 of the Act (24 CFR part 232); Section 234 of the Act (24 CFR part 234); Section 241 of the Act (24 CFR part 241); Section 242 of the Act (24 CFR part 242); title XI of the Act (24 CFR part 244).

§ 200.101 Mortgagor lien certificate.

The mortgagor shall certify at the final endorsement of the mortgage for insurance as to each of the following:

(a) That the mortgage is the first lien upon and covers the entire project, including any equipment financed with mortgage proceeds.

(b) That the property upon which the improvements have been made or constructed and the equipment financed with mortgage proceeds are free and clear of all liens other than the insured mortgage and such other liens as may be approved by the Commissioner.

(c) That the certificate sets forth all unpaid obligations in connection with the mortgage transaction, the purchase of the mortgaged property, the construction or rehabilitation of the project or the purchase of the equipment financed with mortgage proceeds.

REGULATION OF MORTGAGORS

§ 200.105 Mortgagor supervision.

(a) As long as the Commissioner is the insurer or holder of the mortgage, the Commissioner shall regulate the mortgagor by means of a regulatory agreement providing terms, conditions and standards established by the Commissioner, or by such other means as the Commissioner may prescribe.

(b) The Commissioner may delegate to the mortgagee or other party the Commissioner’s authority, in whole or in part, in accordance with the terms, conditions and standards established by the Commissioner in any executed Regulatory Agreement or other instrument granting the Commissioner supervision of the mortgagor.

§ 200.120  Purpose and applicability.

(a) Purpose. The purpose of this subpart B is to require mortgagors of all multifamily projects whose mortgages are insured or reinsured by HUD to submit electronically information regarding mortgage delinquencies, defaults, reinstatements, assignment elections, withdrawals of assignment elections, and related information, as that information is required by 24 CFR part 207 and Form HUD–92426 (which is available at the Department of Housing and Urban Development, HUD Customer Service Center, 451 7th Street, SW, Room B–100, Washington, DC 20410; telephone (800) 767–7468).

(b) Applicability. This subpart applies to all HUD multifamily mortgage insurance and coinsurance programs.

§ 200.121 Requirements and effectiveness.

(a) Multifamily mortgagors, which are required by 24 CFR part 207 to report mortgage delinquencies, defaults, reinstatements, assignment elections, withdrawals of assignment elections, and related information, must submit this information electronically, over the Internet, in accordance with the following schedule of effectiveness:

1. Mortgagors having 70 or more insured mortgage loans must comply with this section by no later than March 1, 1999;
2. Mortgagors having from 26 to 69 insured mortgage loans must comply with this section by no later than January 1, 2000;
3. Mortgagors having from 11 to 25 insured mortgage loans must comply with this section by no later than January 1, 2001;
4. Mortgagors having 10 or fewer insured mortgage loans must comply with this section by no later than January 1, 2002.

(b) Exception. On or after January 1, 2002, mortgagors that hold or service fewer than 10 multifamily mortgages may continue to report mortgage delinquencies, defaults, reinstatements, assignment elections, withdrawals of assignment elections, and related information in writing on Form HUD–92426 only with specific HUD approval. HUD will grant such approval, upon application by the mortgagor, for reasons of hardship due to insufficient financial resources to purchase the required hardware and Internet access.

(c) HUD will not accept reports of information regarding defaults, reinstatements, assignment elections, and related information in a manner that is not in accordance with this section. Failure on the part of mortgagors to report this information as required by 24 CFR part 207 and this section may
result in HUD’s application of the sanctions and surcharges specified in 24 CFR part 207.

Subpart E—Mortgage Insurance Procedures and Processing

APPLICATION FOR INSURANCE

§ 200.145 Property and mortgage assessment.

(a) The mortgagor is responsible for making those investigations, analyses and inspections it deems necessary for protecting its interests in the property.

(b) Any appraisals, inspections, environmental assessments, and technical or financial evaluations conducted by or for the Commissioner are performed to determine the maximum insurable mortgage, and to protect the Commissioner and the FHA insurance funds. Such appraisals, inspections, assessments and evaluations neither create nor imply a duty or obligation from HUD to the mortgagor, or to any other party, and are not to be regarded as a warranty by HUD to the mortgagor, or any other party, of the value or condition of the property.

[61 FR 14404, Apr. 1, 1996]

CLAIMS FOR LOSSES

§ 200.153 Presentation of claim.

In the event the insured lender is entitled under the contract of mortgage insurance to receive a claim settlement, the mortgagor presents a claim for insurance benefits in accordance with the Secretary’s instructions.

[61 FR 14404, Apr. 1, 1996]

§ 200.156 Settlement of claims.

Upon the Secretary’s approval of a claim, the claim will be settled by issuance of cash, debentures or both, and, in certain cases, by issuance of a certificate of claim. However, in the event a final claim is in a negative amount, the claim will be settled by the mortgagor’s payment of cash or surrender of debentures at par plus accrued interest to the Secretary.

[61 FR 14404, Apr. 1, 1996]

(a) Series and fund. Debentures are issued in appropriate series and are the obligation of and issued in the name of the particular mortgage insurance fund under which the mortgage is insured.

(b) Registration and denominations. Debentures in certificated form are issued in denominations of $50, $100, $500, $1,000 and $10,000 with the name of the owner inscribed on the face of the certificate. Debentures in book entry form are issued in a minimum amount of one dollar and in increments of one cent with the name of the owner recorded in an account master record on the books of the Treasury.

(c) Rate of interest and interchangeability. Debentures carry a rate of interest prescribed by the Commissioner but not in excess of an annual rate determined by the Secretary of the Treasury in accordance with prescribed statutory formula involving yields or prices of outstanding marketable obligations of the United States. Debentures in certificated form of the same series bearing the same interest rate and having the same maturity date shall be freely interchangeable between the various authorized denominations and may be exchanged for similar debentures in book entry form. Debentures in book entry form cannot be exchanged for debentures in certificated form.

(d) Negotiability and Redemption. Debentures in certificated form are negotiable and, if in book entry form, are transferable in the manner described in applicable Treasury regulations. Debentures are fully guaranteed as to principal and interest by the United States. Debentures are redeemable on call issued by the Commissioner.

(e) Payment of principal and interest. Principal and interest on debentures shall be payable when due at the Department of the Treasury, Washington, DC, or any Government agency or agencies in the United States which the Secretary of the Treasury may from time to time designate for that purpose. The principal and interest shall be payable to the owner whose name shall be inscribed on the debenture in certificated form, to the owner
designated as assignee as shown by executed assignments for maturing or called certificated debentures, or to the owner whose name shall be recorded in the account master record of the book entry debentures.

(f) Transfer and use—(1) In general. Debentures in certificated form are negotiable and, if in book entry form, are transferable in the manner described in applicable Treasury regulations. They may be used by approved mortgagees in lieu of cash for payment of FHA mortgage insurance premiums.

(2) Mutual Mortgage Insurance Fund debentures. Debentures of the Mutual Mortgage Insurance Fund may be used to pay mortgage insurance premiums on mortgages insured under sections 203(b), 203(h), and 203(i), of the National Housing Act.

(3) Cooperative Management Housing Insurance Fund debentures. Debentures which are the obligation of the Cooperative Management Housing Insurance Fund may be used to pay premiums on mortgages and loans which are insured under that Fund. Where the insurance of a mortgage or loan is transferred from the General Insurance Fund to the Cooperative Management Housing Insurance Fund, or where a mortgage or loan is endorsed for insurance pursuant to a commitment transferred to the Cooperative Management Housing Insurance Fund, debentures issued in connection with such mortgage or loan may be used to pay insurance premiums of either the Cooperative Management Housing Insurance Fund or the General Insurance Fund.

(4) General Insurance Fund and debentures of other funds. Debentures of the General Insurance Fund and those debentures issued as obligations of mortgage insurance funds and accounts in existence prior to the enactment of the Housing and Urban Development Act of 1965 (other than the Mutual Mortgage Insurance Fund) which are transferred by the 1965 Act to the General Insurance Fund may be used to pay mortgage insurance premiums only on the following mortgages and loans:

(i) Those which are the obligation of the General Insurance Fund.

(ii) Those transferred from the General Insurance Fund to the Cooperative Management Housing Insurance Fund.

(iii) Those endorsed for insurance pursuant to commitments transferred to the Cooperative Management Housing Insurance Fund.

§ 200.158 Applicability of Treasury regulations to debenture transactions.

The Department of the Treasury acts as fiscal agent for the Commissioner in connection with transactions and operations relating to debentures. Treasury’s General Regulations Governing U.S. Securities (31 CFR part 306) and its Supplemental Regulations Governing Federal Housing Administration Debitures (31 CFR part 337) have been and are adopted as revised and amended, to the extent applicable, as the regulations of the Commissioner governing the issuance of, transactions in and redemption of debentures, including the payment of interest thereon with the following exceptions:

(a) Payment of final interest on maturing or called debentures. If the notice of maturity or call for redemption shall so provide, the final installment of interest payable on any debentures at maturity or earlier redemption date may be paid with the principal in accordance with the assignments on the debentures instead of by separate check drawn to the order of the registered payee and forwarded to him at his address of record.

(b) Closing of transfer books. If the call for redemption shall so provide, the books maintained by the Treasury Department may be closed against transfers and denominational exchanges in debentures for three full months preceding any interest payment date with respect to any debentures called for redemption on such interest payment date.

§ 200.159 Relief on account of lost, stolen, destroyed, mutilated or defaced debentures.

The statutes of the United States and the regulations of the Treasury Department governing relief on account of the loss, theft, destruction, mutilation or defacement of United States securities, so far as applicable and as necessarily
modified to relate to debentures, are adopted as the regulations of the Commissioner for the issuance of substitute debentures or the payment of lost, stolen, destroyed, mutilated or defaced debentures.

§ 200.160 Redemption of debentures prior to maturity.

Debentures shall, at the option of the Commissioner and with the approval of the Secretary of the Treasury, be redeemable at par plus accrued interest on any semiannual interest payment date on 3 months’ notice of redemption given in such manner as the Commissioner shall prescribe. The debenture interest on the debentures called for redemption shall cease on the semiannual interest payment date designated in the call notice. The Commissioner may include with the notice of redemption an offer to purchase the debentures at par plus accrued interest at any time during the period between the notice of redemption and the redemption date. If the debentures are purchased by the Commissioner after such call and prior to the named redemption date, the debenture interest shall cease on the date of purchase.

§ 200.161 Administration of debenture transactions.

The Secretary of the Treasury or the Acting Secretary of the Treasury is authorized and empowered, on behalf of the Commissioner, to administer the regulations governing any transactions and operations in debentures, to do all things necessary to conduct such transactions and operations, and to delegate such authority at his discretion to other officers, employees, and agents of the U.S. Treasury Department. At his discretion the Secretary, the Under Secretary, or any Assistant Secretary of the Treasury acting by direction of the Secretary, is authorized to waive any such regulation on behalf of the Commissioner in any particular case where a similar regulation of the Treasury Department with respect to United States bonds or interest thereon would be waived.

§ 200.162 Certificates of claim.

The certificate of claim issued to the mortgagee at the time debentures are issued constitutes an agreement by the FHA that after the FHA has recovered its investment in a particular property any excess over and above such investment is available for payment on the certificate of claim. Certificates of claim bear interest at the rate of 3 percent per annum.

Subpart F—Placement and Removal Procedures for Participation in FHA Programs

FHA INSPECTOR ROSTER

SOURCE: 69 FR 11496, Mar. 10, 2004, unless otherwise noted.

§ 200.170 FHA Inspector Roster; Mortgagee and inspector requirements.

(a) General. The FHA Inspector Roster (Roster) is a list of the inspectors selected by FHA as eligible to determine if the construction quality of a one- to four-unit property is acceptable as security for an FHA insured loan.

(b) Mortgagee requirement. Only an inspector included on the Roster may be selected by a mortgagee to determine if the construction quality of a property is acceptable as security for an FHA insured loan, as follows:

(1) For new construction, the FHA requires three inspections by Roster inspectors; and

(2) For existing construction, the FHA requires an inspection by a Roster inspector where structural repairs have been made requiring an inspection and this inspection is not performed by a licensed, bonded, and registered engineer; a licensed home inspector; or other person specifically registered or licensed to conduct such inspections.

(3) The requirements of paragraph (b)(1) of this section do not apply if:

(i) The local jurisdiction where the newly constructed one- to four-unit property is located performs the inspections and issues a building permit prior to construction and a certificate of occupancy or equivalent document; or

(ii) When the new construction is 100 percent complete, an appraiser who is on FHA’s Appraiser Roster appraises the property and an FHA Roster inspector has already performed two inspections.
§ 200.171 Whether to conduct inspections as required by paragraph (b) of this section, an inspector must be listed on the Roster, except that any inspector already otherwise listed by HUD as eligible to conduct inspections as of April 9, 2004, may conduct inspections until October 12, 2004, without being listed on the Roster.

d) Effect of placement on the Roster. Placement of an inspector on the Roster only qualifies an inspector to be selected by a mortgagee to determine if the construction quality of a property is acceptable as security for an FHA-insured loan. Placement on the Roster does not guarantee that any mortgagee will select an inspector. Use of an inspector placed on the Roster also does not create or imply any warranty or endorsement concerning the inspected property by HUD to a prospective homebuyer or any other party.

(a) Application. To be considered for placement on the Roster, an inspector must apply to HUD using an application (or materials) in a form prescribed by HUD.

(b) Eligibility. To be eligible for placement on the Roster, an inspector must demonstrate the following to HUD:

(1) A minimum of three years experience in one or more construction-related fields;
(2) Possession of an inspector’s state or local license or certification, if licensing or certification is required by the state or local jurisdiction in which the inspector will operate;
(3) Certification that the applicant inspector has read and fully understands the inspection requirements, including any update to those requirements, of:
   (i) HUD Handbook 4905.1 REV–1 (Requirements for Existing Housing, One to Four Family Units);
   (ii) HUD Handbook 4910.1 (Minimum Property Standards for Housing);
   (iii) HUD Handbook 4145.1 REV–2 (Architectural Processing and Inspections for Home Mortgage Insurance);
   (iv) HUD Handbooks 4150.1 and 4150.2 (Valuation Analysis for Home Mortgage Insurance);
   (v) HUD Handbook 4930.3G (Permanent Foundations Guide for Manufactured Housing);
   (vi) The applicable local, state, or Council of American Building Officials (CABO) code; and
   (vii) The HUD requirements at 24 CFR 200.926; and
(4) Verification that the inspector has taken and passed HUD’s comprehensive examination for inspectors, after such an examination becomes available. Inspectors who are included on the Roster on the date when the requirement for the examination becomes effective have until six months following that date to pass the comprehensive exam. Failure to pass the examination by the deadline date constitutes cause for removal under § 200.172.

§ 200.172 Removal from the Inspector Roster.

(a) Cause for removal. HUD may remove an inspector from the Roster for any cause that HUD determines to be detrimental to HUD or its programs. Cause for removal includes, but is not limited to:

(1) Poor performance on a HUD quality control field review;
(2) Failure to comply with applicable regulations or other written instructions or standards issued by HUD;
(3) Failure to comply with applicable civil rights requirements;
(4) Being debarred, suspended, or subject to a limited denial of participation;
(5) Misrepresentation or fraudulent statements;
(6) Failure to retain standing as a state or local government licensed or certified inspector, where such a license or certificate is required;
(7) Failure to respond within a reasonable time to HUD inquiries or requests for documentation; or
(8) Being listed on HUD’s Credit Alert Interactive Voice Response System (CAIVRS).

(b) Procedure for removal. An inspector that is debarred, suspended, or subject to a limited denial of participation will be automatically removed from the Roster. In all other cases, the following procedure for removal will be followed:
(1) HUD will give the inspector written notice of the proposed removal. The notice will state the reasons for and the duration of the proposed removal.

(2) The inspector will have 20 days after the date of the notice (or longer, if provided in the notice) to submit a written response appealing the proposed removal and requesting a conference. A request for a conference must be in writing and must be submitted with the written response.

(3) A HUD official will review the appeal and send a response either affirming, modifying, or canceling the removal. The HUD official will not be someone who was involved in HUD’s initial removal decision. HUD will respond with a decision within 30 days after receiving the appeal or, if the inspector has requested a conference, within 30 days after the completion of the conference. HUD may extend the 30-day period by providing written notice to the inspector.

(4) If the inspector does not submit a timely written response, the removal will be effective 20 days after the date of HUD’s initial removal notice (or after a longer period provided in the notice). If a written response is submitted, and the removal decision is affirmed or modified, the removal will be effective on the date of HUD’s notice affirming or modifying the initial removal decision.

(c) Placement on the list after removal. An inspector who has been removed from the Roster may apply for placement on the Roster in accordance with §200.171 after the period of the inspector’s removal from the Roster has expired. An application will be rejected if the period for the inspector’s removal from the list has not expired.

(d) Other action. Nothing in this section prohibits HUD from taking such other action against an inspector, as provided in 2 CFR part 2424, or from seeking any other remedy against an inspector, available to HUD by statute or otherwise.

§ 200.191 Placement of 203(k) consultant.

(a) Application. To be considered for placement on the list, a consultant must apply to HUD using an application (or materials) in a form prescribed by HUD.

(b) Eligibility. To be eligible for placement on the list:

(1) The consultant must demonstrate to HUD that it either:

(i) Has at least three years’ experience as a remodeling contractor, general contractor or home inspector; or

(ii) Is a state-licensed architect or state-licensed engineer;

(2) If located in a state that requires the licensing of home inspectors, the consultant must submit proof of such licensing;

(3) The consultant must submit a narrative description of the consultant’s ability to perform home inspections, prepare architectural drawings, use proper methods of cost estimating and complete draw inspections;

(4) The consultant must certify that it has read and fully understands the
requirements of the HUD handbook on the 203(k) Program (4240.4) and all HUD Mortgagee Letters and other instructions relating to the 203(k) Program.

(5) The consultant must not be listed on:

(i) The General Services Administration’s Suspension and Debarment List;
(ii) HUD’s Limited Denial of Participation List; or
(iii) HUD’s Credit Alert Interactive Voice Response System.

(6) The consultant must have passed a comprehensive examination on the 203(k) Program, if HUD has developed such an exam.

(c) Delayed effective date of examination requirement for consultants currently on the list. Consultants who are included on the list on the date when the requirement for the examination described in paragraph (b)(6) of this section becomes effective have until 6 months following this date to pass the comprehensive exam. Failure to pass the examination by the deadline date constitutes cause for removal under §200.192.

[67 FR 52380, Aug. 9, 2002]

§200.192 Removal of 203(k) consultant.

(a) Cause for removal. HUD may remove a consultant from the list for any cause that HUD determines to be detrimental to HUD or its programs. Cause for removal includes, but is not limited to:

(1) Poor performance on a HUD quality control field review;
(2) Failure to comply with applicable regulations or other written instructions or standards issued by HUD;
(3) Failure to comply with applicable Civil Rights requirements;
(4) Being debarred or suspended, or subject to a limited denial of participation;
(5) Misrepresentation or fraudulent statements;
(6) Failure to retain standing as a state licensed architect or state-licensed engineer (unless the consultant can demonstrate the required three years experience as a home inspector or remodeling contractor);
(7) Failure to retain standing as a state licensed home inspector, if the consultant is located in a state that requires such licensing; or
(8) Failure to respond within a reasonable time to HUD inquiries or requests for documentation.

(b) Procedure for removal. A consultant that is debarred or suspended, or subject to a limited denial of participation will be automatically removed from the list. In all other cases, the following procedure for removal will be followed:

(1) HUD will give the consultant written notice of the proposed removal. The notice will state the reasons for, and the duration of, the proposed removal.

(2) The consultant will have 20 days from the date of the notice (or longer, if provided in the notice) to submit a written response appealing the proposed removal and to request a conference. A request for a conference must be in writing and must be submitted along with the written response.

(3) A HUD official will review the appeal and send a response either affirming, modifying, or canceling the removal. The HUD official will not be someone who was involved in HUD’s initial removal decision. HUD will respond with a decision within 30 days of receiving the appeal or, if the consultant has requested a conference, within 30 days after the completion of the conference. HUD may extend the 30-day period by providing written notice to the consultant.

(4) If the consultant does not submit a timely written response, the removal will be effective 20 days after the date of HUD’s initial removal notice (or after a longer period provided in the notice). If a written response is submitted, and the removal decision is affirmed or modified, the removal will be effective on the date of HUD’s notice affirming or modifying the initial removal decision.

(c) Placement on the list after removal. A consultant that has been removed from the list may apply for placement on the list (in accordance with §200.191) after the period of the consultant’s removal from the list has expired. An application will be rejected if the period for the consultant’s removal from the list has not expired.

(d) Other action. Nothing in this section prohibits HUD from taking such
other action against a consultant, as provided in 2 CFR part 2424, or from seeking any other remedy against a consultant, available to HUD by statute or otherwise.

§ 200.193 Responsibilities of 203(k) consultants on the list.

All consultants included on the list are responsible for:
(a) Obtaining and reading the HUD handbook on the 203(k) Program (4240.4) and any updates to the handbook.
(b) Complying with the HUD handbook on the 203(k) Program (4240.4), and any updates to the handbook, when performing any consultant function under the 203(k) Program.
(c) Obtaining and reading all Mortgagee Letters and other instructions issued by HUD relating to the 203(k) Program.
(d) Complying with all Mortgagee Letters and other instructions issued by HUD relating to the 203(k) Program.
(e) Complying with HUD’s request for documentation relating to any 203(k) project on which the consultant has worked.
(f) Complying with HUD’s monitoring requirements relating to the 203(k) Program.

§ 200.194 Placement of nonprofit organization on Nonprofit Organization Roster.

(a) Nonprofit Organization Roster. HUD maintains a roster of nonprofit organizations that are qualified to participate in certain specified FHA activities. In order to be recognized as a nonprofit organization for purposes of single family regulations in this chapter, an organization must:
(1) Be included in the Roster; and
(2) Comply with any requirements stated in a specific applicable provision of the single family regulations in this chapter.
(b) Application. To be included in the Roster, a nonprofit organization must apply to HUD using an application (or materials) in a form prescribed by HUD (which may require an affordable housing program narrative for the activities the nonprofit organization proposes to carry out). The nonprofit organization must specify in its application the FHA activities it proposes to carry out.

(c) HUD response to application. HUD’s review of the application will result in one of the following:
(1) Approval of the nonprofit organization to participate in all, or some, of the FHA activities specified in its application and the addition of the nonprofit organization to the Roster.
(2) Rejection due to deficiencies in the application. HUD will provide the nonprofit organization with a period to correct these deficiencies.
(3) Rejection due to the nonprofit organization’s failure to submit a program that complies with applicable single family regulations in this chapter, Mortgagee Letters, or other standards or instructions issued by HUD.

(d) Reapplication after two years. The placement of a nonprofit organization on the Roster expires after two years. The nonprofit organization must reapply for placement on the Roster, in accordance with paragraph (b) of this section, before expiration of the two-year period.

(a) Cause for removal. HUD may remove a nonprofit organization from the FHA Nonprofit Organization Roster established under §200.194. Removal may be for any cause that HUD determines to be detrimental to FHA or any of its programs, including but not limited to:

§ 200.200 What is the Appraiser Roster?

(a) Appraiser Roster. HUD maintains a list of appraisers. A mortgagee must select only an appraiser from this list for the appraisal of a property that is to be the security for an FHA-insured single family mortgage.

(b) Disclaimer. Since an appraisal is performed to determine the maximum insurable mortgage and to also protect the FHA insurance funds, the inclusion of an appraiser on the Appraiser Roster does not create or imply a warranty or endorsement to a prospective homebuyer or to any other organization or individual by HUD of the listed appraiser nor does it represent a warranty of any appraisal performed by the listed appraiser. The inclusion of an appraiser on the Appraiser Roster means only that a listed appraiser has met the qualifications and conditions, prescribed by the Secretary, for inclusion on the Appraiser Roster.
§ 200.202 How do I apply for placement on the Appraiser Roster?

(a) Application. To apply for placement on the Appraiser Roster, you must submit an application to HUD.

(b) Eligibility. To be eligible for placement on the Appraiser Roster:

(1) You must be a state-certified appraiser with credentials that complied with the applicable certification criteria established by the Appraiser Qualification Board (AQB) of the Appraisal Foundation and in effect at the time the certification was awarded by the issuing jurisdiction; and

(2) You must not be listed on:

An unsatisfactory appraiser may be subject to removal, education requirements, or other actions, as follows:

(a) Removal from the Appraiser Roster. HUD officials, as designated by the Secretary, may at any time remove a listed appraiser from the Appraiser Roster for cause, in accordance with paragraphs (a)(1) through (a)(3) of this section. The provisions of paragraphs (a)(1) through (a)(3) of this section do not apply to removal actions taken under any section in 2 CFR part 2424 or to any other remedy against an appraiser, available to HUD by statute or otherwise.

(1) Cause for removal. Cause for removal includes, but is not limited to:

(i) Significant deficiencies in appraisals, including non-compliance with Civil Rights requirements regarding appraisals;

(ii) Losing standing as a state-certified appraiser due to disciplinary action in any state in which the appraiser is certified;

(iii) Prosecution for committing, attempting to commit, or conspiring to commit fraud, misrepresentation, or any other offense that may reflect on the appraiser’s character or integrity;

(iv) Failure to perform appraisal functions in accordance with instructions and standards issued by HUD;

(v) Failure to comply with any agreement made between the appraiser and HUD or with any certification made by the appraiser;

(vi) Being issued a final debarment, suspension, or limited denial of participation;

(viii) Failure to comply with HUD-imposed education requirements under paragraph (d) of this section within the specified period for complying with such education requirements.

(2) Procedure for removal. If you are a listed appraiser and HUD decides to remove you for cause from the Appraiser Roster, the following procedure applies to you unless you have been issued a final debarment, suspension, or limited denial of participation, in which case you are subject to paragraph (a)(3) of this section:

(i) You will be given written notice of your proposed removal. The notice will include the reasons for your proposed removal and the duration of your proposed removal.

(ii) You will have 20 days from the date of your notice of proposed removal to submit a written response appealing the proposed removal and to request a conference. A request for a conference must be in writing and must be submitted along with a written response.

(iii) Within 30 days of receiving your written response, or if you have requested a conference, within 30 days after the completion of your conference, a HUD official, designated by the Secretary, will review your appeal and will send you a final decision either affirming, modifying, or canceling your removal from the Appraiser Roster. HUD may extend this time upon giving you notice. The HUD official designated by the Secretary to review your appeal will not be someone involved in HUD’s initial removal decision nor will it be someone who reports to a person involved in that initial decision.

The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, F, G, I, and R of this title, apply to activities under these programs, except for single family mortgage insurance and guarantee programs. Sections 200.805 and 200.810 apply to single family mortgage insurance and guarantee programs administered by HUD.
§ 200.805 Definitions.

Applicable surface. All intact and non-intact interior and exterior painted surfaces of a residential structure.

Defective paint surface. Paint on applicable surfaces that is cracking, scaling, chipping, peeling or loose.

Lead-based paint surface. A paint surface, whether or not defective, identified as having a lead content greater than or equal to 1 mg/cm².

§ 200.810 Single family insurance and coinsurance.

(a) General. (1) The requirements of this section apply to any one-to four-family dwelling which was constructed before 1978 and is the subject of an application for mortgage insurance under section 203(b) or other sections of the National Housing Act relating to the insurance or coinsurance of mortgages on one-to-four-family dwellings. Such other sections include:
   (i) Section 244 (coinsurance);
   (ii) Section 213 (cooperative housing insurance);
   (iii) Section 220 (rehabilitation and neighborhood conservation housing insurance);
   (iv) Section 221 (housing for moderate income and displaced families);
   (v) Section 222 (mortgagor insurance for servicemen);
   (vi) Section 809 (armed services housing for civilian employees);
   (vii) Section 510 (army and navy leaseback rehabilitation and neighborhood preservation of housing insurance for condominiums);
   (viii) Section 234 (mortgage insurance on loans for purchase of fee simple title from lessors).

(b) Appraisal. The appraiser shall, when appraising a dwelling constructed prior to 1978, inspect the dwelling for defective paint surfaces.

(c) Treatment of defective paint surfaces. For defective paint surfaces, treatment shall be provided to defective areas. Treatment of hazards shall consist of covering or removing defective paint surfaces. Covering may be accomplished by such means as adding a layer of wallboard to the wall surface. Depending on the wall condition, wallcoverings which are permanently attached may be used. Covering or replacing trim surfaces is also permitted. Paint removal may be accomplished by such methods as scraping, heat treatment (infra-red or coil type heat guns) or chemicals. Machine sanding and use of propane or gasoline torches (open-flame methods) are not permitted. Washing and repainting without thorough removal or covering does not constitute adequate treatment. In the case of defective paint spots, scraping and repainting the defective area is considered adequate treatment. Treatment of a defective paint surface is not required if such a surface is found to not be a lead-based paint surface by a lead-based paint inspector certified pursuant to procedures of the U.S. Environmental Protection Agency at 40 CFR part 745.

(d) Home equity conversion mortgage insurance. The requirements of this section, as modified by the following sentence, apply to a dwelling which is the subject of an application for mortgage insurance under section 235 of the National Housing Act (home equity conversion insurance) unless the mortgagor provides the certification described in §206.45(d) of this title. The defective paint surface may be treated after the mortgage is endorsed for insurance, provided that the defective paint surface is treated as expeditiously as possible in accordance with the repair work provisions contained in §206.47 of this title.

§ 200.850

Subpart P—Physical Condition of Multifamily Properties

Source: 65 FR 77240, Dec. 8, 2000, unless otherwise noted.

§ 200.850 Purpose.

The purpose of this subpart is to establish the physical conditions standards and physical inspection requirements that are applicable to certain multifamily housing properties.

§ 200.853 Applicability.

This subpart applies to:
(a) Housing assisted by HUD under the following programs:
(1) All Section 8 project-based assistance. “Project-based assistance” means Section 8 assistance that is attached to the structure (see 24 CFR 982.1(b)(1) regarding the distinction between “project-based” and “tenant-based” assistance);
(2) Section 202 Program of Supportive Housing for the Elderly (Capital Advances);
(3) Section 811 Program of Supportive Housing for Persons with Disabilities (Capital Advances); and
(4) Section 202 loan program for projects for the elderly and handicapped (including 202/3 projects and 202/162 projects).
(b) Housing with mortgages insured or held by HUD, or housing that is receiving insurance from HUD, under the following authorities:
(1) Section 207 of the National Housing Act (NHA) (12 U.S.C. 1701 et seq.) (Rental Housing Insurance);
(2) Section 213 of the NHA (Cooperative Housing Insurance);
(3) Section 220 of the NHA (Rehabilitation and Neighborhood Conservation Housing Insurance);
(4) Section 221(d)(3) of the NHA (Market Interest Rate (MIR) Program);
(5) Section 221(d)(3) and (5) of the NHA (Below Market Interest Rate (BMIR) Program);
(6) Section 221(d)(4) of the NHA (Housing for Moderate Income and Displaced Families);
(7) Section 231 of the NHA (Housing for Elderly Persons);
(8) Section 232 of the NHA (Mortgage Insurance for Nursing Homes, Intermediate Care Facilities, Assisted Living Facilities, Board and Care Homes);
(9) Section 234(d) of the NHA (Rental) (Mortgage Insurance for Condominiums);
(10) Section 236 of the NHA (Rental and Cooperative Housing for Lower Income Families);
(11) Section 241 of the NHA (Supplemental Loans for Multifamily Projects). (Where, however, the primary mortgage of a Section 241 property is insured or assisted by HUD under a program covered in this part, the coverage by two HUD programs does not trigger two inspections); and

§ 200.855 Physical condition standards and physical inspection requirements.

(a) Applicable standards and requirements. The physical condition standards and physical inspection requirements in 24 CFR part 5, subpart G, are applicable to the properties assisted or insured that are listed in §200.853.
(b) Entity responsible for inspection of property. The regulations that govern the programs listed in §200.853, or regulatory agreements or contracts, identify the entity responsible for conducting the physical inspection of the property which is HUD, the lender or the owner. For properties with more than one HUD insured loan, only the first mortgage lender is required to conduct the physical inspection. The second mortgage lender will be provided a copy of the physical inspection report by the first mortgage lender.
(c) Timing of inspections. (1) For a property subject to an annual inspection under this subpart, the inspection shall be conducted no earlier than 9 months and no later than 15 months from the date of the last required inspection. In no event, however, shall the physical inspection be conducted after the end of the calendar year following the one year anniversary date of the last required inspection.
(2) For a property subject to an inspection every two years under this subpart, the inspection shall be conducted no earlier than 21 months and...
no later than 27 months from the date of the last required inspection. In no event, however, shall the physical inspection be conducted after the end of the calendar year following the two year anniversary date of the last required inspection.

(3) For a property subject to an inspection every three years under this subpart, the inspection shall be conducted no earlier than 33 months and no later than 39 months from the date of the last required inspection. In no event, however, shall the physical inspection be conducted after the end of the calendar year following the three year anniversary date of the last required inspection.

(4) For a newly endorsed multifamily property, the first inspection required under this subpart will be conducted no earlier than 21 months but not later than 27 months from the date of final endorsement. In no event, however, shall the inspection be conducted after the end of the calendar year following the two year anniversary date of final endorsement.

(5)(i) For assisted-living facilities, board and care facilities, and intermediate care facilities, the initial inspection required under this subpart will be conducted no earlier than 21 months but not later than 27 months from the date of final endorsement. In no event, however, shall the inspection be conducted after the end of the calendar year following the two year anniversary date of final endorsement.

(ii) For any other Section 232 facilities, the inspection will be conducted only when and if HUD determines, on the basis of information received, such as through a complaint, site inspection, or referral by a State agency, on a case-by-case basis, that inspection of a particular facility is needed to assure protection of the residents or the adequate preservation of the project.

§ 200.857 Administrative process for scoring and ranking the physical condition of multifamily housing properties.

(a) Scoring and ranking of the physical condition of multifamily housing properties. (1) HUD’s Real Estate Assessment Center (REAC) will score and rank the physical condition of certain multifamily housing insured properties listed in §200.853 in accordance with the procedures described in this section. The physical condition inspection of the property, upon which REAC bases its score and ranking, is conducted by the responsible entity in accordance with §200.855.

(2) Depending upon the results of its physical condition inspection, a multifamily housing property will be assigned one of three designations—standard 1 performing, standard 2 performing and standard 3 performing—in accordance with the ranking process described in paragraph (b) of this section.

(b) Methodology for Ranking. (1) Multifamily housing properties will be ranked in accordance with the methodology provided in this paragraph (b). Multifamily housing properties are scored on the basis of a 100 point scale. Because scores may include fractions, a score that includes a fraction below one half point will be rounded to the next lower full point and a score that includes a fraction of one half point or higher will be rounded to the next higher full point (e.g., 89.4 will be rounded to 89, 89.5 will be rounded to 90).

(i) Standard 1 Performing Property. If a property receives a score of 90 points or higher on its physical condition inspection, the property will be designated a standard 1 performing property. Properties designated as standard 1 performing properties will be required to undergo a physical inspection once every three (3) years.

(ii) Standard 2 Performing Property. If a property receives a score of 80 points or higher but less than 90 on its physical condition inspection, the property will be designated a standard 2 performing property. Properties designated as standard 2 performing properties will be required to undergo a
(iii) Standard 3 Performing Property. If a property receives a score of less than 80 points, the property will be designated a standard 3 performing property. Properties designated as standard 3 performing properties will continue to undergo an annual physical inspection as currently required under covered HUD programs.

(2) Owners of multifamily housing properties scoring in a standard 1 or standard 2 range which have been cited by the REAC as having an Exigent Health and Safety (EHS) deficiency(s) must resolve the deficiency(s), as required by paragraph (c)(2) of this section, to be classified as standard 1 and standard 2 properties.

(3) Regardless of the performance designation assigned to an owner’s property, an owner is obligated to maintain its property in accordance with HUD’s uniform physical condition standards as required by 24 CFR part 5, subpart G, the Regulatory Agreement and/or the Housing Assistance Payment (HAP) Contract. Good management principles require an owner to conduct routine inspections of its projects, develop improvement plans, and again, maintain its property to meet the standard of decent, safe, sanitary and in good repair.

(c) Owner’s review of physical inspection report and identification of objectively verifiable and material error. (1) Upon completion of a physical inspection of a multifamily housing property, the REAC will provide the owner or owner’s representative, on the date of the physical inspection, notice of any items classified as EHS deficiencies. REAC also will provide the owner with the entire physical inspection report (electronically through the internet or by mail approximately 10 working days from the date of the report), which provides the physical inspection results and other information relevant to the inspection, including any items classified as EHS deficiencies and already provided to the owner, on the date of the inspection (EHS deficiencies are relayed by the inspector on the date of the inspection).

(2) The owner must carefully review the physical inspection report, particularly those items classified as EHS. The owner is also responsible for conducting its own survey of the total project based on the REAC’s physical inspection findings. The owner must mitigate all EHS items immediately, and the owner must file a written report with the applicable Multifamily Hub Director within 3 business days of the date of the inspection, which is the date the owner was provided with the EHS notice. The report filed by the owner must provide a certification and reasonable evidence that the EHS items have been resolved.

(3) If, following review of the physical inspection results and score, the owner reasonably believes that an objectively verifiable and material error (or errors) occurred in the inspection, which, if corrected, will result in a significant improvement in the property’s overall score (“significant improvement” is defined in paragraph (d)(4) of this section), the owner may submit a written request for a technical review. The technical review request must be received in writing no later than 30 calendar days (as established by the postmark, if applicable) from the date the physical inspection results are transmitted to the owner by REAC, whether the results and score are transmitted to the owner via the Internet or by hard copy via certified mail.

(d) Technical review of physical inspection results. A request for a technical review of physical inspection results must be submitted in writing to REAC and must be received by REAC no later than the 30th calendar day, as applicable under paragraph (c)(3) of this section, following submission of the physical inspection report to the owner, as provided in paragraph (c)(1) of this section.

(1) Request for technical review. The request must be accompanied by the owner’s reasonable evidence that an objectively verifiable and material error (or errors) occurred which if corrected will result in a significant improvement in the overall score of the owner’s property. A technical review of physical inspection results will not be conducted based on conditions that were corrected subsequent to the inspection. Upon receipt of this request from the owner, the REAC will review
the physical inspection and the owner’s evidence. If the REAC’s review determines that an objectively verifiable and material error (or errors) has been documented and that it is likely to result in a significant improvement in the property’s overall score, the REAC will take one or a combination of the following actions: undertake a new inspection; correct the original inspection; or issue a new physical condition score.

(2) **Burden of proof that error occurred rests with owner.** The burden of proof rests with the owner to demonstrate that an objectively verifiable and material error (or errors) occurred in the REAC’s inspection through submission of evidence, which if corrected will result in a significant improvement in the property’s overall score. To support its request for a technical review of the physical inspection results, the owner may submit photographic evidence, written material from an objective source such as a local fire marshal or building code official, or other similar evidence.

(3) **Material errors.** An objectively verifiable material error must be present to allow for a technical review of physical inspection results. Material errors are those that exhibit specific characteristics and meet specific thresholds. The three types of material errors are as follows.

   (i) **Building data error.** A building data error occurs if the inspection includes the wrong building or a building that was not owned by the property, including common or site areas that were not a part of the property. Incorrect building data that does not affect the score, such as the address, building name, year built, etc., would not be considered material, but is of great interest to HUD and will be corrected upon notice to the REAC.

   (ii) **Unit count error.** A unit count error occurs if the total number of units considered in scoring is incorrect. Since scoring uses total units, the REAC will examine instances where the participant can provide evidence that the total units used is incorrect.

   (iii) **A non-existent deficiency error.** A non-existent deficiency error occurs if the inspection cites a deficiency that does not exist.

(4) **Significant improvement.** Significant improvement refers to the correction of a material error, asserted by the owner, which causes the score for the owner’s property to cross an administratively significant threshold (for example, the property would be redesignated from standard 3 performing to standard 2 performing or from standard 2 performing to standard 1 performing), or to result in an increase of 10 points or more.

(5) **Determining whether material error occurred and what action is warranted.** Upon receipt of the owner’s request for technical review of a property’s physical inspection results, the REAC will evaluate the owner’s property file and the evidence provided by the owner that an objectively verifiable and material error occurred which, if corrected, would result in a significant improvement in the property’s overall score. If the REAC’s evaluation determines that an objectively verifiable and material error (or errors) has been reasonably documented by the owner and if corrected would result in a significant improvement in the property’s overall score, then the REAC shall take one or a combination of the following actions:

   (i) Undertake a new inspection;
   (ii) Correct the inspection report; or
   (iii) Issue a new physical condition score.

(6) **Responsibility for the cost of a new inspection.** If a new inspection is undertaken by the REAC and the new inspection score results in a significant improvement in the property’s overall score, then HUD shall bear the expense of the new inspection. If no significant improvement occurs, then the owner must bear the expense of the new inspection. The inspection cost of a new inspection, if paid by the owner, is not a valid project operating expense. The new inspection score will be considered the final score.

(e) **Adjustment of physical condition score based on considerations other than technical review and reinspection.** (1) Under certain circumstances, HUD may find it appropriate to review the results of a physical inspection which are anomalous or have an incorrect result due to facts and circumstances affecting the inspected property which
are not reflected in the inspection or reflected inappropriately in the inspection. These circumstances include, but are not necessarily limited to, inconsistencies between local code requirements and the HUD physical inspection protocol; conditions which are permitted by variance or license or which are preexisting physical features non-conformities and are inconsistent with the HUD physical condition protocol; or cases where the owner has been scored for elements (e.g., roads, sidewalks, mail boxes, resident owned appliances, etc.) that it does not own and is not responsible for maintaining.

(2) To seek a score adjustment on the basis of these circumstances as provided in paragraph (e) of this section, the owner must submit a request for an adjustment to REAC with appropriate proof of the circumstances that resulted in the incorrect physical conditions results. This process may result in a reinspection and/or rescoring of the inspection after review and approval of the owner’s submission of appropriate proof of the anomalous or inappropriate application.

(3) An owner may submit the request for this adjustment to REAC either prior to or after the physical inspection has been concluded. If the owner submits a request after the physical inspection has been concluded, the owner must submit its request to REAC within 45 days following the submission of the physical inspection report, as provided in paragraph (c)(1) of this section. HUD may, but is not required to review a request made after this period has expired.

(4) This adjustment process, provided in this paragraph (g), may result in a reinspection and/or rescoring of the inspection after review and approval of the owner’s submission of appropriate proof of the anomalous or inappropriate application.

(i) Issuance of final score and publication of score. (1) The physical condition score of the property is the final score if the owner files no request for technical review, as provided in paragraph (c) of this section, or for other adjustment of the physical condition score, as provided in paragraph (e) of this section. If the owner files a request for technical review or score adjustments in accordance with paragraphs (c) and (e) of this section, the final physical condition score is the score issued by HUD after any adjustments are determined necessary and made by HUD at the conclusion of these processes.

(2) HUD will make public the final scores of the owners through posting on HUD’s internet site, or through Federal Register publication or other appropriate means.

(g) Owner’s responsibility to notify residents of inspection; and availability of documents to residents—(1) Notification to residents. An owner must notify its residents of any planned physical inspections of their units or the housing development generally.

(2) Availability of documents for review. Once the technical review and database adjustment periods have expired, as provided in paragraphs (d) and (e) of this section, respectively, the owner must make its physical inspection report and all related documents available to its residents during regular business hours upon reasonable request for review and copying. Related documents include the owner’s survey plan, plan of correction, certification and related correspondence.

(i) Once the owner’s final physical condition score is issued and published, the owner must make any additional information, such as the results of any reinspection, appeal requests, available for review and copying by its residents upon reasonable request during regular business hours.

(ii) The owner must maintain the documents related to the physical inspection of the property, as described in this paragraph (g)(2), available for review by residents for a period of 60 days from the date of submission to the owner of the physical condition score for the property in which the residents reside.

(3) The owner must post a notice to the residents in the owner’s management office and on any bulletin boards in all common areas that advises residents of the availability of the materials described in paragraphs (g)(2) of this section. The notice should include the name, address and telephone number of the HUD Project Manager.

(4) Residents are encouraged to comment on this information provided by
the owners and submit any comments directly to the applicable Field Office. Should residents discover the owner provided HUD with a false certification during the review they are encouraged to notify the Hub or Program Center where appropriate inquiry and action will be taken.

(b) Administrative review of properties. The file of a multifamily property that receives a score of 30 points or less on its physical condition inspection will be referred to HUD’s Departmental Enforcement Center (DEC) for evaluation. The files of any of the multifamily housing properties may be submitted to the DEC or to the appropriate HUD Multifamily Hub Director (MFD) for evaluation, or both, at the discretion of the Office of Housing.

(1) Notification to owner of submission of property file to the MFD and DEC. The Department will provide for notification to the owner that the file on the owner’s property is being submitted to the MFD and/or the DEC for evaluation. The notification will be provided at the time the REAC issues the physical inspection report to the owner or at such other time as a referral occurs.

(2) 30-Day period for owner to provide the DEC with supporting and relevant information and documentation. The owner has 30 calendar days, from the date of the REAC notification to the owner, to provide comments, proposals, or any other information to the DEC which will assist the MFD and DEC in conducting a comprehensive evaluation of the property. A proposal provided by an owner may include the owner’s plan to correct deficiencies (corrective action plan). During the 30-day response time available to the owner, the DEC may encourage the owner to submit a corrective action plan. The corrective action plan, if timely submitted during the 30-day period (whether on the owner’s initiative or at the request of the DEC), may serve as additional information for the DEC to consider in determining appropriate action to take at the conclusion of the evaluation period. If not submitted during the 30-day response time, a corrective action plan may be required of the owner at the conclusion of the DEC’s evaluation of the property.

(3) Evaluation of the property. During the evaluation period, the DEC will perform an analysis of the multifamily housing property, which may include input from tenants, HUD multifamily officials, elected officials, and others as may be appropriate. Although the MFD will assist with the evaluation, for insured mortgages, the DEC will have primary responsibility for the conclusion of the evaluation of the property after taking into consideration the input of interested parties as described in this paragraph (h)(2). The DEC’s evaluation may include a site visit to the owner’s property.

(4) Continuing responsibilities of HUD Multifamily Program Offices and Mortgagee. During the period of DEC evaluation, HUD’s multifamily program offices continue to be responsible for routine asset management tasks on properties and all servicing actions (e.g., rent increase decisions, releases from reserve account approvals). In addition, during this period of evaluation, the mortgagee shall continue to carry out its duties and responsibilities with respect to the mortgage.

(i) Enforcement action. If, at the conclusion of the evaluation period, the DEC determines that enforcement action is appropriate, the DEC will provide notification to the owner of the DEC’s decision to formally accept the property for enforcement purposes.

(1) DEC Owner Compliance Plan. (i) After notification to the owner of the DEC’s decision, the DEC will produce a proposed action plan (DEC Compliance Plan), the purpose of which is to improve the physical condition of the owner’s property, and correct any other known violations by the owner of its legal obligations. The DEC Compliance Plan will describe:

(A) The actions that will be required of the owner to correct, mitigate or eliminate identified property deficiencies, problems, hazards, and/or correct any other known violations by the owner;

(B) The period of time within which these actions must be completed; and

(C) The compliance responsibilities of the owner.

(ii) The DEC Compliance Plan will be submitted to the MFD for review and
§ 200.925

conciliation. If the MFD does not concur, the DEC Compliance Plan will be submitted to the Deputy Assistant Secretary for Housing and the Deputy Director of the DEC for review and concurrence. If the DEC Compliance Plan remains unapproved, a final decision on the plan will be made by HUD’s Deputy Secretary in consultation with the General Counsel, the Assistant Secretary for Housing, and the Director of the DEC.

(iii) Following submission of the DEC Compliance Plan to the owner, the owner will be provided a period of 30 calendar days to review and accept the DEC Compliance Plan. If the owner agrees to comply with the DEC Compliance Plan, the plan will be forwarded to the appropriate Multifamily Office for implementation and monitoring of completion of the plan’s requirements.

(2) Counter compliance plan proposal by owner. The owner may submit an acceptable counter proposal to the DEC Compliance Plan. An owner’s counter proposal to a DEC Compliance Plan must be submitted no later than the 30th day following submission of the DEC Compliance Plan to the owner. The DEC, in coordination with the MFD, may enter into discussions with the owner to achieve agreement to a revised DEC Compliance Plan. If the owner and the DEC agree on a revised DEC Compliance Plan, the revised plan will be forwarded to the appropriate Multifamily Office for implementation and monitoring of completion of the plan’s requirements.

(3) Non-cooperation and Non-compliance by owner. If at the conclusion of the 30th calendar day following submission of the DEC Compliance Plan to the owner, the DEC receives no response from the owner, or the owner refuses to accept the DEC Compliance Plan, or to present a counter compliance plan proposal, or if the owner accepts the DEC Compliance Plan or revised DEC Compliance Plan, but refuses to take the actions required of the owner in the plan, the DEC may take appropriate enforcement action.

(4) No limitation on existing enforcement authority. The administrative process provided in this section does not prohibit the Office of Housing, the DEC, or HUD generally, to take whatever action may be necessary when necessary (notwithstanding the commencement of this process), as authorized under existing statutes, regulations, contracts or other documents, to protect HUD’s financial interests in multifamily properties and to protect the residents of these properties.

(j) Limitations on material alteration of physical inspection software. HUD will not materially alter the physical inspection requirements in a manner which would materially increase the cost of performing the inspection.

Subpart R (Reserved)

Subpart S—Minimum Property Standards

§ 200.925 Applicability of minimum property standards.

All housing constructed under HUD mortgage insurance and low-rent public housing programs shall meet or exceed HUD Minimum Property Standards, except that this requirement shall be applicable to manufactured homes eligible for insurance pursuant to §203.43f of this chapter only to the extent provided therein. The Minimum Property Standards may be waived to the same extent as the other regulatory requirements for eligibility for insurance under the specific mortgage insurance program involved.

[58 FR 60248, Nov. 15, 1993]

§ 200.925a Multifamily and care-type minimum property standards.

(a) Construction standards. Multifamily or care-type properties shall comply with the minimum property standards contained in the handbook identified in §200.929(b)(2). In addition, each such property shall, for the Department’s purposes, comply with:

(1) The applicable State of local building code, if the property is located within a jurisdiction which has a building code accepted by the Secretary under §200.925a(d); or

(2)(i) The applicable State or local building code, and

(ii) Those portions of the codes identified in §200.295c which are designated
by the HUD Field Office serving the jurisdiction in which the property is to be located, if the property is located in a jurisdiction which has a building code partially accepted by the Secretary; or
(3) The appropriate codes, as identified in §200.925c(c), if the property is not located within a jurisdiction which has a building code accepted by the Secretary.

(b) Conflicting standards. The minimum property standards contained in the handbook identified in §200.929(b)(2) do not preempt state or local standards, nor do they alter or affect a builder’s obligation to comply with any state or local requirements. However, a property shall be eligible for benefits only if it complies with all applicable minimum property standards, including referenced standards.

(c) Standard for evaluating local building codes. The Secretary shall compare the portions of a local or State building code applicable to residential or institutional occupancy, as appropriate, submitted under §200.925a(d) to the list of construction related areas contained in §200.925b.

(1) A State or local code will be accepted if it regulates each area on the list.

(2) A State or local building code will be partially accepted if it regulates most of the areas on the list. However, no code may be partially accepted if it fails to regulate the subarea for seismic design (see §200.925b(c)(5)), or if it fails to regulate subareas in more than one of the following major areas listed in §200.925b: fire safety, light and ventilation, structural loads and seismic design, foundation systems, materials standards, construction components, glass, mechanical, plumbing, electrical, and elevators.

(3) For purposes of this paragraph, a state or local code regulates an area if it establishes a standard concerning that area. However, for earthquake loads (see §200.925b(c)(5)), ASCE 7–98 is mandatory.

(d) Review process and acceptance—(1) Jurisdictions without previously accepted building codes. The following submission requirements apply to developers and other interested parties in jurisdictions without building codes, jurisdictions with building codes which have never been submitted for acceptance, and jurisdictions with building codes which have been submitted for acceptance and neither accepted nor partially accepted by the Secretary.

(i) Developers or other interested parties must comply with one of the following by the time of application for insurance or other benefits:

(A) The developer or other interested party may choose to comply with the appropriate codes as identified in §200.925c. If the developer or other interested party so chooses, then the multifamily or care-type property shall be constructed in accordance with one of the model codes designated in paragraph (c)(1), (2) or (3) of §200.925c and with any other code or codes identified in the same paragraph. In such instances, the developer or other interested party shall notify the Department of the code or group of codes with which it intends to comply by the time of application for insurance or other benefits; or

(B) The developer or other interested party may choose to comply with the State or local building code, if such code is acceptable to the Secretary. To obtain the Secretary’s acceptance, the developer or other interested party shall submit the material specified in paragraph (d)(1)(ii) of this section to the HUD Field Office serving the jurisdiction in which the property is to be constructed. Such material may be submitted at any time; provided, however, that it must be submitted no later than the time of application for mortgage insurance or other benefits.

(ii) If, under paragraph (d)(1)(i)(B) of this section, the developer or other interested party chooses to comply with the State or local building code as prescribed in paragraph (a)(1) of this section, it shall submit the following material to the HUD field Office serving the jurisdiction in which the property is to be constructed:

(A) A copy of the jurisdiction’s building code, including all applicable service codes, appendices and referenced standards; and

(B) A copy of the statute, ordinance, regulation, or order establishing the
§ 200.925b 24 CFR Ch. II (4–1–16 Edition)

Residential and institutional building code comparison items.

HUD will review each local code submitted under this chapter to determine whether it regulates all of the following areas and subareas:

(a) Fire safety. (1) Construction types permitted;
(2) Allowable height and area;
(3) Fire separations;
(4) Fire resistance requirements;

Code, if such statute, ordinance, regulation or order is not contained in the building code itself.

However, the developer or other interested party need not submit any document already on file in the Field Office.

(2) Jurisdictions with previously accepted or partially accepted building codes.

The following submission requirements apply to developers and other interested parties in any jurisdiction with a building code which has been accepted or partially accepted by the Secretary:

(A) A certificate stating that, since its acceptance by the Secretary, the jurisdiction’s building code has not been changed; or

(B) (1) A copy of all changes to the jurisdiction’s building code, including all applicable service codes and appendices, which have been made since the date of the code’s acceptance by the Secretary. However, the developer or other interested party need not submit any part already in the possession of the Field Office; and

(2) A copy of the statute, ordinance regulation, or order making such changes in the code.

(3) Notification of decision. The Secretary shall review the material submitted under paragraphs (d) (1)(ii) and (2)(i). Following that review, the Secretary shall issue a written notice (except in the case of a previously accepted code which hasn’t been changed) to the submitting party stating whether the State or local building code has been accepted, partially accepted, or whether the Secretary’s previous acceptance or partial acceptance has been continued; the basis for the Secretary’s decision; and a notification of the submitting party’s right to present views concerning the denial of acceptance if the code is neither accepted nor partially accepted. The Secretary may, in his discretion, permit either an oral or written presentation of views.

(i) If a developer or other interested party is notified that a State or local building code has been partially accepted, then the multifamily or care-type properties eligible for HUD benefits in that jurisdiction shall be constructed in accordance with the applicable State or local building code, plus those additional requirements identified in the written notice issued by the Secretary under §200.925a(d)(3). The written notice shall identify, in accordance with appendix J of the Handbook identified in §200.929(b)(2), those portions of the codes listed at §200.925c(a) with which the property must comply.

(iii) Each Regional Office will maintain a current list of jurisdictions with accepted building codes and a current list of jurisdictions with partially accepted building codes. The lists will state the most recent date of each code’s acceptance or partial acceptance and will be available to any interested party upon request. In addition, the list of jurisdictions whose codes have been partially accepted shall identify those portions of the codes listed at §200.925c(a) with which the property must comply.

§ 200.925c Model codes.

(a) Incorporation by reference. The following publications are incorporated by reference under 5 U.S.C. 552(a) and 1 CFR part 51. The incorporation by reference of these publications has been approved by the Director of the Federal Register. The locations where copies of these publications are available are set forth below:

§ 200.926 Minimum property standards for one and two family dwellings.

(a) Construction standards—(1) Applicable structures. The standards identified or contained in this section, and in §§ 200.926a–200.926e, apply to single family detached homes, duplexes, three-unit homes, and to living units in a structure where the units are located side-by-side in town house fashion. Section 200.926d(c)(4) also applies to four-unit homes.

(2) Applicability of standards to new construction. The standards referenced in paragraph (a)(1) of this section are applicable to structures which are:

(i) Approved for insurance or other benefits prior to the start of construction, including approval under the Direct Endorsement process described in §235.5 of this chapter, or under the Lender Insurance process described in §235.6 of this chapter;
(ii) Approved for insurance or other benefits based upon participation in an insured warranty program; or
(iii) Insured as new construction based upon a Certificate of Reasonable Value issued by the Department of Veterans Affairs.

(b) Conflicting standards. The requirements contained in §200.926(d) do not preempt local or State standards, nor do they alter or affect a builder’s obligation to comply with any local or State requirements. However, a property shall be eligible for benefits only if it complies with the requirements of this subpart, including any referenced standards. When any of the requirements identified in §200.926(c) are in conflict with a partially accepted local or state code, the conflict will be resolved by the HUD Field Office servicing the jurisdiction in which the property is to be located.

(c) Standard for evaluating local or state building codes. The Secretary shall compare a local building code submitted under paragraph (d) of this section or a State code to the list of construction related areas contained in §200.926(a).

(1) A local or State code will be accepted if it regulates each area and subarea on the list.

(2) A State or local building code will be partially accepted if it regulates most of the areas on the list. However, no code may be partially accepted if it fails to regulate the subarea for seismic design (see §200.926a(c)(5)), or if it fails to regulate subareas in more than one of the following major areas listed in §200.926a: fire safety, light and ventilation, structural loads and seismic design, foundation systems, materials standards, construction components, glass, mechanical, plumbing, and electrical.

(3) For purposes of this paragraph, a local or State code regulates an area or subarea if it establishes a standard concerning that area or subarea. However, for earthquake loads (see §200.926a(c)(5)), ASCE 7–88 is mandatory.

(d) Code selection. Any materials required to be submitted under this section must be submitted by the time the lender or other interested party applies for mortgage insurance or other benefits.

(1) Jurisdictions without previously accepted building codes. The following submission requirements apply to lenders and other interested parties in jurisdictions without building codes, jurisdictions with building codes which have never been submitted for acceptance, and jurisdictions with building codes which previously have been submitted for acceptance and have not been accepted or partially accepted by the Secretary.

(i) In jurisdictions without local building codes:

(A) If the State building code is acceptable, the lender or other interested party must comply with the State building code and the requirements of §200.926(d);

(B) If the State building code is partially acceptable, the lender or other interested party must comply with:

(1) The acceptable portions of the partially acceptable code; and

(2) Those portions of the CABO One and Two Family Dwelling Code designated by the HUD Field Office in accordance with §200.926(c); and

(C) If there is no State building code or if the State building code is unacceptable, the lender or other interested party must comply with:

(1) The CABO One and Two Family Dwelling Code as identified in §200.926b(a); and

(2) The requirements of §200.926(d).

(ii) In jurisdictions with local building codes which have never been submitted for review, lenders or other interested parties must:

(A) Comply with the requirements of paragraph (d)(1)(i) (A), (B) or (C) of this section, as appropriate; or

(B) Request the Secretary’s acceptance of the local building code in accordance with paragraph (d)(1)(iv) of this section.

(1) If the Secretary determines that the local building code is unacceptable, then the lender or other interested party must comply with the requirements of paragraph (d)(1)(i) (A), (B) or (C) of this section as appropriate.

(2) If the Secretary determines that the local code is partially acceptable,
then the lender or other interested party must comply with:

(i) The acceptable portions of the partially acceptable local code; and

(ii) Those portions of the CABO One and Two Family Dwelling Code designated by the HUD Field Office in accordance with §200.926c; and

(iii) The requirements of §200.926d.

(3) If the Secretary determines that the local code is acceptable, then the lender or other interested party must comply with the local building code and the requirements of §200.926d.

(ii) In jurisdictions with local building codes which previously have been submitted for review and which have been found unacceptable by the Secretary:

(A) If the local code has not been changed since the date the code or changes thereto were submitted to the Secretary, the lender or other interested party must comply with the requirements of paragraph (d)(1)(i)(A), (B) or (C) of this section, as appropriate; or

(B) If the local code has been changed since the date when the code or other changes thereto were last submitted to the Secretary, the lender or other interested party need not submit any part already in the possession of the HUD Field Office.

Based upon the Secretary’s determination concerning the acceptability of the local code as changed, the lender or other interested party must comply with the requirements of paragraph (d)(1)(ii)(B) (I), (2) or (3) of this section, as appropriate.

(iv) In order to obtain the Department’s approval of a local code, the lender or other interested party must submit the following material to the HUD Field Office serving the jurisdiction in which the property is to be constructed:

(A) A copy of the jurisdiction’s local building code, including all applicable service codes and appendices; and

(B) A copy of the statute, ordinance, regulation, or order establishing the code, if such statute, ordinance, regulation or order is not contained in the building code itself.

However, the lender or other interested party need not submit any document already on file in the HUD Field Office.

(2) Jurisdictions with previously accepted or partially accepted building codes. The following submission requirements apply to lenders or other interested parties in any jurisdiction with a building code which has been accepted or partially accepted by the Secretary:

(i) The lender or other interested party shall submit to the HUD Field Office serving the jurisdiction in which the property is to be constructed:

(A) A certificate stating that, since the date when the code or any changes thereto were last submitted to the Secretary, the jurisdiction’s local building code has not been changed; or

(B)(1) A copy of all changes to the jurisdiction’s building code, including all applicable service codes and appendices, which have been made since the date when the code or other changes thereto were last submitted to the Secretary. However, the lender or other interested party need not submit any part already in the possession of the HUD Field Office; and

(2) A copy of the statute, ordinance, regulation, or order making such changes in the code.

(ii) If, based upon changes to the local building code, the Secretary determines that it is unacceptable, the lender or other interested party must comply with the requirements of paragraph (d)(1) (i)(A), (B) or (C) of this section, as appropriate.

(iii) If the local building code was previously found by the Secretary to be partially acceptable and there have been no changes to it or if the local building code was previously found by the Secretary to be partially acceptable and if, based upon changes to it, the Secretary determines that it is still partially acceptable or if the local building code was previously found by the Secretary to be unacceptable and if, based upon changes to it, the Secretary
§ 200.926a Residential building code comparison items.

HUD will review each local and State code submitted under this subpart to determine whether it regulates all of the following areas and subareas:

(a) Fire Safety. (1) Allowable height; (2) Fire separations; (3) Fire resistance requirements; (4) Egress doors and windows; (5) Unit smoke detectors; (6) Flame spread.

(b) Light and ventilation. (1) Habitable rooms; (2) Bath and toilet rooms.

(c) Structural loads and seismic design. (1) Design live loads; (2) Design dead loads; (3) Snow loads (for jurisdictions with snow loading conditions identified in Section 7 of ASCE-7-88 (formerly ANSI A58.1–82)); (4) Wind loads; (5) Earthquake loads (for jurisdictions in seismic zones 3 or 4, as identified in Section 9 of ASCE-7-88 (formerly ANSI A58.1–82)).

(d) Foundation systems. (1) Foundation depths; (2) Footings; (3) Foundation materials criteria.
§ 200.926b  Model codes.

(a) Incorporation by reference. The following model code publications are incorporated by reference in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. The incorporation by reference of these publications has been approved by the Director of the Federal Register. The locations where copies of these publications are available are set forth below.

1. CABO One and Two Family Dwelling Code, 1992 Edition, including the 1993 amendments, but excluding Chapter I—Administrative, and the phrase “or approved fire retardant wood” contained in the exception of paragraph R-218.2.2(2), but including the Appendices A, B, D, and E of the Code. (Available from the Council of American Building Officials, Suite 706, 5203 Leesburg Pike, Falls Church, VA 22041.)

(b) Model code compliance requirements. (1) When a one or two family dwelling is to comply with the model codes set forth in §200.926b(a), the following requirements of those model codes shall not apply to those properties:

   (i) Those provisions of the model codes that establish energy requirements for one and two family dwellings; and

   (ii) Those provisions of the model codes that require or allow the issuance of permits of any sort.

(2) Where the model codes set forth in paragraph (a) of this section designate a building, fire, mechanical, plumbing or other official, the Secretary’s designee in the HUD Field Office serving the jurisdiction in which the dwelling is to be constructed shall act as such official.

(c) Designation of Model Codes. When a one or two family dwelling or townhouse is to comply with portions of the model code or the entire model code, the dwelling shall comply with the CABO One and Two Family Dwelling Code 1992 Edition, including the 1993 amendments, or portion thereof as modified by §200.926e of this part and designated by the HUD Field Office serving a jurisdiction in which a property is located. In addition, the property shall comply with all of the standards which are referenced for any designated portions of the model code, and with the Electrical Code for One and Two Family Dwellings, NFPA 70A/1990.

§200.926d Construction requirements.

(a) **Application**—(1) **General.** These standards cover the agency requirements for accessibility to physically handicapped people, variations to standards, real estate entity, trespass and utilities, site conditions, access, site design, streets, dedication of utilities, drainage and flood hazard exposure, special construction and product acceptance, thermal requirements, and water supply systems.

(2) **Requirements for accessibility to physically handicapped people.** The HUD Field Office will advise project sponsors as to the extent accessibility will be required for new construction of one- and two-family dwellings on a project-by-project basis.

(i) **Technical standards.** See HUD Handbook, 4910.1, Sections 100–1.3b and 100–1.3c.

(ii) **Variations to standards**—(1) **New materials and technologies.** See paragraph (d) of this section. Alternatives, nonconventional or innovative methods and materials shall be equivalent to these standards in the areas of structural soundness, durability, economy of maintenance or operation and usability.

(ii) **Variation procedures.** Variations from the requirements of any standard with which the Department requires compliance shall be made in the following ways:

(A) For a particular design or construction method to be used on a single case or project, the decision is the responsibility of the Field Office. Headquarters concurrence is not required.

(B) Where a variation is intended to be on a repetitive basis, a recommendation for a Local Acceptable Standard, substantiating data, and background information shall be submitted by the Field Office to the Director, Office of Manufactured Housing and Regulatory Functions.

(iii) Variances which require individual analysis and decision in each instance are not considered as repetitive variances even though one particular standard is repeatedly the subject of variation. Such variances are covered by paragraph (a)(3)(ii)(A) of this section.

(b) **General acceptability criteria**—(1) **Real estate entity.** The property shall comprise a single plot except that a primary plot with a secondary plot for an appurtenant garage or for other use contributing to the marketability of the property will be acceptable provided the two plots are in such proximity as to comprise a readily marketable real estate entity.

(2) **Service and facilities**—(1) **Trespass.** Each living unit shall be one that can be used and maintained individually without trespass upon adjoining properties, except when the windowless wall of a detached dwelling is located on a side lot line. A detached dwelling may be located on a side lot line if:

(A) legal provision is made for permanent access for the maintenance of the exterior portion of the lot line wall, and

(B) the minimum distances from the dwelling to the dwellings on the abutting properties are not less than the sum of the side yard distances computed as appropriate for the type of opposing walls (minimum distance 10 ft).
(ii) Utilities. Utility services shall be independent for each living unit, except that common services such as water, sewer, gas and electricity may be provided for living units under a single mortgage or ownership. Separate utility service shut-off for each unit shall be provided. For living units under separate ownership, common utility services may be provided from the main to the building line when protected by an easement or covenant and maintenance agreement acceptable to HUD, but shall not pass over, under or through any other living unit. Individual utilities serving a living unit may not pass over, under or through another living unit under the same mortgage unless provision is made for repair and maintenance of utilities without trespass or when protected by an easement or covenant providing permanent access for maintenance and repair of the utilities. Building drain cleanouts shall be accessible from the exterior where a single drain line within the building serves more than one unit.

(3) Site conditions. (i) The property shall be free of those foreseeable hazards and adverse conditions which may affect the health and safety of occupants or the structural soundness of the improvements, or which may impair the customary use and enjoyment of the property. The hazards include toxic chemicals, radioactive materials, other pollution, hazardous activities, potential damage from soil or other differential ground movements, ground water, inadequate surface drainage, flood, erosion, or other hazards located on or off site. The site must meet the standards set forth in 24 CFR part 51, and HUD Handbook 4910.1, section 606 for termite and decay protection.

(ii) When special conditions exist or arise during construction which were unforeseen and which necessitate precautionary or hazard mitigation measures, the HUD Field Office shall require corrective work to mitigate potential adverse effects from the special conditions as necessary. Special conditions include rock formations, unstable soils or slopes, high ground water levels, springs, or other conditions which may adversely affect a property. It shall be the builder's responsibility to ensure proper design, construction and satisfactory performance where these conditions are present.

(4) Access. (i) Each property shall be provided with vehicular or pedestrian access by a public or private street. Private streets shall be protected by permanent easement.

(ii) Each living unit shall have a means of access such that it is unnecessary to pass through any other living unit.

(iii) The rear yard shall be accessible without passing through any other living unit.

(iv) For a townhouse type dwelling, access to the rear yard may be by means of alley, easement, passage through the dwelling, or other means acceptable to the HUD Field Office.

(c) Site design—(1) General. (i) A site design shall be provided which includes an arrangement of all site facilities necessary to create a safe, functional, healthful, durable and energy efficient living environment.

(ii) With the exception of paragraph (c)(4) of this section, these site design standards apply only in communities that have not adopted criteria for site development applicable to one and two family dwellings.

(iii) Single family detached houses situated on individual lots located on existing streets with utilities need not comply with the requirements of paragraphs (c)(2) and (c)(3) of this section.

(2) Streets. (i) Existing or proposed streets on the site shall connect to private or public streets and shall provide all-weather access to all buildings for essential and emergency use, including access needed for deliveries, service, maintenance and fire equipment.

(ii) Streets shall be designed for dedication for public use and maintenance or, when approved by the HUD Field Office, may be retained as private streets where protected by permanent easements.

(3) Dedication. Utilities shall be located to permit dedication to the local government or appropriate public body.

(4) Drainage and flood hazard exposure—(i) Residential structures with basements located in FEMA-designated areas of special flood hazard. The elevation of the lowest floor in structures with basements shall be at or above the base
flood level (100-year flood level) required for new construction or substantial improvement of residential structures under regulations for the National Flood Insurance Program (NFIP) (see 44 CFR 60.3 through 60.6), except where variances from this standard are granted by communities under the procedures of the Federal Emergency Management Agency (FEMA) at 44 CFR 60.6(a) or exceptions from this NFIP standard for basements are approved by FEMA in accordance with procedures at 44 CFR 60.6(b).

(ii) Residential structures without basements located in FEMA-designated areas of special flood hazard. The elevation of the lowest floor in structures without basements shall be at or above the FEMA-designated base flood elevation (100-year flood level).

(iii) Residential structures located in FEMA-designated "coastal high hazard areas". (A) Basements or any permanent enclosure of space below the lowest floor of a structure are prohibited.

(B) Where FEMA has determined the base flood level without establishing stillwater elevations, the bottom of the lowest structural member of the lowest floor (excluding pilings and columns) and its horizontal supports shall be at or above the base flood level.

(iv)(A) In all cases in which a Direct Endorsement (DE) mortgagee or a Lender Insurance (LI) mortgagee seek to insure a mortgage on a newly constructed one-to four-family dwelling (including a newly erected manufactured home) that was processed by the DE or LI mortgagee, the DE or LI mortgagee must determine whether the property improvements (dwelling and related structures/equipment essential to the value of the property subject to flood damage) are located in a 100-year floodplain, as designated on maps of the Federal Emergency Management Agency. If so, the DE mortgagee, before submitting the application for insurance to HUD, or the LI mortgagee, before submitting all the required data regarding the mortgage to HUD, must obtain:

(1) A final Letter of Map Amendment (LOMA);
(2) A final Letter of Map Revision (LOMR); or

(3) A signed Elevation Certificate documenting that the lowest floor (including basement) of the property improvements is built at or above the 100-year flood elevation in compliance with National Flood Insurance program criteria 44 CFR 60.3 through 60.6.

(B) Under the DE program, these mortgages are not eligible for insurance unless the DE mortgagee submits the LOMA, LOMR, or Elevation Certificate to HUD with the mortgagee’s request for endorsement.

(v) Streets. Streets must be usable during runoff equivalent to a 10-year return frequency. Where drainage outfall is inadequate to prevent runoff equivalent to a 10-year return frequency from ponding over 6 inches deep, streets must be made passable for commonly used emergency vehicles during runoff equivalent to a 25-year return frequency, except where an alternative access street not subject to such ponding is available.

(vi) Crawl spaces. Crawl spaces must not pond water or be subject to prolonged dampness.

(d) Special construction and product acceptance—(1) Structural features of factory produced (modular or panelized) housing or components.

(i) For factory fabricated systems or components, HUD Handbook 4950.1, "Technical Suitability of Products Program Technical and Processing Procedures" shall apply.

(ii) The requirements of this part shall apply to structural features, consisting of factory fabricated systems or components assembled either at the factory or at the construction site, if the total construction is covered by these standards and can be inspected on-site for determination of compliance.

(2) Non-structural or non-standard features. These features include methods of construction, systems, sub-systems, components, materials and processes which are not covered by these requirements. See HUD Handbook 4950.1 for procedures to be followed in order to obtain acceptance of non-structural components or materials. See HUD Handbook 4910.1, appendix F for a list of Use of Materials Bulletins. Products and methods shall conform to the appropriate Use of Materials Bulletin.
(3) **Standard Features.** These features include methods of construction, systems, sub-systems, components, materials and processes which are covered by national society or industry standards. For a list of standards and practices to which compliance is required, see HUD Handbook 4910.1, Appendix C and Appendices E and F, available from HUD, 451 Seventh Street, SW., Attention: Mailroom B–133, Washington, DC 20410.

(f) **Water supply systems—(1) General.**

(i) Each living unit shall be provided with a continuing and sufficient supply of safe water under adequate pressure and of appropriate quality for all household uses. Newly constructed residential property for which a building permit has been applied for on or after June 19, 1988 from the competent authority with jurisdiction in this matter shall have lead-free water piping. For purposes of these standards, water piping is “lead free” if it uses solders and flux containing not more than 0.2 percent lead and pipes and pipe fittings containing not more than 8.0 percent lead. This system shall not impair the function or durability of the plumbing system or attachments.

(ii) The chemical and bacteriological standards of the local health authority shall apply. In the absence of such standards, those of the appropriate State agency shall apply. A water analysis may be required by either the health authority or the HUD Field Office.

(iii) After installation, the system shall be disinfected in accordance with the recommendations or requirements of the local health authority. In the absence of a health authority, system cleaning and disinfection shall conform to the current EPA Manual of Individual Water Supply Systems.

(iv) Bacteriological or chemical examination of a water sample collected by a representative of the local or state health authority shall be made when required by that authority or the HUD Field Office.

(3) **Location of wells.** (i) A well located within the foundation walls of a dwelling is not acceptable except in arctic or subarctic regions.

(ii) Water which comes from any soil formation which may be polluted, contaminated, fissured, creviced or less than 20 ft. below the natural ground surface is not acceptable, unless acceptable to the local health authority.

(iii) Individual water supply systems are not acceptable for individual lots in areas where chemical soil poisoning has been or is practiced if the overburden of soil between the ground surface and the water bearing strata is coarse grained sand, gravel, or porous rock, or is creviced in a manner which will permit the recharge water to carry the toxicants into the zone of saturation.

(iv) The following table shall be used in establishing the minimum acceptable distances between wells and sources of pollution located on either the same or adjoining lots. These distances may be increased by either the health authority having jurisdiction or the HUD Field Office.

1 This clearance may be increased or decreased depending upon soil and rock penetrated by the well and aquifer conditions. The clearance may be increased in creviced limestone and permeable strata of gravel and sand. The clearance may be reduced to 50 ft. only where the ground surface is effectively separated from the water bearing formation by an extensive, continuous and impervious strata of clay, hardpan, or rock. The well shall be constructed so as to prevent the entrance of surface water and contaminants.

2 The recommendations or requirements of the local health authority shall apply.

3 This clearance may be reduced to 15 feet only where the ground surface is effectively separated from the water bearing formation by an extensive, continuous and impervious strata of clay, hardpan, or rock.

4 Well construction. (i) The well shall be constructed so as to allow the pump to be easily placed and to function properly.

(ii)(A) All drilled wells shall be provided with a sound, durable and watertight casing capable of sustaining the loads imposed.

(B) The casing shall extend from a point several feet below the water level at drawdown or from an impervious strata above the water level to 12 in. above either the ground surface or the pump room floor. The casing shall be sealed at the upper opening to a depth of at least 15 feet.

(iii) Bored wells shall be lined with concrete, vitrified clay or equivalent materials.

(iv) The space between the casing or liner and the wall of the well hole shall be sealed with cement grout.

(v) The well casing shall not be used to convey water except under positive pressure. A separate drop pipe shall be used for the suction line.

(vi) When sand or silt is encountered in the water-bearing formation, the well shall either be compacted and gravel packed, or a removable strainer or screen shall be installed.

(vii) The surface of the ground above and around the well shall be compacted and graded to drain surface water away from the well.

This section establishes fee requirements for the issuance of Structural Engineering Bulletins (SEBs), Mechanical Engineering Bulletins (MEBs), Truss Connector Bulletins (TCBs), Area Letters of Acceptance (ALAs), Materials Releases (MRs), and review of program administrator applications submitted pursuant to § 200.935 of this title.

(b) Filing address—(1) Applications containing payment. When applications for or correspondence concerning SEBs, MEBs, TCBs, MRs, or program administrator approval contain payment, such applications or correspondence shall be sent to the following address:

U.S. Department of Housing and Urban Development, Technical Suitability of Products Fees, P.O. Box 954199, St. Louis, MO. 63195–4199.

(2) Other correspondence. All other correspondence concerning SEBs, MEBs, TCBs, MRs, and program administrator acceptance shall be sent to the following address:

Manufactured Housing and Construction Standards Division, Department of Housing and Urban Development, 451 Seventh Street, SW., Attn: Mail Room B–133, Washington, DC 20410.

(3) Application for ALAs. Applications for or correspondence concerning ALAs shall be submitted to the Housing Division of the field office having jurisdiction over the area in which the production facility of the system is located, except that applications containing payment shall be addressed to the attention of the Collection Officer for deposit to Account No. 86–09–0300.

(c) Fees. Applicants for renewal and applicants for acceptance as program administrators under § 200.935 of this title shall include the entire processing fee with the application. All other applicants shall submit one half of the required processing fee with each application. The applicant shall pay the balance when the draft issuance is returned to HUD with the applicant's concurrence signature. The Department will not prepare a final document for printing and distribution until it has received the full processing fee. From time to time, as may be necessary, the Department will establish and amend the fee schedule by publication of a Notice in the FEDERAL REGISTER.

(d) Initial application and review—(1) Content of applications. Each application shall include only one item. All applications will be promptly processed on receipt by the Department.

(i) With respect to Mechanical Engineering Bulletins (MEBs), Structural Engineering Bulletins (SEBs), Truss Connector Bulletins (TCBs), and Area Letters of Acceptance (ALAs), each structural design shall constitute a different item.

(ii) With respect to Materials Releases (MRs), each product or system shall constitute a different item.

(2) Revisions. A recipient of a technical suitability document issued by the Department may apply for revision of that document at any time. The revision may be in the form of an amendment or supplement to the document, for which the recipient will be charged the applicable revision fee. However, where the Department determines that a proposed revision constitutes a different item, the schedule of fees for initial applications shall apply.

(3) Renewals. Each issuance shall be valid for a period of three years from the date of initial issuance or most recent renewal, whichever is later. An applicant shall submit an application for renewal with the entire required fee three months before the expiration of the three-year period. Failure to submit a timely renewal application along with the required fee shall constitute a basis for cancellation of the issuance.

(4) Initial and revision applications requiring further study or additional data. In its discretion, the Department may
request an applicant to submit additional data or to conduct further study to supplement or clarify an initial application or an application for revision of a previously issued technical suitability document. If the applicant fails to comply with the Department’s request within ninety days of the date of that request or within such longer time as may be specified by the Secretary, the Department will return the application to the applicant. The Department will not refund any fees paid toward an application returned under this paragraph. The application will be considered further only if it is resubmitted along with payment of the full fee as required by these regulations.

(5) **Ineligible applications.** If the Secretary determines that an application or request will not be considered because it is not eligible for issuance of a technical suitability document, the Department will promptly return the application or request, refund any fees paid, and explain why the application or request is ineligible.

(6) **Cancellation of a technical suitability document.** If the Department determines that (i) the conditions under which a technical suitability document was issued have so changed as to affect the production of, or to compromise the integrity of, the material, product, or system approved thereby, or (ii) that the producer has changed its organizational form without notifying HUD, or (iii) that the producer is not complying with the responsibilities it assumed as a condition of HUD’s acceptance of its material, product or system, the Department will notify the producer or manufacturer that the technical suitability document may be cancelled. However, before cancelling a technical suitability document, the Department will give the manufacturer reasonable notice in writing of the specific reasons therefore and an opportunity to present its views on why the technical suitability document should not be cancelled. No refund of fees will be made on a cancelled document.

(e) **Identification.** (1) Applications for issuance of a MEB, SEB, TCB, or MR submitted to HUD Headquarters will be identified with a case number. The applicant will be notified of the case number when receipt of the application is acknowledged. Thereafter, the case number will be used on all correspondence relating to the application. When a final draft of a new document is prepared for publication and distribution, a bulletin or release number will be assigned to the new issuance.

(2) In the case of an application for an ALA submitted to a field office, the application will be processed in accordance with the identification and processing procedures established by the responsible field office. The field office will notify the applicant of receipt of the application and inform the applicant of the procedures that will be followed with respect to the issuance of an ALA.

(Information collection requirements in paragraphs (b), (c), (d)(1), (2), (3) and (4) were approved by the Office of Management and Budget under control number 2502–0313)

§ 200.935 **Administrator qualifications and procedures for HUD building products certification programs.**

(a) **General.** This section establishes administrator qualifications and procedures for the HUD Building Products Certification Programs under section 521 of the National Housing Act and the HUD Minimum Property Standards. Under these programs organizations acceptable to HUD validate manufacturers’ certifications that certain building products or materials meet applicable standards. HUD may decide to implement a certification program for a particular building product or material for a variety of reasons, such as when deemed necessary by HUD to facilitate the introduction of new and innovative products or materials; or in response to reports of fraud or misrepresentation by manufacturers in advertising that their product or materials comply with a standard.

(b) **Definitions.**—(1) **Certification program (“program”)**. The procedure under which accepted administrators validate manufacturers’ certifications that particular building products or materials meet applicable HUD standards. A separate program is used to validate certifications for each particular product or material for which HUD requires certifications.
(2) Program administrator ("administrator"). An organization which conducts the program validating the manufacturer’s certification that a particular building product or material meets applicable HUD standards.

(c) Administrator qualifications and application procedures—(1) Qualifications. Each program administrator shall be capable of conducting a certification program with respect to organization, staff and facilities, and have a reputation for adhering to high ethical standards. To be considered acceptable for conducting a certification program, each administrator shall:

(i) Be a technically qualified organization with past experience in the administration of certification programs. The certification program(s) shall be under the supervision of a qualified professional with six years of experience in interpreting testing standards, test methods, evaluating test reports and quality control programs. Each administrator is responsible for staffing the program with qualified professional personnel with experience in interpreting testing standards, test methods, evaluating test reports and quality control programs. The staff shall be adequate to service all aspects of the program.

(ii) Have field inspectors trained to make selections of materials for testing from manufacturer’s stock or from distributors’ establishments and to conduct product compliance inspections. Such inspectors must be trained and experienced in evaluating manufacturer’s quality control records to ascertain with a reasonable degree of assurance that continuing production remains in compliance with the applicable standard set forth in the Use of Materials (UM) Bulletin. When inspectors are used to evaluate laboratory operations, they shall be qualified and under the supervision of the administrator. They shall be knowledgeable in such areas as test methods, quality control, testing techniques, and instrument calibration.

(iii) Have facilities and capabilities for communications with manufacturers, laboratories, and HUD, including publication of a directory of certified products and a list of accredited laboratories, if required by the program.

(iv) Have adequate policies and practices for preserving information entrusted to its care. HUD reserves the right to review all technical records related to the program for the purpose of monitoring.

(v) Have a copy of all applicable standards, test methods and related information necessary to carry out the program.

(vi) Have a registered or pending certification mark at the United States Patent Office and be willing to license, on a uniform basis, the use of that mark by manufacturers as a validation of the manufacturer’s certification that the product complies with the applicable standard.

(2) Applications procedures. Any organization desiring HUD acceptance as a qualified administrator to conduct a certification program shall make application in writing to the Director, Office of Architecture and Engineering Standards. The application shall state the particular certification program for which acceptance is requested and include information indicating compliance with each of the qualification requirements by number and subsection. Attached to the application shall be:

(i) A list of certification programs in which the organization is participating or has participated and the types of participation (sponsor, administrator, testing laboratory, etc.).

(ii) A procedural guide used in one of these programs.

(iii) A directory or listing used in one of these programs.

(iv) A reproduction or facsimile of the organization’s registered or pending mark.

(v) A proposed procedural guide for the particular certification program. HUD certification program procedures described in paragraph (d) of this section shall be followed.

(3) Acceptance. HUD shall review each submission and notify the applicant whether or not they are accepted or rejected. HUD shall be notified immediately of any change(s) in the administrator’s submission regarding program procedures and major personnel associated with the program. HUD reserves the right to suspend or debar an administrator in accordance with 2 CFR part 2424.
(d) HUD building products certification procedures—(1) Certification program development. Certification program development by an administrator shall be based upon the procedures and standards for the specific building product described in a Use of Materials Bulletin or a Materials Release.

(2) License agreement. Each administrator shall have a written license agreement with each participating manufacturer binding each to the provisions of the specific program and authorizing the manufacturer to use the administrator’s mark, seal, or label on its products. The administrator shall have the right to terminate any agreement prior to an expiration date, for example, if there has been a breach of the requirements of the certification program by the manufacturer.

(3) Laboratory approval. The administrator shall review laboratories that apply for participation in this program on the basis of the procedures described in paragraph (e) of this section. A list of approved laboratories shall be maintained by the administrator. When the certification program allows the use of the administrator’s testing laboratories, the laboratories shall be reviewed by a qualified party acceptable to HUD. As accreditation procedures are made available through the National Voluntary Laboratory Accreditation Program (NVLAP) for specific products, HUD may require such accreditation.

(4) Initial testing and quality control review—(1) Initial testing. Each participating manufacturer shall submit to the appropriate administrator, the product(s) specification and statement(s) that the product complies with the applicable standard. The administrator shall select samples of the product(s), or when HUD specifies as acceptable, a prototype. The particular method of sample selection shall be determined by HUD for each specific product certification program. Other methods of initial sample selection may be used if deemed necessary. If a failure occurs on the initial tests, additional sampling and testing may be done at the manufacturer’s request. The administrator’s validation of the manufacturer’s declaration of certification shall be withheld until a finding of compliance is achieved.

(ii) Quality assurance system review. (A) Each administrator shall examine a participating manufacturer’s facilities and quality assurance system procedures to determine that they are adequate to assure continuing production of the product that complies with the applicable standard. These quality assurance system procedures shall be documented in the administrator’s and the manufacturer’s files. If a manufacturer’s quality assurance system is not satisfactory to the administrator, validation of the manufacturer’s declaration of certification shall be withheld. The following American Society for Quality Control (ASQC) standards, which are incorporated by reference, may be used as guidelines in any quality assurance review:

(1) ASQC Q9000–1–1994 Quality Management and Quality Assurance Standards Guidelines for Selection and Use;

(2) ASQC Q9001–1994 Quality Systems—Model for Quality Assurance in Design, Development, Production, Installation, and Servicing;

(4) ASQC Q9003–1994 Quality Systems—Model for Quality Assurance in Final Inspection and Test;

(B) These standards have been approved by the Director of the Federal Register for incorporation by reference in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. They are available from the American Society for Quality Control (ASQC), 611 East Wisconsin Avenue, Milwaukee, WI 53202.

(5) Notice of validation. When initial testing, quality control review, and evaluation of other technical data are satisfactory to the administrator, a Notice of Validation or Certification shall be issued to the manufacturer. This allows the use of the administrator’s registered mark on the product label.

(6) Labeling. Each administrator shall issue to the manufacturer labels, tags, marks containing the administrator’s
validation mark, and the manufacturer’s certification of compliance with the applicable standard. The registered administrator’s (validator’s) mark shall be on the label. A sponsor’s (association, testing agencies, society or others) mark may be used in addition to the administrator’s mark. The manufacturer’s certification of compliance to the standard may be coded. Additional information such as type, grade, class, etc., may also be coded. When coding is used, the code shall be described in the directory or listing.

(7) Directory or listing. When required by the program, the administrator shall publish a directory or listing for all certified products. The directory shall list the items described in paragraph (d)(6) of this section. The directory shall also carry a complete list of approved laboratories and shall be updated to reflect additions or deletions of certified products and laboratories. Directories or listings shall be published periodically as described in the specific program. Each administrator shall make a complimentary distribution of the directory or listing to the HUD Field Offices and other government agencies designated by HUD. A subscription fee may be charged to others requesting copies.

(8) Periodic tests and quality control inspections. Samples of the certified product or prototype shall be selected periodically from the plant, warehouse inventory or sales points. The samples shall be sent to an administrator-approved laboratory and tested in accordance with the applicable standard. The frequency of testing shall be described in the specific building product program. The administrator shall periodically visit the manufacturer’s facility to assure that the initially accepted quality control procedures are being followed.

(9) Product decertification. If a failure should occur in any test, the laboratory shall notify the administrator and the manufacturer. The manufacturer shall notify the administrator if a retest is requested. If a retest is not requested, validation shall be withdrawn. If the manufacturer requests a retest, the administrator shall select new samples and submit them to the same or another laboratory at the manufacturer’s expense, for retest of only the test requirement(s) in which the failure(s) occurred. If the specified number of specimens pass the retest, the product can continue to be validated and listed. If the designated number of specimens described in the UM Bulletin fail, the administrator shall decertify the product. The manufacturer may request that a new selection be made of the product after correction or modifications and be subjected to the initial acceptance testing procedure or to a program of retesting established by the administrator. The administrator may decertify the product on the basis of inadequate quality control by the manufacturer. The administrator shall notify the manufacturer, HUD headquarters and the HUD Field Offices of any decertification within 7 days. When the product is decertified the manufacturer shall remove labels, tags or marks from all production and inventory in his/her control determined to be in noncompliance.

(10) Challenge response. Any person or organization may submit a sample of a manufacturer’s certified product to the administrator in substantiation of a claim of noncompliance. Submission shall be made to the administrator that validated the manufacturer’s product. The administrator shall notify the manufacturer that its product has been challenged and shall make arrangements to obtain test samples of the challenged product. An estimate of the cost of the special sample selection and testing shall be made to the complainant. The complainant shall pay the estimated cost of the investigation in advance of any testing of the challenged product, unless HUD believes the complaint to be in the public’s interest. HUD may conduct its own investigation when deemed necessary based upon a complaint or a product failure. The administrator shall submit the sample of the challenged product to an approved laboratory of the administrator’s choice with the request to test compliance of only the challenged requirement(s). If the samples tested prove that the product failed to meet the standard, the product shall be decertified immediately. The manufacturer whose product is decertified shall reimburse the administrator for all
costs of the investigation and the administrator shall refund the complainant’s advance payment. If the tests prove that the product does comply with the standard, the complainant shall be notified that the tests do not support the complaint and that the advance fee has been used for the cost of testing and investigating the claim.

(11) **Maintainance of the program.** Each administrator shall maintain the program in conformance with administrative letters issued by HUD for the purpose of clarifying procedures and interpreting the applicable standard. These letters may also be used to revise and amend the procedures used in specific programs. Significant changes in any program shall be published in the FEDERAL REGISTER.

(e) **Laboratory qualifications.** The following laboratory qualifications apply to all testing laboratories participating in the program including manufacturer’s laboratories and the administrator’s own laboratories when designated in the specific program.

(1) **Organization and personnel.** Laboratories wishing to participate in a certification program shall apply to the administrator and shall furnish the following information:

(i) Name of laboratory, address, telephone number, name and title of official to be contacted for this program.

(ii) Name and qualifications of person assigned by the laboratory to supervise testing under a specific certification program.

(iii) Name and qualifications of engineers and other key personnel who shall conduct the testing.

(iv) Brief review of training program for personnel associated with program to assure the operational efficiency and uniformity of the testing and quality control procedures.

Each laboratory shall notify the administrator of any change in its submission regarding procedures and/or major personnel associated with the program.

(2) **Equipment and facilities.** Each laboratory shall:

(i) Describe the test instruments and testing facilities to be used in making the test(s) required by the applicable standard. Information shall include: Item of equipment, manufacturer, type or model, serial number, range, precision, frequency of calibration and dates of calibration.

(ii) Provide photographs of the listed equipment.

(iii) Provide a description of the applicable standards and calibration equipment being used and the calibration procedures followed, including National Bureau of Standards traceability, when applicable. List outside organizations providing calibration services, if used.

(iv) Demonstrate that measurements can be made with existing equipment and repeated precision within the limits established by the applicable standards. Administrator may periodically require laboratories to conduct collaborative testing on standard reference materials.

(v) Provide evidence, when regulated temperatures and humidity are required, that charts are maintained from a continuous recorder registering both wet and dry bulb temperature or relative humidity. The charts are to be properly dated, retained and available for inspection.

(vi) Provide a list of standards, test methods and other information necessary to carry out the program.

(3) **Testing methodology.** (i) Describe concisely the procedures for conducting the tests required and the specific equipment to be used.

(ii) Attach a sample test report showing representative test results and accompanied by test data forms for each test required. When approved for program participation, testing laboratories may be required by administrator to report test results on standard summary report forms.

(4) **Subcontractors.** If a testing laboratory plans to subcontract any of its testing to other laboratories, only approved laboratories acceptable to the administrator shall be used.

(5) **Laboratory quality control.** The laboratory shall develop operating quality control procedures acceptable to the administrator. The procedures of the American Council of Independent Laboratories may be used as a guideline.

(3) Suspension;
(4) Termination;
(5) Limited Denial of Participation (LDP);
(6) Referral to the Mortgagee Review Board; and

[70 FR 43242, July 26, 2005, as amended at 72 FR 73994, Dec. 27, 2007]

§ 200.1505 Warning letter.

(a) In general. HUD may issue a warning letter, which specifies problems or violations identified by HUD, to a MAP lender.

(b) Effect of warning letter. The warning letter:

(1) Does not suspend a lender’s MAP privileges;
(2) May impose a higher level of review of the lender’s underwriting by HUD;
(3) May direct the taking of a corrective action; and
(4) May require a meeting in a designated HUD office with the principal owners or officers, or both, of the MAP lender to discuss the specified problems and violations, and possible corrective actions.

(c) Relationship to other sanctions. The issuance of a warning letter is not subject to the MAP Lender Review Board procedures in accordance with §200.1535, and is not a prerequisite to the probation, or suspension, or termination of MAP privileges.

§ 200.1510 Probation.

(a) In general. Only the MAP Lender Review Board (or Board) may place a lender on probation, in accordance with the procedures of §200.1535.

(b) Effect of probation. (1) Probation is intended to be corrective in nature and not punitive. As a result, release from probation is conditioned upon the lender meeting a specific requirement or requirements, such as replacement of a staff member. A lender’s failure to take prompt corrective action after being placed on probation may be the basis for a recommendation of either suspension or termination. Any such recommendation shall, when possible, go to a MAP Lender Review Board composed of the same members who issued the original probation.

(2) During the probation period, a MAP lender:

(i) Shall be removed from the MAP-Approved Lender list posted on HUD’s website;
(ii) May not submit, and HUD may not accept, materials after the close of business of the date of the probation letter for a new application under MAP for multifamily mortgage insurance from HUD; and
(iii) May continue to process any existing application for multifamily mortgage insurance submitted to a
§ 200.1515 Suspension of MAP privileges.

(a) In general. Only the MAP Lender Review Board may suspend a lender’s eligibility for MAP, in accordance with the procedures of §200.1535.

(b) Effect of suspension. (1) A suspension may impose any conditions that may be imposed by probation.

(2) During the suspension period a MAP lender:

(i) Shall be removed from the MAP-approved lender list posted on HUD’s Web site;

(ii) May not submit, and the HUD field office may not accept, materials after the close of business of the date of the suspension letter for any application for multifamily mortgage insurance from HUD; and

(iii) May continue to process any existing application for multifamily mortgage insurance submitted to a Multifamily Hub or Program Center before the date of the suspension letter.

(3) The MAP Lender Review Board may impose a higher level of review of the lender’s underwriting by HUD;

(4) Suspension is nationwide in effect.

(c) Duration of suspension. (1) Suspension may not exceed 12 months, except where conditions are imposed. If both a time period and conditions are imposed, a suspension shall terminate only when:

(i) The time period of the suspension has expired;

(ii) The MAP lender has submitted a certification of compliance with those conditions to the Board; and

(iii) The Board has notified the MAP lender it has received the certification of compliance and is satisfied that the corrective actions have occurred.

(2) When suspension is lifted, the lender’s name shall be promptly reinstated on the MAP-Approved Lender list posted on HUD’s Web site.

§ 200.1520 Termination of MAP privileges.

(a) In general. Except as provided in paragraph (b) of this section, only the MAP Lender Review Board may terminate a lender’s MAP privileges, in accordance with the procedures of §200.1535.

(b) Administrative termination. HUD will notify a lender of immediate termination of MAP privileges when either of the following circumstances is present:

(1) Failure by the MAP lender to maintain its status as an FHA-approved lender; or

(2) Failure by the MAP lender to maintain a minimum level of MAP lender activity, as evidenced by failure to submit either a pre-application package or firm commitment application at least once every 12 months.

(c) Effect of termination. (1) The terminated lender shall be removed from the MAP-Approved Lender list on HUD’s Web site.

(2) A terminated lender may not submit, and the HUD field office may not accept, materials after the close of business of the date of the termination letter for any multifamily mortgage insurance from HUD.

(3) Any MAP pre-application or MAP application in process may no longer be processed under MAP by the terminated lender. The lender will either:

(i) Immediately transfer the transaction to the traditional application processing (TAP) procedure; HUD will completely reprocess all stages of the transaction; or
(ii) Immediately transfer the project to a new MAP lender. The new MAP lender must completely reprocess all stages of the transaction. At no time can the new MAP lender assign the pre-application, the firm application, the mortgage insurance commitment, or the insured construction loan back to the original MAP lender.

(4) HUD will not endorse any MAP loan processed by the terminated lender unless a firm commitment was issued before the date of termination.

(i) Firm commitments involving new construction or substantial rehabilitation must be immediately transferred to a new MAP lender. At no time can the new MAP lender assign the firm mortgage insurance commitment, or the insured construction loan, back to the original MAP lender.

(ii) Firm commitments issued for Section 223(f) projects may be transferred before final endorsement to any approved FHA lender or kept in the lender’s portfolio.

(iii) For those construction loans that have been initially endorsed, the MAP lender will lose its MAP privileges for construction loan administration. HUD will assume all the construction loan administration duties it normally performs for TAP processing.

(iv) The original lender may service a transferred loan once it is finally endorsed.

(5) Termination is nationwide in effect.

(6) When a MAP lender loses its MAP lender status as a result of termination, the lender’s status to process transactions using TAP is unaffected, provided that the lender maintains its status as an FHA-approved multifamily lender.

(d) Reinstatement. An application for reinstatement of MAP authority may not be made until at least 12 months after the date of termination. The requirements for reinstatement shall be the same as for initial qualification, and the applicant must show that the problems that led to termination have been resolved.

§ 200.1530 Bases for sanctioning a MAP lender.

It is HUD policy that approved MAP lenders are expected to comply at all times with HUD’s underwriting and construction loan administration requirements and not to take any action that presents a risk to HUD’s insurance funds. A MAP lender’s improper underwriting and construction loan administration activities may lead to a warning letter or other sanction from HUD. Examples of such activities include, but are not limited to, the following:

(a) Minor offenses that may be the basis for a warning letter include:

(1) Failure to provide required exhibits or the submission of incomplete or inaccurate exhibits. Although the MAP lender will be permitted to correct minor errors or provide additional information, substantial inaccuracies or
lack of significant information will result in a return of the application and retention of any fee collected;

(2) Repeated failure to complete processing to firm commitment unrelated to an underwriting analysis that demonstrates that the process should not proceed to firm commitment;

(3) Preparation of an underwriting summary that is not supported by the appropriate documentation and analysis;

(4) Failure to notify the HUD processing office promptly of changes in the mortgage loan application for a firm commitment submitted, such as changes in rents, numbers of units, or gross project area;

(5) Failure to meet MAP closing requirements or construction loan administration requirements;

(6) Business practices that do not conform to those generally accepted by prudent lenders or that show irresponsibility; and

(7) Failure to cooperate with a Lender Qualifications and Monitoring Division review by HUD.

(b) Serious offenses that might be a basis for a warning letter or probation, suspension, or termination include:

(1) Receipt of multiple warning letters over any one-year period. In determining which sanction to pursue as a result of prior warning letters, HUD will consider the facts and circumstances surrounding the warning letters and the corrective actions, if any, undertaken by the lender;

(2) Fraud or material misrepresentation in the lender’s participation in FHA multifamily programs;

(3) Lender collusion with, or influence upon, third party contractors to modify reports affecting the contractor’s independent evaluation;

(4) A violation of MAP procedures by a third party contractor, which the MAP lender knew, or should have known, was occurring and which, if performed by the MAP lender itself, would constitute a ground for a sanction under this chapter;

(5) Evidence that a lender’s inadequate or inaccurate underwriting was a cause for assignment of an FHA-insured mortgage and claim for insurance benefits to HUD;

(6) Identity-of-interest violations as defined by Chapter 2 of the MAP Guide;

(7) Payment by, or receipt of a payment by, a MAP lender of any kickback or other consideration, directly or indirectly, which would affect the lender’s independent evaluation, or represent a conflict of interest, in connection with any FHA-insured mortgage transaction;

(8) Failure to comply with any agreement, certification, undertaking, or condition of approval listed in a MAP lender’s application for approval;

(9) Noncompliance with any requirement or directive of the MAP Lender Review Board;

(10) Violation of the requirements of any contract with HUD, or violation of the requirements in any statute or regulation;

(11) Submission of false information, or a false certification, to HUD in connection with any MAP mortgage transaction;

(12) Failure of a MAP lender to respond in a timely manner to inquiries from the MAP Lender Review Board in accordance with this subpart;

(13) Indictment or conviction of a MAP lender or any of its officers, directors, principals, or employees for an offense that reflects on the responsibility, integrity, or ability of the lender to participate in the MAP initiative;

(14) Employing or retaining an officer, partner, director, or principal at the time when the person was suspended, debarred, ineligible, or subject to an LDP under 2 CFR part 2424, or otherwise prohibited from participation in HUD programs, when the MAP lender knew or should have known of the prohibition;

(15) Employing or retaining an employee who is not an officer, partner, director, or principal, and who is or will be working on HUD-FHA program matters, at a time when that person was suspended, debarred, ineligible, or subject to an LDP under 2 CFR part 2424, or otherwise prohibited from participation in HUD programs, when the MAP lender knew or should have known of the prohibition;

(16) Failure to cooperate with an audit or investigation by the HUD Office of Inspector General or an inquiry
$200.1535 MAP Lender Review Board.

(a) Authority—(1) Sanctions. The MAP Lender Review Board (or Board) is authorized to impose appropriate sanctions on a MAP lender after:

(i) Conducting an impartial review of all information and documentation submitted to the Board; and

(ii) Making factual determinations that there has been a violation of MAP requirements.

(2) Settlement agreements. The Board is authorized to approve settlement agreements in accordance with §200.1525 of any matter pending before the Board.

(3) Extensions. The Board is authorized to extend, on its own initiative or for good cause at the written request of a MAP lender, any time limit otherwise applicable under this section. Notice of any such extension shall be timely provided to a MAP lender.

(b) Notice of violation. Before the Board reviews a matter for consideration of a sanction, the Board’s Chairman will issue written notice of violation to the MAP lender’s contact person as listed on the Multifamily MAP Web site. The notice is sent by overnight delivery and must be signed for by an employee of the MAP lender upon receipt. The notice:

(1) Informs the lender that the Board is considering a specific violation;

(2) States the specific facts alleged concerning the violation, with citation to the HUD requirements that have been violated;

(3) Includes as attachments copies of all documents evidencing the violation and upon which the Board will rely in reaching a decision;

(4) Provides the lender with the opportunity to request in writing, within 15 business days after the date of the issuance of the notice, to:

(i) Meet for an informal conference with the Board in person or by video conference using HUD facilities at Headquarters or one of HUD’s field offices; and

(ii) Present written evidence and any other relevant information at the conference;

(5) Requires a written response to be submitted to the Board by a date specified within the notice;

(6) Provides the street address, email address, or facsimile (FAX) number for purposes of receiving the lender’s request for an informal conference and written response; and

(7) Is made part of the administrative record of the Board’s decision of the matter.

(c) Response to notice. (1) The MAP lender’s written response required by the notice of violation may not exceed 15 double-spaced typewritten pages and must include an executive summary, a statement of the facts, an argument, and a conclusion. The response and supporting documentation must be submitted in triplicate.

(2) Failure to respond by the dates specified within the notice may result in a determination by the Board without conducting an informal conference with the MAP lender and without consideration of any written response submitted by the MAP lender.

(d) Informal conference. (1) The Board will schedule an informal conference and notify the lender of the time and place of the conference, if one is requested.

(2) At the conference, the Board will meet with the lender or its designees and HUD staff to review documentary evidence and presentations by both sides.

(3) Oral statements made at the informal meeting will not be considered as part of the administrative record of the Board’s determination, except:

(i) The Board may note for the record and consider voluntary admissions, made by the lender or a representative of the lender, of any element of the violation charged;

(ii) Statements substantiated by any additional documents or evidence submitted in accordance with paragraphs (e)(1) or (e)(3) of this section; and

(iii) Transcripts prepared and submitted in accordance with paragraph (e)(2) of this section.
(e) Post-conference submissions. (1) Any additional documents, evidence, or written arguments relevant to the notice of violation and the informal conference that the lender or HUD staff wish to present to the Board, must be presented within five business days after date of the informal conference.

(2) No transcript of the informal conference will be made, unless the lender elects to have a transcript made by a certified court reporter at its own expense. If the lender elects to have a transcript made, the lender must provide three copies of the transcript to HUD within five business days after the date of the informal conference. The transcript will not become a part of the administrative record of the Board’s decision unless it is submitted within the required five-day period frame.

(3) Following the receipt of any post-conference submissions, the Board may request or permit additional documents or evidence to be submitted within a period set by the Board for inclusion in the administrative record.

(f) Board action. (1) The Board will confer to consider the evidence included in the administrative record and make a final decision concerning the matter. Any record of confidential communications between and among Board members at this stage of the proceedings is privileged from disclosure and will not be regarded as a part of the administrative record of any matter.

(2) In determining what action is appropriate concerning the matter, the Board considers, among other factors:

(i) The seriousness and the extent of the violation;
(ii) Any history of prior offenses;
(iii) Deterrence of future violations;
(iv) Any inappropriate benefits received by the MAP lender;
(v) Potential inappropriate benefit to other persons; and
(vi) Any mitigating factors.

(3) Board decisions will be determined by majority vote.

(g) Notice of action. (1) The Board will issue its final decision within 10 business days after the date of the informal conference or the expiration of any period allowed for the submission of documents and evidence, whichever is later.

(2) The Board will notify the MAP lender of its final decision by overnight delivery of a written notice of the final decision to the MAP lender’s contact person as listed on the Multifamily MAP Web site. The Board will also notify HUD field offices of its final decision.

(3) The final decision finds that a violation either does, or does not, exist. If a violation is found to exist, the final decision:

(i) States the violation and any factual findings of the Board;
(ii) States the nature and duration of the sanction;
(iii) Informs the MAP lender of its right to an appeal conference and identifies the appeals official to be contacted; and
(iv) May add to or modify the violation as stated in the initial notice of violation.

§ 200.1540 Imminent harm notice of action.

The Board may issue an imminent harm notice of action to terminate a MAP lender, or to place a MAP lender on probation or suspension without advance notice to the MAP lender in those instances where the Board determines there exists a need to protect the financial interest of HUD from imminent harm. In all such instances, the Board shall notify the lender of the Board’s decision promptly and give the reasons for the decision in accordance with §200.1535(g)(2) and (3). The lender shall have the right to submit materials to the Board and to appear before the Board to seek prompt reconsideration of the Board’s decision in accordance with the procedures of §200.1535.

§ 200.1545 Appeals of MAP Lender Review Board decisions.

(a) Request for appeal. Whenever the Board imposes a sanction of probation, suspension, or termination against a MAP lender, the lender may request, in writing, an appeal conference before the appeals official. The MAP lender must deliver the written request for an appeal to the appeals official within 10 business days after the date noted on the notice of action or the right to an
appeal is deemed waived. Participation in the appeal process under this section is not a prerequisite to filing an action for judicial review under the Administrative Procedure Act.

(b) Appeals Official. The appeals official must be an individual who has not been previously involved with the proceedings or settlement discussions at issue.

(c) Notice of action in effect. The notice of action issued by the Board remains in effect while the appeal is pending.

(d) Scheduling of appeal. (1) Upon receipt of the request for an appeal, the appeals official will promptly notify the MAP lender of the time and place of the appeal conference. The appeal conference will be held within 10 business days after receipt of the MAP lender’s appeal request, except as provided in paragraph (d)(2) of this section.

(2) A MAP lender may request, and the appeals official may agree, to have an appeal conference held more than 10, but not more than 30 business days after the date of the lender’s request for an appeal.

(e) Scope of appeal. The appeals official may consider information included in the administrative record and any new information presented at the appeal conference that is substantiated in accordance with paragraph (f) of this section. In addition, the appeals official may consider voluntary admissions by the lender or a representative of the lender of any element of the violation charged.

(f) Additional documents—(1) Transcript. No transcript of the appeal conference or the expiration of the period allowed for the submission of documents and written arguments, whichever is later, the appeals official will make a written determination to confirm, modify, or overturn the Board’s decision and notice of action. If the appeals official overturns the Board’s decision, the lender shall immediately return to an active status as a MAP lender and the written determination to overturn will be posted on HUD’s MAP Web site.

Subpart A—General

§ 201.1 Purpose.

These regulations implement the provisions of section 2 of title I of the National Housing Act (12 U.S.C. 1703). They contain the requirements under which an approved financial institution may obtain insurance on loans made for the alteration, repair or improvement of property, for the purchase of a manufactured home and/or the lot on which to place such home, for the purchase and installation of fire safety equipment in existing health care facilities, and for the preservation of historic structures. The insurance granted by the Secretary of Housing and Urban Development shall be available only for loans involving property located within a State, as that term is defined in §201.2. The insurance can cover up to 10 percent of the amount of all insured Title I loans in the financial institution's portfolio, as reflected in the
total amount of insurance coverage contained at any time in an insurance coverage reserve account established by the Secretary, less amounts for insurance claims paid. As limited by the amount of insurance coverage in such a reserve account, the insurance can cover up to 90 percent of the loss of any individual loan.

§ 201.2 Definitions.

As used in the regulations in this part the term:

Act means the National Housing Act, 12 U.S.C. 1703.

Actuarial method means the method of allocating payments made on a loan between the outstanding balance of the principal amount borrowed and the interest due on a loan obligation, under which a payment is applied first to the accrued interest, and any remainder is subtracted from, or any deficiency is added to, the unpaid balance of the obligation.

Borrower means one who applies for and receives a loan insured under this part. The term may also include any co-maker or co-signer or any assumptor who is liable for the repayment of a defaulted loan obligation insured under this part.

Combination loan means a loan made for the purchase or refinancing in a single transaction of a manufactured home and a manufactured home lot, and may also include a garage, patio, carport, or other comparable appurtenance.

Dealer means, in the case of property improvement loans, a seller, contractor, or supplier of goods or services. In the case of manufactured home loans, dealer means one who engages in the business of manufactured home retail sales.

Dealer loan means a loan where a dealer, having a direct or indirect financial interest in the transaction between the borrower and the lender, assists the borrower in preparing the credit application or otherwise assists the borrower in obtaining the loan from the lender. In the case of a property improvement loan, the lender may disburse the loan proceeds solely to the borrower, or jointly to the borrower and the dealer or other parties to the transaction.

Debtor means the borrower, any co-maker or co-signer, and any assumptor who is liable for the repayment of a defaulted loan obligation insured under this part.

Default means a failure by the borrower to make any payment due under the note, when such failure continues for a period of 30 days. For the purpose of these regulations, the “date of default” shall be considered as 30 days after the first failure to make an installment payment on the note which is not covered by subsequent payments, when applied to the overdue installments in the order in which they became due.

Direct loan means a loan for which a borrower makes application directly to a lender without any assistance from a dealer. The credit application, signed by the borrower, may be filled out by the borrower or by a person acting at the direction of the borrower who does not have a financial interest in the loan transaction. The lender may disburse the loan proceeds solely to the borrower or jointly to the borrower and other parties to the transaction. If a dealer takes legal action required by State law in order for the lender to obtain a valid and enforceable lien against the property, such action by the dealer will not convert an otherwise direct loan to a dealer loan.

Discount points means a fee charged by the lender, separate from interest but part of the total finance charges on the loan, that is part of the lender’s total yield on the loan needed to maintain a competitive position with other types of investments. One discount point equals one percent of the principal amount of the loan. As discount points on the loan increase, the interest rate can be expected to decrease in a fairly consistent relationship.

Existing structure means a dwelling, including a manufactured home, that was completed and occupied at least 90 days prior to an application for a Title I loan, or a nonresidential structure...
Office of Assistant Secretary for Housing, HUD

§ 201.2

that was a completed building with a distinctive functional use prior to an application for a Title I loan. However, these occupancy and completion requirements shall not apply to:

Fire safety equipment loan means a loan made to finance the purchase and installation of any device or construction feature which is recognized in the latest edition of the Department of Housing and Urban Development’s Minimum Property Standards for Care Type Housing (HUD Handbook 4920.1) or the Fire Safety Code of the National Fire Protection Association, and which is designed to reduce the risk of death, personal injury, or property damage resulting from a fire in a health care facility.

Furniture means movable articles of personal property relating to a home or dwelling, such as beds, chairs, sofas, lamps, tables, rugs, etc.; however, furniture does not include:

1) Items built into the home or dwelling such as wall-to-wall carpeting or heating or cooling equipment; or

1) A nursing home for the accommodation of convalescents or other persons who are not acutely ill and not in need of hospital care, but who require skilled nursing care and related medical services performed under the general direction of persons licensed by the law of the State where the facility is located to provide such care or services;

2) An intermediate health care facility for the accommodation of persons who, because of incapacitating infirmities, require minimum but continuous care, but not continuous medical care or nursing services;

3) An extended health care facility for inpatient care for convalescents or chronic disease patients who require skilled nursing care and related medical services; or

4) Other comparable health care facility.

Historic preservation loan means a loan to finance the preservation (restoration or rehabilitation) of an historic residential structure which is listed on the National Register of Historic Places or which is certified by the Secretary of the Interior as conforming with National Register criteria.

Lender means a financial institution that:

1) Holds a valid Title I contract of insurance and is approved by the Secretary under 24 CFR part 202 to originate, purchase, hold, service, and/or sell loans insured under this part; or

2) Is under suspension or holds a Title I contract of insurance that has been terminated, but that remains responsible for servicing or selling Title I loans that it holds and is authorized to file insurance claims on such loans.

Loan means a disbursement of proceeds (funds) or an advance of credit to or for the benefit of a borrower who promises to repay the principal amount of such disbursement or advance, plus interest, if any, at a stated annual rate over time, with the borrower’s obligation evidenced by the borrower’s execution of a note. Loan also means a purchase by a lender of a note evidencing such obligation, or a refinancing of an existing obligation with or without an additional disbursement of proceeds or advance of credit.

The invoice may recite such prices and charges on an itemized basis
or by stating an aggregate price or charge, as appropriate, for each category. The manufacturer shall certify on the invoice, or on a supplement which is attached to and made a part of the invoice, as follows:

The undersigned certifies under applicable criminal and civil penalties for fraud and misrepresentation that: (1) The wholesale (base) prices for the manufactured home and itemized options, the charges for freight and dealer-paid sales taxes, and all other statements in this invoice are true and accurate; (2) all such prices reflect the actual dealer costs at the factory, as quoted in the applicable - current manufacturer’s wholesale (base) price list; (3) except for any payments of volume incentives or special benefits related to this transaction, all such prices and charges exclude any costs of trade association fees or charges, discounts, bonuses, rebates, prizes, loan discount points or other financing charges, or anything else of more than nominal value which will inure to the benefit of the dealer and/or home purchaser at any date; and (4) the manufacturer has not made and will not make any payments to or for the benefit of the dealer and/or home purchaser that are not disclosed on this invoice or invoice supplement.

Manufactured home means a transportable structure, comprised of one or more modules, each built on a permanent chassis, with or without a permanent foundation, designed for occupancy as a principal residence by a single family. A new manufactured home shall comply with the minimum property standards prescribed by the Secretary to assure its livability and durability that are published as the Manufactured Home Construction and Safety Standards implementing the National Manufactured Housing Construction and Safety Standards Act of 1974, 42 U.S.C. 5401–5426, at 24 CFR part 3280. To qualify for a manufactured home loan insured under this part, an existing manufactured home must have been constructed in accordance with standards published at 24 CFR part 3280 and must meet standards similar to the minimum property standards applicable to existing homes insured under title II of the Act, as prescribed by the Secretary.

Manufactured home improvement loan means a loan made to finance the alteration, repair or improvement of an existing manufactured home which is classified as personalty by the State or locality in which the property is located. The proceeds of a manufactured home improvement loan may also be used for improvements to the homesite, as long as the borrower is the owner of the home and the underlying real estate.

Such a structure may be temporarily used for residential purposes while the borrower constructs a new dwelling to replace a dwelling previously occupied by the borrower that was destroyed or
damaged by conditions determined by the President to warrant relief under the provisions of title 42, chapter 68, of the U.S.C., provided that the credit application is filed within one year from the date of such a determination.

Note means the written instrument evidencing the borrower’s signature to a promise to repay the principal indebtedness and to pay any interest due on a loan, whether the instrument is separate from or included within another document, and unless otherwise specified means also any security instrument with respect to that loan obligation.

Owner means a person, including a borrower, who has title in whole or in part to the property which is the subject of a loan transaction.

Principal residence means a home where the borrower expects to live at least nine months of the year.

Special benefits means benefits other than volume incentives for dealers which a home manufacturer funds from general corporate revenues by charging them against corporate overhead and profit without changing the wholesale (base) price of a manufactured home (or series of homes), as reflected in the manufacturer’s published wholesale (base) price list, and which are limited to payments by the manufacturer directly to:

1. A financial institution to buy down or reduce the interest rate, discount points, or other fees or charges related to a lending agreement for a dealer’s manufactured home inventory or floor plan financing needs; or

2. One or more advertising media for all or part of the costs of advertising the manufacturer’s homes, one or more dealer’s services, and related manufactured home materials and products in such media.

§ 201.4 Rules of construction.

As used in this part, and unless the context indicates otherwise, words in the singular include the plural, and words in the plural include the singular.

§ 201.5 Waivers.

Waiver of lender’s noncompliance. The Secretary may waive a lender’s noncompliance with any provision of this part, subject to statutory limitations, when it is determined that enforcement of the regulations would impose an injustice upon a lender which has

benefits of a nominal value of less than $10 per home, which:

(1) The manufacturer funds from general corporate revenues by including them in the prices quoted in the manufacturer’s wholesale (base) price list and charging them against corporate overhead and profit;

(2) Whether or not available on an optional basis, do not increase or decrease the wholesale (base) prices for the sale of a specific home or options or the charges for freight and dealer-paid sales taxes as detailed in the manufacturer’s invoice, for a specific sale to a retail dealer;

(3) The manufacturer provides without creating a special product line where the cost of the benefits is the only substantive difference between the special product line and other essentially similar homes;

(4) Whether or not also of benefit to the ultimate purchaser, do not increase or decrease the retail price of the home;

(5) Are available to any dealer in a particular market area doing business with the manufacturer;

(6) The manufacturer provides only for volume sales of manufactured homes to dealers over a specified period of time;

(7) The plan provides in escalating and different amounts or levels related to either the number of homes (or modules) sold or the dollar value of such sales to a dealer, or some combination of such elements, in a specified period of time;

(8) Are structured so that only some of the dealer participants are expected to be paid the maximum benefits under the program, with substantial numbers of participants expected to receive less than the maximum amount or level of benefits; and

(9) Accrue for volume sales to a dealer over a specified period of time which is at least quarterly in length, and are paid not more frequently than quarterly.

Wholesale (base) price list means the price list or lists, as periodically amended, which are published and distributed by a home manufacturer to all retail dealers in a given marketing area, quoting the actual wholesale (base) prices at the factory for specific models or series of manufactured homes and itemized options offered for sale to such dealers during a specified period of time. The wholesale (base) prices may include the manufacturer’s projected costs of providing volume incentives and special benefits related to sales to dealers during the period. All such wholesale (base) prices shall exclude any costs of trade association fees or charges, discounts, bonuses, refunds, rebates, prizes, loan discount points or other financing charges, or anything else of more than nominal value which will inure to the benefit of a dealer and/or home purchaser at any date. Each price list and amendment shall be retained by the manufacturer for a minimum period of six years from the date of publication so as to be available to HUD and other Federal agencies upon request.

substantially complied with the regulations in good faith and refunded or credited any excess charge made, and when such waiver does not involve an increase in the Secretary's obligation beyond that which would have been involved if the lender was in full compliance with the regulations.

§ 201.6 Disclosure and verification of Social Security and Employer Identification Numbers.

To be eligible for loan insurance under this part, the borrower must meet the requirements for the disclosure and verification of Social Security and Employer Identification Numbers, as provided by part 200, subpart U, of this chapter.

(Approved by the Office of Management and Budget under control number 2502–0059)

(b) Effect of indemnification on qualified mortgage status. An indemnification demand or resolution of a demand that relates to whether the loan satisfied relevant eligibility and underwriting requirements at the time of consummation may result from facts that could allow a change to qualified mortgage status, but the existence of an indemnification does not per se remove qualified mortgage status.

e) Manufactured home loan limits in high-cost areas. (1) The maximum loan amounts otherwise applicable under paragraphs (b), (c) and (d) of this section may be increased by an amount not to exceed 40 percent where the manufactured home and/or lot is purchased and located in Alaska, Guam or Hawaii.

(2) The maximum loan amounts otherwise applicable under paragraphs (c) and (d) of this section may be increased for any geographical area except Alaska, Guam or Hawaii to the extent deemed necessary by the Secretary; however, any increased loan amount may not exceed the lesser of (i) 185 percent of the dollar amounts specified in paragraphs (c) and (d) of this section;
or (ii) the dollar amounts specified in paragraphs (c) and (d) of this section, as increased by the same percentage by which 95 percent of the median 1-family house price in the area (as determined by the Secretary for purposes of §203.18) exceeds $67,500.

(i) Loan refinancing. (1) The total principal obligation of a loan made to refinance a borrower’s existing insured property improvement loan shall not exceed the maximum loan amount permitted under this section for the particular type of loan, provided that any amount in excess of the cost to the borrower of prepaying the existing loan shall be made available only to finance additional property improvements meeting the requirements of this part.

(2) The total principal obligation of a loan made to refinance a borrower’s existing insured manufactured home loan shall not exceed the lesser of the cost to the borrower of prepaying the existing loan or the maximum loan amount permitted under this section for the particular type of loan.

(4) When a borrower’s existing manufactured home is being refinanced in connection with the purchase of a manufactured home, the total principal obligation of the combination loan shall be determined in accordance with paragraph (d)(1) or (d)(2) of this section.

(5) When a borrower’s existing manufactured home is being refinanced in connection with the purchase of a manufactured home lot, the total principal obligation of the combination loan shall not exceed the lesser of the following amounts, up to a maximum of $64,800:

(i) The cost to the borrower of prepaying any existing loan on the home, plus the purchase price of the lot; or

(ii) The appraised value of the home and lot (as determined by a HUD-approved appraisal).

(g) Minimum loan amount. A lender may not require, as a condition of providing a loan insured under this part, that the principal amount of the loan exceed a minimum amount established by the lender.

§201.11 Loan maturities.

(a) Property improvement loans. The term of a property improvement loan shall be not less than six months and not more than 20 years and 32 days from the date of the loan, except that:

§ 201.12 Requirements for the note.

The note shall bear the genuine signature of each borrower and of any co-maker or co-signer, be valid and enforceable against the borrower and any co-maker or co-signer, and be complete and regular on its face. The borrower and any co-maker or co-signer shall execute the note for the full amount of the loan obligation. Although the note may be executed by the borrower on an earlier date, the date of the loan shall be the date that the loan proceeds are disbursed by the lender. Such date shall be entered on the note when disbursement occurs. The note shall separately recite the principal amount and any interest at an agreed annual rate that comprises the borrower’s payment obligation. The lender shall assure that the note and all other documents evincing the loan transaction are in compliance with applicable Federal, State, and local laws. If the note is executed on behalf of a corporation, partnership, or trust by an authorized representative, it shall create a binding obligation on such entity.

[61 FR 19797, May 2, 1996]

§ 201.13 Interest and discount points.

The interest rate for any loan shall be negotiated and agreed to by the borrower and the lender, and such interest rate shall be fixed for the full term of the loan and recited in the note. Interest on the loan shall accrue from the date of the loan, and shall be calculated on a simple interest basis. The lender and the borrower may negotiate the amount of discount points, if any, to be paid by the borrower as part of the borrower’s initial payment. The lender shall not require or allow any party other than the borrower to pay any discount points or other financing charges in connection with the loan transaction.

[61 FR 19797, May 2, 1996]

§ 201.14 Payments on the loan.

The note normally shall provide for equal installment payments due weekly, biweekly, semi-monthly or monthly. The note may provide for either or both of the first and final payments to vary in amount but not to exceed 1 1/2 times the regular installment. Where the borrower has an irregular flow of income, the note may be payable at quarterly or semi-annual intervals corresponding with the borrower’s flow of income. The first scheduled payment after the borrower’s initial payment shall be due no later than two months from the date of the loan. Multiple payment schedules may not be used in connection with any loan.

§ 201.15 Late charges to borrowers.

(a) Imposition of late charge. The note may provide for imposition of a late charge unless precluded by State law. The late charge may be imposed only for installments of principal and interest which are in arrears for the greater of 15 calendar days or the number of days required by applicable State law before such a charge may be imposed.
Late charges must be billed to the borrower or reflected in the payment coupon, and evidence of any late charges that have been paid must be in the loan file if an insurance claim is made.

(b) **Amount of late charge.** The late charge shall not exceed the lesser of five percent of each installment of principal and interest, up to a maximum of $10 per installment for any property improvement loan and $15 per installment for any manufactured home loan, or the maximum amount permitted by applicable State law.

(c) **Method of payment.** Payment of any late charge cannot be deducted from the monthly payment for principal and interest, but must be an additional charge to the borrower.

(d) **Daily interest in lieu of late charges.** In lieu of late charges, the note may provide for interest to accrue on installments in arrears on a daily basis at the interest rate in the note.

§ 201.16 Default provision.

The loan note shall contain a provision for acceleration of maturity, at the option of the holder, upon a default by the borrower.

§ 201.17 Prepayment provision.

The note shall contain a provision permitting full or partial prepayment of the loan without penalty, except that the borrower may be assessed reasonable and customary charges for recording a release of the lender’s security interest in the property, if permitted by State law.

§ 201.18 Modification agreement or repayment plan.

(a) **Modification agreement or repayment plan.** A written but unrecorded modification agreement acceptable to the lender and executed by the borrower may be used in lieu of refinancing of a delinquent or defaulted loan to reduce or increase the monthly payment, but not to increase the term or the interest rate, so as to assure that the delinquent or defaulted loan is brought current before or by the end of the loan term. A modification agreement may also be used in lieu of refinancing in connection with a loan that is current to effect a reduction in the interest rate, and in the monthly payment, for the remainder of the loan term. When a modification agreement is used, no insurance reporting is required under §201.30.

(b) **Repayment plan.** The lender may elect to negotiate an informal repayment plan with the borrower to enable a temporary delinquency to be cured within a short period of time. The lender may document the terms of the repayment plan by sending a letter to the borrower reciting the terms of their agreement. When a repayment plan is used, no insurance reporting is required under §201.30.

§ 201.19 Refinanced and assumed loans.

(a) **Conditions on refinancing.** (1) An existing insured property improvement loan or manufactured home loan may be refinanced without an advance of funds only under the following conditions:

(i) A loan that is in default may not be refinanced for an amount greater than the original principal balance of the loan;

(ii) The refinancing of a loan for the original borrower shall be subject to all of the requirements of this part, except §§201.20(b) and (c), 201.21(b) through (e), 201.22, 201.23, and 201.26;

(iii) If there are co-makers or co-signers on the original note, the lender shall require the same co-makers or co-signers on the refinanced note, unless the lender obtains the Secretary’s approval to release a co-maker or co-signer from liability under the note in accordance with §201.24(e); and

(iv) A loan that was assumed in accordance with paragraph (c) of this section may be refinanced, subject to all of the requirements of this part except §§201.20(b) and (c), 201.21(b) through (e), 201.22, 201.23, and 201.26, as long as the original borrower and any intervening assumptors were released from liability for repayment of the loan at the time the loan was assumed. A lender may not refinance a previously assumed loan under any other circumstances, unless the requirements of...
§ 201.19 24 CFR Ch. II (4–1–16 Edition)

§ 201.22 are also met and the Secretary has approved a release of the original borrower and any intervening assumptors in accordance with § 201.24(e).

(2) An existing insured property improvement loan may be refinanced with an advance of funds for additional improvements only under the following conditions:
   (i) The existing insured loan must not be in default; and
   (ii) The refinancing shall be subject to all of the requirements of this part applicable to the particular type of loan and to the additional improvements being financed.

(3) An existing uninsured manufactured home loan may be refinanced only for the original borrower and only under the following conditions:
   (i) The existing uninsured loan must not be in default;
   (ii) Refinancing of an existing uninsured manufactured home purchase loan or combination loan shall be subject to all of the requirements of this part applicable to the particular type of loan except §§ 201.23 and 201.26(b)(4);
   (iii) Refinancing of an existing uninsured manufactured home purchase loan in combination with the purchase of a manufactured home shall be subject to all of the requirements of this part; and
   (iv) Refinancing of an existing uninsured manufactured home purchase loan in connection with the purchase of a manufactured home lot shall be subject to all of the requirements of this part except § 201.26(b)(4).

(b) Note and security requirements for refinanced loans. (1) Refinancing of a loan requires the execution of a new note and cancellation of the old note.

(2) Refinancing of a loan that was secured when originated, regardless of the principal balance of the note at the time of refinancing, is required to be secured.

(3) Refinancing of a loan that was not secured when originated is not required to be secured if no additional funds are advanced.

(4) When a refinanced loan is secured, the lender shall obtain and record a new security instrument in accordance with § 201.24 and shall release the original lien, unless State law permits a renewal and extension of the original lien.

(5) Copies of all documents pertaining to the original loan must be retained in the loan file for the refinanced loan.

(c) Assumed loans. (1) At the option of the lender, an existing insured property improvement loan or manufactured home loan may be assumed, subject to the following conditions:
   (i) A determination by the lender that the assumptor is eligible under §201.20(a) or 201.21(a) and meets the requirements of §201.22; and
   (ii) The execution of an assumption agreement that is satisfactory to the lender and is signed by the assumptor and the original borrower or previous assumptor at the time of assumption.

(2) The lender shall not permit an assumption under any circumstances other than those contained in this section, and shall include appropriate provisions in any note or security agreement to enforce this requirement.

(3) Prior to the execution of the assumption agreement, the lender shall provide the assumptor with a written notice, to be signed by the assumptor and retained in the loan file, that:
   (i) States that the loan being assumed is insured by HUD, and describes the actions the Secretary may take to recover the debt if the assumptor defaults on the loan and an insurance claim is paid; and
   (ii) Constitutes the assumptor’s agreement to pay penalties and administrative costs imposed by HUD as authorized by 31 U.S.C. 3717.

(4) If the other requirements of paragraph (c) of this section are met, the lender at its option may release the original borrower and any intervening assumptors from liability for the repayment of a loan obligation insured under this part. The prior approval of the Secretary under §201.24(e) is not required. The lender shall retain documentation of the release in the loan file.

Subpart C—Eligibility and Disbursement Requirements

§ 201.20 Property improvement loan eligibility.

(a) Borrower eligibility. (1) To be eligible for a property improvement loan (other than a manufactured home improvement loan), the borrower shall have at least a one-half interest in one of the following:
   (i) Fee simple title to the real property;
   (ii) Lease of the real property for a fixed term which expires not less than six calendar months after the final maturity of the loan; or
   (iii) A properly recorded land installment contract for the purchase of the real property.
(2) To be eligible for a manufactured home improvement loan, the borrower shall have at least a one-half interest in the manufactured home, and the home must be the principal residence of the borrower.

(b) Eligible use of the loan proceeds. (1) The loan proceeds shall be used only for the purposes disclosed in the loan application. If the borrower plans to use a dealer or contractor to carry out the improvement work, the lender shall obtain a copy of a proposal or contract that describes in detail the work to be performed and the estimated or actual cost. If the borrower plans to carry out the improvement work without the services of a dealer or contractor, the borrower shall be required to furnish a detailed written description of the work to be performed, the materials to be furnished, and their estimated cost.
(2) The loan proceeds shall be used only to finance property improvements that substantially protect or improve the basic livability or utility of the property. The Secretary will establish a list of items and activities that may not be financed with the proceeds of any property improvement loan. If a lender has any doubt as to the eligibility of any item or activity, it shall request a specific ruling by the Secretary before making a loan.
(3) The loan proceeds shall only be used to finance property improvements that are started after loan approval, unless:
   (i) The prior approval of the Secretary is obtained for an exception to this requirement; or
   (ii) The property is located in a major disaster area declared by the President, and the lender determines that emergency action is needed to repair damage resulting from the disaster.

(c) Special pre-application requirements. (1) Where the proceeds are to be used for an historic preservation loan, the proposed improvements shall be reviewed and approved by the State Historic Preservation Officer (or other person authorized by the Secretary of the Interior to make such reviews) prior to making application for a loan.

§ 201.21 Manufactured home loan eligibility.

(a) Borrower eligibility. To be eligible for a manufactured home loan (whether a manufactured home purchase loan, a manufactured home lot loan, or a combination loan), the borrower must become the owner of the particular property which is to be financed with such a loan. Where the loan involves a manufactured home which is classified as realty, ownership of the home must be in fee simple. Where the loan involves a manufactured home lot, ownership of the lot must be in fee simple, except where the lot consists of a share in a cooperative association which owns and operates a manufactured home park.
§201.21

(b) Eligible use of loan proceeds. (1) The loan proceeds may be used for the purchase or refinancing of a manufactured home, a suitably developed lot on which to place a manufactured home already owned by the borrower, or a manufactured home and a suitably developed lot for the home in combination. The loan proceeds may also be used to refinance an existing manufactured home already owned by the borrower in connection with the purchase of a manufactured home lot, or to refinance a lot already owned by the borrower in connection with the purchase of a manufactured home. Where the proceeds are for a manufactured home purchase loan or combination loan, the home must be the borrower's principal residence. Where the proceeds are for a manufactured home lot loan, the borrower's manufactured home must be placed on the lot and occupied as the borrower's principal residence within six months after the date of the loan.

(2) A manufactured home financed with an insured loan under this part may be either:
   (i) A new home, which is one that is purchased by the borrower within 18 months after the date of manufacture and has not been previously occupied; or
   (ii) An existing home, which is one that does not meet the criteria for a new home. In order to be eligible for financing with an insured loan under this part, the manufactured home, its warranty and the site on which the home is placed must meet the requirements of paragraphs (c) through (e) of this section.

(3) The proceeds of a loan to purchase a new manufactured home or a new manufactured home and lot shall not be used to purchase furniture or wheels and axles, and the cost of these items shall not be included in the total principal obligation calculated under §201.10 (b)(1) or (d)(1).

(4) The proceeds of a manufactured home purchase loan may be used for the purchase, construction or installation of a permanent foundation, garage, carport, patio or other comparable appurtenance to the manufactured home, as stated in the retail purchase contract and as approved by the Secretary. The proceeds of a combination loan may be used for the purchase, construction or installation of a permanent foundation, garage, carport, patio or other comparable appurtenance to the manufactured home.

(5) The Secretary will establish a list of items and activities that may not be financed with the proceeds of any manufactured home loan. If a lender has any doubt as to the eligibility of any item or activity, it shall request a specific ruling by the Secretary before making a loan.

(c) Construction, transportation and installation requirements. (1) The manufactured home shall be certified by the manufacturer under applicable criminal and civil penalties for fraud and misrepresentation to have been constructed in compliance with the National Manufactured Housing Construction and Safety Standards Act of 1974, 42 U.S.C. 5401-5426, so as to conform to all applicable Federal construction and safety standards, as evidenced by a label or tag affixed to the manufactured home in accordance with 24 CFR 3280.8.

(2) During any period of transportation from the factory to the borrower’s homesite, the structural integrity of the manufactured home shall be maintained so that it will be livable and durable.

(3) The installation or erection of the manufactured home on the homesite shall comply with the manufacturer’s requirements for anchoring, support, stability and maintenance. Any permanent foundation shall be constructed in accordance with the current edition of HUD’s Permanent Foundations Guide for Manufactured Housing (HUD Handbook 4930.3).

(4) For any manufactured home purchase loan or combination loan involving a sale of the manufactured home by a dealer, the dealer shall inspect the manufactured home, as installed or erected on the homesite, for structural damage or other defects resulting from the transportation and installation of the home. The dealer shall also test the performance of the home’s plumbing, mechanical and electrical systems to assure that they are fully operational.

(d) Manufacturer’s warranty requirements. (1) To induce the Secretary to insure a title I loan under this part for the purchase of a new manufactured
home and to induce a borrower to purchase such a home, the home manufacturer shall furnish the borrower with a written warranty, duly executed by an authorized representative of the manufacturer on a HUD-approved form. The warranty shall be provided without cost to the borrower. The effective date of the warranty shall be the date of delivery of the manufactured home to the borrower, regardless of when the warranty was executed by the manufacturer or was delivered to the borrower.

(2) The warranty shall obligate the home manufacturer to take appropriate action to correct any nonconformity with the standards prescribed in paragraph (c)(1) of this section or any defects in materials or workmanship which become evident within one year after the date of delivery. This warranty shall be in addition to, and not in derogation of, all other rights and privileges which the borrower may have under any other law or instrument during such period or thereafter. A copy of the warranty shall be retained in the lender’s loan file.

(3) Prior to making a loan involving a new manufactured home, the lender shall investigate whether the home manufacturer is substantially complying with its warranty obligations on other homes financed by the lender under any program. If the lender knows, because of consumer complaints, dealer comments or other information concerning the manufacturer received in the course of business, that consumers have complained about warranty performance, the lender shall ascertain whether such complaints have been resolved. The lender’s findings shall be documented in the loan file. Such documentation may reference information or materials contained in other files of the lender, provided that the file contains a written certification signed by a responsible loan officer under applicable criminal and civil penalties for fraud and misrepresentation that the lender’s findings are supported by such other information or materials.

(4) If the lender concludes under paragraph (d)(3) of this section that a manufacturer may not be honoring its warranties, the lender shall immediately notify the Secretary in writing, with documentation of the facts and circumstances.

(e) Manufactured homesite standards.

(1) To assure the suitability of the homesite, the manufactured home shall be placed on a leased site in a manufactured home park or on an individual manufactured home lot or other site owned or leased by the borrower that meets the following standards. A manufactured home may be placed on a site within Indian trust or otherwise restricted lands if the borrower owns or leases the site, or if the borrower obtains written permission acceptable to the Secretary from the trustee or the tribal authority who controls the use of the site.

(2) The manufactured homesite shall be served by adequate public or community water and sewerage systems, unless appropriate local officials certify that either or both such systems are unavailable to provide an adequate level of service to the manufactured homesite. If either or both such systems are not available, the manufactured homesite shall comply with local or State minimum lot area requirements for the provision of onsite water supply and/or sewage disposal.

(3) When the manufactured home is to be placed on a leased site in a manufactured home park, the lender shall obtain certifications from the appropriate State or local government officials that the park complies with minimum standards relating to vehicular access, water supply, sewage disposal, utility connections, and other aspects of park development. Where minimum State and local standards for park development are not established or enforced, the lender shall obtain a certification from a registered civil engineer that the park meets minimum standards for park development prescribed by the Secretary.

(4) When the manufactured home is to be placed on an individual manufactured home lot or other site owned or leased by the borrower (or on an Indian land site under paragraph (e)(1) of this section), the lender shall obtain certifications from the appropriate local government officials that:

(i) The site complies with local zoning ordinances and regulations, if any:

(ii) Adequate vehicular access from a public right-of-way is available to the site;

(iii) Adequate water supply and sewage disposal facilities are available to or on the site; and

(iv) Any other minimum local standards and requirements for site suitability are met. Where minimum local standards for water supply and sewage disposal are not established or enforced, the lender shall obtain a certification from a registered civil engineer that the site meets minimum standards for water supply and sewage disposal prescribed by the Secretary.

(Approved by the Office of Management and Budget under control number 2502-0328)

§ 201.22 Credit requirements for borrowers.

(a) Credit application and review. (1) Before making a loan insured under this part, the lender shall exercise prudence and diligence to determine whether the borrower and any co-maker or co-signer is solvent and an acceptable credit risk, with a reasonable ability to make payments on the loan obligation. All documentation supporting this determination and relating to the lender’s review of the credit of the borrower and of any co-maker or co-signer shall be retained in the loan file.

(2) The lender shall obtain a separate dated credit application on a HUD-approved form, executed by the borrower and any co-maker or co-signer under applicable criminal and civil penalties for fraud and misrepresentation, for each loan made. The lender shall verify that the borrower’s Social Security Number is valid, through such documentation as may be prescribed by the Secretary.

(3) The lender shall conduct a credit investigation based on the credit application, and shall obtain written verification of or otherwise document the current employment and current income of the borrower and any co-maker or co-signer. If the borrower or any co-maker or co-signer has changed employment within the past two years, the lender shall obtain written verification of or otherwise document the person’s prior employment and prior income during the two-year period. If the borrower or any co-maker or co-signer was self-employed during any period of the previous two years, the lender shall obtain documentation of the person’s income during such period of self-employment.

(4) The lender shall also determine the total amount of the borrower’s existing and proposed title I loans to ensure that the loan amounts in §201.10 are not exceeded.

(5) As part of its credit investigation, the lender shall obtain a consumer credit report stating the credit accounts and payment history of the borrower and of any co-maker or co-signer. Subject to state or local law, the lender shall check with the inquirers concerning all credit inquiries reported within the previous 90 days to determine whether the borrower or the co-maker or co-signer has incurred debts not listed on the credit application. If a consumer credit report is not available or is incomplete, the loan file shall contain other documentation of the lender’s diligent investigation of the credit of the borrower or of the co-maker or co-signer.

(6) If the consumer credit report does not contain the necessary information, the lender shall obtain written verification that the borrower is not over 30 days delinquent on any senior mortgages or deeds of trust on the property being improved with a property improvement loan.

(7) The lender shall verify, in such manner as the Secretary may prescribe, whether the borrower is in default or a claim has been paid in connection with any loan obligation owed to or insured or guaranteed by the Federal Government.

(8) For any loan with a total principal balance in excess of $5,000, the lender shall obtain written verification of the source of all funds of the borrower required for the borrower’s initial payment, if such payment will be in excess of five percent of the loan.

(9) Before making a final determination on the creditworthiness of the borrower, the lender shall conduct a face-to-face or telephone interview with the
Office of Assistant Secretary for Housing, HUD § 201.23

borrower and any co-maker or co-signer to resolve any discrepancies in the information on the credit application and to assure that the information is accurate and complete.

(10) After a thorough credit investigation and in the absence of information to the contrary, the lender may rely upon all statements of fact made by the borrower or any co-maker or co-signer in a credit application.

(b) Income requirements. (1) For any Title I loan, the credit application and review must establish that the borrower’s income will be adequate to meet the periodic payments required by the loan, as well as the borrower’s other housing expenses and recurring charges. For a borrower’s income to be considered adequate, housing expenses and total fixed expenses generally may not exceed maximum percentages of effective gross income established by the Secretary. If these expense-to-income ratios are exceeded, the borrower’s income may be considered adequate only if the lender determines and documents in the loan file the existence of compensating factors concerning the borrower’s creditworthiness that support approval of the loan.

(2) In determining whether the borrower’s income is adequate, the following definitions are applicable:

(i) Effective gross income is defined as continuing income from all sources that is reasonably expected to be available during the first two years of the loan obligation, without any deduction for income taxes or other items.

(ii) Total fixed expenses is the sum of the borrower’s housing expenses and other recurring charges.

(iii) Housing expenses includes all payments for principal, interest, loan or mortgage insurance charges, ground rent or leasehold charges, real estate taxes, hazard insurance, and homeowners association or condominium fees, but does not include utility costs.

(iv) Other recurring charges include all payments on automobile loans, furniture loans, student loans, installment loans, revolving charge accounts, alimony or child support, and any other debt for which the obligation is expected to continue for six months or more.

(c) Evidence of delinquency, default or misrepresentation. Except with the prior approval of the Secretary the lender shall not approve a loan if the lender has knowledge of any of the following circumstances:

(1) The borrower is past due more than 30 days as to the payment of principal or interest under the original terms of a loan obligation owed to or insured or guaranteed by the Federal Government, unless the debt has since been discharged or satisfied; or

(2) The borrower has previously made material misstatements of fact on applications for loans or other assistance.

purchase loan, the borrower shall make a minimum cash downpayment of at least five percent of the purchase price of the home. The borrower's equity in an existing manufactured home and any movable appurtenances may be traded-in on a new home and accepted in lieu of full or partial cash downpayment, but without any cash payment to the borrower. The existing manufactured home being traded-in shall be clearly identified, and the borrower's equity in the home shall be based upon the retail value of the home and appurtenances (as determined by a HUD-approved appraisal), less the total of all loans outstanding on the home and appurtenances.

(c) Manufactured home lot loans. In the case of a manufactured home lot loan, the borrower shall make a minimum cash downpayment of at least five percent of the total of the purchase price and development costs for the lot.

(d) Combination loans. In the case of a combination loan, the borrower shall make a minimum cash downpayment of at least five percent of the total purchase price of the manufactured home and lot. If the borrower already owns a manufactured home or a lot on which a manufactured home is to be placed, the borrower's equity in such home or lot may be accepted in lieu of full or partial cash downpayment on a combination loan, but without any cash payment to the borrower.

§ 201.24 Security requirements.

(a) Property improvement loans—(1) Property improvement loans in excess of $7,500. (i) Any property improvement loan in excess of $7,500 shall be secured by a recorded lien on the improved property. The lien shall be evidenced by a mortgage or deed of trust, executed by the borrower and all other owners in fee simple.

(ii) If the borrower is a lessee, the borrower and all owners in fee simple must execute the mortgage or deed of trust. If the borrower is purchasing the property under a land installment contract, the borrower, all owners in fee simple, and all intervening contract sellers must execute the mortgage or deed of trust.

(iii) The lien need not be a first lien on the property; however, the lien securing the Title I loan must hold no less than the second lien position. This requirement shall not apply where the first and second mortgages were made at the same time or the second mortgage was provided by a state or local government agency in conjunction with a downpayment assistance program.

(b) Manufactured home loans. Any manufactured home loan shall be secured by a recorded lien on the home (or lot or home and lot, as appropriate), its furnishings, equipment, accessories, and appurtenances. The lien shall be a first lien, superior to any other lien on that property, and shall be evidenced by a properly recorded financing statement, a properly recorded security instrument executed by the borrower and any other owner of the property, or another acceptable instrument, such as a certificate of title issued by the State and containing a recitation of the lender's lien interest in the manufactured home.

(c) Recording and perfection of security. The lender shall assure that the legal description of the property as recited in the security instrument is accurate, and that the security instrument creates a valid and enforceable lien on the property in the jurisdiction in which the property is located. The security instrument shall be recorded and perfected in the manner specified by applicable State law in the State where the property is located.

(d) Substitution or subordination of security. The Secretary may approve substitution or subordination of security where the security value will not be impaired or reduced.

(e) Release of liability or lien. The lender shall not release the borrower or any

§ 201.27 Requirements for dealer loans.

(a) Dealer approval and supervision. (1) The lender shall approve only those
dealers which, on the basis of experience and information, the lender considers to be reliable, financially responsible, and qualified to satisfactorily perform their contractual obligations to borrowers and to comply with the requirements of this part. However, in no case shall the lender approve a dealer that is unable to meet the following minimum qualifications:

(i) Net worth. All property improvement and manufactured home dealers shall have and maintain a net worth of not less than $32,000 and $63,000, respectively. The required net worth must be maintained in assets acceptable to the Secretary.

(ii) Business experience. All property improvement loan and manufactured home dealers must have demonstrated business experience as a property improvement contractor or supplier, or in manufactured home retail sales, as applicable.

(2) The lender’s approval of a dealer shall be documented on a HUD-approved form, signed and dated by the dealer and the lender under applicable criminal and civil penalties for fraud and misrepresentation, and containing information supplied by the dealer on its trade name, places of business, type of ownership, type of business, and names and employment history of the owners, principals, officers, and salespersons. The dealer shall furnish a current financial statement prepared by someone who is independent of the dealer and is qualified by education and experience to prepare such statements, together with such other documentation as the lender deems necessary to support its approval of the dealer. The lender shall obtain a commercial credit report on the dealer and consumer credit reports on the owners, principals, and officers of the dealership.

(3) The lender shall require each dealer to apply annually for reapproval. The dealer shall furnish the same documentation as is required under paragraph (a)(2) of this section to support its application for reapproval. In no case shall the lender reapprove a dealer that is unable to meet the minimum net worth requirements in paragraph (a)(1) of this section.

(4) The lender shall supervise and monitor each approved dealer’s activities with respect to loans insured under this part. The lender shall visit each approved dealer’s places of business at least once in every six months to review its Title I performance and compliance. The lender shall maintain a file on each approved dealer which contains the executed dealer approval form and supporting documentation required under paragraph (a)(2) of this section, together with information on the lender’s experience with Title I loans involving the dealer. Each dealer file shall contain information about borrower defaults on Title I loans over time, records of completion or site-of-placement inspections conducted by the lender or its agent, copies of letters concerning borrower complaints and their resolution, and records of the lender’s periodic review visits to the dealer’s premises. The lender may also require that the dealer furnish records on individual loan transactions, if needed to enable the lender to review the dealer’s Title I performance and compliance.

(5) If a dealer does not satisfactorily perform its contractual obligations to borrowers, does not comply with Title I program requirements, or is unresponsive to the lender’s supervision and monitoring requirements, the lender shall terminate the dealer’s approval and immediately notify the Secretary with written documentation of the facts. A dealer whose approval is terminated under these circumstances shall not be reapproved without prior written approval from the Secretary. The lender may in its discretion terminate the approval of a dealer for other reasons at any time.

(6) The lender shall require each approved (or reapproved) dealer to provide written notification of any material change in its trade name(s), place(s) of business, type of ownership, type of business, or principal individuals who control or manage the business. The dealer shall furnish such notification to the lender within 30 days after the date of any material change.

(7) As a condition of manufactured home dealer approval (or reapproval), the lender may require a manufactured home dealer to execute a written
agreement that, if requested by the lender, the dealer will resell any manufactured home repossessed by the lender under a Title I insured manufactured home purchase loan approved by the lender as a dealer loan involving that dealer.

(b) Provision for full or partial recourse. In the case of a dealer-originated manufactured home purchase loan or combination loan, the lender and the dealer may agree to a provision in the loan documents for partial or full recourse against the dealer, to reduce or eliminate the lender’s loss in the event of foreclosure or repossession. Such recourse provision shall specify that, for a default occurring within a period of not more than three years from the date of the loan, the dealer shall reimburse the lender for a fixed percentage of the unpaid amount of the loan obligation, after deducting the proceeds from the sale of the property and any amounts received or retained by the lender after the date of default. However, the extent of the dealer’s liability may not exceed 100 percent of the unpaid amount of the loan obligation prior to such deductions. When a claim is filed, the lender shall notify the Secretary if the loan was subject to a recourse agreement and whether the recourse agreement has been honored. If without the lender’s approval a dealer has failed to honor its recourse obligation, the lender shall notify the Secretary and shall assign the recourse obligation to the Secretary in filing an insurance claim.

§ 201.28 Flood and hazard insurance, and Coastal Barriers properties.

(a) Flood insurance. No property improvement loan or manufactured home loan shall be eligible for insurance under this part if the property securing repayment of the loan is located in a special flood hazard area identified by the Federal Emergency Management Agency (FEMA), unless flood insurance on the property is obtained by the borrower in compliance with section 102 of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4012a). Such insurance shall be obtained at any time during the term of the loan that the lender determines that the secured property is located in a special flood hazard area identified by FEMA, and shall be maintained by the borrower for the remaining term of the loan, or until the lender determines that the property is no longer in a special flood hazard area, or until the property is repossessed or foreclosed upon by the lender. The amount of such insurance shall be at least equal to the unpaid balance of the Title I loan, and the lender shall be named as the loss payee for flood insurance benefits.

(b) Hazard insurance. No manufactured home purchase loan or combination loan shall be eligible for insurance under this part unless hazard insurance on the manufactured home is obtained by the borrower and the lender is named as a loss payee of insurance benefits. Such insurance shall be maintained by the borrower for the full term of the loan or until the property is repossessed or foreclosed by the lender, and in an amount at least equal to the unpaid balance of the loan, except that the amount of insurance coverage shall be not less that the actual cash value of the home where State law precludes a higher amount. If the borrower fails to maintain such insurance, the lender shall obtain it at the borrower’s expense. If the home is not insured against hazards and sustains damage which would normally be covered by such insurance during the borrower’s ownership, the appraised value of the home for claim purposes will be adjusted in accordance with §201.51(b)(3). Upon acquiring title to the property through repossession or foreclosure, the lender shall maintain hazard insurance upon the property in the amount prescribed above until its disposition and sale.

(c) Coastal barriers properties. No Title I insurance shall be made available under this part for any property improvement loan or manufactured home loan except pursuant to a loan application approved before October 18, 1982, with respect to any property within the Coastal Barriers Resources System.
§ 201.29 Ineligible participants.

No loan may be insured under this part where the lender has been advised in writing by HUD or otherwise knows that any participant in the transaction as a dealer, home manufacturer, contractor, supplier, or broker, or as its agent or representative, has been suspended or debarred, or has otherwise been determined by HUD to be ineligible to participate in the title I program.

Subpart D—Insurance of Loans

§ 201.30 Reporting of loans for insurance.

(a) Date of reports. The lender shall transmit a loan report on each loan reported for insurance within 31 days from the date of the loan's origination or purchase from a dealer or another lender. The loan report must be submitted on the form prescribed by the Secretary, and must contain the data prescribed by HUD. Any loan refinanced under this part shall similarly be reported on the prescribed form within 31 days from the date of refinancing. When a loan insured under this part is transferred to another lender without recourse, guaranty, guarantee, or repurchase agreement, a report on the prescribed form shall be transmitted to the Secretary within 31 days from the date of the transfer. No transfer of loan report is required when a loan insured under this part is transferred with recourse or under a guaranty, guarantee, or repurchase agreement.

(b) Late reports. The Secretary may accept a late report on a loan where the lender certifies that the obligation is not in default.

(c) Electronic loan reporting. With the prior approval of the Secretary, the lender may use electronic transmission to report loans for insurance in accordance with paragraph (a) of this section.

§ 201.31 Insurance charge.

(a) Insurance charge. For each eligible property improvement loan and manufactured home loan reported and acknowledged for insurance, the lender shall pay to the Secretary an insurance charge equal to 1.00 percent of the loan amount, multiplied by the number of years of the loan term. The insurance charge shall be paid in the manner prescribed in paragraph (b) of this section; however, no charge shall be made for a period of 14 days or less, and a charge for a full month shall be made for a period of more than 14 days. There shall be no abatement or refund of an insurance charge except as provided in paragraph (e) of this section.

(b) Payment of insurance charge. (1) For any loan having a maturity of 25 months or less, payment of the entire insurance charge prescribed in paragraph (a) of this section is due on the 25th calendar day after the date the Secretary acknowledges the loan report.

(2)(i) For any loan having a maturity in excess of 25 months, payment of the insurance charge shall be made in annual installments, with the first installment due on the 25th calendar day after the date the Secretary acknowledges the loan report, and the second and successive installments due on the 25th calendar day after the date of billing by the Secretary.

(ii) For any loan having a maturity in excess of 25 months, payment shall be made in annual installments of 1.00 percent of the loan amount until the insurance charge is paid.

(3) All insurance charges are considered earned when paid.

(4) The Secretary may require that loan insurance charges be remitted electronically. Instructions implementing this requirement shall be communicated to all affected lenders.

(c) Penalty charge and interest. Insurance charges not received from the lender by the due date specified in
Office of Assistant Secretary for Housing, HUD  

§ 201.32 Insurance coverage reserve account.

(a) Establishment. The Secretary shall establish an insurance coverage reserve account for each lender. The amount of insurance coverage in each reserve account shall equal 10 percent of the amount disbursed, advanced, or expended by the lender in originating or purchasing eligible loans registered for insurance under this part, less the amount of all insurance claims approved for payment in connection with losses on such loans.

(b) Transfer of insured loans. The lender shall not sell, assign or otherwise transfer any insured loan or loan reported for insurance to a transferee lender not approved to originate and purchase title I loans under a valid title I contract of insurance. Nothing contained herein shall be construed to prevent the pledging of such a loan as collateral security under a trust agreement, or otherwise, in connection with a bona fide loan transaction.

(c) Transfer of insurance coverage. Not more than $5,000 in insurance coverage shall be transferred to or from a lender’s reserve account during any fiscal year (October 1 through September 30) without the prior approval of the Secretary. Except in cases involving the sale, assignment or transfer of loans sold with recourse or under a guaranty, guarantee or repurchase agreement, the Secretary shall transfer insurance coverage to or from a lender’s reserve account to accompany the loan transfers reported by lenders under § 201.30.

(1) In all cases involving the sale, assignment or transfer of loans sold without recourse, guaranty, guarantee, or repurchase agreement, the Secretary shall transfer insurance coverage to the reserve account established for the transferee lender in an amount equal to 10 percent of the actual purchase price.
price or the net unpaid principal balance, whichever is lesser, but not to exceed the amount of insurance coverage in the transferor lender’s reserve account prior to the transfer. Insurance coverage shall be added to the existing amount of insurance coverage in the transferee lender’s reserve account. The Secretary may transfer insurance coverage with earmarking when a determination is made that it is in the Secretary’s interest to do so.

(2) In cases involving the transfer of loans sold with recourse or under a guaranty, guarantee or repurchase agreement, no insurance coverage will be transferred and no reports will be required.

(3) An existing insured property improvement loan or manufactured home loan may not be refinanced by a lender different from the originating or purchasing lender of record, unless the loan has been sold, assigned, or transferred to the new lender under paragraph (c) of this section and the Secretary has transferred insurance coverage for the loan under the applicable requirements of this paragraph.

(d) Recovery shall not affect insurance coverage reserve account. Amounts which may be recovered by the Secretary after payment of an insurance claim shall not be added to the amount of insurance coverage remaining in a lender’s reserve account.

Subpart E—Loan Administration

§ 201.40 Post-disbursement loan requirements.

(a) Discovery of misstatements of fact. If, after a loan has been made, the lender discovers any material misstatement of fact or that the loan proceeds have been misused by the borrower, dealer or any other party, it shall promptly report this to the Secretary. In such case, the insurance of the loan shall not be affected unless such material misstatement of fact or misuse of loan proceeds was caused by or was knowingly sanctioned by the lender or its employees (see § 201.31(e)(3)), provided that the validity of any lien on the property has not been impaired.

(b) Requirements on property improvement loans. (1) After receiving the proceeds of a direct property improvement loan, and after the work is completed to the borrower’s satisfaction, the borrower shall submit a completion certificate to the lender, on a HUD-approved form and signed by the borrower under applicable criminal and civil penalties for fraud and misrepresentation, certifying that:

(i) The improvements have been completed.

(ii) the amount borrowed has been spent on improvements eligible under § 201.20(b) and in accordance with the contract or cost estimate furnished to the lender prior to disbursement of the loan proceeds, and

(iii) The borrower has not obtained the benefit of and will not receive any cash payment, rebate, cash bonus, sales commission, or anything of more than nominal value from any contractor or supplier as an inducement for the consummation of the loan transaction.

(2) The borrower shall submit the completion certificate promptly upon the work’s completion, but not later than six months after the disbursement of the loan proceeds, with one six-month extension if necessary. If the borrower fails to submit the completion certificate within these time limits, an on-site inspection shall be conducted in accordance with paragraph (c) of this section.

(3) The borrower is not required to submit a completion certificate when the property improvement loan is made by or on behalf of a State or local government agency or nonprofit organization, the loan proceeds are held in an escrow account pending completion of the improvements, and the loan proceeds are disbursed from the escrow account in stages, with the written approval of the borrower and based upon the percentage of work completed.

(c) Inspection requirement on property improvement loans. The lender or its agent shall conduct an on-site inspection on any property improvement loan where the principal obligation is $7,500 or more, and on any direct property improvement loan where the borrower fails to submit a completion certificate.
as required under paragraph (b) of this section. On a dealer loan, the inspection shall be completed within 60 days after the date of disbursement. On a direct loan, the inspection shall be completed within 60 days after receipt of the completion certificate, or as soon as the lender determines that the borrower is unwilling to cooperate in submitting the completion certificate. The purpose of the inspection is to verify the eligibility of the improvements and whether the work has been completed. If the borrower will not cooperate in permitting an on-site inspection, the lender shall report this fact to the Secretary.

(d) Inspection requirement on dealer manufactured home loans. For any manufactured home purchase loan or combination loan involving the sale of a manufactured home by a dealer, the lender (or an agent of the lender that is not a manufactured home dealer) shall conduct a site-of-placement inspection within 60 days after the date of disbursement to verify that:

(1) The terms and conditions of the purchase contract have been met;

(2) The manufactured home and any itemized options and appurtenances included in the purchase price of the home or financed with the loan proceeds have been delivered and installed; and

(3) The placement certificate executed by the borrower and the dealer is in order.

§ 201.42 Bankruptcy, insolvency or death of borrower.

(a) Bankruptcy or insolvency. The lender shall file a proof of claim with the court having jurisdiction when the lender has timely information that a borrower is involved in bankruptcy or insolvency proceedings, except that a proof of claim need not be filed if the court notifies the lender that the borrower has no assets and a proof of claim should not be filed. The notice of bankruptcy and a copy of the proof of claim (or the notice from the court that a proof of claim is not required) shall be retained in the loan file.

(b) Death of a borrower. The lender shall file a proof of claim with the court having jurisdiction when the lender has timely information that a borrower is deceased, unless the lender determines that there will not be a probate proceeding. A copy of the proof of claim (or documentation as to why a proof of claim was not filed) shall be retained in the loan file.

(c) Responsibility of the lender after insurance claim is filed. After the Secretary pays an insurance claim, the Secretary will notify the bankruptcy or probate court, as appropriate, that the loan has been assigned to the

§ 201.41 Loan servicing.

(a) Generally. The lender shall service loans in accordance with accepted practices of prudent lending institutions. It shall have adequate facilities for contacting the borrower in the event of default, and shall otherwise exercise diligence in collecting the amount due. The lender shall remain responsible to the Secretary for proper collection efforts, even though actual loan servicing and collection may be performed by an agent of the lender. The lender shall have an organized means of identifying, on a periodic basis, the payment status of delinquent loans to enable collection personnel to initiate and follow-up on collection activities, and shall document its records to reflect its collection activities on delinquent loans.

(b) Partial payments. The lender shall accept any partial payment (inclusive of late charges) under an executed modification agreement or an acceptable repayment plan, and either apply it to the borrower’s account or hold it in a trust account pending disposition. When partial payments held for disposition aggregate a full monthly installment, they shall be applied to the borrower’s account, thus advancing the date of the oldest unpaid installment. If a partial payment is received more than 60 days after the date of default and was not submitted under a repayment plan or a modification agreement, the partial payment may be returned to the borrower, with a letter of explanation.
§ 201.43 Administrative reports and examinations.

The Secretary may call upon a lender for any reports deemed necessary in connection with the regulations in this part and may inspect the loan files, records, books and accounts of the lender as they pertain to the loans reported for insurance.

Subpart F—Default Under the Loan Obligation

§ 201.50 Lender efforts to cure the default.

(a) Personal contact with the borrower before acceleration and foreclosure or repossession. The lender shall undertake foreclosure or repossession of the property securing a Title I loan that is in default only after the lender has serviced the loan in a timely manner and with diligence in accordance with the requirements of this part, and has taken all reasonable and prudent measures to induce the borrower to bring the loan account current. Before taking action to accelerate the maturity of the loan, the lender or its agent shall contact the borrower and any co-maker or co-signer, either in a face-to-face meeting or by telephone, to discuss the reasons for the default and to seek its cure. If the borrower and the co-makers or co-signers cannot be located, will not discuss the default, or will not agree to its cure, the lender may proceed to take action under paragraph (b) of this section. The lender shall document the results of its efforts to contact the borrower and any co-maker or co-signer, and shall place in the loan file a copy of any modification agreement or repayment plan that has been offered.

(b) Notice of default and acceleration. Unless the borrower cures the default or agrees to a modification agreement or repayment plan, the lender shall provide the borrower with written notice that the loan is in default and that the loan maturity is to be accelerated. In addition to complying with applicable State or local notice requirements, the notice shall be sent by certified mail and shall contain:

(1) A description of the obligation or security interest held by the lender;
(2) A statement of the nature of the default and of the amount due to the lender as unpaid principal and earned interest on the note as of the date 30 days from the date of the notice;
(3) A demand upon the borrower either to cure the default (by bringing the loan current or by refinancing the loan) or to agree to a modification agreement or a repayment plan, by not later than the date 30 days from the date of the notice;
(4) A statement that if the borrower fails either to cure the default or to agree to a modification agreement or a repayment plan by the date 30 days from the date of the notice, then, as of the date 30 days from the date of the notice, the maturity of the loan is accelerated and full payment of all amounts due under the loan is required;
(5) A statement that if the default persists the lender will report the default to an appropriate credit reporting agency; and
(6) Any other requirements prescribed by the Secretary.

(c) Reinstatement of the loan. The lender may rescind the acceleration of maturity after full payment is due and reinstate the loan only if the borrower brings the loan current, executes a modification agreement, or agrees to an acceptable repayment plan.

(d) Notice to credit reporting agency. If the loan maturity is accelerated and the loan is not reinstated, the lender shall report the default to an appropriate credit reporting agency.

(Approved by the Office of Management and Budget under control number 2502–0328)

§ 201.51 Proceeding against the loan security.

(a) Property improvement loans. (1) After acceleration of maturity on a secured property improvement loan, the lender may either proceed against the loan security under its title I security instrument or make claim under its contract of insurance. If the lender proceeds against the loan security, it may submit an insurance claim only if it complies with the requirements of paragraph (a)(2) of this section.

(2) The lender may proceed against the secured property under its Title I security instrument and later submit a claim under its contract of insurance only with the prior approval of the Secretary. The Secretary’s decision will be based upon all relevant factors, including but not limited to the appraised value and the amount of all outstanding loan obligations on the property, the estimated costs of foreclosure and disposition, and the anticipated time to dispose of the property. In proceeding against the secured property, the lender shall comply with all applicable State and local laws, and shall take all actions necessary to preserve its rights, if any, to obtain a valid and enforceable deficiency judgment against the borrower.

(3) After acceleration of maturity on a defaulted unsecured property improvement loan, the lender may submit a claim under its contract of insurance only with the prior approval of the Secretary. If the lender determines that the property has been abandoned, the lender shall take such steps as are permitted under State or local law to repossess or foreclose upon the property, without waiting for the notice period under §201.50(b) to run.

(b) Manufactured home loans. (1) After acceleration of maturity on a defaulted manufactured home loan, the lender shall proceed against the loan security by foreclosure or repossession, as appropriate, in compliance with all applicable State and local laws, and shall take all actions necessary under State and local law to preserve its rights, if any, to obtain a valid and enforceable deficiency judgment against the borrower.

(2) Prior to foreclosure or repossession, the lender or its agent shall make a visual inspection of the property and prepare a report on its condition for placement in the loan file. If the lender determines that the property has been abandoned, the lender shall take such steps as are permitted under State or local law to repossess or foreclose upon the homesite, unless the site owner requires that the home be removed before the appraisal can be performed, and it should reflect the retail value of comparable manufactured homes in similar condition and in the same geographic area where the repossession occurred. When the manufactured home is without hazard insurance and has sustained, at any time prior to the sale or disposition of the home, damage which would normally be covered by such insurance, the lender shall report this situation in submitting an insurance claim, and the appraised value shall be based upon the retail value of comparable homes in good condition and in the same geographic area, without any deduction for such damage.

(3) The lender shall obtain a HUD-approved appraisal of the property as soon after repossession as possible, or earlier with the permission of the borrower. This appraisal shall be performed on the homesite, unless the site owner requires that the home be removed before the appraisal can be performed, and it should reflect the retail value of comparable manufactured homes in similar condition and in the same geographic area where the repossession occurred. When the manufactured home is without hazard insurance and has sustained, at any time prior to the sale or disposition of the home, damage which would normally be covered by such insurance, the lender shall report this situation in submitting an insurance claim, and the appraised value shall be based upon the retail value of comparable homes in good condition and in the same geographic area, without any deduction for such damage.

(Approved by the Office of Management and Budget under control number 2502–0328)

§ 201.52 Acquisition by voluntary conveyance or surrender.

The lender may accept a voluntary conveyance of title to or ownership of the property securing a manufactured home loan which is in default, provided that (a) the lender accepts the conveyance in full satisfaction of the borrower’s obligation, and (b) no claim is submitted under its contract of insurance. The lender may accept voluntary surrender of the property without satisfaction of the borrower’s obligation, provided that if the lender intends thereafter to submit a claim under its contract of insurance, the lender shall acquire title to or ownership of the property and then dispose of and sell the property in compliance with State and local law, so as to assure that it can assign a valid and enforceable obligation, including any deficiency against the borrower, to the Secretary when submitting its claim. If the lender accepts a voluntary conveyance of
title or a voluntary surrender of the property, the notice of default and acceleration under § 201.50(b) shall not be required.

§ 201.53 Disposition of manufactured home loan property.

Where the lender obtains title to property securing a manufactured home loan by repossession or foreclosure, the property shall be sold for the best price obtainable before making an insurance claim. In the case of a combination loan, the manufactured home and lot shall be sold in a single transaction and the manufactured home may not be removed from the lot, unless the prior approval of the Secretary is obtained for a different procedure. The best price obtainable shall be the greater of:

(a) The actual sales price of the property, after deducting the cost of repairs, furnishings, and equipment needed to make the property marketable, and after deducting the cost of transportation, set-up, and anchoring if the manufactured home is moved to a new homesite; or

(b) The appraised value of the property before repairs (as determined by a HUD-approved appraisal obtained in accordance with §201.51(b)(3)).

§ 201.54 Insurance claim procedure.

(a) Claim application. A claim for reimbursement for loss on any eligible loan shall be made on a HUD-approved form, executed by a duly qualified officer of the lender under applicable criminal and civil penalties for fraud and misrepresentation. The insurance claim shall be fully documented and itemized, and shall be accompanied by all documents and materials required by the Secretary for claim review. The claim submission shall contain original copies of all notes, security instruments, assumption agreements, releases of liability for repayment of the loan, judgments obtained by the lender against the borrower, and any related documents and forms, except where State or local law requires their retention by the lender or a governmental body such as a court. As appropriate, the claim application shall be supported by the following:

(1) Documentation of the lender’s efforts to effect recourse against any dealer in accordance with any recourse agreement under §201.27(b) between the lender and the dealer and contained in the loan documents;

(2) Certification under applicable criminal and civil penalties for fraud and misrepresentation that the lender has complied with all applicable State and local laws in carrying out any foreclosure or repossession, including copies of all notices served upon the borrower or published in connection with such foreclosure or repossession; and

(3) Where a borrower has declared bankruptcy or insolvency or is deceased, copies of the documentation required to be retained in the loan file under §201.42.

(b) Maximum claim period. (1) An insurance claim shall be filed not later than the following dates:

(i) For property improvement loans—nine months after the date of default.

(ii) For manufactured home loans—three months after the date of sale of the property securing the loan, but not to exceed 18 months after the date of default.

(2) The Secretary may extend the claim filing period in a particular case, but only if the lender shows clear evidence that the delay in claim filing was in the interest of the Secretary or was caused by one of the following:

(1) Litigation related to the loan;

(ii) Management control of the lender or the Title I loan portfolio was assumed by a Federal or State agency; or

(iii) The borrower had experienced a loss of income or other financial difficulties directly attributable to a major disaster declared by the President, and additional time was needed to provide forbearance on a property improvement loan.

(3) If a borrower is a “person in military service” as that term is defined in the Soldiers’ and Sailors’ Civil Relief Act of 1940 and is in default on a loan insured under this part, any period of military service after the date of default shall be excluded in computing
§ 201.55 Calculation of insurance claim payment.

The lender will be reimbursed in an amount not to exceed 90 percent of its loss on any eligible loan up to the amount of insurance coverage in the lender’s insurance coverage reserve account established by the Secretary under §201.32, if the insurance claim is

the maximum time period for filing an insurance claim.

(c) Resubmitted and supplemental claims. (1) Any insurance claim which is resubmitted with an appeal of a claim denial or a request for a waiver of the regulations in accordance with §201.5(b) shall be filed within six months after the date of the claim denial.

(2) Any supplemental insurance claim shall be filed within six months after the date of payment on the initial claim. A reprocessing fee, in an amount prescribed by the Secretary, will be charged for any supplemental claim.

(d) Assignment of lender’s rights to the United States. Upon the filing of the insurance claim, the lender shall assign its entire interest in the loan note (or in a judgment in lieu of the note), in any security held, and in any claim filed in probate, bankruptcy or insolvency proceedings, to the United States of America. The assignment shall be made in the form provided in paragraph (f) of this section, provided that if this form is not valid or generally acceptable in the jurisdiction involved, a form which is valid and generally acceptable in the jurisdiction where the judgment or security was taken shall be used. If the security interest has been assigned to the United States, the assignment shall be recorded in that jurisdiction prior to filing the insurance claim, unless the Secretary determines that recordation by the lender in that jurisdiction is impractical.

(e) Valid and enforceable obligation when assigned. The loan obligation evidenced by the note must be both valid and enforceable against the debtor at the time the note is assigned to the United States of America. If the Secretary has reason to believe that the obligation may not be either valid or enforceable against the borrower, the Secretary may either deny the claim and reassign the loan note to the lender, or require the lender to repurchase the paid claim and accept reassignment of the note. The lender will be notified of the reasons for the claim denial or repurchase. If the lender subsequently obtains a valid and enforceable judgment against the borrower for the unpaid balance of the loan, the lender may resubmit the claim with an assignment of the judgment.

(f) Form of assignment. A lender shall use the following form of assignment, or one generally acceptable in the jurisdiction involved, properly dated, to assign the lender’s entire interest in a loan note, judgment, real estate mortgage, deed of trust, conditional sales contract, chattel mortgage, mechanic’s lien, or any security, in making an insurance claim:

All right, title, and interest of the undersigned is hereby assigned (without warranty, except that the loan qualifies for insurance) to the United States of America (HUD).

(Financial Institution)

By: ____________________________

Title: __________________________

Date: __________________________

If the assignment does not appear on the note or other instrument that is assigned, it shall be duly executed on an allonge which is attached to such note or other instrument.

(g) Denial of insurance claim. The Secretary may deny a claim for insurance in whole or in part based upon a violation of these regulations, unless a waiver of compliance with the regulations is granted under §201.5.

(h) Incontestability of insurance claim payment. Any insurance claim payment on a title I loan shall be final and incontestable after two years from the date the claim was certified for payment by the Secretary, in the absence of fraud or misrepresentation on the part of the lender, unless a demand for repurchase of the loan obligation is made on behalf of the United States prior to the expiration of the two-year period.

(Approved by the Office of Management and Budget under control number 2502–0328)

made in accordance with the requirements of this part. The amount of the insurance claim payment shall be computed as follows:

(a) Property improvement loans. For property improvement loans, the insurance claim payment shall be 90 percent of the following amounts:

(1) The unpaid amount of the loan obligation (net unpaid principal and the uncollected interest earned to the date of default, calculated according to the terms of the note executed for any loan application that is approved prior to the effective date of these regulations, and calculated according to the actuarial method for all loans for which loan applications are approved on or after the effective date of these regulations). Where the lender has proceeded against the secured property under §201.51(a)(2), the unpaid amount of the loan obligation shall be reduced by the proceeds received from the property’s sale or disposition, after deducting the following:

(i) The balances due on any obligations senior to the Title I loan obligation; and

(ii) Customary and reasonable expenses for foreclosure and disposition, as determined by the Secretary.

(2) Interest on the unpaid amount of the loan obligation from the date of default to the date of the claim’s initial submission for payment plus 15 calendar days, calculated at the rate of seven percent per annum. However, interest shall not be paid for any period greater than nine months from the date of default.

(3) The amount of uncollected court costs, including fees paid for issuing, serving, and filing a summons.

(4) The amount of attorney’s fees on an hourly or other basis for time actually expended and billed, not to exceed $500.

(5) The amount of expenses for recording the assignment of the security to the United States.

(b) Manufactured home loans. For manufactured home loans, the insurance claim payment shall be 90 percent of the sum of the following amounts:

(1) The unpaid amount of the loan obligation (net unpaid principal and the uncollected interest earned to the date of default, calculated according to the actuarial method), after deducting the following amounts:

(i) The best price obtainable for the property after lawful repossession or foreclosure, as determined in accordance with §201.53;

(ii) All amounts to which the lender is entitled after the date of default from any source relating to the property, including but not limited to such items as rent, other income, recourse recovery against the dealer, hazard insurance benefits, secured interest protection insurance benefits, and rebates on prepaid insurance premiums; and

(iii) Amounts retained by the lender after the date of default, including amounts held or deposited to the account of the borrower or to which the lender is entitled under the loan transaction, and which have not been applied in reduction of the borrower’s indebtedness.

(2) Interest on the unpaid amount of the loan obligation from the date of default to the date of the claim’s initial submission for payment plus 15 calendar days, calculated at the rate of seven percent per annum. However, interest shall not be paid for any period greater than nine months from the date of default.

(3) For manufactured home purchase loans, the amount of costs paid to a dealer or other third party to repossess and preserve the manufactured home and other property securing repayment of the loan (including the costs of site inspection, property appraisal, hazard insurance premiums, personal property taxes, and site rental, as appropriate), plus actual costs not to exceed $1,000 per module for removing and transporting the home to a dealer’s lot or other off-site location.

(4) The amount of a sales commission paid to a dealer, real estate agent or other third party for the resale of the repossessed or foreclosed manufactured home and/or lot. Where the home is resold on-site, the commission shall not exceed 10 percent of the sales price. Where the home is resold off-site, the commission shall not exceed seven percent of the sales price.

(5) For manufactured home lot loans, and for combination loans where both the foreclosed manufactured home and
lot are classified as realty, the amount of:

(i) State or local real estate taxes, ground rents, and municipal water and sewer fees or liens, prorated to the date of disposition of the property;

(ii) Special assessments which are noted on the loan application or which become liens after the insurance is issued, prorated to the date of disposition of the property;

(iii) Premiums for hazard insurance on the manufactured home, prorated to the date of disposition of the property;

(iv) Transfer taxes imposed upon any deeds or other instruments by which the property was acquired by the lender.

(6) The amount of uncollected court costs, including fees paid for issuing, serving, and filing a summons.

(7) The amount of attorney’s fees on an hourly or other basis for time actually expended and billed, not to exceed $1,000.

(8) The amount of expenses for recording the assignment of the security to the United States, and for costs of repossession or foreclosure other than attorney’s fees and those incurred under paragraph (b)(3), but not to exceed costs which are customary and reasonable in the jurisdiction where the repossession or foreclosure takes place, as determined by the Secretary.

Subpart A—General Requirements

§ 202.1 Purpose.

This part establishes minimum standards and requirements for approval by the Secretary of lenders and mortgagees to participate in the Title I and Title II programs.

§ 202.2 Definitions.

Act means the National Housing Act (12 U.S.C. 1702 et seq.).

Claim means a single family insured mortgage for which the Secretary pays an insurance claim within 24 months after the mortgage is insured.

Default means a single family insured mortgage in default for 90 or more days within 24 months after the mortgage is insured.

Lender or Title I lender means a financial institution that:
(a) Holds a valid Title I Contract of Insurance and is approved by the Secretary under this part as a supervised lender under §202.6, a nonsupervised lender under §202.7, an investing lender under §202.9, or a governmental or similar institution under §202.10; or
(b) Is under suspension or held a Title I contract that has been terminated but remains responsible for servicing or selling Title I loans that it holds and is authorized to file insurance claims on such loans.

Loan or Title I loan means a loan authorized for insurance under Title I of the Act.

Mortgage, Title II mortgage or insured mortgage means a mortgage or loan insured under Title II or Title XI of the Act.

Mortgagee or Title II mortgagee means a mortgage lender that is approved to participate in the Title II programs as a supervised mortgagee under §202.6, a nonsupervised mortgagee under §202.7, an investing mortgagee under §202.9, or a governmental or similar institution under 202.10.

Title I program(s) means an insurance program or programs authorized by Title I of the Act.

Title II program(s) means an insurance program or programs authorized by Title II or Title XI of the Act.

§ 202.3 Approval status for lenders and mortgagees.

(a) Initial approval. A lender or mortgagee may be approved for participation in the Title I or Title II programs upon filing a request for approval on a form prescribed by the Secretary and signed by the applicant. The approval form shall be accompanied by such documentation as may be prescribed by the Secretary.

(1) Approval is signified by:

(i) The Secretary’s agreement that the lender or mortgagee is considered approved under the Title I or Title II programs, except as otherwise ordered by the Mortgagee Review Board or an officer or subdivision of the Department to which the Mortgagee Review Board has delegated its power, unless the lender or mortgagee voluntarily relinquishes its approval;

(ii) Consent by the lender or mortgagee to comply at all times with the general approval requirements of § 202.5, and additional requirements governing the particular class of lender or mortgagee for which it was approved as described under subpart B at §§ 202.6 through 202.10; and

(iii) Under the Title I program, the issuance of a Contract of Insurance constitutes an agreement between the Secretary and the lender and which governs participation in the Title I program.

(2) Limitations on approval:

(i) Separate approval as lender or mortgagee is required for the Single Family Mortgage Insurance Programs and for the Multifamily Mortgage Insurance Programs. Application must be made, and approval will be granted, on the basis of either or both categories, as is appropriate.

(ii) Separate approval as mortgagee is required for a Title II mortgagee. Application must be made, and approval will be granted, on the basis of either or both categories, as is appropriate.

(iii) In addition to the requirements for approval as a Title II mortgagee, the Secretary may from time to time issue eligibility requirements for participation in specific programs, such as the Direct Endorsement program.

(iv) A Title II mortgagee may be approved to operate either on a nationwide basis or on a geographically restricted basis in only those areas designated by the Secretary.

(v) A Title I lender may originate loans or purchase advances of credit only within a geographic lending area approved by the Secretary. Expansion of this lending area shall be subject to a determination by the Secretary that the lender is able to originate loans in compliance with part 201 of this chapter within such expanded area.

(3) Authorized agents. A mortgagee approved under §§ 202.6, 202.7, or 202.10 as a nonsupervised mortgagee, supervised mortgagee, or governmental or similar institution approved as a Direct Endorsement mortgagee under 24 CFR 203.3 may, with the approval of the Secretary, designate a nonsupervised or supervised mortgagee with Direct Endorsement approval under 24 CFR 203.3 as authorized agent for the purpose of underwriting loans. The application for mortgage insurance may be submitted in the name of the FHA-approved mortgagee or its designated authorized agent under this paragraph.

(b) Recertification. On each anniversary of the approval of a lender or mortgagee, the Secretary will determine whether recertification, i.e., continued approval, is appropriate. The Secretary will review the yearly verification report required by § 202.5(m) and other pertinent documents, ascertain that all application and annual fees have been paid, and request any further information needed to decide upon recertification.

(c) Termination—(1) Termination of the Title I Contract of Insurance—(i) Notice.
A Contract of Insurance may be terminated in accordance with its terms by the Secretary or by the Secretary’s designee upon giving the lender at least 5 days prior written notice.

(i) Informal meeting. If requested, and before expiration of the 5-day notice period, a lender shall be entitled to an informal meeting with the Department official taking action to terminate the Contract of Insurance.

(iii) Effect of termination. Termination of a Contract of Insurance shall not affect:

(A) The Department’s obligation to provide insurance coverage with respect to eligible loans originated before the termination, unless there was fraud or misrepresentation;

(B) A lender’s obligation to continue to pay insurance charges or premiums and meet all other obligations, including servicing, associated with eligible loans originated before termination; or

(C) A lender’s right to apply for and be granted a new Title I Contract of Insurance, provided that the requirements for approval under this part are met.

(2) Credit Watch Termination. (i) Scope and frequency of review. The Secretary will review, on an ongoing basis, the number of defaults and claims on mortgages originated, underwritten, or both, by each mortgagee in the geographic area served by a HUD field office. HUD will make this rate information available to mortgagees and the public through electronic means and will issue instructions for accessing this information through a Mortgagee Letter. For this purpose, and for all purposes under paragraph (c) of this section, a mortgage is considered to be originated in the same federal fiscal year in which its amortization commences. The Secretary may also review the insured mortgage performance of a mortgagee’s branch offices individually and may terminate the authority of the branch or the authority of the mortgagee’s overall operation.

(ii) Credit Watch Status. Mortgagees are responsible for monitoring their default and claim rate performance. A mortgagee is considered to be on Credit Watch Status if, at any time, the mortgagee has a rate of defaults and claims on insured mortgages originated, underwritten, or both, in an area which exceeds 150 percent of the normal rate and its origination approval agreement has not been terminated.

(iii) Notice of termination. (A) Notice of termination of origination approval agreement. The Secretary may notify a mortgagee that its origination approval agreement will terminate 60 days after notice is given, if the mortgagee had a rate of defaults and claims on insured mortgages originated in an area which exceeded 200 percent of the normal rate and exceeded the national default and claim rate for insured mortgages.

(B) Notice of termination of direct endorsement approval. The Secretary may notify a mortgagee that its direct endorsement approval under 24 CFR part 203 will terminate 60 days after notice is given, if the mortgagee had a rate of defaults and claims on insured mortgages originated in an area which exceeded 200 percent of the normal rate and exceeded the national default and claim rate for insured mortgages. The termination of a mortgagee’s direct endorsement approval pursuant to this section is separate and apart from the termination of a mortgagee’s direct endorsement approval under 24 CFR part 203.

(C) No need for prior action by Mortgagee Review Board. The termination notices described in paragraphs (c)(2)(i)(A) and (B) of this section may be given without prior action by the Mortgagee Review Board.

(D) Underserved areas. Before the Secretary sends the termination notice, the Secretary shall review the Census tract concentrations of the defaults and claims. If the Secretary determines that the excessive rate is the result of mortgage lending in underserved areas, as defined in 24 CFR 81.2, the Secretary may determine not to terminate the mortgagee’s origination approval agreement and/or direct endorsement approval.

(iv) Request for informal conference. Prior to termination the mortgagee may submit a written request for an informal conference with the Deputy Assistant Secretary for Single Family Housing or that official’s designee. HUD must receive the written request no later than 30 calendar days after the
date of the proposed termination notice. Unless HUD grants an extension, the informal conference must be held no later than 60 calendar days after the date of the proposed termination notice. After considering relevant reasons and factors beyond the mortgagee’s control that contributed to the excessive default and claim rates, the Deputy Assistant Secretary for Single Family Housing or designee may withdraw the termination notice.

(v) Limitation on the establishment of new branches. Upon receipt of a proposed termination notice of its origination approval agreement, the mortgagee shall not establish a new branch or new branches for the origination of FHA-insured mortgages in the area or areas that are covered by the proposed termination notice. As of January 18, 2005, a mortgagee that is in receipt of a notice of proposed termination may not establish any new branch in the location or locations cited in the proposed termination notice until either:

(A) The proposed termination notice is withdrawn or

(B) The Secretary reinstates the mortgagee’s origination approval agreement, in accordance with paragraph (e) of this section.

(vi) Effects of termination. (A) Termination of origination approval agreement. If a mortgagee’s origination approval agreement is terminated, it may not originate single family insured mortgages unless the origination approval agreement is reinstated by the Secretary in accordance with paragraph (e) of this section, notwithstanding any other provision of this part except §202.3(c)(2)(vii)(A).

(B) Termination of direct endorsement approval. If a mortgagee’s direct endorsement approval is terminated, it may not underwrite single family insured mortgages for the area(s) identified in the termination notice, unless the direct endorsement approval is reinstated by the Secretary in accordance with paragraph (e) of this section, notwithstanding any other provision of this part except §202.3(c)(2)(vii)(A).

(vii) Rights and obligations in the event of termination. Termination of the origination approval agreement and/or direct endorsement approval shall not affect: (A) The eligibility of the mortgage for insurance, absent fraud or misrepresentation, if the mortgagor and all terms and conditions of the mortgage had been approved before the termination by the Direct Endorsement or Lender Insurance mortgagee or were covered by a firm commitment issued by the Secretary; however, no other mortgages originated or underwritten after the date of termination by the mortgagee shall be insured unless the mortgagee’s origination approval agreement and/or direct endorsement approval is reinstated by the Secretary;

(B) The right of a mortgagee whose direct endorsement approval has been terminated to transfer cases to another mortgagee with direct endorsement approval for the area covered by the termination.

(C) A mortgagee’s obligation to continue to pay insurance premiums and meet all other obligations, including servicing, associated with insured mortgages;

(D) A mortgagee’s right to apply for reinstatement of the origination approval agreement and/or direct endorsement approval in accordance with paragraph (e) of this section; or

(E) A mortgagee’s right to purchase insured mortgages or to service its own portfolio or the portfolios of other mortgagees with which it has a servicing contract.

(d) Withdrawal and suspension of approval. Lender or mortgagee approval may be suspended or withdrawn by the Mortgagee Review Board as provided in part 25 of this title.

(e) Reinstatement—(1) General. A mortgagee whose origination approval agreement and/or direct endorsement approval has been terminated under paragraph (c) of this section may apply for reinstatement if:

(i) The origination approval agreement and/or direct endorsement approval for the affected branch or branches has been terminated for at least six months; and

(ii) The mortgagee continues to be an approved mortgagee meeting the general standards of §202.5 and the specific requirements of §§202.6, 202.7, 202.8 or 202.10, and 202.12.
§ 202.4 Request for determination of compliance.

Pursuant to section 539(a) of the Act, any person may file a request that the Secretary determine whether a lender or mortgagee is in compliance with §202.12(a) or with provisions of this chapter implementing sections 223(a)(7) and 535 of the Act such as §§201.10(g), 203.18d and 203.43(c)(5) of this chapter (only section 535 applies to lenders). The request for determination shall be made to the following address: Department of Housing and Urban Development, Office of Lender Activities and Program Compliance, 451 Seventh Street SW., Washington, DC 20410. The Secretary shall inform the requestor of the disposition of the request. The Secretary shall publish in the FEDERAL REGISTER the disposition of any case referred by the Secretary to the Mortgagee Review Board.

§ 202.5 General approval standards.

To be approved for participation in the Title I or Title II programs, and to maintain approval, a lender or mortgagee shall meet and continue to meet the general requirements of paragraphs (a) through (n) of this section (except as provided in §202.10(b)) and the requirements for one of the eligible classes of lenders or mortgagees in §§202.6 through 202.10.

(a) Business form. (1) The lender or mortgagee shall be a corporation or other chartered institution, a permanent organization having succession, or a partnership. A partnership must meet the requirements of paragraphs (a)(1)(i) through (iv) of this section.

(i) Each general partner must be a corporation or other chartered institution consisting of two or more persons.

(ii) One general partner must be designated as the managing general partner. The managing general partner shall comply with the requirements of paragraphs (b), (c), and (f) of this section. The managing general partner must have as its principal activity the management of one or more partnerships, all of which are mortgage lenders or property improvement or manufactured home lenders, and must have exclusive authority to deal directly with the Secretary on behalf of each partnership. Newly admitted partners must agree to the management of the partnership by the designated managing general partner. If the managing general partner withdraws or is removed from the partnership for any reason, a new managing general partner shall be substituted, and the Secretary shall be immediately notified of the substitution.

(iii) The partnership agreement shall specify that the partnership shall exist for the minimum term of years required by the Secretary. All insured mortgages and Title I loans held by the partnership shall be transferred to a lender or mortgagee approved under this part prior to the termination of the partnership. The partnership shall be specifically authorized to continue its existence if a partner withdraws.
Office of Assistant Secretary for Housing, HUD

HUD-registered business names include any alias or “doing business as” (DBA) on file with FHA. The lender or mortgagee must keep copies of all print and electronic advertisements and promotional materials for a period of 2 years from the date that the materials are circulated or used to advertise.

(3) Non-FHA-approved entities. The loan to be insured by FHA must be underwritten by the FHA-approved lender or mortgagee.

(b) Employees. The lender or mortgagee shall employ competent personnel trained to perform their assigned responsibilities in consumer or mortgage lending, including origination, servicing, and collection activities, and shall maintain adequate staff and facilities to originate and service mortgages or Title I loans, in accordance with applicable regulations, to the extent the mortgagee or lender engages in such activities.

All employees who will sign applications for mortgage insurance on behalf of the mortgagee or report loans for insurance shall be corporate officers or shall otherwise be authorized to bind the lender or mortgagee in the origination transaction. The lender or mortgagee shall ensure that an authorized person reports all originations, purchases, and sales of Title I loans or Title II mortgages to the Secretary for the purpose of obtaining or transferring insurance coverage.

(d) Escrows. The lender or mortgagee shall not use escrow funds for any purpose other than that for which they were received. It shall segregate escrow commitment deposits, work completion deposits, and all periodic payments received under loans or insured mortgages on account of ground rents, taxes, assessments, and insurance charges or premiums, and shall deposit such funds with one or more financial institutions in a special account or accounts that are fully insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration, except as otherwise provided in writing by the Secretary.

(e) Servicing. A lender shall service or arrange for servicing of the loan in accordance with the requirements of 24 CFR part 201. A mortgagee shall service or arrange for servicing of the mortgage in accordance with the servicing responsibilities contained in subpart C of 24 CFR part 203 and in 24 CFR part 207, with all other applicable regulations contained in this title, and with such additional conditions and requirements as the Secretary may impose.

(f) Business changes. The lender or mortgagee shall provide prompt notification to the Secretary, in such form as prescribed by the Secretary, of:

(1) All changes in its legal structure, including, but not limited to, mergers, terminations, name, location, control of ownership, and character of business; and

(g) Financial statements. The lender or mortgagee shall:

(1) Furnish to the Secretary a copy of its audited financial statements within 90 days of its fiscal year end, except as provided in §202.6(c);

loan or mortgage origination and servicing.

(i) Fees. The lender or mortgagee, unless approved under §202.10, shall pay an application fee and annual fees, including additional fees for each branch office authorized to originate Title I loans or submit applications for mortgage insurance, at such times and in such amounts as the Secretary may require. The Secretary may identify additional classes or groups of lenders or mortgagees that may be exempt from one or more of these fees.

(j) Ineligibility. For a lender or mortgagee to be eligible for FHA approval, neither the lender or mortgagee, nor any officer, partner, director, principal, manager, supervisor, loan processor, loan underwriter, or loan originator of the lender or mortgagee shall:

(1) Be suspended, debarred, under a limited denial of participation (LDP), or otherwise restricted under 2 CFR part 2424 or 24 CFR part 25, or under similar procedures of any other federal agency;

(2) Be indicted for, or have been convicted of, an offense that reflects adversely upon the integrity, competency, or fitness to meet the responsibilities of the lender or mortgagee to participate in the Title I or Title II programs;

(3) Be subject to unresolved findings as a result of HUD or other governmental audit, investigation, or review;

(4) Be engaged in business practices that do not conform to generally accepted practices of prudent mortgagees or that demonstrate irresponsibility;

(5) Be convicted of, or have pled guilty or nolo contendere to, a felony related to participation in the real estate or mortgage loan industry:

(1) During the 7-year period preceding the date of the application for licensing and registration; or

(11) At any time preceding such date of application, if such felony involved an act of fraud, dishonesty, or a breach of trust or money laundering;

(6) Be in violation of provisions of the Secure and Fair Enforcement (SAFE) Mortgage Licensing Act of 2008 (12 U.S.C. 5101 et seq.) or any applicable provision of state law; or

(7) Be in violation of any other requirement established by the Secretary.

(k) Branch offices. A lender may, upon approval by the Secretary, maintain branch offices for the origination of Title I or Title II loans. A branch office of a mortgagee must be registered with the Department in order to originate mortgages or submit applications for mortgage insurance. The lender or mortgagee shall remain fully responsible to the Secretary for the actions of its branch offices.

(l) Conflict of interest and responsibility. A mortgagee may not pay anything of value, directly or indirectly, in connection with any insured mortgage transaction or transactions to any person or entity if such person or entity has received any other consideration from the mortgagor, seller, builder, or any other person for services related to such transactions or related to the purchase or sale of the mortgaged property, except that consideration, approved by the Secretary, may be paid for services actually performed. The mortgagee shall not pay a referral fee to any person or organization.

(m) Reports. Each lender and mortgagee must submit an annual certification on a form prescribed by the Secretary. Upon application for approval and with each annual recertification, each lender and mortgagee must submit a certification that it has not been refused a license and has not been sanctioned by any state or states in which it will originate insured mortgages or Title I loans. In addition, each mortgagee shall file the following:

(1) An audited or unaudited financial statement, within 30 days of the end of each fiscal quarter in which the mortgagee experiences an operating loss of 20 percent of its net worth, and until the mortgagee demonstrates an operating profit for 2 consecutive quarters or until the next recertification, whichever is the longer period; and

(2) A statement of net worth within 30 days of the commencement of voluntary or involuntary bankruptcy, conservatorship, receivership, or any transfer of control to a federal or state supervisory agency.

(n) Net worth—(1) Applicability. The requirements of this section apply to
approved supervised and nonsupervised
lenders and mortgagees under § 202.6
and § 202.7, and approved investing
lenders and mortgagees under § 202.9.
For ease of reference, these institu-
tions are referred to as “approved lend-
ers and mortgagees” for purposes of
this section. The requirements of this
section also apply to applicants for
FHA approval under §§ 202.6, 202.7, and
202.9. For ease of reference, these enti-
ties are referred to as “applicants” for
purposes of this section.

(2) Phased-in net worth requirements
for 2010 and 2011—

(i) Applicants. Effective on May 20, 2010, applicants shall
comply with the net worth require-
ments set forth in paragraph (n)(2)(iii)
of this section.

(ii) Approved mortgagees. Effective on
May 20, 2011, each approved lender or
mortgagee with FHA approval as of
May 20, 2010 shall comply with the net

tion, as applicable.

(iii) Net worth requirements for non-
small businesses. Each approved lender
or mortgagee that exceeds the size

(Finance and Insurance), Subsector 522
(Credit Intermediation and Related Ac-

(iv) Net worth requirements for small
businesses. Each approved lender or
mortgagee that meets the size standard
for its industry classification estab-

nance and Insurance), Subsector 522
(Credit Intermediation and Related Ac-

$500,000. No less than 20 percent of the
approved lender or mortgagee’s re-
quired minimum net worth must be liq-

lent acceptable to the Secretary.

If, based on the audited financial state-
ment or other financial report that is
required to be prepared at the end of
its fiscal year and provided to HUD at
the commencement of the new fiscal
year, an approved lender or mortgag-
eed no longer meets the Small Business
Administration size standard for its in-

lender or mortgagee shall meet the net
worth requirements set forth in para-
graph (n)(2)(ii) of this section for a
non-small business approved lender or
mortgagee by the last day of the fiscal
year in which the audited financial
statement or other financial report, as
applicable, was submitted.

(3) Net worth requirements for 2013 and
subsequent years. Effective May 20, 2013:

(i) Irrespective of size, each applicant

the FHA single family programs, shall
have a net worth of not less than $1
million, plus an additional net worth of
one percent of the total volume in ex-

(ii) Multifamily net worth requirements.
Irrespective of size, each applicant for
approval and each approved lender or
mortgagee for participation solely
under the FHA multifamily programs

year, up to a maximum required net
worth of $2.5 million, is required. No

or approved lender’s or mortgagee’s required net worth must be liquid assets consisting of cash or its equivalent acceptable to the Secretary.

(iii) Dual participation net worth requirements. Irrespective of size, each applicant for approval and each approved lender or mortgagee that is a participant in both FHA single-family and multifamily programs must meet the net worth requirements as set forth in paragraph (n)(3)(i) of this section.

Subpart B—Classes of Lenders and Mortgagees

§ 202.6 Supervised lenders and mortgagees.

(a) Definition. A supervised lender or mortgagee is a financial institution that is a member of the Federal Reserve System or an institution whose accounts are insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration. A supervised mortgagee may submit applications for mortgage insurance. A supervised lender or mortgagee may originate, purchase, hold, service or sell loans or insured mortgages, respectively.

(b) Additional requirements. In addition to the general approval requirements in §202.5, a supervised lender or mortgagee shall meet the following requirements:

(2) Notification. A lender or mortgagee shall promptly notify the Secretary in the event of termination of its supervision by its supervising agency.

(3) Fidelity bond. A Title II mortgagee shall have fidelity bond coverage and errors and omissions insurance acceptable to the Secretary and in an amount required by the Secretary, or have alternative insurance coverage, approved by the Secretary, that assures the faithful performance of the responsibilities of the mortgagee.

(4) Audit report. Except as provided in paragraph (c) of this section, a lender or mortgagee must:

(i) Comply with the financial reporting requirements in 24 CFR part 5, subpart H. Audit reports shall be based on audits performed by a certified public accountant, or by an independent public accountant licensed by a regulatory authority of a State or other political subdivision of the United States on or before December 31, 1970, and shall include:

(A) Financial statements in a form acceptable to the Secretary, including a balance sheet and a statement of operations and retained earnings, a statement of cash flows, an analysis of the lender’s or mortgagee’s net worth adjusted to reflect only assets acceptable to the Secretary, and an analysis of escrow funds; and

(B) Such other financial information as the Secretary may require to determine the accuracy and validity of the audit report.

(ii) Submit a report on compliance tests prescribed by the Secretary.

(c) Financial statement requirements for small supervised lenders and mortgagees—

(1) Definitions. For the purposes of this section, the following definitions apply:

(i) Federal banking agency means the Board of Governors of the Federal Reserve System; the Federal Deposit Insurance Corporation; and the National Credit Union Administration; or any successor agency thereof.

(ii) Small supervised lender or mortgagee means a supervised lender or mortgagee possessing consolidated assets below the threshold for required audited financial reporting as established by the federal banking agency that is responsible for the oversight of that supervised lender or mortgagee.

(2) Financial statement requirements. Small supervised lenders and mortgagees shall not be subject to the requirement to submit a copy of an audited financial statement under §202.5(g) and the audit report requirements under paragraph (b)(4) of this section. Small supervised lenders and mortgagees are required, within 90 days of their fiscal year end, to furnish to the Secretary the unaudited financial regulatory report—a consolidated or fourth quarter Report of Condition and Income (Federal Financial Institutions Examination Council forms 031 and 041, also
known as the “Call Report”), a consolidated or fourth quarter Thrift Financial Report, or a consolidated or fourth quarter NCUA Call Report (NCUA Form 5300 or 5310), or such other financial regulatory report as may be required—that aligns with the small supervised lender’s or mortgagee’s fiscal year end and that the small supervised lender or mortgagee is required to submit to their respective federal banking agency.

(3) Requirement for audited financial statement and other information based on determination of heightened risk to the FHA insurance fund. If the Secretary determines that a small supervised lender or mortgagee poses a heightened risk to the FHA insurance fund, the lender or mortgagee must provide, upon request, additional financial documentation, up to and including an audited financial statement, and other information as the Secretary determines necessary. The Secretary may determine that a small supervised lender or mortgagee poses a heightened risk to the FHA insurance fund based upon, but not limited to, one or more of the following factors:

(i) Failing to provide required financial submissions under §202.6(c)(2) within the required 90-day period following the lender’s or mortgagee’s fiscal year end;

(ii) Maintaining insufficient adjusted net worth or unrestricted liquid assets as required by §202.5(n);

(iii) Reporting opening cash and equity balances that do not agree with the prior year’s reported cash and equity balances;

(iv) Experiencing an operating loss of 20 percent or greater of the lender’s or mortgagee’s net worth for the annual reporting period as governed by §202.5(m)(1);

(v) Experiencing an increase in loan volume over the prior 12-month period, determined by the Secretary to be significant;

(vi) Undertaking significant changes to business operations, such as a merger or acquisition; and

(vii) Other factors that the Secretary considers appropriate in indicating a heightened risk to the FHA insurance fund.

[75 FR 20734, Apr. 20, 2010, as amended by 78 FR 57060, Sept. 17, 2013]

§ 202.7 Nonsupervised lenders and mortgagees.

(a) Definition. A nonsupervised lender or mortgagee is a lending institution which has as its principal activity the lending or investing of funds in real estate mortgages, consumer installment notes, or similar advances of credit, or the purchase of consumer installment contracts, and which is not approved under any other section of this part. A nonsupervised mortgagee may submit applications for mortgage insurance. A nonsupervised lender or mortgagee may originate, purchase, hold, service or sell insured loans or mortgages, respectively.

(b) Additional requirements. In addition to the general approval requirements in §202.5, a nonsupervised lender or mortgagee shall meet the following requirements:

(1) Net worth and liquid assets. The net worth and liquidity requirements appear in §202.5(n).

(2) Credit source—(i) Title I. A lender shall have and maintain a reliable warehouse line of credit or other funding program acceptable to the Secretary of not less than $500,000 for use in originating or purchasing Title I loans.

(ii) Title II. Except for multifamily mortgagees, a mortgagee shall have a warehouse line of credit or other mortgage funding program acceptable to the Secretary which is adequate to fund the mortgagee’s average 60 day origination operations, but in no event shall the warehouse line of credit or funding program be less than $1,000,000.

(3) Audit report. (i) A lender or mortgagee must comply with the financial reporting requirements in 24 CFR part 5, subpart H. Audit reports shall be based on audits performed by a certified public accountant, or by an independent public accountant licensed by a regulatory authority of a State or other political subdivision of the United States on or before December 31, 1970, and shall include:

(A) A financial statement in a form acceptable to the Secretary, including
a balance sheet and a statement of operations and retained earnings, a statement of cash flows, an analysis of the mortgagee’s net worth adjusted to reflect only assets acceptable to the Secretary, and an analysis of escrow funds; and

(B) Such other financial information as the Secretary may require to determine the accuracy and validity of the audit report.

(ii) A mortgagee must submit a report on compliance tests prescribed by the Secretary.

(4) Fidelity bond. A Title II mortgagee shall have fidelity bond coverage and errors and omissions insurance acceptable to the Secretary and in an amount required by the Secretary, or alternative insurance coverage approved by the Secretary, that assures the faithful performance of the responsibilities of the mortgagee.

§ 202.8 Sponsored third-party originators.

(a) Definitions—Sponsor. (1) With respect to Title I programs, a sponsor is a lender that holds a valid Title I Contract of Insurance and meets the net worth requirement for the class of lender to which it belongs.

(2) With respect to Title II programs, a sponsor is a mortgagee that holds a valid origination approval agreement, is approved to participate in the Direct Endorsement program, and meets the net worth requirement for the class of mortgagee to which it belongs.

(3) Each sponsor shall be responsible to the Secretary for the actions of its sponsored third-party originators or mortgagees in originating loans or mortgages, unless applicable law or regulation requires specific knowledge on the part of the party to be held responsible. If specific knowledge is required, the Secretary will presume that a sponsor has knowledge of the actions of its sponsored third-party originators or mortgagees in originating loans or mortgages and the sponsor is responsible for those actions unless it can rebut the presumption with affirmative evidence.

Sponsored third-party originator. A sponsored third-party originator may hold a Title I Contract of Insurance or Title II Origination Approval Agreement if it is an FHA-approved lender or mortgagee. If the sponsored third-party originator is not an FHA-approved lender or mortgagee, then the sponsored third-party originator may not hold a Title I Contract of Insurance or Title II Origination Approval Agreement. A sponsored third-party originator is authorized to originate Title I direct loans or Title II mortgage loans for sale or transfer to a sponsor or sponsors, as defined in this section, that holds a valid Title I Contract of Insurance or Title II Origination Approval Agreement and is not under suspension, subject to the sponsor determining that the third-party originator has met the eligibility criteria of paragraph (b) of this section.

(b) Eligibility to originate loans to be insured by FHA. A sponsored third-party originator may originate loans to be insured by FHA, provided that:

(1) The sponsored third-party originator is working with and through an FHA-approved lender or mortgagee; and

(2) The sponsored third-party originator or an officer, partner, director, principal, manager, supervisor, loan processor, or loan originator of the sponsored third-party originator has not been subject to the sanctions or administrative actions listed in §202.5(j), as determined and verified by the FHA-approved lender or mortgagee.

§ 202.9 Investing lenders and mortgagees.

(a) Definition. An investing lender or mortgagee is an organization that is not approved under any other section of this part. An investing lender or mortgagee may purchase, hold or sell Title I loans or Title II mortgages, respectively, but may not originate Title I loans or Title II mortgages in its own name or submit applications for the insurance of mortgages. An investing lender or mortgagee may not service Title I loans or Title II mortgages without prior approval of the Secretary.
(b) Additional requirements. In addition to the general approval requirements in §202.5, an investing lender or mortgagee shall meet the following requirements:

(1) Funding arrangements. An investing lender or mortgagee shall have, or have made arrangements for, funds sufficient to support a projected investment of at least $1,000,000 in property improvement, manufactured home or real estate loans or mortgages.

(2) Officers and staff. In lieu of the staffing and facilities requirements in §202.5(b), an investing lender or mortgagee shall have officers or employees who are capable of managing its activities in purchasing, holding, and selling Title I loans or Title II mortgages.

(3) Fidelity bond. An investing mortgagee shall maintain fidelity bond coverage and errors and omissions insurance acceptable to the Secretary and in an amount required by the Secretary, or alternative insurance coverage approved by the Secretary, that assures the faithful performance of the responsibilities of the mortgagee.

§ 202.10 Governmental institutions, Government-sponsored enterprises, public housing agencies and State housing agencies.

(a) Definition. A Federal, State or municipal governmental agency, a Federal Reserve Bank, a Federal Home Loan Bank, the Federal Home Loan Mortgage Corporation, or the Federal National Mortgage Association may be an approved lender or mortgagee. A mortgagee approved under this section may submit applications for Title II mortgage insurance. A lender or mortgagee approved under this section may originate, purchase, service or sell Title I loans and insured mortgages, respectively. A mortgagee or lender approved under this section is not required to meet a net worth requirement. A mortgagee shall maintain fidelity bond coverage and errors and omissions insurance acceptable to the Secretary and in an amount required by the Secretary, or alternative insurance coverage approved by the Secretary, that assures the faithful performance of the responsibilities of the mortgagee. There are no additional requirements beyond the general approval requirements in §202.5 or as provided under paragraph (b) of this section.

(b) Public housing agencies and State housing agencies. Under such terms and conditions as the Secretary may prescribe and notwithstanding the general requirements of §202.5 or the requirements of paragraph (a) of this section, a public housing agency or its instrumentality or a State housing agency may be approved as a mortgagee for the purpose of originating and holding multifamily mortgages funded by issuance of tax exempt obligations by the agency.

(c) Audit requirements. The insuring of loans and mortgages under the Act constitutes “Federal financial assistance” (as defined in 2 CFR 200.40) for purposes of audit requirements set out in 2 CFR part 200, subpart F. Non-Federal entities (as defined in 2 CFR 200.69) that receive insurance as lenders and mortgagees shall conduct audits in accordance with 2 CFR part 200, subpart F.

Subpart C—Title I and Title II Specific Requirements

§ 202.11 Title I.

(a) Types of administrative action. In addition to termination of the Contract of Insurance, certain sanctions may be imposed under the Title I program. The administrative actions that may be applied are set forth in 24 CFR part 25. Civil money penalties may be imposed against Title I lenders and mortgagees pursuant to 24 CFR part 30.

(b) Grounds for action. Administrative actions shall be based upon both the grounds set forth in 24 CFR part 25 and as follows:

(1) Failure to properly supervise and monitor dealers under the provisions of part 201 of this title;

(2) Exhaustion of the general insurance reserve established under part 201 of this title;
§ 202.12 Title II.

(a) Tiered pricing—(1) General requirements—(i) Prohibition against excess variation. The customary lending practices of a mortgagee for its single family insured mortgages shall not provide for a variation in mortgage charge rates that exceed 2 percentage points. A variation is determined as provided in paragraph (a)(6) of this section.

(ii) Customary lending practices. The customary lending practices of a mortgagee include all single family insured mortgages originated by the mortgagee, including mortgages that were originated by the mortgagee’s sponsored third-party originator(s).

(iii) Basis for permissible variations. Any variations in the mortgage charge rate up to two percentage points under the mortgagee’s customary lending practices must be based on actual variations in fees or cost to the mortgagee to make the mortgage loan, which shall be determined after accounting for the value of servicing rights generated by making the loan and other income to the mortgagee related to the loan. Fees or costs must be fully documented for each specific loan.

(2) Area. For purposes of this section, an area is:

(i) An area used by HUD for purposes of § 203.18(a) of this chapter to determine the median 1-family house price for an area; or

(ii) The area served by a HUD field office but excluding any area included in paragraph (a)(2)(i) of this section.

(3) Mortgage charges. Mortgage charges include any charges under the mortgagee’s control and not collected for the benefit of third parties. Examples are interest, discount points and origination fees.

(4) Interest rate. Whenever a mortgagee offers a particular interest rate for a mortgage type in an area, it may not restrict the availability of the rate in the area on the basis of the principal amount of the mortgage. A mortgagee may not direct mortgage applicants to any specific interest rate category on the basis of mortgage size.

(b) Servicing. Any mortgagee that services mortgages must be approved by the Secretary under § 202.6, § 202.7 or § 202.10, or be specifically approved for servicing under § 202.9(a).

(c) Report and corrective plan requirements. If a mortgagee approved for participation in Title II programs is notified by the Secretary that it had a rate of defaults and claims on HUD-insured mortgages during the preceding year, or during recent years, which was higher than the normal rate, it shall submit a report, within 60 days, containing an explanation for the above-normal rate of defaults and claims, and, if required by the Secretary, a plan for corrective action with regard

§ 203.1 Underwriting procedures.

The three underwriting procedures for single family mortgages are:

(a) Direct Endorsement. This procedure, which is described in §203.5, is available for mortgagees that are eligible under §203.3.

(b) Lender insurance. This procedure, which is described in §203.6, is available for mortgagees that are eligible for the Direct Endorsement program under §203.5, and that are also approved according to §203.4.

(c) Issuing of commitments through HUD offices. Processing through HUD offices as described in §203.7, with issuance of commitments, is available for mortgagees that are eligible for Direct Endorsement processing under §203.5(b) or to the extent required in §203.3(b)(4), §203.3(d)(1), or as determined by the Secretary.

§ 203.3 Approval of mortgagees for Direct Endorsement.

(a) Direct Endorsement approval. To be approved for the Direct Endorsement program set forth in §203.5, a mortgagee must be an approved mortgagee meeting the requirements of §§202.13, 202.14 or 202.17 and this section.

(b) Special requirements. The mortgagee must establish that it meets the following qualifications:

(1) The mortgagee has five years of experience in the origination of single family mortgages. The Secretary will approve a mortgagee with less than five years experience in the origination of single family mortgages if a principal officer has had a minimum of five years of managerial experience in the origination of single family mortgages.

(2) The mortgagee has on its permanent staff an underwriter that is authorized by the mortgagee to bind the mortgagee on matters involving the origination of mortgages through the Direct Endorsement procedure and that is registered with the Secretary and such registration is maintained with the Secretary. The technical staff may be employees of the mortgagee or may be hired on a fee basis from a roster maintained by the Secretary. The mortgagee shall use appraisers permitted by §203.5(e).

(3) [Reserved]

(4) The mortgagee must submit initially 15 mortgages processed in accordance with §§203.5 and 203.255. Separate approval is required to originate mortgages under part 206 of this chapter through the Direct Endorsement program unless at least 50 mortgages closed by the mortgagee have been insured under part 206 of this chapter prior to September 15, 1995. Other mortgagees who have not closed at least 50 mortgages under part 206 of this chapter must submit five (5) Home Equity Conversion Mortgages, processed in accordance with §§203.3 and 203.255. The documents required by §203.255 will be reviewed by the Secretary and, if acceptable, commitments will be issued prior to endorsement of the mortgages for insurance. If the underwriting and processing of these 15 mortgages (or the 5 Home Equity Conversion Mortgages) is satisfactory, then the mortgagee may be approved to close subsequent mortgages and submit them directly for endorsement for insurance in accordance with the process set forth in §203.255. Unsatisfactory performance by the mortgagee at this stage constitutes grounds for denial of participation in the program, or for continued pre-endorsement review of a mortgagee’s submissions. If participation in the program is denied, such denial is effective immediately and may be appealed in accordance with the procedures set forth in paragraph (d)(2) of this section. Unsatisfactory performance solely with respect to mortgages under 24 CFR part 206 may, at the option of the Secretary, be grounds for denial of participation or for continued pre-endorsement review for 24 CFR part 206 mortgages without affecting the mortgagee’s processing of mortgages under other parts.

(5) The mortgagee shall promptly notify those HUD offices which have granted approval under this section of any changes that affect qualifications under this section.
(c) [Reserved]

(d) **Mortgagee sanctions.** Depending upon the nature and extent of the non-compliance with the requirements applicable to the Direct Endorsement process, as determined by the Secretary, the Secretary may take any of the following actions:

1. **Probation.** The Secretary may place a mortgagee on Direct Endorsement probation for a specified period of time for the purpose of evaluating the mortgagee’s compliance with the requirements of the Direct Endorsement procedure. Such probation is distinct from probation imposed by the Mortgagee Review Board under part 25 of this chapter. During the probation period specified by this section, the mortgagee may continue to process Direct Endorsement mortgages, subject to conditions required by the Secretary. The Secretary may require the mortgagee to:

   (i) Process mortgages in accordance with paragraph (b)(4) of this section;
   (ii) Submit to additional training;
   (iii) Make changes in the quality control plan required by §202.5(h) of this chapter; and
   (iv) Take other actions, which may include, but are not limited to, periodic reporting to the Secretary, and submission to the Secretary of internal audits.

2. **Termination of Direct Endorsement approval.** (i) A mortgagee’s approval to participate in the Direct Endorsement program may be terminated in a particular jurisdiction by the local HUD office or on a nationwide basis by HUD Central Office. The HUD office instituting the termination action shall provide the mortgagee with written notice of the grounds for the action and of the right to an informal hearing before the office initiating the termination action. Such hearing shall be expeditiously arranged, and the mortgagee may be represented by counsel. Any termination instituted under this section is distinct from withdrawal of mortgagee approval by the Mortgagee Review Board under part 25 of this title.

   (ii) After consideration of the materials presented, the decision maker shall advise the mortgagee in writing whether the termination is rescinded, modified or affirmed.

   (iii) The mortgagee may appeal such decision to the Deputy Assistant Secretary for Single Family Housing or his or her designee. A decision by the Deputy Assistant Secretary or designee shall constitute final agency action.

   (iv) Termination of an origination approval agreement under part 202 of this chapter for a mortgagee or one or more branch offices automatically terminates Direct Endorsement approval for the mortgagee or the branch office or offices without any further requirement to comply with this paragraph.

(Approved by the Office of Management and Budget under control number 2502–0005)

§ 203.4 Approval of mortgagees for Lender Insurance.

Each mortgagee that chooses to participate in the Lender Insurance program must use the Lender Insurance process to insure all of the mortgages that it underwrites, unless the mortgages are ineligible for the Direct Endorsement program as provided in §203.5(b), or unless HUD determines that the mortgages are ineligible for the Lender Insurance program.

(a) **Direct Endorsement approval.** To be approved for the Lender Insurance program described in §203.6, a mortgagee must be unconditionally approved for the Direct Endorsement program as provided in §203.3.

(b) **Performance: Claim and default rate.** (1) In addition to being unconditionally approved for the Direct Endorsement program, a mortgagee must have had an acceptable claim and default rate (as described in paragraph (b)(3) of this section) for at least 2 years prior to its application for participation in the Lender Insurance program, and must maintain such a claim and default rate in order to retain Lender Insurance approval.

(2) HUD may approve a mortgagee that is otherwise eligible for Lender Insurance approval, but has an acceptable claim and default record of less than 2 years, if:
(i) The mortgagee is an entity created by a merger, acquisition, or reorganization completed less than 2 years prior to the date of the mortgagee's application for Lender Insurance approval;

(ii) One or more of the entities participating in the merger, acquisition, or reorganization had Lender Insurance approval at the time of the merger, acquisition, or reorganization;

(iii) All of the lending institutions participating in the merger, acquisition, or reorganization that had Lender Insurance approval at the time of the merger, acquisition, or reorganization had an acceptable claim and default record for the 2 years preceding the mortgagee's application for Lender Insurance approval; and

(iv) The claim and default record of the mortgagee derived by aggregating the claims and defaults of the entities participating in the merger, acquisition, or reorganization, for the 2-year period prior to the mortgagee's application for Lender Insurance approval, constitutes an acceptable rate of claims and defaults, as defined by this section.

(3) A mortgagee has an acceptable claim and default rate if its rate of claims and defaults is at or below 150 percent of the average rate for insured mortgages in the state(s) in which the mortgagee operates.

(c) Reviews. HUD will monitor a mortgagee's eligibility to participate in the Lender Insurance program on an ongoing basis.

(d) Termination of approval. (1) HUD may immediately terminate the mortgagee's approval to participate in the Lender Insurance program, in accordance with section 256(d) of the National Housing Act (12 U.S.C. 1715z–21(d)), if the mortgagee:

(i) Violates any of the requirements and procedures established by the Secretary for mortgagees approved to participate in HUD's Lender Insurance program, Direct Endorsement program, or the Title II Single Family mortgage insurance program; or

(ii) HUD determines that other good cause exists.

(2) Such termination will be effective upon receipt of HUD's notice advising of the termination. Within 30 days after receiving HUD's notice of termination, a mortgagee may request an informal conference with the Deputy Assistant Secretary for Single Family Housing or designee. The conference will be conducted within 30 days after HUD receives a timely request for the conference. After the conference, the Deputy Assistant Secretary (or designee) may decide to affirm the termination action or to reinstate the mortgagee's Lender Insurance program approval. The decision will be communicated to the mortgagee in writing, will be deemed a final agency action, and, pursuant to section 256(d) of the National Housing Act (12 U.S.C. 1715z–21(d)), is not subject to judicial review.

(3) Lender Insurance authority is automatically terminated for a mortgagee whose nationwide Direct Endorsement approval under §203.3(d)(2) is terminated, without imposing any further requirement on the mortgagee to comply with this paragraph.

(4) Any termination instituted under this section is distinct from withdrawal of mortgagee approval by the Mortgagee Review Board under 24 CFR part 25.

(e) Reinstatement. A mortgagee whose Lender Insurance authority is terminated under this section may apply for reinstatement if the Lender Insurance authority for the mortgagee has been terminated for at least 6 months. In addition to addressing the criteria for Lender Insurance approval specified in paragraphs (a) and (b) of this section, the application for reinstatement must be accompanied by a corrective action plan addressing the issues resulting in the termination of the mortgagee's Lender Insurance authority, along with evidence that the mortgagee has implemented the corrective action plan. HUD may grant the mortgagee's application for reinstatement if the mortgagee's application is complete and HUD determines that the underlying causes for the termination have been satisfactorily remedied.

§ 203.6 Lender Insurance process.

Under the Lender Insurance program, a mortgagee approved for the program conducts its own pre-insurance review, establishes guidelines for Direct Endorsement underwriting procedures in a handbook, which shall be provided to all mortgagees approved for the Direct Endorsement procedure. Compliance with these guidelines is deemed to be the minimum standard of due diligence in underwriting mortgages.

(d) Mortgagor’s income. The mortgagee shall evaluate the mortgagor’s credit characteristics, adequacy and stability of income to meet the periodic payments under the mortgage and all other obligations, and the adequacy of the mortgagor’s available assets to close the transaction, and render an underwriting decision in accordance with applicable regulations, policies and procedures.

(e) Appraisal. (1) A mortgagee shall have the property appraised in accordance with such standards and requirements as the Secretary may prescribe. A mortgagee must select an appraiser whose name is on the FHA Appraiser Roster, in accordance with 24 CFR part 200, subpart G.

(2) The mortgagee shall not discriminate on the basis of race, color, religion, national origin, sex, age, or disability in the selection of an appraiser.

(3) A mortgagee and an appraiser must ensure that an appraisal and related documentation satisfy FHA appraisal requirements, and both bear responsibility for the quality of the appraisal in satisfying such requirements. A Direct Endorsement Mortgagee that submits, or causes to be submitted, an appraisal or related documentation that does not satisfy FHA requirements is subject to administrative sanction by the Mortgagee Review Board pursuant to parts 25 and 30 of this title.
§ 203.10 Informed consumer choice for prospective FHA mortgagors.

(a) **Mortgagee to provide disclosure notice.** A mortgagee must provide a prospective FHA mortgagor with an informed consumer choice disclosure notice if, in the mortgagee’s judgment, the prospective FHA mortgagor may qualify for similar conventional mortgage products offered by the mortgagee. If a mortgagee is unsure about a prospective FHA mortgagor’s eligibility for a conventional mortgage product, the mortgagee should provide the prospective FHA mortgagor with an informed consumer choice disclosure notice.

(b) **Informed consumer choice disclosure notice—** (1) **Contents of notice.** The informed consumer choice disclosure notice must:
   (i) Provide a one page generic analysis comparing the mortgage costs of an FHA-insured mortgage with the mortgage costs of similar conventional mortgage products offered by the mortgagee that the prospective FHA mortgagor may qualify for;
   (ii) Provide information about when the requirement to pay FHA mortgage insurance premiums terminates; and
   (iii) Meet the requirements of section 203(b)(2) of the National Housing Act (12 U.S.C. 1709(b)(2)).

(2) **Format of disclosure notice.** The informed consumer choice disclosure notice must be provided in a format prescribed by the Commissioner. HUD has prepared a model informed consumer choice disclosure notice that represents this format and that meets the requirements of section 203(b)(2) of the National Housing Act (12 U.S.C. 1709(b)(2)). The model informed consumer choice disclosure notice contains the minimum elements of an informed consumer choice disclosure notice. These elements must be included in a mortgagee’s informed consumer choice disclosure notice. A mortgagee, however, may include additional elements in an informed consumer choice disclosure notice to better reflect the mortgagee’s products or to provide information that the mortgagee believes is meaningful and helpful to the mortgagee’s customers.

(3) **Availability of model disclosure notice.** HUD’s model informed consumer
Prospective FHA mortgagor means a person who submits an application to a mortgagee to obtain mortgage insurance authorized under section 203(b) of the National Housing Act (12 U.S.C. 1709).

§ 203.12 Mortgage insurance on proposed or new construction.

(a) Applicability. This section applies to an application for insurance of a mortgage on a one-to four-family dwelling, unless the mortgage will be secured by a dwelling that:

(1) Was completed more than one year before the date of the application for insurance or, under the Direct Endorsement Program, was completed more than one year before the date of the appraisal; or

(2) Is being sold to a second or subsequent purchaser.

(b) Procedures. (1) Applications for insurance to which this section applies will be processed in accordance with procedures prescribed by the Secretary. These procedures may only provide for endorsement for insurance of a mortgage covering a dwelling that is:

(i) Approved under the Direct Endorsement Program or the Lender Insurance Program; or

[53 FR 8880, Mar. 18, 1988]

§ 203.19 Qualified mortgage.

(a) Definitions. As used in this section:

(1) **Average prime offer rate** means an annual percentage rate that is derived from average interest rates, points, and other loan pricing terms currently offered to mortgagors by a representative sample of mortgagees for mortgage transactions that have low-risk pricing characteristics as published by the Consumer Financial Protection Bureau (CFPB) from time to time in accordance with the CFPB’s regulations at 12 CFR 1026.35, pertaining to prohibited acts or practices in connection with higher-priced mortgage loans.

(2) **Annual percentage rate** is the measure of the cost of credit, expressed as a
yearly rate, that relates the amount and timing of value received by the mortgagor to the amount and timing of payments made and is the rate required to be disclosed by the mortgagee under 12 CFR 1026.18, pertaining to disclosure of finance charges for mortgages.

(3) Points and fees has the meaning given to "points and fees" in 12 CFR 1026.32(b)(1) as of January 10, 2014. Any changes made by the CFPB to the points and fees definition may be adopted by HUD through publication of a notice and after providing FHA-approved mortgagees with time, as may be determined necessary, to implement.

(b) Qualified mortgage. (1) Limit. For a single family mortgage to be insured under title II of the National Housing Act (12 U.S.C. 1701 et seq.), except for mortgages for manufactured housing and mortgages under paragraph (c) of this section, the total points and fees payable in connection with a loan used to secure a dwelling shall not exceed the CFPB’s limit on points and fees for qualified mortgage in its regulations at 12 CFR 1026.43(e)(3) as of January 10, 2014. Any changes made by the CFPB to the limit on points and fees may be adopted by HUD through publication of a notice and after providing FHA-approved mortgagees with time, as may be determined necessary, to implement.

(2) Rebuttable presumption qualified mortgage. (i) A single family mortgage insured under title II of the National Housing Act (12 U.S.C. 1701 et seq.), except for mortgages for manufactured housing and mortgages under paragraph (c) of this section, that has an annual percentage rate that exceeds the average prime offer rate for a comparable mortgage, as of the date the interest rate is set, by more than the combined annual mortgage insurance premium and 1.15 percentage points for a first-lien mortgage is a rebuttable presumption qualified mortgage that is presumed to comply with the ability to repay requirements in 15 U.S.C. 1639c(a).

(ii) To rebut the presumption of compliance, it must be proven that the mortgage exceeded the points and fees limit in paragraph (b)(1) of this section or that, despite the mortgage having been endorsed for insurance under the National Housing Act, the mortgagor did not make a reasonable and good-faith determination of the mortgagor’s repayment ability at the time of consummation, by failing to evaluate the mortgagor’s income, credit, and assets in accordance with HUD underwriting requirements.

(3) Safe harbor qualified mortgage. (i) A mortgage for manufactured housing that is insured under Title II of the National Housing Act (12 U.S.C. 1701 et seq.) is a safe harbor qualified mortgage that meets the ability to repay requirements in 15 U.S.C. 1639c(a); and

(ii) A single family mortgage insured under title II of the National Housing Act (12 U.S.C. 1701 et seq.), except for mortgages under paragraph (c) of this section, that has an annual percentage rate that does not exceed the average prime offer rate for a comparable mortgage, as of the date the interest rate is set, by more than the combined annual mortgage insurance premium and 1.15 percentage points for a first-lien mortgage is a safe harbor qualified mortgage that meets the ability to repay requirements in 15 U.S.C. 1639c(a).

(4) Effect of indemnification on qualified mortgage status. An indemnification demand or resolution of a demand that relates to whether the loan satisfied relevant eligibility and underwriting requirements at the time of consummation may result from facts that could allow a change to qualified mortgage status, but the existence of an indemnification does not per se remove qualified mortgage status.

(c) Exempted transactions. The following transactions are exempted from the requirements in paragraph (b) of this section:

(1) Home Equity Conversion Mortgages under section 255 of the National Housing Act (12 U.S.C. 1715z-20); and

(2) Mortgage transactions exempted by the CFPB in its regulations at 12 CFR 1026.43(a)(3) as of January 10, 2014. Any changes made by CFPB to the list of exempted transactions may be adopted by HUD through publication of a notice and after providing FHA-approved mortgagees with time, as may be determined necessary, to implement.
§ 203.20
(d) Ability to make adjustments to this section by notice. The FHA Commissioner may make adjustments to this section, including the calculations of fees or the list of transactions excluded from compliance with the requirements of this section as the Commissioner determines necessary for purposes of meeting FHA’s mission, after solicitation and consideration of public comments.

[78 FR 75237, Dec. 11, 2013]

§ 203.20 Agreed interest rate.

(a) The mortgage shall bear interest at the rate agreed upon by the mortgagor and the mortgagee.

(b) Interest shall be payable in monthly installments on the principal amount of the mortgage outstanding on the due date of each installment.

§ 203.21 Amortization provisions.

The mortgage must contain complete amortization provisions satisfactory to the Commissioner, requiring monthly payments by the mortgagor not in excess of his reasonable ability to pay as determined by the Commissioner. The sum of the principal and interest payments in each month shall be substantially the same.

§ 203.22 Payment of insurance premiums or charges; prepayment privilege.

(a) Payment of periodic insurance premiums or charges. Except with respect to mortgages for which a one-time mortgage insurance premium is paid pursuant to §203.280, the mortgage may provide for monthly payments by the mortgagee to the mortgagor of an amount equal to one-twelfth of the annual mortgage insurance premium payable by the mortgagor to the Commissioner. Such payments continue only so long as the contract of insurance shall remain in effect or for such shorter period as mortgage insurance premiums are payable by the mortgagor to the Commissioner.

(b) Prepayment privilege. The mortgage shall contain a provision permitting the mortgagor to prepay the mortgage in whole or in part at any time and in any amount. The mortgage shall not provide for the payment of any charge on account of such prepayment.

§ 203.23 Mortgagor’s payments to include other charges.

(a) The mortgage shall provide for such equal monthly payments by the mortgagor to the mortgagee as will amortize:

(1) The ground rents, if any;

(2) The estimated amount of all taxes;

(3) Special assessments, if any;

(4) Flood insurance premiums, if flood insurance is required by the Commissioner; and

(5) Fire and other hazard insurance premiums, if any. The mortgage shall further provide that such payments shall be held by the mortgagee in a manner satisfactory to the Commissioner for the purpose of paying such ground rents, taxes, assessments, and insurance premiums before the same become delinquent, for the benefit and account of the mortgagor. The mortgage must also make provisions for adjustments in case the estimated amount of such taxes, assessments, and insurance premiums shall prove to be more, or less, than the actual amount thereof so paid by the mortgagor. Such payments shall be held in an escrow subject to §203.550.

(b) The mortgagor shall not be required to pay premiums for fire or other hazard insurance which protects only the interests of the mortgagee, or for life or disability income insurance, or for fees charged for obtaining information necessary for the payment of property taxes. The foregoing does not apply to charges made or penalties exacted by the taxing authority, except that a penalty assessed or interest charged by a taxing authority for failure to timely pay taxes or assessments shall not be charged by the mortgagee to the mortgagor if the mortgagee had sufficient funds in escrow for the account of the mortgagor to pay such taxes or assessments prior to the date on which penalty or interest charges are imposed.
(c) Mortgages involving a principal obligation not in excess of $9,000 may contain a provision requiring the mortgagor to pay to the mortgagee an annual service charge at such rate as may be agreed upon between the mortgagee and the mortgagor, but in no case shall such service charge exceed one-half of one percent per annum. Any such service charge shall be payable in monthly installments on the principal then outstanding. The provisions of this paragraph shall not apply to mortgages endorsed for insurance pursuant to applications received by the Commissioner on or after July 17, 1961.

§ 203.24 Application of payments.

(a) All monthly payments to be made by the mortgagor to the mortgagee shall be added together and the aggregate amount thereof shall be paid by the mortgagor each month in a single payment. The mortgagee shall apply the same to the following items in the order set forth:

1. Premium charges under the contract of insurance (other than a one-time or up-front mortgage insurance premium paid in accordance with §§ 203.280, 203.284 and 203.285), charges for ground rents, taxes, special assessments, flood insurance premiums, if required, and fire and other hazard insurance premiums;

2. Interest on the mortgage;

3. Amortization of the principal of the mortgage; and

4. Late charges, if permitted under the terms of the mortgage and subject to such conditions as the Commissioner may prescribe.

(b) Any deficiency in the amount of any such aggregate monthly payment shall, unless made good by the mortgagor prior to, or on, the due date of the next such payment, constitute an event of default under the mortgage.

§ 203.26 Mortgagor’s payments when mortgage is executed.

(a) The mortgagor must pay to the mortgagee, upon execution of the mortgage, a sum that will be sufficient to pay the ground rents, if any, the estimated taxes, special assessments, flood insurance premiums, if required, and fire and other hazard insurance premiums for the period beginning on the last date on which each such charge would have been paid under the normal lending practices of the lender and local custom (if each such date constitutes prudent lending practice), and ending on the due date of the first full installment payment under the mortgage, plus an amount sufficient to pay the mortgage insurance premium from the date of closing the loan to the date of the first monthly payment under the mortgage or, where applicable, the one-time mortgage insurance premium payable pursuant to § 203.280.

(b) The mortgagee may also collect from the mortgagor a sum not exceeding one-sixth of the estimated total amount of such taxes, special assessments, insurance premiums and other charges to be paid during the ensuing 12-month period.

§ 203.27 Charges, fees or discounts.

(a) The mortgagee may collect from the mortgagor the following charges, fees or discounts:

1. [Reserved]

2. A charge to compensate the mortgagor for expenses incurred in originating and closing the loan, provided that the Commissioner may establish limitations on the amount of any such charge.

(vi) Such other reasonable and customary charges as may be authorized by the Commissioner.
(4) Reasonable and customary charges in the nature of discounts.
(5) Interest from the date of closing or the date on which the mortgagee disburses the mortgage proceeds to the account of the mortgagor or the mortgagor’s creditors, whichever is later, to the date of the beginning of amortization.
(b)–(c) [Reserved]
(d) Before the insurance of any mortgage, the mortgagee shall furnish to the Secretary a signed statement in a form satisfactory to the Secretary listing any charge, fee or discount collected by the mortgagee from the mortgagor. All charges, fees or discounts are subject to review by the Secretary both before and after endorsement under §203.255.
(e) Nothing in this section will be construed as prohibiting the mortgagor from dealing through a broker who does not represent the mortgagor, if he prefers to do so, and paying such compensation as is satisfactory to the mortgagor in order to obtain mortgage financing.

§ 203.28 Economic soundness of projects.

The mortgage must be executed with respect to a project which, in the opinion of the Commissioner, is economically sound, except that this section shall not apply in each of the following instances:
(a) To a mortgage of the character described in §203.18(d) and with respect to such a mortgage, the Commissioner shall determine that the mortgage is an acceptable risk giving consideration to the need for providing adequate housing for families of low and moderate income, particularly in suburban and outlying areas or small communities.
(b) To a mortgage of the character described in §203.18(e).
(c) To a mortgage of the character described in §203.43a.
(d) To a mortgage in a federally impacted area described in §203.43e.
(e) To a rehabilitation loan of the character described in §203.50.

§ 203.29 Eligible mortgages in Alaska, Guam, Hawaii, or the Virgin Islands.

(a) When is an increased mortgage limit permitted for these areas? For Alaska, Guam, Hawaii or the Virgin Islands, the Commissioner may increase the maximum mortgage amount permitted by section 203(b)(2)(A) of the National Housing Act when authorized by section 214 of that Act, through the procedures described in §203.18(b).
(b) If a party believes that the otherwise applicable mortgage limit needs to be increased to reflect the extent to which high costs make it infeasible to construct dwellings without sacrificing sound standards of construction, design or livability, the party may submit documentation in support of an alternative mortgage limit. This documentation should include actual or estimated costs of such items as design, construction, materials, and labor. In addition, actual sales prices of new homes may be submitted, together with any other documentation requested by the Commissioner.
Office of Assistant Secretary for Housing, HUD § 203.31

for alternative mortgage limits, together with supporting documentation should be sent to the appropriate HUD field office. The field office will forward the request and supporting material, with the field office’s recommendation, to the Commissioner for determination.

(c) If the Alaska Housing Authority, or the Government of Guam, Hawaii, or the Virgin Islands or any agency or instrumentality of those entities, is the mortgagor or the mortgagee, or the mortgagor is regulated or restricted as to rents or sales, charges, capital structure, rate of return, and methods of operation to such an extent and in such manner as the Commissioner determines advisable to provide reasonable rental and sales prices and a reasonable return on the investment, any mortgage otherwise eligible for insurance under this subpart may be insured:

(1) In any case where the Alaska Housing Authority, or the government of Guam, Hawaii, the Virgin Islands, or any agency or instrumentality of those entities, is the mortgagor, without regard to any requirement that the mortgagor occupy the dwelling as a principal residence or a secondary residence (as these terms are defined in §203.18(f)), or meet loan-to-value or comparable limitations based on the failure of the mortgagor to meet this occupancy requirement;

(2) Without regard to any requirement that the mortgagor has paid on account of the property a prescribed percentage of the appraised value of the property; or

(3) Without regard to any requirement that the mortgagor certify that the mortgaged property is free and clear of all liens other than the mortgage offered for insurance and that there will not be any unpaid obligations contracted in connection with the mortgage transaction or the purchase of the mortgaged property.

(d) The provisions of §203.28 requiring economic soundness shall not be applicable to mortgages covering property located in Alaska, in Guam, in Hawaii, or in the Virgin Islands, but the Commissioner shall find that the property or project is an acceptable risk, giving consideration to the acute housing shortage in Alaska, Guam, Hawaii, or the Virgin Islands.

(Approved by the Office of Management and Budget under control number 2502–0302)

§ 203.30 Certificate of nondiscrimination by the mortgagor.

The mortgagor shall certify to the Commissioner as to each of the following points:

(a) That neither he, nor anyone authorized to act for him, will refuse to sell or rent, after the making of a bonafide offer, or refuse to negotiate for the sale or rental of, or otherwise make unavailable or deny the dwelling or property covered by the mortgage to any person because of race, color, religion, national origin, familial status (except as provided by law), or handicap.

(b) That any restrictive covenant on such property relating to race, color, religion, or national origin is recognized as being illegal and void and is hereby specifically disclaimed.

(c) That civil action for preventative relief may be brought by the Attorney General in any appropriate U.S. District Court against any person responsible for a violation of this certification.

(d) That buildings having four (4) or more units, which were built for first occupancy after March 13, 1991, were constructed in compliance with the Fair Housing Act new construction requirements in 24 CFR 100.205.

§ 203.31 Mortgagor of a principal residence in military service cases.

(a) A mortgage that is otherwise eligible for insurance under any of the provisions of this part may be insured without regard to any requirement contained in this part that the mortgagor occupy the dwelling as a principal residence (as defined in §203.18(f)(1)) at the time of insurance, or that the mortgagor meet loan-to-value or comparable limitations based
on the failure of the mortgagor to meet an occupancy requirement, if:

(1) The Commissioner is satisfied that the inability of the mortgagor to meet the occupancy requirement is by reason of his or her entry into military service after the filing of an application for insurance; and

(2) The mortgagor expresses an intent (in such form as the Commissioner may prescribe), to meet the occupancy requirement upon his or her discharge from the service.

(b) A serviceperson will also be considered to meet the occupancy requirement referred to in paragraph (a) of this section for mortgage insurance purposes, if the following conditions are satisfied:

(1) The serviceperson and his or her family expect to meet the occupancy requirement referred to in paragraph (a) of this section for two or more years. The Commissioner may shorten this period to one year, if (i) the serviceperson's family will occupy the property for at least one year and (ii) the serviceperson is assigned to a combat zone or other hazardous duty area where the family cannot accompany him or her; and

(2) The property is located in an area in which the prospects of resale are reasonable.

§ 203.32 Mortgage lien.

(a) Except as otherwise provided in this section, a mortgagor must establish that, after the mortgage offered for insurance has been recorded, the mortgaged property will be free and clear of all liens other than such mortgage, and that there will not be outstanding any other unpaid obligations contracted in connection with the mortgage transaction or the purchase of the mortgaged property, except obligations that are secured by property or collateral owned by the mortgagor independently of the mortgaged property.

(b) With prior approval of the Secretary, the mortgaged property may be subject to a secondary mortgage or loan made or insured, or other secondary lien held, by a Federal, State, or local government agency or instrumentality, or an entity designated in the homeownership plan submitted by an applicant for an implementation grant under the Homeownership and Opportunity for People Everywhere (HOPE) program, or an eligible nonprofit organization as defined in § 203.41(a)(5) of this part, provided that the required monthly payments under the insured mortgage and the secondary mortgage or lien shall not exceed the mortgagor's reasonable ability to pay as determined by the Secretary.

(c) With the prior approval of the Secretary, the mortgaged property may be subject to a secondary mortgage held by a mortgagor not described in paragraph (b) of this section. Unless the mortgage is for the purpose described in paragraph (d) of this section, it shall meet the following requirements:

(1) The required monthly payments under the insured mortgage and the second mortgage shall not exceed the mortgagor's reasonable ability to pay, as determined by the Commissioner;

(2) Periodic payments, if any, shall be collected monthly and be substantially the same;

(3) The sum of the principal amount of the insured mortgage and the second mortgage shall not exceed the loan-to-value limitation applicable to the insured mortgage, and shall not exceed the maximum mortgage limit for the area;

(4) The repayment terms shall not provide for a balloon payment before ten years, or for such other term as the Commissioner may approve, except that the mortgage may become due and payable on sale or refinancing of the secured property covered by the insured mortgage; and

(5) The mortgage shall contain a provision permitting the mortgagor to prepay the mortgage in whole or in part at any time, and shall not provide for the payment of any charge on account of such prepayment.

(d)(1) With the prior approval of the Commissioner, the mortgaged property may be subject to a junior (second or
third) mortgage securing the repayment of funds advanced to reduce the mortgagor’s monthly payments on the insured mortgage following the date it is insured, if the junior mortgage meets the following requirements:

(i) The junior mortgage shall provide for any payment of principal or interest until the property securing the junior mortgage is sold or the insured mortgage is refinanced, at which time the junior mortgage shall become due and payable;

(ii) The total amount of repayments under the junior mortgage shall not exceed the least of:

(A) One-half of the mortgagor’s equity interest in the property at the time of sale or refinancing;

(B) Three times the amount of funds advanced to effect the interest rate buy-down; or

(C) The sum of the original loan amount plus the total accrued interest on the junior mortgage at the time of repayment; and

(iii) The junior mortgage shall contain a provision permitting the mortgagor to prepay the mortgage in whole or in part at any time, and shall not provide for the payment of any charge on account of such prepayment. Any full or partial prepayment will not be recoverable by the mortgagor if, by application of paragraph (d)(1)(ii) on sale or refinancing of the property, a lesser amount than the amount prepaid would have been due.

(2) The sum of the principal amount of the insured mortgage, any second mortgage made under paragraph (b) or (c) of this section, and the mortgage securing the repayment of funds advanced to reduce the borrower’s monthly payments (whether a second or third mortgage) may exceed the loan-to-value limitation applicable to the insured mortgage, but such sum may not exceed the maximum mortgage limit for the area.

§ 203.33 Relationship of income to mortgage payments.

(a) Adequacy of mortgagor’s gross income. A mortgagor must establish, to the satisfaction of the Secretary, that his or her gross income is and will be adequate to meet (1) the periodic payments required by the mortgage submitted for insurance and (2) other long-term obligations.

(b) Determinations of adequacy of mortgagor income under this section shall be made in a uniform manner without regard to race, color, religion, sex, national origin, familial status, handicap, marital status, actual or perceived sexual orientation, gender identity, source of income of the mortgagor, or location of the property.

§ 203.34 Credit standing.

A mortgagor must have a general credit standing satisfactory to the Commissioner.

§ 203.35 Disclosure and verification of Social Security and Employer Identification Numbers.

To be eligible for mortgage insurance under this part, the mortgagor must meet the requirements for the disclosure and verification of Social Security and Employer Identification Numbers, as provided by part 200, subpart U, of this chapter.

§ 203.36 [Reserved]

§ 203.37 Nature of title to realty.

A mortgage, to be eligible for insurance, must be on real estate held in fee simple, or on leasehold under a lease for not less than 99 years which is renewable, or under a lease having a period of not less than 10 years to run beyond the maturity date of the mortgage.

[49 FR 21319, May 21, 1984]
(2) Supporting documentation. The mortgagee shall obtain documentation verifying that the seller is the owner of record and must submit this documentation to HUD as part of the application for mortgage insurance, in accordance with §203.255(b)(12). This documentation may include, but is not limited to, a property sales history report, a copy of the recorded deed from the seller, or other documentation (such as a copy of a property tax bill, title commitment, or binder) demonstrating the seller’s ownership.

(b) Time restrictions on re-sales—(1) General. The eligibility of a property for a mortgage insured by FHA is dependent on the time that has elapsed between the date the seller acquired the property (based upon the date of settlement) and the date of execution of the sales contract that will result in the FHA mortgage insurance (the resale date). The mortgagee shall obtain documentation verifying compliance with the time restrictions described in this paragraph and must submit this documentation to HUD as part of the application for mortgage insurance, in accordance with §203.255(b).

(2) Re-sales occurring 90 days or less following acquisition. If the resale date is 90 days or less following the date of acquisition by the seller, the property is not eligible for a mortgage to be insured by FHA.

(i) If the resale date is 90 days or less following acquisition by the seller, the property is generally eligible for a mortgage insured by FHA.

(ii) However, HUD may require that the lender provide additional documentation to support the re-sale value of the property if the re-sale price is 5 percent or greater than the lowest sales price of the property during the preceding 12 months (as evidenced by the contract of sale). At HUD’s discretion, such documentation must include, but is not limited to, an appraisal from another appraiser. HUD may exclude re-sales of less than a specific dollar amount from the additional value documentation requirements.

(iii) If the additional value documentation supports a value of the property that is more than 5 percent lower than the value supported by the first appraisal, the lower value will be used to calculate the maximum mortgage amount under §203.18. Otherwise, the value supported by the first appraisal will be used to calculate the maximum mortgage amount.

(iv) HUD will announce its determination to require additional value documentation through issuance of a Federal Register notice. The requirement for additional value documentation may be established either on a nationwide or regional basis. Further, the Federal Register notice may also exclude re-sales of less than a specific dollar amount from the additional value documentation requirements. Any such Federal Register notice, and any subsequent revisions, will be issued at least thirty days before taking effect.

(v) The level at which additional documentation is required under...
§ 203.37a(b)(4) shall supersede that under § 203.37a(b)(3).  

(5) Re-sales occurring more than 12 months following acquisition. If the re-sale date is more than 12 months following the date of acquisition by the seller, the property is eligible for a mortgage insured by FHA.

(c) Exceptions to the time restrictions on sales. The time restrictions on sales described in paragraph (b) of this section do not apply to:

(1) Sales by HUD of Real Estate-Owned (REO) properties under 24 CFR part 291 and of single family assets in revitalization areas pursuant to section 204 of the National Housing Act (12 U.S.C. 1716);

(2) Sales by another agency of the United States Government of REO single family properties pursuant to programs operated by these agencies;

(3) Sales of properties by nonprofit organizations approved to purchase HUD REO single family properties at a discount with resale restrictions;

(4) Sales of properties that were acquired by the sellers by inheritance;

(5) Sales of properties purchased by an employer or relocation agency in connection with the relocation of an employee;

(6) Sales of properties by state- and federally-chartered financial institutions and government-sponsored enterprises (GSEs);

(7) Sales of properties by local and state government agencies; and

(8) Only upon announcement by HUD through issuance of a notice, sales of properties located in areas designated by the President as federal disaster areas. The notice will specify how long the exception will be in effect.

(d) Sanctions and indemnification. Failure of a mortgagee to comply with the requirements of this section may result in HUD requesting indemnification of the mortgage loan, or seeking other appropriate remedies under 24 CFR part 25.

§ 203.38 Location of dwelling.

At the time a mortgage is insured there must be located on the mortgaged property one or more dwellings designed principally for residential use for not more than four families.

[61 FR 36264, July 9, 1996]

§ 203.39 Standards for buildings.

The buildings on the mortgaged property must conform with the standards prescribed by the Commissioner.

§ 203.40 Location of property.

The mortgaged property shall be located within the United States, Puerto Rico, Guam, the Virgin Islands, the Commonwealth of the Northern Marianas Islands, and American Samoa. The mortgaged property, if otherwise acceptable to the Commissioner, may be located in any community where the housing standards meet the requirements of the Commissioner.

(c) Exception for eligible governmental or nonprofit programs. Legal restrictions on conveyance are acceptable if:

(1) The restrictions are part of an eligible governmental or nonprofit program and are permitted by paragraph (d) of this section; and
(2) The restrictions will automatically terminate if title to the mortgaged property is transferred by foreclosure or deed-in-lieu of foreclosure, or if the mortgage is assigned to the Secretary.

(d) Exception for eligible governmental or nonprofit programs—specific policies.

(1) Except as otherwise provided in the HOME Investment Partnerships (HOME) and the Homeownership and Opportunity for People Everywhere (HOPE) programs, the mortgagor may be prohibited from selling the property at a price greater than the price permitted under the program, or the mortgagor may be required to pay a portion of the sales proceeds to a governmental body or an eligible nonprofit organization, as long as the mortgagor is not prohibited from recovering:

(i) The sum of the mortgagor’s original purchase price, the mortgagor’s reasonable costs of sale, the reasonable costs of improvements made by the mortgagor, and any negative amortization on a graduated payment mortgage insured under §203.45 of this part; and
(ii) A reasonable share, as determined by the Secretary, of the appreciation in value which shall be the sales price reduced by the sum determined under paragraph (d)(1)(i) of this section.

(2) Legal restrictions on conveyance may extend beyond the term of the mortgage, subject to paragraph (c)(2) of this section and any limitations applicable in the jurisdiction.

(3) Except as otherwise required by the HOME and HOPE programs, rights under an option to purchase, pre-emptive rights to purchase or rights of first refusal shall only be held by a...
§ 203.42 Rental properties.

(a) A mortgage on property upon which there is a dwelling to be rented by the mortgagor shall not be eligible for insurance if the property is a part of, or adjacent or contiguous to, a project, or group of similar rental properties, in which the mortgagor has a financial interest in eight or more dwelling units.

(b) Paragraph (a) of this section shall not apply where:

(1) A mortgage qualifies as a rehabilitation loan under §203.50 of this part;

(2) The mortgage is to be used for the rehabilitation of property located in a specific area or neighborhood that has
§ 203.43 Eligibility of miscellaneous type mortgages.

(a) A mortgage which meets the requirements of this subpart, except as modified by this section, shall be eligible for insurance under this subpart subject to compliance with the additional requirements of this section.

(c) The Commissioner may insure under this part, without regard to any limitation upon eligibility contained in the other provisions of this subpart, any mortgage given to refinance an existing mortgage insured under the National Housing Act. The refinancing mortgage must meet the following special requirements:

(1) (i) Except as provided by paragraph (c)(1)(ii) of this section, the refinancing mortgage must be in an amount that does not exceed the least of (A) the original principal amount of the existing mortgage; (B) the sum of the outstanding principal balance of the existing mortgage, plus loan closing charges approved by the Commissioner; or (C) in the case of an eligible non-occupant mortgagor (as defined in §203.18(f)), the outstanding balance of the existing mortgage.

(ii) In the case of graduated payment mortgages insured under section 203 of the Act pursuant to section 245 (a) or (b) of the Act (§203.45 or §203.46 [as in effect immediately before its removal at 52 FR 32754, published August 28, 1987]), the refinancing mortgage must have a principal amount that does not exceed the outstanding balance of the existing mortgage.

(iii) If a one-time mortgage insurance premium (MIP) was financed as part of the existing mortgage referred to in paragraphs (c)(1)(i) and (ii) of this section, the amount of the premium refund to which the mortgagor is entitled must be deducted in determining the original principal amount and the unpaid principal balance of the existing mortgage under paragraph (c)(1)(i) of this section and the outstanding balance of the existing mortgage under paragraph (c)(1)(ii) of this section. However, the maximum amount of the refinancing mortgage computed in accordance with this paragraph (c)(1) may be increased by the amount of the one-time MIP (if any) associated with the refinancing mortgage;

(2) It must have a term which does not exceed the unexpired term of the existing mortgage, except that in any case where the Commissioner determines that an extension of the term of the mortgage will inure to the benefit of the applicable insurance fund, taking into consideration the outstanding insurance liability under the existing insured mortgage, the term may be extended to the lesser of (i) 30 years or (ii) the unexpired term of the existing mortgage, plus 12 years;

(3) The mortgage must result in a reduction in regular monthly payments by the mortgagor, except:

(i) When a fixed rate mortgage is given to refinance an adjustable rate mortgage held by a mortgagor who is to occupy the dwelling as a principal residence or secondary residence, as these terms are defined in §203.18(f); or

(ii) When refinancing a mortgage for a shorter term will result in an increase in the mortgagor’s regular monthly payments of no more than $50. In the case of a graduated payment mortgage, the reduction in regular monthly payments means a reduction from the payment due under the existing mortgage for the month in which the refinancing mortgage is executed.

(4) It must be made by a mortgagor whose record of payment on the existing mortgage meets standards established by the Commissioner; and

(5) The mortgagor may not require a minimum principal amount to be outstanding on the loan secured by the existing mortgage.

(g) The provisions of §203.28 shall not apply to mortgages insured under this section.

(h) The provisions of §203.38 shall not apply to mortgages of the character described in paragraph (b) of this section and at the time any such mortgage is insured there must be located on the mortgaged property a dwelling unit designed principally for residential use for not more than eight families.

(1)–(j) [Reserved]
(k) The Commissioner may insure under this part, without regard to any limitation upon eligibility contained in this subpart, any mortgage assigned to the Commissioner in connection with payment under a contract of mortgage insurance, or executed in connection with a sale by the Commissioner of any property acquired in the settlement of an insurance claim under any section or title of the National Housing Act.

§ 203.43a Eligibility of mortgages covering housing in certain neighborhoods.

(a) A mortgage financing the repair, rehabilitation, construction, or purchase of property located in an older declining urban area shall be eligible for insurance under this subpart subject to compliance with the additional requirements of this section.

(b) The mortgage shall meet all of the requirements of this subpart, except such requirements as are judged to be not applicable on the basis of the following determinations to be made by the Commissioner:

1. That the conditions of the area in which the property is located prevent the application of certain eligibility requirements of this subpart.

2. That the area is reasonably viable, and there is a need in the area for adequate housing for families of low and moderate income.

3. That the mortgage to be insured is an acceptable risk.

(c) Mortgages complying with the requirements of this section shall be insured under this subpart pursuant to section 223(e) of the National Housing Act. Such mortgages shall be insured under and be the obligation of the Special Risk Insurance Fund.

(d) For restrictions against approving mortgage insurance for a certain category of newly legalized alien, see 24 CFR part 49.

§ 203.43c Eligibility of mortgages involving a dwelling unit in a cooperative housing development.

A mortgage involving a dwelling unit in a cooperative housing development which meets the requirements of this subpart, except as modified by this section, shall be eligible for insurance under section 203(n) of the National Housing Act.

(a) The provisions of §§203.16a, 203.17, 203.18, 203.18a, 203.23, 203.24, 203.26, 203.37, 203.38, 203.43h, 203.43i, 203.43j, 203.44, 203.49, and 203.50 of this part do not apply to mortgages insured under section 203(n) of the National Housing Act.

(b) As used in connection with the insurance of mortgages under this section and §203.437 of this part: (1) The term mortgage shall mean a first lien given to secure a loan made to finance the unpaid purchase price of a Corporate Certificate together with the applicable Occupancy Certificate of a cooperative ownership housing corporation in which the permanent occupancy of the dwelling units is restricted to members of such corporation, and may refer both to a security instrument creating a lien, whether called a mortgage, deed of trust, security deed or another term used in a particular jurisdiction, as well as the credit instrument, or note, secured thereby.

2. Corporation shall mean an organization which holds title to a cooperative housing development which is covered by a blanket mortgage or mortgages insured by FHA under the National Housing Act.

3. Corporate Certificate shall mean such stock certificates, membership certificates, or other instruments which the laws of the jurisdictions in which the cooperative housing development is located require to evidence ownership of a specified interest in the corporation.

4. Occupancy Certificate shall mean a written instrument provided by the corporation to each holder of a Corporate Certificate which grants an exclusive right of possession of a specific dwelling unit in the cooperative housing development.
(5) References in this subpart to a dwelling, residence or property which is sold, conveyed, covered by a mortgage or subject to a lien shall be construed to mean the Corporate Certificate together with the Occupancy Certificate, except that where such references when interpreted in light of section 203(n) of the National Housing Act clearly indicate the intent to be the dwelling unit, such reference shall mean the dwelling unit identified in the Occupancy Certificate.

(c) The organizational documents of the cooperative corporation must provide that:

(1) Either the Secretary or a mortgagee under a mortgage insured under this section shall be a member of the cooperative corporation for so long as either owns a Corporate Certificate;

(2) A mortgage insured under this section shall be a first lien upon the property covered by the mortgage;

(3) The Secretary may exercise the voting rights which are attributable to each Corporate Certificate owned by the Secretary;

(4) The Secretary may designate as her proxy an agent for the purpose of exercising the voting rights of the Secretary which are attributable to the corporate Certificate or Certificates owned by the Secretary;

(1) Requires that the corporation shall furnish the Secretary with the most recent annual financial report certified to have been based on generally accepted accounting principles and the most recent monthly or quarterly financial report;

(2) Waives any option or right of first refusal the corporation may have to purchase any Corporate Certificate covered by a mortgage insured under section 203(n) of the National Housing Act, unless the corporation pays the full amount due under such mortgage or pays the full amount of the Secretary's investment if the Secretary is the owner of the Corporate Certificate, whichever is greater;

(3) Except with the approval of the Secretary, waives all authority the corporation may have to approve or reject the buyer of a Corporate Certificate owned by the Secretary or the buyer of a Corporate Certificate covered by a mortgage insured under Section 203(n) of the National Housing Act.

(8) Requires the mortgagee to notify the corporation of any default in mortgage payments by the mortgagor within 15 days of such default;

(9) Requires the corporation upon notice by the Secretary or the mortgagee, when the Secretary or the mortgagee is the owner of the Corporate Certificate, and for a fee to be determined by the Secretary to evict any person or persons from a dwelling unit identified in the Occupancy Certificate.

(10) Contains such other provisions as the Secretary may require.

(e) The mortgagee shall obtain such security and other undertakings as may be required to establish a first lien on the Corporate Certificate and the Occupancy Certificate under the laws of the State where the Cooperative Housing Development is located.

(f) The mortgage involves a one-family dwelling unit in a cooperative housing development which is covered by a blanket mortgage or mortgages insured under the National Housing Act.

(g) The mortgage shall not exceed the balance remaining after subtracting, from the amount determined under §§ 203.18(a), 203.18(g) and 203.18a of this part, an amount equal to the portion of the unpaid balance of the blanket mortgage covering the cooperative development which is attributable to the dwelling unit the mortgagor is entitled to occupy as of the date the mortgage is accepted for insurance.

(h) The mortgage shall be executed upon a form conforming to the applicable provisions of this part and shall:

(1) Involve a principal obligation in multiples of $50.

(2) Come due on the first of the month.

(3) Contain complete amortization provisions satisfactory to the Secretary and an amortization period not in excess of the term of the mortgage.

(4) Be for a term not to exceed 30 years or the remaining term of the blanket mortgage covering the cooperative development or three-quarters of the remaining economic life of the building improvements, whichever is less.

(5) Provide for payments to principal and interest to begin not later than the first day of the month following 60 days from the date the mortgagee's certificate on the commitment was executed.

(6) Contain a provision stating that the failure of the mortgagor to pay the mortgagor's share of the common expenses or assessments and charges imposed by the corporation as provided in the instruments establishing the cooperative shall be considered a default.

(i) The entire principal amount of the mortgage must have been disbursed to the mortgagor or to his creditors for his account and with his consent.

(j) The mortgage must be executed by a mortgagor who intends to be an occupant of the unit.

(k) The mortgagee shall collect from the mortgagor upon the execution of the mortgage: (1) A sum that will be sufficient to pay the mortgage insurance premium for the period beginning on the date of the closing of the loan and ending on the date of the first monthly payment under the mortgage or (2), where applicable, the one-time mortgage insurance premium payable pursuant to § 203.280.

(l) The mortgagee shall upon application for a mortgage insurance commitment provide true copies of the following organizational documents of the cooperative corporation for examination and approval by the appropriate HUD Field Office:

§ 203.43d Eligibility of mortgages in certain communities.

Notwithstanding any other requirements of this subpart, a mortgage covering a one- to four-family dwelling occupied by the mortgagor as a principal residence (as defined in §203.18(f)(1)) is eligible for insurance if the following requirements are met:

(a) The property is located in a community where the Secretary determines that:

(1) Temporary adverse economic conditions exist throughout the community as a direct and primary result of outstanding claims to ownership of land in the community by an American Indian tribe, band, or Nation;

(2) Such ownership claims are reasonably likely to be settled, by court action or otherwise;

(3) As a direct result of the community’s temporarily impaired economic condition, owners of homes in the community occupied as principal residences (as defined in §203.18(f)(1)) have been involuntarily unemployed or underemployed and have, thus, incurred substantial reductions in income that significantly impair their ability to continue timely payment of their mortgages;

(4) As a result, widespread mortgage foreclosures and distress sales of homes are likely in the community; and

(5) Fifty or more individuals were joined as parties defendant or were members of a defendant class prior to December 31, 1976 in litigation involving claims to ownership of land in the community by an American Indian tribe, band, or Nation.

(b) The mortgagor, as a direct result of the community’s temporarily impaired economic condition, has been involuntarily unemployed or underemployed and has thus incurred substantial reductions in income that significantly impair their ability to continue timely payment of their mortgages.

(c) The mortgagee certifies that the security instrument has been recorded and is a good and valid first lien on the property except for the claims specified in paragraph (a)(1) of this section.

(d) The mortgagee agrees upon insurance of the mortgage to assign such mortgage to the Secretary within 30 days from the date of the issuance of the insurance certificate and if such assignment does not take place, the contract of insurance is terminated and becomes null and void.

(e) Any individual, organization, institution or governmental agency shall be considered a mortgagee for the purposes of this section.

(f) Mortgages complying with the requirements of this section shall be insured under this subpart pursuant to section 203(o) of the National Housing Act. Such mortgages shall be insured under and be the obligation of the Special Risk Insurance Fund.

(g) The mortgage was executed and filed for record on or before October 12, 1977.

§ 203.43e [Reserved]

§ 203.43f Eligibility of mortgages covering manufactured homes.

A mortgage covering a one-family manufactured home (as defined in 24 CFR 3280.2(a)(16)) that meets the requirements of this subpart, except as modified by this section, shall be eligible for insurance pursuant to this subpart.

(a) The manufactured home, when erected on site, shall have floor space area of not less than four hundred square feet and shall have been constructed in conformance with the National Manufactured Home Construction and Safety Standards as evidenced by a certification label affixed thereto in accordance with 24 CFR 3280.8.

(b) The mortgage shall cover the manufactured home and site, shall constitute a mortgage on a property classified and taxed as real estate, and shall have a term of not more than 30 years from the date of the beginning of amortization.

(c) In the case of a manufactured home which has not been permanently erected on a site for more than one year prior to the date of the application for mortgage insurance:

(i) The manufactured home shall be erected on a site-built permanent foundation that meets or exceeds applicable requirements of the Minimum Property Standards for One- and Two-Family

177
§ 203.43f 24 CFR Ch. II (4–1–16 Edition)

Dwellings. 4900.1 (see 24 CFR 200.939(b)(1)) (MPS) and shall be permanently attached thereto by anchoring devices adequate for all loads identified in the MPS. The towing hitch or running gear, which includes axles, brakes, wheels and other parts of the chassis that operate only during transportation, shall have been removed. The finished grade level beneath the manufactured home shall be at or above the 100-year return frequency flood elevation. The site, site improvements, and all other features of the mortgaged property not addressed by the Manufactured Home Construction and Safety Standards shall meet or exceed applicable requirements of the MPS.

(ii) The space beneath the manufactured home shall be enclosed by continuous foundation-type construction designed to resist all forces to which it is subject without transmitting forces to the building superstructure. The enclosure shall be adequately secured to the perimeter of the manufactured home and be constructed of materials that conform to MPS requirements for foundations.

(iii) The manufactured home shall have an overall coefficient of heat transmission ("U" value) calculated in accordance with the procedures of NFPA 501 BM-1976 ("Mobile Home Heating, Cooling Load Calculations") that does not exceed the following for all locations within the following climatic zones:

Zone I ..................................................... .145
Zone II .................................................... .099
Zone III .................................................. .087

NFPA 501 BM-1976 is incorporated by reference and is issued by and available from the National Fire Protection Association, Batterymarch Park, Quincy, MA 02269.

(iv) The manufactured home shall be braced and stiffened before it leaves the factory to resist racking and potential damage during transportation.

(v) The conditions of § 203.18(a)(2)(i) and (ii) of this subpart shall not apply to construction of the manufactured home but shall be applicable to improvement of the site, including construction of the site-built foundation.

(vi) Section 203.14 of this subpart is modified to the extent provided in this paragraph. Applications relating to insurance of mortgages under this paragraph (c) must be accompanied by an agreement in form satisfactory to the Commissioner executed by the seller or builder or such other person as the Commissioner may require agreeing that in the event of any sale or conveyance of the dwelling within a period of one year beginning with the date of initial occupancy, the seller, builder, or such other person will at the time of such sale or conveyance deliver to the purchaser or owner of such property the manufacturer’s warranty on a form prescribed by the Commissioner, which shall provide that the manufacturer’s warranty is in addition to and not in derogation of all other rights and remedies the purchaser or owner may have, and a warranty in form satisfactory to the Commissioner warranting that the manufactured home, the foundation, positioning and anchoring of the manufactured home to its permanent foundation, and all site improvements are constructed in substantial conformity with the plans and specifications (including amendments thereof or changes and variations therein which have been approved in writing by the Commissioner) on which the Commissioner has based his valuation of the dwelling. The warranty shall also include provisions that the manufactured home sustained no hidden damage during transportation, and if the manufactured home is a double-wide, that the sections were properly joined and sealed. Such agreement must provide that upon the sale or conveyance of the dwelling and delivery of the warranty, the seller, builder or such other person will promptly furnish the Commissioner with a conformed copy of the warranty establishing by the purchaser’s receipt thereon that the original warranty has been delivered to the purchaser in accordance with this section.

(d) In the case of a manufactured home which has been permanently erected on a site for more than one year prior to the date of the application for mortgage insurance:

1 Zone III includes Alaska, Montana, Wyoming, North and South Dakota, Minnesota, Wisconsin, Michigan, Maine, New Hampshire, and Vermont.
(i) The manufactured home shall be permanently anchored to and supported by permanent footings and shall have permanently installed utilities that are protected from freezing. The space beneath the manufactured home shall be a properly enclosed crawl space.

(ii) The site, site improvements, and all other features of the mortgaged property not addressed by the Manufactured Home Construction and Safety Standards shall meet or exceed applicable requirements of the Requirements for Existing Housing—One to Four Family Living Units (Handbook 4905.1). The finished grade level beneath the manufactured home shall be at or above the 100-year return frequency flood elevation.

(iii) The manufactured home shall have been occupied only at the location subject to the mortgage sought to be insured.

§ 203.43h Eligibility of mortgages on Indian land insured pursuant to section 248 of the National Housing Act.

A mortgage covering a one- to four-family residence located on Indian land shall be eligible for insurance pursuant to section 248 of the National Housing Act (12 U.S.C. 1715z–13), notwithstanding otherwise applicable requirements related to marketability of title, if the mortgage meets the requirements of this subpart as modified by this section and is made by an Indian Tribe or on a leasehold estate, by an Indian who will occupy it as a principal residence. Mortgage insurance on cooperative shares is not authorized under this section.

(a) Exemptions.

(1) The provisions of subparts I, J, and M of part 200, and §203.30, shall not apply to approval of mortgagors for mortgages insured under this section if the Indian tribe to which the prospective mortgagor belongs is subject to the Indian Civil Rights Act.

(2) In the case of an Indian tribe which is not subject to the Indian Civil Rights Act, the authorities cited in paragraph (a)(1) of this section shall apply, but any preference in the tribe’s approval of the sale or assumption of a lease and mortgage under this section in favor of an eligible Indian over a non-Indian shall not be considered to be a violation of subpart I, J or M.

(b) Eviction procedures. Before HUD will insure a mortgage on Indian land, the tribe having jurisdiction over such property must certify to the HUD Field Office that it has adopted and will enforce procedures for eviction of defaulted mortgagors where the insured mortgage has been foreclosed.

(c) Approval of lease and mortgage. The lease must be on a form prescribed by HUD.
The mortgage must be on a form which meets the requirements of § 203.17(a)(2). Before HUD will insure any mortgage under this section, the mortgagee must demonstrate that the Bureau of Indian Affairs, U.S. Department of Interior, has approved both the lease and mortgage.

(d) Construction advances. The Commissioner may issue a commitment for the insurance of advances made during construction and a Direct Endorsement mortgagee may request insurance of a mortgage that will involve the insurance of advances made during construction. The Commissioner will insure advances made by the mortgagee during construction if all of the following conditions are satisfied:

1. The mortgage shall be a first lien on the leasehold;
2. The mortgagor and the mortgagee execute a building loan agreement, approved by the Commissioner, setting forth the terms and conditions under which advances will be made;
3. The advances are made only as provided in the commitment or the approval by the Direct Endorsement underwriter;
4. The principal amount of the mortgage is held by the mortgagee in an interest bearing account, trust, or escrow for the benefit of the mortgagor or to his or her creditors as provided in the loan agreement;
5. The mortgage shall bear interest on the amount advanced to the mortgagor or to his or her creditors and on the amount held in an account or trust for the benefit of the mortgagor; and
6. The Secretary had determined that no feasible financing alternative is available.

(e) Assumption or sale of leasehold. The form of lease must contain a provision requiring tribal consent before any assumption of an existing lease, except where title to the leasehold interest is obtained by the Secretary through foreclosure of the insured mortgage. A mortgagee other than the Secretary must obtain tribal consent before obtaining title through a foreclosure sale. Tribal consent must be obtained on any subsequent transfer from the purchaser, including the Secretary, at foreclosure sale. The lease may not be terminated by the lessor without HUD's approval while the mortgage is insured or held by the Secretary.

(f) First lien. The first lien requirement under this part is implemented where the mortgage is filed in the State recording system and is a first lien under that system, even though the leasehold interest securing the mortgage is located on Indian land and filed with Bureau of Indian Affairs, U.S. Department of the Interior. Any tribal government whose courts have jurisdiction to hear foreclosures must also:

1. Enact a law satisfactory to the Commissioner providing for the satisfaction of FHA-insured and Secretary-held mortgages before other obligations (other than tribal leasehold taxes against the property assessed after the property is mortgaged) are satisfied; or
2. Enact a law providing that State law shall determine the priority of liens against the property.

(g) Definitions. As used in this section and elsewhere in this part, the term:

1. Indian means and individual member of any Indian tribe and that member's family.
2. Indian land means trust or otherwise restricted land (i) as defined by the Secretary of the Interior, over which an Indian tribe is recognized by the United States as having governmental jurisdiction; (ii) held in trust for the benefit of any Indian tribe or individual or held by any Indian tribe or individual subject to a restriction by the United States against alienation; or (iii) acquired by Alaska natives under the Alaska Native Claims Settlement Act or any other land acquired by Alaska natives pursuant to statute by virtue of their unique status as Alaska natives.
3. Indian tribe means any Indian or Alaska native tribe, band, nation, or other organized group or community of Indians or Alaskan natives recognized as eligible for the services provided to Indians or Alaska natives by the Secretary of the Interior because of its status as such an entity, or that is an eligible recipient under chapter 67 of title 31, United States Code. For purposes of engaging in section 248 insured
mortgage transactions under this section, an Indian tribe may act through its duly authorized representative.

§ 203.43i Eligibility of mortgages on Hawaiian Home Lands insured pursuant to section 247 of the National Housing Act.

(a) Eligibility. A mortgage on a homestead lease granted by the Department of Hawaiian Home Lands covering a one- to four-family residence located on Hawaiian home lands is eligible for insurance pursuant to section 247 of the National Housing Act (12 U.S.C. 1715z-12) if the mortgagor is a native Hawaiian who will occupy it as a principal residence, and if the mortgage meets the requirements of this subpart as modified by this section. Mortgage insurance on cooperative shares under §203.43c on homes in federally impacted areas under §203.43e is not authorized under this section.

(b) Exemptions from other regulations. The provisions of subparts I, J, and M of part 200, and §203.30, to the extent that these provisions would otherwise prohibit preferences in favor of Native Hawaiians in the leasing, sale or other disposition of Hawaiian home lands, do not apply to mortgages insured pursuant to section 247 of the National Housing Act. The first lien requirement contained in §203.17 also does not apply to mortgages insured pursuant to section 247 of the National Housing Act.

(c) Definitions. (1) Department of Hawaiian Home Lands (DHHl) is a Department of the State of Hawaii responsible for management of Hawaiian home lands for the benefit of native Hawaiians.

(2) Hawaiian home lands means all lands given the status of Hawaiian home lands under section 204 of the Hawaiian Homes Commission Act of 1920 (42 Stat. 110), or under the corresponding provision of the Constitution of the State of Hawaii adopted under section 4 of the Act entitled “An Act to provide for the admission of the State of Hawaii into the Union,” approved March 18, 1959 (73 Stat. 5).

(3) Native Hawaiian means any descendant of not less than one-half part of the blood of the races inhabiting the Hawaiian islands before January 1, 1778, or, in the case of an individual who is awarded an interest in a lease of Hawaiian home lands through transfer or succession, such lower percentage as may be established for such transfer or succession under section 208 or 209 of the Hawaiian Homes Commission Act of 1920 (42 Stat.111), or under the corresponding provision of the Constitution of the State of Hawaii adopted under section 4 of the Act entitled “An Act to provide for the admission of the State of Hawaii into the Union,” approved March 18, 1959 (73 Stat. 5).

(d) Conditions for insurance. Mortgages will be eligible for insurance under this section, according to the procedures in §§203.5, 203.6, or 203.7 (as applicable), only where the Department of Hawaiian Home Lands:

(1) Will be a cosignor;

(2) Guarantees or reimburses the Secretary for any mortgage insurance claim paid in connection with a property on Hawaiian home lands; or

(3) Offers other security acceptable to the Secretary.

(e) Acceptable security. Any agreement by the Secretary to accept alternative security under paragraph (d)(3) of this section must contain provisions designed to ensure that the insurance of mortgages under this section has a neutral impact on the appropriate insurance funds. These provisions may require the Department of Hawaiian Home Lands to make an initial deposit of funds with HUD and to maintain additional funds in reserve for subsequent deposits with HUD. The initial and subsequent deposits shall be used to pay obligations incurred by HUD in connection with the insurance of mortgages under this section and any associated costs, including refunds of insurance premiums to mortgagors. If the Department of Hawaiian Home Lands agrees to make deposits in amounts acceptable to HUD, then the Secretary may agree to use a portion of the premiums received for insurance of mortgages under this section solely for payment of such obligations and associated costs.
§ 203.43j Eligibility of mortgages on Allegany Reservation of Seneca Nation of Indians.

A mortgage on a leasehold estate covering a one- to four-family residence located on the Allegany Reservation of the Seneca Nation of Indians in the State of New York is eligible for insurance if the mortgage meets the requirements of this section.

(a) Title. This section applies only to a mortgage which:

(1) Does not meet the requirements of § 203.37;

(2) Is on a leasehold under a lease with a termination date in February 1991, which provides for renewal in accordance with the Act of February 19, 1875 (18 Stat. 330) and the Act of September 30, 1890 (26 Stat. 558).

A mortgage may not be on a leasehold created by a lease which is executed after the effective date of this section as a renewal or replacement of a lease described in paragraph (a)(2) of this section. A mortgage may not be secured by any other right of occupancy created in lieu of a leasehold after the effective date of this section by agreement of the Seneca Nation, court order, law or any other means.

(b) Provisions of mortgage. The Secretary will prescribe special mortgage provisions in the form of a mortgage rider in order better to secure the mortgagee, including:

(1) Authorization for the mortgagee to exercise the option of lease renewal if the mortgagor fails to do so, and to recover from the mortgagor authorized expenses incurred to obtain lease renewal; and

(2) Making a mortgagor failure to take steps necessary for less renewal an event of default under the mortgage.

(c) Secretary agreement with mortgagor. The mortgagor must enter into an agreement with the Secretary and such other parties as the Secretary may require regarding actions to be taken to obtain either a renewal of the lease or a new lease.

(d) Certification. The borrower must certify that it has received disclosures, in a form prescribed by the Secretary, explaining the status of the lease and the consequences of nonrenewal.
Office of Assistant Secretary for Housing, HUD § 203.45

Disclosures shall include a discussion of the fact that a mortgagor who does not obtain a lease renewal and loses the right of occupancy will remain liable for the outstanding balance of the mortgage.

(e) Purchase for principal residence.

The mortgagor must be a purchaser who intends to occupy the property as a principal residence (as defined in §203.18(f)(1)), or a current owner-occupant refinancing a mortgage which is now due or which will become due before the lease termination date in February 1991.

(f) Relationship of income to housing expense. For purposes of §203.33(a), the total prospective housing expense shall include the Secretary’s estimate of future lease payments during the term of the mortgage rather than lease payments in effect at the time of application.

(g) Suspension of commitments. The Secretary may suspend the issuance of commitments to insure mortgages under this section, for the entire period during which commitments could otherwise be issued for insurance under this section (i.e., through February 18, 1991) or for such lesser period as the Secretary may specify, by providing thirty days notice of suspension in the Federal Register. Regardless of its duration, a suspension to be imposed prior to February 19, 1990, will be based on a determination by the Secretary that, for mortgages insured during a specified period, the rate of monetary defaults (as measured by 90 day delinquencies) for mortgages insured under this section exceeds the rate of such monetary defaults for all insured mortgages on one- to four-family properties in the State of New York. A suspension to be imposed after February 18, 1990, will be based on a consideration by the Secretary of the probable costs to the Special Risk Insurance Fund of further commitments to insure under this section, as measured by such factors as the current and projected rate and amount of claims payments, together with other significant current and projected costs as determined by the Secretary, including a review of the actual and projected monetary default rate (as measured by 90 day delinquencies) and the actual and projected rate of lease renewal through negotiation and arbitration.

§ 203.44 Eligibility of advances.

Mortgagees may not make open-end advances under section 225 of the National Housing Act (12 U.S.C. 1715p) in connection with the mortgages insured under this chapter.

[61 FR 36264, July 9, 1996]

§ 203.45 Eligibility of graduated payment mortgages.

A mortgage containing provisions for varying rates of amortization corresponding to anticipated variations in family income shall be eligible for insurance under this subpart subject to compliance with the additional requirements of this section.

(a) The mortgage may provide that any interest which accrues and which is unpaid pursuant to a financing plan approved by the Secretary, shall be added to the principal obligation of the mortgage.

(b) The mortgage shall bear interest at the rate agreed upon by the mortgagee and the mortgagor.

(c) The mortgage amount shall not exceed the lesser of:

(1) The limits prescribed by §§203.18, 203.18a, and 203.29; or,

(2) An amount which, when added to all accrued mortgage interest which will be unpaid under a financing plan approved by the Secretary, shall not exceed 97 percent of the appraised value of the property covered by the mortgage as of the date the mortgage is accepted for insurance. However, if the mortgagor is a veteran, the mortgage amount, when added to all accrued mortgage interest which will be unpaid under a financing plan approved by the Secretary, shall not exceed the applicable limits prescribed for veterans in §203.18(a).

(d) The mortgage must contain complete amortization provisions satisfactory to the Secretary requiring monthly payments by the mortgagor not in excess of his reasonable ability to pay as determined by the Secretary. The sum of the payments to principal and
or interest may increase annually for a period of five years at a rate of 2½ percent, 5 percent or 7½ percent or for a period of ten years at a rate of 2 percent or 3 percent. Any required increase in payments shall occur on the anniversary date of the beginning of amortization. On the termination of the period of annual increases of payments, the sum of the payments to principal and interest in each month shall be substantially the same.

(e) The mortgagor shall fully explain to the mortgagor the nature of the obligation undertaken and the mortgagor shall certify that he or she fully understands the obligation.

(f) Sections 203.21 and 203.44 shall not apply to this section.

(g) This section applies only to mortgagors who are to occupy the dwelling as a principal residence (as defined in §203.18(f)(1)). It does not apply to a mortgage that meets the requirements of §§203.18(a)(4), 203.18(c) through (e), 203.43, 203.43a, 203.49, or 203.49.

(h) Mortgages complying with the requirements of this section shall be insured under this subpart pursuant to section 245 of the National Housing Act.

§203.47 Eligibility of growing equity mortgages.

A mortgage containing provisions for accelerated amortization corresponding to anticipated variations in family income shall be eligible for insurance under this subpart, subject to compliance with the additional requirements of this section.

(a) The mortgage must contain complete amortization provisions, satisfactory to the Secretary, requiring monthly payments by the mortgagor not in excess of the mortgagor’s reasonable ability to pay, as determined by the Secretary.

(b) The mortgage must contain a provision setting forth the payments required for principal and interest in each year of the mortgage.

(c) The monthly payments for principal and interest for the initial year, or such other initial period as the Commissioner may approve, shall be determined on the basis of a 30-year level payment amortization schedule. Subsequent monthly payments for principal and interest may increase annually, biennially or at such other interval that is greater than one year, as the Commissioner may approve. The subsequent periodic increases may be up to five percent above the payments for principal and interest for the previous period.

(d) No later than at the time that a loan application is offered to a prospective mortgagor, the mortgagor shall explain fully to the mortgagor the nature of the obligation undertaken and the mortgagor shall certify that he or she fully understands the obligation.

(e) The mortgage amount shall not exceed the limits prescribed by §203.18, 203.18a, or 203.29.

(f) Sections 203.21 and 203.44 shall not apply to this section.

(g) This section shall not apply to a mortgage which meets the requirements of §203.43, §203.43a, or §203.49.

(h) Mortgages complying with the requirements of this section shall be insured under this subpart pursuant to section 245(a) of the National Housing Act.

§203.49 Eligibility of adjustable rate mortgages.

A mortgage containing the provisions for periodic adjustments by the mortgagee in the effective rate of interest charged shall be eligible for insurance under this subpart subject to compliance with the additional requirements of this section. This section shall apply only to mortgage loans described under sections 203(b), 203(h) and 203(k) of the National Housing Act.

(a) Types of mortgages insurable. The types of adjustable rate mortgages that are insurable are those for which the interest rate may be adjusted annually by the mortgagee, beginning after one, three, five, seven, or ten years from the date of the mortgagor’s first debt service payment.
(b) Interest-rate index. Changes in the interest rate charged on an adjustable rate mortgage must correspond either to changes in the one-year London Interbank Offered Rate (LIBOR) or to changes in the weekly average yield on U.S. Treasury securities, adjusted to a constant maturity of one year. Except as otherwise provided in this section, each change in the mortgage interest rate must correspond to the upward and downward change in the index.

(c) Amortization provisions. The mortgage must contain amortization provisions satisfactory to the Secretary, allowing for periodic adjustments in the rate of interest charged corresponding to changes in the interest rate index.

(d) Frequency of interest rate changes. (1) The interest rate adjustments must occur annually, calculated from the date of the mortgagor's first debt service payment, except that, for these types of mortgages, the first adjustment shall be no sooner or later than the following:

   (i) One-year adjustable rate mortgages—no sooner than 12 months or later than 18 months;
   (ii) Three-year adjustable rate mortgages—no sooner than 36 months or later than 42 months;
   (iii) Five-year adjustable rate mortgages—no sooner than 60 months or later than 66 months;

   (v) Ten-year adjustable rate mortgages—no sooner than 120 months or later than 126 months.

(2) To set the new interest rate, the mortgagee will determine the change between the initial (i.e., base) index figure and the current index figure, or will add a specific margin to the current index figure. The initial index figure shall be the most recent figure available before the date of mortgage loan origination. The current index figure shall be the most recent index figure available 30 days before the date of each interest rate adjustment, except that for forward mortgages originated on or after January 10, 2015, 30 days shall mean 45 days.

(e) Method of rate changes. Interest rate changes may only be implemented through adjustments to the mortgagor's monthly payments.

(f) Magnitude of changes. The adjustable rate mortgage initial contract interest rate shall be agreed upon by the mortgagee and the mortgagor. The first adjustment to the contract interest rate shall take place in accordance with the schedule set forth under paragraph (d) of this section. Thereafter, for all adjustable rate mortgages, the adjustment shall be made annually and shall occur on the anniversary date of the first adjustment, subject to the following conditions and limitations:

   (1) For one- and three-year adjustable rate mortgages, no single adjustment to the interest rate shall result in a change in either direction of more than one percentage point from the interest rate in effect for the period immediately preceding that adjustment. Index changes in excess of one percentage point may not be carried over for inclusion in an adjustment for a subsequent year. Adjustments in the effective rate of interest over the entire term of the mortgage may not result in a change in either direction of more than five percentage points from the initial contract interest rate.

   (2) For five-, seven-, and ten-year adjustable rate mortgages, no single adjustment to the interest rate shall result in a change in either direction of more than two percentage points from the interest rate in effect for the period immediately preceding that adjustment. Index changes in excess of two percentage points may not be carried over for inclusion in an adjustment in a subsequent year. Adjustments in the effective rate of interest over the entire term of the mortgage may not result in a change in either direction of more than six percentage points from the initial contract rate.

(g) Pre-Loan Disclosure. The mortgagee is required to make available to the mortgagor, at the time of loan application, a written explanation of the
features of an adjustable rate mortgage consistent with the disclosure requirements applicable to variable rate mortgages secured by a principal dwelling under the Truth in Lending Act, 15 U.S.C. 1601 et seq.

(h) Disclosures. The mortgagor of an adjustable rate mortgage shall provide mortgagors with the disclosures in the timing, content, and format required by the regulations implementing the Truth in Lending Act (15 U.S.C. 1601 et seq.) at 12 CFR 1026.20(c) and (d).

(i) Cross-reference. Sections 203.21 (level payment amortization provisions) and 203.44 (open-end advances) do not apply to this section. This section does not apply to a mortgage that meets the requirements of §§203.18(a)(4) (mortgagors of secondary residences), 203.18(c) (eligible non-occupant mortgagors), 203.18(d) (outlying area properties), 203.43 (miscellaneous type mortgages), 203.43c (mortgages involving a dwelling unit in a cooperative housing development), 203.43d (mortgages in certain communities), 203.43e (mortgages covering houses in federally impacted areas), 203.45 (graduated payment mortgages), or 203.47 (growing equity mortgages).

(j) Aggregate amount of mortgages insured. The aggregate number of adjustable rate mortgages insured pursuant to this section and 24 CFR part 234 in any fiscal year may not exceed 30 percent of the aggregate number of mortgages and loans insured by the Secretary under Title II of the National Housing Act during the preceding fiscal year.

(k) Insurance authority. Mortgages complying with the requirements of this section shall be insured under this subpart pursuant to section 251 of the National Housing Act.

§203.50 Eligibility of rehabilitation loans.

A rehabilitation loan which meets the requirements of this subpart, except as modified by this section, shall be eligible for insurance under section 203(k) of the National Housing Act.

(a) For the purpose of this section:

(1) The term rehabilitation loan means a loan, advance of credit, or purchase of an obligation representing a loan or advancement of credit, made for the purpose of financing:

(i) The rehabilitation of an existing one-to-four unit structure which will be used primarily for residential purposes;

(ii) The rehabilitation of such a structure and refinancing of the outstanding indebtedness on such structure and the real property on which the structure is located; or

(iii) The rehabilitation of such a structure and the purchase of the structure and the real property on which it is located; and

(2) The term rehabilitation means the improvement (including improvements designed to meet cost-effective energy conservation standards prescribed by the Secretary and improvements for accessibility to the handicapped) or repair of a structure, or facilities in connection with a structure, and may include the provision of such sanitary or other facilities as are required by applicable codes, a community development plan, or a statewide property insurance plan to be provided by the owner or tenant of the project.

(b) The provisions of §203.18 (except as otherwise provided in paragraphs (f)(1) and (2) of this section) and §203.43c shall not apply to loans insured under this section.

(c) The loan shall cover a dwelling which was completed more than one year preceding the date of the application for mortgage insurance and which was approved for mortgage insurance prior to the beginning of rehabilitation.

(d)(1) The buildings on the mortgaged property must, upon completion of rehabilitation, conform with standards prescribed by the Secretary.

(2) Improvements or repairs made under this section must be designed to meet cost-effective energy conservation standards prescribed by the Secretary.

(e) The loan transaction shall be an acceptable risk as determined by the Commissioner.
(f) The loan may not exceed an amount which, when added to any outstanding indebtedness of the borrower that is secured by the property, creates an outstanding indebtedness in excess of the lesser of:

1. The limits prescribed in §§203.18(a) (1) and (3) (in the case of a dwelling to be occupied as a principal residence, as defined in §203.18(f)(1));
   (ii) the limits prescribed in §§203.18(a) (1) and (4) (in the case of a dwelling to be occupied as a secondary residence, as defined in §203.18(f)(2)); (iii) 85 percent of the limits prescribed in §203.18(c), or such higher limit, not to exceed the limits set forth in §§203.18(a) (1) and (3), as the Secretary may prescribe (in the case of an eligible non-occupant mortgagor as defined in §203.18(f)(3)); (iv) the limits prescribed in §203.18a, based upon the sum of the estimated cost of rehabilitation and the Commissioner’s estimate of the value of the property before rehabilitation; or
   (2) The limits prescribed in the authorities listed in this paragraph (f), based upon 110 percent of the Commissioner’s estimate of the value of the property after rehabilitation.

(g) The loan limitation prescribed by paragraph (f)(2) of this section shall not be applicable where a unit of local government demonstrates to the satisfaction of the Commissioner that:

1. The property is located within an area which is subject to a community sponsored program of concentrated re-development or revitalization, and,
2. The loan limitation prescribed by paragraph (f)(2) of this section prevents the utilization of the program to accomplish rehabilitation in the subject area, and,
3. The interests of the mortgagor and the Commissioner are adequately protected.

(h) Insurance may be available for advances made during rehabilitation or upon completion of rehabilitation, according to the procedures in §203.5, 203.6, or 203.7 (as applicable).

(i) Rehabilitation loans which do not involve the insurance of advances, the refinancing of outstanding indebtedness or the purchase of the property need not be a first lien on the property but shall not be junior to any lien other than a first mortgage. The provisions of §§203.15, 203.19, 203.23, 203.24, 203.26, and 203.43j shall not be applicable to such loans.

(j) The Commissioner may insure advances made by the mortgagee during rehabilitation if the following conditions are satisfied:

1. The mortgage shall be a first lien on the property.
2. The mortgagor and the mortgagee shall execute a rehabilitation loan agreement, approved by the Commissioner, setting forth the terms and conditions under which advances will be made.
3. The advances shall be made as provided in the rehabilitation loan agreement.
4. The principal amount of the mortgage shall be held by the mortgagee in an interest bearing account, trust, or escrow for the benefit of the mortgagor pending advancement to the mortgagor or his creditors as provided in the rehabilitation loan agreement.
5. The loan shall bear interest at the rate prescribed in §203.20 on the amount advanced to the mortgagor or its creditors, and the amount held in an account or trust for the benefit of the mortgagor.
6. If paragraph (k) of this section applies, the rehabilitation loan agreement shall restrict advancement to the mortgagor, or to creditors other than the mortgagor, so that any loan proceeds in excess of the 85 percent set forth in paragraph (f)(1)(iii) of this section shall not be advanced until the property is sold to a purchaser described in paragraph (k)(2) of this section.
7. In the case of a dwelling (1) to be occupied neither as a principal residence nor as a secondary residence and (2) where the loan is approved for a limit higher than the 85 percent set forth in paragraph (f)(1)(iii) of this section, the eligible non-occupant mortgagor (as defined in §203.18(f)(3)) shall certify to the Commissioner that:

1. The mortgagor will not rent (except for a rental term of not less than 30 days and not more than 60 days), sell (except where the insured mortgage is paid in full as an incident of the sale), or occupy the property before a due date approved by the Commissioner,
§ 203.51 Applicability.

The provisions of §§203.18(a), (c), (d), (e)(3), and (f); §203.28(c); §203.31; §203.43(c); §203.43(k); §203.43(g); §203.43d(a); §203.43g(a)(1); §203.43(c); §203.45(g); §203.49(h); §203.49(f); §203.50(f); and §203.50(k) of this subpart apply to mortgages insured:

(1) Pursuant to a conditional commitment or master conditional commitment issued on or after September 24, 1990; or

(2) In accordance with the Direct Endorsement program, if the underwriter of the mortgagee signs the appraisal report or master appraisal report for the property on or after September 24, 1990; or

(3) Pursuant to a certificate of reasonable value or master certificate of reasonable value issued by the Department of Veterans Affairs on or after September 24, 1990.

§ 203.52 Acceptance of individual residential water purification equipment.

If a property otherwise eligible for insurance under this part does not have access to a continuing supply of safe and potable water without the use of a water purification system, the requirements of this section must be complied with as a condition to acceptance of the mortgage for insurance. The mortgagee must provide appropriate documentation with the submission for insurance endorsement to address each of the requirements of this section.

(a) Equipment. Water purification equipment must be approved by a nationally recognized testing laboratory acceptable to the local or state health authority.

(b) Certification by local (or state) health authority. A local (or state) health authority certification must be submitted to HUD which certifies that:

(1) A point-of-entry or point-of-use water purification system is currently in operation on the property. If the system in operation employs point-of-use equipment, the purification system must be employed on each water supply source (faucet) serving the property. Where point-of-entry systems are
used, separate water supply systems carrying untreated water for flushing toilets may be constructed.

(2) The system is sufficient to assure an uninterrupted supply of safe and potable water adequate to meet household needs.

(3) The water supply, when treated by the equipment, meets the requirements of the local (or state) health authority, and has been determined to meet local or state quality standards for drinking water. If neither state nor local standards are applicable, then quality shall be determined in accordance with standards set by the Environmental Protection Agency (EPA) pursuant to the Safe Drinking Water Act. (EPA standards are prescribed in the National Primary Drinking Water requirements, 40 CFR parts 141 and 142.)

(4) There exists a Plan providing for the monitoring, servicing, maintenance, and replacement of the water equipment, which Plan meets the requirements of paragraph (f) of this section.

(c) Mortgagor notice and certification.

(1) The prospective mortgagor must have received written notification, before the mortgagor signed a sales contract, that the property has a hazardous water supply that requires treatment in order to remain safe and acceptable for human consumption. The notification to the mortgagor must identify specific contaminants in the water supply serving the property, and the related health hazard arising from the presence of those contaminants.

(2) The mortgagor must have received, with the notification described in paragraph (c)(1) of this section, a written good faith estimate of the maintenance and replacement costs of the equipment necessary to assure continuing safe drinking water.

(3) A copy of the notification statement (including cost estimates), dated before the date of the sales contract, and signed by the prospective mortgagor to acknowledge its receipt, must accompany the submission for insurance endorsement. If a sales contract is signed in advance of the disclosure required by this paragraph, another sales contract must be executed after the information is provided to the prospective mortgagor and he or she has acknowledged receipt of the disclosure.

(4) The prospective mortgagor must sign a certification, substantially in the form set out in this paragraph (c)(4), at the time the application for mortgage credit approval is signed. This certification must be submitted to HUD: Mortgagor’s Certificate. I hereby acknowledge and understand that the home I am purchasing has a water purification system which I am responsible for maintaining.

I understand that the individual water supply is unsafe for consumption unless the system is operating properly. I am aware that if I do not properly maintain the system, the water supply will not be purified or treated properly, thereby rendering the water supply unsafe for consumption.

I also understand that the Department of Housing and Urban Development does not warrant the condition of the property, will not give me any money for repairs to the water purification system, and has relied upon the local (or state) health authority to assure that the water supply, when processed by properly maintained equipment, is acceptable for human use and consumption.

(d) Service contract. Before mortgage closing, the mortgagor must enter into a service contract with an organization or individual specifically approved by the local (or state) health authority to carry out the provisions of the required Plan for servicing, maintenance, repair and replacement of the water purification equipment. A copy of the signed service contract must be provided to HUD.

(e) Escrow for maintenance and replacement. The mortgagor must establish and maintain an escrow account which provides for the accumulation of funds paid with the mortgagor’s monthly mortgage payment adequate to assure proper servicing, maintenance, repair and replacement of the water purification equipment. The amount to be collected and escrowed by the mortgagor shall be based upon information provided by the manufacturer for the maintenance and replacement of the water purification equipment and for other charges anticipated by the service contractor. The initial monthly escrow amount shall be stated in the Plan. Disbursements from the
account will be limited to costs associated with the normal servicing, maintenance, repair or replacement of the water purification equipment. Disbursements may only be made to the service contractor or its successor, to equipment suppliers, to the local (or state) health authority for the performance of testing or other required services, or to another entity approved by the health authority. So long as water purification remains necessary and the mortgage is insured by HUD, the mortgagee must maintain the escrow account.

(f) Approved Plan. A Plan, in the form of a contract entered into by the mortgagor and mortgagee and approved by the local (or state) health authority, must set out conditions that must be met by the parties as a condition to insurance of the mortgage by HUD. To be approved by the health authority:

(1) The Plan must set forth the respective responsibilities to be assumed by the mortgagor and the mortgagee, as well as the other entities who will implement the Plan, i.e., the health authority and the service contractor. In particular:

(i) The Plan must set out the responsibilities of the health authority for monitoring and enforcing performance of the service contractor, including any successor contractor that the health authority may later have occasion to name. By its approval of the Plan, the health authority documents its acceptance of these responsibilities, and the Plan should so indicate;

(ii) The Plan must provide for the monitoring of the operation of the water purification equipment, as well as for servicing (including disinfecting), and for repairing and replacing the system, as frequently as necessary, taking into consideration the system’s design, anticipated use, and the type and level of contaminants present. Installation, servicing, repair and replacement of the water purification system must be performed by an individual or organization approved for the purpose by the local (or state) health authority and identified in the Plan. In meeting the requirements of paragraph (f)(1)(ii) of this section, the Plan may incorporate by reference specific terms and conditions of the service contract required under paragraph (d) of this section.

(iii) Under the Plan, responsibility for monitoring the performance of the service contractor and for assuring that the water purification system is properly serviced, repaired, and replaced rests with the local (or state) health authority that has given its approval to the Plan. The Plan must confer on the health authority all powers necessary to effect compliance by the service contractor. The health authority’s powers shall include the authority to notify the mortgagor of any noncompliance by the service contractor. The plan must provide that, upon any notification of noncompliance received from the health authority, the mortgagor shall have the right to discharge the service contractor for cause and to appoint a successor organization or individual as service contractor; and

(iv) The Plan must provide for the mortgagor to make periodic escrow payments necessary for the servicing, maintenance, repair and replacement of the water purification system, and for the mortgagee to disburse funds from the escrow account as required, to the appropriate party or parties.

(2) The Plan must provide that if the dwelling served by the water purification system is refinanced, or is sold or otherwise transferred with a HUD-insured mortgage, the Plan will:

(i) Continue in full force and effect;

(ii) Impose an obligation on the mortgagor to notify any subsequent purchaser or transferee of the necessity for the water purification system and for its proper maintenance, and of the obligation to make escrow payments; and

(iii) Require the mortgagor to furnish the purchaser with a copy of the Plan, before any sales contract is signed.

(g) Periodic analysis. Any Plan developed in accordance with this section must provide that an analysis of the water supply shall be obtained from the local (or state) health authority no less frequently than annually, but more frequently, if determined at any
time to be necessary by the health authority or by the service contractor.

INSURED TEN-YEAR PROTECTION PLANS (PLAN)

SOURCE: Sections 203.200 through 203.209 appear at 55 FR 41021, Oct. 5, 1990, unless otherwise noted.

§ 203.200 Definitions.

As used in §203.201 through §203.209, the following terms shall have the meaning indicated:

Coverage contract means a warranty certificate, insurance policy, or other document of similar purpose (including any endorsements), delivered to the homeowner at the time of closing or settlement which is issued by a State, a builder, a warranty company, or an insurance company and which defines the terms and conditions under which a Plan will provide warranty coverage of the covered property.

Construction deficiencies are defects (not of a structural nature) in a dwelling covered by an insured ten-year protection plan that are attributable to poor workmanship or to the use of inferior materials which result in the impaired functioning of the dwelling or some part thereof. Defects resulting from homeowner abuse or from normal wear and tear are not considered construction deficiencies.

Insurance backing (or insurance backer) means the direct insurance or reinsurance of potential Plan obligations by one or more insurance companies.

Insured ten-year protection plan or Plan means an agreement between a homeowner and a Plan issuer which, among other things, contains warranties regarding the construction and structural integrity of the homeowner’s one- to four-family dwelling covered by an FHA-insured mortgage. A Plan issuer may be a State, an insurance company, a warranty company, a Risk Retention Group as defined in 15 U.S.C. 3901a(4)(A)-(H) (Supp. IV 1986), a builder, or by any other HUD-approved entity with the required insurance backing. A Plan must specify in its coverage contract the obligations and duties of the Plan issuer to the homeowner (or to the homeowner’s successor in interest) with respect to the warranties covering the dwelling.

Plumbing means all components of piped on-site gas, fluid, or fluid-based systems that are not separately covered by manufacturers’ warranties, and includes any on-site water supply or sewage disposal systems.

State includes the several States, Puerto Rico, the District of Columbia, Guam, the Trust Territory of the Pacific Islands, American Samoa, and the Virgin Islands.

Structural defect is actual physical damage to the designated load-bearing portions of a home caused by failure of such load-bearing portions that affects their load-bearing functions to the extent that the home becomes unsafe, unsanitary, or otherwise unlivable. Load-bearing components for the purpose of defining structural defects are defined as follows: Footing and foundation systems; beams; girders; lintels; columns; load-bearing walls and partitions; roof framing systems; and floor systems, including basement slabs in homes constructed in designated areas (see §203.207) containing expansive or collapsible soils. Damage to the following nonload-bearing portions of the home is not considered a structural defect: Roofing; drywall and plaster; exterior siding; brick, stone, or stucco veneer; floor covering material; wall tile and other wall coverings; nonload-bearing walls and partitions; concrete floors in attached garages; electrical; plumbing, heating, cooling and ventilation systems; appliances, fixtures and items of equipment; paint; doors and windows; trim, cabinets, hardware, and insulation. Repair of a structural defect is limited to:

(1) The repair of damage to designated load-bearing portions of the home which is necessary to restore their load-bearing ability;

(2) The repair of designated non-load-bearing portions, items or systems of the home, damaged by the structural defect, which make the home unsafe, unsanitary or otherwise unlivable (such as the repair of inoperable windows, doors and the restoration of functionality of damaged electrical,
plumbing, heating, cooling, and ventilating systems); and

(3) The repair and cosmetic correction of only those surfaces, finishes and coverings, original with the home, damaged by the structural defect, or which require removal and replacement attendant to repair of the structural defect, or to repair other damage directly attributable to the structural defect. It is the intent of this section to ensure the repair of a covered home to a condition approximately the condition just prior to the defect, not to a like new condition. It does not require refinishing of all interior or exterior surfaces if only one or two surfaces are damaged. It does not cover personal property items, not a part of the structure, which are damaged by the defect or as a result of the defect. It excludes damage covered by a homeowner’s casualty insurance policy.

Warranty company is an insurance company or other entity that provides insurance backing for an insured ten-year protection plan which, if the Plan issuer fails to meet its obligations to a covered homeowner, will assume the obligations and perform in accordance with the Plan’s coverage contract with the homeowner.

§ 203.201 Scope.

Effective August 6, 1991, the provisions and requirements set forth in § 203.202 through § 203.209 apply to one- to four-family dwellings covered by HUD mortgage insurance (including family units in a condominium where the units are insured under subpart A of part 234 of this chapter).

§ 203.202 Plan acceptability and acceptance renewal criteria—general.

(a) For a Plan to be acceptable to HUD, it must assure that:

(1) If a builder, for any reason, fails to correct structural defects or construction deficiencies in a property covered by an insured 10-year protection Plan during the term of any warranty offered by the builder on the property, the Plan issuer will effect the corrections in accordance with the terms of the Plan; and

(2) If a Plan issuer, for any reason, fails to effect correction of these deficiencies or defects, or otherwise fails to honor the terms of its coverage, its insurance backer or, if the Plan issuer is an insurance company, the insurance company itself, will effect the corrections or otherwise honor the terms of the Plan.

(b) In evaluating applications for renewal of Plan acceptance, HUD will take into consideration such reliable evidence, as is made available to the Department, of a Plan issuer’s failure to fulfill its obligations. Where HUD has credible evidence of a Plan issuer’s failure to correct covered homeowner problems, or there are justifiable homeowner complaints about untimely problem resolution by a Plan issuer, HUD will consider this as cause for termination of a Plan’s acceptance and as grounds for initiation of sanctions against a Plan issuer or insurance backer, in accordance with 2 CFR part 2424. If HUD proposes to terminate a Plan’s acceptance, the issuer of the Plan will be advised of the reason therefore, and the procedural safeguards of 2 CFR part 2424 will apply.

(c) Unless renewed, Plan acceptance by HUD expires automatically on the second anniversary date of acceptance. The Plan issuer must apply for acceptance renewal at least two months, but no more than three months, in advance of expiration to avoid automatic acceptance termination. Prior acceptance of a Plan will be continued beyond the date of automatic acceptance termination only by a written notification to the Plan issuer and only if the delay is caused by a lack of timely HUD processing of a renewal application. HUD will not extend the expiration date of a prior Plan acceptance if the Plan issuer has negligently provided incomplete information with its renewal application.

(d) After a Plan has been accepted by HUD, there shall be no change in, or modification to, its provisions, or in its insurance backers or insurance contract(s), without prior written HUD acceptance of such change or modification, except that changes mandated by other applicable laws may not require HUD’s prior approval. A violation of this condition may be cause for termination of a Plan’s acceptance, and may be grounds for initiation of sanctions against the Plan issuer, in accordance
with 2 CFR part 2424. Insofar as practicable, HUD will respond to a Plan issuer’s request for acceptance of a change within 30 days of receipt of the request. Plan acceptance by HUD will be for a two-year period.

(e) Requests for initial HUD acceptance or renewal of acceptance of a Plan should be made to the Deputy Assistant Secretary for Single Family Housing, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410. Requests must be accompanied by information and documentation evidencing Plan compliance with § 203.204. Acceptability of Plans will be determined by the Deputy Assistant Secretary for Single Family Housing who will notify applicants of his or her determination. If a Plan is rejected, the applicant will be advised of the reason for rejection. The applicant may appeal the rejection to the Assistant Secretary for Housing, at the above address, stating specifically why the Plan should be approved. The Assistant Secretary (whose decision is final) will, within a reasonable time, advise the applicant whether the rejection will be upheld or reversed. Each HUD field office will be advised of Plans determined to be acceptable, or Plans that have been rejected.

(f) Existing Plans will be allowed a grace period of 9 months commencing from November 6, 1990 to make the necessary adjustments to comply with the provisions and requirements of § 203.200 to § 203.209.

(g) Each Plan issuer must submit a written certification addressed to the Deputy Assistant Secretary for Single Family Housing, 451 Seventh Street, SW., Washington, DC 20410, no later than three weeks before the anniversary date of the Plan’s acceptance by HUD, that the insurance company backing its Plan is still an insurance carrier approved by the State insurance commission (or the equivalent entity) in each jurisdiction in which the Plan is offered, or is still a Risk Retention Group meeting the criteria of § 203.208 of this part.

(Approved by the Office of Management and Budget under control number 2502–0343)

§ 203.203 Issuance and nature of insured 10-year protection plans.

(a) Plans may be issued:

(1) By a builder, warranty company, insurance company, or Risk Retention Group (see 15 U.S.C. 3901a(4)(A)–(H) (Supp. IV 1986); or

(2) By a State that guarantees the builder’s performance and the State’s continuing financial backing throughout the Plan’s coverage period.

(b) All Plans must have insurance backing unless backed by the full faith and credit of a State.

(c)(1) Plans backed by the full faith and credit of a State must be in compliance with § 203.200 through § 203.202, § 203.204 through § 203.206, and § 203.209 to be acceptable to HUD. HUD will evaluate these Plans to ensure their compliance with these sections.

(2) HUD will not accept Plans backed by a State agency or a State insurance guaranty fund unless HUD is assured that the full faith and credit of the State is pledged to satisfy any and all obligations of the State agency or guaranty fund that may arise in connection with its financial backing of a Plan.

(d) The functions of a Plan issuer and an insurance backer may be performed by a single corporate entity.

§ 203.204 Requirements and limitations of a plan.

In addition to complying with the criteria set out in § 203.202 and § 203.205, for a Plan to be acceptable to HUD, it must meet the following requirements:

(a) A Plan must assure timely resolution of homeowners’ complaints or claims covered under § 203.205. Warranties set forth in a Plan must comply with section 2301(a)(1)–(13) of the Magnuson-Mass Warranty-Federal Trade Commission Improvement Act (15 U.S.C. 2301–2312) along with the requirements and criteria set out in this section.

(b) The entire cost to the homeowner for Plan coverage must be prepaid by the builder, or the Plan issuer must give irrevocable coverage, at the time of settlement. In the case of optional coverage beyond the coverage required under § 203.205, the cost for the optional coverage may be paid by either the builder or the homeowner.
(c) Unexpired Plan coverage must be automatically transferred, without additional cost, to subsequent homeowners.

(d) Issued Plan coverage must be noncancellable by a Plan issuer or by its insurance backer(s).

(e) Exclusions from Plan coverage must not defeat coverage objectives stated in §203.202 and §203.205 and must permit normal homeowner use of the covered property, including normal maintenance and emergency property protection measures.

(f) Unless prohibited by applicable law, Plans must, at a minimum, stipulate that all homeowner complaints covered by a Plan, including those regarding construction deficiencies and structural defects claims, will be settled in the amount of their actual cost to correct or for the original sales price of the property, whichever is the lesser, subject to a deductible not to exceed a total of $250 for all claims filed by a homeowner during the first two years of coverage and not to exceed a maximum of $250 per claim during the third through the tenth year of coverage.

(1) In the case of claims filed by a condominium association, the deductible is limited to $250.00 per claim for each affected unit in the structure, not to exceed a maximum of $5,000.00 where the claim relates to the same event that affected several units. Recurrent claims for structural defects occasioned by a common cause shall be subject to the payment of no more than one deductible. In addition, a Plan covering a condominium must provide the condominium association with an additional warranty that allows for claims by homeowners involving the common elements of the building.

(2) A homeowner shall be liable for a deductible only if a builder defaults on warranty performance and the Plan issuer has to make the covered corrections. When the builder performs corrections under the builder’s warranty, no deductible that may be included in the Plan is applicable.

(g) In the event of any dispute regarding a homeowner complaint or structural defect claim, Plans must, unless prohibited by applicable law, provide for binding arbitration proceedings arranged through a nationally recognized dispute settlement organization. The sharing of arbitration charges shall be as determined by the Plan. A Plan must contain pre-arbitration conciliation provisions at no cost to the homeowner, and provision for judicial resolution of disputes, but arbitration, which must be available to a homeowner during the entire term of the coverage contract, must be an assured recourse for a dissatisfied homeowner.

(h) Where a State has a home protection act or other statutes or regulations that require its approval of Plans, a Plan issuer must demonstrate such approval to HUD as an additional prerequisite to HUD acceptance.

(1) A Plan issuer must provide homeowners an executed coverage contract clearly describing—

(1) The identity of the property covered;

(2) The time at which coverage begins;

(3) The maximum amount of Plan liability;

(4) Noncancellable of the coverage contract by the Plan or its insurance backers;

(5) No-cost transferability of unexpired coverage to successors in title;

(7) Any exclusions from coverage;

(8) Performance standards for resolving homeowner complaints and claims (if standards for complaint and claim adjustment are promulgated as part of a Plan);

(9) Dispute settlement procedures;

(10) The names, addresses, and telephone numbers of the Plan issuer and its insurance backers; and

(11) When, to whom, under what conditions, and to what address homeowners should submit any construction deficiency complaints or structural defects claims.

(j) Plans will not be required to warrant that a covered property complies with:

(1) Original dwelling plans and specifications;

(2) Applicable building codes; or

(3) Specific terms of a homeowner’s contract to purchase a property.

§ 203.205 Plan coverage.

(a) Plan coverage must take effect at closing or settlement following the initial sale of the property to the homeowner.

(b) During the first year of coverage, a Plan must provide for a warranty against defects in workmanship and materials resulting from the failure of the covered property to comply with standards of quality as measured by acceptable trade practices, as well as correct the problems with, or restore the reliable function of, appliances and equipment damaged during installation or improperly installed by the builder. The plan must also cover structural defects as defined in §203.200.

(c) During the first and second year of coverage, a Plan must provide a warranty against defects in the wiring, piping and ductwork in the electrical, plumbing, heating, cooling, ventilating, and mechanical systems.

(d) Basement slabs in designated areas must be covered by a warranty in the Plan against damage from the first through the fourth year.

(e) From the first through the tenth year, structural defect (as defined in §203.200), except as provided in paragraph (d) of this section, must be covered by a warranty in the Plan.

(f) A Plan must provide insurance coverage for builder default on any warranty obligation.

The coverage described in paragraph (b) through (f) of this section is the minimum level of coverage that HUD will find acceptable in a Plan.

§ 203.206 Housing performance standards or criteria.

A Plan may contain housing performance standards or criteria for resolution of homeowner claims or complaints that are fair, reasonable, and consistent with the intent of the Plan, including Plan coverage under §203.205. If a Plan contains such criteria or standards, they must be acceptable to the Secretary.

§ 203.207 Designated area.

The Secretary may designate any part of the country as a “high risk area” where construction practices allow basement slabs to be placed on expansive or collapsible soil. By virtue of this authority, the Secretary has designated the State of Colorado as a “high risk area.”

§ 203.208 Insurance backing criteria.

An insurance company backing or operating a Plan must be duly licensed or approved (and with the Plan filed and approved where appropriate) to market such insurance coverage by the proper regulatory agency in each State in which the Plan will operate. Any company operating under the Product Liability Risk Retention Act of 1981, as amended, will be regarded as having met licensing, filing, and approval requirements of all States, but must first demonstrate that it—

(1) Meets licensing, filing and approval requirements in its domiciliary State; and

(2) Meets each of the requirements of paragraphs (A) through (H) of section (a)(4) of the Liability Risk Retention Act of 1986 (15 U.S.C. 3901(a)(4) (A) through (H), (Supp. IV 1986).

(Approved by the Office of Management and Budget under control number 2502–0343)

§ 203.209 Payments under a plan.

(b) If payment is to be made to the mortgagee and homeowner, the Plan issuer first must receive the mortgagee’s assurance in writing that the mortgagee is satisfied, based on a showing by the homeowner, that the homeowner has made a binding commitment to have the necessary repairs made to restore the damaged property. If a homeowner elects not to repair his or her damaged property, then the mortgagee must apply the compensation in reduction of the outstanding indebtedness of the mortgage.

Effective Date

§ 203.249 Effect of amendments.

The regulations in this subpart may be amended by the Secretary at any
time and from time to time, in whole
or in part, but such amendment will
not adversely affect the interests of a
mortgagee under the contract of insur-
ance on any mortgage or loan already
insured, and will not adversely affect
the interest of a mortgagee on any
mortgage or loan to be insured for
which either the Direct Endorsement
or Lender Insurance mortgagee has ap-
proved the mortgagor and all terms
and conditions of the mortgage or loan,
or the Secretary has issued a firm com-
mmitment. In addition, such amendment
will not adversely affect the eligible-
specific property if such property is
covered by a conditional commitment
issued by the Secretary, a certificate of
reasonable value issued by the Sec-
retary of Veterans Affairs, or an ap-
praisal report approved by a Direct En-
dorsement or Lender Insurance under-
writer.

§ 203.255 Insurance of mortgage.

(a) Mortgages with firm commitments. For applications for insurance involving mortgages not eligible to be originated under the Direct Endorsement program under § 203.5, or under the Lender Insurance program under § 203.6, the Secretary will either endorse the mortgage for insurance by issuing a Mortgage Insurance Certificate, provided that the mortgagee is in compliance with the firm commitment, or will electronically acknowledge that the mortgage has been insured.

(b) Endorsement with Direct Endorsement processing. For applications for insurance involving mortgages originated under the Direct Endorsement program under § 203.5, the mortgagee shall submit to the Secretary, within 60 days after the date of closing of the loan or such additional time as permitted by the Secretary, properly completed documentation and certifications as listed in this paragraph (b):

(ii) Loss of privilege to use TOTAL. Mortgagees and AUS vendors found to violate the requirements applicable to the use of TOTAL may have their access to TOTAL and all associated privileges terminated upon appropriate notice in accordance with the following procedure:

(A) Notice. HUD will provide a mortgagee or vendor with a 30-day notice of a violation and loss of privilege. The notice will state the nature of the violation, the effective date of the loss of the privilege, and the duration of the loss of the privilege. The notice will become effective on the date provided in the notice, unless the mortgagee or vendor appeals the violation and loss of privilege in accordance with paragraph (b)(5)(ii)(B) of this section.

(B) Appeal. A party receiving a notice of violation may appeal to the Deputy Assistant Secretary for Single Family Housing (DAS-SFH), or his or her designee, before the effective date of the notice by providing evidence to refute the violation. (c) Pre-endorsement review for Direct Endorsement. Upon submission by an approved mortgagee of the documents required by paragraph (b) of this section, the Secretary will review the documents and determine that:

(1) The mortgage is executed on a form which meets the requirements of the Secretary;
Office of Assistant Secretary for Housing, HUD § 203.255

(2) The mortgage maturity meets the requirements of the applicable program;
(3) The stated mortgage amount does not exceed the maximum mortgage amount for the area as most recently announced by the Secretary, except for mortgages under 24 CFR part 206;
(4) All documents required by paragraph (b) of this section are submitted;
(5) All necessary certifications are made in accordance with paragraph (b) of this section;
(6) There is no mortgage insurance premium, late charge or interest due to the Secretary; and
(7) The mortgage was not in default when submitted for insurance or, if submitted for insurance more than 60 days after closing whether the mortgage shows an acceptable payment history.

In addition, the Secretary is authorized to determine if there is any information indicating that any certification or required document is false, misleading, or constitutes fraud or misrepresentation on the part of any party, or that the mortgage fails to meet a statutory or regulatory requirement. If, following this review, the mortgage is determined to be eligible, the Secretary will endorse the mortgage for insurance by issuance of a Mortgage Insurance Certificate. If the mortgage is determined to be ineligible, the Secretary will inform the mortgagee in writing of this determination, and include the reasons for the determination and any corrective actions that may be taken.

d) Submission by mortgagee other than originating mortgagee. If the originating mortgagee assigns the mortgage to another approved mortgagee before pre-endorsement review under paragraph (c) of this section, the assignee may submit the required documents for pre-endorsement review in the name of the originating mortgagee. All certifications must be executed by the originating mortgagee, or its underwriter, if appropriate. The purchasing mortgagee may pay any required mortgage insurance premium, late charge and interest.

e) Post-Endorsement review for Direct Endorsement. Following endorsement for insurance, the Secretary may review all documents required by paragraph (b) of this section. If, following this review, the Secretary determines that the mortgage does not satisfy the requirements of the Direct Endorsement program, the Secretary may place the mortgagee on Direct Endorsement probation, or terminate the authority of the mortgagee to participate in the Direct Endorsement program pursuant to §203.3(d), or refer the matter to the Mortgagee Review Board for action pursuant to part 25 of this title.

(2) Recordkeeping. Mortgagees must maintain records, including origination files, in a manner and for a time period to be prescribed by the Assistant Secretary for Housing—Federal Housing Commissioner, and must make them available to authorized HUD staff upon request.

(3) Insuring the mortgage. If, following this review, the mortgage is determined to be eligible, the mortgagee will electronically submit all required data to HUD regarding the mortgage. HUD’s electronic system will acknowledge that the mortgage has been insured. HUD’s electronic system may also issue a notice to the mortgagee that the mortgage has been selected for post-insurance technical review, and that the HUD case binder must be sent to the identified HUD office.

(g) Indemnification—(1) General. By insuring the mortgage, a Lender Insurance mortgagee agrees to indemnify HUD, in accordance with this paragraph.

(2) Definition of origination. For purposes of indemnification under this paragraph, the term “origination” means the process of creating a mortgage, starting with the taking of the initial application, continuing with the
processing and underwriting, and ending with the mortgagee endorsing the mortgage note for FHA insurance.

(3) Serious and material violation. The mortgagee shall indemnify HUD for an FHA insurance claim paid within 5 years of mortgage insurance endorsement, if the mortgagee knew or should have known of a serious and material violation of FHA origination requirements, such that the mortgage loan should not have been approved and endorsed by the mortgagee and irrespective of whether the violation caused the mortgage default. Such a serious and material violation of FHA requirements in the origination of the mortgage may occur if the mortgagee failed to, among other actions:

(i) Verify the creditworthiness, income, and/or employment of the mortgagor in accordance with FHA requirements;

(ii) Verify the assets brought by the mortgagor for payment of the required down payment and/or closing costs in accordance with FHA requirements; or

(iii) Address property deficiencies identified in the appraisal affecting the health and safety of the occupants or the structural integrity of the property in accordance with FHA requirements, or

(iv) Ensure that the appraisal of the property serving as security for the mortgage loan satisfies FHA appraisal requirements, in accordance with §203.5(e).

(4) Fraud or misrepresentation. The mortgagee shall indemnify HUD for an insurance claim if the mortgagee knew or should have known that fraud or misrepresentation was involved in connection with the origination of the mortgage, regardless of whether the fraud or misrepresentation caused the mortgage default and regardless of when an insurance claim is filed.

(5) Demand for indemnification. The demand for indemnification will be made by either the Secretary or the Mortgagee Review Board. Under indemnification, the Lender Insurance mortgagee agrees to either abstain from filing an insurance claim, or reimburse FHA if a subsequent holder of the mortgage files an insurance claim and FHA suffers a financial loss.

§ 203.256 Insurance of open-end advance.

Insurance on an open-end advance will be evidenced by delivery of a certificate stating the amount of the advance, the date of insurance, and the regulations under which the advance is insured.

§ 203.257 Creation of the contract.

The mortgage shall be an insured mortgage from the date of issuance of a Mortgage Insurance Certificate, from the date of the endorsement of the credit instrument, or from the date of HUD’s electronic acknowledgement to the mortgagee that the mortgage is insured, as applicable. The Commissioner and the mortgagee are thereafter bound by the regulations in this subpart with the same force and to the same extent as if a separate contract had been executed relating to the insured mortgage, including the provisions of the regulations in this subpart and of the Act.

§ 203.258 Substitute mortgagors.

(a) Selling mortgagor. Except as provided in paragraph (d) of this section, the mortgagee may effect the release of a mortgagor from personal liability on the mortgage note, only if it obtains the Commissioner’s approval of a substitute mortgagor, as provided by this section.

(b) Purchasing mortgagor. (1) The Commissioner may approve a substitute mortgagor with respect to any mortgage insured under §203.43h or §203.43i only if the mortgagor is to occupy the dwelling as a principal residence (as defined in §203.18(f)(1)).

(2) The Commissioner may approve a substitute mortgagor with respect to any mortgage insured under this part (except a mortgage referred to in paragraph (b)(1) of this section), only if the
§ 203.258 Substitute mortgagor is to occupy the dwelling as a principal residence or as a secondary residence (as these terms are defined in § 203.18(f)) or if the substitute mortgagor is an eligible non-occupant mortgagor (as defined in § 203.18(f)).

(3) With respect to any mortgage covering a dwelling to be occupied as a secondary residence, the loan to value ratio may not exceed 85 percent of the greater of:

(i) The appraised value of the property at the time the mortgage is accepted for insurance; or

(ii) The appraised value of the property at the time approval of a substitute mortgagor is requested.

(c) Applicability—current mortgages. Paragraph (b) of this section applies to the Commissioner’s approval of a substitute mortgagor only if the mortgage executed by the original mortgagor was insured:

(1) Pursuant to a conditional commitment or master conditional commitment issued on or after December 15, 1989; or

(2) In accordance with the Direct Endorsement program, where the underwriter of the mortgagee signed the appraisal report or master appraisal report for the property on or after December 15, 1989;

(3) Pursuant to a certificate of reasonable value or master certificate of reasonable value issued by the Department of Veterans Affairs on or after December 15, 1989.

(d) Applicability—earlier mortgages. If the mortgage was insured:

(1) Pursuant to a conditional commitment or master conditional commitment issued on or after February 5, 1988, but before December 15, 1989; or

(2) In accordance with the Direct Endorsement program, where the approved underwriter of the mortgagee signed the appraisal report or master appraisal report for the property on or after February 5, 1988, but before December 15, 1989;

(3) Pursuant to a certificate of reasonable value or master certificate of reasonable value issued by the Department of Veterans Affairs on or after February 5, 1988, but before December 15, 1989.

(e) Direct endorsement. Mortgagees approved for participation in the Direct Endorsement program under § 203.3 may, subject to limitations established by the Commissioner, themselves approve a substitute mortgagor without regard to whether the mortgagor is to occupy the dwelling.

(f) Definition. As used in this section, the term substitute mortgagor includes:

(1) Persons who, upon the release by a mortgagee of a previous mortgagor from personal liability on the mortgage note, assume this liability and agree to pay the mortgage debt; and

(2) Persons who purchase without assuming liability on the mortgage note or purchase where no release is given by the mortgagee to the previous mortgagor.
§ 203.259  Mortgage Insurance Premiums—In General.

(48 FR 28805, June 23, 1983)

§ 203.259a  Scope.

(a) The Commissioner shall charge a one-time MIP pursuant to § 203.280 for mortgages that:

In the cases that the Commissioner deems appropriate, the Commissioner may require, by means of instructions communicated to all affected mortgages, that up-front MIP be remitted electronically.

(c) The periodic MIP provision of §§ 203.260 through 203.268 shall not apply to mortgages referred to in paragraph (a) of this section, nor shall they apply to mortgages to which the provision of § 203.284 or § 203.285 apply.

MORTGAGE INSURANCE PREMIUMS—Periodic Payment

§ 203.260  Amount of mortgage insurance premium (periodic MIP).

The mortgagee shall pay to the Commissioner an initial MIP in an amount equal to one-half of one percent of the average outstanding principal obligation of the mortgage for the first year of amortization. After payment of the initial MIP, the mortgagee shall pay to the Commissioner an amount equal to one-half of one percent of the average outstanding principal obligation of the mortgage for the 12-month period preceding each subsequent anniversary date of the beginning of amortization.

(48 FR 28805, June 23, 1983)

§ 203.261  Calculation of periodic MIP.

The amount of any periodic MIP shall be calculated in accordance with the original amortization provisions of the mortgage, without taking into account delinquent payments, prepayments, agreements to postpone payments, or agreements to recast the mortgage.

(48 FR 28805, June 23, 1983)

§ 203.262  Due date of periodic MIP.

The full initial and each annual MIP shall be due and payable to the Commissioner no later than the 10th day after the amortization anniversary date.

§ 203.264  Payment of periodic MIP.

The mortgagee shall pay each MIP in twelve equal monthly installments. Each monthly installment shall be due and payable to the Commissioner no later than the tenth day of each month, beginning in the month in which the mortgagor is required to
§ 203.265 Mortgagee's late charge and interest.
(a) Periodic MIP which are received by the Commissioner after the payment dates prescribed by §§ 203.262 and 203.264 shall include a late charge of four percent of the amount paid.
(b) In addition to the late charge provided in paragraph (a) of this section, the mortgagee shall pay interest on any periodic MIP which are remitted to the Commissioner more than 20 days after the payment dates prescribed in § 203.264. Such interest rate shall be paid at a rate set in conformity with the Treasury Financial Manual.

§ 203.266 Period covered by periodic MIP.
The initial MIP shall cover the period beginning with the date of the issuance of a Mortgage Insurance Certificate and ending on the next anniversary of the beginning of amortization. Subsequent premium payments shall cover the twelve-month period preceding each subsequent anniversary date.

§ 203.267 Duration of periodic MIP.
The mortgagee shall pay the MIP to the Commissioner until the deed to the Commissioner is filed for record or the contract of insurance is terminated.

§ 203.268 Pro rata payment of periodic MIP.
(a) If the insurance contract is terminated before the due date of the initial MIP, the mortgagee shall pay a portion of the MIP prorated from the beginning of amortization, as defined in § 203.251, to the date of termination.
(b) If the insurance contract is terminated after the due date of the initial MIP, the mortgagee shall pay a portion of the current annual MIP prorated from the due date of the last annual MIP to the date of termination.
(c) A pro rata MIP shall not be due or payable where the mortgagee notifies the Commissioner that foreclosure or other action to acquire the property has been completed and that the property will not be conveyed to the Commissioner in exchange for insurance benefits. Any MIP due and paid after the institution of foreclosure or the date the property was otherwise acquired by the mortgagee will be refunded to the mortgagee upon receipt by the Commissioner of the notice from the mortgagee that the property will not be conveyed to the Commissioner.

§ 203.269 Method of payment of periodic MIP.
In cases that the Commissioner deems appropriate, the Commissioner may require, by means of instructions communicated to all affected mortgagees, that periodic MIP be remitted electronically.

(a) Required charge. In the case of an insured open-end advance the mortgagee shall pay to the Commissioner an open-end insurance charge.
(b) Payment of charge for mortgages with periodic MIP. (c) Payment of charge for mortgages with one-time or up-front MIP. In the case of a mortgage with a one-time or up-front MIP pursuant to § 203.280, § 203.284, or § 203.285 of this part, the insurance charge shall be in an amount...
§ 203.280 One-time or Up-front MIP.

For mortgages for which a one-time or up-front MIP is to be charged in accordance with §§203.259a, 203.284, or 203.285, the mortgagee shall, as a condition to the endorsement of the mortgage for insurance, pay to the Commissioner for the account of the mortgagor, in a manner prescribed by the Commissioner, a premium representing the total obligation for the insuring of the mortgage by the Commissioner or the up-front portion of the total obligation, as applicable, within 10 calendar days after the date of loan closing or within 10 calendar days after the date of disbursement of the mortgage proceeds, whichever is later.

§ 203.281 Calculation of one-time MIP.

(a) The applicable premium percentage determined under paragraph (b) of this section assumes, for purposes of calculation, that the entire amount of the one-time MIP is added to the loan amount. The amount of the one-time MIP shall be determined by multiplying the loan amount otherwise insurable under this part by the applicable premium percentage, subject to adjustment for the portion of the MIP, if any, that is not to be included in the insured mortgage.

(b)(1) The Commissioner shall determine the applicable premium percentage in accordance with sound financial and actuarial practice.

(b)(2) Application of the premium percentage determined under paragraph (b)(1) of this section shall not result in a MIP in excess of an amount equivalent to 1 per centum per annum of the amount of the principal obligation of the mortgage outstanding at any time, without taking into account delinquent payments or prepayments.

(c) The applicable premium percentage will be published by notice at least annually in the Federal Register.

§ 203.282 Mortgagee's late charge and interest.

(a) Payment of a one-time or up-front MIP is late if not received by HUD within 10 calendar days after the date of loan closing or within 10 calendar days after the date of disbursement of the mortgage proceeds, whichever is later. Late payments shall include a late charge of four percent of the amount of the MIP.

(b) If payment of the MIP is not received by HUD within 30 days after the date of loan closing or within 30 calendar days after the date of disbursement of the mortgage proceeds, whichever is later, the mortgagee will be charged additional late fees until payment is received at an interest rate set in conformity with the Treasury Fiscal Requirements Manual.

§ 203.283 Refund of one-time MIP.

(a) The Commissioner shall provide for the refund to the mortgagor of a portion of the unearned MIP paid pursuant to §203.280 if the contract of insurance covering the mortgage is terminated:

(1) By conveyance to one other than the Commissioner and a claim for the insurance benefits is not presented for payment (§203.315),
(2) By prepayment of the mortgage (§203.316), or
(3) By voluntary agreement with the approval of the Commissioner (§203.317).

The Commissioner shall determine the applicable premium refund percentage for each year in an equitable manner and in accordance with sound financial and actuarial practice, taking into account:

(1) Projected salaries and expenses,
(2) Prospective losses generated by insurance claims, and
(3) Expected future payments of premium refunds.

(b) The contract of insurance shall continue in force, except as otherwise provided in this subpart, when the conditions of this section which were effective prior to January 1, 1977, have been met and special forbearance relief is granted pursuant thereto prior to January 1, 1977.

FORBEARANCE RELIEF FOR MILITARY PERSONNEL

§ 203.345 Postponement of principal payments—mortgagors in military service.

In addition to the special forbearance relief afforded by §§203.340 through 203.342, if the mortgagor is a person in the military service (as defined in the Soldiers’ and Sailors’ Civil Relief Act of 1940), the mortgagee may, by written agreement with the mortgagor, postpone for the period of military service and three months thereafter any part of the monthly payment which represents amortization of principal. The agreement shall contain a provision for the resumption of monthly payments after such period in amounts which will completely amortize the mortgage debt within the maturity as provided in the original mortgage. The agreement shall in no way affect the amount of the annual MIP which will continue to be calculated in accordance with the original amortization provisions of the mortgage.

§ 203.346 Postponement of foreclosure—mortgagors in military service.

If at any time during default the mortgagor is a “Person in military service,” as such term is defined in the Soldiers’ and Sailors’ Civil Relief Act of 1940, the period during which the mortgagor is in such service shall be excluded in computing the period within which the mortgagee shall commence foreclosure or acquire the property by other means as provided in §203.355 of this subpart. No postponement or delay in the prosecution of
foreclosure proceedings during the period the mortgagor is in such military service shall be construed as failure on the part of the mortgagee to exercise reasonable diligence in prosecuting such proceedings to completion as required by this subpart.

Assignment of Mortgage

§ 203.350 Assignment of mortgage.

(a) Assignment of modified mortgages pursuant to section 230, National Housing Act. HUD may accept an assignment of any mortgage covering a one-to-four family residence if the following requirements are met:

(1) The mortgage was in default;

(2) The mortgagee has modified the mortgage under §203.616 to cure the default and to provide for mortgage payments within the reasonable ability of the mortgagor to pay, at an interest rate not exceeding current market interest rates; and

(3) Such other conditions that HUD may prescribe, which may include the requirement that the mortgagee continue to be responsible for servicing the mortgage.

(b) Assignments pursuant to section 248, National Housing Act. Notwithstanding the provisions of paragraph (a), the Commissioner shall, upon application by the mortgagee, approve the assignment to the Commissioner of any mortgage insured pursuant to section 248 of the National Housing Act (§203.43h) where the mortgagor has been in default for more than 90 days. The mortgagee may not request the Commissioner to accept an assignment until the mortgagee has submitted documents to the Commissioner showing that the requirements of §203.604 have been met. HUD shall then notify the mortgagee of its approval of the mortgagee’s actions under §203.604 and that the mortgagee may assign the mortgagee to the Secretary, or HUD will specify what further action the mortgagee must take to meet the requirements of §203.604.

(c) Assignment of mortgages insured pursuant to section 247, National Housing Act. Notwithstanding the provisions of paragraph (a) of this section, the Secretary will, upon application by the mortgagee, agree to accept an assignment of any mortgage insured pursuant to section 247 of the National Housing Act (§203.43i of this part) where the mortgagor has been in default for more than 180 days, provided that the requirements of §203.665 are satisfied.

(d) Assignment of mortgages authorized by section 203(q), National Housing Act. Notwithstanding the provisions of paragraph (a) of this section, the Secretary will, upon application by the mortgagee, agree to accept assignment of any mortgage authorized by section 203(q) of the National Housing Act (§203.43j of this part) if

(1) The mortgagor has been in default for more than 90 days for failure to make a monthly payment,

(2) The requirements of §203.666 are satisfied, and

(3) The date of default occurs before the mortgagor and the lessor execute a lease renewal or a new lease with a term of not less than five years beyond the maturity date of the mortgage, or with a term established by an arbitration award.

If the default is non-monetary, the date of default occurs prior to an action described in paragraph (d)(3) of this section, the requirements of §203.666 are satisfied, and the mortgagor has been in default for more than 30 days, the Secretary may in his or her discretion, upon application by the mortgagee, agree to accept an assignment of the mortgage. If the leasehold estate has terminated before the mortgage has been assigned, or title to the property conveyed, to the Secretary, and the mortgage is in default for any reason for more than 30 days, the Secretary will, upon application by the mortgagee, agree to accept an assignment of the mortgage.

(e) Filing assignment for record. Within 30 days of the Secretary’s written agreement to accept assignment of a
defaulted mortgage, or within such additional time as the Secretary authorizes in writing, the mortgagee must file the assignment for record.

(Information collection requirements in paragraph (b) were approved by the Office of Management and Budget under control number 2502–0169)

§ 203.351 Application for insurance benefits and fiscal data.

On the date the assignment of the mortgage is filed for record, the mortgagee shall forward to the Commissioner the prescribed application for insurance benefits and fiscal data pertaining to the mortgage transaction, together with the receipts covering all disbursements, as required by the fiscal data form. In addition, the following requirements shall be met:

(a) Items to be included with application. The following items shall be forwarded to the Commissioner with the application:

(1) Credit and security instrument. The original credit and security instruments assigned without recourse or warranty, except that no act or omission of the mortgagee shall have impaired the validity and priority of the mortgage.

(2) Recorded assignment instrument. The original of the recorded assignment of mortgage. If the original of the assignment is not available, a copy shall be furnished and the original forwarded as soon as possible.

(3) Hazard insurance. All hazard insurance policies held in connection with the mortgaged property, together with a copy of the mortgagee’s notification to the carrier authorizing the amendment of the loss payable clause substituting the Commissioner as the mortgagee.

(4) Rights and interests. An assignment of all rights and interests arising under the mortgage, and all claims of the mortgagee against the mortgagor or others arising out of the mortgage transaction.

(5) Property. All property of the mortgagor held by the mortgagee or to which it is entitled (other than the cash items which are to be retained by the mortgagee).

(b) Items to be retained by mortgagee. The mortgagee shall retain all cash amounts held or deposited for the account of the mortgagor or to which it is entitled under the mortgage transaction that have not been applied in reduction of the principal mortgage indebtedness.

(c) Title evidence for mortgages insured under §203.43d as set forth in §203.385 shall accompany the application for insurance benefits.

§ 203.353 Certification by mortgagee.

At the time of assignment of the mortgage, the mortgagee shall certify to the Commissioner that:

(a) Priority of mortgage to liens. The mortgage is prior to all mechanics’ and materialmen’s liens filed of record, regardless of when such liens attach, and prior to all liens and encumbrances, or defects which may arise except such liens or other matters as may have been approved by the Commissioner;

(b) Amount due. The amount stated in the instrument of assignment is actually due and owing under the mortgage;

(c) Offsets or counterclaims. There are no offsets or counterclaims thereto and the mortgagee has a good right to assign.

CLAIM PROCEDURE

§ 203.355 Acquisition of property.

mortgagee shall take one of the following actions within nine months from the date of default, or within any additional time approved by the Secretary or authorized by §§203.345 or 203.346. For mortgages where the date of default is on or after February 1, 1998, the mortgagee shall take one or a combination of the following actions within six months of the date of default or within such additional time approved by HUD or authorized by §§203.345 or 203.346:

The mortgagee must not delay foreclosure on vacant or abandoned property because of the requirements of §203.606.

(c) Prohibition of foreclosure within time limits. If the laws of the State in which the mortgaged property is located, or Federal bankruptcy law:

(1) Do not permit the commencement of foreclosure within the time limits described in paragraphs (a), (b), (g), (h) and (i) of this section, the mortgagee must commence foreclosure within 90 days after the expiration of the time during which foreclosure is prohibited; or

(2) Require the prosecution of a foreclosure to be discontinued, the mortgagee must recommence the foreclosure within 90 days after the expiration of the time during which foreclosure is prohibited.

(f) Property located on the Allegany Reservation of the Seneca Nation of Indians. Upon default of a mortgage on property located on the Allegany Reservation of the Seneca Nation of Indians authorized by section 203(q) of the National Housing Act (see §203.43j of this part), the mortgagee must comply with §§203.350(d) and 203.666 of this part, unless the mortgagor and the lessor have executed a lease renewal or a new lease either with a term of not less than five years beyond the maturity date of the mortgage, or with a term established by arbitration award. If a lease renewal or new lease has been executed, the mortgagee must comply with paragraph (a) of this section.

(g) Pre-foreclosure sale procedure. Within 90 days of the end of a mortgagor’s participation in the pre-foreclosure sale procedure, or within the time limit described in paragraph (a) of this section, whichever is later, if no closing of an approved pre-foreclosure sale has occurred, the mortgagee must obtain a deed in lieu of foreclosure, with title being taken in the name of the mortgagee or the Secretary, or undertake one of the actions listed at §203.355(a). The end-of-participation date is defined as:

(1) Four months after the date of commencement of participation, if there is no signed Contract of Sale at
that time, unless extended by the Commissioner;

(2) Six months after the date of commencement of participation, if there is a signed contract but settlement has not occurred by that date, unless extended by the Commissioner;

(3) The date the mortgagee is notified of the mortgagor’s withdrawal from the Pre-foreclosure Sale procedure;

(i) Modification under §203.616, refinance under §203.43(c), or assumption under §203.512. Provided that the mortgagee has established the mortgagor’s eligibility within the time frame provided in §203.355(a), if a mortgagee enters into a loss mitigation relief measure (i.e., modification under §203.616, refinance under §203.43(c), or assumption under §203.512) and it fails, the six-month period provided in §203.355(a) is extended by an additional 90 days to allow the mortgagee to try another loss mitigation tool or go to foreclosure.

§203.356 Notice of foreclosure and pre-foreclosure sale; reasonable diligence requirements.

(a) Notice of foreclosure and pre-foreclosure sale. The mortgagee must give notice to the Secretary, in a format prescribed by the Secretary, within 30 days after the institution of foreclosure proceedings. (2) The credit instrument is cancelled and surrendered to the mortgagor;

(3) The mortgage is satisfied of record as a part of the consideration for such conveyance;

(5) The mortgagee transfers to the Commissioner good marketable title accompanied by satisfactory title evidence.

(b) Corporate mortgagors. A mortgagee may accept a deed in lieu of foreclosure from a corporate mortgagor in compliance with the requirements of paragraph (a) of this section, if the mortgagee obtains the prior written consent of the Commissioner.

(c) Mortgagors owning more than one property. The mortgagee may accept a deed in lieu of foreclosure in compliance with the provisions of paragraph (a) of this section, from an individual who owns more than one property which is subject to a mortgage insured or held by the FHA if the mortgagee.
obtains the prior written consent of the Commissioner.

§ 203.358 Direct conveyance of property.

In acquiring the property or conveying the property to the Commissioner the mortgagee may arrange for the deed to be made directly to the Commissioner from the mortgagor or other grantor. The mortgagee shall be responsible for determining that such conveyance will comply with all of the provisions of this part conveying good marketable title and satisfactory title evidence.

(iv) Expiration of the redemption period; or

(v) Such further time as the Secretary may approve in writing.

(b) Within 30 days of the closing of an approved pre-foreclosure sale, the mortgagee shall notify the Commissioner on a form prescribed by him of the pre-foreclosure sale.

§ 203.361 Acceptance of property by Commissioner.

Upon receipt of notice of property transfer the Commissioner shall accept title to and possession of the property as of the date of the filing for record of the deed to the Commissioner, subject to compliance with the regulations in this part.

§ 203.362 Conditions for withdrawal of application for insurance benefits.

With the consent of the Commissioner, a mortgagee may withdraw an application for insurance benefits if the mortgagee agrees that it will:

(a) Accept a reconveyance of the property under a deed which warrants against the acts of the Commissioner and all claiming by, through, or under him; and

(b) Promptly file a reconveyance for record; and

(c) Accept without continuation the title evidence which it furnished the Commissioner; and
(d) Reimburse the Commissioner for property expenditures as set forth in §203.364.

§ 203.363 Effect of noncompliance with regulations.

(a) For mortgages insured under firm commitments issued prior to November 19, 1992 or under direct endorsement processing where the credit worksheet was signed by the mortgagee’s approved underwriter prior to November 19, 1992. If, for any reason, the mortgagee fails to comply with the regulations in this subpart, the Secretary may hold processing of the application for insurance benefits in abeyance for a reasonable time in order to permit the mortgagee to comply, or, in the alternative, the Secretary may reconvey title to the property to the mortgagee, in which event the application for insurance benefits shall be considered as cancelled without prejudice to the rights of the mortgagee to reapply for insurance benefits at a subsequent date.

(b) For mortgages insured under firm commitments issued on or after November 19, 1992, or under direct endorsement processing where the credit worksheet was signed by the mortgagee’s underwriter on or after November 19, 1992. If, for any reason, the mortgagee fails to comply with the regulations in this subpart, the Secretary may hold processing of the application for insurance benefits in abeyance for a reasonable time in order to permit the mortgagee to comply. In the alternative to holding processing in abeyance, the Secretary may reconvey title to the property to the mortgagee, in which event the application for insurance benefits shall be considered as cancelled and the mortgagee shall refund the insurance benefits to the Secretary as well as other funds required by §203.364 of this part. The mortgagee may reapply for insurance benefits at a subsequent date; provided, however, that the mortgagee may not be reimbursed for any expenses incurred in connection with the property after it has been reconveyed by the Secretary, or paid any debenture interest accrued after the date of initial conveyance or after the date conveyance was required by §203.359 of this part, whichever is earlier; and there will be deducted from the insurance benefits any reduction in the Secretary’s estimate of the value of the property occurring from the time of reconveyance to the time of reapplication.

§ 203.364 Mortgagee’s liability for property expenditures.

Where the Secretary acquires a property and thereafter it becomes necessary for the Secretary to reconvey the property to the mortgagee due to the mortgagee’s noncompliance with these regulations or the application for insurance benefits is withdrawn with the consent of the Secretary, the mortgagee shall reimburse the Secretary for all expenses incurred in connection with such acquisition and reconveyance. The reimbursement shall include interest on the amount of insurance benefits refunded by the mortgagee from the date the insurance benefits were paid to the date of refund at an interest rate set in conformity with the Treasury Fiscal Requirements Manual, and the Secretary’s cost of holding the property, accruing on a daily basis, from the date the deed to the Secretary was filed for record to the date of reconveyance. These costs are based on the Secretary’s estimate of the taxes, maintenance and operating expenses of the property, and administrative expenses. Appropriate adjustments shall be made by the Secretary on account of any income received from the property.

§ 203.365 Documents and information to be furnished the Secretary; claims review.

(a) Items to be furnished the Secretary. Within 45 days after the deed is filed for record, in the case of a conveyance claim; or, in the case of a claim arising from a pre-foreclosure sale, within 30 days after the closing of the pre-foreclosure sale, unless extended by the Commissioner, the mortgagee must forward to the Commissioner:

(1) A copy of the deed to the Secretary that has been filed for record and the title evidence continued so as to include recordation of the deed; or
§ 203.366 Conveyance of marketable title.

(a) Satisfactory conveyance of title and transfer of possession. The mortgagee shall tender to the Commissioner a satisfactory conveyance of title and transfer of possession of the property. The deed or other instrument of conveyance shall convey good marketable title to the property, which shall be accompanied by title evidence satisfactory to the Commissioner.

(b) Conveyance of property without good marketable title. (1) For mortgages insured under firm commitments issued on or after November 19, 1992, or under direct endorsement processing where the credit worksheet was signed by the mortgagee’s underwriter on or after November 19, 1992, if the title to the property conveyed by the mortgagee to the Secretary is not good and marketable, the mortgagee must correct any title defect within 60 days after receiving notice from the Secretary, or within such further time as the Secretary may approve in writing. (2) If the defect is not corrected within 60 days, or such further time as the Secretary approves in writing, the mortgagee must reimburse the Secretary for HUD’s costs of holding the property, accruing on a daily basis, and interest on the amount of insurance benefits paid to the mortgagee at an interest rate set in conformity with the Treasury Fiscal Requirements Manual from the date of such notice to the date the defect is corrected or until the Secretary reconveys the property to the mortgagee, as described in paragraph (b)(3) of this section. The daily holding costs to be charged a mortgagee shall include the costs specified in §203.364 of this part.

(c) Claim file to be maintained by mortgagee. (1) The Secretary may verify the accuracy of information regarding the insurance claim either before payment of the claim or after payment by periodic reviews of the mortgagee’s records. Mortgagees must reimburse the Secretary for any claim and interest overpaid because of incorrect, unsupported, or inappropriate information provided by the mortgagee, or because of failure to provide correct information.

(d) Statistical sampling. HUD may use statistical sampling in selecting claims to be reviewed and in determining the amount due the Secretary because of overpayment.

reimburse the Secretary in accordance with §§203.363 and 203.364 of this part.

§ 203.367 Contents of deed and supporting documents.

The deed and supporting accompanying documents shall be as follows:

(a) Deed. A deed conveying the property to the Federal Housing Commissioner. The deed shall:

(1) Contain covenants which warrant title against acts of the grantor, and all claiming by, through, or under said grantor, if the grantor is the mortgagor or mortgagee; if the grantor is a party other than the mortgagee or mortgagor, the special warranty covenants may be limited or amended to accord with the law of the particular jurisdiction.

(2) Recite nominal consideration, if such recital is adequate under the laws of the State in which the property is located or such other consideration as may be necessary to support the deed.

(b) Maps or survey. A map or diagram showing property location with reference to public streets or roads or a survey, if available. When a part of the property has been taken by condemnation proceedings or conveyance in lieu of condemnation, a map or diagram showing the part taken and the property remaining is required.

(c) Credit documents. The original credit and security instruments, if available or a deficiency judgment, if any, duly assigned or endorsed by the mortgagee, without recourse, to the Commissioner.

§ 203.368 Claims without conveyance procedure.

(a)(1) The requirements of this section apply to any insured mortgage subject to this subpart which was either insured pursuant to:

(i) A conditional commitment issued on or after November 30, 1983 or, as appropriate,

(ii) An application for mortgage insurance endorsement under the Single Family Direct Endorsement Program, as provided in §203.255(b), where the property appraisal report was signed by the mortgagee’s underwriter on or after November 30, 1983.

(2) The requirements of this section shall also apply to any other mortgages subject to this subpart where the mortgagee elects to provide the notice to HUD required by paragraph (d) of this section.

(b) Notwithstanding the provisions of paragraph (a) of this section, the requirements of this section do not apply if the mortgaged property has been damaged as set out in §203.378.

(c) Nothing in this section shall affect any rights or obligations arising under the procedures set forth in subpart C of this part.

(d) After initiating proceedings to foreclose an insured mortgage within the coverage of paragraph (a)(1) of this section by judicial, statutory, or other means authorized by the mortgage instrument, the mortgagee shall furnish notice of the foreclosure to the Commissioner, containing such information as shall be prescribed by the Commissioner, together with a copy of the notice of sale, on or before the date of first publication, posting, or other notice. The mortgagee foreclosing an insured mortgage subject to this subpart and within the coverage of paragraph (a)(2) of this section may elect to become subject to this section by providing such notices to the Commissioner in accordance with the preceding sentence.

(e) Where notice of the foreclosure sale is provided pursuant to paragraph (d) of this section, the Commissioner may elect to cause the mortgaged property to be appraised and to give written notice to the mortgagee, not less than five days prior to the date of the foreclosure sale, of the Commissioner’s estimate of the fair market value of the mortgaged property, less adjustments as the Commissioner may deem appropriate (which may include, without limitation, the Commissioner’s estimate of holding costs and resale costs that would be incurred if title to the mortgaged property were conveyed to the Commissioner). Such amount is referred to hereafter as the “Commissioner’s adjusted fair market value.”
(f) If the Commissioner fails to provide notice of the Commissioner’s adjusted fair market value to the mortgagee not less than five days prior to the scheduled date of foreclosure sale, this section shall have no further application and §§203.355 through 203.367 shall apply: Provided, that a mortgagee which receives the Commissioner’s notice at any time prior to the foreclosure sale may waive late receipt by so notifying the Commissioner, in which case this section shall apply.

(g) If the Commissioner provides notice of the Commissioner’s adjusted fair market value in accordance with paragraph (e) of this section the following shall be applicable:

1. The mortgagee shall tender a bid at the foreclosure sale in the amount of the Commissioner’s adjusted fair market value.

2. If the mortgagee acquires title to the mortgaged property pursuant to a bid at foreclosure sale in an amount equal to the Commissioner’s adjusted fair market value, the mortgagee may elect to retain title to the property and to file a claim for the insurance benefits computed as provided in §203.401(b).

3. If a party other than the mortgagee acquires title to the mortgaged property either pursuant to a bid at foreclosure sale or through the redemption of the property in an amount not less than the Commissioner’s adjusted fair market value, the mortgagee may file a claim for the insurance benefits computed as provided in §203.401(b).

4. If the mortgagee acquires title to the mortgaged property pursuant to a bid at foreclosure sale in an amount in excess of the Commissioner’s adjusted fair market value, the mortgagee is deemed to have elected to retain title and shall be subject to the provisions of this subparagraph, and may elect to retain or convey title in filing a claim for the insurance benefits.

5. In any other case, the mortgagee may file a claim for insurance benefits only upon conveyance of title to the mortgaged property to the Commissioner.

(h) If the Commissioner provides timely notice of the Commissioner’s adjusted fair market value in accordance with paragraph (e), the Commissioner may require the mortgagee to advertise the upcoming sale in addition to the standard legal notices which may be required by state law.

(i) Where a mortgagee files a claim for the insurance benefits without conveying title to the property to the Commissioner, as authorized by this section:

1. Sections 203.358 through 203.367 shall not be applicable.

2. The mortgagee shall assign to the Commissioner, without recourse or warranty, any or all claims which the mortgagee has acquired in connection with the mortgage transaction and as a result of the foreclosure proceedings or other means by which the mortgagee or party other than the mortgagee acquired such property, except such claims as may have been released with the approval of the Commissioner.

3. The mortgagee shall forward to the Commissioner:

i. Fiscal data pertaining to the mortgage transaction;

ii. The original credit and security instruments, if available, or a deficiency judgment, if any, duly assigned or endorsed by the mortgagee, without recourse, to the Commissioner; and

iii. Any additional information or data which the Commissioner may require.

4. The mortgagee shall retain all cash amounts held or deposited for the account of the mortgagor or to which the mortgagee is entitled under the mortgage transaction that have not been applied in reduction of the principal mortgage indebtedness. Cash
amounts shall be itemized and deducted from the claim pursuant to §203.403. Receipts for disbursements are to be retained by the mortgagee and are to be made available upon request by the Commissioner.

(5) The mortgagee shall file its claim:
   (i) Within 30 days after the mortgagee acquired good marketable title to the property; or
   (ii) Within 30 days after a party other than the mortgagee acquired good marketable title to the property; or
   (iii) In redemption States, within 30 days after the mortgagor or another party redeemed the property or the redemption period has expired; or
   (iv) Within such other time as may be determined by the Commissioner.

(6) In any case in which the insurance benefits paid include, pursuant to §203.402(c), hazard insurance premiums paid by the mortgagee, the portion of the hazard insurance premium allocable to the period after acquisition of title by the mortgagee or a third party shall be deducted from the mortgage insurance benefits otherwise payable.

§ 203.369 Deficiency judgments.

(a) Mortgages insured on or after March 28, 1988. (1) For mortgages insured pursuant to firm commitments issued on or after March 28, 1988, or pursuant to direct endorsement processing where the credit worksheet was signed by the mortgagee’s underwriter before March 28, 1988, the Secretary may require the mortgagee to diligently pursue a deficiency judgment in connection with the foreclosure. With respect to claims filed for insurance benefits on such mortgages, any judgment obtained by the mortgagee as a result of such a deficiency judgment shall be assigned to the Secretary.

(b) Mortgages insured before March 28, 1988. For mortgages insured pursuant to firm commitments issued before March 28, 1988, or pursuant to direct endorsement processing where the credit worksheet was signed by the mortgagee’s underwriter before March 28, 1988, the Secretary may require that the mortgagee diligently pursue a deficiency judgment in connection with the foreclosure. With respect to claims filed for insurance benefits on such mortgages, any judgment obtained by the mortgagee shall be assigned to the Secretary.

(c) In cases where pursuit of a deficiency judgment is requested or required under this section, the Commissioner, where the Commissioner determines it appropriate under State law requirements, may extend the otherwise applicable period of time within which a deficiency judgment (and other claims against the mortgagor) and related credit documents must be assigned to the Commissioner under §203.360, §203.367 or §203.368 of this subpart.

(d) In addition to meeting the requirements of §203.356, in cases where the Commissioner determines it necessary because of State law requirements, the Commissioner may also require (or request, as the Commissioner may determine) the mortgagee to provide the Commissioner with notice of the mortgagee’s intent to institute foreclosure proceedings a reasonable amount of time before proceedings are instituted, in order that the Commissioner may be able effectively to require or request the mortgagee, in appropriate cases, to seek a deficiency judgment.

(The information collection requirements contained in this section have been approved by the Office of Management and Budget under control number 2535–0093)

§ 203.370 Pre-foreclosure sales.

(a) General. HUD will pay FHA insurance benefits to mortgagees in cases where, in accordance with all regulations and procedures applicable to pre-
foreclosure sales, the mortgaged property is sold by the mortgagor, after default and prior to foreclosure, at its current fair market value (less adjustments as the Commissioner may deem appropriate) but for less than the mortgage loan amount currently outstanding.

(b) Notification of mortgagor. The mortgagee shall give notice, according to prescribed procedures, of the opportunity to be considered for the pre-foreclosure sale procedure to each mortgagor in default. All notices to mortgagors must be in an accessible format, if requested, or if required by the person’s known disability, as required by 24 CFR part 9.

(c) Eligibility for the Pre-foreclosure Sale Procedure. In order to be considered for the pre-foreclosure sale procedure, a mortgagor:

(1) Must be an owner occupant in a single family residence that is security for a mortgage insured under this part, unless otherwise prescribed by the Secretary.

(2) Must have an account in default, for such period as determined by the Secretary, which default is the result of an adverse and unavoidable financial situation.

(3) Must have, at the time application is made to pursue a pre-foreclosure sale, a mortgaged property whose current fair market value, compared to the amount needed to discharge the mortgage, meets the criterion established by the Secretary, unless a variance is granted by the Secretary.

(4) Must have received an appropriate disclosure, as prescribed by the Secretary.

§ 203.371 Partial claim.

(a) General. Notwithstanding the conveyance, sale or assignment requirements for payment of a claim elsewhere in this part, HUD will pay partial FHA insurance benefits to mortgagees after a period of forbearance, the maximum length of which HUD will prescribe, and in accordance with this section.

(b) Requirements. The following conditions must be met for payment of a partial claim:

(1) The mortgagor has been delinquent for at least 4 months or such other time prescribed by HUD;

(2) The amount of the arrearage has not exceeded the equivalent of 12 monthly mortgage payments;

(3) The mortgagor is able to resume making full monthly mortgage payments;

(4) The mortgagor is not financially able to make sufficient additional payments to repay the arrearage within a time frame specified by HUD;

(5) The mortgagor is not financially qualified to support monthly mortgage payments on a modified mortgage or on a refinanced mortgage in which the total arrearage is included; and

(6) The mortgagor must have made a minimum number of monthly payments as prescribed by the Secretary on a case-by-case basis.

(c) Repayment of the subordinate lien. The mortgagor must execute a mortgage in favor of HUD with terms and conditions acceptable to HUD for the amount of the partial claim under §203.414(a). HUD may require the mortgagee to be responsible for servicing the subordinate mortgage on behalf of HUD.

(d) Application for insurance benefits. Along with the prescribed application for partial claim insurance benefits, the mortgagee shall provide HUD with the original credit instrument no later than 60 days after execution. The mortgagee shall provide HUD with the original security instrument, required by paragraph (c) of this section, no later than 6 months following the date of execution. If the mortgagee experiences a delay from the recording authority, it may request an extension of time, in writing, from HUD. If the mortgagee does not provide the original of the note and security instrument within the prescribed deadlines, the mortgagee shall be required to reimburse the amount of the claim paid, including the incentive.
§ 203.377 Inspection and preservation of properties.

The mortgagee, upon learning that a property subject to a mortgage insured under this part is vacant or abandoned, shall be responsible for the inspection of such property at least monthly, if the loan thereon is in default. When a mortgage is in default and a payment thereon is not received within 45 days of the due date, and efforts to reach the mortgagor by telephone within that period have been unsuccessful, the mortgagee shall be responsible for a visual inspection of the security property to determine whether the property is vacant. The mortgagee shall take reasonable action to protect and preserve such security property when it is determined or should have been determined to be vacant or abandoned until its conveyance to the Secretary, if such action does not constitute an illegal trespass. “Reasonable action” includes the commencement of foreclosure within the time required by § 203.355(b) of this part.

[57 FR 47972, Oct. 20, 1992]

§ 203.378 Property condition.

(a) Condition at time of transfer. When the property is transferred, or a mortgage is assigned to the Commissioner, the property shall be undamaged by fire, earthquake, flood, or tornado, except as set forth in this subpart.

(b) Damage to property by waste. The mortgagee shall not be liable for damage to the property by waste committed by the mortgagor, its heirs, successors or assigns in connection with mortgage insurance claims paid on or after July 2, 1968.

(c) Mortgagee responsibility. The mortgagee shall be responsible for:

(1) Damage by fire, flood, earthquake, hurricane, or tornado;

(2) Damage to or destruction of security properties on which the loans are in default and which properties are vacant or abandoned, when such damage or destruction is due to the mortgagee’s failure to take reasonable action to inspect, protect and preserve such properties as required by § 203.377 of this part, as to all mortgages insured on or after January 1, 1977; and

(3) As to all mortgages insured under firm commitments issued on or after November 19, 1992, or under direct endorsement processing where the credit worksheet was signed by the mortgagee’s underwriter on or after November 19, 1992, any damage of whatsoever nature that the property has sustained while in the possession of the mortgagee if the property is conveyed to the Secretary without notice to and approval by the Secretary as required by § 203.379 of this part.

(d) Limitation. The mortgagee’s responsibility for property damage shall not exceed the amount of its insurance claim as to a particular property.

§ 203.379 Adjustment for damage or neglect.

(a) If the property has been damaged by fire, flood, earthquake, hurricane, or tornado, or, for mortgages insured on or after January 1, 1977, the property has suffered damage because of the mortgagee’s failure to take action as required by § 203.377, the damage must be repaired before conveyance of the property or assignment of the mortgage to the Secretary, except under the following conditions:

(1) If the prior approval of the Secretary is obtained, there will be deducted from the insurance benefits the Secretary’s estimate of the cost of repairing the damage or any insurance recovery received by the mortgagee, whichever is greater.

(2) If the property has been damaged by fire and was not covered by fire insurance at the time of the damage, or the amount of insurance coverage was inadequate to repair fully the damage, only the amount of insurance recovery received by the mortgagee, if any, will be deducted from the insurance benefits, provided the mortgagee certifies, at the time that a claim is filed for insurance benefits, that:

(i) At the time the mortgage was insured, the property was covered by fire insurance in an amount at least equal
§ 203.380 Certificate of property condition.

(a) The mortgagee shall either:

(1) Certify that as of the date of the filing of deed for record, or assignment to the lesser of 100 percent of the insurable value of the improvements, or the principal loan balance of the mortgage; and

(ii) The insurer later cancelled this coverage or refused to renew it for reasons other than nonpayment of premium; and

(iii) The mortgagee made diligent though unsuccessful efforts within 30 days of any cancellation or non-renewal of hazard insurance, and at least annually thereafter, to secure other coverage. coverage under a FAIR Plan, in an amount described in paragraph (a)(2)(i) of this section, or if coverage to such an extent was unavailable at a reasonable rate, the greatest extent of coverage that was available at a reasonable rate; and

(iv) The extent of coverage obtained by the mortgagee in accordance with paragraph (a)(2)(iii) of this section was the greatest available at a reasonable rate, or if the mortgagee was unable to obtain insurance, none was available at a reasonable rate; and

(v) The mortgagee took the actions required by §203.377 of this part.

(3) The certification requirements set out in paragraph (a)(2) of this section apply to any mortgage insured by HUD on or after September 22, 1980, for which a claim has not been filed before September 30, 1986. Any mortgage insured on or after September 22, 1980, for which a claim has been filed before September 30, 1986, but the claim has not been settled before that date, will be governed by §203.379(b) (1986 Edition) as it existed immediately before September 30, 1986.

(4)(i) As used in this section, reasonable rate means a rate that is not in excess of the rate or advisory rate set by the principal State-licensed rating organization for essential property insurance in the voluntary market, or if coverage is available under a FAIR Plan, the FAIR Plan rate.

(ii) If a State has neither a FAIR Plan nor a State-licensed rating organization for essential property insurance in the voluntary market, the mortgagee must provide to the HUD Field Office having jurisdiction, information concerning the lowest rates available from an insurer for the types of coverage involved, with a request for a determination of whether the rate is reasonable. HUD will determine the rate to be reasonable if it approximates the rate assessed for comparable insurance coverage applicable to similarly situated properties in a State that offers a FAIR Plan or maintains a State-licensed rating organization.

(b) For mortgages insured under firm commitments issued on or after November 19, 1992, or under direct endorsement processing where the credit worksheet was signed by the mortgagee’s underwriter on or after November 19, 1992, the provisions of paragraph (a) of this section apply and, in addition, if the property has been damaged during the time of the mortgagee’s possession by events other than fire, flood, earthquake, hurricane, or tornado, or if it was damaged notwithstanding reasonable action by the mortgagee as required by §203.377 of this part, the mortgagee must provide notice of such damage to the Secretary and may not convey until directed to do so by the Secretary. The Secretary will either:

(1) Allow the mortgagee to convey the property damaged; or

(2) Require the mortgagee to repair the damage before conveyance, and the Secretary will reimburse the mortgagee for reasonable payments not in excess of the Secretary’s estimate of the cost of repair, less any insurance recovery.

(c) In the event the damaged property is conveyed to the Secretary without prior notice or approval as provided in paragraphs (a) or (b) of this section, the Secretary may:

(1) After notice, reconvey the property to the mortgagee and the mortgagee must reimburse the Secretary in accordance with §§203.363 and 203.364 of this part, or

(2) Require the mortgagee to reimburse the Secretary for the greater of the Secretary’s estimate of the cost of repair or any insurance recovery.

§ 203.385 Types of satisfactory title evidence.

The following types of title evidence shall be satisfactory to the Commissioner:

(a) *Fee or owner’s title policy.* A fee or owner’s policy of title insurance, a guaranty or guarantee of title, or a certificate of title, issued by a title company, duly authorized by law and qualified by experience to issue such instruments. If an owner’s policy of title insurance is furnished, it shall show title in the Commissioner and inure to the benefit of his successors in office.

(b) *Mortgagee’s policy of title insurance.* A mortgagee’s policy of title insurance supplemented by an Abstract and an Attorney’s Certificate of Title covering the period subsequent to the date of the mortgage, the terms of the policy shall be such that the liability of the title company will continue in favor of the Commissioner after title is conveyed to him. The policy may be drawn in favor of the mortgagee and the Federal Housing Commissioner, “as their interests may appear”, with the consent of the title company endorsed thereon;

(c) *Abstract and legal opinion.* An abstract of title prepared by an abstract company or individual engaged in the business of preparing abstracts of title and accompanied by the legal opinion as to the quality of such title signed by an attorney at law experienced in examination of titles. If title evidence...
§ 203.386 Coverage of title evidence.

Evidence of title shall be executed as of a date to include the recordation of the deed to the Commissioner. The evidence of title shall show that according to the public records, there are not, at such date, any outstanding prior liens, including any past-due and unpaid ground rents, general taxes or special assessments.

§ 203.387 Acceptability of customary title evidence.

If the title and title evidence are such as to be acceptable to prudent lending institutions and leading attorneys generally in the community in which the property is situated, such title and title evidence shall be satisfactory to the Secretary and shall be considered as good and marketable. In cases of disagreement, the Secretary will make the final decision.

[57 FR 47974, Oct. 20, 1992]

§ 203.389 Waived title objections.

The Commissioner shall not object to title by reason of the following matters:

(a) Violations of a restriction based on race, color or creed, even where such restriction provides for a penalty of reversion or forfeiture of title or a lien for liquidated damage.

(b)(1) Aviation easements, which were approved by the Secretary at the time of the origination of the mortgage, and other customary easements for public utilities, party walls, driveways, and other purposes.

(2) Easements for public utilities along one or more of the property lines and extending not more than 10 feet therefrom and for drainage or irrigation ditches along the rear 10 feet of the property, provided the exercise of the rights thereunder do not interfere with any of the buildings or improvements located on the subject property.

(c) Easements for underground conduits which are in place and do not extend under any buildings on the subject property.

(d) Mutual easements for joint driveways constructed partly on the subject property and partly on adjoining property, provided the agreements creating such easements are of record;

(e) Encroachments on the subject property by improvements on adjoining property where such encroachments do not exceed 1 foot, provided such encroachments do not touch any buildings or interfere with the use of any improvements on the subject property;

(f) Encroachments on adjoining property by eaves and overhanging projections attached to improvements on subject property where such encroachments do not exceed 1 foot.

(g) Encroachments on adjoining property by hedges, wooden or wire fences belonging to the subject property;

(h) Encroachments on adjoining property by driveways belonging to subject property where such encroachments do not exceed 1 foot, provided there exists a clearance of at least 8 feet between the buildings on the subject property and the property line affected by the encroachment;

(i) Variations between the length of the subject property lines as shown on the application for insurance and as shown by the record or possession lines, provided such variations do not interfere with the use of any of the improvements on the subject property and do not involve a deficiency of more than 2 percent with respect to the length of the front line or more than 5 percent with respect to the length of any other line;

(j) Encroachments by garages or improvements other than those which are attached to or a portion of the main dwelling structure over easements for public utilities, provided such encroachment does not interfere with the use of the easement or the exercise of the rights of repair and maintenance in connection therewith;
Office of Assistant Secretary for Housing, HUD

§ 203.390 Waiver of title—mortgages or property formerly held by the Secretary.

(a) Mortgages sold by the Secretary. (1) If the Secretary sells a mortgage and such mortgage is later reassigned to him or the property covered by such mortgage is later conveyed to him, he will not object to title by reason of any lien or other adverse interest that was senior to the mortgage on the date of the original sale of such mortgage.

(2) The Secretary will accept an assignment of a mortgage previously sold by him, where the mortgagee is unable to complete foreclosure because of a defect in the mortgage instrument, a defect in the mortgage transaction, or a defect in title which existed at or prior to the time the mortgage assignment was filed for record. In such instances, the Secretary will not object to title by reason of any such defect.

(b) Property sold by the Secretary. (1) If a property held by the Secretary is sold by the Secretary who also insures a mortgage financing the sale, and the mortgage is later reassigned to the Secretary or the property covered by the mortgage is later conveyed to the Secretary, the Secretary will not object to title by reason of any lien or other adverse interest that was senior to the mortgage on the date the mortgage was filed for record, except where the lien or other adverse interest arose from a lien or interest that had already been recorded against the mortgagor.

(2) The Secretary will accept an assignment of a mortgage executed in connection with the sale of property by the Secretary, where the mortgagee is unable to complete foreclosure because of a defect in the mortgage instrument, a defect in the mortgage transaction,
or a defect in title which existed at or prior to the time the mortgage was filed for record, except where the defect arose from a lien or interest that had already been recorded against the mortgagor on the date that the mortgage was filed for record. Except for the case of a lien or interest that had already been recorded against the mortgagor, the Secretary will not object to title by reason of any of the above defects.

§ 203.391 Title objection waiver with reduced insurance benefits.

Payment of an insurance claim will not automatically be refused solely because the title evidence reveals a condition of title not taken into consideration in the original appraisal and not covered by the provisions of §203.389 of this part, or not otherwise waived in writing by the Secretary. In such instances, the Secretary may, at his or her option, approve the payment of a claim if the mortgagor agrees to accept a reduction in insurance benefits considered adequate by the Secretary to compensate for any anticipated loss to the Mutual Mortgage Insurance Fund as a result of the existence of the title condition at the time of claim.

PAYMENT OF INSURANCE BENEFITS

§ 203.400 Method of payment.

(a) If the application for insurance benefits is acceptable to the Commissioner, payment of the insurance claim shall be made in cash, in debentures, or in a combination of both, as determined by the Commissioner either at, or prior to, the time of payment.

[80 FR 51468, Aug. 25, 2015]

§ 203.401 Amount of payment—conveyed and non-conveyed properties.

(a) Conveyed properties. Where a claim for the insurance benefits is filed in accordance with this subpart, based on the conveyance of title to the mortgaged property to the Commissioner, the amount of the insurance benefits shall be computed by adding to the original principal balance of the mortgage (as increased by the amount of open-end advances made by the mortgagee and approved by the Commissioner) which was unpaid on the date of the institution of foreclosure proceedings, on the date of the acquisition of the property otherwise after default, or on the date the property was acquired by the Commissioner under a direct conveyance by the mortgagor, the amount of all payments made by the mortgagee and allowances for items set forth in §203.402, less all applicable items set forth in §203.403.

(b) Claims without conveyance of title.

(1) If the mortgagor acquires title to the mortgaged property pursuant to a bid amount equal to the Commissioner’s adjusted fair market value and the mortgagor elects to retain title as provided in §203.368(g)(2), or if the mortgagor acquires title pursuant to a bid in excess of the Commissioner’s adjusted fair market value (see §203.368(g)(4)), the amount of the insurance benefits shall be determined by deducting the amount bid at the sale from the original principal balance of the mortgage (as increased by the amount of open-end advances made by the mortgagee and approved by the Commissioner) which was unpaid on the date of institution of the foreclosure proceedings, and adding to the difference, if any, all applicable items set forth in §203.402 and subtracting therefrom all applicable items set forth in §203.403; provided however, that appropriate adjustment shall be made for any such items covered by proceeds of the foreclosure sale.

(2) If a party other than the mortgagor acquires title to the mortgaged property pursuant to a bid at foreclosure sale not less in amount than the Commissioner’s adjusted fair market value, the amount of the insurance benefits shall be determined by deducting the proceeds of the foreclosure sale distributed to the mortgagee from the original principal balance of the mortgage (as increased by the amount of
open-end advances made by the mortgagor and approved by the Commissioner) which was unpaid on the date of the foreclosure proceedings, and adding to the difference, if any, all applicable items set forth in §203.402 and subtracting therefrom all applicable items set forth in §203.403; provided, however, that appropriate adjustment shall be made for any such items covered by the proceeds of the foreclosure sale.

(3) If the mortgagee acquires title to the mortgaged property pursuant to a bid not less in amount than the Commissioner’s adjusted fair market value, and the mortgagor or another party redeems the property, the amount of the insurance benefits shall be determined by deducting the amount paid to redeem the property and received by the mortgagee from the original principal balance of that mortgage (as increased by the amount of open-end advances made by the mortgagee and approved by the Commissioner) which was unpaid on the date of the institution of foreclosure proceedings, and adding to the difference, if any, all applicable items set forth in §203.402 and subtracting therefrom all applicable items set forth in §203.403; provided however, that appropriate adjustments shall be made for any such items covered by that amount paid by the mortgagor or other party to redeem the property.

(c) Pre-foreclosure Sales. Where a claim for insurance benefits is filed in accordance with this subpart, based on a pre-foreclosure sale approved by or on behalf of the Secretary (under the provisions of §203.370), the amount of insurance benefits shall be computed by adding to the original principal balance of the mortgage (as increased by the amount of open-end advances made by the mortgagee and approved by the Commissioner) which was unpaid on the date of closing of the pre-foreclosure sale, the amount of all applicable items set forth in §203.402; provided however, that appropriate adjustments shall be made for any such items covered by proceeds of the pre-foreclosure sale.

(d) Final Payment. (1) The mortgagee may not file for any additional payments of its mortgage insurance claim after six months from payment by the Commissioner of the final payment except for:
(i) Cases where the Commissioner requests or requires a deficiency judgment.
(ii) Other cases where the Commissioner determines it appropriate and expressly authorizes an extension of time.
(2) For the purpose of this section, the term "final payment" shall mean, in the case of claims filed for conveyed properties, the payment under subpart B of this part which is made by the Commissioner based upon the submission by the mortgagee of all required documents and information filed pursuant to §203.365. In the case of claims filed pursuant to pre-foreclosure sales, "final payment" shall mean the payment which is made by the Commissioner based upon submission by the mortgagee of all required documents and information filed pursuant to §§203.368 and 203.401(b). In the case of claims filed pursuant to pre-foreclosure sales, "final payment" shall mean the payment which is made by the Commissioner based upon submission by the mortgagee of all required documents and information filed pursuant to §§203.370 and 203.401(d).

§203.402 Items included in payment—conveyed and non-conveyed properties.

The insurance benefits paid in connection with foreclosed properties, whether or not conveyed to the Commissioner; and those properties conveyed to the Commissioner as a result of a deed in lieu of foreclosure; and those properties sold under an approved pre-foreclosure sale shall include the following items:
(a) Taxes, ground rents, water rates, and utility charges that are liens prior to the mortgage.
(b) Special assessments, which are noted on the application for insurance or which become liens after the insurance of the mortgage.
(c) Hazard insurance premiums on the mortgaged property not in excess of a reasonable rate as defined in §203.379(a)(4).
(d) Periodic MIP or open-end insurance charges;
(e) Taxes imposed upon any deeds or other instruments by which said property was acquired by the mortgagor and transferred or conveyed to the Commissioner, or was acquired by the mortgagee and retained pursuant to §203.368;
(f) Foreclosure costs or costs of acquiring the property otherwise (including costs of acquiring the property by the mortgagee and of conveying and evidencing title to the property to HUD, but not including any costs borne by the mortgagee to correct title defects) actually paid by the mortgagee and approved by HUD, in an amount not in excess of two-thirds of such costs or $75, whichever is the greater.

For mortgages insured on or after February 1, 1998, the Secretary will reimburse a percentage of foreclosure costs or costs of acquiring the property, which percentage shall be determined in accordance with such conditions as the Secretary shall prescribe. Where the foreclosure involves a mortgage sold by the Secretary on or after August 1, 1969, or a mortgage executed in connection with the sale of property by the Secretary on or after such date, the mortgagee shall be reimbursed (in addition to the amount determined under the foregoing) for any extra costs incurred in the foreclosure as a result of a defect in the mortgage instrument, or a defect in the mortgage transaction or a defect in title which existed at or prior to the time the mortgage (or its assignment by the Secretary) was filed for record, if the mortgagee establishes to the satisfaction of the Commissioner that such extra costs are over and above those customarily incurred in the area.

(g)(1) For mortgages insured under firm commitments issued before November 19, 1992, or under direct endorsement processing where the credit worksheet was signed by the mortgagee’s underwriter on or after November 19, 1992, reasonable payments made by the mortgagee, with the approval of the Secretary, for the purpose of protecting, operating, or preserving the property, or removing debris from the property prior to the time of conveyance required by §203.359 of this part.

(3) Reasonable costs for performing the inspections required by §203.377 of this part and to determine if the property is vacant or abandoned are considered to be costs of protecting, operating or preserving the property.

(h) Any uncollected mortgage interest allowed pursuant to an approved forbearance plan:

(1) An amount which the Commissioner finds to be sufficient to compensate the mortgagee for any loss which it may have sustained on account of interest on debentures and the payment of any MIP and open-end insurance charge by reason of its having postponed the institution of foreclosure proceedings or the acquisition of the property by other means under a mortgage to which the provisions of sections 302 and 306 of the Soldiers’ and Sailors’ Civil Relief Act of 1940, as amended, apply during any part or all of the period of the mortgagor’s military service and three months thereafter;

(j) Charges for the administration, operation, maintenance, or repair of community-owned property or the maintenance or repair of the mortgaged property, paid by the mortgagee for the purpose of discharging an obligation arising out of a covenant filed for record prior to the issuance of the mortgage; and charges for the repair or maintenance of the mortgaged property required by, and in an amount approved by, the Secretary under §203.379 of this part.

(k)(1) Except as provided in paragraphs (k)(1)(i) and (ii) of this section, for properties conveyed to the Secretary and endorsed for insurance on or before January 23, 2004, an amount equivalent to the debenture interest that would have been earned, as of the date such payment is made, on the portion of the insurance benefits paid in

In those jurisdictions that require the initiation of a judicial foreclosure action in order to obtain a deficiency judgment, a mortgagee shall receive full reimbursement for the costs of the foreclosure action, where, but for the requested deficiency judgment, judicial foreclosure would not have been necessary.

(p) An amount approved by HUD and paid to the mortgagor as consideration for the execution of a deed in lieu of foreclosure and, if authorized by HUD, an administrative fee approved by HUD paid to the mortgagee for its role in facilitating a successful deed in lieu of foreclosure, not to be subject to the payment of debenture interest thereon.

(b) Date of default. For the purposes of this subpart, the date of default shall be considered as 30 days after:

(1) The first uncorrected failure to perform any obligation under the mortgage;

(2) The first failure to make a monthly payment that subsequent payments by the borrower are insufficient to cover when applied to the overdue monthly payments in the order in which they became due.

[59 FR 49816, Sept. 30, 1994]

§ 203.484  Redemption of debentures.

Debentures shall, at the option of the Commissioner and with the approval of the Secretary of the Treasury, be redeemable at par plus accrued interest on any semiannual interest payment date on 3 months’ notice of redemption given in such manner as the Commissioner shall prescribe. The Commissioner may include with the notice of redemption an offer to purchase the debentures at par plus accrued interest at any time during the period between the notice of redemption and the redemption date. § 203.488 Sale of interests in insured loans.

No lender may sell or otherwise dispose of any insured loan or group of insured loans, or any partial interest in such loan or loans by means of any agreement, arrangement or device except pursuant to this subpart.

§ 203.489 Sale of insured loan to approved lender.

An insured loan may be sold to another approved lender. The seller shall notify HUD of the sale within 15 calendar days, on a form prescribed by HUD and acknowledged by the buyer.

§ 203.491 Effect of sale of insured loan.

When an insured loan is sold to another approved lender, the buyer shall thereupon succeed to all the rights and become bound by all the obligations of the seller under the contract of insurance and the seller shall be released from its obligations under the contract, provided that the seller shall not be relieved of its obligation to pay insurance premiums until the notice required by § 203.489 is received by HUD.

§ 203.492 Assignments, pledges and transfers by approved lender.

(a) An assignment, pledge or transfer of an insured loan or group of insured loans, not constituting a final sale, may be made by an approved lender to another approved lender provided the following requirements are met:

(1) The assignor, pledgor or transferee shall remain the lender of record.

(2) The Commissioner shall have no obligation to recognize or deal with any party other than the lender of record with respect to the rights, benefits and obligations of the lender under the contract of insurance.

(b) An assignment or transfer of an insured loan or group of insured loans may be made by an approved lender to another than an approved lender provided the requirements under paragraphs (a) (1) and (2) of this section are met and the following additional requirements are met:

(1) The assignee or transferee shall be a corporation, trust or organization (including but not limited to any pension trust or profit-sharing plan) which certifies to the approved lender that:

(i) It has assets of $100,000 or more; and

(ii) It has lawful authority to hold an insured loan or group of insured loans.

(2) The assignment or transfer shall be made pursuant to an agreement under which the transferor or assignor is obligated to take one of the following alternate courses of action within one year from the date of the assignment or within such additional period of time as may be approved by the Commissioner:

(i) The transferor or assignor shall repurchase and accept a reassignment of such loan or group of loans.

(ii) The transferor or assignor shall obtain a sale and transfer of such loan or group of loans to an approved lender.

(c) Notice to or approval of the Commissioner is not required in connection with assignments, pledges or transfers pursuant to this section.

§ 203.493 Declaration of trust.

A sale of a beneficial interest in a group of insured loans, where the interest to be acquired is related to all of the loans as an entirety, rather than an interest in a specific loan, shall be made only pursuant to a declaration of trust, which has been approved by the Commissioner prior to any such sale.
§ 203.495 Transfers of partial interests.

A partial interest in an insured loan may be transferred under a participation agreement without obtaining the approval of the Commissioner, if the following conditions are met:

(a) Principal mortgagee. The insured loan shall be held by an approved lender which, for the purposes of this section, shall be referred to as the principal lender.

(b) Interest of principal lender. The principal lender shall retain and hold for its own account a financial interest in the insured loan.

(c) Qualification for holding partial interest. A partial interest in an insured loan shall be issued to and held only by:

(3) The loan documents shall remain in the custody of the principal lender.

(4) The responsibility for servicing the insured loans shall remain with the principal lender.

§ 203.496 Actions to be taken by mortgagee or lender.

With respect to any action required by the mortgagee or lender within a period of time prescribed by this subpart the Commissioner may extend such period.

AMENDMENTS

§ 203.499 Effect of amendments.

The regulations in this subpart may be amended by the Secretary at any time and from time to time, in whole or in part, but such amendment will not adversely affect the interests of a mortgagor under the contract of insurance on any mortgage or loan already insured, and will not adversely affect the interest of a mortgagee on any mortgage or loan to be insured for which either the Direct Endorsement or Lender Insurance mortgagee has approved the mortgagor and all terms and conditions of the mortgage or loan, or the Secretary has issued a firm commitment. In addition, such amendment will not adversely affect the eligibility of specific property if such property is covered by a conditional commitment issued by the Secretary, a certificate of reasonable value issued by the Secretary of Veterans Affairs, or an appraisal report approved by a Direct Endorsement or Lender Insurance underwriter.

Subpart C—Servicing Responsibilities

SOURCE: 41 FR 49736, Nov. 10, 1976, unless otherwise noted.

GENERAL REQUIREMENTS

§ 203.500 Mortgage servicing generally.

This subpart identifies servicing practices of lending institutions that HUD considers acceptable for mortgages insured by HUD. Failure to comply with this subpart shall not be a basis for denial of insurance benefits, but failure to comply will be cause for imposition of a civil money penalty, including a penalty under §30.35(c)(2), or withdrawal of HUD’s approval of a mortgagee. It is the intent of the Department that no mortgagee shall commence foreclosure or acquire title to a property until the requirements of this subpart have been followed.

[70 FR 21578, Apr. 26, 2005]
§ 203.501 Loss mitigation.

Mortgagees must consider the comparative effects of their elective servicing actions, and must take those appropriate actions which can reasonably be expected to generate the smallest financial loss to the Department. Such actions include, but are not limited to, deeds in lieu of foreclosure under § 203.357, pre-foreclosure sales under § 203.370, partial claims under § 203.414, assumptions under § 203.512, special forbearance under §§ 203.471 and 203.614, and recasting of mortgages under § 203.616. HUD may prescribe conditions and requirements for the appropriate use of these loss mitigation actions, concerning such matters as owner-occupancy, extent of previous defaults, prior use of loss mitigation, and evaluation of the mortgagor’s income, credit and property.

§ 203.508 Providing information.

(a) Mortgagees shall provide loan information to mortgagors and arrange for individual loan consultation on request. The mortgagee must establish written procedures and controls to assure prompt responses to inquiries. One or more of the following means of making information readily available to mortgagors is required:

(1) An office staffed with competent personnel located within 200 miles of the property, capable of providing timely responses to requests for information. Complete records need not be maintained in such an office if the staff is able to secure needed information and pass it on to the mortgagor.

(2) Toll-free telephone service at an office capable of providing needed information.

(b) All mortgagors must be informed of the system available for obtaining answers to loan inquiries, the office from which needed information may be obtained and reminded of the system at least annually. Toll-free telephone service need not be provided to a mortgagor other than at the office designated to serve the mortgagor nor other than from the immediate vicinity of the security property.

(c) Within thirty days after the end of each calendar year, the mortgagee shall furnish to the mortgagor a statement of the interest paid, and of the taxes disbursed from the escrow account during the preceding year. At the mortgagor’s request, the mortgagee shall furnish a statement of the escrow account sufficient to enable the mortgagor to reconcile the account.

(d) Mortgagees must respond to HUD requests for information concerning individual accounts.

(e) Each servicer of a mortgage shall deliver to the mortgagor a written notice of any assignment, sale, or transfer of the servicing of the mortgage. The notice must be sent in accordance
with the provisions of §3500.21(e)(1) of this title and shall contain the information required by §3500.21(e)(2) of this title. Servicers must respond to mortgagor inquiries pertaining to the transfer of servicing in accordance with §3500.21(f) of this title.

(The information collection requirements contained in paragraph (c) were approved by the Office of Management and Budget under control number 2502–0235)

§ 203.510 Release of personal liability.

(a) Procedures. The mortgagee shall release a selling mortgagor from any personal liability for payment of the mortgage debt, if release is permitted by §203.258 of this part, in accordance with the following procedures:

(1) The mortgagee receives a request for a creditworthiness determination for a prospective purchaser of all or part of the mortgaged property;

(2) The mortgagee or servicer performs a creditworthiness determination under §203.512(b)(1) of this part if the mortgagee or servicer is approved for participation in the Direct Endorsement program, or the mortgagee requests a creditworthiness determination by the Secretary;

(3) The prospective purchaser is determined to be creditworthy under the standards applicable when a release of the selling mortgagor is intended;

(4) The prospective purchaser assumes personal liability by agreeing to pay the mortgage debt; and

(5) The mortgagee provides the selling mortgagor with a release of personal liability on a form approved by the Secretary.

(b) Release after 5 years. (1) If a selling mortgagor is not released under the procedures described in paragraph (a) of this section, or because there is no affirmative determination of creditworthiness under paragraph (a)(3) of this section, then the selling mortgagor is automatically released from any personal liability for payment of the mortgage debt because of section 203(r) of the National Housing Act if:

(i) The purchasing mortgagor has assumed personal liability by agreeing to pay the mortgage debt;

(ii) Five years have elapsed after the assumption; and

(iii) The purchasing mortgagor is not in default under the mortgage at the end of the five-year period.

(2) If the conditions of this paragraph (b) for a release are satisfied, the mortgagee shall provide a written release upon request to the selling mortgagor.

(c) Mortgagee to provide notice. A mortgagee shall inform mortgagors (including prospective mortgagors seeking information) about the procedures for release of personal liability by providing a notice approved by the Secretary when required by the Secretary.

[58 FR 42649, Aug. 11, 1993]

§ 203.512 Free assumability; exceptions.

(a) Policy of free assumability with no restrictions. A mortgagee shall not impose, agree to or enforce legal restrictions on conveyance, as defined in §203.41(a)(3) of this part, or restrictions on assumption of the insured mortgage, unless specifically permitted by this part or contained in a junior lien granted to the mortgagee after settlement on the insured mortgage.

(b) Credit review. If approval is required by the mortgagee, the mortgagee shall not approve the sale or other transfer of all or part of the mortgaged property, or the sale or transfer of a beneficial interest in a trust owning all or part of the property, whether or not any person acquires personal liability under the mortgage in connection with the sale or other transfer, unless:

(1) At least one of the persons acquiring ownership is determined to be creditworthy under applicable standards prescribed by the Secretary;

(2) The selling mortgagor retains an ownership interest in the property; or

(3) The transfer is by devise or descent.

(c) Investors and secondary residences. The mortgagee shall not approve the
sale of other transfer or mortgaged property to a person who cannot be approved as a substitute mortgagor as provided in §203.258 of this part because the property will not be a primary residence or a secondary residence permitted by that section.

(d) Due-on-sale clause. Each mortgage shall contain a due-on-sale clause permitting acceleration, in a form prescribed by the Secretary. If a sale or other transfer occurs without mortgagor approval and a prohibition in paragraphs (b) or (c) of this section applies, a mortgagor shall enforce this section by requesting approval from the Secretary to accelerate the mortgage, provided that acceleration is permitted by applicable law. The mortgagor shall accelerate if approval is granted. This paragraph applies only if the application by the mortgagor on a form approved by the Secretary is dated on or after December 1, 1986.

(PAYMENTS, CHARGES AND ACCOUNTS)

§ 203.552 Fees and charges after endorsement.

(a) The mortgagor may collect reasonable and customary fees and charges from the mortgagor after insurance endorsement only as provided below. The mortgagor may collect these fees or charges from the mortgagor only to the extent that the mortgagor is not reimbursed for such fees by HUD.

(1) Late charges as set forth in §203.25;

(2) Charges for processing or reprocessing a check returned as uncollectible; (Where bank policy permits, the mortgagor must deposit a check for collection a second time before assessing a bad check charge);

(3) Fees for processing a change of ownership of the mortgaged property;

(4) Fees and charges for arranging a substitution of liability under the mortgage in connection with the sale or transfer of the property;

(5) Charges for processing a request for credit approval of an assumptor or substitute mortgagor;

(6) Charges for substitution of a hazard insurance policy at other than the
§ 203.554 Enforcement of late charges.

(a) A mortgagee shall not commence foreclosure when the only default on the part of the mortgagor is the failure to pay a late charge or charges (§ 203.25), except as provided in § 203.556.

(b) A late charge attributable to a particular installment payment due under the mortgage shall not be deducted from that installment. However, if the mortgagee thereafter notifies the mortgagor of his obligation to pay a late charge, such a charge may be deducted from any subsequent payment or payments submitted by the mortgagor or on his behalf if this is not inconsistent with the terms of the mortgage. Partial payments shall be treated as provided in § 203.556.

(c) A payment may be returned because of failure to include a late charge only if the mortgagee notifies the mortgagor before imposition of the charge that the amount of the monthly payment, the date when the late charge will be imposed and either the amount of the late charge or the total amount due when the late charge is included.

(d) During the 60-day period beginning on the effective date of transfer of the servicing of a mortgage, a late charge shall not be imposed on the mortgagor with respect to any payment on the loan. No payment shall be treated as late for any other purpose if
the payment is received by the transferor servicer, rather than the transferee servicer that should receive the payment, before the due date (including any applicable grace period allowed under the mortgage documents) applicable to such payment.

§ 203.556 Return of partial payments.

(a) For the purpose of this section, a partial payment is a payment of any amount less than the full amount due under the terms of the mortgage at the time the payment is tendered, including late charges.

(b) Except as provided in this section, the mortgagee shall accept any partial payment and either apply it to the mortgagor’s account or identify it with the mortgagor’s account and hold it in a trust account pending disposition. When partial payments held for disposition aggregate a full monthly installment they shall be applied to the mortgagor’s account, thus advancing the date of the oldest unpaid installment but not the date on which the account first became delinquent.

(c) If the mortgage is not in default, a partial payment may be returned to the mortgagor with a letter of explanation.

(d) If the mortgage is in default, a partial payment may be returned to the mortgagor with a letter of explanation in any of the following circumstances:

(1) When payment aggregates less than 50 percent of the amount then due;

(2) The payment is less than the amount agreed to in a forbearance plan, whether or not reduced to writing;

(3) The property is occupied by a tenant who is paying rent and the rentals are not being applied to the mortgage payments;

(4) Foreclosure has been commenced. (Foreclosure is commenced when the first action required for foreclosure under applicable law is taken.)

(e) Under the following circumstances the mortgagor may return any partial payment received more than 14 days after the mortgagee has mailed to the mortgagor a statement

of the full amount due, including late charges, and a notice of intention to return any payment less than such amount.

(1) Four or more monthly installments are due and unpaid, or

(2) A delinquency of any amount has continued for at least six months since the account first became delinquent.

§ 203.558 Handling prepayments.

(a) Handling prepayments for FHA-insured mortgages closed on or after January 21, 2015. With respect to FHA-insured mortgages closed on or after January 21, 2015, notwithstanding the terms of the mortgage, the mortgagee shall accept a prepayment at any time and in any amount. The mortgagee shall not require 30 days’ advance notice of prepayment, even if the mortgage instrument purports to require such notice. Monthly interest on the debt must be calculated on the actual unpaid principal balance of the loan as of the date the prepayment is received, and not as of the next installment due date.

(b) Handling prepayments for FHA-insured mortgages closed before January 21, 2015. (1) With respect to FHA mortgages insured before August 2, 1985, if a prepayment is offered on other than an installment due date, the mortgagee may refuse to accept the prepayment until the first day of the month following expiration of the 30-day notice period as provided in the mortgage, or may require payment of interest to that date, but only if the mortgagee so advises the mortgagor, in a form approved by the Commissioner, in response to the mortgagor’s inquiry, request for payoff figures, or tender of prepayment. If the installment due date (the first day of the month) falls on a nonbusiness day, the mortgagor’s notice of intention to prepay or the prepayment shall be timely if received on the next business day.

(2) With respect to FHA mortgages insured on or after August 2, 1985, but closed before January 21, 2015, the mortgagee shall not require 30 days’ advance notice of prepayment, even if the mortgage instrument purports to require such notice. If the prepayment is offered on other than an installment
due date, the mortgagee may refuse to accept the prepayment until the next installment due date (the first day of the month), or may require payment of interest to that date, but only if the mortgagee so advises the mortgagor, in a form approved by the Commissioner, in response to the mortgagor’s inquiry, request for payoff figures, or tender of prepayment.

(3) If the mortgagee fails to meet the full disclosure requirements of paragraphs (b)(1) and (b)(2) of this section, the mortgagee may be subject to forfeiture of that portion of the interest collected for the period beyond the date that prepayment in full was received and to such other actions as are provided in part 25 of this title.

(c) Mortgagee annual notice to mortgagors. Each mortgagee, with respect to a mortgage under this part, shall provide to each of its mortgagors not less frequently than annually a written notice, in a form approved by the Commissioner, containing a statement of the amount outstanding for prepayment of the principal amount of the mortgage. With respect to FHA-insured mortgages closed before January 21, 2015, the notice shall describe any requirements the mortgagor must fulfill to prevent the accrual of any interest on the principal amount after the date of any prepayment. This paragraph shall apply to any outstanding mortgage insured on or after August 22, 1991.

§ 203.604 Contact with the mortgagor.

(a) [Reserved]

(b) The mortgagee must have a face-to-face interview with the mortgagor, or make a reasonable effort to arrange such a meeting, before three full monthly installments due on the mortgage are unpaid. If default occurs in a repayment plan arranged other than during a personal interview, the mortgagee must have a face-to-face meeting with the mortgagor, or make a reasonable attempt to arrange such a meeting within 30 days after such default and at least 30 days before foreclosure is commenced, or at least 30 days before assignment is requested if the mortgage is insured on Hawaiian home land pursuant to section 247 or Indian land pursuant to section 248 or if assignment is requested under §203.350(d) for mortgages authorized by section 203(q) of the National Housing Act.

(c) A face-to-face meeting is not required if:

(1) The mortgagor does not reside in the mortgaged property,

(2) The mortgaged property is not within 200 miles of the mortgagee, its servicer, or a branch office of either,

(3) The mortgagor has clearly indicated that he will not cooperate in the interview,

(4) A repayment plan consistent with the mortgagor’s circumstances is entered into to bring the mortgagor’s account current thus making a meeting unnecessary, and payments thereunder are current, or

(5) A reasonable effort to arrange a meeting is unsuccessful.

(d) A reasonable effort to arrange a face-to-face meeting with the mortgagor shall consist at a minimum of

§ 203.605

(a) Duty to mitigate. Before four full monthly installments due on the mortgage have become unpaid, the mortgagee shall evaluate on a monthly basis all of the loss mitigation techniques provided at §203.501 to determine which is appropriate. Based upon such evaluations, the mortgagee shall take the appropriate loss mitigation action. Documentation must be maintained for the initial and all subsequent evaluations and resulting loss mitigation actions. Should a claim for mortgage insurance benefits later be filed, the mortgagee shall maintain this documentation in the claim review file under the requirements of §203.365(c).

(b) Assessment of mortgagee’s loss mitigation performance. (1) HUD will measure and advise mortgagees of their loss mitigation performance through the Tier Ranking System (TRS). Under the TRS, HUD will analyze each mortgagee’s loss mitigation efforts portfolio-wide on a quarterly basis, based on 12 months of performance, by computing ratios involving loss mitigation attempts, defaults, and claims. Based on the ratios, HUD will group mortgagees in four tiers (Tiers 1, 2, 3, and 4), with Tier 1 representing the highest or best ranking mortgagees and Tier 4 representing the lowest or least satisfactory ranking mortgagees. The precise methodology for calculating the TRS ratios and for determining the tier stratification (or cutoff points) will be provided through Federal Register notice. Notice of future TRS methodology or stratification changes will be published in the Federal Register and will provide a 30-day public comment period.

(2) Before HUD issues each quarterly TRS notice, HUD will review the number of claims paid to the mortgagee. If HUD determines that the lender’s low TRS score is the result of a small number of defaults or a small number of foreclosure claims, or both, as defined by notice, HUD may determine not to designate the mortgagee as Tier 3 or Tier 4, and the mortgagee will remain unranked.

(3) Within 30 calendar days after the date of the TRS notice, a mortgagee that scored in Tier 4 may appeal its ranking to the Deputy Assistant Secretary for Single Family or the Deputy Assistant Secretary’s designee and request an informal HUD conference. The only basis for appeal by the Tier 4 mortgagee is disagreement with the data used by HUD to calculate the
mortgagee’s ranking. If HUD determines that the mortgagee’s Tier 4 ranking was based on incorrect or incomplete data, the mortgagee’s performance will be recalculated and the mortgagee will receive a corrected tier ranking score.

(c) Assessment of civil money penalty. A mortgagee that is found to have failed to engage in loss mitigation as required under paragraph (a) of this section shall be liable for a civil money penalty as provided in §30.35(c) of this title.

[70 FR 21578, Apr. 26, 2005]

§ 203.606 Pre-foreclosure review.

(a) Before initiating foreclosure, the mortgagee must ensure that all servicing requirements of this subpart have been met. The mortgagee may not commence foreclosure for a monetary default unless at least three full monthly installments due under the mortgage are unpaid after application of any partial payments that may have been accepted but not yet applied to the mortgage account. In addition, prior to initiating any action required by law to foreclose the mortgage, the mortgagee shall notify the mortgagor in a format prescribed by the Secretary that the mortgagor is in default and the mortgagee intends to foreclose unless the mortgagor cures the default.

(b) If the mortgagee determines that any of the following conditions has been met, the mortgagee may initiate foreclosure without the delay in foreclosure required by paragraph (a) of this section:

(1) The mortgaged property has been abandoned, or has been vacant for more than 60 days.

(2) The mortgagor, after being clearly advised of the options available for relief, has clearly stated in writing that he or she has no intention of fulfilling his or her obligation under the mortgage.

(3) The mortgaged property is not the mortgagor’s principal residence and it is occupied by tenants who are paying rent, but the rental income is not being applied to the mortgage debt.

(4) The property is owned by a corporation or partnership.

§ 203.608 Reinstatement.

The mortgagee shall permit reinstatement of a mortgage, even after the institution of foreclosure proceedings, if the mortgagor tenders in a lump sum all amounts required to bring the account current, including foreclosure costs and reasonable attorney’s fees and expenses properly associated with the foreclosure action, unless: (a) The mortgagor has accepted reinstatement after the institution of foreclosure proceedings within two years immediately preceding the commencement of the current foreclosure action, (b) reinstatement will preclude foreclosure following a subsequent default, or (c) reinstatement will adversely affect the priority of the mortgage lien.

§ 203.610 Relief for mortgagor in military service.

The mortgagee shall specifically give consideration to affording the mortgagor the benefit of relief authorized by §§203.345 and 203.346, if the mortgagor is person in the military service as that term is defined in the Soldiers and Sailors Civil Relief Act of 1940, as amended.

§ 203.614 Special forbearance.

If the mortgagee finds that a default is due to circumstances beyond the mortgagor’s control, as defined by HUD, the mortgagee may grant special forbearance relief to the mortgagor in accordance with the conditions prescribed by HUD.

[61 FR 35020, July 3, 1996]

§ 203.616 Mortgage modification.

The mortgagee may modify a mortgage for the purpose of changing the amortization provisions by recasting the total unpaid amount due for a term not exceeding 360 months. The mortgagee must notify HUD of such modification in a format prescribed by HUD within 30 days of the execution of the modification agreement.

§ 203.664 Processing defaulted mortgages on property located on Indian land.

§ 203.666 Processing defaulted mortgages on property in Allegany Reservation of Seneca Indians.

(a) Applicability. This section applies to mortgages authorized by section 203(q) of the National Housing Act (§203.43)) only if the default occurred before the mortgagor and the lessee execute a lease renewal or a new lease either with a term of not less than five years beyond the maturity date of the mortgage, or with a term established by an arbitration award.

(b) Claims through assignment. Before a mortgagee requests the Secretary to accept assignment under §203.350(d) the mortgagee must submit documents showing that the requirements of §203.604 have been met.

§ 203.667 Criteria for determining the Secretary’s interest.

It is in the Secretary’s interest to accept occupied conveyance when one or more of the following are met:

(a) Occupancy of the property is essential to protect it from vandalism

§ 203.672 Residential areas.

(a) For the purposes of occupied conveyance considerations, a residential area is any area which constitutes a local economic market for the purchase and sale of residential real estate. In making determinations of residential areas, substantial weight shall be given to delineations of such areas commonly used by persons active in the real estate industry in the affected area.

(b) HUD shall establish such residential areas within six (6) months of the publication of these regulations when HUD's current established patterns of dealing with the disposition of its acquired home property inventory and related recordkeeping does not coincide with paragraph (a) of this section. Under such circumstances the Secretary shall apply such established patterns in defining residential areas until the standards in paragraph (a) of this section are implemented.

§ 203.673 Habitability.

(a) For purposes of § 203.670, a property is habitable if it meets the requirements of this section in its present condition, or will meet these requirements with the expenditure of not more than five percent of the fair market value of the property. The cost of hazard reduction or abatement of lead-based paint hazards in the property, as required by the Lead-Based Paint Poisoning Prevention Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations in part 35 of this title, is excluded from these repair cost limitations.

(b) Each residential unit must contain:

(1) Heating facilities adequate for healthful and comfortable living conditions, taking into consideration the local climate;

(2) Adequate electrical supply for lighting and for equipment used in the residential unit;

(3) Adequate cooking facilities;

(4) A continuing supply of hot and cold water; and

(5) Adequate sanitary facilities and a safe method of sewage disposal.

(c) If repairs, including lead-based paint hazard reduction or abatement, are to be made while the property is occupied, the occupant must hold the Secretary and the Department harmless against any personal injury or property damage that may occur during the process of making repairs. If temporary relocation of the occupant is necessary during repairs, no reimbursement for relocation expenses will be provided to the occupant.

§ 203.674 Eligibility for continued occupancy.

(a) Occupancy because of temporary, permanent, or long-term illness or injury of an individual residing in the property will be limited to a reasonable time, to be determined by the Secretary on a case-by-case basis, and will be permitted only if all the conditions in this paragraph (a) are met:

(1) A timely request is made in accordance with § 203.676, including the submittal of documents required in § 203.675(b)(4).
Office of Assistant Secretary for Housing, HUD  § 203.675

(2) The occupant agrees to execute a month-to-month lease, at the time of acquisition of the property by the Secretary and on a form prescribed by HUD, and to pay a fair market rent as determined by the Secretary. The rental rate shall be established on the basis of rents charged for other properties in comparable condition after completion of repairs (if any).

(3) The occupant’s total housing cost (rent plus utility costs to be paid by the occupant) will not exceed 38 percent of the occupant’s net effective income (gross income less Federal income taxes). However, a higher percentage may be permitted if the occupant has been paying at least the required rental amount for the dwelling, or if there are other compensating factors (e.g., where the occupant is able to rely on cash savings or on contributions from family members to cover total housing costs).

(4) The occupant agrees to allow access to the property (during normal business hours and upon a minimum of two days advance notice) by HUD Field Office staff or by a HUD representative, so that the property may be inspected and any necessary repairs accomplished, or by a sales broker.

(5) The occupant discloses and verifies Social Security Numbers, as provided by part 200, subpart T, of this chapter.

(Approved by the Office of Management and Budget under control number 2502–0268)

§ 203.675 Notice to occupants of pending acquisition.

(a) At least 60 days, but not more than 90 days, before the date on which the mortgagee reasonably expects to acquire title to the property, the mortgagee shall notify the mortgagor and each head of household who is actually occupying a unit of the property of its potential acquisition by HUD. The notice shall provide a brief summary of the conditions under which continued occupancy is permissible and advise them that:

(1) Potential acquisition of the property by the Secretary is pending;

(2) The Secretary requires that properties be vacant at the time of conveyance to the Secretary, unless the mortgagor or other occupant can meet the conditions for continued occupancy in §203.670, the habitability criteria in
§ 203.676 Request for continued occupancy.

An occupant may request permission to continue to occupy the property following conveyance to the Secretary by notifying the HUD Field Office in writing, within 20 days after the date of the mortgagee’s notice of pending acquisition. Verification of illness or injury as described in §203.675(b)(4) shall be submitted within this time period if an occupant seeks to qualify for continued occupancy under the provisions of §203.674(a). The HUD Field Office will notify the mortgagee in writing that an occupied conveyance has been requested.

(Approved by the Office of Management and Budget under control number 2502-0268)

§ 203.677 Decision to approve or deny a request.

(a) The HUD Field Office will provide written notification of its decision to an occupant who makes a timely request to continue to occupy the property. The decision of the HUD Field Office on this matter will be made by the Chief, Property Disposition. If the decision is to deny the request, the notice to the occupant will include a statement of the reason or reasons for the decision and of the occupant’s right to appeal. The occupant may appeal HUD’s decision within 20 days after the date of HUD’s notice. The appeal must be addressed to the Field Office Manager and be in writing, and the occupant may provide documentation intended to refute the reasons given for HUD’s decision. The occupant may also request an informal conference with a representative of the HUD Field Office Manager. A request for an informal conference must be made in writing within 10 days after the date of HUD’s notice. The occupant may be represented at the conference by counsel or by other persons with pertinent expert knowledge or experience.

(b) After notification that HUD has denied a request for continued occupancy, the occupant, on his or her request, shall be permitted to review all relevant material in HUD’s possession (including a copy of the inspection report if the request is denied because the property is not habitable as defined in §203.673). Only material in HUD’s possession that directly pertains to conditions for continued occupancy under §§203.670, 203.673, and 203.674 may be considered material relevant for an occupant’s review under this paragraph. This review shall be limited to a review of material for purposes of the informal conference or the appeal of the Department’s decision. The information will only be provided after request for an informal conference or appeal has been submitted to HUD.

§ 204.1 Termination of program.

Effective December 29, 1994, of final rule the authority to coinsure mortgages under this part is terminated, except that the Department will honor the lease, or to comply with the terms of the lease:

(2) Failure of the occupant to allow access to the property upon request in accordance with §203.674 (a)(4) and (b)(5);

(3) Necessity to prepare the property for sale; or

(4) Assignment of the property by the Secretary to a different use or program.

§ 203.678 Conveyance of vacant property.

(a) HUD will require that the property be conveyed vacant if the occupant fails to request permission to continue to occupy within the time period specified in §203.676, or fails to request a conference or to appeal a decision to deny occupied conveyance within the time period specified in §203.677(a).

(b) If the mortgagee has not been notified by HUD, within 45 days of the date of the mortgagee’s notification of pending acquisition, that a request for continued occupancy is under consideration, the mortgagee shall convey the property vacant, unless otherwise directed by HUD.

§ 203.679 Continued occupancy after conveyance.

(a) Occupancy of HUD-acquired property is temporary in all cases and is subject to termination when necessary to facilitate preparing the property for sale and completing the sale.

(b) HUD will notify the occupant to vacate the property and, if necessary, will take appropriate eviction action in any of the following situations:

(1) Failure of the occupant to execute the lease required by §203.674 (a)(2) and (b)(2), or failure to pay the rental amount required, including the initial payment at the time of execution of the lease; or to comply with the terms of the lease:
legally binding and validly issued borrower approvals issued by lenders before the termination date. This part 204, as it existed immediately before the termination date, will continue to govern the rights and obligations of co-insured lenders, mortgagors, and the Department of Housing and Urban Development with respect to loans co-insured under this part.

§ 206.1 Purpose.

The purposes of the Home Equity Conversion Mortgage Insurance program are set out in section 255(a) of the National Housing Act, Public Law 73–479, 48 STAT. 1246 (12 U.S.C. 1715z–20) ("NHA").

[61 FR 49032, Sept. 17, 1996]

§ 206.3 Definitions.

As used in this part, the following terms shall have the meaning indicated.

Contract of insurance. (See 24 CFR 203.251(j)).

Day means calendar day, except where the term business day is used.

Estate planning service firm means an individual or entity that is not a mortgagee approved under part 202 of this chapter or a housing counseling agency approved under §206.41 and that charges a fee that is:

(1) Contingent on the homeowner obtaining a mortgage loan under this part, except the origination fee authorized by §206.31 or a fee specifically authorized by the Secretary; or

(2) For information that homeowners must receive under §206.41, except a fee by:

(i) A housing counseling agency approved under §206.41; or

(ii) An individual or company, such as an attorney or accountant, in the bona fide business of generally providing tax or other legal or financial advice; or

(3) For other services that the provider of the services represents are, in whole or in part, for the purpose of improving an elderly homeowner’s access to mortgages covered by this part, except where the fee is for services specifically authorized by the Secretary.

Expected average mortgage interest rate means the interest rate used to calculate the principal limit and the future payments to the mortgagor and is established based on the date on which the initial loan application is signed by the borrower. For fixed rate HECMs, it is the fixed mortgage interest rate. For adjustable rate HECMs, it is either the sum of the mortgagee’s margin plus the weekly average yield for U.S. Treasury securities adjusted to a constant maturity of 10 years, or it is the sum of the mortgagee’s margin plus the 10-year LIBOR swap rate, depending on which interest rate index is chosen by the mortgagor. The margin is determined by the mortgagee and is defined as the amount that is added to the index value to compute the mortgage interest rate. The index type (i.e., CMT or LIBOR) used to calculate the expected average mortgage interest rate must be the same index type used to calculate mortgage interest rate adjustments—commingling of index types is not allowed (e.g., it is not permissible to use the 10-year CMT to determine the expected average mortgage interest rate and use the one-year LIBOR index to adjust the interest rate). The mortgagee’s margin is the same margin used to determine the periodic adjustments to the interest rate.

Home Equity Conversion Mortgage (HECM) counselor means an individual who provides statutorily required counseling to clients who may be eligible for or interested in obtaining an FHA-insured HECM. This counseling assists elderly homeowners who seek to convert equity in their homes into income that can be used to pay for home improvements, medical costs, living expenses, or other expenses.

Insured mortgage means a mortgage which has been insured as evidenced by the issuance of a mortgage insurance certificate.

LIBOR means the London Interbank Offered Rate.

Maximum claim amount means the lesser of the appraised value of the property, as determined by the appraisal used in underwriting the loan, or the maximum dollar amount for an area established by the Secretary for a one-family residence under section 203(b)(2) of the National Housing Act (as adjusted where applicable under section 214 of the National Housing Act) as of the date of loan closing. Closing costs must not be taken into
account in determining appraised value. MIP. (See 24 CFR 203.251(k)).
Mortgage means a first lien on real estate under the laws of the jurisdiction where the real estate is located. If the dwelling unit is in a condominium, the term mortgage means a first lien covering a fee interest or eligible leasehold interest in a one-family unit in a condominium project, together with an undivided interest in the common areas and facilities serving the project, and such restricted common areas and facilities as may be designated. The term refers to a security instrument creating a lien, whether called a mortgage, deed of trust, security deed, or another term used in a particular jurisdiction. The term mortgage also includes the credit instrument, or note, secured by the lien, and the loan agreement between the mortgagor, the mortgagee and the Secretary.
Mortgagee. (See section 255(b)(2) of NHA).
Mortgagor means each original borrower under a mortgage. The term does not include successors or assigns of a borrower.
Principal limit means the maximum disbursement that could be received in any month under a mortgage, assuming that no other disbursements are made, taking into account the age of the youngest mortgagor, the mortgage interest rate, and the maximum claim amount. Mortgagors over the age of 95 will be treated as though they are 95 for purposes of calculating the principal limit. The principal limit is used to calculate payments to a mortgagor. It is calculated for the first month that a mortgage could be outstanding using factors provided by the Secretary. It increases each month thereafter at a rate equal to one-twelfth of the mortgage interest rate in effect at that time, plus one-twelfth of one-half percent per annum, if the mortgage was executed on or after May 1, 1997. If the mortgage was executed before May 1, 1997, the principal limit increases each month at a rate equal to one-twelfth of the expected average mortgage interest rate plus one-twelfth of one-half percent per annum. The principal limit may decrease because of insurance or condemnation proceeds applied to the mortgage balance under §209.209(b) of this chapter.

One-month Constant Maturity Treasury (CMT) Index means the average weekly yield of U.S. Treasury securities adjusted to a constant maturity of one month.

Principal residence means the dwelling where the mortgagor maintains his or her permanent place of abode, and typically spends the majority of the calendar year. A person may have only one principal residence at any one time.

Secretary. (See 24 CFR 5.100).

§ 206.7 Effect of amendments.
The regulations in this part may be amended by the Secretary at any time and from time to time, in whole or in part, but amendments to subparts B and C of this part will not adversely affect the interests of a mortgagee on any mortgage to be insured for which either the Direct Endorsement mortgagee or Lender Insurance mortgagee has approved the mortgagor and all terms and conditions of the mortgage, or the Secretary has made a commitment to insure. Such amendments will not adversely affect the interests of a mortgagor in the case of a default by a mortgagee where the Secretary makes payments to the mortgagor.

§ 206.8 Preemption.
(a) Lien priority. The full amount secured by the mortgage shall have the same priority over any other liens on the property as if the full amount had been disbursed on the date the initial disbursement was made, regardless of the actual date of any disbursement. The amount secured by the mortgage shall include all direct payments by the mortgagor to the mortgagee and all other loan advances permitted by the mortgage for any purpose, including loan advances for interest, taxes and
§ 206.19 Payment options.

(a) Term payment option. Under the term payment option, equal monthly payments are made by the mortgagor to the mortgagor for a fixed term of months chosen by the mortgagor, unless the mortgage is prepaid in full or becomes due and payable earlier under §206.27(c).

(b) Tenure payment option. Under the tenure payment option, equal monthly payments are made by the mortgagor to the mortgagor as long as the property is the principal residence of the mortgagor.
mortgagor, unless the mortgage is prepaid in full or becomes due and payable under §206.27(c).

(c) Line of credit payment option. Under the line of credit payment option, payments are made by the mortgagee to the mortgagor at times and in amounts determined by the mortgagor as long as the amounts do not exceed the payment amounts permitted by §206.25(d).

(d) Principal limit set asides. (1) Under the term or tenure options, the mortgagor shall, if requested by the mortgagor, set aside a portion of the principal limit to be drawn down as a line of credit.

(2) When repairs required by §206.47 will be completed after closing, the mortgagee shall set aside a portion of the principal limit equal to 150% of the Secretary’s estimated cost of repairs, plus the repair administration fee.

(3) When required by §206.205(f), the mortgagee shall set aside a portion of the principal limit for payment of property charges consisting of taxes, ground rents, flood and hazard insurance premiums and assessments.

(4) When servicing charges will be made as permitted by §206.207(b), the mortgagee shall set aside a portion of the principal limit sufficient to cover charges through a period equal to the payment term which would be used to calculate tenure payments under §206.25(c).

(e) Interest accrual and repayment. The interest charged on the mortgage balance shall be added to the mortgage balance monthly as provided in the mortgage. Under all payment options, repayment of the mortgage balance including monthly MIP and interest is deferred until the mortgage becomes due and payable in full under §206.27(c).

(f) Payments limited by lien amount. No payments shall be made under any of the payment options, notwithstanding anything to the contrary in this section or in §206.25, in an amount which shall cause the mortgage balance after the payment to exceed any maximum mortgage amount stated in the security instruments or to otherwise exceed the amount secured by a first lien.

§ 206.25 Calculation of payments.

(a) Initial payment. At closing an initial payment shall be made by the mortgagor in an amount equal to the sum of initial MIP under §206.105(a) if not paid in cash by the mortgagor, fees and charges allowed under §206.31(a) if not paid in cash by the mortgagor, and any additional payment requested by the mortgagor. The total initial payment, plus any amount set aside for repairs after closing under §206.47, for property charges under §206.205(f), or
§ 206.25  

24 CFR Ch. II (4–1–16 Edition)  

for servicing charges under § 206.207(b), shall not exceed the principal limit.  

(b) Monthly payments—term option.  

(1) Using factors provided by the Secretary, the mortgagee shall calculate the monthly payment so that the sum of paragraphs (b)(1)(i) or (b)(1)(ii) of this section added to paragraphs (b)(1)(iii), (b)(1)(iv), (b)(1)(v) and (b)(1)(vi) of this section shall be equal to the principal limit at the end of the payment term:  

(i) An initial payment under paragraph (a) of this section plus any initial servicing charge set aside under § 206.19(d); or  

(ii) The mortgage balance at the time of a change in payments option in accordance with § 206.25, plus any remaining servicing charge set aside under § 206.19(d); and  

(iii) The portion of the principal limit set aside as a line of credit including any set asides for repairs and first year property charges under § 206.19(d); and  

(iv) All monthly payments due through the payment term, including funds withheld for payment of property charges under § 206.205; and  

(v) All MIP, or monthly charges due to the Secretary in lieu of mortgage insurance premiums due through the payment term; and  

(vi) All interest through the remainder of the payment term. The expected average mortgage interest rate shall be used for this purpose.  

(2) If the mortgage has an adjustable interest rate, the mortgagee shall make all monthly payments through the payment term even if the mortgage balance exceeds the principal limit because the actual average mortgage interest rate exceeds the expected average mortgage interest rate.  

(c) Monthly payments—tenure option.  

Monthly payments under the tenure payment option shall be calculated as if the number of months in the payment term equals 180 minus the age of the youngest mortgagor multiplied by 12, but payments shall continue until the mortgage becomes due and payable under § 206.27(c).  

(d) Line of credit separately or with monthly payments. If the mortgagor has a line of credit, separately or combined with the term or tenure payment option, the principal limit is divided into an amount set aside for servicing charges under § 206.19(d), an amount equal to the line of credit (including any portion of the principal limit set aside for repairs or property charges under § 206.19(d)), and the remaining amount of the principal limit (if any). The line of credit amount increases at the same rate as the total principal limit increases under § 206.3. A payment under the line of credit may not exceed the difference between the current amount of the principal limit for the line of credit and the portion of the mortgage balance, including accrued interest and MIP, attributable to draws on the line of credit.  

(e) Payment of MIP and interest.  

At the end of each month, interest accrued during the month shall be added to the mortgage balance. Monthly MIP shall be added to the mortgage balance when paid to the Secretary.  

(f) Mortgagor late charge. The mortgagee shall pay a late charge to the mortgagor for any late payment. If the mortgagee does not mail or electronically transfer a scheduled monthly payment to the mortgagor on the first business day of the month or make a line of credit payment within 5 business days of the date the mortgagee received the request, the late charge shall be 10 percent of the entire amount that should have been paid to the mortgagor for that month or as a result of that request. For each additional day that the mortgagor does not receive payment, the mortgagee shall pay interest at the mortgage interest rate on the late payment. In no event shall the total late charge exceed five hundred dollars. Any late charge shall be paid from the mortgagee’s funds and shall not be added to the mortgage balance.  

(g) No minimum payments. A mortgagee shall not require, as a condition of providing a loan secured by a mortgage insured under this part, that the monthly payments under the term or tenure payment option or draws under the line of credit payment option exceed a minimum amount established by the mortgagee.  

§ 206.26 Change in payment option.

(a) General. The payment option may be changed as provided in this section.

(b) Change due to initial repairs. (1) If initial repairs after closing under § 206.47 are completed without using all of the funds set aside for repairs, the mortgagor shall transfer the remaining amount to a line of credit and inform the mortgagor of the sum available to be drawn.

(2) If repairs after closing under § 206.47 cannot be completed with the funds set aside for repairs, the mortgagor may advance additional funds to complete repairs from an existing line of credit. If a line of credit is not sufficient to make the advance or if no line of credit exists, future monthly payments shall be recalculated for use as a line of credit in accordance with § 206.25.

(3) If repairs are not completed when required by the mortgage, the mortgagor shall stop monthly payments and the mortgage shall convert to the line of credit payment option. Until the repairs are completed, the mortgagor shall make no line of credit payments except as needed to pay for repairs required by the mortgage.

(c) Other changes. As long as the mortgage balance is less than the principal limit, a mortgagor may request a change from any payment option to another or a payment of any amount (not to exceed the difference between the principal limit and the sum of the mortgage balance and any set asides for repairs or servicing charges). A mortgage will continue to bear interest at a fixed or adjustable interest rate as agreed between the mortgagor and the mortgagee at loan origination. The mortgagee shall recalculate any future monthly payments in accordance with § 206.25.

(d) Fee for change in payment. The mortgagee may charge a fee, not to exceed an amount determined by the Secretary, whenever payments are recalculated.

(e) Limitations. The Secretary may prescribe a limitation on the frequency of payment changes, a minimum notice period that a mortgagor must provide with a request under paragraph (c) of this section, or other limitations on changes by the mortgagor.

§ 206.27 Mortgage provisions.

(a) Form. The mortgage shall be in a form meeting the requirements of the Secretary.

(b) Provisions. The mortgage shall explain how payments will be made to the mortgagor, how interest will be charged and when the mortgage will be due and payable. It shall also contain provisions designed to ensure compliance with this part and provisions on the following additional matters:

(1) Payments by the mortgagee under the term or tenure payment option shall be mailed to the mortgagor or electronically transferred to an account of the mortgagor on the first business day of each month beginning with the first month after closing. Payments under the line of credit payment option shall be mailed to the mortgagor or electronically transferred to an account of the mortgagor within five business days after the mortgagor has received a written request for payment by the mortgagor.

(2) The mortgagor shall maintain hazard insurance on the property in an amount acceptable to the Secretary and the mortgagee.

(3) The mortgagor shall not participate in a real estate tax deferral program or permit any liens to be recorded against the property, unless such liens are subordinate to the insured mortgage and any second mortgage held by the Secretary.

(4) A mortgage may be prepaid in full or in part in accordance with § 206.209.

(5) The mortgagor must keep the property in good repair.

(6) The mortgagor must pay taxes, hazard insurance premiums, ground rents and assessments in a timely manner, except to the extent such property charges are paid by the mortgagee in accordance with § 206.205.

(7) The mortgagor shall be charged for the payment of monthly MIP.

(8) The mortgagor shall have no personal liability for payment of the mortgage balance. The mortgagee shall enforce the debt only through sale of
§ 206.29 Initial disbursement of mortgage proceeds.

Mortgage proceeds may not be disbursed at the initial disbursement or after closing (upon expiration of the 3-day rescission period under 12 CFR part 226, if applicable) except:

(a) Disbursements to the mortgagor, a relative or legal representative of the mortgagor, or a trustee for benefit of the mortgagor;

(b) Disbursements for the initial MIP under § 206.105(a);

(c) Fees that the mortgagee is authorized to collect under § 206.31;

(d) Amounts required to discharge any existing liens on the property;

(e) An annuity premium, if the premium was disclosed as part of the total cost of the mortgage under the disclosures required by 12 CFR part 226; and

(f) Funds required to pay contractors who performed repairs as a condition of closing, in accordance with standard FHA requirements for repairs required by appraisers.

[64 FR 2987, Jan. 19, 1999]

§ 206.31 Allowable charges and fees.

(a) Fees at closing. The mortgagee may collect, either in cash at the time of closing or through an initial payment under the mortgage, the following charges and fees incurred in connection with the origination of the mortgage loan:

(1) A charge to compensate the mortgagee for expenses incurred in originating and closing the mortgage loan, which may be fully financed with the mortgage. The Secretary may establish limitations on the amount of any such charge. HUD will publish any such limit in the Federal Register at least 30 days before the limitation takes effect. The mortgagee is not permitted to
Office of Assistant Secretary for Housing, HUD

§ 206.40

pay any additional origination fee of any kind to a mortgage broker or sponsored third-party originator. A mortgage broker’s fee can be included as part of the origination fee only if the mortgage broker is engaged independently by the homeowner and there is no financial interest between the mortgage broker and the mortgagee.

(2) Reasonable and customary amounts, but not more than the amount actually paid by the mortgagor, for any of the following items:

(i) Recording fees and recording taxes, or other charges incident to the recordation of the insured mortgage;

(ii) Credit report;

(iii) Survey, if required by the mortgagee or the mortgagor;

(iv) Title examination;

(v) Mortgagor’s title insurance;

(vi) Fees paid to an appraiser for the initial appraisal of the property; and

(vii) Such other charges as may be authorized by the Secretary.

(b) Repair administration fee. If the property requires repairs after closing in order to meet HUD requirements, the mortgagee may collect a fee as compensation for administrative duties relating to repair work pursuant to § 206.47(c), not to exceed the greater of one and one-half percent of the amount advanced for the repairs or fifty dollars. The mortgagee shall collect the repair fee by adding it to the mortgage balance.

§ 206.32 No outstanding unpaid obligations.

In order for a mortgage to be eligible under this part, a mortgagor must establish to the satisfaction of the mortgagee that:

(a) After the initial payment of loan proceeds under §206.25(a), there will be no outstanding or unpaid obligations incurred by the mortgagor in connection with the mortgage transaction, except for repairs to the property required under §206.47 and mortgage servicing charges permitted under §206.207(b); and

(b) The initial payment will not be used for any payment to or on behalf of an estate planning service firm.

ELIGIBLE MORTGAGORS

§ 206.33 Age of mortgagor.

The youngest mortgagor shall be 62 years of age or older at the time the mortgagor submits the application for insurance.

[61 FR 49033, Sept. 17, 1996]

§ 206.35 Title held by mortgagor.

The mortgagor shall hold title to the entire property which is the security for the mortgage. If there are multiple mortgagors, all the mortgagors must collectively hold title to the entire property which is the security for the mortgage. If one or more mortgagors hold a life estate in the property, for purposes of this section only the term “mortgagor” shall include each holder of a future interest in the property (remainder or reversion) who has executed the mortgage.

§ 206.37 Credit standing.

Each mortgagor must have a general credit standing satisfactory to the Secretary.

§ 206.39 Principal residence.

The property must be the principal residence of each mortgagor at closing. For purposes of this section, the property will be considered to be the principal residence of any mortgagor who is temporarily or permanently in a health care institution as long as the property is the principal residence of at least one other mortgagor who is not in a health care institution.

§ 206.40 Disclosure and verification of Social Security and Employer Identification Numbers.

The mortgagor must meet the requirements for the disclosure and
§ 206.41 Counseling.

(a) List provided. At the time of the initial contact with the prospective mortgagor, the mortgagee shall give the mortgagor a list of the names, addresses, and telephone numbers of housing counselors and their employing agencies, which have been approved by the Secretary, in accordance with subpart E of this part, as qualified and able to provide the information described in paragraph (b) of this section. The mortgagor must receive counseling.

(b) Information to be provided. A counselor must discuss with the mortgagor:

(1) The information required by section 255(f) of the National Housing Act;

(2) Whether the mortgagor has signed a contract or agreement with an estate planning service firm that requires, or purports to require, the mortgagor to pay a fee on or after closing that may exceed amounts permitted by the Secretary or this part; and

(3) If such a contract has been signed under § 206.41(b)(2), the extent to which services under the contract may not be needed or may be available at nominal or no cost from other sources, including the mortgagee.

(c) Certificate. The counselor will provide the mortgagor with a certificate stating that the mortgagor has received counseling. The mortgagor shall provide the mortgagee with a copy of the certificate.

§ 206.43 Information to mortgagor.

(a) Disclosure of costs of obtaining mortgage. The mortgagor must ensure that the mortgagee has received full disclosure of all costs of obtaining the mortgage. The mortgagee must ask the mortgagor about any costs or other obligations that the mortgagor has incurred to obtain the mortgage, as defined by the Secretary, in addition to providing the Good Faith Estimate required by §3500.7 of this title. The mortgagor must clearly state to the mortgagee which charges are required to obtain the mortgage and which are not required to obtain the mortgage.

(b) Lump sum disbursement. (1) If the mortgagor requests that at least 25% of the principal limit amount (after deducting amounts excluded in the following sentence) be disbursed at closing to the mortgagor (or as otherwise permitted by §206.29), the mortgagee must make sufficient inquiry at closing to confirm that the mortgagor will not use any part of the amount disbursed for payments to or on behalf of an estate planning service firm, with an explanation of §206.32 as necessary or appropriate.

(2) This paragraph does not apply to any part of the principal limit used for the following:

(i) Initial MIP under §206.105(a) or fees and charges allowed under §206.31(a) paid by the mortgagee from mortgage proceeds instead of by the mortgagor in cash; and

(ii) Amounts set aside under §206.47 for repairs, under §206.205(f) for property charges, or §206.207(b).

§ 206.45 Eligible properties.

(a) Title. A mortgage must be on real estate held in fee simple, or on a leasehold under a lease for not less than 99 years which is renewable, or under a lease having a remaining period of not less than 50 years beyond the date of the 100th birthday of the youngest mortgagor. The mortgagee shall obtain a mortgagee’s title insurance policy satisfactory to the Secretary. If the Secretary determines that title insurance for reverse mortgages is not available for reasonable rates in a State, then the Secretary may specify other acceptable forms of title evidence in lieu of title insurance.

(b) Type of property. The property shall include a dwelling designed principally as a residence for one family or such additional families as the Secretary shall determine. A condominium
unit designed for one-family occupancy shall also be an eligible property.

(c) Flood insurance and property location. The provisions of §203.16a of this chapter pertaining to flood insurance and §203.40 of this chapter pertaining to the location of the property are incorporated by reference.

(d) Lead-based paint poisoning prevention. If the appraiser of a dwelling constructed prior to 1978 finds defective paint surfaces, §200.810(d) of this chapter shall apply unless the mortgagor certifies that no child who is less than six years of age resides or is expected to reside in the dwelling.

(e) Restrictions on conveyance. The property must be freely marketable. Conveyance of the property may only be restricted as permitted under 24 CFR 203.41 or 24 CFR 234.66 and this part, except that a right of first refusal to purchase a unit in a condominium project is permitted if the right is held by the condominium association for the project.

§ 206.53 Refinancings.

(a) General. This section implements section 255(k) of NHA. Except as otherwise provided in this section, all requirements applicable to the insurance of home equity conversion mortgages under this part apply to the insurance of refinancings under this section. HUD may, upon application by a mortgagee, insure any mortgage given to refinance an existing home equity conversion mortgage insured under this part, including loans assigned to the Secretary as described in §206.107(a)(1) and §206.121(b) under this part.

(b) Definition of ‘‘total cost of the refinancing.’’ For purposes of paragraphs (c) and (d) of this section, the term ‘‘total cost of the refinancing’’ means the sum of the allowable charges and fees permitted under §206.31 and the initial MIP described in §206.105(a) and paragraph (c) of this section.

(c) Initial MIP limit. The initial MIP paid by the mortgagee pursuant to §206.105(a) shall not exceed two percent of the increase in the maximum claim amount (i.e., the difference between the

269
maximum claim amount for the new home equity conversion mortgage and the maximum claim amount for the existing home equity conversion mortgage that is being refinanced).

(d) Anti-churning disclosure—(1) Contents of anti-churning disclosure. In addition to providing the required disclosures under §206.43, the mortgagee shall provide to the mortgagor its best estimate of:
   (i) The total cost of the refinancing to the mortgagor; and
   (ii) The increase in the mortgagor’s principal limit as measured by the estimated initial principal limit on the mortgage to be insured less the current principal limit on the home equity conversion mortgage that is being refinanced under this section.

(2) Timing of anti-churning disclosure. The mortgagee shall provide the anti-churning disclosure concurrently with the disclosures required under §206.43.

(e) Waiver of counseling requirement. The mortgagor may elect not to receive counseling under §206.41, but only if:
   (1) The mortgagor has received the anti-churning disclosure required under paragraph (d) of this section.
   (2) The increase in the mortgagor’s principal limit as provided in the anti-churning disclosure exceeds the total cost of the refinancing by an amount established by the Secretary through FEDERAL REGISTER notice. HUD may periodically update this amount through publication of a notice in the FEDERAL REGISTER. Publication of any such revised amount will occur at least 30 days before the revision becomes effective.
   (3) The time between the date of the closing on the original home equity conversion mortgage and the date of the application for refinancing under this section does not exceed five years (even if less than five years have passed since a previous refinancing under this section).

(i) The mortgagee is current in making the required payments under the mortgage to the mortgagor;

(ii) The mortgagee is current in its payment of the MIP (and late charges and interest on the MIP, if any) to the Secretary;

(iii) The mortgage is not due and payable under §206.27(c)(1); and

(iv) The mortgagee has not informed the Secretary of an event described in §206.123(a)(2)–(5).

(v) The mortgage is a first lien of record and title to the property securing the mortgage is good and marketable. The provisions of §203.353 of this chapter pertaining to mortgagee certifications, §203.387 of this chapter pertaining to title evidence, and §203.389 of this chapter pertaining to waived title objections also apply.

(2) Under the shared premium option, the mortgagee may not assign a mortgage to the Secretary unless the mortgagee fails to make payments and the Secretary demands assignment (§206.123(a)(2)), but the mortgagee shall only be required to remit a reduced monthly MIP to the Secretary. The mortgagee shall collect from the mortgagor the full amount of the monthly MIP provided in §206.105(b) but shall retain a portion of the monthly MIP paid by the mortgagor as compensation for the default risk assumed by the mortgagee. The portion of the MIP to be retained by a mortgagee shall be determined by the Secretary as calculated in §206.109. For a particular mortgage, the applicable portion shall be determined as of the date of the commitment. The mortgagee retains the right to file a claim under any of the circumstances described in §206.123(a)(2)–(5).

(b) No election for shared appreciation. Shared appreciation mortgages shall be insured by the Secretary only under the shared premium option.

§206.109 Amount of mortgagee share of premium.

Using the factors provided by the Secretary, the amount of the mortgagee share of the premium shall be determined for each mortgage based upon the age of the youngest mortgagor and the expected average mortgage interest rate.

§206.111 Due date of MIP.

(a) Initial MIP. The mortgagee shall pay the initial MIP to the Secretary within fifteen days of closing and as a condition to the endorsement of the mortgage for insurance.

(b) Monthly MIP. Each monthly MIP shall be due to the Secretary on the first business day of each month except the month in which the mortgage is closed.

§206.113 Late charge and interest.

(a) Late charge. Initial MIP remitted to the Secretary after the payment date in §206.111(b) shall include a late charge of four percent of the amount paid. In addition to any late charge provided in paragraph (a) of this section, the mortgagee shall pay interest on any initial MIP remitted to the Secretary more than 30 days after closing, and interest on any monthly MIP remitted to the Secretary more than 30 days after the payment date prescribed in §206.111(b). Such interest rate shall be paid at a rate set in conformity with the Treasury Financial Manual.

(b) Interest. In addition to any late charge provided in paragraph (a) of this section, the mortgagee shall pay interest on any initial MIP remitted to the Secretary more than 30 days after closing, and interest on any monthly MIP remitted to the Secretary more than 30 days after the payment date prescribed in §206.111(b). Such interest rate shall be paid at a rate set in conformity with the Treasury Financial Manual.

(c) Paid by mortgagee. Any late charge owed by the mortgagee shall be paid from the mortgagee’s funds and shall not be added to the mortgage balance of the mortgagor.

[54 FR 24833, June 9, 1989; 54 FR 32060, Aug. 4, 1989, as amended at 60 FR 42761, Aug. 16, 1995]

§ 206.117   General.

The Secretary is required by statute to take any action necessary to provide a mortgagor with funds to which the mortgagor is entitled under the mortgage and which the mortgagor does not receive because of the default of the mortgagee. The Secretary may hold a second mortgage to secure repayment by the mortgagor under §206.27(d) or may accept assignment of the first mortgage.

[61 FR 49033, Sept. 17, 1996]

§ 206.119 [Reserved]

§ 206.121 Secretary authorized to make payments.

(a) Investigation. The Secretary will investigate all complaints by a mortgagor concerning late payments. If the Secretary determines that the mortgagee is unable or unwilling to make all payments required under the mortgage, including late charges, the Secretary shall pay such payments and late charges to the mortgagor.

(b) Reimbursement or assignment. The Secretary may demand that within 30 days from the demand, the mortgagee reimburse the Secretary, with interest from the date of payment by the Secretary, or assign the insured mortgage to the Secretary. Interest shall be paid at a rate set in conformity with the Treasury Financial Manual. If the mortgagee complies with the reimbursement demand, then the contract of insurance shall not be affected. If the mortgagee complies by assigning the mortgage for record within 30 days of the demand, then the Secretary shall pay an insurance claim as provided in §206.129(e)(3) and assume all responsibilities of the mortgagee under the first mortgage. If the mortgagee fails to comply with the demand within 30 days, the contract of insurance shall be terminated as provided in §206.133(c).

(c) Second mortgage. If the contract of insurance is terminated as provided in §206.133(c), all payments to the mortgagor by the Secretary will be secured by the second mortgage, if any. Payments will be due and payable in the same manner as under the insured first mortgage. The liability of the mortgagor under the first mortgage shall be limited to payments actually made by the mortgagee to or on behalf of the mortgagor (including MIP), and shall exclude accrued interest, whether or not it has been included in the mortgage balance, and shared appreciation, if any. Interest will stop accruing on the first mortgage when the Secretary begins to make payments under the second mortgage. The first mortgage will not be due and payable until the second mortgage is due and payable.

§ 206.123 Claim procedures in general.

(a) Claims. Mortgagees may submit claims for the payment of the mortgage insurance benefits if:

(1) The conditions of §206.107(a)(1) pertaining to the optional assignment of the mortgage by the mortgagee have been met and the mortgagee assigns the mortgage to the Secretary;

(2) The mortgagee is unable or unwilling to make the payments under the mortgage and assigns the mortgage to the Secretary pursuant to the Secretary’s demand, as provided in §206.121(b);

(3) The mortgagee sells the property for less than the mortgage balance and the mortgagee releases the mortgage of record to facilitate the sale, as provided in §206.125(c);

(4) The mortgagee acquires title to the property by foreclosure or a deed in lieu of foreclosure and sells the property as provided in §206.125(g) for an amount which does not satisfy the mortgage balance or fails to sell the property as provided in §206.127(a)(2); or

(5) The mortgagee forecloses and a bidder other than the mortgagee purchases the property for an amount that is not sufficient to satisfy the mortgage balance, as provided in §206.125(e).

(b) Expanded definition of mortgagor. The term mortgagor as used in this subpart shall have the same meaning as stated in §206.3, except that in reference to a sale by the mortgagor, the
term shall also mean the mortgagor's estate or personal representative.

§ 206.125 Acquisition and sale of the property.

(a) Initial action by the mortgagee. (1) The mortgagee shall notify the Secretary whenever the mortgage is due and payable under the conditions stated in § 206.27(c)(1), or one of the conditions stated in § 206.27(c)(2) has occurred.

(2) After notifying the Secretary, and receiving approval of the Secretary when needed, the mortgagee shall notify the mortgagor that the mortgage is due and payable, unless the mortgage is due and payable by reason of the mortgagor’s death. The mortgagee shall require the mortgagor to (i) pay the mortgage balance, including any accrued interest and MIP, in full; (ii) sell the property for at least 95% of the appraised value as determined under § 206.125(b), with the net proceeds of the sale to be applied towards the mortgage balance; or (iii) provide the mortgagee with a deed in lieu of foreclosure. The mortgagor shall have 30 days in which to comply with the preceding sentence, or correct the matter which resulted in the mortgage coming due and payable, before a foreclosure proceeding is begun.

(3) Even after a foreclosure proceeding is begun, the mortgagee shall permit the mortgagor to correct the condition which resulted in the mortgage coming due and payable and to reinstate the mortgage, and the mortgage insurance shall continue in effect. The mortgagee may require the mortgagor to pay any costs that the mortgagee incurred to reinstate the mortgagor, including foreclosure costs and reasonable attorney’s fees. Such costs shall be paid by adding them to the mortgage balance. The mortgagee may refuse reinstatement by the mortgagor if:

(i) The mortgagor has accepted reinstatement of the mortgage within the past two years immediately preceding the current notification to the mortgagor that the mortgage is due and payable;

(ii) Reinstatement will preclude foreclosure if the mortgage becomes due and payable at a later date; or

(iii) Reinstatement will adversely affect the priority of the mortgage lien.

(b) Appraisal. The mortgagee shall obtain an appraisal of the property no later than 30 days after the mortgagor is notified that the mortgage is due and payable, or no later than 30 days after the mortgagee becomes aware of the mortgagor’s death, or upon the mortgagor’s request in connection with a pending sale. The appraisal shall be at the mortgagor’s expense unless the mortgage is due and payable. If the mortgage is due and payable, the appraisal shall be at the mortgagee’s expense but the mortgagee shall have a right to be reimbursed out of the proceeds of any sale by the mortgagor.

(c) Sale by mortgagor. Whether or not the mortgage is due and payable, the mortgagor may sell the property for at least the lesser of the mortgage balance or the appraised value (determined under § 206.125(b)). If the mortgage is due and payable at the time the contract for sale is executed, the mortgagor may sell the property for at least the lesser of the mortgage balance or five percent under the appraised value. The mortgagee shall satisfy the mortgage of record (and the Secretary will satisfy the second mortgage required under § 206.27(e) of record) in order to facilitate the sale, provided that there are no junior liens (except the mortgage to secure payments by the Secretary under § 206.27(e)) and all the net proceeds from the sale are paid to the mortgagee.

(d) Initiation of foreclosure. (1) The mortgagee shall commence foreclosure of the mortgage within six months of giving notice to the mortgagor that the mortgage is due and payable, or six months from the date of the mortgagor’s death if applicable, or within such additional time as may be approved by the Secretary.

(2) If the laws of the State in which the mortgaged property is located or if
Federal bankruptcy law does not permit the commencement of the foreclosure within six months from the date of the notice to the mortgagor that the mortgage is due and payable, the mortgagee shall commence foreclosure within six months after the expiration of the time during which such foreclosure is prohibited by such laws.

(3) The mortgagee must give written notice to the Secretary within 30 days after the initiation of foreclosure proceedings, and must exercise reasonable diligence in prosecuting the foreclosure proceedings to completion and in acquiring title to and possession of the property. A time frame that is determined by the Secretary to constitute “reasonable diligence” for each State is made available to mortgagees.

(4) The mortgagee shall bid at the foreclosure sale an amount equal to the appraised value of the property.

(e) Other bidders at foreclosure sale. If a party other than the mortgagee is the successful bidder at the foreclosure sale, the net proceeds of sale shall be applied to the mortgage balance.

(f) Deed in lieu of foreclosure. (1) In order to avoid delays and additional expense as a result of instituting and completing a foreclosure action, the mortgagee shall accept a deed in lieu of foreclosure from the mortgagor if the mortgagee is able to obtain good and marketable title from the mortgagor.

(2) In exchange for the executed and delivered deed, the mortgagee shall cancel the credit instrument and deliver it to the mortgagor and satisfy the mortgage of record.

(g) Sale of the acquired property. (1) Upon acquisition of the property by foreclosure or deed in lieu of foreclosure, the mortgagor shall take possession of, preserve and repair the property and shall make diligent efforts to sell the property within six months from the date the mortgagor acquired the property. Repairs shall not exceed those required by local law and, in cases where the sale is made with a mortgage insured by the Secretary or guaranteed by the Secretary of Veterans Affairs, those necessary to meet the objectives of the property standards required for mortgages insured by the Secretary. No other repairs shall be made without the specific advance approval of the Secretary. The mortgagee shall sell the property for an amount not less than the appraised value (as provided under paragraph (b) of this section) unless written permission is obtained from the Secretary authorizing a sale at a lower price.

(2) Repairs shall not exceed those required by local law or the requirements of the Secretary of HUD or the Secretary of Veterans Affairs if the sale of the property is financed with a mortgage insured by the Secretary of HUD or guaranteed, insured or taken by the Secretary of Veterans Affairs.

(3) The mortgagee shall not enter into a contract for the preservation, repair or sale of the property with any officer, employee, owner of ten percent or more interest in the mortgagee or with any other person or organization having an identity of interest with the mortgagee or with any relative of such officer, employee, owner or person.

§206.127 Application for insurance benefits.

(a) Mortgagee acquires title. (1) The mortgagee shall apply for the payment of the insurance benefits within 15 days after the sale of the property by the mortgagee. Application shall be made by notifying the Secretary of the sale of the property, the sale price, and income and expenses incurred in connection with the acquisition, repair and sale of the property.

(2) If the property will not be sold within six months from the date the mortgagee acquired title, the mortgagee shall, at least 15 days prior to the expiration of the six month period, request the Secretary to cause another appraisal of the property to be made. Within 15 days of receipt of the appraisal, the mortgagee shall apply for the insurance benefits as provided in paragraph (a) of this section, substituting the appraised value for the sale price. The mortgagee shall bear the cost of the appraisal.

(b) Party other than the mortgagee acquires title. The mortgagee shall apply
§ 206.129 Payment of claim.

(a) General. If the claim for the payment of the insurance benefits is acceptable to the Secretary, payment shall be made in cash in the amount determined under this section.

(b) Limit on claim amount. In no case may the claim paid under this subpart exceed the maximum claim amount. The interest allowance provided in paragraphs (d)(2)(iii), (e)(2) and (f)(2) of this section shall not be included in determining the limit on the claim amount.

(c) Shared appreciation mortgages. The terms mortgage balance and accrued interest as used in this section do not include interest attributable to the mortgagor's share of the appreciated value of the property.

(d) Amount of payment—mortgagor acquires title or is unsuccessful bidder. This paragraph describes the amount of payment if the mortgagor acquires title by purchase, foreclosure, or deed in lieu of foreclosure, or if a party other than the mortgagor is the successful bidder at the foreclosure sale.

(1) The amount of the claim shall be computed by (i) totalling the mortgage balance, (including any accrued interest and MIP which have been added to the mortgage balance) and any accrued interest which has not been added to the mortgage balance as of the due date (defined in the following sentence), and allowances for items set forth in paragraph (d)(2) of this section, and (ii) subtracting from that total the amount for which the property was sold (or the appraised value determined under § 206.127(a)) and the items set forth in paragraph (d)(3) of this section. Due date means the date when the mortgagor notifies the Secretary under § 206.27(c)(1) that the mortgage became due and payable, or, if applicable, the date the Secretary granted approval under § 206.27(c)(2) for the mortgage to become due and payable.

(2) The claim shall include the following items:
   (i) Items listed in § 203.402 (a), (b), (c), (d), (e), (g), (j), and (s), and § 204.322(l) of this chapter.
   (ii) Foreclosure costs or costs of acquiring the property actually paid by the mortgagor and approved by HUD, in an amount not in excess of two-thirds of such costs or $75, whichever is the greater. For mortgages insured after March 1, 1997, HUD may reimburse a percentage of foreclosure costs or costs of acquiring the property, which percentage shall be determined in accordance with such conditions as HUD shall prescribe.
   (iii) An amount equal to the interest allowance which would have been earned, from the due date to the date when payment of the claim is made, if the claim had been paid in debentures, except that when the mortgagor fails to meet any one of the applicable requirements of §§ 206.125 and 206.127 of this subpart within the specified time, and in a manner satisfactory to the Secretary (or within such further time as the Secretary may approve in writing), the interest allowance in such cash payment shall be computed only to the date on which the particular required action should have been taken or to which it was extended. The provisions of §§ 203.405 through 203.411 of this chapter pertaining to debentures are incorporated by reference.
   (iv) Costs of any appraisal obtained under §§ 206.125 or 206.127, provided that the appraisal was obtained after the mortgage became due and payable and that the mortgagor is not otherwise reimbursed for such costs.
   (v) Reasonable payments made by the mortgagor for:
      (A) Preservation and maintenance of the property;
§ 206.129 24 CFR Ch. II (4–1–16 Edition)

(B) Repairs necessary to meet the objectives of the property standards required for mortgages insured by the Secretary, those required by local law, and such additional repairs as may be specifically approved in advance by the Commissioner; and

(C) Expenses in connection with the sale of the property including a sales commission at the rate customarily paid in the community and, if the sale to the buyer involves a mortgage insured by the Secretary or guaranteed by the Secretary of Veterans Affairs, a discount at a rate not to exceed the maximum allowable by the Commissioner, as of the date of execution of the discounted loan, on sales of properties acquired by the Commissioner pursuant to §§203.295 through 203.426 of this chapter.

(vi) A certification that the property is undamaged in accordance with §203.380 of this chapter.

(3) There shall be deducted from the amount computed in paragraph (d)(1)(i) of this section:

(i) The items listed in §203.403 of this chapter; and

(ii) Any adjustment for damage or neglect to the property pursuant to §§203.377, 203.378, and 203.379 of this chapter.

(e) Amount of payment—assigned mortgages. This paragraph describes the amount of payment if the mortgagee assigns a mortgage to the Secretary under §206.107(a)(1) or §206.121(b). (1) When a mortgagee assigns a mortgage which is eligible for assignment under §206.107(a)(1), the amount of payment shall be computed by subtracting from the mortgage balance on the date of assignment the items set forth in §203.404(b) of this chapter and any adjustments for damage or neglect to the property pursuant to §§203.377, 203.378 and 203.379 of this chapter.

(2) The claim shall also include:

(i) Reimbursement for such costs and attorney’s fees as the Secretary finds were properly incurred in connection with the assignment of the mortgage to the Secretary, and

(ii) An amount equivalent to the interest allowance which will have been earned from the date the mortgage was assigned to the Secretary to the date the claim is paid, if the claim had been paid in debentures, except that if the mortgagee fails to meet any of the requirements of §206.127(c), or §206.131 if applicable, within the specified time and in a manner satisfactory to the Secretary (or within such further time as the secretary may approve in writing), the interest allowance in the payment of the claim shall be computed only to the date on which the particular required action should have been taken or to which it was extended. The provisions of §§203.405 through 203.411 of this chapter pertaining to debentures are incorporated by reference.

(3) When a mortgagee assigns a mortgage under §206.121(b) after demand by the Secretary, the mortgagee will not receive the entire claim payment as contained in paragraphs (e)(1) and (2) of this section. The amount of the claim shall be computed by (i) totalling the payments made by the mortgagee to the mortgagor or for the benefit of the mortgagor (including MIP), and subtracting from the total (ii) the items set forth in §203.404(b) of this chapter and any adjustments for damage or neglect to the property pursuant to §§203.377 and 203.379 of this chapter. The claim shall also be reduced by an amount determined by the Secretary to reimburse the Secretary for administrative expenses incurred in assuming the mortgagee’s responsibility under the mortgage, which may include expenses for staff time. If more than one mortgage is assigned to the Secretary, the administrative expenses incurred for all the mortgages assigned shall be allocated among the mortgages as determined by the Secretary. The claim shall not include accrued interest whether or not it has been included in the mortgage balance.

(f) Amount of payment—mortgagor sells the property. This paragraph describes the amount of payment if the mortgagor sells the property to one other than the mortgagee for less than the mortgage balance, and the mortgagee releases the mortgage to facilitate the sale.

(1) The amount of the claim shall be computed by (i) totalling the mortgage balance (including any accrued interest and MIP which have been added to the
(2) The claim shall also include an amount equivalent to the interest allowance which would have been earned from the date the deed is recorded to the date when payment of the claim is made, if the claim had been paid in debentures, except that when the mortgagee fails to meet any of the applicable requirements of §§ 206.123 and 206.127 of this subpart within the specified time (or within such further time as the Secretary may approve in writing), and in a manner satisfactory to the Secretary, the interest allowance in such cash payment shall be computed only to the date on which the particular action should have been taken or to which it was extended. The provisions of §§ 203.405 through 203.411 of this chapter pertaining to debentures are incorporated by reference.

(3) The condition of the multifamily structure. The provisions of § 234.270 (a) and (b) of this chapter concerning the condition of the multifamily structure in which the property is located shall be applicable to mortgages insured under this part which are assigned to the Secretary.

(4) Condition of the multifamily structure. The provisions of § 234.270 (a) and (b) of this chapter concerning the condition of the multifamily structure in which the property is located shall be applicable to mortgages insured under this part which are assigned to the Secretary.

(5) Condition of the multifamily structure. The provisions of § 234.270 (a) and (b) of this chapter concerning the condition of the multifamily structure in which the property is located shall be applicable to mortgages insured under this part which are assigned to the Secretary.

(6) Condition of the multifamily structure. The provisions of § 234.270 (a) and (b) of this chapter concerning the condition of the multifamily structure in which the property is located shall be applicable to mortgages insured under this part which are assigned to the Secretary.
§ 206.201 Mortgage servicing generally; sanctions.

(a) General. This subpart identifies servicing practices that the Secretary considers acceptable mortgage servicing practices of lending institutions servicing mortgages insured by the Secretary. Failure to comply with this subpart shall not be a basis for denial of the insurance benefits, but a pattern of refusal or failure to comply will be cause for withdrawal of HUD mortgagee approval.

(b) Importance of timely payments. The paramount servicing responsibility is the need to make timely payments in full as required by the mortgage. Any failure of a mortgagee to make all payments required by the mortgage in a timely manner will be grounds for administrative sanctions authorized by regulations, including 2 CFR part 2424 (Debarment, Suspension, and Limited Denial of Participation), and part 25 of this title (Mortgagee Review Board).

(c) Responsibility for servicing. The provisions of §203.502 of this chapter pertaining to the responsibility for servicing shall apply to mortgages insured under this part, except that references in that section to payments by a mortgagor shall mean payments to the mortgagee.

§ 206.203 Providing information.

(a) Annual statement. The mortgagee shall provide to the mortgagor an annual statement regarding the activity of the mortgage for each calendar year. The statement shall summarize the total principal amount for the year which has been paid to the mortgagor under the mortgage, the MIP paid to the Secretary and charged to the mortgagor, the total amount of deferred interest added to the mortgage balance, the total mortgage balance and the current principal limit. If the mortgagor has elected to have the mortgagee pay property charges pursuant to §206.205, the mortgagee shall include an accounting of all payments for property charges for the year. The statement shall be provided to the mortgagor no later than January 31 for each preceding year until the mortgage is paid in full by the mortgagor.

(b) Line of credit and payment change statements. The mortgagee shall provide the mortgagor with a statement of the account every time it makes a line of credit payment. The mortgagee shall provide the mortgagor with a new payment plan every time it recalculates monthly payments.

Subpart D—Servicing Responsibilities

§ 206.201 Notice of termination. The mortgagor shall give written notice to the Secretary within 15 days of the occurrence of an event under paragraphs (a) and (b) of this section. No contract of insurance shall be terminated under paragraphs (a) or (b) of this section unless such notice is given.

(e) Voluntary termination. The mortgagor and the mortgagee may jointly request the Secretary to approve the voluntary termination of the mortgage insurance contract. Prior to approval, the Secretary shall make certain that the mortgagor is aware of the consequences which could arise out of the voluntary termination of the contract of insurance. The provisions of §203.295 of this chapter concerning voluntary termination shall apply when a contract of insurance under this part is voluntarily terminated.

(f) Effect of termination. When the insurance contract is terminated, the mortgagee shall pay the monthly MIP which has accrued for the current month and which has not yet been paid to the Secretary, but the obligation to pay any subsequent MIP shall cease and all rights of the mortgagor and mortgagee shall be terminated except as otherwise provided in this part.

respond to inquiries concerning mortgages insured under this part. Such information shall be provided annually and whenever the servicer or the designated employee changes.

(Approved by the Office of Management and Budget under control number 2528–0133)

§ 206.205 Property charges.

(a) General. The mortgagor shall pay all property charges consisting of taxes, ground rents, flood and hazard insurance premiums, and special assessments in a timely manner and shall provide evidence of payment to the mortgagee as required in the mortgage.

(b) Election. A mortgagor may elect to require the mortgagee to pay property charges by withholding funds from monthly payments due to the mortgagor or by charging such funds to a line of credit. The mortgagor may make or rescind such an election at any time. If the sum of the mortgage balance and any unused set asides for repairs and servicing charges has reached the principal limit or the mortgage funds are otherwise insufficient to pay the property charges, the mortgagor shall pay such items as provided in paragraph (a) of this section, even though the mortgagor elected payment to be made by the mortgagee.

(c) Mortgagor’s failure to make payments. If the mortgagor fails to pay the property charges in a timely manner, and has not elected to have the mortgagee make the payments, the mortgagor may make the payment for the mortgagor and charge the mortgagor’s account. If a pattern of missed payments occurs, the mortgagor may establish procedures to pay the property charges from the mortgagor’s funds as if the mortgagor elected to have the mortgagee pay the property charges under this section.

(d) Assignment of mortgage to the Secretary. If the insured first mortgage is assigned to the Secretary under §206.107(a)(1) or §206.121(a), or if payments are made through the second mortgage under §206.121(c), the Secretary is not required to assume the mortgagee’s responsibility under paragraph (b) of this section, despite the election by the mortgagor.

(e) Mortgagee’s responsibilities. (1) Funds withheld from payments due to the mortgagor for property charges under paragraph (b) of this section shall not be paid into an escrow account. When property charges are actually paid, the mortgagee may add the amount paid to the mortgage balance.

(2) It is the mortgagee’s responsibility to make disbursements for property charges before bills become delinquent. Mortgagees must establish controls to ensure that the information needed to pay such bills is obtained on a timely basis. Penalties for late payments for property charges must not be charged to the mortgagor unless it can be shown that the penalty was the direct result of the mortgagor’s error or omission. Early payment of a bill to take advantage of a discount should be made whenever it is to the mortgagor’s benefit.

(3) Not later than the end of the second loan year the mortgagee shall establish a system for the periodic analysis of the amounts withheld from monthly payments. The analysis shall be performed at least once a year thereafter. The amount shall be adjusted, after analysis, to provide sufficient available funds to make anticipated disbursements during the ensuing year. The mortgagor shall be given at least ten days notice of adjustment in the amount of withholding and an adequate explanation of the reasons for any change. When the amount withheld is analyzed in accordance with this paragraph, any surplus shall be paid to the mortgagor and added to the mortgage balance. Any shortage shall be corrected through increasing the monthly withholding as provided in paragraph (d) of this section. If amounts withheld are insufficient to pay a property charge before it is delinquent, and the mortgagor could request a payment equal to the shortage under §206.26(c), then the mortgagee shall pay the full property charge and treat payment of the shortage as a payment requested by the mortgagor under §206.26(c).

(4) The mortgagee’s estimate of withholding amount shall be based on the best information available as to probable payments which will be required to be made for property charges in the
§ 206.207 Allowable charges and fees after endorsement.

(a) Reasonable and customary charges. The mortgagee may collect reasonable and customary charges and fees from the mortgagor after insurance endorsement by adding them to the mortgage balance, but only for: items listed in § 203.552(a)(6), (9), (11), (13) and (14) of this chapter; items authorized by the Secretary under § 203.552(a)(12) of this chapter, or as provided at § 206.26(d); or charges and fees related to additional documents described in § 206.27(b)(10) and related title search costs.

(b) Servicing charges. The mortgagee may collect a fixed monthly charge for servicing activities of the mortgagor or servicer if (1) the charge is authorized by the Secretary, (2) the charge is disclosed as required by § 206.43 to the mortgagor in a manner acceptable to the Secretary at the time the mortgagee provides the mortgagor with a loan application, (3) amounts to pay the charge are set aside as a portion of the principal limit, and (4) the charge is payable only from the set aside.

[54 FR 24833, June 9, 1989, as amended at 60 FR 42762, Aug. 16, 1995]

§ 206.209 Prepayment.

(a) No charge or penalty. The mortgagor may prepay a mortgage in full or in part without charge or penalty at any time, regardless of any limitations on prepayment stated in a mortgage.

(b) Insurance and condemnation proceeds. If insurance or condemnation proceeds are paid to the mortgagee, the principal limit and the mortgage balance shall be reduced by the amount of the proceeds not applied to restoration or repair of the damaged property.

[61 FR 49034, Sept. 17, 1996]

§ 206.211 Annual determination of principal residence.

At least once during each calendar year, the mortgagee shall determine whether or not the property is the principal residence of at least one mortgagor. The mortgagee shall require each mortgagor to make an annual certification of his or her principal residence, and the mortgagee may rely on the certification unless it has information indicating that the certification may be false.

Subpart E—HECM Counselor Roster

SOURCE: 74 FR 45316, Sept. 2, 2009, unless otherwise noted.

§ 206.300 General.

This subpart provides for the establishment of the HECM Counselor Roster (Roster) and sets forth the requirements for the operation of the HECM Counselor Roster.

§ 206.302 Establishment of the HECM Counselor Roster.

(a) HECM Counselor Roster. HUD maintains a Roster of HECM counselors. Only counselors listed on the Roster are approved to provide HECM counseling. A homeowner applying for an HECM loan to be insured by HUD must receive the required HECM counseling from one of the counselors on the Roster.
§ 206.304 Eligibility for placement on the HECM Counselor Roster.

(a) Application. To be considered for placement on the Roster, a HECM counselor must apply to HUD in a form and in a manner prescribed by HUD.

(b) Eligibility. HUD will approve an application for placement on the Roster if the application demonstrates that the HECM counselor:

(1) Is employed by a HUD-approved housing counseling agency or an affiliate of a HUD-approved intermediary or State housing finance agency;

(2) Successfully passed a standardized HECM counseling exam administered by HUD, or a party selected by HUD, within the last 3 years. In order to maintain eligibility, a counselor must successfully pass a standardized HECM counseling exam every 3 years;

(3) Received training and education related to HECMs within the prior 2 years;

(4) Has access to and is supported by technology that enables HUD to track the results of the counseling offered to each loan applicant, e.g., what action(s), if any, did the client take after receiving the HECM counseling; and

(5) Is not listed on:

(i) The General Services Administration’s Suspension and Debarment List;

(ii) HUD’s Limited Denial of Participation List; or

(iii) HUD’s Credit Alert Interactive Response System.

(c) “Grandfathering” of counselors who have passed standardized HECM counseling examination. HECM counselors who have passed the standardized HECM counseling exam described in paragraph (b)(2) of this section on or before October 2, 2009 will automatically be placed on the Roster and will remain on the Roster for 3 years. After 3 years, the counselor is required to take the standardized HECM counseling exam again.

§ 206.306 Removal from the HECM Counselor Roster.

(a) General. HUD reserves the right to remove a HECM counselor from the Roster, in accordance with this section.

(b) Cause for removal. Cause for removal of a HECM counselor from the Roster includes, but is not limited to:

(1) Failure to comply with the education and training requirements of §206.308;

(2) Failure to respond within a reasonable time to HUD inquiries or requests for documentation;

(3) Misrepresentation or fraudulent statements;

(4) Promotion, representation, or recommendation of any specific lender;

(5) Failure to comply with applicable fair housing and civil rights requirements;

(6) Failure to comply with applicable statutes and regulations;

(7) Failure to comply with applicable statutory counseling requirements found at section 255(f) of the National Housing Act, which include, but are not limited to, providing information about: options other than a HECM, the financial implications of entering into a HECM, the tax consequences of a HECM, and any other information that HUD or the applicant may request;

(8) Failure to maintain any registration, license, or certification requirements of a State or local authority;

(9) Unsatisfactory performance in providing counseling to HECM loan applicants. HUD may determine that a HECM counselor’s performance is unsatisfactory based on a review of counseling files or other monitoring activities, or if the counselor fails to employ the minimum competencies, as measured by the HUD-administered HECM counseling exam; or

(10) For any other reason HUD determines to be so serious as to justify an administrative sanction.
(c) Automatic removal from HECM Counselor Roster for failure to maintain required State or local licensure. A HECM counselor who is required to maintain a State or local registration, license, or certification and whose registration or certification is revoked, suspended, or surrendered will be automatically suspended from the Roster until HUD receives evidence demonstrating that the local- or State-imposed sanction has been lifted.

(d) Removal procedure. Except as provided in paragraph (c) of this section, the following procedures apply to removal of a HECM counselor from the Roster.

(1) HUD will give the HECM counselor written notice of the proposed removal. The notice will state the reasons for and the duration of the proposed removal.

(2) The HECM counselor will have 30 days from the date of receipt of the notice (or such time as described in the notice, but in no event less than a period of 30 days) to submit a written appeal of the proposed removal, along with a written request for a conference.

(3) A HUD official will review the appeal and render a response affirming, modifying, or canceling the removal. The HUD official will not be a person who was involved in HUD’s initial removal decision. HUD will respond with a decision within 30 days after the date of receiving the appeal or, if the counselor has requested a conference, within 30 days after the conference was held. HUD may extend the 30-day period by providing written notice to the counselor.

(4) If the counselor does not submit a timely written response, the removal will be effective 31 days after the date of HUD’s initial removal notice (or after the period provided in the notice, if longer than 30 days). If a written response is submitted, and the removal decision is affirmed or modified, the removal will be effective on the date of HUD’s notice affirming or modifying the initial removal decision.

(e) Maximum time period of removal. The maximum time period for removal from the Roster is 12 months from the effective date of removal for all removed counselors. A counselor who has been removed must apply for reinstatement on the Roster.

(f) Placement on the Roster after removal. A counselor who has been removed from the Roster must apply for reinstatement on the Roster (in accordance with §206.304) after the period of the counselor’s removal from the Roster has expired. HUD may require the counselor to retake and pass the HECM exam for reinstatement when the reason for removal from the Roster was particularly egregious. Typically, the counselor will not be required to take and pass the HECM exam; however, HUD must be ensured by the counselor that the HECM counseling requirements are understood and will be followed. An application from a counselor for reinstatement on the Roster will be rejected if the period of the counselor’s removal from the Roster has not expired.

(g) Voluntary removal. A HECM counselor will be removed from the Roster upon HUD’s receipt of a written request from the counselor.

(h) Other action. Nothing in this section prohibits HUD from taking such other action against a counselor or from seeking any other remedy against a counselor available to HUD by statute or other authority.

Subpart B—Contract Rights and Obligations

§ 207.252 First, second and third premiums.

The mortgagor, upon the initial endorsement of the mortgage for insurance, shall pay to the Commissioner a first mortgage insurance premium equal to not less than one-fourth of one percent nor more than one percent as the Secretary shall determine of the
original face amount of the mortgage. The specific premium to be charged will be set forth in Federal Register notice.

(a) If the date of the first principal payment is more than one year following the date of such initial insurance endorsement, the mortgagor, upon the anniversary of such insurance date, shall pay a second premium equal to not less than one-fourth of one percent nor more than one percent as the Secretary shall determine of the original face amount of the mortgage. On the date of the first principal payment, the mortgagor shall pay a third premium equal to not less than one-fourth of one percent nor more than one percent of the average outstanding principal obligation of the mortgage for the following year which shall be adjusted so as to accord with such date and so that the aggregate of the said three premiums shall equal the sum of:

(1) One percent of the average outstanding principal obligation of the mortgage for the year following the date of initial insurance endorsement; and

(2) Not less than one-fourth of one percent nor more than one percent as the Secretary shall determine of the average outstanding principal obligation of the mortgage for the year following the date of the first principal payment.

(b) If the date of the first principal payment is one year, or less than one year following the date of such initial insurance endorsement, the mortgagor, upon such first principal payment date, shall pay a second premium equal to not less than one-fourth of one percent nor more than one percent as the Secretary shall determine of the average outstanding principal obligation of the mortgage for the period from the date of initial insurance endorsement to one year following the date of the first principal payment.

(c) Where the credit instrument is initially and finally endorsed for insurance pursuant to a Commitment to Insure Upon Completion, the mortgagor on the date of the first principal payment shall pay a second premium equal to not less than one-fourth of one percent nor more than one percent as the Secretary shall determine of the average outstanding principal obligation of the mortgage for the year following such first principal payment date which shall be adjusted so as to accord with such date and so that the aggregate of the said two premiums shall equal the sum of not less than one-fourth of one percent nor more than one percent per annum as the Secretary shall determine of the average outstanding principal obligation of the mortgage for the period from the date of the insurance endorsement to one year following the date of the first principal payment.

(b)(1) Except as provided in paragraph (b)(2), the Commissioner’s approval of the type of agreement specified in paragraph (a) of this section shall not be given, unless the mortgagor agrees in writing that, during such period as payments to the mortgagee are less than the amounts required under the terms of the original mortgage, the mortgagor or mortgagee, as may be appropriate in the particular situation, will hold in trust for disposition, as directed by the Commissioner, all rents or other funds derived from the property which are not required to meet actual and necessary expenses arising in connection with the operation of such property, including amortization charges, under the mortgage.

(3) For multifamily project mortgages for which HUD issued a firm commitment for mortgage insurance on or after September 1, 2011, the regulations of paragraph (b)(1) of this section shall apply, unless the mortgagor demonstrates to the satisfaction of the Commissioner that financial hardship to the mortgagor would result from application of the regulations in paragraph (b)(1) of this section due to the reasonable expectations of the mortgagor that the transaction would close under the regulations in effect prior to September 1, 2011, in which case, the regulations of paragraph (b)(2) shall apply.

(c) The Commissioner may exempt a mortgagor from the requirement of paragraph (b) of this section in any case where the Commissioner determines that such exemption does not jeopardize the interests of the United States.

§ 207.258 Insurance claim requirements.

(a) Alternative election by mortgagee. (1) When the mortgagee becomes eligible to receive mortgage insurance benefits pursuant to §207.255(a)(3) or (b)(3), the mortgagee must, within 45 calendar days after the date of eligibility, such period is referred to as the “Eligibility Notice Period” for purposes of this section, give the Commissioner notice of its intention to file an insurance claim and of its election either to assign the mortgage to the Commissioner, as provided in paragraph (b) of this section, or to acquire and convey title to the Commissioner, as provided in paragraph (c) of this section. Notice of this election must be provided to the Commissioner in the manner prescribed in 24 CFR part 200, subpart B. HUD may extend the Eligibility Notice Period at the request of the mortgagee under the following conditions:

(i) The request must be made to and approved by HUD prior to the 45th day after the date of eligibility; and

(ii) The approval of an extension shall in no way prejudice the mortgagee’s right to file its notice of its intention to file an insurance claim and of its election either to assign the mortgage to the Commissioner or to acquire and convey title to the Commissioner within the 45-day period or any extension prescribed by the Commissioner.

(2) For mortgages funded with the proceeds of state or local bonds, Ginnie Mae mortgage-backed securities, participation certificates, or other bond obligations specified by the Commissioner (such as an agreement under which the insured mortgagee has obtained the mortgage funds from third-party investors and has agreed in writing to repay such investors at a stated interest rate and in accordance with a fixed repayment schedule), any of which contains a lock-out or prepayment premium, and for any mortgage insured under section 232 of the Act, the mortgagee must:

(i) Request a 90-day extension of the deadline for filing the notice of the mortgagee’s intention to file an insurance claim and the mortgagee’s election to assign the mortgage or acquire and convey title in accordance with the mortgagee certificate, which HUD may further extend at the written request of the mortgagee;

(ii) Assist the mortgagor in arranging refinancing to cure the default and avert an insurance claim, if the Commissioner grants the requested (or a shorter) extension of notice filing deadline;

(iii) Report to the Commissioner at least monthly on any progress in arranging refinancing;

(iv) Cooperate with the Commissioner in taking reasonable steps in accordance with prudent business practices to avoid an insurance claim;

(v) Require successors or assigns to certify in writing that they agree to be bound by these conditions for the remainder of the term of the prepayment lock-out or prepayment premium; and

(vi) After commencement of amortization of the refinanced mortgage, notify HUD of a delinquency when a payment is not received by the 10th day after the date the payment is due.

(3) For multifamily project mortgages for which HUD issued a firm commitment for mortgage insurance on or after September 1, 2011, the regulations of paragraph (a)(2) of this section shall apply, unless the mortgagor demonstrates to the satisfaction of the Commissioner that financial hardship to the mortgagor would result from application of the regulations in paragraph (a)(2) of this section due to the reasonable expectations of the mortgagor that the transaction would close under the regulations in effect prior to September 1, 2011, in which case, the regulations of paragraph (a)(2) shall not apply.

(4) Acknowledgment of election. For mortgages insured pursuant to section 232 of the Act, if the lender provides notice to the Commissioner of its election either to assign the mortgage to the Commissioner or to acquire and
§ 207.258 24 CFR Ch. II (4–1–16 Edition)

convey title to the Commissioner, the Commissioner shall, not later than 90 calendar days after the expiration of the Eligibility Notice Period, as defined in paragraph (a)(1) of this section, as the same may have been extended, acknowledge and accept, or reject for cause, pursuant to program requirements, the lender’s election, provided that the Commissioner may, in the Commissioner’s discretion, extend such 90-day period by no more than an additional 90 calendar days if the Commissioner determines that such an extension is in HUD’s interest.

(b) Assignment of mortgage to Commissioner—(1) Timeframe; request for extension. (i) If the mortgagee elects to assign the mortgage to the Commissioner, the mortgagee shall, at any time within 30 calendar days after the date HUD acknowledges the notice of election, file its application for insurance benefits and assign to the Commissioner, in such manner as the Commissioner may require, any applicable credit instrument and the realty and chattel security instruments.

(ii) The Commissioner may extend this 30-day period by written notice that a partial payment of insurance claim under §207.258b is being considered. A mortgagee may consider failure to receive a notice of an extension approval by the end of the 30-day time period a denial of the request for an extension.

(iii) The extension shall be for such term, not to exceed 60 days, as the Commissioner prescribes; however, the Commissioner’s consideration of a partial payment of claim, or the Commissioner’s request that a mortgagee accept partial payment of a claim in accordance with §207.258b, shall in no way prejudice the mortgagee’s right to file its application for full insurance benefits within either the 30-day period or any extension prescribed by the Commissioner.

(iv) The requirements of paragraphs (b)(2) through (b)(6) of this section shall also be met by the mortgagee.

(2) Notice of assignment. On the date the assignment of the mortgage is filed for record, the mortgagee must notify the FHA Comptroller by telegram of such recordation.

(3) Warranty of mortgagee. The assignment shall be made without recourse or warranty, except that the mortgagee shall warrant that:

(i) No act or omission of the mortgagee has impaired the validity and priority of the mortgage.

(ii) The mortgage is prior to all mechanics’ and materialmen’s liens filed on record subsequent to the recording of the mortgage, regardless of whether such liens attached prior to the recording date.

(iii) The mortgage is prior to all liens and encumbrances which may have attached or defects which may have arisen subsequent to the recording of the mortgage, except such liens or other matters as may be approved by the Commissioner.

(iv) The amount stated in the instrument of assignment is actually due under the mortgage and there are no offsets or counterclaims against such amount.

(v) The mortgagee has a good right to assign the mortgage.

(4) Chattel lien warranty. In assigning its security interest in chattels, including materials, located on the premises covered by the mortgage, or its security interest in building components stored either on-site or off-site at the time of the assignment, the mortgagee shall warrant that:

(i) No act or omission of the mortgagee has impaired the validity or priority of the lien created by the chattel security instruments; and

(ii) The mortgagee has a good right to assign the security instruments; and

(iii) The chattel security instruments are a first lien on the items covered by the instruments except for such other liens or encumbrances as may be approved by the Commissioner.

(5) Items delivered by mortgagee. The mortgagee shall deliver to the Commissioner, within 45 days after the assignment is filed for record, the items enumerated below:

(i) An assignment of all claims of the mortgagee against the mortgagor or others arising out of the mortgage transaction.
(ii) All policies of title or other insurance or surety bonds or other guaranties, and any and all claims thereunder, including evidence satisfactory to the Commissioner that the effective date of the original title coverage has been extended to include the assignment of the mortgage to the Commissioner.

(iii) All records, ledger cards, documents, books, papers, and accounts relating to the mortgage transaction.

(iv) All property of the mortgagor held by the mortgagee or to which it is entitled (other than the cash items which are to be retained by the mortgagee) pursuant to paragraph (b)(5) of this section.

(v) Any additional information or data which the Commissioner may require.

(6) Disposition of cash items. The following cash items shall either be retained by the mortgagee or delivered to the Commissioner in accordance with instructions to be issued by the Commissioner at the time the insurance claim is filed:

(i) Any balance of the mortgage loan not advanced to the mortgagor.

(ii) Any cash held by the mortgagee or its agents or to which it is entitled, including deposits made for the account of the mortgagor, and which have not been applied in reduction of the principal of the mortgage indebtedness.

(iii) All funds held by the mortgagee for the account of the mortgagor received pursuant to any other agreement.

(iv) The amount of any undrawn balance under a letter of credit used in lieu of a cash deposit.

(c) Conveyance of title to Commissioner. If the mortgagee elects to acquire and convey title to the Commissioner, the following requirements shall be met:

(1) Alternative actions by mortgagee. At any time within a period of 30 days after the date of the notice of such election, the mortgagee shall take one of the alternative actions in paragraph (c) (2) or (3) of this section.

(2) Foreclosure of mortgage. The mortgagee may elect to commence foreclosure proceedings. If the laws of the State where the property is located do not permit institution of foreclosure within such 30-day period, foreclosure shall be commenced not less than 30 days after such action can be taken. Under such proceedings, the mortgagee shall take one of the following actions:

(i) Obtain possession of the mortgaged property and the income therefrom through the voluntary surrender thereof by the mortgagor.

(ii) Institute and prosecute with reasonable diligence, proceedings for the appointment of a receiver to manage the mortgaged property and collect income therefrom.

(iii) Proceed to exercise such other rights and remedies as may be available to it for the protection and preservation of the mortgaged property and to obtain the income therefrom under the mortgage and the law of the particular jurisdiction.

(iv) With the prior approval of the Commissioner, exercise the power of sale under a deed of trust.

(3) Acquisition of title and possession. The mortgagee, with the approval of the Commissioner, may elect to acquire possession of, and title to, the mortgaged property by means other than foreclosure. With the prior approval of the Commissioner, title may be transferred directly to the Commissioner.

(4) Notice of foreclosure. The mortgagee shall give written notice to the Commissioner within 30 days after the institution of foreclosure proceedings and shall exercise reasonable diligence in prosecuting such proceedings to completion. Any developments which might delay the consummation of such proceedings shall be promptly reported to the Commissioner.

(5) Transfer by mortgagee. After acquiring title to and possession of the property, the mortgagee shall (within 30 days of such acquisition) transfer title and possession of the property to the Commissioner. The transfer shall be made in such manner as the Commissioner may require. On the date the deed is filed for record, the mortgagee shall notify the Commissioner on a form prescribed by him of the filing of such conveyance, and shall also notify the FHA Assistant Commissioner-Comptroller by telegram of such recordation.
§ 207.258a Title requirements.

(a) Form of title evidence. The title evidence submitted with a conveyance of the property to the Commissioner shall be in the form of an owner’s policy of title insurance, except that, if an abstract and attorney’s opinion were accepted by the Commissioner at the time of insurance, the title evidence may be in such form. The title evidence shall be effective on or after the date of the recording of the conveyance to the Commissioner.

(a) Method of payment. (1) Upon either an assignment of the mortgage to the Commissioner or a conveyance of the property to the Commissioner in accordance with requirements in §207.258, payment of an insurance claim shall be made in cash, in debentures, or in a combination of both, as determined by the Commissioner either at, or prior to, the time of payment.

(2) An insurance claim paid on a mortgage insured under section 223(e) of the National Housing Act shall be paid in cash from the Special Risk Insurance Fund.

(b) Amount of payment; assignment of mortgage. If the mortgage is assigned to the Commissioner, the insurance benefits shall be paid in an amount determined as follows:

(1) By adding to the unpaid principal amount of the mortgage, computed as of the date of default, the following items:

(i) The amount of all payments made by the mortgagee for taxes, special assessments and water rates which are liens prior to the mortgage; for insurance on the property; and for any mortgage insurance premiums paid after default.

(ii) An allowance for reasonable payments made by the mortgagee, with the approval of the Commissioner, for the completion and preservation of the property.

(iii) An amount equivalent to the debenture interest which would have been earned on the portion of the insurance benefits paid in cash, except that when the mortgagee fails to meet any one of the applicable requirements of §§207.256 and 207.258 within the specified time and in a manner satisfactory to the Commissioner (or within such further time as the Commissioner may approve in writing), the interest allowance in such cash payment shall be computed only to the date on which the particular required action should have been taken or to which it was extended.

(2) By deducting from the total of the items computed under paragraph (b)(1) of this section, the following items:
(i) Any amount received by the mortgagee on account of the mortgage after the date of default.

(ii) Any net income received by the mortgagee from the property covered by the mortgage after the date of default.

(iii) The sum of the cash items retained by the mortgagee pursuant to §207.258(b)(6), except the balance of the mortgage loan not advanced to the mortgagor.

(iv) An amount equivalent to 1 percent of the mortgage funds advanced to the mortgagor and not repaid as of the date of default, except that all or part of the 1 percent may be waived by the Commissioner if, at his request and in lieu of foreclosure, the mortgage is assigned to the Secretary.

(v) In the case of a lender receiving insurance benefits for the full Mortgage amount upon the Commissioner’s endorsement of the Mortgage for full insurance pursuant to 24 CFR parts 251, 252, or 255, the amount of the fee set forth through FEDERAL REGISTER notice. HUD may, in its discretion, collect this fee rather than deducting the fee from the total of the items computed under paragraph (b)(1) of this section.

(vi) Except for multifamily project mortgages for which HUD issued a firm commitment for mortgage insurance before September 1, 2011, and for multifamily project mortgages insured under section 232 of the Act (12 U.S.C. 1715w) and under section 242 of the Act (12 U.S.C. 1715z–7), when there is a covenant default as defined in §207.255(a)(1)(ii) and a mortgagee refuses to comply promptly with the Commissioner’s request to accelerate payment pursuant to §207.257, an amount equal to the difference between the project’s market value as of the date of the Commissioner’s request and the project’s market value as of the date the mortgagees makes an election to assign the mortgage, or convey title to the project, as determined by appraisal procedures established by the Commissioner.

(vii) For multifamily project mortgages for which HUD issued a firm commitment for mortgage insurance on or after September 1, 2011, the regulations of paragraph (b)(2)(vi) of this section shall apply, unless the mortgagor demonstrates to the satisfaction of the Commissioner that financial hardship to the mortgagor would result from application of the regulations in paragraph (b)(2)(vi) of this section due to the reasonable expectations of the mortgagor that the transaction would close under the regulations in effect prior to September 1, 2011, in which case, the regulations of paragraph (b)(2)(vi) shall not apply.

(c) Amount of payment; conveyance of property. If the property is conveyed to the Commissioner, the insurance benefits shall be paid in an amount determined in accordance with paragraph (b) of this section, except that the item set forth in paragraph (b)(2)(iv) of this section shall not be deducted.

(d) Issuance of certificate of claim. In addition to the insurance benefits paid under paragraph (b) or (c) of this section, a certificate of claim shall be issued to the mortgagee.

(1) In the case of an assignment of the mortgage, the certificate shall be for an amount which the Commissioner determines to be sufficient, when added to the amount of the insurance benefits to equal the amount the mortgagee would have received if, on the date of assignment to the Commissioner, the mortgagor had paid in full all obligations under the mortgage. Where a conveyance is involved, there shall also be included in the certificate an allowance in a reasonable amount for any necessary expenses incurred by the mortgagee in connection with the foreclosure proceedings or the acquisition of the mortgaged property otherwise and in connection with the conveyance of the property to the Commissioner.

(2) The certificate of claim shall provide for an uncompounded annual interest increment of 3 percent to begin as of the date of either assignment or conveyance.

(e) Issuance of debentures. Where debentures are issued, they shall meet the following requirements:

(1) Be issued as of the date of default.

(2) Be registered as to principal and interest.

(3) At the option of the Commissioner and with the approval of the Secretary of the Treasury, be redeemable at par
plus accrued interest on any semiannual interest payment date on 3 months’ notice of redemption given in such manner as the Commissioner shall prescribe. The debenture interest on the debentures called for redemption shall cease on the semiannual interest payment date designated in the call notice. The Commissioner may include with the notice of redemption an offer to purchase the debentures at par plus accrued interest at any time during the period between the notice of redemption and the redemption date. If the debentures are purchased by the Commissioner after such call and prior to the named redemption date, the debenture interest shall cease on the date of purchase.

(4) Mature 20 years from the date thereof.

(5) Be issued in such forms and amounts; and be subject to such terms and conditions; and include such provisions for redemption, if any, as may be prescribed by the Secretary, with the approval of the Secretary of the Treasury; and may be in book entry or certificated registered form, or such other form as the Secretary by regulation may prescribe.

(6) Bear interest from the date of issue, payable semiannually on the first day of January and the first day of July of each year at the rate in effect as of the date the commitment was issued, or as of the date of initial insurance endorsement of the mortgage, whichever rate is higher. The applicable rates of interest will be published twice each year as a notice in the Federal Register.

(7) Debentures representing the portion of the claim applicable to an operating loss loan shall bear interest at the rate in effect as of the date the commitment to insure such loan was issued, or as of the date of endorsement for insurance of such loan, whichever rate is the higher, although debentures representing the portion of the claim applicable to the original mortgage may bear interest at a different rate.

(f) Mortgagee Time Limits for Supplemental Claims for Additional Insurance Benefits. A mortgagee may not file for any additional payments of its mortgage insurance claim more than six months after the date of final settlement of the insurance claim by the Commissioner. For the purpose of this section, the term final settlement shall mean the payment of the insurance claim (in cash or debentures) or billing for any overpayment of a partial claim that is made by the Commissioner. Final settlement is based upon the submission by the mortgagee of all required documents and information pursuant to part 207 of this chapter.

§ 207.259a Waiver of title objection; mortgages formerly Commissioner-held.

If the Commissioner sells a mortgage and such mortgage is later reassigned to him in exchange for debentures or the property covered by such mortgage is later conveyed to him in exchange for debentures, the Commissioner will not object to title by reason of any lien or other adverse interest that was senior to the mortgage on the date of the original sale of such mortgage by the Commissioner.

§ 207.260 Maintenance and inspection of property.

As long as the mortgage is insured or held by the Commissioner, the mortgagor must maintain the insured project in accordance with the physical condition requirements in 24 CFR part 5, subpart G; and the mortgagee must inspect the project in accordance with the physical inspection requirements in 24 CFR part 5, subpart G.

[63 FR 46578, Sept. 1, 1998]

§ 207.261 Capturing excess bond proceeds.

(a) A mortgagee that finances multifamily housing or healthcare facilities insured under Title II of the National Housing Act through the issuance and sale of bonds or bond anticipation notes and uses a project-specific trust indenture agreement, that clearly outlines the project and identifies by project the trust funds established by
and administered in accordance with the terms of the trust indenture, shall:

(1) Include the following clause in the trust indenture: In the event of an assignment or conveyance of the mortgage to the Commissioner, subsequent to the issuance of the bonds, all money remaining in all funds and accounts other than the rebate fund, and any other funds remaining under the trust indenture after payment or provision for payment of debt service on the bonds and the fees and expenses of the credit enhancer, issuer, trustee, and other such parties unrelated to the mortgagor (other than funds originally deposited by the mortgagor or related parties on or before the date of issuance of the bonds) shall be returned to the mortgagee.

(2) Upon the Commissioner’s payment of an FHA mortgage insurance claim under §207.259, the mortgagee shall take all legally-entitled actions to enforce the clause required by paragraph (a)(1) of this section and pay the Commissioner any trust funds remaining after discharge by the trustee of all obligations of the trust indenture, no later than 6 months after the date of the Commissioner’s final settlement of the FHA mortgage insurance claim.

(b) For purposes of paragraph (a) of this section, the term “rebate fund” means a separate fund established under a contract or agreement for tax-exempt bonds in which amounts (excess interest earnings from the tax-exempt bonds) must be deposited to make rebate payments to the federal government under the Internal Revenue Code.

§ 207.263 Responsibility for servicing.

After January 10, 1994, servicing of insured mortgages must be performed by a mortgagee which is approved by HUD to service insured mortgages.

§ 207.263 Amendments

The regulations in this subpart may be amended by the Commissioner at any time and from time to time, in whole or in part, but such amendment shall not adversely affect the interests of a mortgagee or lender under the contract of insurance on any mortgage or loan already insured and shall not adversely affect the interests of a mortgagee or lender on any mortgage or loan to be insured on which the Commissioner has made a commitment to insure.

PART 208—ELECTRONIC TRANSMISSION OF REQUIRED DATA FOR CERTIFICATION AND RECERTIFICATION AND SUBSIDY BILLING PROCEDURES FOR MULTI-FAMILY SUBSIDIZED PROJECTS

§ 208.101 Purpose.

The purpose of this part is to require owners of subsidized multifamily projects to electronically submit certain data to HUD for the programs listed in §208.104. This electronically submitted data is required by HUD Forms, Owner’s Certification of Compliance with Tenant’s Eligibility and Rent Procedure, Worksheets to Compute Tenant Payment/Rent (Form HUD–50059 and 50059 Worksheets), and the Monthly Subsidy Billing Forms, Housing Owner’s Certification and Application for Housing Assistance Payments (HUD–52670), Schedule of Tenant Assistance Payments Due (HUD–52670A, Part 1), Schedule of section 8 Special Claims (HUD–52670A, Part 2), and Special Claims Worksheets, HUD–52671 A through D), as applicable.

§ 208.104 Applicability.

(a) This part applies to HUD administered subsidized multifamily projects, either insured or non-insured, under:

(1) The section 236 Interest Reduction and Rental Assistance Payments program;

(2) The section 8 Housing Assistance Payments Programs, including, but not
§ 208.108 Requirements.

(a) Projects specified in §208.104(a) that are automated. Project owners of applicable projects under §208.104(a) who currently use an automated software package to process certifications and recertifications and to provide subsidy billings to HUD must update their software packages and begin electronic transmission of that data in a HUD specified format by March 21, 1994. These project owners are required to transmit data collected for the 12 months preceding March 21, 1994, as well as data collected on or after this date. Data collected for the 12 months preceding March 21, 1994, is to include only the tenant’s most recent “complete certification” (move-in, initial certification, interim recertification, or annual recertification). When the most recent certification for a tenant is a partial certification (gross rent change, unit transfer, or correction), both the complete and partial certifications must be transmitted.

(b) Projects specified in §208.104(a) that are not automated. Nonautomated project owners and agents (those owners and agents that currently prepare the certification, recertification, and subsidy billing forms manually) of applicable projects under §208.104(a) must:

1. Complete the search and either obtain the necessary hardware or software, or sign service contracts;
2. Complete their data loading; and
3. Begin electronic transmission by May 20, 1994. These project owners are required to transmit data collected for the 12 months preceding May 20, 1994, as well as data collected on or after this date. Data collected for the 12 months preceding May 20, 1994, is to include only the tenant’s most recent “complete certification” (move-in, initial certification, interim recertification, or annual recertification). When the most recent certification for a tenant is a partial certification (gross rent change, unit transfer, or correction), both the complete and partial certifications must be transmitted.
(c) Project owners. Project owners of applicable projects under §208.104(b) must electronically transmit data for certification, recertification and subsidy billing procedures in a HUD specified format to the contract administrator. These project owners are required to transmit data collected for the 12 months preceding September 23, 1994, as well as data collected on or after that date. Data collected for the 12 months preceding September 23, 1994 is to include only the tenant’s most recent “complete certification” (move-in, initial certification, interim recertification, or annual recertification). When the most recent certification for a tenant is a partial certification (gross rent change, unit transfer, or correction), both the complete and partial certifications must be transmitted.

(2) Contract administrators. State housing finance and development agencies and Public Housing Agencies that serve as the subsidy contract administrator must accept the electronic transmission of the HUD forms listed below in §208.108(e) from the projects they administer, and electronically transmit that data to HUD in a HUD specified format after appropriate review and correction of the data.

(d) Projects specified in §208.104(c). Project owners of applicable projects under §208.104(c) must electronically transmit data for certification, recertification and subsidy billing procedures to HUD in a HUD specified format. In the case of partially assisted section 202 projects, owners are required to transmit data collected for the 12 months preceding the effective date of the rule, as well as data collected on or after the effective date of the rule. Data collected for the 12 months preceding September 23, 1994 is to include only the tenant's most recent “complete certification” (move-in, initial certification, interim recertification, or annual recertification). When the most recent certification for a tenant is a partial certification (gross rent change, unit transfer, or correction), both the complete and partial certifications must be transmitted.

(e) Data to be transmitted. Electronic transmission consists of data transmitted from the HUD–50059, 50059 worksheets, 52670 and 52670A, Parts 1 and 2 and 52671A through D correctly formatted in accord with the HUD data requirements and in lieu of the hard copy forms.

§208.112 Cost.

(a) The costs of the electronic transmission of the correctly formatted data, including either the purchase and maintenance of computer hardware or software, or both, the cost of contracting for those services, or the cost of centralizing the electronic transmission function, shall be considered project operating costs to be paid from project income, and considered project operating costs for the purpose of processing and approving requests for HUD approval of rent increases.

(b) At the owner’s option, the cost of the computer software may include service contracts to provide maintenance or training, or both. Regardless of whether an owner obtains service contracts to provide maintenance or training or both, the software must be updated to incorporate changes or revisions in legislation, regulations, handbooks, notices or HUD electronic transmission data format requirements.

(c) The source of funds for the purchase of hardware or software, or contracting for services for electronic transmission, may include current project operating income; an expense item in processing rent increases; a loan from the Reserve for Replacement Account, or a release from the Residual Receipts Account.

(d) A loan from the Reserve for Replacements Account must be repaid within a five year period from the release date.

(e) Owners of smaller projects or partially assisted projects with few subsidized units and CAs that administer no more than one project that determine that the purchase of hardware and/or software is not cost effective may contract out the electronic data transmission function to organizations that provide such services, including,
but not limited to the following organizations: local management agents, local management associations and management agents with centralized facilities. Owners of multiple projects may centralize the electronic transmission function. However, owners that contract out or centralize the electronic transmission function are required to retain the ability to monitor the day-to-day operations of the project at the project site and be able to demonstrate that ability to the relevant HUD field office.

§ 213.267 Effect of insurance endorsement.
From the date of initial endorsement, the Commissioner and the mortgagee or lender shall be bound by the provisions of this subpart to the same extent as if they had executed a contract including the provisions of this.
§ 213.268 Final insurance endorsement.

When all advances of mortgage or loan proceeds have been made and all the terms and conditions of the commitment have been complied with to the satisfaction of the Commissioner, he shall indicate on the original credit instrument the total of all advances he has approved for insurance and again endorse such instrument.

§ 213.269 Endorsement of supplementary loans.

The provisions of §§ 213.266, 213.267, and 213.268 shall apply to supplementary loans.

§ 213.270 Supplementary loans; election of action; claims; debentures.

(a) Election of action. Where a real estate mortgage, deed of trust, conditional sales contract, chattel mortgage, lien, judgement, or any other security device has been used to secure the payment of a loan made under the provisions of this section, the lender may not, except with the approval of the Commissioner, both proceed against such security and also make claim under its contract of insurance, but shall elect which method it desires to pursue.

(b) Maximum claim period. Notice of intention to file claim on a form prescribed by the Commissioner shall be filed within 45 days after the lender becomes eligible for the benefits of the loan insurance, or within such later time as may be agreed upon by the Commissioner in writing.

(c) Items to be filed on submitting claim. Within 30 days after the filing of the notice of intention to file claim, or within such further period as may be agreed upon by the Commissioner in writing, the lender shall file with the Commissioner:

1. The fiscal data pertaining to the loan transaction;
2. Receipts covering all disbursements as required by the fiscal data form;
3. The original note and any security instrument or instruments which shall be assigned to the Commissioner without recourse or warranty, except that the lender must warrant that no act or omission of the lender has impaired the validity and priority of such security instrument or instruments, that the security instrument or instruments, are prior to all mechanics' and materialmen's liens filed of record subsequent to the recording of such security instrument or instruments regardless of whether such liens attached prior to such recording date, and prior to all liens and encumbrances which may have attached or defects which may have arisen subsequent to the recording of such security instrument or instruments, except such liens or other matters as may be approved by the Commissioner, that the amount stated in the instrument of assignment is actually due and owing under the security instrument or instruments, that there are no offsets or counterclaims thereto, and that the lender has a good right to assign such note and security instrument or instruments;
4. All hazard insurance policies held on property serving as security for the loan or other evidence of insurance coverage acceptable to the Commissioner, together with a copy of the lender's notification to the carrier authorizing the amendment of the loss payable clause substituting the Commissioner as the holder of the security instrument;
5. The assignment to the Commissioner of all rights and interests arising under the note and security instrument or instruments so in default, and all claims of the lender against the borrower or others arising out of the loan transaction;
6. All policies of title or other insurance or surety bonds, or other guarantors and any and all claims thereunder including evidence satisfactory to the Commissioner that the original title coverage has been extended to include the assignment of the note and the security instrument or instruments to the Commissioner;
7. Any balance of the loan not advanced to the borrower;
8. Any cash or property held by the lender or its agents or to which it is entitled; including deposits made for the account of the borrower and which have not been applied in reduction of
the principal obligation under the note and security instrument or instruments;

(9) All records, ledger cards, documents, books, papers and accounts relating to the loan transaction;

(10) Any additional information or data which the Commissioner may require.

(d) Claim computation. Upon an acceptable assignment of the note and security instrument, the Commissioner shall pay the claim of the lender in cash, in debentures or in a combination of both, as determined by the Commissioner at the time of payment. The payment shall be in an amount equal to the unpaid principal balance of the supplementary loan plus:

(1) Any accrued interest due on the supplementary loan as of the date of execution of its assignment to the Commissioner;

(2) Any advance made previously under the provisions of the loan instrument and approved by the Commissioner;

(3) Reimbursement for such reasonable collection costs, court costs, and attorney’s fees as may be approved by the Commissioner;

(4) An amount equivalent to the debenture interest which would have been earned on the portion of the insurance benefits paid in cash, as of the date such cash payment is made, except that when the lender fails to meet any one of the applicable requirements of paragraphs (b) and (c) of this section within the specified time and in a manner satisfactory to the Commissioner (or within such further time as the Commissioner may approve in writing), the interest allowance in such cash payment shall be computed only to the date on which the particular required action should have been taken or to which it was extended.

(e) Debenture interest. The debentures shall bear interest as provided in §207.259(e)(6) of this chapter.

(f) Maturity of debentures. Debentures shall mature 20 years from the date of issue.

(g) Registration of debentures. Debentures shall be registered as to principal and interest.

(h) Denomination of debentures. Debentures shall be issued in multiples of $50 and any difference not in excess of $50 between the amount of debentures to which the lender is otherwise entitled hereunder and the aggregate face value of the debentures issued shall be paid in cash by the Commissioner to the lender.

(1) Redemption of debentures. Debentures shall, at the option of the Commissioner and with the approval of the Secretary of the Treasury, be redeemable at par plus accrued interest on any semiannual interest payment date on 3 months’ notice of redemption given in such manner as the Commissioner shall prescribe. The debenture interest on the debentures called for redemption shall cease on the semiannual interest payment date designated in the call notice. The Commissioner may include with the notice of redemption an offer to purchase the debentures at par plus accrued interest at any time during the period between the notice of redemption and the redemption date. If the debentures are purchased by the Commissioner after such call and prior to the named redemption date, the debenture interest shall cease on the date of purchase.

(j) Issue date of debentures. The debentures shall be issued as of the date of the execution of the assignment of the supplementary loan in accordance with the requirements of paragraph (c)(3) of this section.

§ 214.1 Purpose.
This part implements the Housing Counseling program authorized by section 106 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701x). Section 106 authorizes HUD to provide, make grants to, or contract with public or private organizations to provide a broad range of housing counseling services to homeowners and tenants to assist them in improving their housing conditions and in meeting the responsibilities of tenancy or homeownership. These regulations apply to all agencies participating in HUD’s Housing Counseling program.

Except for reverse mortgage counseling, all counseling shall involve the creation of an action plan.

**Subpart B—Approval and Disapproval of Housing Counseling Agencies**

§ 214.100 General.

An organization may be approved by HUD as a HUD-approved housing counseling agency upon meeting the requirements of §214.103 and upon completing the application procedures set forth in this subpart B.
(a) The approval of a counseling agency does not create or imply a warranty or endorsement by HUD of the listed agency, or their employees, including counselors, to a prospective client or to any other organization or individual, nor does it represent a warranty of any counseling provided by the agency. Approval means only that the agency has met the qualifications and conditions prescribed by HUD.

(b) Effective date. Agencies approved by HUD on or before October 29, 2007 and agencies that have submitted applications to HUD on or before September 28, 2007 and that are subsequently approved, are required to be in full compliance with the requirements in this part on October 1, 2007. Agencies approved after October 29, 2007 must comply with this part.

§ 214.103 Approval criteria.

The following criteria for approval apply to all agencies, MSOs, and intermediaries, including all local housing counseling agencies, branches, and affiliates that are included in one application:

(a) Nonprofit and tax-exempt status. A housing counseling agency must function as a private or public nonprofit organization, or be a unit of local, county, or state government. The agency must submit evidence of nonprofit status and tax-exempt status under section 501(a), pursuant to section 501(c) of the Internal Revenue Code of 1996 (26 U.S.C. 501(a) and (c)). Units of local, county, or state government must submit proof of their authorization to provide housing counseling services.

(b) Experience. An agency must have successfully administered a Housing Counseling program for at least one year. An intermediary must have operated in an intermediary capacity for at least one year. To be considered part of an LHCA’s, MSO’s, or intermediary’s approval application, and to participate in the HUD-approved portion of the intermediary’s, SHFA’s, or MSO’s Housing Counseling program, affiliates and branches must have successfully administered a Housing Counseling program for at least one year.

(c) Ineligible participants. An agency, including any of the agency’s directors, partners, officers, principals, or employees, must not be:

1. Suspended, debarred, or otherwise restricted under the Department’s, or any other federal regulations;
2. Indicted for, or convicted of, a criminal offense that reflects upon the responsibility, integrity, or ability of the agency to participate in housing counseling activities. These offenses include criminal offenses that can be prosecuted at a local, state, or federal level;
3. Subject to unresolved findings as a result of HUD or other government audit or investigations.

(d) Community base. A housing counseling agency and its HUD Program branches and affiliates must have functioned for at least one year in the geographical area(s) the agency set forth in its housing counseling work plan.

(e) Recordkeeping and reporting. The agency must have an established system of recordkeeping so that client files, electronic and paper, can be reviewed and annual activity data for the agency can be verified, reported, and analyzed. Client files, both electronic and paper, must be kept confidential, in accordance with §214.315. This system must meet the requirements of 2 CFR part 200, subpart D, 24 CFR 1.6, and 24 CFR part 121 and can be easily accessible to HUD for all monitoring and audit purposes.

(f) Client management system. All participating agencies shall utilize an automated housing counseling client management system for the collection and reporting of client-level information, including, but not limited to, financial and demographic data, counseling services provided, and outcomes data. The system used must provide the counseling agency with the tools necessary to track and manage all counseling and educational activities associated with each client. Agencies must utilize a Client Management System that satisfies HUD’s requirements and interfaces with HUD’s databases.

(g) Housing counseling resources. The agency must have the following resources sufficient to implement the proposed housing counseling work plan no later than the date of HUD approval:
(1) **Funding.** The application for approval must provide evidence of funds immediately available, or written commitment for funds to cover the cost of operating the housing counseling work plan during the initial 12-month period of HUD approval.

(2) **Staff.** The agency must employ staff trained in housing counseling, and at least half the counselors must have at least 6 months of experience in the job they will perform in the agency’s Housing Counseling program.

(3) **Language skills.** The agency must have housing counselor(s) who are fluent in the language of the clients they serve, or the housing counseling agency must use the services of an interpreter, or the agency must refer the client to another agency that can meet the client’s needs.

(h) **Knowledge of HUD programs and local housing market.** The agency’s housing counseling staff must possess a working knowledge of HUD’s housing and single-family mortgage insurance programs, other state and local housing programs available in the community, consolidated plans, and the local housing market. The staff should be familiar with housing programs offered by conventional mortgage lenders and other housing or related programs that may assist their clients.

(i) **Contracts or agreements to provide eligible housing counseling services.** An agency and its branches or subgrantees or affiliates must deliver all of the housing counseling activities set forth in the agency’s housing counseling work plan. It is not permissible to contract out housing counseling services, except:

(1) In geographic areas where a need for housing counseling services is demonstrated and no HUD-approved housing counseling agency or its branches, affiliates, or subgrantees exists. Under this exception, the contract must delineate the respective Housing Counseling program responsibilities of the contracting parties, the agency providing services (contractor) must meet the HUD approval eligibility standards, and the contracting agency must receive prior written approval from HUD.

(2) Intermediaries and SHFAs may enter into agreements with affiliates to provide housing counseling services.

The agreements with affiliates may be in the form of an exchange of letters that delineate the respective Housing Counseling program responsibilities of the parties. Agreements must be sufficiently detailed to establish accountability and allow for adequate monitoring in accordance with 2 CFR part 200.

(3) With prior approval from HUD, and at HUD’s discretion, intermediary organizations may operate a Housing Counseling program with a network of affiliated counselors, rather than affiliated counseling agencies, if the structure is designed to meet a special housing counseling need identified by HUD.

(j) **Community resources.** The housing counseling agency must have established working relationships with private and public community resources to which it can refer clients who need help the agency cannot offer, including agencies offering similar or related services to non-English speaking clients.

(k) **State and local requirements.** An agency and its branches and affiliates must meet all state and local requirements for its operation.

(1) **Facilities.** All housing counseling facilities of the agency and its branches, affiliates, and subgrantees must meet the following criteria:

(1) Have a clearly identified office, with space available for the provision of housing counseling services. The office should operate during normal business hours and offer extended hours when necessary;

(2) Provide privacy for in-person counseling and confidentiality of client records;

(m) **Housing counseling work plan.** (1) The agency must submit a detailed yet concise housing counseling plan that explains: The needs and problems of the target population; how the agency will address one or more of these needs and problems with its available resources; the type of housing counseling
services offered; fee structure, if applicable; the geographic service area to be served; and the anticipated results (outcomes) to be achieved within the period of approval.

(2) The plan must be periodically reviewed and, when changed or amended, the agency must notify and provide a copy to HUD.

(3) The plan must meet the basic requirements described in §214.300.

(4) An agency’s housing counseling work plan must also address, if appropriate, alternative settings and formats for the provision of housing counseling services.

§ 214.105 Preliminary application process.

(a) Submission. All agencies must complete the forms prescribed by HUD and submit the application and all supporting documentation to HUD. Agencies with branches or affiliates for which the parent entity exercises control over the quality and type of housing counseling services rendered must submit a single application for approval.

(b) Notwithstanding paragraph (a), SHFAs are not required to submit an application for HUD approval. However, to participate in HUD’s Housing Counseling program, SHFAs must either submit a request and provide HUD with a list of affiliates, if applicable, and assure that they meet all program requirements, or submit a request through such other application procedure as HUD may periodically announce in the FEDERAL REGISTER or other informational sources.

§ 214.107 Approval by HUD.

(a) Notice of approval. If an application package meets all requirements outlined in §214.103, HUD will approve an agency for a period of up to 3 years. HUD will advise the agency of its approval in the form of an approval letter to the agency’s main office.

(b) Certificate of Approval. HUD will issue a “Certificate of Approval” to the approved agency. The certificate will show the period of approval.

(c) Appearance on list of HUD-approved and participating housing counseling agencies. For purposes of client referrals, participating agencies that provide housing counseling services directly to clients must provide HUD with the agency name and contact information, which may appear on HUD’s Web site. In addition, names and addresses of all participating agencies that provide housing counseling services directly may be made available to the public through HUD’s toll-free housing counseling hotline.

§ 214.109 Disapproval by HUD.

If an application package does not meet all requirements in §214.103, HUD will provide the agency with the reasons for the denial in writing. Within 30 calendar days of the written notice of denial, the agency may submit a revised application, or appeal HUD’s decision in writing, as provided in §214.205. If an agency decides to submit a revised application, the agency may consult HUD, to determine the specific actions needed to resolve the deficiencies.

Subpart C—Inactive Status, Termination, and Appeals

§ 214.200 Inactive status.

(a) HUD may change a participating agency’s status to inactive, in lieu of terminations of HUD-approved status or removals from the list of HUD-approved agencies, under certain circumstances that may temporarily impair an agency from complying with its housing counseling plan. An agency’s status may be changed to inactive on a case-by-case basis for a period not to exceed 6 months, unless an extension is provided by HUD under paragraph (d) of this section. HUD may change an agency’s status through either a request submitted to HUD or as a result of information obtained by the Department. Some of the conditions under which inactive status may be considered include, but are not limited to:

(1) Loss of counselor(s);
(2) Damage to facilities by natural disasters that renders the agency unable to function properly;
(3) Loss of funds;
(4) Relocation;
(5) Other circumstances caused by reasons beyond the agency’s control; or
§ 214.201 Termination of HUD-approved status and grant agreements.

(a) Cause for termination by HUD. HUD may terminate an agency’s approval; remove an SHFA; remove one or more branches or affiliates from the HUD portion of an intermediary’s, MSO’s, or SHFA’s counseling program; and terminate any grant agreements (if applicable) upon confirmation of any of the following reasons:

(1) Noncompliance with program requirements;

(2) Failure to implement in whole or in part the agency’s approved housing counseling work plan or failure to notify HUD of changes in the agency’s housing counseling work plan;

(3) Lack of the capacity to deliver the housing counseling activities described in its approved housing counseling work plan;

(4) Failure to achieve outcomes described in the work plan;

(5) Misuse of grant funds; or

(6) HUD determines that there is good cause.

(b) Agency withdrawal. The participating agency may withdraw from the Housing Counseling program at any time.

(c) Post-termination, post-withdrawal requirements. All terminations by HUD, or an agency’s withdrawal, must be in writing. When a termination or withdrawal occurs, the agency must return to HUD any unexpired “Certificate of Approval.” A terminated or inactive agency cannot continue to display the certificate. If HUD has determined that an agency will be terminated from participating in the Housing Counseling program, and an agency does not voluntarily withdraw, then HUD may follow the provisions found in 24 CFR part 24.

§ 214.203 Re-approval or removal as a result of a performance review.

HUD may conduct a periodic performance review for all agencies participating in the Housing Counseling program. The performance review and the terms of re-approval or removal of a participating agency are described in §214.307 and §214.309. At the end of the approval period, and upon completion of a successful performance review, if conducted, HUD will reapprove agencies.

§ 214.205 Appeals.

An agency making an application for approval, or an approved agency seeking reapproval, shall have the right to appeal any adverse decisions rendered by HUD under this part:

(a) Appeal must be in writing. An agency may make a formal written appeal to HUD.

(b) Timeliness. HUD must receive an appeal within 30 days of the date of the HUD decision letter to the applicant agency. HUD is not bound to review appeals received after this 30-calendar day period.

(c) Other action. Nothing in this section prohibits HUD from taking such other action against an agency as provided in 24 CFR part 24, or from seeking any other remedy against an agency available to HUD by statute or otherwise.
§ 214.300 Counseling services.

(a) Basic requirements. (1) Agencies must provide counseling to current and potential homeowners and tenants to assist them in improving their housing conditions and in meeting the responsibilities of homeownership or tenancy.

(2) Except for reverse mortgage counseling, housing counselors and clients must establish an action plan for each counseling client.

(3) Counseling may take place in the office of the housing counseling agency, at an alternate location, or by telephone, as long as mutually acceptable to the housing counselor and client. All agencies participating in HUD’s Housing Counseling program that provide services directly to clients must provide in-person counseling to clients that prefer this format.

(4) Regardless of setting or format, counseling activities must be limited to the geographic area specified in the agency’s approved housing counseling work plan.

(5) With prior approval from HUD, a network of affiliated counselors or a HUD roster of counselors, designed to meet a special housing counseling need, may be permitted to provide specified types of counseling nationally.

(6) All participating agencies that offer group educational sessions must also offer individual counseling on the same topics covered in the group educational sessions.

(b) Counseling services. For each client, all agencies participating in HUD’s Housing Counseling program shall offer the following basic services:

(1) Housing counseling, on at least one of the topics described in paragraph (d) of this section, that enables a client to make informed and reasonable decisions to achieve his or her housing goal.

(2) Referrals to local, state, and federal resources.

(c) Follow-up. Make a reasonable effort to have follow-up communication with the client, when possible, to assure that the client is progressing toward his or her housing goal, to modify or terminate housing counseling, and to learn and report outcomes.

(d) Agency’s housing counseling work plan. (1) A participating agency shall deliver housing counseling services consistent with the agency’s housing counseling work plan. The work plan should identify housing counseling services to be provided in response to one or more of the needs in targeted communities and geographic areas where the agency and its branches and affiliates provide their housing counseling services.

(2) Participating agencies may also conduct marketing and outreach, including, but not limited to, providing general information about housing opportunities, conducting information campaigns, and raising awareness about critical housing topics such as predatory lending and fair housing topics.

(e) Approved housing counseling, education, and outreach topics. The following are examples of approved housing counseling, education, and outreach topics that participating agencies may provide to and discuss with clients:

(1) Prepurchase/homebuying, including, but not limited to: Advice regarding readiness and preparation, Federal Housing Administration-insured financing, housing selection and mobility, search assistance, fair housing and predatory lending, budgeting and credit, loan product comparison, purchase procedures, and closing costs;

(2) Resolving or preventing mortgage delinquency, including, but not limited to: Default and foreclosure, loss mitigation, budgeting, and credit;

(3) Home maintenance and financial management for homeowners, including, but not limited to: Escrow funds, budgeting, refinancing, home equity, home improvement, utility costs, energy efficiency, rights and responsibilities of homeowners, and reverse mortgages;

(4) Rental topics, including, but not limited to: HUD rental and rent subsidy programs; other federal, state or local assistance; fair housing; housing search assistance; landlord tenant laws; lease terms; rent delinquency; and
(5) Homeless assistance, including, but not limited to: Information regarding emergency shelter, other emergency services, and transitional housing.

§ 214.303 Performance criteria.

To maintain HUD-approved status, a participating agency must meet the following requirements:

(a) Approval status. Agencies must continue to comply with approval requirements in §214.103.

(b) Workload. During each 12-month period, the participating agency must provide housing counseling to at least 30 clients. Agencies that offer only housing counseling services limited to reverse mortgages, including home equity conversion mortgages (HECMs), are exempt from this requirement.

(c) Reporting. The agency must submit to HUD complete, accurate, and timely activity reports, as described in §214.317.

(d) Agency’s housing counseling work plan. The agency must implement the housing counseling work plan and demonstrate reasonable achievement of the outcome objectives approved by HUD, as described in §214.103(k).

(e) Client referrals from HUD and other participating agencies. Except as described in this paragraph, all clients who contact the agency as a result of these referrals must be served. In cases where the agency does not offer the unique services requested by the client or does not have sufficient resources, the agency must refer the client to another participating agency, preferably in the area, or, failing the availability of a participating agency, must make a reasonable effort to refer the client to another agency, that can help the client meet his or her needs.

(f) Conflicts of interest. (1) A director, employee, officer, contractor, or agent of a participating agency shall not engage in activities that create a real or apparent conflict of interest. Such a conflict would arise if the director, employee, officer, contractor, agent, his or her spouse, child, general partner, or organization in which he or she is a voting member or has a financial interest, either directly or indirectly, serves as a director or officer of an organization that provides services to the client.

(2) A director, employee, officer, contractor, or agent of a participating agency must maintain full, complete, and accurate records of all transactions with clients and must maintain a record of all transactions with any other company or organization with which he or she is affiliated.

(3) A director, employee, officer, contractor, or agent of a participating agency must maintain full, complete, and accurate records of all transactions with any other company or organization with which he or she is affiliated.

(4) A director, employee, officer, contractor, or agent of a participating agency must maintain full, complete, and accurate records of all transactions with any other company or organization with which he or she is affiliated.

(g) Disclosure requirements. A participating agency must provide to all clients a disclosure statement that explicidy describes the various types of services provided by the agency and any financial relationships between this agency and any other industry partners. The disclosure must clearly state that the client is not obligated to receive any other services offered by

the client as a landlord, broker, or creditor, or originates, has a financial interest in, services, or underwrites a mortgage on the client’s property, owns or purchases a property that the client seeks to rent or purchase, or serves as a collection agent for the client’s mortgage lender, landlord, or creditor.

(2) A director, employee, officer, contractor, or agent of a participating agency shall not refer clients to mortgage lenders, brokers, builders, or real estate sales agents or brokers in which the officer, employee, director, his or her spouse, child, or general partner has a financial interest, neither may they acquire the client’s property from the trustee in bankruptcy or accept a fee or any other consideration for referring a client to mortgage lenders, brokers, builders, or real estate sales agents or brokers.

(3) A director, employee, officer, contractor, or agent of a participating agency or any member of his or her immediate family shall avoid any action that might result in, or create the appearance of, administering the housing counseling operation for personal or private gain; providing preferential treatment to any organization or person; or undertaking any action that might compromise the agency’s ability to ensure compliance with the requirements of this part and to serve the best interests of its clients.

(4) HUD may investigate agency practices and may take action to inactivate or terminate the agency’s approval or participation in the Housing Counseling program.

(5) Participating agencies must notify HUD of conflicts of interest not later than 15 calendar days after the conflict occurred and report to HUD on the corrective action taken to cure the immediate, and avoid future, conflicts.

(g) Disclosure requirements. A participating agency must provide to all clients a disclosure statement that explicitly describes the various types of services provided by the agency and any financial relationships between this agency and any other industry partners. The disclosure must clearly state that the client is not obligated to receive any other services offered by
the organization or its exclusive partners. Furthermore, the agency must provide information on alternative services, programs, and products.

(h) **Staff and supervision.** The agency must employ staff trained in housing counseling, and at least half the counselors must have at least 6 months of experience in the job they will perform in the agency’s Housing Counseling program. Supervisors of the housing counselors must periodically monitor the work of the housing counselors by reviewing client files with the housing counselor to determine the adequacy and effectiveness of the housing counseling. The agency must document these monitoring activities and make the documentation available to HUD upon request.

(i) **Funding.** The agency must maintain a level of funds that enables it to provide housing counseling to at least the required workload of clients every year, whether or not the agency receives HUD funding.

§ 214.305 **Agency profile changes.**

Participating agencies must notify HUD within 15 days when any of the following occurs:

(a) The agency loses or changes its tax-exempt, nonprofit status.
(b) The agency no longer complies with local and state requirements.
(c) Changes occur in any of the items below:
   (1) Address(es) of the agency’s main office and the address(es) of its branches and affiliates;
   (2) Staff personnel responsible for the Housing Counseling program, such as the housing counselors and management staff;
   (3) Telephone numbers of the main office, affiliates, and branches; or
   (4) Any other aspect of the agency’s purpose or functions that may impair its ability to comply with these regulations or the applicable grant agreement (e.g., lack of qualified housing counselors).

§ 214.307 **Performance review.**

(a) HUD may conduct periodic on-site or desk performance reviews of all participating agencies.
(b) The performance review will consist of a review of the participating agency’s compliance with all program requirements, including applicable civil rights requirements, and the agency’s level of success in delivering counseling services.

§ 214.309 **Reapproval and disapproval based on performance review.**

Based on the performance review, HUD may determine whether to renew the approval unconditionally or conditionally, temporarily change status to inactive, or terminate approval or participation of the agency.

(a) **Unconditional Reapproval.** If the agency is in full compliance with the performance criteria of this part, HUD may reapprove the agency unconditionally for up to 3 years.
(b) **Conditional Reapproval.** If the agency fails to meet the performance criteria, but the failure does not seriously impair the agency’s counseling capability as required in this part, HUD may extend the agency’s approval or participation for up to 120 calendar days.
(c) **Inactive status.** HUD may temporarily change an agency’s status to inactive, as provided in §214.200.
(d) **Follow-up Review.** HUD may conduct a follow-up review to determine if the deficiencies have been corrected.
(e) **Termination of HUD Approval.** When HUD determines that the agency’s program deficiencies seriously impair the agency’s ability to comply with this part, HUD may terminate approval or participation of the agency immediately.
(f) **Appeal.** If HUD does not reinstate the approval, or terminates participation, the agency may file an appeal, as prescribed under §214.205.

§ 214.311 **Funding.**

(a) **HUD funding.** HUD approval or program participation does not guarantee funding from HUD. Funding for the Housing Counseling program depends on appropriations from Congress and are awarded competitively under federal and HUD regulations and policies governing assistance programs, including the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545 et seq.). If funds become available that are to be competitively awarded, HUD will notify the public
§ 214.313 Housing counseling fees.

(a) Participating agencies may charge reasonable and customary fees for housing education and counseling services, as long as the cost does not create a financial hardship for the client. An agency’s fee schedule must be posted in a prominent place that is easily viewed by clients, and be available to HUD for review.

(b) Agencies must inform clients of the fee structure in advance of providing services. Clients cannot be charged for client intake.

(c) If any agency chooses to charge fees, the agency must conform to the following guidelines:

(1) Provide counseling without charge to persons who cannot afford the fees;

(2) Fees must be commensurate with the level of services provided;

(3) Agencies may not impose fees upon clients for the same portion of or for an entire service that is already funded with HUD grant funds.

(d) The agency may also be reimbursed from clients for the direct cost of obtaining copies of clients’ credit reports from credit reporting bureaus if this does not cause a hardship for the client. In cases where the participating agency receives a discount for the cost of credit reports, this discount must be passed on to the client.

(e) Lenders may pay agencies for counseling services, through a lump sum or on a case-by-case basis, provided the level of payment does not exceed a level that is commensurate with the services provided, and is reasonable and customary for the area, and does not violate requirements under the Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.). These transactions and relationships must be disclosed to the client as required in § 214.303(g).

§ 214.315 Recordkeeping.

(a) Recordkeeping system. Each participating housing counseling agency must maintain a recordkeeping system. The system must permit HUD to easily access all information needed for a performance review. This system must meet the requirements of 2 CFR part 200, subpart D, 24 CFR 1.6, and 24 CFR part 121.

(b) File retention requirements. Financial records, supporting documents, statistical records and all other pertinent records, both electronic and on paper, shall be retained for a period of 3 years from the date the case file was terminated for housing counseling. If the housing counseling agency is a recipient of a HUD housing counseling grant, then the client files for the housing counseling grant year must be retained for 3 years from the date the final grant invoice was paid by HUD.

(c) Grant activities. Recipients of HUD housing counseling grants are required to report activities under the grant in a format acceptable to HUD and within the designated time frames required by the applicable grant agreement.

(b) For the purposes of the portion of this subpart, covering multifamily project mortgages, all references in part 207 of this chapter to section 207 of the National Housing Act shall be deemed to refer to section 220 of the National Housing Act.

§ 220.753 Forbearance relief.

(a) In a case where the mortgage is in default, the mortgagor and the mortgagee may enter into a forbearance agreement for the reduction or suspension of regular mortgage payments for a specified period of time, if the following requirements are met:

(1) The mortgage was endorsed for insurance on or after July 7, 1961.

(2) The Commissioner determines that the default was due to circumstances beyond the mortgagor’s control and that the mortgage probably will be restored to good standing within a reasonable period of time and evidences such determination by written approval of the forbearance agreement.

(b) The time specified in § 207.258(a) of this chapter, within which a mortgagee shall give the Commissioner written notice of its intention to file an insurance claim, shall be suspended for the period of time specified in the forbearance agreement as long as the mortgagor complies with the requirements of such agreement.

(c) If the mortgagor fails to meet the requirements of a forbearance agreement or to cure the default under the mortgage at the expiration of the forbearance period, and such failure continues for a period of 30 days, the mortgagee shall notify the Commissioner of such failure. Within 45 days thereafter, unless a modification or extension of the forbearance agreement has been approved by the Commissioner, the mortgagee shall notify the Commissioner of its election to file an insurance claim and of its decision to either assign the mortgage to the Commissioner or acquire and convey title to the property to the Commissioner. If the mortgage is assigned to the Commissioner, the special insurance benefits prescribed in § 220.765 shall be applicable.

§ 220.765 Special insurance benefits—forbearance relief cases.

(a) Upon a failure of the mortgagor to meet the requirements of a forbearance agreement or to cure the default

To receive the special insurance payment, the mortgagee shall assign the mortgage to the Commissioner in compliance with the requirements of §207.258(b) of this chapter.

(b) The special insurance benefits to the mortgagee shall be a cash payment computed in accordance with §207.259(b) of this chapter, except that in lieu of the allowance for debenture interest in §207.259(b)(1)(iii) of this chapter, the payment shall include the amount of the unpaid accrued mortgage interest computed to the date the assignment of the mortgage to the Commissioner is filed for record. In addition, there shall be included in the cash payment an amount equivalent to the debenture interest which would have been earned from the date the mortgage assignment was filed for record to the date payment is made; except that when the mortgagee fails to meet any of the applicable requirements of §207.258(b) of this chapter and §220.753(c) within the specified times and in a manner satisfactory to the Commissioner (or within such further time as the Commissioner may approve in writing), such debenture interest allowance shall be computed only to the date on which the particular required action should have been taken.

If the date of the first principal payment is more than one year following the date of initial insurance endorsement, the lender, upon the anniversary of such insurance date, shall pay a second premium equal to one-half of one percent of the original face amount of the loan.

(c) Third premium. On the date of the first principal payment, the lender shall pay a third premium equal to one-half of one percent of the average outstanding principal obligation of the note for the following year which shall be adjusted so as to accord with such date and so that the aggregate of the three premiums shall equal the sum of (1) one percent of the average outstanding principal obligation of the

Notice of the prepayment shall be given to the Commissioner, on a form prescribed by the Commissioner, within 30 days from the date of the prepayment. The insurance termination shall become effective as of the date of the prepayment.

(b) Voluntary termination. The contract of insurance shall be voluntarily terminated upon receipt by the Commissioner of a written request, on a form prescribed by the Commissioner, by the borrower and the lender for such termination, accompanied by a submission of the original credit instrument for cancellation of the insurance endorsement and the remittance of all sums to which the Commissioner is entitled. The termination shall become
effective as of the date these requirements are met.

§ 220.806 Pro rata refund of insurance premium.
Upon termination of loan insurance contract by a payment in full or by a voluntary termination, the Commissioner shall refund to the lender for the account of the borrower an amount equal to the pro rata portion of the current annual loan insurance premium theretofore paid which is applicable to the portion of the year subsequent to the date of the prepayment or the effective date of the voluntary termination of the contract of insurance.

§ 220.810 Definition of default.
(a) If the borrower fails to make any payments due under or provided to be paid by the terms of the note or security instrument and such default continues for a period of 30 days, the note or security instrument shall be considered in default for the purposes of §§ 220.800 et seq.
(b) The failure to perform any other covenant under the note or security instrument shall be considered a default, provided the lender because of such default, has exercised its right under the note or security instrument and accelerated the debt.
(c) If such defaults as defined in paragraphs (a) and (b) of this section continue for a period of 30 days, the lender shall be entitled to receive the benefits of insurance hereinafter provided.

§ 220.811 Date of default.

(a) The date of the first uncorrected failure to perform a covenant or obligation under the note or security instrument; or

§ 220.812 Notice of default.
(a) If the default as defined in § 220.810 is not cured within the 30 day grace period, the lender shall, within 30 days thereafter, notify the Commissioner in writing of such default.
(b) The lender shall give notice in writing to the Commissioner of the failure of the borrower to comply with any covenant or obligation under the security instrument or note regardless of the fact the lender may not have elected to accelerate the debt.

§ 220.813 Commissioner’s right to require acceleration.
Upon receipt of notice of the failure of the borrower to comply with any covenant or obligation under the security instrument or note, or otherwise being apprised thereof, the Commissioner reserves the right to require the lender to accelerate payment of the outstanding principal balance due in order to protect the interests of the Federal Housing Commissioner.

§ 220.814 Election of action.
Where a real estate mortgage, deed of trust, conditional sales contract, chattel mortgage, lien, judgment, or any other security device has been used to secure the payment of a loan made under the provisions of this section, the lender may not, except with the approval of the Commissioner, both proceed against such security and also make claim under its contract of insurance, but shall elect which method it desires to pursue.

§ 220.820 Maximum claim period.
Notice of intention to file claim on a form prescribed by the Commissioner shall be filed within 45 days after the lender becomes eligible for the benefits of the loan insurance, or within such later time as may be agreed upon by the Commissioner in writing.

§ 220.838 Redemption of debentures.

Debentures shall, at the option of the Commissioner and with the approval of the Secretary of the Treasury, be redeemable at par plus accrued interest on any semiannual interest payment date on three months’ notice of redemption given in such manner as the Commissioner shall prescribe. The debenture interest on the debentures called for redemption shall cease on the semiannual interest date designated in the call notice. The Commissioner may include with the notice of redemption an offer to purchase the debentures at par plus accrued interest at any time during the period between the notice of redemption and the redemption date. If the debentures are purchased by the Commissioner after such call and prior to the named redemption date, the debenture interest shall cease on the date of purchase.

203.439a Mortgages on property in Allegany Reservation of Seneca Nation of Indians authorized by section 203(q) of the National Housing Act.

(b) For the purposes of this subpart, all references in part 203 of this chapter to section 203 of the Act shall be construed to refer to section 221 of the Act, and all references to the Mutual Mortgage Insurance Fund shall be construed to refer to the General Insurance Fund.

§ 221.252 Substitute mortgagors.

(a) Selling mortgagor. The mortgagor may effect the release of a mortgagor from personal liability on the mortgage note only if it obtains the Commissioner’s approval of a substitute mortgagor, as provided by this section.

(b) Purchasing mortgagor. The Commissioner may approve a substitute mortgagor with respect to any mortgage insured under subpart A of this part, if the substitute mortgagor is to occupy the dwelling as a principal residence or a secondary residence (as these terms are defined in § 221.20(c)) or is a private nonprofit or public entity as provided in section 221(h) of the National Housing Act.
§221.254 Mortgage insurance premiums.

(a) All of the provisions of §§203.260 through 203.295 of this chapter relating to mortgage insurance premiums shall apply to mortgages insured under this subpart, except that as to mortgages meeting the special requirements of §221.60 or §221.65, such provisions shall only be applicable under the circumstances prescribed in paragraph (b) of this section. Notwithstanding any provision in the mortgage instrument, there shall be no adjusted mortgage insurance premium or voluntary termination charge due the Commissioner on account of the prepayment of any mortgage or the voluntary termination of any mortgage insurance contract where (1) The mortgage is prepaid in full, or (2) the Commissioner receives a request for voluntary termination on or after May 1, 1972.

(b) Whenever the interest rate on a mortgage insured under this part as having met the special requirement of §221.60 or §221.65 shall have been increased to the maximum rate in accordance with §221.60(j), §221.65(d)(4), or §221.65(d)(5), the provisions of §§203.260 through 203.295 of this chapter relating to mortgage insurance premiums shall apply except that:

(1) References to the original principal amount shall be construed as the scheduled unpaid principal balance, without taking into account delinquent payments or prepayments, on the date of the change in interest rate required under the mortgage.

(2) References to the date of the issuance of a Mortgage Insurance Certificate or the date of the endorsement of the credit instrument or the date the insurance becomes effective shall be construed as the date of the change in interest required under the mortgage.

(3) References to the first year of amortization under the mortgage shall be construed as the period beginning on the date of the change in interest rate required under the mortgage and ending on the next anniversary of the beginning of amortization.

§221.255 Assignment option.

(a) A mortgagee holding a mortgage insured pursuant to a conditional or firm commitment issued on or before November 30, 1983 has the option to assign, transfer and deliver to the Commissioner the original credit instrument and the mortgage securing it, provided the mortgage is not in default at the expiration of 20 years from the date of final endorsement of the credit instrument. In processing a mortgagee’s claim for insurance benefits under this section, the Commissioner may direct the mortgagee to assign, transfer and deliver the original credit instrument, and the mortgage securing it, directly to the Government National Mortgage Association (GNMA). Upon such assignment, transfer and delivery, either to the Commissioner or to GNMA, as directed, the mortgage insurance contract shall terminate and

the mortgagee shall be entitled to receive insurance benefits in accordance with this section.

(b) The mortgagee may exercise its assignment option within 1 year following the twentieth anniversary of the date the mortgage was endorsed for insurance.

(c) Upon the exercise of the assignment option the Commissioner shall issue to the assignor mortgagee debentures having a total face value equal to the amount of the original principal obligation of the mortgage which was unpaid on the date of the assignment, plus accrued interest to such date.

(d) The debentures issued pursuant to the exercise of an assignment option shall be dated as of the date the mortgage is assigned to the Commissioner and shall mature 10 years after such date.

(e) The debentures issued pursuant to the exercise of an assignment option shall bear interest at the going Federal rate at date of issuance. The going Federal rate means the annual rate of interest specified by the Secretary of the Treasury as applicable to the 6-month period which includes the issuance date of the debentures. The Secretary of the Treasury shall determine this applicable rate by estimating the average yield to maturity, on the basis of daily closing market bid quotations or prices during the month of May or the month of November, as the case may be. If there should be no outstanding marketable obligations of the United States having the 8 to 12 year maturity at the time the Secretary of the Treasury is required to determine the debenture rate involved, the obligation next shorter than 8 years and the obligation next longer than 12 years respectively, shall be used.

(f) Debentures shall bear interest from the date of issue, payable semi-annually on the first day of January and the first day of July of each year at the rate in effect on the issue date, a date which shall be established as provided in §223.10 of this chapter. The interest rate shall be established by the Commissioner in an amount not in excess of the annual rate of interest which the Secretary of the Treasury shall specify as applicable to the 6-month period (consisting of January through June, or July through December) which includes the issuance date of such debentures, which applicable rate for each 6-month period shall be determined by the Secretary of the Treasury, at the request of the Commissioner, by estimating the average yield to maturity, on the basis of daily closing market bid quotations or prices during the calendar month next preceding the establishment of such rate of interest, on all outstanding marketable obligations of the United States having a maturity date of 15 years or more from the first day of such next preceding month, and by adjusting such estimated average annual yield to the nearest one-eighth of 1 per centum.

§ 221.256 Interest rate increase and payment of mortgage insurance premiums on mortgages under §221.60 and §221.65.

(a) Where a mortgage meets the special requirements of §221.60 or §221.65, the following procedures are applicable:

(1) The mortgagee shall determine, at least biennially, whether the mortgagor has continued to occupy the property securing the mortgage. If the mortgagor determines that the mortgagor is not occupying the property or that the mortgagor has sold the property subject to the mortgage to a purchaser not qualifying under the provisions of §221.60(h) or §221.65(d)(4) (as appropriate) for the continuation of a below market interest rate, interest on such mortgage shall be computed by the mortgagee at the highest rate permissible under the mortgage. The computation at the higher rate shall be effective from the first day of the month following the month in which the right to collect interest at the increased rate first accrued, as determined by the mortgagee.

(2) The mortgagee shall determine the mortgagor’s family income, at least biennially, and shall increase the
§ 221.275 Method of paying insurance benefits.

If the application for insurance benefits is acceptable to the Commissioner, all of the insurance claim shall be paid in cash unless the mortgagee files a written request with the application for payment in debentures. If such a request is made, all of the claim shall be paid by issuing debentures and by making a cash payment adjusting any differences between the total amount of the claim and the amount of the debentures issued.

§ 221.280 Waived title objections.

(a) General provisions. All of the provisions of §233.389 of this chapter (relating to the waiver by the Commissioner of objections to title) shall apply to mortgages insured under this subpart, with the exception of mortgages involving condominium units.

(b) Provisions applicable to condominium units. Where the mortgage involves a condominium unit, the Commissioner shall not object to title by reason of the following matters:

1. Violations of a restriction based on race, color, or creed, even where such restriction provides for a penalty of reversion or forfeiture of title or a lien for liquidated damage.
2. Easements for public utilities along one or more of the property lines, provided the exercise of the rights thereunder do not interfere with any of the buildings or improvements located on the subject property.
3. Encroachments on the subject property by improvements on adjoining property, provided such encroachments do not interfere with the use of any improvements on the subject property.
4. Variations between the length of the subject property lines as shown on the application for insurance and as shown by the record or possession lines, provided such variations do not interfere with the use of any of the improvements on the subject property.
5. Customary buildings or use restrictions for breach of which there is no reversion and which have not been violated to a material extent.

SPECIAL PROVISIONS APPLICABLE ONLY TO MORTGAGES INVOLVING CONDOMINIUM UNITS

§ 221.300 Changes in the plan of apartment ownership.

The mortgagee shall notify the Commissioner of any changes in the plan of apartment ownership and in the administration of the property. Such notification shall be given either at the time of the conveyance of the property or at the time of the assignment of the mortgage. Any changes in such plan shall require approval by the Commissioner.

§ 221.305 Condition of the multifamily structure.

(a) When a family unit is conveyed or a mortgage is assigned to the Commissioner, the family unit and the common areas and facilities (including restricted common areas and facilities) designated for the particular unit shall be undamaged by fire, earthquake, tornado, or boiler explosion, except if the property has been damaged, either of the following actions shall be taken:
(1) The property may be repaired prior to its conveyance or prior to the assignment of the mortgage to the Commissioner.

(2) With the prior approval of the Commissioner, the property may be conveyed or the mortgage assigned to the Commissioner without repairing the damage. In such instances, the Commissioner shall deduct from the insurance benefits either his estimate of the decrease in value of the family unit or the amount of any insurance recovery received by the mortgagee, whichever is the greater.

(b) If the property has been damaged by fire and such property was not covered by fire insurance at the time of the damage, the mortgagee may convey the property or assign the mortgage to the Commissioner without deduction from the insurance benefits for any loss occasioned by such fire if the following conditions are met:

(1) The property shall have been covered by fire insurance at the time the mortgage was insured.

(2) The fire insurance shall have been later cancelled or renewal shall have been refused by the insuring company.

(3) The mortgagee shall have notified the Commissioner within 30 days (or within such further time as the Commissioner may approve) of the cancellation of the fire insurance or of the refusal of the insuring company to renew the fire insurance. This notification shall have been accompanied by a certification of the mortgagee that diligent efforts were made, but it was unable to obtain fire insurance coverage at reasonably competitive rates and that it will continue its efforts to obtain adequate fire insurance coverage at competitive rates.

§ 221.310 Assessment of taxes.

When a family unit is conveyed to the Commissioner or a mortgage is assigned to the Commissioner, the unit shall be assessed and subject to assessment for taxes pertaining only to that unit.

§ 221.315 Certificate of tax assessment.

The mortgagee shall certify, as of the date of filing for record of the deed or assignment of the mortgage to the Commissioner, that the family unit is assessed and subject to assessment for taxes pertaining to that unit.

§ 221.320 Certificate or statement of condition.

(a) At the time of the assignment of the mortgage or conveyance of the property to the Commissioner, the mortgagee shall, as of the date of the filing for record of the deed or assignment,

(1) Certify that the conditions of §221.305(a) have been met; or

(2) Submit a statement describing any such damage that may still exist.

(b) In the absence of evidence to the contrary, the mortgagee’s certificate or its statement as to damage shall be accepted by the Commissioner as establishing the condition of the family unit and the common areas and facilities including restricted common areas and facilities designated for the particular unit.

§ 221.325 Cancellation of hazard insurance.

The provisions of §203.382 of this chapter are incorporated by reference and shall apply to hazard insurance policies carried solely for the family unit.

Subpart C—Eligibility Requirements—Moderate Income Projects

§ 221.501 Eligibility requirements.

The requirements set forth in 24 CFR part 200, subpart A, apply to multifamily project mortgages insured under section 221 of the National Housing Act (12 U.S.C. 1715l), as amended.

[61 FR 14405, Apr. 1, 1996]

Subpart D—Contract Rights and Obligations—Moderate Income Projects

§ 221.751 Cross-reference.

(a) All of the provisions of subpart B, part 207 of this chapter, covering mortgages insured under section 207 of the National Housing Act, apply with full force and effect to multifamily project mortgages insured under section 221 of the National Housing Act, except the following provisions:
§ 221.753 Termination of mortgage insurance.

In addition to the provisions of §207.253a, the following requirements apply to certain multifamily mortgages insured under section 221 of the National Housing Act:

(a) For those projects qualifying as eligible low income housing under §248.201, the contract of insurance may be terminated only as provided in part 248.

(b) For those projects subject to section 250(a) of the National Housing Act, the contract of insurance may be terminated only if the Commissioner determines that the requirements of section 250(a) are met.

[55 FR 38958, Sept. 21, 1990]

§ 221.755 Premiums first, second, third and operating loss loans.

All of the provisions of §§207.252 and 207.252a of this chapter, relating to mortgage insurance premiums, apply to mortgages insured under this subpart that provide for interest at the market rate prescribed in §221.518(a) except that as to mortgages insured under this subpart pursuant to section 238(c) of the Act all mortgage insurance premiums due in accordance with §§207.252 and 207.252a shall be calculated on the basis of one percent. The provisions of §207.252 shall not apply to:

(a) Mortgages that provide for interest during the construction period at the market rate and for interest subsequent to final endorsement at the below market rate prescribed in §221.518(b); or

(b) Mortgages encumbering a project in which all units are covered by an annual contributions contract issued pursuant to section 10(c) of the Housing Act of 1937.

§ 221.761 Forbearance relief.

(a) In a case where the mortgage is in default, the mortgagor and the mortgagee may enter into a forbearance agreement for the reduction or suspension of regular mortgage payments for a specified period of time, if the following requirements are met:

(1) The mortgage was endorsed for insurance on or after July 7, 1961.

(2) The Commissioner determines that the default was due to circumstances beyond the mortgagor’s control and that the mortgage probably will be restored to good standing within a reasonable period of time and evidences such determination by written approval of the forbearance agreement.

(b) The time specified in §207.258(a) of this chapter, within which a mortgagee shall give the Commissioner written notice of its intention to file an insurance claim, shall be suspended for the period of time specified in the forbearance agreement as long as the mortgagor complies with the requirements of such agreement.

(c) If the mortgagor fails to meet the requirements of a forbearance agreement or to cure the default under the mortgage at the expiration of the forbearance period, and such failure continues for a period of 30 days, the mortgagee shall notify the Commissioner of such failure. Within 45 days thereafter, unless a modification or extension of the forbearance agreement has been approved by the Commissioner, the mortgagee shall notify the Commissioner of its election to file an insurance claim and of its decision to either assign the mortgage to the Commissioner or to acquire and convey title to the property to the Commissioner. If the mortgage is assigned to the Commissioner, the special insurance benefits prescribed in §221.763 shall be applicable.

§ 221.762 Payment of insurance benefits.

All of the provisions of § 207.259 of this chapter relating to insurance benefits apply to multifamily project mortgages insured under this subpart, except as provided in this section:

(a) [Reserved]
(b) Below market interest rate mortgages. Where the mortgage has been finally endorsed and the special below market interest rate provided in § 221.518(b) is applicable as of the date of default, the 1 percent deduction from insurance benefits prescribed in § 207.259(b)(2)(iv) of this chapter shall not be applicable.
(c) Mortgages financed with section 11(b) obligations. Where the funds for a mortgage loan are provided by obligations that are tax-exempt under section 11(b) of the United States Housing Act of 1937 (24 CFR part 811), the one percent deduction from insurance benefits prescribed in § 207.259(b)(2)(iv) of this chapter shall not be applicable to claims with respect to multifamily rental housing projects for which a firm commitment for mortgage insurance was issued on or after March 12, 1979.

§ 221.763 Special insurance benefits— forbearance relief cases.

(a) In the case of a mortgage that provides for payment of interest at the market rate prescribed in § 221.518(a), if the mortgagor fails to meet the requirements of a forbearance agreement or to cure the default under the mortgage at the expiration of the forbearance agreement, the mortgagor shall be entitled to obtain a special insurance payment in cash, in lieu of the insurance benefits otherwise provided under this subpart. To receive the special insurance payment, the mortgagor shall assign the mortgage to the Commissioner in compliance with the requirements of § 207.258(b) of this chapter.

(b) The special insurance benefit to the mortgagor shall be a cash payment computed in accordance with § 207.259(b) of this chapter, except that in lieu of the allowance for debenture interest in § 207.259(b)(1)(iii) of this chapter, the payment shall include the amount of the unpaid accrued mortgage interest computed to the date the assignment of the mortgage to the Commissioner is filed for record. In addition, there shall be included in the cash payment an amount equivalent to the debenture interest which would have been earned from the date the mortgage assignment was filed for record to the date the payment is made; except that when the mortgagor fails to meet any of the applicable requirements of § 207.258(b) of this chapter and § 221.761(c) within the specified times and in a manner satisfactory to the Commissioner (or within such further time as the Commissioner may approve in writing), such debenture interest allowance shall be computed only to the date on which the particular required action should have been taken.

§ 221.770 Assignment option.

A mortgagor holding a conditional or firm commitment issued on or before November 30, 1983 (or, in the Direct Endorsement program, a property appraisal report signed by the mortgagor’s approved underwriter on or before November 30, 1983) has the option to assign, transfer and deliver to the Commissioner the original credit instrument and the mortgage securing it, provided that the mortgage is not in default at the expiration of 20 years from the date of final endorsement of the credit instrument. In processing a mortgagor’s claim for insurance benefits under this section, the Commissioner may direct the mortgagor to assign, transfer and deliver to the Commissioner the original credit instrument and the mortgage securing it, directly to the Government National Mortgage Association (GNMA). Upon such assignment, transfer and delivery either to the Commissioner or to GNMA, as directed, the mortgage insurance contract shall terminate and the mortgagor shall be entitled to receive insurance benefits in accordance with § 221.780.

[49 FR 12698, Mar. 30, 1984, as amended at 57 FR 58531, Dec. 9, 1992]
§ 221.775 Option period.

The mortgagee may exercise its option to assign within one year following the twentieth anniversary of the date the mortgage was finally endorsed for insurance.

§ 221.780 Issuance of debentures.

Upon the exercise of the assignment option and the satisfactory performance of the requirements as to assignment set out in §207.258 of this chapter, the Commissioner shall issue the assignor mortgagee debentures having a total par value equal to the amount of the original principal obligation of the mortgage which was unpaid on the date of the assignment, plus accrued interest to such date.

[59 FR 49816, Sept. 30, 1994]

§ 221.785 Date of maturity of debentures.

The debentures issued pursuant to the exercise of an assignment option shall be dated as of the date the mortgage is assigned to the Commissioner and shall mature 10 years after such date.

§ 221.790 Debenture interest rate.

The debentures issued pursuant to the exercise of an assignment option shall bear interest at the going Federal rate at date of issuance. The going Federal rate means the annual rate of interest specified by the Secretary of the Treasury as applicable to the 6-month period which includes the issuance date of the debentures. The Secretary of the Treasury shall determine this applicable rate by estimating the average yield to maturity, on the basis of daily closing market bid quotations or prices during the month of May or the month of November, as the case may be, next preceding such 6-month period, on all outstanding marketable obligations of the United States having a maturity date of 8 to 12 years from the first day of May or November, as the case may be. If there should be no outstanding marketable obligations of the United States having the 8 to 12 year maturity date at the time the Secretary of the Treasury is required to determine the debenture rate involved, the obligation next longer than 12 years respectively shall be used.

§ 221.795 Displacement—below market interest rate mortgages.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, Owners shall assure that they have taken all reasonable steps to minimize the displacement of persons (households, businesses, non-profit organizations, and farms) as a result of a project assisted under this part.

(b) Temporary relocation. The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily to permit rehabilitation or other work for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied housing, any increase in monthly rent/utility costs and any incidental expenses.

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex following completion of the rehabilitation; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) Relocation assistance for displaced persons. A “displaced person” (defined in paragraph (g) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) (42 U.S.C. 4201–4655) and implementing regulations at 49 CFR part 24. A “displaced person” shall be advised of his or her rights under the Fair Housing Act (42 U.S.C.
§ 221.795

Office of Assistant Secretary for Housing, HUD

3601–19), and, if the representative comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, such person also shall be given, if possible, referrals to comparable and suitable, decent, safe and sanitary replacement dwellings not located in such areas.

(d) Real property acquisition requirements. The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(e) Appeals. A person who disagrees with the Owner’s determination concerning whether the person qualifies as a “displaced person,” or with the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the Owner. A person who is dissatisfied with the Owner’s determination on his or her appeal may submit a written request for review of that determination to the HUD Field Office.

(f) Responsibility of Owner. (1) The Owner shall certify (i.e., provide assurance of compliance as required by 49 CFR part 24) that the Owner will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section. The Owner shall ensure such compliance notwithstanding any third party’s contractual obligation to the Owner to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs also may be paid with funds available from other sources.

(3) The Owner shall maintain records in sufficient detail to demonstrate compliance with these provisions. The Owner shall maintain data on the race, ethnic, gender, and disability status of displaced persons.

(g) Definition of displaced person. (1) For purposes of this section, the term displaced person means a person (household, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. The term “displaced person” includes, but may not be limited to:

(i) A tenant-occupant of a dwelling unit who moves from the building/complex, permanently, after the Owner executes the agreement covering the rehabilitation, demolition or acquisition, if the move occurs before the tenant is provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex, under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the amount approved by HUD;

(ii) A tenant-occupant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(A) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied unit, any increased housing costs and incidental expenses; or

(B) Other conditions of the temporary relocation are not reasonable; or

(iii) A tenant-occupant of a dwelling who moves from the building/complex, permanently, after he or she has been required to move to another dwelling unit in the same building/complex in order to carry out the project, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable; or

(iv) Any person, including a person who moves before the Owner’s execution of the agreement covering the rehabilitation, demolition, or acquisition, if the Owner or HUD determines that the displacement resulted directly from rehabilitation, demolition or acquisition for the assisted project.

(2) Notwithstanding the provisions of paragraph (g)(1) of this section, a person does not qualify as a “displaced
person' (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State or local law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the execution of the agreement covering the rehabilitation, demolition or acquisition and, before signing a lease and commencing occupancy, received written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated or suffer a rent increase) and the fact that he or she would not qualify as a "displaced person" (or for any assistance provided under this section) as a result of the project;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The Owner may ask HUD, at any time, to determine whether a displacement is or would be covered by this section.

(h) Definition of initiation of negotiations. For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term initiation of negotiations means the Owner’s execution of the agreement covering the rehabilitation, demolition, or acquisition.

(b) The Commissioner may request the lender to participate in a partial payment of claim in lieu of assignment only after a determination that partial payment would be less costly to the Federal Government than other reasonable alternatives for maintaining the project and that would keep the healthcare facility operational to serve community needs. In addition to any findings that may be provided in other guidance, the Commissioner shall base the determination on the findings listed below:

1. The lender is entitled, after a default as defined in § 207.255, to assign the mortgage in exchange for the payment of insurance benefits;

2. The relief resulting from partial payment, when considered with other resources available to the project,
§ 232.500

would be sufficient to restore the financial viability of the project;

(3) The project is or can (at reasonable cost) be made physically sound;

(4) The current or proposed operator of the facility is satisfactory to the Commissioner, as demonstrated by past experience in operating similar types of healthcare facilities and by state regulatory performance;

(5) The default under the insured mortgage was beyond the control of the borrower and/or operator, or in the case of a transfer of physical assets (TPA), the proposed borrower or operator, unless the Commissioner determines that any borrower/operator deficiencies giving rise to the default have clearly been addressed; and

(6) The project is serving as, or potentially could serve as, a needed nursing home, intermediate care facility, board and care home, or assisted living facility.

(c) Partial payment of a claim under this section shall be made only when:

(1) The property covered by the mortgage is free and clear of all liens other than the insured first mortgage and such other liens as the Commissioner may have approved;

(2) The lender has voluntarily agreed to accept a PPC under the mortgage insurance contract and to recast the remaining mortgage amount under terms and conditions prescribed by the Commissioner; and

(3) The borrower has agreed to repay to the Commissioner an amount equal to the partial payment, with the obligation secured by a second mortgage on the project containing terms and conditions prescribed by the Commissioner; and

(d) Payment of insurance benefits under this section shall be in cash.

(e) A lender receiving a partial payment of claim, following the Commissioner’s endorsement of the mortgage for full insurance under 24 CFR part 252, will pay HUD a fee in an amount set forth through Federal Register notice. HUD, in its discretion, may collect this fee or deduct the fee from any payment it makes in the claim process.

(b) **Second premium.** The lender, on the date of the first principal payment, shall pay a second premium equal to one percent of the average outstanding principal obligation of the loan for the year following such first principal payment date which shall be adjusted as of that date so that the aggregate of the first and second premiums shall equal the sum of one percent per annum of the average outstanding principal obligation of the loan for the period from the date of the insurance endorsement to one year following the date of the first principal payment.

(b) The failure to perform any other covenant under the note or security instrument shall be considered a default, provided the lender, because of such default, has exercised its rights under the note or security instrument and accelerated the debt.

(c) If such defaults as defined in paragraphs (a) and (b) of this section continue for a period of 30 days, the lender shall be entitled to receive the benefits of insurance hereinafter provided.

§ 232.840 Date of default.

(b) The lender shall give notice in writing to the Commissioner of the failure of the borrower to comply with any covenant or obligation under the security instrument or note regardless of the fact that the lender may not have elected to accelerate the debt.

§ 232.860 Commissioner's right to require acceleration.

Upon receipt of notice of the failure of the borrower to comply with any covenant or obligation under the security instrument or note, or otherwise being apprised thereof, the Commissioner may require the lender to accelerate payment of the outstanding principal balance due.

§ 232.865 Election by lender.

Where a real estate mortgage, or other security instrument has been used to secure the payment of a loan made under the provisions of this subpart and subpart C of this part, the lender may either elect to assign the loan to the Commissioner in exchange for the payment of insurance benefits or may exercise its rights under the note and security instrument in lieu of making a claim for insurance benefits. If the lender elects the latter course, the Commissioner shall be so notified and the contract of insurance shall be deemed terminated upon the date of receipt of such notification.

§ 232.875 Maximum claim period.

Notice of intention to file claim on a form prescribed by the Commissioner shall be filed within 45 days after the lender becomes eligible for the benefits of the loan insurance, or within such later time as may be agreed upon by the Commissioner in writing.

§ 232.880 Items to be delivered on submitting claim.

Within 30 days after the filing of the notice of intention to file claim, or within such further period as may be agreed upon by the Commissioner in writing, the lender shall deliver to the Commissioner:

(a) The fiscal data pertaining to the loan transactions;

(b) Receipts covering all disbursements as required by the fiscal data form;

(c) The original note and any security instrument or instruments which shall be assigned to the Commissioner without recourse or warranty, except that the lender must warrant that no act or omission of the lender has impaired the validity and priority of such security instrument or instruments,
§ 232.885 Insurance benefits.

(a) Method of payment. Payment of an insurance claim shall be made in cash, in debentures, or in a combination of both, as determined by the Commissioner either at, or prior to, the time of payment.

(b) Amount of payment. Upon an acceptable assignment of the note and security instrument, the Commissioner shall pay the claim of the lender in an amount equal to the unpaid principal balance of the loan as of the date of default determined as follows:

(1) By adding the following items:
   (i) Any accrued interest due as of the date of execution of the assignment of the loan to the Commissioner.
   (ii) Any advances approved by the Commissioner made previously by the lender under the provisions of the note or security instrument or instruments.
   (iii) Reimbursement for such reasonable collection costs, court costs, and attorney’s fees as may be approved by the Commissioner.
   (iv) Any loan insurance premiums paid after default.
   (v) If payment is made in cash, an amount equivalent to the debenture interest which would have been earned thereon, as of the date such cash payment is made, except when the lender fails to meet any one of the applicable requirements of §§ 232.850, 232.875, and 232.880, within the specified time and in a manner satisfactory to the Commissioner (or within such further time as the Commissioner may approve in writing), the interest allowance in such cash payment shall be computed only to the date on which the particular required action should have been taken or to which it was extended.

(2) By deducting from the total of the items computed under paragraph (b)(1) of this section the following items:
   (i) Any amount received by the lender on account of the loan after the date of default.
   (ii) Any net income received by the lender from the property covered by the note or security instrument and not applied to prior debts held by that lender.
(iii) The sum of the cash items retained by the lender pursuant to §232.880(h)(i)(ii).

§ 232.890 Characteristics of debentures.

Debentures issued in settlement of insurance claims under this subpart shall have the same characteristics and the same requirements for registration and redemption as those issued pursuant to subpart B of this part except that debentures shall bear interest at the rate in effect as of the date the commitment was issued, or as of the date the loan was first endorsed for insurance, whichever rate is higher and shall mature 10 years from the date of issue which date shall be the date of execution of the assignment of the loan to the Commissioner.

§ 232.893 Cash adjustment.

Any difference of less than $50 between the amount of debentures to be issued to the lender and the total amount of the lender’s claim, as approved by the Commissioner, may be adjusted by the issuance of a check in payment thereof.

ASSIGMENTS

§ 232.895 Assignment of insured loans.

(a) An insured loan may be transferred only to a transferee who is a lender approved by the Commissioner. Upon such transfer and the assumption by the transferee of all obligations under the contract of insurance the transferor shall be released from its obligations under the contract of insurance.

(b) The contract of insurance shall terminate with respect to loans described in paragraph (a) of this section upon the happening of either of the following events:

(1) The transfer or pledge of the insured loan to any person, firm, or corporation, public or private, other than an approved lender.

(2) The disposal by a lender of any partial interest in the insured loan to other than an approved lender.

§ 232.901 Mortgages covering existing projects are eligible for insurance.

A mortgage executed in connection with the purchase or refinancing of an existing project without substantial rehabilitation may be insured under this subpart pursuant to section 223(f) of the Act. A mortgage insured pursuant to this subpart shall meet all other requirements of this part except as expressly modified by this subpart.

[59 FR 61228, Nov. 29, 1994]

§ 232.902 Eligible project.

Existing projects (with such repairs and improvements as are determined by the Commissioner to be necessary) are eligible for insurance under this subpart. The project must not require substantial rehabilitation and three years must have elapsed from the date of completion of construction or substantial rehabilitation of the project, or from the beginning of occupancy, whichever is later, to the date of application for insurance. In addition, the project must have attained sustaining occupancy (occupancy that produces income sufficient to pay operating expenses, annual debt service and reserve fund for replacement requirements) as determined by the Commissioner, before endorsement of the project for insurance; alternatively, the borrower must provide an operating deficit fund at the time of endorsement for insurance, in an amount, and under an agreement, approved by the Commissioner.

[59 FR 61228, Nov. 29, 1994]
§ 232.903 Maximum mortgage limitations.

Notwithstanding the maximum mortgage limitations set forth in 24 CFR 200.15, a mortgage within the limits set forth in this section shall be eligible for insurance under this subpart.

(a) Value limit. The mortgage shall involve a principal obligation of not in excess of eighty-five percent (85%) for a profit motivated borrower (ninety percent (90%) for a private nonprofit borrower) of the Commissioner’s estimate of the value of the project, including major movable equipment to be used in its operation and any repairs and improvements. The Commissioner’s estimate of value shall result from consideration of:

1. Estimated market value of the Project by capitalization,
2. Estimated market value of the Project by direct sales comparison, and
3. Total estimated replacement cost of the Project.

In the event the mortgage is secured by a leasehold estate rather than a fee simple estate, the value of the property described in the mortgage shall be the value of the leasehold estate (as determined by the Commissioner) which shall in all cases be less than the value of the property in fee simple.

(b) Debt service limit. The insured mortgage shall involve a principal obligation not in excess of the amount that could be amortized by eighty-five percent (85%) for a profit motivated borrower (ninety percent (90%) for a private nonprofit borrower) of the net projected project income available for payment of debt service. Net projected Project income available for debt service shall be determined by reducing the Commissioner’s estimated gross income for the Project by a vacancy and collection loss factor and by the cost of all estimated operating expenses, including deposits to the reserve for replacements and taxes.

(c) Project to be refinanced—additional limit. (1) In addition to meeting the requirements of paragraphs (a) and (b) of this section, if the Project is to be refinanced by the insured mortgage, the maximum mortgage amount must not exceed the cost to refinance the existing indebtedness. For the purposes of this requirement:

(i) The Project shall not have changed ownership subsequent to the date of application, or
(ii) The Project shall have been sold to a purchaser who has an identity of interest with the seller (as defined by the Commissioner);

(2) The cost to refinance the existing indebtedness will consist of the following items, the eligibility and amounts of which must be determined by the Commissioner:

(i) The amount required to pay off the existing indebtedness;
(ii) The amount of the initial deposit for the reserve fund for replacements;
(iii) Reasonable and customary legal, organization, title, and recording expenses, including mortgagee fees under §200.41;
(iv) The estimated repair costs, if any;
(v) Architect’s and engineer’s fees, municipal inspection fees, and any other required professional or inspection fees; and
(vi) The amount of any long-term debt service reserve account required by the Commissioner pursuant to §232.11.

(d) Project to be acquired—additional limit. In addition to meeting the requirements of paragraphs (a) and (b) of this section, if the project is to be acquired by the borrower and the purchase price is to be financed with the insured mortgage, the maximum amount must not exceed 85 percent for a profit-motivated borrower and 90 percent for a private nonprofit borrower of the cost of acquisition as determined by the Commissioner. The cost of acquisition shall consist of the following items, to the extent that each item (except for paragraph (d)(1) of this section) is paid by the purchaser separately from the purchase price. The eligibility and amounts of these items must be determined in accordance with standards established by the Commissioner.

1. Purchase price is indicated in the purchase agreement;
2. An amount for the initial deposit to the reserve fund for replacements;
3. Reasonable and customary legal, organizational, title, and recording expenses, including mortgagee fees under §200.41;
(4) The estimated repair cost, if any;
(5) Architect’s and engineer’s fees, municipal inspection fees, and any other required professional or inspection fees; and
(6) The amount of any long-term debt service reserve account required by the Commissioner pursuant to §232.11.

§ 232.904 Term of the mortgage.
Notwithstanding the provisions of §232.27, a mortgage insured under this subpart must have a maturity satisfactory to the Commissioner which is not less than 10 years, nor more than the lesser of 35 years or 75 percent of the estimated remaining economic life of the physical improvements. The term of the mortgage will begin on the first day of the second month following the date of endorsement of the mortgage for insurance.

§ 232.905 Labor standards and prevailing wage requirements.
The provisions of §§232.70–232.74 of this part shall not apply to mortgages insured under commitments issued in accordance with this subpart.

§ 232.906 Processing of applications and required fees.
(a) Processing of applications. The local HUD Office will determine whether participation in a preapplication conference is required as a condition to submission of an initial application for either a conditional or firm commitment. After the preapplication conference an application for a conditional or firm commitment for insurance of a mortgage on a project shall be submitted by the sponsor and an approved mortgagee. Such application shall be submitted to the local HUD Office on a HUD approved form. An application may, at the option of the applicant, be submitted for a firm commitment omitting the conditional commitment stage. No application shall be considered unless accompanied by all exhibits required by the form and program handbooks. An application may be made for a commitment which provides, in accordance with standards established by the Commissioner, for the completing of specified repairs and improvements after endorsement.

(b) Application fee—conditional commitment. An application-commitment fee of $3 per thousand dollars of the requested mortgage amount shall accompany an application for conditional commitment.

(c) Application fee—firm commitment. An application for firm commitment shall be accompanied by an application-commitment fee of $5 per thousand dollars of the requested mortgage amount to be insured less any amount previously received for a conditional commitment.

(d) Inspection fee. Where an application provides for the completion of repairs, replacements and/or improvements (repairs), the Commissioner will charge an inspection fee equal to one percent (1%) of the cost of the repairs. However, where the Commissioner determines the cost of repairs is minimal, the Commissioner may establish a minimum inspection fee that exceeds one percent of the cost of repairs and can periodically increase or decrease this minimum fee.

(e) Cross-reference. The provisions of paragraphs (f)(1) (Fee on increases), (g) (Reopening of expired commitments), (h) (Transfer fee), (i) (Refund of fees), and (j) (Fees not required) of §200.40 of this chapter apply to applications submitted under subpart E of this part.

Subpart F—Eligible Operators and Facilities and Restrictions on Fund Distributions

SOURCE: 77 FR 55137, Sept. 7, 2012, unless otherwise noted.

§ 232.1001 Scope.
This subpart establishes requirements applicable to the operators of healthcare facilities and the facilities under this part.

§ 232.1003 Eligible operator.
Operator shall be a single asset entity acceptable to the Commissioner, and shall possess the powers necessary and
 incidental to operating the healthcare facility, except that the Commissioner may approve a non-single asset entity under such circumstances, terms, and conditions determined and specified as acceptable to the Commissioner. A master tenant under a master lease approved by the Commissioner who has subleased the healthcare facility to an operator is not an Operator.

§ 232.1005 Treatment of project operating accounts.

All accounts deriving from the operation of the property, including operator accounts and including all funds received from any source or derived from the operation of the facility, are project assets subject to control under the insured mortgage loan’s transactional documents, including, without limitation, the operator’s regulatory agreement. Except as otherwise permitted or approved by HUD, funds generated by the operation of the healthcare facility shall be deposited into a federally insured bank account, provided that an account held in an institution acceptable to Ginnie Mae may have a balance that exceeds the amount to which such insurance is limited. Any of the owner’s project-related funds shall be deposited into a federally insured bank account in the name of the borrower provided that an account held in an institution acceptable to Ginnie Mae may have a balance that exceeds the amount to which such insurance is limited.

§ 232.1007 Operating expenses.

Goods and services purchased or acquired in connection with the project shall be reasonable and necessary for the operation or maintenance of the project, and the costs of such goods and services incurred by the borrower or operator shall not exceed amounts normally paid for such goods or services in the area where the services are rendered or the goods are furnished, except as otherwise permitted or approved by HUD.

§ 232.1009 Financial reports.

(a) The borrower must provide HUD and lender an audited annual financial report based on an examination of its books and records, in such form and substance required by HUD in accordance with 24 CFR 5.801 and 24 CFR 200.36.

(b) Operators must submit financial statements quarterly within 60 calendar days of the date of the end of each fiscal quarter, setting forth both quarterly and fiscal year-to-date information, except that the final fiscal year end quarter must be submitted to HUD within 90 calendar days of the end of the quarter, in accordance with 24 CFR 5.801(c)(4), or within such additional time as may be provided by the Commissioner for good cause shown. HUD may direct that such forms be submitted to the lender or another third party in addition to or in lieu of submission to HUD.

§ 232.1011 Management agents.

(a) An operator or borrower may, with the prior written approval of HUD, execute a management agent agreement setting forth the duties and procedures for matters related to the management of the project. The management agent, each initial management agent agreement with that agent, and any amendments to such management agent agreements deemed material by the Commissioner must be acceptable to HUD and approved in writing by HUD.

(b) An operator or borrower may not enter into any agreement that provides for a management agent to have rights to or claims on funds owed to the operator.

§ 232.1013 Restrictions on deposit, withdrawal, and distribution of funds, and repayment of advances.

(a) Deposit of funds. An operator must deposit all revenue the operator receives directly or indirectly in connection with the operation of the healthcare facility in an account with a financial institution whose deposits are insured by an agency of the Federal Government, provided that an account held in an institution acceptable to Ginnie Mae may have a balance that exceeds the amount to which such insurance is limited.

(b) Withdrawal of funds. If a quarterly/year-to-date financial statement demonstrates negative working capital...
as defined by HUD, or if the operator fails to timely submit such statement, then until a current quarterly/year-to-date financial statement demonstrates positive working capital or until otherwise authorized by HUD, the operator may not distribute, advance, or otherwise use funds attributable to that facility for any purpose other than operating that facility.

§ 232.1015 Prompt notification to HUD and mortgagee of circumstances placing the value of the security at risk.

(a) HUD and the mortgagee shall be informed of any notification of any failure to comply with governmental requirements including the following:

(1) The licensed operator of a project shall promptly provide HUD and the mortgagee with a copy of any notification that has placed the licensure, a provider funding source, and/or the ability to admit new residents at risk, and any responses to those notices, provided that HUD may determine certain information to be exempt from this requirement based upon severity level. With respect to the requirements of this section:

(i) The operator shall deliver to HUD and the mortgagee electronically, within 2 business days after the date of receipt, unless a longer time period is approved by HUD, copies of any and all notices, reports, surveys, and other correspondence (regardless of form) received by the operator from any governmental authority that includes any statement, finding, or assertion that:

(A) The operator or the project is or may be in violation of (or default under) any of the permits and approvals or any governmental requirement applicable to the operation of the facility;

(B) Any of the permits and approvals is to be terminated, limited in any way, or not renewed;

(C) Any civil money penalty (other than a de minimis amount) is being imposed with respect to the facility; or

(D) The operator or the project is subject to any governmental investigation or inquiry involving fraud.

(ii) The operator shall also deliver to HUD and the mortgagee, simultaneously with delivery to any governmental authority, any and all responses given by or on behalf of the operator to any of the foregoing and shall provide to HUD and the mortgagee, promptly upon request, such additional information relating to any of the foregoing as HUD or the mortgagee may request. The receipt by HUD and/or the mortgagee of notices, reports, surveys, correspondence, and other information shall not in any way impose any obligation or liability on HUD, the mortgagee, or their respective agents, representatives, or designees to take (or refrain from taking) any action; and HUD, the mortgagee, and their respective agents, representatives, and designees shall have no liability for any failure to act thereon or as a result thereof.

(2) The operator shall provide additional and ongoing information as requested by the borrower, mortgagee, or HUD pertaining to matters related to that risk. Controlling documents between or among any of the parties may provide further requirements with respect to such notification and communication.

(b) This section is applicable to all operators as of October 9, 2012.

§ 234.3 Definitions.

The terms Act, Beginning of amortization, Commissioner, FHA, Insured Mortgage, Mortgage, Mortgagor, and State, as used in this part, are defined in §203.251 of this chapter. The following terms, as used in this part, are defined as follows:

Bona fide tenants’ organization means an association of tenants formed by the tenants to promote their interests in a particular project, with membership in the association open to each tenant, and all requirements of the association applying equally to every tenant.

Common areas and facilities means those areas of the project and of the property upon which it is located that are for the use and enjoyment of the owners of family units located in the project. The areas may include the land, roofs, main walls, elevators, staircases, lobbies, halls, parking space and community and commercial facilities.

Conversion means the date on which all documents necessary to create a condominium under state law (and under local law, where applicable) have been recorded, except that in the case of the Commonwealth of Puerto Rico, conversion is defined as the date on which the legal documents (which must be in compliance with applicable law) to create a condominium are presented.
for inscription (i.e., recordation) to the Commonwealth Office of the Property Registry.

Family unit means a one-family unit including the undivided interest in the common areas and facilities, and such restricted common areas and facilities as may be designated.

Project means a structure or structures containing four or more family units.

Project mortgage means a mortgage which is or has been insured under any of the FHA multifamily housing programs, other than sections 213(a)(1) and 213(a)(2) of the Act (12 U.S.C. 1715e).

Restricted common areas and facilities means those areas and facilities restricted to a particular family unit or number of family units.

Tenant means the occupant(s) named in the lease or rental agreement of a housing unit in a project as of the date the condominium conversion documents are properly filed for the project, or as of the date on which the occupants are notified by management of intent to convert the project to a condominium, whichever is earlier.

§ 234.17 Mortgagor and mortgagee requirements for maintaining flood insurance coverage.

The maintenance of flood insurance coverage on the project by the condominium association will satisfy the requirements of §203.16a of this chapter if such coverage protects the interest of the mortgagor in the family unit. For this purpose, “the interest of the mortgagor” is defined as insurance coverage equal to the replacement cost of the project less land costs.

§ 234.26 Project requirements.

No mortgage shall be eligible for insurance unless the following requirements are met:

(a) Location of family unit. The family unit shall be located in a project that the Commissioner determines to be acceptable.

(b) Plan of condominium ownership. The project in which the unit is located shall have been committed to a plan of condominium ownership by a deed, or other recorded instrument, that is acceptable to the Commissioner. In the case of condominium documents in the Commonwealth of Puerto Rico, the Commissioner will accept documents presented for inscription (recordation) to the Commonwealth Office of the Property Registry so long as the mortgagor obtains a title insurance policy that reflects the condominium regime.

(c) Releases. The family unit shall have been released from any mortgage covering the project or any part of the project.

(d) Certificate by mortgagee. The mortgagee shall certify that:

1. The deed of the family unit and the deed or other recorded instrument committing the project to a plan of condominium ownership must comply with legal requirements of the jurisdiction. In the case of condominium documents in the Commonwealth of Puerto Rico, the Department will accept documents presented for inscription (recordation) to the Commonwealth Office of Property Registry for certification purposes so long as the mortgagor obtains a title insurance policy that reflects the condominium regime.

2. The mortgagor has marketable title to the family unit, subject only to a mortgage that is a valid first lien on the family unit.

3. The family unit is assessed and subject to assessment for taxes pertaining only to that unit.

(e) Conditions and provisions. (1) The Commissioner may require such conditions and provisions as the Commissioner determines are necessary for the protection of consumers and the public interest.

(2) An application for mortgage insurance of a unit will not be approved if approval would result in less than 80 percent of the FHA-insured mortgages covering units in the project being occupied by mortgagors or co-mortgagors as a principal residence or a secondary residence (as these terms are defined in §203.18 of this chapter).

(3) In addition to the other requirements of this section, in order for a project to be acceptable to the Secretary, at least 51 percent of all family units (including units not covered by FHA-insured mortgages) must be occupied by the owners as a principal residence or a secondary residence (as
these terms are defined in §203.18 of this chapter, or must have been sold to owners who intend to meet this occupancy requirement.

(f) Limitations on conversion of rental housing to condominium use. With respect to a family unit in any project that was converted from rental housing, no insurance will be provided under this section unless:

(1) The conversion occurred more than one year before the application for insurance; or

(2) The mortgagor or comortgagor was a tenant of a unit in the rental housing project converted to condominium use; or

(3) The conversion of the property is sponsored by a bona fide tenants' organization representing a majority of the households in the project.

(g) Projects covered by an insured or Secretary-held mortgage. In addition to the requirements contained in paragraphs (a) through (f) of this section, projects which are covered by an FHA-insured project mortgage, or by a mortgage held by the Secretary, must be in compliance with a conversion plan approved by the Commissioner. The conversion plan shall provide for:

(1) The termination by payment in full of the mortgage or by voluntary termination of the insurance contract covering any HUD/FHA-insured or Secretary-held mortgage on the project, unless the Commissioner determines that the Commissioner's interests, and those of the individuals purchasing the family units, are best served by not requiring the termination of the insurance or payment in full of the mortgage.

(2) On release of a family unit from the project mortgage, payment shall be made on the outstanding balance of the project mortgage in an amount equal to the share of the balance determined by HUD to be attributable to the family unit.

(3) The project mortgagor shall certify that, notwithstanding any provisions of the mortgage covering prepayment, no charge is contemplated or has been collected for prepayment in full of the project mortgage.

(h) Projects not covered by an insured or Secretary-held mortgage. In addition to the requirements contained in paragraphs (a) through (f) of this section, projects which are not covered by an insured project mortgage or by a Secretary-held mortgage and which have not been approved by the Department of Veterans Affairs for its guaranty, insurance, or direct loan programs shall meet the requirements of this paragraph. Except with the approval of the Commissioner for the purpose of constructing or converting the project in phases or stages, any special right of the declarant (as declarant and not as a unit owner) to do any or all of the following must have expired or must have been waived in a recorded instrument:

(1) Add land or units to the condominium;

(2) Convert common elements into additional units or limited common elements;

(3) Withdraw land from the condominium;

(4) Use easements through the common elements for the purpose of making improvements within the condominium or within any adjacent land; or

(5) Convert a unit into two or more units, common elements, or into two or more units and common elements.

(i) Notwithstanding the requirements of paragraphs (a) through (h) of this section, a loan on a single unit in an unapproved condominium project (spot loan) may qualify for mortgage insurance under this part.

(1) The project must meet the following criteria:

(i) All units, common elements, and facilities—including those that are part of any master association—must have been completed, and the project must provide for undivided ownership of common areas by unit owners;

(ii) Control of the owners' association must have been turned over to the unit purchasers, and the unit purchasers must have been in control for at least one year;

(iii) At least 90 percent of the total units in the project must have been conveyed to the unit purchasers, and at least 51 percent of the total units in the project must have been conveyed to purchasers who are occupying the units as their principal residences or second
homes. No single entity (the same individual, investor group, partnership, or corporation) may own more than 10 percent of the total units in the project;

(iv) The units in the project must be owned in fee simple or be an eligible leasehold interest, as described in §234.65, and the unit owners must have sole ownership interest in, and right to the use of, the project’s facilities, common elements, and limited common elements including parking, recreational facilities, etc.;

(v) The project must be covered by hazard, flood, and liability insurance acceptable to the Commissioner;

(vi) For projects with more than 30 units, no more than 10 percent of the total units in the project may be encumbered by FHA-insured mortgages. (If endorsement would result in more than 10 percent of the units in such a project being encumbered by FHA-insured mortgages, the condominium project must be approved under paragraphs (a) through (h) of this section.) For projects with between 5 and 30 units inclusive, no more than 20 percent of the total units may be encumbered by FHA-insured mortgages. For projects with four units, only one unit may be encumbered by an FHA-insured mortgage under the spot loan procedure of this paragraph (i); and

(vii) The assumability provisions of §234.66 must be satisfied.

(2) Lenders must perform an underwriting analysis and certify that a project satisfies the eligibility criteria for a spot loan in a condominium project that has not been approved by FHA. Lenders may use information from the appraiser, the owners’ association, the management company, the real estate broker, and the project developer, but the lender must ensure the accuracy of the information obtained from these sources.

(a) When a family unit is conveyed or a mortgage is assigned to the Commissioner, the family unit and the common areas and facilities designated for the particular unit shall be undamaged by fire, flood, earthquake, tornado, or boiler explosion, or, as to mortgages insured on or after January 1, 1977, due to failure of the mortgagor to take action as required by § 203.377. If the property has been damaged, either of the following actions shall be taken:

1. The property may be repaired prior to its conveyance or prior to the assignment of the mortgage to the Commissioner.
2. If the prior approval of the Commissioner is obtained, the damaged property may be conveyed or the mortgage assigned to the Secretary without repairing the damage. In such instances, the Commissioner shall deduct from the insurance benefits either his estimate of the decrease in value of the family unit or the amount of any insurance recovery received by the mortgagor, whichever is the greater.

(b) If the property has been damaged by fire and such property was not covered by fire insurance at the time of the damage, the mortgagor may convey the property or assign the mortgage to the Commissioner without deduction from the insurance benefits for any loss occasioned by such fire if the following conditions are met:

This notification shall have been accompanied by a certification of the mortgagor that diligent efforts were made, but it was unable to obtain fire insurance coverage at reasonably competitive rates and that it will continue its efforts to obtain adequate fire insurance coverage at competitive rates, including coverage under the FAIR Plan. A reasonable rate is a rate not more than 25 percent in excess of the rate or the advisory rate filed or used by the principal rating organization doing business in the state. If the property is located in a state which has no rate or advisory rate as provided in the preceding sentence, the mortgagor shall consult the Director of the local HUD office as to a reasonable rate. When hazard insurance coverage cannot be obtained in an amount equal to the unpaid principal balance of the loan but insurance can be obtained in a reduced amount from a FAIR Plan or another insurance carrier, the Secretary will accept the reduced coverage without reduction of mortgage, insurance benefits, if the rates do not exceed the guidelines stated herein. If coverage in any amount is only available at rates in excess of a reasonable rate as defined herein, the mortgagor may but shall not be required to purchase such coverage. If coverage is purchased, the amount of any claim for insurance benefits under this part shall be reduced by the amount of any recovery of hazard insurance benefits by the mortgagor.

(c) The provisions in paragraph (b) of this section shall be applicable with respect to the insurance of all mortgages whether insured prior to May 8, 1968, or insured on or after such date.

(d) The mortgagor shall not be liable for damage to the property by waste in connection with mortgage insurance claims paid on or after July 2, 1968. However, the mortgagor shall be responsible for damage to or destruction of security properties on which the loans are in default and which properties are vacant or abandoned due to the mortgagor’s failure to take reasonable action to inspect, protect and preserve such properties as required by § 203.377, as to all mortgages insured on
§ 234.273 Assessment of taxes.

When a family unit is conveyed to the Commissioner or a mortgage is assigned to the Commissioner, the unit shall be assessed and subject to assessment for taxes pertaining only to that unit.

The mortgagee shall certify, as of the date of filing for record of the deed or assignment of the mortgage to the Commissioner, that the family unit is assessed and subject to assessment for taxes pertaining only to that unit.

§ 234.275 Certificate or statement of condition.

The mortgagee shall either certify that as of the date of the filing of deed for record, or assignment of the mortgage to the Secretary, the property was (a) undamaged by fire, flood, earthquake, tornado or boiler explosion, and (b) as to mortgages insured or for which commitments to insure are issued on or after June 8, 1977, undamaged due to failure of the mortgagee to take action as required by §203.377, or its claim shall be accompanied by a statement describing any such damage that may still exist together with a copy of the Secretary’s authorization to convey the property in damaged condition. In the absence of evidence to the contrary, the mortgagee’s certificate or its statement as to damage shall be accepted by the Secretary as establishing the condition of the family unit and the common areas and facilities designated for the particular unit.

§ 234.280 Cancellation of hazard insurance.

The provisions of §203.382 incorporated by reference shall apply to hazard insurance policies carried solely for the family unit.

§ 234.285 Waived title objections.

The Commissioner shall not object to title by reason of the following matters:

(a) Violations of a restriction based on race, color or creed, even where such restriction provides for a penalty of reversion or forfeiture of title or a lien for liquidated damage.

(b) Easements for public utilities along one or more of the property lines, provided the exercise of the rights thereunder do not interfere with any of the buildings or improvements located on the subject property.

(c) Encroachment on the subject property by improvements on adjoining property, provided such encroachments do not interfere with the use of any improvements on the subject property.

(d) Variations between the length of the subject property lines as shown on the application for insurance and as shown by the record or possession lines, provided such variations do not interfere with the use of any of the improvements on the subject property.

(e) Customary building or use restrictions for breach of which there is no reversion and which have not been violated to a material extent.

(f) Federal tax liens and rights of redemption arising therefrom if the following conditions are observed. If the mortgagee acquires the property by foreclosure the mortgagee shall give notice to the Internal Revenue Service (IRS) of the foreclosure action. The Commissioner will not object to an outstanding right of redemption in IRS if: (1) The Federal tax lien was perfected subsequent to the date of the mortgage lien, and (2) the mortgagee has bid an amount sufficient to make the mortgagee whole if the property is in fact redeemed by the IRS.

Subpart A—Eligibility Requirements for Mortgage Insurance

§ 236.1 Applicability, cross-reference, and savings clause.

(a) Applicability. This section implements the eligibility requirements for mortgage insurance under the Rental
§ 236.2 Increased distributions to certain limited distribution mortgagees.

(a) Increased distributions. The Commissioner may permit increased distributions of surplus cash in excess of the amounts otherwise permitted by subpart A of this part to limited distribution mortgagees who participate in a HUD-approved initiative or program to preserve below-market housing stock. The increased distributions will be limited to a maximum amount based on market rents and calculated according to HUD instructions. Funds that the mortgagor is authorized to retain under section 236(g)(2) of the National Housing Act are not considered distributions to the mortgagor.

(b) Pre-emption. Any State or local law or regulation that restricts distributions to an amount lower than permitted by subpart A of this part as in effect immediately before May 1, 1996, contained in the April 1, 1995 edition of 24 CFR, parts 220 to 499, or permitted by the Commissioner under this section is preempted to the extent provided by section 524(f) of the Multifamily Assisted Housing Reform and Affordability Act of 1997.

[65 FR 61074, Oct. 13, 2000]

§ 236.3 Annual income exclusions.

The exclusions to annual income described in 24 CFR 5.609(c) apply to those program participants governed by the regulations at subpart A of 24 CFR part 236 in effect immediately before May 1, 1996 (contained in the April 1, 1995 edition of 24 CFR, parts 220 to 499), in lieu of the annual income exclusions described in 236.3(c) (contained in the April 1, 1995 edition of 24 CFR, parts 220 to 499).

[61 FR 54503, Oct. 18, 1996]

§ 236.60 Excess income.

(a) Definition. Excess Income consists of cash collected as rent from the residents by the mortgagor, on a unit-by-unit basis, that is in excess of the HUD-approved unassisted Basic Rent. The unit-by-unit requirement necessitates that, if a unit has Excess Income, the Excess Income must be returned to HUD. It is not permissible to do an aggregate calculation of the Excess Income for all occupied rent-paying units, and then to offset or subtract from that figure any unpaid rent from occupied or vacant units, before remitting Excess Income to HUD.

shall agree to pay monthly to HUD the total of all Excess Income in accordance with procedures prescribed by HUD.

(c) Retention of Excess Income for project use—(1) Eligible mortgagors. Any mortgagor of a project receiving Section 236 interest reduction payments may apply to retain Excess Income for project use unless the mortgagor owes prior Excess Income and is not current in payments under a HUD-approved Workout or Repayment Agreement.

(2) Eligible uses. Excess Income retained by a mortgagor for project use may be used for any necessary and reasonable operating expense of the project. Examples of necessary and reasonable operating expenses are:

(i) Project operating shortfalls, including repair costs;

(ii) Repair costs identified in the Comprehensive Needs Assessment, including increasing deposits to the Reserve Fund for Replacements to a limit necessary to adequately fund the reserve;

(iii) Service coordinators;

(iv) Neighborhood networks located at the project for project residents; and

(v) Enhanced supportive services for the residents.

(3) Request for approval to retain Excess Income. A mortgagor must submit a written request to retain Excess Income for project use to the local HUD Field Office. The request must describe:

(i) The amount or percentage of Excess Income requested;

(ii) The period from which Excess Income is being requested; and

(iii) The proposed use of the requested Excess Income.

(d) Retention of Excess Income for non-project use—(1) Eligible mortgagors. Any mortgagor of a project receiving Section 236 interest reduction payments may apply to retain Excess Income for non-project use unless the mortgagor owes prior Excess Income and is not current in payments under a HUD-approved Workout or Repayment Agreement or the mortgagor falls within any of the following categories:

(i) The mortgagor’s Reserve for Replacement is not fully funded;

(ii) The mortgagor’s project is not well maintained housing in good condition, as evidenced by:

(A) Failure to maintain the project in decent, safe, and sanitary condition and in good repair in accordance with HUD’s Uniform Physical Condition Standards and Inspection Requirements in 24 CFR part 5, subpart G;

(B) A score below 60 on the physical inspection conducted by HUD’s Real Estate Assessment Center (REAC);

(C) The existence of uncorrected Exigent Health and Safety (EHS) deficiencies identified by REAC; or

(D) A Comprehensive Needs Assessment that finds there are significant repair or maintenance needs, and those repair or maintenance needs are still outstanding;

(iii) The mortgagor has engaged in any one of the following material adverse financial or managerial actions or omissions:

(A) Materially violating any federal, state, or local law or regulation with regard to the project or any other federally assisted project, including any applicable civil rights law or regulation, after receipt of notice and an opportunity to cure;

(B) Materially breaching a contract for assistance under section 8 of the 1937 Act, after receipt of notice and an opportunity to cure;

(C) Materially violating any applicable regulatory or other agreement with HUD or a participating administrative entity, after receipt of notice and an opportunity to cure;

(D) Repeatedly and materially violating any applicable regulatory or other agreement with HUD or a participating administrative entity, including any applicable civil rights law or regulation, with regard to the project or any other federally assisted project;

(E) Repeatedly and materially breaching a contract for assistance under section 8 of the 1937 Act;

(F) Repeatedly and materially violating any applicable regulatory or other agreement with HUD or a participating administrative entity, including failure to submit audited financial statements or required tenant data;

(G) Repeatedly failing to make mortgage payments at times when project
income was sufficient to maintain and operate the project;

(H) Materially failing to maintain the project in decent, safe, and sanitary condition and in good repair after receipt of notice and a reasonable opportunity to cure; or

(I) Committing any actions or omissions that would warrant suspension or debarment by HUD.

(2) Eligible uses. Excess Income retained by a mortgagor for non-project use may be used for any purpose, except that the non-project use of Excess Income by a nonprofit entity mortgagor is limited to activities that carry out the entity’s nonprofit purpose.

(3) Request for approval to retain Excess Income. A mortgagor must submit a written request to retain Excess Income for non-project use to the local HUD Field Office. The request must describe:

(i) The amount or percentage of Excess Income requested; and

(ii) The period from which Excess Income is being requested.

(e) Timing of request to retain Excess Income—(1) In general. Except as provided in paragraph (e)(2) of this section, a mortgagor must submit a request to retain Excess Income at least 90 days before the beginning of each fiscal year before any other date during a fiscal year that the mortgagor plans to begin retaining Excess Income for that fiscal year.

(2) Specific ongoing purpose. A mortgagor requesting approval to retain Excess Income for a specific, ongoing purpose where the purpose extends beyond the current fiscal year may submit a request that describes the proposed use of Excess Income and advises that the intended use will extend beyond the current fiscal year. If HUD approves the request, following review of the request in accordance with paragraph (f) of this section, the mortgagor will not be required to submit a new request each fiscal year provided the use of Excess Income remains the same. The mortgagor must notify HUD of the change and submit a new request to retain Excess Income 90 days prior to the date the mortgagor intends to begin retaining Excess Income for the new purpose.

(f) HUD review and response procedure. HUD will review a mortgagor’s request to retain Excess Income and issue a letter of approval or denial as follows:

(1) Approval letter. The approval letter from HUD permitting the mortgagor to retain Excess Income must, at a minimum, assert:

(i) Retention rights are for the time specified in the approval letter, but cannot extend beyond the current fiscal year except as provided in paragraph (e)(2) of this section;

(ii) Failure of the mortgagor to maintain the Reserve for Replacement account in a fully funded amount at all times is grounds for HUD to rescind the approval;

(iii) Failure of the mortgagor to maintain the project in a decent, safe, and sanitary condition and in good repair at all times is grounds for HUD to rescind the approval;

(iv) If the Excess Income requested for project use is not used for the proposed purpose described in the mortgagor’s request, the income must be returned to HUD, unless the mortgagor has obtained prior HUD approval for the alternate use; and

(v) The failure of a mortgagor to return retained Excess Income to HUD for not complying with applicable requirements is a violation of the Regulatory Agreement for which there are enforcement remedies that HUD may take.

(2) Denial letter. A letter from HUD denying a mortgagor’s request to retain Excess Income must cite the specific reasons for denial and state what requirements the mortgagor must meet to receive HUD’s approval to retain Excess Income.

(3) Environmental review. Before approving a request to retain Excess Income for project use, HUD will perform an environmental review to the extent required under 24 CFR part 50 for activities that are not excluded under 24 CFR 50.19(b).

(g) Post-approval requirements—(1) Monthly report. A mortgagor approved to retain Excess Income must continue to prepare and submit to HUD a revised
Form HUD-93104, Monthly Report of Excess Income, or successor form.

(2) Other reporting requirements. A mortgagor that retains Excess Income for project use must provide HUD, on an annual basis, two copies of a narrative description of the amount and the uses made of Excess Income during the prior fiscal year of the project. The calendar year or HUD’s fiscal year is not relevant to this requirement unless the fiscal year of the project coincides with the calendar year or HUD’s fiscal year. HUD may request additional follow-up information on a case-by-case basis. The report must contain the following certification: ‘‘I certify that (1) the amount of Excess Income retained and used was for the purposes approved by HUD; (2) all eligibility requirements for retaining Excess Income were satisfied for the entire reporting period; and (3) all the facts and data on which this report is based are true and accurate. Warning: HUD will prosecute false claims and statements. Conviction may result in criminal or civil penalties, or both (18 U.S.C. 1001, 1010, 1012; and 31 U.S.C. 3729 and 3802).’’

(h) Return of remitted Excess Income—(1) For project use. A mortgagor that is eligible to retain Excess Income for project use under paragraph (c)(1) of this section may apply for the return of Excess Income remitted to HUD since October 21, 1998, in accordance with paragraph (c)(3) of this section. A mortgagor that is eligible to retain Excess Income for project use may not apply to retain Excess Income that was:

(i) Repaid in accordance with a Workout or Repayment Agreement with HUD; or

(ii) Generated between October 1, 2000, and October 27, 2000, by projects with state agency non-insured Section 236-assisted mortgages or HUD-held Section 236 mortgages.

(2) For non-project use. A mortgagor that is eligible to retain Excess Income for non-project use under paragraph (d)(1) of this section may not apply to retain Excess Income that was:

(i) Repaid in accordance with a Workout or Repayment Agreement with HUD; or

(ii) Generated between October 1, 2000, and October 27, 2000, by projects with state agency non-insured Section 236-assisted mortgages or HUD-held Section 236 mortgages.

(3) Reporting requirement. A mortgagor that receives returned Excess Income requested for project use is subject to the reporting requirements of paragraph (g)(2) of this section with respect to the returned Excess Income.

(4) Time limit. After September 1, 2005, a mortgagor may no longer apply for the return of any Excess Income remitted to HUD.

(i) HUD withdrawal of approval to retain Excess Income—(1) Bases for withdrawal of approval. HUD may withdraw approval for any of the following reasons:

(i) If, at any time after approval, a mortgagor fails to meet the eligibility requirements of paragraph (c)(1) or (d)(1) of this section, as applicable;

(ii) If the mortgagor does not use the Excess Income requested for project use for purposes and activities as approved by HUD; or

(iii) If at any time during the fiscal year that such approval is in effect, mortgagor, approved to retain Excess Income for non-project use, fails to maintain the project in decent, safe, and sanitary condition and in good repair, or maintain the Reserve for Replacement account in a fully funded amount.

(2) Notification of withdrawal of approval. HUD will notify the mortgagor by certified mail that the authorization to retain Excess Income is withdrawn. The notification will state:

(i) Specific reasons for HUD’s withdrawal of approval;

(ii) The effective termination date, which may be the date of the violation resulting in the withdrawal or the date of HUD’s determination that the mortgagor was out of compliance;

(iii) The amount of retained Excess Income improperly retained that must be returned to HUD; and

§ 236.252 First, second, and third mortgage insurance premiums.

All of the provisions of §207.252 of this chapter governing the first, second, and third mortgage insurance premiums shall apply to mortgages insured under this subpart, except:

(a) Where an application for a loan under section 202 of the Housing Act of 1959 has been filed previously in connection with the project, but it is being financed with a mortgage insured under this part because funds are not available to make the section 202 loan, the mortgage insurance premium due and payable between the dates of initial and final insurance endorsement shall be at the rate of one-fourth of one percent per annum of the average outstanding principal obligation of the mortgage and such premiums shall be prorated for any fractional part of a year. Following final endorsement, the mortgage insurance premium shall be increased to one-half of one percent and shall be paid as provided in §207.252.

(b) Where a mortgage has been insured under this subpart pursuant to section 238(c) of the Act, the mortgage insurance premiums due in accordance with §207.252 shall be calculated on the basis of one percent.

(a) In a case where the mortgage is in default, the mortgagor and the mortgagee may enter into a forbearance agreement for the reduction or suspension of the mortgagor’s regular mortgage payments for a specified period of time, if the Commissioner determines that the default was due to circumstances beyond the mortgagor’s control and that the mortgage probably will be restored to good standing within a reasonable period of time. Such determination shall be evidenced by the Commissioner’s written approval of the forbearance agreement.

(b) The time specified in § 207.258(a) of this chapter, within which a mortgagee shall give the Commissioner written notice of its intention to file an insurance claim, shall be suspended for the period of time specified in the forbearance agreement as long as the mortgagor complies with the requirements of such agreement.

(c) If the mortgagor fails to meet the requirements of a forbearance agreement or to cure the default under the mortgage at the expiration of the forbearance period, and such failure continues for a period of 30 days, the mortgagee shall notify the Commissioner of such failure. Within 45 days thereafter, unless a modification or extension of the forbearance agreement has been approved by the Commissioner, the mortgagee shall notify the Commissioner of its election to file an insurance claim, and of its election to either assign the mortgage to the Commissioner or acquire and convey title to the property to the Commissioner. In addition, an amount shall be included equivalent to the debenture interest which would have been earned from the date the mortgage assignment was filed for record to the date the cash payment is made, except that when the mortgagee fails to meet any one of the applicable requirements of §§ 207.256, 207.258(b), and 236.255(c) of this chapter within the specified time and in a manner satisfactory to the Commissioner (or within such further time as the Commissioner may approve in writing), such amount shall be computed only to the date on which the particular required action should have been taken or to which it was extended.

§ 236.510 Term of payments.

(a) The term for which interest reduction payments shall be made shall begin on the following dates:

(1) With respect to a mortgage involving insurance of advances, on the date the Commissioner finally endorses the mortgage not for insurance or such earlier date as may be established by the Commissioner.

(2) With respect to a mortgage insured upon completion, the date on which the Commissioner endorses the mortgage note for insurance.

(b) The term of the interest reduction payments shall end upon the occurrence of one of the following events:

(1) The termination of the contract of insurance, except where the mortgage has been assigned to the Commissioner.

(2) The Commissioner’s receipt of the mortgagee’s notice of intention to file an insurance claim and to acquire and convey title to the Commissioner pursuant to § 207.258(c) of this chapter. In the event the mortgagee fails to provide the Commissioner with such notice of intention within the time specified in § 207.258(a) of this chapter, the last day on which the Commissioner should have received the mortgagor’s notice shall be deemed the date the Commissioner receives such notice.

(3) At the discretion of the Commissioner, the mortgagor’s failure to meet its obligations under the regulatory agreement it has entered into with the Commissioner.

(c) Upon termination of the interest reduction payments contract, the payment due on the first of the month in which the termination occurs shall be the last payment to which the mortgagee shall be entitled.

(d) Where the term of interest reduction payments is ended pursuant to paragraph (b) (2) or (3) of this section, such interest reduction payment contract may be reinstated by the Commissioner, in his discretion and on such conditions as he may prescribe. In the event of such reinstatement, interest reduction payments will be made to the mortgagee for those months during which such payments were suspended.

§ 236.515 Time of payments.

The interest reduction payments shall be due on the first day of each month following the beginning of the term, and shall be paid upon the receipt of a billing (on a form prescribed by the Commissioner) from the mortgagee or its authorized agent.

§ 236.520 Amount of payments.

(a) The interest reduction payment to the mortgagee shall be in an amount not exceeding the difference between the following:

(1) The monthly installment for principal, interest, and mortgage insurance premium which the mortgagor is obligated to pay under the mortgage; and

(2) The monthly payment for principal and interest the mortgagor would be obligated to pay if the mortgage were to bear interest at the rate of 1 percent per annum.

(b) Where individual family units in the project are sold, subject to a plan approved by the Commissioner, and as the principal amount of the mortgage is reduced by payment of the portion of the mortgage attributable to the sold units and as the amount of the mortgage payments which the mortgagor is
§ 236.701 Scope of rental assistance.

The Secretary shall enter into Rental Assistance Contracts with the owners of section 236 projects which:

(a) Had received a commitment for mortgage insurance under this part on or before August 22, 1974, but are reprocessed before final endorsement with rental assistance pursuant to an agreement between the sponsor and the Secretary;

(b) Had not received a commitment for mortgage insurance under this part on or before August 22, 1974, but did so subsequently;

(c) Had received a reservation of section 236 contract authority (in the case of projects processed without HUD mortgage insurance and to be financed under a State or local government aided program pursuant to section 236(b) of the National Housing Act) on or before August 22, 1974, but are reprocessed with rental assistance pursuant to an Agreement between the sponsor, the State or local agency providing additional aid to the project, and the Secretary. Projects in this category which are converted from Rent Supplement shall have Rental Assistance Contracts with terms which do not exceed the unexpired terms of the Rent Supplement Contracts. Projects in this category which have no Rent Supplement Contract shall have Rental Assistance Contracts with terms which do not exceed the unexpired terms of Agreement for Interest Reduction Payments or equivalent documents or 40 years whichever is less; or

(d) Had not received a reservation of section 236 contract authority (in the case of projects processed without HUD mortgage insurance) on or before August 22, 1974, but did so subsequently.

Projects may not receive the benefit of rent supplement payments under part 215 of this Title and rental assistance payments at the same time. (Notwithstanding the provisions of this subpart, it shall be a matter of the Secretary's
§ 236.705 Projects eligible for benefits.

(a) Rental assistance payments may be made with respect to section 236 projects with Rental Assistance Contracts pursuant to this subpart.

(b) Rental assistance payments to owners of projects pursuant to paragraph (a) of this section will normally be made available to 20 percent of the dwelling units, except that the Secretary may:

(1) Reduce that percentage in the case of any project if he determines that such action is necessary to assure the economic viability of the project; or

(2) Increase that percentage in the case of any project if he determines: (i) That such action is necessary and feasible, after taking into account the objective of assuring, insofar as is practicable, that there is in the project a reasonable range in the income levels of tenants, or (ii) that such action is to be taken to meet the housing needs of elderly or handicapped families.

§ 236.710 Qualified tenant.

(a) The benefits of rental assistance payments are available only to an individual or a family who is renting a dwelling unit in a project that is subject to a contract entered into under the requirements of this subpart or who is occupying such a dwelling unit as a cooperative member. To qualify for the benefits of rental assistance payments, the individual or family must satisfy the definition of Qualified Tenant found in §236.2 of subpart A (contained in the April 1, 1995 edition of 24 CFR, parts 220 to 499). Determination of the Adjusted Monthly Income must include the deductions required for adjusted income in 24 CFR 5.611(a) in lieu of the deductions provided in the definition of “adjusted income” in 24 CFR 236.2 (contained in the April 1, 1995 edition of 24 CFR, parts 220 to 499; see the Savings clause at §236.1(c)).

(b) The definition of “persons with disabilities” in paragraph (d) of this section replaces the terms “disabled person” and “handicapped person” used in the regulations in 24 CFR part 236, subpart A (contained in the April 1, 1995 edition of 24 CFR, parts 220 to 499; see the Savings clause at §236.1(c)). *Person with disabilities,* as used in this part, has the same meaning as provided in 24 CFR 891.305.

§ 236.715 Determination of eligibility.

(a) The housing owner shall determine eligibility following procedures prescribed by the Commissioner when processing applications for admission and tenant applications for assistance. The requirements of 24 CFR part 5 govern the submission and verification of information related to citizenship and eligible immigration status for applicants, and the procedures for denial of assistance based upon a failure to establish eligible immigration status.

(b) The owner must use good faith efforts to admit tenants according to the following list, provided that the number of units authorized for a particular category would not be exceeded and provided that there is sufficient funding for the category:

(1) First: Applicants eligible for Rental Assistance Payments;
(2) Second: Applicants eligible to pay a below market rent under section 236;
(3) Third: Applicants who can pay the Market Rent.
(c) Before admitting an applicant who can pay the Market Rent, the owner must obtain written approval from HUD if at least 10 percent of the number of units authorized under the section 236 program are already occupied by tenants paying Market Rent.
(d) Before admitting an applicant who will not receive the benefit of Rental Assistance Payments, the owner must obtain written approval from HUD if fewer than 90 percent of the number of units authorized under the Rental Assistance Payments contract are already occupied by tenants receiving such assistance.
(e) Upon written request of the owner, the Commissioner may issue a written waiver of the requirements of paragraphs (b) through (d) of this section based on a finding of sufficient justification. Each such waiver shall be supported by a statement of the pertinent facts and grounds.

(Approved by the Office of Management and Budget under control numbers 2502–0352 and 2502–0354)

§ 236.720 Provisions applicable to cooperative members.
(a) A member of a cooperative who obtains a certificate of eligibility shall be required, as a condition of receiving the certificate, to agree that upon a sale of his membership, any equity increment accumulated through rental assistance payments will not be made available to the member, but will be turned over to the cooperative housing owner. Funds received by a cooperative representing an equity increment accumulated through rental assistance payments shall be deposited by the cooperative in a special account to be disbursed as directed by the Secretary.
(b) The term tenant as used in this subpart shall include a member of a cooperative, and the term rental payment shall include the carrying charges under the occupancy agreement between the members of the cooperative and the cooperative housing owner.

§ 236.725 Term of contract.
The rental assistance contract shall be limited to the term of the mortgage or 40 years from the date of the first payment made under the contract, whichever is the lesser.

§ 236.730 Maximum annual rental assistance contract amount.
The rental assistance contract shall specify the maximum amount of the rental assistance payments for the project for the rent-up period, or for any such other period of time as the Secretary may prescribe, based upon the Secretary's estimate of probable demand and tenant income, including a 10 percent contingency allowance. At the end of such period of time, and annually thereafter, appropriate adjustments, as the Secretary may prescribe, shall be made in the maximum annual rental assistance contract amount, to reflect the actual requirements of the eligible tenants and a 10 percent contingency allowance.

§ 236.735 Rental assistance payments and rental charges.
(a) Amount of rental assistance payments. The rental assistance contract shall provide that the payment on behalf of a Qualified Tenant shall not exceed the difference between the Gross Rent and the Total Tenant Payment.
(b) Total tenant payment for qualified tenants who first receive rental assistance on or after May 1, 1983. Notwithstanding §236.55(b), the Total Tenant Payment payable for these Qualified Tenants shall be the highest of the following amounts, rounded to the nearest dollar:
(1) 30 percent of Adjusted Monthly Income as defined in subpart A;
(2) 10 percent of one-twelfth of Annual Income as defined in subpart A;
(3) If the family receives Welfare Assistance from a public agency and a part of such payments, adjusted in accordance with the family’s actual housing costs, is specifically designated by such agency to meet the family’s housing costs, the monthly portion of such payments which is so designated. If the family’s Welfare Assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph (b)(3)
shall be the amount resulting from one application of the percentage.

(c) Total tenant payment for qualified tenants who were receiving rental assistance on April 30, 1983 and whose assistance has been continuous thereafter. Notwithstanding §236.55(b), the Total Tenant Payment for these Qualified Tenants shall be calculated in accordance with paragraph (b) of this section, except that instead of 30 percent, the percentage applied to Adjusted Monthly Income shall be as follows:

(d) Special conditions. (1) For the purposes of this section, a Qualified Tenant whose initial lease was effective before May 1, 1983 includes the following: A Qualified Tenant that resided in a unit assisted under the Rental Assistance Programs or Rent Supplement Program on April 30, 1983, and whose assistance under those programs has been continuous thereafter; and a family that resided in a unit with the benefit of section 8 Housing Assistance Payments on July 31, 1982 and whose participation in the section 8, Rent Supplement or the Rental Assistance Payment Program has been continuous thereafter. A Qualified Tenant or family shall not be disqualified if, after that date, it moved from one unit to another unit in the same project. For these purposes, units in buildings located on adjacent sites and managed as one project will be considered part of the same project even if they have separate project numbers and separate mortgages.

(2) Notwithstanding paragraphs (b) and (c) of this section, the Total Tenant Payment payable by a Qualified Tenant who continues to receive assistance in the same project shall not be increased by more than 10 percent during any 12-month period as a result of application of the percentages in paragraph (c) of this section, and application of the revised definitions in §§236.2 and 236.3. However, this 10 percent limit does not apply to Families subject to paragraph (b)(3) of this section, provided that the welfare agency includes as the housing component of the Family’s grant an amount equal to their entire rent payment, without reduction. The Total Tenant Payment may be increased by more than 10 percent during any 12-month period to the extent that the portion of such increase above 10 percent is attributable to increases in income or changes in family composition or family circumstances that are unrelated to the factors set out in this paragraph (d)(2).

(e) Utility reimbursement. Where applicable, the Utility Reimbursement shall be paid to the Qualified Tenant. If the tenant and the utility company consent, the owner may pay the Utility Reimbursement jointly to the Qualified Tenant and the utility company, or directly to the utility company.

§ 236.740 Time of payment under contract.

The rental assistance contract shall provide for payments to be made monthly to the housing owner on behalf of qualified tenants in the amounts set forth in the certificates of eligibility.

§ 236.745 Tenant occupancy limitations.

Eligible tenants shall not be permitted to occupy units larger than the Secretary determines necessary for their family needs, except on a temporary basis with the approval of the Secretary.

§ 236.750 Form of lease.

(a) Lease form. Eligible tenants shall be required to execute a lease in a form approved by the Commissioner.

(b) Prohibited lease provisions. Lease clauses of the nature described below shall not be included in new leases or occupancy agreements covered by paragraphs (a) and (b) of this section and shall be deleted from existing leases and agreements either by amendment thereto or by execution of a new lease or agreement.

(1) Confession of judgment. Prior consent by the tenant:

(i) To any lawsuit the landlord may bring against the tenant in connection with the lease; and
(i) To a judgment in favor of the landlord.

(2) Distraint for rent or other charges. Agreement by the tenant that the landlord is authorized to take property of the tenant and hold it as a pledge until the tenant performs an obligation which the landlord has determined that tenant has failed to perform.

(3) Exculpatory clauses. Agreement by the tenant not to hold the landlord or the landlord's agents liable for any acts or omissions, whether intentional or negligent, on the part of the landlord or the landlord's authorized representatives or agents.

(4) Waiver of legal notice by tenant before actions for eviction or money judgment. Agreement by the tenant that the landlord may institute suit without notice to the tenant that the suit has been filed.

(5) Waiver of legal proceedings. Authorization to the landlord to evict the tenant or hold or sell the tenant's possessions whenever the landlord determines that a breach or default has occurred, without notice to the tenant or determination by a court of the rights and liabilities of the parties.

(6) Waiver of jury trial. Authorization to the landlord's lawyer to appear in court on behalf of the tenant and waive the right to a trial by jury.

(7) Waiver of right to appeal judicial error in legal proceeding. Authorization to the landlord's lawyer to waive the tenant's right:
   (i) To appeal for judicial error in any suit brought against the tenant by the landlord or the landlord's agents; or
   (ii) To file suit to prevent the execution of a judgment.

(8) Tenant chargeable with cost of legal actions regardless of outcome. Provision that the tenant agrees to pay attorney's fees or other legal costs if the landlord brings legal action against the tenant even if the tenant prevails in the action. Prohibition of this type of provision does not mean that the tenant, as a party to lawsuit, may not be obligated to pay attorney's fees or other costs if the tenant loses the suit.

§ 236.755 Housing owner's obligation under contract to report tenant income increase.

The rental assistance contract shall contain a provision obligating the housing owner to notify the Secretary upon receiving a report from a tenant of an increase in the tenant's income resulting in the tenant's ability to pay the approved basic monthly rental (plus, where applicable, the utility allowance established for utility charges paid by the tenant) with the amount the tenant is required to pay for rent in accordance with §236.735. The contract shall also obligate the housing owner, upon failing to notify the Secretary when a report of such increases in income is received from a tenant, to reimburse the Secretary for any rental assistance payments made during the period following receipt of such report when the tenant is receiving the increased income.

[48 FR 13982, Apr. 1, 1983]

§ 236.760 Change in tenant income status.

Appropriate adjustments will be made in rental assistance payments to reflect changes in income or other circumstances which are reported by a tenant and verified or are shown by the annual tenant income recertification, as required by §236.80. Rental assistance payments will be discontinued when it is determined by the Secretary that the amount the tenant is required to pay for rent, in accordance with §236.735, is sufficient to pay the approved basic monthly rental (plus, where applicable, the established utility allowance) for the unit occupied by the tenant. Where a tenant is no longer entitled to rental assistance payments, he/she may continue to occupy the unit. The rents charged for the unit shall not exceed those specified in subpart A.

[48 FR 13982, Apr. 1, 1983]

§ 236.765 Determination of eligible immigration status of applicants and tenants; protection from liability.

(a) Housing owner's obligation to make determination. A housing owner shall
obtain and verify information regarding the citizenship or immigration status of applicants and tenants in accordance with the procedures of 24 CFR part 5.

(b) Protection from liability. HUD will not take any compliance, disallowance, penalty or other regulatory action against a housing owner with respect to any error in its determination to make an individual eligible for financial assistance based upon citizenship or eligible immigration status, as provided in 24 CFR part 5.

[61 FR 13624, Mar. 27, 1996]

Subpart E—Audits

§ 236.901 Audit.

Where a State or local government receives interest reduction payments under section 236(b) of the National Housing Act or is the mortgagor of a mortgage insured or held by the Commissioner under this part, it shall conduct audits in accordance with HUD audit requirements at 2 CFR part 200, subpart F.

[58 FR 37813, July 13, 1993, as amended at 80 FR 75936]

Subpart F—Uniform Relocation Assistance

§ 236.1001 Displacement, relocation, and acquisition.

(a) Minimizing displacement. Consistent with the other goals and objectives of this part, mortgagors shall assure that they have taken all reasonable steps to minimize the displacement of persons (households, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) Temporary relocation. The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily to permit rehabilitation or other work for the assisted project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporary housing, any increase in monthly rent/utility costs, and any incidental expenses.

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex following completion of the repairs; and

(iv) The provisions of paragraph (b)(1) of this section.

(c) Relocation assistance for displaced persons. A “displaced person” (defined in paragraph (g) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) (42 U.S.C. 4201–4655) and implementing regulations at 49 CFR part 24. A “displaced person” shall be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601–19), and, if the representative comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority person is located in an area of minority concentration, such person also shall be given, if possible, referrals to comparable and suitable, decent, safe and sanitary replacement dwellings not located in such areas.

(d) Real property acquisition requirements. The acquisition of real property for a project is subject to the URA and the requirements of 49 CFR part 24, subpart B.

(e) Appeals. A person who disagrees with the mortgagor’s determination concerning whether the person qualifies as a “displaced person,” or with the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the mortgagor. A person who is dissatisfied with the mortgagor’s determination on his or her appeal may submit a written request for review of the determination to the HUD Field Office.
(f) **Responsibility of mortgagor.** (1) The mortgagor shall certify (i.e., provide assurance of compliance as required by 49 CFR part 24) that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section. The mortgagor shall ensure such compliance notwithstanding any third party's contractual obligation to the mortgagor to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs may also be paid for with funds available from other sources.

(3) The mortgagor shall maintain records in sufficient detail to demonstrate compliance with the provisions of this section. The mortgagor shall maintain data on the race, ethnic, gender, and disability status of displaced persons.

(g) **Definition of displaced person.** (1) For purposes of this section, the term *displaced person* means any person (household, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. The term “displaced person” includes, but may not be limited to:

(i) A tenant-occupant of a dwelling unit who moves from the building/complex, permanently, after the mortgagor executes the agreement covering the rehabilitation, demolition or acquisition, if the move occurs before the tenant is provided written notice offering him or her the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building/complex, under reasonable terms and conditions upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the amount approved by HUD;

(ii) A tenant-occupant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(A) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied unit, any increased housing costs and incidental expenses; or

(B) Other conditions of the temporary relocation are not reasonable; or

(iii) A tenant-occupant of a dwelling who moves from the building/complex permanently after he or she has been required to move to another dwelling unit in the same building/complex in order to carry out the project, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable; or

(iv) Any person, including a person who moves before the mortgagor's execution of the agreement covering the rehabilitation, demolition, or acquisition, if the mortgagor or HUD determines that the displacement resulted directly from rehabilitation, demolition or acquisition for the assisted project.

(2) Notwithstanding the provisions of paragraph (g)(1) of this section, a person does not qualify as a “displaced person” (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State or local law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the execution of the agreement covering the rehabilitation, demolition or acquisition and, before signing a lease or commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated or suffer a rent increase) and the fact that the person would not qualify as a “displaced person” (or for any assistance provided under this section) as a result of the project;
(iii) The person is ineligible under 49 CFR 24.2(g)(2); or
(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project;
(3) The mortgagor may request, at any time, HUD’s determination of whether a displacement is or would be covered by this section.
(h) Definition of initiation of negotiations. For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition or acquisition of the real property, the term initiation of negotiations means the mortgagor’s execution of the agreement covering the rehabilitation, demolition or acquisition.

The security instrument shall contain a provision permitting prepayment of the loan in whole or in part upon any interest payment date after giving to the lender 30 days advance written notice and it may contain a provision, with the approval of the Commissioner, for a reasonable charge in the event of prepayment. The borrower shall be permitted to prepay up to 15 percent of the original principal amount of the loan in any one calendar year without an additional charge. Subpart A—General Eligibility Requirements

§ 242.1 Definitions.

As used in this subpart, the following terms shall have the meaning indicated:

Acquisition means the purchase by an eligible mortgagor of an existing hospital facility and ancillary property associated therewith.

Act means the National Housing Act (12 U.S.C. 1701 et seq.).

Affiliate means a person or entity which, directly or indirectly, either controls or has the power to control or exert significant influence on the other, or a person and entity both controlled by a third person or entity, which may be a parent entity. Indicia of control include, but are not limited to: Interlocking management or ownership, identity of interests among family members, shared facilities and equipment, common use of employees, or a business entity organized following the suspension or debarment of a person or entity that has the same or similar management, ownership, or principal employees as the suspended, debarred, ineligible, or voluntarily excluded person or entity or as defined in the Medicare reimbursement regulations.

AMPO (Allowance for Making Project Operational) relates to non-profit projects and means a fund that is primarily for accruals during the course of construction for mortgage insurance premiums (MIPs), taxes, ground rents, property insurance premiums, and assessments, when funds available for these purposes under the Building Loan Agreement have been exhausted; and also for allocation to...
such accruals after completion of construction, if the income from the hospital at that time is insufficient to meet such accruals. AMPO may also be used for such other purposes as approved by HUD. Any balance remaining unused in the fund at final endorsement will be treated in accordance with §242.43.

Applicant means a HUD multifamily-approved lender that would be the mortgagee of record.

Capital debt means the outstanding indebtedness used for the construction, rehabilitation, or acquisition of the physical property and equipment of a hospital, including those financing costs approved by HUD.

Chronic convalescent and rest means skilled nursing services, intermediate care services, respite care services, hospice services, and other services of a similar nature.

Construction means the creation of a new or replacement hospital facility, the substantial rehabilitation of an existing facility, or the limited rehabilitation of an existing facility. The cost of acquiring new or replacement equipment may be included in the cost of construction.

Days of cash on hand means the number of days of operating cash available to the hospital, calculated pursuant to standards determined by HUD.

Debt service coverage ratio is a measure of a hospital’s ability to pay interest and principal with cash generated from current operations. Debt service ratio is calculated as follows: Debt Service Coverage Ratio (total debt service coverage on all long-term capital debt) equals the excess of revenues over expenses (not-for-profit) or net income (for-profit) plus interest expense plus depreciation expense plus amortization expense, all divided by current portion of long-term debt (including capital leases) from the previous year’s audited financial statement plus interest expense. The calculation can be expressed as:

\[
\frac{(\text{Excess of revenues over expenses OR net income}) + \text{interest expense} + \text{depreciation expense} + \text{amortization expense}}{\text{Current portion of long-term debt [prior year, including capital leases] + interest expense}}
\]

Hard costs means the costs of the construction and equipment, including construction-related fees such as architect and construction manager fees.

Hospital means a facility that has been proposed for approval or has been approved by HUD under the provisions of this subpart, and:

(1) That provides community services for inpatient medical care of the sick or injured (including obstetrical care);

(2) Where not more than 50 percent of the total patient days during any year are customarily assignable to the categories of chronic convalescent and rest, drug and alcoholic, epileptic, mentally deficient, mental, nervous and mental, and tuberculosis, except that the 50 percent patient day restriction does not apply to Critical Access Hospitals (hospitals designated as such under the Medicare Rural Hospital Flexibility Program) between January 28, 2008 and July 31, 2011.

(3) That is a facility licensed or regulated by the state (or, if there is no such state law providing for such licensing or regulation by the state, by the municipality or other political subdivision in which the facility is located) and is:

Identity of interest means a relationship that must be disclosed and may be prohibited pursuant to the requirements of the Regulatory Agreement. Examples of a prohibited Identity of Interest relationship are, but are not limited to, a financial or family relationship between the mortgagor (which includes but is not limited to an officer, director, or partner of the mortgagor) and general contractor, subcontractor, seller of the land or property.
any consultants, or other parties to the transaction.

Limited rehabilitation means additions, expansion, remodeling, renovation, modernization, repair, and alteration of existing buildings, including acquisition of new or replacement equipment, in cases where the hard costs of construction and equipment are less than 20 percent of the mortgage amount.

Mortgage means such classes of first liens as are commonly given to secure advances on, or the unpaid purchase price of, real estate under the laws of the state in which the real estate is located, together with any mortgage note secured thereby. The mortgage may be in the form of one or more trust mortgages or mortgage indentures or deeds of trust securing notes, bonds, or other mortgage notes; and, by the same instrument or by a separate instrument, it may create a security interest in the personality, including, but not limited to, the equipment, whether or not the equipment is attached to the realty, and in the revenues and receivables of the hospital.

Mortgagee or lender means the applicant for insurance or the original lender under a mortgage.

Mortgagor means the original borrower under a mortgage and its successors and assigns.

Mortgage Reserve Fund means a trust account, or an account held by the mortgagee, for and on behalf of the mortgagor, to which the mortgagor contributes and from which withdrawals must be approved by HUD. The purpose of the fund is to provide HUD a means to assist the hospital to avoid mortgage defaults and to preserve the value of the mortgaged property and the hospital’s business.

Most recent audited financial statement means the audited financial statement required under the regulatory agreement for the prior fiscal year.

Net income means the net income of a for-profit entity, or, in the case of a nonprofit entity, the excess of revenues less expenses.

Non-operating revenues and expenses are those revenues and expenses not directly related to patient care, hospital-related patient services, or the sale of hospital-related goods. Examples of items classified as non-operating are state and federal income tax, general contributions, gains and losses from investments, unrestricted income from endowment funds, and income from related entities.

Classification of items as operating or non-operating shall follow written guidance by HUD.

Operating margin is operating income divided by operating revenue, where:

1. Operating revenue is the revenue from the core patient care operations of the hospital. It includes revenues from the provision of such items as patient care (including, but not limited to, hospital-based nursing home and physicians’ clinics); transfers from temporarily restricted accounts that are used for current operating expenses; and patient-related activities such as the operation of the cafeteria, parking facilities, television services to patients, sale of medical scrap or waste, etc. (Additional sources of revenue, which are classified as non-operating, are excluded from this measure, provided, however, at HUD’s discretion, that revenue that has historically been received reliably and is expected to continue to be received may be considered operating revenue for underwriting purposes); and
2. Operating income is operating revenue minus operating expenses, where operating expenses are the expenses incurred in providing patient care, including such items as salaries, supplies, and the cost of capital.

Parent means an organization or entity that controls or has a controlling interest in another organization or entity.

Personalty means all furniture, furnishings, equipment, machinery, building materials, appliances, goods, supplies, tools, books, records (whether in written or electronic form), computer equipment (hardware and software) and other tangible or electronically stored personal property (other than fixtures) that are owned or leased by the borrower or the lessee now or in the future in connection with the ownership, management, or operation of the land or the improvements or are located on the land or in the improvements, and any operating agreements relating to the land or the improvements, and any
surveys, plans, specifications, and contracts for architectural, engineering, and construction services relating to the land or the improvements, chooses in action and all other intangible property and rights relating to the operation of, or used in connection with, the land or the improvements, including all governmental permits relating to any activities on the land. Personality also includes all tangible and intangible personal property used for health care (such as major movable equipment and systems), accounts, licenses, bed authorities, certificates of need required to operate the hospital and to receive benefits and reimbursements under provider agreements with Medicaid, Medicare, state and local programs, payments from health care insurers and any other assistance providers (“Receivables”); all permits, instruments, rents, lease and contract rights, and equipment leases relating to the use, operation, maintenance, repair, and improvement of the hospital. Generally, intangibles shall also include all cash and cash escrow funds, such as but not limited to: Depreciation reserve fund or mortgage reserve fund accounts, bank accounts, residual receipt accounts, all contributions, donations, gifts, grants, bequests, and endowment funds by donors, and all other revenues and accounts receivable from whatever source paid or payable. All personality shall be securitized with appropriate UCC filings and any excluded personality shall be indicated in the Regulatory Agreement.

Preapplication meeting means a meeting among HUD, a potential mortgagee (applicant), and a potential mortgagor for mortgage insurance where there has been a positive Preliminary Review of the proposed project. The preapplication meeting is an opportunity for the potential mortgagee and mortgagor to summarize the proposed project, for HUD to summarize the application process, and for issues that could affect the eligibility or underwriting of the proposed loan to be identified and discussed.

Preliminary Review Letter means a letter from HUD to a potential applicant communicating the result of the Preliminary Review. The letter may state that an application for mortgage insurance would probably not be successful and provide the reasons for this determination, or state that no factors that would cause an application to be rejected have been identified, and therefore there appears to be no bar to the applicant proceeding to a preapplication meeting.

Project means the construction (which may include replacement of an existing hospital facility), or the substantial or limited rehabilitation of an eligible hospital, including equipment, which has been proposed for approval or has been approved by HUD under the provisions of this subpart, including the financing and refinancing, if any, plus all related activities involved in completing the improvements to the property. However, in particular closing documents, “project” may be used to mean the mortgagor entity, the operation of the mortgagor, the facility, or all of the mortgaged property, depending on the context in which the term “project” is used.

Refinancing means the discharging of the existing capital debt of a hospital through entering into new debt.

Regulatory Agreement means the agreement under which all mortgagors shall be regulated by HUD, as long as HUD is the insurer or holder of the mortgage, in a published format determined by HUD, and such additional covenants and restrictions as may be determined necessary by HUD on a case-by-case basis.

Secretary means the Secretary of Housing and Urban Development or his or her authorized representatives.

Section 242/223(f) refers to a loan insured under Section 242 of the Act pursuant to Section 223(f) of the Act.

Service area means that geographical area, identified by zip codes, from which a substantial majority of a hospital’s patients derive.

Soft costs means reasonable and customary legal, organizational, consulting, and such other costs associated with effecting the proposed

project and its financing or refinancing, including, but not limited to, interest capitalized during construction; permanent financing fees; initial service charge; tax; title and recording expenses; special tax assessments; AMPO; insurance costs during construction; FHA fees and charges, including application, commitment, and inspection fees; mortgage insurance premium for advances during construction; prepayment penalties associated with retiring the hospital’s existing bonds; and termination costs for interest rate protection facilities that are integrated into the original financing, as applicable.

State includes the several states, Puerto Rico, the District of Columbia, Guam, the Trust Territory of the Pacific Islands, American Samoa, and the United States Virgin Islands.

Substantial rehabilitation means additions, expansion, remodeling, renovation, modernization, repair, and alteration of existing buildings, including acquisition of new or replacement equipment, in cases where the hard costs of construction and equipment are equal to or greater than 20 percent of the mortgage amount.

Surplus Cash means any cash remaining after all of the following conditions have been met:

1. Final endorsement of the HUD-insured note has occurred;
2. Mortgage payments for the preceding 12 months have been made when due, including any grace period;
3. The Debt Service Coverage Ratio is greater than or equal to 1.50 in the most recent audited financial statements and as of the date of distribution;
4. Days in Accounts Receivable are less than or equal to 80 in the most recent audited financial statements and as of the date of distribution;
5. The average payment period is less than or equal to 80 in the most recent audited financial statements and as of the date of distribution;
6. The Mortgage Reserve Fund (MRF) is fully funded as of the date of the distribution in conformity with the MRF schedule;
7. All income, property, and statutory employer payroll taxes and employee payroll withholding contributions (including penalties and interest, if applicable) have been deposited as of the date of the distribution, as required;
8. The Current Ratio is greater than or equal to 1.50 in the most recent audited financial statements and immediately after the distribution;
9. Days of cash on hand are greater than or equal to 21 days in the most recent audited financial statements and immediately after the distribution;
10. The distribution may not be more than 50 percent of Net Income as reflected in the most recent audited financial statements, unless the Mortgagor has an equity financing ratio equal to or greater than 20 percent in the most recent audited financial statements and immediately after the distribution, and
11. The Equity less any assets excluded from the mortgaged property is greater than 0.00 in the most recent audited financial statements, unless the Mortgagor has an equity financing ratio equal to or greater than 20 percent in the most recent audited financial statements and immediately after the distribution,

As used in this definition:

“Most recent audited financial statements” refers to the audited financial statement required under section 242.58 for the prior fiscal year.

“Net Income” means Net Income for for-profit entities; Excess of Revenues over Expenses for not-for-profit entities; and Excess of Revenues over Expenses before Capital Grants, Contributions, and Additions to Permanent Endowment for governmental entities; and

“Equity financing ratio” means (Equity less any assets excluded from the mortgaged property)/(total assets less any assets excluded from the mortgaged property).

Equity is defined as

Equity for a for-profit entity, Total Net Assets for not-for-profit entities, and Total Net Assets for governmental entities.

insurance benefits in order to protect the mortgage insurance fund.

§ 242.3 Encouragement of certain programs.

The activities and functions provided for in this part shall be carried out so as to encourage provision of comprehensive health care, including outpatient and preventive care as well as hospitalization, to a defined population, and in the case of public and certain not-for-profit hospitals, to encourage programs that are undertaken to provide essential health care services to all residents of a community regardless of ability to pay.

§ 242.4 Eligible hospitals.

(a) The hospital to be financed with a mortgage insured under this part shall involve the construction of a new hospital, the substantial rehabilitation (or replacement) of an existing hospital, the limited rehabilitation of an existing hospital, or the refinancing of the capital debt of an existing hospital pursuant to Section 223(a)(7) or Section 223(f).

(b) This part applies only to applications for FHA mortgage insurance submitted after a pre-application meeting (as defined in § 242.1) with HUD that occurred on and after January 28, 2008. HUD’s regulations and practices prior to January 28, 2008 apply to applications for FHA mortgage insurance submitted after a pre-application meeting that occurred before January 28, 2008.

§ 242.5 Eligible mortgagees/lenders.

The lender requirements set forth in 24 CFR part 202 regarding approval, recertification, withdrawal of approval, approval for servicing, report requirements, and conditions for supervised mortgagees, nonsupervised mortgagees, investing mortgagees, and governmental and similar institutions, apply to these programs.

§ 242.6 Property requirements.

The mortgage, to be eligible for insurance, shall be on property located in a state, as defined in § 242.1. The mortgage shall cover real estate in which the mortgagor has one of the following interests:

(a) A fee simple title;
(b) A lease for not less than 99 years that is renewable; or
(c) A lease having a term of not less than 50 years to run from the date the mortgage is executed.

§ 242.7 Maximum mortgage amounts.

The mortgage shall involve a principal obligation not in excess of 90 percent of HUD’s estimate of the replacement cost of the hospital, including the equipment to be used in its operation when the proposed improvements are completed and the equipment is installed.

§ 242.8 Standards for licensure and methods of operation.

The Secretary shall require satisfactory evidence that the hospital will be located in a state or political subdivision of a state with reasonable minimum standards of licensure and methods of operation for hospitals, and satisfactory assurance that such standards will be applied and enforced with respect to the hospital.

§ 242.9 Physician ownership.

Ownership of an interest in the mortgagor by physicians or other professionals practicing in the hospital is permitted within limits determined by HUD to avoid insurance risks that may be associated with such ownership. The Commissioner shall determine if the proposed mortgagor will be at low risk for violation of regulations of the U.S. Department of Health and Human Services, other federal regulations, and state regulations governing kickbacks, self-referrals, and other issues that could increase the risk of eventual default. The Commissioner’s determination shall be based on an unqualified legal opinion as to compliance with applicable federal law, among other considerations.

§ 242.10 Eligible mortgagors.

The mortgagor shall be a public mortgagor (i.e., an owner of a public facility), a private nonprofit corporation or association, or a profit-motivated mortgagor meeting the definition of “hospital” in § 242.1. The mortgagor
§ 242.11 Regulatory compliance required.

An application for insurance of a mortgage under this part shall be considered only in connection with a hospital that is in substantial compliance with regulations of the Department of Health and Human Services and the regulations of the applicable state governing the operation and reimbursement of hospitals. A hospital that is under investigation by any state or federal agency for statutory or regulatory violations is not eligible so long as the investigation is unresolved, unless HUD determines that the investigation is minor in nature; that is, the investigation is unlikely to result in substantial liabilities or to otherwise substantially harm the creditworthiness of the hospital.

§ 242.13 Parents and affiliates.

As a condition of issuing a commitment, HUD may require corporate parents, affiliates, or principals of the proposed mortgagor to provide assurances, guarantees, or collateral to protect HUD’s interests. The Commissioner may also require financial and operational information on the parent, other businesses owned by the parent, or affiliates of the proposed mortgagor and may also require a parent or affiliate to be regulated by HUD as to certain actions that could impact on the insurance of a mortgage loan for the benefit of the hospital.

§ 242.14 Mortgage reserve fund.

As a condition of issuing a commitment, HUD shall require establishment of a Mortgage Reserve Fund (MRF). The mortgagor shall be required to make contributions to the MRF such that, with fund earnings, the MRF will build to one year of debt service at 5 years following commencement of amortization, increasing thereafter to 2 years of debt service on and after 10 years following commencement of amortization according to a schedule established by HUD, unless HUD determines that a different schedule of contributions is appropriate based on the mortgagor’s risk profile, reimbursement structure, or other characteristics. In particular, hospitals that receive cost-based reimbursement may be required to have MRFs that build to more than 2 years of debt service. Expenditures from the fund are made at HUD’s sole discretion or in accordance with the mortgagor’s MRF Schedule. Upon termination of insurance, the balance of the MRF shall be returned to the mortgagor, provided that all obligations to HUD have been met.

§ 242.15 Limitation on refinancing existing indebtedness.

(a) Some existing capital debt may be refinanced with the proceeds of a section 242-insured loan; however, the hard costs of construction and equipment must represent at least 20 percent of the total mortgage amount.

(b) In the case of a loan insured under Section 242/223(f), there is no requirement for hard costs. However, if there are hard costs, such costs must total less than 20 percent of the total mortgage amount.

Subpart B—Application Procedures and Commitments

§ 242.16 Applications.

(a) Application process—(1) Market need. The approval process entails a determination of the market need of the proposal and stresses, on a market-wide basis, the impact of the proposed
facility on, and its relationship to, other health care facilities and services (particularly other hospitals with mortgages insured under this part and hospitals that have a disproportionate share of Medicaid and uninsured patients or provide a substantial amount of charity care); the number and percentage of any excess beds; and demographic projections. Generally, Section 242 insurance may support start-up hospitals or major expansions of existing hospitals only if existing hospital capacity or services are clearly not adequate to meet the needs of the population in the service area.

(i) If the state has an official procedure for determining need for hospitals, HUD shall require that such procedure be followed before the application for insurance is submitted, and that the application document that need has also been established under that procedure.

(ii) The following factors are relevant in evaluating market need for the project and should be addressed, as applicable, in the study of market need and feasibility submitted with the application. Because each hospital presents a unique situation, there is no formula or cutoff level that applies to all applications:

(A) Service area definition;
(B) Existing or proposed hospital;
(C) Designation as sole community provider, Critical Access Hospital, or rural referral center;
(D) Community-wide use rates (discharges and days/1000);
(E) Statewide use rates (for benchmarking purposes);
(F) Current population and 5-year projection by age cohort;
(G) Staffed versus licensed beds;
(H) Applicant hospital’s occupancy rate;
(I) Competitors’ occupancy rates;
(J) Outpatient volume;
(K) Availability of emergency services;
(L) Teaching hospital status;
(M) Services offered by hospitals in the service area;
(N) Migration of patients out of the service area;
(O) Planned construction at other facilities in the region;
(P) Historical market share by major service category;
(Q) Disproportionate Share Hospital designation; and
(R) Distance to other hospitals.

(2) Operating margin and debt service coverage ratio. (i) Hospitals with an aggregate operating margin of less than 0.00 when calculated from the three most recent annual audited financial statements are not eligible for Section 242 insurance, unless HUD determines, based on the financial data in those statements, that the hospital has achieved a financial turnaround resulting in a positive operating margin in the most recent year, calculated using classifications of items as operating or non-operating in accordance with guidance that shall be provided in written directives by HUD. In any event, HUD shall not issue an insurance commitment for any hospital in a turnaround situation that has not achieved 2 consecutive years of positive operating margin immediately prior to issuance of the commitment.

(ii) Hospitals with an average debt service coverage ratio of less than 1.25 in the 3 most recent audited years are not eligible for Section 242 insurance, unless HUD determines, based on the audited financial data, that the hospital has achieved a financial turnaround resulting in a debt service coverage ratio of at least 1.4 in the most recent year. In cases of refinancing at a lower interest rate, HUD may authorize the use of the projected debt service requirement in lieu of the historical debt service to calculate the debt service coverage ratios for each of the prior 3 years. In cases where HUD authorizes the use of the projected debt service requirement in lieu of the historical debt service to determine the debt service coverage ratio, hospitals must have an average debt service coverage ratio of 1.4 or greater.

(3) Threshold requirements—refinancing candidates. For an application to be considered for refinancing pursuant to Section 223(f), a hospital must meet the following requirements in lieu of those described in paragraph (a)(2) of this section:

(i) The hospital must have an aggregate operating margin and average debt service coverage ratio as follows:
(A) The hospital must have an aggregate operating margin of at least zero percent, when calculated from the three most recent annual audited financial statements.

(B) The hospital must have an average debt service coverage ratio of at least 1.4 when calculated from the three most recent annual audited financial statements; or

(ii) If the requirements of paragraphs (a)(3)(i)(A) and/or (B) of this section are not satisfied, HUD will recast the operating margin and debt service coverage ratio for prior periods by applying its estimate of the projected interest rate at the time the mortgage is expected to close in lieu of the historical interest rate(s).

(iii) In performing the calculations called for in paragraphs (a)(3)(i)(A) and (B) of this section, if HUD finds that performance in one of the three years was affected by exceptional, one-time events that substantially altered financial performance, HUD may calculate the three-year performance based on the four most recent years with the unusual year omitted.

(iv) The hospital must document that it provides an essential healthcare service to the community in which it operates and that its financial performance would be materially improved by refinancing its existing capital debt.

(v) The hospital may show that it provides an essential healthcare service to the community in which it operates and that its financial performance would be materially improved by refinancing its existing capital debt.

(vi) The hospital may show that its financial performance would be materially improved by providing documentation of the following:

(A) There are limited comparable affordable refinancing vehicles available to the hospital; and,

(B) The hospital meets three of the following seven criteria:

(1) The proposed refinancing would reduce the hospital’s total operating expenses by at least 0.25 percent;

(2) The interest rate of the proposed refinancing would be at least 0.5 percentage points less than the interest rate on the debt to be refinanced;

(3) The interest rate on the debt that the hospital proposes to refinance has increased by at least one percentage point at any time since January 1, 2008, or is very likely to increase by at least one percentage within one year of the date of application;

(4) The hospital's annual total debt service is in excess of 3.4 percent of total operating revenues, based on its most recent audited financial statement;

(5) The hospital has experienced a withdrawal or expiration of its credit enhancement facility, or the lender providing its credit enhancement facility has been downgraded, or the hospital can demonstrate that one of these events is imminent;

(6) The hospital is party to bond covenants that are substantially more restrictive than the Section 242 mortgage covenants; and

(7) There are other circumstances that demonstrate that the hospital’s financial performance would be materially improved by refinancing its existing capital debt.

(4) Financial feasibility. The approval process entails a determination of the financial feasibility of the proposal, i.e., a determination that it is probable that the proposed mortgagor will be able to meet its debt service requirements during the period projected. It includes analysis of the reimbursement structure of the proposed hospital (including patient/payer mix); actions of competitors; and the probable projected impact on the proposed hospital of general health care system trends, such as the development of alternative health care delivery systems and new reimbursement methods. In addition to historical operating margin, determination of financial feasibility includes, but is not limited to, evaluation of the following factors, which the application must address and which HUD will review:

(i) Current and projected gains from operations and a manageable debt load using reasonable assumptions;

(ii) Current debt service coverage ratio of 1.25 or higher and projected debt service coverage ratio of 1.40 or higher;
(iii) Cushion in the balance sheet sufficient to demonstrate the ability to withstand short periods of net operating losses without jeopardizing financial viability;

(iv) Patient utilization forecasts (including average length of stay, case intensity, discharges, area-wide use rates) that are consistent with the hospital’s historical trends, future service mix, market trends, population forecasts, and business climate;

(v) The hospital’s demonstrated ability to position itself to compete in its marketplace;

(vi) Organizational affiliations or relationships that help optimize financial, clinical, and operational performance;

(vii) Management’s demonstrated ability to operate effectively and efficiently, and to develop effective strategies for addressing problem areas;

(viii) Systems in place to monitor hospital operations, revenues, and costs accurately and in a timely manner;

(ix) A Board that is appropriately constituted and provides effective oversight;

(x) Required licensures and approvals; and

(xi) Favorable ratings from the Joint Commission on Accreditation of Healthcare Organizations or other organizations acceptable to HUD.

(5) Preliminary Review. A Preliminary Review is a general overview of the acceptability of a potential mortgagor performed at the request of a hospital, a financial consultant representing a hospital, or a lender, to identify any factors that would likely cause an application to be rejected, should an application be submitted.

(i) The purpose of the preliminary review is for HUD to identify any obvious factors that would cause an application to be rejected, before the potential mortgagor or mortgagee expends resources to prepare one. The hospital, financial consultant, or lender shall submit a preliminary information package to HUD that provides evidence of statutory eligibility, market need, financial strength, and such other documentation as HUD may require. The scope of the preliminary review does not include approval of any specific site in the community.

(ii) If HUD identifies factors that would cause an application to be rejected, HUD shall issue a Preliminary Review Letter notifying the potential applicant that an application for mortgage insurance would probably not be successful and providing the reasons for this decision. Also, no further request from the proposed applicant for a Preliminary Review shall be entertained for a period of one year from the date of HUD’s notification. HUD may grant an exception to this one-year limitation if, during the year, there is a major change in the circumstances that caused HUD to determine that the project would be rejected. For example, if the sole reason for HUD’s determination was the hospital’s failure to meet the historical operating margin test, and a new audited annual financial statement contains results that would cause the hospital to meet the test, then the lender may request a new Preliminary Review within one year of HUD’s notification.

(iii) If HUD does not identify any factors that would cause an application to be rejected, HUD shall issue a Preliminary Review Letter advising the potential applicant that there appears to be no bar to the applicant’s proceeding to the next step in the application process, provided that if a complete application is not received by HUD within one year following the date of HUD’s letter, another Preliminary Review may be required, at HUD’s discretion, before the application process may proceed.

(iv) The Commissioner’s determination in the preliminary review phase that no factors have been identified that would cause an application to be rejected shall in no way be construed as an indication that a subsequent application will be approved.

(6) Preapplication meeting. The next step in the application process is the preapplication meeting (this step is optional, at HUD’s discretion, in Section 242/223(f) cases). At HUD’s discretion, this meeting may be held at HUD Headquarters in Washington, DC, or at another site agreeable to HUD and the potential applicant. The preapplication
meeting is an opportunity for the potential mortgagor to summarize the proposed project and refinancing, if any; for HUD to summarize the application process; and for issues that could affect the eligibility or underwriting of the project to be identified and discussed to the extent possible. Following the meeting, HUD may:

(i) Advise the potential applicant that there appears to be no bar to submitting an application for mortgage insurance; or

(ii) Identify issues that must be resolved before a full application should be submitted for processing.

(b) Application contents. The application for mortgage insurance shall include exhibits that follow such guidance as to content and format that HUD shall provide from time to time. The application shall include:

(1) A description of the proposed sources and uses of funds;

(2) A description of the mortgagor entity, its ownership structure, and its directors and managers;

(3) A description of the project, the business plan of the hospital, and how the project will further that plan; or, for applications pursuant to Section 223(f), a description of any limited rehabilitation to be financed with mortgage proceeds and how that limited rehabilitation will affect the hospital;

(4) Historical audited financial statements and interim year-to-date financial results (for existing hospitals);

(5) A study of market need and financial feasibility, addressing the factors listed in paragraphs (a)(1)(ii) and (a)(2), or (a)(3) of this section, (whichever applies), with assumptions and financial forecast clearly presented. The study should be prepared by a certified public accounting firm acceptable to HUD. In the case of an application for Section 242/223(f) mortgage insurance, the study may not be required to address market need and there may be no requirement for involvement of a certified public accounting firm;

(6) Architectural plans and specifications in sufficient detail to enable a reasonable estimate of cost (not applicable to a Section 242/223(f) application, except when architectural plans and specifications are requested by HUD);

(7) Evidence that the hospital will be located in a state or political subdivision of a state with reasonable minimum standards of licensure and methods of operation for hospitals and satisfactory assurance that such standards will be applied and enforced with respect to the hospital;

(8) If the state has an official procedure for determining need for hospitals, evidence that such procedure has been followed and that need has been established under that procedure;

(9) A Phase I environmental report; and

(10) Such other exhibits as HUD shall require based upon the facts pertaining to the particular case.

(c) Fee. An application fee of $1.50 per thousand dollars of the amount of the loan to be insured shall be paid to HUD at the time the application is submitted to HUD for approval.

(d) Filing of application. An application for insurance of a mortgage on a project shall be submitted on an approved FHA form, by an approved mortgagee and by the sponsors of such project, to FHA.

(e) Complete application. Only technically complete applications will be processed. Partial applications cannot be processed. Upon determination that an application is complete, HUD shall issue a Completeness Letter to the applicant stating that the application is complete.

(f) Application review. Upon receipt of a complete application, HUD shall evaluate the application to determine if eligibility, market need, financial feasibility, and compliance with applicable regulations (including but not limited to federal environmental regulations, wage rate regulations, and health care regulations) have been demonstrated, and to evaluate any other factors, including but not limited to risk to the Insurance Fund, that should be considered in determining if the application for mortgage insurance should be approved. As a part of this review, HUD may solicit the advice of private consultants and expert staff in the Department of Health and Human Services and other federal agencies. Based on review of the complete application, HUD may request additional information from the applicant.
timeliness of the applicant’s submission of the additional information may affect the approval or disapproval of the application. The Commissioner’s decision shall be communicated in the form of a Commitment Letter or a Rejection Letter. HUD will not issue a Commitment Letter until HUD completes the environmental review under 24 CFR 242.79.

§ 242.18 Inspection fee.

(a) The commitment may provide for the payment of an inspection fee in an amount not to exceed $5 per thousand dollars of the commitment. The inspection fee shall be paid no later than the time of initial endorsement.

(b) In the case of mortgages where the applicant is seeking only refinancing or acquisition, the inspection fee will not exceed 10 basis points on the loan. For applicants seeking a loan for refinancing or acquisition that also involves limited rehabilitation, the commitment shall provide for an inspection fee according to the following schedule:

§ 242.19 Fees on increases.

(a) Increase in commitment prior to endorsement. An application, filed prior to initial endorsement, for an increase in the amount of an outstanding commitment, shall be accompanied by an additional application fee of $1.50 per thousand dollars computed on the amount of the increase requested. Any increase in the amount of a commitment shall be subject to the payment of an additional commitment fee which, when added to the additional application fee, will aggregate $3 per thousand dollars of the amount of the increase. The additional commitment fee shall be paid within 30 days after the date of the amended commitment. If the additional commitment fee is not paid within 30 days, the commitment novation providing for the increased amount will automatically terminate and the previous commitment will be reinstated. If an inspection fee was required in the original commitment, an additional inspection fee shall be paid in an amount not to exceed $5 per thousand dollars of the amount of increase in commitment. The additional inspection fee shall be paid at the time of initial endorsement.

(b) Increase in mortgage between initial and final endorsement. Upon an application, filed between initial and final endorsement, for an increase in the amount of the mortgage, either by amendment, consolidation agreement, or by substitution of a new mortgage, an additional application fee of $1.50 per thousand dollars computed on the amount of the increase requested shall accompany the application. The approval of any increase in the amount of the mortgage shall be subject to the payment of an additional commitment fee which, when added to the additional application fee, will aggregate $3 per thousand dollars of the amount of the increase granted. If an inspection fee was required in the original commitment, an additional inspection fee shall be paid in an amount not to exceed $5 per thousand dollars of the amount of the increase granted. The additional commitment and inspection fees shall be paid within 30 days after the date that the increase is granted.

§ 242.20 reopening of expired commitments.

An expired commitment may be reopened if a request for reopening is received by HUD no later than 90 days after the date of expiration of the commitment. The reopening request shall be accompanied by a fee of 50 cents per thousand dollars of the amount of the expired commitment. A commitment that has expired because of failure to pay the commitment fee may be reopened only upon payment of the commitment fee and the reopening fee. If the reopening request is not received by HUD within the required 90-day period, a new application accompanied by an application fee must be submitted. If a commitment for an increased amount has expired because of failure to pay an additional commitment fee based on the amount of the increase, the reopening fee shall be computed on the basis of the amount of the commitment increase rather than on the amount of the original commitment.

§ 242.21 refund of fees.

Commitment, inspection, and reopening fees (but not application fees) may be refunded, in whole or in part, if HUD determines that the construction or financing of the project has been prevented because of condemnation proceedings or other legal action taken by a government body or public agency, or in such other instances as HUD may determine as being beyond the control of the applicant and resulting from no fault of the applicant. A transfer fee may be refunded only in such instances as HUD may determine. However, the portion of the inspection fee paid in connection with early commencement of work is not refundable.

§ 242.22 maximum fees and charges by mortgagor.

The mortgagor may collect from the mortgagor the amount of the fees provided for in this subpart. The mortgagor may also collect from the mortgagor an initial service charge not to exceed 2 percent of the original principal amount of the mortgage to reimburse the mortgagor for the cost of closing the transaction. A permanent financing fee not to exceed 3.5 percent may be collected from the mortgagor;
Office of Assistant Secretary for Housing, HUD § 242.23

§ 242.23 Maximum mortgage amounts and cash equity requirements.

(a) Adjusted mortgage amount—rehabilitation projects. A mortgage financing the substantial rehabilitation of an existing hospital shall be subject to the following limitations, in addition to those set forth in §242.7:

(1) Property held unencumbered. If the mortgagor is the fee simple owner of the property and the property is not encumbered by an outstanding indebtedness, the mortgage shall not exceed 100 percent of HUD’s estimate of the cost of the proposed substantial rehabilitation.

(2) Property subject to existing mortgage. If the mortgagor owns the property subject to an outstanding indebtedness, which is to be refinanced with part of the insured mortgage, the mortgage shall not exceed the total of the following:

(i) The Commissioner’s estimate of the cost of substantial rehabilitation, plus

(ii) Such portion of the capital debt as does not exceed 90 percent of HUD’s estimate of the fair market value of such land and improvements prior to substantial rehabilitation.

(3) Property to be acquired. If the property is to be acquired by the mortgagor and the purchase price is to be financed with a part of the insured mortgage, the mortgage shall not exceed 90 percent of the total of the following:

(i) The Commissioner’s estimate of the cost of substantial rehabilitation, plus

(ii) The actual purchase price of the land and improvements or HUD’s estimate (prior to repairs, renovation, and/or equipment replacement) of the fair market value of such land plus the replacement cost of improvements, whichever is the lesser;

(iii) Soft costs that would normally be allowable in a Section 242 insured loan.

(b) Section 242/223(f) refinancing and acquisition—additional limits. (1) In addition to meeting the requirements of §242.7, if the hospital’s existing capital debt is to be refinanced by the insured mortgage (i.e., without a change in ownership or with the hospital sold to a purchaser who has an identity of interest as defined by the Commissioner with the seller), the maximum mortgage amount must not exceed the cost to refinance the existing indebtedness, which will consist of the following items, the eligibility and amounts of which must be determined by the Commissioner:

(i) The amount required to pay off the existing capital debt;

(ii) The estimated hard costs, if any, totaling less than 20 percent of the mortgage amount; and

(iii) Soft costs that would normally be allowable in a Section 242 insured loan.

(2) In addition to meeting the requirements of §242.7, if mortgage proceeds are to be used for an acquisition, the maximum mortgage amount must not exceed the cost to acquire the hospital, which will consist of the following items, the eligibility and amounts of which must be determined by the Commissioner:

(i) The actual purchase price of the land and improvements or HUD’s estimate (prior to repairs, renovation, and/or equipment replacement) of the fair market value of such land plus the replacement cost of improvements, whichever is the lesser;

(ii) The estimated hard costs, if any, totaling less than 20 percent of the mortgage amount; and

(iii) Soft costs that would normally be allowable in a Section 242 insured loan.

(c) Reduced mortgage amount—leaseholds. In the event the mortgage is secured by a leasehold estate rather than a fee simple estate, the value or replacement cost of the property described in the mortgage shall be the value or replacement cost of the leasehold estate (as determined by HUD), which shall in all cases be less than the value or replacement cost of the property in fee simple.

(d) Cash equity. Depending on the financial circumstances of each hospital facility, HUD shall have the discretion to evaluate, on a case-by-case basis, the amount of equity that a mortgagor
must supply in addition to the value of plant, property, and equipment and other values recognized as loan security in the commitment process. Exercise of this discretion shall never cause a loan to exceed 90 percent of estimated replacement cost, although it may cause it to be less than 90 percent. The equity contribution may not be made from borrowed funds. A private nonprofit or public mortgagor, but not a proprietary mortgagor, at the mortgagor’s option and subject to 24 CFR 242.49, may provide any such required equity in the form of a letter of credit.

§ 242.24 Initial operating costs.

In the case of a new hospital or a hospital expansion, HUD shall establish, on a case-by-case basis, the amount of initial operating capital, if any, that must be deposited in cash or a letter of credit (or combination) to be available to the new hospital upon commencement of operations. Generally, the initial operating capital other than AMPO shall not be borrowed funds unless HUD determines that there are offsetting financial strengths to compensate for the risk associated with borrowing.

Subpart C—Mortgage Requirements

§ 242.25 Mortgage form and disbursement of mortgage proceeds.

(a) Mortgage form. The mortgage shall be:

(1) Executed on a form approved by HUD for use in the jurisdiction in which the property covered by the mortgage is situated; the form shall not be changed without the prior written approval of HUD.

(2) Executed by an eligible mortgagor.

(b) Disbursement of mortgage proceeds. The mortgagor shall be obligated, as a part of the mortgage transaction, to disburse the principal amount of the mortgage to (or for the account of) the mortgagor or to his or her creditors for his or her account and with his or her consent.

§ 242.26 Agreed interest rate.

(a) The mortgage shall bear interest at the rate or rates agreed upon by the mortgagor and the mortgagor.

(b) The amount of any increase approved by HUD in the mortgage amount between initial and final endorsement in excess of the amount that HUD had committed to insure at initial endorsement shall bear interest at the rate agreed upon by the mortgagor and the mortgagor.

§ 242.27 Maturity.

The mortgage shall have a maturity not to exceed 25 years from the date amortization begins.

§ 242.28 Allowable costs for consultants.

Consulting fees for work essential to the development of the project may be included in the insured mortgage. Allowable consulting fees include those for analysis of market demand, expected revenues, and costs; site analysis; architectural and engineering design; and such other fees as HUD may determine to be essential to project development. Fees for work performed more than 2 years prior to application are not allowable. Fees for work performed by any party with an identity of interest with the proposed mortgagor or mortgagor are not allowable.

§ 242.29 Payment requirements.

The mortgage shall provide for payments on the first day of each month in accordance with an amortization plan agreed upon by the mortgagor, the mortgagee, and HUD.

§ 242.30 Application of payments.

All payments to be made by the mortgagor to the mortgagor shall be added together and the aggregate amount thereof shall be paid by the mortgagor each month in a single payment. The mortgagor shall apply each payment received to the following items in the following order:

(a) Premium charges under the contract of mortgage insurance;

(b) Ground rents, taxes, special assessments, and fire and other hazard insurance premiums;

(c) Interest on the mortgage; and
(d) Amortization of the principal of the mortgage.

§ 242.31 Accumulation of accruals.

(a) The mortgage shall provide for payments by the mortgagor to the mortgagee on each interest payment date of an amount sufficient to accumulate, in the hands of the mortgagee one payment period prior to its due date, the next annual MIP payable by the mortgagee to HUD. Such payments shall continue only so long as the contract of insurance shall remain in effect.

(b) The mortgage shall provide for such equal monthly payments by the mortgagor to the mortgagee as will amortize the ground rents, if any, and the estimated amount of all taxes, water charges, special assessments, and fire and other hazard insurance premiums, within a period ending one month prior to the dates on which the same become delinquent. The mortgage shall further provide that such payments shall be held by the mortgagee, for the purpose of paying such items before they become delinquent. The mortgage shall also make provision for adjustments in case such estimated amounts shall prove to be more, or less, than the actual amounts so paid therefore by the mortgagor. Notwithstanding the foregoing, in particular circumstances, a mortgagor may purchase required fire and hazard insurance through a consortium of affiliated institutions or related organizations or, in the case of public institutions, through required state purchasing arrangements. In such circumstances, the mortgage accrual requirement may be modified to reflect circumstances in which it is inappropriate for the mortgagee to collect monthly payments and to make payments on behalf of the mortgagor.

§ 242.32 Covenant against liens.

The mortgage shall contain a covenant against liens against the creation by the mortgagor of any liens against the property, except for such liens as may be approved by HUD.

§ 242.33 Covenant for malpractice, fire, and other hazard insurance.

The mortgage shall contain a covenant binding the mortgagor to maintain adequate liability, fire, and extended coverage insurance on the property. The mortgage shall also contain a covenant binding the mortgagor to maintain adequate malpractice coverage. All coverage shall be acceptable to the mortgagee or HUD.

[73 FR 35923, June 25, 2008]

§ 242.35 Mortgage lien certifications.

At initial and/or final endorsement of the mortgage note, each of the following requirements must be met:

(a) The mortgage is the first lien upon and covers all of the property used in the operation of the entire hospital;

(b) The property upon which the improvements have been made or constructed and the equipment financed with mortgage proceeds are free and clear of all liens other than the insured mortgage and such other secondary liens as may be approved by HUD;

(c) The Security Agreement and Uniform Commercial Code filings establish a first lien on the personality of the mortgagor, including but not limited to equipment acquired with mortgage proceeds or otherwise not subject to a prior lien;

(d) The mortgagor has notified HUD in writing of all unpaid obligations in connection with the mortgage transaction, the purchase of the mortgaged property, the construction, limited rehabilitation, or substantial rehabilitation of the project, or the purchase of the equipment financed with mortgage proceeds.

§ 242.37 Mortgage prepayment.

(a) Prepayment privilege. Except as provided in paragraph (c) of this section or otherwise established by HUD, the mortgage shall contain a provision permitting the mortgagor to prepay the mortgage in whole or in part upon any interest payment date, after giving the mortgagee a 30-day notice in writing in advance of its intention to so
§ 242.38 Late charge.

The mortgage may provide for the collection by the mortgagor of a late charge in accordance with terms, conditions, and standards of HUD for each dollar of each payment to interest or principal more than 15 days in arrears, to cover the expense involved in handling delinquent payments. Late charges shall be separately charged to and collected from the mortgagor and shall not be deducted from any aggregate monthly payment.

Subpart D—Endorsement for Insurance

§ 242.39 Insurance endorsement.

(a) New construction/substantial rehabilitation. Initial endorsement of the mortgage note shall occur before any mortgage proceeds are insured, and the time of final endorsement shall be as set forth in paragraph (a)(2) of this section.

(1) Initial endorsement. The Commissioner shall indicate the insurance of the mortgage by endorsing the original mortgage note and identifying the section of the Act and the regulations under which the mortgage is insured and the date of insurance.

(2) Final endorsement. When all advances of mortgage proceeds have been made and all the terms and conditions of the commitment have been met to HUD's satisfaction, HUD shall indicate on the original mortgage note the total of all advances approved for insurance and again endorse such instrument.

(b) Section 242/223(f) refinancing/acquisition. (1) In cases that do not involve advances of mortgage proceeds, endorsement shall occur after all relevant terms and conditions have been satisfied, including, if applicable, completion of any limited rehabilitation, or upon assurance acceptable to the Commissioner that all limited rehabilitation will be completed by a date certain following endorsement.

(2) In cases where advances of mortgage proceeds are used to fund limited rehabilitation, endorsement shall occur as described in paragraph (a) of this section immediately above, for new construction/substantial rehabilitation.

§ 242.40 Mortgagee certificate.

At initial endorsement, the mortgagee shall execute a Mortgagee Certificate in a form prescribed by HUD.
§ 242.41 Certification of cost requirements.

Before initial endorsement of the mortgage for insurance, the mortgagor, the mortgagee, and HUD shall enter into an agreement in form and content satisfactory to HUD for the purpose of precluding any excess of mortgage proceeds over statutory limitations. Under this agreement, the mortgagor shall disclose its relationship with the builder, including any collateral agreement, and shall agree:

(a) To execute a Certificate of Actual Costs, upon completion of all physical improvements on the mortgaged property.

(b) To apply any cost savings in accordance with the provisions below.

§ 242.42 Certificates of actual cost.

(a) The mortgagor’s certificate of actual cost, in a form prescribed by HUD, shall be submitted upon completion of the physical improvements to the satisfaction of HUD and before final endorsement, except that in the case of an existing hospital that does not require substantial rehabilitation and where the commitment provides for completion of specified repairs after endorsement, a supplemental certificate of actual cost will be submitted covering the completed costs of any such repairs. The certificate shall show the actual cost to the mortgagor, after deduction of any kickbacks, rebates, trade discounts, or other similar payments to the mortgagor, any of its officers, directors, stockholders, partners, or other entity member ownership, of construction and other costs, as prescribed by HUD.

(b) The Certificate of Actual Cost shall be verified by an independent certified public accountant or independent public accountant in a manner acceptable to HUD.

(c) Upon HUD’s approval of the mortgagor’s certification of actual cost, such certification shall be final and incontestable except for fraud or material misrepresentation on the part of the mortgagor.

§ 242.43 Application of cost savings.

At the sole discretion of HUD, any cost savings shall be used to:

(a) Reduce the principal amount of the mortgage and the mortgagor’s cash equity contribution proportionally, unless the mortgagor elects to have a greater portion of the savings used to reduce the mortgage; and/or

(b) Fund any additional construction or substantial rehabilitation approved by HUD.

Subpart E—Construction

§ 242.44 Construction standards.

Work designed and performed under this section shall conform to the standards adopted by HUD, which, at a minimum, shall include the “Guidelines for Construction and Equipment of Hospital and Medical Facilities,” which is regularly updated and published by the American Institute of Architects.

§ 242.45 Early commencement of work.

(a) Site preparation. Prior to or following the submission of an application, the mortgagor may request for good cause the commencement of certain limited site preparation for the project within legal guidelines and state law. Such work can commence only after the review of the work and concurrence by HUD, including the environmental review under 24 CFR 242.79, previous participation review, and the agreement to certain conditions by the applicant. HUD will not approve such request until it has completed the environmental review under 24 CFR 242.79. The work must meet all requirements and guidelines as if it were approved for mortgage insurance and is to be accomplished at the sole risk of the mortgagor.

(b) Construction completed prior to application. Structures completed more than 2 years prior to application are eligible to be refinanced with insured mortgage proceeds.

(c) Pre-commitment work. Subsequent to submission of an application but prior to the issuance of a commitment or denial by HUD, the hospital and lender may request for good cause the commencement of certain necessary early site work and limited construction activity in connection with the improvements, within legal guidelines
§ 242.46 Insured advances—building loan agreement.

Prior to the initial endorsement of the mortgage for insurance, the mortgagor and mortgagee shall execute a building loan agreement, approved by HUD, setting forth the terms and conditions under which progress payments may be advanced during construction. To be covered by mortgage insurance, or to be included as an eligible cost,
Office of Assistant Secretary for Housing, HUD § 242.48

§ 242.47 Insured advances for building components stored off-site.

(a) Building components. In insured advances for building components stored off-site, the term building component shall mean any manufactured or pre-assembled part of a structure that HUD has specifically identified for incorporation into the property and has designated for off-site storage because it is of such size or weight that:

(1) Storage of the number of components required for timely construction progress at the construction site is impractical, or

(2) Weather damage or other adverse conditions prevailing at the construction site would make storage at the site impractical or unduly costly.

(b) Storage. (1) An insured advance may be made for up to 90 percent of the invoice value (to exclude costs of transportation and storage) of the building components stored off-site, if the components are stored at a location approved by the mortgagee and HUD.

(2) Each building component shall be adequately marked so as to be readily identifiable in the inventory of the off-site location. Each component shall be kept together with all other building components of the same manufacturer intended for use in the same project for which insured advances have been made and separate and apart from similar units not for use in the project.

(3) Storage costs, if any, shall be borne by the contractor.

(c) Responsibility for transportation, storage, and insurance of off-site building components. The general contractor of the insured mortgaged property shall have the responsibility for:

(1) Insuring the components in the name of the mortgagor while in transit and storage; and

(2) Delivering or contracting for the delivery of the components to the storage area and to the construction site, including payment of freight.

(d) Advances. (1) Before an advance for a building component stored off-site is insured:

(i) The mortgagor shall:

(A) Obtain a bill of sale for the component;

(B) Give the mortgagee a security agreement; and

(C) File a financing statement in accordance with the Uniform Commercial Code; and

(ii) The mortgagee shall warrant to HUD that the security instruments are a first lien on the building components covered by the instruments except for such other liens or encumbrances as may be approved by HUD.

(2) Before each advance for building components stored off-site is insured, the mortgagor’s architect shall certify to HUD that the components, in their intended use, comply with HUD-approved contract plans and specifications. Under those circumstances permitted by HUD in which there is no architect, compliance with the HUD-approved contract plans and specifications shall be determined by HUD.

(3) Advances may be made only for components stored off-site in a quantity required to permit uninterrupted installation at the site.

(4) At no time shall the invoice value of building components being stored off-site, for which advances have been HUD insured, represent more than 50 percent of the total estimated construction costs for the insured mortgaged project as specified in the construction contract. Notwithstanding the preceding sentence and other regulatory requirements that set bonding requirements, the percentage of total estimated construction costs insured by advances under this section may exceed 25 percent but not 50 percent if the mortgagor furnishes assurance of completion in the form of a corporate surety bond for the payment and performance each in the amount of 100 percent of the amount of the construction contract. In no event will insurance of advances for components stored off-site be made in the absence of a payment and a performance bond.

(5) No single advance that is to be insured shall be in an amount less than $10,000.

§ 242.48 Insured advances for certain equipment and long lead items.

The Commissioner may allow advances for certain pieces of equipment
§ 242.49 Funds and finances: deposits and letters of credit.

(a) Deposits. Where HUD requires the mortgagor to make a deposit of cash or securities, such deposit shall be with the mortgagee or a depository acceptable to the mortgagee and HUD. Any such deposit shall be held in a separate account for and on behalf of the mortgagor, and shall be the responsibility of that mortgagee or depository.

(b) Letter of credit. Where the use of a letter of credit is acceptable to HUD in lieu of a deposit of cash or securities, the letter of credit shall be issued to the mortgagee by a banking institution acceptable to the lender. The mortgagor shall be responsible to HUD for collection under the letter of credit. In the event a demand for payment thereunder is not immediately met, the mortgagor shall forthwith provide a cash deposit equivalent to the undrawn balance of the letter of credit.

(c) Mortgagor not issuer. The mortgagor of record may not be the issuer of the letter of credit without the prior written consent of HUD.

[72 FR 67546, Nov. 28, 2007, as amended at 73 FR 35923, June 25, 2008]

§ 242.50 Funds and finances: off-site utilities and streets.

The Commissioner shall require assurance of completion of off-site public utilities and streets in all cases, except where a municipality or other public body has by agreement acceptable to HUD agreed to install such utilities and streets without cost to the mortgagor. Where such assurance is required, it shall be in the form of a cash escrow deposit, a letter of credit, the retention of a specified amount of mortgage proceeds by the mortgagee, or a combination thereof. In any case, the amount of deposit or retained cash (or both) must be sufficient to cover the cost of off-site utilities and streets. If a cash escrow is used, it shall be deposited with the mortgagor or with an acceptable trustee or escrow agent designated by the mortgagor. If mortgage proceeds are used, the mortgagee shall retain under terms approved by HUD, rather than disburse at the initial closing of the mortgage, a sufficient portion of the mortgage proceeds to be applied to the cost of land in the project analysis.

As additional assurance, HUD may also require a surety company bond or bonds.

§ 242.51 Funds and finances: Insured advances and assurance of completion.

(a) Where the estimated cost of construction or substantial rehabilitation is more than $500,000, the mortgagor shall furnish assurance of completion in the form of corporate surety bonds for payment and performance, each in the minimum amount of 100 percent of the construction contract (or Guaranteed Maximum Price, in the case of construction management) and each satisfactory to HUD.

(b) All types of assurance of completion shall be on forms approved by HUD. All surety companies executing a bond and all parties executing a personal indemnity agreement must be satisfactory to HUD.

(c) A mortgagee may prescribe more stringent requirements for assurance of completion than the minimum requirements provided for in this section.

§ 242.52 Construction contracts.

(a) Awarding of contract. A contract for the construction or substantial rehabilitation of a hospital shall be entered into by a mortgagor, with a builder selected by a competitive bidding procedure acceptable to HUD.

(b) Form of contract. The construction contract shall be: A lump sum form providing for payment of a specified amount; a construction management contract with a guaranteed maximum

Hospitals must be operated in compliance with all applicable civil rights laws and regulations, including 24 CFR part 200, subpart J (Equal Employment Opportunity), and the Americans with Disabilities Act (42 U.S.C. 12101 et seq.). § 242.55 Labor standards.

(a) Projects financed under this part (except under 24 CFR 242.91) must comply with the prevailing wage rates determined under the Davis-Bacon Act (40 U.S.C. 3141 et seq.), and U.S. Department of Labor regulations in 29 CFR parts 1, 3, and 5 for compliance with labor standards laws, in accordance with section 212 of the Act, provided that supplemental loans under section 241 of the Act made in connection with loans insured under this part are subject to labor standards requirements in the same manner and to the same extent as mortgages insured under section 242 of the National Housing Act.

(b) The requirements stated in 24 CFR part 70 governing HUD waiver of Davis-Bacon prevailing wage rates for volunteers apply to hospitals with mortgages insured under this part.

(c) Each laborer or mechanic employed on any facility covered by a mortgage insured under this part (except under 24 CFR 242.91), but including a supplemental loan under section 241 of the Act made in connection with a loan insured under this part) shall receive compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in any workweek in excess of 8 hours in any workday or 40 hours in the workweek.

(d) Project commitments, contracts, and agreements, as determined by HUD, and construction contracts and
subcontracts, shall include terms, conditions, and standards for compliance with applicable requirements set forth in 29 CFR parts 1, 3, and 5 and section 212 of the Act.

(e) No advance under a loan or mortgage that is subject to the requirements of section 212 shall be eligible for insurance unless there is filed with the application for the advance a certificate as required by HUD certifying that the laborers and mechanics employed in construction of the project have been paid not less than the wage rates required under section 212.

Subpart G—Regulatory Agreement, Accounting and Reporting, and Financial Requirements

§ 242.56 Form of regulation.

As long as HUD is the insurer or holder of the mortgage, all mortgagors shall be regulated by HUD through the use of a regulatory agreement in a published format determined by HUD and such additional covenants and restrictions as may be determined necessary by HUD on a case-by-case basis. In addition, all mortgagors shall be subject to the provisions of 24 CFR part 24 and such other enforcement provisions as may be applicable. The mortgagor shall be subject to monitoring by HUD and its agents and contractors, on an ongoing basis for the life of the insured mortgage to ensure against the risk of default, and the mortgagor must make its financial records available to HUD and its agents and contractors upon request. In those cases in which the hospital facility is leased as permitted by §242.72, the provisions of this section also shall apply to the lessee.

[72 FR 67546, Nov. 28, 2007, as amended at 73 FR 30623, June 25, 2008]

§ 242.57 Maintenance of hospital facility.

The mortgagor shall maintain the hospital's grounds, buildings, and the equipment financed with mortgage proceeds in good repair, and shall promptly complete such repairs and maintenance as HUD considers necessary.

§ 242.58 Books, accounts, and financial statements.

(a) Books and accounts. The mortgagor's books and accounts relating to the operation of the physical facilities of the hospital shall be established in a manner satisfactory to HUD, and shall be kept in accordance with the requirements of HUD as long as the mortgage is insured or held by HUD.

(b) Financial reports. The mortgagor shall file with HUD:

(i) Annual audited financial statements in accordance with the guidance below;

(ii) Quarterly unaudited financial reports, within 40 days following the end of each quarter of the mortgagor's fiscal year;

(iii) If requested by HUD, monthly financial reports within 40 days following the end of each month;

(iv) Board-certified annual financial results within 120 days following the close of the fiscal year (if the annual audited financial statement has not yet been filed with HUD) and at such other times as HUD may designate on a case-by-case basis; and

(v) Such other financial and utilization reports as HUD may require.

(c) Audits. (1) Not-for-profit and state and local governments shall conduct audits in accordance with the Consolidated Audit Guide for Audits of HUD Programs (Handbook 2000.04) and 2 CFR part 200, subpart F.

(e) Compliance reporting. The mortgagor shall instruct the auditor of the annual financial statement to include in its report an evaluation of the mortgagor's compliance with the Regulatory Agreement.

(f) Books of management agents. The books and records of management agents, lessees, operators, managers, and affiliates, as they pertain to the operations of the hospital, shall be
maintained in accordance with Generally Accepted Accounting Principles (GAAP) or Governmental Accounting Standards and shall be open and available to inspection by HUD, after reasonable prior notice, during normal office hours, at the hospital or other mutually agreeable location. Every contract executed on behalf of the hospital with any of the aforesaid parties shall include the provision that the books and records of such entities shall be properly maintained and open to inspection during normal business hours by HUD at the hospital or other mutually agreeable location.

(g) Medicare cost reports. Upon request, the mortgagor shall provide to HUD a copy of the Medicare Cost Report most recently submitted to the Centers for Medicare and Medicaid Services (an agency of the Department of Health and Human Services), along with related financial documents.

(b) In those cases in which the hospital facility is leased as permitted by §242.72, the requirements pertaining to the mortgagor in §242.58 (a) through (g) also shall pertain to the lessee.

§ 242.59 Inspection of facilities by Commissioner.

The mortgaged property (including buildings and equipment) and the books, records, and documents relating to the operation of the physical facilities of the hospital shall be subject to inspection and examination by HUD or its authorized representative at all reasonable times.

§ 242.61 Management.

The mortgagor shall provide for management of the hospital in a manner satisfactory to HUD.

(a) Contract Management of Hospital. The mortgagor shall not execute a management agreement or any other contract for management of the hospital without HUD’s prior written approval. (Management of the hospital, which requires HUD’s prior written approval, refers to management of the hospital not management of components within the hospital such as the hospital cafeteria or hospital pharmacy.) Any management agreement or contract for management of the hospital shall contain a provision that it shall be subject to termination without penalty and with or without cause, upon written request by HUD addressed to the mortgagor and management agent.

§ 242.89 Supplemental loans.

A loan, advance of credit, or purchase of an obligation representing a loan or advance of credit made for the purpose of financing improvements or additions (including the refinancing of any indebtedness incurred in connection with the early commencement of work on such improvements or additions, subject to the requirements of §§242.15 and 242.45) to a hospital covered by a mortgage insured under this section of the Act or for a Commissioner-held mortgage, or equipment for a hospital, may be insured pursuant to the provisions of section 241 of the Act and under the provisions of this part as applicable and such additional terms and conditions as established by HUD. (b) The mortgage shall meet all of the requirements of this subpart, except such requirements (other than those relating to labor standards and prevailing wages or environmental review) as are judged to be not applicable on the basis of the following determinations to be made by HUD.

(2) That the area is reasonably viable, and there is a need in the area for an adequate hospital to serve low and moderate income families.
§ 242.93 Amendment of regulations.

The regulations in this subpart may be amended by HUD at any time and from time to time, in whole or in part, but such amendment shall not adversely affect the interests of a mortgagee or lender under the insurance on any mortgage or loan already insured, and shall not adversely affect the interests of a mortgagee or lender under the insurance on any mortgage or loan to be insured on the loan secured by the existing mortgage.

(b) Refinancing capital debt not insured by FHA. A mortgage given to refinance the capital debt of an existing hospital that is not insured under section 241 or section 242 of the Act may be insured under this subpart pursuant to Section 223(f) of the National Housing Act. The mortgage may be executed in connection with the purchase or refinancing of an existing hospital without substantial rehabilitation. A mortgage insured pursuant to this subpart shall meet all other requirements of this part. The FHA Commissioner shall prescribe such terms and conditions as the FHA Commissioner deems necessary to assure that:

(1) The refinancing is employed to lower the monthly debt service costs (taking into account any fees or charges connected with such refinancing) of such existing hospital;

(2) The proceeds of any refinancing will be employed only to retire the existing capital debt; pay for limited rehabilitation totaling less than 20 percent of the mortgage amount; and pay the necessary cost of refinancing on such existing hospital;

(9) Formulating responses to owner’s requests for:  
(i) Rent increases;  
(ii) Partial payment of claims;  
(iii) The conversion from project-based paid utilities to tenant-paid utilities;

(c) Non-tenant tenant organizers. (1) If a multifamily housing project covered under §245.10 has a consistently enforced, written policy against canvassing, then a non-tenant tenant organizer must be accompanied by a tenant while on the property of the multifamily housing project, except in the case of recipients of HUD Outreach and Assistance Training Grants (“OTAG”) or other direct HUD grants designed to enable recipients to provide education and outreach to tenants concerning HUD’s mark-to-market program (see 24 CFR parts 401 and 402), who are conducting eligible activities as defined in

Such sanctions may include:

(1) Debarment. A person who is debarred is prohibited from future participation in federal programs for a period of time. The specific rules and regulations relating to debarment are found at 2 CFR part 2424.

(2) Suspension. Suspension is a temporary action with the same effect as debarment, to be taken when there is adequate evidence that a cause for debarment may exist and immediate action is needed to protect the public interest. The specific rules and regulations relating to suspension are found at 2 CFR part 2424.

(3) Limited Denial of Participation. An LDP generally excludes a person from future participation in the federal program under which the cause arose. The duration of an LDP is generally up to 12 months. The specific rules and regulations relating to LDPs are found at 2 CFR part 2424, subpart J.

(b) These sanctions may also apply to affiliates (as defined in 2 CFR part 2424) of these persons or entities.

However, this provision shall not be deemed to require the mortgagor to give priority in the allocation of any such available assistance to an existing tenant instead of an eligible applicant on the mortgagor’s waiting list or otherwise to supersede tenant selection procedures which are not otherwise inconsistent with applicable program regulation or instructions.

(c) Subject to the provisions of any contract made in connection with the purchase of a multifamily housing project owned by the Secretary, this section shall not be deemed to require a mortgagor subject to the requirements of this subpart to enter into a Housing Assistance Payments Contract pursuant to 24 CFR part 982 for the benefit of an existing tenant who obtains a Certificate of Family Participation.

§ 245.320 Request for increase.

Upon expiration of the period for tenant comments required in the notice format in § 245.310 and after review of the comments submitted to the mortgagor, the mortgagor must submit to the local HUD office, in addition to the materials enumerated in § 245.315 and any revisions thereto, the request for an increase in the maximum permissible rents, together with the following:

(a) Copies of all written comments submitted by the tenants to the mortgagor;
(b) The mortgagor’s evaluation of the tenants’ comments with respect to the request;
(c) A certification by the mortgagor that:
(1) It has complied with all of the requirements of this subpart;
(2) The copies of the materials submitted in support of the proposed increase were located in a place reasonably convenient to tenants in the project during normal business hours and that requests by tenants to inspect the materials, as provided for in the notice, were honored;
(3) All comments received from tenants were considered by the mortgagor in making its evaluation; and
(4) Under the penalties and provisions of title 18 U.S.C., section 1001, the statements contained in this request and its attachments have been examined by me and, to the best of my knowledge and belief, are true, correct, and complete.

§ 245.325 Notification of action on request for increase.

(a) When processing a request for an increase in maximum permissible rents, HUD shall take into consideration reasonably anticipated increases in project operating costs that will

occur (1) within 12 months of the date of submission of materials to HUD under §245.315(a) (profit and loss approach) or (2) within 12 months of the anticipated effective date of the proposed rent increase for submissions under §245.315(b) (forward-budget approach).

(b) After HUD has considered the request for an increase in rents, has found that it meets the requirements of §245.320, and has made its determination to approve, adjust upward or downward, or disapprove the request, it will furnish the mortgagor with a written statement of the reasons for approval, adjustment upward or downward, or disapproval. The mortgagor must make the reasons for approval, adjustment, or disapproval known to the tenants, by service of notice on them as provided in §245.15.

§ 245.330 Non-insured projects.

(a) In the case of a proposed rent increase for a project assisted under section 236 of the National Housing Act or section 101 of the Housing and Urban Development Act of 1965, but which does not have a mortgage insured by HUD or held by the Secretary, the provisions of this section and of §§245.305 through 245.320 shall apply to the mortgagor (project owner), except that—

(1) The notice format prescribed in §245.310 must be modified to reflect the procedural changes made by this section;

(2) The material (including tenant comments) required to be submitted to HUD under §§245.315 and 245.320 must be submitted to the State or local agency administering the section 236 assistance or rent supplement assistance contracts, rather than to HUD. An equivalent State or local agency form or standard accounting form may be substituted for the Statement of Profit and Loss, Form HUD–92410 required under §245.315(a)(2), if approved by the local HUD office; and

(3) The State or local agency must certify that the mortgagor has complied with the requirements of §§245.310, 245.315, 245.320, and 245.325.

(b) After the State or local agency has considered the request for an increase in maximum permissible rents that meets the requirements of §245.320 (including consideration of anticipated cost increases, as provided in §245.325(a)), it must make a determination to approve, adjust upward or downward, or disapprove the request. If the agency determines to approve or adjust the request, it must submit to the appropriate local HUD office the mortgagor’s requests for approval of an increase in maximum permissible rents, along with the comments of the tenants and the mortgagor’s evaluation of the comments, and must certify to HUD that the mortgagor is in compliance with the requirements of this subpart. HUD shall review the agency’s determination and certification and, within 30 days, of their submission to HUD, notify the agency of its approval, adjustment upward or downward, or disapproval of the proposed rent increase. HUD will not unreasonably withhold approval of a rent increase approved by the State or local agency.

(c) If the agency determines to disapprove the request, there is no HUD review of the agency’s determination.

(d) The agency must notify the mortgagor of the final disposition of the request, and it must furnish the mortgagor with a written statement of the reasons for its approval, adjustment, or disapproval. The mortgagor must make the reasons for approval, adjustment or disapproval known to the tenants, by service of notice on them as provided in §245.15.

During this period, the mortgagor must provide a place (as specified in the notice) reasonably convenient to tenants in the project where tenants and their representatives can inspect and copy these materials during normal business hours.

(b) The tenants have the right during this period to submit written comments on the proposed conversion to the mortgagor and to the local HUD office. Tenant representatives may assist tenants in preparing these comments.

The tenants have a period of 15 days from the date of service of this additional notice (or the remainder of any applicable comment period, if longer) in which to inspect and copy the materials as changed and to submit comments on the proposed covered action, before the mortgagor may submit its request to HUD for approval of the covered action.

HUD must provide its reasons for its determination.

(b) The mortgagor must notify the tenants of HUD’s decision in the manner provided in § 245.15. If HUD has approved the proposed covered action, the notice must state:

(1) The notice to tenants required under § 245.410 must be modified to reflect the procedural changes made by this section;
(2) The materials (including tenant comments) required to be submitted to HUD under §§ 245.415 and 245.425 must be submitted to the State or local agency administering the Section 236 assistance or rent supplement assistance contracts, rather than to HUD; and

(b) After the State or local agency has considered the request for approval of a conversion or reduction that meets the requirements of § 245.425, it must make a determination to approve or disapprove the conversion, or to approve, adjust upward or downward, or disapprove the reduction. If the agency determines to approve the conversion or reduction (as originally proposed or as adjusted), it must submit to the appropriate local HUD office the mortgagor’s request for approval of the conversion or reduction, along with the
comments of the tenants and the mortgagor’s evaluation of the comments, and must certify to HUD that the mortgagor is in compliance with the requirements of this subpart. HUD must review the agency’s determination and certification and notify the agency of its approval or disapproval of the proposed conversion or of its approval, adjustment upward or downward, or disapproval of the proposed reduction. HUD will not unreasonably withhold approval of a conversion or reduction approved by the State or local agency.

(c) If the agency determines to disapprove the conversion or reduction, there is no HUD review of the agency’s determination.

The mortgagor must make the reasons for approval or disapproval known to the tenants, by service of notice on them as provided in §245.15. If the agency has approved the proposed conversion or a reduction, the notice must set forth the information prescribed in §245.430(b) (1) and (2).

Subpart D—HUD-Owned Projects

246.30 Rental charges.
246.31 Procedures.

§ 246.1 Scope and effect of regulations.

(a) The regulation of rents for a project coming within the scope of "Subpart B—Unsubsidized Insured Projects" is preempted under these regulations only when the Department determines that the delay or decision of the local rent control board, or other authority regulating rents pursuant to state or local law (hereinafter referred to as board) jeopardizes the Department’s economic interest in a project covered by that subpart. The regulation of rents for projects coming within the scope of "Subpart C—Subsidized Insured Projects" is preempted in its entirety by the promulgation of these regulations. The regulation of rents for projects coming within the scope of "Subpart D—HUD-Owned Projects" rests within the exclusive jurisdiction of the Department.

(b) Any state or local law, ordinance, or regulation is without force and effect insofar as it purports to regulate rents of: (1) Projects for which a determination of preemption has been made pursuant to subpart B, or (2) projects coming within the scope of subpart C or D. Compliance with such law, ordinance, or regulation shall not be required as a condition of, or prerequisite to, the remedy of eviction, and any law, ordinance, or regulation which purports to require such compliance is similarly without force and effect.

(c) It is the purpose of the Department that these regulations shall bar all actions of a board that would in any way frustrate the purpose or effect of these regulations or that would in any way delay, prevent or interfere with the implementation of any increase in rental charges approved by HUD.

(d) These regulations may be offered as a defense to a proceeding by whoever initiated, which may be brought or threatened to be brought against any owner, mortgagor or managing
agent of a project subject to these regulations who demands, receives or retains, or seeks to demand, receive or retain, rental charges approved by HUD, or as a basis for declaratory, injunctive or other relief against any person or agency, public or private, who attempts to enforce, or threatens to enforce, any state or local law, ordinance, or regulation which is without force and effect by reason of this regulation.

(e) This part applies to mortgages insured under the National Housing Act. It does not apply to mortgages insured under section 542(c) of the Housing and Community Development Act of 1992 (12 U.S.C. 1707).

§ 246.4 Applicability.
This subpart applies to all projects with mortgages insured or held by HUD, except those to which subpart C applies.

§ 246.5 Rental charges.
The Department will generally not interfere in the regulation of rents by a rent control board or agency constituted under State or local laws (hereinafter referred to as board) for unsubsidized projects with mortgages insured or held by HUD. However, HUD will preempt the regulation of rents, together with any board regulations which require the mortgagor to offer a lease for a term in excess of one year, under certain conditions. This preemption may occur for such a project when the Department determines that the delay or decision of a board prevents the mortgagor from achieving a level of residential income necessary to maintain and operate adequately the project, which includes sufficient funds to meet the financial obligations under the mortgage.’’

§ 246.6 Initiation.
When a mortgagor determines that the permitted increase in rents as prescribed by the board will not provide a rent level necessary to maintain and operate adequately the project, and the mortgagor elects to request preemption under this subpart, it shall:
(a) File an application for whatever relief or redetermination is permitted under the State or local law and;
(b) Notify: (1) The tenants in accordance with §246.7 of this subpart, (2) the appropriate HUD office pursuant to §246.8, and (3) the board of the mortgagor’s intention to file a request for preemption of local rent control regulation pursuant to the provisions of regulations in this subpart. This action may be taken if either the board’s written decision is unacceptable to the mortgagor or no written decision is received from the board within 30 days of the mortgagor’s request under paragraph (a) of this section.

§ 246.7 Notice to tenants.
At least 30 days before filing a formal request to HUD for preemption of local rent control regulations, the mortgagor shall notify the tenants of its intention to so file. Copies of the Notice shall be:
(a) Delivered directly or by mail to each tenant; and
(b) Posted in at least 3 conspicuous places within each structure or building in which the affected dwelling units are located.
The Notice shall contain the addresses where the materials, which constitute a complete submission as required by §246.8 in support of the proposed preemption request, are to be made available to tenants as well as the required information in the following equivalent format:

(1) That the Notice required by §246.7 was given pursuant to the provisions of that section;
(2) That the mortgagor has taken reasonable steps to assure that the substance of the Notice has been conveyed to each resident household, and that the mortgagor exercised its best efforts to assure that the posted Notices were maintained intact and in legible form for the specified thirty (30) days;
(3) That: (i) The copies of the materials submitted in support of the preemption request were located in a place reasonably convenient to tenants in the project during normal business hours and at least one evening a week after business hours, and (ii) that requests by tenants to inspect such materials, as provided for in the Notice, were honored;
(4) That copies of all comments received from the tenants were considered and are being transmitted to HUD together with the certifications; and
(5) A statement that “under the penalties and provisions of title 18 U.S.C., section 1001, the statements contained in this application and its attachments have been examined by me and, to the best of my knowledge and belief, are true, correct, and complete.”

(c) Should the mortgagor receive a delayed decision from the board after filing its preemption request, HUD shall be informed immediately and furnished with a copy of the board’s decision.

§ 246.10 HUD procedures.

(a) The local HUD office will review the information submitted by the mortgagor together with the decision of the board, if any. The local HUD office will, if it finds that the delay or decision of the board fails to provide adequate residential income to protect the Department’s economic interest in the projects and the board will not modify its position to the satisfaction of the local HUD office, make a report with appropriate recommendations concerning the actions that should be taken by HUD to the Office of Multifamily Housing Management and Occupancy, Headquarters. The report shall be sent to the Office of Multifamily Housing Management and Occupancy,
§ 246.11 Notification of action on preemption request.

(a) After HUD has considered the preemption request which meets the requirements of §246.9 and has made its determination to approve or disapprove the request, it will furnish the mortgagor with a written statement of the reasons for approval or disapproval. The mortgagor shall make known to tenants, by posting or delivery in the manner outlined in §246.7, the reasons for approval or disapproval.

(b) The mortgagor may effect collection of the HUD-approved income level which is set at the time of the preemption determination after the expiration of 30-day notice to the tenants, subject to the terms and rights a tenant may have under the existing lease.

(c) Once the project reaches the income level approved under these procedures, the project will be returned to the control of the local rent control board covering both the rents and the terms of prospective leases.

§ 246.12 Preemption of prospective term of lease.

(a) In those instances where it will take more than 60 days (2 months) for the project to reach the new income levels, HUD preemption of prospective lease terms shall be effective for those new or renewed leases which by regulation of a local rent control board would require the mortgagor to offer a lease for a term in excess of one year.

(b) As a condition for HUD preemption, the mortgagor must give only one-year leases to tenants whose leases expire during the preemption period.

Subpart C—Subsidized Insured Projects

§ 246.20 Applicability.

This subpart applies to all projects with mortgages insured or held by HUD that receive a subsidy in the form of:

(a) Interest reduction payments under section 236 of the National Housing Act;

(b) Below-market interest rates under section 221(d)(3) and (5) of the National Housing Act;

(c) Direct loans at below-market interest rates under section 202 of the Housing Act of 1959 (as in effect immediately before October 1, 1991);

(d) Rent supplement payments under section 101 of the Housing and Urban Development Act of 1965;

(e) Housing assistance payments under 24 CFR part 886, subpart A (Section 8 Loan Management Set Aside), for projects that converted their rent supplement contracts under section 101 of the Housing and Urban Development Act of 1965 to such assistance for the term of the HAP contract; or

(f) Housing assistance payments pursuant to a contract under section 8 of the United States Housing Act of 1937 or section 23 of that Act (as in effect immediately before January 1, 1975), except that this subpart will only apply with respect to units occupied by tenants receiving housing assistance thereunder if the contract covers fewer than all units in the project.

§ 246.21 Rental charges.

The Department finds that it is necessary and desirable to minimize defaults by the mortgagor in its financial obligations with regard to projects covered by this subpart, and to assist mortgagors to preserve the continued viability of those projects as a housing resource for low-income families. The Department also finds that it is necessary and desirable to protect the substantial economic interest of the Federal Government in those projects. Therefore, the Department concludes that it is in the national interest to
preempt, and it does hereby preempt, the entire field of rent regulation by local rent control boards, (hereinafter referred to as board), or other authority, acting pursuant to state or local law as it affects projects covered by this subpart.

§ 246.22 Procedures.
(a) The mortgagor shall file its application for approval of increases in rental charges with the appropriate local office of HUD.
(b) The local HUD office will process the application for increases in rental charges in accordance with HUD’s regulations, including part 245 of this chapter, and instructions and procedures, all adopted pursuant to the statutory authority described in §246.8, and shall notify in writing any board in the area in which the project is located that it is processing the application and, that, pursuant to this subpart, HUD has preempted the entire field of rent regulation by a board acting pursuant to state or local law as it affects the project.
(c) The mortgagor may effect collection of the new rents in accordance with the procedures described in part 245, subpart D of this chapter. The mortgagor shall furnish the board a schedule of any new rents approved by HUD within ten (10) days after the approved rents have become effective. Notice to the board of the approved increases in rents does not confer upon the board a right to approve or disapprove the Department’s action or to exercise jurisdiction over the implementation of the rent increases by the mortgagor. The sole purpose of the notice is to inform the board of the lawful rents that may be charged for projects covered by this subpart.

§ 246.31 Procedures.
(a) The local HUD office will notify in writing any local rent control board (hereinafter referred to as board) in the area in which the project is located that it is considering increasing the rents for a project within the scope of this subpart, and that the increases are expected to become effective after the expiration of thirty (30) days’ notice to the tenants, subject to whatever rights a tenant may have under a lease. The local HUD office will also notify the board that, pursuant to this subpart, the Department has exclusive jurisdiction over the rents for the project.
(b) After the increases have become effective, the local HUD office will furnish the board a schedule of the new rents that are being charged by HUD. Notice to the board of the increased rents does not confer upon the board a right to approve or disapprove of the Department’s action, or to exercise jurisdiction over the implementation of the rent increases by the Department. The sole purpose of the notice is to inform the board of the lawful rents that may be charged for projects covered by this subpart.

(Termination of tenancy of a family assisted with tenant-based assistance under the Section 8 Existing Housing Certificate or Housing Voucher Program is not subject to this part.)

[54 FR 236, Jan. 4, 1989]

§ 247.2 Definitions.

Drug-related criminal activity means the illegal manufacture, sale, distribution, use or possession with the intent to manufacture, sell, distribute, or use, of a controlled substance as defined in section 102 of the Controlled Substances Act, 21 U.S.C. 802.

Eviction means the dispossession of the tenant from the leased unit as a result of the termination of the tenancy, including a termination prior to the end of a term or at the end of a term.

Landlord means either the owner of the property or his representative, or the managing agent or his representative, as shall be designated by the owner.

Rental agreement means all agreements, written or oral, between the landlord and tenant (and valid rules and regulations adopted by the landlord pursuant to a written agreement) relating to the use and occupancy of a dwelling unit and surrounding premises.

State landlord and tenant act means any state statute or local ordinance which imposes obligations on a landlord and tenant in connection with the occupancy of a dwelling unit and surrounding premises which provides that violations of such obligations by the tenant constitute grounds for eviction.

Subsidized project means a multi-family housing project (with the exception of a project owned by a cooperative housing mortgagor corporation or association) that receives the benefit of subsidy in the form of: below-market interest rates under section 221(d)(3) and (5), interest reduction payments under section 236 of the National Housing Act, or below market interest rate direct loans under section 202 of the Housing Act of 1959. For purposes of this part, subsidized project also includes those units in a housing project that receive the benefit of:

(1) Rental subsidy in the form of rent supplement payments under section 101 of the Housing and Urban Development Act of 1965 (12 U.S.C. 1701s); or

(2) Housing assistance payments for project-based assistance under Section 8 of the 1937 Act (42 U.S.C. 1437f). However, this part is not applicable to Section 8 project-based assistance under parts 880, 881, 883 and 884 of this title (except as specifically provided in those parts).

§ 247.3 Entitlement of tenants to occupancy.

(1) Material noncompliance with the rental agreement.

(2) Material failure to carry out obligations under any state landlord and tenant act.

(3) Criminal activity by a covered person in accordance with sections 5.858 and 5.859, or alcohol abuse by a covered person in accordance with section 5.860. If necessary, criminal records can be obtained for lease enforcement purposes under section 5.903(d)(3).

(4) Other good cause.

No termination by a landlord under paragraph (a)(1) or (2) of this section shall be valid to the extent it is based
§ 247.4 Termination notice.

(a) Requisites of Termination Notice. The landlord’s determination to terminate the tenancy shall be in writing and shall: (1) State that the tenancy is terminated on a date specified therein; (2) state the reasons for the landlord’s action with enough specificity so as to enable the tenant to prepare a defense; (3) advise the tenant that if he or she remains in the leased unit on the date specified for termination, the landlord may seek to enforce the termination only by bringing a judicial action, at which time the tenant may present a defense; and (4) be served on the tenant in the manner prescribed by paragraph (b) of this section.

(b) Manner of service. The notice provided for in paragraph (a) of this section shall be accomplished by: (1) Sending a letter by first class mail, properly stamped and addressed, to the tenant at his or her address at the project, with a proper return address, and (2) serving a copy of the notice on any adult person answering the door at the leased dwelling unit, or if no adult responds, by placing the notice under or through the door, if possible, or else by affixing the notice to the door. Service shall not be deemed effective until both notices provided for herein have been accomplished. The date on which the notice shall be deemed to be received by the tenant shall be the date on which the first class letter provided in this paragraph is mailed, or the date on which the notice provided for in this paragraph is properly given, whichever is later.

(c) Time of service. When the termination of the tenancy is based on other good cause pursuant to §247.3(a)(4), the termination notice shall be effective, and the termination notice shall so state, at the end of a term and in accordance with the termination provisions of the rental agreement, but in
§ 247.5 Inapplicability to substantial rehabilitation or demolition.

This subpart shall not apply in any case in which the landlord terminates the occupancy of a tenant as a direct result of a determination, concurred in by HUD, to substantially rehabilitate or demolish the project or to dispose of the project to a purchaser who purchases for the purpose of substantial rehabilitation or demolition.

§ 247.6 Eviction.

(a) General. The landlord shall not evict any tenant except by judicial action pursuant to State or local law and in accordance with the requirements of this subpart.

(b) Limitations on allegations of new grounds. In any judicial action instituted to evict the tenant, the landlord must rely on grounds which were set forth in the termination notice served on the tenant under this subpart. The landlord shall not, however, be precluded from relying on grounds about which he or she had no knowledge at the time the termination notice was sent.

(c) State and local law. A tenant may rely on State or local law governing eviction procedures where such law provides the tenant procedural rights which are in addition to those provided by this subpart, except where such State or local law has been preempted under part 246 of this chapter or by other action of the United States.

§ 247.7 Implementation.

Every rental agreement entered into or renewed on and after the date on which this subpart is applicable to such tenant shall contain appropriate provisions implementing this subpart.

Subpart B—HUD-Owned Projects

All of the provisions of subpart A of this part covering certain multifamily projects (excepting §247.5) apply with full force to the property described in §247.9 and they are hereby incorporated by reference.
§ 247.9 Applicability of procedures.
The procedures outlined in this subpart apply to all decisions to terminate the occupancy of a tenant by the termination of a lease prior to the end of its term or at the end of a term where the tenant resides in any multifamily project which is presently owned by HUD, regardless of whether said project was a subsidized project prior to the acquisition of title by HUD.

§ 247.10 Inapplicability to substantial rehabilitation or demolition; right of disposition unimpaired.
This subpart shall not apply in any case in which HUD terminates the occupancy of a tenant as a direct result of a determination by HUD to substantially rehabilitate or demolish the project or to dispose of the project to a purchaser who purchases for the purpose of substantial rehabilitation or demolition. Nothing in this subpart should be construed to affect in any way the right of HUD to exercise its full statutory authority and discretion to dispose of property acquired pursuant to the National Housing Act.

Subpart A—General

SOURCE: 57 FR 12041, Apr. 8, 1992, unless otherwise noted.

§ 248.1 Purpose.

The purpose of this part is to—
(a) Preserve and retain to the maximum extent practicable as housing affordable to low income families or persons those privately owned dwelling units that were produced for such purpose with Federal assistance, without unduly restricting the owners’ prepayment rights;
(b) Minimize the involuntary displacement of tenants currently resident in such housing;
(c) Work in partnership with State and local government and the private sector in the provision and operation of housing that is affordable to very low, low and moderate income families; and
(d) Facilitate the sale of housing to residents under a resident homeownership program.

§ 248.3 Applicability.

The requirements of subparts B and C of this part apply to any project that is eligible low income housing, as defined in subpart B of this part respectively, on or after November 1, 1987, except that such requirements shall not apply to a project which receives assistance under title IV, subtitle B of the Cranston-Gonzalez National Affordable Housing Act in connection with a homeownership program approved by the Commissioner thereunder.

§ 248.5 Election to proceed under subpart B or subpart C of this part.

(a) Any owner who has not submitted a notice of intent prior to January 1, 1991, pursuant to either §248.211 or §248.105, shall proceed under subpart B of this part.

(b) Any owner who has filed a plan of action with the Commissioner on or before October 11, 1990 pursuant to subpart C of this part, regardless of whether or not the Commissioner has approved such plan of action or whether the owner has received incentives thereunder, may proceed under subpart B of this part by submitting a notice of intent to the Commissioner in accordance with §248.105 within 30 days after publication of revised Appraisal Guidelines or within thirty days after the Commissioner notifies the owner of HUD’s final approval of the plan of action, whichever is later. The notice of intent shall state that the owner is exercising its conversion right pursuant to this section. If the owner fails to file a notice of intent within that period, the owner forfeits its right of conversion. In awarding incentives to an owner who elects to proceed under subpart B of this part in accordance with this section, the Commissioner shall take into consideration any incentives which the owner has already received under subpart C of this part.

(c) Any owner of housing that becomes eligible low income housing, as defined in subpart B of this part, before January 1, 1991, and who before such date, filed a notice of intent under §248.211 of subpart C of this part, may, unless a plan of action was submitted after October 11, 1990, elect to proceed under subpart B or under subpart C of this part. An owner must indicate its election by submitting to the Commissioner, within 30 days of the effective date of this part, a notice of election to proceed under subpart B or subpart C of this part, or proceed under subpart B of this part until completion of the appraisals and then elect either subpart B or subpart C of this part. An owner who chooses to retain its option until after the completion of the appraisals under §248.111 must submit a new notice of intent to the Commissioner within 30 days after receipt of the information provided by the Commissioner under §248.131. The notice of intent shall be submitted in accordance with either §248.105 (for owners electing to proceed under subpart B of this part) or §248.211.
(for owners electing to proceed under subpart C of this part). Any owner who fails to file a notice of intent within the 30-day period may not proceed under subpart C of this part, but may proceed under subpart B of this part by filing a new notice of intent thereafter. If an owner who has filed a notice of intent before January 1, 1991 elects under this paragraph to proceed under subpart C of this part, it may change its election within 30 days after receipt of the information provided by the Commissioner under §248.131 by filing a new notice of intent under §248.211. For purposes of calculating any time periods or deadlines under this part for actions following the filing of the notice of intent, the date on which the owner submits the new notice of intent under this paragraph shall be deemed the date of the filing of the notice of intent. Any owner who, exercising its option under paragraph (c) of this section, submits a notice of intent under §248.211 after the Commissioner has incurred the cost of having an appraisal, or appraisals, performed pursuant to §248.111 of subpart A of this part, shall reimburse the Commissioner for these expenses within 30 days of receipt of a bill covering these expenses.

(d) For an owner who has elected under paragraph (c) of this section to proceed under subpart C of this part, the Commissioner shall provide sufficient assistance to enable a nonprofit organization that has purchased, or will purchase, eligible low income housing to meet project oversight costs, as that term is defined in §248.201.

(e) The Commissioner shall not refuse to offer incentives under §248.231 to any owner who filed a notice of intent under §248.211 before October 15, 1991, based solely on the date of filing of the plan action.

(f) An owner who has filed a plan of action after October 11, 1990, pursuant to §248.213, may not elect to proceed under subpart B of this part.

(2) Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual;
(3) Complies with standards of financial accountability acceptable to the Commissioner; and
(4) Has among its principal purposes significant activities related to the provision of decent housing that is affordable to very low, low, and moderate income families.

Notice of Intent. An owner's notification to the Commissioner of its intention to terminate the low income affordability restrictions on the project through prepayment of the mortgage or voluntary termination of the insurance contract, to extend the low income affordability restrictions on the project, or to transfer the project to a qualified purchaser.

Owner. The mortgagor or trustor under the mortgage secured by eligible low income housing.

Participating Jurisdiction. For purposes of the resident homeownership program established in § 248.173, any State or unit of general local government that has been so designated in accordance with section 216 of the Cranston-Gonzalez National Affordable Housing Act of 1990 (42 U.S.C. 12746).

Plan of Action. A plan providing for the termination of the low income affordability restrictions on the project through prepayment of the mortgage or voluntary termination of the insurance contract, for extension of the low income affordability restrictions on the project, or for the transfer of the project to a qualified purchaser. A homeownership program constitutes a plan of action for purposes of subpart B of this part.

Prepayment. Prepayment in full of a mortgage, or a partial prepayment or series of partial prepayments that reduces the mortgage term by at least six months, except where the prepayment in full or partial prepayment results from the application of condemnation proceeds.

Preservation Equity. The extension preservation equity or transfer preservation equity, as defined under this section.

Preservation Value. The extension preservation value or transfer preservation value, as defined under this section.

Priority Purchaser. Any entity that is not a related party to the owner and that is either—
(1) A resident council organized to acquire the project in accordance with a resident homeownership program that meets the requirements of subpart B of this part; or
(2) Any nonprofit organization or State or local agency that agrees to maintain low income affordability restrictions for the remaining useful life of the project. A nonprofit organization or State or local agency that is affiliated with a for-profit entity for purposes of purchasing a project under subpart B of this part shall not be considered a priority purchaser.

Project oversight costs. Reasonable expenses incurred by a priority purchaser in carrying out its ongoing ownership responsibilities under an approved plan of action. Project oversight costs must be directly related to educating the priority purchaser's board of directors or otherwise supporting the board in its decision making. Project oversight costs may include staff, overhead, or third-party contract costs for:
(1) Ensuring adequate and responsible participation by the board of directors and the membership of the priority purchaser in ownership decisions, including ensuring resident input in these decisions;
(2) Facilitating long-range planning by the board of directors to ensure the physical, financial and social viability of the project for the entire time the project is maintained as low income housing; and
(3) Assisting the ownership in complying with regulatory, use, loan and grant agreements.

Proprietary information. That information which cannot be released to the public because it consists of trade secrets, confidential financial information, audits, personal financial information about partners in the ownership entity, or income data on project tenants. Where proprietary information cannot be separated from the rest of a document, the entire document
shall be deemed “proprietary information” and shall not be releasable to the public. Where proprietary information can be reasonably segregated from the rest of the document, the proprietary information shall be deleted and the remainder of the document shall be releasable to the public.

Public Housing Agency. A public housing agency, as defined in section 3(b) of the United States Housing Act of 1937 (42 U.S.C. 1437a(b)).

Qualified Purchaser. Any entity that is not a related party to the owner and that agrees to maintain low income affordability restrictions for the remaining useful life of the project, and includes for-profit entities and priority purchasers.

Regulatory Agreement. The agreement executed by the owner and the Commissioner or a State agency providing for the regulation of the operation of the project.

Related Party. An entity that, either directly or indirectly, is wholly or partially owned or controlled by the owner of the project being transferred under subpart B of this part, is under whole or partial common control with such owner, or has any financial interest in such owner or in which such owner has any financial interest. However, this shall not prohibit a nonprofit organization from buying out the interest of its limited dividend or for-profit partners in connection with the sale of eligible low income housing under subpart B of this part, as long as the sale is made on an arm’s length basis and the partners who sell their interest completely divest themselves of any input in the continued operation of the project. The purchaser and the owner shall not be deemed related parties on the basis that financing is provided to the purchaser by the seller, or a management company affiliated with the seller, as long as:

1. Only a loan, and not a grant, is provided;
2. The financing is provided for the acquisition of the project, the rehabilitation of the project, or both;
3. In the case of financing for the acquisition of the project, the sum of the principal amount of the loan, plus the amount of the acquisition loan under section 241(f) of the National Housing Act (12 U.S.C. 1715e–6(f)), and any Federal grant to cover acquisition of the project, does not exceed the sum of the sales price and the expenses associated with the acquisition, loan closing and implementation of the plan of action; and in the case of financing for the rehabilitation of the project, the principal amount of the loan does not exceed the equity requirements applicable to the rehabilitation loan or capital improvement loan obtained by the purchaser under part 241 or part 219 of this chapter;
4. The loan is not a condition of accepting a bona fide offer or entering into a sales contract;
5. The seller has no input in the continued operation of the project as a result of the loan; and
6. In the case of a loan provided by a management company that is affiliated with the seller, the execution of a management contract between the purchaser and the management company is not a condition of the loan. This rule does not bar an owner, or former owner, from membership on a nonprofit organization’s board of directors, as long as the owner, or former owner, participates only in his or her personal capacity, without compensation, and holds a nonvoting membership. The purchaser and the owner shall not be deemed related parties solely by reason of the purchaser’s retention of a property management entity of a company that is owned or controlled by the owner or a principal thereof, if retention of the management company is neither a condition of sale nor part of consideration paid for the project and the property management contract is negotiated by the qualified purchaser on an arm’s length basis.

Relevant Local Market. An area geographically smaller than the market area established by the Commissioner for purposes of determining the section 8 existing fair market rent, that is identifiable as a distinct rental market area in which similar projects and units would effectively compete with the subject project, for potential tenants.

Relocation Expenses. Relocation expenses shall consist of payment for—
1. Advisory services, including timely information, counseling (including
§ 248.101

the provision of information on a resident’s rights under the Fair Housing Act (42 U.S.C. 3601–3619)); and referrals to suitable, affordable, decent, safe and sanitary alternative housing; and

(2) Payment for actual, reasonable moving expenses.

Remaining Useful Life. With respect to eligible low income housing, the period during which the physical characteristics of the project remain in a condition suitable for occupancy, assuming normal maintenance and repairs are made and major systems and capital components are replaced as becomes necessary.

Reserve for Replacements. The escrow fund established under the regulatory agreement for the purpose of ensuring the availability of funds for needed repair and replacement costs.

Resident Council. Any incorporated nonprofit organization or association in which membership is available to all the tenants, and only the tenants, of a particular project and—

(1) Is representative of the residents of the project;
(2) Adopts written procedures providing for the election of officers on a regular basis; and
(3) Has a democratically elected governing board, elected by the residents of the project.

Residual Receipt Fund. The fund established under the regulatory agreement for holding cash remaining after deducting from the surplus cash, as defined by the regulatory agreement, the amount of all allowable distributions.

Return on Investment. The amount of allowable distributions that a purchaser of a project may receive under a plan of action under § 248.157 or § 248.161.

Section 8 Assistance. Assistance provided under parts 880 through 887 and 982 and 983 of this title.

Special Needs Tenants. Those “elderly persons,” 62 years of age or older, “elderly families,” or families that include “disabled persons,” as such terms are defined in part 5 of this title, or large families of five or more persons and requiring units with three or more bedrooms.

State assisted or subsidized mortgage. A mortgage which is assisted or subsidized by an agency of a State government without any Federal mortgage subsidy.

Tenant Representative. A designated officer of an organization of the project’s tenants, a tenant who has been elected to represent the tenants of the project with respect to subpart B of this part, or a person or organization that has been formally designated or retained by an organization of the project’s tenants to represent the tenants with respect to subpart B of this part.

Termination of Low Income Affordability Restrictions. The elimination of low income affordability restrictions under the regulatory agreement through termination of mortgage insurance or prepayment of the mortgage.

Transfer Preservation Equity. The transfer preservation equity of a project is:

(1) The transfer preservation value of the project determined under § 248.111; less
(2) The outstanding balance of the federally-assisted mortgage(s) for the project.

Transfer Preservation Rent. For purposes of receiving incentives pursuant to a sale of the project, transfer preservation rent shall be the gross income for the project that would be required to support:

(1) Debt service on the loan for acquisition of the project;
(2) Debt service on any rehabilitation loan for the project;
(3) Debt service on the federally-assisted mortgage(s) for the housing;
(4) Project operating expenses; and
(5) Adequate reserves.

Transfer Preservation Value. The fair market value of the project based on its highest and best use.

Very Low Income Families. Families or persons whose incomes do not exceed the level established for very low income families under part 5 of this title.

Voluntary Termination of Mortgage Insurance. The termination of all rights under the mortgage insurance contract and of all obligations to pay future insurance premiums.

§ 248.103 General prepayment limitation.

(a) Prepayment. An owner of eligible low income housing may prepay, and a mortgagee may accept prepayment of, a mortgage on such project only in accordance with a plan of action approved by the Commissioner.

(b) Termination. A mortgage insurance contract with respect to eligible low income housing may be terminated pursuant to § 207.253 of this chapter only in accordance with a plan of action approved by the Commissioner.

(c) Foreclosure. A mortgagee of a mortgage insured by the Commissioner may foreclose the mortgage on, or acquire by deed in lieu of foreclosure, any eligible low income housing only if the mortgagee also conveys title to the project to the Commissioner in connection with a claim for insurance benefits.

(d) Effect of unauthorized prepayment. A mortgagee's acceptance of a prepayment in violation of paragraph (a) of this section, or the voluntary termination of a mortgage insurance contract with respect to eligible low income housing may be terminated pursuant to § 207.253 of this chapter only in accordance with a plan of action approved by the Commissioner.

(e) Remedies for unauthorized prepayment. A mortgagee's acceptance of a prepayment in violation of paragraph (a) of this section, or the voluntary termination of a mortgage insurance contract in violation of paragraph (b) of this section, shall be null and void and any low income affordability restrictions on the project shall continue to apply to the project.

§ 248.105 Notice of intent.

(a) Eligibility for filing. An owner of eligible low income housing intending to prepay the mortgage or voluntarily terminate the mortgage insurance contract pursuant to § 248.141, extend the low income affordability restrictions of the housing in accordance with § 248.153, or transfer the housing to a qualified purchaser under § 248.157, may file a notice of intent unless the mortgage covering the project—

(1) Continued in default or fell into default on or after the November 28, 1990, and the mortgage has been assigned to the Commissioner as a result of such default;

(2) Continued in default or fell into default on or after November 28, 1990, while the mortgage was held by the Commissioner;

(3) Fell into default prior to November 28, 1990, if the owner entered into a workout agreement prior to that date, and on or after that date, the owner has defaulted under the workout agreement (and, if the agreement was with an insured mortgagee, the mortgage has been assigned to the Commissioner as a result of the default under the workout agreement); or

(4) Fell into default prior to November 28, 1990, but has been current since that date and the owner has not agreed to recom pense the appropriate insurance fund for losses sustained by the fund as a result of any work-out or other arrangement agreed to by the Commissioner and the owner with respect to the defaulted mortgage.

(b) Filing with the Commissioner. The notice of intent shall be filed with the HUD Field Office in whose jurisdiction the project is located. The notice of intent shall identify the project by name, project number and location. It shall contain a statement indicating whether the owner intends to extend the affordability restrictions on the project by retaining ownership of the project, or transferring it to a qualified purchaser, or whether the owner intends to terminate the affordability restrictions on the project through prepayment of the mortgage or termination of the mortgage insurance contract.

The notice of intent shall also request the tenants to notify the owner, the Commissioner, and the State or local officer identified in the notice of intent of any individual or organization that has been designated or retained by the tenants to represent the tenants with respect to the actions to be taken under subpart B of this part.

(c) Filing with the State or local government and tenants. The owner simultaneously shall file the notice of intent with the chief executive officer of the appropriate State or local government in which the project is located, or any
officer designated by executive order or State or local law to receive such information, and with the mortgagee. In addition, the owner shall deliver a copy of the notice of intent to each occupied unit in the project and to any tenant representative, if any, known to the owner, and shall post a copy of the notice of intent in readily accessible locations within each affected building of the project. The copies of the notice of intent delivered to the tenants and the tenant representative shall include a summary of possible outcomes of the filing which shall be furnished by the Commissioner. Upon the request of any non-English speaking tenants residing in the affected project, the owner shall tabulate the number and type of translations needed by the tenants and request the local HUD field office to provide the appropriate translations. The owner shall deliver a copy of the translated notice of intent to all of the tenants who requested such translation. The failure of an owner to comply with any non-federal notice requirements shall not invalidate the notice of intent.

§ 248.111 Appraisal and preservation value of eligible low income housing.

(a) Appraisal. Upon receiving a notice of intent indicating an intent to extend the low income affordability restrictions under § 248.153 or transfer the project under § 248.157, the Commissioner shall provide for determination of the preservation values of the project pursuant to this section.

(b) Notice. Within 30 days after the filing of a notice of intent to extend the income restrictions or to transfer the project, the Commissioner shall provide the owner with written notice of—

1. The need for, and the rules and guidelines governing, an appraisal of the project;
2. The filing deadline for submission of the appraisal;
3. The need for an appraiser retained by the Commissioner to inspect the project and the project’s financial records; and
4. Any delegation to an appropriate State agency, if any, by the Commissioner of responsibilities regarding the performance of an appraisal pursuant to this section.

(c) Appraisers. The Commissioner and the owner shall each select and compensate an appraiser who shall:

1. Neither be an employee of the Federal Government nor an employee or officer of any entity that is affiliated with the owner or the mortgagee of record;
2. Be certified by the appropriate State agency under the standards established by the Federal Financial Institutions Reform, Recovery and Enforcement Act of 1989 (12 U.S.C. 1451–1459); and
3. Have six years of experience in the appraisal profession and at least three years experience in the practice of appraising multifamily residential properties;
4. Is not the subject of a charge issued following a reasonable cause determination under the Fair Housing Act (42 U.S.C. 3601–3619).

(d) Guidelines. The Commissioner shall provide to the owner and the appraiser retained by the Commissioner guidelines for conducting the appraisal. The guidelines established by the Commissioner shall be consistent with customary appraisal standards. The guidelines shall assume repayment of the existing federally-assisted mortgage(s), termination of the existing Federal low income affordability restrictions, simultaneous termination of any Federal rental assistance, and costs of compliance with any State or local laws of general applicability. The guidelines may permit reliance upon assessments of rehabilitation needs and other conversion costs determined by an appropriate State agency, as determined by the Commissioner.

(e) Operating expenses. For the purpose of determining preservation values, the guidelines shall instruct the appraiser to use the greater of actual project operating expenses at the time of the appraisal, based on the average of the actual project operating expenses during the preceding three years, or projected operating expenses after conversion, as determined by the Commissioner. However, if the current year operating expenses are higher than those of the preceding three years
and the Commissioner has made a determination that these costs are unlikely to decrease in the future, the appraiser shall use current year operating expenses rather than operating expenses for the preceding three years for purposes of comparison with projected operating expenses after conversion. Likewise, if the current year operating expenses are lower than those of the preceding years and the Commissioner has made a determination that these costs are unlikely to increase in the future, the appraiser shall use current year operating expenses rather than operating expenses for the preceding three years for purposes of comparison with projected expenses after conversion. Where the highest and best use of a project is not as rental housing, the appraiser shall use projected operating expenses assuming conversion of the project to its highest and best use.

(f) Preservation values. The preservation values will be determined on the basis of the appraisals conducted by the owner’s and the Commissioner’s independent appraisers. Each appraiser will determine both the extension preservation value and the transfer preservation value, regardless of the owner’s intentions as indicated in the notice of intent.

(g) Highest and best use as residential property. In determining the extension preservation value of the project, the appraiser shall assume conversion of the project to market-rate rental housing. The appraiser shall, in accordance with the guidelines established by the Commissioner, determine the amount of rehabilitation expenditures, if any, that would be necessary to bring the project up to quality standards required to attract and sustain a market-rate tenancy upon conversion and assess other costs that the owner could reasonably be expected to incur if the owner converted the property to market-rate multifamily rental housing.

(h) Highest and best use. In determining the transfer preservation value for the project, the appraiser shall assume conversion of the project to highest and best use for the property, and shall, in accordance with the guidelines established by the Commissioner, determine the amount of any rehabilitation expenditures, including demolition, that would be necessary to convert the project to such use and assess other costs that the owner could reasonably be expected to incur if the owner converted the property to its highest and best use.

(i) Submission of appraisal. Within four months after the filing of the notice of intent:

1. The owner shall submit to the HUD Field Office in whose jurisdiction the project is located, the appraisal made by the owner’s selected appraiser; and

2. The Commissioner’s selected appraiser shall conduct and submit an appraisal to the Commissioner.

(j) Joint determination of preservation values. No later than one month after the owner and the Commissioner exchange appraisals, the owner and the Commissioner shall, on the basis of the appraisals delivered to them, agree on the preservation values of the project. If no agreement as to preservation values can be reached, the owner and the Commissioner shall jointly select a third appraiser meeting the qualifications set forth in paragraph (c) of this section by the end of six months from the date that the notice of intent was filed. The cost of this third appraisal shall be borne equally by both parties. The third appraiser must comply with the guidelines set forth in paragraph (d) of this section and must conduct the appraisal and submit an appraisal within two months after accepting the assignment. The determination by the third appraiser of the project’s preservation values shall be binding on both the owner and the Commissioner.

(k) Timeliness of appraisals. The Commissioner may approve a plan of action to receive incentives under §§ 248.153, 248.157 or 248.161 only based upon an appraisal conducted in accordance with this section that is not more than 30 months old, unless the failure of the Commissioner to approve the plan of action within the 30-month period was due to circumstances beyond the control of the owner.

[57 FR 12041, Apr. 8, 1992, as amended at 58 FR 4871, Jan. 15, 1993]
§ 248.121 Annual authorized return and aggregate preservation rents.

(a) Annual authorized return. For each eligible low income housing project appraised under §248.111, the Commissioner shall set an annual authorized return on the project equal to 8 percent of the extension preservation equity.

(b) Aggregate preservation rents. For each eligible low income housing project appraised under §248.111, the Commissioner shall also determine the aggregate preservation rents. The aggregate preservation rents shall be used solely for the purposes of comparison with the Federal cost limit under §248.123. Actual rents received by the owner (or a qualified purchaser) shall be determined pursuant to §§248.153, 248.157, and 248.161.

(c) Extension preservation rent. The extension preservation rent shall be the gross potential income for the project, as determined by the Commissioner, that would be required to support—

(1) The annual authorized return determined under paragraph (a) of this section;

(2) Debt service on any rehabilitation loan for the project, assuming a market rate of interest and customary terms;

(3) Debt service on the federally-assisted mortgage(s) for the project;

(4) Project operating expenses as determined by the Commissioner; and

(5) Adequate reserves.

(d) Transfer preservation rent. The transfer preservation rent shall be the gross potential income for the project, as determined by the Commissioner, that would be required to support—

(1) Debt service on the loan for acquisition of the project;

(2) Debt service on any rehabilitation loan for the project, assuming a market rate of interest and customary terms;

(3) Debt service on the federally-assisted mortgage(s) for the project;

(4) Project operating expenses as determined by the Commissioner; and

(5) Adequate reserves.

(e) Adequate reserves and operating expenses. For purposes of this section—

(1) Adequate reserves are the amount of funds which, when added to existing reserves, are sufficient to maintain the project, including needed deferred maintenance, at a level that meets the standards set forth in §248.147; and

(2) Project operating expenses shall be based on operating expenses for the preceding 3 years, adjusted for reasonable reductions in operating costs due to rehabilitation and energy improvements. For purposes of comparison to the gross rents used in determining the Federal cost limit, project operating expenses shall include the cost of utilities paid by the residents.

(f) Debt service. For purposes of this section, the amount of debt service for an acquisition loan will be estimated based on the maximum loan to which the purchaser is entitled under §241.1067 of this chapter. The debt service on any rehabilitation loan will be estimated using costs derived from the appraisals conducted under §248.111, taking into account any funds provided for rehabilitation by State or local governments and assuming market rate interest rates.

§ 248.123 Determination of Federal cost limit.

(a) Initial determination. For each eligible low income housing project appraised under §248.111, the Commissioner shall determine whether the aggregate preservation rents for the project exceed the amount determined by multiplying the number of dwelling units in the project, according to the appropriate unit sizes, by 120 percent of the section 8 existing fair market rent for the appropriate unit sizes.

(b) Relevant local markets. If either the extension or transfer preservation rent for a project exceeds the amount determined under paragraph (a) of this section, the Commissioner shall determine whether such extension or transfer preservation rent exceeds the amount determined by multiplying the number of units in the project, according to the appropriate unit sizes, by 120 percent of the prevailing rents in the relevant local market area. The relevant local market, and the prevailing rents in such relevant local market, shall be determined on the basis of the appraisal conducted by the appraiser selected by the Commissioner pursuant to §248.111 and any other information that the Commissioner determines is appropriate. If there are no comparables in
Office of Assistant Secretary for Housing, HUD

§ 248.131 Information from the Commissioner.

(a) Information to owners terminating affordability restrictions. Within six months after receipt of a notice of intent to terminate the low income affordability restrictions under §248.141, the Commissioner shall provide the owner with a description of the criteria for such termination and with information that the owner needs to prepare a plan of action. This shall include information concerning the standards under §248.141 regarding the approval of a plan of action and a list of the Federal incentives authorized under §248.153 and available to those projects for which a plan of action involving termination of low income affordability restrictions, through prepayment of the mortgage or termination of the mortgage insurance contract, would not be approvable. The Commissioner shall also provide the owner with any other relevant information which the Commissioner may possess.

(b) Information to owners extending affordability restrictions. Within nine months of receipt of a notice of intent to extend the low income affordability restrictions under §248.153 or to transfer the project under §248.157, the Commissioner shall provide the owner who submitted the notice with—

(1) A statement of the preservation values of the project as determined under §248.111;

(2) A statement of the aggregate preservation rents for the project as calculated under §248.121;

(3) A statement of the applicable Federal cost limit for the market area (or relevant local market, if applicable) in which the project is located, and an explanation of the limitations under §248.127 on the amount of assistance the Commissioner may provide based on such cost limits;

(4) A statement of whether either of the aggregate preservation rents exceeds the Federal cost limit; and

(5) A direction to file a plan of action and the information necessary to file a plan of action; or

(6) A direction to submit a second notice of intent under §248.133.

(c) Information to tenants and State or local governments. The Commissioner shall provide any information provided to the owner under paragraphs (a) and (b) of this section to the tenant representative, if any, known to the Commissioner, and shall post a notice in each affected building informing tenants of the name(s), address(es), and telephone number(s) of the tenant representative(s) and appropriate personnel in the local HUD field office,
§ 248.133 Second notice of intent.

(a) Filing. A second notice of intent must be filed by all owners who, after receiving the information provided by the Commissioner in § 248.131, elect to transfer the project under §§ 248.157 or 248.161.

(b) Timeliness. A second notice of intent must be submitted not later than 30 days after receipt of the information provided by the Commissioner under § 248.131. If an owner who is required to submit a second notice of intent fails to do so within this time period, the original notice of intent submitted under §§ 248.157 or 248.161 shall be void and ineffective for purposes of subpart B of this part.

(c) Filing with the State or local government and tenants. The owner shall notify the tenants of the plan of action by posting in each occupied building a summary of the plan of action and by delivery of a copy of the plan of action to the tenant representative, if any. In addition, the summary must indicate that a copy of the plan of action shall be available from the tenant representatives, whose names, addresses and telephone numbers are indicated on the summary, the local HUD field office, and the on-site office for the project, or if one is not available, in the location where rents are collected, for inspection and copying, at a reasonable cost, during normal business hours. Simultaneously with the submission to the Commissioner, the owner shall submit the plan of action to that officer of State or local government to whom the owner submitted a notice of intent under § 248.105(c). The Commissioner shall submit a copy of the plan of action to the chief executive officer of the appropriate agency of such State or local government which shall review the plan of action and advise the tenants of the project of any programs that are available to assist the tenants in carrying out the purposes of this subpart. The summary of the plan of action posted by the owner and the copies of the plan of action submitted to the tenant representative, the officer of State or local government to whom the owner submitted a notice of intent under § 248.105(c) and the chief executive officer of the appropriate State or local government, shall all state that, upon request, the tenants and the State or local government, may obtain from the owner or from the
local HUD field office a copy of all documentation supporting the plan of action except for that documentation deemed “proprietary information” under §248.101.

(d) Termination of affordability restrictions. If the plan of action proposes to terminate the low income affordability restrictions through prepayment or voluntary termination in accordance with §248.141, it shall include:

(1) A description of any proposed changes in the status or terms of the mortgage or regulatory agreement;

(2) A description of any proposed changes in the low income affordability restrictions;

(3) A description of any change in ownership that is related to prepayment or voluntary termination;

(4) An assessment of the effect of the proposed changes on existing tenants;

(5) An income profile of the tenants as of the date of submission of the plan of action and as of January 1, 1987 (based on the area median income limits established by the Commissioner in February 1987), or if the January 1, 1987 profile is unavailable, a certification from the owner stating its unavailability and a profile as of January 1, 1988, or, if that is also unavailable, a profile as of January 1, 1989;

(6) A transfer of physical assets package, if a transfer is proposed;

(7) A list of any waivers requested by the owner pursuant to §248.7; and

(8) Any other information that the Commissioner determines is necessary to achieve the purposes of subpart B of this part.

(e) Extension of affordability restrictions. If the plan of action proposes to extend the low income affordability restrictions of the project in accordance with §248.153 or transfer the project to a qualified purchaser in accordance with §§248.157 or 248.161, the plan of action shall include:

(1) A description of any proposed changes in the status or terms of the mortgage or regulatory agreement;

(2) A description of the Federal incentives requested, including cash flow projections and analyses of how the owner will address any physical or financial deficiencies and maintain the low income affordability restrictions of the project;

(3) A description of any assistance from State or local government agencies, including low income housing tax credits that have been offered to the owner or purchaser or for which the owner or purchaser has applied or intends to apply;

(4) A description of any transfer of the property, including the identity of the transferee and a copy of any documents of sale;

(5) An income profile of the tenants as of January 1, 1987 (based on the area median income limits established by the Commissioner in February 1987), or if the January 1, 1987 profile is unavailable, a certification from the owner stating its unavailability and a profile as of January 1, 1988, or, if that is also unavailable, a profile as of January 1, 1989;

(6) A list of any waivers requested by the owner pursuant to §248.7; and

(7) Any other information that the Commissioner determines is necessary to achieve the purposes of subpart B of this part.

(f) Revisions. The owner or owner and purchaser may from time to time revise and amend the plan of action as may be necessary to obtain approval under subpart B of this part and must amend the plan of action no later than 30 days after a change in any of the information required in paragraphs (d) or (e) of this section. The owner shall submit any revision to the Commissioner, and provide a copy of the revision and all documentation supporting the revision except for that documentation deemed “proprietary information” under §248.101, to the parties, and in the manner, specified in paragraph (c) of this section.

(g) Failure to Submit. If the owner fails to submit a plan of action to the Commissioner, when prepayment or termination is sought, within the 6 month period set forth in paragraph (a) of this section or, when a transfer is sought, if the owner and purchaser fail to submit a plan of action within the 6 month time period set forth in paragraph (b) of this section, the notice of intent filed by the owner under §248.105 shall be ineffective for the purposes of subpart B of this part and the owner shall be barred from submitting another notice of intent under §248.105 until 6 months after expiration of such period.
§ 248.141 Criteria for approval of a plan of action involving prepayment and voluntary termination.

(a) Approval. The Commissioner may approve a plan of action that provides for the termination of the low income affordability restrictions through prepayment of the mortgage or voluntary termination of the mortgage insurance contract only upon a written finding that—

(1) Implementation of the plan of action will not—

(i) Materially increase economic hardship for current tenants, and will not in any event result in a monthly rental payment by any current tenant that exceeds 30 percent of the monthly adjusted income of the tenant or an increase in the monthly rental payment in any year that exceeds 10 percent (whichever is lower); or

(ii) Involuntarily displace current tenants (except for good cause) where comparable and affordable housing is not readily available, determined without regard to the availability of Federal housing assistance that would address any such hardship or involuntary displacement; and

(2) The supply of vacant, comparable housing is sufficient to ensure that such prepayment will not materially affect—

(i) The availability of decent, safe, and sanitary housing affordable to low income and very low income families or persons in the area that the housing could reasonably be expected to serve;

(ii) The ability of low income and very low income families or persons to find affordable, decent, safe, and sanitary housing near employment opportunities; or

(iii) The housing opportunities of minorities in the community within which the housing is located.

(3) There are no open audit findings, open findings of noncompliance with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d); the Fair Housing Act (42 U.S.C. 3601–3619); Executive Order 11063 (3 CFR 1959–1963 comp., p. 652); the Age Discrimination Act of 1975 (42 U.S.C. 6101–6107); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794); and all regulations promulgated under such statutes and authorities (including, but not limited to 24 CFR part 100), or outstanding violations of the regulatory agreement.

(b) For purposes of approving a plan of action under this section, the Commissioner shall find that the requirements of paragraph (a)(1) of this section have been met if the owner agrees to execute a use agreement which provides that rents for all tenants residing at the project at the time of plan of action approval will not exceed the limit established in paragraph (a)(1)(i) of this section and that no tenant residing in the project at the time of plan of action approval will be involuntarily displaced without good cause.
(c) For purposes of approving a plan of action under this section, the Commissioner shall find that the requirements of paragraph (a)(2) of this section have been met if the project is located in a housing market area which has been determined to have an adequate supply of decent, safe and sanitary rental housing; and it has been determined, based on the specific characteristics of the project, that the prepayment would not materially affect the housing opportunities of low and very-low income families.

(1) For purposes of this section, a "housing market area" is defined as an area where rental housing units of similar characteristics are in relative competition with each other. If a project is in a non-metropolitan area, the housing market area is the county in which the project is located. If the project is located in a metropolitan area the housing market area is the primary metropolitan statistical area (PMSA), or in the case of very large metropolitan areas, the housing market area may be a portion of the PMSA.

(2) For purposes of this section, a housing market area may be determined to have an adequate supply of decent, safe, and sanitary rental housing if the housing market area has a soft rental market. A soft rental market is a housing market area in which the supply of vacant available rental housing significantly exceeds the demand. A soft rental market exists if:

(i) There is currently a surplus of rental housing such that the current excess supply of vacant available housing, plus units currently under construction, is expected to exceed demand for at least the next 24 months; or

(ii) Within the next 12 months, based on the housing production (units currently under construction or with firm planning commitments), in combination with the current supply of available vacant units, supply is expected to exceed demand for at least 24 months.

(3) In order to determine whether the housing market area has a soft rental market, the Commissioner shall consider data from the 1990 Decennial Census and the most recent available local data concerning changes in population, households, employment, the housing inventory, residential construction activity, and the current and anticipated supply/demand conditions within the overall rental market, as well as the occupancy and vacancy situation in assisted housing projects in the area, including information on waiting lists and the experience of voucher holders in finding units.

(4) Once the Commissioner has compiled the necessary data and conducted the analysis under paragraph (c) of this section the Commissioner shall issue a written finding to the owner stating whether the plan of action to terminate the low income affordability restrictions is approved or disapproved. The written finding shall contain a specific determination of whether the market area is a soft rental market.

(d) A determination must also be made on whether the prepayment would materially affect the housing opportunities of low and very-low income families in the area, based on the specific characteristics of the project including unit sizes, the type of tenants, e.g., elderly, handicapped, large families, minorities, the location of the project with respect to its proximity to employment opportunities; and the availability of other assisted housing within the immediate area. The prepayment would be determined to materially affect housing opportunities if:

(i) The project is needed to assist in preserving low income housing in a neighborhood which is being revitalized;

(ii) The project represents a rare source or the only source of low-and moderate-income rental housing in the immediate area;

(iii) There is a shortage of the particular type of rental housing provided by the project such as units suitable for the disabled, single room occupancy, or units for large families;

(iv) The preservation of the housing would be necessary to avoid adversely affecting the housing opportunities of low and very-low income families to find housing near employment opportunities; or

(v) The preservation of the housing would be necessary to avoid adversely affecting the housing opportunities of minorities in the community within which the housing is located.

(d) Once the Commissioner has compiled the necessary data and conducted the analysis under paragraph (c) of this section the Commissioner shall issue a written finding to the owner stating whether the plan of action to terminate the low income affordability restrictions is approved or disapproved. The written finding shall contain a specific determination of whether the market area is a soft rental market.
and prepayment would materially affect housing opportunities. The written finding shall include:

(1) A statement as to whether the owner has agreed to execute a use agreement to protect current tenants, in accordance with paragraph (b) of this section;

(2) A description of the geographic boundaries of the housing market area in which the project is located;

(3) An analysis of current and anticipated supply/demand conditions in both the overall rental market and the assisted housing inventory; and

(4) A discussion of whether the prepayment would materially affect the housing opportunities, given the specific characteristics of the project.

disapproval. If the Commissioner determines a plan of action to prepay a mortgage or terminate an insurance contract fails to meet the requirements of paragraph (a) of this section, the Commissioner shall disapprove the plan and within a reasonable time, shall inform the owner of the reasons for disapproval and suggest alternatives. In the case of disapproval of the plan of action, except for the failure to meet the requirement of paragraph (a)(3) of this section, the notice of intent filed under §248.105 shall be rendered ineffective for the purposes of this subtitle, and the owner, in order to receive incentives, must file a new notice of intent under such section.

§248.145 Criteria for approval of a plan of action involving incentives.

(a) Approval. The Commissioner may approve a plan of action for extension of the low income affordability restrictions on an eligible low income housing project or for transfer of the housing to a qualified purchaser, other than a resident council acquiring the project under a resident homeownership plan, only upon a finding that—

(1) Due diligence has been given to ensuring that the package of incentives set forth in the plan of action is, for the Federal Government, the least costly alternative that is consistent with the full achievement of the purposes of this subpart.

(2) The project will be retained as housing affordable for very low, low and moderate income families and persons, as determined under paragraph (a)(8) of this section, for the remaining useful life of the project;

(3) Throughout the remaining useful life of the project, adequate expenditures will be made for maintenance and operation of the project and the project meets the housing standards established in §248.147 as determined by inspections conducted by the Commissioner;

(4) Current tenants will not be involuntarily displaced, except for good cause;

(5) Any increase in rent contributions for current tenants will be to a level that does not exceed 30 percent of the adjusted income of the tenant or the fair market rent, whichever is lower. However, the rent contributions of any tenants occupying the project at the time of any increase may not be reduced by reason of this paragraph, except with respect to tenants receiving section 8 assistance in accordance with paragraph (a)(7) of this section;

(6) Any resulting increase in rents for current tenants (except for increases made necessary by increased operating costs) shall be phased in as follows:

(i) If such increase is 30 percent or more, the increase shall be phased in equally over a period of not less than three years, with the first increase occurring upon the effective date of the plan of action, and the subsequent two increases occurring annually thereafter;

(ii) If such increase is more than 10 percent but less than 30 percent, it shall be limited to not more than 10 percent per year;

(7) Section 8 assistance shall be provided, to the extent appropriations are available, if necessary to mitigate any adverse effect on current very low and low income tenants;

(8) Rents for units becoming available to new tenants shall be at levels approved by the Commissioner, taking into account any incentives provided
under subpart B of this part, that will ensure, to the extent practicable, that the units will be available and affordable to the same proportions of very low, low and moderate income families and persons, including families and persons whose incomes are 95 percent or more of area median income, as based on the area median income limits established by the Commissioner in February 1987, as resided in the project as of the date of the tenant income profile submitted under §248.135(e)(5), or the date the plan of action is approved, whichever date results in the highest proportion of very low income families. This limitation shall not prohibit a higher proportion of very low income families and persons from occupying the project;

(9) Future rent adjustments shall be—

(i) Made by applying an annual factor, to be determined by the Commissioner, to the portion of rent attributable to operating expenses for the project, and, where the owner is a priority purchaser, to the portion of rent attributable to project oversight costs, as that term is defined in §248.101; and

(ii) Subject to a procedure, established by the Commissioner, for owners to apply for rent increases not adequately compensated by annual adjustment under paragraph (a)(9)(i) of this section only if the Commissioner determines such increases are necessary to reflect extraordinary necessary expenses of owning and maintaining the project;

(10) Any savings from reductions in operating expenses due to management efficiencies shall be deposited in project reserves for replacement and the owner shall have periodic access to such reserves, to the extent the Commissioner determines that the level of the reserves is adequate and that the project is maintained in accordance with the standards established in §248.147;

(11) The mortgage on the project is current; and

(12) There are no open audit findings, open findings of noncompliance with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d); the Fair Housing Act (42 U.S.C. 3601–3619); Executive Order 11063 (3 CFR 1959–1963 comp., p. 652); the Age Discrimination Act of 1975 (42 U.S.C. 6101–6107); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794); and all regulations promulgated under such statutes and authorities (including, but not limited to, 24 CFR part 100), or outstanding violations of the regulatory agreement.

(b) Compliance with housing standards. No incentives under §248.153 may be provided, other than to qualified purchasers under §§248.157 and 245.161, and no distributions may be taken by the owner or purchaser, until the Commissioner determines that the project meets the housing standards set forth in §248.147, except that incentives designed to correct deficiencies in the project may be provided.

(c) Implementation. Any agreement to maintain the low income affordability restrictions for the remaining useful life of the project may be made through execution of a new regulatory agreement, modifications to the existing regulatory agreement or mortgage, or in the case of prepayment of a mortgage or voluntary termination of mortgage insurance, a recorded instrument.

(d) Determination of remaining useful life. The Commissioner shall make determinations, on the record and after opportunity for a hearing, as to when the useful life of an eligible low income housing project has expired. Under procedures and standards to be established by the Commissioner, owners of eligible low income housing may petition the Commissioner for a determination that the useful life of such project has expired. Such petition may not be filed before the expiration of the 50-year period beginning upon the approval of a plan of action under subpart B of this part with respect to such project. In making a determination pursuant to a petition under paragraph (d) of this section, the Commissioner shall presume that the useful life of the project has not expired, and the owner shall have the burden of proof in establishing such expiration. The Commissioner may not determine that the useful life of any project has expired if such determination results primarily
§ 248.147 Housing standards.

(a) Standards. As a condition to receiving incentives under subpart B of this part, the owner shall agree to maintain the project in accordance with local housing codes and the housing quality standards set forth in § 886.307 of this title. Where a housing quality standard conflicts with local housing codes, the owner shall maintain the project in compliance with the standard that is stricter.

(b) Annual inspections. The Commissioner shall inspect each project at least annually in order to determine compliance with the housing quality standards. At least 30 days prior to the inspection, the Commissioner shall notify any tenant representatives, or if none exist, the Commissioner shall provide the owner with a notice to be posted in each affected building, stating the time and date of the inspection and advising any interested tenants that they may accompany HUD personnel on the inspection and/or submit any comments they may have on the physical condition of the project. The Commissioner shall notify the owner of any deficiencies within 30 days following the inspection. The owner shall have 90 days from the date of such notification to correct any deficiencies cited by the Commissioner and shall promptly notify the Commissioner when such deficiencies have been corrected. The Commissioner shall reinspect the project upon such notification or, if the owner does not notify the Commissioner, upon the expiration of the 90-day period.

(c) Sanctions for noncompliance. If the Commissioner determines, upon rein- spection of the project, that the project is still not in compliance with the standards set forth in paragraph (a) of this section, the Commissioner shall take any action appropriate to bring the project into compliance, including—

(1) Directing the mortgagee, with respect to an equity take-out loan provided under part 241 of this chapter, to withhold the disbursement to the owner of any escrowed loan proceeds and requiring that such proceeds be used for repair of the project; and

(2) Reduce the amount of the allowable distributions to 4 percent of extension preservation equity or (in the case of a purchaser 4 percent of cash invested, as appropriate, for the period ending upon a determination by the Commissioner that the project is in compliance with the standards and re- quiring that such amounts be used for repair.

(d) Continued compliance. To ensure continued compliance with the standards set forth in paragraph (a) of this section for a project subject to any action under paragraph (c) of this section, the Commissioner may limit access of and use by the owner of such amounts set forth in paragraph (c) of this section, for not more than the 2-year period beginning upon the determination that the project is in compliance with the housing standards.

(e) Sanctions for continuous noncompliance. If, upon inspection, the Commissioner determines that any eligible low income housing project has failed to comply with the standards established under this section for two consecutive
years, the Commissioner may, upon notification to the owner of the non-compliance, take one or more of the following actions:

(1) Subject to the availability of appropriations, provide assistance, other than project-based assistance attached to the project, under part 982 of this title for any tenant eligible for such assistance who desires to terminate occupancy in the project. For each unit in the project vacated pursuant to the provision of assistance under this paragraph, the Commissioner may, notwithstanding any other law or contract for assistance, cancel the provision of project-based assistance attached to the project for one dwelling unit, if the project is receiving such assistance, or convert the project-based assistance allocation for that unit to assistance under part 982 of this title;

(2) In the case of projects for which an equity take-out loan has been made under part 241 of this chapter, direct the mortgagee to declare such a loan to be in default and accelerate the maturity date of the loan;

(3) Declare, or direct the insured mortgagee to declare, any rehabilitation loan insured or provided by the Commissioner with respect to the project, including loans provided under part 219 of this chapter, to be in default and accelerate the maturity date of the loan; and

(4) Suspend payments under or terminate any contract for project-based rental assistance under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f).

(f) Sanctions not exclusive. The Commissioner may take any other action authorized by law or the project regulatory agreement to ensure that the project will be brought into compliance with the standards established under this section or with other requirements pertaining to the condition of the project.

§ 248.149 Timetable for approval of a plan of action.

(a) Notification of deficiencies. Not later than 60 days after receipt of a plan of action, the Commissioner shall notify the owner in writing of any deficiencies that prevent the plan of action from being approved. Such notice shall describe alternative ways in which the plan may be revised to meet the criteria for approval set forth in §248.145.

(b) Notification of approval. Not later than 180 days after receipt of a plan of action, or such longer period as the owner requests, but not more than 365 days, the Commissioner shall notify the owner in writing whether the plan of action, including any revisions, is approved. If approval is withheld, the notice shall describe—

(1) The reasons for withholding approval; and

(2) Suggestions to the owner for meeting the criteria for approval.

(c) Opportunity to revise. The Commissioner shall give the owner a reasonable opportunity of not more than 60 days to revise the plan of action when approval is denied. If the owner fails to comply with this time period, it shall not be eligible for relief under paragraph (d) of this section.

(d) Delayed approval. If the Commissioner fails to approve a plan of action within the time set forth in paragraph (b) of this section, the Commissioner shall provide incentives and assistance under subpart B of this part, to an owner who is entitled to receive such incentives and assistance, in the amount that the owner would have received if the Commissioner had complied with such time limitations. Paragraph (d) of this section does not apply to plans of action that are not approved because of deficiencies.

§ 248.153 Incentives to extend low income use.

(a) Agreements by the Commissioner. After approving a plan of action filed pursuant to §248.145, from an owner of eligible low income housing that includes the owner’s plan to extend the low income affordability restrictions of the project, the Commissioner shall, subject to the availability of appropriations for such purpose, enter into such agreements as are necessary to enable the owner to—

(1) Receive the annual authorized return for the project as determined under §248.121 for each year after the approval of the plan of action;
(2) Pay debt service on the federally-assisted mortgage(s) covering the project;
(3) Pay debt service on any loan for rehabilitation of the project;
(4) Meet project operating expenses; and
(5) Establish adequate reserves.
(b) Permissible incentives. Such agreements may include one or more of the following incentives, as determined necessary by the Commissioner:
(1) Increased access to residual receipts accounts as necessary to enable the owner to realize the annual authorized return;
(2) An increase in the rents permitted under an existing project-based section 8 contract;
(3) Additional project-based section 8 assistance or an extension of any project-based assistance attached to the housing;
(4) An increase in the rents on non-section 8 units occupied by current tenants up to the maximum allowable rents;
(5) Financing of capital improvements under part 219 of this chapter;
(6) Financing of rehabilitation through provision of insurance for a second mortgage under part 241 of this chapter;
(7) Redirection of the Interest Reduction Payment subsidies to a second mortgage for projects which are insured, assisted, or held by the Commissioner or a State or State agency under part 236 of this chapter;
(8) Access to residual receipts accounts as necessary to enable the owner to realize the annual authorized return.
(c) Limitation on the provision of permissible incentives. The debt service on the loan obtained by the owner under paragraph (b)(8) of this section, when added to the allowable distributions under paragraph (b)(9) of this section, shall not exceed the annual authorized return.
(d) Rent phase-in period. To the extent necessary to ensure that owners receive the annual authorized return during the tenant rent phase-in period established in §248.145(a)(6), the Commissioner shall permit owners to receive the following additional incentives:
(1) Access to residual receipts accounts;
(2) Deferred remittance of excess rent payments; and
(3) Increases in rents, as permitted under an existing Section 8 contract.
These incentives shall be provided to owners in the order listed. An owner will not be eligible to receive these additional incentives unless it can demonstrate that it is not receiving the annual authorized return. Once an owner has adequately demonstrated that it is not receiving the annual authorized return, the Commissioner will provide the owner with each incentive in turn during the rent phase-in period, until it has been determined that the owner is receiving the annual authorized return.
(e) Interest reduction subsidies. Where Interest Reduction Payment subsidies are sought to be redirected, pursuant to paragraph (b)(7) of this section, the lender may not unreasonably withhold its consent to such redirection.
(f) Recalculation of section 236 basic rent and market rent. With respect to any project with a mortgage insured or otherwise assisted pursuant to part 236 of this chapter, the basic rent and market rent, as defined in §236.2 of this chapter, for each unit in such project may be increased to take into account the allowable distributions permitted under this section and the debt service on any equity loan, rehabilitation loan or acquisition loan approved under a plan of action under subpart B of this part.
§248.157 Voluntary sale of housing not in excess of Federal cost limit.
(a) Offer to sell. Where an owner has submitted a second notice of intent
under §248.133 for the purpose of transferring the project to a qualified purchaser, and the transfer preservation rent does not exceed the Federal cost limit, the owner shall offer the housing for transfer as provided in this section. The owner shall not be obligated to accept any offer made under this section, but may instead elect to retain the project and receive incentives under §248.145.

(b) Notification of qualified purchasers. Upon receipt of a second notice of intent to transfer the project to a qualified purchaser, the Commissioner shall notify potential qualified purchasers of the availability of the project for sale, and of the names and addresses of the owner, or of a person representing the owner in the sale of the project, by—

(1) Mailing notices to non-profit organizations;
(2) Placing notices in the major local newspaper(s) in the jurisdiction in which the project is located;
(3) Mailing notices to clearinghouse networks; and
(4) Using any other means of notification which the Commissioner determines would be effective to notify potential qualified purchasers of the sale of the project.

(c) Right of first offer to priority purchasers.

(1) For the 6-month period beginning on the date of receipt by the Commissioner of a second notice of intent under §248.133, the owner may accept a bona fide offer only from:

(i) A resident council intending to purchase the project under §§248.173 or 248.175, which has met the requirements for tenant support, pursuant to those sections;

(ii) A resident council intending to purchase the project under §§248.173 or 248.175, which has met the requirements for tenant support, pursuant to those sections;

(iii) A community-based nonprofit organization which has the support of a majority of the tenants.

(2) If no bona fide offer to purchase the project is made and accepted during or at the end of the 6-month period specified in paragraph (c)(2) of this section, the owner may offer to sell the project during the 3 months immediately following that period only to qualified purchasers.

(d) Purchase price. The sale price, including assumption of the debt on the federally-assisted mortgage(s), or the amount of the debt on the federally-assisted mortgage(s) that the project is taken subject to, may not exceed the transfer preservation value of the project.

(e) Expression of interest. Any priority purchaser seeking to make an offer during the 6-month periods specified in paragraph (c) of this section shall, and other qualified purchasers may, submit written notice thereof to the Commissioner. Such notice, if made by a priority purchaser seeking to make an offer during either 6-month priority purchaser marketing period, shall contain the following:

(1) A statement identifying the priority purchaser as a State or local government agency, a nonprofit organization, or a resident council;

(2) A copy of its articles of incorporation, charter and list of officers and directors, if the purchaser is a nonprofit organization or a resident council and in the case of a nonprofit organization, proof that the organization is, or has applied to be, a tax exempt organization in accordance with 26 U.S.C. 501(c); and

(3) A statement as to whether the purchaser is affiliated with any other entity for purposes of purchasing the project and whether any Low Income Housing Tax Credits may be awarded in connection with the purchase of the project.

(f) Information from the Commissioner. Within 30 days of receipt of an expression of interest by a priority purchaser, the Commissioner shall determine the status of the priority purchaser with respect to the categories listed in paragraph (h) of this section, and provide such purchaser with:

(1) A list of all possible assistance available from the Federal Government to facilitate a transfer of the project;

(2) The appraisal reports for the project as submitted under §248.111.
§ 248.157

(3) The Commissioner’s determination as to the priority status of the purchaser and as to whether the purchaser qualifies as a resident council, community-based nonprofit organization or State or local government entity;

(4) A worksheet indicating the level of the earnest money deposit required upon the submission of a bona fide offer;

(5) An acknowledgment of the purchaser’s right to inspect the project; and

(6) Any other relevant financial information that the Commissioner possesses concerning the project, including the information determined under § 248.121.

Within the same 30-day period, the Commissioner shall also notify the owner of the purchaser’s expression of interest and instruct the owner to provide to the purchaser any information concerning the project that the Commissioner deems relevant to the transfer of the project.

(g) Bona fide offer. A bona fide offer is an offer to purchase eligible low-income housing at a sales price which does not exceed the transfer preservation value of the project.

(1) A bona fide offer must include the following:

(i) A contract of sale signed by the purchaser, which states that acceptance of the contract is contingent upon approval by the Commissioner;

(ii) An earnest money deposit from every qualified purchaser equal to the lesser of one percent of the transfer preservation value, $50,000 or $500 per unit, unless the purchaser is a resident council purchasing the project under a resident homeownership plan under § 248.173 or § 248.175, in which case the earnest money deposit shall be equal to $200 per unit from 75% of the occupied units; and

(iii) If the purchaser is a resident council intending to purchase the project pursuant to a resident homeownership plan, the information required under §248.173(b); or

(iv) If the purchaser is a resident council intending to retain the project as rental housing, or a community-based nonprofit and the offer is submitted within the marketing period established in paragraph (c)(1) of this section, a resolution of the resident council, or a petition signed by tenants representing a majority of the units indicating their support of the offer.

(2) An owner may waive the requirement of an earnest money deposit or agree to accept a smaller deposit for all qualified purchasers, except resident councils who intend to purchase the project pursuant to a resident homeownership plan under § 248.173 or § 248.175. In order to be effective:

(i) The waiver must be indicated in the second notice of intent submitted under §248.133 and the waiver must apply equally to all qualified purchasers, except resident councils who intend to purchase the project pursuant to a resident homeownership plan under §248.173 or §248.175; or

(ii) If the second notice of intent has already been submitted, the owner must submit to the Commissioner, in writing, its decision to waive the earnest money deposit. The Commissioner shall notify all qualified purchasers who have submitted an expression of interest under paragraph (e) of this section that the owner has waived the earnest money deposit requirement.

(h) Retention and acceptance of offers. The owner shall accept or reject any bona fide offer within 30 days of receipt of such offer. For an offer to be bona fide, it must meet the requirements of paragraph (g) of this section, as well as be submitted to the owner within the appropriate marketing period under paragraph (c) of this section. If an owner rejects any offer, it must return the earnest money deposit to the offeror at the time of rejection. A bona fide offer which is rejected by the owner will still be considered a bona fide offer for purposes of this section, even after the earnest money deposit has been returned. If an owner decides to accept the offer at a later date, the purchaser may renew the offer by resubmitting the earnest money deposit, if a deposit had originally been required, within 30 days of notification of the owner’s acceptance of the offer.

(i) Submission of offer to HUD. The purchaser shall submit the offer to the Commissioner. The Commissioner shall review the offer which is preliminarily accepted by the owner to determine
whether it meets the requirements of a bona fide offer. The Commissioner shall notify the owner and purchaser, within 30 days after acceptance, whether the offer meets such requirements. The owner's preliminary acceptance of any offer pursuant to this section shall be conditional upon the Commissioner's certification that the offer is bona fide. If the Commissioner determines that the offer is not a bona fide offer, the offer will be considered invalid for the purposes of subpart B of this part.

(j) Submission of plan of action. Upon a determination by the Commissioner that the offer is bona fide and final acceptance of such an offer, the owner and purchaser shall jointly submit a plan of action to the Commissioner pursuant to §248.135. The plan of action shall include any request for assistance from the Commissioner for purposes of transferring the project.

(k) Requirements for plan of action approval. If the qualified purchaser of the project is a resident council seeking to purchase the project under a resident homeownership program, the Commissioner may approve a plan of action only if the resident council's proposed resident homeownership program meets the requirements under §248.173 or §248.175. For all other qualified purchasers, the Commissioner may approve a plan of action submitted pursuant to this section only if the plan of action meets the criteria listed in §248.145.

(l) Failure to consummate sales transaction. (1) If the owner accepts an offer from a priority purchaser during either of the two 6-month periods specified in paragraph (c) of this section, and before the expiration of the period specified in paragraph (c) of this section, the sales transaction either falls through or does not close within 90 days after the Commissioner's approval of the plan of action, the owner shall:

   (i) Immediately notify the Commissioner that the sale has fallen through;
   (ii) Notify any other purchaser that had submitted an offer to purchase the project; and
   (iii) Resume holding the project open for sale for the remainder of the time periods specified in paragraph (c) of this section.

(2) If the owner accepts an offer from a purchaser, and during the 3-month period specified in paragraph (c) of this section, or thereafter, the sales transaction either falls through or does not close within 90 days after the Commissioner's approval of the plan of action, the owner shall take the following steps:

   (i) Immediately notify the Commissioner that the sale has fallen through;
   (ii) Contact any other purchaser that had submitted an offer to purchase the project and give such purchaser and any other qualified purchaser 60 days from the date of notification to the Commissioner in which to resubmit an offer to purchase the project.

(3) At any time during the 60-day period the owner may accept an offer submitted under paragraph (l)(2) of this section.

(4) If an offer submitted during the 60-day period specified in paragraph (l)(2) of this section is made and accepted, but the sale is not consummated within 90 days of the Commissioner's approval of the plan of action for reasons not attributable in whole or in part to the owner, the owner may terminate the low-income affordability restrictions through prepayment or voluntary termination, subject to compliance with the provisions of §248.165.

(m) Assistance. Subject to the availability of amounts approved in appropriation acts, the Commissioner shall, for approvable plans of action, provide assistance sufficient to enable qualified purchasers to:

   (1) Acquire the eligible low income housing project from the current owner for a purchase price not greater than the transfer preservation value of the project;
   (2) Pay the debt service on the federally-assisted mortgage(s) covering the project;
   (3) Pay the debt service on any loan for the rehabilitation of the project;
   (4) Meet project operating expenses and establish adequate reserves for the housing, and in the case of a priority purchaser, meet project oversight costs;
   (5) Receive a distribution equal to an 8 percent annual return on any actual
§ 248.161 Mandatory sale of housing in excess of the Federal cost limit.

(a) In general. With respect to any eligible low income housing for which the transfer preservation rent determined under §248.121 exceeds the Federal cost limit, the owner shall offer the housing for transfer to qualified purchasers as provided in this section.

(b) Applicability of voluntary sale provisions. The provisions of §248.157, other than paragraphs (a) and (p) of this section thereof, shall be applicable to any sale conducted under this section. If the owner receives an offer to purchase the project for a sale price equal to the transfer preservation value of the project, as determined under §248.111, the owner shall be obligated to accept the offer upon its receipt and sell the project to the purchaser. If the owner receives an offer to purchase the project for a sale price less than the transfer preservation value of the project, the owner may accept the offer, but is not obligated to do so. Any offer to purchase a project under this section for less than the transfer preservation value must comply with the requirements of a bona fide offer in §248.101, except for the requirement that the sale price equal the transfer.
preservation value. At the time of submission of the offer, the potential purchaser must also submit the documentation required in §248.157(g).

(c) Section 8 assistance. Subject to the availability of amounts approved in appropriation acts, the Commissioner shall, for approvable plans of action, provide assistance to qualified purchasers under part 886, subpart A of this title sufficient to produce a gross potential income equal to the amount determined by multiplying 120 percent of the prevailing rents in the relevant local market in which the project is located by the number of units in the project, according to appropriate unit size, and any other incentives authorized under §248.153 that would have been provided to a qualified purchaser under §248.157.

(d) Grants to qualified purchasers. From amounts made available by Congress, the Commissioner may make grants to assist in the completion of transfers under this section to any qualified purchasers. Any grant made pursuant to paragraph (d) of this section shall be in an amount not exceeding the difference between the amount of assistance provided under paragraph (c) of this section and the amount of assistance specified in §248.157(m).

(e) Securing State and local funding. The Commissioner shall assist any qualified purchaser of a project pursuant to this section in securing funding and other assistance, including tax and assessment reductions from State and local governments to facilitate a transfer under this section.

§248.165 Assistance for displaced tenants.

(a) Section 8 assistance. Each low income family that is displaced as a result of the prepayment of the mortgage, or voluntary termination of an insurance contract, on eligible low income housing shall, subject to the availability of funds, be offered the opportunity to receive tenant-based assistance under the Housing Choice Voucher Program in accordance with part 982 of this title.

(b) Notification of Commissioner. The owner of any eligible low income housing project who prepays the mortgage or voluntarily terminates the mortgage insurance contract pursuant to subpart B of this part, shall notify the Commissioner of:

(1) The names and addresses of all of the tenants in the project who will be displaced;

(2) The size of the unit in which each of the displaced tenants is currently dwelling; and

(3) The names of all of the displaced tenants who are special needs tenants, as that term is defined in §248.101, as well as a statement as to the nature of their special need.

The owner shall provide the Commissioner with this information within 30 days of identifying such tenants for displacement, but in no event less than 30 days prior to the date when the tenants must vacate the premises.

(c) Relocation of displaced tenants. The Commissioner shall coordinate with public housing agencies to ensure that any very low or low income family displaced from eligible low income housing as the result of prepayment of the mortgage or termination of the mortgage insurance contract on such project is able to acquire a suitable, affordable dwelling unit in the area where the project from which the displaced family is located. The Commissioner, upon receiving information from the owner under paragraph (b) of this section stating that certain tenants will be displaced, shall request from the public housing agencies located in the same area as the affected project, notices of vacancies in other affordable projects which would be suitable for the displaced tenants. The Commissioner shall convey the notices of vacancies to the tenants who will be displaced along with the addresses of the local public housing agencies.

(d) Relocation expenses. The Commissioner shall require the owner of eligible low income housing who prepays or terminates the insurance contract resulting in the displacement of tenants to pay 50 percent of the relocation expenses of each family which is relocated, except that the Commissioner shall increase such percentage to the extent that State or local law of general applicability requires a higher payment by the owner.

473
(e) **Continued occupancy.** Each owner who prepays the mortgage or terminates the mortgage insurance contract on eligible low income housing shall, as provided in paragraph (g) of this section, allow the tenants occupying units in such project on the date of submission of a notice of intent under §248.105 to remain in the project for a period of three years, commencing on the date of prepayment or contract termination, at rent levels existing at the time of prepayment or termination, except for rent increases made necessary due to increased operating costs.

(f) **Replacement unit.** In any case in which the Commissioner requires an owner to allow tenants to occupy units under paragraph (e) of this section, an owner may fulfill the requirements of such paragraph by providing such assistance necessary for the tenant to rent a decent, safe, and sanitary unit in another project for the same 3-year period and at a rental cost to the tenant not in excess of the rental amount the tenant would have been required to pay to the owner in the owner’s project, except that the tenant must freely agree to waive the right to occupy the unit in the owner’s project.

(g) **Applicability.** The provisions of paragraphs (e) and (f) of this section shall apply only to:

(1) All tenants in eligible low income housing projects located in a low-vacancy area; and

(2) Special needs tenants.

(h) **Low Vacancy Areas.** The Commissioner shall notify the owner, within 30 days of the owner’s request to prepay under §248.169, whether the project is located in a low vacancy area for purposes of paragraph (g) of this section.

(i) **Required acceptance of section 8 assistance.** Any owner who prepays the mortgage or terminates the mortgage insurance contract on eligible low income housing and maintains the project for residential rental occupancy may not refuse to rent, refuse to negotiate for the rental of, or otherwise make unavailable or deny the rental of a dwelling unit in such project to any person, or discriminate against any person in the terms, conditions, or privileges or rental of a unit, or in the provision of services or facilities in connection therewith, because the person receives tenant-based assistance under the Housing Choice Voucher Program.

(j) **Regional pools.** In providing assistance under this section, the Commissioner shall allocate the assistance on a regional basis through the regional offices of the Department of Housing and Urban Development. The Commissioner shall allocate assistance under this section in a manner so that the total number of assisted units in each such region available for occupancy by, and affordable to, low income families and persons does not decrease because of the prepayment of a mortgage on eligible low income housing or the termination of an insurance contract on such project.

(k) **This section shall only apply to prepayments and terminations occurring pursuant to §§248.157(1) and 248.169.**

[57 FR 12041, Apr. 8, 1992, as amended at 64 FR 26639, May 14, 1999]
(2) After the date that the project would have been eligible for prepayment pursuant to the terms of the mortgage, notwithstanding this part, the Commissioner approves a plan of action under §248.157 or §248.161, but does not provide the assistance approved in such plan, including section 8 assistance, a loan provided under part 219 of this chapter, a grant provided under §248.157(o), or a grant under §248.161(d), before the earlier of:

(i) The expiration of the 2-month period beginning on the commencement of the first fiscal year beginning after such final approval; or

(ii) The expiration of the 6-month period beginning on the date of final approval.

(3) The Commissioner approves a plan of action under §§248.157 or 248.161 for any eligible low income housing not covered by paragraph (a)(2) of this section, but does not provide the assistance approved in such plan before the earlier of:

(i) The expiration of the 2-month period beginning on the commencement of the first fiscal year beginning after such final approval; or

(ii) The expiration of the 9-month period beginning on the date of final approval.

(4) An owner who intended to transfer the project to a qualified purchaser under §248.157 or §248.161, and fully complied with the provisions of such section,

(i) Did not receive any bona fide offers from any qualified purchasers within the applicable time periods; or

(ii) Received and accepted a bona fide offer from a qualified purchaser, but the sales transaction fell through for reasons not attributable in whole or in part to the owner, and the owner then complied with the requirements of §248.157(1) and did not receive another bona fide offer from any qualified purchasers.

(b) Section 8 assistance. When providing section 8 assistance, the Commissioner may enter into a contract with an owner, contingent upon the future availability of appropriations, for the purpose of renewing expiring contracts for rental assistance as provided in appropriations acts, to extend the term of such rental assistance for such additional period or periods necessary to carry out an approved plan of action. The contract and approved plan of action shall provide that, if the Commissioner is unable to extend the term of such rental assistance or is unable to develop a revised package of incentives providing benefits to the owner comparable to those received under the original approved plan of action, the Commissioner, upon the request of the owner, shall take the following actions, subject to the limitations under the following paragraphs:

(1) Modify the binding commitments made pursuant to §248.145(a)(2)–(10) that are dependent upon such rental assistance; or

(2) If the Commissioner determines that such modification is infeasible, permit the owner to prepay the mortgage and terminate the plan of action and any implementing use agreements or restrictions, but only if the owner agrees in writing to comply with the provisions of §248.165.

(c) Failure to provide section 8 assistance. With regard to paragraph (b) of this section, the Commissioner shall notify the owner of an inability to either extend the term of section 8 rental assistance or to develop a revised package of incentives providing benefits comparable to those received under the original plan of action as soon as practicable upon discovering that fact. The owner shall inform the Commissioner in writing, within 30 days of receipt of the notice that, since the Commissioner is unable to fulfill the terms of the original plan of action, the owner intends to request that the Commissioner take action under paragraphs (b)(1) or (2) of this section. The Commissioner shall, no later than 90 days from receiving the owner’s notice, take action to extend the rental assistance contract and to continue the binding commitments under §248.145(a)(2)–(10).

§ 248.173 Resident homeownership program.

(a) Formation of resident council. Tenants seeking to purchase eligible low income housing in accordance with §§248.157 and 248.161 shall organize a resident council for the purpose of developing a resident homeownership program.
program in accordance with standards established by the Commissioner. In order to fulfill the purposes of this section, the resident council shall work with a public or private nonprofit organization or a public body, including an agency or instrumentality thereof. Such organization shall have sufficient experience to enable it to help the tenants to consider their options and to develop the capacity necessary to own and manage the project, where appropriate, and shall be approved by the Commissioner.

(b) Submission of expression of interest. A resident council shall identify itself as such in an expression of interest submitted pursuant to §248.157 or §248.161 and shall state that it is interested in purchasing the project pursuant to a homeownership program.

(c) Bona fide offer. When submitting an offer to purchase the project pursuant to this section, the resident council must simultaneously submit a certified list of project tenants representing at least 75 percent of the occupied units in the project, and representing at least 50 percent of all of the units in the project, who have expressed an interest in participating in the homeownership program developed by the resident council. An offer made without this certified list will not be considered a bona fide offer for the purposes of subpart B of this part.

(d) Submission of a homeownership program. (1) The resident council shall prepare a homeownership program acceptable to the Commissioner for giving all residents of the project an opportunity to become homeowners. The plan shall describe the major elements of, and schedules for, the homeownership program and demonstrate how the program complies with all applicable requirements of this section. The plan shall also describe the resident council’s current abilities and proposed capacity-building activities to successfully carry out the homeownership program in compliance with this section. The homeownership program shall include, at a minimum, the following information:

(i) The amount of grant funds requested from the Commissioner, and the expected amounts and sources of other funding;

(ii) The proposed use of the grant funds to be received from HUD and of all other funds, including proceeds from the sale of units to initial purchasers, consistent with paragraph (h) of this section;

(iii) A summary of major rehabilitation activities to be carried out, including repairs, replacements and improvements;

(iv) The price at which the resident council intends to transfer ownership interests in, or shares representing, units in the project, broken down by unit size and/or type; the factors that will influence the establishment of such price, including, but not limited to, the resident council’s acquisition cost, estimated rehabilitation costs, capitalization of reserves and organizational costs; how the price arrived at by the resident council compares to the estimated appraised value of the ownership interests or shares; and the underwriting standard that the resident council plans to use, or reasonably expects a public or private lender to use, for potential tenant purchasers, consistent with paragraph (g)(2) of this section;

(v) The expected number of very low, low and moderate income tenants that will be initial owners under the program, consistent with paragraph (g)(1) of this section;

(vi) A pro forma analysis which demonstrates the financial feasibility and viability of the homeownership program, based on the required conditions specified in paragraph (g) of this section;

(vii) The financing arrangements that the tenants are expected to pursue or to be provided, including financing available through the resident council or a State or local governmental entity, and criteria for acceptability of conventional financing;

(viii) A description of the estimated costs expected to be paid by the homeowner at closing;

(ix) The type of homeownership contemplated, consistent with paragraph (f) of this section;

(x) How the marketing of currently vacant units and units occupied by nonpurchasing tenants that become vacant will affect the sales price and occupancy charges to purchasers;
(xi) A workable schedule of sale, subject to the limitations of paragraph (o) of this section, based on estimated tenant incomes;

(xii) Any restrictions on resale by homeowners over and above those specified in paragraph (i) of this section, and any restrictions on homeowners' equity, over and above those specified in paragraph (k) of this section;

(xiii) The qualifications of the resident council or the proposed management entity to manage the project, in compliance with paragraph (n) of this section;

(xiv) The expected number of non-purchasing tenants and their eligibility for section 8 rental assistance under paragraph (m)(2) of this section;

(xv) Expected scope and expenses of relocation activities, both for any temporary relocation due to rehabilitation as well as relocation assistance for nonpurchasing tenants, consistent with paragraph (m)(4) of this section;

(xvi) Expected scope and costs of technical assistance, training and counseling for the resident council, purchasers and non-purchasing tenants; and

(xvii) A certification that the resident council shall comply with the provisions of the Fair Housing Act (42 U.S.C. 3601–3619); title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d); Executive Order 11063 (3 CFR 1959–1963 comp., p. 652); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794); the Age Discrimination Act of 1975 (42 U.S.C. 6101–6107); and all regulations issued pursuant to these statutes and authorities.

The Commissioner shall provide assistance sufficient to pay the following costs:

(i) The debt service on the federally-assisted mortgage(s) covering the project, when such mortgage is assumed by the resident council;

(ii) The purchase price, which shall not exceed the transfer preservation value;

(iii) Transaction costs, as provided in §248.157(m)(6);

(iv) Other costs, as provided in §248.157(m)(7);

(v) The costs of rehabilitation;

(vi) The establishment of an adequate reserve for replacements; and

(vii) If necessary, the establishment of operating reserve escrows including contingencies against unexpected increases in expenses or shortfalls in homeowners' payments.

Upon approval of the homeownership program, the Commissioner and the resident council shall enter into an agreement, which shall include, among other matters, procedures governing the drawdown of funds and remedies for noncompliance with the requirements of this section.

(f) Method of conversion. The Commissioner shall approve the method for converting the project to homeownership, which may involve acquisition of ownership interests in, or shares representing, the units in a project under any arrangement determined by the Commissioner to be appropriate, such as cooperative ownership, and fee simple ownership, including condominium ownership.

(g) Required conditions. The Commissioner shall require that the form of homeownership impose appropriate conditions, including conditions to assure that:

(1) To the extent practicable, the number of initial owners that are very low, low, and moderate income persons at initial occupancy are of the same proportion of very low, low, and moderate income tenants (including families and persons whose incomes are 95 percent or more of area median income) as resided in the project on January 1, 1987 (or if the January 1, 1987 profile is unavailable, a certification from the owner stating its unavailability and a profile as of January 1, 1988, or, if that is also unavailable, a
profile as of January 1, 1989) or as of the date of approval of the plan of action, whichever date results in the higher proportion of very low income families, except that the resident council may, at its option, increase the proportions of very low income and low income initial owners, however, no current tenant may be denied homeownership as a result of this paragraph:

(2) Projected debt service payments, occupancy charges and utilities payable by the owners shall not exceed 35 percent of the monthly adjusted gross income of the owners;

(3) The aggregate incomes of initial owners and other sources of funds for the project are sufficient to permit occupancy charges to cover the full operating costs of the project and any debt service; and

(4) Each initial owner occupies the unit it acquires for at least the initial 15 years of ownership, unless the resident council determines that the initial owner is required to move outside the market area due to a change in employment or an emergency situation.

(5) All units which remain as rental units from the date of approval of the resident homeownership program, until they are purchased by an initial owner under the resident homeownership program, shall be maintained in accordance with §248.145 (a)(5), (a)(6), (a)(7), (a)(8), and (a)(9).

(b) Use of proceeds from sales to eligible families. The entity that transfers ownership interests in, or shares representing, units to eligible families, or another entity specified in the approved application, may use 50 percent of the proceeds, if any, from the initial sale for costs of the homeownership program, including improvements to the project, operating and replacement reserves for the project, additional homeownership opportunities in the project, and other project-related activities approved by the Commissioner. The remaining 50 percent of such proceeds shall be returned to the Commissioner for use under §§248.157 and 248.161, subject to the availability of appropriations. Such entity shall keep, and make available to the Commissioner, all records necessary to calculate accurately payments due the Commissioner under paragraph (h) of this section.

(i) Restrictions on resale by homeowners. Resale of a homeowner's interest in a project with an approved homeownership program may occur subject to any reasonable restrictions placed on such a transfer by the resident council and approved by the Commissioner.

(1) Transfer permitted. A homeowner may transfer the homeowner's ownership interest in the unit, subject to the right to purchase under paragraph (i)(2) of this section, the requirement for the purchaser to execute a promissory note, if required under paragraph (i)(3) of this section and the restrictions on retention of sales proceeds in paragraph (k) of this section. An applicant may propose in its application, and HUD may approve, reasonable restrictions on the resale of units under the program.

(2) Right to purchase. Where a resident management corporation, resident council, or cooperative has jurisdiction over the unit, it shall have the right to purchase the ownership interest in the unit from the initial homeowner for the amount specified in a firm contract between the homeowner and a prospective buyer. Where a resident management corporation, resident council, or a cooperative exercises a right to purchase, it shall resell the unit to an eligible family within a reasonable period of time.

(3) Promissory note required. At closing, the initial homeowner shall execute a nonrecourse promissory note for a term of twenty years, in a form acceptable to HUD, equal to the difference between the fair market value of the unit and the purchase price, payable to the Commissioner, together with a mortgage securing the obligation of the note.

(i) With respect to a sale by an initial homeowner, the note shall require payment upon sale by the initial homeowner, to the extent proceeds of the sale remain after paying off other outstanding debt incurred in connection with the purchase of the property, paying any other amounts due in connection with the sale, including closing costs and transfer taxes, and paying the family the amount of its equity in
the property, computed in accordance with paragraph (k) of this section.

(ii) With respect to a sale by an initial homeowner during the first six years after acquisition, the family may retain only the amount computed under paragraph (k) of this section. Any excess is distributed as provided in paragraph (1) of this section.

(iii) With respect to a sale by an initial homeowner six to twenty years after acquisition, the amount payable under the note shall be reduced by 1/168th of the original principal amount of the note for each full month of ownership by the family after the end of the sixth year. The homeowner may retain all other proceeds of the sale.

(j) Execution of promissory note by subsequent purchaser. Where a subsequent purchaser during the 20-year period, measured by the term of the initial promissory note, purchases the property for less than the then current fair market value, the purchaser shall also execute at closing such a promissory note and mortgage, for the amount of the discount. The term of the promissory note shall be the period remaining of the original 20-year period. The note shall require payment upon sale by the subsequent homeowner, to the extent proceeds of the sale remain after paying off other outstanding debt incurred in connection with the purchase of the property, and paying any other amounts due in connection with the sale (such as closing costs and transfer taxes). The amount payable on the note shall be reduced by a percentage of the original principal amount of the note for each full month of ownership by the subsequent homeowner. The percentage shall be computed by determining the percentage of the term of the promissory note that the homeowner has owned the property. The remainder may be retained by the subsequent homeowner selling the property.

(k) Homeowners’ equity. The amount of equity an initial homeowner has in the property is determined by computing the sum of the following:

(1) The contribution to equity paid by the family, if any, including any down payment and any amount paid towards principal on a mortgage loan during the period of ownership;

(2) The value of any improvements installed at the expense of the family during the family’s tenure as owner, as determined by the resident council based on evidence of amounts spent on the improvements, including the cost of material and labor; and

(3) The appreciated value, determined by applying the Consumer Price Index (urban consumers) against the contribution to equity under paragraphs (k) (1) and (2) of this section, excluding the value of any sweat equity or volunteer labor used to make improvements to the unit. The resident council may, at the time of initial sale, enter into an agreement with the family to set a maximum amount which this appreciation may not exceed.

(l) Use of recaptured funds. Any net sales proceeds that may not be retained by the homeowner under the homeownership program approved under this section shall be paid to the HOME Investment Trust Fund for the unit of general local government in which the project is located. If the project is located in a unit of general local government that is not a participating jurisdiction, as such term is defined in §248.101, any such net sales proceeds shall be paid to the HOME Investment Trust Fund for the State in which the project is located. With respect to any proceeds transferred to a HOME Investment Trust Fund under paragraph (1) of this section, the Commissioner shall take such actions as are necessary to ensure that the proceeds shall be immediately available for eligible activities to expand the supply of affordable housing under section 212 of the Cranston-Gonzalez National Affordable Housing Act of 1990 (42 U.S.C. 12742). The Commissioner shall monitor the HOME Investment Trust Fund for each State and unit of local government and shall require maintenance of any records necessary to calculate accurately payments due under this paragraph (1) of this section.

(m) Protection of nonpurchasing families. Nonpurchasing families who continue to reside in a project subject to a homeownership program approved under this section shall be protected as follows:
(1) **Eviction.** No tenant residing in an eligible property on the date the Commissioner approves a plan of action may be evicted by reason of a homeownership program approved under this section. This does not preclude evictions for material violation of the terms of occupancy of the unit.

(2) **Section 8 assistance.** If a tenant decides not to purchase a unit, or is not qualified to do so, the Commissioner shall ensure that tenant-based assistance under the Housing Choice Voucher Program in accordance with part 982 of this title is available for use in that or another property by each tenant that meets the eligibility requirements thereunder.

(3) **Rent increases for ineligible tenants.** Rents for tenants who do not purchase a unit but are ineligible for assistance under paragraph (m)(2) of this section may be increased to a level that does not exceed 30 percent of the tenant’s adjusted income or the section 8 existing fair market rent, whichever is lower. Rent increases shall be phased in in accordance with §248.145(a)(6).

(4) **Relocation assistance.** The resident council shall also inform each tenant that if the tenant chooses to move, the resident council, as owner of the project, will pay relocation expenses in accordance with the approved homeownership program. The provisions of §248.165 shall not apply to resident councils who are project owners pursuant to an approved homeownership program under this section.

(n) **Qualified management.** As a condition of approval of a homeownership program under subpart B of this section, the resident council shall have demonstrated its abilities to manage eligible properties by having done so effectively and efficiently for a period of not less than three years or by entering into a contract with a qualified management entity that meets such standards as the Commissioner may prescribe to ensure that the project will be maintained in a decent, safe and sanitary condition.

(o) **Timely homeownership.** The resident council shall acquire ownership of the project no later than 90 days after final approval of a plan of action pursuant to this section. The resident council shall transfer ownership of units in the project (other than units occupied by nonpurchasing tenants) to the tenants within a reasonable time thereafter, but in no event more than 4 years from the date of transfer of the project to the resident council. The Commissioner may seek contractual remedies against any resident council which fails to transfer ownership of all units within the 4-year period. During the interim period when the project continues to be operated and managed as rental housing, the resident council shall utilize written tenant selection policies and criteria that are approved by the Commissioner as consistent with the purpose of providing housing for very low income families. The resident council shall promptly notify in writing any rejected applicant of the grounds for any rejection.

(p) **Housing standards; inspections.** (1) Until the resident council has transferred all units in the project (other than those occupied by nonpurchasing tenants) to the initial purchasers, the project shall be maintained in accordance with the housing standards set forth in §248.147.

(2) The Commissioner shall inspect the project at least annually in order to determine compliance with paragraph (g)(1) of this section.

(q) **Audits.** Each resident council shall be subject to the audit requirements in 2 CFR part 200, subpart F, and shall submit an annual audit to the Commissioner in such form as the Commissioner may prescribe. The resident council shall keep such records as may be reasonably necessary to fully disclose the amount and the disposition by such resident council of the proceeds of assistance received under subpart B of this part, including any proceeds from sales under paragraphs (h) and (l) of this section, the total cost of the homeownership program in connection with which such assistance is given or used, and the amount and nature of that portion of the program supplied by other sources, and such other sources as will facilitate an effective audit.

The Commissioner or his or her duly authorized representative shall have access for the purpose of audit and examination to any books, documents, papers, and records of the resident council.
council that are pertinent to assistance received under subpart B of this part. The Comptroller General of the United States, or any of the duly authorized representatives of the Comptroller General, shall also have access, for the purpose of audit and examination, to any books, documents, papers, and records of the resident council that are pertinent to assistance received under subpart B of this part.

(r) Reports. The resident council shall submit reports, as required by the Commissioner, in order to demonstrate continued compliance with the requirements of this section.

(s) Assumption of the federally assisted mortgage(s). In connection with a resident homeownership plan, the resident council may assume a mortgage insured, held or assisted by the Commissioner under part 236 of this chapter or under part 221 of this chapter and bearing a below market interest rate as provided under §221.518(b) of this chapter or may choose to pay off the mortgage. If the resident council decides to assume the mortgage, the project must be sold pursuant to §248.175 and the project must be operated as a limited equity cooperative.

§248.177 Delegated responsibility to State agencies.

(a) In general. The Commissioner shall delegate some or all responsibility for implementing subpart B of this part to a State housing agency if such agency submits a preservation plan acceptable to the Commissioner.

(b) Approval. State preservation plans shall be submitted in such a form and in accordance with such procedures as the Commissioner shall establish. The Commissioner may approve plans that contain:

(1) An inventory of low income housing located within the State that is or will be eligible low income housing under subpart B of this part within five years;

(2) A description of the agency’s experience in the area of multifamily financing and restructuring;

(3) A description of the administrative resources that the agency will commit to the monitoring of approved plans of action in accordance with subpart B of this part;

(4) A description of the administrative resources that the agency will commit to the monitoring of approved plans of action in accordance with subpart B of this part;

(5) An independent analysis of the performance of the multifamily housing inventory financed or otherwise monitored by the agency;

(6) A certification by the public official responsible for submitting the consolidated plan under 24 CFR part 91 that the proposed activities are consistent with the approved consolidated plan of the State within which the eligible low income housing is located; and

(7) Such other certifications or information that the Commissioner determines to be necessary to implement an approved State preservation plan, which may include incentives that are
authorized under other provisions of subpart B of this part.

(c) Implementation agreements. The Commissioner may enter into any agreements necessary to implement an approved State preservation plan, which may include incentives that are authorized under other provisions of subpart B of this part.

(d) Fees. Any State agency with responsibility so delegated under subpart B of this part may not charge any owner of eligible low income housing any fee for accepting notices of intent, processing plans of action or any other process pursuant to approval of a plan of action under subpart B of this part. This prohibition shall not preclude:

(1) An owner paying for its appraisal or share of a joint appraisal under the provisions of §248.111; or

(2) A State agency from collecting fees normally associated with providing and processing financing insured under part 241 of this chapter.

§ 248.179 Consultation with other interested parties.

The Commissioner shall confer with any appropriate State or local government agency to confirm any State or local assistance that is available to achieve the purposes of subpart B of this part and shall give consideration to the views of any such agency when making determinations under subpart B of this part. The Commissioner shall also confer with appropriate interested parties that the Commissioner believes could assist in the development of a plan of action that best achieves the purposes of subpart B of this part.

§ 248.181 Notice to tenants.

Except as provided in §§248.105 and 248.133, with respect to the first and second notices of intent, with regard to all provisions of subpart B of this part which mandate that information or material be given to the tenants, by the Commissioner, the owner, or a qualified purchaser, or other party, this requirement shall be satisfied where the notifying entity:

(a) Posts a copy of the information or material in readily accessible locations within each affected building, or posts notices in each location describing the information or material and specifying a location, as convenient to the tenants as is reasonably practical, where a copy may be examined and copied during reasonable hours; and

(b) Supplies a copy of the information or material to a tenant representative, if any.

§ 248.183 Preemption of State and local laws.

(a) In general. No State or political subdivision of a State may establish, continue in effect, or enforce any law or regulation that:

(1) Restricts or inhibits the prepayment of any mortgage described in §248.101 or the voluntary termination of any insurance contract pursuant to §207.253 of this chapter on eligible low income housing projects;

(2) Restricts or inhibits an owner of such projects from receiving the authorized annual return provided under §248.121;

(3) Is inconsistent with any provision of subpart B of this part, including any law, regulation, or other restriction that limits or impairs the ability of any owner of eligible low income housing to receive incentives authorized under subpart B of this part, including authorization to increase rental rates, transfer the project, obtain secondary financing, or use the proceeds of any such incentives; or

(4) In its applicability to low income housing is limited only to eligible low income housing for which the owner has prepaid the mortgage or terminated the insurance contract.

(b) Effect. Any law, regulation or restriction described in paragraph (a) of this section shall be ineffective and any eligible low income housing exempt from the law, regulation, or restriction, only to the extent that it violates the provisions of this section.

(c) Laws of general applicability: contractual restrictions. This section shall not prevent the establishment, continuing in effect, or enforcement of any law or regulation of any State or political subdivision of a State not inconsistent with the provision of this subpart, such as any law or regulation relating to building standards, zoning
limitations, health, safety, or habitability standards for housing, rent control, or conversion of rental housing to condominium or cooperative ownership, to the extent such law or regulation is of general applicability to both projects receiving Federal assistance and nonassisted projects. This section shall not preempt, annul or alter any contractual restrictions or obligations existing before November 28, 1990 or voluntarily entered into by an owner of eligible low income housing on or after that date, and that limit or prevent that owner from prepaying the mortgage on the project or terminating the mortgage insurance contract.

Office of Assistant Secretary for Housing, HUD

§ 248.211 Notice of intent to prepay.

(a) An owner of eligible low-income housing seeking to prepay its mortgage or to negotiate changes in the terms of the mortgage or regulatory agreement in accordance with this part, including termination of the insurance contract pursuant to section 229 of the National Housing Act, shall file a notice of intent with the HUD field office in whose jurisdiction the project is located, and shall file a duplicate copy with the HUD Headquarters Office of Multifamily Housing Management, 451–7th Street, SW., Washington, DC 20410. The notice of intent shall identify the project by name, project number and location, briefly describe the owner’s plans for the project, including any timetables or deadlines for actions to be taken, and the reason the owner seeks to prepay the mortgage or change the terms of the mortgage or regulatory agreement, and briefly describe any contacts that the owner has made or is making with other governmental agencies or other interested parties in connection with the notice of intent.

(b) An owner simultaneously shall file the notice of intent with:

(1) The chief executive officer of the appropriate State or local government in which the project is located, or any officer designated by executive order or State or local law to receive such information;

(2) Each tenant in the project; and

(3) The mortgagee.

In addition, the owner shall post a copy of the notice of intent in each occupied building in the project.

(c) Upon receipt of a notice of intent, the Commissioner will provide the owner with information that the owner needs to prepare a plan of action. This information shall include information regarding the Commissioner’s standards under § 248.221 of this part regarding the approval of a plan of action involving termination of low income affordability restrictions, and any relevant market area and demographic information that the Secretary has custody of and that the owner may use in preparing the plan of action; in addition, it shall include at a minimum a list of the Federal incentives authorized under § 248.231 of this part for those projects for which a plan of action involving termination of low income affordability restrictions would not be approvable.

(d) Filing a notice of intent with the Commissioner will lead to one of the following results:

(1) Where the project meets the requirements of § 248.221 of this part—

(i) The Commissioner will approve the prepayment or the termination of mortgage insurance pursuant to § 248.221 of this part, and all low income affordability restrictions will be terminated with respect to some or all of the units; however, the owner would be responsible for ensuring that displaced
current tenants are relocated to affordable housing, if necessary.

(ii) The Commissioner will approve the prepayment or termination of mortgage insurance pursuant to § 248.221 of this part, and all low income affordability restrictions will be terminated, except (where necessary because the project is located in a housing market where there is insufficient comparable, decent, safe and sanitary affordable housing to meet the needs of all current tenants) with regard to protection of current very low income, low income and moderate income tenants;

(2) Where the plan of action would not be approvable under § 248.221 of this part—

(i) The Commissioner will approve prepayment or the termination of mortgage insurance, but the owner will receive assistance under a State, local or other Federal government housing program, and will receive incentives pursuant to § 248.231 of this part from the Federal government in return for agreeing to conditions related to the continued use of the project as low income housing in accordance with § 248.233 of this part.

(ii) The Commissioner will not approve prepayment or the termination of mortgage insurance, but will offer incentives to the owner pursuant to § 248.231 of this part in accordance with a plan of action meeting the standards of § 248.233 of this part; or

(iii) The Commissioner will not approve prepayment or the termination of mortgage insurance, but, after failing to reach agreement on a negotiated plan of action, the owner and the Commissioner will agree to a package of incentives and restrictions prescribed by § 248.241 of this part; or

(iv) The Commissioner will not approve prepayment or the termination of mortgage insurance, and will not offer incentives of any kind.

§ 248.213 Plan of action.

(a) Preparation and submission. The owner shall submit the plan of action to the Commissioner in such form and manner as the Commissioner shall prescribe. The owner may submit the plan of action simultaneously to any appropriate State or local government agency, which shall, in reviewing the plan, consult with representatives of the tenants of the housing. An owner shall submit the plan of action to the Commissioner in such form and manner as the Commissioner shall prescribe. The owner shall notify the tenants of the plan of action by posting in each occupied building a summary of the plan of action and by delivery of a copy of the plan of action to the tenant representative, if any. In addition, the summary must indicate that a copy of the plan of action shall be available from the tenant representatives, whose names, addresses and telephone numbers are indicated on the summary, the local HUD field office, and the on-site office for the project, or if one is not available, in the location where rents are collected, for inspection and copying, at a reasonable cost, during normal business hours. Simultaneously with the submission to the Commissioner, the owner shall submit the plan of action to that officer of State or local government to whom the owner submitted a notice of intent under § 248.211(b). The summary of the plan of action posted by the owner and the copies of the plan of action submitted to the tenant representative and the officer of State or local government shall all state that, upon request, the tenants and the State or local government, may obtain from the owner or from the local HUD field office a copy of all documentation supporting the plan of action except for that documentation deemed “proprietary information” under § 248.101.

(b) Contents. The plan of action shall include:

(1) A description of any proposed changes in the status or terms of the mortgage or regulatory agreement, which may include a request for incentives to extend the low income use of the housing, as authorized under § 248.231 of this part; or may include a request to terminate the insurance contract.

(2) A description of any assistance that could be provided by State or
§ 248.215 Notification of deficiencies.
Not later than 60 days after receipt of a plan of action, the Commissioner will notify the owner in writing of any deficiencies that prevent the plan of action from being approved. If deficiencies are found, the notice shall describe ways, if any, in which the plan of action could be revised to meet the criteria for approval.

§ 248.217 Revisions to plan of action.
The owner may from time to time revise the plan of action before its approval as may be necessary to obtain the commissioner’s approval thereof. An owner shall submit any revision to the Commissioner, and provide a copy of the revision and all documentation supporting the revision except for that documentation deemed “proprietary information” under §248.101, to the parties, and in the manner, specified in §248.219(a).

§ 248.218 Tenant notice and opportunity to comment.
When the owner and the Commissioner have reached preliminary agreement on the terms of a plan of action, the Commissioner shall prepare a summary of such terms and the anticipated impact of the plan of action on the current tenants. The owner shall send a copy of the summary to each tenant in the project, and shall post a copy of the summary in each occupied building in the project. The summary shall notify tenants that they have sixty calendar days in which to submit any comments to the Commissioner, who shall take any such comments into account before giving final approval to the plan of action.

§ 248.219 Notification of approval.
(a) Not later than 180 days after initial receipt of a plan of action, or within such longer period as the owner requests, the Commissioner shall notify the owner in writing whether the plan of action, including any revisions, is approved.

(b) If approval is withheld, the notice will—
1. Describe the reasons for withholding approval, including prolonged delay by the owner in submitting a revised plan of action;
2. Describe the actions that could be taken to meet the criteria for approval; and
3. Afford the owner a reasonable opportunity to revise the plan of action and seek approval.
§ 248.221 Approval of a plan of action that involves termination of low income affordability restrictions.

The Commissioner may approve a plan of action that involves termination of the low income affordability restrictions only upon a written finding that—

(a) Implementation of the plan of action will not materially increase economic hardship for current tenants (and will not in any event result in: (1) a monthly rental payment by a current tenant that exceeds 30 percent of the monthly adjusted income of the tenant or an increase in the monthly rental payment in any year that exceeds 10 percent, whichever is lower, or (2) in the case of a current tenant who already pays more than such percentage, an increase in the monthly rental payment in any year that exceeds the increase in the Consumer Price Index or 10 percent, whichever is lower) or involuntarily displace current tenants (except for good cause) where comparable and affordable housing is not readily available, determined without regard to the availability of Federal housing assistance that would address any such hardship or involuntary displacement. Notwithstanding this limitation, the Commissioner may provide housing assistance to tenants if such assistance is not essential to the Commissioner’s determination that the requirements of this paragraph have been met. The owner will agree to execute and allow the recordation of use agreements, where such agreements are necessary to safeguard current tenants against such adverse effects. Such use agreements will include a requirement that the owner comply with those provisions of part 247 of this chapter which relate to evictions; and

(b)(1) The supply of vacant, comparable housing is sufficient to ensure that the prepayment will not materially affect—

(i) The availability of decent, safe and sanitary housing affordable to low-income and very low income families in the area that the housing could reasonably be expected to serve;

(ii) The ability of low-income and very low income families to find decent, safe and sanitary housing near employment opportunities; or

(iii) The housing opportunities of minorities in the community within which the housing is located; or

(2) The plan of action has been approved by the appropriate State agency and any appropriate local government agency for the jurisdiction in which the housing is located as being in accordance with a State strategy approved by the Commissioner under §248.223 of this part.

(c) There are no open audit findings, open findings of noncompliance with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d); the Fair Housing Act (42 U.S.C. 3601–3619); Executive Order 11063 (3 CFR 1959–1963 comp., p. 652); the Age Discrimination Act of 1975 (42 U.S.C. 6101–6107); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794); and all regulations promulgated under such statutes and authorities (including, but not limited to, 24 CFR part 100), or outstanding violations of the regulatory agreement.

(d) Any plan of action approved under this section shall specify actions that the Commissioner and the owner shall take to ensure that tenants displaced as a result of the termination of low income affordability restrictions are relocated to affordable housing.

§ 248.223 Alternative State strategy.

(a) The Commissioner may approve a State strategy providing for State approval of plans of action that involve termination of low income affordability restrictions only upon finding that it is a practicable statewide strategy that ensures at a minimum that—

(1) Current tenants will not be involuntarily displaced (except for good cause);

(2) Housing opportunities for minorities will not be adversely affected in the communities in which the housing is located;

(3) Any increase in rent for current tenants will be to a level that does not exceed 30 percent of the adjusted income of the tenants or fair market rent, whichever is lower, and any increase not necessitated by increased operating costs shall be phased in equally over not less than 3 years if the increase exceeds 10 percent;
(4) Housing approved under the State strategy will remain affordable to very low income, low income and moderate income families for not less than the remaining term of the mortgage, if the housing is to be made available for rental use, or for not less than 40 years, if the housing is to be made available for homeownership;

(5)(i) Not less than 80 percent of all units in eligible low income housing approved under the State strategy will be retained as affordable to families or persons meeting the income eligibility standards for initial occupancy that applied to housing on January 1, 1987; and

(ii) Not less than 60 percent of the units in any one project will remain available to and affordable by such families or persons, within which not less than 20 percent of the units will remain available to and affordable by very low income families;

(6) Expenditures for rehabilitation, maintenance and operation will be at a level necessary to maintain the housing as decent, safe and sanitary and for the period specified in paragraph (a)(4) of this section;

(7) Not less than 25 percent of new assistance required to maintain the housing as available to and affordable by low income families in accordance with this section shall be provided through State and local actions, such as tax exempt financing, low income tax credits, State or local tax concessions, the provision of funds from housing finance agency reserves or housing trust funds, taxable bonds, and other incentives provided by the State or local governments; and

(8) For each unit of eligible low income housing approved under the State strategy that is not retained as affordable housing to families or persons meeting the income eligibility standards for initial occupancy on January 1, 1987, the State will provide, with State funds, one additional unit of comparable housing in the same market area that is available to and affordable by such families and persons. Such units will be provided by conversion of existing units or construction of new units. These units or funds will be made available before the Commissioner approves the State strategy.

(b) Additional requirements. (1) The State must enter into all agreements necessary to carry out the State strategy before receiving the Commissioner's approval.

(2) Each State strategy shall include any other provision that the Commissioner determines to be necessary to implement the approved State strategy.

§ 248.231 Incentives to extend low income use.

The Commissioner may agree to provide one or more of the following incentives to induce the project owner to extend the low income use of the project, if the Commissioner determines that such incentives are warranted under the standards in § 248.233 of this part:

(a) An increase in the allowable distribution, or other measures to increase the rate of return;

(b) Revisions to the method of calculating equity;

(c) Increased access to residual receipts funds or excess reserve for replacements funds;

(d) Provision of insurance for an equity loan;

(e) An increase in the rents permitted under an existing section 8 contract, within statutory and regulatory limits otherwise applicable, or (subject to the availability of amounts provided in appropriations Acts) additional assistance under section 8 or an extension of any project-based assistance attached to the housing;

(f) Provision of a capital improvement loan;

(g) Other actions to facilitate a transfer or sale of the housing to a qualified nonprofit organization, limited equity tenant cooperative, public agency, or other entity acceptable to the Commissioner, such as expedited review of a request for approval of a transfer of physical assets;

(h) Provision of flexible subsidy assistance;

(i) Termination of HUD's limitations on distributions, and release of residual receipts and reserve for replacements funds, through prepayment of the mortgage; and

(j) Any other incentives for which the owner is eligible.
§ 248.233 Approval of a plan of action that includes incentives.

The Commissioner may approve a plan of action that includes incentives, whether or not the plan of action allows for the prepayment of the mortgage, only upon a finding that—

(a) After taking into account local market conditions, the incentives are necessary to achieve the purposes of this part;

(b) The incentives are necessary to provide a fair rate of return to the owner. Incentives will only be provided in cases where the project’s current use does not represent its highest and best use;

(c) The incentives are the least costly alternative for the Federal government to achieve the purposes of this part with respect to the housing;

(d) Binding commitments have been made to ensure that—

(1) The housing will be retained as housing affordable for very low income families, low-income families, and moderate income families for the remaining term of the mortgage;

(2) Throughout the remaining term of the mortgage, adequate expenditures will be made for the proper maintenance and operation of the housing;

(3) Current tenants will not be involuntarily displaced (except for good cause);

(4) Any increase in rent contributions for current tenants will be to a level that does not exceed 30 percent of the adjusted income of the tenant or the fair market rent, whichever is lower;

(5) Any resulting increase in rents for current tenants (except for increases made necessary by increased operating costs) will be phased in equally over a period of not less than 5 years, if the increase is 30 percent or more, and will be limited to not more than 10 percent per year, if the increase is more than 10 percent but less than 30 percent;

(6) Subject to the availability of funds, the Commissioner shall provide, and the owner shall accept, assistance under section 8 if the Commissioner determines that such assistance is necessary to mitigate any adverse effect of the rent increases on current tenants eligible for section 8 assistance; and

(7) Rents for units becoming available to new tenants will be at levels approved by the Commissioner that will ensure, to the extent practicable, that the units will be available to and affordable, with 30 percent of adjusted income, by the same proportion of very low income families, low-income families, and moderate income families as resided in the housing as of January 1, 1987 (based on the area median income limits established by the Commissioner in February 1987), or the date the plan of action is approved, whichever date results in the highest proportion of very low income families.

(i) For purposes of paragraph (d)(7) of this section—

(A) The percentage of moderate income families in occupancy as of January 1, 1987 shall include families who were admitted to the project as very low income, low income, or moderate income families but whose incomes had increased beyond the limit for moderate income families by January 1, 1987; and

(B) The proportions established shall not prohibit a higher proportion of very low income families from occupying the housing.

(ii) In approving rents under paragraph (d)(7) of this section, the Commissioner will take into account any additional incentives provided under this part and will make provision for annual rent adjustments necessary as a result of future reasonable increases in operating costs.

(e) In cases where the owner agrees to maintain only a portion of the project as low income housing, the incentives provided under §248.231 of this part and the standards imposed under this section shall be adjusted accordingly.

(f) The Commissioner shall not approve a plan of action under this section if there are open findings of non-compliance with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d); the Fair Housing Act (42 U.S.C. 3601–3619); Executive Order 11063 (3 CFR 1959–1963 comp., p. 652); the Age Discrimination Act of 1975 (42 U.S.C. 6101–6107); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794); and all regulations promulgated under such statutes and authorities, or if there are open audit findings.
§ 248.234 Section 8 rental assistance.

(a) When providing rental assistance under section 8, the Commissioner may enter into a contract with an owner, contingent upon the future availability of appropriations for the purpose of renewing expiring contracts for rental assistance as provided in appropriations Acts, to extend the term of such rental assistance for such additional period or periods as is necessary to carry out an approved plan of action.

(b) The contract and the approved plan of action shall provide that, if the Commissioner is unable to develop a revised package of incentives providing benefits to the owner comparable to those received under the original approved plan of action, the Commissioner, upon the request of the owner, shall take the following actions (subject to the limitations under the following paragraphs):

(1) Modification of the binding commitments made pursuant to §248.233(d) that are dependent on such rental assistance.

(2) If action under paragraph (b)(1) is not feasible, release of an owner from the binding commitments made pursuant to §248.233(d) that are dependent on such rental assistance.

(3) If actions under paragraphs (b)(1) and (2) would, in the determination of the Commissioner, result in the default of the insured loan, approval of the revised plan of action, notwithstanding §248.221, that involves the termination of low-income affordability restrictions.

(c) The approved plan of action shall specify actions that the Commissioner and the owner shall take to ensure that any tenants displaced as a result of actions taken under paragraph (b) of this section are relocated to affordable housing.

(d) At least 30 days prior to making a request under the preceding sentence, an owner shall notify the Commissioner of the owner’s intention to submit the request. The Commissioner shall have a period of 90 days following receipt of such notice to take action to extend the rental assistance contract and to continue the binding commitments under paragraph (b).

§ 248.241 Modification of existing regulatory agreements.

(a) If a plan of action is not approved within 300 days after initial submission, the Commissioner may, upon request of the owner and upon making a determination that the project’s current use does not represent its highest and best use, modify existing regulatory agreements to—

(1) Prevent involuntary displacement of current tenants (except for good cause);

(2) Ensure that adequate expenditures will be made for maintenance and operation of the housing;

(3) Extend (subject to the availability of funds) any expiring project-based assistance on the housing for the term of the agreement;

(4) Permit an increase in the allowable distribution that could be accommodated by an increase in the rents on occupied units to a level no higher than 30 percent of the adjusted income of the tenants, as determined by the Commissioner, except that rents shall not exceed the fair market rent, and any resulting increase in rents for current tenants shall be phased in equally over a period of no less than 3 years, unless such increase is less than 10 percent; and

(5) Ensure that units becoming vacant during the term of the agreement are made available in accordance with §248.233(d)(7) of this part.

(b) Expiration. Agreements entered into under this section shall expire on February 5, 1992, unless earlier superseded by an agreement implementing a HUD-approved plan of action. Upon such expiration of the agreement on February 5, 1992, the housing covered by the agreement shall be subject to any law then affecting low income affordability restrictions.

§ 248.251 Consultation with other interested parties.

The Commissioner will confer with any appropriate State or local government agency to confirm any State or
local assistance that is available to achieve the purposes of this part and will give consideration to the views of the State or local agency when making the determinations under §§248.221 and 248.233 of this part. The Commissioner also will confer with other interested parties that the Commissioner believes could assist in the development of a plan of action that best achieves the purposes of this part.

§ 248.261 Agreements implementing plans of action and State strategies.

The Commissioner is authorized to enter into agreements, including those for the provision of incentives, necessary to implement any plan of action or State strategy approved by the Commissioner under this part.

(c) Includes a comprehensive description of the terms and conditions under which a private owner may prepay the assisted or subsidized mortgage without the prior consent of the State agency;

§ 248.303 Approval of a State agency’s initial application.

(a) The Commissioner will evaluate the State agency’s application and will notify the State agency within 90 days of receipt that the program and properties qualify under subpart D of this part or that the program and properties do not qualify under subpart D of this part.
(b) If the Commissioner determines that the program and projects do not qualify under subpart D of this part, it will state the reasons why the program and properties do not qualify and will give the State agency an opportunity to provide additional information, as the Commissioner determines, which would assist the Commissioner in qualifying the program and properties.

§ 248.305 Applicability of subpart B of this part.

The provisions of subpart B of this part shall be applicable to any application of a State agency or local housing authority for assistance under subpart D of this part, except the following provisions:

Only paragraph (8).
248.177 Delegated responsibility to State agencies.
§ 248.307 Authority to process and approve notices of intent and plans of action.

(a) Delegation of authority. State agencies which regulate or otherwise supervise owners of projects with State assisted or subsidized mortgages shall have the authority, reserved to the Commissioner under subpart B of this part, to process and approve all notices of intent and plans of action submitted to the State agency or local housing authority under subpart D of this part. State agencies may redelegate such authority to local housing authorities at their discretion.

(b) Designation of processing agency. The Executive Director of the State agency whose State assisted or subsidized mortgage program has been approved under §248.303 shall inform all owners of projects with State assisted or subsidized mortgages that the State agency or a designated local housing authority shall accept and process notices of intent and plans of action.

§ 248.311 Notice of intent.

(a) Eligibility for filing. An owner of a project with a State assisted or subsidized mortgage intending to extend the low income affordability restrictions of the housing in accordance with §248.153 or transfer the housing to a qualified purchaser under §248.157 may file a notice of intent.

(b) Filing with the State agency. The notice of intent shall be filed with the agency specified in §248.307(b) or the agency which regulates or otherwise supervises the State assisted or subsidized mortgage. The notice of intent shall also request the tenants to notify the owner and the State agency of any individual or organization that has been designated or retained by the tenants to represent the tenants with respect to the actions to be taken under subpart B and subpart D of this part.

(c) Filing with HUD, mortgagee and tenant. The owner simultaneously shall file the notice of intent with the local HUD field office having jurisdiction over the area in which the project is located and with the mortgagee, if any. In addition, the owner shall deliver a copy of the notice of intent to each tenant in the project and to any tenant representative, if any, known to the owner, and shall post a copy of the notice of intent in readily accessible locations within each affected building of the project. The copies of the notice of intent delivered to the tenants and the tenant representative shall include a summary of possible outcomes of the filing which shall be furnished by the State agency. Upon the request of any non-English speaking tenants residing in the affected project, the owner shall tabulate the number and type of translations needed by the tenants and request the State agency to provide the appropriate translations. The owner shall deliver a copy of the translated notice of intent to all of the tenants who requested such a translation. The failure of an owner to comply with any non-federal notice requirements shall not invalidate the notice of intent.

§ 248.315 Preservation agreements.

(a) Agreements required. Owners of projects with State assisted or subsidized mortgages whose plans of action have been approved under §248.307 shall enter into agreements, contracts and/or mortgage modifications with the State agency or local housing authority to maintain the housing as affordable to tenants in accordance with §248.145. Such agreements may provide for the renewal of any assistance made available under §248.153 and made available in accordance with §248.319(c).

(b) Term of agreement. Preservation agreements shall be coterminous with the expiration of any assistance provided under §248.153 and made available in accordance with §248.319(c).

§ 248.401 Purposes.

The purposes of this subpart are:

(b) To promote the ability of community-based nonprofit organizations and resident councils to acquire, rehabilitate, and competently own and manage eligible housing as rental or cooperative housing for low and moderate income people; and

(c) To assist the Commissioner in discharging the obligation under §248.157(b) to notify potential qualified purchasers of the availability of projects for sale and to otherwise facilitate the coordination and oversight of the preservation program established under this part.

§ 248.405 Grants for building resident capacity and funding predevelopment costs.

(a) General. Assistance made available under this subpart shall be used for direct assistance grants to resident organizations and community-based nonprofit housing developers and resident councils to assist the acquisition of specific projects (including payment of reasonable administrative expense to participating intermediaries.) Assistance made available under subpart E of this part will be distributed on a noncompetitive basis. HUD will publish a Notice in the Federal Register announcing the availability of assistance, as well as the application requirements and procedures and selection criteria that HUD will use in making the assistance available.

(b) Allocation. Thirty percent of the assistance made available under this subpart shall be used for resident capacity grants in accordance with paragraph (d) of this section. The remainder shall be used for predevelopment grants in connection with specific projects in accordance with paragraph (e) of this section.

(c) Limitation on grant amounts. A resident capacity grant under paragraph (d) of this section may not exceed $30,000 per project and a grant under paragraph (e) of this section for...
predevelopment costs may not exceed $200,000 per project, exclusive of any fees paid to a participating intermediary by the Commissioner for administering grants under this subpart.

(d) Resident Capacity grants—(1) Use. Resident capacity grants under paragraph (d) of this section shall be available to eligible applicants to cover expenses for resident outreach, incorporation of a resident organization or council, conducting democratic elections, training, leadership development, legal and other technical assistance to the board of directors, staff and members of the resident organization or council.

(2) Eligible housing. Grants under this paragraph (d) of this section may be provided with respect to eligible low income housing for which the owner has filed a notice of intent under subpart B or subpart C of this part.

(e) Predevelopment grants—(1) Use. Predevelopment grants under paragraph (e) of this section shall be made available to community-based nonprofit housing developers and resident councils to cover the cost of organizing a purchasing entity and pursuing an acquisition, including third party costs for training, development consulting, legal, appraisal, accounting, environmental, architectural and engineering, application fees, and sponsor’s staff and overhead costs.

(2) Eligible housing. These grants may only be made available with respect to any eligible low income housing project for which the owner has filed a notice of intent to transfer the housing to a qualified purchaser in accordance with §248.105 or §248.211, or has filed a notice of intent and entered into a binding agreement to sell the housing to a resident organization or nonprofit organization.

(3) Phase-in of grant payments. Grant payments under paragraph (e) of this section shall be made in phases, based on performance benchmarks established by the Commissioner in consultation with intermediaries selected under §248.415.

(g) Appeal. If an application for assistance under paragraphs (d) or (e) of this section is denied, the applicant shall have the right to appeal the denial to the Commissioner and receive a binding determination within 30 days of the appeal.

§ 248.410 Grants for other purposes.

The Commissioner may provide grants under this subpart E:

(a) To resident-controlled or community-based nonprofit organizations with experience in resident education and organizing for the purpose of conducting community, city or countywide outreach and training programs to identify and organize residents of eligible low income housing; and

(b) To State and local government agencies and nonprofit intermediaries for the purpose of carrying out such activities as the Commissioner deems appropriate to further the purposes of this part.

§ 248.415 Delivery of assistance through intermediaries.

(a) General. The Commissioner shall approve and disburse assistance under §248.405 and §248.410 through eligible intermediaries selected by the Commissioner under paragraph (b) of this section. If the Commissioner does not receive an acceptable proposal from an intermediary offering to administer assistance under this section in a given State, the Commissioner shall administer the program in such State directly.

(b) Selection of eligible intermediaries—

(1) In General. The Commission shall invite applications from and shall select eligible intermediaries to administer assistance under this section in a given State through Notices of Funding Availability published in the FEDERAL REGISTER. The process shall include provision for a reasonable administrative fee.

(2) Priority. With respect to all forms of grants available under §248.405, the criteria for selecting eligible intermediaries shall give priority to applications from eligible intermediaries with demonstrated expertise under subpart B or subpart C of this part.
(3) Criteria. The criteria developed under this section shall:
   (i) Not assign any preference or priority to applications from eligible intermediaries based on their previous participation in administering or receiving Federal grants or loans (but may exclude applicants who have failed to perform under prior contracts of a similar nature);
   (ii) Require an applicant to prepare a proposal that demonstrates adequate staffing, qualifications, prior experience, and a plan for participation; and
   (iii) Permit an applicant to serve as the administrator of assistance made available under §248.405(d) and (e), based on the applicant’s suitability and interest.

(4) Geographic coverage. The Commissioner may select more than one State or regional intermediary for a single State or region. The number of intermediaries chosen for each State or region may be based on the number of eligible low income housing projects in the State or region, provided there is no duplication of geographic coverage by intermediaries in the administration of the direct assistance grant program.

(5) National nonprofit intermediaries. National nonprofit intermediaries shall be selected to administer the assistance made available under §248.405 only with respect to State or regions for which no other eligible intermediary, acceptable to the Commissioner, has submitted a proposal to participate.

(6) Preference. With respect to assistance made available under §248.410, preference shall be given to eligible regional, State and local intermediaries, over national nonprofit organizations.

(c) Conflicts of interest. Eligible intermediaries selected under paragraph (b) of this section to disburse assistance under §248.405 shall certify that they will serve only as delegated program administrators, charged with the responsibility for reviewing and approving grant applications on behalf of the Commissioner. Selected intermediaries shall:
   (1) Establish appropriate procedures for grant administration and fiscal management, pursuant to standards established by the Commissioner; and
   (2) Receive a reasonable administrative fee, except that they may not provide other services to grant recipients with respect to projects that are the subject of the grant application and may not receive payment, directly or indirectly, from the proceeds of grants they have approved.

§ 248.420 Definitions.

PART 251—COINSURANCE FOR THE CONSTRUCTION OR SUBSTANTIAL REHABILITATION OF MULTIFAMILY HOUSING PROJECTS

Sec.
251.1 Termination of program.
251.2 GNMA right to assignment.
251.3 Case-by-case conversion to full insurance.
251.6 Method of payment of mortgage insurance premiums.

§ 251.1 Termination of program.

(a) Effective on November 12, 1990, the authority to coinsure mortgages under this part is terminated, except that the Department:

(1) Will honor legally binding and validly issued commitments issued before November 12, 1990 and

(2) Will accept for review the coinsurance applications described in paragraph (b) of this section.

Part 251, as it existed immediately before November 12, 1990, will continue to govern the rights and obligations of co-insured lenders, mortgagors, and the Department of Housing and Urban Development with respect to loans co-insured under this part.

(b) A precommitment review procedure applies to any application for mortgage coinsurance for which a lender has accepted a non-refundable application fee before November 12, 1990 under this part and for which a legally binding Conditional or Firm Commitment is proposed to be issued. This procedure applies to lenders with preliminary as well as full approval to process coinsurance applications and without regard to whether the lender is under probation. For any coinsurance application for which the lender has accepted an application and a non-refundable application fee before November 12, 1990, the lender shall, prior to commitment, submit to HUD headquarters and to the HUD field office with jurisdiction for the proposed project such exhibits and other information as has been specified in administrative instructions of the Commissioner. The lender shall not issue a commitment without written approval from the Commissioner. Field Offices shall not endorse any case covered by this precommitment review requirement unless the lender submits with the endorsement package evidence of the Commissioner’s approval of the processing and evidence of compliance with any conditions imposed by the Commissioner.

(c) Extensions of commitments for projects which had outstanding legally binding commitments as of November 12, 1990 are limited as follows:

(1) Firm commitments for insurance of advances may be granted two 60-day extensions;

(2) Conditional commitments may be granted one 60-day extension;

(3) Firm commitments for insurance upon completion may not be extended. However, should any underwriting conclusions be altered and reflected in the extension, the project must be submitted for precommitment review in accordance with paragraph (b) of this section. In the event an extension is required beyond those provided for in this paragraph, the case will be subject to the precommitment review process described in paragraph (b) of this section.

(d) Reopened expired commitments are subject to precommitment review under paragraph (b) of this section.

(e) HUD considers a commitment to be legally binding if:

(1) It conforms to the format prescribed in the appropriate HUD Handbook and contains only such modifications as have been approved by HUD in writing;

(2) All required underwriting, analyses, reviews and approvals have been
§ 251.2 GNMA right to assignment.

If the lender-issuer defaults on its obligations under the GNMA Mortgage-Backed Securities Program, GNMA will have the right to cause all Coinsured Mortgages held in GNMA pools by the defaulting coinsuring lender-issuer to be assigned to another GNMA-approved cooinsuring lender-issuer, or to GNMA itself.

(a) For any Coinsured Mortgage that is not in default and is held by a defaulting lender-issuer, GNMA will have the right to perfect an assignment of the Mortgage to itself. However, before exercising this right, GNMA will attempt to have the Mortgage assigned to another eligible cooinsuring lender (unless GNMA determines, with the agreement of the Commissioner, that the attempt would prove ineffectual because of market conditions or other factors). This attempt will be undertaken by soliciting offers to assume the defaulting lender-issuer’s rights and obligations under the Mortgage from those eligible coinsuring lenders that are also GNMA issuers and that are indicated on a periodically updated listing furnished to GNMA by the Commissioner.

(b) For any Coinsured Mortgage that is in default and held by a defaulting lender-issuer, GNMA will have the right to perfect an assignment of the Coinsured Mortgage directly to itself before extinguishing the Mortgage by completion of foreclosure action or acquisition of title by deed-in-lieu of foreclosure.

(c) GNMA, as assignee, will give the Commissioner written notice, within 30 days after taking a Mortgage by assignment in accordance with this section, in order to allow an appropriate endorsement and necessary changes in the Commissioner’s records.

(d) The Commissioner will endorse any Mortgage assigned to GNMA as provided by this section for full insurance, effective as of the date of assignment in accordance with the appropriate provisions of 24 CFR part 221. Any future claim by GNMA, or any assignment of the fully insured Mortgage, will be governed by the appropriate provisions of 24 CFR part 221, except that any payment will be made in cash instead of debentures.

[59 FR 1475, Jan. 11, 1994]

§ 251.3 Case-by-case conversion to full insurance.

Upon the request of a coinsuring lender, the Commissioner may endorse a coinsured Mortgage for full insurance, effective as of the date of such endorsement, if the Commissioner is satisfied that:

(a) Continuing the Mortgage under coinsurance could jeopardize the lender’s viability and ability to service its remaining portfolio of coinned Mortgages;

(b) The lender has made reasonable efforts to work out any Mortgage default consistent under 24 CFR 251.811 (1990), but the remedies available to the lender have not been adequate to reinstate the Mortgage;

(c) The conversion would be less costly to HUD than if the Mortgage remained coinned;

(d) The lender has paid HUD the fee set forth through Federal Register notice; and

(e) The lender agrees to give the Commissioner written notice under 24 CFR 207.258 of its intent to file an insurance claim upon the Commissioner’s
endorsement of the Mortgage for full insurance.

§ 251.6 Method of payment of mortgage insurance premiums.

In the cases that the Commissioner deems appropriate, the Commissioner may require, by means of instructions communicated to all affected lenders, that mortgage insurance premiums be remitted electronically.

The provisions of 24 CFR 251.6 shall apply to this part.

[63 FR 1303, Jan. 8, 1998]
Subpart A—General Provisions

§ 266.1 Purpose and scope.

(a) Authority and scope. (1) Section 542 of the Housing and Community Development Act of 1992 directs the Secretary of the Department of Housing and Urban Development, acting through the Federal Housing Administration, to carry out programs that will demonstrate the effectiveness of providing new forms of Federal credit enhancement for multifamily loans. Section 542, entitled, “Multifamily Mortgage Credit Demonstrations,” provides new independent insurance authority that is not under the National Housing Act.

(2) Section 542(c) of the Housing and Community Development Act of 1992 specifically directs the Secretary to carry out a pilot program of risk-sharing with qualified State and local housing finance agencies (HFAs). The qualified HFAs are authorized to underwrite and process loans. HUD will provide full mortgage insurance on affordable multifamily housing projects processed by such HFAs under this program. Through risk-sharing agreements with HUD, HFAs contract to reimburse HUD for a portion of the loss from any defaults that occur while HUD insurance is in force.

(3) The extent to which HUD will direct qualified HFAs regarding their underwriting standards and loan terms and conditions is related to the proportion of the risk taken by an HFA.

(b) Purpose. The primary purpose of this pilot program is to test the effectiveness of providing new forms of credit enhancement for multifamily loans, i.e., utilization of full insurance by HUD, pursuant to risk-sharing...
agreements with qualified housing finance agencies, for the development of affordable housing. The utilization of Federal credit enhancements should increase access to capital markets and, thereby, increase the supply of affordable multifamily housing. By permitting HFAs to underwrite, process, and service loans and to manage and dispose of properties that fall into default, HUD expects affordable housing to be made available to eligible families and individuals in a timely manner.

§ 266.5 Definitions.

**Act** means the Housing and Community Development Act of 1992, as amended.

**Affordable housing** means a project in which 20 percent or more of the units are both rent-restricted and occupied by families whose income is 50 percent or less of the area median income as determined by HUD, with adjustments for household size, or in which 40 percent (25 percent in New York City) or more of the units are both rent-restricted and occupied by families whose income is 60 percent or less of the area median income as determined by HUD, with adjustments for household size. A residential unit is rent-restricted if the gross rent with respect to such unit does not exceed 30 percent of the imputed income limitation applicable to such unit.

**Board and Care/Assisted Living Facility** means a residential facility for independent living that is regulated by State or local government that provides continuous protective oversight and assistance with the activities of daily living to frail elderly persons or other persons needing such assistance. Continuous protective oversight may range from as little as awareness on the part of management staff of residents’ whereabouts (and the ability to intervene in the event of crisis) to a higher level of services and assistance. Assistance with the activities of daily living may include, but is not limited to, bathing, dressing, eating, getting in and out of bed or chairs, walking, going outdoors, using the toilet, laundry, home management, meal preparation, shopping, supervision of medication, and housework.

The instrument must be in the standard form of a State or Municipal Debenture issued under the Uniform Commercial Code, where applicable, and must be supported by the full faith and credit of the HFA. The instrument must define the terms and conditions and the risk-sharing portion which the HFA will pay at the end of the term of the Debenture, and must be for the full amount of the claim payment. The term Debenture may include similar instruments, such as promissory notes and bonds, as mutually agreed upon by the Commissioner and the HFA.

Office of Assistant Secretary for Housing, HUD

§ 266.5

Gross rent includes any utility allowance (including charges for the occupancy of a cooperative unit) determined by the Secretary after taking into account such determination under section 8 of the U.S. Housing Act of 1937 (42 U.S.C. 1437f). It does not include any payment under section 8 or any comparable rental assistance program (with respect to such unit or occupants thereof), nor does it include any fee for a supportive service that is paid to the owner of the unit (on the basis of the low-income status of the tenant of the unit) by any governmental program of assistance (or by an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) and exempt from tax under section 501(a) of the Code (26 U.S.C. 501(a)) if such program (or organization) provides assistance for rent and the amount of assistance provided for rent is not separable from the amount of assistance provided for supportive services. It also does not include any rental payment to the owner of the unit to the extent such owner pays an equivalent amount to the Farmers Home Administration under section 515 of the Housing Act of 1949 (42 U.S.C. 1465).

Housing finance agency or HFA means any public body, agency, or instrumentality created by a specific act of a State legislature or local municipality empowered to finance activities designed to provide housing and related facilities, through land acquisition, construction or rehabilitation. The term State includes the several States, Puerto Rico, the District of Columbia, Guam, the Trust Territory of the Pacific Islands, American Samoa and the Virgin Islands.

Insured mortgage means a valid single first lien given to secure advances on, or the unpaid purchase price of, real estate, under the laws of the State in which the real estate is located, together with the credit instrument, if any, secured thereby. Any other financing permitting on property insured under this part must be expressly subordinate to the insured mortgage.

Level II participants means HFAs that elect to take 10 or 25 percent of the risk of loss on mortgages issued under this program, dependent on the loan-to-replacement cost or loan-to-value ratio of the project to be insured.

Mortgage means such a single first lien upon the real estate as is commonly given to secure advances on, or the unpaid purchase price of, real estate under the laws of the jurisdiction where the real estate is situated, together with the credit instruments, if any, secured thereby.

Mortgagor means the original lender under a mortgage and its successors and assigns.

Multifamily housing means housing accommodations on the mortgaged property that are designed principally for residential use, conform to standards satisfactory to the Secretary, and consist of not less than 5 rental units (including cooperative units) on 1 site. These units may be detached, semidetached, row house, or multifamily structures.

Qualified HFA means an HFA that meets the requirements described in §266.100(a).

Risk-Sharing Agreement means a contract between an HFA and the Commissioner that incorporates the terms, obligations, and conditions specified in this part.

Secondary financing means any grant, loan, inferior lien, or other form of indebtedness used during loan origination prior to HUD endorsement to finance a multifamily property insured under this part which is inferior to the insured mortgage as defined above and does not have first priority for payment.

Single Room Occupancy, or SRO, projects means multifamily projects consisting of units that are not required to contain food preparation or sanitary facilities for occupancy by single individuals capable of independent living.

Supportive services means any service provided under a planned program of services designed to enable residents of a residential rental property to remain...
independent and avoid placement in a hospital, nursing home, or intermediate care facility for the mentally or physically handicapped. In the case of a single room occupancy unit, the term includes any service provided to assist tenants in locating and retaining permanent housing. This definition is to be used in conjunction with the “gross rent” calculation.

§ 266.10 Allocations of assistance and credit subsidy.

(a) Notice of availability of assistance. HUD will announce the availability of assistance under this program through publication of a Notice in the Federal Register. Such Notice will invite qualified HFAs to submit an application for approval and/or for additional units under this part. The Notice will indicate the deadline date for submission of applications, required documentation, the address to which the applications must be submitted and other relevant information.

(b) Credit subsidy will be obligated and allocated in accordance with outstanding Department instructions.

§ 266.15 Risk-Sharing Agreement. Execution of a Risk-Sharing Agreement is a prerequisite to participation in this program. The Risk-Sharing Agreement shall be in a form acceptable to the Commissioner.

[61 FR 7947, Feb. 29, 1996]

§ 266.20 Effect of amendments. The Commissioner may amend the regulations in this part from time to time. Amendments to the regulations will not adversely affect the interest of a lender under a Contract of Insurance on any mortgage already insured or on any mortgage to be insured on which HUD has already issued its firm approval letter.

§ 266.25 Limitation on HUD insurance liability. The Commissioner shall have no obligation to recognize or deal with anyone other than the HFA in its role as mortgagor of record and as party to a risk-sharing agreement with HUD with respect to the rights, benefits, and obligations of the HFA under the contract of insurance.

§ 266.30 Nonapplicability of 24 CFR part 246.
The provisions of 24 CFR part 246 do not apply to projects that are security for mortgages insured under this part.

Subpart B—Housing Finance Agency Requirements

(a) Qualifications. To participate in the program, an HFA must apply and be specifically approved for the pilot program described in this part, in addition to being approved as a mortgagee under §202.10. The HFA must maintain eligibility by continuing to comply with the requirements set forth in the Risk-Sharing Agreement and this part. To qualify for participation in the program described in this part, an HFA must:

(1) Carry the designation of “top tier” or its equivalent as evaluated by Standard and Poor’s or any other nationally recognized rating Agency; or

(2) Receive an overall rating of “A” for the HFA for its general obligation bonds from a nationally recognized rating agency; or

(3) Otherwise demonstrate its capacity as a sound and experienced HFA based on, but not limited to, experience in financing multifamily housing, fund balances, administrative capabilities, investment policy, internal controls, financial management, portfolio quality, and State or local support; and

(4) Be a HUD-approved multifamily mortgagee in good standing; and

(5) Have at least five years experience in multifamily underwriting; and

(6) Certify that:

(i) The Department of Justice has not brought a civil rights suit against the Agency, and no suit is pending;

(iii) There are no outstanding findings of noncompliance with civil rights
§ 266.110 Reserve requirements.

(a) HFAs with top-tier designation or overall rating of “A” on general obligation bonds. An HFA with a top tier or equivalent designation or an HFA with an overall rating of “A” on its general obligation bonds is not required to have additional reserves so long as the HFA maintains that designation or rating, unless the Commissioner determines that a prescribed level of reserves is necessary. If the designation or rating is lost, the HFA must immediately establish a reserve account funded in accordance with the requirements set forth in paragraph (b) of this section. The reserve account must reflect all loans in the HFA’s portfolio endorsed under this part.

(b) Other HFAs. (1) For other HFAs, a specifically identified dedicated account consisting entirely of liquid assets (i.e., cash or cash equivalents or readily marketable securities) must be established and maintained in a financial institution acceptable to HUD. This account may be drawn upon by HUD and may be used by the HFA only with the prior written approval of HUD for the purpose of meeting the HFA’s risk-sharing obligations under this part. The account must be established prior to the execution of any Risk Sharing Agreement under this part in an initial amount of not less than $500,000. Thereafter, the HFA must deposit at each loan closing and thereafter maintain the following additional amounts in the dedicated account:

(i) $10.00 per $1,000 of the unpaid principal balance that is equal to or less than $50 million; plus
(ii) $7.50 per $1,000 of the unpaid principal balance that is greater than $50 million and less than $150 million; plus

§ 266.105 Application requirements.

HFAs that are not HUD-approved mortgagees at the time of their application to participate in the program under this part must submit, concurrently, separate applications for approval to participate in the program and for approval to operate as a HUD-approved mortgagee. Application for approval as a HUD-approved mortgagee must be submitted to HUD in accordance with the applicable HUD requirements.

(b) Applications for participation in program. Applications from HFAs for approval to participate in the program under this part will be submitted in response to a notice published in the FEDERAL REGISTER. The notice will include the required application exhibits and any other information or documentation necessary for approval for participation in the Risk-Sharing Program.

[61 FR 7947, Feb. 29, 1996]
§ 266.115 Program monitoring and evaluation.

(a) HFA certifications. HUD will rely heavily on the certifications required of an HFA under this part and such additional certifications as the Commissioner may require in his or her administrative procedures. An HFA’s continued participation in the program is predicated upon compliance with these certifications and its recommending for endorsement only those mortgages that comply with requirements of the program, including the HFA’s origination, underwriting and closing procedures incorporated by reference into the Risk-Sharing Agreement.

(b) Monitoring and evaluation. Monitoring and evaluation activities will focus on compliance with program requirements and performance of the HFA in meeting program objectives of providing affordable housing. They will enable HUD to evaluate the effectiveness of the program as required by section 542(d)(3) of the Act.

(c) Responsibility for monitoring and evaluation. The Commissioner or his or her designee will be responsible for overall program monitoring and evaluation.

(d) HFA submissions. (1) For each loan insured under this part, basic underwriting and closing information must be submitted in a format specified by HUD and must accompany the closing docket submitted in accordance with § 266.420(b). Information relative to project management and servicing (including disposition) will be required after endorsement.

(2) The HFA must submit semi-annual reports setting forth the original mortgage amounts and outstanding principal balances on mortgages the HFA has underwritten, and the status of all projects insured under this part (e.g., current, in default, acquired, under workout agreement, in bankruptcy). For projects where the mortgagor has declared bankruptcy, the HFA must submit information containing the date the bankruptcy was filed and the date the HFA requested the Court to dismiss the bankruptcy proceedings.

§ 266.120 Actions for which sanctions may be imposed.

Results of monitoring or other reviews may serve as the basis for the Commissioner’s imposing sanctions on the HFA. Violations for which sanctions may be imposed include, but are not limited to:

(a) Commission of fraud or making a material misrepresentation by the HFA with respect to any mortgage insured or to any other matter under this part.

(b) Assignment or transfer of interest in any insured mortgage not in accord with the requirements of this part.

(c) Engagement in business practices that do not conform to generally accepted practices of prudent lenders or that demonstrate irresponsibility.

(d) Actions or conduct for which sanctions may be imposed against the HFA by HUD’s Mortgagee Review Board under 24 CFR 25.9.

(e) Failure to:

(1) Reveal in its application for participation in the program all the information required by this part;

(2) Notify HUD in a timely manner of any pending or actual changes that would adversely affect HFA operations or financial status;

(3) Comply with all eligibility requirements for participation in the program;

(4) Issue debentures in the event of an initial claim payment by HUD, or to reimburse HUD for payment of a claim;

(5) Maintain its top tier designation or overall rating of “A” on general obligation bonds (or if such designation or rating is lost, comply with paragraph (e)(6) of this section);

(6) Establish and maintain a dedicated account, if required, or meet other financial obligations under this program;

(7) Perform underwriting, insurance of advances, cost certification, management, servicing or property disposition functions in a prudent and acceptable manner based on the standards incorporated by reference into the Risk-Sharing Agreement;
(8) Submit financial and other reports required by this part;
(9) Comply with any regulatory requirement or with the Risk-Sharing Agreement;
(10) Maintain any other standards HUD may establish for participation in this program;
(11) Enforce the regulatory agreement provisions with respect to individual projects;
(12) Maintain a default ratio acceptable to HUD relative to the HFA’s own portfolio and the defaults experienced under this part by other program participants;
(13) Consider adequately special risk circumstances without compensating for the higher risks of such transactions (e.g., high loan-to-value ratios in areas with high vacancy or default rates); or
(14) Remit mortgage insurance premiums on a timely basis or failure to refund or credit mortgagor’s accounts with overpaid mortgage insurance premiums.

§ 266.125 Scope and nature of sanctions.

(a) Actions by Designated Office. Depending on the nature and extent of the noncompliance with the requirements of this part, the Designated Office may take any of the following actions:
(1) Require that the HFA execute a trust agreement, establish a trust account in accordance with such agreement, and fund such account which may be drawn upon by HUD for purposes of meeting the HFA’s risk-sharing obligations;
(2) Require the HFA to assume a higher portion of risk for the subject and future mortgages;
(3) Recommend to the Commissioner that the HFA be required to contract its loan servicing or property disposition functions to a third party;
(4) Recommend to the Commissioner that the mortgage insurance be terminated in cases of fraud or material misrepresentation by the HFA, or transfer of interest in an insured mortgage or assignment of the mortgage not in accord with the requirements of this part;
(5) Recommend to the Commissioner that approval for the HFA to participate in the program be suspended or withdrawn;
(6) Recommend to the Commissioner that the HFA’s mortgagor approval be withdrawn pursuant to 24 CFR part 25 and/or that penalties be imposed pursuant to 24 CFR part 30;
(7) Require additional financial or other reports as may be necessary to monitor the activities of the HFA more closely.

(b) Actions by Headquarters. HUD Headquarters may impose any of the sanctions set forth or recommended in paragraph (a) of this section based upon its responsibilities for monitoring and overall program oversight.

(c) Effect of suspension or withdrawal. A suspension or withdrawal action will not affect any mortgage insurance endorsement in effect on the date of the suspension or withdrawal action.

(d) HFA right to informal hearing. (1) Any sanction imposed by a Designated Office in writing will be immediately effective, will state the grounds for the action, and provide for the HFA’s right to an informal hearing before the Designated Office Representative or his or her designee in the Designated Office. The HFA may request an informal hearing within 10 working days of receipt of the suspension or withdrawal action and the Designated Office shall give the HFA an opportunity to be heard within 10 working days of receipt of the HFA’s request. The HFA may be represented by counsel. The Designated Office Representative, or his or her designee, will advise the HFA in writing of the decision within 10 working days of the informal hearing, which decision will constitute final HUD action.
(2) Sanctions imposed by Headquarters will be handled in a similar manner, except that the informal hearing shall be before the Commissioner or his or her designee.

§ 266.130 Reinsurance.

Reinsurance will be permitted for the portion of the HFA risk, subject to the following requirements:
(a) Neither HUD’s nor the HFA’s position shall be subordinated;
§266.200
(b) The reinsurance may not be used to reduce any reserve or fund balance requirements; and
(c) Such reinsurance does not incur an obligation to the Federal Government.

Subpart C—Program Requirements

(a) Minimum project size. Projects insured under this part must consist of five or more rental dwelling units (including cooperative dwelling units) on one site. The site may consist of two or more non-contiguous parcels of land situated so as to comprise a readily marketable real estate entity within an area small enough to allow convenient and efficient management. The units may be detached, semi-detached, row houses, multifamily structures, or mobile home parks (exclusive of the mobile homes).
(b) New construction or substantial rehabilitation. Insurance under this part shall be for the purpose of financing the new construction or substantial rehabilitation of projects meeting the other requirements of this part as follows:
(1) New construction occurs when all project and construction elements are installed as part of the work.
(2) Substantial rehabilitation is any combination of the following work to the existing facilities of a project that aggregates to at least 15 percent of project’s value after the rehabilitation and that results in material improvement of the project’s economic life, liveability, marketability, and profitability: Replacement, alteration and/or modernization of building spaces, long-lived building or mechanical system components, or project facilities. Substantial rehabilitation may include but not consist solely of any combination of: minor repairs, replacement of short-lived building or mechanical system components, cosmetic work, or new project additions.
(c) Existing projects. Financing of existing properties without substantial rehabilitation is allowed.
(1) If an existing multifamily project is being acquired and HUD insurance under this part will be used to facili-
however, rent payments may be made on a weekly basis in SRO projects.

(b) Projects in military impact areas. A project located in a military impact area, as determined by HUD. A military impact area is generally a small or medium size metropolitan housing market area or a remote or isolated nonmetropolitan area where:

(1) Military-connected households comprise 25 percent or more of the total households in the market area. Military-connected households include active duty military personnel, civilian employees of the military service (Department of Defense) or other Federal agency at or in support of the installation, and employees of contractors and sub-contractors directly associated with the military installation, and their dependents. Unaccompanied active duty military personnel housed in military-controlled group quarters housing (barracks, BOQ's) are excluded; and

(2) There is concern about the continued stability of the current level of military strength and mission at the installation based on public announcements from the Department of Defense or the military service of impending changes; and

(3) The complete reduction of military-connected households living in nonmilitary rental housing over a 5 year period, at an annual average decline of 20 percent, would, taking into account growth in the civilian economy and normal changes in the housing inventory, cause an adverse impact on the private rental market resulting in an increase in the rental vacancy rate in the housing market of 10 percent or more at the end of that period.

(c) Retirement service centers. Projects designed for the elderly with extensive services and luxury accommodations that provide for central kitchens and dining rooms with food service or mandatory services.

(d) Nursing homes or intermediate care facilities. Nursing homes and intermediate care facilities licensed and regulated by State or local government and providing nursing and medical care.

(b) **Labor standards and prevailing wage requirements.** The HFA will perform information collection (e.g., payroll review and routine interviews) and other routine administration and enforcement functions regarding labor standards, in accordance with § 266.225(e). (Enforcement of Davis-Bacon prevailing wage requirements and labor standards is the responsibility of HUD.)

(c) **Insurance of advances.** In cases involving insured advances, the HFA will approve periodic advances of mortgage insurance proceeds during construction of the project subject to terms specified by the Commissioner.

(d) **Cost certification.** The HFA will perform cost certification functions on each insured loan subject to terms specified by the Commissioner.

The mortgagor must certify to the HFA that, so long as the mortgage is insured under this part, it will:

(a) Not use tenant selection procedures that discriminate against families with children, except in the case of a project that constitutes "housing for older persons" as defined in section 807(b)(2) of the Fair Housing Act (42 U.S.C. 3607(b)(2));

(b) Not discriminate against any family because of the sex of the head of household;

In addition, a mortgagor that receives Federal financial assistance must also certify to the HFA that, so long as the mortgage is insured under this part, it will comply with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d), as implemented by 24 CFR part 1; the Age Discrimination Act of 1975 (29 U.S.C. 610-617), as implemented by 24 CFR part 146; and section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as implemented by 24 CFR part 8.
§ 266.225  Labor standards.

(a) Applicability of Davis-Bacon. (1) All laborers and mechanics employed by contractors or subcontractors on a project insured under this part shall be paid not less than the wages prevailing in the locality in which the work was performed for the corresponding classes of laborers and mechanics employed in construction of a similar character, as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), where the project meets all of the following conditions:

(i) Advances for the project are insured under this part;

(ii) The project involves new construction or substantial rehabilitation; and

(iii) The project will contain 12 or more dwelling units.

(2) Projects that do not meet these conditions are not subject to Davis-Bacon wage rates except to the extent required as a condition of other Federal assistance to the project.

(b) Volunteers. The provisions of this section shall not apply to volunteers under the conditions set out in 24 CFR part 70. In applying part 70, insurance under this part shall be treated as a program for which there is a statutory exemption for volunteers.

(c) Labor standards. Any contract, subcontract, or building loan agreement executed for a project subject to Davis-Bacon wage rates under paragraph (a) of this section shall comply with all labor standards and provisions of 29 CFR parts 1, 3 and 5 that would be applicable to a mortgage insurance program to which Davis-Bacon wage rates are made applicable by statute.

(d) Advances. (1) No advance under a mortgage on a project subject to Davis-Bacon wage rates under paragraph (a) of this section shall be eligible for insurance under this part unless the HFA determines (in accordance with the Commissioner’s administrative procedures) that the general contractor or any subcontractor or any firm, corporation, partnership or association in which the contractor or subcontractor has a substantial interest was not, on the date the contract or subcontract was executed, on the ineligible list established by the Comptroller General, pursuant 29 CFR 5.12, issued by the Secretary of Labor.

(2) No advance under any mortgage on a project subject to Davis-Bacon wage rates under paragraph (a) of this section shall be insured under this part unless there is filed with the application for the advance, and no such mortgage shall be insured under this part unless there is filed with the HFA after completion of the construction or substantial rehabilitation, a certificate or certificates in the form required by the Commissioner, supported by such other information as the Commissioner may prescribe, certifying that the laborers and mechanics employed in the construction of the project involved have been paid not less than the wages determined by the Secretary of Labor to be prevailing in accordance with paragraph (a) of this section.

(e) Responsibility for enforcement and administration. The Commissioner retains responsibility for enforcement of labor standards under this section, but the Commissioner may delegate to the HFA information collection (e.g., payroll review and routine interviews) and other routine administration and enforcement functions, subject to monitoring by the Commissioner. Where routine administration and enforcement functions are delegated to the HFA, the HFA shall bear financial responsibility for any deficiency in payment of prevailing wages or, where applicable under 29 CFR part 1, any increase in compensation to a contractor, that is attributable to any failure properly to carry out its delegated functions. For example, failure of an HFA to supply or ensure inclusion of the proper contract clauses or wage determination in a contract or building loan agreement may require the HFA to fund increased compensation to a contractor as the result of increased wages attributable to incorporation of the proper clauses and wage determination.

Subpart D—Processing, Development, and Approval

§ 266.300  HFAs accepting 50 percent or more of risk.

(a) Underwriting standards. An HFA electing to take 50 percent or more of

(2) Establish the maximum insurable mortgage and review plans and specifications for compliance with HFA standards;

(3) Determine the acceptability of the proposed mortgagor and management agent;

(4) Approve the Affirmative Fair Housing Marketing Plan; and

(c) HUD-retained reviews. After positive completion of the HUD-retained reviews specified in §266.210(a), (b), and (c), the HUD Field Office will issue a firm approval letter.

(d) Inspections and other reviews. The HFA is responsible for inspections during construction, processing and approving advances of mortgage proceeds during construction, review and approval of cost certification, and closing of the loan.

(e) Endorsement of mortgage note for insurance. So long as the HFA is in good standing, and absent fraud or material misrepresentation on the part of the HFA, the Commissioner or designee will endorse the mortgage note for insurance upon presentation by the HFA.

(a) General. HUD will agree to insure periodic advances of mortgage proceeds or to insure the entire mortgage upon completion of construction for projects involving new construction or substantial rehabilitation. Existing projects without the need for substantial rehabilitation will be considered insurance upon completion cases. In insurance upon completion cases, only the permanent loan is insured and a single endorsement is required after satisfactory completion of construction, substantial rehabilitation or repairs. In periodic advances cases, progress payments approved by the HFA and both an initial and final endorsement on the mortgage are required.

(b) Insurance of advances. Periodic advances will be authorized by the HFA subject to terms specified by the Commissioner.

(c) Insurance upon completion—(1) New construction and substantial rehabilitation. An HFA may approve a loan that will be insured upon completion of construction of the project. The HFA approval must prescribe a designated period during which the mortgagor must start construction or substantial rehabilitation. If construction or rehabilitation is started as required, the approval will be valid for the period estimated by the HFA for construction and loan closing, including any extension approved by the HFA.

(2) Existing projects with no substantial rehabilitation. Existing projects with or without repairs are only insured upon completion, although HFAs may permit noncritical repairs to be completed after endorsement upon establishment of escrows acceptable to the HFA.

(d) Requirements applicable to both periodic advances and insurance upon completion cases—(1) Inspections. The HFA must inspect projects under this part at such times during construction, substantial rehabilitation, or repairs as the HFA determines. The inspections must be conducted to assure compliance with plans and specifications, work write-ups, and other contract documents.

(2) Approval of advances. At all times, the loan must be kept in balance, and advances approved only if warranted by construction progress evidenced through HFA inspection, as well as in accord with plans, specifications, work write-ups and other contract documents. In approving advances, HFAs must make certain that other mortgageable items are supported with proper bills and/or receipts before funds can be approved and advanced for insurance.

(3) Cost certification. In order to ensure that the final amount for insurance is supported by certified costs:

(i) The mortgagor (and general contractor, if there is an identity of interest with the mortgagor) must execute a certificate of actual costs, in a form acceptable to the HFA, when all physical improvements are completed to the satisfaction of the HFA and before final endorsement; and

(ii) The cost certification provided by the mortgagor must be audited by an independent public accountant.

(4) Contestability. Although the HFA has authority to approve the mortgagor's (and general contractor's) certification of cost, the certification will be contestable by the Commissioner during the period up to and including final endorsement of the mortgage. After final endorsement, the certification will be final and incontestable except for fraud or material misrepresentation on the part of the mortgagor (and/or general contractor).

(5) Assurance of completion. The mortgagor must furnish assurance of completion of the project in accordance with any requirements of the HFA as to form and amount.

(6) Latent defects escrow. The mortgagor must furnish an escrow or other form of assurance required by the HFA to ensure that latent defects can be remedied within the time period required by the HFA.

(e) Mortgagee of record. The HFA must remain the mortgagee of record as long as mortgage insurance is in force.

§ 266.315 Recordkeeping requirements.

The mortgagor and the builder, if there is an identity of interest with the
mortgagor, shall keep and maintain records of all costs of any construction or other cost items not representing work under the general contract and to make available such records for review by the HFA or HUD, if requested.

Subpart E—Mortgage and Closing Requirements; HUD Endorsement

§ 266.400 Property requirements—real estate.

The mortgage must be on real estate held:
(a) In fee simple;
(b) Under a renewable lease of not less than 99 years; or
(c) Under a lease executed by a governmental agency, or other lessor approved by the HFA, that has a term at least 10 years beyond the end of the mortgage term.

§ 266.402 Recordation.

At the time of initial endorsement in the case of insurance of advances or at the time of final endorsement in the case of insurance upon completion, the HFA shall make certain that the mortgage and the regulatory agreement are recorded.

§ 266.405 Title.

(a) Eligibility of title. Marketable title to the mortgaged property must be vested in the mortgagor on the date the mortgage is filed for record.

(b) Title evidence. The HFA must receive a title insurance policy that ensures that marketable title is vested in the mortgagor, that a survey acceptable to the HFA has been performed, and that no existing impediments to title concern, or exist on, the property.

§ 266.410 Mortgage provisions.

(a) Form. The mortgage and note must be executed on a form approved by the HFA for use in the jurisdiction in which the property is located.

(b) Mortgagor. The mortgage must be executed by a mortgagor determined eligible by the HFA.

(c) First lien. The mortgage must be a single first lien on property that has first priority for payment and that conforms with property standards prescribed by the HFA.

(d) Single asset mortgagor. The mortgage must require that the mortgagor is a single asset mortgagor.

(e) Amortization. The mortgage must provide for complete amortization (i.e., regularly amortizing) over the term of the mortgage.

(f) Use restrictions. The mortgage must contain a covenant prohibiting the use of the property for any purpose other than the purpose intended on the day the mortgage was executed. The conversion of a project from rental to cooperative is not a "change in use" as that term is employed in the mortgage since the property will continue to have a residential use both before and after conversion.

(g) Hazard insurance. The mortgage must contain a covenant, acceptable to the HFA, that binds the mortgagor to keep the property insured by one or more standard policies for fire and other hazards stipulated by the HFA. A standard mortgagee clause making loss payable to the HFA must be included in the mortgage. The HFA is responsible for assuring that insurance is maintained in force and in the amount required by this paragraph and the mortgage. The HFA must ensure that the insurance coverage is in an amount that will comply with the coinsurance clause applicable to the location and character of the property, but not less than 80 percent of the actual cash value of the insurable improvements and equipment. If the mortgagor does not obtain the required insurance, the HFA must do so and assess the mortgagor for such costs. These insurance requirements apply as long as the HFA retains an interest in the project and final claim settlement has not been completed or the contract of insurance has not been otherwise terminated.

(h) Modification of terms. The mortgage must contain a covenant requiring that, in the event that the HFA and owner agree to a modification of the terms of the mortgage (e.g., to reflect a reduction of the interest rate if reductions are realized in the underlying bond rates for the project), Section 8 rents would be reduced in accordance with HUD guidelines.
§ 266.415 Mortgage lien and other obligations.

(a) Liens. At the initial and final closing of the loan, the mortgagor and the HFA must certify, and the HFA must determine, that the property covered by the mortgage is free from all liens other than the lien of the insured mortgage, except that the property may be subject to such inferior lien or liens as approved by the HFA as long as the insured mortgage has first priority for payment.

(b) Contractual obligations. At the final closing of the loan, the mortgagor and the HFA must certify, and the HFA must determine, that all contractual obligations in connection with the mortgage transaction, including the purchase of the property and the improvements to the property, are paid. An exception is made for obligations that are approved by the HFA and determined by the HFA to be of a lesser priority for payment than the obligation of the insured mortgage.

§ 266.417 Authority to adjust mortgage insurance amount.

In order to protect the mortgage insurance funds, the Commissioner has authority in his or her sole discretion, at any time prior to and including final endorsement, to adjust the amount of the mortgage insurance.

§ 266.420 Closing and endorsement by the Commissioner.

(a) Closing. Before disbursement of loan advances in periodic advances cases, and in all cases after completion of construction, repair or substantial rehabilitation, the HFA must hold a closing and submit a closing docket with required documentation to the Commissioner or the Commissioner’s authorized Departmental representative for insurance of the mortgage by endorsement of the mortgage note. The note must provide that the mortgage is insured under section 542(c) of the Housing and Community Development Act of 1992 and the regulations set forth at 24 CFR part 266 in effect on the date of endorsement. The note must also specify the date of endorsement, i.e., the date of HUD endorsement of the project mortgage, and the risk of loss assumed by the HFA and by HUD.

(b) Closing docket. The HFA’s submission must include a certification that it has obtained written HUD approval of compliance with the requirements referred to in §266.210, and certifications and information as follows:

1. Information concerning the mortgage amount and term, location, number and type of units, income and expenses, rents, projects and market occupancy percentages, value/replacement cost, interest rate, and similar statistical information in accordance with the Commissioner’s administrative procedures.

2. Copies of the amortization schedule, Note and Risk-Sharing Agreement.

3. Certification that the loan has been processed, prudently underwritten (including a determination that a market exists for the project), cost certified (if the project is being submitted for final endorsement) and closed in full compliance with the HFA’s standards and requirements (or where the mortgage is insured under Level II, in full compliance with the underwriting standards and loan terms and conditions as approved by HUD).

4. At the time of final endorsement, a certification for periodic advances cases, if submitted for final endorsement, that advances were made proportionate to construction progress.

5. A copy of the HFA-approved cost certification if the project is submitted for final endorsement.

6. A certification that equal employment requirements are followed.

7. A certification that the HFA has reviewed and approved the Affirmative Fair Housing Marketing Plan and found it acceptable.

8. A certification that a dedicated account, if required, has been increased in accordance with §266.110(b).

9. Certifications required under §266.415 concerning liens and contractual obligations.

10. Copies of the Hazard Insurance Policy with a clause making the loss payable to the HFA.

11. For projects subject to Davis-Bacon prevailing requirements under
§ 266.500 General.

The HFA will have full responsibility for the administration of the provisions of this subpart and for managing and servicing projects insured under this part. The HFA is responsible for monitoring and determining the compliance of the project owner in accordance with the provisions of this subpart. HUD will monitor the performance of the HFA, not the project owner, to determine its compliance with the provisions covered under this subpart.

§ 266.505 Regulatory agreement requirements.

(a) General. (1) The HFA must execute a Regulatory Agreement, in recordable form, between the mortgagor and the HFA to be in force for the duration of the insured mortgage and note or bond. The Regulatory Agreement must include a description of the property. The Regulatory Agreement must be incorporated by reference into the mortgage and recorded with the mortgage.

(2) The Regulatory Agreement executed between the HFA and the mortgagor must be binding upon the mortgagor and any of its successors and assigns and upon the HFA and any of its successors for so long as the mortgage is insured by HUD or HUD holds an HFA debenture issued in connection with a claim arising from the insured mortgage. The HFA may not assign the Regulatory Agreement.

(b) The Regulatory Agreement executed between the HFA and the mortgagor must be binding upon the mortgagor and any of its successors and assigns and upon the HFA and any of its successors for so long as the mortgage is insured by HUD or HUD holds an HFA debenture issued in connection with a claim arising from the insured mortgage. The HFA may not assign the Regulatory Agreement.

(3) The HFA will enforce the Regulatory Agreement and take actions against any mortgagors who violate its provisions. Such actions may involve a declaration of default and application to any court for specific performance of the agreement.

(b) Requirements. The Regulatory Agreement must require the mortgagor to comply with the provisions of this part and obligate the mortgagor, among other things, to:

(1) Make all payments due under the mortgage and note/bond.

(2) Where necessary, establish a sinking fund for future capital needs.

(3) Maintain the project as affordable housing, as defined in § 266.5.

(4) Continue to use dwelling units for their original purposes.

(5) Comply with such other requirements as may be established by the HFA and set forth in the Regulatory Agreement.

(6) [Reserved]

(7) Maintain complete books and records established solely for the project.

(8) Comply with the Affirmative Fair Housing Marketing Plan and all other fair housing and equal opportunity requirements.

(9) Operate as a single asset mortgagor.

(10) Make books and records available for HUD or General Accounting Office (GAO) review with appropriate notification.

(11) Permit HUD officials or employees to inspect the project upon request by the Commissioner.

(c) Enforcement. The Regulatory Agreement shall be enforced by the HFA.

§ 266.507 Maintenance requirements.

The mortgagor must maintain the project in accordance with the physical condition standards in 24 CFR part 5, subpart G.

[63 FR 46578, Sept. 1, 1998]

§ 266.510 HFA responsibilities.

(a) Inspections. The HFA must perform inspections in accordance with the physical inspection procedures in 24 CFR part 5, subpart G.

(b) Annual audits of projects. The HFA must analyze projects’ annual audits and provide a copy to HUD along with a summary of unresolved findings and actions planned, with target dates, to correct unresolved findings.

(c) Closing information. The HFA shall provide final closing information to the Commissioner within 15 days of the final closing in a format prescribed by the Commissioner. In addition, the HFA shall submit a copy of the amortization schedule. This amortization shall be used to compute and collect all future mortgage insurance premiums subject to §266.600(c) or §266.602(d). If the mortgage is modified, the HFA shall submit to the Commissioner a copy of the revised amortization schedule, which shall be used to compute and collect all future mortgage insurance premiums subject to §266.600(c) or §266.602(d).

(d) Due date for premium payments. Mortgage insurance premiums are due on the first day of the month of the anniversary of the first payment to principal. Any premium received by the Commissioner more than 15 days after the due date shall be assessed a late charge of 4 percent of the amount of the premium payment due. Mortgage insurance premiums that are paid to the Commissioner more than 30 days after the due date shall begin to accrue interest at the rate prescribed by the Treasury Fiscal Requirements Manual.

§ 266.606 Mortgage insurance premium: Duration and method of paying.

(a) Duration of payments. Mortgage insurance premium payments must continue annually until one of the following occurs:

1. The mortgage is paid in full;
2. A deed to the HFA is filed for record;
3. An application for initial claim payment is received by the Commissioner;
4. The Contract of Insurance is otherwise terminated.

(b) Method of payment. The HFA shall pay any mortgage insurance premium required by this part in cash.

§ 266.608 Mortgage insurance premium: Pro rata refund.

If the Contract of Insurance is terminated by payment in full or is terminated by the HFA on a form prescribed by the Commissioner, after the date of the first payment to principal, the Commissioner shall refund any mortgage insurance premium for the period after the effective date of the termination of insurance. The refund shall be mailed to the HFA for credit to the mortgagor’s account. In computing the pro rata portion of the annual mortgage insurance premium, the date of termination of insurance shall be the last day of the month in which the mortgage is prepaid or the Commissioner receives a notification of termination, whichever is later. No refund shall be made if the insurance was terminated because of the submission of an application for initial claim payment or if the termination occurs before the date of the first payment to principal.

§ 266.610 Method of payment of mortgage insurance premiums.

In the cases that the Commissioner deems appropriate, the Commissioner may require, by means of instructions
Communicated to all affected mortgagees, that mortgage insurance premiums be remitted electronically.

[33 FR 1303, Jan. 8, 1998]

**INSURANCE ENDORSEMENT**

§ 266.612 Insurance endorsement.

(a) Initial endorsement. The Commissioner shall indicate his or her insurance of the mortgage by endorsing the original credit instrument.

(b) Final endorsement. When all advances of mortgage proceeds have been made and all other applicable terms and conditions have been complied with to the satisfaction of the Commissioner, the Commissioner shall indicate on the original credit instrument the total of all advances that have been approved for insurance and again endorse such instrument.

(c) Effect of endorsement. From the date of initial endorsement, the Commissioner and the HFA shall be bound by the provisions of this subpart to the same extent as if they had executed a contract including the provisions of this subpart and the applicable sections of the Act.

**ASSIGNMENTS**

§ 266.616 Transfer of partial interest under participation agreement.

The HFA may not assign the mortgage. However, a partial interest in an insured mortgage or pool of insured mortgages may be transferred under a participation agreement or arrangement (such as a declaration of trust or the issuance of pass-through certificates), without obtaining the approval of the Commissioner, if the following conditions are met:

(a) Legal title to the insured mortgage or mortgages shall be held by the HFA; and

(b) The participation agreement, declaration of trust or other instrument under which the partial interest is transferred shall provide that:

(1) The HFA shall remain mortgagee of record under the contract of mortgage insurance;

(2) The Commissioner shall have no obligation to recognize or deal with anyone other than the HFA with respect to the rights, benefits, and obligations of the mortgagor or the mortgagor under the mortgage.

**TERMINATION**

§ 266.620 Termination of Contract of Insurance.

The Contract of Insurance shall terminate if any of the following occurs:

(a) The mortgage is paid in full;

(b) The HFA acquires the mortgaged property and notifies the Commissioner that it will not file an insurance claim;

(c) A party other than HFA acquires the property at a foreclosure sale;

(d) The HFA notifies the Commissioner of Termination of Insurance (voluntary termination);

(e) The HFA or its successors commit fraud or make a material misrepresentation to the Commissioner with respect to information culminating in the Contract of Insurance on the mortgage or while the Contract of Insurance is in existence;

(f) The receipt by the Commissioner of an Application for Final Claims Settlement;

(g) If the HFA acquires the mortgaged property and fails to make an initial claim.

§ 266.622 Notice and date of termination by the Commissioner.

The Commissioner shall notify the HFA that the Contract of Insurance has been terminated and shall establish the effective date of termination. The termination shall be the last day of the month in which one of the events specified in §266.620 occurs.

**CLAIM PROCEDURES**

§ 266.626 Notice of default and filing an insurance claim.

(a) Definition of default. (1) A monetary default exists when the mortgagor fails to make any payment due under the mortgage.

(2) A covenant default exists when the mortgagor fails to perform any
other covenant under the provision of the mortgage or the regulatory agreement, which is incorporated by reference in the mortgage. An HFA becomes eligible for insurance benefits on the basis of a covenant default only after the HFA has accelerated the debt and the owner has failed to pay the full amount due, thus converting a covenant default into a monetary default.

(b) Date of default. For purposes of this subpart, the date of default is:

(1) The date of the first uncorrected failure to perform a mortgage covenant or obligation; or

(2) The date of the first failure to make a monthly payment that is not covered by subsequent payments, when such subsequent payments are applied to the overdue monthly payments in the order in which they were due.

(c) Notice of default. If a default (as defined in paragraph (a) of this section) continues for a period of 30 days, the HFA must notify the Commissioner within 10 days thereafter, unless the default is cured within the 30-day period. Unless waived by the Commissioner, the HFA must submit this notice monthly, on a form prescribed by the Commissioner, until the default has been cured or the HFA has filed an application for an initial claim payment. In cases of mortgage acceleration, the mortgagor must first give notice of the default.

(d) Timing of claim filing. Unless a written extension is granted by HUD, the HFA must file an application for initial claim payment (or, if appropriate, for partial claim payment) within 75 days from the date of default and may do so as early as the first day of the month following the month for which a payment was missed. Upon request of the HFA, HUD may extend, up to 180 days from the date of default, the deadline for filing a claim. In those cases where the HFA certifies that the project owner is in the process of curing the default and bringing the mortgage current, HUD may extend the deadline for filing a claim beyond 180 days, not to exceed 360 days from the date of default.

§ 266.628 Initial claim payments.

(a) Determination of initial claim amount. (1) The initial claim amount is based on the unpaid principal balance of the mortgage note as of the date of default, plus interest at the mortgage note rate from date of default to date of initial claim payment. The mortgage note interest component of the initial claim amount is subject to curtailment as provided in paragraph (b) of this section.

(2) HUD shall make an initial claim payment to the HFA that is equal to the initial claim amount, less any delinquent mortgage insurance premiums, late charges and interest, assessed under § 266.604(d).

(3) The HFA must use the proceeds of the initial claim payment to retire any bonds or any other financing mechanisms securing the mortgage within 30 days of the initial claim payment. Any excess funds resulting from such retirement or repayment shall be returned to HUD within 30 days of the retirement.

(b) Curtailment of interest for late filings. In determining the mortgage note interest component of the initial claim amount, if the HFA fails to meet any of the requirements of this section within the specified time (including any granted extension of time), HUD shall curtail the accrual of mortgage note interest by the number of days by which the required action was late.

(c) Method of payment. HUD shall pay the claim in cash.

§ 266.630 Partial payment of claims.

(a) General. When the Commissioner receives a claim for a partial payment under § 266.626(d), the Commissioner may make a partial payment of claim in accordance with the requirements of this section. If the HFA has not previously received a partial claim payment, the HFA may file a claim for a partial claim payment under § 266.630. Otherwise, the HFA must file for an initial claim payment under § 266.628.

(b) HFA submission. In addition to any other requirements set forth in administration instructions, the HFA must provide the following information with its application for a partial claim payment:

(1) The amount by which the HFA will reduce the principal on the insured
mortgage and the amount of delinquent interest on the insured mortgage that the HFA will defer based on the anticipated closing date; and

(2) A certification that:
   (i) The amount of the principal reduction of the insured first mortgage does not exceed 50 percent of the unpaid principal balance;
   (ii) The relief resulting from the partial claim payment when considered with other resources available to the project are sufficient to restore the financial viability of the project;
   (iii) The project is or can (at reasonable cost) be made structurally sound;
   (iv) The management of the project is satisfactory;
   (v) The default under the insured mortgage was beyond the control of the mortgagor.

(c) Claim processing—(1) Acceptable application.
   If the HFA’s application is acceptable, the Commissioner shall notify the HFA to process the partial payment, which will include the modification of the existing mortgage and the execution by the mortgagor of a second mortgage payable to the HFA. When the second mortgage is closed, the HFA shall notify the Commissioner, in a form and manner prescribed in administrative instructions. Upon receipt of notice from the HFA, the Commissioner shall make the partial claim payment.

(2) Unacceptable application. If the application is unacceptable, the Commissioner shall either advise the HFA of the information needed to make the application acceptable or return the application for further action. The HFA is granted an extension of 30 days from the date of any notification for further action.

(d) Requirements—(1) One partial claim payment. Only one partial claim payment may be made under a contract of insurance.

(2) Partial claim payment amount. The amount of the partial claim payment is equal to the amount of relief provided by the HFA in the form of a reduction in principal and a reduction of delinquent interest due on the insured mortgage times the lesser of HUD’s percentage of the risk of loss or 50 percent.

(3) HFA second mortgage. Repayment of the relief provided by the HFA must be secured by a second mortgage to the HFA. This second mortgage may provide for postponed amortization and may not be assigned by the HFA. This second mortgage is not insured under this part and may not be insured under any other HUD-related insurance program.

(4) Partial claim repayment by HFA.
   The HFA must remit to HUD a percentage of all amounts collected on the HFA’s second mortgage within 15 days of receipt by the HFA. The applicable percentage is equal to the percentage used in paragraph (d)(2) of this section to determine the partial claim payment amount. Payments made after the 15th day must include a 5 percent late charge plus accrued interest at the debenture rate.

(5) Certified statements of amounts collected. As long as the second mortgage remains of record, the HFA must submit to the Commissioner an annual certified statement of the amounts collected by the HFA. The HFA must submit a final certified statement within 30 days after the second mortgage is paid in full, foreclosed, or otherwise terminated.

§ 266.632 Withdrawal of claim.
   In case of a default and subsequent filing of claim, the HFA shall determine the form of workout or modification and will inform HUD of the type of mortgage relief determined to be appropriate. If the default is cured after the claim is made but before the initial claim payment is paid by HUD, the HFA may, in writing, withdraw the claim, and insurance will continue as if the default had not occurred.

§ 266.634 Reinstatement of the contract of insurance.
   (a) Conditions for reinstatement. After the initial claim payment, HUD may reinstate the contract of insurance on the following conditions:
   (1) The HFA has not acquired the project;
   (2) The mortgagor has cured the default; and
   (3) The HFA requests that HUD reinstate the contract of insurance.

   (b) Notification of reinstatement. If reinstatement is acceptable to HUD, HUD shall notify the HFA of the date of reinstatement.
§266.636 Insuring new loans for defaulted projects.

The HFA may not make another loan that is insured under this part to the same owner in the same project if HUD has paid a claim under this part.

§266.638 Issuance of HFA Debenture.

(a) Condition to initial claim payment. The HFA must issue an instrument in the form of a debenture to HUD within 30 days of receiving the initial claim payment. The HFA Debenture shall meet the following requirements and shall be in a form that has been approved by HUD as part of the application approval process.

(b) Term of HFA Debenture. The HFA Debenture shall be dated the same date that the initial claim payment is issued. The HFA Debenture shall have a term of five years in order to afford the mortgagor ample time to cure the default or the HFA time to foreclose and/or resell the project. HUD may provide a written extension of the five year term if the HFA certifies and provides documentation that the project owner has filed bankruptcy and the HFA is taking action to have the project discharged from the bankruptcy. The HFA Debenture shall, during this extended period, continue to bear interest as described below at HUD's published debenture rate at the earlier of initial endorsement or final endorsement. Interest shall be due and payable annually on the anniversary date of the initial claim payment. Interest is due on the full face amount of the HFA Debenture through the term of the HFA Debenture or through the date an application for final claim payment is received by the Commissioner.

(c) HFA Debenture amount. (1) The HFA Debenture shall be for the full initial claim amount as determined under §266.628(a)(1) (minus any excess funds returned to HUD under §266.628(a)(3)).

(2) The full amount of the HFA Debenture shall be payable to HUD upon maturity, unless the HFA Debenture is canceled because of:

(i) A reinstatement of the contract of insurance under §266.634; or

(ii) Final claim settlement under §266.654.

(d) HFA Debenture interest rate. The HFA Debenture shall bear interest at HUD's published debenture rate at the earlier of initial endorsement or final endorsement. Interest shall be due and payable annually on the anniversary date of the initial claim payment and on the date of redemption when redeemed or canceled before an anniversary date. Interest shall be computed on the full face amount of the HFA Debenture through the term of the HFA Debenture.

(e) Form of HFA Debenture. The HFA Debenture should follow the standard form of a State/Municipal Debenture issued under the Uniform Commercial Code, where applicable, and shall be supported by the full faith and credit of the HFA. For HFAs that operate as departments or divisions of States or units of local government and where such HFAs cannot pledge the full faith and credit of the HFA, such HFAs may collateralize their obligation through a letter of credit, reinsurance, or other forms of credit acceptable to the Commissioner.

(f) Debenture registration. Unless otherwise required by law, including State or local laws, or other governing bodies, HUD will not require the HFA Debenture to be “Registered” (with the
Securities and Exchange Commission) as it is a direct, or private, placement, and not a public offering, that is supported by the full faith and credit of the HFA.

§ 266.640 Foreclosure and acquisition.

The HFA is not required to foreclose the insured mortgage. It may accept a deed-in-lieu of foreclosure.

§ 266.642 Appraisals.

Where actions taken or caused to be taken by the HFA have the effect of the recovery of less than the face amount of the HFA Debenture held by HUD, an appraisal should be made to determine the value of the project. The appraisal should assume a willing buyer and a willing seller. The appraisal must be done within the 45-day period immediately preceding the date when the HFA files an application for final claim settlement. If at the time of final claim settlement the HFA has not sold the project, an appraisal should be made to determine the value of the project at its highest and best use.

§ 266.644 Application for final claim settlement.

The HFA shall file an application for final settlement in accordance with the Commissioner’s administrative procedures not later than 30 days after any of the following:
(a) Sale of the property after foreclosure or after acquisition by deed-in-lieu of foreclosure; or
(b) Expiration of the term of the HFA debenture.

§ 266.646 Determining the amount of loss.

The amount of the total loss to be shared by HUD and the HFA is equal to:
(a) The amount of the initial claim payment;
(b) Plus all items set forth in § 266.648; and
(c) Less all items set forth in § 266.650.

§ 266.648 Items included in total loss.

In computing the total loss, the following items are added to the amount described in § 266.646(a):
(a) The amount of all payments that the HFA made from its own funds and not from project income for:
   (1) Taxes, special assessments, and water bills that are liens before the Mortgage; and
   (2) Fire and hazard insurance on the property.
(b) A reasonable amount of acquisition costs actually paid by the HFA. These costs may not include loss or damage resulting from the invalidity or unenforceability of the Mortgage lien or the unmarketability of the Mortgagor’s title.
(c) Reasonable payments that the HFA made from its own funds and not from project income for:
   (1) Preservation, operation and maintenance of the property;
   (2) Repairs necessary to meet the requirements of local laws;
   (3) Expenses in connection with the sale of property; and
   (4) Bankruptcy expenses approved by the Office of General Counsel.
(d) The amount of HFA Debenture interest paid by the HFA to HUD.

§ 266.650 Items deducted from total loss.

In computing insurance benefits, the following items are deducted from the amounts described in § 266.646(a) and (b):
(a) All amounts received by the HFA on account of the mortgage after the date of default;
(b) All cash, and/or funds related to the mortgaged property, including deposits and escrows made for the account of the mortgagor that the HFA holds (or to which it is entitled);
(c) The amount of any undrawn balance under a letter of credit that the HFA accepted in lieu of a cash deposit for an escrow agreement;
(d) Any net income from the mortgaged property/project that the HFA received after the date of default.
(e) The proceeds from the sale of the project or the appraised value of the project as provided in § 266.642 as follows:
   (1) If the HFA disposes of the project through a negotiated sale, the amount deducted shall be the higher of the sales price or the appraised value.
§ 266.652 Determining share of loss.

The total loss computed in § 266.646 shall be shared by HUD and the HFA in accordance with their respective percentage of risk as specified in the note and the addendum to the Risk-Sharing Agreement between HUD and the HFA.

§ 266.654 Final claim settlement and HFA Debenture redemption.

(a) Final claim payment. If the initial claim amount, as determined under § 266.628(a)(1), is less than HUD’s share of the loss, HUD shall make a final claim payment to the HFA that is equal to the difference between HUD’s share of the loss and the initial claim amount and shall return the HFA Debenture to the HFA for cancellation.

(b) HFA reimbursement payment. If the initial claim amount, as determined under § 266.628(a)(1), is more than HUD’s share of the loss, the HFA shall, within 30 days of notification by HUD of the amount due, remit to HUD an amount that is equal to the difference between the initial claim amount and HUD’s share of the loss. The funds must be remitted in a manner prescribed in the Commissioner’s administrative procedures. The HFA Debenture will be considered redeemed upon receipt of the cash payment. A 5 percent penalty will be charged and interest at the debenture rate will begin to accrue if the cash payment is not received within the prescribed period. If an HFA is in default under an existing debenture and files a claim on another project under this part, HUD will charge the HFA’s Dedicated Account for the amount owed the Department. In cases of top-tier or A-rated HFA’s which are not required to maintain a Dedicated Account, HUD will inform the rating agencies of the HFA’s failure to pay on their debt obligation and of its violation of the Risk-Sharing Agreement.

(c) Losses. Losses sustained as a consequence of the (sole) negligence of an HFA (e.g., failure to acquire adequate hazard insurance where such insurance is available) shall be the sole obligation of the HFA, notwithstanding the risk apportionment otherwise agreed to by HUD and the HFA.

(d) Supplemental claim. Any supplemental claim must be filed within one year from date of final claim settlement.

§ 266.656 Recovery of costs after final claim settlement.

If, after final claim settlement, the HFA recovers additional sums as the result of the sale of the project or otherwise, the total amount of such recovery shall be shared by HUD and the HFA in accordance with the prescribed percentage of shared risk.

§ 266.658 Program monitoring and compliance.

HUD will monitor the performance of the HFA for compliance with the provisions of this subpart.

(2) Does not include common or preferred stock, limited liability interests, partnership interests, trust certificates, or similar interests that:
(i) Are issued primarily to evidence ownership of the issuing entity; and

Eligible horizontal residual interest means, with respect to any securitization transaction, an ABS interest in the issuing entity:

(1) That is an interest in a single class or multiple classes in the issuing entity, provided that each interest meets, individually or in the aggregate, all of the requirements of this definition;

(2) With respect to which, on any payment date or allocation date on which the issuing entity has insufficient funds to satisfy its obligation to pay all contractual interest or principal due, any resulting shortfall will reduce amounts payable to the eligible horizontal residual interest prior to any reduction in the amounts payable to any other ABS interest, whether through loss allocation, operation of the priority of payments, or any other governing contractual provision (until the amount of such ABS interest is reduced to zero); and

Servicing assets means rights or other assets designed to assure the servicing or timely distribution of proceeds to ABS interest holders and rights or other assets that are related or incidental to purchasing or otherwise acquiring and holding the issuing entity's securitized assets. Subpart B—Credit Risk Retention

§ 267.3 Base risk retention requirement.

(a) Base risk retention requirement. Except as otherwise provided in this part, the sponsor of a securitization transaction (or majority-owned affiliate of the sponsor) shall retain an economic interest in the credit risk of the securitized assets in accordance with any one of §§ 267.4 through 267.10. Credit risk in securitized assets required to be retained and held by any person for purposes of compliance with this part, whether a sponsor, an originator, an originator-seller, or a third-party purchaser, except as otherwise provided in this part, may be acquired and held by any of such person’s majority-owned affiliates (other than an issuing entity).

(b) Multiple sponsors. If there is more than one sponsor of a securitization transaction, it shall be the responsibility of each sponsor to ensure that at least one of the sponsors of the securitization transaction (or at least one of their majority-owned or wholly-owned affiliates, as applicable) retains an economic interest in the credit risk of the securitized assets in accordance with any one of §§ 267.4, 267.5, 267.8, 267.9, or 267.10.

§ 267.4 Standard risk retention.

(a) General requirement. Except as provided in §§ 267.5 through 267.10, the sponsor of a securitization transaction must retain an eligible vertical interest or eligible horizontal residual interest, or any combination thereof, in accordance with the requirements of this section.

(1) If the sponsor retains only an eligible vertical interest as its required risk retention, the sponsor must retain an eligible vertical interest in a percentage of not less than 5 percent.

(2) If the sponsor retains only an eligible horizontal residual interest as its required risk retention, the amount of the interest must equal at least 5 percent of the fair value of all ABS interests in the issuing entity issued as a part of the securitization transaction, determined using a fair value measurement framework under GAAP.

(3) If the sponsor retains both an eligible vertical interest and an eligible horizontal residual interest as its required risk retention, the percentage of the fair value of the eligible horizontal residual interest and the percentage of the eligible vertical interest must equal at least five.

(4) The percentage of the eligible vertical interest, eligible horizontal residual interest, or combination thereof retained by the sponsor must be determined as of the closing date of the securitization transaction.

(b) Option to hold base amount in eligible horizontal cash reserve account. In lieu of retaining all or any part of an eligible horizontal residual interest under paragraph (a) of this section, the sponsor may, at closing of the securitization transaction, cause to be established and funded, in cash, an eligible horizontal cash reserve account in the amount equal to the fair value of such eligible horizontal residual interest or part thereof, provided that the account meets all of the following conditions:

(1) The account is held by the trustee (or person performing similar functions) in the name and for the benefit of the issuing entity;

(2) Amounts in the account are invested only in cash and cash equivalents; and

(3) Until all ABS interests in the issuing entity are paid in full, or the issuing entity is dissolved:

(i) Amounts in the account shall be released only to:

(A) Satisfy payments on ABS interests in the issuing entity on any payment date on which the issuing entity has insufficient funds from any source
to satisfy an amount due on any ABS interest; or

(B) Pay critical expenses of the trust unrelated to credit risk on any payment date on which the issuing entity has insufficient funds from any source to pay such expenses and:

(1) Such expenses, in the absence of available funds in the eligible horizontal cash reserve account, would be paid prior to any payments to holders of ABS interests; and

(2) Such payments are made to parties that are not affiliated with the sponsor; and

(ii) Interest (or other earnings) on investments made in accordance with paragraph (b)(2) of this section may be released once received by the account.

(c) Disclosures. A sponsor relying on this section shall provide, or cause to be provided, to potential investors, under the caption “Credit Risk Retention”, a reasonable period of time prior to the sale of the asset-backed securities in the securitization transaction the following disclosures in written form and within the time frames set forth in this paragraph (c):

(1) Horizontal interest. With respect to any eligible horizontal residual interest held under paragraph (a) of this section, a sponsor must disclose:

(i) A reasonable period of time prior to the sale of an asset-backed security issued in the same offering of ABS interests,

(A) The fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest that the sponsor expects to retain at the closing of the securitization transaction. If the specific prices, sizes, or rates of interest of each tranche of the securitization are not available, the sponsor must disclose a range of fair values (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest that the sponsor expects to retain at the close of the securitization transaction based on a range of bona fide estimates or specified prices, sizes, or rates of interest of each tranche of the securitization. A sponsor disclosing a range of fair values based on a range of bona fide estimates or specified prices, sizes, or rates of interest of each tranche of the securitization must also disclose the method by which it determined any range of prices, tranche sizes, or rates of interest.

(B) A description of the material terms of the eligible horizontal residual interest to be retained by the sponsor;

(C) A description of the valuation methodology used to calculate the fair values or range of fair values of all classes of ABS interests, including any portion of the eligible horizontal residual interest retained by the sponsor;

(D) All key inputs and assumptions or a comprehensive description of such key inputs and assumptions that were used in measuring the estimated total fair value or range of fair values of all classes of ABS interests, including the eligible horizontal residual interest to be retained by the sponsor.

(E) To the extent applicable to the valuation methodology used, the disclosure required in paragraph (c)(1)(i)(D) of this section shall include, but should not be limited to, quantitative information about each of the following:

(1) Discount rates;

(2) Loss given default (recovery);

(3) Prepayment rates;

(4) Default rates;

(5) Lag time between default and recovery; and

(6) The basis of forward interest rates used.

(F) The disclosure required in paragraphs (c)(1)(i)(C) and (D) of this section shall include, at a minimum, descriptions of all inputs and assumptions that either could have a material impact on the fair value calculation or would be material to a prospective investor’s ability to evaluate the sponsor’s fair value calculations. To the extent the disclosure required in this paragraph (c)(1) includes a description of a curve or curves, the description
shall include a description of the methodology that was used to derive each curve and a description of any aspects or features of each curve that could materially impact the fair value calculation or the ability of a prospective investor to evaluate the sponsor’s fair value calculation. To the extent a sponsor uses information about the securitized assets in its calculation of fair value, such information shall not be as of a date more than 60 days prior to the date of first use with investors; provided that for a subsequent issuance of ABS interests by the same issuing entity with the same sponsor for which the securitization transaction distributes amounts to investors on a quarterly or less frequent basis, such information shall not be as of a date more than 135 days prior to the date of first use with investors; provided further, that the balance or value (in accordance with the transaction documents) of the securitized assets may be increased or decreased to reflect anticipated additions or removals of assets the sponsor makes or expects to make between the cut-off date or similar date for establishing the composition of the asset pool collateralizing such asset-backed security and the closing date of the securitization.

(G) A summary description of the reference data set or other historical information used to develop the key inputs and assumptions referenced in paragraph (c)(1)(i)(D) of this section, including loss given default and default rates;

(ii) A reasonable time after the closing of the securitization transaction:

(A) The fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS are issued, as applicable)) of the eligible horizontal residual interest that the sponsor is required to retain under this section; and

(C) To the extent the valuation methodology or any of the key inputs and assumptions that were used in calculating the fair value or range of fair values disclosed prior to sale and required under paragraph (c)(1)(i) of this section materially differs from the methodology or key inputs and assumptions used to calculate the fair value at the time of closing, descriptions of those material differences.

(iii) If the sponsor retains risk through the funding of an eligible horizontal cash reserve account:

(A) The amount to be placed (or that is placed) by the sponsor in the eligible horizontal cash reserve account at closing, and the fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest that the sponsor is required to fund through the eligible horizontal cash reserve account in order for such account, together with other retained interests, to satisfy the sponsor’s risk retention requirement;

(B) A description of the material terms of the eligible horizontal cash reserve account; and

(C) The disclosures required in paragraphs (c)(1)(i) and (ii) of this section.

(2) Vertical interest. With respect to any eligible vertical interest retained under paragraph (a) of this section, the sponsor must disclose:

(i) A reasonable period of time prior to the sale of an asset-backed security issued in the same offering of ABS interests:

(A) The form of the eligible vertical interest;

(B) The percentage that the sponsor is required to retain as a vertical interest under this section; and

(C) A description of the material terms of the vertical interest and the amount that the sponsor expects to retain at the closing of the securitization transaction.
(ii) A reasonable time after the closing of the securitization transaction, the amount of the vertical interest the sponsor retained at closing, if that amount is materially different from the amount disclosed under paragraph (c)(2)(i) of this section.

(d) Record maintenance. A sponsor must retain the certifications and disclosures required in paragraphs (a) and (c) of this section in its records and must provide the disclosure upon request to the Commission and its appropriate Federal banking agency, if any, until three years after all ABS interests are no longer outstanding.

§ 267.5 Revolving pool securitizations.

(a) Definitions. For purposes of this section, the following definitions apply:

Revolving pool securitization means an issuing entity that is established to issue on multiple issuance dates more than one series, class, subclass, or tranche of asset-backed securities that are collateralized by a common pool of securitized assets that will change in composition over time, and that does not monetize excess interest and fees from its securitized assets.

Seller’s interest means an ABS interest or ABS interests:

(1) Collateralized by the securitized assets and servicing assets owned or held by the issuing entity, other than the following that are not considered a component of seller’s interest:
   (i) Servicing assets that have been allocated as collateral only for a specific series in connection with administering the revolving pool securitization, such as a principal accumulation or interest reserve account; and
   (ii) Assets that are not eligible under the terms of the securitization transaction to be included when determining whether the revolving pool securitization holds aggregate securitized assets in specified proportions to aggregate outstanding investor ABS interests issued; and

(2) That is pari passu with each series of investor ABS interests issued, or partially or fully subordinated to one or more series in identical or varying amounts, with respect to the allocation of all distributions and losses with respect to the securitized assets prior to early amortization of the revolving securitization (as specified in the securitization transaction documents);

(3) That adjusts for fluctuations in the outstanding principal balance of the securitized assets in the pool.

(b) General requirement. A sponsor satisfies the risk retention requirements of §267.3 with respect to a securitization transaction for which the issuing entity is a revolving pool securitization if the sponsor maintains a seller’s interest of not less than 5 percent of the aggregate unpaid principal balance of all outstanding investor ABS interests in the issuing entity.

(c) Measuring the seller’s interest. In measuring the seller’s interest for purposes of meeting the requirements of paragraph (b) of this section:

(1) The unpaid principal balance of the securitized assets for the numerator of the 5 percent ratio shall not include assets of the types excluded from the definition of seller’s interest in paragraph (a) of this section;

(2) The aggregate unpaid principal balance of outstanding investor ABS interests in the denominator of the 5 percent ratio may be reduced by the amount of funds held in a segregated principal accumulation account for the repayment of outstanding investor ABS interests, if:
   (i) The terms of the securitization transaction documents prevent funds in the principal accumulation account from being applied for any purpose other than the repayment of the unpaid principal of outstanding investor ABS interests; and
   (ii) Funds in that account are invested only in the types of assets in which funds held in an eligible horizontal cash reserve account pursuant to §267.4 are permitted to be invested;

(3) If the terms of the securitization transaction documents set minimum required seller’s interest as a proportion of the unpaid principal balance of outstanding investor ABS interests for one or more series issued, rather than as a proportion of the aggregate outstanding investor ABS interests in all outstanding series combined, the percentage of the seller’s interest for each such series must, when combined with
§ 267.5
24 CFR Ch. II (4–1–16 Edition)

the percentage of any minimum seller’s interest set by reference to the aggregate outstanding investor ABS interests, equal at least 5 percent;

(4) The 5 percent test must be determined and satisfied at the closing of each issuance of ABS interests to investors by the issuing entity, and

(i) At least monthly at a seller’s interest measurement date specified under the securitization transaction documents, until no ABS interest in the issuing entity is held by any person not a wholly-owned affiliate of the sponsor;
or

(ii) If the revolving pool securitization fails to meet the 5 percent test as of any date described in paragraph (c)(4)(i) of this section, and the securitization transaction documents specify a cure period, the 5 percent test must be determined and satisfied within the earlier of the cure period, or one month after the date described in paragraph (c)(4)(i).

(d) Measuring outstanding investor ABS interests. In measuring the amount of outstanding investor ABS interests for purposes of this section, ABS interests held for the life of such ABS interests by the sponsor or its wholly-owned affiliates may be excluded.

(e) Holding and retention of the seller’s interest; legacy trusts. (1) Notwithstanding § 267.12(a), the seller’s interest, and any offsetting horizontal retention interest retained pursuant to paragraph (g) of this section, must be retained by the sponsor or by one or more wholly-owned affiliates of the sponsor, including one or more depositors of the revolving pool securitization.

(2) If one revolving pool securitization issues collateral certificates representing a beneficial interest in all or a portion of the securitized assets held by that securitization to another revolving pool securitization, which in turn issues ABS interests for which the collateral certificates are all or a portion of the securitized assets, a sponsor may satisfy the requirements of paragraphs (b) and (c) of this section by retaining the seller’s interest for the assets represented by the collateral certificates through either of the revolving pool securitizations, so long as both revolving pool securitizations are retained at the direction of the same sponsor or its wholly-owned affiliates.

(3) If the sponsor retains the seller’s interest associated with the collateral certificates at the level of the revolving pool securitization that issues those collateral certificates, the proportion of the seller’s interest required by paragraph (b) of this section retained at that level must equal the proportion that the principal balance of the securitized assets represented by the collateral certificates bears to the principal balance of the securitized assets in the revolving pool securitization that issues the ABS interests, as of each measurement date required by paragraph (c) of this section.

(f) Offset for pool-level excess funding account. The 5 percent seller’s interest required on each measurement date by paragraph (c) of this section may be reduced on a dollar-for-dollar basis by the balance, as of such date, of an excess funding account in the form of a segregated account that:

(1) Is funded in the event of a failure to meet the minimum seller’s interest requirements or other requirement to maintain a minimum balance of securitized assets under the securitization transaction documents by distributions otherwise payable to the holder of the seller’s interest;

(2) Is invested only in the types of assets in which funds held in a horizontal cash reserve account pursuant to § 267.4 are permitted to be invested; and

(3) In the event of an early amortization, makes payments of amounts held in the account to holders of investor ABS interests in the same manner as payments to holders of investor ABS interests of amounts received on securitized assets.

(g) Combined seller’s interests and horizontal interest retention. The 5 percent seller’s interest required on each measurement date by paragraph (c) of this section may be reduced to a percentage lower than 5 percent to the extent that, for all series of investor ABS interests issued after the applicable effective date of this § 267.5, the sponsor, or notwithstanding § 267.12(a) a wholly-owned affiliate of the sponsor, retains, at a minimum, a corresponding percentage of the fair value of ABS interests
issued in each series, in the form of one or more of the horizontal residual interests meeting the requirements of paragraphs (h) or (i).

(h) Residual ABS interests in excess interest and fees. The sponsor may take the offset described in paragraph (g) of this section for a residual ABS interest in excess interest and fees, whether certificated or uncertificated, in a single or multiple classes, subclasses, or tranches, that meets, individually or in the aggregate, the requirements of this paragraph (h);

(1) Each series of the revolving pool securitization distinguishes between the series’ share of the interest and fee cash flows and the series’ share of the principal repayment cash flows from the securitized assets collateralizing the revolving pool securitization, which may according to the terms of the securitization transaction documents, include not only the series’ ratable share of such cash flows but also excess cash flows available from other series;

(2) The residual ABS interest’s claim to any part of the series’ share of the interest and fee cash flows for any interest payment period is subordinated to all accrued and payable interest due on the payment date to more senior ABS interests in the series for that period, and further reduced by the series’ share of losses, including defaults on principal of the securitized assets collateralizing the revolving pool securitization (whether incurred in that period or carried over from prior periods) to the extent that such payments would have been included in amounts payable to more senior interests in the series;

(3) The revolving pool securitization continues to revolve, with one or more series, classes, subclasses, or tranches of asset-backed securities that are collateralized by a common pool of assets that change in composition over time;

(4) For purposes of taking the offset described in paragraph (g) of this section, the sponsor determines the fair value of the residual ABS interest in excess interest and fees, and the fair value of the series of outstanding investor ABS interests to which it is subordinated and supports using the fair value measurement framework under GAAP, as of:

(i) The closing of the securitization transaction issuing the supported ABS interests; and

(ii) The seller’s interest measurement dates described in paragraph (c)(4) of this section, except that for these periodic determinations the sponsor must update the fair value of the residual ABS interest in excess interest and fees for the numerator of the percentage ratio, but may at the sponsor’s option continue to use the fair values determined in (h)(4)(i) for the outstanding investor ABS interests in the denominator.

(i) Offsetting eligible horizontal residual interest. The sponsor may take the offset described in paragraph (g) of this section for ABS interests that would meet the definition of eligible horizontal residual interests in §267.2 but for the sponsor’s simultaneous holding of subordinated seller’s interests, residual ABS interests in excess interests and fees, or a combination of the two, if:

(1) The sponsor complies with all requirements of paragraphs (b) through (e) of this section for its holdings of subordinated seller’s interest, and paragraph (h) for its holdings of residual ABS interests in excess interests and fees, as applicable;

(2) For purposes of taking the offset described in paragraph (g) of this section, the sponsor determines the fair value of the eligible horizontal residual interest as a percentage of the fair value of the outstanding investor ABS interests in the series supported by the eligible horizontal residual interest, determined using the fair value measurement framework under GAAP:

(i) As of the closing of the securitization transaction issuing the supported ABS interests; and

(ii) Without including in the numerator of the percentage ratio any fair value based on:

(A) The subordinated seller’s interest or residual ABS interest in excess interest and fees;

(B) The interest payable to the sponsor on the eligible horizontal residual interest, if the sponsor is including the value of residual ABS interest in excess interest and fees pursuant to paragraph...
(h) of this section in taking the offset in paragraph (g) of this section; and,
(C) the principal payable to the sponsor on the eligible horizontal residual interest, if the sponsor is including the value of the seller’s interest pursuant to paragraphs (b) through (f) of this section and distributions on that seller’s interest are available to reduce charge-offs that would otherwise be allocated to reduce principal payable to the offset eligible horizontal residual interest.

(j) Specified dates. A sponsor using data about the revolving pool securitization’s collateral, or ABS interests previously issued, to determine the closing-date percentage of a seller’s interest, residual ABS interest in excess interest and fees, or eligible horizontal residual interest pursuant to this §267.5 may use such data prepared as of specified dates if:

(1) The sponsor describes the specified dates in the disclosures required by paragraph (k) of this section; and

(2) The dates are no more than 60 days prior to the date of first use with investors of disclosures required for the interest by paragraph (k) of this section, or for revolving pool securitizations that make distributions to investors on a quarterly or less frequent basis, no more than 135 days prior to the date of first use with investors of such disclosures.

(k) Disclosure and record maintenance.

(1) Disclosure. A sponsor relying on this section shall provide, or cause to be provided, to potential investors, under the caption “Credit Risk Retention” the following disclosure in written form and within the time frames set forth in this paragraph (k):

(i) A reasonable period of time prior to the sale of an asset-backed security, a description of the material terms of the seller’s interest, and the percentage of the seller’s interest that the sponsor expects to retain at the closing of the securitization transaction, measured in accordance with the requirements of this §267.5, as a percentage of the aggregate unpaid principal balance of all outstanding investor ABS interests issued, or as a percentage of the aggregate unpaid principal balance of outstanding investor ABS interests for one or more series issued, as required by the terms of the securitization transaction;

(ii) A reasonable time after the closing of the securitization transaction, the amount of seller’s interest the sponsor retained at closing, if that amount is materially different from the amount of seller’s interest, residual ABS interest in excess interest and fees, or eligible horizontal residual interest pursuant to paragraphs (g), (h), and (i) of this section; and

(iii) A description of the material terms of any horizontal residual interests offsetting the seller’s interest in accordance with paragraphs (g), (h), and (i) of this section; and

(iv) Disclosure of the fair value of those horizontal residual interests retained by the sponsor for the series being offered to investors and described in the disclosures, as a percentage of the fair value of the outstanding investor ABS interests issued, described in the same manner and within the same timeframes required for disclosure of the fair values of eligible horizontal residual interests specified in §267.4(c).

(2) Adjusted data. Disclosures required by this paragraph (k) to be made a reasonable period of time prior to the sale of an asset-backed security of the amount of seller’s interest, residual ABS interest in excess interest and fees, or eligible horizontal residual interest may include adjustments to the amount of securitized assets for additions or removals the sponsor expects to make before the closing date and adjustments to the amount of outstanding investor ABS interests for expected increases and decreases of those interests under the control of the sponsor.

(3) Record maintenance. A sponsor must retain the disclosures required in paragraph (k)(1) of this section in its records and must provide the disclosure upon request to the Commission and its appropriate Federal banking agency, if any, until three years after all ABS interests are no longer outstanding.

(1) Early amortization of all outstanding series. A sponsor that organizes a revolving pool securitization that relies on this §267.5 to satisfy the risk retention requirements of §267.3, does not violate the requirements of this part if its seller’s interest falls below the level required by §267.5 after
the revolving pool securitization commences early amortization, pursuant to the terms of the securitization transaction documents, of all series of outstanding investor ABS interests, if:

(1) The sponsor was in full compliance with the requirements of this section on all measurement dates specified in paragraph (c) of this section prior to the commencement of early amortization;

(2) The terms of the seller’s interest continue to make it pari passu with or subordinate in identical or varying amounts to each series of outstanding investor ABS interests issued with respect to the allocation of all distributions and losses with respect to the securitized assets;

(3) The terms of any horizontal interest relied upon by the sponsor pursuant to paragraph (g) to offset the minimum seller’s interest amount continue to require the interests to absorb losses in accordance with the terms of paragraph (h) or (i) of this section, as applicable; and

(4) The revolving pool securitization issues no additional ABS interests after early amortization is initiated to any person not a wholly-owned affiliate of the sponsor, either at the time of issuance or during the amortization period.

§ 267.6 Eligible ABCP conduits.

(a) Definitions. For purposes of this section, the following additional definitions apply:

100 percent liquidity coverage means an amount equal to the outstanding balance of all ABCP issued by the conduit plus any accrued and unpaid interest without regard to the performance of the ABS interests held by the ABCP conduit and without regard to any credit enhancement.

ABCP means asset-backed commercial paper that has a maturity at the time of issuance not exceeding 397 days, exclusive of days of grace, or any renewal thereof the maturity of which is likewise limited.

ABCP conduit means an issuing entity with respect to ABCP.

Eligible ABCP conduit means an ABCP conduit, provided that:

(1) The ABCP conduit is bankruptcy remote or otherwise isolated for insolvency purposes from the sponsor of the ABCP conduit and from any intermediate SPV;

(2) The ABS interests acquired by the ABCP conduit are:

(i) ABS interests collateralized solely by assets originated by an originator-seller and by servicing assets;

(ii) Special units of beneficial interest (or similar ABS interests) in a trust or special purpose vehicle that retains legal title to leased property underlying leases originated by an originator-seller that were transferred to an intermediate SPV in connection with a securitization collateralized solely by such leases and by servicing assets;

(iii) ABS interests in a revolving pool securitization collateralized solely by assets originated by an originator-seller and by servicing assets; or

(iv) ABS interests described in paragraph (2)(i), (ii), or (iii) of this definition that are collateralized, in whole or in part, by assets acquired by an originator-seller in a business combination that qualifies for business combination accounting under GAAP, and, if collateralized in part, the remainder of such assets are described in paragraph (2)(i), (ii), or (iii) of this definition; and

(v) Acquired by the ABCP conduit in an initial issuance by or on behalf of an intermediate SPV:

(A) Directly from the intermediate SPV,

(B) From an underwriter of the ABS interests issued by the intermediate SPV, or

(C) From another person who acquired the ABS interests directly from the intermediate SPV;

(3) The ABCP conduit is collateralized solely by ABS interests acquired from intermediate SPVs as described in paragraph (2) of this definition and servicing assets; and

(4) A regulated liquidity provider has entered into a legally binding commitment to provide 100 percent liquidity coverage (in the form of a lending facility, an asset purchase agreement, a repurchase agreement, or other similar arrangement) to all the ABCP issued by the ABCP conduit by lending to, purchasing ABCP issued by, or purchasing assets from, the ABCP conduit in the event that funds are required to
repay maturing ABCP issued by the ABCP conduit. With respect to the 100 percent liquidity coverage, in the event that the ABCP conduit is unable for any reason to repay maturing ABCP issued by the issuing entity, the liquidity provider shall be obligated to pay an amount equal to any shortfall, and the total amount that may be due pursuant to the 100 percent liquidity coverage shall be equal to 100 percent of the amount of the ABCP outstanding at any time plus accrued and unpaid interest (amounts due pursuant to the required liquidity coverage may not be subject to credit performance of the ABS interests held by the ABCP conduit or reduced by the amount of credit support provided to the ABCP conduit and liquidity support that only funds performing loans or receivables or performing ABS interests does not meet the requirements of this section).

Intermediate SPV means a special purpose vehicle that:

(1) Is a direct or indirect wholly-owned affiliate of the originator-seller; or

(ii) Has nominal equity owned by a trust or corporate service provider that specializes in providing independent ownership of special purpose vehicles, and such trust or corporate service provider is not affiliated with any other transaction parties;

(2) Is bankruptcy remote or otherwise isolated for insolvency purposes from the eligible ABCP conduit and liquidity support that only funds performing loans or receivables or performing ABS interests does not meet the requirements of this section).

Originator-seller means an entity that originates assets and sells or transfers those assets, directly or through a majority-owned affiliate, to an intermediate SPV, and includes (except for the purposes of identifying the sponsorship and affiliation of an intermediate SPV pursuant to this §267.6) any affiliate of the originator-seller that, directly or indirectly, majority controls, is majority controlled by or is under common majority control with, the originator-seller. For purposes of this definition, majority control means ownership of more than 50 percent of the equity of an entity, or ownership of any other controlling financial interest in the entity, as determined under GAAP.

Regulated liquidity provider means:

(1) A depository institution (as defined in section 3 of the Federal Deposit Insurance Act (12 U.S.C. 1813));

(2) A bank holding company (as defined in 12 U.S.C. 1841), or a subsidiary thereof;

(3) A savings and loan holding company (as defined in 12 U.S.C. 1467a), provided all or substantially all of the holding company’s activities are permissible for a financial holding company under 12 U.S.C. 1843(k), or a subsidiary thereof; or

(4) A foreign bank whose home country supervisor (as defined in §211.21 of the Federal Reserve Board’s Regulation K (12 CFR 211.21)) has adopted capital standards consistent with the Capital Accord of the Basel Committee on Banking Supervision, as amended, and that is subject to such standards, or a subsidiary thereof.

(b) In general. An ABCP conduit sponsor satisfies the risk retention requirement of §267.3 with respect to the issuance of ABCP by an eligible ABCP conduit in a securitization transaction if, for each ABS interest the ABCP conduit acquires from an intermediate SPV:

(1) An originator-seller of the intermediate SPV retains an economic interest in the credit risk of the assets collateralizing the ABS interest acquired by the eligible ABCP conduit in the amount and manner required under §267.4 or §267.5; and

(2) The ABCP conduit sponsor:

(i) Approves each originator-seller permitted to sell or transfer assets, directly or indirectly, to an intermediate
SPV from which an eligible ABCP conduit acquires ABS interests;

(ii) Approves each intermediate SPV from which an eligible ABCP conduit is permitted to acquire ABS interests;

(iii) Establishes criteria governing the ABS interests, and the securitized assets underlying the ABS interests, acquired by the ABCP conduit;

(iv) Administers the ABCP conduit by monitoring the ABS interests acquired by the ABCP conduit and the assets supporting those ABS interests, arranging for debt placement, compiling monthly reports, and ensuring compliance with the ABCP conduit documents and with the ABCP conduit’s credit and investment policy; and

(v) Maintains and adheres to policies and procedures for ensuring that the requirements in this paragraph (b) of this section have been met.

(c) Originator-seller compliance with risk retention. The use of the risk retention option provided in this section by an ABCP conduit sponsor does not relieve the originator-seller that sponsors ABS interests acquired by an eligible ABCP conduit from such originator-seller’s obligation to comply with its own risk retention obligations under this part.

(d) Disclosures—(1) Periodic disclosures to investors. An ABCP conduit sponsor relying upon this section shall provide, or cause to be provided, to each purchaser of ABCP, before or contemporaneously with the first sale of ABCP to such purchaser and at least monthly thereafter, to each holder of commercial paper issued by the ABCP conduit, in writing, each of the following items of information, which shall be as of a date not more than 60 days prior to date of first use with investors:

(i) The name and form of organization of the regulated liquidity provider that provides liquidity coverage to the eligible ABCP conduit, including a description of the material terms of such liquidity coverage, and notice of any failure to fund.

(ii) With respect to each ABS interest held by the ABCP conduit:

(A) The asset class or brief description of the underlying securitized assets;

(B) The standard industrial category code (SIC Code) for the originator-seller that will retain (or has retained) pursuant to this section an interest in the securitization transaction; and

(C) A description of the percentage amount of risk retention pursuant to the rule by the originator-seller, and whether it is in the form of an eligible horizontal residual interest, vertical interest, or revolving pool securitization seller’s interest, as applicable.

(2) Disclosures to regulators regarding originator-sellers. An ABCP conduit sponsor relying upon this section shall provide, or cause to be provided, upon request, to the Commission and its appropriate Federal banking agency, if any, in writing, all of the information required to be provided to investors in paragraph (d)(1) of this section, and the name and form of organization of each originator-seller that will retain (or has retained) pursuant to this section an interest in the securitization transaction.

(e) Sale or transfer of ABS interests between eligible ABCP conduits. At any time, an eligible ABCP conduit that acquired an ABS interest in accordance with the requirements set forth in this section may transfer, and another eligible ABCP conduit may acquire, such ABS interest, if the following conditions are satisfied:

(1) The sponsors of both eligible ABCP conduits are in compliance with this section; and

(2) The same regulated liquidity provider has entered into one or more legally binding commitments to provide 100 percent liquidity coverage to all the ABCP issued by both eligible ABCP conduits.

(f) Duty to comply. (1) The ABCP conduit sponsor shall be responsible for compliance with this section.

(2) An ABCP conduit sponsor relying on this section:

(i) Shall maintain and adhere to policies and procedures that are reasonably designed to monitor compliance by each originator-seller which is satisfying a risk retention obligation in respect of ABS interests acquired by an eligible ABCP conduit with the requirements of paragraph (b)(1) of this section; and
(ii) In the event that the ABCP conduit sponsor determines that an originator-seller no longer complies with the requirements of paragraph (b)(1) of this section, shall:

(A) Promptly notify the holders of the ABCP, and upon request, the Commission and its appropriate Federal banking agency, if any, in writing of:

(1) The name and form of organization of any originator-seller that fails to retain risk in accordance with paragraph (b)(1) of this section and the amount of ABS interests issued by an intermediate SPV of such originator-seller and held by the ABCP conduit;

(2) The name and form of organization of any originator-seller that hedges, directly or indirectly through an intermediate SPV, its risk retention in violation of paragraph (b)(1) of this section and the amount of ABS interests issued by an intermediate SPV of such originator-seller and held by the ABCP conduit;

(3) Any remedial actions taken by the ABCP conduit sponsor or other party with respect to such ABS interests; and

(B) Take other appropriate steps pursuant to the requirements of paragraphs (b)(2)(iv) and (v) of this section which may include, as appropriate, curing any breach of the requirements in this section, or removing from the eligible ABCP conduit any ABS interest that does not comply with the requirements in this section.

§ 267.7 Commercial mortgage-backed securities.

(a) Definitions. For purposes of this section, the following definition shall apply:

Special servicer means, with respect to any securitization of commercial real estate loans, any servicer that, upon the occurrence of one or more specified conditions in the servicing agreement, has the right to service one or more assets in the transaction.

(b) Third-party purchaser. A sponsor may satisfy some or all of its risk retention requirements under §267.3 with respect to a securitization transaction if a third party (or any majority-owned affiliate thereof) purchases and holds for its own account an eligible horizontal residual interest in the issuing entity in the same form, amount, and manner as would be held by the sponsor under §267.4 and all of the following conditions are met:

(1) Number of third-party purchasers. At any time, there are no more than two third-party purchasers of an eligible horizontal residual interest. If there are two third-party purchasers, each third-party purchaser’s interest must be pari passu with the other third-party purchaser’s interest.

(2) Composition of collateral. The securitization transaction is collateralized solely by commercial real estate loans and servicing assets.

(3) Source of funds. (i) Each third-party purchaser pays for the eligible horizontal residual interest in cash at the closing of the securitization transaction.

(ii) No third-party purchaser obtains financing, directly or indirectly, for the purchase of such interest from any other person that is a party to, or an affiliate of a party to, the securitization transaction including, but not limited to, the sponsor, depositor, or servicer other than a special servicer affiliated with the third-party purchaser, other than a person that is a party to the transaction solely by reason of being an investor.

(4) Third-party review. Each third-party purchaser conducts an independent review of the credit risk of each securitized asset prior to the sale of the asset-backed securities in the securitization transaction that includes, at a minimum, a review of the underwriting standards, collateral, and expected cash flows of each commercial real estate loan that is collateral for the asset-backed securities.

(5) Affiliation and control rights. (i) Except as provided in paragraph (b)(5)(ii) of this section, no third-party purchaser is affiliated with any party to the securitization transaction including, but not limited to, the sponsor, depositor, or servicer) other than investors in the securitization transaction.

(ii) Notwithstanding paragraph (b)(5)(i) of this section, a third-party purchaser may be affiliated with:

(A) The special servicer for the securitization transaction; or

(B) One or more originators of the securitized assets, as long as the assets
originated by the affiliated originator or originators collectively comprise less than 10 percent of the unpaid principal balance of the securitized assets included in the securitization transaction at the cut-off date or similar date for establishing the composition of the securitized assets collateralizing the asset-backed securities issued pursuant to the securitization transaction.

(6) Operating Advisor. The underlying securitization transaction documents shall provide for the following:

(i) The appointment of an operating advisor (the Operating Advisor) that:

(A) Is not affiliated with other parties to the securitization transaction;

(B) Does not directly or indirectly have any financial interest in the securitization transaction other than in fees from its role as Operating Advisor; and

(C) Is required to act in the best interest of, and for the benefit of, investors as a collective whole;

(ii) Standards with respect to the Operating Advisor’s experience, expertise and financial strength to fulfill its duties and responsibilities under the applicable transaction documents over the life of the securitization transaction;

(iii) The terms of the Operating Advisor’s compensation with respect to the securitization transaction;

(iv) When the eligible horizontal residual interest has been reduced by principal payments, realized losses, and appraisal reduction amounts (which reduction amounts are determined in accordance with the applicable transaction documents) to a principal balance of 25 percent or less of its initial principal balance, the special servicer for the securitized assets must consult with the Operating Advisor in connection with, and prior to, any material decision in connection with its servicing of the securitized assets, including, without limitation:

(A) Any material modification of, or waiver with respect to, any provision of a loan agreement (including a mortgage, deed of trust, or other security agreement);

(B) Foreclosure upon or comparable conversion of the ownership of a property; or

(C) Any acquisition of a property.

(v) The Operating Advisor shall have adequate and timely access to information and reports necessary to fulfill its duties under the transaction documents, including all reports made available to holders of ABS interests and third-party purchasers, and shall be responsible for:

(A) Reviewing the actions of the special servicer;

(B) Reviewing all reports provided by the special servicer to the issuing entity or any holder of ABS interests;

(C) Reviewing for accuracy and consistency with the transaction documents calculations made by the special servicer; and

(D) Issuing a report to investors (including any third-party purchasers) and the issuing entity on a periodic basis concerning:

(1) Whether the Operating Advisor believes, in its sole discretion exercised in good faith, that the special servicer is operating in compliance with any standard required of the special servicer in the applicable transaction documents; and

(2) Which, if any, standards the Operating Advisor believes, in its sole discretion exercised in good faith, the special servicer has failed to comply.

(vi)(A) The Operating Advisor shall have the authority to recommend that the special servicer be replaced by a successor special servicer if the Operating Advisor determines, in its sole discretion exercised in good faith, that:

(1) The special servicer has failed to comply with a standard required of the special servicer in the applicable transaction documents; and

(2) Such replacement would be in the best interest of the investors as a collective whole; and

(B) If a recommendation described in paragraph (b)(6)(vi)(A) of this section is made, the special servicer shall be replaced upon the affirmative vote of a majority of the outstanding principal balance of all ABS interests voting on the matter, with a minimum of a quorum of ABS interests voting on the matter. For purposes of such vote, the applicable transaction documents shall specify the quorum and may not specify a quorum of more than the holders of 20 percent of the outstanding principal balance of all ABS interests in
the issuing entity, with such quorum including at least three ABS interest holders that are not affiliated with each other.

(7) Disclosures. The sponsor provides, or causes to be provided, to potential investors a reasonable period of time prior to the sale of the asset-backed securities as part of the securitization transaction and, upon request, to the Commission and its appropriate Federal banking agency, if any, the following disclosure in written form under the caption “Credit Risk Retention”:

(i) The name and form of organization of each initial third-party purchaser that acquired an eligible horizontal residual interest at the closing of a securitization transaction;

(ii) A description of each initial third-party purchaser’s experience in investing in commercial mortgage-backed securities;

(iii) Any other information regarding each initial third-party purchaser or each initial third-party purchaser’s retention of the eligible horizontal residual interest that is material to investors in light of the circumstances of the particular securitization transaction;

(iv) The fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest that will be retained (or was retained) by each initial third-party purchaser, as well as the amount of the purchase price paid by each initial third-party purchaser for such interest;

(v) The fair value (expressed as a percentage of the fair value of all of the ABS interests issued in the securitization transaction and dollar amount (or corresponding amount in the foreign currency in which the ABS interests are issued, as applicable)) of the eligible horizontal residual interest in the securitization transaction that the sponsor would have retained pursuant to §267.4 if the sponsor had relied on retaining an eligible horizontal residual interest in that section to meet the requirements of §267.3 with respect to the transaction;

(vi) A description of the material terms of the eligible horizontal residual interest retained by each initial third-party purchaser, including the same information as is required to be disclosed by sponsors retaining horizontal interests pursuant to §267.4;

(vii) The material terms of the applicable transaction documents with respect to the Operating Advisor, including without limitation:

(A) The name and form of organization of the Operating Advisor;

(B) A description of any material conflict of interest or material potential conflict of interest between the Operating Advisor and any other party to the transaction;

(C) The standards required by paragraph (b)(6)(ii) of this section and a description of how the Operating Advisor satisfies each of the standards; and

(D) The terms of the Operating Advisor’s compensation under paragraph (b)(6)(iii) of this section; and

(viii) The representations and warranties concerning the securitized assets, a schedule of any securitized assets that are determined not to comply with such representations and warranties, and what factors were used to make the determination that such securitized assets should be included in the pool notwithstanding that the securitized assets did not comply with such representations and warranties, such as compensating factors or a determination that the exceptions were not material.

(8) Hedging, transfer and pledging—(i) General rule. Except as set forth in paragraph (b)(8)(ii) of this section, each third-party purchaser and its affiliates must comply with the hedging and other restrictions in §267.12 as if it were the retaining sponsor with respect to the securitization transaction and had acquired the eligible horizontal residual interest pursuant to §267.4, provided that, the hedging and other restrictions in §267.12 shall not apply on or after the date that each CRE loan (as defined in §267.14) that serves as collateral for outstanding ABS interests has been defeased. For purposes of this section, a loan is deemed to be defeased if:
(A) cash or cash equivalents of the types permitted for an eligible horizontal cash reserve account pursuant to §267.4 whose maturity corresponds to the remaining debt service obligations, have been pledged to the issuing entity as collateral for the loan and are in such amounts and payable at such times as necessary to timely generate cash sufficient to make all remaining debt service payments due on such loan; and

(B) the issuing entity has an obligation to release its lien on the loan.

(ii) Exceptions—(A) Transfer by initial third-party purchaser or sponsor. An initial third-party purchaser that acquired an eligible horizontal residual interest at the closing of a securitization transaction in accordance with this section, or a sponsor that acquired an eligible horizontal residual interest at the closing of a securitization transaction in accordance with this section, may, on or after the date that is five years after the date of the closing of the securitization transaction, transfer that interest to a subsequent third-party purchaser that complies with paragraph (b)(8)(ii)(C) of this section. (ii) Has taken an allocation of the funded portion of the syndicated credit facility under the terms of the transaction that includes the CLO-eligible loan tranche of at least 20 percent of the aggregate principal balance at origination, and no other member (or members affiliated with each other) of the syndication group that funded at origination has taken a greater allocation; and

(iii) Is identified in the applicable agreement governing the CLO-eligible loan tranche; represents therein to the holders of the CLO-eligible loan tranche and to any holders of participation interests in such CLO-eligible loan tranche that such lead arranger satisfies the requirements of paragraphs (c)(2) and (3) of this section; and covenants therein (solely for the purpose of assisting such holders to determine the eligibility of such CLO-eligible loan tranche to be held by an open market CLO) that in the reasonable judgment of such lead arranger, the terms of such CLO-eligible loan tranche are consistent with the requirements of paragraphs (c)(2) and (3) of this section; and covenants therein to such holders that such lead arranger will fulfill the requirements of paragraph (c)(1) of this section.

Open market CLO means a CLO:

Senior, secured syndicated loan means a loan made to a commercial borrower that:

(i) Is not subordinate in right of payment to any other obligation for borrowed money of the commercial borrower,

(ii) Is secured by a valid first priority security interest or lien on specified collateral securing the commercial borrower’s obligations under the loan, and

(iii) The value of the collateral subject to such first priority security interest or lien in or on specified collateral securing the commercial borrower’s obligations under the loan, is adequate (in the commercially reasonable judgment of the CLO manager exercised at the time of investment) to repay the loan and to repay all other indebtedness of equal seniority secured by such first priority security interest or lien in or on the same collateral, and the CLO manager certifies, on or prior to each date that it acquires a loan constituting part of a new CLO-eligible tranche, that it has policies and procedures to evaluate the likelihood of repayment of loans acquired by the CLO and it has followed such policies and procedures in evaluating each CLO-eligible loan tranche.

(b) In general. A sponsor satisfies the risk retention requirements of §267.3 with respect to an open market CLO transaction if:

(1) The open market CLO does not acquire or hold any assets other than CLO-eligible loan tranches that meet the requirements of paragraph (c) of this section and servicing assets;

(4) All purchases of CLO-eligible loan tranches and other assets by the open market CLO issuing entity or through a warehouse facility used to accumulate the loans prior to the issuance of the CLO’s ABS interests are made in open market transactions on an arms-length basis;

(5) The CLO manager of the open market CLO is not entitled to receive any management fee or gain on sale at the time the open market CLO issues its ABS interests.

(1) A minimum of 5 percent of the face amount of the CLO-eligible loan tranche is retained by the lead arranger thereof until the earliest of the repayment, maturity, involuntary and unscheduled acceleration, default, or bankruptcy default of such CLO-eligible loan tranche, provided that such lead arranger complies with limitations on hedging, transferring and pledging in §267.12 with respect to the interest retained by the lead arranger.

(2) Lender voting rights within the credit agreement and any intercreditor or other applicable agreements governing such CLO-eligible loan tranche are defined so as to give holders of the CLO-eligible loan tranche consent rights with respect to, at minimum, any material waivers and amendments of such applicable documents, including but not limited to, adverse changes to the calculation or payments of amounts due to the holders of the CLO-eligible tranche, alterations to pro rata
provisions, changes to voting provisions, and waivers of conditions precedent; and

(3) The pro rata provisions, voting provisions, and similar provisions applicable to the security associated with such CLO-eligible loan tranches under the CLO credit agreement and any intercreditor or other applicable agreements governing such CLO-eligible loan tranches are not materially less advantageous to the holder(s) of such CLO-eligible tranche than the terms of other tranches of comparable seniority in the broader syndicated credit facility.

(d) Disclosures. A sponsor relying on this section shall provide, or cause to be provided, to potential investors a reasonable period of time prior to the sale of the asset-backed securities in the securitization transaction and at least annually with respect to the information required by paragraph (d)(1) of this section and, upon request, to the Commission and its appropriate Federal banking agency, if any, the following disclosure in written form under the caption “Credit Risk Retention”:

(A) A single class of tender option bonds with a preferred variable return payable out of capital that meets the requirements of paragraph (b) of this section, and

Tender option bond means a security which has features which entitle the holders to tender such bonds to the issuing entity for purchase at any time upon no more than 397 days’ notice, for a purchase price equal to the approximate amortized cost of the security, plus accrued interest, if any, at the time of tender.

(b) Risk retention options. Notwithstanding anything in this section, the sponsor with respect to an issuance of tender option bonds may retain an eligible vertical interest or eligible horizontal residual interest, or any combination thereof, in accordance with the requirements of §267.4. (d) Retention of a municipal security outside of the qualified tender option bond entity. The sponsor with respect to an issuance of tender option bonds by a qualified tender option bond entity may satisfy its risk retention requirements under this Section by holding municipal securities from the same issuance of municipal securities deposited in the qualified tender option bond entity, the face value of which retained municipal securities is equal to 5 percent of the face value of the municipal securities deposited in the qualified tender option bond entity.

(e) Disclosures. The sponsor shall provide, or cause to be provided, to potential investors a reasonable period of time prior to the sale of the asset-backed securities as part of the securitization transaction and, upon request, to the Commission and its appropriate Federal banking agency, if any, the following disclosure in written form under the caption “Credit Risk Retention”:

(4) To the extent any portion of the retained interest is claimed by the sponsor as an eligible vertical interest (including any interest held in compliance with §267.10(c)), the percentage of ABS interests issued represented by the eligible vertical interest; and

A sponsor choosing to retain an eligible vertical interest or an eligible horizontal residual interest (including an eligible horizontal cash reserve account), or combination thereof under §267.4, with respect to a securitization transaction may offset the amount of its risk retention requirements under §267.4 by the amount of the eligible interests, respectively, acquired by an originator of one or more of the securitized assets if:

(1) At the closing of the securitization transaction:

(i) The originator acquires the eligible interest from the sponsor and retains such interest in the same manner and proportion (as between horizontal and vertical interests) as the sponsor under §267.4, as such interest was held prior to the acquisition by the originator;

(B) A reduction in the price received by the originator from the sponsor or depositor for the assets sold by the originator to the sponsor or depositor for inclusion in the pool of securitized assets.

(ii) The evaluation of the effectiveness of the depositor’s internal supervisory controls referenced in paragraph (a)(8)(i) of this section shall be performed, for each issuance of an asset-backed security, as of a date within 60 days of the cut-off date or similar date for establishing the composition of the asset pool collateralizing such asset-backed security; and

SUBCHAPTER I—HUD-OWNED PROPERTIES

PART 290—DISPOSITION OF MULTI-FAMILY PROJECTS AND SALE OF HUD-HELD MULTIFAMILY MORTGAGES

Subpart A—Disposition of Multifamily Projects

§ 290.1 Applicability.

The requirements of this part supplement the requirements of 12 U.S.C. 1701z-11 for the management and disposition of multifamily housing projects and the sale of HUD-held multifamily mortgages. The goals and objectives of this part are the same as the goals and objectives of 12 U.S.C. 1701z-11, which shall be referred to in this part as “the Statute.” With respect to the disposition of multifamily projects under subpart A, HUD may follow any other method of disposition, as determined by the Secretary.

[64 FR 72412, Dec. 27, 1999]

§ 290.3 Definitions.

The terms "Department" and "URA" are defined in 24 CFR part 5. The following definitions apply to this part:

Cooperative means a nonprofit, limited equity, or consumer cooperative as defined under 24 CFR part 213. It may include mutual housing associations.

HUD-owned project means a multifamily project that has been acquired by HUD.

Market area means the area from which a multifamily housing project may reasonably be expected to draw a substantial number of its tenants, as determined by HUD, taking into consideration the knowledge of the HUD office with jurisdiction over the project of the local real estate market and HUD's project underwriting experience. Submarkets may be used in large, complex metropolitan areas.

Multifamily housing project means a multifamily project that is or was insured under sections 207, 213, 220, 221(d)(3), 221(d)(4), 231, 236, or 608 of the National Housing Act (12 U.S.C. 1713, 1715k, 1715l, 1715n, 1715v, 1715z-1, or 1742-1746); or is or was subject to a loan under section 202 of the Housing Act of 1959 (12 U.S.C. 1701q); or was a Real Estate Owned (REO) multifamily project transferred by the Government National Mortgage Association to the Department. Multifamily housing project does not include projects consisting of one to eleven units insured under section 220(d)(3)(A) of the National Housing Act (12 U.S.C. 1715l); or mobile home parks under section 207(m) of that Act (12 U.S.C. 1713); or vacant land; or property covered by a homeownership program approved...
under the Homeownership and Opportunity for People Everywhere ("HOPE") program.

Multifamily project means a project consisting of five or more units that has or had a mortgage (even if subordinate to other mortgages) insured under the National Housing Act or is or was subject to a loan under section 202 of the Housing Act of 1959, or a hospital, intermediate care facility, nursing home, group practice facility, or board and care facility that has or had a mortgage insured, or is or was subject to a loan under, these authorities. Multifamily project does not include projects consisting of one to eleven units insured under section 220(d)(3)(A) of the National Housing Act (12 U.S.C. 1715k), which are classified as single family homes.

Nonprofit organization means a corporation or association organized for purposes other than making a profit or gain for itself. Stockholders or trustees do not share in profits or losses. Profits are used to accomplish the charitable, humanitarian, or educational purposes of the corporation.

Preexisting tenant means a family that resides in a unit in a multifamily housing project immediately before the project is acquired under this part by a purchaser other than the Department.

Subsidized project means a multifamily housing project that is receiving, or immediately before its mortgage was foreclosed by HUD or the project was acquired by HUD, pursuant to this regulation, was receiving any of the following types of assistance:

1. Below market interest rate mortgage insurance under the proviso of section 221(d)(5) of the National Housing Act (12 U.S.C. 1715l) (hereinafter, a BMIR project);
2. Interest reduction payments made in connection with mortgages insured under section 236 of the National Housing Act (hereinafter, a 236 project);
3. Direct loans made under section 202 of the Housing Act of 1959 (hereinafter, a 202 project);
4. Assistance, to more than 50 percent of the units in the project, in the form of:
   1. Rent supplement payments under section 101 of the Housing and Urban Development Act of 1965 (12 U.S.C. 1701s) (hereinafter, Rent Supp);
   2. Additional assistance payments under section 236(f)(2) of the National Housing Act (hereinafter, RAP);
   3. Housing assistance payments under section 23 of the United States Housing Act of 1937 (42 U.S.C. 1437f) (hereinafter, Sec. 23);
   4. Housing assistance payments under Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) (excluding payments of tenant-based Section 8 assistance) (hereinafter, project-based Section 8 assistance).

Sufficient habitable, affordable, rental housing is available means that the HUD office with jurisdiction determines that there is an adequate supply of habitable, affordable housing for low- and very low-income families available in the market area. Submarkets, consisting of portions of units of general local government, may be used in large, complex metropolitan areas. Local housing markets having an adequate supply of standard-quality rental housing would include housing markets in which the supply of rental housing available and in production is adequate to meet the anticipated demand (e.g., the housing market is balanced), as well as those in which there is an excess supply of rental housing (e.g., the housing market is soft). Rental markets that do not have an adequate supply (e.g., tight markets) are characterized by low rental vacancy rates, low levels of production and turnover of rental housing, and, usually, by high levels of rent inflation. HUD will make the determination of whether sufficient habitable, affordable, rental housing is available using established market analysis techniques, and will consider information that demonstrates:

1. The rental housing vacancy rate is at a low level relative to the rate required for a balanced market, typically a four percent vacancy rate; except that a rate lower than four percent may be considered in unusual circumstances if it can be demonstrated that there is an adequate supply of affordable housing for low-income families;
2. The number of rental housing units being produced on an annual
paragraph 571

Office of Assistant Secretary for Housing, HUD § 290.9

basis is not large enough to satisfy demand arising from the increase in households, or, in markets where there is little or no growth, evidence that the number of additional rental units being supplied is not sufficient to meet the demand arising from net losses to the available inventory and the inadequate supply of rental housing has inhibited growth;

(3) The shortage of housing is resulting in rent increases that exceed normal increases commensurate with the costs of operating rental housing;

(4) A significant number, or proportion, of the households holding Section 8 certificates or rental vouchers are unable to find adequate housing because of the shortage of rental housing, including PHA data showing a lower than average percentage of units under lease and a longer than average time required to find units.

Unsubsidized project means a multifamily housing project that is not a subsidized project.

Useful life means, generally, twenty years, but it may be more or less, as determined by the Department.

§ 290.7 Occupancy requirements.

(a) Multifamily housing project that is HUD-owned or for which HUD is mortgagee-in-possession. Occupancy in a multifamily housing project that is HUD-owned or for which HUD is mortgagee-in-possession shall be available on a basis that is comparable to the occupancy requirements that applied to the project immediately before HUD acquired the project or became mortgagee-in-possession, except that preference shall be given to tenants of other HUD-owned multifamily housing projects who are eligible for assistance in accordance with the displacement and relocation provisions at § 290.17.

(b) Evictions. Eviction from a HUD-owned multifamily housing project is governed by 24 CFR part 247, subpart B.

(c) Threat to health and safety. Whenever HUD determines that there is an immediate threat to the health and safety of the tenants, HUD may require the tenants to vacate the premises and shall provide temporary relocation benefits as provided in § 290.17 to tenants required to vacate the premises.

§ 290.9 Setting rental rates.

Because of the subsidies involved in making multifamily housing projects affordable, the setting of rents involves two steps: first, establishing the rent on a unit that will be paid to the owner, and second, determining the rent that the tenant pays (with the difference made up by a subsidy), using a number of procedures to obtain income verification and notify tenants of changes in rent. These procedures for a property owned by HUD or where HUD is mortgagee-in-possession are explained below.

(a) Setting unit rents. Except as modified by this section, for a property where HUD is mortgagee-in-possession (MIP), HUD will set unit rents in accordance with the rent setting requirements of the project’s mortgage insurance or direct loan program; or for a property owned by HUD, rents will be set in accordance with the rent setting requirements of the project’s mortgage insurance or direct loan program in effect immediately before HUD became the owner of the project.

(b) Setting rents payable by tenants—

(1) Tenant rent. The rent the tenant pays will be based on the income certification and the rent payment requirements of the project’s mortgage insurance or direct loan program in effect while HUD is MIP or immediately before HUD became the owner of the project, as affected by any of the factors in paragraphs (b)(2) through (b)(4) of this section. However, if a tenant does not certify income as required by this section, the tenant must pay the unit rent as determined under the rent setting requirements in paragraph (a) of this section.

(2) Utility allowance. For a tenant whose rent is based on a percentage of adjusted income (except for rental voucher or rental certificate holders), if the cost of utilities (except telephone) and other housing services for the unit is the responsibility of the tenant to pay directly to the provider of the utility or service, HUD will deduct from the rent to be paid by the tenant to HUD a utility allowance, which is an amount equal to HUD’s estimate of the monthly costs of a reasonable consumption of the utilities and other services for the unit for an
§ 290.11 Notification requirements.

(a) In general. HUD may combine two or more of the required notifications, as appropriate, to simplify the disposition process.

(B) For families applying for admission to such projects, HUD will request sufficient information for income verification to determine the family’s ability to pay the unit rent.

(2) Notice of increases in the amount of rent payable. Whenever HUD proposes an increase in rents in a HUD-owned multifamily project or a project where HUD is mortgagee-in-possession, HUD will provide tenants 30 days notice of the proposed changes and an opportunity to review and comment on the new rent and supporting documentation. After HUD considers the tenants’ comments and has made a decision with respect to its proposed rent change, HUD shall notify the tenants of its decision, with the reasons for the decision. A tenant in occupancy before the effective date of any revised rental rate must be given 30 days notice of the revised rate, and any change in the tenant’s rent is subject to the terms of an existing lease. Notices to each tenant must be personally delivered or sent by first class mail. General notices of rent increases to all tenants must be posted in the project office and in appropriate conspicuous and accessible locations around the project.

(3) Disclosure and verification of Social Security numbers. Any certifications or reexaminations of the income of tenants or prospective tenants in connection with tenancy under this section are subject to the requirements for the disclosure and verification of Social Security Numbers, as provided by part 200, subpart T, of this title.

(4) Signing of consent forms for income verification. Any certifications or reexaminations of the income of tenants or prospective tenants in connection with tenancy under this section are subject to the requirements for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by part 200, subpart V, of this title.

(Approved by the Office of Management and Budget under control number 2502–0204)

§ 290.11 Notification requirements.
(b) **Timing of notifications.** Disposition-related notifications (i.e., preforeclosure notification to tenants and units of general local government; predisposition community and tenant input notification; state and local government right of first refusal notification) will be made, as appropriate:

(1) 60 or more days before HUD forecloses on a project; or

(2) Before, or not more than 30 days after, HUD acquires a project.

(c) **Methods of notification.**—(1) To tenants. Pre-disposition notification will be delivered to each unit in the project, or sent to each unit by first class mail. Where HUD is mortgagee-in-possession or owner of a project, the notice will also be posted in the project office and in appropriate conspicuous and accessible locations around the project.

(2) To units of general local government. Pre-disposition notification to a unit of general local government will be sent to the chief executive officer of the unit of general local government by first class mail. For purposes of receiving or sending any notices or information under this part, the unit of general local government is its chief executive officer, or the person designated by the chief executive officer to receive or send the notice or information.

(3) To the community or any other party. HUD will consult with tenants and their organizations, officials of units of general local government, and other entities as HUD determines to be appropriate, to identify community recipients of any required notification. Any notice required to be made to any party other than a tenant or a unit of general local government will be sent by first class mail.

(d) **Content of notifications.** Notifications will, as appropriate, identify the project acquired or to be foreclosed by HUD; provide the general terms and conditions concerning the sale, future use, and operation of the project as proposed by HUD; indicate the time by which any offers must be made or any comments must be submitted; and state that the full disposition recommendation and analysis and other supporting information will be available for inspection and copying at the HUD Field Office.

§ 290.15 **Disposition plan.**

(a) **In general.** Before disposing of a HUD-owned multifamily housing project, HUD will develop an initial and a final disposition plan for the project that specifies the minimum terms and conditions for the disposition of the project, the sales price that is acceptable to HUD, and the assistance that HUD plans to make available to a prospective purchaser.
§ 290.17 Displacement of tenants and relocation assistance.

(a) Scope of section. This section applies to all HUD-owned multifamily housing projects and all multifamily housing projects subject to HUD-held mortgages. When HUD is not the mortgagee-in-possession or owner, the owner of the project shall comply with this section, if HUD has authorized the demolition of, repairs to, or conversion of the use of the multifamily housing project.

(b) Minimizing displacement. Consistent with the other goals and objectives of this part, all reasonable steps shall be taken to minimize the displacement of persons (families, individuals, businesses, and nonprofit organizations) from a project covered by this part. If displacement or temporary relocation will occur in connection with the disposition of a project, HUD may require the purchaser of the project to provide assistance in accordance with this section.

(c) Relocation assistance at non-URA levels. Whenever the displacement of a residential tenant (family or individual) occurs in connection with the management or disposition of a multifamily housing project, but is not subject to paragraph (d) of this section (e.g., occurs as a direct result of HUD repair or demolition of all or a part of a HUD-owned multifamily housing project or as a direct result of the foreclosure of a HUD-held mortgage on a multifamily housing project or sale of a HUD-owned project without federal financial assistance), the displaced tenant shall be eligible for the following relocation assistance:

(1) Advance written notice of the expected displacement shall be provided at least 60 days before displacement, describe the assistance and the procedures for obtaining the assistance, and contain the name, address and phone number of an official responsible for providing the assistance;

(2) Other advisory services, as appropriate, including counseling, referrals to suitable (and where appropriate, accessible), decent, safe, and sanitary replacement housing, and fair housing-related advisory services;

(3) Payment for actual reasonable moving expenses, as determined by HUD; and

(4) Such other federal, State or local assistance as may be available.

(d) Relocation assistance at URA levels—(1) General. The requirements of this paragraph apply to any displacement that results whenever assistance under 24 CFR part 886, subpart C, (or other federal financial assistance, as defined in 49 CFR 24.2(j)) is provided in connection with the purchase, demolition, or rehabilitation of a multifamily property by a third party. A displaced person (defined in paragraph (d)(3) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the URA, implementing regulations at 49 CFR part 24, and this section.

(2) Definition of “initiation of negotiations”. Under the URA, for purposes of determining the method for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term “initiation of negotiations” means the transfer of title to the purchaser.

(3) Definition of displaced person. The term “displaced person” means any person (family, individual, business, or nonprofit organization) that moves from the real property, or moves personal property from the real property, permanently, as a direct result of acquisition, rehabilitation or demolition for a federally assisted project. However, a person does not qualify as a “displaced person” if:

(i) The person is excluded under 49 CFR 24.2(g)(2);

(ii) The person has been evicted for a serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable federal, State, or local law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;
(iii) The person moves into the property after transfer of title to the purchaser; or
(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for an assisted project.

(c) Temporary relocation (URA and non-URA relocation assistance). Residential tenants, who will not be required to move permanently, but who must relocate temporarily (e.g., to permit property repairs), shall be provided:

1. Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporary housing and any increase in monthly rent or utility costs. The party responsible for this requirement may, at its option, perform the services involved in temporarily relocating the tenants or pay for such services directly; and

2. Appropriate advisory services, including reasonable advance written notice of the date and approximate duration of the temporary relocation; the suitable (and where appropriate, accessible), decent, safe, and sanitary housing to be made available for the temporary period; the terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the building/complex following completion of the repairs; and the right to financial assistance provided under paragraph (e)(1) of this section.

(f) Appeals. If a person disagrees with the purchaser’s determination concerning the person’s eligibility for relocation assistance or the amount of the assistance for which the person is eligible, the person may file a written appeal of that determination with the owner or purchaser. A person who is dissatisfied with the purchaser’s determination on his or her appeal may submit a written request for review of that decision to the HUD Field Office responsible for administering the URA in the area.

§ 290.18 Restrictions on sale to former mortgagors.

The defaulting mortgagor, or any principal, successor, affiliate, or assignee thereof, on the mortgage on the property at the time of the default resulting in acquisition of the property by HUD shall not be eligible to purchase the property. A “principal” and an “affiliate” are defined as provided at 24 CFR 24.105.

[66 FR 35847, July 9, 2001]

§ 290.19 Restrictions concerning non-discrimination against Section 8 certificate holders and voucher holders.

The purchaser of any multifamily housing project shall not refuse unreasonably to lease a dwelling unit offered for rent, offer to sell cooperative stock, or otherwise discriminate in the terms of tenancy or cooperative purchase and sale because any tenant or purchaser is the holder of a Certificate of Family Participation or a Voucher under Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), or any successor legislation. This provision is limited in its application, for tenants or applicants with Section 8 Certificates or their equivalent (other than Vouchers), to those units which rent for an amount not greater than the Section 8 Fair Market Rent, as determined by HUD. The purchaser’s agreement to this condition must be contained in any contract of sale and also may be contained in any regulatory agreement, use agreement, or deed entered into in connection with the disposition.

§ 290.21 Computing annual number of units eligible for substitution of tenant-based assistance or alternative uses.

(a) Substitution of tenant-based Section 8 assistance to low-income families instead of project-based assistance to units. The number of units eligible, as permitted by the Statute, for this form of substitution within the 10 percent limit will be estimated at the beginning of each fiscal year, taking into consideration the aggregate number of subsidized project units disposed of by HUD in the immediately preceding fiscal year and the disposition activity planned for the current fiscal year.

(b) Alternate uses. The number of units eligible for alternate uses in any
fiscal year, as permitted by the Statute, will be determined at the beginning of the fiscal year as the applicable percentages (i.e., either 10 percent or 5 percent) of the estimated total number of units to be disposed of in the fiscal year, taking into consideration the total number of units in multifamily housing projects disposed of by the Department in the immediately preceding fiscal year, and the extent of the disposition activity planned in the current fiscal year.

§ 290.23 Rebuilding.

HUD may provide project-based assistance to support the rebuilding of a HUD-owned multifamily housing project only. The required determination that rebuilding the project would be less expensive than substantial rehabilitation means that the costs to HUD for rebuilding are such that the monthly debt service needed to amortize the cost of relocating tenants, demolition, site preparation, rebuilding, operating expenses, and a reasonable return to the purchaser cannot be provided with rents that are within 120 percent of the most recently published Section 8 Fair Market Rents for Existing Housing (24 CFR part 888, subpart A) or, for unsubsidized and formerly unsubsidized projects, within rents obtainable in the market.

(b) Construction is substantially incomplete.

(c) Preservation is not feasible because of environmental factors that cannot be mitigated by HUD or the purchaser. For example, when the project is located on a site that cannot be made to comply with the Section 8 Site and Neighborhood standards in 24 CFR 886.307(k) because of factors that adversely affect the health, safety and general welfare of residents such as air pollution; smoke; mud slides; fire or explosion hazards. Preservation may also be infeasible because of significantly deteriorated surrounding neighborhood conditions with inadequate police or fire protection; high crime rates; drug infestation; or lack of public community services needed to support a safe and healthy living environment for residents.

(d) HUD determines the project is unfit for rehabilitation.

(e) Rehabilitation would cost more than constructing comparable new housing.

(f) A reduction in the number of units in the project will enhance long-term project viability, for example, demolition of a building to provide space for a playground, open space, or combining one-bedroom units to create larger units for families.

(g) Continued preservation of the project as rental or cooperative housing is not compatible with State or local land use plans for the area in which the project is located.

§ 290.25 Determination not to preserve a project or a part of a project.

HUD may determine to demolish, or otherwise dispose of, a HUD-owned multifamily housing project, or any portion of such a project, or to foreclose a HUD-held mortgage on a multifamily housing project, without ensuring its continued availability as affordable rental or cooperative housing for low- and very low-income families under appropriate circumstances which may include one or more those listed in paragraphs (a) through (g) of this section. If HUD decides not to preserve an occupied multifamily housing project at a foreclosure sale or sale of a HUD-owned project, tenants must be provided relocation assistance as described in §290.17.

(a) The costs to HUD of rehabilitation are such that the monthly debt service needed to amortize the cost of rehabilitation, operating expenses, and a reasonable return to the purchaser cannot be provided with rents that are, for subsidized and formerly subsidized projects, within 120 percent of the most recently published Section 8 Fair Market Rents for Existing Housing (24 CFR part 888, subpart A) or, for unsubsidized and formerly unsubsidized projects, within rents obtainable in the market.

(b) Construction is substantially incomplete.

(c) Preservation is not feasible because of environmental factors that cannot be mitigated by HUD or the purchaser. For example, when the project is located on a site that cannot be made to comply with the Section 8 Site and Neighborhood standards in 24 CFR 886.307(k) because of factors that adversely affect the health, safety and general welfare of residents such as air pollution; smoke; mud slides; fire or explosion hazards. Preservation may also be infeasible because of significantly deteriorated surrounding neighborhood conditions with inadequate police or fire protection; high crime rates; drug infestation; or lack of public community services needed to support a safe and healthy living environment for residents.

(d) HUD determines the project is unfit for rehabilitation.

(e) Rehabilitation would cost more than constructing comparable new housing.

(f) A reduction in the number of units in the project will enhance long-term project viability, for example, demolition of a building to provide space for a playground, open space, or combining one-bedroom units to create larger units for families.

(g) Continued preservation of the project as rental or cooperative housing is not compatible with State or local land use plans for the area in which the project is located.

§ 290.27 Up-front grants and loans.

(a) General. HUD may provide up-front grants and loans for rehabilitation, demolition, rebuilding and other related development costs as part of the disposition of a multifamily housing project that is HUD-owned, upon making a determination that such a grant or loan, plus any additional
project-based assistance made available, would be more cost-effective than the use of the maximum permissible project-based rental assistance alone.

(b) Eligible projects. An up-front grant or loan can be made available in the sale of a HUD-owned multifamily housing project that meets all of the following requirements:

(1) Has more than 50% of the units in the project occupied by very low-income residents at the time a disposition plan is approved by HUD, or that HUD determines is essential, as affordable housing, to the revitalization of its community;

(2) Is located in a housing market or submarket in which there is not sufficient habitable, affordable, rental housing, as defined in § 290.3;

(3) Will generate, after rehabilitation or rebuilding, sufficient rental income in a competitive market to cover all operating expenses, meet after sale debt service requirements, fund required reserves and throw off positive cash flow;

(4) Will provide affordable housing for at least 20 years or the term of the loan, whichever is shorter, after the rehabilitation and/or rebuilding is completed; and

(5) Meets such other requirements, including deed restrictions, loan provisions, and monetary penalties for non-performance, as HUD may determine are appropriate on a case-by-case basis.

(c) Eligible sales and purchasers—(1) Negotiated sales to governmental entities. A negotiated sale of a project with an up-front grant or loan can only be made to the unit of general local government, which includes public housing agencies, in the area in which the project is located; or a State agency designated by the chief executive officer of the State in which the project is located; or an agency of the Federal government. The governmental entity in such a sale must take title to the project.

(2) Other sales and purchasers. All sales which provide up-front grants or loans to entities other than those described in paragraph (c)(1) of this section must be conducted through a competitive selection process. All general and limited partnerships or their nominees, joint ventures or other entities assembled for purposes of purchasing the project and which have a governmental entity as a partner or other participant are considered profit motivated purchasers and not governmental entities, whether or not there is a nonprofit, public, corporate or individual general partner.

(d) Up-front grant or loan amount. The maximum that HUD will fund per project in an up-front grant or loan is 50 percent of total development cost (TDC), or $49,000 per affordable, finished unit, whichever amount is less. TDC covers demolition, environmental hazard remediation, construction materials, artisan services, professional services, developers services, and overhead, relocation and operating losses that are incurred to plan, perform and complete repairs or rebuilding.

Subpart B—Sale of HUD-Held Multifamily Mortgages

§ 290.30 General.

(a) Except as otherwise provided in § 290.31(a)(2), HUD will sell HUD-held multifamily mortgages on a competitive basis. HUD retains full discretion to offer any qualifying mortgage for sale and to withhold or withdraw any offered mortgage from sale. However, when a qualifying mortgage is offered for sale, the procedures set out in this subpart will govern the sale.

(b) References in subpart B of this part to mortgages securing subsidized projects include HUD-held purchase money mortgages on subsidized projects.

§ 290.31 Sale of current mortgages securing subsidized projects.

HUD will sell current mortgages securing subsidized projects, as follows:

(a) Current mortgages with FHA mortgage insurance will be sold either:

(1) On a competitive basis to FHA-approved mortgagees; or

(2) On a negotiated basis, to State or local governments, or to a group of investors that includes an agency of a State or local government if, in addition to meeting the requirements of
§ 290.33 Sale of delinquent mortgages securing subsidized projects.

Delinquent mortgages securing subsidized projects will be sold only if, as part of the sales transaction:
(a) The mortgages are restructured; and
(b) Either FHA mortgage insurance or equivalent protections are provided.

§ 290.35 Sale of HUD-held mortgages securing unsubsidized projects.

HUD’s policy for selling HUD-held mortgages securing unsubsidized projects is as follows:
(a) Current mortgages may be sold with or without FHA mortgage insurance.
(b) Delinquent mortgages may be sold without FHA mortgage insurance. However, delinquent mortgages will not be sold if:
(1) HUD believes that foreclosure is unavoidable; and
(2) The project securing the mortgage is occupied by very low-income tenants who are not receiving housing assistance and would be likely to pay rent in excess of 30 percent of their adjusted monthly income if HUD sold the mortgage.

§ 290.37 Requirements for continuing Federal rental subsidy contracts.

For any mortgage that, at the time HUD offers the mortgage for sale without FHA mortgage insurance, is delinquent and secures a subsidized project that receives any of the forms of assistance enumerated in paragraphs (4)(i) to (4)(iv) of the “subsidized project” definition in § 290.3:
(a) The mortgage purchaser and its successors and assigns shall require the mortgagor to record a covenant running with the land as part of any loan restructuring or of a final compromise of the mortgage debt and shall include a covenant in any foreclosure deed executed in connection with the mortgage. The covenant shall continue in effect until the last federal project-based rental assistance contract expires by its own terms. The covenant shall provide that, except where otherwise approved by HUD, a project purchaser shall agree to assume the obligations of any outstanding:
(1) Project-based federal rental subsidy contract; and
(2) Tenant-based Section 8 housing assistance payments contract with a public housing agency and the related lease.
(b) In the event of foreclosure of the mortgage sold by HUD, the mortgage purchaser and its successors and assigns:
(1) Shall foreclose in a manner that does not interfere with any lease related to federal project-based assistance or any lease related to tenant-based, Section 8 housing assistance payments; and
(2) Shall foreclose in manner that ensures that the right of possession of the purchaser at a foreclosure sale shall be subject to the terms of any residential lease not subject to paragraph (b)(1) of this section for the remaining term of the lease or for one year, whichever period is shorter.

§ 290.39 Nondiscrimination in admitting certificate and voucher holders.

(a) Nondiscrimination requirement. For any mortgage described in paragraphs (c) or (d) of this section that HUD sells without FHA mortgage insurance, the project owner shall not unreasonably refuse to lease a dwelling unit offered for rent, offer to sell cooperative stock, or otherwise discriminate in the terms of tenancy or cooperative purchase and sale because any tenant or purchaser is a certificate or voucher holder under 24 CFR part 982.

(b) Inapplicability to current mortgages securing unsubsidized projects that receive no project based-assistance. The nondiscrimination requirements of this

section do not apply to any mortgage that is current under the terms of the mortgage at the time HUD offers it for sale, if the mortgage secures an unsubsidized project that does not receive any of the forms of project-based assistance enumerated in paragraphs (4)(i) to (4)(iv) of the “subsidized project” definition in §290.3.

(c) Applicability to mortgages securing unsubsidized projects receiving project-based assistance (partially-assisted projects) or securing subsidized projects.

(1) The nondiscrimination requirement in paragraph (a) of this section applies to the project owner upon the sale of a mortgage without FHA mortgage insurance if, at the time HUD offers it for sale, the mortgage secures:

(i) An unsubsidized project that receives any of the forms of assistance enumerated in paragraphs (4)(i) to (4)(iv) of the “subsidized project” definition in §290.5; or

(ii) A subsidized project, as defined in §290.3.

(2) This requirement shall continue in effect until the mortgage debt is satisfied.

(d) Covenant requirement for all delinquent mortgages sold without FHA mortgage insurance. This paragraph (d) applies to the sale of any mortgage that is delinquent at the time HUD offers it for sale without FHA mortgage insurance, without regard to the subsidy status of the project. The mortgage purchaser and its successors and assigns shall require the mortgagor to record a covenant running with the land as part of any loan restructuring or final compromise of the mortgage debt and shall include a covenant in any foreclosure deed executed in connection with the mortgage. The covenant shall set forth the nondiscrimination requirement in paragraph (a) of this section. The covenant shall continue in effect until a date that is the same as the maturity date of the mortgage sold by HUD.

HUD will lease acquired property to comply with other designated HUD programs, or when the Secretary determines that it is in the interest of HUD. Leases may include an option to purchase in appropriate circumstances.

Subpart B—Disposition by Sale

SOURCE: 64 FR 6480, Feb. 9, 1999, unless otherwise noted.

§ 291.90 Sales methods.

HUD will prescribe the terms and conditions for all methods of sale. HUD may, in its discretion, on a case-by-case basis or as a regular course of business, choose from among the following methods of sale:

(a) Future REO acquisition method. The Future Real Estate-Owned (REO) acquisition method consists of a property acquisition agreement (or agreements) between HUD and a transferor (or transferors), which shall provide for the right and obligation of the transferor(s) to acquire a future quantity of properties designated by HUD as they become available. HUD will select such transferor(s) through a competitive process, in accordance with all applicable laws and regulations, including the requirements in §291.200. The transferor(s) shall have the right and obligation to manage and dispose of the properties upon such terms and conditions as are approved by the Secretary;

(b) Competitive sales of individual properties. This method consists of competitive sales of individual properties to individual buyers, the procedures for which are described in §291.205;

(c) Direct sales methods. There are three types of direct sales methods:

(1) Direct sales of properties without insured mortgages to governmental entities and private nonprofit organizations, the procedures for which are described in §291.210(a);

(2) Direct sales to displaced persons, sales of razed lots, or auctions, the procedures for which are described in §291.210(b);

(3) Direct sales to other individuals or entities that do not meet any of the categories specified in paragraphs (a) through (d) of this section, under the circumstances and procedures described in §291.210(c);

(d) Bulk sales, the procedures for which are described in §291.210(d); or

(e) Other sales methods. HUD may select any other methods of sale, as determined by the Secretary.

§ 291.100 General policy.

For all sales, except as otherwise specifically indicated, those sales conducted in accordance with §§291.90(a) and 291.200 or with subpart D of this part, the following general policies apply:

(a) Qualified purchaser. (1) Anyone, including a purchaser from a transferor of a property pursuant to §§291.90(a) and 291.200, regardless of race, color, religion, sex, national origin, familial status, age, or disability may offer to buy a HUD-owned property, except that:

(i) No member of or delegate to Congress is eligible to buy or benefit from a purchase of a HUD-owned property; and

(ii) No nonoccupant mortgagor (whether an original mortgagor, assumptor, or a person who purchased “subject to”) of an insured mortgage who has defaulted, thereby causing HUD to pay an insurance claim on the mortgage, is eligible to repurchase the same property.

(2) Neither HUD nor any transferor pursuant to §§291.90(a) or 291.200 will offer former mortgagors in occupancy who have defaulted on the mortgage the right of first refusal to repurchase the same property.

(3) HUD will offer tenants accepted under the occupied conveyance procedures outlined in 24 CFR 203.670 through 203.685 the right of first refusal to purchase the property only if:

(i) The tenant has a recognized ability to acquire financing and a good
§291.100 24 CFR Ch. II (4–1–16 Edition)

rent-paying history, and has made a request to HUD to be offered the right of first refusal; or

(ii) State or local law requires that tenants be offered the right of first refusal.

(b) List price. The list price, or “asking price,” assigned to the property is based upon an appraisal conducted by an independent real estate appraiser using nationally recognized industry standards for the appraisal of residential property.

(c) Insurance. Properties may be sold under the following programs:

(1) Insured. A property that meets the Minimum Property Standards (MPS), as determined by the Secretary, for existing dwellings (Requirements for Existing Housing, One to Four Family Living Units, HUD Handbook 4905.1, which is available at the Department of Housing and Urban Development, HUD Customer Service Center, 451 7th Street, SW, Room B–100, Washington, DC 20410; by calling (202) 708–3151; or via the Internet at www.hud.gov will be offered for sale in “as-is” condition with FHA mortgage insurance available. Flood insurance must be obtained and maintained as provided in 24 CFR 203.16a.

(2) Insured with repair escrow. A property that requires no more than $5,000 for repairs to meet the MPS, as determined by the Secretary, will be offered for sale in “as-is” condition with FHA mortgage insurance available, provided the mortgagor establishes a cash escrow to ensure the completion of the required repairs.

(3) Uninsured. A property that fails to qualify under either paragraph (c)(1) or (c)(2) of this section will be offered for sale either in “as-is” condition without mortgage insurance available, or in “as-is” condition under section 203(k) of the National Housing Act (12 U.S.C. 1709(k)).

(d) Financing. (1) Except as provided in paragraph (d)(2) of this section, the purchaser is entirely responsible for obtaining financing for purchasing a property.

(2) HUD, in its sole discretion, may take back purchase money mortgages (PMMs) on property purchased by governmental entities or private nonprofit organizations who buy property for ultimate resale to owner-occupant purchasers with incomes at or below 115 percent of the area median income. When offered by HUD, a PMM will be available in an amount determined by the Secretary to be appropriate, at market rate interest, for a period not to exceed 5 years. Mortgagors must meet FHA mortgage credit standards.

(3) Purchase money mortgage (PMM). For purposes of this section, the term “purchase money mortgage,” or PMM means a note secured by a mortgage or trust deed given by a buyer, as mortgagor, to the seller, as mortgagee, as part of the purchase price of the real estate.

(e) Environmental requirements and standards. Sales under this part are subject to the requirements and standards described in 24 CFR part 50, as applicable.

(f) [Reserved]

(h) Listings. Any real estate broker who has agreed to comply with HUD requirements may participate in the sales program. Purchasers participating in the competitive sales program, except government entities and nonprofit organizations, must submit bids through a participating broker.

(1) Open listings. Except as provided in paragraph (h)(2) of this section, properties are sold on an open listing basis with participating real estate brokers.

(2) Asset management and listing contracts. (i) A local HUD office may invite firms experienced in property management to compete for contracts that provide for an exclusive right to manage and list specified properties in a given area.

(ii) In areas where a broker has an exclusive right to list properties, a purchaser may use a broker of his or her choice. The purchaser’s broker must submit the bid to HUD through the exclusive broker.
(1) Disciplinary actions against HUD-qualified real estate brokers. (1) In general. Real estate brokers that are involved in Real Estate Owned (REO) sales will be removed from HUD’s qualified selling broker list and will be prohibited from using HUD systems to participate in the sale of HUD-owned single family properties for good cause in accordance with the procedures of this paragraph. Nothing in this section prohibits HUD from taking such other action against a broker as provided in 24 CFR part 24 or from seeking any other available remedy.

(2) Good cause. Good cause includes, but is not limited to:

(i) Conviction under 18 U.S.C. 371 or 1010 of a broker or an agent supervised by that broker and acting within the scope of the agent’s duties;

(ii) Any of the following actions by a broker or an agent supervised by that broker and acting within the scope of the agent’s duties:

(A) Falsifying loan documents or aiding or abetting persons in the use of false or misleading information including, but not limited to, forged or fraudulent gift letters and owner occupant certifications;

(B) Acting in concert with an appraiser to arrive at an artificial appraised value;

(C) Engaging in fraudulent activities (with or without the assistance of an appraiser) that have led to default and payment of an insurance claim;

(D) Failing to comply with earnest money collection, management, and disbursement procedures as set forth in this part;

(E) Failing to maintain a current state license;

(F) Violating the Real Estate Settlement Procedures Act (RESPA) (12 U.S.C. 2601 et seq.);

(G) Non-compliance with civil rights requirements regarding the sale of HUD-owned single family properties;

(H) Involvement in, or knowledge of, any fraudulent activity by any person involved in the REO sales transaction; and

(I) Any other actions or omissions that evidence a lack of business integrity or non-compliance with the laws, regulations, and rules applicable to housing, lending, or real estate sales.

(3) Written notice. Once HUD makes an initial finding that there is good cause to remove a broker, HUD will provide the broker with written notice of proposed removal from HUD’s qualified selling broker list and deactivation of the broker’s access to HUD systems to participate in the sale of HUD-owned properties. The notice will:

(i) State the reasons that HUD is taking the action;

(ii) Identify the violations or deficiencies involved;

(iii) Provide a citation to the relevant regulation, statute, or policy; and

(iv) State the effective date and duration of the removal and deactivation.

(4) Effective date and duration of removal. (i) The effective date of the broker’s removal will be the 30th day after the date of the notice, unless the broker submits a written response or requests a conference in accordance with paragraph (i)(5) of this section;

(ii) HUD’s determination of the duration of removal and deactivation will be based upon HUD’s consideration of the number and seriousness of the broker’s violations and deficiencies.

(5) Response and conference. Real estate brokers will be given 20 days after the date of the notice (or longer, if provided in the notice) to submit a written response to HUD opposing the proposed removal and to request a conference. A request for a conference must be in writing and must be submitted along with the written response. If a conference is requested, it will occur within 15 days after the date of receipt of the request. HUD may extend the 15-day period by providing written notice to the broker. HUD may request additional information at or following a conference and provide additional time to submit such information. If the information is not submitted by the time set by HUD, the conference is completed. If the information is timely submitted, the conference is not completed until HUD has considered the additional information.

(6) Disposition. (i) No response from real estate broker. If the real estate broker does not submit a written response within the time provided, the removal and deactivation take effect in accordance with the notice.
§ 291.200 Response from real estate broker.

(ii) If the real estate broker submits a written response within the time provided, the removal and deactivation are delayed until HUD considers the response and makes a final determination. HUD will consider the sufficiency of any corrective actions taken by a broker with respect to its procedures and, if relevant, its agents, in reaching its decision. Within 20 days after the date of receipt of the written response, or if a conference is requested, within 20 days after the date of completion of the conference, HUD will advise the real estate broker in writing of the decision to rescind, modify, or affirm the removal from HUD's qualified selling broker list and the deactivation of the broker's access to HUD systems to participate in the sale of HUD-owned properties. The written decision by HUD shall constitute final agency action.

(7) Effect of removal proceeding on bids. All bids submitted and commissions earned by the real estate broker prior to removal will be honored, unless HUD determines they were made under fraudulent circumstances.

§ 291.205 Competitive sales of individual properties.

When HUD conducts competitive sales of individual properties to individual buyers, it will sell the properties on an "as-is" basis, without repairs or warranties, and it will follow the sales procedures provided in this section.

(a) General. (1) Properties that are sold on an individual competitive bid basis are sold through local real estate brokers, except as provided in §291.100(h).

(2) For properties being offered with insured mortgages, priority will be given to owner-occupant purchasers, as defined in §291.5, for a period of up to 30 days, as determined by HUD. For properties offered without insured mortgages, priority will be given to governmental entities and nonprofit organizations prior to other owner-occupant purchasers.

(b) Net offer. (1) The net offer is calculated by subtracting from the bid price the dollar amounts for the financing and loan closing costs and the broker's sales commission, as described in paragraph (b)(2) of this section.

(2) If requested by the purchaser in the bid, HUD will pay all or a portion of the financing and loan closing costs and the broker's sales commission, not to exceed the percentage of the purchase price determined appropriate by the Secretary for the area. In no event will the total amount for broker's sales commission exceed 6 percent of the purchase price, except for cash bonuses offered to brokers by HUD for the sale of hard-to-sell properties.

(c) Acceptable bid. HUD will accept the bid producing the greatest net return to HUD and otherwise meeting the terms of HUD's offering of the property, with priority given to owner-occupant purchasers as described in paragraph (a)(2) of this section. The greatest net return is calculated based on the net offer, as described in paragraph (b) of this section.
(d) **Bid period.** (1) HUD will establish a bid period for properties available for sale. Generally, the bid period will be 10 days, but may be lengthened or shortened by HUD. After properties are initially advertised, bids may be submitted by all potential purchasers. However, in the case of properties offered with insured mortgages, HUD may give priority to owner-occupant purchasers for a period of up to 30-days, as described in paragraph (a)(2) of this section.

(2) HUD may treat all bids received during a specified period of time during the bid period to have been received simultaneously. HUD may also choose to review bids on a daily basis, with all bids submitted during each day considered to have been received simultaneously. HUD may use either (or both) of these methods during the bid period, as described in the bid materials accompanying a particular sale.

(3) Offers received on a property before the bid period begins will be returned. Offers received after the bid period will not be considered at the bid opening, but will be considered during the extended listing period if no acceptable bid was received during the bid period (see paragraph (f) of this section).

(e) **Full price offers.** HUD local offices that operate under a "full price offer" program open offers at specified times during the bid period. If an offer for the full list price and otherwise meeting the terms of the offering is received, it will be accepted at the time of the opening and the bid period cancelled.

(f) **Extended listing period.** Properties not sold during the bid period will remain available for an extended listing period. All bids received on each day of the extended listing period will be considered as being received simultaneously, and will be opened together at the next scheduled daily bid opening. Properties that fail to sell within 45 days after being offered for competitive bidding will be reanalyzed and made available for sale. If a property’s price or terms are changed, it may be subject to another competitive bid period as described in paragraph (d) of this section.

(g) **Bid requirements.** (1) All successful bids submitted, whether during the bid period or the extended listing period, must be in a form prescribed by HUD, and must be submitted in accordance with procedures established by HUD. If the purchase is to be an insured sale, a local HUD office may also require that supporting exhibits for mortgage credit analysis accompany the initial submission of the bid. All bids not indicating that the purchaser will occupy the property will be considered as offers from investor purchasers.

(2) Noncomplying bids will be returned to the broker with an explanation for the noncompliance decision and information about whether the property is still available.

(h) **Earnest money deposits.** (1) The amount of earnest money deposit required for a property with a sales price of $50,000 or less is $500, except that for vacant lots the amount is 50 percent of the list price. For a property with a sales price greater than $50,000, the amount of earnest money deposit required in the area is set by the local HUD office, in an amount not less than $500 or more than $2,000. Information on the amount of the required earnest money deposit is available from the local HUD office or participating real estate brokers.

(2) All bids must be accompanied by earnest money deposits in the form of a cash equivalent as prescribed by the Secretary, or a certification from the real estate broker that the earnest money has been deposited in the broker’s escrow account. If a bid is accepted by HUD, the earnest money deposit will be credited to the purchaser at closing; if the bid is rejected, the earnest money deposit will be returned. Earnest money deposits are subject to total or partial forfeiture for failure to close a sale.

(i) **Multiple bids.** Real estate brokers may submit unlimited numbers of bids on an individual property provided each bid is from a different prospective purchaser. If a purchaser submits multiple bids on the same property, only the bid producing the highest net return to HUD will be considered. If a prospective owner-occupant purchaser submits a bid on more than one property, the bid that produces the greatest net return to HUD will be accepted and all other bids from that purchaser will
be eliminated from consideration. However, if the prospective owner-occupant purchaser has submitted the only acceptable bid on another property, then that bid must be accepted and all other bids from that purchaser on any other properties will be eliminated from consideration.

(j) Identical bids. In the case of identical bids submitted by an owner-occupant purchaser and an investor purchaser, HUD will select the bid submitted by the owner-occupant purchaser. If identical bids are submitted by two or more owner-occupant purchasers, or by two or more investor purchasers, award will be determined by drawing lots.

(k) Opening the bids. Unless the Secretary specifically authorizes another bid process:

(1) The successful bids will be opened publicly at a time and place designated by the local HUD office.

(2) Successful bidders will be notified through their real estate brokers by mail, telephone, or other means. Information regarding losing bids will also be made available either through electronic posting or by contacting the local HUD office. Acceptance of a bid is final and effective only upon HUD’s execution of the sales contract, signed by both the submitting real estate broker and the prospective purchaser, and mailing of a copy of the executed contract to the successful bidder or the bidder’s agent.

(l) Counteroffers. If all bids received on a property are unacceptable, a local HUD office may notify all bidders or their brokers that HUD will accept an offer equalling a predetermined net acceptable price. Bidders must submit an acceptable offer before the established bid cut-off period, to be determined by the local HUD office. The highest acceptable offer received within the specified period of time, including any offer received from a bidder who did not submit a bid during the bid period, will be accepted, thus terminating the counteroffer negotiations.

§ 291.210 Direct sales procedures.

When HUD conducts the sales listed in §291.90(c), it will sell the properties on an “as-is” basis, without repairs or warranties, and it will follow the applicable sales procedures provided in this section.

(a) Direct sales of properties without insured mortgages to governmental entities and private nonprofit organizations. (1) State and local governments, public agencies, and qualified private nonprofit organizations that have been preapproved to participate by HUD, according to standards determined by the Secretary, may purchase properties directly from HUD at a discount off the list price determined by the Secretary to be appropriate, but not less than 10 percent, for use in HUD and local housing or homeless programs.

(2)(i) Purchasers under paragraph (a)(1) of this section must designate geographical areas of interest by ZIP code. Upon request, before those properties without insured mortgages are publicly listed, HUD will assure that governmental entities and nonprofit organizations are notified in writing when eligible properties become available in the areas designated by them. HUD will coordinate the dissemination of the information to ensure that if more than one purchaser designates a specific area, those purchasers receive the list of properties at the same time, based on intervals agreed upon between HUD and the purchasers. A property in this section will be sold to the first eligible purchaser submitting an acceptable contract. All bids received on the same business day will be considered to have been received simultaneously. In the case of identical bids submitted on the same business day, award will be determined by drawing lots.

(ii) Purchasers under paragraph (a)(1) of this section must notify HUD of preliminary interest in specific properties within 5 days of the notification of the availability of properties (if notification is by mail, the 5 days will begin to run 5 days after mailing). HUD will provide a consideration and inspection period for these purchasers. The consideration and inspection period will usually be for ten days from the date of notification of interest, but may be lengthened or shortened by HUD, as appropriate. Those properties in which purchasers express an interest will be held off the market for the duration of the consideration and inspection period. Other properties on the list will continue to...
be processed for public sale. HUD may limit the number of properties held off the market for a purchaser at any one time, based upon the purchaser’s financial capacity as determined by HUD and upon past performance in HUD programs. At the end of the consideration and inspection period, properties in which no governmental entity or nonprofit organization has expressed a specific intent to purchase will be offered for sale under the competitive bid process. Properties in which a governmental entity or nonprofit organization expressed an intent to purchase, during the consideration and inspection period, will continue to be held off the market pending receipt of the sales contract. If a sales contract is not received within a time period of up to 10 days, as determined by HUD, following expiration of the consideration and inspection period, and no other governmental entity or nonprofit organization has expressed an interest, then the property will be offered for sale under the competitive bid process.

(3) In order to ensure that properties purchased at a discount are being utilized to expand affordable housing opportunities, HUD may require, as appropriate, periodic, limited information regarding the purchase and resale of such properties, and certain restrictions on the resale of such properties.

(b) Direct sales to displaced persons; razed lots; auctions. HUD may seek to dispose of individual properties to individual buyers through methods such as direct sales to displaced persons, sales of razed lots, or auctions. These sales will be upon such terms and conditions as the Secretary may prescribe.

(c) Direct sales to individuals or entities. HUD may also seek to dispose of properties through direct sales to other individuals or entities that do not meet any of the categories specified in this section, if the Assistant Secretary for Housing-Federal Housing Commissioner (or his or her designee) finds in writing that such sales would further the goals of the National Housing Act (12 U.S.C. 1701 et seq.) and would be in the best interests of the Secretary. These sales will be upon such terms and conditions as the Secretary may prescribe.

(d) Bulk sales. HUD may seek to dispose of properties through bulk sales. Such sales will be upon such terms and conditions as the Secretary may prescribe.

Subpart D—Sale of HUD-Held Single Family Mortgage Loans

§ 291.301 Definitions.

For purposes of this subpart, the following definitions apply:

Bid package means the documents prepared for bidders in a mortgage loan sale, and includes the following: An Executive Summary containing information on FHA single family mortgage loan sales and background on HUD programs; a description of post-sale servicing requirements; due diligence information and reports; mortgage loan information; a copy of the Loan Sale Agreement and its exhibits; bidding and closing information; and such other information and requirements as the Secretary may determine necessary.

Payment plan agreement, for purposes of §291.307(c)(2), means an agreement between the purchaser and the mortgagor for payments after the 36-month period of statutorily authorized forbearance relief has expired.

Single family mortgage loan means a mortgage loan on a single family property assigned to HUD under section 230(b) of the National Housing Act (as that subsection existed prior to January 26, 1996) (12 U.S.C. 1715u), a mortgage loan on a single family property insured by HUD under section 221 of the National Housing Act (12 U.S.C. 1715l), a mortgage loan on a single family property issued in connection with the settlement of the Ferrell litigation, a purchase money mortgage loan issued by HUD on a single family property owned by HUD and representing an asset to HUD’s Title II mortgage insurance funds.

Single family property means a residence with one to four dwelling units.
§ 291.302 Purpose and general policy.

This subpart sets forth HUD’s policy and procedures for the sale of HUD-held single family mortgage loans. In general, HUD will sell both performing and nonperforming HUD-held single family mortgage loans. HUD will sell all mortgage loans without recourse and without FHA insurance. HUD will package pools of single family mortgage loans for sale to the general public on a competitive basis; however, HUD may sell mortgage loans to government-sponsored enterprises (GSEs) on a negotiated basis. Nothing in this subpart shall be construed to prevent HUD from packaging single family mortgage loans with other types of HUD assets for sale. The Secretary retains full discretion to offer any qualifying pool of mortgage loans for sale and to withhold or withdraw any offered pool of mortgage loans from sale. However, when HUD offers a qualifying mortgage loan for sale, the procedures set out in this subpart and in the bid package will govern the sale of HUD-held single family mortgage loans.

§ 291.303 Eligible bidders.

HUD will provide information on the eligibility of bidders in the bid package, a notice in the Federal Register, or other means, at the Secretary’s full discretion. However, an individual, partnership, corporation, or other legal entity will not be eligible to bid for any loan pool, either as an individual or a participant, if, at the time of the sale, that individual or entity is debarred or suspended from doing business with HUD under 2 CFR part 2424.

[72 FR 73495, Dec. 27, 2007]

§ 291.304 Bidding process.

(a) Submission of bids. All bids must be submitted to HUD in accordance with instructions in the bid package for a particular sale.

(b) Effect of bid. By submitting a bid, the bidder is making an offer to purchase single family mortgage loans as presented in the bid package. Submission of a bid constitutes acceptance of the terms and conditions set forth in the bid package. Along with the bid, the bidder must submit an executed copy of the Loan Sale Agreement, which is included in the bid package.

(c) Earnest money deposits. The bidder must submit to HUD, along with its bid, an earnest money deposit in an amount to be determined by HUD. The earnest money deposit is nonrefundable to the winning bidder and will be credited toward the purchase price.

(d) Termination of offering. HUD reserves the right to terminate an offering in whole or in part at any time before the bid date.

(e) Withdrawal of loans. HUD reserves the right, in its sole discretion and for any reason whatsoever, to withdraw loan assets from a pool prior to the bid date. Any earnest money deposits relating to withdrawn loan assets will be retained by HUD and credited toward the total purchase price of the remaining loan assets in the pool, in accordance with the Loan Sale Agreement. After the bid date, HUD can withdraw mortgage loans in accordance with the Loan Sale Agreement.

(f) Rejection of bids. (1) HUD may, in its sole discretion, reject any bid under the following circumstances:

(i) If the bid does not conform with the instructions in the bid package; or

(ii) If, in HUD’s sole discretion, it determines that such action would be in the best interests of the U.S. Government.

(2) HUD can also issue a conditional rejection that will become an acceptance upon fulfillment of HUD’s requests.

(g) Withdrawal of bids. A bidder may withdraw a previously submitted bid in accordance with the instructions in the bid package for a particular sale.

(h) Bids by brokers or agents. Any bid by a broker or agent for a principal must be in the name of the principal and signed by the broker/agent as the attorney-in-fact for the principal. All such bid documents must be executed so as to bind the principal by the broker/agent as the attorney-in-fact. A power of attorney satisfactory to HUD as to form and content must be submitted with each bid.

§ 291.305 Selection of bids and execution of Loan Sale Agreement.

HUD will evaluate bids, select successful bids, and notify the successful
bidder in a manner set forth in the bid package. HUD will complete the execution of the Loan Sale Agreement when it accepts the successful bid.

§ 291.306 Closing requirements.

(a) Closing date payment. On the closing date, the purchaser must pay to HUD the closing date payment, consisting of the balance of the amount due on the bid price, as adjusted in accordance with the Loan Sale Agreement.

(b) Closing documents. HUD will execute and deliver to the purchaser a bill of sale transferring title to the mortgage loans sold in the sale. The purchaser must deliver to HUD the documents required at closing, in addition to the closing date payment.

§ 291.307 Servicing requirements.

(a) Use of HUD-approved servicing mortgagees. All mortgage loans must be serviced by HUD-approved servicing mortgagees for the remaining life of the mortgage loans. A purchaser that is not a HUD-approved servicing mortgagee must retain a HUD-approved servicing mortgagee to service the mortgage loans.

(b) Continuation of mortgagor rights. The purchaser may take all lawful steps to collect the amounts due under the mortgage loans. These steps may include foreclosure, but only after the servicer has provided all required forms of relief for the mortgagor in accordance with paragraph (c) of this section. The purchaser and its servicer, and any subsequent transferee of or servicer for the mortgage loan, will be fully bound by the terms of the Loan Sale Agreement, including those terms that provide the mortgagor with any rights regarding forbearance, assistance, or reinstatement of the mortgage loan.

(c) Purchaser’s protection of mortgagor’s rights—(1) Assigned mortgage loans during forbearance period. This paragraph (c)(1) explains how a purchaser (or a servicer of a purchased mortgage loan) must service a mortgage loan that was assigned to HUD under section 230(b) of the National Housing Act (as that subsection existed prior to January 26, 1996), for which more than 36 months has expired since the mortgage loan assignment was accepted by the Secretary. Such a purchaser must service these mortgage loans in essentially the same manner as HUD was required to service the loans while HUD held them. Specific servicing requirements will be set forth in the Loan Sale Agreement for each sale.

(ii) If the mortgagor defaults under a payment plan agreement established by the purchaser, the mortgagor shall have the right to reinstate the most recent payment plan agreement if the mortgagor makes a lump sum payment in an amount necessary to cure the default. If the mortgagor defaults under the most recent payment plan agreement and does not reinstate, the purchaser may terminate the payment plan agreement and take such action as may be permitted under the terms of the mortgage.

(iii) The purchaser’s right to demand payment of a reinstatement amount from the mortgagor may be limited by the terms of the Loan Sale Agreement.

(3) Section 221 Mortgages. This paragraph (c)(3) explains how a purchaser (or a servicer of a purchased mortgage) must service a mortgage assigned to
HUD under section 221(g)(4) of the National Housing Act.

(i) Current section 221(g)(4) mortgage loans. Section 221(g)(4) mortgage loans that are current as of the closing date are not subject to the servicing requirements set forth in paragraphs (c)(1) and (c)(2) of this section.

(ii) Defaulted section 221(g)(4) mortgage loans. With respect to any section 221(g)(4) mortgage loan as to which a payment default has occurred, and as to which HUD, as of the closing date, was providing or had agreed to provide forbearance relief, the purchaser must continue to provide forbearance relief and must service such mortgage loans as set forth in paragraphs (c)(1) and (c)(2) of this section.

(d) Section 235 mortgage loans—(1) Assistance payments contract. If, prior to the mortgage loan sale, the assistance payments contract has not been previously terminated under 24 CFR 235.375(a), the contract will terminate as to each mortgage loan upon the sale of the mortgage loan. The purchasing mortgagor will therefore not receive any assistance payments on behalf of the mortgagor for any Section 235 mortgage loan sold.

(2) Reduction in interest rates. For a Section 235 mortgage loan that was accompanied by an assistance payments contract that was still in effect on the date of the sale, the Secretary will reduce the interest rate on the mortgage loan to a rate to be determined by the Secretary.

Subpart E—Lease and Sale of HUD-Acquired Single Family Properties for the Homeless

§ 291.400 Purpose and scope.

(a) Purpose. HUD seeks to assist individuals and families who are homeless by providing them with transitional housing and appropriate supportive services with the goal of helping them move to independent living. Therefore, HUD will make available, to applicants approved by HUD, certain HUD-acquired single family properties for use by the homeless.

(b) Applicant preapproval. Before a field office may notify an applicant of eligible properties, the applicant must be preapproved by HUD, according to procedures available from the field office.

(c) Property available for lease with option to purchase. HUD will make available up to 10 percent of its total inventory of properties, before or after they are listed for sale to the public.

(d) Property available under a McKinney Act Supportive Housing program lease-option agreement. Eligible properties will be available under a lease-option to purchase agreement to Supportive Housing program applicants for acquisition grants under 24 CFR part 583.

(e) Properties available for sale. Eligible properties will be available for competitive sale or direct sale for fair market value, less a discount determined appropriate by the Secretary but not less than 10 percent.

(f) Concentration of properties. To the extent practicable and possible, HUD will avoid excessive concentration in a single neighborhood of properties leased or sold under this subpart.

(g) Failure to comply with requirements. Failure to comply with any provision of this subpart, or a lease issued under this subpart, may result in termination from the program.

(Approved by the Office of Management and Budget under OMB control number 2502–0412)

§ 291.405 Definitions.

For purposes of this subpart E:

Applicant means a State, metropolitan city, urban county, governmental entity, tribe, or private nonprofit organization that submits a written expression of interest in eligible properties under this subpart E. Governmental entities include those that have general governmental powers (e.g., a city or county), as well as those with limited or special powers (e.g., public housing agencies or State housing finance agencies). In the case of applicants leasing properties while their applications for Supportive Housing assistance are pending, “applicant” is defined in 24 CFR part 583.

Homeless means:

(1) Individuals or families who lack the resources to obtain housing, whose annual income is not in excess of 50
percent of the median income for the area, as determined by HUD, and who:

(i) Have a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings;

(ii) Have a primary nighttime residence that is a supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing, but excluding prisons or other detention facilities); or

(iii) Are at imminent risk of homelessness because they face immediate eviction and have been unable to identify a subsequent residence, which would result in emergency shelter placement (except that persons facing eviction on the basis of criminal conduct such as drug trafficking and violations of handgun prohibitions shall not be considered homeless for purposes of this definition); or

(2) Persons with disabilities who are about to be released from an institution and are at risk of imminent homelessness because no subsequent residences have been identified and because they lack the resources and support networks necessary to obtain access to housing.

Lessee means the applicant, approved by HUD as financially responsible, that executes a lease agreement with HUD for an eligible property.

[64 FR 6482, Feb. 9, 1999]

§ 291.415 Lease with option to purchase properties for use by the homeless.

(a) Certification. Eligible properties are available for lease to applicants, approved by HUD, that certify that the property will be utilized only for the purpose of providing transitional housing for the homeless during the lease term, and that the intended use of the property will be consistent with all local laws and regulations. The lease agreement will be in a form prescribed by the Secretary. Lessees must execute a sublease with occupants in a form prescribed by the Secretary limiting an occupant’s tenancy to no longer than two years.

(b) Term of lease. (1) A lease of an eligible property may be negotiated for such time as the lessee requires, not to exceed one year. Leases are renewable, at the option of the lessee and with the approval of HUD, at the end of the first lease term for up to four additional one-year terms, on a year-to-year basis, provided the lessee has met the requirements under this program.

(2) Approvals for lease renewals will be denied if HUD determines that the lessee has not complied with the requirements of this part of the lease.

(3) A property will not be leased to a lessee for a period longer than five years. At the end of the five-year period, if the lessee has not exercised the option to purchase, HUD will notify the lessee to vacate the property and, if necessary, will take appropriate action under the eviction laws of the jurisdiction in which the property is located. All property returned to HUD must be vacant, and will be placed on the market for sale to the general public.

(4) Within 30 days of leasing a property from HUD or within 30 days after a property is vacated, a lessee must sublease the property to the homeless, unless a longer period is approved by HUD.

(c) Rent. (1) The lessee must pay HUD a nominal rent of $1 for each one-year lease period.

(2) A lessee may charge rent, including utilities, to an occupant at a rate appropriate to the financial means of the occupant. Unless HUD approves after consideration of such factors as the cost of operating housing in the area and the amount of the lessee’s contributions to the program, such rent may not exceed the highest of:

(i) Thirty percent of the family’s monthly adjusted income (adjustment factors include the number of people in the family, age of family members, medical expenses, and child care expenses);

(ii) Ten percent of the family’s monthly income; or

(iii) If the family is receiving payments for welfare assistance from a public agency and a part of the payments, adjusted in accordance with the family’s actual housing costs, is specifically designated by the agency to
§ 291.430 Elimination of lead-based paint hazards.

§ 291.435 Applicability of other Federal requirements.

In addition to the requirements set forth in 24 CFR part 5, the following Federal requirements apply to lessees and purchasers under this subpart:

(a) Nondiscrimination and equal opportunity. (1) The nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5 are modified as follows:

(1) As applicable, lessees and purchasers must also comply with the Americans With Disabilities Act (42 U.S.C. 12131) and implementing regulations in 28 CFR parts 35 and 36.

(2) Lessees or purchasers that intend to serve designated populations of the homeless must comply, within the designated population, with the requirements for nondiscrimination on the basis of race, color, religion, sex, national origin, age, familial status, and disability.

(3) If the procedures that the lessee or purchaser intends to use to make known the availability of housing are unlikely to reach persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for admission to the housing, the recipient must establish additional procedures that will ensure that interested persons can obtain information concerning the availability of the housing.

(4) The lessee or purchaser must adopt procedures to make available information on the existence and locations of facilities and services that are accessible to persons with a handicap.
and maintain evidence of implementation of the procedures.

(b) **Conflicts of interest.** No person who is an employee, agent, consultant, officer, or elected or appointed official of the lessee or purchaser of property under this subpart, or who is in a position to participate in a decisionmaking process or gain inside information with regard to the lease or purchase of the property, may obtain a personal or financial interest or benefit from the lease or purchase of the property, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter.

[61 FR 55715, Oct. 28, 1996]

§ 291.440 Recordkeeping requirements.

Each lessee must establish and maintain sufficient records to enable the Secretary to determine whether the requirements of this subpart have been met. This includes, where available, racial, ethnic, gender, and disability status data on the applicants for, and beneficiaries of, this homeless initiative.

**Subpart F—Good Neighbor Next Door Sales Program**

SOURCE: 71 FR 64426, Nov. 1, 2006, unless otherwise noted.

§ 291.500 Purpose.

This subpart describes the policies and procedures governing the Good Neighbor Next Door (GNND) Sales Program. The purpose of the GNND Sales Program is to improve the quality of life in distressed urban communities. This is to be accomplished by encouraging law enforcement officers, teachers, and firefighters/emergency medical technicians, whose daily responsibilities and duties represent a nexus to the needs of the community, to purchase and live in homes in these communities.

§ 291.510 Overview of the GNND Sales Program.

(a) **General.** The GNND Sales Program enables a full-time law enforcement officer, teacher, or firefighter/emergency medical technician to purchase a specifically designated HUD-acquired home located in a HUD-designated revitalization area:

1. At a 50 percent discount from the list price; and
2. With a downpayment of $100, but only if the law enforcement officer, teacher, or firefighter/emergency medical technician finances the home through a Federal Housing Administration (FHA) insured mortgage.

(b) **Eligible properties.** Under the GNND Sales Program, single-unit properties acquired by HUD located in HUD-designated revitalization areas (except occupied properties, those located in Asset Control Areas, or those that HUD has determined will be sold through an alternative sales method) will be made available to interested law enforcement officers, teachers, and firefighters/emergency medical technicians prior to listing the properties for sale to other purchasers.

(c) **Multiple bids.** In the event that several bids are received on a single property, HUD will randomly select a winning offer by lottery and will also randomly select two backup bids, to be utilized in the order selected, in the event the winning purchaser is unable to close on the property. If both of the backup purchasers are also unable to close on the property, the property will then be made available for sale to other purchasers.

(d) **Real estate brokers.** Law enforcement officers, teachers, and firefighters/emergency medical technicians must submit bids through a participating real estate broker. Any real estate broker who has agreed to comply with HUD requirements may participate in the GNND Sales Program.
§ 291.515 Purchaser qualifications.

Real estate brokers may submit unlimited numbers of bids on an individual property provided each bid is from a different prospective purchaser.

(e) Cap on sales. The number of HUD-acquired homes sold under the GNND Sales Program in a fiscal year shall not exceed 5 percent of the number of "Part A" mortgage insurance conveyance claims paid by HUD in the prior fiscal year. The cap shall apply on a national basis, but HUD reserves the right to geographically apportion the cap to address regional or local differences in the number of homes sold through the GNND Sales Program. Additionally, HUD may adjust the percentage of the cap for any fiscal year. Any HUD determination to geographically distribute the cap, change a current geographic distribution, or adjust the percentage of the cap will be announced by HUD through publication of a notice in the FEDERAL REGISTER at least 30 days before the revision takes effect.

§ 291.520 Eligible law enforcement officers.

A person qualifies as a law enforcement officer for the purposes of the GNND Sales Program if the person is:
(a) Employed full-time by a law enforcement agency of the federal government, a state, a unit of general local government, or an Indian tribal government; and
(b) In carrying out such full-time employment, the person is sworn to uphold, and make arrests for violations of, federal, state, tribal, county, township, or municipal laws.

§ 291.525 Eligible teachers.

A person qualifies as a teacher for the purposes of the GNND Sales Program if the person is:
(a) Employed as a full-time teacher by a state-accredited public school or private school that provides direct services to students in grades pre-kindergarten through 12; and
(b) The public or private school where the person is employed as a teacher serves students from the area where the home is located in the normal course of business.

§ 291.530 Eligible firefighter/emergency medical technicians.

A person qualifies as a firefighter/emergency medical technician for the
purposes of the GNND Sales Program if the person is employed full-time as a firefighter or emergency medical technician by a fire department or emergency medical services responder unit of the federal government, a state, unit of general local government, or an Indian tribal government serving the area where the home is located.

§ 291.535 Earnest money deposit.
(a) General. The earnest money deposit is the sum of money that must be paid by the law enforcement officer, teacher, or firefighter/emergency medical technician at the time of submitting a bid to purchase a property under the GNND Sales Program. Each bid must be accompanied by a certification from the real estate broker that the earnest money deposit has been deposited in the broker’s escrow account.

(b) Amount of earnest money deposit. The amount of the earnest money deposit required is an amount equal to one percent of the list price, but no less than $500 and no more than $2,000.

(c) Acceptance or rejection of offer. If an offer is accepted, the earnest money deposit will be credited to the purchaser at closing. If the offer is rejected, the earnest money deposit will be returned. Earnest money deposits are subject to total forfeiture for failure of the participant to close a sale.

§ 291.540 Owner-occupancy term.
(a) General. The owner-occupancy term is the number of months a participant in the GNND Sales Program must agree to own, and live in as his/her sole residence, a home purchased through the GNND Sales Program.

(b) Start of owner-occupancy term. The owner-occupancy term is 36 months, commencing either:

(1) Thirty days following closing if HUD determines that the home requires no more than $10,000 in repairs prior to occupancy;

(2) Ninety days following closing if HUD determines that the home requires more than $10,000, but not more than $20,000 in repairs prior to occupancy; or

(3) One hundred and eighty days following closing if HUD determines that the home requires more than $20,000 in repairs prior to occupancy.

(c) Interruptions to owner-occupancy term—(1) General. HUD may, at its sole discretion, allow interruptions to the 36-month owner-occupancy term if it determines that the interruption is necessary to prevent hardship, but only if the law enforcement officer, teacher, or firefighter/emergency medical technician submits a written and signed request to HUD containing the following information:

(i) The reason(s) why the interruption is necessary;

(ii) The dates of the intended interruption; and

(iii) A certification from the law enforcement officer, teacher, or firefighter/emergency medical technician that:

(A) The law enforcement officer, teacher, or firefighter/emergency medical technician is not abandoning the home as his/her permanent residence; and

(B) The law enforcement officer, teacher, or firefighter/emergency medical technician will resume occupancy of the home upon the conclusion of the interruption and complete the remainder of the 36-month owner-occupancy term.

(2) Timing of written request to HUD. The written request for approval of an interruption to the owner-occupancy term must be submitted to HUD at least 30 calendar days before the anticipated interruption. Military service members protected by the Servicemembers Civil Relief Act need not submit their written request to HUD 30 days in advance of an anticipated interruption, but should submit their written request as soon as practicable upon learning of a potential interruption, in order to ensure timely processing and approval of the request.

§ 291.545 Financing purchase of the home.
(a) Purchase using conventional financing. If the law enforcement officer, teacher, or firefighter/emergency medical technician uses conventional financing to purchase a home under the GNND Sales Program, the amount of the mortgage may not exceed the discounted sales price of the home.

(b) Purchase with FHA-insured mortgage. (1) A law enforcement officer,
§ 291.550  

The amount of the FHA-insured mortgage may not exceed the discounted sales price of the home plus:

(i) The closing costs; and

(ii) The costs of rehabilitating and/or improving the home, where purchase of the home is being financed with an FHA-insured 203(k) rehabilitation loan (see 24 CFR part 203).

(c) Closing costs and selling broker’s commissions. In no event will HUD pay a buyer’s closing costs on the purchase of a property or a selling broker’s commission through the GNND Sales Program.

§ 291.550  Second mortgage.

(a) General. The second mortgage is a mortgage and note, payable to HUD, on the home purchased through the GNND Sales Program in the amount of the difference between the list price of the home and the discounted selling price.

(b) Second mortgage term. The term of the second mortgage is equal to the owner-occupancy term (36 months) plus 30, 90, or 180 days, as provided in §291.540(b). The amount of the second mortgage will be reduced by 1/36th on the last day of each month of occupancy following the occupancy start date. At the end of the 36th month of occupancy, the amount of the second mortgage will be zero.

(c) Sale or vacancy of home. If the law enforcement officer, teacher, or firefighter/emergency medical technician sells his/her home or stops living in the home as his/her sole residence prior to the expiration of the owner-occupancy term, he/she will owe HUD the amount due on the second mortgage as of the date the property is either sold or vacated.

§ 291.555  Refinancing.

(a) General. A law enforcement officer, teacher, or firefighter/emergency medical technician may refinance the mortgage and note used to purchase the home. However, the total of the refinanced mortgage and the remaining principal balance of the second mortgage may not exceed 95 percent of the value of the property, as appraised at the time of the refinancing. Unless HUD permits subordination pursuant to paragraph (b) of this section, the second mortgage described in §291.550 must hold a superior lien position to the refinanced mortgage.

(b) Subordination of second mortgage. HUD may permit subordination of the second mortgage to the refinanced mortgage, but only if HUD, at its sole discretion, determines that the refinancing will satisfy one of the following:

(1) Will result in a lower annual percentage rate (APR) on the first mortgage;

(2) Will be undertaken pursuant to HUD’s Section 203(k) Rehabilitation Loan Insurance Program in order to rehabilitate or repair the home; or

(3) Is necessary to prevent the law enforcement officer, teacher, or firefighter/emergency medical technician from defaulting on the first mortgage.

§ 291.560  Ineligibility of multiple-unit properties.

Only single-unit properties are eligible for the GNND Sales Program.

§ 291.565  Continuing obligations after purchase.

To remain in compliance with the GNND Sales Program, the law enforcement officer, teacher, or firefighter/emergency medical technician must, for the entire duration of the owner-occupancy term:

(a) Continue to own, and live in as his/her sole residence, the home purchased through the GNND Sales Program; and

(b) Certify initially and once annually thereafter during and at the conclusion of the owner-occupancy term that he/she was at all times fully in compliance with paragraph (a) of this section.

Subpart A—Pass-Through Type
Securities

§ 320.1 General.
The Association is authorized by sec-
tion 306(g) of the National Housing Act
(12 U.S.C. 1721(g)) upon such terms and
conditions as it may deem appropriate,
to guarantee the timely payment of
principal of and interest on securities
that are based on and backed by a trust
or pool composed of mortgages which
are insured or guaranteed by FHA,
FmHA or VA. The Association’s guar-
anty of mortgage-backed securities is
backed by the full faith and credit of
the United States. This subpart is lim-
lited to “modified pass-through” securi-
ties, and does not purport to set forth
all the procedures and requirements
that apply to the issuance and guar-
anty of such securities. All such trans-
actions are governed by the specific
terms and provisions of the Associa-
tion’s Mortgage-Backed Securities
Guides (MBS Guides) and contracts en-
tered into by the parties.

§ 320.3 Eligible issuers of securities.

(a) Eligibility requirements. A mort-
gage lender, including an instrument-
tality of a State or local government,
to be eligible to issue or service mort-
gage-backed securities guaranteed by
the Association must satisfy all of the
following standards:

1. Be in good standing as a mort-
gagee approved by the FHA;

2. Be in good standing as a mortgage
seller or servicer approved by the Fed-
eral National Mortgage Association
(FNMA), the Federal Home Loan Mort-
gage Corporation (FHLMC), or the As-
sociation. Loss of either FNMA ap-
proval or FHLMC approval may cause
the issuer to become ineligible to issue and service the Association’s mortgage-backed securities and constitute a default under the applicable guaranty or contractual agreement whether or not the issuer qualified for new issuer approval on the basis of FNMA or FHLMC approval;

(3) Have management with adequate experience, and access to adequate facilities to issue or service mortgage-backed securities, as determined by the Association;

(4) Maintain the applicable minimum net worth discussed in paragraph (c) of this section; and

(5) Meet the requirements, conditions, and limitations prescribed by the Association in this part or the applicable MBS Guides.

(b) Time of eligibility. The Association shall not commit to guarantee, or guarantee any issue of mortgage-backed securities unless the mortgage lender requesting such commitment or guaranty qualifies as an eligible issuer both at the time of commitment approval and at the time of the issuance of the guaranty.

(c) Net worth requirements. Issuers shall maintain at all times a net worth acceptable to the Association of not less than the applicable minimum amount. The applicable minimum amount shall be published in the MBS Guides.

(d) Disqualification. A mortgage lender shall not qualify as an eligible issuer at any time in which:

(1) The lending policies of the issuer permit any discrimination based on race, religion, color, national origin, age, or sex of a borrower; or

(2) The issuer is not in compliance with any rules, regulations, or orders issued under title VI of the Civil Rights Act of 1964; Executive Order 11063, Equal Opportunity in Housing, November 20, 1962; Executive Order 11246, Equal Employment Opportunity, issued on September 24, 1965 and amended on October 13, 1967; title VII of the Civil Rights Act of 1968; title VIII of the Civil Rights Act of 1968 as amended by the Fair Housing Amendments Act of 1988; or by the FHA or VA.

(e) Ethics and standards. A mortgage lender shall qualify as an eligible issuer only so long as it conducts its business operations in accordance with accepted mortgage banking practices, ethics, and standards, as determined by the Association, and maintains its books and records in accordance with generally accepted accounting principles.

(f) Change in control. Issuers shall notify the Association of any change in issuer control. A change in control occurs whenever a new party obtains significant influence over an issuer, as defined by the Association. In a merger where the surviving party is not the approved issuer and in a consolidation, the surviving party must apply formally for approval as a new issuer prior to the merger or consolidation taking place. In other business combinations, such as a stock sale of an existing issuer, which result in a change in control of issuer, the issuer shall demonstrate that it continues to meet all issuer eligibility requirements prior to the business combination being finalized.

(g) Cross-Default. Related issuers, as defined by the Association, shall execute a cross-default agreement, in a form prescribed by the Association, that authorizes the default of one or more related issuers in the event of a default by any one of the related issuers. Issuers may be granted an exemption from this section, provided that they submit a legal opinion, acceptable to the Association, which demonstrates that the execution of a cross-default agreement would be prohibited by the issuer’s Federal regulator.

(h) Failure to comply. In the event that an issuer subsequently fails to comply with any of the requirements prescribed in this part or the applicable MBS Guide, as determined by the Association, the Association may, among other things, withhold further commitments to guarantee securities until such time as the Association is satisfied that the issuer has resumed business operations in compliance with such requirements.

(Approved by the Office of Management and Budget under control numbers 2503-0003, 2503-0004, 2503-0006, 2503-0007, and 2503-0026)
§ 320.5 Securities.

(a) Instruments. Securities issued pursuant to the provisions of this subpart must be modified pass-through securities, that provide for payment, whether or not collected, of both specified principal installments and interest on the unpaid principal balance, with all pre-payments and other unscheduled recoveries of principal being passed through to the holder. In the case of delinquent mortgages in a pool backing modified pass-through securities, the issuer is required to make advances if necessary to maintain the specified schedule of interest and principal payments to the holders, or at its option, at any time 90 days or more after default of any such mortgage, the issuer may repurchase such mortgage for an amount equal to the unpaid principal balance of the mortgage. The securities, if issued in certificated form, must specify the dates by which payments are to be made to the holders thereof, and must indicate the accounting period for collections on the pool's mortgages relating to each such payment, and the securities, if issued in certificated form, must also specify a date on which the entire principal will have been paid or will be payable.

(b) Issue amount. Each issue of guaranteed securities must be in a minimum face amount as specified in the applicable MBS Guide. The total face amount of any issue of securities cannot exceed the aggregate unpaid principal balances of the mortgages in the pool. The Association may provide for issuers to submit packages of mortgages that may be consolidated, with other packages of similar types of mortgages, into multiple issuer pools.

(c) [Reserved]

(d) Transferability. Securities are transferable, but the share of the proceeds collected on account of the pool of mortgages is payable only to the registered holder of a security according to the policies established by the Association.

(e) Issue Date. Securities backed by single-family mortgages with issue dates of October 1, 1998, or before, serial notes with issue dates of July 1, 2002, or before, and securities backed by multifamily mortgages with issue dates of February 1, 2002, or before, have been issued in certificated form. Securities issued after these dates will be issued in book-entry form. The Association may approve the issuance of certificated securities for good cause.

(f) Delivery. Delivery of uncertificated securities occurs when the book-entry depository's nominee is registered as the registered owner of the securities on Ginnie Mae's central registry.

(g) Registered Ownership. Ownership of mortgage-backed securities issued pursuant to this subpart registered in the name of a Depository shall be conclusively established by registration in the name of the Depository as owner on the Association's central registry and it shall be unnecessary for a Depository to maintain custody of any physical certificates evidencing such ownership.

(h) Payments on Mortgage-Backed Securities. Issuers must remit all payments due to holders of mortgage-backed securities such that holders will receive their installments as follows:

1. Payment to a Depository. (i) For all securities registered in the name of a Depository or the designated nominee for a Depository, issuers are required to make payments in immediately available funds by ACH transaction, Fedwire, or by such other method as directed and/or authorized by the Association pursuant to the MBS Guide, including requiring that issuers maintain funds accounts in institutions that are accessible by debit ACH transactions originated by such Depository or its designee.

2. Payments to other holders. An issuer of mortgage-backed securities that are not registered in the name of a Depository or its nominee may make payments to a security holder by ACH transaction or Fedwire, provided that it obtains the prior written approval of
the holder of such mortgage-backed securities. If an issuer begins to make such payments by electronic transfer, it must continue to do so while the securities are registered in the name of that security holder. If an issuer makes payments on mortgage-backed securities by check, the check must be received by the security holder not later than the applicable Payment Date each month.

(i) Guaranty. The Association’s guaranty described in §320.13 is a guaranty that payment will be made to the registered owner of securities as reflected in the Association’s central registry. The Association makes no other guaranty, including any guaranty that a Depository will appropriately credit payments to beneficial owners of such mortgage-backed securities. The Association’s guarantee of securities payable to a Depository or its nominee becomes effective when the Depository or its nominee is registered as the registered owner of the securities on the Association’s central registry.

(j) Definition of Depository. As used in this section, Depository means a clearing corporation within the meaning of Article 8 of the Uniform Commercial Code, including any Federal Reserve Bank, that maintains systems by which ownership and transfer of interests in mortgage-backed securities are made through the books of such clearing corporation.

§ 320.13 Guaranty.

[64 FR 34107, June 24, 1999]

§ 320.15 Default.

(a) Issuer default. Any failure or inability of the issuer to make payments as due as well as such other events as may be identified by the Association and included in the applicable guaranty agreement, contractual agreement or MBS Guide, shall constitute a default of the issuer.

(b) Action upon default. Upon any default by the issuer, the Association may:

(1) Institute a claim against the issuer’s insurance, bond or other coverage, as specified in §320.11;

(2) Pursuant to section 306(g) of the National Housing Act, 12 U.S.C. 1721(g), extinguish all the right, title, or other interest of the issuer in the pooled mortgages; and

(3) Exercise such other rights and remedies as it may have.

§ 320.17 Fees.

The Association may impose application fees, guaranty fees, securities transfer fees and other fees.

Subpart B—Bond-Type Securities

§ 320.21 General.

In addition to the “pass-through” securities dealt with in subpart A of this part, the Association is authorized by section 306(g) of the National Housing Act, 12 U.S.C. 1721(g), upon such terms and conditions as it may deem appropriate, to guarantee the timely payment of principal of and interest on “bond-type” securities which are based on and backed by a trust or pool composed of mortgages which are insured or guaranteed by FHA, FmHA or the VA. The Association’s guaranty of mortgage-backed securities is backed by the full faith and credit of the United States. This subpart deals with such “bond-type” securities and does not purport to set forth all the procedures and requirements that apply to the issuance and guaranty of such securities. All such transactions are governed by the specific terms and provisions of the contracts entered into by the parties and the Bond-Type Securities Guide (the “Bond Guide”).

§ 320.23 Eligible issuers.

Any corporation, trust, partnership, or other entity with a net worth acceptable to the Association as set forth in the Bond Guide, which has the capability to assemble acceptable and eligible mortgages in sufficient quantity to support required minimum issuances of securities and which meets such other requirements as are set forth in the Bond Guide, may be approved to issue and service bond-type securities guaranteed by the Association. Further, the Association reserves the right to limit the number of issuers in the interest of conducting an orderly market of securities of this type.

§ 320.25 Securities.

(a) Instruments. Securities to be issued pursuant to the provisions of this subpart B may be in registered or bearer form. Each security shall have terms acceptable to the Association as provided in the Bond Guide.

§ 330.35 Investors.

Association guaranteed multiclass securities may not be suitable investments for all investors. No investor should purchase securities of any class unless the investor understands, and is able to bear, the prepayment, yield, liquidity and market risks associated with the class. The Association assumes no obligation or liability to any person with regard to determining the suitability of such securities for such investor.

§ 330.40 Consultation.

The Association may consult with persons or entities in such manner as the Association deems appropriate to ensure the efficient commencement and operation of the Multiclass Securities program.

§ 330.45 Limitation on GNMA liability.

Except for its guaranty, the Association undertakes no obligation and assumes no liability to any person with regard to or on account of the existence or operation of this part or the conduct of any participants in the Multiclass Securities program.

§ 330.50 Administration of multiclass securities.

The GNMA guaranteed multiclass securities will be administered in accordance with the Association’s requirements described in the Multiclass Guide.

§ 330.55 Basis for removal from participation.

other fiduciary undertakings appropriate for financing purposes. Under this authority, the Association is authorized to acquire and otherwise deal in any mortgages or other types of obligations in which any department or agency of the United States listed in section 302(c)(2) of such Act may have a financial interest. § 350.1 Purpose.

The purpose of this part is to achieve the efficiencies and fungibility through use of a single system for transferring interests both in Ginnie Mae Securities and other United States Government securities and in mortgage-backed securities issued by the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation. The Association only guarantees that payments required to be made by issuers of Ginnie Mae Securities will be made to the registered owner of those Ginnie Mae Securities. The Association undertakes no other obligation. Under the Book-entry System, the Federal Reserve Banks will be the registered owner of Book-entry Ginnie Mae Securities, not the agent of the Association, and the Association makes no warranty or guaranty with respect to the maintenance of the Book-entry System by the Federal Reserve Banks.

§ 350.2 Definitions.

(a) Specified Terms. As used in this part, the following terms shall have the meanings indicated:

Book-entry Ginnie Mae Security. A Ginnie Mae Security issued or maintained in the Book-entry System. Book-entry Ginnie Mae Security also means the separate interest and principal components of a Book-entry Ginnie Mae Security if such security has been designated by Ginnie Mae as eligible for division into such components and the components are maintained separately on the books of one or more Federal Reserve Banks.

A Ginnie Mae Security may be maintained in the form of a Definitive Ginnie Mae Security or a Book-entry Ginnie Mae Security. A Book-entry Ginnie Mae Security shall be maintained in the Book-entry System.

§ 350.4 Law governing rights and obligations of United States, and Federal Reserve Banks as Depositories; Rights of any Person against United States, and Federal Reserve Banks as Depositories; Law Governing Other Interests.

(a) Except as provided in paragraph (b) of this section, the following rights and obligations are governed solely by the book-entry regulations contained in this part, the Securities Documentation, and Federal Reserve Bank Operating Circulars (but not including any choice of law provisions in the Security Documentation to the extent such provisions conflict with the Book-entry regulations contained in this part):
§ 350.5 Creation of Participant's Security Entitlement; Security Interests.

(a) A Participant’s Security Entitlement is created when a Federal Reserve Bank indicates by book-entry that a Book-entry Ginnie Mae Security has been credited to a Participant’s Securities Account.

(b) A security interest in a Security Entitlement of a Participant in favor of the United States to secure deposits of public money, including without limitation deposits to the Treasury tax and loan accounts, or other security interests in favor of the United States that is required by Federal statute, regulation, or agreement, and that is marked on the books of a Federal Reserve Bank is thereby effected and perfected, and has priority over any other interest in the securities. Where a security interest in favor of the United States in a Security Entitlement of a Participant is marked on the books of a Federal Reserve Bank, such Reserve Bank may rely, and is protected in relying, exclusively on the order of an authorized representative of the United States directing the transfer of the security. For purposes of this paragraph, an “authorized representative of the United States” is the official designated in the applicable regulations or agreement to which a Federal Reserve Bank is a party, governing the security interest.

(c)(1) The Federal Reserve Banks as Depositories have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in favor of any Person except to the extent of any specific requirement of Federal law or regulation or to the extent set forth in any specific agreement with the Federal Reserve Bank on whose books the interest of the Participant is recorded. To the extent required by such law or regulation or set forth in an agreement with a Federal Reserve Bank, the Federal Reserve Bank Operating Circular, a security interest in a Security Entitlement that is in favor of a Federal Reserve Bank or a Person may be created and perfected by a Federal Reserve Bank as Depository marking its books to record the security interest. Except
as provided in paragraph (b) of this section, a security interest in a Security Entitlement marked on the books of a Federal Reserve Bank shall have priority over any other interest in the securities.

(2) In addition to the method provided in paragraph (c)(1) of this section, a security interest, including a security interest in favor of a Federal Reserve Bank, may be perfected by any method by which a security interest may be perfected under applicable law as described in §350.4(b) or (d). The perfection, effect of perfection or non-perfection and priority of a security interest are governed by such applicable law. A security interest in favor of a Federal Reserve Bank shall be treated as a security interest in favor of a clearing corporation in all respects under such law, including with respect to the effect of perfection and priority of such security interest. A Federal Reserve Bank Operating Circular shall be treated as a rule adopted by a clearing corporation for such purposes.

§ 350.6 Obligations of the Reserve Banks as Depositories; No Adverse Claims.

Except in the case of a security interest in favor of the United States or a Federal Reserve Bank or otherwise as provided in §350.5(c)(1), for the purposes of this part, the Federal Reserve Banks as Depositories shall treat the Participant to whose Securities Account an interest in a Book-entry Ginnie Mae Security has been credited as the person exclusively entitled to issue a Transfer Message, to receive interest and other payments with respect thereof and otherwise to exercise all the rights and powers with respect to such Security, notwithstanding any information or notice to the contrary. The Federal Reserve Banks as Depositories are not liable to a Person asserting or having an adverse claim to a Security Entitlement or to a Book-entry Ginnie Mae Security in a Participant’s Securities Account, including any such claim arising as a result of the transfer or disposition of a Book-entry Ginnie Mae Security by a Federal Reserve Bank pursuant to a Transfer Message that the Federal Reserve Bank reasonably believes to be genuine.

§ 350.7 Authority of Federal Reserve Banks as Depositories.

(a) Each Federal Reserve Bank is hereby authorized as Depository for Book-entry Ginnie Mae Securities to perform the following functions with respect to Book-entry Ginnie Mae Securities to which this part applies, in accordance with the Securities Documentation, Federal Reserve Bank Operating Circulars, this part, and procedures established by the Secretary consistent with these authorities:

(1) To service and maintain Book-entry Ginnie Mae Securities in accounts established for such purposes;

(2) To make payments with respect to such securities;

(3) To effect transfer of Book-entry Ginnie Mae Securities between Participants’ Securities Accounts as directed by the Participants;

(4) To effect conversions between Book-entry Ginnie Mae Securities and Definitive Ginnie Mae Securities pursuant to the applicable Securities Documentation; and

(5) To perform such other duties as the Federal Reserve Banks as Depositories may be requested by Ginnie Mae.

(b) Each Federal Reserve Bank as Depository may issue Operating Circulars, not inconsistent with this part, governing the details of its handling of Book-entry Ginnie Mae Securities, Security Entitlements, and the operation of the book-entry system under this part.

§ 350.8 Withdrawal of Eligible Book-entry Ginnie Mae Securities for Conversion to Definitive Form.

(a) Eligible book-entry Ginnie Mae securities may be withdrawn from the book-entry system after Ginnie Mae has approved a request for the delivery of definitive Ginnie Mae securities in the same amount.

(b) A Reserve Bank as Depository shall, upon receipt of appropriate instructions to withdraw Eligible Book-entry Ginnie Mae Securities from book-entry in the Book-entry System, facilitate the conversion of such securities into Definitive Ginnie Mae Securities and their delivery in accordance with such instructions. No such conversion shall affect existing interests in such Ginnie Mae Securities.

§ 350.11 Notice of Attachment for Ginnie Mae Securities in Book-entry System.

The interest of a debtor in a Security Entitlement may be reached by a creditor only by legal process upon the Securities Intermediary with whom the debtor’s securities account is maintained, except where a Security Entitlement is maintained in the name of a secured party, in which case the debtor’s interest may be reached by legal process upon the secured party. These regulations do not purport to establish whether a Federal Reserve Bank as Depository is required to honor an order or other notice of attachment in any particular case or class of cases.

§ 350.9 Waiver of Regulations.

Ginnie Mae reserves the right in its discretion, to waive any provision(s) of these regulations in any case or class of cases for the convenience of Ginnie Mae or the United States, or in order to relieve any Person(s) of unnecessary hardship, if such action is not inconsistent with law, does not adversely affect any substantial existing rights, and the Association is satisfied that such action will not subject the Association or the United States to any substantial expense or liability.

§ 350.10 Liability of Federal Reserve Banks as Depositories.

The Federal Reserve Banks as Depositories may rely on the information provided in a Transfer Message, and are not required to verify the information. The Federal Reserve Banks as Depositories shall not be liable for any action taken in accordance with the information set out in a Transfer Message, or evidence submitted in support thereof.

[71 FR 2121, Jan. 12, 2006]

§ 401.101 Which owners are ineligible to request Restructuring Plans?

(a) Mandatory rejection. The request of an owner of an eligible project will not be considered for a Restructuring Plan if the owner is debarred or suspended under 2 CFR part 2424.

(1) An affiliate is debarred or suspended under 2 CFR part 2424; or

Subpart B—Participating Administrative Entity (PAE) and Portfolio Restructuring Agreement (PRA)

§ 401.200 Who may be a PAE?

A PAE must qualify under the definition in section 512(10) of MAHRA. It must not have any outstanding violations of civil rights laws, determined in accordance with criteria in use by HUD. If the PAE is a private entity, whether nonprofit or for-profit, it must enter into a partnership with a public purpose entity, which may include HUD. A PAE may delegate responsibilities only as agreed in the PRA.

§ 401.201 How does HUD select PAEs?

(a) Selection of PAE. HUD will select qualified PAEs in accordance with the criteria established in 513(b) of MAHRA and criteria established by HUD. The selection method is within HUD’s discretion, including but not limited to a request for qualifications.

(b) Priority for public agencies. HUD will provide a one-time priority period for State housing finance agencies and local housing agencies to qualify as the PAEs for their jurisdictions. If more than one agency qualifies for the same jurisdiction, HUD will provide an opportunity for the agencies to allocate responsibility for projects in the jurisdiction. If the agencies are unable to agree, HUD will choose a PAE in accordance with section 513(b)(2) of MAHRA.

(c) Qualification for PAE by nonprofit and for-profit entities. After the priority period expires, HUD will consider other eligible entities as PAEs for jurisdictions in which no public agency has qualified as the PAE, or for projects that have not been assigned to a qualified public agency.

(d) No PAE for project. If HUD does not select a PAE for a project, HUD may perform the functions of the PAE,
or contract with other qualified entities to perform those functions.

§ 401.300 What is a PRA?
A PRA is an agreement between HUD and a PAE that delineates rights and responsibilities in connection with development and implementation of a Restructuring Plan. The PRA must contain or incorporate by reference the matters required by section 513(a)(2) of MAHRA and §§401.301 through 401.314, as well as other terms and conditions required by HUD.

§ 401.301 Partnership arrangements.
If the PAE is in a partnership, the PRA must specify the following:
(a) The responsibilities of each partner regarding the Restructuring Plan;
(b) The resources each partner will provide to accomplish its designated responsibilities; and
(c) All compensation to each partner, whether direct or indirect.

§ 401.302 PRA administrative requirements.
(a) Inapplicability of certain requirements. Part 200 of 2 CFR and contract procurement requirements do not apply to a PRA.
(b) Recordkeeping. The PAE must keep complete and accurate records of all activities related to the PAE’s performance under the PRA. The PAE must retain the records for at least 3 years after the PRA terminates.
(c) Inspection of records and audit. Upon reasonable notice, the PAE must permit the Comptroller General of the United States and HUD (including representatives of the HUD Office of Inspector General) to inspect, audit, and copy any records required to be retained under this section.

§ 401.303 PRA indemnity provisions for SHFAs and HAs.
When a PRA requires HUD to indemnify a PAE in accordance with section 513(a)(2)(G) of MAHRA, any payment under this indemnity is contingent upon the availability of funds that are permitted by law to be used for this purpose.

§ 401.304 PRA provisions on PAE compensation.
(a) Base fee. (1) The PRA will provide for base fees to be paid by HUD.
(2) HUD will establish a substantially uniform baseline for base fees for public entities. The base fee for a PAE will be adjusted, if necessary, after the first term of the PRA.
(3) Private PAEs will be compensated based on the results of a competitive bid process which evaluates bidders’ capability, timeliness, ability to work with tenant and community groups, and cost.
(b) Incentives. The PRA may provide for incentives to be paid by HUD. While individual components may vary between PAEs (both public and private), the total amount potentially payable under the incentive package will be uniform. Objectives may include maximizing savings to the Federal Government, timely performance, tenant satisfaction with the PAE’s performance, the infusion of public funds from non-HUD sources, and other benchmarks that HUD considers appropriate.
(c) Expenses. The PRA will identify expenses incurred by the PAE that will qualify for reimbursement by HUD. Limits on these expenses will be established annually by HUD, but HUD may waive the limits for high-cost areas.
(d) Other matters. HUD will retain the right of final approval of any fee schedule. HUD will publish the standard form of PRA and the compensation package annually on its Internet Web site.

§ 401.309 PRA term and termination provisions; other provisions.
(a) 1-year term with renewals. The PRA will have a term of 1 year, to be renewed for successive terms of 1 year with the mutual agreement of both parties. The PRA will provide for HUD to pay final compensation to the PAE and to assign responsibility for continuing activities if the PRA is not renewed.
(b) Termination for cause or convenience of Federal Government—(1) Termination for cause. HUD may terminate a PRA at any time for cause, with payment required by HUD as provided in

[65 FR 15485, Mar. 22, 2000, as amended at 72 FR 66038, Nov. 26, 2007]
§401.310 Conflicts of interest.

(a) Definitions—(1) Conflict of interest means a situation in which a PAE or other restricted person:

(i) Has a financial interest, direct or indirect, that prevents or may prevent the PAE or other restricted person from acting at all times in the best interests of HUD;

(ii) Has one or more personal, business, or financial interests or relationships that would cause a reasonable person with knowledge of the relevant facts to question the integrity or impartiality of those who are or will be acting under the PRA; or

(iii) Is taking an adverse position to HUD or to an owner whose project is covered by a PRA in a lawsuit, administrative proceeding, or other contested matter.

(2) Control means the power to vote, directly or indirectly, 25 percent or more of any class of the voting stock of a company; the ability to direct in any manner the election of a majority of a company (or other entity’s) directors or trustees; or the ability to exercise a controlling influence over the company or entity’s management and policies. For purposes of this definition, a general partner of a limited partnership is presumed to be in control of that partnership.

(b) General prohibitions. (1) The PAE may not permit conflicts of interest to exist without obtaining a waiver in accordance with this section.

(2) The PAE must establish procedures to identify conflicts of interest and to ensure that conflicts of interest do not arise or continue, subject to waiver under paragraph (c) of this section.

(3) HUD will not enter into PRAs with potential PAEs who have conflicts of interest associated with a particular project, or permit PAEs to continue performance under existing PRAs when such PAEs have conflicts of interest, unless such conflicts have been eliminated to HUD’s satisfaction by the PAE or potential PAE or are waived by HUD.

(4) The PAE has a continuing obligation to take all action necessary to
(c) **Waivers.** HUD will waive conflicts of interest only when, in light of all relevant circumstances, the interests of HUD in the PAE’s or another restricted person’s participation outweigh the concern that a reasonable person may question the integrity of HUD’s operations.

(d) **Conflicts of interest arising prior to PAE selection**—(1) **Request for review of conflicts of interest.** (i) A potential PAE, with its request to HUD for consideration for selection as a PAE, must identify existing conflicts of interest and may make a written request for a determination as to the existence of a conflict of interest, may request that the conflict of interest, if any, be waived, or may propose how it could eliminate the conflict.

(ii) If, after submitting a request but prior to selection, a potential PAE discovers that it has a conflict, it must notify HUD in writing within 10 days of submitting the request or prior to selection, whichever is earlier. Such notification must contain a detailed description of the conflict. The potential PAE may, with its notification, request that the conflict be waived or may propose how it may eliminate the conflict. The potential PAE may also request a determination as to the existence of the conflict. The potential PAE may also request a determination as to the existence of the conflict.

(2) **Review by HUD.** Subject to the restrictions set forth in this section, HUD in its sole discretion may determine whether a conflict of interest exists, may waive the conflict of interest, or may approve in writing a PAE’s proposal to eliminate a conflict of interest.

(e) **Conflicts of interest that arise or are discovered after PAE selection.** (1) A PAE must notify HUD in writing within 10 days after discovering that it or another restricted person has a conflict of interest. Such notification must contain a detailed description of the conflict of interest and state how the PAE intends to eliminate the conflict. The PAE may also request a determination as to the existence of a conflict.

(2) HUD will, after receipt of such notification or other discovery of the PAE’s conflict or potential conflict of interest, take such action as it determines is in its best interests, which may involve proceeding under §401.313 or as provided in the following sentences. HUD may notify the PAE in writing of its findings as to whether a conflict of interest exists and the basis for such determination, whether or not a waiver will be granted, or whether corrective actions may be taken in order to eliminate the conflict of interest. Corrective action must be completed by the PAE not later than 30 days after notification is mailed by HUD unless HUD, at its sole discretion, determines that it is in its best interests to grant the PAE an extension in which to complete the corrective action.

(1) **Reconsideration of decisions.** Decisions issued pursuant to this section may be reconsidered by HUD upon application by the PAE. Such requests must be in writing and must contain the basis for the request. HUD may, at its discretion and after determining that it is in its best interests, stay any corrective or other actions previously ordered pending reconsideration of a decision.

[65 FR 15485, Mar. 22, 2000, as amended at 65 FR 53900, Sept. 6, 2000]
(4) Make any unauthorized promise or commitment on behalf of HUD.

(b) 18 U.S.C. 201. Pursuant to 18 U.S.C. 201, whoever acts for or on behalf of HUD in connection with the matters covered by this part is deemed to be a public official. Public officials are prohibited from soliciting or accepting anything of value in return for being influenced in the performance of official actions. Violators are subject to criminal sanctions.

(c) 18 U.S.C. 1001. Pursuant to 18 U.S.C. 1001, whoever knowingly and willingly falsifies a material fact, makes a false statement or utilizes a false writing in connection with a PRA is subject to criminal sanctions. Other Federal civil statutes also apply to making false statements to the United States.

(d) 18 U.S.C. 207. Former Federal Government employees are subject to the prohibitions in 18 U.S.C. 207.

§ 401.312 Confidentiality of information.

A PAE and every other restricted person (as defined in §401.310) has a duty to protect confidential information, except as provided in §§401.500 through 401.503, and to prevent its use to further a private interest other than as contemplated by the PRA. As used in this section, confidential information means information that a PAE or other restricted person obtains from or on behalf of HUD or a third party in connection with a PRA but does not include information generally available to the public unless the information becomes available to the public as a result of unauthorized disclosure by the PAE or another restricted person.

§ 401.313 Consequences of PAE violations; finality of HUD determination.

(a) Effect on PRA. If a PAE, potential PAE or other restricted person (as defined in §401.310) violates §§401.310, 410.311, or 401.312, HUD may:

(1) Find the potential PAE unqualified to enter into a PRA;

(2) Find the PAE unqualified to receive additional projects for restructuring under an existing PRA;

(3) Find the PAE in default under an existing PRA with the right of termination for cause under §401.309; or

(4) Seek from a PAE or other restricted person HUD’s actual, direct, and consequential damages resulting from the violation.

(b) Cumulative remedies. The remedies under this section are cumulative and in addition to any other remedies or rights HUD may have under the terms of the PRA, at law, or otherwise.

(c) Finality of determination. Any determination made by HUD pursuant to this section is at HUD’s sole discretion and is not subject to further administrative review.

§ 401.314 Environmental review responsibilities.

HUD will retain all responsibility for environmental review under part 50 of this title. Compliance with part 50 of this title will be completed before any HUD approval of the Restructuring Commitment under §401.405.

Subpart C—Restructuring Plan

§ 401.400 Required elements of a Restructuring Plan.

(a) General. A PAE is responsible for the development of a Restructuring Plan for each project included in its PRA.

(b) Required elements. The Restructuring Plan must contain a narrative that fully describes the restructuring transaction. The Restructuring Plan must include the elements required by section 514(e) of MAHRA. The Restructuring Plan must describe the use of any restructuring tools listed at sections 517(a) and (b) of MAHRA, and must contain other requirements as determined by HUD.

§ 401.401 Consolidated Restructuring Plans.

A PAE may request HUD to approve a Consolidated Restructuring Plan that presents an overall strategy for more than one project included in the PRA. HUD will consider approval of a Consolidated Restructuring Plan for projects having common ownership, geographic proximity, common mortgagor or servicer, or other factors that contribute to more efficient use of the
§ 401.402 Cooperation with owner and qualified mortgagee in Restructuring Plan development.

A PAE must comply with section 514(a)(2) of MAHRA by using its best efforts to seek the cooperation of the owner and qualified mortgagee or its designee in the development of the Restructuring Plan. If the owner fails to cooperate (as demonstrated by reasonable progress in development of a Restructuring Plan) to the satisfaction of the PAE and HUD agrees, the PAE must notify the owner that the PAE will not develop a Restructuring Plan. This notice will be subject to dispute and administrative appeal under subpart F of this part. If the qualified mortgagee does not cooperate in modifying the mortgage, the PAE and owner may continue to develop a Restructuring Plan to restructure the loan using alternative financing.

§ 401.403 Rejection of a request for a Restructuring Plan because of actions or omissions of owner or affiliate or project condition.

(a) Ongoing determination of owner and project eligibility. Notwithstanding an initial determination to accept the owner’s request for a Restructuring Plan, the PAE is responsible for a further more complete and ongoing assessment of the eligibility of the owner and project while the Restructuring Plan is developed. The PAE must advise HUD if at any time any of the grounds for rejection listed in paragraph (b) of this section exist.

(b) Grounds for rejection—(1) Suspension or debarment. Neither a PAE nor HUD will continue to develop or consider a Restructuring Plan if, at any time before a closing under § 401.407, the owner is debarred or suspended under 2 CFR part 242.

(2) Other grounds. HUD may elect not to permit continued consideration of the Restructuring Plan at any time before closing under § 401.407, if:

(i) An affiliate is debarred or suspended under 2 CFR part 242;

(ii) HUD or the PAE determines that the owner or an affiliate has engaged in material adverse financial or managerial actions or omissions as described in section 516(a) of MAHRA, including any outstanding violations of civil rights laws in connection with any project of the owner or affiliate; or

(iii) HUD or the PAE determines (under § 401.451(c) or otherwise) that the project does not meet the housing quality standards in § 401.558 and that the poor condition of the project is not likely to be remedied in a cost-effective manner through the Restructuring Plan.

(3) Exception for sale. This paragraph does not apply (except (2)(iii)) if a sale or transfer is proposed under § 401.480.

(c) Dispute and appeal. An owner may dispute a rejection under this section and seek administrative review under the procedures in subpart F of this part.

§ 401.404 Proposed Restructuring Commitment.

A PAE must submit a Restructuring Plan and a proposed Restructuring Commitment to HUD for approval, prior to submitting the Commitment to the owner for execution. The submission may not occur earlier than 10 days after the public meeting required by § 401.500(d). The proposed Restructuring Commitment must be in a form approved by HUD, incorporate the Restructuring Plan, and include the following:

(a) The lender, loan amount, interest rate, and term of any mortgages or unsecured financing for the mortgage restructuring and rehabilitation, and any credit enhancement;

(b) The amount of any payment of a section 541(b) claim;

(c) The type of section 8 assistance and the section 8 restructured rents;
§ 401.405 Restructuring Commitment
review and approval by HUD.

HUD will either approve the Restructuring Commitment as submitted, require changes as a condition for approval, or reject the Plan. If the Plan is rejected, HUD will inform the PAE of the reasons for rejection, and the PAE will inform the owner. HUD’s rejection of the Plan is subject to the dispute and administrative appeal provisions of subpart F of this part.

§ 401.406 Execution of Restructuring
Commitment.

When HUD approves the Restructuring Commitment, the PAE will deliver the Restructuring Commitment to the owner for execution. The Restructuring Commitment becomes binding upon execution by the owner. An owner who does not execute the Restructuring Commitment may appeal its terms and seek modification under subpart F of this part.

§ 401.407 Closing conducted by PAE.

After the owner has executed the Restructuring Commitment, the PAE must arrange for a closing to execute all documents necessary for implementation of the Restructuring Plan. The PAE must use standard documents approved by HUD, with modifications only as necessary to comply with applicable State or local laws, or such other modifications as are approved in writing by HUD.

§ 401.408 Affordability and use restrictions required.

(a) General. The Restructuring Plan must provide that the project will be subject to affordability and use restrictions in a Use Agreement acceptable to HUD. The Use Agreement must be recorded and in effect for at least 30 years. It must include at least the provisions required by paragraphs (b) through (j) of this section.

(b) Use restriction. The project must continue to be used for residential use with no reduction in the number of residential units without prior HUD approval.

(c) Affordability restrictions. Except during a period when at least 20 percent of the units in the project must be leased to families whose adjusted income does not exceed 50 percent of the area median income as determined by HUD, with adjustments for household size, at rents no greater than 30 percent of 50 percent of the area median income; or

(2) At least 40 percent of the units in the project must be leased to families whose adjusted income does not exceed 60 percent of the area median income as determined by HUD, with adjustments for household size, at rents no greater than 30 percent of 60 percent of the area median income.

(d) Comparable configuration. The type and size of the units that satisfy the affordability restrictions of paragraph (c) of this section must be comparable to the type and size of the units for the project as a whole.

(e) Nondiscrimination against voucher holders. An owner must comply with the nondiscrimination provisions of § 401.556.

(f) Enforcement. The Use Agreement must contain remedies for breach of the Use Agreement, including monetary damages for non-compliance with paragraphs (c) and (g) of this section.

(g) Compliance with physical condition standards. The Use Agreement must require that the property be maintained in compliance with the requirements of § 401.558.

(h) Reporting. The Use Agreement must contain appropriate financial and other reporting requirements for the
owner. These reports must comply with the Real Estate Assessment Center protocol or subsequent standards required by HUD.

(i) Enforcement and amendment. The Use Agreement will be enforceable by interested parties to be specified in the Agreement, which will include HUD, the PAE, project tenants, organizations representing project tenants, and the unit of local government. The Use Agreement must require the party bringing enforcement action to give the owner notice and a reasonable opportunity to cure any violations.

(j) Modifications. HUD will retain the right to approve modifications of the Use Agreement agreed to by the owner without the consent of any other party, including those having the right of enforcement. The owner must post prominently on project property notice of any modifications approved by HUD.

(k) Owner obligation to accept project-based assistance. Subject to the availability of appropriated funds, the owner of the project must accept any offer of renewal of project-based assistance if the offer is in accordance with the Restructuring Plan.

[65 FR 15485, Mar. 22, 2000, as amended at 65 FR 53900, Sept. 6, 2000]

§ 401.411 Guidelines for determining exception rents.

(a) When do exception rents apply? (1) The Restructuring Plan may provide for exception rents established under section 514(g)(2) of MAHRA for project-based assistance if the PAE determines that project income under the rent levels established under § 401.410 would be inadequate to meet the costs of operating the project as described in paragraph (b) of this section and that the housing needs of the tenants and the community could not be adequately addressed.

(2) In any fiscal year, the PAE may not request HUD to approve Restructuring Plans with exception rents for more than 20 percent of all units covered by the PRA, except that HUD may approve a waiver of this 20 percent limitation based on the PAE’s narrative explanation of special need.

(b) How are exception rents calculated? (1) Exception rents must be set at a level sufficient to support the costs of operating the project. The PAE must take into account the following cost items:

(i) Debt service on the second mortgage under § 401.461(a) or a rehabilitation loan included in the Restructuring Plan;

(ii) The operating expenses of the project, as determined by the PAE, including:

(A) Contributions to adequate reserves for replacement;

(B) The costs of maintenance and necessary rehabilitation;
(C) Other eligible costs permitted under the section 8 program;
(iii) An adequate allowance for potential operating losses due to vacancies and failure to collect rents, as determined by the PAE;
(iv) A return to the owner to the extent permitted by §401.461(b)(3)(ii)(A); and
(v) Other expenses determined by the PAE to be necessary for the operation of the project.

(2) The exception rent must not exceed 120 percent of the Fair Market Rent for the market area, except that HUD may approve an exception rent greater than 120 percent of Fair Market Rent, based on a narrative explanation of special need submitted by the PAE, subject to the 5 percent limitation in section 514(g)(2)(A) of MAHRA.

§ 401.412 Adjustment of rents based on operating cost adjustment factor (OCAF) or budget.

(a) OCAF. (1) The Restructuring Plan must provide for annual adjustment of the restructured rents for project-based assistance by an OCAF determined by HUD.

(2) Application of OCAF. HUD will apply the OCAF to the previous year’s contract rent less the portion of that rent paid for debt service. This paragraph applies to renewals of contracts in subsequent years which receive restructured rents under either section 514(g)(1) or (2) of MAHRA.

(b) Budget-based. Rents will be adjusted on a budget basis instead of OCAF only upon owner request, subject to HUD approval.

§ 401.420 When must the Restructuring Plan require project-based assistance?

The Restructuring Plan must provide for the section 8 contract to be renewed as project-based assistance, subject to the availability of funds for this purpose, if:

(a) The PAE determines there is a market-wide vacancy rate of 6 percent or less;

(b) At least 50 percent of the units in the project are occupied by elderly families, disabled families, or elderly and disabled families; and

(c) The project is held by a nonprofit cooperative ownership housing corporation or nonprofit cooperative housing trust.

§ 401.421 Rental Assistance Assessment Plan.

(a) Plan required. For any project not subject to mandatory project-based assistance under §401.420, the PAE must develop a Rental Assistance Assessment Plan in accordance with section 515(c)(2) of MAHRA to determine whether assistance should be renewed as project-based assistance or whether some or all of the assisted units should be converted to tenant-based assistance.

(b) Matters to be assessed. The PAE must include an assessment of the impact of converting to tenant-based assistance and the impact of renewing project-based assistance on:

(1) The ability of the tenants to find adequate, available, decent, comparable, and affordable housing in the local market;

(2) The types of tenants residing in the project (such as elderly families, disabled families, large families, and cooperative homeowners);

(3) The local housing needs identified in the applicable Consolidated Plan developed under part 91 of this title;

(4) The cost of providing assistance, comparing the applicable payment standard to the rent levels permitted by §§401.410 and 401.411;

(5) The long-term financial stability of the project;

(6) The ability of residents to make reasonable choices about their individual living situations;

(7) The quality of the neighborhood in which the tenants would reside; and

(8) The project’s ability to compete in the marketplace.

(c) Conversion may be phased in. Any conversion from project-based assistance to tenant-based assistance may occur over a period of not more than 5 years if the PAE decides the transition period is needed for the financial viability of the project.

(d) Reports to HUD. The PAE must report to HUD on the matters specified in section 515(c)(2)(C) of MAHRA at least semi-annually.

[65 FR 15485, Mar. 22, 2000, as amended at 65 FR 53900, Sept. 6, 2000]
§ 401.450 Owner evaluation of physical condition.

(a) Initial evaluation. The owner must evaluate the physical condition of the project and provide the following information to the PAE in a form acceptable to the PAE:

(1) All work items required to bring the project to the standard in § 401.452, including any work items needed to ensure compliance with applicable requirements of part 8 of this title concerning accessibility to persons with disabilities;

(2) The capital repair or replacement items that will be necessary to maintain the long-term physical integrity of the property;

(3) A plan for funding the rehabilitation work included in paragraph (a)(1) of this section, which work must be completed in a timely manner after closing the restructuring transaction, that identifies the source of the required owner contribution of non-project funds; and

(4) An estimate of the initial deposit, if any, and the estimated monthly deposit to the reserve for replacement account for the next 20 years.

(b) Use of CNA. An owner may comply with paragraph (a) of this section by submitting a comprehensive needs assessment in accordance with title IV of the Housing and Community Development Act of 1992 (12 U.S.C. 1715z–1a note) if the CNA:

(1) Was completed or updated within 1 year; and

(2) Contains all of the matters required by paragraph (a) of this section.

(c) Reconsideration and modification of evaluation. If the PAE, after its independent review under § 401.451, determines that the owner’s evaluation either fails to address specific necessary work items or fails to propose a cost-effective approach to rehabilitation, the owner may modify its evaluation to satisfy the concerns of the PAE.

§ 401.451 PAE Physical Condition Analysis (PCA).

(a) Review and certification of owner evaluation. (1) The PAE must independently evaluate the physical condition of the project by means of a PCA. If the PAE finds any immediate threats to health and safety, the owner must complete those work items immediately, or the PAE must evaluate the project’s eligibility in accordance with § 401.403(b)(2)(iii).

(2) After consultation with the owner and an opportunity for the owner to modify its evaluation performed under § 401.450, the PAE must either certify to the accuracy and completeness of the owner’s evaluation performed under § 401.450 for each project covered by the PRA, or state that the evaluation fails to address certain items or does not propose a cost effective approach.

(b) Rejection due to inaccurate or incomplete owner evaluation. If the PAE cannot certify to the accuracy and completeness of the owner’s evaluation due to its failure to address specific work items or because it does not propose a cost effective approach, the PAE must notify HUD. If HUD agrees with the PAE’s determination, the PAE must notify the owner that the request for a Restructuring Plan is rejected.

(c) Rejection due to poor condition of the project. Based on the completed PCA, the PAE must determine whether proceeding with a Restructuring Plan with necessary rehabilitation is more cost-effective in terms of Federal resources than rejecting the Request for a Restructuring Plan under § 401.403(b)(2)(iii) and providing tenant-based assistance for displaced tenants under § 401.602. HUD will provide guidance to PAEs for making the determination. If the PAE concludes that a request for a Restructuring Plan should be rejected because of lack of cost-effectiveness due to poor condition of the project, it must also consider the effect on tenants and the community and advise HUD of the effect. HUD will make the final decision after considering the PAE’s recommendation.

(d) Dispute and appeal of rejection. The dispute and appeal provisions of subpart F of this part apply to rejections under paragraphs (b) and (c) of this section.

§ 401.452 Property standards for rehabilitation.

The restructuring plan must provide for the level of rehabilitation needed to
§ 401.453 Restores.

The Restructuring Plan must provide for reserves for capital replacement sufficient to ensure the property’s long-term structural integrity so that the property can be maintained as affordable housing in decent, safe, and sanitary condition meeting the standards of §401.558.

§ 401.460 Modification or refinancing of first mortgage.

(a) Principal amount. As part of the Restructuring Plan, the PAE will determine the size of the restructured first mortgage that will result from the modification or refinancing of the existing FHA-insured or HUD-held first mortgage. The restructured first mortgage must be in the amount that can be supported by net operating income based on the lower of the restructured section 8 rents or the rents allowed by the Use Agreement under §401.408. Neither the outstanding principal balance of the existing first mortgage, nor the monthly principal and interest payments on that debt, may be increased through modification under the Restructuring Plan. The debt service coverage used by the PAE must be adequate for purposes of the Restructuring Plan and for the requirements of any refinancing.

(b) Fully amortizing. The modified or refinanced first mortgage must be fully amortizing through level monthly payments.

(c) Rates and other terms. Interest rates and other terms of the modified or refinanced first mortgage must be competitive in the market.

(d) Fees. Any fees or costs associated with mortgage modification or refinancing determined by the PAE to be above normal processing fees must be paid by the owner from non-project funds and must not be included in the modified or refinanced first mortgage.

(e) Refinancing. (1) The owner must contact the mortgagee to determine the mortgagee’s willingness to consider a modification and re-amortization of the existing first mortgage through a Restructuring Plan before considering any other source of first mortgage financing. If the mortgagee does not agree to modify and re-amortize in accordance with the Restructuring Plan, the loan must be refinanced.

(2) The refinancing may be either without credit enhancement or with credit enhancement under one of the following:

(i) FHA mortgage insurance. If the Restructuring Plan provides for FHA mortgage insurance for the refinanced first mortgage, the insurance will be provided in accordance with all usually-applicable FHA legal requirements except that insurance will be documented as provided in section 517(b)(2) of MAHRA. HUD will issue the commitment for mortgage insurance but may adapt its procedures as necessary to facilitate development and implementation of a Restructuring Plan.

(ii) Other FHA credit enhancement. If FHA credit enhancement, including risk-sharing, is provided under part 266 of this title, the credit enhancement will be provided in accordance with all usually-applicable FHA legal requirements except that insurance will be documented as provided in section 517(b)(3) of MAHRA. HUD will approve risk-sharing financing that complies with part 266 whenever required by section 517(b)(3) of MAHRA.
(iii) Credit enhancement from non-FHA sources. If credit enhancement is to be provided by a non-FHA source under section 517(b)(4) of MAHRA, HUD will consider waiver of any non-statutory provision in this part only if the waiver will not materially impair achievement of the purposes of MAHRA and if the waiver is essential to meet the legitimate business or legal requirements of the provider of credit enhancement.

§ 401.461 HUD-held second mortgage.

(a) Amount. (1) The Restructuring Plan must provide for a second mortgage to HUD whenever the Plan provides for either payment of a claim under section 541(b) of the National Housing Act (541(b) claim) or the modification or refinancing of a HUD-held first mortgage that results in a first mortgage with a lower principal amount. The term “second mortgage” in this section also includes a new HUD-held first mortgage (not a refinancing mortgage), if a full payment of claim is made under § 401.471 or if a full payment of claim is unnecessary because surplus project accounts are available to facilitate the Restructuring Plan, pursuant to section 517(b)(6) of MAHRA, and if § 401.460(a) does not permit a restructured first mortgage in any amount.

(2) The second mortgage must be in a principal amount that does not exceed the lesser of:

(i) The amount the PAE reasonably expects to be repaid based on objective criteria such as the amount of anticipated net cash flow, trending assumptions, amortization provisions, and expected residual value of the property; and

(ii) The greater of:

(A) The section 541(b) claim (or the difference between the unpaid principal balance on HUD-held mortgage debt immediately before and after the restructuring), plus surplus project accounts from residual receipts accumulated pursuant to 24 CFR 880.205(e), 881.205(e), or 883.306(e) and derived from an expiring Section 8 Housing Assistance Payments contract and not otherwise distributed to the owner and made available to facilitate the Restructuring Plan pursuant to section 517(b)(6) of MAHRA, and

(B) The difference between the unpaid balance on the first mortgage immediately before and after the restructuring.

(b) Terms and conditions. (1) The second mortgage must have an interest rate of at least one percent, but not more than the applicable Federal rate.

(2) The second mortgage must have a term concurrent with the modified or refinanced first mortgage, if any. HUD may provide that if there is no first mortgage, the second mortgage may continue for a term established by HUD.

(3)(i) Principal and interest on the second mortgage is payable only out of net cash flow during its term. “Net cash flow” means that portion of project income that remains after the payment of all required debt service payments on the modified or refinanced first mortgage, if any, including payment of any past due principal or interest, and payment of all reasonable and necessary operating expenses (including deposits to the reserve for replacement account) and any other expenditure approved by HUD.

(ii) The priority and distribution of net cash flow is as follows:

(A) HUD or the PAE may approve the payment to the owner of up to 25 percent of net cash flow based on consideration of relevant conditions and circumstances including, but not limited to, compliance with the management standards prescribed in § 401.560 and the physical condition standards prescribed in § 401.558; and

(B) All remaining net cash flow will be applied to the principal and interest on the second mortgage, until paid in full, and then to any additional subordinate mortgage under § 401.461(c).

(4) HUD may cause the second mortgage to be immediately due and payable on the grounds provided in section 517(a)(4) of MAHRA, including an assumption of the mortgage in violation of HUD standards for approval of transfers of physical assets (if applicable), or if the owner materially fails to comply with other material HUD requirements after a reasonable opportunity for the owner to cure such failure. A decision by HUD in this regard is subject to the
§ 401.471 HUD payment of a section 541(b) claim.

HUD will pay a section 541(b) claim from the appropriate insurance fund to the insured mortgagee on behalf of the mortgagor. The mortgagee must use the claim payment to prepay the principal balance of the insured mortgage, in whole or in part, as provided in the Restructuring Plan. All section 541(b) claims will be paid in cash. Part 207 of this title and sections 207(g) and 541(a) of the NA do not apply to a section 541(b) claim.

§ 401.472 Rehabilitation funding.

(a) Sources of funds—(1) Project accounts. The Restructuring Plan for funding rehabilitation must include funds from the project’s residual receipts account, surplus cash account, replacement reserve account, and other project accounts, to the extent the PAE determines that those accounts will not be needed for the initial deposit to the reserves.

(2) Debt restructuring. The Restructuring Plan may provide for funding of rehabilitation through a new first mortgage in conjunction with a payment of a section 541(b) claim. The payment of claim may be in an amount necessary to facilitate the funding of the rehabilitation, by reducing the existing first mortgage debt to make refinancing proceeds available to fund rehabilitation.

(3) Section 236(s) rehabilitation grant. The Restructuring Plan may include a

administrative appeals procedure in subpart F of this part, unless HUD acts on the basis of the grounds specified in sections 517(a)(4)(A) or (B) of MAHRA.

(5) HUD will consider modification, assignment to the acquiring entity, or forgiveness of all or part of the second mortgage, if: The Secretary holds the second mortgage; and if the project has been sold or transferred to a tenant organization or tenant-endorsed community-based nonprofit or public agency that meets eligibility guidelines determined by HUD; accepts additional affordability requirements acceptable to HUD; and requests such modification, assignment, or forgiveness. A community-based nonprofit group or public agency demonstrates that it is tenant-endorsed in accordance with § 401.480(e).

(c) Additional mortgage to HUD. (1) A Restructuring Plan shall require the owner to give an additional mortgage on the project to HUD in an amount that:

(i) For the restructuring of a mortgage insured by HUD, does not exceed the difference between:

(A) The amount of a section 541(b) claim paid under § 401.471 increased by any residual receipts, pursuant to 24 CFR 880.205(e), 881.205(e), or 883.306(e); and

(B) The principal amount of the second mortgage; or

(ii) For the restructuring of a mortgage held by HUD, does not exceed the difference between:

(A) The principal amount of a restructured HUD-held mortgage and the sum of, as applicable, a restructured HUD-held first mortgage at reduced principal amount, new mortgage funds paid to HUD at closing, and surplus project accounts other than residual receipts, pursuant to 24 CFR 880.205(e), 881.205(e), or 883.306(e); and

(B) The principal amount of the second mortgage.

(2) HUD may approve a Plan that does not require an additional mortgage, or provides for less than the full difference to be payable under the additional mortgage, or allows for subsequent modification, assignment, or forgiveness of the additional mortgage under any of the following circumstances:

(i) The anticipated recovery on the additional mortgage is less than the servicing costs; or

(ii) HUD has approved modification, assignment, or forgiveness of the second mortgage, pursuant to paragraph (b)(5) of this section.

(3) With respect to the second mortgage required by paragraph (a) of this section, any additional mortgage must:

(i) Be junior in priority;

(ii) Bear interest at the same rate; and

(iii) Require no payment until the second mortgage is satisfied, at which time it will be payable upon demand of HUD or as otherwise agreed by HUD.

[65 FR 15485, Mar. 22, 2000, as amended at 72 FR 66038, Nov. 26, 2007]
direct grant from HUD under section 236(s) of the NA made in accordance with §401.473, to the extent that HUD has determined that funding is available for such a grant.

(4) Section 8 budget authority increase. The Restructuring Plan may include funding of rehabilitation from budget authority provided to HUD for increases in section 8 contracts, to the extent that HUD has determined that funding from this source is available.

(b) Statutory restrictions. Any rehabilitation funded from the sources described in paragraph (a) of this section is subject to the requirements in section 517(c) of MAHRA for an owner contribution.

(1) Addition of significant features. With respect to significant added features, the required owner contribution will be as proposed by the PAE and approved by HUD, and not to exceed 20 percent of the total cost. Significant added features include the addition of air conditioning (including conversions from window air conditioning to central air conditioning), an elevator, or additional community space.

(2) Cap on owner contribution. If a restructuring plan includes additions other than those specified, and the PAE considers the additions significant, the PAE may propose to make those additions subject to the cap on owner contribution. In general, the owner will contribute 3 percent toward the cost of each significant addition. The PAE may propose a lower or higher owner contribution, not to exceed 20 percent, with respect to significant additions.

(3) Other rehabilitation. With respect to other rehabilitation, the required owner contribution will be calculated as 20 percent of the total cost of rehabilitation, unless HUD or the PAE determines that a higher percentage is required. The owner contribution must include a reasonable proportion (as determined by HUD) of the total cost of rehabilitation from nongovernmental resources.

(4) Cooperatives. The PAE may exempt housing cooperatives from the owner contribution requirement.

(c) Escrow agent. The Restructuring Plan must provide for progress payments for rehabilitation, which must be disbursed by an acceptable escrow agent subject to PAE oversight or as otherwise provided by HUD.

[65 FR 15485, Mar. 22, 2000, as amended at 72 FR 66039, Nov. 26, 2007]

§ 401.473 HUD grants for rehabilitation under section 236(s) of NA.

HUD will consider a direct grant for rehabilitation under section 236(s) of the NA only if the owner provides an acceptable work schedule and cost-analysis that is consistent with the owner’s evaluation of physical condition under §401.450, as certified by the PAE. The owner must execute a grant agreement with terms and conditions acceptable to HUD. If the PAE is a State or local government, or an agency or instrumentality of such a government, the PAE and HUD may agree that the PAE will be delegated the responsibility for the administration of any grant made under this section. HUD may make grant funding available for the cost of administration if HUD has determined that such funding is available.

§ 401.474 Project accounts.

(a) Accounts from other projects. The accounts listed in §401.472(a)(1) may be used for other eligible projects only if:

(1) The projects are included in a Consolidated Restructuring Plan under §401.401; and

(2) The funds are used for rehabilitation or to reduce a section 541(b) claim paid by HUD under §401.471.

(b) Distribution to owner. The Restructuring Plan may provide for a one-time distribution to the owner, not to exceed 10 percent of the excess funds in project accounts, to be released after completion of the rehabilitation required by the Restructuring Plan.

§ 401.480 Sale or transfer of property.

(a) May the owner request a Restructuring Plan that includes a sale or transfer of the property? The owner may request a Restructuring Plan that includes a condition that the property be sold or transferred to a purchaser acceptable to HUD in a reasonable period needed to consummate the transaction. The failure to consummate a sale or transfer of the property requested under paragraph (a) of this section will
§401.480 24 CFR Ch. IV (4–1–16 Edition)

neither adversely affect an owner’s eligibility for a Restructuring Plan nor exempt the owner from the requirements of §401.600. There are no priority purchaser requirements for a voluntary sale or transfer by an owner that is eligible for a Restructuring Plan.

(b) When must the restructuring plan include sale or transfer of the property? If the owner is determined to be ineligible pursuant to §401.101 or §401.403, or if the property is subject to an approved plan of action under the Emergency Low Income Housing Preservation Act of 1987 or the Low Income Housing Preservation and Resident Homeownership Act of 1990, as described in section 524(e)(3) of MAHRA, the property must be sold or transferred as a condition of implementation of a restructuring plan, which must include a condition that the owner sell or transfer the property to a purchaser acceptable to HUD, in accordance with paragraph (c) of this section. Such sale or transfer shall be a condition to the implementation of the Restructuring Plan.

(c) Owner’s notice of intent to sell or transfer. (1) The owner must provide notice to the PAE affirming the owner’s intent to sell or transfer the property. This notice must be received by the PAE no later than 30 days after a notice of rejection under §401.101 or §401.403 has become a final determination under subpart F of this part.

(2) The owner must cooperate in selling or transferring the property. Failure to do so will result in the PAE’s determination to reject the owner’s request for a Restructuring Plan. The owner must distribute and publish, in an appropriate publication, a notice to potential purchasers that describes the property, proposed terms of sale, and procedures for submitting a purchase offer. The notice in form and substance must be acceptable to HUD, and must inform potential offerors of a preference for priority purchasers.

(3) During a period to be determined by HUD that begins when the owner gives notice of intent to sell or transfer, an owner may accept an offer only from a priority purchaser.

(4) No sale or transfer to a non-priority purchaser will be approved without evidence of tenant support.

(d) Informing PAE; approval required. The owner must inform the PAE of any offer to purchase the property and the owner must advise the PAE of the substance and ongoing status of the owner’s discussions with any prospective purchaser. The owner’s acceptance of the offer must be subject to PAE approval, and HUD approval of the Restructuring Plan.

(e) Tenant endorsement procedure for priority purchaser status. (1) Required meeting. (i) A community-based nonprofit or public agency purchaser requesting tenant endorsement to obtain priority purchaser status must conduct an informational meeting with the tenants of the project to disseminate information about both the endorsement request and the purchaser’s plans for the project.

(ii) If the purchaser is acting contemporaneously with the Restructuring Plan, the informational meeting must occur at the second meeting of tenants convened by the PAE to discuss the restructuring plan pursuant to §401.500(d).

(iii) A representative of the purchasing entity must attend the informational meeting to present its plans for the acquisition and improvement of the project and to respond to questions about the purchaser’s plans for the property.

(iv) Tenants shall have the opportunity, but are not to be required, to vote for or against the acquisition at the informational meeting.

(v) For the purpose of obtaining tenant endorsement, a purchaser may conduct additional meetings with tenants in accordance with the notice requirements of paragraphs (e)(2) and (e)(3) of this section.

(2) Parties who must receive notice. The purchaser must deliver notice of the informational meeting, and any subsequent meeting, to each tenant household in the project and any tenant organization for the project, and post notices of the meeting in the project.

(3) Notice contents. The notice must identify the place, date, and time of the informational meeting, and any subsequent meeting. Include a brief description of the purpose of the meeting and provide a narrative outlining the
purchaser’s plans for the project, including any request made to HUD for debt relief under §401.461(b)(5) of the second and any additional mortgage.

(4) *Tenant endorsement.* (i) A purchaser may demonstrate that it is tenant endorsed by submitting documentation to HUD that a majority (51 percent) of the tenant heads of household have given their endorsement in writing. Such documentation may include, but is not limited to, ballots, letters of support, or petitions. The endorsement of tenants who did not attend, or vote at, the informational meeting, or any subsequent meeting, may be sought directly from each of these tenants subsequent to the meeting.

(ii)(A) If the purchaser has made a reasonable effort to obtain the endorsement of a majority (51 percent) of the tenants and the necessary percentage of votes was not obtained, the purchaser may seek HUD approval to obtain endorsement based on a lower percentage of endorsing tenants.

(B) The purchaser must deliver notice to each tenant household that the purchaser is seeking HUD approval of a tenant endorsement based on less than 51 percent of tenant approval and provide tenants with at least 10 days from the date of the notice to submit comments to the purchaser on the approval of endorsement.

(C) The purchaser and/or seller must submit, in writing, to HUD an account of the efforts taken to secure tenant endorsement, the number and percentage of tenants voting for and against endorsement, and any comments received from tenants regarding the approval of endorsement.

(D) HUD will determine whether or not to approve endorsement on the basis of all the information available to HUD and will promptly notify the purchaser of HUD’s determination.

§401.481 Subsidy layering limitations on HUD funds.

(a) *PAE subsidy layering certification required for Restructuring Plan.* The PAE must certify to HUD that any Restructuring Plan for which it submits a proposed Restructuring Commitment meets the requirements of either paragraph (d) or (e) of this section.

(b) *Purpose of subsidy layering certification.* The purpose of the subsidy layering certification is to ensure that any HUD assistance provided to the owner of a project pursuant to a Restructuring Plan is no more than is necessary to permit the project to continue to house tenants with an income mix comparable to the income mix of the project before the Restructuring Plan is implemented, after taking into account other Government assistance described in section 102(b)(1) of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545(b)(1)). This section does not limit a PAE from presenting for approval a Restructuring Plan that includes project reconfiguration (e.g., conversion of efficiency units to one-bedroom units) where necessary to meet the needs of the community, provided the conditions of §401.452 are also met.

(c) *Relationship to section 102(d) of HUD Reform Act.* HUD is not required to perform a separate subsidy layering analysis under section 102(d) of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545(d)), section 911 of the Housing and Community Development Act of 1992 (42 U.S.C. 3545 note), or §4.13 of this title for any HUD assistance that is included in the Restructuring Plan. HUD will adopt the PAE certification under this section if a HUD certification otherwise would be required under section 102(d).

(d) *Certification under existing HUD guidelines.* If the PAE has delegated authority from HUD to make section 102(d) subsidy layering certifications in accordance with section 911 of the Housing and Community Development Act of 1992, the PAE may comply with this section by using a procedure substantially similar to the procedure described in the Administrative Guidelines published on December 15, 1994 (59 FR 64748), or any subsequent procedure adopted by HUD to implement section 911.

(e) *Other procedures.* If the PAE does not have the delegated authority described in paragraph (d) of this section, the PAE must submit to HUD for approval proposed procedures for making...
the subsidy layering certification under this section. Any procedures must conform to the procedures described in paragraph (d) of this section to the extent feasible and appropriate.

§ 401.500 Required notices to third parties and meeting with third parties.

(a) General. The PAE must solicit, and document the consideration of, tenant and local community comments. As a minimum, the notices described in paragraphs (b), (c) and (f) of this section, in form and substance acceptable to HUD, must be provided. The PAE may require the owner to give the notices if permitted by HUD.

(b) Notice of intent to restructure and consultation meeting. (1) This notice must include at a minimum:
   (i) The project, including its name and FHA Project Number;
   (ii) The responsible PAE and contact person, including the address and telephone number;
   (iii) The owner's notice of intent to restructure through the Mark-to-Market Program; and
   (iv) The date of expiration of the project-based assistance.

   (2) This notice must state how comments may be provided to the PAE regarding any of the following: the physical condition of the property, whether the rental assistance should be tenant-based or project-based, any proposed sale or transfer of the property, and other matters regarding the property and its management. The notice must establish the date, time, and place for a public meeting to be held no sooner than 20 days and no later than 40 days following the date of this notice. The public may provide written comments up to the date of the meeting.

(c) Access to Restructuring Plan. (1) The PAE must make the Restructuring Plan available to the parties identified in §401.501 at least 20 days before the PAE submits the Restructuring Plan to HUD (subject to any Federal, State, or local laws restricting access to any information in the Plan or related documents).

   (2) As soon as the PAE determines that the Restructuring Plan is substantively complete and ready for submission to HUD, notice of the following must be provided:
      (i) The location of the Plan for inspection and copying; and
      (ii) The date, time, and place of a public meeting to be held at least 10 days before the PAE submits the Plan to HUD.

   (3) When the PAE gives notice under this section, it must make the Plan available during normal business hours at the management office of the project, or if there is no such office, at another location specified by the PAE that is convenient to the tenants.

(d) Meeting to discuss the Restructuring Plan. After the PAE has given notice under this section and at least 10 days before the PAE submits the Plan to HUD, the PAE must conduct a public meeting to obtain comments on the substantively completed Plan. The PAE must accept written comments through the date of the meeting.

(e) Disposition of comments. The PAE must document and provide to HUD with the Restructuring Plan a summary of the disposition of all public comments.

(f) Notice of completion of Restructuring Plan. (1) Within 10 days after the owner executes the Restructuring Commitment, notice must be provided that describes the completed Restructuring Plan and Restructuring Commitment. The PAE must make the completed Restructuring Plan and Restructuring Commitment available during normal business hours to the public at a place described in paragraph (c)(3) of this section, subject to Federal, State, or local laws restricting access to any information in any of these documents.

   (2) Within 10 days after a determination that the Restructuring Plan will not move forward for any reason, HUD or the PAE shall provide notice to affected tenants that describes the reasons for the failure of the Plan to move forward and the availability of tenant-based assistance under §401.602(c).

§ 401.501 Delivery of notices and recipients of notices.

(a) Whom must the owner or PAE notify? The PAE must notify, or ensure that the owner notifies, each tenant
§ 401.502 Notice requirement when debt restructuring will not occur.

(a) PAE responsibility. If an owner of an eligible project requests a renewal of a section 8 contract without a Restructuring Plan under §402.4 of this chapter, HUD or the PAE must notify, or ensure that the owner notifies, all parties identified in §401.501 of the request and of:

(1) The availability (as provided in §401.500(c)(3)) of the following information:
   (i) The owner evaluation of physical condition (OEPC), or a comprehensive needs assessment (CNA) if used instead of an OEPC, as required by §401.450 and §402.6(a)(3) of this chapter;
   (ii) The market analysis required by §402.6(a)(2) of this chapter, but without addresses (or other specific information indicating location) for comparable properties; and
   (iii) The items identified in §401.500(b)(1)(i), (ii), and (iv); and
   (2) A procedure for submitting public comments regarding this information.

(b) Expense and profit/loss information. The PAE should remove project expense, property valuation, and profit and loss information before disclosing any information obtained by the PAE directly from the owner or project manager, unless the owner gives written consent to disclosure with that information included.

(c) Consideration of comments. The PAE must consider written public comments on the information listed in paragraph (a) of this section, if the comments are submitted within 30 days after giving notice under paragraph (a), and document the consideration for HUD. No public meeting is required.

(65 FR 15485, Mar. 22, 2000, as amended at 65 FR 53900, Sept. 6, 2000)

§ 401.503 Access to information.

(a) PAE responsibilities. The PAE must provide to parties entitled to notice under §401.501 access to information obtained by the PAE about the project and its management if the PAE determines that such information is reasonably likely to contribute to effective participation by those parties in the restructuring process, or if HUD requires the PAE to provide access to the information. The PAE is not required to make public any information received from the owner or manager that the PAE reasonably characterizes as confidential or proprietary information that would not ordinarily be made public, except:

(1) Owner evaluation of physical condition (OEPC), or a comprehensive needs assessment (CA) if used instead of an OEPC, as required by §401.450; and

(2) Owner-prepared 1-year project rent analysis; and

(3) As directed by HUD.

(b) Information on expenses and profit/loss. Before disclosing any information, the PAE must remove any information obtained by the PAE directly from the owner or project manager that is related to project expenses, property valuation, or profit and loss, unless the owner gives written consent to disclosure with that information.

Subpart D—Implementation of the Restructuring Plan After Closing

§ 401.550 Monitoring and compliance agreements.

(a) Compliance agreements. The PAE must ensure long-term compliance by the owner with MAHRA, this part, and the Restructuring Plan. As part of this responsibility, the PAE must require each owner with an approved Restructuring Plan to execute and record a Use Agreement that satisfies the requirements of §401.408. All provisions of

and any tenant organization for the project, and post a notice in the project, for all notices required by §§401.500 and 401.502.

(b) Whom must the PAE notify? The PAE must notify:

(1) The Chief Executive Officer of the unit of local government and the Executive Director of the Public Housing Authority with jurisdiction over the project location;

(2) The recipient of any Outreach and Training Grant (OTAG) or Intermediary Technical Assistance Grant (ITAG) for the project location; and

(3) Other appropriate neighborhood representatives and other affected parties.

(65 FR 15485, Mar. 22, 2000, as amended at 65 FR 53900, Sept. 6, 2000)
this subpart apply as long as the Use Agreement is in effect.

(b) Periodic monitoring and inspection. At least once a year, a PAE must review the status of each project for which it developed an executed restructuring Plan. Monitoring must include on-site inspections. HUD will accept an inspection by a PAE that complies with subpart G of part 5 of this title in lieu of an inspection required by any other party under that subpart.

(c) HUD acting instead of PAE. HUD will perform, or contract with other parties to perform, the PAE’s functions under this section if:

(1) The project is subject to a PRA with a PAE that is not qualified to be a section 8 contract administrator; or
(2) The project is not currently subject to a PRA.

(d) Regulatory agreement. As long as the Secretary is the holder of a second mortgage or an additional mortgage under §401.461, HUD will regulate the operations of the mortgagor through a regulatory agreement providing terms, conditions, and standards established by HUD, which may be in addition to any regulatory agreement otherwise required in connection with mortgage insurance programs. The regulatory agreement must contain remedies for breach, including monetary damages in the event of non-compliance.

§ 401.552 Servicing of second mortgage.

HUD or its designee will be responsible for servicing the second mortgage, including determining the amounts receivable by the owner under §401.461(b)(3)(ii)(A). HUD may designate the PAE, with the PAE’s consent, as servicer for the second mortgage.

§ 401.554 Contract renewal and administration.

HUD will offer to renew or extend section 8 contracts as provided in each Restructuring Plan, subject to the availability of appropriations and subject to the renewal authority available at the time of each contract expiration (§402.5 of this chapter or another appropriate renewal authority). The offer will be made by HUD directly or through a PAE that has contracted with HUD to be a contract administrator for such contracts. HUD will offer to any PAE that is qualified to be the section 8 contract administrator the opportunity to serve as the section 8 contract administrator for a project restructured under a Restructuring Plan developed by the PAE under the Mark-to-Market Program. Qualifications will be determined under both statutory requirements and requirements issued by the appropriate office within HUD, depending on the type of section 8 assistance that is provided.

§ 401.556 Leasing units to voucher holders.

A Restructuring Plan must prohibit any refusal of the owner to lease a unit solely because of the status of the prospective tenant as a section 8 voucher holder.

§ 401.558 Physical condition standards.

The Restructuring Plan must require the owner to maintain the project in a decent and safe condition that meets the applicable standards under this section. As long as project-based assistance is provided, the applicable standards are the physical condition standards for HUD housing in §5.703 of this title. At any other time, the applicable standards are the local housing codes or codes adopted by the public housing agency if such codes meet or exceed the standards in §5.703 of this title and do not severely restrict housing choice or, if there are no such local housing codes or codes adopted by the public housing agency, the standards in §5.703 of this title will apply. In addition, any unit in which the tenant receives tenant-based assistance must comply with the housing quality standards of the section 8 tenant-based programs.

§ 401.560 Property management standards.

(a) General. Each PAE is required by section 518 of MAHRA to establish management standards consistent with
industry standards and HUD guidelines. The management standards must be included or referenced in the Restructuring Plan.

(b) **HUD guidelines.** At a minimum, the PAE’s management standards must require the project management to:

1. Protect the physical integrity of the property over the long term through preventative maintenance, repair, or replacement;
2. Ensure that the building and grounds are routinely cleaned;
3. Maintain good relations with the tenants;
4. Protect the financial integrity of the project by operating the property with competitive and reasonable costs and maintaining appropriate property and liability insurance at all times;
5. Take all necessary measures to ensure the tenants’ physical safety; and
6. Comply with other provisions that are required by HUD, including termination of the management agent for cause.

(c) **Conflicts of interest.** The PAE management standards must also conform to any guidelines established by HUD, and industry standards, governing conflicts of interest between owners, managers, and contractors.

Subpart E—Section 8 Requirements for Restructured Projects

§ 401.595 Contract and regulatory provisions.

The provisions of chapter VIII of this title will apply to renewal of a section 8 project-based assistance contract under this part only to the extent, if any, provided in the contract. Part 983 of this title will not apply. The term of the contract renewals under this part will be determined by the appropriate HUD official.

85 FR 53901, Sept. 6, 2000

§ 401.600 Will a section 8 contract be extended if it would expire while an owner’s request for a Restructuring Plan is pending?

(a) If a section 8 contract for an eligible project would expire before a Restructuring Plan is implemented, the contract may be extended at rents not exceeding current rents:

1. For up to the earlier of one year or closing on the Restructuring Plan under § 401.407; or
2. For such period of time beyond one year as HUD may approve, up to the closing of the Restructuring Plan.

(b) Any extension of the contract beyond one year for a pending Restructuring Plan, other than an extension approved under this section, must be at comparable market rents or exception rents. An extension at comparable market rents will not affect a project’s eligibility for the Mark-to-Market program once it has been established under this part.

(c) HUD may terminate the contract earlier if the PAE or HUD determines that an owner is not cooperative under § 401.402 or if the owner’s request is rejected under § 401.403 or § 401.405.

71 FR 2121, Jan. 12, 2006

§ 401.601 [Reserved]

§ 401.602 Tenant protections if an expiring contract is not renewed.

(a) **Required notices.** (1)(i) The owner of an eligible project who has requested a Restructuring Plan and contract renewal must provide a 12-month notice as provided in section 514(d) if MAHRA, if the owner later decides not to renew an expiring contract (except due to a rejection under §§ 401.101, 401.403, 401.405, or 401.451.) If the owner gives such 12-month notice, the owner is not required to give a separate notice under section 8(c)(8) of the United States Housing Act of 1937.

(ii) An owner who gives the 12-month notice required by paragraph (a)(1)(i) of this section and who determines not to renew a contract must give additional notice not less than 120 days before the contract expiration.

(3) Notices required by this paragraph must be provided to tenants and
§ 401.605 Project-based assistance provisions.

The project-based assistance rents for a restructured project must be the restructured rents determined under the Restructuring Plan in accordance with §§ 401.410 or 401.411.

§ 401.606 Tenant-based assistance provisions.

If the Restructuring Plan provides for tenant-based assistance, each assisted family residing in a unit assisted under the expiring project-based assistance contract when the contract terminates will be offered tenant-based assistance if the family meets the eligibility requirements under part 982. Whenever permitted by section 515(c)(4) of MAHRA, the tenant-based assistance will be in the form of enhanced vouchers as provided in section 8(t) of the United States Housing Act of 1937.

Subpart F—Owner Dispute of Rejection and Administrative Appeal

§ 401.645 Owner request to review HUD decision.

(a) HUD notice of decision. (1) HUD will provide notice to the owner of:

(i) A decision that the owner or project is not eligible for the Mark-to-Market program;

(ii) A decision not to offer a proposed Restructuring Commitment to the owner; and

(iii) A decision to offer a proposed Restructuring Commitment. The proposed Restructuring Commitment provided to the owner constitutes the notice of decision for purposes of requesting a review of a HUD decision.

(2) The notice of decision will include the reasons for the decision.

(3) The notice of decision will also notify the owner of the right to request a review of the decision or to cure any deficiencies on which the decision was based; the date by which the review request must be submitted or the deficiencies must be cured, which will be at least 30 days after the date of the notice of decision; and the address to which the review request is to be submitted.

[65 FR 15485, Mar. 22, 2000, as amended at 65 FR 53901, Sept. 6, 2000]
(b) Review request by owner. (1) Written statement. The review request must specify in writing:
   (i) Each item of the decision to which the owner objects;
   (ii) The reasons for the owner’s objections; and
   (iii) All information in support of the objections that the owner wants HUD to consider.

(2) Scope of information submitted. HUD will not consider information first submitted to HUD in conjunction with an owner’s request for review except for:
   (i) Information that could not have been submitted previously; and
   (ii) New health and safety information.

(c) HUD review and final decision. (1) HUD may expand the scope of review beyond the issues raised by the owner and may review and modify any term within the Restructuring Commitment without regard to whether the owner has raised an objection to that term, including adjustments to rents or expenses as underwritten by the PAE. If HUD does expand the scope of review, HUD will notify the owner of such action and provide an additional 30 days for the owner to raise any additional objections and provide additional information.

(2) Within 30 days of HUD’s receipt of the owner’s review request and any additional objections and information, HUD will review the request and, using a standard of what is reasonable in light of all of the evidence presented, issue a final decision. The final decision will:
   (i) Affirm the notice of decision; or
   (ii) Modify the notice of decision and, if applicable, modify the Restructuring Commitment, in which event HUD will issue an amended or restated Restructuring Commitment that incorporates the final decision; or
   (iii) Revoke the notice of decision and, if applicable, terminate the Restructuring Commitment and notify the owner that the owner is not eligible for participation in the Mark-to-Market program or that a restructuring of the property is not feasible.

§ 401.650 When may the owner request an administrative appeal?

(a) No review request by owner. If the owner does not request a review of the notice of decision under § 401.645 or does not execute the proposed Restructuring Commitment within the time provided in the notice of decision, HUD will send a written notice to the owner stating that the notice of decision is HUD’s final decision and that the owner has 10 days after receipt of the letter to accept the decision, including a Restructuring Commitment, if applicable, or request an administrative appeal in accordance with § 401.651.

(b) Upon receipt of final decision. HUD will send the owner a written notice of the final decision under § 401.645 that will also provide the owner with 10 days to request an administrative appeal of the final decision.

(c) HUD decision to accelerate the second mortgage. Upon receipt of notice from HUD of a decision to accelerate the second mortgage under § 401.461(b)(4), the owner may request an administrative appeal in accordance with § 401.651.

[72 FR 66040, Nov. 26, 2007]

§ 401.651 Appeal procedures.

(a) How to appeal. An owner may submit a written appeal to HUD, within 10 days of receipt of written notice of the decision described in § 401.650, contesting the decision and requesting a conference with HUD. At the conference, the owner may submit (in person, in writing, or through a representative) its reasons for appealing the decision. The HUD or PAE official who issued the decision under appeal may participate in the conference and submit (in person, in writing, or through a representative) the basis for the decision.

(b) Written decision. Within 20 days after the conference, or 20 days after any agreed-upon extension of time for submission of additional materials by or on behalf of the owner, HUD will review the evidence presented for the administrative appeal and, using the standard of whether the determination of the final decision was reasonable, will advise the owner in writing of the
decision to terminate, modify, or affirm the original decision. HUD will act, as necessary, to implement the decision, for example, by offering a revised Restructuring Commitment to the owner.

(c) **Who is responsible for reviewing appeals?** HUD will designate an official to review any appeal, conduct the conference, and issue the written decision. The official designated must be one who was neither directly involved in, nor reports to another directly involved in, making the decision being appealed.

§ 401.652 No judicial review.

The reviewing official’s decision under §401.651 is a final determination for purposes of section 516(c) of MAHRA and is not subject to judicial review.

PART 402—SECTION 8 PROJECT-BASED CONTRACT RENEWAL UNDER SECTION 524 OF MAHRA

**§ 402.1 What is the purpose of part 402?**

This part sets out the terms and conditions under which HUD will renew project-based assistance contracts under the authority provided in section 524 of MAHRA.

[71 FR 2121, Jan. 12, 2006]

**§ 402.2 Definitions.**

(a) **Terms defined in part 401.** In this part, the following terms have the meanings given in §401.2 of this chapter: affiliate, disabled family, elderly family, eligible project, HUD, MAHRA, owner, PAE, Restructuring Plan, and section 8.

(b) **Terms defined in MAHRA.** In this part, the following terms have the meanings given in section 512 of MAHRA: expiration date, fair market rent, renewal, and tenant-based assistance.

(c) **Other defined terms.** In this part, the term—

**Comparable market rents** means rents determined in accordance with section 524(a)(5) of MAHRA and HUD’s instructions.

**Large family** means a family of five or more persons.

**OCAF** means an operating cost adjustment factor established by HUD, which may not be negative, that is applied to the existing contract rent (less the portion of that rent paid for debt service).

**Portfolio Reengineering demonstration authority** means the authority specified in section 524(e)(2)(B) of MAHRA.

**Project-based assistance** means the types of assistance listed in section 512(2)(B) of MAHRA, or a project-based assistance contract under the Section 8 program renewed under section 524 of MAHRA.

**Project eligible for exception rents** means a project described in section 524(b) of MAHRA.

**SRO contract** and **SRO project** mean, respectively, a project-based assistance contract for single-room occupancy dwellings under section 441 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11401), and a project with units covered by such a contract.

**§ 402.3 Contract provisions.**

The renewal HAP contract shall be construed and administered in accordance with all statutory requirements, and with all HUD regulations and other...
Housing and Multifamily Housing Assistance Restructuring, HUD

§ 402.4 Contract renewals under section 524(a)(1) of MAHRA.

(a) Initial renewal. (1) HUD may renew any expiring section 8 project-based assistance contract at initial rents that do not exceed comparable market rents.

(2) Procedure for projects eligible for Restructuring Plan. (i) If an owner requests renewal of a contract under this section for a project that is eligible for a Restructuring Plan under the Mark-to-Market program under part 401 and that has not been rejected under that part, HUD or a PAE will determine whether renewal under this section, instead of through a Restructuring Plan under part 401 of this chapter, would be sufficient. Renewal without a Restructuring Plan will be considered sufficient if the rents after renewal would be sufficient to maintain both adequate debt service coverage on the HUD-insured or HUD-held mortgage and necessary replacement reserves to ensure the long-term physical integrity of the project, taking into account any comments received under § 401.502(c) of this chapter.

(ii) If HUD or the PAE determines that renewal under this section would be sufficient, HUD will not require a Restructuring Plan.

(iii) If HUD or the PAE determines that renewal under this section would not be sufficient, HUD or the PAE may require a Restructuring Plan before the owner’s request for contract renewal will be given further consideration. If the owner does not cooperate in the development of an acceptable Restructuring Plan, HUD will pursue whatever administrative actions it considers necessary.

(b) [Reserved]

§ 402.5 Contract renewals under section 524(b) or (e) of MAHRA.

(a) Renewal of projects eligible for exception rents at owner’s request. HUD will offer to renew project-based assistance for a project eligible for exception rents under section 524(b) of MAHRA at rent levels determined under this section instead of § 402.4, except as provided in § 402.7, but the owner of a project other than a project with assistance under the Section 8 moderate rehabilitation program may request renewal under § 402.4.

(b) Rent levels for projects eligible for exception rents. HUD will renew the contract with rent levels at the least of:

(1) Existing rents adjusted by an OCAF;

(2) A budget-based rent determined in accordance with instructions issued by HUD, subject to a determination by HUD that such a rent level is appropriate; or

(3) In the case of a contract under the Section 8 moderate rehabilitation program (other than an SRO contract), the lesser of existing rents adjusted by an OCAF, fair market rents (less any amounts for tenant-purchased utilities), or comparable market rents, as provided in section 524(b)(3) of MAHRA.

(c) Rent adjustments. (1) After rents have been established under this section, rent adjustments will comply with section 524(c) of MAHRA except as otherwise required by paragraph (d)(1) of this section for preservation projects.

(2) Rent adjustments for projects assisted under the Section 8 moderate rehabilitation program, other than projects assisted under the moderate rehabilitation single-room occupancy program, shall be determined in accordance with section 524(b)(3) of MAHRA.

(d) Preservation projects and demonstration projects. (1) Notwithstanding any other provision of this part except § 402.7, upon expiration of a section 8 contract for a project subject to an approved plan of action under the Emergency Low-Income Housing Preservation Act of 1987 (ELIHPA) or the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (LIHPRHA), the Secretary will provide
§ 402.6 What actions must an owner take to request section 8 contract renewal under this part?

(a) In general. An owner requesting contract renewal under this part must submit to HUD or HUD’s designee, at least 120 days before the termination or expiration date of any project-based assistance contract, all documents or information prescribed by HUD.

(b) Subsequent renewals. A contract that was initially renewed under MAHRA will be renewed at the owner’s request under any renewal option for which the project is eligible. However, in the case of a project that is eligible for a Restructuring Plan under § 401.100, HUD or a PAE will determine whether renewal with a Restructuring Plan under part 401, or without a Restructuring Plan under this part, is necessary.

§ 402.7 Refusal to consider an owner’s request for a Section 8 contract renewal because of actions or omissions of owner or affiliate.

(a) Determination of eligibility. Notwithstanding 2 CFR part 2424, HUD may elect to not consider a request for renewal of project-based assistance, if at any time before contract renewal:

(1) The owner or an affiliate is debarred or suspended under part 2 CFR part 2424;

(2) HUD determines that the owner or an affiliate has engaged in material adverse financial or managerial actions or omissions as described in section 516 of MAHRA, including any outstanding violations of civil rights laws, or has failed to certify to compliance with the nondiscrimination requirements of 24 CFR 5.105(a), in connection with any project of the owner or an affiliate; or

(3) The project does not meet the physical condition standards in 24 CFR 5.703 of this title, unless HUD determines that the project will meet the standards within a reasonable time after renewal.

(b) Dispute and appeal. An owner may dispute a rejection under this section and seek administrative review under the procedures in subpart F of part 401 of this chapter.

§ 402.8 Tenant protections if a contract is not renewed.

(a) Notice of termination. An owner who is not eligible for a Restructuring Plan under part 401 of this chapter, or who is eligible but does not request restructuring, and who does not renew a contract, must provide one year’s notice to tenants, to HUD, and to the contract administrator as provided in section 8(c)(8)(A) of the United States Housing Act of 1937.

(b) If an owner does not give timely notice. If an owner does not give one year’s notice of termination as described in paragraph (a) of this section, the owner must permit the tenants in assisted units to remain in their units at a rental rate no higher than the tenant rent payable for the tenants’ last month of assisted occupancy under the terminated HAP contract until one year after notice is given, even if HUD does not continue to make housing assistance payments with respect to such units.

(c) If an owner opts out or fails to renew. In the case where a contract for Section 8 rental assistance for a project is terminated or expires, an assisted family may elect to remain in
§ 402.9 Waivers and delegations of waiver authority.

All waivers of provisions of this part, and delegations of the authority to waive provisions of this part, are governed by §5.110 of this title.
