

part 100), Section 504 of the Rehabilitation Act of 1973 (24 CFR part 8), and Titles II and III of the Americans with Disabilities Act, as applicable (28 CFR parts 35 and 36). In accordance with the requirements of 24 CFR 8.4(d), recipients must ensure that their program's housing and supportive services are provided in the most integrated setting appropriate to the needs of persons with disabilities.

(e) *Prohibition against involuntary family separation.* The age and gender of a child under age 18 must not be used as a basis for denying any family's admission to a project that receives funds under this part.

§ 578.95 Conflicts of interest.

(a) *Procurement.* For the procurement of property (goods, supplies, or equipment) and services, the recipient and its subrecipients must comply with the standards of conduct and conflict-of-interest requirements under 2 CFR 200.317 and 200.318.

(b) *Continuum of Care board members.* No Continuum of Care board member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefits to the organization that the member represents.

(c) *Organizational conflict.* An organizational conflict of interest arises when, because of activities or relationships with other persons or organizations, the recipient or subrecipient is unable or potentially unable to render impartial assistance in the provision of any type or amount of assistance under this part, or when a covered person's, as in paragraph (d)(1) of this section, objectivity in performing work with respect to any activity assisted under this part is or might be otherwise impaired. Such an organizational conflict would arise when a board member of an applicant participates in decision of the applicant concerning the award of a grant, or provision of other financial benefits, to the organization that such member represents. It would also arise when an employee of a recipient or subrecipient participates in making rent reasonableness determinations under § 578.49(b)(2) and § 578.51(g) and housing quality inspections of property under

§ 578.75(b) that the recipient, subrecipient, or related entity owns.

(d) *Other conflicts.* For all other transactions and activities, the following restrictions apply:

(1) No covered person, meaning a person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or its subrecipients and who exercises or has exercised any functions or responsibilities with respect to activities assisted under this part, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under this part, may obtain a financial interest or benefit from an assisted activity, have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity, or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or during the one-year period following his or her tenure.

(2) *Exceptions.* Upon the written request of the recipient, HUD may grant an exception to the provisions of this section on a case-by-case basis, taking into account the cumulative effects of the criteria in paragraph (d)(2)(ii) of this section, provided that the recipient has satisfactorily met the threshold requirements of paragraph (d)(2)(ii) of this section.

(i) *Threshold requirements.* HUD will consider an exception only after the recipient has provided the following documentation:

(A) Disclosure of the nature of the conflict, accompanied by a written assurance, if the recipient is a government, that there has been public disclosure of the conflict and a description of how the public disclosure was made; and if the recipient is a private nonprofit organization, that the conflict has been disclosed in accordance with their written code of conduct or other conflict-of-interest policy; and

(B) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate

§ 578.97

State or local law, or if the sub-recipient is a private nonprofit organization, the exception would not violate the organization's internal policies.

(ii) *Factors to be considered for exceptions.* In determining whether to grant a requested exception after the recipient has satisfactorily met the threshold requirements under paragraph (c)(3)(i) of this section, HUD must conclude that the exception will serve to further the purposes of the Continuum of Care program and the effective and efficient administration of the recipient's or subrecipient's project, taking into account the cumulative effect of the following factors, as applicable:

(A) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(B) Whether an opportunity was provided for open competitive bidding or negotiation;

(C) Whether the affected person has withdrawn from his or her functions, responsibilities, or the decision-making process with respect to the specific activity in question;

(D) Whether the interest or benefit was present before the affected person was in the position described in paragraph (c)(1) of this section;

(E) Whether undue hardship will result to the recipient, the subrecipient, or the person affected, when weighed against the public interest served by avoiding the prohibited conflict;

(F) Whether the person affected is a member of a group or class of persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class; and

(G) Any other relevant considerations.

[77 FR 45442, July 31, 2012, as amended at 80 FR 75940, Dec. 7, 2015]

§ 578.97 Program income.

(a) *Defined.* Program income is the income received by the recipient or subrecipient directly generated by a grant-supported activity.

(b) *Use.* Program income earned during the grant term shall be retained by

24 CFR Ch. V (4-1-16 Edition)

the recipient, and added to funds committed to the project by HUD and the recipient, used for eligible activities in accordance with the requirements of this part. Costs incident to the generation of program income may be deducted from gross income to calculate program income, provided that the costs have not been charged to grant funds.

(c) *Rent and occupancy charges.* Rents and occupancy charges collected from program participants are program income. In addition, rents and occupancy charges collected from residents of transitional housing may be reserved, in whole or in part, to assist the residents from whom they are collected to move to permanent housing.

§ 578.99 Applicability of other federal requirements.

In addition to the requirements set forth in 24 CFR part 5, use of assistance provided under this part must comply with the following federal requirements:

(a) *Environmental review.* Activities under this part are subject to environmental review by HUD under 24 CFR part 50 as noted in § 578.31.

(b) *Section 6002 of the Solid Waste Disposal Act.* State agencies and agencies of a political subdivision of a state that are using assistance under this part for procurement, and any person contracting with such an agency with respect to work performed under an assisted contract, must comply with the requirements of Section 6003 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. In accordance with Section 6002, these agencies and persons must:

(1) Procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired in the preceding fiscal year exceeded \$10,000;

(2) Procure solid waste management services in a manner that maximizes energy and resource recovery; and
