

Department of Justice

§ 19.6

as published in the November 8, 1985, FEDERAL REGISTER (50 FR 46625).

(e) The National Center for Missing and Exploited Children (National Center) will be the sole source from which DOJ will acquire the camera-ready and other photographic and biographical materials to be disseminated for use by DOJ organizational units. When printing missing children information, DOJ will select subjects in accordance with the schedule published by the National Center.

(f) DOJ will remove all printed penalty mail envelopes and other materials from circulation or other use (i.e.: Use or destroy) within a three month period from the date the National Center receives information or notice that a child whose photograph and biographical information have been made available to DOJ has been recovered or that the parent(s) or guardian's permission to use the child's photograph and biographical information has been withdrawn. The National Center will be responsible for immediately notifying the DOJ contact person, in writing, of the need to withdraw penalty mail envelopes and other materials related to a particular child from circulation. Photographs which were reasonably current as of the time of the child's disappearance shall be the only acceptable form of visual media or pictorial likeness used on or in DOJ penalty mail.

(g) DOJ will give priority to penalty mail that:

(1) Is addressed to members of the public and will be received in the United States, its territories and possessions; and

(2) Is widely disseminated and read by DOJ employees such as inter- and intra-agency publications and other media.

(h) All DOJ employee suggestions, ideas or recommendations for innovative, cost-effective techniques for implementation of the Missing Children Penalty Mail Program should be forwarded to the DOJ contact person. DOJ Mail Managers shall hold biannual meetings to discuss the status of implementation of the current plan, and to consider recommendations to improve future plan implementation.

(i) This shall be the sole DOJ regulation implementing this program.

§ 19.4 Cost and percentage estimates.

It is estimated that this program will cost DOJ \$78,000 during the initial year. This figure is based on estimates of printing, inserting, and administrative costs. It is DOJ's objective that 50 percent of DOJ penalty mail contain missing children photographs and biographical information by the end of the first year of the program.

§ 19.5 Report to the Office of Juvenile Justice and Delinquency Prevention.

DOJ will compile and submit to OJJDP, by June 30, 1987, a consolidated report on its experience in implementation of 39 U.S.C. 3220(a)(2), the OJJDP guidelines and the DOJ regulation. The report will consolidate information gathered from individual DOJ organizational units and cover the period February 5, 1986 through March 31, 1987. The report will provide the following information:

(a) DOJ's experience in implementation, including problems encountered, successful and/or innovative methods adopted to use missing children photographs and information on or in penalty mail, the *estimated* number of pieces of penalty mail containing such information, and the *estimated* percentage of total agency penalty mail, domestic penalty mail, and domestic penalty mail directed to members of the public which this number represents.

(b) The *estimated* total cost to implement the program, with supporting detail (for example, printing cost, hours of labor or labor cost, cost related to withdrawal of photographs, etc.).

(c) Recommendations for changes in the program which would make it more effective.

§ 19.6 Responsibility of DOJ organizational units for program implementation and implementation procedures.
