

**Sec. 2. General Provisions.** (a) Nothing in this order shall be construed to impair or otherwise affect:

- (i) the authority granted by law to an executive department, agency, or the head thereof; or
- (ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) This order is not intended to, and does not, impair any right or benefit, substantive or procedural, enforceable at law or in equity that arises as a consequence of the designation in section 1 of this order.

### Establishing Paid Sick Leave for Federal Contractors

By the authority vested in me as President by the Constitution and the laws of the United States of America, including 40 U.S.C. 121, and in order to promote economy and efficiency in procurement by contracting with sources that allow their employees to earn paid sick leave, it is hereby ordered as follows:

**Section 1. Policy.** This order seeks to increase efficiency and cost savings in the work performed by parties that contract with the Federal Government by ensuring that employees on those contracts can earn up to 7 days or more of paid sick leave annually, including paid leave allowing for family care. Providing access to paid sick leave will improve the health and performance of employees of Federal contractors and bring benefits packages at Federal contractors in line with model employers, ensuring that they remain competitive employers in the search for dedicated and talented employees. These savings and quality improvements will lead to improved economy and efficiency in Government procurement.

**Sec. 2. Establishing paid sick leave for Federal contractors and subcontractors.** (a) Executive departments and agencies (agencies) shall, to the extent permitted by law, ensure that new contracts, contract-like instruments, and solicitations (collectively referred to as “contracts”), as described in section 6 of this order, include a clause, which the contractor and any subcontractors shall incorporate into lower-tier subcontracts, specifying, as a condition of payment, that all employees, in the performance of the contract or any subcontract thereunder, shall earn not less than 1 hour of paid sick leave for every 30 hours worked.

(b) A contractor may not set a limit on the total accrual of paid sick leave per year, or at any point in time, at less than 56 hours.

(c) Paid sick leave earned under this order may be used by an employee for an absence resulting from:

(i) physical or mental illness, injury, or medical condition;

(ii) obtaining diagnosis, care, or preventive care from a health care provider;

(iii) caring for a child, a parent, a spouse, a domestic partner, or any other individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship who has any of the conditions or needs for diagnosis, care, or preventive care described in paragraphs (i) or (ii) of this subsection or is otherwise in need of care; or

(iv) domestic violence, sexual assault, or stalking, if the time absent from work is for the purposes otherwise described in paragraphs (i) and (ii) of this subsection, to obtain additional counseling, to seek relocation, to seek assistance from a victim services organization, to take related legal action, including preparation for or participation in any related civil or criminal legal proceeding, or to assist an individual related to the employee as described in paragraph (iii) of this subsection in engaging in any of these activities.

(d) Paid sick leave accrued under this order shall carry over from 1 year to the next and shall be reinstated for employees rehired by a covered contractor within 12 months after a job separation.

(e) The use of paid sick leave cannot be made contingent on the requesting employee finding a replacement to cover any work time to be missed.

(f) The paid sick leave required by this order is in addition to a contractor's obligations under 41 U.S.C. chapter 67 (Service Contract Act) and 40 U.S.C. chapter 31, subchapter IV (Davis-Bacon Act), and contractors may not receive credit toward their prevailing wage or fringe benefit obligations under those Acts for any paid sick leave provided in satisfaction of the requirements of this order.

(g) A contractor's existing paid leave policy provided in addition to the fulfillment of Service Contract Act or Davis-Bacon Act obligations, if applicable, and made available to all covered employees will satisfy the requirements of this order if the amount of paid leave is sufficient to meet the requirements of this section and if it may be used for the same purposes and under the same conditions described herein.

(h) Paid sick leave shall be provided upon the oral or written request of an employee that includes the expected duration of the leave, and is made at least 7 calendar days in advance where the need for the leave is foreseeable, and in other cases as soon as is practicable.

(i) Certification.

(i) A contractor may only require certification issued by a health care provider for paid sick leave used for the purposes listed in subsections (c)(i), (c)(ii), or (c)(iii) of this section for employee absences of 3 or more consecutive workdays, to be provided no later than 30 days from the first day of the leave.

(ii) If 3 or more consecutive days of paid sick leave is used for the purposes listed in subsection (c)(iv) of this section, documentation may be required to be provided from an appropriate individual or organization with the minimum necessary information establishing a need for the employee to be absent from work. The contractor shall not disclose any verification information and shall maintain confidentiality about the domestic violence, sexual assault, or stalking, unless the employee consents or when disclosure is required by law.

(j) Nothing in this order shall require a covered contractor to make a financial payment to an employee upon a separation from employment for accrued sick leave that has not been used, but unused leave is subject to reinstatement as prescribed in subsection (d) of this section.

(k) A covered contractor may not interfere with or in any other manner discriminate against an employee for taking, or attempting to take, paid sick leave as provided for under this order or in any manner asserting, or assisting any other employee in asserting, any right or claim related to this order.

(l) Nothing in this order shall excuse noncompliance with or supersede any applicable Federal or State law, any applicable law or municipal ordinance, or a collective bargaining agreement requiring greater paid sick leave or leave rights than those established under this order.

**Sec. 3. *Regulations and Implementation.*** (a) The Secretary of Labor (Secretary) shall issue such regulations by September 30, 2016, as are deemed necessary and appropriate to carry out this order, to the extent permitted by law and consistent with the requirements of 40 U.S.C. 121, including providing exclusions from the requirements set forth in this order where appropriate; defining terms used in this order; and requiring contractors to make, keep, and preserve such employee records as the Secretary deems necessary and appropriate for the enforcement of the provisions of this order or the regulations thereunder. To the extent permitted by law, within 60 days of the Secretary issuing such regulations, the Federal Acquisition Regulatory Council shall issue regulations in the Federal Acquisition Regulation to provide for inclusion in Federal procurement solicitations and contracts subject to this order the contract clause described in section 2(a) of this order.

(b) Within 60 days of the Secretary issuing regulations pursuant to subsection (a) of this section, agencies shall take steps, to the extent permitted by law, to exercise any applicable authority to ensure that contracts as described in section 6(d)(i)(C) and (D) of this order, entered into after January 1, 2017, consistent with the effective date of such agency action, comply with the requirements set forth in section 2 of this order.

(c) Any regulations issued pursuant to this section should, to the extent practicable and consistent with section 7 of this order, incorporate existing definitions, procedures, remedies, and enforcement processes under the Fair Labor Standards Act, 29 U.S.C. 201 *et seq.*; the Service Contract Act; the Davis-Bacon Act; the Family and Medical Leave Act, 29 U.S.C. 2601 *et seq.*; the Violence Against Women Act of 1994, 42 U.S.C. 13925 *et seq.*; and Executive Order 13658 of February 12, 2014, Establishing a Minimum Wage for Contractors.

**Sec. 4. *Enforcement.*** (a) The Secretary shall have the authority for investigating potential violations of and obtaining compliance with this order,

including the prohibitions on interference and discrimination in section 2(k) of this order.

(b) This order creates no rights under the Contract Disputes Act, and disputes regarding whether a contractor has provided employees with paid sick leave prescribed by this order, to the extent permitted by law, shall be disposed of only as provided by the Secretary in regulations issued pursuant to this order.

**Sec. 5. Severability.** If any provision of this order, or applying such provision to any person or circumstance, is held to be invalid, the remainder of this order and the application of the provisions of such to any person or circumstance shall not be affected thereby.

**Sec. 6. General Provisions.** (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department, agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) This order shall apply only to a new contract or contract-like instrument, as defined by the Secretary in the regulations issued pursuant to section 3(a) of this order, if:

(i) (A) it is a procurement contract for services or construction;

(B) it is a contract or contract-like instrument for services covered by the Service Contract Act;

(C) it is a contract or contract-like instrument for concessions, including any concessions contract excluded by Department of Labor regulations at 29 CFR 4.133(b); or

(D) it is a contract or contract-like instrument entered into with the Federal Government in connection with Federal property or lands and related to offering services for Federal employees, their dependents, or the general public; and

(ii) the wages of employees under such contract or contract-like instrument are governed by the Davis-Bacon Act, the Service Contract Act, or the Fair Labor Standards Act, including employees who qualify for an exemption from its minimum wage and overtime provisions.

(e) For contracts or contract-like instruments covered by the Service Contract Act or the Davis-Bacon Act, this order shall apply only to contracts or contract-like instruments at the thresholds specified in those statutes. For procurement contracts in which employees' wages are governed by the Fair Labor Standards Act, this order shall apply only to contracts or contract-like instruments that exceed the micro-purchase threshold, as defined in 41 U.S.C. 1902(a), unless expressly made subject to this order pursuant to regulations or actions taken under section 3 of this order.

(f) This order shall not apply to grants; contracts and agreements with and grants to Indian Tribes under the Indian Self-Determination and Education Assistance Act (Public Law 93–638), as amended; or any contracts or contract-like instruments expressly excluded by the regulations issued pursuant to section 3(a) of this order.

(g) Independent agencies are strongly encouraged to comply with the requirements of this order.

**Sec. 7. *Effective Date.*** (a) This order is effective immediately and shall apply to covered contracts where the solicitation for such contract has been issued, or the contract has been awarded outside the solicitation process, on or after:

(i) January 1, 2017, consistent with the effective date for the action taken by the Federal Acquisition Regulatory Council pursuant to section 3(a) of this order; or

(ii) January 1, 2017, for contracts where an agency action is taken pursuant to section 3(b) of this order, consistent with the effective date for such action.

(b) This order shall not apply to contracts or contract-like instruments that are awarded, or entered into pursuant to solicitations issued, on or before the effective date for the relevant action taken pursuant to section 3 of this order.

### Using Behavioral Science Insights To Better Serve the American People

A growing body of evidence demonstrates that behavioral science insights—research findings from fields such as behavioral economics and psychology about how people make decisions and act on them—can be used to design government policies to better serve the American people.

Where Federal policies have been designed to reflect behavioral science insights, they have substantially improved outcomes for the individuals, families, communities, and businesses those policies serve. For example, automatic enrollment and automatic escalation in retirement savings plans have made it easier to save for the future, and have helped Americans accumulate billions of dollars in additional retirement savings. Similarly, streamlining the application process for Federal financial aid has made college more financially accessible for millions of students.

To more fully realize the benefits of behavioral insights and deliver better results at a lower cost for the American people, the Federal Government should design its policies and programs to reflect our best understanding
