Legal Status and Use of Seals and Logos

The seal of the National Archives and Records Administration (NARA) authenticates the Code of Federal Regulations (CFR) as the official codification of Federal regulations established under the Federal Register Act. Under the provisions of 44 U.S.C. 1507, the contents of the CFR, a special edition of the Federal Register, shall be judicially noticed. The CFR is prima facie evidence of the original documents published in the Federal Register (44 U.S.C. 1510).

It is prohibited to use NARA’s official seal and the stylized Code of Federal Regulations logo on any republication of this material without the express, written permission of the Archivist of the United States or the Archivist’s designee. Any person using NARA’s official seals and logos in a manner inconsistent with the provisions of 36 CFR part 1200 is subject to the penalties specified in 18 U.S.C. 506, 701, and 1017.

Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 ..............................................................as of January 1
- Title 17 through Title 27 .................................................................as of April 1
- Title 28 through Title 41 .................................................................as of July 1
- Title 42 through Title 50 .................................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2016), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume. The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

Subpart A—General Provisions

§ 0.101 Purpose.

The regulations in this part prescribe procedures and standards of conduct that are appropriate to the particular functions and activities of the Department of the Treasury (Department).

§ 0.102 Applicability.

(a) Unless otherwise specified, the regulations in this part apply to all employees of the Department at all times, regardless of whether they are on duty or on leave, including leave without pay.

(b) The regulations in this part may be supplemented by regulations, interpretative guidelines and procedures issued by the Department’s offices and bureaus. The absence of a specific published rule of conduct covering an action or omission does not validate that action or omission nor indicate that the action or omission would not result in corrective or disciplinary action.

§ 0.103 Other rules of conduct applicable to Department employees.

In addition to the regulations in this part, employees of the Department are subject to other applicable statutes and regulations, including the following:

(a) The Standards of Ethical Conduct for Employees of the Executive Branch at 5 CFR part 2635;

(b) The Supplemental Standards of Ethical Conduct for Employees of the Department of the Treasury at 5 CFR part 3101;

(c) Political Activities of Federal Employees regulations at 5 CFR part 734;

(d) The Employee Responsibilities and Conduct regulations at 5 CFR part 735; and

(e) Department of the Treasury Disclosure of Records regulations at 31 CFR part 1.

§ 0.104 Definitions.

The following definitions are used throughout this part:

(12) Any other organization designated as a bureau by the Secretary of the Treasury pursuant to appropriate authority.
§ 0.105 Responsibilities of employees and supervisors.

(a) Employees shall comply with all generally accepted rules of conduct, the specific provisions of this part, and other applicable regulations. An employee with questions about generally accepted rules of conduct, the specific provisions of this part, and other applicable regulations should consult his or her supervisor, a human resources specialist, or Bureau counsel.

(b) Supervisors, because of their day-to-day relationships with their employees, are responsible for ensuring that their employees maintain high standards of conduct. Supervisors must be familiar with this part and other applicable regulations and must apply generally accepted rules of conduct, the standards in this part, and the standards in other applicable regulations to the work they do and supervise. Supervisors shall take appropriate action, including disciplinary action, when violations of this part or other applicable regulations occur.

§ 0.106 Corrective action.

An employee’s violation of generally accepted rules of conduct, the standards in this part, or the standards in other applicable regulations may result in appropriate corrective or disciplinary action, in addition to any penalty prescribed by law.
the existence of an activity constituting:
(i) Mismanagement, a gross waste of funds, or abuse of authority;
(ii) A substantial and specific danger to the public health and safety;
(iii) A threat to the integrity of programs and operations relating to the Department; or
(iv) A violation of merit systems principles or a prohibited personnel practice as described in 5 U.S.C. 2301 and 2302.
(b) Bureau counsel who, during the course of providing advice to or representation of a bureau, acquire information of the type described in paragraph (a) of this section, shall report the information to the reporting employee’s supervisor, the Chief or Legal Counsel, or the Deputy General Counsel, who shall report such information to the relevant Inspector General.
(c) This section does not cover matters addressed through employee grievances, equal employment opportunity complaints, Merit Systems Protection Board appeals, classification appeals, or other matters for which separate, formal systems have been established.
§ 0.204 Prohibition of reprisal for reporting suspected misconduct.
Any employee who has authority to take, direct others to take, recommend, or approve any personnel action, shall not, with respect to such authority, take or threaten to take any action against any employee as a reprisal for providing any information in accordance with §0.203 of this part or through other processes established by law. However, if an employee makes a complaint or discloses information with the knowledge that it was false, or with willful disregard of its truth or falsity, such conduct may be grounds for disciplinary action, and such action shall not constitute reprisal.
§ 0.205 Controlled substances and intoxicants.
Employees shall not sell, offer to sell, buy, offer to buy, use, or possess, controlled substances in violation of federal law. Employees shall not use or be under the influence of alcohol in a manner that adversely affects their work performance. § 0.209 Disclosure of records or information.
(a) Employees shall not disclose or use official information without proper authority. Employees authorized to make disclosures should respond promptly and courteously to requests from the public for information when permitted to do so by law.
(b) Employees who have access to information that is classified for security
reasons in accordance with Executive Order 13526, or any successor Executive Order governing Classified National Security Information, are responsible for its custody and safekeeping, and for assuring that it is not disclosed to unauthorized persons. See 18 U.S.C. 798; 50 U.S.C. 783(a); 31 CFR part 2.

This includes the use of government-provided information technology equipment, internet access, cellular telephones, personal digital assistants, and other devices in a manner that is inconsistent with the Department’s policy permitting reasonable personal use. An employee has a positive duty to protect and conserve government property including equipment, supplies, intellectual property, and other property made available, entrusted, or issued to the employee for official use.
(b) Employees shall not use government vehicles for unofficial purposes, including to transport unauthorized passengers. The use of government vehicles for transporting employees between their domiciles and places of employment is prohibited except when authorized by the Secretary pursuant to 31 U.S.C. 1344 or other statute.

(b) Supervisors shall not retaliate against an employee for complaining about suspected unlawful discrimination or harassment, seeking accommodation for a disability, or otherwise exercising their right to be free from unlawful discrimination.

(c) An employee who engages in discriminatory or retaliatory conduct may be disciplined under these regulations, as well as other applicable laws. However, this section does not create any enforceable legal rights in any person.

(x) Financial Crimes Enforcement Network.

(2) For purposes of this subpart, the office of the legal counsel for the components listed in paragraphs (a)(1)(i)(W), (a)(1)(i)(X), (a)(1)(i)(Y) and (a)(1)(ii) through (x) of this section, are to be considered a part of their respective component. Any office which is now in existence or may hereafter be established, which is not specifically listed or known to be a component of any of those listed above, shall be deemed a part of the Departmental Offices for the purpose of these regulations.

(b) Definitions. As used in this subpart, the following terms shall have the following meanings:

(1) Agency has the meaning given in 5 U.S.C. 551(1) and 5 U.S.C. 552(f).
(2) Appeal means a request for a review of an agency’s determination with regard to a fee waiver, category of requester, expedited processing, or denial in whole or in part of a request for access to a record or records.
(3) Bureau means an entity of the Department of the Treasury that is authorized to act independently in disclosure matters.
(4) Business information means trade secrets or other commercial or financial information.
(5) Business submitter means any entity which provides business information to the Department of the Treasury or its bureaus and which has a proprietary interest in the information.
(6) Computer software means tools by which records are created, stored, and retrieved. Normally, computer software, including source code, object code, and listings of source and object codes, regardless of medium, are not agency records. However, when data are embedded within the software and cannot be extracted without the software, the software may have to be treated as an agency record. Proprietary (or copyrighted) software is not an agency record.
§ 1.2 Information made available.

(7) Confidential commercial information means records provided to the government by a submitter that arguably contain material exempt from release under Exemption 4 of the Freedom of Information Act, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(8) Duplication refers to the process of making a copy of a record in order to respond to a FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others.

(9) Electronic records means those records and information which are created, stored, and retrievable by electronic means. This ordinarily does not include computer software, which is a tool by which to create, store, or retrieve electronic records.

(10) Request means any request for records made pursuant to 5 U.S.C. 552(a)(3).

(11) Requester means any person who makes a request for access to records.

(12) Responsible official means a disclosure officer or the head of the organizational unit having immediate custody of the records requested, or an official designated by the head of the organizational unit.

(13) Review, for fee purposes, refers to the process of examining records located in response to a commercial use request to determine whether any portion of any record located is permitted to be withheld. It also includes processing any records for disclosure; e.g., doing all that is necessary to excise them and otherwise prepare them for release.

(14) Search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within records. Searches may be done manually or by automated means.

§ 1.3 Publication in the Federal Register.

(a) General. The FOIA (5 U.S.C. 552) provides for access to information and records developed or maintained by Federal agencies. The provisions of section 552 are intended to assure the right of the public to information. Generally, this section divides agency information into three major categories and provides methods by which each category of information is to be made available to the public. The three major categories of information are as follows:

(1) Information required to be published in the FEDERAL REGISTER (see § 1.3);

(2) Information required to be made available for public inspection and copying or, in the alternative, to be published and offered for sale (see § 1.4); and

(3) Information required to be made available to any member of the public upon specific request (see § 1.5).

(b) Subject only to the exemptions and exclusions set forth in 5 U.S.C. 552(b) and (c), any person shall be afforded access to information or records in the possession of any bureau of the Department of the Treasury, subject to the regulations in this subpart and any regulations of a bureau implementing or supplementing them.

(c) Exemptions. (1) The disclosure requirements of 5 U.S.C. 552(a) do not apply to certain matters which are exempt under 5 U.S.C. 552(b); nor do the disclosure requirements apply to certain matters which are excluded under 5 U.S.C. 552(c).

(2) Even though an exemption described in 5 U.S.C. 552(b) may be applicable to the information or records requested, a Treasury bureau may, if not precluded by law, elect under the circumstances of that request not to apply the exemption. The fact that the exemption is not applied by a bureau in response to a particular request shall have no precedential significance in processing other requests, but is merely an indication that, in the processing of the particular request, the bureau finds no necessity for applying the exemption.
§ 1.4 Public inspection and copying.

(a) In general. Subject to the application of the exemptions and exclusions described in 5 U.S.C. 552(b) and (c), each Treasury bureau shall, in conformance with 5 U.S.C. 552(a)(1), separately state, publish and maintain current in the Federal Register for the guidance of the public the following information with respect to that bureau:

(1) Descriptions of its central and field organization and the established places at which, the persons from whom, and the methods whereby, the public may obtain information, make submittals or requests, or obtain decisions;

(2) Statements of the general course and method by which its functions are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(3) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations;

(4) Substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability formulated and adopted by the bureau; and

(5) Each amendment, revision, or repeal of matters referred to in paragraphs (a)(1) through (4) of this section.

(b) The United States Government Manual. The functions of each bureau are summarized in the description of the Department and its bureaus in the United States Government Manual, which is issued annually by the Office of the Federal Register.

§ 1.4 Public inspection and copying.

(a) In general. Subject to the application of the exemptions and exclusions described in 5 U.S.C. 552(b) and (c), each Treasury bureau shall, in conformance with 5 U.S.C. 552(a)(1), separately state, publish and maintain current in the Federal Register for the guidance of the public the following information with respect to that bureau:

(1) Final opinions, including concurring and dissenting opinions, and orders, made in the adjudication of cases;

(2) Those statements of policy and interpretations which have been adopted by the bureau but are not published in the Federal Register;

(3) Its administrative staff manuals and instructions to staff that affect a member of the public;

(4) Copies of all records, regardless of form or format, which have been released to any person under 5 U.S.C. 552(a)(3), and which the bureau determines have become or are likely to become the subject of subsequent requests for substantially the same records because they are clearly of interest to the public at large. The determination that records have become or may become the subject of subsequent requests shall be made by the Responsible Official (as defined at §1.1(b)(12)).

(5) A general index of the records referred to in paragraph (a)(4) of this section.

(b) Information made available by computer telecommunications. For records required to be made available for public inspection and copying pursuant to 5 U.S.C. 552(a)(2) (paragraphs (a)(1) through (4) of this section) which are created on or after November 1, 1996, as soon as practicable but no later than one year after such records are created, each bureau shall make such records available on the Internet.

(c) Deletion of identifying details. To prevent a clearly unwarranted invasion of personal privacy, or pursuant to an exemption in 5 U.S.C. 552(b), a Treasury bureau may delete information contained in any matter described in paragraphs (a)(1) through (4) of this section before making such matters available for inspection or publishing it. The justification for the deletion shall be explained fully in writing, and the extent of such deletion shall be indicated on the portion of the record which is made available or published, unless including that indication would harm an interest protected by the exemption in 5 U.S.C. 552(b) under which the deletion is made. If technically feasible, the extent of the deletion shall be indicated at the place in the record where the deletion was made.

(d) Public reading rooms. Each bureau of the Department of the Treasury shall make available for public inspection and copying, in a reading room or otherwise, the material described in paragraphs (a)(1) through (5) of this section. Fees for duplication shall be charged in accordance with §1.7. See
§ 1.5 Specific requests for other records.

(a) In general. (1) Except for records made available under 5 U.S.C. 552(a)(1) and (a)(2), but subject to the application of the exemptions and exclusions described in 5 U.S.C. 552(b) and (c), each bureau of the Department of the Treasury shall promptly make the requested records available to any person in conformance with 5 U.S.C. 552(a)(3). The request must conform in every respect with the rules and procedures of this subpart and the applicable bureau’s appendix to this subpart. Any request or appeal from the initial denial of a request that does not comply with the requirements of this subpart will not be considered subject to the time constraints of paragraphs (h), (i), and (j) of this section, unless and until the request is amended to comply. Bureaus shall promptly advise the requester in what respect the request or appeal is deficient so that it may be amended and resubmitted for consideration in accordance with this subpart. If a requester does not respond within 30 days to a communication from a bureau to amend the request in order for it to be in conformance with this subpart, the request file will be considered closed. When the request conforms with the requirements of this subpart, bureaus shall make every reasonable effort to comply with the request within the time constraints. If the description of the record requested is of a type that is not maintained by the bureau, the requester shall be so advised and the request shall be returned to the requester.

(2) When a bureau receives five or more requests for substantially the same records, it shall place those requests in front of an existing request backlog that the responsible official
may have. Upon completion of processing, the released records shall be made available in the bureau’s public reading room, and if created on or after November 1, 1996, shall be made available in the electronic reading room of the bureau’s web site.

(b) Form of request. In order to be subject to the provisions of this section, the following must be satisfied.

(1) The request for records shall be made in writing, signed by the person making the request, and state that it is made pursuant to the Freedom of Information Act, 5 U.S.C. 552, or this subpart.

(2) The request shall indicate whether the requester is a commercial user, an educational institution, non-commercial scientific institution, representative of the news media, or “other” requester, subject to the fee provisions described in §1.7. In order for the Department to determine the proper category for fee purposes as defined in this section, a request for records shall also state how the records released will be used. This information shall not be used to determine the releasability of any record or records. A determination of the proper category of requester shall be based upon a review of the requester’s submission and the bureau’s own records. Where a bureau has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, bureaus should seek additional clarification before assigning the request to a specific category. The categories of requesters are defined as follows:

(i) Commercial. A commercial use request refers to a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made, which can include furthering those interests through litigation. The bureaus may determine from the use specified in the request that the requester is a commercial user.

(ii) Educational institution. This refers to a preschool, a public or private elementary or secondary school, an institution of graduate or higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research. This category does not include requesters wanting records for use in meeting individual academic research or study requirements.

(iii) Non-commercial scientific institution. This refers to an institution that is not operated on a “commercial” basis as that term is defined in paragraph (b)(2)(i) of this section, and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(iv) Representative of the news media. This refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. In the case of “freelance” journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but bureaus may also look to the past publication record of a requester in making this determination.

(v) “Other” Requester. This refers to a requester who does not fall within any of the previously described categories.

(3) The request must be properly addressed to the bureau that maintains the record. The functions of each bureau are summarized in The United States Government Manual which is issued annually and is available from the Superintendent of Documents. Both the envelope and the request itself should be clearly marked “Freedom of Information Act Request.” See
§ 1.5

the appendices to this subpart for the office or officer to which requests shall be addressed for each bureau. A requester in need of guidance in defining a request or determining the proper bureau to which a request should be sent may contact Disclosure Services at 202/622–0930, or may write to Disclosure Services, Department of the Treasury, 1500 Pennsylvania Avenue, NW, Washington, DC 20220. Requesters may access the “FOIA Home Page” at the Department of the Treasury World Wide Web site at: http://www.treas.gov.

(4) The request must reasonably describe the records in accordance with paragraph (d) of this section.

(5) The request must set forth the address where the person making the request wants to be notified about whether or not the request will be granted.

(6) The request must state whether the requester wishes to inspect the records or desires to have a copy made and furnished without first inspecting them.

(7) The request must state the firm agreement of the requester to pay the fees for search, duplication, and review as may ultimately be determined in accordance with §1.7. The agreement may state the upper limit (but not less than $25) that the requester is willing to pay for processing the request. A request that fees be waived or reduced may accompany the agreement to pay fees and shall be considered to the extent that such request is made in accordance with §1.7(d) and provides supporting information to be measured against the fee waiver standard set forth in §1.7(d)(1). The requester shall be notified in writing of the decision to grant or deny the fee waiver. A requester shall be asked to provide an agreement to pay fees when the request for a fee waiver or reduction is denied and the initial request for records does not include such agreement. If a requester has an outstanding balance of search, review, or duplication fees due for FOIA request processing, the requirements of this paragraph are not met until the requester has remitted the outstanding balance due.

(c) Requests for records not in control of bureau; referrals; consultations.

(1) When a requested record is in the possession or under the control of a bureau of the Department other than the office to which the request is addressed, the request for the record shall be transferred to the appropriate bureau and the requester notified. This referral shall not be considered a denial of access within the meaning of these regulations. The bureau of the Department to which this referral is made shall treat this request as a new request addressed to it and the time limits for response set forth by paragraph (b)(1) of this section shall begin when the referral is received by the designated office or officer of the bureau.

(2) When a requested record has been created by an agency or Treasury bureau other than the Treasury bureau possessing the record, the bureau having custody of the record shall refer the record to the originating agency or Treasury bureau for a direct response to the requester. The requester shall be informed of the referral unless otherwise instructed by the originating agency. This is not a denial of a FOIA request; thus no appeal rights accrue to the requester.

(3) When a FOIA request is received for a record created by a Treasury bureau that includes information originated by another bureau of the Department of the Treasury or another agency, the record shall be referred to the originating agency or bureau for review and recommendation on disclosure. The agency or bureau shall respond to the referring office. The Treasury bureau shall not release any such records without prior consultation with the originating bureau or agency.

(4) In certain instances and at the discretion of the Departmental Offices, requests having impact on two or more bureaus of the Department may be coordinated by the Departmental Offices.

(d) Reasonable description of records.

The request for records must describe the records in reasonably sufficient detail to enable employees who are familiar with the subject area of the request to locate the records without placing an unreasonable burden upon the Department. Whenever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipients,
Office of the Secretary of the Treasury § 1.5

and subject matter of the record. If the Department determines that the request does not reasonably describe the records sought, the requester shall be given an opportunity to provide additional information. Such opportunity may, when necessary, involve a discussion with knowledgeable Department of the Treasury personnel. The reasonable description requirement shall not be used by officers or employees of the Department of the Treasury to improperly withhold records from the public.

(e) Requests for expedited processing.

(1) When a request for records includes a request for expedited processing, both the envelope and the request itself must be clearly marked, “Expedited Processing Requested.”

(2) Records will be processed as soon as practicable when a requester asks for expedited processing in writing and is granted such expedited treatment by the Department. The requester must demonstrate a compelling need for expedited processing of the requested records. A compelling need is defined as follows:

(i) Failure to obtain the requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual. The requester shall fully explain the circumstances warranting such an expected threat so that the Department may make a reasoned determination that a delay in obtaining the requested records could pose such a threat; or

(ii) With respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged Federal Government activity. A person “primarily engaged in disseminating information” does not include individuals who are engaged only incidentally in the dissemination of information. The standard of “urgency to inform” requires that the records requested pertain to a matter of current exigency to the American public and that delaying a response to a request for records would compromise a significant recognized interest to and throughout the American general public. The requester must adequately explain the matter or activity and why the records sought are necessary to be provided on an expedited basis.

(3) A demonstration of a compelling need by a person making a request for expedited processing shall be made by a statement certified by the requester to be true and correct to the best of his or her knowledge and belief. The statement must be in the form prescribed by 28 U.S.C. 1746, “I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief. Executed on [date].”

(4) Upon receipt by the appropriate bureau official, a request for expedited processing shall be considered and a determination as to whether to grant or deny the request for expedited processing shall be made, and the requester notified, within 10 calendar days of the date of the request. However, in no event shall the bureau have fewer than five days (excluding Saturdays, Sundays, and legal public holidays) from the date of receipt of the request for such processing. The determination to grant or deny a request for expedited processing may be made solely on the information contained in the initial letter requesting expedited treatment.

(5) Appeals of initial determinations to deny expedited processing must be made within 10 calendar days of the date of the initial letter of determination denying expedited processing. Both the envelope and the appeal itself shall be clearly marked, “Appeal for Expedited Processing.”

(6) An appeal determination regarding expedited processing shall be made, and the requester notified, within 10 days (excluding Saturdays, Sundays, and legal public holidays) from the date of receipt of the appeal.

(f) Date of receipt of request. A request for records shall be considered to have been received on the date on which a complete request containing the information required by paragraph (b) of this section has been received. A determination that a request is deficient in any respect is not a denial of access, and such determinations are not subject to administrative appeal. Requests shall be stamped with the date of receipt by the office prescribed in the appropriate appendix. As soon as the date of receipt has been established, the requester shall be so informed and shall
also be advised when to expect a response. The acknowledgment of receipt requirement shall not apply if a disclosure determination will be issued prior to the end of the 20-day time limit.

(g) Search for record requested. Department of the Treasury employees shall search to identify and locate requested records, including records stored at Federal Records Centers. Searches for records maintained in electronic form or format may require the application of codes, queries, or other minor forms of programming to retrieve the requested records. Wherever reasonable, searches shall be done by electronic means. However, searches of electronic records are not required when such searches would significantly interfere with the operation of a Treasury automated information system or would require unreasonable effort to conduct. The Department of the Treasury is not required under 5 U.S.C. 552 to tabulate or compile information for the purpose of creating a record or records that do not exist.

(h) Initial determination—(1) In general. The officers designated in the appendices to this part shall make initial determinations either to grant or to deny in whole or in part requests for records. Such officers shall respond in the approximate order of receipt of the requests, to the extent consistent with sound administrative practice. These determinations shall be made and the requester notified within 20 days (excluding Saturdays, Sundays, and legal public holidays) after the date of receipt of the request, as determined in accordance with paragraph (f) of this section, unless the designated officer invokes an extension pursuant to paragraph (j) of this section or the requester otherwise agrees to an extension of the 20-day time limitation.

(2) Granting of request. If the request is granted in full or in part, and if the requester wants a copy of the records, a copy of the records shall be mailed to the requester, together with a statement of the applicable fees, either at the time of the determination or shortly thereafter.

(3) Inspection of records. In the case of a request for inspection, the requester shall be notified in writing of the determination, when and where the requested records may be inspected, and of the fees incurred in complying with the request. The records shall then promptly be made available for inspection at the time and place stated, in a manner that will not interfere with Department of the Treasury operations and will not exclude other persons from making inspections. The requester shall not be permitted to remove the records from the room where inspection is made. If, after making inspection, the requester desires copies of all or a portion of the requested records, copies shall be furnished upon payment of the established fees prescribed by §1.7. Fees may be charged for search and review time as stated in §1.7.

(4) Denial of request. If it is determined that the request for records should be denied in whole or in part, the requester shall be notified by mail. The letter of notification shall:

(i) State the exemptions relied on in not granting the request;

(ii) If technically feasible, indicate the amount of information deleted at the place in the record where such deletion is made (unless providing such indication would harm an interest protected by the exemption relied upon to deny such material);

(iii) Set forth the name and title or position of the responsible official;

(iv) Advise the requester of the right to administrative appeal in accordance with paragraph (i) of this section; and

(v) Specify the official or office to which such appeal shall be submitted.

(5) No records found. If it is determined, after a thorough search for records by the responsible official or his delegate, that no records have been found to exist, the responsible official will so notify the requester in writing. The letter of notification will advise the requester of the right to administratively appeal the Department’s determination that no records exist (i.e., to challenge the adequacy of the Department’s search for responsive records) in accordance with paragraph (1) of this section. The response shall specify the official or office to which the appeal shall be submitted for review.

(i) Administrative appeal. (1)(i) A requester may appeal a Department of
the Treasury initial determination when:

(A) Access to records has been denied in whole or in part;

(B) There has been an adverse determination of the requester’s category as provided in §1.7(d)(4);

(C) A request for fee waiver or reduction has been denied;

(D) It has been determined that no responsive records exist; or

(E) A request for expedited processing has been denied.

(ii) An appeal, other than an appeal for expedited processing, must be submitted within 35 days of the date of the initial determination or the date of the letter transmitting the last records released, whichever is later, except in the case of a denial for expedited processing. An appeal of a denial for expedited processing must be made within 10 days of the date of the initial determination to deny expedited processing (see §1.5(e)(5)). All appeals must be submitted to the official specified in the appropriate appendix to this subpart whose title and address should also have been included in the initial determination. An appeal that is improperly addressed shall be considered not to have been received by the Department until the office specified in the appropriate appendix receives the appeal.

(2) The appeal shall—

(i) Be made in writing and signed by the requester or his or her representative;

(ii) Be addressed to and mailed or hand delivered within 35 days (or within 10 days when expedited processing has been denied) of the date of the initial determination, or the date of the letter transmitting the last records released, whichever is later, to the office or officer specified in the appropriate appendix to this subpart and also in the initial determination. (See the appendices to this subpart for the address to which appeals made by mail should be addressed);

(iii) Set forth the address where the requester desires to be notified of the determination on appeal;

(iv) Specify the date of the initial request and date of the letter of initial determination, and, where possible, enclose a copy of the initial request and the initial determination being appealed.

(3)(i) Appeals shall be stamped with the date of their receipt by the office to which addressed, and shall be processed in the approximate order of their receipt. The receipt of the appeal shall be acknowledged by the office or officer specified in the appropriate appendix to this subpart and the requester advised of the date the appeal was received and the expected date of response. The decision to affirm the initial determination (in whole or in part) or to grant the request for records shall be made and notification of the determination mailed within 20 days (exclusive of Saturdays, Sundays, and legal public holidays) after the date of receipt of the appeal, unless extended pursuant to paragraph (j)(1) of this section. If it is decided that the initial determination is to be upheld (in whole or in part) the requester shall be—

(A) Notified in writing of the denial;

(B) Notified of the reasons for the denial, including the FOIA exemptions relied upon;

(C) Notified of the name and title or position of the official responsible for the determination on appeal; and

(D) Provided with a statement that judicial review of the denial is available in the United States District Court for the judicial district in which the requester resides or has a principal place of business, the judicial district in which the requested records are located, or the District of Columbia in accordance with 5 U.S.C. 552(a)(4)(B).

(ii) If the initial determination is reversed on appeal, the requester shall be so notified and the request shall be processed promptly in accordance with the decision on appeal.

(4) If a determination cannot be made within the 20-day period (or within a period of extension pursuant to paragraph (j)(1) of this section), the requester may be invited to agree to a voluntary extension of the 20-day appeal period. This voluntary extension shall not constitute a waiver of the right of the requester ultimately to commence an action in a United States district court.
(j) Time extensions; unusual circumstances. (1) In unusual circumstances, the time limitations specified in paragraphs (h) and (i) of this section may be extended by written notice from the official charged with the duty of making the determination to the person making the request or appeal setting forth the reasons for this extension and the date on which the determination is expected to be sent. As used in this paragraph, unusual circumstances means, but only to the extent reasonably necessary to the proper processing of the particular requests:
   (i) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;
   (ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or
   (iii) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request, or among two or more bureaus or components of bureaus of the Department of the Treasury having substantial subject matter interest therein.

(2) Any extension or extensions of time shall not cumulatively total more than 10 days (exclusive of Saturdays, Sundays, and legal public holidays). However, if additional time is needed to process the request, the bureau shall notify the requester and provide the requester an opportunity to limit the scope of the request or arrange for an alternative time frame for processing the request or a modified request. The requester shall retain the right to define the desired scope of the request, as long as it meets the requirements contained in this subpart.

(3) Bureaus may establish multitrack processing of requests based on the amount of work or time, or both, involved in processing requests.

(4) If more than one request is received from the same requester, or from a group of requesters acting in concert, and the Department believes that such requests constitute a single request which would otherwise satisfy the unusual circumstances specified in paragraph (j)(1) of this section, and the requests involve clearly related matters, the Department may aggregate these requests for processing purposes.

(k) Failure to comply. If a bureau of the Department of the Treasury fails to comply with the time limits specified in paragraphs (h) or (i) of this section, or the time extensions of paragraph (j) of this section, any person making a request for records in accordance with §1.5 shall be considered to have exhausted administrative remedies with respect to the request. Accordingly, the person making the request may initiate suit as set forth in paragraph (l) of this section.

(l) Judicial review. If an adverse determination is made upon appeal pursuant to paragraph (i) of this section, or if no determination is made within the time limits specified in paragraphs (h) and (i) of this section, together with any extension pursuant to paragraph (j)(1) of this section or within the time otherwise agreed to by the requester, the requester may commence an action in a United States district court in the district in which he resides, in which his principal place of business is located, in which the records are situated, or in the District of Columbia, pursuant to 5 U.S.C. 552(a)(4).

(m) Preservation of records. Under no circumstances shall records be destroyed while they are the subject of a pending request, appeal, or lawsuit under the FOIA.

(n) Processing requests that are not properly addressed. A request that is not properly addressed as specified in the appropriate appendix to this subpart shall be forwarded to the appropriate bureau or bureaus for processing. If the recipient of the request does not know the appropriate bureau to forward it to, the request shall be forwarded to the Departmental Disclosure Officer (Disclosure Services, DO), who will determine the appropriate bureau. A request not addressed to the appropriate bureau will be considered to have been received for purposes of paragraph (f) of this section when the request has
been received by the appropriate bureau office as designated in the appropriate appendix to this subpart. An improperly addressed request, when received by the appropriate bureau office, shall be acknowledged by that bureau.

§ 1.6 Business information.

(a) In general. Business information provided to the Department of the Treasury by a business submitter shall not be disclosed pursuant to a Freedom of Information Act request except in accordance with this section.

(b) Notice to business submitters. A bureau shall provide a business submitter with prompt written notice of receipt of a request or appeal encompassing its business information whenever required in accordance with paragraph (c) of this section, and except as is provided in paragraph (g) of this section. Such written notice shall either describe the exact nature of the business information requested or provide copies of the records or portions of records containing the business information.

(c) When notice is required. The bureau shall provide a business submitter with notice of receipt of a request or appeal whenever:

(1) The business submitter has in good faith designated the information as commercially or financially sensitive information, or

(2) The bureau has reason to believe that disclosure of the information could reasonably be expected to cause substantial competitive harm.

(3) Notice of a request for business information falling within paragraph (c)(1) or (2) of this section shall be required for a period of not more than ten years after the date of submission unless the business submitter requests, and provides acceptable justification for, a specific notice period of greater duration.

(4) The submitter’s claim of confidentiality should be supported by a statement by an authorized representative of the company providing specific justification that the information in question is in fact confidential commercial or financial information and has not been disclosed to the public.

(d) Opportunity to object to disclosure.

(1) Through the notice described in paragraph (b) of this section, a bureau shall afford a business submitter ten days from the date of the notice (exclusive of Saturdays, Sundays, and legal public holidays) to provide the bureau with a detailed statement of any objection to disclosure. Such statement shall specify all grounds for withholding any of the information under any exemption of the Freedom of Information Act and, in the case of Exemption 4, shall demonstrate why the information is considered to be a trade secret or commercial or financial information that is privileged or confidential. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(2) When notice is given to a submitter under this section, the requester shall be advised that such notice has been given to the submitter. The requester shall be further advised that a delay in responding to the request may be considered a denial of access to records and that the requester may proceed with an administrative appeal or seek judicial review, if appropriate. However, the requester will be invited to agree to a voluntary extension of time so that the bureau may review the business submitter’s objection to disclose.

(e) Notice of intent to disclose. A bureau shall consider carefully a business submitter’s objections and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever a bureau decides to disclose business information over the objection of a business submitter, the bureau shall forward to the business submitter a written notice which shall include:

(1) A statement of the reasons for which the business submitter’s disclosure objections were not sustained;

(2) A description of the business information to be disclosed; and

(3) A specified disclosure date which is not less than ten days (exclusive of Saturdays, Sundays, and legal public holidays) after the notice of the final decision to release the requested information has been mailed to the submitter. Except as otherwise prohibited by law, a copy of the disclosure notice...
shall be forwarded to the requester at the same time.

(f) Notice of FOIA lawsuit. Whenever a requester brings suit seeking to compel disclosure of business information covered by paragraph (c) of this section, the bureau shall promptly notify the business submitter.

(g) Exception to notice requirement. The notice requirements of this section shall not apply if:

1. The bureau determines that the information shall not be disclosed;
2. The information lawfully has been published or otherwise made available to the public; or
3. Disclosure of the information is required by law (other than 5 U.S.C. 552).

§ 1.7 Fees for services.

(a) In general. This fee schedule is applicable uniformly throughout the Department of the Treasury and pertains to requests processed under the Freedom of Information Act. Specific levels of fees are prescribed for each of the following categories of requesters. Requesters are asked to identify the applicable fee category they belong to in their initial request in accordance with §1.5(b).

1. Commercial use requesters. These requesters are assessed charges which recover the full direct costs of searching for, reviewing, and duplicating the records sought. Commercial use requesters are not entitled to two hours of free search time or 100 free pages of duplication of documents. Moreover, when a request is received for disclosure that is primarily in the commercial interest of the requester, the Department is not required to consider a request for a waiver or reduction of fees based upon the assertion that disclosure would be in the public interest. The Department may recover the cost of searching for records even if there is ultimately no disclosure of records, or no records are located. Requests from persons for records about themselves filed in the Department’s systems of records shall continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for duplication, after the first 100 pages are furnished free of charge.

2. Educational and Non-Commercial Scientific Institution Requesters. Records shall be provided to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages. To be eligible, requesters must show that the request is made under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research. These categories do not include requesters who want records for use in meeting individual academic research or study requirements.

3. Requesters who are Representatives of the News Media. Records shall be provided to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages.

4. All Other Requesters. Requesters who do not fit any of the categories described above shall be charged fees that will recover the full direct cost of searching for and duplicating records that are responsive to the request, except that the first 100 pages of duplication and the first two hours of search time shall be furnished without charge. The Department may recover the cost of searching for records even if there is ultimately no disclosure of records, or no records are located. Requests from persons for records about themselves filed in the Department’s systems of records shall continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for duplication, after the first 100 pages are furnished free of charge.

(b) Fee waiver determination. Where the initial request includes a request for reduction or waiver of fees, the responsible official shall determine whether to grant the request for reduction or waiver before processing the request and notify the requester of this decision. If the decision does not waive all fees, the responsible official shall advise the requester of the fact that fees shall be assessed and, if applicable, payment must be made in advance pursuant to §1.7(e)(2).

(c) When fees are not charged. (1) No fee shall be charged for monitoring a requester’s inspection of records.

2. Fees shall be charged in accordance with the schedule contained in paragraph (g) of this section for services rendered in responding to requests for records, unless any one of the following applies:
Office of the Secretary of the Treasury § 1.7

(i) Services were performed without charge;
(ii) The cost of collecting a fee would be equal to or greater than the fee itself; or,
(iii) The fees were waived or reduced in accordance with paragraph (d) of this section.

(d) Waiver or reduction of fees. (1) Fees may be waived or reduced on a case-by-case basis in accordance with this paragraph by the official who determines the availability of the records, provided such waiver or reduction has been requested in writing. Fees shall be waived or reduced by this official when it is determined, based upon the submission of the requester, that a waiver or reduction of the fees is in the public interest because furnishing the information is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. Fee waiver/reduction requests shall be evaluated against the fee waiver policy guidance issued by the Department of Justice on April 2, 1987.

(2) Normally no charge shall be made for providing records to state or foreign governments, international governmental organizations, or local government agencies or offices.

(3) Appeals from denials of requests for waiver or reduction of fees shall be decided in accordance with the criteria set forth in paragraph (d)(1) of this section by the official authorized to decide appeals from denials of access to records. Appeals shall be addressed in writing to the office or officer specified in the appropriate appendix to this subpart within 35 days of the denial of the initial request for waiver or reduction and shall be decided within 20 days (excluding Saturdays, Sundays, and legal public holidays).

(e) Advance notice of fees. (1) When the fees for processing the request are estimated to exceed the limit set by the requester, and that amount is less than $250, the requester shall be notified of the estimated costs. The requester must provide an agreement to pay the estimated costs; however, the requester shall also be given an opportunity to reformulate the request in an attempt to reduce fees.

(2) If the requester has failed to state a limit and the costs are estimated to exceed $250.00, the requester shall be notified of the estimated costs and must pre-pay such amount prior to the processing of the request, or provide satisfactory assurance of full payment if the requester has a history of prompt payment of FOIA fees. The requester shall also be given an opportunity to reformulate the request in such a way as to constitute a request for responsive records at a reduced fee.

(3) When the Department or a bureau of the Department acts under paragraphs (e)(1) or (2) of this section, the administrative time limits of 20 days (excluding Saturdays, Sundays, and legal public holidays) from receipt of initial requests or appeals, plus extensions of these time limits, shall begin only after fees have been paid, a written agreement to pay fees has been provided, or a request has been reformulated.

(f) Form of payment. (1) Payment may be made by check or money order payable to the Treasury of the United States or the relevant bureau of the Department of the Treasury.

(2) The Department of the Treasury reserves the right to request prepayment after a request is processed and before documents are released.

(3) When costs are estimated or determined to exceed $250, the Department shall either obtain satisfactory assurance of full payment of the estimated cost where the requester has a history of prompt payment of FOIA fees or require a requester to make an
advance payment of the entire estimated or determined fee before continuing to process the request.

(4) If a requester has previously failed to pay a fee within 30 days of the date of the billing, the requester shall be required to pay the full amount owed plus any applicable interest, and to make an advance payment of the full amount of the estimated fee before the Department begins to process a new request or the pending request. Whenever interest is charged, the Department shall begin assessing interest on the 31st day following the day on which billing was sent. Interest shall be at the rate prescribed in 31 U.S.C. 3717. In addition, the Department shall take all steps authorized by the Debt Collection Act of 1982, as amended by the Debt Collection Improvement Act of 1996, including administrative offset pursuant to 31 CFR Part 5, disclosure to consumer reporting agencies and use of collection agencies, to effect payment.

(g) Amounts to be charged for specific services. The fees for services performed by a bureau of the Department of the Treasury shall be imposed and collected as set forth in this paragraph.

(1) Duplicating records. All requesters, except commercial requesters, shall receive the first 100 pages duplicated without charge. Absent a determination to waive fees, a bureau shall charge requesters as follows:

(i) $.20 per page, up to 8½ × 14″, made by photocopy or similar process.

(ii) Photographs, films, and other materials—actual cost of duplication.

(iii) Other types of duplication services not mentioned above—actual cost.

(iv) Material provided to a private contractor for copying shall be charged to the requester at the actual cost charged by the private contractor.

(2) Search services. Bureaus shall charge for search services consistent with the following:

(i) Searches for other than electronic records. The Department shall charge for search time at the salary rate(s) (i.e., basic pay plus 16 percent) of the employee(s) making the search. However, where a single class of personnel is used exclusively (e.g., all administrative/clerical, or all professional/executive), an average rate for the range of grades typically involved may be established. Fees may be charged for search time as prescribed in §1.7, even if the search does not yield any responsive records, or if records are denied.

(ii) Searches for electronic records. The Department shall charge for actual direct cost of the search, including computer search time, runs, and the operator’s salary. The fee for computer output shall be actual direct costs. For requesters in the “all other” category, when the cost of the search (including the operator time and the cost of operating the computer to process a request) equals the equivalent dollar amount of two hours of the salary of the person performing the search (i.e., the operator), the charge for the computer search will begin.

(3) Review of records. The Department shall charge commercial use requesters for review of records at the salary rate(s) (i.e., basic pay plus 16 percent) of the employee(s) making the review. However, when a single class of personnel is used exclusively (e.g., all administrative/clerical, or all professional/executive), an average rate for the range of grades typically involved may be established. Fees may be charged for review time as prescribed in §1.7, even if records ultimately are not disclosed.

(4) Inspection of records. Fees for all services provided shall be charged whether or not copies are made available to the requester for inspection.

(5) Other services. Other services and materials requested which are not covered by this part nor required by the FOIA are chargeable at the actual cost to the Department. This includes, but is not limited to:

(i) Certifying that records are true copies;

(ii) Sending records by special methods such as express mail, etc.

(h) Aggregating requests. When the Department or a bureau of the Department reasonably believes that a requester or group of requesters is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the agency shall aggregate any such requests and charge accordingly.

The regulations in this subpart concern access to information and records other than under 5 U.S.C. 552. This subpart is applicable to the Departmental Offices and to the bureaus of the Department as defined in §1.1(a) of this part, except to the extent that bureaus of the Department have adopted separate guidance governing the subject matter of a provision of this subpart.

[69 FR 54003, Sept. 7, 2004]

§ 1.9 Records not to be otherwise withdrawn or disclosed.

Except in accordance with this part, or as otherwise authorized, Treasury Department officers and employees are prohibited from making records or duplicates available to any person who is not an officer or employee of the Department, and are prohibited from withdrawing any such records or duplicates from the files, possession or control of the Department.

[69 FR 54003, Sept. 7, 2004]

§ 1.10 Oral information.

(a) Officers and employees of the Department may, in response to requests, orally provide information contained in records of the Department that are determined to be available to the public. If the obtaining of such information requires a search of records, a written request and the payment of the fee for a record search set forth in §1.6 will be required.

(b) Information with respect to activities of the Department not a matter of record shall not be disclosed if the information involves matters exempt from disclosure under 5 U.S.C. 552 or the regulations in this part, or if the disclosure of such information would give the person requesting the information advantages not accorded to other citizens.

[69 FR 54003, Sept. 7, 2004]

§ 1.11 Testimony or the production of records in a court or other proceeding.

(a) Applicability. (1) This section sets forth the policies and procedures of the Department regarding the testimony of employees and former employees as witnesses in legal proceedings and the production or disclosure of information contained in Department documents for use in legal proceedings pursuant to a request, order, or subpoena (collectively referred to in this subpart as a demand).

(2) This section does not apply to any legal proceeding in which an employee is to testify while on leave status regarding facts or events that are unrelated to the official business of the Department.

(3)(i) Nothing in this section affects the rights and procedures governing public access to records pursuant to the Freedom of Information Act (5 U.S.C. 552) or the Privacy Act (5 U.S.C. 552a).

(ii) Demands in legal proceedings for the production of records, or for the testimony of Department employees regarding information protected by the Privacy Act (5 U.S.C. 552a), the Trade Secrets Act (18 U.S.C. 1905) or other confidentiality statutes, must satisfy the requirements for disclosure set forth in those statutes and the applicable regulations of this part before the records may be provided or testimony given.

(b) Definitions. For purposes of this section:

(1) Agency counsel means:

(i) With respect to the Departmental Offices, the General Counsel or his or her designee; or
(i) With respect to a bureau or office of the Department, the Chief Counsel or Legal Counsel (or his or her designee) of such bureau or office.

(2) Demand means a request, order, or subpoena for testimony or documents related to or for possible use in a legal proceeding.

(3) Department means the United States Department of the Treasury.

(4) Document means any record or other property, no matter what media and including copies thereof, held by the Department, including without limitation, official letters, telegrams, memoranda, reports, studies, calendar and diary entries, maps, graphs, pamphlets, notes, charts, tabulations, analyses, statistical or informational accumulations, any kind of summaries of meetings and conversations, film impressions, magnetic tapes and sound or mechanical reproductions.

(5) Employee means all employees or officers of the Department, including contractors and any other individuals who have been appointed by, or are subject to the supervision, jurisdiction or control of the Secretary, as well as the Secretary of the Treasury. The procedures established within this subpart also apply to former employees of the Department where specifically noted.

(6) General Counsel means the General Counsel of the Department or other Department employee to whom the General Counsel has delegated authority to act under this subpart.

(7) Legal proceeding means all pre-trial, trial and post trial stages of all existing or reasonably anticipated judicial or administrative actions, hearings, investigations, or similar proceedings before courts, commissions, boards, grand juries, or other tribunals, foreign or domestic. This phrase includes all phases of discovery as well as responses to formal or informal requests by attorneys or others involved in legal proceedings.

(8) Official business means the authorized business of the Department.

(9) Secretary means the Secretary of the Treasury.

(10) Testimony means a statement in any form, including personal appearances before a court or other legal tribunal, interviews, depositions, telephonic, televised, or videotaped statements or any responses given during discovery or similar proceedings, which response would involve more than the production of documents.

(c) Department policy. No current or former employee shall, in response to a demand, produce any Department documents, provide testimony regarding any information relating to or based upon Department documents, or disclose any information or produce materials acquired as part of the performance of that employee’s official duties or official status, without the prior authorization of the General Counsel or the appropriate agency counsel.

(d) Procedures for demand for testimony or production of documents. (1) A demand directed to the Department for the testimony of a Department employee or for the production of documents shall be served in accordance with the Federal Rules of Civil Procedure, Federal Rules of Criminal Procedure, or applicable state procedures and shall be directed to the General Counsel, Department of the Treasury, 1500 Pennsylvania Avenue, NW., Washington, DC 20220, or to the Chief or Legal Counsel of the concerned Department component. Acceptance of a demand shall not constitute an admission or waiver with respect to jurisdiction, propriety of service, improper venue, or any other defense in law or equity available under the applicable laws or rules.

(2) A subpoena or other demand for testimony directed to an employee or former employee shall be served in accordance with the Federal Rules of Civil or Criminal Procedure or applicable State procedure and a copy of the subpoena shall be sent to agency counsel.

(3)(i) In court cases in which the United States or the Department is not a party, where the giving of testimony or the production of documents by the Department, or a current or former employee is desired, an affidavit (or if that is not feasible, a statement) by the litigant or the litigant’s attorney, setting forth the information with respect to which the testimony or production is desired, must be submitted
§1.11

31 CFR Subtitle A (7–1–16 Edition)

in order to obtain a decision concerning whether such testimony or production will be authorized. Such information shall include: the title of the legal proceeding, the forum, the requesting party’s interest in the legal proceeding, the reason for the demand, a showing that other evidence reasonably suited to the requester’s needs is not available from any other source and, if testimony is requested, the intended use of the testimony, a general summary of the desired testimony, and a showing that no document could be provided and used in lieu of testimony. The purpose of this requirement is to assist agency counsel in making an informed decision regarding whether testimony or the production of document should be authorized. Permission to testify or produce documents will, in all cases, be limited to the information set forth in the affidavit or statement, or to such portions thereof as may be deemed proper.

(ii) Agency counsel may consult or negotiate with an attorney for a party, or the party if not represented by an attorney, to refine or limit a demand so that compliance is less burdensome or obtain information necessary to make the determination required by paragraph (e) of this section. Failure of the attorney or party to cooperate in good faith to enable agency counsel to make an informed determination under this subpart may serve, where appropriate, as a basis for a determination not to comply with the demand.

(iii) A determination under this subpart to comply or not to comply with a demand is without prejudice as to any formal assertion or waiver of privilege, lack of relevance, technical deficiency or any other ground for noncompliance.

(iv) Employees shall immediately refer all inquiries and demands made on the Department to agency counsel. Agency counsel will determine the manner in which to respond to the subpoena.

(e) Factors to be considered by agency counsel. (1) In deciding whether to authorize the release of official information or the testimony of personnel concerning official information (hereafter referred to as “the disclosure”) agency counsel shall consider the following factors:

(i) Whether the request or demand is unduly burdensome;

(ii) Whether the request would involve the Department in controversial issues unrelated to the Department’s mission;

(iii) Whether the time and money of the United States would be used for private purposes;

(iv) The extent to which the time of employees for conducting official business would be compromised;

(v) Whether the public might misconstrue variances between personal opinions of employees and Department policy;

(vi) Whether the number of similar requests would have a cumulative effect on the expenditure of agency resources;

(vii) Whether disclosure otherwise would be inappropriate under the circumstances; and

(ix) Any other factor that is appropriate.

(2) Among those demands and requests in response to which compliance will not ordinarily be authorized are those with respect to which any of the following factors exists:

(i) The disclosure would violate a statute, Executive order, or regulation;

(ii) The integrity of the administrative and deliberative processes of the Department would be compromised;

(iii) The disclosure would not be appropriate under the rules of procedure governing the case or matter in which the demand arose;

(iv) The disclosure, including release in camera, is not appropriate or necessary under the relevant substantive law concerning privilege;

(v) The disclosure, except when in camera and necessary to assert a claim of privilege, would reveal information properly classified or other matters exempt from unrestricted disclosure; or

(vi) The disclosure would interfere with ongoing enforcement proceedings,
compromise constitutional rights, reveal the identity of an intelligence source or confidential informant, or disclose trade secrets or similarly confidential commercial or financial information.

(f) Requests for opinion or expert testimony.

(1) Subject to 5 CFR 2635.805, an employee or former employee shall not provide, with or without compensation, opinion or expert testimony concerning official information, subjects, or activities, except on behalf of the United States or a party represented by the Department of Justice, without written approval of agency counsel.

(2) Upon a showing by the requestor of exceptional need or unique circumstances and that the anticipated testimony will not be adverse to the interests of the Department or the United States, agency counsel may, in writing, grant authorization for an employee, or former employee, to appear and testify at no expense to the United States.

(3) Any expert or opinion testimony by a former employee of the Department shall be excepted from § 1.11(f)(1) where the testimony involves only general expertise gained while employed at the Department.

(g) Procedures when agency counsel directs an employee not to testify or provide documents.

(1) If agency counsel determines that an employee or former employee should not comply with a subpoena or other request for testimony or the production of documents, agency counsel will so inform the employee and the party who submitted the subpoena or made the request.

(2) If, despite the determination of the agency counsel that testimony should not be given and/or documents not be produced, a court of competent jurisdiction or other appropriate authority orders the employee or former employee to testify and/or produce documents, the employee shall notify agency counsel of such order.

(i) If agency counsel determines that no further legal review of, or challenge to, the order will be sought, the employee or former employee shall comply with the order.

(ii) If agency counsel determines to challenge the order, or that further legal review is necessary, the employee or former employee should not comply with the order. Where necessary, the employee should appear at the time and place set forth in the subpoena. If legal counsel cannot appear on behalf of the employee, the employee should produce a copy of this subpart and respectfully inform the legal tribunal that he/she has been advised by counsel not to provide the requested testimony and/or produce documents. If the legal tribunal rules that the subpoena must be complied with, the employee shall respectfully decline to comply, citing this section and United States v. Touhey v. Ragen, 340 U.S. 462 (1951).

§ 1.12 Regulations not applicable to official request.

The regulations in this part shall not be applicable to official requests of other governmental agencies or officers thereof acting in their official capacities, unless it appears that granting a particular request would be in violation of law or inimical to the public interest. Cases of doubt should be referred for decision to agency counsel (as defined in § 1.11(b)(1)).

§ 1.20 Purpose and scope of regulation.

The regulations in this subpart are issued to implement the provisions of the Privacy Act of 1974 (5 U.S.C. 552a). The regulations apply to all records which are contained in systems of records maintained by the Department of the Treasury and which are retrieved by an individual’s name or personal identifier. They do not relate to those personnel records of Government employees, which are under the jurisdiction of the Office of Personnel Management to the extent such records are subject to regulations issued by such OPM. In the event of any actual or apparent inconsistency, these Departmental regulations shall govern. Persons interested in the records of a particular component should, therefore, also consult the Code of Federal Regulations for any rules or regulations promulgated specifically with respect to that component (see Appendices to this subpart for cross references). (b) Requests for information from individuals. Subject to 5 U.S.C. 552a(j) and §1.23(c)(1), each component of the Treasury shall inform each individual whom it asks to supply information, on the form which it uses to collect the information or on a separate form that can be retained by the individual:

(1) The authority (whether granted by statute, or by Executive order of the President) which authorizes the solicitation of the information and whether disclosure of such information is mandatory or voluntary;

(2) The principal purpose or purposes for which the information is intended to be used;

(3) The routine uses which may be made of the information, as published pursuant to 5 U.S.C. 552a(e)(4)(D); and

(4) The effects on such individual, if any, of not providing all or any part of the requested information. (See 5 U.S.C. 552a(e)(3)).

(c) Report on new systems. Each component of the Treasury shall provide adequate advance notice to Congress and the Office of Management and Budget through the Disclosure Branch and Administration Section of the Office of the General Counsel of any proposal to establish or alter any system of records in order to permit an evaluation of the probable or potential effect of such proposal on the privacy and other personal or property rights of individuals or the disclosure of information relating to such individuals, and its effect on the preservation of the constitutional principles of federalism and separation of powers. (See 5 U.S.C. 552a(o)).

(d) Accurate and secure maintenance of records. Each component shall:

(1) Subject to 5 U.S.C. 552a(j) and §1.23(c)(1), maintain all records which are used in making any determination about any individual with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination (see 5 U.S.C. 552a(e)(5));

(2) Prior to disseminating any record about an individual to any person other than an agency, unless the dissemination is made pursuant to 5 U.S.C. 552 (see 31 CFR part 1, subpart A), make reasonable efforts to assure that such records are accurate, complete, timely, and relevant for Department of the Treasury purposes (see 5 U.S.C. 552a(e)(6)) and

(3) Establish appropriate administrative, technical, and physical safeguards to insure the security and confidentiality of records and to protect against any anticipated threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience, or unfairness to any individual on whom information is maintained. (See 5 U.S.C. 552a(e)(10)).

(i) System managers, with the approval of the head of their offices within a component, shall establish administrative and physical controls, consistent with Department regulations, to insure the protection of records systems from unauthorized access or disclosure and from physical damage or destruction. The controls instituted shall be proportional to the degree of sensitivity of the records but at a minimum must insure that records other than those available to the general public under the Freedom of Information Act (5 U.S.C. 552), are protected from public view, that the area in which the records are stored is supervised during all business hours and physically secure during nonbusiness hours to prevent unauthorized personnel from obtaining access to the records. Automated systems shall comply with the security standards promulgated by the National Bureau of Standards.

(ii) System managers, with the approval of the head of their offices within a component, shall adopt access restrictions to insure that only those individuals within the agency who have a need to have access to the records for the performance of their duties have access to them. Procedures shall also
be adopted to prevent accidental access to, or dissemination of, records.

(e) Prohibition against maintenance of records concerning First Amendment rights. No component shall maintain a record describing how any individual exercises rights guaranteed by the First Amendment (e.g. speech), unless the maintenance of such record is:

(1) Expressly authorized by statute, or
(2) Expressly authorized by the individual about whom the record is maintained, or
(3) Pertinent to and within the scope of an authorized law enforcement activity. (See 5 U.S.C. 552a (e)(7))

(f) Notification of disclosure under compulsory legal process. Subject to 5 U.S.C. 552a (j) and §1.23(c)(1), when records concerning an individual are subpoenaed by a Grand Jury, Court, or quasi-judicial agency, or disclosed in accordance with an ex parte court order pursuant to 26 U.S.C. 6103(i), the official served with the subpoena or court order shall make reasonable efforts to assure that notice of any disclosure is provided to the individual. Notice shall be provided within five working days of making the records available under compulsory legal process or, in the case of a Grand Jury subpoena or an ex parte order, within five days of its becoming a matter of public record. Notice shall be mailed to the last known address of the individual and shall contain the following information: the date and authority to which the subpoena is, or was returnable, or the date of and court issuing the ex parte order, within five days of its becoming a matter of public record. Notice shall include:

(i) The name and location of the system;
(ii) The categories of individuals on whom records are maintained in the system;
(iii) The categories of records maintained in the system;
(iv) Each routine use of the records contained in the system, including the categories of users and the purpose of such use;
(v) The policies and practices of the component regarding storage, retrievability, access controls, retention, and disposal of the records;
(vi) The title and business address of the Treasury official who is responsible for the system of records;
(vii) The procedures of the component whereby an individual can be notified if the system of records contain a

record pertaining to the individual, including reasonable times, places, and identification requirements.

(viii) The procedures of the component whereby an individual can be notified on how to gain access to any record pertaining to such individual that may be contained in the system of records, and how to contest its content; and

(ix) The categories of sources of records in the system. (See 5 U.S.C. 552a(e)(4))

(b) Notice of new or modified routine uses to be published in the FEDERAL REGISTER. At least 30 days prior to a new use or modification of a routine use, as published under paragraph (a)(3)(iv) of this section, each component shall publish in the Federal Register notice of such new or modified use of the information in the system and provide an opportunity for interested persons to submit written data, views, or arguments to the components. (See 5 U.S.C. 552a(e)(11))

(c) Promulgation of rules exempting systems from certain requirements—(1) General exemptions. In accordance with existing procedures applicable to a Treasury component’s issuance of regulations, the head of each such component may adopt rules, in accordance with the requirements (including general notice) of 5 U.S.C. 553 (b) (1), (2), and (3), (c) and (e), to exempt any system of records within the component from any part of 5 U.S.C. 552a and these regulations except subsections (b) (sec. 1.24, conditions of disclosure), (c)(1) (sec. 1.25, keep accurate accounting of disclosures), (c)(2) (sec. 1.25, retain accounting for five years or life of record), (e)(4) (A) through (F) (paragraph (a) of this section, publication of annual notice of systems of records), (e)(6) (sec. 1.22(d), accuracy of records prior to dissemination), (e)(7) (sec. 1.22(e), maintenance of records on First Amendment rights), (e)(9) (sec. 1.28, establish rules of conduct), (e)(10) (sec. 1.22(d)(3), establish safeguards for records), (e)(11) (paragraph (c) of this section, publish new intended use), and (i) (sec. 1.28(c), criminal penalties) if the systems of records maintained by the component which performs as its principal function any activity pertaining to the enforcement of criminal laws, including police efforts to prevent, control, or reduce crime or to apprehend criminals, and the activities of prosecutors, courts, correctional, probation, pardon, or parole authorities, and which consists of:

(i) Information compiled for the purpose of identifying individual criminal offenders and alleged offenders and consisting only of identifying data and notations of arrests, the nature and disposition of criminal charges, sentencing, confinement, release, and parole, and probation status;

(ii) Information compiled for the purpose of a criminal investigation, including reports of informants and investigators, and associated with an identifiable individual; or

(iii) Reports identifiable to an individual compiled at any stage of the process of enforcement of the criminal laws from arrest or indictment through release from supervision. (See 5 U.S.C. 552a(j))

(2) Specific exemptions. In accordance with existing procedures applicable to a Treasury component’s issuance of regulations, the head of each such component may adopt rules, in accordance with the requirements (including general notice) of 5 U.S.C. 553 (b) (1), (2), and (3), (c), and (e), to exempt any system of records within the component from 5 U.S.C. 552a(c)(3) (sec. 1.25(c)(2), accounting of certain disclosures available to the individual), (d) (sec. 1.26(a), access to records), (e)(1) (sec. 1.22(a)(1), maintenance of information to accomplish purposes authorized by statute or executive order only), (e)(4)(G) (paragraph (a)(7) of this section, publication of procedures for notification), (e)(4)(H) (paragraph (a)(8) of this section, publication of procedures for access and contest), (e)(4)(I) (paragraph (a)(9) of this section, publication of sources of records), and (f) (sec. 1.26, promulgate rules for notification, access and contest), if the system of records is:

(i) Subject to the provisions of 5 U.S.C. 552(b)(1);

(ii) Investigatory material compiled for law enforcement purposes, other than material within the scope of subsection (j)(2) of 5 U.S.C. 552a and paragraph (a)(1) of this section. If any individual is denied any right, privilege, or
benefit that such individual would otherwise be entitled to by Federal law, or for which such individual would otherwise be eligible, as a result of the maintenance of this material, such material shall be provided to the individual, except to the extent that the disclosure of the material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence;

(iii) Maintained in connection with providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056;

(iv) Required by statute to be maintained and used solely as statistical records;

(v) Investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, or access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence;

(vi) Testing or examination material used solely to determine individual qualifications for appointment or promotion in the Federal service the disclosure of which would compromise the objectivity or fairness of the testing or examination process;

(vii) Evaluation material used to determine potential for promotion in the armed services, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence.

(3) At the time that rules under this subsection are adopted, the head of the component shall include in the statement required under 5 U.S.C. 553(c) the reasons why the system of records is to be exempted from a provision of 5 U.S.C. 552a and this part. (See 5 U.S.C. 552a (j) and (k))

(d) Review and report to OMB. The Department shall ensure that the following reviews are conducted as often as specified below by each of the components who shall be prepared to report to the Departmental Disclosure Branch upon request the results of such reviews and any corrective action taken to resolve problems uncovered. Each component shall:

(1) Review every two years a random sample of the component’s contracts that provide for the maintenance of a system of records on behalf of the component to accomplish a function of the component, in order to ensure that the working of each contract makes the provisions of the Act apply. (5 U.S.C. 552a(m)(1))

(2) Review annually component’s recordkeeping and disposal policies and practices in order to assure compliance with the Act.

(3) Review routine use disclosures every 3 years, that are associated with each system of records in order to ensure that the recipient’s use of such records continues to be compatible with the purpose for which the disclosing agency originally collected the information.

(4) Review every three years each system of records for which the component has issued exemption rules pursuant to section (j) or (k) of the Privacy Act in order to determine whether the exemption is needed.

(5) Review annually each ongoing matching program in which the component has participated during the year, either as a source or as a matching agency in order to assure that the requirements of the Act, the OMB Matching Guidelines, and the OMB Model Control System and checklist have been met.

(6) Review component’s training practices annually to ensure that all component personnel are familiar with the requirements of the Act, these regulations and Departmental directives.

(7) Review annually the actions of component personnel that have resulted either in the agency being found
§ 1.24 Disclosure of records to person other than the individual to whom they pertain.

(a) Conditions of disclosure. No component of Treasury shall disclose any record which is contained in a system of records maintained by it by any means of communication to any person, or to another agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, or the parent, if a minor, or legal guardian, if incompetent, of such individual, unless disclosure of the record would be:

(1) To those offices and employees of the Department of the Treasury who have a need for the record in the performance of their duties;

(2) Retired under 5 U.S.C. 552 (subpart A of this part);

(3) For a routine use as defined in 5 U.S.C. 552a(a)(7) and §1.21(g) and as described under 5 U.S.C. 552a(e)(4)(D) and §1.23(a)(4);

(4) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of title 13 of the U.S. Code;

(5) To a recipient who has provided the component with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(6) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Administrator of General Services or the designee of such official to determine whether the record has such value;

(7) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity.

(i) If the activity is authorized by law; and

(ii) If the head of the agency or instrumentality has made a written request to the Department of the Treasury specifying the particular portion desired and the law enforcement activities for which the record is sought;

(8) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual, if upon such disclosure, notification is transmitted to the last known address of such individual;

(9) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee.

(10) To the Comptroller General, or the authorized representatives of such official, in the course of the performance of the duties of the General Accounting Office; or

(11) Pursuant to the order of a court of competent jurisdiction. (See 5 U.S.C. 552a(b))

§ 1.25 Accounting of disclosures.

(a) Accounting of certain disclosures. Each component, with respect to each system of records under its control, shall:

(1) Keep an accurate accounting of:

(i) The date, nature, and purpose of each disclosure of a record to any person or to an agency made under 5
§ 1.26 Procedures for notification and access to records pertaining to individuals—format and fees for request for access.

(a) Procedures for notification and access. Each component shall establish, in accordance with the requirements of 5 U.S.C. 553, and set forth in the appendix to this subpart applicable to such component procedures whereby an individual can be notified, in response to a request, if any system of records named by the individual contains a record pertaining to that individual. In addition, such procedures shall set forth the requirements for access to such records. As a minimum such procedures shall specify the times during, and the places at which access will be accorded, together with such identification as may be required of the individual before access. (See 5 U.S.C. 552a(f)(1), (2) and (3))

(b) Access. Each component in accordance with the procedures prescribed under paragraph (a) of this section, shall allow an individual to gain access to records or to any information pertaining to such individual which is contained in the system of records upon request. The individual shall be permitted to review the record and have a copy made of all or any portion of the
record in a form that is comprehensible. The individual will also be permitted to be accompanied by any person of the individual’s choosing to review the record, except that the agency may require the individual to furnish a written statement authorizing discussion of that individual’s record in the accompanying person’s presence. (See 5 U.S.C. 552a(d)(1))

(c) Exceptions. Neither the procedures prescribed under paragraph (a) of this section nor the requirements for access under paragraph (b) of this section shall be applicable to—(1) systems of records exempted pursuant to 5 U.S.C. 552a (j) and (k) and §1.23(c); (2) information compiled in reasonable anticipation of a civil action or proceeding (See 5 U.S.C. 552(d)(5)); or (3) information pertaining to an individual which is contained in, and inseparable from, another individual’s record.

(d) Format of request. (1) A record for notification of whether a record exists shall:

(i) Be made in writing and signed by the person making the request, who must be the individual about whom the record is maintained, or such individual’s duly authorized representative (See §1.34);

(ii) State that it is made pursuant to the Privacy Act, 5 U.S.C. 552a or these regulations, have marked “Privacy Act Request” on the request and on the envelope;

(iii) Give the name of the system or subsystem or categories of records to which access is sought, as specified in “Privacy Act Issuances” published by the Office of the Federal Register and referenced in the appendices to this subpart;

(iv) Describe the nature of the record(s) sought in sufficient detail to enable Department personnel to locate the system of records containing the record with a reasonable amount of effort. Whenever possible, a request for access should describe the nature of the record sought, the date of the record or the period in which the record was compiled.

(v) Provide such identification of the requester as may be specified in the appropriate appendix to this subpart; and

(vi) Be addressed or delivered in person to the office or officer of the component indicated for the particular system or subsystem or categories of records the individual wishes access to, as specified in “Privacy Act Issuances” published by the Office of the Federal Register and referenced in the appendices to this subpart. Assistance in ascertaining the appropriate component or in preparing a request for notification may be obtained by a written request to this effect addressed as specified in Appendix A of this part, as the address for the Departmental Offices for “Request for notification and access to records and accountings of disclosures”.

(2) A request for access to records shall, in addition to complying with paragraph (a)(1)(i) through (vi) of this section:

(i) State whether the requester wishes to inspect the records or desires to have a copy made and furnished without first inspecting them;

(ii) If the requester desires to have a copy made, state the firm agreement of the requester to pay the fees for duplication ultimately determined in accordance with (31 CFR 1.6) Subpart A of this title, unless such fees are waived pursuant to that section by the system manager or other appropriate official as indicated in the appropriate appendix to these regulations; and

(iii) Comply with any other requirement set forth in the applicable appendix to this subpart or the “Notice of Records Systems” applicable to the system in question. Requesters are hereby advised that any request for access which does not comply with the foregoing requirements and those set forth elsewhere in this Subpart C, will not be deemed subject to the time constraints of this section, unless and until amended so as to comply. However, components shall advise the requester in what respect the request is deficient so that it may be processed. This section applies only to records which are contained in a system of records and which are in the possession or control of the component. (See 5 U.S.C. 552a (d) and (f))

(e) Requests for records not in control of component. (1) Treasury employees shall make reasonable efforts to assist an oral requester to ascertain to which office or officer a written request
§ 1.26

Office of the Secretary of the Treasury

should be sent. When the request is for a record which is not in the possession or control of any component of the Department of the Treasury, the requester shall be so advised.

(2) Where the record requested was created by a Department or agency other than the Department of the Treasury or a component of the Department and has been classified (e.g. National Defense or Intelligence Information) or otherwise restrictively endorsed (e.g. Office of Personnel Management records of FBI reports) by such other Department or agency, and a copy is in the possession of a component of the Department of the Treasury, that portion of the request shall be referred to the originating agency for determination as to all issues in accordance with the Privacy Act. In the case of a referral to another agency under this paragraph, the requester shall be notified that such portion of the request has been so referred and that the requester may expect to hear from that agency.

(3) When information sought from a system manager or other appropriate official in the Department of the Treasury includes information furnished by other Federal agencies not classified or otherwise restrictively endorsed, the system manager or other appropriate official maintaining the record shall consult with the appropriate agency prior to making a decision to disclose or not to disclose the record. The decision as to whether the record shall be disclosed shall be made, in the first instance by the system manager or other appropriate official maintaining the record. (See 5 U.S.C. 552a (d) and (f))

(g) Notification of determination—(1) In general. Notification of determinations as to notification of whether a record exists or as to whether to grant access to records requested will be made by the officers designated in the appendices to this subpart. The notification of the determination shall be mailed within 30 days (excluding Saturdays, Sundays and legal public holidays) after the date of receipt of the request, as determined in accordance with paragraph (f) of this section. If it is not possible to respond within 30 days, the designated officer shall inform the requester, stating the reason for the delay (e.g. volume of records requested, scattered location of the records, need to consult other agencies, or the difficulty of the legal issues involved) and when a response will be dispatched. (See 5 U.S.C. 552a (d) and (f))

(2) Granting of access. When it has been determined that the request for access will be granted—(i) and a copy requested; such copy in a form comprehensible to the requester shall be furnished promptly, together with a statement of the applicable fees for duplication; and (ii) and the right to inspect has been requested, the requester shall be promptly notified in writing of the determination, and when and where the requested records may be inspected. An individual seeking to inspect such records may be accompanied by another person of such individual’s choosing. The individual seeking access shall be required to sign the required form indicating that the Department of the Treasury is authorized to discuss the contents of the subject record in the accompanying person’s presence. If, after making the inspection, the individual making the request desires a copy of all or a portion of the requested records, such copy in a form comprehensible to the individual shall be furnished upon payment of the applicable fees for duplication. Fees to be charged are as prescribed by 31 CFR part 1, Subpart A, §1.6 Fees shall not be charged where they would amount, in the aggregate, to less than $3.00. (See 5 U.S.C. 552a (d) and (f))

(3) Requirements for access to medical records. When access is requested to medical records, including psychological records, the responsible official
may determine that such release could have an adverse effect on the individual and that release will be made only to a physician authorized in writing to have access to such records by the individual making the request. Upon receipt of the authorization the physician will be permitted to review the records or to receive copies of the records by mail, upon proper verification of identity. (See 5 U.S.C. 552a (f) (3))

(4) Denial of request. When it is determined that the request for notification of whether a record exists or access to records will be denied (whether in whole or part or subject to conditions or exceptions), the person making the request shall be so notified by mail in accordance with paragraph (g)(1) of this section. The letter of notification shall specify the city or other location where the requested records are situated (if known), contain a statement of the reasons for not granting the request as made, set forth the name and title or position of the responsible official and advise the individual making the request of the right to file suit in accordance with 5 U.S.C. 552a (g)(1)(B).

(5) Prohibition against the use of 5 U.S.C. 552 (b) exemptions. Exemptions from disclosure under 5 U.S.C. 552 (b) (31 CFR part 1, Subpart A, §1.2 (c)), may not be invoked for the purpose of withholding from an individual any record which is otherwise accessible to such individual under the Privacy Act, 5 U.S.C. 552a and this subpart. (See 5 U.S.C. 552a (q))

(6) Records exempt in whole or in part.

(i) When an individual requests notification as to whether a record exists or access to records concerning the individual which have been exempted from individual access pursuant to 5 U.S.C. 552a (j) or which have been compiled in reasonable anticipation of a civil action or proceeding in either a court or before an administrative tribunal and the assertion of the exemption is deemed necessary, the Department of the Treasury will neither confirm nor deny the existence of the record but shall advise the individual only that no record available to the individual pursuant to the Privacy Act of 1974 has been identified.

(ii) Requests from individuals for access to records which have been exempted from access pursuant to 5 U.S.C. 552a (k) shall be processed as follows:

(A) Requests for information classified pursuant to Executive Orders 12958, 13526, or successor or prior Executive Orders require the responsible component of the Department to review the information to determine whether it continues to warrant classification pursuant to an Executive Order. Information which no longer warrants classification under these criteria shall be declassified and made available to the individual. If the information continues to warrant classification, the individual shall be advised that the information sought is classified, that it has been reviewed and continues to warrant classification, and that it has been exempted from access pursuant to 5 U.S.C. 552 (b)(1) and 5 U.S.C. 552a (k)(1). Information which has been exempted pursuant to 5 U.S.C. 552a (j) and which is also classified shall be reviewed as required by this paragraph but the response to the individual shall be in the form prescribed by paragraph (g)(6)(1) of this section.

(B) Requests for information which has been exempted from disclosure pursuant to 5 U.S.C. 552a (k)(2) shall be responded to in the manner provided in paragraph (g)(6)(1) of this section unless the requester shows that the information has been used or is being used to deny the individual any right, privilege or benefit for which he is eligible or to which he would otherwise be entitled under federal law. In that event, the individual shall be advised of the existence of the information but such information as would identify a confidential source shall be extracted or summarized in a manner which protects the source to the maximum degree possible and the summary extract shall be provided to the requesting individual.

(C) Information compiled as part of an employee background investigation which has been exempted pursuant to 5 U.S.C. 552a (k)(5) shall be made available to an individual upon request except to the extent that it identifies the confidential source. Material identifying the confidential sources shall be
extracted or summarized in a manner which protects the source to the maximum degree possible and the summary or extract shall be provided to the requesting individual.

(D) Testing or examination material which has been exempted pursuant to 5 U.S.C. 552a (k)(6) shall not be made available to an individual if disclosure would compromise the objectivity or fairness of the testing or examination process; but may be made available if no such compromise possibility exists. (See 5 U.S.C. 552a (d)(5), (j) and (k)).

[52 FR 26305, July 14, 1987, as amended at 76 FR 4817, Jan. 27, 2011]

§ 1.27 Procedures for amendment of records pertaining to individuals—format, agency review and appeal from initial adverse agency determination.

Subject to the application of exemptions promulgated by the head of each component, in accordance with §1.23(c), and subject to §1.27(f), each component of the Department of the Treasury, shall in conformance with 5 U.S.C. 552a(d)(2), permit an individual to request amendment of a record pertaining to such individual. Any request for amendment of records or any appeal that does not fully comply with the requirements of this section and any additional specific requirements imposed by the component in the applicable appendix to this subpart will not be deemed subject to the time constraints of paragraph (e) of this section, unless and until amended so as to comply. However, components shall advise the requester in what respect the request or appeal is deficient so that it may be resubmitted or amended. (See 5 U.S.C. 552a (d) and (f))

(b) Form of request to amend records. In order to be subject to the provisions of this section, a request to amend records shall:

4. Reasonably describe the records which the individual desires to have amended, including, to the best of the requester’s knowledge, dates of letters requesting access to such records previously and dates of letters in which notification concerning access was made, if any, and the individual’s documentation justifying the correction. (See U.S.C. 552a (d) and (f))

(c) Date of receipt of request. A request for amendment of records pertaining to an individual shall be deemed to have been received for purposes of this subpart when the requirements of paragraph (b) of this section have been satisfied. The receiving office or officer shall stamp or otherwise endorse the date of receipt of the request. (See 5 U.S.C. 552a (d) and (f))

(d) Review of requests to amend records. Officials responsible for review of requests to amend records pertaining to an individual, as specified in the appropriate appendix to this subpart, shall:

1. Not later than 10 days (excluding Saturdays, Sundays, and legal public holidays) after the date of receipt of such request, acknowledge in writing the request or appeal is deficient so that it may be resubmitted or amended. (See 5 U.S.C. 552a (d) and (f))

2. Promptly, either—(i) Make any correction of any portion which the individual believes and the official agrees is not accurate, relevant, timely, or complete; or

(ii) Inform the individual of the refusal to amend the record in accordance with the individual’s request, the reason for the refusal, and the name and business address of the officer designated in the applicable appendix to this subpart, as the person who is to review such refusal. (See 5 U.S.C. 552a (d) and (f))

(e) Administrative appeal—(1) In general. Each component shall permit individuals to request a review of initial decisions made under paragraph (d) of this section, when an individual disagrees with a refusal to amend this
record. (See 5 U.S.C. 552a (d), (f), and (g)(1))

(2) Form of request for administrative review of refusal to amend record. At any time within 35 days after the date of the notification of the initial decision described in paragraph (d)(2)(ii) of this section, the requester may submit an administrative appeal from such refusal to the official specified in the notification of the initial decision and the appropriate appendix to this subpart. The appeal shall:

(i) Be made in writing stating any arguments in support thereof and be signed by the person to whom the record pertains, or the duly authorized representative of such official;

(ii) Be addressed to and mailed or hand delivered within 35 days of the date of the initial decision, to the office or officer specified in the appropriate appendix to this subpart and in the notification. (See the appendices to this subpart for the address to which appeals made by mail should be addressed);

(iii) Have clearly marked on the appeal and on the envelope, “Privacy Act Amendment Appeal”;

(iv) Reasonably describe the records requested to be amended; and

(v) Specify the date of the initial request, to amend records, and the date of the letter giving notification that the request was denied. (See 5 U.S.C. 552a (d) and (f))

(3) Date of receipt. Appeals shall be promptly stamped with the date of their receipt by the office to which addressed and such stamped date will be deemed to be the date of receipt for all purposes of this subpart. The receipt of the appeal shall be acknowledged within 10 days (excluding Saturdays, Sundays, and legal public holidays) from the date of the receipt (unless the determination on appeal is dispatched in 10 days, in which case, no acknowledgement is required) by the responsible official and the requester advised of the date of receipt established by the foregoing and when a response is due in accordance with this paragraph. (See 5 U.S.C. 552a(d)(4))

(4) Review of administrative appeals from denial of requests to amend records. Official responsible for deciding administrative appeals from denials of requests to amend records pertaining to an individual, as specified in the appendices to this subpart shall: Complete the review, and notify the requester of the final agency decision within 30 days (exclusive of Saturdays, Sundays and legal public holidays) after the date of receipt of such appeal, unless the time is extended by the head of the agency or the delegate of such official, for good cause shown. If such final agency decision is to refuse to amend the record, in whole or in part, the requester shall also be advised of the right—(i) to file a concise “Statement of Disagreement” setting forth the reasons for his disagreement with the decision which shall be filed within 35 days of the date of the notification of the final agency decision and (ii) to judicial review of the final agency decision under 5 U.S.C. 552a(g)(1)(A). (See 5 U.S.C. 552a (d), (f) and (g)(1))

(5) Notation on record and distribution of statements of disagreement. The system manager is responsible, in any disclosure containing information about which an individual has filed a “Statement of Disagreement”, occurring after the filing of the statement under paragraph (e)(4) of this section, for clearly noting any portion of the record which is disputed and providing copies of the statement and, if deemed appropriate, a concise statement of the component’s reasons for not making the amendments requested to persons or other agencies to whom the disputed record has been disclosed. (See 5 U.S.C. 552a(d)(4))

(f) Records not subject to correction under the Privacy Act. The following records are not subject to correction or amendment by individuals:

(1) Transcripts or written statements made under oath; and

(2) Transcripts of Grand Jury proceedings, judicial or quasi-judicial proceedings which form the official record of those proceedings; and

(3) Pre-sentence reports comprising the property of the courts but maintained in agency files; and

(4) Records pertaining to the determination, the collection and the payment of the Federal taxes; and

(5) Records duly exempted from correction by notice published in the Federal Register; and
(6) Records compiled in reasonable anticipation of a civil action or proceeding.

§ 1.28 Training, rules of conduct, penalties for non-compliance.

(a) Training. Subject to policy guidance and regulations issued by the Deputy Secretary, who has Department-wide responsibility therefor, each component shall institute a training program to instruct employees and employees of Government contractors covered by 5 U.S.C. 552a(m), who are involved in the design, development, operation or maintenance of any system of records, on a continuing basis with respect to the duties and responsibilities imposed on them and the rights conferred on individuals by the Privacy Act, the regulations in this subpart, including the appendices thereto, and any other related regulations. Such training shall provide suitable emphasis on the civil and criminal penalties imposed on the Department and the individual employees by the Privacy Act for non-compliance with specified requirements of the Act as implemented by the regulations in this subpart. (See 5 U.S.C. 552a(e)(9))

(b) Rules of conduct. In addition, to the Standards of Conduct published in part O of this title, particularly 31 CFR 0.735-44, the following are applicable to employees of the Department of the Treasury (including, to the extent required by the contract or 5 U.S.C. 552a(m), Government contractors and employees of such contractors), who are involved in the design, development, operation or maintenance of any system of records, or in maintaining any records, for or on behalf of the Department, including any component thereof.

(1) The head of each office of a component of the Department shall be responsible for assuring that employees subject to such official’s supervision are advised of the provisions of the Privacy Act, including the criminal penalties and civil liabilities provided therein, and the regulations in this subpart, and that such employees are made aware of their individual and collective responsibilities to protect the security of personal information, to assure its accuracy, relevance, timeliness and completeness, to avoid unauthorized disclosure either orally or in writing, and to insure that no information system concerning individuals, no matter how small or specialized is maintained without public notice.

(2) Employees of the Department of the Treasury involved in the design, development, operation, or maintenance of any system of records, or in maintaining any record shall:

(i) Collect no information of a personal nature from individuals unless authorized to collect it to achieve a function or carry out a responsibility of the Department;

(ii) Collect from individuals only that information which is necessary to Department functions or responsibilities, unless related to a system exempted under 5 U.S.C. 552a(j) or (k);

(iii) Collect information, wherever possible, directly from the individual to whom it relates, unless related to a system exempted under 5 U.S.C. 552a(j);

(iv) Inform individuals from whom information is collected about themselves of the authority for collection, the purposes thereof, the use that will be made of the information, and the effects, both legal and practical, of not furnishing the information. (While this provision does not explicitly require it, where feasible, third party sources should be informed of the purposes for which information they are asked to provide will be used.);

(v) Neither collect, maintain, use nor disseminate information concerning an individual’s religious or political beliefs or activities or membership in associations or organizations, unless (A) the individual has volunteered such information for the individual’s own benefit; (B) the information is expressly authorized by statute to be collected, maintained, used or disseminated; or (C) the activities involved are pertinent to and within the scope of an authorized investigation, adjudication or correctional activity;

(vi) Advise their supervisors of the existence or contemplated development of any record system which is capable of retrieving information about individuals outside the Department except when authorized by
§ 1.29 Records transferred to Federal
Records Center or National
Archives of the United States.

(a) Records transferred to the Administrator of General Services for storage in the Federal Records Center. Records pertaining to an identifiable individual which are transferred to the Federal Records Center in accordance with 44 U.S.C. 3103 shall, for the purposes of the Privacy Act, 5 U.S.C. 552a, be considered to be maintained by the component which deposited the record and shall be subject to the provisions of the Privacy Act and this subpart. The Administrator of General Services shall not disclose such records except to the Department of the Treasury or to others under rules consistent with the Privacy Act which may be established by the Department of the Treasury or a component. If such records are retrieved for the purpose of making a determination about an individual, they must be reviewed for accuracy, relevance, timeliness, and completeness.

(b) Records transferred to the National Archives of the United States. (1) Records transferred to National Archives prior to September 27, 1975. Records pertaining to an identifiable individual transferred to the National Archives prior to September 27, 1975, as a record which has sufficient historical or other
§ 1.35 Information forms.

(a) Review of forms. Except for forms developed and used by constituent units, the Deputy Assistant Secretary for Administration shall be responsible for reviewing all forms developed and used by the Department of the Treasury to collect information from and about individuals. The heads of components shall each be responsible for the review of forms used by such component to collect information from and about individuals.
§ 1.36 Systems exempt in whole or in part from provisions of 5 U.S.C. 552a and this part

(a) In General. In accordance with 5 U.S.C. 552a(j) and (k) and § 1.23(c), the Department of the Treasury hereby exempts the systems of records identified below from the following provisions of the Privacy Act for the reasons indicated.

(b) Authority. These rules are promulgated pursuant to the authority vested in the Secretary of the Treasury by 5 U.S.C. 552a(j) and (k) and pursuant to the authority of § 1.23(c).

(c) General exemptions under 5 U.S.C. 552a(j)(2). Under 5 U.S.C. 552a(j)(2), the head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act if the agency or component thereof that maintains the system performs as its principal function any activities pertaining to the enforcement of criminal laws. Certain components of the Department of the Treasury have as their principal function any activities pertaining to the enforcement of criminal laws. This paragraph applies to the following systems of records maintained by the Department of the Treasury:

(i) Treasury,

(ii) Departmental Offices:

(b) Scope of review. The responsible officers shall review each form for the purpose of eliminating any requirement for information that is not relevant and necessary to carry out an agency function and to accomplish the following objectives:

(1) To insure that no information concerning religion, political beliefs or activities, association memberships (other than those required for a professional license), or the exercise of First Amendment rights is required to be disclosed unless such requirement of disclosure is expressly authorized by statute or is pertinent to, and within the scope of, any authorized law enforcement activity;

(2) To insure that the form or a separate form that can be retained by the individual makes clear to the individual which information he is required by law to disclose and the authority for that requirement and which information is voluntary;

(3) To insure that the form or a separate form that can be retained by the individual states clearly the principal purpose or purposes for which the information is being collected, and summarizes concisely the routine uses that will be made of the information;

(4) To insure that the form or a separate form that can be retained by the individual clearly indicates to the individual the effect in terms of rights, benefits or privileges of not providing all or part of the requested information; and

(5) To insure that any form requesting disclosure of a Social Security Number, or a separate form that can be retained by the individual, clearly advises the individual of the number whether disclosed mandatorily and voluntarily.

(c) Revision of forms. Any form which does not meet the objectives specified in the Privacy Act and in this section, shall be revised to conform thereto. A separate statement may be used in instances when a form does not conform. This statement will accompany a form and shall include all the information necessary to accomplish the objectives specified in the Privacy Act and this section.

(2) The Department hereby exempts the systems of records listed in paragraphs (c)(1)(i) through (x) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(j)(2): 5 U.S.C. 552a(c)(3) and (4), 5 U.S.C. 552a(d)(1), (2), (3), (4), 5 U.S.C. 552a(e)(1), (2) and (3), 5 U.S.C. 552a(e)(4)(G), (H), and (I), 5 U.S.C. 552a(e)(5) and (8), 5 U.S.C. 552a(f), and 5 U.S.C. 552a(g).

(d) Reasons for exemptions under 5 U.S.C. 552a(j)(2). (1) 5 U.S.C. 552a(e)(4)(G) and (f)(l) enable individuals to inquire whether a system of records contains records pertaining to them. Application of these provisions to the systems of records would give individuals an opportunity to learn whether they have been identified as suspects or subjects of investigation. As further described in the following paragraph, access to such knowledge would impair the Department’s ability to carry out its mission, since individuals could:

(i) Take steps to avoid detection;

(ii) Inform associates that an investigation is in progress;

(iii) Learn the nature of the investigation;

(iv) Learn whether they are only suspects or identified as law violators;

(v) Begin, continue, or resume illegal conduct upon learning that they are not identified in the system of records; or
(vi) Destroy evidence needed to prove the violation.

(2) 5 U.S.C. 552a(d)(1), (e)(4)(H) and (f)(2), (3) and (5) grant individuals access to records pertaining to them. The application of these provisions to the systems of records would compromise the Department’s ability to provide useful tactical and strategic information to law enforcement agencies.

(i) Permitting access to records contained in the systems of records would provide individuals with information concerning the nature of any current investigations and would enable them to avoid detection or apprehension by:

(A) Discovering the facts that would form the basis for their arrest;

(B) Enabling them to destroy or alter evidence of criminal conduct that would form the basis for their arrest; and

(C) Using knowledge that criminal investigators had reason to believe that a crime was about to be committed, to delay the commission of the crime or commit it at a location that might not be under surveillance.

(ii) Permitting access to either ongoing or closed investigative files would also reveal investigative techniques and procedures, the knowledge of which could enable individuals planning crimes to structure their operations so as to avoid detection or apprehension.

(iii) Permitting access to investigative files and records could, moreover, disclose the identity of confidential sources and informants and the nature of the information supplied and thereby endanger the physical safety of those sources by exposing them to possible reprisals.

(iv) Furthermore, providing access to records contained in the systems of records could reveal the identities of undercover law enforcement officers who compiled information regarding the individual’s criminal activities and thereby endanger the physical safety of those undercover officers or their families by exposing them to possible reprisals.

(v) By compromising the law enforcement value of the systems of records for the reasons outlined in paragraphs (d)(2)(i) through (iv) of this section, permitting access in keeping with these provisions would discourage other law enforcement and regulatory agencies, foreign and domestic, from freely sharing information with the Department and thus would restrict the Department’s access to information necessary to accomplish its mission most effectively.

(vi) Finally, the dissemination of certain information that the Department maintains in the systems of records is restricted by law.

(3) 5 U.S.C. 552a(d)(2), (3) and (4), (e)(4)(H), and (f)(4) permit an individual to request amendment of a record pertaining to him or her and require the agency either to amend the record, or to note the disputed portion of the record and to provide a copy of the individual’s statement of disagreement with the agency’s refusal to amend a record to persons or other agencies to whom the record is thereafter disclosed. Since these provisions depend on the individual having access to his or her records, and since these rules exempt the systems of records from the provisions of 5 U.S.C. 552a relating to access to records, for the reasons set out in paragraph (d)(2) of this section, these provisions should not apply to the systems of records.

(4) 5 U.S.C. 552a(c)(3) requires an agency to make accountings of disclosures of a record available to the individual named in the record upon his or her request. The accountings must state the date, nature, and purpose of each disclosure of the record and the name and address of the recipient.

(i) The application of this provision would impair the ability of law enforcement agencies outside the Department of the Treasury to make effective use of information provided by the Department. Making accountings of disclosures available to the subjects of an investigation would alert them to the
fact that another agency is conducting an investigation into their criminal activities and could reveal the geographic location of the other agency’s investigation, the nature and purpose of that investigation, and the dates on which that investigation was active. Individuals possessing such knowledge would be able to take measures to avoid detection or apprehension by altering their operations, by transferring their criminal activities to other geographical areas, or by destroying or concealing evidence that would form the basis for arrest. In the case of a delinquent account, such release might enable the subject of the investigation to dissipate assets before levy.

(ii) Moreover, providing accountings to the subjects of investigations would alert them to the fact that the Department has information regarding their criminal activities and could inform them of the general nature of that information. Access to such information could reveal the operation of the Department’s information-gathering and analysis systems and permit individuals to take steps to avoid detection or apprehension.

(5) 5 U.S.C. 552(a)(4) requires an agency to inform any person or other agency about any correction or notation of dispute that the agency made in accordance with 5 U.S.C. 552(d) to any record that the agency disclosed to the person or agency if an accounting of the disclosure was made. Since this provision depends on an individual’s having access to and an opportunity to request amendment of records pertaining to him or her, and since these rules exempt the systems of records from the provisions of 5 U.S.C. 552(a) relating to access to and amendment of records, for the reasons set out in paragraph (f)(3) of this section, this provision should not apply to the systems of records.

(6) 5 U.S.C. 552(a)(4)(I) requires an agency to publish a general notice listing the categories of sources for information contained in a system of records. The application of this provision to the systems of records could compromise the Department’s ability to provide useful information to law enforcement agencies, since revealing sources for the information could:

(i) Disclose investigative techniques and procedures;
(ii) Result in threats or reprisals against informants by the subjects of investigations; and
(iii) Cause informants to refuse to give full information to criminal investigators for fear of having their identities as sources disclosed.

(7) 5 U.S.C. 552(a)(1) requires an agency to maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required to be accomplished by statute or executive order. The term “maintain,” as defined in 5 U.S.C. 552(a)(3), includes “collect” and “disseminate.” The application of this provision to the systems of records could impair the Department’s ability to collect and disseminate valuable law enforcement information.

(i) In many cases, especially in the early stages of investigation, it may be impossible to immediately determine whether information collected is relevant and necessary, and information that initially appears irrelevant and unnecessary often may, upon further evaluation or upon collation with information developed subsequently, prove particularly relevant to a law enforcement program.

(ii) Not all violations of law discovered by the Department fall within the investigative jurisdiction of the Department of the Treasury. To promote effective law enforcement, the Department will have to disclose such violations to other law enforcement agencies, including State, local and foreign agencies, that have jurisdiction over the offenses to which the information relates. Otherwise, the Department might be placed in the position of having to ignore information relating to violations of law not within the jurisdiction of the Department of the Treasury when that information comes to the Department’s attention during the collation and analysis of information in its records.

(8) 5 U.S.C. 552(a)(2) requires an agency to collect information to the greatest extent practicable directly from the subject individual when the information may result in adverse determinations about an individual’s
§ 1.36

31 CFR Subtitle A (7–1–16 Edition)

rights, benefits, and privileges under Federal programs. The application of this provision to the systems of records would impair the Department’s ability to collate, analyze, and disseminate investigative, intelligence, and enforcement information.

(i) Most information collected about an individual under criminal investigation is obtained from third parties, such as witnesses and informants. It is usually not feasible to rely upon the subject of the investigation as a source for information regarding his criminal activities.

(ii) An attempt to obtain information from the subject of a criminal investigation will often alert that individual to the existence of an investigation, thereby affording the individual an opportunity to attempt to conceal his criminal activities so as to avoid apprehension.

(iii) In certain instances, the subject of a criminal investigation may assert his/her constitutional right to remain silent and refuse to supply information to criminal investigators upon request.

(iv) During criminal investigations it is often a matter of sound investigative procedure to obtain information from a variety of sources to verify information already obtained from the subject of a criminal investigation or other sources.

(9) 5 U.S.C. 552a(e)(3) requires an agency to inform each individual whom it asks to supply information, on the form that it uses to collect the information or on a separate form that the individual can retain, of the agency’s authority for soliciting the information; whether disclosure of information is voluntary or mandatory; the principal purposes for which the agency will use the information; the routine uses that may be made of the information; and the effects on the individual of not providing all or part of the information. The systems of records should be exempted from this provision to avoid impairing the Department’s ability to collect and collate investigative, intelligence, and enforcement data.

(i) Confidential sources or undercover law enforcement officers often obtain information under circumstances in which it is necessary to keep the true purpose of their actions secret so as not to let the subject of the investigation or his or her associates know that a criminal investigation is in progress.

(ii) If it became known that the undercover officer was assisting in a criminal investigation, that officer’s physical safety could be endangered through reprisal, and that officer may not be able to continue working on the investigation.

(iii) Individuals often feel inhibited in talking to a person representing a criminal law enforcement agency but are willing to talk to a confidential source or undercover officer whom they believe are not involved in law enforcement activities.

(iv) Providing a confidential source of information with written evidence that he or she was a source, as required by this provision, could increase the likelihood that the source of information would be subject to retaliation by the subject of the investigation.

(v) Individuals may be contacted during preliminary information gathering, surveys, or compliance projects concerning the administration of the Internal revenue laws before any individual is identified as the subject of an investigation. Informing the individual of the matters required by this provision would impede or compromise subsequent investigations.

(10) 5 U.S.C. 552a(e)(5) requires an agency to maintain all records it uses in making any determination about any individual with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination.

(i) Since 5 U.S.C. 552a(a)(3) defines “maintain” to include “collect” and “disseminate,” application of this provision to the systems of records would hinder the initial collection of any information that could not, at the moment of collection, be determined to be accurate, relevant, timely, and complete. Similarly, application of this provision would seriously restrict the Department’s ability to disseminate information pertaining to a possible violation of law to law enforcement and regulatory agencies. In collecting information during a criminal investigation, it is often impossible or
Office of the Secretary of the Treasury § 1.36

unfeasible to determine accuracy, relevance, timeliness, or completeness prior to collection of the information. In disseminating information to law enforcement and regulatory agencies, it is often impossible to determine accuracy, relevance, timeliness, or completeness prior to dissemination because the Department may not have the expertise with which to make such determinations.

(ii) Information that may initially appear inaccurate, irrelevant, untimely, or incomplete may, when collated and analyzed with other available information, become more pertinent as an investigation progresses. In addition, application of this provision could seriously impede criminal investigators and intelligence analysts in the exercise of their judgment in reporting results obtained during criminal investigations.

(11) 5 U.S.C. 552a(e)(8) requires an agency to make reasonable efforts to serve notice on an individual when the agency makes any record on the individual available to any person under compulsory legal process, when such process becomes a matter of public record. The systems of records should be exempted from this provision to avoid revealing investigative techniques and procedures outlined in those records and to prevent revelation of the existence of an ongoing investigation where there is need to keep the existence of the investigation secret.

(12) 5 U.S.C. 552a(g) provides for civil remedies to an individual when an agency wrongfully refuses to amend a record or to review a request for amendment, when an agency wrongfully refuses to grant access to a record, when an agency fails to maintain accurate, relevant, timely, and complete records which are used to make a determination adverse to the individual, and when an agency fails to comply with any other provision of 5 U.S.C. 552a so as to adversely affect the individual. The systems of records should be exempted from this provision to the extent that the civil remedies may relate to provisions of 5 U.S.C. 552a from which the Department is exempted. Exemption from this provision will also protect the Department from baseless civil court actions that might hamper its ability to collate, analyze, and disseminate investigative, intelligence, and law enforcement data.

(e) Specific exemptions under 5 U.S.C. 552a(k)(1).

(1) Under 5 U.S.C. 552a(k)(1), the head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act to the extent that the system contains information subject to the provisions of 5 U.S.C. 552a(k)(1). This paragraph applies to the following systems of records maintained by the Department of the Treasury:

(2) The Department of the Treasury hereby exempts the systems of records listed in paragraph (e)(1)(i) and (ii) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(1): 5 U.S.C. 552a(c)(3), 5 U.S.C. 552a(d)(1), (2), (3), and (4), 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(f) Reasons for exemptions under 5 U.S.C. 552a(k)(1). The reason for invoking the exemption is to protect material authorized to be kept secret in the interest of national defense or foreign policy pursuant to Executive Orders 12958, 13526, or successor or prior Executive Orders.

(g) Specific exemptions under 5 U.S.C. 552a(k)(2). (1) Under 5 U.S.C. 552a(k)(2), the head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act if the system is investigatory material compiled for law enforcement purposes and for the purposes of assuring the safety of individuals protected by the Department pursuant to the provisions of 18 U.S.C. 3056. (2) The Department hereby exempts the systems of records listed in paragraphs (g)(1)(i) through (x) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(2): 5 U.S.C. 552a(c)(3), 5 U.S.C. 552a(d)(1), (2), (3), (4), 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(h) Reasons for exemptions under 5 U.S.C. 552a(k)(2).

(1) 5 U.S.C. 552a(c)(3) requires an agency to make accountings of disclosures of a record available to the individual named in the record upon his or her request. The accountings must state the date, nature, and purpose of each disclosure of the record and the name and address of the recipient. The application of this provision would impair the ability of the Department of the Treasury and of law enforcement agencies outside the Department to make effective use of information maintained by the Department. Making accountings of disclosures available to the subjects of an investigation would alert them to the fact that an agency is conducting an investigation into their illegal activities and could reveal the geographic location of the investigation, the nature and purpose of that investigation, and the dates on which that investigation was active. Individuals possessing such knowledge would be able to take measures to avoid detection or apprehension by altering their operations, by transferring their illegal activities to other geographical areas, or by destroying or concealing evidence that would form the basis for detection or apprehension. In the case of a delinquent account, such release might enable the subject of the investigation to dissipate assets before levy.

(ii) Providing accountings to the subjects of investigations would alert them to the fact that the Department has information regarding their illegal activities and could inform them of the general nature of that information.

(2) 5 U.S.C. 552a(d)(1), (e)(4)(H) and (f)(2), (3) and (5) grant individuals access to records pertaining to them. The application of these provisions to the systems of records would compromise the Department’s ability to utilize and provide useful tactical and strategic information to law enforcement agencies.

(i) Permitting access to records contained in the systems of records would provide individuals with information concerning the nature of any current investigations and would enable them to avoid detection or apprehension by:

(A) Discovering the facts that would form the basis for their detection or apprehension;

(B) Enabling them to destroy or alter evidence of illegal conduct that would form the basis for their detection or apprehension, and

(C) Using knowledge that investigators had reason to believe that a violation of law was about to be committed, to delay the commission of the violation or commit it at a location that might not be under surveillance.

(ii) Permitting access to either ongoing or closed investigative files would also reveal investigative techniques and procedures, the knowledge of which could enable individuals planning non-criminal acts to structure their operations so as to avoid detection or apprehension.

(iii) Permitting access to investigative files and records could, moreover, disclose the identity of confidential sources and informants and the nature of the information supplied and thereby endanger the physical safety of those sources by exposing them to possible reprisals for having provided the information. Confidential sources and informants might refuse to provide investigators with valuable information unless they believed that their identities would not be revealed through disclosure of their names or the nature of the information they supplied. Loss of access to such sources would seriously impair the Department’s ability to carry out its mandate.

(iv) Furthermore, providing access to records contained in the systems of records could reveal the identities of undercover law enforcement officers or other persons who compiled information regarding the individual’s illegal activities and thereby endanger the physical safety of those undercover officers, persons, or their families by exposing them to possible reprisals.

(v) By compromising the law enforcement value of the systems of records
for the reasons outlined in paragraphs (h)(2)(i) through (iv) of this section, permitting access in keeping with these provisions would discourage other law enforcement and regulatory agencies, foreign and domestic, from freely sharing information with the Department and thus would restrict the Department’s access to information necessary to accomplish its mission most effectively.

(vi) Finally, the dissemination of certain information that the Department may maintain in the systems of records is restricted by law.

(3) 5 U.S.C. 552a(d)(2), (3) and (4), (e)(4)(H), and (f)(4) permit an individual to request amendment of a record pertaining to him or her and require the agency either to amend the record, or to note the disputed portion of the record and to provide a copy of the individual’s statement of disagreement to persons or other agencies to whom the record is thereafter disclosed. Since these provisions depend on the individual having access to his or her records, and since these rules exempt the systems of records from the provisions of 5 U.S.C. 552a relating to access to records, these provisions should not apply to the systems of records for the reasons set out in paragraph (h)(2) of this section.

(4) 5 U.S.C. 552a(e)(1) requires an agency to maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required by statute or executive order. The term “maintain,” as defined in 5 U.S.C. 552a(a)(3), includes “collect” and “disseminate.” The application of this provision to the system of records could impair the Department’s ability to collect, utilize and disseminate valuable law enforcement information.

(i) In many cases, especially in the early stages of investigation, it may be impossible immediately to determine whether information collected is relevant and necessary, and information that initially appears irrelevant and unnecessary often may, upon further evaluation or upon collation with information developed subsequently, prove particularly relevant to a law enforcement program.

(ii) Not all violations of law discovered by the Department analysts fall within the investigative jurisdiction of the Department of the Treasury. To promote effective law enforcement, the Department will have to disclose such violations to other law enforcement agencies, including State, local and foreign agencies that have jurisdiction over the offenses to which the information relates. Otherwise, the Department might be placed in the position of having to ignore information relating to violations of law not within the jurisdiction of the Department of the Treasury when that information comes to the Department’s attention during the collation and analysis of information in its records.

(5) 5 U.S.C. 552a(e)(4)(G) and (f)(1) enable individuals to inquire whether a system of records contains records pertaining to them. Application of these provisions to the systems of records would allow individuals to learn whether they have been identified as suspects or subjects of investigation. As further described in the following paragraph, access to such knowledge would impair the Department’s ability to carry out its mission, since individuals could:

(1) Take steps to avoid detection;
(2) Inform associates that an investigation is in progress;
(3) Learn the nature of the investigation;
(4) Learn whether they are only suspects or identified as law violators;
(5) Begin, continue, or resume illegal conduct upon learning that they are not identified in the system of records; or
(6) Destroy evidence needed to prove the violation.

(6) 5 U.S.C. 552a(e)(4)(I) requires an agency to publish a general notice listing the categories of sources for information contained in a system of records. The application of this provision to the systems of records could compromise the Department’s ability to complete or continue investigations or to provide useful information to law enforcement agencies, since revealing sources for the information could:

(1) Disclose investigative techniques and procedures;
(ii) Result in threats or reprisals against informants by the subjects of investigations; and

(iii) Cause informants to refuse to give full information to investigators for fear of having their identities as sources disclosed.

(i) Specific exemptions under 5 U.S.C. 552a(k)(4). (1) Under 5 U.S.C. 552a(k)(4), the head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act if the system is required by statute to be maintained and used solely as statistical records. This paragraph applies to the following system of records maintained by the Department, for which exemption is claimed under 5 U.S.C. 552a(k)(4).

Internal Revenue Service:

<table>

<th>System name</th>
</tr>
</thead>
<tbody>
<tr>
<td>IRS 70.001</td>
<td>Statistics of Income—Individual Tax Returns.</td>
</tr>
</tbody>

(2) The Department hereby exempts the system of records listed in paragraph (i)(1) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(4): 5 U.S.C. 552a(c)(3), 5 U.S.C. 552a(d)(1), (2), (3), and (4), 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(3) The system of records is maintained under section 6108 of the Internal Revenue Code, which provides that “the Secretary or his delegate shall prepare and publish annually statistics reasonably available with respect to the operation of the income tax laws, including classifications of taxpayers and of income, the amounts allowed as deductions, exemptions, and credits, and any other facts deemed pertinent and valuable.”

(j) Reasons for exemptions under 5 U.S.C. 552a(k)(4). The reason for exempting the system of records is that disclosure of statistical records (including release of accounting for disclosures) would in most instances be of no benefit to a particular individual since the records do not have a direct effect on a given individual.

(k) Specific exemptions under 5 U.S.C. 552a(k)(5). (1) Under 5 U.S.C. 552a(k)(5), the head of any agency may promulgate rules to exempt any system of records within the agency from certain provisions of the Privacy Act if the system is investigatory material compiled solely for the purpose of determining suitability, eligibility, and qualifications for Federal civilian employment or access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. Thus to the extent that the records in this system can be disclosed without revealing the identity of a confidential source, they are not within the scope of this exemption and are subject to all the requirements of the Privacy Act. This paragraph applies to the following systems of records maintained by the Department or one of its bureaus:

(viii) U.S. Mint.
(ix) Bureau of the Public Debt.
(x) Financial Crimes Enforcement Network.

(2) The Department hereby exempts the systems of records listed in paragraph (k)(1)(i) through (x) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(5): 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(d)(1), (2), (3), and (4), 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(l) Reasons for exemptions under 5 U.S.C. 552a(k)(5). (1) The sections of 5 U.S.C. 552a from which the systems of records are exempt include in general those providing for individuals’ access to or amendment of records. When such access or amendment would cause the identity of a confidential source to be revealed, it would impair the future ability of the Department to compile investigatory material for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, Federal contracts, or access to classified information. In addition, the systems shall be exempt from 5 U.S.C. 552a(e)(1) which requires that an agency maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required to be accomplished by statute or executive order. The Department believes that to fulfill the requirements of 5 U.S.C. 552a(e)(1) would unduly restrict the agency in its information gathering inasmuch as it is often not until well after the investigation that it is possible to determine the relevance and necessity of particular information.

(2) If any investigatory material contained in the above-named systems becomes involved in criminal or civil matters, exemptions of such material under 5 U.S.C. 552a(j)(2) or (k)(2) is hereby claimed.

(m) Exemption under 5 U.S.C. 552a(k)(6). (1) Under 5 U.S.C. 552a(k)(6), the head of any agency may promulgate rules to exempt any system of records that is testing or examination material used solely to determine individual qualifications for appointment or promotion in the Federal service the disclosure of which would compromise the objectivity or fairness of the testing or examination process. This paragraph applies to the following system of records maintained by the Department, for which exemption is claimed under 5 U.S.C. 552a(k)(6).

<table>
<thead>
<tr>

(2) The Department hereby exempts the system of records listed in paragraphs (m)(1) of this section from the following provisions of 5 U.S.C. 552a, pursuant to 5 U.S.C. 552a(k)(6): 5 U.S.C. 552a(e)(1), 5 U.S.C. 552a(e)(4)(G), (H), and (I), and 5 U.S.C. 552a(f).

(n) Reasons for exemptions under 5 U.S.C. 552a(k)(6). The reason for exempting the system of records is that disclosure of the material in the system would compromise the objectivity or fairness of the examination process.

(o) Exempt information included in another system. Any information from a
system of records for which an exemption is claimed under 5 U.S.C. 552a(j) or (k) which is also included in another system of records retains the same exempt status such information has in the system for which such exemption is claimed.

APPENDIX A TO SUBPART C OF PART 1—DEPARTMENTAL OFFICES

1. In general. This appendix applies to the Departmental Offices as defined in 31 CFR part 1, subpart C, §1.20. It sets forth specific notification and access procedures with respect to particular systems of records, identifies the officers designated to make the initial determinations with respect to notification and access to records, the officers designated to make the initial and appellate determinations with respect to requests for amendment of records, the officers designated to grant extensions of time on appeal, the officers with whom “Statement of Disagreement” may be filed, the officer designated to receive service of process and the addresses for delivery of requests, appeals, and service of process. In addition, it references the notice of systems of records and notices of the routine uses of the information in the system required by 5 U.S.C. 552a(e)(4) and (11) and published annually by the Office of the Federal Register in “Privacy Act Issuances”.

2. Requests for notification and access to records and accountings of disclosures. Initial determinations under 31 CFR 1.26, whether to grant requests for notification and access to records and accountings of disclosures for the Departmental Offices, will be made by the head of the organizational unit having immediate custody of the records requested, or the delegate of such official. This information is contained in the appropriate system notice in the “Privacy Act Issuances”, published annually by the Office of the Federal Register. Requests for information and specific guidance on where to send requests for records should be addressed to: Privacy Act Request, DO, Director, Disclosure Services Department of the Treasury, 1500 Pennsylvania Avenue, NW., Washington, DC 20220.

Appeals made by mail should be addressed as indicated in the letter of initial decision or to: Privacy Act Amendment Request, DO, Director, Disclosure Services Department of the Treasury, 1500 Pennsylvania Avenue, NW., Washington, DC 20220.

5. Statements of disagreement. “Statements of Disagreement” as described in 31 CFR 1.27(e)(4) shall be filed with the official signing the notification of refusal to amend at the address indicated in the letter of notification within 30 days of the date of notification and should be limited to one page.

6. Service of process. Service of process will be received by the General Counsel of the Department of the Treasury or the delegate of such official and shall be delivered to the following location: General Counsel, Department of the Treasury, Room 3000, Main Treasury Building, 1500 Pennsylvania Avenue, NW., Washington, DC 20220.

7. Annual notice of systems of records. The annual notice of systems of records required to be published by the Office of the Federal Register in the publication entitled “Privacy Act Issuances”, as specified in 5 U.S.C. 552a(f). Any specific requirements for access, including identification requirements, in addition to the requirements set forth in 31 CFR 1.26 and 1.27 and 8 of this appendix, and locations for access are indicated in the notice for the pertinent system.

8. Verification of identity. An individual seeking notification or access to records, or seeking to amend a record, must satisfy one of the following identification requirements before action will be taken by the Departmental Offices on any such request: (i) An individual seeking notification or access to records in person, or seeking to amend a record in person, may establish identity by the presentation of a single official document bearing a photograph (such as a passport or identification badge) or by the
Office of the Secretary of the Treasury

1. Purpose. The purpose of this section is to set forth the procedures that have been established by the Internal Revenue Service for individuals to exercise their rights under the Privacy Act of 1974 (5 U.S.C. 552a) with respect to systems of records maintained by the Internal Revenue Service, including the Office of the Chief Counsel. The procedures contained in this section are to be promulgated under the authority of 5 U.S.C. 552a(f).

The procedures contained in this section relate to the following:

(a) The procedures whereby an individual can be notified in response to a request if a system of records named by the individual contains a record pertaining to such individual (5 U.S.C. 552a(f)(1)).

(b) The procedures governing reasonable times, places, and requirements for identifying an individual who requests a record of information pertaining to such individual before the Internal Revenue Service will make the record or information available to the individual (5 U.S.C. 552a(f)(2)).

(c) The procedures for the disclosure to an individual upon a request of a record of information pertaining to such individual, including special procedures for the disclosure to an individual of medical records, including psychological records. (5 U.S.C. 552a(f)(3)).

(d) The procedures for reviewing a request from an individual concerning the amendment of any record or information pertaining to the individual, for making a determination on the request, for an appeal within the Internal Revenue Service of an initial adverse agency determination, and for whatever additional means may be necessary for individuals to be able to exercise fully their right under 5 U.S.C. 552a (5 U.S.C. 552a(f)(4)).

Any individual seeking to determine whether a system of records maintained by any office of the Internal Revenue Service contains a record or information pertaining to such individual, or seeking access to, or amendment of, such a record, must comply fully with the applicable procedure contained in paragraph (3) or (4) of this section before the Internal Revenue Service will act on the request. Neither the notification and access (or accounting of disclosures) procedures under paragraph (3) of this section nor the amendment procedures under paragraph (4) of this section are applicable to (i) systems of records exempted pursuant to 5 U.S.C. 552a(j) and (k), (ii) information compiled in reasonable anticipation of a civil action or proceeding (see 5 U.S.C. 552a(d)(5)), or (iii) information pertaining to an individual which is contained in, and inseparable from, another individual's record.

2. Access to and amendment of tax records. The provisions of the Privacy Act of 1974 may not be used by an individual to amend or correct any tax record. The determination of liability for taxes imposed by the Internal Revenue Service Code, the collection of such taxes, and the payment (including credits or refunds of overpayments) of such taxes are governed by the provisions of the Internal Revenue Service Code and by the procedural rules of the Internal Revenue Service. These provisions set forth the established procedures governing the determination of liability for tax, the collection of such taxes, and the payment (including credits or refunds of overpayments) of such taxes. In addition, these provisions set forth the procedures (including procedures for judicial review) for resolving disputes between taxpayers and the Internal Revenue Service involving the amount of tax owed, or the payment or collection of such tax. These procedures are the exclusive means available to an individual to contest the amount of any liability for tax or the payment or collection thereof. See, for example, 26 CFR 601.103 for summary of general tax procedures. Individuals are advised that Internal Revenue Service procedures permit the examination of tax records during the course of an investigation, audit, or collection activity. Accordingly, individuals

APPENDIX B TO SUBPART C OF PART 1—INTERNAL REVENUE SERVICE
should contact the Internal Revenue Service employee conducting an audit or effecting the collection of tax liabilities to gain access to such records, rather than seeking access under the provisions of the Privacy Act. Where, on the other hand, an individual desires information or records not in connection with an investigation, audit, or collection activity, the individual may follow these procedures.

3. Procedures for access to records—(a) In general. This paragraph sets forth the procedure whereby an individual can be notified in response to a request if a system of records named by the individual which is maintained by the Internal Revenue Service contains a record pertaining to such individual. In addition, this paragraph sets forth the procedure for the disclosure to an individual upon a request of a record or information pertaining to such individual, including the procedures for verifying the identity of the individual before the Internal Revenue Service will make a record available, and the procedure for requesting an accounting of disclosures of such records. An individual seeking to determine whether a particular system of records contains a record or records pertaining to such individual and seeking access to such records (or seeking an accounting of disclosures of such records) shall make a request for notification and access (or a request for an accounting of disclosures) in accordance with the rules provided in paragraph 3(b) of this section.

(b) Form of request for notification and access or request for an accounting of disclosures. (i) A request for notification and access (or request for an accounting of disclosures) shall be made in writing and shall be signed by the person making the request.

(ii) Such request shall be clearly marked, “Request for notification and access,” or “Request for accounting of disclosures.”

(iii) Such a request shall contain a statement that it is being made under the provisions of the Privacy Act of 1974.

(iv) Such request shall contain the name and address of the individual making the request. In addition, if a particular system employs an individual’s social security number as an essential means of accessing the system, the request must include the individual’s social security number. In the case of a record maintained in the name of two or more individuals (e.g., husband and wife), the request shall contain the names, addresses, and social security numbers (if necessary) of both individuals.

(v) Such request shall specify the name and location of the particular system of records (as set forth in the Notice of Systems) for which the individual is seeking notification and access (or an accounting of disclosures), and the title and business address of the official designated in the access section for the particular system (as set forth in the Notice of Systems). In the case of two or more systems of records which are under the control of the same designated official at the same systems location, a single request may be made for such systems. In the case of two or more systems of records which are not in the control of the same designated official at the same systems location, a separate request must be made for each such system.

(vi) If an individual wishes to limit a request for notification and access to a particular record or records, the request should identify the particular record. In the absence of a statement to the contrary, a request for notification and access for a particular system of records shall be considered to be limited to records which are currently maintained by the designated official at the systems location specified in the request.

(vii) If such request is seeking notification and access to material maintained in a system of records which is exempt from disclosure and access under 5 U.S.C. 552a (k)(2), the individual making the request must establish that such individual has been denied a right, privilege, or benefit that such individual would otherwise be entitled to under Federal law as a result of the maintenance of such material.

(viii) Such request shall state whether the individual wishes to inspect the record in person, or desires to have a copy made and furnished without first inspecting it. If the individual desires to have a copy made, the request must include an agreement to pay the fee for duplication ultimately determined to be due. If the individual does not wish to inspect a record, but merely wishes to be notified whether a particular system or records contains a record pertaining to such individual, the request should so state.

(c) Time and place for making a request. A request for notification and access to records under the Privacy Act (or a request for accounting of disclosures) shall be addressed to or delivered in person to the office of the official designated in the access section for the particular system of records for which the individual is seeking notification and access (or an accounting of disclosures). The title and office address of such official is set forth for each system of records in the Notice of Systems of Records. A request delivered to an office in person must be delivered during the regular office hours of that office.

(a) Processing a request for notification and access to records or a request for an accounting of disclosures. (i) If a request for notification and access (or request for an accounting of disclosures) omits any information which is essential to processing the request, the request will not be acted upon and the individual making the request will be promptly advised of the additional information which must be submitted before the request can be processed.

(ii) Within 30 days (not including Saturdays, Sundays, and legal public holidays) after the receipt of a request for notification and access (or a request for an accounting of disclosure), to a particular system of records by the designated official for such system, a determination will be made as to whether the particular system of records is exempt from the notification and access provisions of the Privacy Act, and if such system is not exempt, whether it does or does not contain a record pertaining to the individual making the request. If a determination cannot be made within 30 days, the individual will be notified of the delay, the reasons therefor, and the approximate time required to make a determination. If it is determined by the designated official that the particular system of records is exempt from the notification and access provisions of the Privacy Act, the individual making the request will be notified of the provisions of the Privacy Act under which the exemption is claimed. On the other hand, if it is determined by the designated official that the particular system of records is not exempt from the notification and access provisions of the Privacy Act and that such system contains a record pertaining to the individual making the request, the individual will be notified of the time and place where inspection may be made. If an individual has not requested that access be granted to inspect the record in person, but merely requests that a copy of the record be furnished, or if it is determined by the designated official that the granting of access to inspect a record in person is not feasible in a particular case, then the designated official will furnish a copy of the record with the notification, or if a copy cannot be furnished at such time, a statement indicating the approximate time such copy will be furnished. If the request is for an accounting of disclosures from a system of records which is not exempt from the accounting of disclosure provisions of the Privacy Act, the individual will be furnished with an accounting of such disclosures.

(f) Granting of access. Normally, an individual will be granted access to inspect a record in person within 30 days (excluding Saturdays, Sundays, and legal public holidays) after the receipt for a request for notification and access by the designated official. If access cannot be granted within 30 days, the notification will state the reasons for the delay and the approximate time such access will be granted. An individual wishing to inspect a record may be accompanied by another person of his choosing. Both the individual seeking access and the individual accompanying him may be required to sign a form supplied by the IRS indicating that the Service is authorized to disclose or discuss the contents of the record in the presence of both individuals. See 26 CFR 601.502 for requirements to be met by taxpayer’s representatives in order to discuss the contents of any tax records.

(g) Medical records. When access is requested to medical records (including psychological records), the designated official may determine that release of such records will be made only to a physician designated by the individual to have access to such records.

(h) Verification of identity. An individual seeking notification or access to records, or seeking to amend a record, must satisfy one of the following identification requirements before action will be taken by the IRS on any such request:

(i) An individual seeking notification or access to records in person, or seeking to amend a record in person, may establish identity by the presentation of a single document bearing a photograph (such as a passport or identification badge) or by the presentation of two items of identification which do not bear a photograph but do bear both a name and signature (such as a driver’s license or credit card).
(i) An individual seeking notification or access to records by mail, or seeking to amend a record by mail, may establish identity by a signature, address, and one other identifier such as a photocopy of a driver's license or other document bearing the individual's signature.

(ii) Notwithstanding subdivisions (i) and (ii) of this subparagraph, an individual seeking notification or access to records by mail or in person, or seeking to amend a record by mail or in person, who so desires, may establish identity by providing a notarized statement, swearing or affirming to such individual's identity and to the fact that the individual understands the penalties provided in 5 U.S.C. 552a(i)(x) for requesting or obtaining access to records under false pretenses.

(iii) Notwithstanding subdivisions (i), (ii), or (iii) of this subparagraph, a designated official may require additional proof of an individual's identity before action will be taken on any request if such official determines that it is necessary to protect unauthorized disclosure of information in a particular case. In addition, a parent of any minor or a legal guardian of any individual will be required to provide adequate proof of legal relationship before such person may act on behalf of such minor or such individual.

(iv) Notwithstanding subdivisions (i), (ii), or (iii) of this subparagraph, a designated official may require additional proof of an individual's identity before action will be taken on any request if such official determines that it is necessary to protect unauthorized disclosure of information in a particular case. In addition, a parent of any minor or a legal guardian of any individual will be required to provide adequate proof of legal relationship before such person may act on behalf of such minor or such individual.

(b) Form of request for amendment of record.

(i) A request for amendment of a record shall be in writing and shall be signed by the individual making the request.

The individual making the request will be promptly advised on the additional information which must be submitted before the request can be processed.

(ii) Within 30 days (not including Saturdays, Sundays, and legal public holidays) after the receipt of a request to amend a record by the designated official, a determination will be made as to whether to grant the request in whole or in part. The individual will then be notified in writing of the determination. If a determination cannot be made within 30 days, the individual will be notified in writing within such time of the reasons for the delay and the approximate time required to make a determination. If it is determined by the designated official that the request will be granted, the requested changes will be made in the record and the individual will be notified of the changes. In addition, to the extent an accounting was maintained, all prior recipients of such record will be notified of the changes. Upon request, an individual will be furnished with a copy of the record, as amended, subject to the payment of the appropriate fees. On the other hand, if it is determined by the designated official that the request, or any portion thereof, will not be granted, the individual will be notified in writing of the adverse determination. The notification of an adverse determination will set forth the reasons for refusal to amend the record. In addition, the notification will contain a statement informing the individual of such individual’s right to request an independent review of the adverse determination by a reviewing officer in the national office of the IRS and the procedures for requesting such a review.

(iii) Administrative review of adverse determination. Under 5 U.S.C. 552a (d)(3), an individual who disagrees with the refusal of the agency to amend a record may, within 30 days of being notified of the adverse determination, request an independent review of such refusal by a reviewing officer in the national office of the IRS. The reviewing officer for the IRS is the Commissioner of Internal Revenue, the Deputy Commissioner, or an Assistant Commissioner. In the case of an adverse determination relating to a system of records maintained by the Office of General Counsel for the IRS, the reviewing officer is the Chief Counsel or his delegate. If a final determination cannot be made within 30
days, the Commissioner of Internal Revenue may extend such 30-day period. The individual will be notified in writing within the 30 day period of the cause for the delay and the approximate time required to make a final determination. PART 2—NATIONAL SECURITY INFORMATION

§ 2.1 Processing of mandatory declassification review requests.

(a) Except as provided by section 3.4(b) of Executive Order 13292, Further Amendment to Executive Order 12958, as amended, Classified National Security Information, all information classified by the Department of the Treasury under these Orders or any predecessor Executive Order shall be subject to mandatory declassification review by the Department, if:

(1) The request for a mandatory declassification review describes the document or material containing the information with sufficient specificity to enable Treasury personnel to locate it with a reasonable amount of effort;

(2) The information is not exempt from search and review under sections 105C, 105D, or 701 of the National Security Act of 1947 (50 U.S.C. 431, 432 and 432a); and

(3) The information has not been reviewed for declassification within the past 2 years or the information is not the subject of pending litigation.

(b) Requests for classified records originated by the Department of the Treasury shall be directed to the Office of Security Programs, Attention: Assistant Director (Information Security), 1500 Pennsylvania Avenue, NW., Washington, DC 20220. Upon receipt of each request for mandatory declassification review, pursuant to section 3.5 of Executive Order 13292, the following procedures will apply:

(1) The Office of Security Programs will acknowledge receipt of the request.

(2)(i) A mandatory declassification review request need not identify the requested information by date or title of the responsive records, but must be of sufficient specificity to allow Treasury personnel to locate records containing the information sought with a reasonable amount of effort. Whenever a request does not reasonably describe the information sought, the requester will be notified by the Office of Security Programs that unless additional information is provided or the scope of the request is narrowed, no further action will be undertaken with respect to the request.

(1) If Treasury has reviewed the information within the past 2 years and
determined that all or part thereof remains classified, or the information is the subject of pending litigation, the requester shall be so informed and advised of the requester's appeal rights.

(3) The Office of Security Programs will determine the appropriate Treasury offices or bureaus to conduct the mandatory declassification review. The Office of Security Programs will also advise Treasury and/or bureau reviewing officials concerning the mandatory declassification review process. Classified information relating to intelligence activities (including special activities), intelligence sources or methods, or cryptology will also be coordinated with the Office of the Assistant Secretary (Intelligence and Analysis). As appropriate, the Office of Security Programs will refer requests to other Federal departments and agencies having a direct interest in the requested documents.

(4)(i) Treasury personnel undertaking a mandatory declassification review shall make reasonable efforts to determine if particular information may be declassified. Reviewing officials may rely on applicable exemption criteria under the Freedom of Information Act, the Privacy Act, and any other applicable law that authorizes the withholding of information. Reviewing officials shall also identify the amount of search and review time required to process each request. Barring extenuating circumstances, mandatory declassification reviews for reasonably small volumes of records should be completed in a timely fashion. A final determination regarding large volumes of records should ordinarily be made within one year of Treasury's receipt of any mandatory declassification review request.

(ii) If the Director, Office of Security Programs determines that a Treasury office or bureau responsible for conducting a mandatory declassification review is not making reasonable efforts to review classified information subject to a mandatory declassification request, the Director may authorize Treasury and/or bureau-originated information to be declassified in consultation with the Department's Senior Agency Official.

(iii) If information cannot be declassified in its entirety, reasonable efforts, consistent with applicable law, will be made to release those declassified portions of the requested information that constitute a coherent segment. Upon the denial or partial denial of a declassification request, the requester will be so informed by the Office of Security Programs and advised of the requester's appeal rights.

(5)(i) If Treasury receives a mandatory declassification review request for information in its possession that were originated by another Federal department or agency, the Office of Security Programs will forward the request to that department or agency for a declassification determination, together with a copy of the requested records, a recommendation concerning a declassification determination, and a request to be advised of that department's or agency's declassification determination. The Office of Security Programs may, after consultation with the originating department or agency, inform any requester of the referral unless such association is itself classified under Executive Order 13292 or prior orders.

(ii) Mandatory declassification review requests concerning classified information originated by a Treasury office or bureau that has been transferred to another Federal department or agency will be forwarded to the appropriate successor department or agency for a declassification determination.

(6) If another Federal department or agency forwards a mandatory declassification review request to Treasury for information in its custody that was classified by Treasury, the Office of Security Programs will:

(i) Advise the referring department or agency as to whether it may notify the requester of the referral; and

(ii) Respond to the Federal department, agency, or requester, as applicable, in accordance with the requirements of this section.

(7)(i) Upon the denial, in whole or in part, of a request for the mandatory declassification review of information, the Office of Security Programs will so notify the requester in writing and will
inform the requester of the right to appeal the classification determination within 60 calendar days of the receipt of the classification determination. The notice will also advise the requester of the name and address of the Treasury official who will be responsible for deciding an appeal (the Deciding Official). The Office of Security Programs will coordinate appeals with the appropriate Treasury offices and bureaus.

(ii) The Deciding Official should make a determination on an appeal within 30 working days following the receipt of the appeal, or within 60 working days following receipt if the Deciding Official determines that additional time is required to make a determination and so notifies the requester. The Deciding Official should notify the requester in writing of Treasury’s determination on appeal and, if applicable, the reasons for any whole or partial denial of the appeal. The Office of Security Programs will also notify the requester of their right of a final appeal to the Interagency Security Classification Appeals Panel, as appropriate, under 32 CFR 2001.33.

(b)(i) Treasury may charge fees for search, review, and duplicating costs in connection with a mandatory declassification review request.

(A) The fee for services of Treasury personnel involved in locating and/or reviewing records will be charged at the rate of a GS–11, Step 1 employee, in the Washington-Baltimore Federal pay area, in effect when the mandatory declassification review request is received by the Office of Security Programs for searches that take more than two hours or for review times that are greater than two hours. Fees may be waived, in writing, by a bureau head or the equivalent Treasury official at the Assistant Secretary level.

(B) There is no fee for duplicating the first 100 pages of fully or partially releasable documents. The cost of additional pages is 20 cents per page. No charges shall be levied for search and/or review time requiring less than 2 hours.

(ii) If it is estimated that the fees associated with a mandatory declassification review will exceed $100, the Office of Security Programs will notify the requester in writing of the estimated costs and shall obtain satisfactory written assurance of full payment or require the requester to make an advance payment of the entire estimated fee before proceeding to process the request. Treasury may request pre-payment where the fee is likely to exceed $500. After 60 calendar days without receiving the requester’s written assurance of full payment or agreement to make pre-payment of estimated fees (or to amend the mandatory declassification review request in a manner as to result in fees acceptable to the requester), Treasury may administratively terminate the mandatory declassification review request. Failure of a requester to pay fees after billing will result in future requests not being honored. Nothing in this paragraph will preclude Treasury from taking any other lawful action to recover payment for costs incurred in processing a mandatory declassification review request.

(iii) Payment of fees shall be made by check or money order to the Treasurer of the United States. Fees charged by Treasury for mandatory declassification review are separate and distinct from any other fees that may be imposed by a Presidential Library, the National Archives and Records Administration, or another Federal department or agency.

§ 2.2 Access to classified information by historical researchers, former Treasury Presidential and Vice Presidential appointees, and former Presidents and Vice Presidents.

(a) Access to classified information may be granted only to individuals who have a need-to-know the information. This requirement may be waived, however, for individuals who:

(1) Are engaged in historical research projects;

(2) Previously occupied a position in the Treasury to which they were appointed by the President under 3 U.S.C. 105(a)(2)(A), or the Vice President under 3 U.S.C. 106(a)(1)(A); or

(3) Served as President or Vice President.

(b) Access to classified information may be granted to individuals described in paragraph (a) of this section upon:
(1) A written determination by Treasury’s Senior Agency Official, under Section 5.4(d) of Executive Order 13292, that access is consistent with the interest of the national security; and

(2) Receipt of the individual’s written agreement to safeguard classified information, including taking all appropriate steps to protect classified information from unauthorized disclosure or compromise. This written agreement must also include the individual’s consent to have any and all notes (including those prepared or stored in electronic media, whether written or oral) reviewed by authorized Treasury personnel to ensure that no classified information is contained therein and, if so, that the classified information is not published.

(c)(i)(A) A historical researcher is not authorized to have access to foreign government information or information classified by another Federal department or agency.

(B) A former Treasury Presidential or Vice Presidential appointee is only authorized access to classified information that the former official originated, reviewed, signed or received while serving as such an appointee.

(C) A former President or Vice President is only authorized access to classified information that was prepared by Treasury while that individual was serving as President or Vice President.

(ii) Granting access to classified information pursuant to this section does not constitute the granting of a security clearance for access to classified information.

(d) Treasury personnel will coordinate access to classified information by individuals described in paragraph (a) of this section with the Director, Office of Security Programs, who will ensure that the written agreement described in paragraph (b)(2) of this section is signed as a condition of being granted access to classified information.

(e) Any review of classified information by an individual described in paragraph (a) of this section shall take place in a location designated by the Director, Office of Security Programs. Such persons must be accompanied at all times by appropriately authorized Treasury personnel authorized to have access to the classified information being reviewed. All notes (including those prepared or stored in electronic media, whether written or oral) made by an individual described in paragraph (a) of this section shall remain in the custody of the Office of Security Programs pending a determination by appropriately cleared subject matter experts that no classified information is contained therein.

(f) An individual described in paragraph (a) of this section is subject to search, as are all packages or carrying cases prior to entering or leaving Treasury. Access to Treasury-originated classified information at another Federal department or agency, as may be authorized by the Director, Office of Security Programs shall be governed by security protocols in effect at the other Federal department or agency.

(g) Treasury personnel must perform a physical verification and an accounting of all classified information each time such information is viewed by an individual described in paragraph (a) of this section. Physical verification and an accounting of all classified information shall be made both prior to and after viewing. Any discrepancy must be immediately reported to the Director, Office of Security Programs.

(h) An individual described in paragraph (a) of this section may be charged reasonable fees for services rendered by Treasury in connection with the review of classified information under this section. To the extent such services involve searching, reviewing, and copying material, the provisions of §2.1(b)(8) shall apply.

collection remedies available to Treasury entities if the debtor refuses to pay the debt, and other consequences to the debtor if the debt is not paid. Except as otherwise provided in paragraph (b) of this section, the written notice(s) shall explain to the debtor:

1. The nature and amount of the debt, and the facts giving rise to the debt;
2. How interest, penalties, and administrative costs are added to the debt, the date by which payment should be made to avoid such charges, and that such assessments must be made unless excused in accordance with 31 CFR 901.9 (see §5.5 of this part);
3. The date by which payment should be made to avoid the enforced collection actions described in paragraph (a)(6) of this section;
4. The Treasury entity’s willingness to discuss alternative payment arrangements and how the debtor may enter into a written agreement to repay the debt under terms acceptable to the Treasury entity (see §5.6 of this part);
5. The name, address, and telephone number of a contact person or office within the Treasury entity;
6. The Treasury entity’s intention to enforce collection if the debtor fails to pay or otherwise resolve the debt, by taking one or more of the following actions:
   i. Offset. Offset the debtor’s Federal payments, including income tax refunds, salary, certain benefit payments (such as Social Security), retirement, vendor, travel reimbursements and advances, and other Federal payments (see §§5.10 through 5.12 of this part);
   ii. Private collection agency. Refer the debt to a private collection agency (see §5.15 of this part);
   iii. Credit bureau reporting. Report the debt to a credit bureau (see §5.14 of this part);
   iv. Administrative wage garnishment. Garnish the debtor’s wages through administrative wage garnishment (see §5.13 of this part);
   v. Litigation. Refer the debt to the Department of Justice to initiate litigation to collect the debt (see §5.16 of this part);
   vi. Treasury Department’s Financial Management Service. Refer the debt to the Financial Management Service for collection (see §5.9 of this part);
7. That Treasury debts over 180 days delinquent must be referred to the Financial Management Service for the collection actions described in paragraph (a)(6) of this section (see §5.9 of this part);
8. How the debtor may inspect and copy records related to the debt;
9. How the debtor may request a review of the Treasury entity’s determination that the debtor owes a debt and present evidence that the debt is not delinquent or legally enforceable (see §§5.10(c) and 5.11(c) of this part);
10. How a debtor may request a hearing if the Treasury entity intends to garnish the debtor’s private sector (i.e., non-Federal) wages (see §5.13(a) of this part), including:
   i. The method and time period for requesting a hearing;
   ii. That the timely filing of a request for a hearing on or before the 15th business day following the date of the notice will stay the commencement of administrative wage garnishment, but not necessarily other collection procedures; and
   iii. The name and address of the office to which the request for a hearing should be sent.
11. How a debtor who is a Federal employee subject to Federal salary offset may request a hearing (see §5.12(e) of this part), including:
   i. The method and time period for requesting a hearing;
   ii. That the timely filing of a request for a hearing on or before the 15th calendar day following receipt of the notice will stay the commencement of salary offset, but not necessarily other collection procedures;
   iii. The name and address of the office to which the request for a hearing should be sent;
   iv. That the Treasury entity will refer the debt to the debtor’s employing agency or to the Financial Management Service to implement salary offset, unless the employee files a timely request for a hearing;
   v. That a final decision on the hearing, if requested, will be issued at the earliest practical date, but not later
§ 5.5 How will Treasury entities add interest, penalty charges, and administrative costs to a Treasury debt?

(a) Assessment and notice. Treasury entities shall assess interest, penalties, and administrative costs on Treasury debts in accordance with the provisions of 31 U.S.C. 3717 and 31 CFR 901.9, on Treasury debts. Interest shall be charged on the debt at the rate of 6% per year, or such other higher rate as authorized by law. Administrative costs are assessed on particular types of debts. Treasury entities may have additional policies regarding how interest, penalties, and administrative costs are assessed on particular types of debts. Treasury entities are required to explain in the notice to the debtor described in §5.4 of this part how interest, penalties, costs, and other charges are assessed, unless the requirements are included in a contract or repayment agreement.

(b) Waiver of interest, penalties, and administrative costs. Unless otherwise required by law, Treasury entities may waive interest, penalties, and administrative costs, or any portion thereof, when it would be against equity and good conscience or not in the Treasury entity’s best interest to collect such charges, in accordance with Treasury guidelines for waiving claims against Treasury employees for erroneous overpayments. See Treasury Directive 34–01 (Waiving Claims Against Treasury Employees for Erroneous Payments) set forth at Appendix A of this part and at http://www.treas.gov/regs.
§ 5.9 When will Treasury entities transfer a Treasury debt to the Treasury Department’s Financial Management Service for collection?

(a) Treasury entities will transfer any eligible debt that is more than 180 days delinquent to the Financial Management Service for debt collection services, a process known as “cross-servicing.” See 31 U.S.C. 3711(g) and 31 CFR 285.12. Treasury entities may transfer debts delinquent 180 days or less to the Financial Management Service in accordance with the procedures described in 31 CFR 285.12. The Financial Management Service takes appropriate action to collect or compromise the transferred debt, or to suspend or terminate collection action thereon, in accordance with the statutory and regulatory requirements and authorities applicable to the debt and the collection action to be taken. See 31 CFR 285.12(b)(2). Appropriate action includes, but is not limited to, contact with the debtor, referral of the debt to the Treasury Offset Program, private collection agencies or the Department of Justice, reporting of the debt to credit bureaus, and administrative wage garnishment.

(b) At least sixty (60) days prior to transferring a Treasury debt to the Financial Management Service, Treasury entities will send notice to the debtor as required by §5.4 of this part. Treasury entities will certify to the Financial Management Service, in writing, that the debt is valid, delinquent, legally enforceable, and that there are no legal bars to collection. In addition, Treasury entities will certify their compliance with all applicable due process and other requirements as described in this part and other Federal laws. See 31 CFR 285.12(i) regarding the certification requirement.
§ 5.10 How will Treasury entities use administrative offset (offset of non-tax Federal payments) to collect a Treasury debt?

(a) Centralized administrative offset through the Treasury Offset Program. (1) In most cases, the Financial Management Service uses the Treasury Offset Program to collect Treasury debts by administrative and tax refund offset. See 31 CFR 285.12(g). The Treasury Offset Program is a centralized offset program administered by the Financial Management Service to collect delinquent debts owed to Federal agencies and states (including past-due child support). Under the Treasury Offset Program, before a Federal payment is disbursed, the Financial Management Service compares the name and taxpayer identification number (TIN) of the payee with the names and TINs of debtors that have been submitted by Federal agencies and states to the Treasury Offset Program database. If there is a match, the Financial Management Service (or, in some cases, another Federal disbursing agency) offsets all or a portion of the Federal payment, disburses any remaining payment to the payee, and pays the offset amount to the creditor agency. Federal payments eligible for offset include, but are not limited to, income tax refunds, salary, travel advances and reimbursements, retirement and vendor payments, and Social Security and other benefit payments.

(b) Non-centralized administrative offset for Treasury debts. (1) When centralized administrative offset through the Treasury Offset Program is not available or appropriate, Treasury entities may collect past-due, legally enforceable Treasury debts through non-centralized administrative offset. See 31 CFR 901.3(c). In these cases, Treasury entities may offset a payment internally or make an offset request directly to a Federal payment agency. If the Federal payment agency is another Treasury entity, the Treasury entity making the request shall do so through the Deputy Chief Financial Officer as described in §5.20(c) of this part.

(2) At least thirty (30) days prior to offsetting a payment internally or requesting a Federal payment agency to offset a payment, Treasury entities will send notice to the debtor in accordance with the requirements of §5.4 of this part. When referring a debt for offset under this paragraph (b), Treasury entities making the request will certify, in writing, that the debt is valid, delinquent, legally enforceable, and that there are no legal bars to collection by offset. In addition, Treasury entities will certify their compliance with these regulations concerning administrative offset. See 31 CFR 901.3(c)(2)(ii).

(c) Administrative review. The notice described in §5.4 of this part shall explain to the debtor how to request an administrative review of a Treasury entity’s determination that the debtor owes a Treasury debt and how to present evidence that the debt is not delinquent or legally enforceable. In addition to challenging the existence and amount of the debt, the debtor may seek a review of the terms of repayment. In most cases, Treasury entities will provide the debtor with a
“paper hearing” based upon a review of the written record, including documentation provided by the debtor. Treasury entities shall provide the debtor with a reasonable opportunity for an oral hearing when the debtor requests reconsideration of the debt and the Treasury entity determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the debt turns on an issue of credibility or veracity. Unless otherwise required by law, an oral hearing under this section is not required to be a formal evidentiary hearing, although Treasury entities should carefully document all significant matters discussed at the hearing. Treasury entities may suspend collection through administrative offset and/or other collection actions pending the resolution of a debtor’s dispute. Each Treasury entity will have its own policies and procedures concerning the administrative review process consistent with the FCCS and the regulations in this section.

(d) Procedures for expedited offset. Under the circumstances described in 31 CFR 901.3(b)(4)(iii), Treasury entities may effect an offset against a payment to be made to the debtor prior to sending a notice to the debtor, as described in §5.4 of this part, or completing the procedures described in paragraph (b)(2) and (c) of this section. Treasury entities shall give the debtor notice and an opportunity for review as soon as practicable and promptly refund any money ultimately found not to have been owed to the Government.

§5.11 How will Treasury entities use tax refund offset to collect a Treasury debt?

(a) Tax refund offset. In most cases, the Financial Management Service uses the Treasury Offset Program to collect Treasury debts by the offset of tax refunds and other Federal payments. See §5.9(c) of this part. If not already transferred to the Financial Management Service under §5.9 of this part, Treasury entities will refer to the Treasury Offset Program any past-due, legally enforceable debt for collection by tax refund offset. See 26 U.S.C. 6402(d), 31 U.S.C. 3720A and 31 CFR 285.2.

(b) Notice. At least sixty (60) days prior to referring a debt to the Treasury Offset Program, Treasury entities will send notice to the debtor in accordance with the requirements of §5.4 of this part. Treasury entities will certify to the Financial Management Service’s Treasury Offset Program, in writing, that the debt is past-due and legally enforceable in the amount submitted and that the Treasury entities have made reasonable efforts to obtain payment of the debt as described in 31 CFR 285.2(d). In addition, Treasury entities will certify their compliance with all applicable due process and other requirements described in this part and other Federal laws. See 31 U.S.C. 3720A(b) and 31 CFR 285.2.

(c) Administrative review. The notice described in §5.4 of this part shall provide the debtor with at least 60 days prior to the initiation of tax refund offset to request an administrative review as described in §5.10(c) of this part. Treasury entities may suspend collection through tax refund offset and/or other collection actions pending the resolution of the debtor’s dispute.

§5.12 How will Treasury entities offset a Federal employee’s salary to collect a Treasury debt?

(a) Federal salary offset. (1) Salary offset is used to collect debts owed to the United States by Treasury Department and other Federal employees. If a Federal employee owes a Treasury debt, Treasury entities may offset the employee’s Federal salary to collect the debt in the manner described in this section. For information on how a Federal agency other than a Treasury entity may collect debt from the salary of a Treasury Department employee, see §§5.20 and 5.21, subpart C, of this part.

(2) Nothing in this part requires a Treasury entity to collect a Treasury debt in accordance with the provisions of this section if Federal law allows otherwise. See, for example, 5 U.S.C. 5705 (travel advances not used for allowable travel expenses are recoverable from the employee or his estate by setoff against accrued pay and other means) and 5 U.S.C. 4108 (recovery of training expenses).
(3) Treasury entities may use the administrative wage garnishment procedure described in §5.13 of this part to collect a debt from an individual's non-Federal wages.

(b) Centralized salary offset through the Treasury Offset Program. As described in §5.9(a) of this part, Treasury entities will refer Treasury debts to the Financial Management Service for collection by administrative offset, including salary offset, through the Treasury Offset Program. When possible, Treasury entities should attempt salary offset through the Treasury Offset Program before applying the procedures in paragraph (c) of this section. See 5 CFR 550.1109.

(c) Non-centralized salary offset for Treasury debts. When centralized salary offset through the Treasury Offset Program is not available or appropriate, Treasury entities may collect delinquent Treasury debts through non-centralized salary offset. See 5 CFR 550.1109. In these cases, Treasury entities may offset a payment internally or make a request directly to a Federal payment agency to offset a salary payment to collect a delinquent debt owed by a Federal employee. If the Federal payment agency is another Treasury entity, the Treasury entity making the request shall do so through the Deputy Chief Financial Officer as described in §5.20(c) of this part. At least thirty (30) days prior to offsetting internally or requesting a Federal agency to offset a salary payment, Treasury entities will send notice to the debtor in accordance with the requirements of §5.4 of this part. When referring a debt for offset, Treasury entities will certify to the payment agency, in writing, that the debt is valid, delinquent and legally enforceable in the amount stated, and there are no legal bars to collection by salary offset. In addition, Treasury entities will certify that all due process and other prerequisites to salary offset have been met. See 5 U.S.C. 5514, 31 U.S.C. 3716(a), and this section for a description of the due process and other prerequisites for salary offset.

(d) When prior notice not required. Treasury entities are not required to provide prior notice to an employee when the following adjustments are made by a Treasury entity to a Treasury employee's pay:

(1) Any adjustment to pay arising out of any employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less;

(2) A routine intra-agency adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the four pay periods preceding the adjustment, and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment; or

(3) Any adjustment to collect a debt amounting to $50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.

(e) Hearing procedures—(1) Request for a hearing. A Federal employee who has received a notice that his or her Treasury debt will be collected by means of salary offset may request a hearing concerning the existence or amount of the debt. The Federal employee also may request a hearing concerning the amount proposed to be deducted from the employee's pay each pay period. The employee must send any request for hearing, in writing, to the office designated in the notice described in §5.4. See §5.4(a)(11). The request must be received by the designated office on or before the 15th calendar day following the employee's receipt of the notice. The employee must sign the request and specify whether an oral or paper hearing is requested. If an oral hearing is requested, the employee must explain why the matter cannot be resolved by review of the documentary evidence alone. All travel expenses incurred by the Federal employee in connection with an in-person hearing will be borne by the employee.

(2) Failure to submit timely request for hearing. If the employee fails to submit
a request for hearing within the time period described in paragraph (e)(1) of this section, the employee will have waived the right to a hearing, and salary offset may be initiated. However, Treasury entities should accept a late request for hearing if the employee can show that the late request was the result of circumstances beyond the employee’s control or because of a failure to receive actual notice of the filing deadline.

(3) Hearing official. Treasury entities must obtain the services of a hearing official who is not under the supervision or control of the Secretary. Treasury entities may contact the Deputy Chief Financial Officer as described in §5.20(c) of this part or an agent of any agency designated in Appendix A to 5 CFR part 581 (List of Agents Designated to Accept Legal Process) to request a hearing official.

(4) Notice of hearing. After the employee requests a hearing, the designated hearing official shall inform the employee of the form of the hearing to be provided. For oral hearings, the notice shall set forth the date, time and location of the hearing. For paper hearings, the notice shall notify the employee of the date by which he or she should submit written arguments to the designated hearing official. The hearing official shall give the employee reasonable time to submit documentation in support of the employee’s position. The hearing official shall schedule a new hearing date if requested by both parties. The hearing official shall give both parties reasonable notice of the time and place of a rescheduled hearing.

(5) Oral hearing. The hearing official will conduct an oral hearing if he or she determines that the matter cannot be resolved by review of documentary evidence alone (for example, when an issue of credibility or veracity is involved). The hearing need not take the form of an evidentiary hearing, but may be conducted in a manner determined by the hearing official, including but not limited to:

(i) Informal conferences with the hearing official, in which the employee and agency representative will be given full opportunity to present evidence, witnesses and argument;

(ii) Informal meetings with an interview of the employee by the hearing official; or

(iii) Formal written submissions, with an opportunity for oral presentation.

(6) Paper hearing. If the hearing official determines that an oral hearing is not necessary, he or she will make the determination based upon a review of the available written record, including any documentation submitted by the employee in support of his or her position.

(7) Failure to appear or submit documentary evidence. In the absence of good cause shown (for example, excused illness), if the employee fails to appear at an oral hearing or fails to submit documentary evidence as required for a paper hearing, the employee will have waived the right to a hearing, and salary offset may be initiated. Further, the employee will have been deemed to admit the existence and amount of the debt as described in the notice of intent to offset. If the Treasury entity representative fails to appear at an oral hearing, the hearing official shall proceed with the hearing as scheduled, and make his or her determination based upon the oral testimony presented and the documentary evidence submitted by both parties.

(8) Burden of proof. Treasury entities will have the initial burden to prove the existence and amount of the debt. Thereafter, if the employee disputes the existence or amount of the debt, the employee must prove by a preponderance of the evidence that no debt exists or that the amount of the debt is incorrect. In addition, the employee may present evidence that the proposed terms of the repayment schedule are unlawful, would cause a financial hardship to the employee, or that collection of the debt may not be pursued due to operation of law.

(9) Record. The hearing official shall maintain a summary record of any hearing provided by this part. Witnesses will testify under oath or affirmation in oral hearings.
§ 5.12

(10) Date of decision. The hearing official shall issue a written opinion stating his or her decision, based upon documentary evidence and information developed at the hearing, as soon as practicable after the hearing, but not later than 60 days after the date on which the request for hearing was received by the Treasury entity. If the employee requests a delay in the proceedings, the deadline for the decision may be postponed by the number of days by which the hearing was postponed. When a decision is not timely rendered, the Treasury entity shall waive penalties applied to the debt for the period beginning with the date the decision is due and ending on the date the decision is issued.

(11) Content of decision. The written decision shall include:
(i) A statement of the facts presented to support the origin, nature, and amount of the debt;
(ii) The hearing official’s findings, analysis, and conclusions; and
(iii) The terms of any repayment schedules, if applicable.

(12) Final agency action. The hearing official’s decision shall be final.

(g) Salary offset process—(1) Determination of disposable pay. The office of the Deputy Chief Financial Officer will consult with the appropriate Treasury entity payroll office to determine the amount of a Treasury Department employee’s disposable pay (as defined in §5.1 of this part) and will implement salary offset when requested to do so by a Treasury entity, as described in paragraph (c) of this section, or another agency, as described in §5.20 of this part. If the debtor is not employed by the Treasury Department, the agency employing the debtor will determine the amount of the employee’s disposable pay and will implement salary offset upon request.

(2) When salary offset begins. Deductions shall begin within three official pay periods following receipt of the creditor agency’s request for offset.

(3) Amount of salary offset. The amount to be offset from each salary payment will be up to 15 percent of a debtor’s disposable pay, as follows:
(i) If the amount of the debt is equal to or less than 15 percent of the disposable pay, such debt generally will be collected in one lump sum payment;
(ii) Installment deductions will be made over a period of no greater than the anticipated period of employment. An installment deduction will not exceed 15 percent of the disposable pay from which the deduction is made unless the employee has agreed in writing to the deduction of a greater amount or the creditor agency has determined that smaller deductions are appropriate based on the employee’s ability to pay.

(4) Final salary payment. After the employee has separated either voluntarily or involuntarily from the payment agency, the payment agency may make a lump sum deduction exceeding 15 percent of disposable pay from any final salary or other payments pursuant to 31 U.S.C. 3716 in order to satisfy a debt.

(h) Payment agency’s responsibilities. (1) As required by 5 CFR 550.1109, if the employee separates from the payment agency from which a Treasury entity has requested salary offset, the payment agency must certify the total amount of its collection and notify the Treasury entity and the employee of the amounts collected. If the payment agency is aware that the employee is entitled to payments from the Civil Service Retirement Fund and Disability Fund, the Federal Employee Retirement System, or other similar payments, it must provide written notification to the payment agency responsible for making such payments that the debtor owes a debt, the amount of the debt, and that the Treasury entity has complied with the provisions of this section. Treasury entities must submit a properly certified claim to the new payment agency before the collection can be made.

(2) If the employee is already separated from employment and all payments due from his or her former payment agency have been made, Treasury entities may request that money due and payable to the employee from the
Civil Service Retirement Fund and Disability Fund, the Federal Employee Retirement System, or other similar funds, be administratively offset to collect the debt. Generally, Treasury entities will collect such monies through the Treasury Offset Program as described in §5.9(c) of this part.

(3) When an employee transfers to another agency, Treasury entities should resume collection with the employee’s new payment agency in order to continue salary offset.

§5.13 How will Treasury entities use administrative wage garnishment to collect a Treasury debt from a debtor’s wages?

(a) Treasury entities are authorized to collect debts from a debtor’s wages by means of administrative wage garnishment in accordance with the requirements of 31 U.S.C. 3720D and 31 CFR 285.11. This part adopts and incorporates all of the provisions of 31 CFR 285.11 concerning administrative wage garnishment, including the hearing procedures described in 31 CFR 285.11(f). Treasury entities may use administrative wage garnishment to collect a delinquent Treasury debt unless the debtor is making timely payments under an agreement to pay the debt in installments (see §5.6 of this part). At least thirty (30) days prior to initiating an administrative wage garnishment, Treasury entities will send notice to the debtor in accordance with the requirements of §5.4 of this part, including the requirements of §5.4(a)(10) of this part. For Treasury debts referred to the Financial Management Service under §5.9 of this part, Treasury entities may authorize the Financial Management Service to send a notice informing the debtor that administrative wage garnishment will be initiated and how the debtor may request a hearing as described in §5.4(a)(10) of this part.

(b) This section does not apply to Federal salary offset, the process by which Treasury entities collect debts from the salaries of Federal employees (see §5.12 of this part).

§5.14 How will Treasury entities report Treasury debts to credit bureaus?

Treasury entities shall report delinquent Treasury debts to credit bureaus in accordance with the provisions of 31 U.S.C. 3711(e), 31 CFR 901.4, and the Office of Management and Budget Circular A-129, “Policies for Federal Credit Programs and Nontax Receivables.” For additional information, see Financial Management Service’s “Guide to the Federal Credit Bureau Program,” which may be found at http://www.fms.treas.gov/debt. At least sixty (60) days prior to reporting a delinquent debt to a consumer reporting agency, Treasury entities will send notice to the debtor in accordance with the requirements of §5.4 of this part. Treasury entities may authorize the Financial Management Service to report to credit bureaus those delinquent Treasury debts that have been transferred to the Financial Management Service under §5.9 of this part.

§5.15 How will Treasury entities refer Treasury debts to private collection agencies?

Treasury entities will transfer delinquent Treasury debts to the Financial Management Service to obtain debt collection services provided by private collection agencies. See §5.9 of this part.

§5.16 When will Treasury entities refer Treasury debts to the Department of Justice?

(a) Compromise or suspension or termination of collection activity. Treasury entities shall refer Treasury debts having a principal balance over $100,000, or such higher amount as authorized by the Attorney General, to the Department of Justice for approval of any compromise of a debt or suspension or termination of collection activity. See §§5.7 and 5.8 of this part; 31 CFR 902.1; 31 CFR 903.1.
§ 5.17 Will a debtor who owes a Treasury debt be ineligible for Federal loan assistance or Federal licenses, permits or privileges?

(a) Delinquent debtors barred from obtaining Federal loans or loan insurance or guarantees. As required by 31 U.S.C. 3720B and 31 CFR 901.6, Treasury entities will not extend financial assistance in the form of a loan, loan guarantee, or loan insurance to any person delinquent on a debt owed to a Federal agency. This prohibition does not apply to disaster loans. Treasury entities may extend credit after the delinquency has been resolved. See 31 CFR 285.13 for standards defining when a “delinquency” is “resolved” for purposes of this prohibition.

(b) Suspension or revocation of eligibility for licenses, permits, or privileges. Unless prohibited by law, Treasury entities should suspend or revoke licenses, permits, or other privileges for any inexcusable or willful failure of a debtor to pay a debt. The Treasury entity responsible for distributing the licenses, permits, or other privileges will establish policies and procedures governing suspension and revocation for delinquent debtors. If applicable, Treasury entities will advise the debtor in the notice required by §5.4 of this part of the Treasury entities’ ability to suspend or revoke licenses, permits or privileges. See §5.4(a)(16) of this part.

§ 5.18 How does a debtor request a special review based on a change in circumstances such as catastrophic illness, divorce, death, or disability?

(a) Material change in circumstances. A debtor who owes a Treasury debt may, at any time, request a special review by the applicable Treasury entity of the amount of any offset, administrative wage garnishment, or voluntary payment, based on materially changed circumstances beyond the control of the debtor such as, but not limited to, catastrophic illness, divorce, death, or disability.

(b) Inability to pay. For purposes of this section, in determining whether an involuntary or voluntary payment would prevent the debtor from meeting essential subsistence expenses (costs incurred for food, housing, clothing, transportation, and medical care), the debtor shall submit a detailed statement and supporting documents for the debtor, his or her spouse, and dependents, indicating:

(1) Income from all sources;
(2) Assets;
(3) Liabilities;
(4) Number of dependents;
(5) Expenses for food, housing, clothing, and transportation;
(6) Medical expenses; and
(7) Exceptional expenses, if any.

(c) Alternative payment arrangement. If the debtor requests a special review under this section, the debtor shall submit an alternative proposed payment schedule and a statement to the Treasury entity collecting the debt, with supporting documents, showing why the current offset, garnishment, or repayment schedule imposes an extreme financial hardship on the debtor. The Treasury entity will evaluate the statement and documentation and determine whether the current offset, garnishment, or repayment schedule imposes extreme financial hardship on the debtor. The Treasury entity shall notify the debtor in writing of such determination, including, if appropriate, a revised offset, garnishment, or payment schedule. If the special review results in a revised offset, garnishment, or repayment schedule, the Treasury entity will notify the appropriate agency or other persons about the new terms.

§ 5.19 Will Treasury entities issue a refund if money is erroneously collected on a debt?

Treasury entities shall promptly refund to a debtor any amount collected
on a Treasury debt when the debt is waived or otherwise found not to be owed to the United States, or as otherwise required by law. Refunds under this part shall not bear interest unless required by law.

Subpart C—Procedures for Offset of Treasury Department Payments To Collect Debts Owed to Other Federal Agencies

§ 5.20 How do other Federal agencies use the offset process to collect debts from payments issued by a Treasury entity?

(a) Offset of Treasury entity payments to collect debts owed to other Federal agencies. (1) In most cases, Federal agencies submit eligible debts to the Treasury Offset Program to collect delinquent debts from payments issued by Treasury entities and other Federal agencies, a process known as "centralized offset." When centralized offset is not available or appropriate, any Federal agency may ask a Treasury entity (when acting as a "payment agency") to collect a debt owed to such agency by offsetting funds payable to a debtor by the Treasury entity, including salary payments issued to Treasury entity employees. This section and §5.21 of this subpart C apply when a Federal agency asks a Treasury entity to offset a payment issued by the Treasury entity to a person who owes a debt to the United States.

(2) This subpart C does not apply to Treasury debts. See §§5.10 through 5.12 of this part for offset procedures applicable to Treasury debts.

(3) This subpart C does not apply to the collection of non-Treasury debts through tax refund offset. See 31 CFR 285.2 for tax refund offset procedures.

(b) Administrative offset (including salary offset); certification. A Treasury entity will initiate a requested offset only upon receipt of written certification from the creditor agency that the debtor owes the past-due, legally enforceable debt in the amount stated, and that the creditor agency has fully complied with all applicable due process and other requirements contained in 31 U.S.C. 3716, 5 U.S.C. 5514, and the creditor agency's regulations, as applicable. Offsets will continue until the debt is paid in full or otherwise resolved to the satisfaction of the creditor agency.

(c) Where a creditor agency makes requests for offset. Requests for offset under this section shall be sent to the U.S. Department of the Treasury, ATTN: Deputy Chief Financial Officer, 1500 Pennsylvania Avenue, NW., Attention: Metropolitan Square, Room 6228, Washington, DC 20220. The Deputy Chief Financial Officer will forward the request to the appropriate Treasury entity for processing in accordance with this subpart C.

(d) Incomplete certification. A Treasury entity will return an incomplete debt certification to the creditor agency with notice that the creditor agency must comply with paragraph (b) of this section before action will be taken to collect a debt from a payment issued by a Treasury entity.

(e) Review. A Treasury entity is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(f) When Treasury entities will not comply with offset request. A Treasury entity will comply with the offset request of another agency unless the Treasury entity determines that the offset would not be in the best interests of the United States, or would otherwise be contrary to law.

(g) Multiple debts. When two or more creditor agencies are seeking offsets from payments made to the same person, or when two or more debts are owed to a single creditor agency, the Treasury entity that has been asked to offset the payments may determine the order in which the debts will be collected or whether one or more debts should be collected by offset simultaneously.

(h) Priority of debts owed to Treasury entity. For purposes of this section, debts owed to a Treasury entity generally take precedence over debts owed to other agencies. The Treasury entity that has been asked to offset the payments may determine whether to pay debts owed to other agencies before paying a debt owed to a Treasury entity. The Treasury entity that has been
§ 5.21 What does a Treasury entity do upon receipt of a request to offset the salary of a Treasury entity employee to collect a debt owed by the employee to another Federal agency?

(a) Notice to the Treasury employee. When a Treasury entity receives proper certification of a debt owed by one of its employees, the Treasury entity will begin deductions from the employee’s pay at the next officially established pay interval. The Treasury entity will send a written notice to the employee indicating that a certified debt claim has been received from the creditor agency, the amount of the debt claimed to be owed by the creditor agency, the date deductions from salary will begin, and the amount of such deductions.

(b) Amount of deductions from Treasury employee’s salary. The amount deducted under § 5.20(b) of this part will be the lesser of the amount of the debt certified by the creditor agency or an amount up to 15% of the debtor’s disposable pay. Deductions shall continue until the Treasury entity knows that the debt is paid in full or until otherwise instructed by the creditor agency. Alternatively, the amount offset may be an amount agreed upon, in writing, by the debtor and the creditor agency. See § 5.12(g) (salary offset process).

(c) When the debtor is no longer employed by the Treasury entity—

(1) Offset of final and subsequent payments. If a Treasury entity employee retires or resigns or if his or her employment ends before collection of the debt is complete, the Treasury entity will continue to offset, under 31 U.S.C. 3716, up to 100% of an employee’s subsequent payments until the debt is paid or otherwise resolved. Such payments include a debtor’s final salary payment, lump-sum leave payment, and other payments payable to the debtor by the Treasury entity. See 31 U.S.C. 3716 and 5 CFR 550.1104(1) and 5 CFR 550.1104(m).

(2) Notice to the creditor agency. If the employee is separated from the Treasury entity before the debt is paid in full, the Treasury entity will certify to the creditor agency the total amount of its collection. If the Treasury entity is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, Federal Employee Retirement System, or other similar payments, the Treasury entity will provide written notice to the agency making such payments that the debtor owes a debt (including the amount) and that the provisions of 5 CFR 550.1109 have been fully complied with. The creditor agency is responsible for submitting a certified claim to the agency responsible for making such payments before collection may begin. Generally, creditor agencies will collect such monies through the Treasury Offset Program as described in § 5.9(c) of this part.

(3) Notice to the debtor. The Treasury entity will provide to the debtor a copy of any notices sent to the creditor agency under paragraph (c)(2) of this section.

(d) When the debtor transfers to another Federal agency—

(1) Notice to the creditor agency. If the debtor transfers to another Federal agency before the debt is paid in full, the Treasury entity will notify the creditor agency and will certify the total amount of its collection on the debt. The Treasury entity will provide a copy of the certification to the creditor agency. The creditor agency is responsible for submitting a certified claim to the debtor’s new employing agency before collection may begin.

(2) Notice to the debtor. The Treasury entity will provide to the debtor a copy of any notices and certifications sent to the creditor agency under paragraph (d)(1) of this section.

(e) Request for hearing official. A Treasury entity will provide a hearing official upon the creditor agency’s request with respect to a Treasury entity employee. See 5 CFR 550.1107(a).

APPENDIX A TO PART 5—TREASURY DIRECTIVE 34–01—WAIVING CLAIMS AGAINST TREASURY EMPLOYEES FOR ERRONEOUS PAYMENTS

TREASURY DIRECTIVE 34–01

Date: July 12, 2000.
Subject: Waiving Claims Against Treasury Employees for Erroneous Payments.
Office of the Secretary of the Treasury

Pt. 5, App. A

1. Purpose

This Directive establishes the Department of the Treasury’s policies and procedures for waiving claims by the Government against an employee for erroneous payments of: (1) Pay and allowances (e.g., health and life insurance) and (2) travel, transportation, and relocation expenses and allowances.

2. Background

a. 5 U.S.C. § 5584 authorizes the waiver of claims by the United States in whole or in part against an employee arising out of erroneous payments of pay and allowances, travel, transportation, and relocation expenses and allowances. A waiver may be considered when collection of the claim would be against equity and good conscience and not in the best interest of the United States provided that there does not exist, in connection with the claim, an indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee or any other person having an interest in obtaining a waiver of the claim.

b. The General Accounting Office Act of 1996 (Pub. L. 104-316), Title I, § 103(d), enacted October 19, 1996, amended 5 U.S.C. § 5584 by transferring the authority to waive claims for erroneous payments exceeding $1,500 from the Comptroller General of the United States to the Office of Management and Budget (OMB). OMB subsequently redelegated this waiver authority to the executive agency that made the erroneous payment. The authority to waive claims not exceeding $1,500, which was vested in the head of each agency prior to the enactment of Pub. L. 104-316, was unaffected by the Act.

c. 5 U.S.C. § 5514 authorizes the head of each agency, upon a determination that an employee is indebted to the United States for debts to which the United States is entitled to be repaid at the time of the determination, to deduct up to 15%, or a greater amount if agreed to by the employee, from the employee’s pay at officially established pay intervals in order to repay the debt.

3. Delegation

a. The Deputy Assistant Secretary (Administration), the heads of bureaus, the Inspector General, and the Inspector General for Tax Administration are delegated the authority to waive claims by the United States in whole or in part against an employee for erroneous payments exceeding $1,500 from erroneous payments.

b. Treasury’s Deputy Chief Financial Officer is delegated the authority to waive, in whole or in part, a claim of the United States against an employee for an erroneous payment of pay and allowances, travel, transportation, and relocation expenses and allowances, aggregating $5,000 or more per claim, in accordance with the limitations and standards in 5 U.S.C. § 5584.

4. Appeals

a. Requests for waiver of claims aggregating less than $5,000 per claim which are denied in whole or in part may be appealed to the Deputy Chief Financial Officer for the Department of the Treasury.

b. Requests for waiver of claims aggregating $5,000 or more per claim which are denied in whole or in part may be appealed to the Assistant Secretary (Management)/Chief Financial Officer.

5. Redelegation

The Deputy Assistant Secretary (Administration), the heads of bureaus, the Inspector General, and the Inspector General for Tax Administration may redelegate their respective authority and responsibility in writing no lower than the bureau deputy chief financial officer unless authorized by Treasury’s Deputy Chief Financial Officer. Copies of each redelegation shall be submitted to the Department’s Deputy Chief Financial Officer.

6. Responsibilities

a. The Deputy Assistant Secretary (Administration), the heads of bureaus, the Inspector General, and the Inspector General for Tax Administration shall:

(1) Promptly notify an employee upon discovery of an erroneous payment to that employee;

(2) Promptly act to collect the erroneous overpayment, following established debt collection policies and procedures;

(3) Establish time frames for employees to request a waiver in writing and for the bureau to review the waiver request. These time frames must take into consideration the responsibilities of the United States to take prompt action to pursue enforced collection on overdue debts, which may arise from erroneous payments.

(4) Notify employees whose requests for waiver of claims aggregating less than $5,000 per claim are denied in whole or in part of the basis for the denial and the right to appeal the denial to the Deputy Chief Financial Officer of the Department of the Treasury. All such appeals shall:

(a) Be made in writing;

(b) Specify the basis for the appeal;

(c) Include a chronology of the events surrounding the erroneous payments;

(d) Include a statement regarding any mitigating factors; and

(e) Be submitted to the official who denied the waiver request no later than 60 days from receipt by the employee of written notice of the denial of the waiver; and
Pt. 5, App. A

(1) The total amount waived by the bureau; (2) The number and dollar amount of waiver applications granted in full; (3) The number and dollar amount of waiver applications granted in part and denied in part, and the dollar amount of each; (4) The number and dollar amount of waiver applications denied in their entirety; (5) The number of waiver applications referred to the Deputy Chief Financial Officer for initial action or for appeal; (6) The dollar amount refunded as a result of waiver action by the bureau; and (7) The dollar amount refunded as a result of waiver action by the Deputy Chief Financial Officer or the Assistant Secretary (Management)/Chief Financial Officer.

b. Each bureau, the Deputy Assistant Secretary (Administration) for Departmental Offices, the Inspector General, and the Inspector General for Tax Administration shall retain a written record of each waiver action for 6 years and 3 months. At a minimum, the written record shall contain:

(1) The bureau’s summary of the events surrounding the erroneous payment; (2) Any written comments submitted by the employee from whom collection is sought; (3) An account of the waiver action taken and the reasons for such action; and (4) Other pertinent information such as any action taken to refund amounts repaid.

8. Effect of Request for Waiver

A request for a waiver of a claim shall not affect an employee’s opportunity under 5 U.S.C. § 5514(a)(2)(D) for a hearing on the determination of the agency concerning the existence or the amount of the debt, or the terms of the repayment schedule. A request by an employee for a hearing under 5 U.S.C. § 5514(a)(2)(D) shall not affect an employee’s right to request a waiver of the claim. The determination whether to waive a claim may be made at the discretion of the deciding official either before or after a final decision is rendered pursuant to 5 U.S.C. § 5514(a)(2)(D) concerning the existence or the amount of the debt, or the terms of the repayment schedule.

9. Guidelines for Determining Requests

a. A request for a waiver shall not be granted if the deciding official determines there exists, in connection with the claim, an indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee or any other person having an interest in obtaining a waiver of the claim. There are no exceptions to this rule for financial hardship or otherwise.

(1) “Fault” exists if, in light of all the circumstances, it is determined that the employee knew or should have known that an error existed, but failed to take action to have it corrected. Fault can derive from an act or a failure to act. Unlike fraud, fault does not require a deliberate intent to deceive. Whether an employee should have known about an error in pay is determined from the perspective of a reasonable person. Pertinent considerations in finding fault include whether:

(a) The payment resulted from the employee’s incorrect, but not fraudulent, statement that the employee should have known was incorrect;
(b) The payment resulted from the employee’s failure to disclose material facts in the
employee's possession which the employee should have known to be material; or
(c) The employee accepted a payment, which the employee knew or should have known to be erroneous.

(2) Every case must be examined in light of its particular facts. For example, where an employee is promoted to a higher grade but the step level for the employee's new grade is miscalculated, it may be appropriate to conclude that there is no fault on the employee's part because employees are not typically expected to be aware of and understand the rules regarding determination of step level upon promotion. On the other hand, a different conclusion as to fault potentially may be reached if the employee in question is a personnel specialist or an attorney who concentrates on personnel law.

b. If the deciding official finds an indication of fraud, misrepresentation, fault, or lack of good faith on the part of the employee or any other person having an interest in obtaining a waiver of the claim, then the request for a waiver must be denied.

c. If the deciding official finds no indication of fraud, misrepresentation, fault, or lack of good faith in obtaining a waiver of the claim, then the employee is not automatically entitled to a waiver. Before a waiver can be granted, the deciding official must also determine that collection of the claim against an employee would be against equity and good conscience and not in the best interests of the United States. Factors to consider when determining if collection of a claim against an employee would be against equity and good conscience and not in the best interests of the United States include, but are not limited to:
(1) Whether collection of the claim would cause serious financial hardship to the employee from whom collection is sought.
(2) Whether, because of the erroneous payment, the employee either has relinquished a valuable right or changed positions for the worse, regardless of the employee's financial circumstances.
(a) To establish that a valuable right has been relinquished, it must be shown that the right was, in fact, valuable; that it cannot be regained; and that the action was based chiefly or solely on reliance on the overpayment.
(b) To establish that the employee's position has changed for the worse, it must be shown that the decision would not have been made but for the overpayment, and that the decision resulted in a loss.
(c) An example of a "detrimental reliance" would be a decision to sign a lease for a more expensive apartment based chiefly or solely upon reliance on an erroneous calculation of salary, and the funds spent for rent cannot be recovered.
(3) The cost of collecting the claim equals or exceeds the amount of the claim;
(4) The time elapsed between the erroneous payment and discovery of the error and notification of the employee;
(5) Whether failure to make restitution would result in unfair gain to the employee;
(6) Whether recovery of the claim would be unconscionable under the circumstances.

d. The burden is on the employee to demonstrate that collection of the claim would be against equity and good conscience and not in the best interest of the United States.

PART 6—APPLICATIONS FOR AWARDS UNDER THE EQUAL ACCESS TO JUSTICE ACT

Subpart A—General Provisions

Sec.

Subpart A—General Provisions

§ 6.1 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called “the Act” in this part), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called “adversary adjudications”) before agencies of the Government of the United States. An eligible party may receive an award when it prevails over an agency, unless the agency’s position in the proceeding was substantially justified or special circumstances make an award unjust. The rules in this part describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Treasury Department will use to make them.

§ 6.2 When the Act applies.

The Act applies to any adversary adjudication pending before an agency at any time between October 1, 1981 and September 30, 1984. This includes proceedings begun before October 1, 1981, if final agency action has not been taken before that date, and proceedings pending on September 30, 1984, regardless of when they were initiated or when final agency action occurs.

§ 6.3 Proceedings covered.

The Act applies to adversary adjudications required to be conducted by the Treasury Department under 5 U.S.C. 554. Within the Treasury Department, these proceedings are:

(a) Bureau of Alcohol, Tobacco and Firearms: (1) Permit proceedings under the Federal Alcohol Administration Act (27 U.S.C. 204); (2) Permit proceedings under the Internal Revenue Code of 1954 (26 U.S.C. 5171, 5271, 5713); (3) License and permit proceedings under the Federal Explosives Laws (18 U.S.C. 843).

(b) Comptroller of the Currency: All proceedings conducted under 12 CFR part 19, subpart A.

§ 6.4 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this subpart and has complied with the requirements in Subpart B of this part.

(b) The types of eligible applicants are as follows:

(1) An individual with a net worth of not more than $1 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than $5 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141(a)) with not more than 500 employees, or

(5) Any other partnership, corporation, association, or public or private organization with a net worth of not more than $5 million and not more than 500 employees;

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(d) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the matter in controversy is primarily related to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for remuneration for the
applicant, under the applicant's direction and control. Part-time employees shall be included.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual or group of individuals, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares of another business, or controls in any manner the election of a majority of that business's board of directors, trustees, or other persons exercising similar functions, will be considered an affiliate of that business for purposes of this part, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(g) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

§ 6.5 Standards for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with the final disposition of a proceeding, unless (1) the position of the agency was substantially justified, or (2) special circumstances make the award unjust. No presumption arises that the agency's position was not substantially justified simply because the agency did not prevail.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

§ 6.6 Allowable fees and other expenses.

(a) The following fees and other expenses are allowable under the Act:

(1) Reasonable expenses of expert witnesses;

(2) Reasonable cost of any study, analysis, engineering report, test, or project which the agency finds necessary for the preparation of the party's case;

(3) Reasonable attorney or agent fees.

(b) The amount of fees awarded will be based upon the prevailing market rates for the kind and quality of services furnished, except that

(1) Compensation for an expert witness will not exceed the highest rate paid by the agency for expert witnesses; and

(2) Attorney or agent fees will not be in excess of $75 per hour.

§ 6.7 Delegations of authority.

The Director, Bureau of Alcohol, Tobacco and Firearms and the Comptroller of the Currency are authorized to take final action on matters pertaining to the Equal Access to Justice Act, 5 U.S.C. 504, in proceedings listed in §6.3 under the respective bureau or office. The Secretary of the Treasury may by order delegate authority to take final action on matters pertaining to the Equal Access to Justice Act in particular cases to other subordinate officials.

Subpart B—Information Required From Applicants

§ 6.8 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the agency in the proceeding that the applicant alleges was not substantially justified. The application shall state the basis for the applicant's belief that the position was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed $1 million (if an individual) or $5 million (for all other applicants, including their affiliates).
§ 6.9 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization, or cooperative association must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 6.4(f)) when the proceeding was initiated. In the case of national banking associations, "net worth" shall be considered to be the total capital and surplus as reported, in conformity with the applicable instructions and guidelines, on the bank’s last Consolidated Report of Condition filed before the initiation of the underlying proceeding.

(b) The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant’s and its affiliates assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

§ 6.10 Documentation of fees and expenses.

(a) The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, engineering report, test, or project, for which an award is sought.

(b) The documentation shall include an affidavit from any attorney, agent, or expert witness representing or appearing in behalf of the party, stating the actual time expended and the rate at which fees and other expenses were computed and describing the specific services performed.

(1) The affidavit shall state the services performed. In order to establish the hourly rate, the affidavit shall state the hourly rate which is billed and paid by the majority of clients during the relevant time periods.

(2) If not hourly rate is paid by the majority of clients because, for instance, the attorney or agent represents most clients on a contingency basis, the attorney or agent shall provide information about two attorneys or agents with similar experience, who perform similar work, stating their hourly rate.

(c) The documentation shall also include a description of any expenses for which reimbursement is sought and a statement of the amounts paid and payable by the applicant or by any other person or entity for the services provided.

(d) The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

§ 6.11 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the
proceeding but in no case later than 30 days after the agency's final disposition of the proceeding.

(b) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

Subpart C—Procedures for Considering Applications

§ 6.12 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding.

§ 6.13 Answer to application.

(a) Within 30 days after service of an application, counsel representing the agency against which an award is sought shall file an answer to the application.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 60 days and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain any objections to the award requested and identify the facts relied on in support of agency counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer supporting affidavits.

§ 6.14 Decision.

The adjudicative officer shall issue an initial decision on the application within 60 days after completion of proceedings on the application. The decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the agency's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust.

§ 6.15 Agency review.

Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the agency may decide to review the decision on its own initiative. If neither the applicant nor agency counsel seeks a review and the agency does not take review on its own initiative, the initial decision on the application shall become a final decision of the agency 30 days after it is issued. Whether to review a decision is a matter within the discretion of the agency. If review is taken, the agency will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

§ 6.16 Judicial review.

Judicial review of final agency decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 6.17 Payment of award.

An applicant seeking payment of an award shall submit to the agency a copy of the agency's final decision granting the award, accompanied by a statement that the applicant will not seek review of the decision in the United States courts. An applicant shall be paid the amount awarded unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

§ 7.1 Purpose.

Provisions defining the right, title, and interest of the Government in and to an invention made by a Government employee under various circumstances and the duties of Government agencies with respect thereto are set forth in Executive Order 10096, 15 FR 389, as amended (35 U.S.C. 266 note). Further definition of the circumstances under which the Government will acquire the right to a patent in such an invention or a nonexclusive, irrevocable, royalty-free license in the invention, and the procedures for the determination of these interests, are set forth in the regulations issued under that Executive order by the Patent Office, 37 CFR part 100. The purpose of this part 7 is to implement for the Treasury Department the foregoing Executive order and regulations of the Patent Office by (a) bringing to the attention of Treasury employees the law and procedure governing their rights to, and interest in, inventions made by them, (b) defining responsibility within the Department for making the necessary determinations, and, (c) establishing internal procedures for action in conformity with the Executive order and the Patent Office regulations.

§ 7.2 Responsibilities of the Department.

The responsibilities of the Treasury Department are to determine initially (a) the occurrence of an invention by an employee, (b) his rights in the invention and the rights of the Government therein, and (c) whether patent protection will be sought in the United States by the Department, and to furnish the required reports to the Patent Office.

§ 7.3 Responsibilities of heads of offices.

(a) Heads of bureaus or offices in the Department shall be responsible for determining initially whether the results of research, development, or other activity of an employee within that bureau or office constitute an invention which falls within the purview of Executive Order 10096, as amended, and is to be handled in accordance with the regulations in this part.

(b) Heads of bureaus or offices are responsible for obtaining from the employee the necessary information and, if the determination under paragraph (a) of this section is affirmative, preparing on behalf of the bureau or office a description of the invention and its relationship to the employee’s duties and work assignments.

(c) Heads of bureaus or offices, after such examination and investigation as may be necessary, shall inform the General Counsel all information obtained concerning the invention and such determination as the head of the bureau or office has made with respect to the character of the activity as an invention. These reports shall include any determination as to the giving of a cash award to the employee for his performance relating to that invention.

§ 7.4 Responsibilities of the General Counsel.

(a) The General Counsel shall be responsible for determining, subject to review by the Commissioner of Patents, the respective rights of the Government and of the inventor in and to any invention made by an employee of the Department.

(b) On the basis of the foregoing determination, the General Counsel shall determine whether patent protection will be sought by the Department for such an invention.

(c) The General Counsel will prepare and furnish to the Patent Office the reports required by the regulations of that Office and will serve as the liaison officer between the Department and the Commissioner of Patents.

§ 7.5 Responsibilities of employees.

All employees are required to report to the heads of their bureaus or offices any result of research, development, or other activity on their part which may constitute an invention and the circumstances under which this possible invention came into being.

(a) Filing. The respondent shall file the answer in writing within the time specified in the complaint or notice of institution of the proceeding, unless on application the time is extended by the Director of Practice or the Administrative Law Judge. The respondent shall file the answer in duplicate with the director of Practice.
§ 8.58

(b) Contents. The respondent shall include in the answer a statement of facts which constitute the grounds of defense, and shall specifically admit or deny each allegation set forth in the complaint, except that the respondent shall not deny a material allegation in the complaint which he or she knows to be true, or state that he or she is without sufficient information to form a belief when in fact the respondent possesses that information. The respondent may also state affirmatively special matters of defense.

(c) Failure to deny or answer allegations in the complaint. Every allegation in the complaint which is not denied in the answer is deemed to be admitted and may be considered as proven, and no further evidence in respect of that allegation need be adduced at a hearing. Failure to file an answer within the time prescribed in the notice to the respondent, except as the time for answer is extended by the Director of Practice or the Administrative Law Judge, will constitute an admission of the allegations of the complaint and a waiver of hearing, and the Administrative Law Judge may make a decision by default without a hearing or further procedure.

(d) Reply by Director of Practice. No reply to the respondent’s answer is required, and new matter in the answer will be deemed to be denied, but the Director of Practice may file a reply at his or her discretion or at the request of the Administrative Law Judge.

§ 8.59 Proof; variance; amendment of pleadings.

In the case of a variance between the allegations in a pleading, the Administrative Law Judge may order or authorize amendment of the pleading to conform to the evidence. The party who would otherwise be prejudiced by the amendment will be given reasonable opportunity to meet the allegation of the pleading as amended, and the Administrative Law Judge shall make findings on an issue presented by the pleadings as so amended.

§ 8.60 Motions and requests.

Motions and requests may be filed with the Director of Practice or with the Administrative Law Judge.

§ 8.61 Representation.

A respondent or proposed respondent may appear in person or be represented by counsel or other representative who need not be enrolled to practice before the Bureau. The Director of Practice may be represented by an Attorney or other employee of the Treasury Department.

§ 8.62 Administrative Law Judge.

(a) Appointment. An Administrative Law Judge, appointed as provided by 5 U.S.C. 3105, shall conduct proceedings upon complaints for the disbarment or suspension of attorneys, certified public accountants, or enrolled practitioners.

(b) Responsibilities. The Administrative Law Judge in connection with any disbarment or suspension proceeding shall have authority to:

(1) Administer oaths and affirmation;
(2) Make rulings upon motions and requests; these rulings may not be appealed prior to the close of the hearing except at the discretion of the Administrative Law Judge in extraordinary circumstances;
(3) Rule upon offers of proof, receive relevant evidence, and examine witnesses;
(4) Take or authorize to the taking of depositions;
(5) Determine the time and place of hearing and regulate its course and conduct.
(6) Hold or provide for the holding of conferences to settle or simplify the issues by consent of the parties;
(7) Receive and consider oral or written arguments on facts or law;
(8) Make initial decisions;
(9) Adopt rules of procedure and modify them from time to time as occasion requires for the orderly disposition of proceedings; and
(10) Perform acts and take measures as necessary to promote the efficient conduct of any proceeding.

§ 8.63 Hearings.

(a) Conduct. The Administrative Law Judge shall preside at the hearing on a complaint for the disbarment or suspension of an attorney, certified public accountant, or enrolled practitioner. Hearings will be stenographically recorded and transcribed and the testimony of witnesses will be received under oath or affirmation. The Administrative Law Judge shall conduct hearings pursuant to 5 U.S.C. 556.
(b) Failure to appear. If either party to the proceedings fails to appear at the hearing, after due notice has been sent, the Administrative Law Judge may deem them to have waived the right to a hearing and may make a decision against the absent party by default.

§ 8.64 Evidence.

(a) Rules of evidence. The rules of evidence prevailing in courts of law and equity are not controlling in hearings. However, the Administrative Law Judge shall exclude evidence which is irrelevant, immaterial, or unduly repetitious.
(b) Depositions. Depositions of witnesses taken pursuant to §8.65 may be admitted as evidence.
(c) Government documents. Official documents, records, and papers of the Bureau of Alcohol, Tobacco and Firearms and the Office of the Director of Practice are admissible in evidence without the production of an officer or employee to authenticate them. These documents, records and papers may be evidenced by a copy attested or identified by an officer or employee of the Bureau or the Treasury Department.
(d) Exhibits. If any document, record, or other paper is introduced in evidence as an exhibit, the Administrative Law Judge may authorize the withdrawal of the exhibit subject to any conditions he or she deems proper.
(e) Objections. Objections to evidence will be in short form, stating the grounds of objection and the record may not include arguments thereon, except as ordered by the Administrative Law Judge. Rulings on objections will be a part of the record. No exception to the ruling is necessary to preserve the rights of the parties.

§ 8.65 Depositions.

Depositions for use at a hearing may, with the written approval of the Administrative Law Judge, be taken by either the Director of Practice or the respondent or their authorized representatives. Depositions may be taken upon oral or written questioning, upon not less than 10 days’ written notice to the other party before any officer authorized to administer an oath for general purposes or before an officer or employee of the Bureau authorized to administer an oath pursuant to 27 CFR 70.35. The written notice will state the names of the witnesses and the time and place where the depositions are to be taken. The requirement of 10 days’ notice may be waived by the parties in writing, and depositions may then be taken from the persons and at the times and places mutually agreed to by the parties. When a deposition is taken upon written questioning, any cross-examination will be upon written questioning. Copies of the written questioning will be served upon the other party with the notice, and copies of any written cross-interrogation will be mailed or delivered to the opposing party at least 5 days before the date of taking the depositions, unless the parties mutually agree otherwise. A party on whose behalf a deposition is taken must file it with the Administrative Law Judge and serve one copy upon the opposing party. Expenses in the reproduction of depositions will be borne by the party at whose instance the deposition is taken.

§ 8.66 Transcript.

In cases in which the hearing is stenographically reported by a Government contract reporter, copies of the
transcript may be obtained from the reporter at rates not to exceed the maximum rates fixed by contract between the Government and the reporter. If the hearing is stenographically reported by a regular employee of the Bureau, a copy of the hearing will be supplied to the respondent either without charge or upon the payment of a reasonable fee. Copies of exhibits introduced at the hearing or at the taking of depositions will be supplied to the parties upon the payment of a reasonable fee.

§ 8.67 Proposed findings and conclusions.

Except in cases when the respondent has failed to answer the complaint or when a party has failed to appear at the hearing, the Administrative Law Judge, prior to making his or her decision, shall afford the parties a reasonable opportunity to submit proposed findings and conclusions and their supporting reasons.

§ 8.68 Decision of Administrative Law Judge.

As soon as practicable after the conclusion of a hearing and the receipt of any proposed findings and conclusions timely submitted by the parties, the Administrative Law Judge shall make the initial decision in the case. The decision will include (a) a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues of fact, law, or discretion presented on the record, and (b) an order of disbarment, suspension, or reprimand or an order of dismissal of the complaint. The Administrative Law Judge shall file the decision with the Director of Practice and shall transmit a copy to the respondent or the respondent’s attorney of record. In the absence of an appeal to the Secretary, or review of the decision upon motion of the Secretary, the decision of the Administrative Law Judge will, without further proceedings, become the decision of the Secretary of the Treasury 30 days from the date of the Administrative Law Judge’s decision.

§ 8.69 Appeal to the Secretary.

Within 30 days from the date of the Administrative Law Judge’s decision, either party may appeal to the Secretary. The appeal will be filed with the Director of Practice in duplicate and will include exceptions to the decision of the Administrative Law Judge and supporting reasons for those exceptions. If the Director of Practice files the appeal, he or she shall transmit a copy of it to the respondent. Within 30 days after receipt of an appeal or copy thereof, the other party may file a reply brief in duplicate with the Director of Practice. If the Director of Practice files the reply brief, he or she shall transmit a copy of it to the respondent. Upon the filing of an appeal and a reply brief, if any, the Director of Practice shall transmit the entire record to the Secretary.

§ 8.70 Decision of the Secretary.

On appeal from or review of the initial decision of the Administrative Law Judge, the Secretary shall make the agency decision. In making this decision, the Secretary shall review the record or those portions of the records as may be cited by the parties in order to limit the issues. The Director of Practice shall transmit a copy of the Secretary’s decision to the respondent.

§ 8.71 Effect of disbarment or suspension.

(a) Disbarment. If the final order against the respondent is for disbarment, the respondent will not thereafter be permitted to practice before the Bureau unless authorized to do so by the Director of Practice pursuant to § 8.72.

(b) Suspension. If the final order against the respondent is for suspension, the respondent will not thereafter be permitted to practice before the Bureau during the period of suspension.

(c) Surrender of enrollment card. If an enrolled practitioner is disbarred or suspended, he or she shall surrender the enrollment card to the Director of Practice for cancellation, in the case of disbarment, or for retention during the period of suspension.

(d) Notice of disbarment or suspension. Upon the issuance of a final order for suspension or disbarment, the Director
of Practice shall give notice of the order to appropriate officers and employees of the Bureau of Alcohol, Tobacco and Firearms and to interested departments and agencies of the Federal Government. The Director of Practice may also give notice as he or she may determine to the proper authorities of the State in which the disbarred or suspended person was licensed to practice as an attorney or certified public accountant.

§ 8.72 Petition for reinstatement.
The Director of Practice may entertain a petition for reinstatement from any person disbarred from practice before the Bureau after the expiration of 5 years following disbarment. The director of Practice may not grant reinstatement unless he or she is satisfied that the petitioner is not likely to conduct himself or herself contrary to the regulations in this part, and that granting reinstatement would not be contrary to the public interest.

(2) If the applicant does not pass the tax compliance or suitability check, the applicant will not be issued an enrollment or registration card or certificate pursuant to §10.6(b) of this part. An applicant who is initially denied enrollment or registration for failure to

parers must renew their status with 
the Internal Revenue Service to main-

(i) All enrolled agents must renew their preparer tax identification number as prescribed by forms, instructions, or other appropriate guidance.

(ii) Enrolled agents who have a Social Security number or tax identification number that ends with the numbers 0, 1, 2, or 3, except for those individuals who received their initial enrollment after November 1, 2003, must apply for renewal between November 1, 2003, and January 31, 2004. Those individuals who receive initial enrollment as an enrolled agent after November 1 and before April 2 of the applicable renewal period will not be required to renew their enrollment before the first full renewal period following the receipt of their initial enrollment.

(3) Renewal period for enrolled retirement plan agents. (i) All enrolled retirement plan agents must renew their preparer tax identification number as prescribed by the Internal Revenue Service in forms, instructions, or other appropriate guidance.

(6) Fee. A reasonable nonrefundable fee may be charged for each application for renewal filed. See 26 CFR part 300.

(7) Forms. Forms required for renewal may be obtained by sending a written request to the address specified by the Internal Revenue Service or from such other source as the Internal Revenue Service will publish in the Internal Revenue Bulletin (see 26 CFR 601.601(d)(2)(ii)(b)) and on the Internal Revenue Service webpage (http://www.irs.gov).

(e) Condition for renewal: continuing education. In order to qualify for renewal as an enrolled agent, enrolled retirement plan agent, or registered tax return preparer, an individual must certify, in the manner prescribed by the Internal Revenue Service, that the individual has satisfied the requisite number of continuing education hours.

(ii) Enrollment cycle means the three successive enrollment years preceding the effective date of renewal.
(iii) Registration year means each 12-month period the registered tax return preparer is authorized to practice before the Internal Revenue Service.
(iv) The effective date of renewal is the first day of the fourth month following
§ 10.6

the close of the period for renewal described in paragraph (d) of this section.

(2) For renewed enrollment as an enrolled agent or enrolled retirement plan agent—(i) Requirements for enrollment cycle. A minimum of 72 hours of continuing education credit, including six hours of ethics or professional conduct, must be completed during each enrollment cycle.

(ii) Requirements for enrollment year. A minimum of 16 hours of continuing education credit, including two hours of ethics or professional conduct, must be completed during each enrollment year of an enrollment cycle.

(3) Requirements for renewal as a registered tax return preparer. A minimum of 15 hours of continuing education credit, including two hours of ethics or professional conduct, must be completed during each registration year.

(i) Qualifying continuing education—(1) General—(i) Enrolled agents. To qualify for continuing education credit for an enrolled agent, a course of learning must—

(A) Be a qualifying continuing education program designed to enhance professional knowledge in Federal tax administration.

(B) Be a qualifying continuing education program consistent with the Internal Revenue Code and effective tax administration.

(ii) Qualifying programs—(1) Formal programs. A formal program qualifies as a continuing education program if it—

(A) Requires attendance and provides each attendee with a certificate of attendance;

(B) Is conducted by a qualified instructor, discussion leader, or speaker (in other words, a person whose background, training, education, and experience is appropriate for instructing or leading a discussion on the subject matter of the particular program);

(C) Provides or requires a written outline, textbook, or suitable electronic educational materials; and

(D) Satisfies the requirements established for a qualified continuing education program pursuant to §10.9.

(ii) Correspondence or individual study programs (including taped programs). Qualifying continuing education programs include correspondence or individual study programs that are conducted by continuing education providers and completed on an individual basis by the enrolled individual. The
allowable credit hours for such programs will be measured on a basis comparable to the measurement of a seminar or course for credit in an accredited educational institution. Such programs qualify as continuing education programs only if they—

(A) Require registration of the participants by the continuing education provider;

(B) Provide a means for measuring successful completion by the participants (for example, a written examination), including the issuance of a certificate of completion by the continuing education provider;

(B) A maximum of two hours of continuing education credit will be awarded for actual subject preparation time for each contact hour completed as an instructor, discussion leader, or speaker at such programs. It is the responsibility of the individual claiming such credit to maintain records to verify preparation time.

(C) The maximum continuing education credit for instruction and preparation may not exceed four hours annually for registered tax return preparers and six hours annually for enrolled agents and enrolled retirement plan agents.

(D) An instructor, discussion leader, or speaker who makes more than one presentation on the same subject matter during an enrollment cycle or registration year will receive continuing education credit for only one such presentation for the enrollment cycle or registration year.

(3) Periodic examination. Enrolled Agents and Enrolled Retirement Plan Agents may establish eligibility for renewal of enrollment for any enrollment cycle by—

(i) Achieving a passing score on each part of the Special Enrollment Examination administered under this part during the three year period prior to renewal; and

(ii) Completing a minimum of 16 hours of qualifying continuing education during the last year of an enrollment cycle.

(g) Measurement of continuing education coursework. (1) All continuing education programs will be measured in terms of contact hours. The shortest recognized program will be one contact hour.

(2) A contact hour is 50 minutes of continuous participation in a program. Credit is granted only for a full contact hour, which is 50 minutes or multiples thereof. For example, a program lasting more than 50 minutes but less than 100 minutes will count as only one contact hour.

(3) Individual segments at continuous conferences, conventions and the like will be considered one total program. For example, two 90-minute segments (180 minutes) at a continuous conference will count as three contact hours.

(4) For university or college courses, each semester hour credit will equal 15 contact hours and a quarter hour credit will equal 10 contact hours.

(ii) The location of the program;

(iii) The title of the program and copy of its content;

(iv) The dates of the program; and

(v) The credit hours claimed.

(1) Waivers. (1) Waiver from the continuing education requirements for a given period may be granted for the following reasons—

(i) Health, which prevented compliance with the continuing education requirements;

(ii) Extended active military duty;

(iii) Absence from the United States for an extended period of time due to employment or other reasons, provided the individual does not practice before the Internal Revenue Service during such absence; and

(iv) Other compelling reasons, which will be considered on a case-by-case basis.

(2) A request for waiver must be accompanied by appropriate documentation. The individual is required to furnish any additional documentation or explanation deemed necessary. Examples of appropriate documentation could be a medical certificate or military orders.

(3) A request for waiver must be filed no later than the last day of the renewal application period.

(4) If a request for waiver is not approved, the individual will be placed in inactive status. The individual will be notified that the waiver was not approved and that the individual has been placed on a roster of inactive enrolled agents, enrolled retirement plan agents, or registered tax return preparers.

(5) If the request for waiver is not approved, the individual may file a protest as prescribed by the Internal Revenue Service in forms, instructions, or other appropriate guidance. A protest filed under this section is not governed by subpart D of this part.

(7) Those who are granted waivers are required to file timely applications for renewal of enrollment or registration.

(1) Failure to comply. (1) Compliance by an individual with the requirements of this part is determined by the Internal Revenue Service. The Internal Revenue Service will provide notice to any individual who fails to meet the continuing education and fee requirements of eligibility for renewal. The notice will state the basis for the determination of noncompliance and will provide the individual an opportunity to furnish the requested information in writing relating to the matter within 60 days of the date of the notice. Such information will be considered in making a final determination as to eligibility for renewal. The individual must be informed of the reason(s) for any denial of a renewal. The individual may, within 30 days after receipt of the notice of denial of renewal, file a written protest of the denial as prescribed by the Internal Revenue Service in forms, instructions, or other appropriate guidance. A protest under this section is not governed by subpart D of this part.

(2) The continuing education records of an enrolled agent, enrolled retirement plan agent, or registered tax return preparer may be reviewed to determine compliance with the requirements and standards for renewal as provided in paragraph (f) of this section. As part of this review, the enrolled agent, enrolled retirement plan agent or registered tax return preparer may be required to provide the Internal Revenue Service with copies of any continuing education records required to be maintained under this part. If the enrolled agent, enrolled retirement plan agent or registered tax return preparer fails to comply with this requirement, any continuing education hours claimed may be disallowed.

(3) An individual who has not filed a timely application for renewal, who has not made a timely response to the notice of noncompliance with the renewal requirements, or who has not satisfied the requirements of eligibility for renewal will be placed on a roster of
§ 10.7

inactive enrolled individuals or inactive registered individuals. During this time, the individual will be ineligible to practice before the Internal Revenue Service.

(4) Individuals placed in inactive status and individuals ineligible to practice before the Internal Revenue Service may not state or imply that they are eligible to practice before the Internal Revenue Service, or use the terms enrolled agent, enrolled retirement plan agent, or registered tax return preparer, the designations “EA” or “ERPA” or other form of reference to eligibility to practice before the Internal Revenue Service.

(5) An individual placed in inactive status may be reinstated to an active status by filing an application for renewal and providing evidence of the completion of all required continuing education hours for the enrollment cycle or registration year. Continuing education credit under this paragraph (j)(5) may not be used to satisfy the requirements of the enrollment cycle or registration year in which the individual has been placed back on the active roster.

(6) An individual placed in inactive status must file an application for renewal and satisfy the requirements for renewal as set forth in this section within three years of being placed in inactive status. Otherwise, the name of such individual will be removed from the inactive status roster and the individual’s status as an enrolled agent, enrolled retirement plan agent, or registered tax return preparer will terminate. Future eligibility for active status must then be reestablished by the individual as provided in this section.

(7) Inactive status is not available to an individual who is the subject of a pending disciplinary matter before the Internal Revenue Service.

(k) Inactive retirement status. An individual who no longer practices before the Internal Revenue Service may request to be placed in an inactive retirement status at any time and such individual will be placed in an inactive retirement status. The individual will be ineligible to practice before the Internal Revenue Service. An individual who is placed in an inactive retirement status may be reinstated to an active status by filing an application for renewal and providing evidence of the completion of the required continuing education hours for the enrollment cycle or registration year. Inactive retirement status is not available to an individual who is ineligible to practice before the Internal Revenue Service or an individual who is the subject of a pending disciplinary matter under this part.

(l) Renewal while under suspension or disbarment. An individual who is ineligible to practice before the Internal Revenue Service by virtue of disciplinary action under this part is required to conform to the requirements for renewal of enrollment or registration before the individual’s eligibility is restored.

(m) Enrolled actuaries. The enrollment and renewal of enrollment of actuaries authorized to practice under paragraph (d) of §10.3 are governed by the regulations of the Joint Board for the Enrollment of Actuaries at 20 CFR 901.1 through 901.72.

(n) Effective/applicability date. This section is applicable to enrollment or registration effective beginning August 2, 2011.

(ii) The Commissioner, or delegate, may, after notice and opportunity for a conference, deny eligibility to engage in limited practice before the Internal Revenue Service under paragraph (c)(1) of this section to any individual who has engaged in conduct that would justify a sanction under §10.50.

   (iv) Be recognized by the Internal Revenue Service as a professional organization, society, or business whose programs include offering continuing professional education opportunities in subject matters within §10.6(f) of this part. The Internal Revenue Service, at its discretion, may require such professional organizations, societies, or businesses to file an agreement and/or obtain Internal Revenue Service approval of each program as a qualified continuing education program in appropriate forms, instructions or other appropriate guidance.

(2) Continuing education provider numbers—(i) In general. A continuing education provider is required to obtain a continuing education provider number and pay any applicable user fee.
   (ii) Renewal. A continuing education provider maintains its status as a continuing education provider during the continuing education provider cycle by renewing its continuing education provider number as prescribed by forms, instructions or other appropriate guidance and paying any applicable user fee.

(3) Requirements for qualified continuing education programs. A continuing education provider must ensure the qualified continuing education program complies with all the following requirements—
   (i) Programs must be developed by individual(s) qualified in the subject matter;
   (ii) Program subject matter must be current;
   (iii) Instructors, discussion leaders, and speakers must be qualified with respect to program content;

pay any applicable user fee for each program offered. Program numbers shall be obtained as prescribed by forms, instructions or other appropriate guidance. Although, at the discretion of the Internal Revenue Service, a continuing education provider may be required to demonstrate that the program is designed to enhance professional knowledge in Federal taxation or Federal tax related matters (programs comprised of current subject matter in Federal taxation or Federal tax related matters, including accounting, tax return preparation software, taxation, or ethics) and complies with the requirements in paragraph (a)(2) of this section before a program number is issued.

(ii) Update programs. Update programs may use the same number as the program subject to update. An update program is a program that instructs on a change of existing law occurring within one year of the update program offering. The qualifying education program subject to update must have been offered within the two year time period prior to the change in existing law.

(iii) Change in existing law. A change in existing law means the effective date of the statute or regulation, or date of entry of judicial decision, that is the subject of the update.

(b) Failure to comply. Compliance by a continuing education provider with the requirements of this part is determined by the Internal Revenue Service. A continuing education provider who fails to meet the requirements of this part will be notified by the Internal Revenue Service. The notice will state the basis for the determination of non-compliance and will provide the continuing education provider an opportunity to furnish the requested information in writing relating to the matter within 60 days of the date of the notice. The continuing education provider may, within 30 days after receipt of the notice of denial, file a written protest as prescribed by the Internal Revenue Service in forms, instructions, or other appropriate guidance. A protest under this section is not governed by subpart D of this part.

Subpart B—Duties and Restrictions Relating to Practice Before the Internal Revenue Service

SOURCE: T.D. 9011, 67 FR 48771, July 26, 2002, unless otherwise noted.

§ 10.20 Information to be furnished.

(a) To the Internal Revenue Service. (1) A practitioner must, on a proper and lawful request by a duly authorized officer or employee of the Internal Revenue Service, promptly submit records or information in any matter before the Internal Revenue Service unless the practitioner believes in good faith and on reasonable grounds that the records or information are privileged.

(2) Where the requested records or information are not in the possession of, or subject to the control of, the practitioner or the practitioner’s client, the practitioner must promptly notify the requesting Internal Revenue Service officer or employee and the practitioner must provide any information that the practitioner has regarding the identity of any person who the practitioner believes may have possession or control of the requested records or information. The practitioner must make reasonable inquiry of his or her client regarding the identity of any person who may have possession or control of the requested records or information, but the practitioner is not required to make inquiry of any other person or independently verify any information provided by the practitioner’s client regarding the identity of such persons.

(3) When a proper and lawful request is made by a duly authorized officer or employee of the Internal Revenue Service, concerning an inquiry into an alleged violation of the regulations in this part, a practitioner must provide any information the practitioner has concerning the alleged violation and testify regarding this information in any proceeding instituted under this part, unless the practitioner believes in good faith and on reasonable grounds that the information is privileged.
§ 10.25 Practice by former government employees, their partners and their associates.

(a) Definitions. For purposes of this section—
(1) Assist means to act in such a way as to advise, furnish information to, or otherwise aid another person, directly, or indirectly.
(2) Government employee is an officer or employee of the United States or any agency of the United States, including a special Government employee as defined in 18 U.S.C. 202(a), or of the District of Columbia, or of any State, or a member of Congress or of any State legislature.
(3) Member of a firm is a sole practitioner or an employee or associate used reasonable care in engaging, supervising, training, and evaluating the person, taking proper account of the nature of the relationship between the practitioner and the person.

(b) Interference with a proper and lawful request for records or information. A practitioner may not interfere, or attempt to interfere, with any proper and lawful effort by the Internal Revenue Service, its officers or employees, to obtain any record or information unless the practitioner believes in good faith and on reasonable grounds that the record or information is privileged.

(c) Effective/applicability date. Paragraph (a) of this section is applicable on September 26, 2007. Paragraph (b) of this section is applicable beginning June 12, 2014.

thereof, or a partner, stockholder, associate, affiliate or employee of a partnership, joint venture, corporation, professional association or other affiliation of two or more practitioners who represent nongovernmental parties.

(4) Particular matter involving specific parties is defined at 5 CFR 2637.201(c), or superseding post-employment regulations issued by the U.S. Office of Government Ethics.

(5) Rule includes Treasury regulations, whether issued or under preparation for issuance as notices of proposed rulemaking or as Treasury decisions, revenue rulings, and revenue procedures published in the Internal Revenue Bulletin (see 26 CFR 601.601(d)(2)(i)(b)).

(b) General rules—(1) No former Government employee may, subsequent to Government employment, represent anyone in any matter administered by the Internal Revenue Service if the representation would violate 18 U.S.C. 207 or any other laws of the United States.

(2) No former Government employee who personally and substantially participated in a particular matter involving specific parties may, subsequent to Government employment, represent or knowingly assist, in that particular matter, any person who is or was a specific party to that particular matter.

(3) A former Government employee who within a period of one year prior to the termination of Government employment had official responsibility for a particular matter involving specific parties may not, within two years after Government employment is ended, represent in that particular matter any person who is or was a specific party to that particular matter.

(4) No former Government employee may, within one year after Government employment is ended, communicate with or appear before, with the intent to influence, any employee of the Treasury Department in connection with the publication, withdrawal, amendment, modification, or interpretation of a rule the development of which the former Government employee participated in, or for which, within a period of one year prior to the termination of Government employment, the former government employee had official responsibility. This paragraph (b)(4) does not, however, preclude any former employee from appearing on one’s own behalf or from representing a taxpayer before the Internal Revenue Service in connection with a particular matter involving specific parties involving the application or interpretation of a rule with respect to that particular matter, provided that the representation is otherwise consistent with the other provisions of this section and the former employee does not utilize or disclose any confidential information acquired by the former employee in the development of the rule.

(c) Firm representation—(1) No member of a firm of which a former Government employee is a member may represent or knowingly assist a person who was or is a specific party in any particular matter with respect to which the restrictions of paragraph (b)(2) of this section apply to the former Government employee, in that particular matter, unless the firm isolates the former Government employee in such a way to ensure that the former Government employee cannot assist in the representation.

(2) When isolation of a former Government employee is required under paragraph (c)(1) of this section, a statement affirming the fact of such isolation must be executed under oath by the former Government employee and by another member of the firm acting on behalf of the firm. The statement must clearly identify the firm, the former Government employee, and the particular matter(s) requiring isolation. The statement must be retained by the firm and, upon request, provided to the office(s) of the Internal Revenue Service administering or enforcing this part.

(d) Pending representation. The provisions of this regulation will govern practice by former Government employees, their partners and associates with respect to representation in particular matters involving specific parties where actual representation commenced before the effective date of this regulation.
§ 10.28 Return of client's records.

(a) In general, a practitioner must, at the request of a client, promptly return any and all records of the client that are necessary for the client to comply with his or her Federal tax obligations. The practitioner may retain copies of the records returned to a client. The existence of a dispute over fees generally does not relieve the practitioner of his or her responsibility under this section. Nevertheless, if applicable
state law allows or permits the retention of a client's records by a practitioner in the case of a dispute over fees for services rendered, the practitioner need only return those records that must be attached to the taxpayer's return. The practitioner, however, must provide the client with reasonable access to review and copy any additional records of the client retained by the practitioner under state law that are necessary for the client to comply with his or her Federal tax obligations.

(b) For purposes of this section, Records of the client include all documents or written or electronic materials provided to the practitioner, or obtained by the practitioner in the course of the practitioner's representation of the client, that preexisted the retention of the practitioner by the client. The term also includes materials that were prepared by the client or a third party (not including an employee or agent of the practitioner) at any time and provided to the practitioner with respect to the subject matter of the representation. The term also includes any return, claim for refund, schedule, affidavit, appraisal or any other document prepared by the practitioner, or his or her employee or agent, that was presented to the client with respect to a prior representation if such document is necessary for the taxpayer to comply with his or her current Federal tax obligations. The term does not include any return, claim for refund, schedule, affidavit, appraisal or any other document prepared by the practitioner or the practitioner's firm, employees or agents if the practitioner is withholding such document pending the client's performance of its contractual obligation to pay fees with respect to such document.

§ 10.29 Conflicting interests.

(a) Except as provided by paragraph (b) of this section, a practitioner shall not represent a client before the Internal Revenue Service if the representation involves a conflict of interest. A conflict of interest exists if—

(1) The representation of one client will be directly adverse to another client; or

(2) There is a significant risk that the representation of one or more clients will be materially limited by the practitioner's responsibilities to another client, a former client or a third person, or by a personal interest of the practitioner.

(b) Notwithstanding the existence of a conflict of interest under paragraph (a) of this section, the practitioner may represent a client if—

(1) The practitioner reasonably believes that the practitioner will be able to provide competent and diligent representation to each affected client;

(2) The representation is not prohibited by law; and

(3) Each affected client waives the conflict of interest and gives informed consent, confirmed in writing by each affected client, at the time the existence of the conflict of interest is known by the practitioner. The confirmation may be made within a reasonable period after the informed consent, but in no event later than 30 days.

(c) Copies of the written consents must be retained by the practitioner for at least 36 months from the date of the conclusion of the representation of the affected clients, and the written consents must be provided to any officer or employee of the Internal Revenue Service on request.

(d) Effective/applicability date. This section is applicable on September 26, 2007.

[T.D. 9359, 72 FR 54549, Sept. 26, 2007]

§ 10.30 Solicitation.

(a) Advertising and solicitation restrictions. (1) A practitioner may not, with respect to any Internal Revenue Service matter, in any way use or participate in the use of any form of public communication or private solicitation containing a false, fraudulent, or coercive statement or claim, or a misleading or deceptive statement or claim. Enrolled agents, enrolled retirement plan agents, or registered tax return preparers, in describing their professional designation, may not utilize the term "certified" or imply an employer/employee relationship with the Internal Revenue Service. Examples of acceptable descriptions for enrolled agents are "enrolled to represent taxpayers before the Internal Revenue Service," "enrolled to practice before the Internal Revenue Service," and
“admitted to practice before the Internal Revenue Service.” Similarly, examples of acceptable descriptions for enrolled retirement plan agents are “enrolled to represent taxpayers before the Internal Revenue Service as a retirement plan agent” and “enrolled to practice before the Internal Revenue Service as a retirement plan agent.” An example of an acceptable description for registered tax return preparers is “designated as a registered tax return preparer by the Internal Revenue Service.”

(2) A practitioner may not make, directly or indirectly, an uninvited written or oral solicitation of employment in matters related to the Internal Revenue Service if the solicitation violates Federal or State law or other applicable rule, e.g., attorneys are precluded from making a solicitation that is prohibited by conduct rules applicable to all attorneys in their State(s) of licensure. Any lawful solicitation made by or on behalf of a practitioner eligible to practice before the Internal Revenue Service must, nevertheless, clearly identify the solicitation as such and, if applicable, identify the source of the information used in choosing the recipient.

(b) Fee information. (1)(i) A practitioner may publish the availability of a written schedule of fees and disseminate the following fee information—
(A) Fixed fees for specific routine services.
(B) Hourly rates.
(C) Range of fees for particular services.
(D) Fee charged for an initial consultation.

(ii) Any statement of fee information concerning matters in which costs may be incurred must include a statement disclosing whether clients will be responsible for such costs.

(2) A practitioner may charge no more than the rate(s) published under paragraph (b)(1) of this section for at least 30 calendar days after the last date on which the schedule of fees was published.

(c) Communication of fee information. Fee information may be communicated in professional lists, telephone directories, print media, mailings, electronic mail, facsimile, hand delivered flyers, radio, television, and any other method. The method chosen, however, must not cause the communication to become untruthful, deceptive, or otherwise in violation of this part. A practitioner may not persist in attempting to contact a prospective client if the prospective client has made it known to the practitioner that he or she does not desire to be solicited. In the case of radio and television broadcasting, the broadcast must be recorded and the practitioner must retain a recording of the actual transmission. In the case of direct mail and e-commerce communications, the practitioner must retain a copy of the actual communication, along with a list or other description of persons to whom the communication was mailed or otherwise distributed. The copy must be retained by the practitioner for a period of at least 36 months from the date of the last transmission or use.

(d) Improper associations. A practitioner may not, in matters related to the Internal Revenue Service, assist, or accept assistance from, any person or entity who, to the knowledge of the practitioner, obtains clients or otherwise practices in a manner forbidden under this section.

(e) Effective/applicability date. This section is applicable beginning August 2, 2011.

§ 10.32 Practice of law.

Nothing in the regulations in this part may be construed as authorizing persons not members of the bar to practice law.

§ 10.33 Best practices for tax advisors.

(a) Best practices. Tax advisors should provide clients with the highest quality representation concerning Federal tax issues by adhering to best practices in providing advice and in preparing or assisting in the preparation of a submission to the Internal Revenue Service. In addition to compliance with the standards of practice provided elsewhere in this part, best practices include the following:

(1) Communicating clearly with the client regarding the terms of the engagement. For example, the advisor should determine the client’s expected purpose for and use of the advice and should have a clear understanding with the client regarding the form and scope of the advice or assistance to be rendered.

(2) Establishing the facts, determining which facts are relevant, evaluating the reasonableness of any assumptions or representations, relating the applicable law (including potentially applicable judicial doctrines) to the relevant facts, and arriving at a conclusion supported by the law and the facts.

(3) Advising the client regarding the import of the conclusions reached, including, for example, whether a taxpayer may avoid accuracy-related penalties under the Internal Revenue Code if a taxpayer acts in reliance on the advice.

(4) Acting fairly and with integrity in practice before the Internal Revenue Service.

(b) Procedures to ensure best practices for tax advisors. Tax advisors with responsibility for overseeing a firm’s practice of providing advice concerning Federal tax issues or of preparing or assisting in the preparation of submissions to the Internal Revenue Service should take reasonable steps to ensure that the firm’s procedures for all members, associates, and employees are consistent with the best practices set forth in paragraph (a) of this section.

§ 10.34 Standards with respect to tax returns and documents, affidavits and other papers.

(a) Tax returns. (1) A practitioner may not willfully, recklessly, or through gross incompetence—

(i) Sign a tax return or claim for refund that the practitioner knows or reasonably should know contains a position that—

(A) Lacks a reasonable basis;

(B) Is an unreasonable position as described in section 6694(a)(2) of the Internal Revenue code (Code) (including the related regulations and other published guidance); or

(C) Is a willful attempt by the practitioner to understate the liability for tax or a reckless or intentional disregard of rules or regulations by the practitioner as described in section 6694(b)(2) of the Code (including the related regulations and other published guidance).

(ii) Advise a client to take a position on a tax return or claim for refund, or prepare a portion of a tax return or claim for refund containing a position, that—

(A) Lacks a reasonable basis;

(B) Is an unreasonable position as described in section 6694(a)(2) of the Code (including the related regulations and other published guidance); or

(C) Is a willful attempt by the practitioner to understate the liability for tax or a reckless or intentional disregard of rules or regulations by the practitioner as described in section 6694(b)(2) of the Code (including the related regulations and other published guidance).

(b) Documents, affidavits and other papers—(1) A practitioner may not advise a client to take a position on a document, affidavit or other paper submitted to the Internal Revenue Service unless the position is not frivolous.
(2) A practitioner may not advise a client to submit a document, affidavit or other paper to the Internal Revenue Service—
   (i) The purpose of which is to delay or impede the administration of the Federal tax laws;
   (ii) That is frivolous; or
   (iii) That contains or omits information in a manner that demonstrates an intentional disregard of a rule or regulation unless the practitioner also advises the client to submit a document that evidences a good faith challenge to the rule or regulation.

(c) Advising clients on potential penalties—(1) A practitioner must inform a client of any penalties that are reasonably likely to apply to the client with respect to—
   (i) A position taken on a tax return if—
      (A) The practitioner advised the client with respect to the position; or
      (B) The practitioner prepared or signed the tax return; and
   (ii) Any document, affidavit or other paper submitted to the Internal Revenue Service.
   (2) The practitioner also must inform the client of any opportunity to avoid any such penalties by disclosure, if relevant, and of the requirements for adequate disclosure.

(3) This paragraph (c) applies even if the practitioner is not subject to a penalty under the Internal Revenue Code with respect to the position or with respect to the document, affidavit or other paper submitted.

(d) Relying on information furnished by clients. A practitioner advising a client to take a position on a tax return, document, affidavit or other paper submitted to the Internal Revenue Service, or preparing or signing a tax return as a preparer, generally may rely in good faith without verification upon information furnished by the client. The practitioner may not, however, ignore the implications of information furnished to, or actually known by, the practitioner, and must make reasonable inquiries if the information as furnished appears to be incorrect, inconsistent with an important fact or another factual assumption, or incomplete.

(e) Effective/applicability date. Paragraph (a) of this section is applicable for returns or claims for refund filed, or advice provided, beginning August 2, 2011. Paragraphs (b) through (d) of this section are applicable to tax returns, documents, affidavits, and other papers filed on or after September 26, 2007.

§ 10.35 Competence.

(a) A practitioner must possess the necessary competence to engage in practice before the Internal Revenue Service. Competent practice requires the appropriate level of knowledge, skill, thoroughness, and preparation necessary for the matter for which the practitioner is engaged. A practitioner may become competent for the matter for which the practitioner has been engaged through various methods, such as consulting with experts in the relevant area or studying the relevant law.

(b) Effective/applicability date. This section is applicable beginning June 12, 2014.

§ 10.36 Procedures to ensure compliance.

(a) Any individual subject to the provisions of this part who has (or individuals who have or share) principal authority and responsibility for overseeing a firm’s practice governed by this part, including the provision of advice concerning Federal tax matters and preparation of tax returns, claims for refund, or other documents for submission to the Internal Revenue Service, must take reasonable steps to ensure that the firm has adequate procedures in effect for all members, associates, and employees for purposes of complying with subparts A, B, and C of this part, as applicable. In the absence of a person or persons identified by the firm as having the principal authority and responsibility described in this paragraph, the Internal Revenue Service may identify one or more individuals subject to the provisions of this part responsible for compliance with the requirements of this section.
§ 10.37 Requirements for written advice.

(a) Requirements. (1) A practitioner may give written advice (including by means of electronic communication) concerning one or more Federal tax matters subject to the requirements in paragraph (a)(2) of this section. Government submissions on matters of general policy are not considered written advice on a Federal tax matter for purposes of this section. Continuing education presentations provided to an audience solely for the purpose of enhancing practitioners' professional knowledge on Federal tax matters are not considered written advice on a Federal tax matter for purposes of this section. The preceding sentence does not apply to presentations marketing or promoting transactions.

(b) Any such individual who has (or such individuals who have or share) principal authority as described in paragraph (a) of this section will be subject to discipline for failing to comply with the requirements of this section if—

(1) The individual through willfulness, recklessness, or gross incompetence does not take reasonable steps to ensure that the firm has adequate procedures to comply with this part, as applicable, and one or more individuals who are members of, associated with, or employed by, the firm are, or have, engaged in a pattern or practice, in connection with their practice with the firm, of failing to comply with this part, as applicable;

(2) The individual through willfulness, recklessness, or gross incompetence does not take reasonable steps to ensure that firm procedures in effect are properly followed, and one or more individuals who are members of, associated with, or employed by, the firm are, or have, engaged in a pattern or practice, in connection with their practice with the firm, of failing to comply with this part, as applicable; or

(3) The individual knows or should know that one or more individuals who are members of, associated with, or employed by, the firm are, or have, engaged in a pattern or practice, in connection with their practice with the firm, of failing to comply with this part, as applicable; or

§ 10.50 Sanctions.

(a) Authority to censure, suspend, or disbar. The Secretary of the Treasury, or delegate, after notice and an opportunity for a proceeding, may censure, suspend, or disbar any practitioner from practice before the Internal Revenue Service if the practitioner is shown to be incompetent or disreputable (within the meaning of §10.51), fails to comply with any regulation in this part (under the prohibited conduct standards of §10.52), or with intent to defraud, willfully and knowingly misleads or threatens a client or prospective client. Censure is a public reprimand.

(b) Authority to disqualify. The Secretary of the Treasury, or delegate, after due notice and opportunity for a hearing, may disqualify any appraiser for a violation of these rules as applicable to appraisers.

Membership of an advisory committee must be balanced among those who practice as attorneys, accountants, enrolled agents, enrolled actuaries, enrolled retirement plan agents, and registered tax return preparers. Under procedures prescribed by the Internal Revenue Service, an advisory committee may review and make general recommendations regarding the practices, procedures, and policies of the offices described in §10.1.

(1) Conviction of any criminal offense under the Federal tax laws.

(2) Conviction of any criminal offense involving dishonesty or breach of trust.

(3) Conviction of any felony under Federal or State law for which the conduct involved renders the practitioner unfit to practice before the Internal Revenue Service.

(4) Giving false or misleading information, or participating in any way in the giving of false or misleading information to the Department of the Treasury or any officer or employee thereof, or to any tribunal authorized to pass upon Federal tax matters, in connection with any matter pending or likely to be pending before them, knowing the information to be false or misleading. Facts or other matters contained in testimony, Federal tax returns, financial statements, applications for enrollment, affidavits, declarations, and any other document or
Statement, written or oral, are included in the term “information.”  (5) Solicitation of employment as prohibited under §10.30, the use of false or misleading representations with intent to deceive a client or prospective client in order to procure employment, or intimating that the practitioner is able improperly to obtain special consideration or action from the Internal Revenue Service or any officer or employee thereof.

(9) Directly or indirectly attempting to influence, or offering or agreeing to attempt to influence, the official action of any officer or employee of the Internal Revenue Service by the use of threats, false accusations, duress or coercion, by the offer of any special inducement or promise of an advantage, or by the bestowing of any gift, favor or thing of value.

(10) Disbarment or suspension from practice as an attorney, certified public accountant, public accountant or actuary by any duly constituted authority of any State, territory, or possession of the United States, including a Commonwealth, or the District of Columbia, any Federal court of record or any Federal agency, body or board.

For purposes of this paragraph (a)(13), reckless conduct is a highly unreasonable omission or misrepresentation involving an extreme departure from the standards of ordinary care that a practitioner should observe under the circumstances. A pattern of conduct is a factor that will be taken into account in determining whether a practitioner acted knowingly, recklessly, or through gross incompetence. Gross incompetence includes conduct that reflects gross indifference, preparation which is grossly inadequate under the circumstances, and a consistent failure to perform obligations to the client.

(14) Willfully failing to sign a tax return prepared by the practitioner when the practitioner’s signature is required by the Federal tax laws unless the failure is due to reasonable cause and not due to willful neglect.

(15) Willfully disclosing or otherwise using a tax return or tax return information in a manner not authorized by the Internal Revenue Code, contrary to the order of a court of competent jurisdiction, or contrary to the order of an administrative law judge in a proceeding instituted under §10.60.

(b) Other persons. Any person other than an officer or employee of the Internal Revenue Service having information of a violation of any provision of this part may make an oral or written report of the alleged violation to the office(s) of the Internal Revenue Service responsible for administering or enforcing this part or any officer or employee of the Internal Revenue Service. If the report is made to an officer or employee of the Internal Revenue Service, the officer or employee will make a written report of the suspected violation and submit the report to the office(s) of the Internal Revenue Service responsible for administering or enforcing this part.

(c) Destruction of report. No report made under paragraph (a) or (b) of this section shall be maintained unless retention of the report is permissible under the applicable records control schedule as approved by the National Archives and Records Administration and designated in the Internal Revenue Manual. Reports must be destroyed as soon as permissible under the applicable records control schedule.

(d) Effect on proceedings under subpart D. The destruction of any report will not bar any proceeding under subpart D of this part, but will preclude the use of a copy of the report in a proceeding under subpart D of this part.

(e) Effective/applicability date. This section is applicable beginning August 2, 2011.

established to enforce this part determines that the appraiser acted willfully, recklessly, or through gross incompetence with respect to the prescribed conduct, the appraiser may be reprimanded or, in accordance with §10.62, subject to a proceeding for disqualification. A proceeding for disqualification of an appraiser is instituted by the filing of a complaint, the contents of which are more fully described in §10.62.

(c) Except as provided in §10.82, a proceeding will not be instituted under this section unless the proposed respondent previously has been advised in writing of the law, facts and conduct warranting such action and has been accorded an opportunity to dispute facts, assert additional facts, and make arguments (including an explanation or description of mitigating circumstances).

(d) Effective/applicability date. This section is applicable beginning August 2, 2011.

§ 10.61 Conferences.

(a) In general. The Commissioner, or delegate, may confer with a practitioner, employer, firm or other entity, or an appraiser concerning allegations of misconduct irrespective of whether a proceeding has been instituted. If the conference results in a stipulation in connection with an ongoing proceeding in which the practitioner, employer, firm or other entity, or appraiser is the respondent, the stipulation may be entered in the record by either party to the proceeding.

(b) Voluntary sanction.—(1) In general. In lieu of a proceeding being instituted or continued under §10.60(a), a practitioner or appraiser (or employer, firm or other entity, if applicable) may offer a consent to be sanctioned under §10.50.

(2) Discretion: acceptance or declination. The Commissioner, or delegate, may accept or decline the offer described in paragraph (b)(1) of this section. When the decision is to decline the offer, the written notice of declination may state that the offer described in paragraph (b)(1) of this section would be accepted if it contained different terms. The Commissioner, or delegate, has the discretion to accept or reject a revised offer submitted in response to the declination or may counteroffer and act upon any accepted counteroffer.

(c) Effective/applicability date. This section is applicable beginning August 2, 2011.

§ 10.62 Contents of complaint.

(a) Charges. A complaint must name the respondent, provide a clear and concise description of the facts and law that constitute the basis for the proceeding, and be signed by an authorized representative of the Internal Revenue Service under §10.69(a)(1). A complaint is sufficient if it fairly informs the respondent of the charges brought so that the respondent is able to prepare a defense.

(b) Specification of sanction. The complaint must specify the sanction sought against the practitioner or appraiser. If the sanction sought is a suspension, the duration of the suspension sought must be specified.

(c) Demand for answer. The respondent must be notified in the complaint or in a separate paper attached to the complaint of the time for answering the complaint, which may not be less than 30 days from the date of service of the complaint, the name and address of the Administrative Law Judge with whom the answer must be filed, the name and address of the person representing the Internal Revenue Service to whom a copy of the answer must be served, and that a decision by default may be rendered against the respondent in the event an answer is not filed as required.

§ 10.63 Service of complaint; service of other papers; service of evidence in support of complaint; filing of papers.

(a) Service of complaint—(1) In general. The complaint or a copy of the complaint must be served on the respondent by any manner described in paragraphs (a)(2) or (3) of this section.

(2) Service by certified or first class mail. (i) Service of the complaint may be made on the respondent by mailing the complaint by certified mail to the last known address (as determined under section 6212 of the Internal Revenue Code and the regulations thereunder) of the respondent. Where service is by certified mail, the returned post office receipt duly signed by the respondent will be proof of service.

(ii) If the certified mail is not claimed or accepted by the respondent, or is returned undelivered, service may be made on the respondent, by mailing the complaint by first class mail to the last known address (as determined under section 6212 of the Internal Revenue Code and the regulations thereunder) of the respondent. Where service is by first class mail, the complaint will be considered complete upon mailing, provided the complaint is addressed to the respondent at the respondent's last known address as determined under section 6212 of the Internal Revenue Code and the regulations thereunder.

(iii) Service may be made by any other means agreed to by the respondent. Proof of service will be a written statement, sworn or affirmed by the person who served the complaint, identifying the manner of service, including the respondent, place, date and time of service.

(3) Service by other than certified or first class mail. (i) Service of the complaint may be made on the respondent by delivering the complaint by a private delivery service designated pursuant to section 7502(f) of the Internal Revenue Code to the last known address (as determined under section 6212 of the Internal Revenue Code and the regulations thereunder) of the respondent. Service by this method will be considered complete upon delivery to the respondent at the respondent's last known address as determined under section 6212 of the Internal Revenue Code and the regulations thereunder.

(ii) Service of the complaint may be made in person on, or by leaving the complaint at the office or place of business of, the respondent. Service by this method will be considered complete and proof of service will be a written statement, sworn or affirmed by the person who served the complaint, identifying the manner of service, including the respondent, place, date and time of service.

(b) Service of papers other than complaint. Any paper other than the complaint may be served on the respondent, or his or her authorized representative under §10.69(a)(2) by:

(1) Mailing the paper by first class mail to the last known address (as determined under section 6212 of the Internal Revenue Code and the regulations thereunder) of the respondent or the respondent's authorized representative,

(2) Delivery by a private delivery service designated pursuant to section 7502(f) of the Internal Revenue Code to the last known address (as determined under section 6212 of the Internal Revenue Code and the regulations thereunder) of the respondent or the respondent's authorized representative,

(3) As provided in paragraphs (a)(3)(ii) and (a)(3)(iii) of this section.

(c) Service of papers on the Internal Revenue Service. Whenever a paper is required or permitted to be served on the Internal Revenue Service in connection with a proceeding under this part, the paper will be served on the Internal Revenue Service's authorized representative under §10.69(a)(1) at the address designated in the complaint, or at an address provided in a notice of appearance. If no address is designated in the complaint or provided in a notice of appearance, service will be made on the office(s) established to enforce this part under the authority of §10.1.
§ 10.64 Answer; default.

(a) Filing. The respondent’s answer must be filed with the Administrative Law Judge, and served on the Internal Revenue Service, within the time specified in the complaint unless, on request or application of the respondent, the time is extended by the Administrative Law Judge.

(b) Contents. The answer must be written and contain a statement of facts that constitute the respondent’s grounds of defense. General denials are not permitted. The respondent must specifically admit or deny each allegation set forth in the complaint, except that the respondent may state that the respondent is without sufficient information to admit or deny a specific allegation. The respondent, nevertheless, may not deny a material allegation in the complaint that the respondent knows to be true, or state that the respondent is without sufficient information to form a belief, when the respondent possesses the required information. The respondent also must state affirmatively any special matters of defense on which he or she relies.

(c) Failure to deny or answer allegations in the complaint. Every allegation in the complaint that is not denied in the answer is deemed admitted and will be considered proved; no further evidence in respect of such allegation need be adduced at a hearing.

(d) Default. Failure to file an answer within the time prescribed (or within the time for answer as extended by the Administrative Law Judge), constitutes an admission of the allegations of the complaint and a waiver of hearing, and the Administrative Law Judge may make the decision by default without a hearing or further procedure. A decision by default constitutes a decision under §10.76.

(e) Signature. The answer must be signed by the respondent or the respondent’s authorized representative under §10.69(a)(2) and must include a statement directly above the signature acknowledging that the statements made in the answer are true and correct and that knowing and willful false statements may be punishable under 18 U.S.C. 1001.

§ 10.65 Supplemental charges.

(a) In general. Supplemental charges may be filed against the respondent by amending the complaint with the permission of the Administrative Law Judge if, for example—

(1) It appears that the respondent, in the answer, falsely and in bad faith, denies a material allegation of fact in the complaint or states that the respondent has insufficient knowledge to form a belief, when the respondent possesses such information; or

(2) It appears that the respondent has knowingly introduced false testimony during the proceedings against the respondent.

(b) Hearing. The supplemental charges may be heard with other
§ 10.66 Reply to answer.

(a) The Internal Revenue Service may file a reply to the respondent’s answer, but unless otherwise ordered by the Administrative Law Judge, no reply to the respondent’s answer is required. If a reply is not filed, new matter in the answer is deemed denied.

(b) Effective/applicability date. This section is applicable beginning August 2, 2011.

[T.D. 9527, 76 FR 32309, June 3, 2011]

§ 10.67 Proof; variance; amendment of pleadings.

In the case of a variance between the allegations in pleadings and the evidence adduced in support of the pleadings, the Administrative Law Judge, at any time before decision, may order or authorize amendment of the pleadings to conform to the evidence. The party who would otherwise be prejudiced by the amendment must be given a reasonable opportunity to address the allegations of the pleadings as amended and the Administrative Law Judge must make findings on any issue presented by the pleadings as amended.

§ 10.68 Motions and requests.

(a) Motions—(1) In general. At any time after the filing of the complaint, any party may file a motion with the Administrative Law Judge. Unless otherwise ordered by the Administrative Law Judge, motions must be in writing and must be served on the opposing party as provided in §10.63(b). A motion must concisely specify its grounds and the relief sought, and, if appropriate, must contain a memorandum of facts and law in support.

(2) Summary adjudication. Either party may move for a summary adjudication upon all or any part of the legal issues in controversy. If the non-moving party opposes summary adjudication in the moving party’s favor, the non-moving party must file a written response within 30 days unless ordered otherwise by the Administrative Law Judge.

(3) Good Faith. A party filing a motion for extension of time, a motion for postponement of a hearing, or any other non-dispositive or procedural motion must first contact the other party to determine whether there is any objection to the motion, and must state in the motion whether the other party has an objection.

(b) Response. Unless otherwise ordered by the Administrative Law Judge, the nonmoving party is not required to file a response to a motion. If the Administrative Law Judge does not order the nonmoving party to file a response, and the nonmoving party files no response, the nonmoving party is deemed to oppose the motion. If a nonmoving party does not respond within 30 days of the filing of a motion for decision by default for failure to file a timely answer or for failure to prosecute, the nonmoving party is deemed not to oppose the motion.

(c) Oral motions; oral argument—(1) The Administrative Law Judge may, for good cause and with notice to the parties, permit oral motions and oral opposition to motions.

(2) The Administrative Law Judge may, within his or her discretion, permit oral argument on any motion.

(d) Orders. The Administrative Law Judge should issue written orders disposing of any motion or request and any response thereto.

(e) Effective/applicability date. This section is applicable on September 26, 2007.

[T.D. 9527, 76 FR 32309, June 3, 2011]

§ 10.69 Representation; ex parte communication.

(a) Representation. (1) The Internal Revenue Service may be represented in proceedings under this part by an attorney or other employee of the Internal Revenue Service. An attorney or an employee of the Internal Revenue Service representing the Internal Revenue Service in a proceeding under this part may sign the complaint or any
document required to be filed in the proceeding on behalf of the Internal Revenue Service.

(2) A respondent may appear in person, be represented by a practitioner, or be represented by an attorney who has not filed a declaration with the Internal Revenue Service pursuant to §10.3. A practitioner or an attorney representing a respondent or proposed respondent may sign the answer or any document required to be filed in the proceeding on behalf of the respondent.

(b) Ex parte communication. The Internal Revenue Service, the respondent, and any representatives of either party, may not attempt to initiate or participate in ex parte discussions concerning a proceeding or potential proceeding with the Administrative Law Judge (or any person who is likely to advise the Administrative Law Judge on a ruling or decision) in the proceeding before or during the pendency of the proceeding. Any memorandum, letter or other communication concerning the merits of the proceeding, addressed to the Administrative Law Judge, by or on behalf of any party shall be regarded as an argument in the proceeding and shall be served on the other party.

(c) Effective/applicability date. This section is applicable beginning August 2, 2011.

§ 10.70 Administrative Law Judge.

(a) Appointment. Proceedings on complaints for the sanction (as described in §10.50) of a practitioner, employer, firm or other entity, or appraiser will be conducted by an Administrative Law Judge appointed as provided by 5 U.S.C. 3105.

(b) Powers of the Administrative Law Judge. The Administrative Law Judge, among other powers, has the authority, in connection with any proceeding under §10.60 assigned or referred to him or her, to do the following:

(1) Administer oaths and affirmations;

(2) Make rulings on motions and requests, which rulings may not be appealed prior to the close of a hearing except in extraordinary circumstances and at the discretion of the Administrative Law Judge;

(3) Determine the time and place of hearing and regulate its course and conduct;

(4) Adopt rules of procedure and modify the same from time to time as needed for the orderly disposition of proceedings;

(5) Rule on offers of proof, receive relevant evidence, and examine witnesses;

(6) Take or authorize the taking of depositions or answers to requests for admission;

(7) Receive and consider oral or written argument on facts or law;

(8) Hold or provide for the holding of conferences for the settlement or simplification of the issues with the consent of the parties;

(9) Perform such acts and take such measures as are necessary or appropriate to the efficient conduct of any proceeding; and

(10) Make decisions.

(c) Effective/applicability date. This section is applicable on September 26, 2007.

§ 10.71 Discovery.

(a) In general. Discovery may be permitted, at the discretion of the Administrative Law Judge, only upon written motion demonstrating the relevance, materiality and reasonableness of the requested discovery and subject to the requirements of §10.72(d)(2) and (3). Within 10 days of receipt of the answer, the Administrative Law Judge will notify the parties of the right to request discovery and the timeframes for filing a request. A request for discovery, and objections, must be filed in accordance with §10.68. In response to a request for discovery, the Administrative Law Judge may order—

(1) Depositions upon oral examination; or

(2) Answers to requests for admission.

(b) Depositions upon oral examination—

(1) A deposition must be taken before an officer duly authorized to administer an oath for general purposes or
before an officer or employee of the Internal Revenue Service who is authorized to administer an oath in Federal tax law matters.

(2) In ordering a deposition, the Administrative Law Judge will require reasonable notice to the opposing party as to the time and place of the deposition. The opposing party, if attending, will be provided the opportunity for full examination and cross-examination of any witness.

(3) Expenses in the reporting of depositions shall be borne by the party at whose instance the deposition is taken. Travel expenses of the deponent shall be borne by the party requesting the deposition, unless otherwise authorized by Federal law or regulation.

(c) Requests for admission. Any party may serve on any other party a written request for admission of the truth of any matters which are not privileged and are relevant to the subject matter of this proceeding. Requests for admission shall not exceed a total of 30 (including any subparts within a specific request) without the approval from the Administrative Law Judge.

(d) Limitations. Discovery shall not be authorized if—

(1) The request fails to meet any requirement set forth in paragraph (a) of this section;
(2) It will unduly delay the proceeding;
(3) It will place an undue burden on the party required to produce the discovery sought;
(4) It is frivolous or abusive;
(5) It is cumulative or duplicative;
(6) The material sought is privileged or otherwise protected from disclosure by law;
(7) The material sought relates to mental impressions, conclusions, or legal theories of any party, attorney, or other representative, of a party prepared in anticipation of a proceeding; or
(8) The material sought is available generally to the public, equally to the parties, or to the party seeking the discovery through another source.

(e) Failure to comply. Where a party fails to comply with an order of the Administrative Law Judge under this section, the Administrative Law Judge may, among other things, infer that the information would be adverse to the party failing to provide it, exclude the information from evidence or issue a decision by default.

(f) Other discovery. No discovery other than that specifically provided for in this section is permitted.

(g) Effective/applicability date. This section is applicable to proceedings initiated on or after September 26, 2007.

[T.D. 9359, 72 FR 54552, Sept. 26, 2007]
conduct cross-examination, in the presence of the Administrative Law Judge, as may be required for a full and true disclosure of the facts. This paragraph (b) does not limit a party from presenting evidence contained within a deposition when the Administrative Law Judge determines that the deposition has been obtained in compliance with the rules of this subpart D.

(c) Prehearing memorandum. Unless otherwise ordered by the Administrative Law Judge, each party shall file, and serve on the opposing party or the opposing party’s representative, prior to any hearing, a prehearing memorandum containing—

(1) A list (together with a copy) of all proposed exhibits to be used in the party’s case in chief;

(2) A list of proposed witnesses, including a synopsis of their expected testimony, or a statement that no witnesses will be called;

(3) Identification of any proposed expert witnesses, including a synopsis of their expected testimony and a copy of any report prepared by the expert or at his or her direction; and

(4) A list of undisputed facts.

(d) Publicity—(1) In general. All reports and decisions of the Secretary of the Treasury, or delegate, including any reports and decisions of the Administrative Law Judge, under this subpart D are, subject to the protective measures in paragraph (d)(4) of this section, public and open to inspection within 30 days after the agency’s decision becomes final.

(2) Request for additional publicity. The Administrative Law Judge may grant a request by a practitioner or appraiser that all the pleadings and evidence of the disciplinary proceeding be made available for inspection where the parties stipulate in advance to adopt the protective measures in paragraph (d)(4) of this section, public and open to inspection within 30 days after the agency’s decision becomes final.

(3) Returns and return information—(1) Disclosure to practitioner or appraiser. Pursuant to section 6103(l)(4) of the Internal Revenue Code, the Secretary of the Treasury, or delegate, may disclose returns and return information to practitioners and employees of the Department of the Treasury for use in any action or proceeding under this subpart D, to the extent necessary to advance or protect the interests of the United States.

(ii) Disclosure to officers and employees of the Department of the Treasury. Pursuant to section 6103(l)(4)(B) of the Internal Revenue Code, the Secretary of the Treasury, or delegate, may disclose returns and return information to officers and employees of the Department of the Treasury for use in any action or proceeding under this subpart D. The Administrative Law Judge may grant a request by a practitioner or appraiser that all the pleadings and evidence of the disciplinary proceeding be made available for inspection where the parties stipulate in advance to adopt the protective measures in paragraph (d)(4) of this section, public and open to inspection within 30 days after the agency’s decision becomes final.

(iii) Use of returns and return information. Recipients of returns and return information under this paragraph (d)(3) may use the returns or return information solely in the action or proceeding, or in preparation for the action or proceeding, with respect to which the disclosure was made.

(iv) Procedures for disclosure of returns and return information. When providing returns or return information to the practitioner or appraiser, or authorized representative, the Secretary of the Treasury, or delegate, will—

(A) Redact identifying information of any third party taxpayers and replace it with a code;

(B) Provide a key to the coded information; and

(C) Notify the practitioner or appraiser, or authorized representative, of the restrictions on the use and disclosure of the returns and return information, the applicable damages remedy under section 7431 of the Internal Revenue Code, and that unauthorized disclosure of information provided by the Internal Revenue Service under this paragraph (d)(3) is also a violation of this part.

(4) Protective measures—(1) Mandatory protective order. If redaction of names, addresses, and other identifying information of third party taxpayers may still permit indirect identification of any third party taxpayer, the Administrative Law Judge will issue a protective order to ensure that the identifying information is available to the parties and the Administrative Law
Judge for purposes of the proceeding, but is not disclosed to, or open to inspection by, the public.

(ii) Authorized orders. (A) Upon motion by a party or any other affected person, and for good cause shown, the Administrative Law Judge may make any order which justice requires to protect any person in the event disclosure of information is prohibited by law, privileged, confidential, or sensitive in some other way, including, but not limited to, one or more of the following—

(1) That disclosure of information be made only on specified terms and conditions, including a designation of the time or place;

(2) That a trade secret or other information not be disclosed, or be disclosed only in a designated way.

(iii) Denials. If a motion for a protective order is denied in whole or in part, the Administrative Law Judge may, on such terms or conditions as the Administrative Law Judge deems just, order any party or person to comply with, or respond in accordance with, the procedure involved.

(iv) Public inspection of documents. The Secretary of the Treasury, or delegate, shall ensure that all names, addresses or other identifying details of third party taxpayers are redacted and replaced with the code assigned to the corresponding taxpayer in all documents prior to public inspection of such documents.

(e) Location. The location of the hearing will be determined by the agreement of the parties with the approval of the Administrative Law Judge, but, in the absence of such agreement and approval, the hearing will be held in Washington, D.C.

(f) Failure to appear. If either party to the proceeding fails to appear at the hearing, after notice of the proceeding has been sent to him or her, the party will be deemed to have waived the right to a hearing and the Administrative Law Judge may make his or her decision against the absent party by default.

(g) Effective/applicability date. This section is applicable beginning August 2, 2011.

record, but no exception to a ruling is necessary to preserve the rights of the parties.

(g) Effective/applicability date. This section is applicable on September 26, 2007.

§ 10.74 Transcript.

In cases where the hearing is stenographically reported by a Government contract reporter, copies of the transcript may be obtained from the reporter at rates not to exceed the maximum rates fixed by contract between the Government and the reporter. Where the hearing is stenographically reported by a regular employee of the Internal Revenue Service, a copy will be supplied to the respondent either without charge or upon the payment of a reasonable fee. Copies of exhibits introduced at the hearing or at the taking of depositions will be supplied to the parties upon the payment of a reasonable fee (Sec. 501, Public Law 82–137)(65 Stat. 290)(31 U.S.C. 483a).

§ 10.75 Proposed findings and conclusions.

Except in cases where the respondent has failed to answer the complaint or where a party has failed to appear at the hearing, the parties must be afforded a reasonable opportunity to submit proposed findings and conclusions and their supporting reasons to the Administrative Law Judge.

§ 10.76 Decision of Administrative Law Judge.

(a) In general—(1) Hearings. Within 180 days after the conclusion of a hearing and the receipt of any proposed findings and conclusions timely submitted by the parties, the Administrative Law Judge should enter a decision in the case. The decision must include a statement of findings and conclusions, and an order of censure, suspension, disbarment, monetary penalty, disqualification, or dismissal of the complaint.

(2) Summary adjudication. In the event that a motion for summary adjudication is filed, the Administrative Law Judge should rule on the motion for summary adjudication within 60 days after the party in opposition files a written response, or if no written response is filed, within 90 days after the motion for summary adjudication is filed. A decision shall thereafter be rendered if the pleadings, depositions, admissions, and any other admissible evidence show that there is no genuine issue of material fact and that a decision may be rendered as a matter of law. The decision must include a statement of conclusions, as well as the reasons or basis for making such conclusions, and an order of censure, suspension, disbarment, monetary penalty, disqualification, or dismissal of the complaint.

(b) Standard of proof. If the sanction is censure or a suspension of less than six months’ duration, the Administrative Law Judge will consider an allegation of fact to be proven if it is established by the party who is alleging the fact by a preponderance of the evidence in the record. If the sanction is a monetary penalty, disbarment or a suspension of six months or longer duration, an allegation of fact that is necessary for a finding against the practitioner must be proven by clear and convincing evidence in the record. An allegation of fact that is necessary for a finding of disqualification against an appraiser must be proven by clear and convincing evidence in the record.

(c) Copy of decision. The Administrative Law Judge will provide the decision to the Internal Revenue Service’s authorized representative, and a copy of the decision to the respondent or the respondent’s authorized representative.

(d) When final. In the absence of an appeal to the Secretary of the Treasury or delegate, the decision of the Administrative Law Judge will, without further proceedings, become the decision of the agency 30 days after the date of the Administrative Law Judge’s decision.
§ 10.77 Appeal of decision of Administrative Law Judge.

(a) Appeal. Any party to the proceeding under this subpart D may appeal the decision of the Administrative Law Judge by filing a notice of appeal with the Secretary of the Treasury, or delegate deciding appeals. The notice of appeal must include a brief that states exceptions to the decision of Administrative Law Judge and supporting reasons for such exceptions.

(b) Time and place for filing of appeal. The notice of appeal and brief must be filed, in duplicate, with the Secretary of the Treasury, or delegate deciding appeals, at an address for appeals that is identified to the parties with the decision of the Administrative Law Judge. The notice of appeal and brief must be filed within 30 days of the date that the decision of the Administrative Law Judge is served on the parties. The appealing party must serve a copy of the notice of appeal and the brief to any non-appealing party or, if the party is represented, the non-appealing party’s representative.

(c) Response. Within 30 days of receiving the copy of the appellant’s brief, the other party may file a response brief with the Secretary of the Treasury, or delegate deciding appeals, using the address identified for appeals. A copy of the response brief must be served at the same time on the opposing party or, if the party is represented, the opposing party’s representative.

(d) No other briefs, responses or motions as of right. Other than the appeal brief and response brief, the parties are not permitted to file any other briefs, responses or motions, except on a grant of leave to do so after a motion demonstrating sufficient cause, or unless otherwise ordered by the Secretary of the Treasury, or delegate deciding appeals.

(e) Additional time for briefs and responses. Notwithstanding the time for filing briefs and responses provided in paragraphs (b) and (c) of this section, the Secretary of the Treasury, or delegate deciding appeals, may, for good cause, authorize additional time for filing briefs and responses upon a motion of a party or upon the initiative of the Secretary of the Treasury, or delegate deciding appeals.

§ 10.78 Decision on review.

(a) Decision on review. On appeal from or review of the decision of the Administrative Law Judge, the Secretary of the Treasury, or delegate, will make the agency decision. The Secretary of the Treasury, or delegate, should make the agency decision within 180 days after receipt of the appeal.

(b) Standard of review. The decision of the Administrative Law Judge will not be reversed unless the appellant establishes that the decision is clearly erroneous in light of the evidence in the record and applicable law. Issues that are exclusively matters of law will be reviewed de novo. In the event that the Secretary of the Treasury, or delegate, determines that there are unresolved issues raised by the record, the case may be remanded to the Administrative Law Judge to elicit additional testimony or evidence.

(c) Copy of decision on review. The Secretary of the Treasury, or delegate, will provide copies of the agency decision to the authorized representative of the Internal Revenue Service and the respondent or the respondent’s authorized representative.

(d) Effective/applicability date. This section is applicable beginning August 2, 2011.

§ 10.79 Effect of disbarment, suspension, or censure.

(a) Disbarment. When the final decision in a case is against the respondent (or the respondent has offered his or her consent and such consent has been
accepted by the Internal Revenue Service) and such decision is for disbarment, the respondent will not be permitted to practice before the Internal Revenue Service unless and until authorized to do so by the Internal Revenue Service pursuant to §10.81.

(b) Suspension. When the final decision in a case against the respondent (or the respondent has offered his or her consent and such consent has been accepted by the Internal Revenue Service) and such decision is for suspension, the respondent will not be permitted to practice before the Internal Revenue Service during the period of suspension. For periods after the suspension, the practitioner’s future representations may be subject to conditions as authorized by paragraph (d) of this section.

(c) Censure. When the final decision in the case is against the respondent (or the Internal Revenue Service has accepted the respondent’s offer to consent, if such offer was made) and such decision is for censure, the respondent will be permitted to practice before the Internal Revenue Service, but the respondent’s future representations may be subject to conditions as authorized by paragraph (d) of this section.

(d) Conditions. After being subject to the sanction of either suspension or censure, the future representations of a practitioner so sanctioned shall be subject to specified conditions designed to promote high standards of conduct. These conditions can be imposed for a reasonable period in light of the gravity of the practitioner’s violations. For example, where a practitioner is censured because the practitioner failed to advise the practitioner’s clients about a potential conflict of interest or failed to obtain the clients’ written consents, the practitioner may be required to provide the Internal Revenue Service with a copy of all consents obtained by the practitioner for an appropriate period following censure, whether or not such consents are specifically requested.

(e) Effective/applicability date. This section is applicable beginning August 2, 2011.

(2) Has, irrespective of whether an appeal has been taken, been convicted of any crime under title 26 of the United States Code, any crime involving dishonesty or breach of trust, or any felony for which the conduct involved renders the practitioner unfit to practice before the Internal Revenue Service.

(3) Has violated conditions imposed on the practitioner pursuant to §10.79(d).

(4) Has been sanctioned by a court of competent jurisdiction, whether in a civil or criminal proceeding (including suits for injunctive relief), relating to any taxpayer’s tax liability or relating to the practitioner’s own tax liability, for—

(ii) Failing to make a return required more frequently than annually, in violation of the Federal tax laws, during 5 of the 7 tax periods immediately preceding the institution of a proceeding under paragraph (c) of this section and remains noncompliant with any of the practitioner’s Federal tax filing obligations at the time the notice of suspension is issued under paragraph (f) of this section.

(c) Expedited suspension procedures. A suspension under this section will be proposed by a show cause order that names the respondent, is signed by an authorized representative of the Internal Revenue Service under §10.69(a)(1), and served according to the rules set forth in §10.63(a). The show cause order must give a plain and concise description of the allegations that constitute the basis for the proposed suspension. The show cause order must notify the respondent—

(2) That an expedited suspension decision by default may be rendered if the respondent fails to file a response as required;

(3) That the respondent may request a conference to address the merits of the show cause order and that any such request must be made in the response; and

The response to the show cause order described in this section must be filed no later than 30 calendar days following the date the show cause order is served, unless the time for filing is extended. The response must be filed in accordance with the rules set forth for answers to a complaint in §10.64, except as otherwise provided in this section. The response must include a request for a conference, if a conference is desired. The respondent is entitled to the conference only if the request is made in a timely filed response.

(e) Conference. An authorized representative of the Internal Revenue Service will preside at a conference described in this section. The conference will be held at a place and time selected by the Internal Revenue Service, but no sooner than 14 calendar days after the date by which the response must be filed with the Internal Revenue Service, unless the respondent agrees to an earlier date. An authorized representative may represent the respondent at the conference.
(f) Suspension—(1) In general. The Commissioner, or delegate, may suspend the respondent from practice before the Internal Revenue Service by a written notice of expedited suspension immediately following:
   (i) The expiration of the period within which a response to a show cause order must be filed if the respondent does not file a response as required by paragraph (d) of this section;
   (ii) The conference described in paragraph (e) of this section if the Internal Revenue Service finds that the respondent is described in paragraph (b) of this section; or
   (iii) The respondent's failure to appear, either personally or through an authorized representative, at a conference scheduled by the Internal Revenue Service under paragraph (e) of this section.

(2) Duration of suspension. A suspension under this section will commence on the date that the written notice of expedited suspension is served on the practitioner, either personally or through an authorized representative. The suspension will remain effective until the earlier of:
   (i) The date the Internal Revenue Service lifts the suspension after determining that the practitioner is no longer described in paragraph (b) of this section or for any other reason; or
   (ii) The date the suspension is lifted or otherwise modified by an Administrative Law Judge or the Secretary of the Treasury, or delegate deciding appeals, in a proceeding referred to in paragraph (g) of this section and instituted under §10.60.

If the Internal Revenue Service suspends a practitioner under the expedited suspension procedures described in this section, the practitioner may demand that the Internal Revenue Service institute a proceeding under §10.60 and issue the complaint described in §10.62. The demand must be in writing, specifically reference the suspension action under §10.62, and be made within 2 years from the date on which the practitioner’s suspension commenced. The Internal Revenue Service must issue a complaint demanded under this paragraph (g) within 60 calendar days of receiving the demand. If the Internal Revenue Service does not issue such complaint within 60 days of receiving the demand, the suspension is lifted automatically. The preceding sentence does not, however, preclude the Commissioner, or delegate, from instituting a regular proceeding under §10.60 of this part.

(h) Effective/applicability date. This section is generally applicable beginning June 12, 2014, except that paragraphs (b)(1) through (4) of this section are applicable beginning August 2, 2011.

Pursuant to 18 U.S.C. 207(j), if the General Counsel finds, after notice and opportunity for a hearing, that a former officer or employee of the Department violated 18 U.S.C. 207 (a), (b) or (c), the General Counsel in his/her discretion may prohibit that person from engaging in practice before the Department or a separate statutory agency thereof for a period not to exceed five years, or may take other appropriate disciplinary action.

§ 15.737–8 Special orders.

The General Counsel may issue special orders as he/she may consider proper in any case within the purview of this part.

§ 15.737–9 Receipt of information concerning former Treasury employee.

If an officer or employee of the Department has reason to believe that a former officer or employee of the Department has violated 18 U.S.C. 207 (a), (b) or (c), or if any such officer or employee receives information to that effect, he/she shall promptly make a written report thereof, which report or a copy thereof shall be forwarded to the Inspector General, Department of the Treasury. If any other person has information of such violations, he/she may make a report thereof to the Inspector General or to any officer or employee of the Department. The Inspector General shall refer any information he/she deems warranted to the Director.

§ 15.737–10 Conferences.

(a) In general. The Director may confer with a former officer or employee concerning allegations of misconduct irrespective of whether an administrative disciplinary proceeding has been instituted against him/her. If such conference results in a stipulation in connection with a proceeding in which such person is the respondent, the stipulation may be entered in the record at the instance of either party to the proceeding.

(b) Voluntary suspension. A former officer or employee, in order to avoid the institution or conclusion of a proceeding, may offer his/her consent to suspension from practice before the Department or a separate statutory agency thereof. from practice before the Department or a separate statutory agency thereof. The proceeding shall be instituted by a complaint which names the respondent and is signed by the Director and filed in his/her office. Except in cases of willfulness, or where time, the nature of the proceeding, or the public interest does not permit, a proceeding will not be instituted under this section until facts or conduct which may warrant such action have been called to the attention of the proposed respondent in writing and he/she has been accorded the opportunity to provide his/her position on the matter.

(b) The Director shall coordinate proceedings under this part with the Department of Justice in cases where it initiates criminal prosecution.

§ 15.737–12 Contents of complaint.

(a) Charges. A complaint shall give a plain and concise description of the allegations which constitute the basis for the proceeding. A complaint shall be deemed sufficient if it fairly informs the respondent of the charges against him/her so that the respondent is able to prepare a defense.

(b) Demand for answer. In the complaint, or in a separate paper attached to the complaint, notification shall be given of the place and time within which the respondent shall file his/her answer, which time shall not be less than 15 days from the date of service of the complaint, and notice shall be given that a decision by default may be rendered against the respondent in the event he/she fails to file an answer as required.

§ 15.737–13 Service of complaint and other papers.

(a) Complaint. The complaint or a copy thereof may be served upon the respondent by certified mail, or first-class mail as hereinafter provided; by delivering it to the respondent or his/her attorney or agent of record either in person or by leaving it at the office or place of business of the respondent, attorney or agent; or in any other manner which has been agreed to by the respondent. Where the service is by certified mail, the return post office receipt duly signed by or on behalf of the respondent shall be proof of service. If the certified mail is not claimed or accepted by the respondent and is returned undelivered, complete service may be made upon the respondent by mailing the complaint to him/her by first-class mail, addressed to him/her at the last address known to the Director. If service is made upon the respondent or his/her attorney or agent of record in person or by leaving the complaint at the office or place of business of the respondent, attorney or agent, the verified return by the person making service, setting forth the manner of service, shall be proof of such service.

(b) Service of papers other than complaint. Any paper other than the complaint may be served upon a respondent as provided in paragraph (a) of this section or by mailing the paper by first-class mail to the respondent at the last address known to the Director, or by mailing the paper by first-class mail to the respondent’s attorney or agent of record. Such mailing shall constitute complete service. Notices may be served upon the respondent or his/her attorney or agent of record by telegraph.

(c) Filing of papers. Whenever the filing of a paper is required or permitted in connection with a proceeding, and the place of filing is not specified by this subpart or by rule or order of the Administrative Law Judge, the paper shall be filed with the Director of Practice, Department of the Treasury, Washington, DC 20220. All papers shall be filed in duplicate.

§ 15.737–14 Answer.

(a) Filing. The respondent’s answer shall be filed in writing within the time specified in the complaint, unless on application the time is extended by the Director or the Administrative Law Judge. The answer shall be filed in duplicate with the Director.

(b) Contents. The answer shall contain a statement of facts which constitute the grounds of defense, and it shall specifically admit or deny each allegation set forth in the complaint, except that the respondent shall not deny a material allegation in the complaint which he/she knows to be true, or state that he/she is without sufficient information to form a belief when
§ 15.737–15

in fact he/she possesses such information. The respondent may also state affirmatively special matters of defense.

(c) Failure to deny or answer allegations in the complaint. Every allegation in the complaint which is not denied in the answer shall be deemed to be admitted and may be considered as proved, and no further evidence in respect of such allegation need be adduced at a hearing. Failure to file an answer within the time prescribed in the notice to the respondent, except as the time for answer is extended by the Director or the Administrative Law Judge, shall constitute an admission of the allegations of the complaint and a waiver of hearing, and the Administrative Law Judge may make his/her decision by default without a hearing or further procedure.

§ 15.737–15 Reply to answer.

No reply to the respondent's answer shall be required, and new matter in the answer shall be deemed to be denied, but the Director may file a reply in his/her discretion or at the request of the Administrative Law Judge.

§ 15.737–16 Proof; variance; amendment of pleadings.

In the case of a variance between the allegations in a pleading and the evidence adduced in support of the pleading, the Administrative Law Judge may order or authorize amendment of the pleading to conform to the evidence: Provided, That the party who would otherwise be prejudiced by the amendment is given reasonable opportunity to meet the allegations of the pleading as amended; and the Administrative Law Judge shall make findings on any issue presented by the pleadings as so amended.

§ 15.737–17 Motions and requests.

Motions and requests may be filed with the Director or with the Administrative Law Judge.

§ 15.737–18 Representation.

(3) Determine the time and place of hearing and regulate its course and conduct;

(4) Adopt rules of procedure and modify the same from time to time as occasion requires for the orderly disposition of proceedings;

(5) Rule upon offers of proof, receive relevant evidence, and examine witnesses;

Hearings shall be stenographically recorded and transcribed and the testimony of witnesses shall be taken under oath or affirmation. Hearings will be conducted pursuant to 5 U.S.C. 556.
(b) **Public access to hearings.** Hearings will be closed unless an open hearing is requested by the respondent, except that if classified information or protected information of third parties (such as tax information) is likely to be adduced at the hearing, it will remain closed. A request for an open hearing must be included in the answer to be considered.

(c) **Failure to appear.** If either party to the proceeding fails to appear at the hearing, after due notice thereof has been sent to him/her, he/she shall be deemed to have waived the right to a hearing and the Administrative Law Judge may make a decision against the absent party by default.

§ 15.737–21 Evidence.

(a) **In general.** The rules of evidence prevailing in courts of law and equity are not controlling in hearings on complaints for the suspension of a former officer or employee from practice before the Department. However, the Administrative Law Judge shall exclude evidence which is irrelevant, immaterial, or unduly repetitious.

(b) **Depositions.** The deposition of any witness taken pursuant to §15.737–22 of this part may be admitted.

(c) **Proof of documents.** Official documents, records and papers of the Department shall be admissible in evidence without the production of an officer or employee to authenticate them. Any such documents, records, and papers may be evidenced by a copy attested or identified by an officer or employee of the Department.

(d) **Exhibits.** If any document, record, or other paper is introduced in evidence as an exhibit, the Administrative Law Judge may authorize the withdrawal of the exhibit subject to any conditions which he/she deems proper.

(e) **Objections.** Objections to evidence shall be in short form, stating the grounds of objection relied upon, and the record shall not include argument thereon, except as ordered by the Administrative Law Judge. Rulings on such objections shall be a part of the record. No exception to the ruling is necessary to preserve the rights of the parties.

§ 15.737–22 Depositions.

Depositions for use at a hearing may, with the consent of the parties in writing or the written approval of the Administrative Law Judge, be taken by either the Director or the respondent or their duly authorized representatives. Depositions may be taken upon oral or written interrogatories, upon not less than 10 days' written notice to the other party before any officer duly authorized to administer an oath for general purposes or before an officer or employee of the Department who is authorized to administer an oath. Such notice shall state the names of the witnesses and the time and place where the depositions are to be taken. The requirement of 10 days' notice may be waived by the parties in writing, and depositions may then be taken from the persons and at the times and places mutually agreed to by the parties. When a deposition is taken upon written interrogatories, any cross-examination shall be upon written interrogatories. Copies of such written interrogatories shall be served upon the other party with the notice, and copies of any written cross-interrogatories shall be mailed or delivered to the opposing party at least 5 days before the date of taking the depositions, unless the parties mutually agree otherwise. A party upon whose behalf a deposition is taken must file it with the Administrative Law Judge and serve one copy upon the opposing party. Expenses in the reporting of depositions shall be borne by the party at whose instance the deposition is taken.

§ 15.737–23 Transcript.

In cases where the hearing is stenographically reported by a Government contract reporter, copies of the transcript may be obtained from the reporter at rates not to exceed the maximum rates fixed by contract between the Government and the reporter or from the Department at actual cost of duplication. Where the hearing is stenographically reported by a regular employee of the Department, a copy thereof will be supplied to the respondent either without charge or upon payment of a reasonable fee. Copies of exhibits introduced at the hearing or at

As soon as practicable after the conclusion of a hearing and the receipt of any proposed findings and conclusions timely submitted by the parties, the Administrative Law Judge shall make the initial decision in the case. The decision shall include (a) a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues of fact, law, or discretion presented on the record, and (b) an order of suspension from practice before the Department or a separate statutory agency thereof or other appropriate disciplinary action, or an order of dismissal of the complaint. The Administrative Law Judge shall file the decision with the Director and shall transmit a copy thereof to the respondent or his/her attorney of record. In the absence of an appeal to the General Counsel or review of the decision upon motion of the General Counsel, the decision of the Administrative Law Judge shall without further proceedings become the decision of the General Counsel 30 days from the date of the Administrative Law Judge’s decision.

§ 15.737–26 Appeal to the General Counsel.

Within 30 days from the date of the Administrative Law Judge’s decision, either party may appeal to the General Counsel. The appeal shall be filed with the Director in duplicate and shall include exceptions to the decision of the Administrative Law Judge and supporting reasons for such exceptions. If an appeal is filed by the Director, he/she shall transmit a copy thereof to the respondent. Within 30 days after receipt of an appeal or copy thereof, the other party may file a reply brief in duplicate with the Director. If the reply brief is filed by the Director, he/she shall transmit a copy of it to the respondent. Upon the filing of an appeal and a reply brief, if any, the Director shall transmit the entire record to the General Counsel.

§ 15.737–27 Decision of the General Counsel.

On appeal from or review of the initial decision of the Administrative Law Judge, the General Counsel will make the agency decision. In making his/her decision, the General Counsel will review the record or such portions thereof as may be cited by the parties to permit limiting of the issues. A copy of the General Counsel’s decision shall be transmitted to the respondent by the Director.

§ 15.737–28 Notice of disciplinary action.

(a) Upon the issuance of a final order suspending a former officer or employee from practice before the Department or a separate statutory agency thereof, the Director shall give notice thereof to appropriate officers and employees of the Department. Officers and employees of the Department shall refuse to participate in any appearance by such former officer or employee or to accept any communication which constitutes the prohibited practice before the Department or separate statutory agency thereof during the period of suspension.

(b) The Director shall take other appropriate disciplinary action as may be required by the final order.

(c) At the same time the reviewing official serves the complaint on the defendant(s), he or she shall serve the defendant with a copy of these regulations.
§ 16.8 Service of complaint.
(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure.

(c) If the defendant fails to file a timely answer, the ALJ shall assume the facts alleged in the complaint to be true and, if such facts establish liability under §16.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.
(d) Except as otherwise provided in this section, by failing to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision shall become final and binding upon the parties 30 days after it is issued.
(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ, and serves a copy on the agency, seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing a timely answer, the initial decision shall be stayed pending the ALJ’s decision on the motion. The ALJ shall permit the agency a reasonable amount of time, not less than 15 calendar days, to respond to the defendant’s motion.
(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision, if such a decision has been issued pursuant to paragraph (c) of this section, and shall grant the defendant an opportunity to answer the complaint.
(g) A decision of the ALJ denying a defendant’s motion under paragraph (e) of this section is not subject to reconsideration under §16.38.
(h) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.
(i) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.
(j) The authority head shall decide expeditiously, and based solely on the record before the ALJ, whether extraordinary circumstances excuse the defendant’s failure to file a timely answer.
(k) If the authority head decides that extraordinary circumstances excuse the defendant’s failure to file a timely
answer, the authority head shall remand the case to the ALJ with instructions to grant the defendant an opportunity to file an answer.

(l) If the authority head decides that the defendant's failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

§ 16.11 Referral of complaint and answer to the ALJ.
Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

§ 16.12 Notice of hearing.

(2) The legal authority and jurisdiction under which the hearing is to be held;
(3) The matters of fact and law to be asserted;

(a) The parties to the hearing shall be the defendant and the authority.

(b) Pursuant to 31 U.S.C. 3730(c)(5), a private plaintiff under the False Claims Act may participate in these proceedings to the extent authorized by the provisions of that Act.

§ 16.14 Separation of functions.
(a) The investigating official, the reviewing official, and any employee or agent of the authority who takes part in investigating, preparing, or presenting a particular case may not, in such case or a factually related case—

(1) Participate in the hearing as the ALJ;
(2) Participate or advise in the initial decision or the review of the initial decision by the authority head, except as a witness or a representative in public proceedings; or

(c) Except as provided in paragraph (a) of this section, the representative for the Government may be an attorney employed anywhere in the Legal Division of the Department, or an attorney employed in the offices of either the investigating official or the reviewing official; however the representative of the Government may not participate or advise in the review of the initial decision by the authority head.

§ 16.15 Ex parte contacts.
No party or person (except employees of the ALJ’s office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

§ 16.16 Disqualification of reviewing official or ALJ.
(a) A reviewing official or ALJ in a particular case may disqualify himself or herself at any time.

(b) A party may file with the ALJ a motion for disqualification of a reviewing official or an ALJ. Such motion shall be accompanied by an affidavit alleging personal bias or other reason for disqualification.

(c) Such motion and affidavit shall be filed promptly upon the party's discovery of reasons requiring disqualification, or such objections shall be deemed waived.

(d) Such affidavit shall state specific facts that support the party's assertion that personal bias or other reason for disqualification exists and the time

189
and circumstances of the party’s discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f) of this section.

(f)(1) If the ALJ determines that a reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the agency shall seek to have the case promptly reassigned to another ALJ.

(3) If the ALJ denies a motion to disqualify, the authority head may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

§ 16.17 Rights of parties.

Except as otherwise limited by this part, all parties may—

(b) The ALJ has the authority to—

(1) Set and change the date, time, and place of the hearing upon reasonable notice to the parties;

(c) The ALJ does not have the authority to make any determinations regarding the validity of Federal statutes or regulations, or Departmental orders, Directives, or other published rules.

§ 16.19 Prehearing conferences.

(a) The ALJ may schedule prehearing conferences as appropriate.

(b) Upon the motion of any party, the ALJ shall schedule at least one prehearing conference at a reasonable time in advance of the hearing.

(3) Stipulations, admissions of fact or the content and authenticity of documents;

(4) Whether the parties can agree to submission of the case on a stipulated record;
§ 16.21 Discovery.

(a) The following types of discovery are authorized:
(1) Requests for production of documents for inspection and copying;
(2) Requests for admissions of the authenticity of any relevant document or of the truth of any relevant fact;
(3) Written interrogatories; and
(4) Depositions.

(b) For the purposes of this section and §§16.22 and 16.23, the term “documents” includes information, documents, reports, answers, records, accounts, papers, and other data, either paper or electronic, and other documentary evidence. Nothing contained herein shall be interpreted to require the creation of a document.

(c) Unless mutually agreed to by the parties, discovery is available only as ordered by the ALJ. The ALJ shall regulate the timing of discovery.

(d) Motions for discovery. (1) A party seeking discovery may file a motion with the ALJ if it is not made available by another party on an informal basis. Such a motion shall be accompanied by a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition, and a description of the efforts which have been made by the party to obtain discovery.

(2) Within ten days of service, a party may file an opposition to the motion and/or a motion for protective order as provided in §16.24.

(3) The ALJ may grant a motion for discovery only if he or she finds that the discovery sought—

(i) Is necessary for the expeditious, fair, and reasonable consideration of the issues;

(ii) Is not unduly costly or burdensome;

(iii) Will not unduly delay the proceeding; and

(iv) Does not seek privileged information.

(4) The burden of showing that discovery should be allowed is on the party seeking discovery.

(5) The ALJ may grant discovery subject to a protective order under §16.24.

(e) Depositions. (1) If a motion for deposition is granted, the ALJ shall issue a subpoena for the deponent, which may require the deponent to produce
§ 16.22 Exchange of witness lists, statements, and exhibits.

(a) At least 15 days before the hearing or at such other time as may be ordered by the ALJ, the parties shall exchange witness lists, copies of prior statements of proposed witnesses, and copies of proposed hearing exhibits, including copies of any written statements that the party intends to offer in lieu of live testimony in accordance with §16.33(b). At the time the above documents are exchanged, any party that intends to rely on the transcript of deposition testimony in lieu of live testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

(b) If a party objects, the ALJ shall not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause and that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section, shall be deemed to be authentic for the purpose of admissibility at the hearing.

§ 16.23 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefor not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to bring with him or her.

§ 16.24 Protective order.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) That the discovery not be had;
(2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;
(3) That the discovery may be had only through a method of discovery other than that requested;
(4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;

(6) That the contents of discovery or evidence be sealed;

(7) That a deposition after being sealed be opened only by order of the ALJ;

(8) That a trade secret or other confidential research, development, commercial information, or facts pertaining to any criminal investigation, proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or

(9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

§ 16.25 Fees.
The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the authority, a check for witness fees and mileage need not accompany the subpoena.

§ 16.26 Form, filing and service of papers.

(a) Form. (1) Documents filed with the ALJ shall include an original and two copies.

(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena).

(3) Every pleading and paper shall be signed by, and shall contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.

(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(b) Service. A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than the complaint or notice of hearing shall be made by delivering or mailing a copy to the party’s last known address. When a party is represented by an attorney, service shall be made upon such representative in lieu of the actual party.

(c) Proof of service. A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 16.27 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal Government shall be excluded from the computation. When the period of time allowed is more than seven days, all intervening calendar days are included in the computation.

(c) Where a document has been served or issued by mail, an additional five days will be added to the time permitted for any response.

§ 16.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except
§ 16.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for—

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission, the ALJ may—

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 16.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under §16.3 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall have the burden of proving defendant’s liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall have the burden of proving any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 16.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and upon appeal, the authority head, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, double damages and a significant civil penalty ordinarily should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant’s culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;
(5) The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government’s loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant’s practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant’s sophistication with respect to it, including the extent of the defendant’s prior participation in the program or in similar transactions;

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly; and

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 16.32 Location of hearing.

(a) The hearing may be held—

(1) In any judicial district of the United States in which the defendant resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 16.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in §16.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to—

(1) Make the interrogation and presentation effective for the ascertainment of the truth,

(2) Avoid needless consumption of time, and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted
§ 16.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided herein, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant, immaterial, or incompetent evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to §16.24.

§ 16.35 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the authority head.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to §16.24.

§ 16.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 16.37 Initial decision.

(a) The ALJ shall issue an initial decision, based solely on the record, which shall contain findings of fact, conclusion of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portions thereof, violate §16.3;

(2) If the person is liable for penalties of assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors that he or she finds in the case, such as those described in §16.31.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall at the same time serve all defendants with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with
§ 16.39 Appeal to authority head.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the authority head by filing a notice of appeal with the authority head in accordance with this section.

(b)(1) No notice of appeal may be filed until the time period for filing a motion for reconsideration under §16.38 has expired.

(2) If a motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.

(4) The authority head may extend the initial 30 days period for an additional 30 days if the defendant files with the authority head a request for extension within the initial 30 days period and shows good cause.

(g) There is right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the authority head shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the authority head, prior to the issuance of the authority head’s decision that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at the hearing, the authority head shall remand the matter to the ALJ for consideration of such additional evidence.

(j) The authority head may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment,
§ 16.40 Stays ordered by the Department of Justice.

If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the authority head a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the authority head shall stay the process immediately. In such a case, the authority head may order the process resumed only upon receipt of the written authorization of the Attorney General.

§ 16.41 Stay pending appeal.

§ 16.45 Deposit in Treasury of United States.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision.

(c) The authority head has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under §16.42 or during the pendency of any action to collect penalties and assessments under §16.43.

(d) The Attorney General has exclusive authority to compromise or settle a case under this part during the pendency of any review under §16.42 or of any action to recover penalties and assessments under 31 U.S.C. 3806.

(e) The investigating official may recommend settlement terms to the reviewing official, the authority head, or
the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the authority head, or the Attorney General, as appropriate.

(3) Even if the agency is permitted, under paragraph (b)(1)(iv) of this section, to operate a separate or different program for individuals with handicaps or for any class of individuals with handicaps, the agency must permit any qualified individual with handicaps who wishes to participate in the program that is not separate or different to do so.

§§ 17.131–17.139 [Reserved]

§ 17.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Department. The definitions, requirements and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment of federally conducted programs or activities.

§§ 17.141–17.148 [Reserved]

§ 17.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §17.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 17.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not require the agency—

(1) To make structural alterations in each of its existing facilities in order to make them accessible to and usable by individuals with handicaps where other methods are effective in achieving compliance with this section; or

(2) To take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with the §17.150(a) would result in such an alteration or burdens. The decision that compliance would result in such an alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of
aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section within sixty (60) days of the effective date of this part except that where structural changes in facilities are undertaken, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both telephonic and written). A copy of the transition plan shall be made available for public inspection. The plan shall at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the physical accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§17.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 through 101–19.607 apply to buildings covered by this section.

§§17.152–17.159 [Reserved]

§17.160 Communications.

(a) The agency shall take appropriate steps to effectively communicate with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency. In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature to applicants or participants in programs.

(2) Where the agency communicates with applicants and beneficiaries by telephone, the agency shall use telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems to communicate with persons with impaired hearing.
(b) The agency shall make available to interested persons, including persons with impaired vision or hearing, information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall post notices at a primary entrance to each of its inaccessible facilities, directing users to an accessible facility, or to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §17.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 17.161–17.169 [Reserved]

§ 17.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

Any person who believes that any specific class of persons has been subjected to discrimination prohibited by this part and who is a member of that class or the authorized representative of a member of that class may file a complaint.

(2) The agency shall accept and investigate all complete complaints over which it has jurisdiction.

(3) All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receive a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g)(1) Within 180 days of the receipt of a complete complaint over which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(i) Findings of fact and conclusions of law;

(ii) A description of a remedy for each violation found; and
Office of the Secretary of the Treasury

(iii) A notice of the right to appeal.

(2) Agency employees are required to cooperate in the investigation and attempted resolution of complaints. Employees who are required to participate in any investigation under this section shall do so as part of their official duties and during the course of regular duty hours.

(3) If a complaint is resolved informally, the terms of the agreement shall be reduced to writing and made part of the complaint file, with a copy of the agreement provided to the complainant. The written agreement shall describe the subject matter of the complaint and any corrective action to which the parties have agreed.

(b) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 60 days of receipt from the agency of the letter required by §17.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the Director, Human Resources Directorate, or his or her designee, who will issue the final agency decision which may include appropriate corrective action to be taken by the agency.

(j) The agency shall notify the complainant of the results of the appeal within 30 days of the receipt of the appeal. If the agency determines that it needs additional information from the complainant, it shall have 30 days from the date it received the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended for an individual case when the Assistant Secretary for Departmental Finance and Management determines that there is good cause, based on the particular circumstances of that case, for the extension.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies or may contract with a nongovernment investigator to perform the investigation, but the authority for making the final determination may not be delegated to another agency.

§ 19.50 How is this part written?

(a) This part uses a “plain language” format to make it easier for the general public and business community to use. The section headings and text, often in the form of questions and answers, must be read together.

(b) Pronouns used within this part, such as “I” and “you,” change from subpart to subpart depending on the audience being addressed. The pronoun “we” always is the Department of the Treasury.

(c) The “Covered Transactions” diagram in the appendix to this part shows the levels or “tiers” at which the Department of the Treasury enforces an exclusion under this part.

§ 19.75 Do terms in this part have special meanings?

This part uses terms throughout the text that have special meaning. Those terms are defined in Subpart I of this part. For example, three important terms are—
(a) **Exclusion or excluded**, which refers only to discretionary actions taken by a suspending or debarring official under this part or the Federal Acquisition Regulation (48 CFR part 9, subpart 9.4);  
(b) **Disqualification or disqualified**, which refers to prohibitions under specific statutes, executive orders (other than Executive Order 12549 and Executive Order 12689), or other authorities. Disqualifications frequently are not subject to the discretion of an agency official, may have a different scope than exclusions, or have special conditions that apply to the disqualification; and  
(c) **Ineligibility or ineligible**, which generally refers to a person who is either excluded or disqualified.

**Subpart A—General**

§ 19.100 What does this part do?  
This part adopts a governmentwide system of debarment and suspension for Department of the Treasury nonprocurement activities. It also provides for reciprocal exclusion of persons who have been excluded under the Federal Acquisition Regulation, and provides for the consolidated listing of all persons who are excluded, or disqualified by statute, executive order, or other legal authority. This part satisfies the requirements in section 3 of Executive Order 12549, “Debarment and Suspension” (3 CFR 1986 Comp., p. 189), Executive Order 12689, “Debarment and Suspension” (3 CFR 1989 Comp., p. 235) and 31 U.S.C. 6101 note (Section 2455, Public Law 103–355, 108 Stat. 3327).

§ 19.105 Does this part apply to me?  
Portions of this part (see table at §19.25(b)) apply to you if you are a(n)—  
(a) Person who has been, is, or may reasonably be expected to be, a participant or principal in a covered transaction;  
(b) Respondent (a person against whom the Department of the Treasury has initiated a debarment or suspension action);  
(c) Department of the Treasury debarring or suspending official; or  
(d) Department of the Treasury official who is authorized to enter into covered transactions with non-Federal parties.

§ 19.110 What is the purpose of the nonprocurement debarment and suspension system?  
(a) To protect the public interest, the Federal Government ensures the integrity of Federal programs by conducting business only with responsible persons.  
(b) A Federal agency uses the nonprocurement debarment and suspension system to exclude from Federal programs persons who are not presently responsible.  
(c) An exclusion is a serious action that a Federal agency may take only to protect the public interest. A Federal agency may not exclude a person or commodity for the purposes of punishment.

§ 19.115 How does an exclusion restrict a person's involvement in covered transactions?  
With the exceptions stated in §§19.120, 19.315, and 19.420, a person who is excluded by the Department of the Treasury or any other Federal agency may not:  
(a) Be a participant in a(n) Department of the Treasury transaction that is a covered transaction under subpart B of this part;  
(b) Be a participant in a transaction of any other Federal agency that is a covered transaction under that agency’s regulation for debarment and suspension; or  
(c) Act as a principal of a person participating in one of those covered transactions.

§ 19.120 May we grant an exception to let an excluded person participate in a covered transaction?  
(a) The Secretary of the Treasury may grant an exception permitting an excluded person to participate in a particular covered transaction. If the Secretary of the Treasury grants an exception, the exception must be in writing and state the reason(s) for deviating from the governmentwide policy in Executive Order 12549.  
(b) An exception granted by one agency for an excluded person does not extend to the covered transactions of another agency.
§ 19.125 Does an exclusion under the nonprocurement system affect a person's eligibility for Federal procurement contracts?

If any Federal agency excludes a person under its nonprocurement common rule on or after August 25, 1995, the excluded person is also ineligible to participate in Federal procurement transactions under the FAR. Therefore, an exclusion under this part has reciprocal effect in Federal procurement transactions.

§ 19.130 Does exclusion under the Federal procurement system affect a person's eligibility to participate in nonprocurement transactions?

If any Federal agency excludes a person under the FAR on or after August 25, 1995, the excluded person is also ineligible to participate in nonprocurement covered transactions under this part. Therefore, an exclusion under the FAR has reciprocal effect in Federal nonprocurement transactions.

§ 19.135 May the Department of the Treasury exclude a person who is not currently participating in a nonprocurement transaction?

Given a cause that justifies an exclusion under this part, we may exclude any person who has been involved, is currently involved, or may reasonably be expected to be involved in a covered transaction.

§ 19.140 How do I know if a person is excluded?

Check the Excluded Parties List System (EPLS) to determine whether a person is excluded. The General Services Administration (GSA) maintains the EPLS and makes it available, as detailed in subpart E of this part. When a Federal agency takes an action to exclude a person under the nonprocurement or procurement debarment and suspension system, the agency enters the information about the excluded person into the EPLS.

§ 19.145 Does this part address persons who are disqualified, as well as those who are excluded from nonprocurement transactions?

Except if provided for in Subpart J of this part, this part—

(a) Addresses disqualified persons only to—
   (1) Provide for their inclusion in the EPLS; and
   (2) State responsibilities of Federal agencies and participants to check for disqualified persons before entering into covered transactions.

(b) Does not specify the—
   (1) Department of the Treasury transactions for which a disqualified person is ineligible. Those transactions vary on a case-by-case basis, because they depend on the language of the specific statute, Executive order, or regulation that caused the disqualification;
   (2) Entities to which the disqualification applies; or
   (3) Process that the agency uses to disqualify a person. Unlike exclusion, disqualification is frequently not a discretionary action that a Federal agency takes.

Subpart B—Covered Transactions

§ 19.200 What is a covered transaction?

A covered transaction is a nonprocurement or procurement transaction that is subject to the prohibitions of this part. It may be a transaction at—

(a) The primary tier, between a Federal agency and a person (see appendix to this part); or

(b) A lower tier, between a participant in a covered transaction and another person.

§ 19.205 Why is it important if a particular transaction is a covered transaction?

The importance of a covered transaction depends upon who you are.

(a) As a participant in the transaction, you have the responsibilities laid out in Subpart C of this part. Those include responsibilities to the person or Federal agency at the next higher tier from whom you received the transaction, if any. They also include responsibilities if you subsequently enter into other covered transactions with persons at the next lower tier.

(b) As a Federal official who enters into a primary tier transaction, you have the responsibilities laid out in subpart D of this part.
(c) As an excluded person, you may not be a participant or principal in the transaction unless—
   (1) The person who entered into the transaction with you allows you to continue your involvement in a transaction that predates your exclusion, as permitted under §19.310 or §19.415; or
   (2) A(n) Department of the Treasury official obtains an exception from the Secretary of the Treasury to allow you to be involved in the transaction, as permitted under §19.120.

§ 19.210 Which nonprocurement transactions are covered transactions?
All nonprocurement transactions, as defined in §19.970, are covered transactions unless listed in §19.215. (See appendix to this part.)

§ 19.215 Which nonprocurement transactions are not covered transactions?
The following types of nonprocurement transactions are not covered transactions:
(a) A direct award to—
   (1) A foreign government or foreign governmental entity;
   (2) A public international organization;
   (3) An entity owned (in whole or in part) or controlled by a foreign government; or
   (4) Any other entity consisting wholly or partially of one or more foreign governments or foreign governmental entities.
(b) A benefit to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted). For example, if a person receives social security benefits under the Supplemental Security Income provisions of the Social Security Act, 42 U.S.C. 1301 et seq., those benefits are not covered transactions and, therefore, are not affected if the person is excluded.
(c) Federal employment.
(d) A transaction that the Department of the Treasury needs to respond to a national or agency-recognized emergency or disaster.
(e) A permit, license, certificate, or similar instrument issued as a means to regulate public health, safety, or the environment, unless the Department of the Treasury specifically designates it to be a covered transaction.
(f) An incidental benefit that results from ordinary governmental operations.
(g) Any other transaction if the application of an exclusion to the transaction is prohibited by law.

§ 19.220 Are any procurement contracts included as covered transactions?
(a) Covered transactions under this part—
   (1) Do not include any procurement contracts awarded directly by a Federal agency; but
   (2) Do include some procurement contracts awarded by non-Federal participants in nonprocurement covered transactions (see appendix to this part).
(b) Specifically, a contract for goods or services is a covered transaction if any of the following applies:
   (1) The contract is awarded by a participant in a nonprocurement transaction that is covered under §19.210, and the amount of the contract is expected to equal or exceed $25,000.
   (2) The contract requires the consent of a(n) Department of the Treasury official. In that case, the contract, regardless of the amount, always is a covered transaction, and it does not matter who awarded it. For example, it could be a subcontract awarded by a contractor at a tier below a nonprocurement transaction, as shown in the appendix to this part.
   (3) The contract is for federally-required audit services.

§ 19.225 How do I know if a transaction in which I may participate is a covered transaction?
As a participant in a transaction, you will know that it is a covered transaction because the agency regulations governing the transaction, the appropriate agency official, or participant at the next higher tier who enters into the transaction with you, will tell you that you must comply with applicable portions of this part.
§ 19.300 What must I do before I enter into a covered transaction with another person at the next lower tier?

When you enter into a covered transaction with another person at the next lower tier, you must verify that the person with whom you intend to do business is not excluded or disqualified. You do this by:

(a) Checking the EPLS; or
(b) Collecting a certification from that person if allowed by this rule; or
(c) Adding a clause or condition to the covered transaction with that person.

§ 19.305 May I enter into a covered transaction with an excluded or disqualified person?

(a) You as a participant may not enter into a covered transaction with an excluded person, unless the Department of the Treasury grants an exception under §19.120.

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you have obtained an exception under the disqualifying statute, Executive order, or regulation.

§ 19.310 What must I do if a Federal agency excludes a person with whom I am already doing business in a covered transaction?

(a) You as a participant may continue covered transactions with an excluded person if the transactions were in existence when the agency excluded the person. However, you are not required to continue the transactions, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, unless the Department of the Treasury grants an exception under §19.120.

§ 19.315 May I use the services of an excluded person as a principal under a covered transaction?

(a) You as a participant may continue to use the services of an excluded person as a principal under a covered transaction if you were using the services of that person in the transaction before the person was excluded. However, you are not required to continue using that person’s services as a principal. You should make a decision about whether to discontinue that person’s services only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not begin to use the services of an excluded person as a principal under a covered transaction unless the Department of the Treasury grants an exception under §19.120.

§ 19.320 Must I verify that principals of my covered transactions are eligible to participate?

Yes, you as a participant are responsible for determining whether any of your principals of your covered transactions is excluded or disqualified from participating in the transaction. You may decide the method and frequency by which you do so. You may, but you are not required to, check the EPLS.

§ 19.325 What happens if I do business with an excluded person in a covered transaction?

If as a participant you knowingly do business with an excluded person, we may disallow costs, annul or terminate the transaction, issue a stop work order, debar or suspend you, or take other remedies as appropriate.

§ 19.330 What requirements must I pass down to persons at lower tiers with whom I intend to do business?

Before entering into a covered transaction with a participant at the next lower tier, you must require that participant to—

(a) Comply with this subpart as a condition of participation in the transaction. You may do so using any method(s), unless §19.440 requires you to use specific methods.

(b) Pass the requirement to comply with this subpart to each person with whom the participant enters into a
Office of the Secretary of the Treasury

§ 19.365

covered transaction at the next lower tier.

DISCLOSING INFORMATION—PRIMARY TIER PARTICIPANTS

§ 19.335 What information must I provide before entering into a covered transaction with the Department of the Treasury?

Before you enter into a covered transaction at the primary tier, you as the participant must notify the Department of the Treasury office that is entering into the transaction with you, if you know that you or any of the principals for that covered transaction:

(a) Are presently excluded or disqualified;

(b) Have been convicted within the preceding three years of any of the offenses listed in §19.800(a) or had a civil judgment rendered against you for one of those offenses within that time period;

(c) Are presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses listed in §19.800(a); or

(d) Have had one or more public transactions (Federal, State, or local) terminated within the preceding three years for cause or default.

§ 19.340 If I disclose unfavorable information required under §19.335, will I be prevented from participating in the transaction?

As a primary tier participant, your disclosure of unfavorable information about yourself or a principal under §19.335 will not necessarily cause us to deny your participation in the covered transaction. We will consider the information when we determine whether to enter into the covered transaction. We also will consider any additional information or explanation that you elect to submit with the disclosed information.

§ 19.345 What happens if I fail to disclose information required under §19.335?

If we later determine that you failed to disclose information under §19.335 that you knew at the time you entered into the covered transaction, we may—

(a) Terminate the transaction for material failure to comply with the terms and conditions of the transaction; or

(b) Pursue any other available remedies, including suspension and debarment.

§ 19.350 What must I do if I learn of information required under §19.335 after entering into a covered transaction with the Department of the Treasury?

At any time after you enter into a covered transaction, you must give immediate written notice to the Department of the Treasury office with which you entered into the transaction if you learn either that—

(a) You failed to disclose information earlier, as required by §19.335; or

(b) Due to changed circumstances, you or any of the principals for the transaction now meet any of the criteria in §19.335.

DISCLOSING INFORMATION—LOWER TIER PARTICIPANTS

§ 19.355 What information must I provide to a higher tier participant before entering into a covered transaction with that participant?

Before you enter into a covered transaction with a person at the next higher tier, you as a lower tier participant must notify that person if you know that you or any of the principals are presently excluded or disqualified.

§ 19.360 What happens if I fail to disclose the information required under §19.355?

If we later determine that you failed to tell the person at the higher tier that you were excluded or disqualified at the time you entered into the covered transaction with that person, we may pursue any available remedies, including suspension and debarment.

§ 19.365 What must I do if I learn of information required under §19.355 after entering into a covered transaction with a higher tier participant?

At any time after you enter into a lower tier covered transaction with a
§ 19.400 May I enter into a transaction with an excluded or disqualified person?

(a) You as an agency official may not enter into a covered transaction with an excluded person unless you obtain an exception under §19.120.

(b) You may not enter into any transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person’s disqualification.

§ 19.405 May I enter into a covered transaction with a participant if a principal of the transaction is excluded?

As an agency official, you may not enter into a covered transaction with a participant if you know that a principal of the transaction is excluded, unless you obtain an exception under §19.120.

§ 19.410 May I approve a participant’s use of the services of an excluded person?

After entering into a covered transaction with a participant, you as an agency official may not approve a participant’s use of an excluded person as a principal unless that transaction, unless you obtain an exception under §19.120.

§ 19.415 What must I do if a Federal agency excludes the participant or a principal after I enter into a covered transaction?

(a) You as an agency official may continue covered transactions with an excluded person, or under which an excluded person is a principal, if the transactions were in existence when the person was excluded. You are not required to continue the transactions, however, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, or under which an excluded person is a principal, unless you obtain an exception under §19.120.

§ 19.420 May I approve a transaction with an excluded or disqualified person at a lower tier?

If a transaction at a lower tier is subject to your approval, you as an agency official may not approve—

(a) A covered transaction with a person who is currently excluded, unless you obtain an exception under §19.120; or

(b) A transaction with a person who is disqualified from that transaction, unless you obtain a waiver or exception under the statute, Executive order, or regulation that is the basis for the person’s disqualification.

§ 19.425 When do I check to see if a person is excluded or disqualified?

As an agency official, you must check to see if a person is excluded or disqualified before you—

(a) Enter into a primary tier covered transaction;

(b) Approve a principal in a primary tier covered transaction;

(c) Approve a lower tier participant if agency approval of the lower tier participant is required; or

(d) Approve a principal in connection with a lower tier transaction if agency approval of the principal is required.

§ 19.430 How do I check to see if a person is excluded or disqualified?

You check to see if a person is excluded or disqualified in two ways:

(a) You as an agency official must check the EPLS when you take any action listed in §19.425.

(b) You must review information that a participant gives you, as required by
§ 19.335, about its status or the status of the principals of a transaction.

§ 19.435 What must I require of a primary tier participant?

You as an agency official must require each participant in a primary tier covered transaction to—

(a) Comply with subpart C of this part as a condition of participation in the transaction; and

(b) Communicate the requirement to comply with Subpart C of this part to persons at the next lower tier with whom the primary tier participant enters into covered transactions.

§ 19.440 What method do I use to communicate those requirements to participants?

To communicate the requirements, you must include a term or condition in the transaction requiring the participants’ compliance with subpart C of this part and requiring them to include a similar term or condition in lower-tier covered transactions.

[68 FR 66607, Nov. 26, 2003]

§ 19.445 What action may I take if a primary tier participant knowingly does business with an excluded or disqualified person?

If a participant knowingly does business with an excluded or disqualified person, you as an agency official may refer the matter for suspension and debarment consideration. You may also disallow costs, annul or terminate the transaction, issue a stop work order, or take any other appropriate remedy.

§ 19.450 What action may I take if a primary tier participant fails to disclose the information required under § 19.335?

If you as an agency official determine that a participant failed to disclose information, as required by §19.335, at the time it entered into a covered transaction with you, you may—

(a) Terminate the transaction for material failure to comply with the terms and conditions of the transaction; or

(b) Pursue any other available remedies, including suspension and debarment.

§ 19.455 What may I do if a lower tier participant fails to disclose the information required under § 19.355 to the next higher tier?

If you as an agency official determine that a lower tier participant failed to disclose information, as required by §19.355, at the time it entered into a covered transaction with a participant at the next higher tier, you may pursue any remedies available to you, including the initiation of a suspension or debarment action.

Subpart E—Excluded Parties List System

§ 19.500 What is the purpose of the Excluded Parties List System (EPLS)?

The EPLS is a widely available source of the most current information about persons who are excluded or disqualified from covered transactions.

§ 19.505 Who uses the EPLS?

(a) Federal agency officials use the EPLS to determine whether to enter into a transaction with a person, as required under §19.430.

(b) Participants also may, but are not required to, use the EPLS to determine if—

(1) Principals of their transactions are excluded or disqualified, as required under §19.320; or

(2) Persons with whom they are entering into covered transactions at the next lower tier are excluded or disqualified.

(c) The EPLS is available to the general public.

§ 19.510 Who maintains the EPLS?

In accordance with the OMB guidelines, the General Services Administration (GSA) maintains the EPLS. When a Federal agency takes an action to exclude a person under the nonprocurement or procurement debarment and suspension system, the agency enters the information about the excluded person into the EPLS.

§ 19.515 What specific information is in the EPLS?

(a) At a minimum, the EPLS indicates—
§ 19.520 Who places the information into the EPLS?

Federal officials who take actions to exclude persons under this part or officials who are responsible for identifying disqualified persons must enter the following information about those persons into the EPLS:

(a) Information required by § 19.515(a);

(b) The Taxpayer Identification Number (TIN) of the excluded or disqualified person, including the social security number (SSN) for an individual, if the number is available and may be disclosed under law;

(c) Information about an excluded or disqualified person, generally within five working days, after—

(1) Taking an exclusion action;

(2) Modifying or rescinding an exclusion action;

(3) Finding that a person is disqualified; or

(4) Finding that there has been a change in the status of a person who is listed as disqualified.

§ 19.525 Whom do I ask if I have questions about a person in the EPLS?

If you have questions about a person in the EPLS, ask the point of contact for the Federal agency that placed the person’s name into the EPLS. You may find the agency point of contact from the EPLS.

§ 19.530 Where can I find the EPLS?

(a) You may access the EPLS through the Internet, currently at http://epls.arnet.gov.

(b) As of November 26, 2003, you may also subscribe to a printed version. However, we anticipate discontinuing the printed version. Until it is discontinued, you may obtain the printed version by purchasing a yearly subscription from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402, or by calling the Government Printing Office Inquiry and Order Desk at (202) 783–3238.

Subpart F—General Principles Relating to Suspension and Debarment Actions

§ 19.600 How do suspension and debarment actions start?

When we receive information from any source concerning a cause for suspension or debarment, we will promptly report and investigate it. We refer the question of whether to suspend or debar you to our suspending or debarring official for consideration, if appropriate.

§ 19.605 How does suspension differ from debarment?

Suspension differs from debarment in that—

A suspending official . . .

A debarred official . . .

(a) Imposes suspension as a temporary status of ineligibility for procurement and nonprocurement transactions, pending completion of an investigation or legal proceedings.

Imposes debarment for a specified period as a final determination that a person is not presently responsible.
§ 19.630 May the Department of the Treasury impute conduct of one person to another?

For purposes of actions taken under this rule, we may impute conduct as follows:

(a) Conduct imputed from an individual to an organization. We may impute the fraudulent, criminal, or other improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with an organization, to that organization when the improper conduct occurred in connection with the individual’s performance of duties for or on behalf of that organization, or with the organization’s knowledge, approval or acquiescence. The organization’s acceptance of the benefits derived from the conduct is evidence of knowledge, approval or acquiescence.

(b) Conduct imputed from an organization to an individual, or between individuals. We may impute the fraudulent, criminal, or other improper conduct of any organization to an individual, or from one individual to another individual, if the individual to whom the improper conduct is imputed either participated in, had knowledge of, or
§ 19.635 May the Department of the Treasury settle a debarment or suspension action?

Yes, we may settle a debarment or suspension action at any time if it is in the best interest of the Federal Government.

§ 19.640 May a settlement include a voluntary exclusion?

Yes, if we enter into a settlement with you in which you agree to be excluded, it is called a voluntary exclusion and has governmentwide effect.

§ 19.645 Do other Federal agencies know if the Department of the Treasury agrees to a voluntary exclusion?

(a) Yes, we enter information regarding a voluntary exclusion into the EPLS.

(b) Also, any agency or person may contact us to find out the details of a voluntary exclusion.

Subpart G—Suspension

§ 19.700 When may the suspending official issue a suspension?

Suspension is a serious action. Using the procedures of this subpart and subpart F of this part, the suspending official may impose suspension only when that official determines that—

(a) There exists an indictment for, or other adequate evidence to suspect, an offense listed under §19.800(a), or

(b) There exists adequate evidence to suspect any other cause for debarment listed under §19.800(b) through (d); and

(c) Immediate action is necessary to protect the public interest.

§ 19.705 What does the suspending official consider in issuing a suspension?

(a) In determining the adequacy of the evidence to support the suspension, the suspending official considers how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. During this assessment, the suspending official may examine the basic documents, including grants, cooperative agreements, loan authorizations, contracts, and other relevant documents.

(b) An indictment, conviction, civil judgment, or other official findings by Federal, State, or local bodies that determine factual and/or legal matters, constitutes adequate evidence for purposes of suspension actions.

(c) In deciding whether immediate action is needed to protect the public interest, the suspending official has wide discretion. For example, the suspending official may infer the necessity for immediate action to protect the public interest either from the nature of the circumstances giving rise to a cause for suspension or from potential business relationships or involvement with a program of the Federal Government.

§ 19.710 When does a suspension take effect?

A suspension is effective when the suspending official signs the decision to suspend.

§ 19.715 What notice does the suspending official give me if I am suspended?

After deciding to suspend you, the suspending official promptly sends you a Notice of Suspension advising you—

(a) That you have been suspended;

(b) That your suspension is based on—

(1) An indictment;

(2) A conviction;

(3) Other adequate evidence that you have committed irregularities which
seriously reflect on the propriety of further Federal Government dealings with you; or
(4) Conduct of another person that has been imputed to you, or your affiliation with a suspended or debarred person;
(c) Of any other irregularities in terms sufficient to put you on notice without disclosing the Federal Government’s evidence;
(d) Of the cause(s) upon which we relied under §19.700 for imposing suspension;
(e) That your suspension is for a temporary period pending the completion of an investigation or resulting legal or debarment proceedings;
(f) Of the applicable provisions of this subpart, Subpart F of this part, and any other Department of the Treasury procedures governing suspension decision making; and
(g) Of the governmentwide effect of your suspension from procurement and nonprocurement programs and activities.

§ 19.720 How may I contest a suspension?
If you as a respondent wish to contest a suspension, you or your representative must provide the suspending official with information in opposition to the suspension. You may do this orally or in writing, but any information provided orally that you consider important must also be submitted in writing for the official record.

§ 19.725 How much time do I have to contest a suspension?
(a) As a respondent you or your representative must either send, or make arrangements to appear and present, the information and argument to the suspending official within 30 days after you receive the Notice of Suspension.
(b) We consider the notice to be received by you—
(1) When delivered, if we mail the notice to the last known street address, or five days after we send it if the letter is undeliverable;
(2) When sent, if we send the notice by facsimile or five days after we send it if the facsimile is undeliverable; or
(3) When delivered, if we send the notice by e-mail or five days after we send it if the e-mail is undeliverable.

§ 19.730 What information must I provide to the suspending official if I contest a suspension?
(a) In addition to any information and argument in opposition, as a respondent your submission to the suspending official must identify—
(1) Specific facts that contradict the statements contained in the Notice of Suspension. A general denial is insufficient to raise a genuine dispute over facts material to the suspension;
(2) All existing, proposed, or prior exclusions under regulations implementing E.O. 12549 and all similar actions taken by Federal, state, or local agencies, including administrative agreements that affect only those agencies;
(3) All criminal and civil proceedings not included in the Notice of Suspension that grew out of facts relevant to the cause(s) stated in the notice; and
(4) All of your affiliates.

§ 19.735 Under what conditions do I get an additional opportunity to challenge the facts on which the suspension is based?
(a) You as a respondent will not have an additional opportunity to challenge the facts if the suspending official determines that—
(1) Your suspension is based upon an indictment, conviction, civil judgment, or other finding by a Federal, State, or local body for which an opportunity to contest the facts was provided;
(2) Your presentation in opposition contains only general denials to information contained in the Notice of Suspension;
(3) The issues raised in your presentation in opposition to the suspension are not factual in nature, or are not material to the suspending official’s initial decision to suspend, or the official’s decision whether to continue the suspension; or
§ 19.740 On the basis of advice from the Department of Justice, an office of the United States Attorney, a State attorney general’s office, or a State or local prosecutor’s office, that substantial interests of the government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced by conducting fact-finding.

(b) You will have an opportunity to challenge the facts if the suspending official determines that—

(1) The conditions in paragraph (a) of this section do not exist; and

(2) Your presentation in opposition raises a genuine dispute over facts material to the suspension.

(c) If you have an opportunity to challenge disputed material facts under this section, the suspending official or designee must conduct additional proceedings to resolve those facts.

§ 19.745 How is fact-finding conducted?

(a) If fact-finding is conducted—

(1) You may present witnesses and other evidence, and confront any witness presented; and

(2) The fact-finder must prepare written findings of fact for the record.

(b) A transcribed record of fact-finding proceedings must be made, unless you as a respondent and the Department of the Treasury agree to waive it in advance. If you want a copy of the transcribed record, you may purchase it.

§ 19.750 What does the suspending official consider in deciding whether to continue or terminate my suspension?

(a) The suspending official bases the decision on all information contained in the official record. The record includes—

(1) All information in support of the suspending official’s initial decision to suspend you;

(2) Any further information and argument presented in support of, or opposition to, the suspension; and

(3) Any transcribed record of fact-finding proceedings.

(b) The suspending official may refer disputed material facts to another official for findings of fact. The suspending official may reject any resulting findings, in whole or in part, only after specifically determining them to be arbitrary, capricious, or clearly erroneous.

§ 19.755 When will I know whether the suspension is continued or terminated?

The suspending official must make a written decision whether to continue, modify, or terminate your suspension within 45 days of closing the official record. The official record closes upon the suspending official’s receipt of final submissions, information and findings of fact, if any. The suspending official may extend that period for good cause.

§ 19.760 How long may my suspension last?

(a) If legal or debarment proceedings are initiated at the time of, or during your suspension, the suspension may continue until the conclusion of those proceedings. However, if proceedings are not initiated, a suspension may not exceed 12 months.

(b) The suspending official may extend the 12 month limit under paragraph (a) of this section for an additional 6 months if an office of a U.S. Assistant Attorney General, U.S. Attorney, or other responsible prosecuting official requests an extension in writing. In no event may a suspension exceed 18 months without initiating proceedings under paragraph (a) of this section.
Subpart H—Debarment

§ 19.800 What are the causes for debarment?

We may debar a person for—

(a) Conviction of or civil judgment for—

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State antitrust statutes, including those prescribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice; or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects your present responsibility;

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as—

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction;

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, or a procurement debarment by any Federal agency taken pursuant to 48 CFR part 9, subpart 9.4, before August 25, 1995;

(2) Knowingly doing business with an ineligible person, except as permitted under § 19.120;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor’s legal and administrative remedies have been exhausted;

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 19.640 or of any settlement of a debarment or suspension action; or

(5) Violation of the provisions of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701); or

(d) Any other cause of so serious or compelling a nature that it affects your present responsibility.

§ 19.805 What notice does the debarring official give me if I am proposed for debarment?

After consideration of the causes in § 19.800 of this subpart, if the debarring official proposes to debar you, the official sends you a Notice of Proposed Debarment, pursuant to § 19.615, advising you—

(a) That the debarring official is considering debarring you;

(b) Of the reasons for proposing to debar you in terms sufficient to put you on notice of the conduct or transactions upon which the proposed debarment is based;

(c) Of the cause(s) under § 19.800 upon which the debarring official relied for proposing your debarment;

(d) Of the applicable provisions of this subpart, Subpart F of this part, and any other Department of the Treasury procedures governing debarment; and

(e) Of the governmentwide effect of a debarment from procurement and non-procurement programs and activities.

§ 19.810 When does a debarment take effect?

A debarment is not effective until the debarring official issues a decision. The debarring official does not issue a
§ 19.815 How may I contest a proposed debarment?

If you as a respondent wish to contest a proposed debarment, you or your representative must provide the debarring official with information in opposition to the proposed debarment. You may do this orally or in writing, but any information provided orally that you consider important must also be submitted in writing for the official record.

§ 19.820 How much time do I have to contest a proposed debarment?

(a) As a respondent you or your representative must either send, or make arrangements to appear and present, the information and argument to the debarring official within 30 days after you receive the Notice of Proposed Debarment.

(b) We consider the Notice of Proposed Debarment to be received by you—

(1) When delivered, if we mail the notice to the last known street address, or five days after we send it if the letter is undeliverable;

(2) When sent, if we send the notice by facsimile or five days after we send it if the facsimile is undeliverable; or

(3) When delivered, if we send the notice by e-mail or five days after we send it if the e-mail is undeliverable.

§ 19.825 What information must I provide to the debarring official if I contest a proposed debarment?

(a) In addition to any information and argument in opposition, as a respondent your submission to the debarring official must identify—

(1) Specific facts that contradict the statements contained in the Notice of Proposed Debarment. Include any information about any of the factors listed in §19.860. A general denial is insufficient to raise a genuine dispute over facts material to the debarment;

(2) All existing, proposed, or prior exclusions under regulations implementing E.O. 12549 and all similar actions taken by Federal, State, or local agencies, including administrative agreements that affect only those agencies;

(3) All criminal and civil proceedings not included in the Notice of Proposed Debarment that grew out of facts relevant to the cause(s) stated in the notice; and

(4) All of your affiliates.

(b) If you fail to disclose this information, or provide false information, the Department of the Treasury may seek further criminal, civil or administrative action against you, as appropriate.

§ 19.830 Under what conditions do I get an additional opportunity to challenge the facts on which a proposed debarment is based?

(a) You as a respondent will not have an additional opportunity to challenge the facts if the debarring official determines that—

(1) Your debarment is based upon a conviction or civil judgment;

(2) Your presentation in opposition contains only general denials to information contained in the Notice of Proposed Debarment; or

(3) The issues raised in your presentation in opposition to the proposed debarment are not factual in nature, or are not material to the debarring official’s decision whether to debar.

(b) You will have an additional opportunity to challenge the facts if the debarring official determines that—

(1) The conditions in paragraph (a) of this section do not exist; and

(2) Your presentation in opposition raises a genuine dispute over facts material to the proposed debarment.

(c) If you have an opportunity to challenge disputed material facts under this section, the debarring official or designee must conduct additional proceedings to resolve those facts.

§ 19.835 Are debarment proceedings formal?

(a) Debarment proceedings are conducted in a fair and informal manner. The debarring official may use flexible procedures to allow you as a respondent to present matters in opposition. In so doing, the debarring official is not
required to follow formal rules of evidence or procedure in creating an official record upon which the official will base the decision whether to debar.

(b) You or your representative must submit any documentary evidence you want the debarring official to consider.

§ 19.840 How is fact-finding conducted?

(a) If fact-finding is conducted—
(1) You may present witnesses and other evidence, and confront any witness presented; and
(2) The fact-finder must prepare written findings of fact for the record.

(b) A transcribed record of fact-finding proceedings must be made, unless you as a respondent and the Department of the Treasury agree to waive it in advance. If you want a copy of the transcribed record, you may purchase it.

§ 19.845 What does the debarring official consider in deciding whether to debar me?

(a) The debarring official may debar you for any of the causes in §19.800. However, the official need not debar you even if a cause for debarment exists. The official may consider the seriousness of your acts or omissions and the mitigating or aggravating factors set forth at §19.860.

(b) The debarring official bases the decision on all information contained in the official record. The record includes—
(1) All information in support of the debarring official’s proposed debarment;
(2) Any further information and argument presented in support of, or in opposition to, the proposed debarment; and
(3) Any transcribed record of fact-finding proceedings.

(c) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any resultant findings, in whole or in part, only after specifically determining them to be arbitrary, capricious, or clearly erroneous.

§ 19.850 What is the standard of proof in a debarment action?

(a) In any debarment action, we must establish the cause for debarment by a preponderance of the evidence.

(b) If the proposed debarment is based upon a conviction or civil judgment, the standard of proof is met.

§ 19.855 Who has the burden of proof in a debarment action?

(a) We have the burden to prove that a cause for debarment exists.

(b) Once a cause for debarment is established, you as a respondent have the burden of demonstrating to the satisfaction of the debarring official that you are presently responsible and that debarment is not necessary.

§ 19.860 What factors may influence the debarring official’s decision?

This section lists the mitigating and aggravating factors that the debarring official may consider in determining whether to debar you and the length of your debarment period. The debarring official may consider other factors if appropriate in light of the circumstances of a particular case. The existence or nonexistence of any factor, such as one of those set forth in this section, is not necessarily determinative of your present responsibility. In making a debarment decision, the debarring official may consider the following factors:

(a) The actual or potential harm or impact that results or may result from the wrongdoing.

(b) The frequency of incidents and/or duration of the wrongdoing.

(c) Whether there is a pattern or prior history of wrongdoing. For example, if you have been found by another Federal agency or a State agency to have engaged in wrongdoing similar to that found in the debarment action, the existence of this fact may be used by the debarring official in determining that you have a pattern or prior history of wrongdoing.

(d) Whether you are or have been excluded or disqualified by an agency of the Federal Government or have not been allowed to participate in State or local contracts or assistance agreements on a basis of conduct similar to
§ 19.865 How long may my debarment last?

(a) If the debarment official decides to debar you, your period of debarment will be based on the seriousness of the cause(s) upon which your debarment is based. Generally, debarment should not exceed three years. However, if circumstances warrant, the debarment official may impose a longer period of debarment.

(b) In determining the period of debarment, the debarment official may consider the factors in § 19.860. If a suspension has preceded your debarment, the debarment official must consider the time you were suspended.

(c) If the debarment is for a violation of the provisions of the Drug-Free Workplace Act of 1988, your period of debarment may not exceed five years.

§ 19.870 When do I know if the debarring official debars me?

(a) The debarment official must make a written decision whether to debar within 45 days of closing the official record. The official record closes upon the debarment official’s receipt of final submissions, information and findings of fact, if any. The debarment official may extend that period for good cause.

(b) The debarment official sends you written notice, pursuant to § 19.615 that the official decided, either—

1. Not to debar you; or
2. To debar you. In this event, the notice:

(i) Refers to the Notice of Proposed Debarment;
(ii) Specifies the reasons for your debarment;
(iii) States the period of your debarment, including the effective dates; and
(iv) Advises you that your debarment is effective for covered transactions and contracts that are subject to the
Office of the Secretary of the Treasury § 19.925

Federal Acquisition Regulation (48 CFR chapter 1), throughout the executive branch of the Federal Government unless an agency head or an authorized designee grants an exception.

§ 19.875 May I ask the debarring official to reconsider a decision to debar me?

Yes, as a debarred person you may ask the debarring official to reconsider the debarment decision or to reduce the time period or scope of the debarment. However, you must put your request in writing and support it with documentation.

§ 19.880 What factors may influence the debarring official during reconsideration?

The debarring official may reduce or terminate your debarment based on—
(a) Newly discovered material evidence;
(b) A reversal of the conviction or civil judgment upon which your debarment was based;
(c) A bona fide change in ownership or management;
(d) Elimination of other causes for which the debarment was imposed; or
(e) Other reasons the debarring official finds appropriate.

§ 19.885 May the debarring official extend a debarment?

(a) Yes, the debarring official may extend a debarment for an additional period, if that official determines that an extension is necessary to protect the public interest.
(b) However, the debarring official may not extend a debarment solely on the basis of the facts and circumstances upon which the initial debarment action was based.
(c) If the debarring official decides that a debarment for an additional period is necessary, the debarring official must follow the applicable procedures in this subpart, and subpart F of this part, to extend the debarment.

Subpart C—Suspension of Federal Assistance Awards

§ 20.110 Are any of my Federal assistance awards exempt from this part?
This part does not apply to any award that the Secretary of the Treasury determines that the application of this part would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government.

§ 20.115 Does this part affect the Federal contracts that I receive?
It will affect future contract awards indirectly if you are debarred or suspended for a violation of the requirements of this part, as described in §20.510(c). However, this part does not apply directly to procurement contracts. The portion of the Drug-Free Workplace Act of 1988 that applies to Federal procurement contracts is carried out through the Federal Acquisition Regulation in chapter 1 of Title 48 of the Code of Federal Regulations (the drug-free workplace coverage currently is in 48 CFR part 23, subpart 23.5).

Subpart B—Requirements for Recipients Other Than Individuals

§ 20.200 What must I do to comply with this part?
There are two general requirements if you are a recipient other than an individual.
(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part.
The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees (see §§ 20.205 through 20.220); and

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see §20.225).

Second, you must identify all known workplaces under your Federal awards (see § 20.230).

§ 20.205 What must I include in my drug-free workplace statement?

You must publish a statement that—

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;

(b) Specifies the actions that you will take against employees for violating that prohibition; and

(c) Lets each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement; and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

§ 20.210 To whom must I distribute my drug-free workplace statement?

You must require that a copy of the statement described in §20.205 be given to each employee who will be engaged in the performance of any Federal award.

§ 20.215 What must I include in my drug-free awareness program?

You must establish an ongoing drug-free awareness program to inform employees about—

(a) The dangers of drug abuse in the workplace;

(b) Your policy of maintaining a drug-free workplace;

(c) Any available drug counseling, rehabilitation, and employee assistance programs; and

(d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

§ 20.220 By when must I publish my drug-free workplace statement and establish my drug-free awareness program?

If you are a new recipient that does not already have a policy statement as described in §20.205 and an ongoing awareness program as described in §20.215, you must publish the statement and establish the program by the time given in the following table:

<table>
<thead>
<tr>
<th>If . . .</th>
<th>then you . . .</th>
</tr>
</thead>
<tbody>
<tr>
<td>(a) The performance period of the award is less than 30 days</td>

</tr>
<tr>
<td>(b) The performance period of the award is 30 days or more . . .</td>
<td>must have the policy statement and program in place within 30 days after award.</td>
</tr>
<tr>
<td>(c) You believe there are extraordinary circumstances that will require more than 30 days for you to publish the policy statement and establish the awareness program.</td>
<td>may ask the Department of the Treasury awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.</td>
</tr>
</tbody>
</table>

§ 20.225 What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:

(b) Subpart C of this part, if the recipient is an individual.
§ 20.500 Subpart E—Violations of this Part and Consequences

§ 20.500 How are violations of this part determined for recipients other than individuals?

A recipient other than an individual is in violation of the requirements of this part if the Secretary of the Treasury determines, in writing, that—
(a) The recipient has violated the requirements of subpart B of this part; or
(b) The number of convictions of the recipient’s employees for violating criminal drug statutes in the workplace is large enough to indicate that the recipient has failed to make a good faith effort to provide a drug-free workplace.

§ 20.505 How are violations of this part determined for recipients who are individuals?

An individual recipient is in violation of the requirements of this part if the Secretary of the Treasury determines, in writing, that—
(a) The recipient has violated the requirements of subpart C of this part; or
(b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

§ 20.510 What actions will the Federal Government take against a recipient determined to have violated this part?

If a recipient is determined to have violated this part, as described in §20.500 or §20.505, the Department of the Treasury may take one or more of the following actions—

(b) Suspension or termination of the award; and
(c) Suspension or debarment of the recipient under 22 CFR Part 19, for a period not to exceed five years.

§ 20.515 Are there any exceptions to those actions?

The Secretary of the Treasury may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the Secretary of the Treasury determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

§ 21.105 Definitions.

For purposes of this part:
(a) **Agency**, as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

(b) **Covered Federal action** means any of the following Federal actions:
(1) The awarding of any Federal contract;

(3) The making of any Federal loan;
(4) The entering into of any cooperative agreement; and,
(5) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) **Federal contract** means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) **Federal cooperative agreement** means a cooperative agreement entered into by an agency.

(e) **Federal grant** means an award of financial assistance in the form of money, or property in lieu of money, by the Federal Government or a direct appropriation made by law to any person. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, loan insurance, interest subsidies, insurance, or direct United States cash assistance to an individual.

(f) **Federal loan** means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) **Indian tribe and tribal organization** have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

(h) **Influencing or attempting to influence** means making, with the intent to influence, any communication to or appearance before an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

(i) **Loan guarantee and loan insurance** means an agency’s guarantee or insurance of a loan made by a person.

(j) **Local government** means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

§ 21.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

1. Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or

2. An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

1. A Federal contract, grant, or cooperative agreement exceeding $100,000; or

2. A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000, unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraph (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

1. A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

2. A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or

3. A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraph (a) or (b) of this section:

1. A subcontract exceeding $100,000 at any tier under a Federal contract;
(2) A subgrant, contract, or subcontract exceeding $100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding $100,000 at any tier under a Federal loan exceeding $150,000; or,

(4) A contract or subcontract exceeding $100,000 at any tier under a Federal cooperative agreement, shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraph (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 21.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in § 21.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities;

(2) Technical discussions and other activities regarding the application or adaptation of the person’s products or services for an agency’s use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.
§ 21.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §21.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission, or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 21.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §21.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.
(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 21.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see Appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.
§ 21.405 Penalty procedures.
Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 21.410 Enforcement.
The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions
§ 21.500 Secretary of Defense.
(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.
(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports
§ 21.600 Semi-annual compilation.
(a) The head of each agency shall collect and compile the disclosure reports (see Appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.
(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.
(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.
(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.
(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.
(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.
(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.
(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that
Office of the Secretary of the Treasury

Pt. 21, App. A

may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

(B) When calculating the Interest Rate Difference, the Borrower must assume that the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, will be collateralized by securities backed by the full faith and credit of the United States, unless the Borrower is legally prohibited from so collateralizing the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent, as the case may be, or the Borrower has demonstrated to the satisfaction of the Secretary of the Treasury that the Borrower is unable to so collateralize the Unguaranteed Loan Amount or the respective Unguaranteed Loan Portion Amount or the respective Unguaranteed-Amount Equivalent; and

(2) The Secretary of the Treasury shall have determined, in the sole discretion of the Secretary of the Treasury, that the respective Borrower’s loan prepayment at par pursuant to subsection (a) of the Act through the issuance of any Guaranteed-Amount Debt Derivative is necessary to achieve the international economic policy interests of the United States.

§ 25.405 Form of guaranty.

(a) The Guaranty that will be attached to the Private Loan Note on the Closing Date shall be in the following form (except that the bracketed words shall be deleted if the conditions specified in § 25.404(b) shall have occurred):

This Guaranty shall not be impaired by any law, regulation or decree of the Borrower now or hereafter in effect which might in any manner change any of the terms of the Note or Agreement. The obligation of DSAA hereunder shall be binding irrespective of the irregularity, invalidity or unenforceability under any laws, regulations or decrees of the Borrower of the Note, the Agreement or other instruments related thereto.

DSAA hereby waives diligence, demand, protest, presentment and any requirement that the Lender exhaust any right or power to take action against the Borrower and any notice of any kind whatsoever other than the demand for payment required to be given to DSAA hereunder in the event of default on a payment due under the Note.

In the event of failure of the Borrower to make payment, when and as due, of any installment of principal or interest under the Note, the DSAA shall make payment immediately to the Lender upon demand to the DSAA after the Borrower’s failure to pay has continued for 10 calendar days. The amount payable under this Guaranty shall be ninety percent (90%) of the amount of the overdue installment of principal and interest, plus ninety percent (90%) of all late charges and interest thereon as provided in the Agreement. Upon payment by DSAA to the Lender, the Lender will assign to DSAA, without recourse or warranty, ninety percent (90%) of all of its rights in the Note and the Agreement with respect to such payment.

In the event of a default under the Agreement or the Note by the Borrower and so long as this Guaranty is in effect and the DSAA is not in default hereunder:

(i) The Lender or other Permitted Guaranty Holder shall not accelerate or reschedule payment of the principal or interest on the Note or any other note of the Borrower guaranteed by DSAA except with the written approval of DSAA; and

(ii) The Lender or other Permitted Guaranty Holder shall, if so directed by DSAA, invoke the default provisions of the Agreement.

In the event of such assignment DSAA shall be promptly notified. Permitted Guaranty Holders shall be severally bound by, and shall be severally entitled to, the rights and obligations of the Lender under the Note, the Agreement, and this Guaranty. The Lender shall maintain a current, accurate written record of the names, addresses, amount of financial interest in the Note and Agreement, and date of acquisition of such interest of each Permitted Guaranty Holder and shall furnish DSAA a copy of such record on its demand without charge. No assignment by the Lender or by any Permitted Guaranty Holder shall be effective for purposes of this Guaranty unless and until so recorded by the Lender.

The total amount of this Guaranty shall not at any time exceed ninety percent (90%) of the outstanding principal, unpaid accrued interest and arrearages, if any, under the Agreement and the Note, including any portion of the Note, or any derivative of the Note or any portion of the Note.

This Guaranty shall cease to be effective with respect to the guaranteed amount of the total amount of the Note (the “Guaranteed Loan Amount”) or with respect to the guaranteed amount of any portion of the Note (the “Guaranteed Loan Portion Amount”) (or with respect to the amount of any derivative or derivatives of the Note or any portion of the Note equal, or in the aggregate equal, in principal amount to the total amount of the Note or such portion of the Note, as the case may be, is at any time separated from the unguaranteed amount of the total amount of the Note or the unguaranteed amount of the respective portion of the Note (or the amount of such derivative or derivatives is equal to the respective Guaranteed Loan Amount or Guaranteed Loan Portion Amount, as the case may be) to the extent that (1) the Guaranteed Loan Amount or the respective Guaranteed Loan Portion Amount (or the respective Guaranteed-Amount Equivalent), as the case may be, is at any time separated from the unguaranteed amount of the total amount of the Note or the unguaranteed amount of the respective portion of the Note (or the amount of such derivative or derivatives of the Note which is not the amount which is equal to the Guaranteed Loan Amount or Guaranteed Loan Portion Amount, as the case may be), in any way, (a) directly, or (b) through the issuance of participation shares of, or undivided ownership or other equity interests in, the Note, or any portion of the Note, or any derivative of the Note or any portion of the Note, which have an exclusive or preferred claim to the Guaranteed Loan Amount or the respective Guaranteed-Amount Equivalent, as the case may be or (c) through the issuance of

Written public comments will be provided by the MDB Office to the U.S. Government agencies participating in meetings of the Working Group for Multilateral Assistance (WGMA), which meetings are described in §26.4(c). The WGMA is an intergovernmental subcommittee of the Development Coordination Committee whose functions are set forth in the Presidential announcement of May 19, 1978, Vol. 14, No. 20, p. 932 of the Weekly Compilation of Presidential Documents. The WGMA meets to discuss the U.S. position on upcoming MDB projects.

Information concerning these meetings may be obtained by contacting the BIC or the MDB Office. The MDB Office will summarize and present such comments in the WGMA meetings described in §26.4(c).

(b) U.S. agency comments. Comments from U.S. agencies shall be provided through the WGMA.

(c) Consideration of comments. The WGMA will consider all comments made by the public and U.S. agencies. The WGMA may review a project up to three times. The first review will consider whether the project has been assigned the appropriate environmental category by the MDB. The review will take place as far in advance as possible of Board consideration of the project. The second review will consider the EIA Summary or the EIA (or information discussed in §26.4(b)(1)), and comments received from the public on such documentation. The third WGMA review, which will take place shortly before Board consideration of the project, will consider the position of the U.S. Government on the project.

§ 26.5 Upgrades and additional environmental information.

(a) Environmental category upgrades. If the WGMA and the Department of the Treasury determine that a project would have a significant impact on the human environment, but that the level of environmental analysis planned by the MDB is insufficient, the Department of the Treasury will instruct the United States Executive Director of the concerned MDB to request that the MDB upgrade the project to an environmental category requiring additional environmental analysis. Members of the public may call the MDB Office to inquire about upgrade requests for specific projects.

(b) Additional environmental information. (1) If the WGMA and the Department of the Treasury determine on the basis of the first WGMA review that:

(i) A MDB project would have a significant impact on the human environment, and

(ii) The MDB appears to have made an appropriate decision that such project merits environmental analysis, but less than a full-fledged environmental impact assessment as defined by that MDB’s own procedures, the Department of the Treasury will obtain, through the United States Executive Director of the concerned MDB, such environmental information from the MDB (e.g., environmental chapters from project feasibility studies or environmental data sheets) which contains this environmental analysis. The MDB Office will provide this environmental information to the entities described in §26.2(a).
(2) If such environmental information is insufficient to provide an adequate basis for analyzing the environmental impact of the proposed project and alternatives to the proposed project, the Department of the Treasury will instruct the United States Executive Director of the concerned MDB not to vote in favor of the project.

(a)(1) A person served with an Initial Notice of Assessment may make a written response explaining why the civil penalty should not be imposed, explaining why a civil monetary penalty should be in a lesser amount than proposed and/or explaining why the terms of a proposed civil or equitable remedy should be modified. The written response should include any and all documents and/or other information that the respondent believes should be a part of the administrative record on the matter.

(ii) If a response is transmitted by United States mail, it will be deemed timely filed if postmarked on or before the due date.

(4) The assessing official may extend the period for making a written response under paragraphs (b)(1) and (b)(2) for good cause shown. Generally, failure to obtain representation in a timely manner will not be considered good cause.

(c) Filing. A written response will be considered filed on the date received at the address specified in the Initial Notice of Assessment. The response may be sent by personal delivery, United States mail or commercial delivery. At the discretion of the assessing official, filing may be accomplished by facsimile or any other method deemed appropriate.

(d) The assessing official will fully consider the facts and arguments submitted by the respondent in the written response and any other documents filed pursuant to this paragraph in determining whether to issue a Final Notice of Assessment under §27.7, the appropriate amount of the civil monetary penalty imposed and the terms of any other appropriate civil or equitable remedy.

§27.7 Final Notice of Assessment.

(a) In making a final determination whether to impose a penalty, the assessing official shall take into consideration all available information in the administrative record on the matter, including all information provided in or with a written response timely filed by the respondent and any additional information provided pursuant to §27.5(e)(2). The assessing official will determine whether:

(1) The facts warrant a conclusion that no violation has occurred; or

(2) The facts warrant a conclusion that one or more violations have occurred; and

(3) The facts and violations found justify the conclusion that a civil penalty should be imposed.

(b) If the assessing official determines that no violation has occurred, the official shall promptly send a letter indicating that determination to the person served with an Initial Notice of Assessment and to any designated representative of such person.

(c)(1) If it has been determined that a violation has occurred, the assessing official shall issue a Final Notice of Assessment to the person served with an Initial Notice of Assessment and to any designated representative of such person.

(2) The assessing official may, in his/her discretion:

(i) Impose a civil monetary penalty and/or any civil or equitable remedy deemed necessary to rectify the potential for a continued misuse or harm from the violation(s);

(ii) Not impose a civil monetary penalty and/or civil or equitable remedy; or
(iii) Impose a civil monetary penalty and/or civil or equitable remedy and condition payment of the civil monetary penalty on the violator’s future compliance with 31 U.S.C. 333, this part and any civil or equitable remedy contained in the Final Notice of Assessment. If a civil monetary penalty is imposed, the assessing official shall determine the appropriate amount of the penalty in accordance with 31 U.S.C. 333(c)(2).

(3) The Final Notice of Assessment shall:
   (i) Include:
      (A) A specific reference to the provisions of §27.3 found to have been violated;
      (B) A concise statement of the facts warranting a conclusion that a violation has occurred;
      (C) An analysis of how the facts and violation(s) justify the conclusion that a civil monetary penalty and/or civil or equitable remedy should be imposed; and
      (D) The amount of each civil monetary penalty imposed, a statement as to how the amount of each penalty was determined, and the terms of any civil or equitable remedy deemed necessary to rectify the potential for a continued misuse or harm from the violation(s); and
   (ii) Inform the person that:
      (A) Payment of a civil monetary penalty imposed by the Final Notice of Assessment must be made within 30 days of the date of the notice, and that any civil or equitable remedy imposed must be complied with as provided in the Final Notice of Assessment;
      (B) Payment of a civil monetary penalty imposed by the Final Notice of Assessment shall be by EFT in accordance with instructions provided in the notice, unless the assessing official has given written approval to have payment made by other means;
      (C) payment of a civil monetary penalty imposed by the Final Notice of Assessment constitutes consent by the person to comply with the terms of any civil or equitable remedy contained in the notice;
      (D) If payment of a civil monetary penalty imposed by the Final Notice of Assessment has been waived on the condition that the person comply with the terms of any civil or equitable remedy contained in the notice or comply in the future with 31 U.S.C. 333 and this part, failure by the person to so comply will make the civil monetary penalty payable on demand;

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant’s or recipient’s subgrantees, contractors, subcontractors, transferees, or successors in interest.

§28.120 Transfers of property.

A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis
of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) Disproportion in classes. Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student’s physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

(d) Adjustment period. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. § 28.510 Recruitment.

(a) Nondiscriminatory recruitment and hiring. A recipient shall not discriminate on the basis of sex in the recruitment or hiring of employees, or has been found to have so discriminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of these Title IX regulations and their applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations.

If there appears to be a failure or threatened failure to comply with these Title IX regulations, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with these Title IX regulations may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to:

The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under paragraph (c) of this section except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to September 29, 2000.

(c) Termination of or refusal to grant or to continue Federal financial assistance.
Office of the Secretary of the Treasury § 28.620

§ 28.620 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §28.615(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the designated agency official that the matter be scheduled for hearing; or

(2) Advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under 20 U.S.C. 1682 and §28.615(c) and consent to the making of a decision on the basis of such information as may be filed as the record.

(b) Time and place of hearing. Hearings shall be held at the offices of the Department in Washington, DC, at a time fixed by the designated agency official unless the official determines that the convenience of the applicant or recipient or of the Department requires that another place be selected. Hearings shall be held before a hearing officer designated in accordance with 5 U.S.C. 556(b).

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and the Department shall have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554–557 (sections 5–8 of the Administrative Procedure Act), and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this
section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the hearing officer at the outset of or during the hearing. Any person (other than a Government employee considered to be on official business) who, having been invited or requested to appear and testify as a witness on the Government’s behalf, attends at a time and place scheduled for a hearing provided for by these Title IX regulations, may be reimbursed for his or her travel and actual expenses of attendance in an amount not to exceed the amount payable under the standardized travel regulations to a Government employee traveling on official business.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to these Title IX regulations, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the hearing officer. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) Consolidated or Joint Hearings. In cases in which the same or related facts are asserted to constitute noncompliance with these Title IX regulations with respect to two or more programs to which these Title IX regulations apply, or noncompliance with these Title IX regulations and the regulations of one or more other Federal departments or agencies issued under Title IX, the designated agency official may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with these Title IX regulations. Final decisions in such cases, insofar as these Title IX regulations are concerned, shall be made in accordance with §28.625.

Office of the Secretary of the Treasury § 28.625

hearing officer for an initial decision to be made on the record. A copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of a hearing officer or reviewing authority shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to these Title IX regulations with which it is found that the applicant or recipient has failed to comply.

(e) Review in certain cases by the Secretary of the Treasury. If the Secretary has not personally made the final decision referred to in paragraph (a), (b), or (c) of this section, a recipient or applicant or the counsel for the Department may request the Secretary to review a decision of the reviewing authority in accordance with rules of procedure issued by the designated agency official. Such review is not a matter of right and shall be granted only where the Secretary determines there are special and important reasons therefor. The Secretary may grant or deny such request, in whole or in part. The Secretary also may review such a decision upon his own motion in accordance with rules of procedure issued by the designated agency official. Such review is not a matter of right and shall be granted only where the Secretary determines there are special and important reasons therefor. The Secretary may grant or deny such request, in whole or in part. The Secretary also may review such a decision upon his own motion in accordance with rules of procedure issued by the designated agency official. Such review is not a matter of right and shall be granted only where the Secretary determines there are special and important reasons therefor.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which these Title IX regulations apply, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of Title IX and these Title IX regulations, including provisions designed to assure that no Federal financial assistance to which these Title IX regulations apply will thereafter be extended under such law or laws to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to these Title IX regulations, or to have otherwise failed to comply with these Title IX regulations unless and until it corrects its noncompliance and satisfies the designated agency official that it will fully comply with these Title IX regulations.

(g) Post-termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with these Title IX regulations and provides reasonable assurance that it will fully comply with these Title IX regulations. An elementary or secondary school or school system that is unable to file an assurance of compliance shall be restored to full eligibility to receive Federal financial assistance if it files a court order or a plan for desegregation that meets the applicable requirements and provides reasonable assurance that it will comply with the court order or plan.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the designated agency official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the designated agency official determines that those requirements have been satisfied, the official shall restore such eligibility.

(3) If the designated agency official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the designated
agency official. The applicant or recipient will be restored to such eligibility if it proves at such hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph (g) are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 28.635 Forms and instructions; coordination.

(a) Forms and instructions. The designated agency official shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating these Title IX regulations.

(b) Supervision and coordination. The designated agency official may from time to time assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of Title IX and these Title IX regulations (other than responsibility for review as provided in § 28.625(e)), including the achievements of effective coordination and maximum uniformity within the Department and within the Executive Branch of the Government in the application of Title IX and these Title IX regulations to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this section shall have the same effect as though such action had been taken by the designated official of this Department.

§ 29.103 Definitions.

(a) In this part—

Benefits Administrator means:

(i) For the Teachers Plan and the Police and Firefighters Plan under section 11041(a) of the Act:

(A) During the interim benefits administration period, the District of Columbia government; or

(B) After the end of the interim benefits administration period:

(a) The Trustee selected by the Department under sections 11035(a) or 11035(a) of the Act;

(b) The Department, if a determination is made under sections 11035(d) or 1105(d) of the Act that, in the interest of economy and efficiency, the function of the Trustee shall be performed by the Department rather than the Trustee; or

(c) Any other agent of the Department designated to make initial benefit determinations and/or to recover or recoup or waive recovery or recoupment of overpayments of Federal Benefit Payments, or to recover or recoup debts owed to the Federal Government by annuitants.

(ii) After the end of the interim benefits administration period for the Judges Plan:

(A) The Trustee selected by the Department under section 11251(a) of the Act;

(B) The Department, if a determination is made under section 11251(a) of the Act that, in the interest of economy and efficiency, the function of the Trustee shall be performed by the Department rather than the Trustee; or

(C) Any other agent of the Department designated to make initial benefit determinations and/or to recover or recoup or waive recovery or recoupment of overpayments of Federal Benefit Payments, or to recover or recoup debts owed to the Federal Government by annuitants.

District government means the government of the District of Columbia.

Department means the United States Department of the Treasury.

Federal Benefit Payment means a payment for which the Department is responsible under the Act, to which an individual is entitled under the Judges Plan, the Police and Firefighters Plan, or the Teachers Plan, in such amount and under such terms and conditions as may apply under such plans, including payments made under these plans before, on, or after the October 1, 1997, effective date of the Act. Service after June 30, 1997, shall not be credited for purposes of determining the amount of any Federal Benefit Payment under the Teachers Plan and the Police and Firefighters Plan.

Freeze date means June 30, 1997.

Judges Plan means the retirement program (under subchapter III of chapter 15 of title 11 of the D.C. Code) for judges of the District of Columbia Court of Appeals or Superior Court or with judicial service with the former
§ 29.104 Schedule for Federal Benefit Payments.

Federal Benefit Payments are payable on the first business day of the month following the month in which the benefit accrues. (See §29.105(b).)

§ 29.105 Computation of time.

(a) For filing documents. In computing the number of days allowed for filing a document, the first day counted is the day after the action or event from which the period begins to run. If the date that ordinarily would be the last day for filing falls on a Saturday, a Sunday, a Federal holiday, or a District holiday, the period runs until the end of the next day that is not a Saturday, a Sunday, or a Federal or a District holiday.

(b) For benefit accrual.

(1) Annuity accrues on a daily basis; one-thirtieth of the monthly rate constitutes the daily rate.

(2) Annuity does not accrue on the 31st day of any month except that annuity accrues on the 31st day of the initial month if the employee’s annuity commences on the 31st day of a 31-day month.

(3) For accrual purposes the last day of a 28-day month counts as 3 days and the last day of a 29-day month counts as 2 days.

(c) For counting unused sick leave. (1) For annuity computation purposes—

(i) The service of a participant under the Police and Firefighters Plan who retires on an immediate annuity is increased by the number of days of unused sick leave to the participant’s credit under a formal leave system; and

(ii) The service of a participant under the Teachers Plan who retires on an immediate annuity or dies leaving a survivor entitled to an annuity is increased by the number of days of unused sick leave to the participant’s credit under a formal leave system.

(2) In general, 8 hours of unused sick leave increases total service by 1 day. In cases where more or less than 8 hours of sick leave would be charged for a day’s absence, total service is increased by the number of days in the period between the date of separation and the date that the unused sick leave would have expired had the employee used it (except that holidays falling
§ 29.106 Representative payees.

For Federal Benefit Payments, representative payees will be authorized to the same extent and under the same circumstances as each plan permits for non-Federal Benefit Payments under § 29.106.

Subpart B—Coordination With the District Government

§ 29.201 Purpose and scope.

This subpart contains information concerning the relationship between the Department and the District government in the administration of the Act and the functions of each in the administration of that Act.

§ 29.202 Definitions. [Reserved]

§ 29.203 Service of Process.

To affect Federal Benefit Payments—

(a) Service must be made upon the Department at the address provided in appendix A to this subpart for—

(i) Legal process under section 659 of title 42, United States Code, and part 581 of title 5, Code of Federal Regulations, or

(ii) Any request for or notice of appointment of a custodian, guardian, or other fiduciary to receive Federal Benefit Payments as representative payees under § 29.106;

(b) All other process regarding Federal Benefit Payments (including requests for judicial review under § 29.406) must be served upon the United States in accordance with applicable law.

§ 29.301 Purpose and scope.

(b) This subpart states general principles for the calculation of Federal Benefit Payments in cases in which the Department and the District government are both responsible for paying a portion of an employee’s total retirement benefits under the Police and Firefighters Plan or the Teachers Plan.
(2) This subpart provides illustrative examples of sample computations to show the application of the general principles to specific problems.

(b)(1) This subpart applies only to benefits under the Police and Firefighters Plan or the Teachers Plan for individuals who have performed service creditable under these programs on or before June 30, 1997.

(2) This subpart addresses only those issues that affect the split of fiscal responsibility for retirement benefits (that is, the calculation of Federal Benefit Payments).

(3) Issues relating to determination and review of eligibility and payments, and financial management, are beyond the scope of this subpart.

(c) This subpart does not apply to benefit calculations under the Judges Plan.

§ 29.302 Definitions.

In this subpart (including appendix A of this subpart)—

Deferred retirement age means the age at which a deferred annuity begins to accrue, that is, age 55 under the Police and Firefighters Plan and age 62 under the Teachers Plan.

Department service or departmental service means any period of employment in a position covered by the Police and Firefighters Plan or Teachers Plan. Department service or departmental service may include certain periods of military service that interrupt a period of employment under the Police and Firefighters Plan or the Teachers Plan.

Disability retirement means retirement under section 4–615 or section 4–616 of the D.C. Code (1997) (under the Police and Firefighters Plan) or section 31–1225 of the D.C. Code (1997) (under the Teachers Plan), regardless of whether the disability was incurred in the line of duty.

Enter on duty means commencement of employment in a position covered by the Police and Firefighters Plan or the Teachers Plan.

Excess leave without pay or excess LWOP means a period of time in a non-pay status that in any year is greater than the amount creditable as service under §29.105(d).

Hire date means the date the employee entered on duty.

Military service means—

(1) For the Police and Firefighters Plan, military service as defined in section 4–607 of the D.C. Code (1997) that is creditable as other service under section 4–602 or section 4–610 of the D.C. Code (1997); and

(2) For the Teachers Plan, military service as described in section 31–1230(a)(4) of the D.C. Code (1997).

Other service means any period of creditable service other than departmental service or unused sick leave. Other service includes service that becomes creditable upon payment of a deposit, such as service in another school system (under section 31–1208 of the D.C. Code (1997)) (under the Teachers Plan) or prior governmental service (under the Teachers Plan and the Police and Firefighters Plan); and service that is creditable without payment of a deposit, such as military service occurring prior to employment (under the Teachers Plan and the Police and Firefighters Plan).

Pre-80 hire means an individual whose annuity is computed using the formula under the Police and Firefighters Plan applicable to individuals hired before February 15, 1980.

Pre-96 hire means an individual whose annuity is computed using the formula under the Teachers Plan applicable to individuals hired before November 1, 1996.

Sick leave means unused sick leave, which is creditable in a retirement computation, as calculated under §29.105(c).
§ 29.311 General Principles for Determining Service Credit to Calculate Federal Benefit Payments

§ 29.311 Credit only for service performed on or before June 30, 1997.

Only service performed on or before June 30, 1997, is credited toward Federal Benefit Payments.

§ 29.312 All requirements for credit must be satisfied by June 30, 1997.

Service is counted toward Federal Benefit Payments only if all requirements for the service to be creditable are satisfied as of June 30, 1997.

§ 29.313 Federal Benefit Payments are computed based on retirement eligibility as of the separation date and service creditable as of June 30, 1997.

Except as otherwise provided in this subpart, the amount of Federal Benefit Payments is computed based on retirement eligibility as of the separation date and service creditable as of June 30, 1997.

SERVICE PERFORMED AFTER JUNE 30, 1997

§ 29.321 General principle.

Any service performed after June 30, 1997, may never be credited toward Federal Benefit Payments.

§ 29.322 Disability benefits.

If an employee separates for disability retirement after June 30, 1997, and, on the date of separation, the employee—

(a) Satisfies the age and service requirements for optional retirement, the Federal Benefit Payment commences immediately, that is, the Federal Benefit Payment is calculated as though the employee retired under optional retirement rules using only service through June 30, 1997 (See examples 7A and 7B of appendix A of this subpart); or

(b) Does not satisfy the age and service requirements for optional retirement, the Federal Benefit Payment begins when the disability retiree reaches deferred retirement age. (See §29.343.)

ALL REQUIREMENTS FOR CREDIT MUST BE SATISFIED BY JUNE 30, 1997

§ 29.331 General principle.

To determine whether service is creditable for the computation of Federal Benefit Payments under this subpart, the controlling factor is whether all requirements for the service to be creditable under the Police and Firefighters Plan or the Teachers Plan were satisfied as of June 30, 1997.

§ 29.332 Unused sick leave.

(a) For employees separated for retirement as of June 30, 1997, Federal Benefit Payments include credit for any unused sick leave that is creditable under the applicable plan.

(b) For employees separated for retirement after June 30, 1997, no unused sick leave is creditable toward Federal Benefit Payments.

§ 29.333 Military service.

(a) For employees who entered on duty on or before June 30, 1997, and whose military service was performed prior to that date, credit for military service is included in Federal Benefit Payments under the terms and conditions applicable to each plan.

(b) For employees who enter on duty after June 30, 1997, military service is not creditable toward Federal Benefit Payments, even if performed as of June 30, 1997.

(c) For employees who entered on duty on or before June 30, 1997, but who perform military service after that date, the credit for military service is not included in Federal Benefit Payments.

§ 29.334 Deposit service.

(a) Teachers Plan. (1) Periods of civilian service that were not subject to retirement deductions at the time they were performed are creditable for Federal Benefit Payments under the Teachers Plan if the deposit for the service was paid in full to the Teachers Plan as of June 30, 1997.

(2) No credit is allowed for Federal Benefit Payments under the Teachers Plan for any period of civilian service that was not subject to retirement deductions at the time it was performed.
Office of the Secretary of the Treasury

§ 29.342

Computed annuity exceeds the statutory maximum.

(a) In cases in which the total computed annuity exceeds the statutory maximum:

(1) Federal Benefit Payments may equal total benefits even if the employee had service after June 30, 1997.

(2) If the employee had sufficient service as of June 30, 1997, to qualify for the maximum annuity under the plan, the Federal Benefit Payment is the maximum annuity under the plan. This will be the entire benefit except for any amount in excess of the normal maximum due to unused sick leave, which is the responsibility of the District. (See example 3, of appendix A of this subpart.)

(b) If the employee did not perform sufficient service as of June 30, 1997, to reach the statutory maximum benefit, but has sufficient service at actual retirement to exceed the statutory maximum, the Federal Benefit Payment is the amount earned through June 30, 1997. The District benefit payment is the amount by which the total benefit payable exceeds the Federal Benefit Payment.

§ 29.341 General principle.

(a) Where service is creditable both before and after June 30, 1997, Federal Benefit Payments are computed under the rules of the applicable plan as though—

(1) The employee were eligible to retire effective July 1, 1997, under the same conditions as the actual retirement (that is, using the annuity computation formula that applies under the plan in effect on June 29, 1997, and the retirement age, including any applicable age reduction, based on the age at actual retirement);

(2) The service that became creditable after June 30, 1997, did not exist; and

(3) The average salary is the average salary at separation.

(b) Exceptions to the general principle apply where:

(1) Congress amends the terms of the District Retirement Program in effect on June 29, 1997. For example, see section 11012(e) & (f) of the Balanced Budget Act of 1997, as amended by Public Laws 106–554, 107–290, and 108–133 (codified at D.C. Code section 1–803.02(e) and (f));

(2) The retirement is based on disability after June 30, 1997 (see 29.343); or

(3) The benefit is based on the death of an employee after June 30, 1997 and the survivor benefit is not based on years of service (see 29.344).

Note to § 29.341: See examples 7B, 9, and 13 of appendix A of this subpart.

CALCULATION OF THE AMOUNT OF FEDERAL BENEFIT PAYMENTS

§ 29.341 General principle.

(a) Where service is creditable both before and after June 30, 1997, Federal Benefit Payments are computed under the rules of the applicable plan as though—

(1) The employee were eligible to retire effective July 1, 1997, under the same conditions as the actual retirement (that is, using the annuity computation formula that applies under the plan in effect on June 29, 1997, and the retirement age, including any applicable age reduction, based on the age at actual retirement);

(2) The service that became creditable after June 30, 1997, did not exist; and

(3) The average salary is the average salary at separation.

(b) Exceptions to the general principle apply where:

(1) Congress amends the terms of the District Retirement Program in effect on June 29, 1997. For example, see section 11012(e) & (f) of the Balanced Budget Act of 1997, as amended by Public Laws 106–554, 107–290, and 108–133 (codified at D.C. Code section 1–803.02(e) and (f));

(2) The retirement is based on disability after June 30, 1997 (see 29.343); or

(3) The benefit is based on the death of an employee after June 30, 1997 and the survivor benefit is not based on years of service (see 29.344).

Note to § 29.341: See examples 7B, 9, and 13 of appendix A of this subpart.

§ 29.342 Computed annuity exceeds the statutory maximum.

(a) In cases in which the total computed annuity exceeds the statutory maximum:

(1) Federal Benefit Payments may equal total benefits even if the employee had service after June 30, 1997.

(2) If the employee had sufficient service as of June 30, 1997, to qualify for the maximum annuity under the plan, the Federal Benefit Payment is the maximum annuity under the plan. This will be the entire benefit except for any amount in excess of the normal maximum due to unused sick leave, which is the responsibility of the District. (See example 3, of appendix A of this subpart.)

(b) If the employee did not perform sufficient service as of June 30, 1997, to reach the statutory maximum benefit, but has sufficient service at actual retirement to exceed the statutory maximum, the Federal Benefit Payment is the amount earned through June 30, 1997. The District benefit payment is the amount by which the total benefit payable exceeds the Federal Benefit Payment.
§ 29.343 Disability benefits.

(a) The general rule that Federal Benefit Payments are calculated under the applicable retirement plan as though the employee were eligible for optional retirement and separated on June 30, 1997, does not apply to disability benefits prior to optional retirement age.

(b) In cases involving disability benefits prior to optional retirement age, no Federal Benefit Payment is payable until the retiree reaches the age of eligibility to receive a deferred annuity (age 55 under the Police and Firefighters Plan and age 62 under the Teachers Plan). When the age for deferred annuity is reached, the Federal Benefit Payment is paid using creditable service accrued as of June 30, 1997, and average salary (computed under the rules for the applicable plan) as of the date of separation. (See examples 6 and 7 of appendix A of this subpart.)

(c) In no case will the amount of the Federal Benefit Payment exceed the amount of the total disability annuity.

§ 29.344 Survivor benefits.

(a) The general rule that Federal Benefit Payments are calculated under the applicable retirement plan as though the employee were eligible for optional retirement and separated on June 30, 1997, applies to death benefits that are determined by length of service. In these cases, the survivor’s Federal Benefit Payment is calculated by multiplying the survivor’s total benefit by the ratio of the deceased retiree or employee’s Federal Benefit Payment to the deceased retiree or employee’s total annuity. (See examples 13A and B of appendix A of this subpart.)

(b) The general rule that Federal Benefit Payments are calculated under the applicable retirement plan as though the employee were eligible for optional retirement and separated on June 30, 1997, does not apply to death benefits that are not determined by length of service. In these cases, the survivor’s Federal Benefit Payment is calculated by dividing the retiree or employee’s number of months of total service at retirement. (See examples 13C–F of appendix A of this subpart.)

(c) In cases involving a disability or early voluntary retiree who dies before reaching the age at which a Federal Benefit Payment is payable, the survivor’s Federal Benefit Payment is calculated as though the employee had not retired from service, but had separated from service with eligibility to receive a deferred annuity. (See examples 13G and 13H of appendix A of this subpart.)

§ 29.345 Annuity adjustments.

(a) In cases in which the total annuity and the Federal Benefit Payment are equally impacted by a cost-of-living adjustment, the new Federal Benefit Payment is determined by applying the federal percentage of the total annuity to the new total annuity. (See examples 14A–G of appendix A of this subpart.)

(b) In cases in which the total annuity and the Federal Benefit Payment are not equally impacted by a change, such as a new plan provision or service-based adjustment, the Federal Benefit Payment is recalculated where applicable, and the federal percentage of the total annuity used to determine subsequent Federal Benefit Payments is recalculated. (See example 14H of appendix A of this subpart.)

§ 29.346 Reduction for survivor benefits.

If a retiree elects a reduction for a survivor annuity, the ratio of the unreduced Federal Benefit Payment to the unreduced total annuity is multiplied by the reduced total annuity to determine the reduced Federal Benefit Payment. (See example 10 of appendix A of this subpart.)

Calculation of the split of refunds of employee contributions and deposits

§ 29.351 General principle.

Treasury will fund refunds of employee contributions and purchase of service deposits paid by or on behalf of a covered employee to the District of Columbia Police Officers’ and Firefighters’ Retirement Fund or District
Office of the Secretary of the Treasury § 29.353

of Columbia Teachers’ Retirement Fund on or before June 30, 1997.

§ 29.352 Refunded contributions.

For any given pay period, employee contributions are considered to have been made before the freeze date if the pay date was on or before June 30, 1997. As a result, for calendar year 1997, Treasury will fund refunds of employee contributions made by teachers through pay period 12 and fund refunds of employee contributions made by police officers and firefighters through pay period 13. If pay period records are unavailable for calendar year 1997, and the participant separated on or before June 30, 1997, Treasury will fund 100 percent of the refund of retirement contributions. If pay period records are unavailable for calendar year 1997, and the participant was hired before January 1, 1997, and separated after December 31, 1997, Treasury will fund 50 percent of the refund of retirement contributions made to police officers or firefighters in calendar year 1997. Otherwise, if the participant separated after June 30, 1997, the percent of contributions made in calendar year 1997 funded by Treasury is assumed to be the ratio where the numerator is the number of days before July 1 the participant was employed in calendar year 1997, and the denominator is the number of days the participant was employed in calendar year 1997.

§ 29.353 Refunded deposits.

Treasury will fund refunds of purchase of service deposits made by employees by lump sum payment or by installment payments on or before June 30, 1997.

APPENDIX A TO SUBPART C OF PART 29—EXAMPLES

This appendix contains sample calculations of Federal Benefit Payments in a variety of situations.

OPTIONAL RETIREMENT EXAMPLES

EXAMPLE 1: NO UNUSED SICK LEAVE

A. In this example, an individual covered by the Police and Firefighters Plan hired before 1980 retires in October 1997. At retirement, he is age 51 with 20 years and 3 days of departmental service plus 3 years, 4 months, and 21 days of military service that preceded the departmental service. The Federal Benefit Payment begins at retirement. It is based on the 19 years, 8 months, and 22 days of departmental service and 3 years, 4 months, and 21 days of military service performed as of June 30, 1997. Thus, the Federal Benefit Payment is based on 23 years and 1 month of service, all at the 2.5 percent accrual rate. The total annuity is based on 23 years and 4 months of service, all at the 2.5 percent accrual rate.

B. In this example, the individual covered by the Police and Firefighters Plan was hired earlier than in example 1A and thus performed more service as of both June 30, 1997, and retirement in October 1997. At retirement, he is age 51 with 21 years, 11 months and 29 days of departmental service plus 3 years, 4 months, and 21 days of military service that preceded the departmental service. The Federal Benefit Payment begins at retirement. It is based on the 21 years, 8 months, and 18 days of departmental service and 3 years, 4 months, and 21 days of military service performed as of June 30, 1997. Thus, the Federal Benefit Payment is based on 25 years and 1 month of service, 1 year
and 8 months at the 3.0 percent accrual rate and 23 years and 5 months at the 2.5 percent accrual rate (including 1 month consisting of 18 days of departmental service and 21 days of other service). The total annuity is based on 25 years and 4 months of service, 1 year and 11 months at the 3.0 percent accrual rate and 23 years and 5 months at the 2.5 percent accrual rate (including 1 month consisting of 29 days of departmental service and 21 days of other service).

EXAMPLE 4: EXCESS LEAVE WITHOUT PAY

In this example, an individual covered by the Teachers Plan hired before 1996 retires in February 1998. At retirement, she is age 64 with 27 years of departmental service and 6 years, 7 months, and 28 days of other service (creditable before June 30, 1997). However, only 6 months of leave in a fiscal year without pay may be credited toward retirement under the Teachers Plan. She had 3 months and 18 days of excess leave without pay as of June 30, 1997. Since the excess leave without pay occurred before June 30, 1997, the time attributable to the excess leave without pay is subtracted from the service used in both the Federal Benefit Payment and the total benefit computations. The Federal Benefit Payment begins at retirement. It is based on the 32 years and 8 months of service (32 years, 11 months, and 28 days minus 3 months and 18 days and the partial month dropped), 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 22 years and 8
months of service at the 2 percent accrual rate. The total annuity is based on 33 years and 4 months of service (33 years, 7 months and 28 days minus 3 months and 18 days and the partial month dropped) 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate and 23 years and 4 months of service at the 2 percent accrual rate.

NOTE: For the Teachers Plan, section 1230(a) of title 31 of the D.C. Code (1997) allows for 6 months leave without pay in any fiscal year. For the Police and Firefighters Plan, section 610(d) of title 4 of the D.C. Code (1997) allows for 6 months leave without pay in any calendar year.

EXAMPLE 5: SERVICE CREDIT DEPOSITS

A. An individual covered by the Teachers Plan hired before 1996 retires in October 1997. At retirement, he is age 61 with 30 years and 3 days of departmental service plus 3 years, 4 months, and 21 days of other service that preceded the departmental service for which the deposit was fully paid on or before June 30, 1997. The Federal Benefit Payment begins at retirement. It is based on the 29 years, 8 months, and 22 days of departmental service and 3 years, 4 months, and 21 days of service performed as of June 30, 1997. Thus, the Federal Benefit Payment is based on 33 years and 1 month of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, 23 years and 1 month of service at the 2 percent accrual rate. The total annuity is based on 33 years and 4 months of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, 23 years and 4 months of service at the 2 percent accrual rate.

B. In this example, the employee in example 5A did not pay any of the deposit to obtain credit for the 3 years, 4 months, and 21 days of other service as of June 30, 1997. Thus, none of the other service is used in the computation of the Federal Benefit Payment. An individual covered by the Teachers Plan hired before 1996 retires in October 1997.
At retirement, he is age 61 with 30 years and 3 days of departmental service plus 3 years, 4 months, and 21 days of other service that preceded the departmental service for which the deposit was paid in full in October 1997 (at retirement). The Federal Benefit Payment begins at retirement. It is based on only the 29 years, 8 months, and 22 days of departmental service performed as of June 30, 1997; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 19 years and 8 months of service at the 2 percent accrual rate. The total annuity is based on 33 years and 4 months of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate and 23 years and 4 months of service at the 2 percent accrual rate.

**EXAMPLE 6: DISABILITY OCCURS BEFORE ELIGIBILITY FOR OPTIONAL RETIREMENT**

A. In this example, an individual covered by the Police and Firefighters Plan hired before 1980 retires based on a disability in the line of duty in October 1997. At retirement, he is age 45 with 18 years, 5 months, and 11 days of departmental service. Since he had performed less than 20 years of service and had not reached the age of eligibility for an optional retirement, the Federal Benefit Payment does not begin at retirement. When the disability annuitant reaches age 55, he satisfies the age and service requirements.
for deferred retirement. At that time (August 20, 2007), the Federal Benefit Payment begins. It is based on the 18 years, 1 month, and 17 days of departmental service performed as of June 30, 1997, all at the 2.5 percent accrual rate.

In this example, an individual covered by the Teachers Plan hired before 1996 retires based on a disability in December 1997. At retirement, she is age 49 with 27 years and 4 months of departmental service which includes 3 years, 3 months and 14 days of excess leave without pay (prior to June 30, 1997). Since she does not qualify for optional retirement at separation, the Federal Benefit Payment does not begin at separation. When the disability annuitant reaches age 62, she will satisfy the age and service requirements for deferred retirement. At that time (March 9, 2010), the Federal Benefit Payment begins. The time attributable to the excess leave without pay is subtracted from the service used to compute the Federal Benefit Payment. Since the excess leave without pay occurred before June 30, 1997, the deferred Federal Benefit Payment is based on the 23 years and 6 months of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 13 and 6 months of service at the 2 percent accrual rate.

In this example, an individual covered by the Police and Firefighters Plan hired before 1980 retires based on a disability in the line of duty in October 1997. At retirement, she is age 55 with 24 years, 5 months, and 11 days of departmental service. Since she was also eligible for optional retirement at the time of separation, the Federal Benefit Payment commences at retirement. It is based on the 24 years, 1 month, and 17 days of departmental service performed as of June 30, 1997. Thus, the Federal Benefit Payment is based on 20 years of service at the 2.5 percent accrual rate and 4 years and 1 month of service at the 3 percent accrual rate. The total
annuity is based on the disability formula and is equal to two-thirds of average pay because that amount is higher than the 63.25 percent payable based on total service.

B. In this example, an individual covered by the Teachers Plan hired before 1996 retires based on a disability in December 1997. At retirement, he is age 60 with 27 years and 4 months of departmental service which includes 3 years, 3 months and 14 days of excess leave without pay (prior to June 30, 1997). Since he qualifies for optional retirement at separation, the Federal Benefit Payment begins at retirement. Since the excess leave without pay occurred before June 30, 1997, and the total annuity is based on actual service (that is, exceeds the guaranteed disability minimum), the time attributable to the excess leave without pay is subtracted from the service used to compute the Federal Benefit Payment and total benefit. The Federal Benefit Payment is based on 23 years and 6 months of service; 5 years of service at the 2.5 percent accrual rate, 13 years and 6 months of service at the 2 percent accrual rate, and 13 years and 6 months of service at the 1.75 percent accrual rate. The total annuity payable is based on 24 years of service; 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 14 years of service at the 2 percent accrual rate.

Deferred Retirement Examples

### EXAMPLE 8: ALL SERVICE BEFORE JUNE 30, 1997

In this example, an individual covered by the Police and Firefighters Plan hired before 1980 separated in March 1986 with title to a deferred annuity. In November 1997, he reaches age 55 and becomes eligible for the deferred annuity based on his 15 years, 9 months, and 8 days of departmental service, all at the 2.5 percent accrual rate. The total annuity is based on the same 15 years, 9 months, and 8 days of service all at the 2.5 percent accrual rate. Since all the service is creditable as of June 30, 1997, the Federal Benefit Payment equals the total annuity.

EXAMPLE 9: SERVICE STRADDLES JUNE 30, 1997

In this example, a former teacher who elected a reduced annuity to provide a survivor benefit:
A. In this example, the employee elects to provide full survivor benefits of 55% of the employee’s unreduced annuity. The total annuity is reduced by 2.5% of the first $3600 and 10% of the balance. The reduced Federal Benefit Payment is determined by multiplying the reduced total annuity (rounded) by the ratio of the unreduced Federal Benefit Payment to the unreduced total annuity. Military service occurred prior to June 30, 1997 and purchase of other service was completed prior to June 30, 1997.

#### Early Optional or Involuntary Retirement Examples

**Example 11: Early Optional With Age Reduction**

In this example, an individual covered by the Teachers Plan hired before 1996 retires voluntarily in February 1998, under a special program that allows early retirement with at least 20 years of service at age 50 older, or at least 25 years of service at any age. At retirement, she is 6 full months short of age 55. She has 25 years and 5 months of departmental service; 6 years, 2 months, and 19 days of other service (creditable before June 30, 1997); and 2 months and 9 days of unused sick leave. Since she is not eligible for optional retirement and she is eligible to retire voluntarily only because of the District-approved special program, the Federal Benefit Payment is calculated similar to a disability retirement. It does not begin until she becomes eligible for a deferred annuity at age 62. When it commences the Federal Benefit Payment will be based on the service creditable as of June 30, 1997: 30 years and 11 months of service: 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 20 years and 11 months of service at the 2 percent accrual rate. The total annuity is based on 5 years of service at the 1.5 percent accrual rate, 5 years of service at the 1.75 percent accrual rate, and 20 years and 11 months of service at the 2 percent accrual rate (including...
the unused sick leave). Because the Federal Benefit Payment is based on the deferred annuity, rather than the early voluntary retirement, it is not reduced by the age reduction factor used to compute the total benefit.

**EXAMPLE 13: DEATH BENEFITS CALCULATION**

A. In this example, an individual covered by the Teachers Plan retires in December 1997 and elects to provide a full survivor annuity. He dies in June 1998. The survivor's
Federal Benefit Payment is 98.4 percent ($3,483 ÷ $3,539) of the total survivor benefit.

C. In this example, as in Example A, an individual covered by the Teachers Plan retires in December 1997 but elects to provide a survivor annuity of $12,000. He dies in June 1998. Because the amount of the survivor annuity is not service-based, the Federal Benefit Payment is a prorated portion of the total benefit. Since the teacher had 398 months of service as of the freeze date and 404 months of service, at retirement, the Federal Benefit Payment equals 398/404ths of the total benefit.

Total federal (retiree): $21,818.18
Total federal/month (retiree): $1,818.00
Total federal/month (survivor): $1,000.00

D. In this example, a teacher dies in service on April 1, 1998 after 14 years and 6 months of departmental service. Because the
survivor annuity is based on the guaranteed minimum, the Federal Benefit Payment is a prorated portion of the total benefit. Since the teacher had 165 months of service as of the freeze date and 180 months of service, including unused sick leave, at death, the Federal Benefit Payment equals 165/180ths of the total benefit.

F. In this example, a police officer dies in the line of duty on July 31, 2001 after 18 years of departmental service. The survivor annuity is equal to 100 percent of the officer’s pay at the time of death, as provided by District legislation effective October 1, 2000. However, the Federal Benefit Payment is calculated based on plan provisions in effect on June 29, 1997, which provided for a survivor annuity equal to 40 percent of the officer’s pay at the time of death. Because the Federal Benefit Payment is not service-based and the officer had 167 months of service as of the freeze date and 216 months of service, including unused sick leave, at death, the Federal Benefit Payment equals 167/216ths of the total benefit calculated according to plan provisions in effect on July 1, 1997. The difference between the total benefit paid and the Federal Benefit Payment calculated according to plan provisions in effect on June 29, 1997 is the responsibility of the District government.

H. In this example, a firefighter dies on August 3, 1999 at age 58 after retiring based on a disability in April 1998. At separation, the teacher was not eligible for optional retirement but was eligible to receive a deferred retirement annuity at age 55. Therefore, the survivor’s Federal Benefit Payment is calculated based on the plan rules for deferred retirees. Under the Teachers Plan, if a separated teacher eligible for deferred retirement dies before reaching age 62, the survivor is not eligible to receive an annuity. Therefore, the survivor’s Federal Benefit Payment is zero and the survivor annuity is the full responsibility of the District.

COST OF LIVING ADJUSTMENT (COLA)

EXAMPLES

EXAMPLE 14: APPLICATION OF COST OF LIVING ADJUSTMENTS

In cases in which the District plan applies the same cost of living adjustment that is provided for the Federal Benefit Payment, the federal percentage is applied to the new total benefit after the adjustment to determine the new Federal Benefit Payment after the adjustment.

A. In this example, a teacher retiree receives a cost of living adjustment that is the same for the federal and District portions of the total benefit. The federal percentage for the retiree is applied to the new total benefit after the adjustment to determine the new Federal Benefit Payment after the adjustment.

COLA Computation

District and Federal COLA rate 5%:
Total COLA: $160.00
New total/month: $3,367.00
New federal benefit/month = new total benefit/month × federal percentage = $3,314.00

B. In this example, a survivor of a deceased teacher retiree receives a cost of living adjustment that is the same for the federal and District portions of the total benefit. Since the survivor benefit is service related, the federal percentage for the retiree is applied to the new total benefit of the survivor after the adjustment to determine the new Federal Benefit Payment after the adjustment.

COLA Computation

District and Federal COLA rate 4.5%:
Total COLA: $92.00
New total/month: $2,135.00
New federal benefit/month = new total benefit/month × federal percentage = $2,101.00

C. In this example, a survivor of a deceased teacher retiree receives a cost of living adjustment that is the same for the federal and District portions of the total benefit. Since the survivor annuity is non-service related, the federal percentage for the survivor is applied to the new total benefit of the survivor after the adjustment to determine the new Federal Benefit Payment after the adjustment.

Benefit Computation (at death of retiree—flat amount survivor election)

Total months of service: 404
Federal months of service: 398

Federal/month: $985.00

COLA Computation

District and Federal COLA rate 4.5%:
Total COLA: $45.00
New total/month: $1,045.00
New federal benefit/month = new total benefit/month × federal percentage = $1,029.00

Note: This method also applies to a percentage survivor election by a retiree whose annuity was based on a guaranteed minimum.

D. In this example, a survivor of a deceased teacher receives a cost of living adjustment that is the same for the federal and District
portions of the total benefit. Since the survivor annuity is service related, the federal percentage based on the deceased teacher’s service is applied to the new total benefit of the survivor after the adjustment to determine the new Federal Benefit Payment after the adjustment.

E. In this example, a survivor of a deceased retired police officer receives a cost of living adjustment that is the same for the federal and District portions of the total benefit. Since the survivor annuity is non-service related, the federal percentage for the survivor is applied to the new total benefit of the survivor after the adjustment to determine the new Federal Benefit Payment after the adjustment.

F. In this example, a survivor of a deceased retired police officer receives a cost of living adjustment that is the same for the federal and District portions of the total benefit. Since the survivor annuity is non-service related, the federal percentage for the survivor is applied to the new total benefit of the survivor after the adjustment to determine the new Federal Benefit Payment after the adjustment.

H. In this example, a new District plan provision applies a different cost of living adjustment than is provided for the Federal Benefit Payment. In Variation 2, the federal cost of living adjustment is applied to the Federal Benefit Payment and the District cost of living adjustment is applied to the District benefit payment. RETROACTIVELY PAYMENT OF ACCRUED ANNUITY

EXAMPLE 15: ACCRUAL OF FEDERAL BENEFIT PAYMENT

The Federal Benefit Payment begins to accrue on the annuity commencing date, regardless of whether the employee is added to the annuity roll in time for the regular payment cycle. If the employee is due a retroactive payment of accrued annuity, the portion of the retroactive payment that would have been a Federal Benefit Payment (if it were made in the regular payment cycle) is still a Federal Benefit Payment. In this example, a teacher retired effective September 11, 1998. She was added to the retirement rolls on the pay date November 1, 1998 (October 1 to October 31 accrual cycle). Her Federal Benefit Payment is $3000 per month and her total benefit payment is $3120 per month. Her initial check is $5200 because it includes a prorated payment for 20 days (September 11 to September 30). The Federal Benefit Payment is $5000 of the initial check ($3000 for the October cycle and $2000 for the September cycle).

Subpart D—Claims and Appeals Procedures

Source: 65 FR 80753, Dec. 22, 2000, unless otherwise noted.

§ 29.401 Purpose.

(a) This subpart explains—
(1) The procedures that participants and beneficiaries in the Judges Plan, Police and Firefighters Plan, and Teachers Plan must follow in applying for Federal Benefit Payments;
(2) The procedures for determining an individual’s eligibility for a Federal Benefit Payment and the amount and form of an individual’s Federal Benefit Payment as required by sections 11022 and 11251(a) (codified at DC Official Code section 11–1570(c)(2)(a)) of the Act;
(3) The appeal rights available under section 11022(a) of the Act and section 3 of the 2004 Act (codified at DC Official Code section 11–1570(c)(3)) to claimants whose claim for Federal Benefit Payments is denied in whole or in part; and
(4) The special rules for processing competing claimant cases.
(b) This subpart does not apply to processing collection of debts due to the United States.
(c) This part does not apply to claims and appeals filed before October 1, 1997. Such claims must be pursued with the District of Columbia.

§ 29.402 Definitions.

In this subpart—
Beneficiary means an individual designated by a participant, or by the terms of the Judges Plan, Police and Firefighters Plan, or Teachers Plan, who is or may become entitled to a benefit under those plans.
Claimant means any person seeking a benefit for themselves or another under the Judges Plan, Police and Firefighters Plan, or Teachers Plan.
Department means the Secretary of the Treasury or a designee authorized to exercise the Secretary’s authority with respect to Federal Benefit Payments under the Act.
Participant means an individual who is or may become eligible to receive a benefit under the Police and Firefighters Plan or the Teachers Plan based on credit for service accrued as of June 30, 1997, or under the Judges Plan, or whose beneficiaries may be eligible to receive any such benefit.

§ 29.403 Applications filed with the Benefits Administrator.

All claimants for Federal Benefit Payments must file applications for benefits (including applications for retirement, refunds of contributions, and death benefits) with the Benefits Administrator.

§ 29.404 Initial benefit determinations and reconsideration by the Benefits Administrator.

(a) Initial benefit determinations. The Benefits Administrator will process applications for Federal Benefit Payments and determine the eligibility for and the amount and form of Federal Benefit Payments. All initial benefit determination decisions which may
§ 29.405

reasonably be construed as a denial (in whole or part) of a claim for Federal Benefit Payments must be in writing, must advise claimants of their right to request reconsideration under paragraph (b), of this section and must state the time limits applicable to such a request.

(b) Claimant’s right to reconsideration of benefit denials. (1) Except as provided in paragraph (b)(2) of this section, claimants who disagree with the amount or form of a Federal Benefit Payment determination and wish to contest the determination must first request the Benefits Administrator to reconsider its determination.

(2) A decision to collect a debt is not a denial of a benefit claim under this section.

(c) Form and timing of requests for reconsideration. (1) A request for reconsideration must be in writing, must include the claimant’s name, address, date of birth and claim number, if applicable, and must state the basis for the request.

(2) A request for reconsideration must be received by the Benefits Administrator within 30 calendar days from the date of the written notice of the initial benefit determination.

(d) Reconsideration decisions. A reconsideration decision by the Benefits Administrator denying (in whole or part) a claim for a Federal Benefit Payment must—

(1) Be in writing;

(2) Provide adequate notice of such denial, setting forth the specific reason for the denial in a manner calculated to be understood by the average participant; and

(3) Provide notice of the right to appeal the Benefits Administrator’s decision to the Department, the address to which such an appeal must be submitted, and the time limits applicable to such an appeal.

(e) Appeal of reconsideration decisions. The Department will review an appeal of a reconsideration decision under §29.405.

§ 29.406 Judicial review.

An individual whose claim for a Federal Benefit Payment has been denied (in whole or part) in a final decision by the Department under §29.405 may appeal that decision to the Department.

(b) Form of appeal. An appeal must be in writing, must include the claimant’s name, address, date of birth and claim number, if applicable, and must state the basis for the appeal.

(c) Time limits on Appeals. (1) An appeal must be received by the Department within 30 calendar days from the date of the reconsideration decision under §29.404(d).

(2) The Department may extend the time limit for filing when the claimant shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit, or for other good and sufficient reason.

(d) Final decision. After consideration of the appeal, the Department will issue a final decision. The Department’s decision must be in writing, must fully set forth the Department’s findings and conclusions on the appeal, and must contain notice of the right to judicial review provided in §29.406. Copies of the final decision must be sent to the claimant seeking appeal, to any competing claimants (see §29.407) and to the Benefits Administrator.

§ 29.407 Competing claimants.

(a) Competing claimants are applicants for survivor benefits based on the service of a participant when—

(1) A benefit is payable based on the service of the participant;

(2) Two or more claimants have applied for benefits based on the service of the participant; and

(3) A decision in favor of one claimant will adversely affect another claimant(s).
(b)(1) When a competing claimant files a request for reconsideration under this section, the other competing claimants shall be notified of the request and given an opportunity to submit written substantiation of their claim.

(2) When the Benefits Administrator receives an application from a competing claimant(s) before any payments are made based upon the service of the participant, and an initial determination of benefits in favor of one claimant adversely affects another claimant, all known claimants concerned will be notified in writing of that decision and those adversely affected will be given an opportunity to request reconsideration under the procedures and time limitations set forth in §29.404(c). The Benefits Administrator must not execute its decision until the time limit for filing a request for reconsideration has expired, or, if a reconsideration decision is made, until the time limit for filing an appeal to the Department has expired or the Department has issued a final decision on a timely appeal, whichever is later.

(3) When the Benefits Administrator does not receive an application from a competing claimant(s) until after another person has begun to receive payments based upon the service of the participant, the payments will continue until the time limit for filing a request for reconsideration has expired, or, if a reconsideration decision is made, until the time limit for filing an appeal to the Department has expired or the Department has issued a final decision on a timely appeal, whichever is later.

Subpart E—Debt Collection and Waivers of Collection

Source: 66 FR 36705, July 13, 2001, unless otherwise noted.

§29.501 Purpose; incorporation by reference; scope.

(a) This subpart regulates—

(1) The recovery of overpayments of Federal Benefit Payments;

(2) The standards for waiver of recovery of overpayments of Federal Benefit Payments; and

(3) The use of Federal Benefit Payments to recover certain other debts due the United States.

(b) The regulations of this subpart incorporate by this reference all provisions of the Federal Claims Collection Standards (FCCS) (parts 900–904 of Title 31, Code of Federal Regulations), and supplement those regulations by the prescription of procedures and directives necessary and appropriate for the operation and administration of the Retirement Funds. To the extent they are not inconsistent with the regulations contained in this subpart, the regulations in part 5 of title 31, Code of Federal Regulations, also apply to the collection of debts under this subpart.

(c)(1) Debts based on fraud, misrepresentation, or the presentation of a false claim. This subpart does not apply to any overpayments of Federal Benefit Payments which arose, in whole or in part, due to fraud, misrepresentation, or the presentation of a false claim by the debtor or any party having an interest in the claim. Such debts should be referred by the Benefits Administrator immediately to the U.S. Justice Department for action pursuant to 31 CFR 900.3.

(2) Tax debts. This subpart does not apply to tax debts.

(d)(1) Sections 29.501 through 29.506 state the rules of general applicability to this subpart.

(2) Sections 29.511 through 29.520 prescribe procedures to be followed by the Benefits Administrator which are consistent with the FCCS in the collection of debts owed to the Retirement Funds.

(3) Sections 29.521 through 29.526 prescribe the standards that the Department will apply in decisions to waive recoupment or recovery of overpayments from the Retirement Funds under sections 11021(3) and 11251(c)(2)(B) of the Act.

(e) This part does not apply to debt collection claims asserted and requests for waivers of collection initiated before October 1, 1997. Such debt collection claims must be pursued by the District of Columbia and such requests for waivers of collection must be pursued with the District of Columbia.

Substantially all, as used in §29.524, means that a debtor’s income is less than or equal to his or her ordinary and necessary expenses plus a reasonable monthly allowance for unexpected or emergency expenses and does not allow for the deduction of a reasonable monthly installment payment to recover the debt.

Voluntary repayment agreement means an agreement wherein the debtor makes installment payments to repay an overpayment debt in accordance with a repayment schedule agreed to by the Benefits Administrator or the Department.

Waiver means a decision not to recover all or part of an overpayment debt owed to the Retirement Funds under authority of sections 11021(3) or 11251(c)(2)(B) of the Act.

§ 29.504 Status of debts.

A payment of a Federal Benefit Payment to a debtor because of an error on the part of the Department or Benefits Administrator, or the failure of the creditor agency to properly and/or timely submit a debt claim, does not erase the debt or affect the validity of the claim by the creditor agency.

§ 29.505 Compromise of debts; termination and suspension of collection actions.

§ 29.506 Recovery of other debts owed to the United States.

(a) Procedures for Creditor Agencies. Agencies seeking to recover a debt by offset of Federal Benefit Payments
§ 29.511 Demand letters.

Except as provided in §29.516(e), before starting collection action to recover an overpayment, the Benefits Administrator must send a demand letter that informs the debtor in writing—

(a) That an overpayment has occurred, the amount of the overpayment, and the facts giving rise to the overpayment;

(b) The date by which payment of the debt should be made to avoid additional charges (i.e., interest, penalties and administrative costs) permitted by the FCCS and enforced collection;

(c) The requirement that any overpayment debt delinquent for more than 180 days be transferred to the Department of the Treasury’s Financial Management Service for collection;

(l) The standards used by the Department in deciding requests for waiver (set forth in §§29.521 through 29.526) and compromise (set forth in 31 CFR 902.2); and

(m) The fact that a timely filing of a request for reconsideration, waiver and/or compromise, or a subsequent timely appeal of a reconsideration decision, will stop collection proceedings, unless—

(1) Failure to take the offset would substantially prejudice the Federal Government’s ability to collect the debt; and

(2) The time before the payment is to be made does not reasonably permit the completion of these procedures.

§ 29.512 Reconsideration by the Benefits Administrator.

(a) Right to reconsideration of overpayment determinations. Individuals who receive a demand letter and who wish to contest the existence or amount of the overpayment may ask the Benefits Administrator to reconsider the determination.

(b) Requests for waiver or compromise. Individuals who wish to seek waiver or compromise of the overpayment may file such requests with the Department under §29.514. An individual may file a request for reconsideration in addition to a request for waiver or compromise.
(c) Form and timing of requests for reconsideration. (1) A request for reconsideration must be in writing and must state the basis for the request. Individuals requesting reconsideration will be given a full opportunity to present any pertinent information and documentation supporting their position and should, to the extent possible, include such information and documentation in their request.

(2) A request for reconsideration must be received by the Benefits Administrator within 60 calendar days of the date of the demand letter. The Department may extend the time limit for filing when the individual shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit, or for other good and sufficient reason.

(3) When a request for reconsideration covered by this subpart is properly filed before the death of the debtor, it will be processed to completion unless the relief sought is nullified by the debtor’s death.

(d) Reconsideration decisions. (1) The Benefits Administrator’s decision on a request for reconsideration will be based upon the individual’s written submissions, evidence of record, and other pertinent available information.

(2) A reconsideration decision by the Benefits Administrator must—

(i) Be in writing;

(iii) If the individual is determined to be liable for all or a portion of the overpayment, reaffirm or modify the conditions for the collection of the overpayment previously proposed in the demand letter;

(iv) Provide notice of the right to appeal the Benefits Administrator’s decision to the Department, the address to which such an appeal must be submitted, and the time limits applicable to such an appeal; and

(v) State that a timely appeal of the Benefits Administrator’s decision to the Department will suspend action to collect the debt.

(e) Appeal of reconsideration decisions. The Department will review an appeal of a reconsideration decision under §29.513.

§ 29.513 Appeals to the Department.

(a) Form of appeal. An appeal of a reconsideration decision under §29.512 must be in writing and must state the basis for the appeal.

(b) Time limits on appeals. (1) An appeal must be received by the Department within 60 calendar days from the date of the reconsideration decision.

(2) The Department may extend the time limit for filing when the individual shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit, or for other good and sufficient reason.

(c) Final decision. After consideration of the appeal, the Department will issue a final decision. The Department’s decision will be in writing, will fully set forth the Department’s findings and conclusions on the appeal, and will contain notice of the right to judicial review provided in §29.515. If the Department determines that the individual is liable for all or a portion of the overpayment, the decision also will contain the conditions for the collection of the overpayment. Copies of the final decision will be sent to the individual seeking appeal and to the Benefits Administrator.

§ 29.514 Requests for waiver and/or compromise.

(a) Right to request waiver and/or compromise. Individuals who receive a demand letter regarding an overpayment may ask the Department to waive and/or compromise, in whole or part, the amount of the overpayment.

(b) Requests for reconsideration. Individuals who have filed a request for reconsideration under §29.512 may also request a waiver and/or compromise under this section.

(c) Form and timing of requests for waiver and/or compromise. (1) A request for waiver and/or compromise must be in writing and must state the basis for the request. Individuals making such
requests will be given a full opportunity to present any pertinent information and documentation supporting their position and should, to the extent possible, include such information and documentation in their request. Individuals seeking waiver or compromise of an overpayment must also submit required financial information identified in the demand letter.

(2) A request for waiver or compromise must be filed with the Department. If the request is sent by mail, it must be postmarked within 60 calendar days of the date of the demand letter. If the request is hand delivered or delivered electronically, it must be received within 60 calendar days of the date of the demand letter. The Department may extend the time limit for filing when the individual shows that he or she was not notified of the time limit and was not otherwise aware of it, or that he or she was prevented by circumstances beyond his or her control from making the request within the time limit, or for other good and sufficient reason.

(3) When a request for waiver and/or compromise under this section is properly filed before the death of the debtor, it will be processed to completion unless the relief sought is nullified by the debtor’s death.

(d) Waiver and/or compromise decisions.

(1) The Department’s decision on a request for waiver and/or compromise will be based upon the individual’s written submissions, evidence of record, and other pertinent available information. An individual’s request for waiver will be evaluated by the standards set forth in §29.521 through §29.526. An individual’s request for compromise will be evaluated by the standards set forth in the FCCS in 31 CFR part 902.

(2) A waiver or compromise decision by the Department will—

(i) Be in writing;

(ii) Provide notice of whether the overpayment will be waived or compromised, and the extent to which the individual is still liable for the overpayment, if at all;

(iii) If the individual is determined to be liable for all or a portion of the overpayment, reaffirm or modify the conditions for the collection of the overpayment previously proposed in the demand letter; and

(iv) Be issued within 120 calendar days from the Department’s receipt of a timely request for waiver and/or compromise. This time limit does not apply to requests for compromise that are referred to the Department of Justice for consideration pursuant to 31 CFR 902.1(b).

§ 29.515 Judicial review.

An individual whose request for reconsideration has been denied (in whole or part) in a final decision by the Department under §29.513 may, within 180 days of the date of the final decision, file a civil action in the United States District Court for the District of Columbia. Any such civil action must be filed in accordance with the rules of that court.

§ 29.516 Collection of overpayments.

(a) Means of collection. Collection of an overpayment may be made by means of offset under §29.517, or under any statutory provision providing for offset of money due the debtor from the Federal Government including, but not limited to, Federal Benefit Payments. Collection may also be effected by referral to the Justice Department for litigation, as provided in §29.520, or referral to a collection agency as provided in §29.519, or by other means authorized by federal law.

(b) Additional charges. Interest, penalties, and administrative costs will be assessed on the overpayment in accordance with standards established in 31 U.S.C. 3717 and 31 CFR 901.9. Additional charges will be waived when required by the FCCS. The Department will waive the collection of interest on the overpayment pending the Benefits Administrator’s consideration of a request for reconsideration and the Department’s consideration of a request for waiver and/or compromise or the appeal of a reconsideration decision. In addition, such charges may be waived when the Department determines—

(1) Collection of those charges would be against equity and good conscience under the standards prescribed in §§29.523 through 29.525; or
(2) Waiver of those charges would be in the best interest of the United States.

(c) Collection in installments. (1) Whenever feasible, overpayments will be collected in one lump sum.

(2) However, installment payments may be effected when—

(i) The debtor establishes that he or she is financially unable to pay in one lump sum; or

(ii)(A) The benefit payable is insufficient to make collection in one lump sum;

(B) The debtor fails to respond to a demand for full payment; and

(C) Offset is available.

(d) Offset Amount. (1) The amount offset from a monthly Federal Benefit Payment will be the lesser of:

(i) The amount of the debt, including any interest, penalties and administrative costs;

(ii) An amount equal to 15 percent of the monthly Federal Benefit Payment; or

(iii) The amount, if any, by which the monthly Federal Benefit Payment exceeds $750.

(2) For purposes of this subsection, the “monthly Federal Benefit Payment” is the amount of the gross monthly benefit after any reductions or deductions required under law, including reductions made to recover overpayments of Federal Benefit Payments.

(e) Commencement of collection. (1) Except as provided in paragraph (e)(2) of this section, collection will begin after the time limits for requesting further rights stated in §29.512 through §29.514 expire and no such requests have been made, or after the Benefits Administrator and/or the Department have issued decisions on all timely requests for or appeals of those rights, unless failure to make an offset would substantially prejudice the Department’s ability to collect the overpayment and the time before the payment is to be made does not reasonably permit the completion of the proceedings in §29.511 through §29.514 or litigation.

When offset begins without completion of the administrative review process, these procedures will be completed promptly, and amounts recovered by offset but later found not owed will be refunded promptly.

(2) The procedures identified in §29.511 through §29.514 will not be applied when the overpayment is caused by—

(i) A retroactive adjustment in the periodic rate of annuity or any deduction taken from annuity when the adjustment is a result of the annuitant’s election of different entitlements under law, if the adjustment is made within 120 days of the effective date of the election; or

(ii) interim estimated payments made before the formal determination of entitlement to annuity, if the amount is recouped from the total annuity payable on the first day of the month following the later of—

(A) The last interim payment or

(B) The date the formal determination is made.

(f) Collection of delinquent debts—(1) Debts delinquent over 180 days. The Benefits Administrator must refer all overpayment debts that are over 180 days delinquent to the Secretary for collection pursuant to 31 U.S.C. 3711(g) and 3716, and 31 CFR part 901.

(2) Debts delinquent less than 180 days. Once an overpayment debt becomes delinquent, the Benefits Administrator should refer it to the Secretary for collection by centralized administrative offset pursuant to 31 CFR 901.3, unless collection of the debt by some other means is likely to occur in a more timely and efficient manner.

(3) Once a debt is referred under this subsection, the Benefits Administrator has no further obligation to collect the debt.

§29.517 Collection by offset.

(a) Offset from retirement payments. An overpayment may be collected in whole or in part from any refund payment or recurring Federal Benefit Payments.

(b) Offset from other payments—(1) Administrative offset. When offset under subsection (a) is not available, an overpayment may be offset from other Federal payments due the debtor from other agencies under the procedures set forth in 31 CFR part 5 and 31 CFR 901.3(c).
§ 29.518 Reporting delinquent debts to credit bureaus.

(a) Notice. If a debtor's response to the demand letter does not result in payment in full, payment by offset, or payment in accordance with a voluntary repayment agreement or other repayment schedule acceptable to the Benefits Administrator, and the debtor's rights under §29.512 through §29.514 have been exhausted, the Benefits Administrator must report the debtor to a credit bureau. In addition, a debtor's failure to make subsequent payments in accordance with a repayment schedule must result in a report to a credit bureau. Before making a report to a credit bureau, the Benefits Administrator must notify the debtor in writing that—

(1) The payment is overdue;
(2) The Benefits Administrator intends, after 60 days, to make a report as described in paragraph (b) of this section to a credit bureau;
(3) The debtor's right to dispute the liability has been exhausted under §29.512 through §29.514; and
(4) The debtor may avoid having the Benefits Administrator report the debtor to a credit bureau by paying the debt in one lump sum or making payments current under a repayment schedule.

(b) Report. If, after being sent the notice described in paragraph (a) of this section, the debtor does not pay the overpayment debt or make payments current under a repayment schedule or fails to respond to the notice, and 60 days have elapsed since the notice was mailed, the Benefits Administrator will report to a credit bureau that the debtor is responsible for an unpaid debt and provide the following information:

(1) The debtor's name, address, taxpayer identification number, and any other information necessary to establish the identity of the individual;
(2) The amount, status, and history of the debt; and
(3) The fact that the debt arose in connection with the administration of Federal Benefit Payments under a District Retirement Fund.

§ 29.519 Referral to a collection agency.

(a) The Department retains the responsibility for resolving disputes, compromising debts, referring overpayment debts for litigation, and suspending or terminating collection action.

(b) The Department may not refer overpayment debts to commercial collection agencies until all procedures required by or requested under §29.511 through §29.514 have been completed.
§ 29.520 Referral for litigation.

The Department may refer to the Justice Department for litigation overpayment debts which cannot be compromised or waived, or on which collection activity cannot be suspended or terminated, and which the Department has been unable to recover pursuant to the collection activity described in §29.511 through §29.519. (See 31 CFR part 904.) Such debts should be referred to the Justice Department as early as possible, but at least within 1 year of the date such debts last became delinquent. In the case of overpayments arising from fraud, misrepresentation, or the presentation of a false claim, referral should be made to the Justice Department immediately. (See 31 CFR 900.3(a).) Referral of a debt to the Justice Department will suspend processing under §29.511 through §29.519 of this subpart.

§ 29.521 Conditions for waiver and other adjustments.

(a) General. Overpayments made from the Retirement Funds will be recovered unless there is substantial evidence that the individual from whom recovery is to be made is eligible for waiver.

(b) Waiver. The Department may waive an overpayment from the Retirement Funds (provided there is no indication of fraud, misrepresentation, or lack of good faith on the part of the debtor) under sections 11021(3) or 11251(c)(2)(B) of the Act when it is established by substantial evidence that the individual from whom recovery is to be made—

(1) Is not at fault in causing or contributing to the overpayment, and

(2) Recovery would be against equity and good conscience.

(c) Adjustment in the installment schedule. (1)(i) An overpayment will not be waived because of financial hardship if a reasonable installment schedule cannot be established for repayment of the debt by adjusting the installment schedule originally established.

(ii) For example, if the Department finds that the original installment schedule—24 installments at $125 each—causes the debtor financial hard-

ship, but that repayment in 60 installments at $50 each does not, it may adjust the installments and recover the debt in full.

(2) Where it has been determined that an individual is ineligible for a waiver, but the individual has shown that collection action pursuant to the original installment schedule would cause him or her financial hardship, the Department may—

(i) Adjust the installment schedule if the individual shows that it would cause him or her financial hardship to make payments at the rate initially scheduled by the Department; or

(ii) Terminate the collection action under 31 CFR 903.3 if the costs of collecting the debt are anticipated to exceed the amount recoverable.

§ 29.522 Fault.

(a) General rule. A debtor is considered to be at fault if he or she, or any other person having an interest in obtaining a waiver of the claim, caused or contributed to the accrual of the overpayment. The Department considers a debtor or any other person having an interest in obtaining a waiver of the claim to have caused or contributed to the accrual of an overpayment if—

(1) Payment resulted from the individual’s incorrect but not fraudulent statement, which the individual knew or should have known to be incorrect; or

(2) Payment resulted from the individual’s failure to disclose facts in his or her possession which the individual knew or should have known were material, when the Department has identified that the individual has a duty to report and has clearly notified the individual of this reporting requirement.

(3) The following factors may affect the decision as to whether the debtor is or is not at fault where the debtor submitted an incorrect statement, or the debtor failed to disclose material facts in his or her possession—

(i) The debtor’s age;

(ii) The debtor’s physical and/or mental condition; and

(iii) The availability and nature of the information provided to the debtor by the Department.

(b) Knowledge of an overpayment. (1) Individuals who are aware that they
§ 29.523 Equity and good conscience.

Recovery is against equity and good conscience when there is substantial evidence that—

(a) It would cause financial hardship to the person from whom it is sought no matter what the amount and length of the proposed installment;

(b) The recipient of the overpayment can show (regardless of his or her financial circumstances) that due to the notice that such payment would be made or because of the incorrect payment he or she either has relinquished a valuable right or has changed positions for the worse; or

(c) Recovery would be unconscionable under the circumstances.

§ 29.524 Financial hardship.

Financial hardship may be deemed to exist when the debtor needs substantially all of his or her current and anticipated income and liquid assets to meet current and anticipated ordinary and necessary living expenses during the projected period of collection. Financial hardship will not be found to exist when the debtor merely establishes that the repayment causes a financial burden, i.e., when it is inconvenient to repay the debt. If there are anticipated changes in income or expenses that would allow for the recovery of the overpayment at a later date, the Department may suspend collection action until a future date.

(a) Considerations. Pertinent considerations in determining whether recovery would cause financial hardship include the following:

(1) The debtor’s financial ability to pay at the time collection is scheduled to be made, and

(2) Income to other family member(s), if such member’s ordinary and necessary living expenses are included in expenses reported by the debtor.

§ 29.525 Ordinary and necessary living expenses.

An individual’s ordinary and necessary living expenses include rent, mortgage payments, utilities, maintenance, transportation, food, clothing, insurance (life, health, and accident), taxes, installment payments for which the individual is already liable, medical expenses, support expenses for which the individual is legally responsible, and other miscellaneous expenses that the individual can establish as being ordinary and necessary.

§ 29.526 Waiver precluded.

Waivers will not be offered or granted when—

(1) The overpayment was obtained by fraud, misrepresentation, or by improper negotiation of checks or withdrawal of electronic fund transfer payments after the death of the payee; or

(2) The overpayment was made to an estate and a timely demand for repayment is made prior to the final disbursement by the administrator or executor of the estate.

§ 30.0 Executive compensation and corporate governance.

The following questions and answers reflect the executive compensation and corporate governance requirements of section 111 of the Emergency Economic Stabilization Act of 2008, as amended (12 U.S.C. 5221) (EESA), with respect to participation in the Troubled Assets Relief Program (TARP) established by the Department of the Treasury (Treasury) thereunder.

§ 30.1 Q–1: What definitions apply in this part?

Affiliate. The term “affiliate” means an “affiliate” as that term is defined in Rule 405 of the Securities Act of 1933 (17 CFR 230.405).

Annual compensation. (1) General rule. The term “annual compensation” means, except as otherwise explicitly provided in this part, the dollar value for total compensation for the applicable fiscal year as determined pursuant to Item 402(a) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)). Accordingly, for this purpose the amounts required to be disclosed pursuant to paragraph (c)(2)(viii) of Item 402(a) of Regulation S-K (actuarial increases in pension plans and above market earnings on deferred compensation) are not required to be included in annual compensation.

(2) Application to private TARP recipients. For purposes of determining annual compensation, a TARP recipient that does not have securities registered with the SEC pursuant to the Federal securities laws (17 CFR 229.402(a)). Accordingly, for this purpose the amounts required to be disclosed pursuant to paragraph (c)(2)(viii) of Item 402(a) of Regulation S-K (actuarial increases in pension plans and above market earnings on deferred compensation) are not required to be included in annual compensation.
§ 30.1 Benefit plan. The term “benefit plan” means any plan, contract, agreement or other arrangement that is an “employee welfare benefit plan” as that term is defined in section 3(1) of the Employee Retirement Income Security Act of 1974, as amended (29 U.S.C. 1002(1)), or other usual and customary plans such as dependent care, tuition reimbursement, group legal services or cafeteria plans; provided, however, that this term does not include:

(1) Any plan that is a deferred compensation plan; or

(2) Any severance pay plan, whether or not nondiscriminatory, or any other arrangement that provides for payment of severance benefits to eligible employees upon voluntary termination for good reason, involuntary termination, or termination under a window program as defined in 26 CFR 1.409A–1(b)(9)(vi).

Bonus. The term “bonus” means any payment in addition to any amount payable to an employee for services performed by the employee at a regular hourly, daily, weekly, monthly, or similar periodic rate. Such term generally does not include payments to or on behalf of an employee as contributions to any qualified retirement plan (as defined in section 4974(c) of the Internal Revenue Code (26 U.S.C. 4974(c))), benefits under a broad-based benefit plan, bona fide overtime pay, or bona fide and routine expense reimbursements. In addition, provided that the rate of commission is pre-established and reasonable, and is applied consistently to the sale of substantially similar goods or services, commission compensation will not be treated as a bonus. For this purpose, a bonus may include a contribution to, or other increase in benefits under, a nonqualified deferred compensation plan, regardless of when the actual payment will be made under the plan. A bonus may also qualify as a retention award or as incentive compensation.

Bonus payment. For purposes of this part, except where otherwise noted, the term “bonus payment” includes a payment that is, or is in the nature of, a bonus, incentive compensation, or retention award. Whether a payment is a bonus payment, or whether the right to a payment is a right to a bonus payment, is determined based upon all the facts and circumstances, and a payment may be a bonus payment regardless of the characterization of such payment by the TARP recipient or the employee. For purposes of this part, a bonus payment may include the forgiveness of a loan or other amount that otherwise may be required to be paid by the employee to the employer.

Commission compensation. (1) Definition. The term “commission compensation” means:

(i) Compensation or portions of compensation earned by an employee consistent with a program in existence for that type of employee as of February 17, 2009, if a substantial portion of the services provided by this employee consists of the direct sale of a product or service to an unrelated customer, these sales occur frequently and in the ordinary course of business of the TARP recipient (but not a specified transaction, such as an initial public offering or sale or acquisition of a specified entity or entities), the compensation paid by the TARP recipient to the employee consists of either a portion of the purchase price for the product or service sold to the unrelated customer or an amount substantially all of which is calculated by reference to the volume of sales to the unrelated customers, and payment of the compensation is either contingent upon the TARP recipient receiving payment from the unrelated customer for the product or service or, if applied consistently to all similarly situated employees, is contingent upon the closing of the sales transaction and such other requirements as may be specified by the TARP recipient before the closing of the sales transaction with the unrelated customer;

(ii) Compensation or portions of compensation earned by an employee that meet the requirements of paragraph (1)(i) of this definition except that substantial sales from which commission compensation arises are made, or substantial services from which commission compensation arises are provided, to unrelated customers by the service recipient, the sales and service arrangement and the commission arrangement with respect
to the related customer are bona fide, arise from the service recipient’s ordinary course of business, and are substantially the same, both in term and in practice, as the terms and practices applicable to unrelated customers to which individually or in the aggregate substantial sales are made or substantial services provided by the service recipient; or

(iii) Compensation or portions of compensation earned by an employee consistent with a program in existence for that type of employee as of February 17, 2009, if a substantial portion of the services provided by this employee to the TARP recipient consists of sales of financial products or other direct customer services with respect to unrelated customer assets or unrelated customer asset accounts that are generally intended to be held indefinitely (and not customer assets intended to be used for a specific transaction, such as an initial public offering, or sale or acquisition of a specified entity or entities), the unrelated customer retains the right to terminate the customer relationship and may move or liquidate the assets or asset accounts without undue delay (which may be subject to a reasonable notice period), the compensation consists of a portion of the value of the unrelated customer’s overall assets or asset account balance, an amount substantially all of which is calculated by reference to the increase in the value of the overall assets or account balance during a specified period, or both, or is calculated by reference to a contractual benchmark (such as a securities index or peer results), and the value of the overall assets or account balance and commission compensation is determined at least annually. For purposes of this definition, a customer is treated as an unrelated customer if the person would not be treated as related to the TARP recipient under 26 CFR 1.409A–1(f)(2)(iv) and the person would not be treated as providing management services to the TARP recipient under 26 CFR 1.409A–1(f)(2)(iv). (2) Examples. The following examples illustrate the provisions of paragraph (1) of this definition:

Example 1. Employee A is an employee of TARP recipient. Among TARP recipient’s businesses is the sale of life insurance policies, and TARP recipient buys and sells such policies frequently as part of its ordinary course of business. Employee A’s primary duties consist of selling life insurance policies to customers unrelated to the TARP recipient. Under a commission program existing for all TARP Recipient employees selling life insurance policies as of February 17, 2009, Employee A is entitled to receive an amount equal to 75% of the total first year’s premium paid by an unrelated customer to whom Employee A has sold a life insurance policy. The payments to Employee A under the program constitute commission compensation.

Example 2. The same facts as Example 1, except that under the program, the rate of commission increases to 80% of the total first year’s premium paid by a customer once Employee A has sold $10 million in policies in a year. Provided that 80% is a reasonable commission, the payments to Employee A under the program constitute commission compensation.

Example 3. Employee B is an employee of TARP recipient. Among TARP recipient’s businesses is the investment management of unrelated customer asset accounts, and TARP recipient provides such services routinely and in the ordinary course of business. Employee B’s primary duties as an employee consist of managing the investments of the asset accounts of specified unrelated customers who have deposited amounts with the TARP recipient. Under a program in existence on February 17, 2009, Employee B is entitled to receive an amount equal to 1% of the aggregate account balances of the assets under management, as determined each December 31. The payments to Employee B constitute commission compensation.

Example 4. TARP recipient employs Employee C. As part of Employee C’s duties, Employee C is responsible for specified aspects of any acquisition of an unrelated entity by TARP Recipient. As part of an acquisition in 2009, Employee C is entitled to 1% of the purchase price if and when the transaction closes. Regardless of whether such an arrangement was customary or established under a specific program as of February 17, 2009, the amount is not commission compensation because the compensation relates to a specified transaction, in this case the purchase of the entity. Accordingly, the compensation is incentive compensation.

Example 5. TARP recipient employs Employee D. As part of Employee D’s duties, Employee D is responsible for managing the initial public offerings of securities of unrelated customers of TARP recipient. As part of an initial public offering in 2009, Employee D is entitled to 1% of the purchase price if and when the initial public offering closes. Regardless of whether such an arrangement...
was customary or established under a specific program as of February 17, 2009, the amount is not commission compensation because the compensation relates to a specified transaction, in this case the initial public offering. Accordingly, the compensation is incentive compensation.

Compensation means all remuneration for employment, including but not limited to salary, commissions, tips, welfare benefits, retirement benefits, fringe benefits and perquisites.

Compensation committee. (1) General rule. The term “compensation committee” means a committee of independent directors, whose independence is determined pursuant to Item 407(a) of Regulation S–K under the Federal securities laws (17 CFR 229.407(a)).

(2) Application to private TARP recipients. For purposes of determining director independence, a TARP recipient that does not have securities registered with the SEC pursuant to the Federal securities laws must follow the requirements set forth in Item 407(a)(1)(ii) of Regulation S–K under the Federal securities laws (17 CFR 229.407(a)(1)(ii)).

Compensation structure. The term “compensation structure” means the characteristics of the various forms of total compensation that an employee receives or may receive, including the amounts of such compensation or potential compensation relative to the amounts of other types of compensation or potential compensation, the amounts of such compensation or potential compensation relative to the total compensation over the relevant period, and how such various forms of compensation interrelate to provide the employee his or her ultimate total compensation. These characteristics include, but are not limited to, whether the compensation is provided as salary, short-term incentive compensation, or long-term incentive compensation, whether the compensation is provided as cash compensation, equity-based compensation, or other types of compensation (such as executive pensions, other benefits or perquisites), and whether the compensation is provided as current compensation or deferred compensation.

Deferred compensation plan. The term “deferred compensation plan” means

(1) Any plan, contract, agreement, or other arrangement under which an employee voluntarily elects to defer all or a portion of the reasonable compensation, wages, or fees paid for services rendered which otherwise would have been paid to the employee at the time the services were rendered (including a plan that provides for the crediting of a reasonable investment return on such elective deferrals), provided that the TARP recipient either:

(i) Recognizes a compensation expense and accrues a liability for the benefit payments according to GAAP; or

(ii) Segregates or otherwise sets aside assets in a trust which may only be used to pay plan and other benefits, except that the assets of this trust may be available to satisfy claims of the TARP recipient’s creditors in the case of insolvency; or

(2) A nonqualified deferred compensation or supplemental retirement plan, other than an elective deferral plan established by a TARP recipient:

(i) Primarily for the purpose of providing benefits for a select group of directors, management, or highly compensated employees in excess of the limitations on contributions and benefits imposed by sections 415, 401(a)(17), 402(g) or any other applicable provision of the Internal Revenue Code (26 U.S.C. 415, 401(a)(17), 402(g)); or

(ii) Primarily for the purpose for providing supplemental retirement benefits or other deferred compensation for a select group of directors, management or highly compensated employees (excluding severance payments).

Employee. The term “employee” means an individual serving as a servant in the conventional master-servant relationship as understood by the common-law agency doctrine. In general, a partner of a partnership, a member of a limited liability company, or other similar owner in a similar type of entity, will not be treated as an employee for this purpose. However, to the extent that the primary purpose for the creation or utilization of such partnership, limited liability company, or other similar type of entity is to avoid or evade any or all of the requirements
Office of the Secretary of the Treasury § 30.1

of section 111 of EESA or these regulations with respect to a partner, member or other similar owner, the partner, member or other similar owner will be treated as an employee. In addition, a personal service corporation or similar intermediary between the TARP recipient and an individual providing services to the TARP recipient will be disregarded for purposes of determining whether such individual is an employee of the TARP recipient.

Employee compensation plan. The term “employee compensation plan” means “plan” as that term is defined in Item 402(a)(6)(ii) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(6)(ii)), but only any employee compensation plan in which two or more employees participate and without regard to whether an executive officer participates in the employee compensation plan.

Exceptional financial assistance. The term “exceptional financial assistance” means any financial assistance provided under the Programs for Systemically Significant Failing Institutions, the Targeted Investment Program, the Automotive Industry Financing Program, and any new program designated by the Secretary as providing exceptional financial assistance.

Excessive or luxury expenditures. The term “excessive or luxury expenditures” means excessive expenditures on any of the following to the extent such expenditures are not reasonable expenditures for staff development, reasonable performance incentives, or other similar reasonable measures conducted in the normal course of the TARP recipient’s business operations:

(1) Entertainment or events;
(2) Office and facility renovations;
(3) Aviation or other transportation services; and
(4) Other similar items, activities, or events for which the TARP recipient may reasonably anticipate incurring expenses, or reimbursing an employee for incurring expenses.

Excessive or luxury expenditures policy. The term “excessive or luxury expenditures policy” means written standards applicable to the TARP recipient and its employees that address the four categories of expenses set forth in the definition of “excessive or luxury expenditures” (entertainment or events, office and facility renovations, aviation or other transportation services, and other similar items, activities or events), and that are reasonably designed to eliminate excessive and luxury expenditures. Such written standards must:

(1) Identify the types or categories of expenditures which are prohibited (which may include a threshold expenditure amount per item, activity, or event or a threshold expenditure amount per employee receiving the item or participating in the activity or event);
(2) Identify the types or categories of expenditures for which prior approval is required (which may include a threshold expenditure amount per item, activity, or event or a threshold expenditure amount per employee receiving the item or participating in the activity or event);
(3) Provide reasonable approval procedures under which an expenditure requiring prior approval may be approved;
(4) Require PEO and PFO certification that the approval of any expenditure requiring the prior approval of any SEO, any executive officer of a substantially similar level of responsibility, or the TARP recipient’s board of directors (or a committee of such board of directors), was properly obtained with respect to each such expenditure; and
(5) Require the prompt internal reporting of violations to an appropriate person or persons identified in this policy; and
(6) Mandate accountability for adherence to this policy.

Executive officer. The term “executive officer” means an “executive officer” as that term is defined in Rule 3b-7 of the Securities Exchange Act of 1934 (Exchange Act) (17 CFR 240.3b-7).

Financial assistance. (1) Definition. The term “financial assistance” means any funds or fund commitment provided through the purchase of troubled assets under the authority granted to Treasury under section 101 of EESA or the insurance of troubled assets under the authority granted to Treasury under section 102 of EESA, provided that the term “financial assistance”
§ 30.1  31 CFR Subtitle A (7–1–16 Edition)

does not include any loan modification under sections 101 and 109 of EESA. A change in the form of previously received financial assistance, such as a conversion of convertible preferred stock to common stock, is not treated as new or additional financial assistance.

(2) Examples. The following examples illustrate the provisions of paragraph (1) of this definition:

Example 1. Company A sells $500,000,000 of preferred stock to Treasury through the Capital Purchase Program. Company A has received financial assistance.

Example 2. Company B posts collateral to and receives a loan from the Federal Reserve special purpose vehicle under the Term Asset-Backed Security Loan Facility program. Company B has neither sold troubled assets to Treasury, nor insured troubled assets through Treasury, and therefore has not received financial assistance.

Example 3. LP C is a limited partnership established for the purpose of participating in the Public Private Investment Program. LP C has a general partner (GP) that makes management decisions on behalf of LP C. A limited liability company controlled by an affiliate of GP (LLC partner) raises $55,000,000 from twenty investors, with each investor investing equal shares, joins LP C as a limited partner, and invests those funds for a 55% equity interest in LP C. LP C sells a $45,000,000 equity interest to Treasury. LP C, at the direction of the GP, will buy and sell securities as investments and manage those investments. LP C will contract for investment advice from an investment advisor that is an affiliate of GP. LP C has received financial assistance because it is treated as the same employer as LP C according to the standards set forth in paragraph (1)(ii) of the definition of “TARP recipient”. The investors in the LLC partner have not received financial assistance because they are not treated as the same employer as LP C according to the standards set forth in paragraph (1)(ii) of the definition of “TARP recipient”. GP is not an employee of LP C pursuant to the definition of “employee” in this rule, and is not treated as the same employer as LP C according to the standards set forth in paragraph (1)(ii) of the definition of “TARP recipient”. The investment advisor to LP C has not received financial assistance. Entities that sell securities to or buy securities from LP C have neither sold troubled assets to Treasury nor insured troubled assets through Treasury, and therefore have not received financial assistance.

Example 4. Company D, a servicer of mortgage loans or mortgage-backed securities, issues a financial instrument to Treasury’s financial agent in which Company D commits to modify mortgages it is servicing consistent with guidelines established by Treasury under the Home Affordable Modification Program. Thus, through its financial agent, commits to pay up to $800,000,000 in incentive payments and credit enhancements for Company E’s commitment to modify mortgages. Company E has not received financial assistance.

GAAP. The term “GAAP” means U.S. generally accepted accounting principles.

Golden parachute payment. (1) General rule. The term “golden parachute payment” means any payment for the departure from a TARP recipient for any reason, or any payment due to a change in control of the TARP recipient or any entity that is included in a group of entities treated as one TARP recipient, except for payments for services performed or benefits accrued. For this purpose, a change in control includes any event that would qualify as a change in control event as defined in 26 CFR 1.280G–1, Q&A–27 through Q&A–29 or as a change in control event as defined in 26 CFR 1.409A–3(i)(5)(i). For this purpose, a golden parachute payment includes the acceleration of vesting due to the departure or the change in control event, as applicable. A golden parachute payment is treated as paid at the time of departure or change in control event, and is equal to the aggregate present value of all payments made for a departure or a change in control event (including the entire aggregate present value of the payment if the vesting period was not otherwise completed but was accelerated due to departure, regardless of whatever portion of the required vesting period the employee had completed). Thus, a golden parachute payment may include a right to amounts actually payable after the TARP period.

(2) Exclusions. For purposes of this part, a golden parachute payment does not include any of the following:

(1) Any payment made pursuant to a pension or retirement plan which is qualified (or is intended within a reasonable period of time to be qualified) under section 401 of the Internal Revenue Code (26 U.S.C. 401) or pursuant to a pension or other retirement plan which is governed by the laws of any foreign country:
Office of the Secretary of the Treasury § 30.1

(ii) Any payment made by reason of the departure of the employee due to the employee’s death or disability; or

(iii) Any severance or similar payment which is required to be made pursuant to a State statute or foreign law (independent of any terms of a contract or other agreement) which is applicable to all employers within the appropriate jurisdiction (with the exception of employers that may be exempt due to their small number of employees or other similar criteria).

(3) Payments for services performed or benefits accrued. (1) General rules. Except as otherwise provided for payments made under a deferred compensation plan or a benefit plan in paragraph (4) of this definition, a payment made, or a right to a payment arising under a plan, contract, agreement, or other arrangement (including the acceleration of any vesting conditions) is for services performed or benefits accrued only if the payment was made, or the right to the payment arose, for current or prior services to the TARP recipient (except that an appropriate allowance may be made for services for a predecessor employer).

Whether a payment is for services performed or benefits accrued is determined based on all the facts and circumstances. However, a payment, or a right to a payment, generally will be treated as a payment for services performed or benefits accrued only if the payment would be made regardless of whether the employee departs or the change in control event occurs, or if the payment is due upon the departure of the employee, regardless of whether the departure is voluntary or involuntary (other than reasonable restrictions, such as the forfeiture of the right to a payment for an involuntary departure for cause, but not restrictions relating to whether the departure was a voluntary departure for good reason or subsequent to a change in control).

(ii) Examples. The following examples illustrate the general rules in paragraph (3)(i) of this definition:

Example 1. Employee A is a SEO of Entity B at all relevant times. On September 1, 2007, Employee A received a stock appreciation right granting him the right to appreciation on the underlying shares that would vest 25% for every twelve months of continued services. Under the terms of the grant, the stock appreciation right would be immediately exercised and payable upon termination of employment. Entity B becomes a TARP recipient in December 2008. On September 1, 2009, Entity B involuntarily terminates Employee A, at which time Employee A receives a payment equal to the post-September 1, 2007 appreciation on 50% of the shares under the stock appreciation right (the portion of the shares that had vested before the termination of employment). The payment is treated as a payment for services performed and does not constitute a golden parachute payment.

Example 2. The facts are the same as the facts in Example 1, except that under Employee A’s employment agreement, Employee A is entitled to accelerate vesting if Employee A is terminated involuntarily other than for cause. If Entity B pays Employee A the post-September 1, 2007 appreciation on 100% of the shares under the stock appreciation right, the portion of the payment representing the additional 50% accelerated vesting due to the termination of employment would not be for services performed and would be a golden parachute payment.

(4) Payments from benefit plans and deferred compensation plans. A payment from a benefit plan or a deferred compensation plan is treated as a payment for services performed or benefits accrued only if the following conditions are met:

(i) The plan was in effect at least one year prior to the employee’s departure;

(ii) The payment is made pursuant to the plan and is made in accordance with the terms of the plan as in effect no later than one year before the departure and in accordance with any amendments to the plan during this one year period that do not increase the benefits payable hereunder;

(iii) The employee has a vested right, as defined under the applicable plan document, at the time of the departure or the change in control event (but not due to the departure or the change in control event) to the payments under the plan;

(iv) Benefits under the plan are accrued each period only for current or prior service rendered to the TARP recipient (except that an appropriate allowance may be made for service for a predecessor employer);
(v) Any payment made pursuant to the plan is not based on any discretionary acceleration of vesting or accrual of benefits which occurs at any time later than one year before the departure or the change in control event; and

(vi) With respect to payments under a deferred compensation plan, the TARP recipient has previously recognized compensation expense and accrued a liability for the benefit payments according to GAAP or segregated or otherwise set aside assets in a trust which may only be used to pay plan benefits, except that the assets of this trust may be available to satisfy claims of the TARP recipient’s creditors in the case of insolvency and payments pursuant to the plan are not in excess of the accrued liability computed in accordance with GAAP.

Gross-up. The term “gross-up” means any reimbursement of taxes owed with respect to any compensation, provided that a gross-up does not include a payment under a tax equalization agreement, which is an agreement, method, program, or other arrangement that provides payments intended to compensate an employee for some or all of the taxes actually imposed by a foreign jurisdiction on the compensation paid by the TARP recipient to the employee over the taxes that would be imposed if the compensation were subject solely to U.S. Federal, State, and local income tax, or some or all of the excess of the U.S. Federal, State, and local income tax actually imposed on the compensation paid by the TARP recipient to the employee over the taxes that would be imposed if the compensation were subject solely to taxes in the applicable foreign jurisdiction, provided that the payment made under such agreement, method, program, or other arrangement may not exceed such excess and the amount necessary to compensate for the additional taxes on the amount paid under the agreement, method, program, or other arrangement.

Incentive compensation. The term “incentive compensation” means compensation provided under an incentive plan.

Incentive plan. (1) Definition. The term “incentive plan” means an “incentive plan” as that term is defined in Item 402(a)(6)(iii) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(6)(iii)), and any plan providing stock or options as defined in Item 402(a)(6)(i) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(6)(i)) or other equity-based compensation such as restricted stock units or stock appreciation rights, except for the payment of salary or other permissible payments in stock, stock units, or other property as described in paragraph (2) of this definition. An incentive plan does not include the payment of salary, but does include an arrangement under which an employee would earn compensation in the nature of a commission, unless such compensation qualifies as commission compensation (as defined above). Accordingly, an incentive plan includes an arrangement under which an employee receives compensation only upon the completion of a specified transaction, such as an initial public offering or sale or acquisition of a specified entity or entities, regardless of how such compensation is measured. For examples, see the definition of “commission compensation” above. An incentive plan, or a grant under an incentive plan, may also qualify as a bonus or a retention award.

(2) Salary or other permissible payments paid in property. The term “incentive plan” does not include an arrangement under which an employee receives salary or another permissible payment in property, such as TARP recipient stock, provided that such property is not subject to a substantial risk of forfeiture (as defined in 26 CFR 1.83–3(c)) or other future period of required services, the amount of the payment is determinable as a dollar amount through the date such compensation is earned (for example, an agreement that salary payments will be made in stock equal to the value of the cash payment that would otherwise be due), and the amount of stock or other property accrues at the same time or times as the salary or other permissible payments would otherwise be paid in cash. The term “incentive plan” also does not include an arrangement under which an employee receives a restricted stock
Office of the Secretary of the Treasury

§ 30.1

unit that is analogous to TARP recipient stock, that otherwise meets the requirements of the previous sentence. For this purpose, a unit is analogous to stock if the unit is based upon stock of the TARP recipient, or is applied as if the applicable entity, division, or other unit were a corporation with one class of stock and the number of units of stock granted is determined based on a fixed percentage of the overall value of this corporation, and the term “TARP recipient stock” with respect to a particular employee recipient means the stock of a corporation (or the entity, division, or other unit the value of which forms the basis for the unit) that is an “eligible issuer of service recipient stock” under 26 CFR 1.409A-1(b)(5)(iii)(E) (applied by analogy to non-corporate entities).

(3) Examples. The following examples illustrate the provisions of paragraph (2) of this definition.

Example 1. Employee is an employee of TARP recipient. For 2010, TARP recipient agrees to pay a salary of $15,000, payable monthly. At each salary payment date Employee will receive a $10,000 payment in cash, and be transferred a number of shares of common stock of TARP recipient equal to $5,000 divided by the fair market value of a share of common stock on the salary payment date. The arrangement is for the payment of salary, and is not an incentive plan. How- ever, the arrangement generally will provide deferred compensation for purposes of the Internal Revenue Code.

Example 2. Same facts as Example 1, except that pursuant to a valid elective deferral election, Employee elects to defer 20% of each salary payment into a nonqualified deferred compensation plan. At each salary payment date Employee will receive an $8,000 payment in cash, be transferred a number of shares of common stock of TARP recipient equal to $4,000 divided by the fair market value of a share of common stock on the salary payment date, and accre a right to a contribution to an account under a nonqualified deferred compensation plan. The arrangement is for the payment of salary, and is not an incentive plan.

Example 3. Employee is an employee of TARP recipient. For 2010, TARP recipient agrees to pay a salary of $15,000, payable monthly. At each salary payment date, Employee will receive a $10,000 payment in cash, and accrue a right to a contribution to an account equal to $5,000 divided by the fair market value of a share on the salary payment date. The account balance will be subject to notional gains and losses based on the investment return on TARP recipient common stock. The amount will be payable upon the last day of the second year immediately following the year the services are performed. The arrangement is for the payment of salary, and is not an incentive plan. However, the arrangement generally will provide deferred compensation for purposes of the Internal Revenue Code.

Long-term restricted stock. The term “long-term restricted stock” means restricted stock or restricted stock units that include the following features:

(1) The restricted stock or restricted stock units are issued with respect to common stock of the TARP recipient. For this purpose, a restricted stock unit includes a unit that is payable, or may be payable, in cash or stock, provided that the value of the payment is equal to the value of the underlying stock. With respect to a specified division or other unit within a TARP recipient or a TARP recipient that is not a stock corporation, a unit analogous to common stock may be used. For this purpose, a unit is analogous to common stock if applied as if the entity, division, or other unit were a corporation with one class of common stock and the number of units of common stock granted is determined based on a
fixed percentage of the overall value of this corporation. Notwithstanding the foregoing, with respect to a particular employee recipient, the corporation the stock of which is utilized (or the entity, division, or other unit the value of which forms the basis for the unit) must be an "eligible issuer of service recipient stock" under 26 CFR 1.409A–1(b)(5)(iii)(E) (applied by analogy to non-corporate entities).

(2) The restricted stock or restricted stock unit may not become transferable (as defined in 26 CFR 1.83–3(d)), or payable as applied to a restricted stock unit, at any time earlier than permitted under the following schedule (except as necessary to reflect a merger or acquisition of the TARP recipient):

(i) 25% of the shares or units granted at the time of repayment of 25% of the aggregate financial assistance received.

(ii) An additional 25% of the shares or units granted (for an aggregate total of 50% of the shares or units granted) at the time of repayment of 50% of the aggregate financial assistance received.

(iii) An additional 25% of the shares or units granted (for an aggregate total of 75% of the shares or units granted) at the time of repayment of 75% of the aggregate financial assistance received.

(iv) The remainder of the shares or units granted at the time of repayment of 100% of the aggregate financial assistance received.

(3) Notwithstanding the foregoing, in the case of restricted stock for which the employee does not make an election under section 83(b) of the Internal Revenue Code (26 U.S.C. 83(b)), at any time beginning with the date upon which the stock becomes substantially vested (as defined in 26 CFR 1.83–3(b)) and ending on December 31 of the calendar year including that date, a portion of the restricted stock may be made transferable as may reasonably be required to pay the Federal, State, local, or foreign taxes that are anticipated to apply to the income recognized due to this vesting, and the amounts made transferable for this purpose shall not count toward the percentages in the schedule above.

(4) The employee must be required to forfeit the restricted stock or restricted stock unit if the employee does not continue performing substantial services for the TARP recipient for at least two years from the date of grant, other than due to the employee's death or disability, or a change in control event (as defined in 26 CFR 1.280G–1, Q&A–27 through Q&A–29 or as defined in 26 CFR 1.409A–3(i)(5)(i)) with respect to the TARP recipient before the second anniversary of the date of grant.

(5) Nothing in paragraphs (1), (2), (3), and (4) of this definition is intended to prevent the placement on such restricted stock or restricted stock unit of any additional restrictions, conditions, or limitations that are not inconsistent with the requirements of these paragraphs.

Most highly compensated employee. (1) In general. The terms "most highly compensated employee" or "most highly compensated employees" mean the employee or employees of the TARP recipient whose annual compensation is determined to be the highest among all employees of the TARP recipient, provided that, solely for purposes of identifying the employees who are subject to any rule applicable to both the SEOs and one or more of the most highly compensated employees of the TARP recipient, SEOs of the TARP recipient are excluded when identifying the most highly compensated employee(s). For this purpose, a former employee who is no longer employed as of the first date of the relevant fiscal year of the TARP recipient is not a most highly compensated employee unless it is reasonably anticipated that such employee will return to employment with the TARP recipient during such fiscal year.

(2) Application to new entities. For an entity that is created or organized in the same year that the entity becomes a TARP recipient, a most highly compensated employee for the first year includes the person that the TARP recipient determines will be the most highly compensated employee for the next year based upon a reasonable, good faith determination of the projected annual compensation of such person earned during that year. This
Office of the Secretary of the Treasury
§ 30.1

determination must be made as of the later of the date the entity is created or organized or the date the entity becomes a TARP recipient, and must be made only once. However, a person need not yet be an employee to be treated as a most highly compensated employee, if it is reasonably anticipated that the person will become an employee of the TARP recipient during the first year.

Obligation. (1) Definition. The term “obligation” means a requirement for, or an ability of, a TARP recipient to repay financial assistance received from Treasury, as provided in the terms of the applicable financial instrument and related agreements, through the repayment of a debt obligation or the redemption or repurchase of an equity security, but not including warrants to purchase common stock of the TARP recipient.

(2) Examples. The following examples illustrate the provisions of paragraph (1) of this definition.

Example 1. TARP recipient sells $500 million of preferred stock to Treasury, and provides warrants to Treasury for the purchase of $75 million of common stock. The TARP recipient has an ability to redeem the preferred stock and thus maintains an outstanding obligation to Treasury.

Example 2. Same facts as Example 1, except that TARP recipient redeems the $500 million of preferred stock, so that Treasury holds only the $75 million of warrants to purchase common stock outstanding. TARP recipient does not maintain an outstanding obligation to Treasury.

Example 3. TARP recipient sells $120 million of securities backed by Small Business Administration-guaranteed loans to Treasury through the Consumer and Business Lending initiative, and provides warrants to Treasury for the purchase of $10 million of common stock. Because the TARP recipient does not as a result of this transaction owe a debt obligation or have a requirement or right to redeem or repurchase an equity security (other than the warrants to purchase common stock provided to the Treasury), the TARP recipient does not have an outstanding obligation to Treasury as a result of this transaction.

PFO. The term “PFO” means the principal financial officer or an employee acting in a similar capacity.

Primary regulatory agency. The term “primary regulatory agency” means the Federal regulatory agency that has primary supervisory authority over the TARP recipient. For a TARP recipient that is a State-chartered bank that does not have securities registered with the SEC pursuant to the Federal securities laws, the primary regulatory agency is the TARP recipient’s primary Federal banking regulator. If a TARP recipient is not subject to the supervision of a Federal regulatory agency, the term “primary regulatory agency” means the Treasury.

Repayment. The term “repayment” means satisfaction of an obligation.

Retention award. (1) General definition. The term “retention award” means any payment to an employee, other than a payment of commission compensation, a payment made pursuant to a pension or retirement plan which is qualified (or is intended within a reasonable period of time to be qualified) under section 401 of the Internal Revenue Code (26 U.S.C. 401), a payment made pursuant to a benefit plan, or a payment of a fringe benefit, overtime pay, or reasonable expense reimbursement that:

(i) Is not payable periodically to an employee for services performed by the employee at a regular hourly, daily, weekly, monthly, or similar periodic rate (or would not be payable in such manner absent an elective deferral election);

(ii) Is contingent on the completion of a period of future service with the TARP recipient or the completion of a specific project or other activity of the TARP recipient; and

Perquisite. The term “perquisite” means a “perquisite or other personal benefit” the amount of which is required to be included in the amount reported under Item 402(c)(2)(ix)(A) of Regulation S–K under the Federal securities laws (17 CFR 229.402(c)(2)(ix)(A)) (Column (I) of the Summary Compensation Table (All Other Compensation)), modified to also include any such perquisite or other personal benefit provided to a most highly compensated employee subject to §30.11(b) (Q–11).
(iii) Is not based on the performance of the employee (other than a requirement that the employee not be separated from employment for cause) or the business activities or value of the TARP recipient.

(2) New hires. With respect to newly hired employees, a payment that will be made only if the new hire continues providing services for a specified period generally constitutes a retention award. For example, a signing bonus that must be repaid unless the newly hired employee completes a certain period of service is a retention award. Similarly, a “make-whole” agreement under which a newly hired employee is provided benefits intended to make up for benefits foregone at his former employer, where these new benefits are subject to a continued service period vesting requirement (such as a continuation of the vesting period at the former employer), is a retention award.

(3) Deferred compensation plans. Whether a benefit under a deferred compensation plan that is subject to a service vesting period is a retention award depends on all the facts and circumstances. However, to the extent an employee continues to accrue, or becomes eligible to accrue, a benefit under a plan the benefits under which have not been materially enhanced for a significant period of time prior to the employee becoming an SEO or most highly compensated employee (including through expansion of the eligibility for such plan), the benefits accrued generally will not be a retention award. However, to the extent the plan is amended to materially enhance the benefits provided under the plan or to make such employee eligible to participate in such plan, and such benefits are subject to a requirement of a continued period of service, such an amendment generally will be a retention award.

SEC. The term “SEC” means the U.S. Securities and Exchange Commission.

Senior executive officer or SEO. (1) General definition. The term “senior executive officer” or “SEO” means a “named executive officer” as that term is defined pursuant to Instruction 1 to Item 402(m)(2) of Regulation S-K under the Federal securities laws (17 CFR 229.402(m)(2)), provided that no employee must be identified as a SEO if the employee’s total annual compensation does not exceed $100,000 as defined in Item 402(a)(3)(1) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(3)(1)).

(2) Application to smaller reporting companies. A TARP recipient that is a smaller reporting company must identify SEOs pursuant to paragraph (1) of this definition. Such a TARP recipient must identify at least five SEOs, even if only three named executive officers are provided in the disclosure pursuant to Item 402(m)(2) of Regulation S-K under the Federal securities laws (17 CFR 229.402(m)(2)), provided that no employee must be identified as a SEO if the employee’s total annual compensation does not exceed $100,000 as defined in Item 402(a)(3)(1) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(3)(1)).

(3) Application to private TARP recipients. A TARP recipient that does not have securities registered with the SEC pursuant to the Federal securities laws must identify SEOs in accordance with rules analogous to the rules in paragraph (1) of this definition.

SEO compensation plan. The term “SEO compensation plan” means “plan” as that term is defined in Item 402(a)(6)(ii) of Regulation S-K under the Federal securities laws (17 CFR 229.402(a)(6)(ii)), but only with regard to a SEO compensation plan in which a SEO participates.

Senior risk officer. The term “senior risk officer” means a senior risk executive officer or employee acting in a similar capacity.

Smaller reporting company. The term “smaller reporting company” means a “smaller reporting company” as that term is defined in Item 10(f) of Regulation S-K under the Federal securities laws (17 CFR 229.10(f)).

Sunset date. The term “sunset date” means the date on which the authorities provided under EESA section 101 and 102 terminate, pursuant to EESA section 120, taking into account any extensions pursuant to EESA section 120(b).

TARP. The term “TARP” means the Troubled Asset Relief Program, established pursuant to EESA.

TARP fiscal year. The term “TARP fiscal year” means a fiscal year of a TARP recipient, or the portion of a fiscal year of a TARP recipient, that is also a TARP period.

TARP period. The term “TARP period” means the period beginning with
the TARP recipient’s receipt of any financial assistance and ending on the last date upon which any obligation arising from financial assistance remains outstanding (disregarding any warrants to purchase common stock of the TARP recipient that the Treasury may hold).

**TARP recipient.** (1) **General definition.** The term “TARP recipient” means
(i) Any entity that has received or holds a commitment to receive financial assistance; and
(ii) Any entity that would be treated as the same employer as an entity receiving financial assistance based on the rules in sections 414(b) and 414(c) of the Internal Revenue Code (26 U.S.C. 414(b) or (c)), but modified by substituting “50%” for “80%” in each place it appears in section 414(b) or 414(c) and the accompanying regulations. However, for purposes of applying the aggregation rules to determine the applicable employer, the rules for brother-sister controlled groups and combined groups are disregarded (including disregarding the rules in section 1563(a)(2) and (a)(3) of the Internal Revenue Code (26 U.S.C. 1563(a)(2) and (a)(3)) with respect to corporations and the parallel rules that are in 26 CFR 1.414(c)–2(c) with respect to other organizations conducting trades or businesses).

(2) **Certain excluded entities.** Neither any entity receiving funds under TARP pursuant to section 109 of EESA nor any Federal Reserve bank as that term is used in the Federal Reserve Act (12 U.S.C. 221 et seq.) will be treated as a TARP recipient subject to section 111 of EESA and any rules and regulations promulgated thereunder.

(3) **Anti-abuse rule.** Notwithstanding paragraph (1) of this definition, the term “TARP recipient” means any entity that has received, or holds a commitment to receive, financial assistance; and any entity related to such TARP recipient to the extent that the primary purpose for the creation or utilization of such entity is to avoid or evade any or all of the requirements of section 111 of EESA or these regulations.

**Treasury.** The term “Treasury” means the U.S. Department of the Treasury.

Valid employment contract. The term “valid employment contract” means a written employment contract that is:
(i) A material contract as determined pursuant to Item 601(b)(10)(iii)(A) of Regulation S–K under the Federal securities laws (17 CFR 229.601(b)(10)(iii)(A)); or
(ii) A contract that would be deemed a material contract as determined pursuant to Item 601(b)(10)(iii) of Regulation S–K under the Federal securities laws (17 CFR 229.601(b)(10)(iii)), but for the fact that the material contract relates to one or more employee who is not an executive officer; and
(2) Is enforceable under the law of the applicable jurisdiction.

§ 30.2 Q–2: To what entities does this part apply?

This part applies to any TARP recipient, provided that the requirements of sections 111(b) (portions of § 30.4 (Q–4), § 30.5 (Q–5) and § 30.7 (Q–7), as applicable, § 30.6 (Q–6), and § 30.8 (Q–8) through § 30.11 (Q–11), and § 30.15 (Q–15)), and section 111(c) (§ 30.11 (Q–11)) apply only during the period during which any obligation to the Federal government arising from financial assistance provided under the TARP remains outstanding. For a TARP recipient that has had an obligation to the Federal government arising from financial assistance provided under the TARP, and no further financial assistance under the TARP, the requirements of section 111(c) (including portions of § 30.4 (Q–4), § 30.5 (Q–5) and § 30.7 (Q–7), as applicable) and section 111(d) (§ 30.12 (Q–12)) apply through the last day of the period during which that obligation remains outstanding; for a TARP recipient that has never had an obligation to the Federal government arising from financial assistance provided under the TARP, and no further financial assistance under the TARP, the requirements of section 111(c) (including portions of § 30.4 (Q–4), § 30.5 (Q–5) and § 30.7 (Q–7), as applicable) and section 111(d) (§ 30.12 (Q–12)) apply through the last day of the TARP recipient’s fiscal year including the sunset date. For this purpose, an obligation includes the ownership by
§ 30.3  How are the SEOs and most highly compensated employees identified for purposes of compliance with this part?

(a) Identification. The SEOs for a year are the “named executive officers” who are employees and are identified in the TARP recipient’s annual report on Form 10-K or annual meeting proxy statement for that year (reporting the SEOs’ compensation for the immediately preceding year). These employees are considered the SEOs throughout that entire year. For purposes of the standards in this part applicable to the most highly compensated employees, the determination of whether an employee is a most highly compensated employee in a current fiscal year looks back to the annual compensation for the last completed fiscal year without regard to whether the compensation is includible in the employee’s gross income for Federal income tax purposes.

(b) Compliance. Regardless of when during the current fiscal year the TARP recipient determines the SEOs or the most highly compensated employees, the TARP recipient must ensure that any of the SEOs or employees potentially subject to the requirements in this part for the current fiscal year complies with the requirements in this part as applicable.

§ 30.4  What actions are necessary for a TARP recipient to comply with the standards established under sections 111(b)(3)(A), 111(b)(3)(E), 111(b)(3)(F) and 111(c) of EESA (evaluation of employee plans and potential to encourage excessive risk or manipulation of earnings)?

(a) General rule. To comply with the standards established under sections 111(b)(3)(A), 111(b)(3)(E), 111(b)(3)(F) and 111(c) of EESA, a TARP recipient must establish a compensation committee by the later of ninety days after the closing date of the agreement between the TARP recipient and Treasury or September 14, 2009, and maintain a compensation committee during the remainder of the TARP period. If a compensation committee is already established before the later of the closing date or September 14, 2009, the TARP recipient must maintain its compensation committee. During the remainder of the TARP period after the later of ninety days after the closing date of the agreement between the TARP recipient and Treasury or September 14, 2009, the compensation committee must:

(1) Discuss, evaluate, and review at least every six months with the TARP recipient’s senior risk officers the SEO compensation plans to ensure that the SEO compensation plans do not encourage SEOs to take unnecessary and excessive risks that threaten the value of the TARP recipient;

(2) Discuss, evaluate, and review with senior risk officers at least every six months employee compensation plans in light of the risks posed to the TARP recipient by such plans and how to limit such risks;

(3) Discuss, evaluate, and review at least every six months the employee compensation plans of the TARP recipient to ensure that these plans do not encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any of the TARP recipient’s employees;

(4) At least once per TARP recipient fiscal year, provide a narrative description of how the SEO compensation plans do not encourage behavior focused on short-term results rather than long-term value creation, the risks posed by employee compensation plans and how these risks were limited, including how these employee compensation plans do not encourage behavior focused on short-term results rather than long-term value creation, and how the TARP recipient has ensured that the employee compensation plans do not encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any of the TARP recipient’s employees; and

(5) Certify the completion of the reviews of the SEO compensation plans.
and employee compensation plans required under paragraphs (a)(1), (2), and (3) of this section.

(b) Exclusion of TARP recipients with no employees or no affected employees. For any period during which a TARP recipient has no employees, or has no SEO or compensation plan subject to the review process, the TARP recipient is not subject to the requirements of paragraph (a) of this section.

(c) Application to private TARP recipients. The rules provided in paragraph (a) of this section are also applicable to TARP recipients that do not have securities registered with the SEC pursuant to the Federal securities laws. A TARP recipient that does not have securities registered with the SEC pursuant to the Federal securities laws and has received $25,000,000 or less in financial assistance is subject to paragraph (a) of this section, except that, in lieu of establishing and maintaining a compensation committee, such a TARP recipient is permitted to ensure that all the members of the board of directors carry out the duties of the compensation committee as described in paragraph (a) of this section. However, such a TARP recipient will be required to establish and maintain a compensation committee satisfying the requirements of paragraph (a) of this section for the first fiscal year following a fiscal year during which the TARP recipient either registers securities with the SEC pursuant to the Federal securities laws or has received more than $25,000,000 in financial assistance, and during subsequent years of the TARP period.

(d) Application to TARP recipients that have never had an outstanding obligation. For TARP recipients that have never had an outstanding obligation, only paragraphs (a)(2), (a)(4), (a)(5) (but for the narrative and certification requirements of (a)(4) and (a)(5), applied only to the requirements of paragraph (a)(2)), (b) and (c) of this §30.4 (Q–4) shall apply.

§ 30.5 Q–5: How does a TARP recipient comply with the requirements under §30.4 (Q–4) of this part that the compensation committee discuss, evaluate, and review the SEO compensation plans and employee compensation plans to ensure that the SEO compensation plans do not encourage the SEOs to take unnecessary and excessive risks that threaten the value of the TARP recipient, or that the employee compensation plans do not pose unnecessary risks to the TARP recipient?

At least every six months, the compensation committee must discuss, evaluate, and review with the TARP recipient’s senior risk officers any risks (including long-term as well as short-term risks) that the TARP recipient faces that could threaten the value of the TARP recipient. The compensation committee must identify the features in the TARP recipient’s SEO compensation plans that could lead SEOs to take these risks and the features in the employee compensation plans that pose risks to the TARP recipient, including any features in the SEO compensation plans and the employee compensation plans that would encourage behavior focused on short-term results and not on long-term value creation. The compensation committee is required to limit these features to ensure that the SEOs are not encouraged to take risks that are unnecessary or excessive and that the TARP recipient is not unnecessarily exposed to risks.

§ 30.6 Q–6: How does a TARP recipient comply with the requirement under §30.4 (Q–4) of this part that the compensation committee discuss, evaluate, and review the employee compensation plans to ensure that these plans do not encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any of the TARP recipient’s employees?

The compensation committee must discuss, evaluate, and review at least every six months the terms of each employee compensation plan and identify and eliminate the features in these plans that could encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any employee.
§ 30.7 Q–7: How does a TARP recipient comply with the certification and disclosure requirements under § 30.4 (Q–4) of this part?

(a) Certification. The compensation committee must provide the certifications required by §30.4 (Q–4) of this part stating that it has reviewed, with the TARP recipient’s senior risk officers, the SEO compensation plans to ensure that these plans do not encourage SEOs to take unnecessary and excessive risks, the employee compensation plans to limit any unnecessary risks these plans pose to the TARP recipient, and the employee compensation plans to eliminate any features of these plans that would encourage the manipulation of reported earnings of the TARP recipient to enhance the compensation of any employee. For any period during which no obligation arising from financial assistance provided under the TARP remains outstanding, the requirements under this paragraph shall be modified to be consistent with §30.4(d) (Q–4(d)). Providing a statement similar to the following and in the manner provided in paragraphs (c) and (d) of this section, as applicable, would satisfy this standard: "The compensation committee certifies that:

(1) It has reviewed with senior risk officers the senior executive officer (SEO) compensation plans and has made all reasonable efforts to ensure that these plans do not encourage SEOs to take unnecessary and excessive risks that threaten the value of [identify TARP recipient];

(2) It has reviewed with senior risk officers the employee compensation plans and has made all reasonable efforts to limit any unnecessary risks these plans pose to the [identify TARP recipient]; and

(3) It has reviewed the employee compensation plans to eliminate any features of these plans that would encourage the manipulation of reported earnings of [identify TARP recipient] to enhance the compensation of any employee."

(b) Disclosure. At least once per TARP recipient fiscal year, the compensation committee must provide a narrative description identifying each SEO compensation plan and explaining how the SEO compensation plan does not encourage the SEOs to take unnecessary and excessive risks that threaten the value of the TARP recipient. The compensation committee must also identify each employee compensation plan, explain how any unnecessary risks posed by the employee compensation plan have been limited, and further explain how the employee compensation plan does not encourage the manipulation of reported earnings to enhance the compensation of any employee.

(c) Location. For TARP recipients with securities registered with the SEC pursuant to the Federal securities law, the compensation committee must provide these certifications and disclosures in the Compensation Committee Report required pursuant to Item 407(e) of Regulation S–K under the Federal securities laws (17 CFR 229.407(e)) and to Treasury. These disclosures must be provided in the Compensation Committee Report for any disclosure pertaining to any fiscal year any portion of which is a TARP period (for a TARP recipient with an obligation), or for any disclosure pertaining to any fiscal year including a date on or before the sunset date (for a TARP recipient that has never had an obligation). Within 120 days of the completion of a fiscal year during any part of which is a TARP period (for a TARP recipient with an obligation), or the completion of a fiscal year including a date on or before the sunset date (for a TARP recipient that has never had an obligation), a TARP recipient that is a smaller reporting company must provide the certifications of the compensation committee to its primary regulatory agency and to Treasury.

(d) Application to private TARP recipients. The rules provided in paragraphs (a), (b), and (c) of this section are also applicable to TARP recipients that do not have securities registered with the SEC pursuant to the Federal securities laws, within 120 days of the completion of the fiscal year during any part of which is a TARP period (for a TARP recipient with an obligation), or the completion of a fiscal year including a date on or before the sunset date (for a TARP recipient that has never had an obligation), a private TARP recipient
must provide the certification of the compensation committee (or board of directors, as applicable under §30.4 (Q–4)) to its primary regulatory agency and to Treasury.

§ 30.8 Q–8: What actions are necessary for a TARP recipient to comply with the standards established under section 111(b)(3)(B) of EESA (the “clawback” provision requirement)?

To comply with the standards established under section 111(b)(3)(B) of EESA, a TARP recipient must ensure that any bonus payment made to a SEO or the next twenty most highly compensated employees during the TARP period is subject to a provision for recovery or “clawback” by the TARP recipient if the bonus payment was based on materially inaccurate financial statements (which includes, but is not limited to, statements of earnings, revenues, or gains) or any other materially inaccurate performance metric criteria. Whether a financial statement or performance metric criteria is materially inaccurate depends on all the facts and circumstances. However, for this purpose, a financial statement or performance metric criteria shall be treated as materially inaccurate with respect to any employee who knowingly engaged in providing inaccurate information (including knowingly failing to timely correct inaccurate information) relating to those financial statements or performance metrics. Otherwise, with respect to a performance criteria, whether the inaccurate measurement of the performance or inaccurate application of the performance criteria is material depends on whether the actual performance or accurate application of the actual performance to the performance criteria is materially different from the performance required under the performance criteria or the inaccurate application of the actual performance to the performance criteria. The TARP recipient must exercise its clawback rights except to the extent it demonstrates that it is unreasonable to do so, such as, for example, if the expense of enforcing the rights would exceed the amount recovered. For the purpose of this section, a bonus payment is deemed to be made to an individual when the individual obtains a legally binding right to that payment.

§ 30.9 Q–9: What actions are necessary for a TARP recipient to comply with the standards established under section 111(b)(3)(C) of EESA (the prohibition on golden parachute payments)?

(a) Prohibition on golden parachute payments. To comply with the standards established under section 111(b)(3)(C) of EESA, a TARP recipient must prohibit any golden parachute payment to a SEO and any of the next five most highly compensated employees during the TARP period. A golden parachute payment is treated as paid at the time of departure and is equal to the aggregate present value of all payments made for a departure. Thus, a golden parachute payment made during the TARP period may include a right to amounts actually payable after the TARP period.

(b) Examples. The following examples illustrate the provisions of paragraph (a) of this section:

Example 1. Employee A is a SEO of a TARP recipient. Employee A is entitled to a payment of three times his annual compensation upon an involuntary termination or voluntary termination for good reason, but such amount is not payable unless and until the TARP period expires with respect to TARP recipient. Employee A terminates employment during the TARP period. Because, for purposes of the prohibition on golden parachute payments, all of the payments are deemed to have occurred at termination of employment and because, in this case, termination of employment occurred before the beginning of the applicable TARP period, the payment of the remaining payments due under the agreement...
§ 30.10 Q-10: What actions are necessary for a TARP recipient to comply with section 111(b)(3)(D) of EESA (the limitations on bonus payments)?

(a) General rule. To comply with section 111(b)(3)(D) of EESA, pursuant to the schedule under paragraph (b) of this section and subject to the exclusions under paragraph (e) of this section, a TARP recipient must prohibit the payment or accrual of any bonus payment during the TARP period to or by the employees identified pursuant to paragraph (b) of this section.

(b)(1) Schedule. The prohibition required under paragraph (a) of this section applies as follows to:

(i) The most highly compensated employee of any TARP recipient receiving less than $25,000,000 in financial assistance;

(ii) At least the five most highly compensated employees of any TARP recipient receiving $25,000,000 but less than $250,000,000 in financial assistance;

(iii) The SEOs and at least the ten next most highly compensated employees of any TARP recipient receiving $250,000,000 but less than $500,000,000 in financial assistance; and

(iv) The SEOs and at least the twenty next most highly compensated employees of any TARP recipient receiving $500,000,000 or more in financial assistance.

(b)(2) Changes in level of financial assistance. The determination of which schedule in paragraph (b) of this section is applicable to a TARP recipient during the TARP period is determined by the gross amount of all financial assistance provided to the TARP recipient, valued at the time the financial assistance was received. Whether a TARP recipient’s financial assistance has increased during a fiscal year to the point in the schedule under paragraph (b) of this section that the SEOs or a greater number of the most highly compensated employees will be subject to the requirements under paragraph (a) of this section is determined as of the last day of the TARP recipient’s fiscal year, and the increase in coverage is effective for the subsequent fiscal year.

(c) Accrual. (1) General rule. Whether an employee has accrued a bonus payment is determined based on the facts and circumstances. An accrual may include the granting of service credit (whether toward the calculation of the benefit or any vesting requirement) or credit for the compensation received (or that otherwise would have been received) during the period the employee was subject to the restriction under paragraph (a) of this section. For application of this rule to the fiscal year including June 15, 2009, see § 30.17 (Q-17).

(2) Payments or accruals after the employee is no longer a SEO or most highly compensated employee. If after the employee is no longer a SEO or most highly compensated employee, the employee is paid a bonus payment or provided a legally binding right to a bonus payment that is based upon services performed or compensation received during the period the employee was a SEO or most highly compensated employee, the employee will be treated as having accrued such bonus payment during the period the employee was a SEO or most highly compensated employee. For example, if the employee is retroactively granted service credit under an incentive plan (whether for

(3) Application to first year of financial assistance. For employers who become TARP recipients after June 15, 2009, the bonus payment limitation provision under this paragraph (b) does not apply to bonus payments paid or accrued by TARP recipients or their employees before the first date of the TARP period. Certain bonus payments may relate to a service period beginning before and ending after the first date of the TARP period. In these circumstances, the employee will not be treated as having accrued the bonus payment on or after the first date of the TARP period if the bonus payment is reduced to reflect at least the portion of the service period that occurs on or after the first date of the TARP period. However, if the employee is a SEO or most highly compensated employee at the time the amount would otherwise be paid, the bonus payment amount as reduced in accordance with the previous sentence still may not be paid until such time as bonus payments to that employee are permitted.
vesting or benefit calculation purposes) for the period in which the employee was a SEO or most highly compensated employee, the employee will be treated as having accrued that benefit during the period the employee was a SEO or most highly compensated employee.

(3) Multi-year service periods. Certain bonus payments may relate to a multi-year service period, during some portion of which the employee is a SEO or most highly compensated employee subject to paragraph (a) of this section, and during some portion of which the employee is not. In these circumstances, the employee will not be treated as having accrued the bonus payment during the period the employee was a SEO or most highly compensated employee if the bonus payment is at least reduced to reflect the portion of the service period that the employee was a SEO or most highly compensated employee. If the employee is a SEO or most highly compensated employee at the time the net bonus payment amount after such reduction would otherwise be paid, the amount still may not be paid until such time as bonus payments to that employee are permitted.

(d) Examples. The following examples illustrate the rules of paragraphs (a) through (c) of this section:

Example 1. Employee A is a SEO of a TARP recipient in 2010, but not in 2011. The TARP recipient maintains an annual bonus program, generally paying bonus payments in March of the following year. Employee A may not be paid a bonus payment in 2010 (for services performed in 2009 or any other year). In addition, Employee A may not be paid a bonus payment in 2011 to the extent such bonus payment is based on services performed in 2010.

Example 2. Same facts as in Example 1, provided further that Employee A receives a salary increase for 2011. The salary increase equals the same percentage as similarly situated executive officers, with an additional percentage increase which, over the course of twelve months, equals the bonus that would have been payable to Employee A in 2011 (for services performed in 2010), except for application of paragraph (a) of this section. Under these facts and circumstances, the additional percentage increase will be treated as a bonus payment accrued in 2010 and Employee A may not be paid this bonus payment.

Example 3. Same facts as in Example 1, provided further that on March 1, 2011, Employee A is granted a stock option under the TARP recipient stock incentive plan with a value approximately equal to the bonus that would have been payable to Employee A in 2011 (for services performed in 2010), except for application of paragraph (a) of this section. Other similarly situated employee not covered by the bonus limitation for 2010 do not receive such a grant. Under these facts and circumstances, the stock option grant will be treated as a bonus payment accrued in 2010 and will not be permitted to be paid to Employee A.

Example 4. Employee B is not a SEO or a most highly compensated employee of a TARP recipient during 2009. On July 1, 2009, Employee B is granted the right to a bonus payment of $50,000 if Employee B is employed by the TARP recipient through July 1, 2011 (two years). Employee B is a SEO of a TARP recipient during 2010, but is not a SEO or a most highly compensated employee of the TARP recipient during 2011. Employee B is employed by the TARP recipient on July 1, 2011. Thus, Employee B was a SEO or most highly compensated employee during one-half of the two-year required service period. Provided that Employee B is paid not more than half of the otherwise payable bonus payment, or $25,000, Employee B will not be treated as having accrued a bonus payment while Employee B was a SEO or a most highly compensated employee.

(e) Exclusions—(1) Long-term restricted stock—(1) General rule. The TARP recipient is permitted to award long-term restricted stock to the employees whose compensation is limited according to the schedule under paragraph (b) of this section, provided that the value of this grant may not exceed one third of the employee’s annual compensation as determined for that fiscal year (that is, not using the look-back method for the prior year). For purposes of this paragraph, in determining an employee’s annual compensation, all equity-based compensation granted in fiscal years ending after June 15, 2009 will only be included in the calculation in the year in which it is granted at its total fair market value on the grant date, and all equity-based compensation granted in fiscal years ending prior to June 15, 2009 will not be included in the calculation of annual compensation for any subsequent fiscal year. For purposes of this paragraph, in determining the value of the long-term restricted stock grant, the long-term restricted stock granted in accordance with this paragraph will only be included in the calculation in the year in which it is granted.
§ 30.10

which the restricted stock is granted at its total fair market value on the grant date.

(ii) Example.

During 2008, Employee A receives compensation of $1 million salary and a $1,200,000 long-term restricted stock grant subject to a three-year vesting period. During 2009, Employee A receives compensation of $1 million salary and no grant of long-term restricted stock. During 2010, Employee A receives compensation of $600,000 salary and a $300,000 long-term restricted stock grant subject to a three-year vesting period. Under the general SEC compensation disclosure rules used to define annual compensation in §30.1 (Q-1) of this part, the compensation related to the long-term restricted stock grants would be allocated over the vesting period. Assume for this purpose, that for 2010, $400,000 of the 2008 long-term restricted stock grant is allocated as compensation, $100,000 of the 2010 long-term restricted stock grant is allocated as compensation, so that the total annual compensation is $1,100,000 ($600,000 salary + $400,000 + $100,000). However, for purposes of determining Employee A’s annual compensation to apply the limit on the value of the long-term restricted stock that may be granted to Employee A in 2010, the entire $300,000 value of the 2010 grant is included but the $400,000 value attributed to the 2008 grant is excluded. Accordingly, Employee A’s adjusted annual compensation is $900,000 ($1,100,000 – $100,000 + $300,000 – $400,000). In addition, the entire fair market value of the 2010 long-term restricted stock grant is included for purposes of determining whether the limit has been exceeded. Because the $300,000 adjusted value of the long-term restricted stock grant does not exceed one-third of the $900,000 adjusted annual compensation, the grant complies with paragraph (e)(1)(i).

(2) Legally binding right under valid employment contracts—(1) General rule.

The prohibition under paragraph (a) of this section does not apply to bonus payments required to be paid under a valid employment contract if the employee had a legally binding right under the contract to a bonus payment as of February 11, 2009. For purposes of determining whether an employee had a legally binding right to a bonus payment, see 26 CFR 1.409A–1(b)(1). In addition, the bonus payment must be made in accordance with the terms of the contract as of February 11, 2009 (which may include application of an elective deferral election under a qualified retirement plan or a nonqualified deferred compensation plan), such that any subsequent amendment to the contract to increase the amount payable, accelerate any vesting conditions, or otherwise materially enhance the benefit available to the employee under the contract will result in the bonus payment being treated as not made under the employment contract executed on or before February 11, 2009. However, amendment of a valid employment contract executed on or before February 11, 2009 under which an employee has a legally binding right to a bonus payment to reduce the amount of the bonus payment or to enhance or include service-based or performance-based vesting requirements or holding period requirements will not result in this treatment. The amended employment contract would still be deemed a valid employment contract and the employee would still be treated as having a legally binding right to the bonus payment under the original employment contract. The TARP recipient and the employees of the TARP recipient should be cognizant of the restrictions under section 409A of the Internal Revenue Code (26 U.S.C. 409A) in the case of an amendment described in the preceding sentence.

(ii) Examples. The following examples illustrate the provisions of this paragraph (2).

Example 1. TARP recipient sponsors a written restricted stock unit plan. Under the plan, restricted stock units are traditionally granted each July 1, and are subject to a three-year vesting requirement. Employee A, a SEO of TARP recipient, received grants on July 1, 2007, July 1, 2008, and July 1, 2009. The July 1, 2007 and July 1, 2008 grants are excluded from the limitation on payments, because although the awards were subject to a continuing service vesting requirement, Employee A retained a legally binding right to the restricted stock units as of February 11, 2009. However, regardless of the fact that the restricted stock unit program was in existence on February 11, 2009, Employee A did not retain a legally binding right to a restricted stock unit for February 11, 2009, but rather obtained the legally binding right only when the restricted stock unit was granted on July 1, 2009. Accordingly, the July 1, 2009 grant is subject to the limitation and is not permitted to be accrued or paid (unless such grant complies with the exception for certain grants of long-term restricted stock).
Example 2. TARP recipient sponsors an annual bonus program documented in a written plan. Under the bonus program, the board of directors retains the discretion to eliminate or reduce the bonus of any employee in the bonus pool. Employees B and C, both SEOs, are in the bonus pool for 2008. On January 15, 2009, the compensation committee determines the bonuses to which the employees of the division in which Employee B works are entitled, and awards Employee B a $10,000 bonus payable on June 1. Employee B has a legally binding right to the bonus as of February 11, 2009 and payment of the bonus is not subject to the limitation. However, as of February 11, 2009, the board of directors has not yet determined which employees of the division in which Employee C works will be entitled to a bonus or the amount of such bonus. Accordingly, Employee C did not have a legally binding right to a $100,000 bonus. As of February 11, 2009, Employee C is entitled to the bonus payment limitation.

Example 3. TARP recipient sponsors a written stock option plan under which stock options may be granted to SEOs designated by the compensation committee. Designations and grants typically occur at a meeting in August of every year, and no meeting occurred in 2009 before August. Regardless of the existence of the general plan, no SEO had a legally binding right to a stock option grant for 2009 as of February 11, 2009 because no grants had been made under the plan. Accordingly, any 2009 grant will be subject to the bonus payment limitation.

Example 4. Employee D is an SEO of a TARP recipient. Under Employee D’s written employment agreement executed before February 11, 2009, Employee D is entitled to the total of whatever bonuses are made available to Employee E and Employee F. As of February 11, 2009, Employee E had a legally binding right to a $100,000 bonus. Employees E and F are never at any time SEOs or highly compensated employees subject to the limitation. As of February 11, 2009, Employee D did not have a legally binding right to a bonus, but was eligible to participate in a bonus pool and was ultimately awarded a bonus of $50,000. As of February 11, 2009, Employee D did not have a legally binding right to the additional $50,000 bonus, so that bonus is subject to the bonus payment limitation and, if not paid before June 15, 2009 is not permitted to be paid.

(f) Application to private TARP recipients. The rules set forth in this section are also applicable to TARP recipients that do not have securities registered with the SEC pursuant to the Federal securities laws.

§ 30.11 Q–11: Are TARP recipients required to meet any other standards under the executive compensation and corporate governance standards in section 111 of EESA?

(a) Approval of compensation payments to, and compensation structures for, certain employees of TARP recipients receiving exceptional financial assistance. For any period during which a TARP recipient is designated as a TARP recipient that has received exceptional financial assistance, the TARP recipient must obtain the approval by the Special Master of all compensation payments to, and compensation structures for, SEOs and most highly compensated employees subject to paragraph (b) of §30.10 (Q–10). TARP recipients that receive exceptional financial assistance must also receive approval by the Special Master for all compensation structures for other employees who are executive officers (as defined under the Securities and Exchange Act, Rule 3b–7) or one of the 100 most highly compensated employees of a TARP recipient receiving exceptional assistance (or both), who are not subject to the bonus limitations under §30.10 (Q–10). For this purpose, compensation payments and compensation structures may include awards or other rights to compensation which an employee has already received but not yet been paid or, in some instances, fully accrued. Accordingly, the Special Master has the authority to require that such compensation payments or compensation structures be altered to meet the standards set forth in §30.16 (Q–16). However, this approval requirement is not applicable to payments that are not subject to paragraph (a) of §30.10 (Q–10) due to the application of paragraph (e)(2) of §30.10 (Q–10) or the effective date provisions of §30.17 (Q–17), though the Special Master will take such payments into account in reviewing the compensation structure and amounts payable, as applicable, that are subject to review. Notwithstanding any of the foregoing, approval is not required with respect to an employee not subject to the bonus payment limitations to the extent that the employee’s annual compensation, as modified
§ 30.12 Q–12: What actions are necessary for a TARP recipient to comply with section 111(d) of EESA (the excessive or luxury expenditures policy requirement)?

To comply with section 111(d) of EESA, by the later of ninety days after the closing date of the agreement between the TARP recipient and Treasury or September 14, 2009, the board of directors of the TARP recipient must adopt an excessive or luxury expenditures policy, provide this policy to Treasury and its primary regulatory agency, and post the text of this policy on its Internet Web site, if the TARP recipient maintains a company Web site. After adoption of the policy, the TARP recipient must maintain the policy during the remaining TARP period (if the TARP recipient has an obligation), or through the last day of the TARP recipient’s fiscal year including the sunset date (if the TARP recipient has never had an obligation). If, after adopting an excessive or luxury expenditures policy, the board of directors of the TARP recipient makes any material amendments to this policy, within ninety days of the adoption of the amended policy, the board of directors must provide the amended policy to Treasury and its primary regulatory agency and post the amended policy on its Internet Web site, if the TARP recipient maintains a company Web site. This disclosure must continue through the TARP period (if the TARP recipient has an obligation), or through the last day of the TARP recipient’s fiscal
§ 30.15 Q–15: What actions are necessary for a TARP recipient to comply with certification requirements of section 111(b)(4) of EESA?

(a) Certification Requirements—(1) General. To comply with section 111(b)(4) of EESA, the PEO and the PFO of the TARP recipient must provide the following certifications with respect to the compliance of the TARP recipient with section 111 of EESA as implemented under this part:

(2) First Fiscal Year Certification. (i) Within ninety days of the completion of the first annual fiscal year of the TARP recipient any portion of which is a TARP period, the PEO and the PFO of the TARP recipient must provide...
§ 30.15 31 CFR Subtitle A (7–1–16 Edition)

certifications similar to the model provided in appendix A to this section.

(ii) If the first annual fiscal year of a TARP recipient any portion of which is a TARP period ends within thirty days after the closing date of the applicable agreement between the TARP recipient and Treasury, the TARP recipient shall have an additional sixty days beginning on the day after the end of the fiscal year during which it can establish the compensation committee, if not already established, and during which the compensation committee shall meet with senior risk officers to discuss, review, and evaluate the SEO compensation plans and employee compensation plans in accordance with § 30.4 (Q–4) of this part. The certifications of the PEO and the PFO of the TARP recipient must be amended to reflect the timing of the establishment and reviews of the compensation committee.

(3) Years Following First Fiscal Year Certification. Within ninety days of the completion of each TARP fiscal year of the TARP recipient after the first TARP fiscal year, the PEO and the PFO of the TARP recipient must provide a certification similar to the model provided in Appendix B to this section.

(4) Location. A TARP recipient with securities registered with the SEC pursuant to the Federal securities law must provide these certifications as an exhibit (pursuant to Item 601(b)(99)(i) of Regulation S–K under the Federal securities laws (17 CFR 229.601(b)(99)(i)) to the TARP recipient’s annual report on Form 10–K and to Treasury. To the extent that the PEO or the PFO of the TARP recipient is unable to provide any of these certifications in a timely manner, the PEO or the PFO must provide Treasury an explanation of the reason such certification has not been provided. These certifications are in addition to the compensation committee certifications required by § 30.5 (Q–5) of this part.

(5) Application to private TARP recipients. The rules provided in this section are also applicable to TARP recipients that do not have securities registered with the SEC pursuant to the Federal securities laws, except that the certifications under Appendix A, paragraph (x) and Appendix B, paragraph (x) of this section are not required for such TARP recipients. A private TARP recipient must provide these certifications to its primary regulatory agency and to Treasury.

(6) Application to TARP recipients that have never had an obligation. For those TARP recipients that have never had an obligation, the PEO and PFO must provide the certifications pursuant to this paragraph (a) only with respect to the requirements applicable to a TARP recipient that has never had an obligation (generally certain compensation committee reviews of employee compensation plans and the issuance of, and compliance with, an excessive or luxury expenses policy).

(b) Recordkeeping requirements. The TARP recipient must preserve appropriate documentation and records to substantiate each certification required under paragraph (a) of this section for a period of not less than six years after the date of the certification, the first two years in an easily accessible place. The TARP recipient must furnish promptly to Treasury legible, true, complete, and current copies of the documentation and records that are required to be preserved under paragraph (b) of this section that are requested by any representative of Treasury.

(c) Penalties for making or providing false or fraudulent Statements. Any individual or entity that provides information or makes a certification to Treasury pursuant to the Interim Final Rule or as required pursuant to 31 CFR Part 30 may be subject to 18 U.S.C. 1001, which generally prohibits the making of any false or fraudulent statement in a matter within the jurisdiction of the Federal government. Upon receipt of information indicating that any individual or entity has violated any provision of title 18 of the U.S. Code or other provision of Federal law, Treasury shall refer such information to the Department of Justice and the Special Inspector General for the Troubled Asset Relief Program.

§ 30.16 Q–16: What is the Office of the Special Master for TARP Executive Compensation, and what are its powers, duties and responsibilities?

(a) The Office of the Special Master for TARP Executive Compensation. The Secretary of the Treasury shall establish the Office of the Special Master for TARP Executive Compensation (Special Master). The Special Master shall serve at the pleasure of the Secretary, and may be removed by the Secretary without notice, without cause, and prior to the naming of any successor Special Master. The Special Master shall have the following powers, duties and responsibilities:

(1) Interpretative authority. The Special Master shall have responsibility for interpreting section 111 of EESA, these regulations, and any other applicable guidance, to determine how the requirements under section 111 of EESA, these regulations, and any other applicable guidance, apply to particular facts and circumstances. Accordingly, the Special Master shall make all determinations, as required, as to the meaning of such guidance and whether such requirements have been met in any particular circumstances. In addition, a TARP recipient or a TARP recipient employee may submit a request, in accordance with paragraph (c)(3) of this section, for an advisory opinion with respect to the requirements under section 111 of EESA.
these regulations and any other applicable guidance.

(2) Review of prior payments to employees. Section 111(f) of EESA provides that the Secretary shall review bonuses, retention awards, and other compensation paid before February 17, 2009, to employees of each entity receiving TARP assistance before February 17, 2009, to determine whether any such payments were inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest. Section 111(f) of EESA provides that, if the Secretary makes such a determination, the Secretary shall seek to negotiate with the TARP recipient and the subject employee for appropriate reimbursements to the Federal Government with respect to compensation or bonuses. The Special Master shall have the responsibility for administering these provisions, including the identification of the payments that are inconsistent with the purposes of EESA or TARP, or otherwise contrary to the public interest, and the Special Master shall have responsibility for the negotiation with the TARP recipient and the subject employee for appropriate reimbursements to the Federal Government with respect to compensation or bonuses. The Special Master shall make this determination by application of the principles outlined in paragraph (b) of this section. The Special Master's administration of these provisions may provide for the scope of review by the Special Master of a payment, including a limited review or no review, depending on the payment amount, the type of payment, the overall compensation earned by the employee during the relevant period, a combination thereof, or such other factors as the Special Master may determine, where the Special Master determines that such factors demonstrate that such payments are not, or are highly unlikely to be, inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest, or that renegotiation of such payments is not in the public interest. The Special Master may request in writing any information from TARP recipients necessary to carry out the review of prior compensation required under section 111(f) of EESA. TARP recipients must submit any requested information to the Special Master within 30 days of the request.

(3) Approval of certain payments to employees of TARP recipients receiving exceptional financial assistance. (i) SEOs and most highly compensated employees. The Special Master shall determine whether the compensation structure for each SEO or most highly compensated employee of a TARP recipient receiving exceptional assistance, including the amounts payable or potentially payable under such compensation structure, will or may result in payments that are inconsistent with the purposes of section 111 of EESA or TARP, or are otherwise contrary to the public interest. The Special Master shall make such determinations by applying the principles outlined in paragraph (b) of this section, subject to the requirement that the compensation structure and payments satisfy the applicable limitations under §30.10 (Q-10). This requirement shall apply to any compensation accrued or paid during any period the SEO or most highly compensated employee is subject to the limitations under §30.10 (Q-10). Initial requests for such approval must be submitted no later than August 14, 2009. The Special Master's administration of these provisions may provide for the Special Master's scope of review, including a limited review or no review, of a portion of a compensation structure or payment depending on the amount of such payments, the type of such payments, the overall compensation earned by the employee during the relevant period, a combination thereof, or such other factors as the Special Master determines, if the Special Master has determined that such factors demonstrate that such payments are not, or are highly unlikely to be, inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest. The Special Master shall issue a determination within 60 days of the receipt of a substantially complete submission. The TARP recipient must make a further request for approval to the extent the compensation structure for any SEO or most highly compensated employee, including the amounts that are
Office of the Secretary of the Treasury § 30.16

or may be payable, for any SEO or highly compensated employee is materially modified. In reviewing compensation structures and compensation payments for any period subject to Special Master review, the Special Master may take into account other compensation structures and other compensation earned, accrued or paid, including such compensation and compensation structures that are not subject to the restrictions of Section 111 of EESA pursuant to section 111(b)(3)(D)(iii) (see §30.10(e)(2) (certain legally binding rights under valid written employment contracts)), and amounts that were accrued or paid prior to June 15, 2009 and are therefore not subject to review by the Special Master.

(ii) Other executive officers and most highly compensated employees. With respect to any employee who is either an executive officer (as defined under the Securities and Exchange Act Rule 3b–7) or one of the 100 most highly compensated employees of a TARP recipient receiving exceptional assistance (or both), who is not subject to the bonus limitations under §30.10 (Q–10), the Special Master shall determine whether the compensation structure for such employees will or may result in payments that are inconsistent with the purposes of section 111 of EESA or TARP, or are otherwise contrary to the public interest. The Special Master shall make such determination through application of the principles outlined in paragraph (b) of this section. With respect to the scope of the required review, the Special Master shall determine only whether the compensation arrangements are adequately structured, and is not required to rule with respect to the amounts that are or may be payable thereunder. However, the TARP recipient may also request an advisory opinion with respect to the amounts that are or may be payable, which the Special Master may provide in his sole discretion. Notwithstanding the foregoing, if the total annual compensation to an employee complies with the rules applicable to an SEO under §30.10 (Q–10) applied without any limits on the grant of long-term restricted stock, and the annual compensation other than long-term restricted stock does not exceed $500,000 (or for 2009, $500,000 prorated to reflect the remaining portion of 2009 after June 15, 2009), the compensation structure will automatically be deemed to meet the requirements and no prior approval by the Special Master will be required. For purposes of the $500,000 limit, in determining annual compensation, all equity-based compensation granted in fiscal years ending after June 15, 2009 will be included in the calculation only in the year in which they are granted at their total fair market value on the grant date and all equity-based compensation granted in fiscal years ending prior to June 15, 2009 will not be included in the calculation of annual compensation. In addition, solely for purposes of applying the limit (and not for purposes of identifying the most highly compensated employees), the term annual compensation includes amounts required to be disclosed under paragraph (viii) of Item 402(a) of Regulation S–K of the Federal securities laws (change in the actuarial present value of benefits under a pension plan and above-market earnings on deferred compensation). The Special Master’s administration of these provisions may provide for limited or no review of a portion of a compensation structure by the Special Master depending on the amount of potential payments, the type of such payments, the overall compensation earned by the employee during the relevant period, a combination thereof, or such other factors as the Special Master determines, where the Special Master has determined that such factors demonstrate that such payments are not, or are highly unlikely to be, inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest. Initial requests for such approval must be submitted no later than 120 days after publication of the final rule. Separate requests need not be submitted for each individual covered employee, but should be submitted for identified groups of employees subject to the same compensation structures to the extent possible as long as sufficient detail regarding individual compensation awards are provided as necessary to
§ 30.16  
31 CFR Subtitle A (7–1–16 Edition)  

evaluate such employee’s compensation structure. The Special Master shall issue a determination within 60 days of the receipt of a substantially complete submission. The TARP recipient must make a further request for approval to the extent the compensation structure, including the amounts that are or may be payable, for any executive officer is materially amended. In reviewing compensation structures for any period subject to Special Master review, the Special Master may take into account other compensation structures and other compensation earned, accrued or paid, including such compensation and compensation structures that are not subject to the restrictions of Section 111 of EESA pursuant to section 111(b)(3)(D)(iii) (see §30.10(e)(2) (Q–30.10(e)(2) (certain legally binding rights under valid written employment contracts)), and amounts that were accrued or paid prior to June 15, 2009 and are therefore not subject to review by the Special Master.  

(iii) Period from June 15, 2009 through final determination. For the period from June 15, 2009 through the date of the Special Master’s final determination, the TARP recipient will be treated as complying with this section if, with respect to employees covered by paragraph (a)(3)(i) of this section, the TARP recipient continues to pay compensation to such employees in accordance with the terms of employment as of June 14, 2009 to the extent otherwise permissible under this Interim Final Rule (for example, continued salary payments but not any bonus payments) and if, with respect to employees covered by paragraph (a)(3)(i) of this section, the TARP recipient continues to pay compensation to such employees under the compensation structure established as of June 14, 2009, and if in addition the TARP recipient promptly complies with any modifications that may be required by the Special Master’s final determination. However, the Special Master may take into account the amounts paid to an employee during such period in determining the appropriate compensation amounts and compensation structures, as applicable, for the remainder of the year.

(4) Advisory opinions on compensation structures or compensation payments to employees of TARP recipients. A TARP recipient or TARP recipient employee may request an advisory opinion from the Special Master as to whether a compensation structure is, or will or may result in payments that are, inconsistent with the purposes of EESA or TARP, or otherwise contrary to the public interest. In addition, the Special Master may become aware of compensation structures or payments at any TARP recipient for which it may be useful to provide an advisory opinion as to whether such structure or payments meets this standard. Accordingly, the Special Master shall have the authority to render advisory opinions upon request or at the Special Master’s initiative, as to whether a compensation structure is, or will or may result in payments to an employee that are inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest, or whether a compensation payment made, or to be made, was or will be inconsistent with the purposes of section 111 of EESA or TARP, or otherwise contrary to the public interest. If the Special Master renders an adverse opinion, the Special Master shall have the authority to seek to negotiate with the TARP recipient and the subject employee for appropriate reimbursements to the TARP recipient or the Federal government. Any advisory opinion shall reflect the Special Master’s application of the principles outlined in paragraph (b) of this section. The Special Master shall not be required to render an advisory opinion in every instance, but may do so only where the Special Master deems appropriate and feasible in the context of the Special Master’s other responsibilities. In any case, the Special Master shall render an opinion, or affirmatively decline to render an advisory opinion, within 60 days of the receipt of a substantially complete submission. The Special Master shall not be required to explain any decision to decline to render an advisory opinion.

(5) Other designated duties and powers. The Special Master shall have such other duties and powers related to the application of compensation issues
arising in the administration of EESA or TARP as the Secretary or the Secretary’s designate may delegate to the Special Master, including, but not limited to, the interpretation or application of contractual provisions between the Federal government and a TARP recipient as those provisions relate to the compensation paid to, or accrued by, an employee of such TARP recipient.

(b) Determination of whether compensation is inconsistent with the purposes of section 111 of EESA or TARP or is otherwise contrary to the public interest—(1) Principles. In reviewing a compensation structure or a compensation payment to determine whether it is inconsistent with the purposes of section 111 of EESA or TARP or is otherwise contrary to the public interest, the Special Master shall apply the principles enumerated below. The principles are intended to be consistent with sound compensation practices appropriate for TARP recipients, and to advance the purposes and considerations described in EESA sections 2 and 103, including the maximization of overall returns to the taxpayers of the United States and providing stability and preventing disruptions to financial markets. The Special Master has discretion to determine the appropriate weight or relevance of a particular principle depending on the facts and circumstances surrounding the compensation structure or payment under consideration, such as whether a payment occurred in the past or is proposed for the future, the role of the employee within the TARP recipient, the situation of the TARP recipient within the marketplace and the amount and type of financial assistance provided. To the extent that two or more principles may appear inconsistent in a particular situation, the Special Master will determine the relative weight to be accorded each principle. In the case of any review of payments already made under paragraph (c)(2) of this section, or of any rights to bonuses, awards, or other compensation already granted, the Special Master shall apply these principles by considering the facts and circumstances at the time the compensation was granted, earned, or paid, as appropriate.

(i) Risk. The compensation structure should avoid incentives to take unnecessary or excessive risks that could threaten the value of the TARP recipient, including incentives that reward employees for short-term or temporary increases in value, performance, or similar measure that may not ultimately be reflected by an increase in the long-term value of the TARP recipient. Accordingly, incentive payments or similar rewards should be structured to be paid over a time horizon that takes into account the risk horizon so that the payment or reward reflects whether the employee’s performance over the particular service period has actually contributed to the long-term value of the TARP recipient.

(ii) Taxpayer return. The compensation structure, and amount payable where applicable, should reflect the need for the TARP recipient to remain a competitive enterprise, to retain and recruit talented employees who will contribute to the TARP recipient’s future success, and ultimately to be able to repay TARP obligations.

(iii) Appropriate allocation. The compensation structure should appropriately allocate the components of compensation such as salary, short-term and long-term incentives, as well as the extent to which compensation is provided in cash, equity or other types of compensation such as executive pensions, other benefits, or perquisites, based on the specific role of the employee and other relevant circumstances, including the nature and amount of current compensation, deferred compensation, or other compensation and benefits previously paid or awarded. The appropriate allocation may be different for different positions and for different employees, but generally, in the case of an executive or other senior level position a significant portion of the overall compensation should be long-term compensation that aligns the interest of the employee with the interests of shareholders and taxpayers.

(iv) Performance-based compensation. An appropriate portion of the compensation should be performance-based over a relevant performance period. Performance-based compensation should be determined through tailored
metrics that encompass individual performance and/or the performance of the TARP recipient or a relevant business unit taking into consideration specific business objectives. Performance metrics may relate to employee compliance with relevant corporate policies. In addition, the likelihood of meeting the performance metrics should not be so great that the arrangement fails to provide an adequate incentive for the employee to perform, and performance metrics should be measurable, enforceable, and actually enforced if not met. The appropriate allocation and the appropriate performance metrics may be different for different positions and for different employees, but generally a significant portion of total compensation should be performance-based compensation, and generally that portion should be greater for positions that exercise higher levels of responsibility.

(v) Comparable structures and payments. The compensation structure, and amount payable where applicable, should be consistent with, and not excessive, taking into account compensation structures and amounts for persons in similar positions or roles at similar entities that are similarly situated, including, as applicable, entities competing in the same markets and similarly situated entities that are financially distressed or that are contemplating or undergoing reorganization.

(vi) Employee contribution to TARP recipient value. The compensation structure, and amount payable where applicable, should reflect the current or prospective contributions of an employee to the value of the TARP recipient, taking into account multiple factors such as revenue production, specific expertise, compliance with company policy and regulation (including risk management), and corporate leadership, as well as the role the employee may have had with respect to any change in the financial health or competitive position of the TARP recipient.

(2) Further guidance. The Secretary reserves the discretion to modify or amend the foregoing principles through notice, announcement or other generally applicable guidance, provided that such guidance shall apply only prospectively from its date of publication and shall not provide a basis for reconsideration of a determination of the Special Master, except as the Special Master deems appropriate in light of such modification or amendment.

(c) Special Master determinations—(1) Initial determinations. The Special Master shall provide an initial determination in writing, within 60 days of the receipt of a substantially complete submission, setting forth the facts and analysis that formed the basis for the determination. The TARP recipient shall have 30 days to request in writing that the Special Master reconsider the initial determination. The request for reconsideration must specify a factual error or relevant new information not previously considered, and must demonstrate that such error or lack of information resulted in a material error in the initial determination. The Special Master must provide a final determination in writing within 30 days, setting forth the facts and analysis that formed the basis for the determination. If a TARP recipient does not request reconsideration within 30 days, the initial determination shall be treated as a final determination.

(2) Final determinations. In the case of any final determination that the TARP recipient is required to receive, the final determination of the Special Master shall be final and binding and treated as the determination of the Treasury.

(3) Advisory Opinions. An advisory opinion of the Special Master shall not be binding upon any TARP recipient or employee, but may be relied upon by a TARP recipient or employee if the advisory opinion applies to the TARP recipient and the employee and the TARP recipient and employee comply in all respects with the advisory opinion.

(d) Submissions to the Special Master—(1) Submission procedures. Submissions to the Special Master may be made under such procedures as the Special Master shall determine. The Special Master may reserve the right to request further information at any time and a submission shall not be treated as substantially complete unless the Special Master has so designated.
(2) Disclosure procedures. Materials submitted to the Special Master and the initial and final determinations of the Special Master are subject to disclosure under the standards provided in the Freedom of Information Act (FOIA, 5 U.S.C. 552 et seq.). In addition, the final determinations of the Special Master shall be disclosed to the public. The Special Master shall promulgate procedures for ensuring that disclosed materials have been subject to appropriate redaction to protect personal privacy, privileged or confidential commercial or financial information or other appropriate redactions permissible under the FOIA, which may include a procedure for the person or entity making the submission to request redactions and to review and request reconsideration of any proposed redactions before such redacted materials are released.

§ 30.17 Q–17: How do the effective date provisions apply with respect to the requirements under section 111 of EESA?

(a) General rule. The requirements under this part with respect to sections 111(b), 111(c), 111(d) and 111(f) are effective upon June 15, 2009. The guidance under this part with respect to those sections supersedes any previous guidance applicable to a TARP recipient to the extent that guidance is inconsistent with those requirements, but supersedes that guidance only as of June 15, 2009. To the extent previous contractual provisions are not inconsistent with ARRA or the guidance under this part, those contractual provisions remain in effect and continue to apply in accordance with their terms.

(b) Bonus payment limitation. The bonus payment limitation provision under §30.10 (Q–10) of this part does not apply to bonus payments paid or accrued by TARP recipients or their employees before June 15, 2009. Certain bonus payments may relate to a service period beginning before and ending after June 15, 2009. In those circumstances, the employee will not be treated as having accrued the bonus payment on or after June 15, 2009 if the bonus payment is at least reduced to reflect the portion of the service period that occurs after June 15, 2009. If the employee is an SEO or most highly compensated employee at the time the net bonus payment after such reduction would otherwise be paid, the amount still may not be paid until such time as bonus payments to that employee are permitted.
that may arise from contracts and financial agency agreements between private sector entities and the Treasury for services under the TARP, other than administrative services identified by the TARP Chief Compliance Officer.

§ 31.201 Definitions.

As used in this part:

Arrangement means a contract or financial agency agreement between a private sector entity and the Treasury for services under the TARP, other than administrative services identified by the TARP Chief Compliance Officer.

Dependent child means a son, daughter, stepson or stepdaughter who is either (a) Unmarried, under age 21, and living in the individual’s house, or (b) considered a “dependent” of the individual under the U.S. tax code.

Key individual means an individual providing services to a private sector entity who participates personally and substantially, through, for example, decision, approval, disapproval, recommendation, or the rendering of advice, in the negotiation or performance of, or monitoring for compliance under, the arrangement with the Treasury. For purposes of the definition of key individual, the words “personally and substantially” shall have the same meaning and interpretation as such words have in 5 CFR 2635.402(b)(4).

Organizational conflict of interest means a situation in which the retained entity has an interest or relationship that could cause a reasonable person with knowledge of the relevant facts to question the retained entity’s objectivity or judgment to perform under the arrangement, or its ability to represent the Treasury. Without limiting the scope of this definition, organizational conflicts of interest may include the following situations:

(1) A prior or current arrangement between the Treasury and the retained entity that may give the retained entity an unfair competitive advantage in obtaining a new arrangement with Treasury.

(2) The retained entity is, or represents, a party in litigation against the Treasury relating to activities under the EESA.

(3) The retained entity provides services for Treasury relating to the acquisition, valuation, disposition, or management of troubled assets at the same time it provides those services for itself or others.

(4) The retained entity gains, or stands to gain, an unfair competitive advantage in private business arrangements or investments by using information provided under an arrangement or obtained or developed pursuant to an arrangement with Treasury.

(5) The retained entity is a potential candidate for relief under EESA, is currently participating in an EESA program, or has a financial interest that could be affected by its performance of the arrangement.

(6) The retained entity maintains a business or financial relationship with institutions that have received funds from Treasury pursuant to the EESA.

Personal conflict of interest means a personal, business, or financial interest of an individual, his or her spouse or any dependent child that could adversely affect the individual’s ability to perform under the arrangement, his or her objectivity or judgment in such performance, or his or her ability to represent the interests of the Treasury.

Related entity means the parent company and subsidiaries of a retained entity, any entity holding a controlling interest in the retained entity, and any entity in which the retained entity holds a controlling interest.

Retained entity means the individual or entity seeking an arrangement with the Treasury or having such an arrangement with the Treasury, but does not include special government employees. A “retained entity” includes the subcontractors and consultancies it hires to perform services under the arrangement.

Special government employee means an officer or employee serving the Treasury, serving with or without compensation, for a period not to exceed 130 days during any 365-day period on a full-time or intermittent basis.

Treasury means the United States Department of the Treasury.

Treasury employee means an officer or employee of the Treasury, including a
special government employee, or an employee of any other government agency who is properly acting on behalf of the Treasury.

Troubled assets, for purposes of this rule, shall have the same meaning as set forth in 12 U.S.C. 5202(9).

§ 31.211 Organizational conflicts of interest.

(a) Retained entity’s responsibility. A retained entity working under an arrangement shall not permit an actual or potential organizational conflict of interest (including a situation in which the retained entity has an interest or relationship that could cause a reasonable person with knowledge of the relevant facts to question the retained entity’s objectivity or judgment to perform under the arrangement or its ability to represent the Treasury), unless the conflict has been disclosed to Treasury under this Section and mitigated under a plan approved by Treasury, or Treasury has waived the conflict. With respect to arrangements for the acquisition, valuation, management, or disposition of troubled assets, the retained entity shall maintain a compliance program reasonably designed to detect and prevent violations of federal securities laws and organizational conflicts of interest.

(b) Information required about the retained entity. As early as possible before entering an arrangement to perform services for Treasury under the EESA, a retained entity shall provide Treasury with sufficient information to evaluate any organizational conflicts of interest. The information shall include the following:

(1) The retained entity’s relationship to any related entities.

(2) The categories of troubled assets owned or controlled by the retained entity and its related entities, if the arrangement relates to the acquisition, valuation, disposition, or management of troubled assets.

(3) Information concerning all other business or financial interests of the retained entity, its proposed subcontractors, or its related entities, which could conflict with the retained entity’s obligations under the arrangement with Treasury.

(4) A description of all organizational conflicts of interest and potential conflicts of interest.

(5) A written detailed plan to mitigate all organizational conflicts of interest, along with supporting documentation.

(6) Any other information or documentation about the retained entity, its proposed subcontractors, or its related entities that Treasury may request.

(c) Plans to mitigate organizational conflicts of interest. The steps necessary to mitigate a conflict may depend on a variety of factors, including the type of conflict, the scope of work under the arrangement, and the organizational structure of the retained entity. Some conflicts may be so substantial and pervasive that they cannot be mitigated. Retained entities should consider the following measures when designing a mitigation plan:

(1) Adopting, implementing, and enforcing appropriate information barriers to prevent unauthorized people from learning nonpublic information relating to the arrangement and isolate key individuals from learning how their performance under the arrangement could affect the financial interests of the retained entity, its clients, and related entities.

(2) Divesting assets that give rise to conflicts of interest.

(3) Terminating or refraining from business relationships that give rise to conflicts of interest.

(4) If consistent with the terms of the arrangement and permitted by Treasury, refraining from performing specific types of work under the arrangement.

(5) Any other steps appropriate under the circumstances.

(d) Certification required. When the retained entity provides the information required by paragraph (b) of this section, the retained entity shall certify that the information is complete and accurate in all material respects.

(e) Determination required. Prior to entering into any arrangement, the Treasury must conclude that no organizational conflict of interest exists that has not been adequately mitigated, or if a conflict cannot be adequately mitigated, that Treasury has
expressly waived it. Once Treasury has approved a conflicts mitigation plan, the plan becomes an enforceable term under the arrangement.

(f) Subsequent notification. The retained entity has a continuing obligation to search for, report, and mitigate any and all potential organizational conflicts of interest that have not already been disclosed to Treasury under a plan approved by Treasury or previously waived by Treasury. The retained entity shall search regularly for conflicts and shall, within five (5) business days after learning of a potential organizational conflict of interest, disclose the potential conflict of interest in writing to the TARP Chief Compliance Officer. The disclosure shall describe the steps it has taken or proposes to take to mitigate the potential conflict or request a waiver from Treasury.

(g) Periodic Certification. No later than one year after the arrangement’s effective date, and at least annually thereafter, the retained entity shall certify in writing that it has no organizational conflicts of interest, or explain in detail the extent to which it can certify, and describe the actions it has taken and plans to take to mitigate any conflicts. Treasury may require more frequent certifications, depending on the arrangement.

(h) Retention of information. A retained entity shall retain the information needed to comply with this section and to support the certifications required by this section for three (3) years following termination or expiration of the arrangement, and shall make that information available to Treasury upon request. Such retained information shall include, but is not limited to, written documentation regarding the factors the retained entity considered in its mitigation plan as well as written documentation addressing the results of the retained entities’ periodic review of the mitigation plan.

§31.212 Personal conflicts of interest.

(a) Retained entity’s responsibility. A retained entity shall ensure that all key individuals have no personal conflicts of interest (including a situation that would cause a reasonable person with knowledge of the relevant facts to question the individual’s ability to perform, his or her objectivity or judgment in such performance, or his or her ability to represent the interests of the Treasury), unless mitigation measures have neutralized the conflict, or Treasury has waived the conflict.

(b) Information required. Before key individuals begin work under an arrangement, a retained entity shall obtain information from each of them in writing about their personal, business, and financial relationships, as well as those of their spouses and dependent children that would cause a reasonable person with knowledge of the relevant facts to question the individual’s ability to perform, his or her objectivity or judgment in such performance, or his or her ability to represent the interests of the Treasury. When the arrangement concerns the acquisition, valuation, management, or disposition of troubled assets, the information shall be no less extensive than that required of certain new federal employees under Office of Government Ethics Form 450. Treasury may extend the time necessary to meet these requirements in urgent and compelling circumstances.

(c) Disqualification. The retained entity shall disqualify key individuals with personal conflicts of interest from performing work pursuant to the arrangement unless mitigation measures have neutralized the conflict to the satisfaction of the TARP Chief Compliance Officer. The retained entity may seek a waiver from the TARP Chief Compliance Officer to allow a key individual with a personal conflict of interest to work under the arrangement.

(d) Initial certification. No later than ten business days after the effective date of the arrangement, the retained entity shall certify to the Treasury that all key individuals performing services under the arrangement have no personal conflicts of interest, or are subject to a mitigation plan or waiver approved by Treasury. In making this certification, the retained entity may rely on the information obtained pursuant to paragraph (b) of this section, unless the retained entity knows or should have known that the information provided is false or inaccurate. Treasury may extend the time necessary to meet these requirements.
§ 31.214 Limitations on concurrent activities.

Treasury has determined that certain market activities by a retained entity during the arrangement are likely to cause impermissible conflicts of interest. Accordingly, the following restrictions shall apply unless waived pursuant to section 31.215, or Treasury agrees in writing to specific mitigation measures.

(a) If the retained entity assists Treasury in the acquisition, valuation,
management, or disposition of specific troubled assets, the retained entity and key individuals shall not purchase or offer to purchase such assets from Treasury, or assist anyone else in purchasing or offering to purchase such troubled assets from the Treasury, during the term of its arrangement.

(b) If the retained entity advises Treasury with respect to a program for the purchase of troubled assets, the retained entity and key individuals shall not, during the term of the arrangement, sell or offer to sell, or act on behalf of anyone with respect to a sale or offer to sell, any asset to Treasury under the terms of that program.

§ 31.215 Grant of waivers.

The TARP Chief Compliance Officer may waive a requirement under this Part that is not otherwise imposed by law when it is clear from the totality of the circumstances that a waiver is in the government’s interest.

§ 31.216 Communications with Treasury employees.

(a) Prohibitions. During the course of any process for selecting a retained entity (including any process using non-competitive procedures), a retained entity participating in the process and its representatives shall not:

(1) Directly or indirectly make any offer or promise of future employment or business opportunity to, or engage directly or indirectly in any discussion of future employment or business opportunity with, any Treasury employee with personal or direct responsibility for that procurement.

(2) Offer, give, or promise to offer or give, directly or indirectly, any money, gratuity, or other thing of value to any Treasury employee, except as permitted by the Standards of Conduct for Employees of the Executive Branch, 5 CFR part 2635.

(3) Solicit or obtain from any Treasury employee, directly or indirectly, any information that is not public and was prepared for use by Treasury for the purpose of evaluating an offer, quotation, or response to enter into an arrangement.

(b) Certification. Before a retained entity enters a new arrangement, the retained entity must certify to the following:

(1) The retained entity is aware of the prohibitions of paragraph (a) of this section and, to the best of its knowledge after making reasonable inquiry, the retained entity has no information concerning a violation or possible violation of paragraph (a) of this section.

(2) Each officer, employee, and representative of the retained entity who participated personally and substantially in preparing and submitting a bid, offer, proposal, or request for modification of the arrangement has certified that he or she:

(i) Is familiar with and will comply with the requirements of paragraph (a) of this section; and

(ii) Has no information of any violations or possible violations of paragraph (a) of this section, and will report immediately to the retained entity any subsequently gained information concerning a violation or possible violation of paragraph (a) of this section.

§ 31.217 Confidentiality of information.

(a) Nonpublic information defined. Any information that Treasury provides to a retained entity under an arrangement, or that the retained entity obtains or develops pursuant to the arrangement, shall be deemed nonpublic until the Treasury determines otherwise in writing, or the information becomes part of the body of public information from a source other than the retained entity.

(b) Prohibitions. The retained entity shall not:

(1) Disclose nonpublic information to anyone except as required to perform the retained entity’s obligations pursuant to the arrangement, or pursuant to a lawful court order or valid subpoena after giving prior notice to Treasury.

(2) Use or allow the use of any nonpublic information to further any private interest other than as contemplated by the arrangement.

(c) Retained entity’s responsibility. A retained entity shall take appropriate measures to ensure the confidentiality of nonpublic information and to prevent its inappropriate use. The retained entity shall document these
measures in sufficient detail to demonstrate compliance, and shall maintain this documentation for three years after the arrangement has terminated. The retained entity shall notify the TARP Chief Compliance Officer in writing within five business days of detecting a violation of the prohibitions in paragraph (b), above. The security measures required by this paragraph shall include:

1. Security measures to prevent unauthorized access to facilities and storage containers where nonpublic information is stored.
2. Security measures to detect and prevent unauthorized access to computer equipment and data storage devices that store or transmit nonpublic information.
3. Periodic training to ensure that persons receiving nonpublic information know their obligation to maintain its confidentiality and to use it only for purposes contemplated by the arrangement.
4. Programs to ensure compliance with federal securities laws, including laws relating to insider trading, when the arrangement relates to the acquisition, valuation, management, or disposition of troubled assets.
5. A certification from each key individual stating that he or she will comply with the requirements in section 31.217(b). The retained entity shall obtain this certification, in the form of a nondisclosure agreement, before a key individual performs work under the arrangement, and then annually thereafter.

(d) Certification. No later than ten business days after the effective date of the arrangement, the retained entity shall certify to the Treasury that it has received a certification form from each key individual stating that he or she will comply with the requirements in §31.217(b). In making this certification, the retained entity may rely on the information obtained pursuant to paragraph (b) of this section, unless the retained entity knows or should have known that the information provided is false or inaccurate.

§ 32.1 Enforcement.

(a) Compliance with these rules concerning conflicts of interest is of the utmost importance. In the event a retained entity or any individual or entity providing information pursuant to 31 U.S.C. part 31 violates any of these rules, Treasury may impose or pursue one or more of the following sanctions:

1. Rejection of work tainted by an organizational conflict of interest or a personal conflict of interest and denial of payment for that work.
2. Termination of the arrangement for default.
3. Debarment of the retained entity for Federal government contracting and/or disqualification of the retained entity from future financial agency agreements.
4. Imposition of any other remedy available under the terms of the arrangement or at law.
5. In the event of violation of a criminal statute, referral to the Department of Justice for prosecution of the retained entity and/or its officers or employees. In such cases, the Department of Justice may make direct and derivative use of any statements and information provided by any entity, its representatives and employees or any individual, to the extent permitted by law.

(b) To the extent Treasury has discretion in selecting or imposing a remedy, it will give significant consideration to a retained entity’s prompt disclosure of any violation of these rules.

PART 32—PAYMENTS IN LIEU OF LOW INCOME HOUSING TAX CREDITS

AUTHORITY: Public Law 111–5.

§ 32.1 Timing of disbursements.

(a) State housing credit agencies that receive funds under section 1602 of Division B of the American Recovery and Reinvestment Tax Act of 2009 must make subawards to subawardees to finance the construction or acquisition and rehabilitation of low-income housing no later than December 31, 2010. Any funds that are not used to make subawards by December 31, 2010, must be returned to the Treasury by January 1, 2011.

(b) The requirement in subsection (a) above does not prevent State housing
credit agencies from continuing to disburse funds to subawardees after December 31, 2010 provided:

(1) A subaward has been made to the subawardee on or before December 31, 2010;

(2) The subawardee has, by the close of 2010, paid or incurred at least 30 percent of the subawardee’s total adjusted basis in land and depreciable property that is reasonably expected to be part of the low-income housing project; and

(3) Any funds not disbursed to the subawardee by December 31, 2011, must be returned to the Treasury by January 1, 2012.

§ 33.100 Basis and purpose.

(a) Statutory basis. This part implements provisions of section 1332 of the Patient Protection and Affordable Care Act (Affordable Care Act), Public Law 111–148, relating to Waivers for State Innovation, which the Secretary may authorize for plan years beginning on or after January 1, 2017. Section 1332 of the Affordable Care Act requires the Secretary to issue regulations that provide for all of the following:

(1) A process for public notice and comment at the State level, including public hearings, sufficient to ensure a meaningful level of public input.

(2) A process for the submission of an application that ensures the disclosure of all of the following:

(i) The provisions of law that the State involved seeks to waive.

(ii) The specific plans of the State to ensure that the waiver will meet all requirements specified in section 1332 of the Affordable Care Act.

(3) A process for the provision of public notice and comment after a waiver application is received by the Secretary of Health and Human Services, that is sufficient to ensure a meaningful level of public input and that does not impose requirements that are in addition to, or duplicative of, requirements imposed under the Administrative Procedures Act, or requirements that are unreasonable or unnecessarily burdensome with respect to State compliance.

(4) A process for the submission of reports to the Secretary by a State relating to the implementation of a waiver.

(5) A process for the periodic evaluation by the Secretary of programs under waivers.

(b) Purpose. This part sets forth certain procedural requirements for Waivers for State Innovation under section 1332 of the Affordable Care Act.

§ 33.102 Coordinated waiver process.

(a) Coordination with applications for waivers under other Federal laws. A State may submit a single application to the Secretary of Health and Human Services for a waiver under section 1332 of the Affordable Care Act and a waiver under one or more of the existing waiver processes applicable under titles XVIII, XIX, and XXI of the Social Security Act, or under any other Federal law relating to the provision of health care items or services, provided that such application is consistent with the procedures described in this part, the procedures for demonstrations under section 1115 of the Social Security Act, if applicable, and the procedures under any other applicable Federal law under which the State seeks a waiver.

(b) Coordinated process for section 1332 waivers. A State seeking a section 1332 waiver must submit a waiver application to the Secretary of Health and Human Services. Any application submitted to the Secretary of Health and Human Services that requests to waive sections 36B, 4980H, or 5000A of the Internal Revenue Code, in accordance with section 1332(a)(2)(D) of the Affordable Care Act, shall upon receipt be
transmitted by the Secretary of Health and Human Services to the Secretary to be reviewed in accordance with this part.

§ 33.104 Definitions.
For the purposes of this part:

Complete application means an application that has been submitted and for which the Secretary and the Secretary of Health and Human Services have made a preliminary determination that it includes all required information and satisfies all requirements that are described in §33.108(f).

Public notice means a notice issued by a government agency or legislative body that contains sufficient detail to notify the public at large of a proposed action consistent with §33.112.

Section 1332 waiver means a Waiver for State Innovation under section 1332 of the Affordable Care Act.

§ 33.108 Application procedures.
(a) Acceptable formats for applications. Applications for initial approval of a section 1332 waiver shall be submitted in electronic format to the Secretary of Health and Human Services.

(b) Application timing. Applications for initial approval of a section 1332 waiver must be submitted sufficiently in advance of the requested effective date to allow for an appropriate implementation timeline.

(c) Preliminary review. Each application for a section 1332 waiver will be subject to a preliminary review by the Secretary and the Secretary of Health and Human Services, who will make a preliminary determination that the application is complete. A submitted application will not be deemed received until the Secretary and the Secretary of Health and Human Services have made the preliminary determination that the application is complete.

(1) The Secretary and the Secretary of Health and Human Services will complete the preliminary review of the application within 45 days after it is submitted.

(2) If the Secretary and the Secretary of Health and Human Services determine that the application is not complete, the Secretary of Health and Human Services will send the State a written notice of the elements missing from the application.

(3) The preliminary determination that an application is complete does not preclude a finding during the 180-day Federal decision-making period that a necessary element of the application is missing or insufficient.

(d) Notification of preliminary determination. Upon making the preliminary determination that an application is complete, as defined in this part, the Secretary of Health and Human Services will send the State a written notice informing the State that the Secretary and the Secretary of Health and Human Services have made such a preliminary determination. That date will also mark the beginning of the Federal public notice process and the 180-day Federal decision-making period.

(e) Public notice of completed application. Upon receipt of a complete application for an initial section 1332 waiver, the Secretary of Health and Human Services will—

(1) Make available to the public the application, and all related State submissions, including all supplemental information received from the State following the receipt of a complete application for a section 1332 waiver.

(2) Indicate the status of the application.

(B) As required under section 1332(b)(1)(B) of the Affordable Care Act (the affordability requirement), will provide coverage and cost sharing protections against excessive out-of-pocket spending that are at least as affordable as the provisions of Title I of the Affordable Care Act would provide;

(C) As required under section 1332(b)(1)(C) of the Affordable Care Act (the scope of coverage requirement), will provide coverage to at least a comparable number of its residents as the provisions of Title I of the Affordable Care Act would provide; and

(vii) Other information. Other information consistent with guidance provided by the Secretary and the Secretary of Health and Human Services.

(g) Additional supporting information. (1) During the Federal review process, the Secretary may request additional supporting information from the State via the Secretary of Health and Human Services as needed to address public comments or to address issues that arise in reviewing the application.

(2) Requests for additional information, and responses to such requests, will be made available to the public in the same manner as information described in §33.116(b).

§ 33.112 State public notice requirements.

(a) General. (1) Prior to submitting an application for a new section 1332 waiver to the Secretary of Health and Human Services for review and consideration, a State must provide a public notice and comment period sufficient to ensure a meaningful level of public input for the application for a section 1332 waiver.

(2) Such public notice and comment period shall include, for a State with one or more Federally-recognized Indian tribes within its borders, a separate process for meaningful consultation with such tribes.

(b) Public notice and comment period. The State shall make available at the beginning of the public notice and comment period, through its Web site or other effective means of communication, and shall update as appropriate, a public notice that includes all of the following:

(c) Public hearings. (1) After issuing the public notice and prior to submitting an application for a new section 1332 waiver, a State must conduct public hearings regarding the State’s application.

(2) Such public hearings shall provide an interested party the opportunity to learn about and comment on the contents of the application for a section 1332 waiver.

(d) Submission of initial application. After the State public notice and comment period has concluded, the State may submit an application to the Secretary of Health and Human Services for an initial waiver in accordance with the requirements set forth in §33.108.

§ 33.116 Federal public notice and approval process.

(a) General. The Federal public notice and approval process begins on the first business day after the Secretary and the Secretary of Health and Human Services determine that all elements

(a) General. (1) Following the issuance of a final decision to approve

for a complete application were documented and submitted to the Secretary of Health and Human Services.

(b) Public notice and comment period. (1) Following a determination that a State’s application for a section 1332 waiver is complete, the Secretary and the Secretary of Health and Human Services will provide for a public notice and comment period that is sufficient to ensure a meaningful level of public input and that does not impose requirements that are in addition to, or duplicative of, requirements imposed under the Administrative Procedures Act, or requirements that are unreasonable or unnecessarily burdensome with respect to State compliance.

(2) At the beginning of the Federal notice and comment period, the Secretary of Health and Human Services will make available through its Web site and otherwise, and shall update as appropriate, public notice that includes all of the following:

(iii) The Secretary determines, after

(c)(2)(iii) of this section.
(iv) If paragraphs (c)(4)(i) through
(c)(4)(iii) of this section are not appli-
cable, but two or more of the following

chairman of the board, chairman of the
executive committee, chief executive
officer, chief operating officer, chief fi-
ancial officer or in any position with
similar policymaking authority in the
other insurer.
(5) An insurer that is not described in
paragraph (c)(2)(i) or (c)(2)(ii) of this
section may request a hearing in which
the insurer may rebut a presumption of
controlling influence under paragraph
(c) (i) through (c) (iv) of this section or otherwise request a determination of controlling influence by presenting and supporting its position through written submissions to Treasury, and in Treasury's discretion, through informal oral presentations, in accordance with the procedure in §50.8.

(6) See §50.55 of this part for determination of an insurer's affiliates for purposes of subpart F.

(d) Aggregate Federal share of compensation means the aggregate amount paid by Treasury for the Federal share of compensation for insured losses in a Program Year.

(e) Assessment period means a period, established by Treasury, during which policyholders of property and casualty insurance policies must pay, and insurers must collect, the Federal Terrorism Policy Surcharge for remittance to Treasury.

(f) Direct earned premium means direct earned premium for all commercial property and casualty insurance issued by any insurer for insurance against all losses, including losses from an act of terrorism, occurring at the locations described in section 102(5)(A) and (B) of the Act.

(i) State licensed or admitted insurers. For a State licensed or admitted insurer that reports to the NAIC, direct earned premium is the premium information for commercial property and casualty insurance reported by the insurer on column 2 of the NAIC Exhibit of Premiums and Losses of the NAIC Annual Statement (commonly known as Statutory Page 14). (See definition of property and casualty insurance.)

(ii) Premium information as reported to the NAIC should be included in the calculation of direct earned premiums for purposes of the Program only to the extent it reflects premiums for commercial property and casualty insurance issued by the insurer against losses occurring at the locations described in section 102(5)(A) and (B) of the Act.

(iii) Personal property and casualty insurance coverage that includes incidental coverage for commercial purposes is primarily personal coverage, and therefore premiums may be fully excluded by an insurer from the calculation of direct earned premium. For purposes of the Program, commercial coverage is incidental if less than 25 percent of the total direct earned premium is attributable to commercial coverage. Commercial property and casualty insurance against losses occurring at locations other than the locations described in section 102(5)(A) and (B) of the Act, or other insurance coverage that does not meet the definition of commercial property and casualty insurance, but that includes incidental coverage for commercial risk exposures at such locations, is primarily not commercial property and casualty insurance, and therefore premiums for such insurance may also be fully excluded by an insurer from the calculation of direct earned premium. For purposes of this section, commercial property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act is incidental if less than 25 percent of the total direct earned premium for the insurance policy is attributable to coverage at such locations. Also for purposes of this section, coverage for commercial risk exposures is incidental if it is combined with coverages that otherwise do not meet the definition of commercial property and casualty insurance and less than 25 percent of the total direct earned premium for the insurance policy is attributable to the coverage for commercial risk exposures.

(iv) If a property and casualty insurance policy covers both commercial and personal risk exposures, insurers may allocate the premiums in accordance with the proportion of risk between commercial and personal components in order to ascertain direct
earned premium. If a policy includes insurance coverage that meets the definition of commercial property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act, but also includes other coverage, insurers may allocate the premiums in accordance with the proportion of risk attributable to the components in order to ascertain direct earned premium.

(2) Insurers that do not report to NAIC. An insurer that does not report to the NAIC, but that is licensed or admitted by any State (such as certain farm or county mutual insurers), should use the guidance provided in paragraph (f)(1) of this section to assist in ascertaining its direct earned premium.

(i) Direct earned premium may be ascertained by adjusting data maintained by such insurer or reported by such insurer to its State regulator to reflect a breakdown of premiums for commercial and personal property and casualty exposure risk as described in paragraph (f)(1) of this section and, if necessary, re-stated to reflect the accrual method of determining direct earned premium versus direct premium.

(ii) Such an insurer should consider other types of payments that compensate the insurer for risk of loss (contributions, assessments, etc.) as part of its direct earned premium.

(3) Certain eligible surplus line carrier insurers. An eligible surplus line carrier insurer listed on the NAIC Quarterly Listing of Alien Insurers must ascertain its direct earned premium as follows:

(i) For policies that were in-force as of November 26, 2002, or entered into prior to January 1, 2003, direct earned premiums are to be determined with reference to the definition of property and casualty insurance and the locations described in section 102(5)(A) and (B) of the Act by allocating the appropriate portion of premium income for losses for property and casualty insurance at such locations. The same allocation methodologies contained within the NAIC’s “Allocation of Surplus Lines and Independently Procured Insurance Premium Tax on Multi-State Risks Model Regulation” for allocating premium between coverage for property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act and all other coverage, to ascertain the appropriate percentage of premium income to be included in direct earned premium, may be used.

(ii) For policies issued after January 1, 2003, premium for insurance that meets the definition of property and casualty insurance for losses occurring at the locations described in section 102(5)(A) and (B) of the Act, must be priced separately by such eligible surplus line carriers.

(4) Federally approved insurers. A federally approved insurer under section 102(6)(A)(iii) of the Act should use a methodology similar to that specified for eligible surplus line carrier insurers in paragraph (f)(3) of this section to calculate its direct earned premium. Such calculation should be adjusted to reflect the limitations on scope of insurance coverage under the Program (i.e., to the extent of federal approval of commercial property and casualty insurance in connection with maritime, energy or aviation activities).

(g) Direct written premium means the premium information for commercial property and casualty insurance as defined in paragraph (u) of this section that is included by an insurer in column 1 of the Exhibit of Premiums and Losses of the NAIC Annual Statement or in an equivalent reporting requirement. The Federal Terrorism Policy Surcharge is not included in amounts reported as direct written premium.

(h) Discretionary recoupment amount means such amount of the aggregate Federal share of compensation in excess of the mandatory recoupment amount that the Secretary has determined will be recouped pursuant to section 103(e)(7)(D) of the Act.

(i) Federal Terrorism Policy Surcharge means the amount established by Treasury under section 103(e)(8) of the Act which is imposed as a policy surcharge on property and casualty insurance policies, expressed as a percentage of the written premium.

(j) Insurance marketplace aggregate retention amount means an amount for a Program Year as set forth in section 103(e)(6) of the Act. For any Program
Year beginning with 2008 through 2014, such amount is the lesser of $27,500,000,000 and the aggregate amount, for all insurers, of insured losses from Program Trigger Events during the Program Year.

(k) Insured loss. (1) The term insured loss means any loss resulting from an act of terrorism (including an act of war, in the case of workers’ compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss:
   (i) Occurs within the United States;
   (ii) Occurs to an air carrier (as defined in 49 U.S.C. 40102), to a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), regardless of where the loss occurs; or
   (iii) Occurs at the premises of any United States mission.

(2)(i) A loss that occurs to an air carrier (as defined in 49 U.S.C. 40102), to a United States flag vessel, or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States, is not an insured loss under section 102(5)(B) of the Act unless it is incurred by the air carrier or vessel outside the United States.

(ii) An insured loss to an air carrier or vessel outside the United States under section 102(5)(B) of the Act does not include losses covered by third party insurance contracts that are separate from the insurance coverage provided to the air carrier or vessel.

(3) The term insured loss includes reasonable loss adjustment expenses, incurred by an insurer in connection with insured losses, that are allocated and identified by claim file in insurer records, including expenses incurred in the investigation, adjustment and defense of claims, but excluding staff salaries, overhead, and other insurer expenses that would have been incurred notwithstanding the insured loss.

(4) The term insured loss does not include:
   (1) Punitive or exemplary damages awarded or paid in connection with the Federal cause of action specified in section 107(a)(1) of the Act. The term “punitive or exemplary damages” means damages that are not compensatory but are an award of money made to a claimant solely to punish or deter; or
   (ii) Extra contractual damages awarded against, or paid by, an insurer; or
   (iii) Payments by an insurer in excess of policy limits.

(1) Insurer means any entity, including any affiliate of the entity, that meets the following requirements:

   (1)(i) The entity must fall within at least one of the following categories:
      (A) It is licensed or admitted to engage in the business of providing primary or excess insurance in any State, including, but not limited to, State licensed captive insurance companies, State licensed or admitted risk retention groups, and State licensed or admitted farm and county mutuals), and, if a joint underwriting association, pooling arrangement, or other similar entity, then the entity must:
      (1) Have gone through a process of being licensed or admitted to engage in the business of providing primary or excess insurance that is administered by the State’s insurance regulator, which process generally applies to insurance companies or is similar in scope and content to the process applicable to insurance companies;
      (2) Be generally subject to State insurance regulation, including financial reporting requirements, applicable to insurance companies within the State; and
      (3) Be managed independently from other insurers participating in the Program;
      (B) It is licensed or admitted to engage in the business of providing primary or excess insurance in any State, but is an eligible surplus line carrier listed on the Quarterly Listing of Alien Insurers of the NAIC, or any successor to the NAIC;
      (C) It is approved or accepted for the purpose of offering property and casualty insurance by a Federal agency in connection with maritime, energy, or aviation activity, but only to the extent of such federal approval of commercial property and casualty insurance coverage offered by the insurer in...
§ 50.5  

connection with maritime, energy, or aviation activity;

(D) It is a State residual market insurance entity or State workers’ compensation fund;
or

(E) As determined by the Secretary, it falls within any other class or type of captive insurer or other self-insurance arrangement by a municipality or other entity, to the extent provided in Treasury regulations issued under section 103(f) of the Act.

(ii) If an entity falls within more than one category described in paragraph (f)(1)(i) of this section, the entity is considered to fall within the first category within which it falls for purposes of the Program.

(2) The entity must receive direct earned premiums for any type of commercial property and casualty insurance coverage, except in the case of:

(i) State residual market insurance entities and State workers’ compensation funds, to the extent provided in Treasury regulations; and

(ii) Other classes or types of captive insurers and other self-insurance arrangements by municipalities and other entities, if such entities are included in the Program by Treasury under regulations in this Part.

(3) The entity must meet any other criteria as prescribed by Treasury.

(m) **Insurer deductible** means:

(1) For an insurer that has had a full year of operations during the calendar year immediately preceding the applicable Program Year:

(i) For the Transition Period (November 26, 2002 through December 31, 2002), the value of an insurer’s direct earned premiums over calendar 2001, multiplied by 1 percent;

(ii) For Program Year 1 (January 1, 2003 through December 31, 2003), the value of an insurer’s direct earned premiums over calendar year 2002, multiplied by 7 percent;

(iii) For Program Year 2 (January 1, 2004 through December 31, 2004), the value of an insurer’s direct earned premiums over calendar year 2003, multiplied by 10 percent;

(iv) For Program Year 3 (January 1, 2005 through December 31, 2005), the value of an insurer’s direct earned premiums over calendar year 2004, multiplied by 15 percent;

(v) For Program Year 4 (January 1, 2006 through December 31, 2006), the value of an insurer’s direct earned premiums over calendar year 2005, multiplied by 17.5 percent;

(vi) For Program Year 5 (January 1, 2007 through December 31, 2007), or any Program Year thereafter, the value of an insurer’s direct earned premiums over the calendar year immediately preceding that Program Year, multiplied by 20 percent; and

(2) For an insurer that has not had a full year of operations during the calendar year immediately preceding the applicable Program Year, the insurer deductible will be based on data for direct earned premiums for the applicable Program Year multiplied by the specified percentage for the insurer deductible for the applicable Program Year. If the insurer does not have a full year of operations during the applicable Program Year, the direct earned premiums for the applicable Program Year will be annualized to determine the insurer deductible.

(n) **Mandatory recoupment amount** means the difference between the insurance marketplace aggregate retention amount for a Program Year and the uncompensated insured losses during such Program Year. The mandatory recoupment amount shall be zero, however, if the amount of such uncompensated insured losses is greater than the insurance marketplace aggregate retention amount.

(o) **NAIC** means the National Association of Insurance Commissioners.

§ 50.7 Special Rules for Interim Guidance Safe Harbors.

§ 50.8 Procedure for requesting determinations of controlling influence.

(a) An insurer or insurers not having control over another insurer under § 50.5(c)(2)(i) or (c)(2)(ii) may make a written submission to Treasury to rebut a presumption of controlling influence under § 50.5(c)(4)(i) through (iv) or otherwise to request a determination of controlling influence. Such submissions shall be made to the Terrorism Risk Insurance Program Office, Department of the Treasury, Suite 2110, 1425 New York Ave NW, Washington, D.C. 20220. The submission should be entitled, “Controlling Influence Submission,” and should provide the full name and address of the submitting insurer(s) and the name, title, address and telephone number of the designated contact person(s) for such insurer(s).

Treasury will handle any subsequent request for information designated by an insurer as confidential business or trade secret information in accordance with Treasury’s Freedom of Information Act regulations at 31 CFR Part 1.

§ 50.10 General disclosure requirements.

(a) All policies. As a condition for federal payments under section 103(b) of the Act, the Act requires that an insurer provide clear and conspicuous disclosure to the policyholder of:

(1) The premium charged for insured losses covered by the Program; and

(2) The federal share of compensation for insured losses under the Program.

(b) Policies in force on the date of enactment. For policies issued before November 26, 2002, the disclosure required by the Act must be provided within 90 days of November 26, 2002 (no later than February 24, 2003).

(c) Policies issued within 90 days of the date of enactment. For policies issued within the 90-day period beginning on November 26, 2002 through February 24, 2003, the disclosure required by the Act must be provided at the time of offer, purchase, and renewal of the policy.

(d) Policies issued more than 90 days after the date of enactment. For policies issued on or after February 25, 2003, the disclosure required by the Act must be made on a separate line item in the policy, at the time of offer, purchase, and renewal of the policy. For policies issued in late 2005 with coverage extending into 2006, see §50.12(e)(2).

§ 50.11 Definition.

For purposes of this subpart, unless the context indicates otherwise, the term “disclosure” or “disclosures” refers to the disclosure described in section 103(b)(2) of the Act and §50.10. The Treasury will handle any subsequent request for information that had been designated by a requester as confidential business or trade secret information in accordance with Treasury’s Freedom of Information Act regulations at 31 CFR Part 1.

[68 FR 41266, July 11, 2003]
term “cap disclosure” refers to the disclosure required by section 103(b)(3) of the Act and §50.15.

[73 FR 53364, Sept. 16, 2008]

§ 50.12 Clear and conspicuous disclosure.

(a) General. Whether a disclosure is clear and conspicuous depends on the totality of the facts and circumstances of the disclosure. See §50.17 for model forms.

(b)(1) Description of premium. An insurer may describe the premium charged for insured losses covered by the Program as a portion or percentage of an annual premium, if consistent with standard business practice. An insurer may not describe the premium in a manner that is misleading in the context of the Program, such as by characterizing the premium as a “surcharge.”

(2) Premium to reflect definition of act of terrorism. If an insurer makes an initial offer of coverage, or offers to renew an existing policy on or after December 26, 2007, the disclosure provided to the policyholder must reflect the premium charged for insured losses covered by the Act, consistent with the definition of an act of terrorism as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007, Public Law 110–160, 121 Stat. 1839.

(c) Method of disclosure. An insurer may provide disclosures using normal business practices, including forms and methods of communication used to communicate similar policyholder information to policyholders.

(d) Use of producer. If an insurer normally communicates with a policyholder through an insurance producer or other intermediary, an insurer may provide disclosures through such producer or other intermediary. If an insurer elects to make the disclosures through an insurance producer or other intermediary, the insurer remains responsible for ensuring that the disclosures are provided by the insurance producer or other intermediary to policyholders in accordance with the Act.

(e) Demonstration of compliance. (1) An insurer may demonstrate that it has satisfied the requirement to provide clear and conspicuous disclosure as described in §§50.10 through use of appropriate systems and normal business practices that demonstrate a practice of compliance.

(2) If an insurer made available coverage for insured losses in a new policy or policy renewal in Program Year 3 for coverage becoming effective in Program Year 4, but did not provide a disclosure at the time of offer, purchase or renewal, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided a disclosure as soon as possible following January 1, 2006.

(3) If an insurer made available coverage for insured losses in a new policy or policy renewal in 2007 or in the first three months of 2008 for coverage becoming effective in 2008, but did not provide a disclosure at the time of offer, purchase or renewal of the policy, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided a disclosure as soon as possible following January 1, 2008.

(4) Certification of compliance. An insurer must certify that it has complied with the requirement to provide disclosure to the policyholder on all policies that form the basis for any claim that is submitted by an insurer for federal payment under the Program.

§ 50.13 Offer, purchase, and renewal.

An insurer is deemed to be in compliance with the requirement of providing disclosure “at the time of offer, purchase, and renewal of the policy” under §50.10(c) and (d) if the insurer:

(a) Makes the disclosure no later than the time the insurer first formally offers to provide insurance coverage or renew a policy for a current policyholder; and

(b) Makes clear and conspicuous reference back to that disclosure, as well as the final terms of terrorism insurance coverage, at the time the transaction is completed.

§ 50.14 Separate line item.

An insurer is deemed to be in compliance with the requirement of providing disclosure on a “separate line item in the policy” under §50.10(d) if the insurer makes the disclosure.
§ 50.17 Use of model forms.

(a) Policies in force on the date of enactment. (1) An insurer that is required to make the disclosure under §50.10(b) and that makes no change in the existing premium, is deemed to be in compliance with the disclosure requirement if it uses NAIC Model Disclosure Form No. 2.

(2) An insurer that is required to make the disclosure under §50.10(b) and that makes a change in the existing premium, is deemed to be in compliance with the disclosure requirement if it uses NAIC Model Disclosure Form No. 1. Such an insurer may also use the same NAIC Model Disclosure Form No. 1 to comply with the notice requirement of section 105(c) of the Act. See §50.18.

(b) Policies issued within 90 days of the date of enactment. An insurer that is required to make the disclosure under §50.10(c) is deemed to be in compliance with the disclosure requirement if it uses either NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2, as long as the form used is modified as appropriate for the particular policy.

(c) Policies issued more than 90 days after the date of enactment. An insurer that is required to make the disclosure under §50.10(d) may continue to use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 if appropriate, or other disclosures that meet the requirements of §§50.10(a) and 50.14 may be developed.

(d) Not exclusive means of compliance. An insurer is not required to use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 to satisfy the disclosure requirement. An insurer may use other means to comply with the disclosure requirement, as long as the disclosure conforms with the requirements of the Act.

(e) Cap disclosure. An insurer may use NAIC Model Disclosure Form No. 1 or NAIC Model Disclosure Form No. 2 dated December 19, 2007, or as subsequently modified in accordance with paragraph (f) of this section, to satisfy the cap disclosure requirement, or another disclosure that meets the requirements of §50.15 may be developed.

(f) Definitions. For purposes of this section, references to NAIC Model Disclosure Form No. 1 and NAIC Model Disclosure Form No. 2 refer to such forms as were in existence on April 18, 2003, or as subsequently modified by the NAIC, provided Treasury has stated that usage by insurers of the subsequently modified forms is deemed to
§ 50.18 Notice required by reinstatement provision.

(a) Nullification of terrorism exclusion. Any terrorism exclusion in a contract for property and casualty insurance that was in force on November 26, 2002, is void to the extent it excludes losses that would otherwise be insured losses.

(b) Reinstatement of terrorism exclusion. Notwithstanding paragraph (a) of this section, an insurer may reinstate a preexisting provision in a contract for property and casualty insurance that was in force on November 26, 2002, and that excludes coverage for an act of terrorism only if:

(1) The insurer has received a written statement from the insured that affirmatively authorizes such reinstatement;

(2) The insurer provided notice at least 30 days before any such reinstatement of the increased premium for such terrorism coverage and the rights of the insured with respect to such coverage, including the date upon which the exclusion would be reinstated if no payment is received, and the insured fails to pay any increased premium charged by the insurer for providing such terrorism coverage.

§ 50.19 General disclosure requirements for State residual market insurance entities and State workers’ compensation funds.

(a) Policies in force on October 17, 2003, or renewed or issued on or before January 15, 2004. For policies in force on October 17, 2003, or renewed or issued on or before January 15, 2004, the disclosure required by section 103(b) of the Act as a condition for Federal payment is waived for those State residual market insurance entities and State workers’ compensation funds that since November 26, 2002, have not provided disclosures to policyholders, until January 15, 2004, after which disclosures are to be made to policyholders for policies then in force and subsequently issued.

(b) Residual Market Mechanism Disclosure. A State residual market insurance entity or State workers’ compensation fund may provide the disclosures required by this subpart B to policyholders using normal business practices, including forms and methods of communication used to communicate similar policyholder information to policyholders. The disclosures may be made by the State residual market insurance entity or State workers’ compensation fund itself, the individual insurers that participate in the State residual market insurance entity or a State workers’ compensation fund, or its servicing carriers. The ultimate responsibility for ensuring that the disclosure requirements have been met rests with the insurer filing a claim under the Program.

(c) Other requirements. Except as provided in this section, all other disclosure requirements set out in this subpart B apply to State residual insurance market entities and State workers’ compensation funds.

(d) Prior safe harbor superseded. This section supersedes the disclosure safe harbor provisions found at paragraph C.4 of the Interim Guidance issued by Treasury in a notice published on December 18, 2002, and published at 67 FR 78864 (December 26, 2002).

Subpart C—Mandatory Availability

§ 50.20 General mandatory availability requirements.

(a) Transition Period and Program Years 1 and 2—period ending December 31, 2004. Under section 103(c) of the Act (unless the time is extended by the Secretary as provided in that section) during the period beginning on November 26, 2002 and ending on December 31, 2004 (the last day of Program Year 2), an insurer must:
(1) Make available, in all of its property and casualty insurance policies, coverage for insured losses; and
(2) Make available property and casualty insurance coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism.

(b) Program Year 3—calendar year 2005. In accordance with the determination of the Secretary announced June 18, 2004, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Year 3.
(c) Program Years 4 and 5—calendar years 2006 and 2007. Under section 103(c) of the Act, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Years 4 and 5.
(d) Program Years thereafter. Under section 103(c) of the Act, an insurer must comply with paragraphs (a)(1) and (a)(2) of this section during Program Years 2008 through 2014.
(e) Beyond 2014. Notwithstanding paragraph (a)(2) of this section and §50.23(a), property and casualty insurance coverage for insured losses does not have to be made available beyond December 31, 2014, even if the policy period of insurance coverage for losses from events other than acts of terrorism extends beyond that date.

§ 50.21 Make available.

(a) General. The requirement to make available coverage as provided in §50.20 applies to policies in existence on November 26, 2002, and new policies issued and renewals of existing policies during the period beginning on November 26, 2002 and ending on December 31, 2002, and in any Program Year thereafter. Except as provided in paragraph (c) of this section, the requirement applies at the time an insurer makes the initial offer of coverage as well as at the time an insurer makes an initial offer of renewal of an existing policy.
(b) Offer consistent with amended definition of act of terrorism. An insurer must make available coverage for insured losses in a policy of property and casualty insurance consistent with the definition of an act of terrorism as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 beginning with the first initial offer of coverage or offer of renewal of the policy made on or after December 26, 2007. Notwithstanding this requirement, if an insurer makes an offer of coverage on or after December 26, 2007 on a policy that is in mid term, then the insurer must make available coverage for insured losses consistent with the definition of an act of terrorism.
(c) Rules concerning extension of Program. (1) Special Program Year 4 requirement for certain new policies issued and renewals of existing policies in Program Year 3. If coverage for insured losses under a policy of property and casualty insurance (as defined by the Act, as amended) expired as of December 31, 2005, but the remainder of coverage under the policy continued in force in Program Year 4, then an insurer must make available coverage as provided in §50.20 for insured losses for the remaining portion of the policy term in the manner specified in paragraphs (e)(1) and (e)(2) of this section. This requirement does not apply if during Program Year 3 a policyholder declined an offer of coverage for insured losses made at the time of the initial offer of coverage or offer of renewal of the existing policy.
(2) Special 2008 requirement for certain policies where coverage expired. If coverage for insured losses under a policy of property and casualty insurance expired as of December 31, 2007, but the remainder of coverage under the policy continued in force in 2008, then an insurer must make available coverage as provided in §50.20 for insured losses for the remaining portion of the policy term in the manner specified in paragraphs (e)(1) and (e)(4) of this section. However, if a policyholder declined an offer made by an insurer for such coverage expiring as of December 31, 2007, then the insurer is not required to make a new offer of coverage for insured losses before any offer of renewal.
(d) Changes negotiated subsequent to initial offer. If an insurer satisfies the requirement to "make available" coverage as described in §50.20 by first
making an offer with coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism, which the policyholder declines, the insurer may negotiate with the policyholder an option of partial coverage for insured losses at a lower amount of coverage if permitted by any applicable State law. An insurer is not required by the Act to offer partial coverage if the policyholder declines full coverage. See §50.24.

(e) Demonstrations of compliance. (1) No contract. If an insurer makes an offer of insurance but no contract of insurance is concluded, the insurer may demonstrate that it has satisfied the requirement to make available coverage as described in §50.20 through use of appropriate systems and normal business practices that demonstrate a practice of compliance.

(2) Policy periods beginning in Program Year 3. If an insurer must make available coverage for insured losses as required by paragraph (c)(1) of this section for a policy whose coverage period began in Program Year 3 but extends into Program Year 4, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has offered such coverage by January 1, 2006, or as soon as possible following that date.

(3) Coverage becoming effective in Program Year 4. If an insurer processed a new policy or policy renewal in Program Year 3 for coverage becoming effective in Program Year 4, but did not make available coverage for insured losses as required by §50.20 by January 1, 2006, the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided an offer of coverage for insured losses as soon as possible following that date.

(4) Coverage expired as of December 31, 2007. If an insurer must make available coverage for insured losses under the circumstances described in paragraph (c)(2) of this section, the insurer must be able to demonstrate to Treasury’s satisfaction that it has offered such coverage as soon as possible following January 1, 2008.

(5) Coverage becoming effective in 2008. (i) No coverage. If an insurer processed a new policy or policy renewal in 2007 or in the first three months of 2008 for coverage becoming effective in 2008, but did not make available coverage for insured losses as required by §50.20(a), then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided an offer of coverage for insured losses as soon as possible following January 1, 2008.

(ii) Not consistent with amended definition of act of terrorism. If an insurer made an initial offer of coverage or offer of renewal on or after December 26, 2007 for a policy term becoming effective in 2008, and made available coverage for insured losses, but the scope of the coverage for insured losses in the offer was not consistent with the definition of an act of terrorism as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007, then the insurer must be able to demonstrate to Treasury’s satisfaction that it has provided a new offer of coverage as soon as possible following January 1, 2008. If an insurer made an initial offer of coverage or offer of renewal before December 26, 2007, for a policy term becoming effective in 2008, and the insurer made available coverage for insured losses in compliance with the Act and the definition of an act of terrorism in effect at the time of the offer, then the insurer is not required to make a new offer of coverage before the policy is due to be renewed by its terms, regardless of whether the offer was accepted or rejected.

§ 50.35 Entities that share profits and losses with private sector insurers.

(a) Treatment. A State residual market insurance entity or a State workers’ compensation fund that shares profits and losses with a private sector insurer is not deemed to be a separate insurer under the Program.

(b) Premium and loss calculation. A State residual market insurance entity or a State workers’ compensation fund that is not deemed to be a separate insurer, should continue to report, in accordance with normal business practices, to each participant insurer its share of premium income and insured losses, which shall then be included respectively in the participant insurer's funds are insurers under the Program even if such entities do not receive direct earned premiums.

§ 50.33 Entities that do not share profits and losses with private sector insurers.

(a) Treatment. A State residual market insurance entity or a State workers’ compensation fund that does not share profits and losses with a private sector insurer is deemed to be a separate insurer under the Program.

(b) Premium calculation. A State residual market insurance entity or a State workers’ compensation fund that is deemed to be a separate insurer should follow the guidelines specified in §50.5(d)(1) or 50.5(d)(2) for the purposes of calculating the appropriate measure of direct earned premium.

§ 50.24 Applicability of State law requirements.

(a) General. After satisfying the requirement to make available coverage for insured losses that does not differ materially from the terms, amounts, and other coverage limitations applicable to losses arising from events other than acts of terrorism, if coverage is rejected an insurer may then offer coverage that is on different terms, amounts, or coverage limitations, as long as such an offer does not violate any applicable State law requirements.

(b) Examples. (1) If an insurer subject to State regulation first makes available coverage in accordance with §50.20 and the State has a requirement that an insurer offer full coverage without any exclusion, then the requirement would continue to apply and the insurer may not subsequently offer less than full coverage or coverage with exclusions.

(2) If an insurer subject to State regulation first makes available coverage in accordance with §50.20 and the State permits certain exclusions or allows for other limitations, or an insurance policy is not governed by State law requirements, then the insurer may subsequently offer limited coverage or coverage with exclusions.

Subpart D—State Residual Market Insurance Entities; Workers’ Compensation Funds

§ 50.30 General participation requirements.

(a) Insurers. As defined in §50.5(f), all State residual market insurance entities and State workers’ compensation funds are insurers under the Program even if such entities do not receive direct earned premiums.

(b) Mandatory Participation. State residual market insurance entities and State workers’ compensation funds that meet the requirements of §50.5(f) are mandatory participants in the Program subject to the rules issued in this Subpart.

(c) Identification. Treasury will release and maintain a list of State residual market insurance entities and State workers’ compensation funds at www.treasury.gov/trip. Procedures for providing comments and updates to that list will be posted with the list.

§ 50.33 Entities that do not share profits and losses with private sector insurers.

(a) Treatment. A State residual market insurance entity or a State workers’ compensation fund that does not share profits and losses with a private sector insurer is deemed to be a separate insurer under the Program.

(b) Premium calculation. A State residual market insurance entity or a State workers’ compensation fund that is deemed to be a separate insurer should follow the guidelines specified in §50.5(d)(1) or 50.5(d)(2) for the purposes of calculating the appropriate measure of direct earned premium.

§ 50.35 Entities that share profits and losses with private sector insurers.

(a) Treatment. A State residual market insurance entity or a State workers’ compensation fund that shares profits and losses with a private sector insurer is not deemed to be a separate insurer under the Program.

(b) Premium and loss calculation. § 50.36 Allocation of premium income associated with entities that do share profits and losses with private sector insurers.

(a) Servicing Carriers. For purposes of this Subpart, a servicing carrier is an insurer that enters into an agreement to place and service insurance contracts to the State residual market insurance entity or State workers’ compensation fund and to cede premiums associated with such insurance contracts to the State residual market insurance entity or State workers’ compensation fund. Premiums written by a servicing carrier on behalf of a State residual market insurance entity or State workers’ compensation fund that are ceded to such an entity or fund shall not be included as direct earned premium (as described in §50.5(d)(1) or 50.5(d)(2)) of the servicing carrier.

(b) Participant Insurers. For purposes of this Subpart, a participant insurer is an insurer that shares in the profits and losses of a State residual market insurance entity or a State workers’ compensation fund. Premium income that is distributed to or assumed by participant insurers in a State residual market insurance entity or State workers’ compensation fund (whether directly or as quota share insurers of risks written by servicing carriers), shall be included in direct earned premium (as described in §50.5(d)(1) or 50.5(d)(2)) of the participant insurer.

Subpart E—Self-Insurance Arrangements; Captives [Reserved]

Subpart F—Claims Procedures

§ 50.50 Federal share of compensation.

(a) General. (1) The Treasury will pay the Federal share of compensation for insured losses as provided in section 103 of the Act once a Certification of Loss required by §50.53 is deemed sufficient. The Federal share of compensation under the Program shall be:

(i) 90 percent of that portion of the insurer’s aggregate insured losses that exceed its insurer deductible during each Program Year through Program Year 4, and

(ii) 85 percent of that portion of the insurer’s aggregate insured losses that exceed its insurer deductible during Program Year 5 and any Program Year thereafter.

(2) The percentages in paragraphs (a)(1)(i) and (ii) are both subject to any adjustments in §50.51 and the cap of $100 billion as provided in section 103(e)(2) of the Act.

(b) Program Trigger amounts. Notwithstanding paragraph (a) or anything in this Subpart to the contrary, no Federal share of compensation will be paid by Treasury unless the aggregate industry insured losses resulting from a certified act of terrorism occurring after March 31, 2006 exceed the following amounts:

(1) For a certified act of terrorism occurring after March 31, 2006 and before January 1, 2007: $50 million;

(2) For a certified act of terrorism occurring in 2007 and any Program Year thereafter: $100 million.

(c) Insured losses after March 31, 2006. For all purposes of subpart F, insured loss or insured losses or aggregate insured losses resulting from acts of terrorism after March 31, 2006 shall be limited to those insured losses resulting from Program Trigger events.

(d) Conditions for payment of Federal share. Subject to paragraph (e) of this section, Treasury shall pay the appropriate amount of the Federal share of compensation to an insurer upon a determination that:

(1) The insurer is an entity, including an affiliate thereof, that meets the requirements of §50.5(f);

(2) The insurer’s insured losses, as defined in §50.5(e) and limited by §50.50(c) (including the allocated dollar value of the insurer’s proportionate share of insured losses from a State residual market insurance entity or State workers’ compensation fund as described in §50.35), have exceeded its insurer deductible as defined in §50.5(g);

(3) The insurer has paid or is prepared to pay an underlying insured loss, based on a filed claim for the insured loss;
(4) Neither the insurer’s claim for Federal payment nor any underlying claim for an insured loss is fraudulent, collusive, made in bad faith, dishonest or otherwise designed to circumvent the purposes of the Act and regulations;

(5) The insurer had provided a clear and conspicuous disclosure as required by §§ 50.10 through 50.19 and a cap disclosure as required by § 50.15;

(6) The insurer offered coverage for insured losses and the offer was accepted by the insured prior to the occurrence of the loss;

(7) The insurer took all steps reasonably necessary to properly and carefully investigate the underlying insured loss and otherwise processed the underlying insured loss using appropriate insurance business practices;

(8) The insured losses submitted for payment are within the scope of coverage issued by the insurer under the terms and conditions of the policies for commercial property and casualty insurance as defined in § 50.5(n); and

(9) The procedures specified in this Subpart have been followed and all conditions for payment have been met.

(e) Adjustments. Treasury may subsequently adjust, including requiring repayment, any payment made under paragraph (d) of this section in accordance with its authority under the Act.

(f) Suspension of payment for other insured losses. Upon a determination by Treasury that an insurer has failed to meet any of the requirements for payment specified in paragraph (d) of this section for a particular insured loss, Treasury may suspend payment of the Federal share of compensation for all other insured losses of the insurer pending investigation and audit of the insurer’s insured losses.

(g) Aggregate industry losses. Treasury will determine the amount of aggregate industry insured losses resulting from a certified act of terrorism. If such aggregate industry insured losses exceed the applicable Program Trigger amounts specified in paragraph (b) of this section, Treasury will publish notice in the Federal Register that the act of terrorism is a Program Trigger event.

§ 50.51 Adjustments to the Federal share of compensation.

(a) Aggregate amount of insured losses. The aggregate amount of insured losses of an insurer in a Program Year used to calculate the Federal share of compensation shall be reduced by any amounts recovered by the insurer as salvage or subrogation for its insured losses in the Program Year.

(b) Amount of Federal share of compensation. The Federal share of compensation shall be adjusted as follows:

(1) No excess recoveries. For any Program Year, the sum of the Federal share of compensation paid by Treasury to an insurer and the insurer’s recoveries for insured losses from other sources shall not be greater than the insurer’s aggregate amount of insured losses for acts of terrorism in that Program Year. Amounts recovered for insured losses in excess of an insurer’s aggregate amount of insured losses in a Program Year shall be repaid to Treasury within 45 days after the end of the month in which total recoveries of the insurer, from all sources, become excess. For purposes of this paragraph, amounts recovered from a reinsurer pursuant to an agreement whereby the reinsurer’s right to any excess recovery has priority over the rights of Treasury shall not be considered a recovery subject to repayment to Treasury.

(2) Reduction of amount payable. The Federal share of compensation for insured losses under the Program shall be reduced by the amount of other compensation provided by other Federal programs to an insured or a third party to the extent such other compensation duplicates the insurance indemnification for those insured losses.

(i) Other Federal program compensation. For purposes of this section, compensation provided by other Federal programs for insured losses means compensation that is provided by Federal programs established for the purpose of compensating persons for losses in the event of emergencies, disasters, acts of terrorism, or similar events. Compensation provided by Federal programs for insured losses excludes benefit or entitlement payments, such as those made under the Social Security Act, under laws administered by the Secretary of Veteran Affairs, railroad
§ 50.52 Initial Notice of Insured Loss.

Each insurer shall submit to Treasury an Initial Notice of Insured Loss, on a form prescribed by Treasury, whenever the insurer’s aggregate insured losses (including reserves for “incurred but not reported” losses) within a Program Year exceed an amount equal to 50 percent of the insurer’s deductible as specified in §50.5(g). Insurers are advised the form for the Initial Notice of Insured Loss will include an initial estimate of aggregate losses for the Program Year, the amount of the insurer deductible and an estimate of the Federal share of compensation for the insurer’s aggregate insured losses. In the case of an affiliated group of insurers, the form for the Initial Notice of Insured Loss will include the name and address of a single designated insurer within the affiliated group that will serve as the single point of contact for the purpose of providing loss and compliance certifications as required in §50.53 and for receiving, disbursing, and distributing payments of the Federal share of compensation in accordance with §50.54. An insurer, at its option, may elect to include with its Initial Notice of Insured Loss the certification of direct earned premium required by §50.53(b)(3).

§ 50.53 Loss certifications.

(a) General. When an insurer has paid aggregate insured losses that exceed its insurer deductible, the insurer may make claim upon Treasury for the payment of the Federal share of compensation for its insured losses. The insurer shall file an Initial Certification of Loss, on a form prescribed by Treasury, and thereafter such Supplementary Certifications of Loss, on a form prescribed by Treasury, as may be necessary to receive payment for the Federal share of compensation for its insured losses.

(b) Initial Certification of Loss. An insurer shall use its best efforts to file with the Program the Initial Certification of Loss within 45 days following the last calendar day of the month when an insurer has paid aggregate insured losses that exceed its insurer deductible. The Initial Certification of Loss will include the following:

(1) A bordereau, on a form prescribed by Treasury, that includes basic information about each underlying insured loss. For purposes of this section, a “bordereau” is a report of basic information about an insurer’s underlying claims that, in the aggregate, constitute the insured losses of the insurer. The bordereau will include, but may not be limited to:

   (i) A listing of each underlying insured loss by catastrophe code and line of business;

   (ii) The total amount of reinsurance recovered from other sources;

   (iii) A calculation of the aggregate insured losses sustained by the insurer above its insurer deductible for the Program Year; and

   (iv) The amount the insurer claims as the Federal share of compensation for its aggregate insured losses.

(2) A certification that the insurer is in compliance with the provisions of section 103(b) of the Act and this part, including certifications that:

   (i) The underlying insured losses listed on the bordereau filed pursuant to §50.53(b)(1) either: Have been paid by the insurer; or will be paid by the insurer upon receipt of an advance payment of the Federal share of compensation as soon as possible, consistent with the insurer’s normal business practices, but not longer than five business days after receipt of the Federal share of compensation;

   (ii) The underlying claims for insured losses were filed by persons who suffered an insured loss, or by persons acting on behalf of such persons;
(iii) The underlying claims for insured losses were processed in accordance with appropriate business practices and the procedures specified in this subpart;

(iv) The insurer has complied with the disclosure requirements of §§50.10 through 50.19, and the cap disclosure requirement of §50.15, for each underlying insured loss that is included in the amount of the insurer’s aggregate insured losses; and

(v) The insurer has complied with the mandatory availability requirements of §§50.20 through 50.24.

(3) A certification of the amount of the insurer’s “direct earned premium” as defined in §50.5(d), together with the calculation of its “insurer deductible” as defined in §50.5(g) (provided this certification was not submitted previously with the Initial Notice of Insured Loss specified in §50.52).

(4) A certification that the insurer will disburse payment of the Federal share of compensation in accordance with this subpart.

(5) A certification that if Treasury has determined a Pro rata Loss Percentage (PRLP) (see §50.92), the insurer has complied with applying the PRLP to insured loss payments, where required.

(c) Supplementary Certification of Loss. If the total amount of the Federal share of compensation due an insurer for insured losses under the Act has not been determined at the time an Initial Certification of Loss has been filed, the insurer shall file monthly, or on a schedule otherwise determined by Treasury, Supplementary Certifications of Loss updating the amount of the Federal share of compensation owed for the insurer’s insured losses. Supplementary Certifications of Loss will include the following:

(1) A bordereau described in §50.53(b)(1); and

(2) A certification as described in §50.53(b)(2).

(d) Supplementary information. In addition to the information required in paragraphs (b) and (c) of this section, Treasury may require such additional supporting documentation as required to ascertain the Federal share of compensation for the insured losses of any insurer.

(e) State Residual Market Insurance Entities and State Workers’ Compensation Funds. The State residual market insurance entity or State workers’ compensation fund described in §50.35 shall provide the certifications described in §§50.53(b) and 50.53(c) for all its insured losses to each participating insurer at the time it provides the allocated dollar value of the participating insurer’s proportionate share of insured losses. In addition, at such time the State residual market insurance entity or State workers’ compensation fund shall provide the certification described in §50.53(b)(2) to Treasury. Participating insurers shall treat the allocated dollar value of their proportionate share of insured losses from a State residual market insurance entity or State workers’ compensation fund as an insured loss for the purpose of their own reporting to Treasury in seeking the Federal share of compensation.

§ 50.54 Payment of Federal share of compensation.

(a) Timing. Treasury will promptly pay to an insurer the Federal share of compensation due the insurer for its insured losses. Payment shall be made in such installments and on such conditions as determined by the Treasury to be appropriate. Any overpayments by Treasury of the Federal share of compensation will be offset from future payments to the insurer or returned to Treasury within 45 days.

(b) Payment process. Payment of the Federal share of compensation for insured losses will be made to the insurer designated on the Initial Notice of Loss required by §50.52. An insurer that requests payment of the Federal share of compensation for insured losses must receive payment through electronic funds transfer. The insurer may establish either an account for reimbursement as described in paragraph (c) of this section (if the insurer only seeks reimbursement) or a segregated account as described in paragraph (d) of this section (if the insurer seeks advance payments or a combination of

§ 50.55 Determination of Affiliations.

For the purposes of subpart F, an insurer’s affiliates for any Program Year shall be determined by the circumstances existing on the date of occurrence of the act of terrorism that is the first act of terrorism in a Program Year to be certified by the Secretary for that Program Year. Provided, however, if such act of terrorism occurs after March 31, 2006, the act of terrorism must also be a Program Trigger event to determine affiliations as provided in this section.

[71 FR 27572, May 11, 2006]

Subpart G—Audit and Investigative Procedures

§ 50.60 Audit authority.

The Secretary of the Treasury, or an authorized representative, shall have, upon reasonable notice, access to all books, documents, papers and records of an insurer that are pertinent to amounts paid to the insurer as the Federal share of compensation for insured losses, or pertinent to any Federal Terrorism Policy Surcharge that is imposed pursuant to subpart H of this part, for the purpose of investigation, confirmation, audit and examination.

[74 FR 66058, Dec. 14, 2009]

§ 50.61 Recordkeeping.

(a) Each insurer that seeks payment of a Federal share of compensation
§ 50.71 Determination of recoupment amounts.

(a) If payments for the Federal share of compensation have been made for a Program Year, and Treasury determines that insured loss information is sufficiently developed and credible to serve as a basis for calculating recoupment amounts, Treasury will make an initial determination of any mandatory or discretionary recoupment amounts for that Program Year.

(b)(1) Within 90 days after certification of an act of terrorism, the Secretary shall publish in the Federal Register an estimate of aggregate insured losses which shall be used as the basis for initially determining whether mandatory recoupment will be required.

(2) If at any time Treasury projects that payments for the Federal share of
compensation will be made for a Program Year, and that in order to meet the collection timing requirements of section 103(e)(7)(E) of the Act it is necessary to use an estimate of such payments as a basis for calculating recoupment amounts, Treasury will make an initial determination of any mandatory recoupment amounts for that Program Year.

(c) Following the initial determination of recoupment amounts for a Program Year, Treasury will recalculate any mandatory or discretionary recoupment amount as necessary and appropriate, and at least annually, until a final recoupment amount for the Program Year is determined. Treasury will compare any recalculated recoupment amount to amounts already remitted and/or to be remitted to Treasury for a Federal Terrorism Policy Surcharge previously established to determine whether any additional amount will be recouped by Treasury.

(d) For the purpose of determining initial or recalculated recoupment amounts, Treasury may issue a data call to insurers for insurer deductible and insured loss information by Program Year. Treasury’s determination of the aggregate amount of insured losses from Program Trigger Events of all insurers for a Program Year will be based on the amounts reported in response to a data call and any other information Treasury in its discretion considers appropriate. Submission of data in response to a data call shall be on a form promulgated by Treasury.

§ 50.72 Establishment of Federal Terrorism Policy Surcharge.

(a) Treasury will establish the Federal Terrorism Policy Surcharge based on the following factors and considerations:

1. In the case of a mandatory recoupment amount, the requirement to collect 133 percent of that amount;
2. The total dollar amount to be recouped as a percentage of the latest available annual aggregate industry direct written premium information;
3. The adjustment factors for terrorism loss risk-spreading premiums described in section 103(e)(8)(D) of the Act;

4. The annual 3 percent limitation on terrorism loss risk-spreading premiums collected on a discretionary basis as provided in section 103(e)(8)(C) of the Act;
5. A preferred minimum initial assessment period of one full year and subsequent extension periods in full year increments;
6. The collection timing requirements of section 103(e)(7)(E) of the Act;
7. The likelihood that the amount of the Federal Terrorism Policy Surcharge may result in the collection of an aggregate recoupment amount in excess of the planned recoupment amount; and
8. Such other factors as the Secretary considers important.

(b) The Federal Terrorism Policy Surcharge shall be the obligation of the policyholder and is payable to the insurer with the premium for a property and casualty insurance policy in effect during the assessment period established by Treasury. See §50.74(c).

§ 50.73 Notification of recoupment.

(a) Treasury will provide notifications of recoupment through publication of notices in the Federal Register or in another manner Treasury deems appropriate, based upon the circumstances of the act of terrorism under consideration.

(b) Treasury will provide reasonable advance notice to insurers of any initial Federal Terrorism Policy Surcharge effective date. This effective date shall be January 1, unless such date would not provide for sufficient notice of implementation while meeting the collection timing requirements of section 103(e)(7)(E) of the Act.

(c) Treasury will provide reasonable advance notice to insurers of any modification or cessation of the Federal Terrorism Policy Surcharge.

(d) Treasury will provide notification to insurers annually as to the continuation of the Federal Terrorism Policy Surcharge.

§ 50.74 Collecting the Surcharge.

(a) Insurers shall collect a Federal Terrorism Policy Surcharge from policyholders as required by Treasury.

(b) Policies subject to the Federal Terrorism Policy Surcharge are those
for which direct written premium is reported on commercial lines of business on the NAIC’s Exhibit of Premiums and Losses of the NAIC Annual Statement (commonly known as Statutory Page 14) as provided in §50.5(u)(1), or equivalently reported.

(c) For policies subject to the Federal Terrorism Policy Surcharge, the Surcharge shall be imposed and collected on a written premium basis for policies that incept or renew during the assessment period. All new, renewal, mid-term, and audit premiums for a policy term are subject to the Surcharge in effect on the policy term effective date. Notwithstanding this paragraph, if the premium for a policy term that would otherwise be subject to the Surcharge is revised after the end of the reporting period described in §50.75(e), then any additional premium attributable to such revision is not subject to the Surcharge. For purposes of this subpart:

(1) Written premium basis means the premium amount charged a policyholder by an insurer for property and casualty insurance as defined in §50.5(u), including all premiums, policy expense constants and fees defined as premium pursuant to the Statements of Statutory Accounting Principles established by the National Association of Insurance Commissioners, as adopted by the state for which the premium will be reported.

(2) In the case of a policy providing multiple insurance coverages, if an insurer cannot identify the premium amount charged a policyholder specifically for property and casualty insurance under the policy, then:

(i) If the insurer estimates that the portion of the premium amount charged for coverage other than property and casualty insurance is de minimis to the total premium for the policy, the insurer may impose and collect from the policyholder a Surcharge amount based on the total premium for the policy, but

(ii) If the insurer estimates that the portion of the premium amount charged for coverage other than property and casualty insurance is not de minimis, the insurer shall impose and collect from the policyholder a Surcharge amount based on a reasonable estimate of the premium amount for the property and casualty insurance coverage under the policy.

(3) The Federal Terrorism Policy Surcharge is not considered premium.

(d) A policyholder must pay the applicable Federal Terrorism Policy Surcharge when due. The insurer shall have such rights and remedies to enforce the collection of the Surcharge that are the equivalent to those that exist under applicable state or other law for nonpayment of premium.

(e) When an insurer returns an unearned premium, or otherwise refunds premium to a policyholder, it shall also return any Federal Terrorism Policy Surcharge collected that is attributable to the refunded premium. Notwithstanding this paragraph, if the written premium for a policy is revised and refunded after the end of the reporting period described in §50.75(e), then the insurer is not required to refund any Surcharge that is attributable to the refunded premium.

(f) Notwithstanding paragraphs (a), (b), and (c) of this section, if the expense of collecting the Federal Terrorism Policy Surcharge from all policyholders of an insurer during an assessment period exceeds the amount of the Surcharges anticipated to be collected, such insurer may satisfy its obligation to collect by omitting actual collection and instead remitting to Treasury the amount otherwise due.

(g) The Federal Terrorism Policy Surcharge is repayment of Federal financial assistance in an amount required by law. No fee or commission shall be charged on the Federal Terrorism Policy Surcharge.

§ 50.75 Remitting the surcharge.

(a) Each insurer shall provide a statement of direct written premium and Federal Terrorism Policy Surcharge to Treasury on a monthly basis, starting with the first month within the assessment period, through November of the calendar year and on an annual basis as of the last month of the calendar year. Reporting will be on a form prescribed by Treasury and will be due according to the following schedule:

(1) For each month beginning in the first month of the assessment period through November, the last business day of the calendar month following
the month for which premium is reported, and
(2) March 1 for the calendar year.
(b) The monthly statements provided to Treasury will include the following:
(1) Cumulative calendar year direct written premium adjusted for premium not subject to the Federal Terrorism Policy Surcharge, summarized by policy year.
(2) The aggregate Federal Terrorism Policy Surcharge amount calculated by applying the established Surcharge percentage to the insurer’s adjusted direct written premium by policy year.
(3) Insurer certification of the submission.
(c) The annual statements to be provided to Treasury will include the following:
(1) Direct written premium as defined in §50.5(g), adjusted for premium not subject to the Federal Terrorism Policy Surcharge, summarized by policy year and by commercial line of insurance as specified in §50.5(u).
(2) The aggregate Federal Terrorism Policy Surcharge amount calculated by applying the established Surcharge percentage to the insurer’s adjusted direct written premium by policy year.
(3) In the case of an insurer that has chosen not to collect the Federal Terrorism Policy Surcharge from its policyholders as provided in §50.74(f), a certification that the expense of collecting the Surcharge during the assessment period would have exceeded the amount of the Surcharges collected over the assessment period.
(4) Insurer certification of the submission.
(d) The calculated aggregate Federal Terrorism Policy Surcharge amount, as described in paragraphs (b)(2) and (c)(2) of this section, shall be remitted to Treasury upon submission of each monthly and annual statement. Through its submitted statements, an insurer obtains credit for a refund of any Federal Terrorism Policy Surcharge previously remitted to Treasury that was subsequently returned by the insurer to a policyholder as attributable to refunded premium under §50.74(e). A negative calculated amount in a monthly or annual statement indicates payment from Treasury is due to the insurer.
(e) Reporting shall continue for the one-year period following the end of the assessment period established by Treasury, unless otherwise permitted by Treasury.

§ 50.76 Insurer responsibility.
For purposes of the collection, reporting and remittance of Federal Terrorism Policy Surcharges to Treasury, an “insurer,” as defined in §50.5(l), shall not include any affiliate of the insurer.

Subpart I—Federal Cause of Action; Approval of Settlements

SOURCE: 69 FR 44941, July 28, 2004, unless otherwise noted.

§ 50.80 Federal cause of action and remedy.
(a) General. If the Secretary certifies an act as an act of terrorism pursuant to section 102 of the Act, there shall exist a Federal cause of action for property damage, personal injury, or death arising out of or resulting from such act of terrorism, pursuant to section 107 of the Act, which shall be the exclusive cause of action and remedy for claims for property damage, personal injury, or death arising out of or relating to such act of terrorism, except as provided in paragraph (c) of this section.
(b) Effective period. The exclusive Federal cause of action and remedy described in paragraph (a) of this section shall exist only for causes of action for property damage, personal injury, or death that arise out of or result from acts of terrorism that occur or occurred during the effective period of the Program.
(c) Rights not affected. Nothing in section 107 of the Act or this Subpart shall in any way:
(1) Limit the liability of any government, organization, or person who knowingly participates in, conspires to commit, aids and abets, or commits any act of terrorism;
(2) Affect any party’s contractual right to arbitrate a dispute; or
§ 50.81 State causes of action preempted.

All State causes of action of any kind for property damage, personal injury, or death arising out of or resulting from an act of terrorism that are otherwise available under State law are preempted, except that, pursuant to section 107(b) of the Act, nothing in this section shall limit in any way the liability of any government, organization, or person who knowingly participates in, conspires to commit, aids and abets, or commits the act of terrorism certified by the Secretary.

§ 50.82 Advance approval of settlements.

(a) Mandatory submission of settlements for advance approval. An insurer shall submit to Treasury for advance approval any proposed agreement to settle or compromise any Federal cause of action for property damage, personal injury, or death, asserted by a third-party or parties against an insured, involving an insured loss, all or part of the payment of which the insurer intends to submit as part of its claim for Federal payment under the Program, when:

(1) Any portion of the proposed settlement amount that is attributable to an insured loss or losses involving personal injury or death in the aggregate is $2 million or more per third-party claimant, regardless of the number of causes of action or insured losses being settled; or

(2) Any portion of the proposed settlement amount that is attributable to property damage (including loss of use) in the aggregate is $10 million or more per third-party claimant, regardless of the number of causes of action or insured losses being settled.

(b) Discretionary review of other settlements. Notwithstanding paragraph (a), Treasury may require that an insurer submit for review and advance approval any proposed agreement to settle or compromise any Federal cause of action for property damage, personal injury, or death, asserted by a third-party or parties against an insured, involving an insured loss, all or part of the payment of which the insurer intends to submit as part of its claim for Federal payment under the Program where the settlement amounts are below the applicable monetary thresholds identified in paragraphs (a)(1) and (2) of this section.

(c) Factors. In determining whether to approve a proposed settlement, Treasury will consider the nature of the loss, the facts and circumstances surrounding the loss, and other factors such as whether:

(1) The proposed settlement compensates for a third-party’s loss, the liability for which is an insured loss under the terms and conditions of the underlying commercial property and casualty insurance policy, as certified by the insurer pursuant to §50.83(d)(2);

(2) Any amount of the proposed settlement is attributable to punitive or exemplary damages intended to punish or deter (whether or not specifically so described as such damages);

(3) The settlement amount offsets amounts received from the United States pursuant to any other Federal program;

(4) The settlement amount does not include any items such as fees and expenses of attorneys, experts, and other professionals that have caused the insured losses under the underlying commercial property and casualty insurance policy to be overstated; and

(5) Any other criteria that Treasury may consider appropriate, depending on the facts and circumstances surrounding the settlement, including the information contained in §50.83.

(d) Settlement without seeking advance approval or despite disapproval. If an insurer settles a cause of action or agrees to the settlement of a cause of action without submitting the proposed settlement for Treasury’s advance approval in accordance with paragraph (a) or (b) of this section, and in accordance with §50.83 or despite Treasury’s disapproval of the proposed settlement, the insurer will not be entitled to include the paid settlement amount (or portion of the settlement amount, to the extent partially disapproved) in its aggregate insured losses for purposes of calculating the Federal share of compensation of its insured losses, unless the insurer can demonstrate, to the satisfaction of Treasury, extenuating circumstances.
§ 50.83 Procedure for requesting approval of proposed settlements.

(a) Submission of notice. Insurers must request advance approval of a proposed settlement by submitting a notice of the proposed settlement and other required information in writing to the Terrorism Risk Insurance Program Office or its designated representative. The address where notices are to be submitted will be available at http://www.treasury.gov/trip following any certification of an act of terrorism pursuant to section 102(1) of the Act.  
(b) Complete notice. Treasury will review requests for advance approval and determine whether additional information is needed to complete the notice.  
(c) Treasury response or deemed approval. Within 30 days after Treasury’s receipt of a complete notice, or as extended in writing by Treasury, Treasury may issue a written response and indicate its partial or full approval or rejection of the proposed settlement. If Treasury does not issue a response within 30 days after Treasury’s receipt of a complete notice, unless extended in writing by Treasury, the request for advance approval is deemed approved by Treasury. Any settlement is still subject to review under the claim procedures pursuant to § 50.50.  
(d) Notice format. A notice of a proposed settlement should be entitled, “Notice of Proposed Settlement—Request for Approval,” and should provide the full name and address of the submitting insurer and the name, title, address, and telephone number of the designated contact person. An insurer must provide all relevant information, including the following, as applicable:  
(1) A brief description of the insured’s underlying claim, the insured’s loss, the amount of the claim, the operative policy terms, defenses to coverage, and all damages sustained;  
(2) A certification by the insurer that the settlement is for a third-party’s loss the liability for which is an insured loss under the terms and conditions of the underlying commercial property and casualty insurance policy;  
(3) An itemized statement of all damages by category (i.e., actual, economic and non-economic loss, punitive damages, etc.);  
(4) A statement from the insurer or its attorney in support of the settlement;  
(5) The total dollar amount of the proposed settlement;  
(6) Indication as to whether the settlement was negotiated by counsel;  
(7) The amount to be paid that will compensate for any items such as fees and expenses of attorneys, experts, and other professionals for their services and expenses related to the insured loss and/or settlement and the net amount to be received by the third-party after such payment;  
(8) The amount received from the United States pursuant to any other Federal program for compensation of insured losses related to an act of terrorism;  
(9) The proposed terms of the written settlement agreement, including release language and subrogation terms;  
(10) If requested by Treasury, other relevant agreements, including:  
(i) Admissions of liability or insurance coverage;  
(ii) Determinations of the number of occurrences under a commercial property and casualty insurance policy;  
(iii) The allocation of paid amounts or amounts to be paid to certain policies, or to specific policy, coverage and/or aggregate limits; and  
(iv) Any other agreement that may affect the payment or amount of the Federal share of compensation to be paid to the insurer;  
(11) A statement indicating whether the proposed settlement has been approved by the Federal court or is subject to such approval and whether such approval is expected or likely; and  
(12) Such other information that is related to the insured loss as may be requested by Treasury that it deems necessary to evaluate the proposed settlement.  

§ 50.84 Subrogation.

An insurer shall not waive its rights of subrogation under its property and casualty insurance policy and preserve the subrogation right of the United States as provided by section 107(c) of the Act by not taking any action that would prejudice the United States’ right of subrogation.
§ 50.85 Amendment related to settlement approval.

Section 107(a)(6) of the Act, added December 22, 2005, provides that procedures and requirements established by the Secretary under § 50.82 (as in effect on the date of issuance of that section in final form) shall apply to any cause of action described in section 107(a)(1) of the Act.

Subpart J—Cap on Annual Liability

SOURCE: 74 FR 66067, Dec. 14, 2009, unless otherwise noted.

§ 50.90 Cap on annual liability.

Pursuant to Section 103 of the Act, if the aggregate insured losses exceed $100,000,000,000 during any Program Year:

(a) The Secretary shall not make any payment for any portion of the amount of such losses that exceeds $100,000,000,000;

(b) No insurer that has met its insurer deductible shall be liable for the payment of any portion of the amount of such losses that exceeds $100,000,000,000; and

(c) The Secretary shall determine the pro rata share of insured losses to be paid by each insurer that incurs insured losses under the Program.

§ 50.91 Notice to Congress.

Pursuant to section 103(e)(3) of the Act, the Secretary shall provide an initial notice to Congress within 15 days of the certification of an act of terrorism, stating whether the Secretary estimates that aggregate insured losses will exceed $100,000,000,000 for the Program Year in which the event occurs. Such initial estimate shall be based on insured loss amounts as compiled by insurance industry statistical organizations and any other information the Secretary in his or her discretion considers appropriate. The Secretary shall also notify Congress if estimated or actual aggregate insured losses exceed $100,000,000,000 during any Program Year.

§ 50.92 Determination of pro rata share.

(a) Pro rata loss percentage (PRLP) is the percentage determined by the Secretary to be applied by an insurer against the amount that would otherwise be paid by the insurer under the terms and conditions of an insurance policy providing property and casualty insurance under the Program if there were no cap on annual liability under section 103(e)(2)(A) of the Act.

(b) Except as provided in paragraph (e) of this section, if Treasury estimates that aggregate insured losses may exceed the cap on annual liability for a Program Year, then Treasury will determine a PRLP. The PRLP applies to insured loss payments by insurers for insured losses incurred in the subject Program Year, as specified in § 50.93, from the effective date of the PRLP, as established by Treasury, until such time as Treasury provides notice that the PRLP is revised. Treasury will determine the PRLP based on the following considerations:

1. Estimates of insured losses from insurance industry statistical organizations;
2. Any data calls issued by Treasury (see § 50.94);
3. Expected reliability and accuracy of insured loss estimates and likelihood that insured loss estimates could increase;
4. Estimates of insured losses and expenses not included in available statistical reporting;
5. Such other factors as the Secretary considers important.

(c) Treasury shall provide notice of the determination of the PRLP through publication in the Federal Register, or in another manner Treasury deems appropriate, based upon the circumstances of the act of terrorism under consideration.

(d) As appropriate, Treasury will determine any revision to a PRLP based on the same considerations listed in paragraph (b) of this section, and will provide notice for its application to insured loss payments.

(e) If Treasury estimates based on an initial act of terrorism or subsequent act of terrorism within a Program Year that aggregate insured losses may exceed the cap on annual liability, but an
appropriate PRLP cannot yet be determined, Treasury will provide notification advising insurers of this circumstance and, after consulting with the relevant State authorities, may initiate the action described in either paragraph (e)(1) or (e)(2) of this section.

(1) Call a hiatus in insurer loss payments for insured losses of up to two weeks. In such a circumstance, Treasury will determine a PRLP as quickly as possible. The PRLP, as later determined, will be effective retroactively as of the start of the hiatus. Any insured losses submitted in support of an insurer’s claim for the Federal share of compensation will be reviewed for the insurer’s compliance with pro rata payments in accordance with the effective date of the PRLP.

(2) Determine an interim PRLP. (i) An interim PRLP is an amount determined without the availability of information necessary for consideration of all factors listed in §50.92(b). It is a conservatively low percentage amount determined in order to facilitate initial partial claim payments by insurers after an act of terrorism and prior to the time that information becomes available to determine a PRLP based on consideration of the factors listed in §50.92(b).

(ii) In such a circumstance, Treasury will determine a PRLP to replace the interim PRLP as quickly as possible. The PRLP, as later determined, will be effective retroactively as of the effective date of the interim PRLP. Any insured losses submitted in support of an insurer’s claim for the Federal share of compensation will be reviewed for the insurer’s compliance with pro rata payments in accordance with the effective date of the interim PRLP, or as later replaced by the PRLP as appropriate.

§50.93 Application of pro rata share.

An insurer shall apply the PRLP to determine the pro rata share of each insured loss to be paid by the insurer on all insured losses where there is not an agreement on a complete and final settlement as evidenced by a signed settlement agreement or other means reviewable by a third party as of the effective date established by Treasury. Payments based on the application of the PRLP and determination of the pro rata share satisfy the insurer’s liability for payment under the Program. Application of the PRLP and the determination of the pro rata share are the exclusive means for calculating the amount of insured losses for Program purposes. The pro rata share is subject to the following:

(a) The pro rata share is determined based on the estimated or actual final claim settlement amount that would otherwise be paid.

(b) All policies. If partial payments have already been made as of the effective date of the PRLP, then the pro rata share for that loss is the greater of the amount already paid as of the effective date of the PRLP or the amount computed by applying the PRLP to the estimated or actual final claim settlement amount that would otherwise be paid.

(c) Certain workers’ compensation insurance policies. If an insurer’s payments under a workers’ compensation policy cumulatively exceed the amount computed by applying the PRLP to the estimated or actual final claim settlement amount that would otherwise be paid because such estimated or actual final settlement amount is reduced from a previous estimate, then the insurer may request a review and adjustment by Treasury in the calculation of the Federal share of compensation. In requesting such a review, the insurer must submit information to supplement its Certification of Loss demonstrating a reasonable estimate invalidated by unexpected conditions differing from prior assumptions including, but not limited to, an explanation and the basis for the prior assumptions.

(d) If an insurer has not yet made payments in excess of its insurer deductible, the rules in this paragraph apply.

(1) If the insurer estimates that it will exceed its insurer deductible making payments based on the application of the PRLP to its insured losses, then the insurer shall apply the PRLP as of the effective date specified in §50.92(b).

(2)(i) If the insurer estimates that it will not exceed its insurer deductible making payments based on the application of the PRLP to its insured losses, then the insurer may make payments
§ 50.95 Final amount.

(a) Treasury shall determine if, as a final proration, remaining insured loss payments, as well as adjustments to previous insured loss payments, can be made by insurers based on an adjusted PRLP, and aggregate insured losses still remain within the cap on annual liability. In such a circumstance, Treasury will notify insurers as to the final PRLP and its application to insured losses.

(b) If paragraph (a) of this section applies, Treasury may require, as part of the insurer submission for the Federal share of compensation for insured losses, a supplementary explanation regarding how additional payments will be provided on previously settled insured losses.

(c) An insurer that has prorated its insured losses, but that has not met its insurer deductible, remains liable for loss payments that in the aggregate bring the insurer’s total insured loss payments up to an amount equal to the lesser of its insured losses without proration or its insurer deductible.

§ 50.94 Data call authority.

For the purpose of determining initial or recalculated PRLPs, Treasury may issue a data call to insurers for insured loss information. Submission of data in response to a data call shall be on a form promulgated by Treasury.

82.3 Definitions.
82.4 Penalties.

SOURCE: 72 FR 61055, Oct. 29, 2007, unless otherwise noted.

§ 82.1 Prohibitions.

Except as specifically authorized by the Secretary of the Treasury (or designee) or as otherwise provided in this part, no person shall export, melt, or treat:

(a) Any 5-cent coin of the United States; or
(b) Any one-cent coin of the United States.

§ 82.2 Exceptions.

(a) The prohibition contained in §82.1 against the exportation of 5-cent coins and one-cent coins of the United States shall not apply to:

(1) The exportation in any one shipment of 5-cent coins and one-cent coins having an aggregate face value of not more than $100 that are to be legitimately used as money or for numismatic purposes. Nothing in this paragraph shall be construed to authorize export for the purpose of sale or resale of coins for melting or treatment by any person.

(2) The exportation of 5-cent coins and one-cent coins carried on an individual, or in the personal effects of an individual, departing from a place subject to the jurisdiction of the United States, when the aggregate face value is not more than $5, or when the aggregate face value is not more than $25 and it is clear that the purpose for exporting such coins is for legitimate personal numismatic, amusement, or recreational use.

(b) The prohibition contained in §82.1 against the treatment of 5-cent coins and one-cent coins shall not apply to the treatment of these coins for educational, amusement, novelty, jewelry, and similar purposes as long as the volumes treated and the nature of the treatment makes it clear that such treatment is not intended as a means by which to profit solely from the value of the metal content of the coins.

(c) The prohibition contained in §82.1 against the exportation, melting, or treatment of 5-cent and one-cent coins of the United States shall not apply to coins exported, melted, or treated incidental to the recycling of other materials so long as—

(1) Such 5-cent and one-cent coins were not added to the other materials for their metallurgical value;

(2) The volumes of the 5-cent coins and one-cent coins, relative to the volumes of the other materials recycled, makes it clear that the presence of such coins is merely incidental; and
(3) The separation of the 5-cent and one-cent coins from the other materials would be impracticable or cost prohibitive.

(d) The prohibition contained in §82.1 against the exportation, melting, or treatment of 5-cent coins and one-cent coins shall not apply to 5-cent coins inscribed with the years 1942, 1943, 1944, or 1945 that are composed of an alloy comprising copper, silver and manganese.

(e) The prohibition contained in §82.1 against the exportation of 5-cent coins and one-cent coins shall not apply to 5-cent coins and one-cent coins exported by a Federal Reserve Bank or a domestic depository institution, or to a foreign central bank, when the exportation of such 5-cent coins and one-cent coins is for use as circulating money.

(f)(1) The prohibition contained in §82.1 against exportation, melting, or treatment of 5-cent coins and one-cent coins of the United States shall not apply to coins exported, melted, or treated under a written license issued by the Secretary of the Treasury (or designee).

(2) Applications for licenses should be transmitted to the Director, United States Mint, 801 9th Street, NW., Washington, DC 20220.

(d) Person means any individual, partnership, association, corporation, or other organization, but does not include an agency of the Government of the United States:

(e) Treat or treatment means to smelt, refine, or otherwise treat by heating, or by a chemical, electrical, or mechanical process.

§ 82.4 Penalties.

(a) Any person who exports, melts, or treats 5-cent coins or one-cent coins of the United States in violation of §82.1 shall be subject to the penalties specified in 31 U.S.C. 5111(d), including a fine of not more than $10,000 and/or imprisonment of not more than 5 years.

      (1) If no written response is received within the time allowed in §92.16(b), a Final Notice of Assessment may be issued without a presentation by the person;
      (2) If a written response has been made and the examining official deems it necessary, the examining official may request, orally or in writing, additional information from the respondent;
      (3) A Final Notice of Assessment may be issued in accordance with §92.17 requiring that the proposed civil penalty be paid;
      (4) A Final Notice of Assessment is subject to judicial review in accordance with 5 U.S.C. 701 et seq.; and
      (5) All submissions sent in response to the Initial Notice of Assessment must be transmitted to the address specified in the notice and include the name, address, and telephone number of the respondent.

§92.16 Written response.
(a) Form and contents. (1) The written response submitted by a person pursuant to §92.15(d)(2) must provide the following:
   (i) A reference to and specific identification of the Initial Notice of Assessment involved;
   (ii) The full name of the person against whom the Initial Notice of Assessment has been made;
   (iii) If the respondent is not a natural person, the name and title of the officer authorized to act on behalf of the respondent; and
   (iv) If a representative of the person named in the Initial Notice of Assessment is filing the written response, a copy of the duly executed designation as representative.
   (2) The written response must admit or deny each violation of §92.13 set
forth in the Initial Notice of Assessment. Any violation not specifically denied will be presumed to be admitted. Where a violation is denied, the respondent shall specifically set forth the legal or factual basis upon which the allegation is denied. If the basis of the written response is that the respondent is not the person responsible for the alleged violation, the written response must set forth sufficient information to allow the examining and assessing officials to determine the truth of such an assertion. The written response should include any and all documents and other information that the respondent believes should be a part of the administrative record on the matter.

(b) Time. (1) Except as provided in paragraph (b)(2) of this section, any written response made under this section must be submitted not later than 30 days after the date of the Initial Notice of Assessment.

(2) If a request for documents or other evidence is made pursuant to §92.15(d)(4), the written response must be submitted not later than 20 days after the date of the United States Mint’s response to the request.

(3)(i) In computing the number of days allowed for filing a written response under this paragraph, the first day counted is the day after the date of the Initial Notice of Assessment is issued. If the last date on which the response is required to be filed by this paragraph is a Saturday, Sunday or Federal holiday, the response will be due on the next business day after that date.

(ii) If a response is transmitted by United States mail, it will be deemed timely filed if postmarked on or before the due date.

(4) The examining official may extend the period for making a written response under paragraphs (b)(1) and (b)(2) of this section for up to ten days for good cause shown. Requests for extensions beyond ten days must be approved by the assessing official and must be based on good cause shown. Generally, failure to obtain representation in a timely manner will not be considered good cause.

(c) Filing. The response may be sent by personal delivery, United States mail or commercial delivery. A written response transmitted by means other than United States mail will be considered filed on the date received at the address specified in the Initial Notice of Assessment.

(d) Review and Recommendation. The examining official will fully consider the facts and arguments submitted by the respondent in the written response, any other documents filed by the respondent pursuant to this subpart, and the evidence in the United States Mint’s record on the matter. If the respondent waives the right to submit a written response in accordance with §92.15(d)(1), or declines to submit a written response by the end of the 30-day response period, the examining official will fully consider the evidence in the United States Mint’s record on the matter.

(1) In fully considering the matter, the examining official will not consider any evidence introduced into the record by the United States Mint after the date of the Initial Notice of Assessment unless and until the respondent has been notified that such additional evidence will be considered, and has had an opportunity to request, review and comment on such evidence.

(2) The examining official will prepare a concise report, addressed to the assessing official, which will contain the following:

(i) The entire administrative record on the matter, including all information provided in or with a written response timely filed by the respondent and any additional information provided pursuant to §92.15(e)(2), as well as all evidence upon which the Initial Notice of Assessment was based, and any additional evidence as provided for in §92.16(d)(1).

(ii) A finding, based on the preponderance of the evidence, as to each alleged violation specified in the Initial Notice of Assessment;

(iii) For each violation that the examining official determines to have occurred, a recommendation as to the appropriate amount of a civil penalty to be imposed which, upon additional consideration of the evidence, may be the same as, more than, or less than the amount initially proposed by the examining official pursuant to §92.15.
making this recommendation, the examining official will consider all relevant factors including, but not limited to, the following:

(A) The scope of the misuse;
(B) The purpose and/or nature of the misuse;
(C) The extent of the harm caused by the misuse;
(D) The circumstances of the misuse;
(E) The commercial benefit intended to be derived from the misuse; and
(F) The repeated nature of the misuse.

(iv) If the examining official determines that a violation has occurred, a proposed Final Notice of Assessment that incorporates his or her findings and recommendations.

(v) Any additional information or considerations that the assessing officer should consider in a decision whether to issue a Final Notice of Assessment under §92.17.

§ 92.17 Final action.

(a) In making a final determination whether to impose a penalty, the assessing official shall take into consideration the entire report prepared by the examining official. Although the assessing official should accord appropriate weight to the findings and recommendations of the examining official, the assessing official is not bound by them. The assessing official may approve, disapprove, modify, or substitute any or all of the examining official’s findings and recommendations if, in his or her judgment, the evidence in the record supports such a decision. The assessing official will determine whether:

(1) The facts warrant a conclusion that no violation has occurred; or
(2)(i) The facts warrant a conclusion that one or more violations have occurred; and

(ii) The facts and violations found justify the conclusion that a civil penalty should be imposed.

(b) If the assessing official determines that no violation has occurred, the official shall promptly send a letter indicating that determination to the person served with an Initial Notice of Assessment and to any designated representative of such person.

(c) If the assessing official determines that a violation has occurred:

(1) The assessing official shall issue a Final Notice of Assessment to the person served with an Initial Notice of Assessment and to any designated representative of such person.

(2) The assessing official may, in his or her discretion:

(i) Impose a civil penalty;
(ii) Not impose a civil penalty; or
(iii) Impose a civil penalty and suspend the payment of all or some of the civil penalty, conditioned on the violator’s future compliance with 31 U.S.C. 333.

(3) If a civil penalty is imposed under §92.17(c)(2)(i) or (iii), the assessing official shall determine the appropriate amount of the penalty in accordance with 31 U.S.C. 333(c)(2). In determining the amount of a civil penalty, the assessing official will consider relevant factors including, but not limited to, the following:

(i) The scope of the misuse;
(ii) The purpose and/or nature of the misuse;
(iii) The extent of the harm caused by the misuse;
(iv) The circumstances of the misuse;
(v) The commercial benefit intended to be derived from the misuse; and
(vi) The repeated nature of the misuse.

(4) The Final Notice of Assessment shall:

(i) Include the following:

(A) A specific reference to each provision of §92.13 found to have been violated;
(B) A concise statement of the facts supporting a conclusion that each violation has occurred;
(C) An analysis of how the facts and each violation justifies the conclusion that a civil penalty should be imposed; and
(D) The amount of each civil penalty imposed and a statement as to how the amount of each penalty was determined; and

(ii) Inform the person of the following:

(A) Payment of a civil penalty imposed by the Final Notice of Assessment must be made within 30 days of the date of the notice;
Monetary Offices, Treasury

(B) Payment of a civil penalty imposed by the Final Notice of Assessment shall be paid by EFT in accordance with instructions provided in the notice, unless the assessing official has given written approval to have payment made by other means;

(C) If payment of a civil penalty imposed by the Final Notice of Assessment has been suspended on the condition that the person comply in the future with 31 U.S.C. 333 and this subpart, the failure by the person to so comply will make the civil penalty payable on demand;

(D) If a civil penalty is not paid within 30 days of the date of the Final Notice of Assessment (or on demand under paragraph (c)(3)(ii)(D) of this section), a civil action to collect the penalty or enforce compliance may be commenced at any time within two years of the date of the Final Notice of Assessment; and

(E) Any civil penalty imposed by the Final Notice of Assessment may be subject to judicial review in accordance with 5 U.S.C. 701 et seq.

§ 92.18 Judicial review.

A Final Notice of Assessment issued under the procedures in this subpart may be subject to judicial review pursuant to 5 U.S.C. 701 et seq.

§ 100.2 Scope of regulations; transactions effected through Federal Reserve banks and branches; distribution of coin and currencies.

The regulations in this part govern the exchange of the coin and paper currency of the United States (including national bank notes and Federal Reserve bank notes in process of retirement and Federal Reserve notes). Under authorization in the Act approved May 29, 1920, 41 Stat. 655 (31 U.S.C. 476), the Secretary of the Treasury transferred to the Federal Reserve banks and branches the duties and functions performed by the former Assistant Treasurers of the United States in connection with the exchange of paper currency and coin of the United States. Except for the duties in this respect to be performed by the Treasurer of the United States and the Director of the Mint, as may be indicated from time to time by the Secretary of the Treasury, exchanges of the paper currency and coin of the United States and the distribution and replacement thereof will, so far as practicable, be effected through the Federal Reserve banks and branches. The Federal Reserve banks and branches are authorized to distribute available supplies of coin and currency to depository institutions, as that term is defined in section 103 of the Monetary Control Act of 1980 (Pub. L. 96–221). As authorized by section 107 of the Act, transportation of coin and currency and coin wrapping
services will be provided according to a schedule of fees established by the Board of Governors of the Federal Reserve System. Inquiries by depository institutions regarding distribution and related services should be addressed to the Federal Reserve bank of the district where the institution is located.

Subpart A—In General

§ 100.3 Lawfully held coin and currencies in general.

The official agencies of the Department of the Treasury will continue to exchange lawfully held coins and currencies of the United States, dollar for dollar, for other coins and currencies which may be lawfully acquired and are legal tender for public and private debts. Paper currency of the United States which has been falsely altered and coins altered to render them for use as other denominations will not be redeemed since such currency and coins are subject to forfeiture under Title 18, United States Code, section 492. Persons receiving such currency and coins should notify immediately the nearest local office of the U.S. Secret Service of the Department of the Treasury, and hold the same pending advice from the Service.

§ 100.4 Gold coin and gold certificates in general.

Gold coins, and gold certificates of the type issued before January 30, 1934, are exchangeable, as provided in this part, into other currency or coin which may be lawfully issued.

Subpart B—Request for Examination of Mutilated Currency for Possible Redemption

Source: 79 FR 30725, May 29, 2014, unless otherwise noted.

§ 100.5 Mutilated paper currency.

(a) General. Lawfully held mutilated paper currency of the United States may be submitted for examination in accord with the provisions in this subpart. Such currency may be redeemed at face amount if sufficient remnants of any relevant security feature and clearly more than one-half of the original note remains. Fragments of such mutilated currency which are not clearly more than one-half of the original whole note or are lacking sufficient remnants of any relevant security feature will be redeemed at face value only if the Director, Bureau of Engraving and Printing, Department of the Treasury, is satisfied that the missing portions have been totally destroyed. The Director's judgment shall be based on such evidence of total destruction as is necessary and shall be final. Any submission under this subpart shall be deemed an acceptance of all provisions contained herein.

(b) Definitions. The following definitions are used in this subpart:

Mutilated currency is currency which has been damaged to the extent that:
(i) One-half or less of the original note remains; or
(ii) Its condition is such that its value is questionable and the currency must be forwarded to the Department of the Treasury for the examination by trained experts before any redemption is made.

Unfit currency is currency which is unfit for further circulation because of its physical condition such as torn, dirty, limp, worn or defaced. Unfit currency should not be forwarded to the Department of the Treasury, but may be exchanged at commercial banks.

§ 100.6 Destroyed paper currency.

No relief will be granted on account of lawfully held paper currency which has been totally destroyed.

§ 100.7 Treasury's redemption process.

(a) Lawful holders of mutilated currency may receive a redemption at full value when:
(1) Clearly more than 50% of a note identifiable as United States currency is present along with sufficient remnants of any relevant security feature; or
(2) Fifty percent or less of a note identifiable as United States currency is present and the method of mutilation and supporting evidence demonstrate to the satisfaction of the Treasury that the missing portions have been totally destroyed.

(b) No redemption will be made when:
§ 100.9 Notices.

(a) The Director may provide information pertaining to any mutilated

§ 100.8 Packaging and shipping of mutilated currency.

Mutilated currency examiners are best able to determine the value of the currency when it has been carefully packed and boxed as described below. As a result, failure to follow the directions in this section may result in a denial of redemption:

(a) Regardless of the condition of the currency, do not disturb the fragments more than is absolutely necessary.

(b) If the currency is brittle or inclined to fall apart, pack it carefully in cotton and box it as found, without disturbing the fragments, if possible.

(c) If the currency was in a purse, box, or other container when mutilated, it should be left therein, if possible, in order to prevent further deterioration of the fragments or from their being lost.

(d) If it is absolutely necessary to remove the fragments from the container, send the container with the currency and any other contents found, except as noted in paragraph (g) of this section.

§ 132.6 Non-exclusive examples of policies and procedures.

(a) In general. The examples of policies and procedures to identify and block or otherwise prevent or prohibit restricted transactions set out in this section are non-exclusive. In establishing and implementing written policies and procedures to identify and block or otherwise prevent or prohibit restricted transactions, a non-exempt participant in a designated payment system is permitted to design and implement policies and procedures tailored to its business that may be different than the examples provided in this section. In addition, non-exempt participants may use different policies and procedures with respect to different business lines or different parts of the organization.

(b) Due diligence. If a non-exempt participant in a designated payment system establishes and implements procedures for due diligence of its commercial customer accounts or commercial customer relationships in order to comply, in whole or in part, with the requirements of this regulation, those due diligence procedures will be deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if the procedures include the steps set out in paragraphs (b)(1), (b)(2), and (b)(3) of this section and subject to paragraph (b)(4) of this section.

(1) At the establishment of the account or relationship, the participant conducts due diligence of a commercial customer and its activities commensurate with the participant’s judgment of the risk of restricted transactions presented by the customer’s business.

(2) Based on its due diligence, the participant makes a determination regarding the risk the commercial customer presents of engaging in an Internet gambling business and follows either paragraph (b)(2)(i) or (b)(2)(ii) of this section.

(i) The participant determines that the commercial customer presents a minimal risk of engaging in an Internet gambling business.

(ii) The participant cannot determine that the commercial customer presents a minimal risk of engaging in an Internet gambling business, in which case it obtains the documentation in either paragraph (b)(2)(ii)(A) or (b)(2)(ii)(B) of this section—

(A) Certification from the commercial customer that it does not engage in an Internet gambling business; or

(B) If the commercial customer does engage in an Internet gambling business, each of the following—

(1) Evidence of legal authority to engage in the Internet gambling business, such as—

(i) A copy of the commercial customer’s license that expressly authorizes the customer to engage in the Internet gambling business issued by the appropriate State or Tribal authority or, if the commercial customer does
not have such a license, a reasoned legal opinion that demonstrates that the commercial customer’s Internet gambling business does not involve restricted transactions; and

(ii) A written commitment by the commercial customer to notify the participant of any changes in its legal authority to engage in its Internet gambling business. 

(2) A third-party certification that the commercial customer’s systems for engaging in the Internet gambling business are reasonably designed to ensure that the commercial customer’s Internet gambling business will remain within the licensed or otherwise lawful limits, including with respect to age and location verification.

(3) The participant notifies all of its commercial customers, through provisions in the account or commercial customer relationship agreement or otherwise, that restricted transactions are prohibited from being processed through the account or relationship.

(4) With respect to the determination in paragraph (b)(2)(i) of this section, participants may deem the following commercial customers to present a minimal risk of engaging in an Internet gambling business—

(i) An entity that is directly supervised by a Federal functional regulator as set out in §132.7(a); or

(ii) An agency, department, or division of the Federal government or a State government.

(c) Automated clearing house system examples. (1) The policies and procedures of the originating depository financial institution and any third party processor in an ACH debit transaction, and the receiving depository financial institution and any third party processor in an ACH credit transaction, are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if they—

(i) Address methods to conduct due diligence in establishing a commercial customer account or relationship as set out in §132.6(b);

(ii) Address methods to conduct due diligence as set out in §132.6(b)(2)(ii)(B) in the event that the participant has actual knowledge that an existing commercial customer of the participant engages in an Internet gambling business; and

(iii) Include procedures to be followed with respect to a commercial customer if the originating depository financial institution or third-party processor has actual knowledge that its commercial customer has originated restricted transactions as ACH debit transactions or if the receiving depository financial institution or third-party processor has actual knowledge that its commercial customer has received restricted transactions as ACH credit transactions, such as procedures that address—

(A) The circumstances under which the commercial customer should not be allowed to originate ACH debit transactions or receive ACH credit transactions; and

(B) The circumstances under which the account should be closed.

(2) The policies and procedures of a receiving gateway operator and third-party processor that receives instructions to originate an ACH debit transaction directly from a foreign sender are deemed to be reasonably designed to prevent or prohibit restricted transactions if they include procedures to be followed with respect to a foreign sender if the receiving gateway operator or third-party processor has actual knowledge, obtained through notification by a government entity, such as law enforcement or a regulatory agency, that such instructions included instructions for restricted transactions. Such procedures may address sending notification to the foreign sender, such as in the form of the notice contained in appendix A to this part.

(d) Card system examples. The policies and procedures of a card system operator, a merchant acquirer, third-party processor, or a card issuer, are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions, if the policies and procedures—

(1) Provide for either—

(i) Methods to conduct due diligence—

(A) In establishing a commercial customer account or relationship as set out in §132.6(b); and

(B) In establishing a commercial customer account or relationship as set out in §132.6(b); and

(ii) Implementation of a code system, such as transaction codes and merchant/business category codes, that are required to accompany the authorization request for a transaction, including—

(A) The operational functionality to enable the card system operator or the card issuer to reasonably identify and deny authorization for a transaction that the coding procedure indicates may be a restricted transaction; and

(B) Procedures for ongoing monitoring or testing by the card system operator to detect potential restricted transactions, including—

(1) Conducting testing to ascertain whether transaction authorization requests are coded correctly; and

(2) Monitoring and analyzing payment patterns to detect suspicious payment volumes from a merchant customer; and

(2) For the card system operator, merchant acquirer, or third-party processor, include procedures to be followed when the participant has actual knowledge that a merchant has received restricted transactions through the card system, such as—

(i) The circumstances under which the access to the card system for the merchant, merchant acquirer, or third-party processor should be denied; and

(ii) The circumstances under which the merchant account should be closed.

(e) Check collection system examples. (1) The policies and procedures of a depositary bank are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if they—

(i) Address methods for the depositary bank to conduct due diligence in establishing a commercial customer account or relationship as set out in §132.6(b);

(ii) Address methods for the depositary bank to conduct due diligence as set out in §132.6(b)(2)(ii)(B) in the event that the depositary bank has actual knowledge that an existing commercial customer engages in an Internet gambling business; and

(iii) Include procedures to be followed if the depositary bank has actual knowledge that a commercial customer of the depositary bank has deposited checks that are restricted transactions, such as procedures that address—

(A) The circumstances under which check collection services for the customer should be denied; and

(B) The circumstances under which the account should be closed.

(2) The policies and procedures of a depositary bank that receives checks for collection from a foreign banking office are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if they include procedures to be followed by the depositary bank when it has actual knowledge, obtained through notification by a government entity, such as law enforcement or a regulatory agency, that a foreign banking office has sent checks to the depositary bank that are restricted transactions. Such procedures may address sending notification to the foreign banking office, such as in the form of the notice contained in the appendix to this part.

(f) Money transmitting business examples. The policies and procedures of an operator of a money transmitting business are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if they—

(1) Address methods for the operator to conduct due diligence in establishing a commercial customer relationship as set out in §132.6(b);

(2) Address methods for the operator to conduct due diligence as set out in §132.6(b)(2)(ii)(B) in the event that the operator has actual knowledge that an existing commercial customer engages in an Internet gambling business;

(3) Include procedures regarding ongoing monitoring or testing by the operator to detect potential restricted transactions, such as monitoring and analyzing payment patterns to detect suspicious payment volumes to any recipient; and
(4) Include procedures when the operator has actual knowledge that a commercial customer of the operator has received restricted transactions through the money transmitting business, that address—
   (i) The circumstances under which money transmitting services should be denied to that commercial customer; and
   (ii) The circumstances under which the commercial customer account should be closed.

(g) Wire transfer system examples. The policies and procedures of the beneficiary’s bank in a wire transfer are deemed to be reasonably designed to identify and block or otherwise prevent or prohibit restricted transactions if they—

   (2) Address methods for the beneficiary’s bank to conduct due diligence as set out in §132.6(b)(2)(ii)(B) in the event that the beneficiary’s bank has actual knowledge that an existing commercial customer of the bank engages in an Internet gambling business;
   (3) Include procedures to be followed if the beneficiary’s bank obtains actual knowledge that a commercial customer of the bank has received restricted transactions through the wire transfer system, such as procedures that address
      (i) The circumstances under which the beneficiary bank should deny wire transfer services to the commercial customer; and
      (ii) The circumstances under which the commercial customer account should be closed.

§ 132.7 Regulatory enforcement.

The requirements under this part are subject to the exclusive regulatory enforcement of—

PARTS 133–148 [RESERVED]
§ 149.1 Authority and purpose.

(a) Authority. This part is issued by the Federal Deposit Insurance Corporation (FDIC) and the Secretary of the Department of the Treasury (Treasury) under section 210(n)(7) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Act).

(b) Purpose. The purpose of this part is to issue implementing regulations as required by the Act. The part governs the calculation of the maximum obligation limitation which limits the aggregate amount of outstanding obligations the FDIC may issue or incur in connection with the orderly liquidation of a covered financial company.

§ 149.2 Definitions.

As used in this part:

Fair value. The term “fair value” means the expected total aggregate value of each asset, or group of assets that are managed within a portfolio of a covered financial company on a consolidated basis if such asset, or group of assets, was sold or otherwise disposed of in an orderly transaction.

Most recent financial statement available. (1) The term “most recent financial statement available” means a covered financial company’s—

(i) Most recent financial statement filed with the Securities and Exchange Commission or any other regulatory body;

(ii) Most recent financial statement audited by an independent CPA firm; or

(iii) Other available financial statements.

(2) The FDIC and the Treasury will jointly determine the most pertinent of the above financial statements, taking into consideration the timeliness and reliability of the statements being considered.

Obligation. The term “obligation” means, with respect to any covered financial company—

(1) Any guarantee issued by the FDIC on behalf of the covered financial company;

(2) Any amount borrowed pursuant to section 210(n)(5)(A) of the Act; and

(3) Any other obligation with respect to the covered financial company for which the FDIC has a direct or contingent liability to pay any amount.

Total consolidated assets of each covered financial company that are available for repayment. The term “total consolidated assets of each covered financial company that are available for repayment” means the difference between:

(1) The total assets of the covered financial company on a consolidated basis that are available for liquidation during the operation of the receivership; and

(2) To the extent included in paragraph (1) of this definition, all assets that are separated from, or made unavailable to, the covered financial company by a statutory or regulatory barrier that prevents the covered financial company from possessing or selling assets and using the proceeds from the sale of such assets.

§ 149.3 Maximum obligation limitation.

The FDIC shall not, in connection with the orderly liquidation of a covered financial company, issue or incur any obligation, if, after issuing or incurring the obligation, the aggregate amount of such obligations outstanding for each covered financial company would exceed—

(a) An amount that is equal to 10 percent of the total consolidated assets of the covered financial company, based on the most recent financial statement available, during the 30-day period immediately following the date of appointment of the FDIC as receiver (or a shorter time period if the FDIC has calculated the amount described under paragraph (b) of this section); and

(b) The amount that is equal to 90 percent of the fair value of the total consolidated assets of each covered financial company that are available for repayment, after the time period described in paragraph (a) of this section.

§ 150.3 Determination of assessed companies.

(a) The determination that a bank holding company or a nonbank financial company is an assessed company will be made by the Department.

(b) The Department will apply the following principles in determining whether a company is an assessed company:

(1) For tiered bank holding companies for which a holding company owns or controls, or is owned or controlled by, other holding companies, the assessed company shall be the top-tier, regulated holding company.

(2) In situations where more than one top-tier, regulated bank holding company has a legal authority for control of a U.S. bank, each of the top-tier regulated holding companies shall be designated as an assessed company.

(c) Any company that the Department determines is an assessed company on a given determination date will be an assessed company for the entire assessment period related to such determination date, and will be subject to the full assessment fee for that assessment period, regardless of any changes in the company’s assets or other attributes that occur after the determination date.

§ 150.4 Calculation of assessment basis.

(a) For the initial assessment period, the Department will calculate the assessment basis such that it is equivalent to the sum of:

(1) Budgeted operating expenses for the Office for the period beginning July 21, 2012 and ending March 31, 2013;

(2) Budgeted operating expenses for the Council for the period beginning July 21, 2012 and ending March 31, 2013;

(3) Capital expenses for the Office for the period beginning July 21, 2012 and ending April 30, 2013; and

(4) Capital expenses for the Council for the period beginning July 21, 2012 and ending April 30, 2013; and
§ 150.5 Calculation of assessments.

(a) For each assessed company, the Department will calculate the total assessable assets in accordance with the definition in §150.2.

(b) The Department will allocate the assessment basis to the assessed companies in the following manner:

(1) Based on the sum of all assessed companies’ total assessable assets, the Department will calculate the assessment fee rate necessary to collect the assessment basis for the applicable assessment period.

(2) The assessment payable by an assessed company for each assessment period shall be equal to the assessment fee rate for that assessment period multiplied by the total assessable assets of such assessed company.

(3) Foreign banking organizations with less than $50 billion in total assessable assets shall not be assessed.

§ 150.6 Notice and payment of assessments.

(a) No later than fifteen calendar days after the determination date (or, in the case of the initial assessment period, no later than seven days after the publication date of this rule), the Department will send to each assessed company a statement that:

(1) Confirms that such company has been determined by the Department to be an assessed company; and

(2) States the total assessable assets that the Department has determined will be used for calculating the company’s assessment.

(b) If a company that is required to make an assessment payment for a given semiannual assessment period believes that the statement referred to in paragraph (a) of this section contains an error, the company may provide the Department with a written request for a revised statement. Such request must be received by the Department via email within one month and must include all facts that the company requests the Department to consider. The Department will respond to all such requests within 21 calendar days of receipt thereof.

(c) No later than the 14 calendar days prior to the payment date for a given assessment period, the Department will send an electronic billing notification to each assessed company, containing the final assessment that is required to be paid by such assessed company.

(d) For the purpose of making the payments described in §150.5, each assessed company shall designate a deposit account for direct debit by the Department through www.pay.gov or successor Web site. No later than the later of 30 days prior to the payment date for an assessment period, or the effective date of this rule, each such company shall provide notice to the Department of the account designated, including all information and authorizations required by the Department for direct debit of the account. After the initial notice of the designated account, no further notice is required unless the company designates a different account for assessment debit by the Department, in which case the requirements of the preceding sentence apply.

452
Monetary Offices, Treasury § 150.6

(e) Each assessed company shall take all actions necessary to allow the Department to debit assessments from such company’s designated deposit account. Each such company shall, prior to each assessment payment date, ensure that funds in an amount at least equal to the amount on the relevant electronic billing notification are available in the designated deposit account for debit by the Department. Failure to take any such action or to provide such funding of the account shall be deemed to constitute non-payment of the assessment. The Department will cause the amount stated in the applicable electronic billing notification to be directly debited on the appropriate payment date from the deposit account so designated.

(f) In the event that, for a given assessment period, an assessed company materially misstates or misrepresents any information that is used by the Department in calculating that company’s total assessable assets, the Department may at any time re-calculate the assessment payable by that company for that assessment period, and the assessed company shall take all actions necessary to allow the Department to immediately debit any additional payable amounts from such assessed company’s designated deposit account.

(g) If a due date under this section falls on a date that is not a business day, the applicable date shall be the next business day.
