It is prohibited to use NARA’s official seal and the stylized Code of Federal Regulations logo on any republication of this material without the express, written permission of the Archivist of the United States or the Archivist’s designee. Any person using NARA’s official seals and logos in a manner inconsistent with the provisions of 36 CFR part 1200 is subject to the penalties specified in 18 U.S.C. 506, 701, and 1017.

To cite the regulations in this volume use title, part and section number. Thus, 34 CFR 3.1 refers to title 34, part 3, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16 ..............................................................as of January 1
Title 17 through Title 27 .................................................................as of April 1
Title 28 through Title 41 .................................................................as of July 1
Title 42 through Title 50 .............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2016), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

These regulations must be read in conjunction with the FOIA, including its exemptions to disclosure, and, when appropriate, in conjunction with the Privacy Act of 1974, as amended, 5 U.S.C. 552a, and its implementing regulations in 34 CFR part 5b.

(Authority: 5 U.S.C. 552(a), 20 U.S.C. 3474)

§ 5.2 Definitions.

As used in this part:
(a) Act or FOIA means the Freedom of Information Act, as amended, 5 U.S.C. 552.
(b) Department means the United States Department of Education.
(c) Component means each separate bureau, office, board, division, commission, service, administration, or other organizational entity of the Department.
(d) FOIA request means a written request for agency records that reasonably describes the agency records sought, made by any person, including a member of the public (U.S. or foreign citizen/entity), partnership, corporation, association, and foreign or domestic governments (excluding Federal agencies).
(e)(1) Agency records are documentary materials regardless of physical form or characteristics that—
   (i) Are either created or obtained by the Department; and
   (ii) Are under the Department’s control at the time it receives a FOIA request.
   (2) Agency records include—
      (i) Records created, stored, and retrievable in electronic format;
      (ii) Records maintained for the Department by a private entity under a records management contract with the Federal Government; and
      (iii) Documentary materials preserved by the Department as evidence of the organization, functions, policies, decisions, procedures, operations or other activities of the Department or because of the informational value of data contained therein.
   (3) Agency records do not include tangible, evidentiary objects or equipment; library or museum materials made or acquired and preserved solely for reference or exhibition purposes; extra copies of documents preserved only for convenience of reference; stocks of publications; and personal records created for the convenience of an individual and not used to conduct Department business or incorporated into the Department’s record keeping system or files.

(Authority: 5 U.S.C. 552(a), 20 U.S.C. 3474)

Subpart B—Agency Records Available to the Public

§ 5.10 Public reading room.

(a) General. Pursuant to 5 U.S.C. 552(a)(2), the Department maintains a public reading room containing agency records that the FOIA requires to be made regularly available for public inspection and copying. Published records of the Department, whether or not available for purchase, are made available for examination. The Department’s public reading room is located at the National Library of Education, 400 Maryland Avenue, SW., Plaza Level (Level B), Washington, DC 20202-0008. The hours of operation are 9:00 a.m. to 5:00 p.m., Monday through Friday (except Federal holidays).

(b) Reading room records. Agency records maintained in the public reading room include final opinions and orders in adjudications, statements of policy and interpretations adopted by the Department and not published in the FEDERAL REGISTER, administrative staff manuals and instructions affecting the public, and copies of all agency records regardless of form or format released to the public pursuant to a FOIA request that the Department determines are likely to be the subject of future FOIA requests.

(c) Electronic access. The Department makes reading room records created on
§ 5.11 Business information.

(a) General. The Department discloses business information it obtains from a submitter under the Act in accordance with this section.

(b) Definitions. For purposes of this section:

(1) Business information means commercial or financial information obtained by the Department from a submitter that may be protected from disclosure under 5 U.S.C. 552(b)(4) (Exemption 4 of the Act).

(2)Submitter means any person or entity (including corporations; State, local, and tribal governments; and foreign governments) from whom the Department obtains business information.

(c) Designation of business information.

(1) A submitter must use good faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portion of its submission that it considers to be business information protected from disclosure under Exemption 4 of the Act.

(2) A submitter’s designations are not binding on the Department and will expire 10 years after the date of the submission unless the submitter requests, and provides justification for, a longer designation period.

(3) A blanket designation on each page of a submission that all information contained on the page is protected from disclosure under Exemption 4 presumptively will not be considered a good faith effort.

(d) Notice to submitters. Except as provided in paragraph (g) of this section, the Department promptly notifies a submitter whenever a FOIA request or administrative appeal is made under the Act seeking disclosure of the information the submitter has designated in good faith as business information protected from disclosure under Exemption 4 of the Act. The notice includes either a description of the business information requested or copies of the requested agency records or portions of agency records containing the requested business information as well as a time period, consistent with §5.21(c), within which the submitter can object to the disclosure pursuant to paragraph (e) of this section.

(e) Opportunity to object to disclosure.

(1) If a submitter objects to disclosure, it must submit to the Department a detailed written statement specifying all grounds under Exemption 4 of the Act for denying access to the information, or a portion of the information sought.

(2) A submitter’s failure to object to the disclosure by the deadline established by the Department in the notice provided under paragraph (d) of this section constitutes a waiver of the submitter’s right to object to disclosure under paragraph (e) of this section.

(3) A submitter’s response to a notice from the Department under paragraph (d) of this section may itself be subject to disclosure under the Act.

(f) Notice of intent to disclose. The Department considers a submitter’s objections and submissions made in support thereof in deciding whether to disclose business information sought to be protected by the submitter. Whenever the Department decides to disclose information over a submitter’s objection, the Department gives the submitter written notice, which includes:

(1) A statement of the reasons why the submitter’s objections to disclosure were not sustained.

(2) A description of the information to be disclosed.

(3) A specified disclosure date that is a reasonable time subsequent to the notice.

(g) Exceptions to notice requirements. The notice requirements of paragraph (d) of this section do not apply if—

(1) The Department does not disclose the business information of the submitter;

(2) The Department has previously lawfully published the information;
(3) The information has been made available to the public by the requester or by third parties;
(4) Disclosure of the information is required by statute (other than the Act) or regulation issued in accordance with the requirements of Executive Order 12600 (52 FR 23761, 3 CFR, 1987 Comp., p. 235); or
(5) The designation made by the submitter under paragraph (c) of this section appears obviously frivolous, except that, in such case, the Department must provide the submitter with written notice of any final administrative disclosure determination in accordance with paragraph (f) of this section.

(h) Notice of FOIA lawsuit. Whenever a requester files a lawsuit seeking to compel the disclosure of a submitter’s business information, the Department promptly notifies the submitter.

(i) Corresponding notice to requester. The Department notifies the requester whenever it notifies a submitter of its opportunity to object to disclosure, of the Department’s intent to disclose requested information designated as business information by the submitter, or of the filing of a lawsuit.

(j) Notice of reverse FOIA lawsuit. Whenever a submitter files a lawsuit seeking to prevent the disclosure of the submitter’s information, the Department promptly notifies the requester, and advises the requester that its request will be held in abeyance until the lawsuit initiated by the submitter is resolved.

§ 5.20 Requirements for making FOIA requests.

(a) Making a FOIA request. Any FOIA request for an agency record must be in writing (via paper, facsimile, or electronic mail) and transmitted to the Department as indicated on the Department’s Web site. See http://www.ed.gov/policy/gen/leg/foia/request_foiar.html.

(b) Description of agency records sought. A FOIA request must reasonably describe the agency record sought, to enable Department personnel to locate the agency record or records with a reasonable amount of effort. Whenever possible, a FOIA request should describe the type of agency record requested, the subject matter of the agency record, the date, if known, or general time period when it was created, and the person or office that created it. Requesters who have detailed information that would assist in identifying and locating the agency records sought are urged to provide this information to the Department to expedite the handling of a FOIA request.

(c) FOIA request deemed insufficient. If the Department determines that a FOIA request does not reasonably describe the agency record or records sought, the FOIA request will be deemed insufficient under the Act. In that case, the Department informs the requester of the reason the FOIA request is insufficient and, at the Department’s option, either administratively closes the FOIA request as insufficient without determining whether to grant the FOIA request or provides the requester an opportunity to modify the
§ 5.21

FOIA request to meet the requirements of this section.
(d) Verification of identity. In compliance with the Privacy Act of 1974, as amended, 5 U.S.C. 552a, FOIA requests for agency records pertaining to the requester, a minor, or an individual who is legally incompetent must include verification of the requester’s identity pursuant to 34 CFR 5b.5.

(Authority: 5 U.S.C. 552(a), 20 U.S.C. 3474)

§ 5.21 Procedures for processing FOIA requests.

(a) Acknowledgements of FOIA requests. The Department promptly notifies the requester when it receives a FOIA request.

(b) Consultation and referrals. When the Department receives a FOIA request for a record or records created by or otherwise received from another agency of the Federal Government, it either responds to the FOIA request after consultation with the other agency, or refers the FOIA request to the other agency for processing. When the Department refers a FOIA request to another agency for processing, the Department will so notify the requester.

(c) Decisions on FOIA requests. The Department determines whether to comply with a FOIA request within 20 working days after the appropriate component of the Department first receives the request. This time period commences on the date that the request is received by the appropriate component of the Department, but commences no later than 10 calendar days after the request is received by the component of the Department designated pursuant to §5.20(a) to receive FOIA requests for agency records. The Department’s failure to comply with these time limits constitutes exhaustion of the requester’s administrative remedies for the purposes of judicial action to compel disclosure.

(d) Requests for additional information. The Department may make one request for additional information from the requester and toll the 20-day period while awaiting receipt of the additional information.

(e) Extension of time period for processing a FOIA request. The Department may extend the time period for processing a FOIA request only in unusual circumstances, as described in paragraphs (e)(1) through (e)(3) of this section, in which case the Department notifies the requester of the extension in writing. A notice of extension affords the requester the opportunity either to modify its FOIA request so that it may be processed within the 20-day time limit, or to arrange with the Department an alternative time period within which the FOIA request will be processed. For the purposes of this section, unusual circumstances include:

1. The need to search for and collect the requested agency records from field facilities or other establishments that are separate from the office processing the request.

2. The need to search for, collect, and review and process voluminous agency records responsive to the FOIA request.

3. The need to consult with another agency or two or more agency components having a substantial interest in the determination on the FOIA request.

(f) FOIA Public Liaison and FOIA Requester Service Center. The Department’s FOIA Public Liaison assists in the resolution of disputes between the requester and the Department. The Department provides information about the status of a FOIA request to the requester through the Department’s FOIA Requester Service Center. Contact information for the Department’s FOIA Public Liaison and FOIA Requester Service Center may be found at http://www.ed.gov/policy/gen/leg/foia/contacts.html.

(g) Notification of determination. Once the Department makes a determination to grant a FOIA request in whole or in part, it notifies the requester in writing of its decision.

(h) Denials of FOIA requests.

1. Only Departmental officers or employees delegated the authority to deny a FOIA request may deny a FOIA request on behalf of the Department.

2. The Department notifies the requester in writing of any decision to deny a FOIA request in whole or in part. Denials under this paragraph can include the following: A determination to deny access in whole or in part to
Office of the Secretary, Education

§ 5.30

Fees generally.

The Department assesses fees for processing FOIA requests in accordance with §5.32(a), except where fees are limited under §5.32(b) or where a waiver or reduction of fees is granted under §5.33. Requesters must pay fees by check or money order made payable to the U.S. Department of Education, and must include the FOIA request number on the check or money order.
The Department retains full discretion to limit or adjust fees.

§ 5.31 Fee definitions.

(a) Commercial use request means a request from or on behalf of a FOIA requester seeking information for a use or purpose that furthers the requester's commercial, trade, or profit interests, which can include furthering those interests through litigation. For the purpose of assessing fees under the Act, the Department determines, whenever reasonably possible, the use to which a requester will put the requested agency records.

(b) Direct costs mean those expenses that an agency actually incurs in searching for and duplicating (and, in the case of commercial use FOIA requests, reviewing) agency records to respond to a FOIA request. Direct costs include, for example, the pro rata salary of the employee(s) performing the work (i.e., basic rate of pay plus 16 percent) and the cost of operating duplication machinery. The Department's other overhead expenses are not included in direct costs.

(c) Duplication means making a copy of the agency record, or of the information in it, as necessary to respond to a FOIA request. Copies can be made in several forms and formats, including paper and electronic records. The Department honors a requester's specified preference as to form or format of disclosure, provided that the agency record is readily reproducible with reasonable effort in the requested form or format.

(d) Educational institution means a preschool, a public or private elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, or an institution of vocational education, that operates a program of scholarly research. To qualify as an educational institution under this part, a requester must demonstrate that an educational institution authorized the request and that the agency records are sought to further scholarly research and not for a commercial use. A request for agency records for the purpose of affecting a requester's application for, or prospect of obtaining, new or additional grants, contracts, or similar funding is presumptively a commercial use request.

(e) Noncommercial scientific institution means an institution that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry. A noncommercial scientific institution does not operate for a "commercial use" as the term is defined in paragraph (a) of this section. To qualify as a noncommercial scientific institution under this part, a requester must demonstrate that a noncommercial scientific institution authorized the request and that the agency records are sought to further scientific research and not for a commercial use. A request for agency records for the purpose of affecting a requester's application for, or prospect of obtaining, new or additional grants, contracts, or similar funding is presumptively a commercial use request.

(f) Representative of the news media, or news media requester, means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. For the purposes of this section, the term "news" means information about current events or information that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals that qualify as disseminators of news and make their products available for purchase by, subscription by, or free distribution to the general public. To be regarded as a representative of the news media, a "freelance" journalist must demonstrate a solid basis for expecting publication, such as a publication contract or a past publication record. For inclusion in this category, a requester must not be seeking the requested agency records for a commercial use.

(g) Review means the examination of an agency record located in response to a FOIA request to determine whether
any portion of the record is exempt from disclosure under the Act. Reviewing the record includes processing the agency record for disclosure and making redactions and other preparations for disclosure. Review costs are recoverable even if an agency record ultimately is not disclosed. Review time includes time spent considering any formal objection to disclosure but does not include time spent resolving general legal or policy issues regarding the application of exemptions under the Act.

(h) Search means the process of looking for and retrieving agency records or information responsive to a FOIA request. Searching includes page-by-page or line-by-line identification of information within agency records and reasonable efforts to locate and retrieve information from agency records maintained in electronic form or format, provided that such efforts do not significantly interfere with the operation of the Department’s automated information systems.

§ 5.32 Assessment of fees.

(a) Fees. In responding to FOIA requests, the Department charges the following fees (in accordance with the Office of Management and Budget’s “Uniform FOIA Fee Schedule and Guidelines,” 52 FR 10012 (March 27, 1987)), unless it has granted a waiver or reduction of fees under § 5.33 and subject to the limitations set forth in paragraph (b) of this section:

(1) Search. The Department charges search fees, subject to the limitations of paragraph (b) of this section. Search time includes time spent searching, regardless of whether the search results in the location of responsive agency records and, if so, whether such agency records are released to the requester under the Act. The requester will be charged the direct costs, as defined in § 5.31(b), of the search. In the case of computer searches for agency records, the Department charges the requester for the direct cost of conducting the search, subject to the limitations set forth in paragraph (b) of this section.

(2) Review. (i) The Department charges fees for initial agency record review at the same rate as for searches, subject to the limitations set forth in paragraph (b) of this section.

(ii) No fees are charged for review at the administrative appeal level except in connection with—

(A) The review of agency records other than agency records identified as responsive to the FOIA request in the initial decision; and

(B) The Department’s decision regarding whether to assert that an exemption exists under the Act that was not cited in the decision on the initial FOIA request.

(iii) Review fees are not assessed for FOIA requests other than those made for a “commercial use,” as the term is defined in § 5.31(a).

(3) Duplication. The Department charges duplication fees at the rate of $0.20 per page for paper photocopies of agency records, $3.00 per CD for documents recorded on CD, and at the direct cost for duplication for electronic copies and other forms of duplication, subject to the limitations of paragraph (b) of this section.

(b) Limitations on fees.

(1) Fees are limited to charges for document duplication when agency records are not sought for commercial use and the request is made by—

(i) An educational or noncommercial scientific institution, whose purpose is scholarly or scientific research; or

(ii) A representative of the news media.

(2) For FOIA requests other than commercial use FOIA requests, the Department provides the first 100 pages of agency records released (or the cost equivalent) and the first two hours of search (or the cost equivalent) without charge, pursuant to 5 U.S.C. 552(a)(4)(A)(iv)(II).

(3) Whenever the Department calculates that the fees assessable for a FOIA request under paragraph (a) of this section total $25.00 or less, the Department processes the FOIA request without charge to the requester.

(c) Notice of anticipated fees in excess of $25. When the Department estimates or determines that the fees for processing a FOIA request will total more than $25 and the requester has not stated a willingness to pay such fees, the Department notifies the requester of...
§ 5.33

the anticipated amount of fees before processing the FOIA request. If the Department can readily anticipate fees for processing only a portion of a request, the Department advises the requester that the anticipated fee is for processing only a portion of the request. When the Department has notified a requester of anticipated fees greater than $25, the Department does not further process the request until the requester agrees in writing to pay the anticipated total fee.

(d) Charges for other services. When the Department chooses as a matter of administrative discretion to provide a special service, such as certification of agency records, it charges the requester the direct cost of providing the service.

(e) Charging interest. The Department charges interest on any unpaid bill assessed at the rate provided in 31 U.S.C. 3717. In charging interest, the Department follows the provisions of the Debt Collection Act of 1982, as amended (Pub. L. 97–365), and its administrative procedures, including the use of consumer reporting agencies, collection agencies, and offset.

(f) Aggregating FOIA requests. When the Department reasonably believes that a requester, or a group of requesters acting together, is attempting to divide a FOIA request into a series of FOIA requests for the purpose of avoiding or reducing otherwise applicable fees, the Department may aggregate such FOIA requests for the purpose of assessing fees. The Department does not aggregate multiple FOIA requests involving unrelated matters.

(g) Advance payments.

(1) For FOIA requests other than those described in paragraphs (g)(2) and (g)(3) of this section, the Department does not require the requester to pay fees in advance.

(2) Where the Department estimates or determines that fees for processing a FOIA request will total more than $250, it may require the requester to pay the fees in advance, except where the Department receives a satisfactory assurance of full payment from a requester with a history of prompt payment of FOIA fees.

(3) The Department may require a requester who has previously failed to pay a properly assessed FOIA fee within 30 calendar days of the billing date to pay in advance the full amount of estimated or actual fees before it further processes a new or pending FOIA request from that requester.

(4) When the Department requires advance payment of estimated or assessed fees, it does not consider the FOIA request received and does not further process the FOIA request until payment is received.

(h) Tolling. When necessary for the Department to clarify issues regarding fee assessment with the FOIA requester, the time limit for responding to the FOIA request is tolled until the Department resolves such issues with the requester.

(i) Other statutory requirements. The fee schedule of this section does not apply to fees charged under any statute that specifically requires an agency to set and collect fees for producing particular types of agency records.

§ 5.33 Requirements for waiver or reduction of fees.

(a) The Department processes a FOIA request for agency records without charge or at a charge less than that established under §5.32(a) when the Department determines that—

(1) Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government; and

(2) Disclosure of the information is not primarily in the commercial interest of the requester.

(b) To determine whether a FOIA request is eligible for waiver or reduction of fees pursuant to paragraph (a)(1) of this section, the Department considers the following factors:

(1) Whether the subject of the request specifically concerns identifiable operations or activities of the government.

(2) Whether the disclosable portions of the requested information will be meaningfully informative in relation to the subject matter of the request.

(3) The disclosure’s contribution to public understanding of government operations, i.e., the understanding of
the public at large, as opposed to an individual or a narrow segment of interested persons (including whether the requester has expertise in the subject area of the FOIA request as well as the intention and demonstrated ability to disseminate the information to the public).

(4) The significance of the disclosure’s contribution to public understanding of government operations or activities, i.e., the public’s understanding of the subject matter existing prior to the disclosure must be likely to be enhanced significantly by the disclosure.

(c) To determine whether a FOIA request is eligible for waiver or reduction of fees pursuant to paragraph (a)(2) of this section, the Department considers the following factors:

(1) The existence of the requester’s commercial interest, i.e., whether the requester has a commercial interest that would be furthered by the requested disclosure.

(2) If a commercial interest is identified, whether the commercial interest of the requester is sufficiently large in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(d) When the fee waiver requirements are met only with respect to a portion of a FOIA request, the Department waives or reduces fees only for that portion of the request.

(e) A requester seeking a waiver or reduction of fees must submit evidence demonstrating that the FOIA request meets all the criteria listed in paragraphs (a) through (c) of this section.

(f) A requester must seek a fee waiver for each FOIA request for which a waiver is sought. The Department does not grant standing fee waivers but considers each fee waiver request independently on its merits.

Subpart E—Administrative Review

§ 5.40 Appeals of adverse determinations.

(a) In general. A requester may seek an administrative review of an adverse determination on the FOIA request made by the requester by submitting an appeal of the determination to the Department. Adverse determinations include denials of access to agency records, in whole or in part; “no agency records” responses; and adverse fee decisions, including denials of requests for fee waivers, and all aspects of fee assessments.

(b) Appeal requirements. A requester must submit an appeal within 35 calendar days of the date on the adverse determination letter issued by the Department or, where the requester has received no determination, at any time after the due date for such determination. An appeal must be in writing and must include a detailed statement of all legal and factual bases for the appeal. The requester’s failure to comply with time limits set forth in this section constitutes exhaustion of the requester’s administrative remedies for the purposes of initiating judicial action to compel disclosure.

(c) Determination on appeal. (1) The Department makes a written determination on an administrative appeal within 20 working days after receiving the appeal. The time limit may be extended in accordance with §5.21(c) through (e). The Department’s failure to comply with time limits set forth in this section constitutes exhaustion of the requester’s administrative remedies for the purposes of initiating judicial action to compel disclosure.

(2) The Department’s determination on an appeal constitutes the Department’s final action on the FOIA request. Any Department determination denying an appeal in whole or in part includes the reasons for the denial, including any exemptions asserted under the Act, and notice of the requester’s right to seek judicial review of the determination in accordance with 5 U.S.C. 552(a)(4). Where the Department makes a determination to grant an appeal in whole or in part, it processes the FOIA request subject to the appeal in accordance with the determination on appeal.

(45 FR 30808, May 9, 1980; 45 FR 37426, June 3, 1980)

§ 5b.2 Purpose and scope.

(a) This part implements section 3 of the Privacy Act of 1974, 5 U.S.C. 552a (hereinafter referred to as the Act), by establishing agency policies and procedures for the maintenance of records. This part also establishes agency policies and procedures under which a subject individual may be given notification of or access to a record pertaining to him and policies and procedures under which a subject individual may have his record corrected or amended if he believes that his record is not accurate, timely, complete, or relevant or necessary to accomplish a Department function.

(b) All components of the Department are governed by the provisions of this part. Also governed by the provisions of this part are advisory committees and councils within the meaning of the Federal Advisory Committee Act which provide advice to (1) any official or component of the Department or (2) the President and for which the Department has been delegated responsibility for providing services.

(c) Employees of the Department governed by this part include all regular and special government employees of the Department; experts and consultants whose temporary (not in excess of 1 year) or intermittent services have been procured by the Department by contract pursuant to 3109 of title 5, United States Code; volunteers where acceptance of their services are authorized by law; those individuals performing gratuitous services as permitted under conditions prescribed by the Office of Personnel Management; and, participants in work-study or training programs.

(d) This part does not:

(1) Make available to a subject individual records which are not retrieved by that individual’s name or other personal identifier.

(2) Make available to the general public records which are retrieved by a subject individual’s name or other personal identifier or make available to the general public records which would otherwise not be available to the general public under the Freedom of Information Act, 5 U.S.C. 552, and part 5 of this title.

(3) Govern the maintenance or disclosure of, notification of or access to, records in the possession of the Department which are subject to regulations of another agency, such as personnel records subject to the regulations of the Office of Personnel Management.

(4) Apply to grantees, including State and local governments or subdivisions thereof, administering federally funded programs.

(5) Make available records compiled by the Department in reasonable anticipation of court litigation or formal administrative proceedings. The availability of such records to the general public or to any subject individual or party to such litigation or proceedings shall be governed by applicable constitutional principles, rules of discovery, and applicable regulations of the Department.

§ 5b.3 Policy.

It is the policy of the Department to protect the privacy of individuals to the fullest extent possible while nevertheless permitting the exchange of records required to fulfill the administrative and program responsibilities of the Department, and responsibilities of the Department for disclosing records which the general public is entitled to have under the Freedom of Information Act, 5 U.S.C. 552, and part 5 of this title.

§ 5b.4 Maintenance of records.

(a) No record will be maintained by the Department unless:

(1) It is relevant and necessary to accomplish a Department function required to be accomplished by statute or Executive Order;

(2) It is acquired to the greatest extent practicable from the subject individual when maintenance of the record may result in a determination about the subject individual’s rights, benefits or privileges under Federal programs;
§ 5b.5 Notification of or access to records.

(a) Times, places, and manner of requesting notification of or access to a record. (1) Any individual may request notification of a record. He may at the same time request access to any record pertaining to him. An individual may be accompanied by another individual of his choice when he requests access to a record in person; Provided, That he affirmatively authorizes the presence of such other individual during any discussion of a record to which access is requested.

(2) An individual making a request for notification of or access to a record shall address his request to the responsible Department official and shall verify his identity when required in accordance with paragraph (b)(2) of this section. At the time the request is made, the individual shall specify which systems of records he wishes to have searched and the records to which he wishes to have access. He may also request that copies be made of all or any such records. An individual shall also provide the responsible Department official with sufficient particulars to enable such official to distinguish between records on subject individuals with the same name. The necessary particulars are set forth in the notices of systems of records.

(3) An individual who makes a request in person may leave with any responsible Department official a request for notification of or access to a record under the control of another responsible Department official; Provided, That the request is addressed in writing to the appropriate responsible Department official.

(b) Verification of identity.—(1) When required. Unless an individual, who is making a request for notification of or access to a record in person, is personally known to the responsible Department official, he shall be required to verify his identity in accordance with paragraph (b)(2) of this section if:

(i) He makes a request for notification of a record and the responsible Department official determines that the mere disclosure of the existence of the record would be a clearly unwarranted invasion of privacy if disclosed to someone other than the subject individual; or,

(ii) He makes a request for access to a record which is not required to be disclosed to the general public under the Freedom of Information Act, 5 U.S.C. 552, and part 5 of this title.

(2) Manner of verifying identity. (i) An individual who makes a request in person shall provide to the responsible Department official at least one piece of tangible identification such as a driver’s license, passport, alien or voter registration card, or union card to verify his identity. If an individual does not have identification papers to verify his identity, he shall certify in writing that he is the individual who he claims to be and that he understands that the knowing and willful request for or acquisition of a record pertaining to an individual under false pretenses is a criminal offense under the Act subject to a $5,000 fine.

(ii) Except as provided in paragraph (b)(2)(v) of this section, an individual who does not make a request in person shall submit a notarized request to the responsible Department official to verify his identity. If an individual does not have identification papers to verify his identity, he shall certify in writing that he is the individual who he claims to be and that he understands that the knowing and willful request for or acquisition of a record pertaining to an individual under false pretenses is a criminal offense under the Act subject to a $5,000 fine.
(iii) An individual who makes a request on behalf of a minor or legal incompetent as authorized under §5b.10 of this part shall verify his relationship to the minor or legal incompetent, in addition to verifying his own identity, by providing a copy of the minor’s birth certificate, a court order, or other competent evidence of guardianship to the responsible Department official; except that, an individual is not required to verify his relationship to the minor or legal incompetent when he is not required to verify his own identity or when evidence of his relationship to the minor or legal incompetent has been previously given to the responsible Department official.

(iv) An individual shall further verify his identity if he is requesting notification of or access to sensitive records. Any further verification shall parallel the record to which notification or access is being sought. Such further verification may include such particulars as the individual’s years of attendance at a particular educational institution, rank attained in the uniformed services, date or place of birth, names of parents, or an occupation.

(v) An individual who makes a request by telephone shall verify his identity by providing to the responsible Department official identifying particulars which parallel the record to which notification or access is being sought. If the responsible Department official determines that the particulars provided by telephone are insufficient, the requester will be required to submit the request in writing or in person. Telephone requests will not be accepted where an individual is requesting notification of or access to sensitive records.

(c) Granting notification of or access to a record. (1) Subject to the provisions governing exempt systems in §5b.11 of this part, a responsible Department official, who receives a request for notification of or access to a record and, if required, verification of an individual’s identity, will review the request and grant notification or access to a record, if the individual requesting access to the record is the subject individual.

(2) If the responsible Department official determines that there will be a delay in responding to a request because of the number of requests being processed, a breakdown of equipment, shortage of personnel, storage of records in other locations, etc., he will so inform the individual and indicate when notification or access will be granted.

(3) Prior to granting notification of or access to a record, the responsible Department official may at his discretion require an individual making a request in person to reduce his request to writing if the individual has not already done so at the time the request is made.

§ 5b.7 Procedures for correction or amendment of records.

(a) Any subject individual may request that his record be corrected or amended if he believes that the record is not accurate, timely, complete, or relevant or necessary to accomplish a Department function. A subject individual making a request to amend or correct his record shall address his request to the responsible Department official in writing; except that, the request need not be in writing if the subject individual makes his request in person and the responsible Department official corrects or amends the record at that time. The subject individual shall specify in each request:

(1) The system of records from which the record is retrieved;

(2) The particular record which he is seeking to correct or amend;

(3) Whether he is seeking an addition to or a deletion or substitution of the record; and,

(4) His reasons for requesting correction or amendment of the record.

(b) A request for correction or amendment of a record will be acknowledged within 10 working days of its receipt unless the request can be processed and the subject individual informed of the responsible Department official’s decision on the request within that 10 day period.

(c) If the responsible Department official agrees that the record is not accurate, timely, or complete based on a preponderance of the evidence, the record will be deleted without regard to its accuracy, if the record is
not relevant or necessary to accomplish the Department function for which the record was provided or is maintained. In either case, the subject individual will be informed in writing of the correction, amendment, or deletion and, if accounting was made of prior disclosures of the record, all previous recipients of the record will be informed of the corrective action taken. 

(d) If the responsible Department official does not agree that the record should be corrected or amended, the subject individual will be informed in writing of the refusal to correct or amend the record. He will also be informed that he may appeal the refusal to correct or amend his record § 5b.8 of this part.

(e) Requests to correct or amend a record governed by the regulation of another government agency, e.g., Office of Personnel Management, Federal Bureau of Investigation, will be forwarded to such government agency for processing and the subject individual will be informed in writing of the referral.

§ 5b.8 Appeals of refusals to correct or amend records.

(a) Processing the appeal. (1) A subject individual who disagrees with a refusal to correct or amend his record may appeal the refusal in writing. All appeals shall be made to the Secretary.

(2) An appeal will be completed within 30 working days from its receipt by the appeal authority; except that, the appeal authority may for good cause extend this period for an additional 30 days. Should the appeal period be extended, the subject individual appealing the refusal to correct or amend the record will be informed in writing of the extension and the circumstances of the delay. The subject individual’s request to amend or correct the record, the responsible Department official’s refusal to correct or amend, and any other pertinent material relating to the appeal will be reviewed. No hearing will be held.

(3) If the appeal authority agrees that the record subject to the appeal should be corrected or amended, the record will be amended and the subject individual will be informed in writing of the correction or amendment. Where an accounting was made of prior disclosures of the record, all previous recipients of the record will be informed of the corrective action taken.

(4) If the appeal is denied, the subject individual will be informed in writing:

(i) Of the denial and the reasons for the denial;

(ii) That he has a right to seek judicial review of the denial; and,

(iii) That he may submit to the responsible Department official a concise statement of disagreement to be associated with the disputed record and disclosed whenever the record is disclosed.

(b) Notation and disclosure of disputed records. Whenever a subject individual submits a statement of disagreement to the responsible Department official in accordance with paragraph (a)(4)(iii) of this section, the record will be noted to indicate that it is disputed. In any subsequent disclosure, a copy of the subject individual’s statement of disagreement, will be disclosed with the record. If the responsible Department official deems it appropriate, a concise statement of the appeal authority’s reasons for denying the subject individual’s appeal may also be disclosed with the record. While the subject individual will have access to this statement of reasons, such statement will not be subject to correction or amendment. Where an accounting was made of prior disclosures of the record, all previous recipients of the record will be provided a copy of the subject individual’s statement of disagreement, as well as the statement, if any, of the appeal authority’s reasons for denying the subject individual’s appeal.

§ 5b.9 Disclosure of records.

(a) Consent to disclosure by a subject individual. (1) Except as provided in paragraph (b) of this section authorizing disclosures of records without consent, no disclosure of a record will be made without the consent of the subject individual. In each case the consent, whether obtained from the subject individual at the request of the Department or whether provided to the Department by the subject individual on his own initiative, shall be in writing. The consent shall specify the individual, organizational unit or class of individuals or organizational units to
whom the record may be disclosed, which record may be disclosed and, where applicable, during which time frame the record may be disclosed (e.g., during the school year, while the subject individual is out of the country, whenever the subject individual is receiving specific services). A blanket consent to disclose all of a subject individual's records to unspecified individuals or organizational units will not be honored. The subject individual's identity and, where applicable (e.g., where a subject individual gives consent to disclosure of a record to a specific individual), the identity of the individual to whom the record is to be disclosed shall be verified.

(2) A parent or guardian of any minor is not authorized to give consent to a disclosure of the minor's medical record.

(b) Disclosures without the consent of the subject individual. The disclosures listed in this paragraph may be made without the consent of the subject individual. Such disclosures are:

(3) For a routine use as defined in paragraph (j) of § 5b.1. Routine uses will be listed in any notice of a system of records. Routine uses published in appendix B are applicable to more than one system of records. Where applicable, notices of systems of records may contain references to the routine uses listed in appendix B. Appendix B will be published with any compendium of notices of systems of records.

(4) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of title 13 U.S.C.

(5) To a recipient who has provided the agency with advance written assurance that the record will be used solely as a statistical research or reporting record; Provided, That, the record is transferred in a form that does not identify the subject individual.

(6) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Administrator of General Services or his designee to determine whether the record has such value.

(7) To another government agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of such government agency or instrumentality has submitted a written request to the Department specifying the record desired and the law enforcement activity for which the record is sought.

(8) To an individual pursuant to a showing of compelling circumstances affecting the health or safety of any individual if a notice of the disclosure is transmitted to the last known address of the subject individual.

(i) For disclosures under paragraphs (b) (1) and (2) of this section; and,

(ii) For disclosures made with the written consent of the subject individual.

(2) The accounting will include:

The subject individual shall make a request for access to an accounting in accordance with the procedures in §5b.5 of this part. A subject individual will be granted access to an accounting of the disclosures of a record in accordance with the procedures of this part which govern access to the related record. Access to an accounting of a disclosure of a record made under paragraph (b)(7) of this section may be granted at the discretion of the responsible Department official.

§ 5b.10 Parents and guardians.

For the purpose of this part, a parent or guardian of any minor or the legal guardian or any individual who has been declared incompetent due to physical or mental incapacity or age by a court of competent jurisdiction is authorized to act on behalf of an individual or a subject individual. Except as provided in paragraph (b)(2) of §5b.5, of this part governing procedures for verifying an individual’s identity, an individual authorized to act on behalf of a minor or legal incompetent will be viewed as if he were the individual or subject individual.

§ 5b.11 Exempt systems.

(a) General policy. The Act permits an agency to exempt certain types of systems of records from some of the Act’s requirements. It is the policy of the Department to exercise authority to exempt systems of records only in compelling cases.

(3) 5 U.S.C. 552a(e)(4) (G) and (H), regarding inclusion of information in the system notice about procedures for notification, access, and correction of records.

(e) Basis for exemptions taken under (j)(2), (k)(2), and (k)(5). The reason the Department took each exemption described in this section is stated in the preamble for the final rulemaking document under which the exemption was promulgated. These final rulemaking documents were published in the Federal Register and may be obtained from the Department of Education by mailing a request to the following address: U.S. Department of Education, Privacy Act Officer, Office of the Chief Information Officer, Regulatory Information Management Group, Washington, DC 20202–4651.

(f) Notification of or access to records in exempt systems of records. (1) If a system of records is exempt under this section, an individual may nonetheless request notification of or access to a record in that system. An individual shall make requests for notification of or access to a record in an exempt system or records in accordance with the procedures of §5b.5 of this part.

(2) An individual will be granted notification of or access to a record in an exempt system but only to the extent that notification or access would not reveal the identity of a source who furnished the record to the Department under an express promise, and, prior to September 27, 1975, an implied promise, that his identity would be held in confidence if—

(i) The record is in a system of records or that portion of a system of records that is exempt under subsection (k)(2), but not under subsection (j)(2), of the Act and the individual has been, as a result of the maintenance of the record, denied a right, privilege, or benefit to which he or she would otherwise be eligible; or

(ii) The record is in a system of records that is exempt under subsection (k)(5) of the Act.

(3) If an individual is not granted notification of or access to a record in a system of records exempt under subsections (k)(2) (but not under subsection (j)(2)) and (k)(5) of the Act in accordance with this paragraph, he or she will be informed that the identity of a confidential source would be revealed if notification of or access to the record were granted to the individual.

(g) Discretionary actions by the responsible Department official. Unless disclosure of a record to the general public is otherwise prohibited by law, the responsible Department official may, in his or her discretion, grant notification of or access to a record in a system of records that is exempt under this section. Discretionary notification of or access to a record in accordance with this paragraph will not be a precedent for discretionary notification of or access to a similar or related record and
will not obligate the responsible Department official to exercise his or her discretion to grant notification of or access to any other record in a system of records that is exempt under this section.

§ 5b.12 Contractors.

(a) All contracts entered into on or after September 27, 1975 which require a contractor to maintain or on behalf of the Department to maintain, a system of records to accomplish a Department function must contain a provision requiring the contractor to comply with the Act and this part.

(b) All unexpired contracts entered into prior to September 27, 1975 which require the contractor to maintain or on behalf of the Department to maintain, a system of records to accomplish a Department function will be amended as soon as practicable to include a provision requiring the contractor to comply with the Act and this part. All such contracts must be so amended by July 1, 1976 unless for good cause the appeal authority identified in § 5b.8 of this part authorizes the continuation of the contract without amendment beyond that date.

(c) A contractor and any employee of such contractor shall be considered employees of the Department only for the purposes of the criminal penalties of the Act, 5 U.S.C. 552a(i), and the employee standards of conduct listed in appendix A of this part where the contract contains a provision requiring the contractor to comply with the Act and this part.

(d) This section does not apply to systems of records maintained by a contractor as a result of his management discretion, e.g., the contractor’s personnel records.

§ 5b.13 Fees.

(a) Policy. Where applicable, fees for copying records will be charged in accordance with the schedule set forth in this section. Fees may only be charged where an individual requests that a copy be made of the record to which he is granted access. No fee may be charged for making a search of the system of records whether the search is manual, mechanical, or electronic. Where a copy of the record must be made in order to provide access to the record (e.g., computer printout where no screen reading is available), the copy will be made available to the individual without cost.

(b) Fee schedule. The fee schedule for the Department is as follows:

(1) Copying of records susceptible to photocopying—$.10 per page.

(2) Copying records not susceptible to photocopying (e.g., punch cards or magnetic tapes)—at actual cost to be determined on a case-by-case basis.

(3) No charge will be made if the total amount of copying does not exceed $25.

APPENDIX A TO PART 5b—EMPLOYEE STANDARDS OF CONDUCT

(a) General. All employees are required to be aware of their responsibilities under the Privacy Act of 1974, 5 U.S.C. 552a. Regulations implementing the Act are set forth in 34 CFR 5b. Instruction on the requirements of the Act and regulation shall be provided to all new employees of the Department. In addition, supervisors shall be responsible for assuring that employees who are working with systems of records or who undertake new duties which require the use of systems of records are informed of their responsibilities. Supervisors shall also be responsible for assuring that all employees who work with such systems of records are periodically reminded of the requirements of the Act and are advised of any new provisions or interpretations of the Act.

(b) Penalties. (1) All employees must guard against improper disclosure of records which are governed by the Act. Because of the serious consequences of improper invasions of personal privacy, employees may be subject to disciplinary action and criminal prosecution for knowing and willful violations of the Act and regulation. In addition, employees may also be subject to disciplinary action for unknowing or unwilful violations, where the employee had notice of the provisions of the Act and regulations and failed to inform himself sufficiently or to conduct himself in accordance with the requirements to avoid violations.

(2) The Department may be subjected to civil liability for the following actions undertaken by its employees:

(a) Making a determination under the Act and §§ 5b.7 and 5b.8 of the regulation not to amend an individual’s record in accordance with his request, or failing to make such review in conformity with those provisions;
(b) Refusing to comply with an individual’s request for notification of or access to a record pertaining to him;
(c) Failing to maintain any record pertaining to an individual with such accuracy, relevance, timeliness, and completeness as is necessary to assure fairness in any determination relating to the qualifications, character, rights, or opportunities of, or benefits to the individual that may be made on the basis of such a record, and consequently a determination is made which is adverse to the individual; or
(d) Failing to comply with any other provision of the Act or any rule promulgated thereunder, in such a way as to have an adverse effect on an individual.
(3) “An employee may be personally subject to criminal liability as set forth below and in 5 U.S.C. 552a (1):
(a) Any officer or employee of an agency, who by virtue of his employment or official position, has possession of, or access to, agency records which contain individually identifiable information the disclosure of which is prohibited by the Act or by rules or regulations established thereunder, and who, knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than $5,000.”
(b) “Any officer or employee of an agency who willfully maintains a system of records without meeting the notice requirements [of the Act] shall be guilty of a misdemeanor and fined not more than $5,000.”

Employees whose duties do not involve working with systems of records will not generally disclose to any one, without specific authorization from their supervisors, records pertaining to employees or other individuals which by reason of their official duties are available to them. Notwithstanding the above, the following records concerning Federal employees are a matter of public record and no further authorization is necessary for disclosure:
(1) Name and title of individual.
(2) Grade classification or equivalent and annual rate of salary.
(3) Position description.
(4) Location of duty station, including room number and telephone number.
In addition, employees shall disclose records which are listed in the Department’s Freedom of Information Regulation as being available to the public. Requests for other records will be referred to the responsible Department official. This does not preclude employees from discussing matters which are known to them personally, and without resort to a record, to official investigators of Federal agencies for official purposes such as suitability checks, Equal Employment Op-portunity investigations, adverse action proceedings, grievance proceedings, etc.
(d) Rules governing employees whose duties require use or reference to systems of records. Employees whose official duties require that they refer to, maintain, service, or otherwise deal with systems of records (hereinafter referred to as “Systems Employees”) are governed by the general provisions. In addition, extra precautions are required and systems employees are held to higher standards of conduct.
(1) Systems Employees shall:

(b) Be alert to possible misuses of the system and report to their supervisors any potential or actual use of the system which they believe is not in compliance with the Act and regulation;
(c) Make a disclosure of records within the Department only to an employee who has a legitimate need to know the record in the course of his official duties;
(d) Maintain records as accurately as practicable.
(e) Consult with a supervisor prior to taking any action where they are in doubt whether such action is in conformance with the Act and regulation.

(a) Disclose in any form records from a system of records except (1) with the consent or (2) where its disclosure is permitted under §5b.3 of the regulation.
(b) Permit unauthorized individuals to be present in controlled areas. Any unauthorized individuals observed in controlled areas shall be reported to a supervisor or to the guard force.
(c) Knowingly or willfully take action which might subject the Department to civil liability.
(d) Make any arrangements for the design, development, or operation of any system of records without making reasonable effort to provide that the system can be maintained in accordance with the Act and regulation.
(e) Contracting officers. In addition to any applicable provisions set forth above, those employees whose official duties involve entering into contracts on behalf of the Department shall also be governed by the following provisions:
(1) Contracts for design, or development of systems and equipment. No contract for the design or development of a system of records, or for equipment to store, service or maintain a system of records shall be entered into unless the contracting officer has made reasonable effort to ensure that the product to be purchased is capable of being used without violation of the Act or regulation. Special attention shall be given to provision of physical safeguards.
(2) Contracts for the operation of systems and equipment. No contract for the design or development of a system of which he feels appropriate, of all proposed contracts providing for the operation of systems of records shall be made prior to execution of the contracts to determine whether operation of the system of records is for the purpose of accomplishing a Department function. If a determination is made that the operation of the system is to accomplish a Department function, the contracting officer shall be responsible for determining whether operation of the system is for the purpose of accomplishing a Department function. If a determination is made that the operation of the system is to accomplish a Department function, the contracting officer shall be responsible for determining whether operation of the system is to accomplish a Department function. If a determination is made that the operation of the system is to accomplish a Department function, the contracting officer shall be responsible for determining whether operation of the system is to accomplish a Department function. If a determination is made that the operation of the system is to accomplish a Department function, the contracting officer shall be responsible for determining whether operation of the system is to accomplish a Department function. If a determination is made that the operation of the system is to accomplish a Department function, the contracting officer shall be responsible for determining whether operation of the system is to accomplish a Department function. If a determination is made that the operation of the system is to accomplish a Department function, the contracting officer shall be responsible for determining whether operation of the system is to accomplish a Department function.

(3) Other service contracts. Contracting officers entering into general service contracts shall be responsible for determining whether particular records are required to be disclosed under the Freedom of Information Act, disclosure may be made to the Department of Justice for the purpose of obtaining its advice. A record from this system of records may be disclosed as a "routine use" to a federal, state or local agency maintaining civil, criminal or other relevant enforcement records or other pertinent records, such as current licenses, if necessary to obtain a record relevant to an agency decision concerning the hiring or retention of an employee, the issuance of a security clearance, the letting of a contract, or the issuance of a license, grant or other benefit.

A record from this system of records may be disclosed to a federal agency, in response to its request, in connection with the hiring or retention of an employee, the issuance of a security clearance, the reporting of an investigation of an employee, the letting of a contract, or the issuance of a license, grant, or other benefit by the requesting agency, to the extent that the record is relevant and necessary to the requesting agency’s decision on the matter.

(5) In the event that a system of records maintained by this agency to carry out its function indicates a violation or potential violation of law, whether civil, criminal or regulatory in nature, and whether arising by general statute or particular program statute, or by regulation, rule or order issued pursuant thereto, the relevant records in the system of records may be referred, as a routine use, to the appropriate agency, whether state or local charged with the responsibility of investigating or prosecuting such violation or charged with enforcing or implementing the statute, or rule, regulation or order issued pursuant thereto.

(6) Where federal agencies having the power to subpoena other federal agencies' records, such as the Internal Revenue Service or the Civil Rights Commission, issue a subpoena to the Department for records in this system of records, the Department will make such records available.

(7) Where a contract between a component of the Department and a labor organization recognized under E.O. 11491 provides that the agency will disclose personal records relevant to the organization’s mission, records in this system of records may be disclosed to such organization.
Office of the Secretary, Education

§ 6.0 General policy.

Inventions developed through the resources and activities of the Department are a potential resource of great value to the public. It is the policy of the Department:

(a) To safeguard the public interest in inventions developed by Department employees, contractors and grantees with the aid of public funds and facilities;

(b) To encourage and recognize individual and cooperative achievement in research and investigations; and

(c) To establish a procedure, consistent with pertinent statutes, Executive orders and general Government regulations, for the determination of rights and obligations relating to the patenting of inventions.

§ 6.1 Publication or patenting of inventions.

It is the general policy of the Department that the results of Department research should be made widely, promptly and freely available to other research workers and to the public. This availability can generally be adequately preserved by the dedication of a Government-owned invention to the public. Determinations to file a domestic patent application on inventions in which the Department has an interest will be made where the circumstances indicate that this is desirable in the public interest, and if it is practicable to do so. Department determinations not to apply for a domestic patent on employee inventions are subject to review and approval by the Commissioner of Patents. Except where deemed necessary for protecting the patent claim, the fact that a patent application has been or may be filed will not require any departure from normal policy regarding the dissemination of the results of Department research.

§ 6.3 Licensing of Government-owned patents.

(a) Licenses to practice inventions covered by patents and pending patent applications owned by the U.S. Government as represented by this Department will generally be royalty free, revocable and nonexclusive. They will normally be issued to all applicants and will generally contain no limitations or standards relating to the quality or testing of the products to be manufactured, sold, or distributed thereunder.

(b) Where it appears however that the public interest will be served under the circumstances of the particular case by licenses which impose conditions, such as those relating to quality or testing of products, requirement of payment of royalties to the Government, etc., or by the issuance of limited exclusive licenses by the Secretary after notice and opportunity for hearing thereon, such licenses may be issued.

§ 6.4 Central records; confidentiality.

Central files and records shall be maintained of all inventions, patents, and licenses in which the Department has an interest, together with a record

7.0 Who are employees.
7.1 Duty of employee to report inventions.
7.3 Determination as to domestic rights.
7.4 Option to acquire foreign rights.
7.7 Notice to employee of determination.
7.8 Employee’s right of appeal.

SOURCE: 45 FR 30814, May 9, 1980, unless otherwise noted.

§ 7.0 Who are employees.

As used in this part, the term Government employee means any officer or employee, civilian or military, except such part-time employees or part-time consultants as may be excluded therefrom by a determination made in writing by the head of the employee’s office or constituent organization, pursuant to an exemption approved by the Commissioner of Patents that to include him or them would be impracticable or inequitable, given the reasons therefor. A person shall not be considered to be a part-time employee or part-time consultant for this purpose unless the terms of his employment contemplate that he shall work for less than the minimum number of hours per day, or less than a minimum number of days per week, or less than the minimum number of weeks per year, regularly required of full-time employees of his class.

§ 7.1 Duty of employee to report inventions.

Every Department employee is required to report to the Secretary in accordance with the procedures established therefor, every invention made by him (whether or not jointly with others) which bears any relation to his official duties or which was made in whole or in any part during working hours, or with any contribution of Government facilities, equipment, material, funds, or information, or of time or services of other Government employees on official duty.

§ 7.3 Determination as to domestic rights.

The determination of the ownership of the domestic right, title, and interest in and to an invention which is or may be patentable, made by a Government employee while under the administrative jurisdiction of the Department, will be made in writing by the Secretary in accordance with the provisions of Executive Order 10096 and Government-wide regulations issued thereunder by the Commissioner of Patents as follows:

(a) The Government as represented by the Secretary shall obtain the entire domestic right, title and interest in and to all inventions made by any Government employee (1) during working hours, or (2) with a contribution by the Government of facilities, equipment, materials, funds, or information, or of time or services of other Government employees on official duty, or (3) which bear a direct relation to or are made in consequence of the official duties of the inventor.

(b) In any case where the contribution of the Government, as measured by any one or more of the criteria set forth in paragraph (a) of this section, to the invention is insufficient equitably to justify a requirement of assignment to the Government of the entire domestic right, title and interest therein (although the Government could obtain same under paragraph (a) of this section), the Department, subject to the approval of the Commissioner, shall leave title to such invention in the employee, subject, however, to the reservation to the Government of a nonexclusive, irrevocable, royalty-free license in the invention with power to grant licenses for all governmental purposes, such reservation to
appear, where practicable, in any patent, domestic or foreign, which may issue on such invention.

(c) In applying the provisions of paragraphs (a) and (b) of this section, to the facts and circumstances relating to the making of any particular invention, it shall be presumed that an invention made by an employee who is employed or assigned (1) to invent or improve or perfect any art, machine, manufacture, or composition of matter, (2) to conduct or perform research, development work, or both, (3) to supervise, direct, coordinate, or review Government financed or conducted research, development work, or both, or (4) to act in a liaison capacity among governmental or nongovernmental agencies or individuals engaged in such work, falls within the provisions of paragraph (a) of this section, and it shall be presumed that any invention made by any other employee falls within the provisions of paragraph (b) of this section. Either presumption may be rebutted by a showing of the facts and circumstances and shall not preclude a determination that these facts and circumstances justify leaving the entire right, title and interest in and to the invention in the Government employee, subject to law.

(d) In any case wherein the Government neither (1) obtains the entire domestic right, title and interest in and to an invention pursuant to the provisions of paragraph (a) of this section, nor (2) reserves a nonexclusive, irrevocable, royalty-free license to the Government for all governmental purposes, including the power to issue sublicenses for use in behalf of the Government and/or in furtherance of the foreign policies of the Government.

§ 7.4 Option to acquire foreign rights.

In any case where it is determined that all domestic rights should be assigned to the Government, it shall further be determined, pursuant to Executive Order 9865 and Government-wide regulations issued thereunder, that the Government shall reserve an option to require the assignment of such rights in all or in any specified foreign countries to the Government or the Government fails to exercise its option within such period of time as may be provided by regulations issued by the Commissioner of Patents, any application for a patent which may be filed in such country or countries by the inventor or his assignee shall nevertheless be subject to a nonexclusive, irrevocable, royalty-free license to the Government for all governmental purposes, including the power to issue sublicenses for use in behalf of the Government.

§ 7.7 Notice to employee of determination.

The employee-inventor shall be notified in writing of the Department’s determination of the rights to his invention and of his right of appeal, if any. Notice need not be given if the employee stated in writing that he would agree to the determination of ownership which was in fact made.

§ 7.8 Employee’s right of appeal.

An employee who is aggrieved by a determination of the Department may appeal to the Commissioner of Patents, pursuant to section 4(d) of Executive Order 10096, as amended by Executive Order 10930, and regulations issued thereunder, by filing a written appeal with the Commissioner, in duplicate, and a copy of the appeal with the Secretary within 30 days (or such longer period as the Commissioner may, for good cause, fix in any case) after receiving written notice of such determination.

2 Applicable when this is the primary use to be made of the property. The public benefit allowance for the overall program is applicable when such facilities are conveyed as a minor component of other facilities.

3 This 10% may include an approvable recreational program which will be accessible to the public and entirely compatible with, but subordinate to, the educational program.

4 This column establishes the maximum discount from the fair market value for payment due from the transferee at the time of the transfer. This column does not apply for purposes of ranking applicants to determine to which applicant the property will be transferred. Competitive rankings are based on the absolute total of public benefit allowance points and are not limited to the 100% ceiling.

DESCRIPTION OF TERMS USED IN THIS APPENDIX

Elementary or High School means an elementary school (including a kindergarten), high school, junior high school, junior-senior high school or elementary or secondary school system, that provides elementary or secondary education as determined under State law. However, it does not include a nursery school even though it may operate as part of a school system.

College or University means a non-profit or public university or college, including a junior college, that provides postsecondary education.

Specialized School means a vocational school, area trade school, school for the blind, or similar school.

Public Library means a public library or public library service system, not a school library or library operated by non-profit, private organizations or institutions that may be open to the general public. School libraries receive the public benefit allowance in the appropriate school classification.

Educational Museum means a museum that conducts courses on a continuing, not ad hoc, basis for students who receive credits from accredited postsecondary education institutions or school systems.

School Outdoor Education means a separate facility for outdoor education as distinguished from components of a basic school. Components of a school such as playgrounds and athletic fields receive the basic allowance applicable for that type of school.

1 This Appendix applies to transfers of both on-site and off-site surplus property.
outdoor education must be located reasonably near the school system and may be open to and used by the general public, but only if the educational program for which the property is conveyed is given priority of use. This category does not include components of the school such as playfields and athletic fields, that are utilized during the normal school year, and are available to all students.

Central Administrative and/or Service Center means administrative office space, equipment storage areas, and similar facilities.

DESCRIPTION OF ALLOWANCES

Basic Public Benefit Allowance means an allowance that is earned by an applicant that satisfies the requirements of §12.10 of this part.

Organization Allowance

Accreditation means an allowance that is earned by any postsecondary educational institution, including a vocational or trade school, that is accredited by an accrediting agency recognized by the Secretary under 34 CFR part 602.

Federal Impact means an allowance that is earned by any local educational agency (LEA) qualifying for Federal financial assistance as the result of the impact of certain Federal activities upon a community, such as the following under Public Law 81–674 and Public Law 81–815: to any LEA charged by law with responsibility for education of children who reside on, or whose parents are employed on, Federal property, or both; to any LEA to which the Federal Government has caused a substantial and continuing financial burden as the result of the acquisition of a certain amount of Federal property since 1959; or to any LEA that urgently needs minimum school facilities due to a substantial increase in school membership as the result of new or increased Federal activities.

Public Services Training means an allowance that is earned if the applicant has cadet or ROTC units or other personnel training contracts for the Federal or state governments. This is given to a school system only if the particular school receiving the property furnishes that training.

Hardship means an allowance earned by an applicant that has suffered a significant facility loss because of fire, storm, flood, other disaster, or condemnation. This allowance is also earned if unusual conditions exist such as isolation or economic factors that require special consideration.

Inadequacies of Existing Facilities means an allowance that is earned on a percentage basis depending on the degree of inadequacy considering both public and nonpublic facilities. Overall plant requirements are determined based on the relationship between the maximum enrollment accommodated in the present facilities, excluding double and night sessions and the anticipated enrollment if the facilities are transferred. Inadequacies may be computed for a component school unit such as a school farm, athletic field, facility for home economics, round-out school site, cafeteria, auditorium, teacherages, faculty housing, etc., only if the component is required to meet State standards. In that event, the State Department of Education will be required to provide a certification of the need. Component school unit inadequacies may only be related to a particular school and not to the entire school system.

UTILIZATION ALLOWANCES

Introduction of New Instructional Programs means an allowance that is earned if the proposed use of the property indicates that new programs will be added at a particular school. Examples of these new programs include those for vocational education, physical education, libraries, and similar programs.

Student Health and Welfare means an allowance that is earned if the proposed program and plan of use of the property provides for cafeteria, clinic, infirmary, bus loading shelters, or other uses providing for the well-being and health of students and eliminating safety and health hazards.

Research means an allowance that is earned if the proposed use of the property will be predominantly for research, by faculty or graduate students under school auspices, or other primary educational research.

Service to Handicapped means an allowance that is earned if the proposed program and plan of use for the property will be for special education for the physically or mentally handicapped.

\]

(b) For a debt not based on a loan the Secretary may waive, or partially waive, the charging of interest, or the collection of administrative costs or penalties, if—

(1) Compromise of these amounts is appropriate under the standards for compromise of a debt contained in 4 CFR part 103; or

(2) The Secretary determines that the charging of interest or the collection of administrative costs or penalties is—

(e)(2) The Secretary may extend the period under paragraph (e)(1) of this section if the Secretary determines that the extension is appropriate.

(ii) The practice that resulted in the debt has been corrected and will not recur;
(2) At least 45 days before compromising the debt, the Secretary publishes a notice in the Federal Register stating—
(i) The Secretary’s intent to compromise the debt; and
(ii) That interested persons may comment on the proposed compromise; and

However, if the employee does not submit, within the deadlines in paragraph (a)(1) of this section, a request that meets the requirements of paragraphs (b) and (c) of this section, the Secretary does not delay the start of an offset, or suspend an offset already commenced, unless the employee submits evidence satisfactory to the Secretary that the request was not made in a timely manner because the employee did not have notice of the proposed offset, or was otherwise prevented from making the request by factors beyond his or her control, until after the deadlines had passed.

(b) Contents of request for a hearing. A request for a hearing must contain—
   (1) All information provided to the employee in the pre-offset notice under §31.3 that identifies the employee and the particular debt, including the employee’s Social Security number and the program under which the debt arose, together with any corrections needed with regard to that identifying information;
   (2) An explanation of the reasons why the employee believes that—
      (i) The debt as stated in the pre-offset notice is not owing or is not enforceable by offset; or
      (ii) The amount of the proposed offset described in the pre-offset notice will cause extreme financial hardship to the employee;
   (3) If the employee contends that the amount of the proposed offset will
cause extreme financial hardship under the standards set forth in §31.8(b)—
(i) An alternative offset proposal;
(ii) An explanation, in writing, showing why the offset proposed in the notice would cause an extreme financial hardship for the employee; and
(iii) Documents that show for the employee and for the spouse and dependents of the employee, for the one-year period preceding the Secretary’s notice and for the repayment period proposed by the employee in his or her offset schedule—
(A) Income from all sources,
(B) Assets,
(C) Liabilities,
(D) Number of dependents,
(E) Expenses for food, housing, clothing, and transportation,
(F) Medical expenses, and
(G) Exceptional expenses, if any; and
(4) Copies of all documents that the employee wishes to have considered to support the objections raised by the employee regarding the enforceability of the debt or the claim of extreme financial hardship.

(c) Request for oral hearing. (1) If the employee wants the hearing to be conducted as an oral hearing, the employee must submit a request that contains the information listed in paragraph (b) and must include with the request—
(i) An explanation of reasons why the employee believes that the issues raised regarding the enforceability of the debt or a claim of extreme financial hardship cannot be resolved adequately by a review of the written statements and documents provided with the request for a hearing;
(ii) An identification of—
(A) The individuals that the employee wishes to have testify at the oral hearing;
(B) The specific issues about which each individual is prepared to testify; and
(C) The reasons why each individual’s testimony is necessary to resolve the issue.
(2) The Secretary grants a request for an oral hearing if—
(i) The employee files a request for an oral hearing that meets the requirements of paragraphs (b) and (c) of this section; and
(ii) The Secretary determines that the issues raised by the employee require a determination of the credibility of testimony and cannot be adequately resolved by a review of the written statements and documents submitted by the employee and documents contained in the Department’s records relating to the debt.

(3) The Secretary may decline a request for an oral hearing if the Secretary accepts the employee’s proffer of testimony made in the request for an oral hearing under paragraph (c)(1) of this section, and considers the facts at issue to be established as stated by the employee in the request.

(4) If the Secretary grants a request for an oral hearing, the Secretary—
(i) Notifies the employee in writing of—
(A) The date, time, and place of the hearing;
(B) The name and address of the hearing official;
(C) The employee’s right to be represented at the hearing by counsel or other representatives;
(D) The employee’s right to present and cross-examine witnesses; and
(E) The employee’s right to waive the requested oral hearing and receive a hearing in the written record.

(d) Employee choice of oral hearing or hearing on written submissions. An employee who has been sent notice under paragraph (c)(4) that an oral hearing will be provided must, within 15 days of the date of that notice, state in writing to the hearing official and the Secretary—
(1) Whether the employee intends to proceed with the oral hearing, or wishes a decision based on the written record; and
(2) Any changes in the list of the witnesses the employee proposes to produce for the hearing, or the facts about which a witness will testify.

(e) Dismissal of request for hearing. The Secretary considers the employee to
§ 31.6 Location and timing of oral hearing.

(a) If the Secretary grants a request for an oral hearing, the Secretary selects the time, date, and location of the hearing. The Secretary selects, to the extent feasible, the location that is most convenient for the employee.

(b) For a current military employee, the Secretary selects the time, date, and location of the hearing after consultation with the Secretary of Defense.

(c) For a current Coast Guard employee, the Secretary selects the time, date, and location of the hearing after consultation with the Secretary of Transportation.

(d) For an employee not described in paragraph (a) or (b) of this section, the hearing will be held in Washington, DC, or in one of the following cities: Boston, Philadelphia, New York, Atlanta, Chicago, Dallas, Kansas City, Denver, San Francisco, or Seattle.

§ 31.7 Hearing procedures.

(a) Independence of hearing official. A hearing provided under this part is conducted by a hearing official who is neither an employee of the Department nor otherwise under the supervision or control of the Secretary.

(b) Lack of subpoena authority or formal discovery. (1) Neither the hearing official nor the Secretary has authority to issue subpoenas to compel the production of documents or to compel the attendance of witnesses at an oral hearing under this part. The Secretary will attempt to make available during an oral hearing the testimony of a current official of the Department if—

(i) The employee had identified the official in the request for a hearing under §31.5(b) and demonstrated that the testimony of the official is necessary to resolve adequately an issue of fact raised by the employee in the request for a hearing; and

(ii) The Secretary determines that the responsibilities of the official permit his or her attendance at the hearing.

(2) If the Secretary determines that the testimony of a Department official is necessary, but that the official cannot attend an oral hearing to testify, the Secretary attempts to make the official available for testimony at the hearing by means of a telephone conference call.

(3) No discovery is available in a proceeding under this part except as provided in §31.4.

(c) Hearing on written submissions. If a hearing is conducted on the written submissions, the hearing official reviews documents and responses submitted by the Secretary and the employee under §31.5.

(d) Conduct of oral hearing. (1) The hearing official conducts an oral hearing as an informal proceeding. The official—

(i) Administers oaths to witnesses;

(ii) Regulates the course of the hearing;

(iii) Considers the introduction of evidence without regard to the rules of evidence applicable to judicial proceedings; and

(iv) May exclude evidence that is redundant, or that is not relevant to those issues raised by the employee in the request for hearing under §31.5 that remain in dispute.

(2) An oral hearing is generally open to the public. However, the hearing official may close all or any portion of the hearing if doing so is in the best interest of the employee or the public.

(3) The hearing official may conduct an oral hearing by telephone conference call—

(i) If the employee is located in a city outside the Washington, DC Metropolitan area.

(ii) At the request of the employee.

(iii) At the discretion of the hearing official.

(4) No written record is created or maintained of an oral hearing provided under this part.

(e) Burden of proof. In any hearing under this part—
(1) The Secretary bears the burden of proving, by a preponderance of the evidence, the existence and amount of the debt, and the failure of the employee to repay the debt, as the debt is described in the pre-offset notice provided under §31.3; and

(2) The employee bears the burden of proving, by a preponderance of the evidence—

(i) The existence of any fact that would establish that the debt described in the pre-offset notice is not enforceable by offset; and

(ii) The existence of any fact that would establish that the amount of the proposed offset would cause an extreme financial hardship for the employee.

(Authority: 5 U.S.C. 5514; 31 U.S.C. 3716)

§31.8 Rules of decision.

(a) Enforceability of debt by offset. In deciding whether the Secretary has established that the debt described in the pre-offset under §31.3 is owed by the employee, or whether the employee has established that the debt is not enforceable by offset, the hearing official shall apply the principles in this paragraph.

(1) The statutes and Department regulations authorizing and implementing the program under which the debt arose must be applied in accordance with official written interpretations by the Department.

(2) The principles of res judicata and collateral estoppel apply to resolution of disputed facts in those instances in which the debt or material facts in dispute have been the subject of prior judicial decision.

(3) The act or omission of an institution of higher education at which the employee was enrolled does not constitute a defense to repayment of an obligation with regard to a grant or loan under a program authorized under Title IV of the Higher Education Act or similar authority, except to the extent that—

(i) The act or omission constitutes a defense to the debt under applicable Federal or State law;

(ii) The institution owed the employee a refund under its refund policy and failed to pay that refund to the employee; or

(iii) The institution ceased teaching activity while the employee was in attendance and during the academic period for which the grant or loan was made, and failed to refund to the employee or holder of a loan to the employee a proportionate amount of the grant or loan funds used to pay tuition and other institutional charges for that academic period.

(4)(i) A debt otherwise established as owed by the employee is enforceable by offset under this part if the Secretary sends the pre-offset notice for the debt within the ten year period following the later of—

(A) The date on which the Secretary acquired the debt by assignment or referral, or

(B) The date of a subsequent partial payment reaffirming the debt.

(ii) Periods during which the statute of limitations applicable to a lawsuit to collect the debt has been tolled under 11 U.S.C. 108, 28 U.S.C. 2416, 50 U.S.C. App. 525, or other authority are excluded from the calculation of the ten year period described in paragraph (a)(4)(i) of this section.

(b) Extreme financial hardship. (1) In deciding whether an employee has established that the amount of the proposed offset would cause extreme financial hardship to the employee, the hearing official shall determine whether the credible, relevant evidence submitted demonstrates that the proposed offset would prevent the employee from meeting the costs necessarily incurred for essential subsistence expenses of the employee and his or her spouse and dependents.

(2) For purposes of this determination, essential subsistence expenses include costs incurred only for food, housing, clothing, essential transportation and medical care.

(3) In making this determination, the hearing official shall consider—

(i) The income from all sources of the employee, and his or her spouse and dependents;

(ii) The extent to which the assets of the employee and his or her spouse and dependents are available to meet the offset and the essential subsistence expenses;
(iii) Whether these essential subsistence expenses have been minimized to the greatest extent possible;

(iv) The extent to which the employee and his or her spouse and dependents can borrow to satisfy the debt to be collected by offset or to meet essential expenses; and

(v) The extent to which the employee and his or her spouse and dependents have other exceptional expenses that should be taken into account, and whether these expenses have been minimized.

(Authority: 5 U.S.C. 5514; 31 U.S.C. 3716)

§ 31.9 Decision of the hearing official.

(a) The hearing official issues a written opinion within sixty days of the date on which the employee filed a request for a hearing under §31.5, unless a delay in the proceedings has been granted at the request of the employee. In the opinion, the hearing official states his or her decision and the findings of fact and conclusions of law on which the decision is based.

(b) If the hearing official finds that a portion of the debt described in the pre-offset notice under §31.3 is not enforceable by offset, the official shall state in the opinion that portion which is enforceable by offset.

(c) If the hearing official finds that the amount of the offset proposed in the pre-offset notice will cause an extreme financial hardship for the employee, the hearing official shall establish an offset schedule that will result in the repayment of the debt in the shortest period of time without producing an extreme financial hardship for the employee.

(Authority: 5 U.S.C. 5514; 31 U.S.C. 3716)

§ 31.10 Request for repayment agreement.

(a) The Secretary does not initiate an offset under this part if the employee agrees in writing to repay the debt under terms acceptable to the Secretary and makes the first payment due under the agreement on or before the latest of—

(1) The seventh day after the date of the decision of the hearing official, if the employee timely requested a hearing under §31.5 (a) and (d);

(2) The sixty-fifth day after the date of the pre-offset notice under §31.3 if the employee did not timely request either a hearing in accordance with §31.5 (a) and (d) or an opportunity to inspect and copy documents related to the debt under §31.4; or

(3) The fifteenth day after the date on which the Secretary made available documents related to the debt, if the employee filed a timely request for documents under §31.4.

(b) In the agreement, the Secretary and the employee may agree to satisfaction of the debt from sources other than an offset under this part, or may modify the amount proposed to be offset in the pre-offset notice or estimated in the decision of the hearing official.

(c) If the employee does not enter into a repayment agreement acceptable to the Secretary within the deadlines in this section, the Secretary may initiate an offset under this part. The Secretary continues to collect by offset until an employee enters in a satisfactory repayment agreement for the debt. The Secretary suspends an offset already commenced under circumstances described in §31.5(a)(2).

(Authority: 5 U.S.C. 5514; 31 U.S.C. 3716)

§ 31.11 Offset process.

(a) The Secretary attempts to collect debts under this part within the shortest time authorized under—

(1) The offset schedule proposed in the pre-offset notice, unless modified by agreement or by the decision of a hearing official;

(2) A written repayment agreement with the employee; or

(3) The offset schedule established in the decision of the hearing official.

(b) In proposing an offset schedule under §31.3 or establishing a repayment agreement under §31.10, the Secretary also considers the expected period of Federal employment of the employee.

(c) Unless the Secretary determines, in his discretion, to delay or suspend collection, the Secretary effects an offset under this part—

(1) According to the terms agreed to by the employee pursuant to a timely request under §31.10 to enter into a repayment agreement; or
32.1 Scope.

(a) The Secretary establishes the standards and procedures in this part that apply to the deductions through offset from disposable pay of a current or former employee of the Department of Education to recover overpayments of pay or allowances.

(b) This part does not apply to—

(1) Recovery through offset of an indebtedness to the United States by an employee of the Department under a program administered by the Secretary of Education covered under 34 CFR part 31;

(2) The offset of an indebtedness to the United States by a Federal employee to satisfy a judgment obtained by the United States against that employee in a court of the United States;

(3) The offset of any payment to an employee of the Department of Education which is expressly allowed under statutes other than 5 U.S.C. 5514, except as to offsets of severance pay and/or lump sum annual leave payments as authorized under 31 U.S.C. 3716;

(4) Offsets under 34 CFR part 30; or

(5) An employee election of coverage or of a change of coverage under a Federal benefits program which requires periodic deductions from pay if the amount to be recovered was accumulated over four pay periods or less.

(Department of Education)

§ 32.2 Definitions.

The following definitions apply to this part:

Department means the Department of Education.

Disposable pay means the amount that remains from an employee’s pay after required deductions for Federal, State, and local income taxes; Social Security taxes, including Medicare taxes; Federal retirement programs; premiums for health and basic life insurance benefits; and such other deductions that are required by law to be withheld.

Employee means a current or former employee of the Department.

Former employee means a former employee of the Department who is entitled to pay from the Department or another agency.

Pay means basic pay, special pay, incentive pay, retired pay, retainer pay, or, in the case of an individual not entitled to basic pay, other authorized pay, including severance pay and/or lump sum payments for accrued annual leave.

Secretary means the Secretary of the Department of Education or an official...
§ 32.3 Pre-offset notice.

At least 30 days before initiating a deduction from the disposable pay of an employee to recover an overpayment of pay or allowances, the Secretary sends a written notice to the employee stating—

(a) The origin, nature and amount of the overpayment;
(b) How interest is charged and administrative costs and penalties will be assessed, unless excused under 31 U.S.C. 3716;
(c) A demand for repayment, providing for an opportunity for the employee to enter into a written repayment agreement with the Department;
(d) Where a waiver of repayment is authorized by law, the employee's right to request a waiver;
(e) The Department's intention to deduct 15 percent of the employee's disposable pay, or a specified amount if the disposable pay is severance pay and/or a lump sum annual leave payment, to recover the overpayment if a waiver is not granted by the Secretary and the employee fails to repay the overpayment or enter into a written repayment agreement;
(f) The amount, frequency, approximate beginning date and duration of the intended deduction;
(g) If Government records on which the determination of overpayment are not attached, how those records will be made available to the employee for inspection and copying;
(h) The employee's right to request a pre-offset hearing concerning the existence or amount of the overpayment or an involuntary repayment schedule;
(i) The applicable hearing procedures and requirements, including a statement that a timely petition for hearing will stay commencement of collection proceedings and that a final decision on the hearing will be issued not later than 60 days after the hearing petition is filed, unless a delay is requested and granted;
(j) That any knowingly false or frivolous statements, representations or evidence may subject the employee to applicable disciplinary procedures, civil or criminal penalties; and
(k) That where amounts paid or deducted are later waived or found not owed, unless otherwise provided by law, they will be promptly refunded to the employee.

§ 32.4 Employee response.

(a) Voluntary repayment agreement. Within 7 days of receipt of the written notice under §32.3, the employee may submit a request to the Secretary to arrange for a voluntary repayment schedule. To arrange for a voluntary repayment schedule, the employee shall submit a financial statement and sign a written repayment agreement approved by the Secretary. An employee who arranges for a voluntary repayment schedule may nonetheless request a waiver of the overpayment under paragraph (b) of this section.

(b) Waiver. An employee seeking a waiver of collection of the debt that is authorized by law must request the waiver in writing to the Secretary within 10 days of receipt of the written notice under §32.3. The employee must state why he or she believes a waiver should be granted.

(c) Involuntary repayment schedule. If the employee claims that the amount of the involuntary deduction will cause extreme financial hardship and should be reduced, he or she must submit a written explanation and a financial statement signed under oath or affirmation to the Secretary within 10 days of receipt of the written notice under §32.3. An employee who fails to submit this financial information in a timely manner waives the right to object to the involuntary repayment schedule at a hearing under §32.5. The Secretary notifies the employee, in writing, whether the Secretary will reduce the rate of the involuntary deduction.

(Authority: 5 U.S.C. 5514; 31 U.S.C. 3716)

§ 32.5 Pre-offset hearing—general.

(a) An employee who wishes a review of the existence or amount of the overpayment or an involuntary repayment schedule may request a pre-offset hearing. The pre-offset hearing does not review:
Office of the Secretary, Education § 32.6

(1) The denial of a waiver of repayment under 5 U.S.C. 5584;
(2) The involuntary repayment schedule or financial hardship caused by the amount of the involuntary deduction from the employee’s disposable pay, unless the employee has submitted the financial statement and written explanation required under §32.4(c); and
(3) The determination under paragraph (b) of this section that the pre-offset hearing is on the written submissions.

(b) Unless the Secretary determines that a matter reviewable under paragraph (a) of this section turns on an issue of credibility or veracity or cannot be resolved by a review of the documentary evidence, the pre-offset hearing is on the written submissions.

(c) A pre-offset hearing is based on the written submissions for overpayments arising from:
(1) A termination of a temporary promotion;
(2) A cash award;
(3) An erroneous salary rate;
(4) Premature granting of a within-grade increase;
(5) A lump sum payment for annual leave;
(6) Unauthorized appointment to a position;
(7) An error on time and attendance records; or
(8) Other circumstances where the Secretary determines that an oral hearing is not required.

(d) The hearing is conducted by a hearing official who is not an employee of the Department or under the supervision or control of the Secretary.

(e) Formal discovery between the parties is not provided.

(Authority: 5 U.S.C. 5514; 31 U.S.C. 3716)

§ 32.6 Request for a pre-offset hearing.

(a) Except for an employee who has requested a waiver of collection of the debt under §32.4(b), an employee who wishes a pre-offset hearing must request the hearing within 15 days of receipt of the written notice given under §32.3. The Secretary waives the 15-day requirement if the employee shows that the delay was because of circumstances beyond his or her control or because of failure to receive notice and lack of knowledge of the time limit.

(b) An employee who has requested a waiver under §32.4(b) may request a hearing within 10 days of receipt of a determination by the Secretary denying a waiver.

(c) The request for a hearing must:
(1) Be in writing;
(2) State why the employee:
(i) Contests the existence or amount of the overpayment; or
(ii) Claims that the involuntary repayment schedule will cause extreme financial hardship;
(3) Include all documents on which the employee is relying, other than those provided by the Secretary under §32.3; any document which is a statement of an individual must be in the form of an affidavit; and
(4) Be submitted to the designated hearing official with a copy to the Secretary.

(d) If the employee timely requests a pre-offset hearing or the timelines are waived under paragraph (a) of this section, the Secretary:
(1) Notifies the employee whether the employee may elect an oral hearing; and
(2) Provides the hearing official with a copy of all records on which the determination of the overpayment and any involuntary repayment schedule are based.

(e) An employee who has been given the opportunity to elect an oral hearing and who does elect an oral hearing must notify the hearing official and the Secretary of his or her election in writing within 7 days of receipt of the notice under paragraph (d)(1) of this section and must identify all proposed witnesses and all facts and evidence about which they will testify.

(f) Where an employee requests an oral hearing, the hearing official notifies the Secretary and the employee of the date, time, and location of the hearing. However:
(1) The employee subsequently may elect to have the hearing based only on the written submissions by notifying the hearing official and the Secretary at least 3 calendar days before the date of the oral hearing. The hearing official may waive the 3-day requirement.
§ 32.7 Pre-offset oral hearing.

(a) Oral hearings are informal in nature. The Secretary and the employee, through their representatives, and by reference to the documentation submitted, explain their case. The employee may testify on his or her own behalf, subject to cross examination. Other witnesses may be called to testify only where the hearing official determines that their testimony is relevant and not redundant.

(b) The hearing official shall:
(1) Conduct a fair and impartial hearing; and
(2) Preside over the course of the hearing, maintain decorum, and avoid delay in the disposition of the hearing.

(c) The employee may represent himself or herself or may be represented by another person at the hearing. The employee may not be represented by a person whose representation creates an actual or apparent conflict of interest.

(d) Oral hearings are open to the public. However, the hearing official may close all or any portion of the hearing where to do so is in the best interests of the employee or the public.

(e) Oral hearings may be conducted by conference call—
(1) If the employee is located in a city outside the Washington, DC Metropolitan area;
(2) At the request of the employee; or
(3) At the discretion of the hearing official.

§ 32.8 Pre-offset hearing on the written submissions.

If a hearing is to be held on the written submissions, the hearing official reviews the records and responses submitted by the Secretary and the employee under §32.6.

§ 32.9 Written decision.

(a) The hearing official issues a written decision stating the facts supporting the nature and origin of the debt and the hearing official’s analysis, findings and conclusions as to the amount of the debt and the repayment schedule within 60 days of filing of the employee’s request for a pre-offset hearing, unless the employee requests, and the hearing official grants, a delay in the proceedings.

(b) The hearing official decides whether the Secretary’s determination of the existence and the amount of the overpayment or the extreme financial hardship caused by the involuntary repayment schedule is clearly erroneous. A determination is clearly erroneous if although there is evidence to support the determination, the hearing official, considering the record as a whole, is left with a definite and firm conviction that a mistake was made.

(c) In making the decision, the hearing official is governed by applicable Federal statutes, rules and regulations.

(d) The hearing official decides the issue of extreme financial hardship caused by the involuntary repayment schedule only where the employee has submitted the financial statement and written explanation required under §32.4(c). Where the hearing official determines that the involuntary repayment schedule creates extreme financial hardship, he or she must establish a schedule that alleviates the financial hardship but may not reduce the involuntary repayment schedule to a deduction of zero percent.

§ 32.10 Deductions process.

(a) Debts must be collected in one lump sum where possible. If the employee does not agree to a lump sum that exceeds 15 percent of disposable pay, the debt must be collected in installment deductions at officially established pay intervals in the amount established under:
(1) A voluntary repayment agreement;
(2) An involuntary repayment schedule where no hearing is requested; or
(3) The schedule established under the written hearing decision.
Office of the Secretary, Education

(b) Installment deductions must be made over a period not greater than the anticipated period of employment, except as provided under paragraph (d) of this section. If possible, the installment payment must be sufficient in size and frequency to liquidate the debt in, at most, three years. Installment payments of less than $25 may be accepted only in the most unusual circumstances.

(c) Deductions must begin:
(1) After the employee has entered a voluntary repayment schedule;
(2) If a waiver is requested under §32.4(b), after the employee has been denied a waiver by the Secretary; or
(3) If a hearing is requested under §32.5, after a written decision.

(d) If the employee retires or resigns or his or her employment ends before collection of the debt is completed, the amount necessary to liquidate the debt must be offset from subsequent payments of any nature (for example, final salary payment and/or lump sum annual leave payment) due the employee on the date of separation. If the debt cannot be liquidated by offset from any such final payment due the employee on the date of separation, the debt must be liquidated by administrative offset pursuant to 31 U.S.C. 3716 from later payments of any kind due the employee, where appropriate. After the Secretary has complied with the procedures in this part, the Secretary may refer the debt to a paying agency for collection by offset under 5 CFR 550.1108.

(e) Interest, penalties and administrative costs on debts collected under this part must be assessed, in accordance with the provisions of 4 CFR 102.13.

(f) An employee’s payment, whether voluntary or involuntary, of all or any portion of an alleged debt collected pursuant to this part may not be construed as a waiver of any rights which the employee may have under this part or any other provision of law, except as otherwise provided by law.

(g) Amounts paid or deducted pursuant to this part by an employee for a debt that is waived or otherwise found not owing to the United States or which the Secretary is ordered to refund must be promptly refunded to the employee.

(4) Shall state the name, address, and telephone number of the person authorized by the defendant to act as defendant’s representative, if any.

(c) If the defendant is unable to file an answer meeting the requirements of paragraph (b) of this section within the time provided, the defendant may, before the expiration of 30 days from service of the complaint, file with the reviewing official a general answer denying liability and requesting a hearing, and a request for an extension of time within which to file an answer meeting the requirements of paragraph (b) of this section. The reviewing official shall file promptly with the ALJ the complaint, the general answer denying liability, and the request for an extension of time as provided in §33.11 for good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section.

(c) The ALJ shall assume the facts alleged in the complaint to be true and, if those facts establish liability under §33.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision becomes final and binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the defendant files a
motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision must be stayed pending the ALJ’s decision on the motion.

(f) If, on such a motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision under paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying a defendant’s motion under paragraph (e) of this section is not subject to reconsideration under §33.38.

(h) The defendant may appeal to the Department head the decision denying a motion to reopen by filing a notice of appeal with the Department head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal stays the initial decision until the Department head decides the issue.

(i) If the defendant files a timely notice of appeal with the Department head, the ALJ shall forward the record of the proceeding to the Department head.

(j) The Department head decides expeditiously whether extraordinary circumstances excuse the defendant’s failure to file a timely answer based solely on the record before the ALJ.

(k) If the Department head decides that extraordinary circumstances excuse the defendant’s failure to file a timely answer, the Department head remands the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the Department head decides that the defendant’s failure to file a timely answer is not excused, the Department head reinstates the initial decision of the ALJ, which becomes final and binding upon the parties 30 days after the Department head issues that decision.

(§33.14 Separation of functions.

It must be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of the motion and affidavit, the ALJ shall not proceed further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f) of this section.

(f)(1) If the ALJ determines that a reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the case must be reassigned promptly to another ALJ.

(3) If the ALJ denies a motion to disqualify, the Department head may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

§ 33.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under § 33.3 and, if so, the appropriate amount of the civil penalty or assessment considering any aggravating or mitigating factors.

(b) The Department shall prove a defendant’s liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing must be open to the public unless otherwise ordered by the ALJ for good cause shown.

(Authority: 31 U.S.C. 3803 (f), (g)(2))

§ 33.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the Department head, upon appeal, evaluate any circumstances that mitigate or aggravate the violation and articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating fraudulent conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty is imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the Department head in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements.

(2) The time period over which such claims or statements were made.

(3) The degree of the defendant’s culpability with respect to the misconduct.

(4) The amount of money or the value of the property, services, or benefit falsely claimed.

(5) The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation.

(6) The relationship of the amount imposed as civil penalties to the amount of the Government’s loss.

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs.

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct.

(9) Whether the defendant attempted to conceal the misconduct.

(10) The degree to which the defendant has involved others in the misconduct or in concealing it.

(11) If the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant’s practices fostered or attempted to preclude the misconduct.

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct.

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers.

(14) The complexity of the program or transaction, and the degree of the defendant’s sophistication with respect to it, including the extent of the defendant’s prior participation in the program or in similar transactions.

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly.

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.
§ 33.32 Location of hearing.
(a) The hearing may be held:
(1) In any judicial district of the United States in which the defendant resides or transacts business;
(2) In any judicial district of the United States in which the claim or statement in issue was made; or
(3) In such other place as may be agreed upon by the defendant and the ALJ.
(b) Each party must have the opportunity to present argument with respect to the location of the hearing.
(c) The hearing must be held at the place and at the time ordered by the ALJ.

§ 33.33 Witnesses.
(a) Except as provided in paragraph (b) of this section, testimony at the hearing must be given orally by witnesses under oath or affirmation.
(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of the witness, in a manner that allows sufficient time for other parties to subpoena the witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts must be exchanged as provided in §33.22(a).
(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to:
(1) Make the interrogation and presentation effective for the ascertainment of the truth;
(2) Avoid needless consumption of time; and
(3) Protect witnesses from harassment or undue embarrassment.
(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.
(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination must be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.
(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—
(1) A party who is an individual;
(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the party pro se or designated by the party’s representative; or
(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 33.34 Evidence.
(a) The ALJ shall determine the admissibility of evidence.
(b) Except as provided in this part, the ALJ is not bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence if appropriate, e.g., to exclude unreliable evidence.
(c) The ALJ shall exclude irrelevant and immaterial evidence.
(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.
(e) Although relevant, evidence may be excluded if it is privileged under Federal law.
(f) Evidence concerning offers of compromise or settlement are inadmissible...
Office of the Secretary, Education

§ 33.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt is presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every motion under paragraph (a) of this section must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. The motion must be accompanied by a supporting brief.

(c) Responses to the motion are allowed only upon request to the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.
§ 33.39 Appeal to Department head.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal the decision to the Department head by filing a notice of appeal with the Department head in accordance with this section.

(b)(1) A notice of appeal may be filed at any time within 30 days after the ALJ issues a final decision. However, if another party files a motion for reconsideration under §33.38, consideration of the appeal shall be stayed automatically pending resolution of the motion for reconsideration.

(2) If a motion for reconsideration is timely filed, a notice of appeal may be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) The Department head may extend the initial 30-day period for an additional 30 days if the defendant files with the Department head a request for an extension within the initial 30-day period and shows good cause.

(c) If the defendant files a timely notice of appeal with the Department head, and the time for filing motions for reconsideration under §33.38 has expired, the ALJ shall forward the record of the proceeding to the Department head.

(d) A notice of appeal must be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the Government may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(f) There is no right to appear personally before the Department head.

(g) There is no right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the Department head does not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the Department head that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present that evidence at the hearing, the Department head shall remand the matter to the ALJ for consideration of the additional evidence.

(j) The Department head affirms, reduces, reverses, compromises, remands, or settles any penalty or assessment, determined by the ALJ in any initial decision.

(k) The Department head promptly serves each party to the appeal with a copy of the decision of the Department head and a statement describing the right of any person determined to be liable for a penalty or assessment to seek judicial review.

(l) Unless a petition for review is filed as provided in 31 U.S.C. 3805, after a defendant has exhausted all administrative remedies under this part and within 60 days after the date on which the Department head serves the defendant with a copy of the Department head’s decision, a determination that a defendant is liable under §33.3 is final and is not subject to judicial review.

(Authority: 31 U.S.C. 3803(i)(1)(2))
§ 33.40 Stays ordered by the Department of Justice.

If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the Department head a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the Department head stays the process immediately. The Department head orders the process resumed only upon receipt of the written authorization of the Attorney General.

(Authority: 31 U.S.C. 3803(b)(3))

(Authority: 31 U.S.C. 3803(j))

(c) The Department head has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under §33.42 or during the pendency of any action to collect penalties and assessments under §33.43.

§ 34.1 Purpose of this part.

This part establishes procedures the Department of Education uses to collect money from a debtor’s disposable pay by means of administrative wage garnishment to satisfy delinquent debt owed to the United States.

(Authority: 31 U.S.C. 3720D)

§ 34.2 Scope of this part.

(a) This part applies to collection of any financial obligation owed to the United States that arises under a program we administer.

(b) This part applies notwithstanding any provision of State law.

(c) We may compromise or suspend collection by garnishment of a debt in accordance with applicable law.

(d) We may use other debt collection remedies separately or in conjunction with administrative wage garnishment to collect a debt.

(e) To collect by offset from the salary of a Federal employee, we use the procedures in 34 CFR part 31, not those in this part.

(Authority: 31 U.S.C. 3720D)

§ 34.3 Definitions.

As used in this part, the following definitions apply:

Administrative debt means a debt that does not arise from an individual’s obligation to repay a loan or an overpayment of a grant received under a student financial assistance program authorized under Title IV of the Higher Education Act.

Business day means a day Monday through Friday, unless that day is a Federal holiday.

Certificate of service means a certificate signed by an authorized official of the U.S. Department of Education (the Department) that indicates the nature of the document to which it pertains, the date we mail the document, and to whom we are sending the document.

Day means calendar day. For purposes of computation, the last day of a period will be included unless that day is a Saturday, a Sunday, or a Federal
legal holiday; in that case, the last day of the period is the next business day after the end of the period.

Debt or claim means any amount of money, funds, or property that an appropriate official of the Department has determined an individual owes to the United States under a program we administer.

Debtor means an individual who owes a delinquent nontax debt to the United States under a program we administer.

Disposable pay. This term—
(a)(1) Means that part of a debtor’s compensation for personal services, whether or not denominated as wages, from an employer that remains after the deduction of health insurance premiums and any amounts required by law to be withheld.
(2) For purposes of this part, “amounts required by law to be withheld” include amounts for deductions such as social security taxes and withholding taxes, but do not include any amount withheld under a court order; and
(b) Includes, but is not limited to, salary, bonuses, commissions, or vacation pay.

Employer. This term—
(a) Means a person or entity that employs the services of another and that pays the latter’s wages or salary;
(b) Includes, but is not limited to, State and local governments; and
(c) Does not include an agency of the Federal Government.

Financial hardship means an inability to meet basic living expenses for goods and services necessary for the survival of the debtor and his or her spouse and dependents.

Garnishment means the process of withholding amounts from an employee’s disposable pay and paying those amounts to a creditor in satisfaction of a withholding order.

We means the United States Department of Education.

Withholding order. (a) This term means any order for withholding or garnishment of pay issued by this Department, another Federal agency, a State or private non-profit guaranty agency, or a judicial or administrative body.
(b) For purposes of this part, the terms “wage garnishment order” and “garnishment order” have the same meaning as “withholding order.”

You means the debtor.

(Authority: 31 U.S.C. 3720D)

§ 34.4 Notice of proposed garnishment.
(a) We may start proceedings to garnish your wages whenever we determine that you are delinquent in paying a debt owed to the United States under a program we administer.
(b) We start garnishment proceedings by sending you a written notice of the proposed garnishment.
(c) At least 30 days before we start garnishment proceedings, we mail the notice by first class mail to your last known address.

(1) We keep a copy of a certificate of service indicating the date of mailing of the notice.
(2) We may retain this certificate of service in electronic form.

(Authority: 31 U.S.C. 3720D)

§ 34.5 Contents of a notice of proposed garnishment.
In a notice of proposed garnishment, we inform you of—
(a) The nature and amount of the debt;
(b) Our intention to collect the debt through deductions from pay until the debt and all accumulated interest, penalties, and collection costs are paid in full; and
(c) An explanation of your rights, including those in § 34.6, and the time frame within which you may exercise your rights.

(Authority: 31 U.S.C. 3720D)

§ 34.6 Rights in connection with garnishment.
Before starting garnishment, we provide you the opportunity—
(a) To inspect and copy our records related to the debt;
(b) To enter into a written repayment agreement with us to repay the debt under terms we consider acceptable;
(c) For a hearing in accordance with § 34.8 concerning—
(1) The existence, amount, or current enforceability of the debt;
§ 34.7 Consideration of objection to the rate or amount of withholding.

(a) We consider objections to the rate or amount of withholding only if the objection rests on a claim that withholding at the proposed rate or amount would cause financial hardship to you and your dependents.

(b) We do not provide a hearing on an objection to the rate or amount of withholding if the rate or amount we propose to be withheld does not exceed the rate or amount agreed to under a repayment agreement reached within the preceding six months after a previous notice of proposed garnishment.

(c) We do not consider an objection to the rate or amount of withholding based on a claim that by virtue of 15 U.S.C. 1673, no amount of wages are available for withholding by the employer.

(Authority: 31 U.S.C. 3720D)

§ 34.8 Providing a hearing.

(a) We provide a hearing if you submit a written request for a hearing concerning the existence, amount, or enforceability of the debt or the rate of wage withholding.

(b) At our option the hearing may be an oral hearing under §34.9 or a paper hearing under §34.10.

(Authority: 31 U.S.C. 3720D)

§ 34.9 Conditions for an oral hearing.

(a) We provide an oral hearing if you—
(1) Request an oral hearing; and
(2) Show in the request a good reason to believe that we cannot resolve the issues in dispute by review of the documentary evidence, by demonstrating that the validity of the claim turns on the credibility or veracity of witness testimony.

(b) If we determine that an oral hearing is appropriate, we notify you how to receive the oral hearing.

(c)(1) At your option, an oral hearing may be conducted either in-person or by telephone conference.

(2) We provide an in-person oral hearing with regard to administrative debts only in Washington D.C.

(3) We provide an in-person oral hearing with regard to debts based on student loan or grant obligations only at our regional service centers in Atlanta, Chicago, or San Francisco.

(4) You must bear all travel expenses you incur in connection with an in-person hearing.

(5) We bear the cost of any telephone calls we place in order to conduct an oral hearing by telephone.

(d)(1) To arrange the time and location of the oral hearing, we ordinarily attempt to contact you first by telephone call to the number you provided to us.

(2) If we are unable to contact you by telephone, we leave a message directing you to contact us within 5 business days to arrange the time and place of the hearing.

(3) If we can neither contact you directly nor leave a message with you by telephone—
(i) We notify you in writing to contact us to arrange the time and place of the hearing; or
(ii) We select a time and place for the hearing, and notify you in writing of the time and place set for the hearing.

(e) We consider you to have withdrawn the request for an oral hearing if—

(1) Within 15 days of the date of a written notice to contact us, we receive no response to that notice; or

(2) Within five business days of the date of a telephone message to contact us, we receive no response to that message.

(Authority: 31 U.S.C. 3720D)

§ 34.10 Conditions for a paper hearing.

We provide a paper hearing—

(a) If you request a paper hearing;

(b) If you requested an oral hearing, but we determine under §34.9(e) that you have withdrawn that request;

(c) If you fail to appear for a scheduled oral hearing, as provided in §34.15; or

(d) If we deny a request for an oral hearing because we conclude that, by a
review of the written record, we can resolve the issues raised by your objections.

(Authority: 31 U.S.C. 3720D)

§ 34.11 Timely request for a hearing.

(a) A hearing request is timely if—

(1) You mail the request to the office designated in the garnishment notice and the request is postmarked not later than the 30th day following the date of the notice; or

(2) The designated office receives the request not later than the 30th day following the date of the garnishment notice.

(b) If we receive a timely written request from you for a hearing, we will not issue a garnishment order before we—

(1) Provide the requested hearing; and

(2) Issue a written decision on the objections you raised.

(c) If your written request for a hearing is not timely—

(1) We provide you a hearing; and

(2) We do not delay issuance of a garnishment order unless—

(i) We determine from credible representations in the request that the delay in filing the request for hearing was caused by factors over which you had no control; or

(ii) We have other good reason to delay issuing a garnishment order.

(d) If we do not complete a hearing within 60 days of an untimely request, we suspend any garnishment order until we have issued a decision.

(Authority: 31 U.S.C. 3720D)

§ 34.12 Request for reconsideration.

(a) If you have received a decision on an objection to garnishment you may file a request for reconsideration of that decision.

(b) We do not suspend garnishment merely because you have filed a request for reconsideration.

(c) We consider your request for reconsideration if we determine that—

(1) You base your request on grounds of financial hardship, and your financial circumstances, as shown by evidence submitted with the request, have materially changed since we issued the decision so that we should reduce the amount to be garnished under the order; or

(2)(i) You submitted with the request evidence that you did not previously submit; and

(ii) This evidence demonstrates that we should reconsider your objection to the existence, amount, or enforceability of the debt.

(d)(1) If we agree to reconsider the decision, we notify you.

(2)(i) We may reconsider based on the request and supporting evidence you have presented with the request; or

(ii) We may offer you an opportunity for a hearing to present evidence.

(Authority: 31 U.S.C. 3720D)

§ 34.13 Conduct of a hearing.

(a)(1) A hearing official conducts any hearing under this part.

(2) The hearing official may be any qualified employee of the Department whom the Department designates to conduct the hearing.

(b)(1) The hearing official conducts any hearing as an informal proceeding.

(2) A witness in an oral hearing must testify under oath or affirmation.

(3) The hearing official maintains a summary record of any hearing.

(c) Before the hearing official considers evidence we obtain that was not included in the debt records available for inspection when we sent notice of proposed garnishment, we notify you that additional evidence has become available, may be considered by the hearing official, and is available for inspection or copying.

(d) The hearing official considers any objection you raise and evidence you submit—

(1) In or with the request for a hearing;

(2) During an oral hearing;

(3) By the date that we consider, under §34.9(e), that a request for an oral hearing has been withdrawn; or

(4) Within a period we set, ordinarily not to exceed seven business days, after—

(i) We provide you access to our records regarding the debt, if you requested access to records within 20 days after the date of the notice under §34.4;
§ 34.14 Burden of proof.

(a)(1) We have the burden of proving the existence and amount of a debt.
(2) We meet this burden by including in the record and making available to the debtor on request records that show that—
   (i) The debt exists in the amount stated in the garnishment notice; and
   (ii) The debt is currently delinquent.
(b) If you dispute the existence or amount of the debt, you must prove by a preponderance of the credible evidence that—
   (1) No debt exists;
   (2) The amount we claim to be owed on the debt is incorrect, or
   (3) You are not delinquent with respect to the debt.
(c)(1) If you object that the proposed garnishment rate would cause financial hardship, you bear the burden of proving by a preponderance of the credible evidence that withholding the amount of wages proposed in the notice would leave you unable to meet the basic living expenses of you and your dependents.
   (2) The standards for proving financial hardship are those in §34.24.
(d)(1) If you object on the ground that applicable law bars us from collecting the debt by garnishment at this time, you bear the burden of proving the facts that would establish that claim.
   (2) Examples of applicable law that may prevent collection by garnishment include the automatic stay in bankruptcy (11 U.S.C. 362(a)), and the conclusion of garnishment action against a debtor who was involuntarily separated from employment and has been reemployed for less than a continuous period of 12 months (31 U.S.C. 3720D(b)(6)).
(e) The fact that applicable law may limit the amount that an employer may withhold from your pay to less than the amount or rate we state in the garnishment order does not bar us from issuing the order.

(Authority: 31 U.S.C. 3720D)

§ 34.15 Consequences of failure to appear for an oral hearing.

(a) If you do not appear for an in-person hearing you requested, or you do not answer a telephone call convening a telephone hearing, at the time set for the hearing, we consider you to have withdrawn your request for an oral hearing.
(b) If you do not appear for an oral hearing but you demonstrate that there was good cause for not appearing, we may reschedule the oral hearing.
(c) If you do not appear for an oral hearing you requested and we do not reschedule the hearing, we provide a paper hearing to review your objections, based on the evidence in your file and any evidence you have already provided.

(Authority: 31 U.S.C. 3720D)

§ 34.16 Issuance of the hearing decision.

(a) Date of decision. The hearing official issues a written opinion stating his or her decision, as soon as practicable, but not later than 60 days after the date on which we received the request for hearing.
(b) If we do not provide you with a hearing and render a decision within 60 days after we receive your request for a hearing—
   (1) We do not issue a garnishment order until the hearing is held and a decision rendered; or
   (2) If we have already issued a garnishment order to your employer, we suspend the garnishment order beginning on the 61st day after we receive the hearing request until we provide a hearing and issue a decision.

(Authority: 31 U.S.C. 3720D)

§ 34.17 Content of decision.

(a) The written decision is based on the evidence contained in the hearing record. The decision includes—
   (1) A description of the evidence considered by the hearing official;
(2) The hearing official’s findings, analysis, and conclusions regarding objections raised to the existence or amount of the debt;

(3) The rate of wage withholding under the order, if you objected that withholding the amount proposed in the garnishment notice would cause an extreme financial hardship; and

(4) An explanation of your rights under this part for reconsideration of the decision.

(a)(1) After an employer receives a garnishment order we issue, the employer must deduct from all disposable pay of the debtor during each pay period the amount directed in the garnishment order unless this section or §34.20 requires a smaller amount to be withheld.

(2) The amount specified in the garnishment order does not apply if other law, including this section, requires the employer to withhold a smaller amount.

(b) The employer must comply with our garnishment order by withholding the lesser of—

(1) The amount directed in the garnishment order; or—

(2) The amount specified in 15 U.S.C. 1673(a)(2) (Restriction on Garnishment); that is, the amount by which a debtor’s disposable pay exceeds an amount equal to 30 times the minimum wage. (See 29 CFR 870.10.)

(Authority: 31 U.S.C. 3720D)

§ 34.20 Amount to be withheld under multiple garnishment orders.

If a debtor’s pay is subject to several garnishment orders, the employer must comply with our garnishment order as follows:

(a) Unless other Federal law requires a different priority, the employer must pay us the amount calculated under §34.19(b) before the employer complies with any later garnishment orders, except a family support withholding order.

(b) If an employer is withholding from a debtor’s pay based on a garnishment order served on the employer before our order, or if a withholding order for family support is served on an employer at any time, the employer must comply with our garnishment order by withholding an amount that is the smaller of—

(1) The amount calculated under §34.19(b); or

(2) An amount equal to 25 percent of the debtor’s disposable pay less the amount or amounts withheld under the garnishment order or orders with priority over our order.
§ 34.21 Employer certification.

(a) Along with a garnishment order, we send to an employer a certification in a form prescribed by the Secretary of the Treasury.

(b) The employer must complete and return the certification to us within the time stated in the instructions for the form.

(c) The employer must include in the certification information about the debtor’s employment status, payment frequency, and disposable pay available for withholding.

(Authority: 31 U.S.C. 3720D)

(a)(1) Our garnishment order indicates a reasonable period of time within which an employer must start withholding under the order.

(2) The employer must promptly pay to the Department all amounts the employer withholds according to the order.

(b) The employer may follow its normal pay and disbursement cycles in complying with the garnishment order.

(c) The employer must withhold the appropriate amount from the debtor’s wages for each pay period until the employer receives our notification to discontinue wage garnishment.

(d) The employer must disregard any assignment or allotment by an employee that would interfere with or prohibit the employer from complying with our garnishment order, unless that assignment or allotment was made for a family support judgment or order.

(Authority: 31 U.S.C. 3720D)

§ 34.23 Exclusions from garnishment.

(a) We do not garnish your wages if we have credible evidence that you—

(1) Were involuntarily separated from employment; and

(2) Have not yet been reemployed continuously for at least 12 months.

(b) You have the burden of informing us of the circumstances surrounding an involuntary separation from employment.

(Authority: 31 U.S.C. 3720D)

§ 34.24 Claim of financial hardship by debtor subject to garnishment.

(a) You may object to a proposed garnishment on the ground that withholding the amount or at the rate stated in the notice of garnishment would cause financial hardship to you and your dependents. (See §34.7)

(b) You may, at any time, object that the amount or the rate of withholding which our order specifies your employer must withhold causes financial hardship.

(c)(1) We consider an objection to an outstanding garnishment order and provide you an opportunity for a hearing on your objection only after the order has been outstanding for at least six months.

(2) We may provide a hearing in extraordinary circumstances earlier than six months if you show in your request for review that your financial circumstances have substantially changed after the notice of proposed garnishment because of an event such as injury, divorce, or catastrophic illness.

(d)(1) You bear the burden of proving a claim of financial hardship by a preponderance of the credible evidence.

(2) You must prove by credible documentation—

(i) The amount of the costs incurred by you, your spouse, and any dependents, for basic living expenses; and

(ii) The income available from any source to meet those expenses.

(e)(1) We consider your claim of financial hardship by comparing—
(i) The amounts that you prove are being incurred for basic living expenses; against
(ii) The amounts spent for basic living expenses by families of the same size and similar income to yours.

(2) We regard the standards published by the Internal Revenue Service under 26 U.S.C. 7122(c)(2) (the “National Standards”) as establishing the average amounts spent for basic living expenses for families of the same size as, and with family incomes comparable to, your family.

(3) We accept as reasonable the amount that you prove you incur for a type of basic living expense to the extent that the amount does not exceed the amount spent for that expense by families of the same size and similar income according to the National Standards.

(4) If you claim for any basic living expense an amount that exceeds the amount in the National Standards, you must prove that the amount you claim is reasonable and necessary.

(Authority: 31 U.S.C. 3720D)

§ 34.25 Determination of financial hardship.

(a)(1) If we conclude that garnishment at the amount or rate proposed in a notice would cause you financial hardship, we reduce the amount of the proposed garnishment to an amount that we determine will allow you to meet proven basic living expenses.

(2) If a garnishment order is already in effect, we notify your employer of any change in the amount the employer must withhold or the rate of withholding under the order.

(b) If we determine that financial hardship would result from garnishment based on a finding by a hearing official or under a repayment agreement we reached with you, this determination is effective for a period not longer than six months after the date of the finding or agreement.

(c)(1) After the effective period referred to in paragraph (b) of this section, we may require you to submit current information regarding your family income and living expenses.

(2) If we conclude from a review of that evidence that we should increase the rate of withholding or payment, we—

(i) Notify you; and

(ii) Provide you with an opportunity to contest the determination and obtain a hearing on the objection under the procedures in §34.24.

(Authority: 31 U.S.C. 3720D)

§ 34.26 Ending garnishment.

(a)(1) A garnishment order we issue is effective until we rescind the order.

(2) If an employer is unable to honor a garnishment order because the amount available for garnishment is insufficient to pay any portion of the amount stated in the order, the employer must—

(i) Notify us; and

(ii) Comply with the order when sufficient disposable pay is available.

(b) After we have fully recovered the amounts owed by the debtor, including interest, penalties, and collection costs, we send the debtor’s employer notification to stop wage withholding.

(Authority: 31 U.S.C. 3720D)

§ 34.27 Actions by employer prohibited by law.

An employer may not discharge, refuse to employ, or take disciplinary action against a debtor due to the issuance of a garnishment order under this part.

(Authority: 31 U.S.C. 3720D)

§ 34.28 Refunds of amounts collected in error.

(a) If a hearing official determines under §§34.16 and 34.17 that a person does not owe the debt described in our notice or that an administrative wage garnishment under this part was barred by law at the time of the collection action, we promptly refund any amount collected by means of this garnishment.

(b) Unless required by Federal law or contract, we do not pay interest on a refund.

In addition, the claimant may be required to submit to a physical or mental examination by a physician employed or designated by the Department. A copy of the report of the examining physician shall be made available to the claimant upon the claimant’s written request provided that claimant has, upon request, furnished the report referred to in the first sentence of this paragraph and has made or agrees to make available to the Department any other physician’s reports previously or thereafter made of the physical or mental condition which is the subject matter of his claim.

(a)(1) The Department of Education may indemnify, in whole or in part, an employee for any verdict, judgment, or other monetary award rendered against the employee if—

(i) The conduct giving rise to the verdict, judgment, or award occurred within the scope of his or her employment with the Department; and

(ii) The indemnification is in the interest of the United States, as determined by the Secretary.

(2) The regulations in this part apply to an action pending against an ED employee as of March 30, 1989, as well as to any action commenced after that date.

(3) As used in this part, the term employee includes—

(b)(1) The Department may pay, in whole or in part, to settle or compromise a personal damage claim against an employee if—

(i) The alleged conduct giving rise to the personal damage claim occurred within the scope of employment; and
(i) The settlement or compromise is in the interest of the United States, as determined by the Secretary.

(ii) The term also includes the Office of the Secretary and the Office of the Under Secretary.

(d) The head of the employee’s principal operating component submits to the General Counsel, in a timely manner, the request, together with a recommended disposition of the request.

(e) The General Counsel forwards to the Secretary for decision—

(1) The employee’s request;

(2) The recommendation of the head of the employee’s principal operating component; and

(3) The General Counsel’s recommendation.

(Authority: 20 U.S.C. 3411, 3461, 3471, and 3474)

§ 60.2 What procedures apply to requests for indemnification?

(a) When an employee of the Department of Education becomes aware that an action has been filed against the employee in his or her individual capacity as a result of conduct taken within the scope of his or her employment, the employee shall immediately notify the head of his or her principal operating component and shall cooperate with appropriate officials of the Department in the defense of the action.

(b) As part of the notification in paragraph (a) of this section or at a later time, the employee may request—

(1) Indemnification to satisfy a verdict, judgment, or award entered against the employee; or

(2) Payment to satisfy the requirements of a settlement proposal.

(c)(1) The employee’s request must be in writing to the head of his or her principal operating component and must be accompanied by copies of the complaint and other documents filed in the action, including the verdict, judgment, award, settlement, or settlement proposal, as appropriate.

(Authority: 20 U.S.C. 3411, 3461, 3471, and 3474)

PART 73—STANDARDS OF CONDUCT

In addition, employees are subject to the executive branch-wide financial disclosure regulations at 5 CFR part 2634.

diversified mutual fund or other regulated investment company that in turn owns stock in another enterprise, that financial interest is exempt from the prohibition in 5 CFR 2635.402(a).

APPENDIX TO PART 73—CODE OF ETHICS FOR GOVERNMENT SERVICE

Any person in Government service should:
Put loyalty to the highest moral principles and to country above loyalty to persons, party, or Government department.
Uphold the Constitution, laws, and regulations of the United States and of all governments therein and never be a party to their evasion.
Give a full day’s labor for a full day’s pay; giving earnest effort and best thought to the performance of duties.
Seek to find and employ more efficient and economical ways of getting tasks accomplished.
Never discriminate unfairly by the dispensing of special favors or privileges to anyone, whether for remuneration or not; and never accept, for himself or herself or for family members, favors or benefits under circumstances which might be construed by reasonable persons as influencing the performance of governmental duties.
Make no private promises of any kind binding upon the duties of office, since a Government employee has no private word which can be binding on public duty.
Engage in no business with the Government, either directly or indirectly, which is inconsistent with the conscientious performance of governmental duties.
Never use any information gained confidentially in the performance of governmental duties as a means of making private profit.
Expose corruption wherever discovered.
Uphold these principles, ever conscious that public office is a public trust.
(This Code of Ethics was unanimously passed by the United States Congress on June 27, 1960, and signed into law as Public Law 96-303 by the President on July 3, 1980.)

§ 75.1  Programs to which part 75 applies.

(a) The regulations in part 75 apply to each direct grant program of the Department of Education.
(b) If a direct grant program does not have implementing regulations, the Secretary implements the program under the authorizing statute and, to the extent consistent with the authorizing statute, under the General Education Provisions Act and the regulations in this part. For the purposes of this part, the term “direct grant program” includes any grant program of the Department other than a program whose authorizing statute or implementing regulations provide a formula for allocating program funds among eligible States. With respect to Public Law 81–874 (the Impact Aid Program), the term “direct grant program” includes only the entitlement increase for children with disabilities under section 3(d)(2)(C) of Public Law 81–874 (20 U.S.C. 238(d)(2)(C) and disaster assistance under section 7 of that law (20 U.S.C. 241–1).

NOTE: See part 76 for the general regulations that apply to programs that allocate funds among eligible States. For a description of the two kinds of direct grant programs see §75.200. Paragraph (b) of that section describes discretionary grant programs. Paragraph (c) of that section describes formula grant programs. Also see §§75.201, 75.209, and 75.210 for the selection criteria for discretionary grant programs that do not have implementing regulations or whose implementing regulations do not include selection criteria.

(2) Any applicable program regulations; and

(3) The request for proposals for the procurement, if any, referenced in Commerce Business Daily.

(b) The regulations in part 75 do not apply to a contract of the Department unless regulations in part 75 or a program’s regulations specifically provide otherwise.

§75.51 How to prove nonprofit status.

(a) Under some programs, an applicant must show that it is a nonprofit organization. (See the definition of nonprofit in 34 CFR 77.1.)

(b) An applicant may show that it is a nonprofit organization by any of the following means:

(1) Proof that the Internal Revenue Service currently recognizes the applicant as an organization to which contributions are tax deductible under section 501(c)(3) of the Internal Revenue Code;

(2) A statement from a State taxing body or the State attorney general certifying that:

(i) The organization is a nonprofit organization operating within the State;

(1) No part of its net earnings may lawfully benefit any private shareholder or individual;

(3) A certified copy of the applicant’s certificate of incorporation or similar document if it clearly establishes the nonprofit status of the applicant; or

(4) Any item described in paragraphs (b)(1) through (3) of this section if that
§ 75.52 Eligibility of faith-based organizations for a grant and non-discrimination against those organizations.

(a)(1) A faith-based organization is eligible to apply for and to receive a grant under a program of the Department on the same basis as any other private organization, with respect to programs for which such other organizations are eligible.

(2) In the selection of grantees, the Department may not discriminate for or against a private organization on the basis of the organization’s religious character or affiliation and must ensure that all decisions about grant awards are free from political interference, or even the appearance of such interference, and are made on the basis of merit, not on the basis of religion or religious belief, or the lack thereof.

(b) The provisions of §75.532 apply to a faith-based organization that receives a grant under a program of the Department.

(c)(1) A private organization that engages in explicitly religious activities, such as religious worship, instruction, or proselytization, must offer those activities separately in time or location from any programs or services supported by a grant from the Department, and attendance or participation in any such explicitly religious activities by beneficiaries of the programs and services supported by the grant must be voluntary.

(2) The limitations on explicitly religious activities under paragraph (c)(1) of this section do not apply to a faith-based organization that provides services to a beneficiary under a program supported only by “indirect Federal financial assistance.”

(3) For purposes of 2 CFR 3474.15, 34 CFR 75.52, 75.712, 75.713, 75.714, and appendix A to this part, the following definitions apply:

(i) Direct Federal financial assistance means that the Department, a grantee, or a subgrantee selects a provider and either purchases goods or services from that provider (such as through a contract) or awards funds to that provider (such as through a grant, subgrant, or cooperative agreement) to carry out services under a program of the Department.

(ii) Indirect Federal financial assistance means that the choice of a service provider under a program of the Department is placed in the hands of the beneficiary, and the cost of that service is paid through a voucher, certificate, or other similar means of government-funded payment. Federal financial assistance provided to an organization is “indirect” under this definition if—

(A) The government program through which the beneficiary receives the voucher, certificate, or other similar means of government-funded payment is neutral toward religion;

(B) The organization receives the assistance as the result of the decision of the beneficiary, not a decision of the government; and

(C) The beneficiary has at least one adequate secular option for use of the voucher, certificate, or other similar means of government-funded payment.

NOTE TO PARAGRAPH (C)(3): The definitions of “direct Federal financial assistance” and “indirect Federal financial assistance” do not change the extent to which an organization is considered a “recipient” of “Federal financial assistance” as those terms are defined under 34 CFR parts 100, 104, 106, and 110.

(d)(1) A faith-based organization that applies for or receives a grant under a program of the Department may retain its independence, autonomy, right of expression, religious character, and authority over its governance.

(2) A faith-based organization may, among other things—

(i) Retain religious terms in its name;

(ii) Continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs;
(iii) Use its facilities to provide services without removing or altering religious art, icons, scriptures, or other symbols from these facilities;
(iv) Select its board members and otherwise govern itself on a religious basis; and
(v) Include religious references in its mission statement and other chartering or governing documents.

(e) A private organization that receives any Federal financial assistance under a program of the Department shall not discriminate against a beneficiary or prospective beneficiary in the provision of program services or in outreach activities on the basis of religion or religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. However, an organization that participates in a program funded by indirect financial assistance need not modify its program activities to accommodate a beneficiary who chooses to expend the indirect aid on the organization’s program.

(f) If a grantee contributes its own funds in excess of those funds required by a matching or grant agreement to supplement federally funded activities, the grantee has the option to segregate those additional funds or commingle them with the funds required by the matching requirements or grant agreement. However, if the additional funds are commingled, this section applies to all of the commingled funds.

(g) A religious organization’s exemption from the Federal prohibition on employment discrimination on the basis of religion, in section 702(a) of the Civil Rights Act of 1964, 42 U.S.C. 2000e-1, is not forfeited when the organization receives financial assistance from the Department.

§ 75.60 Individuals ineligible to receive assistance.

(a) An individual is ineligible to receive a fellowship, scholarship, or discretionary grant funded by the Department if the individual—

(1) Is not current in repaying a debt or is in default, as that term is used in 34 CFR part 668, on a debt—

(i) Under a program listed in paragraph (b) of this section; or

(ii) To the Federal Government under a nonprocurement transaction; and

(2) Has not made satisfactory arrangements to repay the debt.

(b) An individual who is not current in repaying a debt, or is in default, as that term is used in 34 CFR part 668, on a debt under a fellowship, scholarship, discretionary grant, or loan program, as included in the following list, and who has not made satisfactory arrangements to repay the debt, is ineligible under paragraph (a) of this section:

(2) A fellowship awarded under the Christa McAuliffe Fellowship Program (20 U.S.C. 1113–1113e), the Bilingual Education Fellowship Program (20 U.S.C. 3221–3262), or the Rehabilitation Long-Term Training Program (29 U.S.C. 774(b)).

§ 75.61 Certification of eligibility; effect of ineligibility.

(a) An individual who applies for a fellowship, scholarship, or discretionary grant from the Department shall provide with his or her application a certification under the penalty of perjury—

(1) That the individual is eligible under §75.60; and

(2) That the individual has not been debarred or suspended by a judge under section 5301 of the Anti-Drug Abuse Act of 1988 (21 U.S.C. 853a).

(b) The Secretary specifies the form of the certification required under paragraph (a) of this section.

(c) The Secretary does not award a fellowship, scholarship, or discretionary grant to an individual who—

(1) Fails to provide the certification required under paragraph (a) of this section; or

(2) Is ineligible, based on information available to the Secretary at the time the award is made.

(d) If a fellowship, scholarship, or discretionary grant is made to an individual who provided a false certification under paragraph (a) of this section, the individual is liable for recovery of the funds made available under the certification, for civil damages or penalties imposed for false representation, and for criminal prosecution under 18 U.S.C. 1001.

§ 75.62 Requirements applicable to entities making certain awards.

(a) An entity that provides a fellowship, scholarship, or discretionary grant to an individual under a grant from, or an agreement with, the Secretary shall require the individual who applies for such an award to provide with his or her application a certification under the penalty of perjury—

(1) That the individual is eligible under §75.60; and

(2) That the individual has not been debarred or suspended by a judge under section 5301 of the Anti-Drug Abuse Act of 1988 (21 U.S.C. 853a).

(b) An entity subject to this section may not award a fellowship, scholarship, or discretionary grant to an individual if—

(1) The individual fails to provide the certification required under paragraph (a) of this section; or

(2) The Secretary informs the entity that the individual is ineligible under §75.60.

(c) If a fellowship, scholarship, or discretionary grant is made to an individual who provided a false certification under paragraph (a) of this section, the individual is liable for recovery of the funds made available under the certification, for civil damages or penalties imposed for false representation, and for criminal prosecution under 18 U.S.C. 1001.

(d) The Secretary may require an entity subject to this section to provide a list of the individuals to whom fellowship, scholarship, or discretionary grant awards have been made or are proposed to be made by the entity.

(a) The Secretary may make a grant only to an eligible party that submits an application.

§ 75.105 Annual priorities.

(a) What programs are covered by this section? This section applies to any program for which the Secretary establishes priorities for selection of applications in a particular fiscal year.

(b) How does the Secretary establish annual priorities? (1) The Secretary establishes final annual priorities by publishing the priorities in a notice in the Federal Register, usually in the application notice for that program.

(2) The Secretary publishes proposed annual priorities for public comment, unless:

(i) The final annual priorities will be implemented only by inviting applications that meet the priorities (Cross-reference: See 34 CFR 75.105(c)(1));

(ii) The final annual priorities are chosen from a list of priorities already established in the program’s regulations;

(iii) Publishing proposed annual priorities would seriously interfere with an orderly, responsible grant award process or would otherwise be impracticable, unnecessary, or contrary to the public interest;

(iv) The program statute requires or authorizes the Secretary to establish specified priorities; or

(v) The annual priorities are chosen from allowable activities specified in the program statute.

(c) How does the Secretary implement an annual priority? The Secretary may choose one or more of the following methods to implement an annual priority:

(1) Invitations. The Secretary may simply invite applications that meet a priority. If the Secretary chooses this method, an application that meets the priority receives no competitive or absolute preference over applications that do not meet the priority.

(2) Competitive preference. The Secretary may give one of the following kinds of competitive preference to applications that meet a priority:

(i) The Secretary may award some or all bonus points to an application depending on the extent to which the application meets the priority. These points are in addition to any points the applicant earns under the selection criteria (see §75.200(b)). The notice states the maximum number of additional points that the Secretary may award to an application depending upon how well the application meets the priority.

(ii) The Secretary may select an application that meets a priority over an application of comparable merit that does not meet the priority.

(3) Absolute preference. The Secretary may give an absolute preference to applications that meet a priority. The Secretary establishes a separate competition for applications that meet the priority and reserves all or part of a program’s funds solely for that competition. The Secretary may adjust the amount reserved for the priority after determining the number of high quality applications received.

(3) Performance targets. Why each proposed performance target is ambitious yet achievable compared to the baseline for the performance measure and when, during the project period, the applicant would meet the performance target(s).

(c) If the application notice establishes performance measurement requirements, the applicant must also describe in the application—

(1)(i) The data collection and reporting methods the applicant would use and why those methods are likely to yield reliable, valid, and meaningful performance data; and

(ii) If the Secretary requires applicants to collect data after the substantive work of a project is complete regarding the attainment of certain performance targets, the data collection and reporting methods the applicant would use during the post-performance period and why those methods are likely to yield reliable, valid, and meaningful performance data.

(2) The applicant’s capacity to collect and report reliable, valid, and meaningful performance data, as evidenced by high-quality data collection, analysis, and reporting in other projects or research.

   (ii) Obtained the Secretary’s approval for changes to the project that—
      (A) Do not increase the amount of funds obligated to the project by the Secretary; and
      (B) Enable the grantee to achieve the goals and objectives of the project and meet the performance targets of the project, if any, without changing the scope or objectives of the project.
(3) The recipient has submitted all reports as required by §75.118, and
(4) Continuation of the project is in the best interest of the Federal Government.
(5) The grantee has maintained financial and administrative management systems that meet the requirements in 2 CFR 200.302, Financial management, and 200.303, Internal controls.
(b) In deciding whether a grantee has made substantial progress, the Secretary may consider any information relevant to the authorizing statute, a criterion, a priority, or a performance measure, or to a financial or other requirement that applies to the selection of applications for new grants.
(c) Subject to the criteria in paragraph (a) of this section, in selecting applications for funding under a program the Secretary gives priority to continuation awards over new grants.
(d)(1) Notwithstanding any regulatory requirements in 2 CFR part 200, a grantee may expend funds that have not been obligated at the end of a budget period for obligations of the subsequent budget period if—
   (i) The obligation is for an allowable cost that falls within the scope and objectives of the project; and
   (ii) ED regulations, including those in title 2 of the CFR, statutes, or the conditions of the grant do not prohibit the obligation.
NOTE: See 2 CFR 200.308(d)(2).
(2) The Secretary may—
   (i) Require the grantee to send a written statement describing how the funds made available under this section will be used; and
   (ii) Determine the amount of new funds that the Department will make available for the subsequent budget period after considering the statement the grantee provides under paragraph (c)(2)(i) of this section or any other information available to the Secretary about the use of funds under the grant.
(3) In determining the amount of new funds to make available to a grantee under this section, the Secretary considers whether the unobligated funds made available are needed to complete activities that were planned for completion in the prior budget period.
(e)(1) If the Secretary decides, under this section, not to make a continuation award, the Secretary may authorize a no-cost extension of the last budget period of the grant in order to provide for the orderly closeout of the grant.
(2) If the Secretary makes a continuation award under this section—
   (i) The Secretary makes the award under §§75.231–75.236; and
   (ii) The new budget period begins on the day after the previous budget period ends.
(f) Unless prohibited by the program statute or regulations, a grantee that is in the final budget period of its project period may seek continued assistance for the project as required under the procedures for selecting new projects for grants.

§ 75.261 Extension of a project period.

(a) General rule. A grantee may extend the project period of an award one time for a period up to twelve months without the prior approval of the Secretary, if—

(1) The grantee meets the requirements for extension in 2 CFR 200.308(d)(2); and

(2) ED statutes, regulations other than those in 2 CFR part 200, or the conditions of an award do not prohibit the extension.

(b) Specific rule for certain programs of the National Institute on Disability and Rehabilitation Research. Notwithstanding paragraph (a) of this section, grantees under the following programs of NIDRR must request prior approval to extend their grants under paragraph (c) of this section:

(1) The Knowledge Dissemination and Utilization Centers and Disability and Technical Assistance Centers authorized under 29 U.S.C. 761a(b)(2), (4), (5), (6), and (11) and implemented at 34 CFR part 350, subpart B, §§350.17–350.19.

(c) Other regulations. If ED regulations other than the regulations in 2 CFR part 200 or the conditions of the award require the grantee to obtain prior approval to extend the project period, the Secretary may permit the grantee to extend the project period if—

(1) The extension does not violate any statute or regulations;

(2) The extension does not involve the obligation of additional Federal funds;

(3) The extension is to carry out the activities in the approved application; and

(4)(i) The Secretary determines that, due to special or unusual circumstances applicable to a class of grantees, the project periods for the grantees should be extended; or

(ii)(A) The Secretary determines that special or unusual circumstances would delay completion of the project beyond the end of the project period;

(B) The grantee requests an extension of the project at least 45 calendar days before the end of the project period; and

(C) The grantee provides a written statement before the end of the project period giving the reasons why the extension is appropriate under paragraph (c)(4)(ii)(A) of this section and the period for which the project needs extension.

(d) Waiver. The Secretary may waive the requirement in paragraph (a)(4)(i)(B) of this section if—

(1) The grantee could not reasonably have known of the need for the extension on or before the start of the 45-day time period; or

(2) The failure to give notice on or before the start of the 45-day time period was unavoidable.

      (ii) Has a family or business relationship with the grantee.

(Authority: 20 U.S.C. 1221e–3 and 3474)

INDIRECT COST RATES

§ 75.560 General indirect cost rates; exceptions.

(a) The differences between direct and indirect costs and the principles for determining the general indirect cost rate that a grantee may use for grants under most programs are specified in the cost principles for—

(1) All grantees, other than hospitals and commercial (for-profit) organizations, at 2 CFR part 200, subpart E—Cost Principles;

(2) Hospitals, at 45 CFR part 75, Appendix XI—Principles for Determining Cost Applicable to Research and Development Under Awards and Contracts with Hospitals; and

(3) Commercial (for-profit) organizations, at 34 CFR part 31 Contract Cost Principles and Procedures.

(b) A grantee must have obtained a current indirect cost rate agreement from its cognizant agency, to charge indirect costs to a grant. To obtain an indirect cost rate, a grantee must submit an indirect cost proposal to its cognizant agency within 90 days after the date the Department issues the Grant Award Notification (GAN).

(c) If a grantee does not have a federally recognized indirect cost rate agreement, the Secretary may permit the grantee to charge its grant for indirect costs at a temporary rate of 10 percent of budgeted direct salaries and wages.

(d)(1) If a grantee fails to submit an indirect cost rate proposal to its cognizant agency within the required 90 days, the grantee may not charge indirect costs to its grant from the end of the 90-day period until it obtains a federally recognized indirect cost rate agreement applicable to the grant.

(2) If the Secretary determines that exceptional circumstances warrant continuation of a temporary indirect cost rate, the Secretary may authorize the grantee to continue charging indirect costs to its grant at the temporary rate specified in paragraph (c) of this section even though the grantee has not submitted its indirect cost rate proposal within the 90-day period.

(3) Once a grantee obtains a federally recognized indirect cost rate that is applicable to the affected grant, the grantee may use that indirect cost rate to claim indirect cost reimbursement for expenditures made on or after the date the grantee submitted its indirect cost proposal to its cognizant agency or the start of the project period, whichever is later. However, this authority is subject to the following limitations:

(i) The total amount of funds recovered by the grantee under the federally recognized indirect cost rate is reduced by the amount of indirect costs previously recovered under the temporary indirect cost rate.

(ii) The grantee must obtain prior approval from the Secretary to shift direct costs to indirect costs in order to recover indirect costs at a higher negotiated indirect cost rate.

(iii) The grantee may not request additional funds to recover indirect costs that it cannot recover by shifting direct costs to indirect costs.

(e) The Secretary accepts an indirect cost rate negotiated by a grantee’s cognizant agency, but may establish a restricted indirect cost rate for a grantee to satisfy the statutory requirements.
§ 75.561 Approval of indirect cost rates.

(a) If the Department of Education is the cognizant agency, the Secretary approves an indirect cost rate for a grantee other than a local educational agency. For the purposes of this section, the term local educational agency does not include a State agency.

(b) Each State educational agency, on the basis of a plan approved by the Secretary, shall approve an indirect cost rate for each local educational agency that requests it to do so. These rates may be for periods longer than a year if rates are sufficiently stable to justify a longer period.

(c) The Secretary generally approves indirect cost rate agreements annually. Indirect cost rate agreements may be approved for periods longer than a year if the Secretary determines that rates will be sufficiently stable to justify a longer rate period.

§ 75.562 Indirect cost rates for educational training projects.

(a) Educational training grants provide funding for training or other educational services. Examples of the work supported by training grants are summer institutes, training programs for selected participants, the introduction of new or expanded courses, and similar instructional undertakings that are separately budgeted and accounted for by the sponsoring institution. These grants do not usually support activities involving research, development, and dissemination of new educational materials and methods. Training grants largely implement previously developed materials and methods and require no significant adaptation of techniques or instructional services to fit different circumstances.

(b) The Secretary uses the definition in paragraph (a) to determine which grants are educational training grants.

(c)(1) Indirect cost reimbursement on a training grant is limited to the recipient’s actual indirect costs, as determined in its negotiated indirect cost rate agreement, or eight percent of a modified total direct cost base, whichever amount is less.

NOTE TO PARAGRAPH (c)(1): If the grantee did not have a federally recognized indirect cost rate agreement on the date the training grant was awarded, indirect cost recovery is also limited to the amount authorized under §75.560(d)(3).

(2) For the purposes of this section, a modified total direct cost base consists of total direct costs minus the following:

(i) The amount of each sub-award in excess of $25,000.

(ii) Stipends.

(iii) Tuition and related fees.

(iv) Equipment, as defined in 2 CFR 200.33.

NOTE TO PARAGRAPH (c)(2)(iv): If the grantee has established a threshold for equipment that is lower than $5,000 for other purposes, it must use that threshold to exclude equipment under the modified total direct cost base for the purposes of this section.

(3) The eight percent indirect cost reimbursement limit specified in paragraph (c)(1) of this section also applies to sub-awards that fund training, as determined by the Secretary under paragraph (b) of this section.

(4) The eight percent limit does not apply to agencies of Indian tribal governments, local governments, and States as defined in 2 CFR 200.54, 200.200.64, and 200.90, respectively.

(5) Indirect costs in excess of the eight percent limit may not be charged directly, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.

(d) A grantee using the training rate of eight percent is required to have documentation available for audit that shows that its negotiated indirect cost rate is at least eight percent.
§ 75.563 Restricted indirect cost rate—programs covered.

If a grantee decides to charge indirect costs to a program that has a statutory requirement prohibiting the use of Federal funds to supplant non-Federal funds, the grantee shall use a restricted indirect cost rate computed under 34 CFR 76.564 through 76.569.

§ 75.564 Reimbursement of indirect costs.

(a) Reimbursement of indirect costs is subject to the availability of funds and statutory or administrative restrictions.

(b) The application of the rates and the determination of the direct cost base by a grantee must be in accordance with the indirect cost rate agreement approved by the grantee’s cognizant agency.

(c) Indirect cost reimbursement is not allowable under grants for—

(1) Fellowships and similar awards if Federal financing is exclusively in the form of fixed amounts such as scholarships, stipend allowances, or the tuition and fees of an institution;

(2) Construction grants;

(3) Grants to individuals;

(4) Grants to organizations located outside the territorial limits of the United States;

(5) Grants to Federal organizations; and

(6) Grants made exclusively to support conferences.

(d) Indirect cost reimbursement on grants received under programs with statutory restrictions or other limitations on indirect costs must be made in accordance with the restrictions in 34 CFR 76.564 through 76.569.

(e)(1) Indirect costs for a group of eligible parties (See §§75.127 through 75.129) are limited to the amount derived by applying the rate of the applicant, or a restricted rate when applicable, to the direct cost base for the grant in keeping with the terms of the applicant’s federally recognized indirect cost rate agreement.

(2) If a group of eligible parties applies for a training grant under the group application procedures in §§75.127 through 75.129, the grant funds allocated among the members of the group are not considered sub-awards for the purposes of applying the indirect cost rate in §75.562(c).

(1) The evaluation meets the standards of the evaluation in the approved application for the project; and

(2) The performance measurement data collected by the grantee and used in the evaluation meet the performance measurement requirements of the approved application.

(b) If the application notice for a competition did not require applicants to describe how they would evaluate their projects, each grantee must provide information in its performance report demonstrating—

(1) The progress made by the grantee in the most recent budget period, including progress based on the performance measurement requirements for the grant, if any;

(2) The effectiveness of the grant, including fulfilling the performance measurement requirements of the approved application, if any; and

(b) If a State formula grant program does not have implementing regulations, the Secretary implements the program under the authorizing statute and, to the extent consistent with the authorizing statute, under the General Education Provisions Act and the regulations in this part. For the purposes of this part, the term State formula grant program means a program whose authorizing statute or implementing regulations provide a formula for allocating program funds among eligible States.

(Authority: 20 U.S.C. 1221e–3, 3474, and 6511(a))

§ 76.2 Exceptions in program regulations to part 76.

If a program has regulations that are not consistent with part 76, the implementing regulations for that program identify the sections of part 76 that do not apply.

(Authority: 20 U.S.C. 1221e–3, 3474, and 6511(a))

ELIGIBILITY FOR A GRANT OR SUBGRANT

(2) To the State agency designated by the State in accordance with the authorizing statute.

(b) The authorizing statute determines the extent to which a State may:

(1) Use grant funds directly; and

(c) The regulations in part 76 on subgrants apply to a program only if subgrants are authorized under that program.

(2) In the selection of subgrantees and contractors, States may not discriminate for or against a private organization on the basis of the organization’s religious character or affiliation and must ensure that all decisions
about subgrants are free from political interference, or even the appearance of such interference, and are made on the basis of merit, not on the basis of religion or religious belief or a lack thereof.

(b) The provisions of §76.532 apply to a faith-based organization that receives a subgrant from a State under a State-administered program of the Department.

(c)(1) A private organization that engages in explicitly religious activities, such as religious worship, instruction, or proselytization, must offer those activities separately in time or location from any programs or services supported by a subgrant from a State under a State-administered program of the Department, and attendance or participation in any such explicitly religious activities by beneficiaries of the programs and services supported by the subgrant must be voluntary.

(2) The limitations on explicitly religious activities under paragraph (c)(1) of this section do not apply to a faith-based organization that provides services to a beneficiary under a program supported only by "indirect Federal financial assistance."

(3) For purposes of 2 CFR 3474.15, 34 CFR 76.52, 76.712, 76.713, and 76.714, the following definitions apply:

(i) Direct Federal financial assistance means that the Department, grantee, or subgrantee selects a provider and either purchases services from that provider (such as through a contract) or awards funds to that provider (such as through a grant, subgrant, or cooperative agreement) to carry out services under a program of the Department. Federal financial assistance shall be treated as direct unless it meets the definition of "indirect Federal financial assistance."

(ii) Indirect Federal financial assistance means that the choice of a service provider under a program of the Department is placed in the hands of the beneficiary, and the cost of that service is paid through a voucher, certificate, or other similar means of government-funded payment. Federal financial assistance provided to an organization is "indirect" under this definition if—

(A) The government program through which the beneficiary receives the voucher, certificate, or other similar means of government-funded payment is neutral toward religion;

(B) The organization receives the assistance as the result of the decision of the beneficiary, not a decision of the government; and

(C) The beneficiary has at least one adequate secular option for use of the voucher, certificate, or other similar means of government-funded payment.

NOTE TO PARAGRAPH (C)(3): The definitions of "direct Federal financial assistance" and "indirect Federal financial assistance" do not change the extent to which an organization is considered a "recipient" of "Federal financial assistance" as those terms are defined under 31 CFR parts 100, 104, 106, and 110.

(d)(1) A faith-based organization that applies for or receives a subgrant from a State under a State-administered program of the Department may retain its independence, autonomy, right of expression, religious character, and authority over its governance.

(2) A faith-based organization may, among other things—

(i) Retain religious terms in its name;

(ii) Continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs;

(iii) Use its facilities to provide services without removing or altering religious art, icons, scriptures, or other symbols from these facilities;

(iv) Select its board members and otherwise govern itself on a religious basis; and

(v) Include religious references in its mission statement and other chartering or governing documents.

(e) A private organization that receives any Federal financial assistance under a program of the Department shall not discriminate against a beneficiary or prospective beneficiary in the provision of program services or in outreach activities on the basis of religion or religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. However, an organization that
participates in a program funded by indirect financial assistance need not modify its program activities to accommodate a beneficiary who chooses to expend the indirect aid on the organization’s program.

(f) If a State or subgrantee contributes its own funds in excess of those funds required by a matching or grant agreement to supplement Federally funded activities, the State or subgrantee has the option to segregate those additional funds or commingle them with the funds required by the matching requirements or grant agreement. However, if the additional funds are commingled, this section applies to all of the commingled funds.

(g) A religious organization’s exemption from the Federal prohibition on employment discrimination on the basis of religion, in section 702(a) of the Civil Rights Act of 1964, 42 U.S.C. 2000e–1, is not forfeited when the organization receives financial assistance from the Department.

CONSOLIDATED GRANT APPLICATIONS FOR INSULAR AREAS

§ 76.125 What is the purpose of these regulations?

(a) Sections 76.125 through 76.137 of this part contain requirements for the submission of an application by an Insular Area for the consolidation of two or more grants under the programs described in paragraph (c) of this section.

(b) For the purpose of §§ 76.125–76.137 of this part the term Insular Area means the Virgin Islands, Guam, American Samoa, the Trust Territory of the Pacific Islands, or the Commonwealth of the Northern Mariana Islands.

(c) The Secretary may make an annual consolidated grant to assist an Insular Area in carrying out one or more State-administered formula grant programs of the Department.

(Authority: 20 U.S.C. 1221e–3 and 3474)

§ 76.126 What regulations apply to the consolidated grant applications for insular areas?

The following regulations apply to those programs included in a consolidated grant:

(a) The regulations in §§ 76.125 through 76.137; and

(b) The regulations that apply to each specific program included in a consolidated grant for which funds are used.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.127 What is the purpose of a consolidated grant?

An Insular Area may apply for a consolidated grant for two or more of the programs listed in §76.125(c). This procedure is intended to:

(a) Simplify the application and reporting procedures that would otherwise apply for each of the programs included in the consolidated grant; and

(b) Provide the Insular Area with flexibility in allocating the funds under the consolidated grant to achieve any of the purposes to be served by the programs that are consolidated.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.128 What is a consolidated grant?

A consolidated grant is a grant to an Insular Area for any two or more of the programs listed in §76.125(c). The amount of the consolidated grant is the sum of the allocations the Insular Area receives under each of the programs included in the consolidated grant if there had been no consolidation.

§ 76.129 How does a consolidated grant work?

(a) An Insular Area shall use the funds it receives under a consolidated grant to carry out, in its jurisdiction, one or more of the programs included in the grant.

Example. Assume that Guam applies for a consolidated grant under the Vocational Education Act, the Handicapped Preschool and School Programs-Incentive Grants, and the Adult Education Act and that the sum of the allocations under these programs is $700,000. Guam may choose to allocate this $700,000 among all of the programs authorized under the three programs. Alternatively, it may choose to allocate the entire $700,000 to one or two of the programs; for example, the Adult Education Act Program.

(b) An Insular Area shall comply with the statutory and regulatory requirements that apply to each program under which funds from the consolidated grant are expended.

Example. Assume that American Samoa uses part of the funds under a consolidated grant for the State program under the Adult Education Act. American Samoa need not submit to the Secretary a State plan that requires policies and procedures to assure all students equal access to adult education programs. However, in carrying out the program, American Samoa must meet and be able to demonstrate compliance with this equal access requirement.

(Authority: 48 U.S.C. 1469a)

§ 76.130 How are consolidated grants made?

(a) The Secretary annually makes a single consolidated grant to each Insular Area that meets the requirements of §§76.125 through 76.137 and each program under which the grant funds are to be used and administered.

(b) The Secretary may decide that one or more programs cannot be included in the consolidated grant if the Secretary determines that the Insular Area failed to meet the program objectives stated in its plan for the previous fiscal year in which it carried out the programs.

(c) Under a consolidated grant, an Insular Area may use a single advisory council for any or all of the programs that require an advisory council.

(d) Although Pub. L. 95–134 authorizes the Secretary to consolidate grant funds that the Department awards to an Insular Area, it does not confer eligibility for any grant funds. The eligibility of a particular Insular Area to receive grant funds under a Federal education program is determined under the statute and regulations for that program.

(Authority: 48 U.S.C. 1469a)

§ 76.131 How does an insular area apply for a consolidated grant?

(a) An Insular Area that desires to apply for a grant consolidating two or more programs listed in §76.125(c) shall submit to the Secretary an application that:

(1) Contains the assurances in §76.132;

(2) Meets the application requirements in paragraph (c) of this section.

(b) The submission of an application that contains these requirements and assurances takes the place of a separate State plan or other similar document required by this part or by the authorizing statutes and regulations for programs included in the consolidated grant.

(c) An Insular Area shall include in its consolidated grant application a program plan that:

(1) Contains a list of the programs in §76.125(c) to be included in the consolidated grant;

(2) Describes the program or programs in §76.125(c) under which the consolidated grant funds will be used and administered;

(3) Describes the goals, objectives, activities, and the means of evaluating program outcomes for the programs for which the Insular Area will use the funds received under the consolidated grant.
§ 76.132 What assurances must be in a consolidated grant application?

(a) An Insular Area shall include in its consolidated grant application assurances to the Secretary that it will:

(1) Follow policies and use administrative practices that will insure that non-Federal funds will not be supplanted by Federal funds made available under the authority of the programs in the consolidated grant;

(2) Comply with the requirements (except those relating to the submission of State plans or similar documents) in the authorizing statutes and implementing regulations for the programs under which funds are to be used and administered, (except requirements for matching funds);

(3) Provide for proper and efficient administration of funds in accordance with the authorizing statutes and implementing regulations for those programs under which funds are to be used and administered;

(4) Provide for fiscal control and fund accounting procedures to assure proper disbursement of, and accounting for, Federal funds received under the consolidated grant;

(5) Submit an annual report to the Secretary containing information covering the program or programs for which the grant is used and administered, including the financial and program performance information required under 2 CFR 200.327 and 200.328.

(6) Provide that funds received under the consolidated grant will be under control of, and that title to property acquired with these funds will be in, a public agency, institution, or organization. The public agency shall administer these funds and property;

(7) Keep records, including a copy of the State Plan or application document under which funds are to be spent, which show how the funds received under the consolidated grant have been spent.

(8) Adopt and use methods of monitoring and providing technical assistance to any agencies, organizations, or institutions that carry out the programs under the consolidated grant and enforce any obligations imposed on them under the applicable statutes and regulations.

(9) Evaluate the effectiveness of these programs in meeting the purposes and objectives in the authorizing statutes under which program funds are used and administered;

(10) Conduct evaluations of these programs at intervals and in accordance with procedures the Secretary may prescribe; and

(11) Provide appropriate opportunities for participation by local agencies, representatives of the groups affected by the programs, and other interested institutions, organizations, and individuals in planning and operating the programs.

(b) These assurances remain in effect for the duration of the programs they cover.

(Authority: 48 U.S.C. 1469a)

§ 76.133 What is the reallocation authority?

(a) After an Insular Area receives a consolidated grant, it may reallocate the funds in a manner different from the allocation described in its consolidated grant application. However, the funds cannot be used for purposes that are not authorized under the programs in the consolidated grant under which funds are to be used and administered.

(b) If an Insular Area decides to reallocate the funds it receives under a consolidated grant, it shall notify the
Office of the Secretary, Education

Secretary by amending its original application to include an update of the information required under §76.131.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.134 What is the relationship between consolidated and non-consolidated grants?

(a) An Insular Area may request that any number of programs in §76.125(c) be included in its consolidated grant and may apply separately for assistance under any other programs listed in §76.125(c) for which it is eligible.

(b) Those programs that an Insular Area decides to exclude from consolidation—for which it must submit separate plans or applications—are implemented in accordance with the applicable program statutes and regulations. The excluded programs are not subject to the provisions for allocation of funds among programs in a consolidated grant.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.135 Are there any requirements for matching funds?

The Secretary waives all requirements for matching funds for those programs that are consolidated by an Insular Area in a consolidated grant application.

(Authority: 48 U.S.C. 1469a)

[47 FR 17421, Apr. 22, 1982]

§ 76.136 Under what programs may consolidated grant funds be spent?

Insular Areas may only use and administer funds under programs described in §76.125(c) during a fiscal year for which the Insular Area is entitled to receive funds under an appropriation for that program.

(Authority: 48 U.S.C. 1469a)

§ 76.137 How may carryover funds be used under the consolidated grant application?

Any funds under any applicable program which are available for obligation and expenditure in the year succeeding the fiscal year for which they are appropriated must be obligated and expended in accordance with the consolidated grant application submitted by the Insular Area for that program for the succeeding fiscal year.

(Authority: 20 U.S.C. 1225(b); 48 U.S.C. 1469a)

AMENDMENTS

§ 76.140 Amendments to a State plan.

(a) If the Secretary determines that an amendment to a State plan is essential during the effective period of the plan, the State shall make the amendment.

(b) A State shall also amend a State plan if there is a significant and relevant change in:

(1) The information or the assurances in the plan;

(2) The administration or operation of the plan; or

(3) The organization, policies, or operations of the State agency that received the grant, if the change materially affects the information or assurances in the plan.

(Authority: 20 U.S.C. 1221e-3, 1231g(a), and 3474)

§ 76.141 An amendment requires the same procedures as the document being amended.

If a State amends a State plan under §76.140, the State shall use the same procedures as those it must use to prepare and submit a State plan.

(Authority: 20 U.S.C. 1221e-3 and 3474)

§ 76.142 An amendment is approved on the same basis as the document being amended.

The Secretary uses the same procedures to approve an amendment to a State plan—or any other document a State submits—as the Secretary uses to approve the original document.

(b) Other programs—hearings not required. Under other programs covered by this part, a State agency—other than a State educational agency—is not required to provide an opportunity for a hearing regarding the agency’s disapproval of an application.

(c) If an applicant for a subgrant alleges that any of the following actions of a State educational agency violates a State or Federal statute or regulation, the State educational agency and the applicant shall use the procedures in paragraph (d) of this section:

1. Disapproval of or failure to approve the application or project in whole or in part.

(4)(i) Within 30 days after it receives a request, the State educational agency shall hold a hearing on the record and shall review its action.

(ii) No later than 10 days after the hearing the agency shall issue its written ruling, including findings of fact and reasons for the ruling.

(iii) If the agency determines that its action was contrary to State or Federal statutes or regulations that govern the applicable program, the agency shall rescind its action.

(5) If the State educational agency does not rescind its final action after a review under this paragraph, the applicant may appeal to the Secretary. The applicant shall file a notice of the appeal with the Secretary within 20 days after the applicant has been notified by the State educational agency of the results of the agency’s review. If supported by substantial evidence, findings of fact of the State educational agency are final.

(6)(i) The Secretary may also issue interim orders to State educational agencies as he or she may decide are necessary and appropriate pending appeal or review.

(ii) If the Secretary determines that the action of the State educational agency was contrary to Federal statutes or regulations that govern the applicable program, the Secretary issues
an order that requires the State educational agency to take appropriate action.

(7) Each State educational agency shall make available at reasonable times and places to each applicant all records of the agency pertaining to any review or appeal the applicant is conducting under this section, including records of other applicants.

Section 427 of the Department of Education Organization Act (DEOA), 20 U.S.C. 3487, provides that except to the extent inconsistent with the DEOA, the GEPA “shall apply to functions transferred by this Act to the extent applicable on the day preceding the effective date of this Act.” Although standardized nomenclature is used in this section to reflect the creation of the Department of Education, there is no intent to extend the coverage of the GEPA beyond that authorized under Section 427 or other applicable law.

INDIRECT COST RATES

§ 76.560 General indirect cost rates; exceptions.

(a) The differences between direct and indirect costs and the principles for determining the general indirect cost rate that a grantee may use for grants under most programs are specified in the cost principles for—

(1) All grantees, other than hospitals and commercial (for-profit) organizations, at 2 CFR part 200, subpart E—Cost Principles;

(2) Hospitals, at 45 CFR part 75, Appendix XI, Principles for Determining Costs Applicable to Research and Development Under Awards and Contracts With Hospitals; and

(b) A grantee must have a current indirect cost rate agreement to charge indirect costs to a grant. To obtain an indirect cost rate, a grantee must submit an indirect cost proposal to its cognizant agency and negotiate an indirect cost rate agreement.

(c) The Secretary may establish a temporary indirect cost rate for a grantee that does not have an indirect cost rate agreement with its cognizant agency.

(d) The Secretary accepts an indirect cost rate negotiated by a grantee’s cognizant agency, but may establish a restricted indirect cost rate for a grantee to satisfy the statutory requirements of certain programs administered by the Department.

(Authority: 20 U.S.C. 1221e–3, 3474, and 6511(a))

§ 76.561 Approval of indirect cost rates.

(a) If the Department of Education is the cognizant agency, the Secretary approves an indirect cost rate for a State agency and for a subgrantee other than a local educational agency. For the purposes of this section, the term local educational agency does not include a State agency.

(b) Each State educational agency, on the basis of a plan approved by the Secretary, shall approve an indirect cost rate for each local educational agency that requests it to do so. These rates may be for periods longer than a year if rates are sufficiently stable to justify a longer period.

(c) The Secretary generally approves indirect cost rate agreements annually. Indirect cost rate agreements may be approved for periods longer than a year if the Secretary determines that rates will be sufficiently stable to justify a longer rate period.

§ 76.563 Restricted indirect cost rate—programs covered.

Sections 76.564 through 76.569 apply to agencies of State and local governments that are grantees under programs with a statutory requirement prohibiting the use of Federal funds to supplant non-Federal funds, and to their subgrantees under these programs.

§ 76.564 Restricted indirect cost rate—formula.

(a) An indirect cost rate for a grant covered by §76.563 or 34 CFR 75.563 is determined by the following formula:

Restricted indirect cost rate = \( \frac{\text{General management costs} + \text{Fixed costs}}{\text{Other expenditures}} \)

(b) General management costs, fixed costs, and other expenditures must be determined under §§76.565 through 76.567.

(c) Under the programs covered by §76.563, a subgrantee of an agency of a State or a local government (as those terms are defined in 2 CFR 200.90 and 200.64, respectively), or a grantee subject to 34 CFR 75.563 that is not a State or local government agency may use—

(1) An indirect cost rate computed under paragraph (a) of this section; or

(2) An indirect cost rate of eight percent unless the Secretary determines that the subgrantee or grantee would have a lower rate under paragraph (a) of this section.

(d) Indirect costs that are unrecovered as a result of these restrictions may not be charged directly, used to satisfy matching or cost-sharing requirements, or charged to another Federal award.

(Authority: 20 U.S.C. 1221e–3(a)(1), 2831(a), 2974(b), and 3474)

§ 76.565 General management costs—restricted rate.

(a) As used in §76.564, general management costs means the costs of activities that are for the direction and control of the grantee’s affairs that are organization-wide. An activity is not organization-wide if it is limited to one activity, one component of the grantee, one subject, one phase of operations, or other single responsibility.

(b) General management costs include the costs of performing a service function, such as accounting, payroll preparation, or personnel management, that is normally at the grantee’s level even if the function is physically located elsewhere for convenience or better management. The term also includes certain occupancy and space maintenance costs as determined under §76.568.

(c) The term does not include expenditures for—

(1) Divisional administration that is limited to one component of the grantee;

(2) The governing body of the grantee;

(3) Compensation of the chief executive officer of the grantee;

(4) Compensation of the chief executive officer of any component of the grantee; and

(5) Operation of the immediate offices of these officers.

(d) For purposes of this section—

(1) The chief executive officer of the grantee is the individual who is the head of the executive office of the grantee and exercises overall responsibility for the operation and management of the organization. The chief executive officer’s immediate office includes any deputy chief executive officer or similar officer along with immediate support staff of these individuals. The term does not include the governing body of the grantee, such as a board or a similar elected or appointed governing body; and

(2) Components of the grantee are those organizational units supervised directly or indirectly by the chief executive officer. These organizational units generally exist one management level below the executive office of the grantee. The term does not include the office of the chief executive officer or a deputy chief executive officer or similar position.

[59 FR 59583, Nov. 17, 1994]

§ 76.566 Fixed costs—restricted rate.

As used in §76.564, fixed costs means contributions of the grantee to fringe benefits and similar costs, but only those associated with salaries and wages that are charged as indirect costs, including—

(a) Retirement, including State, county, or local retirement funds, Social Security, and pension payments;

(b) Unemployment compensation payments; and
§ 76.567 Other expenditures—restricted rate.

(a) As used in §76.564, other expenditures means the grantee’s total expenditures for its federally- and non-federally-funded activities in the most recent year for which data are available. The term also includes direct occupancy and space maintenance costs as determined under §76.568 and costs related to the chief executive officers of the grantee and components of the grantee and their offices (see §76.565(c) and (d)).

(b) The term does not include—

(1) General management costs determined under §76.566;

(2) Fixed costs determined under §76.566;

(3) Subgrants;

(4) Capital outlay;

(5) Debt service;

(6) Fines and penalties;

(7) Contingencies; and

(8) Election expenses. However, the term does include election expenses that result from elections required by an applicable Federal statute.

(Authority: 20 U.S.C. 1221e–3(a)(1), 2831(a), 2974(b), and 3474)

§ 76.568 Occupancy and space maintenance costs—restricted rate.

(a) As used in the calculation of a restricted indirect cost rate, occupancy and space maintenance costs means such costs as—

(1) Building costs whether owned or rented;

(2) Janitorial services and supplies;

(3) Building, grounds, and parking lot maintenance;

(4) Guard services;

(5) Light, heat, and power;

(6) Depreciation, use allowances, and amortization; and

(7) All other related space costs.

(b) Occupancy and space maintenance costs associated with organization-wide service functions (accounting, payroll, personnel) may be included as general management costs if a space allocation or use study supports the allocation.

(Authority: 20 U.S.C. 1221e–3(a)(1), 2831(a), 2974(b), and 3474)

§ 76.569 Using the restricted indirect cost rate.

(a) Under the programs referenced in §76.563, the maximum amount of indirect costs under a grant is determined by the following formula:

Indirect costs = (Restricted indirect cost rate) × (Total direct costs of the grant minus capital outlays, subgrants, and other distorting or unallowable items as specified in the grantee’s indirect cost rate agreement)

(b) If a grantee uses a restricted indirect cost rate, the general management and fixed costs covered by that rate must be excluded by the grantee from the direct costs it charges to the grant.

§ 76.580 Coordination with other activities.

A State and a subgrantee shall, to the extent possible, coordinate each of its projects with other activities that are in the same geographic area served by the project and that serve similar purposes and target groups.

(b) The State shall perform the functions that the Secretary performs under §§ 75.602 (Preservation of historic sites) and 75.605 (Approval of drawings and specifications) of this title.

(c) The State shall provide to the Secretary the information required under 34 CFR 75.602(a) (Preservation of historic sites).

PARTICIPATION OF STUDENTS ENROLLED IN PRIVATE SCHOOLS

§ 76.650 Private schools; purpose of §§ 76.651–76.662.

(a) Under some programs, the authorizing statute requires that a State and its subgrantees provide for participation by students enrolled in private schools. Sections 76.651–76.662 apply to those programs and provide rules for that participation. These sections do not affect the authority of the State or a subgrantee to enter into a contract with a private party.

(b) If any other rules for participation of students enrolled in private schools apply under a particular program, they are in the authorizing statute or implementing regulations for that program.

(Authority: 20 U.S.C. 1221e–3 and 3474)

NOTE: Some program statutes authorize the Secretary—in certain circumstances—to provide benefits directly to private school students. These “bypass” provisions—where they apply—are implemented in the individual program regulations.

§ 76.651 Responsibility of a State and a subgrantee.

(a)(1) A subgrantee shall provide students enrolled in private schools with a genuine opportunity for equitable participation in accordance with the requirements in §§ 76.652–76.662 and in the authorizing statute and implementing regulations for a program.

(2) The subgrantee shall provide that opportunity to participate in a manner that is consistent with the number of eligible private school students and their needs.

(3) The subgrantee shall maintain continuing administrative direction and control over funds and property that benefit students enrolled in private schools.

(b)(1) A State shall ensure that each subgrantee complies with the requirements in §§ 76.651–76.662.

(2) If a State carries out a project directly, it shall comply with these requirements as if it were a subgrantee.

(Authority: 20 U.S.C. 1221e–3 and 3474)

§ 76.652 Consultation with representatives of private school students.

(a) An applicant for a subgrant shall consult with appropriate representatives of students enrolled in private schools during all phases of the development and design of the project covered by the application, including consideration of:

(1) Which children will receive benefits under the project;

(2) How the children’s needs will be identified;
(3) What benefits will be provided;  
(4) How the benefits will be provided; and  
(5) How the project will be evaluated.  
(b) A subgrantee shall consult with appropriate representatives of students enrolled in private schools before the subgrantee makes any decision that affects the opportunities of those students to participate in the project.  
(c) The applicant or subgrantee shall give the appropriate representatives a genuine opportunity to express their views regarding each matter subject to the consultation requirements in this section.  
(Authority: 20 U.S.C. 1221e–3 and 3474)  
§ 76.653 Needs, number of students, and types of services.  
A subgrantee shall determine the following matters on a basis comparable to that used by the subgrantee in providing for participation of public school students:  
(a) The needs of students enrolled in private schools.  
(b) The number of those students who will participate in a project.  
(c) The benefits that the subgrantee will provide under the program to those students.  
(Authority: 20 U.S.C. 1221e–3 and 3474)  
§ 76.654 Benefits for private school students.  
(a) Comparable benefits. The program benefits that a subgrantee provides for students enrolled in private schools must be comparable in quality, scope, and opportunity for participation to the program benefits that the subgrantee provides for students enrolled in public schools.  
(b) Same benefits. If a subgrantee uses funds under a program for public school students in a particular attendance area, or grade or age level, the subgrantee shall insure equitable opportunities for participation by students enrolled in private schools who:  
(1) Have the same needs as the public school students to be served; and  
(2) Are in that group, attendance area, or age or grade level.  
(c) Different benefits. If the needs of students enrolled in private schools are different from the needs of students enrolled in public schools, a subgrantee shall provide program benefits for the private school students that are different from the benefits the subgrantee provides for the public school students.  
(Authority: 20 U.S.C. 1221e–3 and 3474)  
§ 76.655 Level of expenditures for students enrolled in private schools.  
(a) Subject to paragraph (b) of this section, a subgrantee shall spend the same average amount of program funds on:  
(1) A student enrolled in a private school who receives benefits under the program; and  
(2) A student enrolled in a public school who receives benefits under the program.  
(b) The subgrantee shall spend a different average amount on program benefits for students enrolled in private schools if the average cost of meeting the needs of those students is different from the average cost of meeting the needs of students enrolled in public schools.  
(Authority: 20 U.S.C. 1221e–3 and 3474)  
§ 76.656 Information in an application for a subgrant.  
An applicant for a subgrant shall include the following information in its application:  
(a) A description of how the applicant will meet the Federal requirements for participation of students enrolled in private schools.  
(b) The number of students enrolled in private schools who have been identified as eligible to benefits under the program.  
(c) The number of students enrolled in private schools who will receive benefits under the program.  
(d) The basis the applicant used to select the students.  
(e) The manner and extent to which the applicant complied with §76.652 (consultation).  
(f) The places and times that the students will receive benefits under the program.  
(g) The differences, if any, between the program benefits the applicant will provide to public and private school
§ 76.657 Separate classes prohibited.

A subgrantee may not use program funds for classes that are organized separately on the basis of school enrollment or religion of the students if:
(a) The classes are at the same site; and
(b) The classes include students enrolled in public schools and students enrolled in private schools.

(Authority: 20 U.S.C. 1221e–3 and 3474)

(1) The needs of a private school; or
(2) The general needs of the students enrolled in a private school.

(b) If those benefits are not normally provided by the private school.

(Authority: 20 U.S.C. 1221e–3 and 3474)

§ 76.660 Use of private school personnel.

A subgrantee may use program funds to pay for the services of an employee of a private school if:
(a) The employee performs the services outside of his or her regular hours of duty; and
(b) The employee performs the services under public supervision and control.

(Authority: 20 U.S.C. 1221e–3 and 3474)

§ 76.661 Equipment and supplies.

(a) Under some program statutes, a public agency must keep title to and exercise continuing administrative control of all equipment and supplies that the subgrantee acquires with program funds. This public agency is usually the subgrantee.

(b) The subgrantee may place equipment and supplies in a private school for the period of time needed for the project.

(c) The subgrantee shall insure that the equipment or supplies placed in a private school:
(1) Are used only for the purposes of the project; and
(2) Can be removed from the private school without remodeling the private school facilities.

(d) The subgrantee shall remove equipment or supplies from a private school if:

(Authority: 20 U.S.C. 1221e-3, 3474, and 6511(a))

§ 76.703 When a State may begin to obligate funds.

(a)(1) The Secretary may establish, for a program subject to this part, a date by which a State must submit for review by the Department a State plan and any other documents required to be submitted under guidance provided by the Department under paragraph (b)(3) of this section.

(2) If the Secretary does not establish a date for the submission of State plans and any other documents required under guidance provided by the Department, the date for submission is three months before the date the Secretary may begin to obligate funds under the program.

(b)(1) This paragraph (b) describes the circumstances under which the submission date for a State plan may be deferred.

(2) If a State asks the Secretary in writing to defer the submission date for a State plan because of a Presidentially declared disaster that has occurred in that State, the Secretary may defer the submission date for the State plan and any other document required under guidance provided by the Department if the Secretary determines that the disaster significantly impairs the ability of the State to submit a timely State plan or other document required under guidance provided by the Department.

(3)(i) The Secretary establishes, for a program subject to this part, a date by which the program office must deliver guidance to the States regarding the contents of the State plan under that program.

(ii) The Secretary may only establish a date for the delivery of guidance to the States so that there are at least as many days between that date and the date that State plans must be submitted to the Department as there are days between the date that State plans must be submitted to the Department and the date that funds are available for obligation by the Secretary on July 1, or October 1, as appropriate.

(iii) If a State does not receive the guidance by the date established under paragraph (b)(3)(i) of this section, the submission date for the State plan under the program is deferred one day for each day that the guidance is late in being received by the State.

NOTE: The following examples describe how the regulations in §76.703(b) would act to defer the date that a State would have to submit its State plan.

Example 1. The Secretary decides that State plans under a forward-funded program must be submitted to the Department by May first. The Secretary must provide guidance to the States under this program by March first, so that the States have at least
as many days between the guidance date and the submission date (60) as the Department has between the submission date and the date that funds are available for obligation (60). If the program transmits guidance to the States on February 15, specifying that State plans must be submitted by May first, States generally would have to submit State plans by that date. However, if, for example, a State did not receive the guidance until March third, that State would have until May third to submit its State plan because the submission date of its State plan would be deferred one day for each day that the guidance to the State was late.

Example 2. If a program publishes the guidance in the Federal Register on March third, the States would be considered to have received the guidance on that day. Thus, the guidance could not specify a date for the submission of State plans before May second, giving the States 59 days between the date the guidance is published and the submission date and giving the Department 58 days between the submission date and the date that funds are available for obligation.

(c)(1) For the purposes of this section, the submission date of a State plan or other document is the date that the Secretary receives the plan or document.

(2) The Secretary does not determine whether a State plan is substantially approvable until the plan and any documents required under guidance provided by the Department have been submitted.

(3) The Secretary notifies a State when the Department has received the State plan and all documents required under guidance provided by the Department.

(d) If a State submits a State plan in substantially approvable form (or an amendment to the State plan that makes it substantially approvable), and submits any other document required under guidance provided by the Department, on or before the date the State plan must be submitted to the Department, the State may begin to obligate funds on the date that the funds are first available for obligation by the Secretary.

(e) If a State submits a State plan in substantially approvable form (or an amendment to the State plan that makes it substantially approvable) or any other documents required under guidance provided by the Department after the date the State plan must be submitted to the Department, and—

1. The Department determines that the State plan is substantially approvable on or before the date that the funds are first available for obligation by the Secretary, the State may begin to obligate funds on the date that the funds are first available for obligation by the Secretary; or

2. The Department determines that the State plan is substantially approvable after the date that the funds are first available for obligation by the Secretary, the State may begin to obligate funds on the earlier of the two following dates:

   (i) The date that the Secretary determines that the State plan is substantially approvable.

   (ii) The date that is determined by adding to the date that funds are first available for obligation by the Secretary—

      (A) The number of days after the date the State plan must be submitted to the Department that the State plan or other document required under guidance provided by the Department is submitted; and

      (B) If applicable, the number of days after the State receives notice that the State plan is not substantially approvable that the State submits additional information that makes the plan substantially approvable.

(f) Additional information submitted under paragraph (e)(2)(ii)(B) of this section must be signed by the person who submitted the original State plan (or an authorized delegate of that officer).

(g)(1) If the Department does not complete its review of a State plan during the period established for that review, the Secretary will grant preaward costs for the period after funds become available for obligation by the Secretary and before the State plan is found substantially approvable.

(2) The period established for the Department’s review of a plan does not include any day after the State has received notice that its plan is not substantially approvable.

Note: The following examples describe how the regulations in §76.703 would be applied in certain circumstances. For the purpose of these examples, assume that the grant program established an April 1 due date for the submission of the State plan and that funds are first available for obligation by the Secretary on July 1.
Example 1. Paragraph (d): A State submits a plan in substantially approvable form by April 1. The State may begin to obligate funds on July 1.

Example 2. Paragraph (e)(1): A State submits a plan in substantially approvable form on May 15, and the Department notifies the State that the plan is substantially approvable on June 20. The State may begin to obligate funds on July 1.

Example 3. Paragraph (e)(2)(i): A State submits a plan in substantially approvable form on May 15, and the Department notifies the State that the plan is substantially approvable on August 21. The State may begin to obligate funds on August 14. (In this example, the original submission is 45 days late. By adding 45 days to July 1, we reach August 14, which is earlier than the date, August 21, that the Department notifies the State that the plan is substantially approvable. Therefore, if the State chose to begin drawing funds from the Department on August 14, obligations made on or after that date would generally be allowable.)

Example 5. Paragraph (e)(2)(i): A State submits a plan in substantially approvable form on May 15, and the Department notifies the State that the plan is substantially approvable on July 30. The Department had until July 15 to decide whether the plan was substantially approvable because the State was 15 days late in submitting the plan. The date the State may begin to obligate funds under the regulatory deferral is July 29 (based on the 15 day deferral for late submission plus a 14 day deferral for the time it took to submit a substantially approvable plan after having received notice). However, because the Department was one day late in completing its review of the plan, the State would get pre-award costs to cover the period of July 1 through July 29.

(h) After determining that a State plan is in substantially approvable form, the Secretary informs the State of the date on which it could begin to obligate funds. Reimbursement for those obligations is subject to final approval of the State plan.

Example 6. Paragraph (e)(2)(ii)(B): A State submits a plan in substantially approvable form on May 15, and the Department notifies the State that the plan is not substantially approvable on August 1. The State submits changes that make the plan substantially approvable on August 20, and the Department notifies the State that the plan is substantially approvable on September 5. The State may choose to begin drawing funds from the Department on September 2, and obligations made on or after that date would generally be allowable. (In this example, the original submission is 45 days late. In addition, the Department notifies the State that the plan is not substantially approvable on August 20, and the Department notifies the State that the plan is substantially approvable on September 5. The State may choose to begin drawing funds from the Department on September 2, and obligations made on or after that date would generally be allowable. In this example, the original submission is 45 days late. In addition, the Department notifies the State that the plan is not substantially approvable on August 20, and the Department notifies the State that the plan is substantially approvable on September 5. The State may choose to begin drawing funds from the Department on September 2, and obligations made on or after that date would generally be allowable.)
that funds become available for obligation by the Secretary and that have been signed into law or published in the Federal Register as final regulations three months before the date the State plan is due to be submitted to the Department under 34 CFR 76.703.

(2) If a State plan does not have to meet a new State plan requirement under paragraph (b)(1) of this section, the Secretary takes one of the following actions:

(i) Require the State to submit assurances and appropriate documentation to show that the new requirements are being followed under the program.

(ii) Extend the date for submission of State plans and approve pre-award costs as necessary to hold the State harmless.

(3) If the Secretary requires a State to submit assurances under paragraph (b)(2) of this section, the State shall incorporate changes to the State plan as soon as possible to comply with the new requirements. The State shall submit the necessary changes before the start of the next obligation period.

§ 76.708 When certain subgrantees may begin to obligate funds.

(a) If the authorizing statute for a program requires a State to make subgrants on the basis of a formula (see §76.5), the State may not authorize an applicant for a subgrant to obligate funds until the later of the following two dates:

(1) The date that the State may begin to obligate funds under §76.703; or

(2) The date that the applicant submits its application to the State in substantially approvable form.

(b) Reimbursement for obligations under paragraph (a) of this section is subject to final approval of the application.

(c) If the authorizing statute for a program gives the State discretion to select subgrantees, the State may not authorize an applicant for a subgrant to obligate funds until the subgrant is made. However, the State may approve pre-agreement costs in accordance with the cost principles in 2 CFR part 200, subpart E—Cost Principles.

§ 76.709 Funds may be obligated during a “carryover period.”

(a) If a State or a subgrantee does not obligate all of its grant or subgrant funds by the end of the fiscal year for which Congress appropriated the funds, it may obligate the remaining funds during a carryover period of one additional fiscal year.
(b) The State shall return to the Federal Government any carryover funds not obligated by the end of the carryover period by the State and its subgrantees.

NOTE: This section is based on a provision in the General Education Provisions Act (GEPA). Section 427 of the Department of Education Organization Act (DEOA), 20 U.S.C. 3487, provides that except to the extent inconsistent with the DEOA, the GEPA “shall apply to functions transferred by this Act to the extent applicable on the day preceding the effective date of this Act.” Although standardized nomenclature is used in this section to reflect the creation of the Department of Education, there is no intent to extend the coverage of the GEPA beyond that authorized under section 427 or other applicable law.

§ 76.710 Obligations made during a carryover period are subject to current statutes, regulations, and applications.

A State and a subgrantee shall use carryover funds in accordance with:

(a) The Federal statutes and regulations that apply to the program and are in effect for the carryover period; and

(b) Any State plan, or application for a subgrant, that the State or subgrantee is required to submit for the carryover period.

NOTE: This section is based on a provision in the General Education Provisions Act (GEPA). Section 427 of the Department of Education Organization Act (DEOA), 20 U.S.C. 3487, provides that except to the extent inconsistent with the DEOA, the GEPA “shall apply to functions transferred by this Act to the extent applicable on the day preceding the effective date of this Act.” Although standardized nomenclature is used in this section to reflect the creation of the Department of Education, there is no intent to extend the coverage of the GEPA beyond that authorized under section 427 or other applicable law.

§ 76.712 Beneficiary protections: Written notice.

(a) A faith-based organization that receives a grant, subgrant, or contract under a State-administered program of the Department supported in whole or in part by direct Federal financial assistance must give written notice to a beneficiary or prospective beneficiary of certain protections. This notice must state that:

(1) The organization may not discriminate against a beneficiary or prospective beneficiary on the basis of religion, or religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice;

(2) The organization may not require a beneficiary to attend or participate in any explicitly religious activities that are offered by the organization, and any participation by the beneficiaries in such activities must be purely voluntary;

(3) The organization must separate in time or location any privately funded explicitly religious activities from activities supported by direct Federal financial assistance;

(4) If a beneficiary or prospective beneficiary objects to the religious character of the organization, the organization will undertake reasonable efforts to identify and refer the beneficiary to an alternative provider to which the beneficiary has no objection; and

(5) A beneficiary or prospective beneficiary may report violations of these protections to, or may file a written complaint regarding a denial of services or benefits, with the State agency administering the program or subgrant that made the award under which the violation occurred.
§ 76.714 Subgrants, contracts, and other agreements with faith-based organizations.

If a grantee under a State-administered program of the Department has the authority under the grant or subgrant to select a private organization to provide services supported by direct Federal financial assistance under the program by subgrant, contract, or other agreement, the grantee

(b)(1) A faith-based organization that receives a subgrant or contract under a State-administered program of the Department must provide beneficiaries with the written notice required under paragraph (a) of this section prior to the time they enroll in or receive services from the organization.

(2) When the nature of the services provided or exigent circumstances make it impracticable to provide the written notice in advance of the actual services, the organization must advise beneficiaries of their protections at the earliest available opportunity.

(c) The notice that a faith-based organization must use to notify beneficiaries or prospective beneficiaries of their rights under paragraph (a) of this section is specified in appendix A to part 75.

§ 76.783 State educational agency action—subgrantee’s opportunity for a hearing.

(1) Ordering, in accordance with a final State audit resolution determination, the repayment of misspent or misapplied Federal funds; or

(2) Terminating further assistance for an approved project.

(b) The procedures in §6.401(d)(2)–(7) apply to any request for a hearing under this section.

Note: This section is based on a provision in the General Education Provisions Act (GEPA). Section 427 of the Department of Education Organization Act (DEOA), 20
§ 76.785 What is the purpose of this subpart?

The regulations in this subpart implement section 10306 of the Elementary and Secondary Education Act of 1965 (ESEA), which requires States to take measures to ensure that each charter school in the State receives the funds for which it is eligible under a covered program during its first year of operation and during subsequent years in which the charter school expands its enrollment.

(Authority: 20 U.S.C. 8065a)

§ 76.786 What entities are governed by this subpart?

The regulations in this subpart apply to—

(a) State educational agencies (SEAs) and local educational agencies (LEAs) that fund charter schools under a covered program, including SEAs and LEAs located in States that do not participate in the Department’s Public Charter Schools Program;

(b) State agencies that are not SEAs, if they are responsible for administering a covered program. State agencies that are not SEAs must comply with the provisions in this subpart that are applicable to SEAs; and

(c) Charter schools that are scheduled to open or significantly expand their enrollment during the academic year and wish to participate in a covered program.

(Authority: 20 U.S.C. 8065a)

§ 76.787 What definitions apply to this subpart?

For purposes of this subpart—

Academic year means the regular school year (as defined by State law, policy, or practice) and for which the State allocates funds under a covered program.

Charter school has the same meaning as provided in title X, part C of the ESEA.

Charter school LEA means a charter school that is treated as a local educational agency for purposes of the applicable covered program.

Covered program means an elementary or secondary education program administered by the Department under which the Secretary allocates funds to States on a formula basis, except that the term does not include a program or portion of a program under which an SEA awards subgrants on a discretionary, noncompetitive basis.

Local educational agency has the same meaning for each covered program as provided in the authorizing statute for the program.

Significant expansion of enrollment means a substantial increase in the number of students attending a charter school due to a significant event that is unlikely to occur on a regular basis, such as the addition of one or more grades or educational programs in major curriculum areas. The term also includes any other expansion of enrollment that the SEA determines to be significant.

(Authority: 20 U.S.C. 8065a)

§ 76.788 Responsibilities for notice and information

§ 76.788 What are a charter school LEA’s responsibilities under this subpart?

(a) Notice. At least 120 days before the date a charter school LEA is scheduled to open or significantly expand its enrollment, the charter school LEA or its authorized public chartering agency...
must provide its SEA with written notification of that date.

(b) Information. (1) In order to receive funds, a charter school LEA must provide to the SEA any available data or information that the SEA reasonably require to assist the SEA in estimating the amount of funds the charter school LEA may be eligible to receive under a covered program.

(2)(i) Once a charter school LEA has opened or significantly expanded its enrollment, the charter school LEA must provide actual enrollment and eligibility data to the SEA at a time the SEA may reasonably require.

(ii) An SEA is not required to provide funds to a charter school LEA until the charter school LEA provides the SEA with the required actual enrollment and eligibility data.

(c) Compliance. Except as provided in §76.791(a), or the authorizing statute or implementing regulations for the applicable covered program, a charter school LEA must establish its eligibility and comply with all applicable program requirements on the same basis as other LEAs.

(Approved by the Office of Management and Budget under control number 1810–0623)

(Authority: 20 U.S.C. 8065a)

§ 76.789 What are an SEA’s responsibilities under this subpart?

(a) Information. Upon receiving notice under §76.788(a) of the date a charter school LEA is scheduled to open or significantly expand its enrollment, an SEA must provide the charter school LEA with timely and meaningful information about each covered program in which the charter school LEA may be eligible to participate, including notice of any upcoming competitions under the program.

(b) Allocation of Funds. (1) An SEA must allocate funds under a covered program in accordance with this subpart to any charter school LEA that—

(i) Opens for the first time or significantly expands its enrollment during an academic year for which the State awards funds by formula or through a competition under the program;

(ii) In accordance with §76.791(a), establishes its eligibility and complies with all applicable program requirements; and

(iii) Meets the requirements of §76.788(a).

(2) In order to meet the requirements of this subpart, an SEA may allocate funds to, or reserve funds for, an eligible charter school LEA based on reasonable estimates of projected enrollment at the charter school LEA.

(3)(i) The failure of an eligible charter school LEA or its authorized public chartering agency to provide notice to its SEA in accordance with §76.788(a) relieves the SEA of any obligation to allocate funds to the charter school within five months.

(ii) Except as provided in §76.792(c), an SEA that receives less than 120 days’ actual notice of the date an eligible charter school LEA is scheduled to open or significantly expand its enrollment must allocate funds to the charter school LEA on or before the date the SEA allocates funds to LEAs under the applicable covered program for the succeeding academic year.

(iii) The SEA may provide funds to the charter school LEA from the SEA’s allocation under the applicable covered program for the academic year in which the charter school LEA opened or significantly expanded its enrollment, or from the SEA’s allocation under the program for the succeeding academic year.

ALLOCATION OF FUNDS BY STATE EDUCATIONAL AGENCIES

§ 76.791 On what basis does an SEA determine whether a charter school LEA that opens or significantly expands its enrollment is eligible to receive funds under a covered program?

(a) For purposes of this subpart, an SEA must determine whether a charter school LEA is eligible to receive funds under a covered program based on actual enrollment or other eligibility data for the charter school LEA on or after the date the charter school LEA opens or significantly expands its enrollment.

(b) For the year the charter school LEA opens or significantly expands its
§ 76.792 How does an SEA allocate funds to eligible charter school LEAs under a covered program in which the SEA awards subgrants on a formula basis?

(a) For each eligible charter school LEA that opens or significantly expands its enrollment on or before November 1 of an academic year, the SEA must implement procedures that ensure that the charter school LEA receives the proportionate amount of funds for which the charter school LEA is eligible under each covered program.

(b) For each eligible charter school LEA that opens or significantly expands its enrollment after November 1 but before February 1 of an academic year, the SEA must implement procedures that ensure that the charter school LEA receives at least a pro rata portion of the proportionate amount of funds for which the charter school LEA is eligible under each covered program. The pro rata amount must be based on the number of months or days during the academic year the charter school LEA will participate in the program as compared to the total number of months or days in the academic year.

(c) For each eligible charter school LEA that opens or significantly expands its enrollment on or after February 1 of an academic year, the SEA may implement procedures to provide the charter school LEA with a pro rata portion of the proportionate amount of funds for which the charter school LEA is eligible under each covered program.

§ 76.793 When is an SEA required to allocate funds to a charter school LEA under this subpart?

Except as provided in §§76.780(b) and 76.789(b)(3):

(a) For each eligible charter school LEA that opens or significantly expands its enrollment on or before November 1 of an academic year, the SEA must allocate funds to the charter school LEA within five months of the date the charter school LEA opens or significantly expands its enrollment.

(b) For each eligible charter school LEA that opens or significantly expands its enrollment after November 1, but before February 1 of an academic year, the SEA may allocate funds to the charter school LEA on or before the date the SEA allocates funds to LEAs under the applicable covered program for the succeeding academic year.

§ 76.794 How does an SEA allocate funds to charter school LEAs under a covered program in which the SEA awards subgrants on a discretionary basis?

(a) Competitive programs.

(1) For covered programs in which the SEA awards subgrants on a competitive basis, the SEA must provide each eligible charter school LEA in the State that is scheduled to open on or before the closing date of any competition under the program a full and fair opportunity to apply to participate in the program.

(2) An SEA is not required to delay the competitive process in order to allow a charter school LEA that has not yet opened or significantly expanded its enrollment to compete for funds under a covered program.

(b) Noncompetitive discretionary programs.

The requirements in this subpart do not apply to discretionary programs or portions of programs under which the SEA does not award subgrants through a competition.
§ 76.796 What are the consequences of an SEA allocating more or fewer funds to a charter school LEA under a covered program than the amount for which the charter school LEA is eligible when the charter school LEA actually opens or significantly expands its enrollment?

(a) An SEA that allocates more or fewer funds to a charter school LEA than the amount for which the charter school LEA is eligible, based on actual enrollment or eligibility data when the charter school LEA opens or significantly expands its enrollment, must make appropriate adjustments to the amount of funds allocated to the charter school LEA as well as to other LEAs under the applicable program.

(b) Any adjustments to allocations to charter school LEAs under this subpart must be based on actual enrollment or other eligibility data for the charter school LEA on or after the date the charter school LEA first opens or significantly expands its enrollment, even if allocations or adjustments to allocations to other LEAs in the State are based on enrollment or eligibility data from a prior year.

(Authority: 20 U.S.C. 8065a)

§ 76.797 When is an SEA required to make adjustments to allocations under this subpart?

(a) The SEA must make any necessary adjustments to allocations under a covered program on or before the date the SEA allocates funds to LEAs under the program for the succeeding academic year.

(b) In allocating funds to a charter school LEA based on adjustments made in accordance with paragraph (a) of this section, the SEA may use funds from the SEA’s allocation under the applicable covered program for the academic year in which the charter school LEA opened or significantly expanded its enrollment, or from the SEA’s allocation under the program for the succeeding academic year.

AUTHORITY: 20 U.S.C. 1221e–3 and 3474, unless otherwise noted.

§ 77.1 Definitions that apply to all Department programs.

(a) [Reserved]

(b) Unless a statute or regulation provides otherwise, the following definitions in 2 CFR part 200 apply to the regulations in title 34 of the Code of Federal Regulations. The section of 2 CFR part 200 that contains the definition is given in parentheses as well as references to the term or terms used in title 34 that are consistent with the term defined in title 2.

Contract (2 CFR 200.22).

Equipment (2 CFR 200.33).

Federal award (2 CFR 200.38) (The terms “award,” “grant,” and “subgrant,” as defined in paragraph (c) of this section, have the same meaning, depending on the context, as “Federal award” in 2 CFR 200.38.).

Period of performance (2 CFR 200.77) (For discretionary grants, ED uses the term “project period,” as defined in paragraph (c) of this section, instead of “period of performance” to describe the period during which funds can be obligated.).

Personal property (2 CFR 200.78).

Real property (2 CFR 200.85).

Recipient (2 CFR 200.86).

Subaward (2 CFR 200.92) (The term “subgrant,” as defined in paragraph (c) of this section, has the same meaning as “subaward” in 2 CFR 200.92).

Supplies (2 CFR 200.94).

(c) Unless a statute or regulation provides otherwise, the following definitions also apply to the regulations in this title:

Acquisition means taking ownership of property, receiving the property as a gift, entering into a lease-purchase arrangement, or leasing the property. The term includes processing, delivery, and installation of property.

Ambitious means promoting continued, meaningful improvement for program participants or for other individuals or entities affected by the grant, or representing a significant advancement in the field of education research, practices, or methodologies. When used to describe a performance target, whether a performance target is ambitious depends upon the context of the relevant performance measure and the baseline for that measure.

Applicant means a party requesting a grant or subgrant under a program of the Department.

Application means a request for a grant or subgrant under a program of the Department.

Award has the same meaning as the definition of “Grant” in this paragraph (c).

Baseline means the starting point from which performance is measured and targets are set.

Budget means that recipient’s financial plan for carrying out the project or program.

Budget period means an interval of time into which a project period is divided for budgetary purposes.

Department means the U.S. Department of Education.
Office of the Secretary, Education

Direct grant program means any grant program of the Department other than a program whose authorizing statute or implementing regulations provide a formula for allocating program funds among eligible States.

Cross Reference: See 34 CFR 75.1(b).

Director of the Institute of Museum Services means the Director of the Institute of Museum Services or an officer or employee of the Institute of Museum Services acting for the Director under a delegation of authority.

Director of the National Institute of Education means the Director of the National Institute of Education or an officer or employee of the National Institute of Education acting for the Director under a delegation of authority.

ED means the U.S. Department of Education.

EDGAR means the Education Department General Administrative Regulations (34 CFR parts 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99).

Elementary school means a day or residential school that provides elementary education, as determined under State law.

Evidence of promise means there is empirical evidence to support the theoretical linkage(s) between at least one critical component and at least one relevant outcome presented in the logic model for the proposed process, product, strategy, or practice.

Facilities means one or more structures in one or more locations.

Fiscal year means the Federal fiscal year—a period beginning on October 1 and ending on the following September 30.

Grant means financial assistance, including cooperative agreements, that provides support or stimulation to accomplish a public purpose. 2 CFR part 200, as adopted in 2 CFR part 3474, uses the broader, undefined term “Award” to cover grants, subgrants, and other agreements in the form of money or property, in lieu of money, by the Federal Government to an eligible recipient. The term does not include—

(1) Technical assistance, which provides services instead of money;
(2) Other assistance in the form of loans, loan guarantees, interest subsidies, or insurance;
(3) Direct payments of any kind to individuals; and
(4) Contracts that are required to be entered into and administered under procurement laws and regulations.

Grantee means the legal entity to which a grant is awarded and that is accountable to the Federal Government for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award notice (GAN). For example, a GAN may name as the grantee one school or campus of a university. In this case, the granting agency usually intends, or actually intends, that the named component assume primary or sole responsibility for administering the grant-assisted project or program. Nevertheless, the naming of a component of a legal entity as the grantee in a grant award document shall not be construed as relieving the whole legal entity from accountability to the Federal Government for the use of the funds provided. (This definition is not intended to affect the eligibility provision of grant programs in which eligibility is limited to organizations that may be only components of a legal entity.) The term “grantee” does not include any secondary recipients, such as
subsection and contractors, that may receive funds from a grantee pursuant to a subgrant or contract.  

Grant period means the period for which funds have been awarded.  

Large sample means an analytic sample of 350 or more students (or other single analysis units), or 50 or more groups (such as classrooms or schools) that contain 10 or more students (or other single analysis units).  

Local educational agency means:  

(a) A public board of education or other public authority legally constituted within a State for either administrative control of or direction of, or to perform service functions for, public elementary or secondary schools in:  

1. A city, county, township, school district, or other political subdivision of a State; or  

2. Such combination of school districts or counties a State recognizes as an administrative agency for its public elementary or secondary schools; or  

(b) Any other public institution or agency that has administrative control and direction of a public elementary or secondary school.  

(c) As used in 34 CFR parts 400, 408, 525, 526 and 527 (vocational education programs), the term also includes any other public institution or agency that has administrative control and direction of a vocational education program.  

Logic model (also referred to as theory of action) means a well-specified conceptual framework that identifies key components of the proposed process, product, strategy, or practice (i.e., the active ‘ingredients’ that are hypothesized to be critical to achieving the relevant outcomes) and describes the relationships among the key components and outcomes, theoretically and operationally.  

Minor remodeling means minor alterations in a previously completed building. The term also includes the extension of utility lines, such as water and electricity, from points beyond the confines of the space in which the minor remodeling is undertaken but within the confines of the previously completed building. The term does not include building construction, structural alterations to buildings, building maintenance, or repairs.  

Moderate evidence of effectiveness means one of the following conditions is met:  

(i) There is at least one study of the effectiveness of the process, product, strategy, or practice being proposed that meets the What Works Clearinghouse Evidence Standards without reservations, found a statistically significant favorable impact on a relevant outcome (with no statistically significant and overriding unfavorable impacts on that outcome for relevant populations in the study or in other studies of the intervention reviewed by and reported on by the What Works Clearinghouse), and includes a sample that overlaps with the populations or settings proposed to receive the process, product, strategy, or practice.  

(ii) There is at least one study of the effectiveness of the process, product, strategy, or practice being proposed that meets the What Works Clearinghouse Evidence Standards with reservations, found a statistically significant favorable impact on a relevant outcome (with no statistically significant and overriding unfavorable impacts on that outcome for relevant populations in the study or in other studies of the intervention reviewed by and reported on by the What Works Clearinghouse), includes a sample that overlaps with the populations or settings proposed to receive the process, product, strategy, or practice, and includes a large sample and a multi-site sample.  

Note: Multiple studies can cumulatively meet the large and multi-site sample requirements as long as each study meets the other requirements in this paragraph.  

Multi-site sample means more than one site, where site can be defined as an LEA, locality, or State.  

National level describes the level of scope or effectiveness of a process, product, strategy, or practice that is able to be effective in a wide variety of communities, including rural and urban areas, as well as with different groups (e.g., economically disadvantaged, racial and ethnic groups, migrant populations, individuals with disabilities, English learners, and individuals of each gender).
Nonprofit, as applied to an agency, organization, or institution, means that it is owned and operated by one or more corporations or associations whose net earnings do not benefit, and cannot lawfully benefit, any private shareholder or entity.

Nonpublic, as applied to an agency, organization, or institution, means that the agency, organization, or institution is nonprofit and is not under Federal or public supervision or control.

Performance measure means any quantitative indicator, statistic, or metric used to gauge program or project performance.

Performance target means a level of performance that an applicant would seek to meet during the course of a project or as a result of a project.

Preschool means the educational level from a child’s birth to the time at which the State provides elementary education.

Private, as applied to an agency, organization, or institution, means that it is not under Federal or public supervision or control.

Project means the activity described in an application.

Project period means the period established in the award document during which Federal sponsorship begins and ends (See, 2 CFR 200.77 Period of performance).

Public, as applied to an agency, organization, or institution, means that it is under the administrative supervision or control of a government other than the Federal Government.

Quasi-experimental design study means a study using a design that attempts to approximate an experimental design by identifying a comparison group that is similar to the treatment group in important respects. These studies, depending on design and implementation, can meet What Works Clearinghouse Evidence Standards without reservations.

Regional level describes the level of scope or effectiveness of a process, product, strategy, or practice that is able to serve a variety of communities within a State or multiple States, including rural and urban areas, as well as with different groups (e.g., economically disadvantaged, racial and ethnic groups, migrant populations, individuals with disabilities, English learners, and individuals of each gender). For an LEA-based project, to be considered a regional-level project, a process, product, strategy, or practice must serve students in more than one LEA, unless the process, product, strategy, or practice is implemented in a State in which the State educational agency is the sole educational agency for all schools.

Relevant outcome means the student outcome(s) (or the ultimate outcome if not related to students) the proposed process, product, strategy, or practice is designed to improve; consistent with the specific goals of a program.

Secondary school means a day or residential school that provides secondary education as determined under State law. In the absence of State law, the Secretary may determine, with respect to that State, whether the term includes education beyond the twelfth grade.

Secretary means the Secretary of the Department of Education or an official or employee of the Department acting for the Secretary under a delegation of authority.

Service function, with respect to a local educational agency:

(a) Means an educational service that is performed by a legal entity—such as an intermediate agency:

(i) Whose jurisdiction does not extend to the whole State; and

(ii) That is authorized to provide consultative, advisory, or educational services to public elementary or secondary schools; or
(2) That has regulatory functions over agencies having administrative control or direction of public elementary or secondary schools.

(b) The term does not include a service that is performed by a cultural or educational resource.

State means any of the 50 States, the Commonwealth of Puerto Rico, the District of Columbia, Guam, American Samoa, the Virgin Islands, the Northern Mariana Islands, or the Trust Territory of the Pacific Islands.

State educational agency means the State board of education or other agency or officer primarily responsible for the supervision of public elementary and secondary schools in a State. In the absence of this officer or agency, it is an officer or agency designated by the Governor or State law.

Strong evidence of effectiveness means one of the following conditions is met:

(i) There is at least one study of the effectiveness of the process, product, strategy, or practice being proposed that meets the What Works Clearinghouse Evidence Standards without reservations, found a statistically significant favorable impact on a relevant outcome (with no statistically significant and overriding unfavorable impacts on that outcome for relevant populations in the study or in other studies of the intervention reviewed by and reported on by the What Works Clearinghouse), includes a sample that overlaps with the populations and settings proposed to receive the process, product, strategy, or practice, and includes a large sample and a multi-site sample.

(ii) There are at least two studies of the effectiveness of the process, product, strategy, or practice being proposed, each of which: Meets the What Works Clearinghouse Evidence Standards with reservations, found a statistically significant favorable impact on a relevant outcome (with no statistically significant and overriding unfavorable impacts on that outcome for relevant populations in the studies or in other studies of the intervention reviewed by and reported on by the What Works Clearinghouse), includes a sample that overlaps with the populations and settings proposed to receive the process, product, strategy, or practice, and includes a large sample and a multi-site sample.

Strong theory means a rationale for the proposed process, product, strategy, or practice that includes a logic model.

Subgrant means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual or any other form of legal agreement, but does not include procurement purchases, nor does it include any form of assistance that is excluded from the definition of "grant or award" in this part (See 2 CFR 200.92, "Subaward").

Subgrantee means the government or other legal entity to which a subgrant is awarded and that is accountable to the grantee for the use of the funds provided.

Work of art means an item that is incorporated into facilities primarily because of its aesthetic value.

(Part 79—Intergovernmental Review of Department of Education Programs and Activities)

79.1 What is the purpose of these regulations?

79.2 What definitions apply to these regulations?
§ 79.3 What programs and activities of the Department are subject to these regulations?

(a) The regulations in this part implement Executive Order 12372, ‘‘Intergovernmental Review of Federal Programs,’’ issued July 14, 1982 and amended on April 8, 1983. These regulations also implement applicable provisions of Section 401 of the Intergovernmental Cooperation Act of 1968 and Section 204 of the Demonstration Cities and Metropolitan Development Act of 1966.

(b) These regulations are intended to foster an intergovernmental partnership and a strengthened Federalism by relying on state processes and on state, areawide, regional, and local coordination for review of proposed federal financial assistance.

(c) These regulations are intended to aid the internal management of the Department, and are not intended to create any right or benefit enforceable at law by a party against the Department or its officers.

(Authority: E.O. 12372)
§ 79.4 What are the Secretary's general responsibilities under the Order?

(a) The Secretary provides opportunities for consultation by elected officials of those state and local governments that would provide the nonfederal funds for, or that would be directly affected by, proposed federal financial assistance from the Department.

(b) If a state adopts a process under the Order to review and coordinate proposed federal financial assistance, the Secretary, to the extent permitted by law:

(1) Uses the state process to determine official views of state and local elected officials;

(2) Communicates with state and local elected officials as early in a program planning cycle as is reasonably feasible to explain specific plans and actions;

(3) Makes efforts to accommodate state and local elected official's concerns with proposed federal financial assistance that are communicated through the state process;

(4) Allows the states to simplify and consolidate existing federally required state plan submissions;

(5) Where state planning and budgeting systems are sufficient and where permitted by law, encourages the substitution of state plans for federally required state plans;

(6) Seeks the coordination of views of affected state and local elected officials in one state with those of another state when proposed federal financial assistance has an impact on interstate metropolitan urban centers or other interstate areas; and

(7) Supports state and local governments by discouraging the reauthorization or creation of any planning organization which is federally funded, which has a limited purpose, and which is not adequately representative of, or accountable to, state or local elected officials.

(Authority: E.O. 12372)

§ 79.5 What is the Secretary's obligation with respect to Federal interagency coordination?

The Secretary, to the maximum extent practicable, consults with and seeks advice from all other substantially affected federal departments and agencies in an effort to assure full coordination between such agencies and the Department regarding programs and activities covered under these regulations.

(Authority: E.O. 12372)

§ 79.6 What procedures apply to the selection of programs and activities under these regulations?

(a) A state may select any program or activity published in the Federal Register in accordance with §79.3 for intergovernmental review under these regulations. Each state, before selecting programs and activities, shall consult with local elected officials.

(b) Each state that adopts a process shall notify the Secretary of the Department's programs and activities selected for that process.

(c) A state may notify the Secretary of changes in its selections at any time. For each change, the state shall submit to the Secretary an assurance that the state has consulted with local elected officials regarding the change. The Department may establish deadlines by which states are required to inform the Secretary of changes in their program selections.

(d) The Secretary uses a state's process as soon as feasible, depending on individual programs and activities, after the Secretary is notified of its selections.

(Authority: E.O. 12372, sec. 2)

§ 79.7 How does the Secretary communicate with State and local officials concerning the Department's programs and activities?

(a) [Reserved]
§ 79.9 How does the Secretary receive and respond to comments?

(a) The Secretary follows the procedure in §79.10 if:

(1) A state office or official is designated to act as a single point of contact between a state process and all federal agencies, and

(2) That office or official transmits a State process recommendation, and identifies it as such, for a program selected under §79.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional, or local officials and entities if there is no state process recommendation.

(b)(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional, and local officials and entities may submit comments to the Department.

(d) If a program or activity is not selected for a state process, state, areawide, regional, and local officials and entities may submit comments to the Department. In addition, if a state process recommendation for a non-selected program or activity is transmitted to the Department by the single point of contact, the Secretary follows the procedures of §79.10.

(e) The Secretary considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Secretary is not required to apply the procedures of §79.10 of this part, if those comments are provided by a single point of contact, or directly to the Department by a commenting party.

(Authority: E.O. 12372, Sec. 2)

§ 79.10 How does the Secretary make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to the Department through its single point of contact, the Secretary either:

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with a written explanation of the decision in such form as the Secretary deems appropriate. The Secretary may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Secretary informs the single point of contact that:

(1) The Department will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(2) The Secretary has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purposes of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of the notification.

(Authority: E.O. 12372, Sec. 2)

§ 79.11 What are the Secretary’s obligations in interstate situations?

(a) The Secretary is responsible for:

(1) Identifying proposed federal financial assistance that has an impact on interstate areas;

(2) Notifying appropriate officials and entities in states which have adopted a process and which select the Department’s program or activity.

(3) Making efforts to identify and notify the affected state, areawide, regional, and local officials and entities in those states that have not adopted a process under the Order or do not select the Department’s program or activity;

(4) Responding under § 79.10 if the Secretary receives a recommendation from a designated areawide agency transmitted by a single point of contact, in cases in which the review, coordination, and communication with the Department have been delegated.

(b) In an interstate situation subject to this section, the Secretary uses the procedures in § 79.10 if a state process provides a state process recommendation to the Department through a single point of contact.

(Authority: E.O. 12372, Sec. 2(e))

§ 79.12 How may a State simplify, consolidate, or substitute federally required State plans?

(a) As used in this section:

(1) Simplify means that a state may develop its own format, choose its own submission date, and select the planning period for a state plan.

(2) Consolidate means that a state may meet statutory and regulatory requirements by combining two or more plans into one document and that the state can select the format, submission date, and planning period for the consolidated plan.

(3) Substitute means that a state may use a plan or other document that it has developed for its own purposes to meet Federal requirements.

(b) If not inconsistent with law, a state may decide to try to simplify, consolidate, or substitute federally required state plans without prior approval by the Secretary.

(c) The Secretary reviews each state plan that a state has simplified, consolidated, or substituted and accepts the plan only if its contents meet federal requirements.

§ 81.10 Ex parte communications.

A party to, or other participant in, a case may not communicate with an ALJ on any fact in issue in the case or on any matter relevant to the merits of the case unless the parties are given notice and an opportunity to participate.

(Authority: 5 U.S.C. 554(d)(1), 557(d)(1)(A); 20 U.S.C. 1221e-3, 1234(f)(1), and 3474(a))

§ 81.11 Motions.

(a) To obtain an order or a ruling from an ALJ, a party shall make a motion to the ALJ.

(b) Except for a request for an extension of time, a motion must be made in writing unless the parties appear in person or participate in a conference telephone call. The ALJ may require a party to reduce an oral motion to writing.

(c) If a party files a motion, the party shall serve a copy of the motion on the other party on the filing date by hand-delivery or by mail. If agreed upon by the parties, service of the motion may be made upon the other party by facsimile transmission.

(d) Except for a request for an extension of time, the ALJ may not grant a party’s written motion without the consent of the other party unless the other party has had at least 21 days from the date of service of the motion to respond. However, the ALJ may deny a motion without awaiting a response.

(e) The date of service of a motion is determined by the standards for determining a filing date in §81.12(d).

§ 81.12 Filing requirements.

(a) Any written submission to an ALJ or the OALJ under this part must be filed by hand-delivery, by mail, or by facsimile transmission. The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(b) If a party files a brief or other document with an ALJ or the OALJ, the party shall serve a copy of the filed material on the other party on the filing date by hand-delivery or by mail. If agreed upon by the parties, service of a document may be made upon the other party by facsimile transmission.

(c) Any written submission to an ALJ or the OALJ must be accompanied by a statement certifying the date that the filed material was filed and served on the other party.

(d)(1) The filing date for a written submission to an ALJ or the OALJ is the date the document is—

(i) Hand-delivered;

(ii) Mailed; or

(iii) Sent by facsimile transmission.
§ 81.13 Mediation.

(a) Voluntary mediation is available for proceedings that are pending before the OALJ.

(b) A mediator must be independent of, and agreed to by, the parties to the case.

(c) A party may request mediation by filing a motion with the ALJ assigned to the case. The OALJ arranges for a mediator if the parties to the case agree to mediation.

(d) A party may terminate mediation at any time. Mediation is limited to 120 days unless the mediator informs the ALJ that—

(1) The parties are likely to resolve some or all of the dispute; and

(2) An extension of time will facilitate an agreement.

(e) The ALJ stays the proceedings during mediation.

(f)(1) Evidence of conduct or statements made during mediation is not admissible in any proceeding under this part. However, evidence that is otherwise discoverable may not be excluded merely because it was presented during settlement negotiations.

(b) The ALJ may take official notice of facts that are generally known or capable of accurate and ready determination by resort to sources whose accuracy cannot reasonably be questioned.

§ 81.14 Settlement negotiations.

(a) If the parties to a case file a joint motion requesting a stay of the proceedings for settlement negotiations, or for approval of a settlement agreement, the ALJ may grant a stay of the proceedings upon a finding of good cause.

(b) Evidence of conduct or statements made during settlement negotiations is not admissible in any proceeding under this part. However, evidence that is otherwise discoverable may not be excluded merely because it was presented during settlement negotiations.

(c) The parties may not disclose the contents of settlement negotiations to the ALJ. If the parties enter into a settlement agreement and file a joint motion to dismiss the case, the ALJ grants the motion.

§ 81.15 Evidence.

(a) The Federal Rules of Evidence do not apply to proceedings under this part. However, the ALJ accepts only evidence that is—

(1) Relevant;

(2) Material;

(3) Not unduly repetitious; and

(4) Not inadmissible under §81.13 or §81.14.

(b) The ALJ may take official notice of facts that are generally known or capable of accurate and ready determination by resort to sources whose accuracy cannot reasonably be questioned.

§ 81.16 Discovery.

(a) The parties to a case are encouraged to exchange relevant documents and information voluntarily.

(b) The ALJ, at a party’s request, may order compulsory discovery described in paragraph (c) of this section if the ALJ determines that—

(1) The order is necessary to secure a fair, expeditious, and economical resolution of the case;
§ 81.20 Interlocutory appeals to the Secretary from rulings of an ALJ.

(a) A ruling by an ALJ may not be appealed to the Secretary until the issuance of an initial decision, except that the Secretary may, at any time prior to the issuance of an initial decision, grant review of a ruling upon either an ALJ’s certification of the ruling to the Secretary for review, or the filing of a petition seeking review of an interim ruling by one or both of the parties, if—

(1) That ruling involves a controlling question of substantive or procedural law; and

(2) The immediate resolution of the question will materially advance the final disposition of the proceeding or subsequent review will be an inadequate remedy.

(b)(1) A petition for interlocutory review of an interim ruling must include the following:

(i) A brief statement of the facts necessary to an understanding of the issue on which review is sought.

(ii) A statement of the issue.

(iii) A statement of the reasons showing that the ruling complained of involves a controlling question of substantive or procedural law and why immediate review of the ruling will materially advance the disposition of the case, or why subsequent review will be an inadequate remedy.

(2) A petition may not exceed ten pages, double-spaced, and must be accompanied by a copy of the ruling and any findings and opinions relating to
§ 81.30 Basis for recovery of funds.

(a) Subject to the provisions of § 81.31, an authorized Departmental official requires a recipient to return funds to the Department if—

(1) The recipient made an unallowable expenditure of funds under a grant or cooperative agreement; or

(2) The recipient otherwise failed to discharge its obligation to account properly for funds under a grant or cooperative agreement.

(b) An authorized Departmental official may base a decision to require a recipient to return funds upon an audit report, an investigative report, a monitoring report, or any other evidence.

(h) If the Secretary takes no action on a request for interlocutory review within 15 days of receipt of it, the request is deemed to be denied.

(i) The Secretary may affirm, modify, set aside, or remand the ALJ’s ruling.

§ 81.31 Measure of recovery.

A recipient that made an unallowable expenditure or otherwise failed to discharge its obligation to account properly for funds shall return an amount that—

(a) Meets the standards for proportionality in § 81.32;

(b) In the case of a State or local educational agency, excludes any amount attributable to mitigating circumstances under the standards in § 81.23; and

(c) Excludes any amount expended in a manner not authorized by law more...
than five years before the recipient received the notice of a disallowance decision under §81.34.

§ 81.32 Proportionality.

(a)(1) A recipient that made an unallowable expenditure or otherwise failed to account properly for funds shall return an amount that is proportional to the extent of the harm its violation caused to an identifiable Federal interest associated with the program under which it received the grant or cooperative agreement.

(2) An identifiable Federal interest under paragraph (a)(1) of this section includes, but is not limited to, the following:
   (i) Serving only eligible beneficiaries.
   (ii) Providing only authorized services or benefits.
   (iii) Complying with expenditure requirements and conditions, such as set-aside, excess cost, maintenance of effort, comparability, supplement-not-supplant, and matching requirements.
   (iv) Preserving the integrity of planning, application, recordkeeping, and reporting requirements.
   (v) Maintaining accountability for the use of funds.

(b) The appendix to this part contains examples that illustrate how the standards for proportionality apply. The examples present hypothetical cases and do not represent interpretations of any actual program statute or regulation.

§ 81.33 Mitigating circumstances.

(a) A recipient that is a State or local educational agency and that has made an unallowable expenditure or otherwise failed to account properly for funds is not required to return any amount that is attributable to the mitigating circumstances described in paragraph (b), (c), or (d) of this section.

(b) Mitigating circumstances exist if it would be unjust to compel the recovery of funds because the recipient’s violation was caused by erroneous written guidance from the department. To prove mitigating circumstances under this paragraph, the recipient shall prove that—

(1) The guidance was provided in response to a specific written request from the recipient that was submitted to the Department at the address provided by notice published in the Federal Register under this section;

(2) The guidance was provided by a Departmental official authorized to provide the guidance, as described by that notice;

(3) The recipient actually relied on the guidance as the basis for the conduct that constituted the violation; and

(4) The recipient’s reliance on the guidance was reasonable.

(c) Mitigating circumstances exist if it would be unjust to compel the recovery of funds because the Department’s failure to provide timely guidance. To prove mitigating circumstances under this paragraph, the recipient shall prove that—

(1) The recipient in good faith submitted a written request for guidance with respect to the legality of a proposed expenditure or practice;

(2) The request was submitted to the Department at the address provided by notice published in the Federal Register under this section;

(3) The request—
   (i) Accurately described the proposed expenditure or practice; and
   (ii) Included the facts necessary for the Department’s determination of its legality;

(4) The request contained the certification of the chief legal officer of the appropriate State educational agency that the officer—
   (i) Examined the proposed expenditure or practice; and
   (ii) Believed it was permissible under State and Federal law applicable at the time of the certification;

(5) The recipient reasonably believed the proposed expenditure or practice
§ 81.34 Notice of a disallowance decision.

(a) If an authorized Departmental official decides that a recipient must return funds under §81.30, the official gives the recipient written notice of a disallowance decision. The official sends the notice by certified mail, return receipt requested, or other means that ensure proof of receipt.

(b)(1) The notice must establish a prima facie case for the recovery of funds, including an analysis reflecting the value of the program services actually obtained in a determination of harm to the Federal interest.

(b)(2) For the purpose of this section, a prima facie case is a statement of the law and the facts that, unless rebutted, is sufficient to sustain the conclusion drawn in the notice. The facts may be set out in the notice or in a document that is identified in the notice and available to the recipient.

(3) A statement that the recipient failed to maintain records required by law or failed to allow an authorized representative of the Secretary access to those records constitutes a prima facie case for the recovery of the funds affected.

(i) If the recipient failed to maintain records, the statement must briefly describe the types of records that were not maintained and identify the recordkeeping requirement that was violated.

(ii) If the recipient failed to allow access to records, the statement must briefly describe the recipient’s actions that constituted the failure and identify the access requirement that was violated.

(c) The notice must inform the recipient that it may—

(1) Obtain a review of the disallowance decision by the OALJ; and

(2) Request mediation under §81.13.

(d) The notice must describe—

(1) The time available to apply for a review of the disallowance decision; and

(2) The procedure for filing an application for review.

§ 81.35 Reduction of claims.

The Secretary or an authorized Departmental official as appropriate may, after the issuance of a disallowance decision, reduce the amount of a claim established under this subpart by—

(a) Redetermining the claim on the basis of the proper application of the law, including the standards for the measure of recovery under §81.31, to the facts;

(b) Compromising the claim under the Federal Claims Collection Standards in 4 CFR part 103; or
Compromising the claim under § 81.36, if applicable.

(Authority: 20 U.S.C. 1221e–3, 1234(f)(1), 1234a(j), and 3474(a); 31 U.S.C. 3711)

(a) The Secretary or an authorized Departmental official as appropriate may compromise a claim established under this subpart without following the procedures in 4 CFR part 103 if—

(1)(i) The amount of the claim does not exceed $200,000; or

(ii) The difference between the amount of the claim and the amount agreed to be returned does not exceed $200,000; and

(2) The Secretary or the official determines that—

(i) The collection of the amount by which the claim is reduced under the compromise would not be practical or in the public interest; and

(ii) The practice that resulted in the disallowance decision has been corrected and will not recur.

(b) Not less than 45 days before compromising a claim under this section, the Department publishes a notice in the FEDERAL REGISTER stating—

(1) The intention to compromise the claim; and

(2) That interested persons may comment on the proposed compromise.

§ 81.37 Application for review of a disallowance decision.

(a) If a recipient wishes to obtain review of a disallowance decision, the recipient shall file a written application for review with the Office of Administrative Law Judges, c/o Docket Clerk, Office of Hearings and Appeals, and, as required by § 81.12(b), shall serve a copy on the applicable Departmental official who made the disallowance decision.

(b) A recipient shall file an application for review not later than 60 days after the date it receives the notice of a disallowance decision.

(c) Within 10 days after receipt of a copy of the application for review, the authorized Departmental official who made the disallowance decision shall provide the ALJ with a copy of any document identified in the notice pursuant to § 81.34(b)(2).

(d) An application for review must contain—

(1) A copy of the disallowance decision of which review is sought;

(2) A statement certifying the date the recipient received the notice of that decision;

(3) A short and plain statement of the disputed issues of law and fact, the recipient’s position with respect to these issues, and the disallowed funds the recipient contends need not be returned; and

(4) A statement of the facts and the reasons that support the recipient’s position.

(e) The ALJ who considers a timely application for review that substantially complies with the requirements of paragraph (c) of this section may permit the recipient to supplement or amend the application with respect to issues that were timely raised. Any requirement to return funds that is not timely appealed becomes the final decision of the Department.

§ 81.38 Consideration of an application for review.

(a) The ALJ assigned to the case under § 81.4 considers an application for review of a disallowance decision.

(b) The ALJ decides whether the notice of a disallowance decision meets the requirements of § 81.34, as provided by section 451(e) of GEPA.

(1) If the notice does not meet those requirements, the ALJ—

(i) Returns the notice, as expeditiously as possible, to the authorized Departmental official who made the disallowance decision;

(ii) Gives the official the reasons why the notice does not meet the requirements of § 81.34; and
§ 81.39 Submission of evidence.

(a) The ALJ schedules the submission of the evidence, whether oral or documentary, to occur within 90 days of the OALJ’s receipt of an acceptable application for review under §81.37.

(b) The ALJ may waive the 90-day requirement for good cause.

§ 81.40 Burden of proof.

If the OALJ accepts jurisdiction of a case under §81.36, the recipient shall present its case first and shall have the burden of proving that the recipient is not required to return the amount of funds that the disallowance decision requires to be returned because—

(a) An expenditure identified in the disallowance decision as unallowable was allowable;

(b) The recipient discharged its obligation to account properly for the funds;

(c) The amount required to be returned does not meet the standards for proportionality in §81.32;

(d) The amount required to be returned includes an amount attributable to mitigating circumstances under the standards in §81.33; or

(e) The amount required to be returned includes an amount expended in a manner not authorized by law more than five years before the recipient received the notice of the disallowance decision.

If agreed upon by the parties, service of a copy of the petition may be made upon the other party by facsimile transmission.

(d) Any written submission to the Secretary under this section must be accompanied by a statement certifying the date that the filed material was served on the other party.

(e) A petition for review of an initial decision must contain—

(1) The identity of the initial decision for which review is sought; and

(2) A statement of the reasons asserted by the party for affirming, modifying, setting aside, or remanding the initial decision in whole or in part.

APPENDIX TO PART 81—ILLUSTRATIONS OF PROPORTIONALITY

(1) Ineligible beneficiaries. A State uses 15 percent of its grant to meet the special educational needs of children who were migratory, but who have not migrated for more than five years as a Federal program statute requires for eligibility to participate in the program. Result: Recovery of 15 percent of the grant—all program funds spent for the benefit of those children. Although the services were authorized, the children were not eligible to receive them.

(2) Ineligible beneficiaries. A Federal program designed to meet the special educational needs of gifted and talented children requires that at least 80 percent of the children served in any project must be identified as gifted or talented. A local educational agency (LEA) conducts a project in which 76 students are identified as gifted or talented, and 24 are not. The project was designed and implemented to meet the special educational needs of gifted and talented students. Result: The LEA must return five percent of the project costs. The LEA provided authorized services for a project in which the 76 target students had to constitute at least 80 percent of the total. Thus, the maximum number of non-target students permitted was 19. Project costs relating to the remaining five students must be returned.

(3) Ineligible beneficiaries. Same as the example in paragraph (2), except that only 15 percent of the children were identified as gifted or talented. On the basis of the low percentage of these children and other evidence, the authorized Departmental official finds that the project as a whole did not address their special educational needs and was outside the purpose of the statute. Result: The LEA must return its entire award. The difference between the required percentage of gifted and talented children and the percentage actually enrolled is so substantial that, if consistent with evidence, the official may reasonably conclude the entire grant was misused.

(4) Ineligible beneficiaries. Same as the example in paragraph (2), except that 60 percent of the children were identified as gifted or talented, and it is not clear whether the project was designed or implemented to meet the special educational needs of children. Result: If it is determined that the project was designed and implemented to serve their special educational needs, the LEA must return 25 percent of the project costs. A project that included 60 target children would meet the requirement that 80 percent of the children served be gifted and talented if it included no more than 15 other children. Thus, while the LEA provided authorized services, only 75 percent of the beneficiaries were authorized to participate in the project (60 target children and 15 others). If the authorized Departmental official, after examining all the relevant facts, determines that the project was not designed and implemented to serve the special educational needs of gifted or talented students, the LEA must return its entire award because it did not provide services authorized by the statute.

(5) Unauthorized activities. An LEA uses ten percent of its grant under a Federal program that authorizes activities only to meet the special educational needs of educationally
Office of the Secretary, Education
Pt. 81, App.

depressed children to pay for health services that are available to all children in the LEA. All the children who use the Federally funded health services happen to be educationally deprived and as such, eligible to receive program services. Result: Recovery of ten percent of the grant—all program funds spent for the health services. Although the children were educationally deprived, the health services were unrelated to a special educational need and, therefore, not authorized by law.

(6) Set-aside requirement. A State uses 22 percent of its grant for one fiscal year under a Federal adult education program to provide programs of equivalence to a certificate of graduation from a secondary school. The adult education program statute restricts those programs to no more than 20 percent of the State’s grant. Result: Two percent of the State’s grant must be returned. Although all 22 percent of the funds supported adult education, the State had no authority to spend more than 20 percent on secondary school equivalency programs.

(7) Set-aside requirement. A State uses eight percent of its basic State grant under a Federal vocational education program to pay for the excess cost of vocational education services and activities for handicapped individuals. The program statute requires a State to use ten percent of its basic State grant for this purpose. Result: The State must return two percent of its basic State grant, regardless of how it was used. Because the State was required to spend that two percent on services and activities for handicapped individuals and did not do so, it diverted those funds from their intended purposes, and the Federal interest was harmed to that extent.

(8) Excess cost requirement. An LEA uses funds reserved for the disadvantaged under a Federal vocational education program to pay for the cost of the same vocational education services it provides to non-disadvantaged individuals. The program statute requires that funds reserved for the disadvantaged must be used to pay only for the supplemental or additional costs of vocational education services that are not provided to other individuals and that are required for disadvantaged individuals to participate in vocational education. Result: All the funds spent on the disadvantaged must be returned. Although the funds were spent to serve the disadvantaged, the funds were available to pay for only the supplemental or additional costs of providing services to the disadvantaged.

(9) Maintenance-of-effort requirement. An LEA participates in a Federal program in fiscal year 1988 that requires it to maintain its expenditures from non-Federal sources for program purposes to receive its full allotment. The program statute requires that non-Federal funds expended in the first preceding fiscal year must be at least 90 percent of non-Federal funds expended in the second preceding fiscal year and provides for a reduction in grant amount proportional to the shortfall in expenditures. No waiver of the requirement is authorized. In fiscal year 1986 the LEA spent $100,000 from non-Federal sources for program purposes; in fiscal year 1987, only $87,000. Result: The LEA must return 1/3 of its fiscal year 1988 grant—the amount of its shortfall ($3,000) to the required level of expenditures ($90,000). If, instead, the statute made maintenance of expenditures a clear condition of the LEA’s eligibility to receive funds and did not provide for a proportional reduction in the grant award, the LEA would be required to return its entire grant.

(10) Supplanting prohibition. An LEA uses funds under a Federal drug education program to provide drug abuse prevention counseling to students in the eighth grade. The LEA is required to provide that same counseling under State law. Funds under the Federal program statute are subject to a supplement-not-supplant requirement. Result: All the funds used to provide the required counseling to the eighth-grade students must be returned. The Federal funds did not increase the total amount of spending for program purposes because the counseling would have been provided with non-Federal funds if the Federal funds were not available.

(11) Matching requirement. A State receives an allotment of $90,000 for fiscal year 1988 under a Federal adult education program. It expends its full allotment and $8,000 from its own resources for adult education. Under the Federal statute, the Federal share of expenditures for the State’s program is 90 percent. Result: The State must return the unmatched Federal funds, or $18,000. Expenditure of a $90,000 Federal allotment required $10,000 in matching State expenditures, $2,000 more than the State’s actual expenditures. At a ratio of one State dollar for every nine Federal dollars, $18,000 in Federal funds were unmatched.

(12) Application requirements. In order to receive funds under a Federal program that supports a wide range of activities designed to improve the quality of elementary and secondary education, an LEA submits an application to its State educational agency (SEA) for a subgrant to carry out school-level basic skills development programs. The LEA submits its application after conducting an assessment of the needs of its students in consultation with parents, teachers, community leaders, and interested members of the general public. The Federal program statute requires the application and consultation processes. The SEA reviews the LEA’s application, determines that the proposed programs are sound and the application is in compliance with Federal law, and approves the application. After the LEA receives the subgrant, it unilaterally decides to use 20 percent of the funds for gifted and
talented elementary school students—an authorized activity under the Federal statute. However, the LEA does not consult with interested parties and does not amend its application. Result: 20 percent of the LEA’s subgrant must be returned. The LEA had no legal authority to use Federal funds for programs or activities other than those described in its approved application, and its actions with respect to 20 percent of the subgrant not only impaired the integrity of the application process, but caused significant harm to other Federal interests associated with the program as follows: the required planning process was circumvented because the LEA did not consult with the specified local interests; program accountability was impaired because neither the SEA nor the various local interests that were to be consulted had an opportunity to review and comment on the merits of the gifted and talented program activities, and the LEA never had to justify those activities to them; and fiscal accountability was impaired because the SEA and those various local interests were, in effect, misled by the LEA’s unamended application regarding the expenditure of Federal funds.

(13) **Harmless violation.** Under a Federal program, a grantee is required to establish a 15-member advisory council of affected teachers, school administrators, parents, and students to assist in program design, monitoring, and evaluation. Although the law requires at least three student members of the council, a grantee’s council contains only two. The project is carried out, and no damage to the project attributable to the lack of a third student member can be identified. Result: No financial recovery is required, although the grantee must take other appropriate steps to come into compliance with the law. The grantee’s violation has not measurably harmed a Federal interest associated with the program.

§ 82.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

Unless such person previously filed a certification, and a disclosure form, if
required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

1. A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

2. A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

3. A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

1. A subcontract exceeding $100,000 at any tier under a Federal contract;

2. A subgrant, contract, or subcontract exceeding $100,000 at any tier under a Federal grant;

3. A contract or subcontract exceeding $100,000 at any tier under a Federal loan exceeding $150,000; or,

4. A contract or subcontract exceeding $100,000 at any tier under a Federal cooperative agreement,

shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 82.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §82.100(a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

1. Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person’s products or services, conditions or terms of sale, and service capabilities; and,

2. Technical discussions and other activities regarding the application or
§ 82.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §82.100(a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of a covered Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 82.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.
Office of the Secretary, Education

Subpart C—Activities by Other Than Own Employees

§ 82.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §82.100(a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §82.110(a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 82.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.
§ 82.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 82.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 82.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 82.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget...
Office of the Secretary, Education

(OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 82.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

Office of the Secretary, Education § 84.215

§ 84.110 Are any of my Federal assistance awards exempt from this part?

This part does not apply to any award that the ED Deciding Official determines that the application of this part would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government.

§ 84.115 Does this part affect the Federal contracts that I receive?

It will affect future contract awards indirectly if you are debarred or suspended for a violation of the requirements of this part, as described in § 84.510(c). However, this part does not apply directly to procurement contracts. The portion of the Drug-Free Workplace Act of 1988 that applies to Federal procurement contracts is carried out through the Federal Acquisition Regulation in chapter 1 of Title 48 of the Code of Federal Regulations (the drug-free workplace coverage currently is in 48 CFR part 23, subpart 23.5).

Subpart B—Requirements for Recipients Other Than Individuals

§ 84.200 What must I do to comply with this part?

There are two general requirements if you are a recipient other than an individual.

(a) First, you must make a good faith effort, on a continuing basis, to maintain a drug-free workplace. You must agree to do so as a condition for receiving any award covered by this part. The specific measures that you must take in this regard are described in more detail in subsequent sections of this subpart. Briefly, those measures are to—

(1) Publish a drug-free workplace statement and establish a drug-free awareness program for your employees (see §§ 84.205 through 84.220); and

(2) Take actions concerning employees who are convicted of violating drug statutes in the workplace (see § 84.225).

(b) Second, you must identify all known workplaces under your Federal awards (see § 84.230).

§ 84.205 What must I include in my drug-free workplace statement?

You must publish a statement that—

(a) Tells your employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in your workplace;

(b) Specifies the actions that you will take against employees for violating that prohibition; and

(c) Lets each employee know that, as a condition of employment under any award, he or she:

(1) Will abide by the terms of the statement; and

(2) Must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction.

§ 84.210 To whom must I distribute my drug-free workplace statement?

You must require that a copy of the statement described in § 84.205 be given to each employee who will be engaged in the performance of any Federal award.

§ 84.215 What must I include in my drug-free awareness program?

You must establish an ongoing drug-free awareness program to inform employees about—
§ 84.220

(a) The dangers of drug abuse in the workplace;
(b) Your policy of maintaining a drug-free workplace;
(c) Any available drug counseling, rehabilitation, and employee assistance programs; and
(d) The penalties that you may impose upon them for drug abuse violations occurring in the workplace.

§ 84.225

What actions must I take concerning employees who are convicted of drug violations in the workplace?

There are two actions you must take if an employee is convicted of a drug violation in the workplace:
(a) First, you must notify Federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by § 84.205(c)(2), or you otherwise learn of the conviction. Your notification to the Federal agencies must:
   (1) Be in writing;
   (2) Include the employee’s position title;
   (3) Include the identification number(s) of each affected award;
   (4) Be sent within ten calendar days after you learn of the conviction; and
   (5) Be sent to every Federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the Federal agency has specified a central point for the receipt of the notices.
(b) Second, within 30 calendar days of learning about an employee’s conviction, you must either:
   (1) Take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended; or
   (2) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a Federal, State or local health, law enforcement, or other appropriate agency.

§ 84.230

How and when must I identify workplaces?

(a) You must identify all known workplaces under each ED award. A failure to do so is a violation of your drug-free workplace requirements. You may identify the workplaces:
   (1) To the ED official that is making the award, either at the time of application or upon award; or
   (2) In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by ED officials or their designated representatives.
(b) Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

(c) If you identified workplaces to the ED awarding official at the time of application or award, as described in paragraph (a)(1) of this section, and any workplace that you identified changes during the performance of the award, you must inform the ED awarding official.

Subpart C—Requirements for Recipients Who Are Individuals

§ 84.300 What must I do to comply with this part if I am an individual recipient?

As a condition of receiving an ED award, if you are an individual recipient, you must agree that—

(a) You will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and

(b) If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you will report the conviction:

(1) In writing.

(2) Within 10 calendar days of the conviction.

(3) To the ED awarding official or other designee for each award that you currently have, unless § 84.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

§ 84.305 How are violations of this part determined for recipients who are individuals?

An individual recipient is in violation of the requirements of this part if the ED Deciding Official determines, in writing, that—

(a) The recipient has violated the requirements of subpart C of this part; or

(b) The recipient is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity.

§ 84.510 What actions will the Federal Government take against a recipient determined to have violated this part?

If a recipient is determined to have violated this part, as described in § 84.500 or § 84.505, the Department of Education may take one or more of the following actions—

(a) Suspension of payments under the award;
(b) Suspension or termination of the award; and
(c) Suspension or debarment of the recipient under 34 CFR Part 85, for a period not to exceed five years.

§ 84.515 Are there any exceptions to those actions?

The ED Deciding Official may waive with respect to a particular award, in writing, a suspension of payments under an award, suspension or termination of an award, or suspension or debarment of a recipient if the ED Deciding Official determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

A recipient so prohibited is suspended, in accordance with the Federal Acquisition Regulation for procurement contracts (48 CFR part 9, subpart 9.4) and the common rule, Government-wide Debarment and Suspension (Non-procurement), that implements Executive Order 12549 and Executive Order 12689. §86.404 How may a party communicate with an ALJ?

(a) A party may not communicate with an ALJ on any fact at issue in the case or on any matter relevant to the merits of the case unless the other party is given notice and an opportunity to participate.

(b)(1) To obtain an order or ruling from an ALJ, a party shall make a motion to the ALJ.
§ 86.405  What are the requirements for filing written submissions?  

(a) Any written submission under this subpart must be filed by hand-delivery, by mail, or by facsimile transmission. The Secretary discourages the use of facsimile transmission for documents longer than five pages.  

(b) If a party files a brief or other document, the party shall serve a copy of the filed material on the other party on the filing date by hand-delivery or by mail. If agreed upon by the parties, service of a document may be made upon the other party by facsimile transmission.  

(c) Any written submission must be accompanied by a statement certifying the date that the filed material was filed and served on the other party.  

(d)(1) The filing date for a written submission is the date the document is—  

(i) Hand-delivered;  

(ii) Mailed; or  

(iii) Sent by facsimile transmission.  

(2) If a scheduled filing date falls on a Saturday, Sunday, or Federal holiday, the filing deadline is the next Federal business day.  

(e) A party filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Department.  

(f) If a document is filed by facsimile transmission, the Secretary or the designated Department official, as applicable, may require the filing of a follow-up hard copy by hand-delivery or by mail within a reasonable period of time.  

(Authority: 20 U.S.C. 1145g)  

[57 FR 56795, Nov. 30, 1992]

§ 86.406  What must the ALJ do if the parties enter settlement negotiations?  

(a) If the parties to a case file a joint motion requesting a stay of the proceedings for settlement negotiations or for the parties to obtain approval of a settlement agreement, the ALJ grants the stay.  

(b) The following are not admissible in any proceeding under this part:  

(1) Evidence of conduct during settlement negotiations.  

(2) Statements made during settlement negotiations.  

(3) Terms of settlement offers.  

(c) The parties may not disclose the contents of settlement negotiations to the ALJ. If the parties enter into a settlement agreement and file a joint motion to dismiss the case, the ALJ grants the motion.  

(Authority: 20 U.S.C. 1145g)

§ 86.407  What are the procedures for scheduling a hearing?  

(a) If the IHE requests a hearing by the time specified in §86.304(a)(3), the designated Department official sets the date and the place.  

(b)(1) The date is at least 15 days after the designated Department official receives the request and no later than 45 days after the request for hearing is received by the Department.  

(2) On the motion of either or both parties, the ALJ may extend the period before the hearing is scheduled beyond the 45 days specified in paragraph (b)(1) of this section.  

(c) No termination takes effect until after a hearing is held and a decision is issued by the Department.  

(d) With the approval of the ALJ and the consent of the designated Department official and the IHE, any time
§ 86.408 What are the procedures for conducting a pre-hearing conference?

(a)(1) A pre-hearing conference may be convened by the ALJ if the ALJ thinks that such a conference would be useful, or if requested by—
   (i) The designated Department official; or
   (ii) The IHE.

(2) The purpose of a pre-hearing conference is to allow the parties to settle, narrow, or clarify the dispute.

(b) A pre-hearing conference may consist of—
   (1) A conference telephone call;
   (2) An informal meeting; or
   (3) The submission and exchange of written material.

§ 86.409 What are the procedures for conducting a hearing on the record?

(a) A hearing on the record is an orderly presentation of arguments and evidence conducted by an ALJ.

(b) An ALJ conducts the hearing entirely on the basis of briefs and other written submissions unless—
   (1) The ALJ determines, after reviewing all appropriate submissions, that an evidentiary hearing is needed to resolve a material factual issue in dispute; or
   (2) The ALJ determines, after reviewing all appropriate submissions, that oral argument is needed to clarify the issues in the case.

(c) The hearing process may be expedited as agreed by the ALJ, the designated Department official, and the IHE. Procedures to expedite may include, but are not limited to, the following:
   (1) A restriction on the number or length of submissions.
   (2) The conduct of the hearing by telephone conference call.
   (3) A review limited to the written record.
   (4) A certification by the parties to facts and legal authorities not in dispute.

(d)(1) The formal rules of evidence and procedures applicable to proceedings in a court of law are not applicable.

(2) The designated Department official has the burden of persuasion in any proceeding under this subpart.

(3)(i) The parties may agree to exchange relevant documents and information.

(i) The ALJ may not order discovery, as provided for under the Federal Rules of Civil Procedure, or any other exchange between the parties of documents or information.

(4) The ALJ accepts only evidence that is relevant and material to the proceeding and is not unduly repetitious.

(e) The ALJ makes a transcribed record of any evidentiary hearing or oral argument that is held, and makes the record available to—
   (1) The designated Department official; and
   (2) The IHE on its request and upon payment of a fee comparable to that prescribed under the Department of Education Freedom of Information Act regulations (34 CFR part 5).

§ 86.410 What are the procedures for issuance of a decision?

(a)(1) The ALJ issues a written decision to the IHE, the designated Department official, and the Secretary by certified mail, return receipt requested, within 30 days after—
   (i) The last brief is filed; or
   (ii) The last day of the hearing if one is held; or
   (iii) The date on which the ALJ terminates the hearing in accordance with §86.401(c)(3).

(2) The ALJ’s decision states whether the violation or violations contained in the Secretary’s notification occurred, and articulates the reasons for the ALJ’s finding.
(3) The ALJ bases findings of fact only on evidence in the hearing record and on matters given judicial notice.

(b)(1) The ALJ’s decision is the final decision of the agency. However, the Secretary reviews the decision on request of either party, and may review the decision on his or her own initiative.

(2) If the Secretary decides to review the decision on his or her own initiative, the Secretary informs the parties of his or her intention to review by written notice sent within 15 days of the Secretary’s receipt of the ALJ’s decision.

(c)(1) Either party may request review by the Secretary by submitting a brief or written materials to the Secretary within 20 days of the party’s receipt of the ALJ’s decision. The submission must explain why the decision of the ALJ should be modified, reversed, or remanded. The other party shall respond within 20 days of receipt of the brief or written materials filed by the opposing party.

(2) Neither party may introduce new evidence on review.

(d) The decision of the ALJ ordering the repayment of Federal financial assistance or terminating the eligibility of an IHE does not take effect pending the Secretary’s review.

(e)(1) The Secretary reviews the ALJ’s decision considering only evidence introduced into the record.

(2) The Secretary’s decision may affirm, modify, reverse or remand the ALJ’s decision and includes a statement of reasons for the decision.

(Authority: 20 U.S.C. 1145g)

§ 86.411 What are the procedures for requesting reinstatement of eligibility?

(a)(1) An IHE whose eligibility to receive any or all forms of Federal financial assistance has been terminated may file with the Department a request for reinstatement as an eligible entity no earlier than 18 months after the effective date of the termination.

(2) In order to be reinstated, the IHE must demonstrate that it has met any repayment obligation imposed upon it under §86.301(b)(1) of this part.

(b) In addition to the requirements of paragraph (a) of this section, the IHE shall comply with the requirements and procedures for reinstatement of eligibility applicable to any Federal program under which it desires to receive Federal financial assistance.

Subpart A—Federal Policy for the Protection of Human Subjects (Basic ED Policy for Protection of Human Research Subjects)

§ 97.101 To what does this policy apply?

(a) Except as provided in paragraph (b) of this section, this policy applies to all research involving human subjects conducted, supported or otherwise subject to regulation by any federal department or agency which takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the federal government outside the United States.

(1) Research that is conducted or supported by a federal department or agency, whether or not it is regulated as defined in §97.102(e), must comply with all sections of this policy.

(2) Research that is neither conducted nor supported by a federal department or agency but is subject to regulation as defined in §97.102(e) must be reviewed and approved, in compliance with §§97.101, 97.102, and §§97.107 through 97.117 of this policy, by an institutional review board (IRB) that operates in accordance with the pertinent requirements of this policy.

(b) Unless otherwise required by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the following categories are exempt from this policy:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (i) research on regular and special education instructional strategies, or (ii) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless:

(i) Information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and

(ii) Any disclosure of the human subjects’ responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects’ financial standing, employability, or reputation.

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior that is not exempt under paragraph (b)(2) of this section, if:

(i) The human subjects are elected or appointed public officials or candidates for public office; or

(ii) Federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.
(4) Research, involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine:

(i) Public benefit or service programs;

(ii) Procedures for obtaining benefits or services under those programs;

(iii) Possible changes in or alternatives to those programs or procedures; or

(iv) Possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies,

(i) If wholesome foods without additives are consumed or

(ii) If a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this policy.

(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the department or agency but not otherwise covered by this policy, comply with some or all of the requirements of this policy.

(e) Compliance with this policy requires compliance with pertinent federal laws or regulations which provide additional protections for human subjects.

(f) This policy does not affect any state or local laws or regulations which may otherwise be applicable and which provide additional protections for human subjects.

(g) This policy does not affect any foreign laws or regulations which may otherwise be applicable and which provide additional protections to human subjects of research.

(h) When research covered by this policy takes place in foreign countries, procedures normally followed in the foreign countries to protect human subjects may differ from those set forth in this policy. (An example is a foreign institution which complies with guidelines consistent with the World Medical Assembly Declaration (Declaration of Helsinki amended 1989) issued either by sovereign states or by an organization whose function for the protection of human research subjects is internationally recognized.) In these circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the FEDERAL REGISTER or will be otherwise published as provided in department or agency procedures.

(i) Unless otherwise required by law, department or agency heads may waive the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this policy. Except when otherwise required by statute or Executive Order, the department or agency head shall forward advance notices of these actions to the Office for Human Research Protections, Department of Health and Human Services (HHS), or any successor office, and shall also publish them in the FEDERAL REGISTER or in
such other manner as provided in department or agency procedures.\(^1\)

§97.102 Definitions.

(a) Department or agency head means the head of any federal department or agency and any other officer or employee of any department or agency to whom authority has been delegated.

(b) Institution means any public or private entity or agency (including federal, state, and other agencies).

(c) Legally authorized representative means an individual or judicial or other body authorized under applicable law to consent on behalf of a prospective subject to the subject’s participation in the procedure(s) involved in the research.

(d) Research means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program which is considered research for other purposes. For example, some demonstration and service programs may include research activities.

(e) Research subject to regulation, and similar terms are intended to encompass those research activities for which a federal department or agency has specific responsibility for regulating as a research activity, (for example, Investigational New Drug requirements administered by the Food and Drug Administration). It does not include research activities which are incidentally regulated by a federal department or agency solely as part of the department’s or agency’s broader responsibility to regulate certain types of activities whether research or non-research in nature (for example, Wage and Hour requirements administered by the Department of Labor).

(f) Human subject means a living individual about whom an investigator (whether professional or student) conducting research obtains

(1) Data through intervention or interaction with the individual, or

(2) Identifiable private information.

Intervention includes both physical procedures by which data are gathered (for example, venipuncture) and manipulations of the subject or the subject’s environment that are performed for research purposes. Interaction includes communication or interpersonal contact between investigator and subject.

“Private information” includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record). Private information must be individually identifiable (i.e., the identity of the subject is or may readily be ascertained by the investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

(g) IRB means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) IRB approval means the determination of the IRB that the research has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) Minimal risk means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than...
§ 97.103 Assuring compliance with this policy—research conducted or supported by any Federal Department or Agency.

(a) Each institution engaged in research which is covered by this policy and which is conducted or supported by a federal department or agency shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements set forth in this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research in question, on file with the Office for Human Research Protections, HHS, or any successor office, and approved for federalwide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the Office for Human Research Protections, (HHS), or any successor office.

(b) Departments and agencies will conduct or support research covered by this policy only if the institution has an assurance approved as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB provided for in the assurance, and will be subject to continuing review by the IRB. Assurances applicable to federally supported or conducted research shall at a minimum include:

(1) A statement of principles governing the institution in the discharge of its responsibilities for protecting the rights and welfare of human subjects of research conducted at or sponsored by the institution, regardless of whether the research is subject to federal regulation. This may include an appropriate existing code, declaration, or statement of ethical principles, or a statement formulated by the institution itself. This requirement does not preempt provisions of this policy applicable to department- or agency-supported or regulated research and need not be applicable to any research exempted or waived under §97.101(b) or (i).

(2) Designation of one or more IRBs established in accordance with the requirements of this policy, and for which provisions are made for meeting space and sufficient staff to support the IRB’s review and recordkeeping duties.

(3) A list of IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications, licenses, etc., sufficient to describe each member’s chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution; for example: full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant. Changes in IRB membership shall be reported to the department or agency head, unless in accord with §97.103(a) of this policy, the existence of an HHS-approved assurance is accepted. In this case, change in IRB membership shall be reported to the Office for Human Research Protections, (HHS), or any successor office.

(4) Written procedures which the IRB will follow (i) for conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and the institution; (ii) for determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and (iii) for ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research,
Office of the Secretary, Education

§ 97.107

during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to the subject.

(5) Written procedures for ensuring prompt reporting to the IRB, appropriate institutional officials, and the department or agency head of (i) any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the requirements or determinations of the IRB and (ii) any suspension or termination of IRB approval.

(c) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed in such form and manner as the department or agency head prescribes.

(d) The department or agency head will evaluate all assurances submitted in accordance with this policy through such officers and employees of the department or agency and such experts or consultants engaged for this purpose as the department or agency head determines to be appropriate. The department or agency head’s evaluation will take into consideration the adequacy of the proposed IRB in light of the anticipated scope of the institution’s research activities and the types of subject populations likely to be involved, the appropriateness of the proposed initial and continuing review procedures in light of the probable risks, and the size and complexity of the institution.

(e) On the basis of this evaluation, the department or agency head may approve or disapprove the assurance, or enter into negotiations to develop an approvable one. The department or agency head may limit the period during which any particular approved assurance or class of approved assurances shall remain effective or otherwise condition or restrict approval.

(f) Certification is required when the research is supported by a federal department or agency and not otherwise exempted or waived under §97.101 (b) or (i). An institution with an approved assurance shall certify that each application or proposal for research covered by the assurance and by §97.103 of this Policy has been reviewed and approved by the IRB. Such certification must be submitted with the application or proposal or by such later date as may be prescribed by the department or agency to which the application or proposal is submitted. Under no condition shall research covered by §97.103 of the Policy be supported prior to receipt of the certification that the research has been reviewed and approved by the IRB. Institutions without an approved assurance covering the research shall certify within 30 days after receipt of a request for such a certification from the department or agency, that the application or proposal has been approved by the IRB. If the certification is not submitted within these time limits, the application or proposal may be returned to the institution.

§§ 97.104–97.106 [Reserved]

§ 97.107 IRB membership.

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members, and the diversity of the members, including consideration of race, gender, and cultural backgrounds and sensitivity to such issues as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. In addition to possessing the professional competence necessary to review specific research activities, the IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments and regulations, applicable law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a vulnerable
category of subjects, such as children, prisoners, pregnant women, or handicapped or mentally disabled persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these subjects.

(b) Every nondiscriminatory effort will be made to ensure that no IRB consists entirely of men or entirely of women, including the institution's consideration of qualified persons of both sexes, so long as no selection is made to the IRB on the basis of gender. No IRB may consist entirely of members of one profession.

c) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

d) Each IRB shall include at least one member who is not otherwise affiliated with the institution and who is not part of the immediate family of a person who is affiliated with the institution.

e) No IRB may have a member participate in the IRB's initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB.

f) An IRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues which require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.

§ 97.108 IRB functions and operations.

In order to fulfill the requirements of this policy each IRB shall:

(a) Follow written procedures in the same detail as described in §97.103(b)(4) and, to the extent required by §97.103(b)(5).

(b) Except when an expedited review procedure is used (see §97.110), review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.

§ 97.109 IRB review of research.

(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy.

(b) An IRB shall require that information given to subjects as part of informed consent is in accordance with §97.116. The IRB may require that information, in addition to that specifically mentioned in §97.116, be given to the subjects when in the IRB's judgment the information would meaningfully add to the protection of the rights and welfare of subjects.

c) An IRB shall require documentation of informed consent or may waive documentation in accordance with §97.117.

(d) An IRB shall notify investigators and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its decision and give the investigator an opportunity to respond in person or in writing.

e) An IRB shall conduct continuing review of research covered by this policy at intervals appropriate to the degree of risk, but not less than once per year, and shall have authority to observe or have a third party observe the consent process and the research.

(Approved by the Office of Management and Budget under Control Number 0990–0260)

§ 97.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.

(a) The Secretary, HHS, has established, and published as a Notice in the
Office of the Secretary, Education

§ 97.111 Criteria for IRB approval of research.

(a) In order to approve research covered by this policy the IRB shall determine that all of the following requirements are satisfied:

(1) Risks to subjects are minimized:

(i) By using procedures which are consistent with sound research design and which do not unnecessarily expose subjects to risk, and

(ii) Whenever appropriate, by using procedures already being performed on the subjects for diagnostic or treatment purposes.

(2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects, and the importance of the knowledge that may reasonably be expected to result. In evaluating risks and benefits, the IRB should consider only those risks and benefits that may result from the research (as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research). The IRB should not consider possible long-range effects of applying knowledge gained in the research (for example, the possible effects of the research on public policy) as among those research risks that fall within the purview of its responsibility.

(3) Selection of subjects is equitable. In making this assessment the IRB should take into account the purposes of the research and the setting in which the research will be conducted and should be particularly cognizant of the special problems of research involving vulnerable populations, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons.

(4) Informed consent will be sought from each prospective subject or the subject’s legally authorized representative, in accordance with, and to the extent required by §97.116.

(5) Informed consent will be appropriately documented, in accordance with, and to the extent required by §97.117.

(6) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of subjects.

(7) When appropriate, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(b) When some or all of the subjects are likely to be vulnerable to coercion or undue influence, such as children, prisoners, pregnant women, mentally
disabled persons, or economically or educationally disadvantaged persons, additional safeguards have been included in the study to protect the rights and welfare of these subjects.

§ 97.112  Review by institution.

Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.

§ 97.113  Suspension or termination of IRB approval of research.

An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB’s requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval shall include a statement of the reasons for the IRB’s action and shall be reported promptly to the investigator, appropriate institutional officials, and the department or agency head.

(Approved by the Office of Management and Budget under Control Number 0990–0260)

§ 97.114  Cooperative research.

Cooperative research projects are those projects covered by this policy which involve more than one institution. In the conduct of cooperative research projects, each institution is responsible for safeguarding the rights and welfare of human subjects and for complying with this policy. With the approval of the department or agency head, an institution participating in a cooperative project may enter into a joint review arrangement, rely upon the review of another qualified IRB, or make similar arrangements for avoiding duplication of effort.

§ 97.115  IRB records.

(a) An institution, or when appropriate an IRB, shall prepare and maintain adequate documentation of IRB activities, including the following:

(1) Copies of all research proposals reviewed, scientific evaluations, if any, that accompany the proposals, approved sample consent documents, progress reports submitted by investigators, and reports of injuries to subjects.

(2) Minutes of IRB meetings which shall be in sufficient detail to show attendance at the meetings; actions taken by the IRB; the vote on these actions including the number of members voting for, against, and abstaining; the basis for requiring changes in or disapproving research; and a written summary of the discussion of controverted issues and their resolution.

(3) Records of continuing review activities.

(4) Copies of all correspondence between the IRB and the investigators.

(5) A list of IRB members in the same detail as described is § 97.103(b)(3).

(6) Written procedures for the IRB in the same detail as described in § 97.103(b)(4) and § 97.103(b)(5).

(7) Statements of significant new findings provided to subjects, as required by § 97.116(b)(5).

(b) The records required by this policy shall be retained for at least 3 years, and records relating to research which is conducted shall be retained for at least 3 years after completion of the research. All records shall be accessible for inspection and copying by authorized representatives of the department or agency at reasonable times and in a reasonable manner.

(Approved by the Office of Management and Budget under Control Number 0990–0260)

§ 97.116 General requirements for informed consent.

Except as provided elsewhere in this policy, no investigator may involve a human being as a subject in research covered by this policy unless the investigator has obtained the legally effective informed consent of the subject or the subject’s legally authorized representative. An investigator shall seek such consent only under circumstances that provide the prospective subject or the representative sufficient opportunity to consider whether or not to participate and that minimize the possibility of coercion or undue influence. The information that is given to the subject or the representative shall be in language understandable to the subject or the representative. No informed consent, whether oral or written, may include any exculpatory language through which the subject or the representative is made to waive or appear to waive any of the subject’s legal rights, or releases or appears to release the investigator, the sponsor, the institution or its agents from liability for negligence.

(a) Basic elements of informed consent. Except as provided in paragraph (c) or (d) of this section, in seeking informed consent the following information shall be provided to each subject:

(1) A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject’s participation, a description of the procedures to be followed, and identification of any procedures which are experimental;

(2) A description of any reasonably foreseeable risks or discomforts to the subject;

(3) A description of any benefits to the subject or to others which may reasonably be expected from the research;

(4) A disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

(5) A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

(6) For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;

(7) An explanation of whom to contact for answers to pertinent questions about the research and research subjects’ rights, and whom to contact in the event of a research-related injury to the subject; and

(8) A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled.

(b) Additional elements of informed consent. When appropriate, one or more of the following elements of information shall also be provided to each subject:

(1) A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) which are currently unforeseeable;

(2) Anticipated circumstances under which the subject’s participation may be terminated by the investigator without regard to the subject’s consent;

(3) Any additional costs to the subject that may result from participation in the research;

(4) The consequences of a subject’s decision to withdraw from the research and procedures for orderly termination of participation by the subject;

(5) A statement that significant new findings developed during the course of the research which may relate to the subject’s willingness to continue participation will be provided to the subject; and

(6) The approximate number of subjects involved in the study.

(c) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth above, or waive the requirement to obtain informed consent provided the IRB finds and documents that:

(1) The research or demonstration project is to be conducted by or subject
to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine:

(i) Public benefit of service programs;

(ii) Procedures for obtaining benefits or services under those programs;

(iii) Possible changes in or alternatives to those programs or procedures; or

(iv) Possible changes in methods or levels of payment for benefits or services under those programs; and

(2) The research could not practically be carried out without the waiver or alteration.

(d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirements to obtain informed consent provided the IRB finds and documents that:

(1) The research involves no more than minimal risk to the subjects;

(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;

(3) The research could not practically be carried out without the waiver or alteration; and

(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

(e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.

(f) Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable federal, state, or local law.

§ 97.117 Documentation of informed consent.

(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject’s legally authorized representative. A copy shall be given to the person signing the form.

(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:

(1) A written consent document that embodies the elements of informed consent required by §97.116. This form may be read to the subject or the subject’s legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or

(2) A short form written consent document stating that the elements of informed consent required by §97.116 have been presented orally to the subject or the subject’s legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative. Only the short form itself is to be signed by the subject or the representative. However, the witness shall sign both the short form and a copy of the summary, and the person actually obtaining consent shall sign a copy of the summary. A copy of the summary shall be given to the subject or the representative, in addition to a copy of the short form.

(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:

(1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject will be asked whether the subject wants documentation linking the subject with the research, and the subject’s wishes will govern; or

(2) That the research presents no more than minimal risk of harm to subjects and involves no procedures for which written consent is normally required outside of the research context.
In cases in which the documentation requirement is waived, the IRB may require the investigator to provide subjects with a written statement regarding the research.

§ 97.118 Applications and proposals lacking definite plans for involvement of human subjects.

Certain types of applications for grants, cooperative agreements, or contracts are submitted to departments or agencies with the knowledge that subjects may be involved within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution’s responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subject’s involvement will depend upon completion of instruments, prior animal studies, or purification of compounds. These applications need not be reviewed by an IRB before an award may be made. However, except for research exempted or waived under §97.101 (b) or (i), no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved by the IRB, as provided in this policy, and certification submitted, by the institution, to the department or agency.

(End of Note)

(End of Note)

§ 97.119 Research undertaken without the intention of involving human subjects.

In the event research is undertaken without the intention of involving human subjects, but it is later proposed to involve human subjects in the research, the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.

(End of Note)

(End of Note)

§ 97.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.

(a) The department or agency head will evaluate all applications and proposals involving human subjects submitted to the department or agency through such officers and employees of the department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and others, and the importance of the knowledge gained or to be gained.

(b) On the basis of this evaluation, the department or agency head may approve or disapprove the application or proposal, or enter into negotiations to develop an approvable one.

§ 97.122 Use of Federal funds.

Federal funds administered by a department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.

§ 97.123 Early termination of research support: Evaluation of applications and proposals.

(a) The department or agency head may require that department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.

(b) In making decisions about supporting or approving applications or
proposals covered by this policy the department or agency head may take into account, in addition to all other eligibility requirements and program criteria, factors such as whether the applicant has been subject to a termination or suspension under paragraph (a) of this section and whether the applicant or the person or persons who would direct or have directed the scientific and technical aspects of an activity has have, in the judgment of the department or agency head, materially failed to discharge responsibility for the protection of the rights and welfare of human subjects (whether or not the research was subject to federal regulation).

With respect to any research project or any class of research projects the department or agency head may impose additional conditions prior to or at the time of approval when in the judgment of the department or agency head additional conditions are necessary for the protection of human subjects.

Subpart D—Additional ED Protections for Children Who Are Subjects in Research

SOURCE: 62 FR 63221, Nov. 26, 1997, unless otherwise noted.

§ 97.401 To what do these regulations apply?

(a) This subpart applies to all research involving children as subjects conducted or supported by the Department of Education.

(1) This subpart applies to research conducted by Department employees.

(2) This subpart applies to research conducted or supported by the Department of Education outside the United States, but in appropriate circumstances the Secretary may, under §97.101(i), waive the applicability of some or all of the requirements of the regulations in this subpart for that research.

(b) Exemptions in §97.101(b)(1) and (b)(3) through (b)(6) are applicable to this subpart. The exemption in §97.101(b)(2) regarding educational tests is also applicable to this subpart. The exemption in §97.101(b)(2) for research involving survey or interview procedures or observations of public behavior does not apply to research covered by this subpart, except for research involving observation of public behavior when the investigator or investigators do not participate in the activities being observed.

(c) The exceptions, additions, and provisions for waiver as they appear in §97.101(c) through (i) are applicable to this subpart.

(Authority: 5 U.S.C. 301; 20 U.S.C. 1221e-3, 3474; and 42 U.S.C. 300v-1(b)).

§ 97.402 Definitions.

The definitions in §97.102 apply to this subpart. In addition, the following definitions also apply to this subpart:

(a) Children are persons who have not attained the legal age for consent to treatments or procedures involved in the research, under the applicable law of the jurisdiction in which the research will be conducted.

(b) Assent means a child’s affirmative agreement to participate in research. Mere failure to object should not, absent affirmative agreement, be construed as assent.

(c) Permission means the agreement of parent(s) or guardian to the participation of their child or ward in research.

(d) Parent means a child’s biological or adoptive parent.

(e) Guardian means an individual who is authorized under applicable State or local law to consent on behalf of a child to general medical care.

(Authority: 5 U.S.C. 301; 20 U.S.C. 1221e-3, 3474; and 42 U.S.C. 300v-1(b)).

§ 97.403 IRB duties.

In addition to other responsibilities assigned to IRBs under this part, each IRB shall review research covered by this subpart and approve only research
§ 97.404 Research not involving greater than minimal risk.

ED conducts or funds research in which the IRB finds that no greater than minimal risk to children is presented, only if the IRB finds that adequate provisions are made for soliciting the assent of the children and the permission of their parents or guardians, as set forth in §97.408.

§ 97.405 Research involving greater than minimal risk but presenting the prospect of direct benefit to the individual subjects.

ED conducts or funds research in which the IRB finds that more than minimal risk to children is presented by an intervention or procedure that holds out the prospect of direct benefit for the individual subject, or by a monitoring procedure that is likely to contribute to the subject’s well-being, only if the IRB finds that—

(a) The risk is justified by the anticipated benefit to the subjects;
(b) The relation of the anticipated benefit to the risk is at least as favorable to the subjects as that presented by available alternative approaches; and
(c) Adequate provisions are made for soliciting the assent of the children and permission of their parents or guardians, as set forth in §97.408.

§ 97.406 Research involving greater than minimal risk and no prospect of direct benefit to individual subjects, but likely to yield generalizable knowledge about the subject’s disorder or condition.

ED conducts or funds research in which the IRB finds that more than minimal risk to children is presented by an intervention or procedure that does not hold out the prospect of direct benefit for the individual subject, or by a monitoring procedure which is not likely to contribute to the well-being of the subject, only if the IRB finds that—

(a) The risk represents a minor increase over minimal risk;
(b) The intervention or procedure presents experiences to subjects that are reasonably commensurate with those inherent in their actual or expected medical, dental, psychological, social, or educational situations;
(c) The intervention or procedure is likely to yield generalizable knowledge about the subjects’ disorder or condition that is of vital importance for the understanding or amelioration of the subjects’ disorder or condition; and
(d) Adequate provisions are made for soliciting assent of the children and permission of their parents or guardians, as set forth in §97.408.

§ 97.407 Research not otherwise approvable which presents an opportunity to understand, prevent, or alleviate a serious problem affecting the health or welfare of children.

ED conducts or funds research that the IRB does not believe meets the requirements of §97.404, §97.405, or §97.406 only if—

(a) The IRB finds that the research presents a reasonable opportunity to further the understanding, prevention, or alleviation of a serious problem affecting the health or welfare of children; and
(b) The Secretary, after consultation with a panel of experts in pertinent disciplines (for example: science, medicine, education, ethics, law) and following opportunity for public review and comment, has determined either that—

(1) The research in fact satisfies the conditions of §97.404, §97.405, or §97.406, as applicable; or
(2)(i) The research presents a reasonable opportunity to further the understanding, prevention, or alleviation of a serious problem affecting the health or welfare of children;
(ii) The research will be conducted in accordance with sound ethical principles; and
(iii) Adequate provisions are made for soliciting the assent of children and
§ 97.408

the permission of their parents or guardians, as set forth in §97.408.

(Authority: 5 U.S.C. 301; 20 U.S.C. 1221e-3, 3474; and 42 U.S.C. 300v-1(b))

§ 97.408 Requirements for permission by parents or guardians and for assent by children.

(a) In addition to the determinations required under other applicable sections of this subpart, the IRB shall determine that adequate provisions are made for soliciting the assent of the children, if in the judgment of the IRB the children are capable of providing assent. In determining whether children are capable of assenting, the IRB shall take into account the ages, maturity, and psychological state of the children involved. This judgment may be made for all children to be involved in research under a particular protocol, or for each child, as the IRB deems appropriate. If the IRB determines that the capability of some or all of the children is so limited that they cannot reasonably be consulted or that the intervention or procedure involved in the research holds out a prospect of direct benefit that is important to the health or well-being of the children and is available only in the context of the research, the assent of the children is not a necessary condition for proceeding with the research. Even if the IRB determines that the subjects are capable of assenting, the IRB may still waive the assent requirement under circumstances in which consent may be waived in accord with §97.116.

(b) In addition to the determinations required under other applicable sections of this subpart, the IRB shall determine, in accordance with and to the extent that consent is required by §97.116, that adequate provisions are made for soliciting the permission of each child’s parent(s) or guardian(s). If parental permission is to be obtained, the IRB may find that the permission of one parent is sufficient for research to be conducted under §97.404 or §97.405. If research is covered by §§97.406 and 97.407 and permission is to be obtained from parents, both parents must give their permission unless one parent is deceased, unknown, incompetent, or not reasonably available, or if only one parent has legal responsibility for the care and custody of the child.

(c) In addition to the provisions for waiver contained in §97.116, if the IRB determines that a research protocol is designed for conditions or for a subject population for which parental or guardian permission is not a reasonable requirement to protect the subjects (for example, neglected or abused children), it may waive the consent requirements in subpart A of this part and paragraph (b) of this section, provided an appropriate mechanism for protecting the children who will participate as subjects in the research is substituted, and provided further that the waiver is not inconsistent with Federal, State, or local law. The choice of an appropriate mechanism depends upon the nature and purpose of the activities described in the protocol, the risk and anticipated benefit to the research subjects, and their age, maturity, status, and condition.

(d) Permission by parents or guardians must be documented in accordance with and to the extent required by §97.117.

(e) If the IRB determines that assent is required, it shall also determine whether and how assent must be documented.

(Authority: 5 U.S.C. 301; 20 U.S.C. 1221e-3, 3474; and 42 U.S.C. 300v-1(b))

§ 97.409 Wards.

(a) Children who are wards of the State or any other agency, institution, or entity may be included in research approved under §97.406 or §97.407 only if that research is—

(1) Related to their status as wards; or

(2) Conducted in schools, camps, hospitals, institutions, or similar settings in which the majority of children involved as subjects are not wards.

(b) If research is approved under paragraph (a) of this section, the IRB shall require appointment of an advocate for each child who is a ward, in addition to any other individual acting on behalf of the child as guardian or in loco parentis. One individual may serve as advocate for more than one child. The advocate must be an individual who has the background and experience to act in, and agrees to act in, the best
interest of the child for the duration of
the child’s participation in the re-
search and who is not associated in any
way (except in the role as advocate or
member of the IRB) with the research,
the investigator or investigators, or
the guardian organization.

(b)(1) De-identified records and information. An educational agency or institution, or a party that has received education records or information from education records under this part, may release the records or information without the consent required by §99.30 after the removal of all personally identifiable information provided that the educational agency or institution or other party has made a reasonable determination that a student’s identity is not personally identifiable, whether through single or multiple releases, and taking into account other reasonably available information.

(2) An educational agency or institution, or a party that has received education records or information from education records under this part, may release de-identified student level data from education records for the purpose of education research by attaching a code to each record that may allow the recipient to match information received from the same source, provided that—

(i) An educational agency or institution or other party that releases de-identified data under paragraph (b)(2) of this section does not disclose any information about how it generates and assigns a record code, or that would allow a recipient to identify a student based on a record code;

(ii) The record code is used for no purpose other than identifying a de-identified record for purposes of education research and cannot be used to ascertain personally identifiable information about a student; and

(iii) The record code is not based on a student’s social security number or other personal information.

(B) Another State or local educational authority or Federal official or agency listed in § 99.31(a)(3).

(ii) A State or local educational authority or Federal official or agency that records further disclosures of information under paragraph (b)(2)(i) of this section may maintain the record by the student’s class, school, district, or other appropriate grouping rather than by the name of the student.

(iii) Upon request of an educational agency or institution, a State or local educational authority or Federal official or agency listed in § 99.31(a)(3) that maintains a record of further disclosures under paragraph (b)(2)(i) of this section must provide a copy of the record of further disclosures to the
educational agency or institution within a reasonable period of time not to exceed 30 days.

(ii)(A) The educational agency or institution has complied with the requirements of §99.32(b); or

APPENDIX A TO PART 100—FEDERAL FINANCIAL ASSISTANCE TO WHICH THESE REGULATIONS APPLY

APPENDIX B TO PART 100—GUIDELINES FOR ELIMINATING DISCRIMINATION AND DENIAL OF SERVICES ON THE BASIS OF RACE, COLOR, NATIONAL ORIGIN, SEX, AND HANDICAP IN VOCATIONAL EDUCATION PROGRAMS

AUTHORITY: Sec. 602, 78 Stat. 252; 42 U.S.C. 2000d–1, unless otherwise noted.

SOURCE: 45 FR 30918, May 9, 1980, unless otherwise noted.

§ 100.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as the “Act”) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participating in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

§ 100.2 Application of this regulation.

This regulation applies to any program to which Federal financial assistance is authorized to be extended to a recipient under a law administered by the Department, including the Federal financial assistance listed in appendix A of this regulation. It applies to money paid, property transferred, or other Federal financial assistance extended after the effective date of the regulation pursuant to an application approved prior to such effective date. This regulation does not apply to (a) any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred, or other assistance extended before the effective date of this regulation, (c) the use of any assistance by any individual who is the ultimate beneficiary, or (d) any employment practice, or any employer, employment agency, or labor organization, except to the extent described in §100.3.

The fact that a type of Federal assistance is not listed in appendix A shall not mean, if title VI of the Act is otherwise applicable, that a program is not covered. Federal financial assistance under statutes now in force or hereinafter enacted may be added to this list by notice published in the Federal Register.

§ 100.3 Discrimination prohibited.

(a) General. No person in the United States shall, on the ground of race, color, or national origin be excluded from participating in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

(b) Specific discriminatory actions prohibited. (1) A recipient under any program to which this part applies may not, directly or through contractual or other arrangements, on ground of race, color, or national origin:

(i) Deny an individual any service, financial aid, or other benefit provided under the program;

(ii) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;
(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;

(v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program;

(vi) Deny an individual an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee but only to the extent set forth in paragraph (c) of this section).

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this regulation.

(3) In determining the site or location of a facilities, an applicant or recipient may not make selections with the effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any programs to which this regulation applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this regulation.

(4) As used in this section, the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph and paragraph (c) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

(c) Employment practices. (1) Where a primary objective of the Federal financial assistance to a program to which this regulation applies is to provide employment, a recipient may not (directly or through contractual or other arrangements) subject an individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruiting or recruitment advertising, employment, layoff or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities), including programs where a primary objective of the Federal financial assistance is (i) to reduce the employment of such individuals or to help them through employment to meet subsistence needs, (ii) to assist such individuals through employment to meet expenses incident to the commencement or continuation of their education or training, (iii) to provide work experience which contributes to the education or training of
such individuals, or (iv) to provide remunerative activity to such individuals who because of handicaps cannot be readily absorbed in the competitive labor market. The following, under existing laws, have one of the above objectives as a primary objective:

(C) Programs assisted under laws listed in appendix A as respects employment opportunities provided thereunder, or in facilities provided thereunder, which are limited, or for which preference is given, to students, fellows, or other persons in training for the same or related employments.
(D) Assistance to rehabilitation facilities under the Vocational Rehabilitation Act, 29 U.S.C. 32–34, 41a and 41b.

(2) The requirements applicable to construction employment under any such program shall be those specified in or pursuant to Part III of Executive Order 11246 or any Executive order which supersedes it.

(3) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient or other persons subject to the regulation tends, on the ground of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this regulation applies, the following provisions of this section, a recipient of Federal financial assistance shall not be deemed to have failed to comply with paragraph (a) of this section if immediate provision of a service or other benefit to an individual is necessary to prevent his death or serious impairment of his health, and such service or other benefit cannot be provided except by or through a medical institution which refuses or fails to comply with paragraph (a) of this section.

§ 100.4 Assurances required.

(a) General. (1) Every application for Federal financial assistance to which this part applies, except an application to which paragraph (b) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part.

(2) The requirements applicable to construction employment under any such program shall be those specified in or pursuant to Part III of Executive Order 11246 or any Executive order which supersedes it.

(3) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient or other persons subject to the regulation tends, on the ground of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this regulation applies, the following provisions of this section, a recipient of Federal financial assistance shall not be deemed to have failed to comply with paragraph (a) of this section if immediate provision of a service or other benefit to an individual is necessary to prevent his death or serious impairment of his health, and such service or other benefit cannot be provided except by or through a medical institution which refuses or fails to comply with paragraph (a) of this section.

participants. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) Where Federal financial assistance is provided in the form of a transfer of real property or interest therein from the Federal Government the instrument effecting or recording the transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where no transfer of property is involved but property is improved with Federal financial assistance, the recipient shall agree to include such a covenant to any subsequent transfer of the property. Where the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by the Department to reverter title to the property in the event of a breach of the covenant where, in the discretion of the responsible Department official, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grantee. In the event a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on such property for the purposes for which the property was transferred, the responsible Department official may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as he deems appropriate, to forbear the exercise of such right to reverter title for so long as the lien of such mortgage or other encumbrance remains effective.

(b) Continuing Federal financial assistance. Every application by a State or a State agency for continuing Federal financial assistance to which this regulation applies (including the Federal financial assistance listed in part 2 of appendix A) shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application (1) contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with all requirements imposed by or pursuant to this regulation, and (2) provide or be accompanied by provision for such methods of administration for the program as are found by the responsible Department official to give reasonable assurance that the applicant and all recipients of Federal financial assistance under such program will comply with all requirements imposed by or pursuant to this regulation.

(c) Elementary and secondary schools. The requirements of paragraph (a) or (b) of this section with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible Department official determines is adequate to accomplish the purposes of the Act and this part, at the earliest practicable time, and provides reasonable assurance that it will carry out such plan; in any case of continuing Federal financial assistance the responsible Department official may reserve the right to redetermine, after such period as may be specified by him, the adequacy of the plan to accomplish the purposes of the Act and the regulations in this part. In any case in which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

(d) Assurance from institutions. (1) In the case of any application for Federal financial assistance to an institution of higher education (including assistance for construction, for research, for special training project, for student loans
or for any other purpose), the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education, hospital, or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of individuals as students, patients, or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution.

§ 100.5 Illustrative application.

The following examples will illustrate the programs aided by Federal financial assistance of the Department. (In all cases the discrimination prohibited is discrimination on the ground of race, color, or national origin prohibited by title VI of the Act and this regulation, as a condition of the receipt of Federal financial assistance).

(a) In federally-affected area assistance (Pub. L. 815 and Pub. L. 874) for construction aid and for general support of the operation of elementary or secondary schools, or in more limited support to such schools such as for the acquisition of equipment, the provision of vocational education, or the provision of guidance and counseling services, discrimination by the recipient school district in any of its elementary or secondary schools in the admission of students, or in the treatment of its students in any aspect of the educational process, is prohibited. In this and the following illustrations the prohibition of discrimination in the treatment of students or trainees includes the prohibition of discrimination among the students or trainees in the availability or use of any academic, dormitory, eating, recreational, or other facilities of the grantee or other recipient.

(b) In a research, training, demonstration, or other grant to a university for activities to be conducted in a graduate school, discrimination in the admission and treatment of students in the graduate school is prohibited, and the prohibition extends to the entire university.

(c) In a training grant to a hospital or other nonacademic institution, discrimination is prohibited in the selection of individuals to be trained and in their treatment by the grantee during their training. In a research or demonstration grant to such an institution discrimination is prohibited with respect to any educational activity and any provision of medical or other services and any financial aid to individuals incident to the program.

(d) In grants to assist in the construction of facilities for the provision of health, educational or welfare services, assurances will be required that services will be provided without discrimination, to the same extent that discrimination would be prohibited as a condition of Federal operating grants for the support of such services. Thus, as a condition of grants for the construction of academic, research, or other facilities at institutions of higher education, assurances will be required that there will be no discrimination in the admission or treatment of students.

(e) Upon transfers of real or personal surplus property for educational uses, discrimination is prohibited to the same extent as in the case of grants for the construction of facilities or the provision of equipment for like purposes.

(f) Each applicant for a grant for the construction of educational television facilities is required to provide an assurance that it will, in its broadcast services, give due consideration to the interests of all significant racial or ethnic groups within the population to be served by the applicant.

(g) A recipient may not take action that is calculated to bring about indirectly what this regulation forbids it to accomplish directly. Thus, a State, in selecting or approving projects or sites for the construction of public libraries which will receive Federal financial assistance, may not base its selections or approvals on criteria which
have the effect of defeating or of substantially impairing accomplishments of the objectives of the Federal assistance as respects individuals of a particular race, color or national origin.

(h) In some situations, even though past discriminatory practices attributable to a recipient or applicant have been abandoned, the consequences of such practices continue to impede the full availability of a benefit. If the efforts required of the applicant or recipient under §100.6(d), to provide information as to the availability of the program or activity and the rights of beneficiaries under this regulation, have failed to overcome these consequences, it will become necessary under the requirement stated in paragraph (i) of §100.3(b)(6) for such applicant or recipient to take additional steps to make the benefits fully available to racial and nationality groups previously subject to discrimination. This action might take the form, for example, of special arrangements for obtaining referrals or making selections which will insure that groups previously subjected to discrimination are adequately served.

(i) Even though an applicant or recipient has never used discriminatory policies, the services and benefits of the program or activity it administers may not in fact be equally available to some racial or nationality groups. In such circumstances, an applicant or recipient may properly give special consideration to race, color, or national origin to make the benefits of its program more widely available to such groups, not then being adequately served. For example, where a university is not adequately serving members of a particular racial or nationality group, it may establish special recruitment policies to make its program better known and more readily available to such group, and take other steps to provide that group with more adequate service.

[45 FR 30918, May 9, 1980, as amended at 65 FR 68053, Nov. 13, 2000]

§100.6 Compliance information.

(a) Cooperation and assistance. The responsible Department official shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep such records and submit to the responsible Department official or his designee timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the responsible Department official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. For example, recipients should have available for the Department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of and participants in federally-assisted programs. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.

(c) Access to sources of information. Each recipient shall permit access by the responsible Department official or his designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information. Asserted considerations of privacy or confidentiality may not operate to bar the Department from evaluating or seeking to enforce compliance with this part. Information of a confidential nature obtained in connection with compliance evaluation or enforcement shall not be disclosed except where necessary in formal enforcement proceedings or where otherwise required by law.
(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible Department official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this regulation.

(Approved by the Office of Management and Budget under control number 1870–0500)

§ 100.8 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with this regulation, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking.
and (2) any applicable proceeding under State or local law.

(b) Noncompliance with §100.4. If an applicant fails or refuses to furnish an assurance required under §100.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other person to comply with the regulation and to take such corrective action as may be appropriate.

(d) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other person to comply with the regulation and to take such corrective action as may be appropriate.

§ 100.9 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required by §100.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible Department official that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and §100.8(c) of this regulation and consent to the making of a decision on the basis of such information as may be filed as the record.

(b) Time and place of hearing. Hearings shall be held at the offices of the Department in Washington, DC, at a time fixed by the responsible Department official unless he determines that
the convenience of the applicant or recipient or of the Department requires that another place be selected. Hearings shall be held before a hearing examiner designated in accordance with 5 U.S.C. 3105 and 3344 (section 11 of the Administrative Procedure Act).

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and the Department shall have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with sections 5–8 of the Administrative Procedure Act, and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing. Any person (other than a Government employee considered to be on official business) who, having been invited or requested to appear and testify as a witness on the Government’s behalf, attends at a time and place scheduled for a hearing provided for by this part, may be reimbursed for his travel and actual expenses of attendance in an amount not to exceed the amount payable under the standardized travel regulations to a Government employee traveling on official business.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) Consolidated or joint hearings. In cases in which the same or related facts are asserted to constitute noncompliance with this regulation with respect to two or more Federal assistance statutes to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under title VI of the Act, the responsible Department official may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with this part. Final decisions in such cases, insofar as this regulation is concerned, shall be made in accordance with §100.10.

[45 FR 30918, May 9, 1980, as amended at 65 FR 68054, Nov. 13, 2000]

§ 100.10 Decisions and notices.

(a) Decisions by hearing examiners. After a hearing is held by a hearing examiner such hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the reviewing authority for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient and to the complainant, if any. Where the initial decision referred to in this paragraph or in paragraph (c) of this section is made by the hearing examiner, the applicant or recipient or the counsel for the Department may, within the period provided for in the rules of procedure issued by the responsible Department official, file with the reviewing authority exceptions to the initial decision, with his reasons therefor. Upon the filing of such exceptions the reviewing authority shall review the initial decision and issue its own decision thereof including the reasons therefor. In the absence of exceptions
§ 100.10  
34 CFR Ch. I (7–1–16 Edition)

the initial decision shall constitute the final decision, subject to the provisions of paragraph (e) of this section.

(b) Decisions on record or review by the reviewing authority. Whenever a record is certified to the reviewing authority for decision or it reviews the decision of a hearing examiner pursuant to paragraph (a) or (c) of this section, the applicant or recipient shall be given reasonable opportunity to file with it briefs or other written statements of its contentions, and a copy of the final decision of the reviewing authority shall be given in writing to the applicant or recipient and to the complainant, if any.

(c) Decisions on record where a hearing is waived. Whenever a hearing is waived pursuant to §100.9(a) the reviewing authority shall make its final decision on the record or refer the matter to a hearing examiner for an initial decision to be made on the record. A copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of a hearing examiner or reviewing authority shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) Review in certain cases by the Secretary. If the Secretary has not personally made the final decision referred to in paragraphs (a), (b), or (c) of this section, a recipient or applicant or the counsel for the Department may request the Secretary to review a decision of the Reviewing Authority in accordance with rules of procedure issued by the responsible Department official. Such review is not a matter of right and shall be granted only where the Secretary determines there are special and important reasons therefor. The Secretary may grant or deny such request, in whole or in part. He may also review such a decision upon his own motion in accordance with rules of procedure issued by the responsible Department official. In the absence of a review under this paragraph, a final decision referred to in paragraphs (a), (b), (c) of this section shall become the final decision of the Department when the Secretary transmits it as such to Congressional committees with the report required under section 602 of the Act. Failure of an applicant or recipient to file an exception with the Reviewing Authority or to request review under this paragraph shall not be deemed a failure to exhaust administrative remedies for the purpose of obtaining judicial review.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this regulation, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended under such law or laws to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this regulation, or to have otherwise failed to comply with this regulation unless and until it corrects its noncompliance and satisfies the responsible Department official that it will fully comply with this regulation.

(g) Post-termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this part and provides reasonable assurance that it will fully comply with this part. An elementary or secondary school or school system which is unable to file an assurance of compliance with §100.3 shall be restored to full eligibility to receive Federal financial assistance, if it files a court order or a plan for desegregation which meets the requirements of §100.4(c), and provides reasonable assurance that it will comply with the court order or plan.

(2) Any applicant or recipient adversely affected by an order entered
pursuant to paragraph (f) of this section may at any time request the responsible Department official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the responsible Department official determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the responsible Department official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the responsible Department official. The applicant or recipient will be restored to such eligibility if it proves at such hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 100.11 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 100.12 Effect on other regulations; forms and instructions.

(a) Effect on other regulations. All regulations, orders, or like directions heretofore issued by any officer of the Department which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this regulation applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this regulation, except that nothing in this regulation shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this regulation. Nothing in this regulation, however, shall be deemed to supersede any of the following (including future amendments thereof):

(1) Executive Order 11063 and regulations issued thereunder, or any other regulations or instructions, insofar as such Order, regulations, or instructions prohibit discrimination on the ground of race, color, or national origin in any program or situation to which this regulation is inapplicable, or prohibit discrimination on any other ground; or

(2) Requirements for Emergency School Assistance as published in 35 FR 13442 and codified as 34 CFR part 280.

(b) Forms and instructions. The responsible Department official shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating this part.

(c) Supervision and coordination. The responsible Department official may from time to time assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of title VI of the Act and this regulation (other than responsibility for review as provided in §100.10(e)), including the achievements of effective coordination and maximum uniformity within the Department and within the Executive Branch of the Government in the application of title VI of this regulation to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another Department or Agency acting pursuant to an assignment of responsibility under this section shall have the same effect as though such action had been taken by the responsible official of this Department.

APPENDIX B TO PART 100—GUIDELINES FOR ELIMINATING DISCRIMINATION AND DENIAL OF SERVICES ON THE BASIS OF RACE, COLOR, NATIONAL ORIGIN, SEX, AND HANDICAP IN VOCATIONAL EDUCATION PROGRAMS

I. SCOPE AND COVERAGE

A. APPLICATION OF GUIDELINES

These Guidelines apply to recipients of any Federal financial assistance from the Department of Education that offer or administer programs of vocational education or training. This includes State agency recipients.

B. DEFINITION OF RECIPIENT

The definition of recipient of Federal financial assistance is established by Department regulations implementing Title VI, Title IX, and Section 504 (34 CFR 100.13(t), 106.2(h), 104.3(f)).

For the purposes of Title VI:
The term recipient means any State, political subdivision of any State, or instrumentality of any State or political subdivision, any public or private agency, institution, or organization, or other entity, or any individual, in any State, to whom Federal financial assistance is extended, directly or through another recipient, for any program, including any successor, assignee, or transferee thereof, but such terms do not include any ultimate beneficiary (e.g., students) under any such program. (34 CFR 100.13(t)).

For the purposes of Title IX:
Recipient means any State or political subdivision thereof, or any instrumentality of a State or political subdivision thereof, any public or private agency, institution, or organization, or other entity, or any person to whom Federal financial assistance is extended, directly or through another recipient and which operates an education program or activity which receives or benefits from such assistance, including any subunit, successor, assignee, or transferee thereof. (34 CFR 106.2(b)).

For the purposes of Section 504:
Recipient means any State or its political subdivision any instrumentality of a State or its political subdivision, any public or private agency, institution, or organization, or other entity, or any person to which Federal financial assistance is extended, directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. (34 CFR 104.3(t)).

C. EXAMPLES OF RECIPIENTS COVERED BY THESE GUIDELINES

The following education agencies, when they provide vocational education, are examples of recipients covered by these Guidelines:

1. The board of education of a public school district and its administrative agency.
2. The administrative board of a specialized vocational high school serving students from more than one school district.
3. The administrative board of a technical or vocational school that is used exclusively or principally for the provision of vocational education to persons who have completed or left high school (including persons seeking a certificate or an associate degree through a vocational program offered by the school) and who are available for study in preparation for entering the labor market.
4. The administrative board of a postsecondary institution, such as a technical institute, skill center, junior college, community college, or four year college that has a department or division that provides vocational education to students seeking immediate employment, a certificate or an associate degree.
5. The administrative board of a proprietary (private) vocational education school.
6. A State agency recipient itself operating a vocational education facility.

D. EXAMPLES OF SCHOOLS TO WHICH THESE GUIDELINES APPLY

The following are examples of the types of schools to which these Guidelines apply:

1. A junior high school, middle school, or those grades of a comprehensive high school that offers instruction to inform, orient, or prepare students for vocational education at the secondary level.
2. A vocational education facility operated by a State agency.
3. A comprehensive high school that has a department exclusively or principally used for providing vocational education; or that offers at least one vocational program to secondary level students who are available for study in preparation for entering the labor market; or that offers adult vocational education to persons who have completed or left high school and who are available for study in preparation for entering the labor market.
4. A comprehensive high school, offering the activities described above, that receives students on a contract basis from other school districts for the purpose of providing vocational education.

5. A specialized high school used exclusively or principally for the provision of vocational education, that enrolls students form one or more school districts for the purpose of providing vocational education.

6. A technical or vocational school that primarily provides vocational education to persons who have completed or left high school and who are available for study in preparation for entering the labor market, including students seeking an associate degree or certificate through a course of vocational instruction offered by the school.

7. A junior college, a community college, or four-year college that has a department or division that provides vocational education to students seeking immediate employment, an associate degree or a certificate through a course of vocational instruction offered by the school.

8. A proprietary school, licensed by the State that offers vocational education.

NOTE: Subsequent sections of these Guidelines may use the term secondary vocational education center in referring to the institutions described in paragraphs 3, 4 and 5 above or the term postsecondary vocational education center in referring to institutions described in paragraphs 6 and 7 above or the term vocational education center in referring to any or all institutions described above.

II. RESPONSIBILITIES ASSIGNED ONLY TO STATE AGENCY RECIPIENTS

A. RESPONSIBILITIES OF ALL STATE AGENCY RECIPIENTS

State agency recipients, in addition to complying with all other provisions of the Guidelines relevant to them, may not require, approve of, or engage in any discrimination or denial of services on the basis of race, color, national origin, sex, or handicap in performing any of the following activities:

1. Establishment of criteria or formulas for distribution of Federal or State funds to vocational education programs in the State;

2. Establishment of requirements for admission to or requirements for the administration of vocational education programs;

3. Approval of action by local entities providing vocational education. (For example, a State agency must ensure compliance with Section IV of these Guidelines if and when it reviews a vocational education agency decision to create or change a geographic service area);

4. Conducting its own programs. (For example, in employing its staff it may not discriminate on the basis of sex or handicap.)

B. STATE AGENCIES PERFORMING OVERSIGHT RESPONSIBILITIES

The State agency responsible for the administration of vocational education programs must adopt a compliance program to prevent, identify and remedy discrimination on the basis of race, color, national origin, sex or handicap by its subrecipients. (A "subrecipient," in this context, is a local agency or vocational education center that receives financial assistance through a State agency.) This compliance program must include:

1. Collecting and analyzing civil rights related data and information that subrecipients compile for their own purposes or that are submitted to State and Federal officials under existing authorities;

2. Conducting periodic compliance reviews of selected subrecipients (i.e., an investigation of a subrecipient to determine whether it engages in unlawful discrimination in any aspect of its program); upon finding unlawful discrimination, notifying the subrecipient of steps it must take to attain compliance and attempting to obtain voluntary compliance;

3. Providing technical assistance upon request to subrecipients. This will include assisting subrecipients to identify unlawful discrimination and instructing them in remedies for and prevention of such discrimination;

4. Periodically reporting its activities and findings under the foregoing paragraphs, including findings of unlawful discrimination under paragraph 2, immediately above, to the Office for Civil Rights.

State agencies are not required to terminate or defer assistance to any subrecipient. Nor are they required to conduct hearings. The responsibilities of the Office for Civil Rights to collect and analyze data, to conduct compliance reviews, to investigate complaints and to provide technical assistance are not diminished or attenuated by the requirements of Section II of the Guidelines.

C. STATEMENT OF PROCEDURES AND PRACTICES

Within one year from the publication of these Guidelines in final form, each State agency recipient performing oversight responsibilities must submit to the Office for Civil Rights the methods of administration and related procedures it will follow to comply with the requirements described in paragraphs A and B immediately above. The Department will review each submission and will promptly either approve it, or return it to State officials for revision.
III. DISTRIBUTION OF FEDERAL FINANCIAL ASSISTANCE AND OTHER FUNDS FOR VOCATIONAL EDUCATION

A. AGENCY RESPONSIBILITIES

Recipients that administer grants for vocational education must distribute Federal, State, or local vocational education funds so that no student or group of students is unlawfully denied an equal opportunity to benefit from vocational education on the basis of race, color, national origin, sex, or handicap.

B. DISTRIBUTION OF FUNDS

Recipients may not adopt a formula or other method for the allocation of Federal, State, or local vocational education funds that has the effect of discriminating on the basis of race, color, national origin, sex, or handicap. However, a recipient may adopt a formula or other method of allocation that uses as a factor race, color, national origin, sex, or handicap [or an index or proxy for race, color, national origin, sex, or handicap e.g., number of persons receiving Aid to Families with Dependent Children or with limited English speaking ability] if the factor is included to compensate for past discrimination or to comply with those provisions of the Vocational Education Amendments of 1976 designed to assist specified protected groups.

C. EXAMPLE OF A PATTERN SUGGESTING UNLAWFUL DISCRIMINATION

In each State it is likely that some local recipients will enroll greater proportions of minority students in vocational education than the State-wide proportion of minority students in vocational education. A funding formula or other method of allocation that results in such local recipients receiving per-pupil allocations of Federal or State vocational education funds lower than the State-wide average per-pupil allocation will be presumed unlawfully discriminatory.

D. DISTRIBUTION THROUGH COMPETITIVE GRANTS OR CONTRACTS

Each State agency that establishes criteria for awarding competitive vocational education grants or contracts must establish and apply the criteria without regard to the race, color, national origin, sex, or handicap of any or all of a recipient's students, except to compensate for past discrimination.

E. APPLICATION PROCESSES FOR COMPETITIVE OR DISCRETIONARY GRANTS

State agencies must disseminate information needed to satisfy the requirements of any application process for competitive or discretionary grants so that all recipients, including those having a high percentage of minority or handicapped students, are informed of and able to seek funds. State agencies that provide technical assistance for the completion of the application process must provide such assistance without discrimination against any one recipient or class of recipients.

F. ALTERATION OF FUND DISTRIBUTION TO PROVIDE EQUAL OPPORTUNITY

If the Office for Civil Rights finds that a recipient's system for distributing vocational education funds unlawfully discriminates on the basis of race, color, national origin, sex, or handicap, it will require the recipient to adopt an alternative nondiscriminatory method of distribution. The Office for Civil Rights may also require the recipient to compensate for the effects of its past unlawful discrimination in the distribution of funds.

IV. ACCESS AND ADMISSION OF STUDENTS TO VOCATIONAL EDUCATION PROGRAMS

A. RECIPIENT RESPONSIBILITIES

Criteria controlling student eligibility for admission to vocational education schools, facilities and programs may not unlawfully discriminate on the basis of race, color, national origin, sex, or handicap. A recipient may not develop, impose, maintain, approve, or implement such discriminatory admissions criteria.

B. SITE SELECTION FOR VOCATIONAL SCHOOLS

State and local recipients may not select or approve a site for a vocational education facility for the purpose or with the effect of excluding, segregating, or otherwise discriminating against students on the basis of race, color, or national origin. Recipients must locate vocational education facilities at sites that are readily accessible to both nonminority and minority communities, and that do not tend to identify the facility or program as intended for nonminority or minority students.

C. ELIGIBILITY FOR ADMISSION TO VOCATIONAL EDUCATION CENTERS BASED ON RESIDENCE

Recipients may not establish, approve or maintain geographic boundaries for a vocational education center service area or attendance zone, (hereinafter “service area”), that unlawfully exclude students on the basis of race, color, or national origin. The Office for Civil Rights will presume, subject to rebuttal, that any one or combination of the following circumstances indicates that the boundaries of a given service area are unlawfully constituted:

1. A school system or service area contiguous to the given service area, contains minority or nonminority students in substantially greater proportion than the given service area;
2. A substantial number of minority students who reside outside the given vocational education center service area, and who are not eligible for the center reside, nonetheless, as close to the center as a substantial number of non-minority students who are eligible for the center;

3. The over-all vocational education program of the given service area, in comparison to the over-all vocational education program of a contiguous school system or service area, enrolling a substantially greater proportion of minority students:
   (a) Provides its students with a broader range of curricular offerings, facilities and equipment; or (b) provides its graduates greater opportunity for employment in jobs:
      (i) For which there is a demonstrated need in the community or region; (ii) that pay higher entry level salaries or wages; or (iii) that are generally acknowledged to offer greater prestige or status.

D. ADDITIONS AND RENOVATIONS TO EXISTING VOCATIONAL EDUCATION FACILITIES

A recipient may not add to, modify, or renovate the physical plant of a vocational education facility in a manner that creates, maintains, or increases student segregation on the basis of race, color, national origin, sex, or handicap.

E. REMEDIES FOR VIOLATIONS OF SITE SELECTION AND GEOGRAPHIC SERVICE AREA REQUIREMENTS

If the conditions specified in paragraphs IV. A., B., C., or D., immediately above, are found and not rebutted by proof of non-discrimination, the Office for Civil Rights will require the recipient(s) to submit a plan to remedy the discrimination. The following are examples of steps that may be included in the plan, where necessary to overcome the discrimination:

(1) Redrawing of the boundaries of the vocational education center's service area to include areas unlawfully excluded and/or to exclude areas unlawfully included;
(2) provision of transportation to students residing in areas unlawfully excluded;
(3) provision of additional programs and services to students who would have been eligible for attendance at the vocational education center but for the discriminatory service area or site selection;
(4) reassignment of students; and
(5) construction of new facilities or expansion of existing facilities.

F. ELIGIBILITY FOR ADMISSION TO SECONDARY VOCATIONAL EDUCATION CENTERS BASED ON NUMERICAL LIMITS IMPOSED ON SENDING SCHOOLS

A recipient may not adopt or maintain a system for admission to a secondary vocational education center or program that limits admission to a fixed number of students from each sending school included in the center's service area if such a system disproportionately excludes students from the center on the basis of race, sex, national origin or handicap. (Example: Assume 25 percent of a school district's high school students are black and that most of those black students are enrolled in one high school; the white students, 75 percent of the district's total enrollment, are generally enrolled in the five remaining high schools. This paragraph prohibits a system of admission to the secondary vocational education center that limits eligibility to a fixed and equal number of students from each of the district's six high schools.)

G. REMEDIES FOR VIOLATION OF ELIGIBILITY BASED ON NUMERICAL LIMITS REQUIREMENTS

If the Office for Civil Rights finds a violation of paragraph F, above, the recipient must implement an alternative system of admissions that does not disproportionately exclude students on the basis of race, color, national origin, sex, or handicap.

H. ELIGIBILITY FOR ADMISSION TO VOCATIONAL EDUCATION CENTERS, BRANCHES OR ANNEXES BASED UPON STUDENT OPTION

A vocational education center, branch or annex, open to all students in a service area and predominantly enrolling minority students or students of one race, national origin or sex, will be presumed unlawfully segregated if:

(1) It was established by a recipient for members of one race, national origin or sex; or (2) it has since its construction been attended primarily by members of one race, national origin or sex; or (3) most of its program offerings have traditionally been selected predominantly by members of one race, national origin or sex.

I. REMEDIES FOR FACILITY SEGREGATION UNDER STUDENT OPTION PLANS

If the conditions specified in paragraph IV-H are found and not rebutted by proof of non-discrimination, the Office for Civil Rights will require the recipient(s) to submit a plan to remedy the segregation. The following are examples of steps that may be included in the plan, where necessary to overcome the discrimination:

(1) Elimination of program duplication in the segregated facility and other proximate vocational facilities; (2) relocation or "clustering" of programs or courses; (3) adding programs and courses that traditionally have been identified as intended for members of a particular race, national origin or sex to schools that have traditionally served members of the other sex or traditionally served persons of a different race or national origin; (4) merger of programs into one facility through school closings or new construction;
(5) intensive outreach recruitment and counseling; (6) providing free transportation to students whose enrollment would promote desegregation.

J. [RESERVED]

K. ELIGIBILITY BASED ON EVALUATION OF EACH APPLICANT UNDER ADMISSIONS CRITERIA

Recipients may not judge candidates for admission to vocational education programs on the basis of criteria that have the effect of disproportionately excluding persons of a particular race, color, national origin, sex, or handicap. However, if a recipient can demonstrate that such criteria have been validated as essential to participation in a given program that alternative equally valid criteria that do not have such a disproportionate adverse effect are unavailable, the criteria will be judged nondiscriminatory. Examples of admissions criteria that must meet this test are past academic performance, record of disciplinary infractions, counselors' approval, teachers' recommendations, interest inventories, high school diplomas and standardized tests, such as the Test of Adult Basic Education (TABE).

An introductory, preliminary, or exploratory course may not be established as a prerequisite for admission to a program unless the course has been and is available without regard to race, color, national origin, sex, and handicap. However, a course that was formerly only available on a discriminatory basis may be made a prerequisite for admission to a program if the recipient can demonstrate that:

(a) The course is essential to participation in the program; and
(b) the course is presently available to those seeking enrollment for the first time and to those formerly excluded.

L. ELIGIBILITY OF NATIONAL ORIGIN MINORITY PERSONS WITH LIMITED ENGLISH LANGUAGE SKILLS

Recipients may not restrict an applicant's admission to vocational education programs because the applicant, as a member of a national origin minority with limited English language skills, cannot participate in and benefit from vocational instruction to the same extent as a student whose primary language is English. It is the responsibility of the recipient to identify such applicants and assess their ability to participate in vocational instruction. Acceptable methods of identification include: (1) Identification by administrative staff, teachers, or parents of secondary level students; (2) identification by the student in postsecondary or adult programs; and (3) appropriate diagnostic procedures, if necessary.

Recipients must take steps to open all vocational programs to these national origin minority students. A recipient must demonstrate that a concentration of students with limited English language skills in one or a few programs is not the result of discriminatory limitations upon the opportunities available to such students.

M. REMEDIAL ACTION IN BEHALF OF PERSONS WITH LIMITED ENGLISH LANGUAGE SKILLS

If the Office for Civil Rights finds that a recipient has denied national origin minority persons admission to a vocational school or program because of their limited English language skills or has assigned students to vocational programs solely on the basis of their limited English language skills, the recipient will be required to submit a remedial plan that insures national origin minority students equal access to vocational education programs.

N. EQUAL ACCESS FOR HANDICAPPED STUDENTS

Recipients may not deny handicapped students access to vocational education programs or courses because of architectural or equipment barriers, or because of the need for related aids and services or auxiliary aids. If necessary, recipients must:

(1) Modify instructional equipment; (2) modify or adapt the manner in which the courses are offered; (3) house the program in facilities that are readily accessible to mobility impaired students or alter facilities to make them readily accessible to mobility impaired students; and (4) provide auxiliary aids that effectively make lectures and necessary materials available to postsecondary handicapped students; (5) provide related aids or services that assure secondary students an appropriate education.

Academic requirements that the recipient can demonstrate are essential to a program of instruction or to any directly related licensing requirement will not be regarded as discriminatory. However, where possible, a recipient must adjust those requirements to the needs of individual handicapped students.

Access to vocational programs or courses may not be denied handicapped students on the ground that employment opportunities in any occupation or profession may be more limited for handicapped persons than for non-handicapped persons.

O. PUBLIC NOTIFICATION

Prior to the beginning of each school year, recipients must advise students, parents, employees and the general public that all vocational opportunities will be offered without regard to race, color, national origin, sex, or handicap. Announcement of this policy of
non-discrimination may be made, for example, in local newspapers, recipient publica-
tions and/or other media that reach the gen-
eral public, program beneficiaries, minori-
ties (including national origin minorities with limited English language skills),
women, and handicapped persons. A brief
summary of program offerings and admission
criteria should be included in the announce-
ment; also the name, address and telephone
number of the person designated to coordi-
nate Title IX and Section 504 compliance ac-
tivity.

If a recipient’s service area contains a
community of national origin minority per-
sons with limited English language skills, public notification materials must be dis-
seminated to that community in its lan-
guage and must state that recipients will
take steps to assure that the lack of English
language skills will not be a barrier to ad-
mision and participation in vocational edu-
cation programs.

V. COUNSELING AND PREVOCATIONAL
PROGRAMS

A. RECIPIENT RESPONSIBILITIES

Recipients must insure that their coun-
seling materials and activities (including student program selection and career/emp-
loyment selection), promotional, and re-
cruitment efforts do not discriminate on the
basis of race, color, national origin, sex, or
handicap.

B. COUNSELING AND PROSPECTS FOR SUCCESS

Recipients that operate vocational edu-
cation programs must insure that counselors
do not direct or urge any student to enroll in a
particular career or program, or measure or predict a student’s prospects for success in any career or program based upon the student’s race, color, national origin, sex, or handicap. Recipients may not counsel handi-
capped students toward more restrictive ca-ereer objectives than nonhandicapped stu-
dents with similar abilities and interests. If a vocational program disproportionately en-
rolls male or female students, minority or
nonminority students, or handicapped stu-
dents, recipients must take steps to insure that the disproportion does not result from
unlawful discrimination in counseling activi-
ties.

C. STUDENT RECRUITMENT ACTIVITIES

Recipients must conduct their student re-
cruitment activities so as not to exclude or
limit opportunities on the basis of race, color, national origin, sex, or handicap. Where recruitment activities involve the
presentation or portrayal of vocational and
career opportunities, the curricula and pro-
grams described should cover a broad range of occupational opportunities and not be
limited on the basis of the race, color, na-
tional origin, sex, or handicap of the stu-
dents or potential students to whom the
presentation is made. Also, to the extent
possible, recruiting teams should include
persons of different races, national origins, sexes, and handicaps.

D. COUNSELING OF STUDENTS WITH LIMITED
ENGLISH-SPEAKING ABILITY OR HEARING IM-
PAIRMENTS

Recipients must insure that counselors can
effectively communicate with national ori-
gin minority students with limited English
language skills and with students who have
hearing impairments. This requirement may
be satisfied by having interpreters available.

E. PROMOTIONAL ACTIVITIES

Recipients may not undertake promotional
efforts (including activities of school offi-
cials, counselors, and vocational staff) in a
manner that creates or perpetuates stereo-
types or limitations based on race, color, na-
tional origin, sex or handicap. Examples of
promotional efforts are career days, parents’
night, shop demonstrations, visitations by
groups of prospective students and by rep-
resentatives from business and industry. Ma-
terials that are part of promotional efforts
may not create or perpetuate stereotypes
through text or illustration. To the extent
possible they should portray males or fe-
males, minorities or handicapped persons in
programs and occupations in which these
groups traditionally have not been rep-
resented. If a recipient’s service area con-
tains a community of national origin minor-
ity persons with limited English language
skills, promotional literature must be dis-
tributed to that community in its language.

VI. EQUAL OPPORTUNITY IN THE VOCATIONAL
EDUCATION INSTRUCTIONAL SETTING

A. ACCOMMODATIONS FOR HANDICAPPED
STUDENTS

Recipients must place secondary level
handicapped students in the regular edu-
cational environment of any vocational edu-
cation program to the maximum extent ap-
propriate to the needs of the student unless
it can be demonstrated that the education of
the handicapped person in the regular envi-
ront with the use of supplementary aids
and services cannot be achieved satisfac-
torily. Handicapped students may be placed
in a program only after the recipient satis-
fies the provisions of the Department’s Regu-
lation, 34 CFR, part 104, relating to evalua-
tion, placement, and procedural safeguards.

If a separate class or facility is identifiable
as being for handicapped persons, the facil-
ity, the programs, and the services must be
comparable to the facilities, programs, and
services offered to nonhandicapped students.

288
VII. WORK STUDY, COOPERATIVE VOCATIONAL EDUCATION, JOB PLACEMENT, AND APPRENTICE TRAINING

A. RESPONSIBILITIES IN COOPERATIVE VOCATIONAL EDUCATION PROGRAMS, WORK-STUDY PROGRAMS, AND JOB PLACEMENT PROGRAMS

A recipient must insure that: (a) It does not discriminate against its students on the basis of race, color, national origin, sex, or handicap in making available opportunities in cooperative education, work study and job placement programs; and (b) students participating in cooperative education, work study and job placement programs are not discriminated against by employers or prospective employers on the basis of race, color, national origin, sex, or handicap.

If a recipient enters into a written agreement for the referral or assignment of students to an employer, the agreement must contain an assurance from the employer that students will be accepted and assigned to jobs and otherwise treated without regard to race, color, national origin, sex, or handicap.

Recipients may not honor any employer’s request for students who are free of handicap or for students of a particular race, color, national origin, or sex. In the event an employer or prospective employer is or has been subject to court action involving discrimination in employment, school officials should rely on the court’s findings if the decision resolves the issue of whether the employer has engaged in unlawful discrimination.

B. APPRENTICE TRAINING PROGRAMS

A recipient may not enter into any agreement for the provision or support of apprentice training for students or union members with any labor union or other sponsor that discriminates against its members or applicants for membership on the basis of race, color, national origin, sex, or handicap. If a recipient enters into a written agreement with a labor union or other sponsor providing for apprentice training, the agreement must contain an assurance from the union or other sponsor:

1. That it does not engage in such discrimination against its membership or applicants for membership;
2. That apprentice training will be offered and conducted for its membership free of such discrimination.

VIII. EMPLOYMENT OF FACULTY AND STAFF

A. EMPLOYMENT GENERALLY

Recipients may not engage in any employment practice that discriminates against any employee or applicant for employment on the basis of sex or handicap. Recipients may not engage in any employment practice that discriminates on the basis of race, color, or national origin if such discrimination tends to result in segregation, exclusion or other discrimination against students.

B. RECRUITMENT

Recipients may not limit their recruitment for employees to schools, communities, or companies disproportionately composed of
persons of a particular race, color, national origin, sex, or handicap except for the purpose of overcoming the effects of past discrimination. Every source of faculty must be notified that the recipient does not discriminate in employment on the basis of race, color, national origin, sex, or handicap.

C. PATTERNS OF DISCRIMINATION

Whenever the Office for Civil Rights finds that in light of the representation of protected groups in the relevant labor market there is a significant underrepresentation or overrepresentation of protected group persons on the staff of a vocational education school or program, it will presume that the disproportion results from unlawful discrimination. This presumption can be overcome by proof that qualified persons of the particular race, color, national origin, or sex, or that qualified handicapped persons are not in fact available in the relevant labor market.

D. SALARY POLICIES

Recipients must establish and maintain faculty salary scales and policy based upon the conditions and responsibilities of employment, without regard to race, color, national origin, sex or handicap.

E. EMPLOYMENT OPPORTUNITIES FOR HANDICAPPED APPLICANTS

Recipients must provide equal employment opportunities for teaching and administrative positions to handicapped applicants who can perform the essential functions of the position in question. Recipients must make reasonable accommodation for the physical or mental limitations of handicapped applicants who are otherwise qualified unless recipients can demonstrate that the accommodation would impose an undue hardship.

F. THE EFFECTS OF PAST DISCRIMINATION

Recipients must take steps to overcome the effects of past discrimination in the recruitment, hiring, and assignment of faculty. Such steps may include the recruitment or reassignment of qualified persons of a particular race, national origin, or sex, or who are handicapped.

G. STAFF OF STATE ADVISORY COUNCILS OF VOCATIONAL EDUCATION

State Advisory Councils of Vocational Education are recipients of Federal financial assistance and therefore must comply with Section VIII of the Guidelines.

H. EMPLOYMENT AT STATE OPERATED VOCATIONAL EDUCATION CENTERS THROUGH STATE CIVIL-SERVICE AUTHORITIES

Where recruitment and hiring of staff for State operated vocational education centers is conducted by a State civil service employment authority, the State education agency operating the program must insure that recruitment and hiring of staff for the vocational education center is conducted in accordance with the requirements of these Guidelines.

IX. PROPRIETARY VOCATIONAL EDUCATION SCHOOLS

A. RECIPIENT RESPONSIBILITIES

Proprietary vocational education schools that are recipients of Federal financial assistance through Federal student assistance programs or otherwise are subject to all of the requirements of the Department’s regulations and these Guidelines.

B. ENFORCEMENT AUTHORITY

Enforcement of the provisions of Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973 is the responsibility of the Department of Education. However, authority to enforce Title VI of the Civil rights Act of 1964 for proprietary vocational education schools has been delegated to the Veterans Administration.

When the Office for Civil Rights receives a Title VI complaint alleging discrimination by a proprietary vocational education school it will forward the complaint to the Veterans Administration and cite the applicable requirements of the Department’s regulations and these Guidelines. The complainant will be notified of such action.

§ 101.4 Suspension of rules.

Upon notice to all parties, the reviewing authority or the presiding officer, with respect to matters pending before them, may modify or waive any rule in this part upon determination that no party will be unduly prejudiced and the ends of justice will thereby be served.

Subpart B—Appearance and Practice

§ 101.11 Appearance.

A party may appear in person or by counsel and participate fully in any proceeding. A State agency or a corporation may appear by any of its officers or by any employee it authorizes to appear on its behalf. Counsel must be members in good standing of the bar of a State, Territory, or possession of the United States or of the District of Columbia or the Commonwealth of Puerto Rico.

§ 101.12 Authority for representation.

Any individual acting in a representative capacity in any proceeding may be required to show his authority to act in such capacity.

§ 101.13 Exclusion from hearing for misconduct.

Disrespectful, disorderly, or contumacious language or contemptuous conduct, refusal to comply with directions, or continued use of dilatory tactics by any person at any hearing before a presiding officer shall constitute grounds for immediate exclusion of such person from the hearing by the presiding officer.

Subpart C—Parties

§ 101.21 Parties.

(a) The term party shall include an applicant or recipient or other person to whom a notice of hearing or opportunity for hearing has been mailed naming him a respondent.

(b) The Assistant Secretary for Civil Rights of the Department of Education, shall be deemed a party to all proceedings.

§ 101.22 Amici curiae.

(a) Any interested person or organization may file a petition to participate in a proceeding as an amicus curiae. Such petition shall be filed prior to the prehearing conference, or if none is held, before the commencement of the hearing, unless the petitioner shows good cause for filing the petition later. The presiding officer may grant the petition if he finds that the petitioner has a legitimate interest in the proceedings, that such participation will not unduly delay the outcome, and may contribute materially to the proper disposition thereof. An amicus curiae is not a party and may not introduce evidence at a hearing.

(b) An amicus curiae may submit a statement of position to the presiding officer prior to the beginning of a hearing, and shall serve a copy on each party. The amicus curiae may submit a brief on each occasion a decision is to be made or a prior decision is subject to review. His brief shall be filed and served on each party within the time limits applicable to the party whose position he deems himself to support; or if he does not deem himself to support the position of any party, within the longest time limit applicable to any party at that particular stage of the proceedings.

(c) When all parties have completed their initial examination of a witness, any amicus curiae may request the presiding officer to propound specific questions to the witness. The presiding officer, in his discretion, may grant any such request if he believes the proposed additional testimony may assist materially in elucidating factual matters at issue between the parties and will not expand the issues.

§ 101.23 Complainants not parties.

A person submitting a complaint pursuant to §100.7(b) of this title is not a party to the proceedings governed by this part, but may petition, after proceedings are initiated, to become an amicus curiae.
Subpart D—Form, Execution, Service and Filing of Documents

§ 101.31 Form of documents to be filed.
Documents to be filed under the rules in this part shall be dated, the original signed in ink, shall show the docket description and title of the proceeding, and shall show the title, if any, and address of the signatory. Copies need not be signed but the name of the person signing the original shall be reproduced. Documents shall be legible and shall not be more than 8½ inches wide and 12 inches long.

§ 101.32 Signature of documents.
The signature of a party, authorized officer, employee or attorney constitutes a certificate that he has read the document, that to the best of his knowledge, information, and belief there is good ground to support it, and that it is not interposed for delay. If a document is not signed or is signed with intent to defeat the purpose of this section, it may be stricken as sham and false and the proceeding may proceed as though the document had not been filed. Similar action may be taken if scandalous or indecent matter is inserted.

§ 101.33 Filing and service.
All notices by a Department official, and all written motions, requests, petitions, memoranda, pleadings, exceptions, briefs, decisions, and correspondence to a Department official from a party, or vice versa, relating to a proceeding after its commencement shall be filed and served on all parties. Parties shall supply the original and two copies of documents submitted for filing. Filings shall be made with the Civil Rights hearing clerk at the address stated in the notice of hearing or notice of opportunity for hearing, during regular business hours. Regular business hours are every Monday through Friday (legal holidays in the District of Columbia excepted) from 9 a.m. to 5:30 p.m., eastern standard or daylight saving time, whichever is effective in the District of Columbia at the time. Originals only on exhibits and transcripts of testimony need be filed. For requirements of service on amici curiae, see §101.107.

§ 101.41 Computation.
In computing any period of time under the rules in this part or in an order issued hereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed in the District of Columbia, in which event it includes the next following business day. When the period of time prescribed or allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.

§ 101.34 Service—how made.
Service shall be made by personal delivery of one copy to each person to be served or by mailing by first-class mail, properly addressed with postage prepaid. When a party or amicus has appeared by attorney or other representative, service upon such attorney or representative will be deemed service upon the party or amicus. Documents served by mail preferably should be mailed in sufficient time to reach the addressee by the date on which the original is due to be filed, and should be air mailed if the addressee is more than 300 miles distant.

§ 101.35 Date of service.
The date of service shall be the day when the matter is deposited in the U.S. mail or is delivered in person, except that the date of service of the initial notice of hearing or opportunity for hearing shall be the date of its delivery, or of its attempted delivery if refused.

§ 101.36 Certificate of service.
The original of every document filed and required to be served upon parties to a proceeding shall be endorsed with a certificate of service signed by the party making service or by his attorney or representative, stating that such service has been made, the date of service, and the manner of service, whether by mail or personal delivery.

Subpart E—Time

§ 101.41 Computation.
In computing any period of time under the rules in this part or in an order issued hereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed in the District of Columbia, in which event it includes the next following business day. When the period of time prescribed or allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.
§ 101.42 Extension of time or postponement.

Requests for extension of time should be served on all parties and should set forth the reasons for the application. Applications may be granted upon a showing of good cause by the applicant. From the designation of a presiding officer until the issuance of his decision such requests should be addressed to him. Answers to such requests are permitted, if made promptly.

§ 101.43 Reduction of time to file documents.

For good cause, the reviewing authority or the presiding officer, with respect to matters pending before them, may reduce any time limit prescribed by the rules in this part, except as provided by law or in part 100 of this chapter.

Subpart F—Proceedings Prior to Hearing

§ 101.51 Notice of hearing or opportunity for hearing.

Proceedings are commenced by mailing a notice of hearing or opportunity for hearing to an affected applicant or recipient, pursuant to §100.9 of this title.

§ 101.52 Answer to notice.

The respondent, applicant or recipient may file an answer to the notice within 20 days after service thereof. Answers shall admit or deny specifically and in detail each allegation of the notice, unless the respondent party is without knowledge, in which case his answer should so state, and the statement will be deemed a denial. Allegations of fact in the notice not denied or controverted by answer shall be deemed admitted. Matters alleged as affirmative defenses shall be separately stated and numbered. Failure of the respondent to file an answer within the 20-day period following service of the notice may be deemed an admission of all matters of fact recited in the notice.

§ 101.53 Amendment of notice or answer.

The Assistant Secretary for Civil Rights may amend the notice of hearing or opportunity for hearing once as a matter of course before an answer thereto is served, and each respondent may amend his answer once as a matter of course not later than 10 days before the date fixed for hearing but in no event later than 20 days from the date of service of his original answer. Otherwise a notice or answer may be amended only by leave of the presiding officer. A respondent shall file his answer to an amended notice within the time remaining for filing the answer to the original notice or within 10 days after service of the amended notice, whichever period may be the longer, unless the presiding officer otherwise orders.

§ 101.54 Request for hearing.

Within 20 days after service of a notice of opportunity for hearing which does not fix a date for hearing the respondent, either in his answer or in a separate document, may request a hearing. Failure of the respondent to request a hearing shall be deemed a waiver of the right to a hearing and to constitute his consent to the making of a decision on the basis of such information as is available.

§ 101.55 Consolidation.

The responsible Department official may provide for proceedings in the Department to be joined or consolidated for hearing with proceedings in other Federal departments or agencies, by agreement with such other departments or agencies. All parties to any proceeding consolidated subsequently to service of the notice of hearing or opportunity for hearing shall be promptly served with notice of such consolidation.

§ 101.56 Motions.

Motions and petitions shall state the relief sought, the authority relied upon, and the facts alleged. If made before or after the hearing, these matters shall be in writing. If made at the hearing, they may be stated orally; but the presiding officer may require that they be reduced to writing and filed and
served on all parties in the same manner as a formal motion. Motions, answers, and replies shall be addressed to the presiding officer, if the case is pending before him. A repetitious motion will not be entertained.

§ 101.57 Responses to motions and petitions.

Within 8 days after a written motion or petition is served, or such other period as the reviewing authority or the presiding officer may fix, any party may file a response thereto. An immediate oral response may be made to an oral motion.

§ 101.58 Disposition of motions and petitions.

The reviewing authority or the presiding officer may not sustain or grant a written motion or petition prior to expiration of the time for filing responses thereto, but may overrule or deny such motion or petition without awaiting response: Provided, however, That prehearing conferences, hearings and decisions need not be delayed pending disposition of motions or petitions. Oral motions and petitions may be ruled on immediately. Motions and petitions submitted to the reviewing authority or the presiding officer, respectively, and not disposed of in separate rulings or in their respective decisions will be deemed denied. Oral arguments shall not be held or written motions or petitions unless the presiding officer in his discretion expressly so orders.

Subpart G—Responsibilities and Duties of Presiding Officer

§ 101.61 Who presides.

A hearing examiner assigned under 5 U.S.C. 3105 or 3344 (formerly section 11 of the Administrative Procedure Act) shall preside over the taking of evidence in any hearing to which these rules of procedure apply.

§ 101.62 Designation of hearing examiner.

The designation of the hearing examiner as presiding officer shall be in writing, and shall specify whether the examiner is to make an initial decision or to certify the entire record including his recommended findings and proposed decision to the reviewing authority, and may also fix the time and place of hearing. A copy of such order shall be served on all parties. After service of an order designating a hearing examiner to preside, and until such examiner makes his decision, motions and petitions shall be submitted to him. In the case of the death, illness, disqualification or unavailability of the designated hearing examiner, another hearing examiner may be designated to take his place.

§ 101.63 Authority of presiding officer.

The presiding officer shall have the duty to conduct a fair hearing, to take all necessary action to avoid delay, and to maintain order. He shall have all powers necessary to these ends, including (but not limited to) the power to:

(a) Arrange and issue notice of the date, time, and place of hearings, or, upon due notice to the parties, to change the date, time, and place of hearings previously set.

(b) Hold conferences to settle, simplify, or fix the issues in a proceeding, or to consider other matters that may aid in the expeditious disposition of the proceeding.

(c) Require parties and amici curiae to state their position with respect to the various issues in the proceeding.

(d) Administer oaths and affirmations.

(e) Rule on motions, and other procedural items on matters pending before him.

(f) Regulate the course of the hearing and conduct of counsel therein.

(g) Examine witnesses and direct witnesses to testify.

(h) Receive, rule on, exclude or limit evidence.

(i) Fix the time for filing motions, petitions, briefs, or other items in matters pending before him.

(j) Issue initial or recommended decisions.

(k) Take any action authorized by the rules in this part or in conformance with the provisions of 5 U.S.C. 551–559 (the Administrative Procedure Act).
§ 101.71 Statement of position and trial briefs.

The presiding officer may require parties and amici curiae to file written statements of position prior to the beginning of a hearing. The presiding officer may also require the parties to submit trial briefs.

§ 101.72 Evidentiary purpose.

(a) The hearing is directed to receiving factual evidence and expert opinion testimony related to the issues in the proceeding. Argument will not be received in evidence; rather it should be presented in statements, memoranda, or briefs, as determined by the presiding officer. Brief opening statements, which shall be limited to statement of the party's position and what he intends to prove, may be made at hearings.

(b) Hearings for the reception of evidence will be held only in cases where issues of fact must be resolved in order to determine whether the respondent has failed to comply with one or more applicable requirements of part 100 of this title. In any case where it appears from the respondent's answer to the notice of hearing or opportunity for hearing, from his failure timely to answer, or from his admissions or stipulations in the record, that there are no matters of material fact in dispute, the reviewing authority or presiding officer may enter an order so finding, vacating the hearing date if one has been set, and fixing the time for filing briefs under §101.101. Thereafter the proceedings shall go to conclusion in accordance with subpart J of this part.

The presiding officer may allow an appeal from such order in accordance with §101.86.

§ 101.73 Testimony.

Testimony shall be given orally under oath or affirmation by witnesses at the hearing; but the presiding officer, in his discretion, may require or permit that the direct testimony of any witness be prepared in writing and served on all parties in advance of the hearing. Such testimony may be adopted by the witness at the hearing, and filed as part of the record thereof. Unless authorized by the presiding officer, witnesses will not be permitted to read prepared testimony into the record. Except as provided in §§101.75 and 101.76, witnesses shall be available at the hearing for cross-examination.

§ 101.74 Exhibits.

Proposed exhibits shall be exchanged at the prehearing conference, or otherwise prior to the hearing if the presiding officer so requires. Proposed exhibits not so exchanged may be denied admission as evidence. The authenticity of all proposed exhibits exchanged prior to hearing will be deemed admitted unless written objection thereto is filed prior to the hearing or unless good cause is shown at the hearing for failure to file such written objection.

§ 101.75 Affidavits.

An affidavit is not inadmissible as such. Unless the presiding officer fixes other time periods affidavits shall be filed and served on the parties not later than 15 days prior to the hearing; and not less than 7 days prior to hearing a party may file and serve written objection to any affidavit on the ground that he believes it necessary to test the truth of assertions therein at hearing. In such event the assertions objected to will not be received in evidence unless the affiant is made available for cross-examination, or the presiding officer determines that cross-examination is not necessary for the full and true disclosure of facts referred to in such assertions. Notwithstanding any objection, however, affidavits may be considered in the case of any respondent who waives a hearing.

§ 101.76 Depositions.

Upon such terms as may be just, for the convenience of the parties or of the Department, the presiding officer may authorize or direct the testimony of any witness to be taken by deposition.

§ 101.77 Admissions as to facts and documents.

Not later than 15 days prior to the scheduled date of the hearing except for good cause shown, or prior to such earlier date as the presiding officer may order, any party may serve upon
an opposing party a written request for the admission of the genuineness and authenticity of any relevant documents described in and exhibited with the request, or for the admission of the truth of any relevant matters of fact stated in the request. Each of the matters of which an admission is requested shall be deemed admitted, unless within a period designated in the request (not less than 10 days after service thereof, or within such further time as the presiding officer or the reviewing authority if no presiding officer has yet been designated may allow upon motion and notice) the party to whom the request is directed serves upon the requesting party a sworn statement either denying specifically the matters of which an admission is requested or setting forth in detail the reasons why he cannot truthfully either admit or deny such matters. Copies of requests for admission and answers thereto shall be served on all parties. Any admission made by a party to such request is only for the purposes of the pending proceeding, or any proceeding or action instituted for the enforcement of any order entered therein, and shall not constitute and admission by him for any other purpose or be used against him in any other proceeding or action.

§ 101.78 Evidence.
Irrelevant, immaterial, unreliable, and unduly repetitious evidence will be excluded.

§ 101.79 Cross-examination.
A witness may be cross-examined on any matter material to the proceeding without regard to the scope of his direct examination.

§ 101.80 Unsponsored written material.
Letters expressing views or urging action and other unsponsored written material regarding matters in issue in a hearing will be placed in the correspondence section of the docket of the proceeding. These data are not deemed part of the evidence or record in the hearing.

§ 101.81 Objections.
Objections to evidence shall be timely and briefly state the ground relied upon.

§ 101.82 Exceptions to rulings of presiding officer unnecessary.
Exceptions to rulings of the presiding officer are unnecessary. It is sufficient that a party, at the time the ruling of the presiding officer is sought, makes known the action which he desires the presiding officer to take, or his objection to an action taken, and his grounds therefor.

§ 101.83 Official notice.
Where official notice is taken or is to be taken of a material fact not appearing in the evidence of record, any party, on timely request, shall be afforded an opportunity to show the contrary.

§ 101.84 Public document items.
Whenever there is offered (in whole or in part) a public document, such as an official report, decision, opinion, or published scientific or economic statistical data issued by any of the executive departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corporations), or a similar document issued by a State or its agencies, and such document (or part thereof) has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but may be offered for official notice, as a public document item by specifying the document or relevant part thereof.

§ 101.85 Offer of proof.
An offer of proof made in connection with an objection taken to any ruling of the presiding officer rejecting or excluding proffered oral testimony shall consist of a statement of the substance of the evidence which counsel contends would be adduced by such testimony; and, if the excluded evidence consists of evidence in documentary or written form or of reference to documents or records, a copy of such evidence shall be marked for identification and shall
§ 101.86 Appeals from ruling of presiding officer.

Rulings of the presiding officer may not be appealed to the reviewing authority prior to his consideration of the entire proceeding except with the consent of the presiding officer and where he certifies on the record or in writing that the allowance of an interlocutory appeal is clearly necessary to prevent exceptional delay, expense, or prejudice to any party, or substantial detriment to the public interest. If an appeal is allowed, any party may file a brief with the reviewing authority within such period as the presiding officer directs. No oral argument will be heard unless the reviewing authority directs otherwise. At any time prior to submission of the proceeding to it for decisions, the reviewing authority may direct the presiding officer to certify any question or the entire record to it for decision. Where the entire record is so certified, the presiding officer shall recommend a decision.

Subpart I—The Record

§ 101.91 Official transcript.

The Department will designate the official reporter for all hearings. The official transcripts of testimony taken, together with any exhibits, briefs, or memoranda of law filed therewith shall be filed with the Department. Transcripts of testimony in hearings may be obtained from the official reporter by the parties and the public at rates not to exceed the maximum rates fixed by the contract between the Department and the reporter. Upon notice to all parties, the presiding officer may authorize corrections to the transcript which involve matters of substance.

§ 101.92 Record for decision.

The transcript of testimony, exhibits, and all papers and requests filed in the proceedings, except the correspondence section of the docket, including rulings and any recommended or initial decision shall constitute the exclusive record for decision.

§ 101.101 Posthearing briefs: proposed findings and conclusions.

(a) The presiding officer shall fix the time for filing posthearing briefs, which may contain proposed findings of fact and conclusions of law, and, if permitted, reply briefs.

(b) Briefs should include a summary of the evidence relied upon together with references to exhibit numbers and pages of the transcript, with citations of the authorities relied upon.

§ 101.102 Decisions following hearing.

When the time for submission of posthearing briefs has expired, the presiding officer shall certify the entire record, including his recommended findings and proposed decision, to the responsible Department official; or if so authorized he shall make an initial decision. A copy of the recommended findings and proposed decision, or of the initial decision, shall be served upon all parties, and amici, if any.

§ 101.103 Exceptions to initial or recommended decisions.

Within 20 days after the mailing of an initial or recommended decision, any party may file exceptions to the decision, stating reasons therefor, with the reviewing authority. Any other party may file a response thereto within 30 days after the mailing of the decision. Upon the filing of such exceptions, the reviewing authority shall review the decision and issue its own decision thereon.

§ 101.104 Final decisions.

(a) Where the hearing is conducted by a hearing examiner who makes an initial decision, if no exceptions thereto are filed within the 20-day period specified in §101.103, such decision shall become the final decision of the Department, and shall constitute “final agency action” within the meaning of 5 U.S.C. 704 (formerly section 10(c) of the Administrative Procedure Act), subject to the provisions of §101.106.

(b) Where the hearing is conducted by a hearing examiner who makes a recommended decision, or upon the filing of exceptions to a hearing examiner's

§ 101.112 Improper conduct.

With respect to any proceeding it is improper for any interested person to attempt to sway the judgement of the reviewing authority by undertaking to bring pressure or influence to bear upon any officer having a responsibility for a decision in the proceeding.

§ 101.111 Conduct.

Parties and their representatives are expected to conduct themselves with honor and dignity and observe judicial standards of practice and ethics in all proceedings. They should not indulge in offensive personalities, unseemly wrangling, or intemperate accusations or characterizations. A representative of any party whether or not a lawyer shall observe the traditional responsibilities of lawyers as officers of the court and use his best efforts to restrain his client from improprieties in connection with a proceeding.

§ 101.106 Review by the Secretary.

Within 20 days after an initial decision becomes a final decision pursuant to §101.104(a) or within 20 days of the mailing of a final decision referred to in §101.104(b), as the case may be, a party may request the Secretary to review the final decision. The Secretary may grant or deny such request, in whole or in part, or serve notice of his intent to review the decision in whole or in part upon his own motion. If the Secretary grants the requested review, or if he serves notice of intent to review upon his own motion, each party to the decision shall have 20 days following notice of the Secretary’s proposed action within which to file exceptions to the decision and supporting briefs and memoranda, or briefs and memoranda in support of the decision. Failure of a party to request review under this paragraph shall not be deemed a failure to exhaust administrative remedies for the purpose of obtaining judicial review.

§ 101.107 Service on amici curiae.

All briefs, exceptions, memoranda, requests, and decisions referred to in this subpart J shall be served upon amici curiae at the same times and in the same manner required for service on parties. Any written statements of position and trial briefs required of parties under §101.71 shall be served on amici.
or his decisional staff. It is improper that such interested persons or any members of the Department’s staff or the presiding officer give statements to communications media, by paid advertisement or otherwise, designed to influence the judgement of any officer having a responsibility for a decision in the proceeding, or his decisional staff. It is improper for any person to solicit communications to any such officer, or his decisional staff, other than proper communications by parties or amici curiae.

§ 101.113 Ex parte communications.

Only persons employed by or assigned to work with the reviewing authority who perform no investigative or prosecuting function in connection with a proceeding shall communicate ex parte with the reviewing authority, or the presiding officer, or any employee or person involved in the decisional process in such proceedings with respect to the merits of that or a factually related proceeding. The reviewing authority, the presiding officer, or any employee or person involved in the decisional process of a proceeding shall communicate ex parte with respect to the merits of that or a factually related proceeding only with persons employed by or assigned to work with them and who perform no investigative or prosecuting function in connection with the proceeding.

Requests for expeditious treatment of matters pending before the responsible Department official or the presiding officer are deemed communications on the merits, and are improper except when forwarded from parties to a proceeding and served upon all other parties thereto. Such communications should be in the form of a motion.

§ 101.115 Matters not prohibited.

A request for information which merely inquires about the status of a proceeding without discussing issues or expressing points of view is not deemed an ex parte communication. Such requests should be directed to the Civil Rights hearing clerk. Communications with respect to minor procedural matters or inquiries or emergency requests for extensions of time are not deemed ex parte communications prohibited by §101.113. Where feasible, however, such communications should be by letter with copies to all parties. Ex parte communications between a respondent and the responsible Department official or the Secretary with respect to securing such respondent’s voluntary compliance with any requirement of part 100 of this title are not prohibited.

§ 101.116 Filing of ex parte communications.

A prohibited communication in writing received by the Secretary, the reviewing authority, or by the presiding officer, shall be made public by placing it in the correspondence file of the docket in the case and will not be considered as part of the record for decision. If the prohibited communication is received orally a memorandum setting forth its substance shall be made and filed in the correspondence section of the docket in the case. A person referred to in such memorandum may file a comment for inclusion in the docket if he considers the memorandum to be incorrect.

Subpart L—Posttermination Proceedings

§ 101.121 Posttermination proceedings.

(a) An applicant or recipient adversely affected by the order terminating, discontinuing, or refusing Federal financial assistance in consequence of proceedings pursuant to this title may request the responsible Department official for an order authorizing payment, or permitting resumption, of Federal financial assistance. Such request shall be in writing and shall affirmatively show that since entry of the order, it has brought its program or activity into compliance with the requirements of the Act, and with the Regulation thereunder, and shall set forth specifically, and in detail, the steps which it has taken to achieve such compliance. If the responsible Department official denies such request the applicant or recipient shall be given an expeditious hearing if it so requests in writing and specifies why it

The request for such a hearing shall be addressed to the responsible Department official and shall be made within 30 days after the applicant or recipient is informed that the responsible Department official has refused to authorize payment or permit resumption of Federal financial assistance.

§ 104.4 Discrimination prohibited.

(a) General. No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives Federal financial assistance.

(b) Discriminatory actions prohibited.

(1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(1) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;
§ 104.5 Assurances required.

(a) Assurances. An applicant for Federal financial assistance to which this part applies shall submit an assurance, on a form specified by the Assistant Secretary, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipients program or activity;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) For purposes of this part, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and nonhandicapped persons, but must afford handicapped persons equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person's needs.

(3) Despite the existence of separate or different aid, benefits, or services provided in accordance with this part, a recipient may not deny a qualified handicapped person the opportunity to participate in such aid, benefits, or services that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration (i) that have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap, (ii) that have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient's program or activity with respect to handicapped persons, or (iii) that perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a facility, an applicant for assistance or a recipient may not make selections (i) that have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives Federal financial assistance or (ii) that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

subsequent applications to the Department.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.

c) Covenants. (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Assistant Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as he or she deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 104.6 Remedial action, voluntary action, and self-evaluation.

(a) Remedial action. (1) If the Assistant Secretary finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the Assistant Secretary deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Assistant Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Assistant Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action (i) with respect to handicapped persons who are no longer participants in the recipient’s program or activity but who were participants in the program or activity when such discrimination occurred or (ii) with respect to handicapped persons who would have been participants in the program or activity had the discrimination not occurred.

(b) Voluntary action. A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient’s program or activity by qualified handicapped persons.

(c) Self-evaluation. (1) A recipient shall, within one year of the effective date of this part:
§ 104.7 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) Adoption of grievance procedures. A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to postsecondary educational institutions.

§ 104.8 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504 and this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its program or activity. The notification shall also include an identification of the responsible employee designated pursuant to §104.7(a). A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publications, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68054, Nov. 13, 2000]

§ 104.9 Administrative requirements for small recipients.

The Assistant Secretary may require any recipient with fewer than fifteen employees, or any class of such recipients, to comply with §§104.7 and 104.8, in whole or in part, when the Assistant Secretary finds a violation of this part or finds that such compliance will not
significantly impair the ability of the recipient or class of recipients to provide benefits or services.

§ 104.10 Effect of state or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

Subpart B—Employment Practices

§ 104.11 Discrimination prohibited.

(a) General. (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity to which this part applies.

(2) A recipient that receives assistance under the Education of the Handicapped Act shall take positive steps to employ and advance in employment qualified handicapped persons in programs or activities assisted under that Act.

(3) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(4) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. The relationships referred to in this paragraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) Specific activities. The provisions of this subpart apply to:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including those that are social or recreational; and

(9) Any other term, condition, or privilege of employment.

(c) A recipient’s obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

§ 104.12 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program or activity.

(b) Reasonable accommodation may include:

(1) Making facilities used by employees readily accessible to and usable by handicapped persons, and

(2) Job restructuring, part-time or modified work schedules, acquisition
or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient’s program or activity, factors to be considered include:

1. The overall size of the recipient’s program or activity with respect to number of employees, number and type of facilities, and size of budget;

2. The type of the recipient’s operation, including the composition and structure of the recipient’s workforce; and

3. The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 104.14 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant’s ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §104.6(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §104.6(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, Provided, That:

1. The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

2. The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee’s entrance on duty, Provided, That:

1. All entering employees are subjected to such an examination regardless of handicap, and

2. The results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained...
on separate forms that shall be accorded confidentiality as medical records, except that:

1. Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodations;

2. First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

3. Government officials investigating compliance with the Act shall be provided relevant information upon request.

Subpart C—Accessibility

§ 104.21 Discrimination prohibited.

No qualified handicapped person shall, because a recipient’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this part applies.

§ 104.22 Existing facilities.

(a) Accessibility. A recipient shall operate its program or activity so that when each part is viewed in its entirety, it is readily accessible to handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.

(b) Methods. A recipient may comply with the requirements of paragraph (a) of this section through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of health, welfare, or other social services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirements of §104.23, or any other methods that result in making its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for meeting the requirement of paragraph (a) of this section, a recipient shall give priority to those methods that serve handicapped persons in the most integrated setting appropriate.

(c) Small health, welfare, or other social service providers. If a recipient with fewer than fifteen employees that provides health, welfare, or other social services finds, after consultation with a handicapped person seeking its services, that there is no method of complying with paragraph (a) of this section other than making a significant alteration in its existing facilities, the recipient may, as an alternative, refer the handicapped person to other providers of those services that are accessible.

(d) Time period. A recipient shall comply with the requirement of paragraph (a) of this section within sixty days of the effective date of this part except that where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(e) Transition plan. In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum:

1. Identify physical obstacles in the recipient’s facilities that limit the accessibility of its program or activity to handicapped persons;

2. Describe in detail the methods that will be used to make the facilities accessible;

3. Specify the schedule for taking the steps necessary to achieve full accessibility in order to comply with paragraph (a) of this section and, if the time period of the transition plan is longer than one year, identify the steps of that will be taken during each year of the transition period; and
§ 104.23

(4) Indicate the person responsible for implementation of the plan.

(f) Notice. The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by handicapped persons.

§ 104.23 New construction.

(a) Design and construction. Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by handicapped persons, if the construction was commenced after the effective date of this part.

(b) Alteration. Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by handicapped persons.

(c) Conformance with Uniform Federal Accessibility Standards. (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3–8 of the Uniform Federal Accessibility Standards (UFAS) (Appendix A to 41 CFR subpart 101–19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

Subpart D—Preschool, Elementary, and Secondary Education

§ 104.31 Application of this subpart.

Subpart D applies to preschool, elementary, secondary, and adult education programs or activities that receive Federal financial assistance and to recipients that operate, or that receive Federal financial assistance for the operation of, such programs or activities.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.32 Location and notification.

A recipient that operates a public elementary or secondary education program or activity shall annually:

(a) Undertake to identify and locate every qualified handicapped person residing in the recipient’s jurisdiction who is not receiving a public education; and

(b) Take appropriate steps to notify handicapped persons and their parents or guardians of the recipient’s duty under this subpart.

[45 FR 30936, May 9, 2000, as amended at 65 FR 68054, Nov. 13, 2000]

§ 104.33 Free appropriate public education.

(a) General. A recipient that operates a public elementary or secondary education program or activity shall provide a free appropriate public education to each qualified handicapped person who is in the recipient’s jurisdiction, regardless of the nature or severity of the person’s handicap.

(b) Appropriate education. (1) For the purpose of this subpart, the provision of an appropriate education is the provision of regular or special education and related aids and services that (i)
are designed to meet individual educational needs of handicapped persons as adequately as the needs of nonhandicapped persons are met and (ii) are based upon adherence to procedures that satisfy the requirements of §§ 104.34, 104.35, and 104.36.

(2) Implementation of an Individualized Education Program developed in accordance with the Education of the Handicapped Act is one means of meeting the standard established in paragraph (b)(1)(i) of this section.

(3) A recipient may place a handicapped person or refer such a person for aid, benefits, or services other than those that it operates or provides as its means of carrying out the requirements of this subpart. If so, the recipient remains responsible for ensuring that the requirements of this subpart are met with respect to any handicapped person so placed or referred.

(c) Free education—(1) General. For the purpose of this section, the provision of a free education is the provision of educational and related services without cost to the handicapped person or to his or her parents or guardian, except for those fees that are imposed on non-handicapped persons or their parents or guardian. It may consist either of the provision of free services or, if a recipient places a handicapped person or refers such person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, of payment for the costs of the aid, benefits, or services. Funds available from any public or private agency may be used to meet the requirements of this subpart. Nothing in this section shall be construed to relieve an insurer or similar third party from an otherwise valid obligation to provide or pay for services provided to a handicapped person.

(2) Transportation. If a recipient places a handicapped person or refers such person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, the recipient shall ensure that adequate transportation to and from the aid, benefits, or services is provided at no greater cost than would be incurred by the person or his or her parents or guardian if the person were placed in the aid, benefits, or services operated by the recipient.

(3) Residential placement. If a public or private residential placement is necessary to provide a free appropriate public education to a handicapped person because of his or her handicap, the placement, including non-medical care and room and board, shall be provided at no cost to the person or his or her parents or guardian.

(4) Placement of handicapped persons by parents. If a recipient has made available, in conformance with the requirements of this section and §104.34, a free appropriate public education to a handicapped person and the person’s parents or guardian choose to place the person in a private school, the recipient is not required to pay for the person’s education in the private school. Disagreements between a parent or guardian and a recipient regarding whether the recipient has made a free appropriate public education available or otherwise regarding the question of financial responsibility are subject to the due process procedures of §104.36.

(d) Compliance. A recipient may not exclude any qualified handicapped person from a public elementary or secondary education after the effective date of this part. A recipient that is not, on the effective date of this regulation, in full compliance with the other requirements of the preceding paragraphs of this section shall meet such requirements at the earliest practicable time and in no event later than September 1, 1978.

§ 104.34 Educational setting.

(a) Academic setting. A recipient to which this subpart applies shall educate, or shall provide for the education of, each qualified handicapped person in its jurisdiction with persons who are not handicapped to the maximum extent appropriate to the needs of the handicapped person. A recipient shall place a handicapped person in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular

311
environment with the use of supplementary aids and services cannot be achieved satisfactorily. Whenever a recipient places a person in a setting other than the regular educational environment pursuant to this paragraph, it shall take into account the proximity of the alternate setting to the person’s home.

(b) Nonacademic settings. In providing or arranging for the provision of nonacademic and extracurricular services and activities, including meals, recess periods, and the services and activities set forth in §104.37(a)(2), a recipient shall ensure that handicapped persons participate with nonhandicapped persons in such activities and services to the maximum extent appropriate to the needs of the handicapped person in question.

(c) Comparable facilities. If a recipient, in compliance with paragraph (a) of this section, operates a facility that is identifiable as being for handicapped persons, the recipient shall ensure that the facility and the services and activities provided therein are comparable to the other facilities, services, and activities of the recipient.

§ 104.35 Evaluation and placement.

(a) Preplacement evaluation. A recipient that operates a public elementary or secondary education program or activity shall conduct an evaluation in accordance with the requirements of paragraph (b) of this section of any person who, because of handicap, needs or is believed to need special education or related services before taking any action with respect to the initial placement of the person in regular or special education and any subsequent significant change in placement.

(b) Evaluation procedures. A recipient to which this subpart applies shall establish standards and procedures for the evaluation and placement of persons who, because of handicap, need or are believed to need special education or related services which ensure that:

(1) Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;

(2) Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and

(3) Tests are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student’s aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student’s impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

(c) Placement procedures. In interpreting evaluation data and in making placement decisions, a recipient shall (1) draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social or cultural background, and adaptive behavior, (2) establish procedures to ensure that information obtained from all such sources is documented and carefully considered, (3) ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options, and (4) ensure that the placement decision is made in conformity with §104.34.

(d) Reevaluation. A recipient to which this section applies shall establish procedures, in accordance with paragraph (b) of this section, for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act is one means of meeting this requirement.

related services, a system of procedural safeguards that includes notice, an opportunity for the parents or guardian of the person to examine relevant records, an impartial hearing with opportunity for participation by the person's parents or guardian and representation by counsel, and a review procedure. Compliance with the procedural safeguards of section 615 of the Education of the Handicapped Act is one means of meeting this requirement.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68054, Nov. 13, 2000]

§ 104.37 Nonacademic services.
(a) General. (1) A recipient to which this subpart applies shall provide nonacademic and extracurricular services and activities in such manner as is necessary to afford handicapped students an equal opportunity for participation in such services and activities.

(2) Nonacademic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the recipients, referrals to agencies which provide assistance to handicapped persons, and employment of students, including both employment by the recipient and assistance in making available outside employment.

(b) Counseling services. A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities.

(c) Physical education and athletics. (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors interscholastic, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different from those offered to nonhandicapped students only if separation or differentiation is consistent with the requirements of §104.34 and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

§ 104.38 Preschool and adult education.
A recipient to which this subpart applies that provides preschool education or day care or adult education may not, on the basis of handicap, exclude qualified handicapped persons and shall take into account the needs of such persons in determining the aid, benefits or services to be provided.

[65 FR 68055, Nov. 13, 2000]

§ 104.39 Private education.
(a) A recipient that provides private elementary or secondary education may not, on the basis of handicap, exclude a qualified handicapped person if the person can, with minor adjustments, be provided an appropriate education, as defined in §104.33(b)(1), within that recipient's program or activity.

(b) A recipient to which this section applies may not charge more for the provision of an appropriate education to handicapped persons than to nonhandicapped persons except to the extent that any additional charge is justified by a substantial increase in cost to the recipient.

(c) A recipient to which this section applies that provides special education shall do so in accordance with the provisions of §§104.35 and 104.36. Each recipient to which this section applies is subject to the provisions of §§104.34, 104.37, and 104.38.

§ 104.41 Application of this subpart.

Subpart E applies to postsecondary education programs or activities, including postsecondary vocational education programs or activities, that receive Federal financial assistance and to recipients that operate, or that receive Federal financial assistance for the operation of, such programs or activities.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.42 Admissions and recruitment.

(a) General. Qualified handicapped persons may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient to which this subpart applies.

(b) Admissions. In administering its admission policies, a recipient to which this subpart applies:

(1) May not apply limitations upon the number or proportion of handicapped persons who may be admitted;

(2) May not make use of any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons or any class of handicapped persons unless (i) the test or criterion, as used by the recipient, has been validated as a predictor of success in the education program or activity in question and (ii) alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Assistant Secretary to be available;

(3) Shall assure itself that (i) admissions tests are selected and administered so as best to ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the applicant's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual, or speaking skills are offered as often and in as timely a manner as are other admissions tests; and (iii) admissions tests are administered in facilities that, on the whole, are accessible to handicapped persons; and

(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiry as to whether an applicant for admission is a handicapped person but, after admission, may make inquiries on a confidential basis as to handicaps that may require accommodation.

(c) Preadmission inquiry exception. When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §104.6(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §104.6(b), the recipient may invite applicants for admission to indicate whether and to what extent they are handicapped, Provided, That:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) Validity studies. For the purpose of paragraph (b)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question in order to monitor the general validity of the test scores.

§ 104.43 Treatment of students; general.

(a) No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational training,
housing, health insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other postsecondary education aid, benefits, or services to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, an education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap, exclude any qualified handicapped student from any course, course of study, or other part of its education program or activity.

(d) A recipient to which this subpart applies shall operate its program or activity in the most integrated setting appropriate.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.44 Academic adjustments.

(a) Academic requirements. A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating, on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) Other rules. A recipient to which this subpart applies may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or of dog guides in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient’s education program or activity.

(c) Course examinations. In its course examinations or other procedures for evaluating students’ academic achievement, a recipient to which this subpart applies shall provide such methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills as will best ensure that the results of the evaluation represent the student’s achievement in the course, rather than reflecting the student’s impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) Auxiliary aids. (1) A recipient to which this subpart applies shall take such steps as are necessary to ensure that no handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, or speaking skills.

(2) Auxiliary aids may include taped texts, interpreters or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

§ 104.45 Housing.

(a) Housing provided by the recipient. A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of the transition period provided for in subpart C, such housing shall be available in sufficient quantity and variety so that the scope of handicapped students’ choice of living accommodations
§ 104.46 Financial and employment assistance to students.

(a) Provision of financial assistance. (1) In providing financial assistance to qualified handicapped persons, a recipient to which this subpart applies may not,

(i) On the basis of handicap, provide less assistance than is provided to non-handicapped persons, limit eligibility for assistance, or otherwise discriminate or

(ii) Assist any entity or person that provides assistance to any of the recipient's students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of §104.43(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) Assistance in making available outside employment. A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that does not violate subpart B if they were provided by the recipient.

(c) Employment of students by recipients. A recipient that employs any of its students may not do so in a manner that violates subpart B.

§ 104.47 Nonacademic services.

(a) Physical education and athletics. (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of §104.43(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) Counseling and placement services. A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) Social organizations. A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]
§ 104.51 Application of this subpart.
Subpart F applies to health, welfare, and other social service programs or activities that receive Federal financial assistance and to recipients that operate, or that receive Federal financial assistance for the operation of, such programs or activities. [45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.52 Health, welfare, and other social services.
(a) General. In providing health, welfare, or other social services or benefits, a recipient may not, on the basis of handicap:
(1) Deny a qualified handicapped person these benefits or services;
(2) Afford a qualified handicapped person an opportunity to receive benefits or services that is not equal to that offered nonhandicapped persons;
(3) Provide a qualified handicapped person with benefits or services that are not as effective (as defined in § 104.4(b)) as the benefits or services provided to others;
(4) Provide benefits or services in a manner that limits or has the effect of limiting the participation of qualified handicapped persons; or
(5) Provide different or separate benefits or services to handicapped persons except where necessary to provide qualified handicapped persons with benefits and services that are as effective as those provided to others.
(b) Notice. A recipient that provides notice concerning benefits or services or written material concerning waivers of rights or consent to treatment shall take such steps as are necessary to ensure that qualified handicapped persons, including those with impaired sensory or speaking skills, are not denied effective notice because of their handicap.
(c) Emergency treatment for the hearing impaired. A recipient hospital that provides health services or benefits shall establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency health care.
(d) Auxiliary aids. (1) A recipient to which this subpart applies that employs fifteen or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills, where necessary to afford such persons an equal opportunity to benefit from the service in question.
(2) The Assistant Secretary may require recipients with fewer than fifteen employees to provide auxiliary aids where the provision of aids would not significantly impair the ability of the recipient to provide its benefits or services.
(3) For the purpose of this paragraph, auxiliary aids may include brailled and taped material, interpreters, and other aids for persons with impaired hearing or vision.

§ 104.53 Drug and alcohol addicts.
A recipient to which this subpart applies that operates a general hospital or outpatient facility may not discriminate in admission or treatment against a drug or alcohol abuser or alcoholic who is suffering from a medical condition, because of the person’s drug or alcohol abuse or alcoholism.

§ 104.54 Education of institutionalized persons.
A recipient to which this subpart applies and that operates or supervises a program or activity that provides aid, benefits or services for persons who are institutionalized because of handicap shall ensure that each qualified handicapped person, as defined in § 104.3(k)(2), in its program or activity is provided an appropriate education, as defined in § 104.33(b). Nothing in this section shall be interpreted as altering in any way the obligations of recipients under subpart D. [45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

Subpart G—Procedures

§ 104.61 Procedures.
The procedural provisions applicable to title VI of the Civil Rights Act of 1964 apply to this part. These procedures are found in §§100.6–100.10 and part 101 of this title.
defined by Congress or the Department to be contracts of assistance, the explicit exemption has been added only to contracts to be contracts of assistance; the explicit exemption has been added only to avoid possible confusion.

The proposed regulation’s exemption of contracts of insurance or guaranty has been retained. A number of comments argued for its deletion on the ground that section 504, unlike title VI and title IX, contains no statutory exemption for such contracts. There is no indication, however, in the legislative history of the Rehabilitation Act of 1973 or of the amendments to that Act in 1974, that Congress intended section 504 to have a broader application, in terms of federal financial assistance, than other civil rights statutes. Indeed, Congress directed that section 504 be implemented in the same manner as titles VI and IX. In view of the long established exemption of contracts of insurance or guaranty under title VI, we think it unlikely that Congress intended section 504 to apply to such contracts.

3. Handicapped person. Section 104.3(j), which defines the class of persons protected under the regulation, has not been substantively changed. The definition of handicapped person in paragraph (j)(1) conforms to the statutory definition of handicapped person that is applicable to section 504, as set forth in section 11(1)(a) of the Rehabilitation Act Amendments of 1974, Pub. L. 93-318.

The first of the three parts of the statutory and regulatory definition includes any person who has a physical or mental impairment that substantially limits one or more major life activities. Paragraph (j)(2)(i) further defines physical or mental impairments. The definition does not set forth a list of specific diseases and conditions that constitute physical or mental impairments because of the difficulty of ensuring the comprehensive-ness of any such list. The term includes, however, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and, as discussed below, drug addiction and alcoholism.

It should be emphasized that a physical or mental impairment does not constitute a handicap for purposes of section 504 unless its severity is such that it results in a substantial limitation of one or more major life activities. Several comments observed the lack of any definition in the proposed regulation of the phrase “substantially limits.” The Department does not believe that a definition of this term is possible at this time.

A related issue raised by several comments is whether the definition of handicapped person is unreasonably broad. Comments suggested narrowing the definition in various ways. The most common recommendation was that only “traditional” handicaps be covered. The Department continues to believe, however, that it has no flexibility within the statutory definition to limit the term to persons who have those severe, permanent, or progressive conditions that are most commonly regarded as handicaps. The Department intends, however, to give particular attention in its enforcement of section 504 to eliminating discrimination against persons with the severe handicaps that were the focus of concern in the Rehabilitation Act of 1973.

The definition of handicapped person also includes specific limitations on what persons are classified as handicapped under the regulation. The first of the three parts of the definition specifies that only physical and mental handicaps are included. Thus, environmental, cultural, and economic disadvantage are not in themselves covered; nor are prison records, age, or homosexuality. Of course, if a person who has any of these characteristics also has a physical or mental handicap, the person is included within the definition of handicapped person.

In paragraph (j)(2)(i), physical or mental impairment is defined to include, among other impairments, specific learning disabilities. The Department will interpret the term as it is used in section 602 of the Education of the Handicapped Act, as amended. Paragraph (15) of section 602 uses the term “specific learning disabilities” to describe...
such conditions as perceptual handicaps, brain injury, minimal brain dysfunction, dyslexia, and developmental disabilitie.

Paragraph (j)(2)(i) has been shortened, but not substantially altered, by the deletion of phrase (C), which explained the inclusion of any condition which is mental or physical but whose precise nature is not at present known. Clauses (A) and (B) clearly comprehend such conditions.

The second part of the statutory and regulatory definition of handicapped person includes any person who has a record of a physical or mental impairment that substantially limits a major life activity. Under the definition of “record” in paragraph (j)(2)(ii), persons who have a history of a handicapping condition but no longer have the condition, as well as persons who have been incorrectly classified as having such a condition, are protected from discrimination under section 504. Frequently occurring examples of the first group are persons with histories of mental or emotional illness, heart disease, or cancer; of the second group, persons who have been misclassified as mentally retarded.

The third part of the statutory and regulatory definition of handicapped person includes any person who is regarded as having a physical or mental impairment that substantially limits one or more major life activities. It includes many persons who are ordinarily considered to be handicapped but who do not technically fall within the first two parts of the statutory definition, such as persons with a limp. This part of the definition also includes some persons who might not ordinarily be considered handicapped, such as persons with disfiguring scars, as well as persons who have no physical or mental impairment but are treated by a recipient as if they were handicapped.

4. Drug addicts and alcoholics. As was the case during the first comment period, the issue of whether to include drug addicts and alcoholics within the definition of handicapped person was of major concern to many commenters. The arguments presented on each side of the issue were similar during the two comment periods, as was the preference of commenters for exclusion of this group of persons. While some comments reflected misconceptions about the implications of including alcoholics and drug addicts within the scope of the regulation, the Secretary understands the concerns that underlie the comments on this question and recognizes that application of section 504 to active alcoholics and drug addicts presents sensitive and difficult questions that must be taken into account in interpretation and enforcement.

The Secretary has carefully examined the issue and has obtained a legal opinion from the Attorney General. That opinion concludes that drug addiction and alcoholism are “physical or mental impairments” within the meaning of section 7(6) of the Rehabilitation Act of 1973, as amended, and that drug addicts and alcoholics are therefore handicapped for purposes of section 504 if their impairment substantially limits one of their major life activities. The Secretary therefore believes that he is without authority to exclude these conditions from the definition.

There is a medical and legal consensus that alcoholism and drug addiction are diseases, although there is disagreement as to whether they are primarily mental or physical. In addition, while Congress did not focus specifically on the problems of drug addiction and alcoholism in enacting section 504, the committees that considered the Rehabilitation Act of 1973 were made aware of the Department’s long-standing practice of treating addicts and alcoholics as handicapped individuals eligible for rehabilitation services under the Vocational Rehabilitation Act.

The Secretary wishes to reassure recipients that inclusion of addicts and alcoholics within the scope of the regulation will not lead to the consequences feared by many commenters. It cannot be emphasized too strongly that the statute and the regulation apply only to discrimination against qualified handicapped persons solely by reason of their handicap. The fact that drug addiction and alcoholism may be handicaps does not mean that these conditions must be ignored in determining whether an individual is qualified for services or employment opportunities. On the contrary, a recipient may hold a drug addict or alcoholic to the same standard of performance and behavior to which it holds others, even if any unsatisfactory performance or behavior is related to the person’s drug addiction or alcoholism. In other words, while an alcoholic or drug addict may not be denied services or disqualified from employment solely because of his or her condition, the behavioral manifestations of the condition may be taken into account in determining whether he or she is qualified.

With respect to the employment of a drug addict or alcoholic, if it can be shown that the addiction or alcoholism prevents successful performance of the job, the person need not be provided the employment opportunity in question. For example, in making employment decisions, a recipient may judge addicts and alcoholics on the same basis it judges all other applicants and employees. Thus, a recipient may consider—for all applicants including drug addicts and alcoholics—past personnel records, absenteeism, disruptive, abusive, or dangerous behavior, violations of rules and unsatisfactory work performance. Moreover, employers may enforce rules prohibiting the possession or use of alcohol or drugs in the workplace, provided
that such rules are enforced against all employees.

With respect to other services, the implications of coverage, of alcoholics and drug addicts, no person may be excluded from services solely by reason of the presence or history of these conditions; second, to the extent that the manifestations of the condition prevent a person from meeting the basic eligibility requirements of the program or cause substantial interference with the operation of the program, the condition may be taken into consideration. Thus, a college may not exclude an addict or alcoholic as a student, on the basis of addiction or alcoholism, if the person can successfully participate in the education program and complies with the rules of the college and if his or her behavior does not impede the performance of other students.

Of great concern to many commenters was the question of what effect the inclusion of drug addicts and alcoholics as handicapped persons would have on school disciplinary rules nor their application to drug addicts or alcoholics is prohibited by this regulation, provided that the rules are enforced evenly with respect to all students.

5. Qualified handicapped person. Paragraph (k) of §104.3 defines the term "qualified handicapped person." Throughout the regulation, this term is used instead of the statutory term "otherwise qualified handicapped persons." The Department believes that the omission of the word "otherwise" is necessary in order to comport with the intent of the statute because, read literally, "otherwise qualified handicapped persons" includes persons who are qualified except for their handicap, rather than in spite of their handicap. Under such a literal reading, a blind person possessing all the qualifications for driving a bus except sight could be said to be "otherwise qualified" for the job of driving. Clearly, such a result was not intended by Congress. In all other respects, the terms "qualified" and "otherwise qualified" are intended to be interchangeable.

Section 104.3(k)(1) defines a qualified handicapped person with respect to employment as a handicapped person who can, with reasonable accommodation, perform the essential functions of the job in question. The term 'essential functions' does not appear in the corresponding provision of the Department of Labor’s section 503 regulation, and a few commenters objected to its inclusion on the ground that a handicapped person should be able to perform all job tasks. However, the Department believes that inclusion of the phrase is useful in emphasizing that handicapped persons should not be disqualified simply because they may have difficulty in performing tasks that bear only a marginal relationship to a particular job. Further, we are convinced that inclusion of the phrase is not inconsistent with the Department of Labor’s application of its definition. Certain commenters urged that the definition of qualified handicapped person be amended so as explicitly to place upon the employer the burden of showing that a particular mental or physical characteristic is essential. Because the same result is achieved by the requirement contained in paragraph (a) of §104.13, which requires an employer to establish that any selection criterion that tends to screen out handicapped persons is job-related, that recommendation has not been followed.

Section 104.3(k)(2) defines qualified handicapped person, with respect to preschool, elementary, and secondary programs, in terms of age. Several commenters recommended that eligibility for the services be based upon the standard of substantial benefit, rather than age, because of the need of many handicapped children for early or extended services if they are to have an equal opportunity to benefit from education programs. No change has been made in this provision, again because of the extreme difficulties in administration that would result from the choice of the former standard. Under the remedial action provisions of §104.6(a)(3), however, persons beyond the age limits prescribed in §104.3(k)(2) may in appropriate cases be required to be provided services that they were formerly denied because of a recipient’s violation of section 504.

Section 104.3(k)(2) states that a handicapped person is qualified for preschool, elementary, or secondary services if the person is of an age at which nonhandicapped persons are eligible for such services or at which State law mandates the provision of educational services to handicapped persons. In addition, the extended age ranges for which recipients must provide full educational opportunity to all handicapped persons in order to be eligible for assistance under the Education of the Handicapped Act—generally, 3–21 as of September 1978, and 3–21 as of September 1980—are incorporated by reference in this paragraph.

Section 104.3(k)(3) defines qualified handicapped person with respect to postsecondary educational programs. As revised, the paragraph means that both academic and technical standards must be met by applicants to these programs. The term technical standards refers to all nonacademic admissions criteria that are essential to participation in the program in question.

6. General prohibitions against discrimination. Section 104.4 contains general prohibitions against discrimination applicable to all recipients of assistance from this Department. Paragraph (b)(1)(i) prohibits the exclusion of qualified handicapped persons from aids, benefits, or services, and paragraph (ii) requires that equal opportunity to participate
or benefit be provided. Paragraph (iii) requires that services provided to handicapped persons be as effective as those provided to the nonhandicapped. In paragraph (iv), different services are prohibited except when necessary to provide equally effective benefits.

In this context, the term equally effective, defined in paragraph (b)(2), is intended to encompass the concept of equivalent, as opposed to identical, services and to acknowledge the fact that in order to meet the individual needs of handicapped persons to the same extent that the corresponding needs of nonhandicapped persons are met, adjustments to regular programs or the provision of different programs may sometimes be necessary. This standard parallels the one established under title VI of Civil Rights Act of 1964 with respect to the provision of educational services to students whose primary language is not English. See Lau v. Nichols, 414 U.S. 563 (1974). To be equally effective, however, an aid, benefit, or service need not produce equal results; it merely must afford an equal opportunity to achieve equal results.

It must be emphasized that, although separate services must be required in some instances, the provision of unnecessarily separate or different services is discriminatory. The addition to paragraph (b)(2) of the phrase “in the most integrated setting appropriate to the person’s needs” is intended to reinforce this general concept. A new paragraph (b)(3) has also been added to §104.4, requiring recipients to give qualified handicapped persons the opportunity to participate in regular programs despite the existence of permissibly separate or different programs. The requirement has been reiterated in §§104.38 and 104.47 in connection with physical education and athletics programs.

Section 104.4(b)(1)(v) prohibits a recipient from supporting another entity or person that subjects participants or employees in the recipient’s program to discrimination on the basis of handicap. This section would, for example, prohibit financial support by a recipient to a community recreational group or to a professional or social organization that discriminates against handicapped persons. Among the criteria to be considered in each case are the substantiality of the relationship between the recipient and the other entity, including financial support by the recipient, and whether the other entity’s activities relate so closely to the recipient’s program or activity that they fairly should be considered activities of the recipient itself. Paragraph (b)(1)(vi) was added in response to comment in order to make explicit the prohibition against denying qualified handicapped persons the opportunity to serve on planning and advisory boards responsible for guiding federally assisted programs or activities.

Several comments appeared to interpret §104.4(b)(5), which proscribes discriminatory site selection, to prohibit a recipient that is located on hilly terrain from erecting any new buildings at its present site. That, of course, is not the case. This paragraph is not intended to apply to construction of additional buildings at an existing site. Of course, any such facilities must be made accessible in accordance with the requirements of §104.23.

7. Assurances of compliance. Section 104.5(a) requires a recipient to submit to the Assistant Secretary an assurance that each of its programs and activities receiving or benefiting from Federal financial assistance from this Department will be conducted in compliance with this regulation. Many commenters also sought relief from the paperwork requirements imposed by the Department’s enforcement of its various civil rights responsibilities by requesting the Department to issue one form incorporating title VI, title IX, and section 504 assurances. The Secretary is sympathetic to this request. While it is not feasible to adopt a single civil rights assurance form at this time, the Office for Civil Rights will work toward that goal.

8. Private rights of action. Several comments urged that the regulation incorporate provision granting beneficiaries a private right of action against recipients under section 501. To confer such a right is beyond the authority of the executive branch of Government. There is, however, case law holding that such a right exists. Lloyd v. Regional Transportation Authority, 548 F. 2d 1277 (7th Cir. 1977); see Hairston v. Drossick, Civil No. 75–0081 (S.D. W. Va., Jan. 14, 1976); Gurmankin v. Castanzo, 411 F. Supp. 982 (E.D. Pa. 1976); cf. Lau v. Nichols, supra.

9. Remedial action. Where there has been a finding of discrimination, §104.6 requires a recipient to take remedial action to overcome the effects of the discrimination. Actions that might be required under paragraph (a)(1) include provision of services to persons previously discriminated against, reinstatement of employees and development of a remedial action plan. Should a recipient fail to take required remedial action, the ultimate sanctions of court action or termination of Federal financial assistance may be imposed.

Paragraph (a)(2) extends the responsibility for taking remedial action to a recipient that exercises control over a noncomplying recipient. Paragraph (a)(3) also makes clear that handicapped persons who are not in the program at the time that remedial action is required to be taken may also be the subject of such remedial action. This paragraph has been revised in response to comments in order to include persons who would have been in the program if discriminatory practices had not existed. Paragraphs (a) (1), (2), and (3) have also been amended in response...
to comments to make plain that, in appropriate cases, remedial action might be required to redress clear violations of the statute itself that occurred before the effective date of this regulation.

10. Voluntary action. In §104.6(b), the term “voluntary action” has been substituted for the term “affirmative action” because the use of the latter term led to some confusion. We believe the term “voluntary action” more accurately reflects the purpose of the paragraph. This provision allows action, beyond that required by the regulation, to overcome conditions that led to limited participation by handicapped persons, whether or not the limited participation was caused by any discriminatory actions on the part of the recipient. Several commenters urged that paragraphs (a) and (b) be revised to require remedial action to overcome effects of prior discriminatory practices regardless of whether there has been an express finding of discrimination. The self-evaluation requirement in paragraph (c) accomplishes much the same purpose.

11. Self-evaluation. Paragraph (c) requires recipients to conduct a self-evaluation in order to determine whether their policies or practices may discriminate against handicapped persons and to take steps to modify any discriminatory policies and practices and their effects. The Department received many comments approving of the addition to paragraph (c) of a requirement that recipients undertake the policy modifications and remedial steps prescribed in paragraphs (c)(2) and (iii). This paragraph has been further amended to require consultation with handicapped persons or organizations representing them before recipients undertake the policy modifications and remedial steps prescribed in paragraphs (c)(2) and (iii). Paragraph (c)(2), which sets forth the recordkeeping requirements concerning self-evaluation, now applies only to recipients with fifteen or more employees. This change was made as part of an effort to reduce unnecessary or counterproductive administrative obligations on small recipients. For those recipients required to keep records, the requirements have been made more specific; records must include a list of persons consulted and a description of areas examined, problems identified, and corrective steps taken. Moreover, the records must be made available for public inspection.

12. Grievance procedure. Section 104.7 requires recipients with fifteen or more employees to designate an individual responsible for coordinating its compliance efforts and to adopt a grievance procedure. Two changes were made in the section in response to comments. A general requirement that appropriate due process procedures be followed has been added. It was decided that the details of such procedures could not at this time be specified because of the varied nature of the persons and entities who must establish the procedures and of the programs to which they apply. A sentence was also added to make clear that grievance procedures are not required to be made available to unsuccessful applicants for employment or to applicants for admission to colleges and universities.

The regulation does not require that grievance procedures be exhausted before recourse is sought from the Department. However, the Secretary believes that it is desirable and efficient in many cases for complainants to seek resolution of their complaints and disputes at the local level and therefore encourages them to use available grievance procedures.

A number of comments asked whether compliance with this section or the notice requirements of §104.8 could be coordinated with comparable action required by the title IX regulation. The Department encourages such efforts.

13. Notice. Section 104.8 (formerly §84.9) sets forth requirements for dissemination of statements of nondiscrimination policy by recipients. It is important that both handicapped persons and the public at large be aware of the obligations of recipients under section 504. Both the Department and recipients have responsibilities in this regard. Indeed the Department intends to undertake a major public information effort to inform persons of their rights under section 504 and this regulation. In §104.8 the Department has sought to impose a clear obligation on major recipients to notify beneficiaries and employees of the requirements of section 504, without dictating the precise way in which this notice must be given. At the same time, we have avoided imposing requirements on small recipients (those with fewer than fifteen employees) that would create unnecessary and counterproductive paper work burdens on them and unduly stretch the enforcement resources of the Department.

Section 104.8(a), as simplified, requires recipients with fifteen or more employees to take appropriate steps to notify beneficiaries and employees of the recipient’s obligations under section 504. The last sentence of §104.8(a) has been revised to list possible, rather than required, means of notification. Section 104.8(b) requires recipients to include a notification of their policy of nondiscrimination in recruitment and other general information materials.

In response to a number of comments, §104.8 has been revised to delete the requirements of publication in local newspapers, which has proved to be both troublesome and ineffective. Several commenters suggested that notification on separate forms be allowed until present stocks of publications and forms are depleted. The final regulation explicitly allows this method of compliance.
The separate form should, however, be included with each significant publication or form that is distributed.

Section 104 which prohibited the use of materials that might give the impression that a recipient excludes qualified handicapped persons from its program, has been deleted. The Department is convinced by the comments that this provision is unnecessary and difficult to apply. The Department encourages recipients, however, to include in their recruitment and other general information materials photographs of handicapped persons and ramps and other features of accessible buildings.

Under new §104.9 the Assistant Secretary may, under certain circumstances, require recipients with fewer than fifteen employees to comply with one or more of these requirements. Thus, if experience shows a need for imposing notice or other requirements on particular recipients or classes of small recipients, the Department is prepared to expand the coverage of these sections.

14. Inconsistent State laws. Section 104.10(a) states that compliance with the regulation is not excused by State or local laws limiting the eligibility of qualified handicapped persons to receive services or to practice an occupation. The provision thus applies only with respect to State or local laws that unjustifiably differentiate on the basis of handicap.

Paragraph (b) further points out that the presence of limited employment opportunities in a particular profession, does not excuse a recipient from complying with the regulation. Thus, a law school could not deny admission to a blind applicant because blind lawyers may find it more difficult to find jobs than do nonhandicapped lawyers.

Subpart B—Employment Practices

Subpart B prescribes requirements for nondiscrimination in the employment practices of recipients of Federal financial assistance administered by the Department. This subpart is consistent with the employment provisions of the Department’s regulation implementing title IX of the Education Amendments of 1972 (34 CFR, part 106) and the regulation of the Department of Labor under section 501 of the Rehabilitation Act of 1973.

Paragraph (b) of §104.11 sets forth the specific aspects of employment covered by the regulation. Paragraph (c) provides that inconsistent provisions of collective bargaining agreements do not excuse noncompliance.

16. Reasonable accommodation. The reasonable accommodation requirement of §104.12 generated a substantial number of comments. The Department remains convinced that its approach is both fair and effective. Moreover, the Department of Labor reports that it has experienced little difficulty in administering the requirements of reasonable accommodation. The provision therefore remains basically unchanged from the proposed regulation.

Section 104.12 requires a recipient to make reasonable accommodation to the known physical or mental limitations of a handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program. Where a handicapped person is not qualified to perform a particular job, where reasonable accommodation causes undue hardship to the employer, failure to hire or promote the handicapped person will not be considered discrimination.

Section 104.12(b) lists some of the actions that constitute reasonable accommodation. The list is neither all-inclusive nor meant to suggest that employers must follow all of the actions listed.

Reasonable accommodation includes modification of work schedules, including part-time employment, and job restructuring. Job restructuring may entail shifting nonessential duties to other employees. In other cases, reasonable accommodation may include physical modifications or relocation of particular offices or jobs so that they are in facilities or parts of facilities that are accessible to and usable by handicapped persons. If such accommodations would cause undue
hardship to the employer, they need not be made.

Paragraph (c) of this section sets forth the factors that the Office for Civil Rights will consider in determining whether an accommodation necessary to enable an applicant or employee to perform the duties of a job would impose an undue hardship. The weight given to each of these factors in making the determination as to whether an accommodation constitutes undue hardship will vary depending on the facts of a particular situation. Thus, a small day-care center might not be required to expend more than a nominal sum, such as that necessary to equip a telephone for use by a secretary with impaired hearing, but a large school district might be required to make available a teacher’s aide to a blind applicant for a teaching job. The reasonable accommodation standard in §104.12 is similar to the obligation imposed upon Federal contractors in the regulation implementing section 503 of the Rehabilitation Act of 1973, administered by the Department of Labor. Although the wording of the reasonable accommodation provisions of the two regulations is not identical, the obligation that the two regulations impose is the same, and the Federal Government’s policy in implementing the two sections will be uniform. The Department adopted the factors listed in paragraph (c) instead of the “business necessity” standard of the Labor regulation because that term seemed inappropriate to the nature of the programs operated by the majority of institutions subject to this regulation, e.g., public school systems, colleges and universities. The factors listed in paragraph (c) are intended to make the rationale underlying the business necessity standard applicable to an understandabl...

applicant is an epileptic but may ask whether the person can perform a particular job without endangering other employees. Section 104.14(b) allows preemployment inquiries only if they are made in conjunction with required remedial action to correct past discrimination, with voluntary action to overcome past conditions that have limited the participation of handicapped persons, or with obligations under section 503 of the Rehabilitation Act of 1973. In these instances, paragraph (b) specifies certain safeguards that must be followed by the employer.

Finally, the revised provision allows an employer to condition offers of employment to handicapped persons on the results of medical examinations, so long as the examinations are administered to all employees in a nondiscriminatory manner and the results are treated on a confidential basis.

Specific acts of Discrimination. Sections 104.15 (recruitment), 104.16 (compensation), 104.17 (job classification and structure) and 104.18 (fringe benefits) have been deleted from the regulation as unnecessarily duplicative of §104.11 (discrimination prohibited). The deletion of these sections in no way changes the substantive obligations of employers subject to this regulation from those set forth in the July 16 proposed regulation. These deletions bring the regulation closer to the Department of Labor's section 503 regulation.

A proposed section, concerning fringe benefits, had allowed for differences in benefits or contributions between handicapped and non-handicapped persons in situations only where such differences could be justified on an actuarial basis. Section 104.11 simply bars discrimination in providing fringe benefits and does not address the issue of actuarial differences. The Department believes that currently available data and experience do not demonstrate a basis for promulgating a regulation specifically allowing for differences in benefits or contributions.

SUBPART C—PROGRAM ACCESSIBILITY

In general, Subpart C prohibits the exclusion of qualified handicapped persons from federally assisted programs or activities because a recipient’s facilities are inaccessible or unusable.

Existing facilities. Section 104.22 maintains the same standard for nondiscrimination in regard to existing facilities as was included in the proposed regulation. The section states that a recipient’s program or activity, when viewed in its entirety, must be readily accessible to and usable by handicapped persons. Paragraphs (a) and (b) make clear that a recipient is not required to make each of its existing facilities accessible to handicapped persons if its program as a whole is accessible. Accessibility to the recipient’s program or activity may be achieved by a number of means, including re-design of equipment, reassignment of classes or other services to accessible buildings, and making aids available to beneficiaries. In choosing among methods of compliance, recipients are required to give priority consideration to methods that will be consistent with provision of services in the most appropriate integrated setting. Structural changes in existing facilities, where such changes could be justified on a reasonable selection of elective courses in accessible facilities. If sufficient relocation of classes is not possible using existing facilities, enough alterations to ensure program accessibility are required. A university may not exclude a handicapped student from a specifically requested course offering because it is not offered in an accessible location, but it need not make every section of that course accessible.

Commenters representing several institutions of higher education have suggested that it would be appropriate for one postsecondary institution in a geographical area to be made accessible to handicapped persons and for other colleges and universities in that area to participate in that school’s program, thereby developing an educational consortium for the postsecondary education of handicapped students. The Department believes that such a consortium, when developed and applied only to handicapped persons, would not constitute compliance with §104.22, but would discriminate against qualified handicapped persons by restricting their choice in selecting institutions of higher education and would, therefore, be inconsistent with the basic objectives of the statute.

Nothing in this regulation, however, should be read as prohibiting institutions from forming consortia for the benefit of all students. Thus, if three colleges decide that it would be cost-efficient for one college to offer biology, the second physics, and the third chemistry to all students at the three colleges, the arrangement would not violate section 504. On the other hand, it would violate the regulation if the same institutions set up a consortium under which one college undertook to make its biology lab accessible, another its physics lab, and a third its chemistry lab, and under which mobility-impaired handicapped students (but not other students) were required to attend the particular college that is accessible for the desired courses.

Similarly, while a public school district need not make each of its buildings completely accessible, it may not make only one
facility or part of a facility accessible if the result is to segregate handicapped students in a single setting.

All recipients that provide health, welfare, or social services may also comply with §104.22 by delivering services at alternate accessible sites or making home visits. Thus, for example, a pharmacist might arrange to make home deliveries of drugs. Under revised §104.22(c), small providers of health, welfare, and social services (those with fewer than fifteen employees) may refer a beneficiary to an accessible provider of the desired service, but only if no means of meeting the program accessibility requirement other than a significant alteration in existing facilities is available. The referring recipient has the responsibility of determining that the other provider is in fact accessible and willing to provide the service.

A recent change in the tax law may assist some recipients in meeting their obligations under this section. Under section 2122 of the Tax Reform Act of 1976, recipients that pay federal income tax are eligible to claim a tax deduction of up to $20,000 for architectural and transportation modifications made to improve accessibility for handicapped persons. See 42 FR 17870 (April 4, 1977), adopting 26 CFR 7.196.

Several commenters expressed concern about the feasibility of compliance with the program accessibility standard. The Secretary believes that the standard is flexible enough to permit recipients to devise ways to make their programs accessible short of extremely expensive or impractical physical changes in facilities. Accordingly, the section does not allow for waivers. The Department is ready at all times to provide technical assistance to recipients in meeting their program accessibility responsibilities. For this purpose, the Department is establishing a special technical assistance unit. Recipients are encouraged to call upon the unit staff for advice and guidance both on structural modifications and on other ways of meeting the program accessibility requirement.

Paragraph (d) has been amended to require recipients to make all nonstructural adjustments necessary for meeting the program accessibility standard within sixty days. Only where structural changes in facilities are necessary will a recipient be permitted up to three years to accomplish program accessibility. It should be emphasized that the three-year time period is not a waiting period and that all changes must be accomplished as expeditiously as possible. Further, it is the Department’s belief, after consultation with experts in the field, that outside ramps to buildings can be constructed quickly and at relatively low cost. Therefore, it will be expected that such structural additions will be made promptly to comply with §104.22(d).

The regulation continues to provide, as did the proposed version, that a recipient planning to achieve program accessibility by making structural changes must develop a transition plan for such changes within six months of the effective date of the regulation. A number of commenters suggested extending that period to one year. The Secretary believes that such an extension is unnecessary and unwise. Planning for any necessary structural changes should be undertaken promptly to ensure that they can be completed within the three-year period. The elements of the transition plan as required by the regulation remain virtually unchanged from the proposal but §104.22(d) now includes a requirement that the recipient make the plan available for public inspection.

Several commenters expressed concern that the program accessibility standard would result in the segregation of handicapped persons in educational institutions. The regulation will not be applied to permit such a result. See §104.4(c)(2)(iv), prohibiting unnecessarily separate treatment; §104.35, requiring that students in elementary and secondary schools be educated in the most integrated setting appropriate to their needs; and new §104.43(d), applying the same standard to postsecondary education.

We have received some comments from organizations of handicapped persons on the subject of requiring, over an extended period of time, a barrier-free environment—that is, requiring the removal of all architectural barriers in existing facilities. The Department has considered these comments but has decided to take no further action at this time concerning these suggestions, believing that such action should only be considered in light of experience in implementing the program accessibility standard.

21. New construction. Section 104.23 requires that all new facilities, as well as alterations that could affect access to and use of existing facilities, be designed and constructed in a manner so as to make the facility accessible to and usable by handicapped persons. Section 104.23(a) has been amended so that it applies to each newly constructed facility if the construction was commenced after the effective date of the regulation. The words “if construction has commenced” will be considered to mean “if groundbreaking has taken place.” Thus, a recipient will not be required to alter the design of a facility that has progressed beyond groundbreaking prior to the effective date of the regulation.

Paragraph (b) requires certain alterations to conform to the requirement of physical accessibility in paragraph (a). If an alteration is undertaken to a portion of a building the accessibility of which could be improved by the manner in which the alteration is carried out, the alteration must be made in that manner. Thus, if a doorway or
wall is being altered, the door or other wall opening must be made wide enough to accommodate wheelchairs. On the other hand, if the alteration consists of altering ceilings, the provisions of this section are not applicable because this alteration cannot be done in a way that affects the accessibility of that portion of the building. The phrase "to the maximum extent feasible" has been added to allow for the occasional case in which the nature of an existing facility is such as to make it impractical or prohibitively expensive to renovate the building in a manner that results in its being entirely barrier-free. In all such cases, however, the alteration should provide the maximum amount of physical accessibility feasible.

Section 104.23(d) of the proposed regulation, providing for a limited deferral of action concerning facilities that are subject to section 502 as well as section 504 of the Act, has been deleted. The Secretary believes that the provision is unnecessary and inappropriate to this regulation. The Department will, however, seek to coordinate enforcement activities under this regulation with those of the Architectural and Transportation Barriers Compliance Board.

SUBPART D—PRE-SCHOOL, ELEMENTARY, AND SECONDARY EDUCATION

Subpart D sets forth requirements for nondiscrimination in preschool, elementary, secondary, and adult education programs and activities, including secondary vocational education programs. In this context, the term "adult education" refers only to those educational programs and activities for adults that are operated by elementary and secondary schools.

The provisions of Subpart D apply to state and local educational agencies. Although the subpart applies, in general, to both public and private education programs and activities that are federally assisted, §§ 104.32 and 104.33 apply only to private programs; §§ 104.35 and 104.36 apply both to public programs and to those private programs that include special services for handicapped students.

The basic requirements common to these cases, to the EHA, and to this regulation are (1) that handicapped persons, regardless of the nature or severity of their handicap, be provided a free appropriate public education, (2) that handicapped students be educated with nonhandicapped students to the maximum extent appropriate to their needs, (3) that educational agencies undertake to identify and locate all handicapped children, (4) that evaluation procedures be improved in order to avoid the inappropriate education that results from the misclassification of students, and (5) that procedural safeguard be established to enable parents and guardians to influence decisions regarding the evaluation and placement of their children. These requirements are designed to ensure that no handicapped child is excluded from school on the basis of handicap and, if a recipient demonstrates that placement in a regular education setting cannot be achieved satisfactorily, that the student is provided with adequate alternative services suited to the student’s needs without additional cost to the student’s parents or guardian. Thus, a recipient that operates a public school system must either educate handicapped children in its regular program or provide such children with an appropriate alternative education at public expense.

It is not the intention of the Department, except in extraordinary circumstances, to review the result of individual placement and other educational decisions, so long as the school district complies with the "process" requirements of this subpart (concerning identification and location, evaluation, and due process procedures). However, the Department will place a high priority on investigating cases which may involve exclusion of a child from the education system or a pattern or practice of discriminatory placements or education.

22. Location and notification. Section 104.32 requires public schools to take steps annually to identify and locate handicapped children who are not receiving an education and to publicize to handicapped children and their parents the rights and duties established by section 504 and this regulation. This section has been shortened without substantive change.

23. Free appropriate public education. Under §104.33(a), a recipient is responsible for providing a free appropriate public education to each qualified handicapped person who is in the recipient’s jurisdiction. The word "in" encompasses the concepts of both domicile and actual residence. If a recipient places a child in a program other than its own, it remains financially responsible for the child, whether or not the other program is operated by another recipient or educational agency. Moreover, a recipient may not place a child in a program that is inappropriate or that otherwise violates the requirements of Subpart D. And in no case may a recipient refuse to provide services to a handicapped child in its jurisdiction because of another
person’s or entity’s failure to assume financial responsibility.

Section 104.33(b) concerns the provision of appropriate educational services to handicapped children. To be appropriate, such services must be designed to meet handicapped children’s individual educational needs to the same extent that those of non-handicapped children are met. An appropriate education could consist of education in regular classes, education in regular classes with the use of supplementary services, or special education and related services. Special education may include specially designed instruction in classrooms, at home, or in private or public institutions and may be accompanied by such related services as developmental, corrective, and other supportive services (including psychological, counseling, and medical diagnostic services). The placement of the child must however, be consistent with the requirements of §104.34 and be suited to his or her educational needs.

The quality of the educational services provided to handicapped students must equal that of the services provided to nonhandicapped students; thus, handicapped student’s teachers must be trained in the instruction of persons with the handicap in question and appropriate materials and equipment must be available. The Department is aware that the supply of adequately trained teachers may, at least at the outset of the imposition of this requirement, be insufficient to meet the demand of all recipients. This factor will be considered in determining the appropriateness of the remedy for noncompliance with this section. A new §104.33(b)(2) has been added, which allows this requirement to be met through the full implementation of an individualized education program developed in accordance with the standards of the EHA.

Paragraph (c) of §104.33 sets forth the specific financial obligations of a recipient. If a recipient does not itself provide handicapped persons with the requisite services, it must assume the cost of any alternate placement. If, however, a recipient offers adequate services and if alternate placement is chosen by a student’s parent or guardian, the recipient need not assume the cost of the outside services. (If the parent or guardian believes that his or her child cannot be suitably educated in the recipient’s program, he or she may make use of the procedures established in §104.36.) Under this paragraph, a recipient’s obligation extends beyond the provision of tuition payments in the case of placement outside the regular program. Adequate transportation must also be provided. Recipients must also pay for psychological services and those medical services necessary for diagnostic and evaluative purposes.

If the recipient places a student, because of his or her handicap, in a program that necessitates his or her being away from home, the payments must also cover room and board and nonmedical care (including custodial and supervisory care). When residential care is necessitated not by the student’s handicap but by factors such as the student’s home conditions, the recipient is not required to pay the cost of room and board.

Two new sentences have been added to paragraph (c)(1) to make clear that a recipient’s financial obligations need not be met solely through its own funds. Recipients may rely on funds from any public or private source including insurers and similar third parties.

The EHA requires a free appropriate education to be provided to handicapped children “no later than September 1, 1978,” but section 504 contains no authority for delaying enforcement. To resolve this problem, a new paragraph (d) has been added to §104.33. Section 104.33(d) requires recipients to achieve full compliance with the free appropriate public education requirements of §104.33 as expeditiously as possible, but in no event later than September 1, 1978. The provision also makes clear that, as of the effective date of this regulation, no recipient may exclude a qualified handicapped child from its educational program. This provision against exclusion is consistent with the order of providing services set forth in section 612(3) of the EHA, which places the highest priority on providing services to handicapped children who are not receiving an education.

24. Educational setting. Section 104.34 prescribes standards for educating handicapped persons with nonhandicapped persons to the maximum extent appropriate to the needs of the handicapped person in question. A handicapped student may be removed from the regular educational setting only where the recipient can show that the needs of the student would, on balance, be served by placement in another setting.

Although under §104.34, the needs of the handicapped person are determinative as to proper placement, it should be stressed that, where a handicapped student is so disruptive in a regular classroom that the education of other students is significantly impaired, the needs of the handicapped child cannot be met in that environment. Therefore, regular placement would not be appropriate to his or her needs and would not be required by §104.34.

Among the factors to be considered in placing a child is the need to place the child as close to home as possible. A new sentence has been added to paragraph (a) requiring recipients to take this factor into account. As pointed out in several comments, the parents’ right under §104.36 to challenge the placement of their child extends not only to placement in special classes or separate schools but also to placement in a distant
school and, in particular, to residential placement. An equally appropriate educational program may exist closer to home; this issue may be raised by the parent or guardian under §§ 104.34 and 104.36.

New paragraph (b) specified that handicapped children must also be provided nonacademic services in as integrated a setting as possible. This requirement is especially important for children whose educational needs necessitate their being solely with other handicapped children during most of each day. To the maximum extent appropriate, children in residential settings are also to be provided opportunities for participation with other children.

Section 104.34(c) requires that any facilities that are identifiable as being for handicapped students be comparable in quality to other facilities of the recipient. A number of comments objected to this section on the basis that it encourages the creation and maintenance of such facilities. This is not the intent of the provision. A separate facility violates section 504 unless it is indeed necessary to the provision of an appropriate education to certain handicapped students. In those instances in which such facilities are necessary (as might be the case, for example, for severely retarded persons), this provision requires that the educational services provided be comparable to those provided in the facilities of the recipient that are not identifiable as being for handicapped persons.

25. Evaluation and placement. Because the failure to provide handicapped persons with an appropriate education is so frequently the result of misclassification or misplacement, § 104.33(b)(1) makes compliance with its provisions contingent upon adherence to certain procedures designed to ensure appropriate classification and placement. These procedures, delineated in §§ 104.35 and 104.36, are concerned with testing and other evaluation methods and with procedural due process rights.

Section 104.35(a) requires that an individual evaluation be conducted before any action is taken with respect to the initial placement of a handicapped child in a regular or special education program or to any subsequent significant change in that placement. Thus, a full reevaluation is not required every time an adjustment in placement is made. "Any action" includes denials of placement.

Paragraphs (b) and (c) of § 104.35 establishes procedures designed to ensure that children are not misclassified, unnecessarily labeled as being handicapped, or incorrectly placed because of inappropriate selection, administration, or interpretation of evaluation materials. This problem has been extensively documented in "Issues in the Classification of Children," a report by the Project on Classification of Exceptional Children, in which the HEW Interagency Task Force participated. The provisions of these paragraphs are aimed primarily at abuses in the placement process that result from misuse of, or undue misplaced reliance on, standardized scholastic aptitude tests.

Paragraph (b) has been shortened but not substantively changed. The requirement in former subparagraph (1) that the recipient provide and administer evaluation materials in the native language of the student has been deleted as unnecessary, since the same requirement already exists under title VI and is more appropriately covered under that statute. Paragraphs (1) and (2) are, in general, intended to prevent misinterpretation and similar misuse of test scores and, in particular, to avoid undue reliance on general intelligence tests. Subparagraph (3) requires a recipient to administer tests to a student with impaired sensory, manual, or speaking skills in whatever manner is necessary to avoid distortion of the test results by the impairment. Former subparagraph (4) has been deleted as unnecessarily repetitive of the other provisions of this paragraph.

Paragraph (c) requires a recipient to draw upon a variety of sources in the evaluation process so that the possibility of error in classification is minimized. In particular, it requires that all significant factors relating to the learning process, including adaptive behavior, be considered. (Adaptive behavior is the effectiveness with which the individual meets the standards of personal independence and social responsibility expected of his or her age and cultural group.) Information from all sources must be documented and considered by a group of persons, and the procedure must ensure that the child is placed in the most integrated setting appropriate.

The proposed regulation would have required a complete individual reevaluation of the student each year. The Department has concluded that it is inappropriate in the section 504 regulation to require full reevaluations on such a rigid schedule. Accordingly, § 104.35(c) requires periodic reevaluations and specifies that reevaluations in accordance with the EHA will constitute compliance. The proposed regulation implementing the EHA allows reevaluation at three-year intervals except under certain specified circumstances.

Under §104.36, a recipient must establish a system of due process procedures to be afforded to parents or guardians before the recipient takes any action regarding the identification, evaluation, or educational placement of a person who, because of handicap, needs or is believed to need special education or related services. This section has been revised. Because the due process procedures of the EHA, incorporated by reference in the proposed section 504 regulation, are inappropriate for some recipients not subject to that
Thus, a private school that has no program to provide nonacademic and extracurricular services and activities in such manner as is necessary to afford handicapped students an equal opportunity for participation. Because these services and activities are part of a recipient’s education program, they must, in accordance with the provisions of §104.34, be provided in the most integrated setting appropriate.

Revised paragraph (c)(2) does permit separation or differentiation with respect to the provision of physical education and athletics activities, but only if qualified handicapped students are also allowed the opportunity to compete for regular teams or participate in regular activities. Most handicapped students are able to participate in one or more regular physical education and athletics activities. For example, a student in a wheelchair can participate in regular archery course, as can a deaf student in a wrestling course.

Finally, the one-year transition period provided in a proposed section was deleted in response to the almost unanimous objection of commenters to that provision.

27. Preschool and adult education. Section 104.38 prohibits discrimination on the basis of handicap in preschool and adult education programs. Former paragraph (b), which emphasized that compensatory programs for disadvantaged children are subject to section 504, has been deleted as unnecessary, since it is comprehended by paragraph (a).

28. Private education. Section 104.39 sets forth the requirements applicable to recipients that operate private education programs and activities. The obligations of these recipients have been changed in two significant respects: first, private schools are subject to the evaluation and due process provisions of the subpart only if they operate special education programs; second, under §104.39(b), they may charge more for providing services to handicapped students than to nonhandicapped students to the extent that additional charges can be justified by increased costs.

Paragraph (a) of §104.39 is intended to make clear that recipients that operate private education programs and activities are not required to provide an appropriate education to handicapped students with special educational needs if the recipient does not offer programs designed to meet those needs. Thus, a private school that has no program for mentally retarded persons is neither required to admit such a person into its program nor to arrange or pay for the provision of the person’s education in another program. A private recipient without a special education program for blind students, however, would not be permitted to exclude, on the basis of blindness, a blind applicant who is able to participate in the regular program with minor adjustments in the manner in which the program is normally offered.

Subpart E—Postsecondary Education

Subpart E prescribes requirements for nondiscrimination in recruitment, admission, and treatment of students in postsecondary education programs and activities, including vocational education.

29. Admission and recruitment. In addition to a general prohibition of discrimination on the basis of handicap in §104.42(a), the regulation delineates, in §104.42(b), specific prohibitions concerning the establishment of limitations on admission of handicapped students, the use of tests or selection criteria, and preadmission inquiry. Several changes have been made in this provision.

Section 104.42(b) provides that postsecondary educational institutions may not use any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons unless it has been validated as a predictor of academic success and alternative tests or criteria with a less disproportionate, adverse effect are shown by the Department to be available. There are two significant changes in this approach from the July 16 proposed regulation.

First, many commenters expressed concern that §104.42(b)(2)(ii) could be interpreted to require a “global search” for alternate tests that do not have a disproportionate, adverse impact on handicapped persons. This was not the intent of the provision and, therefore, it has been amended to place the burden on the Assistant Secretary for Civil Rights, rather than on the recipient, to identify alternate tests.

Second, a new paragraph (d), concerning validity studies, has been added. Under the proposed regulation, overall success in an education program, not just first-year grades, was the criterion against which admissions tests were to be validated. This approach has been changed to reflect the comment of professional testing services that use of first-year grades would be less disruptive of present practice and that periodic validity studies against overall success in the education program would be sufficient check on the reliability of first-year grades.

Section 104.42(b)(3) also requires a recipient to assure itself that admissions tests are selected and administered to applicants with impaired sensory, manual, or speaking skills in such manner as is necessary to avoid unfair distortion of test results. Methods have been developed for testing the aptitude and achievement of persons who are not able to
take written tests or even to make the marks required for mechanically scored objective tests; in addition, methods for testing persons with visual or hearing impairments are not uniform. Under this paragraph, must assure itself that such methods are used with respect to the selection and administration of any admissions tests that it uses.

Section 104.42(b)(3)(ii) has been amended to require that admissions tests be administered in facilities that, on the whole, are accessible. In this context, “on the whole” means that not all of the facilities need be accessible so long as a sufficient number of facilities are available to handicapped persons.

Revised §104.42(b)(4) generally prohibits preadmission inquiries as to whether an applicant has a handicap. The considerations that led to this revision are similar to those underlying the comparable revision of §104.14 on preemployment inquiries. The regulation does, however, allow inquiries to be made, after admission but before enrolment, as to handicap that may require accommodation.

New paragraph (c) parallels the section on preemployment inquiries and allows postsecondary institutions to inquire about applicants’ handicaps before admission, subject to certain safeguards. If the purpose of the inquiry is to take remedial action to correct past discrimination or to take voluntary action to overcome the limited participation of handicapped persons in postsecondary educational institutions.

Proposed §104.42(c), which would have allowed different admissions criteria in certain cases for handicapped persons, was widely misinterpreted in comments from both handicapped persons and recipients. We have concluded that the section is unnecessary, and it has been deleted.

30. Treatment of students. Section 104.43 contains general provisions prohibiting the discriminatory treatment of qualified handicapped applicants. Paragraph (b) requires recipients to ensure that equal opportunities are provided to its handicapped students in education programs and activities that are not operated by the recipient. The recipient must be satisfied that the outside education program or activity is not operated by the college. The college must ensure that discrimination on the basis of handicap does not occur in connection with teaching assignments of student teachers in elementary or secondary schools not operated by the college. Under the “as a whole” wording, the college could continue to use elementary or secondary school systems that discriminate if, and only if, the college’s student teaching program, when viewed in its entirety, offered handicapped student teachers the same range and quality of choice in student teaching assignments afforded non-handicapped students.

Paragraph (c) of this section prohibits a recipient from excluding qualified handicapped students from any course, course of study, or other part of its education program or activity. This paragraph is designed to eliminate the practice of excluding handicapped persons from specific courses and from areas of concentration because of factors such as ambiguous difficulties of the student or assumptions by the recipient that no job would be available in the area in question for a person with that handicap.

New paragraph (d) requires postsecondary institutions to operate their programs and activities so that handicapped students are provided services in the most integrated setting appropriate. Thus, if a college had several elementary physics classes and had moved one such class to the first floor of the science building to accommodate students in wheelchairs, it would be a violation of this paragraph for the college to concentrate handicapped students with no mobility impairments in the same class.

31. Academic adjustments. Paragraph (a) of §104.44 requires that a recipient make certain adjustments to academic requirements and practices that discriminate or have the effect of discriminating on the basis of handicap. This requirement, like its predecessor in the proposed regulation, does not obligate an institution to waive course or other academic requirements. But such institutions must accommodate those requirements to the needs of individual handicapped students. For example, an institution might permit an otherwise qualified handicapped student who is deaf to substitute an art appreciation course for a required course in music appreciation or could modify the manner in which the music appreciation course is conducted for the deaf student. It should be stressed that academic requirements that can be demonstrated by the recipient to be essential to its program of instruction or to particular degrees need not be changed.

Paragraph (b) provides that postsecondary institutions may not impose rules that have the effect of limiting the participation of handicapped students in the education program. Such rules include prohibition of tape recorders or braille in classrooms and dog guides in campus buildings. Several recipients expressed concern about allowing students to tape record lectures because the professor may later want to copyright the lectures. This problem may be solved by requiring students to sign agreements that they will not release the tape recording or transcription or otherwise hinder the professor’s ability to obtain a copyright.

Paragraph (c) of this section, concerning the administration of course examinations to students with impaired sensory, manual, or speaking skills, parallels the regulation’s
provisions on admissions testing (§104.42(b)) and will be similarly interpreted.

Under §104.44(d), a recipient must ensure that no handicapped student is subject to discrimination in the recipient's program because of the absence of necessary auxiliary educational aids. Colleges and universities expressed concern about the costs of compliance with this provision.

The Department emphasizes that recipients can usually meet this obligation by assisting students in using existing resources for auxiliary aids such as state vocational rehabilitation agencies and private charitable organizations. Indeed, the Department anticipates that the bulk of auxiliary aids will be paid for by state and private agencies, not by colleges or universities. In those circumstances where the recipient institution must provide the educational auxiliary aid, the institution has flexibility in choosing the methods by which the aids will be supplied. For example, some universities have used students to work with the institution's handicapped students. Other institutions have used existing private agencies that tape texts for handicapped students free of charge in order to reduce the number of readers needed for visually impaired students.

As long as no handicapped person is excluded from a program because of the lack of an appropriate aid, the recipient need not have all such aids on hand at all times. Thus, readers need not be available in the recipient's library at all times so long as the schedule of times when a reader is available is established, is adhered to, and is sufficient. Of course, recipients are not required to maintain a complete braille library.

32. Housing. Section 104.45(a) requires postsecondary institutions to provide housing to handicapped students at the same cost as they provide it to other students and in a convenient, accessible, and comparable manner. Commenters, particularly blind persons pointed out that some handicapped persons can live in any college housing and need not wait to the end of the transition period in subpart C to be offered the same variety and scope of housing accommodations given to nonhandicapped persons. The Department concurs with this position and will interpret this section accordingly.

A number of colleges and universities reacted negatively to paragraph (b) of this section. It provides that, if a recipient assists in making off-campus housing available to its students, it should develop and implement procedures to assure itself that off-campus housing, as a whole, is available to handicapped students. Since postsecondary institutions are presently required to assure themselves that off-campus housing is provided in a manner that does not discriminate on the basis of sex (§106.32 of the title IX regulation), they may use the procedures developed under title IX in order to comply with §104.45(b). It should be emphasized that not every off-campus living accommodation need be made accessible to handicapped persons.

33. Health and insurance. A proposed section, providing that recipients may not discriminate on the basis of handicap in the provision of health related services, has been deleted as duplicative of the general provisions of §104.43. This deletion represents no change in the obligation of recipients to provide nondiscriminatory health and insurance plans. The Department will continue to require that nondiscriminatory health services be provided to handicapped students. Recipients are not required, however, to provide specialized services and aids to handicapped persons in health programs. If, for example, a college infirmary treats only simple disorders such as cuts, bruises, and colds, its obligation to handicapped persons is to treat such disorders for them.

34. Financial assistance. Section 104.46(a), prohibiting discrimination in providing financial assistance, remains substantively the same. It provides that recipients may not provide less assistance to or limit the eligibility of qualified handicapped persons for such assistance, whether the assistance is provided directly by the recipient or by another entity through the recipient's sponsorship. Awards that are made under wills, trusts, or similar legal instruments in a discriminatory manner are permissible, but only if the overall effect of the recipient's provision of financial assistance is not discriminatory on the basis of handicap.

It will not be considered discriminatory to deny, on the basis of handicap, an athletic scholarship to a handicapped person if the handicap renders the person unable to qualify for the award. For example, a student who has a neurological disorder might be denied a varsity football scholarship on the basis of his inability to play football, but a deaf person could not, on the basis of handicap, be denied a scholarship for the school's diving team. The deaf person could, however, be denied a scholarship on the basis of comparative diving ability.

Commenters on §104.46(b), which applies to assistance in obtaining outside employment for students, expressed similar concerns to those raised under §104.43(b), concerning cooperative programs. This paragraph has been changed in the same manner as §104.43(b) to include the "as a whole" concept and will be interpreted in the same manner as §104.43(b).

35. Nonacademic services. Section 104.47 establishes nondiscrimination standards for physical education and athletics counseling and placement services, and social organizations. This section sets the same standards as does §104.38 of subpart D, discussed above, and will be interpreted in a similar fashion.
Office for Civil Rights, Education

SUBPART F—HEALTH, WELFARE, AND SOCIAL SERVICES

Subpart F applies to recipients that operate health, welfare, and social service programs. The Department received fewer comments on this subpart than on others.

Although many commented that subpart F lacked specificity, these commenters provided neither concrete suggestions nor additions. Nevertheless, some changes have been made, pursuant to comment, to clarify the obligations of recipients in specific areas. In addition, in an effort to reduce duplication in the regulation, the section governing recipients providing health services has been consolidated with the section regulating providers of welfare and social services. Since the separate provisions that appeared in the proposed regulation were almost identical, no substantive change should be inferred from their consolidation.

Several commenters asked whether subpart F applies to vocational rehabilitation agencies whose purpose is to assist in the rehabilitation of handicapped persons. To the extent that such agencies receive financial assistance from the Department, they are covered by subpart F and all other relevant subparts of the regulation. Nothing in this regulation, however, precludes such agencies from servicing only handicapped persons. Indeed, §104.4(c) permits recipients to offer services or benefits that are limited by federal law to handicapped persons or classes of handicapped persons.

Many comments suggested requiring state social service agencies to take an active role in the enforcement of section 504 with regard to local social service providers. The Department believes that the possibility for federal-state cooperation in the administration and enforcement of section 504 warrants further consideration.

A number of comments also discussed whether section 504 should be read to require payment of compensation to institutionalized handicapped patients who perform services for the institution in which they reside. The Department of Labor has recently issued a proposed regulation under the Fair Labor Standards Act (FLSA) that covers the question of compensation for institutionalized persons, 42 FR 15224 (March 18, 1977). This Department will seek information and comment from the Department of Labor concerning that agency's experience administering the FLSA regulation.

36. Health, welfare, and other social service providers. Section 104.52(a) has been expanded in several respects. The addition of new paragraph (a)(2) is intended to make clear the basic requirement of equal opportunity to receive benefits or services in the health, welfare, and social service areas. The paragraph parallels §§104.4(b)(ii) and 104.43(b). New paragraph (a)(3) requires the provision of effective benefits or services, as defined in §104.4(b)(2) (i.e., benefits or services which "afford handicapped persons equal opportunity to obtain the same result (or to gain the same benefit * * "')).

Section 104.52(a) also includes provisions concerning the limitation of benefits or services to handicapped persons and the subjection of handicapped persons to different eligibility standards. One common misconception about the regulation is that it would require specialized hospitals and other health care providers to treat all handicapped persons. The regulation makes no such requirement. Thus, a burn treatment center need not provide other types of medical treatment to handicapped persons unless it provides such medical services to nonhandicapped persons. It could not, however, refuse to treat the burns of a deaf person because of his or her deafness.

Commenters had raised the question of whether the prohibition against different standards of eligibility might preclude recipients from providing special services to handicapped persons or classes of handicapped persons. The regulation will not be so interpreted, and the specific section in question has been eliminated. Section 104.4(c) makes clear that special programs for handicapped persons are permitted.

A new paragraph (a)(5) concerning the provision of different or separate services or benefits has been added. This provision prohibits such treatment unless necessary to provide qualified handicapped persons with benefits and services that are as effective as those provided to others.

Section 104.52(b) has been amended to cover written material concerning waivers of rights or consent to treatment as well as general notices concerning health benefits or services. The section requires the recipient to ensure that qualified handicapped persons are not denied effective notice because of their handicap. For example, recipients could use several different types of notice in order to reach persons with impaired vision or hearing, such as brailed messages, radio spots, and tactile devices on cards or envelopes to inform blind persons of the need to call the recipient for further information.

Section 104.52(c) is a new section requiring recipient hospitals to establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency health care. Although it would be appropriate for a hospital to fulfill its responsibilities under this section by having a full-time interpreter for the deaf on staff, there may be other means of accomplishing the desired result of assuring that some means of communication is immediately available for deaf persons needing emergency treatment.
Section 104.52(c), also a new provision, requires recipients with fifteen or more employees to provide appropriate auxiliary aids for persons with impaired sensory, manual, or speaking skills. Further, the Assistant Secretary may require a small provider to furnish auxiliary aids where the provision of aids would not adversely affect the ability of the recipient to provide its health benefits or service.

37. Treatment of Drug Addicts and Alcoholics. Section 104.53 is a new section that prohibits discrimination in the treatment and admission of drug and alcohol addicts to hospitals and outpatient facilities. Section 104.53 prohibits discrimination against drug abusers by operators of outpatient facilities, despite the fact that section 407 pertains only to hospitals, because of the broader application of section 504. This provision does not mean that all hospitals and outpatient facilities must treat drug addiction and alcoholism. It simply means, for example, that a cancer clinic may not refuse to treat cancer patients simply because they are also alcoholics.

38. Education of institutionalized persons. The regulation retains § 104.54 of the proposed regulation that requires that an appropriate education be provided to qualified handicapped persons who are confined to residential institutions or day care centers.

APPENDIX B TO PART 104—GUIDELINES FOR ELIMINATING DISCRIMINATION AND DENIAL OF SERVICES ON THE BASIS OF RACE, COLOR, NATIONAL ORIGIN, SEX, AND HANDICAP IN VOCATIONAL EDUCATION PROGRAMS

EDITORIAL NOTE: For the text of these guidelines, see 34 CFR part 100, appendix B.
skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the Department. For example, auxiliary aids useful for persons with impaired vision include readers, materials in braille, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDDs), interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the Department's alleged discriminatory action in sufficient detail to inform the Department of the nature and date of the alleged violation of section 504. It must be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties must describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

Historic preservation programs means programs conducted by the Department that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase—

(1) Physical or mental impairment includes—

(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction, and alcoholism;

(2) Major life activities includes functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working;

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities; and

(4) Is regarded as having an impairment means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the Department as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward the impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the Department as having such an impairment.

Qualified individual with handicaps means—

(1) With respect to preschool, elementary, or secondary education services provided by the Department, an individual with handicaps who is a member of a class of persons otherwise entitled by statute, regulation, or Department policy to receive education services from the Department;

(2) With respect to any other Department program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps
who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the Department can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other Department program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) Qualified handicapped person as that term is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by §105.30

Secretary means the Secretary of the Department of Education or an official or employee of the Department acting for the Secretary under a delegation of authority.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§ 105.4–105.9 [Reserved]

§ 105.10 Self-evaluation.

(a) The Department shall, within one year of the effective date of this part, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any of those policies and practices is required, the Department shall proceed to make the necessary modifications.

(b) The Department shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The Department shall, for at least 3 years following completion of the self-evaluation, maintain on file, and make available for public inspection—

(1) A description of areas examined and any problems identified; and

(2) A description of any modifications made.

§ 105.11 Notice.

The Department shall make available, to employees, applicants, participants, beneficiaries, and other interested persons, information regarding the provisions of this part and its applicability to the programs or activities conducted by the Department, and make that information available to them in such manner as the Secretary finds necessary to apprise those persons of the protections against discrimination assured them by section 504 and the regulations in this part.

§§ 105.12–105.19 [Reserved]

§ 105.20 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under, any program or activity conducted by the Department.

(b)(1) The Department, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(ii) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or
service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless that action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(ii) The Department has the burden of proving that compliance with § 105.32(a) would result in that alteration or those burdens.

(iii) The decision that compliance would result in that alteration or those burdens must be made by the Secretary after considering all of the Department’s resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion.

(2) The Department has the burden of proving that compliance with § 105.40 would result in that alteration or those burdens.

(3) The decision that compliance would result in that alteration or those burdens must be made by the Secretary after considering all Department resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion.

(4) If an action required to comply with this section would result in that alteration or those burdens, the Department shall take any other action that would not result in the alteration...
or burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§ 105.41 Compliance procedures.

§ 106.3 Remedial and affirmative action and self-evaluation.

(a) Remedial action. If the Assistant Secretary finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the Assistant Secretary deems necessary to overcome the effects of such discrimination.

(b) Affirmative action. In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action to overcome the effects of conditions which resulted in limited participation therein by persons of a particular sex. Nothing herein shall be interpreted to alter any affirmative action obligations which a recipient may have under Executive Order 11246.

(c) Self-evaluation. Each recipient education institution shall, within one year of the effective date of this part:

(1) Evaluate, in terms of the requirements of this part, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and employment of both academic and non-academic personnel working in connection with the recipient’s education program or activity:
§ 106.4 Assurance required.

(a) General. Every application for Federal financial assistance shall as condition of its approval contain or be accompanied by an assurance from the applicant or recipient, satisfactory to the Assistant Secretary, that the education program or activity operated by the applicant or recipient and to which this part applies will be operated in compliance with this part. An assurance of compliance with this part shall not be satisfactory to the Assistant Secretary if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with §106.3(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior or subsequent to the submission to the Assistant Secretary of such assurance.

(b) Duration of obligation. (2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(c) Form. The Director will specify the form of the assurances required by paragraph (a) of this section and the extent to which such assurances will be required of the applicant’s or recipient’s subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 106.5 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee which operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of subpart B of this part.

§ 106.6 Effect of other requirements.

(a) Effect of other Federal provisions. The obligations imposed by this part are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, as amended; sections 704 and 855 of the Public Health Service Act (42 U.S.C. 292d and 298b–2); Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e et seq.); the Equal Pay Act (29 U.S.C. 206 and 206(d)); and any other Act of Congress or Federal regulation.

(b) Effect of State or local law or other requirements. The obligation to comply
with this part is not obviated or alleviated by any State or local law or other requirement which would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) Effect of rules or regulations of private organizations. The obligation to comply with this part is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association which would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and which receives Federal financial assistance.

§ 106.7 Effect of employment opportunities.

The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 106.8 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under this part, including any investigation of any complaint communicated to such recipient alleging its noncompliance with this part or alleging any actions which would be prohibited by this part. The recipient shall notify all its students and employees of the name, office address and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) Complaint procedure of recipient. A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action which would be prohibited by this part.

Such notification shall contain such information, and be made in such manner, as the Assistant Secretary finds necessary to apprise such persons of the protections against discrimination assured them by title IX and this part, and that it does not discriminate in the education program or activity which it operates, and to admission thereto unless Subpart C does not apply to the recipient, and that inquiries concerning the application of title IX and this part to such recipient may be referred to the employee designated pursuant to §106.8, or to the Assistant Secretary.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of the effective date of this part or of the date this part first applies to such recipient, whichever comes later, which notification shall include publication in:

(i) Local newspapers:

(ii) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(iii) Memoranda or other written communications distributed to every student and employee of such recipient.
§ 106.11

(b) **Publications.** (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form which it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in this paragraph which suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by this part.

(c) **Distribution.** Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and require such representatives to adhere to such policy.

§ 106.15 Admissions.
(a) Admissions to educational institutions prior to June 24, 1973, are not covered by this part.
(b) **Administratively separate units.** For the purposes only of this section, §§106.16 and 106.17, and subpart C, each administratively separate unit shall be deemed to be an educational institution.
(c) **Application of subpart C.** Except as provided in paragraphs (d) and (e) of this section, subpart C applies to each recipient. A recipient to which subpart C applies shall not discriminate on the basis of sex in admission or recruitment in violation of that subpart.
(d) **Educational institutions.** Except as provided in paragraph (e) of this section as to recipients which are educational institutions, subpart C applies only to institutions of vocational education, professional education, graduate higher education, and public institutions of undergraduate higher education.
(e) **Public institutions of undergraduate higher education.** Subpart C does not apply to any public institution of undergraduate higher education which traditionally and continually from its establishment has had a policy of admitting only students of one sex.

§ 106.16 Educational institutions eligible to submit transition plans.
(a) **Application.** This section applies to each educational institution to which subpart C applies which:
(1) Admitted only students of one sex as regular students as of June 23, 1972;
or
(2) Admitted only students of one sex as regular students as of June 23, 1965, but thereafter admitted as regular students, students of the sex not admitted prior to June 23, 1965.
(b) **Provision for transition plans.** An educational institution to which this section applies shall not discriminate on the basis of sex in admission or recruitment in violation of subpart C unless it is carrying out a transition plan approved by the Secretary as described in §106.17, which plan provides for the elimination of such discrimination by the earliest practicable date but in no event later than June 23, 1979.

§ 106.17 Transition plans.
(a) **Submission of plans.** An institution to which §106.16 applies and which is composed of more than one administratively separate unit may submit either a single transition plan applicable to all such units, or a separate transition plan applicable to each such unit.
(b) **Content of plans.** In order to be approved by the Secretary a transition plan shall:
(1) State the name, address, and Federal Interagency Committee on Education (FICE) Code of the educational institution submitting such plan, the administratively separate units to which the plan is applicable, and the name, address, and telephone number of the person to whom questions concerning the plan may be addressed. The person who submits the plan shall be the chief administrator or president of the institution, or another individual legally authorized to bind the institution to all actions set forth in the plan.
(2) State whether the educational institution or administratively separate unit admits students of both sexes, as regular students and, if so, when it began to do so.
(3) Identify and describe with respect to the educational institution or administratively separate unit any obstacles to admitting students without discrimination on the basis of sex.
(4) Describe in detail the steps necessary to eliminate as soon as practicable each obstacle so identified and indicate the schedule for taking these steps and the individual directly responsible for their implementation.
(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.
(c) **Nondiscrimination.** No policy or practice of a recipient to which §106.16
§ 106.21 Admission.

(a) General. No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which this subpart applies, except as provided in §§106.16 and 106.17.

(b) Specific prohibitions. (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which this subpart applies shall not:

   (i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

   (ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

   (iii) Otherwise treat one individual differently from another on the basis of sex.

   (2) A recipient shall not administer or operate any test or other criterion for admission which has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria which do not have such a disproportionately adverse effect are shown to be unavailable.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 106.22 Preference in admission.

A recipient to which this subpart applies shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity which admits as students only or predominantly members of one sex, if the giving of
such preference has the effect of discriminating on the basis of sex in violation of this subpart.

§ 106.23 Recruitment.

(a) Nondiscriminatory recruitment. A recipient to which this subpart applies shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to § 106.3(a), and may choose to undertake such efforts as affirmative action pursuant to § 106.3(b).

(b) Recruitment at certain institutions. A recipient to which this subpart applies shall not recruit primarily or exclusively at educational institutions, schools or entities which admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of this subpart.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§ 106.31 Education programs or activities.

(a) General. Except as provided elsewhere in this part, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient which receives Federal financial assistance. This subpart does not apply to actions of a recipient in connection with admission of its students to an education program or activity of (1) a recipient to which subpart C does not apply, or (2) an entity, not a recipient, to which subpart C would not apply if the entity were a recipient.

(b) Specific prohibitions. Except as provided in this subpart, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(3) Deny any person any such aid, benefit, or service;

(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) Assistance administered by a recipient educational institution to study at a foreign institution. A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, which are designed to provide opportunities to study abroad, and which are awarded to students who are already matriculating at or who are graduates of the recipient institution; Provided, a recipient educational institution which administers or assists in the administration of such scholarships, fellowships, or other awards which are restricted to members of one sex provides, or otherwise makes available reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) Aid, benefits or services not provided by recipient. (1) This paragraph applies to any recipient which requires participation by any applicant, student, or employee in any education program or
§ 106.32 Activity not operated wholly by such recipient, or which facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient which this part would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 106.33 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

§ 106.34 Access to classes and schools.

(a) General standard. Except as provided for in this section or otherwise in this part, a recipient shall not provide or otherwise carry out any of its education programs or activities separately on the basis of sex, or require or refuse participation therein by any of its students on the basis of sex.

(1) Contact sports in physical education classes. This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(2) Ability grouping in physical education classes. This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) Human sexuality classes. Classes or portions of classes in elementary and secondary schools that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.
§ 106.34

(4) Choruses. Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

(b) Classes and extracurricular activities—(1) General standard. Subject to the requirements in this paragraph, a recipient that operates a nonvocational coeducational elementary or secondary school may provide nonvocational single-sex classes or extracurricular activities, if—

(i) Each single-sex class or extracurricular activity is based on the recipient’s important objective—

(A) To improve educational achievement of its students, through a recipient’s overall established policy to provide diverse educational opportunities, provided that the single-sex nature of the class or extracurricular activity is substantially related to achieving that objective; or

(B) To meet the particular, identified educational needs of its students, provided that the single-sex nature of the class or extracurricular activity is substantially related to achieving that objective;

(ii) The recipient implements its objective in an evenhanded manner;

(iii) Student enrollment in a single-sex class or extracurricular activity is completely voluntary; and

(iv) The recipient provides to all other students, including students of the excluded sex, a substantially equal coeducational class or extracurricular activity in the same subject or activity.

(2) Single-sex class or extracurricular activity for the excluded sex. A recipient that provides a single-sex class or extracurricular activity, in order to comply with paragraph (b)(1)(ii) of this section, may be required to provide a substantially equal single-sex class or extracurricular activity for students of the excluded sex.

(3) Substantially equal factors. Factors the Department will consider, either individually or in the aggregate as appropriate, in determining whether classes or extracurricular activities are substantially equal include, but are not limited to, the following: the policies and criteria of admission, the educational benefits provided, including the quality, range, and content of curriculum and other services and the quality and availability of books, instructional materials, and technology, the qualifications of faculty and staff, geographic accessibility, the quality, accessibility, and availability of facilities and resources provided to the class, and intangible features, such as reputation of faculty.

(4) Periodic evaluations. (1) The recipient must conduct periodic evaluations to ensure that single-sex classes or extracurricular activities are based upon genuine justifications and do not rely on overly broad generalizations about the different talents, capacities, or preferences of either sex and that any single-sex classes or extracurricular activities are substantially related to the achievement of the important objective for the classes or extracurricular activities.

(ii) Evaluations for the purposes of paragraph (b)(4)(i) of this section must be conducted at least every two years.

(5) Scope of coverage. The provisions of paragraph (b)(1) through (4) of this section apply to classes and extracurricular activities provided by a recipient directly or through another entity, but the provisions of paragraph (b)(1) through (4) of this section do not apply to interscholastic, club, or intramural athletics, which are subject to the provisions of §§106.41 and 106.37(c) of this part.

(c) Schools—(1) General Standard. Except as provided in paragraph (c)(2) of this section, a recipient that operates a public nonvocational elementary or secondary school that excludes from admission any students, on the basis of sex, must provide students of the excluded sex a substantially equal single-sex school or coeducational school.

(2) Exception. A nonvocational public charter school that is a single-school local educational agency under State law may be operated as a single-sex charter school without regard to the requirements in paragraph (c)(1) of this section.

(3) Substantially equal factors. Factors the Department will consider, either individually or in the aggregate as appropriate, in determining whether schools are substantially equal include, but are not limited to, the following:
The policies and criteria of admission, the educational benefits provided, including the quality, range, and content of curriculum and other services and the quality and availability of books, instructional materials, and technology, the quality and range of extracurricular offerings, the qualifications of faculty and staff, geographic accessibility, the quality, accessibility, and availability of facilities and resources, and intangible features, such as reputation of faculty.

(4) Definition. For the purposes of paragraph (c)(1) through (3) of this section, the term “school” includes a “school within a school,” which means an administratively separate school located within another school.

§ 106.35 Access to institutions of vocational education.

A recipient shall not, on the basis of sex, exclude any person from admission to any institution of vocational education operated by that recipient.

(Authority: 20 U.S.C. 1681, 1682)

§ 106.36 Counseling and use of appraisal and counseling materials.

(a) Counseling. A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) Use of appraisal and counseling materials. A recipient which uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials which permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) Disproportion in classes. Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 106.37 Financial assistance.

(a) General. Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amount or types of such assistance, limit eligibility for such assistance which is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities or other services, assist any foundation, trust, agency, organization, or person which provides assistance to any of such recipient’s students in a manner which discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance which treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) Financial aid established by certain legal instruments. (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government which requires that awards be made to members of a particular sex specified therein; Provided, That the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.
(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student’s sex.

(c) Athletic scholarships. (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

(2) Separate athletic scholarships or grants-in-aid for members of each sex may be provided as part of separate athletic teams for members of each sex to the extent consistent with this paragraph and §106.41.

§106.39 Health and insurance benefits and services.

In providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner which would violate Subpart E of this part if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service which may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient which provides full coverage health service shall provide gynecological care.

§106.40 Marital or parental status.

(a) Status generally. A recipient shall not apply any rule concerning a student’s actual or potential parental, family, or marital status which treats students differently on the basis of sex.

(b) Pregnancy and related conditions. (1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student’s pregnancy, childbirth, false pregnancy, termination of pregnancy or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation so long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient which operates a portion of its education program or activity separately for pregnant students,
§ 106.41 Athletics.

(a) General. No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, intercollegiate, club or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) Separate teams. Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try-out for the team offered unless the sport involved is a contact sport. For the purposes of this part, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball and other sports the purpose or major activity of which involves bodily contact.

(c) Equal opportunity. A recipient which operates or sponsors interscholastic, intercollegiate, club or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available the Director will consider, among other factors:

1. Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

2. The provision of equipment and supplies;

3. Scheduling of games and practice time;

4. Travel and per diem allowance;

5. Opportunity to receive coaching and academic tutoring;

6. Assignment and compensation of coaches and tutors;

7. Provision of locker rooms, practice and competitive facilities;

8. Provision of medical and training facilities and services;

9. Provision of housing and dining facilities and services;

10. Publicity.

Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute non-compliance with this section, but the Assistant Secretary may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) Adjustment period. A recipient which operates or sponsors interscholastic, intercollegiate, club or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one...
§ 106.51 Employment.

(a) General. (1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any educational program or activity operated by a recipient which receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way which could adversely affect any applicant’s or employee’s employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by this subpart, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity which admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of this part.

(b) Application. The provisions of this subpart apply to:

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

(7) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(8) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, selection for sabbaticals and leaves of absence to pursue training;
§ 106.52 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity which has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 106.53 Recruitment.

(a) Nondiscriminatory recruitment and hiring. A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have in the past so discriminated, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) Recruitment patterns. A recipient shall not recruit primarily or exclusively at entities which furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of this subpart.

§ 106.54 Compensation.

A recipient shall not make or enforce any policy or practice which, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working conditions.

§ 106.55 Job classification and structure.

A recipient shall not:

(a) Classify a job as being for males or for females;

(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements which classify persons on the basis of sex, unless sex is a bona-fide occupational qualification for the positions in question as set forth in §106.61.

§ 106.56 Fringe benefits.

(a) Fringe benefits defined. For purposes of this part, fringe benefits means: Any medical, hospital, accident, life insurance or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of § 106.54.

(b) Prohibitions. A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee’s sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan which does not provide either for equal periodic benefits for members of each sex, or for equal contributions to the plan by such recipient for members of each sex; or
Office for Civil Rights, Education § 106.60

(3) Administer, operate, offer, or participate in a pension or retirement plan which establishes different optional or compulsory retirement ages based on sex or which otherwise discriminates in benefits on the basis of sex.

§ 106.57 Marital or parental status.

(a) General. A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment which treats persons differently on the basis of sex; or

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee’s or applicant’s family unit.

(b) Pregnancy. A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) Pregnancy as a temporary disability. A recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom and any temporary disability resulting therefrom as any other temporary disability for all job related purposes, including commencement, duration and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) Pregnancy leave. In the case of a recipient which does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status which she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 106.58 Effect of State or local law or other requirements.

(a) Prohibitory requirements. The obligation to comply with this subpart is not obviated or alleviated by the existence of any State or local law or other requirement which imposes prohibitions or limits upon employment of members of one sex which are not imposed upon members of the other sex.

(b) Benefits. A recipient which provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

§ 106.59 Advertising.

§ 106.60 Pre-employment inquiries.

(a) Marital status. A recipient shall not make pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is “Miss or Mrs.”

(b) Sex. A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by this part.

§ 106.61 Sex as a bona-fide occupational qualification.

A recipient may take action otherwise prohibited by this subpart provided it is shown that sex is a bona-fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section which is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee’s sex in relation to employment in a locker room or toilet facility used only by members of one sex.

The purpose of these regulations is to set out ED’s rules for implementing the Age Discrimination Act of 1975. § 110.10 Rules against age discrimination.

The rules stated in this section are subject to the exceptions contained in §§110.12 and 110.13 of these regulations.

(a) General rule. No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

(b) Specific rules. A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual, licensing, or other arrangements, use age distinctions or take any other actions that have the effect, on the basis of age, of—

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under a program or activity receiving Federal financial assistance; or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(c) Other forms of discrimination. The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

§ 110.11 Definitions of “normal operation” and “statutory objective.”

For purposes of these regulations, the terms normal operation and statutory objective have the following meanings:

(a) Normal operation means the operation of a program or activity without significant changes that would impair its ability to meet its objectives.

(b) Statutory objective means any purpose of a program or activity expressly stated in any Federal statute, State statute, or local statute or ordinance adopted by an elected, general purpose legislative body.

(Authority: 42 U.S.C. 6103)

§ 110.12 Exceptions to the rules against age discrimination: Normal operation or statutory objective of any program or activity.

A recipient is permitted to take an action otherwise prohibited by §110.10 if the action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if—

(a) Age is used as a measure or approximation of one or more other characteristics;

(b) The other characteristic or characteristics must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity;

(c) The other characteristic or characteristics can be reasonably measured or approximated by the use of age; and

(d) The other characteristic or characteristics are impractical to measure directly on an individual basis.

(Authority: 42 U.S.C. 6103)

§ 110.13 Exceptions to the rules against age discrimination: Reasonable factors other than age.

A recipient is permitted to take an action otherwise prohibited by §110.10 that is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

(Authority: 42 U.S.C. 6103)
§ 110.14 Burden of proof.

The burden of proving that an age distinction or other action falls within the exceptions outlined in §§110.12 and 110.13 is on the recipient of Federal financial assistance.

(Authority: 42 U.S.C. 6104)

§ 110.15 Affirmative action by recipients.

Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in limited participation in the recipient’s program or activity on the basis of age.

(Authority: 42 U.S.C. 6103)

§ 110.16 Special benefits for children and the elderly.

If a recipient operating a program or activity provides special benefits to the elderly or to children, the use of age distinctions is presumed to be necessary to the normal operation of the program or activity, notwithstanding the provisions of §110.12.

(Authority: 42 U.S.C. 6103)

§ 110.17 Age distinctions contained in ED’s regulations.

Any age distinction contained in regulations issued by ED is presumed to be necessary to the achievement of a statutory objective of the program or activity to which the regulations apply, notwithstanding the provisions of §110.12.

(Authority: 42 U.S.C. 6103)

Subpart C—Duties of ED Recipients

§ 110.20 General responsibilities.

Each ED recipient has primary responsibility for ensuring that its program or activity is in compliance with the Act and these regulations and shall take steps to eliminate violations of the Act. A recipient also has responsibility to maintain records, provide information, and to afford ED access to its records to the extent required for ED to determine whether the recipient is in compliance with the Act and these regulations.

(Authority: 42 U.S.C. 6104)

§ 110.21 Notice to subrecipients.

If the recipient initially receiving funds makes the funds available to a subrecipient, the recipient shall notify the subrecipient of its obligations under the Act and these regulations.

(Authority: 42 U.S.C. 6103)

§ 110.22 Information requirements.

Each recipient shall—

(a) Provide ED with information that ED determines is necessary to ascertain whether the recipient is in compliance with the Act and these regulations; and

(b) Permit reasonable access by ED to the books, records, accounts, reports, and other recipient facilities and sources of information to the extent ED determines is necessary to ascertain whether a recipient is in compliance with the Act and these regulations.

(Authority: 42 U.S.C. 6103)

§ 110.23 Assurances required.

(a) Assurances. An applicant for Federal financial assistance to which these regulations apply shall sign a written assurance, on a form specified by ED, that the program or activity will be operated in compliance with these regulations. An applicant may incorporate this assurance by reference in subsequent applications to ED.

(b) Duration of obligation. (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.
(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.

(c) Covenants. (1) If Federal financial assistance is provided in the form of real property or interest in the property from ED, the instrument effecting or recording this transfer must contain a covenant running with the land to assure nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) If no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) If Federal financial assistance is provided in the form of real property or interest in the property from ED, the covenant must also include a condition coupled with a right to be reserved by ED to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, ED may, upon request of the transferee and if necessary to accomplish that financing and upon conditions that ED deems appropriate, agree to forbear the exercise of the right to revert title for as long as the lien of the mortgage or other encumbrance remains effective.

(Authority: 42 U.S.C. 6103)

§ 110.24 Recipient assessment of age distinctions.

(a) As part of a compliance review under §110.30 or a complaint investigation under §110.31, ED may require a recipient employing the equivalent of 15 or more full-time employees to complete a written self-evaluation, in a manner specified by ED, of any age distinction imposed in its program or activity receiving Federal financial assistance from ED to assess the recipient’s compliance with the Act.

(b) Whenever an assessment indicates a violation of the Act or these regulations, the recipient shall take corrective action.

(Authority: 42 U.S.C. 6103)

Subpart D—Investigation, Conciliation, and Enforcement Procedures

§ 110.30 Compliance reviews.

§ 110.25 Designation of responsible employee, notice, and grievance procedures.

(a) Designation of responsible employee. Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under the Act and these regulations, including investigation of any complaints that the recipient receives alleging any actions that are prohibited by the Act and these regulations.

(b) Notice. A recipient shall notify its beneficiaries, in a continuing manner, of information regarding the provisions of the Act and these regulations. The notification must also identify the responsible employee by name or title, address, and telephone number.

(c) Grievance procedures. A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of complaints alleging any action that would be prohibited by the Act or these regulations.

(Authority: 42 U.S.C. 6103)

§ 110.31 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with ED alleging discrimination prohibited by the Act or these regulations based on an action occurring on or after July 1, 1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged discrimination. However, for good cause shown, ED may extend this time limit.

(b) ED attempts to facilitate the filing of complaints, if possible, by—

(1) Accepting as a complete complaint any written statement that identifies the parties involved and the date the complainant first had knowledge of the alleged violation, describes generally the action or practice complained of, and is signed by the complainant;

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a complete complaint;

(3) Widely disseminating information regarding the obligations of recipients under the Act and these regulations;

(4) Notifying the complainant and the recipient of their rights and obligations under the complaint procedure, including the right to have a representative at all stages of the complaint procedure; and

(5) Notifying the complainant and the recipient (or their representatives) of their right to contact ED for information and assistance regarding the complaint resolution process.

(c) A complaint is considered to be complete on the date that ED receives all the information necessary to process it, as described in paragraph (b)(1) of this section.

(d) ED returns to the complainant any complaint outside the jurisdiction of these regulations and states the reason or reasons why it is outside the jurisdiction of the regulations.

(Authority: 42 U.S.C. 6103)

§ 110.32 Mediation.

(a) ED promptly refers to the Federal Mediation and Conciliation Service or to the mediation agency designated by the Secretary of Health and Human Services, all complaints that—

(1) Fall within the jurisdiction of the Act and these regulations, unless the age distinction complained of is clearly within an exemption under §110.2(b); and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or to make an informed judgment that an agreement is not possible. The recipient and the complainant need not meet with the mediator at the same time, and the meeting may be conducted by telephone or other means of effective dialogue if a personal meeting between the party and the mediator is impractical.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and recipient sign it. The mediator shall send a copy of the agreement to ED. ED takes no further action on the complaint unless informed that the complainant or the recipient fails to comply with the agreement, at which time ED reinstates the complaint.

(d) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process without prior approval of the head of the mediation agency.

(e) The mediation will proceed for a maximum of 60 days after a complaint is filed with ED. Mediation ends if—

§ 110.35 Compliance procedure. 

(a) ED may enforce the Act and these regulations under §110.35(a)(1) or (2) through—

(1) Termination of, or refusal to grant or continue, a recipient’s Federal financial assistance from ED for a program or activity in which the recipient has violated the Act or these regulations. The determination of the recipient’s violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge.

(2) Any other means authorized by law, including, but not limited to—

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or these regulations; or

(ii) Use of any requirement of or referral to any Federal, State, or local government agency that will have the effect of correcting a violation of the Act or of these regulations.

(b) ED limits any termination or refusal under §110.35(a)(1) to the particular recipient and to the particular program or activity ED finds in violation of the Act or these regulations; or

(c) ED takes no action under paragraph (a) of this section until—

(1) ED has advised the recipient of its failure to comply with the Act or with these regulations and has determined that voluntary compliance cannot be obtained; and

(2) Thirty days have elapsed after the Secretary has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the program or activity involved. The Secretary files a report if any action is taken under §110.35(a)(1).

(d) The Secretary also may defer granting new Federal financial assistance from ED to a recipient if termination proceedings in §110.35(a)(1) are initiated.

(1) New Federal financial assistance from ED includes all assistance for which ED requires an application or
approval, including renewal or continuation of existing activities, or authorization of new activities, during the deferral period. New Federal financial assistance from ED does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the initiation of termination proceedings.

(2) ED does not begin a deferral until the recipient has received a notice of an opportunity for a hearing under §110.35(a)(1). A deferral may not continue for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and ED. A deferral may not continue for more than 30 days after the close of the hearing, unless the hearing results in a finding against the recipient.

(Authority: 42 U.S.C. 6104)

§ 110.36 Hearings, decisions, and post-termination proceedings.

(a) The following ED procedural provisions applicable to Title VI of the Civil Rights Act of 1964 also apply to ED’s enforcement of these regulations: 34 CFR 100.9 and 100.10 and 34 CFR part 101.

(b) Action taken under section 305 of the Act is subject to judicial review as provided by section 306 of the Act.

(Authority: 42 U.S.C. 6104–6105)

§ 110.37 Procedure for disbursal of funds to an alternate recipient.

(a) If the Secretary withholds funds from a recipient under these regulations, the Secretary may disburse the funds withheld directly to an alternate recipient: any public or nonprofit private organization or agency, or State or political subdivision of the State.

(b) The Secretary requires any alternate recipient to demonstrate—

(1) The ability to comply with the Act and these regulations; and

(2) The ability to achieve the goals of the Federal statute authorizing the Federal financial assistance.

(Authority: 42 U.S.C. 6104)

§ 110.38 Remedial action by recipients.

If ED finds that a recipient has discriminated on the basis of age, the recipient shall take any remedial action that ED may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that has discriminated or if the entity that has discriminated is a subrecipient, both recipients or recipient and subrecipient may be required to take remedial action.

(Authority: 42 U.S.C. 6105)

§ 110.39 Exhaustion of administrative remedies.

(a) A complainant may file a civil action following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if—

(1) One hundred eighty days have elapsed since the complainant filed the complaint with ED, and ED has made no finding with regard to the complaint; or

(2) ED issues any finding in favor of the recipient.

(b) If ED fails to make a finding within 180 days or issues a finding in favor of the recipient, ED promptly—

(1) Advises the complainant of this fact;

(2) Advises the complainant of his or her right to bring a civil action for injunctive relief; and

(3) Informs the complainant—

(i) That a civil action can be brought only in a United States district court for the district in which the recipient is found or transacts business;

(ii) That a complainant prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney’s fees, but that these costs must be demanded in the complaint filed with the court;

(iii) That before commencing the action, the complainant shall give 30 days notice by registered mail to the Secretary, the Secretary of Health and
Office for Civil Rights, Education § 110.39

Human Services, the Attorney General of the United States, and the recipient;

(iv) That the notice shall state the alleged violation of the Act, the relief requested, the court in which the action will be brought, and whether or not attorney’s fees are demanded in the event the complainant prevails; and

(v) That the complainant may not bring an action if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court of the United States.

§ 200.1 State responsibilities for developing challenging academic standards.

(a) Academic standards in general. A State must develop challenging academic content and student academic achievement standards that will be used by the State, its local educational agencies (LEAs), and its schools to carry out subpart A of this part. These academic standards must—

(1) Be the same academic content and academic achievement standards that the State applies to all public schools and public school students in the State, including the public schools and public school students served under subpart A of this part, except as provided in paragraph (d) of this section, which applies only to the State’s academic achievement standards;

(2) Include the same knowledge and skills expected of all students and the same levels of achievement expected of all students, except as provided in paragraph (d) of this section; and

(3) Include at least mathematics, reading/language arts, and, beginning in the 2005–2006 school year, science, and may include other subjects determined by the State.

(b) Academic content standards. (1) The challenging academic content standards required under paragraph (a) of this section must—

(i) Specify what all students are expected to know and be able to do;

(ii) Contain coherent and rigorous content; and

(iii) Encourage the teaching of advanced skills.

(2) A State’s academic content standards may—

(i) Be grade specific; or,
(i) Cover more than one grade if grade-level content expectations are provided for each of grades 3 through 8.

(3) At the high school level, the academic content standards must define the knowledge and skills that all high school students are expected to know and be able to do in at least reading/language arts, mathematics, and, beginning in the 2005–06 school year, science, irrespective of course titles or years completed.

(c) Academic achievement standards. (1) The challenging student academic achievement standards required under paragraph (a) of this section must—
   (i) Be aligned with the State’s academic content standards; and
   (ii) Include the following components for each content area:
      (A) Achievement levels that describe at least—
          (1) Two levels of high achievement—proficient and advanced—that determine how well students are mastering the material in the State’s academic content standards; and
          (2) A third level of achievement—basic—to provide complete information about the progress of lower-achieving students toward mastering the proficient and advanced levels of achievement.
      (B) Descriptions of the competencies associated with each achievement level.
      (C) Assessment scores (“cut scores”) that differentiate among the achievement levels as specified in paragraph (c)(1)(ii)(A) of this section, and a description of the rationale and procedures used to determine each achievement level.
   (2) A State must develop academic achievement standards for every grade and subject assessed, even if the State’s academic content standards cover more than one grade.
   (3) With respect to academic achievement standards in science, a State must develop—
      (i) Achievement levels and descriptions no later than the 2005–06 school year; and
      (ii) Assessment scores (“cut scores”) after the State has developed its science assessments but no later than the 2007–08 school year.

(d) Alternate academic achievement standards. For students under section 602(3) of the Individuals with Disabilities Education Act with the most significant cognitive disabilities who take an alternate assessment, a State may, through a documented and validated standards-setting process, define alternate academic achievement standards, provided those standards—
   (1) Are aligned with the State’s academic content standards;
   (2) Promote access to the general curriculum; and
   (3) Reflect professional judgment of the highest achievement standards possible.

(e) Modified academic achievement standards. A State may not define alternate academic achievement standards for any students with disabilities under section 602(3) of the Individuals with Disabilities Education Act (IDEA).

(f) State guidelines. If a State defines alternate academic achievement standards under paragraph (d) of this section, the State must do the following:
   (1) Establish and monitor implementation of clear and appropriate guidelines for IEP teams to apply in determining students with the most significant cognitive disabilities who will be assessed based on alternate academic achievement standards.
   (2) Inform IEP teams that students eligible to be assessed based on alternate academic achievement standards may be from any of the disability categories listed in the IDEA.
   (3) Provide to IEP teams a clear explanation of the differences between assessments based on grade-level academic achievement standards and those based on alternate academic achievement standards, including any effects of State and local policies on the student’s education resulting from taking an alternate assessment based on alternate academic achievement standards (such as whether only satisfactory performance on a regular assessment would qualify a student for a regular high school diploma).
   (4) Ensure that parents of students selected to be assessed based on alternate academic achievement standards under the State’s guidelines in this paragraph are informed that their
child’s achievement will be measured based on alternate academic achievement standards.

(g) Subjects without standards. If an LEA serves students under subpart A of this part in subjects for which a State has not developed academic standards, the State must describe in its State plan a strategy for ensuring that those students are taught the same knowledge and skills and held to the same expectations in those subjects as are all other students.

(h) Other subjects with standards. If a State has developed standards in other subjects for all students, the State must apply those standards to students participating under subpart A of this part.

(Authority: 20 U.S.C. 6111(b)(1))

(Approved by the Office of Management and Budget under control number 1810-0576)

§ 200.2 State responsibilities for assessment.

(a)(1) Each State, in consultation with its LEAs, must implement a system of high-quality, yearly student academic assessments that includes, at a minimum, academic assessments in mathematics, reading/language arts and, beginning in the 2007–08 school year, science.

(2)(i) The State may also measure the achievement of students in other academic subjects in which the State has adopted challenging academic content and student academic achievement standards.

(ii) If a State has developed assessments in other subjects for all students, the State must include students participating under subpart A of this part in those assessments.

(b) The assessment system required under this section must meet the following requirements:

(1) Be the same assessment system used to measure the achievement of all students in accordance with §200.3 or §200.4.

(2) Be designed to be valid and accessible for use by the widest possible range of students, including students with disabilities and students with limited English proficiency.

(3)(i) Be aligned with the State’s challenging academic content and student academic achievement standards; and

(ii) Provide coherent information about student attainment of those standards.

(4)(i) Be valid and reliable for the purposes for which the assessment system is used; and

(ii) Be consistent with relevant, nationally recognized professional and technical standards.

(5) Be supported by evidence (which the Secretary will provide, upon request, consistent with applicable federal laws governing the disclosure of information) from test publishers or other relevant sources that the assessment system is—

(i) Of adequate technical quality for each purpose required under the Act; and

(ii) Consistent with the requirements of this section.

(6) Be administered in accordance with the timeline in §200.5.

(7) Involve multiple up-to-date measures of student academic achievement, including measures that assess higher-order thinking skills and understanding of challenging content, as defined by the State. These measures may include—

(i) Single or multiple question formats that range in cognitive complexity within a single assessment; and

(ii) Multiple assessments within a subject area.

(8) Objectively measure academic achievement, knowledge, and skills without evaluating or assessing personal or family beliefs and attitudes, except that this provision does not preclude the use of items—

(i) Such as constructed-response, short answer, or essay questions; or

(ii) That require a student to analyze a passage of text or to express opinions.

(9) Provide for participation in the assessment system of all students in the grades being assessed consistent with §200.6.

(10) Except as provided in §200.7, enable results to be disaggregated within each State, LEA, and school by—
§ 200.3 Designing State Academic Assessment Systems.

(a)(1) For each grade and subject assessed, a State’s academic assessment system must—

(i) Address the depth and breadth of the State’s academic content standards under §200.1(b);

(ii) Be valid, reliable, and of high technical quality;

(iii) Be designed to provide a coherent system across grades and subjects.

(2) A State may include in its academic assessment system under §200.2 either or both—

(i) Criterion-referenced assessments; and

(ii) Assessments that yield national norms, provided that, if the State uses only assessments referenced against national norms at a particular grade, those assessments—

(A) Are augmented with additional items as necessary to measure accurately the depth and breadth of the State’s academic content standards; and

(B) Express student results in terms of the State’s student academic achievement standards.

(b) A State that includes a combination of assessments as described in paragraph (a)(2) of this section, or a combination of State and local assessments, in its State assessment system must demonstrate in its State plan that the system has a rational and coherent design that—

(1) Identifies the assessments to be used;

(2) Indicates the relative contribution of each assessment towards—

(i) Ensuring alignment with the State’s academic content standards; and

(ii) Determining the adequate yearly progress of each school and LEA; and

(3) Provides information regarding the progress of students relative to the State’s academic standards in order to inform instruction.

(c) A State that includes local assessments in the system described in §200.2(b) must—

(1) Establish technical criteria to ensure that each local assessment meets the requirements of paragraphs (a)(1) and (c)(2) of this section;

(2) Demonstrate in its State plan that all local assessments used for this purpose—

(i) Are equivalent to one another and to State assessments, where they exist, in their content coverage, difficulty, and quality;

(ii) Have comparable validity and reliability with respect to groups of students described in section 1111(b)(2)(C)(v) of the Act; and

(iii) Provide unbiased, rational, and consistent determinations of the annual progress of schools and LEAs within the State;
§ 200.4 State law exception.

(a) If a State provides satisfactory evidence to the Secretary that neither the State educational agency (SEA) nor any other State government official, agency, or entity has sufficient authority under State law to adopt academic content standards, student academic achievement standards, and academic assessments applicable to all students enrolled in the State’s public schools, the State may meet the requirements under §§ 200.1 and 200.2 by—

(1) Adopting academic standards and academic assessments that meet the requirements of §§ 200.1 and 200.2 on a Statewide basis and limiting their applicability to students served under subpart A of this part; or

(2) Adopting and implementing policies that ensure that each LEA in the State that receives funds under subpart A of this part will adopt academic standards and academic assessments aligned with those standards that—

(i) Meet the requirements in §§ 200.1 and 200.2; and

(ii) Are applicable to all students served by the LEA.

(b) A State that qualifies under paragraph (a) of this section must—

(1) Establish technical criteria for evaluating whether each LEA’s—

(i) Academic content and student academic achievement standards meet the requirements in § 200.1; and

(ii) Academic assessments meet the requirements in § 200.2, particularly regarding validity and reliability, technical quality, alignment with the LEA’s academic standards, and inclusion of all students in the grades assessed;

(2) Review and approve each LEA’s academic standards and academic assessments to ensure that they—

(i) Meet or exceed the State’s technical criteria; and

(ii) For purposes of this section—

(A) Are equivalent to one another in their content coverage, difficulty, and quality;

(B) Have comparable validity and reliability with respect to groups of students described in section 1111(b)(2)(C)(v) of the Act; and

(C) Provide unbiased, rational, and consistent determinations of the annual progress of LEAs and schools within the State; and

(3) Be able to aggregate, with confidence, data from local assessments to determine whether the State has made adequate yearly progress.

§ 200.5 Timeline for assessments.

(a) Reading/language arts and mathematics. (1) Through the 2004–2005 school year, a State must administer the assessments required under § 200.2 at least once during—

(i) Grades 3 through 5;

(ii) Grades 6 through 9; and

(iii) Grades 10 through 12.

(2) Except as provided in paragraph (a)(3) of this section, beginning no later than the 2005–2006 school year, a State must administer both the reading/language arts and mathematics assessments required under § 200.2—

(i) In each of grades 3 through 8; and

(ii) At least once in grades 10 through 12.

(3) The Secretary may extend, for one additional year, the timeline in paragraph (a)(2) of this section if a State demonstrates that—

(i) Full implementation is not possible due to exceptional or uncontrollable circumstances such as—

(A) A natural disaster; or

(B) A precipitous and unforeseen decline in the financial resources of the State; and

(ii) The State can complete implementation within the additional one-year period.
(b) **Science.** Beginning no later than the 2007–2008 school year, the science assessments required under §200.2 must be administered at least once during—

1. Grades 3 through 5;
2. Grades 6 through 9; and
3. Grades 10 through 12.

(c) **Timing of results.** Beginning with the 2002–2003 school year, a State must promptly provide the results of its assessments no later than before the beginning of the next school year to LEAs, schools, and teachers in a manner that is clear and easy to understand.

(Authority: 20 U.S.C. 6311(b)(3))

[67 FR 45041, July 5, 2002]

§ 200.6 **Inclusion of all students.**

A State’s academic assessment system required under §200.2 must provide for the participation of all students in the grades assessed in accordance with this section.

(a) **Students eligible under IDEA and Section 504**—(1) **Appropriate accommodations.** (i) A State’s academic assessment system must provide—

(A) For each student with a disability, as defined under section 602(3) of the IDEA, appropriate accommodations that the student’s IEP team determines are necessary to measure the academic achievement of the student relative to the State’s academic content and academic achievement standards for the grade in which the student is enrolled, consistent with §200.1(b)(2), (b)(3), and (c); and

(B) For each student covered under section 504 of the Rehabilitation Act of 1973, as amended (Section 504), appropriate accommodations that the student’s placement team determines are necessary to measure the academic achievement of the student relative to the State’s academic content and academic achievement standards for the grade in which the student is enrolled, consistent with §200.1(b)(2), (b)(3), and (c); and

(B) For each student covered under section 504 of the Rehabilitation Act of 1973, as amended (Section 504), appropriate accommodations that the student’s placement team determines are necessary to measure the academic achievement of the student relative to the State’s academic content and academic achievement standards for the grade in which the student is enrolled, consistent with §200.1(b)(2), (b)(3), and (c).

(ii) A State must—

(A) Develop, disseminate information on, and promote the use of appropriate accommodations to increase the number of students with disabilities who are tested against academic achievement standards for the grade in which a student is enrolled; and

(B) Ensure that regular and special education teachers and other appropriate staff know how to administer assessments, including making appropriate use of accommodations, for students with disabilities and students covered under Section 504.

(ii) **Alternate assessments.** (i) The State’s academic assessment system must provide for one or more alternate assessments for a child with a disability as defined under section 602(3) of the Individuals with Disabilities Education Act (IDEA) whom the child’s IEP team determines cannot participate in all or part of the State assessments under paragraph (a)(1) of this section, even with appropriate accommodations.

(ii)(A) Alternate assessments must yield results for the grade in which the student is enrolled in at least reading/language arts, mathematics, and, beginning in the 2007–2008 school year, science, except as provided in the following paragraph.

(B) For students with the most significant cognitive disabilities, alternate assessments may yield results that measure the achievement of those students relative to the alternate academic achievement standards the State has defined under §200.1(d).

(iii) If a State permits the use of alternate assessments that yield results based on alternate academic achievement standards, the State must document that students with the most significant cognitive disabilities are, to the extent possible, included in the general curriculum.

(3) Reporting. A State must report separately to the Secretary, under section 1111(h)(4) of the Act, the number and percentage of students with disabilities taking—

(i) Regular assessments described in §200.2;

(ii) Regular assessments with accommodations;

(iii) Alternate assessments based on the grade-level academic achievement standards described in §200.1(c);

(iv) Alternate assessments based on modified academic achievement standards in school years prior to 2015–2016; and
(v) Alternate assessments based on the alternate academic achievement standards described in §200.1(d).

(b) Limited English proficient students. A State must include limited English proficient students in its academic assessment system as follows:

(1) In general. (i) Consistent with paragraphs (b)(2) and (b)(4) of this section, the State must assess limited English proficient students in a valid and reliable manner that includes—

(A) Reasonable accommodations; and

(B) To the extent practicable, assessments in the language and form most likely to yield accurate and reliable information on what those students know and can do to determine the students’ mastery of skills in subjects other than English until the students have achieved English language proficiency.

(ii) In its State plan, the State must—

(A) Identify the languages other than English that are present in the student population served by the SEA; and

(B) Indicate the languages for which yearly student academic assessments are not available and are needed.

(iii) The State—

(A) Must make every effort to develop such assessments; and

(B) May request assistance from the Secretary in identifying linguistically accessible academic assessments that are needed.

(2) Assessing reading/language arts in English. (i) Unless an extension of time is warranted under paragraph (b)(2)(ii) of this section, a State must assess, using assessments written in English, the achievement of any limited English proficient student in meeting the State’s reading/language arts academic standards if the student has attended schools in the United States, excluding Puerto Rico, for three or more consecutive years.

(ii) An LEA may continue, for no more than two additional consecutive years, to assess a limited English proficient student under paragraph (b)(1) of this section if the LEA determines, on a case-by-case individual basis, that the student has not reached a level of English language proficiency sufficient to yield valid and reliable information on what the student knows and can do on reading/language arts assessments written in English.

(iii) The requirements in paragraph (b)(2)(i) and (ii) of this section do not permit an exemption from participating in the State assessment system for limited English proficient students.

(3) Assessing English proficiency. (i) Unless a State receives an extension under paragraph (b)(3)(ii) of this section, the State must require each LEA, beginning no later than the 2002–2003 school year, to assess annually the English proficiency, including reading, writing, speaking, and listening skills, of all students with limited English proficiency in schools in the LEA.

(ii) The Secretary may extend, for one additional year, the deadline in paragraph (b)(3)(i) of this section if the State demonstrates that—

(A) Full implementation is not possible due to exceptional or uncontrollable circumstances such as—

(1) A natural disaster; or

(2) A precipitous and unforeseen decline in the financial resources of the State; and

(B) The State can complete implementation within the additional one-year period.

(4) Recently arrived limited English proficient students. (i)(A) A State may exempt a recently arrived limited English proficient student, as defined in paragraph (b)(4)(iv) of this section, from one administration of the State’s reading/language arts assessment under §200.2.

(B) If the State does not assess a recently arrived limited English proficient student on the State’s reading/language arts assessment, the State must count the year in which the assessment would have been administered as the first of the three years in which the student may take the State’s reading/language arts assessment in a native language under section 1111(b)(3)(C)(x) of the Act.

(C) The State and its LEAs must report on State and district report cards under section 1111(h) of the Act the number of recently arrived limited English proficient students who are not assessed on the State’s reading/language arts assessment.

(D) Nothing in paragraph (b)(4) of this section relieves an LEA from its
responsibility under applicable law to provide recently arrived limited English proficient students with appropriate instruction to assist them in gaining English language proficiency as well as content knowledge in reading/language arts and mathematics.

(ii) A State must assess the English language proficiency of a recently arrived limited English proficient student pursuant to paragraph (b)(3) of this section.

(iii) A State must assess the mathematics achievement of a recently arrived limited English proficient student pursuant to §200.2.

(iv) A recently arrived limited English proficient student is a student with limited English proficiency who has attended schools in the United States for less than twelve months. The phrase “schools in the United States” includes only schools in the 50 States and the District of Columbia.

(c) Migratory and other mobile students. A State must include migratory students, as defined in Title I, part C, of the Act, and other mobile students in its academic assessment system, even if those students are not included for accountability purposes under section 1111(b)(3)(C)(xi) of the Act.

(d) Students experiencing homelessness. (1) A State must include homeless students, as defined in section 725(2) of Title VII, Subtitle B of the McKinney-Vento Act, in its academic assessment, reporting, and accountability systems, consistent with section 1111(b)(3)(C)(xi) of the Act.

(2) The State is not required to disaggregate, as a separate category under §200.2(b)(10), the assessment results of the students referred to in paragraph (d)(1) of this section.

§ 200.7 Disaggregation of data.

(a) Statistically reliable information. (1) A State may not use disaggregated data for one or more subgroups under §200.2(b)(10) to report achievement results under section 1111(h) of the Act or to identify schools in need of improvement, corrective action, or restructuring under section 1116 of the Act if the number of students in those subgroups is insufficient to yield statistically reliable information.

(2)(i) Based on sound statistical methodology, each State must determine the minimum number of students sufficient to—

(A) Yield statistically reliable information for each purpose for which disaggregated data are used; and

(B) Ensure that, to the maximum extent practicable, all student subgroups in §200.13(b)(7)(ii) (economically disadvantaged students; students from major racial and ethnic groups; students with disabilities as defined in section 9101(5) of the Act; and students with limited English proficiency as defined in section 9101(25) of the Act) are included, particularly at the school level, for purposes of making accountability determinations.

(ii) Each State must revise its Consolidated State Application Accountability Workbook under section 1111 of the Act to include—

(A) An explanation of how the State’s minimum group size meets the requirements of paragraph (a)(2)(i) of this section;

(B) An explanation of how other components of the State’s definition of adequate yearly progress (AYP), in addition to the State’s minimum group size, interact to affect the statistical reliability of the data and to ensure the maximum inclusion of all students and student subgroups in §200.13(b)(7)(ii); and

(C) Information regarding the number and percentage of students and student subgroups in §200.13(b)(7)(ii) excluded from school-level accountability determinations.

(iii) Each State must submit a revised Consolidated State Application Accountability Workbook in accordance with paragraph (a)(2)(ii) of this section to the Department for technical assistance and peer review under the process established by the Secretary under section 1111(e)(2) of the Act in time for any changes to be in effect for AYP determinations based on
school year 2009–2010 assessment results.

(iv) Beginning with AYP decisions that are based on the assessments administered in the 2007–08 school year, a State may not establish a different minimum number of students under paragraph (a)(2)(i) of this section for separate subgroups under §200.13(b)(7)(ii) or for the school as a whole.

(b) Personally identifiable information.

(1) A State may not use disaggregated data for one or more subgroups under §200.2(b)(10) to report achievement results under section 1111(h) of the Act if the results would reveal personally identifiable information about an individual student.

(2) To determine whether disaggregated results would reveal personally identifiable information about an individual student,

(3) Nothing in paragraph (b)(1) or (b)(2) of this section shall be construed to abrogate the responsibility of States to implement the requirements of section 1116(a) of the Act for determining whether States, LEAs, and schools are making AYP on the basis of the performance of each subgroup under section 1111(b)(2)(C)(v) of the Act.

(4) Each State shall include in its State plan, and each State and LEA shall implement, appropriate strategies to protect the privacy of individual students in reporting achievement results under section 1111(h) of the Act and in determining whether schools and LEAs are making AYP on the basis of disaggregated subgroups.

(c) Inclusion of subgroups in assessments.

If a subgroup under §200.2(b)(10) is not of sufficient size to produce statistically reliable results, the State must still include students in that subgroup in its State assessments under §200.2.

(d) Disaggregation at the LEA and State.

If the number of students in a subgroup is not statistically reliable at the school level, the State must include those students in disaggregations at each level for which the number of students is statistically reliable—e.g., the LEA or State level.

§ 200.8 Assessment reports.

(a) Student reports. A State’s academic assessment system must produce individual student interpretive, descriptive, and diagnostic reports that—

(1)(i) Include information regarding achievement on the academic assessments under §200.2 measured against the State’s student academic achievement standards; and

(ii) Help parents, teachers, and principals to understand and address the specific academic needs of students; and

(2) Are provided to parents, teachers, and principals—

(i) As soon as is practicable after the assessment is given;

(ii) In an understandable and uniform format, including an alternative format (e.g., Braille or large print) upon request; and

(iii) To the extent practicable, in a language that parents can understand.

(b) Itemized score analyses for LEAs and schools.

(1) A State’s academic assessment system must produce and report to LEAs and schools itemized score analyses, consistent with §200.2(b)(4), so that parents, teachers, principals, and administrators can interpret and address the specific academic needs of students.

(2) The requirement to report itemized score analyses in paragraph (b)(1) of this section does not require the release of test items.

§ 200.10 Applicability of a State’s academic assessments to private schools and private school students.

(a) Nothing in §200.1 or §200.2 requires a private school, including a private school whose students receive services under subpart A of this part, to participate in a State’s academic assessment system.

(b)(1) If an LEA provides services to eligible private school students under subpart A of this part, the LEA must, through timely consultation with appropriate private school officials, determine how services to eligible private school students will be academically assessed and how the results of that assessment will be used to improve those services.

(2) The assessments referred to in paragraph (b)(1) of this section may be the State’s academic assessments under §200.2 or other appropriate academic assessments.

PARTICIPATION IN NATIONAL ASSESSMENT OF EDUCATIONAL PROGRESS (NAEP)

§ 200.11 Participation in NAEP.

(a) State participation. Beginning in the 2002–2003 school year, each State that receives funds under subpart A of this part must participate in biennial State academic assessments of fourth and eighth grade reading and mathematics under the State National Assessment of Educational Progress (NAEP), if the Department pays the costs of administering those assessments.

(b) Local participation. In accordance with section 1112(b)(1)(F) of the Elementary and Secondary Education Act of 1965 (ESEA), and notwithstanding section 411(d)(1) of the National Education Statistics Act of 1994, an LEA that receives funds under subpart A of this part must participate, if selected, in the State-NAEP assessments referred to in paragraph (a) of this section.

(c) Report cards. Each State and LEA must report on its annual State and LEA report card, respectively, the most recent available academic achievement results in grades four and eight on the State’s NAEP reading and mathematics assessments under paragraph (a) of this section. The report cards must include—

(1) The percentage of students at each achievement level reported on the NAEP in the aggregate and, for State report cards, disaggregated for each subgroup described in §200.13(b)(7)(i)(1); and

(2) The participation rates for students with disabilities and for limited English proficient students.

STATE ACCOUNTABILITY SYSTEM

§ 200.12 Single State accountability system.

(a)(1) Each State must demonstrate in its State plan that the State has developed and is implementing, beginning with the 2002–2003 school year, a single, statewide accountability system.

(2) The State’s accountability system must be effective in ensuring that all public elementary and secondary schools and LEAs in the State make AYP as defined in §§200.13 through 200.20.

(b) The State’s accountability system must—

(1) Be based on the State’s academic standards under §200.1, academic assessments under §200.2, and other academic indicators under §200.19;

(2) Take into account the achievement of all public elementary and secondary school students;

(a) Each State must demonstrate in its State plan what constitutes AYP of the State and of all public schools and LEAs in the State—

(1) Toward enabling all public school students to meet the State’s student academic achievement standards; while

(2) Working toward the goal of narrowing the achievement gaps in the State, its LEAs, and its public schools.

(b) A State must define adequate yearly progress, in accordance with §§200.14 through 200.20, in a manner that—

(1) Applies the same high standards of academic achievement to all public school students in the State, except as provided in paragraph (c) of this section;

(2) Is statistically valid and reliable;

(3) Results in continuous and substantial academic improvement for all students;

(4) Measures the progress of all public schools, LEAs, and the State based primarily on the State’s academic assessment system under §200.2;

(5) Measures progress separately for reading/language arts and for mathematics;

(6) Is the same for all public schools and LEAs in the State; and

(7) Consistent with §200.7, applies the same annual measurable objectives under §200.18 separately to each of the following:

(i) All public school students.

(ii) Students in each of the following subgroups:

(A) Economically disadvantaged students.

(B) Students from major racial and ethnic groups.

(C) Students with disabilities, as defined in section 9101(5) of the ESEA.

(D) Students with limited English proficiency, as defined in section 9101(25) of the ESEA.

(c)(1) In calculating AYP for schools, LEAs, and the State, a State must, consistent with §200.7(a), include the scores of all students with disabilities.

(2) A State may include the proficient and advanced scores of students with the most significant cognitive disabilities based on the alternate academic achievement standards described in §200.1(d), provided that the number of those scores at the LEA and at the State levels, separately, does not exceed 1.0 percent of all students in the grades assessed in reading/language arts and in mathematics.

(3) A State may not request from the Secretary an exception permitting it to exceed the cap on proficient and advanced scores based on alternate academic achievement standards under paragraph (c)(2) of this section.

(4)(i) A State may grant an exception to an LEA permitting it to exceed the 1.0 percent cap on proficient and advanced scores based on the alternate academic achievement standards described in paragraph (c)(2) of this section only if—

(A) The LEA demonstrates that the incidence of students with the most significant cognitive disabilities exceeds 1.0 percent of all students in the combined grades assessed;

(B) The LEA explains why the incidence of such students exceeds 1.0 percent of all students in the combined grades assessed, such as school, community, or health programs in the LEA that have drawn large numbers of families of students with the most significant cognitive disabilities, or that the LEA has such a small overall student population that it would take only a few students with such disabilities to exceed the 1.0 percent cap; and
Ofc. of Elem. & Secondary Ed., Education  § 200.16

(C) The LEA documents that it is implementing the State’s guidelines under §200.1(f).

(ii) The State must review regularly whether an LEA’s exception to the 1.0 percent cap is still warranted.

(5) In calculating AYP, if the percentage of proficient and advanced scores based on alternate academic achievement standards under §200.1(d) exceeds the cap in paragraph (c)(2) of this section at the State or LEA level, the State must do the following:

(i) Consistent with §200.7(a), include all scores based on alternate academic achievement standards.

(ii) Count as non-proficient the proficient and advanced scores that exceed the cap in paragraph (c)(2) of this section.

(iii) Determine which proficient and advanced scores to count as non-proficient in schools and LEAs responsible for students who are assessed based on alternate academic achievement standards.

(iv) Include non-proficient scores that exceed the cap in paragraph (c)(2) of this section in each applicable subgroup at the school, LEA, and State level.

(v) Ensure that parents of a child who is assessed based on alternate academic achievement standards are informed of the actual academic achievement levels of their child.

(d) The State must establish a way to hold accountable schools in which no grade level is assessed under the State’s academic assessment system (e.g., K–2 schools), although the State is not required to administer a formal assessment to meet this requirement.

§ 200.15 Timeline.

(a) Each State must establish a timeline for making AYP that ensures that, not later than the 2013–2014 school year, all students in each group described in §200.13(b)(7) will meet or exceed the State’s proficient level of academic achievement.

(b) Notwithstanding subsequent changes a State may make to its academic assessment system or its definition of AYP under §§200.13 through 200.20, the State may not extend its timeline for all students to reach proficiency beyond the 2013–2014 school year.

(Authority: 20 U.S.C. 6311(b)(2))

§ 200.16 Starting points.

(a) Using data from the 2001–2002 school year, each State must establish starting points in reading/language arts and in mathematics for measuring the percentage of students meeting or exceeding the State’s proficient level of academic achievement.

(b) Each starting point must be based, at a minimum, on the higher of the following percentages of students at the proficient level:

(1) The percentage in the State of proficient students in the lowest-achieving subgroup of students under §200.13(b)(7)(ii).

(2) The percentage of proficient students in the school that represents 20 percent of the State’s total enrollment among all schools ranked by the percentage of students at the proficient level. The State must determine this percentage as follows:

(i) Rank each school in the State according to the percentage of proficient students in the school.

(ii) Determine 20 percent of the total enrollment in all schools in the State.
(iii) Beginning with the lowest-ranked school, add the number of students enrolled in each school until reaching the school that represents 20 percent of the State’s total enrollment among all schools.

(iv) Identify the percentage of proficient students in the school identified in paragraph (iii).

(c)(1) Except as permitted under paragraph (c)(2) of this section, each starting point must be the same throughout the State for each school, each LEA, and each group of students under §200.13(b)(7).

(2) A State may use the procedures under paragraph (b) of this section to establish separate starting points by grade span.

§ 200.17 Intermediate goals.

Each State must establish intermediate goals that increase in equal increments over the period covered by the timeline under §200.15 as follows:

(a) The first incremental increase must take effect not later than the 2004–2005 school year.

(b) Each following incremental increase must occur in not more than three years.

§ 200.18 Annual measurable objectives.

(a) Each State must establish annual measurable objectives that—

(1) Identify for each year a minimum percentage of students that must meet or exceed the proficient level of academic achievement on the State’s academic assessments; and

(2) Ensure that all students meet or exceed the State’s proficient level of academic achievement within the timeline under §200.15.

(b) The State’s annual measurable objectives—

(1) Must be the same throughout the State for each school, each LEA, and each group of students under §200.13(b)(7); and

(2) May be the same for more than one year, consistent with the State’s intermediate goals under §200.17.

Authority: 20 U.S.C. 6311(b)(2)

§ 200.19 Other academic indicators.

(a) Elementary and middle schools—(1) Choice of indicator. To determine AYP, consistent with §200.14(e), each State must use at least one other academic indicator for public elementary schools and at least one other academic indicator for public middle schools, such as those in paragraph (c) of this section.

(2) Goals. A State may, but is not required to, increase the goals of its other academic indicators over the course of the timeline under §200.15.

(b) High schools—(1) Graduation rate. Consistent with paragraphs (b)(4) and (b)(5) of this section regarding reporting and determining AYP, respectively, each State must calculate a graduation rate, defined as follows, for all public high schools in the State:

(i)(A) A State must calculate a “four-year adjusted cohort graduation rate,” defined as the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for that graduating class.

(B) For those high schools that start after grade nine, the cohort must be...
calculated based on the earliest high school grade.

(ii) The term “adjusted cohort” means the students who enter grade 9 (or the earliest high school grade) and any students who transfer into the cohort in grades 9 through 12 minus any students removed from the cohort.

(A) The term “students who transfer into the cohort” means the students who enroll after the beginning of the entering cohort’s first year in high school, up to and including in grade 12.

(B) To remove a student from the cohort, a school or LEA must confirm in writing that the student transferred out, emigrated to another country, or is deceased.

(1) To confirm that a student transferred out, the school or LEA must have official written documentation that the student enrolled in another school or in an educational program that culminates in the award of a regular high school diploma.

(2) A student who is retained in grade, enrolls in a General Educational Development (GED) program, or leaves school for any other reason may not be counted as having transferred out for the purpose of calculating graduation rate and must remain in the adjusted cohort.

(iii) The term “students who graduate in four years” means students who earn a regular high school diploma at the conclusion of their fourth year, before the conclusion of their fourth year, or during a summer session immediately following their fourth year.

(iv) The term “regular high school diploma” means the standard high school diploma that is awarded to students in the State and that is fully aligned with the State’s academic content standards or a higher diploma and does not include a GED credential, certificate of attendance, or any alternative award.

(v) In addition to calculating a four-year adjusted cohort graduation rate, provided that the adjustments account for any students who transfer into the cohort by the end of the year of graduation being considered minus the number of students who transfer out, emigrate to another country, or are deceased by the end of that year.

(B) A State may calculate one or more extended-year adjusted cohort graduation rates.

(2) Transitional graduation rate. (i) Prior to the deadline in paragraph (b)(4)(ii)(A) of this section, a State must calculate graduation rate as defined in paragraph (b)(1) of this section or use, on a transitional basis—

(A) A graduation rate that measures the percentage of students from the beginning of high school who graduate with a regular high school diploma in the standard number of years; or

(B) Another definition, developed by the State and approved by the Secretary, that more accurately measures the rate of student graduation from high school with a regular high school diploma.

(ii) For a transitional graduation rate calculated under paragraph (b)(2)(i) of this section—

(A) “Regular high school diploma” has the same meaning as in paragraph (b)(1)(iv) of this section;

(B) “Standard number of years” means four years unless a high school begins after ninth grade, in which case the standard number of years is the number of grades in the school; and

(C) A dropout may not be counted as a transfer.

(3) Goal and targets. (i) A State must set—

(A) A single graduation rate goal that represents the rate the State expects all high schools in the State to meet; and

(B) Annual graduation rate targets that reflect continuous and substantial improvement from the prior year toward meeting or exceeding the graduation rate goal.

(ii) Beginning with AYP determinations under §200.20 based on school year 2009–2010 assessment results, in order to make AYP, any high school or LEA that serves grade 12 and the State must meet or exceed—
(A) The graduation rate goal set by the State under paragraph (b)(3)(i)(A) of this section; or
(B) The State’s targets for continuous and substantial improvement from the prior year, as set by the State under paragraph (b)(3)(i)(B) of this section.

(4) Reporting. (i) In accordance with the deadlines in paragraph (b)(4)(ii) of this section, a State and its LEAs must report under section 1111(h) of the Act (annual report cards) graduation rate at the school, LEA, and State levels in the aggregate and disaggregated by each subgroup described in §200.13(b)(7)(ii).

(ii)(A) Beginning with report cards providing results of assessments administered in the 2010–2011 school year, a State and its LEAs must report the four-year adjusted cohort graduation rate calculated in accordance with paragraph (b)(1)(i) through (iv) of this section.

(B) If a State adopts an extended-year adjusted cohort graduation rate calculated in accordance with paragraph (b)(1)(v) of this section, the State and its LEAs must report, beginning with the first year for which the State calculates such a rate, the extended-year adjusted cohort graduation rate separately from the four-year adjusted cohort graduation rate.

(C) Prior to the deadline in paragraph (b)(4)(ii)(A) of this section, a State and its LEAs must report a graduation rate calculated in accordance with paragraph (b)(1)(i) or (b)(2) of this section in the aggregate and disaggregated by the subgroups in §200.13(b)(7)(ii).

(5) Determining AYP. (i) Beginning with AYP determinations under §200.20 based on school year 2011–2012 assessment results, a State must calculate graduation rate under paragraph (b)(1) of this section at the school, LEA, and State levels in the aggregate and disaggregated by each subgroup described in §200.13(b)(7)(ii).

(ii) Prior to the AYP determinations described in paragraph (b)(5)(i) of this section, a State must calculate graduation rate in accordance with either paragraph (b)(1) or (b)(2) of this section—

(A) In the aggregate at the school, LEA, and State levels for determining AYP under §200.20(a)(1)(ii) (meeting the State’s annual measurable objectives), except as provided in paragraph (b)(7)(iii) of this section; but
(B) In the aggregate and disaggregated by each subgroup described in §200.13(b)(7)(ii) for purposes of determining AYP under §200.20(b)(2) (“safe harbor”) and as required under section 1111(b)(2)(C)(vii) of the Act (additional academic indicators under paragraph (c) of this section).

(6) Accountability workbook. (i) A State must revise its Consolidated State Application Accountability Workbook submitted under section 1111 of the Act to include the following:

(A) The State’s graduation rate definition that the State will use to determine AYP based on school year 2009–2010 assessment results.

(B) The State’s progress toward meeting the deadline in paragraph (b)(4)(ii)(A) of this section for calculating and reporting the four-year adjusted cohort graduation rate defined in paragraph (b)(1)(i) through (iv) of this section.

(C) The State’s graduation rate goal and targets.

(D) An explanation of how the State’s graduation rate goal represents the rate the State expects all high schools in the State to meet and how the State’s targets demonstrate continuous and substantial improvement from the prior year toward meeting or exceeding the goal.

(E) The graduation rate for the most recent school year of the high school at the 10th percentile, the 50th percentile, and the 90th percentile in the State (ranked in terms of graduation rate).

(F) If a State uses an extended-year adjusted cohort graduation rate, a description of how it will use that rate with its four-year adjusted cohort graduation rate to determine whether its schools and LEAs have made AYP.

(ii) Each State must submit, consistent with the timeline in §200.7(a)(2)(ii), its revised Consolidated State Application Accountability Workbook in accordance with paragraph (b)(6)(i) of this section to the Department for technical assistance and peer review under the process established by the Secretary under section 1111(e)(2) of the Act.
(7) Extension. (i) If a State cannot meet the deadline in paragraph (b)(4)(ii)(A) of this section, the State may request an extension of the deadline from the Secretary.

(ii) To receive an extension, a State must submit to the Secretary, by March 2, 2009—

(A) Evidence satisfactory to the Secretary demonstrating that the State cannot meet the deadline in paragraph (b)(4)(ii)(A) of this section; and

(B) A detailed plan and timeline addressing the steps the State will take to implement, as expeditiously as possible, a graduation rate consistent with paragraph (b)(1)(i) through (iv) of this section.

(iii) A State that receives an extension under this paragraph must, beginning with AYP determinations under §200.20 based on school year 2011–2012 assessment results, calculate graduation rate under paragraph (b)(2) of this section at the school, LEA, and State levels in the aggregate and disaggregated by each subgroup described in §200.13(b)(7)(ii).

(c) The State may include additional academic indicators determined by the State, including, but not limited to, the following:

(1) Additional State or locally administered assessments not included in the State assessment system under §200.2.

(2) Grade-to-grade retention rates.

(3) Attendance rates.

(4) Percentages of students completing gifted and talented, advanced placement, and college preparatory courses.

(d) A State must ensure that its other academic indicators are—

(1) Valid and reliable;

(2) Consistent with relevant, nationally recognized professional and technical standards, if any; and

(3) Consistent throughout the State within each grade span.

(e) Except as provided in §200.20(b)(2), a State—

(1) May not use the indicators in paragraphs (a) through (c) of this section to reduce the number, or change the identity, of schools that would otherwise be subject to school improvement, corrective action, or restructuring if those indicators were not used; but

(2) May use the indicators to identify additional schools for school improvement, corrective action, or restructuring.

§ 200.20 Making adequate yearly progress.

A school or LEA makes AYP if it complies with paragraph (c) and with either paragraph (a) or (b) of this section separately in reading/language arts and in mathematics.

(a)(1) A school or LEA makes AYP if, consistent with paragraph (f) of this section—

(i) Each group of students under §200.13(b)(7) meets or exceeds the State’s annual measurable objectives under §200.18; and

(ii) The school or LEA, respectively, meets or exceeds the State’s other academic indicators under §200.19.

(b) If students in any group under §200.13(b)(7) in a school or LEA do not meet the State’s annual measurable objectives under §200.18, the school or LEA makes AYP if, consistent with paragraph (f) of this section—

(1) The percentage of students in that group below the State’s proficient achievement level decreased by at least 10 percent from the preceding year; and

(2) That group made progress on one or more of the State’s academic indicators under §200.19 or the LEA’s academic indicators under §200.30(c).

(c)(1) A school or LEA makes AYP if, consistent with paragraph (f) of this section—

(i) Not less than 95 percent of the students enrolled in each group under §200.13(b)(7) takes the State assessments under §200.2; and

(ii) The group is of sufficient size to produce statistically reliable results under §200.7(a).
(2) The requirement in paragraph (c)(1) of this section does not authorize a State, LEA, or school to systematically exclude 5 percent of the students in any group under §200.13(b)(7).

(3) To count a student who is assessed based on alternate academic achievement standards described in §200.1(d) as a participant for purposes of meeting the requirements of this paragraph, the State must have, and ensure that its LEAs adhere to, guidelines that meet the requirements of §200.1(f).

(d) For the purpose of determining whether a school or LEA has made AYP, a State may establish a uniform procedure for averaging data that includes one or more of the following:

(1) Averaging data across school years.

(i) A State may average data from the school year for which the determination is made with data from one or two school years immediately preceding that school year.

(ii) If a State averages data across school years, the State must—

(A) Implement, on schedule, the assessments in reading/language arts and mathematics in grades 3 through 8 and once in grades 10 through 12 required under §200.5(a)(2);

(B) Report data resulting from the assessments under §200.5(a)(2);

(C) Determine AYP under §§200.13 through 200.20, although the State may base that determination on data only from the reading/language arts and mathematics assessments in the three grade spans required under §200.5(a)(1); and

(D) Implement the requirements in section 1116 of the ESEA.

(iii) A State that averages data across years must determine AYP on the basis of the assessments under §200.5(a)(2) as soon as it has data from two or three years to average. Until that time, the State may use data from the reading/language arts and mathematics assessments required under §200.5(a)(1) to determine adequate yearly progress.

(2) Combining data across grades. Within each subject area and subgroup, the State may combine data across grades in a school or LEA.

(e)(1) In determining the AYP of an LEA, a State must include all students who were enrolled in schools in the LEA for a full academic year, as defined by the State.

(2) In determining the AYP of a school, the State may not include students who were not enrolled in that school for a full academic year, as defined by the State.

(f)(1) In determining AYP for a school or LEA, a State may—

(i) Count recently arrived limited English proficient students as having participated in the State assessments for purposes of meeting the 95 percent participation requirement under paragraph (c)(1)(i) of this section if they take—

(A) Either an assessment of English language proficiency under §200.6(b)(3) or the State’s reading/language arts assessment under §200.2; and

(B) The State’s mathematics assessment under §200.2; and

(ii) Choose not to include the scores of recently arrived limited English proficient students on the mathematics assessment, the reading/language arts assessment (if administered to these students), or both, even if these students have been enrolled in the same school or LEA for a full academic year as defined by the State.

(2)(i) In determining AYP for the subgroup of limited English proficient students and the subgroup of students with disabilities, a State may include, for up to two AYP determination cycles, the scores of—

(A) Students who were limited English proficient but who no longer meet the State’s definition of limited English proficiency; and

(B) Students who were previously identified under section 602(3) of the IDEA but who no longer receive special education services.

(ii) If a State, in determining AYP for the subgroup of limited English proficient students and the subgroup of students with disabilities, includes the scores of the students described in paragraph (f)(2)(i) of this section, the State must include the scores of all such students, but is not required to—

(A) Include those students in the limited English proficient subgroup or in the students with disabilities subgroup in determining if the number of limited English proficient students or students
with disabilities, respectively, is sufficient to yield statistically reliable information under §200.7(a); or

(B) With respect to students who are no longer limited English proficient—

(i) Assess those students' English language proficiency under §200.6(b)(3); or

(ii) Provide English language services to those students.

(iii) For the purpose of reporting information on report cards under section 1111(h) of the Act—

(A) A State may include the scores of former limited English proficient students and former students with disabilities as part of the limited English proficient and students with disabilities subgroups, respectively, for the purpose of reporting AYP at the State level under section 1111(h)(1)(C)(ii) of the Act;

(B) An LEA may include the scores of former limited English proficient students and former students with disabilities subgroups, respectively, for the purpose of reporting AYP at the LEA and school levels under section 1111(h)(2)(B) of the Act; but

(C) A State or LEA may not include the scores of former limited English proficient students or former students with disabilities as part of the limited English proficient or students with disabilities subgroup, respectively, in reporting any other information under section 1111(h) of the Act.

(g) **Student academic growth.** (1) A State may request authority under section 9401 of the Act to incorporate student academic growth in the State’s definition of AYP under this section.

(2) A State’s policy for incorporating student academic growth in the State’s definition of AYP must—

(i) Set annual growth targets that—

(A) Will lead to all students, by school year 2013–2014, meeting or exceeding the State’s proficient level of academic achievement on the State assessments under §200.2; and

(B) Are based on meeting the State’s proficient level of academic achievement on the State assessments under §200.2 and are not based on individual student background characteristics; and

(C) Measure student achievement separately in mathematics and reading/language arts;

(ii) Ensure that all students enrolled in the grades tested under §200.2 are included in the State’s assessment and accountability systems;

(iii) Hold all schools and LEAs accountable for the performance of all students and the student subgroups described in §200.13(b)(7)(i);

(iv) Be based on State assessments that—

(A) Produce comparable results from grade to grade and from year to year in mathematics and reading/language arts;

(B) Have been in use by the State for more than one year; and

(C) Have received full approval from the Secretary before the State determines AYP based on student academic growth;

(v) Track student progress through the State data system;

(vi) Include, as separate factors in determining whether schools are making AYP for a particular year—

(A) The rate of student participation in assessments under §200.2; and

(B) Other academic indicators as described in §200.19; and

(vii) Describe how the State’s annual growth targets fit into the State’s accountability system in a manner that ensures that the system is coherent and that incorporating student academic growth into the State’s definition of AYP does not dilute accountability.

(3) A State’s proposal to incorporate student academic growth in the State’s definition of AYP will be peer reviewed under the process established by the Secretary under section 1111(e)(2) of the Act.

§ 200.25 Schoolwide programs in general.

(a) Purpose. (1) The purpose of a schoolwide program is to improve academic achievement throughout a school so that all students, particularly the lowest-achieving students, demonstrate proficiency related to the State’s academic standards under §200.1.

(2) The improved achievement is to result from improving the entire educational program of the school.

(b) Eligibility. (1) A school may operate a schoolwide program if—

(i) The school’s LEA determines that the school serves an eligible attendance area or is a participating school under section 1113 of the ESEA; and

(ii) For the initial year of the schoolwide program—

(A) The school serves a school attendance area in which not less than 40 percent of the children are from low-income families; or

(B) Not less than 40 percent of the children enrolled in the school are from low-income families.

(2) In determining the percentage of children from low-income families under paragraph (b)(1)(ii) of this section, the LEA may use a measure of poverty that is different from the measure or measures of poverty used by the LEA to identify and rank school attendance areas for eligibility and participation under subpart A of this part.
§ 200.26 Core elements of a schoolwide program.

(a) Comprehensive needs assessment. (1) A school operating a schoolwide program must conduct a comprehensive needs assessment of the entire school that—

(i) Is based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State’s academic standards under §200.1 to—

(A) Help the school understand the subjects and skills for which teaching and learning need to be improved; and

(B) Identify the specific academic needs of students and groups of students who are not yet achieving the State’s academic standards; and

(ii) Assesses the needs of the school relative to each of the components of the schoolwide program under §200.28.

(2) The comprehensive needs assessment must be developed with the participation of individuals who will carry out the schoolwide program plan.

(3) The school must document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.

(b) Comprehensive plan. Using data from the comprehensive needs assessment under paragraph (a) of this section, a school that wishes to operate a schoolwide program must develop a comprehensive plan, in accordance with §200.27, that describes how the school will improve academic achievement throughout the school, but particularly for those students furthest away from demonstrating proficiency, so that all students demonstrate at least proficiency on the State’s academic standards.

(c) Evaluation. A school operating a schoolwide program must—

(1) Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State’s annual assessments and other indicators of academic achievement;

(2) Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State’s academic standards, particularly for those students who had been furthest from achieving the standards; and

(3) Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

(ii) The school was operating a schoolwide program on or before January 7, 2002, in which case the school may continue to operate its program, but must amend its existing plan to reflect the provisions of §§ 200.25 through 200.29 during the 2002–2003 school year.

(2) The school must develop the comprehensive plan with the involvement of parents, consistent with the requirements of section 1118 of the ESEA, and other members of the community to be served and individuals who will carry out the plan, including—

(1) Provide opportunities for all students to meet the State’s proficient and advanced levels of student academic achievement;

(2) (i) Address the needs of all students in the school, particularly the needs of low-achieving students and those at risk of not meeting the State’s student academic achievement standards who are members of the target population of any program included in the schoolwide program; and

(ii) Address how the school will determine if those needs have been met;

(3) Use effective methods and instructional practices that are based on scientifically based research, as defined in section 9101 of the ESEA, and that—

(i) Strengthen the core academic program;

(ii) Provide an enriched and accelerated curriculum;

(iii) Increase the amount and quality of learning time, such as providing an extended school year and before-

(c) Parental involvement. (1) A schoolwide program must involve parents in the planning, review, and improvement of the schoolwide program plan.
(2) A schoolwide program must have a parental involvement policy, consistent with section 1118(b) of the ESEA, that—

§ 200.29 Consolidation of funds in a schoolwide program.

(a)(1) In addition to funds under subpart A of this part, a school may consolidate and use in its schoolwide program Federal funds from any program administered by the Secretary that is included in the most recent notice published for this purpose in the Federal Register.
(2) For purposes of §§200.25 through 200.29, the authority to consolidate funds from other Federal programs also applies to services provided to the school with those funds.

(b)(1) Except as provided in paragraphs (b)(2) and (c) of this section, a school that consolidates and uses in a schoolwide program funds from any other Federal program administered by the Secretary—
(i) Is not required to meet the statutory or regulatory requirements of that program applicable at the school level; but
(ii) Must meet the intent and purposes of that program to ensure that
§ 200.30  
the needs of the intended beneficiaries of that program are addressed.

(2) A school that chooses to consolidate funds from other Federal programs must meet the requirements of those programs relating to—

(i) Health;
(ii) Safety;
(iii) Civil rights;
(iv) Student and parental participation and involvement;
(v) Services to private school children;
(vi) Maintenance of effort;
(vii) Comparability of services;
(viii) Use of Federal funds to supplement, not supplant non-Federal funds in accordance with § 200.25(d); and
(ix) Distribution of funds to SEAs or LEAs.

(c) A school must meet the following requirements if the school consolidates and uses funds from these programs in its schoolwide program:

(1) Migrant education. Before the school chooses to consolidate in its schoolwide program funds received under part C of Title I of the ESEA, the school must—

(i) Use these funds, in consultation with parents of migratory children or organizations representing those parents, or both, first to meet the unique educational needs of migratory students that result from the effects of their migratory lifestyle, and those other needs that are necessary to permit these students to participate effectively in school, as identified through the comprehensive Statewide needs assessment under § 200.83; and

(ii) Document that these needs have been met.

(2) Indian education. The school may consolidate funds received under subpart 1 of part A of Title VII of the ESEA if the parent committee established by the LEA under section 7114(c)(4) of the ESEA approves the inclusion of these funds.

(3) Special education. (i) The school may consolidate funds received under part B of the IDEA.

(ii) However, the amount of funds consolidated may not exceed the amount received by the LEA under part B of IDEA for that fiscal year, divided by the number of children with disabilities in the jurisdiction of the LEA, and multiplied by the number of children with disabilities participating in the schoolwide program.

(iii) The school may also consolidate funds received under section 8003(d) of the ESEA (Impact Aid) for children with disabilities in a schoolwide program.

(iv) A school that consolidates funds under part B of IDEA or section 8003(d) of the ESEA may use those funds for any activities under its schoolwide program plan but must comply with all other requirements of part B of IDEA, to the same extent it would if it did not consolidate funds under part B of IDEA or section 8003(d) of the ESEA in the schoolwide program.

(d) A school that consolidates and uses in a schoolwide program funds under subpart A of this part or from any other Federal program administered by the Secretary—

(1) Is not required to maintain separate fiscal accounting records, by program, that identify the specific activities supported by those particular funds; but

(2) Must maintain records that demonstrate that the schoolwide program, as a whole, addresses the intent and purposes of each of the Federal programs whose funds were consolidated to support the schoolwide program.

(e) Each State must—

(1) Encourage schools to consolidate funds from other Federal, State, and local sources in their schoolwide programs; and

(2) Modify or eliminate State fiscal and accounting barriers so that schools can easily consolidate funds from other Federal, State, and local sources in their schoolwide programs.

LEA AND SCHOOL IMPROVEMENT

§ 200.30  
Local review.

(a) Each LEA receiving funds under subpart A of this part must use the results of the State assessment system described in § 200.2 to review annually the progress of each school served
under subpart A of this part to determine whether the school is making AYP in accordance with §200.20.

(b)(1) In reviewing the progress of an elementary or secondary school operating a targeted assistance program, an LEA may choose to review the progress of only the students in the school who are served, or are eligible for services, under subpart A of this part.

(2) The LEA may exercise the option under paragraph (b)(1) of this section so long as the students selected for services under the targeted assistance program are those with the greatest need for special assistance, consistent with the requirements of section 1115 of the ESEA.

(c)(1) To determine whether schools served under subpart A of this part are making AYP, an LEA also may use any additional academic assessments or any other academic indicators described in the LEA’s plan.

(2)(i) The LEA may use these assessments and indicators—

(A) To identify additional schools for school improvement or in need of corrective action or restructuring; and

(B) To permit a school to make AYP if, in accordance with §200.20(b), the school also reduces the percentage of a student group not meeting the State’s proficient level of academic achievement by at least 10 percent.

(ii) The LEA may not, with the exception described in paragraph (c)(2)(i)(B) of this section, use these assessments and indicators to reduce the number of, or change the identity of, the schools that would otherwise be identified for school improvement, corrective action, or restructuring if the LEA did not use these additional indicators.

(d) The LEA must publicize and disseminate the results of its annual progress review to parents, teachers, principals, schools, and the community.

(e) The LEA must review the effectiveness of actions and activities that schools are carrying out under subpart A of this part with respect to parental involvement, professional development, and other activities assisted under subpart A of this part.

§200.31 Opportunity to review school-level data.

(a) Before identifying a school for school improvement, corrective action, or restructuring, an LEA must provide the school with an opportunity to review the school-level data, including academic assessment data, on which the proposed identification is based.

(b)(1) If the principal of a school that an LEA proposes to identify for school improvement, corrective action, or restructuring believes, or a majority of the parents of the students enrolled in the school believe, that the proposed identification is in error for statistical or other substantive reasons, the principal may provide supporting evidence to the LEA.

(2) The LEA must consider the evidence referred to in paragraph (b)(1) of this section before making a final determination.

(c) The LEA must make public a final determination of the status of the school with respect to identification not later than 30 days after it provides the school with the opportunity to review the data on which the proposed identification is based.

§200.32 Identification for school improvement.

(a)(1)(i) An LEA must identify for school improvement any elementary or secondary school served under subpart A of this part that fails, for two consecutive years, to make AYP as defined under §§200.13 through 200.20.

(ii) In identifying schools for improvement, an LEA—

(A) May base identification on whether a school did not make AYP because it did not meet the annual measurable objectives for the same subject
§ 200.33 Identification for corrective action.

(a) If a school served by an LEA under subpart A of this part fails to make AYP by the end of the second full school year after the LEA has identified the school for improvement under §200.39 immediately upon identification, including the provision of public school choice; and

(b) If a school was subject to corrective action on January 7, 2002, the LEA must—

(1) Treat the school as a school identified for corrective action under §200.42.

(2) Not later than the first day of the 2002–2003 school year, the LEA must—

(i) In accordance with §200.44, provide public school choice to all students in the school; and

(ii) In accordance with §200.45, make available supplemental educational services to eligible students who remain in the school.

(f) If an LEA identifies a school for improvement after the beginning of the school year following the year in which the LEA administered the assessments that resulted in the school’s failure to make AYP for a second consecutive year—

(1) The school is subject to the requirements of school improvement under §200.39 immediately upon identification, including the provision of public school choice; and

(2) The LEA must count that school year as a full school year for the purposes of subjecting the school to additional improvement measures if the school continues to fail to make AYP.

§ 200.42 Corrective action.

(a) Definition. “Corrective action” means action by an LEA that—
(1) Substantially and directly responds to—
(i) The consistent academic failure of a school that led the LEA to identify the school for corrective action; and
(ii) Any underlying staffing, curriculum, or other problems in the school;
(2) Is designed to increase substantially the likelihood that each group of students described in §200.13(b)(7) and enrolled in the school will meet or exceed the State’s proficient levels of achievement as measured by the State assessment system; and
(3) Is consistent with State law.

(b) Requirements. If an LEA identifies a school for corrective action, in accordance with §200.33, the LEA must do the following:

(a) Definition. “Restructuring” means a major reorganization of a school’s governance arrangement by an LEA that—
(1) Makes fundamental reforms to improve student academic achievement in the school;
(2) Has substantial promise of enabling the school to make AYP as defined under §§200.13 through 200.20;
(3) Is consistent with State law;
(4) Is significantly more rigorous and comprehensive than the corrective action that the LEA implemented in the school under §200.42, unless the school has begun to implement one of the options in paragraph (b)(3) of this section as a corrective action; and
(5) Addresses the reasons why the school was identified for restructuring in order to enable the school to exit restructuring as soon as possible.

(b) Requirements. If the LEA identifies a school for restructuring in accordance with §200.34, the LEA must do the following:

   (iv) Turn the operation of the school over to the SEA, if permitted under State law and agreed to by the State.
   (v) Any other major restructuring of a school’s governance arrangement that makes fundamental reforms, such as significant changes in the school’s staffing and governance, in order to improve student academic achievement in the school and that has substantial promise of enabling the school to make AYP. The major restructuring of a school’s governance may include replacing the principal so long as this change is part of a broader reform effort.
(4) Provide to parents and teachers—
   (i) Prompt notice that the LEA has identified the school for restructuring; and
   (ii) An opportunity for parents and teachers to—
   (A) Comment before the LEA takes any action under a restructuring plan; and
   (B) Participate in the development of any restructuring plan.
(5) Continue to comply with §200.39(c).

(c) Implementation. (1) If a school continues to fail to make AYP, the LEA must—

(Approved by the Office of Management and Budget under control number 1810–0581)
(Authority: 20 U.S.C. 6316(b)(8))
in which the LEA administered the assessments that resulted in its identification of the school for improvement, corrective action, or restructuring.

(3) The schools to which students may transfer under paragraph (a)(1) of this section—
   (i) May not include schools that—
      (A) The LEA has identified for improvement under §200.32, corrective action under §200.33, or restructuring under §200.34; or
      (B) Are persistently dangerous as determined by the State; and

(4) If more than one school meets the requirements of paragraph (a)(3) of this section, the LEA must—
   (i) Provide to parents of students eligible to transfer under paragraph (a)(1) of this section a choice of more than one such school; and
   (ii) Take into account the parents’ preferences among the choices offered under paragraph (a)(4)(i) of this section.

(b) Limitation on State law prohibition. An LEA may invoke the State law prohibition on choice described in paragraph (a)(5) of this section only if the State law prohibits choice through restrictions on public school assignments or the transfer of students from one public school to another public school.

(c) Desegregation plans. (1) If an LEA is subject to a desegregation plan, whether that plan is voluntary, court-ordered, or required by a Federal or State administrative agency, the LEA is not exempt from the requirement in paragraph (a)(1) of this section.

(2) In determining how to provide students with the option to transfer to another school, the LEA may take into account the requirements of the desegregation plan.

(3) If the desegregation plan forbids the LEA from offering the transfer option required under paragraph (a)(1) of this section, the LEA must secure appropriate changes to the plan to permit compliance with paragraph (a)(1) of this section.

(d) Capacity. An LEA may not use lack of capacity to deny students the option to transfer under paragraph (a)(1) of this section.

(e) Priority. (1) In providing students the option to transfer to another public school in accordance with paragraph (a)(1) of this section, the LEA must give priority to the lowest-achieving students from low-income families.

(2) The LEA must determine family income on the same basis that the LEA uses to make allocations to schools under subpart A of this part.

(f) Status. Any public school to which a student transfers under paragraph (a)(1) of this section must ensure that the student is enrolled in classes and other activities in the school in the same manner as all other students in the school.

(g) Duration of transfer. (1) If a student exercises the option under paragraph (a)(1) of this section to transfer to another public school, the LEA must permit the student to remain in that school until the student has completed the highest grade in the school.

(2) The LEA’s obligation to provide transportation for the student may be limited under the circumstances described in paragraph (i) of this section and in §200.48.

(b) No eligible schools within an LEA. If all public schools to which a student may transfer within an LEA are identified for school improvement, corrective action, or restructuring, the LEA—

(1) Must, to the extent practicable, establish a cooperative agreement for a transfer with one or more other LEAs in the area; and

(2) May offer supplemental educational services to eligible students under §200.45 in schools in their first year of school improvement under §200.39.

(1) Transportation. (1) If a student exercises the option under paragraph
§ 200.45 Supplemental educational services.

(a) Definition. "Supplemental educational services" means tutoring and other supplemental academic enrichment services that are—

(1) In addition to instruction provided during the school day;

(3) Of high quality and research-based.

(b) Eligibility. (1) Only students from low-income families are eligible for supplemental educational services.

(2) The LEA must determine family income on the same basis that the LEA uses to make allocations to schools under subpart A of this part.

(c) Requirement. (1) If an LEA identifies a school for a second year of improvement under §200.32, corrective action under §200.33, or restructuring under §200.34, the LEA must arrange, consistent with paragraph (d) of this section, for each eligible student in the school to receive supplemental educational services from a State-approved provider selected by the student’s parents.

(2) Except as described in §§200.32(d) and 200.33(c), if a school was in school improvement status for two or more consecutive school years or subject to corrective action on January 7, 2002, the State must ensure that the LEA makes available, consistent with paragraph (d) of this section, supplemental educational services to all eligible students not later than the first day of the 2002–2003 school year.

(3) The LEA must, consistent with §200.48, continue to make available supplemental educational services to eligible students until the end of the school year in which the LEA is making those services available.

(4)(i) At the request of an LEA, the SEA may waive, in whole or in part, the requirement that the LEA make available supplemental educational services if the SEA determines that—

(A) None of the providers of those services on the list approved by the SEA under §200.47 makes those services available in the area served by the LEA or within a reasonable distance of that area; and

(B) The LEA provides evidence that it is not otherwise able to make those services available.

(ii) The SEA must notify the LEA, within 30 days of receiving the LEA’s request for a waiver under paragraph (c)(4)(i) of this section, whether it approves or disapproves the request and, if it disapproves, the reasons for the disapproval, in writing.

(iii) An LEA that receives a waiver must renew its request for that waiver on an annual basis.

(d) Priority. If the amount of funds available for supplemental educational services is insufficient to provide services to each student whose parents request these services, the LEA must...
give priority to the lowest-achieving students.

(5) Ensure that eligible students with disabilities under IDEA and students covered under Section 504 receive appropriate supplemental educational services and accommodations in the provision of those services.
(6) Ensure that eligible students who have limited English proficiency receive appropriate supplemental educational services and language assistance in the provision of those services.

(b) Standards for approving providers.
(1) As used in this section and in §200.46, “provider” means a non-profit entity, a for-profit entity, an LEA, an educational service agency, a public school, including a public charter school, or a private school that—
(i) Has a demonstrated record of effectiveness in increasing the academic achievement of students in subjects relevant to meeting the State’s academic content and student achievement standards described under §200.1;

(ii) Parent recommendations or results from parent surveys, if any, regarding the success of the provider’s instructional program in increasing student achievement; and

(iii) Evaluation results, if any, demonstrating that the instructional program has improved student achievement.

(4) As a condition of approval, a State may not require a provider to hire only staff who meet the requirements under §§200.55 and 200.56.

(c) Standards for monitoring approved providers. To monitor the quality and effectiveness of services offered by an approved provider in order to inform the renewal or the withdrawal of approval of the provider—

§ 200.48 Funding for choice-related transportation and supplemental educational services.

(a) Amounts required. (1) To pay for choice-related transportation and supplemental educational services required under section 1116 of the ESEA, an LEA may use—

(i) Funds allocated under subpart A of this part;

(ii) Funds, where allowable, from other Federal education programs; and

(iii) State, local, or private resources.

(2) Unless a lesser amount is needed, the LEA must spend an amount equal to 20 percent of its allocation under subpart A of this part (“20 percent obligation”) to—

(i) Provide, or pay for, transportation of students exercising a choice option under §200.44;

(ii) Satisfy all requests for supplemental educational services under §200.45; or

(iii) Pay for both paragraph (a)(2)(i) and (ii) of this section, except that—

(A) The LEA must spend a minimum of an amount equal to 5 percent of its allocation under subpart A of this part on transportation under paragraph (a)(2)(i) of this section and an amount equal to 5 percent of its allocation under subpart A of this part for supplemental educational services under paragraph (a)(2)(ii) of this section, unless lesser amounts are needed to meet the requirements of §§200.44 and 200.45;

(B) Except as provided in paragraph (a)(2)(iii)(C) of this section, the LEA may not include costs for administration or transportation incurred in providing supplemental educational services, or administrative costs associated with the provision of public school choice options under §200.44, in the amounts required under paragraph (a)(2) of this section; and

(C) The LEA may count in the amount the LEA is required to spend under paragraph (a) of this section its costs for outreach and assistance to parents concerning their choice to transfer their child or to request supplemental educational services, up to an amount equal to 0.2 percent of its allocation under subpart 2 of part A of Title I of the Act.

(3) If the amount specified in paragraph (a)(2) of this section is insufficient to pay all choice-related transportation costs, or to meet the demand for supplemental educational services,
the LEA may make available any additional needed funds from Federal, State, or local sources.

(4) To assist an LEA that does not have sufficient funds to make available supplemental educational services to all students requesting these services, an SEA may use funds that it reserves under part A of Title I and part A of Title V of the ESEA.

(b) Cap on school-level reduction. (1) An LEA may not, in applying paragraph (a) of this section, reduce by more than 15 percent the total amount it makes available under subpart A of this part to a school it has identified for corrective action or restructuring.

(2) [Reserved]

(c) Per-child funding for supplemental educational services. For each student receiving supplemental educational services under §200.45, the LEA must make available the lesser of—

(1) The amount of its allocation under subpart A of this part, divided by the number of students from families below the poverty level, as counted under section 1124(c)(1)(A) of the ESEA; or

(2) The actual costs of the supplemental educational services received by the student.

(d) Unexpended funds for choice-related transportation and supplemental educational services. (1)(i) Except as provided in paragraph (d)(2) of this section, if an LEA does not meet its 20 percent obligation in a given school year, the LEA must spend the unexpended amount in the subsequent school year on choice-related transportation costs, supplemental educational services, or parent outreach and assistance (consistent with paragraph (a)(2)(ii)(C) of this section).

(ii) The LEA must spend the unexpended amount under paragraph (d)(1)(i) of this section in addition to the amount it is required to spend to meet its 20 percent obligation in the subsequent school year.

(2) To spend less than the amount needed to meet its 20 percent obligation, an LEA must—

(i) Meet, at a minimum, the following criteria:

(A) Partner, to the extent practicable, with outside groups, such as faith-based organizations, other community-based organizations, and business groups, to help inform eligible students and their families of the opportunities to transfer or to receive supplemental educational services.

(B) Ensure that eligible students and their parents have a genuine opportunity to sign up to transfer or to obtain supplemental educational services, including by—

(1) Providing timely, accurate notice as required in §§200.36 and 200.37;

(2) Ensuring that sign-up forms for supplemental educational services are distributed directly to all eligible students and their parents and are made widely available and accessible through broad means of dissemination, such as the Internet, other media, and communications through public agencies serving eligible students and their families; and

(3) Providing a minimum of two enrollment “windows,” at separate points in the school year, that are of sufficient length to enable parents of eligible students to make informed decisions about requesting supplemental educational services and selecting a provider.

(C) Ensure that eligible supplemental educational services providers are given access to school facilities, using a fair, open, and objective process, on the same basis and terms as are available to other groups that seek access to school facilities;

(ii) Maintain records that demonstrate the LEA has met the criteria in paragraph (d)(2)(i) of this section; and

(iii) Notify the SEA that the LEA—

(A) Has met the criteria in paragraph (d)(2)(i) of this section; and

(B) Intends to spend the remainder of its 20 percent obligation on other allowable activities, specifying the amount of that remainder.

(3)(i) Except as provided in paragraph (d)(3)(ii) of this section, an SEA must ensure an LEA’s compliance with paragraph (d)(2)(i) of this section through its regular monitoring process.

(ii)(A) In addition to its regular monitoring process, an SEA must review any LEA that—
Ofc. of Elem. & Secondary Ed., Education § 200.49

(1) The SEA determines has spent a significant portion of its 20 percent obligation for other activities under paragraph (d)(2)(iii)(B) of this section; and

(2) Has been the subject of multiple complaints, supported by credible evidence, regarding implementation of the public school choice or supplemental educational services requirements; and

(B) The SEA must complete its review by the beginning of the next school year.

(4)(i) If an SEA determines under paragraph (d)(3) of this section that an LEA has failed to meet any of the criteria in paragraph (d)(2)(i) of this section, the LEA must—

(A) Spend an amount equal to the remainder specified in paragraph (d)(2)(iii)(B) of this section in the subsequent school year, in addition to its 20 percent obligation for that year, on choice-related transportation costs, supplemental educational services, or parent outreach and assistance; or

(B) Meet the criteria in paragraph (d)(2)(i) of this section and obtain permission from the SEA before spending less in that subsequent school year than the amount required by paragraph (d)(4)(i)(A) of this section.

(ii) The SEA may not grant permission to the LEA under paragraph (d)(4)(i)(B) of this section unless the SEA has confirmed the LEA’s compliance with paragraph (d)(2)(i) of this section for that subsequent school year.

§ 200.49 SEA responsibilities for school improvement, corrective action, and restructuring.

(a) Transition requirements for public school choice and supplemental educational services. (1) Except as described in §§ 200.32(d) and 200.33(c), if a school was in school improvement or subject to corrective action on January 7, 2002, the SEA must ensure that the LEA for that school provides public school choice in accordance with § 200.44 not later than the first day of the 2002–2003 school year.

(2) Except as described in §§ 200.32(d) and 200.33(c), if a school was in school improvement status for two or more consecutive school years or subject to corrective action on January 7, 2002, the SEA must ensure that the LEA for that school makes available supplemental educational services in accordance with § 200.45 not later than the first day of the 2002–2003 school year.

(b) State reservation of funds for school improvement. (1) In accordance with § 200.100(a), an SEA must reserve 2 percent of the amount it receives under this part for fiscal years 2002 and 2003, and 4 percent of the amount it receives under this part for fiscal years 2004 through 2007, to—

(i) Support local school improvement activities;

(ii) Provide technical assistance to schools identified for improvement, corrective action, or restructuring; and

(iii) Provide technical assistance to LEAs that the SEA has identified for improvement or corrective action in accordance with § 200.50.

(2) Of the amount it reserves under paragraph (b)(1) of this section, the SEA must—

(i) Allocate not less than 95 percent directly to LEAs serving schools identified for improvement, corrective action, and restructuring to support improvement activities; or

(ii) With the approval of the LEA, directly provide for these improvement activities or arrange to provide them through such entities as school support teams or educational service agencies.

(3) In providing assistance to LEAs under paragraph (b)(2) of this section, the SEA must give priority to LEAs that—

(i) Serve the lowest-achieving schools;

(ii) Demonstrate the greatest need for this assistance; and

(iii) Demonstrate the strongest commitment to ensuring that this assistance will be used to enable the lowest-achieving schools to meet the progress goals in the school improvement plans under § 200.41.

(c) Technical assistance. The SEA must make technical assistance available, through the statewide system of support and improvement required by section 1117 of the ESEA, to schools
that LEAs have identified for improvement, corrective action, or restructuring.

(d) LEA failure. If the SEA determines that an LEA has failed to carry out its responsibilities with respect to school improvement, corrective action, or restructuring, the SEA must take the actions it determines to be appropriate and in compliance with State law.

(e) Assessment results. (1) The SEA must ensure that the results of academic assessments administered as part of the State assessment system in a given school year are available to LEAs before the beginning of the next school year and in such time as to allow for the identification described in §200.32(a)(2).

(2) The SEA must provide the results described in paragraph (e)(1) of this section to a school before an LEA may identify the school for school improvement under §200.32, corrective action under §200.33, or restructuring under §200.34.

(f) Accountability for charter schools. The accountability provisions under section 1116 of the ESEA must be observed for charter schools in accordance with State charter school law.

(g) Factors affecting student achievement. The SEA must notify the Secretary of Education of major factors that have been brought to the SEA’s attention under section 1111(b)(9) of the ESEA that have significantly affected student academic achievement in schools and LEAs identified for improvement within the State.

§ 200.50 SEA review of LEA progress.

(a) State review. (1) An SEA must annually review the progress of each LEA in its State that receives funds under subpart A of this part to determine whether—

(i) The LEA’s schools served under this part are making AYP, as defined under §§200.13 through 200.20, toward meeting the State’s student academic achievement standards; and

(ii) The LEA is carrying out its responsibilities under this part with respect to school improvement, technical assistance, parental involvement, and professional development.

(2) In reviewing the progress of an LEA, the SEA may, in the case of targeted assistance schools served by the LEA, consider the progress only of the students served or eligible for services under this subpart, provided the students selected for services in such schools are those with the greatest need for special assistance, consistent with the requirements of section 1115 of the ESEA.

(b) Rewards. If an LEA has exceeded AYP as defined under §§200.13 through 200.20 for two consecutive years, the SEA may—

(1) Reserve funds in accordance with §200.100(c); and

(2) Make rewards of the kinds described under section 1117 of the ESEA.

(c) Opportunity for review of LEA-level data. (1) Before identifying an LEA for improvement or corrective action, the SEA must provide the LEA with an opportunity to review the data, including academic assessment data, on which the SEA has based the proposed identification.

(2)(i) If the LEA believes that the proposed identification is in error for statistical or other substantive reasons, the LEA may provide supporting evidence to the SEA.

(ii) The SEA must consider the evidence before making a final determination not later than 30 days after it has provided the LEA with the opportunity to review the data under paragraph (c)(1) of this section.

(d) Identification for improvement. (1)(i) The SEA must identify for improvement an LEA that, for two consecutive years, including the period immediately before January 8, 2002, fails to make AYP as defined in the SEA’s plan under section 1111(b)(2) of the ESEA.

(ii) In identifying LEAs for improvement, an SEA—

(A) May base identification on whether an LEA did not make AYP because it did not meet the annual measurable objectives for the same subject or meet the same other academic indicator for two consecutive years; but
(B) May not limit identification to those LEAs that did not make AYP only because they did not meet the annual measurable objectives for the same subject or meet the same other academic indicator for the same subgroup under §200.13(b)(7)(ii) for two consecutive years.

(2) The SEA must identify for improvement an LEA that was in improvement status on January 7, 2002.

(3)(i) The SEA may identify an LEA for improvement if, on the basis of assessments the LEA administers during the 2001–2002 school year, the LEA fails to make AYP for a second consecutive year.

(ii) An SEA that does not identify such an LEA for improvement, however, must count the 2001–2002 school year as the first year of not making AYP for the purpose of subsequent identification decisions under paragraph (d)(1) of this section.

(4) The SEA may remove an LEA from improvement status if, on the basis of assessments the LEA administers during the 2001–2002 school year, the LEA makes AYP for a second consecutive year.

(e) Identification for corrective action. After providing technical assistance under §200.52(b), the SEA—

(1) May take corrective action at any time with respect to an LEA that the SEA has identified for improvement under paragraph (d) of this section;

(2) Must take corrective action—

(i) With respect to an LEA that fails to make AYP, as defined under §§200.13 through 200.20, by the end of the second full school year following the year in which the LEA administered the assessments that resulted in the LEA’s failure to make AYP for a second consecutive year and led to the SEA’s identification of the LEA for improvement under paragraph (d) of this section; and

(ii) With respect to an LEA that was in corrective action status on January 7, 2002; and

(3) May remove an LEA from corrective action if, on the basis of assessments administered by the LEA during the 2001–2002 school year, it makes AYP for a second consecutive year.

(f) Delay of corrective action. (1) The SEA may delay implementation of corrective action under §200.53 for a period not to exceed one year if—

(i) The LEA makes AYP for one year; or

(ii) The LEA’s failure to make AYP is due to exceptional or uncontrollable circumstances, such as a natural disaster or a precipitous and unforeseen decline in the LEA’s financial resources.

(2)(i) The SEA may not take into account the period of delay referred to in paragraph (f)(1) of this section in determining the number of consecutive years the LEA has failed to make AYP; and

(ii) The SEA must subject the LEA to further actions following the period of delay as if the delay never occurred.

(g) Continuation of public school choice and supplemental educational services. An SEA must ensure that an LEA identified under paragraph (d) or (e) of this section continues to offer public school choice in accordance with §200.44 and supplemental educational services in accordance with §200.45.

(h) Removal from improvement or corrective action status. If an LEA makes AYP for two consecutive years following identification for improvement under paragraph (d) or corrective action under paragraph (e) of this section, the SEA need no longer—

(1) Identify the LEA for improvement; or

(2) Subject the LEA to corrective action for the succeeding school year.

(B) To the extent practicable, in a language that parents can understand.
(2) The SEA must provide information to the parents of each student enrolled in a school served by the LEA—

(4) The LEA must implement the improvement plan—including any revised plan—expeditiously, but not later than the beginning of the school year following the year in which the LEA administered the assessments that resulted in the LEA’s failure to make AYP for a second consecutive year and led to the SEA’s identification of the LEA for improvement under §200.50(d).

(b) SEA technical assistance. (1) An SEA that identifies an LEA for improvement under §200.50(d) must, if requested, provide or arrange for the provision of technical or other assistance to the LEA, as authorized under section 1117 of the ESEA.

(2) The purpose of the technical assistance is to better enable the LEA to—

(i) Develop and implement its improvement plan; and

ALLOCATIONS TO LEAS

§ 200.70 Allocation of funds to LEAs in general.
(a) The Secretary allocates basic grants, concentration grants, targeted grants, and education finance incentive grants, through SEAs, to each eligible LEA for which the Bureau of the Census has provided data on the number of children from low-income families residing in the school attendance areas of the LEA (hereinafter referred to as the “Census list”).
(b) In establishing eligibility and allocating funds under paragraph (a) of this section, the Secretary counts children ages 5 to 17, inclusive (hereinafter referred to as “formula children”)—
(1) From families below the poverty level based on the most recent satisfactory data available from the Bureau of the Census;
(2) From families above the poverty level receiving assistance under the Temporary Assistance for Needy Families program under Title IV of the Social Security Act;
(3) Being supported in foster homes with public funds; and
(4) Residing in local institutions for neglected children.
(c) Except as provided in §§ 200.72, 200.75, and 200.100, an SEA may not change the Secretary’s allocation to any LEA that serves an area with a total census population of at least 20,000 persons.
(d) In accordance with § 200.74, an SEA may use an alternative method, approved by the Secretary, to distribute the State’s share of basic grants, concentration grants, targeted grants, and education finance incentive grants to LEAs that serve an area with a total census population of less than 20,000 persons.

§ 200.71 LEA eligibility.
(a) Basic grants. An LEA is eligible for a basic grant if the number of formula children is—
(1) At least 10; and
(2) Greater than two percent of the LEA’s total population ages 5 to 17 years, inclusive.
(b) Concentration grants. An LEA is eligible for a concentration grant if—
(1) The LEA is eligible for a basic grant under paragraph (a) of this section; and
(2) The number of formula children exceeds—
(i) 6,500; or
(ii) 15 percent of the LEA’s total population ages 5 to 17 years, inclusive.
(c) Targeted grants. An LEA is eligible for a targeted grant if the number of formula children is—
(1) At least 10; and
(2) At least five percent of the LEA’s total population ages 5 to 17 years, inclusive.
(d) Education finance incentive grants. An LEA is eligible for an education finance incentive grant if the number of formula children is—
(1) At least 10; and
(2) At least five percent of the LEA’s total population ages 5 to 17 years, inclusive.

(a) General. For each LEA not on the Census list (hereinafter referred to as a “new” LEA), an SEA must determine the number of formula children and the number of children ages 5 to 17, inclusive, in that LEA.

(b) Determining LEA eligibility. An SEA must determine basic grant, concentration grant, targeted grant, and education finance incentive grant eligibility for each new LEA and re-determine eligibility for the LEAs on the Census list, as appropriate, based on the number of formula children and children ages 5 to 17, inclusive, determined in paragraph (a) of this section.

(c) Adjusting LEA allocations. An SEA must adjust the LEA allocations calculated by the Secretary to determine allocations for eligible new LEAs based on the number of formula children determined in paragraph (a) of this section.

§ 200.73 Applicable hold-harmless provisions.

(a) General. (1) Except as authorized under paragraph (c) of this section and §200.100(d)(2), an SEA may not reduce the allocation of an eligible LEA below the hold-harmless amounts established under paragraph (a)(4) of this section.

(2) The hold-harmless protection limits the maximum reduction of an LEA’s allocation compared to the LEA’s allocation for the preceding year.

(3) Except as provided in §200.100(d), an SEA must apply the hold-harmless requirement separately for basic grants, concentration grants, targeted grants, and education finance incentive grants as described in paragraph (a)(4) of this section.

(4) Under section 1122(c) of the ESEA, the hold-harmless percentage varies based on the LEA’s proportion of formula children, as shown in the following table:

<table>
<thead>
<tr>
<th>LEA’s number of formula children ages 5 to 17, inclusive, as a percentage of its total population of children ages 5 to 17, inclusive</th>

(b) Targeted grants and education finance incentive grants. The number of formula children used to determine the hold-harmless percentage is the number before applying the weights described in section 1125 and section 1125A of the ESEA.

(c) Adjustment for insufficient funds. If the amounts made available to the State are insufficient to pay the full amount that each LEA is eligible to receive under paragraph (a)(4) of this section, the SEA must ratably reduce the allocations for all LEAs in the State to the amount available.

(d) Eligibility for hold-harmless protection. (1) An LEA must meet the eligibility requirements for a basic grant, targeted grant, or education finance incentive grant under §200.71 in order for the applicable hold-harmless provision to apply.

(2) An LEA not meeting the eligibility requirements for a concentration grant under §200.71 must be paid its hold-harmless amount for four consecutive years.

§ 200.74 Use of an alternative method to distribute grants to LEAs with fewer than 20,000 total residents.

(a) For eligible LEAs serving an area with a total census population of less than 20,000 persons (hereinafter referred to as “small LEAs”), an SEA may apply to the Secretary to use an alternative method to distribute basic grant, concentration grant, targeted grant, and education finance incentive grant funds.

(b) In its application, the SEA must—

(1) Identify the alternative data it proposes to use; and

(2) Assure that it has established a procedure through which a small LEA that is dissatisfied with the determination of its grant may appeal directly to the Secretary.

(c) The SEA must base its alternative method on population data that best reflect the current distribution of children from low-income families among the State’s small LEAs and use the same poverty measure consistently for small LEAs across the State for all Title I, part A programs.

(d) Based on the alternative poverty data selected, the SEA must—

(1) Re-determine eligibility of its small LEAs for basic grants, concentration grants, targeted grants, and education finance incentive grants in accordance with §200.71;

(2) Calculate allocations for small LEAs in accordance with the provisions of sections 1124, 1124A, 1125, and 1125A of the ESEA, as applicable; and

(3) Ensure that each LEA receives the hold-harmless amount to which it is entitled under §200.73.

(e) The amount of funds available for redistribution under each formula is the separate amount determined by the Secretary under sections 1124, 1124A, 1125, and 1125A of the ESEA for eligible small LEAs after the SEA has made the adjustments required under §200.72(c).

(f) If the amount available for redistribution to small LEAs under an alternative method is not sufficient to satisfy applicable hold-harmless requirements, the SEA must ratably reduce all eligible small LEAs to the amount available.

(a) In a State in which the number of formula children is less than 0.25 percent of the national total on January 8, 2002 (hereinafter referred to as a “small State”), an SEA may either—

(1) Allocate concentration grants among eligible LEAs in the State in accordance with §§200.72 through 200.74, as applicable; or

(2) Without regard to the allocations determined by the Secretary—

(i) Identify those LEAs in which the number or percentage of formula children exceeds the statewide average number or percentage of those children; and

(ii) Allocate concentration grant funds, consistent with §200.73, among the LEAs identified in paragraph (a)(2)(i) of this section based on the number of formula children in each of those LEAs.

(b) If the SEA in a small State uses an alternative method under §200.74, the SEA must use the poverty data approved under the alternative method to identify those LEAs with numbers or percentages of formula children that exceed the statewide average number or percentage of those children for the State as a whole.

§ 200.78 Allocation of funds to school attendance areas and schools.

(a)(1) An LEA must allocate funds under subpart A of this part to school attendance areas and schools, identified as eligible and selected to participate under section 1113(a) or (b) of the ESEA, in rank order on the basis of the total number of children from low-income families in each area or school.

(i) To obtain a count of private school children, the LEA may—

(A) Use the same poverty data the LEA uses to count public school children;

(B) (I) Use comparable poverty data from a survey of families of private school students that, to the extent possible, protects the families’ identity; and

(ii) Extrapolate data from the survey based on a representative sample if complete actual data are unavailable;

(C) Use comparable poverty data from a different source, such as scholarship applications;

(D) Apply the low-income percentage of each participating public school attendance area to the number of private school children who reside in that school attendance area; or

(E) Use an equated measure of low income correlated with the measure of low income used to count public school children.

(iii) An LEA may count private school children from low-income families every year or every two years.

(iv) After timely and meaningful consultation in accordance with §200.63, the LEA shall have the final authority in determining the method used to calculate the number of private school children from low-income families.

(3) If an LEA ranks its school attendance areas and schools by grade span...
groupings, the LEA may determine the percentage of children from low-income families in the LEA as a whole or for each grade span grouping.

(b)(1) Except as provided in paragraphs (b)(2) and (d) of this section, an LEA must allocate to each participating school attendance area or school an amount for each low-income child that is at least 125 percent of the per-pupil amount of funds the LEA received for that year under part A, subpart 2 of Title I. The LEA must calculate this per-pupil amount before it reserves funds under §200.77, using the poverty measure selected by the LEA under section 1113(a)(5) of the ESEA.

(2) If an LEA is serving only school attendance areas or schools in which the percentage of children from low-income families is 35 percent or more, the LEA is not required to allocate a per-pupil amount of at least 125 percent.

(c) An LEA is not required to allocate the same per-pupil amount to each participating school attendance area or school provided the LEA allocates higher per-pupil amounts to areas or schools with higher concentrations of poverty.

(d) An LEA may reduce the amount of funds allocated under this section to a school attendance area or school if the area or school is spending supplemental State or local funds for programs that meet the requirements in §200.79(b).

(e) If an LEA contains two or more counties in their entirety, the LEA must distribute to schools within each county a share of the LEA’s total grant that is no less than the county’s share of the child count used to calculate the LEA’s grant.

(a) For the purpose of determining compliance with the supplement not supplant requirement in section 1120A(b) and the comparability requirement in section 1120A(c) of the ESEA, a grantee or subgrantee under subpart A of this part may exclude supplemental State and local funds spent in any school attendance area or school for programs that meet the intent and purposes of Title I.

(b) A program meets the intent and purposes of Title I if the program either—

(1)(i) Is implemented in a school in which the percentage of children from low-income families is at least 40 percent;

(ii) Is designed to promote schoolwide reform and upgrade the entire educational operation of the school to support students in their achievement toward meeting the State’s challenging academic achievement standards that all students are expected to meet;

(iii) Is designed to meet the educational needs of all students in the school, particularly the needs of students who are failing, or most at risk of failing, to meet the State’s challenging student academic achievement standards; and

(iv) Uses the State’s assessment system under §200.2 to review the effectiveness of the program; or

(2)(i) Serves only students who are failing, or most at risk of failing, to meet the State’s challenging student academic achievement standards;

(ii) Provides supplementary services designed to meet the special educational needs of the students who are participating in the program to support their achievement toward meeting the State’s student academic achievement standards; and

(iii) Uses the State’s assessment system under §200.2 to review the effectiveness of the program.

(c) The conditions in paragraph (b) of this section also apply to supplemental State and local funds expended under section 1113(b)(1)(D) and 1113(c)(2)(B) of the ESEA.

Subpart B—Even Start Family Literacy Program

§ 200.80 Migrant Education Even Start Program definition.

Eligible participants under the Migrant Education Even Start Program (MEES) must meet the definitions of a migratory child, a migratory agricultural worker, or a migratory fisher in § 200.81.

§ 200.81 Program definitions.

The following definitions apply to programs and projects operated under subpart C of this part:

(a) **Agricultural work** means the production or initial processing of crops, dairy products, poultry, or livestock, as well as the cultivation or harvesting of trees. It consists of work performed for wages or personal subsistence.

(b) **Consolidated Student Record** means the MDEs for a migratory child that have been submitted by one or more SEAs and consolidated into a single, uniquely identified record available through MSIX.

(c) **Fishing work** means the catching or initial processing of fish or shellfish or the raising or harvesting of fish or shellfish at fish farms. It consists of work performed for wages or personal subsistence.

(d) **In order to obtain**, when used to describe why a worker moved, means that one of the purposes of the move is to seek or obtain qualifying work.

(1) If a worker states that a purpose of the move was to seek any type of employment, i.e., the worker moved with no specific intent to find work in a particular job, the worker is deemed to have moved with a purpose of obtaining qualifying work if the worker obtains qualifying work soon after the move.

(2) Notwithstanding the introductory text of this paragraph (c), a worker who did not obtain qualifying work soon after a move may be considered to have moved in order to obtain qualifying work only if the worker states that at least one purpose of the move was specifically to seek the qualifying work, and—

(i) The worker is found to have a prior history of moves to obtain qualifying work; or

(ii) There is other credible evidence that the worker actively sought qualifying work soon after the move but, for reasons beyond the worker's control, the work was not available.

(e) **Migrant Student Information Exchange (MSIX)** means the nationwide system administered by the Department for linking and exchanging specified educational and health information for all migratory children.

(f) **Migratory agricultural worker** means a person who, in the preceding 36 months, has moved, as defined in paragraph (g), from one school district to another, or from one administrative area to another within a State that is comprised of a single school district, in order to obtain temporary employment or seasonal employment in agricultural work, including dairy work.

(g) **Migratory child** means a child—

(1) Who is a migratory agricultural worker or a migratory fisher; or

(2) Who, in the preceding 36 months, in order to accompany or join a parent, spouse, or guardian who is a migratory agricultural worker or a migratory fisher—

(i) Has moved from one school district to another;

(ii) In a State that is comprised of a single school district, has moved from one administrative area to another within such district; or

(iii) As the child of a migratory fisher, resides in a school district of more than 15,000 square miles, and migrates a distance of 20 miles or more to a temporary residence.

(h) **Migratory fisher** means a person who, in the preceding 36 months, has moved, as defined in paragraph (g), from one school district to another, or from one administrative area to another within a State that is comprised of a single school district, in order to obtain temporary employment or seasonal employment in fishing work. This definition also includes a person...
who, in the preceding 36 months, resided in a school district of more than 15,000 square miles and moved, as defined in paragraph (g), a distance of 20 miles or more to a temporary residence in order to obtain temporary employment or seasonal employment in fishing work.

(i) Minimum Data Elements (MDEs) means the educational and health information for migratory children that the Secretary requires each SEA that receives a grant of MEP funds to collect, maintain, and submit to MSIX, and use under this part. MDEs may include—

(1) Immunization records and other health information;
(2) Academic history (including partial credit), credit accrual, and results from State assessments required under the ESEA;
(3) Other academic information essential to ensuring that migratory children achieve to high academic standards; and
(4) Information regarding eligibility for services under the Individuals with Disabilities Education Act.

(j) Move or Moved means a change from one residence to another residence that occurs due to economic necessity.

(k) MSIX Interconnection Agreement means the agreement between the Department and an SEA that governs the interconnection of the State migrant student records system(s) and MSIX, including the terms under which the agency will abide by the agreement based upon its review of all relevant technical, security, and administrative issues.

(l) MSIX Interconnection Security Agreement means the agreement between the Department and an SEA that specifies the technical and security requirements for establishing, maintaining, and operating the interconnection between the State migrant student records system and MSIX. The MSIX Interconnection Security Agreement supports the MSIX Interconnection Agreement and documents the requirements for connecting the two information technology systems, describes the security controls to be used by the systems and data, and contains a topological drawing of the interconnection.

(m) Personal subsistence means that the worker and the worker’s family, as a matter of economic necessity, consume, as a substantial portion of their food intake, the crops, dairy products, or livestock they produce or the fish they catch.

(n) Qualifying work means temporary employment or seasonal employment in agricultural work or fishing work.

(a) Seasonal employment means employment that occurs only during a certain period of the year because of the cycles of nature and that, by its nature, may not be continuous or carried on throughout the year.

(p) Temporary employment means employment that lasts for a limited period of time, usually a few months, but no longer than 12 months. It typically includes employment where the employer states that the worker was hired for a limited time frame; the worker states that the worker does not intend to remain in that employment indefinitely; or the SEA has determined on some other reasonable basis that the employment is temporary. The definition includes employment where the employer states that the worker was hired for a limited time frame; the worker states that the worker does not intend to remain in that employment indefinitely; or the SEA has determined on some other reasonable basis that the employment is temporary. The definition includes employment where the employer states that the worker was hired for a limited time frame; the worker states that the worker does not intend to remain in that employment indefinitely; or the SEA has determined on some other reasonable basis that the employment is temporary. The definition includes employment where the employer states that the worker was hired for a limited time frame; the worker states that the worker does not intend to remain in that employment indefinitely; or the SEA has determined on some other reasonable basis that the employment is temporary.
§ 200.83 Responsibilities of SEAs to implement projects through a comprehensive needs assessment and a comprehensive State plan for service delivery.

(a) An SEA that receives a grant of MEP funds must develop and update a written comprehensive State plan (based on a current statewide needs assessment that, at a minimum, has the following components:

(1) Performance targets. The plan must specify—

(i) Performance targets that the State has adopted for all children in reading and mathematics achievement, high school graduation, and the number of school dropouts, as well as the State’s performance targets, if any, for school readiness; and

(ii) Any other performance targets that the State has identified for migratory children.

(2) Needs assessment. The plan must include an identification and assessment of—

(i) The unique educational needs of migratory children that result from the children’s migratory lifestyle; and

(ii) Other needs of migratory students that must be met in order for migratory children to participate effectively in school.

(3) Measurable program outcomes. The plan must include the measurable program outcomes (i.e., objectives) that a State’s migrant education program will produce to meet the identified unique needs of migratory children and help migratory children achieve the State’s performance targets identified in paragraph (a)(1) of this section.

(4) Service delivery. The plan must describe the strategies that the SEA will pursue on a statewide basis to achieve the measurable program outcomes in paragraph (a)(3) of this section by addressing—

(i) The unique educational needs of migratory children consistent with paragraph (a)(2)(i) of this section; and

(ii) Other needs of migratory children consistent with paragraph (a)(2)(ii) of this section.

(5) Evaluation. The plan must describe how the State will evaluate the effectiveness of its program.

(b) The SEA must develop its comprehensive State plan in consultation with the State parent advisory council or, for SEAs not operating programs for one school year in duration, in consultation with the parents of migratory children. This consultation must be in a format and language that the parents understand.

(c) Each SEA receiving MEP funds must ensure that its local operating agencies comply with the comprehensive State plan.

(Authority: 20 U.S.C. 6396)

EFFECTIVE DATE NOTE: At 73 FR 44124, July 29, 2008, §200.83 was amended. This section contains information collection and recordkeeping requirements and will not become effective until approval has been given by the Office of Management and Budget.
§ 200.84 Responsibilities for evaluating the effectiveness of the MEP and using evaluations to improve services to migratory children.

(a) Each SEA must determine the effectiveness of its MEP through a written evaluation that measures the implementation and results achieved by the program against the State’s performance targets in §200.83(a)(1), particularly for those students who have priority for service as defined in section 1304(d) of the ESEA.

(b) SEAs and local operating agencies receiving MEP funds must use the results of the evaluation carried out by an SEA under paragraph (a) of this section to improve the services provided to migratory children.

§ 200.85 Responsibilities of SEAs for the electronic exchange through MSIX of specified educational and health information of migratory children.

(a) MSIX State record system and data exchange requirements. In order to receive a grant of MEP funds, an SEA must collect, maintain, and submit to MSIX MDEs and otherwise exchange and use information on migratory children in accordance with the requirements of this section. Failure of an SEA to do so constitutes a failure under section 454 of the General Education Provisions Act, 20 U.S.C. 1234c, to comply substantially with a requirement of law applicable to the funds made available under the MEP.

(b) MSIX data submission requirements—(1) General. (i) In order to satisfy the requirements of paragraphs (b)(2) and (3) of this section, an SEA that receives a grant of MEP funds must submit electronically to MSIX the MDEs applicable to the child’s age and grade level. An SEA must collect and submit the MDEs applicable to the child’s age and grade level, regardless of the type of school in which the child is enrolled (e.g., public, private, or home school), or whether a child is enrolled in any school.

(ii) For migratory children who are or were enrolled in private schools, the SEA meets its responsibility under paragraph (b)(1)(i) of this section for collecting MDEs applicable to the child’s age and grade level by advising the parent of the migratory child, or the migratory child if the child is emancipated, of the necessity of requesting the child’s records from the private school, and by facilitating the parent or emancipated child’s request to the private school that it provide all necessary information from the child’s school records—

(A) Directly to the parent or emancipated child, in which case the SEA must follow up directly with the parent or child; or

(B) To the SEA, or a specific local operating agency, for forwarding to MSIX, in which case the SEA must follow up with the parent, emancipated child, or the private school to make sure that the records requested by the parent or emancipated child have been forwarded.

(iii) For migratory children who are or were enrolled in home schools, the SEA meets its responsibility under paragraph (b)(1)(i) of this section for collecting MDEs applicable to the child’s age and grade level by requesting these records, either directly or through a local operating agency, directly from the parent or emancipated child.

(2) Start-up data submissions. No later than 90 calendar days after the effective date of these regulations, an SEA must collect and submit to MSIX each of the MDEs described in paragraph (b)(1)(i) of this section applicable to the child’s age and grade level for every migratory child who is eligible to receive MEP services in the State on the effective date of these regulations, other than through continuation of services provided under section 1304(e) of the ESEA.

(3) Subsequent data submissions. An SEA must comply with the following timelines for subsequent data submissions throughout the entire calendar year whether or not local operating agencies or LEAs in the State are closed for summer or intersession periods.

(i) Migratory children for whom an SEA has approved a new Certificate of Eligibility. For every migratory child for whom an SEA approves a new Certificate of Eligibility under §200.89(c) after
the effective date of these regulations—

(A) An SEA must collect and submit to MSIX the MDEs described in paragraph (b)(1)(i) of this section within 10 working days of approving a new Certificate of Eligibility for the migratory child. The SEA is not required to collect and submit MDEs in existence before its approval of a new Certificate of Eligibility for the child except as provided in paragraph (b)(3)(i)(B) of this section; and

(B) An SEA that approves a new Certificate of Eligibility for a secondary school-aged migratory child must also—

(1) Collect and submit to MSIX within 10 working days of approving a new Certificate of Eligibility for the child MDEs from the most recent secondary school in that State attended previously by the migratory child; and

(2) Notify MSIX within 30 calendar days if one of its local operating agencies obtains records from a secondary school attended previously in another State by the migratory child.

(ii) End of term submissions. (A) Within 30 calendar days of the end of an LEA’s or local operating agency’s fall, spring, summer, or intersession terms, an SEA must collect and submit to MSIX all MDE updates and newly available MDEs for migratory children who were eligible for the MEP during the term and for whom the SEA submitted data previously under paragraph (b)(2) or (b)(3)(i) of this section.

(B) When a migratory child’s MEP eligibility expires before the end of a school year, an SEA must submit all MDE updates and newly available MDEs for the child through the end of the school year.

(iii) Change of residence submissions. (A) Within four working days of receiving notification from MSIX that a migratory child in its State has changed residence to a new local operating agency within the State or another SEA has approved a new Certificate of Eligibility for a migratory child, an SEA must collect and submit to MSIX all new MDEs and MDE updates that have become available to the SEA or one of its local operating agencies since the SEA’s last submission of MDEs to MSIX for the child.

(B) An SEA or local operating agency that does not yet have a new MDE or MDE update for a migratory child when it receives a change of residence notification from MSIX must submit the MDE to MSIX within four working days of the date that the SEA or one of its local operating agencies obtains the MDE.

(c) Use of Consolidated Student Records. In order to facilitate school enrollment, grade and course placement, accrual of high school credits, and participation in the MEP, each SEA that receives a grant of MEP funds must—

(1) Use, and require each of its local operating agencies to use, the Consolidated Student Record for all migratory children who have changed residence to a new school district within the State or in another State;

(2) Encourage LEAs that are not local operating agencies receiving MEP funds to use the Consolidated Student Record for all migratory children described in paragraph (c)(1) of this section; and

(3) Establish procedures, develop and disseminate guidance, and provide training in the use of Consolidated Student Records to SEA, local operating agency, and LEA personnel who have been designated by the SEA as authorized MSIX users under paragraph (f)(2) of this section.

(d) MSIX data quality. Each SEA that receives a grant of MEP funds must—

(1) Use, and require each of its local operating agencies to use, reasonable and appropriate methods to ensure that all data submitted to MSIX are accurate and complete; and

(2) Respond promptly, and ensure that each of its local operating agencies responds promptly, to any request by the Department for information needed to meet the Department’s responsibility for the accuracy and completeness of data in MSIX in accordance with the Privacy Act of 1974, as amended, 5 U.S.C. 552a(e)(6) and (g)(1)(C) or (D).

(e) Procedures for MSIX data correction by parents, guardians, and migratory children. Each SEA that receives a grant of MEP funds must establish and implement written procedures that
allow a parent or guardian of a migratory child, or a migratory child, to ask the SEA to correct or determine the correctness of MSIX data. An SEA’s written procedures must meet the following minimum requirements:

(1) **Response to parents, guardians, and migratory children.** (i) Within 30 calendar days of receipt of a data correction request from a parent, guardian, or migratory child, an SEA must—
   (A) Send a written or electronic acknowledgement to the requester;
   (B) Investigate the request;
   (C) Decide whether to revise the data as requested; and
   (D) Send the requester a written or electronic notice of the SEA’s decision.
(ii) If an SEA determines that data it submitted previously to MSIX should be corrected, the SEA must submit the revised data to MSIX within four working days of its decision to correct the data. An SEA is not required to notify MSIX if it decides not to revise the data as requested.
(iii)(A) If a parent, guardian, or migratory child requests that an SEA correct or determine the correctness of data that was submitted to MSIX by another SEA, within four working days of receipt of the request, the SEA must send the data correction request to the SEA that submitted the data to MSIX.
   (B) An SEA that receives an MSIX data correction request from another SEA under this paragraph must respond as if it received the data correction request directly from the parent, guardian, or migratory child.

(2) **Response to SEAs.** An SEA or local operating agency that receives a request for information from an SEA that is responding to a parent’s, guardian’s, or migratory child’s data correction request under paragraph (e)(1) of this section must respond in writing within ten working days of receipt of the request.

(3) **Response to the Department.** An SEA must respond in writing within ten working days to a request from the Department for information needed by the Department to respond to an individual’s request to correct or amend a Consolidated Student Record under the Privacy Act of 1974, as amended, 5 U.S.C. 552a(d)(2) and 34 CFR 5b.7.

(f) **MSIX data protection.** Each SEA that receives a grant of MEP funds must—
(1) Enter into and carry out its responsibilities in accordance with an MSIX Interconnection Agreement, an MSIX Interconnection Security Agreement, and other information technology agreements required by the Secretary in accordance with applicable Federal requirements;
(2) Establish and implement written procedures to protect the integrity, security, and confidentiality of Consolidated Student Records, whether in electronic or print format, through appropriate administrative, technical, and physical safeguards established in accordance with the MSIX Interconnection Agreement and MSIX Interconnection Security Agreement. An SEA’s written procedures must include, at a minimum, reasonable methods to ensure that—
(1) The SEA permits access to MSIX only by authorized users at the SEA, its local operating agencies, and LEAs in the State that are not local operating agencies but where a migratory child has enrolled; and
(ii) The SEA’s authorized users obtain access to and use MSIX records solely for authorized purposes as described in paragraph (c) of this section;
(3) Require all authorized users to complete the User Application Form approved by the Secretary before providing them access to MSIX. An SEA may also develop its own documentation for approving user access to MSIX provided that it contains the same information as the User Application Form approved by the Secretary; and
(4) Retain the documentation required for approving user access to MSIX for three years after the date the SEA terminates the user’s access.

(Effective Date Note: At 81 FR 28970, May 10, 2016, § 200.85 was revised. This section contains information collection and recordkeeping requirements and will not become effective until approval has been given by the Office of Management and Budget.)
§ 200.86 Use of MEP funds in schoolwide projects.

Funds available under part C of Title I of the ESEA may be used in a schoolwide program subject to the requirements of § 200.29(c)(1).

(Authority: 20 U.S.C. 6396)

[67 FR 71736, Dec. 2, 2002; 68 FR 19152, Apr. 18, 2003]

§ 200.87 Responsibilities for participation of children in private schools.

An SEA and its operating agencies must conduct programs and projects under subpart C of this part in a manner consistent with the basic requirements of section 9501 of the ESEA.

(Authority: 20 U.S.C. 6394)

§ 200.88 Exclusion of supplemental State and local funds from supplement, not supplant and comparability determinations.

(a) For purposes of determining compliance with the comparability requirement in section 1120A(b) of the ESEA, a grantee or subgrantee under part C of Title I may exclude supplemental State and local funds expended in any school attendance area or school for carrying out special programs that meet the intent and purposes of part C of Title I.

(b) Before funds for a State and local program may be excluded for purposes of these requirements, the SEA must make an advance written determination that the program meets the intent and purposes of part C of Title I.

(c) A program meets the intent and purposes of part C of Title I if it meets the following requirements:

(1) The program is specifically designed to meet the unique educational needs of migratory children, as defined in section 1309 of the ESEA.

(2) The program is based on performance targets related to educational achievement that are similar to those used in programs funded under part C of Title I of the ESEA, and is evaluated in a manner consistent with those program targets.

(3) The grantee or subgrantee keeps, and provides access to, records that ensure the correctness and verification of these requirements.

(b) Responsibilities of SEAs for re-interviewing to ensure the eligibility of children under the MEP—(1) Retrospective re-interviewing. (i) As a condition for the continued receipt of MEP funds in FY 2005 and subsequent years, an SEA that received such funds in FY 2005 but did not implement a statewide retrospective re-interviewing process prior to the enactment of this regulation, as well as an SEA with a defect rate that is not accepted by the Secretary under paragraph (a)(1)
of this section, or an SEA under a corrective action issued by the Secretary under paragraph (b)(2)(vii) or (d)(7) of this section, must, within six months of the effective date of these regulations or as subsequently required by the Secretary,—
(A) Conduct a statewide re-interviewing process consistent with paragraph (b)(1)(ii) of this section; and
(B) Consistent with paragraph (b)(1)(iii) of this section, report to the Secretary on the procedures it has employed, its findings, its defect rate, and corrective actions it has taken or will take to avoid a recurrence of any problems found.

(ii) At a minimum, the re-interviewing process must include—
(A) Selection of a sample of identified migratory children (from the child counts of a particular year as directed by the Secretary) randomly selected on a statewide basis to allow the State to estimate the statewide proportion of eligible migratory children at a 95 percent confidence level with a confidence interval of plus or minus 5 percent.
(B) Use of independent re-interviewers (i.e., interviewers who are neither SEA or local operating agency staff members working to administer or operate the State MEP nor any other persons who worked on the initial eligibility determinations being tested) trained to conduct personal interviews and to understand and apply program eligibility requirements;
(C) Calculation of a defect rate based on the number of sampled children determined ineligible as a percentage of those sampled children whose parent/guardian was actually re-interviewed.

(iii) At a minimum, the report must include—
(A) An explanation of the sample and procedures used in the SEA’s re-interviewing process;
(B) The findings of the re-interviewing process, including the determined defect rate;
(C) An acknowledgement that, consistent with §200.89(a), the Secretary may adjust the child counts for 2000-2001 and subsequent years downward based on the defect rate that the Secretary accepts;
(D) A summary of the types of defective eligibility determinations that the SEA identified through the re-interviewing process;
(E) A summary of the reasons why each type of defective eligibility determination occurred; and
(F) A summary of the corrective actions the SEA will take to address the identified problems.

(2) Prospective re-interviewing. As part of the system of quality controls identified in §200.89(d), an SEA that receives MEP funds must, on an annual basis, validate current-year child eligibility determinations through the re-interview of a randomly selected sample of children previously identified as migratory. In conducting these re-interviews, an SEA must—

(i) Use, at least once every three years, one or more independent interviewers (i.e., interviewers who are neither SEA or local operating agency staff members working to administer or operate the State MEP nor any other persons who worked on the initial eligibility determinations being tested) trained to conduct personal interviews and to understand and apply program eligibility requirements;
(ii) Select a random sample of identified migratory children so that a sufficient number of eligibility determinations in the current year are tested on a statewide basis or within categories associated with identified risk factors (e.g., experience of recruiters, size or growth in local migratory child population, effectiveness of local quality control procedures) in order to help identify possible problems with the State’s child eligibility determinations;
(iii) Conduct re-interviews with the parents or guardians of the children in the sample. States must use a face-to-face approach to conduct these re-interviews unless circumstances make face-to-face re-interviews impractical and necessitate the use of an alternative method such as telephone re-interviewing;
(iv) Determine and document in writing whether the child eligibility determination and the information on which the determination was based were true and correct;
(v) Stop serving any children found not to be eligible and remove them
§ 200.90 Program definitions.

(a) The following definitions apply to the programs authorized in part D, subparts 1 and 2 of Title I of the ESEA:

Children and youth means the same as "children" as that term is defined in §200.103(a).

(b) The following definitions apply to the programs authorized in part D, subpart 1 of Title I of the ESEA:

Institution for delinquent children and youth means, as determined by the Secretary for delinquent children and youth, the same as "institution for delinquent children and youth" as that term is defined in §200.500.

Subpart D—Prevention and Intervention Programs for Children and Youth Who are Neglected, Delinquent, or At Risk of Dropping Out

SOURCE: 67 FR 71736, Dec. 2, 2002, unless otherwise noted.

§ 200.90 Program definitions.

(a) The following definitions apply to the programs authorized in part D, subparts 1 and 2 of Title I of the ESEA:

Children and youth means, as determined by the Secretary, the same as "children" as that term is defined in §200.103(a).

(b) The following definitions apply to the programs authorized in part D, subpart 1 of Title I of the ESEA:

Institution for delinquent children and youth means, as determined by the Secretary, the same as "institution for delinquent children and youth" as that term is defined in §200.500.
SEA, a public or private residential facility that is operated primarily for the care of children and youth who—
(1) Have been adjudicated to be delinquent or in need of supervision; and
(2) Have had an average length of stay in the institution of at least 30 days.

In institution for neglected children and youth means, as determined by the SEA, a public or private residential facility, other than a foster home, that is operated primarily for the care of children and youth who—
(1) Have been committed to the institution or voluntarily placed in the institution under applicable State law due to abandonment, neglect, or death of their parents or guardians; and
(2) Have had an average length of stay in the institution of at least 30 days.

Regular program of instruction means an educational program (not beyond grade 12) in an institution or a community day program for neglected or delinquent children that consists of classroom instruction in basic school subjects such as reading, mathematics, and vocationally oriented subjects, and that is supported by non-Federal funds. Neither the manufacture of goods within the institution nor activities related to institutional maintenance are considered classroom instruction.

(c) The following definitions apply to the local agency program authorized in part D, subpart 2 of Title I of the ESEA:

Immigrant children and youth and limited English proficiency have the same meanings as the term “immigrant children” is defined in section 3301 of the ESEA and the term “limited English proficient” is defined in section 9101 of the ESEA, except that the terms “individual” and “children and youth” used in those definitions mean “children and youth” as defined in this section.

Locally operated correctional facility means a facility in which persons are confined as a result of a conviction for a criminal offense, including persons under 21 years of age. The term also includes a local public or private institution and community day program or school not operated by the State that serves delinquent children and youth.

Migrant youth means the same as “migratory child” as that term is defined in §200.81(d).

To receive an allocation under part D, subpart 1 of Title I of the ESEA, an SEA must provide the Secretary with a count of children and youth under the age of 21 enrolled in a regular program of instruction operated or supported by State agencies in institutions or community day programs for neglected or delinquent children and youth and adult correctional institutions as specified in paragraphs (a) and (b) of this section.

(a) Enrollment. (1) To be counted, a child or youth must be enrolled in a regular program of instruction for at least—
(i) 20 hours per week if in an institution or community day program for neglected or delinquent children; or
(ii) 15 hours per week if in an adult correctional institution.

(2) The State agency must specify the date on which the enrollment of neglected or delinquent children is determined under paragraph (a)(1) of this section, except that the date specified must be—
(i) Consistent for all institutions or community day programs operated by the State agency; and
(ii) Represent a school day in the calendar year preceding the year in which funds become available.

(b) Adjustment of enrollment. The SEA must adjust the enrollment for each institution or community day program served by a State agency by—
(1) Multiplying the number determined in paragraph (a) of this section by the number of days per year the regular program of instruction operates; and

(3) If the sum of the amounts allocated to all the States under section 1002(a), (c), and (d) of the ESEA is greater than $14,000,000,000, an SEA may not reserve more than one percent of the amount the State would receive if $14,000,000,000 had been allocated among the States under section 1002(a), (c), and (d) of the ESEA.

(4) An SEA may use the funds it has reserved under paragraph (b) of this section to perform general administrative activities necessary to carry out, at the State level, any of the programs authorized under Title I, parts A, C, and D of the ESEA.

(2) In the case of the Department’s error, determined on a case-by-case basis, repayment would be manifestly unjust (“manifestly unjust repayment exception”).

[62 FR 35413, July 1, 1997]

Unless the Secretary (or the Secretary’s delegatee) extends the applicable time limit in writing—

(a) A request for forgiveness of an overpayment under §222.14 does not extend the time within which an applicant must file a request for an administrative hearing under §222.151; and

(3) The average local real property tax rate of all LEAs in the State.

(5) The APPE of the State, as defined in section 8013 of the ESEA.

(b) An LEA requesting forgiveness under §222.14(c)(2) (manifestly unjust repayment exception), or §222.17(a)(3) (no present or prospective ability to repay), also must submit written information and documentation in specific support of its forgiveness request under those provisions within the time limits established under §222.14(b).

§ 222.17 How does the Secretary determine undue financial hardship and serious harm to a local educational agency’s educational program?

(a) The Secretary determines that repayment of an eligible overpayment will result in undue financial hardship on an LEA and seriously harm its educational program if the LEA meets the
requirements in paragraph (a)(1), (2), or (3) of this section.

(1) An LEA other than an LEA described in paragraphs (a)(2) and (3) of this section meets the requirements of paragraph (a) of this section if—

(i) The LEA’s eligible overpayments on the date of its request total at least $10,000;
(ii) The LEA’s local real property tax rate for current expenditure purposes, for the preceding fiscal year, is equal to or higher than the State average local real property tax rate for that preceding fiscal year; and
(iii) The LEA’s average per pupil expenditure (APPE) (as described in §222.16(a)(4)) for the preceding fiscal year is lower than the State APPE (as described in §222.16(a)(5)) for that preceding fiscal year.

(2) The following LEAs qualify under paragraph (a) of this section if they meet the requirements in paragraph (a)(1)(i) of this section and their APPE (as described in §222.16(a)(4)) for the preceding fiscal year does not exceed 125 percent of the State APPE (as described in §222.16(a)(5)) for that preceding fiscal year:

(i) An LEA with boundaries that are the same as a Federal military installation.
(ii) Other LEAs with no local real property tax revenues, or with minimal local real property tax revenues per pupil due to substantial amounts of Federal property in the LEA as compared with the average amount of those revenues per pupil for all LEAs in the State.

(3) An LEA qualifies under paragraph (a) of this section if neither the successor nor the predecessor LEA has the present or prospective ability to repay the eligible overpayment.

(b) The Secretary uses the following methods to determine a tax rate for the purposes of paragraph (a)(1)(ii) of this section:

(1) If an LEA is fiscally independent, the Secretary uses actual tax rates if all the real property in the taxing jurisdiction of the LEA is assessed at the same percentage of true value. In the alternative, the Secretary computes a tax rate for fiscally independent LEAs by using the methods described in §§222.67–222.69.

(2) If an LEA is fiscally dependent, the Secretary imputes a tax rate using the method described in §222.70(b).

§222.18 What amount does the Secretary forgive?

For an LEA that meets the requirements of §222.14(a) (timely filed forgiveness request) and §222.14(b) (timely filed information and documentation), the Secretary forgives an eligible overpayment as follows:

(a) Forgiveness in whole. The Secretary forgives the eligible overpayment in whole if the Secretary determines that the LEA meets—

(1) The requirements of §222.17 (undue financial hardship), and the LEA’s preceding fiscal year’s current expenditure closing balance for the LEA’s fiscal year immediately preceding the date of its forgiveness request (“preceding fiscal year”) is ten percent or less of its total current expenditures (TCE) for that year; or
(2) The manifestly unjust repayment exception in §222.14(c)(2).

(b) Forgiveness in part. (1) The Secretary forgives the eligible overpayment in part if the Secretary determines that the LEA meets the requirements of §222.17 (undue financial hardship), and the LEA’s preceding fiscal year’s current expenditure closing balance is more than ten percent of its TCE for that year.

(2) For an eligible overpayment that is forgiven in part, the Secretary—

(i) Requires the LEA to repay the amount by which the LEA’s preceding fiscal year’s current expenditure closing balance exceeded ten percent of its preceding fiscal year’s TCE (“calculated repayment amount”); and
(ii) Forgives the difference between the calculated repayment amount and the LEA’s total overpayments.

(3) For the purposes of this section, “current expenditure closing balance” means an LEA’s closing balance before any revocable transfers to non-current expenditure accounts, such as capital outlay or debt service accounts.
Example: An LEA that timely requests forgiveness has two overpayments of which portions remain owing on the date of its request—one of $200,000 and one of $300,000. Its preceding fiscal year’s closing balance is $250,000 (before a revocable transfer to a capital outlay or debt service account); and 10 percent of its TCE for the preceding fiscal year is $150,000.

The Secretary calculates the amount that the LEA must repay by determining the amount by which the preceding fiscal year’s closing balance exceeds 10 percent of the preceding year’s TCE. This calculation is made by subtracting 10 percent of the LEA’s TCE ($150,000) from the closing balance ($250,000), resulting in a difference of $100,000 that the LEA must repay. The Secretary then totals the eligible overpayment amounts ($200,000 + $300,000), resulting in a total amount of $500,000. The Secretary subtracts the calculated repayment amount ($100,000) from the total of the two overpayment balances ($500,000), resulting in $400,000 that the Secretary forgives.

Subpart B—Payments for Federal Property Under Section 8002 of the Act

§ 222.20 What definitions apply to this subpart?

In addition to the terms referenced or defined in §222.2, the following definitions apply to this subpart:

Acquisition or acquired by the United States. (1) The term means—
   (i) The receipt or taking by the United States of ownership in fee simple of real property by condemnation, exchange, gift, purchase, transfer, or other arrangement;
   (ii) The receipt by the United States of real property as trustee for the benefit of individual Indians or Indian tribes; or
   (iii) The imposition by the United States of restrictions on sale, transfer, or exchange of real property held by individual Indians or Indian tribes.

(2) The definition of “acquisition” in 34 CFR 77.1(c) (Definitions that Apply to Department Regulations) of this title does not apply to this subpart.

(Authority: 20 U.S.C. 7702)

Assessed value. For the purpose of determining eligibility under section 8002(a)(1) and §222.21, the following definition applies:

(1) The term means the value that is assigned to real property, for the purpose of generating local real property tax revenues for current expenditures (as defined in section 8013) by a State or local official who is legally authorized to determine that assessed value.

(2) The term does not include—
   (i) A value assigned to tax-exempt real property;
   (ii) A value assigned to real property for the purpose of generating other types of revenues, such as payments in lieu of taxes (PILOTs);
   (iii) Fair market value, or a percentage of fair market value, of real property unless that value was actually used to generate local real property tax revenues for current expenditures (as defined in section 8013);
   (iv) A value assigned to real property in a condemnation or other court proceeding, or a percentage of that value, unless that value was actually used to generate local real property tax revenues for current expenditures (as defined in section 8013).

(Authority: 20 U.S.C. 7702(a)(1))

Eligible Federal property. (1) The term means “Federal property” as defined in §222.2(c) for section 8002, which meets the following additional requirements:

   (i) The United States has acquired the Federal property since 1938;
   (ii) The Federal property was not acquired by exchange for other Federal property that the United States owned within the school district before 1939.

(2) In addition, for local educational agencies (LEAs) that are eligible under §222.21(a)(2), the term also means land acquired by the United States Forest Service between 1915 and 1990.

(Authority: 20 U.S.C. 7702)

§ 222.21 What requirements must a local educational agency meet concerning Federal acquisition of real property within the local educational agency?

(a) For an LEA with an otherwise approvable application to be eligible to receive financial assistance under section 8002 of the Act, the LEA must meet the requirements in subpart A of this part and §222.22. In addition, unless otherwise provided by statute as meeting the requirements in section 8002(a)(1)(C), the LEA must document—

   (1) That the United States owns or has acquired “eligible Federal property” within the LEA, that has an aggregate assessed value of 10 percent or more of the assessed value of—

      (i) All real property in that LEA, based upon the assessed values of the eligible Federal property and of all real property (including that Federal property) on the date or dates of acquisition of the eligible Federal property; or
      (ii) All real property in the LEA as assessed in the first year preceding or succeeding acquisition, whichever is greater, only if—

         (A) The assessment of all real property in the LEA is not made at the same time or times that the Federal property was so acquired and assessed; and
         (B) State law requires an assessment be made of property so acquired; or

        (Authority: 20 U.S.C. 7702(a)(1))
§ 222.22 How does the Secretary treat compensation from Federal activities for purposes of determining eligibility and payments?

(a) An LEA with an otherwise approvable application is eligible to receive assistance under section 8002 for a fiscal year only if the LEA meets the requirements in subpart A of these regulations and § 222.21, and is not substantially compensated, for the loss in revenue resulting from Federal ownership of real property by increases in revenue accruing to the LEA during the previous fiscal year from Federal activities with respect to the eligible Federal property in the LEA.

(b) The Secretary considers that an LEA is substantially compensated by increases in revenue from Federal activities with respect to the eligible Federal property if—

(1) The LEA received revenue during the preceding fiscal year that is generated directly from the eligible Federal property or activities in or on that property;

(2) The revenue described in paragraph (b)(1) of this section equals or exceeds the maximum payment amount under section 8002(b) for the fiscal year for which the LEA seeks assistance.

(c) If an LEA described in paragraph (a) of this section received revenue described in paragraph (b)(1) of this section during the preceding fiscal year that, when added to the LEA’s projected total section 8002 payment for the fiscal year for which the LEA seeks assistance, exceeds the maximum payment amount under section 8002(b) for the fiscal year for which the LEA seeks assistance, the Secretary reduces the LEA’s projected section 8002 payment by an amount equal to that excess amount.

(d) For purposes of this section, the amount of revenue that an LEA receives during the previous fiscal year...
§ 222.23 How does a local educational agency determine the aggregate assessed value of its eligible Federal property for its section 8002 payment?

(a) General. A local educational agency (LEA) determines the aggregate assessed value of its eligible Federal property for its section 8002 payment as follows:

(1) A local official who is responsible for assessing the value of real property located in the jurisdiction of the LEA in order to levy a property tax makes the determination of the section 8002 aggregate assessed value, based on estimated assessed values (EAVs) for the eligible Federal property in the jurisdiction.

(2) The local official first categorizes the types of expected uses of the eligible Federal property, in accordance with paragraph (a)(2) of this section, by—

(i) Identifying the tax assessment classifications that represent the highest and best uses of taxable adjacent properties (e.g., residential, commercial, agricultural); and

(ii) Determining the relative proportions of taxable adjacent properties, based on acreage, that are devoted to

(3) For each category of expected use of the eligible Federal property identified in accordance with paragraph (a)(2) of this section for each Federal installation or area (e.g., Federal forest), the local official then determines a base value in accordance with paragraphs (c) and (d) of this section.

(4) The local official next determines a section 8002 EAV for each category of expected use of the eligible Federal property in each Federal installation or area. The official determines that EAV by adjusting the base value for that category established in accordance with paragraph (a)(3) of this section, by any percentage, ratio, index, or other factor that the official would use to determine the assessed value (as defined in §222.20) of the eligible Federal property to generate local real property tax revenues for current expenditures if that eligible Federal property were taxable. (This process is illustrated in Example 8 and Table 8–2 at the end of this section.)

(b) Categorizing expected uses. (1) The local official categorizes the expected uses of the eligible Federal property, in accordance with paragraph (a)(2) of this section, by—

(i) Identifying the tax assessment classifications that represent the highest and best uses of taxable adjacent property (e.g., residential, commercial, agricultural); and

(ii) Determining the relative proportions of taxable adjacent properties, based on acreage, that are devoted to
each of those tax assessment classifications that represent the highest and best uses of the taxable adjacent property (e.g., agricultural—50 percent; residential—40 percent; commercial—10 percent).

(2) The local official then determines the allocation of each of those expected uses to the eligible Federal property acres by multiplying each of the proportions determined under paragraph (b)(1)(ii) of this section by the total acres of the eligible Federal property in that Federal installation or area.

(c) Determining the base value for expected use categories. The local official determines a base value for each category of expected use of the eligible Federal property in accordance with paragraph (a)(3) of this section as follows:

(1) The local official first identifies the taxable-use portion of the eligible Federal property acres in each expected use category as follows:

(i) The local official allocates a proportion (percentage) of the eligible Federal property acres identified for each expected use category under paragraph (b)(2) of this section to expected non-assessed or tax-exempt uses, such as public open space, schools, churches, and roads. The local official bases these proportions on the actual non-assessed or tax-exempt uses for each category of taxable property in the entire tax jurisdiction(s) where the selected taxable adjacent properties are located.

(ii) The local official then determines the number of acres attributable to non-assessed or tax-exempt uses for each expected use category by multiplying the non-assessed or tax-exempt proportions identified in paragraph (c)(1)(i) of this section by the number of acres in each expected-use category determined pursuant to paragraph (b)(2) of this section.

Example 1 (Allocation of Proportion of Eligible Federal Property to Non-Assessed or Tax-exempt Uses): The eligible Federal property (1,000 acres) is surrounded by properties that are classified for tax purposes according to their highest and best uses as residential (40 percent) and agricultural (60 percent) property. For the residential category (400 acres), the local official determines that approximately 20 percent would be devoted to non-assessed or tax-exempt uses, such as roads, parks, churches, and schools. The local official multiplies that proportion (.20) by the number of eligible Federal acres allocated to the residential category (400 acres) to determine the number of acres that likely would not be assessed for taxation or would be tax-exempt if the Federal Government no longer owned that property, as illustrated in the chart at the end of this example (Table 1–1). The local official follows a similar process for the proportion of the eligible Federal property the official allocates to agricultural use.

(iii) The local official then calculates the number of acres attributable to taxable use for each expected use category by subtracting the number of acres attributable to non-assessed or tax-exempt uses determined under paragraph (c)(1)(ii) of this section from the total number of acres of eligible Federal property in that use category identified in paragraph (b)(2) of this section.
(2) For the taxable use portion determined under paragraph (c)(1)(i) of this section for each expected use category, the local official then calculates a base value as follows:

(i) The local official selects from each expected use category identified pursuant to paragraph (b)(1)(i) of this section a minimum sample size of 10 taxable adjacent properties that represent the highest and best uses of the taxable adjacent properties. The official identifies the value that is recorded on the assessment records for each selected taxable adjacent property before any adjustment, ratio, percentage, or other factor is applied to establish a taxable (assessed) value. If at least three but fewer than 10 taxable adjacent properties are selected in an identified use category, the local official calculates a per acre value for each adjacent property and then identifies which of those properties has the lowest per-acre value. The official replicates that adjacent property’s value and acreage as many times as needed until the combination of actual and replicated adjacent properties reaches ten in number. In extremely rare circumstances, the Secretary may permit the local official to select fewer than three parcels in a tax classification if doing so is determined by the Secretary to be necessary and reasonable and there is an insufficient number of adjacent taxable properties to replicate. In those extremely rare circumstances, the local official establishes the base value of the eligible Federal property using the average per acre value of the selected adjacent property or properties.

Example 2a (Minimum Sample Size of Adjacent Properties): The eligible Federal property is surrounded by properties that are classified for tax purposes as residential, commercial, and agricultural property. The local official selects at least 10 taxable adjacent parcels from each of the residential and agricultural property classifications as the basis for valuing the eligible Federal property.

In the commercial classification, however, only six taxable adjacent properties are selected. The lowest per-acre-valued parcel, Parcel A, is valued at $6,000 per acre. As illustrated in Table 2–1, the local official selects all six of the commercial taxable adjacent properties, and then replicates Parcel A’s value and acreage four more times to reach the minimum number of ten properties for that classification.

Example 2b (Use of Fewer Than Three Adjacent Taxable Properties in Extremely Rare Circumstances): There are three golf courses in an LEA, one on eligible Federal property and the other two on taxable property adjacent to the eligible Federal property. Under the local tax classification scheme, there is a separate tax category for golf courses. Since there are only two adjacent taxable properties in that tax classification in the taxing jurisdiction, the LEA seeks permission to establish the base value for the golf course on the eligible Federal property using the average per-acre value of the two adjacent taxable golf courses. After verifying the facts, the Secretary determines that extremely rare circumstances exist within the meaning of §222.23(c)(2)(i) and grants the LEA’s request.

(ii) The local official then calculates an average per-acre value for the taxable portion of each expected use category by totaling the values (following application of any adjustment factors, if relevant) and acres of the actual and any replicated adjacent properties and then dividing the total value by the total number of acres in those properties, as illustrated in the following chart (Table 2–1).

(iii) The local official then multiplies the average per-acre value calculated under paragraph (c)(2)(ii) of this section by the number of acres of eligible Federal property in the taxable portion of that expected-use category, determined in accordance with paragraph (b)(2) of this section to calculate the base value for that category.

(d) Additional procedures for determining base values. The local official applies the following additional procedures in determining a base value for each category of expected use of the eligible Federal property, in accordance with paragraph (a)(3) of this section:

1. The local official determines base values on a three-year cycle, as follows:

   i. The local official allocates expected uses to the eligible Federal property in accordance with paragraph (b)(2) of this section and selects taxable adjacent parcels in accordance with paragraph (c)(2)(i) of this section once every three years (base year).

   ii. For each of the following two application years, the local official uses the same allocation of expected uses of the eligible Federal property and the same taxable adjacent parcels selected for the base year, but updates the values and acreages of the selected taxable adjacent parcels.

   iii. If a previously selected taxable adjacent property becomes unsuitable for determining the base value for the expected-use category because that property has changed assessment classification, become tax-exempt, or undergone a change in character from the time that the property was selected for the base year, the local official substitutes a similar taxable adjacent property from the same expected-use category (assessment classification) in accordance with the requirements in paragraph (c)(2)(i) of this section.

   Example 3 (Three-Year Cycle for Selected Adjacent Properties): For the fiscal year (FY) 2010 section 8002 application, the local official selects 15 residential taxable adjacent properties to use as the basis for valuing a portion of the eligible Federal property, and provides the value and acreages of each of those properties for the previous year (2009). The local official must use those same properties for the following two application years (2011 and 2012), assuming that those properties retain the same assessment classification, remain taxable, and do not undergo a change in the original character upon which their selection was based. For each of those following two years, the local official updates the values and acreages of each selected residential taxable adjacent property based on the preceding year’s tax data (2010 and 2011, respectively). However, during that two-year period, one of the residential taxable adjacent properties changes in character because the residential improvement is destroyed. That change to the original character makes the property unsuitable to include in the selected group of residential taxable adjacent properties for the remaining two years of the three-year period. Accordingly, the local official substitutes a residential taxable adjacent property that is similar to the originally selected property (i.e., an improved residential adjacent property of similar value and size) to retain the same number and variety of taxable adjacent properties in that expected-use category as originally selected.

   (2)(i) When selecting taxable adjacent properties for the base year in accordance with paragraph (c)(2)(i) of this section, the local official may include taxable adjacent properties that are recent sales (as defined in paragraph (e)(3) of this section), among other taxable adjacent properties, up to the following proportion:
Example 4 (Proportion of Recent Sales in Assessment Classification): Beginning with the most recent year for which data are available (2007), the local official determines that 40 taxable agricultural properties sold or otherwise transferred ownership in that tax jurisdiction during the three most recent years for which data are available (2005 through 2007) and that there were 500 taxable agricultural properties during 2007 (the most recent year for which data are available). (If a particular property sold more than once during the three most recent years for which data are available, the local official counts each sale.) The local official determines the proportion of sales for taxable agricultural property as follows:

\[
\frac{\text{number of agricultural sales in last three years for which data are available (40)}}{\text{total number of agricultural properties in most recent year for which data are available (500)}} = \text{proportion of recent sales (0.08 or 8 percent)}
\]

(ii) The local official determines the number of recent sales the official may include with other selected taxable adjacent properties for that expected use category as follows:

\[
\frac{\text{proportion (percentage) of recent sales for the expected use category (calculated under paragraph (d)(2)(i) of this section)}}{\text{total number of taxable adjacent properties selected for that expected use category}}
\]

If the resulting number is a fraction, the local official rounds down to the next smaller whole number to determine the maximum number of recent sales that the official may include for that expected use category.

Example 5 (Number of Recent Sales Local Official May Use To Determine the Base Value for Each Expected Use Category of Eligible Federal Property): The eligible section 8002 Federal property in the LEA is a federally owned forest. Based on the highest and best uses of taxable adjacent properties, three expected use categories (assessment classifications) of properties surround that forest: Residential, commercial, and agricultural. After identifying and excluding a non-assessed or tax-exempt proportion for each expected use category of the eligible Federal property, in accordance with paragraphs (a)(3) and (c)(1) of this section, the local official selects 10 taxable adjacent properties each for the residential and commercial use categories, and 20 taxable adjacent properties for the agricultural use category to determine the base value for the taxable portion of each expected use category of the eligible Federal property. During the three most recent years for which data are available, 10 percent of the residential properties in the tax jurisdiction were sold, six percent of the commercial properties were sold, and eight percent of the
agricultural properties were sold. As illustrated in the following chart, of the 10 residential adjacent properties selected, the local official may select only one recent sale (10 percent \(0.10\) \times 10 residential adjacent properties \(= one\)) to use in determining the base value for that expected use category of the eligible Federal property.

For the commercial classification, six percent of the taxable properties in the tax jurisdiction were recent sales. As illustrated in the following chart, the local official may not select any recent sales for that expected-use category because six percent \(0.06\) of the 10 selected commercial adjacent properties is less than one whole number, and rounding down therefore results in 0 (six percent \(0.06\) \times 10 commercial adjacent properties \(= 0\) of a property).

Finally, as illustrated in the following chart, for the 20 selected agricultural adjacent properties, the local official may use one recent sale for that expected-use category, because eight percent \(0.08\) of the 20 properties equals 1.6 properties (eight percent \(0.08\) \times 20 agricultural adjacent properties \(= 1.6\) and rounding down to the nearest whole number results in one property.

(e) Definitions. The following terms used in this section are defined as follows:

1. Adjacent means next to or close to the eligible Federal property as follows:

   (i) In most cases, the term adjacent means the closest taxable parcels within the LEA.

   (ii) The term adjacent means properties farther away from the eligible Federal property than described in paragraph (e)(1)(i) of this section only if the Secretary determines that it is necessary and reasonable to use those more distant properties to determine the EAV of eligible Federal property.

   (iii) The Secretary considers the term adjacent to mean properties farther than two miles from the perimeter of the eligible Federal property or outside the LEA only in extremely rare circumstances determined by the Secretary.

   Example 6 (Extremely Rare Circumstances): A very small LEA consists predominantly of non-taxable and tax-exempt property including eligible Federal property. The small taxable portion of the LEA is topographically dissimilar from the Federal property and classified for tax purposes differently than the eligible Federal property most likely would be if it were on the tax rolls, in the opinion of the local official. Based on these facts, the LEA asserts that there are no suitable adjacent taxable properties and requests permission to use taxable properties in the adjoining LEA. After verifying the facts, the Secretary determines that extremely rare circumstances exist within the meaning of §222.23(e)(1)(iii) and grants the LEA’s request.

   In an LEA bordering on the Pacific Ocean, the entire coastline is taken up by the eligible Federal property. Based on the absence of taxable oceanfront property in the LEA, the LEA seeks permission to use taxable oceanfront property in the adjoining LEA. After verifying the facts, the Secretary determines that extremely rare circumstances exist within the meaning of §222.23(e)(1)(iii) and grants the LEA’s request.

2.(i) Highest and best use of adjacent property is determined based on a highest and best use standard in accordance with State or local law or guidelines of general applicability. If available, that is not used exclusively for the eligible Federal property and includes any improvements on that property to the extent consistent with those laws or guidelines. To the extent that State or local law or guidelines of general applicability are not available, highest and best use generally must be based on the current use of the taxable adjacent property (including any improvements).

   (ii) In determining the highest and best use, the local official—

   (A) Also may consider the most developed and profitable use for which the taxable adjacent property is physically adaptable, but only if that use is legally permissible and financially feasible, and for which there is a need or demand in the near future;
(B) May not base the highest and best use of taxable adjacent property on potential uses that are speculative or remote; and

(C) Must consider the extent to which the eligible Federal property is physically adaptable for those expected uses and the extent to which those uses would be needed if the property were not in Federal ownership.

Example 7 (Determining the Highest and Best Use of Taxable Adjacent Properties as the Basis for EAV): If a Federal installation to be valued is bordered by residential and commercial/industrial properties, the local official takes into consideration those various highest and best uses (residential and commercial/industrial) in determining the EAV of the eligible Federal property as described in paragraphs (a) and (c)(2)(i) of this section.

Under that process, using acres, the local official first determines the relative proportions of adjacent properties devoted to each of those highest and best uses. For example, the local official determines that the highest and best uses of the adjacent properties are residential (60 percent) and commercial/industrial (40 percent). However, before allocating the acres of the eligible Federal property (1,000 acres) to those uses as described in paragraphs (a)(2) and (b) of this section, the local official must consider whether the Federal property is adaptable for and there is a need for those uses, in accordance with paragraph (c)(2)(ii) of this section.

For example, if the Federal property is hilly and rocky or contains a large area of marshland, it may not be practical for the property to be developed primarily as residential property. Using his or her professional judgment, the local official may decide that it would be more appropriate to designate 50 percent of the acres as vacant or woodland or some other taxable classification that would indicate that improvements would likely not be located on that property. This may also affect the proportion of the property that would be designated as commercial/industrial because some of those commercial/industrial uses would support the area designated for residential use. Thus, the local official designates the remaining 50 percent of the acres as 20 percent residential and 30 percent commercial/industrial.

After the local official determines the appropriate proportions of expected uses, the official then multiplies those proportions by the total number of eligible Federal acres (1,000) to determine the number of eligible Federal acres in each expected use category, resulting in the following: residential (20 percent or 200 acres), vacant (50 percent or 500 acres), and commercial/industrial (30 percent or 300 acres). The local official then determines the base value for the taxable use portion of each expected use category under paragraph (c)(2) of this section, beginning by selecting a sample of properties that represent the highest and best uses of the taxable adjacent properties.

In selecting the sample, the local official must consider whether the Federal property would support the same degree of development as the taxable adjacent properties selected (e.g., density, size, and improvements) and whether there would be a need for that type and degree of development in the future. The local official then makes any necessary adjustments to the sample.

(3) Recent sales or recently sold means taxable properties that have transferred ownership within the three most recent years for which data are available.

Example 8 (Calculation of Section 8002 EAV for Eligible Federal Property): Two different Federal properties are located within an LEA—a Federal forest (100 eligible acres) and a naval facility (1,000 eligible acres). Based on the highest and best uses of taxable adjacent properties, and as described more specifically below, the local official establishes an EAV for the eligible Federal property in the LEA of $92,577,000 in the base year of a three-year cycle. That EAV is based on categorizing the Federal forest as 100 percent (100 acres) woodland expected use and the naval facility as 60 percent (600 acres) residential expected use and 40 percent (400 acres) commercial/industrial expected use.

The taxing jurisdiction determines the assessed value for taxable property by multiplying the value of the property by a single assessment ratio applicable to the property’s assessment category. In this case, the applicable assessment ratios are: Woodland property—30 percent of the property’s value; residential property—60 percent of the property’s value; and commercial/industrial property—75 percent of the property’s value.

Federal forest (100 eligible Federal acres). The local official first determines the type of expected-use categories (assessment classifications) and respective proportions to use in valuing the eligible Federal property, based on the highest and best use of taxable adjacent properties. In this case, the local official categorizes 100 percent of the Federal forest as being in the woodland use category (assessment classification) based on the highest and best use of taxable adjacent properties. The local official multiplies that proportion by the total number of eligible Federal acres (100), to determine the number of Federal acres attributable to the woodland use category (100 acres).

The local official then determines a base value for each category of expected use of the eligible Federal property as described in paragraphs (a)(3), (c), and (d) of this section. The official first determines the taxable-use portion for each expected use category, as described in paragraph (c)(1) of this section, by excluding the proportion of the total area of each use category of the eligible Federal property that the official determines should...
be allocated to non-assessed or tax-exempt uses.

Based on the general proportion of non-assessed or tax-exempt uses for woodland properties in the eligible Federal properties, the local official allocates 30 percent of the woodland acres for non-assessed or tax-exempt purposes, and multiplies that proportion by the total number of acres of eligible Federal property categorized as woodland (100 acres), resulting in 10 acres attributable to a non-assessed or tax-exempt proportion of woodland. The local official then subtracts that non-assessed or tax-exempt portion (10 acres) from the total acres of eligible Federal property in that expected-use category (100 acres), resulting in 90 acres attributable to the taxable portion of the woodland expected-use category.

The local official then selects a sample of taxable adjacent properties from the expected use category (woodland), as described in paragraphs (c)(2) and (d) of this section, and uses that sample to establish a base value for that category. The sample includes the minimum required number of taxable adjacent properties (generally at least 10) from the woodland category. In addition, in selecting that sample of properties, the local official uses only the allowable proportion of recent sales, calculated as described in paragraph (d)(2) of this section. In selecting the specific taxable adjacent properties that make up that sample and that reflect the highest and best uses of the adjacent taxable properties in accordance with paragraph (c)(2)(l) of this section, the local official also considers whether the Federal property is adaptable for and whether there would be a need for those specific types of properties, such as in size and improvements, in accordance with paragraph (e)(2)(i)(b) of this section.

The local official calculates the average value per acre ($1,000) of the selected sample of taxable adjacent woodland properties. The local official then multiplies the number of acres attributable to the taxable portion of the woodland expected use category (90 acres) by the average value per acre ($1,000) of the selected taxable woodland adjacent properties, resulting in a base value for the woodland use category of the Federal forest of $90,000.

The local official then determines the section 8002 EAV for the Federal forest as described in paragraph (a)(4) of this section by multiplying the base value established for the woodland portion of the property ($90,000) by 30 percent (the assessment ratio for woodland property), resulting in a section 8002 EAV of $27,000 for the Federal forest.

**Naval facility (1,000 total eligible Federal acres).**

The local official first determines the type of expected-use categories (assessment classifications) and respective proportions to use in valuing the eligible Federal property. For the naval facility, the local official determines that the relative mix of taxable adjacent properties, based on their highest and best uses, is 60 percent residential and 40 percent commercial/industrial. The local official multiplies those proportions by the total eligible Federal acres in the naval facility (1,000), resulting in 600 acres (60 percent × 1,000 acres = 600 acres) to be valued as residential expected use and 400 acres (40 percent × 1,000 acres = 400 acres) to be valued as commercial/industrial expected use.

The local official then determines a base value for each of those expected use categories of the eligible Federal property. For the residential expected-use category, the local official allocates 20 percent for non-assessed or tax-exempt uses, and multiplies that proportion by the number of eligible Federal acres allocated to that expected-use category (600 acres), resulting in 120 acres allocated to non-assessed or tax-exempt uses. The local official excludes those 120 acres by subtracting them from the total number of residential acres (600 acres), resulting in 480 acres allocated to taxable residential uses for the residential portion of the eligible Federal property in the naval facility.

For the commercial/industrial expected-use category, the local official allocates 15 percent for non-assessed or tax-exempt uses, and multiplies that proportion by the number of eligible Federal acres allocated to that expected-use category (400 acres), resulting in 60 acres allocated to non-assessed or tax-exempt uses. The local official excludes those 60 acres by subtracting them from the total number of commercial/industrial acres (400 acres), resulting in 340 acres allocated to taxable commercial/industrial uses for the commercial/industrial portion of the eligible Federal property in the naval facility.

The local official then selects a sample of taxable adjacent properties from each identified use category, as described in paragraphs (c)(2) and (d) of this section, which the official uses to establish a base value for each of those expected-use categories. That sample includes the minimum required number of taxable adjacent properties (generally at least 10) for each expected use category. In addition, in selecting the sample of properties, the official uses only the allowable proportion of recent sales, calculated as described in paragraph (d)(2) of this section.

In considering whether the specific group of taxable adjacent properties selected reflects the highest and best uses of the adjacent taxable properties in accordance with paragraph (c)(2)(i) of this section, the local official also considers whether the Federal property is adaptable for and whether there would be a need for those specific types of properties, in accordance with paragraph (e)(2)(i)(b) of this section.
For example, if the official selects 10 residential parcels that are all small, such as one quarter (.25) of an acre or less, and uses those parcels to determine an EAV for a large area of Federal property, the result may exaggerate what would likely happen to that property if it were available for development. If the official uses only these small parcels (e.g., .25 acres each) for the 480 acres allocated to taxable residential uses for the residential portion of the eligible Federal property, the official would be projecting that approximately 1,920 small residential lots would be developed on that Federal property (.25 \times 480 = 1,920) if the property were no longer in Federal ownership. The Department believes that it would be extremely unlikely that 480 acres of the property would develop into this number of residential properties. This outcome would not reflect the local official’s best judgment of the reasonable development of the property. To avoid this inappropriate result, the official would identify other taxable adjacent parcels of varying sizes to provide a more accurate picture of how the Federal property would be developed if it were on the tax rolls.

Similarly, with respect to improvements, if the local official selected taxable adjacent properties that all were improved parcels, the official would be projecting that all of the 480 acres allocated to taxable residential uses for the residential portion of the eligible Federal property would be improved. If the residential taxable adjacent parcels are a mixture of improved and unimproved properties, that projection also may be speculative based on the number of improvements that reasonably would be needed for the current and any expected new population. If the assumption is not reasonable that the entire 480 acres would be improved, then the local official would make adjustments accordingly in the sample of taxable adjacent properties by adding some unimproved residential parcels to the sample.

For the portion of the naval facility allocated to taxable residential use, the local official calculates the average per-acre value ($100,000) of the selected sample of residential adjacent properties as described in paragraph (c)(2)(ii) of this section. This average per-acre value is then multiplied by the number of acres located to the taxable residential portion (480 acres) by the average value per acre ($100,000) of the sample of residential adjacent properties to determine the base value ($48,000,000) for that portion of the eligible Federal property, as described in paragraph (c)(2)(iii) of this section. The local official determines a section 8002 EAV for that residential portion by multiplying the $48 million by 60 percent (assessment ratio for residential property), resulting in $28,800,000 as described in paragraph (a)(4) of this section.

Similarly, for the portion of the naval facility allocated to taxable commercial/industrial use, the local official calculates an aggregate per acre value ($250,000) of the selected sample of commercial/industrial taxable adjacent properties as described in paragraph (c)(2)(ii) of this section. This aggregate per acre value is then multiplied by the number of acres allocated to the taxable commercial/industrial portion (340 acres) by the average value per acre of the sample of commercial/industrial adjacent properties ($250,000) to determine the base value for that portion of the eligible Federal property ($85,000,000), as described in paragraph (c)(2)(iii) of this section. The local official then multiplies the number of eligible Federal property acres allocated to the taxable commercial/industrial portion (340 acres) by the average value per acre of the selected commercial/industrial adjacent properties ($250,000) to determine the base value for that portion of the eligible Federal property ($85,000,000), as described in paragraph (a)(4) of this section.

Finally, the local official determines the aggregate section 8002 assessed value for the LEA as described in paragraph (a)(6) of this section by adding the figures for the residential portion ($28,800,000) and the commercial/industrial portion ($85,750,000), resulting in a total section 8002 EAV for the entire naval facility of $92,550,000.

Total section 8002 property in the LEA. Finally, the local official determines the aggregate section 8002 assessed value for the LEA as described in paragraph (a)(6) of this section by adding the section 8002 EAV for the Federal forest ($27,000), and the total section 8002 EAV for the naval facility ($92,550,000), resulting in an aggregate assessed value of $92,577,000.

This entire process is illustrated in Tables 8-1 and 8-2 below:

### Subpart C—Payments for Federally Connected Children Under Section 8003(b) of the Act

§ 222.30 **What is “free public education”?**

In addition to the terms defined in §222.2, the following definition applies to this part:

**Free public education.** (1) The term means education that is provided—
§ 222.33

(1) At public expense;
(2) (A) As the complete elementary or secondary educational program as determined under State law through grade 12; and
(B) Preschool education, whether or not included as elementary education by State law;
(3) (A) In a school of the local educational agency (LEA) or under a tuition arrangement with another LEA or other educational entity; and
(B) Under public supervision and direction, except with respect to children with disabilities.
(2) For the purpose of paragraph (1)(i) of this definition, education is provided at public expense if—
(i) There is no tuition charge to the child or the child’s parents; and
(ii) Federal funds, other than funds under the Act, do not provide a substantial portion of the educational program.
(3) For the purpose of paragraph (1)(ii) of this definition, the complete elementary or secondary educational program is the program recognized by the State as meeting all requirements for elementary or secondary education for the children claimed and, except for preschool education, does not include a program that provides only—
(i) Supplementary services or instruction; or
(ii) A portion of the required educational program.
(4) For the purpose of paragraph (1)(iii) of this definition, a tuition arrangement must—
(i) Satisfy all applicable legal requirements in the State; and
(ii) Genuinely reflect the applicant LEA’s responsibility to provide a free public education to the children claimed under section 8003.
(5) For the purpose of paragraph (1)(iv) of this definition, education provided under public supervision and direction means education that is provided—
(i) In a school of the applicant LEA or another LEA; or
(ii) By another educational entity, over which the applicant LEA, or other public agency, exercises authority with respect to the significant aspects of the educational program for the children claimed. The Secretary considers significant aspects of the educational program to include administrative decisions relating to teachers, instruction, and curriculum.

§ 222.31 To which local educational agencies does the Secretary make basic support payments under section 8003(b) of the Act?

The Secretary makes payments to an LEA with an otherwise approvable application for children claimed under section 8003(b) of the Act if—
(a) The LEA meets the requirements in subpart A of these regulations and this subpart; and
(b) (1) The LEA is responsible under applicable State or Federal law for providing a free public education to those children;
(2) The LEA is providing a free public education to those children; and
(3) The State provides funds for the education of those children on the same basis as all other public school children in the State, unless permitted otherwise under section 8009 of the Act.

[Authority: 20 U.S.C. 7703 and 7709]

§ 222.32 What information does the Secretary use to determine a local educational agency’s basic support payment?

(a) The Secretary determines an LEA’s payment under section 8003(b) on the basis of information in the LEA’s application, including information regarding the membership of federally connected children.
(b) The LEA must supply information in its application regarding its federally connected membership on the basis of any count described in §§ 222.33 through 222.35.

[Approved by the Office of Management and Budget under control number 1810–0036]

[Authority: 20 U.S.C. 7703 and 7705]

§ 222.33 When must an applicant make its first or only membership count?

(a)(1) An applicant must select a day in the current school year as the survey date for making the first membership count, which must be no earlier than the fourth day of the regular school year and before January 31.
§ 222.34 If an applicant makes a second membership count, when must that count be made?

(a)(1) The applicant may, but is not required to, make a second count of membership.

(2) If the applicant chooses to make a second count of membership, the applicant must select a day after January 31, but no later than May 14, as the survey date for making the second membership count, and make that count in accordance with §222.33(b).

[60 FR 50778, Sept. 29, 1995, as amended at 80 FR 33163, June 11, 2015]

§ 222.35 How does a local educational agency count the membership of its federally connected children?

An applicant counts the membership of its federally connected children by using one or both of the following methods:

(a) Parent-pupil survey. An applicant may conduct a parent-pupil survey to count the membership of its federally connected children, which must be counted as of the survey date.

(1) The applicant shall conduct a parent-pupil survey by providing a form to a parent of each pupil enrolled in the LEA to substantiate the pupil’s place of residence and the parent’s place of employment. A parent-pupil survey form must include the following:

(i) Pupil enrollment information (this information may also be obtained from school records), including—

(A) Name of pupil;

(B) Date of birth of the pupil; and

(C) Name of public school and grade of the pupil.

(ii) Pupil residence and parent employment information, including—

(A) Address of the pupil’s residence (or other location information for that residence, such as legal description), including the name of the Federal facility if the pupil’s residence is on Federal property;

(B) Name (as it appears on the employer’s payroll record) of the parent (mother, father, legal guardian or other person standing in loco parentis) who is employed on Federal property and with whom the pupil resides (unless the parent is a member of the uniformed services on active duty);

(C) Name and address of the Federal property on which the parent is employed (or other location information, such as legal description), unless the parent is a member of the uniformed services on active duty;

(D) If the parent is a member of the uniformed services on active duty, the name, rank, and branch of service of that parent;

(E) If the parent is a civilian employed on a Federal vessel, the name of the vessel, hull number, and name of the controlling agency;

(F) The signature of the parent supplying the information and the date of such signature; and

(G) The name of the parent’s employer and the employer’s address (or other location information, such as legal description), unless a parent is a member of the uniformed services on active duty.

(2) An LEA may accept an unsigned parent-pupil survey form, or a parent-pupil survey form that is signed by a person other than a parent, only under unusual circumstances. In those instances, the parent-pupil survey form must show why the parent did not sign the survey form, and when, how, and from whom the residence and employment information was obtained.

(20 U.S.C. 7703, 7705)
(b) Source check. (1) An applicant may count the membership of its federally connected children by using a source check to substantiate a pupil’s place of residence or parent’s place of employment on the survey date.

(2) A source check is a form provided—

(i) To a parent’s employer, on which the employer certifies as to the place of employment of a parent of a pupil claimed;

(ii) To a housing official, on which the official certifies as to the residence of each pupil claimed; or

(iii) To a tribal official, on which the official certifies as to the residence of each pupil claimed residing on Indian lands over which that tribal official has jurisdiction.

[60 FR 50778, Sept. 29, 1995, as amended at 80 FR 33163, June 11, 2015]

§ 222.36 How many federally connected children must a local educational agency have to receive a payment under section 8003?

(a) An LEA is eligible to receive a payment under section 8003 for a fiscal year only if the total number of eligible federally connected children for whom it provided a free public education for the preceding fiscal year was—

(1) At least 400 who were in average daily attendance (ADA); or

(2) At least 3 percent of the total number of children in ADA.

(b) An LEA is eligible to receive a payment under section 8003 for a fiscal year on behalf of federally connected children described in section 8003(a)(1)(F) or (G) only if the total number of those children for whom it provided a free public education for the preceding fiscal year was—

(1) At least 1,000 in ADA; or

(2) At least 10 percent of the total number of children in ADA.

(c) Children described in paragraph (b) of this section are counted for the purposes of paragraph (a) of this section only if the applicant LEA is eligible to receive a payment on behalf of those children under section 8003.

(Authority: 20 U.S.C. 7703(a)(3) and (b)(1)(B))

§ 222.37 How does the Secretary calculate the average daily attendance of federally connected children?

(a) This section describes how the Secretary computes the ADA of federally connected children for each category in section 8003 to determine an applicant’s payment.

(b) If an LEA is in a State that collects actual ADA data for purposes of distributing State aid for education, the Secretary calculates the ADA of that LEA’s federally connected children for the current fiscal year payment as follows:

(1) Except as provided in paragraph (b)(3) of this section—

(i) By dividing the ADA of all the LEA’s children for the second preceding fiscal year by the LEA’s total membership on its survey date for the second preceding fiscal year (or, in the case of an LEA that conducted two membership counts in the second preceding fiscal year, by the average of the LEA’s total membership on the two survey dates); and

(ii) By multiplying the figure determined in paragraph (b)(1)(i) of this section by the LEA’s total membership of federally connected children in each subcategory described in section 8003 and claimed in the LEA’s application for the current fiscal year payment (or, in the case of an LEA that conducts two membership counts in the second preceding fiscal year, by the average of the LEA’s total membership on the two survey dates).

(2)(i) For purposes of this section, actual ADA means raw ADA data that have not been weighted or adjusted to reflect higher costs for specific types of students for purposes of distributing State aid for education.

(ii) If an LEA provides a program of free public summer school, attendance data for the summer session are included in the LEA’s ADA figure in accordance with State law or practice.

(iii) An LEA’s ADA count includes attendance data for children for whom
(3) Attendance data are not counted for any child—
   (i) Who is not physically present at school for the daily minimum time period required by the State, unless the child is—
   (A) Participating via telecommunication or correspondence course programs that meet State standards; or
   (B) Being served by a State-approved homebound instruction program for the daily minimum time period appropriate for the child; or
   (ii) Attending the applicant’s schools under a tuition arrangement with another LEA.

(c) If an LEA is in a State that does not collect ADA data for purposes of distributing State aid for education, the LEA or SEA shall submit data necessary for the Secretary to calculate the ADA of the LEA’s federally connected children as follows:
   (1) If an LEA is in a State that formerly collected ADA data for purposes of distributing State aid for education, the SEA may submit the total ADA and total membership data for the State for each of the last three fiscal years that ADA data were collected. The Secretary uses these data to calculate the ADA of the LEA’s federally connected children by—
      (i) Dividing the total ADA data by the total membership data for each of the three fiscal years and averaging the results; and
      (ii) Multiplying the average determined in paragraph (c)(1)(i) of this section by the LEA’s total membership of federally connected children as described in paragraph (b)(1)(ii) of this section.

(2) An LEA may submit attendance data based on sampling conducted during the previous fiscal year. The sampling must include attendance data for all children for at least 30 school days. The data must be collected during at least three periods evenly distributed throughout the school year. Each collection period must consist of at least five consecutive school days. The Secretary uses these data to calculate the ADA of the LEA’s federally connected children by—
      (i) Determining the ADA of all children in the sample;
      (ii) Dividing the figure obtained in paragraph (c)(2)(i) of this section by the LEA’s total membership for the previous fiscal year; and
      (iii) Multiplying the figure determined in paragraph (c)(2)(i) of this section by the LEA’s total membership of federally connected children for the current fiscal year, as described in paragraph (b)(1)(ii) of this section.

(3) If an LEA is in a State that distributes State aid for education based on data similar to attendance data, the SEA may request that the Secretary use those data to calculate the ADA of the LEA’s federally connected children. If the Secretary determines that those data are, in effect, equivalent to attendance data, the Secretary allows use of the requested data and determines the method by which the ADA of the LEA’s federally connected children will be calculated.

Ofc. of Elem. & Secondary Ed., Education § 222.39

(b) If satisfactory data from the third preceding fiscal year are not available for the expenditures described in paragraphs (a)(1) or (2), the Secretary uses data from the most recent fiscal year for which data that are satisfactory to the Secretary are available.

(Authority: 20 U.S.C. 7703(a) and (b))

(80 FR 33163, June 11, 2015)

§ 222.39 How does a State educational agency identify generally comparable local educational agencies for local contribution rate purposes?

(a) To identify generally comparable LEAs within its State for LCR purposes, the State educational agency (SEA) for that State, after appropriate consultation with the applicant LEAs in the State, shall use data from the third fiscal year preceding the fiscal year for which the LCR is being computed to group all of its LEAs, including all applicant LEAs, as follows:

1. Grouping by grade span/legal classification alone. Divide all LEAs into groups that serve the same grade span and then subdivide the grade span groups by legal classification, if the Secretary considers this classification relevant and sufficiently different from grade span within the State. As an alternative grade-span division, divide all LEAs into elementary, secondary, or unified grade-span groups, as appropriate, within the State.

2. Grouping by grade span/legal classification and size. (i) Divide all LEAs into groups by grade span (or the alternative grade-span groups described in paragraph (a)(1) of this section) and, if relevant and sufficiently different from grade span and location, legal classification; then subdivide these groups by location, as determined by placement inside or outside a metropolitan statistical area (MSA) as defined by the U.S. Bureau of the Census. The Department will supply SEAs with lists of MSA classifications for their LEAs, and only the classifications on those lists will be recognized by the Department for the purposes of these regulations.

(ii) In using both the size and location factors, the SEA shall subdivide according to the size factor before the location factor.

(b) After applying the following restrictions, the SEA shall compute an LCR according to the provisions of §222.41 for each group of generally comparable LEAs identified under paragraph (a) of this section, as follows:

1. The SEA shall not, when computing an LCR, include the following "significantly impacted" LEAs in any group of generally comparable LEAs:

   (i) Any LEA having—in the third fiscal year preceding the fiscal year for which the LCR is being computed—20 percent or more of its ADA composed of children identified under section 8003(a)(1)(A)–(C).
§ 222.40 What procedures does a State educational agency use for certain local educational agencies to determine generally comparable local educational agencies using additional factors, for local contribution rate purposes?

(a) To use the procedures in this section, the applicant LEA, for the year of application, must either—

(1) Be located entirely on Federal land; and

(2) Be raising either no local revenues or an amount of local revenues the Secretary determines to be minimal; or

(b) Be located in a State where State aid makes up no more than 40 percent of the State average per pupil expenditure in the third fiscal year preceding the fiscal year for which the LCR is being computed;

(ii) In its application, have federally connected children identified under section 8003(a)(1)(A)–(C) equal to at least 20 percent of its total ADA; and

(iii) In its application, have federally connected children identified under section 8003(a)(1)(A)–(G) who were eligible to be counted as the basis for payment under section 8003 equal to at least 50 percent of its total ADA.

(b) If requested by an applicant LEA described in paragraph (a) of this section, the SEA follows the procedures in this section, in consultation with the

Example. An LEA applies for assistance under section 8003 and wishes to recommend to the Secretary an LCR based on generally comparable LEAs within its State.

1. Characteristics of Applicant LEA. The grade span of an applicant LEA is kindergarten through grade 8 (K–8). In the applicant’s State, legal classification of LEAs is based on grade span, and thus does not act to further subdivide groups of LEAs.

2. Characteristics of Other LEAs Serving Same Grade Span. The SEA of the applicant’s State groups all LEAs in its State according to the factors in §222.39.

(a) The SEA identifies the following groups:

(i) One hundred and one LEAs serve only K–8. The SEA has identified a group of 50 LEAs having an ADA above the median ADA for the group of 101, one LEA having an ADA at the median, and a group of 50 LEAs having an ADA below the median ADA; and according to §222.39(a)(2), the SEA considers 51 LEAs to have an ADA below the median ADA.

(ii) Of the 101 LEAs in the group, the SEA has identified a group of 64 LEAs as being inside an MSA and a group of 37 LEAs as being outside an MSA.

(iii) Among the group of 50 LEAs having an ADA above the median, the SEA has identified a group of 35 LEAs as being inside an MSA and a group of 15 LEAs as being outside an MSA.

(iv) Among the group of 51 LEAs having an ADA at or below the median, the SEA has identified a group of 29 LEAs as being inside an MSA and 22 LEAs as being outside an MSA.

(v) One LEA has 20 percent of its ADA composed of children identified under section 8003(a)(1)(A)–(C) and, therefore, must be excluded from any group it falls within before the SEA computes an LCR for the group. The LEA has an ADA below the median ADA and is located outside an MSA.

b. On the basis of §222.41, the SEA computes the LCR for each group of generally comparable LEAs that the SEA has identified.

LEA, to determine generally comparable LEAs using additional factors for the purpose of calculating and certifying an LCR for that LEA.

(c) The SEA identifies—

1. The subgroup of generally comparable LEAs from the group identified under §222.39(a)(2) (grouping by grade span/legal classification and size) that includes the applicant LEA; or

2. For an LEA described in paragraph (a) of this section that serves a different span of grades from all other LEAs in its State (and therefore cannot match any group of generally comparable LEAs under §222.39(a)(2)), for purposes of this section only, a group using only legal classification and size as measured by ADA.

(d) From the subgroup described in paragraph (c) of this section, the SEA then identifies 10 or more generally comparable LEAs that share one or more additional common factors of general comparability with the applicant LEA described in paragraph (a) of this section, as follows:

1. The SEA must consider one or more generally accepted, objectively defined factors that affect the applicant’s cost of educating its children. Examples of such cost-related factors include location inside or outside an MSA, an unusually large geographical area or an economically depressed area, sparsity of population, and the percentage of its students who are from low-income families or who are children with disabilities, neglected or delinquent children, low-achieving children, or children with limited English proficiency.

2. The SEA may not consider cost-related factors that can be varied at the discretion of the applicant LEA or its generally comparable LEAs or factors dependent on the wealth of the applicant LEA or its generally comparable LEAs. Examples of factors that may not be considered include special alternative curricular programs, pupil-teacher ratio, and per pupil expenditures.

3. The SEA applies the factor or factors of general comparability identified under paragraph (d)(1)(i) of this section in one of the following ways in order to identify 10 or more generally comparable LEAs for the eligible applicant LEA, none of which may be significantly impacted LEAs:

   (i) The SEA identifies all of the LEAs in the group to which the eligible applicant LEA belongs under §222.39(a)(2) that share the factor or factors. If the subgroup containing the eligible applicant LEA includes at least 10 other LEAs (excluding significantly impacted LEAs), it will be the eligible applicant LEA’s new group of generally comparable LEAs. The SEA computes the LCR for the eligible applicant LEA using the data for all of the LEAs in the subgroup except the eligible applicant LEA.

   Example 1. An eligible applicant LEA contains a designated economically depressed area, and the SEA, in consultation with the LEA, identifies “economically depressed area” as an additional factor of general comparability. From the group of LEAs under §222.39(a)(2) that includes the eligible applicant LEA, the SEA identifies two subgroups, those LEAs that contain a designated economically depressed area and those that do not. The entire subgroup identified by the SEA that includes the eligible applicant LEA is that LEA’s new group of generally comparable LEAs if it contains at least 10 LEAs.

   (ii) After the SEA identifies all of the LEAs in the group to which the eligible applicant LEA belongs under §222.39(a)(2) that share the factor or factors, the SEA then systematically orders by ADA all of the LEAs in the group that includes the eligible applicant LEA. The SEA may further divide the ordered LEAs into subgroups by using logical division points (e.g., the median, quartiles, or standard deviations) or a continuous interval of the ordered LEAs (e.g., a percentage or a numerical range). If the subgroup containing the eligible applicant LEA includes at least 10 other LEAs (excluding significantly impacted LEAs), it will be the eligible applicant LEA’s new group of generally comparable LEAs. The SEA computes the LCR for the eligible applicant LEA using the data for all of the LEAs in the subgroup except the eligible applicant LEA.

   Example 2. An eligible applicant LEA serves an unusually high percentage of
children with disabilities, and the SEA, in consultation with the LEA, identifies “proportion of children with disabilities” as an additional comparability factor. From the group of LEAs under §222.39(a)(2) that includes the eligible applicant LEA, the SEA lists the LEAs in descending order according to the percentage of children with disabilities enrolled in each of the LEAs. The SEA divides the list of LEAs into four groups containing equal numbers of LEAs. The group containing the eligible applicant LEA is that LEA’s new group of generally comparable LEAs if it contains at least 10 LEAs.

(iii) The SEA may apply more than one factor of general comparability in identifying a new group of 10 or more generally comparable LEAs for the eligible applicant LEA. If the subgroup containing the eligible applicant LEA includes at least 10 other LEAs (excluding significantly impacted LEAs), it will be the eligible applicant LEA’s new group of generally comparable LEAs. The SEA computes the LCR for the eligible applicant LEA using the data from all of the LEAs in the subgroup except the eligible applicant LEA.

Example 3. An eligible applicant LEA is very sparsely populated and serves an unusually high percentage of children with limited English proficiency. The SEA, in consultation with the LEA, identifies “sparsity of population” and “proportion of children with limited English proficiency” as additional comparability factors. From the group of LEAs under §222.39(a)(2) that includes the eligible applicant LEA, the SEA identifies all LEAs that are sparsely populated. The SEA further subdivides the sparsely populated LEAs into two groups, those that serve an unusually high percentage of children with limited English proficiency and those that do not. The subgroup of at least 10 sparsely populated LEAs that serve a high percentage of children with limited English proficiency is the eligible applicant LEA’s new group of generally comparable LEAs.

(e)(1) Using the new group of generally comparable LEAs selected under paragraph (d) of this section, the SEA computes the LCR for the eligible applicant LEA according to the provisions of §222.41.

(2) The SEA certifies the resulting LCR by submitting that LCR to the Secretary and providing the Secretary a description of the additional factor or factors of general comparability and the data used to identify the new group of generally comparable LEAs.

(3) The Secretary reviews the data submitted by the SEA, and accepts the LCR for the purpose of use under section 8003(b)(1)(C)(iii) in determining the LEA’s maximum payment under section 8003 if the Secretary determines that it meets the purposes and requirements of the Act and this part.

§222.41 How does a State educational agency compute and certify local contribution rates based upon generally comparable local educational agencies?

Except as otherwise specified in the Act, the SEA, subject to the Secretary’s review and approval, computes and certifies an LCR for each group of generally comparable LEAs within its State that was identified using the factors in §222.39, and §222.40 if appropriate, as follows:

(a)(1) The SEA shall compile the aggregate local current expenditures of the comparable LEAs in each group for the third fiscal year preceding the fiscal year for which the LCR is being computed.

(2) For purposes of this section, the SEA shall consider only those aggregate current expenditures made by the generally comparable LEAs from revenues derived from local sources. No State or Federal funds may be included.

(b) The SEA shall compile the aggregate number of children in ADA to whom the generally comparable LEAs in each group provided a free public education during the third fiscal year preceding the fiscal year for which the LCR is being computed.

(c) The SEA shall divide—

(1) The aggregate current expenditures determined under paragraph (a) of this section by;
(2) The aggregate number of children determined under paragraph (b) of this section.

(d) The SEA certifies the resulting figure for each group as the LCR for that group of generally comparable LEAs to be used by the Secretary under section 8003(b)(1)(C)(iii) in determining the LEA’s maximum payment amount under section 8003.

§ 222.42 [Reserved]

§ 222.43 What requirements must a local educational agency meet in order to be eligible for financial assistance under section 8003(b)(1)(F) due to unusual geographic features?

An LEA is eligible for financial assistance under section 8003(b)(1)(F) if the Secretary determines that the LEA meets all of the following requirements—

(a)(1) The LEA is eligible for a basic support payment under section 8003(b), including meeting the maintenance of effort requirements in section 8003(g) of the Act;

(2) The LEA timely applies for assistance under section 8003(b)(1)(F) and meets all other requirements of subparts A and C;

(3) The LEA is meeting the tax rate requirement in §222.68(c) and the other applicable requirements of §§222.68 through 222.72; and

(4) The LEA is not in a State that takes the LEA’s payment under section 8003(b)(1)(F) into account in an equalization program that qualifies under section 8009 of the Act.

(b)(1) As part of its section 8003 application, the LEA indicates in writing that it wishes to apply for an “unusual geographic” payment and it will provide the Secretary with documentation upon request that demonstrates that the LEA is unable to provide a level of education equivalent to that provided by its generally comparable LEAs because—

(i) The applicant’s current expenditures are affected by unusual geographic factors; and

(ii) As a result, those current expenditures are not reasonably comparable to the current expenditures of its generally comparable LEAs.

(2) The LEA’s documentation must include—

(i) A specific description of the unusual geographic factors on which the applicant is basing its request for compensation under this section and objective data demonstrating that the applicant is more severely affected by the factors than any other LEA in its State;

(ii) Objective data demonstrating the specific ways in which the unusual geographic factors affect the applicant’s current expenditures so that they are not reasonably comparable to the current expenditures of its generally comparable LEAs;

(iii) Objective data demonstrating the specific ways in which the unusual geographic factors prevent the applicant from providing a level of education equivalent to that provided by its generally comparable LEAs; and

(iv) Any other information that the Secretary may require to make an eligibility determination under this section.

§ 222.44 How does the Secretary determine a maximum payment for local educational agencies that are eligible for financial assistance under section 8003(b)(1)(F) and §222.43?

The Secretary determines a maximum payment under section 8003(b)(1)(F) for an eligible LEA, using data from the third preceding fiscal year, as follows:

(a) Subject to paragraph (b) of this section, the Secretary increases the eligible LEA’s local contribution rate (LCR) for section 8003(b) payment purposes to the amount the Secretary determines will compensate the applicant for the increase in its current expenditures necessitated by the unusual geographic factors identified under §222.43(b)(2).

(b) The Secretary does not increase the LCR under this section to an amount that is more than—

(1) Is necessary to allow the applicant to provide a level of education
equivalent to that provided by its generally comparable LEAs; or

(2) The per pupil share for all children in ADA of the increased current expenditures necessitated by the unusual geographic factors identified under §222.43, as determined by the Secretary.

Subpart D—Payments Under Section 8003(d) of the Act for Local Educational Agencies That Serve Children With Disabilities

§ 222.50 What definitions apply to this subpart?

In addition to the terms referenced or defined in §222.2, the following definitions apply to this subpart:

§ 222.51 Which children may a local educational agency count for payment under section 8003(d) of the Act?

(a) An LEA may count children described in sections 8003(a)(1)(A)(i), (a)(1)(B), (a)(1)(C), and (a)(3)(D) of the Act who are eligible for services under the provisions of Part B or Part C of the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.) (IDEA), for the purpose of computing a payment under section 8003(d) in accordance with the provisions of this section.

(b)(1) An LEA may count a child with a disability described in paragraph (a) of this section who attends a private school or residential program if the LEA has placed or referred the child in accordance with the provisions of section 613 of the IDEA and 34 CFR part 300, subparts C and D.

(2) An LEA may not count a child with a disability described in paragraph (a) of this section who is placed in a private school by his or her parents, but that child may participate in public school programs that use section 8003(d) funds.

(c) An LEA may count infants and toddlers with disabilities described in paragraph (a) of this section if—

(1) The LEA provides early intervention services or FAPE to each of those children—

(i) Either directly or through an arrangement with another entity; and

(ii) The State does not charge a fee or other out-of-pocket cost to the child’s parents under the State’s system of payments on file with the Secretary required under 34 CFR 303.203(b)(1), 303.520, and 303.521, and there is no other cost to the child’s parents (the costs of premiums do not count as out-of-pocket costs); and

(2) Each of those children has an IFSP or IEP (as appropriate).

(Authority: 20 U.S.C. 1400 et seq. and 7703(d))

§ 222.52 What requirements must a local educational agency meet to receive a payment under section 8003(d)?

To receive a payment under section 8003(d), an eligible LEA shall—

(a) State in its application the number of federally connected children with disabilities it claims for a payment under section 8003(d);

(b) Have in effect written IEPs or IFSPs for all federally connected children with disabilities it claims under section 8003(d); and
(c) Meet the requirements of subparts A and C of the regulations in this part.

(Authority: 20 U.S.C. 1400 et seq. and 7703)  
(60 FR 50778, Sept. 29, 1995, as amended at 80 FR 33166, June 11, 2015)

§ 222.53 What restrictions and requirements apply to the use of funds provided under section 8003(d)?

(a) An LEA shall use funds provided under section 8003(d) in accordance with the provisions of section 8003(d)(2) and 34 CFR parts 300 and 303.

(b) Obligations and expenditures of section 8003(d) funds may be incurred in either of the two following ways:

1. An LEA may obligate or expend section 8003(d) funds for the fiscal year for which the funds were appropriated.

2. An LEA may reimburse itself for obligations or expenditures of local and general State aid funds for the fiscal year for which the section 8003(d) funds were appropriated.

(c) An LEA shall use its section 8003(d) funds for the following types of expenditures:

1. Expenditures that are reasonably related to the conduct of programs or projects for the free appropriate public education of, or early intervention services for, federally connected children with disabilities, which may include—

   (i) Program planning and evaluation; and

   (ii) Construction of or alteration to existing school facilities, but only when in accordance with section 605 of the IDEA and when the Secretary authorizes in writing those uses of funds.

2. Acquisition cost (net invoice price) of equipment required for the free appropriate public education of, and early intervention services for, federally connected children with disabilities.

   (i) If section 8003(d) funds are used for the acquisition of any equipment described in this paragraph (c)(2)(i) of this section, the fair market value of any financial advantage realized through rebates, discounts, bonuses, free pieces of equipment used in a program or project for the free appropriate public education of, or early intervention services for, federally connected children with disabilities, or other circumstances, is not an allowable expenditure and may not be credited as an expenditure of those funds.

   (ii) Funds awarded under the provisions of section 8003(d) may be used to acquire equipment for the free appropriate public education of, or early intervention services for, the federally connected children with disabilities only if title to the equipment would be in the applicant agency.

(d) An LEA shall account for the use of section 8003(d) funds as follows:

1. By recording, for each fiscal year, the receipt (or credit) of section 8003(d) funds separately from other funds received under the Act, i.e., on a line item basis in the general fund account or in a separate account; and

2. By demonstrating that, for each fiscal year, the amount of expenditures for special education and related services and for early intervention services provided to the federally connected children with disabilities is at least equal to the amount of section 8003(d) funds received or credited for that fiscal year. This is done as follows:

   (i) For each fiscal year determine the amount of an LEA's expenditures for special education and related services and for early intervention services provided to all children with disabilities.

   (ii) The amount determined in paragraph (d)(2)(i) of this section is divided by the average daily attendance (ADA) of the total number of children with disabilities the LEA served during that fiscal year.

   (iii) The amount determined in paragraph (d)(2)(ii) of this section is then multiplied by the total ADA of the LEA's federally connected children with disabilities claimed by the LEA for that fiscal year.

3. If the amount of section 8003(d) funds the LEA received (or was credited) for the fiscal year exceeds the amount obtained in paragraph (d)(2)(iii) of this section, an overpayment equal to the excess section 8003(d) funds is established. This overpayment may be reduced or eliminated to the extent that the LEA can demonstrate that the average per pupil expenditure for special education and related services and for early intervention services...
§ 222.54 What supplement-not-supplant requirement applies to this subpart?

Funds provided under section 8003(d) may not supplant any State funds that were or would have been available to the LEA for the free appropriate public education of children counted under section 8003(d).

(a) No section 8003(d) funds may be paid to an LEA whose per pupil State aid for federally connected children with disabilities, either general State aid or special education State aid, has been or would be reduced as a result of eligibility for or receipt of section 8003(d) funds, whether or not a State has a program of State aid that meets the requirements of section 8009 of the Act and subpart K of the regulations in this part.

(1) A reduction in the per pupil amount of State aid for children with disabilities, including children counted under section 8003(d), from that received in a previous year raises a presumption that supplanting has occurred.

(2) The LEA may rebut this presumption by demonstrating that the reduction was unrelated to the receipt of section 8003(d) funds.

(b) In any State in which there is only one LEA, all funds for programs, and for early intervention services, for children with disabilities other than funds from Federal sources are considered by the Secretary to be local funds.

§ 222.55 What other statutes and regulations are applicable to this subpart?

Local educational agencies receiving funds under section 8003(d) are subject to the requirements of the Individuals with Disabilities Education Act, and related regulations (20 U.S.C. 1401 et seq. and 34 CFR parts 300 and 303).

Subject to §222.66, an LEA described in §222.63 or §222.64 is eligible for financial assistance under section 8003(b)(2) if the Secretary determines that the LEA meets the following requirements:

(a) The LEA timely applies for assistance under section 8003(b)(2) and meets all of the other application and eligibility requirements of subparts A and C of these regulations.

(b) Except for an LEA described in §222.63(a) or (d), or §222.64(b) or (c), the LEA meets the applicable tax rate requirement in accordance with the procedures and requirements of §§222.68 through 222.74.

§ 222.66 How does a local educational agency lose and resume eligibility under section 8003(b)(2)?

(a) A continuing heavily impacted LEA that fails to meet the eligibility requirements in §222.63 in any fiscal year or a new heavily impacted LEA that received a section 8003(b)(2) payment but then fails to meet the eligibility requirements in §222.64 will still receive a heavily impacted payment in the first year of ineligibility, based on the number of children in ADA that would be counted for that application if the LEA were eligible.

(b)(1) A continuing heavily impacted LEA may resume eligibility for a heavily impacted payment if it applies in the fiscal year preceding the year for which it seeks eligibility and it meets the eligibility requirements in §222.63 for both fiscal years.

(2) In the first fiscal year that a continuing heavily impacted LEA qualifies to resume eligibility, it cannot receive a heavily impacted payment but instead will receive a basic support payment under section 8003(b)(1) for that year.

Example:

CONTINUING LEA

In Federal Fiscal Years (FFYs) 1 and 2, a continuing LEA is eligible for a section 8003(b)(2) payment. In FFY 3, the LEA applies but is ineligible for section 8003(b)(2). However, it will still receive a payment under section 8003(b)(2) for FFY 3 (a “hold harmless” payment under §222.66(a)). For FFY 4, the LEA applies and meets the requirements. The LEA is not eligible to receive a section 8003(b)(2) payment in FFY 4 but is instead eligible for a section 8003(b)(1) payment (see §222.66(b)). In FFY 5, the LEA applies, meets the requirements, and receives a section 8003(b)(2) payment. The LEA not only must apply one year in advance and meet the section 8003(b)(2) requirements (FFY 4) but it must apply and meet the requirements for the subsequent FFY (year 5). The effects of these requirements on a continuing applicant’s status and payments are summarized in the table below.

| CONTINUING LEAS |
|-----------------|-----------|-----------|-----------|-----------|-----------|
| FFY 1           | FFY 2     | FFY 3     | FFY 4     | FFY 5     |
| 8003(b)(2) Eligibility | Yes       | Yes       | No        | Yes       | Yes       |
| Payment Type    | (b)(2)    | (b)(2)    | (b)(2)    | (b)(2)    |
| (b)(1) Hold Harmless. |           |           |           |           |

(c) A new heavily impacted LEA may resume eligibility for a heavily impacted payment if it meets the eligibility requirements in §222.64 for the fiscal year for which it seeks a payment.

Example:

NEW LEA

A new LEA applies for a section 8003(b)(2) payment and meets the applicable eligibility criteria. The LEA does not receive a section 8003(b)(2) payment in FFY 1 and it must apply and meet the requirements again in FFY 2 before it can receive a (b)(2) payment (see §222.62(b)). If that new district is then
ineligible for a year, it can regain eligibility only if it meets the applicable criteria in a subsequent year. For example, if a new LEA loses its section 8003(b)(2) eligibility in FFY 3 because its tax rate dropped to 94 percent of the average tax rate of comparable districts in the State, that LEA is still entitled to receive a payment under section 8003(b)(2) in FFY 3 if it applies for such payment (a “hold harmless” payment under §222.66(a)). Then if the LEA applies in FFY 4 and meets the eligibility requirement under section 8003(b)(2), it is once again eligible to receive a section 8003(b)(2) payment (see §222.66(c)). The effects of these requirements on a new applicant’s status and payments are summarized in the table below.

§ 222.67 How may a State aid program affect a local educational agency’s eligibility for assistance under section 8003(b)(2)?

The Secretary determines that an LEA is not eligible for financial assistance under section 8003(b)(2) if—

(a) The LEA is in a State that has an equalized program of State aid that meets the requirements of section 8009; and

(b) The State, in determining the LEA’s eligibility for or amount of State aid, takes into consideration the portion of the LEA’s payment under section 8003(b)(2) that exceeds what the LEA would receive under section 8003(b)(1).

(Authority: 20 U.S.C. 7703(b)(2))

§ 222.68 How does the Secretary determine whether a fiscally independent local educational agency meets the applicable tax rate requirement?

(a) To determine whether a fiscally independent LEA, as defined in §222.2(c), meets the applicable tax rate requirement in §§222.63(b)(2), 222.63(c)(2), and 222.64(a)(3), the Secretary compares the LEA’s local real property tax rate for current expenditure purposes, as defined in §222.2(c) (referred to in this part as “tax rate” or “tax rates”), with the tax rates of its generally comparable LEAs.

(b) For purposes of this section, the Secretary uses—

1. The actual tax rate if all the real property in the LEA and its generally comparable LEAs is assessed at the same percentage of true value; or
2. Tax rates computed under §§222.69–222.71.

(c) The Secretary determines that an LEA described in §§222.63(b), 222.63(c), or 222.64(a) meets the applicable tax rate requirement if—

1. The LEA’s tax rate is equal to at least 95 percent (or 125 percent under 222.63(c)) of the average tax rate of its generally comparable LEAs;
2. Each of the LEA’s tax rates for each classification of real property is equal to at least 95 percent (or 125 percent under 222.63(c)) of each of the average tax rates of its generally comparable LEAs for the same classification of property;
3. The LEA taxes all of its real property at the maximum rates allowed by the State, if those maximum rates apply uniformly to all LEAs in the State and the State does not permit any rates higher than the maximum; or
4. The LEA has no taxable real property.

(Authority: 20 U.S.C. 7703(b)(2))

§ 222.69 What tax rates does the Secretary use if real property is assessed at different percentages of true value?

If the real property of an LEA and its generally comparable LEAs consists of one classification of property but the property is assessed at different percentages of true value in the different
§ 222.70 LEAs, the Secretary determines whether the LEA meets the applicable tax rate requirement under § 222.68(c)(1) by using tax rates computed by—

(a) Multiplying the LEA’s actual tax rate for real property by the percentage of true value assigned to that property for tax purposes; and

(b) Performing the computation in paragraph (a) of this section for each of its generally comparable LEAs and determining the average of those computed tax rates.

(Authority: 20 U.S.C. 7703(b)(2))

§ 222.71 What tax rates does the Secretary use if two or more different classifications of real property are taxed at different rates?

If the real property of an LEA and its generally comparable LEAs consists of two or more classifications of real property taxed at different rates, the Secretary determines whether the LEA meets the applicable tax rate requirement under § 222.68(c)(1) or (2) by using one of the following:

(a) Actual tax rates for each of the classifications of real property.

(b) Tax rates computed in accordance with § 222.69 for each of the classifications of real property.

(c) Tax rates computed by—

(1) Determining the total true value of all real property in the LEA by dividing the assessed value of each classification of real property in the LEA by the percentage of true value assigned to that property for tax purposes and aggregating the results;

(2) Determining the LEA’s total revenues derived from local real property taxes for current expenditures (as defined in section 8013);

(3) Dividing the amount determined in paragraph (b)(2) of this section by the amount determined in paragraph (b)(1) of this section; and

(4) Performing the computations in paragraphs (b)(1), (2), and (3) of this section for each of the generally comparable LEAs and then determining the average of those computed tax rates.

(Authority: 20 U.S.C. 7703(b)(2))

§ 222.72 How does the Secretary determine whether a fiscally dependent local educational agency meets the applicable tax rate requirement?

(a) If an LEA is fiscally dependent, as defined in § 222.2(c), the Secretary compares the LEA’s imputed local tax rate, calculated under paragraph (b) of this section, with the average tax rate of its generally comparable LEAs, calculated under paragraph (c) of this section, to determine whether the LEA meets the applicable tax rate requirement.
(b) The Secretary imputes a local tax rate for a fiscally dependent LEA by—

(1) Dividing the assessed value of each classification of real property within the boundaries of the general government by the percentage of true value assigned to that property for tax purposes and aggregating the results;

(2) Determining the amount of locally derived revenues made available by the general government for the LEA’s current expenditures (as defined in section 8013); and

(3) Dividing the amount determined in paragraph (b)(2) of this section by the amount determined in paragraph (b)(1) of this section.

(c) The Secretary performs the computations in paragraph (b) of this section for each of the fiscally dependent generally comparable LEAs and the computations in §§ 222.68 through 222.71, whichever is applicable, for each of the fiscally independent generally comparable LEAs and determines the average of all those tax rates.

(d) The Secretary determines that a fiscally dependent LEA described in § 222.63(b) or § 222.64(a) meets the applicable tax rate requirement if its imputed local tax rate is equal to at least 95 percent of the average tax rate of its generally comparable LEAs.

(e) The Secretary determines that a fiscally dependent LEA described in § 222.63(c) meets the applicable tax rate requirement if its imputed local tax rate is equal to at least 125 percent of the average tax rate of its generally comparable LEAs.

§ 222.73 What information must the State educational agency provide?

The SEA of any State with an LEA applying for assistance under section 8003(b)(2) shall provide the Secretary with relevant information necessary to determine the PPE for all LEAs in the State and whether the LEA meets the applicable tax rate requirement under this subpart.

(Authority: 20 U.S.C. 7703(b)(2))

§ 222.74 How does the Secretary identify generally comparable local educational agencies for purposes of section 8003(b)(2)?

(a) Except as otherwise provided in paragraph (b) of this section, the Secretary identifies generally comparable LEAs for purposes of this subpart in accordance with the local contribution rate procedures described in §§ 222.39 through 222.40.

(b) For applicant LEAs described in § 222.64(a)(2)(ii) and (a)(3)(ii), to identify the one or three generally comparable LEAs, the Secretary uses the following procedures:

(1) The Secretary asks the SEA of the applicant LEA to identify generally comparable LEAs in the State by first following the directions in § 222.39(a)(4), using data from the preceding fiscal year. The SEA then removes from the resulting list any LEAs that are significantly impacted, as described in § 222.39(b)(1), except the applicant LEA.

(2) If the remaining LEAs are not in rank order by total ADA, the SEA lists them in that order.

(3) The LEA may then select as its generally comparable LEAs, for purposes of section 8003(b)(2) only, one or three LEAs from the list that are closest to it in size as determined by total ADA (i.e., the next one larger or the next three smaller, or the next three larger LEAs, the next three smaller, the next two larger and the next one smaller, or the next one larger and the next two smaller).

§ 222.75 How does the Secretary compute the average per pupil expenditure of generally comparable local educational agencies under this subpart?

For applicant LEAs described in § 222.64(a)(2)(ii), the Secretary computes average per pupil expenditures (APPE) by dividing the sum of the total current expenditures for the third preceding fiscal year for the identified generally comparable LEAs by the sum of the total ADA of those LEAs for the same fiscal year.

(Authority: 20 U.S.C. 7703(b)(2))

INDIAN POLICIES AND PROCEDURES

§ 222.94 What provisions must be included in a local educational agency’s Indian policies and procedures?

(a) An LEA’s Indian policies and procedures (IPPs) must include a description of the specific procedures for how the LEA will—

(1) Give the tribal officials and parents of Indian children an opportunity to comment on whether Indian children participate on an equal basis with non-Indian children in the education programs and activities provided by the LEA;

(2) Assess the extent to which Indian children participate on an equal basis with non-Indian children served by the LEA;

(a) The Director of the Impact Aid Program (Director) periodically reviews applicant LEAs' IPPs to ensure that they comply with the provisions of section 8004(a) and § 222.94.

(b) If the Director determines either that the LEA's IPPs do not comply with the minimum standards of section 8004(a), or that the IPPs have not been implemented in accordance with § 222.94, the Director provides the LEA with written notification of the deficiencies related to its IPPs and requires that the LEA take appropriate action.

(c) An LEA shall make the necessary changes within 60 days of receipt of written notification from the Director.

(d) If the LEA fails to make the necessary adjustments or changes within the prescribed period of time, the Director may withhold all payments that the LEA is eligible to receive under section 8003.

(2) Is in writing and signed by the tribal chairman or the tribe's authorized designee.

(b) If the Assistant Secretary determines that a complaint fails to meet the requirements in §§ 222.102–222.103, the Assistant Secretary notifies the tribe or its designee in writing that the complaint has been dismissed for purposes of invoking the hearing procedures in §§ 222.102–222.113.

(c) Any notification that a complaint has been dismissed includes the reasons why the Assistant Secretary determined that the complaint did not meet the requirements in §§ 222.102 and 222.103.

(2) A party may object to evidence it considers to be irrelevant or unduly repetitious.

(1) File one copy for inclusion in the record of the proceeding; and
(2) Provide a copy to each of the other parties to the proceeding.

§ 222.115 When does the Assistant Secretary withhold payments from a local educational agency under this subpart?

Except as provided in §222.120, the Assistant Secretary withholds payments to an LEA if—

(a) The Assistant Secretary determines it is necessary to enforce the requirements of section 8004 of the Act or this subpart; or

(b) After a hearing has been conducted under section 8004(e) of the Act and §§222.102-222.113 (IPP hearing)—

(1) The LEA rejects the final determination of the Assistant Secretary; or

(2) The LEA fails to implement the required remedy within the time established and the Assistant Secretary determines that the required remedy will not be undertaken by the LEA even if the LEA is granted a reasonable extension of time.

(Authority: 20 U.S.C. 7704 (a), (b), (d)(2), (e)(8)–(9))

§ 222.116 How are withholding procedures initiated under this subpart?

(a) If the Assistant Secretary decides to withhold an LEA's funds, the Assistant Secretary issues a written notice of intent to withhold the LEA's payments.

(b) In the written notice, the Assistant Secretary—

(1) Describes how the LEA failed to comply with the requirements at issue; and

(2)(i) Advises an LEA that has participated in an IPP hearing that it may request, in accordance with §222.117(c), that its payments not be withheld; or

(ii) Advises an LEA that has not participated in an IPP hearing that it may request a withholding hearing in accordance with §222.117(d).

(c) The Assistant Secretary sends a copy of the written notice of intent to withhold payments to the LEA and the affected Indian tribe or tribes by certified mail with return receipt requested.

(Authority: 20 U.S.C. 7704 (a), (b), (d)(2), and (e)(8)–(9))

§ 222.117 What procedures are followed after the Assistant Secretary issues a notice of intent to withhold payments?

(a) The withholding of payments authorized by section 8004 of the Act is conducted in accordance with section 8004 (d)(2) or (e)(8)–(9) of the Act and the regulations in this subpart.

(b) An LEA that receives a notice of intent to withhold payments from the Assistant Secretary is not entitled to an Impact Aid hearing under the provisions of section 8011 of the Act and subpart J of this part.

(c) After an IPP hearing. (1) An LEA that rejects or fails to implement the final determination of the Assistant Secretary after an IPP hearing has 10 days from the date of the LEA's receipt of the written notice of intent to withhold funds to provide the Assistant Secretary with a written explanation and documentation in support of the reasons why its payments should not be withheld. The Assistant Secretary provides the affected Indian tribe or tribes with an opportunity to respond to the LEA's submission.

(2) If after reviewing an LEA's written explanation and supporting documentation, and any response from the Indian tribe or tribes, the Assistant Secretary determines to withhold an LEA's payments, the Assistant Secretary notifies the LEA and the affected Indian tribe or tribes of the withholding determination in writing by certified mail with return receipt requested prior to withholding the payments.

(3) In the withholding determination, the Assistant Secretary states the facts supporting the determination that the LEA failed to comply with the legal requirements at issue, and why the provisions of §222.120 (provisions governing circumstances when an LEA is exempt from the withholding of payments) are inapplicable. This determination is the final decision of the Department.

(d) An LEA that has not participated in an IPP hearing. (1) An LEA that has not participated in an IPP hearing has 30 days from the date of its receipt of the Assistant Secretary’s notice of intent to withhold funds to file a written request for a withholding hearing with
the Assistant Secretary. The written request for a withholding hearing must—

(i) Identify the issues of law and facts in dispute; and

(ii) State the LEA’s position, together with the pertinent facts and reasons supporting that position.

(2) If the LEA’s request for a withholding hearing is accepted, the Assistant Secretary sends written notification of acceptance to the LEA and the affected Indian tribe or tribes and forwards to the hearing examiner a copy of the Assistant Secretary’s written notice, the LEA’s request for a withholding hearing, and any other relevant documents.

(3) If the LEA’s request for a withholding hearing is rejected, the Assistant Secretary notifies the LEA in writing that its request for a hearing has been rejected and provides the LEA with the reasons for the rejection.

(4) The Assistant Secretary rejects requests for withholding hearings that are not filed in accordance with the time for filing requirements described in paragraph (d)(1) of this section. An LEA that files a timely request for a withholding hearing, but fails to meet the other filing requirements set forth in paragraph (d)(1) of this section, has 30 days from the date of receipt of the Assistant Secretary’s notification of rejection to submit an acceptable amended request for a withholding hearing.

(e) If an LEA fails to file a written explanation in accordance with paragraph (c) of this section, or a request for a withholding hearing or an amended request for a withholding hearing in accordance with paragraph (d) of this section, the Secretary proceeds to take appropriate administrative action to withhold funds without further notification to the LEA.

(Authority: 20 U.S.C. 7704 (a), (b), (d)(2), and (e) (8)–(9))

§ 222.118 How are withholding hearings conducted in this subpart?

(a) Appointment of hearing examiner. Upon receipt of a request for a withholding hearing that meets the requirements of § 222.117(d), the Assistant Secretary requests the appointment of a hearing examiner.

(b) Time and place of the hearing. Withholding hearings under this subpart are held at the offices of the Department in Washington, DC, at a time fixed by the hearing examiner, unless the hearing examiner selects another place based upon the convenience of the parties.

(c) Proceeding. (1) The parties to the withholding hearing are the Assistant Secretary and the affected LEA. An affected Indian tribe is not a party, but, at the discretion of the hearing examiner, may participate in the hearing and present its views on the issues relevant to the withholding determination.

(2) The parties may introduce all relevant evidence on the issues stated in the LEA’s request for withholding hearing or other issues determined by the hearing examiner during the proceeding. The Assistant Secretary’s notice of intent to withhold, the LEA’s request for a withholding hearing, and all amendments and exhibits to those documents, must be made part of the hearing record.

(3) Technical rules of evidence, including the Federal Rules of Evidence, do not apply to hearings conducted under this subpart, but the hearing examiner may apply rules designed to assure production of the most credible evidence available, including allowing the cross-examination of witnesses.

(4) Each party may examine all documents and other evidence offered or accepted for the record, and may have the opportunity to refute facts and arguments advanced on either side of the issues.

(5) A transcript must be made of the oral evidence unless the parties agree otherwise.

(6) Each party may be represented by counsel.

(7) The hearing examiner is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

(d) Filing requirements. (1) All written submissions must be filed with the hearing examiner by hand-delivery, mail, or facsimile transmission. The Secretary discourages the use of facsimile transmission for documents longer than five pages.
(2) If agreed upon by the parties, a party may serve a document upon the other party by facsimile transmission.

(3) The filing date for a written submission under this subpart is the date the document is—

(i) Hand-delivered;

(ii) Mailed; or

(iii) Sent by facsimile transmission.

(4) A party filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was timely received by the hearing examiner.

(5) Any party filing a document by facsimile transmission must file a follow-up hard copy by hand-delivery or mail within a reasonable period of time.

(e) Procedural rules. (1) If the hearing examiner determines that no dispute exists as to a material fact or that the resolution of any disputes as to material facts would not be materially assisted by oral testimony, the hearing examiner shall afford each party an opportunity to present its case—

(i) In whole or in part in writing; or

(ii) In an informal conference after affording each party sufficient notice of the issues to be considered.

(2) With respect to withholding hearings involving a dispute as to a material fact the resolution of which would be materially assisted by oral testimony, the hearing examiner shall afford to each party—

(i) Sufficient notice of the issues to be considered at the hearing;

(ii) An opportunity to present witnesses on the party’s behalf; and

(iii) An opportunity to cross-examine other witnesses either orally or through written interrogatories.

(f) Decision of the hearing examiner. (1) The hearing examiner—

(i) Makes written findings and an initial withholding decision based upon the hearing record; and

(ii) Forwards to the Secretary, and mails to each party and to the affected Indian tribe or tribes, a copy of the written findings and initial withholding decision.

(2) A hearing examiner’s initial withholding decision constitutes the Secretary’s final withholding decision without any further proceedings unless—

(i) Either party to the withholding hearing, within 30 days of the date of its receipt of the initial withholding decision, requests the Secretary to review the decision and that request is granted; or

(ii) The Secretary otherwise determines, within the time limits stated in paragraph (g)(2)(i) of this section, to review the initial withholding decision.

(3) When an initial withholding decision becomes the Secretary’s final decision without any further proceedings, the Department notifies the parties and the affected Indian tribe or tribes of the finality of the decision.

(g) Administrative appeal of an initial decision. (1) Any party may request the Secretary to review an initial withholding decision.

(ii) A party must file this request for review within 30 days of the party’s receipt of the initial withholding decision.

(2) The Secretary may—

(i) Grant or deny a timely request for review of an initial withholding decision; or

(ii) Otherwise determine to review the decision, so long as that determination is made within 45 days of the date of receipt of the initial decision by the Secretary.

(3) The Secretary mails to each party and the affected Indian tribe or tribes, by certified mail with return receipt requested, written notice of—

(i) The Secretary’s action granting or denying a request for review of an initial decision; or

(ii) The Secretary’s determination to review an initial decision.

(h) Secretary’s review of an initial withholding decision. (1) When the Secretary reviews an initial withholding decision, the Secretary notifies each party and the affected Indian tribe or tribes, by certified mail with return receipt requested, that it may file a written statement or comments; and

(ii) Mails to each party and to the affected Indian tribe or tribes, by certified mail with return receipt requested, written notice of the Secretary’s final withholding decision.

§ 222.119 What is the effect of withholding under this subpart?

(a) The withholding provisions in this subpart apply to all payments that an LEA is otherwise eligible to receive under section 8003 of the Act for any fiscal year.

(b) The Assistant Secretary withholds funds after completion of any administrative proceedings under §§ 222.116–222.118 until the LEA documents either compliance or exemption from compliance with the requirements in section 8004 of the Act and this subpart.

(Authority: 20 U.S.C. 7704 (a), (b), (d)(2), (e)(8))

§ 222.120 When is a local educational agency exempt from withholding of payments?

Except as provided in paragraph (d)(2) of this section, the Assistant Secretary does not withhold payments to an LEA under the following circumstances:

(a) The LEA documents that it has received a written statement from the affected Indian tribe or tribes that the LEA need not comply with section 8004 (a) and (b) of the Act, because the affected Indian tribe or tribes is satisfied with the provision of educational services by the LEA to the children claimed on the LEA’s application for assistance under section 8003 of the Act.

(b) The Assistant Secretary receives from the affected Indian tribe or tribes a written request that meets the requirements of § 222.121 not to withhold payments from an LEA.

(c) The Assistant Secretary, on the basis of documentation provided by the LEA, determines that withholding payments during the course of the school year would substantially disrupt the educational programs of the LEA.

(d)(1) The affected Indian tribe or tribes elects to have educational services provided by the Bureau of Indian Affairs under section 1101(d) of the Education Amendments of 1978.

(2) For an LEA described in paragraph (d)(1) of this section, the Secretary recalculates the section 8003 payment that the LEA is otherwise eligible to receive to reflect the number of students who remain in attendance at the LEA.

(Authority: 20 U.S.C. 7703(a), 7704(c), (d)(2) and (e)(8))

§ 222.121 How does the affected Indian tribe or tribes request that payments to a local educational agency not be withheld?

(a) The affected Indian tribe or tribes may submit to the Assistant Secretary a formal request not to withhold payments from an LEA.

(b) The formal request must be in writing and signed by the tribal chairman or authorized designee.

(Authority: 20 U.S.C. 7704 (d)(2) and (e)(8))

§ 222.122 What procedures are followed if it is determined that the local educational agency’s funds will not be withheld under this subpart?

§§ 222.123–222.129 Reserved

Subpart H [Reserved]

Subpart I—Facilities Assistance and Transfers Under Section 8008 of the Act

§ 222.140 What definitions apply to this subpart?

In addition to the terms referenced or defined in § 222.2, the following definitions apply to this subpart:

Minimum school facilities means those school facilities for which the Secretary may provide assistance under this part as follows:

(1) The Secretary, after consultation with the State educational agency and the local educational agency (LEA), considers these facilities necessary to support an educational program—

(1) The membership of students residing on Federal property to be served at normal capacity; and

(2) The determination that the LEA is otherwise eligible to receive to reflect the number of students who remain in attendance at the LEA.
§ 222.141 For what types of projects may the Secretary provide assistance under section 8008 of the Act?

The types of projects for which the Secretary may provide assistance under section 8008 of the Act during any given year include, but are not restricted to, one or more of the following:

(a)(1) Emergency repairs to existing facilities for which the Secretary is responsible under section 8008.

(2) As used in this section, the term emergency repairs means those repairs necessary—

(i) For the health and safety of persons using the facilities;

(ii) For the removal of architectural barriers to the disabled; or

(iii) For the prevention of further deterioration of the facilities.

(b) Renovation of facilities for which the Secretary is responsible under section 8008 to meet the standards of minimum school facilities in exchange for an LEA or another appropriate entity accepting transfer of the Secretary’s interest in them under §222.143.

(c) Provision of temporary facilities on Federal property pending emergency repairs.

(d) Construction of replacement minimum school facilities when more cost-effective than renovation and when the replacement facilities are to be transferred to local ownership under §222.143.

(Authority: 20 U.S.C. 7708)
§ 222.151 When is an administrative hearing provided to a local educational agency?

(a) Any local educational agency (LEA) that is adversely affected by the Secretary’s (or the Secretary’s delegatee’s) action or failure to act upon the LEA’s application under the Act is entitled to an administrative hearing in accordance with this subpart.

(b) An applicant is entitled to an administrative hearing under this subpart only if—

(1) The applicant files a written request for an administrative hearing within 60 days of its receipt of written notice of the adverse action; and

(2) The issues of fact or law specified in the hearing request are material to the determination of the applicant’s rights and are not committed wholly to the discretion of the Secretary.

(Authority: 20 U.S.C. 7711(a))

§ 222.152 When may a local educational agency request reconsideration of a determination?

(a)(1) An LEA may request reconsideration of any determination made by the Secretary (or the Secretary’s delegatee) under the Act, either in addition to or instead of requesting an administrative hearing under § 222.151.

(2) A request for reconsideration, or actual reconsideration by the Secretary (or the Secretary’s delegatee), does not extend the time within which an applicant must file a request for an administrative hearing under § 222.151, unless the Secretary (or the Secretary’s delegatee) extends that time limit in writing.

(b) The Secretary’s (or the Secretary’s delegatee’s) consideration of a request for reconsideration is not prejudiced by a pending request for an administrative hearing on the same matter, or the fact that a matter has been scheduled for a hearing. The Secretary (or the Secretary’s delegatee) may, but is not required to, postpone the administrative hearing due to a request for reconsideration.

(c) The Secretary (or the Secretary’s delegatee) may reconsider any determination under the Act concerning a particular party unless the determination has been the subject of an administrative hearing under this part with respect to that party.

(Authority: 20 U.S.C. 7711(a))

§ 222.153 How must a local educational agency request an administrative hearing?

An applicant requesting a hearing in accordance with this subpart must—

(2) If it hand-delivers the hearing request, deliver it to the Director, Impact Aid Program, Room 3E105, U.S. Department of Education, 400 Maryland Avenue SW., Washington, DC 20202-6244; or

(3) If it emails the hearing request, send it to Impact.Aid@ed.gov.

Note to paragraph (a): The Secretary encourages applicants requesting an Impact Aid hearing to mail or email their requests. Because of enhanced security procedures, building access for non-official staff may be limited. Applicants should be prepared to mail their hearing requests if they or their courier are unable to obtain access to the building.

(b) Clearly specify in its written hearing request the issues of fact and law to be considered; and

(c) Furnish a copy of its hearing request to its State educational agency (SEA) (unless the applicant is an SEA).

§ 222.154 How must written submissions under this subpart be filed?

(a) All written submissions under this subpart must be filed by hand-delivery, mail, or facsimile transmission. The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(b) If agreed upon by the parties, a party may serve a document upon the other party or parties by facsimile transmission.

(c) The filing date for a written submission under this subpart is the date the document is—

(1) Hand-delivered;

(3) Sent by facsimile transmission.

(d) A party other than the Department filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Department, including by the administrative law judge (ALJ).

§ 222.155 When and where is an administrative hearing held?

Administrative hearings under this subpart are held at the offices of the Department in Washington, DC, at a time fixed by the ALJ, unless the ALJ selects another place based upon the convenience of the parties.

(Authority: 20 U.S.C. 7711(a))

§ 222.156 How is an administrative hearing conducted?

Administrative hearings under this subpart are conducted as follows:

(a) The administrative hearing is conducted by an ALJ appointed under 5 U.S.C. 3105, who issues rules of procedure that are proper and not inconsistent with this subpart.

(b) The parties may introduce all relevant evidence on the issues stated in the applicant’s request for hearing or on other issues determined by the ALJ during the proceeding. The application in question and all amendments and exhibits must be made part of the hearing record.

(c) Technical rules of evidence, including the Federal Rules of Evidence, do not apply to hearings conducted under this subpart, but the ALJ may apply rules designed to assure production of the most credible evidence available, including allowing the cross-examination of witnesses.

(d) Each party may examine all documents and other evidence offered or accepted for the record, and may have the opportunity to refute facts and arguments advanced on either side of the issues.

(e) A transcript must be made of the oral evidence unless the parties agree otherwise.

(f) Each party may be represented by counsel.

(g) The ALJ is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

§ 222.157 What procedures apply for issuing or appealing an administrative law judge's decision?

(a) Decision. (1) The ALJ—

(i) Makes written findings and an initial decision based upon the hearing record; and

(ii) Forwards to the Secretary, and mails to each party, a copy of the written findings and initial decision.

(2) An ALJ’s initial decision constitutes the Secretary’s final decision without any further proceedings unless—

(i) A party, within the time limits stated in paragraph (b)(1)(ii) of this section, requests the Secretary to review the decision and that request is granted; or

(ii) The Secretary otherwise determines, within the time limits stated in paragraph (b)(2)(ii) of this section, to review the initial decision.

(3) When an initial decision becomes the Secretary’s final decision without any further proceedings, the Department’s Office of Hearings and Appeals...
§ 222.161 How is State aid treated under section 8009 of the Act?

(a) General rules. (1) A State may take into consideration payments under sections 8002 and 8003(b) of the Act (including hold harmless payments calculated under section 8003(e)) in allocating State aid if that State has a State aid program that qualifies under § 222.162, except as follows:

(i) Those payments may be taken into consideration for each affected local educational agency (LEA) only in the proportion described in § 222.163.

(ii) A State may not take into consideration—

(A) That portion of an LEA’s payment that is generated by the portion of a weight in excess of one under section 8003(a)(2)(B) of the Act (children residing on Indian lands); (B) Payments under section 8003(d) of the Act (children with disabilities); or

(C) The amount that an LEA receives under section 8003(b)(2) that exceeds the amount the LEA would receive if eligible under section 8003(b)(1) and not section 8003(b)(2) (heavily impacted LEAs).

(b) Purpose. The sole purpose of the regulations in this subpart is to implement the provisions of section 8009. The definitions and standards contained in this subpart apply only with respect to section 8009 and do not establish definitions and standards for any other purpose.

(Authority: 20 U.S.C. 7709)

[60 FR 50778, Sept. 29, 1995, as amended at 80 FR 33170, June 11, 2015]
§ 222.161 34 CFR Ch. II (7–1–16 Edition)

public education among LEAs within the State or otherwise violates law, and if the court’s order provides that the program is no longer in effect.

(3) No State, whether or not it has an equalization program that qualifies under § 222.162, may, in allocating State aid, take into consideration an LEA’s eligibility for payments under the Act if that LEA does not apply for and receive those payments.

(4) Any State that takes into consideration payments under the Act in accordance with the provisions of section 8009 in allocating State aid to LEAs must reimburse any LEA for any amounts taken into consideration for any fiscal year to the extent that the LEA did not in fact receive payments in those amounts during that fiscal year.

(5) A State may not take into consideration payments under the Act before its State aid program has been certified by the Secretary.

(b) Data for determinations. (1) Except as provided in paragraph (b)(2) of this section, determinations under this subpart requiring the submission of financial or school population data must be made on the basis of final data for the second fiscal year preceding the fiscal year for which the determination is made if substantially the same program was then in effect.

(2)(i) If the Secretary determines that the State has substantially revised its State aid program, the Secretary may certify that program for any fiscal year only if—

(A) The Secretary determines, on the basis of projected data, that the State’s program will meet the disparity standard described in § 222.162 for the fiscal year for which the determination is made; and

(B) The State provides an assurance to the Secretary that, if final data do not demonstrate that the State’s program met that standard for the fiscal year for which the determination is made, the State will pay to each affected LEA the amount by which the State reduced State aid to the LEA.

(ii) Data projections submitted by a State must set forth the assumptions upon which the data projections are founded, be accompanied by an assurance as to their accuracy, and be adjusted by actual data for the fiscal year of determination that must be submitted to the Secretary as soon as these data are available.

(c) Definitions. The following definitions apply to this subpart:

Current expenditures means the total charges incurred for the benefit of the school year in an elementary (including pre-kindergarten) or secondary school program. “Current expenditures” does not include—

(1) Expenditures for capital outlay;

(2) Expenditures for debt service for capital outlay;

(3) Expenditures from State sources for special cost differentials of the type specified in § 222.162(c)(2);

(4) Expenditures of revenues from local or intermediate sources that are designated for special cost differentials of the type specified in § 222.162(c)(2); or

(5) Expenditures of funds received by the agency under sections 8002 and 8003(b) (including hold harmless payments calculated under section 8003(e)) that are not taken into consideration under the State aid program and exceed the proportion of those funds that the State would be allowed to take into consideration under § 222.163.

Equalize expenditures means to meet the standard set forth in § 222.162.

Local tax revenues means compulsory charges levied by an LEA or by an intermediate school district or other local governmental entity on behalf of an LEA for current expenditures for educational services. “Local tax revenues” include the proceeds of ad valorem taxes, sales and use taxes, income taxes and other taxes. Where a State funding formula requires a local contribution equivalent to a specified mill tax levy on taxable real or personal property or both, “local tax revenues” include any revenues recognized by the State as satisfying that local contribution requirement.

Local tax revenues covered under a State equalization program means “local tax revenues” as defined in paragraph (c) of this section contributed to or taken into consideration in a State aid program subject to a determination under this subpart, but excluding all revenues from State and Federal sources.
Revenue means an addition to assets that does not increase any liability, does not represent the recovery of an expenditure, does not represent the cancellation of certain liabilities without a corresponding increase in other liabilities or a decrease in assets, and does not represent a contribution of fund capital in food service or pupil activity funds. Furthermore, the term "revenue" includes only revenue for current expenditures.

State aid means any contribution, no repayment for which is expected, made by a State to or on behalf of LEAs within the State for current expenditures for the provision of free public education.

Total local tax revenues means all "local tax revenues" as defined in paragraph (c) of this section, including tax revenues for education programs for children needing special services, vocational education, transportation, and the like during the period in question but excluding all revenues from State and Federal sources.

§ 222.162 What disparity standard must a State meet in order to be certified and how are disparities in current expenditures or revenues per pupil measured?

(a) Percentage disparity limitation. The Secretary considers that a State aid program equalizes expenditures if the disparity in the amount of current expenditures or revenues per pupil for free public education among LEAs in the State is no more than 25 percent. In determining the disparity percentage, the Secretary disregards LEAs with per pupil expenditures or revenues above the 95th or below the 5th percentile of those expenditures or revenues in the State. The method for calculating the percentage of disparity in a State is in the appendix to this subpart.

(b)(1) Weighted average disparity for different grade levels. If a State requests it, the Secretary will make separate disparity computations for different groups of LEAs in the State that have similar grade levels of instruction.

(2) In those cases, the weighted average disparity for all groups, based on the proportionate number of pupils in each group, may not be more than the percentage provided in paragraph (a) of this section. The method for calculating the weighted average disparity percentage is set out in the appendix to this subpart.

(c) Per pupil figure computations. In calculating the current expenditures or revenue disparities under this section, computations of per pupil figures are made on one of the following bases:

(1) The per pupil amount of current expenditures or revenue for an LEA is computed on the basis of the total number of pupils receiving free public education in the schools of the agency. The total number of pupils is determined in accordance with whatever standard measurement of pupil count is used in the State.

(2) If a State aid program uses "weighted pupil," "classroom," "instructional unit," or another designated measure of need in determining allocations of State aid to take account of special cost differentials, the computation of per pupil revenue or current expenditures may be made on those bases. The two allowable categories of special cost differentials are:

(i) Those associated with pupils having special educational needs, such as children with disabilities, economically disadvantaged children, non-English speaking children, and gifted and talented children; and

(ii) Those associated with particular types of LEAs such as those affected by geographical isolation, sparsity or density of population, high cost of living, or special socioeconomic characteristics within the area served by an LEA.

(d) Revenues and current expenditures included in determinations. All revenues or current expenditures must be included for each LEA in the State in determining the percentage of disparity under paragraph (a) of this section.

(Authority: 20 U.S.C. 7709)
§ 222.163 What proportion of Impact Aid funds may a State take into consideration upon certification?

(a) Provision of law. Section 8009(d)(1)(B) provides that, upon certification by the Secretary, in allocating State aid a State may consider as local resources funds received under sections 8002 and 8008(b) (including hold harmless payments calculated under section 8003(e)) only in proportion to the share that local tax revenues covered under a State equalization program are of total local tax revenues. Determinations of proportionality must be made on a case-by-case basis for each LEA affected and not on the basis of a general rule to be applied throughout a State.

(Authority: 20 U.S.C. 7709)

(b) Computation of proportion. (1) In computing the share that local tax revenues covered under a State equalization program are of total local tax revenues for an LEA with respect to a program qualifying under §222.162, the proportion is obtained by dividing the amount of local tax revenues covered under the equalization program by the total local tax revenues attributable to current expenditures for free public education within that LEA.

(2) In cases where there are no local tax revenues for current expenditures and the State provides all of those revenues on behalf of the LEA, the State may consider up to 100 percent of the funds received under the Act by that LEA in allocating State aid.

(Authority: 20 U.S.C. 7709(d)(1)(B))

(c) Application of proportion to Impact Aid payments. Except as provided in §222.161(a)(1)(ii) and (iii), the proportion established under this section (or a lesser proportion) for any LEA receiving payments under sections 8002 and 8003(b) (including hold harmless payments calculated under section 8003(e)) may be applied by a State to actual receipts of those payments.

(Authority: 20 U.S.C. 7709(d)(1)(B))

§ 222.164 What procedures does the Secretary follow in making a determination under section 8009?

(a) Initiation. (1) A proceeding under this subpart leading to a determination by the Secretary under section 8009 may be initiated—

(i) By the State educational agency (SEA) or other appropriate agency of the State;

(ii) By an LEA; or

(iii) By the Secretary, if the Secretary has reason to believe that the State’s action is in violation of section 8009.

(2) Whenever a proceeding under this subpart is initiated, the party initiating the proceeding shall give adequate notice to the State and all LEAs in the State and provide them with a complete copy of the submission initiating the proceeding. In addition, the party initiating the proceeding shall notify the State and all LEAs in the State of their right to request from the Secretary, within 30 days of the initiation of a proceeding, the opportunity to present their views to the Secretary before the Secretary makes a determination.

(b) Submission. (1) A submission by a State or LEA under this section must be made in the manner requested by the Secretary and must contain the information and assurances as may be required by the Secretary in order to reach a determination under section 8009 and this subpart.

(2)(i) A State in a submission shall—

(A) Demonstrate how its State aid program comports with §222.162; and

(B) Demonstrate for each LEA receiving funds under the Act that the proportion of those funds that will be taken into consideration comports with §222.163.

(ii) The submission must be received by the Secretary no later than 120 calendar days before the beginning of the State’s fiscal year for the year of the determination, and must include (except as provided in §222.161(c)(2)) final second preceding fiscal year disparity data enabling the Secretary to determine whether the standard in §222.162 has been met. The submission is considered timely if received by the Secretary on or before the filing deadline or if it bears a U.S. Postal Service
postmark dated on or before the filing deadline.

(3) An LEA in a submission must demonstrate whether the State aid program comports with section 8009.

(4) Whenever a proceeding is initiated under this subpart, the Secretary may request from a State the data deemed necessary to make a determination. A failure on the part of a State to comply with that request within a reasonable period of time results in a summary determination by the Secretary that the State aid program of that State does not comport with the regulations in this subpart.

(5) Before making a determination under section 8009, the Secretary affords the State, and all LEAs in the State, an opportunity to present their views as follows:

(i) Upon receipt of a timely request for a predetermination hearing, the Secretary notifies all LEAs and the State of the time and place of the predetermination hearing.

(ii) Predetermination hearings are informal and any LEA and the State may participate whether or not they requested the predetermination hearing.

(iii) At the conclusion of the predetermination hearing, the Secretary holds the record open for 15 days for the submission of post-hearing comments. The Secretary may extend the period for post-hearing comments for good cause for up to an additional 15 days.

(iv) Instead of a predetermination hearing, if the party or parties requesting the predetermination hearing agree, they may present their views to the Secretary exclusively in writing. In such a case, the Secretary notifies all LEAs and the State that this alternative procedure is being followed and that they have up to 30 days from the date of the notice in which to submit their views in writing. Any LEA or the State may submit its views in writing within the specified time, regardless of whether it requested the opportunity to present its views.

(c) Determinations. The Secretary reviews the participants’ submissions and any views presented at a predetermination hearing under paragraph (b)(5) of this section, including views submitted during the post-hearing comment period. Based upon this review, the Secretary issues a written determination setting forth the reasons for the determination in sufficient detail to enable the State or LEAs to respond. The Secretary affords reasonable notice of a determination under this subpart and the opportunity for a hearing to the State or any LEA adversely affected by the determination.

NOTE TO PARAGRAPH (b)(2) OF THIS SECTION:
The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, an applicant should check with its local post office.

(a) Request for hearing. (1) A State or LEA that is adversely affected by a determination under section 8009 and this subpart and that desires a hearing regarding that determination must submit a written request for a hearing within 60 days of receipt of the determination. The time within which a request must be filed may not be extended unless the Secretary, or the Secretary’s delegatee, extends the time in writing at the time notice of the determination is given.

(2) A request for a hearing in accordance with this section must specify the issues of fact and law to be considered.

(3) If an LEA requests a hearing, it must furnish a copy of the request to the State. If a State requests a hearing, it must furnish a copy of the request to all LEAs in the State.

(b) Right to intervene. Any LEA or State that is adversely affected by a determination shall have the right of intervention in the hearing.

(2) If agreed upon by the parties, service of a document may be made upon the other party by facsimile transmission.

(3) The filing date for a written submission under this section is the date the document is—

(5) Any party filing a document by facsimile transmission must file a follow-up hard copy by hand-delivery or mail within a reasonable period of time.

(g) **Procedural rules.** (1) If, in the opinion of the ALJ, no dispute exists as to a material fact the resolution of which would be materially assisted by oral testimony, the ALJ shall afford each party to the proceeding an opportunity to present its case—

(i) In whole or in part in writing; or

(ii) In an informal conference after affording each party sufficient notice of the issues to be considered.

(2) With respect to hearings involving a dispute as to a material fact the resolution of which would be materially assisted by oral testimony, the ALJ shall afford the following procedures to each party:

(i) **Corrective action.** (1) Within 30 days after a determination by the Secretary that a State has been in violation of section 8009 unless the determination is timely appealed by the State, the State shall provide satisfactory written assurances that it will undertake appropriate corrective action if necessary.

(2) A State found by the Secretary to have been in violation of section 8009 following a hearing shall provide, within 30 days after disposal of the hearing request (such as by a final decision issued under this subpart or withdrawal of the hearing request), satisfactory assurances that it is taking corrective action, if necessary.

(3) At any time during a hearing under this subpart, a State may provide the Secretary appropriate assurances that it will undertake corrective action if necessary. The Secretary or the ALJ, as applicable, may stay the proceedings pending completion of corrective action.

APPENDIX TO SUBPART K OF PART 222—
DETERMINATIONS UNDER SECTION 8009 OF THE ACT—METHODS OF CALCULATIONS FOR TREATMENT OF IMPACT AID PAYMENTS UNDER STATE EQUALIZATION PROGRAMS

The following paragraphs describe the methods for making certain calculations in conjunction with determinations made under the regulations in this subpart. Except as
otherwise provided in the regulations, these methods are the only methods that may be used in making these calculations.

1. Determinations of disparity standard compliance under §222.162(b)(1).

   (a) The determinations of disparity in current expenditures or revenue per pupil are made by:

   (i) Ranking all LEAs having similar grade levels within the State on the basis of current expenditures or revenue per pupil for the second preceding fiscal year before the year of determination;

   (ii) Identifying those LEAs in each ranking that fall at the 95th and 5th percentiles of the total number of pupils in attendance in the schools of those LEAs; and

   (iii) Subtracting the lower current expenditure or revenue per pupil figure from the higher for those agencies identified in paragraph (ii) and dividing the difference by the lower figure.

Example: In State X, after ranking all LEAs organized on a grade 9–12 basis in order of the expenditures per pupil for the fiscal year in question, it is ascertained by counting the number of pupils in attendance in those agencies in ascending order of expenditure that the 95th percentile of student population is reached at LEA A with a per pupil expenditure of $820, and that the 95th percentile of student population is reached at LEA B with a per pupil expenditure of $1,000. The percentage disparity between the 95th and 5th percentile LEAs is 22 percent ($1,000–$820 = $180/$820). The program would meet the disparity standard for fiscal years before fiscal year 1998 but would not for subsequent years.

(b) In cases under §222.162(b), where separate computations are made for different groups of LEAs, the disparity percentage for each group is obtained in the manner described in paragraph (a) above. Then the weighted average disparity percentage for the State as a whole is determined by—

   (i) Multiplying the disparity percentage for each group by the total number of pupils receiving free public education in the schools in that group;

   (ii) Summing the figures obtained in paragraph (b)(i); and

   (iii) Dividing the sum obtained in paragraph (b)(ii) by the total number of pupils for each group by the total number of pupils receiving free public education in the schools of those LEAs, and in that group;

   in the State as a whole is determined by—

   (i) Multiplying the disparity percentage for the second preceding fiscal year before the year of determination by the total number of pupils receiving free public education in the schools of those LEAs; and

   (ii) Summing the figures obtained in paragraph (i) and dividing the difference by the lower figure.

Example: In State X, after ranking all LEAs organized on a grade 9–12 basis in order of the expenditures per pupil for the fiscal year in question, it is ascertained by counting the number of pupils in attendance in those agencies in ascending order of expenditure that the 95th percentile of student population is reached at LEA A with a per pupil expenditure of $820, and that the 95th percentile of student population is reached at LEA B with a per pupil expenditure of $1,000. The percentage disparity between the 95th and 5th percentile LEAs is 22 percent ($1,000–$820 = $180/$820). The program would meet the disparity standard for fiscal years before fiscal year 1998 but would not for subsequent years.

2. Determinations under §222.163(b) as to maximum proportion of payments under the Act that may be taken into consideration by a State under an equalization program. The proportion that local tax revenues covered under a State equalization program are of total local tax revenues for a particular LEA shall be obtained by dividing: (a) The amount of local tax revenues covered under the equalization program by (b) the total local tax revenues attributable to current expenditures within the LEA. Local revenues that can be excluded from the proportion computation are those received from local non-tax sources such as interest, bake sales, gifts, donations, and in-kind contributions.

Examples

Example 1. State A has an equalization program under which each LEA is guaranteed $900 per pupil less the LEA contribution based on a uniform tax levy. The LEA contribution from the uniform tax levy is considered under the equalization program. LEA X contributes the proceeds of the uniform tax levy, $700 per pupil, and the State contributes the $200 difference. No other local tax revenues are applied to current expenditures for education by LEA X. The percentage of funds under the Act that may be taken into consideration by State A for LEA X is 100 percent ($700/$700). LEA X is regarded as contributing $87.50 per pupil toward the equalization program. The permissible levy is not included in local tax revenues covered under the equalization program. LEA X is regarded as contributing $787.50 per pupil toward the equalization program.

Example 2. The initial facts are the same as in Example 1, except that LEA X, under a permissible additional levy outside the equalization program, raises an additional $100 per pupil not covered under the equalization program. The permissible levy is not included in local tax revenues covered under the equalization program but is included in total local tax revenues. The percentage of payments under the Act that may be taken into consideration is 87.5 percent ($700/$800). If LEA X receives $100 per pupil in payments under the Act, $100 per pupil may be taken into consideration by State A for LEA X in determining LEA X’s relative financial resources and needs under the program. LEA X is regarded as contributing $800 and State A would now contribute the $100 difference.

Example 3. State B has an equalization program under which each LEA is guaranteed $900 per pupil for contributing the equivalent of a two mill tax levy. LEA X contributes $700 per pupil from a two mill tax levy and
an additional $500 per pupil from local interest, bake sales, in-kind contributions, and other non-tax local sources. The percentage of funds under the Act that may be taken into consideration by State A for LEA X is 100 percent ($700/$700). The local revenue received from interest, bake sales, in-kind contributions and other non-tax local revenues are excluded from the computation since they are from non-tax sources. If LEA X receives $100 per pupil in payments under the Act, $100 per pupil may be taken into consideration by State A in determining LEA X's relative financial resources and needs under the program. LEA X is regarded as contributing $800 and State A would now contribute the $100 difference.

Example 4. State C has an equalization program in which each participating LEA is guaranteed a certain per pupil revenue at various levels of tax rates. For an eight mill rate the guarantee is $500, for nine mills $550, for 10 mills $600. LEA X levies a 10 mill rate and realizes $300 per pupil. Furthermore, it levies an additional 10 mills under a local leeway option realizing another $300 per pupil. The $300 proceeds of the local leeway option are not included in local tax revenues covered under the equalization program, but they are included in total local tax revenues. The percentage of payments under the Act that may be taken into consideration is 50 percent ($300/$600). If LEA X receives $100 per pupil in payments under the Act, $50 per pupil may be taken into consideration. LEA X may be regarded as contributing $350 per pupil under the program and State B would now contribute $250 as the difference.

Example 5. The initial facts are the same as in Example 4, except that LEA Y in State C, while taxing at the same 10 mill rate for both the equalization program and leeway allowance as LEA X, realizes $550 per pupil for each tax. As with LEA X, the percentage of payments under the Act that may be taken into consideration for LEA Y is 50 percent (550/1100). If LEA Y receives $150 per pupil in payments under the Act, then up to $75 per pupil normally could be taken into consideration. However, since LEA Y would have received only $50 per pupil in State aid, only $50 of the allowable $75 could be taken into consideration. Thus, LEA Z may be regarded as contributing $550 per pupil under the program and State B would not contribute any State aid.

Subpart L—Impact Aid Discretionary Construction Grant Program Under Section 8007(b) of the Act

Source: 69 FR 12235, Mar. 15, 2004, unless otherwise noted.
(iii) Enroll a high proportion (at least 40 percent) of federally connected children in ADA who reside on Indian lands or who have a parent on active duty in the U.S. uniformed services;

(iv) Have a school that enrolls a high proportion of one of these types of students; or

(v) Meet the specific numeric requirements regarding bonding capacity.

(2) The Secretary must also consider such factors as an LEA’s total assessed value of real property that may be taxed for school purposes, its availability and use of bonding capacity, and the nature and severity of its need for modernization funds.

(Authority: 20 U.S.C. 7707(b))

§ 222.173 What activities will not receive funding under a Discretionary Construction grant?

The Secretary does not fund the following activities under a Discretionary Construction grant:

(a) Improvements to facilities for which the LEA does not have full title or other interest, such as a lease-hold interest.

(b) Improvements to or repairs of school grounds, such as environmental remediation, traffic remediation, and landscaping, that do not directly involve instructional facilities.

(c) Repair, renovation, alteration, or construction for stadiums or other facilities that are primarily used for athletic contests, exhibitions, and other events for which admission is charged to the general public.

(d) Improvements to or repairs of teacher housing.

(e) Except in the limited circumstances as provided in § 222.172(c), when new construction is permissible, acquisition of any interest in real property.

(f) Maintenance costs associated with any of an LEA’s school facilities.

(Authority: 20 U.S.C. 7707(b))

§ 222.174 What prohibitions apply to these funds?

Grant funds under this program may not be used to supplant or replace other available non-Federal construction money. These grant funds may be used for emergency or modernization activities only to the extent that they supplement the amount of construction.
§ 222.175 What regulations apply to recipients of funds under this program?

The following regulations apply to the Impact Aid Discretionary Construction program:

(b) The OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485, and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended in 2 CFR part 3474.

(c) The regulations in 34 CFR part 222.

(Authority: 20 U.S.C. 1221e–3)

§ 222.176 What definitions apply to this program?

(a) In addition to the terms referenced in 34 CFR 222.2, the following definitions apply to this program:

Bond limit means the cap or limit that a State may impose on an LEA’s capacity for bonded indebtedness. For applicants in States that place no limit on an LEA’s capacity for bonded indebtedness, the Secretary shall consider the LEA’s bond limit to be 10 percent of its total assessed valuation.

Construction means
   (1) Preparing drawings and specifications for school facilities;
   (2) Repairing, renovating, or altering school facilities;
   (3) Extending school facilities as described in § 222.172(b);
   (4) Erecting or building school facilities, as described in § 222.172(c); and
   (5) Inspections or supervision related to school facilities projects.

Emergency means a school facility condition that is so injurious or hazardous that it either poses an immediate threat to the health and safety of the facility’s students and staff or can be reasonably expected to pose such a threat in the near future. These conditions can include deficiencies in the following building features: a roof; electrical wiring; a plumbing or sewage system; heating, ventilation, or air conditioning; the need to bring a school facility into compliance with fire and safety codes, or providing accessibility for the disabled as part of a larger project.

Level of bonded indebtedness means the amount of long-term debt issued by an LEA divided by the LEA’s bonding capacity.

Minimal capacity to issue bonds means that the total assessed value of real property in an LEA that may be taxed for school purposes is at least $25,000,000 but not more than $50,000,000.
Modernization means the repair, renovation, alteration, or extension of a public elementary or secondary school facility in order to support a contemporary educational program for an LEA’s students in normal capacity, and in accordance with the laws, standards, or common practices in the LEA’s State.

No practical capacity to issue bonds means that the total assessed value of real property in an LEA that may be taxed for school purposes is less than $25,000,000.

School facility means a building used to provide free public education, including instructional, resource, food service, and general or administrative support areas, so long as they are a part of the facility.

Total assessed value per student means the assessed valuation of real property per pupil (AVPP), unless otherwise defined by an LEA’s State.

§ 222.186 What additional information must be included in a modernization grant application?

In addition to the information specified in §222.184, an application for a modernization grant must contain a description of—
(a) The need for modernization; and

(Approved by the Office of Management and Budget under control number 1810–0657)
(Authority: 20 U.S.C. 7707(b))

§ 222.189 What funding priority does the Secretary give to applications?

(a) Except as provided in paragraph (b) of this section, the Secretary gives funding priority to applications in the following order:
(1) First priority is given to applications described under §222.177 and, among those applicants for emergency grants, priority is given to applications based on a rank order of the application quality factors referenced in §222.190, including the severity of the emergency.
(2) After all eligible first-priority applications are funded, second priority is given to applications described under §§222.178 and 222.179 and, among those applicants for emergency grants, priority is given to applications based on a rank order of the application quality factors referenced in §222.190, including the severity of the emergency.
(3) Third priority is given to applications described under §222.180 and, among those applicants for modernization grants, priority is given to applications based on a rank order of the application quality factors referenced in §222.190, including the severity of the need for modernization.
(4) Fourth priority is given to applications described under §§222.181 and 222.182 and, among those applicants for modernization grants, priority is given to applications based on a rank order of the application quality factors referenced in §222.190, including the severity of the need for modernization.

(b)(1) The Secretary makes awards in each priority described above until the Secretary is unable to make an approvable award in that priority.
(2) If the Secretary is unable to fund a full project or a viable portion of a project, the Secretary may continue to fund down the list of high-ranking applicants within a priority.
(3) The Secretary applies any remaining funds to awards in the next priority.
(4) If an applicant does not receive an emergency or modernization grant in a fiscal year, the Secretary will, subject to the availability of funds and to the priority and award criteria, consider that application in the following year along with the next fiscal year's pool of applications.
Example: The first five applicants in priority one have been funded. Three hundred thousand dollars remain available. Three unfunded applications remain in that priority. Application #6 requires a minimum of $500,000, application #7 requires $400,000, and application #8 requires $300,000 for a new roof and $150,000 for related wall and ceiling repairs. Applicant #8 agrees to accept the remaining $300,000 since the roof upgrade can be separated into a viable portion of applicant #8’s total project. Applications #6 and #7 will be retained for consideration in the next fiscal year and will compete again with that fiscal year’s pool of applicants. Applicant #8 will have to submit a new application in the next fiscal year if it wishes to be considered for the unfunded portion of the current year’s application.

(Authority: 20 U.S.C. 7707(b))

§ 222.190 How does the Secretary rank and select applicants?

(a) To the extent that they are consistent with these regulations and section 8007(b) of the Act, the Secretary will follow grant selection procedures that are specified in 34 CFR 75.215 through 75.222. In general these procedures are based on the authorizing statute, the selection criteria, and any priorities or other applicable requirements that have been published in the Federal Register.

(b) In the event of ties in numeric ranking, the Secretary may consider as tie-breaking factors: the severity of the emergency or the need for modernization; for applicants under section 8003 of the Act, the numbers of federally connected children who will benefit from the project; or for applicants under section 8002 of the Act, the numbers of children who will benefit from the project; the AVPP compared to the LEA’s State average; and available resources or non-Federal funds available for the grant project.

(Authority: 20 U.S.C. 7707(b))

§ 222.191 What is the maximum award amount?

(a) Subject to any applicable contribution requirements as described in §§222.192 and 222.193, the procedures in 34 CFR 75.231 through 75.236, and the provisions in paragraph (b) of this section, the Secretary may fund up to 100 percent of the allowable costs in an approved grantee’s proposed project.

(b) An award amount may not exceed the difference between—

(1) The cost of the proposed project; and

(2) The amount the grantee has available or will have available for this purpose from other sources, including local, State, and other Federal funds.

(Authority: 20 U.S.C. 7707(b))

§ 222.192 What local funds may be considered as available for this project?

To determine the amount of local funds that an LEA has available under §222.191(b)(2) for a project under this program, the Secretary will consider as available all LEA funds that may be used for capital expenditures except $100,000 or 10 percent of the average annual capital expenditures of the applicant for the three previous fiscal years, whichever is greater. The Secretary will not consider capital funds that an LEA can demonstrate have been committed through signed contracts or other written binding agreements but have not yet been expended.

(Authority: 20 U.S.C. 7707(b))

§ 222.193 What other limitations on grant amounts apply?

(a) Except as provided in paragraph (b) of this section and §222.191, the amount of funds provided under an emergency grant or a modernization grant awarded to an eligible LEA is subject to the following limitations:

(1) The award amount may not be more than 50 percent of the total cost of an approved project.

(2) The total amount of grant funds may not exceed four million dollars during any four-year period.

Example: An LEA that is awarded four million dollars in the first year may not receive any additional funds for the following three years.

(b) Emergency or modernization grants to LEAs with no practical capacity to issue bonds as defined in §222.176 are not subject to the award limitations described in paragraph (a) of this section.

(Authority: 20 U.S.C. 7707(b))
§ 222.194 Are “in-kind” contributions permissible?

(a) LEAs that are subject to the applicable matching requirement described in §222.193(a) may use allowable third party in-kind contributions as defined below to meet the requirements.

(b) Third party in-kind contributions mean property or services that benefit this grant program and are contributed by non-Federal third parties without charge to the grantee or by a cost-type contractor under the grant agreement.

§ 225.11 What selection criteria does the Secretary use in evaluating an application for a Credit Enhancement for Charter School Facilities grant?

The Secretary uses the following criteria to evaluate an application for a Credit Enhancement for Charter School Facilities grant:

(a) Quality of project design and significance. (35 points) In determining the quality of project design and significance, the Secretary considers—
(1) The extent to which the grant proposal would provide financing to charter schools at better rates and terms than they can receive absent assistance through the program;
(2) The extent to which the project goals, objectives, and timeline are clearly specified, measurable, and appropriate for the purpose of the program;
(3) The extent to which the project implementation plan and activities, including the partnerships established, are likely to achieve measurable objectives that further the purposes of the program;
(4) The extent to which the project is likely to produce results that are replicable;
(5) The extent to which the project will use appropriate criteria for selecting charter schools for assistance and for determining the type and amount of assistance to be given;
(6) The extent to which the proposed activities will leverage private or public-sector funding and increase the number and variety of charter schools assisted in meeting their facilities needs more than would be accomplished absent the program;
(7) The extent to which the project will serve charter schools in States with strong charter laws, consistent with the criteria for such laws in section 5202(e)(3) of the Elementary and Secondary Education Act of 1965; and
(8) The extent to which the requested grant amount and the project costs are reasonable in relation to the objectives, design, and potential significance of the project.
(b) Quality of project services. (15 points) In determining the quality of the project services, the Secretary considers—
(1) The extent to which the services to be provided by the project reflect the identified needs of the charter schools to be served;
(2) The extent to which charter schools and chartering agencies were involved in the design of, and demonstrate support for, the project;
(3) The extent to which the technical assistance and other services to be provided by the proposed grant project involve the use of cost-effective strategies for increasing charter schools’ access to facilities financing, including the reasonableness of fees and lending terms; and
(4) The extent to which the services to be provided by the proposed grant project are focused on assisting charter schools with a likelihood of success and the greatest demonstrated need for assistance under the program.
(c) Capacity. (35 points) In determining an applicant’s business and organizational capacity to carry out the project, the Secretary considers—
(1) The amount and quality of experience of the applicant in carrying out the activities it proposes to undertake in its application, such as enhancing the credit on debt issuances, guaranteeing leases, and facilitating financing;

(2) The applicant’s financial stability;

(3) The ability of the applicant to protect against unwarranted risk in its loan underwriting, portfolio monitoring, and financial management;

(4) The applicant’s expertise in education to evaluate the likelihood of success of a charter school;

(5) The ability of the applicant to prevent conflicts of interest, including conflicts of interest by employees and members of the board of directors in a decision-making role;

§ 225.12 What funding priority may the Secretary use in making a grant award?

(a) The Secretary may award up to 15 additional points under a competitive priority related to the capacity of charter schools to offer public school choice in those communities with the greatest need for this choice based on—

(1) The extent to which the applicant would target services to geographic areas in which a large proportion or number of public schools have been identified for improvement, corrective action, or restructuring under Title I of the Elementary and Secondary Education Act of 1965, as amended by the No Child Left Behind Act of 2001;

(2) The extent to which the applicant would target services to geographic areas in which a large proportion of students perform below proficient on State academic assessments; and

(3) The extent to which the applicant would target services to communities with large proportions of students from low-income families.

(b) The Secretary may elect to—

(1) Use this competitive priority only in certain years; and

(2) The extent to which the applicant would target services to geographic areas in which a large proportion of
students perform poorly on State academic assessments; and

(2) A consortium application of eligible entities that—
(i) Meets the requirements of 34 CFR 75.127 through 75.129 and includes an Indian tribe, Indian organization, or Indian institution of higher education; and

(b) The Secretary may annually establish as a priority any of the priorities listed in this paragraph. § 263.6 How does the Secretary evaluate applications for the Professional Development program?

The Secretary uses the procedures for establishing selection criteria and factors in 34 CFR 75.200 through 75.210 to establish the criteria and factors used to evaluate applications submitted in a grant competition for the Professional Development program. The Secretary may also consider one or more of the criteria and factors listed in paragraphs (a) through (e) of this section to evaluate applications.

(a) Need for project. In determining the need for the proposed project, the Secretary considers one or more of the following:

(1) The extent to which the proposed project will prepare personnel in specific fields in which shortages have been demonstrated through a job market analysis.

(2) The extent to which employment opportunities exist in the project’s service area, as demonstrated through a job market analysis.

(b) Significance. In determining the significance of the proposed project, the Secretary considers one or more of the following:

(1) The potential of the proposed project to develop effective strategies for teaching Indian students and improving Indian student achievement, as demonstrated by a plan to share findings gained from the proposed project with parties who could benefit from such findings, such as other institutions of higher education who are training teachers and administrators who will be serving Indian students.

(2) The likelihood that the proposed project will build local capacity to provide, improve, or expand services that address the specific needs of Indian students.

(c) Quality of the project design. The Secretary considers one or more of the following factors in determining the quality of the design of the proposed project:

(1) The extent to which the goals, objectives, and outcomes to be achieved by the proposed project are ambitious but also attainable and address—

(i) The number of participants expected to be recruited in the project each year;

(ii) The number of participants expected to continue in the project each year;

(iii) The number of participants expected to graduate; and

(iv) The number of participants expected to find qualifying jobs within twelve months of completion.

(2) The extent to which the proposed project has a plan for recruiting and selecting participants that ensures that program participants are likely to complete the program.

(3) The extent to which the proposed project will incorporate the needs of potential employers, as identified by a job market analysis, by establishing partnerships and relationships with appropriate entities (e.g., Bureau-funded schools, organizations providing educational services to Indian students, and LEAs) and developing programs that meet their employment needs.
§ 263.8 What are the payback requirements?

(a) General. All participants must—

1. Either perform work-related payback or provide cash reimbursement to the Department for the training received. It is the preference of the Department for participants to complete a work-related payback;

2. Sign an agreement, at the time of selection for training, that sets forth the payback requirements; and

3. Report employment verification in a manner specified by the Department or its designee.

(b) Work-related payback. (1) Participants qualify for work-related payback if the work they are performing is in their field of study under the Professional Development program and benefits Indian people. Employment in a school that has a significant Indian student population qualifies as work that benefits Indian people.

2. The period of time required for a work-related payback is equivalent to the total period of time for which pre-service or in-service training was actually received on a month-for-month basis under the Professional Development program.

3. Work-related payback is credited for the actual time the participant works, not for how the participant is paid (e.g., for work completed over 9 months but paid over 12 months, the payback credit is 9 months).

§ 263.7 What are the requirements for a leave of absence?

(a) A participant must submit a written request for a leave of absence to the project director not less than 30 days prior to withdrawal or completion of a grading period, unless an emergency situation has occurred and the project director chooses to waive the prior notification requirement.

(b) The project director may approve a leave of absence, for a period not longer than twelve months, provided the participant has completed at least twelve months of training in the project and is in good standing at the time of request.

(c) The project director permits a leave of absence only if the institution of higher education certifies that the training participant is eligible to resume his or her course of study at the end of the leave of absence.

(d) A participant who is granted a leave of absence and does not return to his or her course of study by the end of the grant project period will be considered not to have completed the course of study for the purpose of project performance reporting.
§ 263.9 What are the requirements for payback deferral?

(a) Education deferral. If a participant completes or exits the Professional Development program, but plans to continue his or her education as a full-time student without interruption, in a program leading to a degree at an accredited institution of higher education, the Secretary may defer the payback requirement until the participant has completed his or her educational program.

(1) A request for a deferral must be submitted to the Secretary within 30 days of completing or exiting the Professional Development program and must provide the following information—

(i) The name of the accredited institution the student will be attending;
(ii) A copy of the letter of admission from the institution;
(iii) The degree being sought; and
(iv) The projected date of completion.

(2) If the Secretary approves the deferral of the payback requirement on the basis that a participant is continuing as a full-time student, the participant must submit to the Secretary a status report from an academic advisor or other authorized representative of the institution of higher education, showing verification of enrollment and status, after every grading period.

(b) Military deferral. If a participant exits the Professional Development program because he or she is called or ordered to active duty status in connection with a war, military operation, or national emergency for more than 30 days as a member of a reserve component of the Armed Forces named in 10 U.S.C. 10101, or as a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5), the Secretary may defer the payback requirement until the participant has completed his or her military service, for a period not to exceed 36 months. Requests for deferral must be submitted to the Secretary within 30 days of the earlier of receiving the call to military service or completing or exiting the Professional Development program, and must provide—

(1) A written statement from the participant’s commanding or personnel officer certifying—

(i) That the participant is on active duty in the Armed Forces of the United States;
(ii) The date on which the participant’s service began; and
(iii) The date on which the participant’s service is expected to end; or

(2)(i) A true certified copy of the participant’s official military orders; and
(ii) A copy of the participant’s military identification.

§ 263.10 What are the participant payback reporting requirements?

(a) Notice of intent. Participants must submit to the Secretary, within 30 days of completion of, or exit from, as applicable, their training program, a notice of intent to complete a work-related or cash payback, or to continue in a degree program as a full-time student.

(b) Work-related payback. (1) Starting within six months after exit from or

(b) The Secretary may require an applicant to satisfy any of the requirements in this paragraph. When inviting applications for a competition under the Demonstration Grants program, the Secretary establishes the application requirements through a notice inviting applications published in the FEDERAL REGISTER. If specified in the notice inviting applications, an applicant must submit—

§ 299.5 What maintenance of effort requirements apply to ESEA programs?

(a) General. An LEA receiving funds under an applicable program listed in paragraph (b) of this section may receive its full allocation of funds only if the SEA finds that either the combined fiscal effort per student or the aggregate expenditures of State and local funds with respect to the provision of free public education in the LEA for the preceding fiscal year was not less than 90 percent of the combined fiscal effort per student or the aggregate expenditures for the second preceding fiscal year.

(b) Applicable programs. This subpart is applicable to the following programs:

(1) Part A of title I (Improving Basic Programs Operated by Local Educational Agencies).

(2) Title II (Eisenhower Professional Development Program) (other than section 2103 and part C of this title).

(3) Subpart 2 of part A of title III (State and Local Programs for School Technology Resources).

(4) Part A of title IV (Safe and Drug-Free Schools and Communities) (other than section 4114).

(c) Meaning of “preceding fiscal year”. For purposes of determining if the requirement of paragraph (a) of this section is met, the “preceding fiscal year” means the Federal fiscal year, or the 12-month fiscal period most commonly used in a State for official reporting purposes, prior to the beginning of the Federal fiscal year in which funds are available for obligation by the Department.

Example: For fiscal year 1995 funds that are first made available on July 1, 1995, if a State is using the Federal fiscal year, the “preceding fiscal year” is Federal fiscal year 1994 (which began on October 1, 1993 and ended September 30, 1994) and the “second preceding fiscal year” is Federal fiscal year 1993.
§ 299.6 What are the responsibilities of a recipient of funds for providing services to children and teachers in private schools?

(a) General. An agency or consortium of agencies receiving funds under an applicable program listed in paragraph (b) of this section, after timely and meaningful consultation with appropriate private school officials (in accordance with the statute), shall provide special educational services or other benefits under this subpart on an equitable basis to eligible children who are enrolled in private elementary and secondary schools, and to their teachers and other educational personnel.

(b) Applicable programs. This subpart is applicable to the following programs:

(1) Part C of title I (Migrant Education).

(2) Title II (Professional Development) (other than section 2103 and part C of this title).

(3) Title III (Technology for Education) (other than part B of this title) (Star Schools).

(4) Part A of title IV (Safe and Drug-Free Schools and Communities) (other than section 4114).

(5) Title VI (Innovative Education Program Strategies).

(6) Title VII (Bilingual Education).

(c) Provisions not applicable. Sections 75.650 and 76.650 through 76.662 of title 34 of the Code of Federal Regulations (participation of students enrolled in private schools) do not apply to programs listed in paragraph (b) of this section.

(Authority: 20 U.S.C. 8893)

§ 299.7 What are the factors for determining equitable participation of children and teachers in private schools?

(a) Equal expenditures. (1) Expenditures of funds made by an agency or consortium of agencies under a program listed in § 299.6 (b) for services for eligible private school children and their teachers and other educational personnel must be equal on a per-pupil basis to the amount of funds expended for participating public school children and their teachers and other educational personnel, taking into account the number and educational needs of those children and their teachers and other educational personnel.

(2) Before determining equal expenditures under paragraph (a)(1) of this section, an agency or consortium of agencies shall pay for the reasonable and necessary administrative costs of providing services to public and private school children and their teachers and other educational personnel from the agency’s or consortium of agencies’ total allocation of funds under the applicable ESEA program.

(b) Services on an equitable basis. (1) The services that an agency or consortium of agencies provides to eligible private school children and their teachers and other educational personnel must also be equitable in comparison to the services and other benefits provided to public school children and their teachers or other educational personnel participating in a program under this subpart.
(2) Services are equitable if the agency or consortium of agencies—
   (i) Addresses and assesses the specific needs and educational progress of eligible private school children and their teachers and other educational personnel on a comparable basis to public school children and their teachers and other educational personnel;
   (ii) Determines the number of students and their teachers and other educational personnel to be served on an equitable basis;
   (iii) Meets the equal expenditure requirements under paragraph (a) of this section; and
   (iv) Provides private school children and their teachers and other educational personnel with an opportunity to participate that—
       (A) Is equitable to the opportunity and benefits provided to public school children and their teachers and other educational personnel; and
       (B) Provides reasonable promise of participating private school children meeting challenging academic standards called for by the State’s student performance standards and of private school teachers and other educational personnel assisting their students in meeting high standards.
(3) The agency or consortium of agencies shall make the final decisions with respect to the services to be provided to eligible private school children and their teachers and other educational personnel.
   (c) If the needs of private school children, their teachers and other educational personnel are different from the needs of children, teachers and other educational personnel in the public schools, the agency or consortium of agencies shall provide program benefits for the private school children, teachers, and other educational personnel that are different from the benefits it provides for the public school children and their teachers and other educational personnel.

§ 299.8 What are the requirements to ensure that funds do not benefit a private school?
(a) An agency or consortium of agencies shall use funds under a program listed in §299.6(b) to provide services that supplement, and in no case supplant, the level of services that would, in the absence of services provided under that program, be available to participating children and their teachers and other educational personnel in private schools.
(b) An agency or consortium of agencies shall use funds under a program listed in §299.6(b) to meet the special educational needs of participating children who attend a private school and their teachers and other educational personnel, but may not use those funds for—
   (1) The needs of the private school; or
   (2) The general needs of children and their teachers and other educational personnel in the private school.

§ 299.9 What are the requirements concerning property, equipment, and supplies for the benefit of private school children and teachers?
(a) A public agency must keep title to, and exercise continuing administrative control of, all property, equipment, and supplies that the public agency acquires with funds under a program listed in §299.6(b) for the benefit of eligible private school children and their teachers and other educational personnel.
   (b) The public agency may place equipment and supplies in a private school for the period of time needed for the program.
   (c) The public agency shall ensure that the equipment and supplies placed in a private school—
       (1) Are used only for proper purposes of the program; and
       (2) Can be removed from the private school without remodeling the private school facility.
   (d) The public agency must remove equipment and supplies from a private school if—
       (1) The equipment and supplies are no longer needed for the purposes of the program; or
       (2) Removal is necessary to avoid unauthorized use of the equipment or supplies for other than the purposes of the program.
   (e) No funds may be used for repairs, minor remodeling, or construction of private school facilities.
§ 299.10

(f) For the purpose of this section, the term public agency includes the agency or consortium of agencies.

(Authority: 20 U.S.C. 8993)

(a) A reasonable time limit after the SEA receives a complaint for resolving the complaint in writing, including a provision for carrying out an independent on-site investigation, if necessary.

(b) An extension of the time limit under paragraph (a) of this section only if exceptional circumstances exist with respect to a particular complaint.

(c) The right for the complainant to request the Secretary to review the final decision of the SEA, at the Secretary's discretion. In matters involving violations of section 14503 (participation of private school children), the Secretary will follow the procedures in section 14505(b).
