Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 .............................................................. as of January 1
- Title 17 through Title 27 ................................................................. as of April 1
- Title 28 through Title 41 ................................................................. as of July 1
- Title 42 through Title 50 ............................................................. as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, October 1, 2016), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.
(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 1201.1 Definitions.
(a) Corporation Employee means the Chief Executive Officer of the Corporation and all employees, former employees, National Civilian Community Corps Members (hereinafter sometimes known as “Corps Members”), and VISTA Volunteers (hereinafter sometimes also known as “AmeriCorps*VISTA Members”), who are or were subject to the supervision, jurisdiction, or control of the Chief Executive Officer, except as the Corporation may otherwise determine in a particular case.
(b) Litigation encompasses all pre-trial, trial, and post-trial stages of all judicial or administrative actions, hearings, investigations, or similar proceedings before courts, commissions, boards, or other judicial or quasi-judicial bodies or tribunals, whether criminal, civil, or administrative in nature.
(c) Official Information means all information of any kind, however stored, that is in the custody and control of the Corporation, relates to information in the custody and control of the Corporation, or was acquired by individuals connected with the Corporation as part of their official status within the Corporation while such individuals are employed by, or serve on behalf of, the Corporation.

§ 1201.2 Scope.
(a) This part states the procedures followed with respect to:
(1) Service of summonses and complaints or other requests or demands directed to the Corporation or to any Corporation employee in connection with Federal or State litigation arising out of, or involving the performance of, official activities of the Corporation; and
(2) Oral or written disclosure, in response to subpoenas, orders, or other requests or demands from Federal or by State judicial or quasi-judicial authority, whether civil or criminal, or in response to requests for depositions, affidavits, admissions, responses to interrogatories, document production, or other litigation-related matters of:
(i) Any material contained in the files of the Corporation; or

(B) As part of the performance of the person’s duties or by virtue of the person’s position.
(b) Sections 1201.3 through 1201.10 do not apply to:
(1) Testimony or records provided in accordance with the Office of Personnel Management regulations implementing 5 U.S.C. 6322.
(3) Disclosures to the Office of Inspector General or requests by the Office of Inspector General for official information or records.
(c) The procedures in this part apply to Corporation employees and official
§ 1201.3 Service of summonses and complaints.

(a) Only the Corporation’s General Counsel or his/her designee (hereinafter “General Counsel”), is authorized to receive and accept summonses or complaints sought to be served upon the Corporation or its employees. All such documents should be delivered or addressed to General Counsel, Corporation for National and Community Service, 250 E Street SW., Washington, DC 20525.

(b) In the event any summons or complaint is delivered to a Corporation Employee other than in the manner specified in this part, such attempted service shall be ineffective, and the recipient thereof shall either decline to accept the proffered service or return such document under cover of a written communication that refers the person attempting to effect service to the procedures set forth in this part.

(c) Except as otherwise provided in § 1201.4(c), the Corporation is not an authorized agent for service of process with respect to civil litigation against Corporation Employees purely in their personal, non-official capacity. Copies of summonses or complaints directed to Corporation Employees in connection with legal proceedings arising out of the performance of official duties may, however, be served upon the General Counsel.

§ 1201.4 Service of subpoenas, court orders, and other demands or requests for official information or action.

(a) Except in cases in which the Corporation is represented by legal counsel who have entered an appearance or otherwise given notice of their representation, only the General Counsel is authorized to receive and accept subpoenas, or other demands or requests directed to any component of the Corporation or Corporation Employees, whether civil or criminal in nature, for:

1. Material, including documents, contained in the files of the Corporation;

2. Information, including testimony, affidavits, declarations, admissions, response to interrogatories, or informal statements, relating to material contained in the files of the Corporation or which any Corporation employee acquired in the course and scope of the performance of official duties;

3. Garnishment or attachment of compensation of Corporation Employees; or

4. The performance or non-performance of any official Corporation duty.

(b) In the event that any subpoena, demand, or request is sought to be delivered to a Corporation Employee other than in the manner prescribed in paragraph (a) of this section, such attempted service shall be ineffective. Such Corporation Employee shall, after consultation with the General Counsel, decline to accept the subpoena, and demand or request the return of it under cover of a written communication referring to the procedures prescribed in this part.

(c) Except as otherwise provided in this part, the Corporation is not an agent for service or otherwise authorized to accept on behalf of Corporation Employees any subpoenas, show-cause orders, or similar compulsory process of federal or state courts, or requests from private individuals or attorneys, which are not related to the employees’ official duties except upon the express, written authorization of the individual Corporation Employee to whom such demand or request is directed.

(d) Acceptance of such documents by the General Counsel does not constitute a waiver of any defenses that might otherwise exist with respect to service under the Federal Rules of Civil or Criminal Procedure at 28 U.S.C. Appendix, Rules 4–6 or 18 U.S.C Appendix or other applicable rules.
§ 1201.5 Testimony and production of documents prohibited unless approved by appropriate Corporation officials.

(a) Unless authorized to do so by the General Counsel, no Corporation Employee shall, in response to a demand or request in connection with any litigation, whether criminal or civil, provide oral or written testimony by deposition, declaration, affidavit, or otherwise concerning any information acquired:

(1) While such person was a Corporation Employee;
(2) As part of the performance of that person’s official duties; or
(3) By virtue of that person’s official status.

(b) No Corporation Employee shall, in response to a demand or request in connection with any litigation, produce for use at such proceedings any document or any other material acquired as part of the performance of that individual’s duties or by virtue of that individual’s official status, unless authorized to do so by the General Counsel.

§ 1201.6 Procedure when testimony or production of documents is sought.

(a) If Official Information is sought, either through testimony or otherwise, the party seeking such information must (except as otherwise required by federal law or authorized by the General Counsel) set forth in writing with as much specificity as possible, the nature and relevance of the Official Information sought. The party must identify the record or reasonably describe it in terms of date, format, subject matter, the offices originating or receiving the record, and the names of all persons to whom the record is known to relate. Corporation Employees may produce, disclose, release, comment upon, or testify concerning only those matters that were specified in writing and properly approved by the General Counsel. The General Counsel may waive this requirement in appropriate circumstances.

(b) To the extent it deems necessary or appropriate, the Corporation may also require from the party seeking such testimony or documents a schedule of all reasonably foreseeable demands, including but not limited to the names of all current and former Corporation Employees from whom discovery will be sought, areas of inquiry, expected duration of proceedings requiring oral testimony, and identification of potentially relevant documents.

(c) The General Counsel will notify the Corporation Employee and such other persons as circumstances may warrant of the decision regarding compliance with the request or demand.

(d) The General Counsel will consult with the Department of Justice regarding legal representation for Corporation Employees in appropriate cases.

§ 1201.7 Procedure when response to demand is required prior to receiving instructions.

(a) If a response to a demand or request for Official Information pursuant to litigation is required before the General Counsel renders a decision, the Corporation will request that either a Department of Justice attorney or a Corporation attorney designated for the purpose:

(1) Appear, if feasible, with the employee upon whom the demand has been made;
(2) Furnish the court or other authority with a copy of the regulations contained in this part;
(3) Inform the court or other authority that the demand or request has been or is being, as the case may be, referred for the prompt consideration of the General Counsel; and
(4) Respectfully request the court or other authority to stay the demand or request pending receipt of the requested instructions.

(b) In the event that an immediate demand or request for production or disclosure is made in circumstances that would preclude the proper designation or appearance of a Department of Justice or Corporation attorney on behalf of the Corporation Employee, the Corporation Employee shall respectfully request the court or other authority for a reasonable stay of proceedings for the purpose of obtaining instructions from the Corporation.
§ 1201.8 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand or request in response to a request made pursuant to §1201.7, or if the court or other authority rules that the demand or request must be complied with irrespective of the Corporation’s instructions not to produce the material or disclose the information sought, the Corporation Employee upon whom the demand or request has been made shall, if so directed by the General Counsel, respectfully decline to comply with the demand or request, citing United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951), and the regulations in this part.

§ 1201.9 Considerations in determining whether the Corporation will comply with a demand or request.

(a) In deciding whether to comply with a demand or request, Corporation officials and attorneys are encouraged to consider:

(1) Whether such compliance would be unduly burdensome or otherwise inappropriate under the applicable rules of discovery or the rules of procedure governing the case or matter in which the demand arose;

(2) Whether compliance is appropriate under the relevant substantive law concerning privilege or disclosure of information;

(3) The public interest;

(4) The need to conserve the time of Corporation Employees for the conduct of official business;

(5) The need to avoid spending the time and money of the United States for private purposes;

(6) The need to maintain impartiality between private litigants in cases where a government interest is not implicated;

(7) Whether compliance would have an adverse effect on performance by the Corporation of its mission and duties; and

(8) The need to avoid involving the Corporation in controversial issues not related to its mission.

(b) Among those demands and requests in response to which compliance may not ordinarily be authorized are those when compliance would:

(1) Violate a statute, a rule of procedure, a specific regulation, or an executive order;

(2) Reveal information properly classified in the interest of national security;

(3) Reveal confidential commercial or financial information or trade secrets without the owner’s consent;

(4) Reveal the internal deliberative processes of the Executive Branch; or

(5) Potentially impede or prejudice an ongoing law enforcement investigation.

§ 1201.10 Prohibition on providing expert or opinion testimony.

(a) Except as provided in this section, Corporation Employees shall not provide opinion or expert testimony based upon information that they acquired in the scope and performance of their official Corporation duties, except on behalf of the United States or a party represented by the Department of Justice.

(b) Upon a showing by the requester of exceptional need or unique circumstances and that the anticipated testimony will not be adverse to the interests of the United States, the General Counsel, in the exercise of discretion, may grant special, written authorization for Corporation Employees to appear and testify as expert witnesses at no expense to the United States.

(c) If, despite the final determination of the General Counsel, a court of competent jurisdiction or other appropriate authority orders the appearance and expert or opinion testimony of a Corporation Employee such individual shall immediately inform the General Counsel of such order. If the General Counsel determines that no further legal review of or challenge to the court’s order will be made, the Corporation Employee shall comply with the order. If so directed by the General Counsel, however, the individual shall respectfully decline to testify.

§ 1201.11 Authority.

The Corporation receives authority to change its governing regulations from the National and Community Service Act of 1990 as amended (42 U.S.C. 12501 et seq.).
PART 1203—NONDISCRIMINATION IN FEDERALLY ASSISTED PROGRAMS—EFFECTUATION OF TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

§ 1203.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as title VI), to the end that a person in the United States shall not, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under a program or activity receiving Federal financial assistance from ACTION.

§ 1203.2 Application of this part.

(a) This part applies to each program for which Federal financial assistance is authorized under a law administered by ACTION, including the types of Federal financial assistance listed in appendix A to this part. It also applies to money paid, property transferred, or other Federal financial assistance extended after the effective date of this part pursuant to an application approved before that effective date. This part does not apply to:

1. Federal financial assistance by way of insurance or guaranty contracts;
2. Money paid, property transferred, or other assistance extended before the effective date of this part, except when the assistance was subject to the title VI regulations of an agency whose responsibilities are now exercised by ACTION;
3. Assistance to any individual who is the ultimate beneficiary; or
4. Employment practices, under a program, of an employer, employment agency, or labor organization, except to the extent described in §1203.4(c).

The fact that a type of Federal financial assistance is not listed in Appendix A to this part does not mean, if title VI is otherwise applicable, that a program is not covered. Other types of Federal financial assistance under statutes now in force or hereinafter enacted may be added to Appendix A to this part.

(b) In a program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under that property are included, the non-discrimination requirement of this part extends to a facility located wholly or in part in that space.

§ 1203.3 Definitions.

Unless the context requires otherwise, in this part:
(a) Applicant means a person who submits an application, request, or plan required to be approved by ACTION, or by a primary recipient, as a condition to eligibility for Federal financial assistance, and "application" means that application, request, or plan.
(b) Facility includes all or any part of structures, equipment, or other real or personal property or interests therein, and the provision of facilities includes the construction, expansion, renovation, remodeling, alteration, or acquisition of facilities.
(c) Federal financial assistance includes:
1. Grants and loans of Federal funds;
2. The grant or donation of Federal property and interests in property;
3. The detail of Federal personnel;

(v) Treat a person differently from others in determining whether he satisfies an admission, enrollment, quota, eligibility, membership, or other requirement or condition which persons must meet in order to be provided a service, financial aid, or other benefit provided under the program;

(vi) Deny a person an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program; or

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under a program or the class of persons to whom, or the situations in which, the services, financial aid, other benefits, or facilities will be provided under a program, or the class of persons to be afforded an opportunity to participate in a program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program with respect to individuals of a particular race, color, or national origin.

(c) Employment practices.

(1) When a primary objective of the Federal financial assistance to which this part applies is to provide employment, a recipient or other party subject to this part shall not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its employment practices under the program (including recruitment or recruitment advertising, hiring, firing, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay, or other forms of compensation or benefits, selection for training or apprenticeship, use of facilities, and treatment of employees). A recipient shall take affirmative action to insure that applicants are employed, and employees are treated during employment, without regard to race, color, or national origin. The requirements applicable to construction employment under a program are those specified in or pursuant to part III of Executive Order 11246 or any Executive order which supersedes it.

(2) Federal financial assistance to programs under laws funded or administered by ACTION which have as a primary objective the providing of employment include those set forth in Appendix B to this part.

(3) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient tends, on the ground of race, color, or national origin, to exclude persons from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this part applies, the provisions of paragraph (c)(1) of this section apply to the employment practices of the recipient to the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.

(d) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this part applies, the provisions of paragraph (c)(1) of this section apply to the employment practices of the recipient to the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.
§ 1203.5 Assurances required.

(a) General. (1) An application for Federal financial assistance to which this part applies, except an application to which paragraph (d) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of Federal financial assistance pursuant to the application, contain or be accompanied by, assurances that the program will be conducted or the facility operated in compliance with the requirements imposed by or pursuant to this part. Every award of Federal financial assistance shall require the submission of these assurances. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, the assurances shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. When no transfer of property of interest therein from the Federal Government is involved, but property is acquired or improved with Federal financial assistance, the recipient shall agree to include a covenant in any subsequent transfer of the property. When the property is obtained from the Federal Government, the covenant may also include a condition coupled with a right to be reserved by ACTION to revert title to the property in the event of a breach of the covenant where, in the discretion of ACTION, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grantee. In the event a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on property for the purposes for which the property was transferred, ACTION may agree, on request of the transferee and if necessary to accomplish the financing, and on conditions as he deems appropriate, to subordinate a right of reversion to the lien of a mortgage or other encumbrance.

(b) Assurances from Government agencies. In the case of an application from a department, agency, or office of a State or local government for Federal financial assistance for a specified purpose, the assurance required by this section shall extend to any other department, agency, or office of the same governmental unit if the policies of the other department, agency, or office will substantially affect the project for which Federal financial assistance is requested.
Corporation for National and Community Service

§ 1203.7 Conduct of investigations.

(a) Periodic compliance reviews. ACTION may from time to time review the practices of recipients to determine

(b) Compliance reports. Each recipient shall keep records and submit to ACTION timely, complete, and accurate compliance reports at the times, and in the form and containing the information ACTION may determine necessary to enable it to ascertain whether the recipient has complied or is complying with this part. In the case in which a primary recipient extends Federal financial assistance to other recipients, the other recipients shall also submit compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part. In general, recipients should have available for ACTION racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs.

(c) Access to sources of information. Each recipient shall permit access by ACTION during normal business hours to its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. When information required of a recipient is in the exclusive possession of an other agency, institution, or person and this agency, institution, or person fails or refuses to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons the information regarding the provisions of this part and its applicability to the program for which the recipient received Federal financial assistance, and make this information available to them in the manner, as ACTION finds necessary, to apprise the persons of the protections against discrimination assured them by title VI and this part.

§ 1203.6 Compliance information.

(a) Cooperation and assistance. ACTION, to the fullest extent practicable, shall seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

§ 1203.8 Procedure for effecting compliance.

(a) General. (1) If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by other means authorized by law.

(2) Other means may include, but are not limited to:

(i) A reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce the rights of the United States under a law of the United States (including other titles of the Civil Rights Act of 1964) or an assurance or other contractual undertaking, and

(ii) An applicable proceeding under State or local law.

(b) Noncompliance with §1203.5. If an applicant fails or refuses to furnish an assurance required under §1203.5 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. ACTION shall not be required to provide assistance in that case during the pendency of the administrative proceedings under this paragraph. Subject, however, to §1203.12, ACTION shall continue assistance during the pendency of the proceedings where the assistance is due and payable pursuant to an application approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. An order suspending, terminating, or refusing to grant or to continue Federal financial assistance shall not become effective until—

(1) ACTION has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by informal voluntary means;

(2) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part;
Corporation for National and Community Service § 1203.9

(3) The action has been approved by the Director pursuant to §1203.10(e); and

(4) The expiration of 30 days after the Director has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for the action.

An action to suspend or terminate or refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which the noncompliance has been so found.

(d) Other means authorized by law. An action to effect compliance with title VI by other means authorized by law shall not be taken by ACTION until—

(1) ACTION has determined that compliance cannot be secured by voluntary means;

(2) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and

(3) The expiration of at least 10 days from the mailing of a notice to the recipient or person. During this period of at least 10 days, additional efforts shall be made to persuade the recipient or other person to comply with the regulation and to take corrective action as may be appropriate.

§ 1203.9 Hearings.

(a) Opportunity for hearing. When an opportunity for a hearing is required by §1203.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of notice within which the applicant or recipient may request of ACTION that the matter be scheduled for hearing; or

(2) Advise the applicant or recipient that the matter in question has been set down for hearing at a stated time and place. The time and place so fixed shall be reasonable and subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set is deemed to be a waiver of the right to a hearing under section 602 of title VI and §1203.8(c) and consent to the making of a decision on the basis of the information available.

(b) Time and place of hearing. Hearings shall be held at the offices of ACTION in Washington, DC, at a time fixed by ACTION unless it determines that the convenience of the applicant or recipient or of ACTION requires that another place be selected. Hearings shall be held before the Director, or at his discretion, before a hearing examiner appointed in accordance with section 3105 of title 5, United States Code, or detailed under section 3344 of title 5, United States Code.

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and ACTION have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing, decision, and an administrative review thereof shall be conducted in conformity with sections 554 through 557 of title 5, United States Code, and in accordance with the rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments, and briefs, requests for findings, and other related matters. Both ACTION and the applicant or recipient are entitled to introduce relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence do not apply to hearings conducted pursuant
§ 1203.10 Decisions and notices.

(a) Procedure on decisions by hearing examiner. If the hearing is held by a hearing examiner, the hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Director for a final decision, and a copy of the initial decision or certification shall be mailed to the applicant or recipient. When the initial decision is made by the hearing examiner, the applicant or recipient may, within 30 days after the mailing of a notice of initial decision, file with the Director his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the Director may, on his own motion, within 45 days after the initial decision, serve on the applicant or recipient a notice that he will review the decision. On the filing of the exceptions or of notice of review, the Director shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision, subject to paragraph (e) of this section, shall constitute the final decision of the Director.

(b) Decisions on record or review by the Director. When a record is certified to the Director for decision or the Director reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or when the Director conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with it briefs or other written statements of the recipient’s contentions, and a written copy of the final decision of the Director will be sent to the applicant or recipient and to the complainant, if any.

(c) Decisions on record where a hearing is waived. When a hearing is waived pursuant to §1203.9, a decision shall be made by ACTION on the record and a written copy of the decision shall be sent to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of a hearing examiner or the Director shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) Approval by ACTION. A final decision by an official of ACTION other than by the Director, which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part or title VI, shall
§ 1203.12

promptly be transmitted to the Director, who may approve the decision, vacate it, or remit or mitigate a sanction imposed.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain the terms, conditions, and other provisions as are consistent with and will effectuate the purposes of title VI and this part, including provisions designed to assure that Federal financial assistance to which this regulation applies will not thereafter be extended to the applicant or recipient determined by the decision to be in default in its performance of an assurance given by it under this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies ACTION that it will fully comply with this part.

(g) Post-termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of the order for eligibility, or if it brings itself into compliance with this part and provides reasonable assurance that it will fully comply with this part.

(2) An applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request ACTION to restore fully its eligibility to receive Federal financial assistance. A request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If ACTION determines that those requirements have been satisfied, it shall restore the eligibility.

(3) If ACTION denies a request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes ACTION is in error. The applicant or recipient shall be given an expeditious hearing, with a decision on the record in accordance with the rules or procedures issued by ACTION. The applicant or recipient shall be restored to eligibility if it proves at the hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section remain in effect.

§ 1203.11 Judicial review.

Action taken pursuant to section 602 of title VI is subject to judicial review as provided in section 603 of title VI.

§ 1203.12 Effect on other regulations, forms, and instructions.

(a) Effect on other regulations. Regulations, orders, or like directions issued before the effective date of this part by ACTION which impose requirements designed to prohibit discrimination against individuals on the ground of race, color, or national origin to which this part applies, and which authorizes the suspension or termination of or refusal to grant or to continue Federal financial assistance to an applicant for or recipient of assistance under a program for failure to comply with the requirements, are superseded to the extent that discrimination is prohibited by this part, except that nothing in this part relieves a person of an obligation assumed or imposed under a superseded regulation, order, instruction, or like direction, before the effective date of this part. This part does not supersede any of the following (including future amendments thereof):

(1) Executive Order 11246 (3 CFR, 1965 Supp.) and regulations issued there under or

(2) Any other orders, regulations, or instructions, insofar as these orders, regulations, or instructions prohibit discrimination on the ground of race, color, or national origin in a program or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) Forms and instructions. ACTION shall issue and promptly make available to all interested persons forms and detailed instructions and procedures for effectuating this part as applied to programs to which this part applies, and for which it is responsible.
(c) Supervision and coordination. ACTION may from time to time assign to officials of ACTION, or to officials of other departments or agencies of the Government with the consent of the departments or agencies, responsibilities in connection with the effectuation of the purposes of title VI and this part (other than responsibilities for final decision as provided in §1203.10), including the achievement of effective coordination and maximum uniformity within ACTION and within the executive branch in the application of title VI and this part to similar programs and in similar situations. An action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though the action had been taken by ACTION.

1. Grants for the development or operation of retired senior volunteer programs pursuant to section 601 of the Older Americans Act of 1965, as amended (42 U.S.C. 3044).

§ 1206.1–3 Definitions.

As used in this subpart—
(a) The term Corporation means the Corporation for National and Community Service established pursuant to 42 U.S.C. 12651 and includes each Corporation State Office and Service Center.

(b) The term CEO means the Chief Executive Officer of the Corporation.

(c) The term responsible Corporation official means the CEO, Chief Financial Officer, the Director of the National Senior Service Corps programs, the appropriate Service Center Director and any Corporation for National and Community Service (CNCS) Headquarters or State office official who is authorized to make the grant or assistance in question. In addition to the foregoing officials, in the case of the suspension proceedings described in §1206.1–4, the term “responsible Corporation official” shall also include a designee of a CNCS official who is authorized to make the grant of assistance in question.

(d) The term assistance means assistance under title II of the DVSA in the form of grants or contracts involving Federal funds for the administration for which the Director of the National Senior Service Corps programs has responsibility.

(e) The term recipient means a public or private agency, institution or organization or a State or other political jurisdiction which has received assistance under title II of the DVSA. The term “recipient” does not include individuals who ultimately receive benefits under any DVSA program of assistance or National Senior Service Corps volunteers participating in any program.

(f) The term agency means a public or private agency, institution, or organization or a State or other political jurisdiction with which the recipient has entered into an arrangement, contract or agreement to assist in its carrying out the development, conduct and administration of part of a project or program assisted under title II of the DVSA.

(g) The term party in the case of a termination hearing means the Corporation, the recipient concerned, and any other agency or organization which has a right or which has been granted permission by the presiding officer to participate in a hearing concerning termination of financial assistance to the recipient pursuant to §1206.1–5(e).

procedure of paragraph (c) of this section shall be followed.

(b) Suspension on notice. (1) Except as provided in paragraph (c) of this section, the procedure for suspension shall be on notice of intent to suspend as hereinafter provided.

(2) The responsible Corporation official shall notify the recipient by letter or by telegram that the Corporation intends to suspend assistance in whole or in part unless good cause is shown why suspension should not be suspended. In such letter or telegram the responsible Corporation official shall specify the grounds for the proposed suspension and the proposed effective date of the suspension.

(3) The responsible Corporation official shall also inform the recipient of its right to submit written material in opposition to the intended suspension and of its right to request an informal meeting at which the recipient may respond and attempt to show why such suspension should not occur. The period of time within which the recipient may submit such written material or request the informal meeting shall be established by the responsible Corporation official in the notice of intent to suspend. However, in no event shall the period of time within which the recipient must submit written material or request such a meeting be less than 5 days after the notice of intent to suspend assistance has been sent. If the recipient requests a meeting, the responsible Corporation official shall fix a time and place for the meeting, which shall not be less than 5 days after the recipient's request is received by the Corporation.

(4) In lieu of the provisions of paragraph (b)(3) of this section dealing with the right of the recipient to request an informal meeting, the responsible Corporation official may on his own initiative establish a time and place for such a meeting and notify the recipient in writing or by telegram. However, in no event shall such a meeting be scheduled less than seven days after the notice of intent to suspend assistance is sent to the recipient.

(5) The responsible Corporation official may in his discretion extend the period of time or date referred to in the previous paragraphs of this section and shall notify the recipient in writing or by telegram of any such extension.

(6) At the time the responsible Corporation official sends the notification referred to in paragraphs (b) (2), (3), and (4) of this section to the recipient, he shall also send a copy of it to any agency whose activities or failures to act have substantially contributed to the proposed suspension, and shall inform such agency that it is entitled to submit written material or to participate in the informal meeting referred to in paragraphs (b) (3) and (4) of this section. In addition the responsible Corporation official may in his discretion give such notice to any other agency.

(7) Within 3 days of receipt of the notice referred to in paragraphs (b) (2), (3), and (4) of this section, the recipient shall send a copy of such notice and a copy of these regulations to all agencies which would be financially affected by the proposed suspension action. Any agency that wishes to submit written material may do so within the time stated in the notice. Any agency that wishes to participate in the informal meeting with the responsible Corporation official contemplated herein may request permission to do so from the responsible Corporation official, who may in his discretion grant or deny such permission. In acting upon any such request from an agency, the responsible Corporation official shall take into account the effect of the proposed suspension on the particular agency, the extent to which the meeting would become unduly complicated as a result of granting such permission, and the extent to which the interests of the agency requesting such permission appear to be adequately represented by other participants.

(8) In the notice of intent to suspend assistance the responsible Corporation official shall invite voluntary action to adequately correct the deficiency which led to the initiation of the suspension proceeding.

(9) The responsible Corporation official shall consider any timely material presented to him in writing, any material presented to him during the course of the informal meeting provided for in paragraphs (b)(3) and (4) of this section
as well as any showing that the recipient has adequately corrected the deficiency which led to the initiation of suspension proceedings. If after considering the material presented to him the responsible Corporation official concludes the recipient has failed to show cause why assistance should not be suspended, he may suspend assistance in whole or in part and under such terms and conditions as he shall specify.

(10) Notice of such suspension shall be promptly transmitted to the recipient and shall become effective upon delivery. Suspension shall not exceed 30 days unless during such period of time termination proceedings are initiated in accordance with §1206.1–5, or unless the responsible Corporation official and the recipient agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension of assistance shall remain in full force and effect until such proceedings have been fully concluded.

(11) During a period of suspension no new expenditures shall be made and no new obligations shall be incurred in connection with the suspended program except as specifically authorized in writing by the responsible Corporation official. Expenditures to fulfill legally enforceable commitments made prior to the notice of suspension, in good faith and in accordance with the recipient’s approved work program, and not in anticipation of suspension or termination, shall not be considered new expenditures. However, funds shall not be recognized as committed solely because the recipient has obligated them by contract or otherwise to an agency.

Note: Willful misapplication of funds may violate Federal criminal statutes.

(12) The responsible Corporation official may in his discretion modify the terms, conditions and nature of the suspension or rescind the suspension action at any time on his own initiative or upon a showing satisfactory to him that the recipient had adequately corrected the deficiency which led to the suspension and that repetition is not threatened. Suspensions partly or fully rescinded may, in the discretion of the responsible Corporation official be reimposed with or without further proceedings: Provided however, That the total time of suspension may not exceed 30 days unless termination proceedings are initiated in accordance with §1206.1–5 or unless the responsible Corporation official and the recipient agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension of assistance shall remain in full force and effect until such proceedings have been fully concluded.

(c) Summary suspension. (1) The responsible Corporation official may suspend assistance without the prior notice and opportunity to show cause provided in paragraph (b) of this section if he determines in his discretion that immediate suspension is necessary because of a serious risk of:

(i) Substantial injury to or loss of project funds or property, or

(ii) Violation of a Federal, State or local criminal statute, or

(iii) Violation of section 403 of the DVSA or of Corporation rules, regulations, guidelines and instructions implementing this section of the DVSA, and that such risk is sufficiently serious to outweigh the general policy in favor of advance notice and opportunity to show cause.

(2) Notice of summary suspension shall be given to the recipient by letter or by telegram, shall become effective upon delivery to the recipient, and shall specifically advise the recipient of the effective date of the suspension and the extent, terms, and condition of any partial suspension. The notice shall also forbid the recipient to make any new expenditures or incur any new obligations in connection with the suspended portion of the program. Expenditures to fulfill legally enforceable commitments made prior to the notice of suspension, in good faith and in accordance with the recipient’s approved work program, and not in anticipation of suspension or termination, shall not be considered new expenditures. However, funds shall not be recognized as committed solely because the recipient has obligated them by contract or otherwise to an agency.

Note: See note under paragraph (b)(11) of this section.)
(3) In the notice of summary suspension the responsible Corporation official shall advise the recipient that it may request the Corporation to provide it with an opportunity to show cause why the summary suspension should be rescinded. If the recipient requests such an opportunity, the responsible Corporation official shall immediately inform the recipient in writing of the specific grounds for the suspension and shall within 7 days after receiving such request from the recipient hold an informal meeting at which the recipient may show cause why the summary suspension should be rescinded. Notwithstanding the provisions of this paragraph, the responsible Corporation official may proceed to initiate termination proceedings at any time even though assistance to the recipient has been suspended in whole or in part. In the event that termination proceedings are initiated, the responsible Corporation official shall nevertheless afford the recipient, if it so requests, an opportunity to show cause why suspension should be rescinded pending the outcome of the termination proceedings.

(4) Copies of the notice of summary suspension shall be furnished by the recipient to agencies in the same manner as notices of intent to suspend as set forth in paragraphs (b)(6), (7), and (8) of this section. Agencies may submit written material to the responsible Corporation official or to participate in the informal meeting as in the case of intended suspension proceedings set forth in paragraphs (b)(6) and (7) of this section.

(5) The effective period of a summary suspension of assistance may not exceed 30 days unless termination proceedings are initiated in accordance with §1206.1–5, or unless the parties agree to a continuation of summary suspension for an additional period of time, or unless the recipient, in accordance with paragraph (c)(3) of this section, requests an opportunity to show cause why the summary suspension should be rescinded.

(6) If the recipient requests an opportunity to show cause why a summary suspension action should be rescinded the suspension of assistance shall continue in effect until the recipient has been afforded such opportunity and a decision has been made. Such a decision shall be made within 5 days after the conclusion of the informal meeting referred to in paragraph (c)(3) of this section. If the responsible Corporation official concludes, after considering all material submitted to him, that the recipient has failed to show cause why the suspension should be rescinded, the responsible Corporation official may continue the suspension in effect for an additional 7 days: Provided however, That if termination proceedings are initiated, the summary suspension of assistance shall remain in full force and effect until all termination proceedings have been fully concluded.

§ 1206.1–5 Termination.

(a) If the responsible Corporation official believes that an alleged failure to comply with any requirement stated in §1206.1–1 may be sufficiently serious to warrant termination of assistance, whether or not assistance has been suspended, he shall so notify the recipient by letter or telegram. The notice shall state that there appear to be grounds which warrant terminating the assistance and shall set forth the specific reasons therefore. If the reasons result in whole or substantial part from the activities of an agency other than the grantee, the notice shall identify that agency. The notice shall also advise the recipient that the matter has been set down for hearing at a stated time and place, in accordance with §1206.1–6. In the alternative the notice shall advise the recipient of its right to request a hearing and shall fix a period of time which shall not be less than 10 days in which the recipient may request such a hearing.

(b) Termination hearings shall be conducted in accordance with the provision of §§1206.1–7 and 1206.1–8. They shall be scheduled for the earliest practicable date, but not later than 30 days after a recipient has requested such a hearing in writing or by telegram. Consideration shall be given to a request by a recipient to advance or postpone the date of a hearing scheduled by the Corporation. Any such hearing shall afford the recipient a full and fair opportunity to demonstrate that it is in
compliance with requirements specified in §1206.1–1. In any termination hearing, the Corporation shall have the burden of justifying the proposed termination action. However, if the basis of the proposed termination is the failure of a recipient to take action required by law, regulation, or other requirement specified in §1206.1–1, the recipient shall have the burden of proving that such action was timely taken.

(c) If a recipient requests the Corporation to hold a hearing in accordance with paragraph (a) of this section, it shall send a copy of its request for such a hearing to all agencies which would be financially affected by the termination of assistance and to each agency identified in the notice pursuant to paragraph (a) of this section. This material shall be sent to these agencies at the same time the recipient’s request is made to the Corporation. The recipient shall promptly send to the Corporation a list of the agencies to which it has sent such material and the date on which it was sent.

(d) If the responsible Corporation official pursuant to paragraph (a) of this section informs a recipient that a proposed termination action has been set for hearing, the recipient shall within 5 days of its receipt of this notice send a copy of it to all agencies which would be financially affected by the termination and to each agency identified in the notice pursuant to paragraph (a) of this section. The recipient shall send the responsible Corporation official a list of all agencies notified and the date of notification.

(e) If the responsible Corporation official has initiated termination proceedings because of the activities of an agency, that agency may participate in the hearing as a matter of right. Any other agency, person, or organization that wishes to participate in the hearing may, in accordance with §1206.1–7(d), request permission to do so from the presiding officer of the hearing. Such participation shall not, without the consent of the Corporation and the recipient, alter the time limitations for the delivery of papers or other procedures set forth in this section.

(f) The results of the proceeding and any subsequent measure taken by the Corporation pursuant to this part shall be fully binding upon the recipient and all agencies whether or not they actually participated in the hearing.

(g) A recipient may waive a hearing by notice to the responsible Corporation official in writing and submit written information and argument for the record. Such material shall be submitted to the responsible Corporation official within a reasonable period of time to be fixed by him upon the request of the recipient. The failure of a recipient to request a hearing, or to appear at a hearing for which a date has been set, unless excused for good cause, shall be deemed a waiver of the right to a hearing and consent to the making of a decision on the basis of such information as is then in the possession of the Corporation.

(h) The responsible Corporation official may attempt, either personally or through a representative, to resolve the issues in dispute by informal means prior to the date of any applicable hearing.

§ 1206.1–6 Time and place of termination hearings.

The termination hearing shall be held in Washington, DC, or in the appropriate Service Center or Corporation State Office, at a time and place fixed by the responsible Corporation official unless he determines that for the convenience of the Corporation, or of the parties or their representatives, requires that another place be selected.

§ 1206.1–7 Termination hearing procedures.

(a) General. The termination hearing, decision, and any review shall be conducted in accordance with the rules of procedure in this section and §§1206.1–8 and 1206.1–9.

(b) Presiding officer. (1) The presiding officer at the hearing shall be the responsible Corporation official or, at the discretion of the responsible Corporation official, an independent hearing examiner designated as promptly as possible in accordance with section 3105 of title 5 of the United States Code. The presiding officer shall conduct a full and fair hearing, avoid delay, maintain order, and make a sufficient record for a full and true disclosure of the facts and issues. To accomplish
these ends, the presiding officer shall have all powers authorized by law, and he may make all procedural and evidentiary rulings necessary for the conduct of the hearing. The hearing shall be open to the public unless the presiding officer for good cause shown shall otherwise determine.

(2) After the notice described in paragraph (f) of this section is filed with the presiding officer, he shall not consult any person or party on a fact in issue unless on written notice and opportunity for all parties to participate. However, in performing his functions under this part the presiding officer may use the assistance and advice of an attorney designated by the General Counsel of the Corporation: Provided, That the attorney designated to assist him has not represented the Corporation or any other party or otherwise participated in a proceeding, recommendation, or decision in the particular matter.

(c) Presentation of evidence. Both the Corporation and the recipient are entitled to present their case by oral or documentary evidence, to submit rebuttal evidence and to conduct such examination and cross-examination as may be required for a full and true disclosure of all facts bearing on the issues. The issues shall be those stated in the notice required to be filed by paragraph (f) of this section, those stipulated in a prehearing conference or those agreed to by the parties.

(d) Participation. (1) In addition to the Corporation, the recipient, and any agency which has a right to appear, the presiding officer in his discretion may permit the participation in the proceedings of such persons or organizations on he deems necessary for a proper determination of the issues involved. Such participation may be limited to those issues or activities which the presiding officer believes will meet the needs of the proceeding, and may be limited to the filing of written material.

(2) Any person or organization that wishes to participate in a proceeding may apply for permission to do so from the presiding officer. This application, which shall be made as soon as possible after the notice of suspension or proposed termination has been received by the recipient, shall state the applicant's interest in the proceeding, the evidence or arguments the applicant intends to contribute, and the necessity for the introduction of such evidence or arguments.

(3) The presiding officer shall permit or deny such participation and shall give notice of his decision to the applicant, the recipient, and the Corporation, and, in the case of denial, a brief statement of the reasons for his decision: Provided however, That the presiding officer may subsequently permit such participation if, in his opinion, it is warranted by subsequent circumstances. If participation is granted, the presiding officer shall notify all parties of that fact and may, in appropriate cases, include in the notification a brief statement of the issues as to which participation is permitted.

(4) Permission to participate to any extent is not a recognition that the participant has any interest which may be adversely affected or that the participant may be aggrieved by any decision, but is allowed solely for the aid and information of the presiding officer.

(e) Filing. All papers and documents which are required to be filed shall be filed with the presiding officer. Prior to filing, copies shall be sent to the other parties.

(f) Notice. The responsible Corporation official shall send the recipient and any other party a written notice which states the time, place, nature of the hearing, the legal authority and jurisdiction under which the hearing is to be held. The notice shall also identify with reasonable specificity the facts relied on as justifying termination and the Corporation requirements which it is contended the recipient has violated. The notice shall be filed and served not later than 10 days prior to the hearing and a copy thereof shall be filed with the presiding officer.

(g) Notice of intention to appear. The recipient and any other party which has a right or has been granted permission to participate in the hearing shall give written confirmation to the Corporation of its intention to appear at the hearing 3 days before it is scheduled to occur. Failing to do so may, at the discretion of the presiding officer,
be deemed a waiver of the right to a hearing.

(h) Form and date of service. All papers and documents filed or sent to party shall be signed in ink by the appropriate party or his authorized representative. The date on which papers are filed shall be the day on which the papers or documents are deposited, postage prepaid in the U.S. mail, or are delivered in person: Provided however, That the effective date of the notice that there appear to be grounds which warrant terminating assistance shall be the date of its delivery or attempted delivery at the recipient's last known address as reflected in the records of the Corporation.

(i) Prehearing conferences. Prior to the commencement of a hearing the presiding officer may, subject to the provisions of paragraph (b)(2) of this section, require the parties to meet with him or correspond with him concerning the settlement of any matter which will expedite a quick and fair conclusion of the hearing.

(j) Evidence. Technical rules of evidence shall not apply to hearings conducted pursuant to this subpart, but the presiding officer shall apply rules or principles designed to assure production of relevant evidence and to subject testimony to such examination and cross examination as may be required for a full and true disclosure of the facts. The presiding officer may exclude irrelevant, immaterial, or unduly repetitious evidence. A transcription shall be made of the oral evidence and shall be made available to any participant upon payment of the prescribed costs. All documents and other evidence submitted shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues.

(k) Depositions. If the presiding officer determines that the interests of justice would be served, he may authorize the taking of depositions provided that all parties are afforded an opportunity to participate in the taking of the depositions. The party who requested the deposition shall arrange for a transcript to be made of the proceedings and shall upon request, and at his expense, furnish all other parties with copies of the transcript.

(l) Official notice. Official notice may be taken of a public document, or part of a public document, such as a statute, official report, decision, opinion or published scientific data issued by any agency of the Federal Government or a State or local government and such document or data may be entered on the record without further proof of authenticity. Official notice may also be taken of such matters as may be judicially noticed in the courts of the United States, or any other matter of established fact within the general knowledge of the Corporation. If the decision of the presiding officer rests on official notice of a material fact not appearing in evidence, a party shall on timely request be afforded an opportunity to show the contrary.

(m) Proposed findings and conclusions. After the hearing has concluded, but before the presiding officer makes his decision, he shall afford each participant a reasonable opportunity to submit proposed findings of fact and conclusions. After considering each proposed finding or conclusion the presiding officer shall state in his decision whether he has accepted or rejected them in accordance with the provisions of §1206.1–8(a).

§ 1206.1–8 Decisions and notices regarding termination.

(a) Each decision of a presiding officer shall contain his findings of fact, and conclusions, and shall state whether he has accepted or rejected each proposed finding of fact and conclusion submitted by the parties, pursuant to §1206.1–7(m). Findings of fact shall be based only upon evidence submitted to the presiding officer and matters of which official notice has been taken. The decision shall also specify the requirement or requirements with which it is found that the recipient has failed to comply.

(b) The decision of the presiding officer may provide for continued suspension or termination of assistance to the recipient in whole or in part, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the DVSA.
§ 1206.1–9

(c) If the hearing is held by an independent hearing examiner rather than by the responsible Corporation official, he shall make an initial decision, and a copy of this initial decision shall be mailed to all parties. Any party may, within 20 days of the mailing of such initial decision, or such longer period of time as the presiding officer specifies, file with the responsible Corporation official his written exceptions to the initial decision and any supporting brief or statement. Upon the filing of such exceptions, the responsible Corporation official shall, within 20 days of the mailing of the exceptions, review the initial decision and issue his own written decision thereof, including the reasons therefore. The decision of the responsible Corporation official may increase, modify, approve, vacate, remit, or mitigate any sanction imposed in the initial decision or may remand the matter to the presiding officer for further hearing or consideration.

(d) Whenever a hearing is waived, a decision shall be made by the responsible Corporation official and a written copy of the final decision of the responsible Corporation official shall be given to the recipient.

(e) The recipient may request the CEO to review a final decision by the responsible Corporation official which provides for the termination of assistance. Such a request must be made in writing within 15 days after the recipient has been notified of the decision in question and must state in detail the reasons for seeking the review. In the event the recipient requests such a review, the CEO or his designee shall consider the reasons stated by the recipient for seeking the review and shall approve, modify, vacate or mitigate any sanction imposed by the responsible Corporation official or remand the matter to the responsible Corporation official for further hearing or consideration. The decision of the responsible Corporation official will be given great weight by the CEO or his designee during the review. During the course of his review the CEO or his designee may, but is not required to, hold a hearing or allow the filing of briefs and arguments. Pending the decision of the CEO or his designee assistance shall remain suspended under the terms and conditions specified by the responsible Corporation official, unless the responsible Corporation official or the CEO or his designee otherwise determines. Every reasonable effort shall be made to complete the review by the CEO or his designee within 30 days of receipt by the CEO of the recipient’s request. The CEO or his designee may however extend this period of time if he determines that additional time is necessary for an adequate review.

§ 1206.1–9 Right to counsel; travel expenses.

In all formal or informal proceedings under this subpart, the recipient and the Corporation shall have the right to be represented by counsel or other authorized representatives. If the recipient and any agency which has a right to participate in an informal meeting pursuant to § 1206.1–4 or a termination hearing pursuant to § 1206.1–7 do not have an attorney acting in that capacity as a regular member of the staff of the organization or a retainer arrangement with an attorney, the Boards of Directors of such recipient and agency will be authorized to designate an attorney to represent their organizations at any such show cause proceeding or termination hearing and to transfer sufficient funds from the Federal grant monies they have received for the project to pay the fees, travel, and per diem expenses of such attorney. The fees for such attorney shall be the reasonable and customary fees for an attorney practicing in the locality of the attorney. However, such fees shall not exceed $100 per day without the prior express written approval of the Corporation. Travel and per diem expenses may be paid to such attorney only in accordance with the policies set forth in the federal government travel regulations. The Boards of Directors of the recipient or any agency which has a right to participate in an informal meeting pursuant to § 1206.1–4 or a termination hearing pursuant to § 1206.1–7 will also be authorized to designate two persons in addition to an attorney whose travel and per diem expenses to attend the meeting or hearing may be paid from Federal grant or contract.
monies. Such travel and per diem expenses shall conform to the policies set forth in the federal government travel regulations.

§ 1206.1–10 Modification of procedures by consent.

The responsible Corporation official or the presiding officer of a termination hearing may alter, eliminate or modify any of the provisions of this subpart with the consent of the recipient and, in the case of a termination hearing, with the consent of all agencies that have a right to participate in the hearing pursuant to §1206.1–5(e). Such consent must be in writing or be recorded in the hearing transcript.

§ 1206.1–11 Other remedies.

The procedures established by this subpart shall not preclude the Corporation from pursuing any other remedies authorized by law.

Subpart B—Denial of Application for Refunding

§ 1206.2–1 Applicability of this subpart.

This subpart applies to grantees and contractors receiving financial assistance under title II of the DVSA. The procedures in the subpart do not apply to review of applications for sponsors who receive VISTA members under the DVSA.

(80 FR 63457, Oct. 20, 2015)

§ 1206.2–2 Purpose.

This subpart establishes rules and review procedures for the denial of a current recipient’s application for refunding.

§ 1206.2–3 Definitions.

As used in this subpart, “Corporation”, “CEO”, and “recipient” are defined in accordance with §1206.1–3.

Financial assistance and assistance include the services of National Senior Service Corps volunteers supported in whole or in part with CNCS funds under the DVSA.

Program account includes assistance provided by CNCS to support a particular program activity; for example, Foster Grandparent Program, Senior Companion Program and Retired Senior Volunteer Program.

Refunding includes renewal of an application for the assignment of National Senior Service Corps volunteers. 

(80 FR 63457, Oct. 20, 2015)

§ 1206.2–4 Procedures.

(a) The procedures set forth in paragraphs (b) through (g) of this section applies only where an application for refunding submitted by a current recipient is rejected or is reduced to 80 percent or less of the applied-for level of funding or the recipient’s current level of operations, whichever is less. It is further a condition for application of these procedures that the rejection or reduction be based on circumstances related to the particular grant or contract. These procedures do not apply to reductions based on legislative requirements, or on general policy or in instances where, regardless of a recipient’s current level of operations, its application for refunding is not reduced by 20 percent or more. The fact that the basis for rejecting an application may also be a basis for termination under subpart A of this part shall not prevent the use of this subpart to the exclusion of the procedures in subpart A.

(b) Before rejecting an application of a recipient for refunding the Corporation shall notify the recipient of its intention, in writing, at least 75 days before the end of the recipient’s current program year or grant budget period. The notice shall inform the recipient that a tentative decision has been made to reject or reduce an application for refunding. The notice shall state the reasons for the tentative decision to which the recipient shall address itself if it wishes to make a presentation as described in paragraphs (c) and (d) of this section.

(c) If the notice of tentative decision is based on any reasons, other than those described in paragraph (d) of this section, including, but not limited to, situations in which the recipient has ineffectively managed Corporation resources or substantially failed to comply with Corporation policy and overall objectives under a contract or grant agreement with the Corporation, the
recipient shall be informed in the notice, of the opportunity to submit written material and to meet informally with a Corporation official to show cause why its application for refunding should not be rejected or reduced. If the recipient requests an informal meeting, such meeting shall be held on a date specified by the Corporation. However, the meeting may not, without the consent of the recipient, be scheduled sooner than 14 days, nor more than 30 days, after the Corporation has mailed the notice to the recipient. If the recipient requests an informal meeting, the meeting shall be scheduled by the Corporation as soon as possible after receipt of the request. The official who shall conduct this meeting shall be a Corporation official who is authorized to finally approve the refunding in question, or his designee.

(d) If the notice of tentative decision is based upon a specific charge of failure to comply with the terms and conditions of the grant or contract, alleging wrongdoing on the part of the recipient, the notice shall offer the recipient an opportunity for an informal hearing before a mutually agreed-upon impartial hearing officer. The authority of such hearing officer shall be limited to conducting the hearing and offering recommendations. The Corporation will retain all authority to make the final determination as to whether the application should be finally rejected or reduced. If the recipient requests an informal hearing, such hearing shall be held at a date specified by the Corporation. However, such hearing may not, without the consent of the recipient, be scheduled sooner than 14 days nor more than 30 days after the Corporation mails the notice to the recipient.

(e) In the selection of a hearing official and the location of either an informal meeting or hearing, the Corporation, while mindful of considerations of the recipient, will take care to insure that costs are kept to a minimum. The informal meeting or hearing shall be held in the city or county in which the recipient is located, in the appropriate Service Center or Corporation State Office, or another appropriate location. Within the limits stated in the preceding sentence, the decision as to where the meeting shall be held will be made by the Corporation, after weighing the convenience factors of the recipient. For the convenience of the recipient, the Corporation will pay the reasonable travel expenses for up to two representatives of the recipient, if requested.

(f) The recipient shall be informed of the final Corporation decision on refunding and the basis for the decision by the deciding official.

(g) If the recipient’s budget period expires prior to the final decision by the deciding official, the recipient’s authority to continue program operations shall be extended until such decision is made and communicated to the recipient. If a National Senior Service Corps volunteer’s term of service expires after receipt by a sponsor of a tentative decision not to refund a project, the period of service of the volunteer may be similarly extended. No volunteers may be reenrolled for a period of service while a tentative decision not to refund is pending. If program operations are so extended, CNCS and the recipient shall provide, subject to the availability of funds, operating funds at the same levels as in the previous budget period to continue program operations.

§ 1206.2—5 Right to counsel.

In all formal or informal proceedings under this subpart, the recipient and the Corporation shall have the right to be represented by counsel or other authorized representatives, at their own expense.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would be to—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

§§ 1214.131–1214.139 [Reserved]

§ 1214.140 Employment.
No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1214.141–1214.148 [Reserved]

§ 1214.149 Program accessibility: Discrimination prohibited.
Except as otherwise provided in § 1214.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1214.150 Program accessibility: Existing facilities.
(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—
(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps; or
(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1214.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section within sixty days of the effective date of this part except that where structural changes in facilities are undertaken, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be
undertaken to achieve program accessibility, the agency shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the agency official responsible for implementation of the plan.

§ 1214.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 1214.152–1214.159 [Reserved]

§ 1214.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid will be provided, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(b) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(c) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(d) The agency shall provide a sign at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be displayed at each primary entrance to each accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1214.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply...
§§ 1214.161–1214.169

with this section would result in such alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1214.161–1214.169 [Reserved]

§ 1214.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Responsibility for implementation and operation of this section shall be vested in the Director, Equal Opportunity Staff.

PART 1216—NONDISPLACEMENT OF EMPLOYED WORKERS AND NONIMPAIRMENT OF CONTRACTS FOR SERVICE

Sec.
1216.1–1 Purpose.
1216.1–2 Applicability of this part.
1216.1–3 Policy.
1216.1–4 Exceptions.

AUTHORITY: 42 U.S.C. 504(a).

SOURCE: 40 FR 16209, Apr. 10, 1975, unless otherwise noted.

§ 1216.1–1 Purpose.

This part establishes rules to assure that the services of volunteers in the Foster Grandparent Program, the Senior Companion Program, and The Retired and Senior Volunteer Program (RSVP), are limited to activities which would not otherwise be performed by employed workers and which will not supplant the hiring of, or result in the displacement of employed workers or impair existing contracts for service. This part implements section 404(a) of the Domestic Volunteer Service Act of 1973, Public Law 93–113 (the “Act”).

[80 FR 63457, Oct. 20, 2015]

§ 1216.1–2 Applicability of this part.

(a) All volunteers in either the Foster Grandparent Program, the Senior Companion Program, or The Retired and Senior Volunteer Program (RSVP), who are assigned, referred or serving pursuant to grants, contracts, or agreements made pursuant to the Act.

(b) All agencies and organizations to which the volunteers in paragraph (a) of this section are assigned, referred or provide services.

[40 FR 16209, Apr. 10, 1975, as amended at 80 FR 63457, Oct. 20, 2015]

§ 1216.1–3 Policy.

(a) Volunteers enrolled or participating in programs referred to in paragraphs (a) and (b) of §1216.1–2 may not perform any services or duties or engage in activities which would otherwise be performed by an employed worker as part of his assigned duties as an employee.

(b) Volunteer referred to in paragraph (a) of this section may not perform any services or duties or engage in activities which will supplant the hiring of employed workers. This prohibition is violated if, prior to engaging a volunteer, an agency or organization referred to in §1216.1–2(c) had intended to hire a person to undertake all or a substantial part of the services, duties, or other activities to be provided by the volunteer.

(c) Volunteers referred to in paragraph (a) of this section may not perform any services or duties or engage in activities which result in the displacement of employed workers. Such volunteers may not perform services or duties which have been performed by or were assigned to, any of the following: (1) Presently employed workers, (2) Employees who recently resigned or were discharged, (3) Employees who are on leave (terminal, temporary, vacation, emergency, or sick), or (4) Employees who are on strike or who are being locked out.
(d) Volunteers referred to in paragraph (a) of this section may not perform any services or duties or engage in activities which impair existing contracts for service. This prohibition is violated if a contract for services is modified or cancelled because an agency or organization referred to in §1216.1–2(b) engages a volunteer to provide or perform all or a substantial part of any services, duties, or other activities set forth in such contract. The term “contract for services” includes but is not limited to contracts, understandings and arrangements, either written or oral, to provide professional, managerial, technical, or administrative services.

(e) Agencies and organizations referred to in §1216.1–2(b) are prohibited from assigning or permitting volunteers referred to in §1216.1–2(a) to perform any services or duties or engage in any activities prohibited by paragraphs (a) through (d) of this section.

§ 1216.1–4 Exceptions.

(a) The requirements of §1216.1–3 are not applicable to the following, or similar, situations:

(1) Funds are unavailable for the employment of sufficient staff to accomplish a program authorized or of a character eligible for assistance under the Act and the activity, service, or duty is otherwise appropriate for the assignment of a volunteer.

(2) Volunteer services are required in order to avoid or relieve suffering threatened by or resulting from major natural disasters or civil disturbances.

(3) Reasonable efforts to obtain employed workers have been unsuccessful due to the unavailability of persons within the community who are able, willing, and qualified to perform the needed activities.

(4) The assignment of volunteers will significantly expand services to a target community over those which could be performed by existing paid staff, and the activity, service or duty is otherwise appropriate for the assignment of a volunteer and no actual displacement of paid staff will occur as a result of the assignment.

(b) For the purposes of paragraphs (a)(1) and (4) of this section, the assignment is not appropriate for the assignment of a volunteer if:

(1) The service, duty, or activity is principally a routine administrative or clerical task. This definition applies only to any service, duty, or activity performed by a volunteer receiving financial support apart from reimbursement for expenses.

(2) The volunteer is not directly in contact with groups or individuals whom the Act is designed to serve or is not performing services, duties, or engaged in activities authorized or of a character eligible for assistance under the Act.

PART 1217–1219 [RESERVED]

PART 1220—PAYMENT OF VOLUNTEER LEGAL EXPENSES

Subpart A—General

Sec. 1220.1–1 Purpose.

§ 1220.1–1 Purpose.

This part implements section 419 of the Domestic Volunteer Service Act of 1973, Public Law 93–113 (the “Act”). This part provides rules to ensure that the Corporation for National and Community Service, which administers the three federal programs, the Foster Grandparent Program (FGP), the Senior Companion Program (SCP), and The Retired and Senior Volunteer Program (RSVP), pays the expenses incurred in
§ 1220.2–1 Full-time volunteers.

(a)(1) The Corporation for National and Community Service will pay all reasonable expenses for defense of full-time volunteers up to and including the arraignment of Federal, state, and local criminal proceedings, except in cases where it is clear that the charged offense results from conduct which is not related to his service as a volunteer.

(2) Situations where conduct is clearly unrelated to a volunteer’s service are those that arise either:

(i) In a period prior to volunteer service,

(ii) Under circumstances where the volunteer is not at his assigned volunteer project location, such as during periods of administrative, vacation, or emergency leave, or

(iii) When he is at his volunteer station, but the activity or action giving rise to the charged offense is clearly not part of, or required by, such assignment.

(b) Reasonable expenses in criminal proceedings beyond arraignment may be paid in cases where:

(1) The charge against the volunteer relates to his assignment or status as a volunteer, and not his personal status or personal matters. A charge relating to a volunteer’s assignment arises out of any activity or action which is a part of, or required by, such assignment. A charge relating to a volunteer’s status is motivated exclusively by the fact that a defendant is a volunteer.

(2) The volunteer has not admitted a willful or knowing violation of law, and

(3) The charge(s) is not a minor misdemeanor, such as a minor vehicle violation for which a fine or bail forfeiture will not exceed $100.

(c) Notwithstanding the foregoing, there may be situations in which the criminal proceeding results from a situation which could give rise to a civil claim under the Federal Tort Claims Act. In such situations, the Justice Department may agree to defend the volunteer. In those cases, unless there is a conflict between the volunteer’s interest and that of the government, the Corporation for National and Community Service will not pay for additional private representation for the volunteer.

§ 1220.2–2 Part-time volunteers.

(a) With respect to a part-time volunteer, the Corporation for National and Community Service will reimburse a sponsor for the reasonable expense it incurs for the defense of the volunteer in Federal, state and local criminal proceedings, including arraignment, only under the following circumstances:

(1) The proceeding arises directly out of the volunteer’s performance of activities pursuant to the Act;

(2) The volunteer receives, or is eligible to receive, compensation, including allowances, stipend, or reimbursement for out-of-pocket expenses, under a Corporation for National and Community Service grant project; and

(3) The conditions specified in paragraphs (b) (2) and (3) in §1220.2–1 are met.

(b) In certain circumstances volunteers who are ineligible for reimbursement of legal expenses by the Corporation for National and Community Service may be eligible for representation under the Criminal Justice Act (18 U.S.C. 3006A).

§ 1220.2–3 Procedure.

(a) Immediately upon the arrest of any volunteer under circumstances in which the payment or bail to prevent incarceration or other serious consequences to the volunteer or the retention of an attorney prior to arraignment is necessary and is covered under
§ 1220.2–1 or § 1220.2–2, sponsors shall immediately notify the appropriate Corporation for National and Community Service state office or, if the state office cannot be reached, the appropriate Area Manager.

(b) Immediately after notification of the appropriate state office, and with the approval thereof, the sponsor shall advance up to $500 for the payment of bail or such other legal expenses as are necessary prior to arraignment to prevent the volunteer from being incarcerated. In the event it is subsequently determined that the Corporation for National and Community Service or a sponsor is not responsible under this policy for the volunteer’s defense, any such advance may be recovered directly from the volunteer or from allowances, stipends, or out-of-pocket expenses which are payable or become payable to the volunteer. In the case of a grassroots sponsor of full-time volunteers that is not able to provide the $500, the Corporation for National and Community Service state office or Area Manager shall immediately make such sum available to the sponsor.

(c) Immediately upon receipt of notification from the sponsor, the state or regional office shall notify the General Counsel, giving all facts and circumstances at that time known to such office. Thereafter the office shall cooperate with the General Counsel in making an investigation of all surrounding facts and circumstances and shall provide such information immediately to the General Counsel.

(d) The General Counsel shall, upon notification by the state office or Area Manager, determine the extent to which the Corporation for National and Community Service will provide funds for the volunteer’s defense or reimburse a sponsor for funds it spends on the volunteer’s behalf. Included in this responsibility shall be the negotiation of fees and approval of other costs and expenses. State offices and Area Managers are not authorized to commit the Corporation for National and Community Service to the payment of volunteers’ legal expenses or to reimburse a sponsor except as provided in this section, without the express consent of the General Counsel. Additionally, the General Counsel shall, in cases arising directly out of the performance of authorized project activities, ascertain whether the services of the United States Attorney can be made available to the volunteer.

(e) The sponsor and the state and regional office shall have a continuing responsibility for cooperation and coordination with the Office of General Counsel during the pendency of any such litigation, and of notifying the General Counsel of any facts and circumstances which come to the attention of such office or the sponsor which affects such litigation.

[40 FR 28800, July 9, 1975, as amended at 80 FR 63458, Oct. 20, 2015]

Subpart C—Civil and Administrative Proceedings

§ 1220.3–1 Full-time volunteers.

The Corporation for National and Community Service will pay reasonable expenses incurred in the defense of full-time volunteers in Federal, state, and local civil judicial and administrative proceedings where:

(a) The complaint or charge against the volunteer is directly related to his volunteer service and not to his personal activities or obligations.

(b) The volunteer has not admitted willfully or knowingly pursuing a course of conduct which would result in the plaintiff or complainant initiating such a proceeding, and

(c) If the judgment sought involves a monetary award, the amount sought exceeds $100.

[40 FR 28800, July 9, 1975, as amended at 80 FR 63458, Oct. 20, 2015]

§ 1220.3–2 Part-time volunteers.

The Corporation for National and Community Service will reimburse sponsors for the reasonable expenses incidental to the defense of part-time volunteers in Federal, state, and local civil judicial and administrative proceedings where:

(a) The proceeding arises directly out of the volunteer’s performance of activities pursuant to the Act;

(b) The volunteer receives or is eligible to receive compensation, including allowances, stipend, or reimbursement for out-of-pocket expenses under the
§ 1220.3-3 Procedure.

Immediately upon the receipt by a volunteer of any court papers or administrative orders making a party to any proceeding covered under §1220.3-1 or §1220.3-2, the volunteer shall immediately notify his sponsor who in turn shall notify the appropriate Corporation for National and Community Service state office. The procedures referred to in §1220.2-3(c) through (e) shall thereafter be followed as appropriate.

(a) These procedures apply to all Peace Corps or ACTION applicants, trainees, and Volunteers throughout their term of service with the Peace Corps or ACTION. When an applicant, trainee, or Volunteer makes a complaint which contains an allegation of illegal discrimination in connection with an action that would otherwise be processed under a grievance, early termination, or other administrative system of the agency, the allegation of illegal discrimination shall be processed under this part. At the discretion of the appropriate Director, any other issues raised may be consolidated with the discrimination complaint for processing under these regulations. Any issues which are not so consolidated shall continue to be processed under those procedures in which they were originally raised.

(b) The submission of class complaints alleging illegal discrimination officials which resulted in the alleged illegal discrimination;

(3) The manner in which the Peace Corps or ACTION action directly affected the complainant; and

(4) The relief sought.

A complaint shall be deemed filed on the date it is received by the appropriate agency official. When a complaint does not conform with the above definition, it shall nevertheless be accepted. The complainant shall be notified of the steps necessary to correct the deficiencies of the complaint. The complainant shall have 30 days from his or her receipt of notification of the complaint defects to resubmit an amended complaint.

(h) Counselor means an official designated by the EO Director to perform the functions of conciliation as detailed in this part.

(i) Agent means a class member who acts for the class during the processing of a class complaint. In order to be accepted as the agent for a class complaint, in addition to those requirements of a complaint found in §1225.3(g) of this part, the complaint must meet the requirements for a class complaint as found in subpart C of these regulations.
§ 1225.5 Representation.
Any aggrieved party may be represented and assisted in all stages of these procedures by an attorney or representative of his or her own choosing. An aggrieved party must immediately inform the agency if counsel is retained. Attorney fees or other appropriate relief may be awarded in the following circumstances:

(a) Informal adjustment of a complaint. An informal adjustment of a complaint may include an award of attorney fees or other relief deemed appropriate by the EO Director. Where the parties agree on an adjustment of the complaint, but cannot agree on whether attorney fees or costs should be awarded, or on their amount, this issue may be appealed to the appropriate Director to be determined in the manner detailed in §1225.11 of this part.

(b) Final Agency Decision. When discrimination is found, the appropriate Director shall advise the complainant that any request for attorney fees or costs must be documented and submitted for review within 20 calendar days after his or her receipt of the final agency decision. The amount of such awards shall be determined under §1225.11. In the unusual situation in which it is determined not to award attorney fees or other costs to a prevailing complainant, the appropriate Director in his or her final decision shall set forth the specific reasons thereof.

§ 1225.6 Freedom from reprisal.
Aggrieved parties, their representatives, and witnesses will be free from restraint, interference, coercion, discrimination, or reprisal at any stage in the presentation and processing of a complaint, including the counseling stage described in §1225.8 of this part, or any time thereafter.

§ 1225.7 Review of allegations of reprisal.
An aggrieved party, his or her representative, or a witness who alleges restraint, interference, coercion, discrimination, or reprisal in connection with the presentation of a complaint under this part, may, if covered by this part, request in writing that the allegation be reviewed as an individual complaint of discrimination subject to the procedures described in Subpart B or that the allegation be considered as an issue in the complaint at hand.

Subpart B—Processing Individual Complaints of Discrimination

§ 1225.8 Precomplaint procedure.
(a) An aggrieved person who believes that he or she has been subject to illegal discrimination shall bring such allegations to the attention of the appropriate Counselor within 30 days of the alleged discrimination to attempt to resolve them. The process for notifying the appropriate Counselor is the following:

(1) Aggrieved applicants, trainees or Volunteers who have not departed for overseas assignments, or who have returned to Washington for any administrative reason shall direct their allegations to the EO Director for assignment to an appropriate Counselor.

(2) Aggrieved trainees or Volunteers overseas shall direct their allegations to the designated Counselor for that post.

(3) Aggrieved applicants, trainees, and Volunteers applying for, or enrolled in ACTION domestic programs shall direct their allegations to the designated Counselor for that Region.

(b) Upon receipt of the allegation, the Counselor or designee shall make whatever inquiry is deemed necessary into the facts alleged by the aggrieved party and shall counsel the aggrieved party for the purpose of attempting an informal resolution agreeable to all parties. The Counselor will keep a written record of his or her activities which will be submitted to the EO Director if a formal complaint concerning the matter is filed.

(c) If after such inquiry and counseling an informal resolution to the allegation is not reached, the Counselor shall notify the aggrieved party in writing of the right to file a complaint of discrimination with the EO Director within 15 calendar days of the aggrieved party’s receipt of the notice.
Corporation for National and Community Service § 1225.9

(d) The Counselor shall not reveal the identity of the aggrieved party who has come to him or her for consultation, except when authorized to do so by the aggrieved party. However, the identity of the aggrieved party may be revealed once the agency has accepted a complaint of discrimination from the aggrieved party.

§ 1225.9 Complaint procedure.

(a) EO Director. (1) The EO Director must accept a complaint if the process set forth above has followed, and the complaint states a charge of illegal discrimination. The agency will extend the time limits set herein (a) when the complainant shows that he or she was not notified of the time limits and was not otherwise aware of them, or (b) the complainant shows that he or she was prevented by circumstances beyond his or her control from submitting the matter in a timely fashion, or (c) for other reasons considered sufficiently by the agency. At any time during the complaint procedure, the EO Director may cancel a complaint because of failure of the aggrieved party to prosecute the complaint. If the complaint is rejected for failure to meet one or more of the requirements set out in the procedure outlined in §1225.8 or is cancelled, the EO Director shall inform the aggrieved party in writing of this Final Agency Decision; that the Peace Corps or ACTION will take no further action; and of the right, to file a civil action as described in §1225.21 of this part.

(2) Upon acceptance of the complaint and receipt of the Counselor’s report, the EO Director shall provide for the prompt investigation of the complaint. Whenever possible, the person assigned to investigate the complaint shall occupy a position in the agency which is not, directly or indirectly, under the jurisdiction of the head of that part of the agency in which the complaint arose. The investigation shall include a thorough review of the circumstances under which the alleged discrimination occurred, and any other circumstances which may constitute, or appear to constitute discrimination against the complainant. The investigator shall compile an investigative file, which includes a summary of the investigation, recommended findings of fact and a recommended resolution of the complaint. The investigator shall forward the investigative file to the EO Director and shall provide the complainant with a copy.

(3) The EO Director shall review the complaint file including any additional statements provided by the complainant, make findings of fact, and shall offer an adjustment of the complaint if the facts support the complaint. If the proposed adjustment is agreeable to all parties, the terms of the adjustment shall be reduced to writing, signed by both parties, and made part of the complaint file. A copy of the terms of the adjustment shall be provided the complainant. If the proposed adjustment of the complaint is not acceptable to the complainant, or the EO Director determines that such an offer is inappropriate, the EO Director shall forward the complaint file with a written notification of the findings of facts, and his or her recommendation of the proposed disposition of the complaint to the appropriate Director. The aggrieved party shall receive a copy of the notification and recommendation and shall be advised of the right to appeal the recommended disposition to the appropriate Director. Within ten (10) calendar days of receipt of such notice, the complainant may submit his or her appeal of the recommended disposition to the appropriate Director.

(b) Appeal to Director. If no timely notice of appeal is received from the aggrieved party, the appropriate Director or designee may adopt the proposed disposition as the Final Agency Decision. If the aggrieved party appeals, the appropriate Director or designee, after review of the total complaint file, shall issue a decision to the aggrieved party. The decision of the appropriate Director shall be in writing, state the reasons underlying the decision, shall be the Final Agency Decision, shall inform the aggrieved party of the right to file a civil action as described in §1225.21 of this part, and, if appropriate, designate the procedure to be followed for the award of attorney fees or costs.
§ 1225.10 Corrective action.

When it has been determined by Final Agency Decision that the aggrieved party has been subjected to illegal discrimination, the following corrective actions may be taken:

(a) Selection as a Trainee for aggrieved parties found to have been denied selection based on prohibited discrimination.

(b) Reappointment to Volunteer service for aggrieved parties found to have been early-terminated as a result of prohibited discrimination. To the extent possible, a Volunteer will be placed in the same position previously held. However, reassignment to the specific country of prior service, or to the specific position previously held, is contingent on several programmatic considerations such as the continued availability of the position, or program in that country, and acceptance by the host country of such placement. If the same position is deemed to be no longer available, the aggrieved party will be offered a reassignment to a position in as similar circumstances to the position previously held, or to resign from service for reasons beyond his or her control. Such a reassignment may require both additional training and an additional two year commitment to volunteer service.

(c) Provision for reasonable attorney fees and other costs incurred by the aggrieved party.

(d) Such other relief as may be deemed appropriate by the Director of Peace Corps or ACTION.

§ 1225.11 Amount of attorney fees.

(a) When a decision of the agency provides for an award of attorney’s fees or costs, the complainant’s attorney shall submit a verified statement of costs and attorney’s fees as appropriate, to the agency within 20 days of receipt of the decision. A statement of attorney’s fees shall be accompanied by an affidavit executed by the attorney of record itemizing the attorney’s charges for legal services. Both the verified statement and the accompanying affidavit shall be made a part of the complaint file. The amount of attorney’s fees or costs to be awarded the complainant shall be determined by agreement between the complainant, the complainant’s representative and the appropriate Director. Such agreement shall immediately be reduced to writing. If the complainant, the representative and the agency cannot reach an agreement on the amount of attorney’s fees or costs within 20 calendar days of receipt of the verified statement and accompanying affidavit, the appropriate Director shall issue a decision determining the amount of attorney fees or costs within 30 calendar days of receipt of the statement and affidavit. Such decision shall include the specific reasons for determining the amount of the award.

(b) The amount of attorney’s fees shall be made in accordance with the following standards: The time and labor required, the novelty and difficulty of the questions, the skills requisite to perform the legal service properly, the preclusion of other employment by the attorney due to acceptance of the case, the customary fee, whether the fee is fixed or contingent, time limitation imposed by the client or the circumstances, the amount involved and the results obtained, the experience, reputation, and ability of the attorney, the undesirability of the case, the nature and length of the professional relationship with the client, and the awards in similar cases.

§ 1225.12 Precomplaint procedure.

An applicant, trainee or Volunteer who believes that he or she is among a group of present or former Peace Corps or ACTION Volunteers, trainees, or applicants for volunteer service who have been illegally discriminated against and who wants to be an agent for the class shall follow those precomplaint procedures outlined in §1225.8 of this part.

§ 1225.13 Acceptance, rejection or cancellation of complaint.

(a) Upon receipt of a class complaint, the Counselor’s report, and any other information pertaining to timeliness or other relevant circumstances related to the complaint, the EO Director shall review the file to determine whether to
Corporation for National and Community Service § 1225.15

accept or reject the complaint, or a portion thereof, for any of the following reasons:
(1) It was not timely filed;
(2) It consists of an allegation which is identical to an allegation contained in a previous complaint filed on behalf of the same class which is pending in the agency or which has been resolved or decided by the agency;
(3) It is not within the purview of this subpart;
(4) The agent failed to consult a Counselor in a timely manner;
(5) It lacks specificity and detail;
(6) It was not submitted in writing or was not signed by the agent;
(7) It does not meet the following prerequisites.
   (i) The class is so numerous that a consolidated complaint of the members of the class is impractical;
   (ii) There are questions of fact common to the class;
   (iii) The claims of the agent of the class are representative of the claims of the class;
   (iv) The agent of the class, or his or her representative will fairly and adequately protect the interest of the class;
(b) If an allegation is not included in the Counselor’s report, the EO Director shall afford the agent 15 calendar days to explain whether the matter was discussed and if not, why he or she did not discuss the allegation with the Counselor. If the explanation is not satisfactory, the EO Director may decide to reject the allegation. If the explanation is satisfactory, the EO Director may require further counseling of the agent.
(c) If an allegation lacks specificity and detail, or if it was not submitted in writing or not signed by the agent, the EO Director shall afford the agent 30 days from his or her receipt of notification of the complaint defects to submit an amended complaint. The EO Director may decide that the agency reject the complaint if the agent fails to provide such information within the specified time period. If the information provided contains new allegations outside the scope of the complaint, the EO Director must advise the agent how to proceed on an individual or class basis concerning these allegations.
(d) The EO Director may extend the time limits for filing a complaint and for consulting with a Counselor when the agent, or his or her representative, shows that he or she was not notified of the prescribed time limits and was not otherwise aware of them or that he or she was prevented by circumstances beyond his or her control from acting within the time limit.
(e) When appropriate, the EO Director may determine that a class be divided into subclasses and that each subclass be treated as a class, and the provisions of this section then shall be construed and applied accordingly.
(f) The EO Director may cancel a complaint after it has been accepted because of failure of the agent to prosecute the complaint. This action may be taken only after:
   (1) The EO Director has provided the agent a written request, including notice of proposed cancellation, that he or she provide certain information or otherwise proceed with the complaint; and
   (2) Within 30 days of his or her receipt of the request.
(g) An agent must be informed by the EO Director in a request under paragraph (b) or (c) of this section that his or her complaint may be rejected if the information is not provided.

§ 1225.14 Consolidation of complaints.
The EO Director may consolidate the complaint if it involves the same or sufficiently similar allegations as those contained in a previous complaint filed on behalf of the same class which is pending in the agency or which has been resolved or decided by the agency.

§ 1225.15 Notification and opting out.
(a) Upon acceptance of a class complaint, the agency, within 30 calendar days, shall use reasonable means, such as delivery, mailing, distribution, or posting, to notify all class members of the existence of the class complaint.
(b) A notice shall contain:
   (1) The name of the agency or organizational segment thereof, its location and the date of acceptance of the complaint;
   (2) A description of the issues accepted as part of the class complaint;
   (3) A description of the issues rejected as part of the class complaint;

(a) A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible and usable by handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.

(b) A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. Where structural changes are necessary to comply with paragraph (a) of this section, such changes shall be made as soon as practicable, but in no event later than three years after the effective date of the regulation.

(c) In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan which sets forth in detail the steps necessary to complete the changes, and a schedule for taking those steps. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the plan shall be made available for public inspection.

§ 1232.15 New construction.

New facilities shall be designed and constructed to be readily accessible to
and usable by handicapped persons. Construction shall be considered new if ground breaking takes place after the effective date of the regulation. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to be readily accessible to and usable by handicapped persons.

(b) Conformance with Uniform Federal Accessibility Standards. (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101–19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

Subpart D—Procedures

§ 1232.16 Procedures.

The procedural provisions applicable to title VI of the Civil Rights Act of 1964 apply to this part. These procedures are found in §§1203.6 through 1203.11 of this title.

The Director publishes in the Federal Register a list of the Agency’s programs that are subject to these regulations.

§ 1233.4 [Reserved]

§ 1233.5 What is the Director’s obligation with respect to federal interagency coordination?

§ 1233.6 What procedures apply to the selection of programs under these regulations?

(a) A state may select any ACTION program published in the Federal Register in accordance with §1233.3 of this part for intergovernmental review under these regulations. Each state, before selecting programs and activities, shall consult with local elected officials.

(b) Each state that adopts a process shall notify the Director of the Agency’s programs selected for that process.

The Agency may establish deadlines by which states are required to inform the Director of changes in their program selections.

(d) The Director uses a state’s process as soon as feasible, depending on individual programs, after the Director is notified of its selections.

§ 1233.7 How does the Director communicate with state and local officials concerning the Agency’s programs?

(a) The Director provides opportunities for consultation by elected officials of those state and local governments that would provide the nonfederal funds for, or that would be directly affected by, proposed federal financial assistance from the Agency. For those programs covered by a state process under §1233.6, the Director, to the extent permitted by law:

(1) Uses the official state process to determine views of state and local elected officials; and,

(2) Communicates with state and local elected officials, through the official state process, as early in a program planning cycle as is reasonably feasible to explain specific plans and actions.

(b) The Director provides notice to directly affected state, areawide, regional, and local entities in a state of proposed federal financial assistance if:

(1) The state has not adopted a process under the Order; or

(2) The assistance involves a program not selected for the state process.

This notice may be made by publication in the Federal Register, or other appropriate means, which the Agency in its discretion deems appropriate.

§ 1233.8 How does the Director provide states an opportunity to comment on proposed federal financial assistance?

(a) Except in unusual circumstances, the Director gives state processes or directly affected state, areawide, regional and local officials and entities:

(1) At least 30 days from the date established by the Director to comment on proposed federal financial assistance in the form of noncompeting continuation awards; and

(2) At least 60 days from the date established by the Director to comment on proposed federal financial assistance other than noncompeting continuation awards.
(b) This section also applies to comments in cases in which the review, coordination, and communication with the Agency have been delegated.

§ 1233.9 How does the Director receive and respond to comments?

(a) The Director follows the procedures in § 1233.10 if:

(1) A state office or official is designated to act as a single point of contact between a state process and all federal agencies, and

(2) That office or official transmits a state process recommendation for a program selected under § 1233.6.

(b) (1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Agency, or both.

(d) If a program is not selected for a state process, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Agency, or both. In addition, if a state process recommendation for a nonselected program is transmitted to the Agency by the single point of contact, the Director follows the procedures of § 1233.10 of this part.

(e) The Director considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Director is not required to apply the procedures of § 1233.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Agency by a commenting party.

§ 1233.10 How does the Director make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to the Agency through its single point of contact, the Director either:

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with a written explanation of the Agency’s decision, in such form as the Director in his or her discretion deems appropriate. The Director may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Director informs the single point of contact that:

(1) The Agency will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(2) The Director has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purpose of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

§§ 1233.11–1233.12 [Reserved]

§ 1233.13 May the Director waive any provision of these regulations?

In an emergency, the Director may waive any provision of these regulations.

PART 1235—LOCALLY GENERATED CONTRIBUTIONS IN OLDER AMERICAN VOLUNTEER PROGRAMS

Sec. 1235.1 Definitions.
1235.2 Implementation guidance.
1235.3 Statement of policy.

SOURCE: 56 FR 4732, Feb. 6, 1991, unless otherwise noted.
§ 1235.1 Definitions.

As used in this part and in section 224 of the Domestic Volunteer Service Act of 1973, as amended, the following definitions shall apply:

(a) **Director** means the Director of ACTION.

(b) **Locally Generated Contributions** means all contributions generated by the grantee in support of the grant, including non-ACTION Federal, State, local government and privately raised contributions.

(c) **Amount Required by the Director** means the proportion of the non-Federal contribution (including in-kind contributions) for a grant or contract made under the Domestic Volunteer Service Act of 1973, as amended, required by the Director in order to receive ACTION funds. This proportion is generally 10% for the Foster Grandparent Program/Senior Companion Program (FGP/SCP) and generally 10%, 20% and 30% for the Retired Senior Volunteer Program (RSVP) in the first, second, and subsequent years respectively. The “amount required by the Director” is also called the “local match.”

(d) **In Excess of the Amount Required by the Director** means the proportion of the non-Federal contribution (including in-kind contributions) required by the Director of ACTION to be raised from non-ACTION sources to support the grant.

(e) **Inconsistent with the Provisions of This Act** means expenditures not in support of ACTION programs, as defined by the Domestic Volunteer Service Act of 1973, as amended. For example:

(1) Inconsistency with the age threshold for volunteers for all Older American Volunteer Programs (OAVP);

(2) Inconsistency with the low income test for the FGP and SCP programs;

(3) Variations from the approved stipend levels for the FGP and SCP programs;

(4) Inconsistency with the prohibition against political activity under all the OAVP programs; and/or

(5) Unreasonable cost for a low-cost volunteer program.

§ 1235.2 Implementation guidance.

ACTION’s implementation of section 224 of the DVSA is based on fundamental principles regarding the Congressional intent of the Section as well as the Executive Branch’s policy on Federal financial assistance to grantees. These principles include:

(a) That ACTION may not restrict grantees’ use of excess contributions as long as those expenditures are “not inconsistent” with the Domestic Volunteer Service Act of 1973, as amended;

(b) That grantees are to fully account for and document expenditures of non-Federal contributions, regardless of whether they are used to meet ACTION’s local match requirement or are in excess of the requirement; and

§ 1235.3 Statement of policy.

(b) All expenditures by the grantee of Federal and non-Federal funds (including expenditures from excess locally generated contributions) in support of the grant are subject to ACTION authorized audits.

(c) ACTION will not restrict the manner in which locally generated contributions in excess of the required match are expended if these expenditures are not inconsistent with the Domestic Volunteer Service Act of 1973, as amended.

SUBCHAPTERS J-K [RESERVED]
PART 1301—HEAD START GRANTS ADMINISTRATION

Subpart A—General

§1301.1 Purpose and scope.

This part establishes regulations applicable to program administration and grants management for all grants under the Act, including grants for technical assistance and training and grants for research, demonstration, and pilot projects.

§1301.2 Definitions.

For the purposes of this part, unless the context requires otherwise:

Budget period means the interval of time, into which a multi-year period of assistance (project period) is divided for budgetary and funding purposes.

Community means a city, county, a multi-city or multi-county unit within a state, an Indian reservation, or any neighborhood or other geographic area (irrespective of boundaries or political subdivisions) which provides a suitable organizational base and possesses the commonality of interest needed to operate a Head Start program.

Delegate agency means a public or private non-profit organization or agency to which a grantee has delegated all or part of its responsibility for operating a Head Start program.

Development and administrative costs mean costs incurred in accordance with an approved Head Start budget which do not directly relate to the provision of program component services, including services to children with disabilities, as set forth and described in the Head Start program performance standards (45 CFR part 1304).

Dual benefit costs mean costs incurred in accordance with an approved Head Start budget which directly relate to both development and administrative functions and to the program component services, including services to children with disabilities, as set forth and described in the Head Start program performance standards (45 CFR part 1304).

Head Start Agency or “grantee” means a local public or private non-profit agency designated to operate a Head Start program by the responsible HHS official, in accordance with part 1302 of this chapter.

Head Start program means a program, funded under the Act and carried out by a Head Start agency or a delegate agency, that provides ongoing comprehensive child development services.

Independent auditor means an individual accountant or an accounting
§ 1301.10 General

(a) Except as specified in paragraph (b) of this section, the following HHS regulations shall apply to all grants made under the Act:

45 CFR part 16 Department grant appeals process (except as provided in §1301.34)
45 CFR part 46 Protection of Human Subjects
45 CFR part 75 Uniform Administrative Requirements, Cost Principles and Audit Requirements for HHS Awards
45 CFR part 80 Nondiscrimination under programs receiving Federal assistance through the Department of Health and Human Services—Effectuation of title VI of the Civil Rights Act of 1964
45 CFR part 81 Practice and procedure for hearings under part 80
45 CFR part 84 Nondiscrimination on the basis of handicap in Federally assisted programs.

(b) 45 CFR part 75 is superseded as follows:

(1) Section 1301.11 of this subpart supersedes §75.334 of part 75 with respect to insurance and bonding of private, non-profit Head Start agencies; and

(2) Section 1301.12 of this subpart supersedes subpart F of part 75 with respect to audit requirements for all Head Start agencies.

[44 FR 24061, Apr. 24, 1979, as amended at 81 FR 3021, Jan. 20, 2016]

§ 1301.11 Insurance and bonding.

(a) Private nonprofit Head Start agencies and their delegate agencies shall carry reasonable amounts of student accident insurance, liability insurance for accidents of their premises, and transportation liability insurance.

(b) Private nonprofit Head Start and delegate agencies shall make arrangements for bonding officials and employees authorized to disburse program funds.

§ 1301.12 Annual audit of Head Start programs.

(a) An audit of the Head Start program covering the prior budget period of each Head Start agency and its delegate agencies, if any, shall be made by an independent auditor to determine:

(1) Whether the agency's financial statements are accurate;

(2) Whether the agency is complying with the terms and conditions of the grant; and

(3) Whether appropriate financial and administrative procedures and controls have been installed and are operating effectively. Head Start agencies shall either include delegate agency audits as a part of their own audits or provide...
Office of Human Development Services, HHS § 1301.31

for separate independent audits of their delegate agencies.

(b) Upon a written request showing necessity, the responsible HHS official may approve a period other than the prior budget period to be covered by the annual audit.

(c) Unless otherwise approved by the responsible HHS official, the report of the audit shall be submitted to the responsible HHS official, in the manner and form prescribed by him or her, within 4 months after the prior budget period.

§ 1301.13 Accounting system certification.

(a) Upon request by the responsible HHS official, each Head Start agency or its delegate agency shall submit an accounting system certification, prepared by an independent auditor, stating that the accounting system or systems established by the Head Start agency, or its delegate, has appropriate internal controls for safeguarding assets, checking the accuracy and reliability of accounting data, and promoting operating efficiency.

(b) A Head Start agency shall not delegate any of its Head Start program responsibilities to a delegate agency prior to receiving a certification that the delegate agency’s accounting system meets the requirements specified in paragraph (a) of this section.

Subpart C—Federal Financial Assistance

§ 1301.20 Matching requirements.

(a) Federal financial assistance granted under the act for a Head Start program shall not exceed 80 percent of the total costs of the program, unless:

1. An amount in excess of that percentage is approved under section 1301.21; or

2. The Head Start agency received Federal financial assistance in excess of 80 percent for any budget period falling within fiscal year 1973 or fiscal year 1974. Under the circumstances described in subsection (3) of the preceding sentence, the agency is entitled to receive the same percentage of Federal financial assistance that it received during such budget periods.

(b) The non-Federal share will not be required to exceed 20 percent of the total costs of the program.

(c) Federal financial assistance awarded to Head Start grantees for training and technical assistance activities shall be included in the Federal share in determining the total approved costs of the program. Such financial assistance is, therefore, subject to the 20 percent non-Federal matching requirement of this subpart.

§ 1301.21 Criteria for increase in Federal financial assistance.

The responsible HHS official, on the basis of a written application and any supporting evidence he or she may require, will approve financial assistance in excess of 80 percent if he or she concludes that the Head Start agency has made a reasonable effort to meet its required non-Federal share but is unable to do so; and the Head Start agency is located in a county:

(a) That has a personal per capita income of less than $3,000 per year; or

(b) That has been involved in a major disaster.

Subpart D—Personnel and General Administration

§ 1301.30 General requirements.

Head Start agencies and delegate agencies shall conduct the Head Start program in an effective and efficient manner, free of political bias or family favoritism. Each agency shall also provide reasonable public access to information and to the agency’s records pertaining to the Head Start program.

§ 1301.31 Personnel policies.

(a) Written policies. Grantee and delegate agencies must establish and implement written personnel policies for staff, that are approved by the Policy Council or Policy Committee and that are made available to all grantee and delegate agency staff. At a minimum, such policies must include:

1. Descriptions of each staff position, addressing, as appropriate, roles
and responsibilities, relevant qualifications, salary range, and employee benefits (see 45 CFR 1304.52(c) and (d));
(2) A description of the procedures for recruitment, selection and termination (see paragraph (b) of this Section, Staff recruitment and selection procedures);
(3) Standards of conduct (see 45 CFR 1304.52(h));
(4) Descriptions of methods for providing staff and volunteers with opportunities for training, development, and advancement (see 45 CFR 1304.52(k), Training and development);
(5) A description of the procedures for conducting staff performance appraisals (see 45 CFR 1304.52(i), Staff performance appraisals);
(6) Assurances that the program is an equal opportunity employer and does not discriminate on the basis of gender, race, ethnicity, religion or disability; and
(7) A description of employee-management relation procedures, including those for managing employee grievances and adverse actions.

(b) Staff recruitment and selection procedures. (1) Before an employee is hired, grantee or delegate agencies must conduct:
(i) An interview with the applicant;
(ii) A verification of personal and employment references; and
(iii) A State or national criminal record check, as required by State law or administrative requirement. If it is not feasible to obtain a criminal record check prior to hiring, an employee must not be considered permanent until such a check has been completed.
(2) Grantee and delegate agencies must require that all current and prospective employees sign a declaration prior to employment that lists:
(i) All pending and prior criminal arrests and charges related to child sexual abuse and their disposition;
(ii) Convictions related to other forms of child abuse and neglect; and
(iii) All convictions of violent felonies.
(3) Grantee and delegate agencies must review each application for employment individually in order to assess the relevancy of an arrest, a pending criminal charge, or a conviction.

(c) Declaration exclusions. The declaration required by paragraph (b)(2) of this section may exclude:
(1) Traffic fines of $200.00 or less;
(2) Any offense, other than any offense related to child abuse and/or child sexual abuse or violent felonies, committed before the prospective employee’s 18th birthday which was finally adjudicated in a juvenile court or under a youth offender law;
(3) Any conviction the record of which has been expunged under Federal or State law; and
(4) Any conviction set aside under the Federal Youth Corrections Act or similar State authority.

(d) Probationary period. The policies governing the recruitment and selection of staff must provide for a probationary period for all new employees that allows time to monitor employee performance and to examine and act on the results of the criminal record checks discussed in paragraph (b)(1) of this Section.

(e) Reporting child abuse or sexual abuse. Grantee and delegate agencies must develop a plan for responding to suspected or known child abuse or sexual abuse as defined in 45 CFR 1340.2(d) whether it occurs inside or outside of the program.

The information collection requirements are approved by the Office of Management and Budget (OMB) under OMB Control Number 0970–0148 for paragraph (b).)

[61 FR 57225, Nov. 5, 1996, as amended at 63 FR 2313, Jan. 15, 1998]

§ 1301.32 Limitations on costs of development and administration of a Head Start program.

(a) General provisions. (1) Allowable costs for developing and administering a Head Start program may not exceed 15 percent of the total approved costs of the program, unless the responsible HHS official grants a waiver approving a higher percentage for a specific period of time not to exceed twelve months.
(2) The limit of 15 percent for development and administrative costs is a maximum. In cases where the costs for development and administration are at or below 15 percent, but are judged by
Office of Human Development Services, HHS

§ 1301.32

the responsible HHS official to be excessive, the grantee must eliminate excessive development and administrative costs.

(b) Development and administrative costs. (1) Costs classified as development and administrative costs are those costs related to the overall management of the program. These costs can be in both the personnel and non-personnel categories.

(2) Grantees must charge the costs of organization-wide management functions as development and administrative costs. These functions include planning, coordination and direction; budgeting, accounting, and auditing; and management of purchasing, property, payroll and personnel.

(3) Development and administrative costs include, but are not limited to, the salaries of the executive director, personnel officer, fiscal officer/bookkeeper, purchasing officer, payroll/insurance/property clerk, janitor for administrative office space, and costs associated with volunteers carrying out administrative functions.

(4) Other development and administrative costs include expenses related to administrative staff functions such as the costs allocated to fringe benefits, travel, per diem, transportation and training.

(5) Development and administrative costs include expenses related to bookkeeping and payroll services, audits, and bonding; and, to the extent they support development and administrative functions and activities, the costs of insurance, supplies, copy machines, postage, and utilities, and occupying, operating and maintaining space.

(c) Program costs. Program costs include, but are not limited to:

(1) Personnel and non-personnel costs directly related to the provision of program component services and component training and transportation for staff, parents and volunteers;

(2) Costs of functions directly associated with the delivery of program component services through the direction, coordination or implementation of a specific component;

(3) Costs of the salaries of program component coordinators and component staff, janitorial and transportation staff involved in program component efforts, and the costs associated with parent involvement and component volunteer services; and

(4) Expenses related to program staff functions, such as the allocable costs of fringe benefits, travel, per diem and transportation, training, food, center classroom supplies and equipment, parent activities funds, insurance, and the occupation, operation and maintenance of program component space, including utilities.

(d) Dual benefit costs. (1) Some costs benefit both the program components as well as development and administrative functions within the Head Start program. In such cases, grantees must identify and allocate appropriately the portion of the costs that are for development and administration.

(2) Dual benefit costs include, but are not limited to, salaries, benefits and other costs (such as travel, per diem, and training costs) of staff who perform both program and development and administrative functions. Grantees must determine and allocate appropriately the part of these costs dedicated to development and administration.

(3) Space costs, and costs related to space, such as utilities, are frequently dual benefit costs. The grantee must determine and allocate appropriately the amount or percentage of space dedicated to development and administration.

(e) Relationship between development and administrative costs and indirect costs. (1) Grantees must categorize costs in a Head Start program as development and administrative or program costs. These categorizations are separate from the decision to charge such costs directly or indirectly.

(2) Grantees must charge all costs, whether program or development and administrative, either directly to the project or as part of an indirect cost pool.

(f) Requirements for compliance. (1) Head Start grantees must calculate the percentage of their total approved costs allocated to development and administration as a part of their budget submission for initial funding, refunding or for a request for supplemental assistance in connection with a Head Start program. These costs may be a
part of the direct or the indirect cost pool.

(2) The Head Start grant applicant shall delineate all development and administrative costs in its application.

(3) Indirect costs which are categorized as program costs must be fully explained in the application.

(g) Waiver. (1) The responsible HHS official may grant a waiver of the 15 percent limitation on development and administrative costs and approve a higher percentage for a specific period of time not to exceed twelve months. The conditions under which a waiver will be considered are listed below and encompass those situations under which development and administrative costs are being incurred, but the provision of actual services has not begun or has been suspended. A waiver may be granted when:

(i) A new Head Start grantee or delegate agency is being established or services are being expanded by an existing Head Start grantee or delegate agency, and the delivery of component services to children and families is delayed until all program development and planning is well underway or completed; or

(ii) Component services are disrupted in an existing Head Start program due to circumstances not under the control of the grantee.

(2) A Head Start grantee that estimates that the cost of development and administration will exceed 15 percent of total approved costs must submit a request for a waiver that explains the reasons for exceeding the limitation. This must be done as soon as the grantee determines that it cannot comply with the 15 percent limit, regardless of where the grantee is within the grant funding cycle.

(3) The request for the waiver must include the period of time for which the waiver is requested. It must also describe the action the grantee will take to reduce its development and administrative costs so that the grantee will be able to assure that these costs will not exceed 15 percent of the total approved costs of the program after the completion of the waiver period.

(4) If granted, the waiver and the period of time for which it will be granted will be indicated on the Financial Assistance Award.

(5) If a waiver requested as a part of a grant application for funding or refunding is not approved, no Financial Assistance Award will be awarded to the Head Start program until the grantee resubmits a revised budget that complies with the 15 percent limitation.

(Information collection requirements contained in paragraphs (f) (2) and (3) of this section were approved on January 26, 1993, by the Office of Management and Budget under Control Number 0980-1043).

§ 1301.33 Delegation of program operations.

Federal financial assistance is not available for program operations where such operations have been delegated to a delegate agency by a Head Start agency unless the delegation of program operations is made by a written agreement and has been approved by the responsible HHS official before the delegation is made.

§ 1301.34 Grantee appeals.

An agency receiving a grant under the Act for technical assistance and training, or for a research, demonstration, or pilot project may appeal adverse decisions in accordance with part 16 of this title. Head Start agencies are also subject to the appeal procedures in part 16 except appeals by those agencies for suspension, termination and denial of refunding are subject to part 1303 of this title.
Subpart A—General

§ 1302.1 Purpose and scope.

The purpose of this part is to set forth policies and procedures for the selection, initial funding and refunding of Head Start grantees and for the selection of replacement grantees in the event of the voluntary or involuntary termination, or denial of refunding, of Head Start programs. It particularly provides for consideration of the need for selection of a replacement grantee where the continuing eligibility (legal status) and fiscal capability (financial viability) of a grantee to operate a Head Start program is cast in doubt by the cessation of funding under section 519 of the Act or by the occurrence of some other major change. It is intended that Head Start programs be administered effectively and responsibly; that applicants to administer programs receive fair and equitable consideration; and that the legal rights of current Head Start grantees be fully protected.

§ 1302.2 Definitions.

As used in this part—

Act means Title V of The Economic Opportunity Act of 1964, as amended.

Approvable application means an application for a Head Start program, either as an initial application or as an application to amend an approved application governing an on-going Head Start program, which, in addition to showing that the applicant has legal status and financial viability, provides for comprehensive services for children and families and for effective and responsible administration which are in conformity with the Act and applicable regulations, the Head Start Manual and Head Start policies.

Community action agency means a public or private nonprofit agency or organization designated as a community action agency by the Director of the Community Services Administration pursuant to section 210(a) or section 210(d) of the Act.

Community action program means a program operated by a community action agency.

Financial viability means the capability of an applicant or the continuing capability of a grantee to furnish the non-Federal share of the cost of operating an approvable or approved Head Start program.

Head Start grantee or grantee means a public or private nonprofit agency or organization whose application to operate a Head Start program pursuant to section 514 of the Act has been approved by the responsible HHS official.

Indian tribe means any tribe, band, nation, pueblo, or other organized group or community of Indians, including any Native village described in section 3(c) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602 (c)) or established pursuant to such Act (43 U.S.C. 1601 et seq.) that is recognized as eligible for special programs and services provided by the United States to Indians because of their status as Indians.

Legal status means the existence of an applicant or grantee as a public agency or organization under the law of the State in which it is located, or existence as a private nonprofit agency or organization as a legal entity recognized under the law of the State in
§ 1302.3 Consultation with public officials and consumers.

Responsible HHS officials will consult with Governors, or their representatives, appropriate local general purpose government officials, and Head Start Policy Council and other appropriate representatives of communities to be served on the proposed replacement of Head Start grantees.

§ 1302.4 Transfer of unexpended balances.

When replacing a grantee, unexpended balances of funds in the possession of such grantee in the fiscal year following the fiscal year for which the funds were appropriated may be transferred to the replacement grantee if the approved application of the replacement grantee provides for the continuation of the Head Start services without significant change to the same enrollees and their parents and undertakes to offer employment to the staff of the terminating grantee. A letter of concurrence in the change should be obtained from the terminating grantee whenever possible.

§ 1302.5 Notice for show cause and hearing.

(a) Except in emergency situations, the responsible HHS official will not suspend financial assistance under the Act unless the grantee has been given an opportunity, in accordance with part 1303, subpart D, of this chapter, to show cause why such action should not be taken.

(b) The responsible HHS official will not terminate a grant, suspend a grant for longer than 30 days, or deny refunding to a grantee, unless the grantee has been given an opportunity for a hearing in accordance with part 1303 of this chapter.

§ 1302.10 Selection among applicants.

(a) The basis for selection of applicants proposing to operate a Head Start program will be the extent to which the applicants demonstrate in their application the most effective Head Start program.

(b) In addition to the applicable criteria at section 641(d) of the Head Start Act, the criteria for selection will include:

1. The cost effectiveness of the proposed program;
2. The qualifications and experience of the applicant and the applicant’s staff in planning, organizing and providing comprehensive child development services at the community level, including the administrative and fiscal capability of the applicant to administer all Head Start programs carried out in the designated service area;
3. The quality of the proposed program as indicated by adherence to or evidence of the intent and capability to adhere to Head Start Performance Standards (in 45 CFR part 1304) and program policies, including the opportunities provided for employment of target area residents and career development for paraprofessional and other staff and provisions made for the direct participation of parents in the planning, conduct and administration of the program;
4. The proposed program design and option including the suitability of facilities and equipment proposed to be used in carrying out the program, as it relates to community needs and as the applicant proposes to implement the program in accordance with program policies and regulations; and
5. The need for Head Start services in the community served by the applicant.

§ 1302.11 Selection among applicants to replace grantee.

The bases for making a selection among applicants which submit approvable applications to replace a grantee, in addition to the basis in §1302.10 of this part, shall be:
(a) The extent to which provision is made for a continuation of services to the eligible children who have been participating as enrollees in the program;

(b) The extent to which provision is made for continuation of services to the target area or areas served by the program; and

(c) The extent to which provision is made for continued employment by the applicant of the qualified personnel of the existing program.

Subpart C—Change in Grantee Requiring Amendment of Approved Application or Replacement of Head Start Program

§ 1302.20 Grantee to show both legal status and financial viability.

(a) Upon the occurrence of a change in the legal condition of a grantee or of a substantial diminution of the financial resources of a grantee, or both, for example, such as might result from cessation of grants to the grantee under section 514 of the Act, the grantee is required within 30 days after the effective date of the regulations in this Part or the date the grantee has notice or knowledge of the change, whichever is later, to show in writing to the satisfaction of the responsible HHS official that it has and will continue to have legal status and financial viability. Failure to make this showing may result in suspension, termination or denial of refunding.

(b) The responsible HHS official will notify the grantee in writing of the decision as to the grantee’s legal status and financial viability within 30 days after receiving the grantee’s written submittal.

(c) When it is consistent with proper and efficient administration, the responsible HHS official may extend a grantee’s program year to end on the date when a change in its legal condition or a substantial diminution of financial resources, or both, is scheduled to take place.

§ 1302.21 Grantee shows legal status but not financial viability.

(a) If a grantee shows legal status but impaired financial viability the responsible HHS official will entertain a timely request for amendment of the grantee’s approved application which restores the grantee’s financial viability either by a reduction in the program which produces minimum disruption to services and functions, or by an amendment which incorporates essential functions and services not previously funded as part of the total cost of the Head Start program, and, therefore, requires an increase in the amount of the Head Start grant but which will not result in a Federal share of the total cost of the Head Start program in excess of the percentage authorized by the Act or applicable regulations. In considering such a request which includes an increase in the Head Start grant the responsible HHS official will take into account the funds available to him for obligation and whether the proposed increase is consistent with that distribution of Head Start funds which:

(1) Maximizes the number of children served within his area of responsibility, or in the case of experimental or demonstration programs, the experimental or demonstration benefits to be achieved, and

(2) Maintains approximately the same distribution of Head Start program funds to States as exist during the fiscal year in which his decision is made.

(b) A request for amendment will be considered to be timely if it is included with the written submittal required by § 1302.20(a) of this part, submitted within 30 days after receiving the notice required by § 1302.20(b) of this part, or submitted as a part of a timely application for refunding.

(c) The grantee will be notified in writing by the responsible HHS official within 30 days after submission of the requested amendment of the decision to approve or disapprove the requested amendment. If the requested amendment is disapproved the notice will contain a statement of the reasons for disapproval.

§ 1302.22 Suspension or termination of grantee which shows financial viability but not legal status.

If a grantee fails to show that it will continue to have legal status after the
§ 1302.23 Suspension or termination of grantee which shows legal status but not financial viability.

(a) If the date of change of financial viability precedes or will precede the end of the grantee’s program year the grant will be suspended or terminated on that date, or, if a request for amendment has been submitted under §1302.21 of this part, upon written notice of disapproval of the requested amendment, whichever is later. If it appears reasonable to the responsible HHS official that the deficiency in financial viability will be corrected within 30 days he may suspend the grant for not to exceed 30 days after the date of change or notice of disapproval. If such correction has not been made within the 30 day period the grant shall be terminated.

§ 1302.24 Denial of refunding of grantee.

(a) If the date of change will coincide with or will come after the end of the program year and the grantee has notice or knowledge of such change prior to the end of the program year any action taken to approve the grantee’s application for refunding for the following program year shall be subject to rescission or ratification depending upon the decision of the responsible HHS official on the grantee’s legal status and financial viability and any requested amendment submitted by the grantee. If the requested amendment is disapproved the responsible HHS official may extend the program year in accordance with §1302.20(c) of this part.

(b) If the date of change coincides with the end of the program year and the grantee does not have notice or knowledge of the change prior thereto and the grantee’s application for refunding for the following program year has been approved, such approval shall be subject to rescission or ratification depending upon the decision of the responsible HHS official on the grantee’s legal status and viability and on any requested financial amendment submitted by the grantee.

(c) If the date of change will coincide with or will come after the end of the program year and if the responsible HHS official has prior notice thereof from the grantee or other official source such as the Community Services Administration action to approve any application for refunding submitted by the grantee shall be deferred pending decision by the responsible HHS official on the grantee’s legal status and financial viability and any requested amendment submitted by the grantee.

(d) When the responsible HHS official determines to approve a requested amendment for refunding he will approve it for the full term of the proposed program period, if that period as approved is no longer than a program year.

§ 1302.25 Control of funds of grantee scheduled for change.

Responsible HHS officials will place strict controls on the release of grant funds to grantees which are scheduled for change by cessation of their grants under section 519 of the Act. Specifically, the following controls will be established:

(a) Funds will be released on a monthly basis regardless of the form of grant payment.

(b) Funds released each month will be limited to the amount required to cover actual disbursements during that period for activities authorized under the approved Head Start program.

(c) The amount of funds released must be approved each month by the responsible HHS official.

Subpart D—Replacement of Indian Tribal Grantees

SOURCE: 63 FR 34329, June 24, 1998, unless otherwise noted.
§ 1302.30 Procedure for identification of alternative agency.

(a) An Indian tribe whose Head Start grant has been terminated, or which has been denied refunding as a Head Start grantee, may identify an agency and request the responsible HHS official to designate such agency as an alternative agency to provide Head Start services to the tribe if:

1. The tribe was the only agency that was receiving federal financial assistance to provide Head Start services to members of the tribe; and

2. The tribe would be otherwise precluded from providing such services to its members because of the termination or denial of refunding.

(b)(1) The responsible HHS official, when notifying a tribal grantee of the intent to terminate financial assistance or deny its application for refunding, must notify the grantee that it may identify an agency and request that the agency serve as the alternative agency in the event that the grant is terminated or refunding denied.

(2) The tribe must identify the alternate agency to the responsible HHS official, in writing, within the time for filing an appeal under 45 CFR Part 1303.

(3) The responsible HHS official will notify the tribe, in writing, whether the alternative agency proposed by the tribe is found to be eligible for Head Start funding and capable of operating a Head Start program. If the alternative agency identified by the tribe is not an eligible agency capable of operating a Head Start program, the tribe will have 15 days from the date of the sending of the notification to that effect from the responsible HHS official to identify another agency and request that the agency be designated. The responsible HHS official will notify the tribe in writing whether the second proposed alternate agency is found to be an eligible agency capable of operating the Head Start program.

(4) If the tribe does not identify a suitable alternative agency, a replacement grantee will be designated under these regulations.

(c) If the tribe appeals a termination of financial assistance or a denial of refunding, it will, consistent with the terms of 45 CFR Part 1303, continue to be funded pending resolution of the appeal. However, the responsible HHS official and the grantee will proceed with the steps outlined in this regulation during the appeal process.

(d) If the tribe does not identify an agency and request that the agency be appointed as the alternative agency, the responsible HHS official will seek a permanent replacement grantee under these regulations.

§ 1302.31 Requirements of alternative agency.

The agency identified by the Indian tribe must establish that it meets all requirements established by the Head Start Act and these requirements for designation as a Head Start grantee and that it is capable of conducting a Head Start program. The responsible HHS official, in deciding whether to designate the proposed agency, will analyze the capacity and experience of the agency according to the criteria found in section 641(d) of the Head Start Act and §§1302.10 (b)(1) through (5) and 1302.11 of this part.

§ 1302.32 Alternative agency—prohibition.

(a) No agency will be designated as the alternative agency pursuant to this subpart if the agency includes an employee who:

1. Served on the administrative or program staff of the Indian tribal grantee, and

2. Was responsible for a deficiency that:

   (i) Relates to the performance standards or financial management standards described in the Head Start Act; and

   (ii) Was the basis for the termination or denial of refunding described in §1302.30 of this part.

(b) The responsible HHS official shall determine whether an employee was responsible for a deficiency within the meaning and context of this section.
PART 1303—APEAL PROCEDURES FOR HEAD START GRANTEEES AND CURRENT OR PROSPECTIVE DELEGATE AGENCIES

Subpart A—General

§ 1303.1 Purpose and application.
This part prescribes regulations based on section 646 of the Head Start Act, 42 U.S.C. 9841, as it applies to grantees and current or prospective delegate agencies engaged in or wanting to engage in the operation of Head Start programs under the Act. It prescribes the procedures for appeals by current and prospective delegate agencies from specified actions or inaction by grantees. It also provides procedures for reasonable notice and opportunity to show cause in cases of suspension of financial assistance by the responsible HHS official and for an appeal to the Departmental Appeals Board by grantees in cases of denial of refunding, termination of financial assistance, and suspension of financial assistance.

§ 1303.2 Definitions.
As used in this part:

* Denial of Refunding means the refusal of a funding agency to fund an application for a continuation of a Head Start program and for a subsequent program year when the decision is based on a determination that the grantee has improperly conducted its program, or is incapable of doing so properly in the future, or otherwise is in violation of applicable law, regulations, or other policies.
* Funding Agency means the agency that provides funds directly to either a grantee or a delegate agency. ACYF is the funding agency for a grantee, and a grantee is the funding agency for a delegate agency.

designated as a Head Start agency under 42 U.S.C. 9836 and which has been granted financial assistance by the responsible HHS official to operate a Head Start program.

Interim Grantee means an agency which has been appointed to operate a Head Start program for a period of time not to exceed one year while an appeal of a denial of refunding, termination or suspension action is pending.

Prospective Delegate Agency means a public or private non-profit agency or organization which has applied to a grantee to serve as a delegate agency.

Responsible HHS Official means the official who is authorized to make the grant of financial assistance to operate a Head Start program or his or her designee.

Submittal means the date of actual receipt or the date the material was served in accordance with §1303.5 of this part for providing documents or notices of appeals, and similar matters, to either grantees, delegate agencies, prospective delegate agencies, or ACYF.

Substantial Rejection means that a funding agency requires that the funding of a current delegate agency be reduced to 80 percent or less of the current level of operations for any reason other than a determination that the delegate agency does not need the funds to serve all the eligible persons it proposes to serve.

Suspension of a grant means temporary withdrawal of the grantee's authority to obligate grant funds pending corrective action by the grantee.

Termination of a grant or delegate agency agreement means permanent withdrawal of the grantee's or delegate agency's authority to obligate previously awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or delegate agency. Termination does not include:

1. Withdrawal of funds awarded on the basis of the grantee's or delegate agency's underestimate of the unobligated balance in a prior period;
2. Refusal by the funding agency to extend a grant or award additional funds (such as refusal to make a competing or noncompeting continuation renewal, extension or supplemental award);
3. Withdrawal of the unobligated balance as of the expiration of a grant;
4. Annulment, i.e., voiding of a grant upon determination that the award was obtained fraudulently or was otherwise illegal or invalid from its inception.

Work day means any 24 hour period beginning at 12 a.m. local time and continuing for 24 hours. It excludes Saturdays, Sundays, and legal holidays. Any time ending on one of the excluded days shall extend to 5 p.m. of the next full work day.

§1303.3 Right to attorney, attorney fees, and travel costs.

(a) All parties to proceedings under this part, including informal proceedings, have the right to be represented by an attorney.

1. Attorney fees may be charged to the program grant in an amount equal to the usual and customary fees charged in the locality. However, such fees may not exceed $250.00 per day, adjusted annually to reflect the percentage change in the Consumer Price Index for All Urban Consumers (issued by the Bureau of Labor Statistics) beginning one year after the effective date of these regulations. The grantee or delegate agency may use current operating funds to pay these costs. The fees of only one attorney may be charged to the program grant with respect to a particular dispute. Such fees may not be charged if the grantee or delegate agency has an attorney on its staff, or if it has a retainer agreement with an attorney which fully covers fees connected with litigation. The grantee or delegate agency shall have the burden of establishing the usual and customary fees and shall furnish documentation to support that determination that is satisfactory to the responsible HHS official.

2. A grantee or delegate agency may designate up to two persons to attend and participate in proceedings held under this Part. Travel and per diem costs of such persons, and of an attorney representing the grantee or delegate agency, shall not exceed those allowable under Standard Governmental Travel Regulations in effect at the time of the travel.
§ 1303.4 Remedies.
(b) In the event that use of program funds under this section would result in curtailment of program operations or inability to liquidate prior obligations, the party so affected may apply to the responsible HHS official for payment of these expenses.
(c) The responsible HHS official, upon being satisfied that these expenditures would result in curtailment of program operations or inability to liquidate prior obligations, must make payment therefor to the affected party by way of reimbursement from currently available funds.

§ 1303.5 Service of process.
Whenever documents are required to be filed or served under this part, or notice provided under this part, certified mail shall be used with a return receipt requested. Alternatively, any other system may be used that provides proof of the date of receipt of the documents by the addressee. If this regulation is not complied with, and if a party alleges that it failed to receive documents allegedly sent to it, there will be a rebuttable presumption that the documents or notices were not sent as required by this part, or as alleged by the party that failed to use the required mode of service. The presumption may be rebutted only by a showing supported by a preponderance of evidence that the material was in fact submitted in a timely manner.

§ 1303.6 Successor agencies and officials.
Wherever reference is made to a particular Federal agency, office, or official it shall be deemed to apply to any other agency, office, or official which subsequently becomes responsible for administration of the program or any portion of it.

§ 1303.7 Effect of failure to file or serve documents in a timely manner.
(a) Whenever an appeal is not filed within the time specified in these or related regulations, the potential appellant shall be deemed to have consented to the proposed action and to have waived all rights of appeal.
(b) Whenever a party has failed to file a response or other submission within the time required in these regulations, or by order of an appropriate HHS responsible official, the party shall be deemed to have waived the right to file such response or submission.
(c) A party fails to comply with the requisite deadlines or time frames if it exceeds them by any amount.
(d) The time to file an appeal, response, or other submission may be waived in accordance with §1303.8 of this part.

§ 1303.8 Waiver of requirements.
(a) Any procedural requirements required by these regulations may be waived by the responsible HHS official or such waiver requests may be granted by the Departmental Appeals Board in those cases where the Board has jurisdiction. Requests for waivers must be in writing and based on good cause.
(b) Approvals of waivers must be in writing and signed by the responsible HHS official or by the Departmental Appeals Board when it has jurisdiction.
(c) “Good cause” consists of the following:
(1) Litigation dates cannot be changed;
(2) Personal emergencies pertaining to the health of a person involved in and essential to the proceeding or to a member of that person’s immediate family, spouse, parents, or siblings;
(3) The complexity of the case is such that preparation of the necessary documents cannot reasonably be expected to be completed within the standard time frames;
(4) Other matters beyond the control of the party requesting the waiver, such as strikes and natural disasters.
(d) Under no circumstances may “good cause” consist of a failure to meet a deadline due to the oversight of either a party or its representative.
(e) Waivers of timely filing or service shall be granted only when necessary in the interest of fairness to all parties, including the Federal agency. They will be granted sparingly as prompt resolution of disputes is a major goal of these regulations. The responsible HHS official or the Departmental Appeals Board shall have the right, on own motion or on motion of a party, to require such documentation as deemed necessary in support of a request for a waiver.

(f) A request for an informal meeting by a delegate agency, including a prospective delegate agency, may be denied by the responsible HHS official, on motion of the grantee or on his or her own motion, if the official concludes that the written appeal fails to state plausible grounds for reversing the grantee’s decision or the grantee’s failure to act on an application.

(g) The requirements of this section may not be waived.

Subpart B—Appeals by Grantees

§ 1303.10 Purpose.

(a) This subpart establishes rules and procedures for the suspension of a grantee, denial of a grantee’s application for refunding, or termination of assistance under the Act for circumstances related to the particular grant, such as ineffective or improper use of Federal funds or for failure to comply with applicable laws, regulations, policies, instructions, assurances, terms and conditions or, in accordance with part 1302 of this chapter, upon loss by the grantee of legal status or financial viability.

(b) This subpart does not apply to any administrative action based upon any violation, or alleged violation, of title VI of the Civil Rights Act of 1964.

§ 1303.11 Suspension on notice and opportunity to show cause.

(a) After receiving concurrence from the Commissioner, ACYF, the responsible HHS official may suspend financial assistance to a grantee in whole or in part for breach or threatened breach of any requirement stated in §1303.10 pursuant to notice and opportunity to show cause why assistance should not be suspended.

(b) The responsible HHS official will notify the grantee as required by §1303.5 or by telegram that ACYF intends to suspend financial assistance, in whole or in part, unless good cause is shown why such action should not be taken. The notice will include:

1. The grounds for the proposed suspension;
2. The effective date of the proposed suspension;
3. Information that the grantee has the opportunity to submit written material in opposition to the intended suspension and to meet informally with the responsible HHS official regarding the intended suspension;
4. Information that the written material must be submitted to the responsible HHS official at least seven days prior to the effective date of the proposed suspension and that a request for an informal meeting must be made in writing to the responsible HHS official no later than seven days after the day the notice of intention to suspend was mailed to the grantee;
5. Invitation to correct the deficiency by voluntary action; and
6. A copy of this subpart.

(c) If the grantee requests an informal meeting, the responsible HHS official will fix a time and place for the meeting. In no event will such meeting be scheduled less than seven days after the notice of intention to suspend was sent to the grantee.

(d) The responsible HHS official may at his or her discretion extend the period of time or date for making requests or submitting material by the grantee and will notify the grantee of any such extension.

(e) At the time the responsible HHS official sends the notice of intention to suspend financial assistance to the grantee, the official will send a copy of it to any delegate agency whose activities or failures to act are a substantial cause of the proposed suspension, and will inform such delegate agency that it is entitled to submit written material in opposition and to participate in the informal meeting with the responsible HHS official if one is held. In addition, the responsible HHS official may give such notice to any other Head Start delegate agency of the grantee.
(f) Within three days of receipt of the notice of intention to suspend financial assistance, the grantee shall send a copy of such notice and a copy of this subpart to all delegate agencies which would be financially affected by the proposed suspension action. Any delegate agency that wishes to submit written material may do so within the time stated in the notice. Any delegate agency that wishes to participate in the informal meeting regarding the intended suspension, if not otherwise afforded a right to participate, may request permission to do so from the responsible HHS official, who may grant or deny such permission. In acting upon any such request from a delegate agency, the responsible HHS official will take into account the effect of the proposed suspension on the particular delegate agency, the extent to which the meeting would become unduly complicated as a result of granting such permission, and the extent to which the interests of the delegate agency requesting such permission appear to be adequately represented by other participants.

(g) The responsible HHS official will consider any timely material presented in writing, any material presented during the course of the informal meeting as well as any showing that the grantee has adequately corrected the deficiency which led to the suspension proceedings. The decision of the responsible HHS official will be made within five days after the conclusion of the informal meeting, or, if no informal meeting is held, within five days of receipt by the responsible HHS official of written material from all concerned parties. If the responsible HHS official concludes that the grantee has failed to show cause why financial assistance should not be suspended, the official may suspend financial assistance in whole or in part and under such terms and conditions as he or she specifies.

(h) Notice of such suspension will be promptly transmitted to the grantee as required in §1303.5 of this part or by some other means showing the date of receipt, and shall become effective upon delivery or on the date delivery is refused or the material is returned. Suspension shall not exceed 30 days unless the responsible HHS official and the grantee agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated in accordance with §1303.14, the suspension of financial assistance will be rescinded.

(i) New obligations incurred by the grantee during the suspension period will be not be allowed unless the granting agency expressly authorizes them in the notice of suspension or an amendment to it. Necessary and otherwise allowable costs which the grantee could not reasonably avoid during the suspension period will be allowed if they result from obligations properly incurred by the grantee before the effective date of the suspension and not in anticipation of suspension or termination. At the discretion of the granting agency, third-party in-kind contributions applicable to the suspension period may be allowed in satisfaction of cost sharing or matching requirements.

(j) The responsible HHS official may appoint an agency to serve as an interim grantee to operate the program until the grantee’s suspension is lifted.

(k) The responsible HHS official may modify the terms, conditions and nature of the suspension or rescind the suspension action at any time on his or her own initiative or upon a satisfactory showing that the grantee has adequately corrected the deficiency which led to the suspension and that repetition is not threatened. Suspension partly or fully rescinded may, at the discretion of the responsible HHS official, be reimposed with or without further proceedings, except that the total time of suspension may not exceed 30 days unless termination proceedings are initiated in accordance with §1303.14 or unless the responsible HHS official and the grantee agree to continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension of financial assistance will be rescinded.
without prior notice and an opportunity to show cause if it is determined that immediate suspension is necessary because of a serious risk of:

(1) Substantial injury to property or loss of project funds; or
(2) Violation of a Federal, State, or local criminal statute; or
(3) If staff or participants’ health and safety are at risk.

(b) The notice of summary suspension will be given to the grantee as required by §1303.5 of this part, or by some other means showing the date of receipt, and shall become effective on delivery or on the date delivery is refused or the material is returned unclaimed.

(c) The notice must include the following items:

(1) The effective date of the suspension;
(2) The grounds for the suspension;
(3) The extent of the terms and conditions of any full or partial suspension;
(4) A statement prohibiting the grantee from making any new expenditures or incurring any new obligations in connection with the suspended portion of the program; and
(5) A statement advising the grantee that it has an opportunity to show cause at an informal meeting why the suspension should be rescinded. The request for an informal meeting must be made by the grantee in writing to the responsible HHS official no later than five workdays after the effective date of the notice of summary suspension as described in paragraph (b) of this section.

(d) If the grantee requests in writing the opportunity to show cause why the suspension should be rescinded, the responsible HHS official will fix a time and place for an informal meeting for this purpose. This meeting will be held within five workdays after the grantee’s request is received by the responsible HHS official. Notwithstanding the provisions of this paragraph, the responsible HHS official may proceed to deny refunding or initiate termination proceedings at any time even though financial assistance of the grantee has been suspended in whole or in part.

(e) Notice of summary suspension must also be furnished by the grantee to its delegate agencies within two workdays of its receipt of the notice from ACYF by certified mail, return receipt requested, or by any other means showing dates of transmittal and receipt or return as undeliverable or unclaimed. Delegate agencies affected by the summary suspension have the right to participate in the informal meeting as set forth in paragraph (d) of this section.

(f) The effective period of a summary suspension of financial assistance may not exceed 30 days unless:

(1) The conditions creating the summary suspension have not been corrected; or
(2) The parties agree to a continuation of the summary suspension for an additional period of time; or
(3) The grantee, in accordance with paragraph (d) of this section, requests an opportunity to show cause why the summary suspension should be rescinded, in which case it may remain in effect in accordance with paragraph (h) of this section; or
(4) Termination or denial of refunding proceedings are initiated in accordance with §1303.14 or §1303.15.

(g) Any summary suspension that remains in effect for more than 30 days is subject to the requirements of §1303.13 of this part. The only exceptions are where there is an agreement under paragraph (f)(2) of this section, or the circumstances described in paragraph (f)(4) or (h)(1) of this section exist.

(h)(1) If the grantee requests an opportunity to show cause why a summary suspension should be rescinded, the suspension of financial assistance will continue in effect until the grantee has been afforded such opportunity and a decision has been made by the responsible HHS official.

(2) If the suspension continues for more than 30 days, the suspension remains in effect even if it is appealed to the Departmental Appeals Board.

(3) Notwithstanding any other provisions of these or other regulations, if a denial of refunding occurs or a termination action is instituted while the summary suspension is in effect, the suspension shall merge into the later action and funding shall not be available until the action is rescinded or a decision favorable to the grantee is rendered.
§ 1303.13 Appeal by a grantee of a suspension continuing for more than 30 days.

(a) This section applies to summary suspensions that are initially issued for more than 30 days and summary suspensions continued for more than 30 days except those identified in paragraph §1303.12(g) of this part.

(b) After receiving concurrence from the Commissioner, ACYF, the responsible HHS official may suspend a grant for more than 30 days. A suspension may, among other bases, be imposed for the same reasons that justify termination of financial assistance or which justify a denial of refunding of a grant.

(c) A notice of a suspension under this section shall set forth:

(1) The reasons for the action;

(2) The duration of the suspension, which may be indefinite;

(3) The fact that the action may be appealed to the Departmental Appeals Board and the time within which it must be appealed.

(d) During the period of suspension, a grantee may not incur any valid obligations against Federal Head Start grant funds, nor may any grantee expenditure or provision of in-kind services or items of value made during the period be counted as applying toward any required matching contribution required of a grantee, except as otherwise provided in this part.

(e) The responsible HHS official may appoint an agency to serve as an interim grantee to operate the program until either the grantee’s suspension is lifted or a new grantee is selected in accordance with subpart B of this part.

(f) At the discretion of the funding agency, third-party in-kind contributions applicable to the suspension period may be allowed in satisfaction of cost sharing or matching requirements.

(g) The responsible HHS official may modify the terms, conditions and nature of the summary suspension or rescind the suspension action at any time upon receiving satisfactory evidence that the grantee has adequately corrected the deficiency which led to the suspension and that the deficiency will not occur again. Suspension partly or fully rescinded may, at the discretion of the responsible HHS official, be reimposed with or without further proceedings.
All such appeals shall be addressed to the Departmental Appeals Board, and the appellant will send a copy of the appeal to the Commissioner, ACYF, and the responsible HHS official. Appeals will be governed by the Departmental Appeals Board’s regulations at 45 CFR part 16, except as otherwise provided in the Head Start appeals regulations. Any grantee requesting a hearing as part of its appeal shall be afforded one by the Departmental Appeals Board.

(g) If a grantee is successful on its appeal any costs incurred during the period of suspension that are otherwise allowable may be paid with Federal grant funds. Moreover, any cash or in-kind contributions of the grantee during the suspension period that are otherwise allowable may be counted toward meeting the grantee’s non-Federal share requirement.

(h) If a grantee’s appeal is denied by the Departmental Appeals Board, but the grantee is subsequently restored to the program because it has corrected those conditions which warranted the suspension, its activities during the period of the suspension remain outside the scope of the program.

Federal funds may not be used to offset any costs during the period, nor may any cash or in-kind contributions received during the period be used to meet non-Federal share requirements.

(i) If the Federal agency institutes termination proceedings during a suspension, or denies refunding, the two actions shall merge and the grantee need not file a new appeal. Rather, the Departmental Appeals Board will be notified by the Federal agency and will automatically be vested with jurisdiction over the termination action or the denial of refunding and will, pursuant to its rules and procedures, permit the grantee to respond to the notice of termination. In a situation where a suspension action is merged into a termination action in accordance with this section, the suspension continues until there is an administrative decision by the Departmental Appeals Board on the grantee’s appeal.

§ 1303.14 Appeal by a grantee from a termination of financial assistance.

(a) After receiving concurrence from the Commissioner, ACYF, the responsible HHS official may terminate financial assistance to a grantee. Financial assistance may be terminated in whole or in part.

(b) Financial assistance may be terminated for any or all of the following reasons:

1. The grantee is no longer financially viable;
2. The grantee has lost the requisite legal status or permits;
3. The grantee has failed to comply with the required fiscal or program reporting requirements applicable to grantees in the Head Start program;
4. The grantee has failed to timely correct one or more deficiencies as defined in 45 CFR Part 1304;
5. The grantee has failed to comply with the eligibility requirements and limitations on enrollment in the Head Start program, or both;
6. The grantee has failed to comply with the Head Start grants administration requirements set forth in 45 CFR part 1301;
7. The grantee has failed to comply with the requirements of the Head Start Act;
8. The grantee is debarred from receiving Federal grants or contracts;
9. The grantee fails to abide by any other terms and conditions of its award of financial assistance, or any other applicable laws, regulations, or other applicable Federal or State requirements or policies.

(c) A notice of termination shall set forth:

1. The legal basis for the termination under paragraph (b) of this section, the factual findings on which the termination is based or reference to specific findings in another document that form the basis for the termination (such as reference to item numbers in an on-site review report or instrument), and citation to any statutory provisions, regulations, or policy issuances on which ACF is relying for its determination.
2. The fact that the termination may be appealed within 30 days to the Departmental Appeals Board (with a
copy of the appeal sent to the responsible HHS official and the Commissioner, ACYF) and that such appeal shall be governed by 45 CFR part 16, except as otherwise provided in the Head Start appeals regulations, and that any grantee that requests a hearing shall be afforded one, as mandated by 42 U.S.C. 9841.

(3) That the appeal may be made only by the Board of Directors of the grantee or an official acting on behalf of such Board.

(4) That, if the activities of a delegate agency are the basis, in whole or in part, for the proposed termination, the identity of the delegate agency.

(5) That the grantee’s appeal must meet the requirements set forth in paragraph (d) of this section.

(6) That a failure by the responsible HHS official to meet the requirements of this paragraph may result in the dismissal of the termination action without prejudice, or the remand of that action for the purpose of reissuing it with the necessary corrections.

(d) A grantee’s appeal must:

(1) Be in writing;

(2) Specifically identify what factual findings are disputed;

(3) Identify any legal issues raised, including relevant citations;

(4) Include an original and two copies of each document the grantee believes is relevant and supportive of its position (unless the grantee has obtained permission from the Departmental Appeals Board to submit fewer copies);

(5) Include any request for specifically identified documents the grantee wishes to obtain from ACF and a statement of the relevance of the requested documents, and a statement that the grantee has attempted informally to obtain the documents from ACF and was unable to do so;

(6) Grantees may submit additional documents within 14 days of receipt of the documentation submitted by ACF in response to the grantee’s appeal and initial submittals. The ACF response to the appeal and initial submittals of the grantee shall be filed no later than 30 days after ACF’s receipt of the material. In response to such a submittal, ACF may submit additional documents should it have any, or request discovery in connection with the new documents, or both, but must do so within 10 days of receipt of the additional filings;

(7) Include a statement on whether the grantee is requesting a hearing; and

(8) Be filed with the Departmental Appeals Board and be served on the responsible HHS official who issued the termination notice and on the Commissioner of ACYF. The grantee must also serve a copy of the appeal on any delegate agency that would be financially affected at the time the grantee files its appeal.

(e) The Departmental Appeals Board sanctions with respect to a grantee’s failure to comply with the provisions of paragraph (d) of this section are as follows:

(1) If in the judgment of the Departmental Appeals Board a grantee has failed to substantially comply with the provisions of the preceding paragraphs of this section, its appeal must be dismissed with prejudice.

(2) If the Departmental Appeals Board concludes that the grantee’s failures are not substantial, but are confined to one or a few specific instances, it shall bar the submittal of an omitted document, or preclude the raising of an argument or objection not timely raised in the appeal, or deny a request for a document or other “discovery” request not timely made.

(3) The sanctions set forth in paragraphs (e)(1) and (2) of this section shall not apply if the Departmental Appeals Board determines that the grantee has shown good cause for its failure to comply with the relevant requirements. Delays in obtaining representation shall not constitute good cause. Matters within the control of its agents and attorneys shall be deemed to be within the control of the grantee.

(f) (1) During a grantee’s appeal of a termination decision, funding will continue until an adverse decision is rendered or until expiration of the then current budget period. At the end of the current budget period, if a decision has not been rendered, the responsible HHS official shall award an interim grant to the grantee until a decision is made.
(2) If a grantee’s funding has been suspended, no funding shall be available during the termination proceedings, or at any other time, unless the action is rescinded or the grantee’s appeal is successful. An interim grantee will be appointed during the appeal period.

(3) If a grantee does not appeal an administrative decision to court within 30 days of its receipt of the decision, a replacement grantee will be immediately sought. An interim grantee may be named, if needed, pending the selection of a replacement grantee.

(4) An interim grantee may be sought even though the grantee has appealed an administrative decision to court within 30 days, if the responsible HHS official determines it necessary to do so. Examples of circumstances that warrant an interim grantee are to protect children and families from harm and Federal funds from misuse or dissipation or both.

(g) If the Departmental Appeals Board informs a grantee that a proposed termination action has been set down for hearing, the grantee shall, within five days of its receipt of this notice, send a copy of it to all delegate agencies which would be financially affected by the termination and to each delegate agency identified in the notice. The grantee shall send the Departmental Appeals Board and the responsible HHS official a list of all delegate agencies notified and the dates of notification.

(h) If the responsible HHS official initiated termination proceedings because of the activities of a delegate agency, that delegate agency may participate in the hearing as a matter of right. Any other delegate agency, person, agency or organization that wishes to participate in the hearing may request permission to do so from the Departmental Appeals Board. Any request for participation, including a request by a delegate agency, must be filed within 30 days of the grantee’s appeal.

(i) The results of the proceeding and any measure taken thereafter by ACYF pursuant to this part shall be fully binding upon the grantee and all its delegate agencies, whether or not they actually participated in the hearing.

(j) A grantee may waive a hearing and submit written information and argument for the record. Such material shall be submitted within a reasonable period of time to be fixed by the Departmental Appeals Board upon the request of the grantee. The failure of a grantee to request a hearing, or to appear at a hearing which a date had been set, unless excused for good cause, shall be deemed a waiver of the right to a hearing and consent to the making of a decision on the basis of written information and argument submitted by the parties to the Departmental Appeals Board.

(k) The responsible HHS official may attempt, either personally or through a representative, to resolve the issues in dispute by informal means prior to the hearing.

§ 1303.15 Appeal by a grantee from a denial of refunding.

(a) After receiving concurrence from the Commissioner, ACYF, a grantee’s application for refunding may be denied by the responsible HHS official for circumstances described in paragraph (c) of this section.

(b) When an intention to deny a grantee’s application for refunding is arrived at on a basis to which this subpart applies, the responsible HHS official will provide the grantee as much advance notice thereof as is reasonably possible, in no event later than 30 days after the receipt by ACYF of the application. The notice will inform the grantee that it has the opportunity for a full and fair hearing on whether refunding should be denied.

(1) Such appeals shall be governed by 45 CFR part 16, except as otherwise provided in the Head Start appeals regulations. Any grantee which requests a hearing shall be afforded one, as mandated by 42 U.S.C. 9841.

(2) Any such appeals must be filed within 30 days after the grantee receives notice of the decision to deny refunding.

(c) Refunding of a grant may be denied for any or all of the reasons for which a grant may be terminated, as set forth in §1303.14(b) of this part.
(d) Decisions to deny refunding shall be in writing, signed by the responsible HHS official, dated, and sent in compliance with §1303.5 of this part or by telegram, or by any other mode establishing the date sent and received by the addressee, or the date it was determined delivery could not be made, or the date delivery was refused. A Notice of Decision shall contain:

1. The legal basis for the denial of refunding under paragraph (c) of this section, the factual findings on which the denial of refunding is based or references to specific findings in another document that form the basis for the denial of refunding (such as reference to item numbers in an on-site review report or instrument), and citation to any statutory provisions, regulations or policy issuances on which ACF is relying for its determination.

2. The identity of the delegate agency, if the activities of that delegate agency are the basis, in whole or in part, for the proposed denial of refunding; and

3. If the responsible HHS official has initiated denial of refunding proceedings because of the activities of a delegate agency, the delegate agency may participate in the hearing as a matter of right. Any other delegate agency, person, agency or organization that wishes to participate in the hearing may request permission to do so from the Departmental Appeals Board. Any request for participation, including a request by a delegate agency, must be filed within 30 days of the grantee’s appeal.

4. A statement that failure of the notice of denial of refunding to meet the requirements of this paragraph may result in the dismissal of the denial of refunding action without prejudice, or the remand of that action for the purpose of reissuing it with the necessary corrections.

(e) The appeal may be made only by the Board of Directors of the grantee or by an official acting on behalf of such Board.

(f) If the responsible HHS official has initiated denial of refunding proceedings because of the activities of a delegate agency, that delegate agency may participate in the hearing as a matter of right. Any other delegate agency, person, agency or organization that wishes to participate in the hearing may request permission to do so from the Departmental Appeals Board. Any request for participation, including a request by a delegate agency, must be filed within 30 days of the grantee’s appeal.

(g) Paragraphs (i), (j), and (k) of 45 CFR 1303.14 shall apply to appeals of denials of refunding.

(h) The Departmental Appeals Board sanctions with respect to a grantee’s appeal of denial of refunding are as follows:

1. If in the judgment of the Departmental Appeals Board a grantee has failed to substantially comply with the provisions of the preceding paragraphs of this section, its appeal must be dismissed with prejudice.

2. If the Departmental Appeals Board concludes that the grantee’s failure to comply is not substantial, but is confined to one or a few specific instances, it shall bar the submittal of an omitted document, or preclude the raising of an argument or objection not timely raised in the appeal, or deny a request for a document or other “discovery” request not timely made.

3. The sanctions set forth in paragraphs (h)(1) and (2) of this section shall not apply if the Departmental Appeals Board determines that a grantee has shown good cause for its failure to comply with the relevant requirements. Delays in obtaining representation shall not constitute good cause. Matters within the control of its agents and attorneys shall be deemed to be within the control of the grantee.

§ 1303.16 Conduct of hearing.

(a) The presiding officer shall conduct a full and fair hearing, avoid delay, maintain order, and make a sufficient record of the facts and issues. To accomplish these ends, the presiding officer shall have all powers authorized by law, and may make all procedural and evidentiary rulings necessary for the conduct of the hearing. The hearing shall be open to the public unless the presiding officer for good cause shown otherwise determines.
(b) Communications outside the record are prohibited as provided by 45 CFR 16.17.

(c) Both ACYF and the grantee are entitled to present their case by oral or documentary evidence, to submit rebuttal evidence and to conduct such examination and cross-examination as may be required for a full and true disclosure of all facts bearing on the issues. The issues shall be those stated in the notice required to be filed by paragraph (g) of this section, those stipulated in a prehearing conference or those agreed to by the parties.

(d) Prepared written direct testimony will be used in appeals under this part in lieu of oral direct testimony. When the parties submit prepared written direct testimony, witnesses must be available at the hearing for cross-examination and redirect examination. If a party can show substantial hardship in using prepared written direct testimony, the Departmental Appeals Board may exempt it from the requirement. However, such hardship must be more than difficulty in doing so, and it must be shown with respect to each witness.

(e) In addition to ACYF, the grantee, and any delegate agencies which have a right to appear, the presiding officer may permit the participation in the proceedings of such persons or organizations as deemed necessary for a proper determination of the issues involved. Such participation may be limited to those issues or activities which the presiding officer believes will meet the needs of the proceeding, and may be limited to the filing of written material.

(f) Any person or organization that wishes to participate in a proceeding may apply for permission to do so from the Departmental Appeals Board. This application must be made within 30 days of the grantee’s appeal in the case of the appeal of termination or denial of refunds. The final decision in an appeal whether or not there is a hearing must be rendered not later than 60 days after the closing of the record. If the grantee is alleged to have violated ACYF requirements, the notice will be served and filed not later than ten work days prior to the hearing.

§ 1303.17 Time for hearing and decision.

(a) Any hearing on an appeal by a grantee from a notice of suspension, termination, or denial of refunding must be commenced no later than 120 days from the date the grantee's appeal is received by the Departmental Appeals Board. The final decision in an appeal whether or not there is a hearing must be rendered not later than 60 days after the closing of the record, i.e., 60 days after the Board receives the final authorized submission in the case.

(b) All hearings will be conducted expeditiously and without undue delay or postponement.

(c) The time periods established in paragraph (a) of this section may be extended if:

(1) The parties jointly request a stay to engage in settlement negotiations,

(2) Either party requests summary disposition; or

(3) The Departmental Appeals Board determines that the Board is unable to hold a hearing or render its decision within the specified time period for
§ 1303.20 Appeals to grantees by current or prospective delegate agencies of rejection of an application, failure to act on an application, or termination of a grant or contract.

(a) A grantee must give prompt, fair and adequate consideration to applications submitted by current or prospective delegate agencies to operate Head Start programs. The failure of the grantee to act within 30 days after receiving the application is deemed to be a rejection of the application.

(b) A grantee must notify an applicant in writing within 30 days after receiving the application of its decision to either accept or to wholly or substantially reject it. If the decision is to wholly or substantially reject the application, the notice shall contain a statement of the reasons for the decision and a statement that the applicant has the right to appeal the decision within ten work days after receipt of the notice. If a grantee fails to act on the application by the end of the 30 day period which grantees have to review applications, the current or prospective delegate agency may appeal to the grantee in writing, within 15 work days of the end of the 30 day grantee review period.

(c) A grantee must notify a delegate agency in writing of its decision to terminate its agreement with the delegate agency, explaining the reasons for its decision and that the delegate agency has the right to appeal the decision to the grantee within ten work days after receipt of the notice.

(d) The grantee has 20 days to review the written appeal and issue its decision. If the grantee sustains its earlier termination of an award or its rejection of an application, the current or prospective delegate agency may appeal in writing, to the responsible HHS official. The appeal must be submitted to the responsible HHS official within ten work days after the receipt of the grantee’s final decision. The appeal must fully set forth the grounds for the appeal.

(e) A grantee may not reject the application or terminate the operations of a delegate agency on the basis of defects or deficiencies in the application or in the operation of the program without first:

(1) Notifying the delegate agency of the defects and deficiencies;
(2) Providing, or providing for, technical assistance so that defects and deficiencies can be corrected by the delegate agency; and
(3) Giving the delegate agency the opportunity to make appropriate corrections.

(f) An appeal filed pursuant to a grantee failing to act on a current or prospective delegate agency’s application within a 30 day period need only contain a copy of the application, the date filed, and any proof of the date the grantee received the application. The grantee shall have five days in which to respond to the appeal.

(g) Failure to appeal to the grantee regarding its decision to reject an application, terminate an agreement, or failure to act on an application shall bar any appeal to the responsible HHS official.

§ 1303.21 Procedures for appeal by current or prospective delegate agencies to the responsible HHS official from denials by grantees of an application or failure to act on an application.

(a) Any current or prospective delegate agency that is dissatisfied with the decision of a grantee rendered under § 1303.20 may appeal to the responsible HHS official whose decision is final and not appealable to the Commissioner, ACYF. Such an appeal must be in writing and it must fully set forth the grounds for the appeal and be accompanied by all documentation that the current or prospective delegate agency believes is relevant and supportive of this position, including all written material or documentation submitted to the grantee under the procedures set forth in § 1303.20, as well as a copy of any decision rendered by the grantee. A copy of the appeal and all material filed with the responsible HHS official must be simultaneously served on the grantee.
Office of Human Development Services, HHS § 1303.21

(b) In providing the information required by paragraph (a) of this section, delegate agencies must set forth:

(1) Whether, when and how the grantee advised the delegate agency of alleged defects and deficiencies in the delegate agency’s application or in the operation of its program prior to the grantee’s rejection or termination notice;

(2) Whether the grantee provided the delegate agency reasonable opportunity to correct the defects and deficiencies, the details of the opportunity that was given and whether or not the grantee provided or provided for technical advice, consultation, or assistance to the current delegate agency concerning the correction of the defects and deficiencies;

(3) What steps or measures, if any, were undertaken by the delegate agency to correct any defects or deficiencies;

(4) When and how the grantee notified the delegate agency of its decision;

(5) Whether the grantee told the delegate agency the reasons for its decision and, if so, how such reasons were communicated to the delegate agency and what they were;

(6) If it is the delegate agency’s position that the grantee acted arbitrarily or capriciously, the reasons why the delegate agency takes this position; and

(7) Any other facts and circumstances which the delegate agency believes supports its appeal.

c) The grantee may submit a written response to the appeal of a prospective delegate agency. It may also submit additional information which it believes is relevant and supportive of its position.

d) In the case of an appeal by a delegate agency, the grantee must submit a written statement to the responsible HHS official responding to the items specified in paragraph (b) of this section. The grantee must include information that explains why it acted properly in arriving at its decision or in failing to act, and any other facts and circumstances which the grantee believes supports its position.

e)(1) The responsible HHS official may meet informally with the current or prospective delegate agency if such official determines that such a meeting would be beneficial to the proper resolution of the appeal. Such meetings may be conducted by conference call.

(2) An informal meeting must be requested by the current or prospective delegate agency at the time of the appeal. In addition, the grantee may request an informal meeting with the responsible HHS official. If none of the parties requests an informal meeting, the responsible HHS official may hold such a meeting if he or she believes it would be beneficial for a proper resolution of the dispute. Both the grantee and the current or prospective delegate agency may attend any informal meeting concerning the appeal. If a party wishes to oppose a request for a meeting it must serve its opposition on the responsible HHS official and any other party within five work days of its receipt of the request.

(f) A grantee’s response to appeals by current or prospective delegate agencies must be submitted to the responsible HHS official within ten work days of receipt of the materials served on it by the current or prospective delegate agency in accordance with paragraph (a) of this section. The grantee must serve a copy of its response on the current or prospective delegate agency.

(g) The responsible HHS official shall notify the current or prospective delegate agency and the grantee whether or not an informal meeting will be held. If an informal meeting is held, it must be held within ten work days after the notice by the responsible HHS official is mailed. The responsible HHS official must designate either the Regional Office or the place where the current or prospective delegate agency or grantee is located for holding the informal meeting.

(h) If an informal meeting is not held, each party shall have an opportunity to reply in writing to the written statement submitted by the other party. The written reply must be submitted to the responsible HHS official within five work days after the notification required by paragraph (g) of this section. If a meeting is not to be held, notice of that fact shall be served on the parties within five work days of the receipt of a timely response to such a request or the expiration of the time
§ 1303.22 Decision on appeal in favor of grantee.

(a) If the responsible HHS official finds in favor of the grantee, the appeal will be dismissed unless there is cause to remand the matter back to the grantee.

(b) The grantee’s decision will be sustained unless it is determined by the responsible HHS official that the grantee acted arbitrarily, capriciously, or otherwise contrary to law, regulation, or other applicable requirements.

(c) The decision will be made within ten workdays after the informal meeting. The decision, including a statement of the reasons therefor, will be in writing, and will be served on the parties within five workdays from the date of the decision by the responsible HHS official.

(d) If the decision is made on the basis of written materials only, the decision will be made within five workdays of the receipt of the materials. The decision will be served on the parties no more than five days after it is made.

§ 1303.23 Decision on appeal in favor of the current or prospective delegate agency.

(a) The responsible HHS official will remand the rejection of an application or termination of an agreement to the grantee for prompt reconsideration and decision if the responsible HHS official’s decision does not sustain the grantee’s decision, and if there are issues which require further development before a final decision can be made. The grantee’s reconsideration and decision must be made in accordance with all applicable requirements of this part as well as other relevant regulations, statutory provisions, and program issuances. The grantee must issue its decision on remand in writing to both the current or prospective delegate agency and the responsible HHS official within 15 workdays after the date of receipt of the remand.

(b) If the current or prospective delegate agency is dissatisfied with the grantee’s decision on remand, it may appeal to the responsible HHS official within five workdays of its receipt of that decision. Any such appeal must comply with the requirements of §1303.21 of this part.

(c) If the responsible HHS official finds that the grantee’s decision on remand is incorrect or if the grantee fails to issue its decision within 15 workdays, the responsible HHS official will entertain an application by the current or prospective delegate agency for a direct grant.

(1) If such an application is approved, there will be a commensurate reduction in the level of funding of the grantee and whatever other action is deemed appropriate in the circumstances. Such reduction in funding shall not be considered a termination or denial of refunding and may not be appealed under this part.

(2) If such an application is not approved, the responsible HHS official will take whatever action he or she deems appropriate under the circumstances.

(d) If, without fault on the part of a delegate agency, its operating funds are exhausted before its appeal has been decided, the grantee will furnish sufficient funds for the maintenance of the delegate agency’s current level of operations until a final administrative decision has been reached.

(e) If the responsible HHS official sustains the decision of the grantee following remand, he or she shall notify the parties of the fact within 15 work days of the receipt of final submittal of documents, or of the conclusion of any meeting between the official and the parties, whichever is later.

§ 1304.1 Purpose and scope.

This part describes regulations implementing sections 641A, 644(a) and (c), and 645A(h) of the Head Start Act, as amended (42 U.S.C. 9801 et seq.). Section 641A, paragraph (a)(3)(C) directs the Secretary of Health and Human Services to review and revise, as necessary, the Head Start Program Performance Standards in effect under prior law. This paragraph further provides that any revisions should not result in an elimination or reduction of requirements regarding the scope or types of Head Start services to a level below that of the requirements in effect on November 2, 1978. Section 641A(a) directs the Secretary to issue regulations establishing performance standards and minimum requirements with respect to health, education, parent involvement, nutrition, social, transition, and other Head Start services as well as administrative and financial management, facilities, and other appropriate program areas. Sections 644(a) and (c) require the issuance of regulations setting standards for the organization, management, and administration of Head Start programs. Section 645A(h) requires that the Secretary develop and publish performance standards for the newly authorized program for low-income pregnant women and families with infants and toddlers, entitled “Early Head Start.” The following regulations respond to these provisions in the Head Start Act, as amended, for new or revised Head Start Program Performance Standards. These new regulations define standards and minimum requirements for the entire range of Early Head Start and Head Start services, including those specified in the authorizing legislation. They are applicable to both Head Start and Early Head Start programs, with the exceptions noted, and are to be used in conjunction with the regulations at 45 CFR parts 1301, 1302, 1303, 1305, 1306, and 1308.

§ 1304.2 Effective date.

Early Head Start and Head Start grantee and delegate agencies must comply with these requirements on January 1, 1998. Nothing in this part
§ 1304.3 Definitions.

(a) As used in this part:

(1) Assessment means the ongoing procedures used by appropriate qualified personnel throughout the period of a child’s eligibility to identify:

(i) The child’s unique strengths and needs and the services appropriate to meet those needs; and

(ii) The resources, priorities, and concerns of the family and the supports and services necessary to enhance the family’s capacity to meet the developmental needs of their child.

(2) Children with disabilities means, for children ages 3 to 5, those with mental retardation, hearing impairments including deafness, speech or language impairments, visual impairments including blindness, serious emotional disturbance, orthopedic impairments, autism, traumatic brain injury, other health impairments, specific learning disabilities, deaf-blindness, or multiple disabilities, and who, by reason thereof, need special education and related services. The term “children with disabilities” for children aged 3 to 5, inclusive, may, at a State’s discretion, include children experiencing developmental delays, as defined by the State and as measured by appropriate diagnostic instruments and procedures, in one or more of the following areas: Physical development, cognitive development, communication development, social or emotional development, or adaptive development; and who, by reason thereof, need special education and related services. The term “infants and toddlers with disabilities” means infants and toddlers from birth to three years, as identified under the Part H Program (Individuals with Disabilities Education Act) in their State.

(3) Collaboration and collaborative relationships:

Subpart B—Early Childhood Development and Health Services

§ 1304.20 Child health and developmental services.

(a) Determining child health status. (1) In collaboration with the parents and as quickly as possible, but no later than 90 calendar days (with the exception noted in paragraph (a)(2) of this section) from the child’s entry into the program (for the purposes of 45 CFR 1304.20(a)(1), 45 CFR 1304.20(a)(2), and 45 CFR 1304.20(b)(1), “entry” means the first day that Early Head Start or Head Start services are provided to the child), grantee and delegate agencies must:
   (i) Make a determination as to whether or not each child has an ongoing source of continuous, accessible health care. If a child does not have a source of ongoing health care, grantee and delegate agencies must assist the parents in accessing a source of care;
   (ii) Obtain from a health care professional a determination as to whether the child is up-to-date on a schedule of
ag appropriate preventive and primary health care which includes medical, dental and mental health. Such a schedule must incorporate the requirements for a schedule of well child care utilized by the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) program of the Medicaid agency of the State in which they operate, and the latest immunization recommendations issued by the Centers for Disease Control and Prevention, as well as any additional recommendations from the local Health Services Advisory Committee that are based on prevalent community health problems:

(A) For children who are not up-to-date on an age-appropriate schedule of well child care, grantee and delegate agencies must assist parents in making the necessary arrangements to bring the child up-to-date;

(2) Grantee and delegate agencies operating programs of shorter durations (90 days or less) must complete the above processes and those in 45 CFR 1304.20(b)(1) within 30 calendar days from the child’s entry into the program.

(b) Screening for developmental, sensory, and behavioral concerns. (1) In collaboration with each child’s parent, and within 45 calendar days of the child’s entry into the program, grantee and delegate agencies must perform or obtain linguistically and age appropriate screening procedures to identify concerns regarding a child’s developmental, sensory (visual and auditory), behavioral, motor, language, social, cognitive, perceptual, and emotional skills (see 45 CFR 1308.6(b)(3) for additional information). To the greatest extent possible, these screening procedures must be sensitive to the child’s cultural background.

(2) Grantee and delegate agencies must obtain direct guidance from a mental health or child development professional on how to use the findings to address identified needs.

(3) Grantee and delegate agencies must utilize multiple sources of information on all aspects of each child’s development and behavior, including input from family members, teachers, and other relevant staff who are familiar with the child’s typical behavior.

to access other available sources of funding.

(d) Ongoing care. In addition to assuring children’s participation in a schedule of well child care, as described in §1304.20(a) of this part, grantee and delegate agencies must implement ongoing procedures by which Early Head Start and Head Start staff can identify any new or recurring medical, dental, or developmental concerns so that they may quickly make appropriate referrals. These procedures must include: periodic observations and recordings, as appropriate, of individual children’s developmental progress, changes in physical appearance (e.g., signs of injury or illness) and emotional and behavioral patterns. In addition, these procedures must include observations from parents and staff.

(f) Individualization of the program. (1) Grantee and delegate agencies must use the information from the screening for developmental, sensory, and behavioral concerns, the ongoing observations, medical and dental evaluations and treatments, and insights from the child’s parents to help staff and parents determine how the program can best respond to each child’s individual characteristics, strengths and needs.

(2) To support individualization for children with disabilities in their programs, grantee and delegate agencies must assure that:

(i) Services for infants and toddlers with disabilities and their families support the attainment of the expected outcomes contained in the Individualized Family Service Plan (IFSP) for children identified under the infants and toddlers with disabilities program (Part H) of the Individuals with Disabilities Education Act, as implemented by their State or Tribal government;

(ii) Enrolled families with infants and toddlers suspected of having a disability are promptly referred to the local early intervention agency designated by the State Part H plan to coordinate any needed evaluations, determine eligibility for Part H services, and coordinate the development of an IFSP for children determined to be eligible under the guidelines of that State’s program. Grantee and delegate agencies must support parent participation in the evaluation and IFSP development process for infants and toddlers enrolled in their program;

(iii) They participate in and support efforts for a smooth and effective transition for children who, at age three, will need to be considered for services for preschool age children with disabilities; and

(2) Grantee and delegate agencies must not deny program admission to any child, nor exclude any enrolled child from program participation for a long-term period, solely on the basis of his or her health care needs or medication requirements unless keeping the child in care poses a significant risk to the health or safety of the child or anyone in contact with the child.

(1) Grantee and delegate agencies must engage in a process of collaborative partnership-building with parents to establish mutual trust and to identify family goals, strengths, and necessary services and other supports. This process must be initiated as early after enrollment as possible and it must take into consideration each family’s readiness and willingness to participate in the process.

(2) As part of this ongoing partnership, grantee and delegate agencies must offer parents opportunities to develop and implement individualized family partnership agreements that describe family goals, responsibilities, timetables and strategies for achieving these goals as well as progress in achieving them. In home-based program options, this agreement must include the above information as well as the specific roles of parents in home visits and group socialization activities (see 45 CFR 1306.33(b)).

(3) To avoid duplication of effort, or conflict with, any preexisting family plans developed between other programs and the Early Head Start or Head Start family, the family partnership agreement must take into account, and build upon as appropriate, information obtained from the family and other community agencies concerning preexisting family plans. Grantee and delegate agencies must coordinate, to the extent possible, with families and other agencies to support the accomplishment of goals in the preexisting plans.

(e) Parent involvement in child development and education. (1) Grantee and delegate agencies must provide opportunities to include parents in the development of the program’s curriculum and approach to child development and education (see 45 CFR 1304.3(a)(5) for a definition of curriculum).

(2) Grantees and delegate agencies operating home-based program options must build upon the principles of adult learning to assist, encourage, and support parents as they foster the growth and development of their children.

(3) Grantee and delegate agencies must provide opportunities for parents to enhance their parenting skills, knowledge, and understanding of the educational and developmental needs

(4) Grantee and delegate agencies must provide, either directly or through referrals to other local agencies, opportunities for children and families to participate in family literacy services by:
   (i) Increasing family access to materials, services, and activities essential to family literacy development; and
   (ii) Assisting parents as adult learners to recognize and address their own literacy goals.

(5) In addition to the two home visits, teachers in center-based programs must conduct staff-parent conferences, as needed, but no less than two per program year, to enhance the knowledge and understanding of both staff and parents of the educational and developmental progress and activities of children in the program (see 45 CFR 1304.21(a)(2)(iii) and 45 CFR 1304.40(i) for additional requirements about staff-parent conferences and home visits).

(f) Parent involvement in health, nutrition, and mental health education. (1) Grantee and delegate agencies must provide medical, dental, nutrition, and mental health education programs for program staff, parents, and families.

   (2) Grantee and delegate agencies must ensure that, at a minimum:
      (i) The medical and dental health education program:
         (I) Assists parents in understanding how to enroll and participate in a system of ongoing family health care.
         (ii) Encourages parents to become active partners in their children’s medical and dental health care process and to accompany their child to medical and dental examinations and appointments; and
         (iii) Provides parents with the opportunity to learn the principles of preventive medical and dental health, emergency first-aid, occupational and environmental hazards, and safety practices for use in the classroom and in the home. In addition to information on general topics (e.g., maternal and child health and the prevention of Sudden Infant Death Syndrome), information specific to the health needs of individual children must also be made available to the extent possible.

   (3) Grantee and delegate agencies must ensure that the nutrition education program includes, at a minimum:
      (i) Nutrition education in the selection and preparation of foods to meet family needs and in the management of food budgets; and
      (ii) Parent discussions with program staff about the nutritional status of their child.

   (4) Grantee and delegate agencies must ensure that the mental health education program provides, at a minimum (see 45 CFR 1304.24 for issues related to mental health education):
      (i) A variety of group opportunities for parents and program staff to identify and discuss issues related to children’s mental health;
      (ii) Individual opportunities for parents to discuss mental health issues related to their child and family with program staff; and
      (iii) The active involvement of parents in planning and implementing any mental health interventions for their children.

(g) Parent involvement in community advocacy. (1) Grantee and delegate agencies must:

   (i) Support and encourage parents to influence the character and goals of community services in order to make them more responsive to their interests and needs; and
   (ii) Establish procedures to provide families with comprehensive information about community resources (see 45 CFR 1304.41(a)(2) for additional requirements).

   (2) Parents must be provided regular opportunities to work together, and with other community members, on activities that they have helped develop and in which they have expressed an interest.

(h) Parent involvement in transition activities. (1) Grantee and delegate agencies must assist parents in becoming their children’s advocate as they transition both into Early Head Start or Head Start from the home or other child care setting, and from Head Start to elementary school, a Title I of the Elementary and Secondary Education
Act preschool program, or a child care setting.

(2) Staff must work to prepare parents to become their children’s advocate through transition periods by providing that, at a minimum, a staff-parent meeting is held toward the end of the child’s participation in the program to enable parents to understand the child’s progress while enrolled in Early Head Start or Head Start.

(3) To promote the continued involvement of Head Start parents in the education and development of their children upon transition to school, grantee and delegate agencies must:
   (i) Provide education and training to parents to prepare them to exercise their rights and responsibilities concerning the education of their children in the school setting; and
   (ii) Assist parents to communicate with teachers and other school personnel so that parents can participate in decisions related to their children’s education.

(4) See 45 CFR 1304.41(c) for additional standards related to children’s transition to and from Early Head Start or Head Start.

(a) Parent involvement in home visits.
   (1) Grantee and delegate agencies must not require that parents permit home visits as a condition of the child’s participation in Early Head Start or Head Start center-based program options. Every effort must be made to explain the advantages of home visits to the parents.
   (2) The child’s teacher in center-based programs must make no less than two home visits per program year to the home of each enrolled child, unless the parents expressly forbid such visits, in accordance with the requirements of 45 CFR 1306.32(b)(8). Other staff working with the family must make or join home visits, as appropriate.
   (3) Grantee and delegate agencies must schedule home visits at times that are mutually convenient for the parents or primary caregivers and staff.
   (4) In cases where parents whose children are enrolled in the center-based program option ask that the home visits be conducted outside the home, or in cases where a visit to the home presents significant safety hazards for staff, the home visit may take place at an Early Head Start or Head Start site or at another safe location that affords privacy. Home visits in home-based program options must be conducted in the family’s home. (See 45 CFR 1306.33 regarding the home-based program option.)

(5) In addition, grantee and delegate agencies operating home-based program options must meet the requirements of 45 CFR 1306.33(a)(1) regarding home visits.

(6) Grantee and delegate agencies serving infants and toddlers must arrange for health staff to visit each newborn within two weeks after the infant’s birth to ensure the well-being of both the mother and the child.

(b) Community partnerships.
   (1) Grantee and delegate agencies must take an active role in community planning to encourage strong communication, cooperation, and the sharing of information among agencies and their community partners and to improve the delivery of community services to children and families in accordance with the agency’s confidentiality policies. Documentation must be maintained to reflect the level of effort undertaken to establish community partnerships (see 45 CFR 1304.51 for additional planning requirements).
   (2) Grantee and delegate agencies must take affirmative steps to establish ongoing collaborative relationships with community organizations to promote the access of children and families to community services that are responsive to their needs, and to ensure that Early Head Start and Head Start programs respond to community needs, including:
      (i) Health care providers, such as clinics, physicians, dentists, and other health professionals;
      (ii) Mental health providers;
      (iii) Nutritional service providers;
(iv) Individuals and agencies that provide services to children with disabilities and their families (see 45 CFR 1308.4 for specific service requirements);
(v) Family preservation and support services;
(vi) Child protective services and any other agency to which child abuse must be reported under State or Tribal law;
(vii) Local elementary schools and other educational and cultural institutions, such as libraries and museums, for both children and families;
(viii) Providers of child care services; and
(ix) Any other organizations or businesses that may provide support and resources to families.

(3) Grantee and delegate agencies must perform outreach to encourage volunteers from the community to participate in Early Head Start and Head Start programs.

(4) To enable the effective participation of children with disabilities and their families, grantee and delegate agencies must make specific efforts to develop interagency agreements with local education agencies (LEAs) and other agencies within the grantee and delegate agency’s service area (see 45 CFR 1308.4(h) for specific requirements concerning interagency agreements).

(b) Advisory committees. Each grantee directly operating an Early Head Start or Head Start program, and each delegate agency, must establish and maintain a Health Services Advisory Committee which includes Head Start parents, professionals, and other volunteers from the community. Grantee and delegate agencies also must establish and maintain such other service advisory committees as they deem appropriate to address program service issues such as community partnerships and to help agencies respond to community needs.

(c) Transition services. (1) Grantee and delegate agencies must establish and maintain procedures to support successful transitions for enrolled children and families from previous child care programs into Early Head Start or Head Start and from Head Start into elementary school, a Title I of the Elementary and Secondary Education Act preschool program, or other child care settings. These procedures must include:
   (i) Coordinating with the schools or other agencies to ensure that individual Early Head Start or Head Start children’s relevant records are transferred to the school or next placement in which a child will enroll or from earlier placements to Early Head Start or Head Start;
   (ii) Outreach to encourage communication between Early Head Start or Head Start staff and their counterparts in the schools and other child care settings including principals, teachers, social workers and health staff to facilitate continuity of programming;
   (iii) Initiating meetings involving Head Start teachers and parents and kindergarten or elementary school teachers to discuss the developmental progress and abilities of individual children; and
   (iv) Initiating joint transition-related training for Early Head Start or Head Start staff and school or other child development staff.

(2) To ensure the most appropriate placement and services following participation in Early Head Start, transition planning must be undertaken for each child and family at least six months prior to the child’s third birthday. The process must take into account: The child’s health status and developmental level, progress made by the child and family while in Early Head Start, current and changing family circumstances, and the availability of Head Start and other child development or child care services in the community. As appropriate, a child may remain in Early Head Start, following his or her third birthday, for additional months until he or she can transition into Head Start or another program.

(3) See 45 CFR 1304.40(h) for additional requirements related to parental participation in their child’s transition to and from Early Head Start or Head Start.

(The information collection requirements are approved by the Office of Management and Budget (OMB) under OMB Control Number 0970–0148 for paragraph (a).)

§ 1304.50 Program governance.

(a) Policy Council, Policy Committee, and Parent Committee structure. (1) Grantee and delegate agencies must establish and maintain a formal structure of shared governance through which parents can participate in policy making or in other decisions about the program. This structure must consist of the following groups, as required:

(i) Policy Council. This Council must be established at the grantee level.

(ii) Policy Committee. This Committee must be established at the delegate agency level when the program is administered in whole or in part by such agencies (see 45 CFR 1301.2 for a definition of a delegate agency).

(iii) Parent Committee. For center-based programs, this Committee must be established at the center level. For other program options, an equivalent Committee must be established at the local program level. When programs operate more than one option from the same site, the Parent Committee membership is combined unless parents choose to have a separate Committee for each option.

(2) Parent Committees must be comprised exclusively of the parents of children currently enrolled at the center level for center-based programs or at the equivalent level for other program options (see 45 CFR 1306.3(h) for a definition of a parent).

(3) All policy groups must be comprised of two types of representatives: parents of currently enrolled children and community representatives. At least 51 percent of the members of these policy groups must be the parents of currently enrolled children (see 45 CFR 1306.3(h) for a definition of a Head Start parent).

(4) Community representatives must be drawn from the local community: businesses; public or private community, civic, and professional organizations; and others who are familiar with resources and services for low-income children and families, including for example the parents of formerly enrolled children.

(5) All parent members of Policy Councils or Policy Committees must stand for election or re-election annually. All community representatives also must be selected annually.

(b) Policy group composition and formation. (1) Each grantee and delegate agency governing body operating an Early Head Start or Head Start program must (except where such authority is ceded to the Policy Council or Policy Committee) propose, within the framework of these regulations, the total size of their respective policy groups (based on the number of centers, classrooms or other program option units, and the number of children served by their Early Head Start or Head Start program), the procedures for the election of parent members, and the procedure for the selection of community representatives. These proposals must be approved by the Policy Council or Policy Committee.

(2) Policy Councils and Policy Committees must be comprised of two types of representatives: parents of currently enrolled children and community representatives. At least 51 percent of the members of these policy groups must be the parents of currently enrolled children (see 45 CFR 1306.3(h) for a definition of a Head Start parent).

(3) Community representatives must be drawn from the local community: businesses; public or private community, civic, and professional organizations; and others who are familiar with resources and services for low-income children and families, including for example the parents of formerly enrolled children.

(4) All parent members of Policy Councils or Policy Committees must stand for election or re-election annually. All community representatives also must be selected annually.

(5) Policy Councils and Policy Committees must limit the number of one-year terms any individual may serve on either body to a combined total of three terms.

(6) No grantee or delegate agency staff (or members of their immediate families) may serve on Policy Councils or Policy Committees except parents who occasionally substitute for regular Early Head Start or Head Start staff. In the case of Tribal grantees, this exclusion applies only to Tribal staff who work in areas directly related to or which directly impact upon any Early
Head Start or Head Start administrative, fiscal or programmatic issues.

(7) Parents of children currently enrolled in all program options must be proportionately represented on established policy groups.

(c) Policy group responsibilities—general. At a minimum policy groups must be charged with the responsibilities described in paragraphs (d), (f), (g), and (h) of this section and repeated in appendix A of this section.

(d) The Policy Council or Policy Committee. (1) Policy Councils and Policy Committees must work in partnership with key management staff and the governing body to develop, review, and approve or disapprove the following policies and procedures:

(i) All funding applications and amendments to funding applications for Early Head Start and Head Start, including administrative services, prior to the submission of such applications to the grantee (in the case of Policy Committees) or to HHS (in the case of Policy Councils);

(ii) Procedures describing how the governing body and the appropriate policy group will implement shared decision-making;

(iii) Procedures for program planning in accordance with this part and the requirements of 45 CFR 1305.3;

(iv) The program’s philosophy and long- and short-range program goals and objectives (see 45 CFR 1304.51(a) and 45 CFR 1305.3 for additional requirements regarding program planning);

(v) The selection of delegate agencies and their service areas (this regulation is binding on Policy Councils exclusively) (see 45 CFR 1301.33 and 45 CFR 1305.3(a) for additional requirements about delegate agency and service area selection, respectively);

(vi) The composition of the Policy Council or the Policy Committee and the procedures by which policy group members are chosen;

(vii) Criteria for defining recruitment, selection, and enrollment priorities, in accordance with the requirements of 45 CFR part 1305;

(viii) The annual self-assessment of the grantee or delegate agency’s progress in carrying out the programmatic and fiscal intent of its grant application, including planning or other actions that may result from the review of the annual audit and findings from the Federal monitoring review (see 45 CFR 1304.51(i)(1) for additional requirements about the annual self-assessment);

(ix) Program personnel policies and subsequent changes to those policies, in accordance with 45 CFR 1301.31, including standards of conduct for program staff, consultants, and volunteers;

(x) Decisions to hire or terminate the Early Head Start or Head Start director of the grantee or delegate agency; and

(xi) Decisions to hire or terminate any person who works primarily for the Early Head Start or Head Start program of the grantee or delegate agency.

(2) In addition, Policy Councils and Policy Committees must perform the following functions directly:

(i) Serve as a link to the Parent Committees, grantee and delegate agency governing bodies, public and private organizations, and the communities they serve;

(iv) Assist in recruiting volunteer services from parents, community residents, and community organizations, and assist in the mobilization of community resources to meet identified needs; and

(v) Establish and maintain procedures for working with the grantee or delegate agency to resolve community complaints about the program.

(1) Advise staff in developing and implementing local program policies, activities, and services;

(2) Plan, conduct, and participate in informal as well as formal programs and activities for parents and staff; and

(3) Within the guidelines established by the governing body, Policy Council, or Policy Committee, participate in the recruitment and screening of Early Head Start and Head Start employees.

(f) Policy Council, Policy Committee, and Parent Committee reimbursement. Grantee and delegate agencies must enable low-income members to participate fully in their group responsibilities by providing, if necessary, reimbursements for reasonable expenses incurred by the members.

(g) Governing body responsibilities. (1) Grantee and delegate agencies must have written policies that define the roles and responsibilities of the governing body members and that inform them of the management procedures and functions necessary to implement a high quality program.

(2) Grantee and delegate agencies must ensure that appropriate internal controls are established and implemented to safeguard Federal funds in accordance with 45 CFR 1301.13.

(b) If the responsible HHS official, as a result of information obtained from a review of an Early Head Start or a Head Start grantee, determines that the grantee has one or more deficiencies, as defined in §1304.3(a)(6) of this part, and therefore also is in violation of the minimum requirements as defined in §1304.3(a)(14) of this part, he or she will notify the grantee promptly, in writing, of the finding, identifying the deficiencies to be corrected and, with respect to each identified deficiency, will inform the grantee that it must correct the deficiency either immediately or pursuant to a Quality Improvement Plan.
(c) An Early Head Start or Head Start grantee with one or more deficiencies to be corrected under a Quality Improvement Plan must submit to the responsible HHS official a Quality Improvement Plan specifying, for each identified deficiency, the actions that the grantee will take to correct the deficiency and the timeframe within which it will be corrected. In no case can the timeframes proposed in the Quality Improvement Plan exceed one year from the date that the grantee received official notification of the deficiencies to be corrected.
(d) Within 30 days of the receipt of the Quality Improvement Plan, the responsible HHS official will notify the Early Head Start or Head Start grantee, in writing, of the Plan’s approval or specify the reasons why the Plan is disapproved.

(d) Additional allowances for programs.

(1) A program may enroll an additional 35 percent of participants whose families are neither income nor categorically eligible and whose family incomes are below 130 percent of the poverty line, if the program:

(i) Establishes and implements outreach, and enrollment policies and procedures to ensure it is meeting the needs of income eligible or categorically eligible pregnant women, children, and children with disabilities, before serving ineligible pregnant women or children; and

(ii) Establishes criteria that ensures eligible pregnant women and children are served first.

(2) If a program chooses to enroll participants, who are neither income nor categorically eligible, and whose family incomes are between 100 and 130 percent of the poverty line, it must be able to report to the Head Start Regional Program Office:

(iv) At least 51 percent of the program’s participants are either income or categorically eligible.

(2) If another Early Head Start or Head Start program does not serve a non-reservation area, the program
must serve all income-eligible and categorically-eligible Indian and non-Indian pregnant women or children who wish to enroll before serving over-income pregnant women or children.

   (3) The family’s income comes primarily from agricultural work.

(h) Verifying age. Program staff must verify a child’s age according to program policies and procedures. A program’s policies and procedures cannot require staff to collect documents that confirm a child’s age, if doing so creates a barrier for the family to enroll the child.

      (B) Explains how the family’s total income was calculated; or,
   (ii) Seeks information from third parties about the family’s eligibility, if the family gives consent to contact third parties, program staff must adhere to program safety and privacy policies and procedures and ensure the eligibility determination record adheres to paragraph (1)(2)(i)(C) in this section.

(4) If a child moves from an Early Head Start program to a Head Start program, program staff must verify the family’s income again.

(5) If the family can demonstrate a significant change in income for the relevant time period, program staff may consider current income circumstances.

(j) Verifying categorical eligibility. (1) A family can prove categorical eligibility, with:
   (i) A court order or other legal or government-issued document or a written statement from a government child welfare official demonstrating the child is in foster care;
   (ii) A written statement from a homeless services provider, school personnel, or other service agency attesting that the child is homeless or any other documentation that indicates homelessness, including documentation from a public or private agency, a declaration, information gathered on enrollment or application forms, or notes from an interview with staff to establish the child is homeless, as defined in §1305.2 or,
(iii) Any other document that establishes categorical eligibility.

(2) If a family can provide one of documents described in paragraph (j)(1) of this section, program staff must:

(i) Describe efforts made to verify the accuracy of the information provided; and,

(ii) State whether the family is categorically eligible.

(3) If a family cannot provide one of the documents described in paragraph (j)(1) of this section to prove the child is homeless, a program may accept the family’s signed declaration to that effect, if, in a written statement, program staff:

(i) Describes the efforts made to verify that a child is homeless, as defined in §1305.2; and,

(ii) Describes the child’s living situation, including the specific condition described in §1305.2 under which the child was determined to be homeless.

(4) Program staff may seek information from third parties who have first-hand knowledge about a family’s categorical eligibility, if the family gives consent. If the family gives consent to contact third parties, program staff must adhere to program safety and privacy policies and procedures and ensure the eligibility determination record adheres to paragraph (l) (2)(ii)(C) in this section.

(k) Eligibility duration. (1) If a child is determined eligible under this section and is participating in a Head Start program, he or she will remain eligible through the end of the succeeding program year.

(2) If a program operates both an Early Head Start and a Head Start program, and the parents wish to enroll their child who has been enrolled in the program’s Early Head Start, the program must ensure, whenever possible, the child receives Head Start services until enrolled in school.

(l) Records. (1) A program must keep eligibility determination records for each participant and on-going training records for program staffs. A program may keep these records electronically.

(2) Each eligibility determination record must include:

(i) Copies of any documents or statements, including declarations, that are deemed necessary to verify eligibility under paragraphs (h) through (j) of this section;

(ii) A statement that program staff has made reasonable efforts to verify information by:

(A) Conducting either an in-person, or a telephonic interview with the family as described under paragraph (a) of this section;

(B) Describing efforts made to verify eligibility, as required under paragraphs (h) through (j) of this section; and,

(C) Collecting documents required for third party verification under paragraphs (i)(3)(ii) and (j)(4) of this section, that includes:

(I) The family’s written consent to contact each third party;

(2) The third parties’ names, titles, and affiliations; and,

(3) Information from third parties regarding the family’s eligibility.

(iii) A statement that identifies whether:

(A) The family’s income is below income guidelines for its size, and lists the family’s size;

(B) The family is eligible for or, in the absence of child care, potentially eligible for public assistance;

(C) The child is homeless child, as defined at §1305.2 including the specific condition described in §1305.2 under which the child was determined to be homeless;

(D) The child is in foster care;

(E) The family meets the over-income requirement in paragraph (c)(2) of this section; or,

(F) The family meets alternative criteria under paragraph (d) of this section.

(3) A program must keep eligibility determination records:

(i) For those currently enrolled, as long as they are enrolled; and,

(ii) For one year after they have either stopped receiving services; or,

(iii) Are no longer enrolled.

(m) Program policies and procedures on violating eligibility determination regulations. A program must establish policies and procedures that describe all actions taken against staff who intentionally violate Federal and program eligibility determination regulations and who enroll pregnant women and children that are not eligible to receive
Office of Human Development Services, HHS § 1305.6

Early Head Start or Head Start services.

(n) Training. (1) A program must train all governing body, policy council, management, and staff who determine eligibility on applicable Federal regulations and program policies and procedures. Training must, at a minimum:
   (i) Include methods on how to collect complete and accurate eligibility information from families and third party sources;
   (ii) Incorporate strategies for treating families with dignity and respect and for dealing with possible issues of domestic violence, stigma, and privacy; and,
   (iii) Explain program policies and procedures that describe actions taken against staff, families, or participants who intentionally attempt to provide or provide false information.

(2) A program must train management and staff members who make eligibility determinations within 90 days following the effective date of this rule, and as soon as possible, but within 90 days of hiring new staff after the initial training has been conducted.

(3) A program must train all governing body and policy council members within 180 days following the effective date of this rule, and within 180 days of the beginning of the term of a new governing body or policy council member after the initial training has been conducted.

(4) A program must develop policies on how often training will be provided after the initial training.

§ 1305.5 Recruitment of children.

(a) In order to reach those most in need of Head Start services, each Head Start grantee and delegate agency must develop and implement a recruitment process that is designed to actively inform all families with Head Start eligible children within the recruitment area of the availability of services and encourage them to apply for admission to the program. This process may include canvassing the local community, use of news releases and advertising; and use of family referrals and referrals from other public and private agencies.

(b) During the recruitment process that occurs prior to the beginning of the enrollment year, a Head Start program must solicit applications from as many Head Start eligible families within the recruitment area as possible. If necessary, the program must assist families in filling out the application form in order to assure that all information needed for selection is completed.

(c) Each program, except migrant programs, must obtain a number of applications during the recruitment process that occurs prior to the beginning of the enrollment year that is greater than the enrollment opportunities that are anticipated to be available over the course of the next enrollment year in order to select those with the greatest need for Head Start services.

§ 1305.6 Selection process.

(a) Each Head Start program must have a formal process for establishing selection criteria and for selecting children and families that considers all eligible applicants for Head Start services. The selection criteria must be based on those contained in paragraphs (b) and (c) of this section.

(b) In selecting the children and families to be served, the Head Start program must consider the income of eligible families, the age of the child, the availability of kindergarten or first grade to the child, and the extent to which a child or family meets the criteria that each program is required to establish in §1305.2(a). Migrant programs must also give priority to children from families whose pursuit of agricultural work required them to relocate most frequently within the previous two-year period.

(c) At least 10 percent of the total number of enrollment opportunities in each grantee and each delegate agency during an enrollment year must be made available to children with disabilities who meet the definition for children with disabilities in §1305.2(a). An exception to this requirement will be granted only if the responsible HHS official determines, based on such supporting evidence he or she may require, that the grantee made a reasonable effort to comply with this requirement but was unable to do so because there
§ 1305.7 Enrollment and re-enrollment.

(a) Each child enrolled in a Head Start program, except those enrolled in a migrant program, must be allowed to remain in Head Start until kindergarten or first grade is available for the child in the child's community, except that the Head Start program may choose not to enroll a child when there are compelling reasons for the child not to remain in Head Start, such as when there is a change in the child's family income and there is a child with a greater need for Head Start services.

(b) A Head Start grantee must maintain its funded enrollment level. When a program determines that a vacancy exists, no more than 30 calendar days may elapse before the vacancy is filled. A program may elect not to fill a vacancy when 60 calendar days or less remain in the program's enrollment year.

(c) If a child has been found income eligible and is participating in a Head Start program, he or she remains income eligible through that enrollment year and the immediately succeeding enrollment year. Children who are enrolled in a program receiving funds under the authority of section 645A of the Head Start Act (programs for families with infants and toddlers, or Early Head Start) remain income eligible while they are participating in the program. When a child moves from a program serving infants and toddlers to a Head Start program serving children age three and older, the family income must be reverified. If one agency operates both an Early Head Start and a Head Start program, and the parents wish to enroll their child who has been enrolled in the agency's Early Head Start program, the agency must ensure, whenever possible, that the child receives Head Start services until enrolled in school.

§ 1305.8 Attendance.

(a) When the monthly average daily attendance rate in a center-based program falls below 85 percent, a Head Start program must analyze the causes of absenteeism. The analysis must include a study of the pattern of absences for each child, including the reasons for absences as well as the number of absences that occur on consecutive days.

(b) If the absences are a result of illness or if they are well documented absences for other reasons, no special action is required. If, however, the absences result from other factors, including temporary family problems that affect a child's regular attendance, the program must initiate appropriate family support procedures for all children with four or more consecutive unexcused absences. These procedures must include home visits or other direct contact with the child's parents. Contacts with the family must emphasize the benefits of regular attendance, while at the same time remaining sensitive to any special family circumstances influencing attendance patterns. All contacts with the child's family as well as special family support service activities provided by program staff must be documented.

(c) In circumstances where chronic absenteeism persists and it does not seem feasible to include the child in either the same or a different program option, the child's slot must be considered an enrollment vacancy.

§ 1305.9 Policy on fees.

A Head Start program must not prescribe any fee schedule or otherwise provide for the charging of any fees for participation in the program. If the family of a child determined to be eligible for participation by a Head Start program volunteers to pay part or all...
of the costs of the child’s participation, the Head Start program may accept the voluntary payments and record the payments as program income.

Under no circumstances shall a Head Start program solicit, encourage, or in any other way condition a child’s enrollment or participation in the program upon the payment of a fee.

§ 1305.10 Compliance.

A grantee’s failure to comply with the requirements of this Part may result in a denial of refunding or termination in accordance with 45 CFR part 1303.

Subpart A—General

§ 1306.1 Purpose and scope.

This Part sets forth requirements for Early Head Start and Head Start program staffing and program options that all Early Head Start and Head Start grantee and delegate agencies, with the exception of Parent Child Center programs, must meet. The exception for Parent Child Centers is for fiscal years 1995, 1996, and 1997 as consistent with section 645A(e)(2) of the Head Start Act, as amended. These requirements, including those pertaining to staffing patterns, the choice of the program options to be implemented and the acceptable ranges in the implementation of those options, have been developed to help maintain and improve the quality of Early Head Start and Head Start and to help promote lasting benefits to the children and families being served. These requirements are to be used in conjunction with the Head Start Program Performance Standards at 45 CFR Part 1304, as applicable.

(k) **Home visits** means the visits made to a child’s home by the class teacher in a center-based program option, or home visitors in a home-based program option, for the purpose of assisting parents in fostering the growth and development of their child.

(l) **Hours of operation** means the planned hours per day during which children and families will be receiving direct Head Start component services in a classroom, on a field trip, while receiving medical or dental services, or during a home visit or group socialization activity. § 1306.20 Program staffing patterns.

### Subpart B—Head Start Program Staffing Requirements

(a) **5 CFR Ch. XIII (10–1–16 Edition)**

- **Program staffing patterns.**
  - (a) Grantees must meet the requirements of 45 CFR 1304.52(g), Classroom staffing and home visitors, in addition to the requirements of this Section.
  - (b) Grantees must provide adequate supervision of their staff.
  - (c) Grantees operating center-based program options must employ two paid staff persons (a teacher and a teacher aide or two teachers) for each class. Whenever possible, there should be a third person in the classroom who is a volunteer.
  - (d) Grantees operating home-based program options must employ home visitors responsible for home visits and group socialization activities.
  - (e) Grantees operating a combination program option must employ, for their
Office of Human Development Services, HHS § 1306.23

§ 1306.23 Classroom operations, two paid staff persons, a teacher and a teacher aide or two teachers, for each class. Whenever possible, there should be a third person in the classroom who is a volunteer. They must employ staff for home visits who meet the qualifications the grantee requires for home visitors.

(f) Classroom staff and home visitors must be able to communicate with the families they serve either directly or through a translator. They should also be familiar with the ethnic background of these families.

(g) Grantee and delegate agencies offering the family child care program option must ensure that in each family child care home where Head Start children are enrolled, the group size does not exceed the limits specified in this paragraph. Whenever present, not at school or with another care provider, the family child care provider’s own children under the age of six years must be included in the count.

(1) When there is one family child care provider, the maximum group size is six children and no more than two of the six may be under two years of age. When there is a provider and an assistant, the maximum group size is twelve children with no more than four of the twelve children under two years of age.

(2) One family child care provider may care for up to four infants and toddlers, with no more than two of the four children under the age of 18 months.

(3) Additional assistance or smaller group size may be necessary when serving children with special needs who require additional care.

(h)(1) Grantee and delegate agencies offering the family child care program option must provide support for family child care providers through a child development specialist or other Head Start or delegate agency staff member with responsibilities related to the provision of comprehensive Head Start and Early Head Start services.

(2) The grantee or delegate agency will assign responsibilities to the child development specialist and other agency staff to support and ensure the provision of quality Head Start services at each family child care home. These responsibilities must include both regular announced and unannounced visits to each home. The duration and timing of such visits will be planned in accordance with the needs of each home but shall occur not less than once every two weeks.

(3) During visits to family child care homes the child development specialist will periodically verify compliance with either contract requirements or agency policy depending on the nature of the relationship; facilitate ongoing communication between grantee or delegate agency staff, family child care providers, and Head Start and Early Head Start families; provide recommendations for technical assistance; and support the family child care provider in developing collegial or mentoring relationships with other child care professionals.

(i) Head Start, Early Head Start and delegate agencies must ensure that children in the Head Start family child care option receive comprehensive services as specified in 45 CFR parts 1304 and 1308.

[61 FR 57226, Nov. 5, 1996]

§ 1306.21 Staff qualification requirements.

Head Start programs must comply with section 648A of the Head Start Act and any subsequent amendments regarding the qualifications of classroom teachers.

[61 FR 57226, Nov. 5, 1996]

§ 1306.22 Volunteers.

(a) Head Start programs must use volunteers to the fullest extent possible. Head Start grantees must develop and implement a system to actively recruit, train and utilize volunteers in the program.

(b) Special efforts must be made to have volunteer participation, especially parents, in the classroom and during group socialization activities.

§ 1306.23 Training.

(a) Head Start grantees must provide pre-service training and in-service training opportunities to program staff and volunteers to assist them in acquiring or increasing the knowledge and skills they need to fulfill their job responsibilities. This training must be
directed toward improving the ability of staff and volunteers to deliver services required by Head Start regulations and policies.

(b) Head Start grantees must provide staff with information and training about the underlying philosophy and goals of Head Start and the program options being implemented.

Subpart C—Head Start Program Options

§ 1306.30 Provisions of comprehensive child development services.

(a) All Head Start grantees must provide comprehensive child development services, as defined in the Head Start Performance Standards.

(b) All Head Start grantees must provide classroom or group socialization activities for the child as well as home visits to the parents. The major purpose of the classroom or socialization activities is to help meet the child’s development needs and to foster the child’s social competence. The major purpose of the home visits is to enhance the parental role in the growth and development of the child.

(c) The facilities used by Early Head Start and Head Start grantee and delegate agencies for regularly scheduled center-based and combination program option classroom activities or home-based group socialization activities must comply with State and local requirements concerning licensing. In cases where these licensing standards are less comprehensive or less stringent than the Head Start regulations, or where no State or local licensing standards are applicable, grantee and delegate agencies are required to assure that their facilities are in compliance with the Head Start Program Performance Standards related to health and safety as found in 45 CFR 1304.53(a), Physical environment and facilities.

(d) All grantees must identify, secure and use community resources in the provision of services to Head Start children and their families prior to using Head Start funds for these services.

§ 1306.31 Choosing a Head Start program option.

(a) Grantees may choose to implement one or more than one of four program options: a center-based option, a home-based program option, a combination program option, or a family child care option.

(b) The program option chosen must meet the needs of the children and families as indicated by the community needs assessment conducted by the grantee.

(c) When assigning children to a particular program option, Head Start grantees that operate more than one program option must consider such factors as the child’s age, developmental level, disabilities, health or learning problems, previous preschool experiences and family situation. Grantees must also consider parents’ concerns and wishes prior to making final assignments.

§ 1306.32 Center-based program option.

(a) Class size. (1) Head Start classes must be staffed by a teacher and an aide or two teachers and, whenever possible, a volunteer.

(2) Grantees must determine their class size based on the predominant age of the children who will participate in the class and whether or not a center-based double session variation is being implemented.

(3) For classes serving predominantly four or five-year-old children, the average class size of that group of classes must be between 17 and 20 children, with no more than 20 children enrolled in any one class.

(4) When double session classes serve predominantly four or five-year-old children, the average class size of that group of classes must be between 17 and 20 children, with no more than 17 children enrolled.

(5) For classes serving predominantly three-year-old children, the average class size of that group of classes must be between 15 and 17 children, with no
Office of Human Development Services, HHS  
§ 1306.32

more than 17 children enrolled in any one class.

(6) When double session classes serve predominantly three-year-old children, the average class size of that group of classes must be between 13 and 15 children. A double session class for three-year-old children may have no more than 15 children enrolled. (See paragraph (c) of this section for other requirements regarding the double session variation.)

(7) It is recommended that at least 13 children be enrolled in each center-based option class where feasible.

(8) A class is considered to serve predominantly four- or five-year-old children if more than half of the children in the class will be four or five years old by whatever date is used by the State or local jurisdiction in which Head Start is located to determine eligibility for public school.

(9) A class is considered to serve predominantly three-year-old children if more than half of the children in the class will be three years old by whatever date is used by the State or local jurisdiction in which Head Start is located to determine eligibility for public school.

(10) Head Start grantees must determine the predominant age of children in the class at the start of the year. There is no need to change that determination during the year.

(11) In some cases, State or local licensing requirements may be more stringent than these class requirements, preventing the required minimum numbers of children from being enrolled in the facility used by Head Start. Where this is the case, Head Start grantees must try to find alternative facilities that satisfy licensing requirements for the numbers of children cited above. If no alternative facilities are available, the responsible HHS official has the discretion to approve enrollment of fewer children than required above.

(b) Center-based program option requirements. (1) Classes must operate for four or five days per week or some combination of four and five days per week.

(2) Classes must operate for a minimum of three and one-half to a maximum of six hours per day with four hours being optimal.

(3) The annual number of required days of planned class operations (days when children are scheduled to attend) is determined by the number of days per week each program operates. Programs that operate for four days per week must provide at least 128 days per year of planned class operations. Programs that operate for five days per week must provide at least 160 days per year of planned class operations. Grantees implementing a combination of four and five days per week must plan to operate between 128 and 160 days per year. The minimum number of planned days of service per year can be determined by computing the relative number of four and five day weeks that the program is in operation. All center-based program options must provide a minimum of 32 weeks of scheduled days of class operations over an eight or nine month period. Every effort should be made to schedule makeup classes using existing resources if planned class days fall below the number required per year.

(4) Programs must make a reasonable estimate of the number of days during a year that classes may be closed due to problems such as inclement weather
or illness, based on their experience in previous years. Grantees must make provisions in their budgets and program plans to operate makeup classes and provide these classes, when needed, to prevent the number of days of service available to the children from falling below 128 days per year.

(5) Each individual child is not required to receive the minimum days of service, although this is to be encouraged in accordance with Head Start policies regarding attendance. The minimum number of days also does not apply to children with disabilities whose individualized education plan may require fewer planned days of service in the Head Start program.

(6) Head Start grantees operating migrant programs are not subject to the requirement for a minimum number of planned days, but must make every effort to provide as many days of service as possible to each migrant child and family.

(7) Staff must be employed for sufficient time to allow them to participate in pre-service training, to plan and set up the program at the start of the year, to close the program at the end of the year, to conduct home visits, to conduct health examinations, screening and immunization activities, to maintain records, and to keep service component plans and activities current and relevant. These activities should take place outside of the time scheduled for classes in center-based programs or home visits in home-based programs.

(8) Head Start grantees must develop and implement a system that actively encourages parents to participate in two home visits annually for each child enrolled in a center-based program option. These visits must be initiated and carried out by the child’s teacher. The child may not be dropped from the program if the parents will not participate in the visits.

(9) Head Start grantees operating migrant programs are required to plan for a minimum of two parent-teacher conferences for each child during the time they serve that child. Should time and circumstance allow, migrant programs must make every effort to conduct home visits.

(c) Double session variation. (1) A center-based option with a double session variation employs a single teacher to work with one group of children in the morning and a different group of children in the afternoon. Because of the larger number of children and families to whom the teacher must provide services, double session program options must comply with the requirements regarding class size explained in paragraph (a) of this section and with all other center-based requirements in paragraph (b) of this section with the exceptions and additions noted in paragraphs (c) (2) and (3) of this section.

(2) Each program must operate classes for four days per week.

(3) Each double session classroom staff member must be provided adequate break time during the course of the day. In addition, teachers, aides and volunteers must have appropriate time to prepare for each session together, to set up the classroom environment and to give individual attention to children entering and leaving the center.

(d) Full day variation. (1) A Head Start grantee implementing a center-based program option may operate a full day variation and provide more than six hours of class operations per day using Head Start funds. These programs must comply with all the requirements regarding the center-based program option found in paragraphs (a) and (b) of this section with the exception of paragraph (b)(2) regarding the hours of service per day.

(2) Programs are encouraged to meet the needs of Head Start families for full day services by securing funds from other agencies. Before implementing a full day variation of a center-based option, a Head Start grantee should demonstrate that alternative enrollment opportunities or funding from non-Head Start sources are not available for Head Start families needing full-day child care services.

(3) Head Start grantees may provide full day services only to those children and families with special needs that justify full day services or to those children whose parents are employed or in job training with no caregiver present in the home. The records of each child receiving services for more than six hours per day must show how
each child meets the criteria stated above.

(e) Non-Head Start services. Grantees may charge for services which are provided outside the hours of the Head Start program.

§ 1306.33 Home-based program option.

(a) Grantees implementing a home-based program option must:

(1) Provide one home visit per week per family (a minimum of 32 home visits per year) lasting for a minimum of 1 and 1⁄2 hours each.

(2) Provide, at a minimum, two group socialization activities per month for each child (a minimum of 16 group socialization activities each year).

(3) Make up planned home visits or scheduled group socialization activities that were canceled by the grantee or by program staff when this is necessary to meet the minimums stated above. Medical or social service appointments may not replace home visits or scheduled group socialization activities.

(4) Allow staff sufficient employed time to participate in pre-service training, to plan and set up the program at the start of the year, to maintain records, and to keep component and activities plans current and relevant. These activities should take place when no home visits or group socialization activities are planned.

(5) Maintain an average caseload of 10 to 12 families per home visitor with a maximum of 12 families for any individual home visitor.

(b) Home visits must be conducted by trained home visitors with the content of the visit jointly planned by the home visitor and the parents. Home visitors must conduct the home visit with the participation of parents. Home visits may not be conducted by the home visitor with only babysitters or other temporary caregivers in attendance.

(1) The purpose of the home visit is to help parents improve their parenting skills and to assist them in the use of the home as the child’s primary learning environment. The home visitor must work with parents to help them provide learning opportunities that enhance their child’s growth and development.

(2) Home visits must, over the course of a month, contain elements of all Head Start program components. The home visitor is the person responsible for introducing, arranging and/or providing Head Start services.

(c) Group socialization activities must be focused on both the children and parents. They may not be conducted by the home visitor with babysitters or other temporary caregivers.

(1) The purpose of these socialization activities for the children is to emphasize peer group interaction through age appropriate activities in a Head Start classroom, community facility, home, or on a field trip. The children are to be supervised by the home visitor with parents observing at times and actively participating at other times.

(2) These activities must be designed so that parents are expected to accompany their children to the group socialization activities at least twice each month to observe, to participate as volunteers or to engage in activities designed specifically for the parents.

(3) Grantees must follow the nutrition requirements specified in 45 CFR 1304.23(b)(2) and provide appropriate snacks and meals to the children during group socialization activities.

§ 1306.34 Combination program option.

(a) Combination program option requirements: (1) Grantees implementing a combination program option must provide class sessions and home visits that result in an amount of contact with children and families that is, at a minimum, equivalent to the services provided through the center-based program option or the home-based program option.

(2) Acceptable combinations of minimum number of class sessions and corresponding number of home visits are shown below. Combination programs must provide these services over a period of 8 to 12 months.

(3) The following are examples of various configurations that are possible for a program that operates for 32 weeks:

- A program operating classes three days a week and providing one home visit a month (96 classes and 8 home visits a year);
- A program operating classes two days a week and providing two home visits a month (64 classes and 16 home visits a year);
- A program operating classes one day a week and providing three home visits a month (32 classes and 24 home visits a year).

(4) Grantees operating the combination program option must make a reasonable estimate of the number of days during a year that centers may be closed due to problems such as inclement weather or illness, based on their experience in previous years. Grantees must make provisions in their budgets and program plans to operate make-up classes up to the estimated number, and provide these classes, when necessary, to prevent the number of days of classes from falling below the number required by paragraph (a)(2) of this section. Grantees must make up planned home visits that were canceled by the program or by the program staff if this is necessary to meet the minimums required by paragraph (a)(2) of this section. Medical or social service appointments may not replace home visits.

(b) Requirements for class sessions: (1) Grantees implementing the combination program option must comply with the class size requirements contained in §1306.32(a).

(2) The provisions of the following sections apply to grantees operating the combination program option: §1306.32(b) (2), (5), (6), (7) and (9).

(3) If a grantee operates a double session or a full day variation, it must meet the provisions concerning double-sessions contained in §1306.32(c)(1) and (3) and the provisions for the center-based program option’s full day variation found in §1306.32(d).

(c) Requirements for home visits: (1) Home visits must last for a minimum of 1 and 1⁄2 hours each.

(2) The provisions of the following section, concerning the home-based program option, must be adhered to by grantees implementing the combination program option: §1306.33(a) (4) and (5); and §1306.33(b).

§1306.35 Family child care program option.

(a) Grantee and delegate agency implementation. Grantee and delegate agencies offering the family child care program option must:

(1) Hours of operation. Ensure that the family child care option, whether provided directly or via contractual arrangement, operates sufficient hours to meet the child care needs of families.

(2) Serving children with disabilities. (i) Ensure the availability of family child care homes capable of serving children and families with disabilities affecting mobility as appropriate; and

(ii) Ensure that children with disabilities enrolled in family child care are provided services which support their participation in the early intervention, special education, and related services required by their individual family service plan (IFSP) or individual education plan (IEP) and that the child’s teacher has appropriate knowledge, training, and support.

(3) Program Space-indoor and outdoor. Ensure that each family child care home has sufficient indoor and outdoor space which is usable and available to children. This space must be adequate to allow children to be supervised and safely participate in developmentally appropriate activities and routines that foster their cognitive, socio-emotional, and physical development, including both gross and fine motor. Family child care settings must meet State family child care regulations.

(4) Policy Council role. The Policy Council must approve or disapprove the addition of family child care as a Head Start or Early Head Start program option. When families are enrolled in the Head Start or Early Head Start family
child care program option, they must have proportionate representation on the Policy Council or policy committee.

(b) Facilities—(1) Safety plan. Grantees and delegate agencies offering the family child care program option must ensure the health and safety of children enrolled. The family child care home must have a written description of its health, safety, and emergency policies and procedures, and a system for routine inspection to ensure ongoing safety.

(2) Injury prevention. Grantee and delegate agencies must ensure that:

(i) Children enrolled in the Head Start family child care program option are protected from potentially hazardous situations. Providers must ensure that children are safe from the potential hazards posed by appliances (stove, refrigerator, microwave, etc). Premises must be free from pests and the use of chemicals or other potentially harmful materials for controlling pests must not occur while children are on premises.

(ii) Grantee and delegate agencies must ensure that all sites attended by children enrolled in Head Start and Early Head Start are equipped with functioning and properly located smoke and carbon monoxide detectors.

(iii) Radon detectors are installed in family child care homes where there is a basement and such detectors are recommended by local health officials.

(iv) Children are supervised at all times. Providers must have systems for assuring the safety of any child not within view for any period (e.g. the provider needs to use the bathroom or an infant is napping in one room while toddlers play in another room);

(v) Providers ensure the safety of children whenever any body of water, road, or other potential hazard is present and when children are being transported;

(vi) Unsupervised access by children to all water hazards, such as pools or other bodies of water, are prevented by a fence;

(vii) There are no firearms or other weapons kept in areas occupied or accessible to children;

(viii) Alcohol and other drugs are not consumed while children are present or accessible to children at any time; and

(ix) Providers secure health certificaties for pets to document up to date immunizations and freedom from any disease or condition that poses a threat to children’s health. Family child care providers must ensure that pets are appropriately managed to ensure child safety at all times.

(c) Emergency plans. Grantee and delegate agencies offering the family child care option must ensure that providers have made plans to notify parents in the event of any emergency or unplanned interruption of service. The provider and parent together must develop contingency plans for emergencies. Such plans may include, but are not limited to, the use of alternate providers or the availability of substitute providers. Parents must be informed that they may need to pick the child up and arrange care if the child becomes ill or if an emergency arises.

(d) Licensing requirements. Head Start programs offering the family child care option must ensure that family child care providers meet State, Tribal, and local licensing requirements and possess a license or other document certifying that those requirements have been met. When State, Tribal, or local requirements vary from Head Start requirements, the most stringent provision takes precedence.

§ 1306.36 Additional Head Start program option variations.

In addition to the center-based, home-based, combination programs, and family child care options defined in this part, the Director of the Office of Head Start retains the right to fund alternative program variations to meet the unique needs of communities or to demonstrate or test alternative approaches for providing Head Start services.

[73 FR 1296, Jan. 8, 2008]

§ 1306.37 Compliance waiver.

An exception to one or more of the requirements contained in §§1306.32, 1306.33, 1306.34, and 1306.35 will be
granted only if the Director of the Office of Head Start determines, on the basis of supporting evidence, that the grantee made a reasonable effort to comply with the requirement but was unable to do so because of limitations or circumstances of a specific community or communities served by the grantee.

§ 1307.1 Purpose and scope.

The purpose of this Part is to set forth policies and procedures for the designation renewal of Head Start and Early Head Start programs. It is intended that these programs be administered effectively and responsibly; that applicants to administer programs receive fair and equitable consideration; and that the legal rights of current Head Start and Early Head Start grantees be fully protected. The Designation Renewal System is established in this Part to determine whether Head Start and Early Head Start agencies deliver high-quality services to meet the educational, health, nutritional, and social needs of the children and families they serve; meet the program and financial requirements and standards described in section 641A(a)(1) of the Head Start Act; and qualify to be designated for funding for five years without competing for such funding as required under section 641(c) of the Head Start Act with respect to Head Start agencies and pursuant to section 645A(b)(12) and (d) with respect to Early Head Start agencies. A competition to select a new Head Start or Early Head Start agency to replace a Head Start or Early Head Start agency that has been terminated voluntarily or involuntarily is not part of the Designation Renewal System established in this Part, and is subject instead to the requirements of part 1302.

§ 1307.2 Definitions.

Office of Human Development Services, HHS § 1307.3

§ 1307.3 Basis for determining whether a Head Start agency will be subject to an open competition.

A Head Start or Early Head Start agency shall be required to compete for its next five years of funding whenever the responsible HHS official determines that one or more of the following seven conditions existed during the relevant time period covered by the responsible HHS official’s review under §1307.3 of this part:

(a) An agency has been determined by the responsible HHS official to have one or more deficiencies on a single review conducted under section 641A(c)(1)(A), (C), or (D) of the Act in the relevant time period covered by the responsible HHS official’s review under section 1307.7.

(b) An agency has been determined by the responsible HHS official based on a review conducted under section 641A(c)(1)(A), (C), or (D) of the Act during the relevant time period covered by the responsible HHS official’s review under §1307.7 to have:

(1) After December 9, 2011, established program goals for improving the school readiness of children participating in its program in accordance with the requirements of section 641A(g)(2) of the Act and demonstrated that such goals:

(i) Appropriately reflect the ages of children, birth to five, participating in the program;

(ii) Align with the Head Start Child Development and Early Learning Framework, State early learning guidelines, and the requirements and expectations of the schools, to the extent that they apply to the ages of children, birth to five, participating in the program and at a minimum address the domains of language and literacy development, cognition and general knowledge, approaches toward learning, physical well-being and motor development, and social and emotional development;

(iii) Were established in consultation with the parents of children participating in the program.

(2) After December 9, 2011, taken steps to achieve the school readiness goals described under paragraph (b)(1) of this section demonstrated by:

(i) Aggregating and analyzing aggregate child-level assessment data at least three times per year (except for programs operating less than 90 days, which will be required to do so at least twice within their operating program period) and using that data in combination with other program data to determine grantees’ progress toward meeting its goals, to inform parents and the community of results, and to direct continuous improvement related to curriculum, instruction, professional development, program design and other program decisions; and

(ii) Analyzing individual ongoing, child-level assessment data for all children birth to age five participating in the program and using that data in combination with input from parents and families to determine each child’s status and progress with regard to, at a minimum, language and literacy development, cognition and general knowledge, approaches toward learning,
§ 1307.4 Grantee reporting requirements concerning certain conditions.

(a) Head Start agencies must report in writing to the responsible HHS official within 30 working days of December 9, 2011, if the agency has had a revocation of a license to operate a center by a State of local licensing entity during the period between June 12, 2009, and December 9, 2011.

45 CFR Ch. XIII (10–1–16 Edition)
1307.5 Requirements to be considered for designation for a five-year period when the existing grantee in a community is not determined to be delivering a high-quality and comprehensive Head Start or Early Head Start program and is not automatically renewed.

In order to compete for the opportunity to be awarded a five-year grant, an agency must submit an application to the responsible HHS official that demonstrates that it is the most qualified entity to deliver a high-quality and comprehensive Head Start or Early Head Start program. The application must address the criteria for selection listed at section 641(d)(2) of the Act for Head Start. Any agency that has had its Head Start or Early Head Start grant terminated for cause in the preceding five years is excluded from competing in such competition for the next five years. A Head Start or Early Head Start agency that has had a denial of refunding, as defined in 45 CFR 1303.2, in the preceding five years is also excluded from competing.

1307.6 Tribal government consultation under the Designation Renewal System for when an Indian Head Start grant is being considered for competition.

(a) In the case of an Indian Head Start or Early Head Start agency determined not to be delivering a high-quality and comprehensive Head Start or Early Head Start program, the responsible HHS official will engage in government-to-government consultation with the appropriate Tribal government or governments for the purpose of establishing a plan to improve the quality of the Head Start program or Early Head Start program operated by the Indian Head Start or Indian Early Head Start agency.

(1) The plan will be established and implemented within six months after the responsible HHS official’s determination.

(2) Not more than six months after the implementation of that plan, the responsible HHS official will reevaluate the performance of the Indian Head Start or Early Head Start agency.

(3) If the Indian Head Start or Early Head Start agency is still not delivering a high-quality and comprehensive Head Start or Early Head Start program, the responsible HHS official will conduct an open competition to select a grantee to provide services for the community currently being served by the Indian Head Start or Early Head Start agency.

(b) A non-Indian Head Start or Early Head Start agency will not be eligible to receive a grant to carry out an Indian Head Start program, unless there is no Indian Head Start or Early Head Start agency available for designation to carry out an Indian Head Start or Indian Early Head Start program.

(c) A non-Indian Head Start or Early Head Start agency may receive a grant to carry out an Indian Head Start program only until such time as an Indian Head Start or Indian Early Head Start agency in such community becomes available and is designated pursuant to this Part.

1307.7 Designation request, review and notification process.

(a) Grantees must apply to be considered for Designation Renewal.
(1) For the transition period, each Head Start or Early Head Start agency wishing to be considered to have their designation as a Head Start or Early Head Start agency renewed for a five year period without competition shall request that status from ACF within six months of December 9, 2011.

(2) After the transition period, each Head Start or Early Head Start agency wishing to be considered to have their designation as a Head Start or Early Head Start agency renewed for another five year period without competition shall request that status from ACF at least 12 months before the end of their five year grant period or by such time as required by the Secretary.

(b) ACF will review the relevant data to determine if one or more of the conditions under §1307.3 of this part were met by the Head Start and Early Head Start agency’s program:

(1) During the first year of the transition period, ACF shall review the data on each Head Start and Early Head Start agency to determine if any of the conditions under §1307.3(a) or (d) through (g) of this part were met by the agency’s program since June 12, 2009.

(2) During the remainder of the transition period, ACF shall review the data on each Head Start and Early Head Start agency still under grants with indefinite project periods and for whom ACF has relevant data on all of the conditions in §1307.3(a) through (g) of this part to determine if any of the conditions under §1307.3(a) or (d) through (g) were met by the agency’s program since June 12, 2009, or if the conditions under §1307.3(b) or (c) existed in the agency’s program since December 9, 2011.

(3) Following the transition period, ACF shall review the data on each Head Start and Early Head Start agency in the fourth year of the grant to determine if any of the conditions under §1307.3 of this part exist in the agency’s program during the period of that grant.

(c) ACF will give notice to grantees on Designation Renewal System status, except as provided in §1307.6 of this part:

(1) During the first year of the transition period, ACF shall give written notice to all grantees meeting any of the conditions under §1307.3(a) or (d) through (g) of this part since June 12, 2009, by certified mail return receipt requested or other system that establishes the date of receipt of the notice by the addressee, stating that the Head Start or Early Head Start agency will be required to compete for funding for an additional five-year period, identifying the conditions ACF found, and summarizing the basis for the finding. All grantees that do not meet any of the conditions under §1307.3(a) or (d) through (g) will remain under indefinite project periods until the time period described under §1307.7(b)(2).

(2) During the remainder of the transition period, ACF shall give written notice to all grantees still under grants with indefinite project periods and on the conditions in §1307.3(a) through (g) by certified mail return receipt requested or other system that establishes the date of receipt of the notice by the addressee stating either:

(i) The Head Start or Early Head Start agency will be required to compete for funding for an additional five-year period because ACF finds that one or more conditions under §1307.3(a) through (g) has been met during the relevant time period described in paragraph (b) of this section, identifying the conditions ACF found, and summarizing the basis for the finding; or

(ii) That such agency has been determined on a preliminary basis to be eligible for renewed funding for five years without competition because ACF finds that none of the conditions under §1307.3 of this part have been met during the relevant time period described in paragraph (b) of this section. If prior to the award of that grant, ACF determines that the grantee has met one of the conditions under §1307.3 during the relevant time period described in paragraph (b) of this section, this determination will change and the grantee will receive notice under paragraph (c)(2)(i) of this section that it will be required to compete for funding for an additional five-year period.

(3) Following the transition period, ACF shall give written notice to all grantees at least 12 months before the expiration date of a Head Start or Early Head Start agency’s then current
grant by certified mail return receipt requested or other system that establishes the date of receipt of the notice by the addressee, stating:

(i) The Head Start or Early Head Start agency will be required to compete for funding for an additional five-year period because ACF finds that one or more conditions under §1307.3 of this part were met by the agency’s program during the relevant time period described in paragraph (b) of this section, identifying the conditions ACF found, and summarizing the basis for the finding; or

(ii) That such agency has been determined on a preliminary basis to be eligible for renewed funding for five years without competition because ACF finds that none of the conditions under §1307.3 have been met during the relevant time period described in paragraph (b) of this section. If prior to the award of that grant, ACF determines that the grantee has met one of the conditions under §1307.3 during the relevant time period described in paragraph (b) of this section, this determination will change and the grantee will receive notice under paragraph (c)(3)(i) of this section that it will be required to compete for funding for an additional five-year period.

§ 1307.8 Use of CLASS: Pre-K Instrument in the Designation Renewal System.

Except when all children are served in a single classroom, ACF will conduct observations of multiple classes operated by the grantee based on a random sample of all classes and rate the conduct of the classes observed using the CLASS: Pre-K instrument. When the grantee serves children in its program in a single class, that class will be observed and rated using the CLASS: Pre-K instrument. The domain scores for that class will be the domain scores for the grantee for that observation. After the observations are completed, ACF will report to the grantee the scores of the classes observed during the CLASS: Pre-K observations in each of the domains covered by the CLASS: Pre-K instrument. ACF will average CLASS: Pre-K instrument scores in each domain for the classes operated by the agency that ACF observed to determine the agency’s score in each domain.

(1) to the maximum extent appropriate, with children who are not disabled and in which;

(h) The grantee or delegate agency must arrange or provide special education and related services necessary to foster the maximum development of each child’s potential and to facilitate participation in the regular Head Start program unless the services are being provided by the LEA or other agency. The plan must specify the services to be provided directly by Head Start and those provided by other agencies. The grantee or delegate agency must arrange for, provide, or procure services which may include, but are not limited to special education and these related services:

1. Audiology services, including identification of children with hearing loss and referral for medical or other professional attention; provision of needed rehabilitative services such as speech and language therapy and auditory training to make best use of remaining hearing; speech conservation; lip reading; determination of need for hearing aids and fitting of appropriate aids; and programs for prevention of hearing loss;
2. Physical therapy to facilitate gross motor development in activities such as walking prevent or slow orthopedic problems and improve posture and conditioning;
3. Occupational therapy to improve, develop or restore fine motor functions in activities such as using a fork or knife;
4. Speech or language services including therapy and use of assistive devices necessary for a child to develop or improve receptive or expressive means of communication;
5. Psychological services such as evaluation of each child’s functioning and interpreting the results to staff and parents; and counseling and guidance services for staff and parents regarding disabilities;
6. Transportation for children with disabilities to and from the program and to special clinics or other service providers when the services cannot be provided on-site. Transportation includes adapted buses equipped to accommodate wheelchairs or other such devices if required; and
7. Assistive technology services or devices necessary to enable a child to improve functions such as vision, mobility or communication to meet the objectives in the IEP.

(i) The disabilities service plan must include options to meet the needs and take into consideration the strengths of each child based upon the IEP so that a continuum of services available from various agencies is considered.

(j) The options may include:

1. Joint placement of children with other agencies;
2. Shared provision of services with other agencies;
3. Shared personnel to supervise special education services, when necessary to meet State requirements on qualifications;
4. Administrative accommodations such as having two children share one enrollment slot when each child’s IEP calls for part-time service because of their individual needs; and
5. Any other strategies to be used to insure that special needs are met. These may include:
   (1) Increased staff;
(ii) Use of volunteers; and
(iii) Use of supervised students in such fields as child development, special education, child psychology, various therapies and family services to assist the staff.

(k) The grantee must ensure that the disabilities service plan addresses grantee efforts to meet State standards for personnel serving children with disabilities by the 1994–95 program year. Special education and related services must be provided by or under the supervision of personnel meeting State qualifications by the 1994–95 program year.

(l) The disabilities service plan must include commitment to specific efforts to develop interagency agreements with the LEAs and other agencies within the grantee’s service area. If no agreement can be reached, the grantee must document its efforts and inform the Regional Office. The agreements must address:

(1) Head Start participation in the public agency’s Child Find plan under Part B of IDEA;
(2) Joint training of staff and parents;
(3) Procedures for referral for evaluations, IEP meetings and placement decisions;
(4) Transition;
(5) Resource sharing;
(6) Head Start commitment to provide the number of children receiving services under IEPs to the LEA for the LEA Child Count report by December 1 annually; and
(7) Any other items agreed to by both parties. Grantees must make efforts to update the agreements annually.

(n) The disabilities coordinator must work with the director in planning and budgeting of grantee funds to assure that the special needs identified in the IEP are fully met; that children most in need of an integrated placement and of special assistance are served; and that the grantee maintains the level of fiscal support to children with disabilities consistent with the Congressional mandate to meet their special needs.

(o) The grant application budget form and supplement submitted with applications for funding must reflect requests for adequate resources to implement the objectives and activities in the disability services plan and fulfill the requirements of these Performance Standards.

(1) Salaries. Allowable expenditures include salaries of a full or part-time coordinator of services for children with disabilities (disabilities coordinator), who is essential to assure that programs have the core capability to recruit, enroll, arrange for the evaluation of children, provide or arrange for services to children with disabilities and work with Head Start coordinators and staff of other agencies which are working cooperatively with the grantee. Salaries of special education resource teachers who can augment the work of the regular teacher are an allowable expenditure.

(2) Evaluation of children. When warranted by screening or rescreening results, teacher observation or parent request, arrangements must be made for evaluation of the child’s development and functioning. If, after referral for evaluation to the LEA, evaluations are not provided by the LEA, they are an allowable expenditure.

(3) Services. Program funds may be used to pay for services which include special education, related services, and summer services deemed necessary on an individual basis and to prepare for serving children with disabilities in advance of the program year.

(4) Making services accessible. Allowable costs include elimination of architectural barriers which affect the participation of children with disabilities, in conformance with 45 CFR part 84, Nondiscrimination on the Basis of Handicap in Program and Activities Receiving or Benefiting from Federal Financial Assistance and with the Americans with Disabilities Act of 1990 (42 U.S.C. 12101). The Americans with Disabilities Act requires that public accommodations including private schools and day care centers may not discriminate on the basis of disability. Physical barriers in existing facilities must be removed if removal is readily achievable (i.e., easily accomplishable and able to be carried out without
much difficulty or expense). If not, alternative methods of providing the services must be offered, if those methods are readily achievable. Alterations must be accessible. When alterations to primary function areas are made, an accessible path of travel to the altered areas (and the bathrooms, telephones and drinking fountains serving that area) must be provided to the extent that the added accessibility costs are not disproportionate to the overall cost of the alterations. Program funds may be used for ramps, remodeling or modifications such as grab bars or railings. Grantees must meet new statutory and regulatory requirements that are enacted.

(5) Transportation. Transportation is a related service to be provided to children with disabilities. When transportation to the program site and to special services can be accessed from other agencies, it should be used. When it is not available, program funds are to be used to provide it. Special buses or use of taxis are allowable expenses if there are no alternatives available and they are necessary to enable a child to be served.

(6) Special Equipment and Materials. Purchase or lease of special equipment and materials for use in the program and home is an allowable program expense. Grantees must make available assistive devices necessary to make it possible for a child to move, communicate, improve functioning or address objectives which are listed in the child’s IEP.

(7) Training and Technical Assistance. Increasing the abilities of staff to meet the special needs of children with disabilities is an allowable expense. Appropriate expenditures may include but are not limited to:

(i) Travel and per diem expenses for disabilities coordinators, teachers and parents to attend training and technical assistance events related to special services for children with disabilities;

(ii) The provision of substitute teaching staff to enable staff to attend training and technical assistance events;

(iii) Fees for courses specifically related to the requirements of the disabilities service plan, a child’s IEP or State certification to serve children with disabilities; and

(iv) Fees and expenses for training/technical assistance consultants if such help is not available from another provider at no cost.

Subpart C—Social Services Performance Standards

§ 1308.5 Recruitment and enrollment of children with disabilities.

(a) The grantee or delegate agency outreach and recruitment activities must incorporate specific actions to actively locate and recruit children with disabilities.

(b) A grantee must insure that staff engaged in recruitment and enrollment of children are knowledgeable about the provisions of 45 CFR part 84, Non-discrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance, and of the Americans with Disabilities Act of 1990, (42 U.S.C. 12101).

(c) A grantee must not deny placement on the basis of a disability or its severity to any child when:

(1) The parents wish to enroll the child,

(2) The child meets the Head Start age and income eligibility criteria,

(3) Head Start is an appropriate placement according to the child’s IEP, and

(4) The program has space to enroll more children, even though the program has made ten percent of its enrollment opportunities available to children with disabilities. In that case children who have a disability and non-disabled children would compete for the available enrollment opportunities.

(d) The grantee must access resources and plan for placement options, such as dual placement, use of resource staff and training so that a child with a disability for whom Head Start is an appropriate placement according to the IEP is not denied enrollment because of:

(1) Staff attitudes and/or apprehensions;

(2) Inaccessibility of facilities;

(3) Need to access additional resources to serve a specific child;
Office of Human Development Services, HHS § 1308.6

(4) Unfamiliarity with a disabling condition or special equipment, such as a prosthesis; and
(5) Need for personalized special services such as feeding, suctioning, and assistance with toileting, including catheterization, diapering, and toilet training.

(e) The same policies governing Head Start program eligibility for other children, such as priority for those most in need of the services, apply to children with disabilities. Grantees also must take the following factors into account when planning enrollment procedures:
(1) The number of children with disabilities in the Head Start service area including types of disabilities and their severity;
(2) The services and resources provided by other agencies; and
(3) State laws regarding immunization of preschool children. Grantees must observe applicable State laws which usually require that children entering State preschool programs complete immunizations prior to or within thirty days after entering to reduce the spread of communicable diseases.

(f) The recruitment effort of a Head Start grantee must include recruiting children who have severe disabilities, including children who have been previously identified as having disabilities.

Subpart D—Health Services Performance Standards

§ 1308.6 Assessment of children.

(a) The disabilities coordinator must be involved with other program staff throughout the full process of assessment of children, which has three steps:
(1) All children enrolled in Head Start are screened as the first step in the assessment process;
(2) Staff also carry out on-going developmental assessment for all enrolled children throughout the year to determine progress and to plan program activities;
(3) Only those children who need further specialized assessment to determine whether they have a disability and may require special education and related services proceed to the next step, evaluation. The disabilities coordinator has primary responsibility for this third step, evaluation, only.

(b) Screening, the first step in the assessment process, consists of standardized health screening and developmental screening which includes speech, hearing and vision. It is a brief process, which can be repeated, and is never used to determine that a child has a disability. It only indicates that a child may need further evaluation to determine whether the child has a disability. Rescreening must be provided as needed.

(1) Grantees must provide for developmental, hearing and vision screenings of all Early Head Start and Head Start children within 45 days of the child’s entry into the program. This does not preclude starting screening in the spring, before program services begin in the fall.

(2) Grantees must make concerted efforts to reach and include the most in need and hardest to reach in the screening effort, providing assistance but urging parents to complete screening before the start of the program year.

(3) Developmental screening is a brief check to identify children who need further evaluation to determine whether they may have disabilities. It provides information in three major developmental areas: visual/motor, language and cognition, and gross motor/body awareness for use along with observation data, parent reports and home visit information. When appropriate standardized developmental screening instruments exist, they must be used. The disabilities coordinator must coordinate with the health coordinator and staff who have the responsibility for implementing health screening and with the education staff who have the responsibility for implementing developmental screening.

(c) Staff must inform parents of the types and purposes of the screening well in advance of the screening, the results of these screenings and the purposes and results of any subsequent evaluations.

(d) Developmental assessment, the second step, is the collection of information on each child’s functioning in these areas: gross and fine motor
§ 1308.7 Eligibility criteria: Health impairment.

(a) A child is classified as health impaired who has limited strength, vitality or alertness due to a chronic or acute health problem which adversely affects learning.

(b) The health impairment classification may include, but is not limited to, cancer, some neurological disorders, rheumatic fever, severe asthma, uncontrolled seizure disorders, heart conditions, lead poisoning, diabetes, AIDS, blood disorders, including hemophilia, sickle cell anemia, cystic fibrosis, heart disease and attention deficit disorder.
(c) This category includes medically fragile children such as ventilator dependent children who are in need of special education and related services.

(d) A child may be classified as having an attention deficit disorder under this category who has chronic and pervasive developmentally inappropriate inattention, hyperactivity, or impulsivity. To be considered a disorder, this behavior must affect the child’s functioning severely. To avoid overuse of this category, grantees are cautioned to assure that only the enrolled children who most severely manifest this behavior must be classified in this category.

(1) The condition must severely affect the performance of a child who is trying to carry out a developmentally appropriate activity that requires orienting, focusing, or maintaining attention during classroom instructions and activities, planning and completing activities, following simple directions, organizing materials for play or other activities, or participating in group activities. It also may be manifested in overactivity or impulsive acts which appear to be or are interpreted as physical aggression. The disorder must manifest itself in at least two different settings, one of which must be the Head Start program site.

(2) Children must not be classified as having attention deficit disorders based on:

(i) Temporary problems in attention due to events such as a divorce, death of a family member or post-traumatic stress reactions to events such as sexual abuse or violence in the neighborhood;

(ii) Problems in attention which occur suddenly and acutely with psychiatric disorders such as depression, anxiety and schizophrenia;

(iii) Behaviors which may be caused by frustration stemming from inappropriate programming beyond the child’s ability level or by developmentally inappropriate demands for long periods of inactive, passive activity;

(iv) Intentional noncompliance or opposition to reasonable requests that are typical of good preschool programs; or

(v) Inattention due to cultural or language differences.

(3) An attention deficit disorder must have had its onset in early childhood and have persisted through the course of child development when children normally mature and become able to operate in a socialized preschool environment. Because many children younger than four have difficulty orienting, maintaining and focusing attention and are highly active, when Head Start is responsible for the evaluation, attention deficit disorder applies to four and five year old children in Head Start but not to three year olds.

(4) Assessment procedures must include teacher reports which document the frequency and nature of indications of possible attention deficit disorders and describe the specific situations and events occurring just before the problems manifested themselves. Reports must indicate how the child’s functioning was impaired and must be confirmed by independent information from a second observer.

§ 1308.8 Eligibility criteria: Emotional/behavioral disorders.

(a) An emotional/behavioral disorder is a condition in which a child’s behavioral or emotional responses are so different from those of the generally accepted, age-appropriate norms of children with the same ethnic or cultural background as to result in significant impairment in social relationships, self-care, educational progress or classroom behavior. A child is classified as having an emotional/behavioral disorder who exhibits one or more of the following characteristics with such frequency, intensity, or duration as to require intervention:

(1) Seriously delayed social development including an inability to build or maintain satisfactory (age appropriate) interpersonal relationships with peers or adults (e.g., avoids playing with peers);

(2) Inappropriate behavior (e.g., dangerously aggressive towards others, self-destructive, severely withdrawn, non-communicative);

(3) A general pervasive mood of unhappiness or depression, or evidence of excessive anxiety or fears (e.g., frequent crying episodes, constant need for reassurance); or
§ 1308.9 Eligibility criteria: Speech or language impairments.

(a) A speech or language impairment means a communication disorder such as stuttering, impaired articulation, a language impairment, or a voice impairment, which adversely affects a child’s learning.

(b) A child is classified as having a speech or language impairment whose speech is unintelligible much of the time, or who has been professionally diagnosed as having speech impairments which require intervention or who is professionally diagnosed as having a delay in development in his or her primary language which requires intervention.

(c) A language disorder may be receptive or expressive. A language disorder may be characterized by difficulty in understanding and producing language, including word meanings (semantics), the components of words (morphology), the components of sentences (syntax), or the conventions of conversation (pragmatics).

(d) A speech disorder occurs in the production of speech sounds (articulation), the loudness, pitch or quality of voice (voicing), or the rhythm of speech (fluency).

(e) A child should not be classified as having a speech or language impairment whose speech or language differences may be attributed to:

1. Cultural, ethnic, bilingual, or dialectical differences or being non-English speaking; or
2. Disorders of a temporary nature due to conditions such as a dental problem; or
3. Delays in developing the ability to articulate only the most difficult consonants or blends of sounds within the broad general range for the child’s age.

§ 1308.10 Eligibility criteria: Mental retardation.

(a) A child is classified as mentally retarded who exhibits significantly sub-average intellectual functioning and exhibits deficits in adaptive behavior which adversely affect learning. Adaptive behavior refers to age-appropriate coping with the demands of the environment through independent skills in self-care, communication and play.

(b) Measurement of adaptive behavior must reflect objective documentation through the use of an established scale and appropriate behavioral/anecdotal records. An assessment of the child’s functioning must also be made in settings outside the classroom.

(c) Valid and reliable instruments appropriate to the age range must be used. If they do not exist for the language and cultural group to which the child belongs, observation and professional judgement are to be used instead.

(d) Determination that a child is mentally retarded is never to be made on the basis of any one test alone.

§ 1308.11 Eligibility criteria: Hearing impairment including deafness.

(a) A child is classified as deaf if a hearing impairment exists which is so severe that the child is impaired in processing linguistic information through hearing, with or without amplification, and learning is affected. A child is classified as hard of hearing who has a permanent or fluctuating hearing impairment which adversely affects learning; or

(b) Meets the legal criteria for being hard of hearing established by the State of residence; or

(c) Experiences recurrent temporary or fluctuating hearing loss caused by otitis media, allergies, or eardrum perforations and other outer or middle ear anomalies over a period of three months or more. Problems associated with temporary or fluctuating hearing loss can include impaired listening skills, delayed language development, and articulation problems. Children meeting these criteria must be referred
for medical care, have their hearing checked frequently, and receive speech, language or hearing services as indicated by the IEPs. As soon as special services are no longer needed, these children must no longer be classified as having a disability.

§ 1308.12 Eligibility criteria: Orthopedic impairment.

(a) A child is classified as having an orthopedic impairment if the condition is severe enough to adversely affect a child’s learning. An orthopedic impairment involves muscles, bones, or joints and is characterized by impaired ability to maneuver in educational or non-educational settings, to perform fine or gross motor activities, or to perform self-help skills and by adversely affected educational performance.

(b) An orthopedic impairment includes, but is not limited to, spina bifida, cerebral palsy, loss of or deformed limbs, contractures caused by burns, arthritis, or muscular dystrophy.

§ 1308.13 Eligibility criteria: Visual impairment including blindness.

(a) A child is classified as visually impaired when visual impairment, with correction, adversely affects a child’s learning. The term includes both blind and partially seeing children. A child is visually impaired if:

1. The vision loss meets the definition of legal blindness in the State of residence; or

2. Central acuity does not exceed 20/200 in the better eye with corrective lenses, or visual acuity is greater than 20/200, but is accompanied by a limitation in the field of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.

(b) A child is classified as having a visual impairment if central acuity with corrective lenses is between 20/70 and 20/200 in either eye, or if visual acuity is undetermined, but there is demonstrated loss of visual function that adversely affects the learning process, including faulty muscular action, limited field of vision, cataracts, etc.

§ 1308.14 Eligibility criteria: Learning disabilities.

(a) A child is classified as having a learning disability who has a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, which may manifest itself in imperfect ability to listen, think, speak or, for preschool age children, acquire the precursor skills for reading, writing, spelling or doing mathematical calculations. The term includes such conditions as perceptual disabilities, brain injury, and aphasia.

(b) An evaluation team may recommend that a child be classified as having a learning disability if:

1. The child does not achieve commensurate with his or her age and ability levels in one or more of the areas listed in (a) above when provided with appropriate learning experiences for the age and ability; or

2. The child has a severe discrepancy between achievement of developmental milestones and intellectual ability in one or more of these areas: oral expression, listening comprehension, pre-reading, pre-writing and pre-mathematics; or

3. The child shows deficits in such abilities as memory, perceptual and perceptual-motor skills, thinking, language and non-verbal activities which are not due to visual, motor, hearing or emotional disabilities, mental retardation, cultural or language factors, or lack of experiences which would help develop these skills.

(c) This definition for learning disabilities applies to four and five year old children in Head Start. It may be used at a program’s discretion for children younger than four or when a three year old child is referred with a professional diagnosis of learning disability. But because of the difficulty of diagnosing learning disabilities for three year olds, when Head Start is responsible for the evaluation it is not a requirement to use this category for three year olds.

§ 1308.15 Eligibility criteria: Autism.

A child is classified as having autism when the child has a developmental disability that significantly affects verbal and non-verbal communication
§ 1308.16 Eligibility criteria: Traumatic brain injury.

A child is classified as having traumatic brain injury whose brain injuries are caused by an external physical force, or by an internal occurrence such as stroke or aneurysm, with resulting impairments that adversely affect educational performance. The term includes children with open or closed head injuries, but does not include children with brain injuries that are congenital or degenerative or caused by birth trauma.

§ 1308.17 Eligibility criteria: Other impairments.

(a) The purposes of this classification, “Other impairments,” are:
(1) To further coordination with LEAs and reduce problems of recordkeeping;
(2) To assist parents in making the transition from Head Start to other placements; and
(3) To assure that no child enrolled in Head Start is denied services which would be available to other preschool children who are considered to have disabilities in their State.

(b) If the State Education Agency eligibility criteria for preschool children include an additional category which is appropriate for a Head Start child, children meeting the criteria for that category must receive services as children with disabilities in Head Start programs. Examples are “preschool disabled,” “in need of special education,” “educationally handicapped,” and “non-categorically handicapped.”

(c) Children ages three to five, inclusive, who are experiencing developmental delays, as defined by their State and as measured by appropriate diagnostic instruments and procedures, in one or more of the following areas: physical development, cognitive development, communication development, social or emotional development, or adaptive development, and who by reason thereof need special education and related services may receive services as children with disabilities in Head Start programs.

(d) Children who are classified as deaf-blind, whose concomitant hearing and visual impairments cause such severe communication and other developmental problems that they cannot be accommodated in special education programs solely for deaf or blind children are eligible for services under this category.

(e) Children classified as having multiple disabilities whose concomitant impairments (such as mental retardation and blindness), in combination, cause such severe educational problems that they cannot be accommodated in special education programs solely for one of the impairments are eligible for services under this category. The term does not include deaf-blind children, for recordkeeping purposes.

§ 1308.18 Disabilities/health services coordination.

(a) The grantee must ensure that the disabilities coordinator and the health coordinator work closely together in the assessment process and follow up to assure that the special needs of each child with disabilities are met.

(b) The grantee must ensure coordination between the disabilities coordinator and the staff person responsible for the mental health component to help teachers identify children who show signs of problems such as possible serious depression, withdrawal, anxiety or abuse.

(c) Each Head Start director or designee must supervise the administration of all medications, including prescription and over-the-counter drugs, to children with disabilities in accordance with State requirements.

(d) The health coordinator under the supervision of the Head Start director or designee must:
(1) Obtain the doctor’s instructions and parental consent before any medication is administered.

(2) Maintain an individual record of all medications dispensed and review the record regularly with the child’s parents.

(3) Record changes in a child’s behavior which have implications for drug
dosage or type and share this information with the staff, parents and the physician.

(4) Assure that all medications, including those required by staff and volunteers, are adequately labeled, stored under lock and key and out of reach of children, and refrigerated, if necessary.

Subpart E—Education Services

Performance Standards

§ 1308.19 Developing individualized education programs (IEPs)

(a) When Head Start provides for the evaluation, the multidisciplinary evaluation team makes the determination whether the child meets the Head Start eligibility criteria. The multidisciplinary evaluation team must assure that the evaluation findings and recommendations, as well as information from developmental assessment, observations and parent reports, are considered in making the determination whether the child meets Head Start eligibility criteria.

(b) Every child receiving services in Head Start who has been evaluated and found to have a disability and in need of special education must have an IEP before special education and related services are provided to ensure that comprehensive information is used to develop the child’s program.

(c) When the LEA develops the IEP, a representative from Head Start must attempt to participate in the IEP meeting and placement decision for any child meeting Head Start eligibility requirements.

(d) If Head Start develops the IEP, the IEP must take into account the child’s unique needs, strengths, developmental potential and the family strengths and circumstances as well as the child’s disabilities.

(e) The IEP must include:

(1) A statement of the child’s present level of functioning in the social-emotional, motor, communication, self-help, and cognitive areas of development, and the identification of needs in those areas requiring specific programming.

(2) A statement of annual goals, including short term objectives for meeting these goals.

(3) A statement of services to be provided by each Head Start component that are in addition to those services provided for all Head Start children, including transition services.

(4) A statement of the specific special education services to be provided to the child and those related services necessary for the child to participate in a Head Start program. This includes services provided by Head Start and services provided by other agencies and non-Head Start professionals.

(5) The identification of the personnel responsible for the planning and supervision of services and for the delivery of services.

(6) The projected dates for initiation of services and the anticipated duration of services.

(7) A statement of objective criteria and evaluation procedures for determining at least annually whether the short-term objectives are being achieved or need to be revised.

(8) Family goals and objectives related to the child’s disabilities when they are essential to the child’s progress.

(f) When Head Start develops the IEP, the team must include:

(1) The Head Start disabilities coordinator or a representative who is qualified to provide or supervise the provision of special education services;

(2) The child’s teacher or home visitor;

(3) One or both of the child’s parents or guardians; and

(4) At least one of the professional members of the multidisciplinary team which evaluated the child.

(g) An LEA representative must be invited in writing if Head Start is initiating the request for a meeting.

(h) The grantee may also invite other individuals at the request of the parents and other individuals at the discretion of the Head Start program, including those component staff particularly involved due to the nature of the child’s disability.

(i) A meeting must be held at a time convenient for the parents and staff to develop the IEP within 30 calendar days of a determination that the child needs special education and related services. Services must begin as soon
as possible after the development of the IEP.

(j) Grantees and their delegates must make vigorous efforts to involve parents in the IEP process. The grantee must:

(1) Notify parents in writing and, if necessary, also verbally or by other appropriate means of the purpose, attendees, time and location of the IEP meeting far enough in advance so that there is opportunity for them to participate;

(2) Make every effort to assure that the parents understand the purpose and proceedings and that they are encouraged to provide information about their child and their desires for the child’s program;

(3) Provide interpreters, if needed, and offer the parents a copy of the IEP in the parents’ language of understanding after it has been signed;

(4) Hold the meeting without the parents only if neither parent can attend, after repeated attempts to establish a date or facilitate their participation. In that case, document its efforts to secure the parents’ participation, through records of phone calls, letters in the parents’ native language or visits to parents’ homes or places of work, along with any responses or results; and arrange an opportunity to meet with the parents to review the results of the meeting and secure their input and signature.

(k) Grantees must initiate the implementation of the IEP as soon as possible after the IEP meeting by modifying the child’s program in accordance with the IEP and arranging for the provision of related services. If a child enters Head Start with an IEP completed within two months prior to entry, services must begin within the first two weeks of program attendance.

Subpart F—Nutrition Performance Standards

§ 1308.20 Nutrition services.

(a) The disabilities coordinator must work with staff to ensure that provisions to meet special needs are incorporated into the nutrition program.

(b) Appropriate professionals, such as physical therapists, speech therapists, occupational therapists, nutritionists or dietitians must be consulted on ways to assist Head Start staff and parents of children with severe disabilities with problems of chewing, swallowing and feeding themselves.

(c) The plan for services for children with disabilities must include activities to help children with disabilities participate in meal and snack times with classmates.

(d) The plan for services for children with disabilities must address prevention of disabilities with a nutrition basis.

Subpart G—Parent Involvement Performance Standards

§ 1308.21 Parent participation and transition of children into Head Start and from Head Start to public school.

(a) In addition to the many references to working with parents throughout these standards, the staff must carry out the following tasks:

(1) Support parents of children with disabilities entering from infant/toddler programs.

(2) Provide information to parents on how to foster the development of their child with disabilities.

(3) Provide opportunities for parents to observe large group, small group and individual activities described in their child’s IEP.

(4) Provide follow-up assistance and activities to reinforce program activities at home.

(5) Refer parents to groups of parents of children with similar disabilities who can provide helpful peer support.

(6) Inform parents of their rights under IDEA.

(7) Inform parents of resources which may be available to them from the Supplemental Security Income (SSI) Program, the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Program and other sources and assist them with initial efforts to access such resources.

(8) Identify needs (caused by the disability) of siblings and other family members.

(9) Provide information in order to prevent disabilities among younger siblings.
(10) build parent confidence, skill and knowledge in accessing resources and advocating to meet the special needs of their children.

(b) Grantees must plan to assist parents in the transition of children from Head Start to public school or other placement, beginning early in the program year.

(c) Head Start grantees, in cooperation with the child’s parents, must notify the school of the child’s planned enrollment prior to the date of enrollment.

APPENDIX TO PART 1308—HEAD START PROGRAM PERFORMANCE STANDARDS ON SERVICES TO CHILDREN WITH DISABILITIES

This appendix sets forth guidance for the implementation of the requirements in part 1308. This guidance provides explanatory material and includes recommendations and suggestions for meeting the requirements. This guidance is not binding on Head Start grantees or delegate agencies. It provides assistance and possible strategies which a grantee may wish to consider. In instances where a permissible course of action is provided, the grantee or delegate agency may rely upon this guidance or may take another course of action that meets the applicable requirement. This programmatic guidance is included as an aid to grantees because of the complexity of providing special services to meet the needs of children with various disabilities.

Section 1308.4 Purpose and scope of disabilities service plan

Guidance for Paragraph (a)

In order to develop an effective disabilities service plan the responsible staff members need to understand the context in which a grantee operates. The Head Start program has operated under a Congressional mandate, since 1972, to make available, at a minimum, ten percent of its enrollment opportunities to children with disabilities. Head Start has exceeded this mandate and serves children in integrated, developmentally appropriate programs. The passage of the Individuals With Disabilities Education Act, formerly the Education of the Handicapped Act, and its amendments, affects Head Start, causing a shift in the nature of Head Start’s responsibilities for providing services for children with disabilities relative to the responsibilities of State Education Agencies (SEA) and Local Education Agencies (LEA).

Grantees need to be aware that under the IDEA the State Education Agency has the responsibility for assuring the availability of a free appropriate public education for all children with disabilities within the legally required age range in the State. This responsibility includes general supervision of educational programs in all agencies, including monitoring and evaluating the special education and related services to insure that they meet State standards, developing a comprehensive State plan for services for children with disabilities (including a description of interagency coordination among these agencies), and providing a Comprehensive System for Personnel Development related to training needs of all special education and related service personnel involved in the education of children with disabilities served by these agencies, including Head Start programs.

Each State has in effect under IDEA a policy assuring all children with disabilities beginning at least at age three, including those in public or private institutions or other care facilities, the right to a free appropriate public education available through a contract, State or local collaborative agreement, or other arrangement; or the agency in which the family chooses to have the child served rather than using LEA services.

Regardless of how a child is placed in Head Start, the LEA is responsible for the identification, evaluation and provision of a free appropriate public education for a child found to be in need of special education and to an evaluation meeting established procedures. Head Start is either:

• The agency through which the Local Education Agency can meet its obligation to make a free appropriate public education available through a contract, State or local collaborative agreement, or other arrangement; or
• The agency in which the family chooses

To have the child served rather than using LEA services.

The Head Start responsibility is to make available directly or in cooperation with other agencies services in the least restrictive environment in accordance with an individualized education program (IEP) for at least ten percent of enrolled children who meet the disabilities eligibility criteria. In addition, Head Start continues to provide or arrange for the full range of health, dental, nutritional, developmental, parent involvement and social services provided to all enrolled children. Head Start has a mandate to recruit and enroll income-eligible children and children with disabilities who are most in need of services and to coordinate with the LEA and other groups to benefit children with disabilities and their families. Serving children with disabilities has strengthened Head Start’s ability to individualize for all children. Head Start is fully committed to the maintenance of effort as required for all agencies by the IDEA and by the Head Start program.
Act (Section 640(a)(2)(A)), Head Start is committed to fiscal support to assure that the services which children with disabilities need to meet their special needs will be provided in full, either directly or by a combination of Head Start funds and other resources.

These Head Start regulations facilitate coordination with the IDEA by utilizing identical terms for eligibility criteria for the most part. However, Head Start has elected to use the term “emotional/behavioral disorder” in lieu of “serious emotional disturbance,” which is used in the IDEA, in response to comments and concerns of parents and professionals. Children who meet State-developed criteria under IDEA will be eligible for services from Head Start in that State.

In order to organize activities and resources to help children with disabilities overcome or lessen their disabilities and develop their potential, it is essential to involve the education, health, social services, parent involvement, mental health and nutrition components of Head Start. Parents, staff and policy group members should discuss the various strategies for ensuring that the disabilities service plan integrates needs and activities which cut across the Head Start component areas before the plan is completed.

Advance planning and scheduling of arrangements with other agencies is a key factor in assuring timely, efficient services. Local level interagency agreements can greatly facilitate the difficult tasks of locating related service providers, for example, and joint community screening programs can reduce delays and costs to each of the participating agencies.

Guidance for Paragraph (b)

The plan and the annual updates need to be specific, but not lengthy. As changes occur in the community, the plan needs to reflect the changes which affect services.

Guidance for Paragraph (c)

Grantees should ensure that the practices they use to provide special services do not result in undue attention to a child with a disability. For example, providing names and schedules of special services for children with disabilities in the classroom is useful for staff or volunteers coming into that classroom but posting them would publicize the disability of the individual children.

Guidance for Paragraph (d)

Staff should work for the children’s greater independence by encouraging them to try new things and to meet appropriate goals by small steps. Grantees should help children with disabilities develop initiative by including them in opportunities to explore, to create, and to ask rather than to answer questions. The children need opportunities to use a wide variety of materials including science tools, art media and costumes in order to develop skills, imagination and originality. They should be included on field trips, as their experience may have been limited, for example, by an orthopedic impairment.

Just as a program makes available pictures and books showing children and adults from representative cultural, ethnic and occupational groups, it should provide pictures and books which show children and adults with disabilities, including those in active roles.

Staff should plan to answer questions children and adults may have about disabilities. This promotes acceptance of a child with disabilities for him or herself and lessens the treating the child more normally. Effective curricula are available at low cost for helping children and adults understand disabilities and for improving attitudes and increasing knowledge about disabilities. Information on these and other materials can be obtained from resource access projects contractors, which offer training and technical assistance to Head Start programs.

There are a number of useful guides for including children with disabilities in regular group activities while providing successful experiences for children who differ widely in developmental levels and skills. Some of these describe activities around a unit theme with suggestions for activities suitable for children with different skill levels. Staff need to help some children with disabilities move into developmentally appropriate play with other children.

Research has shown the effectiveness of work in small groups for appropriately selected children with disabilities. This plan allows for coordinating efforts to meet the needs of individual children as listed in their IEPs and can help focus resources efficiently. If a deaf child who uses or needs sign language or another communication mode is enrolled, a parent, volunteer or aide who can use that mode of communication should be provided to help the child benefit from the program.

In order to build the language and speech capabilities of many children with disabilities who have communication problems, it has been found helpful to enlist aides, volunteers, cooks, bus drivers and parents, showing them how to provide extra repetition and model gradually more advanced language as children improve in their ability to understand and use language. Small group activities for children with similar language development needs should be provided regularly as well as large group language and listening games and individual help. Helping children with intellectual delays or emotional problems or those whose experiences have been limited by other disabilities to express their own ideas and to communicate during play...
and throughout the daily activities is motivating and can contribute greatly to their progress.

Guidance for Paragraph (e)
The Disabilities Service Coordinator should possess a basic understanding of the scope of the Head Start effort and skills adequate to manage the agency to serve children with disabilities including coordination with other program components and community agencies and work with parents.

Guidance for Paragraph (f)
For non-verbal children, communication boards, computers and other assistive technology devices may be helpful. Technical assistance providers have information on the Technology Related Assistance for Individuals with Disabilities Act of 1988, 29 U.S.C. 2001 et seq. States are funded through this legislation to plan Statewide assistive technology services, which should include services for young children. Parents should be helped to understand the necessity of including assistive technology services and devices in their child’s IEP in order to obtain them.

The plan should include any renovation of space and facilities which may be necessary to ensure the safety of the children or promote learning. For example, rugs or other sound-absorbing surfaces make it easier for some children to hear stories or conversation. Different surfaces on floors and play areas affect some children’s mobility.

45 CFR Part 84, Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance which implements the Rehabilitation Act of 1973 and the Americans with Disabilities Act require that all Federally assisted programs, including Head Start, be accessible to persons with disabilities including staff, parents and children. This does not mean that every building or part of a building must be physically accessible, but the program services as a whole must be accessible. Structural changes to make the program services available are required if alternatives such as reassignment of classes or moving to different rooms are not possible. Information on the accessibility standards is available from RAPs or the U.S. Department of Justice, Civil Rights Division, Coordination and Review Section, P.O. Box 66118, Washington, DC 20035-6115.

Staff should ensure that children with physical disabilities have chairs and other pieces of furniture of the correct size and type for their individual needs as they grow. Agencies such as United Cerebral Palsy, Easter Seal Societies or SEAs can provide consultation on adapting or purchasing the appropriate furniture. The correct positioning of certain children is essential and requires expert advice. As the children grow, the furniture and equipment should be checked by an expert, such as a physical therapist, because the wrong fit can be harmful. Efforts should be made to use furniture sized and shaped to place children at the same level as their classmates whenever possible.

Guidance for Paragraph (h)
The plan should specify:
• Overall goals of the disability effort.
• Specific objectives and activities of the disability effort.
• How and when specific activities will be carried out and goals attained.
• Who will be responsible for the conduct of each element of the plan.
• How individual activities will be evaluated.

The plan should address:
• Enrollment information, including numbers of children and types of disabilities, known and estimated.
• Identification and recruitment of children with disabilities. Participation in Child Find and list of major specialized agencies approached.
• Screening.
• Developmental Assessment.
• Evaluation.
• The multidisciplinary team and its work.
• The process for developing IEPs.
• The provision of program services and related services.
• Program accessibility.
• Recordkeeping and reporting.
• Confidentiality of information.
• Any special safety needs.
• Medications.
• Transportation.
• The process for identifying and meeting training and technical assistance needs.
• Special parent involvement needs.
• Planned actions to increase the ability of staff to serve children with more severe disabilities and the number of children with more severe disabilities served.
• Transitioning of children in and out to the next program.

Particular attention should be given to addressing ways to:
• Involve parents throughout the disability effort, and
• Work with other agencies in serving children with disabilities. It should be possible for a reader to visualize how and by whom services will be delivered. Coordination with other agencies should be described, as well as the process for developing local agreements with other agencies. The RAPs can provide samples and models for the process of developing agreements with LEAs.

Guidance for Paragraph (j)
Children may spend part of the program hours in Head Start for a mainstreaming experience and part in a specialized program.
such as an Easter Seal Society or a local mental health center. The amount of time spent in either program should be flexible, according to the needs of the individual child. All services to be provided, including those provided by collaborating agencies, should be described in the IEP. Staff of both programs should observe each other’s work with the child who is enrolled and maintain good communication.

Individual services such as occupational, physical or speech therapy, staff training, transportation, services to families or counseling may be shared by Head Start and other agencies. For example, Head Start might provide equipment and transportation whereas a development center might provide a facility and physical therapy for a Head Start child. Some LEAs provide resource teachers while Head Start provides a developmentally appropriate program in an integrated setting.

Hiring additional staff may be necessary to meet the needs of children with severe disabilities. Hiring an aide may be necessary on a full-time, part-time, temporary or as needed basis to assist with the increased demands of a child with a severe disability. However, aides should not be assigned the major responsibility for providing direct services. Aides and volunteers should be guided and supervised by the disabilities service coordinator or someone with special training. It is desirable to have the services of a nurse, physical therapist or licensed practical nurse available for children with severe health or physical disabilities.

Volunteers trained by professionals to work specifically with children with disabilities can provide valuable individualized support. For example, a volunteer might be trained by a physical therapist to carry out specific follow-up activities with individual children.

Guidance for Paragraph (k)

State standards for qualifications of staff to provide special education and related services affect Head Start’s acceptance as a placement site for children who have been evaluated by an LEA. Head Start grantees, like LEAs, are affected by shortages of staff meeting State qualifications and are to work toward the goal of meeting the highest State standards for personnel by developing plans to train current staff and to hire new staff so that eventually the staff will meet the qualifications. Grantees should discuss their needs for pre-service and in-service training with SEAs during annual updates of interagency agreements for use in the planning of joint State level conferences and for use in preparation of Comprehensive State Personnel Development plans. They should also discuss these needs with LEAs which provide in-service training.

The program should provide training for the regular teachers on how to modify large group, small group or individual activities to meet the needs of children with disabilities. Specific training for staff should be provided when Head Start enrolls a child whose disability or condition requires a special skill or knowledge of special techniques or equipment. Examples are structuring a language activity, performing intermittent nonsterile catheterization, changing collection bags, suctioning, or operating leg braces. Joint training with other agencies is recommended to stretch resources and exchange expertise.

Staff should have access to regular ongoing training events which keep them abreast of new materials, equipment and practices related to serving children with disabilities and to preventing disabilities. Ongoing training and technical assistance in support of the disabilities effort should be planned to complement other training available to meet staff needs. Each grantee has the responsibility to identify or arrange the necessary support to carry out training for parents and staff.

The best use of training funds has resulted when programs carry out a staff training needs assessment and relate current year training plans to previous staff training with the goal of building core capability. Staff who receive special training should share new knowledge with the rest of the staff.

The core capability of the program is enhanced when speech, language and other therapy is provided in the regular site whenever possible. This allows for the specialist to demonstrate to regular staff and plan for their follow through. It also reduces costs and time spent transporting children to clinics and other settings. When university graduates are utilized to provide special services as part of their training, it is helpful to arrange for their supervisors to monitor their work. Grantees arranging for such assistance are providing a valuable internship site and it is to the university’s advantage to have their students become familiar with programs on-site. Grantees should negotiate when developing interagency agreements to have services provided on-site to the greatest extent possible.

The Head Start Act, Section 648 (42 U.S.C. 9833) (a)(2), calls for training and technical assistance to be offered to all Head Start programs with respect to services for children with disabilities without cost through resource access projects which serve each region of the country. The technical assistance contractors contact each grantee for a needs assessment and offer training. While their staffs are small and their budgets limited, they are experienced and committed to meeting as many needs as they can and welcome inquiries. A brochure with names and
addresses of the technical assistance providers is available from ACYF/HS, P.O. Box 1182, Washington, DC 20013.

The SEA is responsible for developing a Comprehensive System of Personnel Development. It is important that Head Start training needs be conveyed to this group for planning purposes so that all available resources can be brought to bear for staff training in Head Start. Grantees should take advantage of free or low-cost training provided by SEAs, LEAs, community colleges and other agencies to augment staff training.

Many agencies offer free training for staff and parents. An example is the Epilepsy Foundation of America with trained volunteers throughout the country. The LightHouse of New York City has developed a training program on early childhood and vision which was field-tested in Head Start and is suitable for community agencies. Head Start and the American Optometric Association have signed a memorandum of understanding under which member optometrists offer eye health education and screening. State-funded adult education and training programs or community colleges make available parenting, child development and other courses at low or no cost. Grantees should consider the need for training in working with parents, in developing working collaborative relationships and in networking when planning training.

The disabilities coordinator needs to work closely with the education and health coordinators to provide or arrange training for staff and parents early in each program year on the prevention of disabilities. This should include the importance of observing signs that some children may have mild or fluctuating hearing losses due to middle ear infections. Such losses are often undetected and can cause problems in learning speech and language. Many children with hearing losses benefit from amplification and auditory training in how to use their remaining hearing most efficiently.

The disabilities coordinator should also work with the education coordinator to provide timely staff training on recognizing signs that some children may be at high risk for later learning problems as well as emotional problems resulting from failure and frustration. This training should address ways to help children develop the skills necessary for later academic learning, such as following directions and calling for more than one action, sequencing, sustaining attention, and making auditory and visual discriminations.

Guidance for Paragraph (l)

The RAPS can provide information on agreements which have been developed between Head Start and SEAs and between Head Start and LEAs and other agencies. Such agreements offer possibilities to share training, equipment and other resources, smoothing the transition from Head Start to public or private school for children and their parents. Some of these agreements specify cost- and resource-sharing practices. Tribal Government Head Start programs should maximize use of Bureau of Indian Affairs, LEA and Head Start funds through cooperative agreements. Indian grantees should contact ACYF for referral to technical assistance in this regard. Grantees should bear in mind that migrant children are served in the majority of States and include consideration of their special needs, including the necessity for rapid provision of special education and related services, in agreements with LEAs and other agencies.

Guidance for Paragraph (m)

In developing the plan and the budget which is a part of the grant application process, it is important to budget adequately for the number of children with disabilities to be served and the types and severity of their disabilities. The budget should reflect resources available from other agencies as well as the special costs to be paid for from Head Start funds. The Head Start legislation requires Head Start to access resources to meet the needs of all the children enrolled, including those with disabilities.

An effective plan calls for the careful use of funds. The Disabilities Services Coordinator needs to keep current with the provisions of Part B of the IDEA and the services which may be available for three through five year-old children under this Act. Coordinators also need to utilize the expanded services under the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) program and Supplemental Security Income program.

To assist in the development of the plan, it may be helpful to establish an advisory committee for the disability effort or to expand the scope of the health advisory committee.

Guidance for Paragraph (0)

Examples of evaluation costs which can be covered include professional assessment by the multidisciplinary evaluation team, instruments, professional observation and professional consultation. If consultation fees for multidisciplinary evaluation team members to participate in IEP meetings are not available from another source, they are allowable expenditures and need to be provided to meet the performance standards.

Many children with disabilities enrolled in Head Start already receive services from other agencies, and grantees should encourage these agencies to continue to provide services. Grantees should use other community agencies and resources to supplement services for children with disabilities and their families.
By planning ahead, grantees can pool resources to schedule the periodic use of experts and consultants. Grantees can time-share, reducing travel charges and assuring the availability of scarce expertise. Some LEAs and other agencies have enabling legislation and funds to contract for education, health, and developmental services of the type Head Start can provide. Grantees can also help increase the amount of preschool funding available to their State under the Individuals With Disabilities Education Act. The amount of the allocation to each SEA and to the public schools is affected by the number of three through five year old children with IEPs in place by December 1 of each year. By establishing good working relationships with State Public Health personnel and including them on advisory committees, health resources can be more easily utilized.

It may be helpful to explore the possibility of a cooperative agreement with the public school system to provide transportation. If the lack of transportation would prevent a child with disabilities from participating in Head Start, program funds are to be used to provide this related service before a delay occurs which would have a negative effect on the child’s progress. The major emphasis is on providing the needed special help so that the child can develop to the maximum during the brief time in Head Start.

The Americans with Disabilities Act of 1990 (42 U.S.C. 12101) requires that new buses (ordered after August 26, 1990) by public bus systems must be accessible to individuals with disabilities. New over-the-road buses ordered by privately operated bus and van companies (on or after July 26, 1996 or July 26, 1997 for small companies) must be accessible. Other new vehicles, such as vans, must be accessible, unless the transportation company provides service to individuals with disabilities that is equivalent to that operated for the general public. The Justice Department enforces these requirements.

Efforts should be made to obtain expensive items such as wheelchairs or audiometers through resources such as Title V (formerly Crippled Children’s Services). Cooperative arrangements can be made with LEAs and other agencies to share equipment such as tympanometers. Special equipment such as hearing aids may be obtained through EPSDT or from SSI funds for those children who have been found eligible. Some States have established libraries of assistive technology devices and rosters of expert consultants.

Section 1308.5 Recruitment and Enrollment of Children With Disabilities

Guidance for Paragraph (a)

Head Start can play an important role in Child Find by helping to locate children in need and hardest to reach, such as immigrants and non-English speakers. In cooperation with other community groups and agencies serving children with disabilities, Head Start programs should incorporate in their outreach and recruitment procedures efforts to identify and enroll children with disabilities who meet eligibility requirements and whose parents desire the child’s participation.

Integrating children with severe disabilities for whom Head Start is an appropriate placement is a goal of ACYF. Grantees should bear in mind that 45 CFR part 84, Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance or the Rehabilitation Act of 1973 (20 U.S.C. 794) states that any program receiving Federal funds may not deny admission to a child solely on the basis of the nature or extent of a disabling condition and shall take into account the needs of the child in determining the aid, benefits, or services to be provided. Many children who appear to have serious impairments are nevertheless able to make greater gains in an integrated setting than in a segregated classroom for children with disabilities.

The key factor in selecting an appropriate placement is the IEP. The need of the individual child and the ability of the child to benefit are determining factors. Likewise, the amount of time per day or week to be spent in the regular setting and/or in other settings is determined by the IEP. The IEP of a child with a severe emotional/behavioral disorder, for example, might realistically call for less than full day attendance or for dual placement. Another factor to consider is that according to the PIR, the majority of children with severe impairments are provided special services by both Head State staff and staff of other agencies, sharing the responsibility. Many grantees have successfully served children with moderate and severe disabilities.

The disabilities coordinator’s responsibility includes providing current names of appropriate specialized agencies serving young children with disabilities and the names of LEA Child Find contact persons to the director to facilitate joint identification of children with disabilities. It also includes learning what resources other agencies have available and the eligibility criteria for support from State agencies, Supplemental Security Income (SSI), Title V, Maternal and Child Health Block Grants, Title XIX (EPSDT/Medicaid), Migrant Health Centers, Developmental Disabilities programs, Bureau of Indian Affairs, third party payers such as insurance companies and other sources.
Office of Human Development Services, HHS
Pt. 1308, App.

Grantees need to develop lists of appropriate referral sources. These include hospital child life programs, SSII, early intervention programs funded by Part H of the IDEA or other sources, EPSDT providers, infant stimulation programs, Easter Seal and United Cerebral Palsy agencies, mental health agencies, Association for Retarded Citizens chapters, Developmental Disabilities Planning Councils, Protection and Advocacy Systems, University Affiliated Programs, the LEA Child Find, and the medical community.

Head Start programs are encouraged to increase the visibility of the Head Start mainstreaming effort within the community by:

- Including community child service providers on policy council health and disability advisory boards and in other relevant Head Start activities.
- Making presentations on Head Start mainstreaming experiences at local, State and Regional meetings and conferences, such as the National Association for the Education of Young Children, Council for Exceptional Children, and the Association for the Care of Children’s Health.
- Participating in interagency planning activities for preschool infant and toddler programs such as the State Interagency Coordinating Councils supported under the IDEA.

Guidance for Paragraph (b)

Grantees should maintain records of outreach, recruitment, and service activities for children with disabilities and their families.

Each grantee should develop a policy on what types of information are to be included in a comprehensive file for each disabled child. The policy should outline the locations where a copy of each record will be sent. For example, while a comprehensive file will be maintained at the Head Start program central office (where the disability services coordinator and component coordinators may be based), a teacher must have access to a child’s IEP and progress notes in order to plan effectively. Confidentiality needs to be maintained in a manner which allows for access to information by appropriate staff while meeting applicable Head Start and State requirements.

Guidance for Paragraph (d)

Staff should assist families who need help in obtaining immunizations before the program year begins, bearing in mind that a goal of parent involvement and social service activities is to encourage independence and development skills in meeting timelines when seeking services for children. Care should be taken that children are not denied enrollment, but that their families receive the necessary assistance to meet entrance requirements. “Healthy Young Children: A Manual for Programs,” (a cooperative effort of the Administration for Children, Youth and Families, the American Academy of Pediatrics; the Division of Maternal and Child Health, U.S. Department of Health and Human Services; Georgetown University Child Development Center; Massachusetts Department of Public Health, U.S. Department of Health and Human Services; the National Association for the Education of Young Children, 1988, copyright, NAEYC) contains best practice guidance.

Section 1308.6 Assessment of Children

Guidance for Paragraph (b)

Early screening is essential because of the time required for the steps necessary before special services can begin. It has been very difficult for some grantees to complete health screenings in a timely manner for several reasons including the lack of resources, especially in rural areas; the need to rely on donated services from agencies whose schedules have been especially overloaded during September and October after the start of the Head Start program year; lack of summer staff in most programs; and the difficulty in reaching some families. Lack of coordination among agencies with legislative responsibility for identifying children with disabilities has resulted in duplication and unacceptable delays in providing required services for many grantees. Other grantees, however, have demonstrated the ability to complete screenings early in the program year without difficulty. Many programs already complete screening by 45 days after the first day of program operation. Some participate in spring or summer screening programs in their areas before the fall opening. Grantees are encouraged to schedule well in advance with clinics and with such providers as EPSDT and the Indian Health Service for timely screening and any subsequent evaluations that may be needed.

Recently, a number of legislative and legal requirements have increased the resources available for the screening and evaluation of children. Title XIX, EPDS/Medicaid has new requirements for screening and evaluation, as well as treatment; the Social Security Administration has modified eligibility requirements for children with disabilities so that more services are available; and all States have assured that services will be provided from at least age three under IDEA so that LEAs in more States will be engaged in identifying and evaluating children from birth to age six.

In response to these changes, the Department of Health and Human Services and the Department of Education, through the Federal Interagency Coordinating Council, have developed a cooperative agreement for coordinated screening. Head Start is one of the
participating agencies which will work together to plan and implement community screenings, assisting the LEAs which have the major responsibility for identifying early problems with hearing under the IDEA. In addition, programs may elect to make some summer staff available for activities to close out program work in the spring and prepare for the next year.

These developments make timely screening feasible. They also make it possible to expedite immunizations. State-of-the-art coordinated screening programs make immunizations available.

This coordination can focus staff energy on assisting families to have their children immunized during the screening phase rather than making repeated follow-up efforts after the program for children has begun. Coordinated screening also provides an excellent parent education opportunity. Information on child development, realistic expectations for preschoolers and such services as WIC can be provided during the screening. Some communities have combined screening with well-received health fairs.

The staff should be involved in the planning of screening to assure that screening requirements are selected or adapted with the specific Head Start population and goals of the screening process in mind. Instruments with age-appropriate norms should be used. Children should be screened in their native language. Universities, civic organizations or organizations to aid recent immigrants may be able to locate native speakers to assist. The RAPs can provide information on the characteristics of screening instruments.

Current best practice indicates that individual pure tone audiometry be used as the first part of a screening program with children as young as three. The purpose is to identify children with hearing impairments that interfere with, or have the potential to interfere with communication. The recommended procedure is audiometric screening at 20 dB HL (re ANSI-1969) at the frequencies of 1000, 2000, and 4000 Hz, (and at 500 Hz unless acoustic immittance audiometry is included as the second part of the screening program and if the noise level in the room permits testing at that frequency.) Acoustic immittance audiometry (or impedance audiometry) is recommended as the second part of the program to identify children who have middle-ear disorders.

The audiometric screening program should be conducted or supervised by an audiologist. Nonprofessional support staff have successfully carried out audiometric screening with appropriate training and supervision.

When a child fails the initial screening, an audiometric rescreening should be administered the same day or no later than within 2 weeks. A child who fails the rescreening should be referred for an evaluation by an audiologist.

Current best practice calls for annual hearing tests. Frequent rescreening is needed for children with recurrent ear infections. Grantees who contract or arrange for hearing testing should check to assure that the testing covers the three specified frequencies and that other quality features are present. Speech, hearing and language problems are the most widespread disabilities in preschool programs and quality testing is vital for early detection and remediation.

Playing listening games prior to testing and getting use to earphones can help children learn to respond to a tone and improve the quality of the testing.

Some grantees have found it strengthens the skills of their staff to have all members learn to do developmental screening. This can be a valuable in-service activity especially for teachers. State requirements for qualifications should be checked and non-professional screeners should be trained.

Some programs have involved trained students from schools of nursing, child development or special education graduate students, or medical students who must carry out screening work as part of their required experience.

Guidance for Paragraph (d)

Parents should be provided assistance if necessary, so that they can participate in the developmental assessment.

Grantees should offer parents assistance in understanding the implications of developmental assessments as well as medical, dental or other conditions which can affect their child’s development and learning.

Development assessment is an ongoing process and information from observations in the Head Start center and at home should be recorded periodically and updated in each developmental area in order to document progress and plan activities.

Disabilities coordinators, as well as education staff, need to be thoroughly familiar with developmental assessment activities such as objective observation, time sampling and obtaining parent information and the use of formal assessment instruments. Knowledge of normal child development and understanding of the culture of the child are also important.

Guidance for Paragraph (e)

While the LEA is responsible for assuring that each child who is referred is evaluated in accordance with the provisions of IDEA and usually provides the evaluation, grantees may sometimes provide for the evaluation. In that event, grantees need to assure that evaluation specialists in appropriate areas such as psychology, special education, speech pathology and physical therapy coordinate their activities so that the child’s total functioning is considered and the
team’s findings and recommendations are integrated.

Grantees should select members of the multidisciplinary evaluation team who are familiar with the child’s strengths and weaknesses and who does not need special education and related services) does not qualify as a child with a disability. A short-term medical problem such as post-operative recovery or a problem requiring only medical care and health monitoring when the evaluation specialists have not stated that special education and related services are needed does not qualify as a disability.

The evaluation team should include consideration of the way the disability affects the child’s ability to function as well as the cause of the condition.

Some children may have a recent evaluation from a clinic, hospital or other agency (other than the LEAs) prior to enrolling in Head Start. If that evaluation did not include needed functional information or a professional opinion as to whether the child meets one of the Head Start eligibility criteria, the grantee should contact the agency to try to obtain that information.

Some children, prior to enrolling in Head Start, already have been diagnosed as having severe disabilities and a serious need for services. Some of these children already may be receiving some special assistance from other agencies for their disabilities but lack developmental services in a setting with other children. Head Start programs may best meet their needs by serving them jointly, i.e., providing developmental services while disability services are provided from another source. It is important in such situations that regular communication take place between the two sites.

Beginning in 1990, State EPSDT/Medicaid programs must, by law, evaluate and provide services for young children whose families meet eligibility criteria at 133 percent of the poverty levels. This is a resource for Head Start and it is important to become aware of EPSDT provisions.

Section 1308.7 Eligibility Criteria: Health Impairment Guidance

Guidance for Paragraph (c)

Many health impairments manifest themselves in other disabling conditions. Because of this, particular care should be taken when classifying a health impaired child.

Guidance for Paragraph (b)

Because AIDS is a health impairment, grantees will continue to enroll children with AIDS on an individual basis. Staff need to be familiar with the Head Start Information Memorandum on Enrollment in Head Start Programs of Infants and Young Children with Human Immunodeficiency Virus (HIV), AIDS Related Complex (ARC), or Acquired Immunodeficiency Syndrome (AIDS)
A comprehensive psychological evaluation is available for the difficult task of determining the need for a team, including a physician, to make informed decisions on enrollment on an individual basis. It provides guidance in the event that a child with disabilities presents a problem involving biting or bodily fluids. The guidance also discusses methods for control of all infectious diseases through stringent cleanliness standards and includes lists of Federal, State and national agencies and organizations that can provide additional information as more is learned. Staff should be aware that there is a high incidence of visual impairment among children with HIV and AIDS.

Guidance for Paragraph (c)

Teachers or others in the program setting are in the best position to note the following kinds of indications that a child may need to be evaluated to determine whether an attention deficit disorder exists:

1. Inability of a child who is trying to participate in classroom activities to be able to orient attention, for example to choose an activity for free time or to attend to simple instructions;
2. Inability to maintain attention, as in trying to complete a selected activity, to carry out simple requests or attend to telling of an interesting story; or
3. Inability to focus attention on recent activities, for example on telling the teacher about a selected activity, inability to tell about simple requests after carrying them out, or inability to tell about a story after hearing it.

These indicators should only be used after the children have had sufficient time to become familiar with preschool procedures and after most of the children are able easily to carry out typical preschool activities.

Culturally competent staff recognize and appreciate cultural differences, and this awareness needs to include understanding that some cultural groups may promote behavior that may be misinterpreted as inattention. Care must be taken that any deviations in attention behavior which are within the cultural norms of the child's group are not used as indicators of possible attention deficit disorder.

A period of careful observation over three months can assure that adequate documentation is available for the difficult task of evaluation. It also provides opportunity to provide extra assistance to the child, perhaps through an aide or special education student under the teacher's direction, which might improve the child's functioning and eliminate the behavior taken as evidence of possible attention deficit disorder.

Attention deficit disorders are not the result of learning disabilities, emotional/behavioral disabilities, autism or mental retardation. A comprehensive psychological evaluation may be carried out in some cases to rule out learning disability or mental retardation. It is possible, however, in some instances for this disability to coexist with another disability. Children who meet the criteria for multiple disabilities (e.g., attention deficit disorder and learning disability, or emotional/behavioral disorder, or mental retardation) would be eligible for services as children with multiple disabilities or under their primary disability.

Teacher and parent reports have been found to provide the most useful information for assessment of children suspected of having attention deficit disorder. They are also useful in planning and providing special education intervention. The most successful approach may be a positive behavior modification program in the classroom, combined with a carryover program in the home. Prompt and clear response should be provided consistently. Positive reinforcement for appropriate behavior, based on rewards such as stickers or small items desired by the child has been found effective for children with this disorder, along with occasional withholding of rewards or postponing of desired activities in the face of inappropriate behavior. Effective programs suggest that positive interactions with the child after appropriate behavior are needed at least three times as often as any negative response interactions after inappropriate behavior. Consultants familiar with behavior modification should be used to assist teachers in planning and carrying out intervention which can maintain this positive to negative ratio while shaping behaviors. These behavior interventions can be provided in mainstream placements with sufficient personnel.

Section 1308.8 Eligibility Criteria: Emotional/Behavioral Disorders

Guidance for Paragraph (a)

Staff should insure that behavior which may be typical of some cultures or ethnic groups, such as not making eye contact with teachers or other adults or not volunteering comments or initiating conversations are not misinterpreted.

The disability, social service and parent involvement coordinators should consider providing extra attention to children at-risk for emotional/behavioral disorders and their parents to help prevent a disability. Members of the Council of One Hundred, Kiwanis, Urban League, Jaycees, Rotary, Foster Grandparents, etc. may be able to provide mentoring and individual attention.

Suggested Primary Members of a Head Start Evaluation Team for Emotional/Behavioral Disorders:

- Psychologist, psychiatrist or other clinically trained and State qualified mental health professionals

- Behavior management
- Environmental adjustments
- Family counseling
- Psychotherapy
- Transportation
- Assistive technology

Section 1308.9 Eligibility Criteria: Speech or Language Impairment

Guidance for Paragraph (a)

Staff familiar with the child should consider whether shyness, lack of familiarity with vocabulary which might be used by testers, unfamiliar settings, or linguistic or cultural factors are negatively influencing screening and assessment results. Whenever possible, consultants trained in assessing the speech and language skills of young children should be selected. The child’s ability to communicate at home, on the playground and in the neighborhood should be determined for an accurate assessment. Review of the developmentally appropriate age ranges for the production of difficult speech sounds can also help reduce over-referral for evaluation.

Suggested Primary Members of a Head Start Evaluation Team for Speech or Language Impairment:

- Speech Pathologist
- Language Pathologist

- Psychologist

Possible Related Services:

- Environmental adjustments

- Assistive technology devices or services.

Section 1308.10 Eligibility Criteria: Mental Retardation

Guidance for Paragraph (a)

Evaluation instruments with age-appropriate norms should be used. These should be administered and interpreted by professionals sensitive to racial, ethnic and linguistic differences. The diagnosticians must be aware of sensory or perceptual impairments that the child may have (e.g., a child who is visually impaired should not be tested with instruments that rely heavily on visual information as this could produce a depressed score from which erroneous diagnostic conclusions might be drawn).

Suggested primary members of a Head Start evaluation team for mental retardation:

- Psychologist
- Pediatrician

Possible related services:

- Environmental adjustments
- Family counseling
- Genetic counseling
- Language therapy
- Recreational therapy
- Speech therapy

Section 1308.11 Eligibility Criteria: Hearing Impairment Including Deafness

Guidance for Paragraph (a)

An audiologist should evaluate a child who has failed rescreening or who does not respond to more than one effort to test the child’s hearing. If the evaluation team determines that the child has a disability, the team should make recommendations to meet the child’s needs for education and medical care or habilitation, including auditory training to learn to use hearing more effectively.

Section 1308.14 Learning Disabilities

Guidance for Paragraph (a)

When a four or five-year-old child shows signs of possible learning disabilities, thorough documentation should be gathered. For example, specific anecdotal information and samples of the child’s drawings, if appropriate, should be included in the material given to the evaluation team.

A Master’s degree level professional with a background in learning disabilities should be a member of the evaluation team.

Section 1308.17 Other Impairments

This category was included to ensure that any Head Start child who meets the State eligibility criteria as developmentally delayed or State-specific criteria for services to preschool children with disabilities is eligible for needed special services either within Head Start or the State program.

Suggested primary members of an evaluation team for other impairments meeting State eligibility criteria for services to preschool children with disabilities:

Deaf-blindness

Information on assistance or joint services for deaf-blind children can be obtained through SEAs.

Multiple Disabilities

A child who is deaf and has speech and language impairments would not be considered to have multiple disabilities, as it could be expected that these impairments were caused by the hearing loss.

Suggested primary members of a Head Start evaluation team:

- Audiologists.
- Special educators.
- Speech, language or physical therapists.
- Psychologists or psychiatrists.
- Rehabilitation professional.
- Possible related services:

Section 1308.18 Disabilities/Health Services Coordination

Guidance for Paragraph (a)

It is important for staff to maintain close communication concerning children with health impairments. Health and disability services coordinators need to schedule frequent re-tests of children with recurrent middle ear infections and to ensure that they receive ongoing medical treatment to prevent speech and language delay. They should ensure that audiometers are calibrated annually for accurate testing of hearing. Speech and hearing centers, the manufacturer, or public school education services districts should be able to perform this service. In addition, a daily check when an audiometer is in use and a check of the acoustics in the testing site are needed for accurate testing.

Approximately 17 percent of Down Syndrome children have a condition of the spine (atlanto-axial instability) and should not engage in somersaults, trampoline exercises, or other activities which could lead to spinal injury without first having a cervical spine x-ray.

Guidance for Paragraph (b)

The disabilities services coordinator needs to assure that best use is made of mental health consultants when a child appears to have a problem which may be symptomatic of a disability in the social/emotional area. Teachers, aides and volunteers should keep anecdotal records of the child’s activities, tantrums, the events which appear to precipitate the tantrums, language use, etc. These can provide valuable information to a mental health consultant, who should be used primarily to make specific recommendations and assist the staff rather than to document the problem.

The mental health coordinator can cooperate in setting up group meetings for parents of children with disabilities which provide needed support and a forum for talking over mutual concerns. Parents needing community mental health services may need direct assistance in accessing services, especially at first.

The disability services coordinator needs to work closely with staff across components to help parents of children who do not have disabilities become more understanding and knowledgeable about disabilities and ways to lessen their effects. This can help reduce the isolation which some families with children with disabilities experience.

Guidance for Paragraphs (c) and (d)

Arrangements should be made with the family and the physician to schedule the administration of medication during times when the child is most likely to be under parental supervision.

Awareness of possible side effects is of particular importance when treatment for a disability requires administration of potentially harmful drugs (e.g., anti-convulsants, amphetamines).
Section 1308.19 Developing Individual Education Programs (IEPs)

Guidance for Paragraph (a)

The IEP determines the type of placement and the specific programming which are appropriate for a child. The least restrictive environment must be provided and staff need to understand that this means the most appropriate placement in a regular program to the maximum extent possible based on the IEP. Because it is individually determined, the least restrictive environment varies for different children. Likewise, the least restrictive environment for a given child can vary over time as the disability is remediated or worsens. A mainstreamed placement, in a regular program with services delivered by regular or special staff, is one type of integrated placement on the continuum of possible options. It represents the least restrictive environment for many children.

Following screening, evaluation and the determination that a child meets the eligibility criteria and has a disability, a plan to meet the child’s individual needs for special education and related services is developed. In order to facilitate communication with other agencies which may cooperate in providing services and especially with LEAs or private schools which the children will eventually enter, it is recommended that programs become familiar with the format of the IEP used by the LEAs and use that format to foster coordination. However, the format of the IEP to be developed for children in Head Start can vary according to local option. It should be developed to serve as a working document for teachers and others providing services for a child.

It is recommended that the staff review the IEP of each child with a disability more frequently than the minimum once a year to keep the objectives and activities current.

It is ideal if a child can be mainstreamed in the full program with modifications of some of the small group, large group or individual program activities to meet his or her special needs and this should be the first option considered. However, this is not possible or realistic in some cases on a full-time basis. The IEP team needs to consider the findings and recommendations of the multi-disciplinary evaluation team, observation and developmental assessment information from the Head Start staff and parents, parental information and desires, and the IEP to plan for the best situation for each child. Periodic reviews can change the degree to which a child can be mainstreamed during the program year. For example, a child with autism whose IEP called for part-time services in Head Start might improve so that by spring the hours could be extended.

If Head Start is not an appropriate placement to meet the child’s needs according to the IEP, referral should be made to another agency.

Helpful specific information based on experience in Head Start is provided in manuals and resource materials on serving children with disabilities developed by ACYF and by technical assistance providers. They cover such aspects of developing and implementing the IEP as:

- Gathering data needed to develop the IEP;
- Preparing parents for the IEP conference;
- Writing IEPs useful to teachers; and
- Developing appropriate curriculum activities and home follow-up activities.

Guidance for Paragraph (j)

 Programs are encouraged to offer parents assistance in noting how their child functions at home and in the neighborhood. Parents should be encouraged to contribute this valuable information to the staff for use in ongoing planning. Care should be taken to put parents at ease and to eliminate or explain specialized terminology. Comfortable settings, familiar meeting rooms and ample preparation can help lessen anxiety. The main purpose is to involve parents actively, not just to obtain their signature on the IEP. It is important to involve the parents of children with disabilities in activities related to their child’s unique needs, including the procurement and coordination of specialized services and follow-through on the child’s treatment plan, to the extent possible. It is especially helpful for Head Start to assist parents in developing confidence, strategies and techniques to become effective advocates for their children and to negotiate complicated systems. Under IDEA, a federally-funded Parent Training and Information Program exists whereby parent training centers in each State provide information, support and assistance to parents enabling them to advocate for their child. Information regarding these centers should be given to parents of a child determined to have a disability. Because some parents will need to advocate for their children over a number of years, they need to gain the confidence and skills to access resources and negotiate systems with increasing independence.

Some parents of children with disabilities are also disabled. Staff may need to adjust procedures for assisting parents who have disabilities to participate in their children’s programs. Materials to assist in this effort are available from technical assistance providers.

Section 1308.20 Nutrition Services

Guidance for Paragraph (a)

Vocabulary and concept building, counting, learning place settings, social skills
such as conversation and acceptable manners can be naturally developed at meal or snack time, thus enhancing children's skills. Children with disabilities often need planned attention to these areas.

The staff person who is responsible for nutrition and the disabilities services coordinator should work with the social services coordinator to help families access nutrition resources and services for children who are not able to learn or develop normally because of malnutrition.

The staff person who is responsible for nutrition and the disabilities services coordinator should alert staff to watch for practices leading to baby bottle caries. This is severe tooth decay caused by putting a baby or toddler to bed with a nursing bottle containing milk, juice or sugar water or letting the child carry around a bottle for long periods of time. The serious dental and speech problems this can cause can be completely prevented.

In cases of severe allergies, staff should work closely with the child's physician or a medical consultant.

Section 1308.21 Parent Participation and Transition of Children From Head Start to Public School

Guidance for Paragraph (a)

Grantees should help parents understand the value of special early assistance for a child with a disability and reassure those parents who may fear that if their child receives special education services the child may always need them. This is not the experience in Head Start and most other preschool programs where the majority of children no longer receive special education after the preschool years. The disabilities coordinator needs to help parents understand that their active participation is of great importance in helping their children overcome or lessen the effects of disabilities and develop to their full potential.

The disabilities coordinator should help program staff deal realistically with parents of children who have unfamiliar disabilities by providing the needed information, training and contact with consultants or specialized agencies. The coordinator should ensure that staff carrying out family needs assessment or home visits do not overlook possible disabilities among younger siblings who should be referred for early evaluation and preventive actions.

Guidance for Paragraphs (b) and (c)

As most Head Start children will move into the public school system, disabilities coordinators need to work with the Head Start staff for early and ongoing activities designed to minimize discontinuity and stress for children and families as they move into a different system. As the ongoing advocates, parents will need to be informed and confident in communicating with school personnel and staff of social service and medical agencies. Disabilities coordinators need to ensure that the Head Start program:

• Provides information on services available for LEAs and other sources of services parents will have to access on their own, such as dental treatment;
• Informs parents of the differences between the two systems in role, staffing patterns, schedules, and focus;
• Provides opportunities for mutual visits by staff to each other's facilities to help plan appropriate placement;
• Familiarizes parents and staff of the receiving program's characteristics and expectations;
• Provides early and mutually planned transfer of records with parent consent at times convenient for both systems;
• Provides information on services available under the Individuals With Disabilities Education Act, the federally-funded parent training centers and provisions for parent involvement and due process; and
• Provides opportunities for parents to confer with staff to express their ideas and needs so they have experience in participating in IEP and other conferences in an active, confident manner. Role playing has been found helpful.

It is strongly recommended that programs develop activities for smooth transition into Head Start from Part H infant/toddler programs funded under IDEA and from Head Start to kindergarten or other placement. In order to be effective, such plans must be developed jointly. They are advantageous for the children, parents, Part H programs, Head Start and LEAs. ACYF has developed materials useful for transition. American Indian programs whose children move into several systems, such as Bureau of Indian Affairs schools and public schools, need to prepare children and families in advance for the new situation. Plans should be used as working documents and reviewed for annual update, so that the foundation laid in Head Start is maintained and strengthened.

PART 1309—HEAD START FACILITIES PURCHASE, MAJOR RENOVATION AND CONSTRUCTION

Subpart A—General

Sec.
1309.1 Purpose and application.
1309.2 Approval of the use of Head Start funds to continue purchase of facilities.
1309.3 Definitions.
1309.4 Eligibility—Construction.
1309.5 Eligibility—Major Renovations.
§ 1309.1 Purpose and application.

This part prescribes regulations implementing sections 644(c), (f) and (g) and 645A(b)(9) of the Head Start Act, 42 U.S.C. 9801 et seq., as they apply to grantees operating Head Start programs (including Early Head Start grantees) under the Act. It prescribes the procedures for applying for Head Start grant funds to purchase, construct, or make major renovations to facilities in which to operate Head Start programs. It also details the measures which must be taken to protect the Federal interest in such facilities purchased, constructed or renovated with Head Start grant funds.

[68 FR 23219, May 1, 2003]

§ 1309.2 Approval of the use of Head Start funds to continue purchase of facilities.

Head Start grantees (including Early Head Start grantees) which purchased facilities after December 31, 1986, and which are continuing to pay costs of purchasing those facilities, may apply to receive Head Start funds to meet those costs by submitting applications which conform to the requirements of this part and the Act. A grantee may only use grant funds to pay facility purchase costs incurred after the responsible HHS official approves its application.

[68 FR 23219, May 1, 2003]

§ 1309.3 Definitions.

As used in this part, ACF means the Administration for Children and Families in the Department of Health and Human Services, and includes the Regional Offices. Acquire means to purchase or construct in whole or in part with Head Start grant funds through payments made in satisfaction of a mortgage agreement (both principal and interest), as a down payment, and for professional fees, closing costs and any other costs associated with the purchase or construction of the property that are usual and customary for the locality. Act means the Head Start Act, 42 U.S.C. section 9801, et seq.ACYF means the Administration on Children, Youth and Families, a component of the Administration for Children and Families in the Department of Health and Human Services. Construction means new buildings, and excludes renovations, alterations, additions, or work of any kind to existing buildings. Facility means a structure such as a building or modular unit appropriate for use by a Head Start grantee to carry out a Head Start program.
Grant funds means Federal financial assistance received by a grantee from ACF to administer a Head Start or Early Head Start program pursuant to the Head Start Act.

Grantee means any agency designated to operate a Head Start program (including an agency designated to operate an Early Head Start program) pursuant to section 641 or 645A of the Head Start Act.

Head Start center or a direct support facility for a Head Start program means a facility used primarily to provide Head Start services to children and their families, or for administrative or other activities necessary to the conduct of the Head Start program.

Incidental alterations and renovations means improvements to facility which do not meet the definition of major renovation.

Major renovation means a structural change to the foundation, roof, floor, or exterior or load-bearing walls of a facility, or extension of an existing facility to increase its floor area. Major renovation also means extensive alteration of an existing facility, such as to significantly change its function and purpose, even if such renovation does not include any structural change to the facility. Major renovation also includes a renovation of any kind which has a cost exceeding the lesser of $200,000, adjusted annually to reflect the percentage change in the Consumer Price Index for All Urban Consumers (issued by the Bureau of Labor Statistics) beginning one year after June 2, 2003, or 25 percent of the total annual direct costs approved for the grantee by ACF for the budget period in which the application is made.

Modular unit means a portable prefabricated structure made at another location and moved to a site for use by a Head Start grantee to carry out a Head Start program.

Purchase means to buy an existing facility, either outright or through a mortgage. Purchase also refers to an approved use of Head Start funds to continue paying the cost of purchasing facilities begun after December 31, 1986 as permitted by the Head Start Act and by § 1309.2.

Responsible HHS official means the official who is authorized to make the grant of financial assistance to operate a Head Start program, or such official's designee.

Suitable facility means a facility which is large enough to meet the foreseeable needs of the Head Start program and which complies with local licensing and code requirements and the access requirements of the Americans with Disabilities Act (ADA), if applicable, and section 504 of the Rehabilitation Act of 1973.

§ 1309.4 Eligibility—Construction.

Before submitting an application under § 1309.10 for construction of a facility, the grantee must establish that:

(a) The Head Start program serves an Indian Tribe; or is located in a rural or other low-income community; and

(b) There is a lack of suitable facilities (including public school facilities) in the grantee’s service area which will inhibit the operation of the program, as demonstrated by a statement that neither the grantee’s current facility nor any facility available for lease in the service area is suitable for use by the Head Start program. This statement must explain the factors considered, how it was determined that there is a lack of suitable facilities and be supported whenever possible by a written statement from a licensed real estate professional in the grantee’s service area.

§ 1309.5 Eligibility—Major Renovations.

Before submitting an application under § 1309.10, the grantee must establish that:

(a) The Head Start program serves an Indian Tribe, or is located in a rural or other low-income community; and

(b) There is a lack of suitable facilities (including public school facilities) in the grantee’s service area which will inhibit or prevent the operation of the
§ 1309.10 Applications for the purchase, construction and major renovation of facilities

A grantee which proposes to use grant funds to purchase a facility, or a grantee found eligible under §1309.4 to apply for funds to construct a facility, or §1309.5 to undertake major renovation of a facility, including facilities purchased for that purpose, must submit a written application to the responsible HHS official. The application must include the following information:

(a) A legal description of the site of the facility, and an explanation of the appropriateness of the location to the grantee’s service area, including a statement of the effect that acquisition or major renovation of the facility has had or will have on the transportation of children to the program, on the grantee’s ability to collaborate with other child care, early education programs, social services and health providers, and on all other program activities and services.

(b) Plans and specifications of the facility to be acquired, including information on the size and type of structure, the number and a description of the rooms, and the lot on which the building is located or will be located (including the space available for a playground and for parking). If incidental alterations and renovations or major renovations are being proposed to make a facility suitable to carry out the Head Start program, a description of the renovations, and the plans and specifications submitted, must also describe the facility as it will be after renovations are complete. In the case of a proposed major renovation or construction project, the applicant must submit a written estimate of all costs associated with the project. An architect or engineer must prepare the written estimate.

(c) The cost comparison described in §1309.11.

(d) The intended use of the facility proposed for acquisition or major renovation, including information showing the percentage of floor space that will be used as a Head Start center or a direct support facility for a Head Start program. As provided under section 644(f)(2)(D) of the Act, in the case of a request regarding funding for the continuing purchase of a facility, the application must include information demonstrating that the facility will be used principally as a Head Start center, or a direct support facility for a Head Start program.

(e) An assurance that the facility complies (or will comply when constructed or after completion of the renovations described in paragraph (b) of this section) with local licensing and code requirements, the access requirements of the Americans with Disabilities Act (ADA), if applicable, and section 504 of the Rehabilitation Act of 1973. The grantee will also assure that it has met the requirements of the Flood Disaster Protection Act of 1973, if applicable.

(f) If the grantee proposing to purchase a facility without undertaking major renovations is claiming that the lack of alternative facilities will prevent or would have prevented operation of the program, a statement of how it was determined that there is or was a lack of alternative facilities. This statement must be supported, whenever possible, by a written statement from a licensed real estate professional in the grantee’s service area. If a grantee requesting approval of the use of Head Start funds to continue purchase of a facility is unable to provide such statements based on circumstances which existed at the time the purchase began, the grantee and the licensed real estate professional may use present conditions as a basis for making the determination.
(g) The terms of any proposed or existing loan(s) related to acquisition or major renovation of facility and the repayment plans (detailing balloon payments or other unconventional terms, if any), and information on all other sources of funding of the acquisition or major renovations, including any restrictions or conditions imposed by other funding sources.

(h) A statement of the effect that the acquisition or major renovation of the facility would have on the grantee’s meeting the non-Federal share requirement of section 640(b) of the Head Start Act, including whether the grantee is seeking a waiver of its non-Federal share obligation under that section of the Act.

(i) Certification by a licensed engineer or architect that the building proposed to be purchased or for which Head Start funds will be used to continue to purchase is structurally sound and safe for use as a Head Start facility. The applicant must certify that, upon completion of major renovation to a facility or construction of a facility, that an inspection by a licensed engineer or architect will be conducted to determine that the facility is structurally sound and safe for use as a Head Start facility.

(j) A statement of the effect that the acquisition or major renovation of a facility would have on the grantee’s ability to meet the limitation on development and administrative costs in section 644(b) of the Head Start Act. One-time fees and expenses necessary to the acquisition or major renovation, such as the down payment, the cost of necessary renovation, loan fees and related expenses, and fees paid to attorneys, engineers, and appraisers, are not considered to be administrative costs.

(k) A proposed schedule for acquisition, renovation and occupancy of the facility.

(l) Reasonable assurance that the applicant will obtain, or has obtained, a fee simple or such other estate or interest in the site of the facility to assure undisturbed use and possession for the purpose of operating a Head Start program. A grantee seeking funding for acquisition or major renovation of a facility that is sited on land not owned by the grantee must establish in its application that there is no other feasible alternative to acquisition or leasing of the facility for providing a suitable facility appropriate to the needs of the Head Start program. If the grantee proposes to acquire a facility without also purchasing the land on which the facility is or will be situated, the application must include a copy of the existing or proposed land lease or other document which protects the Federal interest in the facility and ensures undisturbed use and possession of the facility by the grantee, or other organization designated by ACF, for the purpose of operating a Head Start program or other program designated by ACF. A grantee applying for funding to make major renovations to a facility it does not own must include with its application written permission from the owner of the building projected to undergo major renovation and a copy of the lease or proposed lease for the facility. A grantee receiving funds for acquisition or the major renovation of a facility, on land belonging to another party, must have a land lease or other similar interest in the underlying land which is long enough to allow the Head Start program to receive the full value of those permanent grant-supported improvements.

(m) An assessment of the impact of the proposed project on the human environment pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4321(2)(C)) and its implementing regulations (40 CFR parts 1500 through 1508), as well as a report showing the results of tests for environmental hazards present in the facility, ground water, and soil (or justification why such testing is not necessary). In addition, such information as may be necessary to comply with the National Historic Preservation Act of 1966 (16 U.S.C. 470f) must be included.

(n) Assurance that the grantee will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601 et seq. and 49 CFR part 24), and information about the costs that may be incurred due to compliance with this Act.
§ 1309.11 Cost comparison for purchase, construction and major renovation of facilities.

(a) A grantee proposing to acquire or undertake a major renovation of a facility must submit a detailed estimate of the costs of the proposed activity and compare the costs of the proposed activity as provided under paragraph (c) of this section and provide any additional information requested by the responsible HHS official.

(b) All costs of acquisition, renovation and ownership must be identified, including, but not limited to, professional fees, purchase of the facility to be renovated, renovation costs, moving expenses, additional transportation costs, maintenance, taxes, insurance, and easements, rights of way or land rentals. An independent appraisal of the current value of the facility proposed to be purchased, or which the grantee will continue to purchase with Head Start funds or to receive major renovation, made by a professional appraiser, must be included.

(c)(1) Grantees proposing to purchase a facility, without requesting funds for major renovations to the facility, must compare costs of the proposed facility to the cost of the facility currently used by the grantee, unless the grantee has no current facility, will lose the use of its current facility, intends to continue to use its current facility after it purchases the new facility, or has shown to the satisfaction of the responsible HHS official that its existing facility is inadequate. Where the grantee’s current facility is not used as the alternate facility, the grantee must use for comparison a facility (or facilities) available for lease in the grantee’s service area and suitable for use as a Head Start facility or which can be made suitable through incidental alteration or renovations, the cost of which shall be included in the cost comparison. In the case of an application for approval of the use of Head Start funds to continue purchase of a facility, the cost of the present facility must be compared to the cost of the facility used by the grantee before purchase of its current facility. If the facility used by the grantee before the purchase of its present facility was deemed inadequate by the responsible HHS official, or the grantee had no previous facility, the alternative facility shall be an available, appropriate facility (or facilities) of comparable size that was available for rent in the grantee’s service area at the time of its purchase of the current facility. Grantees which have established under §1309.10(f) that there is a lack of alternative facilities that will prevent or would have prevented operation of the program are not required to provide a cost comparison under this paragraph.

(2) Grantees proposing to construct a facility must compare the costs of constructing the proposed facility to the costs of purchasing a suitable alternate facility or owning, purchasing or leasing an alternative facility which can be made suitable for use through incidental alterations and renovations or major renovations. The alternative facility is one now owned by the grantee or available for lease or purchase in the grantee’s service area. If no such facility is available, this statement must explain how this fact was determined and the claim must be supported, whenever possible, by a written statement from a licensed real estate professional in the grantee’s service area.

(3) A grantee proposing to undertake a major renovation of a facility must compare the cost of the proposed renovation (including the cost of purchasing the facility to be renovated, if the grantee is proposing to purchase the facility) to the costs of constructing a facility of comparable size. In place of the cost comparison required in the preceding sentence, a grantee proposing to make major renovations to a leased facility must show that the monthly or annual occupancy
costs for the term of the lease, including the cost of the major renovations, is less than, or comparable to, the costs of purchasing or leasing any other facility in the grantee’s service area which can be made suitable through major renovations, if such a facility is available.  

(d) The grantee must separately delineate the following expenses in the application:  

(1) One-time costs, including but not limited to, costs of purchasing the facility to be renovated, the down payment, professional fees, moving expenses, the cost of site preparation; and  

(2) Ongoing costs, including, but not limited to, mortgage payments, insurance premiums, maintenance costs, and property taxes. If the grantee is exempt from the payment of property taxes, this fact must be stated.  

(e) The period of comparison for purchase, construction or major renovation of a facility is twenty years, except that for the purchase of a modular unit the period of comparison is ten years and the period of comparison for major renovation of a leased facility is the period of the lease remaining after the renovations are completed. For approvals of the use of Head Start funds to continue purchase of the facility the period of comparison begins on the date the purchase began.  

(f) If the facility is to be used for other purposes in addition to the operation of the Head Start program, the cost of use of that part of the facility used for such other purposes must be allocated in accordance with applicable Office of Management and Budget cost principles.

§ 1309.21 Timely decisions.  

The responsible HHS official shall promptly review and make final decisions regarding completed applications under this part.

Subpart C—Protection of Federal Interest

§ 1309.20 Title.  

Title to facilities acquired with grant funds vests with the grantee upon acquisition, subject to the provisions of this part.

§ 1309.21 Recording of Federal interest and other protection of Federal interest.  

(a) The Federal government has an interest in all real property and equipment acquired or upon which major renovations have been undertaken with grant funds for use as a Head Start facility. The responsible HHS official may subordinate the Federal interest in such property to that of a lender, which financed the acquisition or major renovation costs subject to the conditions set forth in paragraph (f) of this section.  

(b) Facilities acquired with grant funds may not be mortgaged or used as collateral, or sold or otherwise transferred to another party, without the written permission of the responsible HHS official.  

(c) Use of the facility for other than the purpose for which the facility was funded, without the express written approval of the responsible HHS official, is prohibited.  

(d)(1) A grantee receiving funds to acquire or make major renovations to a facility that is or will be sited on land not owned by the grantee must have a lease or other arrangement which protects the Federal interest in the facility and ensures the grantee’s undisturbed use and possession of the facility. The lease or document evidencing another arrangement shall include provisions to protect the right of the grantee, or some other organization designated by ACF in the place of the grantee, to occupy the facility for the term of the lease or other arrangement and such other terms required by the responsible HHS official. The designation of an alternate tenant or occupant of the facility by ACF shall be subject to approval by the Lessor, which will not be withheld except for good reason, not including the willingness of another party to pay a higher rent. A grantee receiving funds for the major renovation or acquisition of a facility, on land belonging to another party, must have a land lease or other similar interest in the underlying land which is long enough to allow the Head Start program to receive the full value of
§ 1309.21

those permanent grant-supported improvements.

(2) Except as required under §1309.31 for certain modular units, the grantee must record the Notice of Federal Interest in the appropriate official records for the jurisdiction where a facility is or will be located immediately upon: purchasing a facility or land on which a facility is to be constructed; receiving permission to use funds to continue purchase of a facility; commencing major renovation of a facility or construction of a facility. In the case of a leased facility undergoing major renovations, the Notice of Federal Interest shall be a copy of the executed lease and all amendments. In the case of a facility now sited or to be constructed on land not owned by the grantee, the Notice of Federal Interest shall be the land lease or other document protecting the Federal interest. The lease or other document must ensure the right of the grantee to have undisturbed use and possession of the facility. In the event that filing of a lease is prohibited by State law, the grantee shall file an affidavit signed by the representatives of the grantee and the Lessor stating that the lease includes terms which protect the right of the grantee, or some other organization designated by ACF in the place of the grantee, to occupy the facility for the term of the lease.

(3) The Notice of Federal Interest for property sited on land not owned by the grantee shall include the following information:

(i) The date of the award of grant funds for the acquisition or major renovation of the property to be used as a Head Start facility, and the address and legal description of the property to be acquired or renovated;

(ii) That the grant incorporated conditions which include restrictions on the use of the property and provide for a Federal interest in the property for the term of the lease or other arrangement; and

(iii) That the property may not be used for any purpose during the lease or other arrangement that is inconsistent with that authorized by the Head Start Act and applicable regulations.

(e) Grantees must meet all of the requirements in 45 CFR part 75 pertaining to the purchase and disposition of real property, or the use and disposal of equipment, as appropriate.

(f) In subordinating its interest in a facility acquired or upon which major renovations have been undertaken with grant funds, the responsible HHS officials does not waive application of paragraph (d) of this section and §1309.22. A written agreement by the responsible HHS official to subordinate the Federal interest must provide:

(1)(i) The lender shall notify the Office of the Regional Administrator, Administration for Children and Families, the Office of the Commissioner, Administration on Children, Youth and Families, Washington, D.C., and the Office of the General Counsel, Department of Health and Human Services, Washington, DC, or their successor agencies, immediately, both telephonically and in writing of any default by the Head Start grantee;

(ii) Written notice of default must be sent by registered mail return receipt requested; and,

(v) That these grant conditions and requirements cannot be altered or nullified through a transfer of ownership; and

(vi) The name (including signature) and title of the person who completed the Notice for the grantee agency, and the date of the Notice.

(4) A lease, serving as a Notice of Federal Interest, an affidavit filed in the land records as a substitute for the lease, or other document protecting the Federal interest in a facility acquired with grant funds and sited on land not owned by the grantee, shall include the following information:

(i) The address and legal description of the property;

(ii) That the grant incorporated conditions which include restrictions on the use of the property and provide for a Federal interest in the property for the term of the lease or other arrangement; and

(iii) That the property may not be used for any purpose during the lease or other arrangement that is inconsistent with that authorized by the Head Start Act and applicable regulations.
(iii) The lender will not foreclose on the property until at least 60 days after the required notice by the lender has been sent.

(2) Such notice will include:
   (i) The full names, addresses, and telephone numbers of the lender and the Head Start grantee;
   (ii) The following statement prominently displayed at the top of the first page of the notice: ‘‘The Federal Interest in certain real property or equipment used for the Head Start Program may be at risk. Immediately give this notice to the appropriate government official’’;
   (iii) The date and nature of the default and the manner in which the default may be cured; and
   (iv) In the event that the lender will be exercising its remedy of foreclosure or other remedies, the date or expected date of the foreclosure or other remedies.

(3) Head Start grantees which purchase facilities with respect to which the responsible HHS official has subordinated the Federal Interest to that of the lender must keep the lender informed of the current addresses and telephone numbers of the agencies to which the lender is obligated under paragraph (b) of this section to give notice in the event of a default.

§ 1309.23 Insurance, bonding and maintenance.

(a) At the time of acquiring or undertaking a major renovation of a facility or receiving approval for the use of Head Start funds to continue purchase the grantee shall obtain insurance coverage for the facility which is not lower in value than coverage it has obtained for other real property it owns, and which at least meets the requirements of the coverage specified in paragraphs (a)(1) and (2) of this section.
§ 1309.30

For facilities, which have been constructed or renovated, insurance coverage must begin at the commencement of the expenditure of costs in fulfillment of construction or renovation work.

(1) A title insurance policy which insures the fee interest in the facility for an amount not less than the full appraised value as approved by ACF, or the amount of the purchase price, whichever is greater, and which contains an endorsement identifying ACF as a loss payee to be reimbursed if the title fails. If no endorsement naming ACF as loss payee is made, the grantee is required to pay ACF the title insurance proceeds it receives in the event of title failure; and

(2) A physical destruction insurance policy, including flood insurance where appropriate, which insures the full replacement value of the facility from risk of partial and total physical destruction. The insurance policy is to be maintained for the period of time the facility is owned by the grantee.

(b) The grantee shall submit copies of such insurance policies to ACF within five days of acquiring the facility or receiving approval for the previous purchase of a modular unit. If the grantee has not received the policies in time to submit copies within this period, it shall submit evidence that it has obtained the appropriate insurance policies within five days of acquiring the facility or receiving approval for the previous purchase of a facility, and it shall submit copies of the policies within five days of its receipt of them.

(c) The grantee must maintain facilities acquired with grant funds in a manner consistent with the purposes for which the funds were provided and in compliance with State and local government property standards and building codes.

Subpart D—Modular Units

§ 1309.31 Site description.

(a) An application for the purchase or approval of a continuing purchase of a modular unit pursuant to §1309.2 must state specifically where the modular unit is or will be installed, and whether the land on which the modular unit will be installed will be purchased by the grantee. If the grantee does not propose to purchase the land on which to install the modular unit or if the modular unit the grantee is continuing to purchase with Head Start funds is located on land not owned by the grantee, the application must state who owns the land on which the modular unit is or will be situated and describe the easement, right-of-way or land rental it will obtain or has obtained to allow it sufficient access to the modular unit.

(b) Modular units which are purchased with grant funds and which are not permanently affixed to land, or which are affixed to land which is not owned by the grantee, must have posted in a conspicuous place the following notice: “On (date), the Department of Health and Human Services (DHHS) awarded (grant number) to (Name of grantee). The grant provided Federal funds for conduct of a Head Start program, including purchase of this modular unit. The grant incorporated conditions which included restrictions on the use and disposition of this property, and provided for a continuing Federal interest in the property. Specifically, the property may not be used for any purpose other than the purpose for which the facility was funded, without the express written approval of the responsible DHHS official, or sold or transferred to another party without the written permission of the responsible DHHS official. These conditions
are in accordance with the statutory provisions set forth in 42 U.S.C. 9839; the regulatory provisions set forth in 45 CFR part 1309, 45 CFR part 75; and Administration for Children and Families' grants policy."

(c) A modular unit which has been approved for purchase and installation in one location may not be moved to another location without the written permission of the responsible HHS official.

§ 1309.32 Statement of procurement procedure for modular units.

(a) An application for the purchase of a modular unit must include a statement describing the procedures which will be used by the grantee to purchase the modular unit.

(b) This statement must include a copy of the specifications for the unit which is proposed to be purchased and assurance that the grantee will comply with procurement procedures in 45 CFR part 75, including assurance that all transactions will be conducted in a manner to provide, to the maximum extent practical, open and free competition. A grantee requesting approval for the use of Head Start funds for continued purchase of a modular unit must also include a copy of the specifications for the unit.

§ 1309.33 Inspection.

A grantee which purchases a modular unit with grant funds or receives approval of a continuing purchase must have the modular unit inspected by a licensed engineer or architect within 15 calendar days of its installation or approval of a continuing purchase, and must submit to the responsible HHS official the engineer’s or architect’s inspection report within 30 calendar days of the inspection.

§ 1309.34 Costs of installation of modular unit.

Consistent with the cost principles referred to in 45 CFR part 75, all reasonable costs necessary to the installation of a modular unit the purchase of which has been approved by the responsible HHS official are payable with grant funds. Such costs include, but are not limited to, payments for public utility hook-ups, site surveys and soil investigations.

§ 1309.40 Copies of documents.

Certified copies of the deed, lease, loan instrument, mortgage, and any other legal documents related to the acquisition or major renovation of the facility or the discharge of any debt secured by the facility must be submitted to the responsible HHS official within ten days of their execution.

§ 1309.41 Record retention.

All records pertinent to the acquisition or major renovation of a facility must be retained by the grantee for a period equal to the period of the grantee’s ownership (or occupancy, in the case of leased facilities) of the facility plus three years.

§ 1309.42 Audit of mortgage.

Any audit of a grantee, which has acquired or made major renovations to a facility with grant funds, shall include an audit of any mortgage or encumbrance on the facility. Reasonable and necessary fees for this audit and appraisal are payable with grant funds.

§ 1309.43 Use of grant funds to pay fees.

Consistent with the cost principles referred to in 45 CFR part 75, reasonable fees and costs associated with and necessary to the acquisition or major renovation of a facility (including reasonable and necessary fees and costs incurred to establish preliminary eligibility under §§ 1309.10 or acquisition of the facility) are payable with grant funds.
§ 1309.44 Independent analysis.

(a) The responsible HHS official may direct the grantee applying for funds to acquire or make major renovations to a facility to obtain an independent analysis of the cost comparison submitted by the grantee pursuant to §1309.11, or the statement under 1309.10(f) of this part, or both, if, in the judgment of the official, such an analysis is necessary to adequately review a proposal submitted under this part.

(b) The analysis shall be in writing and shall be made by a qualified, disinterested real estate professional in the community in which the property to be purchased or renovated is situated.

(c) Section 1309.43 of this part applies to payment of the cost of the analysis.

§ 1309.51 Submission of drawings and specifications.

(a) The grantee may not advertise for bids or award a contract for any part of construction or major renovation funded by grant funds until the grantee has submitted to the responsible HHS official final working drawings and written specifications for the project, a written certification by a licensed engineer or architect as to technical appropriateness of the proposed construction or renovation and the conformity of the project as shown in the final working drawings and specifications with Head Start programmatic requirements, and a written estimate of the costs of the project by a licensed architect or engineer.

(b) The responsible HHS official may authorize the grantee to advertise bids or award a contract after receiving the information provided under paragraph (a) of this section and determining that sufficient funding is, or will be, available to cover the costs of the project as estimated by the architect or engineer, and that the scope of the project as described in the drawings and specifications is appropriate to the needs of the grantee.

§ 1309.52 Procurement procedures.

(a) All facility construction and major renovation transactions must comply with the procurement procedure in 45 CFR part 75, and must be conducted in a manner to provide, to the maximum extent practical, open and free competition.

(b) All contracts for construction or major renovation of a facility to be paid for in whole or in part with Head Start funds require the prior, written approval of the responsible HHS official and shall be on a lump sum fixed-price basis.

(c) Prior written approval of the responsible HHS official is required for unsolicited modifications that would change the scope or objective of the project or would materially alter the costs of the project by increasing the amount of grant funds needed to complete the project.

(d) All construction and major renovation contracts for facilities acquired with grant funds shall contain a clause stating that the responsible HHS official or his or her designee shall have access at all reasonable times to the work being performed pursuant to the contract, at any stage of preparation or progress, and require that the contractor shall facilitate such access and inspection.

§ 1309.53 Inspection of work.

(a) The grantee must provide and maintain competent and adequate architectural or engineering inspection at the work site to insure that the completed work conforms to the approved plans and specifications.

(b) The grantee must submit a final architectural or engineering inspection report of the facility to the responsible HHS official within 30 calendar days of substantial completion of the construction or renovation.
§ 1309.54 Davis-Bacon Act.

Construction and renovation projects and subcontracts financed with funds awarded under the Head Start program are subject to the Davis-Bacon Act (40 U.S.C. 276a et seq.) and the Regulations of the Department of Labor, 29 CFR part 5. The grantee must provide an assurance that all laborers and mechanics employed by contractors or subcontractors in the construction or renovation of affected Head Start facilities shall be paid wages at not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor.

Subpart A—General

§ 1310.1 Purpose.

Under the authority of sections 644(a) and (c) and 645A(b)(9) of the Head Start Act, this part also requires Head Start, Early Head Start, and delegate agencies to provide training in pedestrian safety and to make reasonable efforts to coordinate transportation resources to control costs and to improve the quality and the availability of transportation services.

§ 1310.2 Applicability.

(a) This rule applies to all Head Start and Early Head Start agencies, and their delegate agencies (hereafter, agency or agencies), including those that provide transportation services, with the exceptions provided in this section, regardless of whether such transportation is provided directly on agency owned or leased vehicles or through arrangement with a private or public transportation provider. Transportation services to children served under the home-based Option for Head Start and Early Head Start services are excluded from the requirements of 45 CFR 1310.12, 1310.15(c), and 1310.16. Except when there is an applicable State or local requirement that sets a higher standard on a matter covered by this part, agencies must comply with requirements of this part.

(b) (1) Sections 1310.12(a) and 1310.22(a) of this part are effective December 20, 2006.

(2) This paragraph and paragraph (c) of this section, the definition of child restraint systems in Sec. 1310.3 of this part, and Sec. 1310.15(a) are effective November 1, 2006. Sections 1310.11 and 1310.15(c) of this part are effective January 18, 2002.

(c) Effective November 1, 2006, an agency may request a waiver of specific requirements of this part, except for the requirements of this paragraph. Requests for waivers must be made in writing to the responsible Health and Human Services (HHS) official, as part of an agency’s annual application for financial assistance or amendment thereto, based on good cause. “Good cause” for a waiver will exist when adherence to a requirement of this part would itself create a safety hazard in the circumstances faced by the agency,
or when compliance with requirements related to child restraint systems (Secs. 1310.11, 1310.15(a)) or bus monitors (Sec. 1310.15(c)) will result in a significant disruption to the program and the agency demonstrates that waiving such requirements is in the best interest of the children involved. In addition, the responsible HHS official shall have the authority to grant waivers of the requirements related to child restraint systems (Sec. 1310.11, 1310.15(a)) or bus monitors (Sec. 1310.15(c)) that are retroactive to October 1, 2006 during the period from November 1, 2006 to October 30, 2007. The responsible HHS official is not authorized to waive any requirements of the Federal Motor Vehicle Safety Standards (FMVSS) made applicable to any class of vehicle under 49 CFR part 571. The responsible HHS official shall have the right to require such documentation as the official deems necessary in support of a request for a waiver. Approvals of waiver requests must be in writing, be signed by the responsible HHS official, and be based on good cause.

§ 1310.14 Inspection of new vehicles at the time of delivery.

Each agency providing transportation services must ensure that bid announcements for school buses and allowable alternate vehicles for use in transporting children in its program include the correct specifications and a clear statement of the vehicle’s intended use. Such agencies must ensure that there is a prescribed procedure for examining such vehicles at the time of delivery to ensure that they are equipped in accordance with the bid specifications and that the manufacturer’s certification of compliance with
the applicable FMVSS is included with the vehicle.

§ 1310.15 Operation of vehicles.

Each agency providing transportation services, either directly or through an arrangement with another organization or an individual, to children enrolled in its program must ensure that:

(a) Effective October 1, 2006, on a vehicle equipped for use of such devices, any child enrolled in a Head Start or Early Head Start program is seated in a child restraint system appropriate to the child’s height and weight while the vehicle is in motion.

(b) Baggage and other items transported in the passenger compartment are properly stored and secured and the aisles remain clear and the doors and emergency exits remain unobstructed at all times.

(c) Effective June 21, 2004, there is at least one bus monitor on board at all times, with additional bus monitors provided as necessary, such as when needed to accommodate the needs of children with disabilities. As provided in 45 CFR 1310.2(a), this paragraph does not apply to transportation services to children served under the home-based option for Head Start and Early Head Start.

(1) in States where such licenses are granted, have a valid Commercial Driver’s License (CDL) for vehicles in the same class as the vehicle the driver will operating; and

(2) meet any physical, mental, and other requirements established under applicable law or regulations as necessary to perform job-related functions with any necessary reasonable accommodations.

(b) Each agency providing transportation services must ensure that there is an applicant review process for use in hiring drivers, that applicants for driver positions must be advised of the specific background checks required at the time application is made, and that there are criteria for the rejection of unacceptable applicants. The applicant review procedure must include, at minimum:

(1) all elements specified in 45 CFR 1304.52(b), with additional disclosure by the applicant of all moving traffic violations, regardless of penalty;

(2) a check of the applicant’s driving record through the appropriate State agency, including a check of the applicant’s record through the National Driver Register, if available in the State; and

(3) after a conditional offer of employment to the applicant and before the applicant begins work as a driver, a medical examination, performed by a licensed doctor of medicine or osteopathy, establishing that the individual possesses the physical ability to perform any job-related functions with any necessary accommodations.

(c) As provided in 45 CFR 1310.2(a), this section does not apply to transportation services to children served under the home-based option for Head Start and Early Head Start.

§ 1310.17 Driver and bus monitor training.

(a) Each agency providing transportation services must ensure that persons employed to drive vehicles used in providing such services will have received the training required under paragraphs (b) and (c) of this section no later than 90 days after the effective date of this section as established by §1310.2 of this part. The agency must ensure that drivers who are hired to drive vehicles used in providing transportation services after the close of the 90 day period must receive the training required under paragraphs (b) and (c) prior to transporting any child enrolled in the agency’s program. The agency must further ensure that at least annually after receiving the training required under paragraphs (b) and (c), all
drivers who drive vehicles used to provide such services receive the training required under paragraph (d) of this section.

(b) Drivers must receive a combination of classroom instruction and behind-the-wheel instruction sufficient to enable each driver to:

(1) operate the vehicle in a safe and efficient manner;
(2) safely run a fixed route, including loading and unloading children, stopping at railroad crossings and performing other specialized driving maneuvers;
(3) administer basic first aid in case of injury;
(4) handle emergency situations, including vehicle evacuation procedures;
(5) operate any special equipment, such as wheelchair lifts, assistance devices or special occupant restraints;
(6) conduct routine maintenance and safety checks of the vehicle; and
(7) maintain accurate records as necessary.

(c) Drivers must also receive instruction on the topics listed in 45 CFR 1304.52(k)(1), (2) and (3)(i) and the provisions of the Head Start Program Performance Standards for Children with Disabilities (45 CFR 1308) relating to transportation services for children with disabilities.

(d) Drivers must receive refresher training courses including the topics listed in paragraphs (b) and (c) of this section and any additional necessary training to meet the requirements applicable in the State where the agency operates.

(e) Each agency providing transportation services must ensure that drivers who transport children receiving the services qualify under the applicable driver training requirements in its State.

(f) Each agency providing transportation services must ensure that:

(1) the annual evaluation of each driver of a vehicle used to provide such services includes an on-board observation of road performance; and
(2) before bus monitors assigned to vehicles used to provide such services begin their duties, they are trained on child boarding and exiting procedure, use of child restraint systems, any required paperwork, responses to emergencies, emergency evacuation procedures, use of special equipment, child pick-up and release procedures and pre- and post-trip vehicle check.

Subpart C—Special Requirements

§ 1310.20 Trip routing.

(a) Each agency providing transportation services must ensure that in planning fixed routes the safety of the children being transported is the primary consideration.

(b) The agency must also ensure that the following basic principles of trip routing are adhered to:

(1) The time a child is in transit to and from the Head Start or Early Head Start program must not exceed one hour unless there is no shorter route available or any alternative shorter route is either unsafe or impractical.
(2) Vehicles must not be loaded beyond the maximum passenger capacity at any time.
(3) Vehicles must not be required to back up or make “U” turns, except when necessary for reasons of safety or because of physical barriers.
(4) Stops must be located to minimize traffic disruptions and to afford the driver a good field of view in front of and behind the vehicle.
(5) When possible, stops must be located to eliminate the need for children to cross the street or highway to board or leave the vehicle.
(6) If children must cross the street before boarding or after leaving the vehicle because curbside drop off or pick up is impossible, they must be escorted across the street by the bus monitor or another adult.
(7) Specific procedures must be established for use of alternate routes in the case of hazardous conditions that could affect the safety of the children who are being transported, such as ice or water build up, natural gas line breaks, or emergency road closing. In selecting among alternatives, transportation providers must choose routes that comply as much as possible with the requirements of this section.

§ 1310.21 Safety education.

(a) Each agency must provide training for parents and children in pedestrian safety. The training provided to
Office of Human Development Services, HHS

§ 1310.23

Children must be developmentally appropriate and an integral part of program experiences. The need for an adult to accompany a preschool child while crossing the street must be emphasized in the training provided to parents and children. The required transportation and pedestrian safety education of children and parents, except for the bus evacuation drills required by paragraph (d) of this section, must be provided within the first thirty days of the program year.

(b) Each agency providing transportation services, directly or through another organization or an individual, must ensure that children who receive such services are taught:

(1) safe riding practices;
(2) safety procedures for boarding and leaving the vehicle;
(3) safety procedures in crossing the street to and from the vehicle at stops;
(4) recognition of the danger zones around the vehicle; and
(5) emergency evacuation procedures, including participating in an emergency evacuation drill conducted on the vehicle the child will be riding.

(c) Each agency providing transportation services must provide training for parents that:

(1) emphasizes the importance of escorting their children to the vehicle stop and the importance of reinforcing the training provided to children regarding vehicle safety; and
(2) complements the training provided to their children so that safety practices can be reinforced both in Head Start and at home by the parent.

(d) Each agency providing transportation services must ensure that at least two bus evacuation drills in addition to the one required under paragraph (b)(5) of this section are conducted during the program year.

(e) Each agency providing transportation services must develop activities to remind children of the safety procedures. These activities must be developmentally appropriate, individualized and be an integral part of the Head Start or Early Head Start program activities.

§ 1310.22 Children with disabilities.

(a) Effective December 30, 2006 each agency must ensure that there are school buses or allowable alternate vehicles adapted or designed for transportation of children with disabilities available as necessary to transport such children enrolled in the program. This requirement does not apply to the transportation of children receiving home-based services unless school buses or allowable alternate vehicles are used to transport the other children served under the home-based option by the grantee. Whenever possible, children with disabilities must be transported in the same vehicles used to transport other children enrolled in the Head Start or Early Head Start program.

(b) Each Head Start, Early Head Start and delegate agency must ensure compliance with the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the HHS regulations at 45 CFR part 84, implementing Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), and the Head Start Program Performance Standards on Services for Children with Disabilities (45 CFR part 1308) as they apply to transportation services.

(c) Each agency must specify any special transportation requirements for a child with a disability when preparing the child’s Individual Education Plan (IEP) or Individual Family Service Plan (IFSP), and ensure that in all cases special transportation requirements in a child’s IEP or IFSP are followed, including:

(1) special pick-up and drop-off requirements;
(2) special seating requirements;
(3) special equipment needs;
(4) any special assistance that may be required; and
(5) any special training for bus drivers and monitors.

§ 1310.23 Coordinated transportation.

(a) Each agency providing transportation services must make reasonable efforts to coordinate transportation resources with other human services agencies in its community in order to control costs and to improve the quality and the availability of transportation services.

(b) At a minimum, the agency must:
(1) identify the true costs of providing transportation in order to knowledgeably compare the costs of providing transportation directly versus contracting for the service;
(2) explore the option of participating in any coordinated public or private transportation systems existing in the community; and
(3) where no coordinated public or private non-profit transportation system exists in the community, make every effort to identify other human services agencies also providing transportation services and, where reasonable, to participate in the establishment of a local transportation coordinating council.

SUBCHAPTER B—THE ADMINISTRATION FOR CHILDREN AND FAMILIES, HEAD START PROGRAM

PART 1301—PROGRAM GOVERNANCE

Sec. 1301.1 Purpose.
1301.2 Governing body.
1301.3 Policy council and policy committee.
1301.4 Parent committees.
1301.5 Training.
1301.6 Impasse procedures.

AUTHORITY: 42 U.S.C. 9801 et seq.

§ 1301.1 In general.

An agency, as defined in part 1305 of this chapter, must establish and maintain a formal structure for program governance that includes a governing body, a policy council at the agency level and policy committee at the delegate level, and a parent committee. Governing bodies have a legal and fiscal responsibility to administer and oversee the agency’s Head Start and Early Head Start programs. Policy councils are responsible for the direction and improvement of the program.

§ 1301.2 Governing body.

(a) Composition. The composition of a governing body must be in accordance with the requirements specified at section 642(c)(1)(B) of the Act, except where specific exceptions are authorized in the case of public entities

at section 642(c)(1)(D) of the Act. Agencies must ensure members of the governing body do not have a conflict of interest, pursuant to section 642(c)(1)(C) of the Act.

(b) Duties and responsibilities. (1) The governing body is responsible for activities specified at section 642(c)(1)(E) of the Act.

(c) Advisory committees. (1) A governing body may establish advisory committees as it deems necessary for effective governance and improvement of the program.

§ 1301.3 Policy council and policy committee.

(a) Establishing policy councils and policy committees. Each agency must establish and maintain a policy council responsible for the direction of the Head Start program at the agency level, and a policy committee at the delegate level. If an agency delegates operational responsibility for the entire Head Start or Early Head Start program to one delegate agency, the policy council and policy committee may be the same body.

(b) Composition. (1) A program must establish a policy council in accordance with section 642(c)(2)(B) of the Act, or a policy committee at the delegate level in accordance with section 642(c)(3) of the Act, as early in the program year as possible. Parents of children currently enrolled in each program option must be proportionately represented on the policy council and on the policy committee at the delegate level.

(2) The program must ensure members of the policy council, and of the policy committee at the delegate level, do not have a conflict of interest pursuant to sections 642(c)(2)(C) and 642(c)(3)(B) of the Act. Staff may not serve on the policy council or policy committee at the delegate level except parents who occasionally substitute as staff. In the case of tribal grantees, this exclusion applies only to tribal staff who work in areas directly related to or which directly impact administrative, fiscal, or programmatic issues.

(c) Duties and responsibilities. (1) A policy council is responsible for activities specified at section 642(c)(2)(D) of the Act. A policy
§ 1301.4 Parent committees.

(a) Establishing parent committees. A program must establish a parent committee comprised exclusively of parents of currently enrolled children as early as possible in the program year. This committee must be established at the center level for center-based programs and at the local program level for other program options. When a program operates more than one option, parents may choose to have a separate committee for each option or combine membership. A program must ensure that parents of currently enrolled children understand the process for elections to the policy council or policy committee and other leadership opportunities.

(b) Requirements of parent committees. Within the parent committee structure, a program may determine the best methods to engage families using strategies that are most effective in their community, as long as the program ensures the parent committee carries out the following minimum responsibilities:

(1) Advise staff in developing and implementing local program policies, activities, and services to ensure they meet the needs of children and families;

(2) Have a process for communication with the policy council and policy committee; and

(3) Within the guidelines established by the governing body, policy council or policy committee, participate in the recruitment and screening of Early Head Start and Head Start employees.

§ 1301.5 Training.

An agency must provide appropriate training and technical assistance or orientation to the governing body, any advisory committee members, and the policy council, including training on program performance standards and training indicated in §1302.12(m) to ensure the members understand the information they receive and can effectively oversee and participate in the programs in the Head Start agency.

§ 1301.6 Impasse procedures.

(a) To facilitate meaningful consultation and collaboration about decisions of the governing body and the policy council, each agency’s governing body and policy council jointly must establish written procedures for resolving internal disputes between the governing board and policy council in a timely manner that include impasse procedures. These procedures must:

(1) Demonstrate that the governing body considers proposed decisions from the policy council and that the policy council considers proposed decisions from the governing body;

(2) If there is a disagreement, require the governing body and the policy council to notify the other in writing why it does not accept a decision; and

(3) Describe a decision-making process and a timeline to resolve disputes and reach decisions that are not arbitrary, capricious, or illegal.

(b) If the agency’s decision-making process does not result in a resolution and an impasse continues, the governing body and policy council must select a mutually agreeable third party mediator and participate in a formal process of mediation that leads to a resolution of the dispute.

(c) For all programs except American Indian and Alaska Native programs, if no resolution is reached with a mediator, the governing body and policy council must select a mutually agreeable arbitrator whose decision is final.

AUTHORITY: 42 U.S.C. 9801 et seq.

Overview.
This part implements these statutory requirements in Sections 641A, 645, 645A, and 648A of the Act by describing all of the program performance standards that are required to operate Head Start, Early Head Start, American Indian and Alaska Native and Migrant or Seasonal Head Start programs. The part covers the full range of operations from enrolling eligible children and providing program services to those children and their families, to managing programs to ensure staff are qualified and supported to effectively provide services. This part also focuses on using data through ongoing program improvement to ensure high-quality service. As required in the Act, these provisions do not narrow the scope or quality of services covered in previous regulations. Instead, these regulations raise the quality standard to reflect science and best practices, and streamline and simplify requirements so programs can better understand what is required for quality services.

Eligibility, Recruitment, Selection, Enrollment, and Attendance

Purpose.
This subpart describes requirements of grantees for determining community strengths, needs and resources as well as recruitment areas. It contains requirements and procedures for the eligibility determination, recruitment, selection, enrollment and attendance of children and explains the policy concerning the charging of fees.

Determining community strengths, needs, and resources.
(a) Service area. (1) A program must propose a service area in the grant application and define the area by county or sub-county area, such as a municipality, town or census...
A tribal program may propose a service area that includes areas where members of Indian tribes or those eligible for membership reside, including but not limited to Indian reservation land, areas designated as near-reservation by the Bureau of Indian Affairs (BIA), areas near a reservation by the Bureau of Indian Affairs (BIA), or other program, the tribe may serve children from families who are members of or eligible to be members of such tribe and who reside in such areas as well as children from families who are not members of the tribe, but who who reside within the tribe’s established service area.

If the tribe’s service area includes any area specified in paragraph (a)(1)(i) of this section, and that area is also served by another program, the tribe may serve children from families who are members of or eligible to be members of such tribe and who reside in such areas as well as children from families who are not members of the tribe, but who who reside within the tribe’s established service area.

If a program decides to change the service area, a program must conduct a community assessment at least once over the five-year grant period. The community assessment must use data that describes community strengths, needs, and resources and include, at a minimum:

1. The number of eligible infants, toddlers, preschool age children, and expectant mothers, including their geographic location, race, ethnicity, and languages they speak, including:
   - Children experiencing homelessness in collaboration with, to the extent possible, McKinney-Vento Local Education Agency Liaisons (42 U.S.C. 1442 (6)(A));
   - Children in foster care; and
   - Children with disabilities, including types of disabilities and relevant services and resources provided to these children by community agencies;
2. The education, health, nutrition and social service needs of eligible children and their families, including prevalent social or economic factors that impact their well-being;
3. Typical work, school, and training schedules of parents with eligible children;
4. Other child development, child care centers, and family child care programs that serve eligible children, including home visiting, publicly funded state and local preschools, and the approximate number of eligible children served;
5. Resources that are available in the community to address the needs of eligible children and their families; and,
6. Strengths of the community.

A program must annually review and update the community assessment to reflect any significant changes including increased availability of publicly-funded pre-kindergarten- (including an assessment of how the pre-kindergarten available in the community meets the needs of the parents and children served by the program, and whether it is offered for a full school day), rates of family and child homelessness, and significant shifts in community demographics and resources.

A program must consider whether the characteristics of the community allow it to include children from diverse economic backgrounds that would be supported by other funding sources, including private pay, in addition to the program’s eligible funded enrollment. A program must not enroll children from diverse economic backgrounds if it would result in a program serving less than its eligible funded enrollment.

1302.12 Determining, verifying, and documenting eligibility.

(a) Process overview. (1) Program staff must:
   - Conduct an in-person interview with each family, unless paragraph (a)(2) of this section applies;
   - Verify information as required in paragraphs (b) and (c) of this section; and,
   - Create an eligibility determination record for enrolled participants according to paragraph (k) of this section.
   - Program staff may interview the family over the telephone if an in-person interview is not possible or convenient for the family.

(b) Age requirements. (1) For Early Head Start, a child must be an infant or a toddler younger than three years old.
   - For Head Start, a child must:
     - Be at least three years old or, turn three years old by the date used to determine eligibility for public school in the community in which the Head Start program is located; and,
     - Be no older than the age required to attend school.

(c) Eligibility requirements. (1) A pregnant woman or a child is eligible if:
Office of Human Development Services, HHS

Ch. XIII, Sbchpt. B, NI.

(i) The family’s income is equal to or below the poverty line; or,
(ii) The family is eligible for or, in the absence of child care, would be potentially eligible for public assistance; including TANF child-only payments; or,
(iii) The child is homeless, as defined in part 1005; or,
(iv) The child is in foster care.

(2) If the family does not meet a criterion under paragraph (c)(1) of this section, a program may enroll a child who would benefit from services, provided that these participants only make up to 10 percent of a program’s enrollment in accordance with paragraph (d) of this section.

(d) Additional allowances for programs. (1) A program may enroll an additional 35 percent of participants whose families do not meet a criterion described in paragraph (c) of this section and whose incomes are below 130 percent of the poverty line, if the program:

(i) Establishes and implements outreach, and enrollment policies and procedures to ensure it is meeting the needs of eligible pregnant women, children, and children with disabilities, before serving pregnant women or children who do not meet the criteria in paragraph (c) of this section; and,

(ii) Establishes criteria that ensure pregnant women and children eligible under the criteria listed in paragraph (c) of this section are served first.

(2) If a program chooses to enroll participants who do not meet a criterion in paragraph (c) of this section, and whose family incomes are between 100 and 130 percent of the poverty line, it must be able to report to the Head Start regional program office:

(i) How it is meeting the needs of low-income families or families potentially eligible for public assistance, homeless children, and children in foster care, and include local demographic data on these populations;

(ii) Outreach and enrollment policies and procedures that ensure it is meeting the needs of eligible children or pregnant women, before serving over-income children or pregnant women;

(iii) Efforts, including outreach, to be fully enrolled with eligible pregnant women or children;

(iv) Policies, procedures, and selection criteria it uses to serve eligible children;

(v) Its current enrollment and its enrollment for the previous year;

(vi) The number of pregnant women and children served, disaggregated by the eligibility criteria in paragraphs (c) and (d)(1) of this section; and,

(vii) The eligibility criteria category of each child on the program’s waiting list.

(e) Additional allowances for Indian tribes. (1) Notwithstanding paragraph (c)(2) of this section, a tribal program may fill more than 10 percent of its enrollment with participants who are not eligible under the criteria in paragraph (c) of this section, if:

(i) The tribal program has served all eligible pregnant women or children who wish to be enrolled from Indian and non-Indian families living within the approved service area of the tribal agency;

(ii) The tribe has resources within its grant, without using additional funds from HHS intended to expand Early Head Start or Head Start services, to enroll pregnant women or children whose family incomes exceed low-income guidelines or who are not otherwise eligible; and,

(iii) At least 51 percent of the program’s participants meet an eligibility criterion under paragraph (c)(1) of this section.

(2) If another program does not serve the approved service area, the program must serve all eligible Indian and non-Indian pregnant women or children who wish to enroll before serving over-income pregnant women or children.

(3) A program that meets the conditions of this paragraph (e) must annually set criteria that are approved by the policy council and the tribal council for selecting over-income pregnant women or children who would benefit from program services.

(4) An Indian tribe or tribes that operates both an Early Head Start program and a Head Start program may, at its discretion, at any time during the grant period involved, reallocate funds between the Early Head Start program and the Head Start program in order to address fluctuations in client populations, including pregnant women and children from birth to compulsory school age. The reallocation of such funds between programs by an Indian tribe or tribes during a year may not serve as a basis for any reduction of the base grant for either program in succeeding years.

(f) Migrant or Seasonal eligibility requirements. A child is eligible for Migrant or Seasonal Head Start, if the family meets an eligibility criterion in paragraphs (c) and (d) of this section; and the family’s income comes primarily from agricultural work.

(g) Eligibility requirements for communities with 1,000 or fewer individuals. (1) A program may establish its own criteria for eligibility provided that it meets the criteria outlined in section 645(a)(2) of the Act.

(2) No child residing in such community whose family is eligible under criteria described in paragraphs (c) through (f) of this section, may be denied an opportunity to participate in the program under the eligibility criteria established under this paragraph.

(h) Verifying age. Program staff must verify a child’s age according to program policies and procedures. A program’s policies and procedures cannot require families to provide documents that confirm a child’s age, if
doing so creates a barrier for the family to enroll the child.

(i) Verifying eligibility. (1) To verify eligibility based on income, program staff must use tax forms, pay stubs, or other proof of income to determine the family income for the relevant time period.

(ii) If the family cannot provide tax forms, pay stubs, or other proof of income for the relevant time period, program staff may accept written statements from employers, including individuals who are self-employed, for the relevant time period and use information provided to calculate total annual income with appropriate multipliers.

(iii) If the family reports no income for the relevant time period, a program may accept the family’s signed declaration to that effect, if program staff describes efforts made to verify the family’s income, and explains how the family’s total income was calculated or seeks information from third parties about the family’s eligibility, if the family gives written consent. If a family gives consent to contact third parties, program staff must adhere to program safety and privacy policies and procedures and ensure the eligibility determination record adheres to paragraph (k)(2) of this section.

(iv) If the family can provide one of the documents described in this paragraph (i)(3), program staff must describe efforts made to verify the accuracy of the information provided and state whether the family is eligible because they are homeless.

(v) If a program operates both an Early Head Start program and a Head Start program, and the parents wish to enroll their child who has been enrolled in the program’s Early Head Start, the program must ensure, whenever possible, that the child receives Head Start services until enrolled in school, provided the child is eligible.

(j) Records. (1) A program must keep eligibility determination records for each participant and ongoing records of the eligibility training for staff required by paragraph (m) of this section. A program may keep these records electronically.

(ii) Each eligibility determination record must include:

(i) Copies of any documents or statements, including declarations, that are deemed necessary to verify eligibility under paragraphs (h) and (i) of this section;

(ii) A statement that program staff has made reasonable efforts to verify information by:

(A) Conducting either an in-person, or a telephone interview with the family as described under paragraph (a)(1)(i) or (a)(2) of this section; and,

(B) Describing efforts made to verify eligibility, as required under paragraphs (h) through (i) of this section; and, collecting
documents required for third party verification that includes the family’s written consent to contact each third party, the third parties’ names, titles, and affiliations, and information from third parties regarding the family’s eligibility.

(iii) A statement that identifies whether:
(A) The family’s income is below income guidelines for its size, and lists the family’s size;
(B) The family is eligible for or, in the absence of child care, potentially eligible for public assistance;
(C) The child is a homeless child or the child is in foster care;
(D) The family was determined to be eligible under the criterion in paragraph (c)(2) of this section;
(E) The family was determined to be eligible under the criterion in paragraph (d)(1) of this section.

(3) A program must keep eligibility determination records for those currently enrolled, as long as they are enrolled, and, for one year after they have either stopped receiving services; or are no longer enrolled.

1302.13 Recruitment of children.

In order to reach those most in need of services, a program must develop and implement a recruitment process designed to actively inform all families with eligible children within the recruitment area of the availability of program services, and encourage and assist them in applying for admission to the program. A program must include specific efforts to actively locate and recruit children with disabilities and other vulnerable children, including homeless children and children in foster care.

§ 1302.14 Selection process.

(a) Selection criteria. (1) A program must annually establish selection criteria that weigh the prioritization of selection of participants, based on community needs identified in the community needs assessment as described in §1302.11(b), and including family income, whether the child is homeless, whether the child is in foster care, the child’s age, whether the child is eligible for special education and related services, or early intervention services, as appropriate, as determined under the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1400 et seq.) and, other relevant family or child risk factors.

(2) If a program serves migrant or seasonal families, it must select participants according to criteria in paragraph (a)(1) of this section, and give priority to children whose families can demonstrate they have relocated frequently within the past two-years to pursue agricultural work.

(3) If a program operates in a service area where Head Start eligible children can enroll in high-quality publicly funded pre-kindergarten for a full school day, the program must prioritize younger children as part of the selection criteria in paragraph (a)(1) of this section. If this priority would disrupt partnerships with local education agencies, then it is not required. An American Indian and Alaska Native or Migrant or Seasonal Head Start program must consider whether such prioritization is appropriate in their community.

(4) A program must not deny enrollment based on a disability or chronic health condition or its severity.

(b) Children eligible for services under IDEA. (1) A program must ensure at least 10 percent of its total funded enrollment is filled by children eligible for services under IDEA, unless the responsible HHS official grants a waiver.

(2) If the requirement in paragraph (b)(1) of this section has been met, children eligible for services under IDEA should be prioritized for the available slots in accordance with the program’s selection criteria described in paragraph (a) of this section.

(c) Waiting lists. A program must develop at the beginning of each enrollment year and maintain during the year a waiting list that ranks children according to the program’s selection criteria.
§ 1302.15 Enrollment.

(a) Funded enrollment. A program must maintain its funded enrollment level and fill any vacancy as soon as possible. A program must fill any vacancy within 30 days.

(b) Continuity of enrollment. (1) A program must make efforts to maintain enrollment of eligible children for the following year.

(2) Under exceptional circumstances, a program may maintain a child’s enrollment in Head Start for a third year, provided that family income is verified again. A program may maintain a child’s enrollment in Early Head Start as described in §1302.12(j)(2).

(3) If a program serves homeless children or children in foster care, it must make efforts to maintain the child’s enrollment regardless of whether the family or child moves to a different service area, or transition the child to a program in a different service area, as required in §1302.72(a), according to the family’s needs.

(c) Reserved slots. If a program determines from the community assessment there are families experiencing homelessness in the area, or children in foster care that could benefit from services, the program may reserve one or more enrollment slots for pregnant women and children experiencing homelessness and children in foster care, when a vacancy occurs. No more than three percent of a program’s funded enrollment slots may be reserved. If the reserved enrollment slot becomes vacant and then must be filled in accordance with paragraph (a) of this section.

(d) Other enrollment. Children from diverse economic backgrounds who are funded with other sources, including private pay, are not considered part of a program’s eligible funded enrollment.

(e) State immunization enrollment requirements. A program must comply with state immunization enrollment and attendance requirements, with the exception of homeless children as described in §1302.16(c)(1).

(f) Voluntary parent participation. Parent participation in any program activity is voluntary, including consent for data sharing, and is not required as a condition of the child’s enrollment.

§ 1302.16 Attendance.

(a) Promoting regular attendance. A program must track attendance for each child.

(1) A program must implement a process to ensure children are safe when they do not arrive at school. If a child is unexpectedly absent and a parent has not contacted the program within one hour of program start time, the program must attempt to contact the parent to ensure the child’s well-being.

(2) A program must implement strategies to promote attendance. At a minimum, a program must:

(i) Provide information about the benefits of regular attendance;

(ii) Support families to promote the child’s regular attendance.

(iii) Conduct a home visit or make other direct contact with a child’s parents if a child has multiple unexplained absences (such as two consecutive unexplained absences); and,

(iv) Within the first 60 days of program operation, and on an ongoing basis thereafter, use individual child attendance data to identify children with patterns of absence that put them at risk of missing ten percent of program days per year and develop appropriate strategies to improve individual attendance among identified children, such as direct contact with parents or intensive case management, as necessary.

(3) If a child ceases to attend, the program must make appropriate efforts to reengage the family to resume attendance, including as described in paragraph (a)(2) of this section. If the child’s attendance does not resume, then the program must consider that slot vacant. This action is not considered expulsion as described in §1302.17.

(b) Managing systematic program attendance issues. If a program’s monthly average daily attendance rate falls below 85 percent, the program must analyze the causes of absenteeism to identify any systematic issues that contribute to the program’s absentee rate. The program must use this data to make necessary changes in a timely manner as part of ongoing oversight and correction as described in §1302.102(b) and inform its continuous improvement efforts as described in §1302.102(c).

(c) Supporting attendance of homeless children. (1) If a program determines a child is eligible under §1302.12(c)(1)(iii), it must allow the child to attend for up to 90 days or as long as allowed under state licensing requirements, without immunization and other records, to give the family reasonable time to present these documents. A program must work with families to get children immunized as soon as possible in order to comply with state licensing requirements.

(2) If a child experiencing homelessness is unable to attend classes regularly because the family does not have transportation to and from the program facility, the program must utilize community resources, where possible, to provide transportation for the child.

§ 1302.17 Suspension and expulsion.

(a) Limitations on suspension. (1) A program must prohibit or severely limit the use of suspension due to a child’s behavior. Such suspensions may only be temporary in nature.

(2) A temporary suspension must be used only as a last resort in extraordinary circumstances where there is a serious safety
threat that cannot be reduced or eliminated by the provision of reasonable modifications.

(3) Before a program determines whether a temporary suspension is necessary, a program must engage with a mental health consultant, collaborate with the parents, and utilize appropriate community resources—such as behavior coaches, psychologists, other appropriate specialists, or other resources—as needed, to determine no other reasonable option is appropriate.

(4) If a temporary suspension is deemed necessary, a program must help the child return to full participation in all program activities as quickly as possible while ensuring child safety by:

(i) Continuing to engage with the parents and a mental health consultant, and continuing to utilize appropriate community resources;

(ii) Developing a written plan to document the action and supports needed;

(iii) Providing services that include home visits; and,

(iv) Determining whether a referral to a local agency responsible for implementing IDEA is appropriate.

(b) Prohibition on expulsion. (1) A program cannot expel or unenroll a child from Head Start because of a child’s behavior.

(2) When a child exhibits persistent and serious challenging behaviors, a program must explore all possible steps and document all steps taken to address such problems, and facilitate the child’s safe participation in the program. Such steps must include, at a minimum, engaging a mental health consultant, considering the appropriateness of providing appropriate services and supports under section 504 of the Rehabilitation Act to ensure that the child who satisfies the definition of disability in 29 U.S.C. 705(9)(b) of the Rehabilitation Act is not excluded from the program on the basis of disability, and consulting with the parents and the child’s teacher, and:

(i) If the child has an individualized family service plan (IFSP) or individualized education program (IEP), the program must consult with the agency responsible for the IFSP or IEP to ensure the child receives the needed support services or;

(ii) If the child does not have an IFSP or IEP, the program must collaborate with the local agency responsible for implementing IDEA to determine the child’s eligibility for services.

(3) Before a program determines whether a child is eligible for services that include home-based, family child care, or an appropriate variation as described in paragraph (b)(2) of this section, and ways to provide continuity of care and services. A program must work with such entities to directly facilitate the transition of the child to a more appropriate placement.

§ 1302.18 Fees.

(a) Policy on fees. A program must not charge eligible families a fee to participate in Head Start, including special events such as field trips, and cannot in any way condition an eligible child’s enrollment or participation in the program upon the payment of a fee.

(b) Allowable fees. (1) A program must only accept a fee from families of enrolled children for services that are in addition to services funded by Head Start, such as child care before or after funded Head Start hours. A program may not condition a Head Start child’s enrollment on the ability to pay a fee for additional hours.

(2) In order to support programs serving children from diverse economic backgrounds or using multiple funding sources, a program may charge fees to private pay families and other non-Head Start enrolled families to the extent allowed by any other applicable federal, state or local funding sources.

Subpart B—Program Structure

§ 1302.20 Determining program structure.

(a) Choose a program option. (1) A program must choose to operate one or more of the following program options: Center-based, home-based, family child care, or an approved locally-designed variation as described in § 1302.24. The program option(s) chosen must meet the needs of children and families based on the community assessment described in § 1302.11(b). A Head Start program serving preschool-aged children may not provide only the option described in § 1302.22(a) and (c)(2).

(2) To choose a program option and develop a program calendar, a program must consider in conjunction with the annual review of the community assessment described in § 1302.11(b)(2), whether it would better meet child and family needs through conversion of existing slots to full school day or full working day slots, extending the program year, conversion of existing Head Start slots to Early Head Start slots as described in paragraph (c) of this section, and ways to promote continuity of care and services. A program must work to identify alternate sources to support full working day services. If no additional funding is available, program resources may be used.

(b) Comprehensive services. All program options must deliver the full range of services, as described in subparts C, D, E, F, and G of this part, except that §§1302.30 through 1302.32 and §1302.34 do not apply to home-based options.
(c) Conversion. (1) Consistent with section 645(a)(5) of the Head Start Act, grantees may request to convert Head Start slots to Early Head Start slots through the re-funding application process or as a separate grant amendment.

(2) Any grantee proposing a conversion of Head Start services to Early Head Start services must obtain policy council and governing body approval and submit the request to their regional office.

(3) With the exception of American Indian and Alaska Native grantees as described in paragraph (c)(4) of this section, the request to the regional office must include:
   (i) A grant application budget and a budget narrative that clearly identifies the funding amount for the Head Start and Early Head Start programs before and after the proposed conversion;
   (ii) The results of the community assessment demonstrating how the proposed use of funds would best meet the needs of the community, including a description of how the needs of eligible Head Start children will be met in the community when the conversion takes places;
   (iii) A revised program schedule that describes the program option(s) and the number of funded enrollment slots for Head Start and Early Head Start programs before and after the proposed conversion;
   (iv) A description of how the needs of pregnant women, infants, and toddlers will be addressed;
   (v) A discussion of the agency’s capacity to carry out an effective Early Head Start program in accordance with the requirements of section 645(a)(2) of the Head Start Act and all applicable regulations;
   (vi) Assurances that the agency will participate in training and technical assistance activities required of all Early Head Start grantees;
   (vii) A discussion of the qualifications and competencies of the child development staff proposed for the Early Head Start program, as well as a description of the facilities and program infrastructure that will be used to support the new or expanded Early Head Start program;
   (viii) A discussion of any one-time funding necessary to implement the proposed conversion and how the agency intends to secure such funding; and
   (ix) The proposed timetable for implementing this conversion, including updating school readiness goals as described in subpart J of this part.

(d) Source of funding. A program may consider hours of service that meet the Head Start Program Performance Standards, regardless of the source of funding, as hours of planned class operations for the purposes of meeting the Head Start and Early Head Start service duration requirements in this subpart.

§ 1302.21 Center-based option.

(a) Setting. The center-based option delivers the full range of services, consistent with §1302.20(b). Education and child development services are delivered primarily in classroom settings.

(b) Ratios and group size. (1) Staff-child ratios and group size maximums must be determined by the age of the majority of children and the needs of children present. A program must determine the age of the majority of children in a class at the start of the year and may adjust this determination during the program year, if necessary. Where state or local licensing requirements are more stringent than the teacher-child ratios and group size specifications in this section, a program must meet the stricter requirements. A program must maintain appropriate ratios during all hours of program operation, except:
   (i) For brief absences of a teaching staff member for no more than five minutes; and
   (ii) During nap time, one teaching staff member may be replaced by one staff member or trained volunteer who does not meet the teaching qualifications required for the age.

(2) An Early Head Start or Migrant or Seasonal Head Start class that serves children under 36 months old must have two teachers with no more than eight children, or three teachers with no more than nine children. Each teacher must be assigned consistent, primary responsibility for no more than four children to promote continuity of care for individual children. A program must minimize teacher changes throughout a child’s enrollment, whenever possible, and consider mixed age group classes to support continuity of care.

(3) A class that serves a majority of children who are three years old must have no more than 17 children with a teacher and teaching assistant or two teachers. A double session class that serves a majority of children who are three years old must have no more than 15 children with a teacher and teaching assistant or two teachers.

(4) A class that serves a majority of children who are four and five years old must have no more than 20 children with a teacher and a teaching assistant or two teachers. A double session class that serves a majority of children who are four and five years old must...
have no more than 17 children with a teacher and a teaching assistant or two teachers.

(c) Service duration—(1) Early Head Start. (i) By August 1, 2018, a program must provide 1,380 annual hours of planned class operations for all enrolled children.

(ii) A program that is designed to meet the needs of young parents enrolled in school settings may meet the service duration requirements in paragraph (c)(1)(i) of this section if it operates a center-based program schedule during the school year aligned with its local education agency requirements and provides regular home-based services during the summer break.

(2) Head Start. (i) Until a program is operating all of its Head Start center-based funded enrollment at the standard described in paragraph (c)(2)(iv) or (v) of this section, a program must provide, at a minimum, at least 160 days per year of planned class operations if it operates for five days per week, or at least 128 days per year if it operates four days per week. Classes must operate for a minimum of 3.5 hours per day.

(ii) Until a program is operating all of its Head Start center-based funded enrollment at the standard described in paragraph (c)(2)(iv) or (v) of this section, if a program operates a double session variation, it must provide classes for four days per week. Each double session class staff member must be provided adequate break time during the course of the day. In addition, teachers, aides, and volunteers must have appropriate time to prepare for each session together, to set up the classroom environment, and to give individual attention to children entering and leaving the center.

(iii) By August 1, 2018, a program must provide 1,020 annual hours of planned class operations over the course of at least eight months per year for at least 50 percent of its Head Start center-based funded enrollment.

(iv) By August 1, 2021, a program must provide 1,020 annual hours of planned class operations over the course of at least eight months per year for all of its Head Start center-based funded enrollment.

(v) A Head Start program providing fewer than 1,020 annual hours of planned class operations or fewer than eight months of service is considered to meet the requirements described in paragraphs (c)(2)(iv) and (v) of this section if its program schedule aligns with the annual hours required by its local education agency for grade one and such alignment is necessary to support partnerships for service delivery.

(3) Secretarial determination. (i) On or before February 1, 2018, the Secretary may lower the required percentage described in paragraph (c)(2)(iii) of this section, based on an assessment of the availability of sufficient funding to mitigate a substantial reduction in funded enrollment; and,

(ii) On or before February 1, 2020, the Secretary may lower the required percentage described in paragraph (c)(2)(iv) of this section, based on an assessment of the availability of sufficient funding to mitigate a substantial reduction in funded enrollment.

(4) Extension. If an extension is necessary to ensure children enrolled in the program on November 7, 2016 are not displaced from the Early Head Start or Head Start program, a program may request a one-year extension from the responsible HHS official of the requirements outlined in paragraphs (c)(1) and (c)(2)(iii) of this section.

(5) Exemption for Migrant or Seasonal Head Start Programs. A Migrant or Seasonal program is not subject to the requirements described in § 1302.21(c)(1) or (2), but must make every effort to provide as many days and hours of service as possible to each child and family.

(6) Calendar planning. A program must:

(i) Plan its year using a reasonable estimate of the number of days during a year that classes may be closed due to problems such as inclement weather; and,

(ii) Make every effort to schedule makeup days using existing resources if hours of planned class operations fall below the number required per year.

(d) Licensing and square footage requirements. (1) The facilities used by a program
must meet state, tribal, or local licensing requirements, even if exempted by the licensing entity. When state, tribal, or local requirements vary from Head Start requirements, the most stringent provision takes precedence.

(2) A center-based program must have at least 35 square feet of usable indoor space per child available for the care and use of children (exclusive of bathrooms, halls, kitchen, staff rooms, and storage places) and at least 75 square feet of usable outdoor play space per child.

(3) A program that operates two or more groups within an area must ensure clearly defined, safe divisions to separate groups. A program must ensure such spaces are learning environments that facilitate the implementation of the requirements in subpart C of this part. The divisions must limit noise transfer from one group to another to prevent disruption of an effective learning environment.

§1302.22 Home-based option.

(a) Setting. The home-based option delivers the full range of services, consistent with §1302.20(b), through visits with the child’s parents, primarily in the child’s home and through group socialization opportunities in a Head Start classroom, community facility, home, or on field trips. For Early Head Start programs, the home-based option may only be used to deliver services to a portion of a program’s enrolled children.

(b) Caseload. A program that implements a home-based option must maintain an average caseload of 10 to 12 families per home visitor with a maximum of 12 families for any individual home visitor.

(c) Service duration—(1) Early Head Start. By August 1, 2017, an Early Head Start home-based program must:

(i) Provide one home visit per week per family that lasts at least an hour and a half and provide a minimum of 46 visits per year; and,

(ii) Provide, at a minimum, 22 group socialization activities distributed over the course of the program year.

(2) Head Start. A Head Start home-based program must:

(i) Provide one home visit per week per family that lasts at least an hour and a half and provide a minimum of 32 visits per year; and,

(ii) Provide, at a minimum, 16 group socialization activities distributed over the course of the program year.

(d) Meeting minimum requirements. A program that implements a home-based option must:

(i) Make up planned home visits or scheduled group socialization activities that were canceled by the program, and to the extent possible attempt to make up planned home visits canceled by the family, when this is necessary to meet the minimums described in paragraphs (a)(1) and (2) of this section; and,

(ii) Not replace home visits or scheduled group socialization activities for medical or social service appointments for the purposes of meeting the minimum requirements described in paragraphs (a)(1) and (2) of this section.

(d) Safety requirements. The areas for learning, playing, sleeping, toileting, preparing food, and eating in facilities used for group socializations in the home-based option must meet the safety standards described in §1302.47(1)(i) through (viii).

§1302.23 Family child care option.

(a) Setting. The family child care program option delivers the full range of services, consistent with §1302.20(b). Education and child development services are primarily delivered by a family child care provider in their home or other family-like setting. A program may choose to offer the family child care option if:

(1) The program has a legally binding agreement with one or more family child care provider(s) that clearly defines the roles, rights, and responsibilities of each party, or the program is the employer of the family child care provider, and ensures children and families enrolled in this option receive the full range of services described in subparts C, D, E, F, and G of this part; and,

(2) The program ensures family child care homes are available that can accommodate children and families with disabilities.

(b) Ratios and group size. (1) A program that operates the family child care option where Head Start children are enrolled must ensure group size does not exceed the limits specified in this section. If the family child care provider’s own children under the age of six are present, they must be included in the group size.

(2) When there is one family child care provider, the maximum group size is six children and no more than two of the six may be under 24 months of age. When there is a provider and an assistant, the maximum group size is twelve children with no more than four of the twelve children under 24 months of age.

(3) One family child care provider may care for up to four children younger than 36 months of age with a maximum group size of four children, and no more than two of the four children may be under 18 months of age.

(4) A program must maintain appropriate ratios during all hours of program operation. A program must ensure providers have systems to ensure the safety of any child not within view for any period. A program must make substitute staff and assistant providers
available with the necessary training and experience to ensure quality services to children are not interrupted.

(c) Service duration. Whether family child care option services are provided directly or via contractual arrangement, a program must ensure family child care providers operate sufficient hours to meet the child care needs of families and not less than 1,380 hours per year.

(d) Licensing requirements. A family child care provider must be licensed by the state, tribal, or local entity to provide services in their home or family-like setting. When state, tribal, or local requirements vary from Head Start requirements, the most stringent provision applies.

(e) Child development specialist. A program that offers the family child care option must provide a child development specialist to support family child care providers and ensure the provision of quality services at each family child care home. Child development specialists must:

1. Conduct regular visits to each home, some of which are unannounced, not less than once every two weeks;
2. Periodically verify compliance with either contract requirements or agency policy;
3. Facilitate ongoing communication between program staff, family child care providers, and enrolled families; and,
4. Provide recommendations for technical assistance and support the family child care provider in developing relationships with other child care professionals.

§ 1302.24 Locally-designed program option variations.

(a) Waiver option. Programs may request to operate a locally-designed program option, including a combination of program options, to better meet the unique needs of their communities or to demonstrate or test alternative approaches for providing program services. In order to operate a locally-designed program option, programs must seek a waiver as described in this section and must deliver the full range of services, consistent with §1302.20(b), and demonstrate how any change to their program design is consistent with achieving program goals in subpart J of this part.

(b) Request for approval. A program’s request to operate a locally-designed variation may be approved by the responsible HHS official through the end of a program’s current grant or, if the request is submitted through a grant application for an upcoming project period, for the project period of the new award. Such approval may be revoked based on progress toward program goals as described in §1302.102 and monitoring as described in §1304.2.

(c) Waiver requirements. (1) The responsible HHS official may waive one or more of the requirements contained in §1302.21(b), (c)(1)(i), and (c)(2)(ii) and (iv); §1302.23(a) through (c); and §1302.23(b) and (c), but may not waive ratios or group size for children under 24 months. Center-based locally-designed options must meet the minimums described in section 640(k)(1) of the Act for center-based programs.

(2) If the responsible HHS official determines a waiver of group size for center-based services would better meet the needs of children and families in a community, the group size may not exceed the limits below:

(i) A group that serves children 24 to 36 months of age must have no more than ten children; and,
(ii) A group that serves predominantly three-year-old children must have no more than twenty children; and,
(iii) A group that serves predominantly four-year-old children must have no more than twenty-four children.

(3) If the responsible HHS official approves a waiver to allow a program to operate below the minimums described in §1302.21(c)(2)(i) or (iv), a program must meet the requirements described in §1302.21(c)(2)(ii), or in the case of a double session variation, a program must meet the requirements described in §1302.21(c)(2)(i).

(4) In order to receive a waiver under this section, a program must provide supporting evidence that demonstrates the locally-designed variation effectively supports appropriate development and progress in children’s early learning outcomes.

(5) In order to receive a waiver of service duration, a program must meet the requirement in paragraph (c)(4) of this section, provide supporting evidence that it better meets the needs of parents than the applicable service duration minimums described in §1302.21(c)(1) and (c)(2)(ii) and (iv), §1302.22(c), or §1302.23(c), and assess the effectiveness of the variation in supporting appropriate development and progress in children’s early learning outcomes.

(d) Transition from previously approved program options. If, before November 7, 2016, a program was approved to operate a program option that is no longer allowable under §§1302.21 through 1302.23, a program may continue to operate that model until July 31, 2018.

Subpart C—Education and Child Development Program Services

§ 1302.30 Purpose.

All programs must provide high-quality early education and child development services, including for children with disabilities, that promote children’s cognitive, social, and emotional growth for later success in school. A center-based or family child care program must embed responsive and effective teacher-child interactions. A home-based program must promote secure parent-
child relationships and help parents provide high-quality early learning experiences. All programs must implement a research-based curriculum, and screening and assessment procedures that support individualization and growth in the areas of development described in the Head Start Early Learning Outcomes Framework: Ages Birth to Five and support family engagement in children’s learning and development. A program must deliver developmentally, culturally, and linguistically appropriate learning experiences in language, literacy, mathematics, social and emotional functioning, approaches to learning, science, physical skills, and creative arts. To deliver such high-quality early education and child development services, a center-based or family child care program must implement, at a minimum, the elements contained in §§1302.31 through 1302.34, and a home-based program must implement, at a minimum, the elements in §§1302.33 and 1302.35.

§1302.31 Teaching and the learning environment.

(a) Teaching and the learning environment. A center-based and family child care program must ensure teachers and other relevant staff provide responsive care, effective teaching, and an organized learning environment that promotes healthy development and children’s skill growth aligned with the Head Start Early Learning Outcomes Framework: Ages Birth to Five, including for children with disabilities. A program must also support implementation of such environment with integration of regular and ongoing supervision and a system of individualized and ongoing professional development, as appropriate. This includes, at a minimum, the practices described in paragraphs (b) through (e) of this section.

(b) Effective teaching practices. (1) Teaching practices must:

(i) Emphasize nurturing and responsive practices, interactions, and environments that foster trust and emotional security; are communication and language rich; promote critical thinking and problem-solving; social, emotional, behavioral, and language development; provide supportive feedback for learning; motivate continued effort; and support all children’s engagement in learning experiences and activities;

(ii) Focus on promoting growth in the developmental progressions described in the Head Start Early Learning Outcomes Framework: Ages Birth to Five by aligning with and using the Framework and the curriculum as described in §1302.32 to direct planning of organized activities, schedules, lesson plans, and the implementation of high-quality early learning experiences that are responsive to and build upon each child’s individual pattern of development and learning;

(iii) Integrate child assessment data in individual and group planning; and,

(iv) Include developmentally appropriate learning experiences in language, literacy, social and emotional development, math, science, social studies, creative arts, and physical development that are focused toward achieving progress outlined in the Head Start Early Learning Outcomes Framework: Ages Birth to Five.

(2) For dual language learners, a program must recognize bilingualism and biliteracy as strengths and implement research-based teaching practices that support their development. These practices must:

(i) For an infant or toddler dual language learner, include teaching practices that focus on the development of the home language, when there is a teacher with appropriate language competency, and experiences that expose the child to English;

(ii) For a preschool age dual language learner, include teaching practices that focus on both English language acquisition and the continued development of the home language; or,

(iii) If staff do not speak the home language of all children in the learning environment, include steps to support the development of the home language for dual language learners such as having culturally and linguistically appropriate materials available and other evidence-based strategies. Programs must work to identify volunteers who speak children’s home languages who could be trained to work in the classroom to support children’s continued development of the home language.

(c) Learning environment. A program must ensure teachers implement well-organized learning environments with developmentally appropriate schedules, lesson plans, and indoor and outdoor learning experiences that provide adequate opportunities for choice, play, exploration, and experimentation among a variety of learning, sensory, and motor experiences and:

(1) For infants and toddlers, promote relational learning and include individualized and small group activities that integrate appropriate daily routines into a flexible schedule of learning experiences; and,

(2) For preschool age children, include teacher-directed and child-initiated activities, active and quiet learning activities, and opportunities for individual, small group, and large group learning activities.

(d) Materials and space for learning. To support implementation of the curriculum and the requirements described in paragraphs (a), (b), (c), and (e) of this section a program must provide age-appropriate equipment, materials, supplies and physical space for indoor and outdoor learning environments, including functional space. The equipment, materials and supplies must include any necessary accommodations and the space must
be accessible to children with disabilities. Programs must change materials intentionally and periodically to support children's interests, development, and learning.

A program must implement an intentional, age-appropriate approach to accommodate children who do not need or want to rest or nap. A program must provide alternative quiet learning activities for children who do not need or want to rest or nap.

(2) A program must implement snack and meal times in ways that support development and learning. For bottle-fed infants, this approach must include holding infants during feeding to support socialization. Snack and meal times must be structured and used as learning opportunities that support teaching staff-child interactions and foster communication and conversations that contribute to a child’s learning, development, and socialization. Programs are encouraged to meet this requirement with family-style meals when developmentally appropriate. A program must also provide sufficient time for children to eat, not use food as reward or punishment, and not force children to finish their food.

(3) A program must approach routines, such as hand washing and diapering, and transitions between activities, as opportunities for strengthening development, learning, and skill growth.

(4) A program must recognize physical activity as important to learning and integrate intentional movement and physical activity into curricular activities and daily routines in ways that support health and learning. A program must not use physical activity as reward or punishment.

§1302.32 Curricula.

(a) Curricula. (1) Center-based and family child care programs must implement developmentally appropriate research-based early childhood curricula, including additional curricular enhancements, as appropriate that:

(i) Are based on scientifically valid research and have standardized training procedures and curriculum materials to support implementation;

(ii) Are aligned with the Head Start Early Learning Outcomes Framework: Ages Birth to Five and, as appropriate, state early learning and development standards; and are sufficiently content-rich to promote measurable progress toward development and learning outlined in the Framework; and,

(iii) Have an organized developmental scope and sequence that include plans and materials for learning experiences based on developmental progressions and how children learn.

(2) A program must support staff to effectively implement curricula and at a minimum monitor curriculum implementation and fidelity, and provide support, feedback, and supervision for continuous improvement of its implementation through the system of training and professional development.

(b) Adaptation. A program that chooses to make significant adaptations to a curriculum or a curriculum enhancement described in paragraph (a)(1) of this section to better meet the needs of one or more specific populations must use an external early childhood education curriculum or content area expert to develop such significant adaptations. A program must assess whether the adaptation adequately facilitates progress toward meeting school readiness goals, consistent with the process described in §1302.102(b) and (c). Programs are encouraged to partner with outside evaluators in assessing such adaptations.

§1302.33 Child screenings and assessments.

(a) Screening. (1) In collaboration with each child’s parent and with parental consent, a program must complete or obtain a current developmental screening to identify concerns regarding a child’s developmental, behavioral, motor, language, social, cognitive, and emotional skills within 45 calendar days of when the child first attends the program or, for the home-based program option, receives a home visit. A program that operates for 90 days or less must complete or obtain a current developmental screening within 30 calendar days of when the child first attends the program.

(2) A program must use one or more research-based developmental standardized screening tools to complete the screening. A program must use as part of the screening additional information from family members, teachers, and relevant staff familiar with the child’s typical behavior.

(3) If warranted through screening and additional relevant information and with direct guidance from a mental health or child development professional a program must, with the parent’s consent, promptly and appropriately address any needs identified through:

(i) Referral to the local agency responsible for implementing IDEA for a formal evaluation to assess the child’s eligibility for services under IDEA as soon as possible, and not to exceed timelines required under IDEA; and,

(ii) Partnership with the child’s parents and the relevant local agency to support families through the formal evaluation process.
(4) If a child is determined to be eligible for services under IDEA, the program must partner with parents and the local agency responsible for implementing IDEA, as appropriate, and deliver the services in subpart F of this part.

(b) If, after the formal evaluation described in paragraph (a)(3)(i) of this section, the local agency responsible for implementing IDEA determines the child is not eligible for early intervention or special education and related services under IDEA, the program must:

(i) Seek guidance from a mental health or child development professional to determine if the formal evaluation shows the child has a significant delay in one or more areas of development that is likely to interfere with the child’s development and school readiness; and,

(ii) If the child has a significant delay, partner with parents to help the family access services and supports to help address the child’s identified needs.

(A) Such additional services and supports may be available through a child’s health insurance or it may be appropriate for the program to provide needed services and supports under section 504 of the Rehabilitation Act if the child satisfies the definition of disability in 29 U.S.C. 705(9)(b) of the Rehabilitation Act, to ensure that the child who satisfies the definition of disability in 29 U.S.C. 705(9)(b) of the Rehabilitation Act is not excluded from the program on the basis of disability.

(B) A program may use program funds for such services and supports when no other sources of funding are available.

(b) Assessment for individualization. (1) A program must conduct standardized and structured assessments, which may be observation-based or direct, for each child that provide ongoing information to evaluate the child’s developmental level and progress in outcomes aligned to the goals described in the Head Start Early Learning Child Outcomes Framework: Ages Birth to Five. Such assessments must result in usable information for teachers, home visitors, and parents and be conducted with sufficient frequency to allow for individualization within the program.

(2) A program must regularly use information from paragraph (b)(1) of this section along with informal teacher observations and additional information from family and staff, as relevant, to determine a child’s strengths and needs, inform and adjust strategies to better support individualized learning and improve teaching practices in center-based and family child care settings, and improve home visit strategies in home-based models.

(3) If warranted from the information gathered from paragraphs (b)(1) and (2) of this section and with direct guidance from a mental health or child development professional and a parent’s consent, a program must refer the child to the local agency responsible for implementing IDEA for a formal evaluation to assess a child’s eligibility for services under IDEA.

(c) Characteristics of screenings and assessments. (1) Screenings and assessments must be valid and reliable for the population and purpose for which they will be used, including by being conducted by qualified and trained personnel, and being age, developmentally, culturally and linguistically appropriate, and appropriate for children with disabilities, as needed.

(2) If a program serves a child who speaks a language other than English, a program must use qualified bilingual staff, contractor, or consultant to:

(i) Assess language skills in English and in the child’s home language, to assess both the child’s progress in the home language and in English language acquisition;

(ii) Conduct screenings and assessments for domains other than language skills in the language or languages that best capture the child’s development and skills in the specific domain; and,

(iii) Ensure those conducting the screening or assessment know and understand the child’s language and culture and have sufficient skill level in the child’s home language to accurately administer the screening or assessment and to record and understand the child’s responses, interactions, and communications.

(3) If a program serves a child who speaks a language other than English and qualified bilingual staff, contractors, or consultants are not able to conduct screenings and assessments, a program must use an interpreter in conjunction with a qualified staff person to conduct screenings and assessments as described in paragraphs (c)(2)(i) through (iii) of this section.

(4) If a program serves a child who speaks a language other than English and can demonstrate that there is not a qualified bilingual staff person or interpreter, then screenings and assessments may be conducted in English. In such a case, a program must also gather and use other information, including structured observations over time and information gathered in a child’s home language from the family, for use in evaluating the child’s development and progress.

(d) Prohibitions on use of screening and assessment data. The use of screening and assessment items and data on any screening or assessment authorized under this subchapter by any agent of the federal government is prohibited for the purposes of ranking, comparing, or otherwise evaluating individual children for purposes other than research, training, or technical assistance, and is prohibited for the purposes of providing rewards or sanctions for individual children or staff.
A program must not use screening or assessments to exclude children from enrollment or participation.

§1302.34 Parent and family engagement in education and child development services.

(a) Purpose. Center-based and family child care programs must structure education and child development services to recognize parents’ roles as children’s lifelong educators, and to encourage parents to engage in their child’s education.

(b) Engaging parents and family members. A program must offer opportunities for parents and family members to be involved in the program’s education services and implement policies to ensure:

1. The program’s settings are open to parents during all program hours;
2. Teachers regularly communicate with parents to ensure they are well-informed about their child’s routines, activities, and behavior;
3. Teachers hold parent conferences, as needed, but no less than two times per program year, to enhance the knowledge and understanding of both staff and parents of the child’s education and developmental progress and activities in the program;
4. Parents have the opportunity to learn about and to provide feedback on selected curricula and instructional materials used in the program;
5. Parents and family members have opportunities to volunteer in the class and during group activities;
6. Teachers inform parents, about the purposes of and the results from screenings and assessments and discuss their child’s progress;
7. Teachers, except those described in paragraph (b)(8) of this section, conduct at least two home visits per program year for each family, including one before the program year begins, if feasible, to engage the parents in the child’s learning and development, except that such visits may take place at a program site or another safe location that affords privacy at the parent’s request, or if a visit to the home presents significant safety hazards for staff; and,
8. Teachers that serve migrant or seasonal families make every effort to conduct home visits to engage the family in the child’s learning and development.

§1302.35 Education in home-based programs.

(a) Purpose. A home-based program must provide home visits and group socialization activities that promote secure parent-child relationships and help parents provide high-quality early learning experiences in language, literacy, mathematics, social and emotional functioning, approaches to learning, science, physical skills, and creative arts. A program must implement a research-based curriculum that delivers developmentally, linguistically, and culturally appropriate home visits and group socialization activities that support children’s cognitive, social, and emotional growth for later success in school.

(b) Home-based program design. A home-based program must ensure all home visits are:

1. Planned jointly by the home visitor and parents, and reflect the critical role of parents in the early learning and development of their children, including that the home visitor is able to effectively communicate with the parent, directly or through an interpreter;
2. Planned using information from ongoing assessments that individualize learning experiences;
3. Scheduled with sufficient time to serve all enrolled children in the home and conducted with parents and are not conducted when only babysitters or other temporary caregivers are present;
4. Scheduled with sufficient time and appropriate staff to ensure effective delivery of services described in subparts D, E, F, and G of this part through home visiting, to the extent possible.

(c) Home visit experiences. A program that operates the home-based option must ensure all home visits focus on promoting high-quality early learning experiences in the home and growth towards the goals described in the Head Start Early Learning Outcomes Framework: Ages Birth to Five and must use such goals and the curriculum to plan home visit activities that implement:

1. Age and developmentally appropriate, structured child-focused learning experiences;
2. Strategies and activities that promote parents’ ability to support the child’s cognitive, social, emotional, language, literacy, and physical development;
3. Strategies and activities that promote the home as a learning environment that is safe, nurturing, responsive, and language and communication rich;
4. Research-based strategies and activities for children who are dual language learners that recognize bilingualism and biliteracy as strengths, and:
   i. For infants and toddlers, focus on the development of the home language, while providing experiences that expose both parents and children to English; and,
   ii. For preschoolers, focus on both English language acquisition and the continued development of the home language; and,
5. Follow-up with the families to discuss learning experiences provided in the home between each visit, address concerns, and inform strategies to promote progress toward school readiness goals.
(d) Home-based curriculum. A program that operates the home-based option must:

(1) Ensure home-visiting and group socializations implement a developmentally appropriate, research- and early childhood home-based curriculum that:

(1) Promotes the parent’s role as the child’s teacher through experiences focused on the parent-child relationship and, as appropriate, the family’s traditions, culture, values, and beliefs;

(ii) Aligns with the Head Start Early Learning Outcomes Framework: Ages Birth to Five and, as appropriate, state early learning standards, and, is sufficiently content-rich within the Framework to promote measurable progress toward goals outlined in the Framework; and,

(iii) Has an organized developmental scope and sequence that includes plans and materials for learning experiences based on developmental progressions and how children learn.

(2) Support staff in the effective implementation of the curriculum and at a minimum monitor curriculum implementation and fidelity, and provide support, feedback, and supervision for continuous improvement of its implementation through the system of training and professional development.

(b) A program must establish and maintain a Health Services Advisory Committee that includes Head Start parents, professionals, and other volunteers from the community.

45 CFR Ch. XIII (10–1–16 Edition)

§ 1302.36 Tribal language preservation and revitalization.

A program that serves American Indian and Alaska Native children may integrate efforts to preserve, revitalize, restore, or maintain the tribal language for these children into program services. Such language preservation and revitalization efforts may include full immersion in the tribal language for the majority of the hours of planned class operations. If children’s home language is English, exposure to English as described in § 1302.31(b)(2)(i) and (ii) is not required.

Subpart D—Health Program Services

§ 1302.40 Purpose.

(a) A program must provide high-quality health, oral health, mental health, and nutrition services that are developmentally, culturally, and linguistically appropriate and that will support each child’s growth and school readiness.

(b) A program must establish and maintain a Health Services Advisory Committee that includes Head Start parents, professionals, and other volunteers from the community.

§ 1302.41 Collaboration and communication with parents.

(a) For all activities described in this part, programs must collaborate with parents as partners in the health and well-being of their children in a linguistically and culturally appropriate manner and communicate with parents about their child’s health needs and development concerns in a timely and effective manner.

(b) At a minimum, a program must:

(1) Obtain advance authorization from the parent or other person with legal authority for all health and developmental procedures administered through the program or by contract or agreement, and, maintain written documentation if they refuse to give authorization for health services; and,

(2) Share with parents the policies for health emergencies that require rapid response on the part of staff or immediate medical attention.
§ 1302.42 Child health status and care.

(a) Source of health care. (1) A program, within 30 calendar days after the child first attends the program or, for the home-based program option, receives a home visit, must consult with parents to determine whether each child has ongoing sources of continuous, accessible health care—provided by a health care professional that maintains the child’s ongoing health record and is not primarily a source of emergency or urgent care—and health insurance coverage.

(2) If the child does not have such a source of ongoing care and health insurance coverage or access to care through the Indian Health Service, the program must assist families in accessing a source of care and health insurance that will meet these criteria, as quickly as possible.

(b) Ensuring up-to-date child health status. (1) Within 90 calendar days after the child first attends the program or, for the home-based program option, receives a home visit, with the exceptions noted in paragraph (b)(3) of this section, a program must:

(i) Obtain determinations from health care and oral health care professionals as to whether or not the child is up-to-date on a schedule of age appropriate preventive and primary medical and oral health care, based on: The well-child visits and dental periodicity schedules as prescribed by the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) program of the Medicaid agency of the state in which they operate, immunization recommendations issued by the Centers for Disease Control and Prevention, and any additional recommendations from the local Health Services Advisory Committee that are based on prevalent community health problems;

(ii) Assist parents with making arrangements to bring the child up-to-date as quickly as possible; and, if necessary, directly facilitate provision of health services to bring the child up-to-date with parent consent as described in §1302.44;(b)(1).

(2) Within 45 calendar days after the child first attends the program or, for the home-based program option, receives a home visit, a program must either obtain or perform evidence-based vision and hearing screenings.

(3) If a program operates for 90 days or less, it has 30 days from the date the child first attends the program to satisfy paragraphs (b)(1) and (2) of this section.

(c) Ongoing care. (1) A program must help parents continue to follow recommended schedules of well-child and oral health care.

(2) A program must implement periodic observations or other appropriate staff and parents to identify any new or recurring developmental, medical, oral, or mental health concerns.

(3) A program must facilitate and monitor necessary oral health preventive care, treatment and follow-up, including topical fluoride treatments. In communities where there is a lack of adequate fluoride available through the water supply and for every child with moderate to severe tooth decay, a program must also facilitate fluoride supplements, and other necessary preventive measures, and further oral health treatment as recommended by the oral health professional.

(d) Extended follow-up care. (1) A program must facilitate further diagnostic testing, evaluation, treatment, and follow-up plan, as appropriate, by a licensed or certified professional for each child with a health problem or developmental delay, such as elevated lead levels or abnormal hearing or vision results that may affect child’s development, learning, or behavior.

(2) A program must develop a system to track referrals and services provided and monitor the implementation of a follow-up plan to meet any treatment needs associated with a health, oral health, social and emotional, or developmental problem.

(3) A program must assist parents, as needed, in obtaining any prescribed medications, aids or equipment for medical and oral health conditions.

(e) Use of funds. (1) A program must use program funds for the provision of diapers and formula for enrolled children during the program day.

(2) A program may use program funds for professional medical and oral health services when no other source of funding is available. When program funds are used for such services, grantees and delegate agencies must have written documentation of their efforts to access other available sources of funding.

§ 1302.43 Oral health practices.

A program must promote effective oral health hygiene by ensuring all children with teeth are assisted by appropriate staff, or volunteers, if available, in brushing their teeth with toothpaste containing fluoride once daily.

§ 1302.44 Child nutrition.

(a) Nutrition service requirements. (1) A program must design and implement nutrition services that are culturally and developmentally appropriate, meet the nutritional needs of and accommodate the feeding requirements of each child, including children with special dietary needs and children with
disabilities. Family style meals are encouraged as described in §1302.31(e)(2).
(2) Specifically, a program must:
(i) Ensure each child in a program that operates for fewer than six hours per day receives meals and snacks that provide one third to one half of the child’s daily nutritional needs;
(ii) Ensure each child in a program that operates for six hours or more per day receives meals and snacks that provide one half to two thirds of the child’s daily nutritional needs, depending upon the length of the program day;
(iii) Serve three- to five-year-olds meals and snacks that conform to USDA requirements in 7 CFR parts 210, 220, and 226, and are high in nutrients and low in fat, sugar, and salt;

(vi) Serve all children in morning center-based settings who have not received breakfast upon arrival at the program a nourishing breakfast;
(vii) Provide appropriate healthy snacks and meals to each child during group socialization activities in the home-based option;
(viii) Promote breastfeeding, including providing facilities to properly store and handle breast milk and make accommodations, as necessary, for mothers who wish to breastfeed during program hours, and if necessary, provide referrals to lactation consultants or counselors; and,
(ix) Make safe drinking water available to children during the program day.
(b) Payment sources. A program must use funds from USDA Food, Nutrition, and Consumer Services child nutrition programs as the primary source of payment for meal services. Early Head Start and Head Start funds may be used to cover those allowable costs not covered by the USDA.

§1302.45 Child mental health and social and emotional well-being.
(a) Wellness promotion. To support a program-wide culture that promotes children’s mental health, social and emotional well-being, and overall health, a program must:
(1) Provide supports for effective classroom management and positive learning environments; supportive teacher practices; and, strategies for supporting children with challenging behaviors and other social, emotional, and mental health concerns;
(2) Secure mental health consultation services on a schedule of sufficient and consistent frequency to ensure a mental health consultant is available to partner with staff and families in a timely and effective manner;
(3) Obtain parental consent for mental health consultation services at enrollment; and,
(4) Build community partnerships to facilitate access to additional mental health resources and services, as needed.
(b) Mental health consultants. A program must ensure mental health consultants assist:
(1) The program to implement strategies to identify and support children with mental health and social and emotional concerns;
(2) Teachers, including family child care providers, to improve classroom management and teacher practices through strategies that include using classroom observations and consultations to address teacher and individual child needs and creating physical and cultural environments that promote positive mental health and social and emotional functioning;
(3) Other staff, including home visitors, to meet children’s mental health and social and emotional needs through strategies that include observation and consultation;
(4) Staff to address prevalent child mental health concerns, including internalizing problems such as appearing withdrawn and externalizing problems such as challenging behaviors; and,

(c) In the implementation of the policies to limit suspension and prohibit expulsion as described in §1302.17.

§1302.46 Family support services for health, nutrition, and mental health.
(a) Parent collaboration. Programs must collaborate with parents to promote children’s health and well-being by providing medical, oral, nutrition and mental health education support services that are understandable to individuals, including individuals with low health literacy.
(b) Opportunities. (1) Such collaboration must include opportunities for parents to:
(i) Learn about preventive medical and oral health care, emergency first aid, environmental hazards, and health and safety practices for the home including health and developmental consequences of tobacco products use and exposure to lead, and safe sleep;
(ii) Discuss their child’s nutritional status with staff, including the importance of physical activity, healthy eating, and the negative health consequences of sugar-sweetened beverages, and how to select and prepare nutritious foods that meet the family’s nutrition and food budget needs;
(iii) Learn about healthy pregnancy and postpartum care, as appropriate, including breastfeeding support and treatment options.
(iv) Discuss with staff and identify issues related to child mental health and social and emotional well-being, including observations and any concerns about their child’s mental health, typical and atypical behavior and development, and how to appropriately respond to their child and promote their child’s social and emotional development; and,

§1302.47 Safety practices.

(a) A program must establish, train staff on, implement, and enforce a system of health and safety practices that ensure children are kept safe at all times. A program should consult Caring for our Children Basics, available at http://www.acf.hhs.gov/sites/default/files/caring_for_our_children_basics.pdf, for additional information to develop and implement adequate safety policies and practices described in this part.

(b) A program must develop and implement a system of management, including ongoing training, oversight, correction and continuous improvement in accordance with §1302.102, that includes policies and practices to ensure all facilities, equipment and materials, background checks, safety training, safety and hygiene practices and administrative safety procedures are adequate to ensure child safety. This system must ensure:

(1) Facilities. All facilities where children are served, including areas for learning, playing, sleeping, toileting, and eating are, at a minimum:

(i) Meet licensing requirements in accordance with §§1302.21(d)(1) and 1302.23(d);
(ii) Clean and free from pests;

(ii) Be accessible only to children for whom they are age appropriate;
(iii) Be designed to ensure appropriate supervision of children at all times;
(iv) Allow for the separation of infants and toddlers from preschoolers during play in center-based programs; and,
(v) Be kept safe through an ongoing system of preventative maintenance.

(3) Background checks. All staff have complete background checks in accordance with §1302.90(b).

(4) Safety training—(i) Staff with regular child contact. (ii) Ensure child-level assessment data is aggregated and analyzed at least three times a year, including for sub-groups, such as dual language learners and children with disabilities, as appropriate, except in programs operating fewer than 90 days, and used with other program data described in paragraph (c)(2)(iv) of this section to direct continuous improvement related to curriculum choice and implementation, teaching practices, professional development, program design and other program decisions, including changing or targeting scope of services; and,

(iii) For programs operating fewer than 90 days, ensures child assessment data is aggregated and analyzed at least twice during the program operating period, including for subgroups, such as dual language learners and children with disabilities, as appropriate, and used with other program data described in paragraph (c)(2)(iv) of this section to direct continuous improvement related to curriculum choice and implementation, teaching practices, professional development, program design and other program decisions, including changing or targeting scope of services;

(iv) Use information from ongoing monitoring and the annual self-assessment, and program data on teaching practice, staffing and professional development, child-level assessments, family needs assessments, and comprehensive services, to identify program needs, and develop and implement plans for program improvement; and,

(v) Use program improvement plans as needed to either strengthen or adjust content and strategies for professional development, change program scope and services, refine school readiness and other program goals, and adapt strategies to better address the needs of sub-groups.

(d) Reporting. (1) A program must submit:

(3) If a program has had a deficiency identified, it must submit, to the responsible HHS official, a quality improvement plan as required in section 641A(e)(2) of the Act.

§1302.103 Implementation of program performance standards.

(a) A current program as of November 7, 2016, must implement a program-wide approach for the effective and timely implementation of the changes to the program performance standards, including the purchase of materials and allocation of staff time, as appropriate.

(b) A program's approach to implement the changes included in parts 1301 through 1304 of this chapter must ensure adequate preparation for effective and timely service delivery to children and their families including, at a minimum, review of community assessment data to determine the most appropriate strategy for implementing required program changes, including assessing any changes in the number of children who can be served, as necessary, the purchase of and training on any curriculum, assessment, or other materials, as needed, assessment of program-wide professional development needs, assessment of staffing patterns, the development of coordinated approaches described in §1302.101(b), and the development of appropriate protections for data sharing; and children enrolled in the program on November 7, 2016 are not displaced during a program year and that children leaving Early Head Start or Head Start at the end of the program year following November 7, 2016 as a result of any slot reductions received services described in §§1302.70 and 1302.72 to facilitate successful transitions to other programs.

AUTHORITY: 42 U.S.C. 9801 et seq.

§1303.1 Overview.

Section 641A of the Act requires that the Secretary modify as necessary program performance standards including administrative and financial management standards (section 641A(a)(1)(C)). This part specifies the financial and administrative requirements of agencies. Subpart A of this part outlines the financial requirements consistent with sections 640(b) and 644(b) and (c) of the Act. Subpart B of this part specifies the administrative requirements consistent with sections 644(a)(1), 644(c), 653, 654, 655, 656, and 657A of
the Act. Subpart C of this part implements the statutory provision at section 641A(b)(4) of the Act that directs the Secretary to ensure the confidentiality of any personally identifiable data, information, and records collected or maintained. Subpart D of this part prescribes regulations for the operation of delegate agencies consistent with Section 644(c), (f) and (g) related to facilities. Subpart F prescribes regulations on transportation consistent with section 640(i) of the Act.

§ 1303.4 Federal financial assistance, non-federal match, and waiver requirements.

In accordance with section 640(b) of the Act, federal financial assistance to a grantee will not exceed 80 percent of the approved total program costs. A grantee must contribute 20 percent as non-federal match each budget period. The responsible HHS official may approve a waiver of all or a portion of the non-federal match requirement on the basis of the grantee’s written application submitted for the budget period and any supporting evidence the responsible HHS official requires. In deciding whether to grant a waiver, the responsible HHS official will consider the circumstances specified at section 640(b) of the Act and whether the grantee has made a reasonable effort to comply with the non-federal match requirement.

§ 1303.5 Limitations on development and administrative costs.

(a) Limitations. (1) Costs to develop and administer a program cannot be excessive or exceed 15 percent of the total approved program costs. Allowable costs to develop and administer a Head Start program cannot exceed 15 percent of the total approved program costs, which includes both federal costs and non-federal match, unless the responsible HHS official grants a waiver under paragraph (b) of this section that approves a higher percentage in order to carry out the purposes of the Act.

(2) To assess total program costs and determine whether a grantee meets this requirement, the grantee must:

(i) Determine the costs to develop and administer its program, including the local costs of necessary resources;

(ii) Categorize total costs as development and administrative or program costs;

(iii) Identify and allocate the portion of indirect costs that are for development and administration;

(iv) Identify and allocate the portion of indirect costs that are for development and administration versus program costs; and,

(v) Delineate all development and administrative costs in the grant application and calculate the percentage of total approved costs allocated to development and administration.

(b) Waivers. (1) The responsible HHS official may grant a waiver for each budget period if a delay or disruption to program services is caused by circumstances beyond the agency’s control, or if an agency is unable to administer the program within the 15 percent limitation and if the agency can demonstrate efforts to reduce its development and administrative costs.

(2) If at any time within the grant funding cycle, a grantee estimates development and administration costs will exceed 15 percent of total approved costs, it must submit a waiver request to the responsible HHS official that explains why costs exceed the limit, that indicates the time period the waiver will cover, and that describes what the grantee will do to reduce its development and administrative costs to comply with the 15 percent limit after the waiver period.
Subpart B—Administrative Requirements

§ 1303.10 Purpose.
A grantee must observe standards of organization, management, and administration that will ensure, so far as reasonably possible, that all program activities are conducted in a manner consistent with the purposes of the Act and the objective of providing assistance effectively, efficiently, and free of any taint of partisan political bias or personal or family favoritism.

§ 1303.11 Limitations and prohibitions.
An agency must adhere to sections 644(e), 644(g)(3), 653, 654, 655, 656, and 657A of the Act. These sections pertain to union organizing, the Davis-Bacon Act, limitations on compensation, nondiscrimination, unlawful activities, political activities, and obtaining parental consent.

§ 1303.12 Insurance and bonding.
An agency must have an ongoing process to identify risks and have cost-effective insurance for those identified risks; a grantee must require the same for its delegates. The agency must specifically consider the risk of accidental injury to children while participating in the program. The grantee must submit proof of appropriate coverage in its initial application for funding. The process of identifying risks must also consider the risk of losses resulting from fraudulent acts by individuals authorized to disburse Head Start funds. Consistent with 45 CFR part 75, if the agency lacks sufficient coverage to protect the federal government’s interest, the agency must maintain adequate fidelity bond coverage.

Subpart C—Protections for the Privacy of Child Records

§ 1303.20 Establishing procedures.
A program must establish procedures to protect the confidentiality of any personally identifiable information (PII) in child records.

§ 1303.21 Program procedures—applicable confidentiality provisions.
(a) If a program is an educational agency or institution that receives funds under a program administered by the Department of Education and therefore is subject to the confidentiality provisions under the Family Educational Rights and Privacy Act (FERPA), then it must comply with those confidentiality provisions of FERPA instead of the provisions in this subpart.
(b) If a program serves a child who is referred to, or found eligible for services under, IDEA, then a program must comply with the applicable confidentiality provisions in Part B or Part C of IDEA to protect the PII in records of those children, and, therefore, the provisions in this subpart do not apply to those children.

§ 1303.22 Disclosures with, and without, parental consent.
(a) Disclosure with parental consent. (1) Subject to the exceptions in paragraphs (b) and (c) of this section, the procedures to protect PII must require the program to obtain a parent’s written consent before the program may disclose such PII from child records.
(2) The procedures to protect PII must require the program to ensure the parent’s written consent specifies what child records may be disclosed, explains why the records will be disclosed, and identifies the party or class of parties to whom the records may be disclosed. The written consent must be signed and dated.
(3) “Signed and dated written consent” under this part may include a record and signature in electronic form that:
(i) Identifies and authenticates a particular person as the source of the electronic consent; and,
(ii) Indicates such person’s approval of the information.
(4) The program must explain to the parent that the granting of consent is voluntary on the part of the parent and may be revoked at any time. If a parent revokes consent, that revocation is not retroactive and therefore it does not apply to an action that occurred before the consent was revoked.
(b) Disclosure without parental consent but with parental notice and opportunity to refuse. The procedures to protect PII must allow the program to disclose such PII from child records without parental consent if the program notifies the parent about the disclosure, provides the parent, upon the parent’s request, a copy of the PII from child records to be disclosed in advance, and gives the parent an opportunity to challenge and refuse disclosure of the information in the records, before the program forwards the records to officials at a program, school, or school district in which the child seeks or intends to enroll or where the child is already enrolled so long as the disclosure is related to the child’s enrollment or transfer.
(c) Disclosure without parental consent. The procedures to protect PII must allow the program to disclose such PII from child records without parental consent to:
(1) Officials within the program or acting for the program, such as contractors and subrecipients, if the official provides services for which the program would otherwise use employees, the program determines it is necessary for Head Start services, and the program maintains oversight with respect to the use, further disclosure, and maintenance of child records, such as through a written agreement.
(2) Officials within the program, acting for the program, or from a federal or state entity, in connection with an audit or evaluation of education or child development programs, or for enforcement of or compliance with federal legal requirements of the program; provided the program maintains oversight with respect to the use, further disclosure, and maintenance of child records, such as through a written agreement, including the destruction of the PII when no longer needed for the purpose of the disclosure, except when the disclosure is specifically authorized by federal law or by the responsible HHS official;

(3) Officials within the program, acting for the program, or from a federal or state entity, to conduct a study to improve child and family outcomes, including improving the quality of programs, for, or on behalf of, the program, provided the program maintains oversight with respect to the use, further disclosure, and maintenance of child records, such as through a written agreement, including the destruction of the PII when no longer needed for the purpose of the disclosure;

(4) Appropriate parties in order to address a disaster, health or safety emergency during the period of the emergency, or a serious health and safety risk such as a serious food allergy, if the program determines that disclosing the PII from child records is necessary to protect the health or safety of children or other persons;

(5) Comply with a judicial order or lawfully issued subpoena, provided the program makes a reasonable effort to notify the parent about all such subpoenas and court orders in advance of the compliance therewith, unless:

(i) A court has ordered that neither the subpoena, its contents, nor the information provided in response be disclosed;

(ii) The disclosure is in compliance with an ex parte court order obtained by the United States Attorney General (or designee not lower than an Assistant Attorney General) concerning investigations or prosecutions of an offense listed in 18 U.S.C. 2332b(g)(5)(B) or an act of domestic or international terrorism as defined in 18 U.S.C. 2331.

(iii) A parent is a party to a court proceeding directly involving child abuse and neglect (as defined in section 3 of the Child Abuse Prevention and Treatment Act (42 U.S.C. 5101)) or dependency matters, and the order is issued in the context of that proceeding, additional notice to the parent by the program is not required; or,

(iv) A program initiates legal action against a parent or a parent initiates legal action against a program, then a program may disclose to the court, also without a court order or subpoena, the child records relevant for the program to act as plaintiff or defendant.

(6) The Secretary of Agriculture or an authorized representative from the Food and Nutrition Service to conduct program monitoring, evaluations, and performance measurements for the Child and Adult Care Food Program under the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966, if the results will be reported in an aggregate form that does not identify any individual; Provided, that any data collected must be protected in a manner that will not permit the personal identification of students and their parents by other than the authorized representatives of the Secretary of Agriculture and any PII must be destroyed when the data are no longer needed for program monitoring, evaluations, and performance measurements;

(7) A caseworker or other representative from a state, local, or tribal child welfare agency, who has the right to access a case plan for a child who is in foster care placement, when such agency is legally responsible for the child's care and protection, under state or tribal law, if the agency agrees in writing to protect PII, to use information from the child's case plan for specific purposes intended of addressing the child's needs, and to destroy information that is no longer needed for those purposes; and,

(8) Appropriate parties in order to address suspected or known child maltreatment and is consistent with applicable federal, state, local, and tribal laws on reporting child abuse and neglect.

(d) Written agreements. When a program establishes a written agreement with a third party, the procedures to protect such PII must require the program to annually review and, if necessary, update the agreement. If the third party violates the agreement, then the program may:

(1) Provide the third party an opportunity to self-correct; or,

(2) Prohibit the third party from access to records for a set period of time as established by the programs governing body and policy council.

(e) Annual notice. The procedures to protect PII must require the program to annually notify parents of their rights in writing described in this subpart and applicable definitions in part 1305 of this chapter, and include in that notice a description of the types of PII that may be disclosed, to whom the PII may be disclosed, and what may constitute a necessary reason for the disclosure without parental consent as described in paragraph (c) of this section.

(f) Limit on disclosing PII. A program must only disclose the information that is deemed necessary for the purpose of the disclosure.

§ 1303.23 Parental rights.

(a) Inspect record. (1) A parent has the right to inspect child records.
(2) If the parent requests to inspect child records, the program must make the child records available within a reasonable time, but no more than 45 days after receipt of request.

(3) If a program maintains child records that contain information on more than one child, the program must ensure the parent only inspects information that pertains to the parent’s child.

(4) The program shall not destroy a child record with an outstanding request to inspect and review the record under this section.

(b) Amend record. (1) A parent has the right to ask the program to amend information in the child record that the parent believes is inaccurate, misleading, or violates the child’s privacy.

(2) The program must consider the parent’s request and, if the request is denied, render a written decision to the parent within a reasonable time that informs the parent of the right to a hearing.

(c) Hearing. (1) If the parent requests a hearing to challenge information in the child record, the program must schedule a hearing within a reasonable time, notify the parent, in advance, about the hearing, and ensure the person who conducts the hearing does not have a direct interest in its outcome.

(2) The program must ensure the hearing affords the parent a full and fair opportunity to present evidence relevant to the issues.

(3) If the program determines from evidence presented at the hearing that the information in the child records is inaccurate, misleading, or violates the child’s privacy, the program must either amend or remove the information and notify the parent in writing.

(4) If the program determines from evidence presented at the hearing that information in the child records is accurate, does not mislead, or otherwise does not violate the child’s privacy, the program must inform the parent of the right to place a statement in the child records that either comments on the contested information or that states why the parent disagrees with the program’s decision, or both.

(d) Right to copy of record. The program must provide a parent, free of charge, an initial copy of child records disclosed to third parties with parental consent and, upon parent request, an initial copy of child records disclosed to third parties, unless the disclosure was for a court that ordered neither the subpoena, its contents, nor the information furnished in response be disclosed.

(e) Right to inspect written agreements. A parent has the right to review any written agreements with third parties.

§ 1303.24 Maintaining records.

(a) A program must maintain child records in a manner that ensures only parents, and officials within the program or acting on behalf of the program have access, and such records must be destroyed within a reasonable timeframe after such records are no longer needed or required to be maintained.

(b) A program must maintain, with the child records, for as long as the records are maintained, information on all individuals, agencies, or organizations to whom a disclosure of PII from the child records was made (except for program officials and parents) and why the disclosure was made. If a program uses a web-based data system to maintain child records, the program must ensure such child records are adequately protected and maintained according to current industry security standards.

(c) If a parent places a statement in the child record, the program must maintain the statement with the contested part of the child record for as long as the program maintains the record and, disclose the statement whenever it discloses the portion of the child record to which the statement relates.

Subpart D—Delegation of Program Operations

§ 1303.30 Grantee responsibility and accountability.

A grantee is accountable for the services its delegate agencies provide. The grantee supports, oversees and ensures delegate agencies provide high-quality services to children and families and meet all applicable Head Start requirements. The grantee can only terminate a delegate agency if the grantee shows cause why termination is necessary and provides a process for delegate agencies to appeal termination decisions. The grantee retains legal responsibility and authority and bears financial accountability for the program when services are provided by delegate agencies.

§ 1303.31 Determining and establishing delegate agencies.

(a) If a grantee enters into an agreement with another entity to serve children, the grantee must determine whether the agreement meets the definition of “delegate agency” in section 637(3) of the Act.

(b) A grantee must not award a delegate agency federal financial assistance unless there is a written agreement and the responsible HHS official approves the agreement before the grantee delegates program operations.

§ 1303.32 Evaluations and corrective actions for delegate agencies.

A grantee must evaluate and ensure corrective action for delegate agencies according to section 641A(d) of the Act.
§ 1303.33 Termination of delegate agencies.

(a) If a grantee shows cause why termination is appropriate or demonstrates cost effectiveness, the grantee may terminate a delegate agency’s contract.

(b) The grantee’s decision to terminate must not be arbitrary or capricious.

(c) The grantee must establish a process for defunding a delegate agency, including an appeal of a defunding decision and must ensure the process is fair and timely.

(d) The grantee must notify the responsible HHS official about the appeal and its decision.

Subpart E—Facilities

§ 1303.40 Purpose.

This subpart prescribes what a grantee must establish to show it is eligible to purchase, construct and renovate facilities as outlined in section 644(c), (f) and (g) of the Act. It explains how a grantee may apply for funds, details what measures a grantee must take to protect federal interest in facilities purchased, constructed or renovated with grant funds, and concludes with other administrative provisions. This subpart applies to major renovations. It only applies to minor renovations and repairs, when they are included with a purchase application and are part of purchase costs.

§ 1303.41 Approval of previously purchased facilities.

If a grantee purchased a facility after December 31, 1986, and seeks to use grant funds to continue to pay purchase costs for the facility or to refinance current indebtedness and use grant funds to service the resulting debt, the grantee may apply for funds to meet those costs. The grantee must submit an application that conforms to requirements in this part and in the Act to the responsible HHS official. If the responsible HHS official approves the grantee’s application, Head Start funds may be used to pay ongoing purchase costs, which include principal and interest on approved loans.

§ 1303.42 Eligibility to purchase, construct, and renovate facilities.

(a) Preliminary eligibility. (1) Before a grantee can apply for funds to purchase, construct, or renovate a facility under § 1303.44, it must establish that:

(i) The facility will be available to Indian tribes, or rural or other low-income communities;

(ii) The proposed purchase, construction or major renovation is within the grantee’s designated service area; and,

(iii) The lack of suitable facilities in the grantee’s service area will inhibit the operation of the program.

(2) If a program applies to construct a facility, that the construction of such facility is more cost-effective than the purchase of available facilities or renovation.

(b) Proving a lack of suitable facilities. To satisfy paragraph (a)(1)(iii) of this section, the grantee must have a written statement from an independent real estate professional familiar with the commercial real estate market in the grantee’s service area, that includes factors considered and supports how the real estate professional determined there are no other suitable facilities in the area.

§ 1303.43 Use of grant funds to pay fees.

A grantee may submit a written request to the responsible HHS official for reasonable fees and costs necessary to determine preliminary eligibility under § 1303.42 before it submits an application under § 1303.44. If the responsible HHS official approves the grantee’s application, the grantee may use federal funds to pay fees and costs.

§ 1303.44 Applications to purchase, construct, and renovate facilities.

(a) Application requirements. If a grantee is preliminarily eligible under § 1303.42 to apply for funds to purchase, construct, or renovate a facility, it must submit to the responsible HHS official:

(1) A statement that explains the anticipated effect the proposed purchase, construction or renovation has had or will have on program enrollment, activities and services, and how it determined what the anticipated effect would be;

(2) A deed or other document showing legal ownership of the real property where facilities activity is proposed, legal description of the facility site, and an explanation why the location is appropriate for the grantee’s service area;

(3) Plans and specifications for the facility, including square footage, structure type, the number of rooms the facility will have or has, how the rooms will be used, where the structure will be positioned or located on the building site, and whether there is space available for outdoor play and for parking;

(4) Certification by a licensed engineer or architect that the facility is, or will be upon completion, structurally sound and safe for use as a Head Start facility and that the facility complies, or will comply upon completion, with local building codes, applicable child care licensing requirements, the accessibility requirements of the Americans with Disabilities Act, section 504 of the Rehabilitation Act of 1973, the Flood Disaster Protection Act of 1973, and the National Historic Preservation Act of 1966;

(5) A description of proposed renovations or repairs to make the facility suitable for program activities, and plans and specifications that describe the facility after renovation or repair;
(6) A proposed schedule that details when the grantee will acquire, renovate, repair and occupy the facility;

(7) An estimate by a licensed independent certified appraiser of the facility’s fair market value after proposed purchase and associated repairs and renovations construction, or major renovation is completed is required for all facilities activities except for major renovations to leased property;

(8) The cost comparison described in §1303.45;

(9) A statement that shows what share of the purchase, construction, or major renovation will be paid with grant funds and what the grantee proposes to contribute as a non-federal match to the purchase, construction or major renovation;

(10) A statement from a lender, if a grantee applies to use Head Start funds to continue purchase on a facility or refinance existing debt on a facility that indicates the lender is willing to comply with §1303.46;

(11) The terms of any proposed or existing loan(s) related to purchase, construction or major renovation of the facility, including copies of any funding commitment letters, mortgages, promissory notes, potential security agreements to be entered into, information on all other sources of funding, construction or major renovation, and any restrictions or conditions imposed by other funding sources;

(12) A Phase I environmental site assessment that describes the environmental condition of the proposed facility site and any structures on the site;

(13) A description of the efforts by the grantee to coordinate or collaborate with other providers in the community to seek assistance, including financial assistance, prior to the use of funds under this section; and,

(14) Any additional information the responsible HHS official may require.

(b) Additional requirements for leased properties. (1) If a grantee applies to renovate leased property, it must submit to the responsible HHS official information described in paragraph (a) of this section, a copy of the existing or proposed lease agreement, and the landlord or lessor’s consent.

(2) If a grantee applies to purchase a modular unit it intends to site on leased property or on other property the grantee does not own, the grantee must submit to the responsible HHS official information described in paragraph (a) of this section and a copy of the proposed lease or other occupancy agreement that will allow the grantee access to the modular unit for at least 15 years.

(c) Non-federal match. Any non-federal match associated with facilities activities becomes part of the federal share of the facility.

§1303.45 Cost-comparison to purchase, construct, and renovate facilities.

(a) Cost comparison. (1) If a grantee proposes to purchase, construct, or renovate a facility, it must submit a detailed cost estimate of the proposed activity, compare the costs associated with the proposed activity to other available alternatives in the service area, and provide any additional information the responsible HHS official requests. The grantee must demonstrate that the proposed activity will result in savings when compared to the costs that would be incurred to acquire the use of an alternative facility to carry out program.

(2) In addition to requirements in paragraph (a)(1) of this section, the grantee must:

(i) Identify who owns the property;

(ii) List all costs related to the purchase, construction, or renovation;

(iii) Identify costs over the structure’s useful life, which is at least 20 years for a facility that the grantee purchased or constructed and at least 15 years for a modular unit the grantee renovated, and deferred costs, including mortgage balloon payments, as costs with associated due dates; and,

(iv) Demonstrate how the proposed purchase, construction, or major renovation is consistent with program management and fiscal goals, community needs, enrollment and program options and how the proposed facility will support the grantee as it provides quality services to children and families.

(b) Continue purchase or refinance. To use funds to continue purchase on a facility or to refinance an existing indebtedness, the grantee must compare the costs of continued purchase against the cost of purchasing a comparable facility in the service area over the remaining years of the facility’s useful life. The grantee must demonstrate that the proposed activity will result in savings when compared to the cost that would be incurred to acquire the use of an alternative facility to carry out the program.

(c) Multi-purpose use. If the grantee intends to use a facility to operate a Head Start program and for another purpose, it must disclose what percentage of the facility will be used for non-Head Start activities, along with costs associated with those activities, in accordance with applicable cost principles.

§1303.46 Recording and posting notices of federal interest.

(a) Survival of federal interest. A grantee that receives funds under this subpart must file notices of federal interest as set forth in paragraph (b) of this section. Federal interest cannot be defeated by a grantee’s failure to file a notice of federal interest.

(b) Recording notices of federal interest. (1) If a grantee uses federal funds to purchase real property or a facility, excluding modular
units, appurtenant to real property, it must record a notice of federal interest in the official real property records for the jurisdiction where the facility is or will be located. The grantee must file the notice of federal interest as soon as it uses Head Start funds to either fully or partially purchase a facility or real property where a facility will be constructed or as soon as it receives permission from the responsible HHS official to use Head Start funds to continue purchase on a facility.

(2) If a grantee uses federal funds in whole or in part to construct a facility, it must record the notice of federal interest in the official real property records for the jurisdiction in which the facility is located as soon as it receives the notice of award to construct the facility.

(3) If a grantee uses federal funds to renovate a facility that it, or a third party owns, the grantee must record the notice of federal interest in the official real property records for the jurisdiction in which the facility is located as soon as it receives the notice of award to renovate the facility.

Only the responsible HHS official can subordinate federal interest to the rights of a lender or other third party. Subordination agreements must be in writing and the mortgage agreement or security agreement for which subordination is requested must comply with §1303.49. When the amount of federal funds already contributed to the facility exceeds the amount to be provided by the

Subpart F—Transportation

§ 1303.70 Purpose.
(a) Applicability. This rule applies to all agencies, including those that provide transportation services, with the exceptions and exclusions provided in this section, regardless of whether such transportation is provided directly on agency owned or leased vehicles or through arrangement with a private or public transportation provider.
(b) Providing transportation services. (1) If a program does not provide transportation services, either for all or a portion of the children, it must provide reasonable assistance, such as information about public transit availability, to the families of such children to arrange transportation to and from its activities, and provide information about these transportation options in recruitment announcements.
(2) A program that provides transportation services must make reasonable efforts to coordinate transportation resources with other human services agencies in its community in order to control costs and to improve the
quality and the availability of transportation services.

(3) A program that provides transportation services must ensure all accidents involving vehicles that transport children are reported in accordance with applicable state requirements.

(c) Waiver. (1) A program that provides transportation services must comply with all provisions in this subpart. A Head Start program may request to waive a specific requirement in this part, in writing, to the responsible HHS official, as part of an agency’s annual application for financial assistance or amendment and must submit any required documentation the responsible HHS official deems necessary to support the waiver. The responsible HHS official is not authorized to waive any requirements with regard to children enrolled in an Early Head Start program. A program may request a waiver when:

(i) Adherence to a requirement in this part would create a safety hazard in the circumstances faced by the agency; and,

(ii) For preschool children, compliance with requirements related to child restraint systems at §§1303.71(d) and 1303.72(a)(1) or bus monitors at §1303.72(a)(4) will result in a significant disruption to the program and the agency demonstrates that waiving such requirements is in the best interest of the children involved.

(2) The responsible HHS official is not authorized to waive any requirements of the Federal Motor Vehicle Safety Standards (FMVSS) made applicable to any class of vehicle under 49 CFR part 571.

§ 1303.71 Vehicles.

(a) Required use of schools buses or allowable alternative vehicles. A program, with the exception of transportation services to children served under a home-based option, must ensure all vehicles used or purchased with grant funds to provide transportation services to enrolled children are school buses or allowable alternate vehicles that are equipped for use of height- and weight-appropriate child safety restraint systems, and that have reverse beepers.

(b) Emergency equipment. A program must ensure each vehicle used in providing such services is equipped with an emergency communication system clearly labeled and appropriate emergency safety equipment, including a seat belt cutter, charged fire extinguisher, and first aid kit.

(c) Auxiliary seating. A program must ensure any auxiliary seating, such as temporary or folding jump seats, used in vehicles of any type providing such services are built into the vehicle by the manufacturer as part of its standard design, are maintained in proper working order, and are inspected as part of the annual inspection required under paragraph (e)(2)(iv) of this section.

(d) Child restraint systems. A program must ensure each vehicle used to transport children receiving such services is equipped for use of age-, height- and weight-appropriate child safety restraint systems as defined in part 1305 of this chapter.

(e) Vehicle maintenance. (1) A program must ensure vehicles used to provide such services are in safe operating condition at all times.

(2) The program must:

(i) At a minimum, conduct an annual thorough safety inspection of each vehicle through an inspection program licensed or operated by the state;

(ii) Carry out systematic preventive maintenance on vehicles; and,

(iii) Ensure each driver implements daily pre-trip vehicle inspections.

(f) New vehicle inspection. A program must ensure bid announcements for school buses and allowable alternate vehicles to transport children in its program include correct specifications and a clear statement of the vehicle’s intended use. The program must ensure vehicles are examined at delivery to ensure they are equipped in accordance with the bid specifications and that the manufacturer’s certification of compliance with the applicable FMVSS is included with the vehicle.

§ 1303.72 Vehicle operation.

(a) Safety. A program must ensure:

(1) Each child is seated in a child restraint system appropriate to the child’s age, height, and weight;

(2) Baggage and other items transported in the passenger compartment are properly stored and secured, and the aisles remain clear and the doors and emergency exits remain unobstructed at all times;

(3) Up-to-date child rosters and lists of the adults each child is authorized to be released to, including alternates in case of emergency, are maintained and no child is left behind, either at the classroom or on the vehicle at the end of the route; and,

(4) With the exception of transportation services to children served under a home-based option, there is at least one bus monitor on board at all times, with additional bus monitors provided as necessary.

(b) Driver qualifications. A program, with the exception of transportation services to children served under a home-based option, must ensure drivers, at a minimum:

(1) In states where such licenses are granted, have a valid Commercial Driver’s License (CDL) for vehicles in the same class as the vehicle the driver will operating; and,

(2) Meet any physical, mental, and other requirements as necessary to perform job-related functions with any necessary reasonable accommodations.

(c) Driver application review. In addition to the applicant review process prescribed §1302.90(b) of this chapter, a program, with the exception of transportation services to
children served under a home-based option, must ensure the applicant review process for drivers includes, at minimum:

(1) Disclosure by the applicant of all moving traffic violations, regardless of penalty;

(2) A check of the applicant’s driving record through the appropriate state agency, including a check of the applicant’s record through the National Driver Register, if available;

(3) A check that drivers qualify under the applicable driver training requirements in the state or tribal jurisdiction; and,

(4) After a conditional employment offer to the applicant and before the applicant begins work as a driver, a medical examination, performed by a licensed doctor of medicine or osteopathy, establishing that the individual possesses the physical ability to perform any job-related functions with any necessary accommodations.

(d) Driver training. (1) A program must ensure any person employed as a driver receives training prior to transporting any enrolled child and receives refresher training each year.

(2) Training must include:

(i) Classroom instruction and behind-the-wheel instruction sufficient to enable the driver to operate the vehicle in a safe and efficient manner, to safely run a fixed route, to administer basic first aid in case of injury, and to handle emergency situations, including vehicle evacuation, operate any special equipment, such as wheelchair lifts, assistance devices or special occupant restraints, conduct routine maintenance and safety checks of the vehicle, and maintain accurate records as necessary; and,

(ii) Instruction on the topics listed in §1303.75 related to transportation services for children with disabilities.

(3) A program must ensure the annual evaluation of each driver of a vehicle used to provide such services includes an on-board observation of road performance.

(e) Bus monitor training. A program must train each bus monitor before the monitor begins work, on child boarding and exiting procedures, how to use child restraint systems, completing any required paperwork, how to respond to emergencies and emergency evacuation procedures, how to use special equipment, child pick-up and release procedures, how to conduct and pre- and post-trip vehicle checks. Bus monitors are also subject to staff safety training requirements in §1302.47(b)(4) of this chapter including Cardio Pulmonary Resuscitation (CPR) and first aid.

§ 1303.73 Trip routing.

(a) A program must consider safety of the children it transports when it plans fixed routes.

(b) A program must also ensure:

(1) The time a child is in transit to and from the program must not exceed one hour unless there is no shorter route available or any alternative shorter route is either unsafe or impractical;

(2) Vehicles are not loaded beyond maximum passenger capacity at any time;

(3) Drivers do not back up or make U-turns, except when necessary for safety reasons or because of physical barriers;

(4) Stops are located to minimize traffic disruptions and to afford the driver a good field of view in front of and behind the vehicle;

(5) When possible, stops are located to eliminate the need for children to cross the street or highway to board or leave the vehicle;

(6) Either a bus monitor or another adult escorts children across the street to board or leave the vehicle if curbside pick-up or drop off is impossible; and,

(7) Drivers use alternate routes in the case of hazardous conditions that could affect the safety of the children who are being transported, such as ice or water build up, natural gas line breaks, or emergency road closing.

§ 1303.74 Safety procedures.

(a) A program must ensure children who receive transportation services are taught safe riding practices, safety procedures for boarding and leaving the vehicle and for crossing the street to and from the vehicle at stops, recognition of the danger zones around the vehicle, and emergency evacuation procedures, including participating in an emergency evacuation drill conducted on the vehicle the child will be riding.

(b) A program that provides transportation services must ensure at least two bus evacuation drills in addition to the one required under paragraph (a) of this section are conducted during the program year.

§ 1303.75 Children with disabilities.

(a) A program must ensure there are school buses or allowable alternate vehicles adapted or designed for transportation of children with disabilities available as necessary to transport such children enrolled in the program. This requirement does not apply to the transportation of children receiving home-based services unless school buses or allowable alternate vehicles are used to transport the other children served under the home-based option by the grantee. Whenever possible, children with disabilities must be transported in the same vehicles used to transport other children enrolled in the Head Start or Early Head Start program.

(b) A program must ensure special transportation requirements in a child’s IEP or IFSP are followed, including special pick-up and drop-off requirements, seating requirements, equipment needs, any assistance that
may be required, and any necessary training for bus drivers and monitors.

PART 1304—FEDERAL ADMINISTRATIVE PROCEDURES

Subpart A—Monitoring, Suspension, Termination, Denial of Refunding, Reduction in Funding, and Their Appeals

§ 1304.1 Purpose.
(a) Section 641A(c) of the Act requires the Secretary to monitor whether a grantee meets program governance, program operations, and financial and administrative standards described in this regulation and to identify areas for improvements and areas of strength as part of the grantee’s ongoing self-assessment process. This subpart focuses on the monitoring process. It discusses areas of noncompliance, deficiencies, and corrective action through quality improvement plans.
(b) Section 646(a) of the Act requires the Secretary to prescribe procedures for notice and appeal for certain adverse actions. This subpart establishes rules and procedures to suspend financial assistance to a grantee, deny a grantee’s application for refunding, terminate, or reduce a grantee’s assistance under the Act when the grantee improperly uses federal funds or fails to comply with applicable laws, regulations, policies, instructions, assurances, terms and conditions or, if the grantee loses its legal status or financial viability. This subpart does not apply to reductions to a grantee’s financial assistance based on chronic under-enrollment procedures at section 641A(h) of the Act or to matters described in subpart B. This subpart does not apply to any administrative action based upon any violation, or alleged violation, of title VI of the Civil Rights Act of 1964. Except as otherwise provided for in this subpart, the appeals and processes in this subpart will be governed by the Departmental Appeals Board regulations at 45 CFR part 16.

§ 1304.2 Monitoring.
(a) Areas of noncompliance. If a responsible HHS official determines through monitoring, pursuant to section 641A(c)(1) and (2) of the Act, that a grantee fails to comply with any of the standards described in parts 1301, 1302, and 1303 of this chapter, the official will notify the grantee promptly in writing, identify the area of noncompliance, and specify when the grantee must correct the area of noncompliance.
(b) Deficiencies. If the Secretary determines that a grantee meets one of the criteria for a deficiency, as defined in section 637(2)(C) of the Act, the Secretary shall inform the grantee of the deficiency. The grantee must correct the deficiency pursuant to section 641A(e)(1)(B) of the Act, as the responsible HHS official determines.
(c) Quality improvement plans. If the responsible HHS official does not require the grantee to correct a deficiency immediately as
prescribed under section 641A(e)(1)(B)(i) of the Act, the grantee must submit to the official, for approval, a quality improvement plan that adheres to section 641A(e)(2)(A) of the Act.

§ 1304.3 Suspension with notice.

(a) Grounds to suspend financial assistance with notice. If a grantee breaches or threatens to breach any requirement stated in §§ 1304.3 through 1304.5, the responsible HHS official may suspend the grantee’s financial assistance, in whole or in part, after it has given the grantee notice and an opportunity to show cause why assistance should not be suspended.

(b) Notice requirements. (1) The responsible HHS official must notify the grantee in writing that ACF intends to suspend financial assistance, in whole or in part. The notice must:

(i) Specify grounds for the suspension;
(ii) Include the date suspension will become effective;
(iii) Inform the grantee that it has the opportunity to submit to the responsible HHS official, at least seven days before suspension becomes effective, any written material it would like the official to consider, and to inform the grantee that it may request, in writing, no later than seven days after the suspension notice was mailed, to have an informal meeting with the responsible HHS official;
(iv) Invite the grantee to voluntarily correct the deficiency; and,
(v) Include a copy of this subpart.

(2) The responsible HHS official must promptly transmit the suspension notice to the grantee. The notice becomes effective when the grantee receives the notice, when the grantee refuses delivery, or when the suspension notice is returned to sender unclaimed.

(3) The responsible HHS official must send a copy of the suspension notice to any delegate agency whose actions or whose failures to act substantially caused or contributed to the proposed suspension. The responsible HHS official will inform the delegate agency that it is entitled to submit written material to oppose the suspension and to participate in the informal meeting, if one is held. In addition, the responsible HHS official may give notice to the grantee’s other delegate agencies.

(4) After the grantee receives the suspension notice, it has three days to send a copy of the notice to delegate agencies that would be financially affected by a suspension.

(c) Opportunity to show cause. The grantee may submit to the responsible HHS official any written material to show why financial assistance should not be suspended. The grantee may also request, in writing, to have an informal meeting with the responsible HHS official. If the grantee requests an informal meeting, the responsible HHS official must schedule the meeting within seven days after the grantee receives the suspension notice.

(d) Extensions. If the responsible HHS official extends the time or the date by which a grantee has to make requests or to submit material, it must notify the grantee in writing.

(e) Decision. (1) The responsible HHS official will consider any written material presented before or during the informal meeting, as well as any proof the grantee has adequately corrected what led to suspension, and will render a decision within five days after the informal meeting. If no informal meeting is held, the responsible HHS official will render a decision within five days after it receives written material from all concerned parties.

(2) If the responsible HHS official finds the grantee failed to show cause why ACF should not suspend financial assistance, the official may suspend financial assistance, in whole or in part, and under terms and conditions as he or she deems appropriate.

(3) A suspension must not exceed 30 days, unless the conditions under section 646(a)(5)(B) are applicable or the grantee requests the suspension continue for an additional period of time and the responsible HHS official agrees.

(4) The responsible HHS official may appoint an agency to serve as an interim grantee to operate the program until the grantee’s suspension is lifted, or as otherwise provided under section 646(a)(5)(B) of the Act.

(f) Obligations incurred during suspension. New obligations the grantee incurs while under suspension are not allowed unless the responsible HHS official expressly authorizes them in the suspension notice or in an amendment to the suspension notice. Necessary and otherwise allowable costs which the grantee could not reasonably avoid during the suspension period will be allowed if they result from obligations the grantee properly incurred before suspension and not in anticipation of suspension or termination. The responsible HHS official may allow third-party in-kind contributions applicable to the suspension period to satisfy cost sharing or matching requirements.

(g) Modify or rescind suspension. The responsible HHS official may modify or rescind suspension at any time, if the grantee can satisfactorily show that it has adequately corrected what led to suspension and that it will not repeat such actions or inactions. Nothing in this section prevents the HHS official from imposing suspension again for additional 30 day periods if the cause of the suspension has not been corrected.
§ 1304.4 Emergency suspension without advance notice.

(a) Grounds to suspend financial assistance without advance notice. The responsible HHS official may suspend financial assistance, in whole or in part, without prior notice and an opportunity to show cause if there is an emergency situation, such as a serious risk for imminent danger to property or loss of project funds, a federal, state, or local criminal statute violation, or harm to staff or participants’ health and safety.

(b) Emergency suspension notification requirements. (1) The emergency suspension notification must:
   (i) Specify the grounds for the suspension;
   (ii) Include terms and conditions of any full or partial suspension;
   (iii) Inform that grantee it cannot make or incur any new expenditures or obligations under suspended portion of the program; and,
   (iv) Advise that within five days after the emergency suspension becomes effective, the grantee may request, in writing, an informal meeting with the responsible HHS official to show why the basis for the suspension was not valid and should be rescinded and that the grantee has corrected any deficiencies.

(2) The responsible HHS official must promptly transmit the emergency suspension notification to the grantee that shows the date of receipt. The emergency suspension becomes effective upon delivery of the notification or upon the date the grantee refuses delivery, or upon return of the notification unclaimed.

(3) Within two workdays after the grantee receives the emergency suspension notification, the grantee must send a copy of the notice to delegate agencies affected by the suspension.

(4) The responsible HHS official must inform affected delegate agencies that they have the right to participate in the informal meeting.

(c) Opportunity to show cause. If the grantee requests an informal meeting, the responsible HHS official must schedule a meeting within five workdays after it receives the grantee’s request. The suspension will continue until the grantee has been afforded such opportunity and until the responsible HHS official renders a decision. Notwithstanding provisions in this section, the responsible HHS official may proceed to deny refunding or to initiate termination proceedings at any time even though the grantee’s financial assistance has been suspended in whole or in part.

(d) Decision. (1) The responsible HHS official will consider any written material presented before or during the informal meeting, as well as any proof the grantee has adequately corrected what led to suspension, and render a decision within five work days after the informal meeting.

2) If the responsible HHS official finds the grantee failed to show cause why suspension should be rescinded, the responsible HHS official may continue the suspension, in whole or in part, and under the terms and conditions specified in the emergency suspension notification.

3) A suspension must not exceed 30 days, unless the conditions under section 646(a)(5)(B) are applicable or the grantee requests the suspension to continue for an additional period of time and the responsible HHS official agrees.

4) The responsible HHS official may appoint an agency to serve as an interim grantee to operate the program until either the grantee’s emergency suspension is lifted or a new grantee is selected.

(e) Obligations incurred during suspension. Any new obligations the grantee incurs during the suspension period will not be allowed unless the responsible HHS official expressly authorizes them in the suspension notice or an amendment to the suspension notice. Necessary and otherwise allowable costs which the grantee could not reasonably avoid during the suspension period will be allowed if those costs result from obligations properly incurred before suspension and not in anticipation of suspension, denial of refunding or termination. The responsible HHS official may allow third-party in-kind contributions applicable to the suspension period to satisfy cost sharing or matching requirements.

(f) Modify or rescind suspension. The responsible HHS official may modify or rescind suspension at any time, if the grantee can satisfactorily show that it has adequately corrected what led to the suspension and that it will not repeat such actions or inactions. Nothing in this section precludes the HHS official from imposing suspension again for additional 30 day periods if the cause of the suspension has not been corrected.

§ 1304.5 Termination and denial of refunding.

(a) Grounds to terminate financial assistance or deny a grantee’s application for refunding. (1) A responsible HHS official may terminate financial assistance in whole or in part to a grantee or deny a grantee’s application for refunding.

(2) The responsible HHS official may terminate financial assistance in whole or in part, or deny refunding to a grantee for any one or all of the following reasons:
   (i) The grantee is no longer financially viable;
   (ii) The grantee has lost the requisite legal status or permits;
   (iii) The grantee has failed to timely correct one or more deficiencies as defined in the Act;
   (iv) The grantee has failed to comply with eligibility requirements;
45 CFR Ch. XIII (10–1–16 Edition)

(v) The grantee has failed to comply with the Head Start grants administration or fiscal requirements set forth in 45 CFR part 1303;

(6) The responsible HHS official may appoint an interim or replacement grantee as soon as a termination action is affirmed by the Departmental Appeals Board.

(b) Notice requirements. (1) The responsible HHS official will notify the grantee and such notice will:

(6) The responsible HHS official must provide the grantee as much notice as possible, but must notify the grantee no later than 30 days after ACF receives the annual application for refunding; that it has the opportunity for a full and fair hearing on whether refunding should be denied.

(c) Grantee’s appeal. (1) The grantee must adhere to procedures and requirements for appeals in 45 CFR part 16, file the appeal with the Departmental Appeals Board, and serve a copy of the appeal on the responsible HHS official who issued the termination or denial of refunding notice. The grantee must also serve a copy of its appeal on any affected delegate.

(2) Unless funding has been suspended, funding will continue while a grantee appeals a termination decision, unless the responsible HHS official renders an adverse decision, or unless the current budget period is expired. If the responsible HHS official has not rendered a decision by the end of the current budget period, the official will award the grantee interim funding until a decision is made or the project period ends.

(d) Funding during suspension. If a grantee’s funding is suspended, the grantee will not receive funding during the termination proceedings, or at any other time, unless the action is rescinded or the grantee’s appeal is successful.

(e) Interim and replacement grantees. The responsible HHS official may appoint an interim or replacement grantee as soon as a termination action is affirmed by the Departmental Appeals Board.

(f) Opportunity to show cause. (1) If the Departmental Appeals Board sets a hearing for a proposed termination or denial of refunding action, the grantee has five workdays to send a copy of the notice it receives from the Departmental Appeals Board, to all delegate agencies that would be financially affected by termination and to each delegate agency identified in the notice.

(2) The grantee must send to the Departmental Appeals Board and to the responsible HHS official a list of the delegate agencies it notified and the dates when it notified them.

(3) If the responsible HHS official initiated proceedings because of a delegate agency’s activities, the official must inform the delegate agency that it may participate in the hearing. If the delegate agency chooses to participate in the hearing, it must notify the responsible HHS official in writing within 30 days of the grantee’s appeal. If any other delegate agency, person, agency or organization wishes to participate in the hearing, it may request permission to do so from the Departmental Appeals Board.

(4) If the grantee fails to appear at the hearing, without good cause, the grantee will be deemed to have waived its right to a hearing and consented to have the Departmental Appeals Board make a decision based on the parties’ written information and argument.

(5) A grantee may waive the hearing and submit written information and argument for the record, within a reasonable period of time to be fixed by the Departmental Appeals Board.

(6) The responsible HHS official may attempt, either personally or through a representative, to resolve the issues in dispute by informal means prior to the hearing.

(g) Decision. The Departmental Appeals Board’s decision and any measure the responsible HHS official takes after the decision is fully binding upon the grantee and its delegate agencies, whether or not they actually participated in the hearing.
§ 1304.6 Appeal for prospective delegate agencies.

(a) Appeal. If a grantee denies, or fails to act on, a prospective delegate agency’s funding application, the prospective delegate may appeal the grantee’s decision or inaction.

(b) Process for prospective delegates. To appeal a prospective delegate must:

(1) Submits the appeal, including a copy of the funding application, to the responsible HHS official within 30 days after it receives the grantee’s decision; or within 30 days after the grantee has had 120 days to review but has not notified the applicant of a decision; and,

(2) Provide the grantee with a copy of the appeal at the same time the appeal is filed with the responsible HHS official.

(c) Process for grantees. When an appeal is filed with the responsible HHS official, the grantee must respond to the appeal and submit a copy of its response to the responsible HHS official and to the prospective delegate agency within 30 work days.

(d) Decision. (1) The responsible HHS official will sustain the grantee’s decision, if the official determines the grantee did not act arbitrarily, capriciously, or otherwise contrary to law, regulation, or other applicable requirements.

(2) The responsible HHS official will render a written decision to each party within a reasonable timeframe. The official’s decision is final and not subject to further appeal.

(3) If the responsible HHS official finds the grantee did act arbitrarily, capriciously, or otherwise contrary to law, regulation, or other applicable requirements, the grantee will be directed to reevaluate their applications.

§ 1304.7 Legal fees.

(a) An agency is not authorized to charge to its grant legal fees or other costs incurred to appeal terminations, reductions of funding, or denials of applications of refunding decisions.

(b) If a program prevails in a termination, reduction, or denial of refunding decision, the responsible HHS official may reimburse the agency for reasonable and customary legal fees, incurred during the appeal, if:

(1) The Departmental Appeals Board overturns the responsible HHS official’s decision;

(2) The agency can prove it incurred fees during the appeal; and,

(3) The agency can prove the fees incurred are reasonable and customary.

Subpart B—Designation Renewal

§ 1304.10 Purpose and scope.

The purpose of this subpart is to set forth policies and procedures for the designation renewal of Head Start and Early Head Start programs. It is intended that these programs be administered effectively and responsibly; that applicants to administer programs receive fair and equitable consideration; and that the legal rights of current Head Start and Early Head Start grantees be fully protected. The Designation Renewal System is established in this part to determine whether Head Start and Early Head Start agencies deliver high-quality services to meet the educational, health, nutritional, and social needs of the children and families they serve; meet the program and financial requirements and standards described in section 641A(a)(1) of the Head Start Act; and quality to be designated for funding for five years without competing for such funding as required under section 641(c) of the Head Start Act with respect to Head Start agencies and pursuant to section 645A(b)(12) and (d) with respect to Early Head Start agencies. A competition to select a new Head Start or Early Head Start agency to replace a Head Start or Early Head Start agency that has been terminated voluntarily or involuntarily is not part of the Designation Renewal System established in this Part, and is subject instead to the requirements of § 1304.20.

§ 1304.11 Basis for determining whether a Head Start agency will be subject to an open competition.

A Head Start or Early Head Start agency shall be required to compete for its next five years of funding whenever the responsible HHS official determines that one or more of the following conditions existed during the relevant time period covered by the responsible HHS official’s review under § 1304.15:

(a) An agency has been determined by the responsible HHS official to have one or more deficiencies on a single review conducted under section 641A(c)(1)(A), (C), or (D) of the Act in the relevant time period covered by the responsible HHS official’s review under § 1304.15.

(b) An agency has been determined by the responsible HHS official based on a review conducted under section 641A(c)(1)(A), (C), or (D) of the Act during the relevant time period covered by the responsible HHS official’s review under § 1304.15.

(1) After December 9, 2011, established program goals for improving the school readiness of children participating in its program in accordance with the requirements of section 641A(g)(2) of the Act and demonstrated that such goals:

(i) Appropriately reflect the ages of children, birth to five, participating in the program;

(ii) Align with the Birth to Five Head Start Child Outcomes Framework, state early learning guidelines, and the requirements and expectations of the schools, to the
extent that they apply to the ages of children, birth to five, participating in the program and at a minimum address the domains of language and literacy development, cognitive and general knowledge, approaches toward learning, physical well-being and motor development, and social and emotional development;

(2) After December 9, 2011, took steps to achieve the school readiness goals described under paragraph (b)(1) of this section demonstrated by:
   (i) Aggregating and analyzing aggregate child-level assessment data for all children birth to age five participating in the program and using that data in combination with other program data to determine grantees’ progress toward meeting its goals, to inform parents and the community of results, and to direct continuous improvement related to curriculum, instruction, professional development, program design and other program decisions; and,
   (ii) Analyzing individual ongoing, child-level assessment data for all children birth to age five participating in the program and using that data in combination with input from parents and families to determine each child’s status and progress with regard to, at a minimum, language and literacy development, cognition and general knowledge, approaches toward learning, physical well-being and motor development, and social and emotional development and to individualize the experiences, instructional strategies, and services to best support each child.

(c) An agency has been determined during the relevant time period covered by the responsible HHS official’s review under §1304.15:

(1) After December 9, 2011, to have an average score across all classrooms observed below the following minimum thresholds on any of the three CLASS: Pre-K domains from the most recent CLASS: Pre-K observation:
   (i) For the Emotional Support domain the minimum threshold is 4;
   (ii) For the Classroom Organization domain, the minimum threshold is 3;
   (iii) For the Instructional Support domain, the minimum threshold is 2;

(2) After December 9, 2011, to have an average score across all classrooms observed that is in the lowest 10 percent on any of the three CLASS: Pre-K domains from the most recent CLASS: Pre-K observation among those currently being reviewed unless the average score across all classrooms observed for that CLASS: Pre-K domain is equal to or above the standard of excellence that demonstrates that the classroom interactions are above an exceptional level of quality. For all three domains, the “standard of excellence” is a 6.

(d) An agency has had a revocation of its license to operate a Head Start or Early Head Start center or program by a state or local licensing agency during the relevant time period covered by the responsible HHS official’s review under §1304.15, and the revocation has not been overturned or withdrawn before a competition for funding for the next five-year period is announced. A pending challenge to the license revocation or restoration of the license after correction of the violation shall not affect application of this requirement after the competition for funding for the next five-year period has been announced.

(e) An agency has been suspended from the Head Start or Early Head Start program by ACF during the relevant time period covered by the responsible HHS official’s review under §1304.15 and the suspension has not been overturned or withdrawn. If there is a pending appeal and the agency did not have an opportunity to show cause as to why the suspension should not have been imposed or why the suspension should have been lifted if it had already been imposed under this part, the agency will not be required to compete based on this condition. If an agency has received an opportunity to show cause, the condition will be implemented regardless of appeal status.

(f) An agency has been debarred from receiving federal or state funds from any federal or state department or agency or has been disqualified from the Child and Adult Care Food Program (CACFP) any time during the relevant time period covered by the responsible HHS official’s review under §1304.15 but has not yet been terminated or denied refunding by ACP. A debarred agency will only be eligible to compete for Head Start funding if it receives a waiver described in 2 CFR 180.135.

(g) An agency has been determined within the twelve months preceding the responsible HHS official’s review under §1304.15 to be at risk of failing to continue functioning as a going concern. The final determination is made by the responsible HHS official based on a review of the findings and opinions of an audit conducted in accordance with section 647 of the Act; an audit, review or investigation by a state agency; a review by the National External Audit Review (NEAR) Center; or an audit, investigation or inspection by the Department of Health and Human Services Office of Inspector General.

§1304.12 Grantee reporting requirements concerning certain conditions.

(a) Head Start agencies must report in writing to the responsible HHS official within 30 working days of December 9, 2011, if the agency has had a revocation of a license to
operate a center by a state of local licensing entity during the period between June 12, 2009, and December 9, 2011.

(b) Head Start agencies must report in writing to the responsible HHS official within 10 working days of occurrence any of the following events following December 9, 2011:

1. The agency has had a revocation of a license to operate a center by a state or local licensing entity.
2. The agency has filed for bankruptcy or agreed to a reorganization plan as part of a bankruptcy settlement.
3. The agency has been debarred from receiving federal or state funds from any federal or state department or agency or has been disqualified from the Child and Adult Care Food Program (CACFP).
4. The agency has received an audit, audit review, investigation or inspection report from the agency’s auditor, a state agency, or the cognizant federal audit agency containing a determination that the agency is at risk for ceasing to be a going concern.

§ 1304.13 Requirements to be considered for designation for a five-year period when the existing grantee in a community is not determined to be delivering a high-quality and comprehensive Head Start program and is not automatically renewed.

In order to compete for the opportunity to be awarded a five-year grant, an agency must submit an application to the responsible HHS official that demonstrates that it is the most qualified entity to deliver a high-quality and comprehensive Head Start or Early Head Start program. The application must address the criteria for selection listed at section 641(d)(2) of the Act for Head Start. Any agency that has had its Head Start or Early Head Start grant terminated for cause in the preceding five years is excluded from competing in such competition for the next five years. A Head Start or Early Head Start agency that has had a denial of refunding, as defined in 45 CFR part 1305, in the preceding five years is also excluded from competing.

§ 1304.14 Tribal government consultation under the Designation Renewal System for when an Indian Head Start grant is being considered for competition.

(a) In the case of an Indian Head Start or Early Head Start agency determined not to be delivering a high-quality and comprehensive Head Start or Early Head Start program, the responsible HHS official will engage in government-to-government consultation with the appropriate tribal government or governments for the purpose of establishing a plan to improve the quality of the Head Start program or Early Head Start program operated by the Indian Head Start or Indian Early Head Start agency.

1. The plan will be established and implemented within six months after the responsible HHS official’s determination.
2. Not more than six months after the implementation of that plan, the responsible HHS official will reevaluate the performance of the Indian Head Start or Early Head Start agency.

(b) If the Indian Head Start or Early Head Start agency is still not delivering a high-quality and comprehensive Head Start or Early Head Start program, the responsible HHS official will conduct an open competition to select a grantee to provide services for the community currently being served by the Indian Head Start or Early Head Start agency.

(c) A non-Indian Head Start or Early Head Start agency may receive a grant to carry out an Indian Head Start program only until such time as an Indian Head Start or Indian Early Head Start agency in such community becomes available and is designated pursuant to this part.

§ 1304.15 Designation request, review and notification process.

(a) Grantees must apply to be considered for Designation Renewal.

1. For the transition period, each Head Start or Early Head Start agency wishing to be considered to have their designation as a Head Start or Early Head Start agency renewed for a five-year period without competition shall request that status from ACF within six months of December 9, 2011.

2. After the transition period, each Head Start or Early Head Start agency wishing to be considered to have their designation as a Head Start or Early Head Start agency renewed for another five-year period without competition shall request that status from ACF at least 12 months before the end of their five-year grant period or by such time as required by the Secretary.

(b) ACF will review the relevant data to determine if one or more of the conditions under §1304.11 were met by the Head Start and Early Head Start agency’s program:

1. During the first year of the transition period, ACF shall review the data on each Head Start and Early Head Start agency to determine if any of the conditions under §1304.11(a) or (d) through (g) were met by the agency’s program since June 12, 2009.

2. During the remainder of the transition period, ACF shall review the data on each Head Start and Early Head Start agency still under grants with indefinite project periods and for whom ACF has relevant data on all
of the conditions in §1304.11(a) through (g) to determine if any of the conditions under §1304.11(a) or (d) through (g) were met by the agency’s program since June 12, 2009, or if the conditions under §1304.11(b) or (c) existed in the agency’s program since December 9, 2011.

(3) Following the transition period, ACF shall review the data on each Head Start and Early Head Start agency in the fourth year of the grant to determine if any of the conditions under §1304.11 existed in the agency’s program during the period of that grant.

(c) ACF will give notice to grantees on Designation Renewal System status, except as provided in §1304.14:

(1) During the first year of the transition period, ACF shall give written notice to all grantees meeting any of the conditions under §1304.11(a) or (d) through (g) since June 12, 2009 by certified mail return receipt requested or other system that establishes the date of receipt of the notice by the addressee, stating that the Head Start or Early Head Start agency will be required to compete for additional five-year period, identifying the conditions as new, and summarizing the basis for the finding; or,

(ii) That such agency has been determined on a preliminary basis to be ineligible for renewed funding for five years without competition because ACF finds that none of the conditions under §1304.11 have been met during the relevant time period described in paragraph (b) of this section, identifying the conditions ACF found, and summarizing the basis for the finding; or,

(2) During the remainder of the transition period, ACF shall give written notice to all grantees still under grants with indefinite project periods and on the conditions in §1304.11(a) through (g) by certified mail return receipt requested or other system that establishes the date of receipt of the notice by the addressee stating either:

(i) The Head Start or Early Head Start agency will be required to compete for additional five-year period because ACF finds that one or more conditions under §1304.11 have been met during the relevant time period described in paragraph (b) of this section, identifying the conditions ACF found, and summarizing the basis for the finding; or,

(ii) That such agency has been determined on a preliminary basis to be ineligible for renewed funding for five years without competition because ACF finds that none of the conditions under §1304.11 have been met during the relevant time period described in paragraph (b) of this section. If prior to the award of that grant, ACF determines that the grantee has met one of the conditions under §1304.11 during the relevant time period described in paragraph (b) of this section, this determination will change and the grantee will receive notice under paragraph (c)(3)(i) of this section that it will be required to compete for funding for an additional five-year period.

§1304.16 Use of CLASS: Pre-K instrument in the Designation Renewal System.

Except when all children are served in a single classroom, ACF will conduct observations of multiple classes operated by the grantee based on a random sample of all classes and rate the conduct of the classes observed using the CLASS: Pre-K instrument. When the grantee serves children in its program in a single class, that class will be observed and rated using the CLASS: Pre-K instrument. The domain scores for that class will be the domain scores for the grantee for that observation. After the observations are completed, ACF will report to the grantee the scores of the classes observed during the CLASS: Pre-K observations in each of the domains covered by the CLASS: Pre-K instrument. ACF will average CLASS: Pre-K instrument scores in each domain for the classes operated by the agency that ACF observed to determine the agency’s score in each domain.

Subpart C—Selection of Grantees Through Competition

§1304.20 Selection among applicants.

(a) In selecting an agency to be designated to provide Head Start, Early Head Start, Migrant or Seasonal Head Start or tribal Head
Subpart D—Replacement of American Indian and Alaska Native Grantees

§1304.30 Procedure for identification of alternative agency.
(a) An Indian tribe whose Head Start grant has been terminated, relinquished, designated for competition or which has been denied refunding as a Head Start agency, may identify an alternate agency and request the responsible HHS official to designate such agency as an alternative agency to provide Head Start services to the tribe if:
1. The tribe was the only agency that was receiving federal financial assistance to provide Head Start services to members of the tribe; and,
2. The tribe would be otherwise precluded from providing such services to its members because of the termination or denial of refunding.
(b) (1) The responsible HHS official, when notifying a tribal grantee of the intent to terminate financial assistance or deny its application for refunding, or its designation for competition must notify the grantee that it may identify an agency and request that the agency serve as the alternative agency in the event that the grant is terminated or refunding denied, or the grant is not renewed without competition.
(2) The tribe must identify the alternate agency to the responsible HHS official in writing.
(c) The responsible HHS official will notify the tribe, in writing, whether the alternative agency designated by the tribe is an eligible agency capable of operating a Head Start program. If the alternative agency designated by the tribe is not an eligible agency capable of operating a Head Start program, the tribe will have 15 days from the date of the sending of the notification to that effect from the responsible HHS official to identify another agency and request that the agency be designated. The responsible HHS official will notify the tribe in writing whether the second proposed alternative agency is found to be an eligible agency capable of operating the Head Start program.
(d) If the tribe does not identify an eligible, suitable alternative agency, a grantee will be designated under these regulations.

§1304.32 Alternative agency—prohibition.
(a) No agency will be designated as the alternative agency pursuant to this subpart if the agency includes an employee who:
1. Served on the administrative or program staff of the Indian tribal grantee described under section 646(e)(1)(A) of the Act; and,

Quality of Feedback addresses how teachers extend children’s learning through their responses to children’s ideas, comments, and work. Language Modeling addresses the extent to which teachers facilitate and encourage children’s language.

(4) Assessments with the CLASS involve observation-based measurement of each dimension on a seven point scale. Relevant dimension scores are used to calculate each domain score.

   (2) The State is so small or rural that the purposes of this part would be impeded if the State were divided into planning and service areas; and
   (3) The State agency has the capacity to carry out the responsibilities of an area agency, as specified in the Act.

(b) Prior to the Commissioner’s approval for a State to continue as a single planning and service area, all the requirements and procedures in §1321.29 shall be met.

(c) If the Commissioner approves a State’s application under paragraph (a) of this section:

§ 1321.45 Transfer between congregate and home-delivered nutrition service allotments.

§ 1321.49 State agency maintenance of effort.

In order to avoid a penalty, each fiscal year the State agency, to meet the required non-federal share applicable to its allotments under this part, shall spend under the State plan for both services and administration at least the average amount of State funds it spent under the plan for the three previous fiscal years. If the State agency spends less than this amount, the Commissioner reduces the State’s allotments for supportive and nutrition services under this part by a percentage equal to the percentage by which the State reduced its expenditures.

§ 1321.51 Confidentiality and disclosure of information.

(a) A State agency shall have procedures to protect the confidentiality of information about older persons collected in the conduct of its responsibilities. The procedures shall ensure that no information about an order person, or obtained from an older person by a service provider or the State or area...

(b) A State agency is not required to disclose those types of information or documents that are exempt from disclosure by a Federal agency under the Federal Freedom of Information Act, 5 U.S.C. 552.

(e) Policies and procedures. Where the Ombudsman has the legal authority to do so, he or she shall establish policies and procedures, in consultation with the State agency, to carry out the Ombudsman program in accordance with the Act. Where State law does not provide the Ombudsman with legal authority to establish policies and procedures, the Ombudsman shall recommend policies and procedures to the State agency or other agency in which the Office is organizationally located, and such agency shall establish Ombudsman program policies and procedures. Where local Ombudsman entities are designated within area agencies on aging or other entities, the Ombudsman and/or appropriate agency shall develop such policies and procedures in consultation with the agencies hosting local Ombudsman entities and with representatives of the Office. The policies and procedures must address the matters within this subsection.

(1) Program administration. Policies and procedures regarding program administration must include, but not be limited to:

(i) A requirement that the agency in which the Office is organizationally located must not have personnel policies or practices which prohibit the Ombudsman from performing the functions and responsibilities of the Ombudsman, as set forth in §1324.13, or from adhering to the requirements of section 712 of the Act. Nothing in this provision shall prohibit such agency from requiring that representatives of the Office adhere to the personnel policies and procedures of the host agency which are otherwise lawful.

(ii) A requirement that the Ombudsman shall monitor the performance of local Ombudsman entities which the Ombudsman has designated to carry out the duties of the Office.

(iii) A description of the process by which the agencies hosting local Ombudsman entities will coordinate with the Ombudsman in the employment or appointment of representatives of the Office.

(v) Standards to assure prompt response to complaints by the Office and/or local Ombudsman entities which prioritize abuse, neglect, exploitation and time-sensitive complaints and which consider the severity of the risk to the resident, the imminence of the threat of harm to the resident, and the opportunity for mitigating harm to the resident through provision of Ombudsman program services.

(vi) Procedures that clarify appropriate fiscal responsibilities of the local Ombudsman entity, including but not limited to clarifications regarding access to programmatic fiscal information by appropriate representatives of the Office.

(2) Procedures for access. Policies and procedures regarding timely access to facilities, residents, and appropriate records (regardless of format and including, upon request, copies of such records) by the Ombudsman and representatives of the Office must include, but not be limited to:

(i) Access to enter all long-term care facilities at any time during a facility’s regular business hours or regular visiting hours, and at any other time when access may be required by the circumstances to be investigated;

(A) The resident or resident representative communicates informed consent to the access and the consent is given in writing or through the use of auxiliary aids and services;

(B) The resident or resident representative communicates informed consent orally, visually, or through the use of auxiliary aids and services, and such consent is documented contemporaneously by a representative of the Office in accordance with such procedures; and

(C) Access is necessary in order to investigate a complaint, the resident representative refuses to consent to the access, a representative of the Office has reasonable cause to believe that the resident representative is not acting in the best interests of the resident, and the representative of the Office obtains the approval of the Ombudsman;

(v) Access to the administrative records, policies, and documents, to which the residents have, or the general public has access, of long-term care facilities;

(vi) Access of the Ombudsman to, and, upon request, copies of all licensing and certification records maintained by the State with respect to long-term care facilities; and

(vii) Reaffirmation that the Health Insurance Portability and Accountability Act of 1996 (HIPAA) Privacy Rule, 45 CFR part 160 and 45 CFR part 164, subparts A and E, does not preclude release by covered entities of resident private health information or other resident identifying information to the Ombudsman program, including but not limited to residents’ medical, social, or other records, a list of resident names and room numbers, or information collected in the course of a State or Federal survey or inspection process.

(3) Disclosure. Policies and procedures regarding disclosure of files, records and other information maintained by the Ombudsman program must include, but not be limited to:

(i) Provision that the files, records, and information maintained by the Ombudsman program may be disclosed only at the discretion of the Ombudsman or designee of the Ombudsman for such purpose and in accordance with the criteria developed by the Ombudsman, as required by §1327.13(e);

(ii) Prohibition of the disclosure of identifying information of any resident with respect to whom the Ombudsman program maintains files, records, or information, except as otherwise provided by §1327.19(b)(5) through (8), unless:

(A) The resident or the resident representative communicates informed consent to the disclosure and the consent is given in writing or through the use of auxiliary aids and services;

(B) The resident or resident representative communicates informed consent orally, visually, or through the use of auxiliary aids and services and such consent is documented contemporaneously by a representative of the Office in accordance with such procedures; or

(C) The disclosure is required by court order;

(iii) Prohibition of the disclosure of identifying information of any complainant with respect to whom the Ombudsman program maintains files, records, or information, unless:

(A) The complainant communicates informed consent to the disclosure and the consent is given in writing or through the use of auxiliary aids and services;

(B) The complainant communicates informed consent orally, visually, or through the use of auxiliary aids and services and such consent is documented contemporaneously by a representative of the Office in accordance with such procedures; or

(C) The disclosure is required by court order;

(iv) Exclusion of the Ombudsman and representatives of the Office from abuse reporting requirements, including when such reporting would disclose identifying information of a complainant or resident without appropriate consent or court order, except as otherwise provided in §1327.19(b)(5) through (8); and

(v) Adherence to the provisions of paragraph (e)(3) of this section, regardless of the source of the request for information or the source of funding for the services of the Ombudsman program, notwithstanding section 705(a)(6)(c) of the Act.
(4) Conflicts of interest. Policies and procedures regarding conflicts of interest must establish mechanisms to identify and remove or remedy conflicts of interest as provided in §1324.21, including:

(i) Ensuring that no individual, or member of the immediate family of an individual, involved in the employment or appointment of the Ombudsman is subject to a conflict of interest;

(ii) Requiring that other agencies in which the Office or local Ombudsman entities are organizationally located have policies in place to prohibit the employment or appointment of an Ombudsman or representatives of the Office with a conflict that cannot be adequately removed or remedied;

(iii) Requiring that the Ombudsman take reasonable steps to refuse, suspend or remove designation of an individual who has a conflict of interest, or who has a member of the immediate family with a conflict of interest, which cannot be adequately removed or remedied;

(iv) Establishing the methods by which the Office and/or State agency will periodically review and identify conflicts of the Ombudsman and representatives of the Office; and

(v) Establishing the actions the Office and/or State agency will require the Ombudsman or representatives of the Office to take in order to remedy or remove such conflicts.

(5) Systems advocacy. Policies and procedures related to systems advocacy must assure that the Office is required and has sufficient authority to carry out its responsibility to analyze, comment on, and monitor the development and implementation of Federal, State, and local laws, regulations, and other government policies and actions that pertain to long-term care facilities and services and to the health, safety, welfare, and rights of residents, and to recommend any changes in such laws, regulations, and policies as the Office determines to be appropriate.

(i) Such procedures must exclude the Ombudsman and representatives of the Office from any State lobbying prohibitions to the extent that such requirements are inconsistent with section 712 of the Act.

(ii) Nothing in this part shall prohibit the Ombudsman or the State agency or other agency in which the Office is organizationally located from establishing policies which promote consultation regarding the determinations of the Office related to recommended changes in laws, regulations, and policies. However, such a policy shall not require a right to review or pre-approve positions or communications of the Office.

(6) Designation. Policies and procedures related to designation must establish the criteria and procedures by which the Ombudsman shall designate and refuse, suspend or remove designation of local Ombudsman entities and representatives of the Office.

(i) Such criteria should include, but not be limited to, the authority to refuse, suspend or remove designation a local Ombudsman entity or representative of the Office in situations in which an identified conflict of interest cannot be adequately removed or remedied as set forth in §1327.21.

(ii) [Reserved]

(7) Grievance process. Policies and procedures related to grievances must establish a grievance process for the receipt and review of grievances regarding the determinations or actions of the Ombudsman and representatives of the Office.

(i) Such process shall include an opportunity for reconsideration of the Ombudsman decision to refuse, suspend, or remove designation of a local Ombudsman entity or representative of the Office. Notwithstanding the grievance process, the Ombudsman shall make the final determination to designate or to refuse, suspend, or remove designation of a local Ombudsman entity or representative of the Office.

(ii) [Reserved]

(8) Determinations of the Office. Policies and procedures related to the determinations of the Office must ensure that the Ombudsman, as head of the Office, shall be able to independently make determinations and establish positions of the Office, without necessarily representing the determinations or positions of the State agency or other agency in which the Office is organizationally located, regarding:
§ 1324.13 Functions and responsibilities of the State Long-Term Care Ombudsman.

The Ombudsman, as head of the Office, shall have responsibility for the leadership and management of the Office in coordination with the State agency, and, where applicable, any other agency carrying out the Ombudsman program, as follows.

(iv) Provide leadership to statewide systems advocacy efforts of the Office on behalf of long-term care facility residents, including coordination of systems advocacy efforts carried out by representatives of the Office; and

(v) Provide information to public and private agencies, legislators, the media, and other persons, regarding the problems and concerns of residents and recommendations related to the problems and concerns.

(vi) Such determinations and positions shall be those of the Office and shall not necessarily represent the determinations or positions of the State agency or other agency in which the Office is organizationally located.

(vii) In carrying out systems advocacy efforts of the Office on behalf of long-term care facility residents and pursuant to the receipt of grant funds under the Act, the provision of information, recommendations of changes of laws to legislators, and recommendations of changes of regulations and policies to government agencies by the Ombudsman or representatives of the Office do not constitute
lobbying activities as defined by 45 CFR part 93.

(8) Coordinate with and promote the development of citizen organizations consistent with the interests of residents; and

(9) Promote, provide technical support for the development of, and provide ongoing support as requested by resident and family councils to protect the well-being and rights of residents; and

(1) Where an Ombudsman chooses to designate local Ombudsman entities, the Ombudsman shall:

(i) Designate local Ombudsman entities to be organizationally located within public or non-profit private entities;

(ii) Review and approve plans or contracts governing local Ombudsman entity operations, including, where applicable, through area agency on aging plans, in coordination with the State agency; and

(5) Policies, procedures, or practices which the Ombudsman determines to be in conflict with the laws, policies, or procedures governing the Ombudsman program shall be sufficient grounds for refusal, suspension, or removal of designation of the representative of the Office and/or the local Ombudsman entity.

(d) Ombudsman program information. The Ombudsman shall manage the files, records, and other information of the Ombudsman program, whether in physical, electronic, or other formats, including information maintained by representatives of the Office and local Ombudsman entities pertaining to the cases and activities of the Ombudsman program. Such files, records, and other
information are the property of the Office. Nothing in this provision shall prohibit a representative of the Office or a local Ombudsman entity from maintaining such information in accordance with Ombudsman program requirements.

(e) Disclosure. In making determinations regarding the disclosure of files, records and other information maintained by the Ombudsman program, the Ombudsman shall:

(1) Have the sole authority to make or delegate determinations concerning the disclosure of the files, records, and other information maintained by the Ombudsman program. The Ombudsman shall comply with section 712(d) of the Act in responding to requests for disclosure of files, records, and other information, regardless of the format of such file, record, or other information, the source of the request, and the sources of funding to the Ombudsman program;

(2) Develop and adhere to criteria to guide the Ombudsman’s discretion in determining whether to disclose the files, records or other information of the Office; and

(3) Develop and adhere to a process for the appropriate disclosure of information maintained by the Office, including:

(b) The State agency shall ensure, through the development of policies, procedures, and other means, consistent with §1324.11(e)(2), that the Ombudsman program has sufficient authority and access to facilities, residents, and information needed to fully perform all of the functions, responsibilities, and duties of the Office.
(c) The State agency shall provide opportunities for training for the Ombudsman and representatives of the Office who are employees of the State agency. Such management shall include an assessment of whether the Office is performing all of its functions under the Act.
(e) The State agency shall provide monitoring, as required by §1321.11(b) of this chapter, including but not limited to fiscal monitoring, where the Office and/or local Ombudsman entity is organizationally located within an agency under contract or other arrangement with the State agency. Such monitoring shall include an assessment of whether the Ombudsman program is performing all of the functions, responsibilities and duties set forth in §§1324.13 and 1324.19. The State agency may make reasonable requests of reports, including aggregated data regarding Ombudsman program activities, to meet the requirements of this provision.

§ 1324.15  45 CFR Ch. XIII (10–1–16 Edition)

(1) Ensure that it has mechanisms to prohibit and investigate allegations of interference, retaliation and reprisals:

(i) by a long-term care facility, other entity, or individual with respect to any resident, employee, or other person for filing a complaint with, providing information to, or otherwise cooperating with any representative of the Office; or

In so doing, the Ombudsman shall coordinate with the legal services developer, legal services providers, and victim assistance services to promote the availability of legal counsel to residents; and

(iii) Legal representation, arranged by or with the approval of the Ombudsman, is provided to the Ombudsman or any representative of the Office against whom suit or other legal action is brought or threatened to be brought in connection with the performance of the official duties.

(2) Such legal counsel may be provided by one or more entities, depending on the nature of the competencies and services needed and as necessary to avoid conflicts of interest (as defined by the State ethical standards governing the legal profession). However, at a minimum, the Office shall have access to an attorney knowledgeable about the Federal and State laws protecting the rights of residents and governing long-term care facilities.

(3) Legal representation of the Ombudsman program by the Ombudsman or representative of the Office who is a licensed attorney shall not by itself constitute sufficiently adequate legal counsel.

§ 1324.17 Responsibilities of agencies hosting local Ombudsman entities.

(a) The agency in which a local Ombudsman entity is organizationally located shall be responsible for the personnel management, but not the programmatic oversight, of representatives, including employee and volunteer representatives, of the Office.

(b) The agency in which a local Ombudsman entity is organizationally located shall not have personnel policies or practices which prohibit the representatives of the Office from performing the duties, or from adhering to the access, confidentiality and disclosure requirements of section 712 of the Act, as implemented through this rule and the policies and procedures of the Office.

(1) Policies, procedures and practices, including personnel management practices of the host agency, which the Ombudsman determines conflict with the laws or policies governing the Ombudsman program shall be sufficient grounds for the refusal, suspension, or removal of the designation of local Ombudsman entity by the Ombudsman.

(2) Nothing in this provision shall prohibit the host agency from requiring that the representatives of the Office adhere to the personnel policies and procedures of the agency which are otherwise lawful.

§ 1324.19 Duties of the representatives of the Office.

In carrying out the duties of the Office, the Ombudsman may designate an entity as a local Ombudsman entity and may designate an employee or volunteer of the local Ombudsman entity as a representative of the Office. Representatives of the Office may also be designated employees or volunteers within the Office.

(a) Duties. An individual so designated as a representative of the Office shall, in accordance with the policies and procedures established by the Office and the State agency:

(1) Identify, investigate, and resolve complaints made by or on behalf of residents that relate to action, inaction, or decisions, that may adversely affect the health, safety, welfare, or rights of the residents;

(2) Provide services to protect the health, safety, welfare, and rights of residents;

(3) Ensure that residents in the service area of the local Ombudsman entity have regular and timely access to the services provided through the Ombudsman program and that residents and complainants receive timely responses to requests for information and complaints;

(4) Represent the interests of residents before government agencies and assure that individual residents have access to, and pursue (as the representative of the Office determines necessary and consistent with resident interest) administrative, legal, and other remedies to protect the health, safety, welfare, and rights of the residents;

(5)(i) Review, and if necessary, comment on any existing and proposed laws, regulations, and other government policies and actions, that pertain to the rights and well-being of residents; and

(7) Carry out other activities that the Ombudsman determines to be appropriate.

(b) Complaint processing. (1) With respect to identifying, investigating and resolving complaints, and regardless of the source of the complaint (i.e. complainant), the Ombudsman and the representatives of the Office serve the resident of a long-term care facility. The Ombudsman or representative of the Office shall investigate a complaint, including but not limited to a complaint related to abuse, neglect, or exploitation, for the purposes of resolving the complaint to the resident’s satisfaction and of protecting the health, welfare, and rights of the resident. The Ombudsman or representative of the Office may identify, investigate and resolve a complaint impacting multiple residents or all residents of a facility.

(2) Regardless of the source of the complaint (i.e. the complainant), including when the source is the Ombudsman or representative of the Office, the
Ombudsman or representative of the Office must support and maximize resident participation in the process of resolving the complaint as follows:

(i) The Ombudsman or representative of Office shall offer privacy to the resident for the purpose of confidentially providing information and hearing, investigating and resolving complaints.

(ii) The Ombudsman or representative of the Office shall personally discuss the complaint with the resident (and, if the resident is unable to communicate informed consent, the resident’s representative) in order to:

(A) Determine the perspective of the resident (or resident representative, where applicable) of the complaint;

(B) Request the resident (or resident representative, where applicable) to communicate informed consent in order to investigate the complaint;

(C) Determine the wishes of the resident (or resident representative, where applicable) with respect to resolution of the complaint, including whether the allegations are to be reported and, if so, whether Ombudsman or representative of the Office may disclose resident identifying information or other relevant information to the facility and/or appropriate agencies. Such report and disclosure shall be consistent with paragraph (b)(3) of this section;

(D) Advise the resident (and resident representative, where applicable) of the resident’s rights;

(E) Work with the resident (or resident representative, where applicable) to develop a plan of action for resolution of the complaint;

(F) Investigate the complaint to determine whether the complaint can be verified; and

(G) Determine whether the complaint is resolved to the satisfaction of the resident (or resident representative, where applicable).

(iii) Where the resident is unable to communicate informed consent, and has no resident representative, the Ombudsman or representative of the Office shall:

(A) Take appropriate steps to investigate and work to resolve the complaint in order to protect the health, safety, welfare and rights of the resident; and

(B) Determine whether the complaint was resolved to the satisfaction of the complainant.

(iv) In determining whether to rely upon a resident representative to communicate or make determinations on behalf of the resident related to complaint processing, the Ombudsman or representative of the Office shall ascertain the extent of the authority that has been granted to the resident representative under court order (in the case of a guardian or conservator), by power of attorney or other document by which the resident has granted authority to the representative, or under other applicable State or Federal law.

(3) The Ombudsman or representative of the Office may provide information regarding the complaint to another agency in order for such agency to substantiate the facts for regulatory, protective services, law enforcement, or other purposes so long as the Ombudsman or representative of the Office adheres to the disclosure requirements of section 712(d) of the Act and the procedures set forth in §1324.11(e)(3).

(i) Where the goals of a resident or resident representative are for regulatory, protective services or law enforcement action, and the Ombudsman or representative of the Office determines that the resident or resident representative has communicated informed consent to the Office, the Office must assist the resident or resident representative in contacting the appropriate agency and/or disclose the information for which the resident has provided consent to the appropriate agency for such purposes.

(ii) Where the goals of a resident or resident representative can be served by disclosing information to a facility representative and/or referrals to an entity other than those referenced in paragraph (b)(3)(i) of this section, and the Ombudsman or representative of the Office determines that the resident or resident representative has communicated informed consent to the Ombudsman program, the Ombudsman or representative of the Office may assist the resident or resident representative in contacting the appropriate facility representative or the entity, provide
information on how a resident or representative may obtain contact information of such facility representatives or entities, and/or disclose the information for which the resident has provided consent to an appropriate facility representative or entity, consistent with Ombudsman program procedures.

(iii) In order to comply with the wishes of the resident, (or, in the case where the resident is unable to communicate informed consent, the wishes of the resident representative), the Ombudsman and representatives of the Office shall not report suspected abuse, neglect or exploitation of a resident when a resident or resident representative has not communicated informed consent to such report except as set forth in paragraphs (b)(5) through (7) of this section, notwithstanding State laws to the contrary.

(4) For purposes of paragraphs (b)(1) through (3) of this section, communication of informed consent may be made in writing, including through the use of auxiliary aids and services. (6) 45 CFR part 84—Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving Federal Financial Assistance.

(8) 45 CFR part 91—Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial Assistance from HHS.

(b) The Departmental Appeals Board also has jurisdiction over appeals by any grantee that has received grants under the UCEDD programs or for Projects of National Significance. The scope of the Board’s jurisdiction concerning these appeals is described in 45 CFR part 16.

(c) The Departmental Appeals Board also has jurisdiction to decide appeals brought by the States concerning any disallowances taken by the Secretary, or his or her designee, with respect to specific expenditures incurred by the States or by contractors or sub grantees of States. This jurisdiction relates to funds provided under the two formula programs—subtitle B of the Act—Federal Assistance to State Councils on Developmental Disabilities, and subtitle C of the Act—Protection and Advocacy for Individuals with Developmental Disabilities. Appeals filed by States shall be decided in accordance with 45 CFR part 16.

(d) In making audits and examination to any books, documents, papers, and transcripts of records of SCDDs, the P&As, the UCEDDs and the Projects of National Significance grantees and sub grantees, as provided for in 45 CFR part 75, the Department will keep information about individual clients confidential to the maximum extent permitted by law and regulations.

(e)(1) The Department or other authorized Federal officials may access client and case eligibility records or other records of a P&A system for audit purposes, and for purposes of monitoring system compliance pursuant to section 103(b) of the Act. However, such information will be limited pursuant to section 144(c) of the Act. No personal identifying information such as name, address, and social security number will be obtained. Only eligibility information will be obtained regarding the type and level of disability of individuals being served by the P&A and the nature of the issue concerning which the system represented an individual.

(2) Notwithstanding paragraph (e)(1) of this section, if an audit, monitoring review, evaluation, or other investigation by the Department produces evidence that the system has violated the Act or the regulations, the system will bear the burden of proving its compliance. The system’s inability to establish compliance because of the confidentiality of records will not relieve it of this responsibility. The P&A may elect to obtain a release regarding personal information and privacy from all individuals requesting or receiving services at the time of intake or application. The release shall state that only information directly related to client and case eligibility will be subject to disclosure to officials of the Department.

§ 1326.4 [Reserved]

Subpart B—Protection and Advocacy for Individuals With Developmental Disabilities (PADD)

§ 1326.19 Definitions.

As used in this subpart and subpart C of this part, the following definitions apply:

Abuse. The term “abuse” means any act or failure to act which was performed, or which was failed to be performed, knowingly, recklessly, or intentionally, and which caused, or may have caused, injury or death to an individual with developmental disabilities, and includes but is not limited to such acts as: Verbal, nonverbal, mental and emotional harassment; rape or sexual assault; striking; the use of excessive force when placing such an individual in bodily restraints; the use of bodily or chemical restraints which is not in compliance with Federal and State laws and regulations, or any other practice which is likely to cause immediate physical or psychological harm or result in long term harm if such practices continue. In addition, the P&A may determine, in its discretion that a violation of an individual’s legal rights amounts to abuse, such as if an individual is subject to significant financial exploitation.

American Indian Consortium. The term “American Indian Consortium” means any confederation of 2 or more recognized American Indian Tribes, created through the official resident population of 150,000 enrolled tribal members and a contiguous territory of Indian lands in two or more States.

Complaint. The term “complaint” includes, but is not limited to, any report or communication, whether formal or informal, written or oral, received by the P&A system, including media accounts, newspaper articles, electronic communications, telephone calls (including anonymous calls) from any source alleging abuse or neglect of an individual with a developmental disability.

Designating official. The term “designating official” means the Governor or other State official, who is empowered by the State legislature or Governor to designate the State official or public or private agency to be accountable for the proper use of funds by and conduct of the agency designated to administer the P&A system.

Full investigation. The term “full investigation” means access to service providers, individuals with developmental disabilities and records authorized under these regulations, that are necessary for a P&A system to make a determination about whether alleged or suspected instances of abuse and neglect are taking place or have taken place. Full investigations may be conducted independently or in cooperation with other agencies authorized to conduct similar investigations.

Legal guardian, Conservator, and Legal representative. The terms “legal guardian,” “conservator,” and “legal representative” all mean a parent of a minor, unless the State has appointed
another legal guardian under applicable State law, or an individual appointed and regularly reviewed by a State court or agency empowered under State law to appoint and review such officers, and having authority to make all decisions on behalf of individuals with developmental disabilities. It does not include persons acting only as a representative payee, persons acting only to handle financial payments, executors and administrators of estates, attorneys or other persons acting on behalf of an individual with developmental disabilities only in individual legal matters, or officials or their designees responsible for the provision of services, supports, and other assistance to an individual with developmental disabilities.

Neglect. The term ‘‘neglect’’ means a negligent act or omission by an individual responsible for providing services, supports or other assistance which caused or may have caused injury or death to an individual with a developmental disability(ies) or which placed an individual with developmental disability(ies) at risk of injury or death, and includes acts or omissions such as failure to: establish or carry out an appropriate individual program plan or treatment plan (including a discharge plan); provide adequate nutrition, clothing, or health care to an individual with developmental disabilities; or provide a safe environment which also includes failure to maintain adequate numbers of trained staff or failure to take appropriate steps to prevent self-abuse, harassment, or assault by a peer.

Probable cause. The term ‘‘probable cause’’ means a reasonable ground for belief that an individual with developmental disability(ies) has been, or may be, subject to abuse or neglect, or that the health or safety of the individual is in serious and immediate jeopardy. The individual making such determination may base the decision on reasonable inferences drawn from his or her experience or training regarding similar incidents, conditions or problems that are usually associated with abuse or neglect.

State Protection and Advocacy System. The term ‘‘State Protection and Advocacy System’’ is synonymous with the term ‘‘P&A’’ used elsewhere in this regulation, and the terms ‘‘System’’ and ‘‘Protection and Advocacy System’’ used in this part and in subpart C of this part.

§ 1326.20 Agency designated as the State Protection and Advocacy System.

(a) The designating official must designate the State official or public or private agency to be accountable for proper use of funds and conduct of the Protection and Advocacy System.

(b) An agency of the State or private agency providing direct services, including guardianship services, may not be designated as the agency to administer the Protection and Advocacy System.

(c) In the event that an entity outside of the State government is designated to carry out the program, the designating official or entity must assign a responsible State official to receive, on behalf of the State, notices of disallowances and compliance actions as the State is accountable for the proper and appropriate expenditure of Federal funds.

(d)(1) Prior to any redesignation of the agency which administers and operates the State Protection and Advocacy System, the designating official must give written notice of the intention to make the redesignation to the agency currently administering and operating the State Protection and Advocacy System by registered or certified mail. The notice must indicate that the proposed redesignation is being made for good cause. The designating official also must publish a public notice of the proposed action. The agency and the public shall have a reasonable period of time, but not less than 45 days, to respond to the notice.

(2) The public notice must include:

(i) The Federal requirements for the State Protection and Advocacy System for individuals with developmental disabilities (section 143 of the Act); and where applicable, the requirements of other Federal advocacy programs administered by the State Protection and Advocacy System;
(ii) The goals and function of the State’s Protection and Advocacy System including the current Statement of Goals and Priorities;

(iii) The name and address of the agency currently designated to administer and operate the State Protection and Advocacy System, and an indication of whether the agency also operates other Federal advocacy programs;

(iv) A description of the current agency operating and administering the Protection and Advocacy System including, as applicable, descriptions of other Federal advocacy programs it operates;

(v) A clear and detailed explanation of the good cause for the proposed redesignation;

(vi) A statement suggesting that interested persons may wish to write the current agency operating and administering the State Protection and Advocacy System at the address provided in paragraph (d)(2)(iii) of this section to obtain a copy of its response to the notice required by paragraph (d)(1) of this section. Copies must be in a format accessible to individuals with disabilities (including plain language), and language assistance services will be provided to individuals with limited English proficiency, such as translated materials or interpretation, upon request;

(vii) The name of the new agency proposed to administer and operate the State Protection and Advocacy System under the Developmental Disabilities Program. This agency will be eligible to administer other Federal advocacy programs;

(viii) A description of the system which the new agency would administer and operate, including a description of all other Federal advocacy programs the agency would operate;

(ix) The timetable for assumption of operations by the new agency and the estimated costs of any transfer and start-up operations; and

(x) A statement of assurance that the proposed new designated State Protection and Advocacy System will continue to serve existing clients and cases of the current P&A system or refer them to other sources of legal advocacy as appropriate, without disruption.

(3) The public notice as required by paragraph (d)(1) of this section, must be in a format accessible to individuals with disabilities, and language assistance services will be provided to individuals with limited English proficiency, such as translated materials or interpretation, upon request to individuals with developmental disabilities or their representatives. The designating official must provide for publication of the notice of the proposed redesignation using the State register, statewide newspapers, public service announcements on radio and television, or any other legally equivalent process. Copies of the notice must be made generally available to individuals with developmental disabilities and mental illness who live in residential facilities through posting or some other means.

(4) After the expiration of the public comment period required in paragraph (d)(1) of this section, the designating official must conduct a public hearing on the redesignation proposal. After consideration of all public and agency comments, the designating official must give notice of the final decision to the currently designated agency and the public through the same means used under paragraph (d)(3) of this section. This notice must include a clear and detailed explanation of the good cause finding. If the notice to the currently designated agency states that the redesignation will take place, it also must inform the agency of its right to appeal this decision to the Secretary, or his or her designee, the authority to hear appeals by the Secretary, or his or her designee, and provide a summary of the public comments received in regard to the notice of intent to redesignate and the results of the public hearing and its responses to those comments. The redesignation shall not be effective until 10 working days after notifying the current agency that administers and operates the State Protection and Advocacy System or, if the agency appeals, until the Secretary, or his or her designee, has considered the appeal.

(e)(1) Following notification as indicated in paragraph (d)(4) of this section, the agency that administers and
operates the State Protection and Advocacy System which is the subject of such action, may appeal the redesignation to the Secretary, or his or her designee. To do so, the agency that administers and operates the State Protection and Advocacy System must submit an appeal in writing to the Secretary, or his or her designee, within 20 days of receiving official notification under paragraph (d)(4) of this section, with a separate copy sent by registered or certified mail to the designating official who made the decision concerning redesignation.

(2) In the event that the agency subject to redesignation does exercise its right to appeal under paragraph (e)(1) of this section, the designating official must give public notice of the Secretary’s, or his or her designated person’s, final decision regarding the appeal through the same means utilized under paragraph (d)(3) of this section within 10 working days of receipt of the Secretary’s, or his or her designee’s, final decision under paragraph (e)(6) of this section.

(3) The designating official within 10 working days from the receipt of a copy of the appeal must provide written comments to the Secretary, or his or her designee, (with a copy sent by registered or certified mail to the Protection and Advocacy agency appealing under paragraph (e)(1) of this section), or withdraw the redesignation. The comments must include a summary of the public comments received in regard to the notice of intent to redesignate and the results of the public hearing and its responses to those comments.

(4) In the event that the designating official withdraws the redesignation while under appeal pursuant to paragraph (e)(1) of this section, the designating official must notify the Secretary, or his or her designee, and the current agency, and must give public notice of his or her decision through the same means utilized under paragraph (d)(3) of this section.

(5) As part of their submission under paragraph (e)(1) or (3) of this section, either party may request, and the Secretary, or his or her designee, may grant an opportunity for a meeting with the Secretary, or his or her designee, at which representatives of both parties will present their views on the issues in the appeal. The meeting will be held within 20 working days of the submission of written comments by the designating official under paragraph (e)(2) of this section. The Secretary, or his or her designee, will promptly notify the parties of the date and place of the meeting.

(6) Within 30 days of the informal meeting under paragraph (e)(5) of this section, or, if there is no informal meeting under paragraph (e)(5) of this section, within 30 days of the submission under paragraph (e)(3) of this section, the Secretary, or his or her designee, will issue to the parties a final written decision on whether the redesignation was for good cause as defined in paragraph (d)(1) of this section. The Secretary, or his or her designee, will receive comments on the record from agencies administering the Federal advocacy programs that will be directly affected by the proposed redesignation. The P&A and the designating official will have an opportunity to comment on the submissions of the Federal advocacy programs. The Secretary, or his or her designee, shall consider the comments of the Federal programs, the P&A and the designating official in making his final decision on the appeal.

(f)(1) Within 30 days after the redesignation becomes effective under paragraph (d)(4) of this section, the designating official must submit an assurance to the Secretary, or his or her designee, that the newly designated agency that will administer and operate the State Protection and Advocacy System meets the requirements of the statute and the regulations.

(2) In the event that the agency administering and operating the State Protection and Advocacy System subject to redesignation does not exercise its rights to appeal within the period provided under paragraph (e)(1) of this section, the designating official must provide to the Secretary, or his or her designee, documentation that the agency was redesignated for good cause. Such documentation must clearly demonstrate that the Protection and Advocacy agency subject to redesignation was not redesignated for any actions or activities which were carried out under
§ 1326.21 Requirements and authority of the State Protection and Advocacy System.

(a) In order for a State to receive Federal funding for Protection and Advocacy activities under this subpart, as well as for the State Council on Developmental Disabilities activities (subpart D of this part), the Protection and Advocacy System must meet the requirements of section 143 and 144 of the Act (42 U.S.C. 15043 and 15044) and that system must be operational.

(b) Allotments must be used to supplement and not to supplant the level of non-Federal funds available in the State for activities under the Act, which shall include activities on behalf of individuals with developmental disabilities to remedy abuse, neglect, and violations of rights as well as information and referral activities.

(c) A P&A shall not implement a policy or practice restricting the remedies that may be sought on behalf of individuals with developmental disabilities or compromising the authority of the P&A to pursue such remedies through litigation, legal action or other forms of advocacy. Under this requirement, States may not establish a policy or practice, which requires the P&A to: Obtain the State’s review or approval of the P&A’s plans to undertake a particular advocacy initiative, including specific litigation (or to pursue litigation rather than some other remedy or approach); refrain from representing individuals with particular types of concerns or legal claims, or refrain from otherwise pursuing a particular course of action designed to remedy a violation of rights, such as educating policymakers about the need for modification or adoption of laws or policies affecting the rights of individuals with developmental disabilities; restrict the manner of the P&A’s investigation in a way that is inconsistent with the System’s required authority under the DD Act; or similarly interfere with the P&A’s exercise of such authority. The requirements of this paragraph (c) shall not prevent P&As, including those functioning as agencies within State governments, from developing case or client acceptance criteria as part of the annual priorities identified by the P&A as described in §1326.23(c). Clients must be informed at the time they apply for services of such criteria.

(d) A Protection and Advocacy System shall be free from hiring freezes, reductions in force, prohibitions on staff travel, or other policies, imposed by the State, to the extent that such policies would impact system program staff or functions funded with Federal funds, and would prevent the system from carrying out its mandates under the Act.

(e) A Protection and Advocacy System shall have sufficient staff, qualified by training and experience, to carry out the responsibilities of the system in accordance with the priorities of the system and requirements of the Act. These responsibilities include the investigation of allegations of abuse, neglect and representations of individuals with developmental disabilities regarding rights violations.

(f) A Protection and Advocacy System may exercise its authority under State law where the State authority exceeds the authority required by the Developmental Disabilities Assistance and Bill of Rights Act of 2000. However, State law must not diminish the required authority of the Protection and Advocacy System as set by the Act.

(g) Each Protection and Advocacy System that is a public system without a multimember governing or advisory board must establish an advisory council in order to provide a voice for individuals with developmental disabilities. The Advisory Council shall advise the Protection and Advocacy System on program policies and priorities. The Advisory Council and Governing Board shall be comprised of a majority of individuals with disabilities who are eligible for services, have received or are receiving services, parents, family members, guardians, advocates, or authorized representatives of such individuals.

(h) Prior to any Federal review of the State program, a 30-day notice and an opportunity for public comment must be published in the Federal Register. Reasonable effort shall be made by
Office of Human Development Services, HHS

§ 1326.22 Periodic reports: State Protection and Advocacy System.

(a) By January 1 of each year, each State Protection and Advocacy System shall submit to AIDD, an Annual Program Performance Report. In order to be accepted, the Report must meet the requirements of section 144(e) of the Act (42 U.S.C. 15044), the applicable regulation and include information on the System’s program necessary for the Secretary, or his or her designee, to comply with section 105(1), (2), and (3) of the Act (42 U.S.C. 15005). The Report shall describe the activities, accomplishments, and expenditures of the system during the preceding fiscal year. Reports shall include a description of the system’s goals and the extent to which the goals were achieved, barriers to their achievement; the process used to obtain public input, the nature of such input, and how such input was used; the extent to which unserved or underserved individuals or groups, particularly from ethnic or racial groups or geographic regions (e.g., rural or urban areas) were the target of assistance or service; and other such information on the Protection and Advocacy System’s activities requested by AIDD.

(b) Financial status reports (standard form 425) must be submitted by the agency administering and operating the State Protection and Advocacy System semiannually.

(c) By January 1 of each year, the State Protection and Advocacy System shall submit to AIDD, an Annual Statement of Goals and Priorities, (SGP), for the coming fiscal year as required under section 143(a)(2)(C) of the Act (42 U.S.C. 15043). In order to be accepted by AIDD, an SGP must meet the requirements of section 143 of the Act.

(1) The SGP is a description and explanation of the system’s goals and priorities for its activities, selection criteria for its individual advocacy and training activities, and the outcomes it strives to accomplish. The SGP is developed through data driven strategic planning. If changes are made to the goals or the indicators of progress established for a year, the SGP must be amended to reflect those changes. The SGP must include a description of how the Protection and Advocacy System
§ 1326.23 Non-allowable costs for the State Protection and Advocacy System.

(a) Federal financial participation is not allowable for:

1. Costs incurred for activities on behalf of individuals with developmental disabilities to solve problems not directly related to their disabilities and which are faced by the general populace. Such activities include but are not limited to: Preparation of wills, divorce decrees, and real estate proceedings. Allowable costs in such cases would include the Protection and Advocacy System providing disability-related technical assistance information and referral to appropriate programs and services;

2. Costs not allowed under other applicable statutes, Departmental regulations and issuances of the Office of Management and Budget.

(b) Attorneys’ fees are considered program income pursuant to 45 CFR part 75 and must be added to the funds committed to the program and used to further the objectives of the program. This requirement shall apply to all attorneys’ fees, including those earned by contractors and those received after the project period in which they were earned.

§ 1326.24 Allowable litigation costs.

Allotments may be used to pay the otherwise allowable costs incurred by a Protection and Advocacy System in bringing lawsuits in its own right to redress incidents of abuse or neglect, discrimination and other rights violations impacting the ability of individuals with developmental disabilities to obtain access to records and when it appears on behalf of named plaintiffs or a class of plaintiff for such purposes.
Subpart C—Access to Records, Service Providers, and Individuals With Developmental Disabilities

§ 1326.25 Access to records.

(a) Pursuant to sections 143(a)(2), (A)(1), (B), (I), and (J) of the Act, and subject to the provisions of this section, a Protection and Advocacy (P&A) System, and all of its authorized agents, shall have access to the records of individuals with developmental disabilities under the following circumstances:

(1) If authorized by an individual who is a client of the system, or who has requested assistance from the system, or by such individual’s legal guardian, conservator or other legal representative.

(2) In the case of an individual to whom all of the following conditions apply:

(i) The individual, due to his or her mental or physical condition, is unable to authorize the system to have access;

(ii) The individual does not have a legal guardian, conservator or other legal representative, or the individual’s guardian is the State (or one of its political subdivisions); and

(iii) The individual has been the subject of a complaint to the P&A system, or the P&A system has probable cause (which can be the result of monitoring or other activities including media reports and newspaper articles) to believe that such individual has been subject to abuse and neglect.

(3) In the case of an individual, who has a legal guardian, conservator, or other legal representative, about whom a complaint has been received by the system or, as a result of monitoring or other activities, the system has determined that there is probable cause to believe that the individual with developmental disability has been subject to abuse or neglect, whenever the following conditions exist:

(i) The P&A system has made a good faith effort to contact the legal guardian, conservator, or other legal representative upon prompt receipt (within the timelines set forth in paragraph (c) of this section) of the contact information (which is required to include but not limited to name, address, telephone numbers, and email address) of the legal guardian, conservator, or other legal representative;

(ii) The system has offered assistance to the legal guardian, conservator, or other legal representative to resolve the situation; and

(iii) The legal guardian, conservator, or other legal representative has failed or refused to provide consent on behalf of the individual.

(4) If the P&A determines there is probable cause to believe that the health or safety of an individual is in serious and immediate jeopardy, no consent from another party is needed.

(5) In the case of death, no consent from another party is needed. Probable cause to believe that the death of an individual with a developmental disability resulted from abuse or neglect or any other specific cause is not required for the P&A system to obtain access to the records. Any individual who dies in a situation in which services, supports, or other assistance are, have been, or may customarily be provided to individuals with developmental disabilities shall, for the purposes of the P&A system obtaining access to the individual’s records, be deemed an “individual with a developmental disability.”

(b) Individual records to which P&A systems must have access under section 143(a)(2), (A)(1), (B), (I), and (J) of the Act (whether written or in another medium, draft, preliminary or final, including handwritten notes, electronic files, photographs or video or audiotape records) shall include, but shall not be limited to:

(1) Individual records prepared or received in the course of providing intake, assessment, evaluation, education, training and other services; supports or assistance, including medical records, financial records, and monitoring and other reports prepared or received by a service provider. This includes records stored or maintained at sites other than that of the service provider, as well as records that were not prepared by the service provider, but received by the service provider from other service providers.

(2) Reports prepared by a Federal, State or local governmental agency, or
a private organization charged with investigating incidents of abuse or neglect, injury or death. The organizations whose reports are subject to this requirement include, but are not limited to, agencies in the foster care systems, developmental disabilities systems, prison and jail systems, public and private educational systems, emergency shelters, criminal and civil law enforcement agencies such as police departments, agencies overseeing juvenile justice facilities, juvenile detention facilities, State and Federal licensing and certification agencies, and private accreditation organizations such as the Joint Commission on the Accreditation of Health Care Organizations or by medical care evaluation or peer review committees, regardless of whether they are protected by federal or state law. The reports subject to this requirement describe any or all of the following:

(i) The incidents of abuse, neglect, injury, and/or death;

(ii) The steps taken to investigate the incidents;

(iii) Reports and records, including personnel records, prepared or maintained by the service provider in connection with such reports of incidents; or,

(iv) Supporting information that was relied upon in creating a report including all information and records that describe persons who were interviewed, physical and documentary evidence that was reviewed, and the related investigative findings;

(3) Discharge planning records; and

(4) Information in professional, performance, building or other safety standards, and demographic and statistical information relating to a service provider.

(c) The time period in which the P&A system must be given access to records of individuals with developmental disabilities under sections 143(a)(2)(A)(i), (B), (d), and (J) of the Act, and subject to the provisions of this section, varies depending on the following circumstances:

(1) If the P&A system determines that there is probable cause to believe that the health or safety of the individual with a developmental disability is in serious and immediate jeopardy, or in any case of the death of an individual with a developmental disability, access to the records of the individual with a developmental disability, as described in paragraph (b) of this section shall be provided (including the right to inspect and copy records as specified in paragraph (d) of this section) to the P&A system within 24 hours of receipt of the P&A system's written request for the records without the consent of another party.

(2) In all other cases, access to records of individuals with developmental disabilities shall be provided to the P&A system within three business days after the receipt of such a written request from the P&A system.

(d) A P&A shall be permitted to inspect and copy information and records, subject to a reasonable charge to offset duplicating costs. If the service provider or its agents copy the records for the P&A system, it may not charge the P&A system an amount that would exceed the amount customarily charged other non-profit or State government agencies for reproducing documents. At its option, the P&A may make written notes when inspecting information and records, and may use its own photocopying equipment to obtain copies. If a party other than the P&A system performs the photocopying or other reproduction of records, it shall provide the photocopies or reproductions to the P&A system within the time frames specified in paragraph (c) of this section. In addition, where records are kept or maintained electronically they shall be provided to the P&A electronically.

(e) The Health Insurance Portability and Accountability Act Privacy Rule permits the disclosure of protected health information (PHI) without the authorization of the individual to a P&A system to the extent that such disclosure is required by law and the disclosure complies with the requirements of that law.

(f) Educational agencies, including public, private, and charter schools, as well as, public and private residential and non-residential schools, must provide a P&A with the name of and contact information for the parent or guardian of a student for whom the
P&A has probable cause to obtain records under the DD Act.

§ 1326.26 Denial or delay of access to records.

If a P&A system’s access is denied or delayed beyond the deadlines specified in §1326.25, the P&A system shall be provided, within one business day after the expiration of such deadline, with a written statement of reasons for the denial or delay. In the case of a denial for alleged lack of authorization, the name, address and telephone number of individuals with developmental disabilities and legal guardians, conservators, or other legal representative will be included in the aforementioned response. All of the above information shall be provided whether or not the P&A has probable cause to suspect abuse or neglect, or has received a complaint.

§ 1326.27 Access to service providers and individuals with developmental disabilities.

(a) Access to service providers and individuals with developmental disabilities shall be extended to all authorized agents of a P&A system.

(b) The P&A system shall have reasonable unaccompanied access to individuals with developmental disabilities at all times necessary to conduct a full investigation of an incident of abuse or neglect.

(1) Such access shall be afforded upon request, by the P&A system when:
   (i) An incident is reported or a complaint is made to the P&A system;
   (ii) The P&A system determines that there is probable cause to believe that an incident has or may have occurred; or
   (iii) The P&A system determines that there is or may be imminent danger of serious abuse or neglect of an individual with a developmental disability.

(2) A P&A system shall have reasonable unaccompanied access to public and private service providers, programs in the State, and to all areas of the service provider’s premises that are used by individuals with developmental disabilities or are accessible to them. Such access shall be provided without advance notice and made available immediately upon request. This authority shall include the opportunity to interview any individual with developmental disability, employee, or other persons, including the person thought to be the victim of such abuse, who might be reasonably believed by the system to have knowledge of the incident under investigation. The P&A may not be required to provide the name or other identifying information regarding the individual with developmental disability or staff with whom it plans to meet; neither may the P&A be required to justify or explain its interaction with such persons.

(c) In addition to the access required under paragraph (b) of this section, a P&A system shall have reasonable unaccompanied access to service providers for routine circumstances. This includes areas which are used by individuals with developmental disabilities and are accessible to individuals with developmental disabilities at reasonable times, which at a minimum shall include normal working hours and visiting hours. A P&A also shall be permitted to attend treatment planning meetings concerning individuals with developmental disabilities with the consent of the individual or his or her guardian, conservator or other legal representative, except that no consent is required if the individual, due to his or mental or physical condition, is unable to authorize the system to have access to a treatment planning meeting; and the individual does not have a legal guardian, conservator or other legal representative, or the individual’s guardian is the State (or one of its political subdivisions).

(1) Access to service providers shall be afforded immediately upon an oral or written request by the P&A system. Except where complying with the P&A’s request would interfere with treatment or therapy to be provided, service providers shall provide access to individuals for the purpose covered by this paragraph. If the P&As access to an individual must be delayed beyond 24 hours to allow for the provision of treatment or therapy, the P&A shall receive access as soon as possible thereafter. In cases where a service provider denies a P&A access to an individual with a developmental disability on the grounds that such access would interfere with the individual’s
§ 1326.28 Confidentiality of State Protection and Advocacy System records.

(a) A P&A shall, at minimum, comply with the confidentiality provisions of all applicable Federal and State laws.

(b) Records maintained by the P&A system are the property of the P&A system which must protect them from loss, damage, tampering, unauthorized use, or tampering. The P&A system must:

(i) Except as provided elsewhere in this section, keep confidential all records and information, including information contained in any automated electronic database pertaining to:

(ii) Clients;

(ii) Individuals who have been provided general information or technical assistance on a particular matter;
(iii) The identity of individuals who report incidents of abuse or neglect, or who furnish information that forms the basis for a determination that probable cause exists; and

(iv) Names of individuals who have received services, supports or other assistance, and who provided information to the P&A for the record.

(v) Peer review records.

(2) Have written policies governing the access, storage, duplication and release of information from client records, including the release of information peer review records.

(3) Obtain written consent from the client, or from his or her legal representative; individuals who have been provided general information or technical assistance on a particular matter; and individuals who furnish reports or information that form the basis for a determination of probable cause, before releasing information concerning such individuals to those not otherwise authorized to receive it.

(c) Nothing in this subpart shall prevent the P&A system from issuing a public report of the results of an investigation which maintains the confidentiality of the individuals listed in paragraph (a)(1) of this section, or reporting the results of an investigation in a manner which maintains the confidentiality of such individuals, to responsible investigative or enforcement agencies should an investigation reveal information concerning the service provider, its staff, or employees warranting possible sanctions or corrective action. This information may be reported to agencies responsible for service provider licensing or accreditation, employee discipline, employee licensing or certification, or criminal investigation or prosecution.

(d) Notwithstanding the confidentiality requirements of this section, the P&A may make a report to investigative or enforcement agencies, as described in paragraph (b) of this section, which reveals the identity of an individual with developmental disability, and information relating to his or her status or treatment:

(1) When the system has received a complaint that the individual has been or may be subject to abuse and neglect, or has probable cause (which can be the result of monitoring or other activities including media reports and newspaper articles) to believe that such individual has been or may be subject to abuse or neglect;

(2) When the system determines that there is probable cause to believe the health or safety of the individual is in serious and immediate jeopardy; or

(3) In any case of the death of an individual whom the system believes may have had a developmental disability.

Subpart D—Federal Assistance to State Councils on Developmental Disabilities

§ 1326.30 State plan requirements.

(a) In order to receive Federal funding under this subpart, each State Developmental Disabilities Council must prepare and submit a State plan which meets the requirements of sections 124 and 125 of the Act (42 U.S.C. 15024 and 15025), and the applicable regulation. Development of the State plan and its periodic updating are the responsibility of the State Council on Developmental Disabilities. As provided in section 124(d) of the Act, the Council shall provide opportunities for public input and review (in accessible formats and plain language requirements), and will consult with the Designated State Agency to determine that the plan is consistent with applicable State laws, and obtain appropriate State plan assurances.

(b) Failure to comply with the State plan requirements may result in the loss of Federal funds as described in section 127 of the Act (42 U.S.C. 15027). The Secretary, or his or her designee, must provide reasonable notice and an opportunity for a hearing to the Council and the Designated State Agency before withholding any payments for planning, administration, and services.

(c) The State plan must be submitted through the designated system by AIDD which is used to collect quantifiable and qualifiable information from the State Councils on Developmental Disabilities. The plan must:

(1) Identify the agency or office in the State designated to support the Council in accordance with section
124(c)(2) and 125(d) of the Act. The Designated State Agency shall provide required assurances and support services requested from and negotiated with the Council.

(2) For a year covered by the State plan, include for each area of emphasis under which a goal or goals have been identified, the measures of progress the Council has established or is required to apply in its progress in furthering the purpose of the Developmental Disabilities Assistance and Bill of Rights Act through advocacy, capacity building, and systemic change activities.

(3) Provide for the establishment and maintenance of a Council in accordance with section 125 of the Act and describe the membership of such Council. The non-State agency members of the Council shall be subject to term limits to ensure rotating membership.

(d) The State plan must be updated during the five-year period when substantive changes are contemplated in plan content, including changes under paragraph (c)(2) of this section.

(e) The State plan may provide for funding projects to demonstrate new approaches to direct services that enhance the independence, productivity, and integration and inclusion into the community of individuals with developmental disabilities. Direct service demonstrations must be short-term, with a strategy to locate on-going funding from other sources after five years. Any State desiring to receive assistance beyond five years, under this subtitle, shall include in the State plan the information listed in paragraphs (f)(1) through (3) of this section, and AIDD reserves the right as the overseeing agency to deny the continuation of the demonstration project beyond five years.

(1) The estimated period for the project’s continued duration;

(2) Justifications of why the project cannot be funded by the State or other resources and should receive continued funding; and

(3) Provide data showing evidence of success.

(f) The State plan may provide for funding of other demonstration projects or activities, including but not limited to outreach, training, technical assistance, supporting and educating communities, interagency collaboration and coordination, coordination with related councils, committees and programs, barrier elimination, systems design and redesign, coalition development and citizen participation, and informing policymakers. Demonstrations must be short-term, with a strategy to locate on-going funding from other sources after five years. Any State desiring to receive assistance beyond five years, under this subtitle, shall include in the State plan the information listed in paragraphs (f)(1) through (3) of this section, and AIDD reserves the right as the overseeing agency to deny the continuation of the demonstration project beyond five years.

(1) The estimated period for the project’s continued duration;

(2) Justifications on why the project cannot be funded by the State or other resources and should receive continued funding; and

(3) Provide data showing evidence of success.

(g) The State plan must contain assurances that are consistent with section 124 of the Act (42 U.S.C. 15024).

§ 1326.31 State plan submittal and approval.

(a) The Council shall issue a public notice about the availability of the proposed State plan or State plan amendment(s) for comment. The notice shall be published in formats accessible to individuals with developmental disabilities and the general public (e.g., public forums, Web sites, newspapers, and other current technologies) and shall provide a 45-day period for public review and comment. The Council shall take into account comments submitted within that period, and respond in the State plan to significant comments and suggestions. A summary of the Council’s responses to State plan comments shall be submitted with the State plan and made available for public review. This document shall be made available in accessible formats upon request.

(b) The State plan or amendment must be submitted to AIDD 45 days prior to the fiscal year for which it is applicable.

(c) Failure to submit an approvable State plan or amendment prior to the
Federal fiscal year for which it is applicable may result in the loss of Federal financial participation. Plans received during a quarter of the Federal fiscal year are approved back to the first day of the quarter so costs incurred during the period of the fiscal year for which an approved plan is not in effect are not eligible for Federal financial participation.

(d) The Secretary, or his or her designee, must approve any State plan or plan amendment provided it meets the requirements of the Act and this regulation.

§ 1326.32 Periodic reports: Federal assistance to State Councils on Developmental Disabilities.

(a) The Governor or appropriate State financial officer must submit financial status reports (AIDD–02B) on the programs funded under this subpart semiannually.

(b) By January 1 of each year, the State Council on Developmental Disabilities shall submit to AIDD, an Annual Program Performance Report through the system established by AIDD. In order to be accepted by AIDD, reports must meet the requirements of section 125(c)(7) of the Act (42 U.S.C. 15025) and the applicable regulations, include the information on its program necessary for the Secretary, or his or her designee, to comply with section 105(3), (2), and (3) of the Act (42 U.S.C. 15005), and any other information requested by AIDD. Each Report shall contain information about the progress made by the Council in achieving its goals including:

1. A description of the extent to which the goals were achieved;
2. A description of the extent to which the goals were not achieved, a description of factors that impeded the achievement;
3. Separate information on the self-advocacy goal described in section 124(c)(4)(A)(ii) of the Act (42 U.S.C. 15024);
4. As appropriate, an update on the results of the comprehensive review and analysis of the extent to which services, supports, and other assistance are available to individuals with developmental disabilities and their families, including the extent of unmet needs for services, supports, and other assistance for those individuals and their families, in the State as required in section 124(c)(3) of the Act (42 U.S.C. 15024);
5. Information on individual satisfaction with Council supported or conducted activities;
6. A description of the adequacy of health care and other services, supports, and assistance that individuals with developmental disabilities in Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICF/IID) receive;
7. To the extent available, a description of the adequacy of health care and other services, supports, and assistance received by individuals with developmental disabilities served through home and community-based waivers (authorized under section 1915(c) of the Social Security Act);
8. An accounting of the funds paid to the State awarded under the DD Council program;
9. A description of the adequacy of community living activities.
10. An accounting of the funds paid to the State awarded under the DD Council program;
11. A description of the adequacy of health care and other services, supports, and assistance received by individuals with developmental disabilities served through home and community-based waivers (authorized under section 1915(c) of the Social Security Act).
12. A description of the method by which the Council will widely disseminate the annual report to affected constituencies and the general public and will assure that the report is available in accessible formats.

(c) Each Council must include in its Annual Program Performance Report information on its achievement of the measures of progress.

§ 1326.33 Protection of employees interests.

(a) Based on section 124(c)(5)(J) of the Act (42 U.S.C. 15024(c)(5)(J)), the State plan must assure fair and equitable arrangements to protect the interest of all institutional employees affected by actions under the plan to provide community living activities. The State
must inform employees of the State’s decision to provide for community living activities. Specific arrangements for the protection of affected employees must be developed through negotiations between the appropriate State authorities and employees or their representatives.

(b) Fair and equitable arrangements must include procedures that provide for the impartial resolution of disputes between the State and an employee concerning the interpretation, application, and enforcement of protection arrangements. To the maximum extent practicable, these arrangements must include provisions for:

1. The preservation of rights and benefits;
2. Guaranteeing employment to employees affected by action under the plan to provide alternative community living arrangements; and
3. Employee training and retraining programs.

§ 1386.34 Designated State Agency.

(a) The Designated State Agency shall provide the required assurances and other support services as requested and negotiated by the Council. These include:

1. Provision of financial reporting and other services as provided under section 125(d)(3)(D) of the Act; and
2. Information and direction, as appropriate, on procedures on the hiring, supervision, and assignment of staff in accordance with State law.

(b) If the State Council on Developmental Disabilities requests a review by the Governor (or State legislature, if applicable) of the Designated State Agency, the Council must provide documentation of the reason for change, and recommend a new preferred Designated State Agency by the Governor (or State legislature, if applicable).

(c) After the review is completed by the Governor (or State legislature, if applicable), and if no change is made, a majority of the non-State agency members of the Council may appeal to the Secretary, or his or her designee, for a review of the Designated State Agency if the Council’s independence as an advocate is not assured because of the actions or inactions of the Designated State Agency.

(d) The following steps apply to the appeal of the Governor’s (or State legislature, if applicable) designation of the Designated State Agency.

1. Prior to an appeal to the Secretary, or his or her designee, the State Council on Developmental Disabilities, must give a 30 day written notice, by certified mail, to the Governor (or State legislature, if applicable) of the majority of non-State members’ intention to appeal the designation of the Designated State Agency.

2. The appeal must clearly identify the grounds for the claim that the Council’s independence as an advocate is not assured because of the action or inactions of the Designated State Agency.

3. Upon receipt of the appeal from the State Council on Developmental Disabilities, the Secretary, or his or her designee, will notify the State Council on Developmental Disabilities and the Governor (or State legislature, if applicable), by certified mail, that the appeal has been received and will be acted upon within 60 days. The Governor (or State legislature, if applicable) shall within 10 working days from the receipt of the Secretary’s, or his or her designated person’s, notification provide written comments to the Secretary, or his or her designee, with a copy sent by registered or certified mail to the Council. Either party may request, and the Secretary, or his or her designee, may grant, an opportunity for an informal meeting with the Secretary, or his or her designee, at which representatives from both parties will present their views on the issues in the appeal. The meeting will be held within 20 working days of the submission of written comments by the Governor (or State legislature, if applicable). The Secretary, or his or her designee, will promptly notify the parties of the date and place of the meeting.

4. The Secretary, or his or her designee, will review the issue(s) and provide a final written decision within 60 days following receipt of the appeal from the State Council on Developmental Disabilities. If the determination is made that the Designated State Agency should be redesignated, the
Governor (or State legislature, if applicable) must provide written assurance of compliance within 45 days from receipt of the decision.

(5) Anytime during this appeals process the State Council on Developmental Disabilities may withdraw such request if resolution has been reached with the Governor (or State legislature, if applicable) on the Designated State Agency. The Governor (or State legislature, if applicable) must notify the Secretary, or his or her designee, in writing of such a decision.

(e) The Designated State Agency may authorize the Council to contract with State agencies other than the Designated State Agency to perform functions of the Designated State Agency.

§ 1326.35 Allowable and non-allowable costs for Federal assistance to State Councils on Developmental Disabilities.

(a) Under this subpart, Federal funding is available for costs resulting from obligations incurred under the approved State plan for the necessary expenses of administering the plan, which may include the establishment and maintenance of the State Council, and all programs, projects, and activities carried out under the State plan.

(b) Expenditures which are not allowable for Federal financial participation are:

(1) Costs incurred by institutions or other residential or non-residential programs which do not comply with the Congressional findings with respect to the rights of individuals with developmental disabilities in section 109 of the Act (42 U.S.C. 15009).

(2) Costs incurred for activities not provided for in the approved State plan; and

(3) Costs not allowed under other applicable statutes, Departmental regulations, or issuances of the Office of Management and Budget.

(c) Expenditures of funds that supplant State and local funds are not allowed. Supplanting occurs when State or local funds previously used to fund activities under the State plan are replaced by Federal funds for the same purpose. However, supplanting does not occur if State or local funds are replaced with Federal funds for a particular activity or purpose in the approved State plan if the replaced State or local funds are then used for other activities or purposes in the approved State plan.

(d) For purposes of determining aggregate minimum State share of expenditures, there are three categories of expenditures:

(1) Expenditures for projects or activities undertaken directly by the Council and Council staff to implement State plan activities, as described in section 126(a)(3) of the Act, require no non-Federal aggregate of the necessary costs of such activities.

(2) Expenditures for projects whose activities or products target individuals with developmental disabilities who live in urban or rural poverty areas, as determined by the Secretary, or his or her designee, but not carried out directly by the Council and Council staff, as described in section 126(a)(2) of the Act, shall have non-Federal funding of at least 10 percent in the aggregate of the necessary costs of such projects.

(3) All other projects not directly carried out by the Council and Council staff shall have non-Federal funding of at least 25 percent in the aggregate of the necessary costs of such projects.

(e) The Council may vary the non-Federal funding required on a project-by-project, activity-by-activity basis (both poverty and non-poverty activities), including requiring no non-Federal funding from particular projects or activities as the Council deems appropriate so long as the requirement for aggregate non-Federal funding is met.

§ 1326.36 Final disapproval of the State plan or plan amendments.

The Department will disapprove any State plan or plan amendment only after the following procedures have been complied with:

(a) The State plan has been submitted to AIDD for review. If after contacting the State on issues with the plan with no resolution, a detailed written analysis of the reasons for recommending disapproval shall be prepared and provided to the State Council and State Designated Agency.

(b) Once the Secretary, or his or her designee, has determined that the

For purposes of this subpart the Secretary’s “designee” refers to a person, such as the Administrator of ACL, who has been delegated broad authority to carry out all or some of the authorizing statute. The term designee does not refer to a presiding officer designated only to conduct a particular hearing or hearings.

§ 1326.81 Scope of rules.

(a) The rules of procedures in this subpart govern the practice for hearings afforded by the Department to States pursuant to sections 124, 127, and 143 of the Act. (42 U.S.C. 15024, 15027, and 15043).

(b) Nothing in this part is intended to preclude or limit negotiations between the Department and the State, whether before, during, or after the hearing to resolve the issues that are, or otherwise would be, considered at the hearing. Negotiation and resolution of issues are not part of the hearing and are not governed by the rules in this subpart, except as otherwise provided in this subpart.

§ 1326.82 Records to the public.

All pleadings, correspondence, exhibits, transcripts of testimony, exceptions, briefs, decisions, and other documents filed in the docket in any proceeding are subject to public inspection.

§ 1326.83 Use of gender and number.

As used in this subpart, words importing the singular number may extend and be applied to several persons or things, and vice versa. Words importing either gender may be applied to the other gender or to organizations.

§ 1326.84 Suspension of rules.

Upon notice to all parties, the Secretary or the Secretary’s designee may modify or waive any rule in this subpart, unless otherwise expressly provided, upon determination that no party will be unduly prejudiced and justice will be served.
§ 1326.85 Filing and service of papers.

(a) All papers in the proceedings must be filed with the designated individual in an original and two copies. Only the originals of exhibits and transcripts of testimony need be filed.

(b) Copies of papers in the proceedings must be served on all parties by personal delivery or by mail. Service on the party's designated representative is deemed service upon the party.

§ 1326.90 Notice of hearing or opportunity for hearing.

Proceedings are commenced by mailing a notice of hearing or opportunity for hearing from the Secretary, or his or her designee, to the State Council on Developmental Disabilities and the Designated State Agency, or to the State Protection and Advocacy System or designating official. The notice must state the time and place for the hearing and the issues that will be considered. The notice must be published in the FEDERAL REGISTER.

§ 1326.91 Time of hearing.

The hearing must be scheduled not less than 30 days, nor more than 60 days after the notice of the hearing is mailed to the State.

§ 1326.92 Place.

The hearing must be held on a date and at a time and place determined by the Secretary, or his or her designee, with due regard for convenience, and necessity of the parties or their representatives. The site of the hearing shall be accessible to individuals with disabilities.

§ 1326.93 Issues at hearing.

(a) Prior to a hearing, the Secretary or his or her designee may notify the State in writing of additional issues which will be considered at the hearing. That notice must be published in the FEDERAL REGISTER. If that notice is mailed to the State less than 20 days before the date of the hearing, the State or any other party, at its request, must be granted a postponement of the hearing to a date 20 days after the notice was mailed or such later date as may be agreed to by the Secretary or his or her designee.

(b) If any issue is resolved in whole or in part, but new or modified issues are presented, the hearing must proceed on the new or modified issues.

(c)(1) If at any time, whether prior to, during, or after the hearing, the Secretary, or his or her designee, finds that the State has come into compliance with Federal requirements on any issue in whole or in part, he or she must remove the issue from the proceedings in whole or in part as may be appropriate. If all issues are removed the Secretary, or his or her designee, must terminate the hearing.

(2) Prior to the removal of an issue, in whole or in part, from a hearing involving issues relating to the conformity with Federal requirements under part B of the Act, of the State plan or the activities of the State Protection and Advocacy System, the Secretary, or his or her designee, must provide all parties other than the Department and the State (see §1386.94(b)) with the statement of his or her intention to remove an issue from the hearing and the reasons for that decision. A copy of the proposed State plan provision or document explaining changes in the activities of the State’s Protection and Advocacy System on which the State and the Secretary, or his or her designee, have settled must be sent to the parties. The parties must have an opportunity to submit in writing within 15 days their views as to, or any information bearing upon, the merits of the proposed provision and the merits of the reasons for removing the issue from the hearing.

(d) In hearings involving questions of noncompliance of a State’s operation of its program under part B of the Act, with the State plan or with Federal requirements, or compliance of the State Protection and Advocacy System with Federal requirements, the same procedure set forth in paragraph (c)(2) of this section must be followed with respect to any report or evidence resulting in a conclusion by the Secretary, or his or her designee, that a State has achieved compliance.

(e) The issues considered at the hearing must be limited to those issues of which the State is notified as provided
in §1326.90 and paragraph (a) of this section, and new or modified issues described in paragraph (b) of this section, and may not include issues or parts of issues removed from the proceedings pursuant to paragraph (c) of this section.

§1326.94 Request to participate in hearing.

(a) The Department, the State, the State Council on Developmental Disabilities, the Designated State Agency, and the State Protection and Advocacy System, as appropriate, are parties to the hearing without making a specific request to participate.

(b)(1) Other individuals or groups may be recognized as parties if the issues to be considered at the hearing have caused them injury and their interests are relevant to the issues in the hearing.

(2) Any individual or group wishing to participate as a party must file a petition with the designated individual within 15 days after notice of the hearing has been published in the FEDERAL REGISTER, and must serve a copy on each party of record at that time in accordance with §1326.85(b). The petition must concisely state:
   (i) Petitioner’s interest in the proceeding;
   (ii) Who will appear for petitioner;
   (iii) The issues the petitioner wishes to address; and
   (iv) Whether the petitioner intends to present witnesses.

(c)(1) Any interested person or organization wishing to participate as amicus curiae must file a petition with the designated individual before the commencement of the hearing. The petition must concisely state:
   (i) The petitioner’s interest in the hearing;
   (ii) Who will represent the petitioner; and
   (iii) The issues on which the petitioner intends to present argument.

(2) The presiding officer may grant the petition if he or she finds that the petitioner has a legitimate interest in the proceedings and that such participation will not unduly delay the outcome and may contribute materially to the proper disposition of the issues.

(3) An amicus curiae may present a brief oral statement at the hearing at the point in the proceedings specified by the presiding officer. It may submit a written statement of position to the presiding officer prior to the beginning of a hearing and must serve a copy on each party. It also may submit a brief or written statement at such time as the parties submit briefs and must serve a copy on each party.

As used in this part:
(a) Secretary means the Secretary of the Department of Health and Human Services.
(b) Administrator means the Administrator of the Administration for Community Living.
(c) Director means the Director of the National Institute on Disability, Independent Living, and Rehabilitation Research.
(d) Research is classified on a continuum from basic to applied:
(1) Basic research is research in which the investigator is concerned primarily with gaining new knowledge or understanding of a subject without reference to any immediate application or utility.
(2) Applied research is research in which the investigator is primarily interested in developing new knowledge, information, or understanding which can be applied to a predetermined rehabilitation problem or need.
(e) Development activities use knowledge and understanding gained from research to create materials, devices, systems, or methods beneficial to the target population, including design and development of prototypes and processes.
(f) Products encompass models, methods, tools, applications, and devices, but are not necessarily limited to these types.

§ 1330.4 Stages of research.
For any Disability, Independent Living, and Rehabilitation Research Projects and Centers Program competition, the Department may require in the application materials for the competition that the applicant identify the stage(s) of research in which it will focus the work of its proposed project or center. The four stages of research are:
(a) Exploration and discovery mean the stage of research that generates hypotheses or theories through new and refined analyses of data, producing observational findings and creating other sources of research-based information. This research stage may include identifying or describing the barriers to and facilitators of improved outcomes of individuals with disabilities, as well as identifying or describing existing practices, programs, or policies that are associated with important aspects of the lives of individuals with disabilities. Results achieved under this stage of research may inform the development of interventions or lead to evaluations of interventions or policies. The results of the exploration and discovery stage of research may also be used to inform decisions or priorities;
(b) Intervention development means the stage of research that focuses on generating and testing interventions that have the potential to improve outcomes for individuals with disabilities. Intervention development involves determining the active components of possible interventions, developing measures that would be required to illustrate outcomes, specifying target populations, conducting field tests, and...
§ 1330.5 Stages of development.

For any Disability, Independent Living, and Rehabilitation Research Projects and Centers Program competition, the Department may require in the notice inviting applications for the competition that the applicant identify the stage(s) of development in which it will focus the work of its proposed project or center. The three stages of development are:

(a) Proof of concept means the stage of development where key technical challenges are resolved. Stage activities may include recruiting study participants, verifying product requirements; implementing and testing (typically in controlled contexts) key concepts, components, or systems, and resolving technical challenges. A technology transfer plan is typically developed and transfer partner(s) identified; and plan implementation may have started. Stage results establish that a product concept is feasible.

(b) Proof of product means the stage of development where a fully-integrated and working prototype, meeting critical technical requirements is created. Stage activities may include recruiting study participants, implementing and iteratively refining the prototype, testing the prototype in natural or less-controlled contexts, and verifying that all technical requirements are met. A technology transfer plan is typically ongoing in collaboration with the transfer partner(s). Stage results establish that a product embodiment is realizable.

(c) Proof of adoption means the stage of development where a product is substantially adopted by its target population and used for its intended purpose. Stage activities typically include completing product refinements; and continued implementation of the technology transfer plan in collaboration with the transfer partner(s). Other activities include measuring users' awareness of the product, opinion of the product, decisions to adopt, use, and retain products; and identifying barriers and facilitators impacting product adoption. Stage results establish that a product is beneficial.

PART 1331—STATE HEALTH INSURANCE ASSISTANCE PROGRAM

Sec.
1331.1 Basis, scope, and definition.
1331.2 Eligibility for grants.
1331.3 Availability of grants.
1331.4 Number and size of grants.
1331.5 Limitations.
1331.6 Reporting requirements.
1331.7 Administration.

SOURCE: 81 FR 5918, Feb. 4, 2016, unless otherwise noted.

§ 1331.1 Basis, scope, and definition.
(a) Basis. This part implements, in part, the provisions of section 4360 of Public Law 101–508 by establishing a minimum level of funding for grants made to States for the purpose of providing information, counseling, and assistance relating to obtaining adequate and appropriate health insurance coverage to individuals eligible to receive benefits under the Medicare program.

(b) Scope of part. This part sets forth the following:
(1) Conditions of eligibility for the grant.
(2) Minimum levels of funding for those States qualifying for the grants.
(3) Reporting requirements.
(c) Definition. For purposes of this subpart, the term “State” includes (except where otherwise indicated by the context) the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa.

§ 1331.2 Eligibility for grants.
To be eligible for a grant under this subpart, the State must have an approved Medicare supplemental regulatory program under section 1882 of the Act and submit a timely application to ACL that meets the requirements of—
(a) Section 4360 of Public Law 101–508 (42 U.S.C. 1395b–4);
(b) This subpart; and
(c) The applicable solicitation for grant applications issued by ACL.

§ 1331.3 Availability of grants.
ACL awards grants to States subject to availability of funds, and if applicable, subject to the satisfactory progress in the State’s project during the preceding grant period. The criteria by which progress is evaluated and the performance standards for determining whether satisfactory progress has been made are specified in the terms and conditions included in the notice of grant award sent to each State. ACL advises each State as to when to make application, what to include in the application, and provides information as to the timing of the grant award and the duration of the grant award. ACL also provides an estimate of the amount of funds that may be available to the State.

§ 1331.4 Number and size of grants.
(a) General. For available grant funds, up to and including $10,000,000, grants will be made to States according to the terms and formula in paragraphs (b) and (c) of this section. For any available grant funds in excess of $10,000,000, distribution of grants will be at the discretion of ACL, and will be made according to criteria that ACL will communicate to the States via grant solicitation. ACL will provide information to each State as to what must be included in the application for grant funds. ACL awards the following type of grants:
(1) New program grants.
(2) Existing program enhancement grants.
(b) Grant award. Subject to the availability of funds, each eligible State that submits an acceptable application receives a grant that includes a fixed amount (minimum funding level) and a variable amount.
(1) A fixed portion is awarded to States in the following amounts:
(i) Each of the 50 States, $75,000.
(ii) The District of Columbia, $75,000.
(iii) Puerto Rico, $75,000.
(iv) American Samoa, $25,000.
(v) Guam, $25,000.
(vi) The Virgin Islands, $25,000.
(2) A variable portion which is based on the number and location of Medicare beneficiaries residing in the State is awarded to each State. The variable amount a particular State receives is determined as set forth in paragraph (c) of this section.

45 CFR Ch. XIII (10–1–16 Edition)
(c) Calculation of variable portion of the grant. (1) ACL bases the variable portion of the grant on—
(i) The amount of available funds, and
(ii) A comparison of each State with the average of all of the States (except the State being compared) with respect to three factors that relate to the size of the State’s Medicare population and where that population resides.
(2) The factors ACL uses to compare States’ Medicare populations comprise separate components of the variable amount. These factors, and the extent to which they each contribute to the variable amount, are as follows:
(i) Approximately 75 percent of the variable amount is based on the number of Medicare beneficiaries living in the State as a percentage of all Medicare beneficiaries nationwide.
(ii) Approximately 10 percent of the variable amount is based on the percentage of the State’s total population who are Medicare beneficiaries.
(iii) Approximately 15 percent of the variable amount is based on the percentage of the State’s Medicare beneficiaries that reside in rural areas (“rural areas” are defined as all areas not included within a metropolitan Statistical Area).
(3) Based on the foregoing four factors (that is, the amount of available funds and the three comparative factors), ACL determines a variable rate for each participating State for each grant period.
(d) Submission of revised budget. A State that receives an amount of grant funds under this subpart that differs from the amount requested in the budget submitted with its application must submit a revised budget to ACL, along with its acceptance of the grant award, which reflects the amount awarded.

§ 1331.6 Reporting requirements.
A State that receives a grant under this subpart must submit at least one annual report to ACL and any additional reports as ACL may prescribe in the notice of grant award. ACL advises the State of the requirements concerning the frequency, timing, and contents of reports in the notice of grant award that it sends to the State.

§ 1331.7 Administration.
(a) General. Administration of grants will be in accordance with the provisions of this subpart, 45 CFR part 75 (“Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments”), the terms of the solicitation, and the terms of the notice of grant award. Except for the minimum funding levels established by §1331.4(b)(1), in the event of conflict between a provision of the notice of grant award, any provision of the solicitation, or of any regulation enumerated in 45 CFR part 75, the terms of the notice of grant award control.
(b) Notice. ACL provides notice to each applicant regarding ACL’s decision on an application for grant funding under §1331.4.
(c) Appeal. Any applicant for a grant under this subpart has the right to appeal ACL’s determination regarding its application. Appeal procedures are governed by the regulations at 45 CFR part 16 (Procedures of the Departmental Grant Appeals Board).

ANA will determine whether to approve all, part, or none of the requested work plan. Proposed changes to the approved work plan must receive the written approval of ANA prior to implementation by the recipient.

(b) ANA will negotiate the approved project goals, objectives, work plan, and the funding level for each budget period with each recipient.

(c) The evaluation for the purpose of making an approval decision on each proposed work plan will take into account the proposal’s conformance with ANA program purposes and the recipient’s past performance and accomplishments.

(d) Financial assistance awarded under section 803 may be renewed by ANA to grantees based on acceptable work plans and past performance.

However, the purchase of T/TA by a grantee for its own use or for its members’ use (as in the case of a consortium), where T/TA is necessary to carry out project objectives, is acceptable;

(5) The conduct of activities which are not responsive to one or more of the three interrelated ANA goals (Governance Development, Economic Development, and Social Development);
(6) Proposals from consortia of tribes that are not specific with regard to support from, and roles of member tribes. An application from a consortium must have goals and objectives that will create positive impacts and outcomes in the communities of its members. ANA will not fund activities by a consortium of tribes which duplicates activities for which member tribes also receive funding from ANA; and

(7) The purchase of real estate. (Statutory authority: Sections 803B of the Native American Programs Act of 1974, as amended, 42 U.S.C. 2991b–2)

§ 1336.34 Notice of ineligibility.

(a) Upon a finding by the Commissioner that an organization which has applied for funding is ineligible or that the activities proposed by an organization are ineligible, the Commissioner shall inform the applicant by certified letter of the decision.

(b) The letter must include the following:

(1) The legal and factual grounds for the Commissioner’s finding concerning eligibility;
(2) A copy of the regulations in this part; and
(3) The following statement: This is the final decision of the Commissioner, Administration for Native Americans. It shall be the final decision of the Department unless, within 30 days after receiving this decision as provided in §810(b) of the Native Americans Programs Act of 1974, as amended, and 45 CFR part 1336, you deliver or mail (you should use registered or certified mail to establish the date) a written notice of appeal to the HHS Departmental Appeals Board, 200 Independence Avenue, S.W., Washington, D.C. 20201. You shall attach to the notice a copy of this decision and note that you intend an appeal. The appeal must clearly identify the issue(s) in dispute and contain a statement of the applicant’s position on such issue(s) along with pertinent facts and reasons in support of the position. We are enclosing a copy of 45
§ 1336.35 Appeal of ineligibility.

The following steps apply when seeking an appeal on a finding of ineligibility for funding:

(a) An applicant, which has had its application rejected either because it has been found ineligible or because the activities it proposes are ineligible for funding by the Commissioner of ANA, may appeal the Commissioner’s ruling to the HHS Departmental Appeals Board, in writing, within 30 days following receipt of ineligibility notification.

(b) The appeal must clearly identify the issue(s) in dispute and contain a statement of the applicant’s position on such issue(s) along with pertinent facts and reasons in support of the position.

(c) Upon receipt of appeal for reconsideration of a rejected application or activities proposed by an applicant, the Departmental Appeals Board will notify the applicant by certified mail that the appeal has been received.

(d) The applicant’s request for reconsideration will be reviewed by the Departmental Appeals Board in accordance with 45 CFR part 16, except as otherwise provided in this part.

(e) The Commissioner shall have 45 days to respond to the applicant’s submission under paragraph (a) of this section.

(f) The applicant shall have 20 days to respond to the Commissioner’s submission and the parties may be requested to submit additional information within a specified time period before closing the record in the appeal.

(g) The Departmental Appeals Board will review the record in the appeal and provide a final written decision within 30 days following the closing of the record, unless the Board determines for good reason that a decision cannot be issued within this time period and so notifies the parties.

(h) If the Departmental Appeals Board determines that the applicant is eligible or that the activities proposed by the applicant are eligible for funding, such eligibility shall not be effective until the next cycle of grant proposals are considered by the Administration for Native Americans. (Statutory authority: Sections 810(b) of the Native American Programs Act of 1974, as amended, 42 U.S.C. 2991h(b).)

45 CFR Part 86 Nondiscrimination on the basis of sex in education programs and activities receiving or benefiting from Federal financial assistance.

45 CFR Part 91 Nondiscrimination on the basis of age in programs or activities receiving Federal financial assistance from HHS.

(b) Cost sharing or matching—(1) Policy. Recipients of financial assistance under sections 803, 804, and 805 of the Act are required to provide a matching share of 20 percent of the approved cost of the assisted project. This requirement may be waived in accordance with the criteria in §1336.50(b)(3). The matching share requirement may be met using either cash or in-kind contributions.

(2) Application. If an applicant wishes to request a waiver of the requirement for a 20 percent non-Federal matching share, it must include with its application for funding a written justification that clearly explains why the applicant cannot provide the matching share and how it meets the criteria.

(3) Criteria. Both of the following criteria must be met for an applicant to be eligible for a waiver of the non-Federal matching requirement:

(i) Applicant lacks the available resources to meet part or all of the non-Federal matching requirement. This must be documented by an institutional audit if available, or a full disclosure of applicant’s total assets and liabilities.

(ii) Applicant can document that reasonable efforts to obtain cash or in-kind contributions for the purposes of the project from third parties have been unsuccessful. Evidence of such efforts can include letters from possible sources of funding indicating that the requested resources are not available for that project. The requests must be appropriate to the source in terms of project purpose, applicant eligibility, and reasonableness of the request.

(4) Approval. For a waiver to be approved, ANA must determine that it will not prevent the award of other grants at levels it believes are desirable for the purposes of the program. Waiver of all or part of the non-Federal share shall apply only to the budget period for which application was made.

(c) Maintenance of effort. (1) Applications for financial assistance under this Part must include either a statement of compliance with the maintenance of effort requirement contained in section 803(c) of the Act, or a request for a waiver, in accordance with criteria established in this paragraph.

(2) To be eligible for a waiver of the maintenance of effort requirement, the applicant must demonstrate to ANA that the organization whose funds previously supported the project discontinued its support:

(i) As a result of funding limitations; and

(ii) Not as a result of an adverse evaluation of the project’s purpose or the manner in which it was conducted; and

(iii) Not because it was anticipated that Federal funds would replace the original source of project funding.

(3) In addition, the applicant must demonstrate in the request for a waiver that the maintenance of effort requirement would result in insurmountable hardship for the recipient or would otherwise be inconsistent with the purposes of this part.

(d) Delegation of project operations. (1) Each subgrant awarded to a delegate agency must have specific prior approval by ANA. Such delegation must be formalized by written agreement.

(2) The agreement must specify the activities to be performed by the delegate agency, the time schedule, the policies and procedures to be followed, the dollar limitations, and the costs allowed. The applicant must submit a budget for each delegate agency as part of its application.

(e) Unallowable costs. ANA funds may not be used by recipients to purchase real property.

(f) Office of the Chief Executive. The costs of salaries and expenses of the Office of Chief Executive of a federally recognized Indian tribal government (as defined in §75.2 of this title) are allowable, provided that such costs exclude any portion of salaries and expenses of the Office of Chief Executive that are a cost of general government and provided they are related to a project assisted under this part.

§ 1336.51 Project period.

The Notice of Financial Assistance Awarded will specify the period for which support is intended, although the Department makes funding commitments only for one budget period at a time. Financial assistance under section 803 of the Act may be ongoing, subject to policy decisions and funding limitations.

§ 1336.52 Appeals.

(a) Right to appeal. Recipients whose financial assistance has been suspended or terminated, or whose non-competing continuation applications for refunding have been denied, may appeal such decisions using the procedures described in this section. Denial of an application for refunding means the refusal to fund a non-competing continuation application for a budget period within a previously approved project period.

(b) Suspension, termination, and denial of funding. Procedures for and definitions of suspension and termination of financial assistance are published in 45 CFR 75.371 through 75.380. Appeals from a denial of refunding will be treated the same procedurally as appeals to termination of financial assistance. The term “denial of refunding” does not include policy decisions to eliminate one or more activities of an approved project. A decision not to fund an application at the end of the recipient’s project period is not a “denial of refunding” and is not subject to appeal.

(c) Hearings. (1) A recipient shall be given an initial written notice at least thirty (30) days prior to the suspension or termination of financial assistance except in emergency situations, which occur when Federal property is in imminent danger of dissipation, or when life, health, or safety is endangered. During this period of time, the recipient has the opportunity to show cause to ANA why such action should not be taken.

(2) A recipient who has received final written notice of termination or denial of refunding, or whose financial assistance will be suspended for more than 30 days, or who has other appealable disputes with ANA as provided by 45 CFR part 16 may request review by the Departmental Grant Appeals Board under the provisions of 45 CFR part 16.

(3) If a recipient appeals a suspension of more than 30 days which subsequently results in termination of financial assistance, both actions may be considered simultaneously by the Departmental Grant Appeals Board.

§ 1336.64 Development of goals and strategies: Responsibilities of the Loan Administrator.

The goals will specify the results the Loan Administrator expects to accomplish from the Revolving Loan Fund, define the RLF’s role and responsibilities for potential users, and serve as the basis for the development of an organizational strategy and operating plan. § 1336.65 Staffing and organization of the Revolving Loan Fund: Responsibilities of the Loan Administrator.

Prior to the approval of any direct loan under the RLF, the Loan Administrator must develop and obtain the Commissioner’s approval for the RLF’s organization table, including:

(a) The structure and composition of the Board of Directors of the RLF;
(b) The staffing requirements for the RLF, with position descriptions and necessary personnel qualifications;
(c) The appointments to the advisory loan review committee; and
(d) The roles and responsibilities of the Board, staff and loan review committee.

§ 1336.66 Procedures and criteria for administration of the Revolving Loan Fund: Responsibilities of the Loan Administrator.

Prior to the approval of any direct loan under the RLF, the Loan Administrator must develop and obtain the
Commissioner’s approval for the following procedures:
(a) **Preapplication and loan screening procedures.** Some factors to be considered in the loan screening process are:
   (1) General eligibility criteria;
   (2) Potential economic development criteria;
   (3) Indication of business viability;
   (4) The need for RLF financing; and
   (5) The ability to properly utilize financing.
(b) **Application process.** The application package includes forms, instructions, and policies and procedures for the loan application. The package must also include instructions for the development of a business and marketing plan and a financing proposal from the applicant.
(c) **Loan evaluation criteria and procedures.** The loan evaluation must include the following topics:
   (1) General and specific business trends;
   (2) Potential market for the product or service;
   (3) Marketing strategy;
   (4) Management skills of the borrower;
   (5) Operational plan of the borrower;
   (6) Financial controls and accounting systems;
   (7) Financial projections; and
   (8) Structure of investment and financing package.
(d) **Loan decision-making process.** Decision-making on a loan application includes the recommendations of the staff, the review by the loan review committee and the decision by the Board.
(e) **Loan closing process.** The guidelines for the loan closing process include the finalization of loan terms; conditions and covenants; the exercise of reasonable and proper care to ensure adherence of the proposed loan and borrower’s operations to legal requirements; and the assurance that any requirement for outside financing or other actions on which disbursement is contingent are met by the borrower.
(f) **Loan closing documents.** Documents used in the loan closing process include:
   (1) **Term Sheet:** an outline of items to be included in the loan agreement. It should cover the following elements:

### § 1336.67 Security and collateral: Responsibilities of the Loan Administrator.

The Loan Administrator may require any applicant for a loan from the RLF to provide such collateral as the Loan Administrator determines to be necessary to secure the loan. (Section 803A(b)(3))

(a) **As a Credit Factor.** The availability of collateral security normally is considered an important factor in making loans. The types and amount of collateral security required should be governed by the relative strengths and weaknesses of other credit factors. The taking of collateral as security should be considered with respect to each loan. Collateral security should be sufficient to provide the lender reasonable protection from loss in the case of adversity, but such security or lack thereof should not be used as the primary basis for deciding whether to extend credit.

(b) **Security Interests.** Security interests which may be taken by the lender include, but are not limited to, liens on
real or personal property, including
leasehold interests; assignments of in-
come and accounts receivable; and
liens on inventory or proceeds of inven-
tory sales as well as marketable securi-
ties and cash collateral accounts.
(1) Motor vehicles. Liens ordinarily
should be taken on licensed motor ve-
hicles, boats or aircraft purchased
hereunder in order to be able to trans-
fer title easily should the lender need
to declare a default or repossess the
property.
(2) Insurance on property secured. Haz-
ard insurance up to the amount of the
loan or the replacement value of the
property secured (whichever is less) must be taken naming the lender as
beneficiary. Such insurance includes
fire and extended coverage, public li-
ability, property damage, and other ap-
propriate types of hazard insurance.
(3) Appraisals. Real property serving
as collateral security must be ap-
praised by a qualified appraiser. For all
other types of property, a valuation
shall be made using any recognized,
standard technique (including standard
reference manuals), and this valuation
shall be described in the loan file.
(c) Additional security. The lender
may require collateral security or ad-
ditional security at any time during
the term of the loan if after review and
monitoring an assessment indicates
the need for such security.
\section*{§ 1336.68 Defaults, uncollectible loans,
liquidations: Responsibilities of the
Loan Administrator.}
(a) Prior to making loans from the
RLF, the Loan Administrator will de-
velop and obtain the Commissioner’s
approval for written procedures and
definitions pertaining to defaults and
collections of payments. (section
803A(b)(4))
(b) The Loan Administrator will pro-
vide a copy of such procedures and defi-
nitions to each applicant for a loan at
the time the application is made. (sec-
tion 803A(b)(4))
(c) The Loan Administrator will re-
port to the Commissioner whenever a
loan recipient is 90 days in arrears in
the repayment of principal or interest
or has failed to comply with the terms
of the loan agreement. After making
reasonable efforts to collect amounts
payable, as specified in the written pro-
cedures, the Loan Administrator shall
notify the Commissioner whenever a
loan is uncollectible at reasonable
cost. The notice shall include rec-
ommendations for future action to be
taken by the Loan Administrator. (sec-
tion 803A(c)(1) and (2))
(d) Upon receiving such notices, the
Commissioner will, as appropriate, in-
struct the Loan Administrator:
(1) To demand the immediate and full
repayment of the loan;
(2) To continue with its collection ac-
tivities;
(3) To cancel, adjust, compromise, or
reduce the amount of such loan;
(4) To modify any term or condition
of such loan, including any term or
condition relating to the rate of inter-
est or the time of payment of any in-
stallment of principal or interest, or
portion thereof, that is payable under
such loan;
(5) To discontinue any further ad-

cance of funds contemplated by the
loan agreement;
(6) To take possession of any or all

collateral given as security and in the
case of individuals, corporations, part-
nerships or cooperative associations,
the property purchased with the bor-
rowed funds;
(7) To prosecute legal action against
the borrower or against the officers of
the borrowing organization;
(8) To prevent further disbursement
of credit funds under the control of the
borrower;
(9) To assign or sell at a public or pri-
vate sale, or otherwise dispose of for
cash or credit any evidence of debt,
contract, claim, personal or real prop-
erty or security assigned to or held by
the Loan Administrator; or
(10) To liquidate or arrange for the
operation of economic enterprises fi-
nanced with the revolving loan until
the indebtedness is paid or until the
Loan Administrator has received ac-
ceptable assurance of its repayment
and compliance with the terms of the
loan agreement. (Section 803A(c)(2)(B))

AUTHORITY: 42 U.S.C. 5701.

SOURCE: 43 FR 55635, Nov. 28, 1978, unless otherwise noted.

Subpart A—Definition of Terms

§ 1351.1 Significant terms.

For the purposes of this part:

(a) Aftercare services means the provision of services to runaway or otherwise homeless youth and their families, following the youth’s return home or placement in alternative living arrangements which assist in alleviating the problems that contributed to his or her running away or being homeless.

(b) Area means a specific neighborhood or section of the locality in which the runaway and homeless youth project is or will be located.

(c) Coordinated networks of agencies means an association of two or more private agencies, whose purpose is to develop or strengthen services to runaway or otherwise homeless youth and their families.

(d) Counseling services means the provision of guidance, support and advice to runaway or otherwise homeless youth and their families designed to alleviate the problems which contributed to the youth’s running away or being homeless, resolve intrafamily problems, to reunite such youth with their families, whenever appropriate, and to help them decide upon a future course of action.

(e) Demonstrably frequented by or reachable means located in an area in which runaway or otherwise homeless youth congregate or an area accessible to such youth by public transportation or by the provision of transportation by the runaway and homeless youth project itself.

(f) Homeless youth means a person under 18 years of age who is in need of services and without a place of shelter where he or she receives supervision and care.

(g) Juvenile justice system means agencies such as, but not limited to juvenile courts, law enforcement, probation, parole, correctional institutions, training schools, and detention facilities.

(h) Law enforcement structure means any police activity or agency with legal responsibility for enforcing a criminal code including, police departments and sheriffs offices.

(i) A locality is a unit of general government—for example, a city, county, township, town, parish, village, or a
Office of Human Development Services, HHS

§ 1351.12

combination of such units. Federally recognized Indian tribes are eligible to apply for grants as local units of government.

(j) Runaway and homeless youth project means a locally controlled human service program facility outside the law enforcement structure and the juvenile justice system providing temporary shelter, either directly or through other facilities, counseling and aftercare services to runaway or otherwise homeless youth.

(k) Runaway youth means a person under 18 years of age who absents himself or herself from home or place of legal residence without the permission of his or her family.

(l) Short-term training means the provision of local, State, or regionally based instruction to runaway or otherwise homeless youth service providers in skill areas that will directly strengthen service delivery.

(m) A State includes any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Trust Territory of the Pacific Islands, and any territory or possession of the United States.

(n) Technical assistance means the provision of expertise or support for the purpose of strengthening the capabilities of grantee organizations to deliver services.

(o) Temporary shelter means the provision of short-term (maximum of 15 days) room and board and core crisis intervention services, on a 24-hour basis, by a runaway and homeless youth project.

Subpart B—Runaway and Homeless Youth Program Grant

§ 1351.10 What is the purpose of the Runaway and Homeless Youth Program grant?

The purpose of the Runaway and Homeless Youth Program grant is to establish or strengthen existing or proposed community-based runaway and homeless youth projects to provide temporary shelter and care to runaway or otherwise homeless youth who are in need of temporary shelter, counseling and aftercare services. The Department is concerned about the increasing numbers of youth who leave, and stay away from, their homes without permission of their families. There is also national concern about runaway and homeless youth who have no resources, who live on the street, and who represent law enforcement problems in the communities to which they run. The problems of runaway or otherwise homeless youth should not be the responsibility of already overburdened police departments and juvenile justice authorities. Rather, Congress intends that the responsibility for locating, assisting, and returning such youth should be placed with low-cost, community-based human service programs.

§ 1351.11 Who is eligible to apply for a Runaway and Homeless Youth Program grant?

States, localities, private entities, and coordinated networks of such entities are eligible to apply for a Runaway and Homeless Youth Program grant unless they are part of the law enforcement structure or the juvenile justice system.

§ 1351.12 Who gets priority for the award of a Runaway and Homeless Youth Program grant?

In making Runaway and Homeless Youth Program grants, HHS gives priority to those private agencies which have had past experience in dealing with runaway or otherwise homeless youth. HHS also gives priority to applicants whose total grant requests for services to runaway or otherwise homeless youth are less than $100,000 and whose project budgets, considering all funding sources, are smaller than $150,000. Past experience means that a major activity of the agency has been the provision of temporary shelter, counseling, and referral services to runaway or otherwise homeless youth and their families, either directly or through linkages established with other community agencies.
§ 1351.13 What are the Federal and non-Federal match requirements under a Runaway and Homeless Youth grant?

HHS requires a non-Federal share which is equal to at least 10 percent of the Federal funds that will be received under this grant program for any fiscal year.

§ 1351.14 What is the period for which a grant will be awarded?

(a) The initial notice of grant award specifies how long HHS intends to support the project without requiring the project to recompete for funds. This period, called the project period, will not exceed five years.

(b) Generally the grant will initially be for one year. A grantee must submit a separate application to have the support continued for each subsequent year. Continuation awards within the project period will be made provided the grantee has made satisfactory progress, funds are available, and HHS determines that continued funding is in the best interest of the Government.

§ 1351.15 What costs are supportable under a Runaway and Homeless Youth Program grant?

Costs which can be supported include, but are not limited to, temporary shelter, referral services, counseling services, aftercare services, and staff training. Costs for acquisition and renovation of existing structures may not normally exceed 15 percent of the grant award. HHS may waive this limitation upon written request under special circumstances based on demonstrated need.

§ 1351.16 What costs are not allowable under a Runaway and Homeless Youth Program grant?

A Runaway and Homeless Youth Program grant does not cover the cost of constructing new facilities.

§ 1351.17 How is application made for a Runaway and Homeless Youth Program grant?

HHS publishes annually in the Federal Register a program announcement of grant funds available under the Runaway and Homeless Youth Program Act. The program announcement states the amount of funds available, program priorities for funding, and criteria for evaluating applications in awarding grants. The announcement also describes specific procedures for receipt and review of applications. An applicant should:

(a) Obtain a program announcement from the Federal Register or from one of HHS’s 10 Regional Offices in Boston, New York, Philadelphia, Atlanta, Chicago, Dallas, Kansas City, Denver, San Francisco, and Seattle;

(b) Obtain an application package from one of HHS’s Regional Offices; and

(c) Submit a completed application to the Grants Management Office at the appropriate Regional Office.

§ 1351.18 What criteria has HHS established for deciding which Runaway and Homeless Youth Program grant applications to fund?

In reviewing applications for a Runaway and Homeless Youth Program grant, HHS takes into consideration a number of factors, including:

(a) Whether the application meets one or more of the program’s funding priorities; (see § 1351.12)

(b) The need for Federal support based on the number of runaway or otherwise homeless youth in the area in which the runaway and homeless youth project is or will be located;

(c) The availability of services to runaway or otherwise homeless youth in the area in which the runaway and homeless youth project is located;

(d) Whether there is a minimum residential capacity of four and a maximum residential capacity not to exceed 20 youth with a ratio of staff to youth sufficient to assure adequate supervision and treatment;

(e) Plans for meeting the best interests of the youth involving, when possible, both the youth and the family.
These must include contacts with the families. This contact should be made within 24 hours, but must be made no more than 72 hours following the time of the youth’s admission into the runaway and homeless youth project. The plans must also include assuring the youth’s safe return home or to local government officials or law enforcement officials and indicate efforts to provide appropriate alternative living arrangements.

(f) Plans for the delivery of aftercare or counseling services to runaway or otherwise homeless youth and their families;

(g) Whether the estimated cost to the Department for the runaway and homeless youth project is reasonable considering the anticipated results;

(h) Whether the proposed personnel are well qualified and the applicant agency has adequate facilities and resources;

(i) Whether the proposed project design, if well executed, is capable of attaining program objectives;

(j) The consistency of the grant application with the provisions of the Act and these regulations.

§ 1351.19 What additional information about a Runaway and Homeless Youth Program grant?

(a) Several other HHS rules and regulations apply to applicants for or recipients of Runaway and Homeless Youth Program grants. These include:

1. The provisions of 45 CFR part 74 pertaining to the Administration of Grants;

2. The provisions of 45 CFR part 16, Departmental Grants Appeal Process, and the provisions of Informal Grant Appeal Procedures (Indirect Costs) in volume 45 CFR part 75;

3. The provisions of 45 CFR part 80 and 45 CFR part 81 pertaining to non-discrimination under programs receiving Federal assistance, and hearing procedures;

4. The provisions of 45 CFR part 84 pertaining to discrimination on the basis of handicap;

5. The provisions of 45 CFR part 46 pertaining to protection of human subjects.

(b) Several program policies regarding confidentiality of information, treatment, conflict of interest and State protection apply to recipients of Runaway and Homeless Youth Program grants. These include:

1. Confidential information. All information including lists of names, addresses, photographs, and records of evaluation of individuals served by a runaway and homeless youth project shall be confidential and shall not be disclosed or transferred to any individual or to any public or private agency without written consent of the youth and family. Youth served by a runaway and homeless youth project shall have the right to review their records; to correct a record or file a statement of disagreement; and to be apprised of the individuals who have reviewed their records. Procedures shall be established for the training of project staff in the protection of these rights and for the secure storage of records.

2. Medical, psychiatric or psychological treatment. No youth shall be subject to medical, psychiatric or psychological treatment without the consent of the youth and family unless otherwise permitted by State law.

3. Conflict of interest. Employees or individuals participating in a program or project under the Act shall not use their positions for a purpose that is, or gives the appearance of being, motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business or other ties.

4. State law protection. HHS policies regarding confidential information and experimentation and treatment shall not apply if HHS finds that State law is more protective of the rights of runaway or otherwise homeless youth.

(c) Nothing in the Runaway and Homeless Youth Act or these regulations gives the Federal Government control over the staffing and personnel decisions regarding individuals hired by a runaway and homeless youth project receiving Federal funds.
§ 1351.20

Subpart C—Additional Requirements

§ 1351.20 What are the additional requirements under a Runaway and Homeless Youth Program grant?

(a) To improve the administration of the Runaway and Homeless Youth Program by increasing the capability of the runaway and homeless youth service providers to deliver services, HHS will require grantees to accept technical assistance and short-term training as a condition of funding for each budget period.

(1) Technical assistance may be provided in, but not limited to, such areas as:

• Program Management,
• Fiscal Management,
• Development of coordinated networks of private nonprofit agencies to provide services, and
• Low cost community alternatives for runaway or otherwise homeless youth.

(b) Grantees will be required to coordinate their activities with the 24-hour National toll-free communication system which links runaway and homeless youth projects and other service providers with runaway or otherwise homeless youth.

(c) Grantees will also be required to submit statistical reports profiling the clients served. The statistical reporting requirements are mandated by the Act which states that “runaway and homeless youth projects shall keep adequate statistical records profiling the children and families which it serves . . .”

(2) Short-term training may be provided in, but not limited to, such areas as:

• Shelter facility staff development,
• Aftercare services or counseling,
• Fund raising techniques,
• Youth and Family counseling, and
• Crisis intervention techniques.
SUBCHAPTER G—THE ADMINISTRATION ON CHILDREN,
YOUTH AND FAMILIES, FOSTER CARE MAINTENANCE
PAYMENTS, ADOPTION ASSISTANCE, AND CHILD AND
FAMILY SERVICES

PART 1355—GENERAL

§ 1355.10 Scope.

Unless otherwise specified, part 1355 applies to States and Indian Tribes and contains general requirements for Federal financial participation under titles IV-B and IV-E of the Social Security Act.

[61 FR 58653, Nov. 18, 1996]

§ 1355.20 Definitions.

(a) Unless otherwise specified, the following terms as they appear in 45 CFR parts 1355, 1356 and 1357 of this title are defined as follows—

Act means the Social Security Act, as amended.

ACYF means the Administration on Children, Youth and Families, Administration for Children and Families (ACF), U. S. Department of Health and Human Services.

Adoption means the method provided by State law, or for a Tribal title IV–E agency, Tribal law, which establishes the legal relationship of parent and child between persons who are not so related by birth, with the same mutual rights and obligations that exist between children and their birth parents. This relationship can only be termed “adoption” after the legal process is complete.

Child abuse and neglect means the definition contained in 42 U.S.C. 5106(g)(2).

Child care institution means a private child care institution, or a public child care institution which accommodates no more than twenty-five children, and is licensed by the licensing authority responsible for licensing or approval of institutions of this type as meeting the standards established for such licensing. The licensing authority must be a State authority in the State in which the child care institution is located, a Tribal authority with respect to a child care institution on or near an Indian Reservation, or a Tribal authority of a Tribal title IV–E agency with respect to a child care institution in the Tribal title IV–E agency’s service area.
definition must not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

Date a child is considered to have entered foster care means the earlier of: The date of the first judicial finding that the child has been subjected to child abuse or neglect; or, the date that is 60 calendar days after the date on which the child is removed from the home pursuant to §1356.21(k). A title IV–E agency may use a date earlier than that required in this definition, such as the date the child is physically removed from the home. This definition determines the date used in calculating all time period requirements for the periodic reviews, permanency hearings, and termination of parental rights provision in section 475(5) of the Act and for providing time-limited reunification services described at section 431(a)(7) of the Act. The definition has no relationship to establishing initial title IV–E eligibility.

Department means the United States Department of Health and Human Services.

Detention facility in the context of the definition of child care institution in section 472(c)(2) of the Act means a physically restricting facility for the care of children who require secure custody pending court adjudication, court disposition, execution of a court order or after commitment.

Entity, as used in §1355.38, means any organization or agency (e.g., a private child placing agency) that is separate and independent of the title IV–E agency; performs title IV–E functions pursuant to a contract or subcontract with the title IV–E agency; and, receives title IV–E funds. A State or Tribal court is not an “entity” for the purposes of §1355.38 except if an administrative arm of the State or Tribal court carries out title IV–E administrative functions pursuant to a contract with the title IV–E agency.

Foster care means 24-hour substitute care for children placed away from their parents or guardians and for whom the title IV–E agency has placement and care responsibility. This includes, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and preadoptive homes. A child is in foster care in accordance with this definition regardless of whether the foster care facility is licensed and payments are made by the State, Tribal or local agency for the care of the child, whether adoption subsidy payments are being made prior to the finalization of an adoption, or whether there is Federal matching of any payments that are made.

Foster care maintenance payments are payments made on behalf of a child eligible for title IV–E foster care to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child’s personal incidentals, liability insurance with respect to a child, and reasonable travel for a child’s visitation with family, or other caretakers. Local travel associated with providing the items listed above is also an allowable expense. In the case of child care institutions, such term must include the reasonable costs of administration and operation of such institutions as are necessarily required to provide the items described in the preceding sentences. “Daily supervision” for which foster care maintenance payments may be made includes:

1. Foster family care—licensed child care when work responsibilities preclude foster parents from being at home when the child for whom they have care and responsibility in foster care is not in school, licensed child care when the foster parent is required to participate, without the child, in activities associated with parenting a child in foster care that are beyond the scope of ordinary parental duties, such as attendance at administrative or judicial reviews, case conferences, or foster parent training. Payments to cover these costs may be: included in the basic foster care maintenance payment; a separate payment to the foster parent, or a separate payment to the child care provider; and
(2) Child care institutions—routine day-to-day direction and arrangements to ensure the well-being and safety of the child.

Foster family home means, for the purpose of title IV–E eligibility, the home of an individual or family licensed or approved as meeting the standards established by the licensing or approval authority(ies), that provides 24-hour out-of-home care for children. The licensing authority must be a State authority in the State in which the foster family home is located, a Tribal authority with respect to a foster family home on or near an Indian Reservation, or a Tribal authority of a Tribal title IV–E agency with respect to a foster family home in the Tribal title IV–E agency’s service area. The term may include group homes, agency-operated boarding homes or other facilities licensed or approved for the purpose of providing foster care by the State or Tribal agency responsible for approval or licensing of such facilities. Foster family homes that are approved must be held to the same standards as foster family homes that are licensed. Anything less than full licensure or approval is insufficient for meeting title IV–E eligibility requirements. Title IV–E agencies may, however, claim title IV–E reimbursement during the period of time between the date a prospective foster family home satisfies all requirements for licensure or approval and the date the actual license is issued, not to exceed 60 days.

Full review means the joint Federal and title IV–E agency review of all federally-assisted child and family services programs, including family preservation and support services, child protective services, foster care, adoption, and independent living services, for the purpose of determining the title IV–E agency’s substantial conformity with the plan requirements of titles IV–B and IV–E as listed in §1355.34 of this part; a full review consists of two phases, the statewide assessment (or for a Tribal title IV–E agency, an assessment of the service area) and a subsequent on-site review, as described in §1355.33 of this part.

Legal guardianship means a judicially-created relationship between child and caretaker which is intended to be permanent and self-sustaining as evidenced by the transfer to the caretaker of the following parental rights with respect to the child: protection, education, care and control of the person, custody of the person, and decision-making. The term legal guardian means the caretaker in such a relationship.

National Child Abuse and Neglect Data System (NCANDS) means the voluntary national data collection and analysis system established by the Administration for Children and Families to respond to a requirement in the Child Abuse Prevention and Treatment Act (Pub. L. 93–247), as amended.

Partial review means:

(1) For the purpose of the child and family services review, the joint Federal and State/Tribal review of one or more federally-assisted child and family services program(s), including family preservation and support services, child protective services, foster care, adoption, and independent living services. A partial review may consist of any of the components of the full review, as mutually agreed upon by the title IV–E agency and the Administration for Children and Families as being sufficient to determine substantial conformity of the reviewed components with the plan requirements of titles IV–B and IV–E as listed in §1355.34 of this part;

(2) For the purpose of title IV–B and title IV–E State plan compliance issues that are outside the prescribed child and family services review format, e.g., compliance with AFCARS requirements, a review of State laws, policies, regulations, or other information appropriate to the nature of the concern, to determine State compliance; or

(3) For the purpose of title IV–E plan compliance issues for a Tribal title IV–E agency which are outside of the prescribed child and family services review format, a review of Tribal laws, policies, regulations, or other information appropriate to the nature of the concern, to determine plan compliance.

Permanency hearing means:

(1) The hearing required by section 475(5)(C) of the Act to determine the permanency plan for a child in foster care. Within this context, the court
§ 1355.21 Plan requirements for titles IV–E and IV–B.

(a) The plans for titles IV–E and IV–B must provide for safeguards on the use and disclosure of information which meet the requirements contained in section 471(a)(8) of the Act.
(b) The plans for titles IV–E and IV–B must provide for compliance with the Department’s regulations applicable to the State and/or Tribe as listed in 45 CFR 1355.30.

(c) The State agency and the Indian Tribe must make available for public review and inspection the Child and Family Services Plan (CFSP) and the Annual Progress and Services Reports. (See 45 CFR 1357.15 and 1357.16.) The title IV–E agency also must make available for public review and inspection the title IV–E Plan.

§ 1355.25 Principles of child and family services.

The following principles, most often identified by practitioners and others as helping to assure effective services for children, youth, and families, should guide the States and Indian Tribes in developing, operating, and improving the continuum of child and family services.

(a) The safety and well-being of children and of all family members is paramount. When safety can be assured, strengthening and preserving families is seen as the best way to promote the healthy development of children. One important way to keep children safe is to stop violence in the family including violence against their mothers.

(b) Services are focused on the family as a whole; service providers work with families as partners in identifying and meeting individual and family needs; family strengths are identified, enhanced, respected, and mobilized to help families solve the problems which compromise their functioning and well-being.

(c) Services promote the healthy development of children and youth, promote permanency for all children and help prepare youth emancipating from the foster care system for self-sufficiency and independent living.

(d) Services may focus on prevention, protection, or other short or long-term interventions to meet the needs of the family and the best interests and need of the individual(s) who may be placed in out-of-home care.

(e) Services are timely, flexible, coordinated, and accessible to families and individuals, principally delivered in the home or the community, and are delivered in a manner that is respectful of and builds on the strengths of the community and cultural groups.

(f) Services are organized as a continuum, designed to achieve measurable outcomes, and are linked to a wide variety of supports and services which can be crucial to meeting families’ and children’s needs, for example, housing, substance abuse treatment, mental health, health, education, job training, child care, and informal support networks.

(g) Most child and family services are community-based, involve community organizations, parents and residents in their design and delivery, and are accountable to the community and the client’s needs.

(h) Services are intensive enough and of sufficient duration to keep children safe and meet family needs. The actual level of intensity and length of time needed to ensure safety and assist the family may vary greatly between preventive (family support) and crisis intervention services (family preservation), based on the changing needs of children and families at various times in their lives. A family or an individual does not need to be in crisis in order to receive services.

§ 1355.30 Other applicable regulations.

Except as specified, the following regulations are applicable to State and Tribal programs funded under titles IV–B and IV–E of the Act.

(a) 45 CFR Part 16—Procedures of the Departmental Grant Appeals Board.

(b) 45 CFR Part 30—Claims Collection.

(c) 2 CFR part 376—Nonprocurement Debarment and Suspension.

(d) 2 CFR part 382—Requirements for Drug-Free Workplace (Financial Assistance).

(e) 45 CFR Part 80—Nondiscrimination Under Programs Receiving Federal Assistance Through the Department of Health and Human Services Effectuation of Title VI of the Civil Rights Act of 1964.

(f) 45 CFR Part 81—Practice and Procedure for Hearings Under Part 80 of This Title.
§ 1355.31 Elements of the child and family services review system.

Scope. Sections 1355.32 through 1355.37 of this part apply to reviews of child and family services programs under subparts 1 and 2 of title IV–B of the Act, and reviews of foster care and adoption assistance programs under title IV–E of the Act.

(a) Initial reviews. Each State must complete an initial full review as described in §1355.33 of this part during the four-year period after the final rule
becomes effective. Each Tribal title IV–E agency must complete an initial full review as described in §1355.33 of this part, during the four-year period after the ACF determines that the Tribe has approved title IV–B, subpart 1 and 2 and title IV–E plans and has sufficient cases for ACF to apply the procedures in §1355.33(c).

(b) Reviews following the initial review. (1) A title IV–E agency found to be operating in substantial conformity during an initial or subsequent review, as defined in §1355.34 of this part, must:
   (i) Complete a full review every five years; and
   (ii) Submit a completed statewide assessment, or in the case of a Tribal title IV–E agency, a completed Tribal assessment of the service area, to ACF three years after the on-site review. The assessment will be reviewed jointly by the title IV–E agency and ACF to determine the State’s or Indian Tribe’s continuing substantial conformity with the plan requirements subject to review. No formal approval of this interim assessment by ACF is required.

   (2) A program found not to be operating in substantial conformity during an initial or subsequent review will:
      (i) Be required to develop and implement a program improvement plan, as defined in §1355.35 of this part; and
      (ii) Begin a full review two years after approval of the program improvement plan.

(c) Reinstatement of reviews based on information that a title IV–E agency is not in substantial conformity. (1) ACF may require a full or partial review at any time, based on any information, regardless of the source, that indicates the title IV–E agency may no longer be operating in substantial conformity.

   (2) Prior to reinstating a full or partial review, ACF will conduct an inquiry and require the title IV–E agency to submit additional data.

   (3) ACF will institute a partial review, appropriate to the nature of the concern, if the title IV–E agency does not provide the additional information as requested, or the additional information confirms that the title IV–E agency may not be in compliance.

   (4) If the partial review determines that the title IV–E agency is not in compliance with the applicable plan requirement, the title IV–E agency must enter into a program improvement plan designed to bring the title IV–E agency into compliance, if the provisions for such a plan are applicable. The terms, action steps and timeframes of the program improvement plan will be developed on a case-by-case basis by ACF and the title IV–E agency. The program improvement plan must take into consideration the extent of noncompliance and the impact of the noncompliance on the safety, permanency or well-being of children and families served through the title IV–E agency’s title IV–B or IV–E allocation. If the title IV–E agency remains out of compliance, the title IV–E agency will be subject to a penalty related to the extent of the noncompliance.

§ 1355.33 Procedures for the review.

(a) The full child and family services reviews will:

(1) Consist of a two-phase process that includes a statewide assessment and an on-site review; and

(2) Be conducted by a team of Federal, and State or Tribal reviewers that includes:

(i) Staff of the child and family services agency, including the offices that represent the service areas that are the focus of any particular review;

(ii) Representatives selected by the title IV–E agency, in collaboration with the ACF Regional Office, from those with whom the title IV–E agency was required to consult in developing its CFSP, as described and required in 45 CFR 1357.15(l);

(iii) Federal staff of HHS; and

(iv) Other individuals, as deemed appropriate and agreed upon by the title IV–E agency and ACF.

(b) Statewide or Tribal Assessment. The first phase of the full review will be a statewide assessment, or for a Tribal title IV–E agency a service area assessment, conducted by the title IV–E agency's internal and external members of the review team. The assessment must:

(1) Address each systemic factor under review including the statewide/Tribal information system; case review system; quality assurance system; staff training; service array; agency responsiveness to the community; and foster and adoptive parent licensing, recruitment and retention;

(2) Assess the outcome areas of safety, permanence, and well-being of children and families served by the title IV–E agency using data from AFCARS and NCANDS. For the initial review, ACF may approve another data source to substitute for AFCARS, and in all reviews, ACF may approve another data source to substitute for NCANDS. The title IV–E agency must also analyze and explain its performance in meeting the national standards for the statewide/Tribal service area data indicators;

(3) Assess the characteristics of the title IV–E agency that have the most significant impact on the agency's capacity to deliver services to children and families that will lead to improved outcomes;

(4) Assess the strengths and areas of the title IV–E agency's child and family services programs that require further examination through an on-site review;

(5) Include a listing of all the persons external to the title IV–E agency who participated in the preparation of the assessment pursuant to §1355.33(a)(2)(ii) and (iv); and

(6) Be completed and submitted to ACF within 4 months of the date that ACF transmits the information for the assessment to the title IV–E agency.

(c) On-site review. The second phase of the full review will be an on-site review.

(1) The on-site review will cover the title IV–E agency's programs under titles IV–B and IV–E of the Act, including in-home services and foster care. It will be jointly planned by the title IV–E agency and ACF, and guided by information in the completed assessment that identifies areas in need of improvement or further review.

(2) The on-site review may be concentrated in several specific political subdivisions or jurisdictions of the title IV–E agency, as agreed upon by the ACF and the title IV–E agency; however, for a State title IV–E agency, a State's largest metropolitan subdivision must be one of the locations selected.

(3) ACF has final approval of the selection of specific areas of the title IV–E agency's child and family services continuum described in paragraph (c)(1) of this section and selection of the political subdivisions or jurisdiction referenced in paragraph (c)(2) of this section.

(4) Sources of information collected during the on-site review to determine substantial conformity must include, but are not limited to:

(i) Case records on children and families served by the agency;

(ii) Interviews with children and families whose case records have been reviewed and who are, or have been, recipients of services of the agency;

(iii) Interviews with caseworkers, foster parents, and service providers for the cases selected for the on-site review; and
§ 1355.34 Criteria for determining substantial conformity.

(a) Criteria to be satisfied. ACF will determine a title IV–E agency’s substantial conformity with title IV–B and title IV–E plan requirements based on the following:

(1) Its ability to meet national standards, set by the Secretary, for the statewide/Tribal service area data indicators associated with specific outcomes for children and families;

(2) Its ability to meet criteria related to outcomes for children and families; and

(3) Its ability to meet criteria related to the title IV–E agency’s capacity to deliver services leading to improved outcomes.

(b) Criteria related to outcomes. (1) A title IV–E agency’s substantial conformity will be determined by its ability to substantially achieve the following child and family service outcomes:

(i) In the area of child safety:

(A) Children are, first and foremost, protected from abuse and neglect; and,

(B) Children are safely maintained in their own homes whenever possible and appropriate;

(ii) In the area of permanency for children:

(2) ACF and the title IV–E agency will review additional cases using only those indicators in which the discrepancy occurred. ACF and the title IV–E agency will determine jointly the number of additional cases to be reviewed, not to exceed 150 foster care cases or 150 in-home services cases to be selected as specified in paragraph (c)(6) of this section.

(e) Partial review. A partial child and family services review, when required, will be planned and conducted jointly by ACF and the title IV–E agency based on the nature of the concern. A partial review does not substitute for the full reviews as required under §1355.32(b).

(f) Notification. Within 30 calendar days following either a partial child and family services review, full child and family services review, or the resolution of a discrepancy between the assessment and the findings of the on-site portion of the review, ACF will notify the title IV–E agency in writing of whether the title IV–E agency is, or is not, operating in substantial conformity.

(A) Children have permanency and stability in their living situations; and
(B) The continuity of family relationships and connections is preserved for children; and
(iii) In the area of child and family well-being:
(A) Families have enhanced capacity to provide for their children’s needs;
(B) Children receive appropriate services to meet their educational needs; and
(C) Children receive adequate services to meet their physical and mental health needs.

(2) A title IV–E agency’s level of achievement with regard to each outcome reflects the extent to which a title IV–E agency has:
(i) Met the national standard(s) for the statewide/Tribal service area data indicator(s) associated with that outcome, if applicable; and;
(ii) Implemented the following CFSP requirements or assurances:
(A) The requirements in 45 CFR 1357.15(p) regarding services designed to assure the safety and protection of children and the preservation and support of families;
(B) The requirements in 45 CFR 1357.15(q) regarding the permanency provisions for children and families in sections 422 and 471 of the Act;
(C) The requirements in section 422(b)(7) of the Act regarding recruitment of potential foster and adoptive families;
(D) The assurances as required by section 422(b)(8)(B) of the Act regarding policies and procedures for abandoned children;
(E) The requirements in section 422(b)(9) of the Act regarding the State’s compliance with the Indian Child Welfare Act;
(F) The requirements in section 422(b)(10) of the Act regarding a title IV–E agency’s plan for effective use of cross-jurisdictional resources to facilitate timely adoptive or permanent placements; and;
(G) The requirements in section 471(a)(15) of the Act regarding reasonable efforts to prevent removals of children from their homes, to make it possible for children in foster care to safely return to their homes, or, when the child is not able to return home, to place the child in accordance with the permanency plan and complete the steps necessary to finalize the permanent placement.

(3) A title IV–E agency will be determined to be in substantial conformity if its performance on:
(i) Each statewide/Tribal service area data indicator developed pursuant to paragraph (b)(4) of this section meets the national standard described in paragraph (b)(5) of this section; and;
(ii) Each outcome listed in paragraph (b)(1) of this section is rated as “substantially achieved” in 95 percent of the cases examined during the on-site review (90 percent of the cases for an initial review). Information from various sources (case records, interviews) will be examined for each outcome and a determination made as to the degree to which each outcome has been achieved for each case reviewed.

(4) The Secretary may, using AFCARS and NCANDS, develop statewide/Tribal service area data indicators for each of the specific outcomes described in paragraph (b)(1) of this section for use in determining substantial conformity. The Secretary may add, amend, or suspend any such statewide/Tribal service area data indicator(s) when appropriate. To the extent practical and feasible, the statewide/Tribal service area data indicators will be consistent with those developed in accordance with section 203 of the Adoption and Safe Families Act of 1997 (Pub. L. 105–89).

(5) The initial national standards for the statewide data indicators described in paragraph (b)(4) of this section will be based on the 75th percentile of all State performance for that indicator, as reported in AFCARS or NCANDS. The Secretary may adjust these national standards if appropriate. The initial national standard will be set using the following data sources:
(i) The 1997 and 1998 submissions to NCANDS (or the most recent and complete 2 years available), for those statewide data indicators associated with the safety outcomes; and,
(ii) The 1998b, 1999c, and 2000a submissions to AFCARS (or the most recent and complete report periods available), for those statewide data indicators associated with the permanency outcomes.

(c) Criteria related to title IV–E agency capacity to deliver services leading to improved outcomes for children and families.

In addition to the criteria related to outcomes contained in paragraph (b) of this section, the title IV–E agency also must satisfy criteria related to the delivery of services. Based on information from the assessment and onsite review, the title IV–E agency must meet the following criteria for each systemic factor in paragraphs (c)(2) through (c)(7) of this section to be considered in substantial conformity. All of the plan requirements associated with the systemic factor must be in place, and no more than one of the plan requirements fails to function as described in paragraphs (c)(2) through (c)(7) of this section. The systemic factor in paragraph (c)(1) of this section is rated on the basis of only one plan requirement. To be considered in substantial conformity, the plan requirement associated with statewide/Tribal information system capacity must be both in place and functioning as described in the requirement. ACF will use a rating scale to make the determinations of substantial conformity. The systemic factors under review are:

(1) Statewide/Tribal information system: The State/Tribal title IV–E agency is operating a statewide/Tribal information system that, at a minimum, can readily identify the status, demographic characteristics, location, and goals for the placement of every child who is (or within the immediately preceding 12 months, has been) in foster care (section 422(b)(8)(A)(i) of the Act);

(2) Case review system: The title IV–E agency has procedures in place that:

(1) Provide, for each child, a written case plan to be developed jointly with the child’s parent(s) that includes provisions: for placing the child in the least restrictive, most family-like placement appropriate to his/her needs, and in close proximity to the parents’ home where such placement is in the child’s best interests; for visits with a child placed out of State/Tribal service area at least every 12 months by a caseworker of the agency or of the agency in the State/Tribal service area where the child is placed; and for documentation of the steps taken to make and finalize an adoptive or other permanent placement when the child cannot return home (sections 422(b)(8)(A)(ii), 471(a)(16) and 475(5)(A) of the Act);

(ii) Provide for periodic review of the status of each child no less frequently than once every six months by either a court or by administrative review (sections 422(b)(8)(A)(ii), 471(a)(16) and 475(5)(B) of the Act);

(iii) Assure that each child in foster care under the supervision of the title IV–E agency has a permanency hearing in a family or juvenile court or another court of competent jurisdiction (including a Tribal court), or by an administrative body appointed or approved by the court, which is not a part of or under the supervision or direction of the title IV–E agency, no later than 12 months from the date the child entered foster care (and not less frequently than every 12 months thereafter during the continuation of foster care) (sections 422(b)(8)(A)(ii), 475(5)(E) and (F) of the Act);

(iv) Provide a process for termination of parental rights proceedings in accordance with sections 422(b)(8)(A)(ii), 475(5)(E) and (F) of the Act; and,

(v) Provide foster parents, preadoptive parents, and relative caregivers of children in foster care with notice of and a right to be heard in permanency hearings and six-month periodic reviews held with respect to the child (sections 422(b)(8)(A)(ii), 475(5)(G) of the Act, and 45 CFR 1356.21(o));

(3) Quality assurance system: The title IV–E agency has developed and implemented standards to ensure that children in foster care placements are provided quality services that protect the safety and health of the children (section 471(a)(22)) and is operating an identifiable quality assurance system (45 CFR 1357.15(u)) as described in the CFSP that:

(i) Is in place in the jurisdictions where services included in the CFSP are provided;
§ 1355.34  

(ii) Is able to evaluate the adequacy and quality of services provided under the CFSP;

(iii) Is able to identify the strengths and needs of the service delivery system it evaluates;

(iv) Provides reports to agency administrators on the quality of services evaluated and needs for improvement; and

(v) Evaluates measures implemented to address identified problems.

(4) Staff training: The title IV–E agency is operating a staff development and training program (45 CFR 1357.15(t)) that:

(i) Supports the goals and objectives in the title IV–E agency’s CFSP;

(ii) Addresses services provided under both subparts of title IV-B and the training plan under title IV-E of the Act;

(iii) Provides training for all staff who provide family preservation and support services, child protective services, foster care services, adoption services and independent living services soon after they are employed and that includes the basic skills and knowledge required for their positions;

(iv) Provides ongoing training for staff that addresses the skills and knowledge base needed to carry out their duties with regard to the services included in the CFSP; and,

(v) Provides training for current or prospective foster parents, adoptive parents, and the staff of State/Tribal-licensed or State/Tribal-approved child care institutions providing care to foster and adopted children receiving assistance under title IV–E that addresses the skills and knowledge base needed to carry out their duties with regard to caring for foster and adopted children.

(5) Service array: Information from the assessment and on-site review determines that the title IV–E agency has in place an array of services (45 CFR 1357.15(n)) and section 422(b)(8)(A)(iii) and (iv) of the Act) that includes, at a minimum:

(i) Services that assess the strengths and needs of children and families assisted by the agency and are used to determine other service needs;

(ii) Services that address the needs of the family, as well as the individual child, in order to create a safe home environment;

(iii) Services designed to enable children at risk of foster care placement to remain with their families when their safety and well-being can be reasonably assured;

(iv) Services designed to help children achieve permanency by returning to families from which they have been removed, where appropriate, be placed for adoption or with a legal guardian or in some other planned, permanent living arrangement, and through post-legal adoption services;

(v) Services that are accessible to families and children in all political subdivisions and/or the entire service area covered in the CFSP; and,

(vi) Services that can be individualized to meet the unique needs of children and families served by the agency.

(6) Agency responsiveness to the community:

(i) The title IV–E agency, in implementing the provisions of the CFSP, engages in ongoing consultation with a broad array of individuals and organizations representing the State/Tribal and county/local agencies responsible for implementing the CFSP and other major stakeholders in the services delivery system including, at a minimum, Tribal representatives, consumers, service providers, foster care providers, the juvenile court, and other public and private child and family serving agencies (45 CFR 1357.15(l)(3));

(ii) The agency develops, in consultation with these or similar representatives, annual reports of progress and services delivered pursuant to the CFSP (45 CFR 1357.16(a));

(iii) There is evidence that the agency’s goals and objectives included in the CFSP reflect consideration of the major concerns of stakeholders consulted in developing the plan and on an ongoing basis (45 CFR 1357.15(m)); and

(iv) There is evidence that the services under the plan are coordinated with services or benefits under other Federal or federally-assisted programs serving the same populations to achieve the goals and objectives in the plan (45 CFR 1357.15(m)).

(7) Foster and adoptive parent licensing, recruitment and retention:
Office of Human Development Services, HHS § 1355.35

(i) The State or Tribe has established and maintains standards for foster family homes and child care institutions which are reasonably in accord with recommended standards of national organizations concerned with standards for such institutions or homes (section 471(a)(10) of the Act);

(ii) The standards so established are applied by the State or Tribe to every licensed or approved foster family home or child care institution receiving funds under title IV–E or IV–B of the Act (section 471(a)(10) of the Act);

(iii) The title IV–E agency complies with the safety requirements for foster care and adoptive placements in accordance with sections 471(a)(16), 471(a)(20) and 475(1) of the Act and 45 CFR 1356.30;

(iv) The title IV–E agency has in place an identifiable process for assuring the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of children in the State or Tribe for whom foster and adoptive homes are needed (section 422(b)(7) of the Act); and,

(v) The title IV–E agency has developed and implemented plans for the effective use of cross-jurisdictional resources to facilitate timely adoptive or permanent placements for waiting children (section 422(b)(10) of the Act).

(d) Availability of review instruments. ACF will make available to the title IV–E agencies copies of the review instruments, which will contain the specific standards to be used to determine substantial conformity, on an ongoing basis, whenever significant revisions to the instruments are made.

§ 1355.35 Program improvement plans.

(a) Mandatory program improvement plan. (1) Title IV–E agencies found not to be operating in substantial conformity shall develop a program improvement plan. The program improvement plan must:

(i) Be developed jointly by title IV–E agency and Federal staff in consultation with the review team;

(ii) Identify the areas in which the title IV–E agency’s program is not in substantial conformity;

(iii) Set forth the goals, the action steps required to correct each identified weakness or deficiency, and dates by which each action step is to be completed in order to improve the specific areas;

(iv) Set forth the amount of progress the statewide/Tribal data will make toward meeting the national standards;

(v) Establish benchmarks that will be used to measure the title IV–E agency’s progress in implementing the program improvement plan and describe the methods that will be used to evaluate progress;

(vi) Identify how the action steps in the plan build on and make progress over prior program improvement plans;

(vii) Identify the technical assistance needs and sources of technical assistance, both Federal and non-Federal, which will be used to make the necessary improvements identified in the program improvement plan.

(2) In the event that ACF and the title IV–E agency cannot reach consensus regarding the content of a program improvement plan or the degree of program or data improvement to be achieved, ACF retains the final authority to assign the contents of the plan and/or the degree of improvement required for successful completion of the plan. Under such circumstances, ACF will render a written rationale for assigning such content or degree of improvement.

(b) Voluntary program improvement plan. Title IV–E agencies found to be operating in substantial conformity may voluntarily develop and implement a program improvement plan in collaboration with the ACF Regional Office, under the following circumstances:

(1) The title IV–E agency and Regional Office agree that there are areas of the title IV–E agency’s child and family services programs in need of improvement which can be addressed through the development and implementation of a voluntary program improvement plan;

(2) ACF approval of the voluntary program improvement plan will not be required; and

(3) No penalty will be assessed for the title IV–E agency’s failure to achieve
§ 1355.35

the goals described in the voluntary program improvement plan.

(c) Approval of program improvement plans. (1) A title IV–E agency determined not to be in substantial conformity must submit a program improvement plan to ACF for approval within 90 calendar days from the date the title IV–E agency receives the written notification from ACF that it is not operating in substantial conformity.

2 Any program improvement plan will be approved by ACF if it meets the provisions of paragraph (a) of this section.

(3) If the program improvement plan does not meet the provisions of paragraph (a) of this section, the title IV–E agency will have 30 calendar days from the date it receives notice from ACF that the plan has not been approved to revise and resubmit the plan for approval.

4 If the title IV–E agency does not submit a revised program improvement plan according to the provisions of paragraph (c)(3) of this section or if the plan does not meet the provisions of paragraph (a) of this section, withholding of funds pursuant to the provisions of §1355.36 of this part will begin.

(d) Duration of program improvement plans. (1) ACF retains the authority to establish time frames for the program improvement plan consistent with the seriousness and complexity of the remedies required for any areas determined not in substantial conformity, not to exceed two years.

2 Particularly egregious areas of nonconformity impacting child safety must receive priority in both the content and time frames of the program improvement plans and must be addressed in less than two years.

3 The Secretary may approve extensions of deadlines in a program improvement plan not to exceed one year. The circumstances under which requests for extensions will be approved are expected to be rare. The title IV–E agency must provide compelling documentation of the need for such an extension. Requests for extensions must be received by ACF at least 60 days prior to the affected completion date.

4 Title IV–E agencies must provide quarterly status reports (unless ACF and the title IV–E agency agree to less frequent reports) to ACF. Such reports must inform ACF of progress in implementing the measures of the plan.

(e) Evaluating program improvement plans. Program improvement plans will be evaluated jointly by the title IV–E agency and ACF, in collaboration with other members of the review team, as described in the title IV–E agency’s program improvement plan and in accordance with the following criteria:

(1) The methods and information used to measure progress must be sufficient to determine when and whether the title IV–E agency is operating in substantial conformity or has reached the negotiated standard with respect to statewide/Tribal service area data indicators that failed to meet the national standard for that indicator:

2 The frequency of evaluating progress will be determined jointly by the title IV–E agency and Federal team members, but no less than annually. Evaluation of progress will be performed in conjunction with the annual updates of the title IV–E agency’s CFSP, as described in paragraph (f) of this section;

3 Action steps may be jointly determined by the title IV–E agency and ACF to be achieved prior to projected completion dates, and will not require any further evaluation at a later date; and

4 The title IV–E agency and ACF may jointly renegotiate the terms and conditions of the program improvement plan as needed, provided that:

(i) The renegotiated plan is designed to correct the areas of the title IV–E agency’s program determined not to be in substantial conformity and/or achieve a standard for the statewide/Tribal service area data indicators that is acceptable to ACF;

(ii) The amount of time needed to implement the provisions of the plan does not extend beyond three years from the date the original program improvement plan was approved;

(iii) The terms of the renegotiated plan are approved by ACF; and

(iv) The Secretary approves any extensions beyond the two-year limit.

(f) Integration of program improvement plans with CFSP planning. The elements of the program improvement plan must
be incorporated into the goals and objectives of the title IV–E agency’s CFSP. Progress in implementing the program improvement plan must be included in the annual reviews and progress reports related to the CFSP required in 45 CFR 1357.16.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0970–0214. In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.)

§ 1355.36 Withholding Federal funds due to failure to achieve substantial conformity or failure to successfully complete a program improvement plan.

(a) For the purposes of this section:

(1) The term “title IV–B funds” refers to the title IV–E agency’s combined allocation of title IV–B subpart 1 and subpart 2 funds; and

(2) The term “title IV–E funds” refers to the title IV–E agency’s reimbursement for administrative costs for the foster care program under title IV–E.

(b) Determination of the amount of Federal funds to be withheld. ACF will determine the amount of title IV–B and IV–E funds to be withheld due to a finding that the title IV–E agency is not operating in substantial conformity, as follows:

(1) A title IV–E agency will have the opportunity to develop and complete a program improvement plan prior to any withholding of funds.

(2) Title IV–B and IV–E funds will not be withheld from a title IV–E agency if the determination of nonconformity was caused by the title IV–E agency’s correct use of formal written statements of Federal law or policy provided the title IV–E agency by DHHS.

(3) A portion of the title IV–E agency’s title IV–B and IV–E funds will be withheld by ACF for the year under review and for each succeeding year until the title IV–E agency either successfully completes a program improvement plan or is found to be operating in substantial conformity.

(4) The amount of title IV–B and title IV–E funds subject to withholding due to a determination that a title IV–E agency is not operating in substantial conformity is based on a pool of funds defined as follows:

(i) The title IV–E agency’s allotment of title IV–B funds for each of the years to which the withholding applies; and

(ii) An amount equivalent to 10 percent of the title IV–E agency’s Federal claims for title IV–E foster care administrative costs for each of the years to which withholding applies;

(5) The amount of funds to be withheld from the pool in paragraph (b)(4) of this section will be computed as follows:

(i) Except as provided for in paragraphs (b)(7) and (b)(8) of this section, an amount equivalent to one percent of the funds described in paragraph (b)(4) of this section for each of the years to which withholding applies will be withheld for each of the seven outcomes listed in §1355.34(b)(1) of this part that is determined not to be in substantial conformity; and

(ii) Except as provided for in paragraphs (b)(7) and (b)(8) of this section, an amount equivalent to one percent of the funds described in paragraph (b)(4) of this section for each of the years to which withholding applies will be withheld for each of the seven systemic factors listed in §1355.34(c) of this part that is determined not to be in substantial conformity.

(6) Except as provided for in paragraphs (b)(7), (b)(8), and (e)(4) of this section, in the event the title IV–E agency is determined to be in nonconformity on each of the seven outcomes and each of the seven systemic factors subject to review, the maximum amount of title IV–B and title IV–E funds to be withheld due to the title IV–E agency’s failure to comply is 14 percent per year of the funds described in paragraph (b)(4) of this section for each year.

(7) Title IV–E agencies determined not to be in substantial conformity that fail to correct the areas of nonconformity through the successful completion of a program improvement plan, and are determined to be in nonconformity on the second full review following the first full review in which
a determination of nonconformity was made will be subject to increased withholding as follows:

(i) The amount of funds described in paragraph (b)(5) of this section will increase to two percent for each of the seven outcomes and each of the seven systemic factors that continues in nonconformity since the immediately preceding child and family services review;

(ii) The increased withholding of funds for areas of continuous nonconformity is subject to the provisions of paragraphs (c), (d), and (e) of this section;

(iii) The maximum amount of title IV–B and title IV–E funds to be withheld due to the title IV–E agency’s failure to comply on the second full review following the first full review in which the determination of nonconformity was made is 28 percent of the funds described in paragraph (b)(4) of this section for each year to which the withholding of funds applies.

(8) Title IV–E agencies determined not to be in substantial conformity that fail to correct the areas of nonconformity through the successful completion of a program improvement plan, and are determined to be in nonconformity on the third and any subsequent full reviews following the first full review in which a determination of nonconformity was made will be subject to increased withholding as follows:

(i) The amount of funds described in paragraph (b)(5) of this section will increase to three percent for each of the seven outcomes and each of the seven systemic factors that continues in nonconformity since the immediately preceding child and family services review;

(ii) The increased withholding of funds for areas of continuous nonconformity is subject to the provisions of paragraphs (c), (d), and (e) of this section;

(iii) The maximum amount of title IV–B and title IV–E funds to be withheld due to the title IV–E agency’s failure to comply on the third and any subsequent full reviews following the first full review in which the determination of nonconformity was made is 42 percent of the funds described paragraph (b)(4) of this section for each year to which the withholding of funds applies.

(c) Suspension of withholding. (1) For title IV–E agencies determined not to be operating in substantial conformity, ACF will suspend the withholding of the title IV–E agencies’ title IV–B and title IV–E funds during the time that a program improvement plan is in effect, provided that:

(i) The program improvement plan conforms to the provisions of §1355.35 of this part; and

(ii) The title IV–E agency is actively implementing the provisions of the program improvement plan.

(2) Suspension of the withholding of funds is limited to three years following each review, or the amount of time approved for implementation of the program improvement plan, whichever is less.

(d) Terminating the withholding of funds. For title IV–E agencies determined not to be in substantial conformity, ACF will terminate the withholding of the title IV–E agency’s title IV–B and title IV–E funds related to the nonconformity upon determination by the title IV–E agency and ACF that the title IV–E agency has achieved substantial conformity or has successfully completed a program improvement plan. ACF will rescind the withholding of the portion of title IV–B and title IV–E funds related to specific goals or action steps as of the date at the end of the quarter in which they were determined to have been achieved.

(e) Withholding of funds. (1) Title IV–E agencies determined not to be in substantial conformity that fail to successfully complete a program improvement plan will be notified by ACF of this final determination of nonconformity in writing within 10 business days after the relevant completion date specified in the plan, and advised of the amount of title IV–B and title IV–E funds which are to be withheld.

(2) Title IV–B and title IV–E funds will be withheld based on the following:

(i) If the title IV–E agency fails to submit status reports in accordance with §1355.35(d)(4), or if such reports indicate that the title IV–E agency is not making satisfactory progress toward achieving goals or action steps, funds
§ 1355.38 Enforcement of section 471(a)(18) of the Act regarding the removal of barriers to interethnic adoption.

(a) Determination that a violation has occurred in the absence of a court finding. (1) If ACF becomes aware of a possible section 471(a)(18) violation, whether in the course of a child and family services review, the filing of a complaint, or through some other mechanism, it will refer such a case to the Department’s Office for Civil Rights (OCR) for investigation.

(2) Based on the findings of the OCR investigation, ACF will determine if a violation of section 471(a)(18) has occurred. A section 471(a)(18) violation occurs if a title IV–E agency or entity in the State/Tribe:

(i) Has denied to any person the opportunity to become an adoptive or foster parent on the basis of the race, color, or national origin of the person, or of the child involved; or,

(ii) Has delayed or denied the placement of a child for adoption or into foster care on the basis of the race, color, or national origin of the adoptive or foster parent, or the child involved; or,

(iii) With respect to a title IV–E agency, maintains any statute, regulation, policy, procedure, or practice that on its face, is a violation as defined in paragraphs (a)(2)(i) and (2)(ii) of this section.

(3) ACF will provide the title IV–E agency or entity with written notification of its determination.

(4) If there has been no violation, there will be no further action. If ACF determines that there has been a violation of section 471(a)(18), it will take enforcement action as described in this section.

(b) Corrective action and penalties for violations with respect to a person or based on a court finding. (1) A title IV–E agency that refuses to participate in the development or implementation of a program improvement plan falls within a specific quarter, the amount of funds to be withheld will be computed to the end of that quarter.

(2) A title IV–E agency that refuses to participate in the development or implementation of a program improvement plan will be subject to the maximum increased withholding of 42 percent of its title IV–B and title IV–E funds, as described in paragraph (b)(2) of this section, for each year or portion thereof to which the withholding of funds applies.

(3) The title IV–E agency will be liable for interest on the amount of funds withheld by the Department, in accordance with the provisions of 45 CFR 30.18.

E agency or entity found to be in violation of section 471(a)(18) of the Act with respect to a person, as described in paragraphs (a)(2)(i) and (a)(2)(ii) of this section, will be penalized in accordance with paragraph (g)(2) of this section. A title IV–E agency or entity determined to be in violation of section 471(a)(18) of the Act as a result of a court finding will be penalized in accordance with paragraph (g)(4) of this section. The title IV–E agency may develop, obtain approval of, and implement a plan of corrective action any time after it receives written notification from ACF that it is in violation of section 471(a)(18) of the Act.

(2) Corrective action plans are subject to ACF approval.

(3) If the corrective action plan does not meet the provisions of paragraph (d) of this section, the title IV–E agency must revise and resubmit the plan for approval until it has an approved plan.

(4) A title IV–E agency or entity found to be in violation of section 471(a)(18) of the Act by a court must notify ACF within 30 days from the date of entry of the final judgment once all appeals have been exhausted, declined, or the appeal period has expired.

Corrective action for violations resulting from a title IV–E agency’s statute, regulation, policy, procedure, or practice.

(1) A title IV–E agency found to have committed a violation of the type described in paragraph (a)(2)(iii) of this section must develop and submit a corrective action plan within 30 days of receiving written notification from ACF that it is in violation of section 471(a)(18). Once the plan is approved the title IV–E agency will have to complete the corrective action and come into compliance. If the title IV–E agency fails to complete the corrective action plan within six months and come into compliance, a penalty will be imposed in accordance with paragraph (g)(3) of this section.

(2) Corrective action plans are subject to ACF approval.

(3) If the corrective action plan does not meet the provisions of paragraph (d) of this section, the title IV–E agency must revise and resubmit the plan within 30 days from the date it receives a written notice from ACF that the plan has not been approved. If the title IV–E agency does not submit a revised corrective action plan according to the provisions of paragraph (d) of this section, withholding of funds pursuant to the provisions of paragraph (g) of this section will apply.

(d) Contents of a corrective action plan. A corrective action plan must:

(1) Identify the issues to be addressed;

(2) Set forth the steps for taking corrective action;

(3) Identify any technical assistance needs and Federal and non-Federal sources of technical assistance which will be used to complete the action steps; and,

(4) Specify the completion date. This date will be no later than 6 months from the date ACF approves the corrective action plan.

(e) Evaluation of corrective action plan. ACF will evaluate corrective action plans and notify the title IV–E agency (in writing) of its success or failure to complete the plan within 30 calendar days. If the title IV–E agency has failed to complete the corrective action plan, ACF will calculate the amount of reduction in the title IV–E agency’s title IV–E payment and include this information in the written notification of failure to complete the plan.

(f) Funds to be withheld. The term “title IV–E funds” refers to the amount of Federal funds advanced or paid to the title IV–E agency for allowable costs incurred by a title IV–E agency for: foster care maintenance payments, adoption assistance payments, administrative costs, and training costs under title IV–E and includes the title IV–E agency’s allotment for the Chafee Foster Care Independence Program under section 477 of the Act.

(g) Reduction of title IV–E funds. (1) Title IV–E funds shall be reduced in specified amounts in accordance with paragraph (h) of this section under the following circumstances:

(i) A determination that a title IV–E agency or entity is in violation of section 471(a)(18) of the Act with respect to a person as described in paragraphs (a)(2)(i) and (a)(2)(ii) of this section, or:
Office of Human Development Services, HHS § 1355.38

(i) After a title IV–E agency’s failure to implement and complete a corrective action plan and come into compliance as described in paragraph (c) of this section.

(ii) After a title IV–E agency's failure to implement and complete a corrective action plan and come into compliance as described in paragraph (c) of this section.

(2) Once ACF notifies a title IV–E agency (in writing) that it has committed a section 471(a)(18) violation with respect to a person, the title IV–E agency’s title IV–E funds will be reduced for the fiscal quarter in which the title IV–E agency received written notification and for each succeeding quarter within that fiscal year or until the title IV–E agency completes a corrective action plan and comes into compliance, whichever is earlier. Once ACF notifies an entity (in writing) that it has committed a section 471(a)(18) violation with respect to a person, the entity must remit to the Secretary all title IV–E funds paid to it by the title IV–E agency during the quarter in which the entity is notified of the violation.

(3) Once ACF notifies an entity (in writing) that it has committed a section 471(a)(18) violation with respect to a person, the entity must remit to the Secretary all title IV–E funds paid to it by the title IV–E agency during the quarter in which the entity is notified of the violation. The reduction will continue for each succeeding quarter within that fiscal year or until the title IV–E agency completes the corrective action plan and comes into compliance, whichever is earlier.

(4) If, as a result of a court finding, a title IV–E agency or entity is determined to be in violation of section 471(a)(18) of the Act, ACF will assess a penalty without further investigation. Once the title IV–E agency is notified (in writing) of the violation, its title IV–E funds will be reduced for the fiscal quarter in which the court finding was made and for each succeeding quarter within that fiscal year or until the title IV–E agency completes a corrective action plan and comes into compliance, whichever is sooner. Once an entity is notified (in writing) of the violation, the entity must remit to the Secretary all title IV–E funds paid to it by the title IV–E agency during the quarter in which the court finding was made.

(5) The maximum number of quarters that a title IV–E agency will have its title IV–E funds reduced due to a finding of a title IV–E agency’s failure to conform to section 471(a)(18) of the Act is limited to the number of quarters within the fiscal year in which a determination of nonconformity was made. However, an uncorrected violation may result in a subsequent review, another finding, and additional penalties.

(6) No penalty will be imposed for a court finding of a violation of section 471(a)(18) until the judgement is final and all appeals have been exhausted, declined, or the appeal period has expired.

(h) Determination of the amount of reduction of Federal funds. ACF will determine the reduction in title IV–E funds due to a section 471(a)(18) violation in accordance with section 474(d)(1) and (2) of the Act.

(1) Title IV–E agencies that violate section 471(a)(18) with respect to a person or fail to implement or complete a corrective action plan as described in paragraph (c) of this section will be subject to a penalty. The penalty structure will follow section 474(d)(1) of the Act. Penalties will be levied for the quarter of the fiscal year in which the title IV–E agency is notified of its section 471(a)(18) violation, and for each succeeding quarter within that fiscal year until the title IV–E agency comes into compliance with section 471(a)(18).

The reduction in title IV–E funds will be computed as follows:

(i) 2 percent of the title IV–E agency’s title IV–E funds for the fiscal year quarter, as defined in paragraph (f) of this section, for the first finding of noncompliance in that fiscal year;

(ii) 3 percent of the title IV–E agency’s title IV–E funds for the fiscal year quarter, as defined in paragraph (f) of this section, for the second finding of noncompliance in that fiscal year;

(iii) 5 percent of the title IV–E agency’s title IV–E funds for the fiscal year quarter, as defined in paragraph (f) of this section, for the third or subsequent finding of noncompliance in that fiscal year.

(2) Any entity (other than the title IV–E agency) which violates section 471(a)(18) of the Act during a fiscal quarter must remit to the Secretary all title IV–E funds paid to it by the title IV–E agency in accordance with
§ 1355.39 Administrative and judicial review.

A title IV–E agency determined not to be in substantial conformity with titles IV–B and IV–E plan requirements, or a title IV–E agency or an entity in violation of section 471(a)(18) of the Act:

(a) May appeal, pursuant to 45 CFR part 16, the final determination and any subsequent withholding of, or reduction in, funds to the HHS Departmental Appeals Board within 60 days after receipt of a notice of noncomformity described in §1355.36(e)(1) of this part, or receipt of a notice of noncompliance by ACF as described in §1355.38(a)(3) of this part; and

(b) Will have the opportunity to obtain judicial review of an adverse decision of the Departmental Appeals Board within 60 days after the title IV–E agency or entity receives notice of the decision by the Board. Appeals of adverse Department Appeals Board decisions must be made to the district court of the United States for the judicial district in which the principal or headquarters office of the agency responsible for administering the program is located.

(c) The procedure described in paragraphs (a) and (b) of this section will not apply to a finding that a title IV–E agency or an entity has been determined to be in violation of section 471(a)(18) which is based on a judicial decision.

§ 1355.40 Foster care and adoption data collection.

(a) Scope of the data collection system.

(1) Each title IV–E agency which administers or supervises the administration of titles IV–B and IV–E must implement a system to collect data. The data reporting system must meet the requirements of §1355.40(b) and electronically report certain data regarding children in foster care and adoption. The foster care data elements are listed and defined in Appendix A to this part and the adoption data elements are listed and defined in Appendix B to this part.

(2) For the purposes of foster care reporting, each data transmission must include all children in foster care for whom the title IV–E agency has responsibility for placement, care, or supervision. This includes American Indian children covered under the assurances in section 422(b)(8) of the Act on the same basis as any other child. For children in care less than 30 days, only a core set of information will be required, as noted in Appendix A to this part.

(b) Data collection.

(1) For children in out-of-State placement, the State placing the child and making the foster care payment submits and continually updates the data for each such child.

(c) For the purposes of adoption reporting, data are required to be transmitted by the title IV–E agency on all adopted children who were placed by
the title IV–E agency, and on all adopted children for whom the agency is providing adoption assistance (either ongoing or for nonrecurring expenses), care or services directly or by contract or agreement with other private or public agencies. Full adoption data as specified in appendix B to this part are required only for children adopted after the implementation date of October 1, 1994. For children adopted prior to October 1, 1994, who are continuing to receive title IV–E subsidies, aggregate data are to be reported. For a child adopted out-of-State, the title IV–E agency which placed the child submits the data. Similarly, the Tribal title IV–E agency which placed the child outside of the Tribal service area for adoption submits the data.

(b) Foster care and adoption reporting requirements. (1) The title IV–E agency shall transmit semi-annually, within 45 days of the end of the reporting period (i.e., by May 15 and November 14), information on each child in foster care and each child adopted during the reporting period. The information to be reported consists of the data elements found in appendices A and B to this part. The data must be extracted from the data system as of the last day of the reporting period and must be submitted in electronic form as described in appendix C to this part and in record layouts as delineated in appendix D to this part.

(2) For foster care information, the child-specific data to be transmitted must reflect the data in the information system when the data are extracted. Dates of removal from the home and discharge from foster care must be entered in accordance with paragraph (d)(1) of this section. The date of the most recent periodic review (either administrative or court) must be entered for children who have been in foster care for more than nine months. Entry of this date constitutes title IV–E agency certification that the data on the child have been reviewed and are current.

(3) Adoption data are to be reported during the reporting period in which the adoption is legalized or, at the title IV–E agency’s option, in the following reporting period if the adoption is legalized within the last 60 days of the reporting period. For a semi-annual period in which no adoptions have been legalized, the title IV–E agency must report such an occurrence.

(4) A summary file of the semi-annual data transmission must be submitted and will be used to verify the completeness of the title IV–E agency’s detailed submission for the reporting period.

(5) A variety of internal data consistency checks will be used to judge the internal consistency of the semi-annual detailed data submission. These are specified in Appendix E to this part.

(c) Missing data standards. (1) The term “missing data” refers to instances where no data have been entered, if applicable, for a particular data element. In addition, all data elements which fail a consistency check for a particular case will be converted to missing data. All data which are “out of range” (i.e., the response is beyond the parameters allowed for that particular data element) will also be converted to missing data. Details of the circumstances under which data will be converted to missing data are specified in appendix E to this part. Data elements with responses of “cannot be determined” or “not yet determined” are not considered as having missing data.

(2) Substantial noncompliance occurs when missing data exceed 10 percent for any one data element.

(d) Timeliness of foster care data reports. Ninety percent of the subject transactions must have been entered into the system within 60 days of the event (removal from home or discharge from foster care) or the title IV–E agency will be found in substantial noncompliance.

(e) Substantial Noncompliance. Failure by a title IV–E agency to meet any of the standards described in paragraphs...
§ 1355.50 Purpose.

SECTION II—DEFINITIONS OF AND INSTRUCTIONS FOR FOSTER CARE DATA ELEMENTS

Reporting population. The population to be included in this reporting system includes all children in foster care under the responsibility of the title IV–E agency administering or supervising the administration of the title IV–B Child and Family Services plan and the title IV–E plan; that is, all children who are required to be provided the assurances of section 422(b)(8) of the Social Security Act.

This population includes all children supervised by or under the responsibility of another public agency, which the title IV–E agency has an agreement under title IV–E and on whose behalf the title IV–E agency makes title IV–E foster care maintenance payments.

Foster care is defined as 24 hour substitute care for children outside their own home. The reporting system includes all children who have or had been in foster care at least 24 hours. The foster care settings include, but are not limited to:

—Family foster homes
—Relative foster homes (whether payments are made or not)
—Group homes
—Emergency shelters
—Residential facilities
—Child care institutions
—Pre-adoptive homes

Foster care does not include children who are in their own homes under the responsibility of the title IV–E agency. However, children who are at home on a trial basis may be included even though they are not considered to be in foster care. If they are included, element number V. CURRENT PLACEMENT SETTING must be given the value of "8".

I. General Information

A. Title IV–E agency***—For a State, the U.S. Postal Service two letter abbreviation for the State submitting the report. For a Tribal title IV–E agency, the abbreviation provided by ACF.

B. Report Date***—Last month and year for the reporting period.

C. Local Agency***—Identity of the county or equivalent unit which has responsibility for the case. The 5 digit Federal Information Processing Standard (FIPS) must be used or other ACF-provided code.

D. Record Number***—The sequential number which the title IV–E agency uses to transmit data to the Department of Health and Human Services (DHHS) or a unique number which follows the child as long as he or she is in foster care. The record number cannot be linked to the child's case I.D. number except at the title IV–E agency level.

E. Date of Most Recent Periodic Review (if applicable)—For children who have been in care for seven months or longer, enter the month, day and year of the most recent administrative or court review, including dispositional hearing. For children who have been in care less than seven months, leave the field blank. An entry in this field certifies that the child's computer record is current up to this date.

II. Child's Demographic Information

A. Date of Birth***—Month, day and year of the child's birth. If the child is abandoned or the date of birth is otherwise unknown, enter an approximate date of birth. Use the 15th as the day of birth.

B. Sex***—Indicate as appropriate.

C. Race/Ethnicity**

1. Race—In general, a person's race is determined by how they define themselves or by how others define them. In the case of young children, parents determine the race of the child. Indicate all races (a through e) that apply with a "1." For those that do not apply, indicate a "0." Indicate "f. Unable to Determine" with a "1" if it applies and a "0" if it does not.

American Indian or Alaska Native—A person having origins in any of the original peoples of North or South America (including Central America), and who maintains tribal affiliation or community attachment.

White—A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Unable to Determine—The specific race category is "unable to determine" because the child is very young or is severely disabled and no person is available to identify the child's race. "Unable to determine" is also used if the parent, relative or guardian is unwilling to identify the child's race.

2. Hispanic or Latino Ethnicity—Known

"yes" if the child is of Mexican, Puerto Rican, Cuban, Central or South American origin, or a person of other Spanish cultural origin regardless of race. Whether or not a
person is Hispanic or Latino is determined by how they define themselves or by how others define them. In the case of young children, parents determine the ethnicity of the child. "Unable to Determine" is used because the child is very young or is severely disabled and no person is available to determine whether or not the child is Hispanic or Latino. "Unable to determine" is also used if the parent, relative or guardian is unwilling to identify the child’s ethnicity.

D. Has the child been clinically diagnosed as having a disability(ies)? "Yes" indicates that a qualified professional has clinically diagnosed the child as having at least one of the disabilities listed below. "No" indicates that a qualified professional has conducted a clinical assessment of the child and has determined that the child has no disabilities. "Not Yet Determined" indicates that a clinical assessment of the child by a qualified professional has not been conducted.

1. Indicate Each Type of Disability With a "1"

Mental Retardation—Significantly subaverage general cognitive and motor functioning existing concurrently with deficits in adaptive behavior manifested during the development period that adversely affect a child’s/youth’s socialization and learning.

Visually or Hearing Impaired—Having a visual impairment that may significantly affect educational performance or development; or a hearing impairment, whether permanent or fluctuating, that adversely affects educational performance.

Emotionally Disturbed (DSM III)—A condition exhibiting one or more of the following characteristics over a long period of time and to a marked degree: An inability to build or maintain satisfactory interpersonal relationships; inappropriate types of behavior or feelings under normal circumstances; a general pervasive mood of unhappiness or depression; or a tendency to develop physical symptoms or fears associated with personal problems. The term includes persons who are schizophrenic or autistic. The term does not include persons who are socially maladjusted, unless it is determined that they are also seriously emotionally disturbed. The diagnosis is based on the Diagnostic and Statistical Manual of Mental Disorders (Third Edition) (DSM III) or the most recent edition.

Other Medically Diagnosed Conditions Requiring Special Care—Conditions other than those noted above which require special medical care such as chronic illnesses. Included are children diagnosed as HIV positive or with AIDS.

E.1. Has this child ever been adopted? If this child has ever been legally adopted, enter "yes." If the child has never been legally adopted, enter "no." Enter "Unable to Determine" if the child has been abandoned or the child’s parent(s) are otherwise not available to provide the information.

2. If yes, how old was the child when the adoption was legalized? Enter the number which represents the appropriate age range. If uncertain, use an estimate. If no one is available to provide the information, enter "Unable to Determine."

Runaway—The child has run away from the foster care setting.

Trial Home Visit—The child has been in a foster care placement, but, under title IV–E agency supervision, has been returned to the principal caretaker for a limited and specified period of time.

B. Is current placement setting outside of the State or Tribal service area?

“Yes” indicates that the current placement setting is located outside of the State or the Tribal service area of the Tribal title IV–E agency making the report.

“No” indicates that the child continues to reside within the State or the Tribal service area.

APPENDIX C TO PART 1355—ELECTRONIC DATA TRANSMISSION FORMAT

All AFCARS data to be sent from title IV–E agencies to the Department are to be in electronic form. In order to meet this general specification, the Department will offer as much flexibility as possible. Technical assistance will be provided to negotiate a method of transmission best suited to the title IV–E agency’s environment.

There will be four semi-annual electronic data transmissions from the title IV–E agency to the Administration for Children and Families (ACF).

Regardless of the electronic data transmission methodology selected, certain criteria must be met by the title IV–E agency:

(1) Records must be written using ASCII standard character format.

(2) All elements must be comprised of integer (numeric) value(s). Element character length specifications refer to the maximum number of numeric values permitted for that element. See Appendix D.

(3) All records must be a fixed length. The Foster Care Detailed Data Elements Record is 150 characters long and the Adoption Detailed Data Elements Record is 72 characters long. The Foster Care Summary Data Elements Record and the Adoption Summary Data Elements Record are each 172 characters long.

2. Adoption Semi-Annual Summary Data Elements Record

a. The record will consist of 22 data elements. The values for these data elements are generated by processing all records in the semi-annual detailed data transmission and computing the summary values for Elements 1 and 3–22. Element 2 is the semi-annual report period ending date. In calculating the age range for the child, the last day of the reporting period is to be used.

b. Data must be supplied for each of the elements in accordance with these instructions:
   (1) Enter the appropriate value for each element.
   (2) For all elements where the total is zero, enter a numeric zero.
   (3) Enter data values in year, month order (YYYYMM), e.g., 199912 for December 1999.

APPENDIX E TO PART 1355—DATA STANDARDS

All data submissions will be evaluated to determine the completeness and internal consistency of the data. Four types of assessments will be conducted on both the foster care and adoption data submissions. The results of these assessments will determine the applicability of a substantial noncompliance determination with the title IV–E plan.

The four types of assessments are:

• Comparisons of the detailed data to summary data;
• Internal consistency checks of the detailed data;
• An assessment of the status of missing data; and
• Timeliness, an assessment of how current the submitted data are.

A. Foster Care

1. Summary Data Elements Submission Standards

A summary file must accompany the Detailed Data Elements submission. Both transmissions must be sent through electronic means (see appendix C for details). This summary will be used to verify basic counts of records on the detailed data received.

a. The summary file must be a discrete file separate from the semi-annual reporting period detailed data file. The record layout for the summary file is included in appendix D, section A.2.c. All data must be included. If the value for a numeric field is zero, zero must be entered.

b. The Department will develop a second summary file by computing the values from the detailed data file received from the title IV–E agency. The two summary files (the one submitted by the title IV–E agency and the one created during Federal processing) will be compared, field by field. If the two files match, further validation of the detailed data elements will commence. If the two summary files do not match, we will assume that there has been an error in transmission and will request a retransmission from the title IV–E agency within 24 hours of the time the title IV–E agency has been notified. In addition, a log of these occurrences will be kept as a means of cataloging problems and offering suggestions on improved procedures.

2. Detailed Data File Submission Standards

a. Internal Consistency Validations. Internal consistency validations involve evaluating the logical relationships between data elements in a detailed record. For example, a child cannot be discharged from foster care before he or she has been removed from his or her home. Thus, the Date of Latest Removal From Home data element must be a date prior to the Date of Discharge. If this is not the case, an internal inconsistency will be detected and an “error” indicated in the detailed data file.

A number of data elements have “if applicable” contingency relationships with other data elements in the detailed record. For example, if the Foster Family Structure has only a single parent, then the appropriate sex of the Single Female/Male element in the
“Year of Birth” and “Race/Origin” elements must be completed and the “non-applicable” fields for these elements are to be filled with zero’s or, for dates, left blank.

The internal consistency validations that will be performed on the foster care detailed data are as follows:

1. The Local Agency must be the county or a county equivalent unit which has responsibility for the case. The 5 digit Federal Information Processing Standard (FIPS) or other ACF assigned code must be used.

2. If Date of Latest Removal From Home (Element 21) is less than nine months prior to the Report Period Ending Date (Element 2) then the Date of Most Recent Periodic Review (Element 5) may be left blank.

3. If Date of Latest Removal From Home (Element 21) is greater than nine months from Report Date (Element 2) then the Date of Most Recent Periodic Review (Element 5) must not be more than nine months prior to the Report Date (Element 2).

4. If a child is identified as having a disability(ies) (Element 10), at least one Type of Disability Condition (Elements 11–15) must be indicated. Enter a zero (0) for disabilities that do not apply.

5. If the Total Number of Removals From Home to Date (Element 19) is one (1), the Date Child was Discharged From Last Foster Care Episode (Element 20) must be blank.

6. If the Total Number of Removals From Home to Date (Element 19) is two or more, then the Date Child was Discharged From Last Foster Care Episode (Element 20) must not be blank.

7. If Date Child was Discharged From Last Foster Care Episode (Element 20) exists, then this date must be a date prior to the Date of Latest Removal From Home (Element 21).

8. The Date of Latest Removal From Home (Element 21) must be prior to the Date of Placement In Current Foster Care Setting (Element 23).

9. At least one element between elements 26 and 40 must be answered by selecting a “1”. Enter a zero (0) for conditions that do not apply.

10. If Current Placement Setting (Element 41) is a value that indicates that the child is not in a foster family or a pre-adoptive home, then elements 49–55 must be zero (0).

11. At least one element between elements 59 and 65 must be answered by selecting a “1”. Enter a zero for sources that do not apply.

12. If the answer to the question, “Has this child ever been adopted?” (Element 16) is “1” (Yes), then the question, “How old was the child when the adoption was legalized?” (Element 17) must have an answer from “1” to “5.”

13. If the Date of Most Recent Periodic Review (Element 5) is not blank, then Manner of Removal From Home for Current Placement Episode (Element 25) cannot be option 3, “Not Yet Determined.”

14. If Reason for Discharge (Element 58) is option 3, “Adoption,” then Parental Rights Termination dates (Elements 46 and 47) must not be blank.

15. If the Date of Latest Removal From Home (Element 21) is present, the Date of Latest Removal From Home Transaction Date (Element 22) must be present and must be later than or equal to the Date of Latest Removal From Home (Element 21).

16. If the Date of Discharge From Foster Care (Element 56) is present, the Date of Discharge From Foster Care Transaction Date (Element 57) must be present and must be later than or equal to the Date of Discharge From Foster Care (Element 56).

17. If the Date of Discharge From Foster Care (Element 56) is present, it must be after the Date of Latest Removal From Home (Element 21).

18. In Elements 8, 52, and 54, race categories (“a” through “e”) and “f. Unable to Determine” cannot be coded “0,” for it does not apply. If any of the race categories apply and are coded as “1” then “f. Unable to Determine” cannot also apply.

b. Out-of-Range Standards.

Out-of-range standards relate to the occurrence of values in response to data elements that exceed, either positively or negatively, the acceptable range of responses to the question. For example, if the acceptable responses to the element, Sex of the Adoptive Child, is “1” for a male and “2” for a female, the datum provided in the element is “3,” this represents an out-of-range response situation.

Out-of-range comparisons will be made for all elements. The acceptable values are described in Appendix A, Section I.

3. Missing Data Standards

The term “missing data” refers to instances where data for an element are required but are not present in the submission. Data elements with values of “Unable to Determine,” “Not Yet Determined” or which are not applicable, are not considered missing.

a. In addition, the following situations will result in converting data values to a missing data status:

(1) Data elements whose values fail internal consistency validations as outlined in A.2.a.(1)–(18) above, and

(2) Data elements whose values are out-of-range.

b. The maximum amount of allowable missing data is dependent on the data elements as described below:

(1) No Missing Data.

The data for the elements listed below must be present in all records in the submission. If any record contains missing data for any of these elements, the entire submission...
will be considered missing and processing will not proceed.

(c). Determination of substantial noncompliance with the title IV–E plan.

Missing data are a major factor in determining substantial noncompliance with the title IV–E plan.

(1) Selection Rules.

All data elements will be used in calculating missing data unless one of the following limiting rules applies to the detailed case record.

(a) If Date of Latest Removal From Home (Element 21) and the Date of Discharge From Foster Care (Element 56) is less than 30 days, then the following date elements are the only ones to be used in evaluating the missing data provisions for purposes of a determination of substantial noncompliance with the title IV–E plan:

Elements
1 to 4
6 to 9
21 and 22
41 and 43
56 to 58

(b) If Date of Latest Removal From Home (Element 18) is prior to October 1, 1995, then the following date elements are the only ones to be used in evaluating the missing data provisions for purposes of a determination of substantial noncompliance with the title IV–E plan:

Elements
1 to 4
6 to 9
21 and 22
41 and 43
56 to 58

(2) Determination of substantial noncompliance with the title IV–E plan.

The percentage calculation will be performed for each data element. The total number of detailed records that are included by the selection rules in 3.c.(1), will serve as the denominator. The number of missing data occurrences for each element will serve as the numerator. The result will be multiplied by one hundred. The determination of substantial noncompliance with the title IV–E plan is made when any one element’s missing data percentage is ten percent or greater.

4. Timeliness of Foster Care Data Reports

Title IV–E agencies are required to submit reports within 45 calendar days after the end of the semi-annual reporting period.

Computer generated transaction dates indicate the date when key foster care events are entered into the title IV–E agency’s computer system. The intent of these transaction dates is to ensure that information about the status of children in foster care is recorded and, thus, reported in a timely manner.

a. Date of Latest Removal From Home.

The Date of Latest Removal From Home Transaction Date (Element 22) must not be more than 60 days after the Date of Latest Removal From Home (Element 21) event.
b. The Date of Discharge From Foster Care Transaction Data (Element 57) must not be more than 60 days after the Date of Discharge From Foster Care (Element 56) event.

For a determination of substantial noncompliance with the title IV–E plan, ninety percent of the records in a detailed data submission, must indicate that:

1. The difference between the Date of Parental Rights Termination From Mother (Element 23) and the Date of Parental Rights Termination From Father (Element 24) must be 60 days or less;

2. The difference between the Date of Discharge From Foster Care Transaction Date (Element 57), and the Date of Discharge From Foster Care (Element 56) event is 60 days or less.

B. Adoption

1. Summary Data Elements File Submission Standards

A summary file must accompany the detailed Data Elements File submission. Both files must be sent through electronic means (see appendix C for details). This summary will be used to verify the completeness of the Detailed Data File submission received.

a. The summary file should be a discrete file separate from the semi-annual reporting period detailed data file. The record layout for the summary file is included in appendix D, section B.2.c. All data must be included. If the value for a numeric field is zero, zero must be entered.

b. The Department will develop a second summary file by computing the values from the detailed data file received from the title IV–E agency. The two summary files (the one submitted by the title IV–E agency and the one created during Federal processing) will be compared, field by field. If the two files match, further validation of the detailed data elements will commence. (See section B.2 below.) If the two summary files do not match, we will assume that there has been an error in transmission and will request a retransmission from the title IV–E agency within 24 hours of the time the title IV–E agency has been notified. In addition, a log of these occurrences will be kept as a means of cataloging problems and offering suggestions on improved procedures.

2. Detailed Data Elements File Submission Standards

a. Internal Consistency Validations

Internal consistency validations involve evaluating the logical relationships between data elements in a detailed record. For example, an adoption cannot be finalized until parental rights have been terminated. Thus, the dates of Mother/Father Termination of Parental Rights, elements must be present and the dates must be prior to the “Date Adoption Legalized.” If this is not the case, an internal inconsistency will be detected and an “error” indicated in the detailed data file.

A number of data elements have “if applicable” contingency relationships with other data elements in the detailed record. For example, if the Adoptive Parent is single, then the appropriate sex of the single female/male element in the “Family Structure,” “Year of Birth” and “Race/Origin” elements must be completed and the “non-applicable” fields for these elements are to be filled with zeros or left blank.

The internal consistency validations that will be performed on the adoption detailed data are as follows:

1. The Child’s Date of Birth (Element 5) must be later than both the Mother’s and Father’s Year of Birth (Elements 16 and 17) unless either of these is unknown.

2. If the title IV–E agency has determined that the child is a special needs child (Element 9), then “the primary basis for determining that this child has special needs” (Element 10) must be completed. If “the primary basis for determining that this child has special needs” (Element 10) is answered by option “4,” then at least one element between Elements 11–15, “Type of Disability,” must be selected. Enter a zero (0) for disabilities that do not apply.

3. Dates of Parental Rights Termination (Elements 19 and 20) must be completed and must be prior to the Date Adoption Legalized (Element 21).

4. If “Is a monthly financial subsidy being paid for this child?” (Element 35) is answered negatively, “2”, then Element 36 must be zero (0) and “Is the subsidy paid under Title IV–E adoption assistance” (Element 37) must be a “2”.

5. If the “Child Was Placed By” (Element 34) is answered with option 1, “Public Agency,” then the question, “Did the title IV–E Agency Have any Involvement in This Adoption” (Element 4) must be “1”.

6. If the “Relationship of Adoptive Parent(s) to the Child,” “Foster Parent of Child” (Element 31) is selected, then the question, “Did the title IV–E Agency Have any Involvement in This Adoption” (Element 4) must be “1”.

7. If “Is a monthly financial subsidy being paid for this child?” (Element 35) answered “1,” then the question, “Did the title IV–E Agency Have any Involvement in This Adoption” (Element 4) must be “1.”

8. If the “Family Structure” (Element 22) is option 3, Single Female, then the Mother’s Year of Birth (Element 23), the “Adoptive Mother’s Race” (Element 25) and “Hispanic or Latino Ethnicity” (Element 26) must be completed. Similarly, if the “Family Structure” (Element 22) is option 4, Single Male, then the Father’s Year of Birth (Element 24),
Office of Human Development Services, HHS  Pt. 1355, App. E

the Adoptive Father’s Race” (Element 27) and “Hispanic or Latino Ethnicity” (Element 28) must be completed. If the “Family Structure” (Element 22) is option 1 or 2, then both Mother’s and Father’s “Year of Birth,” “Race” and “Hispanic or Latino Ethnicity” must be completed.

(9) In Elements 7, 25, and 27, race categories (“a” through “e”) and “f. Unable to Determine” cannot be coded “0,” for it does not apply. If any of the race categories apply and are coded as “1” then “f. Unable to Determine” cannot also apply.

b. Out-of-Range Standards

Out-of-range standards relate to the occurrence of values in response to data elements that exceed, either positively or negatively, the acceptable range of responses to the question. For example, if the acceptable response to the element, Sex of the Adoptive Child, is “1” for a male and “2” for a female, but the datum provided in the element is “3,” this represents an out-of-range response situation.

Out-of-range comparisons will be made for all elements. The acceptable values are described in appendix B, section I.

3. Missing Data Standards

The term “missing data” refers to instances where data for an element are required but are not present in the submission. Data elements with values of “Unable to Determine,” “Other” or which are not applicable, are not considered missing.

a. In addition, the following situations will result in converting data values to a missing data status:

(1) Data elements whose values fall internal consistency validations as outlined in 2.a.(1)-(9) above, and

(2) Data elements whose values are out-of-range.

b. The maximum amount of allowable missing data is dependent on the data elements as described below.

(1) No Missing Data.

The data for the elements listed below must be present in all records in the submission. If any record contains missing data for any of these elements, the entire submission will be considered missing and processing will not proceed.

(2) Less Than Ten Percent Missing Data

The data for the elements listed below cannot have ten percent or more missing data without incurring a determination of substantial noncompliance with the title IV–E plan.

The data for the elements listed below can-

4. Timeliness of Adoption Reports

The title IV–E agency is required to submit reports within 45 calendar days after the end of the semi-annual reporting period. For determinations of substantial non-compliance with the title IV–E plan purposes, however, no specific timeliness of data standards apply. Data on adoptions should be submitted as promptly after finalization as possible.

The desired approach to reporting adoption data is that adoptions should be reported during the reporting period in which the adoption is legalized. Or, at the title IV–E agency’s option, they can be reported in the following reporting period if the adoption is legalized within the last 60 days of the reporting period.

Negative reports must be submitted for any semi-annual period in which no adoptions have been legalized.

§ 1356.10 Scope.

This part applies to title IV–E agency programs for foster care maintenance payments, adoption assistance payments, related foster care and adoption administrative and training expenditures, and the independent living services program under title IV–E of the Act.

[77 FR 946, Jan. 6, 2012]

§ 1356.20 Title IV–E plan document and submission requirements.

(a) To be in compliance with the title IV–E plan requirements and to be eligible to receive Federal financial participation (FFP) in the costs of foster care maintenance payments and adoption assistance under this part, a title IV–E agency must have a plan approved by the Secretary that meets the requirements of this part, part 1355, section 471(a) of the Act. The title IV–E plan must be submitted to the appropriate Regional Office, ACYF, in a form determined by the title IV–E agency.

(b) Failure by a title IV–E agency to comply with the requirements and standards for the data reporting system for foster care and adoption (§1355.40 of this chapter) shall be considered a substantial failure by the title IV–E agency in complying with the plan.

(c) The following procedures for approval of plans and amendments apply to the title IV–E program:

(1) Plan. The plan consists of written documents furnished by the title IV–E agency to cover its program under part E of title IV. After approval of the original plan by the Commissioner, ACYF, all relevant changes, required
by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that ACYF may determine whether the plan continues to meet Federal requirements and policies.

(2) **Submittal.** Plans and revisions of the plans are submitted first to the State governor or his/her designee, or the Tribal leader or his/her designee for review and then to the regional office, ACYF. Title IV–E agencies are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(3) **Review.** Staff in the regional offices are responsible for review of plans and amendments. They also initiate discussion with the title IV–E agency on clarification of significant aspects of the plan which come to their attention in the course of this review. Plan material on which the regional staff has questions concerning the application of Federal policy is referred with recommendations as required to the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the title IV–E agency.

(4) **Action.** ACYF has the authority to approve plans and amendments thereto which provide for the administration of foster care maintenance payments and adoption assistance programs under section 471 of the Act. The Commissioner, ACYF, retains the authority to determine that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval. The Regional Office, ACYF, formally notifies the title IV–E agency of the actions taken on plans or revisions.

(5) **Basis for approval.** Determinations as to whether plans (including plan amendments and administrative practice under the plans) originally meet or continue to meet, the requirements for approval are based on relevant Federal statutes and regulations.

(6) **Prompt approval of plans.** The determination as to whether a plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 45th day following the date on which the plan submittal is received in the regional office, unless the Regional Office, ACYF, has secured from the title IV–E agency a written agreement to extend that period.

(7) **Prompt approval of plan amendments.** Any amendment of an approved plan may, at the option of the title IV–E agency, be considered as a submission of a new plan. If the title IV–E agency requests that such amendment be so considered, the determination as to its conformity with the requirements for approval shall be made promptly and not later than the 45th day following the date on which such a request is received in the regional office with respect to an amendment that has been received in such office, unless the Regional Office, ACYF, has secured from the title IV–E agency a written agreement to extend that period. In absence of request by a title IV–E agency that an amendment of an approved plan shall be considered as a submission of a new plan, the procedures under §201.6(a) and (b) shall be applicable.

(8) **Effective date.** The effective date of a new plan may not be earlier than the first day of the calendar quarter in which an approvable plan is submitted, and with respect to expenditures for assistance under such plan, may not be earlier than the first day on which the plan is in operation on a statewide basis or, in the case of a Tribal title IV–E agency, in operation in the Tribal title IV–E agency’s entire service area. The same applies with respect to plan amendments.

(d) Once the title IV–E plan has been submitted and approved, it shall remain in effect until amendments are required. An amendment is required if there is any significant and relevant change in the information or assurances in the plan, or the organization, policies or operations described in the plan.

§ 1356.21 Foster care maintenance payments program implementation requirements.

(a) **Statutory and regulatory requirements of the Federal foster care program.**
To implement the foster care maintenance payments program provisions of the title IV–E plan and to be eligible to receive Federal financial participation (FFP) for foster care maintenance payments under this part, a title IV–E agency must meet the requirements of this section, 45 CFR 1356.22, 45 CFR 1356.30, and sections 472, 475(1), 475(4), 475(5), 475(6), and for a Tribal title IV–E agency section 479(B)(c)(1)(C)(ii)(II) of the Act.

(b) Reasonable efforts. The title IV–E agency must make reasonable efforts to maintain the family unit and prevent the unnecessary removal of a child from his/her home, as long as the child’s safety is assured; to effect the safe reunification of the child and family (if temporary out-of-home placement is necessary to ensure the immediate safety of the child); and to make and finalize alternate permanency plans in a timely manner when reunification is not appropriate or possible. In order to satisfy the “reasonable efforts” requirements of section 471(a)(15) (as implemented through section 472(a)(2) of the Act), the title IV–E agency must meet the requirements of paragraphs (b) and (d) of this section. In determining reasonable efforts to be made with respect to a child and in making such reasonable efforts, the child’s health and safety must be the paramount concern.

(1) Judicial determination of reasonable efforts to prevent a child’s removal from the home. (i) When a child is removed from his/her home, the judicial determination as to whether reasonable efforts were made, or were not required to prevent the removal, in accordance with paragraph (b)(3) of this section, must be made no later than 60 days from the date the child is removed from the home pursuant to paragraph (k)(1)(i) of this section.

(ii) If the determination concerning reasonable efforts to prevent the removal is not made as specified in paragraph (b)(3) of this section, the child is not eligible under the title IV–E foster care maintenance payments program for the duration of that stay in foster care.

(2) Judicial determination of reasonable efforts to finalize a permanency plan. (i) The title IV–E agency must obtain a judicial determination that it has made reasonable efforts to finalize the permanency plan that is in effect (whether the plan is reunification, adoption, legal guardianship, placement with a fit and willing relative, or placement in another planned permanent living arrangement) within twelve months of the date the child is considered to have entered foster care in accordance with the definition at §1355.20 of this part, and at least once every twelve months thereafter while the child is in foster care.

(ii) If such a judicial determination regarding reasonable efforts to finalize a permanency plan is not made in accordance with the schedule prescribed in paragraph (b)(2)(i) of this section, the child becomes ineligible under title IV–E at the end of the month in which the judicial determination was required to have been made, and remains ineligible until such a determination is made.

(3) Circumstances in which reasonable efforts are not required to prevent a child’s removal from home or to reunify the child and family. Reasonable efforts to prevent a child’s removal from home or to reunify the child and family are not required if the title IV–E agency obtains a judicial determination that such efforts are not required because:

(i) A court of competent jurisdiction has determined that the parent has subjected the child to aggravated circumstances (as defined in State, or for a Tribal title IV–E agency, Tribal law, which definition may include but need not be limited to abandonment, torture, chronic abuse, and sexual abuse);

(ii) A court of competent jurisdiction has determined that the parent has been convicted of:

(A) Murder (which would have been an offense under section 1111(a) of title 18, United States Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(B) Voluntary manslaughter (which would have been an offense under section 1112(a) of title 18, United States Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;
(C) Aiding or abetting, attempting, conspiring, or soliciting to commit such a murder or such a voluntary manslaughter; or

(D) A felony assault that results in serious bodily injury to the child or another child of the parent; or;

(iii) The parental rights of the parent with respect to a sibling have been terminated involuntarily.

(4) Concurrent planning. Reasonable efforts to finalize an alternate permanency plan may be made concurrently with reasonable efforts to reunify the child and family.

(5) Use of the Federal Parent Locator Service. The State agency may seek the services of the Federal Parent Locator Service to search for absent parents at any point in order to facilitate a permanency plan.

(c) Contrary to the welfare determination. Under section 472(a)(2) of the Act, a child’s removal from the home must have been the result of a judicial determination (unless the child was removed pursuant to a voluntary placement agreement) to the effect that continuation of residence in the home would be contrary to the welfare, or that placement would be in the best interest, of the child. The contrary to the welfare determination must be made in the first court ruling that sanctions (even temporarily) the removal of a child from home. If the determination regarding contrary to the welfare is not made in the first court ruling pertaining to removal from the home, the child is not eligible for title IV-E foster care maintenance payments for the duration of that stay in foster care.

(d) Documentation of judicial determinations. The judicial determinations regarding contrary to the welfare, reasonable efforts to prevent removal, and reasonable efforts to finalize the permanency plan in effect, including judicial determinations that reasonable efforts are not required, must be explicitly documented and must be made on a case-by-case basis and so stated in the court order.

(1) If the reasonable efforts and contrary to the welfare judicial determinations are not included as required in the court orders identified in paragraphs (b) and (c) of this section, a transcript of the court proceedings is the only other documentation that will be accepted to verify that these required determinations have been made.

(2) Neither affidavits nor nunc pro tunc orders will be accepted as verification documentation in support of reasonable efforts and contrary to the welfare judicial determinations except for a Tribal title IV-E agency for the first 12 months that agency’s title IV-E plan is in effect as provided for in section 479B(c)1(C)1)(I) of the Act.

(3) Court orders that reference State or Tribal law to substantiate judicial determinations are not acceptable, even if such law provides that a removal must be based on a judicial determination that remaining in the home would be contrary to the child’s welfare or that removal can only be ordered after reasonable efforts have been made.

(e) Trial home visits. A trial home visit may not exceed six months in duration, unless a court orders a longer trial home visit. If a trial home visit extends beyond six months and has not been authorized by the court, or exceeds the time period the court has deemed appropriate, and the child is subsequently returned to foster care, that placement must then be considered a new placement and title IV-E eligibility must be newly established. Under these circumstances the judicial determinations regarding contrary to the welfare and reasonable efforts to prevent removal are required.

(f) Case review system. In order to satisfy the provisions of section 471(a)(16) of the Act regarding a case review system, each title IV-E agency’s case review system must meet the requirements of sections 475(5) and 475(6) of the Act.

(g) Case plan requirements. In order to satisfy the case plan requirements of sections 471(a)(16), 475(1) and 475(5)(A) and (D) of the Act, the title IV-E agency must promulgate policy materials and instructions for use by staff to determine the appropriateness of and necessity for the foster care placement of the child. The case plan for each child must:

(1) Be a written document, which is a discrete part of the case record, in a format determined by the title IV-E agency, which is developed jointly with...
§ 1356.21  45 CFR Ch. XIII (10–1–16 Edition)

the parent(s) or guardian of the child in foster care; and

(2) Be developed within a reasonable period, to be established by the title IV–E agency, but in no event later than 60 days from the child’s removal from the home pursuant to paragraph (k) of this section;

(3) Include a discussion of how the case plan is designed to achieve a safe placement for the child in the least restrictive (most family-like) setting available and in close proximity to the home of the parent(s) when the case plan goal is reunification and a discussion of how the placement is consistent with the best interests and special needs of the child. (FFP is not available when a court orders a placement with a specific foster care provider);

(4) Include a description of the services offered and provided to prevent removal of the child from the home and to reunify the family; and

(5) Document the steps to finalize a placement when the case plan goal is or becomes adoption or placement in another permanent home in accordance with sections 475(1)(E) and (5)(E) of the Act. When the case plan goal is adoption, at a minimum, such documentation shall include child-specific recruitment efforts such as the use of State, Tribal, regional, and national adoption exchanges including electronic exchange systems.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0980–0140. In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.)

(b) Application of the permanency hearing requirements. (1) To meet the requirements of the permanency hearing, the title IV–E agency must, among other requirements, comply with section 475(5)(C) of the Act.

(2) In accordance with paragraph (b)(3) of this section, when a court determines that reasonable efforts to return the child home are not required, a permanency hearing must be held within 30 days of that determination, unless the requirements of the permanency hearing are fulfilled at the hearing in which the court determines that reasonable efforts to reunify the child and family are not required.

(3) If the title IV–E agency concludes, after considering reunification, adoption, legal guardianship, or permanent placement with a fit and willing relative, that the most appropriate permanency plan for a child is placement in another planned permanent living arrangement, the title IV–E agency must document to the court the compelling reason for the alternate plan. Examples of a compelling reason for establishing such a permanency plan may include:

(i) The case of an older teen who specifically requests that emancipation be established as his/her permanency plan;

(ii) The case of a parent and child who have a significant bond but the parent is unable to care for the child because of an emotional or physical disability and the child’s foster parents have committed to raising him/her to the age of majority and to facilitate visitation with the disabled parent; or,

(iii) the Tribe has identified another planned permanent living arrangement for the child.

(4) When an administrative body, appointed or approved by the court, conducts the permanency hearing, the procedural safeguards set forth in the definition of permanency hearing must be so extended by the administrative body.

(i) Application of the requirements for filing a petition to terminate parental rights at section 475(5)(E) of the Social Security Act. (1) Subject to the exceptions in paragraph (i)(2) of this section, the title IV–E agency must file a petition (or, if such a petition has been filed by another party, seek to be joined as a party to the petition) to terminate the parental rights of a parent(s):

(i) Whose child has been in foster care under the responsibility of the title IV–E agency for 15 of the most recent 22 months. The petition must be filed by the end of the child’s fifteenth month in foster care. In calculating when to file a petition for termination of parental rights, the title IV–E agency:

(A) Must calculate the 15 out of the most recent 22 month period from the date the child is considered to have entered foster care as defined at section
475(5)(F) of the Act and §1355.20 of this part;

(B) Must use a cumulative method of calculation when a child experiences multiple exits from and entries into foster care during the 22 month period;

(C) Must not include trial home visits or runaway episodes in calculating 15 months in foster care; and,

(D) Need only apply section 475(5)(E) of the Act to a child once if the title IV–E agency does not file a petition because one of the exceptions at paragraph (i)(2) of this section applies;

(ii) Whose child has been determined by a court of competent jurisdiction to be an abandoned infant (as defined under State or for a Tribal title IV–E agency, Tribal law). The petition to terminate parental rights must be filed within 60 days of the judicial determination that the child is an abandoned infant; or,

(iii) Who has been convicted of one of the felonies listed at paragraph (b)(3)(ii) of this section. Under such circumstances, the petition to terminate parental rights must be filed within 60 days of a judicial determination that reasonable efforts to reunify the child and parent are not required.

(2) The title IV–E agency may elect not to file or join a petition to terminate the parental rights of a parent per paragraph (i)(1) of this section if:

(i) At the option of the title IV–E agency, the child is being cared for by a relative;

(ii) The title IV–E agency has documented in the case plan (which must be available for court review) a compelling reason for determining that filing such a petition would not be in the best interests of the individual child. Compelling reasons for not filing a petition to terminate parental rights include, but are not limited to:

(A) Adoption is not the appropriate permanency goal for the child; or;

(B) No grounds to file a petition to terminate parental rights exist; or;

(C) The child is an unaccompanied refugee minor as defined in 45 CFR 400.111; or

(D) There are international legal obligations or compelling foreign policy reasons that would preclude terminating parental rights; or

(iii) The title IV–E agency has not provided to the family, consistent with the time period in the case plan, services that the title IV–E agency deems necessary for the safe return of the child to the home, when reasonable efforts to reunify the family are required.

(3) When the title IV–E agency files or joins a petition to terminate parental rights in accordance with paragraph (i)(1) of this section, it must concurrently begin to identify, recruit, process, and approve a qualified adoptive family for the child.

(j) Child of a minor parent in foster care. Foster care maintenance payments made on behalf of a child placed in a foster family home or child care institution, who is the parent of a son or daughter in the same home or institution, must include amounts which are necessary to cover costs incurred on behalf of the child’s son or daughter. Said costs must be limited to funds expended on items listed in the definition of foster care maintenance payments in §1355.20 of this part.

(k) Removal from the home of a specified relative. (1) For the purposes of meeting the requirements of section 472(a)(1) of the Act, a removal from the home must occur pursuant to:

(i) A voluntary placement agreement entered into by a parent or guardian which leads to a physical or constructive removal (i.e., a non-physical or paper removal of custody) of the child from the home; or

(ii) A judicial order for a physical or constructive removal of the child from a parent or specified relative.

(2) A removal has not occurred in situations where legal custody is removed from the parent or relative and the child remains with the same relative in that home under supervision by the title IV–E agency.

(3) A child is considered constructively removed on the date of the first judicial order removing custody, even temporarily, from the appropriate specified relative or the date that the voluntary placement agreement is signed by all relevant parties.

(l) Living with a specified relative. For purposes of meeting the requirements for living with a specified relative prior
to removal from the home under section 472(a)(1) of the Act, all of the conditions under section 472(a)(3), and for Tribal title IV–E agencies section 479B(c)(1)(C)(ii)(II) of the Act, one of the two following situations must apply:

(1) The child was living with the parent or specified relative, and was AFDC eligible in that home in the month of the voluntary placement agreement or initiation of court proceedings; or

(2) The child had been living with the parent or specified relative within six months of the month of the voluntary placement agreement or the initiation of court proceedings, and the child would have been AFDC eligible in that month if s/he had still been living in that home.

(m) Review of payments and licensing standards. In meeting the requirements of section 471(a)(11) of the Act, the title IV–E agency must review at reasonable, specific, time-limited periods to be established by the agency:

(1) The amount of the payments made for foster care maintenance and adoption assistance to assure their continued appropriateness; and

(2) The licensing or approval standards for child care institutions and foster family homes.

(n) Foster care goals. The specific foster care goals required under section 471(a)(14) of the Act must be incorporated into State law or Tribal law by statute, code, resolution, Tribal proceedings or administrative regulation with the force of law.

(o) Notice and right to be heard. The title IV–E agency must provide the foster parent(s) of a child and any preadoptive parent or relative providing care for the child with timely notice of and the opportunity to be heard in any proceedings held with respect to the child during the time the child is in the care of such foster parent, preadoptive parent, or relative caregiver. Notice of and opportunity to be heard does not include the right to standing as a party to the case.

§ 1356.22 Implementation requirements for children voluntarily placed in foster care.

(a) As a condition of receipt of Federal financial participation (FFP) in foster care maintenance payments for a dependent child removed from his home under a voluntary placement agreement, the title IV–E agency must meet the requirements of:

(1) Section 472 of the Act, as amended;

(2) Sections 422(b)(8) and 475(5) of the Act;

(3) 45 CFR 1356.21(e), (f), (g), (h), and (i); and

(4) The requirements of this section.

(b) Federal financial participation is available only for voluntary foster care maintenance expenditures made within the first 180 days of the child’s placement in foster care unless there has been a judicial determination by a court of competent jurisdiction, within the first 180 days of such placement, to the effect that the continued voluntary placement is in the best interests of the child.

(c) The title IV–E agency must establish and maintain a uniform procedure or system, consistent with State or Tribal law, for revocation by the parent(s) of a voluntary placement agreement and return of the child.
court of competent jurisdiction has determined that the prospective foster or adoptive parent has been convicted of a felony involving:

(1) Child abuse or neglect;
(2) Spousal abuse;
(3) A crime against a child or children (including child pornography); or,
(4) A crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery.

(c) The title IV–E agency may not approve or license any prospective foster or adoptive parent, nor may the title IV–E agency claim FFP for any foster care maintenance or adoption assistance payment made on behalf of a child placed in a foster home operated under the auspices of a child placing agency or on behalf of a child placed in an adoptive home through a private adoption agency, if the title IV–E agency finds, based on a criminal records check conducted in accordance with paragraph (a) of this section, that a court of competent jurisdiction has determined that the prospective foster or adoptive parent has, within the last five years, been convicted of a felony involving:

(1) Physical assault;
(2) Battery; or,
(3) A drug-related offense.

(d) [Reserved]

(e) In all cases where the State opted out of the criminal records check requirement, as permitted prior to the amendments made by section 152 of Public Law 109–248, the licensing file for that foster or adoptive family must contain documentation which verifies that safety considerations with respect to the caretaker(s) have been addressed.

(f) In order for a child care institution to be eligible for title IV–E funding, the licensing file for the institution must contain documentation which verifies that safety considerations with respect to the staff of the institution have been addressed.

(65 FR 4090, Jan. 25, 2000, as amended at 77 FR 949, Jan. 6, 2012)
§ 1356.41

(f) The title IV–E agency must actively seek ways to promote the adoption assistance program.

§ 1356.41 Nonrecurring expenses of adoption.

(a) The amount of the payment made for nonrecurring expenses of adoption shall be determined through agreement between the adopting parent(s) and the title IV–E agency administering the program. The agreement must indicate the nature and amount of the nonrecurring expenses to be paid.

(b) The agreement for nonrecurring expenses may be a separate document or a part of an agreement for either State, Tribal, or Federal adoption assistance payments or services.

(c) There must be no income eligibility requirement (means test) for adopting parents in determining whether payments for nonrecurring expenses of adoption shall be made. However, parents cannot be reimbursed for out-of-pocket expenses for which they have otherwise been reimbursed.

(d) For purposes of payment of nonrecurring expenses of adoption, the title IV–E agency must determine that the child is a “child with special needs” as defined in section 473(c) of the Act, and that the child has been placed for adoption in accordance with applicable laws; the child need not meet the categorical eligibility requirements at section 473(a)(2).

(e)(1) The title IV–E agency must notify all appropriate courts and all public and licensed private nonprofit adoption agencies of the availability of funds for the nonrecurring expenses of adoption of children with special needs as well as where and how interested persons may apply for these funds. This information should routinely be made available to all persons who inquire about adoption services.

(2) The agreement for nonrecurring expenses must be signed at the time of or prior to the final decree of adoption. Claims must be filed with the title IV–E agency within two years of the date of the final decree of adoption.

(f)(1) Funds expended by the title IV–E agency under an adoption assistance agreement, with respect to nonrecurring adoption expenses incurred by or on behalf of parents who adopt a child with special needs, shall be considered an administrative expenditure of the title IV–E Adoption Assistance Program. Federal reimbursement is available at a 50 percent matching rate, for title IV–E agency expenditures up to $2,000, for any adoptive placement.

(2) Title IV–E agencies may set a reasonable lower maximum which must be based on reasonable charges, consistent with State, Tribal, and local practices, for special needs adoptions within the State or Tribal service area. The basis for setting a lower maximum must be documented and available for public inspection.

(3) In cases where siblings are placed and adopted, either separately or as a unit, each child is treated as an individual with separate reimbursement for nonrecurring expenses up to the maximum amount allowable for each child.

(g) Federal financial participation for nonrecurring expenses of adoption is limited to costs incurred by or on behalf of adoptive parents that are not otherwise reimbursed from other sources. Payments for nonrecurring expenses shall be made either directly by the title IV–E agency or through another public or licensed nonprofit private agency.

(h) When the adoption of the child involves a placement outside the State or Tribal service area, the title IV–E agency that enters into an adoption assistance agreement under section 473(a)(1)(B)(ii) of the Act or under a State or Tribal subsidy program will be responsible for paying the nonrecurring adoption expenses of the child. In cases where there is placement outside the State or Tribal service area but no agreement for other Federal, Tribal, or State adoption assistance, the title IV–E agency in the jurisdiction in which the final adoption decree is issued will be responsible for reimbursement of nonrecurring expenses if the child meets the requirements of section 473(c).

(i) The term “nonrecurring adoption expenses” means reasonable and necessary adoption fees, court costs, attorney fees and other expenses which are
directly related to the legal adoption of a child with special needs, which are not incurred in violation of State, Tribal or Federal law, and which have not been reimbursed from other sources or other funds. ‘Other expenses which are directly related to the legal adoption of a child with special needs” means the costs of the adoption incurred by or on behalf of the parents and for which parents carry the ultimate liability for payment. Such costs may include the adoption study, including health and psychological examination, supervision of the placement prior to adoption, transportation and the reasonable costs of lodging and food for the child and/or the adoptive parents when necessary to complete the placement or adoption process.

(j) Failure to honor all eligible claims will be considered non-compliance by the title IV–E agency with title IV–E of the Act.

(k) A title IV–E expenditure is considered made in the quarter during which the payment was made by a title IV–E agency to a private nonprofit agency, individual or vendor payee.

§ 1356.60 Fiscal requirements (title IV–E).

(a) Federal matching funds for foster care maintenance and adoption assistance payments. (1) Effective October 1, 1980, Federal financial participation (FFP) is available to States under an approved title IV–E State plan for allowable costs in expenditures for:

(1) Federal financial participation (FFP) is available to title IV–E agencies under an approved title IV–E plan for allowable costs in expenditures for:

(1) Foster care maintenance payments as defined in section 475(4) of the Act, made in accordance with 45 CFR 1356.20 through 1356.30, section 472 of the Act, and for a Tribal title IV–E agency, section 479B of the Act;

(2) Adoption assistance payments made in accordance with 45 CFR 1356.20 and 1356.40, applicable provisions of section 473, section 475(3) and, for a Tribal title IV–E agency, section 479B of the Act.

(2) Federal financial participation is available at the rate of the Federal medical assistance percentage as defined in section 1905(b), 474(a)(1) and (2) and 479B(d) of the Act as applicable, definitions, and pertinent regulations as promulgated by the Secretary, or his designee.

(b) Federal matching funds for title IV–E agency training for foster care and adoption assistance under title IV–E. (1) Federal financial participation is available at the rate of seventy-five percent (75%) in the costs of:

(i) Training personnel employed or preparing for employment by the title IV–E agency administering the plan, and;

(ii) Providing short-term training (including travel and per diem expenses) to current or prospective foster or adoptive parents and the members of the state licensed or approved child care institutions providing care to foster and adopted children receiving title IV–E assistance.

(2) All training activities and costs funded under title IV–E shall be included in the agency’s training plan for title IV–B.

(3) Short and long term training at educational institutions and in-service training may be provided in accordance with the provisions of §§ 235.63 through 235.66(a) of this title.

(c) Federal matching funds for other title IV–E agency administrative expenditures for foster care and adoption assistance under title IV–E. Federal financial participation is available at the rate of
fifty percent (50%) for administrative expenditures necessary for the proper and efficient administration of the title IV–E plan. The State’s cost allocation plan shall identify which costs are allocated and claimed under this program.

(1) The determination and redetermination of eligibility, fair hearings and appeals, rate setting and other costs directly related only to the administration of the foster care program under this part are deemed allowable administrative costs under this paragraph. They may not be claimed under any other section or Federal program.

(2) The following are examples of allowable administrative costs necessary for the administration of the foster care program:

(i) Referral to services;
(ii) Preparation for and participation in judicial determinations;
(iii) Placement of the child;
(iv) Development of the case plan;
(v) Case reviews;
(vi) Case management and supervision;

(x) Costs related to data collection and reporting.

(3) Allowable administrative costs do not include the costs of social services provided to the child, the child’s family or foster family which provide counseling or treatment to ameliorate or remedy personal problems, behaviors or home conditions.

(d) Cost of the data collection system.

(1) Costs related to data collection system initiation, implementation and operation may be charged as an administrative cost of title IV–E at the 50 percent matching rate subject to the restrictions in paragraph (d) (2) of this section.

(2) For information systems used for purposes other than those specified by section 479 of the Act, costs must be allocated and must bear the same ratio as the foster care and adoption population bears to the total population contained in the information system as verified by reports from all other programs included in the system.

(e) Federal matching funds for CCWIS and Non-CCWIS. Federal matching funds are available at the rate of fifty percent (50%). Requirements for the cost allocation of CCWIS and non-CCWIS project costs are at §1355.57 of this chapter.

Office of Human Development Services, HHS

§ 1356.71 Federal review of the eligibility of children in foster care and the eligibility of foster care providers in title IV-E programs.

(a) Purpose, scope and overview of the process. (1) This section sets forth requirements governing Federal reviews of compliance with the title IV-E eligibility provisions as they apply to children and foster care providers under paragraphs (a) and (b) of section 472 of the Act.

(2) The requirements of this section apply to title IV-E agencies that receive Federal payments for foster care under title IV-E of the Act.

(3) The review process begins with a primary review of foster care cases for the title IV-E eligibility requirements.

(i) Title IV-E agencies in substantial compliance. Title IV-E agencies determined to be in substantial compliance based on the primary review will be subject to another review in three years.

(ii) Title IV-E agencies not in substantial compliance. Title IV-E agencies...
that are determined not to be in substantial compliance based on the primary review will develop and implement a program improvement plan designed to correct the areas of non-compliance. A secondary review will be conducted after the completion of the program improvement plan. A subsequent primary review will be held three years from the date of the secondary review.

(b) Composition of review team and preliminary activities preceding an on-site review.

(1) The review team must be composed of representatives of the title IV–E agency, and ACF’s Regional and Central Offices.

(2) The title IV–E agency must provide ACF with the complete payment history for each of the sample and oversample cases prior to the on-site review.

(c) Sampling guidance and conduct of review.

(1) The list of sampling units in the target population (i.e., the sampling frame) will be drawn by ACF statistical staff from the Adoption and Foster Care Analysis and Reporting System (AFCARS) data which are transmitted by the title IV–E agency to ACF. The sampling frame will consist of cases of children who were eligible for foster care maintenance payments during the reporting period reflected in a title IV–E agency’s most recent AFCARS data submission. For the initial primary review, if these data are not available or are deficient, an alternative sampling frame, consistent with one AFCARS six-month reporting period, will be selected by ACF in conjunction with the title IV–E agency.

(2) A sample of 80 cases (plus a 10 percent oversample of eight cases) from the title IV–E foster care program will be selected for the primary review utilizing probability sampling methodologies. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate.

(3) Cases from the oversample will be substituted and reviewed for each of the original sample of 80 cases which is found to be in error.

(4) At the completion of the primary review, the review team will determine the number of ineligible cases. When the total number of ineligible cases does not exceed eight, ACF can conclude with a probability of 88 percent that in a population of 1000 or more cases the population ineligibility case error rate is less than 15 percent and the title IV–E agency will be considered in substantial compliance. For primary reviews held subsequent to the initial primary reviews, the acceptable population ineligibility case error rate threshold will be reduced from less than 15 percent (eight or fewer ineligible cases) to less than 10 percent (four or fewer ineligible cases). A title IV–E agency which meets this standard is considered to be in “substantial compliance” (see paragraph (h) of this section). A disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.

(5) A title IV–E agency which has been determined to be in “noncompliance” (i.e., not in substantial compliance) will be required to develop a program improvement plan according to the specifications discussed in paragraph (i) of this section, as well as undergo a secondary review. For the secondary review, a sample of 150 cases (plus a 10 percent oversample of 15 cases) will be drawn from the most recent AFCARS submission. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate. Cases from the oversample will be substituted and reviewed for each of the original sample of 150 cases which is found to be in error.

(6) At the completion of the secondary review, the review team will calculate both the sample case ineligibility and dollar error rates for the cases determined ineligible during the review. An extrapolated disallowance equal to the lower limit of a 90 percent confidence interval for the population total dollars in error for the amount of time corresponding to the AFCARS reporting period will be assessed if both the child/provider (case) ineligibility and dollar error rates exceed 10 percent. If neither, or only one, of the error rates exceeds 10 percent, a disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.
(d) Requirements subject to review. Title IV–E agencies will be reviewed against the requirements of title IV–E of the Act:

1. The eligibility of the children on whose behalf the foster care maintenance payments are made (section 472(a)(1)–(4) of the Act) to include:
   (i) Judicial determinations regarding “reasonable efforts” and “contrary to the welfare” in accordance with §1356.21(b) and (c), respectively;
   (ii) Voluntary placement agreements in accordance with §1356.22;
   (iii) Responsibility for placement and care vested with the title IV–E or other public agency per section 472(a)(2)(B) of the Act;
   (iv) Placement in a licensed foster family home or child care institution; and,
   (v) Eligibility for AFDC under such State plan as it was in effect on July 16, 1996 per section 472(a)(3) or 479B(c)(1)(C)(II) of the Act, as appropriate.

2. Allowable payments made to foster care providers who comport with sections 471(a)(10), 471(a)(20), 472(b) and (c), and 479B(c)(2) of the Act and §1356.30.

(e) Review instrument. A title IV–E foster care eligibility review checklist will be used when conducting the eligibility review.

(f) Eligibility determination—child. The case record of the child must contain sufficient documentation to verify a child’s eligibility in accordance with paragraph (d)(1) of this section, in order to substantiate payments made on the child’s behalf.

(g) Eligibility determination—provider. (1) For each case being reviewed, the title IV–E agency must make available a licensing file which contains the licensing history, including a copy of the certificate of licensure/approval or letter of approval, for each of the providers in the following categories:
   (i) Public child care institutions with 25 children or less in residence;
   (ii) Private child care institutions;
   (iii) Group homes; and
   (iv) Foster family homes, including relative homes.

(2) The licensing file must contain documentation that the title IV–E agency has complied with the safety requirements for foster and adoptive placements in accordance with §1356.30.

(3) If the licensing file does not contain sufficient information to support a child’s placement in a licensed facility, the title IV–E agency may provide supplemental information from other sources (e.g., a computerized database).

(h) Standards of compliance. (1) Disallowances will be taken, and plans for program improvement required, based on the extent to which a title IV–E agency is not in substantial compliance with recipient or provider eligibility provisions of title IV–E, or applicable regulations in 45 CFR parts 1355 and 1356.

(2) Substantial compliance and noncompliance are defined as follows:

(i) Substantial compliance—For the primary review (of the sample of 80 cases), no more than eight of the title IV-E cases reviewed may be determined to be ineligible. (This critical number of allowable “errors,” i.e., ineligible cases, is reduced to four errors or less in primary reviews held subsequent to the initial primary review). For the secondary review (if required), substantial compliance means either the case ineligibility or dollar error rate does not exceed 10 percent.

(ii) Noncompliance—means not in substantial compliance. For the primary review (of the sample of 80 cases), nine or more of the title IV–E cases reviewed must be determined to be ineligible. (This critical number of allowable “errors,” i.e., ineligible cases, is reduced to five or more in primary reviews held subsequent to the initial primary review). For the secondary review (if required), noncompliance means both the case ineligibility and dollar error rates exceed 10 percent.

(3) ACF will notify the title IV–E agency in writing within 30 calendar days after the completion of the review of whether the title IV–E agency is, or is not, operating in substantial compliance.

(4) Title IV–E agencies which are determined to be in substantial compliance must undergo a subsequent review after a minimum of three years.
(i) Program improvement plans. (1) Title IV–E agencies which are determined to be in noncompliance with recipient or provider eligibility provisions of title IV–E, or applicable regulations in 45 CFR Parts 1355 and 1356, will develop a program improvement plan designed to correct the areas determined not to be in substantial compliance. The program improvement plan will:

(i) Be developed jointly by title IV–E agency and Federal staff;

(ii) Identify the areas in which the title IV–E agency’s program is not in substantial compliance;

(iii) Not extend beyond one year. A title IV–E agency will have a maximum of one year in which to implement and complete the provisions of the program improvement plan unless State/Tribal legislative action is required. In such instances, an extension may be granted with the title IV–E agency and ACF negotiating the terms and length of such extension that shall not exceed the last day of the first legislative session after the date of the program improvement plan; and

(iv) Include:

(A) Specific goals;

(B) The action steps required to correct each identified weakness or deficiency; and,

(C) a date by which each of the action steps is to be completed.

(2) Title IV–E agencies determined not to be in substantial compliance as a result of a primary review must submit the program improvement plan to ACF for approval within 90 calendar days from the date the title IV–E agency receives written notification that it is not in substantial compliance. This deadline may be extended an additional 30 calendar days when a title IV–E agency submits additional documentation to ACF in support of cases determined to be ineligible as a result of the on-site eligibility review.

(3) The ACF Regional Office will intermittently review, in conjunction with the title IV–E agency, the title IV–E agency’s progress in completing the prescribed action steps in the program improvement plan.

(4) If a title IV–E agency does not submit an approvable program improvement plan in accordance with the provisions of paragraphs (i)(1) and (2) of this section, ACF will move to a secondary review in accordance with paragraph (c) of this section.

(j) Disallowance of funds. The amount of funds to be disallowed will be determined by the extent to which a title IV–E agency is not in substantial compliance with recipient or provider eligibility provisions of title IV–E, or applicable regulations in 45 CFR parts 1355 and 1356.

(1) Title IV–E agencies which are found to be in substantial compliance during the primary or secondary review will have disallowances (if any) determined on the basis of individual cases reviewed and found to be in error. The amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time that each case has been ineligible.

(2) Title IV–E agencies which are found to be in noncompliance during the primary review will have disallowances determined on the basis of individual cases reviewed and found to be in error, and must implement a program improvement plan in accordance with the provisions contained within it. A secondary review will be conducted no later than during the AFCARS reporting period which immediately follows the program improvement plan completion date on a sample of 150 cases drawn from the title IV–E agency’s most recent AFCARS data. If both the case ineligibility and dollar error rates exceed 10 percent, the title IV–E agency is not in compliance and an additional disallowance will be determined based on extrapolation from the sample to the universe of claims paid for the duration of the AFCARS reporting period (i.e., all title IV–E funds expended for a case during the quarter(s) that case is ineligible, including administrative costs). If either the case ineligibility or dollar rate does not exceed 10 percent, the amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time the case has been determined to be ineligible.

(3) The title IV–E agency will be liable for interest on the amount of funds

If the State agency collects and reports information on any of the data elements in paragraphs (g)(37) through (g)(58) of this section for a youth in the baseline or follow-up sample or population, indicate that the youth participated. If a youth is in the baseline or follow-up sample or population, but the State agency is unable to collect the information, indicate the reason and leave the data elements in paragraph (g)(37) through (g)(58) of this section blank. § 1356.84 Sampling.

(a) The State agency may collect and report the information required in section 1356.83(e) of this part on a sample of the baseline population consistent with the sampling requirements described in paragraphs (b) and (c) of this section.

(b) The State agency must select the follow-up sample using simple random sampling procedures based on random numbers generated by a computer program, unless ACF approves another sampling procedure. The sampling universe consists of youth in the baseline population consistent with 45 CFR 1356.81(b) who participated in the State agency’s data collection at age 17.

(c) The sample size is based on the number of youth in the baseline population who participated in the State agency’s data collection at age 17.

(1) If the number of youth in the baseline population who participated in the outcome data collection at age 17 is 5,000 or less, the State agency must calculate the sample size using the formula in appendix C of this part, with the Finite Population Correction (FPC). The State agency must increase the resulting number by 30 percent to allow for attrition, but the sample size may not be larger than the number of youth who participated in data collection at age 17.

(2) If the number of youth in the baseline population who participated in the outcome data collection at age 17 is greater than 5,000, the State agency must calculate the sample size using the formula in appendix C of this part, without the FPC. The State agency must increase the resulting number by 30 percent to allow for attrition, but the sample size must not be larger than the number of youth who participated in data collection at age 17.

(3) **Error-free information.** The file must contain data in the general and demographic elements described in section 1356.83(g)(1) through (g)(15), (g)(14), and (g)(36) of this part that is 100 percent error-free as defined in paragraph (c) of this section.

(b) **Data standards.** A State agency also must submit a file that meets the following data standards:

(1) **Error-free.** The data for the applicable demographic, service and outcomes elements defined in section 1356.83(g)(6) through (13), (g)(15) through (35) and (g)(37) through (56) of this part must be 90 percent error-free as described and assessed according to paragraph (c) of this section.
§ 1356.85  

45 CFR Ch. XIII (10–1–16 Edition)  

(2) Outcomes universe. In any Federal fiscal year for which the State agency is required to submit information on the follow-up population, the State agency must submit a youth record containing at least outcomes data for the outcomes status element described in section 1356.83(g)(34) of this part on each youth for whom the State agency reported outcome information as part of the baseline population. Alternatively, if the State agency has elected to conduct sampling in accordance with section 1356.84 of this part, the State agency must submit a record containing at least outcomes data for the outcomes status element described in section 1356.83(g)(34) of this part on each 19-year-old youth in the follow-up population, inclusive of those youth who are not in the sample, and each 21-year-old youth in the follow-up sample.  

(3) Outcomes participation rate. The State agency must report outcome information on each youth in the follow-up population at the rates described in paragraphs (b)(3)(i) through (iii) of this section. A youth has participated in the outcomes data collection if the State agency collected and reported a valid response (i.e., a response option other than “declined” or “not applicable”) to any of the outcomes-related elements described in section 1356.83(g)(37) through (g)(58) of this part. ACF will exclude from the calculation of the participation rate any youth in the follow-up population who is reported as deceased, incapacitated or incarcerated in section 1356.83(g)(34) at the time information on the follow-up population is required.  

(i) Foster care youth participation rate. The State agency must report outcome information on at least 80 percent of youth in the follow-up population who are in foster care on the date of outcomes data collection as indicated in section 1356.83(g)(35) and (g)(36) of this part.  

(ii) Discharged youth participation rate. The State agency must report outcome information on at least 60 percent of youth who are not in foster care on the date of outcomes data collection as indicated in section 1356.83(g)(35) and (g)(36) of this part.  

(iii) Effect of sampling on participation rates. For State agencies electing to sample in accordance with section 1356.84 and appendix C of this part, ACF will apply the outcome participation rates in paragraphs (b)(2)(i) and (ii) of this section to the required sample size for the State.  

(c) Errors. ACF will assess each State agency’s data file for the following types of errors: Missing data, out-of-range data, or internally inconsistent data. The amount of errors acceptable for each reporting period is described in paragraphs (a) and (b) of this section.  

(1) Missing data is any element that has a blank response when a blank response is not a valid response option as described in section 1356.83(g) of this part.  

(2) Out-of-range data is any element that contains a value that is outside the parameters of acceptable responses or exceeds, either positively or negatively, the acceptable range of response options as described in section 1356.83(g) of this part; and  

(3) Internally inconsistent data is any element that fails an internal consistency check designed to evaluate the logical relationship between elements in each record. The evaluation will identify all elements involved in a particular check as in error.  

(ii) Review for compliance. (1) ACF will determine whether a State agency’s data file for each reporting period is in compliance with the file submission standards and data standards in paragraphs (a) and (b) of this section.  

(i) For State agencies that achieve the file submission standards, ACF will determine whether the State agency’s data file meets the data standards.  

(ii) For State agencies that do not achieve the file submission standards or data standards, ACF will notify the State agency that they have an opportunity to submit a corrected data file by the end of the subsequent reporting period in accordance with paragraph (e) of this section.  

(2) ACF may use monitoring tools or assessment procedures to determine whether the State agency is meeting all the requirements of section 1356.81 through 1356.85 of this part.
(e) Submitting corrected data and non-compliance. A State agency that does not submit a data file that meets the standards in section 1356.85 of this part will have an opportunity to submit a corrected data file in accordance with paragraphs (e)(1) and (e)(2) of this section.

(1) A State agency must submit a corrected data file no later than the end of the subsequent reporting period as defined in section 1356.83(a) of this part (i.e., by September 30 or March 31).

(2) If a State agency fails to submit a corrected data file that meets the compliance standards in section 1356.85 of this part and the deadline in paragraph (e)(1) of this section, ACF will make a final determination that the State is out of compliance, notify the State agency, and apply penalties as defined in section 1356.86 of this part.

[73 FR 10365, Feb. 26, 2008]  
§ 1356.86 Penalties for noncompliance.

(a) Definition of Federal funds subject to a penalty. The funds that are subject to a penalty are the CFCIP funds allocated or reallocated to the State agency under section 477(c)(1) of the Act for the Federal fiscal year that corresponds with the reporting period for which the State agency was required originally to submit data according to section 1356.83(a) of this part.

(b) Assessed penalty amounts. ACF will assess penalties in the following amounts, depending on the area of non-compliance:

(1) Penalty for not meeting file submission standards. ACF will assess a penalty in an amount equivalent to two and one half percent (2.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency’s data file does not comply with the file submission standards defined in section 1356.85(a) of this part.

(2) Penalty for not meeting certain data standards. ACF will assess a penalty in an amount equivalent to:

(i) One and one quarter percent (1.25%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency’s data file does not comply with the error-free data as defined in section 1356.85(b)(1) of this part.

(ii) One and one quarter percent (1.25%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency’s data file does not comply with the outcome universe standard defined in section 1356.85(b)(2) of this part.

(iii) One half of one percent (0.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency’s data file does not comply with the participation rate for youth in foster care standard defined in section 1356.85(b)(3)(i) of this part.

(iv) One half of one percent (0.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency’s data file does not comply with the participation rate for discharged youth standard defined in section 1356.85(b)(3)(ii) of this part.

(c) Calculation of the penalty amount. ACF will add together any assessed penalty amounts described in paragraphs (b)(1) or (b)(2) of this section to determine the total calculated penalty result. If the total calculated penalty result is less than one percent of the funds subject to a penalty, the State agency will be penalized in the amount of one percent.

(d) Notification of penalty amount. ACF will advise the State agency in writing of a final determination of non-compliance and the amount of the total calculated penalty as determined in paragraph (c) of this section.

(e) Interest. The State agency will be liable for interest on the amount of funds penalized by the Department, in accordance with the provisions of 45 CFR 30.18.

(f) Appeals. The State agency may appeal, pursuant to 45 CFR part 16, ACF’s final determination to the HHS Departmental Appeals Board.

Yes  
No

| Social Security (40)             | Currently are you receiving social security payments (Supplemental Security Income (SSI), Social Security Disability Insurance (SSDI), or dependents’ payments)?  
Yes  
No  
Declined | These are payments from the government to meet basic needs for food, clothing, and shelter of a person with a disability. A youth may be receiving these payments because of a parent or guardian’s disability, rather than his/her own. |
| Educational Aid (41)             | Currently are you using a scholarship, grant, stipend, student loan, voucher, or other type of educational financial aid to cover any educational expenses?  
Yes  
No  
Declined | Scholarships, grants, and stipends are funds awarded for spending on expenses related to gaining an education. “Student loan” means a government-guaranteed, low-interest loan for students in post-secondary education. |
| Other financial support (45)     | Currently are you receiving any periodic and/or significant financial resources or support from another source not previously indicated and excluding paid employment?  
Yes  
No  
Declined | This means periodic and/or significant financial support from a spouse or family member (biological, foster or adoptive), child support that the youth receives or funds from a legal settlement. This does not include occasional gifts, such as birthday or graduation checks or small donations of food or personal incidentals, child care subsidies, child support for a youth’s child or other financial help that does not benefit the youth directly in supporting himself or herself. |
| Highest educational certification received (46) | What is the highest educational degree or certification that you have received?  
High school diploma/GED  
Vocational certificate  
Vocational license  
Associate’s degree (e.g., A.A.)  
Bachelor’s degree (e.g., B.A. or B.S.)  
Higher degree  
None of the above  
Declined | “Vocational certificate” means a document stating that a person has received education or training that qualifies him or her for a particular job, e.g., auto mechanics or cosmetology. “Vocational license” means a document that indicates that the State or local government recognizes an individual as a qualified professional in a particular trade or business. An Associate’s degree is generally a two-year degree from a community college, and a Bachelor’s degree is a four-year degree from a college or university. “Higher degree” indicates a graduate degree, such as a Masters or Doctorate degree. “None of the above” means that the youth has not received any of the above educational certifications. |

### ADDITIONAL OUTCOMES INFORMATION TO COLLECT FROM YOUTH OUT OF FOSTER CARE

| Public financial assistance (42) | Currently are you receiving ongoing welfare payments from the government to support your basic needs? [The State may add and/or substitute the name(s) of the State’s welfare program]. Yes | This refers to ongoing welfare payments from the government to support your basic needs. Do not consider payments or subsidies for specific purposes, such as unemployment insurance, child care subsidies, education assistance, food stamps or housing assistance in this category. |
| Public food assistance (43) | Currently are you receiving public food assistance? Yes | Public food assistance includes food stamps, which are government-issued coupons or debit cards that recipients can use to buy eligible food at authorized stores. Public food assistance also includes assistance from the Women, Infants and Children (WIC) program. |
| Public housing assistance (44) | Currently are you receiving any sort of housing assistance from the government, such as living in public housing or receiving a housing voucher? Yes | Public housing is rental housing provided by the government to keep rents affordable for eligible individuals and families, and a housing voucher allows participants to choose their own housing while the government pays part of the housing costs. This does not include payments from the child welfare agency for room and board payments. |

1. **Using Finite Population Correction**

   The Finite Population Correction (FPC) is applied when the sample is drawn from a population of one to 5,000 youth, because the sample is more than five percent of the population.

   - Sample size with FPC = \[
     \frac{(Py)(Pn) + \text{Std. error}^2}{\text{Std. error}^2 + (Py)(Pn)}
     \]

   - \((Py)(Pn)\), an estimate of the percent of responses to a dichotomous variable, is \((.50)(.50)\) for the most conservative estimate.

   - Standard error = \[
     \frac{\text{Acceptable level of error}}{Z \text{ coefficient}}
     \]
Acceptable level of error = .05 (results are plus or minus five percentage points from the actual score)

\[ Z = 1.645 \] (90 percent confidence interval)

Standard error, 90 percent confidence interval = \[ \frac{.05}{1.645} = .0303951 \]

N = number of youth from whom the sample is being drawn

2. Not Using Finite Population Correction

The FPC is not applied when the sample is drawn from a population of over 5,000 youth.

\[ \text{Sample size without FPC, 90 percent confidence interval} = \frac{(Py)(Pn)}{\text{Std. Error}^2} = \frac{(.50)(.50)}{(.0303951)^2} = 271 \]

§ 1357.10 Scope and definitions.

(a) Scope. This part applies to State and Indian Tribal programs for child welfare services under subpart 1, and family preservation and family support services under subpart 2 of title IV-B of the Act.

(b) Eligibility. Child and family services under title IV-B, subparts 1 and 2, must be available on the basis of need for services and must not be denied on the basis of income or length of residence in the State or within the Indian Tribe’s jurisdiction.

(c) Definitions.

Child and Family Services Plan (CFSP) means the document, developed through joint planning, which describes the publicly-funded State child and family services continuum (family support and family preservation services; child welfare services, including child abuse and neglect prevention, intervention, and treatment services; services to support reunification, adoption, kinship care, foster care, independent living, or other permanent living arrangements). For Indian Tribes, the document describes the child welfare and/or family preservation and support services to be provided by the Indian Tribe; includes goals and objectives both for improved outcomes for the safety, permanency and well-being of children and families and for service delivery system reform; specifies the services and other implementation activities that will be undertaken to carry out the goals and objectives; and includes plans for program improvement and allocation of resources.

Child welfare services means public social services directed to accomplish the following purposes:

1) Protecting and promoting the welfare and safety of all children, including individuals with disabilities; homeless, dependent, or neglected children;

2) Preventing or remedying, or assisting in the solution of problems which may result in the neglect, abuse, exploitation, or delinquency of children;

3) Preventing the unnecessary separation of children from their families.
Office of Human Development Services, HHS  § 1357.10

by identifying family problems and assisting families in resolving their problems and preventing the breakup of the family where the prevention of child removal is desirable and possible;

(4) Restoring to their families children who have been removed and may be safely returned, by the provision of services to the child and the family;

(5) Assuring adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption; and

(6) Placing children in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate.

Children refers to individuals from birth to the age of 21 (or such age of majority as provided under State law) including infants, children, youth, adolescents, and young adults.

Community-based services refers to programs delivered in accessible settings in the community and responsive to the needs of the community and the individuals and families residing therein. These services may be provided under public or private nonprofit auspices.

Families includes, but is not limited to, biological, adoptive, foster, and extended families.

Family preservation services refers to services for children and families designed to protect children from harm and help families (including foster, adoptive, and extended families) at risk or in crisis, including—

(1) Preplacement preventive services programs, such as intensive family preservation programs, designed to help children at risk of foster care placement remain with their families, where possible;

(2) Service programs designed to help children, where appropriate, return to families from which they have been removed; or be placed for adoption, with a legal guardian, or, if adoption or legal guardianship is determined not to be appropriate for a child, in some other planned, permanent living arrangement;

(3) Service programs designed to provide follow-up care to families to whom a child has been returned after a foster care placement;

(4) Respite care of children to provide temporary relief for parents and other caregivers (including foster parents);

(5) Services designed to improve parenting skills (by reinforcing parents’ confidence in their strengths, and helping them to identify where improvement is needed and to obtain assistance in improving those skills) with respect to matters such as child development, family budgeting, coping with stress, health, and nutrition; and

(6) Case management services designed to stabilize families in crisis such as transportation, assistance with housing and utility payments, and access to adequate health care.

Family support services means community-based services to promote the well-being of children and families designed to increase the strength and stability of families (including adoptive, foster, and extended families), to increase parents’ confidence and competence in their parenting abilities, to afford children a stable and supportive family environment, and otherwise to enhance child development. Family support services may include:

(1) Services, including in-home visits, parent support groups, and other programs designed to improve parenting skills (by reinforcing parents’ confidence in their strengths, and helping them to identify where improvement is needed and to obtain assistance in improving those skills) with respect to matters such as child development, family budgeting, coping with stress, health, and nutrition;

(2) Respite care of children to provide temporary relief for parents and other caregivers;

(3) Structured activities involving parents and children to strengthen the parent–child relationship;

(4) Drop-in centers to afford families opportunities for informal interaction with other families and with program staff;

(5) Transportation, information and referral services to afford families access to other community services, including child care, health care, nutrition programs, adult education literacy programs, legal services, and counseling and mentoring services; and

(6) Early developmental screening of children to assess the needs of such
Joint planning means an ongoing partnership process between ACF and the State and between ACF and an Indian Tribe in the development, review, analysis, and refinement and/or revision of the State’s and the Indian Tribe’s child and family services plan. Joint planning involves discussions, consultation, and negotiation between ACF and the State or Indian Tribe in all areas of CFSP creation such as, but not limited to, identifying the service needs of children, youth, and families; selecting the unmet service needs that will be addressed; developing goals and objectives that will result in improving outcomes for children and families; developing a plan to meet the matching requirements; and establishing a more comprehensive, coordinated and effective child and family services delivery system. The expectation of joint planning is that both ACF and the State or Indian Tribe will reach agreement on substantive and procedural matters related to the CFSP.

§ 1357.15 Comprehensive child and family services plan requirements.

(a) Scope. (1) The CFSP provides an opportunity to lay the groundwork for a system of coordinated, integrated, culturally relevant family focused services. This section describes the requirements for the development, implementation and phase-in of the five-year comprehensive child and family services plan (CFSP). The State’s CFSP must meet the requirements of both of the following programs. The Indian Tribe’s CFSP must meet the requirements of one or both of the following programs depending on the Tribe’s eligibility:

(i) Child welfare services under title IV-B, subpart 1; and

(ii) Family preservation and family support services under title IV-B, subpart 2.

(2) For States only, the CFSP also must contain information on the following programs:

(i) The independent living program under title IV-E, section 477 of the Act; and

(ii) The Child Abuse and Neglect State grant program (known as the Basic State Grant) under the Child Abuse Prevention and Treatment Act (CAPTA) (42 U.S.C. 5101 et. seq.).

(3) States must meet all requirements of this section except those that apply only to Indian Tribes. Indian Tribes must meet the requirements of this section only as specified.

(4) States and eligible Indian Tribes have the option to phase-in the requirements for a consolidated CFSP. The consolidated CFSP requirements must be in place by June 30, 1997 and meet the requirements of 45 CFR 1357.16.

(b) Eligibility for funds. (1) In order to receive funding under title IV-B, subparts 1 and 2, each State and eligible Indian Tribe must submit and have approved a consolidated, five-year Child and Family Services Plan (CFSP) and a CFS-101, Budget Request and Estimated Expenditure Report that meets the requirements under 45 CFR 1357.16.

(2) States and Indian Tribes that are consolidating the requirements for a CFSP in FY 1995, in accordance with §1357.15(a), must submit the CFSP and a CFS-101 for FY 1995 and 1996 by June 30, 1995.

(4) The CFSP will be approved only if the plan was developed jointly by ACF and the State (or the Indian Tribe), and only after broad consultation by the State (and the Indian Tribe) with a wide range of appropriate public and non-profit private agencies and community-based organizations with experience in administering programs of services for children and families (including family preservation and support services).

(5) By June 30, 1996, each grantee must submit and have approved the first Annual Progress and Services Report and a CFS 101 for FY 1997 that meets the statutory and regulatory requirements of title IV-B, subparts 1 and 2.
(6) The Annual Progress and Services Report will be approved if it was developed jointly by ACF and the State (or the Indian Tribe) and if it meets the requirements of 45 CFR 1357.16.

(7) The five-year CFSP for FYs 1995–1999 may be submitted in the format of the State’s or the Indian Tribe’s choice and must be submitted no later than June 30, 1995, to the appropriate ACF Regional Office.

(c) Assurances. The following assurances will remain in effect on an ongoing basis and will need to be re-submitted only if a significant change in the State or the Indian Tribe’s program affects an assurance:

(1) The State or Indian Tribe must assure that it will participate in any evaluations the Secretary of HHS may require.

(2) The State or Indian Tribe must assure that it will administer the CFSP in accordance with methods determined by the Secretary to be proper and efficient.

(3) The State or Indian Tribe must assure that it has a plan for the training and use of paid paraprofessional staff, with particular emphasis on the full-time or part-time employment of low-income persons, as community service aides; and a plan for the use of nonpaid or partially paid volunteers in providing services and in assisting any advisory committees established by the State or Tribe.

(4) The State or Indian Tribe must assure that standards and requirements imposed with respect to child care under title XX shall apply with respect to day care services, if provided under the CFSP, except insofar as eligibility for such services is involved.

(d) The child and family services plan (CFSP): general. The State and the Indian Tribe must base the development of the CFSP on a planning process that includes:

(1) broad involvement and consultation with a wide range of appropriate public and non-profit private agencies and community-based organizations, parents, including parents who are involved or have experience with the child welfare system, and others;

(2) coordination of the provision of services under the plan with other Federal and federally assisted programs serving children and families, including youth and adolescents; and

(3) collection of existing or available information to help determine vulnerable or at-risk populations or target areas; assess service needs and resources; identify gaps in services; select priorities for targeting funding and services; formulate goals and objectives; and develop opportunities for bringing about more effective and accessible services for children and families.

(e) State agency administering the programs. (1) The State’s CFSP must identify the name of the State agency that will administer the title IV-B programs under the plan. Except as provided by statute, the same agency is required to administer or supervise the administration of all programs under titles IV-B and IV-E of the Act and the social services block grant program under title XX of the Act. (See the definition of “State agency” in 45 CFR 1355.20.)

(2) The CFSP must include a description of the organization and function of the State agency and organizational charts as appropriate. It also must identify the organizational unit(s) within the State agency responsible for the operation and administration of the CFSP, and include a description of the unit’s organization and function and a copy of the organizational chart(s).

(f) Indian Tribal organization administering the program(s). (1) The Indian Tribe’s CFSP must provide the name of the Indian Tribal organization (ITO) designated to administer funds under title IV-B, subpart 1, child welfare services and/or under subpart 2, family preservation and family support services. If the Indian Tribe receives funds under both subparts, the same agency or organization must administer both programs.

(2) The Indian Tribe’s CFSP must include a description of the organization and function of the office responsible for the operation and administration of the CFSP, an organizational chart of that office, and a description of how that office relates to Tribal and other offices operating or administering services programs within the Indian Tribe’s service area (e.g., Indian Health Service.)
§ 1357.15

(g) Vision Statement. The CFSP must include a vision statement which articulates the grantee’s philosophy in providing child and family services and developing or improving a coordinated service delivery system. The vision should reflect the service principles at section 1355.25.

(h) Goals. The CFSP must specify the goals, based on the vision statement, that will be accomplished during and by the end of the five-year period of the plan. The goals must be expressed in terms of improved outcomes for and the safety, permanency and well-being of children and families, and in terms of a more comprehensive, coordinated, and effective child and family service delivery system.

(i) Objectives. (1) The CFSP must include the realistic, specific, quantifiable and measurable objectives that will be undertaken to achieve each goal. Each objective should focus on outcomes for children, youth, and/or their families or on elements of service delivery (such as quality) that are linked to outcomes in important ways. Each objective should include both interim benchmarks and a long-term timetable, as appropriate, for achieving the objective.

(2) For States and Indian Tribes administering the title IV-B, subpart 1 program, the CFSP must include objectives to make progress in covering additional political subdivisions, reaching additional children in need of services, expanding and strengthening the range of existing services, and developing new types of services.

(j) Measures of progress. The CFSP must describe the methods to be used in measuring the results, accomplishments, and annual progress toward meeting the goals and objectives, especially the outcomes for children, youth, and families. Processes and procedures assuring the production of valid and reliable data and information must be specified. The data and information must be capable of determining whether or not the interim benchmarks and multiyear timetable for accomplishing CFSP goals and objectives are being met.

(k) Baseline information. (1) For FY 1995, the State and the Indian Tribe must base the development of the CFSP vision, goals, objectives, and funding and service decisions on an analysis of available baseline information and any trends over time on indicators in the following areas: the well-being of children and families; the needs of children and families; the nature, scope, and adequacy of existing child and family and related social services. Additional and updated information on service needs and organizational capacities must be obtained throughout the five-year period to measure progress in accomplishing the goals and objectives cited in the CFSP. A description of how this process will continue to be carried out must be included in the CFSP, and any revisions should be provided in the Annual Progress and Services Report.

(2) The State must collect and analyze State-wide information on family preservation and family support services currently available to families and children, including the nature and scope of existing public and privately funded family support and family preservation services; the extent to which each service is available and being provided in different geographic areas and to different types of families; and important gaps in service, including mismatches between available services and family needs as identified through baseline data and the consultation process. Other services which impact on the ability to preserve and support families may be included in the assessment. The Indian Tribe must collect and analyze information on family preservation and family support services currently available within their service delivery area including the information in this paragraph as appropriate. An Indian Tribe may submit documentation prepared to satisfy the requirements of other Federal child welfare grants, or contracts (such as the section 638 reporting form), along with a descriptive addendum addressing specifically the family preservation and family support services available.

(3) The CFSP must include a summary of the information used in developing the plan; an explanation of how this information and analysis were...
used in developing the goals, objectives, and funding and service decisions, including decisions about geographic targeting and service mix; a description of how information will be used to measure progress over the five-year period; and how this information will be used to facilitate the coordination of services.

(1) **Consultation.** (1) The State’s CFSP must describe the internal and external consultation process used to obtain broad and active involvement of major actors across the entire spectrum of the child and family service delivery system in the development of the plan. The description should explain how this process was coordinated with or was a part of other planning processes in the State; how it led or will lead to improved coordination of services.

(2) The Indian Tribe’s CFSP must describe the consultation process appropriate to its needs and circumstances used to obtain the active involvement of major actors providing child and family services within the Tribe’s area of jurisdiction.

(3) For States and Indian Tribes, the consultation process must involve:

(i) All appropriate offices and agencies within the State agency or within the Indian Tribal service delivery system (e.g., child protective services (CPS), foster care and adoption, the social services block grant, reunification services, independent living, and other services to youth);

(ii) In a State-supervised, county-administered State, county social services and/or child welfare directors or representatives of the county social services/child welfare administrators’ association;

(iii) A wide array of State, local, Tribal, and community-based agencies and organizations, both public and private nonprofit with experience in administering programs of services for infants, children, youth, adolescents, and families, including family preservation and family support services;

(iv) Parents, including birth and adoptive parents, foster parents, families with a member with a disability, children both in and outside the child welfare system, and consumers of services from diverse groups;

(v) For States, representatives of Indian Tribes within the State;

(vi) For States, representatives of local government (e.g., counties, cities, and other communities, neighborhoods, or areas where needs for services are great);

(vii) Representatives of professional and advocacy organizations (including, for example foundations and national resource centers with expertise to assist States and Indian Tribes to design, expand, and improve the delivery of services); individual practitioners working with children and families; the courts; representatives or other States or Indian Tribes with experience in administering family preservation and family support services; and academicians, especially those assisting the child and family service agency with management information systems, training curricula, and evaluations;

(viii) Representatives of State and local agencies administering Federal and federally assisted programs which may include: Head Start; the local education agency (school-linked social services, adult education and literacy programs, Part H programs); developmental disabilities; nutrition services (Food Stamps, Special Supplemental Food Program for Women, Infants and Children (WIC)); Title IV-A; runaway youth, youth gang, juvenile justice programs and youth residential, and training institutions; child care and development block grant (CCDBG) and respite care programs; domestic and community violence prevention and services programs; housing programs; the health agency (substance abuse, Healthy Start, maternal and child health, Early and Periodic Screening, Diagnosis, and Treatment (EPSDT), mental health, and public health nursing); law enforcement; Children’s Trust Funds; Community-Based Family Resource Programs, and new Federal initiatives such as the Empowerment Zones and Enterprise Communities Program; and

(ix) Administrators, supervisors and front line workers (direct service providers) of the State child and family services agency.

(4) The CFSP must describe the ongoing consultation process that each
(m) Services coordination. (1) States must include in the ongoing coordination process representatives of the full range of child and family services provided by the State agency as well as other service delivery systems providing social, health, education, and economic services (including mental health, substance abuse, developmental disabilities, and housing) to improve access and deliver a range of services to children and their families.

(2) The State’s CFSP must describe how services under the plan will be coordinated over the five-year period with services or benefits under other Federal or federally assisted programs serving the same populations to achieve the goals and objectives in the plan. The description must include the participants in the process and examples of how the process led or will lead to additional coordination of services (e.g., integrated service models, improved accessibility, use of a consolidated application or intake form, inter-disciplinary training, coordinated case management for several programs, pooled resources through blended financing, shared information across services providers and compatible and linked automated information systems, co-location of several services or programs.)

(3) The Indian Tribe must include in the coordination process representatives of other Federal or federally assisted child and family services or related programs. The Indian Tribe’s CFSP must describe how services under the plan will be coordinated over the five-year period with services or benefits under other Federal or federally assisted programs serving the same populations to achieve the goals and objectives in the plan. The descriptions must include the participants in the process and any examples of how the process led or will lead to additional coordination of services.

(n) Services. (1) The State’s CFSP must describe the publicly funded child and family services continuum: child welfare services (including child abuse and neglect prevention, intervention, and treatment services; and foster care); family preservation services; family support services; and services to support reunification, adoption, kinship care, independent living, or other permanent living arrangements.

(2) The Indian Tribe’s CFSP must describe the child welfare services (including child abuse and neglect prevention, intervention, treatment services and foster care) and/or the family support and family preservation services to be provided.

(3) For each service described, the CFSP must include the following information, or it must be listed on the CFS–101, Part II:

(i) The population(s) to be served;

(ii) The geographic area(s) where the services will be available;

(iii) The estimated number of individuals and/or families to be served;

(iv) The estimated expenditures for these services from Federal, State, local, and donated sources, including title IV-B, subparts 1 and 2, the CAPTA program referenced in paragraph (a) of this section, and the independent living program.

(o) Family preservation and family support services and linkages to other social and health services. (1) The State’s CFSP must explain how the funds under title IV-B, subpart 2 of the Act, will be used to develop or expand family support and family preservation services; how the family support and family preservation services relate to existing family support and family preservation services; and how these family support and preservation services will be linked to other services in the child and family services continuum.

(2) The State’s CFSP must explain whether and/or how funds under the CAPTA and independent living programs are coordinated with and integrated into the child and family services continuum described in the plan.

(3) The State’s CFSP must describe the existing or current linkages and the coordination of services between the services in the child and family services continuum and the services in other public services systems (e.g.,
Office of Human Development Services, HHS § 1357.15

health, education, housing, substance abuse, the courts), and other Federal and non-federally funded public and nonprofit private programs (e.g., Children’s Trust Funds, Community-Based Family Resource Programs, private foundations.)

(p) Services in relation to service principles. The CFSP must describe how the child and family services to be provided are designed to assure the safety and protection of children as well as the preservation and support of families, and how they are or will be designed to be consistent with the other service principles in 45 CFR 1355.25.

(q) Services in relation to permanency planning. For States administering both title IV-B programs (subparts 1 and 2), the CFSP must explain how these services will help meet the permanency provisions for children and families in sections 422(b)(9) and 471 of the Act (e.g., preplacement preventive services, reunification services, independent living services.) The CFSP must describe the arrangements, jointly developed with the Indian Tribes within its borders, made for the provision of the child welfare services and protections in section 422(b)(9) to Indian children under both State and Tribal jurisdiction.

(r) Decision-making process: selection of family support programs for funding. The State’s CFSP must include an explanation of how agencies and organizations were selected for funding to provide family support services and how these agencies and organizations meet the requirement that family support services be community-based.

(s) Significant portion of funds used for family support and family preservation services. With each fiscal year’s budget request, each State must indicate the specific percentage of family preservation and family support funds (title IV-B, subpart 2) that the State will expend for community-based family support and for family preservation services, and the rationale for the decision. The State must have an especially strong rationale if the request for either percentage is below 25 percent. It must also include an explanation of how this distribution was reached and why it meets the requirements that a “significant portion” of the service funds must be spent for each service. Examples of important considerations might include the nature of the planning efforts that led to the decision, the level of existing State effort in each area, and the resulting need for new or expanded services.

(t) Staff training, technical assistance, and evaluation. (1) The State’s CFSP must include a staff development and training plan in support of the goals and objectives in the CFSP which addresses both of the title IV-B programs covered by the plan. This training plan also must be combined with the training plan under title IV-E as required by 45 CFR 1356.60(b)(2). Training must be an on-going activity and must include content from various disciplines and knowledge bases relevant to child and family services policies, programs and practices. Training content must also support the cross-system coordination consultation basic to the development of the CFSP.

(2) The State’s CFSP must describe the technical assistance activities that will be undertaken in support of the goals and objectives in the plan.

(3) The State’s CFSP must describe any evaluation and research activities underway or planned with which the State agency is involved or participating and which are related to the goals and objectives in the plan.

(u) Quality assurance. The State must include in the CFSP a description of the quality assurance system it will use to regularly assess the quality of services under the CFSP and assure that there will be measures to address identified problems.

(v) Distribution of the CFSP and the annual progress and services report. The CFSP must include a description of how the State and the Indian Tribe will make available to interested parties the CFSP and the Annual Progress and Services Report. (See 45 CFR 1355.21(c) and 45 CFR 1357.16(d)). State agencies and Indian Tribal organizations within the State must exchange copies of
§ 1357.16 Annual progress and services reports.

(a) Annual progress and services reports. Annually, each State and each Indian Tribe must conduct an interim review of the progress made in the previous year toward accomplishing the goals and objectives in the plan, based on updated information. In developing paragraphs (a)(2) through (a)(4) of this section, the State and the Indian Tribe must involve the agencies, organizations, and individuals who are a part of the on-going CFSP-related consultation and coordination process. On the basis of this review, each State and Indian Tribe must prepare and submit to ACF, and make available to the public, an Annual Progress and Services Report which must include the following—

(1) A report on the specific accomplishments and progress made in the past fiscal year toward meeting each goal and objective, including improved outcomes for children and families, and a more comprehensive, coordinated, effective child and family services continuum;

(2) Any revisions in the statement of goals and objectives, or to the training plan, if necessary, to reflect changed circumstances;

(3) For Indian Tribes, a description of the child welfare and/or family preservation and family support services to be provided in the upcoming fiscal year highlighting any changes in services or program design and including the information required in 45 CFR 1357.15(n);

(4) For States, a description of the child protective, child welfare, family preservation, family support, and independent living services to be provided in the upcoming fiscal year highlighting any additions or changes in services or program design and including the information required in 45 CFR 1357.15(n);

(5) Information on activities in the areas of training, technical assistance, research, evaluation, or management information systems that will be carried out in the upcoming fiscal year in support of the goals and objectives in the plan;

(6) For States only, the information required to meet the maintenance of effort (non-supplantation) requirement in section 432(a) (7) and (8) of the Act;

(7) For States and eligible Indian Tribes phasing in requirements for a consolidated CFSP, information on activities and progress directed toward a consolidated plan by June 30, 1996 or 1997. The report must include information that demonstrates States' and eligible Indian Tribes' progress toward the consolidation of a CFSP, including activities that have been accomplished and still need to be accomplished; and

(8) Any other information the State or the Indian Tribe wishes to include.

(b) Submittal of the annual progress and services report and CFS–101. (1) The State and the Indian Tribe must send the Annual Progress and Services Report and the CFS–101 to the appropriate ACF Regional Office no later than June 30 of the year prior to the fiscal year in which the services will be provided (e.g., the report submitted and made public by June 30, 1996 will describe the services to be provided in FY 1997. The report covering FY 1998 services must be submitted by June 30, 1997.)

(2) In order for States and eligible Indian Tribes to receive title IV-B, subparts 1 and 2 allocations a CFS–101 must be submitted for each fiscal year.

(3) States and Indian Tribes which have consolidated the requirements for title IV-B, subparts 1 and 2, must submit the CFS–101 to the appropriate ACF Regional Office no later than June 30 of the year prior to the fiscal year in which the services will be provided (e.g., for FY 1997 allocations, the CFS–101 must be submitted by June 30, 1996; for FY 1998 allocations, the CFS–101 must be submitted by June 30, 1997.)

(4) States and eligible Indian Tribes choosing to phase-in the requirements for a consolidated CFSP must:
Office of Human Development Services, HHS § 1357.25

(c) Annual progress and services reports on FY 1994 family support and family preservation services. Each State and Indian Tribe that used FY 1994 funds under title IV-B, subpart 2, for services must describe in the CFSP what services were provided, the population(s) served, and the geographic areas where services were available. The CFSP also must include the amount of FY 1994 funds used for planning, for family preservation services, for family support services, and a brief statement on how these services met the service priorities of the State or the Indian Tribe.

(d) Availability of the annual progress and services report. The State and the Indian Tribe must make the Annual Progress and Services Report available to the public including the agencies, organizations, and individuals with which the State or the Indian Tribe is coordinating services or consulting and to other interested members of the public. Each State and eligible Indian Tribe within the State must exchange copies of their Annual Progress and Services Reports.

(e) FY 1999 Final Review. In FY 1999, each State and eligible Indian Tribe must conduct a final review of progress toward accomplishing the goals and objectives in the plan. On the basis of the final review, it must—

(1) Prepare a final report on the progress made toward accomplishing the goals and objectives; and

(2) Send the final report to the ACF Regional Office and make it available to the public.

(f) FY 2000 Five-Year State Plan. Based on the FY 1999 final review and final Annual Progress and Services Report, and in consultation with a broad range of agencies, organizations, and individuals, the States and eligible Indian Tribes must develop a new five-year CFSP following the requirements of 45 CFR 1357.15.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0980–0047. In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.)

§ 1357.20 Child abuse and neglect programs.

The State agency must assure that, with regard to any child abuse and neglect programs or projects funded under title IV-B of the Act, the requirements of section 106(b) (1) and (2) of the Child Abuse Prevention and Treatment Act, as amended, are met. These requirements relate to the State plan and assurances required for the Child Abuse and Neglect State Grant Program.

§ 1357.25 Requirements for eligibility for additional payments under section 427.

(a) For any fiscal year after FY 1979 in which a sum in excess of $141,000,000 is appropriated under Section 420 of the Act, a State is not eligible for payment of an amount greater than the amount for which it would be eligible if the appropriation were equal to $141,000,000 unless the State complies with the requirements of Section 427(a) of the Act.

(b) In meeting the requirements for the inventory and statewide information system in sections 427 (a)(1) and (2)(A) of the Act, the inventory and statewide information system must include those children under the placement and care responsibility of the State title IV-B or IV-E agencies. At the State's discretion, other children may be included. The six month requirement in section 427(a)(1) and the twelve month requirement in section 427(a)(2)(A) of the Act must also be met.

(The requirement has been approved by the Office of Management and Budget under OMB Control Number 0980–0138)
§ 1357.30  State fiscal requirements (title IV-B, subpart 1, child welfare services).

(e) Matching or cost-sharing. Federal financial participation is available only if costs are incurred in implementing sections 422, 423, and 425 of the Act in accordance with the grants administration requirements of 45 CFR part 75 with the following conditions—

(i) The State’s contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(ii) The total of Federal funds used for the following purposes under title IV-B, subpart 1 may not exceed an amount equal to the FY 1979 Federal payment under title IV-B:

(i) Child day care necessary solely because of the employment, or training to prepare for employment, of a parent or other relative with whom the child involved is living, plus;

(ii) Foster care maintenance payments, plus;

(iii) Adoption assistance payments.

(3) Notwithstanding paragraph (e)(2) of this section, State expenditures required to match the title IV-B, subpart 1 allotment may include foster care maintenance expenditures in any amount.

(g) Maintenance of effort. (1) A State may not receive an amount of Federal funds under title IV-B in excess of the Federal payment made in FY 1979 under title IV-B unless the State’s total expenditure of State and local appropriated funds for child welfare services under title IV-B of the Act is equal to or greater than the total of the State’s expenditure from State and local appropriated funds used for similar covered services and programs under title IV-B in FY 1979.

(2) In computing a State’s level of expenditures under this section in FY 1979 and any subsequent fiscal year, the following costs shall not be included—

(i) Expenditures and costs for child day care necessary to support the employment of a parent or other relative; 

(ii) Foster care maintenance payments; and

(iii) Adoption assistance payments.

(3) A State applying for an amount of Federal funds under title IV-B greater than the amount of title IV-B, subpart 1 funds received by that State in FY 1979 shall certify:

(ii) The amount of State and local appropriated funds that have been appropriated and are available for child welfare services as described in paragraphs (g) (1) and (2) of this section for the fiscal year for which application for funds is being made. Records verifying the required certification shall be maintained by
the State and made available to the Secretary as necessary to confirm compliance with this section.

(h) Reallotment. (1) When a State certifies to the Commissioner that funds available to that State under its title IV-B, subpart 1 allotment will not be required, those funds shall be available for reallocation to other States.

(2) When a State, after receiving notice from the Commissioner of the availability of funds, does not certify by a date fixed by the Commissioner that it will be able to expend during the period stated in paragraph (i) of this section all of the funds available to it under its title IV-B, subpart 1 allotment, those funds shall be available for reallocation to other States.

(3) The Commissioner may reallocate available funds to another State when it is determined that—

(i) The requesting State's plan requires funds in excess of the State's original allotment; and

(ii) the State will be able to expend the additional funds during the period stated in paragraph (i) of this section.

(i) Time limit on expenditures. Funds under title IV-B, subpart 1, must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

§ 1357.32 State fiscal requirements (title IV-B, subpart 2, family preservation and family support services).

(a) Scope. The requirements of this section apply to all funds allocated to States under title IV-B, subpart 2, of the Act.

(b) Allotments. The annual allotment to each State shall be made in accordance with section 433 of the Act.

(c) Payments. Payments to each State will be made in accordance with section 434 of the Act.

(d) Matching or cost sharing. Funds used to provide services in FY 1994 and in subsequent years will be federally reimbursed at 75 percent of allowable expenditures. (This is the same Federal financial participation rate as title IV-B, subpart 1.) Federal funds, however, will not exceed the amount of the State's allotment.

(1) The State's contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(2) Except as provided by Federal statute, other Federal funds may not be used to meet the matching requirement.

(e) Prohibition against purchase or construction of facilities. Funds awarded under title IV-B may not be used for the purchase or construction of facilities.

(f) Maintenance of effort. States may not use the Federal funds under title IV-B, subpart 2, to supplant Federal or non-Federal funds for existing family preservation and family support services. For the purpose of implementing this requirement, “non-Federal funds” means State funds. ACF will collect information annually from each State on expenditures for family support and family preservation using the State fiscal year 1992 as the base year.

(g) Time limits on expenditures. Funds must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(h) Administrative costs. (1) States claiming Federal financial participation for services provided in FY 1994 and subsequent years may not claim more than 10 percent of expenditures under subpart 2 for administrative costs. (iii) centralized in the grantee department or in some other agency, and may include but are not limited to the following: Procurement; payroll; personnel functions; management, maintenance and operation of space and
§ 1357.40

Direct payments to Indian Tribal Organizations (title IV-B, subpart 1, child welfare services).

(a) Who may apply for direct funding? Any Indian Tribal Organization (ITO) that meets the definitions in section 428(c) of the Act, or any consortium or other group of eligible Tribal organizations authorized by the membership of the Tribes to act for them is eligible to apply for direct funding if the ITO, consortium or group has a plan for child welfare services that is jointly developed by the ITO and the Department.

(b) Title IV-B Child and Family Services Plan (CFSP). (1) In order to receive funds under title IV-B, subpart 1, beginning in FY 1995, the Indian Tribe or Tribal organization must have in effect an approved five-year child and family services plan that meets the applicable requirements of §1357.15 of this part.

(2) The Indian Tribe or Tribal organization must also comply with section 422(b)(1–8) of the Act; 45 CFR part 1355 (except that the requirements in §1355.30 for a single Tribal agency and Governor’s review of the CFSP do not apply); and other applicable requirements of §§1357.10 and 1357.16.

(c) Information related to the requirements of Section 422(b)(9) of the Act. The following information must be submitted with the assurances required to be eligible for title IV-B, subpart 1 funds:

(1) A description of the arrangements, jointly developed with the State, made for the provision of the child welfare services and protections in section 422(b)(9) to Indian children under both State and Tribal jurisdiction;

(2) A statement of the legal responsibility, if any, for children who are in foster care on the reservation and those awaiting adoption;

(3) A description of Tribal jurisdiction in civil and criminal matters, existence or nonexistence of a Tribal court and the type of court and codes, if any;

(4) An identification of the standards for foster family homes and institutional care and day care;

(5) The Indian Tribal organization’s political subdivisions, if any;

(6) Whether the Tribal organization is controlled, sanctioned or chartered by the governing body of Indians to be served and if so, documentation of that fact;

(7) Any limitations on authorities granted to the Indian Tribal organizations; and

(8) The Tribal resolution(s) authorizing an application for a direct title IV-B, subpart 1 grant under this Part.

(d) Grants: General. (1) Grants may be made to eligible Indian Tribal organizations in a State which has a jointly developed child and family services plan approved and in effect.

(2) Federal funds made available for a direct grant to an eligible ITO shall be paid by the Department, from the title IV-B allotment for the State in which the ITO is located. Should a direct grant be approved, the Department shall promptly notify the State(s) affected.

(3) If an eligible ITO includes population from more than one State, a proportionate amount of the grant will be paid from each State’s allotment.

(4) The receipt of title IV-B funds must be in addition to and not a substitute for funds otherwise previously expended by the ITO for child welfare services.

(5) The following fiscal and administrative requirements apply to Indian Tribal grants under this section:

(i) Enforcement and termination. In the event of an Indian Tribe’s failure to comply with the terms of the grant under title IV-B, subpart 1, the provisions of 45 CFR 75.371 through 75.372 will apply.

(ii) Matching or cost-sharing. Federal financial participation is available only if costs are incurred in implementing sections 422, 423, and 425 of the
Act in accordance with the grants administration requirements of 45 CFR part 75 with the following conditions—

(A) The ITO’s contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(B) The total of Federal funds used for the following purposes under title IV-B, subpart 1 may not exceed an amount equal to the FY 1979 Federal payment under title IV-B:

1. Child day care necessary solely because of the employment, or training to prepare for employment, of a parent or other relative with whom the child involved is living, plus;

2. Foster care maintenance payments, plus;

3. Adoption assistance payments.

(C) Notwithstanding paragraph (d)(5)(ii)(B) of this section, Tribal expenditures required to match the title IV-B, subpart 1 allotment may include foster care maintenance expenditures in any amount.

(i) Prohibition against purchase or construction of facilities. Funds awarded under title IV-B may not be used for the purchase or construction of facilities.

(ii) Time limit on expenditures. Funds under title IV-B, subpart 1, must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(d) In order to determine the amount of Federal funds available for a direct grant to an eligible ITO, the Department shall first divide the State’s title IV-B allotment by the number of children in the State, then multiply the resulting amount by a multiplication factor determined by the Secretary, and then multiply that amount by the number of Indian children in the ITO population. The multiplication factor will be set at a level designed to achieve the purposes of the act and revised as appropriate.

Alaska Native Organization means any organized group of Alaska Natives eligible to operate a Federal program under the Indian Self-Determination Act (Pub. L. 93–638) or such group’s designee as defined in section 482(i)(7)(A) of the Act.

Indian Tribe means any Tribe, band, nation, or other organized group or community of Indians that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians; and for which a reservation (including Indian reservations, public domain Indian allotments, and former Indian reservations in Oklahoma) exists.

Tribal organization means the recognized governing body of the Indian Tribe.

(b) Eligibility for funds: FY 1994. (1) Section 432(b)(2) of the Act provides that the Secretary may not approve a plan of an Indian Tribe whose FY 1995 allotment under subpart 2 would be less than $10,000. Therefore, only those Indian Tribes whose FY 1995 allotment is $10,000 or more are eligible to receive funds beginning in FY 1994.

(2) ACF will pay any amount to which an Indian Tribe is entitled to the Tribal organization of the Indian Tribe.

(c) Eligibility for funds: FY 1995. In order to receive funds under title IV-B, subpart 2, in FY 1995, an Indian Tribe that is eligible for planning funds in FY 1994 must submit a Child and Family Services Plan that meets the applicable requirements in section 1357.15 of this Part.

(d) Eligibility for funds: FY 1996 through FY 1998. (1) ACF will make grants to additional Indian Tribes in Fys 1996 through 1998 in the event that there are increased appropriations.

(2) Allotments will be calculated in Fys 1996, 1997, and 1998 as required in section 433 of the Act. Those Indian Tribes in each year whose allotment is at least $10,000 will be notified of their eligibility to apply.

(3) In order to receive funds, additional Indian Tribes which become eligible for grants in FY 1996, 1997, and 1998 must submit either a five year Child and Family Services Plan (CFSP) that meets the applicable requirements of 45 CFR 1357.15 or an application for

§ 1357.50 Direct payments to Indian Tribal organizations (title IV-B, subpart 2, family preservation and support services).

(a) Definitions.
planning funds by June 30 of the year in which they first become eligible for grants. Those Indian Tribes which submitted an application for planning funds in their first year of funding must submit a five year CFSP that meets the applicable requirements of 45 CFR 1357.15 by June 30 of the second year they receive funding. For example, in order to receive funds, an Indian Tribe which becomes eligible to receive funding beginning in FY 1996 must submit either an application for planning funds or a CFSP by June 30, 1996. If the Indian Tribe submitted an application for planning funds in FY 1996, they must submit a CFSP by June 30, 1997.

(4) All Indian Tribes will be Federally reimbursed at 75 percent of allowable expenditures. Federal funds without match are available in the first year of receipt of funds for additional Indian Tribes meeting the following criteria:

(i) Submittal of an application for planning funds, and not a five year CFSP;

(ii) Receipt of an initial award in FY 1996 or 1997 or 1998; and

(iii) A proposal to spend the entire grant in the first year on planning.

(e) Allotments. Allotments to Indian Tribes are computed based on section 433 of the Act and are based on a ratio of the number of children in each Indian Tribe with an approved plan compared to the number of children in all Indian Tribes with approved plans, based on the most current and reliable data available.

(f) Exemptions of requirements. (1) ACF has exempted Indian Tribes from three statutory requirements:

(i) The limitation on administrative costs to 10 percent of total Federal and Tribal funds—Indian Tribes may use the indirect cost rate agreement in effect for the Tribe;

(ii) The requirement for maintenance of effort that funds under this program may not be used to supplant other Federal and non-Federal funds; and

(iii) The requirement that a significant portion of funds must be used for both family support and family preservation services.

(2) Specific exemptions from other statutory requirements may be requested by the Tribe in the course of its joint planning. Such a request must contain a compelling reason.

(g) Matching requirement. (1) Funds used to provide services in FY 1994 and in subsequent years will be federally reimbursed at 75 percent of allowable expenditures. (This is the same Federal financial participation rate as title IV-B, subpart 1.) The Indian Tribe’s match must be at least 25 percent of the total project costs or one-third of the Federal share. Federal funds, however, will not exceed the amount of the Indian Tribe’s allotment.

(2) The Indian Tribe’s contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(3) Indian Tribes, by statute, may use the following three Federal sources of funds as matching funds: Indian Child Welfare Act funds, Indian Self-Determination and Education Assistance Act funds, and Community Development Block Grant funds.

(h) Time limits on expenditures. An Indian Tribe must expend all funds by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

[49 FR 21327, May 21, 1984, as amended at 51 FR 24827, July 9, 1986]
§ 1602.1 Purpose.

This part contains the rules and procedures the Legal Services Corporation follows in making records available to the public under the Freedom of Information Act.

§ 1602.2 Definitions.

As used in this part—
(a) Commercial use request means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Corporation will look to the use to which a requester will put the documents requested. When the Corporation has reasonable cause to doubt the requester’s stated use of the records sought, or where the use is not clear from the request itself, it will seek additional clarification before assigning the request to a category.
(b) Duplication means the process of making a copy of a requested record pursuant to this part. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable electronic documents, among others.
(c) Educational institution means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, or an institution of professional or vocational education which operates a program or programs of scholarly research.
(d) FOIA means the Freedom of Information Act, 5 U.S.C. 552.
(e) Non-commercial scientific institution means an institution that is not operated on a “commercial” basis and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.
(f) Office of Inspector General records means those records as defined generally in this section which are exclusively in the possession and control of the Office of Inspector General of the Legal Services Corporation.
(g) Records means books, papers, maps, photographs, or other documentary materials, regardless of whether the format is physical or electronic, made or received by the Corporation in connection with the transaction of the Corporation’s business and preserved by the Corporation (either directly or maintained by a third party under contract to the Corporation for records management purposes), as evidence of the organization, functions, policies, decisions procedures, operations, or other activities of the Corporation, or because of the informational value of data in them. The term does not include, inter alia, books, magazines, or other materials acquired solely for library purposes.
(h) Representative of the news media means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. In this clause, the term “news” means information that is about current events or that would be of current interest to the public. Examples of news media entities are television or radio stations broadcasting to the public at large and publishers of periodicals (but only if such entities qualify as disseminators of “news”) who make their products available for purchase by or subscription by or free distribution to the general public. These examples are not all-inclusive. Moreover, as methods of news delivery evolve (for example, the adoption of the electronic dissemination of newspapers through telecommunications services), such alternative media shall be considered to be news media entities. A freelance journalist shall be regarded as working for a news media entity if the journalist...
can demonstrate a solid basis for expecting publication through that entity, whether or not the journalist is actually employed by the entity. A publication contract would present a solid basis for such an expectation; the Corporation may also consider the past publication record of the requester in making such a determination.

(i) Review means the process of examining documents located in response to a request to determine whether any portion of any such document is exempt from disclosure. It also includes processing any such documents for disclosure. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(j) Search means the process of looking for and retrieving records that are responsive to a request for records. It includes page-by-page or line-by-line identification of material within documents and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Searches may be conducted manually or by automated means and will be conducted in the most efficient and least expensive manner.

(k) Submitter means any person or entity from whom the Corporation receives grant application records.

§ 1602.3 Policy.

The Corporation will make records concerning its operations, activities, and business available to the public to the maximum extent reasonably possible. Records will be withheld from the public only in accordance with the FOIA and this part. Records exempt from disclosure under the FOIA may be made available as a matter of discretion when disclosure is not prohibited by law, and disclosure would not foreseeably harm a legitimate interest of the public, the Corporation, a recipient, or any individual.

§ 1602.4 Records published in the Federal Register.

The Corporation routinely publishes in the Federal Register information on its basic structure and operations necessary to inform the public how to deal effectively with the Corporation. The Corporation will make reasonable efforts to currently update such information, which will include basic information on the Corporation’s location, functions, rules of procedure, substantive rules, statements of general policy, and information regarding how the public may obtain information, make submittals or requests, or obtain decisions.

§ 1602.5 Public reading room.

(a) The Corporation will maintain a public reading room its office at 3333 K St. NW., Washington, DC, 20007. This room will be supervised and will be open to the public during the regular business hours of the Corporation for inspecting and copying records described in paragraph (b) of this section.

(b) Subject to the limitation stated in paragraph (c) of this section, the following records will be made available in the public reading room:

(1) All final opinions, including concurring and dissenting opinions, and orders issued in the adjudication of cases;

(2) Statements of policy and interpretations adopted by the Corporation that are not published in the Federal Register;

(3) Administrative staff manuals and instructions to the staff that affect the public or recipients;

(4) Copies of records, regardless of form or format, released to any person in response to a public request for records pursuant to §1602.8 which the Corporation has determined are likely to become subject to subsequent requests for substantially the same records, and a general index of such records;

(5) The current index required by §1602.7;

(6) To the extent feasible, other records considered to be of general interest to recipients or members of the public in understanding activities of the Corporation or in dealing with the Corporation in connection with those activities.

(c) Certain records otherwise required by FOIA to be available in the public reading room may be exempt
§ 1602.6 Procedures for use of public reading room.

Any member of the public may inspect or copy records described in §1602.5(b) in the public reading room during regular business hours. Because it will sometimes be impossible to produce records or copies of records on short notice, a person who wishes to inspect or copy records is advised to arrange a time in advance, by telephone or letter request made to the Office of Legal Affairs. Persons submitting requests by telephone will be notified whether a written request would be advisable to aid in the identification and expeditious processing of the records sought. Written requests should identify the records sought in the manner provided in §1602.6(b) and should request a specific date for inspecting the records. The requester will be advised as promptly as possible if, for any reason, it may not be possible to make the records sought available on the date requested.

§ 1602.7 Index of records.

The Corporation will maintain a current index identifying any matter within the scope of §1602.4 and §1602.5(b) (1) through (5). The index will be maintained and made available for public inspection and copying at the Corporation’s office in Washington, DC. The cost of a copy of the index will not exceed the standard charge for duplication set out in §1602.13(e). The Corporation will also make the index available on its websites.

§ 1602.8 Requests for records.

(a) Except for records required by the FOIA to be published in the Federal Register (§1602.4) or to be made available in the public reading room (§1602.5), Corporation records will be made promptly available, upon request, to any person in accordance with this section, unless it is determined that such records should be withheld and are exempt from mandatory disclosure under the FOIA and §1602.9.

(b) Requests. Requests for records under this section shall be made in writing, with the envelope and the letter or e-mail request clearly marked Freedom of Information Act Request. All such requests shall be addressed to the Corporation’s Office of Legal Affairs or, in the case of requests for records maintained by the Office of Inspector General, to the Office of Inspector General. Requests by letter shall use the address given in §1602.5(a). E-mail requests shall be addressed to FOIA@lsc.gov or, in the case of requests for records maintained by the Office of Inspector General, FOIA@oig.lsc.gov. Any request not marked and addressed as specified in this paragraph will be so marked by Corporation personnel as soon as it is properly identified, and will be forwarded immediately to the Office of Legal Affairs, or as appropriate, the Office of Inspector General. A request improperly addressed will only be deemed to have been received as in accordance
with paragraph (i) of this section. Upon receipt of an improperly addressed request, the General Counsel or designee (or Counsel to the Inspector General or designee) shall notify the requester of the date on which the time period began.

(c) A request must reasonably describe the records requested so that employees of the Corporation who are familiar with the subject area of the request are able, with a reasonable amount of effort, to determine which particular records are within the scope of the request. If it is determined that a request does not reasonably describe the records sought, the requester shall be so informed and provided an opportunity to confer with Corporation personnel in order to attempt to reformulate the request in a manner that will meet the needs of the requester and the requirements of this paragraph.

(d) To facilitate the location of records by the Corporation, a requester should try to provide the following kinds of information, if known:

(1) The specific event or action to which the record refers;
(2) The unit or program of the Corporation which may be responsible for or may have produced the record;
(3) The date of the record or the date or period to which it refers or relates;
(4) The type of record, such as an application, a grant, a contract, or a report;
(5) Personnel of the Corporation who may have prepared or have knowledge of the record;
(6) Citations to newspapers or publications which have referred to the record.

(e) The Corporation is not required to create a record or to perform research to satisfy a request.

(f) Estimated fees. The Corporation shall advise the requester of any estimated fees as promptly as possible. The Corporation may require that fees be paid in advance, in accordance with §1602.13(i), and the Corporation will advise a requester as promptly as possible if the fees are estimated to exceed $25 or any limit indicated by the requester.

(g) Any request for a waiver or reduction of fees should be included in the FOIA request, and any such request should indicate the grounds for a waiver or reduction of fees, as set out in §1602.13(f). The Corporation shall respond to such request as promptly as possible.

(h) Format. The Corporation will provide records in the form or format indicated by the requester to the extent such records are readily reproducible in the requested form or format.

(i)(1) The General Counsel or designee, upon request for any records made in accordance with this section, except in the case of a request for Office of Inspector General records, shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 days (excluding Saturdays, Sundays and legal public holidays) after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(ii) In the case of a request for any Office of Inspector General records made in accordance with this section, the Counsel to the Inspector General or designee shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 days (excluding Saturdays, Sundays and legal public holidays) after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(i)(2)(i) If the General Counsel or designee determines that a request or portion thereof is for the Office of Inspector General records, the General Counsel or designee shall promptly refer the request or portion thereof to the Inspector General and send notice of such referral to the requester. If the Counsel to the Inspector General or designee determines that a request or portion thereof is for Corporation records not maintained by the Office of Inspector General, the Counsel to the
Inspector General or designee shall promptly refer the request or portion thereof to the Office of Legal Affairs and send notice of such referral to the requester.

(ii) The 20-day period under paragraph (i)(1) of this section shall commence on the date on which the request is first received by the appropriate Office (the Office of Legal Affairs or the Office of Inspector General), but in no event later than 10 working days after the request has been received by either the Office of Legal Affairs or the Office of Inspector General. The 20-day period shall not be tolled by the Office processing the request except that the processing Office may make one request to the requester for information pursuant to paragraph (c) of this section and toll the 20-day period while it is awaiting such information that it has reasonably requested from the requester under this section; or, if necessary to clarify with the requester issues regarding fee assessment. In either case, the processing Office’s receipt of the requester’s response to such a request for information or clarification ends the tolling period.

(3) Unusual circumstances. As used in this part, “unusual circumstances” are limited to the following, but only to the extent reasonably necessary for the proper processing of the particular request:

(i) The need to search for and collect the requested records from establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency or organization, such as a recipient, having a substantial interest in the determination of the request or among two or more components of the Corporation having substantial subject matter interest therein.

(j) If a request is particularly broad or complex so that it cannot be completed within the time periods stated in paragraph (i) of this section, the Corporation may ask the requester to narrow the request or agree to an additional delay.

(k) When no determination can be dispatched within the applicable time limit, the General Counsel or designee or the Counsel to the Inspector General or designee shall inform the requester of the reason for the delay, the date on which a determination may be expected to be dispatched, and the requester’s right to treat the delay as a denial and to appeal to the Corporation’s President or Inspector General, in accordance with §1602.12. If no determination has been dispatched by the end of the 20-day period, or the last extension thereof, the requester may deem the request denied, and exercise a right of appeal in accordance with §1602.12. The General Counsel or designee or the Counsel to the Inspector General or designee may ask the requester to forego appeal until a determination is made.

(l) After it has been determined that a request will be granted, the Corporation will act with due diligence in providing a substantive response.

(m)(1) Expedited treatment. Requests and appeals will be taken out of order and given expedited treatment whenever the requester demonstrates a compelling need. A compelling need means:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) An urgency to inform the public about an actual or alleged Corporation or Federal government activity and the request is made by a person primarily engaged in disseminating information;

(iii) The loss of substantial due process rights; or

(iv) A matter of widespread and exceptional media interest in which there exist possible questions about the Corporation’s or the Federal government’s integrity which affect public confidence.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing must be properly addressed and marked and
received by the Corporation pursuant to paragraphs (b) of this section.

(3) A requester who seeks expedited processing must submit a statement demonstrating a compelling need that is certified by the requester to be true and correct to the best of that person’s knowledge and belief, explaining in detail the basis for requesting expedited processing.

(4) Within ten calendar days of its receipt of a request for expedited processing, the General Counsel or designee or the Inspector General or designee shall decide whether to grant the request and shall notify the requester of the decision. If a request for expedited treatment is granted, the request shall be given priority and shall be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously by the Corporation.

(1602.9 Exemptions for withholding records.

(a) A requested record of the Corporation may be withheld from public disclosure only if one or more of the following categories exempted by the FOIA apply:

(1) Matter which is related solely to the internal personnel rules and practices of the Corporation;

(2) Matter which is specifically exempted from disclosure by statute (other than the exemptions under FOIA at 5 U.S.C. 552(b)), provided that such statute requires that the matters be withheld from the public in such a manner as to leave no discretion on the issues, or establishes particular criteria for withholding, or refers to particular types of matters to be withheld;

(3) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(4) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party other than an agency in litigation with the Corporation;

(5) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(6) Records or information compiled for law enforcement purposes including enforcing the Legal Services Corporation Act or any other law, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person or a recipient of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law;

(vi) Could reasonably be expected to endanger the life or physical safety of any individual;

(b) In the event that one or more of the exemptions in paragraph (a) of this section apply, any reasonably segregable portion of a record shall be provided to the requester after deletion of the portions that are exempt. The amount of information deleted and the exemption under which the deletion is being made shall be indicated on the released portion of the record, unless doing so would harm the interest protected by the exemption under which the deletion is made. If technically feasible, the amount of information deleted and the exemption under which the deletion is being made shall be indicated at the place in the record where the deletion occurs.

(1) A summary of information in the exempt portion of a record; or
(2) An oral description of the exempt portion of a record.
(c) No requester shall have a right to insist that any or all of the techniques in paragraph (b) of this section should be employed in order to satisfy a request.
(d) Records that may be exempt from disclosure pursuant to paragraph (a) of this section may be made available at the discretion of the Corporation official authorized to grant or deny the request for records, after appropriate consultation as provided in §1602.10. Records may be made available pursuant to this paragraph when disclosure is not prohibited by law, and it does not appear adverse to legitimate interests of the Corporation, the public, a recipient, or any person.

§ 1602.10 Officials authorized to grant or deny requests for records.

(a) The General Counsel shall furnish necessary advice to Corporation officials and staff as to their obligations under this part and shall take such other actions as may be necessary or appropriate to assure a consistent and equitable application of the provisions of this part by and within the Corporation.
(b) The General Counsel or designee and the Counsel to the Inspector General or designee are authorized to grant or deny requests under this part. In the absence of a Counsel to the Inspector General, the Inspector General shall name a designee who will be authorized to grant or deny requests under this part and who will perform all other functions of the Counsel to the Inspector General under this part. The General Counsel or designee shall consult with the Office of the Counsel to the Inspector General or designee prior to granting or denying any request for records or portions of records which originated with any component of the Corporation other than the Office of Inspector General, or which contain information which originated with a component of the Corporation other than the Office of Inspector General, but which are maintained by the Office of Inspector General.

§ 1602.11 Denials.

(a) A denial of a written request for a record that complies with the requirements of §1602.8 shall be in writing and shall include the following:
(1) A reference to the applicable exemption or exemptions in §1602.9 upon which the denial is based;
(2) An explanation of how the exemption applies to the requested records;
(3) A statement explaining why it is deemed unreasonable to provide segregable portions of the record after deleting the exempt portions;
(4) An estimate of the volume of requested matter denied unless providing such estimate would harm the interest protected by the exemption under which the denial is made;
(5) The name and title of the person or persons responsible for denying the request; and
(6) An explanation of the right to appeal the denial and of the procedures for submitting an appeal, including the address of the official to whom appeals should be submitted.
(b) Whenever the Corporation makes a record available subject to the deletion of a portion of the record, such action shall be deemed a denial of a record for purposes of paragraph (a) of this section.
(c) All denials shall be treated as final opinions under §1602.5(b).

§ 1602.12 Appeals of denials.

(a) Any person whose written request has been denied is entitled to appeal the denial within 90 days by writing to the President of the Corporation or, in the case of a denial of a request for Office of Inspector General records, the Inspector General, at the addresses given in §1602.5(a) and §1602.8(b). The envelope and letter or e-mail appeal should be clearly marked: “Freedom of
§ 1602.13 Fees.

(a) No fees will be charged for information routinely provided in the normal course of doing business.

(b)(1) Fees shall be limited to reasonable standard charges for document search, review, and duplication, when records are requested for commercial use:

(2) If no unusual circumstances, as set forth in §1602.8 apply, for requests received on or after December 31, 2008, if LSC has failed to comply with the time limits set forth in that section, otherwise applicable search fees will not be charged to a requester. In such cases, if the requester is a representative of the news media, otherwise applicable duplication fees will not be charged.

(c) Fees shall be limited to reasonable standard charges for document duplication after the first 100 pages, when records are sought by a representative of the news media or by an educational or non-commercial scientific institution; and

(d) For all other requests, fees shall be limited to reasonable standard charges for search time after the first 2 hours and duplication after the first 100 pages.

(e) The schedule for charges for services regarding the production or disclosure of the Corporation's records is as follows:

(1) Manual search for and review of records will be charged as follows:

(i) Band 1: $16.15
(ii) Band 2: $26.66
(iii) Band 3: $39.15
(iv) Band 4: $51.41
(v) Band 5: $54.59

(vi) Charges for search and review time less than a full hour will be billed by quarter-hour segments;

(2) Computer time: actual charges as incurred;

(5) Certification of true copies: $1.00 each;

(6) Packing and mailing records: no charge for regular mail;

(7) Express mail: actual charges as incurred.

(f) Fee waivers. A requester may seek a waiver or reduction of fees below the fees established under paragraph (e) of this section. A fee waiver or reduction request will be granted where LSC has
§ 1602.13  

45 CFR Ch. XVI (10–1–16 Edition)  

determined that the requester has demonstrated that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations of the Corporation or Federal government and is not primarily in the commercial interest of the requester.

(1) In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations of the Corporation or Federal government, the Corporation shall consider the following four factors:

(i) The subject of the request: Whether the subject of the requested records concerns “the operations or activities of the Corporation or Federal government.” The subject of the requested records must concern identifiable operations or activities of the Corporation or Federal government, with a connection that is direct and clear, not remote or attenuated.

(ii) The informative value of the information to be disclosed: Whether the disclosure is “likely to contribute” to an understanding of Corporation or Federal government operations or activities. The requested records must be meaningfully informative about government operations or activities in order to be likely to contribute to an increased public understanding of those operations or activities. The disclosure of information that is already in the public domain, in either a duplicative or a substantially identical form, would not be likely to contribute to such understanding where nothing new would be added to the public’s understanding.

(iii) The contribution to an understanding of the subject by the public likely to result from disclosure: Whether disclosure of the requested records will contribute to “public understanding.” The disclosure must contribute to a reasonably broad audience of persons interested in the subject, as opposed to the personal interest of the requester. A requester’s expertise in the subject area and ability and intention to effectively convey information to the public shall be considered. It shall be presumed that a representative of the news media will satisfy this consideration.

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute “significantly” to public understanding of Corporation or Federal government operations or activities. The public’s understanding of the subject in question, as compared to the level of public understanding existing prior to the disclosure, must be enhanced by the disclosure to a significant extent.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Corporation will consider the following two factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure. LSC shall consider any commercial interest of the requester (with reference to the definition of “commercial use” in this part) or of any person on whose behalf the requester may be acting, that would be furthered by the requested disclosure.

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily” in the commercial interest of the requester. A fee waiver or reduction is justified where the public interest is greater in magnitude than that of any identified commercial interest in disclosure. LSC ordinarily shall presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return shall not be presumed primarily to serve a public interest.

(3) Where LSC has determined that a fee waiver or reduction request is justified for only some of the records to be released, LSC shall grant the fee waiver or reduction for those records.

(4) Requests for fee waivers and reductions shall be made in writing and must address the factors listed in this paragraph as they apply to the request.
(g) No fee will be charged under this section unless the cost of routine collection and processing of the fee payment is likely to exceed $6.50.

(h) Requesters must agree to pay all fees charged for services associated with their requests. The Corporation will assume that requesters agree to pay all charges for services associated with their requests up to $25 unless otherwise indicated by the requester. For requests estimated to exceed $25, the Corporation will first consult with the requester prior to processing the request, and such requests will not be deemed to have been received by the Corporation until the requester agrees in writing to pay all fees charged for services.

(i) No requester will be required to make an advance payment of any fee unless:

1. The requester has previously failed to pay a required fee within 30 days of the date of billing, in which case an advance deposit of the full amount of the anticipated fee together with the fee then due plus interest accrued may be required. (The request will not be deemed to have been received by the Corporation until such payment is made.); or

2. The Corporation determines that an estimated fee will exceed $250, in which case the requester shall be notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. Such notification shall be transmitted as soon as possible, but in any event within 5 working days of receipt by the Corporation, giving the best estimate then available. The notification shall offer the requester the opportunity to confer with appropriate representatives of the Corporation for the purpose of reformulating the request so as to meet the needs of the requester at a reduced cost. The request will not be deemed to have been received by the Corporation for purposes of the initial 20-day response period until the requester makes a deposit on the fee in an amount determined by the Corporation.

(j) When a requester has previously failed to pay a properly charged FOIA fee within 30 days of the date of billing, the Corporation may require the requester to pay the full amount due, plus any applicable interest, and to make an advance payment of the full amount of any anticipated fee before the Corporation begins to process a new request or continues to process a pending request (including appeals) from that requester.

(k) Interest may be charged to those requesters who fail to pay the fees charged. Interest will be assessed on the amount billed, starting on the 31st day following the day on which the billing was sent. The rate charged will be as prescribed in 31 U.S.C. 3717.

(l) If the Corporation reasonably believes that a requester or group of requesters is attempting to break a request into a series of requests for the purpose of evading the assessment of fees, the Corporation shall aggregate such requests and charge accordingly. Likewise, the Corporation will aggregate multiple requests for documents received from the same requester within 45 days.

(m) The Corporation reserves the right to limit the number of copies that will be provided of any document to any one requester or to require that special arrangements for duplication be made in the case of bound volumes or other records representing unusual problems of handling or reproduction.

§ 1602.14 Submitter's rights process.

(a) When the Corporation receives a FOIA request seeking the release of a submitter's grant application(s), or portions thereof, the Corporation shall provide prompt written notice of the request to the submitter in order to afford the submitter with an opportunity to object to the disclosure of the requested grant application(s) (or any portion thereof). The notice shall reasonably describe the grant application(s), or portions thereof, requested and inform the submitter of the process required by paragraph (b) of this section.

(b) If a submitter who has received notice of a request for the submitter's grant application(s) desires to object to the disclosure of the grant application(s) (or any portion thereof), the
submitter must identify the information for which disclosure is objected and provide LSC with a written detailed statement to that effect. The statement must be submitted to the FOIA Officer in the Office of Legal Affairs and must specify the grounds for withholding the information under FOIA or this Part. In particular, the submitter must demonstrate why the information is commercial or financial information that is privileged or confidential. The submitter’s statement must be provided to LSC within seven business days of the date of the notice from the Corporation. If the submitter fails to respond to the notice from LSC within that time, LSC will deem the submitter to have no objection to the disclosure of the information.

(c) Upon receipt of written objection to disclosure by a submitter, LSC shall consider the submitter’s objections and specific grounds for withholding in deciding whether to release the disputed information. Whenever LSC decides to disclose information over the objection of the submitter, LSC shall give the submitter written notice which shall include:

(1) A description of the information to be released and a notice that LSC intends to release the information;
(2) A statement of the reason(s) why the submitter’s request for withholding is being rejected; and
(3) Notice that the submitter shall have 5 business days from the date of the notice of proposed release to appeal that decision to the LSC President, whose decision shall be final.

(d) The requirements of this section shall not apply if:
   (1) LSC determines upon initial review of the requested grant application(s), or portions thereof, the requested information should not be disclosed;
   (2) The information has been previously published or officially made available to the public; or
   (3) Disclosure of the information is required by statute (other than FOIA) or LSC regulations.

(f) Whenever LSC provides a submitter with notice and opportunity to oppose disclosure under this section, LSC shall notify the requester that the submitter’s rights process under this section has been triggered. Whenever a submitter files a lawsuit seeking to prevent the disclosure of the submitter’s information, LSC shall notify the requester.

SOURCE: 40 FR 59351, Dec. 23, 1975, unless otherwise noted.

§ 1603.1 Purpose.

The purpose of this part is to implement section 1004(f) of the Legal Services Corporation Act of 1974, 42 U.S.C. 2996c(f), which provides authority for the appointment of state advisory councils.

§ 1603.2 Definitions.

As used in this part, the term—
(b) Apparent violation means a complaint or other written communication alleging facts which, if established, constitute a violation of the Act, or any applicable rules, regulations or guidelines promulgated pursuant to the Act;
(c) Board means the Board of Directors of the Legal Services Corporation;
(d) Corporation means the Legal Services Corporation established under the Act;
§ 1603.3 Composition and term of office of council membership.

A council shall be composed of nine members. A majority of the members of a council shall be attorneys admitted to practice in the State. It is recommended that the remainder of the council, to the maximum extent possible, be broadly representative of persons concerned with the effective functioning of legal services programs. Membership of a council shall be subject to annual reappointment, but it is recommended that no member of a council be appointed to serve for more than three consecutive years.

§ 1603.4 Procedure for appointment of council.

At the formal request of the Board, to be made before January 14, 1976, the Governor may appoint a council for the State. Those council members who are attorneys admitted to practice in the State shall be appointed by the Governor after recommendations have been received from the State bar association. In making such appointments, it is recommended the Governor consult with other bar associations in the State, representatives of groups concerned with the interests of recipients, eligible clients and other interested groups. It is recommended that the Governor appoint attorneys who have interest in and knowledge of the delivery of quality legal services to the poor, and that the remaining members of the council, who are not attorneys, be selected after the Governor has consulted with representatives of groups concerned with the interests of eligible clients. It is recommended that the Governor seek recommendations from recipients in the State before appointing any members to the council. Sixty days prior to the expiration of a member’s term, the Governor shall notify those groups mentioned in this Section so that their recommendations may be solicited for purposes of appointment of a new member or reappointment of an incumbent member of the council.

§ 1603.5 Council purpose and duties.

(a) The purpose of the council shall be to notify the Corporation of any apparent violation as defined in § 1603.2(b) of this chapter.

(b) In fulfilling the purpose set forth in paragraph (a) of this section, the council shall forward any apparent violation to the Corporation. The Chairperson of the council shall inform the complainant, the Corporation and the recipient of any action taken on the complaint. Notification of an apparent violation forwarded by the council to the Corporation shall not necessarily constitute a position of the council concerning the apparent violation.

(c) These procedures are not exclusive. Complaints may be submitted to the Corporation, and complaints submitted to a council may be submitted to the Corporation without regard to council action. The Corporation shall inform the complainant, the council and the recipient of all action taken on the complaint.

§ 1603.6 Duties of Corporation upon receipt of notification of violation.

(a) Upon receipt of a notification of an apparent violation, the matters contained therein shall be investigated and resolved by the Corporation in accordance with the Act and rules and regulations issued thereunder.

(b) Upon receipt from a council of a notification of an apparent violation, the Corporation shall allow any recipient affected thereby a reasonable time (but in no case less than thirty days) to reply to any allegation contained in the notification.

(c) The Corporation shall inform the Chairperson of a council of the action,
§ 1603.7 Organization and procedural functioning of council.

(a) Within 30 days after the appointment of the council, and annually thereafter, the Governor shall send to the Secretary of the Corporation in Washington, DC, a list of the members of the council for the State that shall include the name, address and telephone number of each council member, and indicate which members are attorneys.

(b) It is recommended that the Governor appoint from among those named to the council a Chairperson of the council.

(c) It is recommended that each council establish at its first meeting such fair and reasonable procedures for its operation as it may deem necessary to carry out the purpose set forth in § 1603.5(a) of this chapter. The procedures for operation of the council shall include provisions for notifying the appropriate regional director of the Corporation of the time and place of any meeting of the council.

(d) It is recommended that a council meet at the call of the Chairperson thereof, or at the request to the Chairperson of at least four members thereof, at such times as may be necessary to carry out its duties, but at least annually.

§ 1603.8 Corporation support of council.

(a) The Corporation shall inform the Chairperson of each council of the funds available to the council from the Corporation for actual and reasonable expenses incurred by members of the council to pursue council business.

(b) It shall be the duty of the President of the Corporation to keep the Chairperson of each council informed of the work of the Corporation.

(c) The Secretary of the Corporation shall mail annually to each recipient the name and address of the Chairperson of the appropriate council and a form of notice indicating where complaints may be sent. The recipient shall post said name and address of the Chairperson and said notice in plain public view in each office of the recipient.

§ 1603.9 Annual report of council.

On or before March 31, 1977, and on or before March 31 of each succeeding year, a council shall submit to the Corporation a report of the activities of the council during the previous calendar year. The report may contain comments or suggestions regarding how best to provide high quality legal assistance to the poor, and regarding such other matters having to do with provision of legal services to eligible clients in the State as the council may deem advisable.

§ 1603.10 Multi-state recipients.

Where a recipient has offices in more than one State, the council of the State in which the apparent violation occurred has the responsibility for notifying the Corporation and the recipient at its local and administrative offices.

1604.1 Purpose.
1604.2 Definitions.

1604.5 Compensation.
1604.6 Use of recipient resources.

§ 1604.1 Purpose.

This part is intended to provide guidance to recipients in adopting written policies relating to the outside practice of law by recipients’ full-time attorneys. Under the standards set forth in this part, recipients are authorized, but not required, to permit attorneys, to the extent that such activities do not hinder fulfillment of their overriding responsibility to serve those eligible for assistance under the Act, to engage in pro bono legal assistance and comply with the reasonable demands made upon them as members of the Bar and as officers of the Court.
§ 1604.2 Definitions.

(a) **Full-time attorney** means an attorney who is employed full-time by a recipient in legal assistance activities supported in major part by the Corporation, and who is authorized to practice law in the jurisdiction where assistance is provided.

(b) **Outside practice of law** means the provision of legal assistance to a client who is not receiving that legal assistance from the employer of the full-time attorney rendering assistance, but does not include court appointments except where specifically stated or the performance of duties as a Judge Advocate General Corps attorney in the United States armed forces reserves.

(c) **Court appointment** means an appointment in a criminal or civil case made by a court or administrative agency under a statute, rule or practice applied generally to attorneys practicing in the court or before the administrative agency where the appointment is made.

§ 1604.3 General policy.

(a) A recipient shall adopt written policies governing the outside practice of law by full-time attorneys that are consistent with the LSC Act, this part and applicable rules of professional responsibility.

(b) A recipient’s policies may permit the outside practice of law by full-time attorneys only to the extent allowed by the LSC Act and this part, but may impose additional restrictions as necessary to meet the recipient’s responsibilities to clients.

§ 1604.4 Permissible outside practice.

A recipient’s written policies may permit a full-time attorney to engage in a specific case or matter that constitutes the outside practice of law if:

(a) The director of the recipient or the director’s designee determines that representation in such case or matter is consistent with the attorney’s responsibilities to the recipient’s clients;

(b) Except as provided in §1604.7, the attorney does not intentionally identify the case or matter with the Corporation or the recipient; and

(c) The attorney is—

(1) Newly employed and has a professional responsibility to close cases from a previous law practice, and does so on the attorney’s own time as expeditiously as possible; or

(2) Acting on behalf of him or herself, a close friend, family member or another member of the recipient’s staff; or

(3) Acting on behalf of a religious, community, or charitable group; or

(4) Participating in a voluntary pro bono or legal referral program affiliated with or sponsored by a bar association, other legal organization or religious, community or charitable group.

§ 1604.5 Compensation.

(a) Except as provided in paragraph (b) of this section and §1604.7(a), a recipient’s written policies shall not permit a full-time attorney to receive any compensation for the outside practice of law.

(b) A recipient’s written policies which permit a full-time attorney who meets the criteria set forth in §1604.4(c)(1) to engage in the outside practice of law shall permit full-time attorneys to seek and receive personal compensation for work performed pursuant to that section.

§ 1604.6 Use of recipient resources.

(a) For cases undertaken pursuant to §1604.4(c)(1), a recipient’s written policies may permit a full-time attorney to use limited amounts of the recipient’s resources for permissible outside practice if necessary to carry out the attorney’s professional responsibilities, as long as the recipient’s resources, whether funded with Corporation or private funds, are not used for any activities for which the use of such funds is prohibited.

(b) For cases undertaken pursuant to §1604.4(c) (2) through (4), a recipient’s written policies may permit a full-time attorney to use limited amounts of the recipient’s resources for permissible outside practice if necessary to carry out the attorney’s professional responsibilities, as long as the recipient’s resources, whether funded with Corporation or private funds are not used for any activities for which the use of such funds is prohibited.
§ 1604.7 Court appointments.

(a) A recipient’s written policies may permit a full-time attorney to accept a court appointment if the director of the recipient or the director’s designee determines that:

(1) Such an appointment is consistent with the recipient’s primary responsibility to provide legal assistance to eligible clients in civil matters;

(2) The appointment is made and the attorney will receive compensation for the court appointment under the same terms and conditions as are applied generally to attorneys practicing in the court where the appointment is made; and

(3) Subject to the applicable law and rules of professional responsibility, the attorney agrees to remit to the recipient any compensation received.

(b) A recipient’s written policies may permit a full-time attorney to use program resources to undertake representation pursuant to a court appointment.

(c) A recipient’s written policies may permit a full-time attorney to identify the recipient as his or her employer when engaged in representation pursuant to a court appointment.

(d) If, under the applicable State or local court rules or practices or rules of professional responsibility, legal services attorneys are mandated to provide pro bono legal assistance in addition to the attorneys’ work on behalf of the recipient’s clients, the recipient’s written policies shall treat such legal assistance in the same manner as court appointments under paragraphs (a)(1), (a)(3), (b) and (c) of this section, provided that the policies may only permit mandatory pro bono activities that are not otherwise prohibited by the LSC Act, applicable appropriations laws, or LSC regulation.

PART 1605—APPEALS ON BEHALF OF CLIENTS

Source: 41 FR 18513, May 5, 1976, unless otherwise noted.

§ 1605.1 Purpose.

This part is intended to promote efficient and effective use of Corporation funds. It does not apply to any case or matter in which assistance is not being rendered with funds provided under the Act.

§ 1605.2 Definition.

Appeal means any appellate proceeding in a civil action as defined by law or usage in the jurisdiction in which the action is filed.

§ 1605.3 Review of Appeals.

The governing body of a recipient shall adopt a policy and procedure for review of every appeal to an appellate court taken from a decision of any court or tribunal. The policy adopted shall

(a) Discourage frivolous appeals, and

(b) Give appropriate consideration to priorities in resource allocation adopted by the governing body, or required by the Act, or Regulations of the Corporation; but

(c) Shall not interfere with the professional responsibilities of an attorney to a client.
Legal Services Corporation

§ 1606.2 Definitions.

For the purposes of this part: Corporation, when used to refer to decisions by the Legal Services Corporation, means that those decisions are made by an individual acting with a seniority level at, or equivalent to, the level of an office director or higher.

Days shall mean the number of calendar days as determined by the rules for computing time in the Federal Rules of Civil Procedure, Rule 6, except that computation of business days shall exclude Saturdays, Sundays, and legal holidays (as defined in those rules).

Debarment means an action taken by the Corporation to exclude a recipient from receiving an additional award of financial assistance from the Corporation or from receiving additional LSC funds from another recipient of the Corporation pursuant to any other means, including a subgrant, subcontract or similar agreement, for the period of time stated in the final debarment decision.

Funding term means the maximum time period for an award or awards of financial assistance under section 1006(a)(1)(A) of the LSC Act provided by the Corporation to a recipient selected pursuant the competition requirements at 45 CFR part 1634. LSC may award grants or contracts for a period of the entire funding term or for shorter periods that may be renewed or extended up to the funding term.

Knowing and willful means that the recipient had actual knowledge that its action or lack thereof constituted a violation and despite such knowledge, undertook or failed to undertake the action, as the case may be.

Limited reduction of funding means a reduction of funding of less than five percent of a recipient’s current level of financial assistance imposed by the Corporation in accordance with the procedures and requirements of this part. A limited reduction of funding will affect only the recipient’s current year’s funding.

LSC requirements means the same as that term is defined in 45 CFR Part 1618.

Receipt of materials shall mean that the materials were sent to the normal address for physical mail, email, or fax
transmission, and there is reliable secondary confirmation of delivery. For physical delivery, confirmation may be provided through tracking information from the delivery service. For other forms of delivery, confirmation may be provided through a document such as a confirmation email or a fax sent from an authorized person at the recipient. Receipt of materials by the LSC recipient or the Corporation is sufficient for the running of applicable time periods. Proof of receipt by the Chair of the governing body is not necessary unless delivery to the recipient itself cannot be reasonably accomplished.

Recipient means the same as the term is defined in 45 CFR Part 1600.

Substantial noncompliance means either a substantial violation, as defined in this part, or a substantial failure, as indicated at §1606.3(a) of this part.

Substantial violation means a violation that merits action under this part based on consideration of the following criteria by the Corporation:

1. The number of restrictions or requirements violated;
2. Whether the violation represents an instance of noncompliance with a substantive statutory or regulatory restriction or requirement, rather than an instance of noncompliance with a non-substantive technical or procedural requirement;
3. The extent to which the violation is part of a pattern of noncompliance with LSC requirements or restrictions;
4. The extent to which the recipient failed to take action to cure the violation when it became aware of the violation; and
5. Whether the violation was knowing and willful.

Termination means that a recipient’s level of financial assistance under its grant or contract with the Corporation will be reduced in whole or in part in the amount of five percent or greater prior to the expiration of the funding term of a recipient’s current grant or contract. A partial termination will affect only the level of funding for the current grant year, unless the Corporation provides otherwise in the final decision.

Violation means a violation by the recipient of the LSC requirements.

§ 1606.3 Grounds for a termination or a limited reduction of funding.

(a) A grant or contract may be terminated in whole or in part when:

1. There has been a substantial violation by the recipient, and the violation occurred less than 5 years prior to the date the recipient receives a preliminary determination pursuant to §1606.6(a) of this part; or
2. There has been a substantial failure by the recipient to provide high quality, economical, and effective legal assistance, as measured by generally accepted professional standards, the provisions of the LSC Act or LSC appropriations, or a rule, regulation, including 45 CFR 1634.9(a)(2), or guidelines or instructions issued by the Corporation.

(b) The Corporation may impose a limited reduction of funding when the Corporation determines that there has been a substantial violation by the recipient but that termination of the recipient’s grant, in whole or in part, is not warranted, and the violation occurred less than 5 years prior to the date the recipient receives a preliminary determination pursuant to §1606.6(a) of this part.

(c) A determination of whether there has been a substantial violation for the purposes of this part, and the magnitude of any termination, in whole or in part, or any limited reduction in funding, shall be based on consideration of the criteria set forth in the definition of “substantial violation” in §1606.2 of this part.

§ 1606.4 Grounds for debarment.

(a) The Corporation may debar a recipient, on a showing of good cause, from receiving an additional award of financial assistance from the Corporation.

(b) As used in paragraph (a) of this section, “good cause” means:

1. A termination of financial assistance to the recipient pursuant to part 1640 of this chapter;
2. A termination of financial assistance in whole of the most recent grant or contract of financial assistance;
3. The substantial violation by the recipient of the restrictions delineated in §1608.2(a) and (b) of this chapter, provided that the violation occurred...
within 5 years prior to the receipt of the debarment notice by the recipient;

(4) Knowing entry by the recipient into:

(i) Any agreement or arrangement, including, but not limited to, a subgrant, subcontract, or other similar agreement, with an entity debarred by the Corporation during the period of debarment if so precluded by the terms of the debarment; or

(ii) An agreement for professional services with an independent public accountant or other auditor debarred by the Corporation during the period of debarment if so precluded by the terms of the debarment;

(5) The filing of a lawsuit by a recipient, provided that the lawsuit:

(i) Was filed on behalf of the recipient as plaintiff, rather than on behalf of a client of the recipient;

(ii) Named the Corporation, or any agency or employee of a Federal, State, or local government as a defendant;

(iii) Seeks judicial review of an action by the Corporation or such government agency that affects the recipient's status as a recipient of Federal funding, except for a lawsuit that seeks review of whether the Corporation or agency acted outside of its statutory authority or violated the recipient's constitutional rights; and

§ 1606.5 Procedures.

(a) Before any final action is taken under this part, the recipient will be provided notice and an opportunity to be heard as set out in this part.

(b) Prior to a preliminary determination involving a limited reduction of funding, the Corporation shall designate either the President or another senior Corporation employee to conduct any final review that is requested pursuant to §1606.10 of this part. The Corporation shall ensure that the person so designated has had no prior involvement in the proceedings under this part so as to meet the criterion set out in §1606.10(d) of this part.

§ 1606.6 Preliminary determination and final decision.

(a) When the Corporation has made a preliminary determination of one or more of the following, the Corporation shall issue a written notice to the recipient and the Chair of the recipient's governing body: that a recipient's grant or contract should be terminated, that a limited reduction of funding shall be imposed, or that a recipient should be debarred. The notice shall:

(1) State the substantial noncompliance that constitutes the grounds for the proposed action;

(2) Identify, with reasonable specificity, any facts or documents relied upon as justification for the proposed action;

(3) Inform the recipient of the proposed amount and proposed effective date for the proposed action;

(4) Advise the recipient of its procedural rights for review of the proposed action under this part;

(5) Inform the recipient of its right to receive interim funding pursuant to §1606.13 of this part;

(6) Specify what, if any, corrective action the recipient can take to avoid the proposed action; and

(7) Summarize prior attempts, if any, for resolution of the substantial noncompliance.

(b) If the recipient does not request review, as provided for in this part, before the relevant time limits have expired, then the Corporation may issue a final decision to the recipient. No further appeal or review will be available under this part.

§ 1606.7 Corrective action, informal conference, review of written materials, and final decision.

(a) If the Corporation proposes a corrective action in the preliminary determination pursuant to §1606.6(a)(6) of this part, then the recipient may accept and implement the corrective action, in lieu of an informal conference or submission of written materials under this section, subject to the following requirements:

(1) Within 10 business days of receipt of the preliminary determination, the recipient may submit a draft compliance agreement to accept the terms of
§ 1606.8

the proposed corrective action, which must include an implementation plan and timeline;

(2) If the Corporation approves the draft compliance agreement, including any modifications suggested by the recipient or the Corporation, then it shall be memorialized in a final compliance agreement signed by the Corporation and the recipient, which shall stay these proceedings;

(3) If the recipient completes the terms of the written compliance agreement in a time and manner that is satisfactory to the Corporation, then the Corporation shall withdraw the preliminary determination; and

(4) If the Corporation determines at any time that the recipient has not presented an acceptable draft compliance agreement, or has not fulfilled any terms of the final compliance agreement, then the Corporation shall notify the recipient in writing. Within 15 calendar days of that notice, the Corporation shall modify or affirm the preliminary determination as a draft final decision. The draft final decision shall summarize these attempts at resolution. The draft final decision need not engage in a detailed analysis of the failure to resolve the substantial noncompliance.

(b) A recipient may submit written materials in opposition to the preliminary determination, request an informal conference, or both, as follows:

(1) For terminations or debarments, within 30 calendar days of receipt of the preliminary determination; or

(2) For limited reductions in funding, within 10 business days of receipt of the preliminary determination.

(c) Within 5 business days of receipt of a request for a conference, the Corporation shall notify the recipient of the time and place the conference will be held. Some or all of the participants in the conference may attend via telephone, unless the recipient requests an in-person meeting between the Corporation and at least one representative of the recipient. If the recipient requests an in-person meeting, then other participants may attend via telephone. Alternative means of participation other than the telephone are permissible at the sole discretion of the Corporation.

(d) The informal conference shall be conducted by the Corporation employee who issued the preliminary determination or any other Corporation employee with a seniority level equivalent to the level of an office director or higher.

(e) At the informal conference, the Corporation and the recipient shall both have an opportunity to state their case, seek to narrow the issues, explore the possibilities of settlement or compromise including implementation of corrective actions, and submit written materials.

(f) If an informal conference is conducted or written materials are submitted in opposition to the proposed determination by the recipient, or both, the Corporation shall consider any written materials and any oral presentation or written materials submitted by the recipient at an informal conference. Based on any of these materials or the informal conference, or both, the Corporation shall modify, withdraw, or affirm the preliminary determination through a draft final decision in writing, which shall be provided to the recipient within the later of 15 calendar days after the conclusion of the informal conference or after the recipient of written materials in opposition to the proposed determination (when no informal conference is requested). Except for decisions to withdraw the preliminary determination, the draft final decision shall include a summary of the issues raised in the informal conference and presented in any written materials. The draft final decision need not engage in a detailed analysis of all issues raised.

(g) If the recipient does not request further process, as provided for in this part, then, after the relevant time limits have expired, the Corporation shall notify the recipient that no further appeal or review will be available under this part and may proceed to issue the final decision.

§ 1606.8 Hearing for a termination or debarment.

(a) For terminations or debarments only, the recipient may make a written request for a hearing within the later of: 30 calendar days of its receipt of the
(b) Within 10 business days after receipt of a request for a hearing, the Corporation shall notify the recipient in writing of the date, time, and place of the hearing and the names of the hearing officer and of the attorney who will represent the Corporation. The time, date, and location of the hearing may be changed upon agreement of the Corporation and the recipient.

(c) A hearing officer shall be appointed by the President or designee and may be an employee of the Corporation. The hearing officer shall not have been involved in the current termination or debarment action, and the President or designee shall determine that the person is qualified to preside over the hearing as an impartial decision maker. An impartial decision maker is a person who has not formed a prejudgment on the case and does not have a pecuniary interest or personal bias in the outcome of the proceeding.

(d) The hearing shall be scheduled to commence at the earliest appropriate date, ordinarily not later than 30 calendar days after the Corporation receives the notice required by paragraph (b) of this section.

(e) The hearing officer shall preside over and conduct a full and fair hearing, avoid delay, maintain order, and insure that a record sufficient for full disclosure of the facts and issues is maintained.

(f) The hearing shall be open to the public unless, for good cause and the interests of justice, the hearing officer determines otherwise.

(g) The Corporation and the recipient shall be entitled to be represented by counsel or by another person.

(h) At the hearing, the Corporation and the recipient each may present its case by oral or documentary evidence, conduct examination and cross-examination of witnesses, examine any documents submitted, and submit rebuttal evidence.

(i) The hearing officer shall not be bound by the technical rules of evidence and may make any procedural or evidentiary ruling that may help to insure full disclosure of the facts, to maintain order, or to avoid delay. Irrelevant, immaterial, repetitious or unduly prejudicial matter may be excluded.

(j) Official notice may be taken of published policies, rules, regulations, guidelines, and instructions of the Corporation, of any matter of which judicial notice may be taken in a Federal court, or of any other matter whose existence, authenticity, or accuracy is not open to serious question.

(k) A stenographic or electronic record shall be made in a manner determined by the hearing officer, and a copy shall be made available to the recipient at no cost.

(l) The Corporation shall have the initial burden to show grounds for a termination or debarment. The burden of persuasion shall then shift to the recipient to show by a preponderance of evidence on the record that its funds should not be terminated or that it should not be debarred.

§ 1606.9 Recommended decision for a termination or debarment.

(a) For termination or debarment hearings under §1606.8 of this part, within 20 calendar days after the conclusion of the hearing, the hearing officer shall issue a written recommended decision to the recipient and the Corporation, which may:

(1) Terminate financial assistance to the recipient commencing as of a specific date;

(2) Impose a limited reduction of funding commencing as of a specific date;

(3) Continue the recipient’s current level of financial assistance under the grant or contract, subject to any modification or condition that may be deemed necessary on the basis of information adduced at the hearing; or

(4) Debar the recipient from receiving an additional award of financial assistance from the Corporation.

(b) The recommended decision shall contain findings of the significant and relevant facts and shall state the reasons for the decision. Findings of fact shall be based solely on the record of, and the evidence adduced at the hearing or on matters of which official notice was taken.
§ 1606.10 Final decision for a termination, debarment, or limited reduction of funding.

(a) If neither the Corporation nor the recipient requests review by the President of a draft final decision pursuant to §1606.7 of this part or a recommended decision pursuant to §1606.9, as provided for in this part, within 10 business days after receipt by the recipient, then the Corporation shall issue to the recipient a final decision containing either the draft final decision or the recommended decision, as the case may be. No further appeal or review will be available under this part.

(b) The recipient or the Corporation may seek review by the President of a draft final decision or a recommended decision. A request shall be made in writing within 10 business days after receipt of the draft final decision or recommended decision by the party seeking review and shall state in detail the reasons for seeking review.

(c) The President’s review shall be based solely on the administrative record of the proceedings, including the appeal to the President, and any additional submissions, either oral or in writing, that the President may request. A recipient shall be given a copy of, and an opportunity to respond to, any additional submissions made to the President. All submissions and responses made to the President shall become part of the administrative record. Upon request, the Corporation shall provide a copy of the administrative record to the recipient.

(d) For an appeal of a draft final decision involving a limited reduction of funding pursuant to §1606.7 of this part (for which there is no right to a hearing under §1606.8 of this part) the President may not review the appeal if the President has had prior involvement in the proceedings under this part. If the President cannot review the appeal, or the President chooses not to do so, then the appeal shall be reviewed by either the individual designated to do so pursuant to §1606.5(b) of this part, or by another senior Corporation employee designated by the President who has not had prior involvement in the proceedings under this part.

(e) As soon as practicable after receipt of the request for review of a draft final decision or a recommended decision, but not later than 30 calendar days thereafter, the President or designee shall adopt, modify, or reverse the draft final decision or the recommended decision, or direct further consideration of the matter. In the event of modification or reversal of a recommended decision pursuant to §1606.9 of this part, this decision shall conform to the requirements of §1606.5(b) of this part.

(f) The decision of the President or designee under this section shall become final upon receipt by the recipient.

§ 1606.11 Qualifications on hearing procedures.

(a) Except as modified by paragraph (c) of this section, the hearing rights set out in §§1606.6 through 1606.10 of this part shall apply to any action to debar a recipient or to terminate a recipient’s funding.

(b) The Corporation may simultaneously take action to debar and terminate a recipient within the same hearing procedure that is set out in §§1606.6 through 1606.10 of this part. In such a case, the same hearing officer shall oversee both the termination and debarment actions in the same hearing.

(c) If the Corporation does not simultaneously take action to debar and terminate a recipient under paragraph (b) of this section and initiates a debarment action based on a prior termination under §1606.4(b)(1) or (2), the hearing procedures set out in §1606.6 through 1606.10 of this part shall not apply. Instead:

(1) The President shall appoint a hearing officer, as described in §1606.8(c), to review the matter and make a written recommended decision on debarment. The hearing officer’s recommended decision shall be based solely on the information in the administrative record of the termination proceedings providing grounds for the debarment and any additional submissions, either oral or in writing, that the hearing officer may request. The recipient shall be given a copy of and
an opportunity to respond to any additional submissions made to the hearing officer. All submissions and responses made to the hearing officer shall become part of the administrative record.

(3) If neither party appeals the hearing officer's recommended decision within 10 business days of receipt of the recommended decision, the decision shall become final and the final decision shall be issued by the Corporation to the recipient within 5 business days.

(4) Either party may appeal the recommended decision to the President who shall review the matter and issue a final written decision pursuant to §1606.9(b).

(d) All final debarment decisions shall state the effective date of the debarment and the period of debarment, which shall be commensurate with the seriousness of the cause for debarment but shall not be for longer than 6 years.

(e) The Corporation may reverse a debarment decision upon request for the following reasons:

(1) Newly discovered material evidence;
(2) Reversal of the conviction or civil judgment upon which the debarment was based;
(3) Bona fide change in ownership or management of a recipient;
(4) Elimination of other causes for which the debarment was imposed; or
(5) Other reasons the Corporation deems appropriate.

§1606.12 Time and waiver.

(a) Except for the 6-year time limit for debarments in §1606.11(d) of this part, any period of time provided in these rules may, upon good cause shown and determined, be extended in writing:

(1) By the Corporation, unless a hearing officer has been appointed;
(2) By the hearing officer, until the recommended decision has been issued; or
(3) By the President at any time.

(b) Failure by the Corporation to meet a time requirement of this part does not preclude the Corporation from terminating a recipient's grant or contract with the Corporation or imposing a limited reduction of funding.

§1606.13 Interim and other funding, reprogramming, implementation.

(a) Pending the completion of termination or limited reduction of funding proceedings under this part, the Corporation shall provide the recipient with the level of financial assistance provided for under its current grant or contract for financial assistance with the Corporation.

(b) After a final decision has been made to terminate a recipient's grant or contract or to impose a limited reduction of funding, the recipient loses all rights to the terminated or reduced funds.

(c) After a final decision has been made to terminate a recipient's grant or contract, the Corporation may authorize closeout or transition funding, or both, if necessary to enable the recipient to close or transfer current matters in a manner consistent with the recipient's professional responsibilities to its present clients.

(d) The Corporation has sole discretion to determine the manner in which the final decision is implemented. The Corporation's discretion includes, but is not limited to the decision to prorate the amount of funds reduced over the remaining disbursements in the funding term or deduct the sum in a single disbursement, or any other method the Corporation deems appropriate.

(e) Funds recovered by the Corporation pursuant to a termination or limited reduction of funding shall be reallocated by the Corporation for basic field purposes at its sole discretion.

§1606.14 Recompetition.

After a final decision has been issued by the Corporation terminating financial assistance to a recipient in whole for any service area, the Corporation shall implement a new competitive bidding process for the affected service area. Until a new recipient has been awarded a grant pursuant to such process, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in the service area pursuant to §1634.11 of this part.
PART 1607—GOVERNING BODIES

1607.1 Purpose.
This part is designed to insure that the governing body of a recipient will be well qualified to guide a recipient in its efforts to provide high-quality legal assistance to those who otherwise would be unable to obtain adequate legal counsel and to insure that the recipient is accountable to its clients.

1607.2 Definitions.
(a) Attorney member means a board member who is an attorney admitted to practice in a State within the recipient’s service area.
(b) Board member means a member of a recipient’s governing body or policy body.
(c) Eligible client member means a board member who is financially eligible to receive legal assistance under the Act and part 1611 of this chapter at the time of appointment to each term of office to the recipient’s governing body, without regard to whether the person actually has received or is receiving legal assistance at that time. Eligibility of client members shall be determined by the recipient or, if the recipient so chooses, by the appointing organization(s) or group(s) in accordance with written policies adopted by the recipient.
(d) Governing body means the board of directors or other body with authority to govern the activities of a recipient receiving funds under §1006(a)(1)(A) of the Act.
(e) Policy body means a policy board or other body established by a recipient to formulate and enforce policy with respect to the services provided under a grant or contract made under the Act.

1607.3 Composition.
(a) A recipient shall be incorporated in a State in which it provides legal assistance and shall have a governing body which reasonably reflects the interests of the eligible clients in the area served and which consists of members, each of whom is supportive of the purposes of the Act and has an interest in, and knowledge of, the delivery of quality legal services to the poor.
(b) At least sixty percent (60%) of a governing body shall be attorney members.
(1) A majority of the members of the governing body shall be attorney members appointed by the governing body(ies) of one or more State, county or municipal bar associations, the membership of which represents a majority of attorneys practicing law in the localities in which the recipient provides legal assistance.
(i) Appointments may be made either by the bar association which represents a majority of attorneys in the recipient’s service area or by bar associations which collectively represent a majority of the attorneys practicing law in the recipient’s service area.
(ii) Recipients that provide legal assistance in more than one State may provide that appointments of attorney members be made by the appropriate bar association(s) in the State(s) or locality(ies) in which the recipient’s principal office is located or in which the recipient provides legal assistance.
(2) Any additional attorney members may be selected by the recipient’s governing body or may be appointed by other organizations designated by the recipient which have an interest in the delivery of legal services to the poor.
(3) Appointments shall be made so as to insure that the attorney members reasonably reflect the diversity of the legal community and the population of the areas served by the recipient, including race, ethnicity, gender and other similar factors.
(c) At least one-third of the members of a recipient’s governing body shall be eligible clients when appointed. The
members who are eligible clients shall be appointed by a variety of appropriate groups designated by the recipient that may include, but are not limited to, client and neighborhood associations and community-based organizations which advocate for or deliver services or resources to the client community served by the recipient. Recipients shall designate groups in a manner that reflects, to the extent possible, the variety of interests within the client community, and eligible client members should be selected so that they reasonably reflect the diversity of the eligible client population served by the recipient, including race, gender, ethnicity and other similar factors.

(d) The remaining members of a governing body may be appointed by the recipient’s governing body or selected in a manner described in the recipient’s bylaws or policies, and the appointment or selection shall be made so that the governing body as a whole reasonably reflects the diversity of the areas served by the recipient, including race, ethnicity, gender and other similar factors.

(e) The nonattorney members of a governing body shall not be dominated by persons serving as the representatives of a single association, group or organization, except that eligible client members may be selected from client organizations that are composed of coalitions of numerous smaller or regionally based client groups.

(f) Members of a governing body may be selected by appointment, election, or other means consistent with this part and with the recipient’s bylaws and applicable State law.

(g) Recipients shall make reasonable and good faith efforts to insure that governing body vacancies are filled as promptly as possible.

(h) Recipients may recommend candidates for governing body membership to the appropriate bar associations and other appointing groups and should consult with the appointing organizations to insure that:

(1) Appointees meet the criteria for board membership set out in this part, including financial eligibility for persons appointed as eligible clients, bar admittance requirements for attorney board members, and the general requirements that all members be supportive of the purposes of the Act and have an interest in and knowledge of the delivery of legal services to the poor;

(2) The particular categories of board membership and the board as a whole meet the diversity requirements described in §§1607.3(b)(3), 1607.3(c) and 1607.3(d);

(3) Appointees do not have actual and significant individual or institutional conflicts of interest with the recipient or the recipient’s client community that could reasonably be expected to influence their ability to exercise independent judgment as members of the recipient’s governing body.

§1607.5 Compensation.

(a) While serving on the governing body of a recipient, no attorney member shall receive compensation from that recipient, but any member may receive a reasonable per diem expense payment or reimbursement for actual expenses for normal travel and other
reasonable out-of-pocket expenses in accordance with written policies adopted by the recipient.

(b) Pursuant to a waiver granted under §1607.6(b)(1), a recipient may adopt policies that would permit partners or associates of attorney members to participate in any compensated private attorney involvement activities supported by the recipient.

(c) A recipient may adopt policies that permit attorney members, subject to terms and conditions applicable to other attorneys in the service area:

(1) To accept referrals of fee-generating cases under part 1609 of these regulations;
(2) To participate in any uncompensated private attorney involvement activities supported by the recipient;
(3) To seek and accept attorneys’ fees awarded by a court or administrative body or included in a settlement in cases undertaken pursuant to §§1607.5(c) (1) and (2); and
(4) To receive reimbursement from the recipient for out-of-pocket expenses incurred by the attorney member as part of the activities undertaken pursuant to §1607.5(c)(2).

§ 1607.6 Waiver.

(a) Upon application, the president shall waive the requirements of this part to permit a recipient that was funded under §222(a)(3) of the Economic Opportunity Act of 1964 and, on July 25, 1974, had a majority of persons who were not attorneys on its governing body, to continue such nonattorney majority.

(b) Upon application, the president may waive any of the requirements of this part which are not mandated by applicable law if a recipient demonstrates that it cannot comply with them because of: (1) The nature of the population, legal community or area served; or (2) Special circumstances, including but not limited to, conflicting requirements of the recipient’s other major funding source(s) or State law.

(c) A recipient seeking a waiver under §1607.6(b)(1) shall demonstrate that it has made diligent efforts to comply with the requirements of this part.

(d) As a condition of granting a waiver under §1607.6(b)(2) of any of the requirements imposed upon governing bodies by §1607.3, the president shall require that a recipient have a policy body with a membership composed and appointed in the manner prescribed by §1607.3. Such policy body shall be subject to the meeting requirements of §1607.4(a) and its attorney members shall be subject to the restrictions on compensation contained in §1607.5. The policy body shall have such specific powers and responsibilities as the President determines are necessary to enable it to formulate and enforce policy with respect to the services provided under the recipient’s LSC grant or contract.

PART 1608—PROHIBITED POLITICAL ACTIVITIES

§ 1608.1 Purpose.

This part is designed to insure that the Corporation’s resources will be used to provide high quality legal assistance and not to support or promote political activities or interests. The part should be construed and applied so as to further this purpose without infringing upon the constitutional rights of employees or the professional responsibilities of attorneys to their clients.
§ 1608.2 Definition.

§ 1608.8 Enforcement.

This part shall be enforced according to the procedures set forth in §1612.5.

(b) To assist eligible clients to obtain appropriate and effective legal assistance.
§ 1609.2 Definition.

(b) Fee-generating case does not include a case where:

1. A court appoints a recipient or an employee of a recipient to provide representation in a case pursuant to a statute or a court rule or practice equally applicable to all attorneys in the jurisdiction, or

2. A recipient undertakes representation under a contract with a government agency or other entity.

§ 1609.3 General requirements.

(a) Except as provided in paragraph (b) of this section, a recipient may not use Corporation funds to provide legal assistance in a fee-generating case unless:

1. The case has been rejected by the local lawyer referral service, or by two private attorneys; or

2. Neither the referral service nor two private attorneys will consider the case without payment of a consultation fee.

(b) A recipient may provide legal assistance in a fee-generating case without first attempting to refer the case pursuant to paragraph (a) of this section only when:

2. The recipient, after consultation with appropriate representatives of the private bar, has determined that the type of case is one that private attorneys in the area served by the recipient ordinarily do not accept, or do not accept without prepayment of a fee; or

3. The director of the recipient, or the director’s designee, has determined that referral of the case to the private bar is not possible because:

(i) Documented attempts to refer similar cases in the past generally have been futile;

(ii) Emergency circumstances compel immediate action before referral can be made, but the client is advised that, if appropriate, and consistent with professional responsibility, referral will be attempted at a later time; or

(iii) Recovery of damages is not the principal object of the recipient’s client’s case and substantial statutory attorneys’ fees are not likely to be available.

§ 1609.4 Accounting for and use of attorneys’ fees.

(a) Attorneys’ fees received by a recipient for representation supported in whole or in part with funds provided by the Corporation shall be allocated to the fund in which the recipient’s LSC grant is recorded in the same proportion that the amount of Corporation funds expended bears to the total amount expended by the recipient to support the representation.

(b) Attorneys’ fees received shall be recorded during the accounting period in which the money from the fee award is actually received by the recipient and may be expended for any purpose permitted by the LSC Act, regulations and other law applicable at the time the money is received.

[75 FR 6818, Feb. 11, 2010]

§ 1609.5 Acceptance of reimbursement from a client.

(a) When a case results in recovery of damages or statutory benefits, a recipient may accept reimbursement from the client for out-of-pocket costs and expenses incurred in connection with the case, if the client has agreed in writing to reimburse the recipient for such costs and expenses out of any such recovery.

(b) A recipient may require a client to pay court costs when the client does not qualify to proceed in forma pauperis under the rules of the jurisdiction.

§ 1611.1 Purpose.

This part sets forth requirements relating to the financial eligibility of individual applicants for legal assistance supported with LSC funds and recipients’ responsibilities in making financial eligibility determinations. This part is not intended to and does not create any entitlement to service for persons deemed financially eligible.
This part also seeks to ensure that financial eligibility is determined in a manner conducive to development of an effective attorney-client relationship. In addition, this part sets forth standards relating to the eligibility of groups for legal assistance supported with LSC funds. Finally, this part sets forth requirements relating to recipients' responsibilities in executing retainer agreements with clients.

§ 1611.2 Definitions.

(a) “Advice and counsel” means legal assistance that is limited to the review of information relevant to the client's legal problem(s) and counseling the client on the relevant law and/or suggested course of action. Advice and counsel does not encompass drafting of documents or making third-party contacts on behalf of the client.

(b) “Applicable rules of professional responsibility” means the rules of ethics and professional responsibility generally applicable to attorneys in the jurisdiction where the recipient provides legal services.

(c) “Applicant” means an individual who is seeking legal assistance supported with LSC funds from a recipient. The term does not include a group, corporation or association.

(d) “Assets” means cash or other resources of the applicant or members of the applicant’s household that are readily convertible to cash, which are currently and actually available to the applicant.

(e) “Brief services” means legal assistance in which the recipient undertakes to provide a discrete and time-limited service to a client beyond advice and consultation, including but not limited to activities, such as the drafting of documents or making limited third party contacts on behalf of a client.

(f) “Extended service” means legal assistance characterized by the performance of multiple tasks incident to continuous representation. Examples of extended service would include representation of a client in litigation, an administrative adjudicative proceeding, alternative dispute resolution proceeding, extended negotiations with a third party, or other legal representation in which the recipient undertakes responsibility for protecting or advancing a client’s interest beyond advice and counsel or brief services.

(g) “Governmental program for low income individuals or families” means any Federal, State or local program that provides benefits of any kind to persons whose eligibility is determined on the basis of financial need.

(h) “Governmental program for persons with disabilities” means any Federal, State or local program that provides benefits of any kind to persons whose eligibility is determined on the basis of mental and/or physical disability.

(i) “Income” means actual current annual total cash receipts before taxes of all persons who are resident members and contribute to the support of an applicant’s household, as that term is defined by the recipient. Total cash receipts include, but are not limited to, wages and salaries before any deduction; income from self-employment after deductions for business or farm expenses; regular payments from governmental programs for low income persons or persons with disabilities; social security payments; unemployment and worker’s compensation payments; strike benefits from union funds; veterans benefits; training stipends; alimony; child support payments; military family allotments; public or private employee pension benefits; regular insurance or annuity payments; income from dividends, interest, rents, royalties or from estates and trusts; and other regular or recurring sources of financial support that are currently and actually available to the applicant. Total cash receipts do not include the value of food or rent received by the applicant in lieu of wages; money withdrawn from a bank; tax refunds; gifts; compensation and/or one-time insurance payments for injuries sustained; non-cash benefits; and up to $2,000 per year of funds received by individual Native Americans that is derived from Indian trust income or other distributions exempt by statute.

§ 1611.3 Financial eligibility policies.

(a) The governing body of a recipient shall adopt policies consistent with this part for determining the financial eligibility of applicants and groups.
The governing body shall review its financial eligibility policies at least once every three years and make adjustments as necessary. The recipient shall implement procedures consistent with its policies.

(b) As part of its financial eligibility policies, every recipient shall specify that only individuals and groups determined to be financially eligible under the recipient’s financial eligibility policies and LSC regulations may receive legal assistance supported with LSC funds.

(c)(1) As part of its financial eligibility policies, every recipient shall establish annual income ceilings for individuals and households, which may not exceed one hundred and twenty-five percent (125%) of the current official Federal Poverty Guidelines amounts. The Corporation shall annually calculate 125% of the Federal Poverty Guidelines amounts and publish such calculations in the Federal Register as a revision to Appendix A to this part.

(2) As part of its financial eligibility policies, a recipient may adopt authorized exceptions to its annual income ceilings consistent with §1611.5.

(d)(1) As part of its financial eligibility policies, every recipient shall establish reasonable asset ceilings for individuals and households. In establishing asset ceilings, the recipient may exclude consideration of a household’s principal residence, vehicles used for transportation, assets used in producing income, and other assets which are exempt from attachment under State or Federal law.

(2) The recipient’s policies may provide authority for waiver of its asset ceilings for specific applicants under unusual circumstances and when approved by the recipient’s Executive Director, or his/her designee. When the asset ceiling is waived, the recipient shall record the reasons for such waiver and shall keep such records as are necessary to inform the Corporation of the reasons for such waiver.

(e) Notwithstanding any other provision of this part, or other provision of the recipient’s financial eligibility policies, every recipient shall specify as part of its financial eligibility policies that in assessing the income or assets of an applicant who is a victim of domestic violence, the recipient shall consider only the assets and income of the applicant and members of the applicant’s household other than those of the alleged perpetrator of the domestic violence and shall not include any assets held by the alleged perpetrator of the domestic violence, jointly held by the applicant with the alleged perpetrator of the domestic violence, or assets jointly held by any member of the applicant’s household with the alleged perpetrator of the domestic violence.

(f) As part of its financial eligibility policies, a recipient may adopt policies that permit financial eligibility to be established by reference to an applicant’s receipt of benefits from a governmental program for low-income individuals or families consistent with §1611.4(c).

(g) Before establishing its financial eligibility policies, a recipient shall consider the cost of living in the service area or locality and other relevant factors, including but not limited to:

(1) The number of clients who can be served by the resources of the recipient;

(2) The population that would be eligible at and below alternative income and asset ceilings; and

(3) The availability and cost of legal services provided by the private bar and other free or low cost legal services providers in the area.

§1611.4 Financial eligibility for legal assistance.

(a) A recipient may provide legal assistance supported with LSC funds only to individuals whom the recipient has determined to be financially eligible for such assistance. Nothing in this part, however, prohibits a recipient from providing legal assistance to an individual without regard to that individual’s income and assets if the legal assistance is wholly supported by funds from a source other than LSC, and is otherwise permissible under applicable law and regulation.

(b) Consistent with the recipient’s financial eligibility policies and this part, the recipient may determine an applicant to be financially eligible for
§ 1611.5 Authorized exceptions to the annual income ceiling.

(a) Consistent with the recipient’s policies and this part, a recipient may determine an applicant whose income exceeds the recipient’s applicable annual income ceiling to be financially eligible if the applicant’s assets do not exceed the recipient’s applicable asset ceiling established pursuant to §1611.3(d)(1), or the asset ceiling has been waived pursuant to §1611.3(d)(2), and:

(1) The applicant’s income is at or below the recipient’s applicable annual income ceiling; or

(2) The applicant’s income exceeds the recipient’s applicable annual income ceiling but one or more of the authorized exceptions to the annual income ceilings, as provided in §1611.5, applies.

(c) Consistent with the recipient’s policies, a recipient may determine an applicant to be financially eligible without making an independent determination of income or assets, if the applicant’s income is derived solely from a governmental program for low-income individuals or families, provided that the recipient’s governing body has determined that the income standards of the governmental program are at or below 125% of the Federal Poverty Guidelines amounts and that the governmental program has eligibility standards which include an assets test.

§ 1611.6 Representation of groups.

(a) A recipient may provide legal assistance to a group, corporation, association or other entity if it provides information showing that it lacks, and has no practical means of obtaining, funds to retain private counsel and either:

(1) The applicant’s income is at or below the recipient’s applicable annual income ceiling; or

(2) The applicant’s income exceeds the recipient’s applicable annual income ceiling but one or more of the authorized exceptions to the annual income ceilings, as provided in §1611.5, applies.

(c) Consistent with the recipient’s policies, a recipient may determine an applicant to be financially eligible without making an independent determination of income or assets, if the applicant’s income is derived solely from a governmental program for low-income individuals or families, provided that the recipient’s governing body has determined that the income standards of the governmental program are at or below 125% of the Federal Poverty Guidelines amounts and that the governmental program has eligibility standards which include an assets test.

§ 1611.5 Authorized exceptions to the annual income ceiling.

(a) Consistent with the recipient’s policies and this part, a recipient may determine an applicant whose income exceeds the recipient’s applicable annual income ceiling to be financially eligible if the applicant’s assets do not exceed the recipient’s applicable asset ceiling established pursuant to §1611.3(d), or the asset ceiling has been waived pursuant to §1611.3(d)(2), and:

(1) The applicant’s income is at or below the recipient’s applicable annual income ceiling; or

(2) The applicant’s income exceeds the recipient’s applicable annual income ceiling but one or more of the authorized exceptions to the annual income ceilings, as provided in §1611.5, applies.

(c) Consistent with the recipient’s policies, a recipient may determine an applicant to be financially eligible without making an independent determination of income or assets, if the applicant’s income is derived solely from a governmental program for low-income individuals or families, provided that the recipient’s governing body has determined that the income standards of the governmental program are at or below 125% of the Federal Poverty Guidelines amounts and that the governmental program has eligibility standards which include an assets test.

§ 1611.6 Representation of groups.

(a) A recipient may provide legal assistance to a group, corporation, association or other entity if it provides information showing that it lacks, and has no practical means of obtaining, funds to retain private counsel and either:

(1) The applicant’s income is at or below the recipient’s applicable annual income ceiling; or

(2) The applicant’s income exceeds the recipient’s applicable annual income ceiling but one or more of the authorized exceptions to the annual income ceilings, as provided in §1611.5, applies.

(c) Consistent with the recipient’s policies, a recipient may determine an applicant to be financially eligible without making an independent determination of income or assets, if the applicant’s income is derived solely from a governmental program for low-income individuals or families, provided that the recipient’s governing body has determined that the income standards of the governmental program are at or below 125% of the Federal Poverty Guidelines amounts and that the governmental program has eligibility standards which include an assets test.

(2) The group has as a principal activity the delivery of services to those persons in the community who would be financially eligible for LSC-funded legal assistance and the legal assistance sought relates to such activity.

(b)(1) In order to make a determination that a group, corporation, association or other entity is eligible for legal services as required by paragraph (a) of this section, a recipient shall consider the resources available to the group, such as the group's income and income prospects, assets and obligations and either:

(i) For a group primarily composed of individuals who would be financially eligible for LSC-funded legal assistance, whether the financial or other socioeconomic characteristics of the persons comprising the group are consistent with those of persons who are financially eligible for LSC-funded legal assistance; or

(b)(2) A recipient shall adopt simple intake forms and procedures to obtain information from applicants and groups to determine financial eligibility in a manner that promotes the development of trust between attorney and client. The forms shall be preserved by the recipient.

(c) If there is substantial reason to doubt the accuracy of the financial eligibility information provided by an applicant or group, a recipient shall make appropriate inquiry to verify the information, in a manner consistent with the attorney-client relationship.

(d) When one recipient has determined that a client is financially eligible for service in a particular case or matter, that recipient may request another recipient to extend legal assistance or undertake representation on behalf of that client in the same case or matter in reliance upon the initial financial eligibility determination. In such cases, the receiving recipient is not required to review or redetermine the client's financial eligibility unless there is a change in financial eligibility status as described in §1611.8 or there is substantial reason to doubt the validity of the original determination, provided that the referring recipient provides and the receiving recipient retains a copy of the intake form documenting the financial eligibility of the client.

§ 1611.7 Manner of determining financial eligibility.

continuation is not inconsistent with
applicable rules of professional respon-
sibility.

(b) If, after making a determination
of financial eligibility and accepting a
client for service, the recipient later
determines that the client is finan-
cially ineligible on the basis of later
discovered or disclosed information, a

discontinuation is not inconsistent
with applicable rules of professional re-

1614.5 Compensation of recipient staff and private attorneys; blackout period.

AUTHORITY: 42 U.S.C. 2996g(e).
SOURCE: 79 FR 61781, Oct. 15, 2014, unless otherwise noted.

§ 1614.1 Purpose.
Private attorney involvement shall be an integral part of a total local program undertaken within the established priorities of that program, and consistent with LSC’s governing statutes and regulations, in a manner that furthers the statutory requirement of providing high quality, economical, and effective client-centered legal assistance and legal information to eligible clients. This part is designed to ensure that recipients of LSC funds involve private attorneys, and encourages recipients to involve law students, law graduates, or other professionals, in the delivery of legal information and legal assistance to eligible clients.

§ 1614.2 General policy.

(a) A recipient of LSC funding shall devote an amount equal to at least twelve and one-half percent (12.5%) of the recipient’s annualized Basic Field-General award to the involvement of private attorneys, law students, law graduates, or other professionals in the delivery of legal information and legal assistance to eligible clients. This requirement is hereinafter referred to as the “PAI requirement.”

(b) Basic Field-Native American grants, Basic Field-Migrant grants, and non-Basic Field grants are not subject to the PAI requirement. However, recipients of Native American or migrant funding shall provide opportunity for involvement in the delivery of legal information and legal assistance by private attorneys, law students, law graduates, or other professionals in a manner that is generally open to broad participation in those activities undertaken with those funds, or shall demonstrate to the satisfaction of the Corporation that such involvement is not feasible.

§ 1614.3 Definitions.

For example, a paralegal representing a client in a Supplemental Security Income (SSI) case, an accountant providing tax advice to an eligible client, or an attorney not authorized to practice law in the jurisdiction in which the recipient is located would fit within the definition of other professional. An individual granted a limited license to practice law by a body authorized by court rule or state law to grant such licenses in the jurisdiction in which the recipient is located would also meet the definition of other professional.

(j) Screen for eligibility means to screen individuals for eligibility using the same criteria recipients use to determine an individual’s eligibility for cases accepted by the recipient and whether LSC funds or non-LSC funds can be used to provide legal assistance (e.g., income and assets, citizenship, eligible alien status, within priorities, applicability of LSC restrictions).

(k) Subrecipient has the meaning stated in 45 CFR 1627.2(b)(1), except that as used in this part, such term shall not include entities that meet the definition of subrecipient solely because they receive more than $25,000 from an LSC recipient for services provided through a fee-for-service arrangement, such as services provided by a private law firm or attorney representing a recipient’s clients on a contract or judicare basis.

(b) Support and other activities. Activities undertaken by recipients to meet the requirements of this part may also include, but are not limited to:

(1) Support provided by private attorneys to the recipient or a subrecipient as part of its delivery of legal assistance or legal information to eligible clients on either a reduced fee or pro bono basis such as the provision of community legal education, training, technical assistance, research, advice and counsel; co-counseling arrangements; or the use of the private attorney’s facilities, libraries, computer-assisted legal research systems or other resources;

(2) Support provided by other professionals in their areas of professional expertise to the recipient as part of its delivery of legal information or legal assistance to eligible clients on either a reduced fee or pro bono basis such as the provision of intake support, research, training, technical assistance, or direct assistance to an eligible client of the recipient; and

§ 1614.5 Compensation of recipient staff and private attorneys; blackout period.

(a) A recipient may allocate to its PAI requirement costs associated with compensation paid to its employees only for facilitating the involvement of private attorneys, law students, law graduates, or other professionals in activities under this part.

(b) A recipient may not allocate to its PAI requirement costs associated with compensation paid to a private attorney, law graduate, or other professional for services under this part for any hours an individual provides above 800 hours per calendar year.

Such systems and records shall meet the requirements of the Corporation’s Audit Guide for Recipients and Auditors and the Accounting Guide for LSC Recipients and shall have the following characteristics:

(a) They shall accurately identify and account for:

(3) This paragraph (c) shall not be construed to restrict recipients from allocating to their PAI requirement the payment of funds as a result of work performed by an attorney or other individual who practices in the same business with such former employee.

§ 1614.6 Procedure.

(a) The recipient shall develop a plan and budget to meet the requirements of this part which shall be incorporated as a part of the refunding application or initial grant application. The budget shall be modified as necessary to fulfill this part. That plan shall take into consideration:

(1) The legal needs of eligible clients in the geographical area served by the recipient and the relative importance of those needs consistent with the priorities established pursuant to section 1007(a)(2)(C) of the Legal Services Corporation Act (42 U.S.C. 2996f(a)(2)(C)) and 45 CFR part 1620 adopted pursuant thereto;

(2) The delivery mechanisms potentially available to provide the opportunity for private attorneys, law students, law graduates, or other professionals to meet the established priority legal needs of eligible clients in an economical and effective manner; and

(3) The results of the consultation as required below.

(b) The recipient shall consult with significant segments of the client community, private attorneys, and bar associations, including minority and women’s bar associations, in the recipient’s service area in the development of its annual plan to provide for the involvement of private attorneys, law students, law graduates, or other professionals in the provision of legal information and legal assistance to eligible clients and shall document that each year its proposed annual plan has been presented to all local bar associations within the recipient’s service area and shall summarize their response.

(c) In the case of recipients whose service areas are adjacent, coterminal, or overlapping, the recipients may enter into joint efforts to involve private attorneys, law students, law graduates, or other professionals in the delivery of legal information and legal assistance to eligible clients, subject to the prior approval of LSC. In order to be approved, the joint venture plan must meet the following conditions:

(1) The recipients involved in the joint venture must plan to expend at least twelve and one-half percent (12.5%) of the aggregate of their basic field awards on PAI. In the case of recipients with adjacent service areas, twelve and one-half percent (12.5%) of each recipient’s grant shall be expended to PAI; provided, however, that such expenditure is subject to waiver under this section;

(2) Each recipient in the joint venture must be a bona fide participant in the activities undertaken by the joint venture; and

(3) The joint PAI venture must provide an opportunity for involving private attorneys, law students, law graduates, or other professionals throughout the entire joint service area(s).
(1) The recipient’s administrative, overhead, staff, and support costs related to PAI activities. Non-personnel costs shall be allocated on the basis of reasonable operating data. All methods of allocating common costs shall be clearly documented. If any direct or indirect time of staff attorneys or paralegals is to be allocated as a cost to PAI, such costs must be documented by time sheets accounting for the time those employees have spent on PAI activities. The timekeeping requirement does not apply to such employees as receptionists, secretaries, intake personnel or bookkeepers; however, personnel cost allocations for non-attorney or non-paralegal staff should be based on other reasonable operating data which is clearly documented;

(2) Payments to private attorneys, law graduates, or other professionals for support or direct client services rendered. The recipient shall maintain contracts on file that set forth payment systems, hourly rates, and maximum allowable fees. Bills and/or invoices from private attorneys, law graduates, or other professionals shall be submitted before payments are made. Encumbrances shall not be included in calculating whether a recipient has met the requirement of this part;

(3) Contractual payments or subgrants to individuals or organizations that undertake administrative, support, and/or direct services to eligible clients on behalf of the recipient consistent with the provisions of this part. Contracts or subgrants concerning transfer of LSC funds for PAI activities shall require that such funds be accounted for by the recipient in accordance with LSC guidelines, including the requirements of the Audit Guide for Recipients and Auditors and the Accounting Guide for LSC Recipients and 45 CFR parts 1610, 1627 and 1630;

(4) Other such actual costs as may be incurred by the recipient in this regard.

(b) Support and expenses relating to the PAI effort must be reported separately in the recipient’s year-end audit. This shall be done by establishing a separate fund or providing a separate schedule in the financial statement to account for the entire PAI allocation.

§ 1614.8 Prohibition of revolving litigation funds.

(a) A revolving litigation fund system is a system under which a recipient systematically encourages the acceptance of fee-generating cases as defined in §1609.2 of this chapter by advancing funds to private attorneys, law students, law graduates, or other professionals to enable them to pay costs, expenses, or attorneys’ fees for representing clients.

(b) No funds received from the Corporation shall be used to establish or maintain revolving litigation fund systems.

(c) The prohibition in paragraph (b) of this section does not prevent recipients from reimbursing or paying private attorneys, law students, law graduates, or other professionals for costs and expenses, provided:

(1) The private attorney, law student, law graduate, or other professional is representing an eligible client in a matter in which representation of the eligible client by the recipient would be allowed under LSC’s governing statutes and regulations; and

(2) The private attorney, law student, law graduate, or other professional has expended such funds in accordance with a schedule previously approved by the recipient’s governing body or, prior to initiating action in the matter, has requested the recipient to advance the funds.

(d) Nothing in this section shall prevent a recipient from recovering from a private attorney, law student, law graduate, or other professional the

§ 1614.9 Waivers.

(a) While it is the expectation and experience of the Corporation that most basic field programs can effectively expend their PAI requirement, there are some circumstances, temporary or permanent, under which the goal of economical and effective use of Corporation funds will be furthered by a partial, or in exceptional circumstances, a complete waiver of the PAI requirement.

(b) A complete waiver shall be granted by LSC when the recipient shows to the satisfaction of LSC that:

(1) Because of the unavailability of qualified private attorneys, law students, law graduates, or other professionals an attempt to carry out a PAI program would be futile; or

(2) All qualified private attorneys, law students, law graduates, or other professionals in the program’s service area either refuse to participate or have conflicts generated by their practice which render their participation inappropriate.

(c) A partial waiver shall be granted by LSC when the recipient shows to the satisfaction of LSC that:

(1) The population of qualified private attorneys, law students, law graduates, or other professionals available to participate in the program is too small to use the full PAI allocation economically and effectively; or

(2) Despite the recipient’s best efforts too few qualified private attorneys, law students, law graduates, or other professionals are willing to participate in the program to use the full PAI allocation economically and effectively; or

(3) Despite a recipient’s best efforts—including, but not limited to, communicating its problems expending the required amount to LSC and requesting and availing itself of assistance and/or advice from LSC regarding the problem—expenditures already made during a program year are insufficient to meet the PAI requirement, and there is insufficient time to make economical and efficient expenditures during the remainder of a program year, but in this instance, unless the shortfall resulted from unforeseen and unusual circumstances, the recipient shall accompany the waiver request with a plan to avoid such a shortfall in the future; or

(4) The recipient uses a fee-for-service program whose current encumbrances and projected expenditures for the current fiscal year would meet the requirement, but its actual current expenditures do not meet the requirement, and could not be increased to do so economically and effectively in the remainder of the program year, or could not be increased to do so in a fiscally responsible manner in view of outstanding encumbrances; or

(5) The recipient uses a fee-for-service program and its PAI expenditures in the prior year exceeded the twelve and one-half percent (12.5%) requirement but, because of variances in the timing of work performed by the private attorneys and the consequent billing for that work, its PAI expenditures for the current year fail to meet the twelve and one-half percent (12.5%) requirement; or

(6) If, in the reasonable judgment of the recipient’s governing body, it would not be economical and efficient for the recipient to expend its full twelve and one-half percent (12.5%) of Corporation funds on PAI activities, provided that the recipient has handled and expects to continue to handle at least twelve and one-half percent (12.5%) of cases brought on behalf of eligible clients through its PAI program(s).

(d)(1) A waiver of special accounting and bookkeeping requirements of this part may be granted by LSC, if the recipient shows to the satisfaction of LSC that such waiver will advance the purpose of this part as expressed in §§1614.1 and 1614.2.

(2) As provided in 45 CFR 1627.3(c) with respect to subgrants, alternatives to Corporation audit requirements or to the accounting requirements of this Part may be approved for subgrants by LSC; such alternatives for PAI subgrants shall be approved liberally where necessary to foster increased PAI participation.

(e) Waivers of the PAI expenditure requirement may be full or partial,
that is, the Corporation may waive all or some of the required expenditure for a fiscal year.

(1) Applications for waivers of any requirement under this Part may be for the current or next fiscal year. All such applications must be in writing. Applications for waivers for the current fiscal year must be received by the Corporation during the current fiscal year.

(2) At the expiration of a waiver a recipient may seek a similar or identical waiver.

(f) All waiver requests shall be addressed to LSC. The Corporation shall make a written response to each such request postmarked not later than thirty (30) days after its receipt. If the request is denied, the Corporation will provide the recipient with an explanation and statement of the grounds for denial. If the waiver is to be denied because the information submitted is insufficient, the Corporation will inform the recipient as soon as possible, both orally and in writing, about what additional information is needed. Should the Corporation fail to respond, the request shall be deemed to be granted.

§ 1614.10 Failure to comply.

(a)(1) If a recipient fails to comply with the expenditure required by this part and that recipient fails without good cause to seek a waiver during the term of the grant or contract, the Corporation shall withhold from the recipient’s grant payments an amount equal to the difference between the amount expended on PAI and twelve and one-half percent (12.5%) of the recipient’s basic field award.

(2) If the Corporation determines that a recipient failed without good cause to seek a waiver, the Corporation shall give the recipient written notice of that determination. The written notice shall state the determination, the amount to be withheld, and the process by which the recipient may appeal the determination.

(3) The appeal process will follow the procedures for the appeal of disallowed costs set forth at 45 CFR 1630.7(c)-(g), except that:

(i) The subject matter of the appeal shall be limited to the Corporation’s determination that the recipient failed without good cause to seek a waiver; and

(ii) Withholding of funds shall be the method for the Corporation to recover the amount to be withheld.

(b) If a recipient fails with good cause to seek a waiver, or applies for but does not receive a waiver, or receives a waiver of part of the PAI requirement and does not expend the amount required to be expended, the PAI expenditure requirement for the ensuing year shall be increased for that recipient by an amount equal to the difference between the amount actually expended and the amount required to be expended.

(c)(1) Any funds withheld by the Corporation pursuant to this section shall be made available by the Corporation for use in providing legal services through PAI programs. When such funds are available for competition, LSC shall publish notice of the requirements concerning time, format, and content of the application and the procedures for submitting an application for such funds. Disbursement of these funds for PAI activities shall be made through a competitive solicitation and awarded on the basis of efficiency, quality, creativity, and demonstrated commitment to PAI service delivery to low-income people. Competition for these funds may be held in the recipient’s service area, or if the recipient from which funds are withheld is the only LSC recipient applying for the funds in the competitive solicitation, in additional service areas.

(b) Recipients shall expend funds awarded through the competitive process in paragraph (c)(1) of this section in addition to twelve and one-half percent (12.5%) of their Basic Field-General awards.

(d) The withholding of funds under this section shall not be construed as any action under 45 CFR parts 1606, 1618, 1623, or 1630.

§ 1616.6 Equal employment opportunity.
A recipient shall adopt employment qualifications, procedures, and policies that meet the requirements of applicable laws prohibiting discrimination in employment, and shall take affirmative action to insure equal employment opportunity.

§ 1616.7 Language ability.
In areas where a significant number of clients speak a language other than English as their principal language, a recipient shall adopt employment policies that insure that legal assistance will be provided in the language spoken by such clients.

§ 1618.2 Definitions.

The procedures shall also provide that the opportunity to submit an oral statement may be accomplished in person, by teleconference, or through some other reasonable alternative; permit a complainant to be accompanied by another person who may speak on that complainant’s behalf; and provide that, upon request of the
complainant, the recipient shall transcribe a brief written statement, dictated by the complainant for inclusion in the recipient’s complaint file.

1623.3 Grounds for suspension.
1623.4 Suspension procedures.
1623.5 Time extensions and waiver.
1623.6 Interim funding.

SOURCE: 78 FR 10098, Feb. 13, 2013, unless otherwise noted.

§ 1623.1 Purpose.

The purpose of this rule is to:
(a) Ensure that the Corporation is able to take prompt action when necessary to safeguard LSC funds or to ensure the compliance of a recipient with applicable provisions of law, or a rule, regulation, guideline or instruction issued by the Corporation, or the terms and conditions of a recipient’s grant or contract with the Corporation; and

(b) Provide procedures for prompt review that will ensure informed deliberation by the Corporation when it has made a proposed determination that financial assistance to a recipient should be suspended.

§ 1623.2 Definitions.

For the purposes of this part the definitions in 45 CFR part 1606 shall apply and also:

Suspension means an action taken during the term of the recipient’s current year’s grant or contract with the Corporation that withholds financial assistance to a recipient, in whole or in part, until the end of the suspension period pending prompt corrective action by the recipient or a decision by the Corporation to initiate termination proceedings.

§ 1623.3 Grounds for suspension.

(a) Financial assistance provided to a recipient may be suspended when the Corporation determines that there has been a substantial violation by the recipient of the LSC requirements, and the Corporation has reason to believe that prompt action is necessary to:

(1) Safeguard LSC funds; or

(2) Ensure immediate corrective action necessary to bring a recipient into compliance with an applicable provision of law, or a rule, regulation, guideline or instruction issued by the Corporation, or the terms and conditions of the recipient’s grant or contract with the Corporation.

(b) Financial assistance provided to a recipient may also be suspended by the Corporation pursuant to a recommendation by the Office of Inspector General when the recipient has failed to have an acceptable audit in accordance with the guidance promulgated by the Corporation’s Office of Inspector General.

§ 1623.4 Suspension procedures.

(a) Prior to a preliminary determination involving a suspension of funding, the Corporation shall designate either the President or another senior Corporation employee to conduct any final review that is requested pursuant this part. The Corporation shall ensure that the person so designated has had no prior involvement in the proceedings under this part so as to meet the criterion of impartiality described in this section.

(b) When the Corporation has made a proposed determination, based on the grounds set out in §1623.3 of this part, that financial assistance to a recipient should be suspended, the Corporation shall serve a written proposed determination on the recipient. The proposed determination shall:

(1) State the grounds and effective date for the proposed suspension;

(2) Identify, with reasonable specificity, any facts or documents relied upon as justification for the suspension;

(3) Specify what, if any, prompt corrective action the recipient can take to avoid or end the suspension;

(4) Advise the recipient that it may request, within 5 business days of receipt of the proposed determination, an informal meeting with the Corporation at which it may attempt to show that the proposed suspension should not be imposed; and

(5) Advise the recipient that, within 10 business days of its receipt of the proposed determination and without regard to whether it requests an informal meeting, it may submit written materials in opposition to the proposed suspension.

(c) If the recipient requests an informal meeting with the Corporation, the Corporation shall respond to the request within 5 business days after the recipient’s request is received, and the informal meeting shall be conducted by the Corporation employee who issued the preliminary determination or any other Corporation employee with a seniority level at, or equivalent to, the level of an office director or higher.

(d) The informal meeting shall be conducted by the Corporation employee who issued the preliminary determination or any other Corporation employee with a seniority level at, or equivalent to, the level of an office director or higher.
§ 1623.5 Time extensions and waiver.

(a) Except for the time limits in §1623.4(i) and (j), any period of time provided in this part may be extended by the Corporation for good cause. Requests for extensions of time shall be considered in light of the overall objective that the procedures prescribed by this part ordinarily shall be concluded within 30 calendar days of the service of the proposed determination.

(b) Any other provision of this part may be waived or modified by agreement of the recipient and the Corporation for good cause.

(c) Failure by the Corporation to meet a time requirement of this part shall not preclude the Corporation

have an opportunity to state their case, seek to narrow the issues, explore the possibilities of settlement or compromise including implementation of corrective actions, and submit written materials.

(f) The Corporation shall consider any written materials submitted by the recipient in opposition to the proposed suspension and any oral presentation or written materials submitted by the recipient at an informal meeting. If, after considering such materials, the Corporation determines that the recipient has failed to show that the suspension should not become effective, the Corporation may issue a written final determination to suspend financial assistance to the recipient in whole or in part and under such terms and conditions the Corporation deems appropriate and necessary. The final determination shall include a summary of the issues raised in the informal conference and presented in any written materials. The final determination need not engage in a detailed analysis of all issues raised.

(g) The final determination shall be promptly transmitted to the recipient in a manner that verifies receipt of the determination by the recipient, and the suspension shall become effective when the final determination is received by the recipient or on such later date as is specified therein.

(h) If a suspension lasts for more than 30 days, then the recipient may seek review of the suspension by the President. A request may be made in writing on the thirty-first day or any day thereafter, and shall state, in detail, the reasons for seeking review.

(i) The President may not review the suspension appeal if the President has had prior involvement in the suspension proceedings. If the President cannot review, or the President chooses not to do so, then the appeal shall be reviewed by either the individual designated to do so pursuant to §1623.4(a) of this part, or by another senior Corporation employee designated by the President who has not had prior involvement in the suspension proceedings.

(j) The President’s review shall be based on the administrative record of the proceedings, including the appeal to the President, and any additional submissions, either oral or in writing that the President may request. A recipient shall be given a copy of, and an opportunity to respond to, any additional submissions made to the President. All submissions and responses made to the President shall become part of the administrative record. Upon request, the Corporation shall provide a copy of the administrative record to the recipient.

(k) The President shall affirm, modify, or terminate the suspension through a suspension appeal decision within 15 calendar days of receipt of the appeal by the Corporation, unless the Corporation and the recipient agree to a later date.

(l) The Corporation may at any time rescind or modify the terms of the final determination to suspend and, on written notice to the recipient, may reinstate the suspension without further proceedings under this part.

(m) Except as provided in §1623.4(k) of this part, the total time of a suspension shall not exceed 90 calendar days, unless the Corporation and the recipient agree to a continuation of the suspension without further proceedings under this part.

(n) When the suspension is based on the grounds in §1623.3(b) of this part, a recipient’s funds may be suspended until an acceptable audit is completed. No appeal to the President will be available for audit-based suspensions pursuant to §1623.3(b).
§ 1623.6 Interim funding.

(a) Pending the completion of suspension proceedings under this part, the Corporation shall provide the recipient with the level of financial assistance provided for under its current grant or contract with the Corporation.

(b) Funds withheld pursuant to a suspension shall be released to the recipient at the end of the suspension period.

SOURCE: 71 FR 65059, Nov. 7, 2006, unless otherwise noted.

§ 1624.1 Purpose.

The purpose of this part is to assist and provide guidance to legal services programs supported in whole or in part by Legal Services Corporation funds in removing any impediments that may exist to the provision of legal assistance to persons with disabilities eligible for such assistance in accordance with section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794 and with sections 1007(a)(1) and (3) of the Legal Services Corporation Act, as amended, 42 U.S.C. 2996f(a)(1) and (3), with respect to the provision of services to and employment of persons with disabilities. The requirements of this Part apply in addition to any responsibilities legal services programs may have under applicable requirements of the Americans with Disabilities Act and applicable implementing regulations of the Department of Justice and the Equal Employment Opportunity Commission.

§ 1624.2 Application.

This part applies to each legal services program receiving financial assistance from the Legal Services Corporation.

§ 1624.3 Definitions.

As used in this part, the term:

(a) Legal services program means any recipient, as defined by §1600.1 of this chapter, or any other public or private agency, institution, organization, or other entity, or any person to whom financial assistance is extended by the Legal Services Corporation directly or through another agency, institution, organization, entity or person, including any successor, assignee, or transferee of a legal services program, but does not include the ultimate beneficiary of legal assistance;

(b) Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, or other real or personal property or interest in such property;

(c)(1) Person with a disability means any person who:

(i) Has a physical or mental impairment which substantially limits one or more major life activities,

(ii) has a record of such an impairment, or (iii) is regarded as having such an impairment;

(2) As used in paragraph (c)(1) of this section the phrase:

(i) Physical or mental impairment means: (A) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or (B) any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities; The phrase includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and drug addiction and alcoholism;
§ 1624.4  Discrimination prohibited.

(a) No qualified person with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination by any legal services program, directly or through any contractual or other arrangement.

(b) A legal services program may not deny a qualified person with a disability the opportunity to participate in any of its programs or activities or to receive any of its services provided at a facility on the ground that the program operates a separate or different program, activity or facility that is specifically designed to serve persons with disabilities.

(c) In determining the geographic site or location of a facility, a legal services program may not make selections that have the purpose or effect of excluding persons with disabilities from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity of the legal services program.

(d)(1) A legal services program that employs a total of fifteen or more persons, regardless of whether such persons are employed at one or more locations, shall provide, when necessary, appropriate auxiliary aids and/or other assistive technologies to persons with impaired sensory, manual or speaking skills, in order to afford such persons an equal opportunity to benefit from the legal services program's services. A legal services program is not required to maintain such aids at all times, provided they can be obtained on reasonable notice.

(2) The Corporation may require legal services programs with fewer than fifteen employees to provide auxiliary aids and/or other assistive technologies where the provision of such aids would not significantly impair the ability of the legal services program to provide its services.

(e) A legal services program shall take reasonable steps to ensure that communications with its applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

(f) A legal services program may not deny persons with disabilities the opportunity to participate as members of or in the meetings or activities of any planning or advisory board or process established by or conducted by the legal services program, including but
§ 1624.5 Accessibility of legal services.

(a) No qualified person with a disability shall, because a legal services program's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination by any legal services program.

(b) A legal services program shall conduct its programs and activities so that, when viewed in their entirety, they are readily accessible to and usable by persons with disabilities. This paragraph does not necessarily require a legal services program to make each of its existing facilities or every part of an existing facility accessible to and usable by persons with disabilities, or require a legal services program to make structural changes in existing facilities when other methods are effective in achieving compliance. In choosing among available methods for meeting the requirements of this paragraph, a legal services program shall give priority to those methods that offer legal services to persons with disabilities in the most integrated setting appropriate.

(c) A legal services program shall, to the maximum extent feasible, ensure that new facilities that it rents or purchases are accessible to persons with disabilities. Prior to entering into any lease or contract for the purchase of a building, a legal services program shall submit a statement to LSC certifying that the facilities covered by the lease or contract will be accessible to persons with disabilities, or if the facilities will not be accessible, a detailed description of the efforts the program made to obtain accessible space, the reasons why the inaccessible facility was nevertheless selected, and the specific steps that will be taken by the legal services program to ensure that its services are accessible to persons with disabilities who would otherwise use that facility. After a statement certifying facility accessibility has been submitted, additional statements need not be resubmitted with respect to the same facility, unless substantial changes have been made in the facility that affect its accessibility.

(d) A legal services program shall ensure that new facilities designed or constructed for it are readily accessible to and usable by persons with disabilities. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to make the altered facilities readily accessible to and usable by persons with disabilities.

§ 1624.6 Employment.

(a) No qualified person with a disability shall, on the basis of disability, be subjected to discrimination in employment by any legal services program.

(b) A legal services program shall make all decisions concerning employment under any program or activity to which this part applies in a manner that ensures that discrimination on the basis of disability does not occur, and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of disability.

(c) The prohibition against discrimination in employment applies to the following activities:

1. Recruitment, advertising, and the processing of applications for employment;
2. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;
3. Rates of pay or any other form of compensation and changes in compensation;
4. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;
5. Leaves of absence, sick leave, or any other leave;
6. Fringe benefits available by virtue of employment, whether or not administered by the legal services program;
7. Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;
§ 1624.7

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment.

d) A legal services program may not participate in any contractual or other relationship with persons, agencies, organizations or other entities such as, but not limited to, employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the legal services program, and organizations providing training and apprenticeship programs, if the practices of such person, agency, organization, or other entity have the effect of subjecting qualified applicants or employees with disabilities to discrimination prohibited by this paragraph.

e) A legal services program shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant or employee with a disability unless the accommodation would impose an undue hardship on the operation of the program.

(1) For purposes of this paragraph (e), reasonable accommodation may include:

(i) Making facilities used by employees readily accessible to and usable by persons with disabilities; and

(ii) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of auxiliary aids and/or other assistive technologies, and other similar actions.

(2) In determining whether an accommodation would impose an undue hardship on the operation of a legal services program, factors to be considered include, but are not limited to, the overall size of the legal services program with respect to number of employees, number and type of facilities, and size of budget, and the nature and costs of the accommodation needed.

(3) A legal services program may not deny any employment opportunity to a qualified employee or applicant with a disability if the basis for the denial is a need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

(f) A legal services program may not use employment tests or criteria that discriminate against persons with disabilities, and shall ensure that employment tests are adapted for use by persons who have disabilities that impair sensory, manual, or speaking skills.

g) A legal services program may not conduct a pre-employment medical examination or make a pre-employment inquiry as to whether an applicant is a person with a disability or as to the nature or severity of a disability except under the circumstances described in 45 CFR 84.14(a) through (d)(2). The Corporation shall have access to relevant information obtained in accordance with this section to permit investigations of alleged violations of this part.

(h) A legal services program shall post in prominent places in each of its offices a notice stating that the legal services program does not discriminate on the basis of disability.

(i) Any recruitment materials published or used by a legal services program shall include a statement that the legal services program does not discriminate on the basis of disability.

§ 1624.7 Enforcement.

(a) The procedures described in part 1618 of these regulations shall apply to any alleged violation of this Part by a legal services program.

(b) When LSC receives a complaint of a violation of this part, LSC policy is generally to refer such complainants promptly to the appropriate Federal, state or local agencies, although LSC retains the discretion to investigate all complaints and/or to maintain an open complaint file during the pendency of an investigation being conducted by such other Federal, state or local agency. LSC may use, at its discretion, information obtained by such other agency as may be available to LSC, including findings of such other agency of whether discrimination on the basis of disability occurred.

[79 FR 30052, May 27, 2014]

§ 1626.3 Prohibition.

Recipients may not provide legal assistance for or on behalf of an ineligible alien. For purposes of this part, legal assistance does not include normal intake and referral services.

§ 1626.4 Aliens eligible for assistance under anti-abuse laws.

(a) Subject to all other eligibility requirements and restrictions of the LSC Act and regulations and other applicable law:

1. A recipient may provide related legal assistance to an alien who is within one of the following categories:
   i. An alien who has been battered or subjected to extreme cruelty, or is a victim of sexual assault or trafficking in the United States, or qualifies for immigration relief under section 101(a)(15)(U) of the INA (8 U.S.C. 1101(a)(15)(U)); or
   ii. (b) Related **legal assistance** means legal assistance directly related:

1. To the prevention of, or obtaining relief from, the battery, cruelty, sexual assault, or trafficking;
2. To the prevention of, or obtaining relief from, crimes listed in section 101(a)(15)(U)(iii) of the INA (8 U.S.C. 1101(a)(15)(U)(iii)); or
3. To an application for relief:
   i. Under section 101(a)(15)(U) of the INA (8 U.S.C. 1101(a)(15)(U)); or
(2) Such assistance includes representation in matters that will assist a person eligible for assistance under this part to escape from the abusive situation, ameliorate the current effects of the abuse, or protect against future abuse, so long as the recipient can show the necessary connection of the representation to the abuse. Such representation may include immigration law matters and domestic or poverty law matters (such as obtaining civil protective orders, divorce, paternity, child custody, child and spousal support, housing, public benefits, employment, abuse and neglect, juvenile proceedings and contempt actions).

(c) **Relationship to the United States.** An alien must satisfy both paragraph (c)(1) and either paragraph (c)(2)(i) or (ii) of this section to be eligible for legal assistance under this part.

1. **Relation of activity to the United States.** An alien is eligible under this section if the activity giving rise to eligibility violated a law of the United
States, regardless of where the activity occurred, or occurred in the United States (including in Indian country and military installations) or the territories and possessions of the United States.

(2) Relationship of alien to the United States. (i) An alien defined in §1626.2(b), (h), or (k)(1) need not be present in the United States to be eligible for assistance under this section.

(ii) An alien defined in §1626.2(j) or (k)(2) must be present in the United States to be eligible for assistance under this section.

(d) Evidentiary support—(1) Intake and subsequent evaluation. A recipient may determine that an alien is qualified for assistance under this section if there is evidentiary support that the alien falls into any of the eligibility categories or if the recipient determines there will likely be evidentiary support after a reasonable opportunity for further investigation. If the recipient determines that an alien is eligible because there will likely be evidentiary support, the recipient must obtain evidence of support as soon as possible and may not delay in order to provide continued assistance.

(2) Documentary evidence. Evidentiary support may include, but is not limited to, affidavits or unsworn written statements made by the alien; written summaries of statements or interviews of the alien taken by others, including the recipient; reports and affidavits from police, judges, and other court officials, medical personnel, school officials, clergy, social workers, other social service agency personnel; orders of protection or other legal evidence of steps taken to end abuse; evidence that a person sought safe haven in a shelter or similar refuge; photographs; documents; or other evidence of a series of acts that establish a pattern of qualifying abuse.

(i) A certification letter issued by the Department of Health and Human Services (HHS).

(ii) Verification that the alien has been certified by calling the HHS trafficking verification line, (202) 401–5510 or (866) 401–5510.

(iii) An interim eligibility letter issued by HHS, if the alien was subjected to severe forms of trafficking while under the age of 18.

(iv) An eligibility letter issued by HHS, if the alien was subjected to severe forms of trafficking while under the age of 18.

(e) Recordkeeping. Recipients are not required by §1626.12 to maintain records regarding the immigration status of clients represented pursuant to this section. If a recipient relies on an immigration document for the eligibility determination, the recipient shall document that the client presented an immigration document by making a note in the client’s file stating that a staff member has seen the document, the type of document, the client’s alien registration number (“A number”), the date of the document, and the date of the review, and containing the signature of the staff member that reviewed the document.

(f) Changes in basis for eligibility. If, during the course of representing an alien eligible pursuant to §1626.4(a)(1), a recipient determines that the alien is also eligible under §1626.4(a)(2) or §1626.5, the recipient should treat the alien as eligible under that section and may provide all the assistance available pursuant to that section.

§1626.5 Aliens eligible for assistance based on immigration status.

Subject to all other eligibility requirements and restrictions of the LSC Act and regulations and other applicable law, a recipient may provide legal assistance to an alien who is present in the United States and who is within one of the following categories:

(b) An alien who is either married to a United States citizen or is a parent or an unmarried child under the age of 21 of such a citizen and who has filed an application for adjustment of status to permanent resident under the INA, and such application has not been rejected;
§ 1626.6 Verification of citizenship.

(a) A recipient shall require all applicants for legal assistance who claim to be citizens to attest in writing in a standard form provided by the Corporation that they are citizens, unless the only service provided for a citizen is brief advice and consultation by telephone, or by other non-in-person means, which does not include continuous representation.

(b) When a recipient has reason to doubt that an applicant is a citizen, the recipient shall require verification of citizenship. A recipient shall not consider factors such as a person’s accent, limited English-speaking ability, appearance, race, or national origin as a reason to doubt that the person is a citizen.

(1) If verification is required, a recipient may accept originals, certified copies, or photocopies that appear to be complete, correct, and authentic, of any of the following documents as evidence of citizenship:

(i) United States passport;
(ii) Birth certificate;
(iii) Naturalization certificate;
(iv) United States Citizenship Identification Card (INS Form 1–197 or I–197);
(v) Baptismal certificate showing place of birth within the United States and date of baptism within two months after birth.

(2) A recipient may also accept any other authoritative document, such as a document issued by DHS, by a court, or by another governmental agency, that provides evidence of citizenship.

(3) If a person is unable to produce any of the above documents, the person may submit a notarized statement signed by a third party, who shall not be an employee of the recipient and who can produce proof of that party’s own United States citizenship, that the person seeking legal assistance is a United States citizen.

§ 1626.7 Verification of eligible alien status.

(a) An alien seeking representation shall submit appropriate documents to verify eligibility, unless the only service provided for an eligible alien is brief advice and consultation by telephone, or by other non-in-person means, which does not include continuous representation of a client.

(1) As proof of eligibility, a recipient may accept originals, certified copies, or photocopies that appear to be complete, correct, and authentic, of any documents establishing eligibility.

LSC will publish a list of examples of such documents from time to time in the form of a program letter or equivalent.

(2) A recipient may also accept any other authoritative document issued by DHS, by a court, or by another governmental agency, that provides evidence of alien status.

(b) A recipient shall upon request furnish each person seeking legal assistance with a current list of documents establishing eligibility under this part as is published by LSC.

§ 1626.8 Emergencies.

In an emergency, legal services may be provided prior to compliance with §§1626.4, 1626.6, and 1626.7 if:

(a) An applicant cannot feasibly come to the recipient’s office or otherwise transmit written documentation
to the recipient before commencement of the representation required by the emergency, and the applicant provides oral information to establish eligibility which the recipient records, and the applicant submits the necessary documentation as soon as possible; or

(b) An applicant is able to come to the recipient’s office but cannot produce the required documentation before commencement of the representation, and the applicant signs a statement of eligibility and submits the necessary documentation as soon as possible; and

(c) The recipient informs clients accepted under paragraph (a) or (b) of this section that only limited emergency legal assistance may be provided without satisfactory documentation and that, if the client fails to produce timely and satisfactory written documentation, the recipient will be required to discontinue representation consistent with the recipient’s professional responsibilities.

§ 1626.9 Change in circumstances.

If, to the knowledge of the recipient, a client who was an eligible alien becomes ineligible through a change in circumstances, continued representation is prohibited by this part and a recipient must discontinue representation consistent with applicable rules of professional responsibility.

§ 1626.10 Special eligibility questions.

(a)(1) This part is not applicable to recipients providing services in the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, or the Republic of the Marshall Islands.

(2) All citizens of the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands residing in the United States are eligible to receive legal assistance provided that they are otherwise eligible under the Act.

(b) All Canadian-born American Indians at least 50% Indian by blood are eligible to receive legal assistance provided they are otherwise eligible under the Act.

(c) Members of the Texas Band of Kickapoo are eligible to receive legal assistance provided they are otherwise eligible under the Act.

(d) An alien who qualified as a special agricultural worker and whose status is adjusted to that of temporary resident alien under the provisions of the Immigration Reform and Control Act ("IRCA") is considered a permanent resident alien for all purposes except immigration under the provisions of section 302 of 100 Stat. 3422, 8 U.S.C. 1160(g). Since the status of these aliens is that of permanent resident alien under section 101(a)(20) of the INA (8 U.S.C. 1101(a)(20)), these workers may be provided legal assistance. These workers are ineligible for legal assistance in order to obtain the adjustment of status of temporary resident under IRCA, but are eligible for legal assistance after the application for adjustment of status to that of temporary resident has been filed, and the application has not been rejected.

(e) A recipient may provide legal assistance to indigent foreign nationals who seek assistance pursuant to the Hague Convention on the Civil Aspects of International Child Abduction and the Federal implementing statute, the International Child Abduction Remedies Act, 42 U.S.C. 11607(b), provided that they are otherwise financially eligible.

§ 1626.11 H–2 agricultural and forestry workers.

(a) Nonimmigrant agricultural workers admitted to, or permitted to remain in, the United States under the provisions of section 101(a)(15)(h)(ii)(a) of the INA (8 U.S.C. 1101(a)(15)(h)(ii)(a)), commonly called H–2A agricultural workers, may be provided legal assistance regarding the matters specified in paragraph (c) of this section.

(b) Nonimmigrant forestry workers admitted to, or permitted to remain in, the United States under the provisions of section 101(a)(15)(h)(ii)(b) of the INA (8 U.S.C. 1101(a)(15)(h)(ii)(b)), commonly called H–2B forestry workers, may be provided legal assistance regarding the matters specified in paragraph (c) of this section.

(c) The following matters which arise under the provisions of the worker’s specific employment contract may be
§ 1626.12

the subject of legal assistance by an
LSC-funded program:
(1) Wages;
(2) Housing;
(3) Transportation; and
(4) Other employment rights as pro-
vided in the worker’s specific contract
under which the nonimmigrant worker
was admitted.

§ 1626.12 Recipient policies, proce-
dures, and recordkeeping.

Each recipient shall adopt written
policies and procedures to guide its
staff in complying with this part and
shall maintain records sufficient to
document the recipient’s compliance
with this part.

§ 1627.1 Purpose.

In order to promote accountability
for Corporation funds and the observ-
ance of the provisions of the Legal
Services Corporation Act and the Cor-
poration’s regulations adopted pursu-
ant thereto, it is necessary to set out
the rules under which Corporation
funds may be transferred by recipients
to other organizations (including other
recipients).

§ 1627.2 Definitions.

(a) Recipient as used in this part
means any recipient as defined in sec-
tion 1002(6) of the Act and any grantee
or contractor receiving funds from the
Corporation under section 1006(a)(1)(B)
or 1006(a)(3) of the Act.

(b) Subrecipient shall mean any en-
tity that accepts Corporation funds
from a recipient under a grant con-
tract, or agreement to conduct certain
activities specified by or supported by
the recipient related to the recipient’s
programmatic activities. Such activi-
ties would normally include those that
might otherwise be expected to be con-
ducted directly by the recipient itself,
such as representation of eligible cli-
ents, or which provide direct support to
a recipient’s legal assistance activities
or such activities as client involve-
ment, training or state support activi-
ties. Such activities would not nor-
mally include those that are covered
by a fee-for-service arrangement, such
as those provided by a private law firm
or attorney representing a recipient’s
clients on a contract or judicare basis,
except that any such arrangement in-
volving more than $25,000 shall be in-
cluded. Subrecipient activities would
normally also not include the provision
of goods or services by vendors or con-
sultants in the normal course of busi-
ness if such goods or services would not
be expected to be provided directly by
the recipient itself, such as auditing or
business machine purchase and/or
maintenance. A single entity could be
a subrecipient with respect to some ac-
tivities it conducts for a recipient
while not being a subrecipient with re-
spect to other activities it conducts for
a recipient.

(2) Subgrant shall mean any transfer
of Corporation funds from a recipient
which qualifies the organization re-
cieving such funds as a subrecipient
under the definition set forth in para-
graph (b)(1) of this section.

(c) Membership fees or dues as used in
this part means payments to an organi-
zation on behalf of a program or indi-
vidual to be a member thereof, or to
acquire voting or participatory rights
therein.

Any contributions or gifts of Corporation funds to another organization or to an individual are prohibited.

§ 1627.6 Transfers to other recipients.

(a) The requirements of §1627.3 shall apply to all subgrants by one recipient to another recipient.

(b) The subrecipient shall audit any funds subgranted to it in its annual audit and supply a copy of this audit to the recipient. The recipient shall either submit the relevant part of this audit with its next annual audit or, if an audit has been recently submitted, submit it as an addendum to that recently submitted audit.

(c) In addition to the provisions of §1627.3(d), the Corporation may hold the subrecipient directly responsible for any disallowed expenditures of subgrant funds. Thus, the Corporation may recover all of the disallowed costs from either recipient or subrecipient or may divide the recovery between the two; the Corporation’s total recovery may not exceed the amount of expenditures disallowed.

(d) Funds received by a recipient from other recipients in the form of fees and dues shall be accounted for and included in the annual audit of the recipient receiving these funds as Corporation funds.

§ 1627.7 Tax sheltered annuities, retirement accounts and pensions.

No provision contained in this part shall be construed to affect any payment by a recipient on behalf of its employees for the purpose of contributing to or funding a tax sheltered annuity, retirement account, or pension fund.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient’s compliance with this part.

§ 1628—Recipient Fund Balances

PART 1628—RECIPIENT FUND BALANCES

Sec.
1628.1 Purpose.
1628.2 Definitions.
1628.3 Policy.
1628.4 Procedures.
1628.5 Fund balance deficits.

AUTHORITY: 42 U.S.C. 2996g(e).

SOURCE: 65 FR 66642, Nov. 7, 2000, unless otherwise noted.

§ 1628.1 Purpose

The purpose of this part is to set out the Corporation’s policies and procedures applicable to recipient fund balances. The Corporation’s fund balance policies are intended to ensure the timely expenditure of LSC funds for the effective and economical provision of high quality legal assistance to eligible clients.

§ 1628.2 Definitions.

(a) Excess fund balance means a recipient’s LSC fund balance that exceeds the amount a recipient is permitted to retain under this part.

(b) LSC support means the sum of:

(1) The amount of financial assistance awarded by the Corporation to the recipient for the fiscal year included in the recipient’s annual audited financial statement, not including one-time and special purpose grants; and

(2) Any LSC derivative income, as defined in §1630.2(c), earned by the recipient for the fiscal year included in the recipient’s annual audited financial statement, not including derivative income from one-time and special purpose grants.

(c) The LSC fund balance is the excess of LSC support plus the prior year carryover amount over expenditures of LSC funds (including capital acquisitions), as each is reported in the recipient’s annual financial statements.

(d) The fund balance percentage is the amount of the LSC fund balance expressed as a percentage of the recipient’s LSC support.
Legal Services Corporation § 1628.4

(e) Recipient, as used in this part, means any grantee or contractor receiving financial assistance from the Corporation under section 1006(a)(1)(A) of the LSC Act.

§ 1628.3 Policy.

(a) Recipients are permitted to retain from one fiscal year to the next LSC fund balances up to 10% of their LSC support.

(b) Recipients may request a waiver to retain a fund balance up to a maximum of 25% of their LSC support for special circumstances.

(c) Recipients may request a waiver to retain a fund balance in excess of 25% of a recipient’s LSC support only for extraordinary and compelling circumstances, such as when a natural disaster or other catastrophic event prevents the timely expenditure of LSC funds, or when the recipient receives an insurance reimbursement, the proceeds from the sale of real property, a payment from a lawsuit in which the recipient was a party, or a payment from an LSC-funded lawsuit, regardless of whether the recipient was a party to the lawsuit.

(d) A waiver pursuant to paragraph (b) or (c) of this section may be granted at the discretion of the Corporation pursuant to the criteria set out in § 1628.4(e).

(e) In the absence of a waiver, a fund balance in excess of 10% of LSC support shall be repaid to the Corporation. If a waiver of the 10% ceiling is granted, any fund balance in excess of the amount permitted to be retained shall be repaid to the Corporation.

(f) A recovery of an excess fund balance pursuant to this part does not constitute a termination under 45 CFR part 1606. See § 1606.2(c)(2)(ii).

(g) One-time and special purpose grants awarded by the Corporation are not subject to the fund balance policy set forth in this part. Revenue and expenses relating to such grants shall be reflected separately in the audit report submitted to the Corporation. This may be done by establishing a separate fund or by providing a separate supplemental schedule of revenue and expenses related to such grants as a part of the audit report. No funds provided under a one-time or special purpose grant may be expended subsequent to the expiration date of the grant without the prior written approval of the Corporation. Absent approval from the Corporation, all unexpended funds under such grants shall be returned to the Corporation.

[65 FR 66642, Nov. 7, 2000, as amended at 80 FR 43968, July 24, 2015]

§ 1628.4 Procedures.

(a) A recipient may request a waiver of the 10% ceiling on LSC fund balances within 30 days after the submission to LSC of its annual audited financial statements. The request shall specify:

(1) The LSC fund balance as reported in the recipient’s annual audited financial statements;

(2) The reason(s) for the excess fund balance;

(3) The recipient’s plan for disposing of the excess fund balance during the current fiscal year;

(4) The amount of fund balance projected to be carried forward at the close of the recipient’s current fiscal year; and

(5) The special circumstances justifying the retention of the excess fund balance up to 25%, or the extraordinary and compelling circumstances set out in § 1628.3(c) justifying a fund balance in excess of 25%.

(b) Within 45 days of receipt of the recipient’s waiver request submitted pursuant to paragraph (a) of this section, the Corporation shall provide a written response to the request and a written notice to the recipient of any fund balance due and payable to the Corporation as well as the method for repayment.

(c) In the event that repayment is required, the Corporation shall give written notice 30 days prior to the effective date for repayment. Repayment shall be in a lump sum or by pro rata deductions from the recipient’s grant checks for a specific number of months. The Corporation shall determine which of the specified methods of repayment is reasonable and appropriate in each case after consultation with the recipient.

(d) A recipient may submit a waiver request to retain a fund balance in excess of 25% of its LSC support prior to
§ 1628.5

the submission of its audited financial statements. The Corporation may, at its discretion, provide approval in writing. The request shall specify the extraordinary and compelling circumstances justifying the fund balance in excess of 25%; the estimated fund balance that the recipient anticipates it will accrue by the time of the submission of its audited financial statements; and the recipient’s plan for disposing of the excess fund balance. Upon the submission of its annual audited financial statements, the recipient must submit updated information consistent with the requirements of paragraph (a) of this section to confirm the actual fund balance to be retained.

(e) The Corporation’s written approval of a request for a waiver shall require that the recipient use the funds it is permitted to retain within the time period set out in the approval and for the purposes approved by the Corporation.

(f) Excess fund balances approved by the Corporation for expenditure by a recipient shall be separately reported by natural line item in the current fiscal year’s audited financial statements. This may be done by establishing a separate fund or by providing a separate supplemental schedule as part of the audit report.

(g) The recipient shall promptly inform and seek guidance from the Corporation when it determines a need for any changes to the conditions on timing or purposes set out in the Corporation’s written approval of a recipient’s request for a waiver.

§ 1629.1 General.

(a) If any program which receives Corporation funds is not a government, or an agency or instrumentality thereof, such program shall carry fidelity bond coverage at a minimum level of at least ten (10) percent of the program’s annualized LSC funding level for the previous fiscal year, or of the initial grant or contract, if the program is a new grantee or contractor.

§ 1629.4 Meaning of fraud or dishonesty.

The term “fraud or dishonesty” shall be deemed to encompass all those risks of loss that might arise through dishonest or fraudulent acts in the handling of funds as delineated in §1629.3. As such, the bond must provide recovery under a bond providing protection against fraud or dishonesty. As applied under state laws, the term “fraud or dishonesty” encompasses such matters as larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, wrongful conversion, willful misapplication or any other fraudulent or dishonest acts.

§ 1629.3 Criteria for determining handling.

(a) The term “handles” shall be deemed to encompass any relationship of a director, officer, employee or agent with respect to funds or other property which can give rise to a risk of loss through fraud or dishonesty. This shall include relationships such as those which involve access to funds or other property or decision-making powers with respect to funds or property which can give rise to such risk of loss.

(b) Subject to the application of the basic standard of risk of loss to each situation, the criteria for determining whether there is “handling” so as to require bonding are:

(1) Physical contact with cash, checks or similar property;

(2) The power to secure physical possession of cash, checks or similar property such as through access to a safe deposit box or similar depository, access to cash or negotiable instruments and assets, power of custody or safekeeping, or the power to borrow or withdraw funds from a bank or other account whether or not physical contact actually takes place;

Source: 62 FR 68224, Dec. 31, 1997, unless otherwise noted.

§ 1630.1  

Purpose.

This part is intended to provide uniform standards for allowability of costs and to provide a comprehensive, fair, timely, and flexible process for the resolution of questioned costs.

§ 1630.2  

Definitions.

(a) Allowed costs means a questioned cost that the Corporation, in a management decision, has determined to be eligible for payment from a recipient's Corporation funds.
(b) Corrective action means action taken by a recipient that:
   (1) Corrects identified deficiencies;
   (2) Produces recommended improvements; or
   (3) Demonstrates that audit or other findings are either invalid or do not warrant recipient action.
(c) Derivative income means income earned by a recipient from Corporation-supported activities during the term of a Corporation grant or contract, and includes, but is not limited to, income from fees for services (including attorney fee awards and reimbursed costs), sales and rentals of real or personal property, and interest earned on Corporation grant or contract advances.
(d) Disallowed cost means a questioned cost that the Corporation, in a management decision, has determined should not be charged to a recipient's Corporation funds.
(e) Final action means the completion of all actions that Corporation management, in a management decision, has concluded are necessary with respect to the findings and recommendations in an audit or other report. In the event that Corporation management concludes no corrective action is necessary, final action occurs when a management decision has been made.
(f) Management decision means the evaluation by Corporation management of findings and recommendations in an audit or other report and the recipient's response to the report, and the issuance of a final, written decision by management concerning its response to such findings and recommendations, including any corrective actions which Corporation management has concluded are necessary.
§ 1630.3 Standards governing allowability of costs under Corporation grants or contracts.

(a) General criteria. Expenditures by a recipient are allowable under the recipient's grant or contract only if the recipient can demonstrate that the cost was:

(1) Actually incurred in the performance of the grant or contract and the recipient was liable for payment;
(2) Reasonable and necessary for the performance of the grant or contract as approved by the Corporation;
(3) Allocable to the grant or contract;
(4) In compliance with the Act, applicable appropriations law, Corporation rules, regulations, guidelines, and instructions, the Accounting Guide for LSC Recipients, the terms and conditions of the grant or contract, and other applicable law;
(5) Consistent with accounting policies and procedures that apply uniformly to both Corporation-financed and other activities of the recipient;
(6) Accordeed consistent treatment over time;
(7) Determined in accordance with generally accepted accounting principles;
(8) Not included as a cost or used to meet cost sharing or matching requirements of any other federally financed program, unless the agency whose funds are being matched determines in writing that Corporation funds may be used for federal matching purposes; and
(9) Adequately and contemporaneously documented in business records accessible during normal business hours to Corporation management, the Office of Inspector General, the General Accounting Office, and independent auditors or other audit organizations authorized to conduct audits of recipients.

(b) Reasonable costs. A cost is reasonable if, in its nature or amount, it does not exceed that which would be incurred by a prudent person under the same or similar circumstances prevailing at the time the decision was made to incur the cost. If a questioned cost is disallowed solely on the ground that it is excessive, only the amount that is larger than reasonable shall be disallowed. In determining the reasonableness of a given cost, consideration shall be given to:

(1) Whether the cost is of a type generally recognized as ordinary and necessary for the operation of the recipient or the performance of the grant or contract;
(2) The restraints or requirements imposed by such factors as generally accepted sound business practices, arms-length bargaining, Federal and State laws and regulations, and the terms and conditions of the grant or contract;
(3) Whether the recipient acted with prudence under the circumstances, considering its responsibilities to its clients and employees, the public at large, the Corporation, and the Federal government; and
(4) Significant deviations from the established practices of the recipient which may unjustifiably increase the grant or contract costs.

(c) Allocable costs. A cost is allocable to a particular cost objective, such as a grant, project, service, or other activity, in accordance with the relative
§ 1630.4 Burden of proof.

The recipient shall have the burden of proof under this part.
§ 1630.5 Costs requiring Corporation prior approval.

(a) Advance understandings. Under any given grant award, the reasonableness and allocability of certain cost items may be difficult to determine. In order to avoid subsequent disallowance or dispute based on unreasonableness or nonallocability, recipients may seek a written understanding from the Corporation in advance of incurring special or unusual costs. If a recipient elects not to seek an advance understanding from the Corporation, the absence of an advance understanding on any element of a cost does not affect the reasonableness or allocability of the cost.

(b) Prior approvals. Without prior written approval of the Corporation, no cost attributable to any of the following may be charged to Corporation funds:

1. Pre-award costs and costs incurred after the cessation of funding;
2. Purchases and leases of equipment, furniture, or other personal, non-expendable property, if the current purchase price of any individual item of property exceeds $10,000;
3. Purchases of real property; and
4. Capital expenditures exceeding $10,000 to improve real property.

(c) Duration. The Corporation’s approval or advance understanding shall be valid for one year, or for a greater period of time which the Corporation may specify in its approval or understanding.

§ 1630.6 Timetable and basis for granting prior approval.

(a) The Corporation shall grant prior approval of a cost if the recipient has provided sufficient written information to demonstrate that the cost would be consistent with the standards and policies of this part. If the Corporation denies a request for approval, it shall provide to the recipient a written explanation of the grounds for denying the request.

(b) Except as provided in paragraphs (c) and (d) of this section, the Corporation may not assert the absence of prior approval as a basis for disallowing a questioned cost, if the Corporation has not responded to a written request for approval within sixty (60) days of receiving the request.

(c) If additional information is necessary to enable the Corporation to respond to a request for prior approval, the Corporation may make a written request for additional information within forty-five (45) days of receiving the request for approval.

(d) If the Corporation has made a written request for additional information about a cost as provided by paragraph (c) of this section, and if the Corporation has not responded within thirty (30) days of receiving in writing all additional, requested information, the Corporation may not assert the absence of prior approval as a basis for disallowing the cost.

§ 1630.7 Review of questioned costs and appeal of disallowed costs.

(a) When the Office of Inspector General, the General Accounting Office, or an independent auditor or other audit organization authorized to conduct an audit of a recipient has identified and referred a questioned cost to the Corporation, Corporation management shall review the findings of the Office of Inspector General, General Accounting Office, or independent auditor or other authorized audit organization, as well as the recipient’s written response to the findings, in order to determine accurately the amount of the questioned cost, the factual circumstances giving rise to the cost, and the legal basis for disallowing the cost. Corporation management may also identify questioned costs in the course of its oversight of recipients.

(b) If Corporation management determines that there is a basis for disallowing a questioned cost, and if not more than five years have elapsed since the recipient incurred the cost, Corporation management shall provide to the recipient written notice of its intent to disallow the cost. The written notice shall state the amount of the cost and the factual and legal basis for disallowing it.

(c) Within thirty (30) days of receiving written notice of the Corporation’s intent to disallow the questioned cost, the recipient may respond with written evidence and argument to show that
the cost was allowable, or that the Corporation, for equitable, practical, or other reasons, should not recover all or part of the amount, or that the recovery should be made in installments. If the recipient does not respond to the Corporation’s written notice, Corporation management shall issue a management decision on the basis of information available to it.

(d) Within sixty (60) days of receiving the recipient’s written response to the notice of intent to disallow the questioned cost, Corporation management shall issue a management decision stating whether or not the cost has been disallowed, the reasons for the decision, and the method of appeal as provided in this section.

(1) If Corporation management has determined that the questioned cost should be allowed, and that no corrective action by the recipient is necessary, final action with respect to the questioned cost occurs at the time when the Corporation issues the management decision.

(2) If Corporation management has determined that the questioned cost should be disallowed, the management decision shall also describe the expected recipient action to repay the cost, including the method and schedule for collection of the amount of the cost. The management decision may also require the recipient to make financial adjustments or take other corrective action to prevent a recurrence of the circumstances giving rise to the disallowed cost.

(e) If the amount of a disallowed cost exceeds $2,500, the recipient may appeal in writing to the Corporation President within thirty (30) days of receiving the Corporation’s management decision to disallow the cost. The written appeal should state in detail the reasons why the Corporation should not disallow part or all of the questioned cost. If the amount of a disallowed cost does not exceed $2,500, or if the recipient elects not to appeal the disallowance of a cost in excess of $2,500, the Corporation’s management decision shall be final.

(f) Within thirty (30) days of receipt of the recipient’s appeal of a disallowed cost in excess of $2,500, the President shall either adopt, modify, or reverse the Corporation’s management decision to disallow the cost. If the President has had prior involvement in the consideration of the disallowed cost, the President shall designate another senior Corporation employee who has not had prior involvement to review the recipient’s appeal. The President shall also have discretion, in circumstances where the President has not had prior involvement in the disallowed cost, to designate another senior Corporation employee to review the recipient’s appeal, provided that the senior Corporation employee has not had prior involvement in the disallowed cost.

(g) The decision of the President or designee shall be final and shall be based on the written record, consisting of the Corporation’s notice of intent to disallow the questioned cost, the recipient’s response, the management decision, the recipient’s written appeal, any additional response or analysis provided to the President or designee by Corporation staff, and the relevant findings, if any, of the Office of Inspector General, General Accounting Office, or other authorized auditor or audit organization. Upon request, the Corporation shall provide a copy of the written record to the recipient.

§ 1630.8 Recovery of disallowed costs and other corrective action.

(a) The Corporation shall recover any disallowed costs from the recipient within the time limits and conditions set forth in the Corporation’s management decision. Recovery of the disallowed costs may be in the form of a reduction in the amount of future grant checks or in the form of direct payment from the recipient to the Corporation.

(b) The Corporation shall ensure that a recipient which has incurred a disallowed cost takes any additional, necessary corrective action within the time limits and conditions set forth in the Corporation’s management decision. The recipient shall have taken final action when the recipient has repaid all disallowed costs and has taken all corrective action which the Corporation has stated in its management decision is necessary to prevent the recurrence of circumstances giving rise to a questioned cost.
(c) In the event of an appeal of the Corporation’s management decision, the decision of the President or designee shall supersede the Corporation’s management decision, and the recipient shall repay any disallowed costs and take necessary corrective action according to the terms and conditions of the decision of the President or designee.

§ 1630.9 Other remedies; effect on other parts.

(a) In cases of serious financial mismanagement, fraud, or defalcation of funds, the Corporation shall refer the matter to the Office of Inspector General, and may take appropriate action pursuant to parts 1606, 1623, 1625, and 1640 of this chapter.

(b) The recovery of a disallowed cost according to the procedures of this part does not constitute a permanent reduction in the annualized funding level of the recipient, nor does it constitute a termination of financial assistance under part 1606, a suspension of funding under part 1623, or a denial of refunding under part 1625.

§ 1630.10 Applicability to subgrants.

When disallowed costs arise from expenditures incurred under a subgrant of Corporation funds, the recipient and the subrecipient will be jointly and severally responsible for the actions of the subrecipient, as provided by 45 CFR part 1627, and will be subject to all remedies available under this part. Both the recipient and the subrecipient shall have access to the review and appeal procedures of this part.

§ 1630.11 Applicability to non-LSC funds.

(a) No costs attributable to a purpose prohibited by the LSC Act, as defined by 45 CFR 1610.2(a), may be charged to private funds, except for tribal funds used for the specific purposes for which they were provided. No cost attributable to an activity prohibited by or inconsistent with section 504, as defined by 45 CFR 1610.2(b), may be charged to non-LSC funds, except for tribal funds used for the specific purposes for which they were provided.

(b) According to the review and appeal procedures of 45 CFR 1630.7, the Corporation may recover from a recipient’s Corporation funds an amount not to exceed the amount improperly charged to non-LSC funds.

§ 1630.12 Applicability to derivative income.

(a) Derivative income resulting from an activity supported in whole or in part with funds provided by the Corporation shall be allocated to the fund in which the recipient’s LSC grant is recorded in the same proportion that the amount of Corporation funds expended bears to the total amount expended by the recipient to support the activity.

(b) Derivative income which is allocated to the LSC fund in accordance with paragraph (a) of this section is subject to the requirements of this part, including the requirement of 45 CFR 1630.3(a)(4) that expenditures of such funds be in compliance with the Act, applicable appropriations law, Corporation rules, regulations, guidelines, and instructions, the Accounting Guide for LSC recipients, the terms and conditions of the grant or contract, and other applicable law.

§ 1630.13 Time.

(a) Computation. Time limits specified in this part shall be computed in accordance with Rules 6(a) and 6(e) of the Federal Rules of Civil Procedure.

(b) Extensions. The Corporation may, on a recipient’s written request for good cause, grant an extension of time and shall so notify the recipient in writing.

§ 1635.1 Purpose.

This part is intended to improve accountability for the use of all funds of a recipient by:

(b) Enhancing the ability of the recipient to determine the cost of specific functions; and

(c) Increasing the information available to LSC for assuring recipient compliance with Federal law and LSC rules and regulations.

§ 1635.3 Timekeeping requirement.

(a) All expenditures of funds for recipient actions are, by definition, for cases, matters, or supporting activities. The allocation of all expenditures must be carried out in accordance with 45 CFR part 1630.

(b) Time spent by attorneys and paralegals must be documented by time records which record the amount of time spent on each case, matter, or supporting activity.

(1) Time records must be created contemporaneously and account for time by date and in increments not greater than one-quarter of an hour which comprise all of the efforts of the attorneys and paralegals for which compensation is paid by the recipient.

(2) Each record of time spent must contain: for a case, a unique client name or case number; for matters or supporting activities, an identification of the category of action on which the time was spent.

(c) The timekeeping system must be able to aggregate time record information on both closed and pending cases by legal problem type.

(d) Recipients shall require any attorney or paralegal who works part-time for the recipient and part-time for an organization that engages in restricted activities to certify in writing that the attorney or paralegal has not engaged in restricted activity during any time for which the attorney or paralegal was compensated by the recipient or has not used recipient resources for restricted activities. The certification requirement does not apply to a de minimis action related to a restricted activity. Actions consistent with the de minimis standard are those that meet all or most of the following criteria: actions that are of little substance; require little time; are not initiated by the part-time employee; and, for the most part, are unavoidable. § 1636.2 Requirements.
(a) When a recipient files a complaint in a court of law or otherwise initiates or participates in litigation against a defendant, or before a recipient engages in pre-complaint settlement negotiations with a prospective defendant on behalf of a client who has authorized it to file suit in the event that the settlement negotiations are unsuccessful, it shall:
   (1) Identify each plaintiff it represents by name in any complaint it files, or in a separate notice provided to the defendant against whom the complaint is filed where disclosure in the complaint would be contrary to law or court rules or practice, and identify each plaintiff it represents to prospective defendants in pre-litigation settlement negotiations, unless a court of competent jurisdiction has entered an order protecting the client from such disclosure based on a finding, after notice and an opportunity for a hearing on the matter, of probable, serious harm to the plaintiff if the disclosure is not prevented; and
   (2) Prepare a dated written statement signed by each plaintiff it represents, enumerating the particular facts supporting the complaint, insofar as they are known to the plaintiff when the statement is signed.
   (b) The statement of facts must be written in English and, if necessary, in a language other than English that the plaintiff understands.
   (c) In the event of an emergency, where the recipient reasonably believes that delay is likely to cause harm to a significant safety, property or liberty interest of the client, the recipient may proceed with the litigation or negotiation without a signed statement of facts, provided that the statement is prepared and signed as soon as possible thereafter.

§ 1636.3 Access to written statements.
(a) Written statements of facts prepared in accordance with this part are to be kept on file by the recipient and made available to the Corporation or to any Federal department or agency auditing or monitoring the activities of the recipient or to any auditor or monitor receiving Federal funds to audit or monitor on behalf of a Federal department or agency on or behalf of the Corporation.
   (b) This part does not give any person or party other than those listed in paragraph (a) of this section any right of access to the plaintiff’s written statement of facts, either in the lawsuit or through any other procedure. Access to the statement of facts by such other persons or parties is governed by applicable law and the discovery rules of the court in which the action is brought.

If, to the knowledge of the recipient, a client becomes incarcerated after litigation has commenced, the recipient must use its best efforts to withdraw promptly from the litigation, unless the period of incarceration is anticipated to be brief and the litigation is likely to continue beyond the period of incarceration.

§ 1637.5 Recipient policies, procedures and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient’s compliance with this part.

(b) Recipients and their employees are also prohibited from referring to other recipients individuals to whom they have given in-person unsolicited advice.

§ 1638.4 Permissible activities.

§ 1640.2 Applicable federal laws.

(a) LSC will maintain an exhaustive list of applicable Federal laws relating to the proper use of Federal funds on its Web site and provide recipients with a link to the list in the contractual agreement. (b) A violation of the agreement by a recipient based on recipient conduct will result in the Corporation terminating the recipient’s LSC grant or contract without need for a termination hearing. While an appeal of a conviction or judgment is pending, the Corporation may take any necessary steps to safeguard its funds.

(c) LSC will determine that the recipient has violated the agreement described in §1640.3 when an employee or board member of the recipient has been convicted of, or judgment has been entered against the employee or board member for, a violation of an applicable Federal law relating to the proper use of Federal funds with respect to the recipient’s grant or contract with LSC, by the court having jurisdiction of the matter, and any appeals of the conviction or judgment have been exhausted or the time for appeal has expired, and the Corporation finds that the recipient has knowingly or through gross negligence allowed the employee or board member to engage in such activities.

(d) A violation of the agreement by the recipient based on employee or board member conduct will result in the Corporation terminating the recipient’s LSC grant or contract. Prior to termination, the Corporation will provide notice and an opportunity to be

Subpart A—General

§ 1641.2

In order to assist in ensuring that recipients receive acceptable audits, this part sets out the authority of the Legal Services Corporation (“LSC”) Office of Inspector General (“OIG”) to debar, suspend or remove independent public accountants (“IPAs”) from performing audit services for recipients. This rule informs IPAs of their rights to notice and an opportunity to be heard on actions involving debarment, suspension or removal, and the standards upon which such actions will be taken. This part applies to IPAs performing audit services for recipients, subrecipients or other entities which receive LSC funds and are required to have an audit performed in accordance with guidance promulgated by the OIG.

§ 1641.2 Definitions.

Adequate evidence means information sufficient to support the reasonable belief that a particular act or omission has occurred.

Audit services means the annual financial statement audit of a recipient, including an audit of the recipient’s financial statements, systems of internal control, and compliance with laws and regulations.

Contract means an agreement between a recipient and an IPA for an IPA to provide audit services to the recipient.

Conviction means a judgment or conviction of a criminal offense by any court, whether entered upon a verdict or plea, including but not limited to, pleas of nolo contendere.

Debarment means a decision by the debarring official to prohibit an IPA from soliciting or entering into new contracts to perform audit services for recipient(s) based upon a finding by a preponderance of the evidence that any of the causes for debarment set out in § 1641.7 exist. Debarment may cover an IPA’s contracts with all recipients or with one or more specific recipients.

Debarring official is the official responsible for debarment, suspension or removal actions under this part. The
OIG legal counsel is the debarring official. In the absence of an OIG legal counsel or in the discretion of the Inspector General, the debarring official shall be the OIG staff person or other individual designated by the Inspector General.

Indictment means a charge by a grand jury that the person named therein has committed a criminal offense. An information, presentment, or other filing by competent authority charging a criminal offense shall be given the same effect as an indictment.

IPA means an independent public accountant or firm of accountants.

Knowingly means that an act was done voluntarily and intentionally and not because of mistake or accident.

Material fact means one which is necessary to determine the outcome of an issue or case and without which the case could not be supported.

Person means an individual or a firm, partnership, corporation, association, or other legal entity.

Preponderance of the evidence means proof by information that, compared with that opposing it, leads to the conclusion that the fact at issue is more probably true than not.

Removal means a decision by the debarring official to prohibit an IPA from performing audit services in subsequent years of an existing contract with one or more specific recipients based upon a finding by a preponderance of the evidence that any of the causes set out in §1641.18 exist.

Suspension means a decision by the debarring official, in anticipation of a debarment, to prohibit an IPA from soliciting or entering into new contracts to perform audit services for recipient(s) based upon a finding by a preponderance of the evidence that any of the causes referred to in §1641.13 exist. Suspension may preclude an IPA from soliciting or entering into new contracts with all recipients or with one or more specific recipients.

§ 1641.3 Scope of debarment, suspension and removal.

An IPA may be debarred, suspended or removed under this part only if the IPA is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

(a) Actions against individual IPAs. Debarment, suspension or removal of an individual IPA, debars, suspends or removes that individual from performing audit services as an individual or as an employee, independent contractor, agent or other representative of an IPA firm.

(b) Actions against IPA firms. (1) Debarment, suspension or removal shall affect only those divisions or other organizational elements materially involved in the relevant engagement and as to which there is cause to debar, suspend or remove.

(2) The debarment, suspension or removal action contemplated in paragraph (b)(1) of this section may include any firm that is an affiliate, subcontractor, joint venturer, agent or representative of the IPA firm only if such firm was materially involved in the relevant engagement and is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

(3) The debarment, suspension or removal action contemplated in paragraph (b)(1) of this section may include an individual officer, director, or partner responsible for the engagement, or an individual employee, independent contractor, agent, representative or other individual associated with an IPA firm only if such individual is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

§ 1641.4 Duration of debarment, suspension and removal.

A debarment, suspension or removal is effective as set out in the debarring official's decision to debar, suspend or remove, issued pursuant to §1641.22.

(a) Debarment. (1) Debarment generally should not exceed three years, but may be for a shorter period based on a consideration of the evidence presented by the IPA. Debarment may exceed three years in extraordinary circumstances.

(2) If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.
(3) The debarring official may extend an existing debarment for an additional period if the debarring official determines, based on additional facts not previously in the record, that an extension is necessary to protect LSC funds. The standards and procedures in this part shall be applied in any proceeding to extend a debarment.

(b) Suspension. (1) The debarring official may determine that a cause for suspension exists, but that an investigation or other legal or debarment proceeding should be completed before proceeding to a debarment. Suspension shall be for a temporary period pending the completion of an investigation or other legal or debarment proceedings, including a proceeding conducted by the OIG, a law enforcement or other government agency, an investigative or audit official from another OIG, a court, or a state licensing body or other organization with authority over IPAs.

(2) If debarment proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an official or organization conducting a proceeding referred to in paragraph (b)(1) of this section requests its extension in writing. In such cases, the suspension may be extended up to an additional six months. In no event may a suspension be imposed for more than 18 months, unless debarment proceedings have been initiated within that period.

(3) The OIG shall notify the appropriate official or organization conducting a proceeding referred to in paragraph (b)(1) of this section, if any, of the suspension within 10 days of its implementation, and shall notify such official or organization of an impending termination of a suspension at least 30 days before the 12-month period expires to allow an opportunity to request an extension.

(4) The limit on the duration of a suspension in paragraph (b)(2) of this section may be waived by the affected IPA.

(c) Removal. Removal shall be effective for the years remaining on the existing contract(s) between the IPA and the recipient(s).

§ 1641.7 Causes for debarment.

(a) IPAs debarred from providing audit services for all recipients are prohibited from soliciting or entering into any new contracts for audit services with recipients for the duration of the specified period of debarment. Recipients shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Debarred IPAs also are prohibited from providing audit services to recipients as agents or representatives of other IPAs.

(b) IPAs debarred from providing audit services for one or more specific recipient(s) are prohibited from soliciting or entering into any new contracts for audit services with such recipient(s) for the duration of the period of debarment as determined pursuant to this part. The affected recipient(s) shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Debarred IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Debarred IPAs also must provide prior written notice of the debarment to any recipient for which the IPA provides audit services.

§ 1641.6 Procedures for debarment.

Before debarring an IPA, the OIG shall provide the IPA with a hearing in accordance with the procedures set out in §§1641.7 through 1641.9. Such hearing shall be held entirely by written submissions, except:

(a) Additional proceedings shall be held under §1641.10 if the debarring official finds there is a genuine dispute of material fact; and/or

(b) A meeting may be held under §1641.9(c).

§ 1641.7 Causes for debarment.

The debarring official may debar an IPA from performing audit services in accordance with the procedures set forth in this part upon a finding by a preponderance of the evidence that:
§ 1641.8 Notice of proposed debarment.

(a) Before debarring an IPA, the OIG shall send the IPA written notice of the proposed debarment. The notice shall be sent in a manner that provides evidence of its receipt and shall:

(1) State that debarment is being considered;

(2) Identify the reasons for the proposed debarment sufficient to put the IPA on notice of the conduct or transaction(s) upon which a debarment proceeding is based;

(3) Identify the regulatory provisions governing the debarment proceeding; and

(4) State that debarment may be for a period of up to three years or longer under extraordinary circumstances. If the OIG has determined that extraordinary circumstances warranting debarment in excess of three years may exist, the notice shall so state.

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, which may comment on the proposed action in the time frame set out in §1641.9.

§ 1641.9 Response to notice of proposed debarment.

(a) The IPA shall have 30 days from receipt of the notice within which to respond.

(b) The response shall be in writing and may include information and argument in opposition to the proposed debarment, including any additional specific information pertaining to the possible causes for debarment, and information and argument in mitigation of the proposed period of debarment.

(c) The response may request a meeting with the debarring official to permit the IPA to discuss issues of fact or law relating to the proposed debarment, or to otherwise resolve the pending matters. Any such meeting shall take the form that the debarring official deems appropriate and shall be held within 20 days of the response. If the IPA requests an in person meeting, it shall be held at LSC headquarters.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for debarment and an acceptance of the period of debarment. In such circumstances, without further proceedings, the debarring official may enter a final decision stating the period of debarment.

§ 1641.10 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment under §1641.7 (d) or (e), if the debarring official finds that the IPA’s submission raises a genuine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA’s submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under §1641.9(c).

(b) If the debarring official determines additional proceedings to be warranted, OIG shall notify the IPA. Such notice shall include notice of the procedures under which such proceedings shall be conducted.
(c) A transcribed record of any additional proceedings shall be prepared and a copy shall be made available to the IPA without cost. 

(d) The debarring official may refer disputed material facts to a fact finder, who need not be a member of the OIG staff, for fact finding, analysis and recommendation.

Subpart C—Suspension

§ 1641.11 Suspension. 

(a) IPAs suspended from providing audit services for all recipients are prohibited from soliciting or entering into any new contracts for audit services with recipients for the duration of the suspension. Recipients shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Suspended IPAs also are prohibited from providing audit services to recipients as agents or representatives of other IPAs.

(b) IPAs suspended from providing audit services for one or more specific recipient(s) are prohibited from soliciting or entering into any new contracts for audit services with such recipient(s) for the duration of the period of suspension as determined pursuant to this part. The affected recipient(s) shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Suspended IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Suspended IPAs also must provide prior written notice of the suspension to any recipient for which the IPA provides audit services.

§ 1641.12 Procedures for suspension. 

Before suspending an IPA, the OIG shall provide the IPA with a show cause hearing in accordance with the procedures set out in §§1641.13 through 1641.15. Such hearing shall be held entirely by written submissions, except that a meeting may be held under §1641.15(c).

§ 1641.13 Causes for suspension. 

The debarring official may suspend an IPA in accordance with the procedures set forth in this part upon adequate evidence that:

(a) A cause for debarment under §1641.7 may exist;

(b) The IPA has been indicted for or convicted of any offense described in §1641.7;

(c) The IPA has been found subject to a civil judgment described in §1641.7(e), whether the judgment is final or not.

(d) The IPA has been suspended from contracting with a Federal agency or entity receiving Federal funds including when the IPA has stipulated to the suspension.

§ 1641.14 Notice of proposed suspension. 

(a) Before suspending an IPA, OIG shall send it written notice of cause to suspend. Such notice shall:

(1) Include a directive to show cause, signed by the debarring official, which shall inform the IPA that unless the IPA responds within 10 days as provided in §1641.15, a suspension will be imposed;

(2) Identify the reasons for the proposed suspension sufficient to put the IPA on notice of the conduct or transaction(s) upon which a suspension proceeding is based;

(3) Identify the regulatory provisions governing the suspension proceeding; and

(4) State that, if imposed, the suspension shall be for a temporary period pending the completion of an investigation or other legal or debarment proceeding.

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, who may comment on the proposed action in the time frame set out in §1641.15.

§ 1641.15 Response to notice of proposed suspension. 

(a) The IPA shall have 10 days from receipt of the notice within which to respond.
§ 1641.16

(b) The response shall be in writing and may include information and argument in opposition to the proposed suspension, including any additional specific information pertaining to the possible causes for suspension, and information and argument in mitigation of the proposed period of suspension.

(c) The response may request a meeting with the OIG official identified in the notice to permit the IPA to discuss issues of fact or law relating to the proposed suspension, or to otherwise resolve the pending matters:

(1) Any such meeting shall take such form as the debarring official deems appropriate and shall be held within 10 days of the response.

(2) No meeting will be held if a law enforcement official, an investigative or audit official from another OIG, a state licensing body or other organization with authority over IPAs, or a governmental agency has advised in writing that the substantial interest of a governmental unit would be prejudiced by such a meeting and the debarring official determines that the suspension is based on the same facts as the pending legal proceedings referenced by the law enforcement official.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for suspension set forth in the notice and an acceptance of the period of suspension. In such circumstances, the OIG may proceed to a final decision without further proceedings.

Subpart D—Removal

§ 1641.16 Removal.

Removed IPAs are prohibited from performing audit services in subsequent years under an existing contract(s) with one or more specific recipients. The affected recipient(s) shall not extend existing contracts with such IPAs. Removed IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Removed IPAs also must provide prior written notice of the removal to any such recipient.

§ 1641.17 Procedures for removal.

(a) Before removing an IPA, the OIG shall provide the IPA with a hearing in accordance with the procedures set out in §§1641.18 through 1641.21. Such hearing shall be held entirely by written submissions, except:

(1) Additional proceedings shall be held under §1641.21 if the debarring official finds there is a genuine dispute of material fact; and/or

(2) A meeting may be held under §1641.20(c).

(b) A Notice of Proposed Removal normally will be accompanied by a Notice of Proposed Debarment, and the proceedings may be consolidated.

§ 1641.18 Causes for removal.

The debarring official may remove an IPA from performing audit services in accordance with the procedures set forth in this part upon a finding by a preponderance of the evidence that:

(a) The IPA has failed significantly to comply with government auditing standards established by the Controller General of the United States, generally accepted auditing standards and/or OIG audit guidance as stated in the OIG Audit Guide for Recipients and Auditors, including the Compliance Supplement for Audits of LSC Recipients, and in OIG Audit Bulletins;

(b) The IPA is currently debarred from contracting with any Federal agency or entity receiving Federal funds, including when the IPA has stipulated to such debarment;

(c) The IPA’s license to practice accounting has been revoked, terminated or suspended by a state licensing body or other organization with authority over IPAs;

(d) The IPA has been convicted of any offense indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to commit such an offense, and the conviction is final; or

(e) The IPA has been found subject to a civil judgment for any action indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to take such action, and the judgment is final.
§ 1641.19 Notice of proposed removal.

(a) Before removing an IPA, the OIG shall send the IPA written notice of the proposed removal. The notice shall be sent in a manner that provides evidence of its receipt and shall:

(1) State that removal is being considered;
(2) Identify the reasons for the proposed removal sufficient to put the IPA on notice of the conduct or transaction(s) upon which a removal proceeding is based;
(3) Identify the regulatory provisions governing the removal proceeding; and
(4) State that removal shall be for the years remaining on the existing contract(s) between the IPA and the recipient(s).

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, which may comment on the proposed action in the time frame set out in §1641.20.

§ 1641.20 Response to notice of proposed removal.

(a) The IPA shall have 30 days from receipt of the notice within which to respond.
(b) The response shall be in writing and may include information and argument in opposition to the proposed removal, including any additional specific information pertaining to the possible causes for removal.
(c) The response may request a meeting with the debarring official to permit the IPA to discuss issues of fact or law relating to the proposed removal, or to otherwise resolve the pending matters. Any such meeting shall take the form that the debarring official deems appropriate and shall be held within 20 days of the response. If the IPA requests an in person meeting, it shall be held at LSC headquarters.
(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for removal set forth in the notice and an acceptance of the removal. In such circumstances, without further proceedings, the debarring official may enter a final decision removing the IPA.

§ 1641.21 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment under §1641.18(d) or (e), if the debarring official finds that the IPA's submission raises a genuine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA's submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under §1641.20(c).
(b) If the debarring official determines additional proceedings to be warranted, OIG shall notify the IPA. Such notice shall include notice of the procedures under which such proceedings shall be conducted.
(c) A transcribed record of any additional proceedings shall be prepared and a copy shall be made available to the IPA without cost.
(d) The debarring official may refer disputed material facts to a fact finder, who need not be a member of the OIG staff, for fact finding, analysis and recommendation.

Subpart E—Decisions

§ 1641.22 Decisions of debarring official.

(a) Standard of proof. (1) A debarment or removal must be based on a finding that the cause or causes for debarment or removal are established by a preponderance of the evidence in the administrative record of the case.
(2) A suspension must be based on a finding that the cause or causes are established by adequate evidence in the administrative record of the case.
(b) The administrative record consists of any information, reports, documents or other evidence identified and relied upon in the Notice of Proposed Debarment, the Notice of Proposed Suspension, or the Notice of Proposed Removal, together with any relevant
material contained in the IPA's re-
response or submitted by an affected re-
cipient. In the case of debarment or re-
moval, when additional proceedings are
necessary to determine disputed mate-
rial facts, the administrative record
also shall consist of any relevant mate-
rial submitted or presented at such
proceedings.

(c) Failure of the OIG to meet a time
requirement of this part does not pre-
clude the OIG from debarring, sus-
pending or removing an IPA. In ex-
traordinary circumstances, the OIG
may grant an IPA an extension of the
time requirements set out in this part.

(d) Notice of decisions. IPAs shall be
given prompt notice of the debarring
official's decision. A copy of the deci-
ISION also will be sent to the affected re-
cipient. If the debarring official debars,
suspends or removes an IPA, the deci-
sion shall:
(1) Set forth the finding(s) upon
which the decision is based;
(2) Set forth the effect of the debar-
ment, suspension or removal action
and the effective dates of the action;
(3) Refer the IPA to its procedural
rights of appeal and reconsideration
under §1641.24; and
(4) Inform the IPA that a copy of the
debarring official's decision will be a
public document and the fact of debar-
ment, suspension or removal will be a
matter of public record.

(e) If the debarring official decides
that a debarment, suspension, or re-
moval is not warranted, the Notice
may be withdrawn or the proceeding
may be otherwise terminated.

(f) If the debarring official deems it
appropriate, the debarring official
may, at any time, settle by agreement
with the IPA a debarment, suspension,
or removal action. Such a negotiated
settlement may include the imposition
of appropriate conditions on the IPA.

§1641.23 Exceptions to debarment,
suspension and removal.

Exceptions to the effects of debar-
ment, suspension or removal may be
available in unique circumstances,
when there are compelling reasons to
use a particular IPA for a specific task.
Requests for such exceptions may be
submitted only by the recipient requir-
ing audit services. The Inspector Gen-
eral may except a contract from the ef-
fects of debarment, suspension or re-
moval upon a written determination
that a compelling reason exists for
using the IPA in the particular in-
stance.

§1641.24 Appeal and reconsideration
of debarring official decisions.

(a) Appeal and reconsideration gen-
erally. A debarred, suspended or re-
moved IPA may submit the debarring
official's decision for appeal or recon-

[39 FR 38679, Nov. 4, 1974]

§ 1701.2 Disclosure of records and informational materials.

(1)(i) Specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and (ii) are in fact properly classified pursuant to such Executive Order;

However, in accordance with 5 U.S.C. 552(a)(4)(A) the Commission deems that publication of the index or supplements
§ 1701.3 Requests.

(a) A member of the public may request records from the National Commission on Libraries and Information Science by writing to the Associate Director, National Commission on Libraries and Information Science, Suite 601, 1717 K Street, NW, Washington, DC 20036.

(b) A request for access to records should reasonably describe the records requested such that Commission personnel will be able to locate them with a reasonable amount of effort. Where possible, specific information regarding dates, titles, file designations, and other information which may help identify the records should be supplied by the requester.

(c) Records or materials will be available for inspection and copying at the offices of the Commission during the normal business hours of regular business days or they may be obtained by mail.

§ 1701.4 Fees.

(a) A fee may be charged for direct costs of document search and duplication at the rate of $0.10 per page for copying and $5.00 per hour for time expended in identifying and locating records.

(b) A fee may be waived in whole or in part where it is determined that it is in the public interest because furnishing the information can be considered as primarily benefiting the general public or where other circumstances indicate that a waiver is appropriate.

(c) The Commission may limit the number of copies of any document provided to any person.

§ 1701.5 Prompt response.

(a) Within ten days (excluding Saturdays, Sundays and legal public holidays) of the receipt of a request, the Associate Director shall determine whether to comply with or deny such request and shall dispatch such determination to the requester, unless an extension is made under paragraph (c) of this section.

(b) Only the Associate Director may deny a request and is the “person responsible for the denial” within the meaning of 5 U.S.C. 552(a). When a denial is made at the behest of another agency, the person in that agency responsible for urging the denial may also be a “person responsible for the denial” if he is so advised before the Associate Director informs the requester that his request is denied.

(c) In unusual circumstances as specified in this paragraph, the Associate Director may extend the time for the initial determination of a request up to a total of ten days (excluding Saturdays, Sundays and legal public holidays). Extensions shall be made by written notice to the requester setting forth the reason for the extension and the date upon which a determination is expected to be dispatched. As used in this paragraph “unusual circumstances” means, but only to the extent necessary to the proper processing of the request—

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the Commission;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request.

(d) If no determination has been dispatched at the end of the ten-day period, or the last extension thereof, the requester may deem his request denied, and exercise a right of appeal in accordance with §1701.7. When no determination can be dispatched within the applicable time limit, the Associate Director shall nevertheless continue to
process the request. On expiration of the time limit he shall inform the requester of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of his rights to treat the delay as a denial and appeal to the Executive Director in accordance with §1701.7. He may also ask the requester to forgo appeal until a determination is made.

[40 FR 7653, Feb. 21, 1975]

§ 1701.6 Form of denial.

A reply denying a request shall be in writing, signed by the Associate Director, and shall include: (a) A specific reference to the exemption or exemptions under the Freedom of Information Act authorizing the withholding of the record, (b) brief explanation of how the exemption(s) applies to the record(s) withheld, (c) a statement that the denial may be appealed under §1701.7 within thirty days by writing to the Executive Director, National Commission on Libraries and Information Science, Suite 601, 1717 K Street NW., Washington, DC 20036, and (d) that judicial review will thereafter be available in the district in which the requester resides or has his principal place of business, the district in which the agency records are situated, or in the District of Columbia.

[40 FR 7653, Feb. 21, 1975]

§ 1701.7 Appeals.

(a) When the Associate Director has denied a request for records in whole or in part, the requester may, within thirty days of receipt of the letter notifying him of the denial, appeal to the Commission. Appeals to the Commission shall be in writing, addressed to the Executive Director, National Commission on Libraries and Information Science, 1717 K Street NW., Washington, DC 20036.

(b) The Commission will act upon an appeal within twenty days (excepting Saturdays, Sundays or legal public holidays) of its receipt, unless an extension is made under paragraph (c) of this section.

(c) In unusual circumstances as specified in this paragraph, the time for action on an appeal may be extended up to ten days (excluding Saturdays, Sundays, and legal public holidays) minus any extension granted at the initial request level pursuant to §1701.5(c). Such extension shall be made by written notice to the requester setting forth the reason for the extension and the date on which a determination is expected to be dispatched. As used in this paragraph “unusual circumstances” means, but only to the extent necessary to the proper processing of the appeal—

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the Commission;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request.

(d) If no determination of the appeal has been dispatched at the end of the twenty-day period or the last extension thereof, the requester is deemed to have exhausted his administrative remedies, giving rise to a right of review in a district court of the United States as specified in 5 U.S.C. 552(a)(4). When no determination can be dispatched within the applicable time limit, the appeal will nevertheless continue to be processed. On expiration of the time limit the requester shall be informed of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of his right to seek judicial review in the United States district court in the district in which he resides or has his principal place of business, the district in which the records are situated, or the District of Columbia. The requester may be asked to forgo judicial review until determination of the appeal.

(e) The Commission’s determination on appeal shall be in writing. An affirmance in whole or in part of a denial on appeal shall include: (1) A reference to the specific exemption or exemptions under the Freedom of Information Act authorizing the withholding of the record,
(2) A brief explanation of how the exemption(s) applies to the record(s) withheld, and
(3) A statement that judicial review of the denial is available in the district in which the requester resides or has his principal place of business, the district in which the agency records are situated, or the District of Columbia.

SOURCE: 42 FR 13553, Mar. 11, 1977, unless otherwise noted.

Subpart A—General Provisions

§ 1703.101 Purpose.

This part sets forth the regulations under which the Commission shall engage in public decision-making processes, make public announcement of meetings at which a quorum of or all Commission members consider and determine official Commission action, and inform the public of which meetings they are entitled to observe.

§ 1703.102 Definitions.

In this part:
(a) Meeting means the deliberations of a majority of the Commission members who have been appointed by the President and confirmed by the Senate where such deliberations determine or result in the joint conduct of official Commission business.
(b) Member means one of the Commissioners of the National Commission on Libraries and Information Science (NCLIS) who is appointed to that position by the President with the advice and consent of the Senate.

§ 1703.103 Applicability and scope.

This part applies to deliberations of a majority of the Commission members who have been appointed by the President and confirmed by the Senate. Excluded from coverage of this part are deliberations of interagency committees whose composition includes Commission members and deliberations of Commission officials who are not members; individual member’s consideration of official agency business circulated to the members in writing for disposition or notation; and deliberations by the agency in determining whether or not to close a portion or portions of a meeting or series of meetings as provided in §1703.202.

§ 1703.104 Open meeting policy.

The public is entitled to the fullest practicable information regarding the decision-making processes of the Commission. Commission meetings involving deliberations which determine or result in the joint conduct or disposition of official Commission business
are presumptively open to the public. It is the intent of these regulations to open such meetings to public observation while protecting individuals' rights and the Commission's ability to carry out its responsibilities. Meetings or portions of meetings may be closed to public observation only if closure can be justified under one of the provisions set forth in §1703.202.

Subpart B—Procedures Governing Decisions About Meetings

§1703.201 Decision to hold meeting.

When Commission members make a decision to hold a meeting, the proposed meeting will ordinarily be scheduled for a date no earlier than eight days after the decision to allow sufficient time to give appropriate public notice. At the time a decision is made to hold a meeting, the time, place, and subject matter of the meeting will be determined, as well as whether the meeting is to be open or closed to the public.

§1703.202 Provisions under which a meeting may be closed.

(a) A meeting or portion thereof may be closed to public observation, and information pertaining to such meeting may be withheld from the public, where the Commission determines that such portion or portions of its meeting or disclosure of such information is likely to:

(1) Disclose matters that are: (i) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy and
(ii) In fact properly classified pursuant to such Executive order;
(2) Relate solely to the internal personnel rules and practices of an agency;
(3) Disclose matters specifically exempted from disclosure by statute (other than section 552 of this title). Provided that such statute: (i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or
(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;
(4) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;
(5) Involve accusing any person of a crime, or formally censuring any person;
(6) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
(7) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would: (i) Interfere with enforcement proceedings,
(ii) Deprive a person of a right to a fair trial or an impartial adjudication,
(iii) Constitute an unwarranted invasion of personal privacy,
(iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source,
(v) Disclose investigative techniques and procedures, or
(vi) Endanger the life or physical safety of law enforcement personnel;
(8) Disclose information contained in or related to examination, operating, or condition reports prepared by, or on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;
(9) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action, except this subparagraph shall not apply in any instance where the agency has already disclosed to the public the content or nature of its proposed action, or where the agency is required by law to make such disclosure on its own initiative prior to taking final agency action on such proposal; or
(10) Specifically concern the agency's issuance of a subpoena, or the agency's participation in a civil action or proceeding, an action in a foreign court or
§ 1703.205 § 1703.205

international tribunal, or an arbitration, or the initiation, conduct, or disposition by the agency of a particular case of formal agency adjudication pursuant to the procedures in section 554 of this title or otherwise involving a determination on the record after opportunity for a hearing.

(b) The Commission may exercise its authority to open to public observation a meeting which could be closed under one of the provisions of §1703.202(a), if it would be in the public interest to do so. The Commission will determine whether the discussion comes within one of the specific exemptions. If the discussion is determined to be exempt, the Commission will consider and determine whether the public interest nevertheless requires that the meeting be open.

§ 1703.203 Decision to close meeting.

(a) Commission members may decide before the meeting to close to public observation a meeting or portion or portions thereof, or to withhold information pertaining to such meeting, only if a majority of the members vote on the record to take such action. No proxy votes on this action shall be allowed. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series. If a decision is made to close a portion or portions of a meeting or a series of meetings, the Commission shall prepare a full written explanation of the closure action together with a list naming all persons expected to attend the meeting and identifying their affiliation.

(b) For every meeting or portion thereof which Commission members have voted to close, the Chairman of NCLIS shall certify that, in his or her opinion, the meeting may properly be closed to the public. In addition, the Chairman shall state each relevant exemptive provision as set forth in §1703.202(a). A copy of the Chairman’s certification, together with a statement from the Chairman setting forth the time and place of the meeting and listing the persons present, shall be retained by the Commission.

(c) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Commission close such portion to the public for any of the reasons referred to in §1703.202 (a) (5), (6), or (7), the Commission members, upon request of any of the Commissioners, shall decide by recorded vote whether to close such portion. If a closure decision is made, the Commission shall prepare a full written explanation of the closure action together with a list naming all persons expected to attend the meeting and identifying their affiliation.

§ 1703.204 Public availability of recorded vote to close meeting.

Within one day of any vote taken on a proposal to close a meeting, the Commission shall make publicly available a record reflecting the vote of each member on the question. In addition, within one day of any vote which closes a portion or portions of a meeting to the public, the Commission shall make publicly available a full written explanation of its closure action together with a list naming all persons expected to attend and identifying their affiliation, unless such disclosure would reveal the information that the meeting itself was closed to protect.

§ 1703.205 Public announcement of meeting.

(a) Except as provided in §§1703.207 and 1703.208, the Commission shall make a public announcement at least one week before the scheduled meeting, to include the following:

(1) Time, place, and subject matter of the meeting;

(2) Whether the meeting is to be open or closed; and

(3) Name and telephone number of agency official who will respond to requests for information about the meeting.

(b) For every meeting or portion thereof which Commission members have voted to close, the Chairman of NCLIS shall certify that, in his or her opinion, the meeting may properly be closed to the public. In addition, the Chairman shall state each relevant exemptive provision as set forth in §1703.202(a). A copy of the Chairman’s certification, together with a statement from the Chairman setting forth the time and place of the meeting and listing the persons present, shall be retained by the Commission.

(c) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Commission close such portion to the public for any of the reasons referred to in §1703.202 (a) (5), (6), or (7), the Commission members, upon request of any of the Commissioners, shall decide by recorded vote whether to close such portion. If a closure decision is made, the Commission shall prepare a full written explanation of the closure action together with a list naming all persons expected to attend the meeting and identifying their affiliation.

§ 1703.204 Public availability of recorded vote to close meeting.

Within one day of any vote taken on a proposal to close a meeting, the Commission shall make publicly available a record reflecting the vote of each member on the question. In addition, within one day of any vote which closes a portion or portions of a meeting to the public, the Commission shall make publicly available a full written explanation of its closure action together with a list naming all persons expected to attend and identifying their affiliation, unless such disclosure would reveal the information that the meeting itself was closed to protect.

§ 1703.205 Public announcement of meeting.

(a) Except as provided in §§1703.207 and 1703.208, the Commission shall make a public announcement at least one week before the scheduled meeting, to include the following:

(1) Time, place, and subject matter of the meeting;

(2) Whether the meeting is to be open or closed; and

(3) Name and telephone number of agency official who will respond to requests for information about the meeting.

(b) If announcement of the subject matter of a closed meeting would reveal the information that the meeting was closed to protect, the subject matter shall not be announced.
§ 1703.206 Providing information to the public.

Individuals or organizations interested in obtaining copies of information available in accordance with §1703.204 may request same under provisions set forth in §§1703.402 and 1704.404. Individuals or organizations having a special interest in activities of the Commission may request the Executive Director to the Commissioners to place them on a mailing list for receipt of information available under §1703.205. The Commission shall provide information to publications whose readers are likely to have a special interest in the work of the Commission.

§ 1703.207 Change in meeting plans after public announcement.

(a) Following public announcement of a meeting, the time or place of a meeting may be changed only if the change is announced publicly at the earliest practicable time.

§ 1703.208 Meetings for extraordinary agency business.

Where agency business so requires, Commission members may decide by majority, recorded vote to schedule a meeting for a date earlier than eight days after the decision. Such a decision would obviate the general requirement for a public announcement at least one week before the scheduled meeting. At the earliest practicable time, however, the Commission will announce publicly the time, place, and subject matter of the meeting, whether the meeting is to be open or closed, and the name and telephone number of an agency official who will respond to requests for information about the meeting.

Subpart C—Conduct of Meetings

§ 1703.301 Meeting place.

Meetings will be held in meeting rooms designated in the public announcement. Whenever the number of observers is greater than can be accommodated in the meeting room designated, every reasonable effort will be made to provide alternative facilities.

§ 1703.302 Role of observers.

The public may attend open meetings for the sole purpose of observation and may not record any of the discussions by means of electronic or other devices or cameras unless approved in advance by the Executive Committee of the Commission. Observers may not participate in meetings unless expressly invited or create distractions to interfere with the conduct and disposition of Commission business. Such participation or attempted participation shall be cause for removal of any person so engaged at the discretion of the presiding member of the Commission. When meetings are partially closed, observers will leave the meeting room promptly upon request so that discussion, of matters exempt under provisions of subpart B of this part, §1703.202, may take place expeditiously.

Subpart D—Maintenance of Meeting Records

§ 1703.401 Requirements for maintaining records of closed meetings.

(a) A record of each meeting or portion thereof which is closed to the public must be made and retained for two years or for one year after the conclusion of the Commission proceeding involved in the meeting. The record of any portion of a meeting closed to the public shall be a transcript or electronic recording.

(b) When minutes are produced, such minutes shall fully and clearly describe all matters discussed, and will provide a full and accurate summary of any actions taken and the reasons expressed.
therefor. The minutes must also reflect the vote of each member on any roll call vote taken during the proceedings and identify all documents produced at the meeting.

(c) The following documents produced under provisions of paragraph (b) of this section shall be retained by the agency as part of the minutes of the meeting:

(1) Certification by the Chairman that the meeting may properly be closed; and

(2) Statement from the presiding officer of the meeting setting forth the date, time and place of the meeting and listing the persons present.

§ 1703.402 Availability of records to the public.

(a) The Commission shall make promptly available to the public the minutes maintained as a record of a closed meeting, except for such information as may be withheld under one of the provisions of §1703.202(a) of this report. Copies of such minutes, disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription.

(b) The nonexempt part of the minutes shall be in the official custody of the Executive Director of the Commission. Appropriate facilities will be made available to any persons who make a request to review these records.

(c) Requests for copies of nonexempt parts of minutes, shall be directed to the Executive Director of the Commission. Such requests shall identify the records being sought and include a statement that whatever costs are involved in furnishing the records will be acceptable or, alternatively, that costs will be acceptable up to a specified amount.

§ 1703.403 Requests for records under Freedom of Information and Privacy Acts.

Requests to review or obtain copies of records other than the minutes of a meeting will be processed under the Freedom of Information Act (5 U.S.C. 552) or, where applicable, the Privacy Act (5 U.S.C. 552a).

§ 1703.404 Copying and transcription charges.

(a) The Commission will charge fees for furnishing records at the rate of ten cents per page for photocopies and at the actual cost of transcription. When the anticipated charges exceed $50, a deposit of 20 percent of the amount anticipated must be made within 30 days. Requested information will not be released until the deposit is received. Fees shall be paid by check or money order made payable to the National Commission on Libraries and Information Science.

(b) The Executive Director of the Commission has the discretion to waive charges whenever release of the copies is determined to be in the public interest.

Subpart E—Administrative Review

§ 1703.501 Administrative Review.

Any person who believes a Commission action governed by this part to be contrary to the provisions of this part may file an objection in writing with the Executive Director to the Commissioners. Whenever possible, the Executive Director will respond within two working days to objections concerning decisions to close meetings or portions thereof. Responses to objections concerning matters other than closed meetings will be made within ten working days.

Subpart F—Judicial Review

§ 1703.601 Judicial review.

Any person may bring an action in a United States District Court to challenge or enforce the provisions of this part or the manner of their implementation. Such action may be brought prior to or within sixty days after the meeting in question, except that if proper public announcement of the meeting is not made, the action may be instituted at any time within sixty days after such announcement is made. An action may be brought where the Commission meeting was or is to be held or in the District of Columbia.

(b) The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspections:

§ 1706.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons.
§ 1706.120 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—
   (i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;
   (ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;
   (iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;
   (iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;
   (v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or
   (vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of possibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—
   (i) Subject qualified handicapped persons to discrimination on the basis of handicap; or
   (ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—
   (i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or
   (ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.
§ 1706.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1706.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1706.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1706.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by October 7, 1986, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—
§ 1706.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§ 1706.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1706.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 1706.152–1706.159 [Reserved]

§ 1706.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1706.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

(b) As used in this part, State means each of the States, the District of Columbia, the Commonwealth of Puerto Rico, and considered as a single entity: Guam, the Virgin Islands, American Samoa, and the Commonwealth of the Northern Mariana Islands (The Islands).

§ 1801.3 Students eligible for nomination.

A student is eligible to be nominated for a Truman Scholarship if he or she:

If an institution does not offer education beyond the sophomore level, the institution may nominate only students who have completed two years at that institution and who are currently enrolled as full-time juniors at accredited four-year institutions. (c) In the event that a regional review panel determines that none of the Finalists from a state meets all the requirements expected of a Truman Scholar, it does not provide a recommendation. The Foundation will carry over the Scholarship for that state making two Scholarships available the following year.

§ 1801.24 Selection of Truman Scholars by the Foundation.

The Foundation names Truman Scholars after receiving recommendations from the regional review panels.
§ 1801.30 Continuation into graduate study.

(a) By December 1, Scholars desiring Foundation support for graduate study the following academic year must submit a proposed program of graduate study to the Foundation for approval. The graduate program proposed for approval may differ from that proposed by the Scholar when nominated for a Truman Scholarship. Factors to be used by the Foundation in considering approval include being consistent with:

1. Field of study initially proposed in the Scholar’s Application;
2. Graduate school programs given priority in the current Bulletin of Information;

(b) Foundation approval in writing of the Scholar’s proposal is required before financial support is granted for graduate work.

(d) After completing his or her undergraduate studies, a Scholar each year may request in writing a deferral of support for graduate studies. Deferrals must be requested no later than June 15 for the succeeding academic year. Total deferrals may not exceed four years unless an extension is granted in writing by the Foundation.

§ 1801.32 Eligible institutions and degree programs.

(a) Truman Scholars at the graduate level may use Foundation support to study at any accredited college or university in the United States or abroad that offers graduate study appropriate and relevant to their public service career goals.

(2) A certification by an authorized official of the institution that the Scholar is a full-time student and is taking a course of study, training, or other educational activities to prepare for a career in public service; and is not engaged in gainful employment that interferes with the Scholar’s studies; and

(3) A certification by an authorized official of the institution of whether the Scholar is in academic good standing.

(b) At the beginning of each academic year, the Scholar must have his or her institution submit a certified Educational Expense Form containing the following:

(1) A certification by an authorized official of the institution that the Scholar’s statement of costs for tuition, fees, books, room and board and other expenses required for the academic year is accurate; and

(2) A certification of the amounts of those costs that are paid or waived by the institution or paid by another organization.

§ 1801.52 Payment schedule.

The Foundation will pay the Scholar a portion of the award of the Scholarship stipend (as described in the Foundation’s Bulletin of Information) after each report submitted under § 1801.51.

§ 1801.53 Postponement of payment.

(a) A Scholar may request the Foundation to postpone one or more payments because of sickness or other circumstances.

(b) If the Foundation grants a postponement, it may impose conditions as it deems appropriate.

§ 1801.54 Annual report.

(a) Scholars with remaining eligibility for scholarship stipends must submit no later than July 15 an annual report to the Foundation.

(b) The annual report should be in narrative form and cover: courses taken and grades earned; courses planned for the coming year if Foundation support will be requested; public service and school activities; part-time or full-time employment and summer employment or internships; and achievements, awards and recognition, publications or significant developments.

(c) Newly selected Scholars are required to submit by the July 15 following their selection an annual report
updating the Foundation on their activities and accomplishments since the time they submitted their applications for the Truman Scholarship.

Subpart G—Duration of Scholarship

§ 1801.60 Renewal of scholarship.

It is the intent of the Foundation to provide scholarship awards for a period not to exceed a total of four academic years, only in accordance with the regulations established by its Board of Trustees, and subject to an annual review for compliance with the requirements of this part.

§ 1801.61 Termination of scholarship.

(a) The Foundation may suspend or terminate a scholarship under the following specific conditions:

(1) Unsatisfactory academic performance for two terms, failure to pursue preparation for a career in public service, or loss of interest in a career in public service;

(2) Failure to meet the criteria in §1801.3(d), §1801.30(a) §1801.31(a) and (b), or §1801.51;

(3) Failure to submit a report or request required by the Foundation or providing false, misleading, or materially incomplete information on any report, payment request or other submission to the Foundation; or

(4) Failure to begin use of the graduate portion of the scholarship within four years of the date of receipt of a baccalaureate degree unless granted an extension in writing by the Foundation.

(b) Before it terminates a scholarship, the Foundation will notify the Scholar of the proposed action and will provide an opportunity to be heard with respect to the grounds for termination.

§ 1801.62 Recovery of scholarship funds.

(a) When a Truman Scholarship is terminated for any reason, the Scholar must return to the Foundation any stipend funds which have not yet been spent or which the Scholar may recover.

(b) A Scholar who fails for any reason to complete, as a full-time student, a school term for which he or she has received a Foundation stipend, must return the amount of that stipend to the Foundation. The Foundation may waive this requirement upon application by the Scholar showing good cause for doing so.

§ 1801.63 Scholar Accountability.

(a) A Scholar selected after January 2005 must be employed in public service for three of the seven years following completion of his or her Foundation funded graduate education.

(b) Following completion of Foundation funded graduate education, Scholars must submit a report to the Foundation by July 15 of each year. This report will include the Scholar’s current contact information as well as a brief description of his or her employment during the past twelve months. This reporting requirement ends when the Foundation determines that a Scholar has reported three years of public service employment and the Foundation notifies him or her that he or she no longer is required to submit reports. Scholars who fail for two consecutive years to submit the required report to the Foundation will be considered to have failed to complete the three year public service requirement of paragraph (a) of this section.

(c) A Scholar who fails to be employed in public service for three out of the first seven years following completion of his or her Foundation funded graduate education must repay to the Foundation an amount equal to:

(1) All of the Scholarship stipends received,

(2) Interest at the rate of 6% per annum from the date of receipt of each payment until repayment is made to the Foundation, and

(3) Reasonable collection fees.

(d)(1) The repayment obligation of paragraph (c) of this section accrues on the first July 15 on which it becomes impossible for a Scholar to fulfill the three year public service requirement of paragraph (a) of this section. For example, the repayment obligation would accrue on July 15 of the sixth year following completion of Foundation funded graduate education for a Scholar who has been employed in the public service for only one of those six years.
(2) The Foundation will send to the Scholar’s last known address a notice that his or her repayment obligation has accrued. The failure, however, of the Foundation to send, or the Scholar to receive, such a notice does not alter or delay the Scholar’s repayment obligation.

(e) The Foundation may employ whatever remedies are available to it to collect any unpaid obligation accruing under this § 1801.63.

(f) Upon application by the Scholar showing good cause for doing so, the Foundation may waive or modify the repayment obligation established by paragraph (c) of this section.

(g) The Foundation will establish a process for appealing any disputes concerning the accrual of the repayment obligation imposed by paragraph (c) of this section. The Foundation will publish on its Web site http://www.truman.gov information about this appeals process and other information pertinent to repayment obligations accruing under this § 1801.63.

§ 1802.6 Procedure for closing meetings.

(a) Action to close a meeting or a portion thereof, pursuant to the exemptions set forth in §1802.4, shall be taken only when a majority of the entire voting membership of the Board or a majority of the entire voting membership of a committee, as applicable, vote to take such action. Any such action shall include a specific finding by the Board that an open meeting is not required by the public interest.

§ 1802.5 Procedure for announcing meetings.

(c) The time or place of a meeting may be changed following the public announcement required by paragraph (a) only if the Executive Secretary, acting at the direction of the Board, publicly announces such change at the earliest practicable time. Such change need not be voted on by the members.

(d) The subject matter of a meeting, or the determination of the Board or committee, as applicable, to open or close a meeting, or portion of a meeting, to the public, may be changed following the public announcement required by paragraph (a) of this section only if: (1) A majority of the entire voting membership of the Board or a majority of the entire voting membership of a committee, determines by a recorded vote that Board or committee business so requires and that no earlier announcement of the change was possible, and

(2) The Board or committee publicly announces such change and the vote of each member upon such change at the earliest practicable time.

(e) The “earliest practicable time” as used in this section, means as soon as possible, which should in few, if any, instances be no later than commencement of the meeting or portion in question.

(f) Immediately following each public announcement required by this section, notice of the time, place and subject matter of a meeting, whether the meeting is open or closed, any change in one of the preceding, and the name and phone number of the person designated by the Board or committee to respond to requests for information about the meeting, shall be submitted for publication in the FEDERAL REGISTER.

§ 1802.6 Procedure for closing meetings.

(a) Action to close a meeting or a portion thereof, pursuant to the exemptions set forth in §1802.4, shall be taken only when a majority of the entire voting membership of the Board or a majority of the entire voting membership of a committee, as applicable, vote to take such action. Any such action shall include a specific finding by the Board that an open meeting is not required by the public interest.

(b) A separate vote of the Board or committee members shall be taken with respect to each Board or committee meeting, a portion or portions of which are proposed to be closed to the public pursuant to §1802.4 or with

595
§ 1802.7 Transcripts, recordings, minutes of meetings.

(a) The Board of Trustees shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or portion of a meeting, closed to the public, except that in the case of a meeting closed to the public pursuant to paragraph (j) of §1802.4, the Board shall maintain either such a transcript or recording, or a set of minutes.

(b) Where minutes are maintained they shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons for such actions, including a description of each of the views expressed on any item and the record of any roll call vote (reflecting the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(c) The Board shall maintain a complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording of each meeting or portion of a meeting, closed pursuant to paragraph (a), (b), (c) or (e) of this section, make publicly available a full written explanation of its action closing the portion together with a list of all persons expected to attend the meeting and their affiliation. The information required by this paragraph shall be disclosed except to the extent it is exempt from disclosure under the provisions of §1802.4.

(g) For every meeting closed pursuant to §1802.4, the General Counsel of the Harry S. Truman Scholarship Foundation shall certify before the meeting may be closed that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemption. A copy of such certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting, and the persons present, shall be retained by the Board as part of the transcript, recording or minutes required by §1802.7.
(1) Within ten days of receipt of a request for information (excluding Saturdays, Sundays, and legal public holidays), the Foundation shall make available to the public, in the offices of the Harry S. Truman Scholarship Foundation, 712 Jackson Place NW., Washington, DC, the transcript, electronic recording, or minutes of the discussion of any item on the agenda, or of any item of the testimony of any witness received at the meeting except for such item or items of such discussion or testimony as the General Counsel determines to contain information which may be withheld under §1802.4.

(2) Copies of such transcript, or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be available at the actual cost of duplication or transcription.

(3) The determination of the General Counsel to withhold information pursuant to paragraph (d)(1) of this section may be appealed to the Board. The appeal shall be circulated to individual Board members. The Board shall make a determination to withhold or release the requested information within twenty days from the date of receipt of a written request for review (excluding Saturdays, Sundays, and legal public holidays).

(4) A written request for review shall be deemed received by the Board when it has arrived at the offices of the Board in a form that describes in reasonable detail the material sought.

§ 1803.6 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity subject to this part.

§ 1803.7 Program accessibility: Existing facilities.

(a) The Foundation shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not necessarily require the Foundation to make each of its existing facilities accessible to and usable by individuals with handicaps, but no qualified individual with handicaps shall be denied the benefit of, be excluded from participation in, or otherwise be subjected to discrimination under any of the Foundation’s programs and activities because any of the Foundation’s facilities are inaccessible to or unusable by individuals with handicaps.

The decision that compliance would result in such alteration or burdens must be made by the Executive Secretary after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. The decision that compliance would result in such alteration or burdens must be made by the Executive Secretary after considering all Foundation resources available for use in the funding and operation of a conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Foundation shall take other action not resulting in such an alteration or such burdens, but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the programs or activities.

Subpart A—Functions and Responsibilities of the Commission

§ 2101.1 Statutory and Executive Order Authority.

The Commission of Fine Arts (referred to as the “Commission”) functions pursuant to statutes of the United States and Executive Orders of Presidents, as follows:

(a) Public buildings, other structures, and parklands. (1) For public buildings to be erected in the District of Columbia by the federal government and for other structures to be so erected which affect the appearance of the city, the Commission comments and advises on the plans and on the merits of the designs before final approval or action;

(2) For statues, fountains and monuments to be erected in the District of Columbia under authority of the federal government, the Commission advises upon their location in public squares, streets, and parks, and the merits of their designs;

(3) For monuments to be erected at any location pursuant to the American Battle Monuments Commission (See also §2101.1 (g)); (4) For parks within the District of Columbia, when plans of importance are under consideration, the Commission advises upon the merits of the designs; and

(5) For the selection by the National Capital Planning Commission of lands suitable for development of the National Capital park, parkway, and play-ground system in the District of Columbia, Maryland, and Virginia, the Commission provides advice.

(b) Private buildings bordering certain public areas in Washington, D.C. (Shipstead-Luce Act). For buildings to be erected or altered in locations which border the Capitol, the White House, the intermediate portion of Pennsylvania Avenue, the Mall Park System, Lafayette Park, the Zoological Park, Rock Creek Park or Parkway, or Potomac Park or Parkway, or are otherwise within areas defined by the official plats prepared pursuant to Sec. 2 of the Shipstead-Luce Act, the Commission reviews the plans as they relate to height and appearance, color and materials of the exteriors, and makes recommendations to the Government of the District of Columbia which, in the judgement of the Commission, are necessary to prevent reasonably avoidable impairment of the public values represented by the areas along which the buildings border. (Shipstead-Luce Act, 46 Stat. 366 as amended (40 U.S.C. 121; D.C. Code 5–410).)

(c) Georgetown buildings (Old Georgetown Act). For buildings to be constructed, altered, reconstructed, or razed within the area of the District of Columbia known as “Old Georgetown”, the Commission reviews and reports to the District of Columbia Government on proposed exterior architectural features, height, appearance, color, and texture of exterior materials as would

be seen from public space; and the Commission makes recommendations to such government as to the effect of the plans on the preservation and protection of places and areas that have historic interest or that manifest exemplary features and types of architecture, including recommendations for any changes in plans necessary in the judgement of the Commission to preserve the historic value of Old Georgetown, and takes any such actions as in the judgement of the Commission are right or proper in the circumstances. (Old Georgetown Act, Public Law 81–808, 64 Stat. 903 (D.C. Code 5–801.).)

(d) United States medals, insignia, and coins. On medals, insignia, and coins to be produced by an executive department of the United States including the Mint, the Commission advises as to the merits of their designs which shall be submitted before the executive officer having charge of the same shall approve thereof.

(e) Heraldic services provided by the Department of the Army. The Commission upon request advises the Heraldic Branch of the Army upon the merits of proposed designs for medals, insignia, seals, etc. prepared under the authority of the Act of August 26, 1957 to furnish heraldic services to the other departments and agencies of the government.

(f) Questions of art with which the Federal government is concerned. When required to do so by the President or by Committees of either House of Congress, the Commission advises generally on questions of art, and whenever questions of such nature are submitted to it by an officer or department of the federal government the Commission advises and comments.

(g) Commemorative works. The Commemorative Works Act provides standards for placement of commemorative works on certain federal lands in the District of Columbia and its environs, and for other purposes; and requires site and design approval of all commemorative works by the Commission of Fine Arts, National Capital Planning Commission, and (as appropriate) the Secretary of Interior or the Administrator of General Services. The sponsoring agencies therefore shall submit designs to the Commission for review and shall provide such design changes as may be required to obtain approval.

§2101.2 Relationships of Commission's functions to responsibilities of other government units.

(a) Projects involving the Capitol building and the Library of Congress. Plans concerning the Capitol building and the buildings of the Library of Congress are outside the purview of the Commission except as to questions on which the Committees of Congress require the Commission to advise.

(b) Other Federal government projects. Officers and departments of the federal government responsible for finally approving or acting upon proposed projects within the purview of the Commission’s functions as described in §2101.1 (a) are required first to submit plans or designs for such projects to the Commission for its advice and comments.

(C) Projects within the jurisdiction of the District of Columbia government. The District of Columbia seeks Commission advice on exterior alteration or new construction of public buildings or major public works within its boundaries. The District of Columbia government also shall seek Commission advice on certain private construction requiring building or demolition permits from the D.C. Permit Branch (D.C. Law 5–422). These include certain actions by the District of Columbia government pursuant to either D.C. Law 5–422 or D.C. Law 2–144 within areas subject to the Shipstead-Luce or Old Georgetown Acts (§2101.1 (b) and (c)) prior to the issuance of a permit. Alterations of buildings, demolition, or new construction at individually designated landmarks or within historic districts are further subject to the permit requirements of the Historic Landmark and Historic District Protection Act of 1978 (D.C. Law 2–144). Upon request, advice will be given on the subject of lot sub-divisions.

2Provisions of the Shipstead-Luce Act (§2101.1 (b)) do not include full demolition, though partial demolition is viewed as an alteration.
Subpart B—General Organization

§ 2101.10 The Commission.

The Commission is composed of seven members, each of whom is appointed by the President and serves for a period of four years or until his or her successor is appointed and qualified. The Chairman and Vice Chairman are elected by the members. The Commission is assisted by a staff as authorized by the Commission.

the Commission members may convene away from the Commission’s offices to make inspections at the site of a proposed project or at the location of a mock-up for the project and may then and there reach its conclusions respecting such project which shall be recorded in the minutes of the meeting held on the same day or, if none was then held, in the minutes of the next meeting.

§ 2102.3 Public notice of meetings.
Notice of each meeting of the Commission shall be published in the Federal Register.

§ 2102.4 Public attendance and participation.
Interested persons are permitted to attend meetings of the Commission, to file statements with the Commission at or before a meeting, and to appear before the Commission when it is in meeting, provided that an appearance is germane to the functions and policies of the Commission and to the matter or issues then before the Commission, and if the presentation or argument is made in a concise manner, within reasonable time limits and avoids duplicating information or views already before the Commission. A decision of the Chairman as to the order of appearances and as to compliance with these regulations by any person shall be final unless the Commission determines otherwise.

§ 2102.5 Records and minutes; public inspection.
A detailed record of each meeting shall be made and kept which shall contain copies of all written, printed, or graphic materials presented. The Secretary shall have prepared minutes of each meeting which shall state the time and place it was held and attendance by Commission members and staff and which shall contain a complete summary of matters discussed and conclusions reached and an explanation of the extent of public participation, including names of persons who presented oral or written statements; and he shall send a copy to all members of the Commission for their approval. Subsequent to such approval, the minutes shall be certified by the Secretary.

The minutes and any completed reports, studies, agenda or other documents made available to, or prepared for or by, the Commission shall be available for public inspection and, at the requesting party’s expense, for copying at the offices of the Commission.

Subpart B—Procedures on Submissions of Plans or Designs

§ 2102.10 Timing, scope and content of submissions for proposed projects involving land, buildings, or other structures.
(a) A party proposing a project which is within the purview of the Commission’s functions under §2101.1 (a), (b), or (c) should make a submission when concept plans for the project are ready but before detailed plans and specifications or working drawings are prepared. In order to assure that a submission will be considered at the next scheduled meeting of the Commission, it should be delivered to the Commission offices not later than ten (10) working days before the meeting; if it is a project subject to review first by the Georgetown Board, not later than ten (10) working days before the Georgetown Board meeting. The Commission will attempt to consider a submission which is not made in conformity with this schedule, but it reserves the right to postpone consideration until its next subsequent meeting.

(b) (1) Each submission should state or disclose:
(i) The nature, location, and justification of the project, including any relevant historical information about the building or other structure to be altered or razed;
(ii) The identity of the owner or developer (or for public buildings, the governmental unit with authority to approve or act upon the plans) and of the architect;
(iii) The functions, uses, and purpose of the project; and
(iv) Other information to the extent it is relevant, such as area studies, site plans, building and landscape schematics, renderings, models, depictions or samples of exterior materials and...
components, and photographs of existing conditions to be affected by the project.

(2) Alternative proposals may be included within one submission. The information submitted shall be sufficiently complete, detailed, and accurate as will enable the Commission to judge the ultimate character, siting, height, bulk, and appearance of the project, in its entirety, including the grounds within the scope of the project, its setting and environs, and its effect upon existing conditions and upon historical and prevailing architectural values. Record drawings and photographs will be submitted by the applicant for a permanent Commission record of the submission.

(c) If a project consists of a first or intermediate phase of a contemplated larger program of construction, similar information about the eventual plans should accompany the submission. Even though a submission relates only to approval for razing or removal of a building or other structure, the project will be regarded as part of phased development, and the submission is subject to such requirement.

(d) If the project involves a statue, fountain or a monument within the purview of the Commission under § 2101.1 (d), partial submissions should be made as appropriate to permit the Commission to advise on each aspect of the project as prescribed by the Commemorative Works Act (Pub. L. 99–652, H.R. 4378, 40 U.S.C. 1001).

(e) The Commission staff will advise owners and architects concerning the scope and content of particular submissions. Material relevant to the functions and policies of the Commission varies greatly depending upon the nature, size, and importance of the project to be reviewed by the Commission. Also, it is the policy of the Commission not to impose unnecessary burdens or delays on persons who make submissions to the Commission. However, the Commission at any meeting may decline to reach a conclusion about a proposed project if it deems the submission materials inadequate for its purposes, or it may condition its conclusions on the submission of further information to it at a later meeting or, in its discretion, may delegate final action to the staff.

(f) The Commission staff, members of the Georgetown Board, interested members of the public, or the submitting party may augment any submission by additional relevant information made available to the Commission before or at the meeting where the submission is considered. The staff should also make information available concerning prior considerations or conclusions of the Commission regarding the same project or earlier versions of it.

§ 2102.11 Scope and content of submissions for proposed medals, insignia, coins, seals, and the like.

Each submission of the design for a proposed item which is within the Commission’s purview under § 2101.1 (d) should identify the sponsoring government unit and disclose the uses and purpose of the item, the size and forms in which it will be produced, and the materials and finishes to be used, including colors if any, along with a sketch, model, or prototype.

§ 2102.12 Responses of Commission to submissions.

(a) The Commission before disposing of any project presented to it may ask for the proposed plans or designs to be changed in certain particulars and resubmitted, or for the opportunity to review plans, designs, and specifications in certain particulars at a later stage in their development, and to see samples or mock-ups of materials or components; and when appropriate in the matter of a statue or other object of art, the Commission may ask for the opportunity to see a larger or full-scale model. All conclusions, advice, or comments of the Commission which lead to further development of plans, designs, and specifications or to actual carrying out of the project are made in contemplation that such steps will conform in all substantial respects with the plans or designs submitted to the Commission, including only such changes as the Commission may have recommended; any other changes in plans or designs require further submission to the Commission.

(b) In the case of plans submitted with a permit application subject to
§ 2102.13  Project eligibility criteria for placement on a Consent Calendar.

With respect to submissions to the Commission for projects that meet the following criteria, the Secretary, at his/her discretion and in coordination with the Commission’s staff, may place these projects on a Consent Calendar according to §2102.14.

(a) Additions to buildings of less than 25 percent (%) of the original structure and no more than 25,000 sq. ft.;
(b) New construction of less than 25,000 sq. ft.;
(c) Window replacement projects;
(d) Cellular or other communications antenna installations or replacements;
(e) New or replacement signs;
(f) Cleaning, routine maintenance, repairs or replacement-in-kind of exterior finish materials;
(g) Temporary utility or construction structures;
(h) And does not include new physical perimeter security items.

§ 2102.14  Consent Calendar and Appendices procedures.

(a) The Commission shall review applications scheduled on its Meeting Agenda, Consent Calendar, or Appendices (Old Georgetown Act and Shipstead-Luce Act). Cases on the Meeting Agenda will be heard by the Commission in open session. Cases on the Consent Calendar or Appendices will be acted upon based on submitted materials and staff recommendations without further public comment.
(b) The Commission shall release the proposed Meeting Agenda, Consent Calendar, and Appendices with staff recommendation to the public not later than five (5) calendar days before the meeting.
(c) The scheduling of cases on the Meeting Agenda, Consent Calendar, and Appendices shall be at the sole discretion of the Commission and staff, and nothing shall preclude the Commission from amending or changing the scheduling at a public meeting.
(d) The staff shall prepare a written recommendation for each case on the Consent Calendar or Appendices the Commission will review.
(e) The Commission shall conduct public review of cases in accordance with the proposed Agenda released to the public before the Commission meeting. The Commission shall dispose of other
cases by adoption of a Consent Calendar and Appendices, as appropriate. The Commission may amend the Meeting Agenda, Consent Calendar and Appendices at the public meeting as it may deem appropriate.

(f) An application may be placed on the Consent Calendar if the applicant and staff agree that the proposed work has no known objection by an affected government agency, neighborhood organization, historic preservation organization, or affected person. Any relevant terms or modifications agreed upon by the applicant and staff may be included as conditions of the approval.

(g) At the request of any Commission member, the Chairperson may remove any case from the Consent Calendar and place it on the Meeting Agenda for individual consideration by the Commission at the meeting. A request from any other group or person to remove a case from the Consent Calendar should be made to the staff in advance of the meeting and shall be considered as a preliminary matter at the meeting.

(h) The Chairperson may also remove any case from a duly noticed Meeting Agenda and place it on the Consent Calendar, provided there is no objection from the applicant, any Commission member, or any affected group or person present and wishing to comment on the case.

(i) The Commission may approve the Consent Calendar and Appendices on a voice vote.

PART 2103—STATEMENTS OF POLICY

§ 2103.1 General approaches to review of plans by the Commission.

The Commission functions relate to the appearance of proposed projects within its purview as specified herein. These functions are to serve the purpose of conserving and enhancing the visual assets which contribute significantly to the character and quality of Washington as the nation’s capital and which appropriately reflect the history and features of its development over two centuries. Where existing conditions detract from the overall appearance of official Washington or historic Georgetown—such as conditions caused by temporary, deteriorated, or abandoned buildings of little or no historical or architectural value, by interrupted developments, or by vacant lots not devoted to public use as parks or squares—the Commission will favor suitable corrections to these conditions. When changes or additions are proposed in other circumstances, the Commission may consider whether the public need or value of the project or the private interests to be served thereby justify making any change or addition, and it will consider whether the project can be accomplished in reasonable harmony with the nearby area, with a minimum loss of attractive features of the existing building or site, with due deference to the historical and architectural values affected, and without creating an anomalous disturbing element in the public view of the city.

   (v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or
   (vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

   (ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

§§ 2104.131–2104.139 [Reserved]

§ 2104.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of
§ 2104.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 2104.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 2104.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;
(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or
(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 2104.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of § 2104.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of § 2104.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;
(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987 a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 2104.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 2104.152–2104.159 [Reserved]

§ 2104.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2104.160 would result in such alteration or burdens.
The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 2104.161–2104.169 [Reserved]

§ 2104.170 Compliance procedures.
(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.
(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).
(c) The Secretary, Commission of Fine Arts, shall be responsible for coordinating implementation of this section. Complaints may be sent to Secretary, Commission of Fine Arts, 708 Jackson Place NW., Washington, DC 20006.
(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.
(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.
(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to or usable by handicapped persons.
(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—
(1) Findings of fact and conclusions of law;
(2) A description of a remedy for each violation found; and
(3) A notice of the right to appeal.
(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §2104.170(g). The agency may extend this time for good cause.
(i) Timely appeals shall be accepted and processed by the head of the agency.
(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.
(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.
(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

§§ 2104.171–2104.999 [Reserved]
§ 2105.1 Purpose and scope.

This part contains the regulations of the Commission of Fine Arts implementing 5 U.S.C. 552. The regulations of this part provide information concerning the procedures by which records may be obtained from the Commission. Members and employees of the Commission may continue to furnish to the public, informally and without neglecting the rights of requesters described herein, information and records which prior to enactment of 5 U.S.C. 552 were furnished customarily in the regular performance of their duties. Persons seeking information or records of the Commission may find it useful to consult with the Secretary before invoking the formal procedures set out below.

§ 2105.2 Requests for identifiable records and copies.

(a) Formal public requests for information from the records of the Commission of Fine Arts shall be made in writing with the letter clearly marked “FREEDOM OF INFORMATION REQUEST.” All such requests should be addressed to the Secretary, Commission of Fine Arts, 708 Jackson Place, NW., Washington, DC 20006.

(b) Records must be reasonably described. A request for all records falling within a reasonably specific category shall be regarded as conforming to the requirement that records be reasonably described if it enables the records requested to be identified by any process that is not unreasonably burdensome or disruptive of Commission operations.

§ 2105.3 Action on initial requests.

(a) The Secretary will make a determination as to whether or not to release requested information. Generally, determination will be made to release the requested information if: (1) It is not exempt from disclosure or (2) It is exempt from disclosure but its withholding is neither required by statute, nor supported by sound grounds.

(b) Determination will be dispatched within ten days, excluding Saturdays, Sundays, and legal public holidays, after initial receipt of the request.

(c) In unusual circumstances, the time for initial determination on requests may be delayed up to a total of ten additional days, excluding Saturdays, Sundays, and legal public holidays and notice of such delay shall be dispatched within the first ten days, excluding Saturdays, Sundays, and legal public holidays following the initial receipt of the request.

(d) Letters denying access to information will:

(1) Provide the requester with the reason for the denial.

(2) Inform the requester of his right to appeal the denial within 30 days.

(3) Give the name and title of the official to whom the appeal may be sent.

(4) Give the name and title of the official responsible for the denial.

§ 2105.4 Appeals.

(a) The Chairman of the Commission is the appellate authority for all denials.

(b) The Chairman will act upon the appeal within twenty days, excluding Saturdays, Sundays, and legal public holidays.

(c) In unusual circumstances, the time for action on an appeal may be extended by an additional ten days, excluding Saturdays, Sundays, and legal public holidays minus any extension granted at the initial request level under §2105.3(c).

(d) In the event that the appeal upholds the denial, the requester will be advised that there are provisions for judicial review of such decisions under the Freedom of Information Act.

§ 2105.5 Fees.

(a) Fees shall be charged according to the schedule in paragraph (b) of this section for services rendered in responding to requests for Commission of Fine Arts records under this part unless determination is made that such

§ 2106.2 Requests for access.

(a) Requirement for written requests. Individuals desiring to gain access to a record pertaining to them in a system of records maintained by CFA must submit their request in writing in accordance with the procedures set forth in paragraph (b) of this section.

(b) Procedures. (1) Content of the request. The request for access to a record in a system of records shall be addressed to the Secretary, at the address cited above; and shall name the system of records or contain a description (as concise as possible) of such system of records. The request should state that the request is pursuant to the Privacy Act of 1974. In the absence of such a statement, if the request is for a record pertaining to the requester maintained by CFA in a system of records, the request will be presumed to be made under the Privacy Act of 1974. The requester should include any other information which may assist in the rapid identification of the record for which access is being requested (e.g., maiden name, dates of employment, etc.).

(2) Requirements for identification will normally be limited to the presentation of any standard picture and signature or signature identification card, such as driver’s license, so that a comparison of the signature and the signature on the original request may be made. The appearing individual will be read paragraph (3), subsection (i) to title 5 U.S.C. 552a which specifies the penalty for knowingly or willfully requesting or obtaining a record concerning an individual from an agency under false pretenses and asked to sign a statement attesting to the fact that he or she understands the paragraph and that he or she is, in fact, the individual who made the request (or the individual authorized to receive the disclosure by the requesting individual). This signature will be compared with the other two. If the appearing individual is other than the requesting individual, then he or she must also present a letter of introduction signed by the requesting individual so that the comparison of signature may be made.

(c) CFA action on request. (1) A request for access will ordinarily be answered within 10 days (excluding Saturdays, Sundays, and legal Federal holidays), except when the Secretary determines otherwise, in which case the requester will be informed of the reason for the delay and the date by which the request will be answered. When the request can be answered within 10 days, it shall include the following:
§ 2106.5 Requests to amend records.

(a) Requirements for written requests. Individuals desiring to amend a record that pertains to them in a system of records maintained by CFA must submit their request in writing in accordance with the procedures set forth herein unless the requirement is waived by the official having responsibility for the system of records. Records not subject to the Privacy Act of 1974 will not be amended in accordance with these provisions; however, individuals who believe that such records are inaccurate may bring this to the attention of the CFA.

(b) Procedures. (1) The request to amend a record in a system of records shall be addressed to the Secretary. Included in the request shall be the name of the system and a brief description of the record proposed for amendment. In the event the request to amend the record is for a medical record, the request shall identify the individual for whom the record is maintained.

(ii) A statement as to whether access will be granted only by providing a copy of the record through the mail; or the address of the location and the date and time at which the record may be examined. In the event the requester is unable to meet the specified date and time, alternate arrangements may be made with the official specified in paragraph (b)(1) of this section;

(iii) A statement, when appropriate, that examination in person will be the sole means of granting access only when the Secretary has determined that it would not unduly impede the requester’s right of access;

(iv) The amount of fees charged, if any (see §§ 2106.4 and 2106.7); and

(v) The name, title, and telephone number of the CFR official having operational control over the record.

(A) Access by the parent of a minor, or legal guardian. A parent of a minor, upon presenting suitable personal identification, may access on behalf of the minor any record pertaining to the minor maintained by CFA in a system of records. A legal guardian may similarly act on behalf of an individual declared to be incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, upon the presentation of documents authorizing the legal guardian to so act; and upon suitable personal identification of the guardian.

(B) Granting access when accompanied or represented by another individual. When an individual requesting access to his or her record in a system of records maintained by CFA wishes to be accompanied or represented by another individual during the course of the examination of the record, the individual making the request shall submit to the official having operational control of the record a signed statement authorizing that person access to the record.

(C) Access in response to congressional inquiries. Disclosure may be made to a congressional office from the record of an individual in response to an inquiry from the congressional office made at the request of that individual.

(vi) Medical records. The records in a system of records which are medical records shall be disclosed to the individual in such a manner and following such procedures as the Secretary shall direct. When CFA, in consultation with a physician, determines that the disclosure of medical information could have an adverse effect upon the individual to whom it pertains, CFA may transmit such information to a physician named by the individual.

(vii) Exceptions. Nothing in this section shall be construed to entitle an individual the right to access to any information compiled in reasonable anticipation of a civil action or proceeding.
§ 2106.6 Request for review.

(a) Individuals wishing to request a review of the decision by CFA with regard to an initial request to amend a record in accordance with the provisions of § 2106.5 of this part, should submit the request for review in writing and, to the extent possible, include the information specified in paragraph (a) of this section. Individuals desiring assistance in the preparation of their request for review should contact the Secretary at the address provided herein.

(b) The request for review should contain a brief description of the record involved or in lieu thereof, copies of the correspondence from CFA in which the request to amend was denied and also the reasons why the requester believes that the disputed information should be amended. The request for review should make reference to the information furnished by the individual in support of his claim and the reasons as required by § 2106.5 of this part set forth by CFA in its decision denying the amendment. Appeals filed without a complete statement by the requester setting forth the reasons for the review will, of course, be processed. However, in order to make the appellate process as meaningful as possible, the requester’s disagreement should be understandably set forth. In order to avoid the unnecessary retention of personal information, CFA reserves the right to dispose of the material concerning the request to amend a record if no request for review in accordance with this section is received by CFA within 180 days of the mailing by CFA of its decision upon an initial request. A request for review received after the 180-day period may, at the discretion of the Secretary, be treated as an initial request to amend a record.

§ 2106.5 CFA action on the request.

To the extent possible, a decision upon a request to amend a record will be made within 10 days (excluding Saturdays, Sundays, and legal Federal holidays). In the event that a decision cannot be made within this time frame, the individual making the request will be informed within the 10 days of the expected date for a decision. The decision upon a request for amendment will include the following:

(i) The decision of the Commission of Fine Arts whether to grant in full, or deny any part of the request to amend the record;

(ii) The reasons for the determination for any part of the request which is denied;

(iii) The name and address of the official with whom an appeal of the denial may be lodged;

(iv) The name and address of the official designated to assist, as necessary, and upon the request of, the individual making the request in preparation of the appeal;

(v) A description of the review of the appeal within CFA (see § 2106.6); and

(vi) A description of any other procedures which may be required of the individual in order to process an appeal.
§ 2106.7

(c) The request for review should be addressed to the Secretary.

(d) Upon receipt of a request for review, the Secretary will convene a review group composed of the Secretary and the Chairman. This group will review the basis for the requested review and will develop a recommended course of action to the office’s Committee on Freedom of Information and Privacy (hereinafter referred to as the Committee). If at any time additional information is required from the requestee, the Secretary is authorized to acquire it or authorize its acquisition from the requestor.

(e) The Committee is composed of:
   (1) The Chairman;
   (2) The Secretary;
   (3) The Assistant Secretary;
   (4) The Administrative Assistant.

(f) The Committee will review the request for review and the recommended course of action and will recommend a decision on the request for review to the Chairman, who has the final authority regarding appeals.

(g) The Chairman will inform the requestor in writing of the decision on the request for review within 30 days (excluding Saturdays, Sundays, and legal Federal holidays) from the date of receipt by CFA of the individual’s request for review unless the Chairman extends the 30-day period for good cause. The extension of and the reasons therefor will be sent by CFA to the requester within the initial 30-day period. Included in the notice of a decision being reviewed, if the decision does not grant in full the request for review, will be a description of the steps the individual may take to obtain judicial review of such a decision, and a statement that the individual may file a concise statement with CFA setting forth the individual’s reasons for his disagreement with the decision upon the request for review. The Secretary has the authority to determine the ‘‘conciseness’’ of the statement, taking into account the scope of the disagreement and the complexity of the issues. Upon the filing of a proper concise statement by the individual, any subsequent disclosure of the information in dispute will have the information in dispute clearly noted and a copy of the concise statement furnished, as well as a concise statement by CFA setting forth its reasons for not making the requested changes, if CFA chooses to file such a statement. A copy of the individual’s statement, and, if it chooses, CFA’s statement will be sent to any prior transferree of the disputed information who is listed on the accounting required by 5 U.S.C. 552a(c).

§ 2106.7 Schedule of fees.

No fees will be charged for search, review, or copies of the record.

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or
(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

§§ 2301.112–2301.129 [Reserved]

§ 2301.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in according equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency;

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified
individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 2301.131–2301.139 [Reserved]

§ 2301.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 2301.141–2301.148 [Reserved]

§ 2301.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §2301.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 2301.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

1. Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;
2. In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or
3. Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2301.150(a) would result in such alteration or burdens. The decision that compliance would result in such an alteration or such burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings,
shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §2301.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §2301.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§2301.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§2301.152–2301.159 [Reserved]

§2301.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(i) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicap an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(ii) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices
for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2301.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 2301.161–2301.169 [Reserved]

§ 2301.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to Executive Director, United States Arctic Research Commission, ICC Building, room 6333, 12th & Constitution Avenue, NW., Washington, DC 20423.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

Subpart A—General

§ 2400.1 Purposes.

(a) The purposes of the James Madison Memorial Fellowship Program are:
(1) Provide incentives for master's degree level graduate study of the history, principles, and development of the United States Constitution by outstanding in-service teachers of American history, American government, social studies, and political science in grades 7–12 and by outstanding college graduates who plan to become teachers of the same subjects; and
(2) Strengthen teaching in the nation's secondary schools about the principles, framing, ratification, and subsequent history of the United States Constitution.

§ 2400.2 Annual competition.

To achieve its principal purposes, the Foundation holds an annual national competition to select teachers in grades 7–12, college seniors, and college graduates to be James Madison Fellows.

§ 2400.3 Eligibility.

Individuals eligible to apply for and hold James Madison Fellowships are United States citizens, United States nationals, or permanent residents of the Northern Mariana Islands who are:
(a) Teachers of American history, American government, social studies, or political science in grades 7–12 who:
(1) Are teaching full time during the year in which they apply for a fellowship;
(2) Are under contract, or can provide evidence of being under prospective contract, to teach full time as teachers of American history, American government, social studies, or political science in grades 7–12;
(3) Have demonstrated records of willingness to devote themselves to
§ 2400.3

civic responsibilities and to professional and collegial activities within their schools and school districts;

(4) Are highly recommended by their department heads, school heads, school district superintendents, or other supervisors;

(5) Qualify for admission with graduate standing at accredited universities of their choice that offer master’s degree programs allowing at least 12 semester hours or their equivalent of study of the origins, principles, and development of the Constitution of the United States and of its comparison with the constitutions of other forms of government;

(6) Are able to complete their proposed courses of graduate study within five calendar years from the commencement of study under their fellowships, normally through part-time study during summers or in evening or weekend programs;

(7) Agree to attend the Foundation’s four-week Summer Institute on the Constitution, normally during the summer following the commencement of study under their fellowships; and

(8) Sign agreements that, after completing the education for which the fellowship is awarded, they will teach American history, American government, social studies, or political science full time in secondary schools for a period of not less than one year for each full year of study for which assistance was received, preferably in the State listed as their legal residence at the time of their fellowship award. For the purposes of this provision, a full academic year of study is considered by the Foundation to be 18 credit hours or 27 quarter hours. Fellows’ teaching obligations will be figured at full academic years of study; and when Fellows have studies for partial academic years, those years will be rounded upward to the nearest one-half year to determine Fellows’ total teaching obligations.

(b) Those who aspire to become full-time teachers of American history, American government, social studies, or political science in grades 7–12 who:

(1) Are matriculated college seniors pursuing their baccalaureate degrees full time and will receive those degrees no later than August 31st of the year of the fellowship competition in which they apply or prior recipients of baccalaureate degrees;

(2) Plan to begin graduate study on a full-time basis;

(3) Have demonstrated records of willingness to devote themselves to civic responsibilities;

(4) Are highly recommended by faculty members, deans, or other persons familiar with their potential for graduate study of American history and government and with their serious intention to enter the teaching profession as secondary school teachers of American history, American government, social studies, or political science in grades 7–12;

(5) Qualify for admission with graduate standing at accredited universities of their choice that offer master’s degree programs that allow at least 12 semester hours or their equivalent of study of the origins, principles, and development of the Constitution of the United States and of its comparison with the constitutions and history of other forms of government;

(6) Are able to complete their proposed courses of graduate study in no more than two calendar years from the commencement of study under their fellowships, normally through full-time study;

(7) Agree to attend the Foundation’s four-week Summer Institute on the Constitution, normally during the summer following the commencement of study under their fellowships; and

(8) Sign an agreement that, after completing the education for which the fellowship is awarded, they will teach American history, American government, social studies, or political science full time in secondary schools for a period of not less than one year for each full academic year of study for which assistance was received, preferably in the State listed as their legal residence at the time of their fellowship award. Fellows’ teaching obligations will be figured at full academic years of study; and when Fellows have studies for partial academic years, those years will be rounded upward to the nearest one-half year to determine Fellows’ total teaching obligations.

§ 2400.4 Definitions.

As used in this part:

Academic year means the period of time in which a full-time student would normally complete two semesters, two trimesters, three quarters, or their equivalent of study.

Act means the James Madison Memorial Fellowship Act.

College means an institution of higher education offering only a baccalaureate degree or the undergraduate division of a university in which a student is pursuing a baccalaureate degree.

Credit Hour Equivalent means the number of graduate credit hours obtained in credits, courses or units during a quarter, a trimester, or a semester which are needed to equal a specific number of semester graduate credit hours.

Fee means a typical and usually non-refundable charge levied by an institution of higher education for a service, privilege, or use of property which is required for a Fellow’s enrollment and registration.

Fellow means a recipient of a fellowship from the Foundation.

Fellowship means an award, called a James Madison Fellowship, made to a person by the Foundation for graduate study.

Foundation means the James Madison Memorial Fellowship Foundation.

Full-time study means study for an enrolled student who is carrying at least 9 credit hours a semester or its equivalent.

Graduate study means the courses of study beyond the baccalaureate level, which are offered as part of a university’s master’s degree program and which lead to a master’s degree.

Incomplete means a course which the Foundation has paid for but the Fellow has received an incomplete grade or the Fellow has not received graduate credit for the course.

Institution of higher education has the meaning given in Section 1201(a) of the Higher Education Act of 1965 (20 U.S.C. 1141(a)).

Junior Fellowship means a James Madison Fellowship granted either to a college senior or to a college graduate who has received a baccalaureate degree and who seeks to become a secondary school teacher of American history, American government, social studies, or political science for full-time graduate study toward a master’s degree whose course of study emphasizes the framing, principles, history, and interpretation of the United States Constitution.

Master’s degree means the first predoctoral graduate degree offered by a university beyond the baccalaureate degree, for which the baccalaureate degree is a prerequisite.

Matriculated means formally enrolled in a master’s degree program in a university.

Repayment means if the fellowship is relinquished by the fellow or is terminated by the Foundation prior to the completion of the Fellow’s degree, and/or the Fellow fails to fulfill the teaching obligation after the graduate degree is awarded, the Fellow must repay to the Foundation all Fellowship costs received plus interest at a rate of 6% per annum and, if applicable, reasonable collection fees.

Resident means a person who has legal residence in the state, recognized under state law. If a question arises concerning a Fellow’s state of residence, the Foundation determines, for the purposes of this program, of which state the person is a resident, taking into account the Fellow’s place of registration to vote, his or her parent’s place of residence, and the Fellow’s eligibility for in-state tuition rates at public institutions of higher education.

Satisfactory progress for a Junior Fellow means the completion of the number of required courses normally expected of full-time master’s degree candidates at the university that the Fellow attends, with grades acceptable to that university, in not more than two calendar years from the commencement of that study. Satisfactory progress for a Senior Fellow means the completion each year of a specific number of required courses in the Fellow’s master’s degree program, as agreed upon each year with the Foundation and outlined on the Plan of Study form, with grades acceptable to the Fellow’s university, in not more than five calendar years from the commencement of that study.
§ 2400.10 Application.

Eligible applicants for fellowships must apply directly to the Foundation.

§ 2400.11 Faculty representatives.

Each college and university that chooses to do so may annually appoint or reappoint a faculty representative who will be asked to identify and recruit fellowship applicants on campus, publicize the annual competition on campus, and otherwise assist eligible candidates in preparation for applying. In order to elicit the appointment of faculty representatives, the Foundation will each year request the head of each college and university campus to appoint or reappoint a faculty representative and to provide the Foundation with the name, business address, and business telephone number of a member of its faculty representative on forms provided for that purpose.

Subpart C—Application Process

§ 2400.20 Preparation of application.

Applications, on forms mailed directly by the Foundation to those who request applications or downloaded from the Foundation’s Web site, must be completed by all fellowship candidates in order that they be considered for an award.

[69 FR 11814, Mar. 12, 2004]

§ 2400.31 Selection process.
(a) An independent Fellow Selection Committee will evaluate all valid applications and recommend to the Foundation the most outstanding applicants from each state for James Madison Fellowships.
(b) From among candidates recommended for fellowships by the Fellow Selection Committee, the Foundation will name James Madison Fellows. The selection procedure will assure that at least one James Madison Fellow, junior or senior, is selected from each state in which there are at least two legal resident applicants who meet the eligibility requirements set forth in §2400.3 and are judged favorably against the selection criteria in §2400.30.
(c) The Foundation may name, from among those applicants recommended by the Fellow Selection Committee, an alternate or alternates for each fellowship. An alternate may, at the Foundation’s discretion receive a fellowship if
the person named as a James Madison Fellow declines the award or is not able to pursue graduate study as contemplated at the time the fellowship was accepted. An alternate may be named to replace a Fellow who declines or relinquishes an award until, but no later than, March 1st following the competition in which the alternate has been selected.

(d) Funds permitting, the Foundation may also select, from among those recommended by the Fellow Selection Committee, Fellows at large.

Subpart E—Graduate Study

§ 2400.40 Institutions of graduate study.

Fellowship recipients may attend any accredited university in the United States with a master's degree program offering courses or training that emphasize the origins, principles, and development of the Constitution of the United States and its comparison with the constitutions and history of other forms of government.

§ 2400.41 Degree programs.

(a) Fellows may pursue a master's degree in history or political science, including government or politics, the degree of Master of Arts in Teaching in history or political science (including government or politics), or a related master's degree in education that permits a concentration in American history, American government, social studies, or political science, or a related master's degree in education that permits a concentration in American history, American government, social studies, or political science. Graduate degrees under which study is excluded from fellowship support are indicated in §2400.63.

(b) A master's degree pursued under a James Madison Fellowship may entail either one or two years or their equivalent of study, according to the requirements of the university at which a Fellow is enrolled.

§ 2400.42 Approval of Plan of Study.

The Foundation must approve each Fellow's Plan of Study. To be approved, the plan must:

(a) On a part-time or full-time basis lead to a master's degree in history or political science, the degree of Master of Arts in Teaching in history or political science, or a related master's degree in education that permits a concentration in American history, American government, social studies, or political science;

(b) Include courses, graduate seminars, or opportunities for independent study in topics directly related to the framing and history of the Constitution of the United States;

(c) Be pursued at a university that assures a willingness to accept up to 6 semester hours of accredited transfer credits from another graduate institution for a Fellow's satisfactory completion of the Foundation's Summer Institute on the Constitution. For the Foundation's purposes, these 6 semester hours may be included in the required minimum of 12 semester hours or their equivalent of study of the United States Constitution; and

(d) Be pursued at a university that encourages the Fellow to enhance his or her capacities as a teacher of American history, American government, social studies, or political science and to continue his or her career as a secondary school teacher. The Foundation reserves the right to refuse to approve a Fellow's Plan of Study at a university that will not accept on transfer the 6 credits for the Institute.

§ 2400.43 Required courses of graduate study.

(a) To be acceptable to the Foundation, those courses related to the Constitution referred to in §2400.43(b) must amount to at least 12 semester or 18 quarter hours or their credit hour equivalent of study of topics directly related to the United States Constitution. More than 12 semester hours or their credit hour equivalent of such study is strongly encouraged.

(b) The courses that fulfill the required minimum of 12 semester hours or their credit hour equivalent of study of the United States Constitution must cover one or more of the following subject areas:

(1) The history of colonial America leading up to the framing of the Constitution;
(2) The Constitution itself, its framing, the history and principles upon which it is based, its ratification, the Federalist Papers, Anti-Federalist writings, and the Bill of Rights;
(3) The historical development of political theory, constitutional law, and civil liberties as related to the Constitution;
(4) Interpretations of the Constitution by the Supreme Court and other branches of the federal government;
(5) Debates about the Constitution in other forums and about the effects of constitutional norms and decisions upon American society and culture; and
(6) Any other subject clearly related to the framing, history, and principles of the Constitution.
(c) If a master’s degree program in which a Fellow is enrolled requires a master’s thesis in place of a course or courses, the Fellow will have the option of writing the thesis based on the degree requirements. The preparation of a master’s thesis should not add additional required credits to the minimum number of credits required for the master’s degree. If a Fellow must write a thesis, the topic of the thesis must relate to subjects concerning the framing, principles, or history of the United States Constitution. If the Fellow can choose between two degree tracks, a thesis track or a non-thesis track, the Foundation in general, requires the non-thesis track.

§ 2400.45 Special consideration: Junior Fellows’ Plan of Study.
Applicants for Junior Fellowships who seek or hold baccalaureate degrees in education are strongly encouraged to pursue master’s degrees in history or political science. Those applicants who hold undergraduate degrees in history, political science, government, or any other subjects may take some teaching methods and related courses, although the Foundation will not pay for them unless they are required for the degree for which the Fellow is matriculated. The Foundation will review each proposed Plan of Study for an appropriate balance of subject matter and other courses based on the Fellow’s goals, background, and degree requirements.

§ 2400.46 Special consideration: second master’s degree.
The Foundation may award Senior Fellowships to applicants who are seeking their second master’s degrees providing that the applicants’ first master’s degree was obtained at least three years prior to the year in which the applicants would normally commence study under a fellowship. In evaluating applications from individuals intending to pursue a second master’s degree, the Fellow Selection Committee will favor those applicants who are planning to become American history, American government, social studies, or political science teachers after having taught another subject and applicants whose initial master’s degree was in a subject different from that sought under the second master’s degree.

§ 2400.47 Summer Institute’s relationship to fellowship.
Each year, the Foundation normally offers during July a four-week graduate-level Institute on the principles, framing, ratification, and implementation of the United States Constitution
§ 2400.48 Fellows' participation in the Summer Institute.

Each fellow is required as part of his or her fellowship to attend the Institute (if it is offered), normally during the summer following the Fellow's commencement of graduate study under a fellowship.

[69 FR 11815, Mar. 12, 2004]

§ 2400.49 Contents of the Summer Institute.

The principal element of the Institute is a graduate history course, “Foundations of American Constitutionalism.” Other components of the Institute include study visits to sites associated with the lives and careers of members of the founding generation.

§ 2400.50 Allowances and Summer Institute costs.

At the Foundation's discretion, Fellows may be paid an allowance to help offset income foregone by their required attendance. The Foundation also funds the costs of the Institute and Fellows' round-trip transportation to and from the Institute site. The costs of tuition, required fees, books, room, and board entailed by the Institute will be paid for by the Foundation directly but may be offset against fellowship award limits if the credits earned for the Institute are included within the Fellows' degree requirements.

§ 2400.51 Summer Institute accreditation.

The Institute is accredited for six graduate semester credits by the university at which it is held. It is expected that the universities at which Fellows are pursuing their graduate study will, upon Fellows' satisfactory completion of the Institute, accept these credits or their credit-hour equivalent upon transfer from the university at which the Institute is held in fulfillment of the minimum number of credits required for Fellows' graduate degrees. Satisfactory completion of the Institute will fulfill 6 of the Foundation's 12 semester credits required in graduate study of the history and development of the Constitution. Fellows, with the Foundation's assistance, are strongly encouraged to make good faith efforts to have their universities incorporate the Institute into their Plan of Study and accept the 6 Institute credits toward the minimum number of credits required for their master's degrees.

Subpart F—Fellowship Stipend

§ 2400.52 Amount of stipend.

Junior and Senior Fellowships carry a stipend of up to a maximum of $24,000 pro-rated over the period of Fellows' graduate study. In no case shall the stipend for a fellowship exceed $12,000 per academic year. Within this limit, stipends will be pro-rated over the period of Fellows' graduate study as follows: a maximum of $6,000 per academic semester or trimester of full-time study, and a maximum of $4,000 per academic quarter of full-time study. Stipends for part-time study will be pro rata shares of those allowable for full-time study.

§ 2400.53 Duration of stipend.

Stipends for Junior Fellowships may be payable over a period up to 2 calendar years of full-time graduate study, and those for Senior Fellowships may be payable over a period of not more than 5 calendar years of part-time graduate study, beginning with the dates under which Fellows commence their graduate study under their fellowships. However, the duration of stipend payments will be subject to the maximum payment limits, the length of award time limits, and the completion of the minimum degree requirements, whichever occurs first. A waiver of the time limit may be given for full-time students who complete more than 36 credit hours or 54 quarter hours to complete their approved degree.
§ 2400.54 Use of stipend.

Stipends shall be used only to pay the costs of tuition, required fees, books, room, and board associated with graduate study under a fellowship. The costs allowed for a Fellow’s room and board will be the amount the Fellow’s university reports to the Foundation as the cost of room and board for a graduate student if that student were to share a room at the student’s university. If no shared graduate housing exists, then costs for regular shared student housing will be used. If no campus housing exists, the equivalent room and board costs at neighboring universities will be used. Stipends for room, board, and books will be prorated for Fellows enrolled in study less than full time. The Foundation will not reimburse Fellows for any portion of their master’s degree study, that Fellows may have completed prior to the commencement of their fellowships. Nor will the Foundation reimburse Fellows for any credits acquired above the minimum number of credits required for the degree. If a Fellow has already taken and paid for courses that can be credited toward the Fellow’s graduate degree under a fellowship, those must be credited to the degree; the remaining required courses will be paid for by the Foundation.

§ 2400.55 Certification for stipend.

In order to receive a fellowship stipend, a Fellow must submit the following nine items in writing:

(a) An acceptance of the terms and conditions of the fellowship including a completed certificate of compliance form;

(b) Evidence of admission to an approved graduate program;

(c) Certified copies of undergraduate and, if any, graduate transcripts;

(d) A certified payment request form indicating the estimated costs for tuition, required fees, books, room, and board;

(e) a photo copy of the university’s bulletin of cost information;

(f) The amount and nature of income from any other grants or awards;

(g) information about the Fellow’s degree requirements, including the number of required credits to fulfill the degree;

(h) a statement of the university’s willingness to accept the transfer of 6 credits toward the Fellow’s degree requirements for the Fellow’s satisfactory completion of the Summer Institute (see §2400.51); and

(1) A full Plan of Study over the duration of the fellowship, including information on the contents of required constitutional courses. Senior Fellows must provide evidence of their continued full-time employment as teachers in grades 7–12.

§ 2400.56 Payment of stipend.

Payment for tuition, required fees, books, room, and board subject to the limitations in §§2400.52 through 2400.55 and §§2400.59 through 2400.60 will be paid via Electronic Funds Transfer to each Fellow at the beginning of each term of enrollment and upon the Fellow’s submission of a completed Payment Request Form which includes the current University bulletin of cost information.

§ 2400.57 Termination of stipend.

(a) The Foundation may suspend or terminate the payment of a stipend if a Fellow fails to meet the criteria set forth in §2400.40 through §2400.44 and §2400.60, except as provided for in §2400.61. Before it suspends or terminates a fellowship under these circumstances, the Foundation will give notice to the Fellow, as well as the opportunity to be heard with respect to the grounds for suspension or termination.

(b) The Foundation will normally suspend the payment of a stipend if a Fellow has more than one grade of “Incomplete” in courses for which the Foundation has made payment to the Fellow.

§ 2400.58 Repayment of stipend.

(a) If a Fellow fails to secure a master’s degree, fails to teach American history, American government, social studies, or political science on a full-time basis in a secondary school for at least one school year for each academic year for which assistance was provided.
§ 2400.59 Other awards.

Fellows may accept grants from other foundations, institutions, corporations, or government agencies to support their graduate study or to replace any income foregone for study. However, the stipend paid by the Foundation for allowable costs indicated in § 2400.52 will be reduced to the extent these costs are paid from other sources, and in no case will fellowship funds be paid to Fellows to provide support in excess of their actual total costs of tuition, required fees, books, room, and board. The Foundation may also reduce a Fellow’s stipend if the Fellow is remunerated for the costs of tuition under a research or teaching assistantship or a work-study program. In such a case, the Foundation will require information from a Fellow’s university about the intended use of assistantship or work-study support before remitting fellowship payments.

§ 2400.60 Renewal of award.

(a) Provided that Fellows have submitted all required documentation and are making satisfactory academic progress, it is the intent of the Foundation to renew Junior Fellowship awards annually for a period not to exceed two calendar years or the completion of their graduate degrees, whichever comes first, and Senior Fellowships for a period not to exceed 5 calendar years (except when those periods have been altered because of changes in Fellows’ Plan of Study as provided for in § 2400.64), or until a Fellow has completed all requirements for a master’s degree, whichever comes first. In no case, however, will the Foundation continue payments under a fellowship to a Fellow who has reached the maximum payments under a fellowship as indicated in § 2400.52, or completed the minimum number of credits required for the degree. Although Fellows are not discouraged in taking courses in addition to those required for the degree or required to maintain full-time status, the Foundation will not in such cases pay for those additional courses.

(b) Fellowship renewal will be subject to an annual review by the Foundation and certification by an authorized official of the university at which a Fellow is registered that the Fellow is making satisfactory progress toward the degree and is in good academic standing according to the standards of each university.

(c) As a condition of renewal of awards, each Fellow must submit an annual activity report to the Foundation by July 15th. That report must indicate, through submission of a copy of the Fellow’s most recent transcript, courses taken and grades achieved; courses planned for the coming year; changes in academic or professional plans or situations; any awards, recognitions, or special achievements in the Fellow’s academic study or school employment; and such other information as may relate to the fellowship and its holder.

§ 2400.61 Postponement of award.

Upon application to the Foundation, a Fellow may seek postponement of his or her fellowship because of ill health or other mitigating circumstances, such as military duty, temporary disability, necessary care of an immediate family member, or unemployment as a teacher. Substantiation of the reasons for the requested postponement of study will be required. All postponements are given at the Foundation’s
discretion and will normally not extend for more than one year.

§ 2400.62 Evidence of master's degree.
At the conclusion of graduate studies, each Fellow must provide a certified transcript which indicates that he or she has secured an approved master's degree as set forth in the Fellow's original Plan of Study or approved modifications thereto.

§ 2400.63 Excluded graduate study.
James Madison Fellowships do not provide support for study toward doctoral degrees, for the degree of master of arts in public affairs or public administration. The Foundation may at its discretion, upon request of the Fellow, provide tuition only assistance toward teacher certification.

§ 2400.64 Alterations to Plan of Study.
Although Junior Fellows are expected to pursue full-time study and Senior Fellows to pursue part-time study, the Foundation may permit Junior Fellows with an established need (such as the need to accept a teaching position) to study part time and Senior Fellows with established need (such as great distance between the Fellow's residence and the nearest university, thus necessitating a full-time leave of absence from employment in order to study) to study full time.

§ 2400.65 Teaching obligation.
Upon receiving a Master's degree, each Fellow must teach American history, American government, social studies, or political science on a full-time basis to students in secondary school for a period of not less than one year for each academic year for which financial assistance was received. Each Fellow will be required to provide the Foundation with an annual certification from an official of the secondary school where the Fellow is employed indicating the teaching activities of the Fellow during the past year. This same certification will be required each year until the Fellow's teaching obligation is completed. Any teaching done by the Fellow prior to or during graduate studies does not count towards meeting this teaching obligation.

§ 2400.66 Completion of fellowship.
A Fellow will be deemed to have satisfied all terms of a fellowship and all obligations under it when the Fellow has completed no fewer than 12 graduate semester hours or the equivalent of study of the Constitution, formally secured the masters degree, attended the Foundation's Summer Institute on the Constitution, completed teaching for the number of years and fractions thereof required as a condition of accepting Foundation support for study, and submitted all required reports.

§ 2490.101 Purpose.
The purpose of this part is to effectuate section 119 of the Rehabilitation,
§ 2490.102 Application.

This part (§§ 2490.101–2490.170) applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.

§ 2490.103 Definitions.

For purposes of this part, the term—

Assistant Attorney General means the Assistant Attorney General, Civil Rights Division, United States Department of Justice.

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the agency. For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TTD’s), interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant’s name and address and describes the agency’s alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

Historic preservation programs means programs conducted by the agency that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase:

(1) Physical or mental impairment includes—

(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hematic and lymphatic; skin; and endocrine; or

(ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, HIV disease (whether symptomatic or asymptomatic), and drug addiction and alcoholism.

(2) Major life activities include functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) Is regarded as having an impairment means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by
§ 2490.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—
§§ 2490.131–2490.139

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in according equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of possibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

§ 2490.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.
§ 2490.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 2490.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 2490.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 2490.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of § 2490.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of § 2490.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.
(c) **Time period for compliance.** The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) **Transition plan.** In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

1. Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;
2. Describe in detail the methods that will be used to make the facilities accessible;
3. Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and
4. Indicate the official responsible for implementation of the plan.

§ 2490.151 **Program accessibility: New construction and alterations.**

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§ 2490.160 **Communications.**

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

1. The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

   i. In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

   ii. The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

2. Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2490.160 would result in such alteration or burdens.
The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 2490.161–2490.169 [Reserved]

§ 2490.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Director of Administration and Finance shall be responsible for coordinating implementation of this section. Complaints may be sent to James Madison Memorial Fellowship Foundation, 2000 K Street, NW., suite 303, Washington, DC 20006.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

1. Findings of fact and conclusions of law;
2. A description of a remedy for each violation found; and
3. A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §2490.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

§ 2505.5 What are the procedures for closing a meeting, withholding information, and responding to requests by affected persons to close a meeting?

(a) The Board may vote to close a meeting or withhold information pertaining to a meeting. Such action may be taken only when a majority of the entire membership of the Board votes to take such action. A separate vote shall be taken with respect to each action under §2505.4. The Board may act by taking a single vote with respect to a series of meetings which are proposed to be closed to the public, or with respect to any information concerning a series of meetings, so long as each meeting in the series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in the series. Each Member’s vote under this paragraph shall be recorded and no proxies shall be allowed.

(b) If your interests may be directly affected if a meeting is open you may request that the Board close the meeting on one of the grounds referred to in §2505.4(e), (f), or (g). (e) For each closed meeting, the Board shall issue a statement setting forth the time, place, and persons present. A copy of such statement shall be available for public inspection.

(f)(1) For each closed meeting, with the exception of a meeting closed pursuant to §2505.4(h) or (j), the Board shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting.

(2) For meetings that are closed pursuant to §2505.4(h) or (j), the Board may maintain a set of minutes in lieu of a transcript or recording. All documents considered in connection with any action shall be identified in such minutes.

(3) The Corporation shall make promptly available to the public, in a place easily accessible to the public, the transcript, electronic recording, or minutes of the discussion of any item on the agenda, or of any item of the testimony of any witness received at the meeting, except for such item or items of such discussion or testimony as the Corporation determines to contain information which may be properly withheld. Copies of such transcript, or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription. The Corporation shall maintain the transcript, recording, or minutes for each closed meeting for at least two years or at least one year after the conclusion of any Corporation business acted upon at the meeting, whichever occurs later.

2506.55 How will the Corporation collect debts through Administrative Wage Garnishment?

Subpart A—Introduction

§ 2506.1 Why is the Corporation issuing these regulations?

(a) The Corporation is issuing these regulations to inform the public of procedures that may be used by the Corporation for the collection of debt.

(b) These regulations provide that the Corporation will attempt to collect debts owed to it or other Government agencies either directly, or by other means including salary offsets, administrative offsets, tax refund offsets, or administrative wage garnishment.

(c) These regulations also provide that the Corporation has entered into a cross-servicing agreement with the U.S. Department of the Treasury (Treasury) under which the Treasury will take authorized action to collect amounts owed to the Corporation.

§ 2506.2 Under what authority does the Corporation issue these regulations?

(a) The Corporation is issuing the regulations in this part under the authority of 31 U.S.C. chapter 37, 3701–3720A and 3720D. These sections implement the requirements of the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 and the Debt Collection Improvement Act of 1996.

(b) The Corporation is also issuing the regulations in this part to conform to the Federal Claims Collection Standards (FCCS), which prescribe standards for handling the Federal Government’s claims for money or property. The FCCS are issued by the Department of Justice (DOJ) and the Treasury at 31 CFR chapter IX, parts 900–904. The Corporation adopts those standards without change. The regulations in this part supplement the FCCS by prescribing procedures necessary and appropriate for the Corporation’s operations.

(c) The Corporation is also issuing the regulations in this part to conform to the standards for handling Administrative Wage Garnishment processing
by the Federal Government. The standards are issued by the Treasury at 31 CFR 285.11. The Corporation adopts those standards without change. The regulations in this part supplement the standards by prescribing procedures necessary and appropriate for the Corporation’s operations.

(d) The Corporation is further issuing the regulations in this part under the authority of 5 U.S.C. 5514, and the salary offset regulations published by the Office of Personnel and Management at 5 CFR part 550, subpart K.

(e) All of these debt collection regulations are issued under the Corporation's authority under 42 U.S.C. 12651c(c).

§ 2506.3 What definitions apply to the regulations in this part?

Debt and claim are deemed synonymous and interchangeable. These terms mean an amount of money, funds, or property that has been determined by an agency official to be due the United States from any person, organization, or entity except another Federal agency. Salary offset means a payroll procedure to collect a debt under 5 U.S.C. 5514 and 31 U.S.C. 3716 by deduction(s) at one or more officially established pay intervals from the current pay account of an employee, without his or her consent.

(b) Any case where collection of a debt is explicitly provided for or provided by another statute, e.g., travel advances under 5 U.S.C. 5705 and employee training expenses under 5 U.S.C. 4108, or, as provided for by title 11 of the United States Code, when the claims involve bankruptcy;

(d) Any debt based in whole or in part on conduct in violation of the antitrust laws or involving fraud, the presentation of a false claim, or misrepresentation on the part of the debtor or any party having an interest in the claim, as described in the FCCS, unless DOJ authorizes the Corporation to handle the collection;

(e) Claims between Federal agencies;

(f) Unless otherwise provided by law, administrative offset of payments under the authority of 31 U.S.C. 3716 to collect a debt may not be initiated more than 10 years after the Government's right to collect the debt first accrued. (Exception: The 10-year limit does not apply if facts material to the Federal Government's right to collect the debt were not known and could not reasonably have been known by the official or officials of the Government who were charged with the responsibility to discover and collect such debts.) The 10-year limitation also does not apply to debts reduced to a judgment; and

(g) Unless otherwise stated, debts which have been transferred to the Treasury or referred to the DOJ will be collected in accordance with the procedures of those agencies.

§ 2506.4 What types of debts are excluded from these regulations?

The following types of debts are excluded:
§ 2506.6 the use of alternative dispute resolution methods if they are consistent with applicable law and regulations.

§ 2506.6 What is a claim or debt?

A claim or debt is an amount of money, funds, or property that has been determined by an agency official to be due the United States from any person, organization, or entity except another Federal agency (see §2506.3).

§ 2506.7 Why does the Corporation have to collect debts?

Federal agencies are required to try to collect claims or debts of the Federal Government for money, funds, or property arising out of the agency’s activities.

§ 2506.8 What action might the Corporation take to collect debts?

(a) There are a number of actions that the Corporation is permitted to take when attempting to collect debts. These actions include:

(1) Salary, tax refund or administrative offset, or administrative wage garnishment (see subparts C, D, E, and F of this part respectively); or

(2) Using the services of private collection contractors.

(b) In certain instances, usually after collection efforts have proven unsuccessful, the Corporation transfers debts to the Treasury for collection or refers them to the DOJ for litigation (see §§2506.10 and 2506.11).

§ 2506.9 What rights do I have as a debtor?

As a debtor you have several basic rights. You have a right to:

§ 2506.10 Will the Corporation use its cross-servicing agreement with Treasury to collect its debts?

(a) The Corporation entered into a cross-servicing agreement on March 26, 1999, with Treasury Financial Management Services (FMS) that authorizes the Treasury to take the collection actions described in this part on behalf of the Corporation (see §2506.3). The Corporation will refer debts or groups of debts to FMS for collection action. The debt collection procedures that the Treasury FMS uses are based on 31 U.S.C. chapter 37 and this part.

(b) The Corporation must transfer to the Treasury any debt that has been delinquent for a period of 180 days or more, so that the Secretary of the Treasury may take appropriate action to collect the debt or terminate collection action. This is pursuant to §901.3 of the FCCS.

(c) Paragraph (b) of this section will not apply to any debt or claim that:

(1) Is in litigation or foreclosure;

(2) Will be disposed of under an approved asset sales program;

(3) Has been referred to a private collection contractor for collection for a period of time acceptable to the Secretary of the Treasury;

(4) Is at a debt collection center for a period of time acceptable to the Secretary of the Treasury;

(5) Will be collected under internal offset procedures within 3 years after the date the debt or claim is first delinquent; or

(6) Is exempt from this requirement based on a determination by the Secretary of the Treasury.

§ 2506.11 Will the Corporation refer debts to the Department of Justice?

The Corporation will refer to DOJ for litigation debts on which aggressive collection actions have been taken, but which could not be collected, compromised, suspended, or terminated. Referrals will be made as early as possible, consistent with aggressive Corporation collection action, and within
Corporation for National and Community Service § 2506.12 Will the Corporation provide information to credit reporting agencies?

   (3) The amount, status, and history of the debt; and
   (4) The program or pertinent activity under which the debt arose.

(b) Before disclosing debt information to a credit reporting agency, the Corporation:
   (1) Takes reasonable action to locate the debtor if a current address is not available;
   (2) Provides the notice required under § 2506.14(a) if a current address is available; and
   (3) Obtains satisfactory assurances from the credit reporting agency that it complies with the Fair Credit Reporting Act (15 U.S.C. 1681 et seq.) and other Federal laws governing the provision of credit information.

(c) At the time debt information is submitted to a credit reporting agency, the Corporation provides a written statement to the reporting agency that all required actions have been taken. In addition, the Corporation thereafter ensures that the credit reporting agency is promptly informed of any substantive change in the conditions or amount of the debt, and promptly verifies or corrects information relevant to the debt.

(d) If a debtor disputes the validity of the debt, the credit reporting agency refers the matter to the appropriate Corporation official. The credit reporting agency excludes the debt from its reports until the Corporation certifies in writing that the debt is valid.

(e) The Corporation may disclose to a commercial credit bureau information concerning a commercial debt, including the following:

§ 2506.13 How will the Corporation contract for private collection services?

   (3) Other applicable Federal and State laws pertaining to debt collection practices and applicable regulations of the Corporation in this part;

(c) Requires the contractor to account accurately and fully for all amounts collected; and

(d) Requires the contractor to provide to the Corporation, upon request, all data and reports contained in its files related to its collection actions on a debt.

§ 2506.14 What should I expect to receive from the Corporation if I owe a debt to the Corporation?

(a) The Corporation will send you a written notice when we determine that you owe a debt to the Corporation. The notice will be hand-delivered or sent to you at the most current address known to the Corporation. The notice will inform you of the following:
§ 2506.15 What will the notice tell me regarding collection actions that might be taken if the debt is not paid within 60 days of the notice, or arrangements to pay the debt are not made within 60 days of the notice?

The notice provided under §2506.14 will advise you that, within 60 days of the date of the notice, your debt (including any interest, penalty charges, and administrative costs) must be paid or you must enter into a voluntary repayment agreement. If you do not pay the debt or enter into the agreement within that deadline, the Corporation may enforce collection of the debt by any or all of the following methods:

(a) By transferring the debt to the Treasury for collection, including under a cross-servicing agreement with the Treasury (see §2506.10);

(b) By referral to a credit reporting agency (see §2506.12), private collection contractor (see §2506.13), or the DOJ (see §2506.11);

(c) If you are a Corporation employee, by deducting money from your disposable pay account until the debt (and all accumulated interest, penalty charges, and administrative costs) is paid in full (see subpart C of this part). The Corporation will specify the amount, nature, and basis of the debt;

(2) That a designated Corporation official has reviewed the debt and determined that it is valid;

(3) That payment of the debt is due as of the date of the notice, and that the debt will be considered delinquent if you do not pay it within 30 days of the date of the notice;

(4) The Corporation's policy concerning interest, penalty charges, and administrative costs (see §2506.18), including a statement that such assessments must be made against you unless excused in accordance with the FCCS and this part;

(5) That you have the right to inspect and copy disclosable Corporation records pertaining to your debt, or to receive copies of those records if personal inspection is impractical;

(6) That you have the opportunity to enter into an agreement, in writing and signed by both you and the designated Corporation official, for voluntary repayment of the debt (see §2506.19);

(7) The address, telephone number, and name of the Corporation official available to discuss the debt;

(8) Possible collection actions that might be taken if the debt is not paid within 60 days of the notice, or arrangements to pay the debt are not made within 60 days of the notice (see §2506.15 for a fuller description of possible actions);

(9) That the Corporation may suspend or revoke any licenses, permits, or other privileges for failure to pay a debt; and

(10) Information on your opportunity to obtain a review concerning the existence or amount of the debt, or the proposed schedule for offset of Federal employee salary payments (see §2506.16).

(b) The Corporation will respond promptly to communications from you.

(c) Exception to entitlement to notice, hearing, written responses, and final decisions. With respect to the regulations covering internal salary offset collections (see §2506.32), the Corporation exempts from the provisions of paragraph (a) of this section:

(1) Any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over 4 pay periods or less;

(2) A routine intra-agency adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the 4 pay periods preceding the adjustment and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment; or

(3) Any adjustment to collect a debt amounting to $50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.
§ 2506.16 What will the notice tell me about my opportunity for review of my debt?

The notice provided by the Corporation under §§ 2506.14 and 2506.15 will also advise you of the opportunity to obtain a review within the Corporation concerning the existence or amount of the debt or the proposed schedule for offset of Federal employee salary payments. The notice will also advise you of the following:

(a) The name, address, and telephone number of a Corporation official whom you may contact concerning procedures for requesting a review;

(b) The method and time period for requesting a review;

(c) That the filing of a request for a review on or before the 60th day following the date of the notice will stay the commencement of collection proceedings;

(d) The name and address of the Corporation official to whom you should send the request for a review;

(e) That a final decision on the review (if one is requested) will be issued in writing at the earliest practical date, but not later than 60 days after the receipt of the request for a review, unless you request, and the review official grants, a delay in the proceedings;

(f) That any knowingly false or frivoulous statements, representations, or evidence may subject you to:

(1) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statute or regulations;

(2) Penalties under the False Claims Act (31 U.S.C. 3729–3733) or any other applicable statutory authority; and

(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002, or any other applicable statutory authority;

(g) Any other rights available to you to dispute the validity of the debt or to have recovery of the debt waived, or remedies available to you under statutes or regulations governing the program for which the collection is being made; and

(h) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt that are later waived or found not owed will be promptly refunded to you.

§ 2506.17 What must I do to obtain a review of my debt, and how will the review process work?

(a) Request for review. (1) You have the right to request a review by the Corporation of the existence or the amount of your debt, the proposed schedule for offset of Federal employee salary payments, or whether the debt is past due or legally enforceable. If you want a review, you must send a written request to the Corporation official designated in the notice (see § 2506.16(d)).

(2) You must sign your request for review and fully identify and explain with reasonable specificity all the facts, evidence, and witnesses that support your position. Your request for review should be accompanied by available evidence to support your contentions.

(3) Your request for review must be received by the designated officer or employee of the Corporation on or before the 60th calendar day following the date of the notice. Timely filing
§2506.17 45 CFR Ch. XXV (10–1–16 Edition)

will stay the commencement of collection procedures. The Corporation may consider requests filed after the 60-day period provided for in this section if you:

(i) Can show that the delay was the result of circumstances beyond your control; or

(ii) Did not receive notice of the filing deadline (unless you had actual notice of the filing deadline).

(b) Inspection of the Corporation records related to the debt. (1) If you want to inspect or copy the Corporation records related to the debt (see §2506.14(a)(5)), you must send a letter to the Corporation official designated in the notice. Your letter must be received within 30 days of the date of the notice.

(2) In response to the timely request described in paragraph (b)(1) of this section, the designated Corporation official will notify you of the location and time when you may inspect and copy records related to the debt.

(3) If personal inspection of the Corporation records related to the debt is impractical, reasonable arrangements will be made to send you copies of those records.

(c) Review official. (1) When required by Federal law or regulation, such as in a salary offset situation, the Corporation will request an administrative law judge, or hearing official from another agency who is not under the supervision or control of the Chief Executive Officer, to conduct the review. In these cases, the hearing official will, following the review, submit the review decision to the Chief Executive Officer for the issuance of the Corporation’s final decision (see paragraph (f) of this section for the content of the review decision).

(d) Review procedure. If you request a review, the review official will notify you of the form of the review to be provided. The review official will determine whether an oral hearing is required, or if a review of the written record is sufficient, in accordance with the FCCS. Although you may request an oral hearing, such a hearing is required only when a review of the documentary evidence cannot determine the question of indebtedness, such as when the validity of the debt turns on an issue of credibility or truthfulness. In either case, the review official will conduct the review in accordance with the FCCS. If the review will include an oral hearing, the notice sent to you by the review official will set forth the date, time, and location of the hearing.

(e) Date of decision. (1) The review official will issue a written decision, based upon either the written record or documentary evidence and information developed at an oral hearing. This decision will be issued as soon as practical, but not later than 60 days after the date on which the Corporation received your request for a review, unless you request, and the review official grants, a delay in the proceedings.

(2) If the Corporation is unable to issue a decision within 60 days after the receipt of the request for a hearing:

(i) The Corporation may not issue a withholding order or take other action until the review (in whatever form) is held and a decision is rendered; and

(ii) If the Corporation previously issued a withholding order to the debtor’s employer, the Corporation must suspend the withholding order beginning on the 61st day after the receipt of the review request and continuing until a review (in whatever form) is held and a decision is rendered.

(f) Content of review decision. The review official will prepare a written decision that includes:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The review official’s findings, analysis, and conclusions; and

(3) The terms of any repayment schedule, if applicable.
§ 2506.19 How can I resolve my debt through voluntary repayment?

(a) In response to a notice of debt, you may propose to the Corporation that you be allowed to repay the debt through a voluntary repayment agreement in lieu of the Corporation taking other collection actions under this part.

(b) Your request to enter into a voluntary repayment agreement must:

(1) Be in writing;

(2) Admit the existence of the debt; and

(3) Either propose payment of the debt (together with interest, penalty charges, and administrative costs) in a lump sum, or set forth a proposed repayment schedule.

(c) The Corporation will collect debts in one lump sum whenever feasible. However, if you are unable to pay your debt in one lump sum, the Corporation

(d) Allocation of payments. A partial or installment payment by a debtor will be applied first to outstanding penalty assessments, second to administrative costs, third to accrued interest, and fourth to the outstanding debt principal.

(e) Additional authority. The Corporation may assess interest, penalty charges, and administrative costs on debts that are not subject to 31 U.S.C. 3717 to the extent authorized under common law or other applicable statutory authority.

(f) Waiver. (1) The Chief Executive Officer may (without regard to the amount of the debt) waive collection of all or part of accrued interest, penalty charges, or administrative costs, if he or she determines that collection of these charges would be against equity and good conscience or not in the best interest of the Corporation.

(2) A decision to waive interest, penalty charges, or administrative costs may be made at any time before a debt is paid. However, and unless otherwise stated in these regulations, where these charges have been collected before the waiver decision, they will not be refunded. The Chief Executive Officer’s decision to waive or not waive collection of these charges is final and is not subject to further review.
§ 2506.20 May the Corporation's failure to comply with these regulations be used as a defense to a debt?

No, the failure of the Corporation to comply with any standard in the FCCS or these regulations will not be available to any debtor as a defense.

Subpart C—Salary Offset

§ 2506.30 What debts are included or excluded from coverage of these regulations on salary offset?

(a) The regulations in this subpart provide the Corporation procedures for the collection by salary offset of a Federal employee's pay to satisfy certain debts owed to the Corporation or to other Federal agencies.

(b) The regulations in this subpart do not apply to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(c) Nothing in the regulations in this subpart precludes the compromise, suspension, or termination of collection actions under the Federal Claims Collection Act of 1966, as amended, or the FCCS.

(d) A levy imposed under the Internal Revenue Code takes precedence over a salary offset under this subpart, as provided in 5 U.S.C. 5514(d).

§ 2506.31 May I ask the Corporation to waive an overpayment that otherwise would be collected by offsetting my salary as a Federal employee?

Yes, the regulations in this subpart do not preclude you from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or other statutory provisions pertaining to the particular debts being collected.

§ 2506.32 What are the Corporation's procedures for salary offset?

(a) The Corporation will coordinate salary deductions under this subpart as appropriate.

(b) If you are a Corporation employee who owes a debt to the Corporation, the Corporation's payroll office in Human Resources will determine the amount of your disposable pay and will implement the salary offset.
Corporation for National and Community Service § 2506.33

(c) Deductions will begin within three official pay periods following receipt by the Corporation’s payroll office of certification of debt from the creditor agency.

(d) The Notice provisions of these regulations do not apply to certain debts arising under this section (see §2506.14(c)).

(e) Types of collection. (1) Lump-sum offset. If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump-sum offset.

(2) Installment deductions. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and your ability to pay. However, the amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless you have agreed in writing to the deduction of a greater amount. If possible, installment payments will be sufficient in size and frequency to liquidate the debt in three years or less.

(3) Deductions from final check. A deduction exceeding the 15 percent of disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the FCCS in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) Deductions from other sources. If an employee subject to salary offset is separated from the Corporation and the balance of the debt cannot be liquidated by offset of the final salary check, the Corporation may offset later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the FCCS.

(f) Multiple debts. In instances where two or more creditor agencies are seeking salary offsets, or where two or more debts are owed to a single creditor agency, the Corporation’s payroll office may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

§ 2506.33 How will the Corporation coordinate salary offsets with other agencies?

(a) Responsibilities of the Corporation as the creditor agency (i.e., when the debtor owes a debt to the Corporation and is an employee of another agency). Upon completion of the procedures established in this subpart and pursuant to 5 U.S.C. 5514 and 31 U.S.C. 3716, the Corporation must submit a claim to a paying agency or disbursing official.

(1) In its claim, the Corporation must certify, in writing, the following:
   (i) That the employee owes the debt;
   (ii) The amount and basis of the debt;
   (iii) The date the Corporation’s right to collect the debt first accrued;
   (iv) That the Corporation’s regulations in this subpart have been approved by OPM under 5 CFR part 550, subpart K; and
   (v) That the Corporation has met the certification requirements of the paying agency.

(2) If the collection must be made in installments, the Corporation’s claim will also advise the paying agency of the amount or percentage of disposable pay to be collected in each installment. The Corporation may also advise the paying agency of the number of installments to be collected and the date of the first installment, if that date is other than the next officially established pay period.

(3) The Corporation will also include in its claim:
   (i) The employee’s written consent to the salary offset;
   (ii) The employee’s signed statement acknowledging receipt of the procedures required by 5 U.S.C. 5514; or
   (iii) Information regarding the completion of procedures required by 5 U.S.C. 5514, including the actions taken and the dates of those actions.

(4) If the employee is in the process of separating and has not received a final salary check or other final payment(s) from the paying agency, the Corporation may submit its claim to the paying agency or disbursing official for collection under 31 U.S.C. 3716. The paying agency will (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), certify the total amount of its collection on the debt and notify the employee and the...
Corporation. If the paying agency’s collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments that may be due the debtor employee from other Federal government sources, then (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), the paying agency will provide written notice of the outstanding debt to the agency responsible for making the other payments to the debtor employee. The written notice will state that the employee owes a debt, the amount of the debt, and that the provisions of this section have been fully complied with. However, the Corporation must submit a properly certified claim under this paragraph (a)(4) to the new paying agency and will subsequently review the debt to ensure that the collection is resumed by the new paying agency.

(6) Employee transfer. When an employee transfers from one paying agency to another paying agency, the Corporation will not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Corporation will submit a properly certified claim to the new paying agency and will subsequently review the debt to ensure that the collection is resumed by the new paying agency.

(b) Responsibilities of the Corporation as the paying agency (i.e., when the debtor owes a debt to another agency and is an employee of the Corporation). (1) Complete claim. When the Corporation receives a certified claim from a creditor agency (under the creditor agency’s regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), deductions should be scheduled to begin within three officially established pay intervals. Before deductions can begin, the Corporation sends the employee a written notice containing:

(i) A statement that the Corporation has received a certified claim from the creditor agency;
(ii) The amount of the debt;
(iii) The date salary offset deductions will begin; and
(iv) The amount of such deductions.

(2) Incomplete claim. When the Corporation receives an incomplete certification of debt from a creditor agency, the Corporation will return the claim with a notice that the creditor agency must:

(i) Comply with the procedures required under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, and
(ii) Properly certify a claim to the Corporation before the Corporation will take action to collect from the employee’s current pay account.

(3) The Corporation is not authorized to review the merits of the creditor agency’s determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) Employees who transfer from the Corporation to another paying agency. If, after the creditor agency has submitted the claim to the Corporation, the employee transfers from the Corporation to a different paying agency before the debt is collected in full, the Corporation will certify the total amount collected on the debt and notify the employee and the creditor agency in writing. The notification to the creditor agency will include information on the employee’s transfer.

§ 2506.34 Under what conditions will the Corporation make a refund of amounts collected by salary offset?

(a) If the Corporation is the creditor agency, it will promptly refund any amount deducted under the authority of 5 U.S.C. 5514, when:

(1) The debt is waived or all or part of the funds deducted are otherwise found not to be owed (unless expressly prohibited by statute or regulation); or
(2) An administrative or judicial order directs the Corporation to make a refund.

(b) Unless required or permitted by law or contract, refunds under this section will not bear interest.
§ 2506.35 Will the collection of a debt by salary offset act as a waiver of my rights to dispute the claimed debt?

No, your involuntary payment of all or any portion of a debt under this subpart will not be construed as a waiver of any rights that you may have under 5 U.S.C. 5514 or other provisions of a law or written contract, unless there are statutory or contractual provisions to the contrary.

Subpart D—Tax Refund Offset

§ 2506.40 Which debts can the Corporation refer to Treasury for collection by offsetting tax refunds?

(a) The regulations in this subpart implement 31 U.S.C. 3720A, which authorizes the Treasury to reduce a tax refund by the amount of a past-due, legally enforceable debt owed to a Federal agency.

(b) For purposes of this section, a past-due, legally enforceable debt referable to the Treasury for tax refund offset is a debt that is owed to the Corporation and:

(1) Is at least $25.00;

(2) Except in the case of a judgment debt, has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;

(3) With respect to which the Corporation has:

(i) Given the debtor at least 60 days to present evidence that all or part of the debt is not past due or legally enforceable;

(ii) Considered evidence presented by the debtor; and

(iii) Determined that an amount of the debt is past due and legally enforceable;

(4) With respect to which the Corporation has notified or has made a reasonable attempt to notify the debtor or that:

(i) The debt is past due, and

(ii) Unless repaid within 60 days of the date of the notice, the debt may be referred to the Treasury for offset against any refund of overpayment of tax; and

(5) All other requirements of 31 U.S.C. 3720A and the Treasury regulations relating to the eligibility of a debt for tax return offset (31 CFR 285.2) have been satisfied.

§ 2506.41 What are the Corporation's procedures for collecting debts by tax refund offset?

(a) The Corporation’s Accounting and Financial Management Services Division will be the point of contact with the Treasury for administrative matters regarding the offset program.

(b) The Corporation will ensure that the procedures prescribed by the Treasury are followed in developing information about past-due debts and submitting the debts to the Treasury.

(c) The Corporation will submit to the Treasury a notification of a taxpayer’s liability for past-due legally enforceable debt. This notification will contain the following:

(1) The name and taxpayer identification number of the debtor;

(2) The amount of the past-due and legally enforceable debt;

(3) The date on which the original debt became past due;

(4) A statement certifying that, with respect to each debt reported, all of the requirements of §2506.40(b) have been satisfied; and

(5) Any other information as prescribed by Treasury.

(d) For purposes of this section, notice that collection of the debt is stayed by a bankruptcy proceeding involving the debtor will bar referral of the debt to the Treasury.

(e) The Corporation will promptly notify the Treasury to correct data when the Corporation:

(1) Determines that an error has been made with respect to a debt that has been referred;

(2) Receives or credits a payment on the debt; or

(3) Receives notice that the person owing the debt has filed for bankruptcy under title 11 of the United States Code and the automatic stay is in effect or has been adjudicated bankrupt and the debt has been discharged.

(f) When advising debtors of the Corporation's intent to refer a debt to the Treasury for offset, the Corporation will also advise debtors of remedial actions (see §§2506.9 and 2506.14 through 2506.16 of this part) available to defer
the offset or prevent it from taking place.

Subpart E—Administrative Offset

§ 2506.50 Under what circumstances will the Corporation collect amounts that I owe to the Corporation (or some other Federal agency) by offsetting the debt against payments that the Corporation (or some other Federal agency) owes me?

(a) The regulations in this subpart apply to the collection of any debts you owe to the Corporation, or to any request from another Federal agency that the Corporation collect a debt you owe by offsetting your debt against a payment the Corporation owes you. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3716). The Corporation will carry out administrative offset in accordance with the provisions of the Federal Claims Collection Standards. The regulations in this subpart are intended only to supplement the provisions of the FCCS.

(b) The Chief Executive Officer, after attempting to collect a debt you owe to the Corporation under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset only after giving you:

(1) Written notice of the type and amount of the debt, the intention of the Chief Executive Officer to collect the debt by administrative offset, and an explanation of the rights of the debtor;

(2) An opportunity to inspect and copy the records of the Corporation related to the debt;

(3) An opportunity for a review within the Corporation of the decision of the Corporation related to the debt; and

(4) An opportunity to make a written agreement with the Chief Executive Officer to repay the amount of the debt.

(c) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years, unless facts material to the Corporation’s or the requesting Federal agency’s right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting the debt.

(d) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly prohibited by statute; or

(2) Debts owed to the Corporation by Federal agencies.

§ 2506.51 How will the Corporation request that my debt to the Corporation be collected by offset against some payment that another Federal agency owes me?

The Chief Executive Officer may request that funds due and payable to you by another Federal agency instead be paid to the Corporation to satisfy a debt you owe to the Corporation. The Corporation will refer debts to the Treasury for centralized administrative offset in accordance with the FCCS and the procedures established by the Treasury. Where centralized offset is not available or appropriate, the Corporation may request offset directly from the Federal agency that is holding funds for you. In requesting administrative offset, the Corporation will certify in writing to the Federal agency that is holding funds for you:

(a) That you owe the debt;

(b) The amount and basis of the debt; and

(c) That the Corporation has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations in this subpart, the applicable administrative offset regulations of the agency holding the funds, and the applicable provisions of the FCCS with respect to providing you with due process.

§ 2506.52 What procedures will the Corporation use to collect amounts I owe to a Federal agency by offsetting a payment that the Corporation would otherwise make to me?

(a) Any Federal agency may request that the Corporation administratively offset funds due and payable to you in order to collect a debt you owe to that agency. The Corporation will initiate the requested offset only upon:

(1) Receipt of written certification from the creditor agency stating:

(i) That you owe the debt;
(ii) The amount and basis of the debt; 
(iii) That the agency has prescribed regulations for the exercise of administrative offset; and 
(iv) That the agency has complied with its own administrative offset regulations and with the applicable provisions of the FCCS, including providing you with any required hearing or review; and

(2) A determination by the Chief Executive Officer that offsetting funds payable to you by the Corporation in order to collect a debt owed by you would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such an offset would not otherwise be contrary to law.

(b) Multiple debts. In instances where two or more creditor agencies are seeking administrative offsets, or where two or more debts are owed to a single creditor agency, the Corporation may, in its discretion, allocate the amount it owes to you to the creditor agencies in accordance with the best interest of the United States as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

§ 2506.53 When may the Corporation make an offset in an expedited manner?

The Corporation may effect an administrative offset against a payment to be made to you before completion of the procedures required by §§ 2506.51 and 2506.52 if failure to take the offset would substantially jeopardize the Corporation’s ability to collect the debt and the time before the payment is to be made does not reasonably permit the completion of those procedures. An expedited offset will be followed promptly by the completion of those procedures. Amounts recovered by offset, but later found not to be owed to the United States, will be promptly refunded.

§ 2506.54 Can a judgment I have obtained against the United States be used to satisfy a debt that I owe to the Corporation?

Yes. Collection by offset against a judgment obtained by a debtor against the United States will be accomplished in accordance with 31 U.S.C. 3728 and 31 U.S.C. 3716.

Subpart F—Administrative Wage Garnishment

§ 2506.55 How will the Corporation collect debts through Administrative Wage Garnishment?

The Corporation will collect debts through Administrative Wage Garnishment in accordance with the Administrative Wage Garnishment regulations issued by the Treasury. The Corporation adopts, for purposes of this subpart, the Treasury’s Administrative Wage Garnishment regulations in 31 CFR 285.11. This procedure allows the Corporation to garnish the disposable pay of a debtor without first obtaining a court order.

APPENDIX A TO PART 2507—FREEDOM OF INFORMATION ACT REQUEST LETTER (SAMPLE)

APPENDIX B TO PART 2507—FREEDOM OF INFORMATION ACT APPEAL FOR RELEASE OF INFORMATION (SAMPLE)

AUTHORITY: 42 U.S.C. 12501 et seq.
SOURCE: 63 FR 26489, May 13, 1998, unless otherwise noted.
§ 2507.1 Definitions.

As used in this part, the following definitions shall apply:

(b) Agency means any executive department, military department, government corporation, or other establishment in the executive branch of the Federal Government, or any independent regulatory agency. Thus, the Corporation is a Federal agency.

(c) Commercial use request means a request from, or on behalf of, a person who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. The use to which the requester will put the records sought will be considered in determining whether the request is a commercial use request.

(d) Corporation means the Corporation for National and Community Service.

(e) Educational institution means a pre-school, elementary or secondary school, institution of undergraduate or graduate higher education, or institution of professional or vocational education, which operates a program of scholarly research.

(f) Electronic data means records and information (including e-mail) which are created, stored, and retrievable by electronic means.

(g) Freedom of Information Act Officer (FOIA Officer) means the Corporation official who has been delegated the authority to make the initial determination on whether to release or withhold records, and to assess, waive, or reduce fees in response to FOIA requests.

(h) Non-commercial scientific institution means an institution that is not operated substantially for purposes of furthering its own or someone else’s business trade, or profit interests, and that is operated for purposes of conducting scientific research whose results are not intended to promote any particular product or industry.

(i) Public interest means the interest in obtaining official information that sheds light on an agency’s performance of its statutory duties because the information falls within the statutory purpose of the FOIA to inform citizens about what their government is doing.

(j) Record includes books, brochures, electronic mail messages, punch cards, magnetic tapes, cards, discs, paper tapes, audio or video recordings, maps, pamphlets, photographs, slides, microfilm, and motion pictures, or other documentary materials, regardless of physical form or characteristics, made or received by the Corporation pursuant to Federal law or in connection with the transaction of public business and preserved by the Corporation as evidence of the organization, functions, policies, decisions, procedures, operations, programs, or other activities. Record does not include objects or articles such as tangible exhibits, models, equipment, or processing materials; or formulas, designs, drawings, or other items of valuable property. Record does not include books, magazines, pamphlets or other materials acquired solely for reference purposes. Record does not include personal records of an individual not subject to agency creation or retention requirements, created and maintained primarily for the convenience of an agency employee, and not distributed to other agency employees for their official use. Record does not include information stored within a computer for which there is no existing computer program for retrieval of the requested information. A record must exist and be in the possession and control of the Corporation at the time of the request to be considered subject to this part and the FOIA. There is no obligation to create, compile, or obtain a record to satisfy a FOIA request. See §2507.5(d) with respect to creating a record in the electronic environment.

(k) Representative of the news media means a person who is actively gathering information for an entity organized to publish, broadcast or otherwise disseminate news to the public. News media entities include television and radio broadcasters, publishers of periodicals who distribute their products to the general public or who make their products available for purchase or
subscription by the general public, and entities that may disseminate news through other media (e.g., electronic dissemination of text). Freelance journalists will be treated as representatives of a new media entity if they can show a likelihood of publication through such an entity. A publication contract would be the clearest proof, but the Corporation may also look to the past publication record of a requester in making this determination.

(a) (1) FOIA request means a written request for Corporation records, made by any person, including a member of the public (U.S. or foreign citizen), an organization, or a business, but not including a Federal agency, an order from a court, or a fugitive from the law, that either explicitly or implicitly involves the FOIA, or this part. Written requests may be received by postal service or by facsimile.

(m) Review means the process of examining records located in response to a request to determine whether any record or portion of a record is permitted to be withheld. It also includes processing records for disclosure (i.e., excising portions not subject to disclosure under the Act and otherwise preparing them for release). Review does not include time spent resolving legal or policy issues regarding the application of exemptions under the Act.

(n) Search means looking for records or portions of records responsive to a request. It includes reading and interpreting a request, and also page-by-page and line-by-line examination to identify responsive portions of a document. However, it does not include line-by-line examination where merely duplicating the entire page would be a less expensive and quicker way to comply with the request.

§ 2507.2 What is the purpose of this part?

The purpose of this part is to prescribe rules for the inspection and release of records of the Corporation for National and Community Service pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. 552, as amended. Information customarily furnished to the public in the regular course of the Corporation's official business, whether hard copy or electronic records which are available to the public through an established distribution system, or through the Federal Register, the National Technical Information Service, or the Internet, may continue to be furnished without processing under the provisions of the FOIA or complying with this part.

§ 2507.3 What types of records are available for disclosure to the public?

(a) (1) The Corporation will make available to any member of the public who requests them, the following Corporation records:

(i) All publications and other documents provided by the Corporation to the public in the normal course of agency business will continue to be made available upon request to the Corporation;

(ii) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of administrative cases;

(iii) Statements of policy and interpretation adopted by the agency and not published in the Federal Register;

(iv) Administrative staff manuals and instructions to the staff that affect a member of the public; and

(v) Copies of all records, regardless of form or format, which, because of the nature of their subject matter, the agency determines have become or are likely to become the subject of subsequent requests for substantially the same records.

(2) Copies of a current index of the materials in paragraphs (a)(1)(i) through (v) of this section that are maintained by the Corporation, or any portion thereof, will be furnished or made available for inspection upon request.

(b) To the extent necessary to prevent a clearly unwarranted invasion of personal privacy, the Corporation may delete identifying details from materials furnished under this part.

(c) Brochures, leaflets, and other similar published materials shall be furnished to the public on request to the extent they are available. Copies of any such materials which are out of print shall be furnished to the public at

§ 2507.4 How are requests for records made?

(a) How made and addressed. (1) Requests for Corporation records under the Act must be made in writing, and can be mailed, hand-delivered, or received by facsimile, to the FOIA Officer, Corporation for National and Community Service, 250 E Street SW., Washington, DC 20525. (See Appendix A for an example of a FOIA request.) All such requests, and the envelopes in which they are sent, must be plainly marked “FOIA Request”. Hand-delivered requests will be received between 9 a.m. and 4 p.m., Monday through Friday, except on official holidays. Although the Corporation maintains offices throughout the continental United States, all FOIA requests must be submitted to the Corporation’s Headquarters office in Washington, DC.

(b) Request must adequately describe the records sought. A request must describe the records sought in sufficient detail to enable Corporation personnel to locate the records with reasonable effort, and without unreasonable burden to or disruption of Corporation operations. Among the kinds of identifying information which a requester may provide are the following:

(1) The name of the specific program within the Corporation which may have produced or may have custody of the record (e.g., AmeriCorps*State/National Direct, AmeriCorps*NCCC (National Civilian Community Corps), AmeriCorps*VISTA (Volunteers In Service To America), Learn and Serve America, National Senior Service Corps (NSSC), Retired and Senior Volunteer Program (RSVP), Foster Grandparent Program (FGP), Senior Companion Program (SCP), and HUD Hope VI);

(2) The specific event or action, if any, to which the record pertains;

(3) The date of the record, or an approximate time period to which it refers or relates;

(4) The type of record (e.g. contract, grant or report);

(5) The name(s) of Corporation personnel who may have prepared or been referenced in the record; and

(6) Citation to newspapers or other publications which refer to the record.

(c) Agreement to pay fees. The filing of a request under this section shall be deemed to constitute an agreement by the requester to pay all applicable fees, up to $25.00, unless a waiver of fees is sought in the request letter. When filing a request, a requester may agree to pay a greater amount, if applicable. (See §2507.8 for further information on fees.)

§ 2507.4 How are requests for records made?

(a) How made and addressed. (1) Requests for Corporation records under the Act must be made in writing, and can be mailed, hand-delivered, or received by facsimile, to the FOIA Officer, Corporation for National and Community Service, 250 E Street SW., Washington, DC 20525. (See Appendix A for an example of a FOIA request.) All such requests, and the envelopes in which they are sent, must be plainly marked “FOIA Request”. Hand-delivered requests will be received between 9 a.m. and 4 p.m., Monday through Friday, except on official holidays. Although the Corporation maintains offices throughout the continental United States, all FOIA requests must be submitted to the Corporation’s Headquarters office in Washington, DC.

(b) Request must adequately describe the records sought. A request must describe the records sought in sufficient detail to enable Corporation personnel to locate the records with reasonable effort, and without unreasonable burden to or disruption of Corporation operations. Among the kinds of identifying information which a requester may provide are the following:

(1) The name of the specific program within the Corporation which may have produced or may have custody of the record (e.g., AmeriCorps*State/National Direct, AmeriCorps*NCCC (National Civilian Community Corps), AmeriCorps*VISTA (Volunteers In Service To America), Learn and Serve America, National Senior Service Corps (NSSC), Retired and Senior Volunteer Program (RSVP), Foster Grandparent Program (FGP), Senior Companion Program (SCP), and HUD Hope VI);

(2) The specific event or action, if any, to which the record pertains;

(3) The date of the record, or an approximate time period to which it refers or relates;

(4) The type of record (e.g. contract, grant or report);

(5) The name(s) of Corporation personnel who may have prepared or been referenced in the record; and

(6) Citation to newspapers or other publications which refer to the record.

(c) Agreement to pay fees. The filing of a request under this section shall be deemed to constitute an agreement by the requester to pay all applicable fees, up to $25.00, unless a waiver of fees is sought in the request letter. When filing a request, a requester may agree to pay a greater amount, if applicable. (See §2507.8 for further information on fees.)

§ 2507.5 How does the Corporation process requests for records?

(a) Initial processing. Upon receipt of a request for agency records, the FOIA Officer will make an initial determination as to whether the requester has reasonably described the records being sought with sufficient specificity to determine which Corporation office may have possession of the requested records. The office head or his or her designee shall determine whether the description of the record(s) requested is sufficient to permit a determination as to existence, identification, and location. It is the responsibility of the FOIA Officer to provide guidance and assistance to the Corporation staff regarding all FOIA policies and procedures. All requests for records under the control and jurisdiction of the Office of the Inspector General will be forwarded to the Inspector General, through the FOIA Officer, for the Corporation’s initial determination and reply to the requester.

(b) Insufficiently identified records. On making a determination that the description contained in the request does not reasonably describe the records being sought, the FOIA Officer shall promptly advise the requester in writing or by telephone if possible. The FOIA Officer shall provide the requester with appropriate assistance to help the requester provide any additional information which would better identify the record. The requester may submit an amended request providing the necessary additional identifying information. Receipt of an amended request shall start a new 20 day period in which the Corporation will respond to the request.

(c) Furnishing records. The Corporation is required to furnish only copies of what it has or can retrieve. It is not compelled to create new records or do statistical computations. For example, the Corporation is not required to write a new program so that a computer will print information in a special format. However, if the requested information is maintained in computerized form, and it is possible, without inconvenience or unreasonable burden, to produce the information on paper, the Corporation will do this. This is the only feasible way to respond to a request. The Corporation is not required to perform any research for the requester. The Corporation reserves the right to make a decision to conserve government resources and at the same time supply the records requested by consolidating information from various records rather than duplicating all of them. For example, if it requires less time and expense to provide a computer record as a paper printout rather than in an electronic medium, the Corporation will provide the printout. The Corporation is only required to furnish one copy of a record.

(d) Format of the disclosure of a record. The requester, not the Corporation, will be entitled to choose the form of disclosure when multiple forms of a record already exist. Any further request for a record to be disclosed in a new format will have to be considered by the Corporation, on a case-by-case basis, to determine whether the records are “readily reproducible” in that form or format with “reasonable efforts” on the part of the Corporation. The Corporation shall make reasonable efforts to maintain its records in forms or formats that are reproducible for purposes of replying to a FOIA request.

(e) Release of record. Upon receipt of a request specifically identifying existing Corporation records, the Corporation shall, within 20 days (excepting Saturdays, Sundays, and legal public holidays), either grant or deny the request in whole or in part, as provided in this section. Any notice of denial in whole or in part shall require the FOIA Officer to inform the requester of his/her right to appeal the denial, in accordance with the procedures set forth in § 2507.7. If the FOIA Officer determines that a request describes a requested record sufficiently to permit its identification, he/she shall make it available unless he/she determines, as appropriate, to withhold the record as being exempt from mandatory disclosure under the Act.

(f) Form and content of notice granting a request. The Corporation shall provide written notice of a determination to grant access within 20 days (excepting Saturdays, Sundays, and legal public holidays) of receipt of the request. This will be done either by providing a copy
§ 2507.6 Under what circumstances may the Corporation extend the time limits for an initial response?

The time limits specified for the Corporation's initial response in §2507.5, and for its determination on an appeal in §2507.7, may be extended by the Corporation upon written notice to the requester which sets forth the reasons for such extension and the date upon which the Corporation will respond to the request. Such extension may be applied at either the initial response stage or the appeal stage, or both, provided the aggregate of such extensions shall not exceed ten working days. Circumstances justifying an extension under this section may include the following:

(a) Time necessary to search for and collect requested records from field offices of the Corporation;
(b) Time necessary to locate, collect and review voluminous records; or
(c) Time necessary for consultation with another agency having an interest in the request; or among two or more offices of the Corporation which have an interest in the request; or with a submitter of business information having an interest in the request.

§ 2507.7 How does one appeal the Corporation's denial of access to records?

(a) Right of appeal. A requester has the right to appeal a partial or full denial of an FOIA request. The appeal must be put in writing and sent to the reviewing official identified in the denial letter. The requester must send the appeal within 60 days of the letter denying the appeal.

(b) Contents of appeal. The written appeal may include as much or as little information as the requester wishes for the basis of the appeal.

(c) Review process. The Chief Operating Officer (COO) is the designated official to act on all FOIA appeals. The COO's determination of an appeal constitutes the Corporation's final action. If the appeal is granted, in whole or in part, the records will be made available for inspection or sent to the requester, promptly, unless a reasonable delay is justified. If the appeal is denied, in whole or in part, the COO will state the reasons for the decision in writing, providing notice of the right to judicial review. A decision will be made on the appeal within 20 days (excepting Saturdays, Sundays, and legal public holidays), from the date the appeal was received by the COO.

(d) When appeal is required. If a requester wishes to seek review by a court of an unfavorable determination, an appeal must first be submitted under this section.

§ 2507.8 How are fees determined?

(a) Policy. It is the policy of the Corporation to provide the widest possible access to releasable Corporation records at the least possible cost. The purpose of the request is relevant to the fees charged.
(b) Types of request. Fees will be determined by category of requests as follows:

(1) Commercial use requests. When a request for records is made for commercial use, charges will be assessed to cover the costs of searching for, reviewing for release, and reproducing the records sought.

(2) Requests for educational and non-commercial scientific institutions. When a request for records is made by an educational or non-commercial scientific institution in furtherance of scholarly or scientific research, respectively, charges may be assessed to cover the cost of reproduction alone, excluding charges for reproduction of the first 100 pages. Whenever the total fee calculated is $18.00 or less, no fee shall be charged.

(3) Requests from representatives of the news media. When a request for records is made by a representative of the news media for the purpose of news dissemination, charges may be assessed to cover the cost of reproduction alone, excluding the charges for reproduction of the first 100 pages. Whenever the total fee calculated is $18.00 or less, no fee shall be charged.

(4) Other requests. When other requests for records are made which do not fit the three preceding categories, charges will be assessed to cover the costs of searching for and reproducing the records sought, excluding charges for the first two hours of search time and for reproduction of the first 100 pages. (However, requests from individuals for records about themselves contained in the Agency’s systems of records will be treated under the fee provisions of the Privacy Act of 1974 (5 U.S.C. 552a) which permit the assessment of fees for reproduction costs only, regardless of the requester’s characterization of the request.) Whenever the total fee calculated is $18.00 or less, no fee shall be charged.

(c) Direct costs. Fees assessed shall provide only for recovery of the Corporation’s direct costs of search, review, and reproduction. Review costs shall include only the direct costs incurred during the initial examination of a record for the purposes of determining whether a record must be disclosed under this part and whether any portion of a record is exempt from disclosure under this part. Review costs shall not include any costs incurred in resolving legal or policy issues raised in the course of processing a request or an appeal under this part.

(d) Charging of fees. The following charges may be assessed for copies of records provided to a requester:

(1) Copies made by photostat shall be charged at the rate of $0.10 per page.

(2) Searches for requested records performed by clerical/administrative personnel shall be charged at the rate of $4.00 per quarter hour.

(3) Where a search for requested records cannot be performed by clerical administrative personnel (for example, where the tasks of identifying and compiling records responsive to a request must be performed by a skilled technician or professional), such search shall be charged at the rate of $7.00 per quarter hour.

(4) Where the time of managerial personnel is required, the fee shall be $10.25 for each quarter hour of time spent by such managerial personnel.

(5) Computer searches for requested records shall be charged at a rate commensurate with the combined cost of computer operation and operator’s salary attributable to the search.

(6) Charges for non-release. Charges may be assessed for search and review time, even if the Corporation fails to locate records responsive to a request or if records located are determined to be exempt from disclosure.

(e) Consent to pay fees. In the event that a request for records does not state that the requester will pay all reasonable costs, or costs up to a specified dollar amount, and the FOIA Officer determines that the anticipated assessable costs for search, review and reproduction of requested records will exceed $25.00, or will exceed the limit specified in the request, the requester shall be promptly notified in writing. Such notification shall state the anticipated assessable costs of search, review and reproduction of records requested. The requester shall be afforded an opportunity to amend the request to narrow the scope of the request, or, alternatively, may agree to
be responsible for paying the anticipated costs. Such a request shall be deemed to have been received by the Corporation upon the date of receipt of the amended request.

(f) Advance payment. (1) Advance payment of assessable fees are not required from a requester unless:

(i) The Corporation estimates or determines that assessable charges are likely to exceed $250.00, and the requester has no history of payment of FOIA fees. (Where the requester has a history of prompt payment of fees, the Corporation shall notify the requester of the likely cost and obtain written assurance of full payment.)

(ii) A requester has previously failed to pay a FOIA fee charged in a timely fashion (i.e., within 30 days of the date of the billing).

(2) When the Corporation acts under paragraphs (f)(1)(i) or (ii) of this section, the administrative time limits prescribed in §2507.5(a) and (b) will begin to run only after the Corporation has received fee payments or assurances.

(g) Interest on non-payment. Interest charges on an unpaid bill may be assessed starting on the 31st day following the day on which the billing was sent. Interest will be assessed at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of the billing.

The Corporation may use the authorization of the Debt Collection Act of 1982 (Pub. L. 97–365, 96 Stat. 1749), as amended, and its administrative procedures, including disclosure to consumer reporting agencies and the use of collection agencies, to encourage payment of delinquent fees.

(h) Aggregating requests. Where the Corporation reasonably believes that a requester or a group of requesters acting together is attempting to divide a request into a series of requests for the purpose of avoiding fees, the Corporation may aggregate those requests and charge accordingly. The Corporation may presume that multiple requests of this type made within a 30-day period have been made in order to avoid fees. Where requests are separated by a longer period, the Corporation will aggregate them only where there exists a solid basis for determining that aggregation is warranted under the circumstances involved. Multiple requests involving unrelated matters will not be aggregated.

(i) Making payment. Payment of fees shall be forwarded to the FOIA Officer by check or money order payable to “Corporation for National and Community Service”. A receipt for any fees paid will be provided upon written request.

(j) Fee processing. No fee shall be charged if the administrative costs of collection and processing of such fees are equal to or do not exceed the amount of the fee.

(k) Waiver or reduction of fees. A requester may, in the original request, or subsequently, apply for a waiver or reduction of document search, review and reproduction fees. Such application shall be in writing, and shall set forth in detail the reason(s) a fee waiver or reduction should be granted. The amount of any reduction requested shall be specified in the request. Upon receipt of such a request, the FOIA Officer will determine whether a fee waiver or reduction should be granted.

(1) A waiver or reduction of fees shall be granted only if release of the requested information to the requester is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Corporation, and it is not primarily in the commercial interest of the requester. The Corporation shall consider the following factors in determining whether a waiver or reduction of fees will be granted:

(i) Does the requested information concern the operations or activities of the Corporation?

(ii) If so, will disclosure of the information likely to contribute to public understanding of the Corporation’s operations and activities?

(iii) If so, would such a contribution be significant?

(iv) Does the requester have a commercial interest that would be furthered by disclosure of the information?

(v) If so, is the magnitude of the identified commercial interest of the requester sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester?
§ 2507.10 What records are specifically exempt from disclosure?

Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of portions which are exempt under this section. The following categories are examples of records maintained by the Corporation which, under the provision of 5 U.S.C. 552(b), are exempted from disclosure:

(a) Records required to be withheld under criteria established by an Executive Order in the interest of national defense and policy and which are in fact properly classified pursuant to any such Executive Order. Included in this category are records required by Executive Order No. 12958 (3 CFR, 1995 Comp., p. 333), as amended, to be classified in the interest of national defense or foreign policy.

(b) Records related solely to internal personnel rules and practices. Included in this category are internal rules and regulations relating to personnel management operations which cannot be disclosed to the public without substantial prejudice to the effective performance of significant functions of the Corporation.

(c) Records specifically exempted from disclosure by statute.

(d) Information of a commercial or financial nature including trade secrets given in confidence. Included in this category are records containing commercial or financial information obtained from any person and customarily regarded as privileged and confidential by the person from whom they were obtained.

(e) Interagency or intra-agency memoranda or letters which would not be available by law to a party other than a party in litigation with the Corporation. Included in this category are memoranda, letters, inter-agency and intra-agency communications and internal drafts, opinions and interpretations prepared by staff or consultants and records meant to be used as part of deliberations by staff, or ordinarily used in arriving at policy determinations and decisions.

(f) Personnel, medical and similar files. Included in this category are personnel and medical information files of staff, individual national service applicants and participants, lists of names and home addresses, and other files or material containing private or personal information, the public disclosure of which would amount to a clearly unwarranted invasion of the privacy of any person to whom the information pertains.

(g) Investigatory files. Included in this category are files compiled for the enforcement of all laws, or prepared in connection with government litigation and adjudicative proceedings, provided however, that such records shall be made available to the extent that their production will not:
§ 2507.11 What are the procedures for the release of commercial business information?

(a) Notification of business submitter. The Corporation shall promptly notify a business submitter of any request for Corporation records containing business information. The notice shall either specifically describe the nature of the business information requested or provide copies of the records, or portions thereof containing the business information.

(b) Business submitter reply. The Corporation shall afford a business submitter 10 working days to object to disclosure, and to provide the Corporation with a written statement specifying the grounds and arguments why the information should be withheld under Exemption (b)(4) of the Act.

(c) Considering and balancing respective interests. (1) The Corporation shall carefully consider and balance the business submitter’s objections and specific grounds for nondisclosure against such factors as:

(i) The general custom or usage in the occupation or business to which the information relates that it be held confidential; and

(ii) The number and situation of the individuals who have access to such information; and

(iii) The type and degree of risk of financial injury to be expected if disclosure occurs; and

(iv) The length of time such information should be regarded as retaining the characteristics noted in paragraphs (c)(1) (i) through (iii) of this section in determining whether to release the requested business information.

(2)(i) Whenever the Corporation decides to disclose business information over the objection of a business submitter, the Corporation shall forward to the business submitter a written notice of such decision, which shall include:

(A) The name, and title or position, of the person responsible for denying the submitter’s objection;

(B) A statement of the reasons why the business submitter’s objection was not sustained;

(C) A description of the business information to be disclosed; and

(D) A specific disclosure date.

(ii) The notice of intent to disclose business information shall be mailed by the Corporation not less than six working days prior to the date upon which disclosure will occur, with a copy of such notice to the requester.

(d) When notice to business submitter is not required. The notice to business submitter shall not apply if:

(1) The Corporation determines that the information shall not be disclosed;

(2) The information has previously been published or otherwise lawfully been made available to the public; or

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552).

(e) Notice of suit for release. Whenever a requester brings suit to compel disclosure of business information, the Corporation shall promptly notify the business submitter.

§ 2507.12 Authority.

The Corporation receives authority to change its governing regulations from the National and Community Service Act of 1990, as amended (42 U.S.C. 12501 et seq.).

The Chief Executive Officer has the responsibility of maintaining adequate technical, physical, and security safeguards to prevent unauthorized disclosure or destruction of manual and automatic record systems. (a) Manual systems. (1) Records contained in a system of records as defined herein may be used, held or stored only where facilities are adequate to prevent unauthorized access by persons within or outside the Corporation.

(2) All records, when not under the personal control of the employees authorized to use the records, must be stored in a locked metal filing cabinet. Some systems of records are not of such confidential nature that their disclosure would constitute a harm to an individual who is the subject of such record. However, records in this category shall also be maintained in locked metal filing cabinets or maintained in a secured room with a locking door.

(3) Access to and use of a system of records shall be permitted only to persons whose duties require such access within the Corporation, for routine uses as defined in §2508.4 as to any given system, or for such other uses as may be provided herein.

(5) Access to areas where a system of records is stored will be limited to those persons whose duties require work in such areas. There shall be an accounting of the removal of any records from such storage areas utilizing a written log, as directed by the Director, Administration and Management Services. The written log shall be maintained at all times.

(6) The Corporation shall ensure that all persons whose duties require access to and use of records contained in a system of records are adequately trained to protect the security and privacy of such records.

(1) Identifiable personal information may be processed, stored or maintained by automated data systems only where facilities or conditions are adequate to prevent unauthorized access to such systems in any form. Whenever such data, whether contained in punch cards, magnetic tapes or discs, are not under the personal control of an authorized person, such information must be stored in a locked or secured room, or in such other facility having greater safeguards than that provided for herein.

(2) Access to and use of identifiable personal data associated with automated data systems shall be limited to those persons whose duties require such access. Proper control of personal data in any form associated with automated data systems shall be maintained at all times, including maintenance of accountability records showing disposition of input and output documents.

(3) All persons whose duties require access to processing and maintenance of identifiable personal data and automated systems shall be adequately trained in the security and privacy of personal data.

(5) For the purpose of this part, the system of accounting for disclosures is not a system of records under the definitions hereof, and need not be maintained within a system of records.

(6) Any subject individual may request access to an accounting of disclosures of a record. The subject individual shall make a request for access to an accounting in accordance with §2508.13. An individual will be granted access to an accounting of disclosures of a record in accordance with the procedures of this subpart which govern access to the related record. Access to an accounting of a disclosure of a record made under §2508.13 may be granted at the discretion of the Director, Administration and Management Services.

(f) Under no circumstances shall the Corporation maintain any record about
any individual with respect to or describing how such individual exercises rights guaranteed by the First Amendment of the Constitution of the United States, unless expressly authorized by statute or by the individual about whom the record is maintained, or unless pertinent to and within the scope of an authorized law enforcement activity.

(e) With regard to any request for disclosure of a record, the following procedures shall apply:

(1) Medical or psychological records shall be disclosed to an individual unless, in the judgment of the Corporation, access to such records might have an adverse effect upon such individual. When such determination has been made, the Corporation may require that the information be disclosed only to a physician chosen by the requesting individual. Such physician shall have full authority to disclose all or any portion of such record to the requesting individual in the exercise of his or her professional judgment.

§ 2521.20 What types of AmeriCorps subtitle C program grants are available for award?

The Corporation may make the following types of grants to eligible applicants. The requirements of this section will also apply to any State or other applicant receiving assistance under this part that proposes to conduct a grant program using the assistance to support other national or community service programs.

(a) Planning grants—(1) Purpose. The purpose of a planning grant is to assist an applicant in completing the planning necessary to implement a sound concept that has already been developed.

(2) Eligibility. (i) States may apply directly to the Corporation for planning grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for planning grants.

(3) Duration. A planning grant will be negotiated for a term not to exceed one year.

(b) Operational grants—(1) Purpose. The purpose of an operational grant is to fund an organization that is ready to establish, operate, or expand an AmeriCorps program. An operational grant may include AmeriCorps educational awards. An operational grant may also include a short planning period of up to six months, if necessary, to implement a program.

(2) Eligibility. (i) States may apply directly to the Corporation for operational grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for operational grants. The Corporation may limit the categories of applicants eligible to apply directly to the Corporation for assistance under this section consistent with its National priorities.

(3) Duration. An operational grant will be negotiated for a term not to exceed three years. Within a three-year term, renewal funding will be contingent upon periodic assessment of program quality, progress to date, and availability of Congressional appropriations.

(c) Replication Grants. The Corporation may provide assistance for the replication of an existing national service program to another geographical location.

(d) Training, technical assistance and other special grants—(1) Purpose. The purpose of these grants is to ensure broad access to AmeriCorps programs for all Americans, including those with disabilities; support disaster relief efforts; assist efforts to secure private support for programs through challenge grants; and ensure program quality by supporting technical assistance and training programs.

(2) Eligibility. Eligibility varies and is detailed under 45 CFR part 2524, “Technical Assistance and Other Special Grants.”

(3) Duration. Grants will be negotiated for a renewable term of up to three years.

§ 2521.30 How will AmeriCorps subtitle C program grants be awarded?

In any fiscal year, the Corporation will award AmeriCorps subtitle C program grants as follows:
(a) Grants to State Applicants. (1) For the purposes of this section, the term “State” means the fifty States, Puerto Rico, and the District of Columbia.

(2) One-third of the funds available under this part and a corresponding allotment of AmeriCorps educational awards, as specified by the Corporation, will be distributed according to a population-based formula to the 50 States, Puerto Rico and the District of Columbia if they have applications approved by the Corporation.

(3) At least one-third of funds available under this part and an appropriate number of AmeriCorps awards, as determined by the Corporation, will be awarded to States on a competitive basis. In order to receive these funds, a State must receive funds under paragraphs (a)(2) or (b)(1) of this section in the same fiscal year.

(4) In making subgrants with funds awarded by formula or competition under paragraphs (a)(2) or (3) of this section, a State must ensure that a minimum of 50 percent of funds going to States will be used for programs that operate in the areas of need or on Federal or other public lands, and that place a priority on recruiting participants who are residents in high need areas, or on Federal or other public lands. The Corporation may waive this requirement for an individual State if at least 50 percent of the total amount of assistance to all States will be used for such programs.

(b) Grants to Applicants other than States. (1) One percent of available funds will be distributed to the U.S. Territories\(^1\) that have applications approved by the Corporation according to a population-based formula.\(^2\)

(2) One percent of available funds will be reserved for distribution to Indian tribes on a competitive basis.

(3) The Corporation will use any funds available under this part remaining after the award of the grants described in paragraphs (a) and (b) (1) and (2) of this section to make direct competitive grants to subdivisions of States, Indian tribes, public or private nonprofit organizations (including religious organizations and labor organizations), institutions of higher education, and Federal agencies. No more than one-third of these remaining funds may be awarded to Federal agencies.

(c) Allocation of AmeriCorps educational awards only. The Corporation will determine on an annual basis the appropriate number of educational awards to make available for eligible applicants who have not applied for program assistance.

(d) Effect of States’ or Territories’ failure to apply. If a State or U.S. Territory does not apply for or fails to give adequate notice of its intent to apply for a formula-based grant as announced by the Corporation and published in applications and the Notice of Funds Availability, the Corporation will use the amount of that State’s allotment to make grants to eligible entities to carry out AmeriCorps programs in that State or Territory. Any funds remaining from that State’s allotment after making such grants will be reallocated to the States, Territories, and Indian tribes with approved AmeriCorps applications at the Corporation’s discretion.

(e) Effect of rejection of State application. If a State’s application for a formula-based grant is ultimately rejected by the Corporation pursuant to §2522.320 of this chapter, the State’s allotment will be available for redistribution by the Corporation to the States, Territories, and Indian tribes with approved AmeriCorps applications as the Corporation deems appropriate.

(f) The Corporation will make grants for training, technical assistance and other special programs described in part 2524 of this chapter at the Corporation’s discretion.

\(^1\)The United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

\(^2\)The amount allotted as a grant to each such territory or possession is equal to the ratio of each such Territory’s population to the population of all such territories multiplied by the amount of the one percent set-aside.

Corporation for National and Community Service

§ 2521.35 Who must comply with matching requirements?

(a) The matching requirements described in §§ 2521.40 through 2521.95 apply to you if you are a subgrantee of a State commission or a direct program grantee of the Corporation. These requirements do not apply to Education Award Programs.

(b) If you are a State commission, you must ensure that your grantees meet the match requirements established in this part, and you are also responsible for meeting an aggregate overall match based on your grantees' individual match requirements.

[70 FR 39598, July 8, 2005; 70 FR 48882, Aug. 22, 2005]

§ 2521.40 What are the matching requirements?

If you are subject to matching requirements under § 2521.35, you must adhere to the following:

(a) Basic match: At a minimum, you must meet the basic match requirements as articulated in § 2521.45.

(b) Regulatory match: In addition to the basic requirements under paragraph (a) of this section, you must provide an overall level of matching funds according to the schedule in § 2521.60(a), or § 2521.60(b) if applicable.

(c) Budgeted match: To the extent that the match in your approved budget exceeds your required match levels under paragraph (a) or (b) of this section, any failure to provide the amount above your regulatory match but below your budgeted match will be considered as a measure of past performance in subsequent grant competitions.

[70 FR 39598, July 8, 2005]

§ 2521.45 What are the limitations on the Federal government's share of program costs?

The limitations on the Federal government’s share are different—in type and amount—for member support costs and program operating costs.

(a) Member support: The Federal share, including Corporation and other Federal funds, of member support costs, which include the living allowance required under § 2522.240(b)(1), FICA, unemployment insurance (if required under State law), worker's compensation (if required under State law), is limited as follows:

1. The Federal share of the living allowance may not exceed 85 percent of the minimum living allowance required under § 2522.240(b)(1), and 85 percent of other member support costs.

2. If you are a professional corps described in § 2522.240(b)(2)(i), you may not use Corporation funds for the living allowance.

3. Your share of member support costs must be non-Federal cash.

4. The Corporation’s share of health care costs may not exceed 85 percent.

(b) Program operating costs: The Corporation share of program operating costs may not exceed 67 percent. These costs include expenditures (other than member support costs described in paragraph (a) of this section) such as staff, operating expenses, internal evaluation, and administration costs.

1. You may provide your share of program operating costs with cash, including other Federal funds (as long as the other Federal agency permits its funds to be used as match), or third party in-kind contributions.

2. Contributions, including third party in-kind must:

(i) Be verifiable from your records;

(ii) Not be included as contributions for any other Federally assisted program;

(iii) Be necessary and reasonable for the proper and efficient accomplishment of your program's objectives; and

(iv) Be allowable under applicable OMB cost principles.

3. You may not include the value of direct community service performed by volunteers, but you may include the value of services contributed by volunteers to your organizations for organizational functions such as accounting, audit, and training of staff and AmeriCorps programs.

[70 FR 39598, July 8, 2005]

§ 2521.50 If I am an Indian Tribe, to what extent may I use tribal funds towards my share of costs?

If you are an Indian Tribe that receives tribal funds through Public Law 93-638 (the Indian Self-Determination and Education Assistance Act), those funds are considered non-Federal and
§ 2521.60

you may use them towards your share of costs, including member support costs.

[70 FR 39598, July 8, 2005]

§ 2521.60 To what extent must my share of program costs increase over time?

Except as provided in paragraph (b) of this section, if your program continues to receive funding after an initial three-year grant period, you must continue to meet the minimum requirements in §2541.45 of this part. In addition, your required share of program costs, including member support and operating costs, will incrementally increase to a 50 percent overall share by the tenth year and any year thereafter that you receive a grant, without a break in funding of five years or more. A 50 percent overall match means that you will be required to match $1 for every $1 you receive from the Corporation.

(a) Minimum Organization Share: (1) Subject to the requirements of §2521.45 of this part, and except as provided in paragraph (b) of this section, your overall share of program costs will increase as of the fourth consecutive year that you receive a grant, according to the following timetable:

<tr>

(2) A grantee must have contributed matching resources by the end of a grant period in an amount equal to the combined total of the minimum overall annual match for each year of the grant period, according to the table in paragraph (a)(1) of this section.

(3) A State commission may meet its match based on the aggregate of its grantees’ individual match requirements.

(b) Alternative match requirements: If your program is unable to meet the match requirements as required in paragraph (a) of this section, and is located in a rural or a severely economically distressed community, you may apply to the Corporation for a waiver that would require you to increase the overall amount of your share of program costs beginning in the seventh consecutive year that you receive a grant, according to the following table:

(c) Determining Program Location. (1) The Corporation will determine whether your program is located in a rural county by considering the U.S. Department of Agriculture’s Beale Codes.

(2) The Corporation will determine whether your program is located in a severely economically distressed county by considering unemployment rates, per capita income, and poverty rates.

(3) Unless the Corporation approves otherwise, as provided in paragraph (c)(4) of this section, the Corporation will determine the location of your program based on the legal applicant’s address.

(4) If you believe that the legal applicant’s address is not the appropriate way to consider the location of your program, you may request the waiver described in paragraph (b) of this section and provide the relevant facts about your program location to support your request.
§ 2521.95 To what extent may I use grant funds for administrative costs?

(a) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in §2510.20 of this chapter.

(b) The distribution of administrative costs between the grant and any

§ 2521.90 If I am a new or replacement legal applicant for an existing program, what will my matching requirements be?

If your organization is a new or replacement legal applicant for an existing program, you must provide matching resources at the level the previous legal applicant had reached at the time you took over the program.

§ 2521.80 What matching level applies if my program was funded in the past but has not recently received an AmeriCorps grant?

(a) If you have not been a direct recipient of an AmeriCorps operational grant from the Corporation or a State commission for five years or more, as determined by the end date of your most recent grant period, you may begin matching at the year one level, as reflected in the timetable in §2521.60(a) of this part, upon receiving your new grant award.

(b) If you have not been a direct recipient of an AmeriCorps operational grant from the Corporation or a State commission for fewer than five years, you must begin matching at the same level you were matching at the end of your most recent grant period.

§ 2521.70 To what extent may the Corporation waive the matching requirements in §§ 2521.45 and 2521.60 of this part?

(a) The Corporation may waive, in whole or in part, the requirements of §§ 2521.45 and 2521.60 of this part if the Corporation determines that a waiver would be equitable because of a lack of available financial resources at the local level.

(b) If you are requesting a waiver, you must demonstrate:

(1) The lack of resources at the local level;

(2) That the lack of resources in your local community is unique or unusual;

(3) The efforts you have made to raise matching resources; and

(4) The amount of matching resources you have raised or reasonably expect to raise.

(c) You must provide with your waiver request:

(1) A request for the specific amount of match you are requesting that the Corporation waive; and

(2) A budget and budget narrative that reflects the requested level in matching resources.

subgrant will be subject to the approval of the Corporation.

(c) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(1) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(i) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(ii) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation’s award;

(2) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(3) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

You. For this part, you refers to the grantee, unless otherwise noted.  
(70 FR 39600, July 8, 2005)

§ 2522.100 What are the minimum requirements that every AmeriCorps program, regardless of type, must meet?  
Although a wide range of programs may be eligible to apply for and receive support from the Corporation, all AmeriCorps subtitle C programs must
meet certain minimum program requirements. These requirements apply regardless of whether a program is supported directly by the Corporation or through a subgrant. All AmeriCorps programs must:

(a) Address educational, public safety, human, or environmental needs, and provide a direct and demonstrable benefit that is valued by the community in which the service is performed;

(b) Perform projects that are designed, implemented, and evaluated with extensive and broad-based local input, including consultation with representatives from the community served, participants (or potential participants) in the program, community-based agencies with a demonstrated record of experience in providing services, and local labor organizations representing employees of project sponsors (if such entities exist in the area to be served by the program);

(c) Obtain, in the case of a program that also proposes to serve as the project sponsor, the written concurrence of any local labor organization representing employees of the project sponsor who are engaged in the same or substantially similar work as that proposed to be carried out by the AmeriCorps participant;

(d) Establish and provide outcome objectives, including a strategy for achieving these objectives, upon which self-assessment and Corporation-assessment of progress can rest. Such assessment will be used to help determine the extent to which the program has had a positive impact: (1) On communities and persons served by the projects performed by the program;

(2) On participants who take part in the projects; and

(3) In such other areas as the program or Corporation may specify;

(e) Strengthen communities and encourage mutual respect and cooperation among citizens of different races, ethnicities, socioeconomic backgrounds, educational levels, both men and women and individuals with disabilities;

(f) Agree to seek actively to include participants and staff from the communities in which projects are conducted, and agree to seek program staff and participants of different races and ethnicities, socioeconomic backgrounds, educational levels, and genders as well as individuals with disabilities unless a program design requires emphasizing the recruitment of staff and participants who share a specific characteristic or background. In no case may a program violate the nondiscrimination, nonduplication and nondisplacement rules governing participant selection described in part 2540 of this chapter. In addition, programs are encouraged to establish, if consistent with the purposes of the program, an intergenerational component that combines students, out-of-school youths, and older adults as participants;

(g)(1) Determine the projects in which participants will serve and establish minimum qualifications that individuals must meet to be eligible to participate in the program; these qualifications may vary based on the specific tasks to be performed by participants. Regardless of the educational level or background of participants sought, programs are encouraged to select individuals who possess leadership potential and a commitment to the goals of the AmeriCorps program. In any case, programs must select participants in a non-partisan, non-political, non-discriminatory manner, ensuring fair access to participation. In addition, programs are required to ensure that they do not displace any existing paid employees as provided in part 2540 of this chapter;

(2) In addition, all programs are required to comply with any pre-service orientation or training period requirements established by the Corporation to assist in the selection of motivated participants. Finally, all programs must agree to select a percentage (to be determined by the Corporation) of the participants for the program from among prospective participants recruited by the Corporation or State Commissions under part 2533 of this chapter. The Corporation may also specify a minimum percentage of participants to be selected from the national leadership pool established under §2522.210(c). The Corporation may vary either percentage for different types of AmeriCorps programs;
Corporation for National and Community Service § 2522.110

(h) Provide reasonable accommodation, including auxiliary aids and services (as defined in section 3(1) of the Americans with Disabilities Act of 1990 (42 U.S.C. 12102(1)) based on the individualized need of a participant who is a qualified individual with a disability (as defined in section 101(8) of such Act (42 U.S.C. 12111(8))). For the purpose of complying with this provision, AmeriCorps programs may apply for additional financial assistance from the Corporation pursuant to §2524.40 of this chapter;

(i) Use service experiences to help participants achieve the skills and education needed for productive, active citizenship, including the provision, if appropriate, of structured opportunities for participants to reflect on their service experiences. In addition, all programs must encourage every participant who is eligible to vote to register prior to completing a term of service;

(j) Provide participants in the program with the training, skills, and knowledge necessary to perform the tasks required in their respective projects, including, if appropriate, specific training in a particular field and background information on the community, including why the service projects are needed;

(k) Provide support services—

(1) To participants who are completing a term of service and making the transition to other educational and career opportunities; and

(2) To those participants who are school dropouts in order to assist them in earning the equivalent of a high school diploma;

(l) Ensure that participants serving in approved AmeriCorps positions receive the living allowance and other benefits described in §§2522.240 through 2522.250 of this chapter;

(m) Describe the manner in which the AmeriCorps educational awards will be apportioned among individuals serving in the program. If a program proposes to provide such benefits to less than 100 percent of the participants in the program, the program must provide a compelling rationale for determining which participants will receive the benefits and which participants will not. AmeriCorps programs are strongly encouraged to offer alternative post-service benefits to participants who will not receive AmeriCorps educational awards, however AmeriCorps grant funds may not be used to provide such benefits;

(n) Agree to identify the program, through the use of logos, common application materials, and other means (to be specified by the Corporation), as part of a larger national effort and to participate in other activities such as common opening ceremonies (including the administration of a national oath or affirmation), service days, and conferences designed to promote a national identity for all AmeriCorps programs and participants, including those participants not receiving AmeriCorps educational awards. This provision does not preclude an AmeriCorps program from continuing to use its own name as the primary identification, or from using its name, logo, or other identifying materials on uniforms or other items;

(o) Agree to begin terms of service at such times as the Corporation may reasonably require and to comply with any restrictions the Corporation may establish as to when the program may take to fill an approved AmeriCorps position left vacant due to attrition;

(p) Comply with all evaluation procedures specified by the Corporation, as explained in §§2522.500 through 2522.560;

(q) In the case of a program receiving funding directly from the Corporation, as explained in §§2522.500 through 2522.560;

(r) Address any other requirements as specified by the Corporation.

§ 2522.110 What types of programs are eligible to compete for AmeriCorps grants?

Types of programs eligible to compete for AmeriCorps grants include the following: (a) Specialized skills programs. (1) A service program that is targeted to address specific educational, public safety, human, or environmental needs and that—
(i) Recruits individuals with special skills or provides specialized pre-service training to enable participants to be placed individually or in teams in positions in which the participants can meet such needs; and

(ii) If consistent with the purposes of the program, brings participants together for additional training and other activities designed to foster civic responsibility, increase the skills of participants, and improve the quality of the service provided.

(2) A preprofessional training program in which students enrolled in an institution of higher education—

(i) Receive training in specified fields, which may include classes containing service-learning;

(ii) Perform service related to such training outside the classroom during the school term and during summer or other vacation periods; and

(iii) Agree to provide service upon graduation to meet educational, public safety, human, or environmental needs related to such training.

(3) A professional corps program that recruits and places qualified participants in positions—

(i) As teachers, nurses and other health care providers, police officers, early childhood development staff, engineers, or other professionals providing service to meet educational, public safety, human, or environmental needs in communities with an inadequate number of such professionals;

(ii) That may include a salary in excess of the maximum living allowance authorized in §2522.240(b)(2); and

(iii) That are sponsored by public or private nonprofit employers who agree to pay 100 percent of the salaries and benefits (other than any AmeriCorps educational award from the National Service Trust) of the participants.

(b) Specialized service programs. (1) A community service program designed to meet the needs of rural communities and to combat rural poverty, including health care, education, and job training.

(2) A program that seeks to eliminate hunger in communities and rural areas through service in projects—

(i) Involving food banks, food pantries, and nonprofit organizations that provide food during emergencies;

(ii) Involving the gleaning of prepared and unprepared food that would otherwise be discarded as unusable so that the usable portion of such food may be donated to food banks, food pantries, and other nonprofit organizations;

(iii) Seeking to address the long-term causes of hunger through education and the delivery of appropriate services; or

(iv) Providing training in basic health, nutrition, and life skills necessary to alleviate hunger in communities and rural areas.

(3) A program in which economically disadvantaged individuals who are between the ages of 16 and 24 years of age, inclusive, are provided with opportunities to perform service that, while enabling such individuals to obtain the education and employment skills necessary to achieve economic self-sufficiency, will help their communities meet—

(i) The housing needs of low-income families and the homeless; and

(ii) The need for community facilities in low-income areas.

(c) Community-development programs.

(1) A community corps program that meets educational, public safety, human, or environmental needs and promotes greater community unity through the use of organized teams of participants of varied social and economic backgrounds, skill levels, physical and developmental capabilities, ages, ethnic backgrounds, or genders.

§ 2522.205 To whom must I apply the National Service Criminal History Check eligibility criteria?

[77 FR 60931, Oct. 5, 2012]

§ 2522.206 [Reserved]

§ 2522.207 How do I determine an individual’s eligibility to serve in a covered position?

To determine an individual’s eligibility to serve in a covered position, you must follow the procedures in part 2540 of this chapter.

[77 FR 60932, Oct. 5, 2012]

§ 2522.210 How are AmeriCorps participants recruited and selected?

(a) Local recruitment and selection. In general, AmeriCorps participants will be selected locally by an approved AmeriCorps program, and the selection...
criteria will vary widely among the different programs. Nevertheless, AmeriCorps programs must select their participants in a fair and non-discriminatory manner which complies with part 2540 of this chapter. In selecting participants, programs must also comply with the recruitment and selection requirements specified in this section.

(b)(1) National and State recruitment and selection. The Corporation and each State Commission will establish a system to recruit individuals who desire to perform national service and to assist the placement of these individuals in approved AmeriCorps positions, which may include positions available under titles I and II of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.). The national and state recruitment and placement system will be designed and operated according to Corporation guidelines.

(2) Dissemination of information. The Corporation and State Commissions will disseminate information regarding available approved AmeriCorps positions through cooperation with secondary schools, institutions of higher education, employment service offices, community-based organizations, State vocational rehabilitation agencies within the meaning of the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq.), the national and state recruitment and placement system will be designed and operated according to Corporation guidelines.

(3) Assignment. At the request of a program that receives assistance, the Corporation may assign an individual who receives leadership training under paragraph (c)(1) of this section to work with the program in a leadership position and carry out assignments not otherwise performed by regular participants. An individual assigned to a program will be considered to be a participant of the program.

§ 2522.220 What are the required terms of service for AmeriCorps participants?

(a) Term of Service. A term of service may be defined as:

(1) Full-time service. 1,700 hours of service during a period of not more than one year.

(2) Part-time service. 900 hours of service during a period of not more than two years.

(3) Reduced part-time term of service. The Corporation may reduce the number of hours required to be served in order to receive an educational award for certain part-time participants serving in approved AmeriCorps positions. In such cases, the educational award will be reduced in direct proportion to the reduction in required hours of service. These reductions may be made for summer programs, for categories of participants in certain approved AmeriCorps programs and on a case-by-case, individual basis as determined by the Corporation.

(4) Summer programs. A summer program, in which less than 1700 hours of service are performed, are part-time programs.

(b) Eligibility for subsequent term. A participant will only be eligible to serve a subsequent term of service if

(i) In the Peace Corps;

(ii) As VISTA volunteers;

(iii) As participants in AmeriCorps programs receiving assistance under parts 2520 through 2524 of this chapter;

(iv) As participants in National Service Demonstration programs that received assistance from the Commission on National and Community Service; or

(v) As members of the Armed Forces of the United States and who were honorably discharged from such service.
§ 2522.230 Under what circumstances may an AmeriCorps participant be released from completing a term of service, and what are the consequences?

An AmeriCorps program may release a participant from completing a term of service for compelling personal circumstances, as determined by the program, or for cause.

(a) Release for compelling personal circumstances.

(1) An AmeriCorps program may release a participant upon a determination by the program, consistent with the criteria listed in paragraphs (a)(6) and (a)(7) of this section, that the participant is unable to complete the term orally and in writing at the beginning of the term of service.

(d) Limitation. The Corporation may set a minimum or maximum percentage of hours of a full-time, part-time, or reduced term of service described in paragraphs (a)(1), (a)(2), and (a)(3) of this section that a participant may engage in training, education, or other similar approved activities.

(e) Grievance procedure. Any AmeriCorps participant wishing to contest a program’s ruling of unsatisfactory performance may file a grievance according to the procedures set forth in part 2540 of this chapter. If that grievance procedure or subsequent binding arbitration procedure finds that the participant did in fact satisfactorily complete a term of service, then that individual will be eligible to receive an educational award and/or be eligible to serve a second term of service.

(f) Extension of term for disaster purposes. If approved by the Corporation, a program may permit an AmeriCorps participant performing service directly related to disaster relief efforts to continue in a term of service for a period of up to 90 days beyond the period otherwise specified. A period of service performed by an AmeriCorps participant in an originally agreed-upon term of service and service performed under this paragraph shall constitute a single term of service for the purposes of §2526.50(a) of this chapter.

of service because of compelling personal circumstances, if the participant has otherwise performed satisfactorily and has completed at least fifteen percent of the agreed term of service.

(2) A participant who is released for compelling personal circumstances and who completes at least 15 percent of the required term of service is eligible for a pro-rated education award.

(3) The program must document the basis for any determination that compelling personal circumstances prevent a participant from completing a term of service.

(4) Compelling personal circumstances include:

(i) Those that are beyond the participant’s control, such as, but not limited to:

(A) A participant’s disability or serious illness;
(B) Disability, serious illness, or death of a participant’s family member if this makes completing a term unreasonably difficult or impossible; or
(C) Conditions attributable to the program or otherwise unforeseeable and beyond the participant’s control, such as a natural disaster, a strike, relocation of a spouse, or the nonrenewal or premature closing of a project or program, that make completing a term unreasonably difficult or impossible;

(ii) Those that the Corporation, has for public policy reasons, determined as such, including:

(A) Military service obligations;
(B) Acceptance by a participant of an opportunity to make the transition from welfare to work; or
(C) Acceptance of an employment opportunity by a participant serving in a program that includes in its approved objectives the promotion of employment among its participants.

(5) Compelling personal circumstances do not include leaving a program:

(i) To enroll in school;
(ii) To obtain employment, other than in moving from welfare to work or in leaving a program that includes in its approved objectives the promotion of employment among its participants; or
(iii) Because of dissatisfaction with the program.

(6) As an alternative to releasing a participant, an AmeriCorps*State/National program may, after determining that compelling personal circumstances exist, suspend the participant’s term of service for up to two years (or longer if approved by the Corporation based on extenuating circumstances) to allow the participant to complete service with the same or similar AmeriCorps program at a later time.

(b) Release for cause. (1) A release for cause encompasses any circumstances other than compelling personal circumstances that warrant an individual’s release from completing a term of service.

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps*State/National participant released for cause may contest the program’s decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a program to release the individual for cause, the individual’s service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as part of its resolution—provide a participant with federally-funded benefits (including payments from the National Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from the Corporation.

(6) An individual’s eligibility for a subsequent term of service in AmeriCorps will not be affected by release for cause from a prior term of
§ 2522.235  Is there a limit on the number of terms an individual may serve in an AmeriCorps State and National program?

(a) General limitation. An individual may receive the benefits described in §2522.240 through §2522.250 for no more than four terms of service in an AmeriCorps State and National program, regardless of whether those terms were served on a full-, part-, or reduced part-time basis, consistent with the limitations in §2526.50.

§ 2522.240  What financial benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) AmeriCorps education awards. An individual serving in an approved AmeriCorps State and National position may receive an education award from the National Service Trust upon successful completion of each of no more than four terms of service as defined in §2522.220, consistent with the limitations in §2526.50.

(b) Living allowances—(1) Amount. Subject to the provisions of this part, any individual who participates on a full-time basis in an AmeriCorps program carried out using assistance provided pursuant to §2521.30 of this chapter, including an AmeriCorps program that receives educational awards only pursuant to §2521.30(c) of this chapter, will receive a living allowance in an amount equal to or greater than the average annual subsistence allowance provided to VISTA volunteers under §105 of the Domestic Volunteer Service...
Corporation for National and Community Service § 2522.245

Act of 1973 (42 U.S.C. 4955). This requirement will not apply to any program that was in existence prior to September 21, 1993 (the date of the enactment of the National and Community Service Trust Act of 1993).

(2) Maximum living allowance. With the exception of a professional corps described in § 2522.110(a)(3), the AmeriCorps living allowances may not exceed 200 percent of the average annual subsistence allowance provided to VISTA volunteers under section 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). A professional corps AmeriCorps program may provide a stipend in excess of the maximum, subject to the following conditions: (i) Corporation assistance may not be used to pay for any portion of the allowance; and (ii) The program must be operated directly by the applicant, selected on a competitive basis by submitting an application to the Corporation, and may not be included in a State’s application for AmeriCorps program funds distributed by formula under § 2521.30(a)(2) of this chapter.

(3) Living allowances for part-time participants. Programs may, but are not required to, provide living allowances to individuals participating on a part-time basis (or a reduced term of part-time service authorized under § 2522.220(a)(3)). Such living allowances should be prorated to the living allowance authorized in paragraph (b)(1) of this section and will comply with such restrictions therein.

(4) Waiver or reduction of living allowance for programs. The Corporation may, at its discretion, waive or reduce the living allowance requirements if a program can demonstrate to the satisfaction of the Corporation that such requirements are inconsistent with the objectives of the program, and that participants will be able to meet the necessary and reasonable costs of living (including food, housing, and transportation) in the area in which the program is located.

(5) Waiver or reduction of living allowance by participants. A participant may waive all or part of the receipt of a living allowance. The participant may revoke this waiver at any time during the participant’s term of service. If the participant revokes the living allowance waiver, the participant may begin receiving his or her living allowance prospective from the date of the revocation; a participant may not receive any portion of the living allowance that may have accrued during the waiver period.

(6) Limitation on Federal share. The Federal share, including Corporation and other Federal funds, of the total amount provided to an AmeriCorps participant for a living allowance is limited as follows: (i) In no case may the Federal share exceed 85% of the minimum required living allowance enumerated in paragraph (b)(1) of this section. (ii) For professional corps described in paragraph (b)(2)(i) of this section, Corporation and other Federal funds may be used to pay for no portion of the living allowance. (iii) If the minimum living allowance requirements have been waived or reduced pursuant to paragraph (b)(4) of this section and the amount of the living allowance provided to a participant has been reduced correspondingly—

(A) In general, the Federal share may not exceed 85% of the reduced living allowance; however, (B) If a participant is serving in a program that provides room or board, the Corporation will consider on a case-by-case basis allowing the portion of that living allowance that may be paid using Corporation and other Federal funds to be between 85% and 100%.

(c) Financial benefits for participants during an extended term of service for disaster purposes. An AmeriCorps participant performing extended service under § 2522.220(f) may continue to receive a living allowance under paragraph (b) and other benefits under § 2522.250, but may not receive an additional AmeriCorps educational award under paragraph (a).

§ 2522.245 How are living allowances disbursed?

A living allowance is not a wage and programs may not pay living allowances on an hourly basis. Programs
must distribute the living allowance at regular intervals and in regular increments, and may increase living allowance payments only on the basis of increased living expenses such as food, housing, or transportation. Living allowance payments may only be made to a participant during the participant’s term of service and must cease when the participant concludes the term of service. Programs may not provide a lump sum payment to a participant who completes the originally agreed-upon term of service in a shorter period of time. 

§ 2522.250 What other benefits do AmeriCorps participants serving in approved AmeriCorps positions receive? 

(a) Child Care. Grantees must provide child care through an eligible provider or a child care allowance in an amount determined by the Corporation to those full-time participants who need child care in order to participate. 

(1) Need. A participant is considered to need child care in order to participate in the program if he or she: 

(i) Is the parent or legal guardian of, or is acting in loco parentis for, a child under 13 who resides with the participant; 

(ii) Has a family income that does not exceed 75 percent of the State’s median income for a family of the same size; 

(iii) At the time of acceptance into the program, is not currently receiving child care assistance from another source, including a parent or guardian, which would continue to be provided while the participant serves in the program; and 

(iv) Certifies that he or she needs child care in order to participate in the program. 

(2) Provider eligibility. Eligible child care providers are those who are eligible child care providers as defined in the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n(5)). 

(3) Child care allowance. The amount of the child-care allowance may not exceed the applicable payment rate to an eligible provider established by the State for child care funded under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)). 

(4) Corporation share. The Corporation will pay 100 percent of the child care allowance, or, if the program provides child care through an eligible provider, the actual cost of the care or the amount of the allowance, whichever is less. 

(b) Health care. (1) Grantees must provide to all eligible participants who meet the requirements of paragraph (b)(2) of this section health care coverage that—

(i) Provides the minimum benefits determined by the Corporation; 

(ii) Provides the alternative minimum benefits determined by the Corporation; or 

(iii) Does not provide all of either the minimum or the alternative minimum benefits but that has a fair market value equal to or greater than the fair market value of a policy that provides the minimum benefits. 

(2) Participant eligibility. A full-time participant is eligible for health care benefits if he or she is not otherwise covered by a health benefits package providing minimum benefits established by the Corporation at the time he or she is accepted into a program. If, as a result of participation, or if, during the term of service, a participant demonstrates loss of coverage through no deliberate act of his or her own, such as parental or spousal job loss or disqualification from Medicaid, the participant will be eligible for health care benefits. 

(3) Corporation share. (i) Except as provided in paragraph (b)(3)(ii) of this section, the Corporation’s share of the cost of health coverage may not exceed 85 percent. 

(ii) The Corporation will pay no share of the cost of a policy that does not provide the minimum or alternative minimum benefits described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

(b) The nature of the services provided;
(c) The program staff, participants, and volunteers involved;

(e) The extent to which participants of the national service program are recruited from among residents of the communities in which projects are to be conducted, and the extent to which participants and community residents are involved in the design, leadership, and operation of the program.

(f) The extent to which projects would be conducted in one of the areas listed in §2522.450(c)(1) through (5) of this subpart.

(g) In the case of applicants other than States, the extent to which the application is consistent with the application of the State in which the projects would be conducted.

(h) Such other criteria as the Corporation considers to be appropriate, following appropriate notice.

[70 FR 39600, July 8, 2005]

§ 2522.480 Can a State’s application for formula funds be rejected?

Yes. Formula funds are not an entitlement.

(a) Notification. If the Corporation rejects an application submitted by a State Commission under part 2550 of this chapter for funds described in §2521.30 of this chapter, the Corporation will promptly notify the State Commission of the reasons for the rejection of the application.

(b) Revision. The Corporation will provide a State Commission notified under paragraph (a) of this section with a reasonable opportunity to revise and resubmit the application. At the request of the State Commission, the Corporation will provide technical assistance to the State Commission as part of the resubmission process. The Corporation will promptly reconsider an application resubmitted under this paragraph.

(c) Redistribution. The amount of any State’s allotment under §2521.30(a) of this chapter for a fiscal year that the
Corporation for National and Community Service § 2522.520

Corporation determines will not be provided for that fiscal year will be available for redistribution by the Corporation to the States, Territories and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

§ 2522.485 How do I calculate my program’s budgeted Corporation cost per member service year (MSY)?

If you are an AmeriCorps national and community service program, you calculate your Corporation cost per MSY by dividing the Corporation’s share of budgeted grant costs by the number of member service years you are awarded in your grant. You do not include child-care or the cost of the education award a member may earn through serving with your program.

Subpart E—Evaluation Requirements

§ 2522.500 What is the purpose of this subpart?

(a) This subpart sets forth the minimum performance measures and evaluation requirements that you as a Corporation applicant or grantee must follow.

(b) The performance measures that you, as an applicant, propose when you apply will be considered in the review process and may affect whether the Corporation selects you to receive a grant. Your performance related to your approved measures will influence whether you continue to receive funding.

(c) Performance measures and evaluations are designed to strengthen your AmeriCorps program and foster continuous improvement, and help identify best practices and models that merit replication, as well as programmatic weaknesses that need attention.

[70 FR 39603, July 8, 2005]

§ 2522.510 To whom does this subpart apply?

This subpart applies to you if you are a Corporation grantee administering an AmeriCorps grant, including an Education Award Program grant, or if you are applying to receive AmeriCorps funding from the Corporation.

[70 FR 39603, July 8, 2005]

§ 2522.520 What special terms are used in this subpart?

The following definitions apply to terms used in this subpart of the regulations:

(a) Approved application means the application approved by the Corporation or, for formula programs, by a State commission.

(b) Community beneficiaries refers to persons who receive services or benefits from a program, but not to AmeriCorps members or to staff of the organization operating the program.

(c) Outputs are the amount or units of service that members or volunteers have completed, or the number of community beneficiaries the program has served. Outputs do not provide information on benefits or other changes in communities or in the lives of members or community beneficiaries. Examples of outputs could include the number of people a program tutors, counsels, houses, or feeds.

(d) Intermediate-outcomes specify a change that has occurred in communities or in the lives of community beneficiaries or members, but is not necessarily a lasting benefit for them. They are observable and measurable indications of whether or not a program is making progress and are logically connected to end outcomes. An example would be the number and percentage of students who report reading more books as a result of their participation in a tutoring program.

(e) Internal evaluation means an evaluation that a grantee performs in-house without the use of an independent external evaluator.

(f) End-outcomes specify a change that has occurred in communities or in the lives of community beneficiaries or members that is significant and lasting. These are actual benefits or changes for participants during or after a program. For example, in a tutoring program, the end outcome could be the percent and number of students who have improved their reading scores to
§ 2522.530 May I use the Corporation's program grant funds for performance measurement and evaluation?

If performance measurement and evaluation costs were approved as part of your grant, you may use your program grant funds to support them, consistent with the level of approved costs for such activities in your grant award.

[70 FR 39603, July 8, 2005; 70 FR 48882, Aug. 22, 2005]

§ 2522.540 Do the costs of performance measurement or evaluation count towards the statutory cap on administrative costs?

No, the costs of performance measurement and evaluation do not count towards the statutory five percent cap on administrative costs in the grant, as provided in §2540.110 of this chapter.

[70 FR 39603, July 8, 2005]

§ 2522.550 What basic requirements must I follow in measuring performance under my grant?

All grantees must establish, track, and assess performance measures for their programs. As a grantee, you must ensure that any program under your oversight fulfills performance measure and evaluation requirements. In addition, you must:

(a) Establish ambitious performance measures in consultation with the Corporation, or the State commission, as appropriate, following §§2422.560 through 2422.560 of this subpart;

(b) Ensure that any program under your oversight collects and organizes performance data on an ongoing basis, at least annually;

(c) Ensure that any program under your oversight tracks progress toward meeting your performance measures;

(d) Ensure that any program under your oversight corrects performance deficiencies promptly; and

(e) Accurately and fairly present the results in reports to the Corporation.

[70 FR 39603, July 8, 2005]

§ 2522.560 What are performance measures and performance measurement?

(a) Performance measures are measurable indicators of a program's performance as it relates to member service activities.

(b) Performance measurement is the process of regularly measuring the services provided by your program and the effect your program has in communities or in the lives of members or community beneficiaries.

(c) The main purpose of performance measurement is to strengthen your AmeriCorps program and foster continuous improvement and to identify best practices and models that merit replication. Performance measurement will also help identify programmatic weaknesses that need attention.

[70 FR 39603, July 8, 2005]

§ 2522.570 What information on performance measures must my grant application include?

You must submit all of the following as part of your application for each program:

(a) Proposed performance measures, as described in §2522.580 and §2522.590 of this part.

(b) Estimated performance data for the program years for which you submit your application; and

(c) Actual performance data, where available, as follows:

(i) For continuation programs, performance data over the course of the grant to date; and

(ii) For recompeting programs, performance data for the preceding three-year grant cycle.

[70 FR 39603, July 8, 2005]

§ 2522.580 What performance measures am I required to submit to the Corporation?

(a) When applying for funds, you must submit, at a minimum, the following performance measures:
§ 2522.620 How do I report my performance measures to the Corporation?

The Corporation sets specific reporting requirements, including frequency and deadlines, for performance measures in the grant award.

(a) In general, you are required to report on the actual results that occurred when implementing the grant and to regularly measure your program’s performance.

(b) Your report must include the results on the performance measures approved as part of your grant award.

(c) At a minimum you are required to report on outputs at the end of year one and outputs and intermediate outcomes at the end of years two and
§ 2522.630 What must I do if I am not able to meet my performance measures?

If you are not on track to meet your performance measures, you must develop and submit to the Corporation, or the State commission for formula programs, a corrective action plan, consistent with paragraph (a) of this section, or submit a request to the Corporation, or the State commission for formula programs, consistent with paragraph (b) of this section, to amend your requirements under the circumstances described in §2522.640 of this subpart.

(a) Your corrective action plan must be in writing and include all of the following:

(1) The factors impacting your performance goals;

(2) The strategy you are using and corrective action you are taking to get back on track toward your established performance measures; and

(3) The timeframe in which you plan to achieve getting back on track with your performance measures.

(b) A request to amend your performance measures must include all of the following:

(1) Why you are not on track to meet your performance requirements;

(2) How you have been tracking performance measures;

(3) Evidence of the corrective action you have taken;

(4) Any new proposed performance measures or targets; and

(5) Your plan to ensure that you meet any new measures.

(c) You must submit your plan under paragraph (a) of this section, or your request under paragraph (b) of this section, within 30 days of determining that you are not on track to meeting your performance measures.

(d) If you are a formula program, the State commission that approves the plan under paragraph (a) of this section or the request to amend your performance measures under paragraph (b) of this section, must forward an information copy to the Corporation’s AmeriCorps program office within 15 days of approving the plan or the request.

[70 FR 39603, July 8, 2005, as amended at 73 FR 53760, Sept. 17, 2008]

§ 2522.640 Under what circumstances may I change my performance measures?

(a) You may change your performance measures only if the Corporation or, for formula programs, the State commission, approves your request to do so based on your need to:

(1) Adjust your performance measure or target based on experience so that your program’s goals are more realistic and manageable;

(2) Replace a measure related to one issue area with one related to a different issue area that is more aligned with your program service activity. For example, you may need to replace an objective related to health with one related to the environment;

(3) Redefine the service that individuals perform under the grant. For example, you may need to define your service as tutoring adults in English, as opposed to operating an after-school program for third-graders;

(4) Eliminate an activity because you have been unable to secure necessary matching funding; or

(5) Replace one measure with another. For example, you may decide that you want to replace one measure of literacy tutoring (increased attendance at school) with another (percentage of students who are promoted to the next grade level).

(b) [Reserved]

[70 FR 39603, July 8, 2005]

§ 2522.650 What happens if I fail to meet the performance measures included in my grant?

(a) If you are significantly under-performing based on the performance measures approved in your grant, or fail to collect appropriate data to allow performance measurement, the Corporation, or the State commission for formula grantees, may specify a period of correction, after consulting with you. As a grantee, you must report results at the end of the period of correction. At that point, if you continue to
under-perform, or fail to collect appropriate data to allow performance measurement, the Corporation may take one or more of the following actions:

1. Reduce the amount of your grant;
2. Suspend or terminate your grant;
3. Use this information to assess any application from your organization for a new AmeriCorps grant or a new grant under another program administered by the Corporation;
4. Amend the terms of any Corporation grants to your organization; or
5. Take other actions that the Corporation deems appropriate.

(b) If you are a State commission whose formula program(s) is significantly under-performing or failing to collect appropriate data to allow performance measurement, we encourage you to take action as delineated in paragraph (a) of this section.

§ 2522.710 What are my evaluation requirements? (a) If you are a State commission, you must establish and enforce evaluation requirements for your State formula subgrantees, as you deem appropriate.

(b) If you are a State competitive or direct Corporation AmeriCorps grantee (other than an Education Award Program grantee), and your average annual Corporation program grant is $500,000 or more, you must arrange for an independent evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in §2522.730 of this subpart.

If you are a State competitive or direct Corporation AmeriCorps grantee whose average annual Corporation program grant is less than $500,000, or an Education Award Program grantee, you must conduct an internal evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in §2522.730 of this subpart.

(c) The Corporation may, in its discretion, supersede these requirements with an alternative evaluation approach, including one conducted by the Corporation at the national level.

(d) Grantees must cooperate fully with all Corporation evaluation activities.

§ 2522.700 How does evaluation differ from performance measurement? (a) Evaluation is a more in-depth, rigorous effort to measure the impact of programs. While performance measurement and evaluation both include systematic data collection and measurement of progress, evaluation uses scientifically-based research methods to assess the effectiveness of programs by comparing the observed program outcomes with what would have happened in the absence of the program. Unlike performance measures, evaluations estimate the impacts of programs by comparing the outcomes for individuals receiving a service or participating in a program to the outcomes for similar individuals not receiving a service or not participating in a program. For example, an evaluation of a literacy program may compare the reading ability of students in a program over time to a similar group of students not participating in a program.

(b) Performance measurement is the process of systematically and regularly collecting and monitoring data related to the direction of observed changes in communities, participants (members), or end beneficiaries receiving your program’s services. It is intended to provide an indication of your program’s operations and performance. In contrast to evaluation, it is not intended to establish a causal relationship between your program and a desired (or undesired) program outcome. For example, a performance measure for a literacy program may include the percentage of students receiving services from your program who increase their reading ability from “below grade level” to “at or above grade level.” This measure indicates something good is happening to your program’s service beneficiaries, but it does not indicate that the change can be wholly attributed to your program’s services.

([70 FR 39603, July 8, 2005])

§ 2522.710 What are my evaluation requirements?

(a) If you are a State commission, you must establish and enforce evaluation requirements for your State formula subgrantees, as you deem appropriate.

(b) If you are a State competitive or direct Corporation AmeriCorps grantee (other than an Education Award Program grantee), and your average annual Corporation program grant is $500,000 or more, you must arrange for an independent evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in §2522.730 of this subpart.

(c) If you are a State competitive or direct Corporation AmeriCorps grantee whose average annual Corporation program grant is less than $500,000, or an Education Award Program grantee, you must conduct an internal evaluation of your program, and you must submit the evaluation with any application to the Corporation for competitive funds as required in §2522.730 of this subpart.

(d) The Corporation may, in its discretion, supersede these requirements with an alternative evaluation approach, including one conducted by the Corporation at the national level.

(e) Grantees must cooperate fully with all Corporation evaluation activities.

([70 FR 39603, July 8, 2005])
§ 2522.720 How many years must my evaluation cover?

(a) If you are a State formula grantee, you must conduct an evaluation, as your State commission requires.

(b) If you are a State competitive or direct Corporation grantee, your evaluation must cover a minimum of one year but may cover longer periods.

[70 FR 39603, July 8, 2005]

§ 2522.730 How and when do I submit my evaluation to the Corporation?

(a) If you are an existing grantee recompeting for AmeriCorps funds for the first time, you must submit a summary of your evaluation efforts or plan to date, and a copy of any evaluation that has been completed, as part of your application for funding.

(b) If you again compete for AmeriCorps funding after a second three-year grant cycle, you must submit the completed evaluation with your application for funding.

[70 FR 39603, July 8, 2005]

§ 2522.740 How will the Corporation use my evaluation?

The Corporation will consider the evaluation you submit with your application as follows:

(a) If you do not include with your application for AmeriCorps funding a summary of the evaluation, or the evaluation itself, as applicable, under §2522.730, the Corporation reserves the right to not consider your application.

(b) If you do submit an evaluation with your application, the Corporation will consider the results of your evaluation in assessing the quality and outcomes of your program.

[70 FR 39603, July 8, 2005]

§ 2522.800 How will the Corporation evaluate individual AmeriCorps programs?

The Corporation will evaluate programs based on the following: (a) The extent to which the program meets the objectives established and agreed to by the grantee and the Corporation before the grant award;

(b) The extent to which the program is cost-effective; and

(c) The effectiveness of the program in meeting the following legislative objectives: (1) Providing direct and demonstrable services and projects that benefit the community by addressing educational, public safety, human, or environmental needs;

(2) Recruiting and enrolling diverse participants consistent with the requirements of part 2540 of this chapter, based on economic background, race, ethnicity, age, gender, marital status, education levels, and disability;

(3) Promoting the educational achievement of each participant based on earning a high school diploma or its equivalent and future enrollment in and completion of increasingly higher levels of education;

(4) Encouraging each participant to engage in public and community service after completion of the program based on career choices and participation in other service programs;

(5) Promoting an ethic of active and productive citizenship among participants;

(6) Supplying additional volunteer assistance to community agencies without providing more volunteers than can be effectively utilized;

(7) Providing services and activities that could not otherwise be performed by employed workers and that will not supplant the hiring of, or result in the displacement of, employed workers; and

(8) Other criteria determined and published by the Corporation.

§ 2522.810 What will the Corporation do to evaluate the overall success of the AmeriCorps programs?

(a) The Corporation will conduct independent evaluations of programs, including in-depth studies of selected programs. These evaluations will consider the opinions of participants and members of the community where services are delivered. Where appropriate these studies will compare participants with individuals who have not participated in service programs. These evaluations will: (1) Study the extent to which the national service impacts involved communities;

(2) Study the extent to which national service increases positive attitudes among participants regarding the
§ 2522.820 Will information on individual participants be kept confidential?

(a) Yes. The Corporation will maintain the confidentiality of information regarding individual participants that is acquired for the purpose of the evaluations described in §2522.540. The Corporation will disclose individual participant information only with the prior written consent of the participant. However, the Corporation may disclose aggregate participant information.

(b) Grantees and subgrantees that receive assistance under this chapter must comply with the provisions of paragraph (a) of this section.

§ 2522.900 What definitions apply to this subpart?

Tutor is defined as someone whose primary goal is to increase academic achievement in reading or other core subjects through planned, consistent, one-to-one or small-group sessions and activities that build on the academic strengths of students in kindergarten through 12th grade, and target their academic needs. A tutor does not include someone engaged in other academic support activities, such as mentoring and after-school program support, whose primary goal is something other than increasing academic achievement. For example, providing a safe place for children is not tutoring, even if some of the program activities focus on homework help.

§ 2522.910 What basic qualifications must an AmeriCorps member have to serve as a tutor?

If the tutor is: Then the tutor must meet the following qualifications:

| (a) | is considered to be an employee of the Local Education Agency or school, as determined by State law. |
| (b) | is not considered to be an employee of the Local Education Agency or school, as determined by State law. |

Paraprofessional qualifications under No Child Left Behind Act, as required in 34 CFR 200.58

| (1) | High School diploma or its equivalent, or a higher degree; and |
| (2) | Successful completion of pre- and in-service specialized training, as required in §2522.940 of this subpart. |

§ 2522.920 Are there any exceptions to the qualifications requirements?

The qualifications requirements in §2522.910 of this subpart do not apply to a member who is a K–12 student tutoring younger children in the school or after school as part of a structured, school-managed cross-grade tutoring program.

§ 2522.930 [Reserved]

§ 2522.940 What are the requirements for a program in which AmeriCorps members serve as tutors?

A program in which members engage in tutoring for children must:

(a) Articulate appropriate criteria for selecting and qualifying tutors, including the requirements in §2522.910 of this subpart, and certify that selected tutors meet the requirements in §2522.910.

(b) Identify the strategies or tools it will use to assess student progress and measure student outcomes;

(c) Certify that the tutoring curriculum and pre-service and in-service training content are high-quality and research-based, consistent with the instructional program of the local educational agency and with State academic content standards.

(d) Include appropriate member supervision by individuals with expertise in tutoring; and

(e) Provide specialized high-quality and research-based, member pre-service and in-service training consistent with the activities the member will perform.

§ 2522.950 What requirements and qualifications apply if my program focuses on supplemental academic support activities other than tutoring?

(a) If your program does not involve tutoring as defined in §2522.900 of this subpart, the Corporation will not impose the requirements in §2522.910 through §2522.940 of this subpart on your program.

(b) At a minimum, you must articulate in your application how you will recruit, train, and supervise members to ensure that they have the qualifications and skills necessary to provide the service activities in which they will be engaged.
PART 2523—AGREEMENTS WITH OTHER FEDERAL AGENCIES FOR THE PROVISION OF AMERICORPS PROGRAM ASSISTANCE

§ 2523.10 Are Federal agencies eligible to apply for AmeriCorps program funds?

Yes. Federal agencies may apply for and receive AmeriCorps funds under parts 2521 and 2522 of this chapter, and they are eligible to receive up to one-third of the funds available for competitive distribution under § 2521.30(b)(3) of this chapter. The Corporation may enter into a grant, contract or cooperative agreement with another Federal agency to support an AmeriCorps program carried out by the agency. The Corporation may transfer funds available to it to other Federal agencies.

§ 2523.20 Which Federal agencies may apply for such funds?

The Corporation will consider applications only from Executive Branch agencies or departments, Bureaus, divisions, and local and regional offices of such departments and agencies can only apply through the central department or agency; however, it is possible for the department or agency to submit an application proposing more than one program.

§ 2523.30 Must Federal agencies meet the requirements imposed on grantees under parts 2521 and 2522 of this chapter?

Yes, except as provided in § 2523.90. Federal agency programs must meet the same requirements and serve the same purposes as all other applicants seeking support under part 2522 of this chapter.

§ 2523.40 For what purposes should Federal agencies use AmeriCorps program funds?

AmeriCorps funds should enable Federal agencies to establish programs that leverage agencies’ existing resources and grant-making powers toward the goal of integrating service more fully into agencies’ programs and activities. Agencies should plan to ultimately support new service initiatives out of their own budgets and appropriations.

§ 2523.50 What types of funds are Federal agencies eligible to receive?

Federal agencies may apply for planning and operating funds subject to the terms established by the Corporation in § 2521.20 of this chapter, except that operating grants will be awarded with the expectation that the Federal agencies will support the proposed programs from their own budgets once the Corporation grant(s) expire.

§ 2523.60 May Federal agencies enter into partnerships or participate in consortia?

Yes. Such partnerships or consortia may consist of other Federal agencies, Indian Tribes, subdivisions of States, community based organizations, institutions of higher education, or other non-profit organizations. Partnerships and consortia must be approved by the Corporation.
§ 2523.70 Will the Corporation give special consideration to Federal agency applications that address certain needs?

Yes. The Corporation will give special consideration to those applications that address the national priorities established by the Corporation. The Corporation may also give special consideration to those applications that demonstrate the agency’s intent to leverage its own funds through a Corporation-approved partnership or consortium, by raising other funds from Federal or non-Federal sources, by giving grantees incentives to build service opportunities into their programs, by committing appropriate in-kind resources, or by other means.

§ 2523.80 Are there restrictions on the use of Corporation funds?

Yes. The supplantation and non-displacement provisions specified in part 2540 of this chapter apply to the Federal AmeriCorps programs supported with such assistance.

§ 2523.90 Is there a matching requirement for Federal agencies?

No. A Federal agency is not required to match funds in programs that receive support under this chapter. However, Federal agency grantees are required to match funds in accordance with the requirements of § 2521.30(g) and § 2522.240(b)(6) of this chapter.

§ 2523.100 Are participants in programs operated by Federal agencies Federal employees?

No. Participants in these programs have the same employee status as participants in other approved AmeriCorps programs, and are not considered Federal employees, except for the purposes of the Family and Medical Leave Act as specified in § 2540.220(b) of this chapter.

§ 2523.110 Can Federal agencies submit multiple applications?

No. The Corporation will only consider one application from a Federal agency for each AmeriCorps competition. The application may propose more than one program, however, and the Corporation may choose to fund any or all of those programs.

§ 2523.120 Must Federal agencies consult with State Commissions?

Yes. Federal agencies must provide a description of the manner in which the proposed AmeriCorps program(s) is coordinated with the application of the State in which the projects will be conducted. Agencies must also describe proposed efforts to coordinate AmeriCorps activities with State Commissions and other funded AmeriCorps programs within the State in order to build upon existing programs and not duplicate efforts.

PART 2524—AMERICORPS TECHNICAL ASSISTANCE AND OTHER SPECIAL GRANTS

Sec.

2524.10 For what purposes will technical assistance and training funds be made available?

2524.20 What are the guidelines for program development assistance and training grants?

2524.30 What are the guidelines for challenge grants?

2524.40 What are the guidelines for grants to involve persons with disabilities?

2524.50 What are the guidelines for assistance with disaster relief?

SOURCE: 59 FR 13805, Mar. 23, 1994, unless otherwise noted.

§ 2524.10 For what purposes will technical assistance and training funds be made available?

(a) To the extent appropriate and necessary, the Corporation may make technical assistance available to States, Indian tribes, labor organizations, religious organizations, organizations operated by young adults, organizations serving economically disadvantaged individuals, and other entities eligible to apply for assistance under parts 2521 and 2522 of this chapter that desire—

(1) To develop AmeriCorps programs; or

(2) To apply for assistance under parts 2521 and 2522 of this chapter or under a grant program conducted using such assistance.
§ 2524.40 What are the guidelines for grants to involve persons with disabilities?

(a) Purpose. There are two general purposes for these grants: (1) To assist
AmeriCorps grantees in placing applicants who require reasonable accommodation (as defined in section 101(9) of the Americans With Disabilities Act of 1990, 42 U.S.C. 12111(9)) or auxiliary aids and services (as defined in section 3(1) of such Act, 42 U.S.C. 12102(1)) in an AmeriCorps program; and

(2) To conduct outreach activities to individuals with disabilities to recruit them for participation in AmeriCorps programs.

(b) Eligibility—(1) Placement, accommodation, and auxiliary services. Eligibility for assistance under this part is limited to AmeriCorps programs that: (i) Receive competitive funding from the Corporation under §2521.30(a)(3) or 2521.30(b)(3) of this chapter; and

(ii) Demonstrate that the program has received a substantial number of applications for placement from persons who are individuals with a disability and who require a reasonable accommodation (as defined in section 101(9) of the Americans with Disabilities Act of 1990), or auxiliary aids and services (as defined in section 3(1) of such Act) in order to perform national service; and

(iii) Demonstrate that additional funding would assist the program in placing a substantial number of such individuals with a disability as participants in projects carried out through the program.

(2) Outreach. Corporation grantees and any public or private nonprofit organization may apply for funds to conduct outreach to individuals with disabilities to recruit them for participation in AmeriCorps programs. Outreach funds can also be used by any organization to assist AmeriCorps programs in adapting their programs to encourage greater participation by individuals with disabilities.

(c) Application procedures. Eligible applicants must comply with the requirements specified in the Corporation’s application materials.

§ 2524.50 What are the guidelines for assistance with disaster relief?

(a) Purpose. Disaster relief funds are intended to provide emergency assistance not otherwise available to enable national and community service programs to respond quickly and effecti

tively to a Presidentially-declared disaster.

(b) Eligibility. Any AmeriCorps program (including youth corps, the National Civilian Community Corps, VISTA, and other programs authorized under the Domestic Volunteer Services Act) or grant making entity (such as a State or Federal agency) that is supported by the Corporation may apply for disaster relief grants.

(c) Application process. Eligible applicants must comply with the requirements specified in the Corporation’s application materials.

(d) Waivers. In appropriate cases, due to the limited nature of disaster activities, the Corporation may waive specific program requirements such as matching requirements and the provision of AmeriCorps educational awards for participants supported with disaster relief funds.

PART 2525—NATIONAL SERVICE TRUST: PURPOSE AND DEFINITIONS

Sec. 2525.10 What is the National Service Trust?
2525.20 Definitions.

SOURCE: 59 FR 30710, June 15, 1994, unless otherwise noted.

§ 2525.10 What is the National Service Trust?

The National Service Trust is an account in the Treasury of the United States from which the Corporation makes payments of education awards, pays interest that accrues on qualified student loans for AmeriCorps participants during terms of service in approved national service positions, and makes other payments authorized by Congress.

(1) For conviction of the possession of a controlled substance, the ineligibility periods are—
   (i) One year for a first conviction;
   (ii) Two years for a second conviction; and
   (iii) For a third or subsequent conviction, indefinitely, as determined by the Corporation according to the following factors—
      (A) Type of controlled substance;

§ 2526.40 What is the time period during which an individual may use an education award?

(a) General requirement. Unless the Corporation approves an extension in
§ 2526.50 Is there a limit on the total amount of education awards an individual may receive?

(a) General Limitation. No individual may receive more than an amount equal to the aggregate value of two full-time education awards.

(b) Calculation of the value of an education award. For the purposes of this section, the value of an education award is equal to the actual amount of the education award received divided by the amount of a full-time education award in the year the AmeriCorps or Silver Scholar position to which the award is attributed was approved. Each award received will be considered to have a value between 0 and 1. Although the amount of a full-time award as defined in §2527.10(a) may change, the value of a full-time award will always be equal to 1.

(c) Calculation of aggregate value of awards received. The aggregate value of awards received is equal to the sum of:

(1) The value of each education award received as a result of successful completion of an approved AmeriCorps position;

(2) The value of each partial education award received as a result of release from an approved AmeriCorps position for compelling personal circumstances;

(3) The value of each education award received as a result of successful completion of a term of service in an approved Silver Scholar position; and

(4) The value of any amount received as a transferred education award, except as provided in §2530.60(c).

(d) Determination of Receipt of Award. For purposes of determining the aggregate value of education awards, an award is considered to be received at
§ 2526.55 What is the impact of the aggregate value of education awards received on an individual’s ability to serve in subsequent terms of service?

The aggregate value of education awards an individual has received will not impact an individual’s ability to serve in a subsequent term of service, but will impact the amount of the education award the individual may receive upon successful completion of that term of service. If the award amount offered for the term of service has a value that, when added to the aggregate value of awards previously received, would exceed 2, upon successful completion of the term of service, the individual will only receive that portion of the award having a value for which the individual is eligible pursuant to § 2527.10(g).

[75 FR 51412, Aug. 20, 2010]

§ 2526.60 May an individual receive an education award and related interest cancellation benefits from the National Service Trust as well as other loan cancellation benefits for the same service?

An individual may not receive an education award and related interest benefits from the National Service Trust for a term of service and have that same service credited toward repayment, discharge, or cancellation of other student loans, except an individual may credit the service toward the Public Service Loan Forgiveness Program, as provided under 31 CFR § 685.219.

[75 FR 51412, Aug. 20, 2010]

§ 2526.70 What are the effects of an erroneous certification of successful completion of a term of service?

(a) If the Corporation determines that the certification made by a national service program under § 2526.10(a)(2)(i), (2)(iii), or (2)(iv) is erroneous, the Corporation shall assess against the national service program a charge for the amount of any associated payment or potential payment from the National Service Trust, taking into consideration the full facts and circumstances surrounding the erroneous or incorrect certification.

(b) Nothing in this section shall prohibit the Corporation from taking any action authorized by law based upon any certification that is knowingly made in a false, materially misleading, or fraudulent manner.

§ 2527.10 What is the amount of an education award?

(a) Full-time term of service. Except as provided in paragraph (g) of this section, the education award for a full-time term of service in an approved AmeriCorps position of at least 1,700 hours will be equal to the maximum amount of a Federal Pell Grant under Section 401 of the Higher Education Act of 1965 (20 U.S.C. 1070a) that a student eligible for such grant may receive in the aggregate for the award year in which the term of service is approved by the Corporation.

(b) Part-time term of service. Except as provided in paragraph (g), the education award for a part-time term of service in an approved AmeriCorps position of at least 900 hours is equal to one half of the amount of an education award amount for a full-time term of service described in paragraph (a) of this section.

(f) Silver Scholar Education Award. Except as provided in paragraph (g) of this section, the education award for a term of service in an approved Silver Scholar position for at least 350 hours is $1,000.

(g) Calculating discounted education award amount. To ensure that an individual receives no more than the aggregate value of two awards, as determined pursuant to §2526.50, the discounted amount an individual is eligible to receive is determined by the following formula:

\[
(2 - \text{aggregate value of awards the individual has received}) \times (\text{amount of a full-time education award in the year the position is approved})
\]

(c) The individual successfully completed a term of service in an approved AmeriCorps State and National position or an approved Silver Scholar position;

(d) The award the individual is requesting to transfer has not expired, consistent with the period of availability set forth in §2526.40(a); 

(e) The individual designated to receive the transferred award is the transferring individual’s child, grandchild, or foster child; and

(f) The individual designated to receive the transferred award is a citizen, national, or lawful permanent resident alien of the United States.

§ 2530.20 For what purposes may a transferred award be used?

A transferred award may be used by a designated individual to repay qualified student loans or to pay current educational expenses at an institution of higher education, as described in §2528.10.

§ 2530.30 What steps are necessary to transfer an education award?

(a) Request for Transfer. Before transferring an award to a designated individual, the Corporation must receive a request from the transferring individual, including—

(1) The individual’s written authorization to transfer the award, the year in which the award was earned, and the specific amount of the award to be transferred;

(2) Identifying information for the individual designated to receive the transferred award;

(3) A certification that the transferring individual meets the requirements of paragraphs (a) through (c) of §2530.10; and

(4) A certification that the designated individual is the child, grandchild, or foster child of the transferring individual.

(b) Notification to Designated Individual. Upon receipt of a request including all required information listed in paragraph (a) of this section, the Corporation will contact the designated individual to notify the individual of the proposed transfer, confirm the individual’s identity, and give the individual the opportunity to accept or reject the transferred award.

(c) Acceptance by Designated Individual. To accept an award, a designated individual must certify that the designated individual is the child,
grandchild, or foster child of the transferring individual and that the designated individual is a citizen, national, or lawful permanent resident alien of the United States. Upon receipt of the designated individual’s acceptance, the Corporation will create or permit the creation of an account in the National Service Trust for the designated individual, if an account does not already exist, and the accepted amount will be deducted from the transferring individual’s account and credited to the designated individual’s account.

(d) Timing of transfer. The Corporation must receive the request from the transferring individual prior to the date the award expires.

§ 2530.40 Is there a limit on the number of individuals one may designate to receive a transferred award?

(a) General Limitation. For each award an individual earns as a result of successfully completing a single term of service, an individual may transfer all or part of the award to a single designated individual. An individual may not transfer a single award attributable to successful completion of a single term of service to more than one designated individual.

(b) Re-transfer. If a designated individual rejects a transferred award in full, or the Corporation otherwise determines that a transfer was revoked for good cause in accordance with § 2530.80(c), the transferring individual may designate another individual to receive the transferred award.

§ 2530.50 Is there a limit on the amount of transferred awards a designated individual may receive?

Consistent with § 2526.50, no individual may receive more than an amount equal to the value of two full-time education awards. If the sum of the value of the requested transfer plus the aggregate value of education awards a designated individual has previously received would exceed the aggregate value of two full-time education awards, as determined pursuant to § 2526.50(b), the designated individual will be deemed to have rejected that portion of the award that would result in the excess. If a designated individual has already received the aggregate value of two full-time education awards, the individual may not receive a transferred education award, and the designated individual will be deemed to have rejected the award in full.

§ 2530.60 What is the impact of transferring or receiving a transferred education award on an individual’s eligibility to receive additional education awards?

(a) Impact on Transferring Individual. Pursuant to § 2526.50, an award is considered to be received at the time it becomes available for an individual’s use. Transferring all or part of an award does not reduce the aggregate value of education awards the transferring individual is considered to have received.

(b) Impact on Designated Individual. For the purposes of determining the value of the transferred education award under § 2526.50, a designated individual will be considered to have received a value equal to the amount accepted divided by the amount of a full-time award in the year the transferring individual’s position was approved.

(c) Result of revocation on award value. If the transferring individual revokes, in whole or in part, a transfer, the value of the education award considered to have been received by the designated individual for purposes of § 2526.50 will be reduced accordingly.

§ 2530.70 Is a designated individual required to accept a transferred education award?

(a) General Rule. A designated individual is not required to accept a transferred education award, and may reject an award in whole or in part.

(b) Result of rejection in full. If the designated individual rejects a transferred award in whole, the amount is credited to the transferring individual’s account in the National Service Trust, and may be transferred to another individual, or may be used by the transferring individual for any of the purposes listed in § 2528.10, consistent with the original time period of availability set forth in § 2526.40(a).

(c) Result of rejection in part. If the designated individual rejects a transferred award in part, the rejected portion is credited to the transferring individual’s account in the National
§ 2530.80 Under what circumstances is a transfer revocable?

(a) Revocation. An individual may revoke a transfer at any time and for any reason prior to the award’s use by the designated individual.

(b) Use of Award. Upon revocation, the amount revoked will be deducted from the designated individual’s account and credited to the transferring individual’s account. The transferring individual may use the revoked transferred education award for any of the purposes described in § 2528.10, consistent with the original time period of availability set forth in § 2526.40(a).

(c) Re-transfer. Generally, an individual may not re-transfer an award to another individual after revoking the same award from the original designated individual. The Corporation may approve re-transfer of an award for good cause, including cases in which the original designated individual was unavoidably prevented from using the award, as demonstrated by the individual transferring the award.

§ 2530.85 What steps are necessary to revoke a transfer?

(a) Request for revocation. Before revoking a transfer, the transferring individual must submit a request to the Corporation that includes —

(1) The individual’s written authorization to revoke the award;

(2) The year in which the award was earned;

(3) The specific amount to be revoked; and

(4) The identity of the designated individual.

(b) Credit to transferring individual. Upon receipt of a request including all required information listed in paragraph (a) of this section, the Corporation will deduct the amount specified in the transferring individual’s request from the designated individual’s account and credit the amount to the account of the transferring individual, except as provided in paragraph (c) of this section. The Corporation will notify the transferring individual of the amount revoked.

(c) Used awards. A revocation may only apply to that portion of the transferred award that has not been used by the designated individual. If the designated individual has used the entire transferred amount prior to the date the Corporation receives the revocation request, no amount will be returned to the transferring individual. An amount is considered to be used when it is disbursed from the National Service Trust, not when a request is received to use an award.

(d) Notification to designated individual. The Corporation will notify the designated individual of the amount being revoked as of the date of the Corporation’s receipt of the revocation request.

(e) Timing of revocation. The Corporation must receive the request to revoke the transfer from the transferring individual prior to the award’s expiration ten years from the date the award was originally earned.

§ 2530.90 Is a designated individual eligible for the payment of accrued interest under Part 2529?

No, an individual must have successfully completed a term of service in an approved AmeriCorps position or Silver Scholar position to be eligible for the payment of accrued interest under Part 2529.

§ 2540.203 What search components of the National Service Criminal History Check must I satisfy to determine an individual’s eligibility to serve in a covered position?

(a) Search procedure for individuals in covered positions who do not have recurring access to vulnerable populations. Unless the Corporation approves an alternative search procedure under § 2540.207 of this chapter, to determine an individual’s eligibility to serve in a covered position, you must conduct and document a National Service Criminal History Check that consists of the following components:

(i) A nationwide name-based search of the Department of Justice (DOJ) National Sex Offender Public Web site (NSOPW);
(ii) A name- or fingerprint-based search of the official state criminal history registry for the state in which the individual will be primarily serving or working and for the state in which the individual resides at the time of application; and

§ 2540.204 When must I conduct a National Service Criminal History Check on an individual in a covered position?

(a) Timing of the National Service Criminal History Check Components. (1) You must conduct and review the results of the nationwide NSOPW check required under § 2540.203 before an individual in a covered position begins work or starts service.

(2) You must initiate state registry or FBI criminal history checks required under § 2540.203 before an individual in a covered position begins work or starts service. You may permit an individual in a covered position to begin work or start service pending the
§ 2540.205  What procedures must I follow in conducting a National Service Criminal History Check for a covered position?

You are responsible for following these procedures:

(a) Verify the individual’s identity by examining the individual’s government-issued photo identification card, such as a driver’s license;

(b) Obtain prior, written authorization from the individual for the State registry check, for the FBI criminal history check, and for the appropriate sharing of the results of the checks within the program. Prior written authorization from the individual is not required to conduct the nationwide NSOPW check;

(c) Document the individual’s understanding that selection into the program is contingent upon the organization’s review of the individual’s National Service Criminal History Check component results, if any;

(d) Ensure that screening practices comply with federal civil rights laws, including Titles VI and VII of the Civil Rights Act of 1964 (and the Corporation’s implementing regulations under Title VI);

(e) Provide a reasonable opportunity for the individual to review and challenge the factual accuracy of a result before action is taken to exclude the individual from the position;

(f) Provide safeguards to ensure the confidentiality of any information relating to the criminal history check, consistent with authorization provided by the applicant; and

(g) Ensure that an individual, for whom the results of a required state or FBI criminal history registry check are pending, is not permitted to have access to children age 17 years or younger, to individuals age 60 years or older, or to individuals with disabilities without being in the physical presence of:

(1) Your authorized representative who has previously been cleared for such access;

(2) A family member or legal guardian of the vulnerable individual; or

(3) An individual authorized, because of his or her profession, to have recurring access to the vulnerable individual, such as an education or medical professional.

(h) Unless specifically approved by the Corporation, you may not charge an individual for the cost of any component of a National Service Criminal History Check.

§ 2540.206  What documentation must I maintain regarding a National Service Criminal History Check for a covered position?

You must:

(a) Document in writing that you verified the identity of the individual in a covered position by examining the individual’s government-issued photo identification card, and that you conducted the required checks for the covered position; and

(b) Maintain the results, or a results summary issued by a State or Federal government body, of the NSOPW check and the other components of each National Service Criminal History Check.
unless precluded from doing so by State or Federal law or regulation. You must also document in writing that an authorized grantee representative considered the results of the National Service Criminal History Check in selecting the individual.

[77 FR 60933, Oct. 5, 2012]

§ 2540.207 When may I follow an alternative search procedure or be excepted from a requirement in conducting a National Service Criminal History Check for a covered position?

(a) Alternative search procedure. (1) If you submit a written request to the Corporation’s Office of Grants Management, the Corporation will consider approving an alternative search procedure:
   (i) If you demonstrate that you are prohibited or otherwise precluded under state law from complying with a Corporation requirement relating to the National Service Criminal History Check, or
   (ii) If you can obtain substantially equivalent or better information through an alternative search procedure.

(2) The Office of Grants Management will review the alternative search procedure to ensure that it:
   (i) Verifies the identity of the individual; and
   (ii) Includes a search of an alternative criminal database that is sufficient to identify the existence or absence of criminal offenses.

(b) Exceptions to Criminal History Check requirements for individuals with recurring access to vulnerable populations.

(1) Exception that does not require prior Corporation approval—Episodic Access.
   (i) For the purposes of this section, an individual’s access to a vulnerable population is considered to be episodic in nature if the service is not a regular, scheduled, and anticipated component of the individual’s position description.
   (ii) You are not required to conduct the fingerprint-based FBI criminal history check on individuals in covered positions with recurring access to vulnerable populations, as described in § 2540.203 of this chapter, when the individual’s access to a vulnerable population is episodic in nature or for a 1-day period.
   (iii) No prior approval is required from the Corporation for you to apply this exception. You must make and document a determination that the individual’s access to vulnerable populations is episodic, as defined by paragraphs (b)(1)(i) and (ii) of this section.

(2) Exceptions that require prior approval of the Corporation. You are not required to conduct the fingerprint-based FBI criminal history check on individuals in covered positions with recurring access to vulnerable populations, as described in § 2540.203 of this chapter, if you demonstrate and the Corporation determines in writing that:
   (i) Complying with § 2540.203(b)(2)(iii) of this chapter is cost-prohibitive;
   (ii) You are not authorized, or are otherwise unable, under state or federal law, to access the national criminal history background check system of the FBI; or
   (iii) That you are exempt from the requirement in § 2540.203(b)(2)(iii) of this chapter for good cause.

§ 2540.208 Under what circumstances may participants be engaged?

A State may not engage a participant to serve in any program that receives Corporation assistance unless and until amounts have been appropriated under section 501 of the Act (42 U.S.C. 12681) for the provision of AmeriCorps educational awards and for the payment of other necessary expenses and costs associated with such participant.

§ 2540.210 What provisions exist to ensure that Corporation-supported programs do not discriminate in the selection of participants and staff?

(a) An individual with responsibility for the operation of a project that receives Corporation assistance must not discriminate against a participant in, or member of the staff of, such project on the basis of race, color, national origin, sex, age, or political affiliation of such participant or member, or on the basis of disability, if the participant or
§ 2540.215 What should a program participant, staff members, or beneficiary do if the individual believes he or she has been subject to illegal discrimination?

A program participant, staff member, or beneficiary who believes that he or she has been subject to illegal discrimination should contact the Corporation's Office of Civil Rights and Inclusiveness, which offers an impartial discrimination complaint resolution process. Participation in a discrimination complaint resolution process is protected activity; a grantee is prohibited from retaliating against an individual for making a complaint or participating in any manner in an investigation, proceeding, or hearing.

[73 FR 53760, Sept. 17, 2008]

§ 2540.220 Under what circumstances and subject to what conditions are participants in Corporation-assisted programs eligible for family and medical leave?

(a) Participants in State, local, or private nonprofits programs. A participant in a State, local, or private nonprofit program receiving support from the Corporation is considered an eligible employee of the program’s project sponsor under the Family and Medical Leave Act of 1993 (29 CFR part 825) if—

(1) The participant has served for at least 12 months and 1,250 hours during the year preceding the start of the leave; and

(2) The program’s project sponsors engages in commerce or any industry or activity affecting commerce, and employs at least 50 employees for each working day during 20 or more calendar workweeks in the current or preceding calendar year.

(b) Participants in Federal programs. Participants in Federal programs operated by the Corporation or by another Federal agency will be considered Federal employees for the purposes of the Family and Medical Leave Act if the participants have completed 12 months of service and the project sponsor is an employing agency as defined in 5 U.S.C. 6381 et seq.; such participants therefore will be eligible for the same family and medical leave benefits afforded to such Federal employees.

(c) General terms and conditions. Participants that qualify as eligible employees under paragraphs (a) or (b) of this section are entitled to take up to 12 weeks of unpaid leave during a 12 month period for any of the following reasons (in the cases of both paragraphs (c)(1) and (2) of this section the entitlement to leave expires 12 months after the birth or placement of such child): (1) The birth of a child to a participant; (2) The placement of a child with a participant for adoption or foster care;
(3) The serious illness of a participant’s spouse, child or parent; or
(4) A participant’s serious health condition that makes that participant unable to perform his or her essential service duties (a serious health condition is an illness or condition that requires either inpatient care or continuing treatment by a health care provider).

(d) Intermittent leave or reduced service. The program, serving as the project sponsor, may allow a participant to take intermittent leave or reduce his or her service hours due to the birth of or placement of a child for adoption or foster care. The participant may also take leave to care for a seriously ill immediate family member or may take leave due to his or her own serious illness whenever it is medically necessary.

(e) Alternate placement. If a participant requests intermittent leave or a reduced service hours due to a serious illness or a family member’s sickness, and the need for leave is foreseeable based on planned medical treatment, the program, or project sponsor may temporarily transfer the participant to an alternative service position if the participant: (1) Is qualified for the position; and
(2) Receives the same benefits such as stipend or living allowance and the position better accommodates the participants recurring periods of leave.

(f) Certification of cause. A program, or project sponsor may require that the participant support a leave request with a certification from the health care provider of the participant or the participant’s family member. If a program sponsor requests a certification, the participant must provide it in a timely manner.

(g) Continuance of coverage. (1) If a State, local or private program provides for health insurance for the full-time participant, the sponsor must continue to provide comparable health coverage at the same level and conditions that coverage would have been provided for the duration of the participant’s leave.
(2) If the Federal program provides health insurance coverage for the full-time participant, the sponsor must also continue to provide the same health care coverage for the duration of the participant’s leave.

(h) Failure to return. If the participant fails to return to the program at the end of leave for any reason other than continuation, recurrence or onset of a serious health condition or other circumstances beyond his or her control, the program may recover the premium that he or she paid during any period of unpaid leave.

(i) Applicability to term of service. Any absence, due to family and medical leave, will not be counted towards the participant’s term of service.

§ 2540.230 What grievance procedures must recipients of Corporation assistance establish?

State and local applicants that receive assistance from the Corporation must establish and maintain a procedure for the filing and adjudication of grievances from participants, labor organizations, and other interested individuals concerning programs that receive assistance from the Corporation. A grievance procedure may include dispute resolution programs such as mediation, facilitation, assisted negotiation and neutral evaluation. If the grievance alleges fraud or criminal activity, it must immediately be brought to the attention of the Corporation’s inspector general.

(a) Alternative dispute resolution. (1) The aggrieved party may seek resolution through alternative means of dispute resolution such as mediation or facilitation. Dispute resolution proceedings must be initiated within 45 calendar days from the date of the alleged occurrence. At the initial session of the dispute resolution proceedings, the party must be advised in writing of his or her right to file a grievance and right to arbitration. If the matter is resolved, and a written agreement is reached, the party will agree to forego filing a grievance in the matter under consideration.
(2) If mediation, facilitation, or other dispute resolution processes are selected, the process must be aided by a neutral party who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The
neutral party may not compel a resolution. Proceedings before the neutral party must be informal, and the rules of evidence will not apply. With the exception of a written and agreed upon dispute resolution agreement, the proceeding must be confidential.

(b) Grievance procedure for unresolved complaints. If the matter is not resolved within 30 calendar days from the date the informal dispute resolution process began, the neutral party must again inform the aggrieving party of his or her right to file a formal grievance. In the event an aggrieving party files a grievance, the neutral may not participate in the formal complaint process. In addition, no communication or proceedings of the informal dispute resolution process may be referred to or introduced into evidence at the grievance and arbitration hearing. Any decision by the neutral party is advisory and is not binding unless both parties agree.

(c) Time limitations. Except for a grievance that alleges fraud or criminal activity, a grievance must be made no later than one year after the date of the alleged occurrence. If a hearing is held on a grievance, it must be conducted no later than 30 calendar days after the filing of such grievance. A decision on any such grievance must be made no later than 60 calendar days after the filing of the grievance.

(d) Arbitration—(1) Joint selection by parties. If there is an adverse decision against the party who filed the grievance, or 60 calendar days after the filing of a grievance no decision has been reached, the filing party may submit the grievance to binding arbitration before a qualified arbitrator who is jointly selected and independent of the interested parties.

(ii) Appointment by Corporation. If the parties cannot agree on an arbitrator within 15 calendar days after receiving a request from one of the grievance parties, the Corporation’s Chief Executive Officer will appoint an arbitrator from a list of qualified arbitrators.

(2) Time Limits—(1) Proceedings. An arbitration proceeding must be held no later than 45 calendar days after the request for arbitration, or, if the arbitrator is appointed by the Chief Executive Officer, the proceeding must occur no later than 30 calendar days after the arbitrator’s appointment.

(ii) Decision. A decision must be made by the arbitrator no later than 30 calendar days after the date the arbitration proceeding begins.

(3) The cost. The cost of the arbitration proceeding must be divided evenly between the parties to the arbitration. If, however, a participant, labor organization, or other interested individual prevails under a binding arbitration proceeding, the State or local applicant that is a party to the grievance must pay the total cost of the proceeding and the attorney’s fees of the prevailing party.

(e) Suspension of placement. If a grievance is filed regarding a proposed placement of a participant in a program that receives assistance under this chapter, such placement must not be made unless the placement is consistent with the resolution of the grievance.

(f) Remedies. Remedies for a grievance filed under a procedure established by a recipient of Corporation assistance may include—

(1) Prohibition of a placement of a participant; and

(2) In grievance cases where there is a violation of nonduplication or nondisplacement requirements and the employer of the displaced employee is the recipient of Corporation assistance—

(i) Reinstatement of the employee to the position he or she held prior to the displacement;

(ii) Payment of lost wages and benefits;

(iii) Re-establishment of other relevant terms, conditions and privileges of employment; and

(iv) Any other equitable relief that is necessary to correct any violation of the nonduplication or nondisplacement requirements or to make the displaced employee whole.

(g) Suspension or termination of assistance. The Corporation may suspend or terminate payments for assistance under this chapter.

(h) Effect of noncompliance with arbitration. A suit to enforce arbitration awards may be brought in any Federal district court having jurisdiction over the parties without regard to the
Corporation for National and Community Service § 2540.400

amount in controversy or the parties’ citizenship.

Subpart C—Other Requirements for Recipients of Corporation Assistance

§ 2540.300 What must be included in annual State reports to the Corporation?

§ 2540.330 Parental involvement required

(a) Consultation Requirement. Programs that receive assistance under the national service laws must consult with the parents or legal guardians of children in developing and operating programs that include and serve children.

(b) Parental Permission. Programs that receive assistance under the national service laws must, before transporting minor children, provide the children’s parents or legal guardians with the reason for the transportation and obtain the parent’s or legal guardian’s permission for such transportation, consistent with State law.

(74 FR 46507, Sept. 10, 2009)

Subpart D—Suspension and Termination of Corporation Assistance

§ 2540.400 Under what circumstances will the Corporation suspend or terminate a grant or contract?

Examples of such situations may include, but are not limited to: (1) Serious risk to persons or property; (2) Violations of Federal, State or local criminal statutes; and (3) Material violation(s) of the grant or contract that are sufficiently serious that they outweigh the general policy in favor of advance notice and opportunity to show cause.

(b) Termination of a grant or contract. The Corporation may terminate or revoke assistance for failure to comply with applicable terms and conditions of this chapter. However, the Corporation must provide the recipient reasonable notice and opportunity for a full and fair hearing, subject to the following conditions: (1) The Corporation will notify a recipient of assistance by letter or telegram that the Corporation intends to terminate or revoke assistance, either in whole or in part, unless the recipient shows good cause why

§ 2540.520 What are the consequences for unauthorized use of the Corporation’s national service insignia?

Any person who uses the national service insignia without authorization may be subject to legal action for trademark infringement, enjoined from continued use, and, for certain types of unauthorized uses, other civil or criminal penalties may apply.

§ 2540.530 Are there instances where an insignia may be used without getting the approval of the Corporation?

All uses of the national service insignia require the written approval of the Corporation.

§ 2540.540 Who has authority to approve use of national service insignia?

Approval for limited uses may be provided through the terms of a written grant or other agreement. All other uses must be approved in writing by the director of the Corporation’s Office of Public Affairs, or his or her designee.

§ 2540.550 Is there an expiration date on approvals for use of national service insignia?

The approval to use a national service insignia will expire as determined in writing by the director of the Office of Public Affairs, or his or her designee. However, the authority to use an insignia may be revoked at any time if the Corporation determines that the use involved is injurious to the image of the Corporation or if there is a failure to comply with the terms and conditions of the authorization.

Subpart F—False or Misleading Statements

SOURCE: 73 FR 53761, Sept. 17, 2008, unless otherwise noted.

§ 2540.600 What definitions apply to this subpart?

You. For this subpart, you refers to a participant in a national service program.
§ 2540.610 What are the consequences of making a false or misleading statement?

If it is determined that you made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, it may result in the revocation of the qualification or forfeiture of the benefit. Revocation and forfeiture under this part are in addition to any other remedy available to the Federal Government under the law against persons who make false or misleading statements in connection with a Federally-funded program.

§ 2540.620 What are my rights if the Corporation determines that I have made a false or misleading statement?

If the Corporation determines that you have made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, you will be hand delivered a written notice, or sent a written notice to your last known street address or e-mail address or that of your identified counsel at least 15 days before any proposed action is taken. The notice will include the facts surrounding the determination and the action the Corporation proposes to take. The notice will also identify the reviewing official in your case and provide other pertinent information. You will be allowed to show good cause as to why forfeiture, revocation, the denial of a benefit, or other action should not be implemented. You will be given 10 calendar days to submit written materials in opposition to the proposed action.

§ 2540.630 What information must I provide to contest a proposed action?

Your written response must include specific facts that contradict the statements made in the notice of proposed action. A general statement of denial is insufficient to raise a dispute over the facts material to the proposed action. Your response should also include copies of any documents that support your argument.

§ 2540.640 When will the reviewing official make a decision on the proposed action?

The reviewing official will issue a decision within 45 days of receipt of your response.

§ 2540.650 How may I contest a reviewing official's decision to uphold the proposed action?

If the Corporation's reviewing official concludes that the proposed action, in full or in part, should still be implemented, you will have an opportunity to request an additional proceeding. A Corporation program director or designee will conduct a review of the complete record, including such additional relevant documents you submit. If deemed appropriate, such as where there are material facts in genuine dispute, the program director or designee may conduct a telephonic or in person meeting. If a meeting is conducted, it will be recorded and you will be provided a copy of the recording. The program director or designee will issue a decision within 30 days of the conclusion of the review of the record or meeting. The decision of the program director or designee is final and cannot be appealed further within the agency.

§ 2540.660 If the final decision determines that I received a financial benefit improperly, will I be required to repay that benefit?

If it is determined that you received a financial benefit improperly, you may be required to reimburse the program for that benefit.

§ 2540.670 Will my qualification to participate or eligibility for benefits be suspended during the review process?

If the reviewing official determines that, based on the information available, there is a reasonable likelihood that you will be determined disqualified or ineligible, your qualification or eligibility may be suspended, pending issuance of a final decision, to protect the public interest.

(b) Will not compromise the integrity of the Corporation’s programs or its officers and employees involved in such programs.

§ 2544.105 What is the legal authority for soliciting and accepting donations to the Corporation?

(b) Solicitation means a request for a donation.
(c) Volunteer means an individual who donates his/her personal service to the Corporation to assist the Corporation in carrying out its duties under the national service laws, but who is not a participant in a program funded or sponsored by the Corporation under the National and Community Service Act of 1990, as amended. Such individual is not subject to provisions of law related to Federal employment, including those relating to hours of work, rates of compensation, leave, unemployment compensation and Federal employee benefits, except that—

Anyone, including an individual, group of individuals, organization, corporation, or association may offer a donation to the Corporation.

§ 2544.120 What personal services from a volunteer may be solicited and accepted?
A donation in the form of personal services from a volunteer may be solicited and accepted to assist the Corporation in carrying out its duties. However, volunteers may not perform an inherently governmental function.
§ 2544.125 Who has the authority to solicit and accept or reject a donation?

The Chief Executive Officer (CEO) of the Corporation has the authority to solicit, accept, or reject a donation offered to the Corporation and to make the determinations described in § 2544.130 (c) and (d). The CEO may delegate this authority in writing to other officials of the Corporation.

§ 2544.130 How will the Corporation determine whether to solicit or accept a donation?

(a) The Corporation will solicit and accept a donation only for the purpose of furthering the mission and goals of the Corporation.

(b) In order to be accepted, the donation must be economically advantageous to the Corporation, considering foreseeable expenditures for matters such as storage, transportation, maintenance, and distribution.

(c) An official or employee of the Corporation will not solicit or accept a donation if the solicitation or acceptance would present a real or apparent conflict of interest. An apparent conflict of interest is presented if the solicitation or acceptance would raise a question in the mind of a reasonable person, with knowledge of the relevant facts, about the integrity of the Corporation's programs or operations.

(d) The Corporation will determine whether a conflict of interest exists by considering any business relationship, financial interest, litigation, or other factors that may indicate such a conflict. Donations of property or voluntary services may not be solicited or accepted from a source which:

(c) Only those employees or officials with expressed notice of authority may accept donations on behalf of the Corporation. If an offer is directed to an unauthorized employee or official of the Corporation, that person must immediately forward the offer to an appropriate official for disposition.

(a) In general, the Corporation will respond to an offer of a donation in writing and include in the response:

(1) An acknowledgment of receipt of the offer;

(2) A brief description of the offer and any purpose or condition that the offeror specified for the use of the donation;

(3) A statement either accepting or rejecting the donation; and

(4) A statement informing the donor that any acceptance of services or property can not be used in any manner, directly or indirectly, that endorses the donor's products or services or appears to benefit the financial interests or business goals of the donor.

(b) If a purpose or condition for the use of the donation specified by the offeror can not be accommodated, the Corporation may request the offeror to modify the terms of the donation.
§ 2544.145 What will be done with property that is not accepted?

In general, property offered to the Corporation but not accepted will be returned to the offeror. If the offeror is unknown or the donation would spoil if returned, the property will either be disposed of in accordance with Federal Property Management regulations (41 CFR chapter 101) or given to local charities determined by the Corporation.

If no terms are specified, or the property can no longer be used for its original purpose, the property will be converted to another authorized use or sold in accordance with Federal regulations. The proceeds of the sale will be used for an authorized purpose described in § 2544.125.

§ 2550.20 Definitions.

(a) AAE. Alternative Administrative Entity.

(b) Administrative costs. As used in this part, those costs incurred by a State in the establishing and operating a State entity; the specific administrative costs for which a Corporation administrative grant may be used as defined in the Uniform Administrative Requirements for Grants and Agreements to State and Local Governments.

(c) Alternative Administrative Entity (AAE). A State entity approved by the Corporation to perform the duties of a State Commission, including developing a three-year comprehensive national service plan, preparing applications to the Corporation for funding and approved national service positions, and administering service program grants; in general, an AAE must meet the same composition and other requirements as a State Commission, but may receive waivers from the Corporation to accommodate State laws that prohibit inquiring as to the political affiliation of members, to have more than 25 voting members (the maximum for a State Commission), and/or to select members in a manner other than selection by the chief executive officer of the State.

(d) Approved National Service Position. A national service program position for which the Corporation has approved the provision of a national service educational award as one of the benefits to be provided for successful completion of a term of service.

(e) Corporation. As used in this part, the Corporation for National and Community Service established pursuant to the National and Community Service Trust Act of 1993 (42 U.S.C. 12651).

(f) Corporation representative. Each of the individuals employed by the Corporation for National and Community Service to assist the States in carrying out national and community service activities; the Corporation representative must be included as a member of the State Commission or AAE.

(g) Indian tribe. (1) An Indian tribe, band, nation, or other organized group or community, including—

(i) Any Native village, as defined in section 3(c) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602(c)), whether organized traditionally or pursuant to the Act of June 18, 1934 (commonly known as the “Indian Reorganization Act”; 48 Stat. 984, chapter 576; 25 U.S.C. 461 et seq.); and

(ii) Any Regional Corporation or Village Corporation as defined in the Alaska Native Claims Settlement Act (43 U.S.C. 1602 (g) or (j)), that is recognized as eligible for the special programs and services provided by the United States under Federal law to Indians because of their status as Indians; and

(2) Any tribal organization controlled, sanctioned, or chartered by an entity described in paragraph (g)(1) of this section.

(h) Older adult. An individual 55 years of age or older.

(i) Service-learning. A method under which students or participants learn and develop through active participation in thoughtfully organized service that is conducted in and meets the needs of a community and that is coordinated with an elementary school, secondary school, institution of higher education, or community service program, and with the community; service-learning is integrated into and enhances the academic curriculum of the students, or the educational components of the community service program in which the participants are enrolled, and it provides time for the students or participants to reflect on the service experience.

(j) Service learning programs. The totality of the service learning programs receiving assistance from the Corporation under subtitle B of the Act, either directly or through a grant-making entity; this includes school-based, community-based, and higher education-based service-learning programs.

(k) State. As used in this part, the term State refers to each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam,
American Samoa, and the Commonwealth of the Northern Mariana Islands.

(l) State Commission. A bipartisan or nonpartisan State entity, approved by the Corporation, consisting of 15-25 members (appointed by the chief executive officer of the State), that is responsible for developing a comprehensive national service plan, assembling applications for funding and approved national service positions, and administering national and community service programs in the State.

(m) State Educational Agency. The same meaning given to such term in section 1471(23) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 2891(23)).

(n) State entity. A State Commission, AAE, or Transitional Entity that has been authorized by the Corporation to perform the duties of a State Commission.

[58 FR 60981, Nov. 18, 1993, as amended at 67 FR 45362, July 9, 2002; 70 FR 39607, July 8, 2005]

§ 2550.30 How does a State decide whether to establish a State commission or an alternative administrative entity?

(a) Although each State’s chief executive officer has the authority to select an administrative option, the Corporation strongly encourages States to establish State Commissions which meet the requirements in this part as quickly as possible. The requirements for State Commissions were established to try to create informed and effective entities.

(b) The Corporation recognizes that some States, for legal or other legitimate reasons, may not be able to meet all of the requirements of the State Commissions. The AAE is essentially the same as a State Commission; however, it may be exempt from some of the State Commission requirements. A State that cannot meet one of the waivable requirements of the State Commission (as explained in §2550.60), and which can demonstrate this to the Corporation, should seek to establish an AAE.

(c) Regardless of which entity a State employs, each State is required to solicit broad-based, local input in an open, inclusive, non-political planning process.

[58 FR 60981, Nov. 18, 1993, as amended at 70 FR 39607, July 8, 2005]

§ 2550.40 How does a State obtain Corporation authorization and approval for the entity it has chosen?

(a) To receive approval of a State Commission or AAE, a State must formally establish an entity that meets the corresponding composition, membership, authority, and duty requirements of this part. (For the AAE, a State must demonstrate why it is impossible or unreasonable to establish a State Commission; an approved AAE, however, has the same rights and responsibilities as a State Commission.) Once the entity is established, the State must provide written notice—in a format to be prescribed by the Corporation—to the chief executive officer of the Corporation of the composition, membership, and authorities of the State Commission or AAE and explain how the entity will perform its duties and functions. Further, the State must agree to, first, request approval from the Corporation for any subsequent changes in the composition or duties of a State Commission or AAE the State may wish to make; and, second, to comply with any future changes in Corporation requirements with regard to the composition or duties of a State Commission or AAE. If a State meets the applicable requirements, the Corporation will approve the State Commission or AAE.

(b) If the Corporation rejects a State application for approval of a State Commission or AAE because that application does not meet one or more of the requirements of §§2250.50 or 2550.60, it will notify the State of the reasons for rejection and offer assistance to make any necessary changes. The Corporation will reconsider revised applications within 14 working days of re-submission.

[58 FR 60981, Nov. 18, 1993, as amended at 70 FR 39607, July 8, 2005]
§ 2550.50 What are the composition requirements and other requirements, restrictions or guidelines for State Commissions?

The following provisions apply to both State Commissions and AAEs, except that AAEs may obtain waivers from certain provisions as explained in § 2550.60.

(a) Size of the State Commission and terms of State Commission members. The chief executive officer of a State must appoint 15–25 voting members to the State Commission (in addition to any non-voting members he or she may appoint). Voting members of a State Commission must be appointed to renewable three-year terms, except that initially a chief executive officer must appoint a third of the members to one-year terms and another third of the members to two-year terms.

(b) Required voting members on a State Commission. A member may represent none, one, or more than one category, but each of the following categories must be represented:

(1) A representative of a community-based agency or organization in the State;
(2) The head of the State education agency or his or her designee;
(3) A representative of local government in the State;
(4) A representative of local labor organizations in the State;
(5) A representative of business;
(6) An individual between the ages of 16 and 25, inclusive, who is a participant or supervisor of a service program for school-age youth, or of a campus-based or national service program;
(7) A representative of a national service program;
(8) An individual with expertise in the educational, training, and development needs of youth, particularly disadvantaged youth;
(9) An individual with experience in promoting the involvement of older adults (age 55 and older) in service and volunteerism; and
(10) A representative of the volunteer sector.

(c) Appointment of other voting members of a State Commission. Any remaining voting members of a State Commission are appointed at the discretion of the chief executive officer of the State; however, although this list should not be construed as exhaustive, the Corporation suggests the following types of individuals:

(1) Educators, including representatives from institutions of higher education and local education agencies;
(2) Experts in the delivery of human, educational, environmental, or public safety services to communities and persons;
(3) Representatives of Indian tribes;
(4) Out-of-school or at-risk youth; and
(5) Representatives of programs that are administered or receive assistance under the Domestic Volunteer Service Act of 1973, as amended (DVSA) (42 U.S.C. 4950 et seq.).

(d) Appointment of ex officio, non-voting members of a State Commission. The chief executive officer of a State may appoint as ex officio, non-voting members of the State Commission officers or employees of State agencies operating community service, youth service, education, social service, senior service, or job training programs.

(e) Other composition requirements. To the extent practicable, the chief executive officer of a State shall ensure that the membership for the State commission is diverse with respect to race, ethnicity, age, gender, and disability characteristics. Not more than 50 percent plus one of the voting members of a State commission may be from the same political party. In addition, the number of voting members of a State commission who are officers or employees of the State may not exceed 25% of the total membership of that State commission.

(f) Selection of Chairperson. The chairperson is elected by the voting members of a State Commission. To be eligible to serve as chairperson, an individual must be an appointed, voting member of a State Commission.

(g) Vacancies. If a vacancy occurs on a State Commission, a new member must be appointed by the chief executive officer of the State to serve for the remainder of the term for which the predecessor of such member was appointed. The vacancy will not affect the power of the remaining members to execute the duties of the Commission.
§ 2550.60 From which of the State Commission requirements is an Alternative Administrative Entity exempt?

(a) An AAE is not automatically exempt from any of the requirements that govern State Commissions. However, there are three specific State Commission requirements which the Corporation may waive if a State can demonstrate that one or more of them is impossible or unreasonable to meet. If the Corporation waives a State Commission requirement for a State entity, that entity becomes an AAE; in all other respects an AAE is the same as a State Commission, having the same requirements, rights, duties and responsibilities.

45 CFR Ch. XXV (10–1–16 Edition)
(2) The plan must ensure outreach to diverse, broad-based community organizations that serve underrepresented populations by creating State networks and registries or by utilizing existing ones.

(3) The plan must set forth the State’s goals, priorities, and strategies for promoting national and community service and strengthening its service infrastructure, including how Corporation-funded programs fit into the plan.

(4) The plan may contain such other information as the State commission considers appropriate and must contain such other information as the Corporation may require.

(5) The plan must ensure outreach to, and coordination with, municipalities and county governments regarding the national service laws.

(6) The plan must provide for effective coordination of funding applications submitted by the State and other organizations within the State under the national service laws.

(7) The plan must include measurable goals and outcomes for national service programs funded through the State consistent with the performance levels for national service programs.

(8) The plan is subject to approval by the chief executive officer of the State.

(9) The plan must be submitted, in its entirety, in summary, or in part, to the Corporation upon request.

(b) Selection of subtitle C programs and preparation of application to the Corporation. Each State must:

(1) Prepare an application to the Corporation to receive funding or education awards for national service programs operating in and selected by the State.

(2) Administer a competitive process to select national service programs for funding. The State is not required to select programs for funding prior to submission of the application described in paragraph (b)(1) of this section.

(c) Preparation of Service Learning applications. (1) The State entity is required to assist the State education agency in preparing the application for subtitle B school-based service learning programs.

(2) The State entity may apply to the Corporation to receive funding for community-based subtitle programs after coordination with the State Educational Agency.

(d) Administration of the grants program. After subtitle C and community-based subtitle B funds are awarded, States entities will be responsible for administering the grants and overseeing and monitoring the performance and progress of funded programs.

(e) Evaluation and monitoring. State entities, in concert with the Corporation, shall be responsible for implementing comprehensive, non-duplicative evaluation and monitoring systems.

(f) Technical assistance. The State entity will be responsible for providing technical assistance to local nonprofit organizations and other entities in planning programs, applying for funds, and in implementing and operating high quality programs. States should encourage proposals from underserved communities.

(g) Program development assistance and training. The State entity must assist in the development of subtitle C programs; such development might include staff training, curriculum materials, and other relevant materials and activities. A description of such proposed assistance must be included in the State comprehensive plan referred to in paragraph (a) of this section. A State may apply for additional subtitle C programs training and technical assistance funds to perform these functions. The Corporation will issue notices of availability of funds with respect to training and technical assistance.

(h) Recruitment and placement. The State entity, as well as the Corporation, will develop mechanisms for recruitment and placement of people interested in participating in national service programs.

(i) Benefits. The State entity shall assist in the provision of health and child care benefits to subtitle C program participants, as will be specified in the regulations implementing the subtitle C programs.

(j) Activity ineligible for assistance. A State commission or AAE may not directly carry out any national service program that receives financial assistance under section 121 of the NCSA or title II of the DVSA.
(k) Make recommendations to the Corporation with respect to priorities within the State for programs receiving assistance under DVSA.

(1) Coordination—(i) Coordination with other State agencies. A State entity must coordinate its activities with the activities of other State agencies that administer Federal financial assistance programs under the Community Services Block Grant Act (42 U.S.C. 9901 et seq.) or other appropriate Federal financial assistance programs.

(2) Coordination with volunteer service programs. In general, the State entity shall coordinate its functions (including recruitment, public awareness, and training activities) with such functions of any division of ACTION, or the Corporation, that carries out volunteer service programs in the State. Specifically, the State entity may enter into an agreement with a division of ACTION or the Corporation to carry out its functions jointly, to perform its functions itself, or to assign responsibility for its functions to ACTION or the Corporation.

(3) In carrying out the activities under paragraphs (l) (1) and (2) of this section, the parties involved must exchange information about the programs carried out in the State by the State entity, a division of ACTION or the Corporation, as well as information about opportunities to coordinate activities.

(m) Supplemental State Service Plan for Adults Age 55 or Older. To be eligible to receive a grant or allotment under subtitles B or C of title I of the National and Community Service Act (42 U.S.C. 12501 et seq.), or to receive a distribution of approved national service positions under subtitle C of title I of that Act, a State must work with appropriate State agencies and private entities to develop a comprehensive State service plan for service by adults age 55 or older. This plan must:

(1) Include the following elements:

(i) Recommendations for policies to increase service for adults age 55 or older, including how to best use such adults as sources of social capital, and how to utilize their skills and experience to address community needs;

(ii) Recommendations to the State agency on aging (as defined in section 102 of the Older Americans Act of 1965, 42 U.S.C. 3002) on a marketing outreach plan to businesses and outreach to nonprofit organizations, the State educational agency, institutions of higher education, and other State agencies;

(iii) Recommendations for civic engagement and multigenerational activities, including early childhood education and care, family literacy, and other after school programs, respite services for adults age 55 or older and caregivers, and transitions for older adults age 55 or older to purposeful work in their post-career lives;

(2) Incorporate the current knowledge base regarding—

(i) The economic impact of the roles of workers age 55 or older in the economy;

(ii) The social impact of the roles of such workers in the community;

(iii) The health and social benefits of active engagement for adults age 55 or older; and

(3) Be made available to the public and transmitted to the Corporation.

§ 2550.85 How will the State Plan be assessed?

The Corporation will assess the quality of your State Plan as evidenced by:

(a) The development and quality of realistic goals and objectives for moving service ahead in the State;

(b) The extent to which proposed strategies can reasonably be expected to accomplish stated goals; and

(c) The extent of input in the development of the State plan from a broad cross-section of individuals and organizations as required by §2550.80(a)(1).

[73 FR 53762, Sept. 17, 2008]

§ 2550.90 Are there any restrictions on the activities of the members of State Commissions or Alternative Administrative Entities?

To avoid a conflict of interest (or the appearance of a conflict of interest) regarding the provision of assistance or approved national service positions, members of a State Commission or AAE must adhere to the following provisions:
Corporation for National and Community Service § 2550.110

(a) General restriction. Members of State Commissions and AAEs are restricted in several ways from the grant approval and administration process for any grant application submitted by an organization for which they are currently, or were within one year of the submission of the application, officers, directors, trustees, full-time volunteers or employees. The restrictions for such individuals are as follows:

(1) They cannot assist the applying organization in preparing the grant application;

(2) They must recuse themselves from the discussions or decisions regarding the grant application and any other grant applications submitted to the Commission or AAE under the same program (e.g., subtitle B programs or subtitle C programs); and

(3) They cannot participate in the oversight, evaluation, continuation, suspension or termination of the grant award.

(b) Exception to achieve a quorum. If this general restriction creates a situation in which a Commission or AAE does not have enough eligible voting members to achieve a quorum, the Commission or AAE may involve some normally-excluded members subject to the following conditions:

(1) A Commission or AAE may randomly and in a non-discretionary manner select the number of refused members necessary to achieve a quorum;

(2) Notwithstanding paragraph (b)(1) of this section, no Commission or AAE member may, under any circumstances, participate in any discussions or decisions regarding a grant application submitted by an organization with which he or she is or was affiliated according to the definitions in paragraph (a) of this section; and

(3) If recused members are included so as to achieve quorum, the State Commission or AAE must document the event and report to the Corporation within 30 days of the vote.

(c) Rule of construction. Paragraph (a) of this section shall not be construed to limit the authority of any voting member of the State Commission or AAE to participate in—

(1) Discussion of, and hearings and forums on, the general duties, policies and operations of the Commission or AAE, or general program administration; or

(2) Similar general matters relating to the Commission or AAE.

§ 2550.100 Do State entities or their members incur any risk of liability?

(a) State liability. Except as provided in paragraph (b) of this section, a State must agree to assume liability with respect to any claim arising out of or resulting from any act or omission by a member of the State Commission or AAE, within the scope of the service of that member.

(b) Individual liability. A member of the State Commission or AAE shall have no personal liability with respect to any claim arising out of or resulting from any act or omission by that member, within the scope of the service of that member. This does not, however, limit personal liability for criminal acts or omissions, willful or malicious misconduct, acts or omissions for private gain, or any other act or omission outside the scope of the service of that member. Similarly, this part does not limit or alter in any way any other immunities that are available under applicable law for State officials and employees not described in this section; nor does this part affect any other right or remedy against the State or any person other than a member of a State Commission or AAE.

§ 2550.110 What grants will be available from the Corporation to assist in establishing and operating a State Commission, Alternative Administrative Entity, or Transitional Entity?

(a) Administrative Grants. The Corporation may make administrative grants to States in an amount no less than $250,000 and up to $1 million for the purpose of establishing or operating a State Commission or AAE; these grants will be available to States which have Corporation-approved Transitional Entities only if those States commit to establishing a Corporation-approved State Commission or AAE prior to the expiration of the transitional period.

(b) Limitation on Federal share. Except as provided in paragraph (c) of this section, the amount of a grant that may
be provided to a State under this sub-
section, together with other Federal
funds available to establish or operate
the State Commission or AAE, may
not exceed 50 percent of the total cost
to establish or operate the State Com-
mision or AAE.

(c) Alternative Match Schedule. The
Corporation may permit a State that
demonstrates hardship or a new State
Commission to meet alternative
matching requirements for such a
grant as follows:

<th>Match requirement</th>

Whenever locally generated contributions to Senior Companion projects are in excess of the minimum 10 percent non-Corporation support required, the Corporation may not restrict the manner in which such contributions are expended provided such expenditures are consistent with the provisions of the Act.

(d) Are program expenditures subject to audit? All expenditures by the grantee of Federal and non-Federal funds, including expenditures from excess locally generated contributions in support of the grant are subject to audit by the Corporation, its Inspector General, or their authorized agents.

(e) How are Senior Companion cost reimbursements budgeted? (1) Except as provided in (e)(2) of this section, the total of cost reimbursements for Senior Companions, including stipends, insurance, transportation, meals, physical examinations, and recognition, shall be a sum equal to at least 80 percent of the amount of the Federal share of the grant award.   (g) Non-stipended Senior Companions may contribute the costs they incur in connection with their participation in the program. Such contributions are not counted as part of the required non-federal share of the grant but may be reflected in the budget column for excess non-federal resources.

§ 2551.103 Must a sponsor be required to enroll non-stipended Senior Companions?

Enrollment of non-stipended Senior Companions is not a factor in the award of new or continuation grants.

§ 2551.104 May Corporation funds be used for non-stipended Senior Companions?

Federally appropriated funds for SCP shall not be used to pay any cost, including any administrative cost, incurred in implementing the regulations in this part for non-stipended Senior Companions.
§ 2551.111 Under what conditions can an agency or organization sponsor a Senior Companion project without Corporation funding?

An eligible agency or organization who wishes to sponsor a Senior Companion project without Corporation funding, must sign a Memorandum of Agreement with the Corporation that:

§ 2551.114 What happens if a non-Corporation funded sponsor does not comply with the Memorandum of Agreement?

A non-Corporation funded project sponsor’s noncompliance with the Memorandum of Agreement may result in suspension or termination of the Corporation’s agreement and all benefits specified in §2551.112.

§ 2551.121 What legal limitations apply to the operation of the Senior Companion Program and to the expenditure of grant funds?

(a) Political activities. (1) No part of any grant shall be used to finance, directly or indirectly, any activity to influence the outcome of any election to public office, or any voter registration activity.

(2) No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:

(i) Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or

(ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(iii) Any voter registration activity, except that voter registration applications and nonpartisan voter registration information may be made available to the public at the premises of the sponsor. But in making registration applications and nonpartisan voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(i) In any case in which a legislative body, a committee of a legislative body, or a member of a legislative body requests any volunteer in, or employee of such a program to draft, review or testify regarding measures or to make representation to such legislative body, committee or member; or

(ii) In connection with an authorization or appropriations measure directly affecting the operation of the Senior Companion Program.
(b) Non-displacement of employed workers. A Senior Companion shall not perform any service or duty or engage in any activity which would otherwise be performed by an employed worker or which would supplant the hiring of or result in the displacement of employed workers, or impair existing contracts for service.

(c) Compensation for service. (1) An agency or organization to which NSSC volunteers are assigned or which operates or supervises any NSSC program shall not request or receive any compensation from NSSC volunteers or from beneficiaries for services of NSSC volunteers.

(2) This section does not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant or from entering into agreements with parties other than beneficiaries to support additional volunteers beyond those supported by the Corporation grant.

(3) A Senior Companion volunteer station may contribute to the financial support of the Senior Companion Program. However, this support shall not be a required precondition for a potential station to obtain Senior Companion service.

(4) If a volunteer station agrees to provide funds to support additional Senior Companions or pay for other Senior Companion support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station’s inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project’s financial capabilities to fulfill its obligations.

(5) Under no circumstances shall a Senior Companion receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

(g) Religious activities. (1) A Senior Companion or a member of the project staff funded by the Corporation shall not give religious instruction, conduct worship services or engage in any form of proselytization as part of his or her duties.

(2) A sponsor or volunteer station may retain its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use Corporation funds to support any inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

(h) Nepotism. Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the community group established by the sponsor under Subpart B of this part and with notification to the Corporation.

§ 2552.113 What financial obligation does the Corporation incur for non-Corporation funded projects?

Entry into a Memorandum of Agreement with, or issuance of an NGA to a sponsor of a non-Corporation funded project, does not create a financial obligation on the part of the Corporation for any costs associated with the project, including increases in required payments to Foster Grandparents that may result from changes in the Act or in program regulations.

§ 2552.114 What happens if a non-Corporation funded sponsor does not comply with the Memorandum of Agreement?

A non-Corporation funded project sponsor’s noncompliance with the Memorandum of Agreement may result in suspension or termination of the Corporation’s agreement and all benefits specified in §2552.112.

§ 2552.121 What legal limitations apply to the operation of the Foster Grandparent Program and to the expenditure of grant funds?

(a) Political activities. (1) No part of any grant shall be used to finance, directly or indirectly, any activity to influence the outcome of any election to public office, or any voter registration activity.

(2) No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a manner supporting or resulting in the identification of such project with:

(i) Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or

(ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

But in making registration applications and nonpartisan voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(c) Compensation for service. (1) An agency or organization to which NSSC volunteers are assigned, or which operates or supervises any NSSC program shall not request or receive any compensation from NSSC volunteers or from beneficiaries for services of NSSC volunteers.

(2) This section does not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant or from entering into agreements with parties other than beneficiaries to support additional volunteers beyond those supported by the Corporation grant.

(3) A Foster Grandparent volunteer station may contribute to the financial support of the FGP. However, this support shall not be a required precondition for a potential station to obtain Foster Grandparent service.

(4) If a volunteer station agrees to provide funds to support additional Foster Grandparents or pay for other Foster Grandparent support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station’s inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project’s financial capabilities to fulfill its obligations.

(5) Under no circumstances shall a Foster Grandparent receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

(d) Labor and anti-labor activity. The sponsor shall not use grant funds directly or indirectly to finance labor or anti-labor organization or related activity.

(g) Religious activities. (1) A Foster Grandparent or a member of the project staff funded by the Corporation shall not give religious instruction, conduct worship services or engage in any form of proselytization as part of his or her duties.

(2) A sponsor or volunteer station may retain its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use Corporation funds to support any inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

(h) Nepotism. Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the community group established by the sponsor under Subpart B of this part and with notification to the Corporation.

§ 2552.122 What legal coverage does the Corporation make available to Foster Grandparents?

It is within the Corporation’s discretion to determine if Counsel is employed and counsel fees, court costs, bail and other expenses incidental to the defense of a Foster Grandparent
are paid in a criminal, civil or administrative proceeding, when such a proceeding arises directly out of performance of the Foster Grandparent’s activities pursuant to the Act. The circumstances under which the Corporation may pay such expenses are specified in 45 CFR part 1220.

(1) For each grant expiring in fiscal years 2011, 2012, or 2013, the Corporation will evaluate the grant, to the maximum extent practicable, in fiscal years 2010, 2011, and 2012, respectively.

(2) The evaluation will give particular attention to the different needs of rural and urban projects, including those serving Native American communities, and will evaluate the extent to which the sponsor meets or exceeds performance measures, outcomes, and other criteria established by the Corporation.

(3) To the maximum extent practicable, the Corporation will ensure that each evaluation is conducted by a review team made up of trained individuals who are knowledgeable about RSVP, including current or former employees of the Corporation and representatives of communities served by RSVP volunteers, who will provide their input and opinions concerning each grant.

(4) The Corporation will use the evaluation findings as the basis for providing recommendations for program improvement, and for the provision of training and technical assistance.

(5) The evaluation will assess:

(i) The project’s strengths and areas in need of improvement;

(ii) Whether the project has adequately addressed population and community-wide needs;

(iii) The efforts of the project to collaborate with other community-based organizations, units of government, and entities providing services to seniors, taking into account barriers to such collaboration that such programs may encounter;

(iv) The project’s compliance with the program requirements for the appropriate use of Federal funds as embodied in a protocol for fiscal management;

(v) To what extent the project is in conformity with the eligibility, outreach, enrollment, and other requirements for RSVP projects; and

(vi) The extent to which the project is achieving other measures of performance developed by the Corporation, in consultation with the review team.

total project cost in the first year, 80 percent in the second year, and 70 percent in the third and succeeding years.

(2) A sponsor is responsible for identifying non-Corporation funds which may include in-kind contributions.

(b) Under what circumstances does the Corporation allow less than the percentage identified in paragraph (a) of this section? The Corporation may allow exceptions to the local support requirement identified in paragraph (a) of this section in cases of demonstrated need such as:

(1) Initial difficulties in the development of local funding sources during the first three years of operations; or

(2) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(3) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years.

(c) May the Corporation restrict how a sponsor uses locally generated contributions in excess of the non-Corporation support required? Whenever locally generated contributions to RSVP projects are in excess of the non-Corporation funds required (10 percent of the total cost in the first year, 20 percent in the second year and 30 percent in the third and succeeding years), the Corporation may not restrict the manner in which such contributions are expended provided such expenditures are consistent with the provisions of the Act.

(d) Are program expenditures subject to audit? All expenditures by the grantee of Federal and Non-Federal funds, including expenditures from excess locally generated contributions, are subject to audit by the Corporation, its Inspector General, or their authorized agents.

§ 2553.73 What are grants management requirements?

(a) A sponsor shall manage a grant in accordance with:

(1) The Act;

(2) Regulations in this part;

(3) 2 CFR part 200 and 2 CFR part 2205; and

(4) Other applicable Corporation requirements.

(b) Project support provided under a Corporation grant shall be furnished at the lowest possible cost consistent with the effective operation of the project.

(c) Volunteer expense items, including transportation, meals, recognition activities and items purchased at the volunteers’ own expense and which are not reimbursed, are not allowable as contributions to the non-Federal share of the budget.

(d) Costs to bring a sponsor into basic compliance with accessibility requirements for individuals with disabilities are not allowable costs.

(e) Payments to settle discrimination allegations, either informally through a settlement agreement or formally as a result of a decision finding discrimination, are not allowable costs.

(f) Written Corporation approval/concurrence is required for a change in the approved service area.

Subpart H—Non-Corporation Funded Projects

§ 2553.81 Under what conditions may an agency or organization sponsor a RSVP project without Corporation funding?

An eligible agency or organization who wishes to sponsor a RSVP project without Corporation funding, must sign a Memorandum of Agreement with the Corporation that:

(a) Certifies its intent to comply with all Corporation requirements for the Retired and Senior Volunteer Program; and

(b) Identifies responsibilities to be carried out by each party.

§ 2553.82 What benefits are a non-Corporation funded project entitled to?

(a) All technical assistance and materials provided to Corporation-funded RSVP projects; and

(b) The application of the provisions of 42 U.S.C. 5044 and 5058.
§ 2553.83 What financial obligation does the Corporation incur for non-Corporation funded projects?

Entry into a Memorandum of Agreement with, or issuance of an NGA to a sponsor of a non-Corporation funded project does not create a financial obligation on the part of the Corporation for any costs associated with the project.

§ 2553.84 What happens if a non-Corporation funded sponsor does not comply with the Memorandum of Agreement?

A non-Corporation funded project sponsor’s noncompliance with the Memorandum of Agreement may result in suspension or termination of the Corporation’s agreement and all benefits specified in § 2553.82.

Subpart I—Restrictions and Legal Representation

§ 2553.91 What legal limitations apply to the operation of the RSVP Program and to the expenditure of grant funds?

(a) Political activities. (1) No part of any grant shall be used to finance, directly or indirectly, any activity to influence the outcome of any election to public office, or any voter registration activity.

(2) No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:

(i) Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or

(ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(iii) Any voter registration activity, except that voter registration information may be made available to the public at the premises of the sponsor. But in making registration applications and nonpartisan voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(i) In any case in which a legislative body, a committee of a legislative body, or a member of a legislative body requests any volunteer in, or employee of such a program to draft, review or testify regarding measures or to make representation to such legislative body, committee or member; or

(ii) In connection with an authorization or appropriations measure directly affecting the operation of the RSVP Program.

(b) Nondisplacement of employed workers. A RSVP volunteer shall not perform any service or duty or engage in any activity which would otherwise be performed by an employed worker or which would supplant the hiring of or result in the displacement of employed workers, or impair existing contracts for service.

(c) Compensation for service. (1) An agency or organization to which NSSC volunteers are assigned, or which operates or supervises any NSSC program, shall not request or receive any compensation from NSSC volunteers or from beneficiaries for services of NSSC volunteers.

(2) This section does not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant; or, from entering into agreements with parties other than beneficiaries to support additional volunteers beyond those supported by the Corporation grant.

(3) A RSVP volunteer station may contribute to the financial support of the RSVP Program. However, this support shall not be a required precondition for a potential station to obtain RSVP volunteers.

(4) If a volunteer station agrees to provide funds to support additional volunteers or pay for other volunteer support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw
services if the station’s inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project’s financial capabilities to fulfill its obligations.

(5) Under no circumstances shall a RSVP volunteer receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

(d) Labor and anti-labor activity. The sponsor shall not use grant funds directly or indirectly to finance labor or anti-labor organization or related activity.

(e) Fair labor standards. A sponsor that employs laborers and mechanics for construction, alteration, or repair of facilities shall pay wages at prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, 40 U.S.C. 276a.

(f) Nondiscrimination. A sponsor or sponsor employee shall not discriminate against a RSVP volunteer on the basis of race, color, national origin, sex, age, religion, or political affiliation, or on the basis of disability, if the volunteer with a disability is qualified to serve.

(g) Religious activities. (1) A RSVP volunteer or a member of the project staff funded by the Corporation shall not give religious instruction, conduct worship services or engage in any form of proselytization as part of his/her duties.

(2) A sponsor or volunteer station may retain its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use Corporation funds to support any inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

(h) Nepotism. Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the Advisory Council or community group established by the sponsor under subpart B of this part, and with notification to the Corporation.

§ 2553.92 What legal coverage does the Corporation make available to RSVP volunteers?

It is within the Corporation’s discretion to determine if Counsel is employed and counsel fees, court costs, bail and other expenses incidental to the defense of a RSVP volunteer are paid in a criminal, civil or administrative proceeding, when such a proceeding arises directly out of performance of the volunteer’s activities. The circumstances under which the Corporation may pay such expenses are specified in 45 CFR part 1220.

Subpart J—Performance Measurement

Source: 76 FR 20247, Apr. 12, 2011, unless otherwise noted.

§ 2553.100 What is the purpose of this subpart?

This subpart sets forth the minimum performance measurement requirements for Corporation-funded Retired and Senior Volunteer Program (RSVP) projects.

§ 2553.101 What is the purpose of performance measurement?

The purpose of performance measurement is to strengthen the RSVP project and foster continuous improvement. Reporting on performance measures is used by the Corporation as part of assessing the impact of the project on the community and on the accomplishment of the objectives established in the Corporation’s Strategic Plan. In addition, as part of the competitive process, performance measures are used to assess how an applicant for a grant approaches the design of volunteer activities and the measurement of their impact on community needs.
§ 2553.102 What performance measurement information must be part of an application for funding under RSVP?

An application to the Corporation for funding under RSVP must contain:
(a) Performance measures.
(b) Estimated performance data for the project years covered by the application.
(c) Actual performance data, where available, for the preceding completed project year.

§ 2553.103 Who develops the performance measures?

(a) An applicant is responsible for developing its own project-specific performance measures.
(b) In addition, the Corporation may establish performance measures that will apply to all Corporation-sponsored RSVP projects, which sponsors will be responsible for meeting.

§ 2553.104 What performance measures must be submitted to the Corporation and how are these submitted?

(a) An applicant for Corporation funds is required to submit at least one of each of the following types of performance measures as part of their application. The Corporation will provide standard forms.
   (1) Output indicators.
   (2) Outcome indicators.
(b) An applicant must also submit any uniform performance measures the Corporation may establish for all applicants.
(c) The Corporation may specify additional requirements relating to performance measures on an annual basis in program guidance and related materials.

§ 2553.105 How are performance measures approved and documented?

(a) The Corporation reviews and approves performance measures for all applicants that apply for funding from the Corporation.
(b) An applicant must follow Corporation-provided guidance and formats provided when submitting performance measures.
(c) Final performance measures, as negotiated between the applicant and the Corporation, will be documented in the Notice of Grant Award (NGA).

§ 2553.106 How does a sponsor report performance measures to the Corporation?

The Corporation will set specific reporting requirements, including frequency and deadlines, concerning performance measures established in the grant award. A sponsor is required to report on the actual results that occurred when implementing the grant and to regularly measure the project’s performance.

§ 2553.107 What must a sponsor do if it cannot meet its performance measures?

Whenever a sponsor finds it is not on track to meet its performance measures, it must develop a plan to get back on track or submit a request to the Corporation to amend its performance measures. The request must include all of the following:
(a) Why the project is not on track to meet its performance requirements;
(b) How the project has been tracking performance measures;
(c) Evidence of corrective steps taken;
(d) Any new proposed performance measures; and
(e) A plan to ensure that the project will meet the new proposed measure(s).

§ 2553.108 When may a sponsor change a project’s performance measures?

Performance measures may be changed only if the Corporation approves the sponsor’s request to do so.

§ 2553.109 What happens if a sponsor fails to meet the performance measures included in the Notice of Grant Award (NGA)?

If a sponsor fails to meet a target performance measure established in the NGA, the Corporation will negotiate a period of no more than one year for meeting the performance measure. At that point, if the sponsor still fails to meet the performance measure, the Corporation may take one or more of the following actions:
(a) Reduce the amount of the grant;
(b) Suspend, terminate, or deny refunding of the grant, in accordance
with the provisions of Section 2553.31 of this part:
(c) Take this information into account in assessing any application from the organization for a new grant or augmentation of an existing grant under any program administered by the Corporation;
(d) Amend the terms of any Corporation grant to the organization; or
(e) Take other actions that the Corporation deems appropriate.

OVERVIEW AND DEFINITIONS

§ 2554.1 Overview of regulations.

(a) Statutory basis. This part implements the Program Fraud Civil Remedies Act of 1986, 31 U.S.C. 3801–3812 (“the Act”). The Act provides the Corporation and other federal agencies
with an administrative remedy to impose civil penalties and assessments against persons making false claims and statements. The Act also provides due process protections to all persons who are subject to administrative proceedings under this part.

(b) Possible remedies for program fraud. In addition to any other penalties that may be prescribed by law, a person who submits, or causes to be submitted, a false claim or a false statement to the Corporation is subject to a civil penalty of not more than $10,781 for each statement or claim, regardless of whether property, services, or money is actually delivered or paid by the Corporation. If the Corporation has made any payment, transferred property, or provided services in reliance on a false claim, the person submitting it also is subject to an assessment of not more than twice the amount of the false claim. This assessment is in lieu of damages sustained by the Corporation because of the false claim.

(2) Made to a recipient of property, services, or money from the Corporation or to a party to a contract with the Corporation for property or services, or for the payment of money. This provision applies only when the claim is related to property, services or money from the Corporation or to a contract with the Corporation; or

(3) Made to the Corporation which decreases an obligation to pay or account for property, services, or money.

(b) A claim can relate to grants, loans, insurance, or other benefits, and includes the Corporation guaranteed loans made by participating lenders. A claim is made when it is received by the Corporation, an agent, fiscal intermediary, or other entity acting for the Corporation, or when it is received by the recipient of property, services, or money, or the party to a contract.

(c) Each voucher, invoice, claim form, or individual request or demand for property, services, or money constitutes a separate claim.

§ 2554.4 What is a statement?

A “statement” means any written representation, certification, affirmation, document, record, or accounting or bookkeeping entry made with respect to a claim or with respect to a contract, bid or proposal for a contract, grant, loan or other benefit from the Corporation. “From the Corporation” means that the Corporation provides some portion of the money or property in connection with the contract, bid, grant, loan, or benefit, or is potentially liable to another party for some portion of the money or property under such contract, bid, grant, loan, or benefit. A statement is made, presented, or submitted to the Corporation when it is received by the Corporation or an agent, fiscal intermediary, or other entity acting for the Corporation.

§ 2554.5 What is a false claim or statement?

(a) A claim submitted to the Corporation is a “false” claim if the person making the claim, or causing the claim to be made, knows or has reason to know that the claim:

(1) Is false, fictitious or fraudulent;
§ 2554.6

(2) Includes or is supported by a written statement which asserts or contains a material fact which is false, fictitious, or fraudulent;

(3) Includes or is supported by a written statement which is false, fictitious or fraudulent because it omits a material fact that the person making the statement has a duty to include in the statement; or

(4) Is for payment for the provision of property or services which the person has not provided as claimed.

(b) A statement submitted to the Corporation is a false statement if the person making the statement, or causing the statement to be made, knows or has reason to know that the statement:

(1) Asserts a material fact which is false, fictitious, or fraudulent; or

(2) Is false, fictitious, or fraudulent because it omits a material fact that the person making the statement has a duty to include in the statement. In addition, the statement must contain or be accompanied by an express certification or affirmation of the truthfulness and accuracy of the contents of the statement.

§ 2554.6 What does the phrase “know or have reason to know” mean?

A person knows or has reason to know (that a claim or statement is false) if the person:

(a) Has actual knowledge that the claim or statement is false, fictitious, or fraudulent; or

(b) Acts in deliberate ignorance of the truth or falsity of the claim or statement; or

(c) Acts in reckless disregard of the truth or falsity of the claim or statement.

§ 2554.7 Who investigates program fraud?

The Inspector General, or his designee, is the investigating official responsible for investigating allegations that a false claim or statement has been made. In this regard, the Inspector General has authority under the Program Fraud Civil Remedies Act and the Inspector General Act of 1978 (5 U.S.C. App. 3), as amended, to issue administrative subpoenas for the production of records and documents.

§ 2554.8 What happens if program fraud is suspected?

(a) If the investigating official concludes that an action under this Part is warranted, the investigating official submits a report containing the findings and conclusions of the investigation to a reviewing official. The reviewing official is the General Counsel or his or her designee. If the reviewing official determines that the report provides adequate evidence that a person submitted a false claim or statement, the reviewing official transmits to the Attorney General written notice of an intention to refer the matter for adjudication, with a request for approval of such referral. This notice will include the reviewing official’s statements concerning:

(1) The reasons for the referral;

(2) The claims or statements upon which liability would be based;

(3) The evidence that supports liability;

(4) An estimate of the amount of money or the value of property, services, or other benefits requested or demanded in the false claim or statement;

(5) Any exculpatory or mitigating circumstances that may relate to the claims or statements known by the reviewing official or the investigating official; and

(6) A statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments.

(b) If at any time, the Attorney General or his or her designee requests in writing that this administrative process be stayed, the authority head, as identified in §2554.9 of this Part, must stay the process immediately. The authority head may order the process resumed only upon receipt of the written authorization of the Attorney General.

§ 2554.9 Who is the Corporation’s authority head?

The Corporation’s “authority head” is the Chief Executive Officer or his or her designee. For purposes of this Part,
§ 2554.10 When will the Corporation issue a complaint?

The Corporation will issue a complaint:
(a) If the Attorney General (or designee) approves the referral of the allegations for adjudication; and
(b) In a case of submission of false claims, if the amount of money or the value of property or services demanded or requested in a false claim, or a group of related claims submitted at the same time, does not exceed $150,000.

“A group of related claims submitted at the same time” includes only those claims arising from the same transaction (such as a grant, loan, application, or contract) which are submitted together as part of a single request, demand, or submission.

§ 2554.11 What is contained in a complaint?

(a) A complaint is a written statement giving notice to the person alleged to be liable under 31 U.S.C. 3802 of the specific allegations being referred for adjudication and of the person’s right to request a hearing with respect to those allegations. The person alleged to have made false statements or to have submitted false claims to the Corporation is referred to as the “defendant.”
(b) The reviewing official may join in a single complaint, false claims or statements that are unrelated, or that were not submitted simultaneously, regardless of the amount of money or the value of property or services demanded or requested.
(c) The complaint will state that the Corporation seeks to impose civil penalties, assessments, or both, against each defendant and will include:
(1) The allegations of liability against each defendant, including the statutory basis for liability, identification of the claims or statements involved, and the reasons liability allegedly arises from such claims or statements;
(2) The maximum amount of penalties and assessments for which each defendant may be held liable;
(3) A statement that each defendant may request a hearing by filing an answer and may be represented by a representative;
(4) Instructions for filing such an answer;
(5) A warning that failure to file an answer within 30 days of service of the complaint will result in imposition of the maximum amount of penalties and assessments.
(d) The reviewing official must serve any complaint on the defendant and, if a hearing is requested by the defendant, provide a copy to the Administrative Law Judge (ALJ) assigned to the case.

§ 2554.12 How will the complaint be served?

(a) The complaint must be served on individual defendants directly, a partnership through a general partner, and on corporations or on unincorporated associations through an executive officer or a director, except that service also may be made on any person authorized by appointment or by law to receive process for the defendant.
(b) The complaint may be served either by:
(1) Registered or certified mail (return receipt requested) addressed to the defendant at his or her residence, usual dwelling place, principal office or place of business; or by
(2) Personal delivery by anyone 18 years of age or older.
(c) The date of service is the date of personal delivery or, in the case of service by registered or certified mail, the date of postmark.
(d) Proof of service—
(1) When service is made by registered or certified mail, the return postal receipt will serve as proof of service.
(2) When service is made by personal delivery, an affidavit of the individual serving the complaint, or written acknowledgment of receipt by the defendant or a representative, will serve as proof of service.
(e) When served with the complaint, the defendant also should be served with a copy of this Part 2554 and 31 U.S.C. 3801–3812.

§ 2554.13 How does a defendant respond to the complaint?

(a) A defendant may file an answer with the reviewing official within 30 days of service of the complaint. An answer will be considered a request for an oral hearing.

(b) In the answer, a defendant—

(1) Must admit or deny each of the allegations of liability contained in the complaint (a failure to deny an allegation is considered an admission);

(2) Must state any defense on which the defendant intends to rely;

(3) May state any reasons why he or she believes the penalties, assessments, or both should be less than the statutory maximum; and

(4) Must state the name, address, and telephone number of the person authorized by the defendant to act as defendant’s representative, if any.

(c) If the defendant is unable to file an answer which meets the requirements set forth in paragraph (b) of this section, the defendant may file with the reviewing official a general answer denying liability, requesting a hearing, and requesting an extension of time in which to file a complete answer. A general answer must be filed within 30 days of service of the complaint.

(d) If the defendant initially files a general answer requesting an extension of time, the reviewing official must promptly file with the ALJ the complaint, the general answer, and the request for an extension of time.

(e) For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section. Such answer must be filed with the ALJ and a copy must be served on the reviewing official.

§ 2554.14 What happens if a defendant fails to file an answer?

(a) If a defendant does not file any answer within 30 days after service of the complaint, the reviewing official will refer the complaint to the ALJ.

(b) Once the complaint is referred, the ALJ will promptly serve on the defendant a notice that an initial decision will be issued.

(c) The ALJ will assume the facts alleged in the complaint to be true and, if such facts establish liability under the statute, the ALJ will issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, when a defendant fails to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed in the initial decision.

(e) The initial decision becomes final 30 days after it is issued.

(f) If, at any time before an initial decision becomes final, a defendant files a motion with the ALJ asking that the case be reopened and describing the extraordinary circumstances that prevented the defendant from filing an answer, the initial decision will be stayed until the ALJ makes a decision on the motion. The reviewing official may respond to the motion.

(g) If, in his motion to reopen, a defendant demonstrates extraordinary circumstances excusing his failure to file a timely answer, the ALJ will withdraw the initial decision, and grant the defendant an opportunity to answer the complaint.

(h) A decision by the ALJ to deny a defendant’s motion to reopen a case is not subject to review or reconsideration.

(i) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(j) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(k) The authority head shall decide expeditiously whether extraordinary circumstances excuse the defendant’s failure to file a timely answer based solely on the record before the ALJ.

(l) If the authority head decides that extraordinary circumstances excuse the defendant’s failure to file a timely answer the authority head will reverse the initial decision.
§ 2554.18 What is the role of the ALJ?

An ALJ retained by the Corporation serves as the presiding officer at all hearings.

(a) The ALJ shall conduct a fair and impartial hearing, avoid delay, maintain order, and assure that a record of the proceeding is made.

(b) The ALJ has the authority to—

(1) Set and change the date, time, and place of the hearing upon reasonable notice to the parties;

(2) Continue or recess the hearing in whole or in part for a reasonable period of time;

(3) Hold conferences to identify or simplify the issues, or to consider other matters that may aid in the expeditious disposition of the proceeding;

(4) Administer oaths and affirmations;

(5) Issue subpoenas requiring the attendance of witnesses and the production of documents at depositions or at hearings;

(6) Rule on motions and other procedural matters;

(7) Regulate the scope and timing of discovery;

§ 2554.17 At the hearing, what rights do the parties have?

(a) The parties to the hearing shall be the defendant and the Corporation. Pursuant to 31 U.S.C. 3730(c)(5), a private plaintiff in an action under the False Claims Act may participate in the hearing to the extent authorized by the provisions of that Act.

(b) Each party has the right to:

(1) Be represented by a representative;

(2) Request a pre-hearing conference and participate in any conference held by the ALJ;

(3) Conduct discovery;

(4) Agree to stipulations of fact or law which will be made a part of the record;

(5) Present evidence relevant to the issues at the hearing;

(6) Present and cross-examine witnesses;

(7) Present arguments at the hearing as permitted by the ALJ; and

(8) Submit written briefs and proposed findings of fact and conclusions of law after the hearing, as permitted by the ALJ.

§ 2554.16 What kind of hearing is contemplated?

The hearing is a formal proceeding conducted by the ALJ during which a defendant will have the opportunity to cross-examine witnesses, present testimony, and dispute liability.
§ 2554.19  Can the reviewing official or ALJ be disqualified?

(a) A reviewing official or an ALJ may disqualify himself or herself at any time.

(b) Upon motion of any party, the reviewing official or ALJ may be disqualified as follows:

3. The party, or representative of record, must certify in writing that the motion is made in good faith.

(c) Once a motion has been filed to disqualify the reviewing official, the ALJ will halt the proceedings until resolving the matter of disqualification. If the ALJ determines that the reviewing official is disqualified, the ALJ will dismiss the complaint without prejudice. If the ALJ disqualifies himself or herself, the case will be promptly reassigned to another ALJ.

Upon payment of fees for duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the defendant also may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. (a) Upon written request to the reviewing official, the defendant may review all non-privileged, relevant and material documents, records and other material related to the allegations contained in the complaint. If the document would otherwise be privileged, only the portion of the document containing exculpatory information must be disclosed. (b) The notice sent to the Attorney General from the reviewing official is not discoverable under any circumstances.

§ 2554.28 Can witnesses be subpoenaed?

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefore not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

§ 2554.30 Are protective orders available?

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

2. That the discovery may be had only on specified terms and conditions, including a designation of the time or place;

4. That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;
5. That discovery be conducted with no one present except persons designated by the ALJ;
6. That the contents of discovery or evidence be sealed;
7. That a deposition after being sealed be opened only by order of the ALJ;
8. That a trade secret or other confidential research, development, commercial information, or facts pertaining to any criminal investigation, proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or
9. That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

§ 2554.31 Where is the hearing held?

The ALJ will hold the hearing in any judicial district of the United States:

(a) In which the defendant resides or transacts business; or
(b) In which the claim or statement on which liability is based was made,
§ 2554.32 How will the hearing be conducted and who has the burden of proof?

(a) The ALJ conducts a hearing in order to determine whether a defendant is liable for a civil penalty, assessment, or both and, if so, the appropriate amount of the civil penalty and/or assessment. The hearing will be recorded and transcribed, and the transcript of testimony, exhibits admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for a decision by the ALJ.

(b) The Corporation must prove a defendant’s liability and any aggravating factors by a preponderance of the evidence.

(c) A defendant must prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing will be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 2554.33 How is evidence presented at the hearing?

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

§ 2554.34 How is witness testimony presented?

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in §2554.27(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to:

(1) Make the interrogation and presentation effective for the ascertainment of the truth;

(2) Avoid needless consumption of time; and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—

(1) A party who is an individual;
(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the entity pro se or designated by the party’s representative; or
(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 2554.35 Will the hearing proceedings be recorded?

The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication. The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the authority head. The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 2554.30.

§ 2554.36 Can a party informally discuss the case with the ALJ?

No. Such discussions are forbidden as “ex parte communications” with the ALJ. No party or person (except employees of the ALJ’s office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate.

This does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

§ 2554.37 Are there sanctions for misconduct?

(a) The ALJ may sanction a person, including any party or representative for—
   (1) Failing to comply with an order, rule, or procedure governing the proceeding;
   (2) Failing to prosecute or defend an action; or
   (3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission, the ALJ may—
   (1) Draw an inference in favor of the requesting party with regard to the information sought;
   (2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;
   (3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon testimony relating to the information sought; and
   (4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 2554.38 Are post-hearing briefs required?

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

DECISIONS AND APPEALS

§ 2554.39 How is the case decided?

(a) The ALJ will issue an initial decision based only on the record. It will contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.
(b) The ALJ will serve the initial decision on all parties within 90 days after close of the hearing or expiration of any allowed time for submission of post-hearing briefs. If the ALJ fails to meet this deadline, he or she shall promptly notify the parties of the reason for the delay and set a new deadline.

(c) The findings of fact must include a finding on each of the following issues:

1. Whether any one or more of the claims or statements identified in the complaint violate this part; and
2. If the defendant is liable for penalties or assessments, the appropriate amount of any such penalties or assessments, considering any mitigating or aggravating factors.

(d) The initial decision will include a description of the right of a defendant found liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the authority head.

§ 2554.40 How are penalty and assessment amounts determined?

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence that ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

1. The number of false, fictitious, or fraudulent claims or statements;
2. The time period over which such claims or statements were made;
3. The degree of the defendant's culpability with respect to the misconduct;
4. The amount of money or the value of the property, services, or benefit falsely claimed;
5. The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;
6. The relationship of the amount imposed as civil penalties to the amount of the Government's loss;
7. The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;
8. Whether the defendant has engaged in a pattern of the same or similar misconduct;
9. Whether the defendant attempted to conceal the misconduct;
10. The degree to which the defendant has involved others in the misconduct or in concealing it;
11. Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant's practices fostered or attempted to preclude such misconduct;
12. Whether the defendant cooperated in or obstructed an investigation of the misconduct;
13. Whether the defendant assisted in identifying and prosecuting other wrongdoers;
14. The complexity of the program or transaction, and the degree of the defendant's sophistication with respect to it, including the extent of the defendant's prior participation in the program or in similar transactions;
15. Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly; and
16. The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case
may mitigate or aggravate the offense
for which penalties and assessments
are imposed.

§ 2554.41 Can a party request reconsideration of the initial decision?
(a) Any party may file a motion for reconsideration of the initial decision with the ALJ within 20 days of receipt of the initial decision. If the initial decision was served by mail, there is a rebuttable presumption that the initial decision was received by the party 5 days from the date of mailing.
(b) A motion for reconsideration must be accompanied by a supporting brief and must describe specifically each allegedly erroneous decision.
(c) Any response to a motion for reconsideration will only be allowed if it is requested by the ALJ.
(d) The ALJ will dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.
(e) If the ALJ issues a revised initial decision upon motion of a party, that party may not file another motion for reconsideration.

§ 2554.42 When does the initial decision of the ALJ become final?
(a) The initial decision of the ALJ becomes the final decision of the Corporation, and shall be binding on all parties 30 days after it is issued, unless any party timely files a motion for reconsideration or any defendant adjudged to have submitted a false claim or statement timely appeals to the Corporation’s authority head, as set forth in § 2554.43.
(b) If the ALJ disposes of a motion for reconsideration by denying it or by issuing a revised initial decision, the Corporation becomes the final decision of the Corporation 30 days after the order is issued, unless a defendant adjudged to have submitted a false claim or statement timely appeals to the authority head within 30 days of the ALJ’s order, as set forth in § 2554.43.

§ 2554.43 What are the procedures for appealing the ALJ decision?
(a) Any defendant who submits a timely answer and is found liable for a civil penalty or assessment in an initial decision may appeal the decision.
(b) The defendant may file a notice of appeal with the authority head within 30 days following issuance of the initial decision, serving a copy of the notice of appeal on all parties and the ALJ. The authority head may extend this deadline for up to an additional 30 days if an extension request is filed within the initial 30-day period and shows good cause.
(c) The defendant’s appeal will not be considered until all timely motions for reconsideration have been resolved.
(d) If a timely motion for reconsideration is denied, a notice of appeal may be filed within 30 days following such denial or issuance of a revised initial decision, whichever applies.
(e) A notice of appeal must be supported by a written brief specifying why the initial decision should be reversed or modified.
(f) The Corporation’s representative may file a brief in opposition to the notice of appeal within 30 days following the defendant’s notice of appeal and supporting brief.
(g) If a defendant timely files a notice of appeal, and the time for filing motions for reconsideration has expired, the ALJ will forward the record of the proceeding to the authority head.

§ 2554.44 What happens if an initial decision is appealed?
(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the authority head.
(b) No administrative stay is available following a final decision of the authority head.

§ 2554.45 Are there any limitations on the right to appeal to the authority head?
(a) A defendant has no right to appear personally, or through a representative, before the authority head.
(b) There is no right to appeal any interlocutory ruling.
(c) The authority head will not consider any objection or evidence that was not raised before the ALJ unless the defendant demonstrates that the failure to object was caused by extraordinary circumstances. If the appealing
§ 2554.46 How does the authority head dispose of an appeal?
(a) The authority head may affirm, reduce, reverse, compromise, remand, or set aside any penalty or assessment imposed by the ALJ in the initial decision or reconsideration decision.
(b) The authority head will promptly serve each party to the appeal and the ALJ with a copy of his or her decision. This decision must contain a statement describing the right of any person, against whom a penalty or assessment has been made, to seek judicial review.

§ 2554.47 What judicial review is available?
31 U.S.C. 3805 authorizes judicial review by the appropriate United States District Court of any final Corporation decision imposing penalties or assessments, and specifies the procedures for such review. To obtain judicial review, a defendant must file a petition with the appropriate court in a timely manner.

§ 2554.48 Can the administrative complaint be settled voluntarily?
(a) Parties may make offers of compromise or settlement at any time. Any compromise or settlement must be in writing.
(b) The reviewing official has the exclusive authority to compromise or settle the case from the date on which the reviewing official is permitted to issue a complaint until the ALJ issues an initial decision.
(c) The authority head has exclusive authority to compromise or settle the case from the date of the ALJ’s initial decision until initiation of any judicial review or any action to collect the penalties and assessments.
(d) The Attorney General has exclusive authority to compromise or settle the case while any judicial review or any action to recover penalties and assessments is pending.
(e) The investigating official may recommend settlement terms to the reviewing official, the authority head, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the authority head or the Attorney General, as appropriate.

§ 2554.49 How are civil penalties and assessments collected?
Section 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this Part and specify the procedures for such actions.

§ 2554.50 What happens to collections?
All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

§ 2554.51 What if the investigation indicates criminal misconduct?
(a) Any investigating official may:
(1) Refer allegations of criminal misconduct directly to the Department of Justice for prosecution or for suit under the False Claims Act or other civil proceeding;
(2) Defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution; or
(3) Issue subpoenas under other statutory authority.
(b) Nothing in this part limits the requirement that the Corporation employees report suspected violations of criminal law to the Corporation’s Office of Inspector General or to the Attorney General.

§ 2554.52 How does the Corporation protect the rights of defendants?
These procedures separate the functions of the investigating official, reviewing official, and the ALJ, each of whom report to a separate organizational authority in accordance with 31 U.S.C. 3801. Except for purposes of settlement, or as a witness or a representative in public proceedings, no investigating official, reviewing official, or Corporation employee or agent who
helps investigate, prepare, or present a case may (in such case, or a factually related case) participate in the initial decision or the review of the initial decision by the authority head. This separation of functions and organization is designed to assure the independence and impartiality of each government official during every stage of the proceeding. The representative for the Corporation may be employed in the offices of either the investigating official or the reviewing official.

(b) Affirmative action. In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. § 2555.115 Assurance required.

(a) General. Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with §2555.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) Duration of obligation. (2) The designated agency official will specify the extent to which such assurances will be required of the applicant’s or recipient’s grantees, subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 2555.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§2555.205 through 2555.235(a).

§ 2555.125 Effect of other requirements.

Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§2555.300 through 2555.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and these Title IX regulations to such recipient may be referred to the employee designated pursuant to §2555.135, or to the designated agency official.

(b) Exemption claims. An educational institution or other entity that wishes to claim the exemption set forth in paragraph (a) of this section shall do so by submitting in writing to the designated agency official a statement by the highest-ranking official of the institution, identifying the provisions of these Title IX regulations that conflict with a specific tenet of the religious organization.

(4) Describe in detail the steps necessary to eliminate as soon as practicable each obstacle so identified and indicate the schedule for taking these steps and the individual directly responsible for their implementation.

(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.

(c) Nondiscrimination. No policy or practice of a recipient to which § 2555.225 applies shall result in treatment of applicants to or students of such recipient in violation of §§ 2555.300 through 2555.310 unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) Effects of past exclusion. To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which § 2555.225 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs that emphasize the institution's commitment to enrolling students of the sex previously excluded.

§ 2555.235 Statutory amendments.

(a) This section, which applies to all provisions of these Title IX regulations, addresses statutory amendments to Title IX.

The pageant, however, must comply with other non-discrimination provisions of Federal law.
(c) Program or activity or program means:

Medical procedures, benefits, services, and the use of facilities, necessary to save the life of a pregnant woman or to address complications related to an abortion are not subject to this section.
(2) Nothing in this section shall be construed to permit a penalty to be imposed on any person or individual because such person or individual is seeking or has received any benefit or service related to a legal abortion. Accordingly, subject to paragraph (d)(1) of this section, no person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, employment, or other educational program or activity operated by a recipient that receives Federal financial assistance because such individual has sought or received, or is seeking, a legal abortion, or any benefit or service related to a legal abortion.

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) Prohibitions relating to marital or parental status. In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 2555.300 through 2555.310 apply:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant that treats persons differently on the basis of sex;

§ 2555.305 Preference in admission.

A recipient to which §§ 2555.300 through 2555.310 apply shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§ 2555.300 through 2555.310.

§ 2555.310 Recruitment.

(a) Nondiscriminatory recruitment. A recipient to which §§ 2555.300 through 2555.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to § 2555.110(a), and
may choose to undertake such efforts as affirmative action pursuant to §2555.110(b).

(b) Recruitment at certain institutions. A recipient to which §§2555.300 through 2555.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§2555.300 through 2555.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§2555.400 Education programs or activities.

Sections 2555.400 through 2555.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§2555.300 through 2555.310 do not apply, or an entity, not a recipient, to which §§2555.300 through 2555.310 would not apply if the entity were a recipient.

(b) Specific prohibitions. Except as provided in §§2555.400 through 2555.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(5) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) Assistance administered by a recipient educational institution to study at a foreign institution. A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; Provided, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) Aids, benefits or services not provided by recipient. (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(1) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that
these Title IX regulations would prohibit such recipient from taking; and
(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 2555.405 Housing.
(a) Generally. A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).
(b) Housing provided by recipient. (1) A recipient may provide separate housing on the basis of sex.
(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(c) Other housing. (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.
(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:
(A) Proportionate in quantity; and
(B) Comparable in quality and cost to the student.
(ii) A recipient may render such assistance to any agency, organization, or person that provides all or part of such housing to students of only one sex.

§ 2555.415 Access to course offerings.
(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.
(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.
(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.
§ 2555.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(a) Counseling. A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) Use of appraisal and counseling materials. A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) Disproportion in classes. Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 2555.430 Financial assistance.

(a) General. Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student’s sex.

(c) Athletic scholarships. (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

(1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student’s pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 2555.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient’s educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification.

(d) Adjustment period. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. § 2556.125 May CNCS deny or reduce VISTA assistance to an existing VISTA project?

(a) CNCS may deny or reduce VISTA assistance where a denial or reduction is based on:

(1) Legislative requirement;

(2) Availability of funding;

(3) Failure to comply with applicable term(s) or condition(s) of a contract, grant agreement, or an applicable Memorandum of Agreement;

(4) Ineffective management of CNCS resources;

(5) Substantial failure to comply with CNCS policy and overall objectives under a contract, grant agreement, or applicable Memorandum of Agreement; or

(6) General policy.

(b) In instances where the basis for denial or reduction of VISTA assistance may also be the basis for the suspension or termination of a VISTA project under this subpart, CNCS shall not be limited to the use of this section to the exclusion of the procedures for suspension or termination in this subpart.

§ 2556.130 What is the procedure for denial or reduction of VISTA assistance to an existing VISTA project?

(a) CNCS shall notify the sponsor in writing, at least 75 calendar days before the anticipated denial or reduction of VISTA assistance, that CNCS proposes to deny or reduce VISTA assistance. CNCS’s written notice shall state the reasons for the decision to deny or reduce assistance and shall provide an opportunity period for the sponsor to...
respond to the merits of the proposed decision. CNCS retains sole authority to make the final determination whether the VISTA assistance at issue shall be denied or reduced, as appropriate.

(b) Where CNCS’s notice of proposed decision is based upon a specific charge of the sponsor’s failure to comply with the applicable term(s) or condition(s) of a contract, grant agreement, or an applicable Memorandum of Agreement, the notice shall offer the sponsor an opportunity period to respond in writing to the notice, with any affidavits or other supporting documentation, and to request an informal hearing before a mutually agreed-upon impartial hearing officer. The authority of such a hearing officer shall be limited to conducting the hearing and offering recommendations to CNCS. Regardless of whether or not an informal hearing takes place, CNCS shall retain full authority to make the final determination whether the VISTA assistance is denied or reduced, as appropriate.

(c) If the recipient requests an informal hearing, in accordance with paragraph (b) of this section, such hearing shall be held at a date specified by CNCS and held at a location convenient to the sponsor.

(d) If CNCS’s proposed decision is based on ineffective management of resources, or on the substantial failure to comply with CNCS policy and overall objectives under a contract, grant agreement, or an applicable Memorandum of Agreement, CNCS shall inform the sponsor in the notice of proposed decision of the opportunity to show cause why the VISTA assistance should not be suspended, or should be reinstated, as appropriate; and shall provide an opportunity to adequately correct the deficiency, or deficiencies, which led to the initiation of suspension.

(e) The recipient shall be informed of CNCS’s final determination on whether the VISTA assistance at issue shall be denied or reduced, and the basis for the determination.

(f) The procedure in this section does not apply to a denial or reduction of VISTA assistance based on legislative requirements, availability of funding, or on general policy.

§2556.135 What is suspension and when may CNCS suspend a VISTA project?

(a) Suspension is any action by CNCS temporarily suspending or curtailing assistance, in whole or in part, to all or any part of a VISTA project, prior to the time that the project term is concluded. Suspension does not include the denial or reduction of new or additional VISTA assistance.

(b) In an emergency situation for up to 30 consecutive days, CNCS may suspend assistance to a sponsor, in whole or in part, for the sponsor’s material failure or threatened material failure to comply with an applicable term(s) or condition(s) of the DVSA, the regulations in this part, VISTA program policy, or an applicable Memorandum of Agreement. Such suspension in an emergency situation shall be pursuant to notice and opportunity to show cause why assistance should not be suspended.

(c) To initiate suspension proceedings, CNCS shall notify the sponsor in writing that CNCS is suspending assistance in whole or in part. The written notice shall contain the following:

(1) The grounds for the suspension and the effective date of the commencement of the suspension;
(2) The sponsor’s right to submit written material in response to the suspension to show why the VISTA assistance should not be suspended, or should be reinstated, as appropriate; and
(3) The opportunity to adequately correct the deficiency, or deficiencies, which led to CNCS’s notice of suspension.

(d) In deciding whether to continue or lift the suspension, as appropriate, CNCS shall consider any timely material presented in writing, any material presented during the course of any informal meeting, as well as any showing that the sponsor has adequately corrected the deficiency which led to the initiation of suspension.

(e) During the period of suspension of a sponsor, no new expenditures, if applicable, shall be made by the sponsor’s VISTA project at issue and no new obligations shall be incurred in connection with the VISTA project at issue.
§ 2556.140 Except as specifically authorized in writing by CNCS.

(f) CNCS may, in its discretion, modify the terms, conditions, and nature of the suspension or rescind the suspension action at any time on its own initiative or upon a showing that the sponsor has adequately corrected the deficiency or deficiencies which led to the suspension and that repetition is not foreseeable.

§ 2556.140 What is termination and when may CNCS terminate a VISTA project?

(a) Termination means any action by CNCS permanently terminating or curtailing assistance to all or any part of a sponsor’s VISTA project prior to the time that the project term is concluded.

(b) CNCS may terminate assistance to a sponsor in whole or in part for the sponsor’s material failure to comply with an applicable term(s) or condition(s) of the DVSA, the regulations in this part, VISTA program policy, or an applicable Memorandum of Agreement.

(c) To initiate termination proceedings, CNCS shall notify the sponsor in writing that CNCS is proposing to terminate assistance in whole or in part. The written notice shall contain the following:

1. A description of the VISTA assistance proposed for termination, the grounds that warrant such proposed termination, and the proposed date of effective termination;

2. Instructions regarding the sponsor’s opportunity, within 21 calendar days from the date of issuance of the notice, to respond in writing to the merits of the proposed termination and instructions regarding the sponsor’s right to request a full and fair hearing before a mutually agreed-upon impartial hearing officer; and

3. Invitation of voluntary action by the sponsor to adequately correct the deficiency or deficiencies which led to CNCS’s notice of proposed termination.

(d) In deciding whether to effect termination of VISTA assistance, CNCS shall consider any relevant, timely material presented in writing; any relevant material presented during the course of any full and fair hearing; as well as, any showing that the sponsor has adequately corrected the deficiency which led to the initiation of termination proceedings.

(e) Regardless of whether or not a full and fair hearing takes place, CNCS shall retain all authority to make the final determination as to whether the termination of VISTA assistance is appropriate.

(f) The sponsor shall be informed of CNCS’s final determination on the proposed termination of VISTA assistance, and the basis or bases for the determination.

(g) CNCS may, in its discretion, modify the terms, conditions, and nature of a termination action or rescind a termination action at any time on its own initiative or upon a showing that the sponsor has adequately corrected the deficiency which led to the termination, or the initiation of termination proceedings, and that repetition is not threatened.

§ 2556.145 May CNCS pursue other remedies against a VISTA project for a sponsor’s material failure to comply with any other requirement not set forth in this subpart?

The procedures established by this subpart shall not preclude CNCS from pursuing any other remedies authorized by law.

§ 2556.160 What are the sponsor’s requirements for cost share projects?

(a) A sponsor shall enter into a written agreement for cost share as prescribed by CNCS.

(b) A sponsor shall make timely cost share payments as prescribed by CNCS and applicable federal law and regulations.

If a VISTA sponsor or subrecipient conducts such inherently religious activities, the activities must be offered separately, in time or location, from the programs or services assisted under this Part by the VISTA program.

(a) For the legal defense of a VISTA member who has been charged with a criminal offense related to the VISTA member’s service, up to and including arraignment in Federal, state, and local criminal proceedings, CNCS may pay actual and reasonable legal expenses. CNCS is not required to pay any expenses for the legal defense of a VISTA member where he or she is charged with a criminal offense arising from alleged activity or action that is unrelated to that VISTA’s service.

(b) A VISTA member’s service is clearly unrelated to a charged offense:

(1) When the activity or action is alleged to have occurred prior to the VISTA member’s VISTA service.

(2) When the VISTA member is not at his or her assigned project location, such as during periods of approved leave, medical leave, emergency leave, or in administrative hold status in the VISTA program.

(3) When the activity or action is alleged to have occurred at or near his or her assigned project, but is clearly not part of, or required by, the VISTA member’s service assignment.

(c) For the legal defense, beyond arraignment in Federal, state, and local criminal proceedings, of a VISTA member who is charged with a criminal offense, CNCS may also pay actual and reasonable legal expenses:

(1) When the charged offense against the VISTA member relates exclusively to his or her VISTA assignment or status as a VISTA member;

(3) When the VISTA member has not admitted a willful or knowing violation of law;

(4) When the charged offense against the VISTA member is not a minor offense or misdemeanor, such as a minor vehicle violation.

(d) Notwithstanding paragraphs (a) through (c) of this section, there may be situations in which the criminal proceedings at issue arise from a matter that also gives rise to a civil claim under the Federal Tort Claims Act. In such a situation, the U.S. Department of Justice may, on behalf of the United States, agree to defend the VISTA. If the U.S. Department of Justice agrees to defend the VISTA member, unless there is a conflict between the VISTA member’s interest and that of the United States, CNCS will not pay for expenses associated with any additional legal representation (such as counsel fees for private counsel) for the VISTA member.
§ 2556.335 When may a VISTA be provided coverage for legal defense expenses related to civil or administrative proceedings?

For the legal defense in Federal, state, and local civil judicial and administrative proceedings of a VISTA member, CNCS may also pay actual and reasonable legal expenses, where:
(a) The complaint or charge is against the VISTA, and is directly related to his or her VISTA service and not to his or her personal activities or obligations;

(c) In addition to the retention of the one year of non-competitive eligibility status as provided in paragraph (b) of this section, an individual’s non-competitive eligibility status may extend for two more years to a total of three years if the individual is:
(1) In the military service;
(2) Studying at a recognized institution of higher learning; or

§ 2556.345 Who may present a grievance?

(a) Under the VISTA program grievance procedure, a grievance may be presented by any individual who is currently enrolled as a VISTA in the VISTA program or who was enrolled as a VISTA in the VISTA program within the past 30 calendar days.

(b) A VISTA’s grievance shall not be construed as reflecting on the VISTA’s standing, performance, or desirability as a VISTA.

(c) A VISTA who presents a grievance shall not be subjected to restraint, interference, coercion, discrimination, or reprisal because of presentation of views.

§ 2556.350 What matters are considered grievances?

(a) Under the VISTA program grievance procedure, grievances are matters of concern, brought by a VISTA, that arise out of, and directly affect, the VISTA’s service situation or that arise out of a violation of a policy, practice, or regulation governing the terms or conditions of the VISTA’s service, such that the violation results in the denial or infringement of a right or benefit to the VISTA member.

(b) Matters not within the definition of a grievance as defined in paragraph (a) of this section are not grievable, and therefore, are excluded from the VISTA program grievance procedure. Though not exhaustive, examples of matters excluded from the VISTA program grievance procedure are:
(1) Those matters related to a sponsor’s or project’s continuance or discontinuance; the number of VISTAs assigned to a VISTA project; the increases or decreases in the level of support provided to a VISTA project; the suspension or termination of a VISTA project; or the selection or retention of VISTA project staff.
(2) Those matters for which a separate administrative procedure or complaint process is provided, such as early termination for cause, claims of discrimination during service, and federal worker’s compensation claims filed for illness or injury sustained in the course of carrying out VISTA activities.
(3) Those matters related to any law, published rule, regulation, policy, or procedure.
(4) Those matters related to housing during a VISTA member’s service.
§ 2556.360 How may a VISTA bring a grievance?

(a) Bringing a grievance—Step 1. (1) While currently enrolled in the VISTA program, or enrolled in the VISTA program within the past 30 calendar days, a VISTA may bring a grievance to the sponsor or subrecipient where he or she is assigned to serve within 15 calendar days that the event giving rise to the grievance occurs, or within 15 calendar days after becoming aware of the event. If the grievance arises out of a continuing condition or practice that individually affects a VISTA, while enrolled the VISTA may bring it at any time while he or she is affected by a continuing condition or practice.

(2) A VISTA brings a grievance by presenting it in writing to the executive director, or comparable individual, of the sponsoring organization where the VISTA is assigned, or to the sponsor’s representative who is designated to receive grievances from a VISTA.

(3) The sponsor shall review and respond in writing to the VISTA’s grievance, within 10 calendar days of receipt of the written grievance. The sponsor may not fail to respond to a complaint raised by a VISTA on the basis that it is not an actual grievance, or that it is excluded from coverage as a grievance, but may, in the written response, dismiss the complaint and refuse to grant the relief requested on either of those grounds.

(4) If the grievance brought by a VISTA involves a matter over which the sponsor has no substantial control or if the sponsor’s representative is the supervisor of the VISTA, the VISTA may pass over the procedure set forth in paragraphs (a)(1) through (3) of this section, and present the grievance in writing directly to the State Program Director, as described in paragraph (b) of this section.

(b) Bringing a grievance—Step 2. (1) If, after a VISTA brings a grievance as set forth in paragraphs (a)(1) and (2) of this section, the matter is not resolved, he or she may submit the grievance in writing to the appropriate State Program Director. The VISTA must submit the grievance to the State Program Director either:

(i) Within seven calendar days of receipt of the response of the sponsor; or,

(ii) In the event the sponsor has not issued a response to the VISTA within 10 calendar days of receipt of the written grievance, within 17 calendar days.

(2) If the grievance involves a matter over which either the sponsor or subrecipient has no substantial control or if the sponsor’s representative is the supervisor of the VISTA, as described in paragraph (a)(4) of this section, the VISTA may pass over the procedure set forth in paragraphs (a)(1) through (3) of this section, and submit the grievance in writing directly to the State Program Director. In such a case, the VISTA must submit the grievance to the State Program Director within 15 calendar days of the event giving rise to the grievance occurs, or within 15 calendar days after becoming aware of the event.
§ 2556.365 May a VISTA appeal a grievance?

(a) The VISTA may appeal in writing to the appropriate Area Manager the response of the State Program Director to the grievance, as set forth in §2556.360(b)(3). To be eligible to appeal a grievance response to the Area Manager, the VISTA must have exhausted all appropriate actions as set forth in §2556.360.

(b) A VISTA’s grievance appeal must be in writing and contain sufficient detail to identify the subject matter of the grievance, specify the relief requested, and be signed by the VISTA.

(c) The VISTA must submit a grievance appeal to the appropriate Area Manager no later than 10 calendar days after the State Program Director issues his or her response to the grievance.

(d) Certain matters contained in a grievance appeal may be rejected, rather than denied on the merits, by the Area Manager. A grievance appeal may be rejected, in whole or in part, for any of the following reasons:

(1) The grievance appeal was not submitted to the appropriate Area Manager within the time limit specified in paragraph (c) of this section;

(2) The grievance appeal consists of matters not contained within the definition of a grievance, as specified in section §2556.350(a);

(3) The grievance appeal consists of matters excluded from the VISTA program grievance procedure, as specified in §2556.350(b); or

(4) The grievance appeal contains matters that are moot, or for which relief has otherwise been granted.

(e) Within 14 calendar days of receipt of the grievance, the appropriate Area Manager shall decide the grievance appeal on the merits, or reject the grievance appeal in whole or in part, or both, as appropriate. The Area Manager shall notify the VISTA in writing of the decision and specify the grounds for the appeal decision. The appeal decision shall include a statement of the basis for the decision and is a final decision of CNCS.
