U.S. GOVERNMENT OFFICIAL EDITION NOTICE

Legal Status and Use of Seals and Logos

The seal of the National Archives and Records Administration (NARA) authenticates the Code of Federal Regulations (CFR) as the official codification of Federal regulations established under the Federal Register Act. Under the provisions of 44 U.S.C. 1507, the contents of the CFR, a special edition of the Federal Register, shall be judicially noticed. The CFR is prima facie evidence of the original documents published in the Federal Register (44 U.S.C. 1510).

It is prohibited to use NARA’s official seal and the stylized Code of Federal Regulations logo on any republication of this material without the express, written permission of the Archivist of the United States or the Archivist’s designee. Any person using NARA’s official seals and logos in a manner inconsistent with the provisions of 36 CFR part 1200 is subject to the penalties specified in 18 U.S.C. 506, 701, and 1017.

Use of ISBN Prefix

This is the Official U.S. Government edition of this publication and is herein identified to certify its authenticity. Use of the 0–16 ISBN prefix is for U.S. Government Publishing Office Official Editions only. The Superintendent of Documents of the U.S. Government Publishing Office requests that any reprinted edition clearly be labeled as a copy of the authentic work with a new ISBN.

Cite this Code: CFR

To cite the regulations in this volume use title, part and section number. Thus, 48 CFR 1501.000 refers to title 48, part 1501, section 000.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16: as of January 1
- Title 17 through Title 27: as of April 1
- Title 28 through Title 41: as of July 1
- Title 42 through Title 50: as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, October 1, 2016), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

INQUIRIES

For a legal interpretation or explanation of any regulation in this volume, contact the issuing agency. The issuing agency’s name appears at the top of odd-numbered pages.

For inquiries concerning CFR reference assistance, call 202–741–6000 or write to the Director, Office of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001 or e-mail fedreg.info@nara.gov.

SALES

The Government Publishing Office (GPO) processes all sales and distribution of the CFR. For payment by credit card, call toll-free, 866-512-1800, or DC area, 202-512-1800, M-F 8 a.m. to 4 p.m. e.s.t. or fax your order to 202-512-2104, 24 hours a day. Title 48—Federal Acquisition Regulations System is composed of seven volumes. The chapters in these volumes are arranged as follows: Chapter 1 (parts 1 to 51), chapter 1 (parts 52 to 99), chapter 2 (parts 201 to 299), chapters 3 to 6, chapters 7 to 14, chapters 15 to 28 and chapter 29 to end. The contents of these volumes represent all current regulations codified under this title of the CFR as of October 1, 2016.

The Federal acquisition regulations in chapter 1 are those government-wide acquisition regulations jointly issued by the General Services Administration, the Department of Defense, and the National Aeronautics and Space Administration. Chapters 2 through 99 are acquisition regulations issued by individual government agencies. Parts 1 to 69 in each of chapters 2 through 99 are reserved for agency regulations implementing the Federal acquisition regulations in chapter 1 and are numerically keyed to them. Parts 70 to 99 in chapters 2 through 99 contain agency regulations supplementing the Federal acquisition regulations.

The OMB control numbers for the Federal Acquisition Regulations System appear in section 1.106 of chapter 1. For the convenience of the user section 1.106 is reprinted in the Finding Aids section of the second volume containing chapter 1 (parts 52 to 99).

For this volume, Robert J. Sheehan, III was Chief Editor. The Code of Federal Regulations publication program is under the direction of John Hyrum Martinez, assisted by Stephen J. Frattini.

1501.603–1 General.

AUTHORITY: 5 U.S.C. 301; Sec. 205(c), 63 Stat. 390, as amended, 40 U.S.C. 486(c); and 41 U.S.C. 418b.

SOURCE: 49 FR 8835, Mar. 8, 1984, unless otherwise noted.

1501.000 Scope of part.

The Federal Acquisition Regulation System brings together, in title 48 of the Code of Federal Regulations, the acquisition regulations applicable to all executive agencies of the Government. This part establishes a system of Environmental Protection Agency (EPA) acquisition regulations, referred to as the EPAAR, for the codification and publication of policies and procedures of EPA which implement and supplement the Federal Acquisition Regulation (FAR).

Subpart 1501.1—Purpose, Authority, Issuance

1501.101 Purpose.

This subpart establishes Chapter 15, the Environmental Protection Agency Acquisition Regulation (EPAAR), within Title 48, the Federal Acquisition Regulations System.

[60 FR 38505, July 27, 1995]

1501.104 Applicability.

The FAR (48 CFR chapter 1) and the EPAAR (48 CFR chapter 15) apply to all EPA acquisitions as defined in part 2 of the FAR, except where expressly excluded.

[62 FR 33572, June 20, 1997]

1501.105 Issuance.

Subpart 1501.4—Deviations

1501.105–1 Publication and code arrangement.

The EPAAR will be published in: (a) The FEDERAL REGISTER, (b) cumulated form in the Code of Federal Regulations (CFR), and (c) a separate loose-leaf form in a distinctive light blue color.

1501.105–2 Arrangement of regulations.

(a) References and citations. This regulation may be referred to as the Environmental Protection Agency Acquisition Regulation or the EPAAR. References to EPAAR materials shall be made in a manner similar to that prescribed by FAR 1.105–2(c).

1501.105–3 Copies.

Copies of the EPAAR in FEDERAL REGISTER and CFR form may be purchased from the Superintendent of Documents, Government Printing Office (GPO), Washington, DC 20402. Copies of loose-leaf EPAAR are distributed within EPA and may be obtained from
the EPA Facilities and Support Services Division.

Subpart 1501.3—Agency Acquisition Regulations

1501.301 Policy.

The EPAAR is prescribed by the Director, Office of Acquisition Management.

[49 FR 8835, Mar. 8, 1984, as amended at 59 FR 18976, Apr. 21, 1994]

1501.370 OMB approvals under the Paperwork Reduction Act.

The information collection activities contained in the EPAAR sections listed below have been approved by the Office of Management and Budget (OMB) and have been issued OMB numbers in accordance with section 3504(h) of the Paperwork Reduction Act of 1980, 44 U.S.C. 3501, et seq.

Subpart 1501.4—Deviations

1501.401 Definition.

A deviation to the EPAAR is defined in the same manner as a deviation to the FAR (see FAR 1.401).

[49 FR 8835, Mar. 9, 1984; 49 FR 24734, June 15, 1984]

1501.403 Individual deviations.

Requests for individual deviations from the FAR and the EPAAR shall be submitted to the Head of the Contracting Activity (HCA) for approval. Requests submitted shall cite the specific part of the FAR or EPAAR from which it is desired to deviate, shall set forth the nature of the deviation(s), and shall give the reasons for the action requested.

[65 FR 37291, June 14, 2000]

1501.404 Class deviations.

Requests for class deviations to the FAR and the EPAAR shall be submitted to the HCA for processing in accordance with FAR 1.404 and this section. Requests shall include the same type of information prescribed in 1501.403 for individual deviations.

[67 FR 5072, Feb. 4, 2002]

Subpart 1501.6—Contracting Authority and Responsibilities

1501.602–3 Ratification of unauthorized commitments.

(a) Applicability. The provisions of this section apply to all unauthorized commitments, whether oral or written and without regard to dollar value. Examples of unauthorized commitments are:

(1) Ordering supplies or services by an individual without contracting authority;
(2) Unauthorized direction of work through assignment of orders or tasks;
(3) Unauthorized addition of new work;
(4) Unauthorized direction of contractors to subcontract with particular firms; or
(5) Any other unauthorized direction which changed the terms and conditions of the contract.

(b)(1) Ratification Approval. The Senior Procurement Executive (SPE) as defined in 1502.100 is the ratifying official for all ratification actions $25,000 and above.

(2) The Chief of the Contracting Office (CCO) as defined in 1502.100 is delegated authority to be the ratifying official for all ratification actions below $25,000.
(3) The CCOs defined in 1502.100 for purposes of ratification authority only must meet the following criteria:
   (i) Must possess a contracting officer’s warrant and be in the 1102 job series;
   (ii) Are prohibited from re-delegating their ratification authority;
   (iii) Are prohibited from approving a ratification if he/she acted as a contracting officer in preparing the determination and findings required under paragraph (c)(3) of this section; and
   (iv) Must abide by the other limitations on ratification of unauthorized commitments set forth in FAR 1.602-3(c) and the EPAAR.

(c) Procedures. (1) The program office shall notify the cognizant contracting office by memorandum of the circumstances surrounding an unauthorized commitment. The notification shall include:
   (i) All relevant documents and records;
   (ii) Documentation of the necessity for the work and benefit derived by the Government;
   (iii) A statement of the delivery status of the supplies or services associated with the unauthorized commitment;
   (iv) A list of the procurement sources solicited (if any) and the rationale for the source selected;
   (v) If only one source was solicited, a justification for other than full and open competition (JOPOC) as required by FAR 6.302, FAR 6.303, and 1506.303, or for simplified acquisition procedures exceeding the competition threshold in FAR 13.106, a sole source justification as required by 1513.170;
   (vi) A statement of steps taken or proposed to prevent reoccurrence of any unauthorized commitment.

(2) The Division Director (or equivalent) of the responsible office shall approve the memorandum. If expenditure of funds is involved, the program office shall include a Procurement Request/Order, EPA Form 1900-8, with funding sufficient to cover the action. The appropriation data cited on the 1900-8 shall be valid for the period in which the unauthorized commitment was made.

(3) Upon receiving the notification, the Contracting Officer shall prepare a determination and findings regarding ratification of the unauthorized commitment for the ratifying official. The determination and findings shall include sufficient detail to support the recommended action. If ratification of the unauthorized commitment is recommended, the determination and findings shall include a determination that the price is fair and reasonable. To document the determination, additional information may be required from the Contractor. Concurrence by the Office of General Counsel is not mandatory, but shall be sought in difficult or unusual cases.

(4) The ratifying official may inform the Inspector General (IG) of the action by memorandum through the Head of the Contracting Activity (HCA). For ratification actions exceeding the small purchase limitation, the ratifying official shall submit a memorandum to the Assistant Administrator for Administration and Resources Management through the HCA for transmission to the Assistant, Associate, or Regional Administrator (or equivalent level) of the person responsible for the unauthorized commitment. This memorandum should contain a brief description of the circumstances surrounding the unauthorized commitment, recommend corrective action, and include a copy of any memorandum sent to the IG. Submission of a memorandum to the appropriate Assistant, Associate, or Regional Administrator for unauthorized commitments at or below the small purchase limitation is optional and may be accomplished at the discretion of the ratifying official.

(d) Paid Advertisements. (1) EPA is generally not authorized to ratify improperly ordered paid advertisements. The ratifying official, however, may determine payment is proper subject to the limitations in FAR 1.602-3(c) if the individual responsible for the unauthorized commitment acted in good faith to comply with Agency acquisition policies and procedures.

(2) The paying office shall forward invoice claims received in its office for improper paid advertisements to the cognizant ratifying official for a determination regarding ratification of the action.
1501.603

(3) If the ratifying official determines that an unauthorized commitment cannot be ratified by the Agency, the ratifying official shall instruct the submitter to present its claim to the General Accounting Office in accordance with the instructions contained in 4 CFR part 31, Claims Against the United States, General Procedures.

(e) Payment of Properly Ratified Claims. After the unauthorized commitment is ratified, the Contractor must submit an invoice (or resubmit an invoice if one was previously submitted) citing the appropriate contract or purchase order number.

1501.603 Selection, appointment, and termination of appointment.

1501.603–1 General.

EPA Contracting Officers shall be selected and appointed and their appointments terminated in accordance with the Contracting Officer warrant program specified in chapter 8 of the EPA “Contracts Management Manual.”

PART 1502—DEFINITION OF WORDS AND TERMS

Subpart 1502.1—Definitions

Sec. 1502.100 Definitions.

Authority: 5 U.S.C. 301; Sec. 205(c), 63 Stat. 390, as amended, 40 U.S.C. 486(c); and 41 U.S.C. 418b.

Subpart 1502.1—Definitions

1502.100 Definitions.

Chief of the Contracting Office (CCO) means the Office of Acquisition Management Division Directors at Headquarters, Research Triangle Park and Cincinnati. For purposes of ratification authority only, CCO also includes Regional Acquisition Managers. (See 1501.602–3(h)(3) for the criteria for this ratification authority).

48 CFR Ch. 15 (10–1–16 Edition)

Head of the Contracting Activity (HCA) means the Director, Office of Acquisition Management.

Senior Procurement Executive (SPE) means the Director, Office of Acquisition Management.

1503.000 Scope of part.

This part implements FAR part 3, cites EPA regulations on employee responsibilities and conduct, establishes responsibility for reporting violations and related actions, and provides for authorization of exceptions to policy.
Subpart 1503.1—Safeguards

1503.101–370 Financial conflicts of interest and loss of impartiality.

(a) Each EPA employee (including special government employees as defined by 18 U.S.C. 202 and 1503.600–71(b)) engaged in source evaluation and selection is required to abide by and be familiar with the conflict of interest statutes codified in Title 18 of the United States Code, as well as the Standards of Ethical Conduct for Employees of the Executive Branch, 5 CFR part 2635.

(b) Pursuant to the financial conflict of interest statute, 18 U.S.C. 208 and 5 CFR part 2635, subparts D and E, each employee must abide by ethics requirements regarding financial conflict of interest and impartiality in performing official duties. The employee shall inform his or her Deputy Ethics Official and the Source Selection Authority (SSA) in writing if his/her participation in the source evaluation and selection process may raise possible or apparent conflict of interest or impartiality concerns. The employee must cease work on the source evaluation and selection process until the appropriate ethics official makes a determination. Please note that only the Office of General Counsel can direct employees to divest of financial interests or to recommend any waivers of the financial conflict of interest standards.

1503.104–4 Disclosure, protection, and marking of contractor bid or proposal information and source selection information.

(a)(1) The Chief of the Contracting Office (CCO) is the designated official to make the decision whether support contractors are used in proposal evaluation (as authorized at FAR 15.305(c) and restricted at FAR 37.209(d)).

(2) The following written certification and agreement shall be obtained from non-Government evaluator prior to the release of any proposal to that evaluator:

```
Certification on the Use and Disclosure of Proposals
```

RFP #: Offeror:

1. I hereby certify that to the best of my knowledge and belief, no conflict of interest exists that may diminish my capacity to perform an impartial, technically sound, objective review of this proposal(s) or otherwise result in a biased opinion or unfair competitive advantage.

2. I agree to use any proposal information only for evaluation purposes. I agree not to copy any information from the proposal(s), to use my best effort to safeguard such information physically, and not to disclose the contents of nor release any information relating to the proposal(s) to anyone outside of the evaluation team assembled for this acquisition or individuals designated by the Contracting Officer.

3. I agree to return to the Government all copies of proposals, as well as any abstracts, upon completion of the evaluation.

Name and Organization:
Date of Execution:

(End of certificate)

(b) Information contained in proposals will be protected and disclosed to the extent permitted by law, and in accordance with FAR 3.104–4, 15.207, and Agency procedures at 40 CFR part 2.

Subpart 1503.6—Contracts With Government Employees or Organizations Owned or Controlled by Them

1503.600–70 Scope of subpart.

This subpart implements and supplements FAR subpart 3.6 and sets forth EPA policy and procedures for identifying and dealing with conflicts of interest and improper influence or favoritism in connection with contracts involving current or former EPA employees. This subpart does not apply to agreements with other departments or agencies of the Federal Government, nor to contracts awarded to State or local units of Government.

1503.600–71 Definitions.

(a) Employee means an EPA officer and an individual who is appointed in the civil service and engaged in the performance of a Federal function under authority of law or an Executive act. See 5 U.S.C. 2105.

(b) Special government employee means an officer or employee of EPA who is
1503.601 Policy.

(a) No contract may be awarded without competition to a former employee or special government employee (or to a business concern or other organization owned or substantially owned or controlled by a former employee) whose employment terminated within 365 calendar days before submission of a proposal to EPA.

(b) No contract shall be awarded without competition to a firm which employs, or proposes to employ, a current employee or special government employee, or a former EPA employee or special government employee, whose employment terminated within 365 calendar days before submission of a proposal to EPA, if either of the following conditions exists:

(1) The current or former EPA employee or special government employee is or was involved in development or negotiating the proposal for the prospective contractor; or

(2) The current or former EPA employee or special government employee will be involved directly or indirectly in the management, administration, or performance of the contract.

1503.602 Exceptions.

The Assistant Administrator for the Office of Administration and Resources Management may authorize an exception, in writing, to the policy in FAR 3.601 and 1503.601 for the reasons stated in FAR 3.602, if the exception would not involve a violation of 18 U.S.C. 203, 18 U.S.C. 205, 18 U.S.C. 207, 18 U.S.C. 208, the Standards of Ethical Conduct for Employees of the Executive Branch at 5 CFR part 2635, or the EPA supplemental regulations at 5 CFR part 6401.

The Assistant Administrator shall consult with the Designated Agency Ethics Official before authorizing any exceptions.

1503.670 Disclosure provision.

The Contracting Officer shall insert the provision at 1552.203–70, Current/Former Agency Employee Involvement Certification, in all solicitations for sole-source acquisitions.

Subpart 1503.9—Whistleblower Protections for Contractor Employees

1503.905 Procedures for investigating complaints.

The Assistant Administrator for the Office of Administration and Resources Management is designated as the recipient of the written report of findings by the Inspector General. The Assistant Administrator shall ensure that the report of findings is disseminated in accordance with FAR 3.905(c).

Subpart 1503.10—Contractor Code of Business Ethics and Conduct

1503.1002 Policy.

Government contractors must conduct themselves with the highest degree of integrity and honesty. Contractors should have standards of conduct and internal control systems that:

(a) Are suitable to the size of the company and the extent of their involvement in Government contracting;

(b) Promote such standards;

(c) Facilitate timely discovery and disclosure of improper conduct in connection with Government contracts; and

(d) Ensure corrective measures are promptly instituted and carried out.

1503.1003 Requirements.

(a) A contractor’s system of management controls should provide for:

(1) A written code of business ethics and conduct and an ethics training program for all employees;

(2) Periodic reviews of company business practices, procedures, policies and internal controls for compliance with standards of conduct and the special requirements of Government contracting;

(3) A mechanism, such as a hotline, by which employees may report suspected instances of improper conduct,
and instructions that encourage employees to make such reports;
(4) Internal and/or external audits, as appropriate;
(5) Disciplinary action for improper conduct;
(6) Timely reporting to appropriate Government officials of any suspected or possible violation of law in connection with Government contracts or any other irregularities in connection with such contracts; and
(7) Full cooperation with any Government agencies responsible for either investigation or corrective actions.

(b) Contractors who are awarded an EPA contract of $1 million or more must display EPA Office of Inspector General Hotline Posters unless the contractor has established an internal reporting mechanism and program as described in paragraph (a) of this section.

1503.1004 Contract clause.
As required by EPAAR 1503.1003(b), the contracting officer shall insert the clause at 1552.203–71, Display of EPA Office of Inspector General Hotline Poster, in all contracts valued at $1,000,000 or more, including all contract options.

Subpart 1505.5—Paid Advertisement [Reserved]

SOURCE: 49 FR 8838, Mar. 8, 1984, unless otherwise noted.

1505.000 Scope of part.

This part provides instructions on publicizing contract opportunities and response time, instructions on information to include in the synopses of proposed contracts, policy references relative to release of information, and procedures for obtaining information on previous Government contracts.

[50 FR 14357, Apr. 11, 1985]

Subpart 1505.2—Synopses of Proposed Contract Actions

1505.202 Exceptions.

The Contracting Officer need not submit the notice required by FAR 5.201 when the Contracting Officer determines in writing that the contract is for the services of experts for use in preparing or prosecuting a civil or criminal action under the Superfund Amendments and Reauthorization Act of 1986.

[60 FR 38505, July 27, 1995]

1505.203 Publicizing and response time.

(a) The Contracting Officer may, at his/her discretion under certain circumstances, elect to transmit a synopsis to the Government Point of Entry (GPE) of a proposed contract action that falls within an exception to the synopsis requirement in FAR 5.202(a). For those contract actions, the Contracting Officer may provide for a lesser time period than the 15 days required by FAR 5.203(a) and the 30 days required by FAR 5.203(c) or (d), and the 45 days required by FAR 5.203(e). The Contracting Officer must identify the basis for the lesser time periods for response in the synopsis.

(b) The authority for paragraph (a) does not extend to the synopsis of contract actions falling within the exception in FAR 5.202(a)(7), if to do so would disclose the originality of thought or innovativeness of the proposed research.

[50 FR 14357, Apr. 11, 1985, as amended at 62 FR 33572, June 20, 1997; 81 FR 31528, May 19, 2016]

AUTHORITY: Sec. 205(c), 63 Stat. 390, as amended, 40 U.S.C. 486(c).

SOURCE: 50 FR 14357, Apr. 11, 1985, unless otherwise noted.

1506.000 Scope of part.

This part implements FAR part 6. It prescribes the Environmental Protection Agency policies and procedures in...
obtaining full and open competition in the acquisition process.

Subpart 1506.2—Full and Open Competition After Exclusion of Sources [Reserved]

Subpart 1506.3—Other Than Full and Open Competition

1506.302–5 Authorized or required by statute.

(a) Authority. Section 109(e) of the Superfund Amendments and Reauthorization Act of 1986 (SARA) is cited as authority.

(b) Application. (1) The contracting officer may use other than full and open competition to acquire the services of experts for use in preparing or prosecuting a civil or criminal action under SARA whether or not the expert is expected to testify at trial. The contracting officer need not prepare the written justification under FAR 6.303 when acquiring expert services under the authority of section 109(e) of SARA. The contracting officer shall document the official contract file when using this authority.

(2) The contracting officer shall give notice to the Agency’s Competition Advocate whenever a contract award is made using other than full and open competition under this authority. The notice shall contain a copy of the contract and the summary of negotiations.

[53 FR 31872, Aug. 22, 1988]

1506.303–2 Content.

The documentation requirements in this section apply only to acquisitions processed using other than small purchase procedures. (Refer to 1513.170 for documentation for small purchase acquisitions).

(a) The initiating office shall prepare a written justification for other than full and open competition (JFOC) that documents the facts and circumstances substantiating the infeasibility of full and open competition for each recommended limited sources or sole source acquisition when required by FAR 6.302.

(b) The recommendation shall be entitled “Justification for Other Than Full and Open Competition” and shall be signed at the programmatic Division Director or comparable office level prior to submission with the procurement request. The JFOC shall contain the information prescribed in FAR 6.303–2 (a) and (b).

(c) If unusual and compelling urgency (see FAR 6.303–2) is a basis for the JFOC, then the following applies. Explain the circumstances that led to the need for an urgent contractual action. Explain why the requirement could not have been processed in sufficient time to permit full and open competition. It should be noted that the existence of legislation, court order, or Presidential mandate is not, of itself, a sufficient basis for a JFOC. However, the circumstances necessitating legislation, court order, or Presidential mandate may justify contractual action on an other than full and open competition basis.

(d) If the proposed acquisition has been synopsized in accordance with the applicable requirements in FAR subpart 5.2, the Contracting Officer must incorporate the evaluation of responses to the synopsis in the JFOC. (See 1506.371(d) for contents of the evaluation document).

Subpart 1509.4—Debarment, Suspension and Ineligibility

SOURCE: 65 FR 37291, June 14, 2000, unless otherwise noted.

1509.403 Definitions.

The “Debarring Official” and the “Suspending Official” as defined in FAR 9.403 is a designated individual located in the Office of Grants and Debarment. This Agency official is authorized to make the determinations and provide the notifications required under FAR subpart 9.4 or this subpart, except for the determinations required by FAR 9.405-1(a) which are to be made by the Head of the Contracting Activity. All compelling reason determinations to be made by the Debarring or Suspending Official under FAR subpart 9.4 or this subpart will be made only after coordination and consultation with the Head of the Contracting Activity. See also 2 CFR part 1532.

[65 FR 37291, June 14, 2000, as amended at 72 FR 2427, Jan. 19, 2007]

1509.406 Debarment.

1509.406-3 Procedures.

(a) Investigation and referral—(1) Contracting officer responsibility. (i) When contracting personnel discover information which indicates that a cause for debarment may exist, they shall promptly report such information to the cognizant Chief of the Contracting Office (CCO). Purchasing agents in simplified acquisition activities which do not come under the direct cognizance of a CCO shall report such information by memorandum, through their immediate supervisor, and addressed to the cognizant CCO responsible for their office’s contract acquisitions.

(ii) Contracting officers shall review “The List of Parties Excluded from Federal Procurement and Nonprocurement Programs” to ensure that the Agency does not solicit offers from, award contracts to, or consent to subcontracts with listed contractors.

(2) Chief of the Contracting Office responsibility. When the Chief of the Contracting Office determines that sufficient information is available to indicate that a cause for debarment may exist, such information shall be promptly reported by memorandum to the HCA. The memorandum provides the Chief of the Contracting Office’s assessment of the information, any investigative report or audit, and any additional information he/she has discovered.

(3) HCA responsibility. Upon receipt of a report of a suspected debarment situation, the HCA shall take the following actions:

(i) Notify the Director, Suspension and Debarment Division, that investigation of a potential debarment has been initiated.

(ii) Review the reported information.

(iii) Investigate as necessary to verify or develop additional information.

(iv) Refer the matter through the Suspension and Debarment Division to
the Debarring Official for consideration of debarment; request that the Suspension and Debarment Division evaluate the information and, if appropriate, refer the matter to the Debarring Official for consideration of debarment; or recommend to the Suspension and Debarment Division that the matter be closed without further action because the facts do not warrant debarment.

(v) Obtain legal counsel’s opinion on referrals or recommendations made to the Debarring Official.

(vi) Notify EPA Contracting Officers of those Contractors who are ineligible for solicitation, award, or subcontracting but who do not appear on the GSA Consolidated List; e.g., those who are ineligible based on a settlement reached by the Debarring Official under which the Contractor has agreed to voluntarily exclude itself from participation in Government contracting/subcontracting for a specified period or because of a Notice of Proposal to Debar.

(4) Any official. When information is discovered which may indicate potential criminal or civil fraud activity, such information must be referred promptly to the EPA Office of Inspector General.

(5) Debarring Official’s responsibility. The Debarring Official shall:

(i) Review referrals from the HCA together with the HCA’s recommendations, if any, and determine whether further consideration by the Debarring Official is warranted and take such actions as are required by FAR subpart 9.4;

(ii) Obtain the HCA’s recommendation prior to reaching a voluntary exclusion settlement with a Contractor in lieu of debarment;

(iii) Promptly notify the HCA of Contractors with whom a settlement in lieu of debarment has been reached under which the Contractor voluntarily excludes itself from or restricts its participation in Government contracting/subcontracting for a specified period; and of Contractors who have received a Notice of Proposal to Debar.

(b) [Reserved]
the provisions of their contracts relating to the treatment of confidential business information.

1509.505–70 Information sources.

(a) Disclosure. Prospective EPA Contractors responding to solicitations or submitting unsolicited proposals shall provide information to the Contracting Officer for use in identifying, evaluating, or resolving potential organizational conflicts of interest. The submittal may be a certification or a disclosure, pursuant to paragraph (a)(1) or (2) of this section.

(1) If the prospective contractor is not aware of any information bearing on the existence of any organizational conflict of interest, it may so certify.

(2) Prospective contractors not certifying in accordance with paragraph (a)(1) of this section must provide a disclosure statement which describes concisely all relevant facts concerning any past, present, or planned interests relating to the work to be performed and bearing on whether they, including their chief executives, directors, or any proposed consultant or subcontractor, may have a potential organizational conflict of interest.

(b) Failure to disclose information. Any prospective contractor failing to provide full disclosure, certification, or other required information will not be eligible for award. Nondisclosure or misrepresentation of any relevant information may also result in disqualification from award, termination of the contract for default, or debarment from Government contracts, as well as other legal action or prosecution. In response to solicitations, EPA will consider any inadvertent failure to provide disclosure certification as a “minor formality” (as explained in FAR 14.405); however, the prospective contractor must correct the omission promptly.

(c) Exception. Where the Contractor has previously submitted a conflict of interest certification or disclosure for a contract, only an update of such statement is required when the contract is modified.

work. Contracts for other than Superfund work shall include Alternate I in this clause in lieu of paragraph (d).

(c) The Contracting Officer shall include the clause at 1552.209–74 or its alternates in the following solicitations and contracts for Superfund work in excess of the simplified acquisition threshold and, as appropriate, in simplified acquisitions procedures for Superfund work. The Contracting Officer shall include the clause at 1552.209–74 in all Response Action Contract (RAC) solicitations and contracts, except Site Specific solicitations and contracts. The term “RAC” in the Limitation of Future Contracting clauses includes not only RAC solicitations and contracts but other long term response action solicitations and contracts that provide professional architect/engineer, technical, and management services to EPA to support remedial response, enforcement oversight and non-time critical removal activities under the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended by the Superfund Amendments Reauthorization Act of 1986; and the Robert T. Stafford Natural Disaster Act pursuant to the Federal Response Plan and other laws to help address and/or mitigate endangerment to the public health, welfare or environment during emergencies and natural disasters, and to support States and communities in preparing for the responses to releases of hazardous substances.

(1) Alternate I shall be used in all Emergency and Rapid Response Services (ERRS) solicitations and contracts, except site specific solicitations and contracts. The term “ERRS” in the Limitation of Future Contracting clauses includes not only ERRS solicitations and contracts but other emergency response type solicitations and contracts that provide fast responsive environmental cleanup services for hazardous substances/wastes/contaminants/material and petroleum products/oil. Environmental cleanup response to natural disasters and terrorist activities may also be required. ERRS pilot scale studies are included in the term “treatability studies.”

(2) Alternate II shall be used in all Superfund Technical Assistance and Removal Team (START) solicitations and contracts. The term “START” in the Limitation of Future Contracting clauses include not only START solicitations and contracts but other site removal and technical support solicitations and contracts that include activities related to technical analyses in determining the nature and extent of contamination at a site and making recommendations regarding response technologies.

(3) Alternate III shall be used in all Environmental Services Assistance Team (ESAT) solicitations and contracts.

(4) Alternate IV shall be used in all Enforcement Support Services (ESS) solicitations and contracts. The term “ESS” in the Limitation of Future Contracting clauses not only includes ESS solicitation and contracts but other enforcement support type solicitations and contracts that involve removal actions, mandatory notices to Potentially Responsible Parties (PRPs), penalty assessments, public comment periods, negotiations with PRPs, and statutes of limitations for pursuing cost recovery. The enforcement support services required under the contract may be conducted to support EPA enforcement actions under any environmental statute.

(5) Alternate V shall be used in all Superfund Headquarters Support solicitations and contracts. The Contracting Officer is authorized to modify paragraph (c) of Alternate V to reflect any unique limitations applicable to the program requirements.

(6) Alternate VI shall be used in all Site Specific solicitations and contracts.

(d) The Contracting Officer shall insert the clause at 1552.209–75 in Superfund solicitations and contracts in excess of the simplified acquisition threshold, where the solicitation or contract does not include (EPAAR) 48 CFR 1552.211–74, Work Assignments, Alternate I, or a similar clause requiring conflict of interest certifications during contract performance. This clause requires an annual conflict of interest certification from contractors when the contract does not require the submission of other conflict of interest certifications.
certifications during contract performance. Contracts requiring annual certifications include: Site Specific contracts, the Contract Laboratory Program (CLP), and the Sample Management Office (SMO) contracts. The annual certification requires a contractor to certify that all organizational conflicts of interest have been reported, and that its personnel performing work under EPA contracts or relating to EPA contracts have been informed of their obligation to report personal and organizational conflicts of interest to the Contractor. The annual certification shall cover the one-year period from the date of contract award for the initial certification, and a one-year period starting from the previous certification for subsequent certifications. The certification must be received by the Contracting Officer no later than 45 days after the close of the certification period covered.

AUTHORITY: Sec. 205(c), 63 Stat. 390, as amended, 40 U.S.C. 486(c).

SOURCE: 61 FR 57337, Nov. 6, 1996, unless otherwise noted.

1511.000 Scope of part.

This part implements FAR part 11 and provides policy and procedures for describing Agency needs.

1511.011–70 Reports of work.

Contracting officers shall insert one of the contract clauses at 1552.211–70 when the contract requires the delivery of reports, including plans, evaluations, studies, analyses and manuals. The basic clause should be used when reports are specified in a contract attachment. Alternate I is used to specify reports in the contract schedule.

[78 FR 46290, July 31, 2013]

1511.011–71 [Reserved]

1511.011–72 Monthly progress report.

Contracting Officers shall insert a contract clause substantially the same as the clause at 1552.211–72 when monthly progress reports are required.

1511.011–73 Level of effort.

The Contracting Officer shall insert the clause at 1552.211–73, Level of Effort—Cost Reimbursement Contract, in cost-reimbursement contracts including cost contracts without fee, cost-sharing contracts, cost-plus-fixed-fee (CPFF) contracts, cost-plus-incentive-fee contracts (CPIF), and cost-plus-award-fee contracts (CPAF).

[81 FR 31866, May 20, 2016]

1511.011–74 Work assignments.

(a) Policy. When issuing work assignments, the independent government cost estimate shall not be released to the contractor. In most cases the Contracting Officer (CO) should authorize the contractor to expend only the estimated labor hours necessary to develop the work plan and to initiate preliminary tasks which must be performed before work plan approval can be made. However, in cases where the uncertainties involved in the effort are of such a magnitude that there is no reasonable expectation that the contractor can estimate the level of effort required by the tasks, objectives, or outcomes of the requirement, the CO may provide a ceiling level of effort for the entire work assignment at the time of its issuance. In such cases, the specific uncertainties precluding reasonable estimation of the required level of effort
on the contractor’s part must be documented in the contract file.

(b) Contract Clause. The CO shall insert the contract clause at 1552.211.74, Work Assignments, in cost-reimbursement contracts when work assignments are used.

(1) For Superfund contracts, except for contracts which require annual conflict of interest certificates (e.g., Site-Specific contracts, the Contract Laboratory Program (CLP), Sample Management Office (SMO) contracts), the CO shall use the clause with either Alternate I or Alternate II. Alternate I shall be used for contractors who have at least three (3) years of records that may be searched for certification purposes. Alternate II shall be used for contractors who do not have at least three (3) years of records that may be searched.

(2) For non-Superfund contracts, the CO shall use the clause with either Alternate III or Alternate IV. Alternate III shall be used for contractors who have at least three (3) years of records that may be searched for certification purposes. Alternate IV shall be used for contractors who do not have at least three (3) years of records that may be searched.

Subpart 1513.4—Imprest Fund [Reserved]

Subpart 1513.5—Purchase Orders
1513.505 Purchase order and related forms.
1513.507 Clauses.

AUTHORITY: Sec. 205(c), 63 Stat. 390, as amended, 40 U.S.C. 486(c).
SOURCE: 61 FR 57338, Nov. 6, 1996, unless otherwise noted.

1513.000 Scope of part.
This part prescribes EPA policies and procedures for the acquisition of supplies, nonpersonal services, and construction from commercial sources, the aggregate amount of which does not exceed the simplified acquisition threshold.

Subpart 1513.1—General
1513.170 Competition exceptions and justification for sole source simplified acquisition procedures.
1513.170–1 Contents of sole source justifications.

The program office submitting the procurement request must submit, as a separate attachment, a brief written statement in support of sole source acquisitions exceeding the micro-purchase threshold. The statement must cite one or more of the circumstances in FAR 6.302 and the necessary facts to support each circumstance. Although program offices may not cite the authority in FAR 6.302–7, the public interest may be used as a basis to support a sole source acquisition. If the acquisition has been synopsized as a notice of proposed sole source acquisition, the statement must include the results of the evaluation of responses to the synopsis.

Subpart 1513.4—Imprest Fund [Reserved]

Subpart 1513.5—Purchase Orders
1513.505 Purchase order and related forms.

Contracting Officers may use the EPA Form 1900–8, Procurement Request/Order, in lieu of Optional Forms 347 and 348 for individual purchases prepared in accordance with the instructions printed on the reverse thereof (see 1553.213–70).

1513.507 Clauses.
(a) It is the general policy of the Environmental Protection Agency that Contractor or vendor prescribed leases or maintenance agreements for equipment shall not be executed.
(b) The Contracting Officer shall, where appropriate, insert the clause at 1552.213–70, Notice to Suppliers of Equipment, in orders for purchases or leases of automatic data processing equipment, word processing, and similar types of commercially available equipment for which vendors, as a matter of routine commercial practice, have developed their own leases and/or customer service maintenance agreements.

PART 1514—SEALED BIDDING

Subpart 1514.2—Solicitation of Bids
Sec. 1514.201 Preparation of invitations for bids.
1514.201–6 Solicitation provisions.
1514.201–7 Contract clauses.
1514.205 Solicitation mailing lists.

Subpart 1514.4—Opening of Bids and Award of Contract
1514.404 Rejection of bids.
Subpart 1514.2—Solicitation of Bids

1514.201 Preparation of invitations for bids.

1514.201–6 Solicitation provisions.

The Contracting Officer shall insert the solicitation provision at 1552.214–71, Contract Award-Other Factors-Sealed Bidding, in invitations for bids when it is appropriate to describe other factors that will be used in evaluating bids for award.

1514.201–7 Contract clauses.

The CCO is authorized to waive the inclusion of the clauses at FAR 52.214–27 and 52.214–28, in accordance with FAR 14.201–7.

[55 FR 24579, June 18, 1990, as amended at 58 FR 18976, Apr. 21, 1994]

1514.205 Solicitation mailing lists.

When a solicitation and all amendments are posted on the Internet with a synopsis providing information as to how to access the solicitation and all amendments, the CO will need to maintain a mailing list of only those individuals requesting paper copies from the contract service center/branch. When possible, the CO should also build an electronic “mailing list” of companies downloading the solicitation from the Internet.

1515.404–4 Profit.

This section implements FAR 15.404–4 and prescribes the EPA structured approach for establishing profit or fee prenegotiation objectives.

1515.404–470 Policy.

(a) The Agency’s policy is to utilize profit to attract contractors who possess talents and skills necessary to the accomplishment of the objectives of the Agency, and to stimulate efficient contract performance. In negotiating profit/fee, it is necessary that all relevant factors be considered, and that fair and reasonable amounts be negotiated which give the contractor a profit objective commensurate with the nature of the work to be performed, the contractor’s input to the total performance, and the risks assumed by the contractor.

(b) The purpose of EPA’s structured approach is:

1. To provide a standard method of evaluation;
2. To ensure consideration of all relevant factors;
3. To provide a basis for documentation and explanation of the profit or fee negotiation objective; and
4. To allow contractors to earn profits commensurate with the assumption of risk.

(c) The profit-analysis factors prescribed in the EPA structured approach for analyzing profit or fee include those prescribed by FAR 15.404(d)(1), and additional factors authorized by FAR 15.404(d)(2) to foster achievement of program objectives. These profit or fee factors are prescribed in 1515.404–471.

1515.404–471 EPA structured approach for developing profit or fee objectives.

(a) General. To properly reflect differences among contracts, and to select an appropriate relative profit/fee in consideration of these differences, weightings have been developed for application by the contracting officer to standard measurement bases representative of the prescribed profit factors cited in FAR 15.404(d) and EPAAR 1515.404–471(b)(1). Each profit factor or subfactor, or its components, has been assigned weights relative to their value to the contract’s overall effort, and the range of weights to be applied to each profit factor.

(b)(1) Profit/fee factors. The factors set forth in this paragraph, and the weighted ranges listed after each factor, shall be used in all instances where the profit/fee is negotiated.

(2) The contracting officer shall first measure the “Contractor’s Input to Total Performance” by the assignment of a profit percentage within the designated weight ranges to each element of contract cost. Such costs are multiplied by the specific percentages to arrive at a specific dollar profit or fee.

(3) The amount calculated for facilities capital cost of money (FCCM) shall not be included as part of the cost base for computation of profit or fee. The profit or fee objective shall be reduced by an amount equal to the amount of facilities capital cost of money allowed. A complete discussion of the determination of facilities capital cost of money and its application and administration is set forth in FAR 31.205–10, and the appendix to the FAR (see 48 CFR 9904.414).

(4) After computing a total dollar profit or fee for the Contractor’s Input to Total Performance, the contracting officer shall calculate the specific profit dollars assigned for cost risk and performance. This is accomplished by multiplying the total Government cost objective, exclusive of any FCCM, by the specific weight assigned to cost risk and performance. The contracting officer shall then determine the profit...
or fee objective by adding the total profit dollars for the Contractor’s Input to Total Performance to the specific dollar profits assigned to cost risk and performance. The contracting officer shall use EPA Form 1900–2 in hardcopy or electronic copy equivalent to facilitate the calculation of the profit or fee objective.

(5) The weight factors discussed in this section are designed for arriving at profit or fee objectives for other than nonprofit and not-for-profit organizations. Nonprofit and not-for-profit organizations are addressed as follows:

(i) Nonprofit and not-for-profit organizations are defined as those business entities organized and operated:

(A) Exclusively for charitable, scientific, or educational purposes;

(B) Where no part of the net earnings inure to the benefit of any private shareholder or individual;

(C) Where no substantial part of the activities is for propaganda or otherwise attempting to influence legislation or participating in any political campaign on behalf of any candidate for public office; and

(D) Which are exempt from Federal income taxation under Section 51 of the Internal Revenue Code. (26 U.S.C.)

(ii) For contracts with nonprofit and not-for-profit organizations where fees are involved, special factor of –3 percent shall be assigned in all cases.

(c) Assignment of values to specific factors—(1) General. In making a judgment on the value of each factor, the contracting officer should be governed by the definition, description, and purpose of the factors, together with considerations for evaluation set forth in this paragraph.

(2) Contractor’s input to total performance. This factor is a measure of how much the contractor is expected to contribute to the overall effort necessary to meet the contract performance requirements in an efficient manner. This factor, which is separate from the contractor’s responsibility for contract performance, takes into account what resources are necessary, and the creativity and ingenuity needed for the contractor to perform the statement of work successfully. This is a recognition that within a given performance output, or within a given sales dollar figure, necessary efforts on the part of individual contractors can vary widely in both value, quantity, and quality, and that the profit or fee objective should reflect the extent and nature of the contractor’s contribution to total performance. Greater profit opportunity should be provided under contracts requiring a high degree of professional and managerial skill and to prospective contractors whose skills, facilities, and technical assets can be expected to lead to efficient and economical contract performance. The evaluation of this factor requires an analysis of the cost content of the proposed contract as follows:

(i) Direct material (purchased parts and other material). (A) Analysis of these cost items shall include an evaluation of the managerial and technical effort necessary to obtain the required material. This evaluation shall include consideration of the number of orders and suppliers, and whether established sources are available or new sources must be developed. The contracting officer shall also determine whether the contractor will, for example, obtain the materials by routine orders or readily available supplies (particularly those of substantial value in relation to the total contract costs), or by detailed subcontracts for which the prime contractor will be required to develop complex specifications involving creative design.

(B) Consideration should be given to the managerial and technical efforts necessary for the prime contractor to administer subcontracts, and to select subcontractors, including efforts to break out subcontracts from sole sources, through the introduction of competition.

(C) Recognized costs proposed as direct material costs such as scrap charges shall be treated as material for profit evaluation.

(D) If intracompany transfers are accepted at price, in accordance with FAR 31.205–26(e), they should be excluded from the profit or fee computation. Other intracompany transfers shall be evaluated by individual components of cost, i.e., material, labor, and overhead.

(ii) Professional/technical and general labor. Analysis of labor should include
evaluation of the comparative quality and level of the talents and experience to be employed. In evaluating labor for the purpose of assigning profit dollars, consideration should be given to the amount of notable scientific talent or unusual or scarce talent needed, in contrast to journeyman effort or supporting personnel. The diversity, or lack thereof, of scientific and engineering specialties required for contract performance, and the corresponding need for supervision and coordination, should also be evaluated.

(iii) Overhead and general and administrative expenses. (A) Where practicable, analysis of these overhead items of cost should include the evaluation of the individual elements of these expenses, and how much they contribute to contract performance. This analysis should include a determination of the amount of labor within these overhead pools, and how this labor would be treated if it were considered as direct labor under the contract. The allocable labor elements should be given the same profit consideration as if they were direct labor. The other elements of indirect cost pools should be evaluated to determine whether they are routine expenses such as utilities, depreciation, and maintenance, and therefore given less profit consideration.

(B) The contractor’s accounting system need not break down its overhead expenses within the classification of professional/technical overhead, general overhead and general and administrative expenses.

(iv) Subcontractors. (A) Subcontract costs should be analyzed from the standpoint of the talents and skills of the subcontractors. The analysis should consider if the prime contractor normally should be expected to have people with comparable expertise employed as full-time staff, or if the contract requires skills not normally available in an employer-employee relationship. Where the prime contractor is using subcontractors to perform labor which would normally be expected to be done in-house, the rating factor should generally be at or near 1 percent. Where exceptional expertise is retained, or the prime contractor is participating in the mentor-protégé program, the assigned weight should be nearer to the high end of the range.

(v) Other direct costs. The analysis of these costs should be similar to the analysis of direct material.

(3) Contractor’s assumption of contract cost risk. (i) The risk of contract costs should be shifted to the fullest extent practicable to contractors, and the Government should assign a rating that reflects the degree of risk assumption. Evaluation of this risk requires a determination of the degree of cost responsibility the contractor assumes, the reliability of the cost estimates in relation to the task assumed, and the chance of the contractor’s success or failure. This factor is specifically limited to the risk of contract costs. Thus, such risks of losing potential profits in other fields are not within the scope of this factor.

(ii) The first determination of the degree of cost responsibility assumed by the contractor is related to the sharing of total risk of contract cost by the Government and the contractor, depending on selection of contract type. The extremes are a cost-plus-fixed-fee contract requiring only that the contractor use its best efforts to perform a task, and a firm-fixed-price contract for a complex item. A cost-plus-fixed-fee contract would reflect a minimum assumption of cost responsibility by the contractor, whereas a firm-fixed-price contract would reflect a complete assumption of cost responsibility by the contractor. Therefore, in the first step of determining the value given for the contractor’s assumption of contract cost risk, a lower rating would be assigned to a proposed cost-plus-fixed-fee best efforts contract, and a higher rating would be assigned to a firm-fixed-price contract.

(iii) The second determination is that of the reliability of the cost estimates. Sound price negotiation requires well-defined contract objectives and reliable cost estimates. An excessive cost estimate reduces the possibility that the cost of performance will exceed the contract price, thereby reducing the contractor’s assumption of contract cost risk.

(iv) The third determination is that of the difficulty of the contractor's
task. The contractor’s task may be difficult or easy, regardless of the type of contract.

(v) Contractors are likely to assume greater cost risks only if the contracting officer objectively analyzes the risk incident to the proposed contract, and is willing to compensate contractors for it. Generally, a cost-plus-fixed-fee contract would not justify a reward for risk in excess of 1 percent, nor would a firm-fixed-price contract normally justify a reward of less than 4 percent. Where proper contract type selection has been made, the reward for risk by contract type would usually fall into the following percentage ranges:

<table>
<thead>
<tr>
<th>Type of contract</th>
<th>Percentage ranges</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cost-plus-fixed-fee</td>
<td>0 to 1.</td>
</tr>
<tr>
<td>Prospective price determination</td>
<td>4 to 5.</td>
</tr>
<tr>
<td>Firm-fixed-price</td>
<td>4 to 6.</td>
</tr>
</tbody>
</table>

(A) These ranges may not be appropriate for all acquisitions. The contracting officer might determine that a basis exists for high confidence in the reasonableness of the estimate, and that little opportunity exists for cost reduction without extraordinary efforts. The contractor’s willingness to accept ceilings on their burden rates should be considered as a risk factor for cost-plus-fixed-fee contracts.

(B) In making a contract cost risk evaluation in an acquisition that involves definitization of a letter contract, consideration should be given to the effect on total contract cost risk as a result of partial performance under a letter contract. Under some circumstances, the total amount of cost risk may have been effectively reduced by the existence of a letter contract. Under other circumstances, it may be apparent that the contractor’s cost risk remained substantially as great as though a letter contract had not been used. Where a contractor has begun work under an anticipatory cost letter, the risk assumed is greater than normal. To be equitable, the determination of a profit weight for application to the total of all recognized costs, both those incurred and those yet to be expended, must be made with consideration to all relevant circumstances, not just to the portion of costs incurred or percentage of work completed prior to definitization.

1515.404–472 Other methods.

(a) Contracting officers may use methods other than those prescribed in 1515.404–470 for establishing profit or fee objectives under the following types of contracts and circumstances:

(1) Architect-engineering contracts;
(2) Personal service contracts;
(3) Management contracts, e.g., for maintenance or operation of Government facilities;
(4) Termination settlements;
(5) Services under labor-hour and time and material contracts which provide for payment on an hourly, daily, or monthly basis, and where the contractor’s contribution constitutes the furnishing of personnel.

(6) Construction contracts; and

(7) Cost-plus-award-fee contracts.

(b) Generally, it is expected that such methods will:

(1) Provide the contracting officer with a technique that will ensure consideration of the relative value of the appropriate profit factors described under “Profit Factors,” in FAR 15.404–4(d) and

(2) Serve as a basis for documentation of the profit or fee objective.

1515.404–473 Limitations.

(a) In addition to the limitations established by statute (see FAR 15.404–4(b)(4)(i)), no administrative ceilings on profits or fees shall be established, except those identified in EPAAR (48 CFR) 1516.404–273(b).

(b) The contracting officer shall not consider any known subcontractor profit/fee as part of the basis for determining the contractor profit/fee.

1515.404–474 Waivers.

Under unusual circumstances, the SCM may specifically waive the requirement for the use of the guidelines. Such exceptions shall be justified in writing, and authorized only in situations where the guidelines method is unsuitable.

1515.404–475 Cost realism.

The EPA structured approach is not required when the contracting officer is evaluating cost realism in a competitive acquisition.

1515.408 Solicitation provisions and contract clauses.

(a) In addition to those provisions and clauses prescribed in FAR 15.408, when an exception to FAR 15.403–1 does not apply and no other means available can be used to ascertain whether a fair and reasonable price can be determined, the contracting officer may insert in negotiated solicitations the provisions at—

(1) 1552.215–72 when requesting information other than cost or pricing data, for cost-reimbursable, level-of-effort contracts. Use Alternate I for cost-reimbursable, level-of-effort contracts when the Government’s requirement is for fully dedicated staff for a twelve month period(s) of performance and performance is on a Government facility; Alternate II for acquisitions for cost-reimbursable, level-of-effort contracts when the Government’s requirement is for fully dedicated staff for a twelve month period(s) of performance and performance is not on a Government facility; Alternate III if the Government’s requirement is for the acquisition of supplies or equipment. The contracting officer may make revisions, deletions, or additions to 1552.215–72 and its Alternates I-III as needed to fit an individual acquisition, and

(2) 1552.215–73, General Financial and Organizational Information.

(b) If uncompensated overtime is proposed, the resultant contract shall include the provisions at FAR 52.237–10 and include the provision at 1552.215–74. The contracting officer may use provisions substantially the same as 1552.215–74 without requesting a deviation to the EPAAR.

Subpart 1515.6—Unsolicited Proposals

1515.604 Agency points of contact.

The Director, Grants Administration Division (3903R), EPA, 1200 Pennsylvania Ave., NW., Washington, DC 20460, is the Agency contact point established to coordinate the receipt and handling of unsolicited proposals.

1515.606–70 Contracting methods.

The Department of Housing and Urban Development-Independent Agencies Appropriation Act contains a requirement that none of the funds provided in the Act may be used for payment through grants or contracts to recipients that do not share in the cost of conducting research resulting from proposals that are not specifically solicited by the Government. Accordingly, contracts for research which result from unsolicited proposals shall provide for the contractor to bear a portion of the cost of performance for work subject to the Act. The extent of the cost sharing shall reflect the mutuality of interest of the contractor and the Government. Therefore, where there is no measurable gain to the performing organization, cost sharing is not required.

Cost-sharing contracts may be required as a result of Congressional mandate.

(61 FR 14504, Apr. 2, 1996)

1516.303–72 Policy.

(a) The Agency shall use cost-sharing contracts where the principal purpose is ultimate commercialization and utilization of technologies by the private sector. There should also be a reasonable expectation of future economic benefits for the contractor and the Government beyond the Government’s contract.

(b) Cost-sharing may be accomplished by a contribution to either direct or indirect costs, provided such costs are reasonable, allocable and allowable in accordance with the cost principles of the contract. Allowable costs which are absorbed by the contractor as its share of contract costs may not be charged directly or indirectly to the Agency or the Federal Government.

(c) Unsolicited proposals will be considered on a case-by-case basis by the Contracting Officer as to the appropriateness of cost-sharing.

(61 FR 14504, Apr. 2, 1996)

1516.303–73 Types of cost-sharing.

(a) Cost-sharing may be accomplished in various forms or combinations. These include, but are not limited to: cash outlays, real property or interest therein, personal property or services, cost matching, or other in-kind contributions.

(b) In-kind contributions represent non-cash contributions provided by the performing contractor which would normally be a charge against the contract. While in-kind contributions are an acceptable method of cost-sharing, should the booked costs of property appear unrealistic, the fair market value of the property shall be determined pursuant to 1516.303–74 of this chapter.

(c) In-kind contributions may be in the form of personal property (equipment or supplies) or services which are directly beneficial, specifically identifiable and necessary for the performance of the contract. In-kind contributions must meet all of the following criteria before acceptance.
1516.303–74 Determining the value of in-kind contributions.

In-kind contributions accepted from a contractor will be addressed on a case-by-case basis provided the established values do not exceed fair market values.

(a) Where the Agency receives title to donated land, building, equipment or supplies and the property is not fully consumed during performance of the contract, the Contracting Officer should establish the property’s value based on the contractor’s booked costs (i.e., acquisition cost less depreciation, if any) at the time of donation. If the booked costs reflect unrealistic values when compared to current market conditions, the Contracting Officer may establish another appropriate value if supported by an independent appraisal of the fair market value of the donated property or property in similar condition and circumstances.

(b) The Contracting Officer will monitor reports of in-kind costs as they are incurred or recognized during the contract period of performance to determine that the value of in-kind services does not exceed fair market values.

(c) The value of any services or the use of personal or real property donated by a contractor should be established when necessary in accordance with generally accepted accounting policies and Federal cost principles.

1516.303–75 Amount of cost-sharing.

(a) Contractors should contribute a reasonable amount of the total project cost covered under the contract. The ratio of cost participation should correlate to the apparent advantages available to performers and the proximity of implementing commercialization, i.e., the higher the potential for future profits, the higher the contractor’s share should be.

(b) Fee will not be paid to the contractor or any member of the contractor team (subcontractors and consultants) which has a substantial and direct interest in the contract, or is in a position to gain long term benefits from the contract. A vulnerability the Contracting Officer should consider in reviewing a prime contractor’s request for consent to subcontract is whether subcontractors under prime cost-sharing contracts have a significant direct interest in the contract to gain long-term benefits from the contract.

(c) The Contracting Officer, with the input of technical experts, may consider the following factors in determining reasonable levels of cost sharing:

(1) The availability of the technology to competitors;
(2) Improvements in the contractor’s market share position;
(3) The time and risk necessary to achieve success;
(4) If the results of the project involve patent rights which could be sold or licensed;
(5) If the contractor has non-Federal sources of funds to include as cost participation; and
(6) If the contractor has the production and other capabilities to capitalize the results of the project.

(d) A contractor’s cost participation can be provided by other subcontractors with which it has contractual arrangements to perform the contract as long as the contractor’s cost-sharing goal is met.

1516.303–76 Fee on cost-sharing contracts by subcontractors.

(a) Subcontractors under prime cost-sharing contracts who do not have a significant direct interest in the contract or who are not in a position to gain long-term benefits from the contract may earn a fee.

(b) Contracting Officers should be alert to a potential vulnerability for
the Government under cost-sharing contracts when evaluating proposed subcontractors or consenting to a subcontract during contract administration, where the subcontractor is a wholly-owned subsidiary of the prime. The vulnerability consists of the subsidiary earning a large amount of fee, which could be returned to the prime through stock dividends or other intercompany transactions. This could circumvent the objective of a cost-sharing contract.

[61 FR 14505, Apr. 2, 1996]

1516.303–77 Administrative requirements.

(a) The initial Procurement Request shall reflect the total estimated cost of the cost-sharing contract. The face page of the contract award shall indicate the total estimated cost of the contract, the Contractor’s share of the cost, and the Government’s share of the cost.

(b) The manner of cost-sharing and how it is to be accomplished shall be set forth in the contract. Additionally, contracts which provide for cost-sharing shall require the contractor to maintain records adequate to reflect the nature and extent of their cost-sharing as well as those costs charged the Agency. Such records may be subject to an Agency audit.

[61 FR 14505, Apr. 2, 1996]

1516.307 Contract clauses.

(a) The Contracting Officer shall insert the clause in 1552.216–71, Date of Incurrence of Cost, in cost-reimbursement contracts when an anticipatory cost letter has been issued on the project.

(b) The Contracting Officer shall insert the clause at 1552.216–74, Payment of Fee, in solicitations and contracts where a cost-reimbursement term form contract is contemplated, unless the Contracting Officer determines that such a provision would be detrimental to ensuring proper contract performance.

(c) The Contracting Officer shall insert a clause substantially the same as 48 CFR 1552.216–70, Estimated Cost and Cost-Sharing, in solicitations and contracts where the total incurred costs are shared by the contractor on a straight percentage basis. The Contracting Officer may develop other clauses, as appropriate, following the same approach, but reflecting different cost-sharing arrangements negotiated on specific contract actions.

1516.370 Solicitation provision.

The solicitation document shall state whether any cost-sharing is required, and may set forth a target level of cost-sharing. Although technical considerations are normally most important, the degree of cost-sharing may be considered in a selection decision when cost becomes a determinative factor in a selection decision.

[61 FR 14505, Apr. 2, 1996]

Subpart 1516.4—Incentive Contracts

1516.401–70 Award term incentives.

(a) Award term incentives enable a contractor to become eligible for additional periods of performance under a current contract by achieving prescribed performance measures under that contract.

(b) Award term incentives are designed to motivate contractors to superior performance. Accordingly, the prescribed performance measures, i.e., acceptable quality levels (AQL) which must be achieved by a contractor to become eligible for an award term typically will be in excess of the AQLs necessary for Government acceptance of contract deliverables.

(c) The Award Term Incentive Plan sets forth the evaluation process, including the evaluation criteria and performance measures, and serves as the basis for award term decisions. The Award Term Incentive Plan may be unilaterally revised by the Government.

(d) Award term incentives may be used in conjunction with options. The Federal Acquisition Regulation does not prescribe a level of performance for the exercise of options, as contrasted
with award term incentives, which should require superior performance as discussed in paragraph (b) of this subsection. Award term incentive periods will follow any option periods.

(e)(1) The Government has the unilateral right not to grant or to cancel award term incentive periods and the associated award term incentive plans if—

(i) The Contracting Officer has failed to initiate an award term incentive period, regardless of whether the contractor’s performance permitted the Contracting Officer to consider initiating the award term incentive period; or

(ii) The contractor has failed to achieve the performance measures for the corresponding evaluation period; or

(iii) The Government notifies the contractor in writing it does not have funds available for the award term; or

(iv) The Government no longer has a need for the award term incentive period at or before the time an award term incentive period is to commence.

(2) When an award term incentive period is not granted or cancelled, any—

(i) Prior award term incentive periods for which the contractor remains otherwise eligible are unaffected.

(ii) Subsequent award term incentive periods are thereby also cancelled.

(f) Award term incentives may be appropriate for any type of service contract.

[73 FR 1980, Jan. 11, 2008]

1516.405–270 Definition.

Acceptable quality level (AQL) as used in this subpart means the minimum percent of deliverables which are compliant with a given performance standard that would permit a contractor to become eligible for an award term incentive. Because the performance necessary for eligibility for the award term incentive may be in excess of that necessary for the Government acceptance of contract deliverables, the AQLs associated with the award term incentive may exceed the AQLs associated with the acceptance of contract deliverables. For example, under contract X, acceptable performance is 75 percent of reports submitted to the Government within five days. However, to be eligible for an award term incentive, 85 percent of reports must be submitted to the Government within five days.

1516.405–2 Cost-plus-award-fee contracts.

1516.405–270 Definitions.

(a) Performance Evaluation Board (PEB). Group of Government officials responsible for assessing the quality of contract performance and recommending the appropriate fee.

(b) Fee Determination Official. Individual responsible for reviewing the recommendations of the PEB and making the final determination of the amount of award fee to be awarded to the contractor.

1516.405–271 Limitations.

(a) No award fee may be earned if the Fee Determination Official determines that contractor performance has been satisfactory or less than satisfactory. A contractor may earn award fee only for performance rated above satisfactory or excellent. All award fee plans shall disclose to offerors the numerical rating necessary to be deemed “above satisfactory” or “excellent” for award fee purposes.

(b) The base fee shall not exceed three percent of the estimated cost of the contract, exclusive of the fee.

(c) Unearned award fee may not be carried forward from one performance period into a subsequent performance period unless approved by the FDO.

(d) The payment of award fee on a provisional basis is not authorized.

1516.405–272 Waiver.

The Chief of the Contracting Office may waive the limitations in paragraphs (a), (b), and (d) of 1516.405–273 on a case-by-case basis when unusual or compelling circumstances exist. The waiver shall be supported by a justification and coordinated with the Acquisition Policy and Training Service
Environmental Protection Agency

1516.406 Contract clauses.

(a) The Contracting Officer shall insert the clause at 1552.216–79, Award fee (MAY 2000), in solicitations and contracts where a cost-plus-award-fee contract is contemplated.

(b) The Contracting Officer shall insert the clause at 1552.216–75, Base Fee and Award Fee Proposal, in all solicitations which contemplate the award of cost-plus-award-fee contracts. The Contracting Officer shall insert the appropriate percentages.

(c) The Contracting Officer shall insert the clauses at 1552.216–77, Award Term Incentive, 1552.216–78, Award Term Incentive Plan, and 1552.216–79 Award Term Availability of Funds in solicitations and contracts when award term incentives are contemplated. The clauses at 1552.216–77 and 1552.216–78 may be used on substantially the same basis.

(d) If the Contracting Officer wishes to use the ratings set forth in the Department of Defense Contractor Performance Assessment Reporting System on the contract at hand as the basis for contractor eligibility for an award term incentive, the Contracting Officer shall insert the clause at 1552.216–78 with its Alternate I.

1516.603 Letter Contracts.

1516.603–1 What is a Notice to Proceed?

(a) A Notice to Proceed (NTP) is a type of letter contract issued pursuant to FAR 16.603 under which an EPA Federal Classification Series 1102 (FCS) contracting officer or a duly authorized EPA on-scene coordinator with delegated procurement authority may initiate, in certain defined situations and subject to certain limitations and conditions, contracting actions to respond to certain situations as described in CERCLA section 104(a)(1) (42 U.S.C. 9604(a)(1)) and the Clean Water Act sections 311(c)(2) and (e)(1)(B) (33 U.S.C. 1321(c)(2) and (e)(1)(B)). An NTP may be utilized as a contractual instrument for certain—

(1) Actions that EPA is authorized to undertake under CERCLA section 104(a)(1), 42 U.S.C. 9604(a)(1), and the National Oil and Hazardous Substances Pollution Contingency Plan (40 CFR part 300), to respond to situations where any hazardous substance has been released or there is a substantial threat of such a release into the environment, or there is a release or substantial threat of release into the environment of any pollutant or contaminant which may present an imminent and substantial danger to the public health or welfare, and

(2) Actions that EPA is authorized to undertake under sections 311(c)(2) and (e)(1)(B) of the Clean Water Act, 33 U.S.C. 1321(c)(2) and (e)(1)(B), and the National Oil and Hazardous Substances Pollution Contingency Plan (40 CFR part 300), to respond when there is a discharge (to or upon navigable waters, adjoining shorelines, the contiguous

Subpart 1516.5—Indefinite-Delivery Contracts

1516.505 Contract clauses.

(a) The Contracting Officer shall insert the clause in 1552.216–72, Ordering—By Designated Ordering Officers, or a clause substantially similar to the subject clause, in indefinite delivery/indefinite quantity type solicitations and contracts. The Contracting Officer shall insert Alternate I when formal input from the Contractor will not be obtained prior to order issuance.
zone, or natural resources belonging to, appertaining to, or under the exclusive management of the United States), of oil or a hazardous substance from a vessel, onshore facility, or offshore facility that is a substantial threat to the public health or welfare. Pursuant to a class Justification For Other Than Full and Open Competition executed under the authority of FAR 6.302-2 and 6.303-1(c), an NTP may be issued on a non-competitive basis.

(b) What do subsections 1516.603-1 and 1516.603-2 cover? EPAAR 1516.603-1 and 1516.603-2 contain information and procedures relating to issuance and definitization of an NTP. An NTP is subject to, and must comply with, the applicable requirements for letter contracts in FAR 16.603 and the requirements in this section, and be definitized by an EPA FCS 1102 contracting officer.

[66 FR 12900, Mar. 1, 2001]

1516.603-2 What are the requirements for use of an NTP?

(a) An EPA FCS 1102 contracting officer or a duly authorized EPA on-scene coordinator with a delegation of procurement authority may issue an NTP so long as it does not exceed the limits of his or her procurement authority and only when all of the following conditions have been met:

(i) A written determination has been made by the Federal on-scene coordinator that—

(ii) As authorized by and consistent with CERCLA section 104(a)(1), 42 U.S.C. 9604(a)(1), and the National Oil and Hazardous Substances Pollution Contingency Plan (40 CFR part 300), the EPA must take action to respond to a hazardous substance release or substantial threat of such a release into the environment, or a release or substantial threat of a release into the environment of any pollutant or contaminant which may present an imminent and substantial danger to the public health or welfare, or

(ii) As authorized by and consistent with the Clean Water Act sections 311(c)(2) and (e)(1)(B), 33 U.S.C. 1321(c)(2) and (e)(1)(B), and the National Oil and Hazardous Substances Pollution Contingency Plan (40 CFR part 300), the EPA must take action to respond to a discharge, or a substantial threat of a discharge (to or upon navigable waters, adjoining shorelines, the contiguous zone, or natural resources belonging to, appertaining to, or under the exclusive management of the United States), of oil or a hazardous substance from a vessel, offshore facility, or onshore facility that is of such a size and character as to pose a substantial threat to the public health or welfare of the United States; and

(2) Before a duly authorized EPA on-scene coordinator with a delegation of procurement authority may issue an NTP, he or she must confirm that an EPA FCS 1102 contracting officer is not available to provide the required contracting support by the time the Federal on-scene coordinator requires the response action to be undertaken; and

(3) A written determination is made by an EPA FCS 1102 contracting officer or a duly authorized EPA on-scene coordinator with a delegation of procurement authority that there is no other existing contracting mechanism available to provide the required contracting support by the time required, including the inability of an existing emergency response contractor or other existing contract vehicle to respond in the required time frame. These conditions, as well as any other requirements applicable to NTPs or letter contracts contained in the FAR or EPAAR, must be met before an NTP can be issued by an EPA FCS 1102 contracting officer or a duly authorized EPA on-scene coordinator with a delegation of procurement authority.

(b) What should be included in an NTP? (1) Since an NTP is a type of letter contract, it is subject to the requirements of FAR 16.603. All of the relevant requirements of FAR 16.603 apply to NTPs including FAR 16.603-2, 16.603-3, and 16.603-4, and an NTP will include all appropriate FAR and EPAAR contract clauses. An NTP should also include an overall price ceiling and be as complete and definite as possible under the circumstances. To the extent NTPs require modification of any FAR or EPAAR prescribed procedures or clauses, an appropriate FAR or EPAAR deviation will be prepared.
Environmental Protection Agency

(2) The EPA FCS 1102 contracting officer or duly authorized EPA on-scene coordinator with a delegation of procurement authority shall include in each NTP the clauses required by the FAR or EPAAR for the type of definitive contract contemplated and any additional clauses known to be appropriate for it. In addition, the following clauses must be included in the solicitation (if one is issued) and the NTP when an NTP is used:

(i) The clause at FAR 52.216-23, Execution and Commencement of Work, except that the term on-scene coordinator may be used in place of the term contracting officer;

(ii) The clause at FAR 52.216-24, Limitation of Government Liability, with dollar amounts completed in a manner consistent with FAR 16.603-2(d); and

(iii) The clause at FAR 52.216-25, Contract Definitization, with its paragraph (b) completed in a manner consistent with FAR 16.603-2(c) or any applicable FAR deviation. The clause at FAR 52.216-26, Payment of Allowable Costs Before Definitization, shall also be included in a solicitation (if one is issued) and NTPs if a cost-reimbursement definitive contract is contemplated.

(3) Each NTP shall, as required by the clause at FAR 52.216-25, Contract Definitization, contain a negotiated definitization schedule that includes:

(i) Dates for submission of the contractor’s price proposal, required cost and pricing data, and if required, make-or-buy and subcontracting plans;

(ii) The date for the start of negotiations; and

(iii) A target date for definitization which shall be the earliest practicable date for definitization (an NTP must be definitized by an EPA FCS 1102 contracting officer). The schedule will provide for definitization of the NTP within 90 calendar days after the date of the NTP award. However, the EPA FCS 1102 contracting officer may, in extreme cases and according to agency procedures, authorize an additional period. If, after exhausting all reasonable efforts, the EPA FCS 1102 contracting officer and the contractor cannot negotiate a definitive contract because of failure to reach agreement as to price or fee, the clause at 52.216-25 requires the contractor to proceed with the work and provides that the contracting officer may, with the approval of the head of the contracting activity, determine a reasonable price or fee in accordance with part 15.4 and part 31 of the FAR, subject to appeal as provided in the Disputes clause.

(4) The maximum liability of the Government inserted in the clause at 52.216-24, Limitation of Government Liability, shall, as approved by the official who authorized the NTP, be the estimated amount necessary to cover the contractor’s requirements for funds to complete the work to be performed under the NTP. However, it shall not exceed the estimated cost of the definitive contract.

(c) Are there any financial or monetary limitations on the use of an NTP? In addition to the requirements for issuance of an NTP set forth elsewhere in this subpart—

(1) The total definitized dollar value of an individual NTP shall not exceed $200,000.00, and

(2) The applicable Program Office must commit and make available appropriate funding for the emergency response action taken under the NTP prior to NTP issuance.

(d) Are there any other procedural requirements for issuance of an NTP? An NTP must be issued in writing by the EPA FCS 1102 contracting officer or the duly authorized EPA on-scene coordinator with a delegation of procurement authority using a Standard Form 33. In addition, the EPA FCS 1102 contracting officer or the EPA on-scene coordinator awarding the NTP must ensure that the NTP complies with all applicable requirements, including all relevant provisions and clauses, and that all actual or potential conflict of interest or other contracting issues are identified and resolved prior to NTP issuance. To assist the EPA on-scene coordinator and EPA FCS 1102 contracting officer in their responsibilities regarding NTP award, an NTP checklist will be completed by the EPA FCS 1102 contracting officer or EPA on-scene coordinator prior to issuance of the NTP.
34 CFR Ch. 15 (10–1–16 Edition)

1516.603–3

(e) What happens after an NTP is awarded to a contractor? (1) If an NTP is issued by a duly authorized EPA on-scene coordinator with a delegation of procurement authority, he or she must notify the cognizant EPA FCS 1102 contracting officer of the NTP award, and provide the NTP checklist to the contracting officer, as soon as possible but in no event later than the next working day after NTP issuance.

(2) Within 5 working days of the EPA on-scene coordinator’s award of an NTP, the on-scene coordinator shall provide to the cognizant EPA FCS 1102 contracting officer all NTP documents, materials, and information necessary for the contracting officer to definitize the contract, and should retain a copy for his/her records. An EPA FCS 1102 contracting officer will be responsible for definitization of the NTP consistent with the definitization procedures set forth in this subpart. During the process of definitizing the NTP, the EPA FCS 1102 contracting officer will send the contractor the “Representations, Certifications, and Other Statements of Offerors” for completion. The contractor will complete this information, and any other required information, and submit it to the EPA FCS 1102 contracting officer prior to definitization of the NTP.

(f) The CCO, who is authorized by EPAAR 1516.603–3 to make the determination to use a letter contract, shall make a class determination and findings authorizing EPA FCS 1102 contracting officers and duly authorized EPA on-scene coordinators with delegations of procurement authority to award NTPs pursuant to the conditions set forth in this subpart.

[66 FR 12900, Mar. 1, 2001]

1516.603–3 Limitations.

The CCO is authorized to make the determination in FAR 16.603-3.

Subpart 1517.2—Options

1517.204 Contracts.

The SCM may approve a contract with a base contract period and option periods which total in excess of five (5) years, unless otherwise prohibited by statute.

[60 FR 12713, Mar. 8, 1995, as amended at 67 FR 5072, Feb. 4, 2002]

1517.207 Exercise of options.

(a) Unless otherwise approved by the Chief of the Contracting Office, contracts for services employing option periods shall require that a preliminary written notice of the Government’s intention to exercise the option be furnished to the Contractor a minimum of sixty (60) calendar days prior to the date for the exercise of the option. Failure to provide such preliminary notice within the timeframe established in the contract waives the Government’s right to unilaterally exercise the option and requires the negotiation of a bilateral contract modification in order to extend the period of performance, where such an extension is authorized.

(b) When the term of the service contract coincides with the fiscal year and delays in receipt of authority to obligate funds for the new fiscal year are anticipated, the Contracting Officer, if the contract so provides (see FAR 17.204(d)), may, within 60 days after the end of the fiscal year, unilaterally exercise an option to extend the term of the contract. The option may be exercised only if funds become available within the 60-day period. In the event that sufficient funding is not available within the 60 day period, the Government waives the right to exercise the option, thereby rendering any additional requirements subject to full and open competition requirements.
(c) The Contracting Officer, if the contract so provides, may, subject to the conditions in FAR 17.204(d), 32.703–2, and 32.705–1(a), exercise an option contingent upon the availability of funds. To exercise such an option, the contract must contain the clause in FAR 52.232–18, Availability of Funds. Under no circumstances shall any action be taken which could be construed as creating a legal liability on the part of the Government until a formal notice of availability of funds in the form of a contract modification has been issued by the Contracting Officer.

1517.208 Solicitation provisions and contract clauses.

(a) The Contracting Officer shall insert the clause at 1552.217–71, Option To Extend the Term of the Contract—Cost-Type Contract, when applicable.

(b) The Contracting Officer shall insert the clause at 1552.217–72, Option To Extend the Term of the Contract—Cost-Plus-Award-Fee Contract, when applicable.

(c) The Contracting Officer shall insert the clause at 1552.217–73, Option for Increased Quantity—Cost-Type Contract, when applicable.

(d) The Contracting Officer shall insert the clause at 1552.217–74, Option for Increased Quantity—Cost-Plus-Award-Fee Contract, when applicable.

(e) The Contracting Officer shall insert the clause at 1552.217–75, Option To Extend the Effective Period of the Contract—Time and Materials or Labor Hour Contract, when applicable.

(f) The Contracting Officer shall insert the clause at 1552.217–76, Option To Extend the Effective Period of the Contract—Indefinite Delivery/Indefinite Quantity Contract, when applicable.

(g) The Contracting officer shall insert the clause at 1552.217–77, Option to Extend the Term of the Contract—Fixed Price, when applicable.

Subpart 1519.2—Policies

1519.201 Policy.

Each program’s Assistant or Associate Administrator shall be responsible for developing its socioeconomic goals on a fiscal year basis. The goals shall be developed in collaboration with the supporting Chiefs of Contracting Offices (CCOs) or Regional Acquisition Managers (RAMs), the assigned Small Business Specialist (SBS), and the Office of Small Business Programs (OSBP). The goals will be based on advance procurement plans and past performance. The goals shall be submitted to the Director of OSBP, at least thirty (30) days prior to the start of the fiscal year.

1519.201–71 Director of the Office of Small Business Programs.

The Director of the Office of Small Business Programs (OSBP) provides guidance and advice, as appropriate, to Agency program and contracts officials on small business programs. The OSBP Director is the central point of contact for inquiries concerning the small business programs from industry, the Small Business Administration (SBA), and the Congress; and shall advise the Administrator and staff of such inquiries as required. The OSBP Director shall represent the Agency in the negotiations with the other Government agencies on small business programs matters.

1519.201–72 Small business specialists.

(a) Small Business Specialists (SBSs) shall be appointed in writing. Regional SBSs will normally be appointed from members of staffs of the appointing authority. The appointing authorities for regional SBSs are the RAMs. The SBSs for EPA headquarters, Research Triangle Park (RTP), and Cincinnati shall be appointed by the OSBP Director. The SBS is administratively responsible directly to the appointing authority and, on matters relating to small business programs activities, receives technical guidance from the OSBP Director.

(b) A copy of each appointment and termination of all SBSs shall be forwarded to the OSBP Director. In addition to performing the duties outlined in paragraph (c) of this section that are normally performed in the activity to which assigned, the SBS shall perform such additional functions as may be prescribed from time to time in furtherance of overall small business programs goals. The SBS may be appointed on either a full- or part-time basis; however, when appointed on a part-time basis, small business duties shall take precedence over collateral responsibilities.

(c) The SBS appointed pursuant to paragraph (a) of this section shall perform the following duties as appropriate:
Environmental Protection Agency

(1) Maintain a program designed to locate capable small business sources for current and future acquisitions;
(2) Coordinate inquiries and requests for advice from small business concerns on acquisition matters;
(3) Review all proposed solicitations in excess of the simplified acquisition threshold, assure that small business concerns will be afforded an equitable opportunity to compete, and, as appropriate, initiate recommendations for small business set-asides, or offers of requirements to the Small Business Administration (SBA) for the 8(a) program, and complete EPA Form 1900–37, “Record of Procurement Request Review,” as appropriate;
(4) Take action to assure the availability of adequate specifications and drawings, when necessary, to obtain small business participation in an acquisition. When small business concerns cannot be given an opportunity on a current acquisition, initiate action, in writing, with appropriate technical and contracting personnel to ensure that necessary specifications and/or drawings for future acquisitions are available;
(5) Review proposed contracts for possible breakout of items or services suitable for acquisition from small business concerns;
(6) Participate in the evaluation of a prime contractor’s small business subcontracting programs;
(7) Assure that adequate records are maintained, and accurate reports prepared, concerning small business participation in acquisition programs;
(8) Make available to SBA copies of solicitations when so requested;
(9) Act as liaison with the appropriate SBA office or representative in connection with matters concerning the small business programs including set-asides.

1519.202–5 [Reserved]

1519.203 Mentor-protégé.

(a) The contracting officer shall insert the clause at 1552.219–70, Mentor-Protégé Program, in all contracts under which the contractor has been approved to participate in the EPA Mentor-Protégé Program.

(b) The contracting officer shall insert the provision at 1552.219–71, Procedures for Participation in the EPA Mentor-Protégé Program, in all solicitations valued at $500,000 or more which will be cost-plus-award-fee or cost-plus fixed-fee contracts.

1519.204 [Reserved]

Subpart 1519.5—Set-Aside for Small Business

1519.501 Review of acquisitions.

(a) If no Small Business Administration (SBA) representative is available, the Small Business Specialist (SBS) shall initiate recommendations to the contracting officer for small business set-asides with respect to individual acquisitions or classes of acquisitions or portions thereof.

(b) When the SBS has recommended that all, or a portion, of an individual acquisition or class of acquisitions be set aside for small business, the contracting officer shall:
   (1) Promptly concur in the recommendation; or
   (2) Promptly disapprove the recommendation, stating in writing the reasons for disapproval. If the contracting officer disapproves the recommendation of the SBS, the SBS may appeal to the appropriate appointing authority, whose decision shall be final.

1519.503 Class set-aside for construction.

(a) Each proposed acquisition for construction estimated to cost between $10,000 and $1,000,000 shall be set-aside for exclusive small business participation. Such set-asides shall be considered to be unilateral small business set-asides, and shall be withdrawn in accordance with the procedure of FAR 19.506 only if found not to serve the best interest of the Government.

(b) Small business set-aside preferences for construction acquisitions in excess of $1,000,000 shall be considered on a case-by-case basis.
Subpart 1519.7—The Small Business Subcontracting Program

1519.705–2 Determining the need for a subcontract plan.

One copy of the determination required by FAR 19.705–2(c) shall be placed in the contract file and one copy provided to the Director of the Office of Small Business Programs.

1519.705–4 Reviewing the subcontracting plan.

In determining the acceptability of a proposed subcontracting plan, the contracting officer shall obtain advice and recommendations from the Office of Small Business Programs, which shall in turn coordinate review by the Small Business Administration Procurement Center Representative (if any).

1519.705–70 Synopsis of contracts containing Pub. L. 95–507 subcontracting plans and goals.

The synopsis of contract award, where applicable, shall include a statement identifying the contract as one containing Public Law 95–507 subcontracting plans and goals.

Subpart 1523.7—Contracting for Environmentally Preferable Products and Services

1523.703 Policies and procedures.
1523.703-1 Acquisition of environmentally preferable meeting and conference facilities and services.

(a) Scope. This section establishes the policy and the procedures for acquiring environmentally preferable meeting and conference facilities and services. For purposes of this section, the term “contracting officer” refers to any EPA employee with purchasing authority. For purposes of this section, the terms “meeting and conference facilities” or “conference facilities” refer to any off-site commercial facility which is purchased for the use of an EPA conference or event, whether the purpose of the event is a meeting, conference, training session, or other official purpose.

(b) Conference facilities. EPA conducts government events at facilities owned and operated by private, third-party vendors. These facilities—
(1) May provide conference participants with lodging, food and beverage, and other on-site event support services.
(2) Demonstrate they are environmentally preferable by their responses to the 17 questions in 1552.223-71(c) highlighting environmental performance. These questions address, among other things, reducing greenhouse gas (GHG) emissions, the production and disposal of solid waste, the use of and exposure to toxic chemicals/materials, and the depletion of natural resources including water.

(c) Policy. Contracting officers shall purchase environmentally preferable meeting and conference facilities and services to the greatest extent practicable. Environmentally preferable is defined at FAR 2.101 and shall be considered in all purchases of meeting and conference facilities and services.

(d) Procedures for micropurchases. The contracting officer shall request that potential third party conference facility vendors respond to the 17 questions.

(1) May provide conference participants with lodging, food and beverage, and other on-site event support services.
(2) Demonstrate they are environmentally preferable by their responses to the 17 questions in 1552.223-71(c) highlighting environmental performance. These questions address, among other things, reducing greenhouse gas (GHG) emissions, the production and disposal of solid waste, the use of and exposure to toxic chemicals/materials, and the depletion of natural resources including water.

(c) Policy. Contracting officers shall purchase environmentally preferable meeting and conference facilities and services to the greatest extent practicable. Environmentally preferable is defined at FAR 2.101 and shall be considered in all purchases of meeting and conference facilities and services.

(d) Procedures for micropurchases. The contracting officer shall request that potential third party conference facility vendors respond to the 17 questions.
in 1552.223–71(c) or language substantially the same as these questions, in order to evaluate their environmental performance.

(e) Procedures for purchases of conference facilities exceeding the micropurchase threshold. The contracting officer shall request that potential third party conference facility vendors respond to the 17 questions in 1552.223–71(c) or language substantially the same as these questions, in order to evaluate their environmental performance. The contracting officer shall notify vendors that the basis for award will be best value with price and other factors considered. Environmental preferability, as determined by evaluating the information submitted in response to the questions and specifications at 1552.223–71(c) or information submitted in response to substantially similar questions and specifications, shall be considered among the other factors. The contracting officer shall determine the relative importance of price and other factors as appropriate to the acquisition, but in all cases shall consider environmental preferability as a significant factor.

(f) Contractor support for meetings and conferences. A contract, order, work assignment or purchasing agreement that includes contractor support for meeting and conference planning and logistics must include requirements to make use of environmentally preferable meeting and conference facilities and services. The contracting officer shall ensure language is included in the tasking document work statement that requires the contractor to use the provisions at 1552.223–71 or language approved by the contracting officer that is substantially the same as the provisions, when soliciting quotes or offers for meeting and conference services on behalf of the EPA.

(g) Solicitation provision. The contracting officer shall insert provisions or language substantially the same as the provisions at 1552.223–71 EPA Green Meetings and Conferences, in solicitations for meeting and conference services. Contracting officers issuing an oral solicitation must also use these provisions, though they may be provided to the vendor orally or electronically. Contractors soliciting quotes or offers for meeting and conference services on behalf of EPA shall use the provisions, or language approved by the contracting officer that is substantially the same as the provisions.

1527.409 Solicitation provisions and contract clauses.

AUTHORITY: Sec. 205(c), 63 Stat. 390, as amended, 40 U.S.C. 486(c).

Subpart 1527.4—Rights in Data and Copyrights

1527.404 Basic rights in data clause.

The Contracting Officer shall insert in the Limited Rights Notice when using Alternate II of FAR 52.227–14 the following purposes for disclosure of limited data outside the Government.

(a) Use (except for manufacture) by support service contractors;

(b) Evaluation by nongovernment evaluators;

(c) Use (except for manufacture) by other contractors participating in the Government’s program of which the specific contract is a part, for information and use in connection with the work performed under each contract;

(d) Emergency repairs or overhaul work;

(e) Release to a foreign government, or instrumentality thereof, as the interests of the United States Government may require, for information or evaluation, or for emergency repair or overhaul work by such government.

[55 FR 48623, Nov. 21, 1990]

1527.409 Solicitation provisions and contract clauses.

The Contracting Officer shall insert the clause at 1527.227–70, Insurance Liability to Third Persons, in cost-reimbursement solicitations and contracts, except those for construction and architect-engineer services.

NOTE: This clause may be used in contracts awarded utilizing architect-engineer services such as requirements for Superfund cleanups (e.g., response action contracts). The clause does not apply to Superfund indemnification for third party pollution liability or coverage for commercial pollution liability insurance as prescribed by section 119 of CERCLA as amended by SARA.

PART 1528—BONDS AND INSURANCE

Subpart 1528.3—Insurance

1528.301 Insurance liability to third persons.

Contracting officers shall insert the clause at 1522.228–70, Insurance Liability to Third Persons, in cost-reimbursement solicitations and contracts, except those for construction and architect-engineer services.

PART 1529—TAXES

Subpart 1529.3—State and Local Taxes

1529.303 Application of State and local taxes to Government contractors and subcontractors.

Contractors are responsible for determining the availability of State and local tax exemptions and obtaining such exemptions, if available, unless the Contracting Officer determines
under PAR 31.205-41(b)(3) that the administrative burden outweighs the corresponding benefit. Contractors are responsible for ensuring that subcontractors also seek and obtain such exemptions, if available.

PART 1530—COST ACCOUNTING STANDARDS

Subpart 1530.3—CAS Contract Requirements [Reserved]

PART 1531—CONTRACT COST PRINCIPLES AND PROCEDURES

Subpart 1531.1—Applicability [Reserved]

PART 1532—CONTRACT FINANCING

Sec. 1532.003 Simplified acquisition procedures financing.

(a) Scope. This subpart provides for authorization of advance and interim payments on commercial item orders not exceeding the simplified acquisition threshold. Advance payments are payments that are made prior to performance. Interim payments are payments that are made during the order period according to a payment schedule.

(b) Procedures for micropurchases. Contracting officers may authorize advance and interim payments on orders for commercial items only at or below the micropurchase threshold.

(c) Procedures for purchases exceeding micropurchase threshold. Contracting officers must secure approval at one level above the contracting officer, on a case-by-case basis, for advance and interim payments on orders for commercial items exceeding the micropurchase threshold and not exceeding the simplified acquisition threshold. The contracting officer shall submit a recommendation for approval of financing terms, along with the supporting rationale for the action, to one level above the contracting officer. Remote simplified acquisition contracting officers (SACO) without one level above contracting officers at their locations shall forward recommendations through their OAM Advisors to secure one level above approval.

(d) Supporting rationale. Regardless of dollar value, the contracting officer shall document the file with supporting rationale demonstrating that the purchase meets the conditions of FAR 32.202-1(b)(1), (3) and (4).

(e) Administration. Regardless of dollar value, the contracting officer is responsible for ensuring that supplies or services have been delivered. The contracting officer shall document the file with evidence of receipt of supplies or services throughout the order period as appropriate to the acquisition.

(f) Clause. The contracting officer shall insert the clause at 1552.232-74, Payments—Simplified Acquisition Procedures Financing, in solicitations and orders that will provide simplified acquisition procedures financing.

1532.805–70 Forms.
(a) EPA Form 1900–3, Assignee’s Release, at 1533.232–70 is required to be submitted by the assignee for cost-reimbursement contracts prior to final payment under the contract.
(b) EPA Form 1900–4, Assignee’s Assignment of Refunds, Rebates, Credits, and Other Amounts, at 1533.232–71 must accompany the assignee’s release prior to final payment under cost-reimbursement contracts.
(c) EPA Form 1900–5, Contractor’s Assignment of Refunds, Rebates and Credits, at 1553.232–72 must be prepared by the Contractor prior to final payment under cost-reimbursement contracts and must accompany the Contractor’s Release.

(d) EPA Form 1900–6, Contractor’s Release, at 1553.232–73 must be submitted by the Contractor prior to final payment under cost-reimbursement contracts.

Subpart 1532.9—Prompt Payment

1532.908 Contract clauses.

The Contracting Officer shall insert a clause substantially the same as that at 1552.232–70 in all solicitations and contracts for cost reimbursable acquisitions. If a non-commercial time and materials type contract is contemplated, the Contracting Officer shall use the clause with its Alternate I.

SUBCHAPTER F—SPECIAL CATEGORIES OF CONTRACTING

PART 1535—RESEARCH AND DEVELOPMENT CONTRACTING

Sec. 1535.007 Solicitations.
1535.007-70 Contract clauses.

AUTHORITY: Sec. 205(c), 63 Stat. 390, as amended, 40 U.S.C. 486(c).

1535.007 Solicitations.
(a) Contracting officers shall insert 48 CFR 1552.235–73, Access to Federal Insecticide, Fungicide, and Rodenticide Act Confidential Business Information, in all solicitations when the contracting officer has determined that EPA may furnish the contractor with confidential business information which EPA had obtained from third parties under the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136 et seq.).

(b) Contracting officers shall insert 48 CFR 1552.235–75, Access to Toxic Substances Control Act Confidential Business Information, in all solicitations when the contracting officer has determined that EPA may furnish the contractor with confidential business information which EPA had obtained from third parties under the Toxic Substances Control Act (15 U.S.C. 2601 et seq.).

(c) Contracting officers shall insert 48 CFR 1552.235–81—''Notice of Institutional Oversight of Life Sciences Dual Use Research of Concern—Representation” when notified in the Advance Procurement Plan (APP) or by an EPA funding/requesting office, in accordance with the Institutional Oversight of Life Sciences Dual Use Research of Concern (iDURC) EPA Order 1000.19—“Policy and Procedures for Managing Dual Use Research of Concern,” in solicitations that will result in a contract under which EPA funding will be used by the recipient to conduct or sponsor “life sciences research”.

1535.007-70 Contract clauses.

The following clauses are prescribed for research and development (R&D) contracts. They may also be used in other than R&D contracts when applicable (see 1537.110).

(a) The Contracting Officer shall insert the contract clause at 1552.235–70, Screening Business Information for Claims of Confidentiality, in contracts when the Contracting Officer has determined that during performance of this contract, the Contractor may be required to collect information to perform the work required under this contract. Some of the information may consist of trade secrets or commercial or financial information that would be considered as proprietary or confidential by the business that has the right to the information.

(c) The Contracting Officer shall insert the clause at 48 CFR 1552.235–76, Treatment of Confidential Business Information (TSCA), in solicitations and contracts when the Contracting Officer
has determined that in the performance of the contract, EPA may furnish the contractor with confidential business information obtained from third parties under the Toxic Substances Control Act (15 U.S.C. 2601 et seq.). EPA regulations on confidentiality of business information in 40 CFR part 2, subpart B require that the contractor agree to the clause entitled “Treatment of Confidential Business Information” before any confidential business information may be furnished to the contractor.

(e) The Contracting Officer shall insert the clause at 48 CFR 1552.235–78, Data Security for Toxic Substances Control Act Confidential Business Information, when the contract involves access to confidential business information related to the Toxic Substances Control Act, and the Treatment of Confidential Business Information clause (48 CFR 1552.235–76) and Screening Business Information for Claims of Confidentiality clause (48 CFR 1552.235–70) are included.

(f) Contracting Officers shall insert the clause 48 CFR 1552.235–79, Release of Contractor Confidential Business Information, in all solicitations and contracts in order to authorize the Agency to release confidential business information under certain circumstances.

(g) Contracting officers shall insert the clause at 1552.235–80, Access to Confidential Business Information (CBI), in all types of contracts when it is possible that it will be necessary for the contractor to have access to CBI during the performance of tasks required under the contract.

(h) Contracting officers shall insert 48 CFR 1552.235–82—“Institutional Oversight of Life Sciences Dual Use Research of Concern” into all solicitations containing 48 CFR 1552.235–81 and in existing contracts that are bilaterally modified at the request of an EPA funding/requesting office in accordance with EPA Order 1000.19.

necessary construction or Superfund remedial action work, the estimated cost to the Government, and the policy of the Agency to promote the use of innovative technology.

(55 FR 49283, Nov. 27, 1990, as amended at 59 FR 18977, Apr. 21, 1994; 81 FR 41237, June 24, 2016)

Subpart 1536.5—Contract Clauses

1536.521 Specifications and drawings for construction.

The Contracting Officer shall insert the clause at 1552.236–70, Samples and Certificates, in solicitations and contracts when a fixed price construction contract is expected to exceed the simplified acquisition threshold limitation. The clause may be inserted in solicitations and contracts when the contract is expected to be within the simplified acquisition threshold limitation.

(49 FR 8863, Mar. 8, 1984, as amended at 81 FR 41237, June 24, 2016)

Subpart 1536.6—Architect-Engineer Services

1536.602 Selection of firms for architect-engineer contracts.

1536.602–2 Establishment of evaluation boards.

(a) The Environmental Protection Agency Architect-Engineer Evaluation Board is established as a central permanent Board located at Headquarters EPA under authority delegated to the Director, Office of Acquisition Management, which may be re-delegated.

(b) The Service Center Manager (SCM) is delegated the authority to appoint either one or two additional voting members as may be appropriate for a particular project.

(c) In the event of an emergency or extended absence, a member may designate, in writing, with the concurrence of the Chairperson, an alternate experienced in architecture, engineering, or construction to serve in his/her absence.

(d) The duties of the advisory member shall include, but not be limited to, the following:

(i) Assuring that the criteria set forth in the public notice are applied in the evaluation process; and

(ii) Assuring that actions taken during the evaluation process do not compromise subsequent procurement actions.

PART 1537—SERVICE CONTRACTING

SOURCE: 49 FR 8864, Mar. 8, 1984, unless otherwise noted.

Subpart 1537.1—Service Contracts—General

1537.110 Solicitation provisions and contract clauses.

The following clauses are prescribed for service contracts. They may also be used in research and development contracts when applicable (see 1535.007–70).

(a) The Contracting Officer shall insert the clause at 1552.237–70, Contract Publication Review Procedures, in solicitations and contracts when the products of the contract are subject to contract publication review.

(b) The Contracting Officer shall insert a clause substantially the same as the clause at 1552.237–71, Technical Direction, in solicitations and contracts where the Contracting Officer intends to delegate authority to issue technical direction to the Contracting Officer’s Representative(s).

(c) The Contracting Officer shall insert the clause at 1552.237–72, Key Personnel, in solicitations and contracts when it is necessary for contract performance to identify Contractor key personnel. Contracting Officers have the flexibility to identify the required number of days of key personnel commitment during the early stages of contractor performance. The length of time will be based on the requirements of individual acquisitions when continued assignment is essential to the successful implementation of the program’s mission. Therefore, Contracting Officers may use a clause substantially
the same as in 48 CFR 1552.237–72, regarding substitution of key personnel. Contracting Officers may include a different number of days in excess of the ninety (90) days included in this clause, if approved at one level above the Contracting Officer.

(d) The Contracting Officer shall insert the clause at 1552.237–74, Publicity, in solicitations and contracts pertaining to the removal or remedial activities under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA).

(e) The Contracting Officer shall insert the clause at 1552.237–75, Paperwork Reduction Act, in solicitations and contracts requiring the collection of identical information from (10) or more public respondents.

(f) To ensure that Agency contracts are administered so as to avoid creating an improper employer-employee relationship, contracting officers shall insert the contract clause at 1552.237–76, “Government-Contractor Relations”, in all solicitations and contracts for non-personal services that exceed the simplified acquisition threshold.

PART 1542—CONTRACT ADMINISTRATION

Subpart 1542.7—Indirect Cost Rates

Sec.
1542.703-2 Certificate of indirect costs.
1542.705 Final indirect cost rates.
1542.705-70 Solicitation and contract clause.

Subpart 1542.12—Novation and Change of Name Agreements

1542.1200 Scope of subpart.
1542.1202 Responsibility for executing agreements.
1542.1203 Processing agreements.

AUTHORITY: Sec. 205(c), 63 Stat. 390, as amended, 40 U.S.C. 486(c).
SOURCE: 49 FR 8865, Mar. 8, 1984, unless otherwise noted.

Subpart 1542.7—Indirect Cost Rates

1542.703-2 Certificate of indirect costs.
The Head of the Contracting Activity may waive the certification requirement set forth in FAR 42.703-2.
[61 FR 57339, Nov. 6, 1996]

1542.705 Final indirect cost rates.
(a) The EPA shall use the Contracting Officer determination procedure for all business units for which it shall be required to negotiate final indirect cost rates.

(b) Contracting officers shall insert the clause at 1552.242-72, Financial Administrative Contracting officers (FACO), in cost-reimbursement contracts when the Environmental Protection Agency (EPA) is the cognizant federal agency and a FACO will be assigned.

1542.705-70 Solicitation and contract clause.
The Contracting Officer shall insert the clause in 1552.242-70, Indirect Costs, in solicitations and contracts where indirect costs apply, unless contracting with an educational institution where there are approved predetermined final indirect cost rates.
[62 FR 33573, June 20, 1997]

Subpart 1542.12—Novation and Change of Name Agreements

1542.1200 Scope of subpart.
This subpart implements FAR subpart 42.12 and provides policies and procedures for executing and processing novation and change-of-name agreements.

1542.1202 Responsibility for executing agreements.
(a) Any EPA contracting office upon being notified of a successor in interest to, or change of name of, one of its Contractors shall promptly report such information by memorandum to the Director, Policy, Training and Oversight Division (POTD).

(b) To avoid duplication of effort on the part of EPA contracting offices in preparing and executing agreements to recognize a change of name or successor in interest, only one supplemental agreement will be prepared to effect necessary changes for all contracts between EPA and the Contractor involved. The Chief of the Procurement Policy Branch, Policy, Training and Oversight Division (PTOD), will, in each case, designate the Contracting Office responsible for taking all necessary and appropriate action with respect to either recognizing or not recognizing a successor in interest, or recognizing a change of name agreement.

[49 FR 8865, Mar. 8, 1984, as amended at 55 FR 24580, June 18, 1990; 59 FR 18977, Apr. 21, 1994]

1542.1203 Processing agreements.
(a) The responsible contracting office shall:
(1) Obtain from the Contractor a list of all affected contracts, the names and addresses of the contracting offices responsible for these contracts, and the required documentary evidence.

(2) Verify the accuracy of the list of contracts through the Contract Information System.
(3) Draft and execute a supplemental agreement to one of the contracts affected but covering all applicable outstanding and incomplete contracts affected by the transfer of assets or change of name. A supplemental agreement number need not be obtained for contracts other than for the one under which the supplemental agreement is written. The supplemental agreement will contain a list of the contracts affected and, for distribution purposes, the names and addresses of the contracting offices having contracts subject to the supplemental agreement.

(b) Agreements and supporting documents covering successors in interest shall be reviewed for legal sufficiency by legal counsel.

(c) After execution of the supplemental agreement, the designated office shall forward an authenticated copy of the supplemental agreement to the Director, Policy, Training and Oversight Division, and to each affected contract office.

Subpart 1545.1—General

1545.107 Government property clauses.

(a) The Contracting Officer shall insert the contract clause at 1552.245–70:

(1) When it is anticipated that a Contractor will use Government-furnished or Contractor-acquired property in the cleanup of hazardous material as defined in Federal Standard No. 313, or, the toxic chemicals listed 40 CFR 372.65, in the environment.

(2) In all cost-type solicitations and contracts regardless of whether Government Property is initially provided, and in all fixed-price solicitations and contracts whenever Government furnished property is provided.

(b) The Contracting Officer shall insert the contract clause at 1552.245–71, Government-Furnished Data, in any contract in which the Government is to furnish data to the Contractor. The data to be provided shall be identified in the clause.

[74 FR 47110, Sept. 15, 2009]

Subpart 1545.3—Providing Government Property to Contractors

1545.309 Providing Government production and research property under special restrictions.

Government production and research property, other than foundations and similar improvements necessary for installing special tooling, special test equipment, or plant equipment, shall not be installed or constructed on land not owned by the Government in such fashion as to be nonseverable unless the contract under which the property is provided contains—

(a) One of the provisions in FAR 45.309(a);

(b) A requirement that the Government will have the right to abandon in place all nonseverable Government property provided; and

(c) A requirement that the Government will not have any obligation to disassemble or remove the property or to restore or to rehabilitate the premises on which the property is located.

PART 1546—QUALITY ASSURANCE

AUTHORITY: Sec. 205(c), 63 Stat. 390, as amended, 40 U.S.C. 486(c); and 41 U.S.C. 418b.

Subpart 1546.7—Warranties

1546.704 Authority for use of warranties.

The Contracting Officer shall ensure that the use of a warranty clause in a
contract has the concurrence of the Project Officer.

Subpart 1552.2—Texts of Provisions and Clauses

1552.203–70 Current/former agency employee involvement certification.
As prescribed in 1503.1004, insert the following clause in all EPA solicitations for sole-source acquisitions.

CURRENT/FORMER AGENCY EMPLOYEE INVOLVEMENT CERTIFICATION JUL 2016

The offeror (quoter) hereby certifies that:
(a) He/She is [ ] is not [ ] a former employee or special government employee whose EPA employment terminated within one year prior to submission of this offer (quote).  
(b) He/She does [ ] does not [ ] employ or propose to employ a current/former employee or special government employee whose EPA employment terminated within one year prior to submission of this offer (quote) or such former employee’s spouse or minor child does [ ] does not [ ] own or substantially own or control the offeror’s (quoter’s) firm.  
(c) A former employee or special government employee whose EPA employment terminated within one year prior to submission of this offer (quote) or such former employee’s spouse or minor child does [ ] does not [ ] own or substantially own or control the offeror’s (quoter’s) firm.  
(d) For EPA contracts valued at $1,000,000 or more including all contract options, the contractor shall prominently display EPA Office of Inspector General Hotline posters in contractor facilities where the work is performed under the contract.  
(e) Office of Inspector General hotline posters may be obtained from the EPA Office of Inspector General, ATTN: OIG Hotline (2443), 1200 Pennsylvania Avenue NW, Washington, DC 20460, or by accessing the OIG Web site at: http://www.epa.gov/oig/hotline.html.  
(f) The Contractor need not comply with paragraph (a) of this clause if it has established a mechanism, such as a hotline, by which employees may report suspected instances of improper conduct, and has provided instructions that encourage employees to make such reports.

(End of clause)

[81 FR 31180, May 18, 2016]

1552.204–70 [Reserved]

1552.208–70 Printing.
As prescribed in 1508.870, insert the following clause:

(End of provision)
PRINTING (SEP 2012)

(a) Definitions. “Printing” is the process of composition, plate making, presswork, binding and microform; or the end items produced by such processes and equipment. Printing services include newsletter production and periodicals which are prohibited under EPA contracts.

“Composition” applies to the setting of type by hot-metal casting, photo typesetting, or electronic character generating devices for the purpose of producing camera copy, negatives, a plate or image to be used in the production of printing or microform.

“Camera copy” (or “camera-ready copy”) is a final document suitable for printing/duplication.

“Desktop Publishing” is a method of composition using computers with the final output or generation of a camera copy done by a color inkjet or color laser printer. This is not considered “printing.” However, if the output from desktop publishing is being sent to a typesetting device (i.e., Linotronic) with camera copy being produced in either paper or negative format, these services are considered “printing.”

“Microform” is any product produced in a miniaturized image format, for mass or general distribution and as a substitute for conventionally printed material. Microform services are classified as printing services and include microfiche and microfilm. The contractor may make up to two sets of microform files for archival purposes at the end of the contract period of performance.

“Duplication” means the making of copies on photocopy machines employing electrostatic, thermal, or other processes without using an intermediary such as a negative or plate.

“Requirement” means an individual photocopying task. (There may be multiple requirements under a Work Assignment or Delivery Order. Each requirement would be subject to the duplication limitation of 5,000 copies of one page or 25,000 copies of multiple pages in the aggregate per requirement).

“Incidental” means a draft and/or proofed document (not a final document) that is not prohibited from printing under EPA contracts.

(b) Prohibition. (1) The contractor shall not engage in, nor subcontract for, any printing in connection with the performance of work under this contract. Duplication of more than 5,000 copies of one page or more than 25,000 copies of multiple pages in the aggregate per requirement constitutes printing. The intent of the printing limitation is to eliminate duplication of final documents.

(2) In compliance with EPA Order 2200.4a, EPA Publication Review Procedure, the Office of Communications, Education, and Media Relations is responsible for the review of materials generated under a contract published or issued by the Agency under a contract intended for release to the public.

(c) Affirmative Requirements. (1) Unless otherwise directed by the contracting officer, the contractor shall use double-sided copying to produce any progress report, draft report or final report.

(2) Unless otherwise directed by the contracting officer, the contractor shall use recycled paper for reports delivered to the Agency which meet the minimum content standards for paper and paper products as set forth in EPA’s Web site for the Comprehensive Procurement Guidelines at: http://www.epa.gov/cpg/.

(d) Permitted Contractor Activities. (1) The prohibitions contained in paragraph (b) do not preclude writing, editing, or preparing manuscript copy, or preparing related illustrative material to a final document (camera-ready copy) using desktop publishing.

(2) The contractor may perform a requirement involving the duplication of less than 5,000 copies of only one page, or less than 25,000 copies of multiple pages in the aggregate, using one color (black), such pages shall not exceed the maximum image size of 103⁄4 by 14 1⁄4 inches, or 11 by 17 paper stock. Duplication services below these thresholds are not considered printing. If performance of the contract will require duplication in excess of these thresholds, contractors must immediately notify the contracting officer in writing and a waiver must be obtained. Only the Joint Committee on Printing has the authority to grant waivers to the printing requirements. All Agency waiver requests must be coordinated with EPA’s Headquarters Printing Management Team, Facilities and Services Division, and with the Office of General Counsel. Duplication services of “incidents” in excess of the thresholds are allowable.

(3) The contractor may perform a requirement involving the multi-color duplication of no more than 100 pages in the aggregate using color copier technology, such pages shall not exceed the maximum image size of 103⁄4 by 14 1⁄4 inches, or 11 by 17 paper stock. Duplication services below these thresholds are not considered printing. If performance of the contract will require duplication in excess of these limits, contractors must immediately notify the contracting officer in writing and a waiver must be obtained. Only the Joint Committee on Printing has the authority to grant waivers to the printing requirements. All Agency waiver requests must be coordinated with EPA’s Headquarters Printing Management Team, Facilities and Services Division, and with the Office of General Counsel.

(4) The contractor may perform the duplication of no more than a total of 500 units of an electronic information storage device
Environmental Protection Agency

1552.209–71

(a) CD–ROMs, DVDs, thumb drives\(^1\) (including labeling and packaging) per work assignment or task order/delivery order per contract year. Duplication services below these thresholds are not considered printing. If performance of the contract will require duplication in excess of these thresholds, contractors must immediately notify the contracting officer in writing and a waiver must be obtained. Only the Joint Committee on Printing has the authority to grant waivers to the printing requirements. All Agency waiver requests must be coordinated with EPA’s Headquarters Printing Management Team, Facilities and Services Division, and with the Office of General Counsel.

(b) Violations. The contractor may not engage in, nor subcontract for, any printing in connection with the performance of work under the contract. The cost of any printing services in violation of this clause will be disallowed, or not accepted by the Government.

\(^1\)Pursuant to the July 2008 guidance Promotional Communications for EPA, a thumb drive can be used as a promotional item, but it also must be an information medium in itself. Namely, it must have substantive EPA information already loaded into the drive. Due to its intrinsic material value, it may not be used simply or primarily to display an EPA message on the exterior of the drive.

1552.209–70 Organizational conflict of interest notification.

As prescribed in 1509.507–1(b) insert the following solicitation provision in all solicitations.

ORGANIZATIONAL CONFLICT OF INTEREST NOTIFICATION (APR 1984)

(a) The prospective Contractor certifies, to the best of its knowledge and belief, that it is not aware of any information bearing on the existence of any potential organizational conflict of interest. If the prospective Contractor cannot so certify, it shall provide a disclosure statement in its proposal which describes all relevant facts and circumstances which could give rise to an organizational conflict of interest, as defined in FAR subpart 9.5, or that the Contractor has disclosed all such relevant information.

(b) Prior to commencement of any work, the Contractor agrees to notify the Contracting Officer immediately that, to the best of its knowledge and belief, no actual or potential conflict of interest exists or to identify to the Contracting Officer any actual or potential conflict of interest the firm may have. In emergency situations, however, work may begin but notification shall be made within five (5) working days.

(c) The Contractor agrees that if an actual or potential organizational conflict of interest is identified during performance, the Contractor will immediately make a full disclosure in writing to the Contracting Officer. This disclosure shall include a description of actions which the Contractor has taken or

(End of provision)

1552.209–71 Organizational conflicts of interest.

As prescribed in 1509.507–2, insert the following contract clause in all contracts except:

(a) When specific clauses are required per EPAAR part 1509;

(b) When the procurement is with another Federal agency (however, the provision is included in contracts with SBA and its subcontractor under the 8(a) program); and

(c) When the procurement is accomplished through simplified acquisition procedures, use of the clause is optional.

ORGANIZATIONAL CONFLICTS OF INTEREST
(MAY 1994)

(a) The Contractor warrants that, to the best of the Contractor’s knowledge and belief, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest, as defined in FAR subpart 9.5, or that the Contractor has disclosed all such relevant information.

(b) Prior to commencement of any work, the Contractor agrees to notify the Contracting Officer immediately that, to the best of its knowledge and belief, no actual or potential conflict of interest exists or to identify to the Contracting Officer any actual or potential conflict of interest the firm may have. In emergency situations, however, work may begin but notification shall be made within five (5) working days.

(c) The Contractor agrees that if an actual or potential organizational conflict of interest is identified during performance, the Contractor will immediately make a full disclosure in writing to the Contracting Officer. This disclosure shall include a description of actions which the Contractor has taken or
proposes to take, after consultation with the Contracting Officer, to avoid, mitigate, or neutralize the actual or potential conflict of interest. The Contractor shall continue performance until notified by the Contracting Officer of any contrary action to be taken.

(d) Remedies—The EPA may terminate this contract for convenience, in whole or in part, if it deems such termination necessary to avoid an organizational conflict of interest. If the Contractor was aware of a potential organizational conflict of interest prior to award or discovered an actual or potential conflict after award and did not disclose it or misrepresented relevant information to the Contracting officer, the Government may terminate the contract for default, debar the Contractor from Government contracting, or pursue such other remedies as may be permitted by law or this contract.

(e) The Contractor agrees to insert in each subcontract or consultant agreement placed hereunder, except for subcontracts or consultant agreements for well drilling, fence erecting, plumbing, utility hookups, security guard services, or electrical services, provisions which shall conform substantially to the language of this clause, including this paragraph (e), unless otherwise authorized by the Contracting Officer.

(End of clause)

Alternate I. Contracts for other than Superfund work shall include Alternate I in this clause in lieu of paragraph (e).

(e) The Contractor agrees to insert in each subcontract or consultant agreement placed hereunder provisions which shall conform substantially to the language of this clause, including this paragraph, unless otherwise authorized by the contracting officer.

[49 FR 8867, Mar. 8, 1994, as amended at 59 FR 18620, Apr. 19, 1994]

1552.209–73 Notification of conflicts of interest regarding personnel.

As prescribed in 1509.507–2(b) insert the following clause:

NOTIFICATION OF CONFLICTS OF INTEREST REGARDING PERSONNEL (MAY 1994)

(a) In addition to the requirements of the contract clause entitled ‘‘Organizational Conflicts of Interest,’’ the following provisions which shall conform substantially to the language of this clause in lieu of paragraph (d), unless otherwise authorized by the Contracting Officer prior to incurring costs for that employee’s work when an employee may have a personal conflict of interest. In the event that the personal conflict of interest does not become known until after performance on the contract begins, the Contractor shall immediately notify the Contracting Officer of the personal conflict of interest. The Contractor shall continue performance of this contract until notified by the Contracting Officer of the appropriate action to be taken.

(d) The Contractor agrees to insert in any subcontract or consultant agreement placed hereunder, except for subcontracts or consultant agreements for well drilling, fence erecting, plumbing, utility hookups, security guard services, or electrical services, provisions which shall conform substantially to the language of this clause, including this paragraph (d), unless otherwise authorized by the Contracting Officer.

Alternate I. Contracts for other than Superfund work shall include Alternate I in this clause in lieu of paragraph (d).

(d) The Contractor agrees to insert in each subcontract or consultant agreement placed
LIMITATION OF FUTURE CONTRACTING (RAC) (APR 2004)  

(a) The parties to this contract agree that the Contractor will be restricted in its future contracting in the manner described below. Except as specifically provided in this clause, the Contractor shall be free to compete for contracts on an equal basis with other companies.

(b) The Contractor will be ineligible to enter into a contract for remedial action projects for which the Contractor has developed the statement of work or the solicitation package.

(c) The following applies when work is performed under this contract: Unless prior written approval is obtained from the cognizant EPA Contracting Officer, the Contractor, during the life of the work assignment, task order, or tasking document, agrees not to enter into a contract with or to represent any party, other than EPA, with respect to: (1) Any work relating to CERCLA activities which pertain to a site where the Contractor previously performed work for EPA under this contract; or (2) any work that may jeopardize CERCLA enforcement actions which pertain to a site where the Contractor previously performed work for the EPA under this contract.

(d) The Contractor and any subcontractors, during the life of this contract, shall be ineligible to enter into an EPA contract or a subcontract under an EPA contract, which supports EPA’s performance of Superfund Headquarters policy work including support for the analysis and development of regulations, policies, or guidance that govern, affect, or relate to the conduct of response action activities, unless otherwise authorized by the Contracting Officer. Examples of such contracts include, but are not limited to, Superfund Management and Analytical support contracts, and Superfund Technical and Analytical support contracts.

(e) The Contractor agrees in advance that if any bids/proposals are submitted for any work that would require written approval of the Contracting Officer prior to entering into a contract subject to the restrictions of this clause, then the bids/proposals are submitted at the Contractor’s own risk. Therefore, no claim shall be made against the Government to recover bid/proposal costs as a direct cost whether the request for authorization to enter into the contract is denied or approved.

(f) To the extent that the work under this contract requires access to proprietary or confidential business or financial data of other companies, and as long as such data remains proprietary or confidential, the Contractor shall protect such data from unauthorized use and disclosure.

(g) The Contractor agrees to insert in each subcontract or consultant agreement placed hereunder, except for subcontracts or consultant agreements for nondiscretionary technical or engineering services, including treatability studies, well drilling, fence erecting, plumbing, utility hookups, security guard services, or electrical services, provisions which shall conform substantially to the language of this clause, including this paragraph (g) unless otherwise authorized by the Contracting Officer. The Contractor may request in writing that the Contracting Officer exempt from this clause a particular subcontract or consultant agreement for nondiscretionary technical or engineering services not specifically listed above, including laboratory analysis. The Contracting Officer will review and evaluate each request on a case-by-case basis before approving or disapproving the request.

(h) If the Contractor seeks an expedited decision regarding its initial future contracting request, the Contractor may submit its request to both the Contracting Officer and the next administrative level within the Contracting Officer’s organization. Either a request for review or a request for reconsideration resulting from a request for reconsideration by the Contracting Officer will not prejudice the contractor from requesting a review by the next administrative level. Either a request for review or a request for reconsideration must be submitted to the appropriate level within 30 calendar days after receipt of the initial adverse determination.

Either a request for review or a request for reconsideration must be submitted to the appropriate level within 30 calendar days after receipt of the initial adverse determination.
LIMITATION OF FUTURE CONTRACTING
ALTERNATE II (START) (APR 2004)

(a) The parties to this contract agree that the Contractor will be restricted in its future contracting in the manner described below. Except as specifically provided in this clause, the Contractor shall be free to compete for contracts on an equal basis with other companies.

(b) If the Contractor, under the terms of this contract, or through the performance of work pursuant to this contract, is required to develop specifications or statements of work and such specifications or statements of work are incorporated into an EPA solicitation, the Contractor shall be ineligible to perform the work described in that solicitation as a prime Contractor or subcontractor under an ensuing EPA contract.

(c) Unless prior written approval is obtained from the cognizant EPA Contracting Officer, the Contractor, during the life of the technical direction document and for a period of five (5) years after the completion of the technical direction document, agrees not to enter into a contract with or to represent any party, other than EPA, with respect to:

(1) Any work relating to CERCLA activities which pertain to a site where the Contractor previously performed work for EPA under this contract; or
(2) Any work that may jeopardize CERCLA enforcement actions which pertain to a site where the Contractor previously performed work for the EPA under this contract.

(d) If the Contractor, under the terms of this contract, or through the performance of work pursuant to this contract, is required to develop specifications or statements of work and such specifications or statements of work are incorporated into an EPA solicitation, the Contractor shall be ineligible to perform the work described in that solicitation as a prime Contractor or subcontractor under an ensuing EPA contract.

(e) The Contractor and any subcontractors, during the life of this contract, shall be ineligible to enter into an EPA contract or a subcontract under an EPA contract, which supports EPA’s performance of Superfund Headquarters policy work including support for the analysis and development of regulations, policies, or guidance that govern, affect, or relate to the conduct of response action activities, unless otherwise authorized by the Contracting Officer. Examples of such contracts include, but are not limited to, Superfund Management and Analytical support contracts, and Superfund Technical and Analytical support contracts.

(g) To the extent that the work under this contract requires access to proprietary or confidential business or financial data of other companies, and as long as such data remains proprietary or confidential, the Contractor shall protect such data from unauthorized use and disclosure.

(h) The Contractor agrees to insert in each subcontract or consultant agreement placed hereunder, except for subcontracts or consultant agreements for nondiscretionary technical or engineering services, including treatability studies, well drilling, fence erecting, plumbing, utility hookups, security guard services, or electrical services, provisions which shall conform substantially to the language of this clause, including this paragraph (h) unless otherwise authorized by the Contracting Officer. The Contractor may request in writing that the Contracting Officer exempt from this clause a particular subcontract or consultant agreement for nondiscretionary technical or engineering services not specifically listed above, including laboratory analysis. The Contracting Officer will review and evaluate each request on a case-by-case basis before approving or disapproving the request.

(i) If the Contractor seeks an expedited decision regarding its initial future contracting request, the Contractor may submit its request to both the Contracting Officer and the next administrative level within the Contracting Officer’s organization.
(j) A review process available to the Contractor when an adverse determination is received shall consist of a request for reconsideration to the Contracting Officer or a request for review submitted to the next administrative level within the Contracting Officer’s organization. An adverse determination resulting from a request for reconsideration by the Contracting Officer will not preclude the Contractor from requesting a review by the next administrative level. Either a request for review or a request for reconsideration must be submitted to the appropriate level within 30 calendar days after receipt of the initial adverse determination.

LIMITATION OF FUTURE CONTRACTING
ALTERNATE IV (ESS) (SEP 2013)

(a) The parties to this contract agree that the Contractor will be restricted in its future contracting in the manner described below. Except as specified in this clause, the Contractor shall be free to compete for contracts on an equal basis with other companies.

(b) If the Contractor, under the terms of this contract, is required to perform work pursuant to this contract, is required to develop specifications or statements of work and such specifications or statements of work are incorporated into an EPA solicitation, the Contractor shall be ineligible to perform the work described in that solicitation as a prime Contractor or subcontractor under an ensuing EPA contract.

(c) The Contractor and any subcontractors, during the life of this contract, shall be ineligible to enter into an EPA contract or a subcontract under an EPA contract which supports EPA’s performance of Superfund Headquarters policy work including support for the analysis and development of regulations, policies, or guidance that govern, affect, or relate to the conduct of response action activities, unless otherwise authorized by the Contracting Officer. (d) To the extent that the work under this contract requires access to proprietary or confidential business or financial data of other companies, and as long as such data remains proprietary or confidential, the Contractor shall protect such data from unauthorized use and disclosure.

(e) The Contractor agrees to insert in each subcontract or consultant agreement placed hereunder, except for subcontracts or consultant agreements for nondiscretionary technical or engineering services, including treatability studies, well drilling, fence erecting, plumbing, utility hookups, security guard services, or electrical services, provisions which shall conform substantially to the language of this clause, including this paragraph (e) unless otherwise authorized by the Contracting Officer. The Contractor may request in writing that the Contracting Officer exempt from this clause a particular subcontract or consultant agreement for nondiscretionary technical or engineering services not specifically listed above, including laboratory analysis. The Contracting Officer will review and evaluate each request on a case-by-case basis before approving or disapproving the request.

(f) If the Contractor seeks an expedited decision regarding its initial future contracting request, the contractor may submit its request to both the Contracting Officer and the next administrative level within the Contracting Officer’s organization.

(g) A review process available to the Contractor when an adverse determination is received shall consist of a request for reconsideration to the Contracting Officer or a request for review submitted to the next administrative level within the Contracting Officer’s organization. An adverse determination resulting from a request for reconsideration by the Contracting Officer will not preclude the Contractor from requesting a review by the next administrative level. Either a request for review or a request for reconsideration must be submitted to the appropriate level within 30 calendar days after receipt of the initial adverse determination.

LIMITATION OF FUTURE CONTRACTING, ALTERNATE V (HEADQUARTERS SUPPORT) (APR 2004)

(a) The parties to this contract agree that the Contractor will be restricted in its future contracting in the manner described below. Except as specifically provided in this clause, the Contractor shall be ineligible to perform the work described in that solicitation as a prime Contractor or subcontractor under an ensuing EPA contract.

(b) The Contractor, under the terms of this contract, or through the performance of work pursuant to this contract, is required to develop specifications or statements of work and such specifications or statements of work are incorporated into an EPA solicitation, the Contractor shall be ineligible to perform the work described in that solicitation as a prime Contractor or subcontractor under an ensuing EPA contract.

(c) The Contractor, during the life of this contract, will be ineligible to enter into a contract with EPA to perform response action work (e.g., Response Action Contract (RAC), Emergency and Rapid Response Services (ERRS), Superfund Technical Assistance and Removal Team (START), and Enforcement Support Services (ESS) contracts), unless otherwise authorized by the Contracting Officer.

(d) The Contractor agrees in advance that if any bids/proposals are submitted for any work that would require written approval of the Contracting Officer prior to entering into a contract subject to the restrictions of this clause, then the bids/proposals are submitted at the Contractor's own risk. Therefore, no claim shall be made against the Government to recover bid/proposal costs as a direct cost whether the request for authorization to enter into the contract is denied or approved.

(e) To the extent that the work under this contract requires access to proprietary or confidential business or financial data of other companies, and as long as such data remain confidential, the Contractor shall protect such data from unauthorized use and disclosure.

(f) The Contractor agrees to insert in each subcontract or consultant agreement placed hereunder, except for subcontracts or consultant agreements for nondiscretionary technical or engineering services, including treatability studies, well drilling, fence erecting, plumbing, utility hookups, security guard services, or electrical services, provisions which shall conform substantially to the language of this clause, including this paragraph (f) unless otherwise authorized by the Contracting Officer. The Contractor may request in writing that the Contracting Officer exempt from this clause a particular subcontract or consultant agreement for nondiscretionary technical or engineering services not specifically listed above, including laboratory analysis. The Contracting Officer will review and evaluate each request on a case-by-case basis before approving or disapproving the request.

(g) If the Contractor seeks an expedited decision regarding its initial future contracting request, the Contractor may submit its request to both the Contracting Officer and the next administrative level within the Contracting Officer’s organization.

(h) A review process available to the Contractor when an adverse determination is received shall consist of a request for reconsideration to the Contracting Officer or a request for review submitted to the next administrative level within the Contracting Officer’s organization. An adverse determination resulting from a request for reconsideration by the Contracting Officer will not preclude the Contractor from requesting a review by the next administrative level. Either a request for review or a request for reconsideration must be submitted to the appropriate level within 30 calendar days after receipt of the initial adverse determination.

(End of clause)

LIMITATION OF FUTURE CONTRACTING:
ALTERNATE VI (SITE SPECIFIC) (APR 2004)

(a) The parties to this contract agree that the Contractor will be restricted in its future contracting in the manner described below. Except as specifically provided in this clause, the Contractor shall be free to compete for contracts on an equal basis with other companies.

(b) If the Contractor, under the terms of this contract, or through the performance of work pursuant to this contract, is required to develop specifications or statements of work and such specifications or statements of work are incorporated into an EPA solicitation, the Contractor shall be ineligible to perform the work described in that solicitation as a prime contractor or subcontractor under an ensuing EPA contract.

(c) Unless prior written approval is obtained from the cognizant EPA Contracting Officer, the Contractor, during the life of the contract and for a period of five (5) years after the expiration of the contract, or through the performance of work pursuant to this contract, or through the performance of work for other companies.

(d) During the life of this contract, including any options, the Contractor agrees that unless otherwise authorized by the Contracting Officer:

(1) It will not provide any Superfund Technical Assistance and Removal Team (START) type activities (e.g., START contracts) to EPA on the site either as a prime contractor, subcontractor, or consultant.

(2) It will be ineligible for award of contracts pertaining to this site which result from a CERCLA administrative order, a CERCLA or RCRA consent decree or a court order.

(e) The Contractor and any subcontractors, during the life of this contract, shall be ineligible to enter into an EPA contract or a subcontract under an EPA contract, which supports EPA’s performance of Superfund Headquarters policy work including support for the analysis and development of regulations, policies, or guidance that govern, affect, or relate to the conduct of response action activities, unless otherwise authorized by the Contracting Officer. Examples of such contracts include, but are not limited to, Superfund Management and Analytical support contracts, and Superfund Technical and Analytical support contracts.

(f) The Contractor agrees in advance that if any bids/proposals are submitted for any work that would require written approval of the Contracting Officer prior to entering into a contract subject to the restrictions of this clause, then the bids/proposals are submitted at the Contractor’s own risk. Therefore, no claim shall be made against the Government to recover bid/proposal costs as a direct cost whether the request for authorization to enter into the contract is denied or approved.

(g) To the extent that the work under this contract requires access to proprietary or confidential business or financial data of other companies, and as long as such data remains proprietary or confidential, the Contractor shall protect such data from unauthorized use and disclosure.
Environmental Protection Agency 1552.211–70

(h) Contractors who are performing nondiscretionary technical or engineering services, including construction work, may request a waiver from or modification to this clause by submitting a written request to the Contracting Officer. The Contracting Officer shall make the determination regarding whether to waive or modify the clause on a case-by-case basis.

(i) The Contractor agrees to insert in each subcontract or consultant agreement placed hereunder, except for subcontracts or consultant agreements for nondiscretionary technical or engineering services, including treatability studies, well drilling, fence erecting, plumbing, utility hookups, security guard services, or electrical services, provisions which shall conform substantially to the language of this clause, including this paragraph (i) unless otherwise authorized by the Contracting Officer. The Contractor may request in writing that the Contracting Officer exempt from this clause a particular subcontract or consultant agreement for nondiscretionary technical or engineering services not specifically listed above, including laboratory analysis. The Contracting Officer will review and evaluate each request on a case-by-case basis before approving or disapproving the request.

(j) If the Contractor seeks an expedited decision regarding its initial future contracting request, the Contractor may submit its request to both the Contracting Officer and the next administrative level within the Contracting Officer’s organization.

(k) A review process available to the Contractor when an adverse determination is received shall consist of a request for reconsideration to the Contracting Officer or a request for review submitted to the next administrative level within the Contracting Officer’s organization. An adverse determination resulting from a request for reconsideration by the Contracting Officer will not preclude the Contractor from requesting a review by the next administrative level. Either a request for review or a request for reconsideration must be submitted to the appropriate level within 30 calendar days after receipt of the initial adverse determination.

1552.210–73—1552.210–74 [Reserved]

1552.211–70 Reports of work.

As prescribed in 1511.011–70, insert one of the contract clauses in this subsection when the contract requires the delivery of reports, including plans, evaluations, studies, analyses and manuals. The basic clause should be used when reports are specified in a contract attachment. Alternate I is to be used to specify reports in the contract schedule.

REPORTS OF WORK (OCT 2000)

The Contractor shall prepare and deliver reports, including plans, evaluations, studies, analyses and manuals in accordance with Attachment 1. Each report shall cite the contract number, identify the U.S. Environmental Protection Agency as the sponsoring agency, and identify the name of the Contractor preparing the report. The OMB clearance number for progress reports delivered under this contract is 2003–0065.

(End of clause)

1552.209-75 Annual certification.

As prescribed in 1509.507–2(d), insert the following clause:

ANNUAL CERTIFICATION (MAY 1994)

The Contractor shall submit an annual conflict of interest certification to the Contracting Officer. In this certification, the Contractor shall certify annually that, to the best of the Contractor’s knowledge and belief, all actual or potential organizational conflicts of interest have been reported to EPA. In addition, in this annual certification, the Contractor shall certify that it has informed its personnel who perform work under EPA contracts or relating to EPA contracts of their obligation to report personal and organizational conflicts of interest to the Contractor. Such certification must be signed by a senior executive of the company and submitted in accordance with instructions provided by the Contracting Officer. The initial certification shall cover the one-year period from the date of contract award, and all subsequent certifications shall cover successive annual periods thereafter, until expiration or termination of the contract. The certification must be received by the Contracting Officer no later than 45 days after the close of the certification period covered.

(End of clause)
listed reports, including plans, evaluations, studies, analyses and manuals to the designated addressees. Each report shall cite the contract number, identify the U.S. Environmental Protection Agency as the sponsoring agency, and identify the name of the Contractor preparing the report.

The OMB clearance number for progress reports delivered under this contract is 2030-0005. Required reports are:

(End of clause)

1552.211–72 Monthly progress report.

As prescribed in 1511.011–72, insert the following clause:

MONTHLY PROGRESS REPORT (JUN 1996)

(a) The Contractor shall furnish ___ copies of the combined monthly technical and financial progress report stating the progress made, including the percentage of the project completed, and a description of the work accomplished to support the cost. If the work is ordered using work assignments or delivery orders, include the estimated percentage of task completed during the reporting period for each work assignment or delivery order.

(b) Specific discussions shall include difficulties encountered and remedial action taken during the reporting period, and anticipated activity with a schedule of deliverables for the subsequent reporting period.

(c) The Contractor shall provide a list of outstanding actions awaiting Contracting Officer authorization, noted with the corresponding work assignment, such as subcontractor consents, overtime approvals, and work plan approvals.

(d) The report shall specify financial status at the contract level as follows:

1. For the current period, display the amount claimed.
2. For the cumulative period and the cumulative contract life display: the amount obligated, amount originally invoiced, amount paid, amount suspended, amount disallowed, and remaining approved amount.

The remaining approved amount is defined as the total obligated amount, less the total amount originally invoiced, plus total amount disallowed.

3. Labor hours.
   1. A list of employees, their labor categories, and the numbers of hours worked for the reporting period.
   2. For the current reporting period display the expended direct labor hours (by EPA contract labor category), and the total loaded direct labor costs.
   3. For the cumulative contract period display: The negotiated and expended direct labor hours (by EPA labor category) and the total loaded direct labor costs.
   4. Display the estimated direct labor hours and costs to be expended during the next reporting period.
   5. Display the current dollar ceilings in the contract, net amount invoiced, and remaining amounts for the following categories: Direct labor hours, total estimated cost, award fee pool (if applicable), subcontracts by individual subcontractor, travel, program management, and Other Direct Costs (ODCs).
   6. Display billed allowable costs. Display the total costs incurred but unbilled for the current reporting period and cumulative for the contract.
   7. Average total cost per labor hour. For the current contract period, compare the actual cost per hour to date with the average total cost per hour of the approved work plans.
   8. The report shall specify financial status at the work assignment or delivery order level as follows:
      1. For the current period, display the amount claimed.
      2. For the cumulative period display:
         a. Display the expended direct labor hours (by EPA contract labor category).
         b. Display the total obligations, amount disallowed; and remaining approved amount.
         c. For the work plan amount or latest work assignment or delivery order amount (whichever is later), less total amounts originally invoiced, plus total amount disallowed.
      3. Labor hours.
         1. A list of employees, their labor categories, and the number of hours worked for the reporting period.
         2. For the current reporting period display the expended direct labor hours (by EPA contract labor category), and the total loaded direct labor hours.
         3. For the cumulative reporting period and the cumulative contract period display: The negotiated and expended direct labor hours (by EPA labor category) and the loaded direct labor rate.
(iv) Display the estimated direct labor hours and costs to be expended during the next reporting period.

(v) Display the estimates of remaining direct labor hours and costs required to complete the work assignment or delivery order.

(4) Unbilled allowable costs. Display the total costs incurred but unbilled for the current reporting period and cumulative for the work assignment.

(5) Average total cost labor hour. For the current contract period, compare the actual total cost per hour to date with the average total cost per hour of the approved workplans.

(6) A list of deliverables for each work assignment or delivery order during the reporting period.

(f) This submission does not change the notification requirements of the “Limitation of Cost” or “Limitation of Funds” clauses requiring separate written notice to the Contracting Officer.

(g) The reports shall be submitted to the following addresses on or before the due date of each month following the first complete reporting period of the contract. See EPAAR 1552.232–70, Submission of Invoices, paragraph (e), for details on the timing of submittals. Distribute reports as follows:

(End of clause)

1552.211–73 Level of effort—cost-reimbursement contract.

As prescribed in 1511.011–73, the contracting officer shall insert the following contract clause in cost-reimbursement contracts including cost contracts without fee, cost-sharing contracts, cost-plus-fixed-fee (CPFF) contracts, cost-plus-incentive-fee contracts (CPIF), and cost-plus-award-fee contracts (CPAF).

LEVEL OF EFFORT—COST-REIMBURSEMENT CONTRACT (MAY 2016)

(a) The Contractor shall perform all work and provide all required reports within the level of effort specified below. The Contractor shall provide up to direct labor hours for the base period. The Government’s best estimate of the level of effort to fulfill these requirements is provided for advisory and estimating purposes. The Government is only obligated to pay for direct labor hours ordered and corresponding fixed fee for labor hours completed.

(b) Direct labor includes personnel such as engineers, scientists, draftsmen, technicians, statisticians, and programmers, and not support personnel such as company management or data entry/word processing/accounting personnel even though such support personnel are normally treated as direct labor by the Contractor. The level of effort specified in paragraph (a) of this section includes Contractor, subcontractor, and consultant non-support labor hours.

(c) If the Contractor provides less than 90 percent of the level of effort specified for the base period or any optional period exercised, an equitable downward adjustment of the fixed fee, if any, for that period will be made. The downward adjustment will reduce the fixed fee by the percentage by which the total expended level of effort is less than 100% of that specified in paragraph (a). (For instance, if a hypothetical base-period LOE of 100,000 hours is being reduced to 70,000, the fixed fee shall also be reduced by the same 30%. Using a corresponding hypothetical base-period fixed fee pool of $300,000, the reduced fixed-fee amount is calculated as: $300,000 \times (70,000 \text{ hours} / 100,000 \text{ hours}) = $210,000.)

(d) The Government may require the Contractor to provide additional effort up to 110 percent of the level of effort for any period until the estimated cost for that period has been reached. However, this additional effort shall not result in any increase in the fixed fee, if any.

(e) If this is a cost-plus-incentive-fee (CPIF) contract, the term “fee” in paragraphs (c) and (d) of this section means “base fee and incentive fee.” If this is a cost-plus-award-fee (CPAF) contract, the term “fee” in paragraphs (c) and (d) means “base fee and award fee.”

(f) If the level of effort specified to be ordered during a given base or option period is not ordered during that period, that level of effort may not be accumulated and ordered during a subsequent period.

(g) These terms and conditions do not supersede the requirements of either the “Limitation of Cost” or “Limitation of Funds” clauses.
1552.211–74 Work assignments.

As prescribed in 1511.011–74, insert the following contract clause in cost-reimbursement contracts when work assignments are to be used.

Work Assignments (DEC 2014)

(a) The contractor shall perform work under this contract as specified in written work assignments issued by the Contracting Officer.

(b) Each work assignment may include (1) a numerical designation, (2) approved workplan labor hours or an estimated initial level of effort provided in accordance with 1511.011–74, (3) the period of performance and schedule of deliverables, and (4) the description of the work.

(c) The Contractor shall acknowledge receipt of each work assignment by returning to the Contracting Officer a signed copy of the work assignment within calendar days after its receipt. The Contractor shall begin working on a work plan immediately upon receipt of a work assignment. Within calendar days after receipt of a work assignment, the Contractor shall submit copies of a work plan to the Contract-level Contracting Officer’s Representative and copies to the Contracting Officer. The work plan shall include a detailed technical and staffing plan and a detailed cost estimate. Within calendar days after receipt of the work plan, the Contracting Officer will provide written approval or disapproval of it to the Contractor. The Contractor is not authorized to start work without an approved work plan unless approved by the Contracting Officer or otherwise specified. Also, if the Contracting Officer disapproves a work plan, the Contractor shall stop work until the problem causing the disapproval is resolved. In either case, the Contractor shall resume work only when the Contracting Officer approves the work plan.

(d) This clause does not change the requirements of the “Level of Effort” clause, nor the notification requirements of either the “Limitation of Cost” or “Limitation of Funds” clauses.

(e) Work assignments shall not allow for any change to the terms or conditions of the contract. Where any language in the work assignment may suggest a change to the terms or conditions, the Contractor shall immediately notify the Contracting Officer.

Alternate I. As prescribed in 1511.011–74, modify the existing clause by adding the following paragraph (f) to the basic clause:

(f) Within 20 days of receipt of the work assignment or similar tasking document, the Contractor shall provide a conflict of interest (COI) certification. Where work assignments or similar tasking documents are issued under this contract for work on or directly related to a site, the Contractor is only required to provide a COI certification for the first work assignment issued for that site. For all subsequent work on that site under this contract, the Contractor has a continuing obligation to search and report any actual or potential COIs, but no additional COI certifications are required.

Before submitting the COI certification, the Contractor shall search its records accumulated, at a minimum, over the past three years immediately prior to the receipt of the work assignment or similar tasking document. In the COI certification, the Contractor must certify to the best of the Contractor’s knowledge and belief that all actual or potential organizational COIs have been reported to the Contracting Officer, or that to the best of the Contractor’s knowledge and belief, no actual or potential organizational COIs exist. In addition, the Contractor must certify that its personnel who perform work under this work assignment or relating to this work assignment have been informed of their obligation to report personal and organizational COIs to the Contractor. The COI certification shall also include a statement that the Contractor recognizes its continuing obligation to identify and report any actual or potential COI arising during performance of this work assignment or other work related to this site.

Alternate II. As prescribed in 1511.011–74, modify the existing clause by adding the following paragraph (f) to the basic clause:

(f) Within 20 days of receipt of the work assignment or similar tasking document, the Contractor shall provide a conflict of interest (COI) certification. Where work assignments or similar tasking documents are issued under this contract for work on or directly related to a site, the Contractor is only required to provide a COI certification for the first work assignment issued for that site. For all subsequent work on that site under this contract, the Contractor has a continuing obligation to search and report any actual or potential COIs, but no additional COI certifications are required.

Before submitting the COI certification, the Contractor shall initially search through all of its available records to identify any actual or potential COIs. During the first three years of this contract, the Contractor shall search through all records created since the
Environmental Protection Agency

1552.211–75

beginning of the contract plus the records of the Contractor prior to the award of the contract until a minimum of three years of records are accumulated. Once three years of records have accumulated, prior to certifying, the Contractor shall search its records accumulated, at a minimum, over the past three years immediately prior to the receipt of the work assignment or similar tasking document. In the COI certification, the Contractor must certify to the best of the Contractor’s knowledge and belief, that all actual or potential organizational COIs have been reported to the Contracting Officer, or that to the best of the Contractor’s knowledge and belief, no actual or potential organizational COIs exist. In addition, the Contractor must certify that its personnel who perform work under this work assignment or relating to this work assignment have been informed of their obligation to report personal and organizational COIs to the Contractor. The COI certification shall also include a statement that the Contractor recognizes its continuing obligation to identify and report any actual or potential COI arising during performance of this work assignment or other work related to this site.

Alternate III. As prescribed in 1511.011–74, modify the existing clause by adding the following paragraph (f) to the basic clause:

(f) Within 20 days of receipt of the work assignment or similar tasking document, the Contractor shall provide a conflict of interest (COI) certification.

Before submitting the COI certification, the Contractor shall provide a conflict of interest (COI) certification.

Before submitting the COI certification, the Contractor shall search its records accumulated, at a minimum, over the past three years immediately prior to the receipt of the work assignment or similar tasking document. In the COI certification, the Contractor must certify to the best of the Contractor’s knowledge and belief, that all actual or potential organizational COIs have been reported to the Contracting Officer, or that to the best of the Contractor’s knowledge and belief, no actual or potential organizational COIs exist. In addition, the Contractor must certify that its personnel who perform work under this work assignment or relating to this work assignment have been informed of their obligation to report personal and organizational COIs to the Contractor. The COI certification shall also include a statement that the Contractor recognizes its continuing obligation to identify and report any actual or potential COI arising during performance of this work assignment.

[79 FR 75436, Dec. 18, 2014]

1552.211–75 Working files.

As prescribed in 1511.011–75, insert the following clause in all applicable EPA contracts.

WORKING FILES (APR 1984)

The Contractor shall maintain accurate working files (by task or work assignment) on all work documentation including calculations, assumptions, interpretations of regulations, sources of information, and other raw data required in the performance of this contract. The Contractor shall provide the information contained in the Contractor’s working files upon request of the Contracting Officer.

(End of clause)

1552.211–76 Legal analysis.

As prescribed in 1511.011–76, insert this contract clause when it is determined that the contract involves legal analysis.

**LEGAL ANALYSIS (APR 1984)**

The Contractor shall furnish to the Contracting Officer’s Representative one (1) copy of any draft legal analysis. The Government will provide a response to the Contractor within thirty (30) calendar days after receipt. The Contractor shall not finalize the analysis until the Government has given approval.

(End of clause)

1552.211–77 Final reports.

As prescribed in 1511.011–77, insert this contract clause when a contract requires both a draft and a final report.

**FINAL REPORTS (SEP 2013)**

(a) “Draft Report” The Contractor shall submit a copy of the draft final report on or before [date] to the Contracting Officer’s Representative and Contracting Officer in electronic format, unless specified otherwise by the Government. The draft shall be double-spaced or space-and-a-half and shall include all pertinent material required in the final report. The Government will review for approval or disapproval the draft and provide a response to the Contractor within [number] calendar days after receipt. If the Government does not provide a response within the allotted review time, the Contractor immediately shall notify the Contracting Officer in writing.

(b) “Final Report” The Contractor shall deliver a final report on or before the last day of the period of performance specified in the contract. Distribution is as follows:

1552.211–78 Advisory and assistance services.

As prescribed in 1511.011–78, insert the following contract clause in all contracts for advisory and assistance services.

**ADVISORY AND ASSISTANCE SERVICES (JUL 2016)**

All reports containing recommendations to the Environmental Protection Agency shall include the following information on the cover of each report: (a) Name and business address of the contractor; (b) contract number; (c) contract dollar amount; (d) whether the contract was subject to full and open competition or a sole source acquisition; (e) name of the EPA Contracting Officer’s Representative (COR) and the COR’s office identification and location; and (f) date of report.

(End of clause)

1552.211–79 Compliance with EPA policies for information resources management.

As prescribed in 1511.011–79, insert the following clause:

**COMPLIANCE WITH EPA POLICIES FOR INFORMATION RESOURCES MANAGEMENT (JUL 2016)**

(a) *Definition.* Information Resources Management (IRM) is defined as any planning, budgeting, organizing, directing, training, promoting, controlling, and managing activities associated with the burden, collection, creation, use and dissemination of information. IRM includes both information itself and the management of information and related resources such as personnel, equipment, funds, and technology. Examples
of those services include but are not limited to the following:

1. The acquisition, creation, or modification of a computer program or automated data base for delivery to EPA or use by EPA or contractors operating EPA programs.
2. The analysis of requirements for, study of the feasibility of, evaluation of alternatives for, or design and development of a computer program or automated data base for use by EPA or contractors operating EPA programs.
3. Services that provide EPA personnel access to or use of computer or word processing equipment, software, or related services.
4. Services that provide EPA personnel access to or use of: Data communications; electronic messaging services or capabilities; electronic bulletin boards, or other forms of electronic information dissemination; electronic record-keeping; or any other automated information services.

(b) General. The Contractor shall perform any IRM-related work under this contract in accordance with the IRM policies, standards, and procedures set forth on the Office of Environmental Information policy Web site. Upon receipt of a work request (i.e., delivery order, task order, or work assignment), the Contractor shall check this listing of directives. The applicable directives for performance of the work request are those in effect on the date of issuance of the work request. The 2100 Series (2100–2199) of the Agency’s Directive System contains the majority of the Agency’s IRM policies, standards, and procedures.

(c) Section 508 requirements (accessibility). Contract deliverables are required to be compliant with Section 508 requirements (accessibility for people with disabilities). The Environmental Protection Agency policy for 508 compliance can be found at www.epa.gov/accessibility.

(d) Electronic access. A complete listing, including full text, of documents included in the 2100 Series of the Agency’s Directive System is maintained on the EPA Public Access Server on the Internet at http://www2.epa.gov/irmpoli8/current-information-directives.

(End of clause)

1552.213–70 Notice to suppliers of equipment.

As prescribed in 1513.507(b), the Contracting Officer shall insert the following contract clause in orders for or lease of commercially available equipment.

1552.215–70 Notice to suppliers of equipment (APR 1984)

(a) It is the general policy of the Environmental Protection Agency that Contractor or vendor prescribed leases or maintenance agreements for equipment will NOT be executed.

(b) Performance in accordance with the terms and conditions of the vendor’s commercial lease, or customer service maintenance agreement, unless specified in the Schedule, may render the vendor’s performance unacceptable, thereby permitting the Government to apply such contractual remedies as may be permitted by law, regulation, or the terms of this order.

As prescribed in 1514.201–6(b), insert the following solicitation provision in invitations for bids (IFB) when it is appropriate to describe other factors that will be used in evaluating bids for award. This provision is used to describe the other factors mentioned in the solicitation provisions “Contract Award—Formal Advertising” (FAR 52.214–10), and “Contract Award—Construction” (FAR 52.214–19). All other evaluation provisions in the IFB (e.g., evaluation of options) should be cross-referenced in this provision. The other factors set forth in the provision should represent a consolidated statement of the exact basis upon which bids will be evaluated for award.

1552.215–72 Instructions for the Preparation of Proposals.

As prescribed in 1515.408(a)(1) insert the following provision:
INSTRUCTIONS FOR THE PREPARATION OF PROPOSALS (AUG 1999)

(a) Other than cost proposal instructions. (1) Submit proposal for than cost factors as a separate part of the total proposal package. Omit all cost or pricing details from this proposal.

(2) Special proposal instructions:

(b) Cost or pricing proposal instructions. The offeror shall prepare and submit cost or pricing information data and supporting attachments in accordance with Table 15–2 of FAR 15.408. In addition to a hard copy of the information, to expedite review of the proposal, submit an IBM-compatible software or storage device (e.g., USB flash drive or card reader) containing the financial data required, if this information is available using a commercial spreadsheet program on a personal computer. Submit this information using Microsoft Exchange 365, if available. Identify which version of Microsoft Exchange used. If the offeror used another spreadsheet program, indicate the software program used to create this information. Offerors should include the formulas and factors used in calculating the financial data. Although submission of a compatible software or device will expedite review, failure to submit a disk will not affect consideration of the proposal.

(1) General—Submit cost or pricing information prepared in accordance with FAR Table 15–2, Instructions for Submitting Cost/Price Proposals When Cost or Pricing Information Are Required and the following:

(A) Options to extend the term of the contract;

(B) Options for the Government to order incremental quantities; and/or

(C) Major tasks, if required by the special instructions.

(ii) If the contract schedule includes a “Fixed Rate for Services” clause, please provide in the cost proposal a schedule duplicating the format in the clause and include proposed fixed hourly rates per labor category for the base and any optional contract periods.

(iii) If the contract includes the clause at FAR 52.223–7, “Payments Under Time and Materials and Labor-Hour Contracts,” include in the cost proposal the estimated costs and burden rate to be applied to materials, other direct costs, or subcontracts. The Government will include these costs as part of its cost proposal evaluation.

(iv) If other divisions, subsidiaries, a parent or affiliated companies will perform work, provide the name and location of such affiliate and offeror’s intercompany pricing policy. Separately identify costs and supporting data for each entity proposed.

(v) The realism of costs, including personnel compensation rates (including effective hourly rates due to uncompensated overtime) will be part of the proposal evaluation. Any reductions to proposed costs or differences between proposed and known EPA/DCAA recommended rates must be fully explained. If an offeror makes a reduction which makes its offer or portions of its offer below anticipated costs, the offeror shall identify where (i.e., which elements of costs) the proposed reductions will be made. Unsubstantiated rates may result in an upward or downward adjustment of the cost proposals to reflect more realistic costs. Based on this analysis, a projected cost for the offeror will be calculated to reflect the Government’s estimate of the offeror’s probable costs. Any inconsistency, whether real or apparent, between the promised performance and cost or price should be explained. The burden of proof for cost credibility rests with the offeror.

(2) Direct labor. (i) The direct technical labor hours (level-of-effort) appearing in the solicitation are for professional and technical labor only. These hours do not include management at a level higher than project management, e.g., corporate and day-to-day management, nor do they include clerical personnel. If it is the offeror’s normal practice to charge these types of costs as direct costs, include these costs along with an estimate of the directly chargeable labor-hours for these personnel. These direct charges are to be shown separately from the technical (level-of-effort) effort. If this type of effort is normally included in the offeror’s indirect cost allocations, no estimate is required. However, direct charging of these on any resulting contract will not be allowed. Additionally, the direct technical labor hours are the workable hours required by the Government and do not include release time (i.e., holidays, vacation, etc.) Submit the proposal utilizing the labor categories and distribution of the level-of-effort specified in the solicitation. These are approximate distribution levels and do not necessarily represent the actual levels which may be experienced during contract performance.

(ii) Explain the basis of the proposed labor rates, including a complete justification for all judgmental factors used to develop weights applied to company’s category or individual rates that comprise the rates for labor categories specified in the solicitation. This explanation should describe how technical approach coincides with the proposed costs. If the proposed direct labor rates are based on an average of the individuals proposed to work on the contract, provide a list.
of the individuals proposed and the hours associated with each individual in deriving the rates. If the proposed direct labor rates are based on an average of company category rates, the offeror shall describe the labor categories and the percentages associated with each category in deriving the rates, explaining in detail the basis for the percentages assigned.

(iii) Describe for each labor category proposed, the company’s qualifications and experience requirements. If individual rates are used, provide the employee’s name. If specific individuals are identified in the technical proposal, correlate these individuals with the labor categories specified in the solicitation.

(iv) Provide a matrix summarizing the effort proposed, including the subcontracts, by professional and technical level specified in the solicitation.

(v) Indicate whether current rates or escalated rates are used. If escalation is included, state the degree (percent) and methodology. The methodology shall include the effective date of the base rates and the policy on salary reviews (e.g., anniversary date of employee or salary reviews for all employees on a specific date).

(vi) State whether any additional direct labor (new hire or temporary hires) will be required during the performance period of this acquisition. If so, state the number required, the professional or technical level and the methodology used to estimate proposed labor rates.

(vii) With respect to educational institutions, include the following information for those professional staff members whose salary is expected to be covered by a stipulated salary support agreement pursuant to OMB Circular A-21. (A) Individual’s name; (B) Annual salary and the period for which the salary is applicable; (C) List of other research Projects or proposals for which salaries are allocated, and the proportionate time charged to each; and (D) Other duties, such as teaching assignments, administrative assignments, and other institutional activities. Show the proportionate time charged to each. (Show proportionate time charges as a percentage of 100% of time for the entire academic year, exclusive of vacation or sabbatical leave.)

(viii) Uncompensated overtime. The decision to propose uncompensated overtime is the offeror’s decision. Should the offeror, however, elect to propose uncompensated overtime, the offeror must propose a methodology that is consistent with their cost accounting practices and company policy. If proposed, provide an estimate of any uncompensated overtime proposed for exempt personnel working at the offeror’s facilities. This estimate should identify the number of uncompensated labor hours and the percentage of compensated labor. Uncompensated labor hours are defined as hours for exempt personnel in excess of regular hours for a pay period which are actually worked and recorded in accordance with company policy. Provide a copy of the company policy on uncompensated overtime. Provide historical percentages of uncompensated overtime for the past three years. If proposed for subcontractors, provide separately with subcontractor information.

(ix) For labor rate contracts, for each fixed labor rate, offerors shall identify the basis for the loaded fixed hourly rate for each contract period for example, the rate might consist of the following cost elements: raw wage or salary rate, plus fringe benefits (if applicable), plus overhead rate (if applicable), plus G&A expense rate (if applicable), plus profit.

When determining the composite raw wage for a labor category, the offeror shall:

(A) provide in narrative form the basis for the raw wage for each labor category. If actual wages of current employees are used, the basis for the projections should be explained.

(B) If employees are subject to the Service Contract Act or Davis Bacon Act, they must be compensated at least at the minimum wage rate required by the applicable Wage Determination.

(3) Indirect costs (fringe, overhead, general, and administrative expenses). (i) If the rates have been recently approved, include a copy of the rate agreement. If the agreement does not cover the projected performance period of the proposed effort, provide the rationale and any estimated rate calculations for the proposed performance period.

(ii) Submit supporting documentation for rates which have not been approved or audited. Indicate whether computations are based upon historical or projected data.

(iii) Provide actual pool expenses, base dollars, or hours (as applicable for the past five years). Include the actual indirect rates for the past five years including the indirect rates proposed, the actual indirect rates experienced and, if available, the final negotiated rate. Indicate the amount of unallowable costs included in the historical data.

(iv) Offerors who propose indirect rates for new or substantially reorganized cost centers should consider offering to accept ceilings on the indirect rates at the proposed rates. Similarly, offerors whose subcontractors propose indirect rates for new or substantially reorganized cost centers should likewise consider offering to accept ceilings on the subcontractors’ indirect rates at the proposed rates.

Note to Paragraph (b)(3)(iv): The Government reserves the right to adjust an offeror’s or its subcontractor’s estimated indirect costs for evaluation purposes based on the
Agency’s judgment of the most probable costs up to the amount of any stated ceiling.

(v) If the employees are subject to the Service Contract Act or Davis Bacon Act, employees must receive the minimum level of benefits stated in the applicable Wage Determination.

(4) Travel expense. (i) If the solicitation specifies the amount of travel costs, this amount is exclusive of any applicable indirect costs and fee.

(ii) If the solicitation does not specify the amount of travel costs, attach a schedule illustrating how travel was computed. Include a breakdown indicating number of trips, number of travelers, destinations from and to, purpose and cost, e.g., mileage, transportation costs, subsistence rates.

(5) Equipment, facilities and special equipment, including tooling. (i) If direct charges for use of existing contractor equipment are proposed, provide a description of these items, including estimated usage hours, rates, and total costs.

(ii) If equipment purchases are proposed, provide a description of these items, and a justification as to why the Government should furnish the equipment or allow its purchase with contract funds. (Unless specified elsewhere in this solicitation, FAR 45.306-1 requires contractors to furnish all facilities in performance of contracts with certain limited exceptions.)

(iii) Identify Government-owned property in the possession of the offeror or proposed to be used in the performance of the contract, and the Government agency which has cognizance over the property.

(iv) Submit proposed rates or use charges for equipment, along with documentation to support those rates.

(v) If special purposes facilities or equipment are being proposed, provide a description of these items, details for the proposed costs including competitive prices, and justification as to why the Government should furnish the equipment or allow its purchase with contract funds.

(vi) If fabrication by the prime contractor is contemplated, include details of material, labor, and overhead.

(6) Other Direct Costs (ODC). (i) If the solicitation specifies the amount of other direct costs, this amount is exclusive of any applicable indirect cost and fee.

(ii) If the amount is not specified in the solicitation, attach a schedule detailing how other direct costs were computed. Identify the major ODC items that under the accounting system would be a direct charge on any resulting contract.

(iii) If any of the cost elements identified as part of the specified other direct costs are recovered as an indirect cost, in accordance with the offeror’s accounting system, those costs should not be included as a direct cost.

Complete explanation of this adjustment and the contractor’s practice should be provided.

(iv) Provide historical other direct costs dollars per level of effort on similar contracts or work assignments.

(7) Team subcontracts. When the cost of a subcontract is substantial (5 percent of the total estimated contract dollar value or $100,000, whichever is less), the offeror shall include the following subcontractor information:

(i) Provide details of subcontract costs in the same format as the prime contractor’s costs. This detailed information may be provided separately to the EPA if the subcontractor does not wish to provide this data to the prime contractor. Cost data provided separately by a contractor must be received by the time, date and at the location specified for the receipt of proposals. The subcontractor’s package should be clearly marked with the RFP number, the name of the prime offeror, and a statement that the package is subcontractor data relevant to the proposal from the prime offeror. If submitted with the prime contractor’s proposal, identify the subcontractors. State the amount of service estimated to be required and the quoted daily or hourly rate. Offerors are encouraged to provide letters of intent, signed by subcontractors, agreeing to a specified rate for life of the contract. Include a cost or price analysis of the subcontractor cost showing the reasons why the costs are considered reasonable;

(ii) Describe how the prospective team subcontractors were chosen as part of the offeror’s proposed team; and rationale for selection;

(iii) Describe the necessity for the subcontractor’s effort as either a supplement or complement to the offeror’s in-house expertise;

(iv) Identify the areas of the scope of work and the level of effort the subcontractors are anticipated to perform. Provide a reconciliation summary of the proposed hours and ODCs for the prime contractor and proposed subcontractor(s).

(v) Describe the prime contractor’s management structure and internal controls to ensure efficient and quality performance of team subcontractors.

(8) Facilities Capital Cost of Money (FCCM). When an offeror elects to claim FCCM as an allowable cost, the offeror must submit Form CASB-CNF and show calculation of the proposed amount. FCCM will be an allowable cost under the contemplated contract, if the criteria for allowability at FAR 31.205-10(a)(2) are met.

(End of provision)

Alternate I (AUG 1999). If the Government’s requirement is a fully dedicated
staff person for a twelve month period(s) for each specified position and performance is on a Government facility, add the following paragraph (b)(2)(x) to the basic provision:

(x) The level of effort for each position is to be proposed in work years. A work year is considered to consist of 2080 hours inclusive of direct and indirect time (40 hours per week × 52 weeks per year = 2080 hours). The proposal must identify proposed work years and clearly identify how many hours in each work year are direct (i.e., productive working hours) and how many are indirect (i.e., paid absences). If the company policy includes a different base work week, the total available hours would be different. For example, if the company’s policy calls for a 37.5 hour work week, offeror would deduct paid absences from 1950 hour (37.5 hours/week × 52 weeks/year = 1950 hours). Offeror should clearly identify the paid absences as to how many hours are for holiday and how many hours are for vacation and sick leave. The amount of indirect time (paid absences) identified in the proposal must be consistent with company policy and must allow for the ten Federal government holidays.

Alternate II (AUG 1999). If the Government’s requirement is a fully dedicated staff person for a twelve month period(s) for each specified position and performance is not on a Government facility; add the following paragraph (b)(2)(x) to the basic provision:

(x) The level of effort for each position is to be proposed in work years. A work year is considered to consist of 2080 hours inclusive of direct and indirect time (40 hours per week × 52 weeks per year = 2080 hours). The proposal must identify proposed work years and clearly identify how many hours in each work year are direct (i.e., productive working hours) and how many are indirect (i.e., paid absences). If the company policy includes a different base work week, the total available hours would be different. For example, if the company’s policy calls for a 37.5 hour work week, offeror would deduct paid absences from 1950 hour (37.5 hours/week × 52 weeks/year = 1950 hours). Offeror should clearly identify the paid absences as to how many hours are for holiday and how many hours are for vacation and sick leave.

Alternate III (AUG 1999). If the requirement is for the acquisition of supplies or equipment, substitute the following paragraphs (a)(iv)–(viii) and add (a)(ix) and (b).

(iv) Provide information as to how the proposed supplies or equipment meet the salient characteristics required by the contract line item;
(v) Provide published brochures, catalogs, or other technical literature by contract line item;
(vi) Meet any interface or compatibility requirements by contract line item;
(vii) Describe warranty services and how delivered by contract line item;
(viii) Assumptions, deviations and exceptions (as necessary); and
(ix) Additional information.

(b) Supplies—Provide unit pricing by contract line items for:
(i) each line item;
(ii) delivery;
(iii) installation;
(iv) sets of operating manuals;
(v) training;
(vi) warranty;
(vii) maintenance; and
(viii) volume discounts.

[64 FR 47417, Aug. 31, 1999]

1552.215–74 Advanced understanding—uncompensated time.

As prescribed in 1515.408(b), insert the following provision or one substantially the same as the following provision:

ADVANCED UNDERSTANDING—UNCOMPENSATED TIME (AUG 1999)

(a) The estimated cost of this contract is based upon the Contractor's proposal which specified that exempt personnel identified to work at the Contractor's facilities will provide uncompensated labor hours to the contract totaling ___ percent of compensated labor. (Note: the commitment for uncompensated time, and the formula elements in paragraph (b) below, apply only to exempt personnel working at the Contractor's facilities and does not include non-exempt personnel or exempt personnel working at other facilities.) Uncompensated labor hours are defined as hours of exempt personnel in excess of regular hours for a ___ pay period which are actually worked and recorded in accordance with the company policy, entitled.

(b) Recognizing that the probable cost to the Government for the labor provided under this contract is calculated assuming a proposed level of uncompensated labor hours, it is hereby agreed that in the event the proposed level of uncompensated labor hours are not provided, an adjustment, calculated in accordance with the following formula will be made to the contract amount.

Formula:

Adjustment equals estimated value of uncompensated time hours not provided.

Target uncompensated time percent minus percent.

Shortage of uncompensated time percent minus actual cost percent.

Estimated value of uncompensated time hours not provided equals shortage of uncompensated time percent times total exempt applicable direct labor costs (including applicable indirect costs).

(c) Within three weeks after the end of the contract, the Contractor shall submit a statement concerning the amount of uncompensated time hours delivered during the contract. In the event there is a shortage of uncompensated time hours provided, a calculation, utilizing the above formula will be made and this calculation will be the basis for an adjustment in the contract amount.

(d) In the event adjustments are made to the contract, the adjusted amounts shall not be allowable as a direct or indirect cost to this or any other Government contract.

(End of clause)

[64 FR 47418, Aug. 31, 1999]

1552.215–75 Past performance information.

As prescribed in 1515.209(c), insert the following clause:

PAST PERFORMANCE INFORMATION (OCT 2000)

(a) Offerors shall submit the information requested below as part of their proposal for both the offeror and any proposed subcontractors for subcontracts expected to exceed $ * . The information may be submitted prior to other parts of the proposal in order to assist the Government in reducing the evaluation period.

(b) Offerors shall submit a list of all or at least * contracts and subcontracts completed in the last * years, and all contracts and subcontracts currently in process, which are similar in nature to this requirement.

1. The contracts and subcontracts listed may include those entered into with Federal, State and local governments, and commercial businesses, which are of similar scope, magnitude, relevance, and complexity to the requirement which is described in the RFP. Include the following information for each contract and subcontract listed:

(a) Name of contracting activity.

(b) Contract number.

(c) Contract title.

(d) Contract type.
(e) Brief description of contract or subcontract and relevance to this requirement.

(f) Total contract value.

(g) Period of performance.

(h) Contracting officer, telephone number, and E-mail address (if available).

(i) Program manager/project officer, telephone number, and E-mail address (if available).

(j) Administrative Contracting officer, if different from (h) above, telephone number, and E-mail address (if available).

(k) List of subcontractors (if applicable).

(l) Compliance with subcontracting plan goals for small disadvantaged business concerns, monetary targets for small disadvantaged business participation, and the notifications submitted under FAR 19.1202–4(h), if applicable.

(m) Offerors should not provide general information on their performance on the identified contracts and subcontracts. General performance information will be obtained from the references.

(n) Offerors may provide information on problems encountered and corrective actions taken on the identified contracts and subcontracts.

(o) References that may be contacted by the Government include the contracting officer, program manager/project officer, or the administrative contracting officer identified above.

(p) If no response is received from a reference, the Government will make an attempt to contact another reference identified by the offeror, to contact a reference not identified by the offeror, or to complete the evaluation with those references who responded. The Government shall consider the information provided by the references, and may also consider information obtained from other sources, when evaluating an offeror's past performance.

(q) Attempts to obtain responses from references will generally not go beyond two telephonic messages and/or written requests from the Government, unless otherwise stated in the solicitation. The Government is not obligated to contact all of the references identified by the offeror.

(r) If negative feedback is received from an offeror's reference, the Government will compare the negative response to the responses from the offeror's other references to note differences. A score will be assigned appropriately to the offeror based on the information. The offeror will be given the opportunity to address adverse past performance information obtained from references on which the offeror has not had a previous opportunity to comment, if that information makes a difference in the Government's decision to include the offeror in or exclude the offeror from the competitive range. Any past performance deficiency or significant weakness will be discussed with offerors in the competitive range during discussions.

(e) Offerors must send Client Authorization Letters (see Section J of the solicitation) to each reference listed in their proposal to assist in the timely processing of the past performance evaluation. Offerors are encouraged to consolidate requests whenever possible (i.e., if the same reference has several contracts, send that reference a single notice citing all applicable contracts). Offerors may send Client Authorization Letters electronically to references with copies forwarded to the contracting officer.

(1) If an offeror has no relevant past performance history, an offeror must affirmatively state that it possesses no relevant past performance history.

(2) Client Authorization Letters should be mailed or E-mailed to individual references no later than five (5) working days after proposal submission. The offeror shall forward a copy of the Client Authorization Letter to the contracting officer simultaneously with mailing to references.

(f) Each offeror may describe any quality awards or certifications that indicate the offeror possesses a high-quality process for developing and producing the product or service required. Such awards or certifications include, for example, the Malcolm Baldrige Quality Award, other Government quality awards, and private sector awards or certifications.

(1) Identify the segment of the company (one division or the entire company) which received the award or certification.

(2) Describe when the award or certification was bestowed. If the award or certification is over three years old, present evidence that the qualifications still apply.

(g) Past performance information will be used for both responsibility determinations and as an evaluation factor for award. The Past Performance Questionnaire identified in section J will be used to collect information on an offeror's performance under existing and prior contracts/subcontracts for products or services similar in scope, magnitude, relevance, and complexity to this requirement in order to evaluate offerors consistently with the past performance evaluation factor set forth in section M. References other than those identified by the offeror may be contacted by the Government and used in the evaluation of the offeror's past performance.

(h) Any information collected concerning an offeror's past performance will be maintained in the official contract file.

(i) In accordance with FAR 15.305(a)(1)(iv), offerors with no relevant past performance history, or for whom information on past performance is not available, will be evaluated neither favorably nor unfavorably on past performance.

1552.215–76 [Reserved]

1552.216–70 Award Fee.
As prescribed in 1516.406(a), insert the following clause:

AWARD FEE (MAY 2000)

(a) The Government shall pay the contractor a base fee, if any, and such additional fee as may be earned, as provided in the award fee plan incorporated into the Schedule.

(b) Award fee determinations made by the Government under this contract are unilaterally determined by the Fee Determination Official (FDO). The amount of the award fee to be paid is determined by the Government’s judgmental evaluation of the contractor’s performance in terms of the criteria stated in the contract. This determination and the methodology for determining the award fee are unilateral decisions made solely at the discretion of the Government.

(c) The Government may unilaterally change the award fee plan at any time, via contract modification, at least thirty (30) calendar days prior to the beginning of the applicable evaluation period. Changes issued in a unilateral modification are not subject to equitable adjustments, consideration, or any other renegotiation of the contract.

[60 FR 43404, Aug. 21, 1995, as amended at 65 FR 31500, May 18, 2000; 81 FR 31528, May 19, 2016]

1552.216–71 Date of Incurrence of Cost.
At prescribed in 1516.307, insert the following contract clause in cost-reimbursement contracts when an anticipatory cost letter has been issued on the project. The beginning dates and the not-to-exceed amount to be inserted in the clause should be those in the anticipatory cost letter.

DATE OF INCURRENCE OF COST (APR 1984)
The Contractor is entitled to reimbursement for allowable, allocable costs incurred during the period of . to the award date of this contract in an amount not to exceed $ . All terms and conditions of this contract are in effect from .

(End of clause)

1552.216–72 Ordering—by designated ordering officers.

As prescribed in 1516.505(a), insert the subject clause, or a clause substantially similar to the subject clause, in indefinite delivery/indefinite quantity type solicitations and contracts.

ORDERING—BY DESIGNATED ORDERING OFFICERS (JUL 2014)

(a) The Government will order any supplies and services to be furnished under this contract by issuing task/delivery orders on Optional Form 347, or an agency prescribed form, from [ ] through [ ]. In addition to the Contracting Officer, the following individuals are authorized ordering officers.

(b) A Standard Form 30 will be the method of amending task/delivery orders.

(c) The Contractor shall acknowledge receipt of each order by having an authorized company officer sign either a copy of a transmittal letter or signature block on page 3 of the task/delivery order, depending upon which is provided, within [ ] calendar days of receipt.

(d) Prior to the placement of any task/delivery order, the Contractor will be provided with a proposed Performance Work Statement/Statement of Work and will be asked to respond with detailed technical and cost proposals within [ ] calendar days or less. The technical proposal will delineate the Contractor’s interpretation for the execution of the PWS/SOW, and the pricing proposal will be the Contractor’s best estimate for the hours, labor categories and all costs associated with the execution. The proposals are subject to negotiation. The Ordering Officer and the Contractor shall reach agreement on all the material terms of each order prior to the order being issued.

(e) Each task/delivery order issued will incorporate the Contractor’s technical and cost proposals as negotiated with the Government, and will have a ceiling price which the contractor shall not exceed. When the Contractor has reason to believe that the labor payment and support costs for the order which will accrue in the next thirty (30) days will bring total cost to over 85 percent of the ceiling price specified in the order, the Contractor shall notify the Ordering Officer.

(f) Under no circumstances will the Contractor start work prior to the issue date of the task/delivery order unless specifically authorized to do so by the Ordering Officer. Any verbal authorization will be confirmed
in writing by the Ordering Officer or Contracting Officer within ___ calendar days.

(End of clause)

Alternate I. As prescribed in 1516.505(a), insert the subject clause, or a clause substantially similar to the subject clause, in indefinite delivery/indefinite quantity contracts when formal input from the Contractor will not be obtained prior to order issuance.

(a) The Government will order any supplies and services to be furnished under this contract by issuing task/delivery orders on Optional Form 347, or any agency prescribed form, from ___ through ___. In addition to the Contracting Officer, the following individuals are authorized ordering officers:

(b) A Standard Form 30 will be the method of amending task/delivery orders.

(c) The Contractor shall acknowledge receipt of each order and shall prepare and forward to the Ordering Officer within ___ calendar days the proposed staffing plan for accomplishing the assigned task within the period specified.

(d) If the Contractor considers the estimated labor hours or specified work completion date to be unreasonable, the Contractor shall promptly notify the Ordering Officer and Contracting Officer in writing within ___ calendar days, stating why the estimated labor hours or specified completion date is considered unreasonable.

(e) Each task/delivery order will have a ceiling price, which the Contractor may not exceed. When the Contractor has reason to believe that the labor payment and support costs for the order, which will accrue in the next thirty (30) days, will bring total cost to over 85 percent of the ceiling price specified in the order, the Contractor shall notify the Ordering Officer.

(f) Paragraphs (c), (d), and (e) of this clause apply only when services are being ordered.

(End of clause)

1552.216–74 Payment of fee.

As prescribed in 1516.307(b), insert the following clause:

PAYMENT OF FEE (MAY 1991)

(a) The term fee in this clause refers to either the fixed fee under a cost-plus-fixed-fee type contract, or the base fee under a cost-plus-award-fee type contract.

(b) The Government will make provisional fee payments on the basis of percentage of work completed. Percentage of work completed is the ratio of direct labor hours performed to the direct labor hours set forth in clause 1552.211–73, Level of Effort—Cost-Reimbursement Term Contract.

(End of clause)
1552.216–75 Base fee and award fee proposal.

As prescribed in 1516.406(b), insert the following clause:

BASE FEE AND AWARD FEE PROPOSAL (FEB 1999)

For the purpose of this solicitation, offerors shall propose a combination of base fee and award fee. Base fee shall not exceed 3% of the estimated cost, excluding fee, and the award fee shall not be less than ____% of the total estimated cost, excluding fee. The combined percentages of base and award fee shall not exceed ____% of the total estimated cost, excluding fee.

1552.216–76 Estimated cost and cost-sharing.

As prescribed in 1516.307(c), insert the following clause:

ESTIMATED COST AND COST-SHARING (APR 1996)

(a) The total estimated cost of performing the work under this contract is $_____. The Contractor’s share of this cost shall not exceed $_____. The Government’s share of this cost shall not exceed $_____.

(b) For performance of the work under the contract, the Contractor shall be reimbursed for not more than ____ percent of the cost of performance determined to be allowable under the Allowable Cost and Payment clause. The remaining balance of allowable cost shall constitute the Contractor’s share.

(c) Fee shall not be paid to the prime contractor under this cost-sharing contract.

(d) The Contractor shall maintain records of all costs incurred and claimed for reimbursement as well as any other costs claimed as part of its cost share. Those records shall be subject to audit by the Government.

(e) Costs contributed by the Contractor shall not be charged to the Government under any other contract, grant or agreement (including allocation to other contracts as part of an independent research and development program) nor be included as contributions under any other Federal contract.

[61 FR 14505, Apr. 2, 1996]

1552.216–77 Award term incentive.

As prescribed in 1516.406(c), insert a clause substantially the same as follows:

AWARD TERM INCENTIVE (FEB 2008)

(a) General. This contract may be extended as set forth in paragraph (b) based on overall contractor performance as evaluated in accordance with the Clause entitled “Award Term Incentive Plan,” provided the Agency has a need for the effort at or before the time an award term is to commence, and if the contractor receives notice of the availability of funding for an award term period pursuant to the “Award Term Availability of Funds” clause. The Contracting Officer is responsible for the overall award term evaluation and award term decision. The Contracting Officer will unilaterally decide whether or not the contractor is eligible for an award term extension, and in conjunction with the Contracting Officer’s Representative, will determine the need for continued performance and funding availability.

(b) Period of performance. Provided the contractor has achieved the performance measures, e.g., acceptable quality levels, set forth in the clause “Award Term Incentive Plan,” the Contracting Officer may extend the contract by exercising [insert the total award term incentive periods] additional award term incentive period(s) of [insert the award term incentive period] months each. The total maximum period of performance under this contract, if the Government exercises any option periods and all award term incentive periods is [insert the total of the base period, option periods (if any), and award term incentive periods] years.

(c) Right not to grant or cancel the award term incentive. (1) The Government has the unilateral right not to grant or to cancel award term incentive periods and the associated award term incentive plans if—

(i) The Contracting Officer has failed to initiate an award term incentive period, regardless of whether the contractor’s performance permitted the Contracting Officer to consider initiating the award term incentive period; or

(ii) The contractor has failed to achieve the performance measures for the corresponding evaluation period; or

(iii) The Government notifies the contractor in writing it does not have funds available for the award term incentive periods; or

(iv) The Government no longer has a need for the award term incentive period at or before the time an award term incentive period is to commence.

(2) When an award term incentive period is not granted or cancelled, any—
(i) Prior award term incentive periods for which the contractor remains otherwise eligible are unaffected.

(ii) Subsequent award term incentive periods are thereby also cancelled.

(d) Cancellation of an award term incentive period that has not yet commenced for any of the reasons set forth in paragraph (c) of this clause shall not be considered either a termination for convenience or termination for default, and shall not entitle the contractor to any termination settlement or any other compensation. If the award term incentive is cancelled, a unilateral modification will cite this clause as the authority.

(e) Award term incentive administration. The award term incentive evaluation(s) will be completed in accordance with the schedule in the Award Term Incentive Plan. The contractor will be notified of the results and their eligibility to be considered for the respective award term incentive no later than 120 days after an evaluation period. The contractor may request a review of an award term incentive evaluation which has resulted in the contractor being ineligible for the award term incentive. The request shall be submitted in writing to the Contracting Officer within 15 days after notification of the results of the evaluation.

(f) Review process. The contractor may request a review of an award term incentive evaluation which has resulted in the contractor being ineligible for the award term incentive. The request shall be submitted in writing to the Contracting Officer within 15 days after notification of the results of the evaluation.

1552.216–78 Award term incentive plan.

As prescribed in 1516.406(c), insert a clause substantially the same as follows:

AWARD TERM INCENTIVE PLAN (FEB 2008)

(a) The Award Term Incentive Plan provides for the evaluation of performance, and, together with Agency need and availability of funding, serves as the basis for award term decisions. The Award Term Incentive Plan may be unilaterally revised by the Government. Any changes to the Award Term Incentive Plan will be made in writing and incorporated into the contract through a unilateral modification citing this clause. The Government will consult with the contractor prior to the issuance of a revised Award Term Incentive Plan, but is not required to obtain the contractor’s consent to the revisions.

(b) [describe the evaluation periods and associated award term incentive periods, e.g., months 1-18 for award term incentive period I, and months 19-36 for award term incentive period II]

(c) [describe the evaluation schedule, e.g., 90 days after the end of the evaluation period]

(d) In order to be eligible for an award term incentive period the contractor must achieve all of the acceptable quality levels (AQL) for the evaluated tasks, both individually and aggregate, for that evaluation period. Failure to achieve any AQL renders the contractor ineligible for the associated award term incentive period. [Identify the most significant tasks. Describe the AQL for each task as well as an overall AQL for the associated evaluation periods, e.g., an AQL of 90% each for tasks 1 and 3, and an AQL of 85% for task 7, and an overall AQL of 90% for the months 1–18 evaluation period]

(e) [If the contract will contain a quality assurance surveillance plan (QASP), reference the QASP, e.g., attachment 2. Typically, the performance standards and AQLs will be defined in the QASP]

(End of clause)

Alterate 1 (FEB 2008) As prescribed in 1516.406(d), substitute paragraphs substantially the same as following paragraphs (b) through (e) for paragraphs (b) through (e) in the basic clause:

(b) At the conclusion of each contract year, an average contract rating shall be determined by using the numerical ratings entered into the Department of Defense Contractor Performance Assessment Reporting System (CPARS) for this contract. The CPARS is an interactive database located on the Internet which EPA uses to record contractor performance evaluations.

(c) The contract year average rating shall be obtained by dividing the combined ratings by the number of ratings, for example:

<table>
<thead>
<tr>
<th>Criteria</th>
<th>Rating</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quality of Product or Service</td>
<td>5.</td>

<tr>
<td>Cost Control</td>
<td>4.</td>
</tr>
<tr>
<td>Timeliness of Performance</td>
<td>4.</td>
</tr>
<tr>
<td>Business Relations</td>
<td>5.</td>
</tr>
</tbody>
</table>

18 (combined rating) = 4.5 contract year average rating.

(d) The contractor shall be evaluated for performance from the start of the contract through Year .......................... (identify the evaluation period, e.g., year three). The average rating for each contract year (as derived in paragraph (c) above) will be combined and divided by [insert the number of evaluation periods] to obtain an overall average rating, for example:

<table>
<thead>
<tr>
<th>Evaluation period</th>
<th>Average rating</th>
</tr>
</thead>
<tbody>
<tr>
<td>Year One</td>
<td>4.5</td>

<td></td>
</tr>
<tr>
<td>/ 3 (number of evaluation periods)</td>
<td></td>
</tr>
<tr>
<td>= 4.66 overall average rating</td>
<td></td>
</tr>
</tbody>
</table>

(e) Based on the overall average rating as determined under paragraph (d), provided that no individual rating, i.e., Quality of Product or Service, Cost Control, Timeliness of Performance, or Business Relations is below a 3, the contractor shall be eligible for the following award term periods:

1. Overall average rating of 4.6 to 5.0—Two award term incentive periods of [insert the number of months] months.
2. Overall average rating of 4.0 to 4.6—One award term incentive period of [insert the number of months] months.

1552.217–71 Option to extend the term of the contract—cost-type contract.

As prescribed in 1517.208(b), insert this contract clause in cost-reimbursement type term form contracts when applicable. If only one option period is used, enter “NA” in the proper places of the clause. If more than two option periods apply, the clause may be modified accordingly.

OPTION TO EXTEND THE TERM OF THE CONTRACT—COST-TYPE CONTRACT (APR 1984)

The Government has the option to extend the term of this contract for ______ additional period(s). If more than 60 days remain in the contract period of performance, the Government, without prior written notification, may exercise this option by issuing a contract modification. To exercise this option within the last 60 days of the period of performance, the Government must provide to the Contractor written notification prior to that last 60-day period. This preliminary notification does not commit the Government to exercising the option. The Government’s estimated level of effort is ______ direct labor hours for the first option period and ______ for the second. Use of an option will result in the following contract modifications:

(a) The “Period of Performance” clause will be amended to cover a base period from ______ to ______ and option periods from ______ to ______ and ______ to ______.

(b) Paragraph (a) of the “Level of Effort” clause will be amended to reflect a new and separate level of effort of ______ for the first option period and a new and separate level of effort of ______ for the second option period.

(c) The “Estimated Cost and Fixed Fee” clause will be amended to reflect increased estimated costs and fixed fee for each option period as follows:

(End of clause)

Option to extend the effective period of the contract—time and materials or labor hour contract.

As prescribed in 1517.208(f), insert this clause in time and materials or labor hour type contracts when applicable. This clause will be modified to reflect the actual number of option periods for the acquisition. If only one option period is used, modify (c) accordingly.

**OPTION TO EXTEND THE EFFECTIVE PERIOD OF THE CONTRACT—TIME AND MATERIALS OR LABOR HOUR CONTRACT (APR 1984)**

(a) The Government has the option to extend the effective period of this contract for additional period(s). If more than sixty (60) days remain in the contract effective period, the Government, without prior written notification, may exercise this option by issuing a contract modification. To unilaterally exercise this option within the last 60 days of the effective period, the Government must issue written notification of its intent to exercise the option prior to that last 60-day period. This preliminary notification does not commit the Government to exercising the option.

(b) If the option(s) are exercised, the “Ceiling Price” clause will be modified to reflect a new and separate ceiling price of $ for the first option period and a new and separate ceiling price of $ for the second option period.

(c) The “Effective Period of the Contract” clause will be modified to cover a base period from to and option periods from to and to .

(End of clause)

Option to extend the effective period of the contract—indefinite delivery/indefinite quantity contract.

As prescribed in 1517.208(g), the following is used in indefinite delivery/indefinite quantity type contracts with options to extend the effective period of the contract. The clause may be adjusted depending upon the number of options. If only one option period is used, modify (b) and (c) accordingly.

1552.219–70 Mentor-Protégé Program.

As prescribed in 1519.203(a), insert the following clause:

MENTOR-PROTÉGE´ PROGRAM (JUL 2016)

(a) The Contractor has been approved to participate in the EPA Mentor-Protégé Program. The purpose of the Program is to increase the participation of small disadvantaged businesses (SDBs) as subcontractors, suppliers, and ultimately as prime contractors; establish a mutually beneficial relationship with SDBs and EPA’s large business prime contractors (although small businesses may participate as Mentors); develop the technical and corporate administrative expertise of SDBs which will ultimately lead to greater success in competition for contract opportunities; promote the economic stability of SDBs; and aid in the achievement of goals for the use of SDBs in subcontracting activities under EPA contracts.

(b) The Contractor shall submit an executed Mentor-Protégé agreement to the Contracting Officer, with a copy to the Office of Small Business Programs (OSBP) or the Small Business Specialist, within thirty (30) calendar days after the effective date of the contract. The Contracting Officer will notify the Contractor within thirty (30) calendar

1552.219–71 Procedures for Participation in the EPA Mentor-Protege Program.

As prescribed in 1519.203(b), insert the following provision:

PROCEDURES FOR PARTICIPATION IN THE EPA MENTOR-PROTEGE PROGRAM (JUL 2016)

(a) This provision sets forth the procedures for participation in the EPA Mentor-Protege Program (hereafter referred to as the Program). The purpose of the Program is to increase the participation of concerns owned and/or controlled by socially and economically disadvantaged individuals as subcontractors, suppliers, and ultimately as prime contractors; to establish a mutually beneficial relationship between these concerns and EPA’s large business prime contractors (although small businesses may participate as Mentors); to develop the technical and corporate administrative expertise of these concerns, which will ultimately lead to greater success in competition for contract opportunities; to promote the economic stability of these concerns; and to aid in the achievement of goals for the use of these concerns in subcontracting activities under EPA contracts. If the successful offeror is accepted into the Program they shall serve as a Mentor to a Protege firm(s), providing developmental assistance in accordance with an agreement with the Protege firm(s).

(b) To participate as a Mentor, the offeror must receive approval in accordance with paragraph (b) of this section.

(c) A Protege must be a concern owned and/or controlled by socially and economically disadvantaged individuals within the meaning of section 8(a)(5) and (6) of the Small Business Act (15 U.S.C. 637(a)(5) and (6)), including historically black colleges and universities. Further, in accordance with Public Law 102-389 (the 1993 Appropriation Act), for EPA’s contracting purposes, economically and socially disadvantaged individuals shall be deemed to include women.

(d) Where there may be a concern regarding the Protege firm’s eligibility to participate in the program, the protege’s eligibility will be determined by the contracting officer after the SBA has completed any formal determinations.

(e) The offeror shall submit an application in accordance with paragraph (e) of this section as part of its proposal which shall include as a minimum the following information:

(1) A statement and supporting documentation that the offeror is currently performing under at least one active Federal contract with an approved subcontracting plan and is eligible for the award of Federal contracts;

(2) A summary of the offeror’s historical and recent activities and accomplishments under any disadvantaged subcontracting programs. The offeror is encouraged to include any initiatives or outreach information believed pertinent to approval as a Mentor firm;

(3) The total dollar amount (including the value of all option periods or quantities) of EPA contracts and subcontracts received by the offeror during its two preceding fiscal years. (Show prime contracts and subcontracts separately per year);

(4) The total dollar amount and percentage of subcontract awards made to all concerns owned and/or controlled by disadvantaged individuals under EPA contracts during its two preceding fiscal years.

(5) The number and total dollar amount of subcontract awards made to the identified Protege firm(s) during the two preceding fiscal years (if any).

(f) In addition to the information required by paragraph (e) of this section, the offeror shall submit as a part of the application the following information for each proposed Mentor-Protege relationship:

(1) Information on the offeror’s ability to provide developmental assistance to the identified Protege firm and how the assistance will potentially increase contracting and subcontracting opportunities for the Protege firm.

(2) A letter of intent indicating that both the Mentor firm and the Protege firm intend
to enter into a contractual relationship under which the Protégé will perform as a subcontractor under the contract resulting from this solicitation and that the firms will negotiate their Protégé agreement. The letter of intent must be signed by both parties and contain the following information:

(i) The name, address and phone number of both parties;

(ii) The Protégé firm’s business classification, based upon the NAICS code(s) which represents the contemplated supplies or services to be provided by the Protégé firm to the Mentor firm;

(iii) A statement that the Protégé firm meets the eligibility criteria;

(iv) A preliminary assessment of the developmental needs of the Protégé firm and the proposed developmental assistance the Mentor firm envisions providing the Protégé. The offeror shall address those needs and how their assistance will enhance the Protégé. The offeror shall develop a schedule to assess the needs of the Protégé and establish criteria to evaluate the success in the Program;

(v) A statement that if the offeror or Protégé firm is suspended or debarred while performing under an approved Mentor-Protégé agreement the offeror shall promptly give notice of the suspension or debarment to the EPA Office of Small Business Programs (OSBP) and the Contracting Officer. The statement shall require the Protégé firm to notify the Contractor if it is suspended or debarred.

(g) The application will be evaluated on the extent to which the offeror’s proposal addresses the items listed in paragraphs (e) and (f) of this section. To the maximum extent possible, the application should be limited to not more than 10 single pages, double spaced. The offeror may identify more than one Protégé in its application.

(h) If the offeror is determined to be in the competitive range, or is awarded a contract without discussions, the offeror will be advised by the Contracting Officer whether their application is approved or rejected. The Contracting Officer, if necessary, may request additional information in connection with the offeror’s submission of its revised or best and final offer. If the successful offeror has submitted an approved application, they shall comply with the clause titled “Mentor-Protégé Program.”

(i) Subcontracts of $1,000,000 or less awarded to firms approved as Protégés under the Program are exempt from the requirements for competition set forth in FAR 41.202-2(a)(5), and 52.224-5(b). However, price reasonableness must still be determined and the requirements in FAR 41.202-2(a)(8) for cost and price analysis continue to apply.

(j) Costs incurred by the offeror in fulfilling their agreement(s) with a Protégé firm(s) are not reimbursable as a direct cost under the contract. Unless EPA is the responsible audit agency under FAR 42.703-1, offerors are encouraged to enter into an advance agreement with their responsible audit agency on the treatment of such costs when determining indirect cost rates. Where EPA is the responsible audit agency, these costs will be considered in determining indirect cost rates.

(k) Submission of Application and Questions Concerning the Program. The application for the Program shall be submitted to the Contracting Officer, and to the EPA Office of Small Business Programs at the following address: Socioeconomic Business Program Officer, Office of Small Business Programs, U.S. Environmental Protection Agency, William Jefferson Clinton Building (1230T), 1200 Pennsylvania Avenue NW., Washington, DC 20460, Telephone: (202) 566–2075, Fax: (202) 565–2473.

(c) The contractor shall bear full responsibility for the proper and safe performance of all work and services involving the use of human subjects under this contract and shall ensure that work is conducted in a proper manner and as safely as is feasible. The contractor agrees that it has entered into this contract and will discharge its obligations, duties, and undertakings and the work pursuant thereto, whether requiring professional judgment or otherwise, as an independent contractor without imputing liability on the part of the government for the acts of the contractor, its employees, subcontractors, consultants, heirs, assignees, etc.

(d) If at any time during the performance of this contract, the contracting officer determines that the contractor is not in compliance with any of the requirements and/or standards stated in above, the contracting officer may immediately suspend, in whole or in part, work and further payments under this contract until the contractor corrects the noncompliance. The contracting officer may communicate the notice of suspension by telephone with confirmation in writing. If the contractor fails to complete corrective action within the period of time designated in the contracting officer’s written notice of suspension, the contracting officer may terminate this contract in whole or in part.

1552.223–71 EPA Green Meetings and Conferences.

As prescribed in 1523.703–1, insert the following provision, or language substantially the same as the provision, in solicitations for meetings and conference facilities.

**EPA GREEN MEETINGS AND CONFERENCES MARCH 2015**

(a) The mission of the EPA is to protect human health and the environment. As such, all EPA meetings and conferences will be staged using as many environmentally preferable measures as possible. Environmentally preferable means products or services that have a lesser or reduced effect on the environment when compared with competing products or services that serve the same purpose.

(b) Potential meeting or conference facility providers for EPA shall provide information about the environmentally preferable features and practices identified by the checklist contained in paragraph (c) of this section, addressing sustainability for meeting and conference facilities including lodging and non-lodging oriented facilities.

(c) The following list of questions is provided to assist contracting officers in evaluating the environmental perferability of prospective meeting and conference facility providers. 1552.223–72 Use and care of laboratory animals.

As prescribed in 1523.303–72, insert the following clause in all contracts involving the use of animals in testing, research or training:

**USE AND CARE OF LABORATORY ANIMALS**

MARCH 2015

(a) **Use of laboratory animals.** (1) Before undertaking performance of any contract involving the use of laboratory animals, the contractor shall register with the Secretary of Agriculture of the United States in accordance with the Animal Welfare Act of 1966, as amended (AWA), codified at 7 U.S.C. 2131 et seq. and promulgated at 9 CFR parts 1–4. The contractor shall furnish evidence of such registration to the contracting officer.

(2) The contractor shall acquire animals used in research and development programs from a dealer licensed by the Secretary of Agriculture, or from exempted sources in accordance with 9 CFR 2.25–2.28. Animals shall not be acquired from any random source Class B dealer.

(b) The contractor shall adhere to:

(i) The standards and practices incorporated in the Guide for Care and Use of Laboratory Animals, prepared by the Institute of Laboratory Animal Research of the National Research Council of the National Academies (ILAR/NRC),

(ii) The Animal Welfare Regulations found in 9 CFR parts 1–4, and

(iii) The National Institutes of Health (NIH) Public Health Service (PHS) Policy on the Humane Care and Use of Laboratory Animals.

(2) In case of conflict between standards, the higher standard shall be used.

(3) The contractor’s reports on portions of the contract in which animals were used shall contain a certificate stating that the animals were cared for in accordance with the principles enunciated in the Guide for Care and Use of Laboratory Animals, prepared by the ILAR/NRC, and/or in the Animal Welfare Regulations found in 9 CFR parts 1–4.

1552.224–70 Social security numbers of consultants and certain sole proprietors and Privacy Act statement.

As prescribed in 1524.104, insert the following provision in all solicitations.

**SOCIAL SECURITY NUMBERS OF CONSULTANTS AND CERTAIN SOLE PROPRIETORS AND PRIVACY ACT STATEMENT (APR 1984)**

(a) Section 6041 of title 26 of the U.S. Code requires EPA to file Internal Revenue Service (IRS) Form 1099 with respect to individuals who receive payments from EPA under purchase orders or contracts. Section 6109 of title 26 of the U.S. Code authorizes collection of the social security numbers of such individuals for the purpose of filing IRS Form 1099. Social security numbers obtained for this purpose will be used by EPA for the sole purpose of filing IRS Form 1099 in compliance with section 6041 of title 26 of the U.S. Code.

(b) If the offeror or quoter is an individual, consultant, or sole proprietor and has no Employer Identification Number, insert the offeror’s or quoter’s social security number on the following line.

Y/N (13) Does your facility provide recycling containers for visitors, guests and staff (paper and beverage at minimum)? Y/N

(b) Care of laboratory animals. (1) In the care of any live animals used or intended for use in the performance of this contract, the contractor shall adhere to:

(i) The standards and practices incorporated in the Guide for Care and Use of Laboratory Animals, prepared by the Institute of Laboratory Animal Research of the National Research Council of the National Academies (ILAR/NRC),

(ii) The Animal Welfare Regulations found in 9 CFR parts 1–4, and

(iii) The National Institutes of Health (NIH) Public Health Service (PHS) Policy on the Humane Care and Use of Laboratory Animals.

(2) In case of conflict between standards, the higher standard shall be used.

(3) The contractor’s reports on portions of the contract in which animals were used shall contain a certificate stating that the animals were cared for in accordance with the principles enunciated in the Guide for Care and Use of Laboratory Animals, prepared by the ILAR/NRC, and/or in the Animal Welfare Regulations found in 9 CFR parts 1–4.

Environmental Protection Agency

1552.227–76 Project employee confidentiality agreement.

As prescribed in 1527.409, insert the following clause:

PROJECT EMPLOYEE CONFIDENTIALITY AGREEMENT (MAY 1994)

(a) The Contractor recognizes that Contractor employees in performing this contract may have access to data, either provided by the Government or first generated during contract performance, of a sensitive nature which should not be released to the public without Environmental Protection Agency (EPA) approval. Therefore, the Contractor agrees to obtain confidentiality agreements from all of its employees working on requirements under this contract.

(b) Such agreements shall contain provisions which stipulate that each employee agrees that the employee will not disclose, either in whole or in part, to any entity external to EPA, the Department of Justice, or the Contractor, any information or data (as defined in FAR Section 27.401) provided by the Government or first generated by the Contractor under this contract, any site-specific cost information, or any enforcement strategy without first obtaining the written permission of the EPA Contracting Officer. If a contractor, through an employee or otherwise, is subpoenaed to testify or produce documents, which could result in such disclosure, the Contractor must provide immediate advance notification to the EPA so that the EPA can authorize such disclosure or have the opportunity to take action to prevent such disclosure. Such agreements shall be effective for the life of the contract and for a period of five (5) years after completion of the contract.

(c) The EPA may terminate this contract for convenience, in whole or in part, if it deems such termination necessary to prevent the unauthorized disclosure of information to outside entities. If such a disclosure occurs without the written permission of the EPA Contracting Officer, the Government may terminate the contract, for default or convenience, or pursue other remedies as may be permitted by law or this contract.

(d) The Contractor further agrees to insert in each subcontract or consultant agreement placed hereunder provisions which shall conform substantially to the language of this clause, including this paragraph (d), unless otherwise authorized by the Contracting Officer.

(End of clause)

1552.228–70 Insurance liability to third persons.

As prescribed in 1528.301, insert the following clause:

INSURANCE—LIABILITY TO THIRD PERSONS (OCT 2000)

(a)(1) Except as provided in subparagraph (2) below, the Contractor shall provide and maintain workers’ compensation, employer’s liability, comprehensive general liability (bodily injury), and comprehensive automobile liability (bodily injury and property damage) insurance, and such other insurance as the Contracting officer may require under this contract.

(2) The Contractor may, with the approval of the Contracting officer, maintain a self-insurance program; provided that, with respect to workers’ compensation, the Contractor is qualified pursuant to statutory authority.

(3) All insurance required by this paragraph shall be in a form and amount and for those periods as the Contracting officer may require or approve and with insurers approved by the Contracting officer.

(b) The Contractor agrees to submit for the Contracting officer’s approval, to the extent and in the manner required by the Contracting officer, any other insurance that is maintained by the Contractor in connection with the performance of this contract and for which the Contractor seeks reimbursement.

(c) The Contractor shall be reimbursed for that portion of the reasonable cost of insurance allocable to this contract, and required or approved under this clause, in accordance with its established cost accounting practices.

(End of clause)

1552.229–70 [Reserved]

1552.232–70 Submission of invoices.

As prescribed in 1532.908, insert the following clause:

Alternate I. Contracts for other than Superfund work shall include Alternate I in this clause in lieu of paragraph (d).
SUBMISSION OF INVOICES (JUN 1996)

In order to be considered properly submitted, an invoice or request for contract financing payment must meet the following contract requirements in addition to the requirements of FAR 22.905:

(a) Unless otherwise specified in the contract, an invoice or request for contract financing payment shall be submitted as an original and five copies. The Contractor shall submit the invoice or request for contract financing payment to the following officers/individuals designated in the contract: the original and two copies to the Accounting Operations Office shown in Block on the cover of the contract; two copies to the Contracting Officer’s Representative (the Contracting Officer’s Representative may direct one of these copies to a separate address); and one copy to the Contracting Officer.

(b) The Contractor shall prepare its invoice or request for contract financing payment on the prescribed Government forms. Standard Forms Number 1034, Public Voucher for Purchases and Services other than Personal, shall be used by contractors to show the amount claimed for reimbursement. Standard Form 1035, Public Voucher for Purchases and Services other than Personal—Continuation Sheet, shall be used to furnish the necessary supporting detail or additional information required by the Contracting Officer. The Contractor may submit self-designed forms which contain the required information.

(c)(1) The Contractor shall prepare a contract level invoice or request for contract financing payment in accordance with the invoice preparation instructions identified as a separate attachment in Section J of the contract. If contract work is authorized by individual work assignments, the invoice or request for contract financing payment shall also include a summary of the current and cumulative amounts claimed by cost element for each work assignment and for the contract total, as well as any supporting data for each work assignment as identified in the instructions.

(2) The invoice or request for contract financing payment shall include current and cumulative charges by major cost element such as direct labor, overhead, travel, equipment, and other direct costs. For current costs, each major cost element shall include the appropriate supporting schedule identified in the invoice preparation instructions. Cumulative charges represent the net sum of current charges by cost element for the contract period.

(3) The charges for subcontracts shall be further detailed in a supporting schedule showing the major cost elements for each subcontract. The degree of detail for any subcontract exceeding $5,000 is to be the same as that set forth under (c)(2).

(4) The charges for consultants shall be further detailed in the supporting schedule showing the major cost elements of each consultant. For current costs, each major cost element of the consulting agreement shall also include the supporting schedule identified in the invoice preparation instructions.

(d) Invoices or requests for contract financing payment must clearly indicate the period of performance for which payment is requested. Separate invoices or requests for contract financing payment are required for charges applicable to the basic contract and each option period.

(e)(1) Notwithstanding the provisions of the clause of this contract at FAR 52.216-7, Allowable Cost and Payment, invoices or requests for contract financing payment shall be submitted once per month unless there has been a demonstrated need and Contracting Officer approval for more frequent billings. When submitted on a monthly basis, the period covered by invoices or requests for contractor financing payments shall be the same as the period for monthly progress reports required under this contract.

(2) If the Contracting Officer allows submissions more frequently than monthly, one submittal each month shall have the same ending period of performance as the monthly progress report.

(3) Where cumulative amounts on the monthly progress report differ from the aggregate amounts claimed in the invoice(s) or request(s) for contract financing payments covering the same period, the contractor shall provide a reconciliation of the difference as part of the payment request.

(END OF CLAUSE)

ALTERNATE I (JUN 1996).

If used in a non-commercial time and materials type contract, substitute the following paragraphs (c)(1) and (2) for paragraphs (c)(1) and (2) of the basic clause:

(c)(1) The Contractor shall prepare a contract level invoice or request for contract financing payment in accordance with the invoice preparation instructions identified as a separate attachment in Section J of the contract. If contract work is authorized by individual delivery orders, the invoice or request for contract financing payment shall also include a summary of the current and cumulative amounts claimed by cost element for each delivery order and for the contract total, as well as any supporting data for each delivery order as identified in the instructions.

(2) The invoice or request for contract financing payment that employs a fixed rate feature shall include current and cumulative charges by contract labor category and by other major cost elements such as travel,

1552.233–70 Notice of filing requirements for agency protests.

As prescribed in 1533.103, insert the following provision in all types of solicitations:

**NOTICE OF FILING REQUIREMENTS FOR AGENCY PROTESTS (JUL 1999)**

Agency protests must be filed with the Contracting Officer in accordance with the requirements of FAR 33.103 (d) and (e). Within 10 calendar days after receipt of an adverse Contracting Officer decision, the protestor may submit a written request for an independent review by the Head of the Contracting Activity. This independent review is available only as an appeal of a Contracting Officer decision on a protest. Accordingly, as provided in 4 CFR 21.2(a)(3), any protest to the GAO must be filed within 10 days of knowledge of the initial adverse Agency action.

1552.235–71 Treatment of confidential business information.

As prescribed in 1535.007–70(b), insert the following contract clause in all types of contracts when the Contracting Officer has determined that in the performance of a contract, EPA may furnish confidential business information to the Contractor that EPA obtained under the Clean Air Act (42 U.S.C. 7401 et seq.), the Federal Water Pollution Control Act (33 U.S.C. 1251, et seq.), the Safe Drinking Water Act (42 U.S.C. 300f et seq.), the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136 et seq.), the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.), the Resource Conservation and Recovery Act (42 U.S.C. 6901 et seq.), or the Toxic Substances Control Act (15 U.S.C. 2601 et seq.). EPA regulations on confidentiality of business information in 40 CFR part 2 subpart B require that the Contractor agree to the clause entitled “Treatment of Confidential Business Information” before any confidential business information may be furnished to the Contractor:

TREATMENT OF CONFIDENTIAL BUSINESS INFORMATION (APR 1984)

(a) The Contracting Officer, after a written determination by the appropriate program office, may disclose confidential business information to the Contractor necessary to carry out the work required under this contract. The Contractor agrees to use the confidential information only under the following conditions:

1. The Contractor and Contractor’s Employees shall: (i) use the confidential information only for the purposes of carrying out the work required by the contract; (ii) not disclose the information to anyone other than EPA employees without the prior written approval of the Assistant General Counsel for Contracts and Information Law; and (iii) return to the Contracting Officer all copies of the information, and any abstracts or excerpts therefrom, upon request by the Contracting Officer, whenever the information is no longer required by the Contractor for the performance of the work required by the contract, or upon completion of the contract.

2. The Contractor shall obtain a written agreement to honor the above limitations from each of the Contractor’s employees who will have access to the information before the employee is allowed access.

3. The Contractor agrees that these contract conditions concerning the use and disclosure of confidential information are included for the benefit of, and shall be enforceable by, both EPA and any affected business having a proprietary interest in the information.

4. The Contractor shall not use any confidential information supplied by EPA or obtained during performance hereunder to compete with any business to which the confidential information relates.

(b) The Contractor agrees to obtain the written consent of the Contracting Officer, after a written determination by the appropriate program office, prior to entering into any subcontract that will involve the disclosure of confidential business information by the Contractor to the subcontractor. The
Contractor agrees to include this clause, including this paragraph (b), in all subcontracts awarded, pursuant to this contract, that require the furnishing of confidential business information to the subcontractor.

(End of clause)

1552.235–72 [Reserved]

As prescribed in 1535.007(a), insert the following provision:

ACCESS TO FEDERAL INSECTICIDE, FUNGICIDE, AND RODENTICIDE ACT CONFIDENTIAL BUSINESS INFORMATION (APR 1996)

In order to perform duties under the contract, the Contractor will need to be authorized for access to Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) confidential business information (CBI). The Contractor and all of its employees handling CBI while working under the contract will be required to follow the procedures contained in the security manual entitled “FIFRA Information Security Manual.” These procedures include applying for FIFRA CBI access authorization for each individual working under the contract who will have access to FIFRA CBI, execution of confidentiality agreements, and designation by the Contractor of an individual to serve as a Document Control Officer. The Contractor will be required to abide by those clauses contained in EPAAR 1552.235–70, 1552.235–71, and 1552.235–78 that are appropriate to the activities set forth in the contract.

Until EPA has inspected and approved the Contractor’s facilities, the Contractor may not be authorized for FIFRA CBI access away from EPA facilities.

(End of provision)

1552.235–74 [Reserved]

As prescribed in 1535.007(b), insert the following provision:

ACCESS TO TOXIC SUBSTANCES CONTROL ACT CONFIDENTIAL BUSINESS INFORMATION (APR 1996)

In order to perform duties under the contract, the Contractor will need to be authorized for access to Toxic Substances Control Act (TSCA) confidential business information (CBI). The Contractor and all of its employees handling CBI while working under the contract will be required to follow the procedures contained in the security manual entitled “TSCA Confidential Business Information Security Manual.” These procedures include applying for TSCA CBI access authorization for each individual working under the contract who will have access to TSCA CBI, execution of confidentiality agreements, and designation by the Contractor of an individual to serve as a Document Control Officer. The Contractor will be required to abide by those clauses contained in EPAAR 1552.235–70, 1552.235–71, and 1552.235–78 that are appropriate to the activities set forth in the contract.

Until EPA has inspected and approved the Contractor’s facilities, the Contractor may not be authorized for TSCA CBI access away from EPA facilities.

(End of provision)

As prescribed in 1535.007–70(c), insert the following clause:

TREATMENT OF CONFIDENTIAL BUSINESS INFORMATION (TSCA) (APR 1996)

(a) The Project Officer (PO) or his/her designee, after a written determination by the appropriate program office, may disclose confidential business information (CBI) to the Contractor necessary to carry out the work required under this contract. The Contractor agrees to use the CBI only under the following conditions:

(1) The Contractor and Contractor’s employees shall (i) use the CBI only for the purposes of carrying out the work required by the contract; (ii) not disclose the information to anyone other than properly cleared EPA employees without the prior written approval of the Assistant General Counsel for Information Law or his/her designee; and (iii) return the CBI to the PO or his/her designee, whenever the information is no longer required by the Contractor for performance of the work required by the contract, or upon completion of the contract.

(2) The Contractor shall obtain a written agreement to honor the above limitations from each of the Contractor’s employees who will have access to the information before the employee is allowed access.

(3) The Contractor agrees that these contract conditions concerning the use and disclosure of CBI are included for the benefit of, and shall be enforceable by, both EPA and any affected businesses having a proprietary interest in the information.
(d) The Contractor shall not use any CBI supplied by EPA or obtained during performance hereunder to compete with any business to which the CBI relates.

(b) The Contractor agrees to obtain the written consent of the CO, after a written determination by the appropriate program office, prior to entering into any subcontract that will involve the disclosure of CBI by the Contractor to the subcontractor. The Contractor agrees to include this clause, including this paragraph (b), in all subcontracts awarded pursuant to this contract that require the furnishing of CBI to the subcontractor.

(End of clause)

[61 FR 14266, Apr. 1, 1996, as amended at 61 FR 57339, Nov. 6, 1996]

As prescribed in 1535.007–70(d), insert the following clause:

DATA SECURITY FOR FEDERAL INSECTICIDE, FUNGICIDE, AND RODENTICIDE ACT CONFIDENTIAL BUSINESS INFORMATION (DEC 1997)

The Contractor shall handle Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) confidential business information (CBI) in accordance with the contract clause entitled “Treatment of Confidential Business Information” and “Screening Business Information for Claim of Confidentiality,” the provisions set forth below, and the Contractor’s approved detailed security plan.

(a) The Project Officer (PO) or his/her designee, after a written determination by the appropriate program office, may disclose FIFRA CBI to the contractor necessary to carry out the work required under this contract. The Contractor shall protect all FIFRA CBI to which it has access (including CBI used in its computer operations) in accordance with the following requirements:

(1) The Contractor and Contractor’s employees shall follow the security procedures set forth in the FIFRA Information Security Manual. The manual may be obtained from the Project Officer (PO) or the Chief, Information Services Branch (ISB), Program Management and Support Division, Office of Pesticide Programs (OPP) (H7562C), U.S. Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460.

(2) The Contractor and Contractor’s employees shall follow the security procedures set forth in the Contractor’s security plan(s) approved by EPA.

(3) Prior to receipt of FIFRA CBI by the Contractor, the Contractor shall ensure that all employees who will be cleared for access to FIFRA CBI have been briefed on the handling, control, and security requirements set forth in the FIFRA Information Security Manual.

(4) The Contractor Document Control Officer (DCO) shall obtain a signed copy of the FIFRA “Contractor Employee Confidentiality Agreement” from each of the Contractor’s employees who will have access to the information before the employee is allowed access.

(b) The Contractor agrees that these requirements concerning protection of FIFRA CBI are included for the benefit of, and shall be enforceable by, both EPA and any affected business having a proprietary interest in the information.

(c) The Contractor understands that CBI obtained by EPA under FIFRA may not be disclosed except as authorized by the Act, and that any unauthorized disclosure by the Contractor or the Contractor’s employees may subject the Contractor and the Contractor’s employees to the criminal penalties specified in FIFRA (7 U.S.C. 136h(f)). For purposes of this contract, the only disclosures that EPA authorizes the Contractor to make are those set forth in the clause entitled “Treatment of Confidential Business Information.”

(d) The Contractor agrees to include the provisions of this clause, including this paragraph (d), in all subcontracts awarded pursuant to this contract that require the furnishing of CBI to the subcontractor.

(e) At the request of EPA or at the end of the contract, the Contractor shall return to the EPA PO or his/her designee all documents, logs, and magnetic media which contain FIFRA CBI. In addition, each Contractor employee who has received FIFRA CBI clearance will sign a “Confidentiality Agreement for Contractor Employee Upon Relinquishing FIFRA CBI Access Authority.” The Contractor DCO will also forward those agreements to the EPA PO or his/her designee, with a copy to the CO, at the end of the contract.

(f) If, subsequent to the date of this contract, the Government changes the security requirements, the CO shall equitably adjust affected provisions of this contract, in accordance with the “Changes” clause when:

(1) The Contractor submits a timely written request for an equitable adjustment; and

(2) The facts warrant an equitable adjustment.

(End of clause)

As prescribed in 1535.007–70(e), insert the following clause:

DATA SECURITY FOR TOXIC SUBSTANCES CONTROL ACT CONFIDENTIAL BUSINESS INFORMATION (DEC 1997)

The Contractor shall handle Toxic Substances Control Act (TSCA) confidential business information (CBI) in accordance with the contract clause entitled “Treatment of Confidential Business Information” and “Screening Business Information for Claims of Confidentiality.”

(a) The Project Officer (PO) or his/her designee, after a written determination by the appropriate program office, may disclose TSCA CBI to the contractor necessary to carry out the work required under this contract. The Contractor shall protect all TSCA CBI to which it has access (including CBI used in its computer operations) in accordance with the following requirements:

1. The Contractor and Contractor’s employees shall follow the security procedures set forth in the TSCA CBI Security Manual. The manual may be obtained from the Director, Information Management Division (IMD), Office of Pollution Prevention and Toxics (OPPT), U.S. Environmental Protection Agency (EPA), 1200 Pennsylvania Ave., NW., Washington, DC 20460. Prior to receipt of TSCA CBI by the Contractor, the Contractor shall ensure that all employees who will be cleared for access to TSCA CBI have been briefed on the handling, control, and security requirements set forth in the TSCA CBI Security Manual.

2. The Contractor shall permit access to and inspection of the Contractor’s facilities in use under this contract by representatives of EPA’s Assistant Administrator for Administration and Resources Management, and the TSCA Security Staff in OPPT, or by the EPA Project Officer.

3. The Contractor Document Control Officer (DCO) shall obtain a signed copy of EPA Form 7740–6, “TSCA CBI Access Request, Agreement, and Approval,” from each of the Contractor’s employees who will have access to the information before the employee is allowed access. In addition, the Contractor shall obtain from each employee who will be cleared for TSCA CBI access all information required by EPA or the U.S. Office of Personnel Management for EPA to conduct a Minimum Background Investigation.

4. The Contractor agrees to include the provisions of this clause, including this paragraph (d), in all subcontracts awarded pursuant to this contract that require the furnishing of CBI to the subcontractor.

5. At the request of EPA or at the end of the contract, the Contractor shall return to the EPA PO or his/her designee, all documents, logs, and magnetic media which contain TSCA CBI. In addition, each Contractor employee who has received TSCA CBI clearance will sign EPA Form 7740–18, “Confidentiality Agreement for Contractor Employees Upon Relinquishing TSCA CBI Access Authority.” The Contractor DCO will also forward those agreements to the EPA OPPT IMD, with a copy to the CO, at the end of the contract.

(f) If, subsequent to the date of this contract, the Government changes the security requirements, the CO shall equitably adjust affected provisions of this contract, in accordance with the “Changes” clause, when:

1. The Contractor submits a timely written request for an equitable adjustment; and,

2. The facts warrant an equitable adjustment.

(End of clause)

As prescribed in 1535.007–70(f), insert the following clause:

RELEASE OF CONTRACTOR CONFIDENTIAL BUSINESS INFORMATION (APR 1996)

(a) The Environmental Protection Agency (EPA) may find it necessary to release information submitted by the Contractor either in response to this solicitation or pursuant to the provisions of this contract, to individuals not employed by EPA. Business information that is ordinarily entitled to confidential treatment under existing Agency regulations (40 CFR part 2) may be included
in the information released to these individuals. Accordingly, by submission of this proposal or signature on this contract or other contracts, the Contractor hereby consents to a limited release of its confidential business information (CBI).

(b) Possible circumstances where the Agency may release the Contractor’s CBI include, but are not limited to the following:

(1) To other Agency contractors tasked with assisting the Agency in the recovery of Federal funds expended pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Sec. 9607, as amended, (CERCLA or Superfund);

(2) To the U.S. Department of Justice (DOJ) and contractors employed by DOJ for use in advising the Agency and representing the Agency in procedures for the recovery of Superfund expenditures;

(3) To parties liable, or potentially liable, for costs under CERCLA Sec. 107 (42 U.S.C. Sec. 9607), et al, and their insurers (Potentially Responsible Parties) for purposes of facilitating settlement or litigation of claims against such parties;

(4) To other Agency contractors who, for purposes of performing the work required under the respective contracts, require access to information the Agency obtained under the Clean Air Act (42 U.S.C. 7401 et seq.); the Federal Water Pollution Control Act (33 U.S.C.1251 et seq.); the Safe Drinking Water Act (42 U.S.C. 300f et seq.); the Federal Insecticide, Fungicide and Rodenticide Act (7 U.S.C. 136 et seq.); the Resource Conservation and Recovery Act (42 U.S.C. 9601 et seq.); the Toxic Substances Control Act (15 U.S.C. 2601 et seq.); or the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. 9601 et seq.);

(5) To other Agency contractors tasked with assisting the Agency in handling and processing information and documents in the administration of Agency contracts, such as providing both preaward and post award audit support and specialized technical support to the Agency’s technical evaluation panels;

(6) To employees of grantees working at EPA under the Senior Environmental Employment (SEE) Program;

(7) To Speaker of the House, President of the Senate, or Chairman of a Committee or Subcommittee;

(8) To entities such as the General Accounting Office, boards of contract appeals, and the Courts in the resolution of solicitation or contract protests and disputes;

(9) To Agency contractor employees engaged in information systems analysis, development, operation, and maintenance, including performing data processing and management functions for the Agency; and

(10) Pursuant to a court order or court-supervised agreement.

(c) The Agency recognizes an obligation to protect the contractor from competitive harm that may result from the release of such information to a competitor. (See also the clauses in this document entitled “Screening Business Information for Claims of Confidentiality” and “Treatment of Confidential Business Information.”) Except where otherwise provided by law, the Agency will permit the release of CBI under subparagraphs (1), (3), (4), (5), (6), or (9) only pursuant to a confidentiality agreement.

(d) With respect to contractors, 1522.35–71 will be used as the confidentiality agreement. With respect to Potentially Responsible Parties, such confidentiality agreements may permit further disclosure to other entities where necessary to further settlement or litigation of claims under CERCLA. Such entities include, but are not limited to accounting firms and technical experts able to analyze the information, provided that they also agree to be bound by an appropriate confidentiality agreement.

(e) This clause does not authorize the Agency to release the Contractor’s CBI to the public pursuant to a request filed under the Freedom of Information Act.

(f) The Contractor agrees to include this clause, including this paragraph (f), in all subcontracts at all levels awarded pursuant to this contract that require the furnishing of confidential business information by the subcontractor.

1552.235–81 Institutional oversight of life sciences dual use research of concern—Representation.

As prescribed in 1535.007(c), insert the following solicitation provision:

INSTITUTIONAL OVERSIGHT OF LIFE SCIENCES DUAL USE RESEARCH OF CONCERN—REPRESENTATION (JUNE 2016)

(a) Definitions. As used in this provision—

Institution means any government agency (Federal, State, tribal, or local), academic institution, corporation, company, partnership, society, association, firm, sole proprietorship, or other legal entity conducting research.

Life Sciences research means a systematic investigation designed to develop or contribute to generalizable knowledge involving living organisms (e.g., microbes, human beings, animals, and plants) and their products, including all disciplines and methodologies of biology such as aerobiology, agricultural science, plant science, animal science, bioinformatics, genomics, proteomics, microbiology, synthetic biology, virology, molecular biology, environmental science, public health, modeling, engineering of living systems, and all applications of the biological sciences. The term is meant to encompass the diverse approaches to understanding life at the level of ecosystems, populations, organisms, organs, tissues, cells, and molecules. Life sciences research does not include routine product testing, quality control, mapping, collection of general-purpose statistics, routine monitoring and evaluation of an operational program, observational studies, and the training of scientific and technical personnel.

(b) Representation. By submission of its offer or quotation, the Offeror represents that if it is:

(1) An institution within the United States that conducts or sponsors life sciences research that involves one or more of the agents or toxins listed in section 6.2.1 of the “United States Government Policy for Institutional Oversight of Life Sciences Dual Use Research of Concern” (iDURC Policy), even if the research is not supported by United States Government funds; or

(2) An institution outside of the United States that receives funds to conduct or sponsor research that involves one or more of the agents or toxins listed in section 6.2.1 of the iDURC Policy, then the Offeror will comply with the iDURC Policy.

(c) Resources. Information about dual use research in the life sciences, as well as specific details on the iDURC Policy can be found on the U.S. Department of Health and Human Services Dual Use Research of Concern page: http://www.phe.gov/s3/dualuse/Pages/default.aspx.

[81 FR 24500, Apr. 26, 2016]

1552.235–82 Institutional oversight of life sciences dual use research of concern.

As prescribed in 1535.007-70(h), insert the following contract clause:

INSTITUTIONAL OVERSIGHT OF LIFE SCIENCES DUAL USE RESEARCH OF CONCERN (JUNE 2016)

(a) Definitions. As used in this clause—

Institution means any government agency (Federal, State, tribal, or local), academic institution, corporation, company, partnership, society, association, firm, sole proprietorship, or other legal entity conducting research.

Life Sciences research means a systematic investigation designed to develop or contribute to generalizable knowledge involving living organisms (e.g., microbes, human beings, animals, and plants) and their products, including all disciplines and methodologies of biology such as aerobiology, agricultural science, plant science, animal science, bioinformatics, genomics, proteomics, microbiology, synthetic biology, virology, molecular biology, environmental science, public health, modeling, engineering of living systems, and all applications of the biological sciences. The term is meant to encompass the diverse approaches to understanding life at the level of ecosystems, populations, organisms, organs, tissues, cells, and molecules. Life sciences research does not include routine product testing, quality control, mapping, collection of general-purpose statistics, routine monitoring and evaluation of an operational program, observational studies, and the training of scientific and technical personnel.

(b) Compliance. The Contractor agrees that it shall comply with the “United States Government Policy for Institutional Oversight of Life Sciences Dual Use Research of Concern” (iDURC Policy) during the period of performance of this contract, including all option periods or other extensions, if the Contractor:

(1) Is an institution within the United States that conducts or sponsors, or begins to conduct or sponsor life sciences research that involves one or more of the agents or toxins listed in Section 6.2.1 of the iDURC Policy, even if the research is not supported by United States Government funds; or
(2) Is an institution outside the United States that receives funds through this contract to conduct or sponsor research that involves one or more of the agents or toxins listed in Section 6.2.1 of the iDUROC Policy.

(c) Resources. Information about dual use research in the life sciences as well as specific details on the iDUROC Policy can be found on the U.S. Department of Health and Human Services Dual Use Research of Concern page: [http://www.phe.gov/dualuse/Pages/default.aspx](http://www.phe.gov/dualuse/Pages/default.aspx)

[81 FR 24500, Apr. 26, 2016]

1552.236-70 Samples and certificates.

As prescribed in 1536.521, insert the following contract clause in construction contracts.

SAMPLES AND CERTIFICATES (APR 1984)

When required by the specifications or the Contracting Officer, samples, certificates, and test data shall be submitted after award of the contract, prepaid, in time for proper action by the Contracting Officer or his/her designated representative. Certificates and test data shall be submitted in triplicate to show compliance of materials and construction specified in the contract performance requirements. Samples shall be submitted in duplicate by the Contractor, except as otherwise specified, to show compliance with the contract requirements. Materials or equipment for which samples, certifications or test data are required shall not be used in the work until approved in writing by the Contracting Officer.

(End of clause)

1552.237-70 Contract publication review procedures.

As prescribed in 1537.110, insert the following contract clause when the products of the contract are subject to contract publication review.

CONTRACT PUBLICATION REVIEW PROCEDURES (APR 1984)

(a) Material generated under this contract intended for release to the public is subject to the Agency’s publication review process in accordance with the EPA Order on this subject and the following:

(b) Except as indicated in paragraph (c) of this contract, the Contractor shall not independently publish or print material generated under this contract until after completion of the EPA review process. The Contracting Officer’s Representative will notify the Contractor of review completion within ___ calendar days after the Contractor’s transmittal to the Contracting Officer’s Representative of material generated under this contract. If the Contractor does not receive Contracting Officer’s Representative notification within this period, the Contractor shall immediately notify the Contracting Officer in writing.

(c) The Contractor may publish, in a scientific journal, material resulting directly or indirectly from work performed under this contract, subject to the following:

(1) The Contractor shall submit to the Contracting Officer and the Contracting Officer’s Representative, at least 30 days prior to publication, a copy of any paper, article, or other dissemination of information intended for publication.

(2) The Contractor shall include the following statement in a journal article which has not been subjected to EPA review: “Although the research described in this article has been funded wholly or in part by the United States Environmental Protection Agency contract (number) to (Name of Contractor), it has not been subject to the Agency’s review and therefore does not necessarily reflect the views of the Agency, and no official endorsement should be inferred.”

(3) Following publication of the journal article, the Contractor shall submit five copies of the journal article to the Contracting Officer’s Representative, and one copy to the Contracting Officer.

(d) If the Government has completed the review process and agreed that the contract material may be attributed to EPA, the Contractor shall include the following statement in the document:

This material has been funded wholly or in part by the United States Environmental Protection Agency under contract (number) to (name). It has been subject to the Agency’s review, and it has been approved for publication as an EPA document. Mention of trade names or commercial products does not constitute endorsement or recommendation for use.

(e) If the Government has completed the review process, but decides not to publish the material, the Contractor may independently publish and distribute the material for its own use and its own expense, and shall include the following statement in any independent publication:

Although the information described in this article has been funded wholly or in part by the United States Environmental Protection Agency under contract (number) to (name), it does not necessarily reflect the views of the Agency and no official endorsement should be inferred.

[49 FR 8867, Mar. 8, 1984, as amended at 78 FR 46292, July 31, 2013]
1552.237–71 Technical direction. As prescribed in 1537.110, insert a clause substantially the same as the following:

TECHNICAL DIRECTION (AUG 2009)

(a) Definitions. Contracting officer technical representative (COTR), means an individual appointed by the contracting officer in accordance with Agency procedures to perform specific technical and administrative functions.

Task order, as used in this clause, means work assignment, delivery order, or any other document issued by the contracting officer to order work under a service contract.

(b) The Contracting Officer’s Representative(s) may provide technical direction on contract or work request performance. Technical direction includes:

(1) Instruction to the contractor that approves approaches, solutions, designs, or refinements; fills in details; completes the general descriptions of work shifts emphasis among work areas or tasks; and

(2) Evaluation and acceptance of reports or other deliverables.

(c) Technical direction must be within the scope of work of the contract and any task order there under. The Contracting Officer’s Representative(s) does not have the authority to issue technical direction which:

(1) Requires additional work outside the scope of the contract or task order;

(2) Constitutes a change as defined in the “Changes” clause;

(3) Causes an increase or decrease in the estimated cost of the contract or task order;

(4) Alters the period of performance of the contract or task order; or

(5) Changes any of the other terms or conditions of the contract or task order.

(d) Technical direction will be issued in writing or confirmed in writing within five (5) days after oral issuance. The contracting officer will be copied on any technical direction issued by the Contracting Officer’s Representative.

(e) If, in the contractor’s opinion, any instruction or direction by the Contracting Officer’s Representative(s) falls within any of the categories defined in paragraph (c) of the clause, the contractor shall not proceed but shall notify the contracting officer in writing within 3 days after receiving it and shall request that the contracting officer take appropriate action as described in this paragraph. Upon receiving this notification, the contracting officer shall:

(1) Advise the contractor in writing as soon as practicable, but no later than 30 days after receipt of the contractor’s notification, that the technical direction is within the scope of the contract effort and does not constitute a change under the “Changes” clause of the contract;

(2) Advise the contractor within a reasonable time that the government will issue a written modification to the contract; or

(3) Advise the contractor that the technical direction is outside the scope of the contract and is thereby rescinded.

(f) A failure of the contractor and contracting officer to agree as to whether the technical direction is within the scope of the contract, or a failure to agree upon the contract action to be taken with respect thereto, shall be subject to the provisions of the clause entitled “Disputes” in this contract.

(g) Any action(s) taken by the contractor, in response to any direction given by any person acting on behalf of the government or any government official other than the Contracting Officer or the Contracting Officer’s Representative, shall be at the contractor’s risk.

(End of clause)

1552.237–72 Key personnel. As prescribed in 1537.110, insert the following contract clause when it is necessary for contract performance to identify Contractor key personnel:

KEY PERSONNEL (APR 1984)

(a) The Contractor shall assign to this contract the following key personnel:

(b) During the first ninety (90) days of performance, the Contractor shall make no substitutions of key personnel unless the substitution is necessitated by illness, death, or termination of employment. The Contractor shall notify the Contracting Officer within 15 calendar days after the occurrence of any of these events and provide the information required by paragraph (c) of this clause. After the initial 90-day period, the Contractor shall submit the information required by paragraph (c) to the Contracting Officer at least 15 days prior to making any permanent substitutions.
1552.237–73

(c) The Contractor shall provide a detailed explanation of the circumstances necessitating the proposed substitutions, complete resumes for the proposed substitutes, and any additional information requested by the Contracting Officer. Proposed substitutes should have comparable qualifications to those of the persons being replaced. The Contracting Officer will notify the Contractor within 15 calendar days after receipt of all required information of the decision on substitutions. This clause will be modified to reflect any approved changes of key personnel.

(End of clause)

1552.237–74 Publicity.

As prescribed in 1537.110, insert the following contract clause in contracts pertaining to the removal or remedial activities under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) (“Super Fund”) program. The term “on-scene coordinator” may be substituted with “Contracting Officer’s Representative.”

PUBLICITY (APR 1984)

(a) The Contractor agrees to notify and obtain the verbal approval of the on-scene coordinator (or Contracting Officer’s Representative) prior to releasing any information to the news media regarding the removal or remedial activities being conducted under this contract.

(b) It is also agreed that the Contractor shall acknowledge EPA support whenever the work funded in whole or in part by this contract is publicized in any news media.

(End of clause)

1552.237–75 Paperwork Reduction Act.

As prescribed in 1537.110, insert this contract clause in any contract requiring the collection of identical information from ten (10) or more public respondents.

PAPERWORK REDUCTION ACT (APR 1984)

If it is established at award or subsequently becomes a contractual requirement to collect identical information from ten (10) or more public respondents, the Paperwork Reduction Act of 1980, 44 U.S.C. 3501 et seq., applies. In that event, the Contractor shall not take any action to solicit information from any of the public respondents until notified in writing by the Contracting officer that the required Office of Management and Budget (OMB) final clearance was received.

(End of clause)

1552.237–76 Government-Contractor Relations.

As prescribed in 1537.110(g), insert the following clause:

GOVERNMENT-CONTRACTOR RELATIONS (JUN 1999)

(a) The Government and the Contractor understand and agree that the services to be delivered under this contract by the contractor to the Government are non-personal services and the parties recognize and agree that no employer-employee relationship exists or will exist under the contract between the Government and the Contractor’s personnel. It is, therefore, in the best interest of the Government to afford both parties a full understanding of their respective obligations.

(b) Contractor personnel under this contract shall not:

(1) Be placed in a position where they are under the supervision, direction, or evaluation of a Government employee.

(2) Be placed in a position of command, supervision, administration or control over Government personnel, or over personnel of other Contractors under other EPA contracts, or become a part of the Government organization.

(3) Be used in administration or supervision of Government procurement activities.

(c) Employee relationship. (1) The services to be performed under this contract do not require the Contractor or his/her personnel to exercise personal judgment and discretion on behalf of the Government. Rather the Contractor’s personnel will act and exercise personal judgment and discretion on behalf of the Contractor.

(2) Rules, regulations, directives, and requirements that are issued by the U.S. Environmental Protection Agency under its responsibility for good order, administration, and security are applicable to all personnel who enter the Government installation or who travel on Government transportation. This is not to be construed or interpreted to establish any degree of Government control that is inconsistent with a non-personal services contract.
Environmental Protection Agency

1552.242–70

(d) Inapplicability of employee benefits. This contract does not create an employer-employee relationship. Accordingly, entitlements and benefits applicable to such relationships do not apply.

(1) Payments by the Government under this contract are not subject to Federal income tax withholdings.

(2) Payments by the Government under this contract are not subject to the Federal Insurance Contributions Act.

(3) The Contractor is not entitled to unemployment compensation benefits under the Social Security Act, as amended, by virtue of performance of this contract.

(4) The Contractor is not entitled to workman’s compensation benefits by virtue of this contract.

(5) The entire consideration and benefits to the Contractor for performance of this contract is contained in the provisions for payment under this contract.

(e) Notice. It is the Contractor’s, as well as, the Government’s responsibility to monitor contract activities and notify the Contracting Officer if the Contractor believes that the intent of this clause has been or may be violated.

(1) The Contractor should notify the Contracting Officer in writing promptly, within calendar days from the date of any incident that the Contractor considers to constitute a violation of this clause. The notice should include the date, nature and circumstance of the conduct, the name, function and activity of each Government employee or Contractor official or employee involved or knowledgeable about such conduct, identify any documents or substance of any oral communication involved in the conduct, and the estimate in time by which the Government must respond to this notice to minimize cost, delay or disruption of performance.

(2) The Contracting Officer will promptly, within calendar days after receipt of notice, respond to the notice in writing. In responding, the Contracting Officer will either:

(i) Confirm that the conduct is in violation and when necessary direct the mode of further performance.

(ii) Countermand any communication regarded as a violation.

(iii) Deny that the conduct constitutes a violation and when necessary direct the mode of further performance; or

(iv) In the event the notice is inadequate to make a decision, advise the Contractor what additional information is required, and establish the date by which it should be furnished by the Contractor and the date thereafter by which the Government will respond.

(4) Notice of any violation and when necessary direct the mode of further performance, or

(5) The entire consideration and benefits to the contractor at contract award) calendar days from the date of any incident that the Contractor considers to constitute a violation of this clause. The notice should include the date, nature and circumstance of the conduct, the name, function and activity of each Government employee or Contractor official or employee involved or knowledgeable about such conduct, identify any documents or substance of any oral communication involved in the conduct, and the estimate in time by which the Government must respond to this notice to minimize cost, delay or disruption of performance.

(f) Notice. It is the Contractor’s, as well as, the Government’s responsibility to monitor contract activities and notify the Contracting Officer if the Contractor believes that the intent of this clause has been or may be violated.

(1) The Contractor should notify the Contracting Officer in writing promptly, within calendar days from the date of any incident that the Contractor considers to constitute a violation of this clause. The notice should include the date, nature and circumstance of the conduct, the name, function and activity of each Government employee or Contractor official or employee involved or knowledgeable about such conduct, identify any documents or substance of any oral communication involved in the conduct, and the estimate in time by which the Government must respond to this notice to minimize cost, delay or disruption of performance.

(2) The Contracting Officer will promptly, within calendar days after receipt of notice, respond to the notice in writing. In responding, the Contracting Officer will either:

(i) Confirm that the conduct is in violation and when necessary direct the mode of further performance.

(ii) Countermand any communication regarded as a violation.

(iii) Deny that the conduct constitutes a violation and when necessary direct the mode of further performance; or

(iv) In the event the notice is inadequate to make a decision, advise the Contractor what additional information is required, and establish the date by which it should be furnished by the Contractor and the date thereafter by which the Government will respond.

As prescribed in 1542.705–70, insert the following clause in all cost-reimbursement and non-commercial time and materials type contracts. If ceilings are not being established, enter “not applicable” in paragraph (c) of the clause.

INDIRECT COSTS (APR 1984)

(a) In accordance with paragraph (d) of the “Allowable Cost and Payment” clause, the final indirect cost rates applicable to this contract shall be established between the Contractor and the appropriate Government representative (EPA, other Government agency, or auditor), as provided by FAR 42.703-1(a). EPA’s procedures require a Contracting Officer determination of indirect cost rates for its contracts. In those cases where EPA is the cognizant agency (see FAR 42.705-1), the final rate proposal shall be submitted to the cognizant audit activity and to the following designated Contracting Officer: Environmental Protection Agency, Chief, Cost Policy and Rate Negotiation Branch (3804F), Cost Advisory and Financial Analysis Division, Washington, DC 20460.

Where EPA is not the cognizant agency, the final rate proposal shall be submitted to the above-cited address, to the cognizant audit agency, and to the designated Contracting Officer of the cognizant agency. Upon establishment of the final indirect cost rates, the Contractor shall submit an executed Certificate of Current Cost or Pricing Data (see FAR 15.406-2) applicable to the data furnished in connection with the final rates to the cognizant audit agency. The final rates shall be contained in a written understanding between the Contractor and the appropriate Government representative. Pursuant to the “Allowable Cost and Payment” clause, the allowable indirect costs under this contract shall be obtained by applying the final agreed upon rate(s) to the appropriate base.

(b) Until final annual indirect cost rates are established for any period, the Government shall reimburse the contractor at billing rates established by the appropriate Government representative in accordance with FAR 42.704, subject to adjustment when the final rates are established. The established billing rates are currently as follows:

<table>
<thead>
<tr>
<th>Cost center</th>
<th>Period</th>
<th>Rate</th>
<th>Base</th>
</tr>
</thead>
<tbody>
<tr>
<td>................</td>
<td>.........</td>
<td>..........</td>
<td>......</td>
</tr>
<tr>

<td>.........</td>
<td>..........</td>
<td>......</td>
</tr>
</tbody>
</table>

(End of clause)
These billing rates may be prospectively or retroactively revised by mutual agreement, at the request of either the Government or the Contractor, to prevent substantial overpayment or underpayment.

(c) Notwithstanding the provisions of paragraphs (a) and (b) of this clause, ceilings are hereby established on indirect costs reimbursable under this contract. The Government shall not be obligated to pay the Contractor any additional amount on account of indirect costs in excess of the ceiling rates listed below:

<table>
<thead>
<tr>
<th>Cost center</th>
<th>Period</th>
<th>Rate</th>
<th>Base</th>

1552.242–72 Financial administrative contracting officer.

As prescribed in 1542.705 (b), insert the following clause:

FINANCIAL ADMINISTRATIVE CONTRACTING OFFICER (OCT 2000)

(a) A Financial Administrative Contracting Officer (FACO) is responsible for performing certain post-award functions related to the financial aspects of this contract when the EPA is the cognizant federal agency. These functions include the following duties:

(1) Review the contractor’s compensation structure and insurance plan.
(2) Negotiate advance agreements applicable to treatment of costs and to Independent Research & Development/Bid and Proposal costs.
(3) Negotiate changes to interim billing rates and establish final indirect cost rates and billing rates.
(4) Prepare findings of fact and issue decisions related to financial matters under the Disputes clause, if appropriate.
(5) In connection with Cost Accounting Standards:
   (A) Determine the adequacy of the contractor’s disclosure statements;
   (B) Determine whether the disclosure statements are in compliance with Cost Accounting Standards and FAR part 31;
   (C) Determine the contractor’s compliance with Cost Accounting Standards and disclosure statements, if applicable; and
   (D) Negotiate price adjustments and execute supplemental agreements under the Cost Accounting Standards clauses at FAR 52.230-3, 52.230-4, and 52.230-5.

(6) Review, approve or disapprove, and maintain surveillance of the contractor’s purchasing system.

(7) Perform surveillance, resolve issues, and establish any necessary agreements related to the contractor’s cost/schedule control system, including travel policies/procedures, allocation and cost charging methodology, timekeeping and labor distribution policies and procedures, subcontract payment practices, matters concerning relationships between the contractor and its affiliates and subsidiaries, and consistency between bid and accounting classifications.

(8) Review, resolve issues, and establish any necessary agreements related to the contractor’s estimating system.

(b) The FACO shall consult with the contracting officer whenever necessary or appropriate and shall forward a copy of all agreements/decisions to the contracting officer upon execution.

(c) The FACO for this contract is:

1552.245–70 Government property.

As prescribed in 1545.107(a), insert a clause substantially the same as follows:

GOVERNMENT PROPERTY (SEP 2009)

(a) The contractor shall not fabricate or acquire, on behalf of the Government, either directly or indirectly through a subcontract, any item of property without prior written approval from the Contracting Officer. If the Contracting Officer authorizes the contractor to acquire and/or fabricate equipment for use in the performance of this contract, the equipment shall be subject to the provisions of the “Government Property” clause and listed on the contract via contract modification.

(b) If the Government provides item(s) of Government property to the contractor for use in the performance of this contract, this property shall be used and maintained by the contractor in accordance with the provisions of the “Government Property” clause.

The “EPA Contract Property Administration Requirements” provided below apply to this contract.
Environmental Protection Agency  

1552.245–70

1. **Purpose.** This document sets forth the requirements for the U.S. Environmental Protection Agency (EPA) contractors performing Government property management responsibilities under EPA contracts. These requirements supplement those contained in the Government Property clause(s) and Part 45 Government Property of the Federal Acquisition Regulation (FAR).

2. **Contract Property Administration (CPAR)**
   a. **EPA Delegation.** EPA delegates all contract property administration to the EPA Contract Property Coordinator (CPC). The delegations apply to all EPA contracts issued with or that have the potential to receive, purchase or acquire Government Property or include the Government Property clauses. In addition to administering all contract property, the CPC provides technical expertise and assistance to the Contracting Officer (CO) and Contracting Officer Technical Representative (COTR) relative to Government Property.
   b. **DCMA Re-delegation.** The CPC may request support for contract property management oversight, including property administration and plant clearance, from the Defense Contract Management Agency (DCMA). If DCMA agrees to provide support, DCMA will notify the contractor of the assigned property administrator (PA) and plant clearance officer (PLCO). The DCMA PA is available to the contractor for assistance in all matters of property administration. Notwithstanding the delegation, as necessary, the contractor may contact the EPA CO. In the event of a disagreement between the contractor and the DCMA PA, the contractor should seek resolution from the CO. Unless, otherwise directed in the contract, or this document, all originals of written information or reports, except direct correspondence between the contractor and the DCMA PA, relative to Government property, should be forwarded to the administrative CO assigned to this contract and the CPC.
   c. **Disagreements.** Notwithstanding the delegation(s), as necessary, the contractor may contact the CO. In the event of a disagreement between the contractor and the PA or the CPC the contractor should seek resolution from the CO.

3. **Requests for Government Property.**
   a. **An item(s) description, quantity and estimated cost.**
   b. **Certification that no like contractor property exists which could be utilized.**
   c. **A detailed description of the task-related purpose of the property.**
   d. **Explanation of negative impact if property is not provided by the Government.**
   e. **Lease versus purchase analysis shall be furnished with the request to acquire property on behalf of the Government, with the exception of requests for material purchases.** The contractor may not proceed with acquisition of property on behalf of the Government until receipt of written authorization from the Contracting Officer.
   f. **Transfer of Government Property.** The Contracting Officer initiates the transfer of the government property via a contract modification. The transferor (EPA or another contractor) shall provide to the transferee, the receiving contractor, the information needed to establish and maintain the property records required of FAR 52.245–1, as well as all of the applicable data elements required by Attachment 1 of this clause. The transferee, the receiving contractor, should perform a complete inventory of the property before signing the acceptance document for the property. Accountability will transfer to the receiving contractor upon receipt and acceptance of the property, in accordance with FAR 45.106.

5. **Records of Government Property.**
   a. **In accordance with FAR 45.102, the contractor shall create and maintain records of all Government property, regardless of value, including property provided to and in the possession of a subcontractor. Material provided by the Government or acquired by the contractor and billed as a direct charge to the contract is Government property and records must be established as such.**
   b. **The Contractor shall identify all Superfund property and designate it as such both on the item and on the Government property record. If it is not practicable to tag the item, the contractor shall write the ID number on a tag, card or other entity that may be kept with the item or in a file.**
   c. **Support documentation used for posting entries to the property record shall provide complete, current and auditable data. Entries shall be posted to the record in a timely manner following an action.**
   d. **For Government vehicles, in addition to the data elements required by EPA, the contractor shall also comply with the General Services Administration (GSA) and Department of Energy (DOE) record and report requirements supplied with all EPA provided motor vehicles. If the above requirements were not provided with the vehicle, the contractor shall notify the designated CPC and the Fleet Manager.**
   e. **When Government property is disclosed to be in the management and/or control of
the contractor but not provided under any contract, the contractor shall record and report the property in accordance with FAR 52.245-1.

6. Inventories of Government Property. The contractor shall conduct a complete physical inventory of EPA property at least once per year. The contractor shall report the results of the inventory, including any discrepancies, to the CO. Reconciliation of discrepancies shall be completed in accordance with the schedule negotiated with the CO. See section 10 herein, Contract Closeout, for information on final inventories.

7. Reports of Government Property. EPA requires an annual summary report, for each contract, by contract number, of Government property in the contractor's possession. The annual summary is due as of September 30th of each year, and upon contract termination or expiration.

a. For each classification listed on the EPA Property Report form, with the exception of material, the contractor shall provide the total acquisition cost and total quantity. If there are zero items in a classification, or if there is an ending balance of zero, the classification must be listed with zeros in the quantity and acquisition cost columns.

b. For material, the contractor shall provide the total acquisition cost only.

c. Property classified as Plant Equipment, Superfund and Special Test Equipment must be reported on two separate lines. The first line shall include the total acquisition cost and quantity of all items or systems with a unit acquisition cost of $25,000 or more. The second line shall include the total acquisition cost and quantity of all items with a unit acquisition cost of less than $25,000.

d. For items comprising a system, which is defined as "a group of interacting items functioning as a complex whole," the contractor may maintain the record as a system noting all components of the system under the main component or maintain individual records for each item. However, for the annual report of Government property the components must be reported as a system with one total dollar amount for the system, if that system total is $25,000 or more.

e. The reports are to be received at EPA by the CO by October 5th of each year.

f. Distribution shall be as follows:

Original to: CPC

One copy: CO

g. Contractors are required to comply with GSA and DOE special reporting requirements for motor vehicles. A statement of these requirements will be provided by the EPA Facility Management and Services Division (FMSD) concurrent with receipt of each vehicle.

h. The contractor shall provide detailed reports on an as-needed basis, as may be requested by the CO or the CPC.

8. Disposition of Government Property. The disposition process is composed of three distinct phases: identification, reporting, and final disposition.

a. Identification. The disposition process begins with the contractor identifying Government property that is no longer required for contract performance. Effective contract property management systems provide for identification of excess as it occurs. Once Government property has been determined to be excess to the accountable contract, it must be screened against the contractor's other EPA contracts for further use. If the property may be reutilized, the contractor shall notify the CO in writing. Government property will be transferred via contract modifications to other contracts only when the COs on both the current contract and the receiving contract authorize the transfer.

b. Reporting.

(i) EPA. Government property shall be reported in accordance with FAR 52.245-1. The Standard Form, SF 1428, Inventory Disposal Schedule, provides the format for reporting excess Government property. Instructions for completing and when to use the form may be found at FAR 52.245-1(i). Forward the completed SF 1428 to the CPC. The SF 1428 is available at http://www.archnet.gov/far/current/ html/FormsStandard54.html. Superfund property must contain a Superfund notification and the following language must be displayed on the form: "Note to CO: Reimbursement to the EPA Superfund is required."

(ii) DCMA. If the EPA contract has been re-delegated to DCMA, the excess items will be entered into the Plant Clearance Automated Reutilization Screening System (PCARSS). Access and information pertaining to this system may be addressed to the DCMA Plant Clearance Officer (PLCO).

c. Disposition Instructions.

(i) Retention. When Government property is identified as excess, the CO may direct the contractor in writing to retain all or part of the excess Government Property under the current contract for possible future requirements.

(ii) Return to EPA. When Government property is identified as excess, the CO may direct the contractor in writing to return the property to another EPA contractor. The contractor shall transfer the property by shipping it in accordance with the instructions provided by the CO. To effect transfer of accountability, the contractor shall provide the recipient of the property with the applicable data elements set forth in Attachment 1 of this clause.
Environmental Protection Agency

1552.245–71

(iv) Sale. If GSA or the DCMA PLCO conducts a sale of the excess Government property, the contractor shall allow prospective bidders access to property offered for sale.

(v) Abandonment. Abandoned property must be disposed of in a manner that does not endanger the health and safety of the public. If the contract is delegated to DCMA and the contractor has input EPA property into the PCARSS system, the EPA Property Utilization Officer (PUO) shall notify the CO. The CO shall notify the contractor in writing of those items EPA would like to retain, have returned or transferred to another EPA contractor. The contractor shall notify the DCMA PLCO and request withdrawal of those items from the inventory schedule. The contractor shall update the Government property record to indicate the disposition of the item and to close the record. The contractor shall also obtain either a signed receipt or proof of shipment from the recipient. The contractor shall notify the CO when all actions pertaining to disposition have been completed. The contractor shall complete an EPA Property report with changes, to include supporting documentation of completed disposition actions and submit it to the CPC.

9. Decontamination. In addition to the requirements of the “Government Property” clause and prior to performing disposition of any EPA Government Property, the contractor shall certify in writing that the property is free from contamination by any hazardous or toxic substances.

10. Contract Closeout. The contractor shall complete a physical inventory of all Government property at contract completion and the results, including any discrepancies, shall be reported to the CO. If the contract is delegated to DCMA, the physical inventory report will be submitted to the EPA CO and a copy submitted to the DCMA PA. In the case of a terminated contract, the contractor shall comply with the inventory requirements set forth in the applicable termination clause. The results of the inventory, as well as a detailed inventory listing, must be forwarded to the CO and if delegated, a copy to the DCMA PA. In order to expedite the disposal process, contractors may be required to, or may elect to submit to the CPC, an inventory schedule for disposal purposes up to six (6) months prior to contract completion. If such an inventory schedule is prepared, the contractor must indicate the earliest date that each item may be disposed. The contractor shall update all property records to show disposal action. The contractor shall notify the CO and, if delegated, the DCMA PA, in writing, when all work has been completed under the contract and all Government property accountable to the contract has been disposed. The contractor shall complete a FINAL EPA Property report with all supporting documentation to the CPC.

ATTACHMENT 1

Required Data Element—In addition to the requirements of FAR 52.245-1(f)(vi), Reports of Government Property, the contractor is required to maintain, and report the following data elements for EPA Government property (all elements are not applicable to material): Name and address of the administrative Contracting Officer; Name of the contractor representative; Business type; Name and address of the contract property coordinator; Superfund (Yes/No); No. of Subcontractor/Alternate Locations.

Note: For items comprising a system which is defined as, “a group of interacting items functioning as a complex whole,” the contractor may maintain the record as a system noting all components of the system under the main component or maintain individual records for each item. However, for the Annual Report of Government Property, the components must be reported as a system with one total dollar amount for the system, if that system total is $25,000 or more.

(End of clause)

[74 FR 37110, Sept. 15, 2009, as amended at 78 FR 46292, July 31, 2013]

1552.245–71 Government-furnished data.

As prescribed in 1545.107(b), insert the following contract clause in any contract that the Government is to furnish the Contractor data. Identify in the clause the data to be provided.

GOVERNMENT-FURNISHED DATA (SEP 2009)

(a) The Government shall deliver to the Contractor the Government-furnished data described in the contract. If the data, suitable for its intended use, is not delivered to the Contractor, the Contracting Officer shall equitably adjust affected provisions of this contract in accordance with the “Changes” clause when:

(1) The Contractor submits a timely written request for an equitable adjustment; and
(2) The facts warrant an equitable adjustment.

(b) Title to Government-furnished data shall remain in the Government.

(c) The Contractor shall use the Government-furnished data only in connection with this contract.

(d) The following data will be furnished to the Contractor on or about the time indicated:

105
PART 1553—FORMS

Sec. 1553.000 Scope of part.

Subpart 1553.2—Prescription of Forms

1553.213 Small purchases and other simplified purchase procedures.

1553.213–70 EPA Form 1900–8, Procurement Request/Order.

As prescribed in 1513.505–2, EPA Form 1900–8 may be used in lieu of Optional Forms 347 and 348 for individual purchases.

1553.216 Types of contracts.

1553.216–70 EPA Form 1900–41A, CPAF Contract Summary of Significant Performance Observation.

As prescribed in 1516.404–278, EPA Form 1900–41A shall be used to document significant performance observations under CPAF contracts.

As prescribed in 1516.404–278, EPA Form 1900–41B shall be used to document individual performance events under CPAF contracts.

1553.232 Contract financing.

1553.232–70 EPA Form 1900–3, Assignee’s Release.

As prescribed in 1532.805–70(a), the EPA Form 1900–3 is required to be submitted by the assignee for cost-reimbursement contracts prior to final payment under the contract.

1553.232–71 EPA Form 1900–4, Assignee’s Assignment of Refunds, Rebates, Credits and Other Amounts.

As prescribed in 1532.805–70(b), the EPA Form 1900–4 must accompany the assignee’s release prior to final payment under cost-reimbursement contracts.

1553.232–72 EPA Form 1900–5, Contractor’s Assignment of Refunds, Rebates, and Credits.

As prescribed in 1532.805–70(c), the EPA Form 1900–5 must be prepared by the Contractor prior to final payment under cost-reimbursement contracts and must accompany the Contractor’s release.

1553.232–73 EPA Form 1900–6, Contractor’s Release.

As prescribed in 1532.805–70(d), the EPA Form 1900–6 must be submitted by the Contractor under cost-reimbursement contracts prior to final payment thereunder.
1553.232–74 EPA Form 1900–10, Contractor’s Cumulative Claim and Reconciliation.

As prescribed in 1532.170(a), the EPA Form 1900–10 shall be used for an accounting of the cumulative charges and costs for cost-reimbursement contracts from the inception of the contract to completion. It shall be submitted by the Contractor along with the completion voucher.

1553.232–75 EPA Form 1900–68, notice of contract costs suspended and/or disallowed.

As prescribed in 1532.170(b), the Contracting Officer shall insert EPA Form 1900–68 in all cost-reimbursement type and fixed-rate type contracts.

SUBCHAPTER A—GENERAL

PART 1600 [RESERVED]

PART 1601—FEDERAL ACQUISITION REGULATIONS SYSTEM

Subpart 1601.1—Purpose, Authority, Issuance

Sec. 1601.101 Purpose.

(a) This subpart establishes chapter 16, Office of Personnel Management Federal Employees Health Benefits Acquisition Regulation, within title 48, the Federal Acquisition Regulation System, of the Code of Federal Regulations. The short title of this regulation shall be FEHBAR.

(b) The purpose of the FEHBAR is to implement and supplement the Federal Acquisition Regulation (FAR) specifically for acquiring and administering contracts with health insurance carriers in the Federal Employees Health Benefits Program (FEHBP).

1601.102 Authority.

(a) The FEHBAR is issued by the Director of the Office of Personnel Management in accordance with the authority of 5 U.S.C. chapter 89 and other applicable law and regulation.

(b) The FEHBAR does not replace or incorporate regulations found at 5 CFR part 890, which provides the substantive policy guidance for administration of the FEHBP under 5 U.S.C. Chapter 89. The following is the order of precedence in interpreting a contract provision under the FEHBP:

1. 5 U.S.C. Chapter 89;
2. 5 CFR part 890;
3. 48 CFR Chapters 1 and 16;
4. The FEHBP contract.

1601.103 Applicability.

The FAR is generally applicable to contracts negotiated in the FEHBP pursuant to 5 U.S.C. chapter 89. The FEHBAR implements and supplements the FAR where necessary to identify basic and significant acquisition policies unique to the FEHBP.

1601.104 Issuance.

1601.104–1 Publication and code arrangement.

(a) The FEHBAR and its subsequent changes are published in

1. Daily issues of the Federal Register;

(b) The FEHBAR is issued as chapter 16 of title 48 of the Code of Federal Regulations.

1601.104–2 Arrangement of regulation.

(a) General. The FEHBAR conforms with the arrangement and numbering system prescribed by FAR 1.104. However, when a FAR part or subpart is adequate for use without further OPM implementation or supplementation, there will be no corresponding FEHBAR part, subpart, etc. The FEHBAR is to be used in conjunction with the FAR and the order for use is:

1. FAR;
2. FEHBAR.

(b) Citation. (1) In formal documents, such as legal briefs, citation of chapter 16 material that has been published in the Federal Register will be to title 48 of the Code of Federal Regulations.

(2) In informal documents, any section of chapter 16 may be identified as
1601.106 OMB approval under the Paperwork Reduction Act.

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to obtain approval from the Office of Management and Budget (OMB) before collecting information from ten or more members of the public. The information collection and recordkeeping requirements contained in this regulation have been approved by the OMB. The following OMB control numbers apply.

Subpart 1601.3—Agency Acquisition Regulation (FEHBAR)

1601.301 Policy.

(a) Procedures, contract clauses, and other aspects of the acquisition process for contracts in the FEHBP shall be consistent with the principles of the FAR. Changes to the FAR that are otherwise authorized by statute or applicable regulation, dictated by the practical realities associated with the unique nature of health care procurements, or necessary to satisfy specific needs of the Office of Personnel Management shall be implemented as amendments to the FEHBAR and published in the FEDERAL REGISTER, or as deviations from the FAR in accordance with FAR subpart 1.4.

(b) Internal procedures, instructions, and guides that are necessary to clarify or implement the FEHBAR within OPM may be issued by agency officials specifically designated by the Director, OPM. Normally, such designations will be specified in the OPM Administrative Manual, which is routinely available to agency employees and will be made available to interested outside parties upon request. Clarifying or implementing procedures, instructions, and guides issued pursuant to this section of the FEHBAR must—

1602.000–70 Scope of part.

This part defines words and terms commonly used in this regulation.

Subpart 1602.1—Definitions of FEHBP Terms

1602.170 Definition of terms.

In this chapter, unless otherwise indicated, the following terms have the meaning set forth in this subpart.

1602.170–1 Carrier.

Carrier means a voluntary association, corporation, partnership, or other nongovernmental organization which is lawfully engaged in providing, delivering, paying for, or reimbursing the cost of health care services under group insurance policies or contracts,
medical or hospital service agreements, membership or subscription contracts, including a health maintenance organization, a nonprofit hospital and health service corporation, or any other entity providing a plan of health insurance, health benefits or health services, in consideration of premiums or other periodic charges payable to the carrier.

[82 FR 47573, Sept. 10, 1997]

1602.170–2 Community rate.

(a) Community rate means a rate of payment based on a per member per month capitation rate or its equivalent that applies to a combination of the subscriber groups for a comprehensive medical plan carrier. References in this subchapter to “a combination of cost and price analysis” relating to the applicability of policy and contract clauses refer to comprehensive medical plan carriers using community rates.

(b) Adjusted community rate means a community rate which has been adjusted for expected use of medical resources of the FEHBP group. An adjusted community rate is a prospective rate and cannot be retroactively revised to reflect actual experience, utilization, or costs of the FEHBP group, except as described in §1615.402(c)(4).

1602.170–3 Comprehensive medical plan.

Comprehensive Medical Plan means a plan as defined under 5 U.S.C. 8903(4).

1602.170–4 Contractor.

Contractor means carrier.

1602.170–5 Cost or pricing data.

(a) Experience-rated carriers. Cost or pricing data for experience-rated carriers includes:

(1) Information such as claims data;

(2) Actual or negotiated benefits payments made to providers of medical services for the provision of healthcare, such as capitation not adjusted for specific groups, including mental health benefits capitation rates, per diems, and Diagnostic Related Group (DRG) payments;

(3) Cost data;

(4) Utilization data; and

(5) Administrative expenses and retentions, including capitated administrative expenses and retentions.

(b) Community rated carriers. Cost or pricing data for community rated carriers is the specialized rating data used by carriers in computing a rate that is appropriate for the Federal group and similarly sized subscriber groups (SSSGs). Such data include, but are not limited to, capitation rates; prescription drug, hospital, and office visit benefits utilization data; trend data; actuarial data; rating methodologies for other groups; standardized presentation of the carrier’s rating method (age, sex, etc.) showing that the factor predicts utilization; tiered rates information; “step-up” factors information; demographics such as family size; special benefit loading capitations; and adjustment factors for capitation. After the 2012 plan year, reconciled rates for community rated carriers, other than those required by state law to use Traditional Community Rating (TCR), will be required to meet an FEHB-specific medical loss ratio threshold published annually in OPM’s rate instructions to FEHB carriers.

1602.170–6 Director.

Director means the Director of the Office of Personnel Management.

1602.170–7 Experience-rate.

Experience-rate means a rate for a given group that is the result of that group’s actual paid claims, administrative expenses (including capitated administrative expenses), retentions, and estimated claims incurred but not reported, adjusted for benefit modifications, utilization trends, and economic trends. Actual paid claims include any actual or negotiated benefits payments made to providers of services for the provision of healthcare such as capitation not adjusted for specific groups,
including mental health benefits capitation rates, per diems, and DRG payments.

[70 FR 31378, June 1, 2005]

1602.170–8 FEHBP.

FEHBP means the Federal Employees Health Benefits Program.

1602.170–9 Health benefits plan.

Health benefits plan means a group insurance policy, contract, medical or hospital service agreement, membership or subscription contract, or similar group arrangements provided by a carrier for the purpose of providing, arranging for, delivering, paying for, or reimbursing any of the costs of health care services.

1602.170–10 Letter of credit.

Letter of credit means the method by which certain carriers, and their underwriters if authorized, receive recurring premium payments and contingency reserve payments by drawing against a commitment (certified by a responsible OPM official) which specifies a dollar amount available. For each carrier participating in the letter of credit arrangement for payment under this part, the terms “carrier reserves,” and “special reserves” include any balance in the carrier’s letter of credit account.

1602.170–11 Negotiated benefits contracts.

Negotiated benefits contracts are FEHBP contracts in which benefits provided and subscription income are based on either community rating or experience rating.

1602.170–12 OPM.

OPM means the Office of Personnel Management.

excepted benefits as defined at 26 U.S.C. 9832(c);
(4) A purchasing alliance whose rate-setting is mandated by the State or local government;
(5) Administrative Service Organizations (ASOs);
(6) Any other group excluded from consideration as specified in the rate instructions issued by OPM.
(d) OPM shall determine the FEHBP rate by selecting the lowest rate derived by using rating methods consistent with those used to derive the SSSG rate.
(e) In the event that a State-mandated TCR carrier has no SSSG, then it will be subject to the FEHB specific MLR requirement.

1602.170–14 FEHB-specific medical loss ratio threshold calculation.

(a) Medical Loss Ratio (MLR) means the ratio of plan incurred claims, including the carrier’s expenditures for activities that improve health care quality, to total premium revenue determined by OPM, as defined by the Department of Health and Human Services in 45 CFR part 158.
(b) The FEHB-specific MLR will be calculated on an annual basis. This FEHB-specific MLR will be measured against an FEHB-specific MLR threshold to be put forth by OPM no later than 12 calendar months before the beginning of plan years 2014 and beyond. OPM will publish the FEHB-specific MLR threshold no later than 8 months before the beginning of plan year 2013.
(c) In place of the credibility adjustment at 45 CFR 158.230–158.232, OPM will set a separate credibility adjustment to account for the special circumstances of small FEHB plans in annual rate instructions to carriers.

1602.170–15 Subcontractor.

Subcontractor means any supplier, distributor, vendor, or firm that furnishes supplies or services to or for a prime contractor or another subcontractor, except for providers of direct medical services or supplies pursuant to the Carrier’s health benefits plan.

1602.170–16 Large Provider Agreement.

(a) Large Provider Agreement means an agreement between—
(1) An FEHB carrier, at least 25 percent of which total contracts are FEHB enrollee contracts, and
(2) A vendor of services or supplies such as mail order pharmacy services, pharmacy benefit management services, mental health and/or substance abuse management services, preferred provider organization services, utilization review services, and/or large case or disease management services. This representative list includes organizations that own or contract with direct providers of healthcare or supplies, or organizations that process claims or manage patient care. A hospital is not considered to be a vendor for purposes of this chapter.
(i) Where the total costs charged to the FEHB carrier for a contract term for FEHB members, including benefits and services, are reasonably expected to exceed 5 percent of the carrier’s total FEHB benefits costs, or
(ii) Where the total administrative costs charged to the FEHB carrier for the contract term for FEHB members are reasonably expected to exceed 5 percent of the carrier’s total FEHB administrative costs (applicable to agreements where the provider is not responsible for FEHB benefits costs).
(3) As used in this section, the term “carrier” does not include local health plans that serve under an umbrella arrangement with an FEHB carrier.
(b) The FEHB Program Annual Accounting Statement for the FEHB Plan for the prior contract year will be used to determine the 5 percent threshold under Large Provider Agreements.
(c) Large Provider Agreements based on cost analysis are subject to the provisions of FAR 52.215–2, “Audit and Records-Negotiation.”
(d) Large Provider Agreements based on price analysis are subject to the
provisions of 48 CFR 1646.301 and 1652.246–70.

Subpart 1603.70—Misleading, Deceptive, or Unfair Advertising

Sec.
1603.7001 Policy.
1603.7002 Additional guidelines.

SOURCE: 52 FR 16039, May 1, 1987, unless otherwise noted.

Subpart 1603.70—Misleading, Deceptive, or Unfair Advertising

1603.7001 Policy.

(a) OPM prepares and distributes or makes available to Federal employees and annuitants a comparison booklet which presents summary information and a benefits brochure which details benefits, limitations, and premium rates for all participating plans. OPM does not encourage, support, or reimburse participating carriers for the costs of advertisements. However, while OPM believes that advertising is unnecessary, it recognizes that the decision to use advertising rests with each carrier.

(b) OPM discourages advertising that is misleading or deceptive. This includes advertising that is directed at other carriers' plans participating in the Program and which uses incomplete or inappropriate comparisons or disparaging or minimizing techniques. Such unfair practices are prejudicial to the interests of the vast majority of carriers whose advertising is fair and accurate.

(c) Failure to conform to the requirements of this subpart shall be a material breach of the contract and may result in withdrawal of approval to continue participation in the FEHB Program.

1603.7002 Additional guidelines.

Any advertisements which identify a carrier’s participation in the FEHBP shall—

(a) Be limited to the merits of the carrier’s FEHBP plan and shall be limited to factual statements of the benefits and rates offered by that plan. The official document for benefit and rate comparisons among FEHBP plans is the comparison chart issued by OPM.

(b) Not use the FEHBP logo.

(c) Recognize that the officially approved plan brochure is the sole contractual statement of benefits, limitations, and exclusions. All advertisements that in any way discuss plan benefits shall contain the following statement:

This is a summary (or brief description) of the features of the plan’s name. Before making a final decision, please read the plan’s officially approved brochure, (brochure number). All benefits are subject to the definitions, limitations, and exclusions set forth in the official brochure.

(d) Set forth the rates for the plan, if the advertisements discuss benefits.

(e) Not give instructions on enrollment. Statements on enrollment procedures, requirements, or eligibility shall be limited to those such as:

   To sign up, fill out a Health Benefits Registration Form (Standard Form 2809) from your personnel office indicating the enrollment you want.

   The enrollment codes for (plan’s name) are:

   ___ Only ___ Enrollment Code
   ___ Self and Family ___ Enrollment Code

   The form must then be returned to your personnel office before the (date) deadline. Your (plan’s name) coverage will begin the first pay period in January, (year). If you are a retired Federal employee and need forms, contact the Office of Personnel Management at P.O. Box 809, Washington, DC 20044.

1603.7003 Contract clause.

The clause at 1652.203–70 shall be inserted in all FEHBP contracts.

1604.703 Policy.

In view of the unique payment schedules of FEHBP contracts and the compelling need for records retention periods sufficient to protect the Government’s interest, contractors shall be required to maintain records for periods determined in accordance with the provisions of FAR 4.703(b)(1).

1604.705 Specific retention periods.

Unless the contracting officer determines that there exists a compelling reason to include only the contract clause specified by FAR 52.215-2 “Audit & Records—Negotiation,” the contracting officer shall insert the clause at 1652.204-70 in all FEHBP contracts.

1604.7201 FEHB Program Large Provider Agreements.

The following provisions apply to all experience-rated carriers participating in the FEHB Program:

(a) Notification and information requirements. (1) All experience-rated carriers must provide notice to the contracting officer of their intent to enter into or to make a significant modification to a Large Provider Agreement.

SOURCE: 70 FR 31379, June 1, 2005, unless otherwise noted.

1604.7201 FEHB Program Large Provider Agreements.

The following provisions apply to all experience-rated carriers participating in the FEHB Program:

(a) Notification and information requirements. (1) All experience-rated carriers must provide notice to the contracting officer of their intent to enter into or to make a significant modification to a Large Provider Agreement.
Significant modification means a 20% increase or more in the amount of the Large Provider Agreement:

(i) Not less than 60 days before entering into any Large Provider Agreement; and

(ii) Not less than 60 days before exercising renewals or other options, or making a significant modification.

(2) The carrier’s notification to the contracting officer must be in writing and must, at a minimum:

(i) Describe the supplies and/or services the proposed provider agreement will require;

(ii) Identify the proposed basis for reimbursement;

(iii) Identify the proposed provider agreement, explain why the carrier selected the proposed provider, and, where applicable, what contracting method it used, including the kind of competition obtained;

(iv) Describe the methodology the carrier used to compute the provider’s profit; and, (v) Describe the provider risk provisions.

(3) The contracting officer may request from the carrier any additional information on a proposed provider agreement and its terms and conditions prior to a Large Provider award and during the performance of the agreement.

(4) Within 30 days of receiving the carrier’s notification, the contracting officer will either give the carrier written comments or written notice that there will be no comments. If the contracting officer comments, the carrier must respond in writing within 10 calendar days and explain how it intends to address any concerns.

(5) When computing the carrier’s annual service charge, the contracting officer will consider how well the carrier complies with the provisions of this section, including the advance notification requirements, as an aspect of the carrier’s performance factor.

(6) The contracting officer’s review of any Large Provider agreement, option, renewal, or modification will not constitute a determination of the acceptability of terms or conditions of any provider agreement or the allowability of any costs under the carrier’s contract, nor will it relieve the carrier of any responsibility for performing the contract.

(b) Records and inspection. The carrier must insert in all Large Provider Agreements the requirement that the provider will retain and make available to the Government all records relating to the agreement as follows:

(1) Records that support the annual statement of operations—Retain for 6 years after the agreement term ends.

(2) Enrollee records, if applicable—Retain for 6 years after the agreement term ends.

(c) Large Provider Agreements based on cost analysis are subject to the provisions of FAR 52.215-2, “Audit and Records-Negotiation.”

(d) Large Provider Agreements based on price analysis are subject to the provisions of 48 CFR 1646.301 and 1652.246-70.

1604.7202 Large Provider Agreement clause.

The contracting officer will insert the clause set forth at section 1652.204-74 in all experience-rated FEHB Program contracts.
SUBCHAPTER B—ACQUISITION PLANNING

PART 1605—PUBLICIZING CONTRACT ACTIONS

1605.000 Applicability.

FAR part 5 has no practical application to the FEHBP because OPM does not issue solicitations. Eligible contractors (i.e., qualified health benefits carriers) are identified in accordance with 5 U.S.C. 8903. Offerors voluntarily come forth in accordance with procedures provided in 5 CFR part 890.

[52 FR 16039, May 1, 1987]

PART 1606—COMPETITION REQUIREMENTS

1606.001 Applicability.

FAR part 6 has no practical application to FEHBP contracts in view of the statutory exception provided by 5 U.S.C. 8902.

Subpart 1609.4—Debarment, Suspension, and Ineligibility

Source: 59 FR 14764, Mar. 30, 1994, unless otherwise noted.

1609.470 Notification of Debarment, Suspension, and Ineligibility.

(FAR) 48 CFR, part 6, subpart 9.4 is supplemented as set out in the certification required in 1609.471 by converting the FAR "offeror's" certification at (FAR) 48 CFR 52.209-3 into a carrier's certification. This change reflects the FEHBP's statutory exemption from competitive bidding (5 U.S.C. 8902), which obviates the issuance of solicitations.

1609.471 Contractor certification.

All FEHBP carriers and applicant carriers are required to submit the following certification. Applicant carriers must submit the certification prior to OPM's determination on the application for approval to participate in the FEHBP. Current carriers must submit the certification once, along with their benefit and rate proposals for the 1995 contract year.

DEBARMENT, SUSPENSION, PROPOSED DEBARMENT, AND OTHER RESPONSIBILITY MATTERS

The Carrier certifies, to the best of its knowledge and belief, that—

(a) The Carrier and/or any of its Principals—

(1) Are ( ) are not ( ) presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) Have ( ) have not ( ), within a 3-year period preceding this certification, been convicted of or had a civil judgment rendered against them for: Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; and

(3) Are ( ) are not ( ) presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(2) of this clause.

(4) The Carrier has ( ) has not ( ), within a 3-year period preceding this certification, had one or more contracts terminated for default by any Federal agency.
(b) Principals, for the purposes of this certification, means officers; directors; owners; partners; and persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions).

This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious, or fraudulent certification may render the Carrier subject to prosecution under section 1001, title 18, United States Code.

c) The Carrier shall provide immediate written notice to the Contracting Officer if, at any time, the Carrier learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

d) A Carrier’s certification that any of the actions mentioned in the certification exists will not necessarily result in termination of the contract. However, the certification, or the Carrier’s failure to provide such additional information as requested by the Contracting Officer, will be considered in connection with a determination of the Carrier’s responsibility under subpart 1609.70, Minimum Standards for Health Benefits Carriers.

e) Nothing contained in the certification shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this section. The knowledge and information of the Carrier is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(f) The certification in this section is a material representation of fact upon which reliance is placed by the Contracting Officer. If it is later determined that the Carrier knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract for default.

Subpart 1609.70—Minimum Standards for Health Benefits Carriers

1609.7001 Minimum standards for health benefits carriers.

(a) The carrier of an approved health benefits plan shall meet the requirements of chapter 89 of title 5, United States Code; part 890 of title 5, Code of Federal Regulations; chapter 1 of title 48, Code of Federal Regulations, and the following standards. The carrier shall continue to meet the requirements of chapter 89 of title 5, United States Code, and the standards cited in this paragraph while under contract with OPM. Failure to meet these requirements and standards is cause for OPM’s withdrawal of approval of the health benefits carrier and termination of the contract in accordance with 5 CFR 890.204.

1. It must be lawfully engaged in the business of supplying health benefits.

2. It must have, in the judgement of OPM, the financial resources and experience in the field of health benefits to carry out its obligations under the plan.

3. It must keep such reasonable financial and statistical records, and furnish such reasonable financial and statistical reports with respect to the plan, as may be requested by OPM.

4. It must permit representatives of OPM and of the General Accounting Office to audit and examine its records and accounts which pertain, directly or indirectly, to the plan at such reasonable times and places as may be designated by OPM or the General Accounting Office.

5. It must accept, subject to adjustment for error or fraud, in payment of its charges for health benefits for all enrollees in its plan, the enrollment charges received by the Employees Health Benefits (EHB) Fund and prescribed in 5 CFR 890.503. OPM makes available or pays the amounts within 30 days of receipt by the EHB Fund.

6. A carrier that is an employee organization must continue coverage, without requirement of membership, of any eligible survivor annuitants, former spouses continuing coverage with the carrier under 5 CFR 890.803, children temporarily continuing coverage with the carrier under 5 CFR 890.1103(a)(2), or former spouses temporarily continuing coverage with the carrier under 5 CFR 890.1103(a)(3).

7. It must timely submit to OPM a properly completed and signed novation or change-of-name agreement in
accordance with subpart 1642.12 of this chapter.

(b) In addition to the standards in paragraph (a) of this section, the carrier must perform the contract in accordance with prudent business practices. A carrier’s sustained poor business practice in the management or administration of a health benefits plan is cause for OPM’s withdrawal of approval of the health benefits carrier and termination of the carrier’s contract. Prudent business practices include, but are not limited to, the following:

1. Timely compliance with OPM instructions and directives.
2. Legal and ethical business and health care practices.
3. Compliance with the terms of the FEHB contract, regulations and statutes.
4. Timely and accurate adjudication of claims or rendering of medical services.
5. A system for accounting for costs incurred under the contract, when required, which includes segregating and pricing FEHB medical utilization and allocating indirect and administrative costs in a reasonable and equitable manner.
6. Accurate accounting reports of actual, allowable, allocable, and reasonable costs incurred in the administration of the contract.
7. Application of performance standards for assuring contract quality as required by 1646.270(d).
8. Establishment and maintenance of a system of internal control that provides reasonable assurance that:
   (i) The provision and payments of benefits and other expenses are in compliance with legal, regulatory, and contractual guidelines;
   (ii) FEHB funds, property, and other assets are safeguarded against waste, loss, unauthorized use, or misappropriation; and
   (iii) Data are accurately and fairly disclosed in all reports required by OPM.

(c) The following types of activities are examples of poor business practices which adversely affect the health benefits carrier’s responsibility under its contract. A pattern of poor conduct or evidence of misconduct in these areas is cause for OPM to withdraw approval of the carrier:

1. Presenting false claims by charging expenses to the contract which according to the contract terms are not chargeable to the contract;
2. Using fraudulent or unethical business or health care practices or otherwise displaying a lack of business integrity or honesty;
3. Repeatedly and knowingly providing false or misleading information in the rate setting process;
4. Repeated failure to comply with OPM instructions and directives;
5. Having an accounting system that is incapable of separately accounting for costs incurred under the contract and/or that lacks the internal controls necessary to fulfill the terms of the contract; and
6. Failure to assure that the plan provides properly paid or denied claims, or providing medical services which are inconsistent with standards of good medical practice.
7. Entering into contracts or employment agreements with providers, provider groups, or health care workers that include provisions or financial incentives that directly or indirectly create an inducement to limit or restrict communication about medically necessary services to any individual covered under the FEHB Program. Financial incentives are defined as bonuses, withholds, commissions, profit sharing or other similar adjustments to basic compensation (e.g., service fee, capitation, salary) which have the effect of limiting or reducing communication about appropriate medically necessary services. Providers, health care workers, or health plan sponsoring organizations are not required to discuss treatment options that they would not ordinarily discuss in their customary course of practice because such options are inconsistent with their professional judgment or ethical, moral or religious beliefs.
8. The Director or his or her designee will determine whether to propose withdrawal of approval and hold a hearing based on the seriousness of the
carrier’s actions and its proposed method to effect corrective action.

Subpart 1615.1—Source Selection Processes and Techniques

1615.170 Applicability.

FAR subpart 15.1 has no practical application to the FEHB Program because prospective contractors (carriers) are considered for inclusion in the FEHB Program according to criteria in 5 U.S.C. chapter 89 and 5 CFR part 890 rather than by competition between prospective carriers.

[70 FR 31379, June 1, 2005]

Subpart 1615.2—Solicitations and Receipt of Proposals and Information

1615.270 Applicability.

FAR subpart 15.2 has no practical application to the FEHB Program because OPM does not issue formal procurement solicitations to health benefits carriers. Eligible contractors (i.e., qualified health benefits carriers) are identified in accordance with 5 U.S.C. 8903. 1615.402 Pricing policy.

Pricing of FEHB contracts is governed by 5 U.S.C. 8902(i), 5 U.S.C. 8906, and other applicable law. FAR subpart 15.4 will be implemented by applying its policies and procedures—to the extent practicable—as follows:

(a) For both experience-rated and community-rated contracts for which the FEHB Program premiums for the contract term will be less than the threshold at FAR 15.403-4(a)(1), OPM will not require the carrier to provide cost or pricing data in the rate proposal for the following contract term.

(b) Cost analysis will be used for contracts where premiums and subscription income are determined on the basis of experience rating.

(c)(1) A combination of cost and price analysis will be used for contracts where premiums and subscription income are based on community-rates. For contracts for which the FEHB Program premiums for the contract term will be less than the threshold at FAR 15.403-4(a)(1), OPM will not require the carrier to provide cost or pricing data. The carrier is required to submit only a rate proposal and abbreviated utilization data for the applicable contract year. OPM will evaluate the proposed rates by performing a basic reasonableness test on the information submitted. Rates failing this test will be subject to further review.

(2) For contracts with fewer than 1,500 enrollee contracts for which the FEHB Program premiums for the contract term will be at or above the threshold at FAR 15.403-4(a)(1), OPM will require the carrier to submit its rate proposal, utilization data, and a certificate of accurate cost or pricing data required by OPM in its rate instructions for the applicable contract period. OPM will evaluate the data to ensure that the rate is reasonable and consistent with the requirements in this chapter. If necessary, OPM may require the carrier to provide additional documentation.

(B) Contracts will be subject to a downward price adjustment if OPM determines that the Federal group was charged more than it would have been charged using a methodology consistent with that used for the SSSG. Such adjustments will be based on the rate determined by using the methodology (including discounts) the carrier used for the SSSG.

(C) FEHB Program community-rated carriers will comply with SSSG criteria provided by OPM in the rate instructions for the applicable contract period.

(ii) FEHB-specific medical loss ratio (MLR) threshold methodology. (A) For contracts with 1,500 or more enrollee contracts for which the FEHB Program premiums for the contract term will be

periodic auditor and actuarial review in accordance with 1652.204–70. OPM will perform a basic reasonableness test on the data submitted. Rates that do not pass this test will be subject to further OPM review.

(3) For plan year 2012, plans will have the option of continuing to use the similarly sized subscriber group (SSSG) rating methodology described in paragraph (c)(3)(i) of this section or using the MLR rating methodology described in paragraph (c)(3)(ii) of this section. All non-traditional community rated (TCR) plans will be required to submit FEHB-specific MLR information for every year beginning with plan year 2011.

(i) Similarly sized subscriber group (SSSG) methodology. (A) For contracts with 1,500 or more enrollee contracts for which the FEHB Program premiums for the contract term will be at or above the threshold at FAR 15.403-4(a)(1), OPM will require the carrier to provide the data and methodology used to determine the FEHB Program rates. OPM will also require the data and methodology used to determine the rates for the carrier’s SSSG. The carrier will provide cost or pricing data required by OPM in its rate instructions for the applicable contract period. OPM will evaluate the data to ensure that the rate is reasonable and consistent with the requirements in this chapter. If necessary, OPM may require the carrier to provide additional documentation.

(B) Contracts will be subject to a downward price adjustment if OPM determines that the Federal group was charged more than it would have been charged using a methodology consistent with that used for the SSSG. Such adjustments will be based on the rate determined by using the methodology (including discounts) the carrier used for the SSSG.

(ii) FEHB-specific medical loss ratio (MLR) threshold methodology. (A) For contracts with 1,500 or more enrollee contracts for which the FEHB Program premiums for the contract term will be
at or above the threshold at FAR 15.403–4(a)(1), OPM will require the carrier to provide the data and methodology used to determine the FEHB Program rates. OPM will also require the data and methodology used to determine the medical loss ratio (MLR) as defined in the ACA (Pub. L. 111–148) and as defined by HHS in 45 CFR part 158 for all FEHB community rated plans other than those required by state law to use Traditional Community Rating. The carrier will provide cost or pricing data, as well as the FEHB-specific MLR threshold data required by OPM in its rate instructions for the applicable contract period. OPM will evaluate the data to ensure that the rate is reasonable and consistent with the requirements in this chapter. If necessary, OPM may require the carrier to provide additional documentation.

(B) Contracts will be subject to a subsidization penalty if OPM determines that the FEHB group did not meet the FEHB-specific MLR threshold specified in the annual rate instruction to carriers. Such a subsidization penalty will be deposited into a Subsidization Penalty Account held at the U.S. Treasury. This Subsidization Penalty Account will be held in common with all community rated carriers and will be annually distributed to the contingency reserve accounts of all non-TCR community rated plans on a pro-rata basis.

(C) FEHB Program community-rated carriers will comply with the MLR criteria, including the FEHB-specific MLR threshold provided by OPM in the rate instructions for the applicable contract period. FEHB plans that are required by state law to use TCR are exempt from this requirement and will use the SSSG methodology outlined in paragraph (c)(3)(i) of this section.

(4) Contracts will be subject to a downward price adjustment if OPM determines that the Federal group was charged more than it would have been charged using a methodology consistent with that used for the similarly-sized subscriber group (SSSG). Such adjustments will be based on the rate determined by using the methodology (including discounts) the carrier used for the SSSG.

(5) FEHB Program community-rated carriers will comply with SSSG criteria provided by OPM in the rate instructions for the applicable contract period.

(d) The application of FAR 15.402(b)(2) should not be construed to prohibit the consideration of preceding year surpluses or deficits in carrier-held reserves in the rate adjustments for subsequent year renewals of contracts based, in whole or in part, on cost analysis.

[70 FR 31380, June 1, 2005, as amended at 76 FR 38285, June 29, 2011; 77 FR 19524, Apr. 2, 2012; 80 FR 32860, June 10, 2015]

1615.404–70 Profit analysis factors.

(a) OPM Contracting Officers will apply a weighted guidelines method in developing the performance based percentage for FEHB Program contracts. For experience-rated plans, the performance based percentage will be applied to subscription income and will be used to calculate a performance adjustment.
to net-to-carrier premiums, as described at 48 CFR 1632.170(a)(2), to be made during the first quarter of the following contract period. In the context of the factors outlined in FAR 15.404–4(d), OPM will assess performance of FEHB carriers according to four factors.

(1) Clinical quality. OPM will consider elements within such domains as preventive care, chronic disease management, medication use, and behavioral health. This factor incorporates elements from the FAR factor “contractor effort.”

(2) Customer service. OPM will consider elements within such domains as communication, access, claims, and member experience/engagement. This factor incorporates elements of the FAR factor “contractor effort.”

(3) Resource use. OPM will consider elements within such domains as utilization management, administrative, and cost trends. This factor incorporates elements of the FAR factors “contractor effort,” “contract cost risk,” and “cost control and other past accomplishments.”

(4) Contract oversight. OPM will consider an assessment of contract performance in specific areas such as audit findings, fraud/waste/abuse, and responsiveness to OPM, benefits/network management, contract compliance, technology management, data security, and Federal socioeconomic programs. This factor could incorporate any of the FAR profit analysis factors listed at 15.404–4(d)(1)(i)–(vi).

(b) The sum of the maximum scores for the profit analysis factors will be 1 percent.

(80 FR 37180, June 30, 2015)

1615.406–2 Certificates of accurate cost or pricing data for community rated carriers.

(a) The contracting officer will require a carrier with a contract meeting the requirements in 1615.402(c)(2) or (3) to execute one or more of the Certificates contained in this section. A carrier with a contract meeting the requirements in 1615.402(c)(2) will complete the appropriate Certificate(s) and keep such on file at the carrier’s place of business in accordance with 1652.204–70. A carrier with a contract meeting the requirements in 1615.402(c)(3) will complete and submit the appropriate certificate(s) to OPM.

(b) A carrier using the SSSG methodology described in 1615.402(c)(3)(i) will submit the “Certificate of Accurate Cost or Pricing Data for Community-Rated Carriers (SSSG methodology)” along with its rate reconciliation during the first quarter of the applicable contract year. A carrier using the MLR methodology described in 1615.402(c)(3)(ii) will submit two forms. The “Certificate of Accurate Cost or Pricing Data for Community-Rated Carriers (MLR methodology)” will be submitted along with the rate reconciliation during the first quarter of the applicable contract year. The “Certificate of Accurate MLR Calculation” will be submitted when the carrier submits its FEHB-specific MLR calculation to OPM.

1615.407–1 Rate reduction for defective pricing or defective cost or pricing data.

The clause set forth in section 1652.215–70 will be inserted in FEHB Program contracts, at or above the threshold in FAR 15.403–4(a)(1), that are based on a combination of cost and price analysis (community-rated).

1615.470 Carrier investment of FEHB funds.

(a) Except for contracts based on a combination of cost and price analysis (community-rated), the carrier is required to invest and reinvest all funds on hand, including any attributable to the special reserve or the reserve for incurred but unpaid claims, exceeding the funds needed to discharge promptly the obligations incurred under the contract.

(b) The carrier is required to credit income earned from its investment of FEHB funds to the special reserve on behalf of the FEHB Program. If a carrier, for any reason, fails to invest excess FEHB funds or to credit any income due to the contract, it will return or credit any investment income lost to OPM or the special reserve.

(c) Investment income. Investment income is the net amount earned by the carrier after deducting investment expenses.

1615.470–1 Investment income clause.

The clause set forth in 1652.215–71 will be inserted in all FEHB contracts based on cost analysis.

Subparts 1615.8–1615.9 [Reserved]

Subpart 1615.70—Audit and Records—Negotiation

1615.7001 Audit and records.

The Contracting officer will modify 52.215-2 in all FEHB Program experience-rated contracts by amending paragraph (g) of that section to replace the words “exceed the simplified acquisition threshold” with “equals or exceeds $550,000.” This amount shall be adjusted by the same amount and at the same time as any change to the threshold for application of the Truth in Negotiations Act pursuant to 41 U.S.C. 254b(a)(7).

Consequently, the records do not fall within the provisions of the Privacy Act. Nevertheless, OPM recognizes the need for carriers to keep certain records confidential. The clause at 1652.224–70 shall be inserted in all FEHBP contracts.

Subpart 1631.2—Contracts With Commercial Organizations

1631.200 Scope of subpart.

The cost principles under this subpart apply only to contracts in which premiums and subscription income are determined on the basis of experience rating, in which cost analysis is performed, or in which price is determined on the basis of actual costs incurred.

1631.201–70 Credits.

The provisions of FAR 31.201–5 shall apply to income, rebates, allowances, and other credits resulting from benefit payments. Examples of such credits include:

(a) Coordination of benefit refunds, including subrogation settlements;
(b) Hospital year-end settlements and other applicable provider discounts;
(c) Uncashed and returned checks;
(d) Utilization review refunds;
(e) Contract prescription drug rebates;
(f) Volume discounts;
(g) Refunds and other payments or recoveries attributable to litigation with subscribers or providers of health services; and,
(h) Erroneous benefit payment, overpayment, and duplicate payment recoveries.

1631.203 Indirect costs.

For the purposes of applying FAR 31.203(g)(2) to FEHB Program contracts, OPM considers the monthly rates used by some carriers to be a general practice in the insurance industry.

(70 FR 31391, June 1, 2005)
Office of Personnel Management

1631.203–70 Allocation techniques.

(a) Carriers shall use the following methods for allocating groupings of business unit indirect costs. Carriers shall consistently apply the methods and techniques established to classify direct and indirect costs, to group indirect costs and to allocate indirect costs to cost objectives.

(1) Input method. The preferred allocation technique is one that shows the consumption of resources in performance of the activities (input) for the function(s) represented by the cost grouping. This allocation technique should be used in circumstances where there is a direct and definitive relationship between the function(s) and the benefiting cost objectives. Measures of input ordinarily may be expressed in terms such as labor hours or square footage. This means costs may be allocated by use of a rate, such as a rate per labor hour or cost per square foot.

(2) Output method. Where input measures are unavailable or impractical to determine, the basis for allocation may be a measure of the output of the function(s) represented by the cost grouping. The output becomes a substitute measure for the use of resources and is a reasonable alternative when a direct measure of input is impractical. Output may be measured in terms of units of end product produced by the function(s). Examples of output measures include number of claims processed by a claims processing center, number of pages printed in a print shop, number of purchase orders processed by a purchasing department, or number of hires by a personnel office.

(3) Surrogate method. Where neither activity (input) nor output of the function(s) can be measured practically, a surrogate must be used to measure the resources utilized. Surrogates used to represent the relationship generally measure the benefit to the cost objectives receiving the service and should vary in proportion to the service received. For example, if a personnel department provides various services that cannot be measured practically on an activity (input) or output basis, number of personnel served might reasonably represent the use of resources of the personnel function for the cost objectives receiving the service, where this base varies in proportion to the services performed.

(4) Other method. Some cost groupings cannot readily be allocated on measures of specific beneficial or causal relationships under paragraph (a)(1), (a)(2), or (a)(3) of this section. Such costs do not have a direct and definitive relationship to the benefiting cost objectives. Generally, the cost of overall management activities falls in this category. Overall management costs should be grouped in relation to the activities managed. The base selected to measure the allocation of these indirect costs to cost objectives should be a base representative of the entire activity being managed. For example, the total operating expenses of activities managed might be a reasonable base for allocating the general indirect costs of a business unit. Another reasonable method for allocating general indirect costs might be to base them on a percentage of contracts. These examples are not meant to be exhaustive, but rather are examples of allocation methods that may be acceptable under individual circumstances. See also General and Administrative (G&A) expenses, FEHBAR 1631.203–71.

(b) Carriers that use multiple cost centers to accumulate and allocate costs shall apply the techniques in paragraph (a) of this section at each step of the allocation process. Accordingly, the allocation of costs among cost centers at the initial entry into the cost accounting system shall be made in compliance with paragraph (a) of this section. Likewise, the allocation of the cost of interim cost centers to final cost centers is subject to paragraph (a) of this section. If costs of final cost centers are allocated among final cost objectives, the allocation shall also be made in accordance with paragraph (a) of this section. It is possible that carriers using multiple cost centers to accumulate and allocate costs may not have any direct costs, i.e., costs identified specifically with a final cost objective.

(c) The allocation of business unit general and administrative expenses and the allocation of home office expenses to segments are also subject to
1631.203–71 Business unit General and Administrative (G&A) expenses.
G&A expenses shall be allocated to final cost objectives by a base or method that represents the total activity of the business unit.

1631.203–72 Home office expense.
A carrier’s practices for allocating home office expenses to the segments of the carrier will be acceptable for purposes of FAR 31.203 if they are allocated on the basis of the beneficial or causal relationship between the home office activities and the segments to which the expenses are allocated. Expenses that cannot be allocated on the basis of a more specific beneficial or causal relationship should be allocated on a basis representative of the entire activity being managed. The compliance of such allocations with FAR 31.203 shall be determined on the basis of the facts and circumstances of each situation.

1631.205 Selected costs.
1631.205–10 Cost of money.
For the purposes of FAR 31.205–10(b)(3), the estimated facilities capital cost of money is specifically identified if it is identified in the prior year’s Annual Accounting Statement or, for new experience-rated carriers, the supplemental information supporting submitted costs (such as the Supplemental Schedule of Administrative Expenses).

1631.205–41 Taxes.
5 U.S.C. 8909(f)(1) prohibits the imposition of taxes, fees, or other monetary payment, directly or indirectly, on FEHBP premiums by any State, the District of Columbia, or the Commonwealth of Puerto Rico, or by any political subdivision or other governmental authority of those entities. Therefore, FAR 31.205–41 is modified to include those taxes as unallowable costs. The prohibited payments, referred to elsewhere in these regulations as “premium taxes,” applies to all payments directed by States or municipalities, regardless of how they may be titled, to whom they must be paid, or the purpose for which they are collected, and it applies to all forms of direct and indirect measurements on FEHBP premiums, however modified, to include cost per contract or enrollee, with the sole exception of a tax on net income or profit, if that tax, fee, or payment is applicable to a broad range of business activity.

1631.205–70 FEHBP public relations and advertising costs.
(a) The cost of media messages that are directed at advising current FEHBP subscribers on how to obtain benefits shall be an allowable expense within the meaning of FAR 31.205–1 because this service is directly related to performance of the FEHBP contract. If there is any question about the allowability of such a cost, the carrier may request advance approval regarding the content and cost of the message.
(b) Costs of media messages not provided for in paragraph (a) of this section are allowable if the content is specifically approved by the contracting officer and all of the following criteria are met:
(1) The primary effect of the message is to disseminate information on health care cost containment or preventive health care;
(2) The costs of the carrier’s messages are allocated to all underwritten and non-underwritten lines of business; and
(3) The contracting officer approves the total dollar amount of the carrier’s messages to be charged to the FEHBP in advance of the contract year.
(c) Costs of messages that are intended to, or which have the primary effect of, calling favorable attention to the carrier (or subcontractor) for the purpose of enhancing its overall image or selling its health plan are not allowable.
1631.205–71 FEHBP bad debts. Erroneous benefit payments are not automatically disallowed by FAR 31.205–3.

1631.205–72 FEHBP compensation for personal services. (a) Overtime on an FEHBP contract would normally meet the condition specified in FAR 22.103. Premiums for overtime, extra-pay shifts, and multi-shifts meeting the specified conditions shall be allowed without prior approval.

(b)(1) The costs of compensated personal absence shall be assigned to the cost accounting period or periods in which entitlement was earned. Entitlement means an employee’s right, whether conditional or unconditional, to receive a determinable amount of compensated personal absence, or pay in lieu thereof.

(2) If at the beginning of the 1st year a carrier subject to paragraph (b)(1) of this section has a liability for accrued but unpaid expenses for compensated personal absences that would otherwise be allocable to FEHB contracts, the carrier may include such costs in a suspense account. The suspense account may be amortized and included in government contract costs at a rate not exceeding 20 percent per year.

[52 FR 16041, May 1, 1987, as amended at 70 FR 31391, June 1, 2005]

1631.205–73 FEHBP interest expense. (a) Interest charges incurred in the administration of FEHBP contracts are not allowable in accordance with FAR 31.205–20. However, interest charges that are associated with the carrier’s investment of FEHBP account funds are not considered administrative costs and may be allowable under very limited circumstances if all of the following criteria are met:

(1) Borrowing is limited to the positive balance of the carrier’s entire FEHBP investment portfolio;

(2) FEHBP funds are tied up in long-term securities;

(3) Liquidation of long-term securities would cost more than the cost of the interest;

(4) The interest rates charged are at or below current market rates; and

(5) Advance written approval of the contracting officer is obtained before such costs are incurred.

(b) The carrier must demonstrate on a case-by-case basis that borrowing rather than cashing in long-term investments shall actually result in cost savings to the FEHB Program. Satisfactory demonstration of cost savings is a prerequisite to contracting officer approval of the interest cost as a charge to the contract.

(c) If the interest charge is allowed, the risk factor in the service charge will be adjusted downward so that the carrier does not recover interest costs through both the service charge and an allowance under this paragraph.

1631.205–74 FEHBP losses on other contracts. FAR 31.205–23 shall not be construed to prohibit the application of the normal “loss carry forward” principle that is fundamental to continuing insurance contracts that are based on experience rating.

1631.205–75 Selling costs. (a) FAR 31.205–38 is modified to eliminate from allowable costs those costs related to sales promotion and the payment of sales commissions fees or salaries to employees or outside commercial or selling agencies for enrolling Federal subscribers in a particular FEHB plan.

(b) Selling costs are allowable costs to FEHBP contracts to the extent that they are necessary for conducting annual contract negotiations with the Government and for liaison activities necessary for ongoing contract administration. Personnel and related travel costs are allowable for attendance at Open Season Health fairs and other similar activities at which carriers give enrollees information about their choices among health plans (but see FAR 31.205–1 ‘Public relations and advertising costs’, and The Federal Employees Health Benefits Handbook for Personnel and Payroll Offices, Subchapter S2–3(f) ‘Controlling contacts between employees and carriers’).

1631.205–76 Trade, business, technical, and professional activity costs.

(a) FEHBP participating plans, carriers, and underwriters shall seek the advance written approval of the contracting officer for allowability of all or part of the costs associated with trade, business, technical, and professional activities (FAR 31.205–43) when the allocable costs of such participation to the FEHBP will exceed $1,000 annually and when the carrier or underwriter allocates more than 50% of the membership cost of a trade, business, technical, or professional organization to the FEHBP.

(b) When approval of costs for membership in an organization is required, the carrier or underwriter must demonstrate conclusively that membership in such an organization and participation in its activities extend beyond the contractual relationship with OPM, have a reasonable relationship to providing care and services to FEHBP enrollees, and that the organization is not engaged in activities such as those cited in FAR 31.205–22 (lobbying costs) for which costs are not allowable.

1631.205–77 FEHBP start-up and other nonrecurring costs.

Precontract costs (FAR 31.205–32) shall be allowed only to the extent provided for by advance agreement in accordance with FAR 31.109.

1631.205–78 FEHBP printed material costs.

Unless OPM determines that it is in the best interest of the FEHBP to do otherwise, if a carrier orders printed material that is available from the Government Printing Office (GPO) under the “rider system” from another source, the allowable contract charges shall be the lesser of the amount actually paid or the cost that would have been incurred had the carrier ridden OPM’s GPO order.

1631.205–79 Mandatory statutory reserves.

Charges for mandatory statutory reserves are not allowed unless provided for in the contract. When the term “mandatory statutory reserve” is specifically identified as an allowable contract charge without further definition or explanation, it means a requirement imposed by State law upon the carrier to set aside a specific amount or rate of funds into a restricted reserve that is accounted for separately from all other reserves and surpluses of the carrier and which may be used only with the specific approval of the State official designated by law to make such approvals. The amount chargeable to the contract may not exceed an allocable portion of the amount actually set aside. If the statutory reserve is no longer required for the purpose for which it was created, and these funds become available for the general use of the carrier, a pro rata share based upon FEHBP’s contribution to the total carrier’s set aside shall be returned to the FEHBP in accordance with FAR 31.201–5.

1631.205–80 Major subcontractor service charges.

In a subcontract for enrollment and eligibility determinations, administration of claims and payment of benefits, and payment or provision of actual health services, and/or assumption of insurance risk or underwriting, when costs are determined on the basis of actual costs incurred or experience rating, any amount that exceeds the allowable cost of the subcontract (whether entitled service charge, profit, fee, contribution to reserve, surplus, or any other title) is not allowable under the contract. Amounts which exceed allowable costs may be paid to a major subcontractor only from the service charge negotiated between OPM and the Carrier.

1631.205–81 Inferred reasonableness.

If the carrier follows the notification and consent requirements of paragraphs (a), (b) and (c) of 1652.244–70, and subsequently obtains the Contracting officer’s consent or ratification, then the reasonableness of the subcontract’s costs shall be inferred.

[70 FR 31382, June 1, 2005]

1631.205–82 Audits.

Carriers should ensure that the public accounting firms with which they contract for audits of FEHB accounts...
are registered with the Public Company Accounting Oversight Board (PCAOB).

Subpart 1632.1—General

1632.170 Recurring premium payments to carriers.

(a)(1) Recurring payments to carriers of community-rated plans. OPM will pay to carriers of community-rated plans the premium payments received for the plan less the amounts credited to the contingency and administrative reserves, amounts assessed under paragraph (a)(2) of this section, and amounts due for other contractual obligations. Premium payments will be due and payable not later than 30 days after receipt by the Federal Employees Health Benefits (FEHB) Fund.

(b)(1) Recurring payments to carriers of experience-rated plans. OPM will make payments on a letter of credit (LOC) basis. Premium payments received for the plan, less the amounts credited to the contingency and administrative reserves and amounts for other obligations due under the contract, will be made available for carrier drawdown not later than 30 days after receipt by the FEHB Fund.

(2) Withdrawals from the LOC account will be made on a checks-presented basis. Under a checks-presented basis, drawdown on the LOC is delayed until the checks issued for FEHB Program disbursements are presented to the carrier’s bank for payment.

(3) OPM may grant a waiver of the restriction of LOC disbursements to a checks-presented basis if the carrier requests the waiver in writing and demonstrates to OPM’s satisfaction that the checks-presented basis of LOC disbursements will result in significantly increased liability under the contract, or that the checks-presented basis of LOC disbursements is otherwise clearly and significantly detrimental to the operation of the plan. Payments to carriers that have been granted a waiver may be made by an alternative payment methodology, subject to OPM approval.

1632.171 Clause—community-rated contracts.  
The clause at 1652.232–70 shall be inserted in all community-rated FEHBP contracts.

1632.172 Clause—experience-rated contracts.  
The clause at 1652.232–71 shall be inserted in all experience-rated FEHBP contracts.  
[57 FR 14360, Apr. 20, 1992]

Subpart 1632.6—Contract Debts

1632.607 Tax credit.  
FAR 32.607 has no practical application to FEHBP contracts. The statutory provisions at 5 U.S.C. 8906(c) and (d) authorize joint enrollee and Government contributions to the FEHBP Fund. Because the Fund is comprised of contributions by enrollees as well as the Government, carriers may not offset debts to the Fund by a tax credit which is solely a Government obligation.

1632.617 Contract clause.  
The clause at (FAR) 48 CFR 52.232–17 will be modified in all FEHBP contracts to exclude the words “net of any applicable tax credit under the Internal Revenue Code (26 U.S.C. 1481).”  
[59 FR 14765, Mar. 30, 1994]

Subpart 1632.7—Contract Funding

1632.770 Contingency reserve payments.  
(a) Payments from the contingency reserve shall be made in accordance with 5 CFR 890.503.  
(b) A carrier for an FEHB plan may apply to OPM at any time for a payment from the contingency reserve that is in addition to those amounts, if any, paid under 5 CFR 890.503(c)(1) through (c)(4), if the carrier can show good cause, such as, unexpected adverse claims experience. OPM will decide whether to allow the request in whole or in part and will advise the carrier of its decision. However, OPM shall not unreasonably withhold approval for amounts requested that exceed the plan’s preferred minimum balance for the contingency reserve.

1632.771 Non-commingling of FEHBP funds.  
(a) This section applies to contracts based on cost analysis.  
(b) Carrier or underwriter commingling of FEHBP funds with those from other sources makes it difficult to precisely determine FEHBP cash balances at any given time or to precisely determine investment income attributable to FEHBP invested assets.  
(c) FEHBP funds shall be maintained separately from other cash and investments of the carrier or underwriter. Cash and investment balances reported on FEHBP Annual Accounting Statements must agree with the carrier’s books and records.  
(d) This requirement may be waived by the contracting officer in accordance with the clause at 1652.232–72 when adequate accounting and other controls are in effect. If the requirement is waived, the waiver will remain in effect until it is withdrawn by OPM. The waiver shall be withdrawn if OPM determines that the accounting controls are no longer adequate to properly account for FEHBP funds.  
[52 FR 16043, May 1, 1987, as amended at 70 FR 31382, June 1, 2005]

Subpart 1642.12—Novation and Change-of-Name Agreements

1642.1201 Definitions.

The definitions at (FAR) 48 CFR 42.1201 shall have the same meaning for this subpart.

1642.1204 Agreement to recognize a successor in interest (novation agreement).

(a) (FAR) 48 CFR 42.1204 shall be implemented as provided in this section. The contracting officer shall insert the following agreement in all FEHBP contracts for use when the contractor’s assets or the entire portion of the assets pertinent to the performance of the contract, as determined by the Government, are transferred.

Novation Agreement

The (insert corporate name) (Transferor), a corporation duly organized and existing under the laws of (insert State) with its principal office in (insert city); and the UNITED STATES OF AMERICA (Government) enter into this Agreement effective (insert date transfer of assets became effective under applicable State law).

(b) The parties agree to the following facts:

(1) The Government, represented by various Contracting Officers of the Office of Personnel Management (OPM), has entered into Contract Number __________ with the Transferor. The term contracts, as used in this Agreement, means the contract cited in this paragraph and all other contracts and purchase orders, including any and all amendments and modifications made between the Government and the Transferor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under these contracts and purchase orders).

(2) As of ________, 19___, the Transferor has transferred to the Transferee all the assets of the Transferor, or the entire portion of the Transferor’s assets pertinent to performing the contract, as determined by OPM, by virtue of a(an) (insert term describing the legal transaction involved) between the Transferor and the Transferee.

(3) The Transferee has acquired all the assets of the Transferor, or the entire portion of the Transferor’s assets pertinent to performing the contract, as determined by OPM, by virtue of the transfer in paragraph (a)(1).

(4) The Transferee has assumed all obligations and liabilities of the Transferor pertinent to performing the contract, as determined by OPM, by virtue of the transfer in paragraph (a)(1).

(5) The Transferee is in a position to fully perform all obligations that may exist under the contact.

(6) It is consistent with the Government’s interest to recognize the Transferee as the successor party to the contract.

(7) Evidence of the transfer in paragraph (a)(1) has been filed with the Government.

(8) (If applicable) A certificate dated ________, 19___, signed by the Secretary of State of (insert State), to the effect that the corporate name of (insert old corporate name) was changed to (insert new corporate name) on ________, 19___, has been filed with the Government.

(9) IN CONSIDERATION OF THESE FACTS, THE PARTIES AGREE THAT BY THIS AGREEMENT—

(1) The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government or the Federal Employees Health Benefits Fund that it now has or may have in the future in connection with the contract.
(2) The Transferee agrees to be bound by and to perform the contract in accordance with the conditions contained in the contract. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor pertinent to the contract, as determined by OPM, as if the Transferee were the original party to the contract.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the contract, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor’s successor in interest in and to the contract. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor under the contract, as if the Transferee were the original party to the contract. Following the effective date of this Agreement, the terms Carrier and Contractor as used in the contract, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the contract, shall be considered to have discharged those parts of the Government’s obligations under the contract. All payments and reimbursements made by the Government after the date of this Agreement shall constitute a complete discharge of the Government’s obligations to the extent of the amounts paid or reimbursed.

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer of this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the contract.

(8) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee (i) assumes under this Agreement or (ii) may undertake in the future should this contract be modified under its terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

(9) The contract shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement effective (insert the date transfer of assets became effective under applicable State law).

not to be in the Government's interest to recognize a successor in interest to the contract. The effective date will be decided by the Contracting Officer after considering the best interests of FEHBP enrollees.

1642.1205 Agreement to recognize carrier's change of name.

(a) (FAR) 42.1205 shall be implemented as provided in this section. The Contracting Officer shall insert the following Agreement in all FEHBP contracts for use when the carrier changes its name and the Government's and contractor's rights and obligations remain unaffected.

CHANGE-OF-NAME AGREEMENT

The (insert new Carrier name), a corporation duly organized and existing under the laws of (insert State), and the UNITED STATES OF AMERICA (Government), enter into this Agreement effective (insert date when the change of name became effective under applicable State law).

(a) THE PARTIES AGREE TO THE FOLLOWING FACTS:

1. The Government, represented by various Contracting Officers of the Office of Personnel Management (OPM), has entered into Contract Number (insert Contract Number) with the (insert old Carrier name). The term contracts as used in this Agreement means the contract cited in this paragraph and all other contracts and purchase orders and all modifications thereto made by the Government and the Contractor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the OPM or the Carrier has any remaining rights, duties, or obligations under these contracts and purchase orders).

2. The (insert old Carrier name), by an amendment to its certificate of incorporation, dated (insert date), 19__, has changed its corporate name to (insert new Carrier name). The term contracts as used in this Agreement means the contract cited in this paragraph and all other contracts and purchase orders and all modifications thereto made by the Government and the Contractor before the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the OPM or the Carrier has any remaining rights, duties, or obligations under these contracts and purchase orders).

(b) IN CONSIDERATION OF THESE FACTS, THE PARTIES AGREE THAT:

1. The contract is amended by substituting the name "(insert new Carrier name)" for the name "(insert old Carrier name)" wherever it appears in the contract; and

2. Each party has executed this Agreement effective the day and year stated in paragraph (a)(2).

(b) Failure to submit the properly completed and signed Change-of-Name Agreement in a timely manner may be cause for termination of the contract by OPM in accordance with FEHBAR 1652.249–70.

Subpart 1642.70—Management Agreement (in Lieu of Novation Agreement)

1642.7001 Management agreement.

When it is in the best interest of FEHBP enrollees to continue a contract for an interim period after the carrier discontinues its operations and has entered into a Purchase and Sale Agreement (or other descriptive term), but before a successor in interest has been recognized by OPM, the carrier may submit for OPM approval a Management Agreement that enables it to continue a contract through an agreement with a third party to administer the day-to-day performance of the contract. Examples of situations in which a Management Agreement may be accepted by OPM are:
(a) When a transfer of assets does not meet the criteria for a novation;
(b) While a request for a novation is pending;
(c) While awaiting a decision on a request for a novation;
(d) As an interim measure, when the timing of a transfer of assets or the timing of a carrier’s withdrawal make administration of the contract inconvenient;
(e) When it is not in the interests of the Government to either recognize a successor in interest or to immediately terminate the existing FEHBP contract.

Subpart 1644.1—General

1644.170 Policy for FEHBP Program subcontracting.

(a) General policy. Carriers must follow commercially reasonable procurement procedures that comply, when required, with the Federal Acquisition Regulations (FAR) policies and procedures relating to competition and contract pricing for the acquisition of both commercial and noncommercial items.

(b) Consent. For all experience-rated contracts, carriers will notify the Contracting officer in writing at least 30 days in advance of entering into any subcontract or subcontract modification, or as otherwise specified by the contract, if: the amount of the subcontract or the amount of the subcontract and modification charged to the FEHBP Program equals or exceeds $550,000 and is at least 25 percent of the total subcontract’s costs. The amount of the dollar charge to the FEHBP Program shall be adjusted by the same amount and at the same time as any change to the threshold for application of the Truth in Negotiations Act pursuant to 41 U.S.C. 254b(a)(7). Failure to provide advance notice may result in a Contracting officer’s disallowance of subcontract costs or a penalty when considering the performance aspect of the carriers’ service charge.

(1) All subcontracts or subcontract modifications that equal or exceed the threshold are subject to audit under FAR 52.215–2 ‘‘Audit and Records-Negotiations’’ if based on cost analysis, and subject to the provisions of 48 CFR 1646.301 and 1652.246–70 ‘‘FEHBP Inspection’’ if based on price analysis.

(2) In determining whether the amount chargeable to the FEHBP Program contract for a given subcontract or modification equals or exceeds the $550,000 threshold, the following rules apply:

(i) For initial advance notification, the carrier shall provide the total cost/price for the base year.

(ii) The carrier shall provide advance notification of any modifications, options, including quantity or service options and option periods, and renewals of ‘‘evergreen contracts’’ that cause the total price to equal or exceed the threshold. OPM’s review will be of the modification(s), itself, but documentation for the original subcontract will be required to perform the review.

(iii) The $550,000 threshold will be adjusted by the same amount and at the
same time as any change to the threshold for application of the Truth in Negotiations Act.

1646.201 Contract Quality Policy.

(a) This section prescribes general policies and procedures to ensure that services acquired under the FEHB contract conform to the contract’s quality and audit requirements.

(b) OPM will periodically evaluate the contractor’s system of internal controls under the quality assurance program required by the contract and will acknowledge in writing whether or not the system is consistent with the requirements set forth in the contract. After the initial review, subsequent reviews may be limited to changes in the contractor’s internal control guidelines. However, a limited review does not diminish the contractor’s obligation to apply the full internal control system.

(c) OPM will issue specific quality performance standards for the FEHB contracts and will inform carriers of the applicable standards prior to negotiations for the contract year. OPM will benchmark its standards against standards generally accepted in the insurance industry. The contracting officer may authorize nationally recognized standards to be used to fulfill this requirement. FEHB carriers will comply with the performance standards issued by OPM.

(d) In addition to reviewing carriers’ quality assurance programs, OPM will periodically audit contractors, subcontractors and Large Providers’ books and records to assure compliance with FEHB law, regulations, and the contract.

As prescribed in 1603.7003, the following clause shall be inserted in all FEHBP contracts:

**MISLEADING, DECEPTIVE, OR UNFAIR ADVERTISING (JAN 1991)**

(a) The Carrier agrees that any advertising material, including that labeled promotional material, marketing material, or supplemental literature, shall be truthful and not misleading.

(b) Criteria to assess compliance with paragraph (a) of this clause are available in the FEHBP Supplemental Literature Guidelines which are developed by OPM and should be used, along with the additional guidelines set forth in FEHBAR 1603.702, as the primary guide in preparing material; further guidance is provided in the NAIC “Rules Governing Advertising of Accident and Sickness Insurance With Interpretive Guidelines.” Guidelines are periodically updated and provided to the Carrier by OPM.

(c) Failure to conform to paragraph (a) of this clause may result in a reduction in the service charge, if appropriate, and corrective action to protect the interest of Federal Members. Corrective action will be appropriate to the circumstances and may include, but is not limited to the following actions by OPM:

(1) Directing the Carrier to cease and desist distribution, publication, or broadcast of the material;

(2) Directing the Carrier to issue corrections at the Carrier’s expense and in the same manner and media as the original material was made; and

(3) Directing the Carrier to provide, at the Carrier’s expense, the correction in writing by certified mail to all enrollees of the Plan(s) that had been the subject of the original material.

(d) Egregious or repeated offenses may result in the following action by OPM:

(1) Suspending new enrollments in the Carrier’s Plan(s);

(2) Providing Enrollees an opportunity to transfer to another plan; and

(3) Terminating the contract in accordance with Section 1.15, Renewal and Withdrawal of Approval.

(e) Prior to taking action as described in paragraphs (c) and (d) of this clause, the OPM will notify the Carrier and offer an opportunity to respond.

(f) The Carrier shall incorporate this clause in subcontracts with its underwriter, if any, and other subcontractors directly involved in the preparation or distribution of such advertising material and shall substitute “Contractor” or other appropriate reference for the term “Carrier.”

(End of clause)

1652.204–70  Contractor records retention.

As prescribed in 1604.705 the following clause will be inserted in all FEHBP Program contracts.

**CONTRACTOR RECORDS RETENTION (JUL 2005)**

Notwithstanding the provisions of Section 5.7 (FAR 52.215–2(f)) “Audit and Records—Negotiation” the carrier will retain and make available all records applicable to a contract term that support the annual statement of operations and, for contracts that equal or exceed the threshold at FAR 15.403–4(a)(1), the rate submission for that contract term for a period of six years after the end of the contract term to which the records relate. This includes all records of Large Provider Agreements and subcontracts that equal or exceed the threshold requirements. In addition, individual enrollee and/or patient claim records will be maintained for six years after the end of the contract term to which the claim records relate. This clause is effective prospectively as of the 2005 contract year.

(End of clause)

1652.204–71  Coordination of Benefits.

As prescribed in 1604.701, the following clause shall be inserted in all FEHBP contracts:
Coordination of Benefits (JAN 1991)

(a) The Carrier shall coordinate the payment of benefits under this contract with the payment of benefits under Medicare, other group health benefits coverages, and the payment of medical and hospital costs under no-fault or other automobile insurance that pays benefits without regard to fault.

(b) The Carrier shall not pay benefits under this contract until it has determined whether it is the primary carrier or unless permitted to do so by the Contracting Officer.

(c) In coordinating benefits between plans, the Carrier shall follow the order of precedence established by the NAIC Model Guidelines for Coordination of Benefits (COB) as specified by OPM.

(d) Where (1) the Carrier makes payments under this contract which are subject to COB provisions; (2) the payments are erroneous, not in accordance with the terms of the contract, or in excess of the limitations applicable under this contract; and (3) the Carrier is unable to recover such COB overpayments from the Member or the providers of services or supplies, the Contracting Officer may allow such amounts to be charged to the contract; the Carrier must be prepared to demonstrate that it has made a diligent effort to recover such COB overpayments.

(e) COB savings shall be reported by experience rated carriers each year along with the Carrier's annual accounting statement in a form specified by OPM.

(f) Changes in the order of precedence established by the NAIC Model Guidelines implemented after January 1 of any given year shall be required no earlier than the beginning of the following contract term.

(End of clause)

55 FR 27415, July 2, 1990

1652.204-72 Filing health benefit claims/court review of disputed claims.

As prescribed in 1604.7101 of this chapter, the following clause must be inserted in all FEHB Program contracts.

Filing Health Benefit Claims/Court Review of Disputed Claims (MAR 1995)

(a) General. (1) The Carrier resolves claims filed under the Plan. All health benefit claims must be submitted initially to the Carrier. If the Carrier denies a claim (or a portion of a claim), the covered individual may ask the Carrier to reconsider its denial. If the Carrier affirms its denial or fails to respond as required by paragraph (b) of this clause, the covered individual may ask OPM to review the claim. A covered individual must exhaust both the Carrier and OPM review processes specified in this clause before seeking judicial review of the denied claim.

(2) This clause applies to covered individuals and to other individuals or entities who are acting on the behalf of a covered individual and who have the covered individual’s specific written consent to pursue payment of the disputed claim.

(b) Time limits for reconsidering a claim. (1) The covered individual has 6 months from the date of the notice to the covered individual that a claim (or a portion of a claim) was denied by the Carrier in which to submit a written request for reconsideration to the Carrier. The time limit for requesting reconsideration may be extended when the covered individual shows that he or she was prevented by circumstances beyond his or her control from making the request within the time limit.

(2) The Carrier has 30 days after the date of receipt of a timely-filed request for reconsideration to:

(i) Affirm the denial in writing to the covered individual;

(ii) Pay the bill or provide the service; or

(iii) Request from the covered individual or provider additional information needed to make a decision on the claim. The Carrier must simultaneously notify the covered individual of the information requested if it requests additional information from a provider. The Carrier has 30 days after the date the information is received to affirm the denial in writing to the covered individual or pay the bill or provide the service. The Carrier must make its decision based on the evidence it has if the covered individual or provider does not respond within 60 days after the date of the Carrier’s notice requesting additional information. The Carrier must then send written notice to the covered individual of its decision on the claim. The covered individual may request OPM review as provided in paragraph (b)(3) of this clause if the Carrier fails to act within the time limit set forth in this paragraph.

(3) The covered individual may write to OPM and request that OPM review the Carrier’s decision if the Carrier either affirms its denial of a claim or fails to respond to a covered individual’s written request for reconsideration within the time limit set forth in paragraph (b)(2) of this clause. The covered individual must submit the request for OPM review within the time limit specified in paragraph (b)(2) of this clause.

(4) The Carrier may extend the time limit for a covered individual’s submission of additional information to the Carrier when the covered individual shows he or she was not notified of the time limit or was prevented by circumstances beyond his or her control from submitting the additional information.

(c) Information required to process requests for reconsideration. (1) The covered individual
must put the request to the Carrier to reconsider a claim in writing and give the reasons, in terms of applicable brochure provisions, that the denied claim should have been approved.

(2) If the Carrier needs additional information from the covered individual to make a decision, it must:
(i) Specifically identify the information needed;
(ii) State the reason the information is required to make a decision on the claim;
(iii) Specify the time limit (60 days after the date of the Carrier’s request) for submitting the information; and
(iv) State the consequences of failure to respond within the time limit specified, as set out in paragraph (b)(2) of this section.

(d) Carrier determinations. The Carrier must provide written notice to the covered individual of its determination. If the Carrier affirms the initial denial, the notice must inform the covered individual of:
(i) The specific and detailed reasons for the denial;
(ii) The covered individual’s right to request a review by OPM; and
(iii) The requirement that requests for OPM review must be received within 90 days after the date of the Carrier’s denial notice and include a copy of the denial notice as well as documents to support the covered individual’s position.

(e) OPM review. (1) If the covered individual seeks further review of the denied claim, the covered individual must make a request to OPM to review the Carrier’s decision. Such a request to OPM must be made:
(i) Within 90 days after the date of the Carrier’s notice to the covered individual that the denial was affirmed; or
(ii) If the Carrier fails to respond to the covered individual as provided in paragraph (b)(2) of this clause, within 120 days after the date of the covered individual’s timely request for reconsideration by the Carrier; or
(iii) Within 120 days after the date the Carrier requests additional information from the covered individual, or the date the covered individual is notified that the Carrier is requesting additional information from a provider. OPM may extend the time limit for a covered individual’s request for OPM review when the covered individual shows he or she was not notified of the time limit or was prevented by circumstances beyond his or her control from submitting the request for OPM review within the time limit.

(2) In reviewing a claim denied by the Carrier, OPM may:
(i) Request that the covered individual submit additional information;
(ii) Obtain an advisory opinion from an independent physician;
(iii) Obtain any other information as may in its judgment be required to make a determination; or
(iv) Make its decision based solely on the information the covered individual provided with his or her request for review.

(3) When OPM requests information from the Carrier, the Carrier must release the information within 90 days after the date of OPM’s written request unless a different time limit is specified by OPM in its request.
(4) Within 90 days after receipt of the request for review, OPM will either:
(i) Give a written notice of its decision to the covered individual and the Carrier; or
(ii) Notify the individual of the status of the review. If OPM does not receive requested evidence within 15 days after expiration of the applicable time limit in paragraph (e)(3) of this clause, OPM may make its decision based solely on information available to it at that time and give a written notice of its decision to the covered individual and to the Carrier.

(f) OPM, upon its own motion, may reopen its review if it receives evidence that was unavailable at the time of its original decision.

(g) Court review. (1) A suit to compel enrollment under §890.102 of Title 5, Code of Federal Regulations, must be brought against the employing office that made the enrollment decision.
(2) A suit to review the legality of OPM’s regulations under this part must be brought against the Office of Personnel Management.

(3) Federal Employees Health Benefits (FEHB) carriers resolve FEHB claims under authority of Federal statute (chapter 89, title 5, United States Code). A covered individual may seek judicial review of OPM’s final action on the denial of a health benefits claim. A legal action to review final action by OPM involving such denial of health benefits must be brought against OPM and not against the Carrier or the Carrier’s subcontractors. The recovery in such a suit shall be limited to a court order directing OPM to require the Carrier to pay the amount of benefits in dispute.
(4) An action under paragraph (3) of this clause to recover on a claim for health benefits:
(i) May not be brought prior to exhaustion of the administrative remedies provided in paragraphs (a) through (f) of this clause;
(ii) May not be brought later than December 31 of the 3rd year after the year in which the care or service was provided; and
(iii) Will be limited to the record that was before OPM when it rendered its decision affirning the Carrier’s denial of benefits.

(End of clause)
1652.204–73 Taxpayer Identification Number.

As prescribed in 1604.970, insert the following clause.

**Taxpayer Identification Number** (JAN 2000)

(a) Definitions. Common parent, as used in this provision, means that corporate entity that owns or controls an affiliated group of corporations that files its Federal income tax returns on a consolidated basis, and of which the Carrier is a member.

Taxpayer Identification Number (TIN), as used in this provision, means the number required by the Internal Revenue Service (IRS) to be used by the Carrier in reporting income tax and other returns.

(b) The Carrier must submit the information required in paragraphs (d) through (f) of this clause to comply with debt collection requirements of 31 U.S.C. 7701(c) and 3225(d), reporting requirements of 26 U.S.C. 6041, 6041A, and 6050M, and implementing regulations issued by the IRS. The Carrier is subject to the payment reporting requirements described in Federal Acquisition Regulation (FAR) 4.904. The Carrier’s failure or refusal to furnish the information will result in payment being withheld until the TIN number is provided.

(c) The Government may use the TIN to collect and report on any delinquent amounts arising out of the Carrier’s relationship with the Government (31 U.S.C. 7701(c)(3)). The TIN provided hereunder may be matched with IRS records to verify its accuracy.

(d) Taxpayer Identification Number (TIN).

1652.204–74 Large provider agreements.

As prescribed by 1604.7202, the contracting officer will insert the following clause in all FEHB Program contracts based on cost analysis (experience-rated):

**LARGE PROVIDER AGREEMENTS (OCT 2005)**

(1) Notification and Information Requirements. (1) The experience-rated Carrier must provide notice to the contracting officer of its intent to enter into or to make a significant modification of a Large Provider Agreement:

(i) Not less than 60 days before entering into any Large Provider Agreement; and

(ii) Not less than 60 days before exercising a renewal or other option, or significant modification to a Large Provider Agreement, when such action would result in total costs to the FEHB Program of an additional 20 percent or more above the existing contract. However, if a carrier is exercising a simple renewal or other option contemplated by a Large Provider Agreement that OPM previously reviewed, and there are no significant changes, then a statement to the effect that the renewal or other option is being exercised along with the dollar amount is sufficient notice.

(2) The carrier’s notification to the contracting officer must be in writing and must, at a minimum:

(i) Describe the supplies and/or services the proposed provider agreement will require;

(ii) Identify the proposed basis for reimbursement;

(iii) Identify the proposed provider agreement, explain why the carrier selected the proposed provider, and what contracting method it used, where applicable, including the kind of competition obtained;

(iv) Describe the methodology the carrier used to compute the provider’s profit; and,

(v) Describe provider risk provisions.

(3) The Contracting officer may request from the carrier any additional information on a proposed provider agreement and its terms and conditions prior to a provider award and during the performance of the agreement.

(4) Within 30 days of receiving the carrier’s notification, the Contracting officer will give the carrier either written comments or written notice that there will be no comments. If the Contracting officer comments, the carrier must respond in writing within 10 calendar days, and explain how it intends to address any concerns.

(5) When computing the carrier’s service charge, the Contracting officer will consider how well the carrier complies with the provisions of this section, including the advance notification requirements, as an aspect of the carrier’s performance factor.

(6) The Contracting officer’s review of any Large Provider Agreement, option, renewal, or modification will not constitute a determination of the acceptability of the terms and conditions of any provider agreement or
1652.215-70 48 CFR Ch. 16 (10–1–16 Edition)

of the allowability of any costs under the carrier’s contract, nor will it relieve the carrier of any responsibility for performing the contract.

(b) Records and Inspection. The carrier must insert in all Large Provider Agreements the requirement that the provider will retain and make available to the Government all records relating to the agreement that support the annual statement of operations and enrollee records—Retain for 6 years after the agreement term ends.

(c) Audit and Records—Negotiation. The provisions of FAR 52.215–2, “Audit and Records—Negotiation,” when required, or FEHBAR 1652.246–70, “FEHB Inspection” apply to all experience-rated Carriers’ Large Provider Agreements. The Carrier will insert the clauses at FAR 52.215–2, when applicable, or FEHBAR 1652.246–70 in all Large Provider Agreements. In FAR 52.215–2 the carrier will substitute:

(1) The term “Large Provider” for the term “Contractor” throughout the clause, and

(2) The term “Large Provider Agreement” for the term “Subcontracts” in paragraph (g) of FAR 52.215–2. The term “Contracting officer” will mean the FEHB Program Contracting officer at OPM. The carrier will be responsible for ensuring the Large Provider complies with the provisions set forth in the clause.

(d) Prohibited Agreements. No provider agreement made under this contract will provide for payment on a cost-plus-a-percentage-of-cost basis.

(e) The carrier will insert this clause, 1652.204–74, in all Large Provider Agreements.

(End of clause)

[70 FR 31382, June 1, 2005, as amended at 71 FR 3016, Jan. 19, 2006]

1652.215–70 Rate Reduction for Defective Pricing or Defective Cost or Pricing Data.

As prescribed in 1615.407–1, the following clause shall be inserted in FEHBP contracts exceeding the threshold at FAR 15.403–4(a)(1) that are based on a combination of cost and price analysis (community rated):

RATe REDUCTION FOR DEFEcTIVE PRICING OR DEFEcTIVE COST OR PricING DATA (JAN 2004)

(a) If any rate established in connection with this contract was increased because:

(1) The Carrier submitted, or kept in its files in support of the FEHBP rate, cost or pricing data that were not complete, accurate, or current as certified in one of the Certificates of Accurate Cost or Pricing Data (FEHBAR 1615.406–2); and

(2) The Carrier submitted, or kept in its files in support of the FEHBP rate, cost or pricing data that were not accurate as represented in the rate reconciliation documents or MLR Calculation;

(3) The Carrier developed FEHBP rates for traditional community rated plans with a rating methodology and structure inconsistent with that used to develop rates for a similarly sized subscriber group (see FEHBAR 1602.170–13) as certified in the Certificate of Accurate Cost or Pricing Data for Community Rated Carriers;

(4) The Carrier, who is not mandated by the State to use traditional community rating, developed FEHBP rates with a rating methodology and structure inconsistent with its State-filed rating methodology (or if not required to file with the State, their standard written and established rating methodology) or inconsistent with the FEHB specific medical loss ratio (MLR) requirements (see FEHBAR 1602.170–13); or

(5) The Carrier submitted or, kept in its files in support of the FEHBP rate, data or information of any description that were not complete, accurate, and current—then, the rate shall be reduced in the amount by which the price was increased because of the defective data or information.

(b)(1) If the Contracting Officer determines under paragraph (a) of this clause that a price or cost reduction should be made, the Carrier agrees not to raise the following matters as a defense:

(i) The Carrier was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the contract would not have been modified even if accurate, complete, and current cost or pricing data had been submitted or maintained and identified.

(ii) The Contracting Officer should have known that the cost or pricing data in issue were defective even though the Carrier took no affirmative action to bring the character of the data to the attention of the Contracting Officer.

(iii) The contract was based on an agreement about the total cost of the contract and there was no agreement about the cost of each item procured under the contract.

(iv) The Carrier did not submit or keep in its files a Certificate of Current Cost or Pricing Data.

(2)(i) Except as prohibited by subdivision (b)(2)(ii) of this clause, an offset in an amount determined appropriate by the Contracting Officer based upon the facts shall be allowed against the amount of a contract price reduction if—

(A) The Carrier certifies to the Contracting Officer that, to the best of the Carrier’s knowledge and belief, the Carrier is entitled to the offset in the amount requested; and

(B) The Carrier proves that the cost or pricing data were available before the date of
Office of Personnel Management

As prescribed in 1615.470–1, the following clause shall be inserted in all FEHBP contracts based on cost analysis:

**INVESTMENT INCOME (JAN 1998)**

(a) The Carrier shall invest and reinvest all FEHBP funds on hand that are in excess of the funds needed to promptly discharge the obligations incurred under this contract. The Carrier shall seek to maximize investment income with prudent consideration to the safety and liquidity of investments.

(b) All investment income earned on FEHBP funds shall be credited to the Special Reserve on behalf of the FEHBP.

(c) When the Contracting Officer concludes that the Carrier failed to comply with paragraph (a) or (b) of this clause, the Carrier shall credit the Special Reserve with investment income that would have been earned, at the rate(s) specified in paragraph (f) of this clause, had it not been for the Carrier’s noncompliance. “Failed to comply with paragraph (a) or (b)” means: (1) Making any charges against the contract which are not allowable, allocable, or reasonable; or (2) failing to credit any income due the contract and/or failing to place excess funds, including subscription income and payments from OPM not needed to discharge promptly the obligations incurred under the contract, refunds, credits, payments, deposits, investment income earned, uncashed checks, or other amounts owed the Special Reserve, in income producing investments and accounts.

(d) Investment income lost as a result of unallowable, unallocable, or unreasonable charges against the contract shall be paid from the 1st day of the contract term following the contract term in which the unallowable charge was made and shall end on the earlier of: (1) The date the amounts are returned to the Special Reserve (or the Office of Personnel Management); (2) the date specified by the Contracting Officer; or, (3) the date of the Contracting Officer’s Final Decision.

(e) Investment income lost as a result of failure to credit income due the contract or failure to place excess funds in income producing investments and accounts shall be paid from the 1st day of the contract term following the contract term in which the amount becomes due, as provided in paragraphs (d) and (e) of this clause.

(f) The Carrier shall credit the Special Reserve for income due in accordance with this clause. All lost investment income payable shall bear simple interest at the quarterly rate determined by the Secretary of the Treasury under the authority of 26 U.S.C. 6622(a)(2) applicable to the periods in which the amount becomes due, as provided in paragraphs (d) and (e) of this clause.

(g) The Carrier shall incorporate this clause into agreements with underwriters of the Carrier’s FEHBP plan and shall substitute “underwriter” or other appropriate reference for the term “Carrier.”

*(End of clause)*
1652.216-70  Accounting and price adjustment.

As prescribed in section 1616.7001, the following clause shall be inserted in all FEHBP contracts based on a combination of cost and price analysis (community rated).

ACCOUNTING AND PRICE ADJUSTMENT (JAN 2003)

(a) Annual Accounting Statement. The Carrier, not later than 90 days after the end of each contract period, shall furnish to OPM for that contract period an accounting of its operations under the contract. The accounting shall be in the form prescribed by OPM.

(b) Adjustment. (1) This contract is community rated as defined in FEHBAR 1602.170–2.

(2) Effective January 1, 2013 all community rated plans must develop the FEHBP’s rates using their State-died rating methodology or, if not required to file with the State, their standard written and established rating methodology. A carrier who mandated by the State to use traditional community rating will be subject to paragraph (b)(2)(ii) of this clause. All other carriers will be subject to paragraph (b)(2)(i) of this clause.

(i) The subscription rates agreed to in this contract shall meet the FEHB-specific MLR threshold as defined in FEHBAR 1602.170–14. The ratio of a plan’s incurred claims, including the carrier’s expenditures for activities that improve health care quality, to total premium revenue shall not be lower than the FEHB-specific MLR threshold published annually by OPM in its rate instructions.

(ii) The subscription rates agreed to in this contract shall be equivalent to the subscription rates given to the carrier’s similarly sized subscriber group (SSSG) as defined in FEHBAR 1602.170–13. The subscription rates shall be determined according to the carrier’s established policy, which must be applied consistently to the FEHBP and to the carrier’s SSSG. If the SSSG receives a rate lower than that determined according to the carrier’s established policy, it is considered a discount. The FEHBP must receive a discount equal to or greater than the carrier’s SSSG discount.

(iii) If subject to paragraph (b)(2)(ii) of this clause, then:

(1) If, at the time of the rate reconciliation, the subscription rates are found to be lower than the equivalent rates for the SSSG, the carrier may include an adjustment to the Federal group’s rates for the next contract period, except as noted in paragraph (b)(3)(iii) of this clause.

(2) If, at the time of the rate reconciliation, the subscription rates are found to be higher than the equivalent rates for the SSSG, the carrier shall reimburse the Fund, for example, by reducing the FEHBP rates for the next contract term to reflect the difference between the estimated rates and the rates which are derived using the methodology of the SSSG, except as noted in paragraph (b)(3)(iii) of this clause.

(3) Carriers may provide additional guaranteed discounts to the FEHBP that are not given to the SSSG. Any such guaranteed discounts must be clearly identified as guaranteed discounts. After the beginning of the contract year for which the rates are set, these guaranteed FEHBP discounts may not be adjusted.

(4) If rates are determined by comparison with the FEHB-specific MLR threshold, then if the MLR for the carrier’s FEHB plan is found to be lower than the published FEHB-specific MLR threshold, the carrier must pay a subsidization penalty equal to the difference into a subsidization penalty account.

(5) The following apply to community rated plans, regardless of the rating methodology:

(i) No upward adjustment in the rate established for this contract will be allowed or considered by the Government or will be made by the Carrier in this or in any other contract period on the basis of actual costs incurred, actual benefits provided, or actual size or composition of the FEHBP group during this contract period.

(ii) For contract years beginning on or after January 1, 2009, in the event this contract is not renewed, the final rate reconciliation will be performed. The carrier must promptly pay any amount owed to OPM. Any amount recoverable by the carrier is limited to the amount in the contingency reserve for the terminating year.

(iii) Carriers may not impose surcharges (loadings not defined based on an established rating method) on the FEHBP subscription rates or use surcharges in the rate reconciliation process in any circumstance.

(6) For contract years beginning on or after January 1, 2009, in the event this contract is not renewed, the final rate reconciliation will be performed. The carrier must promptly pay any amount owed to OPM. Any amount recoverable by the carrier is limited to the amount in the contingency reserve for the terminating year.

(7) Carriers may provide additional guaranteed discounts to the FEHBP. Any such guaranteed discounts must be clearly identified as guaranteed discounts. After the beginning of the contract year for which the rates are set, these guaranteed FEHBP discounts may not be adjusted.

(8) Carriers may not impose surcharges (loadings not defined based on an established rating method) on the FEHBP subscription rates or use surcharges in the rate reconciliation process if the carrier is subject to the SSSG rules and imposes a surcharge on the
Office of Personnel Management

SSSSG, the carrier cannot impose the surcharge on FEHB.

(End of clause)

1652.216–71 Accounting and Allowable Cost.

As prescribed in section 1616.7002, the following clause shall be inserted in all FEHBP contracts based on cost analysis (experience rated).

ACCOUNTING AND ALLOWABLE COST (FEHBAR 1652.216–71) (JAN 2003)

(a) Annual Accounting Statements. (1) The Carrier shall furnish to OPM an accounting of its operations under the contract. In preparing the accounting, the Carrier shall follow the reporting requirements and statement formats prescribed by OPM in the OPM Annual and Fiscal Year Financial Reporting Instructions.

(2) The Carrier shall have its Annual Accounting Statements and that of its underwriter, if any, audited in accordance with the FEHBP Experienced-Rated Carrier and Service Organization Audit Guide (Guide). The Carrier shall submit the audit report and the Annual Accounting Statements to OPM in accordance with the requirements of the Guide.

(3) Based on the results of either the independent audit prescribed by the Guide or a Government audit, OPM may require the Carrier adjust its annual accounting statements (i) by amounts found not to constitute actual, allowable, allocable and reasonable costs; or (ii) to reflect prior overpayments or underpayments.

(4) The Carrier shall develop corrective action plans to resolve audit findings identified in audits that were performed in accordance with the Guide. The corrective action plans will be prepared in accordance with and as defined by the Guide.

(b) Definition of costs. (1) The Carrier may charge a cost to the contract for a contract term if the cost is actual, allowable, allocable, and reasonable. In addition, the Carrier must:

(i) on request, document and make available accounting support for the cost to justify that the cost is actual, reasonable and necessary; and

(ii) determine the cost in accordance with: (A) the terms of this contract, and (B) subpart 31.2 of the Federal Acquisition Regulation (FAR) and subpart 1651.2 of the Federal Employees Health Benefits Program Acquisition Regulation (FEHBAR) applicable on the first day of the contract period.

(2) In the absence of specific contract terms to the contrary, the Carrier shall classify contract costs in accordance with the following criteria:

(i) Benefits. Benefit costs consist of payments made and liabilities incurred for covered health care services on behalf of FEHBP subscribers less any refunds, rebates, allowances or other credits received.

(ii) Administrative expenses. Administrative expenses consist of all actual, allowable, allocable and reasonable expenses incurred in the adjudication of subscriber benefit claims or incurred in the Carrier’s overall operation of the business. Unless otherwise stated in the contract, administrative expenses include, in part: all taxes (excluding premium taxes, as provided in section 1631.205–41), insurance and reinsurance premiums, medical and dental consultants used in the adjudication process, concurrent or managed care review when not billed by a health care provider and other forms of utilization review, the cost of maintaining eligibility files, legal expenses incurred in the litigation of benefit payments and bank charges for letters of credit. Administrative expenses exclude the cost of Carrier personnel, equipment, and facilities directly used in the delivery of health care services, which are benefit costs, and the expense of managing the FEHBP investment program which is a reduction of investment income earned.

(iii) Investment income. While compliance with the checks presented letter of credit methodology will minimize funds on hand, the Carrier shall invest and reinvest all funds on hand, including any in the Special Reserve or any attributable to the reserve for incurred but unpaid claims, which are in excess of the funds needed to discharge promptly the obligations incurred under the contract. Investment income represents the net amount earned by the Carrier after deducting investment expenses. Investment expenses are those actual, allowable, allocable, and reasonable contract costs that are attributable to the investment of funds, such as consultant or management fees.

(iv) Other charges. (A) Mandatory statutory reserve. Charges for mandatory statutory reserves are not allowable unless specifically provided for in the contract. When the term “mandatory statutory reserve” is specifically identified as an allowable contract charge without further definition or explanation, it means a requirement imposed by State law upon the Carrier to set aside a specific amount or rate of funds into a restricted reserve that is accounted for separately from all other reserves and surpluses of the Carrier and which may be used only with the specific approval of the State official designated by law to make such approvals. The amount chargeable to the contract...
may not exceed an allocable portion of the amount actually set aside. If the statutory reserve is no longer required for the purpose for which it was created, and these funds become available for the general use of the Carrier, the Carrier shall return to the FEHBP a pro rata share based upon FEHBP’s contribution to the total Carrier’s set aside shall be returned to the FEHBP in accordance with FAR 31.201–5.

(B) Premium taxes.

(1) When the term “premium taxes” is used in this contract without further definition or explanation, it means a tax, fee, or other monetary payment directly or indirectly imposed on FEHBP premiums by any State, the District of Columbia, or the Commonwealth of Puerto Rico or by any political subdivision or other governmental authority of those entities, with the sole exception of a tax on net income or profit, if that tax, fee, or payment is applicable to a broad range of business activity.

(2) For purposes of this paragraph (B), OPM has determined that the term “State” as used in 5 U.S.C. 8909(f) includes, but is not limited to, a territory or possession of the United States.

(c) Certification of Accounting Statement Accuracy.

(1) The Carrier shall certify the annual and fiscal year accounting statements in the form set forth in paragraph (c)(3) of this clause. The Carrier’s chief executive officer and the chief financial officer shall sign the certificate.

(2) The Carrier shall require an authorized agent of its underwriter, if any, also to certify the annual accounting statement.

(3) The certificate required shall be in the following form:

CERTIFICATION OF ACCOUNTING STATEMENT ACCURACY

This is to certify that I have reviewed this accounting statement and to the best of my knowledge and belief:

1. The statement was prepared in conformity with the guidelines issued by the Office of Personnel Management and fairly presents the financial results of this reporting period in conformity with those guidelines.

2. The costs included in the statement are actual, allowable, allocable, and reasonable in accordance with the terms of the contract and with the cost principles of the Federal Employees Health Benefits Acquisition Regulation and the Federal Acquisition Regulation;

3. Income, rebates, allowances, refunds and other credits made or owed in accordance with the terms of the contract and applicable cost principles have been included in the statement;

4. If applicable, the letter of credit account was managed in accordance with 5 CFR part 890, 48 CFR chapter 16, and OPM guidelines.

1652.222–70 Notice of significant events.

As prescribed in 1622.103–70, the following clause shall be inserted in all FEHBP contracts.

NOTICE OF SIGNIFICANT EVENTS (JUL 2005)

(a) The Carrier agrees to notify OPM of any Significant Event within ten (10) working days after the Carrier becomes aware of it. As used in this section, a Significant Event is any occurrence or anticipated occurrence that might reasonably be expected to have a material effect upon the Carrier’s ability to meet its obligations under this contract, including, but not limited to, any of the following:

1. Disposal of major assets;

2. Loss of 15% or more of the Carrier’s overall membership;

3. Termination or modification of any contract or subcontract if such termination or modification might have a material effect on the Carrier’s obligations under this contract;

4. Addition or termination of provider agreements;

5. Any changes in underwriters, reinsurers, or participating plans;

6. The imposition of, or notice of the intent to impose, a receivership, conservatorship, or special regulatory monitoring;
(7) The withdrawal of, or notice of intent to withdraw, State licensing, HHS qualification, or any other status under Federal or State law;

(8) Default on a loan or other financial obligation;

(9) Any actual or potential labor dispute that delays or threatens to delay timely performance or substantially impairs the functioning of the Carrier’s facilities or facilities used by the Carrier in the performance of the contract;

(10) Any change in its charter, constitution, or by-laws which affects any provision of this contract or the Carrier’s participation in the Federal Employees Health Benefits Program; or

(11) Any significant changes in policies and procedures or interpretations of the contract or brochure which would affect the benefits available under the contract or the costs charged to the contract.

(b) Upon learning of a Significant Event OPM may institute action, in proportion to the seriousness of the event, to protect the interest of Members, including, but not limited to—

(1) Directing the Carrier to take corrective action;

(2) Suspending new enrollments under this contract;

(3) Advising Enrollees of the Significant Event and providing them an opportunity to transfer to another plan;

(4) Withholding payment of subscription income or restricting access to the Carrier’s Letter of Credit account.

(5) Terminating the enrollment of those enrollees who, in the judgment of OPM, would be adversely affected by the Significant Event; or

(6) Terminating this contract pursuant to section 1.15, renewal and withdrawal of approval.

(c) Prior to taking action as described in paragraph (b) of this clause, the OPM will notify the Carrier and offer an opportunity to respond.

(d) The carrier will insert this clause in any subcontract or subcontract modification if the amount of the subcontract or modification charged to the FEHB Program (or in the case of a community-rated carrier, applicable to the FEHB Program) equals or exceeds $550,000 and is at least 25 percent of the total subcontract cost. The amount of the dollar charge to the FEHB Program shall be adjusted by the same amount and at the same time as any change to the threshold for application of the Truth in Negotiations Act pursuant to 41 U.S.C. 254b(a)(7).

1652.224–70 Confidentiality of records.

As prescribed in 1624.104, the following clause shall be inserted in all FEHBP contracts:

CONFIDENTIALITY OF RECORDS (JAN 1991)

(a) The Carrier shall use the personal data on employees and annuitants that is provided by agencies and OPM, including social security numbers, for only those routine uses stipulated for the data and published annually in the FEDERAL REGISTER as a part of OPM’s notice of systems of records.

(b) The Carrier shall also hold all medical records, and information relating thereto, of Federal subscribers and family members confidential except as follows:

(1) As may be reasonably necessary for the administration of this contract;

(2) As authorized by the patient or his or her guardian;

(3) As disclosure is necessary to permit Government officials having authority to investigate and prosecute alleged civil or criminal actions;

(4) As necessary to audit the contract;

(5) As necessary to carry out the coordination of benefits provisions of this contract; and

(6) For bona fide medical research or educational purposes. Release of information for medical research or educational purposes shall be limited to aggregated information of a statistical nature that does not identify any individual by name, social security number, or any other identifier unique to an individual.

(c) If the carrier uses medical records for the administration of the contract, or for bona fide medical research or educational purposes, it shall so state in the plan’s brochure.

(End of clause)

[52 FR 16044, May 1, 1987, as amended at 55 FR 27417, July 2, 1990]

1652.229–70 Taxes—Foreign Negotiated benefits contracts.

As prescribed in section 1629.402, the following clause shall be inserted in all FEHBP contracts performed outside
the United States, its possessions, and Puerto Rico:

**TAXES—FOREIGN NEGOTIATED BENEFITS CONTRACTS (JAN 1990)**

(a) To the extent that this contract provides for performing services outside the United States, its possessions, and Puerto Rico, this clause applies in lieu of any Federal, State, and local taxes clause of the contract.

(b) “Contract date,” as used in this clause, means the effective date of this contract or modification.

“Country concerned,” as used in this clause, means any country, other than the United States, its possessions, and Puerto Rico, in which expenditures under this contract are made.

“Tax” and “taxes,” as used in this clause, include fees and charges for doing business that are levied by the government of the country concerned or by its political subdivisions.

“All applicable taxes and duties,” as used in this clause, means all taxes and duties, in effect on the contract date, that the taxing authority is imposing and collecting on the transactions covered by this contract, pursuant to written ruling or regulation in effect on the contract date.

“After-imposed tax,” as used in this clause, means any new or increased tax or duty, or tax that was exempted or excluded from the contract price by a provision of this contract that the Carrier is required to pay or bear as the result of legislative, judicial, or administrative action taking effect after the contract date.

“After-relieved tax,” as used in this clause, means any amount of tax or duty, other than an excepted tax, that was included in the contract price under this clause unless the amount of the adjustment exceeds $250.

(c) Unless otherwise provided in this contract, the contract price includes all applicable taxes and duties, except taxes and duties that the Government of the United States and the government of the country concerned have agreed shall not be applicable to expenditures in such country by or on behalf of the United States.

(d) The contract price shall be increased by the amount of any after-imposed tax or of any tax or duty specifically excluded from the contract price by a provision of this contract that the Carrier is required to pay or bear, including any interest or penalty, if the Carrier states in writing that the contract price does not include any contingency for such tax and if liability for such tax, interest, or penalty was not incurred through the Carrier’s fault, negligence, or failure to follow instructions of the Contracting Officer or to comply with the provisions of paragraph (i) below.

(e) The contract price shall be decreased by the amount of any after-relieved tax, including any interest or penalty. The Government of the United States shall be entitled to interest received by the Carrier incident to a refund of taxes to the extent that such interest was earned after the Carrier was paid by the Government of the United States for such taxes. The Government of the United States shall be entitled to repayment of any penalty refunded to the Carrier to the extent that the penalty was paid by the Government.

(f) The contract price shall be decreased by the amount of any tax or duty, other than an excepted tax, that was included in the contract and that the Carrier is required to pay or bear, or does not obtain a refund of, through the Carrier’s fault, negligence, or failure to follow instructions of the Contracting Officer or to comply with the provisions of paragraph (i) below.

(g) No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds $250.

(h) If the Carrier obtains a reduction in tax liability under the United States Internal Revenue Code (Title 26, U.S. Code) because of the payment of any tax or duty that either was included in the contract price or was the basis of an increase in the contract price, the amount of the reduction shall be paid or credited to the Government of the United States as the Contracting Officer directs.

(i) The Carrier shall take all reasonable action to obtain exemption from or refund of any taxes or duties, including interest or penalty, from which the United States Government, the Carrier, any subcontractor, or the transactions covered by this contract are exempt under the laws of the country concerned or its political subdivisions or which the governments of the United States and of the country concerned have agreed shall not be applicable to expenditures in such country by or on behalf of the United States.

(j) The Carrier shall promptly notify the Contracting Officer of all matters relating to
taxes or duties that reasonably may be expected to result in either an increase or decrease in the contract price and shall take appropriate action as the Contracting Officer directs. The contract price shall be equitably adjusted to cover the costs of action taken by the Carrier at the direction of the Contracting Officer, including any interest, penalty, and reasonable attorneys’ fees.

(End of clause)

1652.232–70 Payments—community-rated contracts.

As prescribed in 1632.171, the following clause shall be inserted in all community-rated FEHBP contracts:

PAYMENTS (JAN 2000)

(a) OPM will pay to the Carrier, in full settlement of its obligations under this contract, subject to adjustment for error or fraud, the subscription charges received for the plan by the Employees Health Benefits Fund (hereinafter called the Fund) less the amounts set aside by OPM for the Contingency Reserve and for the administrative expenses of OPM and amounts for obligations due pursuant to paragraph (b) of this clause, plus any payments made by OPM from the Contingency Reserve.

(b) OPM will notify the Carrier of amounts due for outstanding obligations under the contract. Not later than 60 days after the date of written notice from OPM, the Carrier shall reimburse OPM. If payment is not received within the prescribed time frame, OPM shall withhold the amount due from the subscription charges owed the Carrier under paragraph (a) of this clause.

(c) The specific subscription rates, charges, allowances and limitations applicable to the contract are set forth in Appendix B.

(d) Recurring payments from premiums shall be made available for carrier drawdown not later than thirty days after receipt by the Fund. The Contracting Officer may authorize special non-recurring payments from the Contingency Reserve in accordance with OPM’s regulations.

(e) In the event this contract between the Carrier and OPM is terminated or not renewed in accordance with General Provision 1.15, RENEWAL and WITHDRAWAL OF APPROVAL, the Contingency Reserve of the Carrier held by OPM shall be available to the Carrier to pay the necessary and proper charges against this contract to the extent that the reserves held by the Carrier are insufficient for that purpose.

(End of clause)

1652.232–72 Non-commingling of FEHBP funds.

As prescribed in 1632.772, the following clause shall be inserted in all contracts based on cost analysis.

NON-COMMINGLING OF FUNDS (JAN 1991)

(a) The Carrier and/or its underwriter shall keep all FEHBP funds for this contract (cash and investments) physically separate from funds obtained from other sources. Accounting for such FEHBP funds shall not be based on allocations or other sharing mechanisms and shall agree with the Carrier’s accounting records.

(b) In certain instances the physical separation of FEHBP funds may not be practical or desirable. In such cases, the Carrier may request a waiver from this requirement from the Contracting Officer. The waiver shall be requested in advance and the Carrier shall demonstrate that accounting techniques have been established that will clearly measure FEHBP cash and investment income (i.e., subsidiary ledgers). Reconciliations between amounts reported and actual amounts shown in accounting records shall be provided as supporting schedules to the Annual Accounting Statements.

(c) The Carrier shall incorporate this clause in all subcontracts that exceed $25,000 and shall substitute “contractor” or other appropriate reference for “Carrier and/or its underwriter.”

(End of clause)

1652.232–73 Approval for the Assignment of Claims.

As prescribed in 1632.806–70, the following clause shall be inserted in all FEHBP contracts:

APPROVAL FOR ASSIGNMENT OF CLAIMS (JAN 1991)

(a) Notwithstanding the provisions of section 5.35, (FAR 52.232-23) Assignment of Claims, the Carrier shall not make any assignment under the Assignment of Claims Act without the prior written approval of the Contracting Officer.

(b) Unless a different period is specified in the Contracting Officer’s written approval, an assignment shall be in force only for a period of 1 year from the date of the Contracting Officer’s approval. However, assignments may be renewed upon their expiration.

(End of clause)

[55 FR 27418, July 2, 1990]

1652.243–70 Changes—Negotiated benefits contracts.

As prescribed in section 1643.205–70, the following clause shall be inserted in all FEHBP contracts.

CHANGES—NEGOTIATED BENEFITS CONTRACTS (JAN 1998)

(a) The Contracting Officer may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in any one or more of the following:

1. Description of services to be performed.
2. Time of performance (i.e., hours of the day, days of the week, etc.).
3. Place of performance of the services.

(b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, the Contracting Officer shall make an equitable adjustment in the contract price, the delivery schedule, or both, and shall modify the contract.

(c) The Carrier must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order. However, if the Contracting Officer decides that the facts justify it, the Contracting Officer may receive and act upon a proposal submitted before final payment of the contract.

(d) Failure to agree to any adjustment shall be a dispute under the Disputes clause. However, nothing in this clause shall excuse the Carrier from proceeding with the contract as changed.

(End of clause)

1652.244–70 Subcontracts.

As prescribed in section 1644.270, the following clause will be inserted in all FEHB Program contracts based on cost analysis (experience-rated):

SUBCONTRACTS (JUL 2005)

(a) The carrier will notify the Contracting officer in writing at least 30 days in advance of entering into any subcontract or sub-contract modification charged to the FEHB Program that exceeds $500,000 and is at least 25 percent of the total subcontract cost. The amount of the dollar charge to the FEHB Program shall be adjusted by the
same amount and at the same time as any change to the threshold for application of the Truth in Negotiations Act pursuant to 41 U.S.C. 254d(a)(7). Failure to provide advance notice may result in a Contracting officer’s disallowance of subcontract costs or a penalty in the performance aspect of the carrier’s service charge. In determining whether the amount chargeable to the FEHB Program contract for a given subcontract or modification equals or exceeds the $550,000 threshold, the following rules apply:

1. For initial advance notification, the carrier shall add the total cost/price for the base year and all options, including quantity or service options and option periods.
2. For contract modifications, options and/or renewals (e.g. evergreen contracts) not accounted for in paragraph (a)(1) of this clause, the carrier shall provide advance notification if they cause the total price to equal or exceed the threshold. OPM’s review will be of the modification(s), itself, but documentation for the original subcontract will be required to perform the review. The $550,000 threshold will be adjusted by the same amount and at the same time as any change to the threshold for application of the Truth in Negotiations Act. All subcontracts or subcontract modifications that equal or exceed the threshold are subject to audit under FAR 52.215-2 “Audit and Records—Negotiations” if based on cost analysis or 48 CFR 1646.301 and 1552.246–70 “FEHB Inspection” if based on price analysis.
3. The advance notification required by paragraph (a) of this clause will include the information specified below:
   (1) A description of the supplies or services to be subcontracted;
   (2) Identification of the type of subcontract to be used;
   (3) Identification of the proposed subcontractor and an explanation of why and how the proposed subcontractor was selected, including the competition obtained;
   (4) The proposed subcontract price and the carrier’s cost or price analysis;
   (5) The subcontractor’s current, complete, and accurate cost or pricing data and a Certificate of Current Cost or Pricing Data must be submitted to the Contracting officer if required by law, regulation, or other contract provisions.
4. [Reserved]
5. A negotiation memorandum reflecting—
   (i) The principal elements of the subcontract price negotiations;
   (ii) The most significant consideration controlling establishment of initial or revised prices;
   (iii) An explanation of the reason cost or pricing data are not required, if the carrier believes that cost or pricing data are not required.
6. The extent, if any, to which the carrier did not rely on the subcontractor’s cost or pricing data in determining the price objective and in negotiating the final price;
7. The extent, if any, to which it was recognized in the negotiation that the subcontractor’s cost or pricing data were not accurate, complete, or current; the action taken by the carrier and the subcontractor; and the effect of any such defective data on the total price negotiated;
8. The reasons for any significant difference between the carrier’s price objective and the price negotiated; and
9. A complete explanation of the incentive fee or profit plan, when incentives are used. The explanation will identify each critical performance element, management decisions used to quantify each incentive element, reasons for the incentives, and a summary of all trade-off possibilities considered.
10. The carrier will obtain the Contracting officer’s written consent before placing any subcontract for which advance notification is required under paragraph (a) of this clause. However, the Contracting officer may ratify in writing any such subcontract for which written consent was not obtained. Ratification will constitute the consent of the Contracting officer.
11. The Contracting officer may waive the requirement for advance notification and consent required by paragraphs (a), (b) and (c) of this clause where the carrier and subcontractor submit an application or renewal as a contractor team arrangement as defined in FAR subpart 9.6 and—
   (1) The Contracting officer evaluated the arrangement during negotiation of the contract or contract renewal; and
   (2) The subcontractor’s price and/or costs were included in the Plan’s rates that were reviewed and approved by the Contracting officer during negotiation of the contract or contract renewal.
12. If the carrier follows the notification and consent requirements of paragraphs (a), (b) and (c) of this clause and subsequently obtains the Contracting officer’s consent or ratification, then the reasonableness of the subcontract’s costs will be inferred as provided for in 1631.205-81. However, consent or ratification by the Contracting officer will not constitute a determination:
   (1) Of the acceptability of any subcontract terms or conditions;
   (2) Of the allowability of any cost under this contract; or
   (3) That the carrier should be relieved of any responsibility for performing this contract.
13. No subcontract placed under this contract will provide for payment on a cost plus-a-percentage-of-cost basis. Any fee payable under cost reimbursement type subcontracts will not exceed the fee limitations.
in FAR 15.404-4(c)(4)(i). Any profit or fee payable under a subcontract will be in accordance with the provision of Section 3.7, Service Charge.

(g) The carrier will give the Contracting officer immediate written notice of any action or suit filed and prompt notice of any claim against the carrier by any subcontractor or vendor that, in the opinion of the carrier, may result in litigation related in any way to this contract with respect to which the carrier may be entitled to reimbursement from the Government.

(End of clause)

[70 FR 31383, June 1, 2005, as amended at 71 FR 3016, Jan. 19, 2006]

1652.245–70 Government property (negotiated benefits contracts)

As prescribed in section 1645.303–70, the following clause shall be inserted in all FEHBP contracts.

GOVERNMENT PROPERTY (NEGOTIATED BENEFITS CONTRACTS) (JAN 1998)

(a) Government-furnished property. (1) The Government shall deliver to the Carrier, for use in connection with and under the terms of this contract, the Government-furnished property described in this contract together with any related data and information that the Carrier may request and is reasonably required for the intended use of the property (hereinafter referred to as “Government-furnished property”).

(2) The delivery or performance dates for this contract are based upon the expectation that Government-furnished property suitable for use (except for property furnished “as-is”) will be delivered to the Carrier at the times stated in this contract or, if not so stated, in sufficient time to enable the Carrier to meet the contract’s performance dates.

(3) If Government-furnished property is received by the Carrier in a condition not suitable for the intended use, the Carrier shall, upon receipt of it, notify the Contracting Officer, detailing the facts, and, as directed by the Contracting Officer and at Government expense, either repair, modify, return, or otherwise dispose of the property. After completing the directed action and upon written request of the Carrier, the Contracting Officer shall make an equitable adjustment as provided in paragraph (h) of this clause.

(b) Changes in Government-furnished property. (1) The Contracting Officer may, by written notice, (i) decrease the Government-furnished property provided or to be provided under this contract, or (ii) substitute other Government-furnished property for the property to be provided by the Government, or to be acquired by the Carrier for the Government, under this contract. The Carrier shall promptly take such action as the Contracting Officer may direct regarding the removal, shipment, or disposal of the property covered by such notice.

(2) Upon the Carrier’s written request, the Contracting Officer shall make an equitable adjustment to the contract in accordance with paragraph (h) of this clause, if the Government has agreed in this contract to make the property available for performing this contract and there is any—

(i) Decrease or substitution in this property pursuant to subparagraph (b)(1) above; or

(ii) Withdrawal of authority to use this property, if provided under any other contract or lease.

(c) Title in Government property. (1) The Government shall retain title to all Government-furnished property.

(2) All Government-furnished property and all property acquired by the Carrier, title to which vests in the Government under this paragraph (collectively referred to as “Government property”), are subject to the provisions of this clause. Title to Government property shall not be affected by its incorporation into or attachment to any property not owned by the Government, nor shall Government property become a fixture or lose its identity as personal property by being attached to any real property.

(d) Use of Government property. The Government property shall be used only for performing this contract, unless otherwise provided in this contract or approved by the Contracting Officer.

(e) Property administration. (1) The Carrier shall be responsible and accountable for all Government property provided under this contract and shall comply with Federal Acquisition Regulation (FAR) subpart 45.5, as in effect on the date of this contract.

(2) The Carrier shall establish and maintain a program for the use, maintenance, repair, protection, and preservation of Government property in accordance with sound industrial practice and the applicable provisions of subpart 45.5 of the FAR.

(3) If damage occurs to Government property, the risk of which has been assumed by the Government under this contract, the Government shall replace the items or the Carrier shall make such repairs as the Government directs. However, if the Carrier cannot effect such repairs within the time required, the Carrier shall dispose of the property as directed by the Contracting Officer. When any property for which the Government is responsible is replaced or repaired, the Contracting Officer shall make an equitable adjustment in accordance with paragraph (h) of this clause.

(4) The Carrier represents that the contract price does not include any amount for
repairs or replacement for which the Government is responsible. Repair or replacement of property for which the Carrier is responsible shall be accomplished by the Carrier at its own expense.

(f) Access. The Government and all its designees shall have access at all reasonable times to the premises in which any Government property is located for the purpose of inspecting the Government property.

(g) Risk of loss. Unless otherwise provided in this contract, the Carrier assumes the risk of, and shall be responsible for, any loss or destruction of, or damage to, Government property upon its delivery to the Carrier. However, the Carrier is not responsible for reasonable wear and tear to Government property or for Government property properly consumed in performing this contract.

(h) Equitable adjustment. When this clause specifies an equitable adjustment, it shall be made to any affected contract provision in accordance with the procedures of the Changes clause. When appropriate, the Contracting Officer may initiate an equitable adjustment in favor of the Government. The right to an equitable adjustment shall be the Carrier’s exclusive remedy. The Government shall not be liable to suit for breach of contract for—

(1) Any delay in delivery of Government-furnished property;
(2) Delivery of Government-furnished property in a condition not suitable for its intended use;
(3) A decrease in or substitution of Government-furnished property; or
(4) Failure to repair or replace Government property for which the Government is responsible.

(i) Final accounting and disposition of Government property. Upon completing this contract, or at such earlier dates as may be fixed by the Contracting Officer, the Carrier shall submit, in a form acceptable to the Contracting Officer, inventory schedules covering all items of Government property (including any resulting scrap) not consumed in performing this contract or delivered to the Government. The Carrier shall prepare for shipment, deliver f.o.b. origin, or dispose of the Government property as may be directed or authorized by the Contracting Officer. The net proceeds of any such disposal shall be credited to the contract price or shall be paid to the Government as the Contracting Officer directs.

(j) Abandonment and restoration of Carrier’s premises. Unless otherwise provided herein, the Government—

(1) May abandon any Government property in place, at which time all obligations of the Government regarding such abandoned property shall cease; and
(2) Has no obligation to restore or rehabilitate the Carrier’s premises under any circumstances (e.g., abandonment, disposition upon completion of need, or upon contract completion). However, if the Government-furnished property is withdrawn or is unsuitable for the intended use, or if other Government property is substituted, then the equitable adjustment under paragraph (h) of this clause may properly include restoration or rehabilitation costs.

(k) Communications. All communications under this clause shall be in writing.

(1) Overseas contracts. If this contract is to be performed outside of the United States of America, its territories, or possessions, the words “Government” and “Government-furnished” (wherever they appear in this clause) shall be construed as “United States Government” and “United States Government-furnished”, respectively.

(End of clause)

1652.246–70 FEHB Inspection.

As prescribed in 1646.301, the following clause will be inserted in all FEHB contracts:

FEHB INSPECTION (JUL 2005)

(a) The Contracting officer, or an authorized representative of the Contracting officer, has the right to inspect or evaluate the work performed or being performed under the contract, and the premises where the work is being performed, at all reasonable times and in a manner that will not unreasonably delay the work.

(b) The Contractor shall maintain and the Contracting officer, or an authorized representative of the Contracting officer, shall have the right to examine and audit all books and records relating to the contract for purposes of the Contracting officer’s determination of the carrier’s subcontract or Large Provider’s compliance with the terms of the contract, including its payment (including rebate and other financial arrangements) and performance provisions. The Contractor shall make available at its office at all reasonable times those books and records for examination and audit for the record retention period specified in the Federal Employees Health Benefits Acquisition Regulation (FEHBAR). 48 CFR 1652.204–70. This subsection is applicable to subcontract and Large Provider Agreements with the exception of those that are subject to the “Audits and Records—Negotiation” clause, 48 CFR 52.215–2.

(c) If the Contracting officer, or an authorized representative of the Contracting officer, performs inspection, audit or evaluation on the premises of the carrier, the subcontractor, or the Large Provider, the carrier shall furnish or require the subcontractor or
Large Provider to furnish all reasonable facilities for the same and convenient performance of these duties.

(d) The carrier shall insert this clause, including this subsection (d), in all subcontracts for underwriting and claim payments and administrative services and in all Large Provider Agreements and shall substitute “Large Provider,” or other appropriate reference for the term “carrier.”

(End of clause)

[70 FR 31384, June 1, 2005, as amended at 71 FR 3016, Jan. 19, 2006]

1652.249–70 Renewal and withdrawal of approval.

As prescribed in 1649.101–70, the following clause shall be inserted in all FEHBP contracts:

RENEWAL AND WITHDRAWAL OF APPROVAL (JAN 1991)

(a) Pursuant to 5 U.S.C. 8902(a), the contract renews automatically for a term of 1 year each January 1st, unless written notice of intent not to renew is given either by OPM or the Carrier not less than 60 calendar days before the renewal date, or unless modified by mutual agreement.

(b) This contract also may be terminated at other times by order of OPM pursuant to 5 U.S.C. 8902(e). After OPM notifies the Carrier of its intent to terminate the contract, OPM may take action as it deems necessary to protect the interests of members, including but not limited to—

(1) Suspending new enrollments under the contract;

(2) Advising enrollees of the asserted deficiencies; and

(3) Providing enrollees an opportunity to transfer to another Plan.

(c) OPM may, after proper notice, terminate the contract at the end of the contract term if it finds that the Carrier did not have at least 300 enrollees enrolled in its plan at any time during the two preceding contract terms.

(End of clause)

1652.249–71 FEHBP termination for convenience of the government—negotiated benefits contracts.

As prescribed in section 1649.101–71, the following clause shall be inserted in all FEHBP contracts.

FEHBP TERMINATION FOR CONVENIENCE OF THE GOVERNMENT—NEGOTIATED BENEFITS CONTRACTS (JAN 1998)

(a) The Government may terminate performance of work under this contract in whole or, from time to time, in part if the Contracting Officer determines that a termination is in the Government’s interest. The Contracting Officer shall terminate by delivering to the Carrier a Notice of Termination specifying the extent of terminating and the effective date.

(b) After receipt of a Notice of Termination, and except as directed by the Contracting Officer, the Carrier shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this clause:

(1) Stop work as specified in the notice.

(2) Place no further subcontracts except as necessary to complete the continued portion of the contract.

(3) Terminate all subcontracts to the extent they relate to the work terminated.

(4) Assign to the Government, as directed by the Contracting Officer, all right, title, and interest of the Carrier under the subcontracts terminated, in which case the Government shall have the right to settle or to pay any termination settlement proposal arising out of those terminations.

(5) With approval or ratification to the extent required by the Contracting Officer, settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts; the approval or ratification will be final for purposes of this clause.

(6) As directed by the Contracting Officer, deliver to the Government any data, reports, or studies that, if the contract had been completed, would be required to be furnished to the Government.

(7) Complete performance of the work not terminated.

(c) After termination, the Carrier shall submit a final termination settlement proposal to the Contracting Officer in the form and with the certification prescribed by the Contracting Officer. The Carrier shall submit the proposal promptly, but no later than 1 year from the effective date of termination, unless extended in writing by the Contracting Officer upon written request of the Carrier within this 1-year period. However, if the Contracting Officer determines that the facts justify it, a termination settlement proposal may be received and acted on after 1 year or any extension. If the Carrier fails to submit the proposal within the time allowed, the Contracting Officer may determine, on the basis of information available, the amount, if any, due the Carrier because of the termination and shall pay the amount determined.
(d) Subject to paragraph (c) of this clause, the Carrier and the Contracting Officer may agree upon the whole or any part of the amount to be paid or remaining to be paid because of the termination. The amount may include a reasonable allowance for profit on work done. However, the agreed amount, whether under this paragraph (d) or paragraph (e) of this clause, exclusive of costs shown in subparagraph (e)(3) of this clause, may not exceed the total contract price as reduced by (1) the amount of payments previously made and (2) the contract price of work not terminated. The contract shall be modified, and the Carrier paid the agreed amount. Paragraph (e) of this clause shall not limit, restrict, or affect the amount that may be agreed upon to be paid under this paragraph.

(e) If the Carrier and the Contracting Officer fail to agree on the whole amount to be paid because of the termination of work, the Contracting Officer shall pay the Carrier the amounts determined by the Contracting Officer as follows, but without duplication of any amounts agreed on under paragraph (d) above:

(1) The contract price for completed services accepted by the Government not previously paid for.

(2) The total of—

(i) The costs incurred in the performance of the work terminated, including initial costs and preparatory expense allocable thereto, but excluding any costs attributable to services paid or to be paid under paragraph (e)(1) of this clause;

(ii) The cost of settling and paying termination settlement proposals under terminated subcontracts that are properly chargeable to the terminated portion of the contract if not included in subdivision (e)(2)(i) of this clause; and

(iii) A sum, as profit on subdivision (e)(2)(i) of this clause, determined by the Contracting Officer under 49.202 of the Federal Acquisition Regulation, in effect on the date of this contract, to be fair and reasonable.

(3) The reasonable costs of settlement of the work terminated, including—

(i) Accounting, legal, clerical, and other expenses reasonably necessary for the preparation of termination settlement proposals and supporting data;

(ii) The termination and settlement of subcontracts (excluding the amounts of such settlements); and

(iii) The cost principles and procedures of part 31 of the Federal Acquisition Regulation, in effect on the date of this contract, shall govern all costs claimed, agreed to, or determined under this clause.

(f) The Carrier shall have the right of appeal, under the Disputes clause, from any determination made by the Contracting Officer under paragraph (c), (e), or (i) of this clause, except that if the Carrier failed to submit

the termination settlement proposal or request for equitable adjustment within the time provided in paragraph (c) or (i), respectively, and failed to request a time extension, there is no right of appeal.

(g) The Carrier shall have the right of appeal, under the Disputes clause, from any determination made by the Contracting Officer under paragraph (c), (e), or (i) of this clause, except that if the Carrier failed to submit

any request for equitable adjustment within the time provided in paragraph (c) or (i), respectively, and failed to request a time extension, there is no right of appeal.

(h) In arriving at the amount due the Carrier under this clause, there shall be deducted—

(1) All unliquidated advance or other payments to the Carrier under the terminated portion of this contract;

(2) Any claim which the Government has against the Carrier under this contract; and

(i) If the termination is partial, the Carrier may file a proposal with the Contracting Officer for an equitable adjustment of the price(s) of the continued portion of the contract. The Contracting Officer shall make any equitable adjustment agreed upon. Any proposal by the Carrier for an equitable adjustment under this clause shall be requested within 90 days from the effective date of termination unless extended in writing by the Contracting Officer.

(j) The Government may, under the terms and conditions it prescribes, make partial payments and payments against costs incurred by the Carrier for the terminated portion of the contract, if the Contracting Officer believes the total of these payments will not exceed the amount to which the Carrier will be entitled.

(k) Unless otherwise provided in this contract or by statute, the Carrier shall maintain all records and documents relating to the terminated portion of this contract for 3 years after final settlement. This includes all books and other evidence bearing on the Carrier’s costs and expenses under this contract. The Carrier shall make these records and documents available to the Government, at the Carrier’s office, at all reasonable times, without any direct charge. If approved by the Contracting Officer, photographs, microphotographs, or other authentic reproductions may be maintained instead of original records and documents.

(End of clause)

1652.249–72 FEHBP termination for default—negotiated benefits contracts.

As prescribed in §1649.101–72, the following clause shall be inserted in all FEHBP contracts.

FEHBP TERMINATION FOR DEFAULT—NEGOTIATED BENEFITS CONTRACTS (JAN 1998)

(a) (1) The Government may, subject to paragraphs (c) and (d) below, by written notice of default to the Carrier, terminate this contract in whole or in part if the Carrier fails to—
   (i) Perform the services within the time specified in this contract or any extension;
   (ii) Make progress, so as to endanger performance of this contract (but see subparagraph (a)(2) below); or
   (iii) Perform any of the other provisions of this contract (but see subparagraph (a)(2) below).

(2) The Government’s right to terminate this contract under subdivisions (1)(ii) and (1)(iii) above, may be exercised if the Carrier does not cure such failure within 10 days (or more if authorized in writing by the Contracting Officer) after receipt of the notice from the Contracting Officer specifying the failure.

(b) If the Government terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Contracting Officer considers appropriate, supplies or service similar to those terminated, and the Carrier will be liable to the Government for any excess costs for those supplies or services. However, the Carrier shall continue the work not terminated.

(c) Except for defaults of subcontractors at any tier, the Carrier shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the Carrier. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the Government in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance the failure to perform must be beyond the control and without the fault or negligence of the Carrier.

(d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the Carrier and subcontractor, and without the fault or negligence of either, the Carrier shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the Carrier to meet the required delivery schedule.

(e) If this contract is terminated for default, the Government may require the Carrier to transfer title and deliver to the Government, as directed by the Contracting Officer, any completed or partially completed information and contract rights that the Carrier has specifically produced or acquired for the terminated portion of this contract.

(f) If, after termination, it is determined that the Carrier was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Government.

(g) The rights and remedies of the Government in this clause are in addition to any other rights and remedies provided by law or under this contract.

(End of clause)

Subpart 1652.3—FEHBP Clause Matrix

1652.370 Use of the matrix.

(a) The matrix in this section lists the FAR and FEHBAR clauses to be used with contracts based on cost analysis and contracts based on a combination of cost and price analysis. Carriers shall submit initial applications and requests for renewals on the basis that the new contract or contract renewal will include the clauses indicated.

(b) Certain contract clauses are mandatory for FEHBP contracts. Other clauses are to be used only when made applicable by pertinent sections of the FAR or FEHBAR. An “M” in the “Use Status” column indicates that the clause is mandatory. An “A” indicates that the clause is to be used only when the applicable conditions are met.

(c) Clauses are incorporated in the contract either in full text or by reference. If the full text is to be used, the matrix indicates a “T”. If the clause is incorporated by reference, the matrix indicates an “R”.

PART 1733—PROTESTS, DISPUTES, AND APPEALS

Subpart 1733.2—Disputes and Appeals

Sec.

1733.203 Applicability.

1733.203–70 Designation of the Interior Board of Contract Appeals to decide OPM appeals.

1733.209 Suspected fraudulent claims.

1733.211 Contracting officer’s decision.

1733.212 Contracting officer’s duties upon appeal.

1733.214 Contract clause.

AUTHORITY: 40 U.S.C. 486(c); 48 CFR 1.301.

SOURCE: 51 FR 44296, Dec. 9, 1986, unless otherwise noted.

Subpart 1733.2—Disputes and Appeals

1733.209 Suspected fraudulent claims.

If the contractor is unable to support any part of the claim and there is evidence that the inability is attributable to misrepresentation of fact or to fraud on the part of the contractor, the contracting officer shall refer the matter through the head of the contracting activity to OPM’s Offices of the Inspector General and the General Counsel.

1733.211 Contracting officer’s decision.

The written decision required by FAR 33.211(a)(4) shall include, in the paragraph listed under FAR 33.211(a)(4)(v), specific reference to the Interior Board of Contract Appeals, 801 North Quincy Street, Arlington, VA 22203, and its procedures under 43 CFR part 4. The IBCA optional small claims (expedited) procedures and accelerated procedures under 43 CFR 4.113 shall also be referenced as required by the FAR.

1733.212 Contracting officer’s duties upon appeal.

(a) When a notice of appeal has been received, the contracting officer shall endorse on the appeal the date of mailing (or the date of receipt if the notice was not mailed) and forward it to IBCA by certified mail within 5 days of receipt. OPM’s Office of the General Counsel and the Department of the Interior’s (DOI) Office of the Solicitor shall also be notified of the appeal by the contracting officer. 43 CFR 4.103.

(b) The contracting officer shall prepare and transmit the documentation and information required by 43 CFR 4.104 in the form of an appeal file to IBCA. OPM’s Office of the General Counsel, DOI’s Office of the Solicitor, and appellant or appellant’s counsel within 30 days after receipt of a notice of appeal or advice that an appeal has been docketed by IBCA.

1733.214 Contract clause.

The Disputes clause contained in FAR 52.233–1 shall be used with its Alternate I in all OPM solicitations and contracts.

SUBCHAPTER A—GENERAL

PART 1800 [RESERVED]

PART 1801—FEDERAL ACQUISITION REGULATIONS SYSTEM

Sec. 1801.000 Scope of part.

Subpart 1801.1—Purpose, Authority, Issuance

1801.103 Authority. (NASA supplements paragraph (a))

(a) Under the following authorities, the Administrator has delegated to the Assistant Administrator for Procurement authority to prepare, issue, and maintain the NFS:

(i) The National Aeronautics and Space Act of 1958 (Public Law 85-568; 42 U.S.C. 2451 et seq.).

(ii) 10 U.S.C. chapter 137.

(iii) Other statutory authority.

(iv) FAR subpart 1.3.

1801.104 Applicability.

The NFS applies to all acquisitions as defined in FAR part 2 except those expressly excluded by the FAR or this chapter.

1801.105 Issuance.

1801.105–1 Publication and code arrangement.

(b)(i) The NFS is an integrated document that contains both acquisition regulations that require public comment and internal Agency guidance and procedures that do not require public comment. NASA personnel must comply with all regulatory and internal guidance and procedures contained in the NFS.

(ii) NFS regulations that require public comment are issued as chapter 18 of title 48, CFR.

(iii) The single official NASA-maintained version of the NFS is on the Internet (http://www.hq.nasa.gov/office/procurement/regs/nfstoc.htm).

[69 FR 21762, Apr. 22, 2004]

1801.105–2 Arrangement of regulations. (NASA supplements paragraph (b))

(b)(1)(A) Numbering of NFS text implementing the FAR shall be the same as that of the related FAR text, except when the NFS coverage exceeds one paragraph. In such case the NFS text is numbered by skipping a unit in the FAR 1.105–2(b)(1) prescribed numbering sequence. For example, two paragraphs implementing FAR 1.105–2(b)(1) are numbered 1801.105–2(b)(1) (A) and (B), rather than (1) (i) and (ii). Further subdivision of the NFS implementing paragraphs would follow the prescribed sequence in FAR 1.105(b)(2).

(B) NFS text that supplements the FAR is numbered the same as its FAR counterpart with the addition of a number 70 and up. For example, NFS supplement of FAR subsection 1.105 is numbered 1801.105–370. Supplemental text exceeding one paragraph is numbered using the FAR 1.105–2(b)(2) prescribed numbering sequence without skipping a unit.

(2) Subdivision numbering below the fourth level repeats the numbering sequence using italicized letters and numbers.
1801.106 OMB approval under the Paperwork Reduction Act.

(1) NFS requirements. The following OMB control numbers apply:

1802.000 Scope of part.

Commonly used words and terms are defined in FAR subpart 2.1. This part 1802 gives NASA-specific meanings for some of these words and terms and defines other words and terms commonly used in the NASA acquisition process.

Subpart 1802.1—Definitions

1802.101 Definitions.

Administrator means the Administrator or Deputy Administrator of NASA.

Contracting activity in NASA includes the NASA Headquarters installation, the NASA Shared Services Center, and the following field installations: Ames Research Center, Dryden Flight Research Center, Glenn Research Center at Lewis Field, Goddard Space Flight Center, Johnson Space Center, Kennedy Space Center, Langley Research Center, Marshall Space Flight Center and Stennis Space Center. A major program that may have contracts at multiple field centers may also be considered a “contracting activity.”

Subpart 1803.1—Safeguards

1803.104 Procurement integrity.

1803.104–1 Definitions.

Agency ethics official means for Headquarters, the General Counsel and the Associate General Counsel for General Law, and for each center, the Chief Counsel.

Subpart 1803.9—Contractor Employee Whistleblower Protections

Source: 79 FR 43959, July 29, 2014, unless otherwise noted.

1803.900 Scope of subpart.

This subpart applies to NASA instead of FAR subpart 3.9.

(b) This subpart does not apply to any element of the intelligence community, as defined in 50 U.S.C. 3003(4).

This subpart does not apply to any disclosure made by an employee of a contractor or subcontractor of an element of the intelligence community if such disclosure—

(1) Relates to an activity or an element of the intelligence community or contract services provided to an element of the intelligence community.

1803.901 Definition.

Abuse of authority, as used in this subpart, means an arbitrary and capricious exercise of authority that is inconsistent with the mission of NASA or the successful performance of a NASA contract.

1803.903 Policy.

(a) Policy. 10 U.S.C. 2409 prohibits contractors or subcontractors from discharging, demoting, or otherwise discriminating against an employee as a reprisal for disclosing, to any of the entities listed at paragraph (b) of this section, information that the employee reasonably believes is evidence of gross mismanagement of a NASA contract, a gross waste of NASA funds, an abuse of authority relating to a NASA contract, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a NASA contract (including the competition for or negotiation of a contract). Such reprisal is prohibited even if it is undertaken at the request of an executive branch official, unless the request takes the form of a non-discretionary directive and is within the authority of the executive branch official making the request.

(b) Entities to whom disclosure may be made:

(1) A Member of Congress or a representative of a committee of Congress.

(2) The NASA Inspector General or any other Inspector General that has oversight over contracts awarded by or on behalf of NASA.

(4) A NASA employee responsible for contract oversight or management.

(5) An authorized official of the Department of Justice or other law enforcement agency.

(6) A court or grand jury.

(7) A management official or other employee of the contractor or subcontractor who has the responsibility to investigate, discover, or address misconduct.

(c) Disclosure clarified. An employee who initiates or provides evidence of contractor or subcontractor misconduct in any judicial or administrative proceeding relating to waste, fraud, or abuse on a NASA contract shall be deemed to have made a disclosure.
1803.904 Procedures for filing complaints.

(a) Any employee of a contractor or subcontractor who believes that he or she has been discharged, demoted, or otherwise discriminated against contrary to the policy in 1803.903 may file a complaint with the Inspector General of NASA.

(b) A complaint may not be brought under this section more than three years after the date on which the alleged reprisal took place.

(c) The complaint shall be signed and shall contain—
   (1) The name of the contractor;
   (2) The contract number, if known; if not known, a description reasonably sufficient to identify the contract(s) involved;
   (3) The violation of law, rule, or regulation giving rise to the disclosure;
   (4) The nature of the disclosure giving rise to the discriminatory act, including the party to whom the information was disclosed; and
   (5) The specific nature and date of the reprisal.

1803.905 Procedures for investigating complaints.

(a) Unless the NASA Inspector General makes a determination that the complaint is frivolous, fails to allege a violation of the prohibition in 1803.903, or has been previously addressed in another Federal or State judicial or administrative proceeding initiated by the complainant, the NASA Inspector General will investigate the complaint.

(b) If the NASA Inspector General determines that a complaint merits further investigation, the NASA Inspector General will—
   (1) Notify the complainant, the contractor alleged to have committed the violation, and the head of the Agency;
   (2) Conduct an investigation; and
   (3) Provide a written report of findings to the complainant, the contractor alleged to have committed the violation, and the head of the Agency.

(c) The NASA Inspector General—
   (1) Will determine that the complaint is frivolous or will submit the report addressed in paragraph (b) of this section within 180 days after receiving the complaint; and
   (2) If unable to submit a report within 180 days, will submit the report within the additional time period, up to 180 days, to which the person submitting the complaint agrees.

(d) The NASA Inspector General may not respond to any inquiry or disclose any information from or about any person alleging the reprisal, except to the extent that such response or disclosure is—
   (1) Made with the consent of the person alleging reprisal;
   (2) Made in accordance with 5 U.S.C. 552a (the Freedom of Information Act) or as required by any other applicable Federal law; or
   (3) Necessary to conduct an investigation of the alleged reprisal.

(e) The legal burden of proof specified at paragraph (e) of 5 U.S.C. 1221 (Individual Right of Action in Certain Reprisal Cases) shall be controlling for the purposes of an investigation conducted by the NASA Inspector General, decision by the head of the Agency, or judicial or administrative proceeding to determine whether prohibited discrimination has occurred.

1803.906 Remedies.

(a) Not later than 30 days after receiving a NASA Inspector General report in accordance with 1803.905, the head of the Agency shall determine whether sufficient basis exists to conclude that the contractor has subjected the complainant to a reprisal as prohibited by 1803.903 and shall either issue an order denying relief or shall take one or more of the following actions:
   (1) Order the contractor to take affirmative action to abate the reprisal.
   (2) Order the contractor to reinstate the person to the position that the person held before the reprisal, together with compensatory damages (including back pay), employment benefits, and other terms and conditions of employment that would apply to the person in that position if the reprisal had not been taken.
(3) Order the contractor to pay the complainant an amount equal to the aggregate amount of all costs and expenses (including attorneys’ fees and expert witnesses’ fees) that were reasonably incurred by the complainant for, or in connection with, bringing the complaint regarding the reprisal, as determined by the head of the Agency.

(b) If the head of the Agency issues an order denying relief or has not issued an order within 210 days after the submission of the complaint or within 30 days after the expiration of an extension of time granted in accordance with 1803.905(3)(ii), and there is no showing that such delay is due to the bad faith of the complainant—

(1) The complainant shall be deemed to have exhausted all administrative remedies with respect to the complaint; and

(2) The complainant may bring a de novo action at law or equity against the contractor to seek compensatory damages and other relief available under 10 U.S.C. 2409 in the appropriate district court of the United States, which shall have jurisdiction over such an action without regard to the amount in controversy. Such an action shall, at the request of either party to the action, be tried by the court with a jury. An action under this authority may not be brought more than two years after the date on which remedies are deemed to have been exhausted.

(c) Whenever a contractor fails to comply with an order issued by the head of agency in accordance with 10 U.S.C. 2409, the head of the Agency or designee shall request the Department of Justice to file an action for enforcement of such order in the United States district court for a district in which the reprisal was found to have occurred. In any action brought under this paragraph, the court may grant appropriate relief, including injunctive relief, compensatory and exemplary damages, and reasonable attorney fees and costs. The person upon whose behalf an order was issued may also file such an action or join in an action filed by the head of the agency.

(d) Any person adversely affected or aggrieved by an order issued by the head of the Agency in accordance with 10 U.S.C. 2409 may obtain judicial review of the order’s conformance with the law, and the implementing regulation, in the United States Court of Appeals for a circuit in which the reprisal is alleged in the order to have occurred. No petition seeking such review may be filed more than 60 days after issuance of the order by the head of the agency or designee. Review shall conform to chapter 7 of title 5, United States Code. Filing such an appeal shall not act to stay the enforcement of the order by the head of an agency, unless a stay is specifically entered by the court.

(e) The rights and remedies provided for in this subpart may not be waived by any agreement, policy, form, or condition of employment.

1803.907 Classified information.

Nothing in this subpart provides any rights to disclose classified information not otherwise provided by law.

1803.970 Contract clause.

Use the clause at 1852.203–71, Requirement to Inform Employees of Whistleblower Rights, in all solicitations and contracts.

Subpart 1803.70—IG Hotline Posters

1803.7000 Policy.

NASA requires contractors to display NASA hotline posters prepared by the NASA Office of Inspector General on those contracts specified in 1803.7001, so that employees of the contractor having knowledge of waste, fraud, or abuse, can readily identify a means to contact NASA’s IG.

[66 FR 29727, June 1, 2001]

1803.7001 Contract clause.

Contracting officers must insert the clause at 1852.203–70, Display of Inspector General Hotline Posters, in solicitations and contracts expected to exceed $5,000,000 and performed at contractor facilities in the United States.

[66 FR 29727, June 1, 2001]
PART 1804—ADMINISTRATIVE MATTERS

Subpart 1804.1—Contract Executive

Sec. 1804.170 Contract effective date.

Subpart 1804.4—Safeguarding Classified Information Within Industry

1804.404–70 Contract clause.

1804.470 Security requirements for unclassified information technology (IT) resources.

(a) Scope.

This section implements NASA’s acquisition requirements pertaining to Federal policies for the security of unclassified information and information systems. Federal policies include the Federal Information System Management Act (FISMA) of 2002, Homeland Security Presidential Directive (HSPD) 12, Clinger-Cohen Act of 1996 (40 U.S.C. 1401 et seq.), OMB Circular A-130, Management of Federal Information Resources, and the National Institute of Standards and Technology (NIST) security requirements and standards. These requirements safeguard IT services provided to NASA such as the management, operation, maintenance, development, and administration of hardware, software, firmware, computer systems, networks, and telecommunications systems.

[72 FR 26561, May 10, 2007]

1804.470–2 Policy.

NASA IT security policies and procedures for unclassified information and IT are prescribed in NASA Policy Directive (NPD) 2810, Security of Information Technology; NASA Procedural Requirements (NPR) 2810, Security of Information Technology; and interim policy updates in the form of NASA Information Technology Requirements (NITR). IT services must be performed in accordance with these policies and procedures.

[72 FR 26561, May 10, 2007]

1804.470–3 IT security requirements.

(a) These IT security requirements cover all NASA awards in which IT plays a role in the provisioning of services or products (e.g., research and development, engineering, manufacturing, IT outsourcing, human resources, and finance) that support NASA in meeting its institutional and mission objectives. These requirements are applicable when a contractor or subcontractor must obtain physical or electronic access beyond that granted the general public to NASA’s computer
systems, networks, or IT infrastructure. These requirements are applicable when NASA information is generated, stored, processed, or exchanged with NASA or on behalf of NASA by a contractor or subcontractor, regardless of whether the information resides on a NASA or a contractor/subcontractor’s information system.

[76 FR 4080, Jan. 24, 2011]

1804.470–4 Contract clause.

(a) Insert the clause at 1852.204–76, Security Requirements for Unclassified Information Technology Resources, in all solicitations and awards when contract performance requires contractors to—

(1) Have physical or electronic access to NASA’s computer systems, networks, or IT infrastructure; or

(2) Use information systems to generate, store, process, or exchange data with NASA or on behalf of NASA, regardless of whether the data resides on a NASA or a contractor’s information system.

(b) Parts of the clause and referenced ADL may be waived by the contracting officer if the contractor’s ongoing IT security program meets or exceeds the requirements of NASA Procedural Requirements (NPR) 2810.1 in effect at time of award. The current version of NPR 2810.1 is referenced in the ADL. The contractor shall submit a written waiver request to the Contracting Officer within 30 days of award. The waiver request will be reviewed by the Center IT Security Manager. If approved, the Contractor Officer will notify the contractor, by contract modification, which parts of the clause or provisions of the ADL are waived.

SUBCHAPTER B—COMPETITION AND ACQUISITION PLANNING

PART 1805—PUBLICIZING CONTRACT ACTIONS

Subpart 1805.3—Synopses of Contract Awards

Sec. 1805.303 Announcement of contract awards.

AUTHORITY: 51 U.S.C. 20113(a) and 48 CFR chapter 1.

SOURCE: 61 FR 40543, Aug. 5, 1996, unless otherwise noted.

Subpart 1805.3—Synopses of Contract Awards

1805.303 Announcement of contract awards.

(a)(i) In lieu of the threshold cited in FAR 5.303(a), a NASA Headquarters public announcement is required for award of contract actions that have a total anticipated value, including unexercised options, of $5 million or greater.

PART 1806—COMPETITION REQUIREMENTS

Subpart 1806.2—Full and Open Competition After Exclusion of Sources

1806.202 Establishing or maintaining alternative sources. (NASA supplements paragraphs (a) and (b)).

AUTHORITY: 51 U.S.C. 20113(a) and 48 CFR chapter 1.

SOURCE: 61 FR 40545, Aug. 5, 1996, unless otherwise noted.

Subpart 1806.2—Full and Open Competition After Exclusion of Sources

1806.202 Establishing or maintaining alternative sources. (NASA supplements paragraphs (a) and (b)).

(a) The authority of FAR 6.202 is to be used to totally or partially exclude a particular source.

PART 1807—ACQUISITION PLANNING

Subpart 1807.72—Acquisition Forecasting

Sec. 1807.7200 Policy.

1807.7201 Definitions.

AUTHORITY: 51 U.S.C. 20113(a) and 48 CFR chapter 1.

SOURCE: 61 FR 47068, Sept. 6, 1996, unless otherwise noted.

Subpart 1807.72—Acquisition Forecasting

1807.7200 Policy.

(a) As required by the Business Opportunity Development Reform Act of 1988, it is NASA policy to—

(1) Prepare an annual forecast and semiannual update of expected contract opportunities or classes of contract opportunities for each fiscal year;

(2) Include in the forecast contract opportunities that small business concerns, including those owned and controlled by socially and economically disadvantaged individuals, may be capable of performing; and

(3) Make available such forecasts to the public.

(b) The annual forecast and semiannual update are available on the NASA Acquisition Internet Service (http://www.hq.nasa.gov/office/procurement/forecast/index.html).

1807.7201 Definitions.

Class of contracts means a grouping of acquisitions, either by dollar value or by the nature of supplies and services to be acquired.

Contract opportunity means planned new contract awards exceeding the simplified acquisition threshold (SAT).
PART 1808—REQUIRED SOURCES OF SUPPLIES AND SERVICES

AUTHORITY: 51 U.S.C. 20113(a) and 48 CFR chapter 1.

Source: 61 FR 47073, Sept. 6, 1996, unless otherwise noted.

Subpart 1808.8—Acquisition of Printing and Related Supplies

1808.870 Contract clause.

The contracting officer shall insert the clause at 1852.208–81, Restrictions on Printing and Duplicating, in solicitations and contracts where there is a requirement for any printing, and/or any duplicating/copying in excess of that described in paragraph (c) of the clause.

PART 1809—CONTRACTOR QUALIFICATIONS

Subpart 1809.1—Responsible Prospective Contractors

Sec.
1809.104 Subcontractor responsibility.
1809.105 Determinations and documentation.

Subpart 1809.2—Qualifications Requirements

1809.206 Acquisitions subject to qualification requirements.
1809.206-1 General.

Subpart 1809.4—Debarment, Suspension, and Ineligibility

1809.403 Definitions.

Subpart 1809.5—Organizational and Consultant Conflicts of Interest

1809.505 Obtaining access to sensitive information.
1809.507 Solicitation provisions and contract clause.
1809.507-2 Contract clause.

AUTHORITY: 51 U.S.C. 20113(a) and 48 CFR chapter 1.

Source: 61 FR 47075, Sept. 6, 1996, unless otherwise noted.

Subpart 1809.1—Responsible Prospective Contractors

1809.104–4 Subcontractor responsibility.

Generally, the Canadian Commercial Corporation’s (CCC) proposal of a firm as its subcontractor is sufficient basis for an affirmative determination of responsibility. However, when the CCC determination of responsibility is not consistent with other information available to the contracting office, the contracting officer shall request from the CCC and any other sources whatever information is necessary to make the responsibility determination.

Upon request, CCC shall be furnished the rationale for any subsequent determination of nonresponsibility.

1809.105–2 Determinations and documentation.

(a) The contracting officer shall provide written notification to a prospective contractor determined not responsible, which includes the basis for the determination. Notification provides the prospective contractor with the opportunity to take corrective action prior to future solicitations.

[76 FR 72328, Nov. 23, 2011]

Subpart 1809.2—Qualification requirements

1809.206 Acquisitions subject to qualification requirements.
1809.206-1 General. (NASA supplements paragraph (b) and (c))

(c) If an offeror seeks to demonstrate its capability, both the product and the producer must meet the established standards.

Subpart 1809.4—Debarment, Suspension, and Ineligibility

1809.403 Definitions.

For purposes of FAR subpart 9.4 and this subpart, the Deputy General Counsel is the “debarring official,” the
“suspending official,” and the agency head’s “designee.”

[81 FR 12420, Mar. 9, 2016]

Subpart 1809.5—Organizational and Consultant Conflicts of Interest

1809.505–4 Obtaining access to sensitive information.

(b) In accordance with FAR 9.503, the Assistant Administrator for Procurement has determined that it would not be in the Government’s interests for NASA to comply strictly with FAR 9.505–4(b) when acquiring services to support management activities and administrative functions. The Assistant Administrator for Procurement has, therefore, waived the requirement that before gaining access to other companies’ proprietary or sensitive (see 1837.203–70) information contractors must enter specific agreements with each of those other companies to protect their information from unauthorized use or disclosure. Accordingly, NASA will not require contractors and subcontractors and their employees in procurements that support management activities and administrative functions to enter into separate, interrelated third party agreements to protect sensitive information from unauthorized use or disclosure. As an alternative to numerous, separate third party agreements, 1837.203–70 prescribes detailed policy and procedures to protect contractors from unauthorized use or disclosure of their sensitive information. Nothing in this section waives the requirements of FAR 37.204 and 1837.204.

[70 FR 35554, June 21, 2005]

1809.507 Solicitation provisions and contract clause.

1809.507–2 Contract clause.

The contracting officer may insert a clause substantially the same as the clause at 1852.209–71, Limitation of Future Contracting, in solicitations and contracts.

48 CFR Ch. 18 (10–1–16 Edition)

PART 1811—DESCRIBING AGENCY NEEDS

Authority: 51 U.S.C. 20113(a) and 48 CFR chapter 1.

Subpart 1811.4—Delivery or Performance Schedules

1811.404–70 NASA contract clauses.

The clause at 1852.211–70, Packaging, Handling, and Transportation, must be included in solicitations and contracts for deliverable items, including software, designated as Class I (mission essential), Class II (delicate or sensitive), or Class III (requires special handling or monitoring).

PART 1812—ACQUISITION OF COMMERCIAL ITEMS

Subpart 1812.3—Solicitation Provisions and Contract Clauses for the Acquisition of Commercial Items

Sec. 1812.301 Solicitation provisions and contract clauses for the acquisition of commercial items.

Subpart 1812.3—Solicitation Provisions and Contract Clauses for the Acquisition of Commercial Items

1812.301 Solicitation provisions and contract clauses for the acquisition of commercial items.

(f)(i) The following clauses are authorized for use in acquisitions of commercial items when required by the clause prescription:

(A) 1852.204–75, Security Classification Requirements.
(B) 1852.204–76, Security Requirements for Unclassified Information Technology Resources.
(C) 1852.215–84, Ombudsman.
(D) 1852.216–80, Task Order Procedures (Alternate I).
(E) 1852.216–86, Performance Incentive.
(F) 1852.219–73, Small Business Subcontracting Plan.
(G) 1852.219–75, Individual subcontracting Reports.
(H) 1852.223–70, Safety and Health.
(J) 1852.223–72, Safety and Health (Short Form).
(K) 1852.223–73, Safety and Health Plan.
(L) 1852.223–75, Major Breach of Safety and Security (Alternate I).
(M) 1852.225–70, Export Licenses.
(N) 1852.228–76, Cross-Waiver of Liability for International Space Station Activities.
(O) 1852.228–78, Cross-Waiver of Liability for Science or Space Exploration Activities Unrelated to the International Space Station.
(P) 1852.237–70, Emergency Evacuation Procedures.
(Q) 1852.237–72, Access to Sensitive Information.
(R) 1852.237–73, Release of Sensitive Information.
(S) 1852.246–72, Material Inspection and Receiving Report.
(T) 1852.247.71, Protection of the Florida Manatee.

[80 FR 36720, June 26, 2015, as amended at 81 FR 10520, Mar. 1, 2016]

**Subpart 1812.70—Commercial Space Hardware or Services**

1812.7000 Anchor tenancy contracts.

(a) The term “anchor tenancy” means an arrangement in which the United States Government agrees to procure sufficient quantities of a commercial space product or service needed to meet Government mission requirements so that a commercial venture is made viable.

(b) Subject to receiving an appropriation that:

(1) Authorizes a multi-year anchor tenancy contract; and

(2) Specifies the commercial space product or service to be developed or used, NASA may enter into a multi-year anchor tenancy contract only if Administrator determines—

(i) The good or service meets the mission requirements of the National Aeronautics and Space Administration;

(ii) The commercially procured good or service is cost effective;

(iii) The good or service is procured through a competitive process;

(iv) Existing or potential customers for the good or service other than the United States Government have been specifically identified;

(v) The long-term viability of the venture is not dependent upon a continued Government market or other nonreimbursable Government support; and

(vi) Private capital is at risk in the venture.

(c) Contracts entered into under such authority may provide for the payment of termination liability in the event that the Government terminates such contracts for its convenience.

(1) Contracts that provide for this payment of termination liability shall include a fixed schedule of such termination liability payments. Liability under such contracts shall not exceed the total payments which the Government would have made after the date of termination to purchase the good or service if the contract were not terminated.

(2) Subject to appropriations, funds available for such termination liability payments may be used for purchase of the good or service upon successful delivery of the good or service pursuant to the contract. In such case, sufficient funds shall remain available to cover any remaining termination liability.

(d) Limitations.

(1) Contracts entered into under such authority shall not exceed 10 years in duration.

(2) Such contracts shall provide for delivery of the good or service on a firm, fixed price basis.

(3) To the extent practicable, reasonable performance specifications shall be used to define technical requirements in such contracts.
(4) In any such contract, the Administrator shall reserve the right to completely or partially terminate the contract without payment of such termination liability because of the contractor’s actual or anticipated failure to perform its contractual obligations.

1813.003 Policy. (NASA supplements paragraph (g))

(g) Acquisitions under these simplified acquisition procedures shall be fixed-price, except as provided under the unpriced purchase order method in FAR 13.302–2.

Subpart 1813.3—Simplified Acquisition Methods

1813.302–570 NASA solicitation provisions.

(a)(1) The contracting officer may use the provision at 1852.213–70, Offeror Representations and Certifications—Other Than Commercial Items, in simplified acquisitions exceeding the micro-purchase threshold that are for other than commercial items. This provision shall not be used for acquisition of commercial items as defined in FAR 2.101.

(2) This provision provides a single, consolidated list of certifications and representations for the acquisition of other than commercial items using simplified acquisition procedures and is attached to the solicitation for offerors to complete and return with their offer.

(i) Use the provision with its Alternate I in solicitations for acquisitions that are for, or specify the use of recovered materials (see FAR 23.4).

(ii) Use the provision with its Alternate II in solicitations for the acquisition of research, studies, supplies, or services of the type normally acquired from higher education institutions (see FAR 26.3).

(iii) Use the provision with its Alternate III in solicitation which include the clause at FAR 52.227–14, Rights in Data—General (see FAR 27.404(d)(2) and 1827.404(d)).

(b) The contracting officer may insert a provision substantially the same as the provision at 1852.213–71, Evaluation—Other Than Commercial Items, in solicitations using simplified acquisition procedures for other than commercial items when a trade-off source selection process will be used, that is, factors in addition to technical acceptability and price will be considered. (See FAR 13.106.)

1814.201–6 Solicitation provisions.

1814.201–670 NASA solicitation provisions.

(a) The contracting officer shall insert the provision at 1852.214–70, Caution to Offerors furnishing Descriptive Literature, in invitations for bids. See FAR 52.214–21, Descriptive Literature.

(b) The contracting officer shall insert the provision at 1852.214–71, Grouping for Aggregate Award, in invitations for bids, except for construction, when
1814.302

It is in the Government’s best interest not to make award for less than specified quantities solicited for certain items or groupings of certain items. Insert the item numbers and/or descriptions applicable for the particular procurement.

(c) The contracting officer shall insert the provision at 1852.214–72, Full Quantities, in invitations for bids, except for construction, when it is in the Government’s best interest not to make award for less than the full quantities solicited.

(d) If a pre-bid conference is planned, the contracting officer shall insert the provision at 1852.215–77, Preproposal/Pre-bid Conference. See 1815.209–70(a).

Subpart 1814.3—Submission of Bids

1814.302 Bid submission. (NASA supplements paragraph (b))

(b) NASA contracting officers shall not consider telegraphic bids communicated by the telephone.

Subpart 1815.2—Solicitation and Receipt of Proposals and Information

1815.203–72 Risk management.

In all RFPs and RFOs for supplies or services for which a technical proposal is required, proposal instructions shall require offerors to identify and discuss risk factors and issues throughout the proposal where they are relevant, and describe their approach to managing these risks.

[65 FR 70316, Nov. 22, 2000]

1815.207 Handling proposals and information.

Subpart 1815.70—Release of proposal information.

(a) NASA personnel participating in any way in the evaluation may not reveal any information concerning the
evaluation to anyone not also participating, and then only to the extent that the information is required in connection with the evaluation. When non-NASA personnel participate, they shall be instructed to observe these restrictions.

(b)(1) Except as provided in paragraph (b)(2) of this section, the procurement officer is the approval authority to disclose proposal information outside the Government. If outside evaluators are involved, this authorization may be granted only after compliance with FAR 37.2 and 1837.204, except that the determination of unavailability of Government personnel required by FAR 37.2 is not required for disclosure of proposal information to JPL employees.

(2) Proposal information in the following classes of proposals may be disclosed with the prior written approval of a NASA official one level above the NASA program official responsible for the overall conduct of the evaluation. If outside evaluators are involved, the determination of unavailability of Government personnel required by FAR 37.2 is not required for disclosure in these instances:

(i) Proposals submitted in response to broad agency announcements such as Announcements of Opportunity and NASA Research Announcements;
(ii) Unsolicited proposals; and
(iii) SBIR and STTR proposals.

(3) If JPL personnel, in evaluating proposal information released to them by NASA, require assistance from non-JPL, non-Government evaluators, JPL must obtain written approval to release the information in accordance with paragraphs (b)(1) and (b)(2) of this section.

[63 FR 9954, Feb. 27, 1998, as amended at 63 FR 44408, Aug. 19, 1998]

1815.207–71 Appointing non-Government evaluators as special Government employees.

(a) Except as provided in paragraph (c) of this section, non-Government evaluators, except employees of JPL, shall be appointed as special Government employees.

(b) Appointment as a special Government employee is a separate action from the approval required by paragraph 1815.207–70(b) and may be processed concurrently. Appointment as a special Government employee shall be made by:

(1) The NASA Headquarters personnel office when the release of proposal information is to be made by a NASA Headquarters office; or
(2) The installation personnel office when the release of proposal information is to be made by the installation.

(c) Non-Government evaluators need not be appointed as special Government employees when they evaluate:

(1) Proposals submitted in response to broad agency announcements such as Announcements of Opportunity and NASA Research Announcements;
(2) Unsolicited proposals; and
(3) SBIR and STTR proposals.

[63 FR 9954, Feb. 27, 1998, as amended at 63 FR 44408, Aug. 19, 1998]

1815.208 Submission, modification, revision, and withdrawal of proposals. (NASA supplements paragraph (b))

(b) The FAR late proposal criteria do not apply to Announcements of Opportunity, NASA Research Announcements, and Small Business Innovative Research (SBIR) Phase I and Phase II solicitations, and Small Business Technology Transfer (STTR) solicitations. For these solicitations, proposals or proposal modifications received from qualified firms after the latest date specified for receipt may be considered if a significant reduction in cost to the Government is probable or if there are significant technical advantages, as compared with proposals previously received. In such cases, the project office shall investigate the circumstances surrounding the late submission, evaluate its content, and submit written recommendations and findings to the selection official or a designee as to whether there is an advantage to the Government in considering it. The selection official or a designee shall determine whether to consider the late submission.

1815.209 Solicitation provisions and contract clauses. (NASA supplements paragraph (a))

(a) The contracting officer shall insert FAR 52.215-1 in all competitive negotiated solicitations.

1815.209-70 NASA solicitation provisions.

(a) The contracting officer shall insert the provision at FAR 52.215-77, Preproposal/Pre-bid Conference, in competitive requests for proposals and invitations for bids where the Government intends to conduct a preproposal or pre-bid conference. Insert the appropriate specific information relating to the conference.

(b) When it is not in the Government’s best interest to make award for less than the specified quantities solicited for certain items or groupings of items, the contracting officer shall insert the provision at FAR 52.214-71, Grouping for Aggregate Award. See 1814.201-670(b).

(c) When award will be made only on the full quantities solicited, the contracting officer shall insert the provision at FAR 52.214-72, Full Quantities. See 1814.201-670(c).

(d) The contracting officer shall insert the provision at FAR 52.215-81, Proposal Page Limitations, in all competitive requests for proposals.

[63 FR 9954, Feb. 27, 1998, as amended at 67 FR 50824, Aug. 6, 2002]

1815.305-70 Identification of unacceptable proposals.

(a) The contracting officer shall not complete the initial evaluation of any proposal when it is determined that the proposal is unacceptable because:

(1) It does not represent a reasonable initial effort to address the essential requirements of the RFP or clearly demonstrates that the offeror does not understand the requirements;

(2) In research and development acquisitions, a substantial design drawback is evident in the proposal, and sufficient correction or improvement to consider the proposal acceptable would require virtually an entirely new technical proposal; or

(3) It contains major efficiencies or omissions or out-of-line costs which discussions with the offeror could not reasonably be expected to cure.

(b) The contracting officer shall document the rationale for discontinuing the initial evaluation of a proposal in accordance with this section.

[63 FR 9954, Feb. 27, 1998, as amended at 63 FR 44408, Aug. 19, 1998]

1815.306 Exchanges with offerors after receipt of proposals. (NASA supplements paragraphs (c), (d), and (e))

(c)(2) A total of no more than three proposals shall be a working goal in establishing the competitive range. Field installations may establish procedures for approval of competitive range determinations commensurate with the complexity or dollar value of an acquisition.

(e)(1) In no case shall the contacting officer relax or amend RFP requirements for any offeror without amending the RFP and permitting the other offerors an opportunity to propose against the relaxed requirements.

Subpart 1815.4—Contract Pricing

1815.403 Obtaining certified cost or pricing data.

1815.403–170 Waivers of certified cost or pricing data.

(a) NASA has waived the requirement for the submission of certified cost or pricing data when contracting with the Canadian Commercial Corporation (CCC). This waiver applies to the CCC and its subcontractors. The CCC will provide assurance of the fairness and reasonableness of the proposed price. This assurance should be relied on; however, contracting officers shall ensure that the appropriate level of data other than certified cost or pricing data is submitted by subcontractors to support any required proposal analysis, including a technical analysis and a cost realism analysis. The CCC also will provide for follow-up audit activity to ensure that any excess profits are found and refunded to NASA.
(b) NASA has waived the requirement for the submission of certified cost or pricing data when contracting for Small Business Innovation Research (SBIR) program Phase II contracts. However, contracting officers shall ensure that the appropriate level of data other than certified cost or pricing data is submitted to determine price reasonableness and cost realism.

(80 FR 12936, Mar. 12, 2015)

Subpart 1815.5—Preaward, Award, and Postaward Notifications, Protests, and Mistakes

1815.504 Award to successful offeror.

The reference to notice of award in FAR 15.504 on negotiated acquisitions is a generic one. It relates only to the formal establishment of a contractual document obligating both the Government and the offeror. The notice is effected by the transmittal of a fully approved and executed definitive contract document, such as the award portion of SF 33, SF 26, SF 1449, or SF 1447, or a letter contract when a definitized contract instrument is not available but the urgency of the requirement necessitates immediate performance. In this latter instance, the procedures for approval and issuance of letter contracts shall be followed.

Subpart 1815.6—Unsolicited Proposals

1815.602 Policy.

Renewal proposals, (i.e., those for the extension or augmentation of current contracts) are subject to the same FAR and NFS regulations, including the requirements of the Competition in Contracting Act, as are proposals for new contracts.

[81 FR 41238, June 24, 2016]

1815.604 Agency points of contact.

(NASA supplements paragraph (a))

(a)(6) Information titled “Guidance for the Preparation and Submission of Unsolicited Proposals” is available on the Internet at http://ec.msfc.nasa.gov/hq/library/unSol-Prop.html. A deviation is required for use of any modified or summarized version of the Internet information or for alternate means of...
general dissemination of unsolicited proposal information.

1815.606 Agency procedures. (NASA supplements paragraphs (a) and (b))

(a) NASA will not accept for formal evaluation unsolicited proposals initially submitted to another agency or to the Jet Propulsion Laboratory (JPL) without the offeror’s express consent.

1815.606–70 Relationship of unsolicited proposals to NRAs.

An unsolicited proposal for a new effort or a renewal, identified by an evaluating office as being within the scope of an open NRA, shall be evaluated as a response to that NRA (see 1835.016–71), provided that the evaluating office can either:

(a) State that the proposal is not at a competitive disadvantage, or

(b) Give the offeror an opportunity to amend the unsolicited proposal to ensure compliance with the applicable NRA proposal preparation instructions. If these conditions cannot be met, the proposal must be evaluated separately.

(63 FR 9954, Feb. 27, 1998, as amended at 64 FR 48661, Sept. 7, 1999)

1815.609 Limited use of data.

1815.609–70 Limited use of proposals.

Unsolicited proposals shall be evaluated outside the Government only to the extent authorized by, and in accordance with, the procedures prescribed in 1815.207–70.

1815.670 Foreign proposals.

Unsolicited proposals from foreign sources are subject to NPR 1360.2, Initiation and Development of International Cooperation in Space and Aeronautics Programs.

Subpart 1816.5—Indefinite-Delivery Contracts

1816.506–70 NASA contract clause.

AUTHORITY: 51 U.S.C. 20113(a) and 48 CFR chapter 1.

SOURCE: 62 FR 3478, Jan. 23, 1997, unless otherwise noted.

1816.001 Definitions.

As used in this part—

Earned award fee means the payment of the full amount of an award fee evaluation period’s score/rating.

Unearned award fee means the difference between the available award fee pool amount for a given award fee evaluation period less the contractor’s earned award fee amount for that same evaluation period.

[81 FR 50366, Aug. 1, 2016]

Subpart 1816.2—Fixed-Price Contracts

1816.202 Firm-fixed-price contracts.

1816.202–70 NASA contract clause.

The contracting officer shall insert the clause at 1852.216–78, Firm-Fixed-Price, in firm-fixed-price solicitations and contracts. Insert the appropriate amount in the resulting contract.

Subpart 1816.3—Cost-Reimbursement Contracts

1816.303–70 Cost-sharing contracts.

(a) Cost-sharing with for-profit organizations. (1) Cost sharing by for-profit organizations is mandatory in any contract for basic or applied research resulting from an unsolicited proposal, and may be accepted in any other contract when offered by the proposing organization. The requirement for cost-sharing may be waived when the contracting officer determines in writing that the contractor has no commercial, production, education, or service activities that would benefit from the results of the research, and the contractor has no means of recovering its shared costs on such projects.

(2) The contractor’s cost-sharing may be any percentage of the project cost. In determining the amount of cost-sharing, the contracting officer shall consider the relative benefits to the contractor and the Government. Factors that should be considered include—

(i) The potential for the contractor to recover its contribution from non-Federal sources;

(ii) The extent to which the particular area of research requires special stimulus in the national interest; and

(iii) The extent to which the research effort or result is likely to enhance the contractor’s capability, expertise, or competitive advantage.

(b) Cost-sharing with not-for-profit organizations. (1) Costs to perform research stemming from an unsolicited proposal by universities and other educational or not-for-profit institutions are usually fully reimbursed. When the contracting officer determines that there is a potential for significant benefit to the institution cost-sharing will be considered.

(2) The contracting officer will normally limit the institution’s share to no more than 10 percent of the project’s cost.

(c) Implementation. Cost-sharing shall be stated as a minimum percentage of the total allowable costs of the project. The contractor’s contributed costs may not be charged to the Government under any other contract or grant, including allocation to other contracts and grants as part of an independent research and development program.

1816.307 Contract clauses. (NASA supplements paragraphs (a), (b), (d), and (g)).

(a)(1) In paragraph (h)(2)(ii)(B) of the Allowable Cost and Payment clause at FAR 52.216–7, the period of years may be increased to correspond with any statutory period of limitation applicable to claims of third parties against the contractor; provided, that a corresponding increase is made in the period for retention of records required in paragraph (f) of the clause at FAR 52.215–2, Audit and Records—Negotiation.

1816.307–70  NASA contract clauses.

(a) The contracting officer shall insert the clause at 1852.216–73, Estimated Cost and Cost Sharing, in each contract in which costs are shared by the contractor pursuant to 1816.303–70.

(b) The contracting officer shall insert the clause substantially as stated at 1852.216–74, Estimated Cost and Fixed Fee, in cost-plus-fixed-fee contracts.

(c) The contracting officer may insert the clause at 1852.216–75, Payment of Fixed Fee, in cost-plus-fixed-fee contracts.

(d) The contracting officer may insert the clause at 1852.216–81, Estimated Cost, in cost-no-fee contracts that are not cost sharing or facilities contracts.

(e) [Reserved]

(f) When FAR clause 52.216–7, Allowable Cost and Payment, is included in the contract, as prescribed at FAR 16.307(a), the contracting officer should include the clause at 1852.216–89, Assignment and Release Forms.

(g) As required by section 827 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112–239), use the clause at 1852.216–90, Allowability of Costs Incurred in Connection With a Whistleblower Proceeding—

(1) In task orders entered pursuant to contracts awarded before September 30, 2013, that include the clause at FAR 52.216–7, Allowable Cost and Payment; and

(2) In contracts awarded before September 30, 2013, that—

(i) Include the clause at FAR 52.216–7, Allowable Cost and Payment; and

(ii) Are modified to include the clause at 1852.203–71, Requirement to Inform Employees of Whistleblower Rights, dated June 2013 or later.

Subpart 1816.4—Incentive Contracts

1816.402 Application of predetermined, formula-type incentives. (NASA paragraphs 1, 2 and 3).

When considering the use of a quality, performance, or schedule incentive, the following guidance applies:

(1) A positive incentive is generally not appropriate unless—

(i) Performance above the target (or minimum, if there are no negative incentives) level is of significant value to the Government;

(ii) The value of the higher level of performance is worth the additional cost/fee;

(iii) The attainment of the higher level of performance is clearly within the control of the contractor; and

(iv) An upper limit is identified, beyond which no further incentive is earned.

(2) A negative incentive is generally not appropriate unless—

(i) A target level of performance can be established, which the contractor can reasonably be expected to reach with a diligent effort, but a lower level of performance is also minimally acceptable;

(ii) The value of the negative incentive is commensurate with the lower level of performance and any additional administrative costs; and

(iii) Factors likely to prevent attainment of the target level of performance are clearly within the control of the contractor.

(3) When a negative incentive is used, the contract must indicate a level below which performance is not acceptable.

1816.402–2 Performance incentives.

(a) Pursuant to the guidelines in 1816.402, NASA has determined that a performance incentive shall be included in all contracts that are based on performance-oriented documents
(see FAR 11.101(a)), except those awarded under the commercial item procedures of FAR Part 12, where the primary deliverable(s) is (are) hardware with a total value (including options) greater than $25 million. Any exception to this requirement shall be approved in writing by the head of the contracting activity. Performance incentives may be included in supply and service contracts valued under $25 million, acquired under procedures other than Part 12, at the discretion of the contracting officer upon consideration of the guidelines in 1816.402. Performance incentives, which are objective and measure performance after delivery and acceptance, are separate from other incentives, such as cost or delivery incentives.

(b) When a performance incentive is used, it shall be structured to be both positive and negative based on performance after acceptance, unless the contract type requires complete contractor liability for product performance (e.g., fixed price). In this latter case, a negative incentive is not required. In structuring the incentives, the contract shall establish a standard level of performance based on the salient performance requirement. This standard performance level is normally the contract's target level of performance. No performance incentive amount is earned at this standard performance level. Discrete units of measurement based on the same performance parameter shall be identified for performance above and, when a negative incentive is included, below the standard. Specific incentive amounts shall be associated with each performance level from maximum beneficial performance (maximum positive incentive) to, when a negative incentive is included, minimal beneficial performance or total failure (maximum negative incentive). The relationship between any given incentive, either positive or negative, and its associated unit of measurement should reflect the value to the Government of that level of performance. The contractor should not be rewarded for above-standard performance levels that are of no benefit to the Government.

(c) The final calculation of the performance incentive shall be done when performance, as defined in the contract, ceases or when the maximum positive incentive is reached. When performance ceases below the standard established in the contract and a negative incentive is included, the Government shall calculate the amount due and the contractor shall pay the Government that amount. Once performance exceeds the standard, the contractor may request payment of the incentive amount associated with a given level of performance, provided that such payments shall not be more frequent than monthly. When performance ceases above the standard level of performance, or when the maximum positive incentive is reached, the Government shall calculate the final performance incentive earned and unpaid and promptly remit it to the contractor.

(d) When the deliverable supply or service lends itself to multiple, meaningful measures of performance, multiple performance incentives may be established. When the contract requires the sequential delivery of several items (e.g., multiple spacecraft), separate performance incentive structures may be established to parallel the sequential delivery and use of the deliverables.

(e) In determining the value of the maximum performance incentives available, the contracting officer shall follow the following rules:

1. For a CPFF contract, the sum of the maximum positive performance incentive and fixed fee shall not exceed the limitations in FAR 15.404-4(c)(4)(i).

2. For an award fee contract.

(i) The individual values of the maximum positive performance incentive and the total potential award fee (including any base fee) shall each be at least one-third of the total potential contract fee. The remaining one-third of the total potential contract fee may be divided between award fee and the maximum performance incentive at the discretion of the contracting officer.

(ii) The maximum negative performance incentive for research and development hardware (e.g., the first and second units) shall be equal in amount to the total earned award fee (including any base fee). The maximum negative
performance incentives for production hardware (e.g., the third and all subsequent units of any hardware items) shall be equal in amount to the total potential award fee (including any base fee). Where one contract contains both cases described above, any base fee shall be allocated reasonably among the items.

(3) For cost reimbursement contracts other than award fee contracts, the maximum negative performance incentives shall not exceed the total earned fee under the contract.

1816.404 Fixed-price contracts with award fees.

Section 1816.405–2 applies to the use of FPAF contracts as if they were CPAF contracts. However, neither base fee (see 1816.405–271) nor evaluation of cost control (see 1816.405–274) apply to FPAF contracts.

1816.405 Cost-reimbursement incentive contracts.

1816.405–2 Cost-plus-award-fee (CPAF) contracts.

1816.405–270 CPAF contracts.

(a) In addition to the items identified in FAR 16.401(e)(1), D&Fs will include a discussion of the other types of contracts considered and shall indicate why an award fee incentive is the appropriate choice. Award fee incentives should not be used on contracts with a total estimated cost and fee less than $2 million per year. Use of award fee incentive for lower-valued acquisitions may be authorized in exceptional situations such as contract requirements having direct health or safety impacts, where the judgmental assessment of the quality of contractor performance is critical.

(b) Except as provided in paragraph (d) of this section, an award fee incentive may be used in conjunction with other contract types for aspects of performance that cannot be objectively assessed. In such cases, the cost incentive is based on objective formulas inherent in the other contract types (e.g., FPI, CPIF), and the award fee provision should not separately incentivize cost performance.

(c) Award fee incentives shall not be used with a cost-plus-fixed-fee (CPFF) contract.

[76 FR 6697, Feb. 8, 2011, as amended at 80 FR 12937, Mar. 12, 2015]

1816.405–271 Base fee.

(a) A base fee shall not be used on CPAF contracts for which the periodic award fee evaluations are final (1816.405–273(a)). In these circumstances, contractor performance during any award fee period is independent of and has no effect on subsequent performance periods or the final results at contract completion. For other contracts, such as those for hardware or software development, the procurement officer may authorize the use of a base fee not to exceed 3 percent. Base fee shall not be used when an award fee incentive is used in conjunction with another contract type (e.g., CPIF/AF).

(b) When a base fee is authorized for use in a CPAF contract, it shall be paid only if the final award fee evaluation is “satisfactory” or better. (See 1816.405–273 and 1816.405–275) Pending final evaluation, base fee may be paid during the life of the contract at defined intervals on a provisional basis. If the final award fee evaluation is “unsatisfactory”, all provisional base fee payments shall be refunded to the Government.

[76 FR 6697, Feb. 8, 2011]

1816.405–272 Award fee evaluation periods.

(a) Award fee evaluation periods, including those for interim evaluations, should be at least 6 months in length. When appropriate, the procurement officer may authorize shorter evaluation periods after ensuring that the additional administrative costs associated
with the shorter periods are offset by benefits accruing to the Government. Where practicable, such as developmental contracts with defined performance milestones (e.g., Preliminary Design Review, Critical Design Review, Initial system test), establishing evaluation periods at conclusion of the milestones rather than calendar dates, or in combination with calendar dates should be considered. In no case shall an evaluation period be longer than 12 months.

(b) A portion of the total available award fee contract shall be allocated to each of the evaluation periods. This allocation may result in an equal or unequal distribution of fee among the periods. The contracting officer shall consider the nature of each contract and the incentive effects of fee distribution in determining the appropriate allocation structure.

1816.405–273 Award fee evaluations.

(a) Service contracts. On contracts where the contract deliverable is the performance of a service over any given time period, contractor performance is definitively measurable within each evaluation period. In these cases, all evaluations are final, and the contractor keeps the fee earned in any period regardless of the evaluations of subsequent periods. Unearned award fee in any given period in a service contract is lost and shall not be carried forward, or “rolled-over,” into subsequent periods.

(b) End item contracts. On contracts, such as those for end item deliverables, where the true quality of contractor performance cannot be measured until the end of the contract, only the last evaluation is final. At that point, the total contract award fee pool is available, and the contractor’s total performance is evaluated against the award fee plan to determine total earned award fee. In addition to the final evaluation, interim evaluations are done to monitor performance prior to contract completion, provide feedback to the contractor on the Government’s assessment of the quality of its performance, and establish the basis for making interim award fee payments (see 1816.405–276(a)). These interim evaluations and associated interim award fee payments are superseded by the fee determination made in the final evaluation at contract completion. However, if the final award fee adjectival rating is higher or lower than the average adjectival rating of all the interim award fee periods, or if the final award fee score is eight base percentage points higher or lower than the average award fee score of all interim award fee periods (e.g., 80% to 88%), then the Head of the Contracting Activity (HCA) or the Deputy Chief Acquisition Officer (if the HCA is the Fee Determination Official) shall review and concur in the final award fee determination. The Government will then pay the contractor, or the contractor will refund to the Government, the difference between the final award fee determination and the cumulative interim fee payments.

(c) Control of evaluations. Interim and final evaluations may be used to provide past performance information during the source selection process in future acquisitions and should be marked and controlled as “Source Selection Information—see FAR 3.104”. See FAR 42.1503(h) regarding the requirements for releasing Source Selection Information included in the Contractor Performance Assessment Reporting System (CPARS).

1816.405–274 Award fee evaluation factors.

(a) Explicit evaluation factors shall be established for each award fee period. Factors shall be linked to acquisition objectives which shall be defined in terms of contract cost, schedule, and technical performance. If used, subfactors should be limited to the minimum necessary to ensure a thorough evaluation and an effective incentive.

(b) Evaluation factors will be developed by the contracting officer based upon the characteristics of an individual procurement. Cost control, schedule, and technical performance considerations shall be included as
evaluation factors in all CPAF contracts, as applicable. When explicit evaluation factor weightings are used, cost control shall be no less than 25 percent of the total weighted evaluation factors. The predominant consideration of the cost control evaluation should be a measurement of the contractor’s performance against the negotiated estimated cost of the contract. This estimated cost may include the value of undefinitized change orders when appropriate.

(c)(1) The technical factor must include consideration of risk management (including mission success, safety, security, health, export control, and damage to the environment, as appropriate) unless waived at a level above the contracting officer, with the concurrence of the project manager. The rationale for any waiver shall be documented in the contract file. When safety, export control, or security are considered under the technical factor, the award fee plan shall allow the following fee determinations, regardless of contractor performance in other evaluation factors, when there is a major breach of safety or security.

(i) For evaluation of service contracts under 1816.405–273(a), an overall fee rating of unsatisfactory for any evaluation period in which there is a major breach of safety or security.

(ii) For evaluation of end item contracts under 1816.405–273(b), an overall fee rating of unsatisfactory for any interim evaluation period in which there is a major breach of safety or security. To ensure that the final award fee evaluation at contract completion reflects any major breach of safety or security, in an interim period, the overall award fee pool shall be reduced by the amount of the fee available for the period in which the major breach occurred if an unsatisfactory fee rating was assigned because of a major breach of safety or security.

(2) A major breach of safety must be related directly to the work on the contract. A major breach of safety is an act or omission of the Contractor that consists of an accident, incident, or exposure resulting in a fatality or mission failure; or in damage to equipment or property equal to or greater than $1 million; or in any “willful” or “repeat” violation cited by the Occupational Safety and Health Administration (OSHA) or by a state agency operating under an OSHA approved plan.

(3) A major breach of security may occur on or off Government installations, but must be directly related to the work on the contract. A major breach of security is an act or omission by the contractor that results in compromise of classified information, illegal technology transfer, workplace violence resulting in criminal conviction, sabotage, compromise or denial of information technology services, equipment or property damage from vandalism greater than $250,000, or theft greater than $250,000.

(4) The Assistant Administrator for Procurement shall be notified prior to the determination of an unsatisfactory award fee rating because of a major breach of safety or security.

(d) In rare circumstances, contract costs may increase for reasons outside the contractor’s control and for which the contractor is not entitled to an equitable adjustment. One example is a weather-related launch delay on a launch support contract. The Government shall take such situations into consideration when evaluating contractor cost control.

(e) Emphasis on cost control should be balanced against other performance requirement objectives. The contractor should not be incentivized to pursue cost control to the point that overall performance is significantly degraded. For example, incentivizing an underrun that results in direct negative impacts on technical performance, safety, or other critical contract objectives is both undesirable and counterproductive. Therefore, evaluation of cost control shall conform to the following guidelines:

(1) Normally, the contractor should be given an unsatisfactory rating for cost control when there is a significant overrun within its control. However, the contractor may receive a satisfactory or higher rating for cost control if the overrun is insignificant. Award fee ratings should decrease sharply as the size of the overrun increases. In any evaluation of contractor overrun performance, the Government shall consider the reasons for the overrun and
assess the extent and effectiveness of the contractor’s efforts to control or mitigate the overrun.

(2) The contractor should normally be rewarded for an underrun within its control, up to the maximum award fee rating allocated for cost control, provided the adjectival rating for all other award fee evaluation factors is very good or higher (see FAR 16.401(e)(iv)).

(3) The contractor should be rewarded for meeting the estimated cost of the contract, but not to the maximum rating allocated for cost control, to the degree that the contractor has prudently managed costs while meeting contract requirements. No award fee shall be given in this circumstance unless the average adjectival rating for all other award fee evaluation factors is satisfactory or higher.

(f) When an AF arrangement is used in conjunction with another contract type, the award fee’s cost control factor will only apply to a subjective assessment of the contractor’s efforts to control costs and not the actual cost outcome incentivized under the basic contract type (e.g., CPIF, FPIF).

(g)(1) The contractor’s performance against the subcontracting plan incorporated in the contract shall be evaluated. Emphasis may be placed on the contractor’s accomplishment of its goals for subcontracting with small business, small disadvantaged business, HUBZone small business, women-owned small business, veteran-owned small business, service-disabled veteran-owned small business concerns, and Historically Black Colleges and Universities—Minority Institutions (HBCU/MIs). The evaluation should consider both goals as a percentage of subcontracting dollars as well as a percentage of the total contract value.

(2) The contractor’s achievements in subcontracting high technology efforts as well as the contractor’s performance under the Mentor-Protegé Program, if applicable, may also be evaluated.

(3) The evaluation weight given to the contractor’s performance against the considerations in paragraphs (g)(1) and (2) of this section shall be 10 percent of available award fee and shall be separate from all other factors.

(h) When contract changes are anticipated, the contractor’s responsiveness to requests for change proposals should be evaluated. This evaluation should include the contractor’s submission of timely, complete proposals and cooperation in negotiating the change.

(i) Only the award fee performance evaluation factors set forth in the performance evaluation plan shall be used to determine award fee scores.

(j) The Government may unilaterally modify the applicable award fee performance evaluation factors and performance evaluation areas prior to the start of an evaluation period. The contracting officer shall notify the contractor in writing of any such changes 30 days prior to the start of the relevant evaluation period.

1816.405–275  Award fee evaluation rating.

(a) All award fee contracts shall utilize the adjectival rating categories and associated descriptions as well as the award fee pool available to be earned percentages for each adjectival rating category contained in FAR 16.401(e)(3)(iv). Contracting officers may supplement these descriptions with more specifics relative to their procurement but they cannot alter or delete the FAR adjectival rating descriptions.

(b) The following numerical scoring system shall be used in conjunction with the FAR adjectival rating categories and associated descriptions (see FAR 16.401(e)(3)(iv)).

(1) Excellent (100–91)
(2) Very good (90–76)
(3) Good (75–51)
(4) Satisfactory (50)
(5) Unsatisfactory (less than 50) No award fee shall be paid for an unsatisfactory rating.

(c) As a benchmark for evaluation, in order to be rated “Excellent” overall, the contractor would typically be under cost, on or ahead of schedule, and providing outstanding technical performance.

(d) A weighted scoring system appropriate for the circumstances of the individual contract requirement should be developed. In this system, each evaluation factor (e.g., technical, schedule,
cost control) is assigned a specific percentage weighting with the cumulative weightings of all factors totaling 100. During the award fee evaluation, each factor is scored from 0–100 according to the ratings defined in 1816.405–275(b). The numerical score for each factor is then multiplied by the weighting for that factor to determine the weighted score. For example, if the technical factor has a weighting of 60 percent and the numerical score for that factor is 80, the weighted technical score is 48 (80 × 60 percent). The weighted scores for each evaluation factor are then added to determine the total award fee score.

1816.405–276 Award fee payments and limitations.

(a) Interim award fee payments. The amount of an interim award fee payment (see 1816.405–273(b)) is limited to the lesser of the interim evaluation score or 80 percent of the fee allocated to that interim period less any provisional payments (see paragraph (b) of this subsection) made during the period.

(b) Provisional award fee payments. Provisional award fee payments are payments made within evaluation periods prior to an interim or final evaluation for that period. Provisional payments may be included in the contract and should be negotiated on a case-by-case basis. For a service contract, the total amount of award fee available in an evaluation period that may be provisionally paid is the lesser of a percentage stipulated in the contract (but not exceeding 80 percent) or the prior period’s evaluation score. For an end item contract, the total amount of provisional payments in a period is limited to a percentage not to exceed 80 percent of the prior interim period’s evaluation score, except for the first evaluation period which is limited to 80 percent of the available award fee for that evaluation period.

(c) Fee payment. The Fee Determination Official’s rating for both interim and final evaluations will be provided to the contractor within 45 calendar days of the end of the period being evaluated. Any fee, interim or final, due the contractor will be paid no later than 60 calendar days after the end of the period being evaluated.

1816.406 Contract clauses.

1816.406–70 NASA contract clauses.

(a) As authorized by FAR 16.406(e), the contracting officer shall insert the clause at 1852.216–76, Award Fee for Service Contracts, in solicitations and contracts when an award fee contract is contemplated and the contract deliverable is the performance of a service.

(b) As authorized by FAR 16.406(e), the contracting officer shall insert the clause at 1852.216–77, Award Fee for End Item Contracts, in solicitations and contracts when an award fee contract is contemplated and the contract deliverables are hardware or other end items for which total contractor performance cannot be measured until the end of the contract. When the clause is used in a fixed-price award fee contract, it shall be modified by deleting references to base fee in paragraphs (a), and by deleting paragraph (c)(1), the last sentence of (c)(4), and the first sentence of (c)(5).

(c) The contracting officer may insert a clause substantially as stated at 1852.216–83, Fixed Price Incentive, in fixed-price-incentive solicitations and contracts utilizing firm or successive targets. For items subject to incentive price revision, identify the target cost, target profit, target price, and ceiling price for each item.

(d) The contracting officer shall insert the clause at 1852.216–84, Estimated Cost and Incentive Fee, in cost-plus-incentive-fee solicitations and contracts.

(e) The contracting officer may insert the clause at 1852.216–85, Estimated Cost and Award Fee, in cost-plus-incentive-fee solicitations and contracts. When the contract includes performance incentives, use Alternate I. When the clause is used in a fixed-price award fee contract, it shall be modified to delete references to base fee and to reflect the contract type.
National Aeronautics and Space Administration

(f) As provided at 1816.402–270, the contracting officer shall insert a clause substantially as stated at 1852.216–88, Performance Incentive, when the primary deliverable(s) is (are) hardware and total estimated cost and fee is greater than $25 million. A clause substantially as stated at 1852.216–88 may be included in lower dollar value supply or service contracts at the discretion of the contracting officer.

Subpart 1816.5—Indefinite-Delivery Contracts

1816.506–70 NASA contract clause.

Insert the clause at 1852.216–80, Task Ordering Procedure, in solicitations and contracts when an indefinite-delivery, task order contract is contemplated. The clause is applicable to both fixed-price and cost-reimbursement type contracts. If the contract does not require 533M reporting (See NPR 9501.2, NASA Contractor Financial Management Reporting System), use the clause with its Alternate I.

PART 1817—SPECIAL CONTRACTING METHODS

Subpart 1817.2—Options

1817.208 Solicitation provisions and contract clauses. (NASA supplements paragraph (c))

(c)(3) The contracting officer shall insert a provision substantially the same as FAR 52.217–5 in cost reimbursement contracts when the other conditions of FAR 17.208(c) are met.

Subpart 1817.70—Phased Acquisition

1817.700 Definitions.

(a) Down-selection. In a phased acquisition, the process of selecting contractors for later phases from among the preceding phase contractors.

(b) Phased Acquisition. An incremental acquisition implementation comprised of several distinct phases where the realization of program/project objectives requires a planned, sequential acquisition of each phase. The phases may be acquired separately, in combination, or through a down-selection strategy.

(c) Progressive Competition. A type of down-selection strategy for a phased acquisition. In this method, a single solicitation is issued for all phases of the program. The initial phase contracts are awarded, and the contractors for subsequent phases are expected to be chosen through a down-selection from among the preceding phase contractors. In each phase, progressively fewer contracts are awarded until a single contractor is chosen for the final phase. Normally, all downselections are accomplished without issuance of a new, formal solicitation.

1817.7002 Contract clauses.

(a) The contracting officer shall insert the clause at 1852.217–71, Phased Acquisition Using Down-Selection Procedures, in solicitations and contracts for phased acquisitions using down-selection procedures other than the progressive competition technique. The clause may be modified as appropriate if the acquisition has more than two phases. The clause shall be included in the solicitation for each phase and in
all contracts except that for the final phase. The contracting officer shall insert the clause at 1852.217–72, Phased Acquisition Using Progressive Competition Down-Selection Procedures, in solicitations and contracts for phased acquisitions using the progressive competition technique. The clause may be modified as appropriate if the acquisition has more than two phases. The clause shall be included in the initial phase solicitation and all contracts except that for the final phase.

Subpart 1819.2—Policies

1819.201 General policy. (NASA supplements paragraphs (a), (c), (d), and (f))

(a)(i) NASA is committed to providing to small, veteran-owned small business, service-disabled veteran-owned small business, HUBZone, small disadvantaged, and women-owned small business concerns, maximum practicable opportunities to participate in Agency acquisitions at the prime contract level. The participation of NASA prime contractors in providing subcontracting opportunities to such entities is also an essential part of the Agency’s commitment. The participation of these entities is emphasized in high-technology areas where they have had low involvement level.

(ii) NASA biennially negotiates Agency small business prime and subcontracting goals with the Small Business Administration pursuant to section 15(g) of the Small Business Act (15 U.S.C. 644). In addition, NASA has an annual goal of five percent for prime and subcontract awards to small disadvantaged businesses (SDBs) and women-owned small businesses (WOSBs), and a three percent goal for HUBZone and service-disabled, veteran-owned small business concerns.

1819.302 Protesting a small business representation or rerepresentation.

(h) When the contracting officer determines in writing that an award must be made to protect the public interest, the contracting officer shall notify the Headquarters Office of Procurement, Program Operations Division, the Headquarters Office of Small Business Programs, and the SBA.

Authority: 51 U.S.C. 20113(a) and 48 CFR chapter 1.

Subpart 1819.7—The Small Business Subcontracting Program

1819.708 Contract clauses. (NASA supplements paragraph (b))

(b)(1) The contracting officer shall use the clause at FAR 52.219-9 with its Alternate II when contracting by negotiation.

1819.708-70 NASA solicitation provision and contract clause.

(a) The contracting officer shall insert the provision at 1852.219-73, Small Business Subcontracting Plan, in invitations for bids containing the clause at FAR 52.219-9 with its Alternate I. Insert in the last sentence the number of calendar days after request that the offeror must submit a complete plan.

(b) The contracting officer shall insert the clause at 1852.219-75, Individual Subcontracting Reports, in solicitations and contracts containing the clause at FAR 52.219-9, except for contracts covered by an approved commercial subcontracting plan.

[64 FR 25215, May 11, 1999, as amended at 80 FR 12938, Mar. 12, 2015; 81 FR 10520, Mar. 1, 2016]

1819.811-3 Contract clauses.

(a) The contracting officer shall insert the clause at 1852.219-11, Special 8(a) Contract Conditions, in contracts and purchase orders awarded directly to the 8(a) contractor when the acquisition is accomplished using the procedures of FAR 19.811-1(a) and (b).

(d) The contracting officer shall insert the clause at 1852.219-18, Notification of Competition Limited to Eligible 8(a) Concerns, in competitive solicitations and contracts when the acquisition is accomplished using the procedures of FAR 19.805.

(1) The clause at 1852.219-18 with Alternate I to the FAR clause at 52.219-18 will be used when competition is to be limited to 8(a) concerns within one or more specific SBA districts pursuant to FAR 19.804-2.

(2) The clause at 1852.219-18 with Alternate II to the FAR clause at 52.219-18 will be used when the acquisition is for a product in a class for which the Small Business Administration has waived the nonmanufacturer rule (see FAR 19.102(f)(4) and (5)).

(e) Follow the prescription at FAR 19.811-3(e).

Subpart 1819.10 [Reserved]

Subparts 1819.70—1819.71 [Reserved]

Subpart 1819.72—NASA Mentor-Protege Program

SOURCE: 74 FR 25672, May 29, 2009, unless otherwise noted.

1819.7201 Scope of subpart.

(a) This subpart implements the NASA Mentor-Protege Program (hereafter referred to as the Program) established under the authority of Title 42, U.S.C., 2473(c)(1). The purpose of the Program is to:

(1) Provide incentives to NASA contractors, performing under at least one active, approved subcontracting plan negotiated with NASA, to assist proteges in enhancing their capabilities to perform as viable NASA contractors, other Government contractors, and commercial suppliers on contract and subcontract requirements.

(2) Increase the overall participation of proteges as subcontractors and suppliers under NASA contracts, other Federal agency contracts, and commercial contracts; and

(3) Foster the establishment of long-term business relationships between proteges and mentors.

(b) Under the Program, eligible entities approved as mentors will enter into mentor-protege agreements with eligible proteges to provide appropriate developmental assistance to enhance the capabilities of the proteges to perform as subcontractors and suppliers. NASA may provide the mentor award fee incentives. Additionally, this subpart explains the calculated subcontracting credit for a mentor-protege program pursuant to FAR 52.219-9, Small Business Subcontracting Plan.

[74 FR 25672, May 29, 2009, as amended at 80 FR 12938, Mar. 12, 2015]
1819.7202 Eligibility.

(a) Eligibility of Mentors: To be eligible as a mentor, an entity must be—

(1) A large prime contractor performing with at least one approved subcontracting plan, other than a commercial plan, negotiated with NASA, pursuant to FAR Subpart 19.7, the Small Business Subcontracting Program. A contractor may apply to become a mentor if they currently are not performing under a NASA contract as long as they are currently performing another Federal agency contract with an approved subcontracting plan. The NASA mentor-protégé agreement, however, will not be approved until the mentor company is performing under a NASA contract with an approved subcontracting plan; and

(2) Eligible for receipt of Government contracts. An entity will not be approved for participation in the Program if, at the time of submission of the application to the Headquarters Office of Small Business Programs, the entity is currently debarred or suspended from contracting with the Federal Government pursuant to FAR Subpart 9.4, Debarment, Suspension, and Ineligibility.

(b) Eligibility of Protégés: To be eligible to participate as a protégé, an entity must be—

(1) Classified as a Small Disadvantaged Business (SDB), a small disadvantaged business, a women-owned small business, a historically underutilized business zone concern, a veteran-owned, service-disabled small business, a historically black college and university, or a minority institution. The protégé entity may also be an active NASA SBIR/STTR Phase II company, or an entity participating in the AbilityOne program.

(2) Eligible for the award of Federal contracts; and

(3) A small business according to the Small Business Administration (SBA) size standard for the North American Industry Classification System (NAICS) code that represents the contemplated supplies or services to be provided by the protégé to the mentor.

(c) A protégé firm may self-certify to a mentor firm that it meets the requirements set forth in paragraph (b) of this section. Mentors may rely in good faith on written representations by potential protégés that they meet the specified eligibility requirements.

[80 FR 12938, Mar. 12, 2015]

1819.7203 Mentor-protégé advance payments.

If advance payments are contemplated, the mentor must first have the advance payments approved the contracting officer in accordance with FAR Subpart 32.4, Advance Payments for Non-commercial items.

[80 FR 12938, Mar. 12, 2015]

1819.7204 Agreement submission and approval process.

(a) To participate in the Program, entities approved as mentors in accordance with 1819.7203, will submit a complete agreement package to the Contracting Officer who will forward the completed agreement package to the cognizant Small Business Specialist at the NASA Center. The submission package must include the following—

(1) A signed mentor-protégé agreement;

(2) A signed protégé application;

(3) The estimated cost of the technical assistance to be provided, broken out per year and per task, in a separate cost volume; and

(4) Additional information as may be requested by the NASA OSBP; and

(5) A signed letter of endorsement of the agreement by the contracting officer and the contracting officer representative.

(b) The mentor-protégé agreement must be approved by the Assistant Administrator, NASA OSBP, prior to the mentor incurring eligible costs for developmental assistance provided to the protégé.

(c) The cognizant NASA center will issue a contract modification, if justified, prior to the mentor incurring costs for developmental assistance to the protégé.

[80 FR 12938, Mar. 12, 2015]

1819.7205 Award Fee Pilot Program.

(a) Mentors will be eligible to earn a separate award fee associated with the provision of developmental assistance to NASA SBIR/STTR Phase II Protégés only. The award fee will be assessed at
the end of the Mentor-Protégé agreement period.

(b) The overall developmental assistance performance of NASA contractors, in promoting the use of small businesses as subcontractors, will be a required evaluation factor in award fee plans.

(c) Evaluation criteria to determine the award fee should include:

1. Benefit of the agreement to NASA;
2. Active participation in the Program;
3. The amount and quality of developmental assistance provided;
4. Subcontracts awarded to small businesses and others;
5. Success of the protégés in increasing their business as a result of receiving developmental assistance; and
6. Accomplishment of any other activity as related to the mentor-protégé relationship.

(d) The Award Fee Pilot Program is an addition to the credit agreement. Participants that are eligible for award fee may also receive credit under their individual contract’s award fee plan.

(e) The protégé semiannual report required by paragraph (d) must be submitted separately from the Mentor’s semiannual report submission.

(f) Reports for all agreements must be submitted to the NASA OSBP Mentor-Protégé Program Manager, the mentor’s cognizant administrative contracting officer, and their cognizant center small business specialist.

(g) Templates for the semiannual report and the Post-Agreement report and guidance for their submission are available at: http://www.osbp.nasa.gov.

1819.7215 Solicitation provision and contract clauses.

(a) The contracting officer shall insert the clause at 1852.219–77, NASA Mentor-Protégé Program, in:

1. Any contract that includes the clause at FAR 52.219–9, Small Business Subcontracting Plan.
2. The contracting officer shall insert the clause at 1852.219–79, Mentor Requirements and Evaluation, in contracts where the prime contractor is a participant in the NASA Mentor-Protégé Program.

Subpart 1819.73—Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) Programs

1819.7301 Scope of subpart.

The Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) Programs were established and issued under the authority of the Small Business Act codified at 15 U.S.C. 631, as amended,
and the Small Business Innovation Development Act of 1982 (Pub. L. 97–219), codified with amendments at 15 U.S.C. 638, as amended. The Small Business Act requires that the Small Business Administration (SBA) issue SBIR and STTR Program Policy Directives for the general conduct of the SBIR/STTR Programs within the Federal Government. The statutory purpose of the SBIR Program is to strengthen the role of innovative small business concerns (SBCs) in federally-funded research or research and development (R/R&D). Specific program purposes are to: Stimulate technological innovation; use small business to meet Federal R/R&D needs; foster and encourage participation by socially and economically disadvantaged SBCs, and by SBCs that are 51-percent owned and controlled by women, in technological innovation; and increase private sector commercialization of innovations derived from Federal R/R&D, thereby increasing competition, productivity and economic growth. Federal agencies participating in the SBIR/STTR Programs (SBIR/STTR agencies) are obligated to follow the guidance provided by the SBA Policy Directive. NASA is required to ensure its policies, regulations, and guidance on the SBIR/STTR Programs are consistent with SBA’s Policy Directive. Contracting officers are required to insert the applicable clauses identified in 1819.7302 in all SBIR and STTR contracts.

1819.7302 NASA contract clauses.

(a) Contracting officers shall insert the clause at 1852.219–80, Limitation on Subcontracting—SBIR Phase I Program, in all Phase I contracts awarded under the Small Business Innovation Research (SBIR) Program established pursuant to Public Law 97–219 (the Small Business Innovation Development Act of 1982).

(b) Contracting officers shall insert the clause at 1852.219–81, Limitation on Subcontracting—SBIR Phase II Program, in all Phase II contracts awarded under the Small Business Innovation Research (SBIR) Program established pursuant to Public Law 97–219 (the Small Business Innovation Development Act of 1982).

(c) Contracting officers shall insert the clause at 1852.219–82, Limitation on Subcontracting—STTR Program, in all contracts awarded under the Small Business Technology Transfer (STTR) Program established pursuant to Public Law 97–219 (the Small Business Innovation Development Act of 1982). Occasionally, deviations from this requirement may be approved. Any deviations from this requirement shall be approved in writing by the contracting officer after coordination with the Agency SBIR Program Manager/Coordinator.

(d) Contracting officers shall insert the clause at 1852.219–83, Limitation of the Principal Investigator—SBIR Program, in all contracts awarded under the Small Business Innovation Research (SBIR) Program established pursuant to Public Law 97–219 (the Small Business Innovation Development Act of 1982). Occasionally, deviations from this requirement may be approved. Any deviations from this requirement shall be approved in writing by the contracting officer after coordination with the Agency SBIR Program Manager/Coordinator.

(e) Contracting officers shall insert the clause at 1852.219–84, Limitation of the Principal Investigator—STTR Program, in all contracts awarded under the Small Business Technology Transfer (STTR) Program established pursuant to Public Law 97–219 (the Small Business Innovation Development Act of 1982). Occasionally, deviations from this requirement may be approved. Any deviations from this requirement shall be approved in writing by the contracting officer after coordination with the Agency SBIR Program Manager/Coordinator.

(f) Contracting officers shall insert the clause at 1852.219–85, Conditions for Final Payment—SBIR and STTR Contracts, in all Phase I and Phase II contracts awarded under the Small Business Innovation Research (SBIR) Program and the Small Business Innovation Research (SBIR) Program established pursuant to Public Law 97–219
Pt. 1822

PART 1822—APPLICATION OF LABOR LAWS TO GOVERNMENT ACQUISITIONS

AUTHORITY: 51 U.S.C. 20113(a) and 48 CFR chapter 1.

SOURCE: 61 FR 55755, Oct. 29, 1996, unless otherwise noted.

Subpart 1822.1—Basic Labor Policies

1822.103–5 Contract clause.

Insert the clause at 52.222–1, Notice to the Government of Labor Disputes, in all solicitations and contracts that exceed the simplified acquisition threshold.

Subpart 1823.2—Energy and Water Efficiency and Renewable Energy

1823.271 NASA Solicitation provision and contract clause.

Insert the clause at 1852.223–76, Federal Automotive Statistical Tool Reporting, in solicitations and contracts requiring contractor operation of Government-owned or -leased motor vehicles, including, but not limited to, interagency fleet management system (IFMS) vehicles authorized in accordance with FAR 51.2.

[68 FR 43334, July 22, 2003]

Subpart 1823.5—Drug-Free Workplace

1823.570 Drug- and alcohol-free workforce.

1823.570–1 Definitions.

Employee in a sensitive position means a contractor or subcontractor employee who has been granted access to classified information; a contractor or subcontractor employee in other positions that the contractor or subcontractor determines could reasonably be expected to affect safety, security, National security, or functions other than the foregoing requiring a high degree of trust and confidence; and includes any employee performing in a position designated “mission critical” or performing mission-critical duties. The term also includes any applicant who is tentatively selected for a position described in this paragraph.
Mission Critical Space Systems means the collection of all space-based and ground-based systems used to conduct space missions or support activity in space, including, but not limited to, the crewed space system, space-based communication and navigation systems, launch systems, and mission/launch control.

Mission Critical Positions/Duties means positions or duties which, if performed in a faulty, negligent, or malicious manner, could jeopardize mission critical space systems and/or delay a mission.

Use, in violation of applicable law or Federal regulation, of alcohol includes having, while on duty or during a pre-employment interview, an alcohol concentration of 0.04 percent by weight or more in the blood, as measured by chemical test of the individual’s breath or blood. An individual’s refusal to submit to such test is presumptive evidence of use, in violation of applicable law or Federal regulation, of alcohol.

(a) The contractor fails to comply with paragraph (b), (c), or (d) of the clause at 1852.223–74; or
(b) Such a number of contractor employees in sensitive positions having been convicted of violations of criminal drug statutes or substantial evidence of drug or alcohol abuse or misuse occurring in the workplace, as to indicate that the contractor has failed to make a good faith effort to provide a drug- and alcohol-free workforce.

Subpart 1823.70—Safety and Health

1823.7001 NASA solicitation provisions and contract clauses.

(a) Insert the clause at 1852.223–70, Safety and Health Measures and Mis- hap Reporting, in solicitations and contracts above the simplified acquisition threshold when the work will be conducted completely or partly on Federally-controlled facilities.
(b) The contracting officer shall insert the clause at 1852.223–73, Safety and Health Plan, in solicitations above the simplified acquisition threshold when the work will be conducted completely or partly on Federally-controlled facilities.
(c) The contracting officer shall insert the clause at 1852.223–74 in solicitations and contracts for commercial items.
(d)(1) The contracting officer shall insert FAR clause at 52.236–13 with its Alternate I in solicitations and contracts when the work will be conducted completely or partly on a Federally-controlled facility and a Safety and Health Plan will be reviewed after...
award as a contract deliverable. The contracting officer may modify the wording in paragraph (f) of Alternate I to specify:

(i) When the proposed plan is due and
(ii) Whether the contractor may commence work prior to approval of the plan; or
(iii) To what extent the contractor may commence work before the plan is approved.

(2) The requiring activity, in consultation with the cognizant health and safety official(s), will identify the data deliverable requirements for the safety and health plan. After receiving the concurrence of the center safety and occupational health official(s), the contracting officer shall incorporate the plan as an attachment into the contract.

(e)(1) The contracting officer shall insert the clause at 1852.223–75, Major Breach of Safety or Security, in all solicitations and contracts with estimated values of $500,000 or more, unless waived at a level above the contracting officer with the concurrence of the project manager and the installation official(s) responsible for matters of security, export control, safety, and occupational health.

(2) Insert the clause with its Alternate I if—

(i) The solicitation or contract is with an educational or other nonprofit institution and contains the termination clause at FAR 52.249–5; or
(ii) The solicitation or contract is for commercial items and contains the clause at FAR 52.212–4.

(3) For contracts with estimated values below $500,000, use of the clause is optional.

(f) The contracting officer shall insert the clause at 1852.223–72, Safety and Health (Short Form) in solicitations and contracts above the simplified acquisition threshold when work will be conducted completely or partly on Federally-controlled facilities and that do not contain the clause at 1852.223–73 or the FAR clause at 52.236–13 with its Alternate I.

“Canadian end product”, for an item with an estimated value of $25,000 or less, means an unmanufactured end product mined or produced in Canada or an end product manufactured in Canada, if the cost of its components mined, produced, or manufactured in Canada or the United States exceeds 50 percent of the cost of all its components. The cost of components includes transportation costs to the place of incorporation into the end product. For an end product with an estimated value in excess of $25,000, the definition at FAR 25.003 applies.

Subpart 1825.1—Buy American Act—Supplies
1825.103 Exceptions.

(a)(i) The Assistant Administrator for Procurement has determined that it is inconsistent with the public interest to apply restrictions of the Buy American Act to Canadian end products with estimated values of $25,000 or less as defined in 1825.003-70. Accord-ingly, contracting officers must evaluate all offers for such Canadian end products on a parity with offers for domestic end products, except that applicable duty (whether or not a duty free entry certificate may be issued) must be included in evaluating offers for Canadian end products.

(ii) The Assistant Administrator for Procurement has determined that for procurements subject to the Trade Agreements Act, it would be inconsistent with the public interest to apply the Buy American Act to U.S.-made end products that are substantially transformed in the United States.

Subpart 1825.4—Trade Agreements

NASA has statutory authority to exempt certain articles from import duties, including articles that will be launched into space, spare parts for such articles, ground support equipment, and unique equipment used in connection with an international program or launch service agreement. Duty-Free Entry of Space Articles, in solicitations and contracts when the supplies that will be accorded duty-free entry are identifiable before award. Insert the supplies determined in accordance with FAR subpart 25.9 and 1825.903.

1825.1103 Other provisions and clauses.

1825.1103–70 Export control.

(a) Background. (1) NASA contractors and subcontractors are subject to U.S. export control laws and regulations, including the International Traffic in Arms Regulations (ITAR), 22 CFR parts 120 through 130, and the Export Administration Regulations (EAR), 15 CFR parts 730 through 799. The contractor is responsible for obtaining the appropriate licenses or other approvals from the Department of State or the Department of Commerce when it exports hardware, technical data, or software, or provides technical assistance to a foreign destination or “foreign person”, as defined in 22 CFR 120.16, and there are no applicable or available exemptions/exceptions to the ITAR/EAR, respectively. A person who is lawfully admitted for permanent residence in the United States is not a “foreign person”. (See 22 CFR 120.16 and 15 CFR 734.2(b)(2)(ii))

(2) The exemption at 22 CFR 125.4(b)(3) of the ITAR provides that a contractor may export technical data without a license if the contract between the agency and the exporter provides for the export of the data. The clause at 1852.225–70, Alternate I, provides contractual authority for the exemption, but the exemption is available only after the contracting officer, or designated representative, provides written authorization or direction enabling its use. It is NASA policy that the exemption at 22 CFR 125.4(b)(3) may only be used when technical data (including software) is exchanged with a NASA foreign partner pursuant to the terms of an international agreement in furtherance of an international collaborative effort. The contracting officer must obtain the approval of the Center Export Administrator before granting the contractor the authority to use this exemption.

(b) Contract clause. Insert the clause at 1852.225–70, Export Licenses, in all solicitations and contracts, except in contracts with foreign entities. Insert the clause with its Alternate I when the NASA project office indicates that technical data (including software) is to be exchanged by the contractor with a NASA foreign partner pursuant to an international agreement.
SUBCHAPTER E—GENERAL CONTRACTING REQUIREMENTS

PART 1827—PATENTS, DATA, AND COPYRIGHTS

Sec.

1827.000 Scope of part.

Subpart 1827.3—Patent Rights Under Government Contracts

1827.301 Definitions.

As used in this subpart—

Administrator means the Administrator of NASA or a duly authorized representative.

Reportable item means any invention, discovery, improvement, or innovation of the contractor, whether or not patentable or otherwise protectable under Title 35 of the United States Code, made in the performance of any work under any NASA contract or in the performance of any work that is reimbursable under any clause in any NASA contract providing for reimbursement of costs incurred before the effective date of the contract. Reportable items include, but are not limited to, new processes, machines, manufactures, and compositions of matter, and improvements to, or new applications of, existing processes, machines, manufactures, and compositions of matter. Reportable items also include new computer programs, and improvements to, or new applications of, existing computer programs, whether or not copyrightable or otherwise protectable under Title 17 of the United States Code.

Subject invention, in lieu of the definition in FAR 27.301, means any reportable item that is or may be patentable or otherwise protectable under Title 35 of the United States Code, or any novel variety of plant that is or may be protectable under the Plant Variety Protection Act (7 U.S.C. 2321, et seq.).

1827.302 Policy.

(a) Introduction. NASA policy with respect to any invention, discovery, improvement, or innovation made in the performance of work under any NASA contract or subcontract with other than a small business firm or a non-profit organization and the allocation of related property rights is based upon Section 20135 of the National Aeronautics and Space Act (51 U.S.C. 20135) (the Act); and, to the extent consistent with this statute, the Presidential Memorandum on Government Patent Policy to the Heads of Executive Departments and Agencies, dated February 18, 1983, and Section 1(b)(4) of Executive Order 12591. NASA contractors subject to Section 20135 of the Act shall ensure the prompt reporting of reportable items in order to protect the Government’s interest and to provide the widest practicable and appropriate dissemination, early utilization, expeditious development, and continued
availability for the benefit of the scientific, industrial, and commercial communities and the general public.

(b) Contractor right to elect title. (1) For NASA contracts, the contractor right to elect title under the FAR only applies to contracts with small businesses and nonprofit organizations. For other business entities, see paragraph (b)(2)(v) of this section;

(2)(v) Under any NASA contract with other than a small business or nonprofit organization (i.e., contracts subject to section 20135(b) of the Act), title to subject inventions vests in NASA when the determinations of section 20135(b)(1)(A) or (b)(1)(B) have been made. The Administrator may grant the contractor a waiver of title in accordance with 14 CFR part 1245.

(3) Contractor petitions for waiver of title. The Administrator may waive all or any part of the rights of the United States with respect to any invention or class of inventions made or which may be made in the performance of NASA contracts with other than a small business firm or a nonprofit organization if the Administrator determines that the interests of the United States will be served. The procedures and instructions for contractors to submit petitions for waiver of rights in subject inventions are provided in the NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1, http://www.gpo.gov/fdsys/pkg/CFR-2012-title14-vol5/pdf/CFR-2012-title14-vol5-part1245.pdf.

Waiver may be requested in advance of contract award for any subject invention or class of subject inventions or during contract performance for individually identified subject inventions, the petition shall identify each invention with particularity (e.g., by NASA’s assigned number to the Disclosure of Invention and New Technology report or by title and inventorship). For advance waivers, the petition shall identify the invention or class of inventions that the Contractor believes will be made under the contract and for which waiver is being requested. To meet the statutory standard of “any invention or class of inventions,” the petition must be directed to a single invention or to inventions directed to a particular process, machine, manufacture, or composition of matter, or to a narrowly-drawn, focused area of technology. When a waiver of title is granted, the contractor’s right to title, the rights reserved by the Government, and other conditions and obligations of the waiver, such as requirements for reporting and filing patent applications on waived inventions, are provided in the NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1, and the Instrument of Waiver executed under those Regulations.

(c) Government license. For each subject invention made in the performance of work under a NASA contract with other than a small business firm or nonprofit organization and for which waiver of title has been granted, the Administrator shall reserve an irrevocable, nonexclusive, nontransferable, royalty-free license for the practice of such invention throughout the world by or on behalf of the United States or any foreign Government in accordance with any treaty or agreement of the United States.

(e) Utilization reports. For each subject invention made in the performance of work under a NASA contract with other than a small business firm or a nonprofit organization and for which waiver of title has been granted, the requirements for utilization reports shall be as set forth in the NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1, and the Instrument of Waiver executed under those Regulations.

(f) March-in rights. For each subject invention made in the performance of work under a NASA contract with other than a small business firm or a nonprofit organization and for which waiver of title has been granted, march-in rights shall be as set forth in the NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1, and the Instrument of Waiver executed under those Regulations.

(g) Preference for United States industry. For each subject invention made in the performance of work under a NASA contract with other than a small business firm or a nonprofit organization and for which waiver of title has been granted, waiver of the requirement for substantial manufacture in the United States shall be in accordance with
Title 35 of the United States Code, section 204.
(i) Minimum rights to contractor. (1) For NASA contracts with other than a small business firm or a nonprofit organization, where title to any subject inventions vests in NASA, the contractor is normally granted, in accordance with the NASA Patent Waiver Regulations, 14 CFR 1245.108, a revocable, nonexclusive, royalty-free license in each patent application filed in any country and in any resulting patent. The license extends to any of the contractor's domestic subsidiaries and affiliates within the corporate structure, and includes the right to grant sublicenses of the same scope to the extent the contractor was legally obligated to do so at the time the contract was awarded. The license and right are transferable only with the approval of the Administrator, except when transferred to the successor of that part of the contractor's business to which the invention pertains.
(2) The procedures for revoking or modifying the license to a contractor that is other than a small business firm or a nonprofit organization are described in 14 CFR 1245.108.

(k) Awards. It is the policy of NASA to consider for a monetary award, when referred to the NASA Inventions and Contributions Board in accordance with 14 CFR part 1240, subpart 1, any subject invention reported to NASA in accordance with this subpart, and for which an application for patent has been filed.

1827.303 Solicitation provisions and contract clauses.

(a)(1) The contracting officer shall insert the provision at 1852.227–84, Patent Rights Clauses, in solicitations for experimental, developmental, or research work to be performed in the United States when the eventual awardee may be a small business or a nonprofit organization.
(b)(1) When the clause at FAR 52.227–11 is included in a solicitation or contract, it shall be modified as set forth at 1852.227–11.
(i) To qualify for the clause at FAR 52.227–11, a prospective contractor shall be required to represent itself as either a small business firm or a nonprofit organization. If the contracting officer has reason to question the size or nonprofit status of the prospective contractor, the contracting officer will follow the procedures at FAR 27.304–1(a).
(iii) The contracting officer shall complete paragraph (j) of the clause at FAR 52.227–11 with the following: Communications and information submissions required by this clause will be made to the individuals identified in the clause at 1852.227–72, Designation of New Technology Representative and Patent Representative.
(iv) See also paragraph (d)(3) of this section.
(6) Alternate IV to 52.227–11 is not used in NASA contracts. See instead 1827.303(b)(1).
(7) The contracting officer shall consult with the center patent or intellectual property counsel regarding the use of Alternate V in contracts for the performance of services at a NASA installation when a contractor is directed to fulfill the Government's obligations under a Cooperative Research and Development Agreement (CRADA) authorized by 15 U.S.C. 3710a. Alternate V may be included in, or added to, the contract when it is contemplated that a Contractor will be directed to fulfill NASA's obligations under a CRADA, but should be added prior to the contractor performing work under the CRADA.
(d)(1) The contracting officer shall insert the clause at 1852.227–70, New Technology—Other than a Small Business Firm or Nonprofit Organization, in all NASA solicitations and contracts with other than a small business firm or a nonprofit organization (i.e., those subject to section 21035(b) of the Act), if the contract is to be performed in the United States, and has as a purpose the performance of experimental, developmental, research, design, or engineering work. Contracts for any of the following purposes may be considered to involve the performance of work of the type described above (these examples are illustrative and not all inclusive):
(i) Conduct of basic or applied research.
(ii) Development, design, or manufacture for the first time of any machine, article of manufacture, or composition
of matter to satisfy NASA's specifications or special requirements.

(iii) Development of any process or technique for attaining a NASA objective not readily attainable through the practice of a previously developed process or technique.

(iv) Testing of, evaluation of, or experimentation with a machine, process, concept, or technique to determine whether it is suitable or could be made suitable for a NASA objective.

(v) Construction work or architect-engineer services having as a purpose the performance of experimental, developmental, or research work or test and evaluation studies involving such work.

(vi) The operation of facilities or the coordination and direction of the work of others, if these activities involve performing work of any of the types described in paragraphs (i) through (v) of this section.

(2) The contracting officer shall insert the provision at 1852.227–71, Requests for Waiver of Rights to Inventions, in all solicitations that include the clause at 1852.227–70, New Technology—Other than a Small Business Firm or Nonprofit Organization (see paragraph (d)(1) of this section).

(3) The contracting officer shall insert the clause at 1852.227–72, Designation of New Technology Representative and Patent Representative, in all solicitations and contracts containing either of the clauses at FAR 52.227–11, Patent Rights—Ownership by the Contractor, or 1852.227–70, New Technology—Other than a Small Business Firm or Nonprofit Organization (see paragraph (d)(1) of this section). It may also be inserted, upon consultation with the center patent or intellectual property counsel, in solicitations and contracts using another patent rights clause. The center New Technology and Patent Representatives are identified at http://prod.nais.nasa.gov/portals/pl/new_tech_pocs.html.

(e)(1) When work is to be performed outside the United States by contractors that are not domestic firms, the clause at 1852.227–85, Invention Reporting and Rights—Foreign, shall be used unless the contracting officer determines, with concurrence of the center patent or intellectual property counsel, that the objectives of the contract would be better served by use of the clause at FAR 52.227–13, Patent Rights—Ownership by the Government. For this purpose, the contracting officer may presume that a contractor is not a domestic firm unless it is known that the firm is not foreign owned, controlled, or influenced. (See FAR 27.304–3 regarding subcontracts with U.S. firms.)

(2) When one of the conditions in FAR 27.303(e)(1)(i) through (iv) is met, the contracting officer shall consult with the center patent or intellectual property counsel to determine the appropriate clause.

1827.304 Procedures.

1827.304–1 General.

(b)(1) Exceptions. In any contract with other than a small business firm or nonprofit organization, the NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1, shall apply.

(c) Greater rights determinations. In any contract with other than a small business firm or a nonprofit organization and with respect to which advance waiver of rights has not been granted (see 1827.302(b)(3)), the contractor (or an employee-inventor of the contractor after consultation with the contractor) may request waiver of title to an individual identified subject invention pursuant to the NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1.

(d) Retention of rights by inventor. The NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1, apply for any invention made in the performance of work under any contract with other than a small business firm or a nonprofit organization.

(f) Revocation or modification of contractor's minimum rights. For contracts with other than a small business firm or a nonprofit organization, revocation or modification of the contractor's license rights in subject inventions made and reported under the contract shall be in accordance with 14 CFR 1245.108 (see 1827.302(i)(2)).

(g) Exercise of march-in rights. For contracts with other than a small business firm or a nonprofit organization, the procedures for the exercise of march-in rights shall be as set forth in

(b) Licenses and assignments under contracts with nonprofit organizations. The Headquarters Agency Counsel for Intellectual Property (ACIP) is the approval authority for assignments. Contractor requests should be made to the Patent Representative designated in the clause at 1852.227–72 and forwarded, with recommendation of the Patent Representative, to the ACIP for approval.

1827.304–2 Contracts placed by or for other Government agencies.

(a)(3)(i) This subsection applies only to contracts placed by or for other agencies and not to task or delivery orders placed by or for other agencies against NASA Government-wide Acquisition Contracts (GWACs) or Multiple Agency Contracts (MACs).

(ii) When a contract is placed for another agency with a small business or nonprofit organization and the agency does not request the use of a specific patent rights clause, the contracting officer shall use the clause at FAR 52.227–11, Patent Rights—Ownership by the Contractor, modified by 1852.227–11 (see 1827.303(b)(1)).

(iii) When a contract is placed for another agency with other than a small business or nonprofit organization, the contracting officer, in accordance with Section 20135 of the Act, shall use the clause at 1852.227–70, New Technology—Other than a Small Business Firm or Nonprofit Organization (see 1827.303(d)(1)).

(iv) When work is to be performed outside the United States by contractors that are not domestic firms, the contracting officer shall use one of the clauses identified in subparagraphs (a)(1) or (2) of this section. At all tiers, the applicable clause identified below shall be modified to identify the parties as follows: references to the Government are not changed, and in all references to the Contractor the subcontractor is substituted for the Contractor so that the subcontractor has all rights and obligations of the Contractor in the clause.

(1) The clause at 1852.227–70, New Technology—Other than a Small Business Firm or Nonprofit Organization, shall be used in any subcontract with other than a small business firm or a nonprofit organization if a purpose of the subcontract is the performance of experimental, developmental, research, design, or engineering work of any of the types described in 1827.303(d)(1).

(2) The clause at FAR 52.227–11, Patent Rights—Ownership by the Contractor, modified by 1852.227–11 (see 1827.303(b)(1)), shall be used in any subcontract with a small business firm or a nonprofit organization if a purpose of the subcontract is the performance of experimental, developmental, or research work.

1827.304–4 Appeals.

FAR 27.304–4 shall apply unless otherwise provided in the NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1.

1827.305 Administration of the patent rights clauses.

1827.305–3 Securing invention rights acquired by the Government.

When the Government acquires the entire right to, title to, and interest in an invention under the clause at 1852.227–70, New Technology—Other than a Small Business Firm or Nonprofit Organization, a determination of title is to be made in accordance with section 20135(b) of the Act (51 U.S.C. 20135(b)), and reflected in appropriate instruments executed by NASA Administrator and forwarded to the contractor by the contracting officer.

Subpart 1827.4—Rights in Data and Copyrights

1827.404 Basic rights in data clause.

1827.404–4 Contractor’s clause, publication, and use of data.

(b)(1) NASA’s intent is to ensure the most expeditious dissemination of computer software developed by it or its contractor. Accordingly, when the
clause at FAR 52.227–14. Rights in Data—General, is modified by 1852.227–14 (see 1827.409(b)(1)), the contractor shall not assert claim to copyright, publish, or release to others computer software first produced in the performance of a contract without the contracting officer’s prior written permission. The prohibition on “release to others” does not prohibit release to another Federal Agency for its use or its contractors’ use, as long as any such release is consistent with any restrictive markings on the software. Any restrictive markings on the software shall take precedence over the aforementioned release. Any such release to a Federal Agency in accordance with this paragraph shall limit use to the Federal Agency or its contractors for Government purposes only.

(2) The contracting officer may, in consultation with the center patent or intellectual property counsel, grant the contractor permission to assert claim to copyright, publish, or release to others computer software first produced in the performance of a contract if:

(i) The contractor has identified an existing commercial computer software product line or proposes a new one and states a positive intention of incorporating identified computer software first produced under the contract into that line, either directly itself or through a licensee;

(ii) The contractor has identified an existing open source software project or proposes a new one and states a positive intention of incorporating identified computer software first produced under the contract into that project, or has been instructed by the Agency to incorporate software first produced under the contract into an open source software project or otherwise release the software as open source software;

(iii) The contractor has made, or will be required to make, substantial contributions to the development of the computer software by co-funding or by cost-sharing, or by contributing resources (including but not limited to agreement to provide continuing maintenance and update of the software at no cost for Governmental use); or

(iv) The concurrence of the Agency Counsel for Intellectual Property, or designee, is obtained.

(c)(1) The contractor’s request for permission in accordance with 1827.404–4(b) may be made either before contract award or during contract performance.

(2)(i) If the basis for permitting the assertion under 1827.404–4(b)(2) is subsection (i), then the permission shall be granted by a contract modification prepared by the contracting officer in consultation with the Center patent or intellectual property counsel that contains appropriate assurances that the computer software will be incorporated into an existing or proposed new commercial computer software product line within a specified reasonable time, with contingencies enabling the Government to obtain the right to distribute the software for commercial use, including the right to obtain assignment of copyright where applicable, in order to prevent the computer software from being suppressed or abandoned by the contractor.

(ii) If the basis for permitting the assertion under 1827.404–4(b)(2) is paragraph (b)(2)(ii), then the permission shall be granted by a contract modification prepared by the contracting officer in consultation with the Center patent or intellectual property counsel that contains appropriate assurances that the computer software will be incorporated into an existing or proposed new open source project within a specified reasonable time, with contingencies enabling the Government to obtain the right to distribute the software for open source development, including the right to obtain assignment of copyright where applicable, in order to prevent the computer software from being suppressed or abandoned by the contractor.

(iii) If the basis for permitting the assertion under 1827.404–4(b)(2) is paragraph (b)(2)(iii), then the permission shall be granted by a contract modification that contains appropriate assurances that the agreed contributions to the Government are fulfilled, with contingencies enabling the Government to obtain assignment of copyright if such contributions do not occur.
in order to prevent the computer software from being suppressed or abandoned by the contractor.

(iv) If the basis for permitting the assertion under 1827.404–4(b)(2) is paragraph (b)(2)(iv), then the permission shall be granted by a contract modification prepared by the contracting officer in consultation with the Center patent or intellectual property counsel that contains appropriate assurances as required by the Agency Counsel for Intellectual Property, or designee, including at the very least the right to obtain assignment of copyright in order to prevent the computer software from being suppressed or abandoned by the contractor.

(3) When any permission to copyright is granted, any copyright license retained by the Government shall be of the same scope as set forth in subparagraph (c)(1) of the clause at FAR 52.227–14 and without any obligation of confidentiality on the part of the Government unless, in accordance with 1827.404–4(b)(2)(iii), the contributions of the Contractor are considered “substantial” for the purposes of FAR 27.408 (i.e., approximately 50 percent), in which case rights consistent with FAR 27.408 may be negotiated for the computer software in question.

(d) If the contractor has not been granted permission to assert claim to copyright, paragraph (d)(4)(ii) of the clause at FAR 52.227–14, Rights in Data—General (as modified by 1852.227–14) enables NASA to direct the contractor to assert claim to copyright in computer software first produced under the contract and to assign, or obtain the assignment of, such copyright to the Government or its designated assignee. The contracting officer may, in consultation with the center patent or intellectual property counsel, direct the contractor to assert claim to copyright in computer software first produced under the contract and to assign, or obtain the assignment of, such copyright to the Government or its designated assignee. The contracting officer may, in consultation with the center patent or intellectual property counsel, direct the contractor to assert claim to copyright in computer software first produced under the contract and to assign, or obtain the assignment of, such copyright to the Government or its designated assignee. The contracting officer may, in consultation with the center patent or intellectual property counsel, direct the contractor to assert claim to copyright in computer software first produced under the contract and to assign, or obtain the assignment of, such copyright to the Government or its designated assignee.

1827.409 Solicitation provisions and contract clauses.

(b)(1) When the clause at FAR 52.227–14, Rights in Data—General, is included in a solicitation or contract, it shall be modified as set forth at 1852.227–14. In contracts for basic or applied research to be performed solely by universities and colleges, the contracting officer shall consult with the center patent or intellectual property counsel regarding the addition of subparagraph (4) as set forth at 1832.227–14 to paragraph (d) of the clause at FAR 52.227–14 and they will consider the guidance provided at FAR 27.404–4.

(2) The contracting officer, with the concurrence of the center patent or intellectual property counsel, is the approval authority for use of Alternate I of the clause at FAR 52.227–14. An example of its use is where the principal purpose of the contract (such as a contract for basic or applied research) does not involve the development, use, or delivery of items, components, or processes that are intended to be acquired for use by or for the Government (either under the contract in question or under any anticipated follow-on contracts relating to the same subject matter).

(3) The contracting officer shall review the disclosure purposes listed in FAR 27.404–2(c)(1)(i) through (v) and, in consultation with the center patent or intellectual property counsel, determine which disclosure purposes apply based on the nature of the acquisition, and add them to paragraph (g)(3) of Alternate II of the clause at FAR 52.227–14, Rights in Data—General. If none apply, the CO shall insert “none”. Additions to those specific purposes listed may be made only with the approval of the procurement officer and concurrence of the center patent or intellectual property counsel.

(4) The contracting officer shall consult with the center patent or intellectual property counsel regarding the acquisition of restricted computer software with greater or lesser rights than those set forth in Alternate III of the clause at FAR 52.227–14, Rights in Data—General. Where it is impractical to actually modify the notice of Alternate III, such greater or lesser rights may be indicated by express reference in a separate clause in the contract or by a collateral agreement that addresses the change in the restricted rights.
(5) The contracting officer, with the concurrence of the center patent or intellectual property counsel, is the approval authority for the use of Alternate IV in any contract other than a contract for basic or applied research to be performed solely by a college or university (but not for the management or operation of Government facilities). See the guidance at FAR 27.404-3(a)(3).

(d) The clause at 52.227-16, Additional Data Requirements, shall be used in all solicitations and contracts involving experimental, developmental, research, or demonstration work (other than basic or applied research to be performed under a contract solely by a university or college when the contract amount will be $500,000 or less), unless after consultation between the Contracting Officer and the center patent or intellectual property counsel a determination is made otherwise.

(g) The contracting officer shall use the clause at 52.227-86, Commercial Computer Software License, in lieu of FAR 52.227-19, Commercial Computer Software License, when it is considered appropriate for the acquisition of existing computer software.

(h) Normally the clause at 52.227-20, Rights in Data—SBIR Program, is the only data rights clause used in SBIR contracts. However, if during the performance of an SBIR contract (Phase I, Phase II, or Phase III) the need arises for NASA to obtain delivery of limited rights data or restricted computer software as defined in the clause at FAR 52.227-20, and the contractor agrees to such delivery, the limited rights data or restricted computer software may be acquired by modification of the contract (for example, by adding the clause at FAR 52.227-14 with any appropriate Alternates and making it applicable only to the limited rights data or restricted computer software to be delivered), using the rights and related restrictions as set forth in FAR 27.404-2 as a guide.

(i) The contract officer shall modify the clause at FAR 52.227-17, Rights in Data—Special Works by adding paragraph (e) as set forth in 1852.227-19(a) to the clause at FAR 52.227-19, Commercial Computer Software License, when it is contemplated that updates, correction notices, consultation information, and other similar items of information relating to commercial computer software delivered under a purchase order or contract are available and their receipt can be facilitated by signing a vendor supplied agreement, registration forms, or cards and returning them directly to the vendor.

(1) The contracting officer shall add paragraph (f) as set forth at 1852.227-19(b) to the clause at FAR 52.227-19, Commercial Computer Software License, when portions of a contractor’s standard commercial license or lease agreement consistent with the clause, Federal laws, standard industry practices, and the FAR are to be incorporated into the purchase order or contract.

(m)(1) The contracting officer, shall consult with the center patent or intellectual property counsel and the installation software release authority to determine when to use the clause at 1852.227-88, Government-furnished computer software and related technical data.

(2) The clause may be included in, or added to, the contract when it is contemplated that computer software and related technical data will be provided to the contractor as Government-furnished information for use in performing the contract.

Subpart 1828.3—Insurance

1828.311 Solicitation provision and contract clause on liability insurance under cost-reimbursement contracts.

1828.311-1 Contract clause.

The contracting officer shall insert the clause at FAR 52.228–7, Insurance—Liability to Third Persons, in solicitations and contracts, other than those for construction contracts and those for architect-engineer services, when a cost-reimbursement contract is contemplated unless—

(a) Waived by the procurement officer; or
(b) The successful offeror represents in its offer that it is totally immune from tort liability as a State agency or as a charitable institution.

[65 FR 54440, Sept. 8, 2000, as amended at 80 FR 12944, Mar. 12, 2015]

1828.311-2 Agency solicitation provisions and contract clauses.

1828.311–270 NASA solicitation provisions and contract clauses.

(a) The contracting officer must insert the clause at 1852.228–71, Aircraft Flight Risks, in all negotiated fixed-price contracts for the development, production, modification, maintenance, or overhaul of aircraft, or otherwise involving the furnishing of aircraft to the contractor, except when the aircraft are covered by a separate bailment. See the clause preface for directions for modifying the clause to accommodate various circumstances.

(b) The Government need not assume the risk of aircraft damage, loss, or destruction as provided by the clause at 1852.228–70 if the best estimate of premium costs that would be included in the contract price for insurance coverage for such damage, loss, or destruction at any plant or facility is less than $500. If it is determined not to assume this risk, the clause at 1852.228–70 shall not be made a part of the contract, and the cost of necessary insurance to be obtained by the contractor to cover this risk shall be considered in establishing the contract price. In such cases, however, if performance of the contract is expected to involve the flight of Government-furnished aircraft, the substance of the clause at 1852.228–71, Aircraft Flight Risks, suitably adapted for use in a fixed-price contract, shall be used.

(c) When the clause at 1852.228–70 is used, the term “Contractor’s premises” shall be expressly defined in the contract Schedule and shall be limited to places where aircraft may be located during the performance of the contract. Contractor’s premises may include, but are not limited to, those owned or leased by the contractor or those for which the contractor has a
permit, license, or other right of use either exclusively or jointly with others, including Government airfields.

1828.371 Clauses incorporating cross-waivers of liability for International Space Station activities and Science or Space Exploration activities unrelated to the International Space Station.

(a) In contracts covering International Space Station activities, or Science or Space Exploration activities unrelated to the International Space Station that involve a launch, NASA shall require the contractor to agree to waive all claims against any entity or person defined in the clause based on damage arising out of Protected Space Operations. This cross-waiver shall apply only if the person, entity, or property causing the damage is involved in Protected Space Operations and the person, entity, or property damaged is damaged by virtue of its involvement in Protected Space Operations. The cross-waivers will require the contractor to extend the cross-waiver provisions to their subcontractors at any tier and related entities ensuring those subcontractors and related entities also waive all claims against any entity or person defined in the clause for damages arising out of Protected Space Operations. The purpose of the clauses prescribed in this section is to extend the cross-waivers under other agreements to NASA contractors that perform work in support of NASA's obligations under these agreements.

(b) The contracting officer shall insert the clause at 1852.228–76, Cross-Waiver of Liability for International Space Station Activities, in solicitations and contracts above the simplified acquisition threshold when the work to be performed involves Protected Space Operations, as that term is defined in the clause, relating to the International Space Station.

(c) The contracting officer shall insert the clause at 1852.228–76, Cross-Waiver of Liability for International Space Station Activities, in solicitations and contracts above the simplified acquisition threshold when the work to be performed involves Protected Space Operations, as that term is defined in the clause, relating to the International Space Station.

(d) At the contracting officer’s discretion, the clauses prescribed by paragraphs (b) and (c) of this section may be used in solicitations, contracts, new work modifications, or extensions to existing contracts under the simplified acquisition threshold involving science or space exploration activities unrelated to the International Space Station, or International Space Station activities, respectively, in appropriate circumstances. Examples of such circumstances are when the value of contractor property on a Government installation used in performance of the contract is significant, or when it is likely that the contractor or subcontractor will have its valuable property exposed to risk or damage caused by other participants in the science or space exploration activities unrelated to the International Space Station, or International Space Station activities.

(77 FR 59341, Sept. 27, 2012)

1828.372 Clause for minimum insurance coverage.

In accordance with FAR 28.306(b) and 28.307, the contracting officer may insert a clause substantially as stated at 1852.228–75, Minimum Insurance Coverage, in fixed-price solicitations and in cost-reimbursement contracts. The contracting officer may modify the clause to require additional coverage, such as vessel liability, and higher limits if appropriate for a particular acquisition.

Subpart 1830.70—Facilities Capital Employed for Facilities in Use and For Facilities Under Construction

1830.7001 Facilities capital employed for facilities in use.

1830.7001–1—1830.7001–3 [Reserved]

1830.7001–4 Postaward FCCOM applications.

(a) Interim billings based on costs incurred. (1) The contractor may include FCCOM in cost reimbursement and progress payment invoices. To determine the amount that qualifies as cost incurred, multiply the incurred portions of the overhead pool allocation bases by the latest available cost of money factors. These FCCOM calculations are interim estimates subject to adjustment.

(2) As actual cost of money factors are finalized, use the new factors to calculate FCCOM for the next accounting period.

(b) Final settlements. (1) Contract FCCOM for final cost determination or repricing is based on each year’s final cost of money factors determined under CAS 414 and supported by separate Forms CASB-CMF.

(2) Separately compute contract FCCOM in a manner similar to yearly

final overhead rates. As in overhead rates, include in the final settlement an adjustment from interim to final contract FCCOM. Do not adjust the contract estimated or target cost.

1830.7002 Facilities capital employed for facilities under construction.

1830.7002–1 Definitions.

(a) Cost of money rate is either—

(1) The interest rate determined by the Secretary of the Treasury under Public Law 92–41 (85 Stat. 97); or

(2) The time-weighted average of such rates for each cost accounting period during which the capital asset is being constructed, fabricated, or developed.

(b) Representative investment is the calculated amount considered invested by the contractor during the cost accounting period to construct, fabricate, or develop the capital asset.

1830.7002–2 Cost of money calculations.

(a) The interest rate referenced in 1830.7002–1(a)(1) is established semi-annually and published in the FEDERAL REGISTER during the fourth week of December and June.

(b) To calculate the time-weighted average interest rate referenced in 1830.7002–1(a)(2), multiply the rates in effect during the months of construction by the number of months each rate was in effect, and then divide the sum of the products by the total number of months.

1830.7002–3 Representative investment calculations.

(a) The calculation of the representative investment requires consideration of the rate or expenditure pattern of the costs to construct, fabricate, or develop a capital asset.

(b) If the majority of the costs were incurred toward the beginning, middle, or end of the cost accounting period, the contractor shall either:

(1) Determine a representative investment for the cost accounting period by calculating the average of the month-end balances for that cost accounting period; or

(2) Treat month-end balances as individual representative investments.
(c) If the costs were incurred in a fairly uniform expenditure pattern throughout the construction, fabrication, or development period, the contractor may either:

1. Determine a representative investment for the cost accounting period by averaging the beginning and ending balances of the construction, fabrication, or development cost account for the cost accounting period;
2. Treat month-end balances as individual representative investments.

(d) The method chosen by the contractor to determine the representative investment amount may be different for each capital asset being constructed, fabricated, or developed, provided the method fits the expenditure pattern of the costs incurred.

1830.7002–4 Determining imputed cost of money.

(a) Determine the imputed cost of money for an asset under construction, fabrication, or development by applying a cost of money rate (see 1830.7002–2) to the representative investment (see 1830.7002–3).

1. When a representative investment is determined for a cost accounting period in accordance with 1830.7002–3(b)(1) or 1830.7002–3(c)(1), the cost of money rate shall be the time-weighted average rate.
2. When a monthly representative investment is used in accordance with 1830.7002–3(b)(2) or 1830.7002–3(c)(2), the cost of money rate shall be that in effect each month. Under this method, the FCCOM is determined monthly, and the total for the cost accounting period is the sum of the monthly calculations.

(b) The imputed cost of money will be capitalized only once in any cost accounting period, either at the end of the accounting period or the end of the construction, fabrication, or development period, whichever comes first.

(c) When the construction, fabrication, or development of an asset takes more than one accounting period, the cost of money capitalized for the first accounting period will be included in determining the representative investment for any future cost accounting periods.

Subpart 1831.2—Contracts with Commercial Organizations

1831.205 Selected costs.

1831.205–70 Contract clause.

The contracting officer must insert the clause at 1852.231–70, Precontract Costs, in contracts for which specific coverage of precontract costs is authorized.

1831.205–671 Solicitation provision.

The contracting officer must insert a provision substantially the same as the provision at 1852.231–71, Determination of Compensation, in solicitations for services which contemplate the award of a cost reimbursement or non-competitive fixed-price type service contract having a total potential value expected to exceed the threshold for requiring certified cost and pricing data as set forth in FAR 15.403–4.

PART 1832—CONTRACT FINANCING

Sec.

Subpart 1832.1—Non-Commercial Item Purchase Financing

1832.111 Contract clauses for non-commercial purchases.
1832.111–70 NASA contract clause.
Subpart 1832.2—Commercial Item Purchase Financing

1832.202–1 Policy. (NASA supplements paragraph (b))

(b)(6) Advance payment limitations do not apply to expendable launch vehicle (ELV) service contracts.

1832.206 Solicitation provisions and contract clauses. (NASA supplements paragraph (g))

(g)(2) The installment payment rate shall be that which is common in the commercial marketplace for the purchased item. If there is no commonly used rate, the contracting officer shall determine the appropriate rate. In no case shall the rate exceed that established in the clause at FAR 52.232–30.

Subpart 1832.4—Advance Payments for Non-Commercial Items

1832.412 Contract clause. (NASA supplement paragraphs (e) and (f))

(e) The contracting officer shall use Alternates IV and V when advance payments are provided on Phase I contracts of the Small Business Innovation Research (SBIR) or Small Business Technology Transfer (STTR) programs.

(f) See 1832.412(e).

1832.412–70 NASA Contract clauses.

When the clause at FAR 52.232–12 or its Alternates II or V are used, insert the clause at 1852.232–70, NASA Modification of FAR 52.232–12.

1832.501 General.

1832.501–1 Customary progress payment rates. (NASA supplements paragraph (a))

(a) The customary progress payment rate for all NASA contracts is 85 percent for large business, 90 percent for...
small business, 95 percent for small disadvantaged business, and 100 percent for Phase II contracts in the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs. The contracting officer shall insert the applicable percentage in paragraphs (a) and (b) of the clause at FAR 52.232-16.

1832.502-4 Contract clauses.

1832.502-470 NASA contract clause.

The contracting officer may insert a clause substantially as stated at 1852.232-82, Submission of Requests for Progress Payments, in fixed-price solicitations and contracts that provide for progress payments. The recipient of the requests and number of copies may be changed as required.

Subpart 1832.7—Contract Funding

1832.705 Contract clauses.

1832.705-2 Clauses for limitation of cost or funds.

1832.705-270 NASA clauses for limitation of cost or funds.

(a) The contracting officer shall insert the clause at 1852.232-77, Limitation of Funds (Fixed-Price Contract), in solicitations and contracts for fixed-price, incrementally-funded contracts or task orders.

(b) The contracting officer shall insert a clause substantially as stated at 1852.232-81, Contract Funding, in Section B of solicitations and contracts containing the clause at FAR 52.232-22, Limitation of Funds. Insert the amounts of funds available for payment, the items covered, and the applicable period of performance. The amount obligated for fee in paragraph (b) of the clause should always be sufficient to pay fee anticipated to be earned for the work funded by the amount in paragraph (a) of the clause.

Subpart 1832.9—Prompt Payment

Source: 81 FR 63145, Sept. 14, 2016, unless otherwise noted.

1832.908 Contract clauses.

1832.908-70 Submission of vouchers.

Insert clause 1852.232-80, Submission of Vouchers for Payment, in all cost-reimbursement solicitations and contracts.

Subpart 1832.10—Performance-Based Payments

1832.1005 Contract clauses. (NASA supplements paragraph (a))

(a) If the contract is for launch services, the contracting officer shall delete paragraph (f) of the clause at FAR 52.232-22 in accordance with 1832.1009.

1832.1009 Title.

In accordance with 42 U.S.C. 2465d, NASA shall not take title to launch vehicles under contracts for launch services unless one of the exceptions in the law applies. However, the law does not eliminate NASA’s right to take title to other property acquired or produced by the contractor under a contract containing a title provision.

Subpart 1832.11—Electronic Funds Transfer

1832.1110 Solicitation provision and contract clauses. (NASA supplements paragraphs (a), (b), and (c)).

(a) [Reserved]

(b) In accordance with FAR 32.1106(b), the use of a nondomestic EFT mechanism is authorized. When a nondomestic EFT mechanism is used, the contracting officer shall replace the paragraph at FAR 52.232-34(c) with a description of the EFT mechanism that will be used for the contract.

PART 1833—PROTESTS, DISPUTES, AND APPEALS

Subpart 1833.1—Protests

1833.103 Protests to the agency.

(d)(4) The provision at 1852.233–70 provides for an alternative to a protest to the United States Government Accountability Office (GAO). This alternative gives bidders or offerors the ability to protest directly to the contracting officer (CO) or to request an independent review by the Assistant Administrator for Procurement (or designee). The Agency review shall be deemed to be at the CO level when the request is silent as to the level of review desired. The Agency review shall be deemed to be at the level of the Assistant Administrator for Procurement (or designee) when the request specifies a level above the CO, even if the request does not specifically request an independent review by the Assistant Administrator for Procurement. Such reviews are separate and distinct from the Ombudsman Program described at 1815.7001.

(e) NASA shall summarily dismiss and take no further action upon any protest to the Agency if the substance of the protest is pending in judicial proceedings or the protester has filed a protest on the same acquisition with the GAO prior to receipt of an Agency protest decision.

(4) When a bidder or offeror submits an Agency protest to the CO or alternatively requests an independent review by the Assistant Administrator for Procurement, the decision of the CO or the Assistant Administrator for Procurement shall be final and is not subject to any appeal or reconsideration within NASA.

[80 FR 36721, June 26, 2015]

1833.106–70 Solicitation provision.

The contracting officer shall insert the provision at 1832.233–70 in all solicitations.

Subpart 1833.2—Disputes and Appeals

1833.215 Contract clause.

The contracting officer shall use the clause at FAR 52.233–1, Disputes, with its Alternate I whenever continued performance is vital to national security, the public health and welfare, important Agency programs, or other essential supplies or services whose timely reprocurement from other sources would be impracticable.

PART 1834—MAJOR SYSTEM ACQUISITION

Subpart 1834.2—Earned Value Management System

Sec.
1834.201 Policy.
1834.203 Solicitation provisions and contract clause.
1834.203-70 NASA solicitation provision and contract clause.

AUTHORITY: 51 U.S.C. 20113(a) and 48 CFR chapter 1.
SOURCE: 71 FR 66120, Nov. 13, 2006, unless otherwise noted.

Subpart 1834.2—Earned Value Management System

1834.201 Policy.

(a) NASA requires use of an Earned Value Management System (EVMS) on contracts for development or production work, including development or production work for flight and ground support systems and components, prototypes, and institutional investments (facilities, IT infrastructure, etc.) as specified below:

(1) For cost or fixed-price incentive contracts and subcontracts valued at $50 Million or more the contractor shall have an EVMS that has been determined by the cognizant Federal agency to be in compliance with the guidelines in the American National Standards Institute/Electronic Industries Alliance Standard 748, Earned Value Management Systems (ANSI/EIA–748).

(2) For cost or fixed-price incentive contracts and subcontracts valued at $20 Million or more but less than $50 Million, the contractor shall have an EVMS that complies with the guidelines in ANSI/EIA–748, as determined by the cognizant Contracting Officer.

(3) For cost or fixed-price incentive contracts and subcontracts valued at less than $20 Million the application of Earned Value Management (EVM) is optional and is a risk-based decision at the discretion of the program/project manager.

(b) Requiring EVM for firm-fixed-price (FFP) contracts and subcontracts of any dollar value is discouraged; however, an Integrated Master Schedule (IMS) and adequate reporting shall be required to plan and track schedule performance for development or production contracts valued at $20 Million or more. In addition, for FFP contracts that are part of a program/project of $50 Million or more, the contracting officer shall collaborate with the government’s program/project manager to ensure the appropriate data can be obtained or generated to fulfill program management needs and comply with NASA Procedural Requirements (NPR) 7120.5.

(c) An EVMS is not required on non-developmental contracts for engineering support services, steady state operations, basic and applied research, and routine services such as janitorial services or grounds maintenance services.

(d) Contracting officers shall request the assistance of the cognizant Defense Contract Management Agency (DCMA) office and the applicable NASA Center EVM Focal Point (http://evm.nasa.gov/council.html) in determining the adequacy of proposed EVMS plans and procedures and system compliance.

(e) Notwithstanding the EVMS requirements above, if an offeror proposes to use a system that has not been determined to be in compliance with the ANSI/EIA Standard–748, Earned Value Management Systems, the offeror shall submit a comprehensive plan for compliance with these EVMS standards, as specified in 1852.234–1, Notice of Earned Value Management System. Offerors shall not be eliminated from consideration for contract award because they do not have an EVMS that complies with these standards.

(f) As a minimum, and in accordance with NPD 7120.5, requirements initiators shall ensure that EVMS monthly reports are included as a deliverable in the acquisition package provided to the procurement office for implementation into contracts where EVMS applies. Additionally, the acquisition package shall include a Contract Performance Report (CPR), IMS and a
Work Breakdown Structure (WBS) and the appropriate data requirements descriptions (DRDs) for implementation into the contract.

[76 FR 40280, July 8, 2011, as amended at 80 FR 12944, Mar. 12, 2015]

1834.203 Solicitation provisions and contract clause.

The FAR EVMS solicitation provisions and contract clause are not used in NASA contracts. See 1834.203–70 for the NASA EVMS solicitation provision and contract clause.

1834.203–70 NASA solicitation provision and contract clause.

Except for firm-fixed price contracts and the contracts identified in 1834.201(c), the contracting officer shall insert—

(a) The provision at 1852.234–1, Notice of Earned Value Management System, in solicitations for contracts for—

(1) Development or production, including flight and ground support projects, and institutional projects (facility, IT investment, etc.), with a value exceeding $20M; and

(2) Acquisitions of any value designated as major by the project manager in accordance with OMB Circular A–11; and

(b) The clause at 1852.234–2, Earned Value Management System, in solicitations and contracts with a value exceeding $50M that include the provision at 1852.234–1. The contracting officer shall use the clause with its Alternate I when the contract value is less than $50M.

1835.016–70 Foreign participation under broad agency announcements (BAAs).

(a) Policy. (1) NASA seeks the broadest participation in response to broad agency announcements, including foreign proposals or proposals including foreign participation. NASA’s policy is to conduct research with foreign entities on a cooperative, no-exchange-of-funds basis (see NPD 1360.2, Initiation and Development of International Cooperation in Space and Aeronautics Programs). NASA does not normally fund foreign research proposals or foreign research efforts that are part of U.S. research proposals. Rather, cooperative research efforts are implemented via international agreements between NASA and the sponsoring foreign agency or funding/sponsoring institution under which the parties agree to each bear the cost of discharging their respective responsibilities.

(2) In accordance with the National Space Transportation Policy, use of a non-U.S. manufactured launch vehicle is permitted only on a no-exchange-of-funds basis.

(3) NASA funding may not be used for subcontracted foreign research efforts. The direct purchase of supplies and/or services, which do not constitute research, from non-U.S. sources by U.S. award recipients is permitted.

1835.016–71 NASA Research Announcements.

(a) Scope. An NRA is used to announce research interests in support of NASA’s programs, and, after peer or scientific review using factors in the NRA, select proposals for funding. Unlike an RFP containing a statement of work or specification to which offerors are to respond, an NRA provides for the submission of competitive project ideas, conceived by the offerors, in one or more program areas of interest. An
NRA shall not be used when the requirement is sufficiently defined to specify an end product or service.

1835.070 NASA contract clauses and solicitation provision.

(a) The contracting officer shall insert the clause at 1852.235–70, Center for AeroSpace Information, in all research and development contracts, and interagency agreements and cost-reimbursement supply contracts involving research and development work.

(b) The contracting officer shall insert the clause at 1852.235–71, Key Personnel and Facilities, in contracts when source selection has been substantially predicated upon the possession by a given offeror of special capabilities, as represented by key personnel or facilities.

(c) The contracting officer shall ensure that the provision at 1852.235–72, Instructions for Responding to NASA Research Announcements, is inserted in all NRAs. The instructions may be supplemented, but only to the minimum extent necessary.

(d) The contracting officer shall insert the clause at 1852.235–73, Final Scientific and Technical Reports, in all research and development contracts, and in interagency agreements and cost-reimbursement supply contracts involving research and development work.

(1) The contracting officer, after consultation with and concurrence of the program or project manager and the center Export Control Administrator, shall insert the clause with its Alternate II, when prior review of all data produced during the performance of the contract is required before the contractor may publish, release, or otherwise disseminate the data. For example, when data produced during performance of the contract may be subject to export control, national security restrictions, or other restrictions designated by NASA; or, to the extent the contractor receives or is given access to data that includes restrictive markings, may include proprietary information of others.

(3) Except when Alternate II applies in accordance with paragraph (d)(2) of this section, the contracting officer shall insert the clause with its Alternate III in all SBIR and STTR contracts.

(e) The contracting officer shall insert a clause substantially the same as the clause at 1852.235–74, Additional Reports of Work—Research and Development, in all research and development contracts, and in interagency agreements and cost-reimbursement supply contracts involving research and development work, when periodic reports, such as monthly or quarterly reports, or reports on the completion of significant units or phases of work are required for monitoring contract performance. The clause should be modified to reflect the reporting requirements of the contract and to indicate the timeframe for submission of the final report.

Subpart 1836.2—Special Aspects of Contracting for Construction

1836.203 Government estimate of construction costs. (NASA supplements paragraph (c))

(c)(i) If the acquisition is by sealed bidding, the contracting officer shall file a sealed copy of the detailed Government estimate with the bids until bid opening. After the bids are read and recorded, the contracting officer shall read the estimate, and record it in the same detail as the bids.

(ii) If the acquisition is by negotiation, the contracting officer may disclose the overall amount of the Government estimate after award upon request of offerors.

1836.213–370 Additive and deductive items.

When it appears that funds available for a project may be insufficient for all the desired features of construction, the contracting officer may provide in the invitation for bids for a first or base bid item covering the work generally as specified and one or more additive or deductive bid items progressively adding or omitting specified features of the work in a stated order of priority. In such case, the contracting officer, before the opening of bids, shall record in the contract file the amount of funds available for the project and determine the low bidder and the items to be awarded in accordance with the provisions at 1832.236–71, Additive or Deductive Items.

Subpart 1836.6—Architect-Engineer Services

1836.602 Selection of firms for architect-engineer contracts.

1836.602–1 Selection criteria. (NASA supplements paragraph (a))

(a)(2) The evaluation of specialized experience and technical competence shall be limited to the immediately preceding ten years.

(4) The evaluation of past performance shall be limited to the immediately preceding ten years.

(6) The architect-engineer selection board may also establish evaluation criteria regarding the volume of work previously awarded to the firm by NASA, with the object of effecting an equitable distribution of contracts among qualified architect-engineer firms, including minority-owned firms.
and firms that have not had prior NASA contracts.

Subpart 1836.70—Partnering

1836.7004 NASA solicitation provision and contract clause.

The contracting officer may insert a clause substantially the same as stated at 1852.236–75, Partnering for Construction Contracts, in solicitations and contracts for construction, when it has been determined that the benefits to be derived from partnering exceed the costs.

1837.101 Definitions.

Pension portability means the recognition and continuation in a successor service contract of the predecessor service contract employees’ pension rights and benefits.

1837.104 Personal services contracts. (NASA supplements paragraph (b))

(b) Section 203(c)(9) of the National Aeronautics and Space Act of 1958 (42 U.S.C. 2473(c)(9)) authorizes NASA “to obtain services as authorized by Section 3109 of Title 5, United States Code.” It is NASA policy to obtain the personal services of experts and consultants by appointment rather than by contract. The policies, responsibilities, and procedures pertaining to the appointment of experts and consultants are in NPR 3300.1, Appointment of Personnel To/From NASA, Chapter 4, Employment of Experts and Consultants.

1837.110 Solicitation provisions and contract clauses.

(a) The contracting officer shall insert the clause at 1852.237–70, Emergency Evacuation Procedures, in solicitations and contracts for on-site support services where emergency evacuations of the NASA installation may occur, e.g., snow, hurricanes, tornadoes, earthquakes, or other emergencies.

(b) The contracting officer shall insert the clause at 1852.237–71, Pension Portability, in solicitations, contracts or negotiated contract modifications for additional work when the procurement officer makes the determination in 1837.170(a)(2).

1837.170 Pension portability.

(a) It is NASA’s policy not to require pension portability in service contracts. However, pension portability requirements may be included in solicitations, contracts, or contract modifications for additional work under the following conditions:

1. The contracting officer shall consider a clause at 1852.237–71, Pension Portability, in solicitations, contracts or negotiated contract modifications for additional work when the procurement officer makes the determination in 1837.170(a)(2).

1837.170 Pension portability.

(a) It is NASA’s policy not to require pension portability in service contracts. However, pension portability requirements may be included in solicitations, contracts, or contract modifications for additional work under the following conditions:

1. There is a continuing need for the same or similar services for a minimum of five years (inclusive of options), and, if the contractor changes, a
high percentage of the predecessor contractor’s employees are expected to re-
main with the program; or
(ii) The employees under a prede-
cessor contract were covered by a port-
able pension plan, a follow-on contract or a contract consolidating existing
services is awarded, and the total con-
tract period covered by the plan covers
a minimum of five years (including
both the predecessor and successor con-
tracts); and
(2) The procurement officer deter-
nines in writing, with full supporting
rationale, that such a requirement is in
the Government’s best interest. The
procurement officer shall maintain a
record of all such determinations.
(b) When pension portability is re-
quired, the plan shall comply with the
requirements of the clause at 1852.237–
71, Pension Portability, (see 1837.110–
70(b)), and the contract shall also in-
clude a clear description of the plan,
including service, pay, liabilities, vest-
ing, termination, and benefits from
prior contracts.

Subpart 1837.2—Advisory and
Assistance Services

Source: 80 FR 43031, July 21, 2015, unless
otherwise noted.

1837.203 Policy.

(c) Advisory and assistance services
of individual experts and consultants
shall normally be obtained by appoint-
ment rather than by contract (see NPR
3300.1, Appointment of Personnel To/
From NASA, Chapter 4, Employment of
Experts and Consultants).

1837.203–70 Providing contractors ac-
cess to sensitive information.

(a)(1) As used in this subpart, “sen-
sitive information” refers to informa-
tion that the contractor has developed
at private expense or that the Govern-
ment has generated that qualifies for
an exception to the Freedom of Infor-
mation Act, which is not currently in
the public domain, may embody trade
secrets or commercial or financial in-
formation, and may be sensitive or
privileged, the disclosure of which is
likely to have either of the following
effects: To impair the Government’s
ability to obtain this type of informa-
tion in the future; or to cause substan-
tial harm to the competitive position
of the person from whom the informa-
tion was obtained. The term is not in-
tended to resemble the markings of na-
tional security documents as in sen-
sitive-secret-top secret.

(2) As used in this subpart, “requir-
ing organization” refers to the NASA
organizational element or activity that
requires specified services to be pro-
vided.

(3) As used in this subpart, “service
provider” refers to the service con-
tractor that receives sensitive informa-
tion from NASA to provide services to
the requiring organization.

(b)(1) To support management activi-
ties and administrative functions,
NASA relies on numerous service pro-
viders. These contractors may require
access to sensitive information in the
Government’s possession, which may
be entitled to protection from unau-
thorized use or disclosure.

(2) As an initial step, the requiring
organization shall identify when need-
ed services may entail access to sen-
sitive information and shall determine
whether providing access is necessary
for accomplishing the Agency’s mis-
tion. The requiring organization shall
review any service provider requests
for access to information to determine
whether the access is necessary and
whether the information requested is
considered “sensitive” as defined in
paragraph (a)(1) of this section.

(c) When the requiring organization
determines that providing specified
services will entail access to sensitive
information, the solicitation shall re-
quire each potential service provider to
submit with its proposal a preliminary
analysis of possible organizational con-
licts of interest that might flow from
the award of a contract. After selec-
tion, or whenever it becomes clear that
performance will necessitate access to
sensitive information, the service pro-
vider must submit a comprehensive or-
ganizational conflicts of interest avoid-
ance plan.

(d) This comprehensive plan shall in-
corporate any previous studies per-
formed, shall thoroughly analyze all
organizational conflicts of interest that
might arise because the service pro-
vider has access to other companies’
sensitive information, and shall establish specific methods to control, mitigate, or eliminate all problems identified. The contracting officer, with advice from Center counsel, shall review the plan for completeness and identify to the service provider substantive weaknesses and omissions for necessary correction. Once the service provider has corrected the substantive weaknesses and omissions, the contracting officer shall incorporate the revised plan into the contract, as a compliance document.

(e) If the service provider will be operating an information technology system for NASA that contains sensitive information, the operating contract shall include the clause at 1852.204–76, Security Requirements for Unclassified Information Technology Resources, which requires the implementation of an Information Technology Security Plan to protect information processed, stored, or transmitted from unauthorized access, alteration, disclosure, or use.

(f) NASA will monitor performance to assure any service provider that requires access to sensitive information follows the steps outlined in the clause at 1852.237–72, Access to Sensitive Information, to protect the information from unauthorized use or disclosure.

1837.203–71 Release of contractors’ sensitive information.

Pursuant to the clause at 1852.237–73, Release of Sensitive Information, offerors and contractors agree that NASA may release their sensitive information when requested by service providers in accordance with the procedures prescribed in 1837.203–70 and subject to the safeguards and protections delineated in the clause at 1852.237–72, Access to Sensitive Information. As required by the clause at 1852.237–73, or other contract clause or solicitation provision, contractors must identify information they claim to be “sensitive” submitted as part of a proposal or in the course of performing a contract. The contracting officer shall evaluate all contractor claims of sensitivity in deciding how NASA should respond to requests from service providers for access to information.

1837.203–72 NASA contract clauses.

(a) The contracting officer shall insert the clause at 1852.237–72, Access to Sensitive Information, in all solicitations and contracts for services that may require access to sensitive information belonging to other companies or generated by the Government.

(b) The contracting officer shall insert the clause at 1852.237–73, Release of Sensitive Information, in all solicitations, contracts, and basic ordering agreements.

Subpart 1839.1—General

1839.107 Contract clause.

(a) (1) The contracting officer shall insert the clause substantially as stated at 1852.239–70, Alternate Delivery Points, in solicitations and contracts for information technology when:

(i) An indefinite delivery/indefinite quantity contract will be used or when the contract will include options for additional quantities; and

(ii) Delivery is F.O.B. destination to the contracting activity.

(2) When delivery is F.O.B. origin and Government bills of lading (GBL) are used, the contracting officer shall use the clause with its Alternate I.

1842.7001 Denied access to NASA facilities.

The contracting officer shall insert the clause at 1852.242–72, Denied Access to NASA Facilities, in solicitations and contracts where contractor personnel will be working onsite at NASA Headquarters and NASA Centers, including Component Facilities and Technical and Service Support Centers. For a list of NASA facilities see NPD 1000.3 “The NASA Organization”. The contracting officer shall not insert the clause where contractor personnel will be working onsite at the Jet Propulsion Laboratory including the Deep Space Network Communication Facilities (Goldstone, CA; Canberra, Australia; and Madrid, Spain).

As authorized in the prefaces of clauses FAR 52.243–1, Changes—Fixed Price; FAR 52.243–2, Changes—Cost Reimbursement; and FAR 52.243–4, Changes; and in the prescription at 43.205(c) for FAR 52.243–3, Changes—Time-and-Material or Labor-Hours, the period within which a contractor must assert its right to an equitable adjustment may be varied not to exceed 60 calendar days.

[65 FR 58932, Oct. 3, 2000]

**1843.205–70 NASA contract clauses.**

(a)(1) The contracting officer may insert in contracts a clause substantially the same as 1852.243–70, Engineering Change Proposals, when ECPs are expected. Paragraphs (c) and (d) of the basic clause and Alternate I of the clause shall be changed to reflect the specific type of contract.

(2) If it is desirable to preclude a large number of small-dollar, contractor-initiated engineering changes and to reduce the administrative cost of reviewing them, the contracting officer shall use the clause with its Alternate I.

(3) If the contract is a cost-reimbursement type, the contracting officer shall use the clause with its Alternate II.

(b) The contracting officer may insert a clause substantially as stated at 1852.243–72, Equitable Adjustments, in solicitations and contracts for—

(1) Dismantling, demolishing, or removing improvements; or

(2) Construction, when the contract amount is expected to exceed the simplified acquisition threshold and a fixed-price contract is contemplated.

**Subpart 1843.71—Shared Savings**

**1843.7101 Shared Savings Program.**

This subpart establishes and describes the methods for implementing and administering a Shared Savings Program. This program provides an incentive for contractors to propose and implement, with NASA approval, significant cost reduction initiatives. NASA will benefit as the more efficient business practices that are implemented lead to reduced costs on current and follow-on contracts. In return,
contractors are entitled to share in cost savings subject to limits established in the contract. The contracting officer may require the contractor to provide periodic reporting, or other justification, or to require other steps (e.g., cost segregation) to ensure projected cost savings are being realized.

1843.7102 Solicitation provision and contract clause.

The contracting officer shall insert the clause at 1852.243–71, Shared Savings, in all solicitations and contracts expected to exceed $1,000,000, except those awarded under FAR part 12, NRA and AO procedures, or the SBIR and STTR programs.

1845.107 Contract clauses.

1845.107-70 NASA solicitation provisions and contract clauses.

(a)(1) The contracting officer shall insert the clause at 1852.245-70, Contractor Requests for Government-furnished Property, in cost reimbursement solicitations and contracts.

(2) Use the clause with its Alternate I when the center Supply and Equipment Management Officer (SEMO) consents to permit the contractor to screen Government inventory for available property in lieu of contractor acquisition of new items.

(b)(1) The contracting officer shall insert the clause at 1852.245-71, Installation—Accountable Government Property, in solicitations and contracts when Government property is to be made available to a contractor working on a NASA installation, and the Government will maintain accountability for the property. The contracting officer shall list in the clause the applicable property user responsibilities. For purposes of this clause, NASA installations include local off-site buildings owned or leased by NASA.

(2) Use of this clause is subject to the SEMO’s concurrence that adequate Government property management resources are available for oversight of the property in accordance with all applicable NASA installation property management directives.

(3) The contracting officer shall identify, in the contract, the nature, quantity, and acquisition cost of the property and make it available on a nocharge basis.

(4) The contracting officer shall use the clause with its Alternate I if the SEMO requests that the contractor be restricted from use of the center central receiving facility for the purposes of receiving contractor-acquired property.

(5) For contractors with both onsite and offsite performance requirements, contracting officers shall list Government property provided for offsite use separately in the contract. This Government property is furnished under FAR 52.245–1, Government Property, and remains accountable to the contractor during its use on the contract. This Government property is not subject to the clause at 1852.245–71, Installation—Accountable Government Property. The contracting officer shall address any specific maintenance considerations (e.g., requiring or precluding use of an installation calibration or repair facility) elsewhere in the contract.

(c) The contracting officer shall insert the clause at 1852.245-72, Liability for Government Property Furnished for Repair or Other Services, in fixed-price, time-and-material, and labor-hour solicitations and contracts (except for experimental, developmental, or research work with educational or nonprofit institutions, where no profit is contemplated) for repair, modification, rehabilitation, or other servicing of Government property, if such property is to be furnished to a contractor for that purpose and no other Government property is to be furnished. The contracting officer shall not require additional insurance under the clause unless the circumstances clearly indicate advantages to the Government.

(d) The contracting officer shall insert the clause at 1852.245-73, Financial Reporting of NASA Property in the Custody of Contractors, in cost reimbursement solicitations and contracts unless all property to be provided is subject to the clause at 1852.245–71, Installation—Accountable Government Property. The clause shall also be included in other types of solicitations and contracts when it is known at award that property will be provided to the contractor or that the contractor will acquire property title to which will vest in the Government prior to delivery.

(e) The contracting officer shall insert the clause at 1852.245-74, Identification and Marking of Government Property, in solicitations and contracts that—

(1) Include the clause at FAR 52.245-1; or

(2) Require the delivery of supplies.

(f) The contracting officer shall insert the clause at 1852.245-75, Property Management Changes, in solicitations and contracts that provide for progress payments or include any of the property clauses prescribed in FAR Part 45.
(g) The contracting officer shall insert the clause at 1852.245-76, List of Government Property Furnished Pursuant to FAR 52.245-1, in solicitations and contracts when the contractor is to be accountable under the contract for Government property.

(h) The contracting officer shall insert the clause at 1852.245-77, List of Government Property Furnished Pursuant to FAR 52.245-2, in solicitations and contracts containing the clause at 52.245-2, Government Property Installation Operation Services. In addition, the contracting officer shall insert the following language in the blanks in paragraph (e) of the clause at 52.245-2:

“The Government property provided under this clause is identified in clause 1852.245-77 of this contract.”

(i) The contracting officer shall insert the clause at 1852.245-78, Physical Inventory of Capital Personal Property, in cost reimbursement and fixed-price solicitations and contracts that provide Government property.

(j) The contracting officer shall insert the clause at 1852.245-79, Records and Disposition Reports for Government Property with Potential Historic or Significant Real Value, in solicitations and contracts when, after consultation with the center Historic Preservation Officer, it is determined that the items acquired for or produced by the contract are likely to have historic significance or increased value due to their use in support of NASA projects and programs.

(k)(1) The contracting officer shall insert the provision at 1852.245-80, Government Property Management Information, in solicitations when it is known, or there is a reasonable chance, that Government property will be provided to the contractor for contract performance.

(2) The contracting officer shall use the provision with Alternate 1 when there are sufficient time and resources to allow prospective contractors the opportunity to inspect the property.

(l) The contracting officer shall insert the provision at 1852.245-81, List of Available Government Property, in solicitations when Government property will be made available for contract performance.

(m) The contracting officer shall insert the clause at 1852.245-82, Occupancy Management Requirements, in solicitations and contracts that require performance on, or in, any NASA Center, Installation, facility or other NASA owned property.

(n) The contracting officer shall insert the clause at 1852.245-83 Real Property Management Requirements, in solicitations and contracts for acquisition, construction, modification (including when the modification is a consequence of another approved task, e.g., installation of telephonic or local area network equipment), demolition, or management of real property.

1845.301–71 Use of Government property for commercial work.

(a) The coverage at FAR 45.3 applies to a contractor’s commercial (any non-Government) use of any NASA equipment.

(b)(1) The Center Procurement Officer is the approval authority for non-Government use of equipment exceeding 25 percent.

(2) The percentage of Government and non-Government use shall be computed on the basis of time available for use. For this purpose, the contractor’s normal work schedule, as represented by scheduled production shift hours, shall be used. All equipment having a unit acquisition cost of less than $500,000 at any single location may be averaged over a quarterly period. Equipment having a unit acquisition cost of $500,000 or more shall be considered on an item-by-item basis.

(3) Approvals for non-Government use, less than 25 percent, may not exceed 1 year. Approval for non-Government use in excess of 25 percent shall not exceed 3 months.

(4) Requests for the approval shall be submitted to the Center Procurement Officer for review.
1845.302

Officer at least 6 weeks in advance of the projected use and shall include—

(i) The number of equipment items involved and their total acquisition cost; and

(ii) An itemized listing of equipment having an acquisition cost of $500,000 or more, showing for each item the nomenclature, year of manufacture, and acquisition cost.

1845.302 Use of Government property on contracts with foreign governments or international organizations.

(a) NASA contracting officers will recover a fair share of the cost of Government property if such property is used in performing services or manufacturing articles for foreign countries or for international organizations.

Subpart 1845.4 [Reserved]

Subpart 1845.5—Support Government Property Administration

SOURCE: 76 FR 2005, Jan. 12, 2011, unless otherwise noted.

1845.501–70 General.

(b) When the Industrial Property Officer or Property Administrator determines that the contractor’s proposed systems, standards and practices for the management of Government property are inadequate to manage Government property, the Contracting Officer should:

(1) Require the contractor to provide a written revision that addresses the determination of the Industrial Property Officer or Property Administrator.

1845.503–70 Delegations of property administration and plant clearance.

(c) Under the clause at 1852.245–71, Installation-Accountable Government Property, property is managed by center logistics functions using NASA internal policy and procedural guidance, except—

(1) When contractors are provided or are allowed the use of property that is not governed by that procedural guidance, management of that property is governed by the applicable FAR clause.

(2) When the contractor is responsible for performance of any segment of a property system under a FAR property clause, then property administration and plant clearance are required.

1845.505–70 Responsibilities of the property administrator.

(c) When the property administrator determines that all or a portion of a contractor’s property management practices and processes do not afford sufficient protection against loss, damage or destruction of Government property:

(1) The property administrator shall increase surveillance to prevent, to the extent possible, any loss, damage, or destruction of Government property; and

(2) Advise the contracting officer of any known or reported incidence of loss, damage or destruction identified during any period in which the contracting officer has revoked the Government’s acceptance of risk.

(d) The property administrator shall review records and the results of contractor actions to identify any and all incidence where the contractor fails to report property no longer required for performance for periods longer than called for in their standards and practices.

1845.506–70 Responsibilities of the plant clearance officer.

When plant clearance is not delegated to DOD, NASA plant clearance officers shall be responsible for—

(a) Providing the contractor with instructions and advice regarding the proper preparation of inventory schedules;

(b) Accepting or rejecting inventory schedules;

(c) Conducting or arranging for inventory verification;

(d) Initiating prescribed screening and effecting resulting actions;

(e) Final plant clearance of contractor inventory;

(f) Pre-inventory scrap determinations, as appropriate;

(g) Evaluating the adequacy of the contractor’s procedures for property disposal and providing feedback to the
Property Administrator regarding the contractor's performance in property disposal activities;
(h) Determining the method of disposal;
(i) Surveillance of any contractor conducted sales;
(j) Accounting for all contractor inventory reported by the contractor;
(k) Advising and assisting, as appropriate, the contractor, the Supply and Equipment Management Officer (SEMO) and other Federal agencies in all actions relating to the proper and timely disposal of contractor inventory;
(l) Approving the method of sale, evaluating bids, and approving sale prices for any contractor-conducted sales; and
(m) Recommending the reasonableness of selling expenses related to any contractor-conducted sales.

Subpart 1845.6—Reporting, Redistribution, and Disposal of Contractor Inventory

1845.604 Restrictions on purchase or retention of contractor inventory.

(1) No contractor may sell contractor inventory to persons known by it to be NASA or DOD personnel who have been engaged in administering or terminating NASA contracts.
(2)(i) The contractor's or subcontractor's authority to approve the sale, purchase, or retention of Government property on a contract which is excess to needs after Government reutilization screening at less than cost by a subcontractor, and the subcontractor's authority to sell, purchase, or retain such property at less than cost with the approval of the contractor or next higher-tier subcontractor does not include authority to approve—
(A) A sale by a subcontractor to the contractor, the next higher-tier subcontractor, or their affiliates; or
(B) A sale, purchase, or retention by a subcontractor affiliated with the contractor or next higher-tier subcontractor.
(ii) Each excluded sale, purchase, or retention requires the written approval of the plant clearance officer.

1845.606–70 Contractor’s approved scrap procedure.

(a) When a contractor has an approved scrap procedure, certain property may be routinely disposed of in accordance with that procedure and not processed under this section.
(d) Property in scrap condition, other than that disposed of through the contractor’s approved scrap procedure, shall be reported on appropriate inventory schedules for disposition in accordance with the provisions of FAR Part 45 and NFS 1845.

[76 FR 2006, Jan. 12, 2011]

1845.607 Scrap.

1845.607–1 General.

1845.607–170 Contractor’s approved scrap procedure.

(a) When a contractor has an approved scrap procedure, certain property may be routinely disposed of in accordance with that procedure and not processed under this section.
(b)–(c) [Reserved]
(d) Property in scrap condition, other than that disposed of through the contractor’s approved scrap procedure, shall be reported on appropriate inventory schedules for disposition in accordance with the provisions of FAR part 45 and 1845.

1845.607–2 Recovering precious metals. (NASA supplements paragraph (b)).

(b) Silver, gold, platinum, palladium, rhodium, iridium, osmium, and ruthenium; scrap bearing such metals; and items containing recoverable quantities of them shall be reported to the Defense Reutilization and Marketing Service, DRMS-R, Federal Center, Battle Creek, MI 49017–3092, for instructions regarding disposition.
1845.610  Sale of surplus contractor inventory.

1845.610–4 Contractor inventory in foreign countries.

NASA procedures for disposal are in NPR 4300.1, NASA Personal Property Disposal Procedures and Guidelines.

Subpart 1845.71—Forms Preparation

1845.7101 Instructions for preparing NASA Form 1018.

NASA must account for and report assets in accordance with 31 U.S.C. 3512 and 31 U.S.C. 3515, Federal Accounting Standards, and Office of Management and Budget (OMB) instructions. Since contractors maintain NASA’s official records for its assets in their possession, NASA must obtain periodic data from those records to meet these requirements. Changes in Federal Accounting Standards and OMB reporting requirements may occur from year to year, requiring contractor submission of supplemental information with the NASA Form (NF) 1018. The specific Statements of Federal Financial Accounting Standards (SFFAS) to be used for property records are SFFAS No. 3 “Accounting for Inventory and Related Property”, SFFAS No. 6 “Accounting for Property, Plant and Equipment”, SFFAS No. 10 “Accounting for Internal Use Software”, and SFFAS No. 11 “Amendments to PP&E: Definitions” issued by the Federal Accounting Standards Advisory Board. Classifications of property, related costs to be reported, and other reporting requirements are discussed in this subpart. NF 1018 (see 1853.3) provides critical information for NASA financial statements and property management. Accuracy, completeness, and timeliness of the report are critical to many aspects of NASA’s operations.

[68 FR 63024, Oct. 31, 2003]

1845.7101–1 Property classification.

(a) General. (1) Contractors shall report costs in the classifications on NF 1018, as described in this section. The cost of heritage assets and obsolete property will be reported on the NF 1018 under the appropriate classification. Supplemental reporting may also be required.

(2)(i) Heritage assets are property, plant and equipment that possess one or more of the following characteristics:

(A) Historical or natural significance;

(B) Cultural, educational or artistic importance; or

(C) Significant architectural characteristics.

(ii) Examples of NASA heritage assets include buildings and structures designated as National Historic Landmarks as well as aircraft, spacecraft and related components on display to enhance public understanding of NASA programs. Heritage assets which serve both a heritage and government operation function are considered multi-use when the predominant use is in general government operations. Multi-use heritage assets will not be considered heritage assets for NF 1018 supplemental reporting purposes.

(3) Obsolete property is property for which there are no current plans for use in its intended purpose (i.e., it no longer provides service to NASA operations). Examples of obsolete property are items in configurations which are no longer required or used by NASA or items held for engineering evaluation purposes only. NASA may have approved the retention of these items for programmatic reasons even though they have no current plans for use.

(b) Land. Includes costs of land and improvements to land. Contractors shall report land with a unit acquisition cost of $500,000 or more.

(c) Buildings. Includes costs of buildings, improvements to buildings, and fixed equipment required for the operation of a building which is permanently attached to and a part of the building and cannot be removed without cutting into the walls, ceilings, of floors. Contractors shall report buildings with a unit acquisition cost of $500,000 or more. Examples of fixed equipment required for functioning of a building include plumbing, heating and lighting equipment, elevators, central
(d) *Other Structures and Facilities.* Includes costs of acquisitions and improvements of real property (i.e., structures and facilities other than buildings); for example, airfield pavements, harbor and port facilities, power production facilities and distribution systems, reclamation and irrigation facilities, flood control and navigation aids, utility systems (heating, sewage, water and electrical) when they serve several buildings or structures, communication systems, traffic aids, roads and bridges, railroads, monuments and memorials, and nonstructural improvements such as sidewalks, parking areas, and fences. Contractors shall report other structures and facilities with a unit acquisition cost of $500,000 or more and a useful life of two years or more.

(e) *Leasehold improvements.* Includes NASA-funded costs of improvements to leased buildings, structures, and facilities, as well as easements and right-of-way, where NASA is the lessee or the cost is charged to a NASA contract. Contractors shall report leasehold improvements with a unit acquisition cost of $500,000 or more and a useful life of two years or more.

(f) *Construction in progress.* Includes costs of work in process for the construction of Buildings, Other Structures and Facilities, and Leasehold Improvements to which NASA has title, regardless of value.

(g) *Equipment.* Includes costs of commercially available personal property capable of stand-alone use in manufacturing supplies, performing services, or any general or administrative purpose (for example, machine tools, furniture, vehicles, computers, software, test equipment, including their accessory or auxiliary items). Software integrated into and necessary to operate another item of Government property is considered to be an auxiliary item (see FAR 45.501) and should be considered part of the item of which it is an integral part. Other software to which NASA has title shall be classified as an individual item of equipment for reporting purposes if it has a useful life of 2 years or more and acquisition cost of $1,000,000 or more (also see 1845.7101–3(g)). Enhancement costs for existing software should be added to the software acquisition cost if the enhancement results in significant additional capability beyond that for which the software was originally developed (i.e., a capability that was not included in the original software specifications, the total cost of the enhancement is $1,000,000 or more, or the expected useful life of the enhanced software is 2 years or more). Software licenses are excluded. Contractors shall separately report:

1. The amount for all items with a unit acquisition cost of $500,000 or more and a useful life of two years or more; and
2. All other items.

(h) *Special tooling.* Includes costs of equipment and manufacturing aids (and their components and replacements) of such a specialized nature that, without substantial modification or alteration, their use is limited to development or production of particular supplies or parts, or performance of particular services (see FAR 45.101). Examples include jigs, dies, fixtures, molds, patterns, taps and gauges. Contractors shall separately report:

1. The amount for all items with a unit acquisition cost of $500,000 or more and a useful life of two years or more; and
2. All other items.

(i) *Special test equipment.* Includes costs of equipment used to accomplish special purpose testing in performing a contract, and items or assemblies of equipment (see FAR 45.101). Contractors shall separately report:

1. The amount for all items with a unit acquisition cost of $500,000 or more and a useful life of two years or more; and
2. All other items.

(j) *Material.* Includes costs of NASA-owned property held in inventory regardless of whether or not it is unique to NASA programs, that may become a part of an end item or be expended in performing a contract. Examples include raw and processed material, spares, parts, assemblies, small tools and supplies. Material that is part of work-in-process is not included. Contractors shall report the amount for all
Materials in inventory, regardless of unit acquisition cost.

(k) Agency-Peculiar Property. Includes costs of completed items, unique to NASA aeronautical and space programs, which are capable of standalone operation. Examples include research aircraft, reusable space vehicles, ground support equipment, prototypes, and mock-ups. The amount of property, title to which vests in NASA as a result of progress payments to fixed price subcontractors, shall be included to reflect the pro rata cost of undelivered agency-peculiar property. Completed end items not related to the International Space Station or the Space Shuttle program which otherwise meet the definition of Agency-Peculiar Property, and are destined for permanent operation in space, such as satellites and space probes, shall not be reported. Contractors shall separately report:

(1) The amount for all items with a unit acquisition cost of $500,000 or more and a useful life of two years or more; and

(2) All other items.

(1) Contract Work-in-Process. Work-in-process (WIP) consists of property items under construction (i.e., not complete). It includes costs of all work-in-process regardless of value, and excludes costs of completed items reported in other categories. While the costs of WIP for International Space Station and Space Shuttle components and are intended for permanent operation in space, such as satellites and space probes, shall not be reported. Contractors shall separately report:

(a) Approval and notification. The contractor must obtain approval of the contracting officer or designee for transfers of property off the prime contract before shipment. Each shipping document must be signed by the contracting officer or designee demonstrating such approval. Each shipping document must contain contract numbers, shipping references, property classifications in which the items are recorded (including Federal Supply Classification group (FSC) codes for equipment), unit acquisition costs (as defined in 1845.7101–3, Unit Acquisition Cost), original Government acquisition dates for items with a unit acquisition cost of $500,000 or more and a useful life of two years or more, and any other appropriate identifying or descriptive data. Where the DD Form 250, Material Inspection and Receiving Report, is
used, the FSC code will be part of the national stock number (NSN) entered in Block 16 or, if the NSN is not provided, the FSC alone shall be shown in Block 16. The original Government acquisition date shall be shown in Block 23, by item. Other formats, such as the DD Form 1149, Requisition and Invoice/Shipping Document, should be clearly annotated with the required information. Unit acquisition costs shall be obtained from records maintained pursuant to FAR part 45 and this part 1845, or, for uncompleted items where property records have not yet been established, from such other record systems as are appropriate such as manufacturing or engineering records used for work control and billing purposes. Shipping contractors shall furnish a copy of the formally approved shipping document to the cognizant property administrator. Shipping and receiving contractors shall promptly submit copies of shipping and receiving documents to the Center Deputy Chief Financial Officer, Finance, responsible for their respective contracts when accountability for NASA property is transferred to, or received from, other contracts, contractors, NASA Centers, or Government agencies.

(b) Reclassification. If property is transferred to another contract or contractor, the receiving contractor shall record the property in the same property classification and amount appearing on the shipping document. For example, when a contractor receives an item from another contractor that is identified on the shipping document as equipment, but that the recipient intends to incorporate into special test equipment, the recipient shall first record the item in the equipment account and subsequently reclassify it as special test equipment. Reclassification of equipment, special tooling, special test equipment, or agency-peculiar property requires prior approval of the contracting officer or a designee.

(c) Incomplete documentation. If contractors receive transfer documents having insufficient detail to properly record the transfer (e.g., omission of property classification, FSC, unit acquisition cost, Government acquisition date, required signatures, etc.) they shall request the omitted data directly from the shipping contractor or through the property administrator. The contracting officer shall assist the Government Property Administrator and the receiving contractor to obtain all required information for the receiving contractor to establish adequate property records.

1845.7101–3 Unit acquisition cost.

(a) The unit acquisition cost shall include all costs incurred to bring the property to a form and location suitable for its intended use. The following is representative of the types of costs that shall be included, when applicable:

1. Amounts paid to vendors or other contractors.
2. Transportation charges to the point of initial use.
3. Handling and storage charges.
4. Labor and other direct or indirect production costs (for assets produced or constructed).
5. Engineering, architectural, and other outside services for designs, plans, specifications, and surveys.
6. Acquisition and preparation costs of buildings and other facilities.
7. An appropriate share of the cost of the equipment and facilities used in construction work.
8. Fixed equipment and related installation costs required for activities in a building or facility.
9. Direct costs of inspection, supervision, and administration of construction contracts and construction work.
10. Legal and recording fees and damage claims.
11. Fair values of facilities and equipment donated to the Government.

(b) Acquisition cost shall include, where appropriate, for contractor acquired property, related fees, or a pro rata portion of fees, paid by NASA to the contractor. Situations where inclusion of fees in the acquisition cost would be appropriate are those in which the contractor designs, develops, fabricates or purchases property for NASA and part of the fees paid to the contractor by NASA are related to that effort.
(c) Acquisition cost shall be developed using actual costs to the greatest extent possible, especially costs directly related to fabrication such as labor and materials. Where estimates are used, there must be a documented methodology based on a historical basis. All acquisition costs shall be properly documented, supported and retained. Supporting documentation shall be made available upon request.

(d) The use of weighted average methodologies is acceptable for valuation of Material.

(e) Contractors shall report unit acquisition costs using records that are part of the prescribed property or financial control system as provided in this section. Fabrication costs shall be based on approved systems or procedures and include all direct and indirect costs of fabrication.

(f) Only modifications that improve an item’s capacity or extend its useful life two years or more and that cost $500,000 or more shall be reported on the NF 1018 on the $500,000 & Over line. The costs of any other modifications, excluding routine maintenance, will be reported on the Under $500,000 line. If an item’s original unit acquisition cost is less than $500,000, but a single subsequent modification costs $500,000 or more, that modification only will be reported as an item $500,000 or more on subsequent NF 1018s. The original acquisition cost of the item will continue to be included in the under $500,000 total. The quantity for the modified item will remain “1” and be reported with the original acquisition cost of the item. If an item’s acquisition cost is reduced by removal of components so that its remaining acquisition cost is under $500,000, it shall be reported as under $500,000.

(g) Software acquisition costs include software costs incurred up through acceptance testing and material internal costs incurred to implement the software and otherwise make the software ready for use. Costs incurred after acceptance testing are excluded. License, maintenance, training, and data conversion costs are also excluded. If the software is purchased as part of a package, the costs will need to be segregated in such manner as to ensure that the excluded costs (maintenance, training, etc.) are not reported as part of the software’s acquisition cost. Enhancement costs for existing software should be added to the acquisition cost if the enhancement results in significant additional capability beyond that for which the software was originally developed (i.e. a capability that was not included in the original software specifications), the total cost of the enhancement is $1,000,000 or more, and the expected useful life of the enhanced software is 2 years or more. Include the same types of cost as indicated above under new software. Costs incurred solely to repair a design flaw or perform minor upgrades should not be included.

(h) The computation of work in process (WIP) shall include all direct and indirect costs of fabrication, including associated systems, subsystems, and spare parts and components furnished or acquired and charged to work in process pending incorporation into a finished item. These types of items make up what is sometimes called production inventory and include programmed extra units to cover replacement during the fabrication process (production spares). Also included are deliverable items on which the contractor or a subcontractor has begun work, and materials issued from inventory. The computation of WIP shall incorporate the other requirements for unit acquisition cost as outlined in paragraphs (a) through (e) of this section. In addition, acquisition cost of property furnished by the Government, which has been incorporated in the property item under construction or in process of fabrication, should be included. Do not include costs for operation or repairing existing completed property items. Once the property is complete, include all the costs outlined above in its acquisition value in the property record. The WIP values are inception to date until such time as the WIP is completed. It does not include future costs.

1845.7101–4 Types of deletions from contractor property records.

Contractors shall report the types of deletions from contract property records as described in this section.

(a) Lost, damaged or destroyed. Deletion amounts that result from relief from responsibility under FAR 45.503 granted during the reporting period.

(b) Transferred in Place. Deletion amounts that result from transfer of property to a follow-on prime contract or other prime contract with the same contractor.

(c) Transferred to NASA Center accountability. Deletion amounts that result from transfer of accountability to the NASA Center responsible for the contract, whether or not items are physically moved.

(d) Transferred to another NASA Center. Deletion amounts that result from transfer of accountability to a NASA Center other than the one responsible for the contract, whether or not items are physically moved.

(e) Transferred to another Government agency. Deletion amounts that result from transfer of property to another Government agency.

(f) Purchased at cost/returned for credit. Deletion amounts that result from contractor purchase or retention of contractor acquired property as provided in FAR 45.605–1, or from contractor returns to suppliers under FAR 45.605–2.

(g) Disposed of through plant clearance process. Deletions other than transfers within the Federal Government, e.g., donations to eligible recipients, sold at less than cost, or abandoned/directed destruction, or trade-ins.

(h) Other. Types of deletion other than those reported in paragraph (a) through (g) of this section such as those resulting from reclassifications (e.g., from equipment to agency-peculiar property).

Subpart 1846.3—Contract Clauses

1846.370 NASA contract clauses.

The contracting officer shall insert the clause at 1852.246–73, Human Space Flight Item, in solicitations and contracts for human space flight hardware and flight-related equipment if the highest available quality standards are necessary to ensure astronaut safety.

[80 FR 60554, Oct. 7, 2015]

Subpart 1846.4—Government Contract Quality Assurance

1846.470 Contract clause.

The contracting officer may insert a clause substantially as stated at 1852.246–71, Government Contract Quality Assurance Functions, in solicitations and contracts to specify the location(s) of quality assurance functions.

Subpart 1846.6—Material Inspection and Receiving Reports

1846.670 Introduction.

1846.670–1 General.

This subpart contains procedures and instructions for use of the DD Form 250, Material Inspection and Receiving Report (MIRR), (DD Form 250 series equivalents, and commercial shipping/packing lists used to document Government contract quality assurance (CQA).

[80 FR 12945, Mar. 12, 2015]

1846.670–2 Applicability.

(a) This subpart applies to supplies or services acquired by or for NASA when the clause at 1852.246-72, Material Inspection and Receiving Report, is included in the contract.

[80 FR 12945, Mar. 12, 2015]

1846.670–3 Use.

(a) The DD Form 250 is a multipurpose report used for—

1. Providing evidence of CQA at origin or destination;
2. Providing evidence of acceptance at origin or destination;
3. Packing lists;
4. Receiving;
5. Shipping; and
6. Contractor invoice support.

(b) Do not use MIRRs for shipments—

1. By subcontractors, unless the subcontractor is shipping directly to the Government; or,
2. Of contract inventory.

(c) The contractor prepares the DD Form 250, except for entries that an authorized Government representative is required to complete. The contractor shall furnish sufficient copies of the completed form, as directed by the Government Representative.

[80 FR 12945, Mar. 12, 2015]

1846.670–4 Multiple shipments.

(a) If the “shipped to,” “marked for,” “shipped from,” “CQA,” and “acceptance” data are the same for more than one shipment made on the same day under the same contract in a single car, truck, or other vehicle, one MIRR shall be prepared to cover all such shipments.

(b) If the volume of the shipments precludes the use of a single car, truck, or other vehicle, a separate MIRR shall be provided for each vehicle.

1846.670–5 Forms.

An electronic copy of the DD Form 250 may be downloaded from the General Services Administration’s Forms Library at http://www.gsa.gov/portal/category/100000.

[80 FR 12945, Mar. 12, 2015]

1846.671 Contract quality assurance on shipments between contractors.

(a) The supplier’s commercial shipping document/packing list shall indicate performance of required CQA actions at subcontract level. The following entries shall be made on the document/packing list:

Required CQA of items has been performed.

(Signature of Authorized Government Representative)

(Date)

(Typed Name and Office)

(b) Distribution for Government purposes shall be one copy each—
(1) With shipment;
(2) For the Government representative at consignee (via mail); and
(3) For the Government representative at consignor.

1846.672 Preparing DD Forms 250 and 250c.

1846.672–1 Preparation instructions.

(a) General. (1) Dates shall include nine spaces consisting of the four digits of the year, the first three letters of the month, and two digits for the date (e.g., 2012SEP24).

(2) Addresses shall consist of the name, street address/P.O. box, city, State, and ZIP code.

(3) The data entered in the blocks at the top of DD Form 250C shall be identical to the comparable entries in Blocks 1, 2, 3, and 6 of the DD Form 250.

(4) Overflow data of the DD Form 250 shall be entered in Block 16 or in the body of the DD Form 250c with block cross reference. Additional DD Form 250c sheets solely for continuation of Block 23 data shall not be numbered or distributed as part of the MIRR.

(b) Classified information. Do not include classified information on the MIRR. MIRRs must not be classified.

(c) Block 1—PROCUREMENT INSTRUMENT IDENTIFICATION (CONTRACT NUMBER). Enter the ten-character, alpha-numeric procurement identifier of the contract.

(d) Block 2—SHIPMENT NO. (1) The shipment number is a three-alpha character prefix and a four-character numeric or alpha-numeric serial number.

(i) The prefix shall be controlled and assigned by the prime contractor and shall consist of three alpha characters for each “shipped from” address (Block 11). The prefix shall be different for each “Shipped From” address and shall remain constant throughout the contract period.

(ii) The serial number for the first shipment under a prime contract from each “shipped from” address shall be 0001; subsequent shipments under that prime contract shall be consecutively numbered. Alpha-numerics shall be used when more than 9,999 numbers are required. Alpha-numerics shall be sequentially assigned, with the alpha in the first position followed by the three-position numeric serial number. The alpha-numeric sequence shall be (the letters I and O shall not be used) A001 through A999 (10,001 through 10,999); B001 through B999 (11,001 through 11,999); to Z999. When this series is completely used, numbering shall revert to 0001.

(ii) The shipment number of the initial shipment shall be reassigned when a “replacement shipment” is involved (see paragraph (r)(4)(iv) of this section).

(3) The prime contractor shall control deliveries and on the last shipment of the contract shall suffix the shipment number with a “Z” in addition to that required for line items (see Block 17). If the contract final shipment is from other than the prime contractor’s plant, the prime contractor may elect

(i) To direct the subcontractor to suffix the “Z” or

(ii) On receipt of the subcontractor final shipment information, to correct the DD Form 250 covering the last shipment from the prime contractor’s plant by adding a “Z” to that shipment number.

(e) Block 3—DATE SHIPPED. Enter the date the shipment is released to the carrier or the date of completion of services. If the shipment will be released after the date of CQA and/or acceptance, enter the estimated date of release. When the date is estimated, enter an “E” after it. Distribution of the MIRR shall not be delayed for entry of the actual shipping date. Reissuance of the MIRR is not required to show the actual shipping date.

(f) Block 4—B/L TCN. When applicable, enter the commercial or Government bill of lading number after “B/L”; and the Transportation Control Number after “TCN.”

(g) Block 5—DISCOUNT TERMS. (1) The Contractor may enter the discount in terms of percentages on all copies of the MIRR.

(2) When the MIRR is used as an invoice, see 1846.672–5.

(h) Block 6—INVOICE. The contractor may enter the invoice number and actual or estimated date on all copies of the MIRR. When the date is estimated, enter an “E” after the date. Do not correct MIRRs to reflect the actual date of invoice submission.
(i) Block 7—PAGE/OF. Consecutively number the pages comprising the MIRR. On each page, enter the total number of pages of the MIRR.

(j) Block 8—ACCEPTANCE POINT. Enter an “S” for origin or “D” for destination as specified in the contract as the point of acceptance.

(k) Block 9—PRIME CONTRACTOR. Enter the Commercial and Government Entity (CAGE) code and address.

(l) Block 10—ADMINISTERED BY. Enter the code and address of the contracting office cited in the contract.

(m) Block 11—SHIPPED FROM/CODE/FOB. (1) Enter the code and address of the “shipped from” location. If identical to Block 9, enter “See Block 9.”

(2) For performance of services that do not require delivery of items upon completion, enter the code and address of the location at which the services were performed. If the DD Form 250 covers performance at multiple locations or if identical to Block 9, enter “See Block 9.”

(3) Enter on the same line and to the right of “FOB” an “S” for origin or “D” for destination as specified in the contract. Enter an alphabetic “O” if the FOB point cited in the contract is other than origin or destination.

(n) Block 12—PAYMENT WILL BE MADE BY. Enter the address of the payment office cited in the contract.

(o) Block 13—SHIPPED TO/CODE. Enter the code and address from the contract or shipping instructions.

(p) Block 14—MARKED FOR/CODE. Enter the code and address from the contract or shipping instructions.

(q) Block 15—ITEM NO. Enter the item number used in the contract. If four or fewer digits are used, position them to the left of the vertical dashed line. Where a six-digit identification is used, enter the last two digits to the right of the vertical dashed line.

(r) Block 16—STOCK/PART NO./DESCRIPTION. (i) Enter, as applicable, for each item, using single spacing between each line item, the following:

(ii) The National Stock Number (NSN) or noncatalog number and, if applicable, prefix or suffix. When a number is not provided or it is necessary to supplement the number, include other identification such as the manufacturer’s name or Federal Supply Code (as published in Cataloging Handbook H4-1), and part numbers. Additional part numbers may be shown in parentheses. Also enter the descriptive noun of the item nomenclature and, if provided, the Government-assigned management/material control code. In the case of equal-kind supply items, the first entry shall be the description without regard to kind (e.g., “Resistor”). Below this description, enter the contract item number in Block 15 and stock/part number followed by the size or type in Block 16.

(ii) On the next printing line, if required by the contract for control purposes, enter the make, model, serial number, lot, batch, hazard indicator, and/or similar description.

(iii) On the next printing line, enter the FEDSTRIP requisition number(s) when provided in the contract or shipping instructions.

(2) For service items, enter the word “SERVICE” followed by a short description of less than 20 characters. Do not complete items 4, 13, and 14 when material is not shipped.

(3) For all contracts administered by the Defense Contract Management Agency, with the exception of fast pay procedures, enter and complete the following:

Gross Shipping Wt. __ __ (State weight in pounds only).

(4) Enter on the next line the following as appropriate (entries may be extended through Block 20). When entries apply to more than one item in the MIRR, enter them only once after the last item and reference the applicable item numbers.

(i) Enter in capital letters any special handling instructions/limits for material environmental control (e.g., temperature, humidity, aging, freezing, and shock).

(ii) When an NSN is required by, but not cited in, a contract and has not been furnished by the Government, shipment may be made at the direction of the contracting officer. Enter the authority for the shipment.

(iii) When Government-furnished property (GFP) is included with or incorporated into the line item, enter “GFP.”

(iv) When the shipment consists of replacements for supplies previously
furnished, enter in capital letters “REPLACEMENT SHIPMENT” (see paragraph (s)(3) of this section for replacement indicators.)

(v) For items shipped with missing components, enter and complete the following: “Item(s) shipped short of the following component(s): FSN or comparable identification ______, Quantity ______, Estimated Value ______, Authority ______.”

(vi) When shipment is made of components that were short on a prior shipment, enter and complete the following: “These components were listed as shortages on Shipment Number ______, date shipped ______.”

(vii) When shipments involve drums, cylinders, reels, containers, skids, etc., designated as returnable under contract provisions, enter and complete the following: “Return to ______, Quantity ______, Item ______, Ownership (Government/contractor).”

(viii) Enter shipping container number(s), the type, and the total number of the shipping container(s) included in the shipment.

(ix) The MIRR shall be used to record and report the waivers and deviations from contract specifications, including the source and authority for the waiver or deviation (e.g., the contracting office authorizing the waiver or deviation and the identification of the authorizing document).

(x) For shipments involving discount terms, enter “DISCOUNT EXPEDITE” in at least one-inch outline-type letters.

(xi) When test/evaluation results are a condition of acceptance and are not available before shipment, the following note shall be entered if the shipment is approved by the contracting officer: “Note: Acceptance and payment are contingent upon receipt of approved test/evaluation results.” The contracting officer will advise (A) the consignee of the results (approval/disapproval) and (B) the contractor to withhold invoicing pending attachment to its invoice of the approved test/evaluation.

(xii) The copy of the DD Form 250 required to support payment for destination acceptance (top copy of the four with shipment) or Alternative Release Procedure (ARP) origin acceptance (additional copy furnished to the Quality Assurance Representative (QAR)) shall be identified by entering “PAYMENT COPY” in approximately one-half-inch outline-type letters with “FORWARD TO BLOCK 12 ADDRESS” in approximately one-quarter-inch letters immediately below. Do not obliterate any other entries.

(xiii) A double line shall be drawn completely across the form following the last entry.

(s) Block 17—QUANTITY SHIP/REC’D. (1) Enter the quantity shipped, using the unit of measure indicated in the contract for payment. When a second unit of measure is used for purposes other than payment, enter the appropriate quantity directly below in parentheses.

(2) Enter a “Z” below the first digit of the quantity when the total quantity of the item is delivered, including variations within contract terms; and all shortages on items previously shipped short are delivered.

(3) If a replacement shipment is involved, enter below the first digit of the quantity the letter “A” top designate first replacement, “B” for second replacement, and so forth. The final shipment indicator “Z” shall not be used when a final line item shipment is replaced.

(t) Block 18 UNIT. Enter the abbreviation of the unit of measure indicated in the contract for payment. When a second unit of measure is indicated in the contract for purposes other than payment or is used for shipping purposes, enter the abbreviation of the second unit of measure directly below in parentheses. Authorized abbreviations are listed in MIL-STD-129, Marking for Shipping and Storage.

(u) Block 19—UNIT PRICE. Enter the unit price on all NASA copies whenever the MIRR is used for voucher or receiving purposes.

(v) Block 20—AMOUNT. Enter the extended amount when the unit price is entered in Block 19.

(w) Block 21—CONTRACT QUALITY ASSURANCE. The words “conform to contract” contained in the printed statements in Blocks A and B relate to contract obligations pertaining to quality and to the quantity of the items on the report. The statements
shall not be modified. Notes taking exception shall be entered in Block 16 or on attached supporting documents with block cross reference.

(1) ‘‘A. ORIGIN.’’
   (i) The authorized Government representative shall—
   (A) Place an ‘‘X’’ when applicable in the appropriate CQA and/or acceptance box(es) to evidence origin CQA and/or acceptance. When the contract requires CQA at destination in addition to origin CQA, an asterisk shall be entered at the end of the statement and an explanatory note in Block 16;
   (B) Sign and date; and
   (C) Enter the typed, stamped, or printed name of the signer and office code.

(2) ‘‘B. DESTINATION.’’
   (i) When acceptance at origin is indicated in Block 21A, no entries shall be made in Block 21B.
   (ii) When acceptance of CQA and acceptance are at destination, the authorized Government representative shall—
       (A) Place an ‘‘X’’ in the appropriate box(es);
       (B) Sign and date; and
       (C) Enter the typed, stamped, or printed name of the signer and office code.

(x) Block 22—RECEIVER’S USE. This block shall be used by the receiving authority (Government or contractor) to denote receipt, quantity, and condition. The receiving activity shall enter in this block the date the supplies arrived. For example, when off-loading or in-checking occurs subsequent to the day of arrival of the carrier at the installation, the date of the carrier’s arrival is the date received for purposes of this block.

(y) Block 23—CONTRACTOR USE ONLY. This block is provided and reserved for contractor use.

1846.672–2 Consolidated shipments.

When individual shipments are held at the contractor’s plant for authorized transportation consolidation to a single destination on a single bill of lading, the applicable DD Forms 250 may be prepared at the time of CQA or acceptance prior to the time of actual shipment (see Block 3).

1846.672–3 Multiple consignee instructions.

The contractor may prepare one MIRR when the identical item(s) of a contract is to be shipped to more than one consignee, with the same or varying quantities, and the shipment requires origin acceptance. Prepare the MIRR using the procedures in this subpart with the following changes:

(a) Blocks 2, 4, 13, and, if applicable, 14—Enter ‘‘See Attached Distribution List.’’
(b) Block 15—The contractor may group item numbers for identical stock/part number and description.
(c) Block 17—Enter the ‘‘total’’ quantity shipped by item or, if applicable, grouped identical items.
(d) Use the DD Form 250c to list each individual ‘‘Shipped To’’ and ‘‘Marked For’’ with—
   (1) Code(s) and complete shipping address and a sequential shipment number for each;
   (2) Item number(s);
   (3) Quantity;
   (4) The FEDSTRIP requisition number and quantity for each when provided in the contract or shipping instructions; and
   (5) If applicable, bill of lading number and mode of shipment code.

1846.672–4 Correction instructions.

When, because of errors of omissions, it is necessary to correct the MIRR after distribution, it shall be revised by correcting the original master and distributing the corrected form. The corrections shall be made as follows:

(a) Circle the error and place the corrected information in the same block.
(b) When corrections are made to Blocks 15 and 17, enter the words ‘‘CORRECTIONS HAVE BEEN VERIFIED’’ on page 1. The authorized Government representative shall date and sign immediately below the statement. This verification statement and signature are not required for other corrections.
(c) MIRRs shall not be corrected for Block 19 and 20 entries.
(d) Clearly mark pages of the MIRR requiring correction with the words “CORRECTED COPY”, avoiding obliteration of any other entries. Even though corrections are made on continuation sheets only, also mark page 1 “CORRECTED COPY”.
(e) Page 1 and only those continuation pages marked “CORRECTED COPY” shall be distributed to the initial distribution. A complete MIRR with corrections shall be distributed to new addressee(s) created by error corrections.

1846.672–5 Packing list instructions.
Copies of the MIRR may be used as a packing list. The packing list copies shall be in addition to the copies of the MIRR required for distribution (see 1846.673) and shall be marked “PACKING LIST”.

1846.672–6 Receiving instructions.
When the MIRR is used for receiving purposes, procedures shall be as prescribed by local directives. If acceptance or CQA and acceptance of supplies are required upon arrival at destination, see Block 21B for instructions.

1846.673 Distribution of DD Forms 250 and 250c.
(a) DD Forms 250 and 250c shall be distributed in accordance with installation procedures.
(b) The contractor is responsible for distributing DD Forms 250 and 250c in accordance with the provisions of the contract or instructions of the contracting officer.

1846.674 Contract clause.
The contracting officer shall insert the clause at 1852.246–72, Material Inspection and Receiving Report, in solicitations and contracts when the f.o.b. point is destination and special Government assistance is required in the delivery or receipt of the items.
(b) The contracting officer shall insert a clause substantially as stated at 1852.247–73, Bills of Lading, in f.o.b. origin solicitations and contracts.

1846.674 Contract clause.
The contracting officer shall insert the clause at 1852.246–72, Material Inspection and Receiving Report, in solicitations and contracts when the f.o.b. point is destination and special Government assistance is required in the delivery or receipt of the items.

1846.674 Contract clause.
The contracting officer shall insert the clause at 1852.246–72, Material Inspection and Receiving Report, in solicitations and contracts when the f.o.b. point is destination and special Government assistance is required in the delivery or receipt of the items.
and contracts when deliveries or vessel operations, dockside work, or disassembly functions under the contract will involve use of waterways inhabited by manatees. The clause shall also be included in applicable subcontracts (including vendor deliveries).

Subpart 1850.1—Extraordinary Contractual Actions

1850.102 Delegation of and limitations of exercise of authority.

1850.102-2 Contract adjustment boards.

14 CFR part 1209, subpart 3, Contract Adjustment Board, establishes the Contract Adjustment Board (CAB) as the approving authority to consider and dispose of requests from NASA contractors for extraordinary contractual actions.

1850.103 Contract adjustments.

1850.103-5 Processing cases.

1850.103-570 Submission of request to the Contract Adjustment Board.

(a) After investigating the facts and issues relevant to the contractor’s request, the contracting officer shall forward the request to the Associate General Counsel for Contracts and Procurement Law, including in the forwarding letter—

(1) The nature of the case;
(2) The recommended disposition; and,
(3) If contractual action is recommended, the contracting officer’s opinion that the action will facilitate the national defense.

(b) The forwarding letter shall enclose the contractor’s request, all supporting material submitted by the contractor, and any material the contracting officer has obtained while investigating the facts and issues relevant to the request. Any classified information in the material forwarded shall be so identified.

(c) Electronic submittal is preferred for unclassified material.

[76 FR 72328, Nov. 23, 2011, as amended at 80 FR 36722, June 26, 2015]

1850.103-6 Disposition.

1850.103-670 Implementation of the Contract Adjustment Board’s decision.

(a) The contracting officer shall take action authorized in the CAB’s decision.

(b) Immediately upon execution, including any required Headquarters approval, of a contract or contract modification or amendment implementing the CAB decision, the contracting officer shall forward a copy of the contractual document to the Associate General Counsel for Contracts and Procurement Law.

[76 FR 72328, Nov. 23, 2011, as amended at 80 FR 36722, June 26, 2015]
1850.104  Residual powers.

1850.104–2  General.

(a) Requests for the exercise of residual powers shall be sent to the Headquarters Office of Procurement, Program Operations Division for review and processing. The NASA Administrator is the approval authority for the Memorandum of Decision.

[80 FR 36722, June 26, 2015]

1850.104–3  Special procedures for unusually hazardous or nuclear risks.

(a) Indemnification requests. (1) Contractor indemnification requests must be submitted to the cognizant contracting officer for the contract for which the indemnification clause is requested. The request shall be submitted six (6) months in advance of the desired effective date of the requested indemnification in order to allow sufficient time for the request to be reviewed, analyzed, and approved by the Agency. Contractors shall submit a single request and shall ensure that duplicate requests are not submitted by associated divisions, subsidiaries, or central offices of the contractor.

(ii) The contractor’s request for indemnification must identify a sufficient factual basis for indemnification by explaining specifically what work activities under the contract create the unusually hazardous or nuclear risk and identifying the timeframes in which the risk would be incurred.

(iii) The contractor shall also provide evidence, such as a certificate of insurance or other customary proof of insurance, that such insurance is either in force or is available and will be in force during the indemnified period.

(b) Action on indemnification requests. (1) If recommending approval, the contracting officer shall forward the required information to the NASA Headquarters Office of Procurement, Program Operations Division, along with the following:

(i) For contracts of five years duration or longer, a determination, with supporting rationale, whether the indemnification approval and insurance coverage and premiums should be reviewed for adequacy and continued validity at points in time within the extended contract period.

(ii) The specific definition of the unusually hazardous risk to which the contractor is exposed in the performance of the contract(s), including specificity about which activities present such risk and the anticipated timeframes in which the risk will be incurred;

(iv) A complete discussion of the contractor’s financial protection program; and

(vi) The extent to, and conditions under, which indemnification is being approved for subcontracts.

(2) The NASA Administrator is the approval authority for using the indemnification clause in a contract by a Memorandum of Decision.

(4)(ii) If approving subcontractor indemnification, the contracting officer shall document the file with a memorandum for record addressing the items set forth in FAR 50.104–3(b) and include an analysis of the subcontractor’s financial protection program. In performing this analysis, the contracting officer shall take into consideration the availability, cost, terms and conditions of insurance in relation to the unusually hazardous risk.

[80 FR 36722, June 26, 2015]

1850.104–370  Subcontractor indemnification requests.

Subcontractors shall submit requests for indemnification to the prime contractor and through higher tier subcontractor(s), as applicable. If the prime contractor agrees an indemnity clause should be flowed down to the subcontractor, the prime contractor shall forward its written request for subcontractor indemnification to the cognizant contracting officer for approval in accordance with FAR 50.104–3. The prime contractor’s request shall provide information responsive to 1850.104–3, FAR 50.104–3, and FAR 50.104–3(b)(1)(i), (ii), (iv), (v), and (vii). The agreed upon definition of the unusually hazardous risk to be incorporated into the subcontract shall be the same as that incorporated in the prime contract.

1850.104–4  Contract clause.

The contracting officer shall obtain the NASA Administrator’s approval
prior to including clause 52.250–1 in a contract.

SECURITY REQUIREMENTS FOR UNCLASSIFIED INFORMATION TECHNOLOGY RESOURCES (JAN 2011)

(a) The contractor shall protect the confidentiality, integrity, and availability of NASA Electronic Information and IT resources and protect NASA Electronic Information from unauthorized disclosure.
(b) This clause is applicable to all NASA contractors and sub-contractors that process, manage, access, or store unclassified electronic information, to include Sensitive But Unclassified (SBU) information, for NASA in support of NASA's missions, programs, projects and/or institutional requirements. Applicable requirements, regulations, policies, and guidelines are identified in the Applicable Documents List (ADL) provided as an attachment to the contract. The documents listed in the ADL can be found at: http://www.nasa.gov/offices/ocio/itsecurity/index.html. For policy information considered sensitive, the documents will be identified as such in the ADL and made available through the Contracting Officer.
(c) Definitions.
(1) IT resources means any hardware or software or interconnected system or subsystem of equipment, that is used to process, manage, access, or store electronic information.
(2) NASA Electronic Information is any data (as defined in the Rights in Data clause of this contract) or information (including information incidental to contract administration, such as financial, administrative, cost or pricing, or management information) that is processed, managed, accessed or stored on an IT system(s) in the performance of a NASA contract.
(3) IT Security Management Plan—This plan shall describe the processes and procedures that will be followed to ensure appropriate security of IT resources that are developed, processed, or used under this contract. Unlike the IT security plan, which addresses the IT system, the IT Security Management Plan addresses how the contractor
will manage personnel and processes associated with IT Security on the instant contract.

(4) IT Security Plan—this is a FISMA requirement; see the ADL for applicable requirements. The IT Security Plan is specific to the IT System and not the contract. Within 30 days after award, the contractor shall develop and deliver an IT Security Management Plan to the Contracting Officer; the approval authority will be included in the ADL. All contractor personnel requiring physical or logical access to NASA IT resources must complete NASA’s annual IT Security Awareness training. Refer to the IT Training policy located in the IT Security Web site at https://itsecurity.nasa.gov/policies/index.html.

(d) The contractor shall afford Government access to the Contractor’s and subcontractors’ facilities, installations, operations, documentation, databases, and personnel used in performance of the contract. Access shall be provided to the extent required to carry out a program of IT inspection (to include vulnerability testing), investigation and audit to safeguard against threats and hazards to the integrity, availability, and confidentiality of NASA Electronic Information or to the function of IT systems operated on behalf of NASA, and to preserve evidence of computer crime.

(e) At the completion of the contract, the contractor shall return all NASA information and IT resources provided to the contractor during the performance of the contract in accordance with retention documentation available in the ADL. The contractor shall provide a listing of all NASA Electronic Information and IT resources generated in performance of the contract. At that time, the contractor shall request disposition instructions from the Contracting Officer. The Contracting Officer will provide disposition instructions within 30 calendar days of the contractor’s request. Parts of the clause and referenced ADL may be waived by the contracting officer. If the contractor’s ongoing IT security program meets or exceeds the requirements of NASA Procedural Requirements (NPR) 2810.1 in effect at time of award. The current version of NPR 2810.1 is referenced in the ADL. The contractor shall submit a written waiver request to the Contracting Officer within 30 days of award. The waiver request will be reviewed by the Center IT Security Manager. If approved, the Contractor Officer will notify the contractor, by contract modification, which parts of the clause or provisions of the ADL are waived.

(f) The contractor shall insert this clause, including this paragraph in all subcontracts that process, manage, access or store NASA Electronic Information in support of the mission of the Agency.

RESTRICTIONS ON PRINTING AND DUPLICATING

As prescribed in 1808.870, insert the following clause:

REstrictions On Printing and Duplicating

(a) The Contractor may duplicate or copy any documentation required by this contract in accordance with the provisions of the Government Printing and Binding Regulations, No. 35, S. Pub 101–9, U.S. Government Printing Office, Washington, DC, 20402, published by the Joint Committee on Printing, U.S. Congress.

(b) The Contractor shall not perform, or procure from any commercial source, any printing in connection with the performance of work under this contract. The term "printing" includes the processes of composition, platemaking, presswork, duplicating, silk screen processes, binding, microform, and the end items of such processes and equipment.

(c) The Contractor is authorized to duplicate or copy production units provided the requirement does not exceed 5,000 production units of any one page or 25,000 units in the aggregate of multiple pages. Such pages may not exceed a maximum image size of 10–2 by 14–2 inches. A "production unit" is one sheet, size 8–1/2 × 11 inches (215 × 280 mm), one side only, and one color ink.

(d) This clause does not preclude writing, editing, preparation of manuscript copy, or preparation of related illustrative material as a part of this contract, or administrative duplicating/copying (for example, necessary forms and instructional materials used by the Contractor to respond to the terms of the contract).

(e) Costs associated with printing, duplicating, or copying in excess of the limits in paragraph (c) of this clause are unallowable without prior written approval of the Contracting Officer. If the Contractor has reason to believe that any activity required in fulfillment of the contract will necessitate any printing or substantial duplicating or copying, it immediately shall provide written notice to the Contracting Officer and request approval prior to proceeding with the activity. Requests will be processed by the Contracting Officer in accordance with the provisions of the Government Printing and Binding Regulations, NFS 1808.802, and NPR 1490.5, NASA Procedural Requirements for Printing, Duplicating, and Copying Management.
(f) The Contractor shall include in each subcontract which may involve a requirement for any printing, duplicating, and copying in excess of the limits specified in paragraph (c) of this clause, a provision substantially the same as this clause, including this paragraph (f).

(End of clause)

1852.209–70 [Reserved]

1852.209–71 Limitation of future contracting.

As prescribed in 1809.507–2, the contracting officer may insert a clause substantially as follows in solicitations and contracts, in compliance with FAR 9.507–2:

LIMITATION OF FUTURE CONTRACTING (DEC 1988)

(a) The Contracting Officer has determined that this acquisition may give rise to a potential organizational conflict of interest. Accordingly, the attention of prospective offerors is invited to FAR Subpart 9.5—Organizational Conflicts of Interest.

(b) The nature of this conflict is [describe the conflict].

(c) The restrictions upon future contracting are as follows:

(1) If the Contractor, under the terms of this contract, or through the performance of tasks pursuant to this contract, is required to develop specifications or statements or work that are to be incorporated into a solicitation, the Contractor shall be ineligible to perform the work described in that solicitation as a prime of first-tier subcontractor under an ensuing NASA contract. This restriction shall remain in effect for a reasonable time, as agreed to by the Contracting Officer and the Contractor, sufficient to avoid unfair competitive advantage or potential bias (this time shall in no case be less than the duration of the initial production contract). NASA shall not unilaterally require the Contractor to prepare such specifications or statements of work under this contract.

(2) To the extent that the work under this contract requires access to proprietary, business confidential, or financial data of other companies, and as long as these data remain proprietary or confidential, the Contractor shall protect these data from unauthorized use and disclosure and agrees not to use them to complete with those other companies.

(End of clause)

[65 FR 37062, June 13, 2000, as amended at 70 FR 52941, Sept. 6, 2005]

1852.213–70 Offeror Representations and Certifications—Other Than Commercial Items.

As prescribed in 1813.302–570, insert the following provision:

OFFEROR REPRESENTATIONS AND CERTIFICATIONS—OTHER THAN COMMERCIAL ITEMS (JUL 2004)

(a) Definitions. As used in this provision—

“Emerging small business” means a small business concern whose size is no greater than 50 percent of the numerical size standard for the NAICS code designated.

“Forced or indentured child labor” means all work or service—

(1) Exacted from any person under the age of 18 under the menace of any penalty for its nonperformance and for which the worker does not offer himself voluntarily; or

(2) Performed by any person under the age of 18 pursuant to a contract the enforcement
of which can be accomplished by process or penalties.

“Service-disabled veteran-owned small business concern” means a small business concern—
(i) Not less than 51 percent of which is owned by one or more service-disabled veterans or, in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more service-disabled veterans; and
(ii) The management and daily business operations of which are controlled by one or more service-disabled veterans or, in the case of a service-disabled veteran with permanent and severe disability, the spouse or permanent caregiver of such veteran.

(2) Service-disabled veteran means a veteran, as defined in 38 U.S.C. 101(2), with a disability that is service-connected, as defined in 38 U.S.C. 101(16).

“Small business concern” means a concern, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the criteria in 13 CFR part 121 and size standards in this solicitation.

“Veteran-owned small business concern” means a small business concern—
(i) That is at least 51 percent owned by one or more veterans; or, in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more veterans; and
(ii) The management and daily business operations of which are controlled by one or more veterans.

“Women-owned small business concern” means a small business concern—
(i) That is at least 51 percent owned by one or more women; or, in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more women; and
(ii) Whose management and daily business operations are controlled by one or more women.

(b) Taxpayer Identification Number (TIN) (26 U.S.C. 6109, 31 U.S.C. 7701). (1) All offerors must submit the information required in paragraphs (b)(3) through (b)(5) of this provision to comply with debt collection requirements of 31 U.S.C. 7701(c) and 3325(d), reporting requirements of 26 U.S.C. 6041, 6041A, and 6050M, and implementing regulations issued by the Internal Revenue Service (IRS).

(2) The TIN may be used by the Government to collect and report on delinquent amounts arising out of the offeror’s relationships with the Government (31 U.S.C. 7701(c)(3)). If the resulting contract is subject to the payment reporting requirements described in FAR 4.904, the TIN provided hereunder may be matched with IRS records to verify the accuracy of the offeror’s TIN.

(3) Taxpayer Identification Number (TIN).

[ ] TIN: llllllllllllllllllll

[ ] TIN has been applied for.

[ ] TIN is not required because:

— Hispanic American.
— Native American (American Indians, Eskimos, Aleuts, or Native Hawaiians).
— Asian-Pacific American (persons with origins from Burma, Thailand, Malaysia, Indonesia, Singapore, Brunei, Japan, China, Taiwan, Laos, Cambodia (Kampuchea), Vietnam, Korea, The Philippines, U.S. Trust Territory of the Pacific Islands (Republic of Palau), Republic of the Marshall Islands, Federated States of Micronesia, the Commonwealth of the Northern Mariana Islands, Guam, Samoa, Macao, Hong Kong, Fiji, Tonga, Kiribati, Tuvalu, or Nauru).

— Subcontinent Asian (Asian-Indian) American (persons with origins from India, Pakistan, Bangladesh, Sri Lanka, Bhutan, the Maldives Islands, or Nepal).

— Individual concern, other than one of the preceding.

(d) Representations required to implement provisions of Executive Order 11246—

(1) Previous contracts and compliance. The offeror represents that—

(i) It [ ] has, [ ] has not participated in a previous contract or subcontract subject to the Equal Opportunity clause of this solicitation; and

(ii) It [ ] has, [ ] has not filed all required compliance reports.

(2) Affirmative Action Compliance. The offeror represents that—

(i) It [ ] has developed and has on file, [ ] has not developed and does not have on file, at each establishment, affirmative action programs required by rules and regulations of the Secretary of Labor (41 CFR parts 60–1 and 60–2), or

(ii) It [ ] has not previously had contracts subject to the written affirmative action programs requirement of the rules and regulations of the Secretary of Labor.

(e) Buy American Act Certificate. (Applies only if the clause at Federal Acquisition Regulation (FAR) 52.225–1, Buy American Act—Supplies, is included in this solicitation.)

(1) The offeror certifies that each end product, except those listed in paragraph (e)(2) of this provision, is a domestic end product and that the offeror has considered components
of unknown origin to have been mined, produced, or manufactured outside the United States. The offeror shall list as foreign end products those end products manufactured in the United States that do not qualify as domestic end products. The terms “component,” “domestic end product,” “end product,” “foreign end product,” and “United States” are defined in the clause of this solicitation entitled “Buy American Act-Supplies.”

(2) Foreign End Products:

<table>
<thead>
<tr>
<th>Line Item No. and Country of Origin</th>
</tr>
</thead>
<tbody>
<tr>
<td>[List as necessary]</td>
</tr>
</tbody>
</table>

(3) The Government will evaluate offers in accordance with the policies and procedures of FAR part 25.

(4) Trade Agreements Certificate. (Applies only if the clause at FAR 52.225-5, Trade Agreements, is included in this solicitation.)

(i) The offeror certifies that each end product, except those listed in paragraph (f)(4)(ii) of this provision, is a U.S.-made, designated country, Caribbean Basin country, or FTA country end product, as defined in the clause of this solicitation entitled “Buy American Act—North American Free Trade Agreement—Israeli Trade Act.” The offeror shall list as other foreign end products those end products manufactured in the United States that do not qualify as domestic end products.

Other Foreign End Products:

<table>
<thead>
<tr>
<th>Line Item No. and Country of Origin</th>
</tr>
</thead>
<tbody>
<tr>
<td>[List as necessary]</td>
</tr>
</tbody>
</table>

(ii) The offeror shall list those supplies that are foreign end products (other than those listed in paragraph (f)(4)(i) of this provision) as defined in the clause of this solicitation entitled “Buy American Act—North American Free Trade Agreement—Israeli Trade Act.” The offeror shall list as other foreign end products those end products manufactured in the United States that do not qualify as domestic end products.
(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR part 25. For line items subject to the Trade Agreements Act, the Government will evaluate offers of U.S.-made, designated country, Caribbean Basin country, or FTA country end products without regard to the restrictions of the Buy American Act. The Government will consider for award only offers of U.S.-made, designated country, Caribbean Basin country, or FTA country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(g) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (g)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at FAR 22.1503(b).]

(1) Listed end products.

Listed End Product and Listed Countries of Origin

(2) Certification. (If the Contracting Officer has identified end products and countries of origin in paragraph (g)(1) of this provision, then the offeror must certify to either (g)(2)(i) or (g)(2)(ii) by checking the appropriate block.)

] (i) The offeror will not supply any end product listed in paragraph (g)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product.

] (ii) The offeror may supply an end product listed in paragraph (g)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product.

Alterate I (MAR 2004) As prescribed in 1813.302-570(a)(2)(i), add the following paragraph to the end of the basic provision and identify appropriately:

( ) Recovered Material Certification. As required by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. 6962(c)(3)(A)(i)), the offeror certifies, that the percentage of recovered materials to be used in the performance of the contract will be at least the amount required by the applicable contract specifications.

Alterate II (MAR 2004) As prescribed in 1813.302-570(a)(2)(i), add the following paragraph to the end of the basic provision and identify appropriately:

( ) Historically Black College or University and Minority Institution Representation

(1) Definitions. As used in this provision—“Historically black college or university” means an institution determined by the Secretary of Education to meet the requirements of 34 CFR 608.2. For the Department of Defense, the National Aeronautics and Space Administration, and the Coast Guard, the term also includes any nonprofit research institution that was an integral part of such a college or university before November 14, 1986. “Minority institution” means an institution of higher education meeting the requirements of Section 1046(3) of the Higher Education Act of 1965 (20 U.S.C. 1067k, including a Hispanic-serving institution of higher education, as defined in Section 316(b)(1) of the Act (20 U.S.C. 1101a)).

(2) Representation. The offeror represents that it—

( ) is ( ) is not a historically black college or university;

( ) is ( ) is not a minority institution.

Alterate III (MAR 2004) As prescribed in 1813.302-570(a)(2)(iii), add the following paragraph to the end of the basic provision and identify appropriately:

( ) Representation of Limited Rights Data and Restricted Computer Software

(1) This solicitation sets forth the work to be performed if a contract award results, and the Government’s known delivery requirements for data (as defined in FAR 27.401). Any resulting contract may also provide the Government the option to order additional data under the Additional Data Requirements clause at FAR 52.227-16, if included in the contract. Any data delivered under the resulting contract will be subject to the
Rights in Data-General clause at FAR 52.227-14 that is to be included in this contract. Under the latter clause, a Contractor may withhold from delivery data that qualify as limited rights data or restricted computer software, and deliver form, fit, and function data in lieu thereof. The latter clause also may be used with its Alternates II and/or III to obtain delivery of limited rights data or restricted computer software, marked with limited rights or restricted rights notices, as appropriate. In addition, use of Alternate V with this latter clause provides the Government the right to inspect such data at the Contractor's facility.

(2) As an aid in determining the Government's need to include Alternate II or Alternate III in the clause at FAR 52.227-14, Rights in Data-General, the offeror shall complete paragraph (3) of this provision to either state that none of the data qualify as limited rights data or restricted computer software, or identify, to the extent feasible, which of the data qualifies as limited rights data or restricted computer software. Any identification of limited rights data or restricted computer software in the offeror's response is not determinative of the status of such data should a contract be awarded to the offeror.

(3) The offeror has reviewed the requirements for the delivery of data or software and states [offeror check appropriate block]—

( ) None of the data proposed for fulfilling such requirements qualifies as limited rights data or restricted computer software.

( ) Data proposed for fulfilling such requirements qualify as limited rights data or restricted computer software and are identified as follows:

NOTE: "Limited rights data" and "Restricted computer software" are defined in the contract clause entitled "Rights in Data-General."

1852.214–70 Caution to offerors furnishing descriptive literature.

As prescribed in 1814.201–670(a), insert the following provision:

CAUTION TO OFFERORS FURNISHING DESCRIPTIVE LITERATURE (DEC 1988)

Bidders are cautioned against furnishing as a part of their bids descriptive literature that includes language reserving to the bidder the right to deviate from the requirements of the invitation for bids. Statements that "Data are subject to change without notice," "Prices subject to change without notice," or words having a similar effect are examples of such reservation. The Government will reject as nonresponsive any bid that incorporates literature containing such language or any bid that must be evaluated by using literature containing such language. Bidders should clearly label any submittals of descriptive literature not intended to form a part of a bid as such in order to preclude any need for the Government to interpret the bidder’s intent in submitting descriptive literature. [See FAR 14.202-5.]

(End of provision)

[61 FR 47082, Sept. 6, 1996]

1852.214–71 Grouping for Aggregate Award.

As prescribed in 1814.201–670(b), insert the following provision:
GROUPING FOR AGGREGATE AWARD (MAR 1989)

(a) The Government will evaluate offers and make award on a basis of the aggregate offers for items
[Insert the item numbers and/or descriptions]. The Government will not consider an offer for quantities less than those specified for these items.

(b) If this is an invitation for bids, the Government will reject as nonresponsive a bid that is not made on the total quantities for all of the items specified in paragraph (a) of this section.

(End of provision)

[61 FR 47082, Sept. 6, 1996, as amended at 81 FR 36182, June 6, 2016]

1852.214–72 Full quantities.
As prescribed in 1814.201–670(c), insert the following provision:

FULL QUANTITIES (DEC 1988)
The Government will not consider an offer for quantities of items less than those specified. If this is an invitation for bids, the Government will reject as nonresponsive a bid that is not made on full quantities.

(End of provision)

[61 FR 47082, Sept. 6, 1996, as amended at 81 FR 3339, Jan. 21, 2016]

1852.215–77 Preproposal/pre-bid conference.
As prescribed in 1815.209–70(a), insert the following provision:

PREPROPOSAL/PRE-BID CONFERENCE (APR 2015)

(a) A preproposal/pre-bid conference will be held as indicated below:
Date:
Time:
Location:
Other Information, as applicable:
[Insert the applicable conference information.]

(b) Attendance at the preproposal/pre-bid conference is recommended; however, attendance is neither required nor a prerequisite for proposal/bid submission and will not be considered in the evaluation.

(c) Offerors, individuals, or interested parties who plan to attend the pre-proposal/pre-bid conference must provide the Contracting Officer in writing, at a minimum, full name of the attendee(s), identification of nationality (U.S. or specify other nation citizenship), Lawful Permanent Resident Numbers in the case of foreign nationals, affiliation and full office address/phone number. Center-specific security requirements for this pre-proposal/pre-bid conference will be given to a company representative prior to the conference or will be identified in this solicitation as follows: (fill-in). Examples of specific identification information which may be required include state driver’s license and social security number. Except for foreign nationals, the identification information must be provided at least (fill-in) working days in advance of the conference. This information shall be provided at least (fill-in) working days in advance of the conference for foreign nationals due to the longer badging and clearance processing time required. However, the Center reserves the right to determine foreign nationals may not be allowed on the Government site. The Government is not responsible for offerors’ inability to obtain clearance within sufficient time to attend the conference. Due to space limitations, representation of any potential Offeror may not exceed (fill-in) company representatives/persons per Offeror. Any “lobbying firm or lobbyist” as defined in 2 U.S.C. 1602(9) and (10), or any Offeror represented by a lobbyist under the Lobbying Disclosure Act of 1995 shall be specifically identified.

(d) Visitors on NASA Centers are allowed to possess and use photographic equipment (including camera cell phones) and related materials EXCEPT IN CONTROLLED AREAS. Anyone desiring to use camera equipment during the conference should contact the Contracting Officer to determine if the site(s) to be visited is a controlled area.

(e) The Government will respond to questions regarding this procurement provided such questions have been received at least five (5) working days prior to the conference. Other questions will be answered at the conference or in writing at a later time. All questions, together with the Government’s response, will be transmitted to all solicitation recipients via the government-wide point of entry (GPE). In addition, conference materials distributed at the preproposal/pre-bid conference will be made available to all potential offerors via the GPE using the NAIS Electronic Posting System.

(End of provision)

1852.215–78 Make or buy program requirements.
As prescribed in 1815.408–70(a), insert the following provision:
MAKE OR BUY PROGRAM REQUIREMENTS (FEB 1998)

The offeror shall submit a Make-or-Buy Program in accordance with the requirements of Federal Acquisition Regulation (FAR) 15.407-2. The offeror shall include the following supporting documentation with its proposal:

(a) A description of each major item or work effort.
(b) Categorization of each major item or work effort as “must make,” “must buy,” or “can either make or buy.”
(c) For each item or work effort categorized as “can either make or buy,” a proposal either to “make” or “buy.”
(d) Reasons for (i) categorizing items and work effort as “must make” or “must buy” and (ii) proposing to “make” or “buy” those categorized as “can either make or buy.” The reasons must include the consideration given to the applicable evaluation factors described in the solicitation and be in sufficient detail to permit the Contracting Officer to evaluate the categorization and proposal.
(e) Designation of the offeror’s plant or division proposed to make each item or perform each work effort and a statement as to whether the existing or proposed new facility is in or near a labor surplus area.
(f) Identification of proposed subcontractors, if known, and their location and size status.
(g) Any recommendations to defer make-or-buy decisions when categorization of some items or work efforts is impracticable at the time of submission.

PRICE ADJUSTMENT FOR “MAKE-OR-BUY” CHANGES (DEC 1988)

The following make-or-buy items are subject to the provisions of paragraph (d) of the clause at FAR 52.215-21, Change or Additions to Make-or-Buy Program, of this contract:

<table>
<thead>
<tr>
<th>Item Description</th>
<th>Make-or-Buy Determination</th>
</tr>
</thead>
</table>

Proposal page limitations.

As prescribed in 1815.209–70(d), insert the following provision:

PROPOSAL PAGE LIMITATIONS (APR 2015)

(a) The following page limitations are established for each portion of the proposal submitted in response to this solicitation:

<table>
<thead>
<tr>
<th>Proposal section (List each volume or section)</th>
<th>Page limit (Specify limit)</th>
</tr>
</thead>
<tbody>
<tr>
<td>(Proposal subsection) (List each subsection)</td>
<td></td>
</tr>
<tr>
<td>(e.g. Offeror’s Subcontracting Plan should not exceed 20 pages)</td>
<td></td>
</tr>
</tbody>
</table>

(b) A page is defined as one side of sheet, 8½ × 11”, with at least one inch margins on all sides, using not smaller than 12 point type. Foldouts count as an equivalent number of 8½ × 11” pages. The metric standard format most closely approximating the described standard 8½ × 11” size may also be used. Other limitations/instructions identified as follows: (fill-in, if there are other limitations/instructions).

(c) Identity any exclusions to the page limits that are excluded from the page counts specified in paragraph (a) of this provision (e.g. title pages, table of contents) as follows: (fill-in). In addition, the Cost section of your proposal is not page limited. However, this section is to be strictly limited to cost and price information. Information that can be construed as belonging in one of the other sections of the proposal will be so construed and counted against that section’s page limitation.

(d) If final proposal revisions are requested, separate page limitations will be specified in the Government’s request for that submission.

(e) Pages submitted in excess of the limitations specified in this provision will not be evaluated by the Government and will be returned to the offeror.

(End of provision)
Ombudsman.

As prescribed in 1815.7003, insert the following clause:

OMBUDSMAN (NOV 2011)

(a) An ombudsman has been appointed to hear and facilitate the resolution of concerns from offerors, potential offerors, and contractors during the preaward and postaward phases of this acquisition. When requested, the ombudsman will maintain strict confidentiality as to the source of the concern. The existence of the ombudsman is not to diminish the authority of the contracting officer, the Source Evaluation Board, or the selection official. Further, the ombudsman does not participate in the evaluation of proposals, the source selection process, or the adjudication of formal contract disputes. Therefore, before consulting with an ombudsman, interested parties must first address their concerns, issues, disagreements, and/or recommendations to the contracting officer for resolution.

(b) If resolution cannot be made by the contracting officer, interested parties may contact the installation ombudsman, whose name, address, telephone number, facsimile number, and email address may be found at: http://prod.nais.nasa.gov/pub/pub_library/Omb.html. Concerns, issues, disagreements, and recommendations which cannot be resolved at the installation may be referred to the Agency ombudsman identified at the above URL. Please do not contact the ombudsman to request copies of the solicitation, verify offer due date, or clarify technical requirements. Such inquiries shall be directed to the Contracting Officer or as specified elsewhere in this document.

Proposal adequacy checklist.

As prescribed in 1815.408–70(c), use the following provision:

PROPOSAL ADEQUACY CHECKLIST (MAR 2014)

The offeror shall complete the following checklist, providing location of requested information, or an explanation of why the requested information is not provided. In preparation of the offeror’s checklist, offerors may elect to have their prospective subcontractors use the same or similar checklist as appropriate.

### COST ELEMENTS

#### MATERIALS AND SERVICES

14. FAR 15.408, Table 15–2, Section II Paragraph A. Does the proposal include a consolidated summary of individual material and services, frequently referred to as a Consolidated Bill of Material (CBOM), to include the basis for pricing? The offeror’s consolidated summary shall include raw materials, parts, components, assemblies, subcontracts and services to be produced or performed by others, identifying as a minimum the item, source, quantity, and price.

#### SUBCONTRACTS (Purchased materials or services)

15. FAR 15.404–3(c), FAR 52.244–2 Per the thresholds of FAR 15.404–3(c), Subcontract Pricing Considerations, does the proposal include a copy of the applicable subcontractor’s certified cost or pricing data?

16. FAR 15.408, Table 15–2, Note 1; Section II Paragraph A. Is there a price/cost analysis establishing the reasonableness of each of the proposed subcontracts included with the proposal?

### EXCEPTIONS TO CERTIFIED COST OR PRICING DATA

17. FAR 52.215–20 ... FAR 2.101, “commercial item”

Has the offeror submitted an exception to the submission of certified cost or pricing data for commercial items proposed either at the prime or subcontractor level, in accordance with provision 52.215–20?

a. Has the offeror specifically identified the type of commercial item claim (FAR 2.101 commercial item definition, paragraphs (1) through (8)), and the basis on which the item meets the definition?
b. For modified commercial items (FAR 2.101 commercial item definition paragraph (3)); did the offeror classify the modification(s) as either—

i. A modification of a type customarily available in the commercial marketplace (paragraph (3)(i)); or

ii. A minor modification (paragraph (3)(ii)) of a type not customarily available in the commercial marketplace made to meet Federal Government requirements not exceeding the thresholds in FAR 15.403–1(c)(3)(iii)(B)?
c. For proposed commercial items “of a type”, or “evolved” or modified (FAR 2.101 commercial item definition paragraphs (1) through (3)), did the contractor provide a technical description of the differences between the proposed item and the comparison item(s)?

Does the proposal support the degree of competition and the basis for establishing the source and reasonableness of price for each subcontract or purchase order priced on a competitive basis exceeding the threshold for certified cost or pricing data?

### INTERORGANIZATIONAL TRANSFERS

18. FAR 15.408, Table 15–2, Section II Paragraph A(1).

For inter-organizational transfers proposed at cost, does the proposal include a complete cost proposal in compliance with Table 15–2?

19. FAR 15.408, Table 15–2, Section II Paragraph A(2).

For inter-organizational transfers proposed at price in accordance with FAR 31.205–26(e), does the proposal provide an analysis by the prime that supports the exception from certified cost or pricing data in accordance with FAR 15.403–1?

### DIRECT LABOR

21. FAR 15.408, Table 15–2, Section II Paragraph B.

Does the proposal include a time phased (i.e.; monthly, quarterly) breakdown of labor hours, rates and costs by category or skill level? If labor is the allocation base for indirect costs, the labor cost must be summarized in order that the applicable overhead rate can be applied.

For labor Basis of Estimates (BOEs), does the proposal include labor categories, labor hours, and task descriptions, (e.g.; Statement of Work reference, applicable CLIN, Work Breakdown Structure, rationale for estimate, applicable history, and time-phasing)?

If covered by the Service Contract Labor Standards statute (41 U.S.C. chapter 67), are the rates in the proposal in compliance with the minimum rates specified in the statute?

### INDIRECT COSTS

24. FAR 15.408, Table 15–2, Section II Paragraph C.

Does the proposal indicate the basis of estimate for proposed indirect costs and how they are applied? (Support for the indirect rates could consist of cost breakdowns, trends, and budgetary data.)

**Estimated Cost and Cost Sharing**

As prescribed in 1816.307–70(a), insert the following clause:

**Estimated Cost and Cost Sharing (DEC 1991)**

(a) It is estimated that the total cost of performing the work under this contract will be $_______.

(b) For performance of the work under this contract, the Contractor shall be reimbursed for not more than _____% of the costs of performance determined to be allowable under the Allowable Cost and Payment clause. The remaining _____% of more of the costs of performance so determined shall constitute the Contractor’s share, for which it will not be reimbursed by the Government.

(c) For purposes of the _______ [insert “Limitation of Cost” or “Limitation of Funds”] clause, the total estimated cost to the Government is hereby established as $_______ (insert estimated Government

(End of provision)
share); this amount is the maximum Government liability.

(d) The Contractor shall maintain records of all contract costs claimed by the Contractor as constituting part of its share. Those records shall be subject to audit by the Government. Costs contributed by the Contractor shall not be charged to the Government under any other grant, contract, or agreement (including allocation to other grants, contracts, or agreements as part of an independent research and development program).

(End of clause)

1852.216–74 Estimated cost and fixed fee.

As prescribed in 1816.307–70(b), insert the following clause:

ESTIMATED COST AND FIXED FEE (DEC 1991)

The estimated cost of this contract is $_____________ exclusive of the fixed fee of $_____________. The total estimated cost and fixed fee is $_____________.

(End of clause)

1852.216–75 Payment of fixed fee.

As prescribed in 1816.307–70(c), insert the following clause:

PAYMENT OF FIXED FEE (DEC 1988)

The fixed fee shall be paid in monthly installments based upon the percentage of completion of work as determined by the Contracting Officer.

(End of clause)

1852.216–76 Award fee for service contracts.

As prescribed in 1816.406–70(a), insert the following clause:

AWARD FEE FOR SERVICE CONTRACTS (APR 2012)

(a) The contractor can earn award fee from a minimum of zero dollars to the maximum stated in NASA FAR Supplement clause 1852.216–85, “Estimated Cost and Award Fee” in this contract.

(b) Beginning 6 months after the effective date of this contract, the Government shall evaluate the Contractor’s performance every 6 months to determine the amount of award fee earned by the contractor during the period. The Contractor may submit a self-evaluation of performance for each evaluation period under consideration. These self-evaluations will be considered by the Government in its evaluation. The Government’s Fee Determination Official (FTO) will determine the award fee amounts based on the Contractor’s performance in accordance with the performance evaluation plan. The plan may be revised unilaterally by the Government prior to the beginning of any rating period to redirect emphasis.

(c) The Government will advise the Contractor in writing of the evaluation results. The [insert payment office] will make payment based on [insert method of authorizing award fee payment, e.g., issuance of unilateral modification by contracting officer].

(d) The Contracting Officer may direct the withholding of earned award fee payments until a reserve is set aside in an amount that the Contracting Officer considers necessary to protect the Government’s interest relative to an orderly and timely closeout of the contract. This reserve shall not exceed 15 percent of the contract’s total potential award fee or $100,000, whichever is less.

(e) The amount of award fee which can be awarded in each evaluation period is limited to the amounts set forth at [identify location of award fee amounts]. Award fee which is not earned in an evaluation period cannot be reallocated to future evaluation periods.

(f)(1) Provisional award fee payments (insert “will” or “will not”, as applicable) be made under this contract pending the determination of the amount of fee earned for an evaluation period. If applicable, provisional award fee payments will be made to the Contractor on a [insert the frequency of provisional payments (not more often than monthly)] basis. The total amount of award fee available in an evaluation period that will be provisionally paid is the lesser of (Insert a percent not to exceed 80 percent) or the prior period’s evaluation score.

(2) Provisional award fee payments will be superseded by the final award fee evaluation for that period. If provisional payments exceed the final evaluation score, the Contractor will either credit the next payment voucher for the amount of such overpayment or refund the difference to the Government, as directed by the Contracting Officer.

(3) If the Contracting Officer determines that the Contractor will not achieve a level of performance commensurate with the provisional rate, payment of provisional award fee will be discontinued or reduced in such amounts as the Contracting Officer deems appropriate. The Contracting Officer will notify the Contractor in writing if it is determined that such discontinuance or reduction is appropriate.

(4) Provisional award fee payments (insert “will” or “will not”, as appropriate) be made
prior to the first award fee determination by the Government.

(c) Award fee determinations are unilateral decisions made solely at the discretion of the Government.

* [A period of time greater or lesser than 6 months may be substituted in accordance with 1816.405–272(a).]

(End of clause)

[77 FR 18106, Mar. 27, 2012]

1852.216-77 Award fee for end item contracts.

As prescribed in 1816.406–70(b), insert the following clause:

AWARD FEE FOR END ITEM CONTRACTS (AUG 2016)

(a) The contractor can earn award fee, or base fee, if any, from a minimum of zero dollars to the maximum stated in NASA FAR Supplement clause 1852.216–85, “Estimated Cost and Award Fee” in this contract. All award fee evaluations, with the exception of the last evaluation, will be interim evaluations. At the last evaluation, which is final, the Contractor’s performance for the entire contract will be evaluated to determine total earned award fee. No award fee or base fee will be paid to the Contractor if the final award fee evaluation is “poor/unsatisfactory.”

(b) Beginning 6* months after the effective date of this contract, the Government will evaluate the Contractor’s interim performance every 6* months to monitor Contractor performance prior to contract completion and to provide feedback to the Contractor. The evaluation will be performed in accordance with [insert performance evaluation plan] to this contract. The Contractor may submit a self-evaluation of performance for each period under consideration. These self-evaluations will be considered by the Government in its evaluation. The Government will advise the Contractor in writing of the evaluation results. The plan may be revised unilaterally by the Government prior to the beginning of any rating period to redirect emphasis.

(c)(1) Base fee, if applicable, will be paid in [insert “monthly”’, or less frequent period] installments based on the percent of completion of the work as determined by the Contracting Officer.

(2) Interim award fee payments will be made to the Contractor based on each interim evaluation. The amount of the interim award fee payment is limited to the lesser of the interim evaluation score or 80 percent of the fee allocated to that period less any provisional payments made during the period. All interim award fee payments will be superseded by the final award fee determination.

(3) Provisional award fee payments will [insert “not” if applicable] be made under this contract pending each interim evaluation. If applicable, provisional award fee payments will be made to the Contractor on a [insert the frequency of provisional payments (not more often than monthly)] basis. The amount of award fee which will be provisionally paid in each evaluation period is limited to [insert a percent not to exceed 80 percent] of the prior interim evaluation score (see [insert applicable cite]), except for the first evaluation period which is limited to [insert a percent not to exceed 80 percent] of the available award fee for that evaluation period. Provisional award fee payments made each evaluation period will be superseded by the interim award fee evaluation for that period. If provisional payments made exceed the interim evaluation score, the Contractor will either credit the next payment voucher for the amount of such overpayment or refund the difference to the Government, as directed by the Contracting Officer. If the Government determines that (i) the total amount of provisional fee payments will apparently substantially exceed the anticipated final evaluation score, or (ii) the prior interim evaluation is “poor/unsatisfactory,” the Contracting Officer will direct the suspension or reduction of the future payments and/or request a prompt refund of excess payments as appropriate. Written notification of the determination will be provided to the Contractor with a copy to the Deputy Chief Financial Officer (Finance).

(4) All interim (and provisional, if applicable) fee payments will be superseded by the fee determination made in the final award fee evaluation. The Government will then pay the Contractor, or the Contractor will refund to the Government the difference between the final award fee determination and the cumulative interim (and provisional, if applicable) fee payments. If the final award fee evaluation is “poor/unsatisfactory”, any base fee paid will be refunded to the Government.

(5) Payment of base fee, if applicable, will be made based on submission of an invoice by the Contractor. Payment of award fee will be made by the [insert payment office] based on [insert method of making award fee payment, e.g., issuance of a unilateral modification by the Contracting Officer].

(4) The Contracting Officer may direct the withholding of interim award fee payments until a reserve is set aside in an amount that the Contracting Officer considers necessary to protect the Government’s interest relative to an orderly and timely closeout of the contract. This reserve shall not exceed 15 percent of the contracts total potential award fee or $100,000, whichever is less.

1852.216–80 Task ordering procedure.

As prescribed in 1816.506–70, insert the following clause:

TASK ORDERING PROCEDURES (OCT 1996)

(a) Only the Contracting Officer may issue task orders to the Contractor, providing specific authorization or direction to perform work within the scope of the contract and as specified in the schedule. The Contractor may incur costs under this contract in performance of task orders and task order modifications issued in accordance with this clause. No other costs are authorized unless otherwise specified in the contract or expressly authorized by the Contracting Officer.

(b) Prior to issuing a task order, the Contracting Officer shall provide the Contractor with the following date:

(1) A functional description of the work identifying the objectives or results desired from the contemplated task order.

(2) Proposed performance standards to be used as criteria for determining whether the work requirements have been met.

(3) A request for a task plan from the Contractor to include the technical approach, period of performance, appropriate cost information, and any other information required to determine the reasonableness of the Contractor’s proposal.

(c) Within calendar days after receipt of the Contracting Officer’s request, the Contractor shall submit a task plan conforming to the request.

(d) After review and any necessary discussions, the Contracting Officer may issue a task order to the Contractor containing, as a minimum, the following:

(1) Date of the order.

(2) Contract number and order number.

(3) Functional description of the work identifying the objectives or results desired from the task order, including special instructions or other information necessary for performance of the task.

(4) Performance standards, and where appropriate, quality assurance standards.

(5) Maximum dollar amount authorized (cost and fee or price). This includes allocation of award fee among award fee periods, if applicable.

(6) Any other resources (travel, materials, equipment, facilities, etc.) authorized.

(7) Delivery/performance schedule including start and end dates.

(8) If contract funding is by individual task order, accounting and appropriation data.

(e) The Contractor shall provide acknowledgement of receipt to the Contracting Officer within calendar days after receipt of the task order.

(f) If time constraints do not permit issuance of a fully defined task order in accordance with the procedures described in paragraphs (a) through (d), a task order which includes a ceiling price may be issued.

(g) The Contracting officer may amend tasks in the same manner in which they are issued.

(h) In the event of a conflict between the requirements of the task order and the Contractor’s approved task plan, the task order shall prevail.

(End of clause)

Alternate I (OCT 1996). As prescribed in 1816.506–70, insert the following paragraph (i) if the contract does not include 533M reporting:

(i) Contractor shall submit monthly task order progress reports. As a minimum, the reports shall contain the following information:

(1) Contract number, task order number, and date of the order.

(2) Task ceiling price.

(3) Cost and hours incurred to date for each issued task.

(4) Costs and hours estimated to complete each issued task.

(5) Significant issues/problems associated with a task.

(a) This solicitation is for the acquisition of [insert Program title]. The acquisition will be conducted as a two-phased procurement using a competitive down-selection technique between phases. In this technique, two or more contractors will be selected for Phase 1. It is expected that the single contractor for Phase 2 will be chosen from among these contractors after a competitive down-selection.

(b) Phase 1 is for the [insert purpose of phase]. Phase 2 is for [insert general Phase 2 goals].

(c) The competition for Phase 2 will be based on the results of Phase 1, and the award criteria for Phase 2 will include successful completion of Phase 1 requirements.

(d) NASA will issue a separate, formal solicitation for Phase 2 that will include all information required for preparation of proposals, including the final evaluation factors.

(e) Phase 2 will be synopsized in the Governmentwide Point of Entry (GPE) in accordance with FAR 5.201 and 5.203 unless one of the exceptions in FAR 5.202 applies. Notwithstanding NASA’s expectation that only the Phase 1 contractors will be capable of successfully competing for Phase 2, all proposals will be considered.

(f) To be considered for Phase 2 award, offerors must demonstrate a design maturity equivalent to that of the Phase 1 contractors. This demonstration shall include the following Phase 1 deliverables upon which Phase 2 award will be based: [insert the specific Phase 1 deliverables]. Failure to fully and completely demonstrate the appropriate level of design maturity may render the proposal unacceptable with no further consideration for contract award.

(g) The following draft Phase 2 evaluation factors are provided for your information. Please note that these evaluation factors are not final, and NASA reserves the right to change them at any time up to and including the date upon which Phase 2 proposals are solicited.

[Insert draft Phase 2 evaluation factors (and subfactors, if available), including demonstration of successful completion of Phase 1 requirements.]

(h) Although NASA will request Phase 2 proposals from Phase 1 contractors, submission of the Phase 2 proposal is not a requirement of the Phase 1 contract. Accordingly, the costs of preparing these proposals shall not be a direct charge to the Phase 1 contract or any other Government contract.

(i) The anticipated schedule for conducting this phased procurement is provided for your information. These dates are projections only and are not intended to commit NASA to complete a particular action at a given time. [Insert dates below].

1852.217–72 Phased acquisition using progressive competition down-selection procedures.

As prescribed in 1817.7002(b), insert the following clause:

PHASED ACQUISITION USING PROGRESSIVE COMPETITION DOWN-SELECTION PROCEDURES (MAY 2000)

(a) This solicitation is for the acquisition of [insert Program title]. The acquisition will be conducted as a two-phased procurement using a progressive competition down-selection technique between phases. In this technique, two or more contractors will be selected for Phase 1. It is expected that the single contractor for Phase 2 will be chosen from among these contractors after a competitive down-selection.

(b) Phase 1 is for the [insert purpose of phase]. Phase 2 is for [insert general Phase 2 goals].

(c) The competition for Phase 2 will be based on the results of Phase 1, and the award criteria for Phase 2 will include successful completion of Phase 1 requirements.

(d) NASA does not intend to issue a separate, formal solicitation for Phase 2. Instead, Phase 2 proposals will be requested from the Phase 1 contractors by means of [indicate method of requesting proposals, e.g., by a letter]. All information required for preparation of Phase 2 proposals, including the final evaluation criteria and factors, will be provided at that time.
(e) Phase 2 will be synopsized in the Governmentwide Point of Entry (GPE) in accordance with FAR 5.201 and 5.203 unless one of the exceptions in FAR 5.202 applies. Notwithstanding NASA’s expectation that only the Phase 1 contractors will be capable of successfully competing for Phase 2, all proposals will be considered. Any other responsible source may indicate its desire to submit a proposal by responding to the Phase 2 synopsis, and NASA will provide that source to all the material furnished to the Phase 1 contractors that is necessary to submit a proposal.

(f) To be considered for Phase 2 award, offerors must demonstrate a design maturity equivalent to that of the Phase 1 contractors. This demonstration shall include the following Phase 1 deliverables upon which Phase 2 award will be based: [insert the specific Phase 1 deliverables]. Failure to fully and completely demonstrate the appropriate level of design maturity may render the proposal unacceptable with no further consideration for contract award.

(g) The following draft Phase 2 evaluation factors are provided for your information. Please note that these evaluation factors are not final, and NASA reserves the right to change them at any time up to and including the date upon which Phase 2 proposals are requested. Any such changes in evaluation factors will not necessitate issuance of a new, formal solicitation for Phase 2. [Insert draft Phase 2 evaluation factors (and subfactors, if available), including demonstration of successful completion of Phase 1 requirements.]

(h) Although NASA will request Phase 2 proposals from Phase 1 contractors, submission of the Phase 2 proposal is not a requirement of the Phase 1 contract. Accordingly, the costs of preparing these proposals shall not be a direct charge to the Phase 1 contract or any other Government contract.

(i) The anticipated schedule for conducting this phased procurement is provided for your information. These dates are projections only and are not intended to commit NASA to complete a particular action at a given time. [Insert dates below].

1852.219–11 Special 8(a) contract conditions.

As prescribed in 1819.811–3(a), insert the following clause in lieu of 52.219–11: [Special 8(a) CONTRACT CONDITIONS (APR 2015)

(a) This contract is issued as a direct award between the contracting activity and the 8(a) contractor pursuant to a Partnership Agreement between the Small Business Administration (SBA) and the National Aeronautics and Space Administration. Accordingly, the SBA is not a signatory to this contract. SBA does retain responsibility for 8(a) certification, 8(a) eligibility determinations and related issues, and providing counseling and assistance to the 8(a) contractor under the 8(a) program. The cognizant SBA district office is: [insert name and address of cognizant SBA office]

(b) The contracting activity is responsible for administering the contract and taking any action on behalf of the Government under the terms and conditions of the contract; provided, however, that the contracting activity shall give advance notice to the SBA before it issues a final notice terminating performance, either in whole or in part, under the contract. The contracting activity shall also coordinate with the SBA prior to processing any novation agreement. The contracting activity may assign contract administration functions to a contract administration office.

(c) The contractor agrees to notify the Contracting Officer, simultaneous with its notification to SBA (as required by SBA’s 8(a) regulations), when the owner or owners upon whom 8(a) eligibility is based plan to relinquish ownership or control of the concern. Consistent with Section 407 of Public Law 100–656, transfer of ownership or control shall result in termination of the contract for convenience, unless SBA waives the requirement for termination prior to the actual relinquishing of ownership and control.

[80 FR 12946, Mar. 12, 2015, as amended at 80 FR 50212, Aug. 19, 2015]

1852.219–18 Notification of competition limited to eligible 8(a) concerns.

As prescribed in 1819.811–3(d), insert the following clause:

NOTIFICATION OF COMPETITION LIMITED TO ELIGIBLE 8(a) CONCERNS (APR 2015)

(a) Offers are solicited only from small business concerns expressly certified by the Small Business Administration (SBA) for participation in the SBA’s 8(a) Program and which meet the following criteria at the time of submission of offer—

(1) The Offeror is in conformance with the 8(a) support limitation set forth in its approved business plan; and

(2) The Offeror is in conformance with the Business Activity Targets set forth in its approved business plan or any remedial action directed by the SBA.

(b) By submission of its offer, the Offeror represents that it meets all of the criteria set forth in paragraph (a) of this clause.

(c) Any award resulting from this solicitation will be made directly by the Contracting Officer to the successful 8(a) offeror selected through the evaluation criteria set forth in this solicitation.

(d)(1) Agreement. A small business concern submitting an offer in its own name shall furnish, in performing the contract, only end items manufactured or produced by small business concerns in the United States or its outlying areas. If this procurement is processed under simplified acquisition procedures and the total amount of this contract does not exceed $25,000, a small business concern may furnish the product of any domestic firm. This paragraph does not apply to construction or service contracts.

(2) The [insert name of SBA’s contractor] will notify the [insert name of contracting agency] Contracting Officer in writing immediately upon entering an agreement (either oral or written) to transfer all or part of its stock or other ownership interest to any other party.

(End of provision)

1852.219–74 [Reserved]

1852.219–75 Individual Subcontracting Reports.

As prescribed in 1819.708–70(b), insert the following clause:

INDIVIDUAL SUBCONTRACTING REPORTS (APR 2015)

When submitting Individual Subcontracting Reports in eSRS in accordance with FAR 52.219–9(l) (1), the contractor shall enter goals as a percentage of total contract value as well as a percentage of total subcontract dollars.

(End of clause)

1852.219–76 [Reserved]

1852.219–77 NASA Mentor-Protégé Program.

As prescribed in 1819.7215, insert the following clause:

NASA MENTOR-PROTÉGE´ PROGRAM (APR 2015)

(a) Prime contractors are encouraged to participate in the NASA Mentor-Protégé Program for the purpose of providing developmental assistance to eligible protégé entities to enhance their capabilities and increase their participation in NASA contracts.

(b) The Program consists of:

(1) Mentors, which are large businesses and prime contractors with at least one active and approved NASA subcontracting plan;

(2) Protégés, which are subcontractors to the prime contractor. Protégés must qualify as small disadvantaged business concerns, women-owned small business concerns, veteran-owned or service-disabled veteran-owned small business concerns, HUBZone small business concerns, Historically Black Colleges and Universities, minority institutions of higher education, meeting the qualifications defined in FAR part 2, Definitions of Parts and Term, active NASA SBIR Phase II companies or nonprofit agencies employing people who are blind or severely disabled as defined in 41 CFR part 51.

(3) Mentor-protégé agreements endorsed by the cognizant NASA centers and approved by the NASA Office of Small Business Programs (OSBP);
(4) In contracts with award fee incentives, potential for payment of an award fee for voluntary participation and successful performance in the Mentor-Protégé Program, in accordance with NFS 1819.7208.

(c) Mentor participation in the Program, described in NFS 1819.72, means providing technical, managerial and financial assistance to aid protégés in developing requisite high-tech expertise and business systems to compete for and successfully perform NASA contracts and subcontracts.

(d) Contractors interested in participating in the program are encouraged to contact the NASA OSBP, Washington, DC 20546, (202) 358-2088, for further information.

(End of clause)

1852.219–79 Mentor requirements and evaluation.

As prescribed in 1819.7215, insert the following clause:

MENTOR REQUIREMENTS AND EVALUATION (APR 2015)

(a) The purpose of the NASA Mentor-Protégé Program is for a NASA prime contractor to provide developmental assistance to certain subcontractors qualifying as protégés. Eligible protégés include certified small disadvantaged business concerns, women-owned small business concerns, veteran-owned or service-disabled veteran-owned small business concerns, HUBZone small business concerns, Historically Black Colleges and Universities, minority institutions of higher education, as defined in FAR part 2, Definitions of Parts and Terms, active NASA SBIR/STTR Phase II companies and nonprofit agencies employing the blind or severely handicapped as defined in 41 CFR chapter 51.

(b) NASA will evaluate the contractor’s performance on the following factors. If this contract includes an award fee incentive, this assessment will be accomplished as part of the fee evaluation process.

(1) Specific actions taken by the contractor, during the evaluation period, to increase the participation of protégés as subcontractors and suppliers;

(2) Specific actions taken by the contractor during this evaluation period to develop the technical and corporate administrative expertise of a protégé as defined in the agreement;

(3) To what extent the mentor and protégé have met the developmental milestones outlined in the agreement; and

(4) To what extent the entities’ participation in the Mentor-Protégé Program resulted in the protégé receiving competitive contract(s) and subcontract(s) from private firms and agencies other than the mentor.

(5) To what extent the mentor contributed to advancing the protégé’s technical readiness level.

(c) Semiannual reports shall be submitted by the mentor and the protégé to the cognizant NASA center and NASA Headquarters Office of Small Business Programs (OSBP), following the semiannual report template found on the Web site at http://www.osbp.nasa.gov.

(d) The mentor will notify the cognizant NASA center and NASA OSBP in writing, at least 30 days in advance of the mentor’s intent to voluntarily withdraw from the program or upon receipt of a protégé’s notice to withdraw from the Program;

(e) At the end of each year in the Mentor-Protégé Program, the mentor and protégé, as appropriate, will formally brief the NASA Mentor-Protégé program manager, the technical program manager, and the contracting officer during a formal program review regarding Program accomplishments, as it pertains to the approved agreement.

(f) NASA may terminate mentor-protégé agreements for good cause, thereby excluding mentors or protégés from participating in the NASA Mentor-Protégé program. These actions shall be approved by the NASA OSBP. NASA shall terminate an agreement by delivering to the contractor a letter specifying the reason for termination and the effective date. Termination of an agreement does not constitute a termination of the subcontract between the mentor and the protégé. A plan for accomplishing the subcontract effort should the agreement be terminated shall be submitted with the agreement.

(End of clause)

1852.219–80 Limitation on subcontracting—SBIR Phase I program.

As prescribed in 1819.7302(a), insert the following clause:

LIMITATION ON SUBCONTRACTING—SBIR PHASE I PROGRAM (OCT 2006)

The Contractor shall perform a minimum of two-thirds of the research and/or analytical effort (total contract price less profit) conducted under this contract. Any deviation from this requirement must be approved in advance and in writing by the Contracting Officer.
1852.219–81  Limitation on subcontracting—SBIR Phase II program.

As prescribed in 1819.7302(b), insert the following clause:

**LIMITATION ON SUBCONTRACTING—SBIR PHASE II PROGRAM (OCT 2006)**

The Contractor shall perform a minimum of one-half of the research and/or analytical effort (total contract price less profit) conducted under this contract. Any deviation from this requirement must be approved in advance and in writing by the Contracting Officer. Since the selection of R&D contractors is substantially based on the best scientific and technological sources, it is important that the Contractor not subcontract technical or scientific work without the Contracting Officer’s advance approval.

(End of clause)

[71 FR 61688, Oct. 19, 2006]

1852.219–82  Limitation on subcontracting—STTR program.

As prescribed in 1819.7302(c), insert the following clause:

**LIMITATION ON SUBCONTRACTING—STTR PROGRAM (OCT 2006)**

The Contractor shall perform a minimum of 40 percent of the work under this contract (total contract price including cost sharing if any, less profit if any). A minimum of 30 percent of the work under this contract shall be performed by the research institution. Since the selection of R&D contractors is substantially based on the best scientific and technological sources, it is important that the Contractor not subcontract technical or scientific work without the Contracting Officer’s advance approval.

(End of clause)

[71 FR 61688, Oct. 19, 2006]

1852.219–83  Limitation of the principal investigator—SBIR program.

As prescribed in 1819.7302(d), insert the following clause:

**LIMITATION OF THE PRINCIPAL INVESTIGATOR—SBIR PROGRAM (OCT 2006)**

The primary employment of the principal investigator (PI) shall be with the small business concern (SBC)/Contractor during the conduct of this contract. Primary employment means that more than one-half of the principal investigator’s time is spent in the employ of the SBC/Contractor. This precludes full-time employment with another organization. Deviations from these requirements must be approved in advance and in writing by the Contracting Officer and are not subject to a change in the firm-fixed price of the contract. The PI for this contract is (insert name).

(End of clause)

[71 FR 61688, Oct. 19, 2006]

1852.219–84  Limitation of the principal investigator—STTR program.

As prescribed in 1819.7302(e), insert the following clause:

**LIMITATION OF THE PRINCIPAL INVESTIGATOR—STTR PROGRAM (OCT 2006)**

(a) The primary employment of the principal investigator (PI) identified in paragraph (b) of this clause is with the small business concern (SBC)/Contractor or the research institution (RI). Primary employment means that more than one-half of the principal investigator’s time is spent in the employ of the SBC/Contractor or RI.

(b) The PI is considered to be key personnel in the performance of this contract. The SBC/Contractor, whether or not the employer of the PI, shall exercise primary management direction and control over the PI and be overall responsible for the PI’s performance under this contract. Deviations from these requirements must be approved in advance and in writing by the Contracting Officer and are not subject to a change in the firm-fixed price of the contract. The PI for this contract is (insert name).

(End of clause)

[71 FR 61688, Oct. 19, 2006]

1852.219–85  Conditions for final payment—SBIR and STTR contracts.

As prescribed in 1819.7302(f), insert the following clause:

**CONDITIONS FOR FINAL PAYMENT—SBIR AND STTR CONTRACTS (OCT 2006)**

As a condition for final payment under this contract, the Contractor shall provide the following certifications as part of its final payment invoice request:

1. Essentially equivalent work performed under this contract has not been proposed for funding to another Federal agency;
2. No other Federal funding award has been received for essentially equivalent work performed under this contract;

(End of clause)
3. Deliverable items submitted under this contract have not been submitted as deliverable items under another Federal funding award;
4. For SBIR contracts: The subcontracting limitation set forth in this contract was not exceeded except as approved in writing by the Contracting Officer on (insert date of approval or modification number);
5. For STTR contracts: The subcontracting limitation set forth in this contract was not exceeded;
6. For SBIR contracts: The primary employment of the principal investigator (PI) identified in this SBIR contract was with the Contractor, except as approved in writing by the Contracting Officer on (insert date of approval or modification number); and
7. For STTR contracts: The primary employment of the principal investigator (PI) identified in this STTR contract was the SBC/Contractor or the research institution (RI). The PI identified in the STTR contract was considered key in the performance of this contract. The SBC/Contractor, whether or not the employer of the PI, did exercise primary management direction and control over the PI and was overall responsible for the PI’s performance under this contract. Any substitutions of this individual were approved in writing by the Contracting Officer on (insert date of approval or modification number).

I understand that the willful provision of false information or concealing a material fact in this representation is a criminal offense under Title 18 USC, Section 1001. False Statements, as well as Title 18 U.S.C., Section 287, False Claims.

(End of clause)

[71 FR 61688, Oct. 19, 2006]

1852.223–70 Safety and health measures and mishap reporting.

As prescribed in 1823.7001(a), insert the following clause:

SAFETY AND HEALTH MEASURES AND MISHAP REPORTING (DEC 2013)

(a) Safety is the freedom from those conditions that can cause death, injury, occupational illness, damage to or loss of equipment or property, or damage to the environment. NASA’s safety priority is to protect:
(1) The public, (2) astronauts and pilots, (3) the NASA workforce (including contractor employees working on NASA contracts), and (4) high-value equipment and property.
(b) The Contractor shall take all reasonable safety and occupational health measures in performing this contract. The Contractor shall maintain an effective worksite safety and health program with organized and systematic methods to—
(1) Comply with Federal, State, and local safety and occupational health laws and with the safety and occupational health requirements of this contract;
(2) Describe and assign the responsibilities of managers, supervisors, and employees;
(3) Inspect regularly for and identify, evaluate, prevent, and control hazards;
(4) Orient and train employees to eliminate or avoid hazards; and
(5) Periodically review the program’s effectiveness. Authorized Government representatives shall have access to and the right to examine the work site and related records under this Contract in order to determine the adequacy of the Contractor’s safety and occupational health measures.
(c) The Contractor shall take, or cause to be taken, any other safety, and occupational health-measures the Contracting Officer may reasonably direct. To the extent that the Contractor may be entitled to an equitable adjustment for those measures under the terms and conditions of this contract, the equitable adjustment shall be determined pursuant to the procedures of the changes clause of this contract; provided, that no adjustment shall be made under this Safety and Health clause for any change for which an equitable adjustment is expressly provided under any other clause of the contract.
(d) The Contractor shall immediately notify the Contracting Officer or a designee any Type A, B, C, or D mishap, or close calls as defined in NASA Procedural Requirement (NPR) 8621.1, Mishap and Close Call Reporting, Investigating, and Recordkeeping. In addition, service contractors (excluding construction contracts) shall provide quarterly reports specifying lost-time frequency rate, number of lost-time injuries, exposure, and accident/incident dollar losses as specified in the contract Schedule.
(e) The Contractor shall cooperate with any Government-authorized investigation of Type A, B, C, or D mishaps, or Close Calls reported pursuant to paragraph (d) of this clause by providing access to employees; and relevant information in the possession of the Contractor regarding the mishap or close call.
(f)(1) The Contracting Officer may notify the Contractor of any noncompliance with this clause and specify corrective actions to be taken. When the Contracting Officer becomes aware of noncompliance that may pose a serious or imminent danger to safety and health of the public, astronauts and pilots, the NASA workforce (including contractor employees working on NASA contracts), or high value mission critical equipment or property, the Contracting Officer will notify the Contractor orally, with written confirmation. The Contractor shall promptly take corrective action.
(2) If the Contractor fails or refuses to institute prompt corrective action in accordance with subparagraph (f)(1) of this clause, the Contracting Officer may—

(i) Invoke the stop-work order clause in this contract;

(ii) Require the Contractor to remove and replace Contractor or subcontractor personnel who fail to comply with or violate applicable requirements of this clause;

(iii) Record the Contractor’s failure to comply in the appropriate databases of past performance; and

(iv) Consider the Contractor’s failure to comply in any responsibility determination or evaluation of past performance.

(g) The Contractor shall insert the substance of this clause, including this paragraph (g) in all subcontracts above the simplified acquisition threshold when the work will be conducted completely or partly on federally-controlled facilities.

(End of clause)

As prescribed in 1823.7101, insert the following clause:

AUTHORIZATION FOR RADIO FREQUENCY USE (APR 2015)

(a) The contractor or subcontractor shall obtain equipment authorization of use of radio frequencies required in support of this contract following the procedures in NPR 2570.1, NASA Radio Frequency (RF) Spectrum Management Manual.

(b) For any experimental, developmental, or operational equipment for which the appropriate equipment frequency authorization has not been made, the Contractor or subcontractor shall provide the technical and operating characteristics of the proposed electromagnetic radiating device to the NASA Center Facility Spectrum Manager during the initial planning, experimental, or developmental phase of contractual performance.

(c) This clause, including this paragraph (c), shall be included in all subcontracts that call for developing, producing, testing, or operating a device for which a radio frequency authorization is required.

(End of clause)

1852.223–72 Safety and health (short form).

As prescribed in 1823.7001(f), insert the following clause:

SAFETY AND HEALTH (SHORT FORM) (JUL 2015)

(a) Safety is the freedom from those conditions that can cause death, injury, occupational illness; damage to or loss of equipment or property, or damage to the environment. NASA is committed to protecting the safety and health of the public, our team members, and those assets that the Nation entrusts to the Agency.

(b) The Contractor shall have a documented, comprehensive and effective health and safety program with a proactive process to identify, assess, and control hazards and take all reasonable safety and occupational health measures consistent with standard industry practice in performing this contract.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c) in subcontracts that exceed the simplified acquisition threshold where work will be conducted completely or partly on Federally-controlled facilities.

(End of clause)

1852.223–73 Safety and health plan.

As prescribed in 1823.7001(c), insert the following clause:

SAFETY AND HEALTH PLAN (JUL 2015)

(a) The offeror shall submit a detailed safety and occupational health plan as part of its proposal. The plan shall include a detailed discussion of the policies, procedures, and techniques that will be used to ensure the safety and occupational health of Contractor employees and to ensure the safety of all working conditions throughout the performance of the contract.

(b) The plan shall similarly address subcontractor employee safety and occupational health for those proposed subcontracts or subcontract effort where the work will be conducted completely or partly on a Federally-controlled facility.

(c) This plan, as approved by the Contracting Officer, will be incorporated into any resulting contract.

(End of clause)

Alternate I (JUL 2015)

As prescribed in 1823.7001(c), delete the first sentence in paragraph (a) of the basic provision and substitute the following:
1852.223–74 Drug- and alcohol-free workforce.

As prescribed in 1823.570–2, insert the following clause:

**DRUG- AND ALCOHOL-FREE WORKFORCE (NOV 2015)**

(a) Definitions. 

*Employee in a sensitive position* means a contractor or subcontractor employee who has been granted access to classified information; a contractor or subcontractor employee in other positions that the contractor or subcontractor determines could reasonably be expected to affect safety, security, National security, or functions other than the foregoing requiring a high degree of trust and confidence; and includes any employee performing in a position designated mission critical or performing mission critical duties. The term also includes any applicant who is tentatively selected for a position described in this paragraph.

*Mission Critical Space Systems* means the collection of all space-based and ground-based systems used to conduct space missions or support activity in space, including, but not limited to, the crewed space system, space-based communication and navigation systems, launch systems, and mission-launch control.

*Mission Critical Positions/Duties* means positions or duties which, if performed in a faulty, negligent, or malicious manner, could jeopardize mission critical space systems and/or delay a mission.

(b) (1) The Contractor shall institute and maintain a program for achieving a drug- and alcohol-free workforce. As a minimum, the program shall provide for pre-employment, reasonable suspicion, random, post-accident, and periodic recurring (follow-up) testing of contractor employees in sensitive positions for use, in violation of applicable law or Federal regulation, of alcohol or a controlled substance. The Contractor may establish its testing or rehabilitation program in cooperation with other contractors or organizations.

(2) In determining which positions to designate as “sensitive,” the contractor may use the guidelines for determining testing designated positions in NASA Procedural Requirements (NPR) 3792.1, NASA’s Plan for a Drug Free Workplace, as a guide for the criteria and in designating “sensitive” positions for contractor employees.

(3) This clause neither prohibits nor requires the Contractor to test employees in a foreign country. If the Contractor chooses to conduct such testing, this does not authorize the Contractor to violate foreign law in conducting such testing.

(4) The Contractor’s program shall conform to the “Mandatory Guidelines for Federal Workplace Drug Testing Programs” published by the Department of Health and Human Services (73 FR 71858) and the procedures in 49 CFR part 40, “Procedures for Transportation Workplace Drug and Alcohol Testing Programs.”

(i) The Contractor shall test for the following drugs: Marijuana, Cocaine, Amphetamines, Opiates and Phencyclidine (PCP) in accordance with the Mandatory Guidelines for Federal Workplace Drug Testing Programs Mandatory Guidelines, Section 3.1, and 49 CFR 40.85.

(ii) The contractor shall comply with the requirements and procedures for alcohol testing at 49 CFR part 40.

(iii) The use of a controlled substance in accordance with the terms of a valid prescription, or other uses authorized by law shall not be subject to the requirements this clause.

(5) The contractor shall conduct post-accident testing when the contractor determines the employee’s actions are reasonably suspected of having caused or contributed to an accident resulting in death or personal injury requiring immediate hospitalization or damage to Government or private property estimated to exceed $20,000. Upon request, the Contractor shall provide the results of post-accident testing to the Contracting Officer.

(c) (1) The Contractor’s program shall provide, where appropriate, for the suspension, disqualification, or dismissal of any employee in a sensitive position in any instance where a test conducted and confirmed under the Contractor’s program indicates that such individual has used, in violation of applicable law or Federal regulation, alcohol or a controlled substance.

(2) The Contractor’s program shall further prohibit any such individual from working in a sensitive position on a NASA contract, unless such individual has completed a program of rehabilitation described in paragraph (d) of this clause.

(3) The Contractor’s program shall further prohibit any such individual from working in any sensitive position on a NASA contract if the individual is determined under the Contractor’s program to have used, in violation of applicable law or Federal regulation, alcohol or a controlled substance and the individual meets any of the following criteria:
(i) The individual had undertaken or completed a rehabilitation program described in paragraph (d) of this clause prior to such use; 
(ii) Following such determination, the individual refuses to undertake such a rehabilitation program; 
(iii) Following such determination, the individual fails to complete such a rehabilitation program; or 
(iv) The individual used a controlled substance or alcohol while on duty.

(d) The Contractor shall institute and maintain an appropriate rehabilitation program which shall, as a minimum, provide for the identification and opportunity for treatment of employees whose duties include responsibility for safety-sensitive, security, or National security functions who are in need of assistance in resolving problems with the use of alcohol or controlled substances.

(e) The requirements of this clause shall take precedence over any state or local Government laws, rules, regulations, ordinances, standards, or orders that are inconsistent with the requirements of this clause.

(f) For any collective bargaining agreement, the Contractor will negotiate the terms of its program with employee representatives, as appropriate, under labor relations laws or negotiated agreements. Such negotiation, however, cannot change the requirements of this clause. Employees covered under collective bargaining agreements will not be subject to the requirements of this clause until those agreements have been modified, as necessary; provided, however, that if one year after commencement of negotiation the parties have failed to reach agreement, an impasse will be determined to have been reached and the Contractor will unilaterally implement the requirements of this clause.

(g) The Contractor shall insert a clause containing all the terms of this clause, including this paragraph (g), in all subcontracts in which work is performed by an employee in a sensitive position, except subcontractors for commercial items (see FAR parts 2 and 12).

(End of clause)

1852.223–75 Major breach of safety or security.

As prescribed in 1823.7001(e)(1), insert the following clause:

MAJOR BREACH OF SAFETY OR SECURITY (FEB 2002)

(a) Safety is the freedom from those conditions that can cause death, injury, occupational illness, damage to or loss of equipment or property, or damage to the environment. Safety is essential to NASA and is a material part of this contract. NASA’s safety priority is to protect: (1) The public; (2) astronauts and pilots; (3) the NASA workforce (including contractor employees working on NASA contracts); and (4) high-value equipment and property. A major breach of safety may constitute a breach of contract that entitles the Government to exercise any of its rights and remedies applicable to material parts of this contract, including termination for default. A major breach of safety may occur on or off Government installations, but must be related directly to the work on the contract. A major breach of safety is an act or omission of the Contractor that results in a fatality or mission failure; or in damage to equipment or property equal to or greater than $1 million; or in any “willful” or “repeat” violation cited by the Occupational Safety and Health Administration (OSHA) or by a state agency operating under an OSHA approved plan.

(b) Security is the condition of safeguarding against espionage, sabotage, crime (including computer crime), or attack. A major breach of security may constitute a breach of contract that entitles the Government to exercise any of its rights and remedies applicable to material parts of this contract, including termination for default. A major breach of security may occur on or off Government installations, but must be related directly to the work on the contract. A major breach of security is an act or omission by the Contractor that results in compromise of classified information, illegal technology transfer, workplace violence resulting in criminal conviction, sabotage, compromise or denial of information technology services, equipment or property damage from vandalism greater than $250,000, or theft greater than $250,000.

(c) In the event of a major breach of safety or security, the Contractor shall report the breach to the Contracting Officer. If directed by the Contracting Officer, the Contractor shall conduct its own investigation and report the results to the Government. The Contractor shall cooperate with the Government investigation, if conducted.

Alterate I (FEB 2006) As prescribed in 1823.7001(e)(2), substitute the following paragraphs (a) and (b) for paragraphs (a) and (b) of the basic clause:

(a) Safety is the freedom from those conditions that can cause death, injury, occupational illness, damage to or loss of equipment or property, or damage to the environment. Safety is essential to NASA and is a material part of this contract. NASA’s safety priority is to protect: (1) The public; (2)
astronauts and pilots; (3) the NASA workforce (including contractor employees working on NASA contracts); and (4) high-value equipment and property. A major breach of safety may constitute a breach of contract that entitles the Government to exercise any of its rights and remedies applicable to material parts of this contract, including termination. A major breach of safety must be related directly to the work on the contract. A major breach of safety is an act or omission of the Contractor that results in a fatality or mission failure; or in damage to equipment or property equal to or greater than $1 million; or in any “willful” or “repeat” violation cited by the Occupational Safety and Health Administration (OSHA) or by a state agency operating under an OSHA approved plan.

(b) Security is the condition of safeguarding against espionage, sabotage, crime (including computer crime), or attack. A major breach of security may constitute a breach of contract that entitles the Government to exercise any of its rights and remedies applicable to material parts of this contract, including termination. A major breach of security is an act or omission by the Contractor that results in compromise of classified information, illegal technology transfer, workplace violence resulting in criminal conviction, sabotage, compromise or denial of information technology services, equipment or property damage from vandalism greater than $250,000, or theft greater than $250,000.

(End of clause)

1852.223–76 Federal Automotive Statistical Tool Reporting.

As prescribed at 1823.271 and 1851.205, insert the following clause:

FEDERAL AUTOMOTIVE STATISTICAL TOOL REPORTING (JUL 2003)

If authorized to operate Government-owned or -leased vehicles, including inter-agency fleet management system (IFMS) vehicles or related services in performance of this contract, the Contractor shall report the data describing vehicle usage required by the Federal Automotive Statistical Tool (FAST) by October 15 of each year. FAST is accessed through https://fastweb.inel.gov.

(End of clause)

1852.225–8 Duty-free entry of space articles (FEB 2000).

As prescribed in 1825.1101(e), add the following paragraph (k) to the basic clause at FAR 52.225–8:

(k) The following supplies will be given duty-free entry: [Insert the supplies that are to be accorded duty-free entry.]

(End of addition)

[65 FR 10033, Feb. 25, 2000]

1852.225–70 Export Licenses.

As prescribed in 1825.1103–70(b), insert the following clause:

EXPORT LICENSES (FEB 2000)

(a) The Contractor shall comply with all U.S. export control laws and regulations, including the International Traffic in Arms Regulations (ITAR), 22 CFR parts 120–130, and the Export Administration Regulations (EAR), 15 CFR parts 730–799, in the performance of this contract. In the absence of available license exemptions/exceptions, the Contractor shall be responsible for obtaining the appropriate licenses or other approvals, if required, for exports of hardware, technical data, and software, or for the provision of technical assistance.

(b) The Contractor shall be responsible for obtaining export licenses, if required, before utilizing foreign persons in the performance of this contract, including instances where the work is to be performed on-site at [insert name of NASA installation], where the foreign person will have access to export-controlled technical data or software.

(c) The Contractor shall be responsible for all regulatory record keeping requirements associated with the use of licenses and license exemptions/exceptions.

(d) The Contractor shall be responsible for ensuring that the provisions of this clause apply to its subcontractors.

(End of clause)

[65 FR 10033, Feb. 25, 2000]

Alterate I (FEB 2000). As prescribed in 1825.1103–70(b), add the following paragraph (e) as Alternate I to the clause:

(e) The Contractor may request, in writing, that the Contracting Officer authorizes it to export ITAR-controlled technical data (including software) pursuant to the exemption at 22 CFR 125.4(b)(3). The Contracting Officer.

(End of clause)
or designated representative may authorize or direct the use of the exemption where the data does not disclose details of the design, development, production, or manufacture of any defense article.

1852.225–72 [Reserved]

As prescribed at 1827.303(b)(1), modify the clause at FAR 52.227–11 by:

(1) Adding the following subparagraphs (5) and (6) to paragraph (c) of the basic clause;
(2) By adding the following subparagraph (iii) to paragraph (e)(1) of the basic clause;
(3) By using the following paragraph (j) in lieu of paragraph (j) of the basic clause; and
(4) By using the following subparagraph (2) in lieu of subparagraph (k)(2) of the basic clause:

5 The Contractor may use whatever format is convenient to disclose subject inventions required in subparagraph (c)(1). NASA prefers that the contractor use either the electronic or paper version of NASA Form 1679, Disclosure of Invention and New Technology (Including Software) to disclose subject inventions. Both the electronic and paper versions of NASA Form 1679 may be accessed at the electronic New Technology Reporting Web site http://invention.nasa.gov.

6 In addition to the above, the Contractor shall provide the New Technology Representative identified in this contract at 1852.227–72 the following:

(i) An interim new technology summary report every 12 months (or such longer period as the Contracting Officer may specify) from the date of the contract, listing all subject inventions required to be disclosed during the period or certifying that there were none.
(ii) A final new technology summary report, within 3 months after completion of the contracted work, listing all subject inventions required to be disclosed during the period or certifying that there were none.
(iii) Upon request, the filing date, serial number and title, a copy of the patent application, and patent number and issue date for any subject invention in any country in which the contractor has applied for patents.
(iv) An irrevocable power to inspect and make copies of the patent application file, by the Government, when a Federal Government employee is a co-inventor.

(End of addition)

(i) The Contractor shall, through employee agreements or other suitable Contractor policy, require that its employees “will assign and do hereby assign” to the Contractor all right, title, and interest in any subject invention under this Contract.

(End of addition)

(j) For the purposes of this clause, communications between the Contractor and the Government shall be as specified in the NASA FAR Supplement at 1852.227–72, Designation of New Technology Representative and Patent Representative.

(End of addition)

2 The Contractor shall include the clause in the NASA FAR Supplement at 1852.227–70, New Technology—Other than a Small Business Firm or Nonprofit Organization, suitably modified to identify the parties, in all subcontracts, regardless of tier, for experimental, developmental, research, design, or engineering work to be performed by other than a small business firm or nonprofit organization. At all tiers, the New Technology—Other than a Small Business Firm or Nonprofit Organization clause shall be modified to identify the parties as follows: references to the Government are not changed, and in all references to the Contractor the subcontractor is substituted for the Contractor so that the subcontractor has all rights and obligations of the Contractor in the clause.

(End of substitution)

[80 FR 12947, Mar. 12, 2015, as amended at 80 FR 50212, Aug. 19, 2015]

As prescribed in 1827.409(b)(1), modify the clause at FAR 52.227–14 by: (1) adding the following subparagraph (iv) to paragraph (c)(1) of the basic clause; (2) by adding the following provision to the end of Alternate IV if used in lieu of paragraph (c)(1) of the basic clause; and (3) by adding subparagraph (4) to paragraph (d) of the basic clause:

(iv) The contractor shall mark each scientific and technical article based on or containing data first produced in the performance of this contract and submitted for publication in academic, technical or professional journals, symposia proceedings or similar works with a notice, similar in all material
respects to the following, on the cover or first page of the article, reflecting the Government’s non-exclusive worldwide license in the copyright.

Government Rights Notice

1852.227–17 Rights in data—Special works (JUL 1997).

As prescribed in 1827.409(i), add the following paragraph (f) to the basic clause at FAR 52.227–17:

(f) Whenever the words “establish” and “establishment” are used in this clause, with reference to a claim to copyright, they shall be construed to mean “assert” and “assertion”, respectively.

(End of addition)

(a) As prescribed in 1827.409(k)(i), add the following paragraph (e) to the basic clause at FAR 52.227–19:

(e) For the purposes of receiving updates, correction notices, consultation information, or other similar information regarding any computer software delivered under this contract/purchase order, the NASA Contracting Officer or the NASA Contracting Officer’s Technical Representative/User may
subject invention; whether or not patentable or otherwise protectible under Title 35 of the United States Code, made in the performance of any work under any NASA contract or in the performance of any work that is reimbursable under any clause in any NASA contract providing for reimbursement of costs incurred before the effective date of the contract. Reportable items include, but are not limited to, new processes, machines, manufactures, and compositions of matter, and improvements to, or new applications of, existing processes, machines, manufactures, and compositions of matter. Reportable items also include new computer programs, and improvements to, or new applications of, existing computer programs, whether or not copyrightable or otherwise protectible under Title 17 of the United States Code.

“Small business firm” means a domestic small business concern as defined at 15 U.S.C. 632 and implementing regulations of the Administrator of the Small Business Administration. (For the purpose of this definition, the criteria and size standard adopted in the FAR Subpart 2.1 definitions for “small business concern” and for “small business subcontractor” will be used.)

“Subject invention” means any reportable item which is or may be patentable or otherwise protectible under Title 35 of the United States Code, or any novel variety of plant that is or may be protectible under the Plant Variety Protection Act (7 U.S.C. 2321, et seq.).

(2) When used in relation to a plant variety, that the Contractor has at least tentatively determined that the variety has been reproduced with recognized characteristics.

“(Nonprofit organization” means a domestic university or other institution of higher education or an organization of the type described in section 501(c)(3) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c)) and exempt from taxation under section 501(a) of the Internal Revenue Code (26 U.S.C. 501(a)), or any domestic nonprofit scientific or educational organization qualified under a State nonprofit organization statute.

“Practical application” means to manufacture, in the case of a composition or product; to practice, in the case of a process or method; or to operate, in the case of a machine or system; and, in each case, under such conditions as to establish that the invention is being utilized and that its benefits are, to the extent permitted by law or Government regulations, available to the public on reasonable terms.

“Reportable item” means any invention, discovery, improvement, or innovation of the contractor, whether or not patentable or otherwise protectible under Title 35 of the United States Code, made in the performance of any work under any NASA contract or in the performance of any work that is reimbursable under any clause in any NASA contract providing for reimbursement of costs incurred before the effective date of the contract. Reportable items include, but are not limited to, new processes, machines, manufactures, and compositions of matter, and improvements to, or new applications of, existing processes, machines, manufactures, and compositions of matter. Reportable items also include new computer programs, and improvements to, or new applications of, existing computer programs, whether or not copyrightable or otherwise protectible under Title 17 of the United States Code.

“Small business firm” means a domestic small business concern as defined at 15 U.S.C. 632 and implementing regulations of the Administrator of the Small Business Administration. (For the purpose of this definition, the criteria and size standard adopted in the FAR Subpart 2.1 definitions for “small business concern” and for “small business subcontractor” will be used.)

“Subject invention” means any reportable item which is or may be patentable or otherwise protectible under Title 35 of the United States Code, or any novel variety of plant that is or may be protectible under the Plant Variety Protection Act (7 U.S.C. 2321, et seq.).

(2) When used in relation to a plant variety, that the Contractor has at least tentatively determined that the variety has been reproduced with recognized characteristics.

“(Nonprofit organization” means a domestic university or other institution of higher education or an organization of the type described in section 501(c)(3) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c)) and exempt from taxation under section 501(a) of the Internal Revenue Code (26 U.S.C. 501(a)), or any domestic nonprofit scientific or educational organization qualified under a State nonprofit organization statute.

“Practical application” means to manufacture, in the case of a composition or product; to practice, in the case of a process or method; or to operate, in the case of a machine or system; and, in each case, under such conditions as to establish that the invention is being utilized and that its benefits are, to the extent permitted by law or Government regulations, available to the public on reasonable terms.

“Reportable item” means any invention, discovery, improvement, or innovation of the contractor, whether or not patentable or otherwise protectible under Title 35 of the United States Code, made in the performance of any work under any NASA contract or in the performance of any work that is reimbursable under any clause in any NASA contract providing for reimbursement of costs incurred before the effective date of the contract. Reportable items include, but are not limited to, new processes, machines, manufactures, and compositions of matter, and improvements to, or new applications of, existing processes, machines, manufactures, and compositions of matter. Reportable items also include new computer programs, and improvements to, or new applications of, existing computer programs, whether or not copyrightable or otherwise protectible under Title 17 of the United States Code.

“Small business firm” means a domestic small business concern as defined at 15 U.S.C. 632 and implementing regulations of the Administrator of the Small Business Administration. (For the purpose of this definition, the criteria and size standard adopted in the FAR Subpart 2.1 definitions for “small business concern” and for “small business subcontractor” will be used.)

“Subject invention” means any reportable item which is or may be patentable or otherwise protectible under Title 35 of the United States Code, or any novel variety of plant that is or may be protectible under the Plant Variety Protection Act (7 U.S.C. 2321, et seq.).

(2) When used in relation to a plant variety, that the Contractor has at least tentatively determined that the variety has been reproduced with recognized characteristics.

“(Nonprofit organization” means a domestic university or other institution of higher education or an organization of the type described in section 501(c)(3) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c)) and exempt from taxation under section 501(a) of the Internal Revenue Code (26 U.S.C. 501(a)), or any domestic nonprofit scientific or educational organization qualified under a State nonprofit organization statute.
(b)(3) of this clause, the Contractor may nevertheless file the statement described in paragraph (b)(1)(i) of this clause. The Administrator will review the information furnished by the Contractor in accordance with this subparagraph and any other available information relating to the circumstances surrounding the making of the subject invention and will notify the Contractor if the Administrator has determined that the subject invention was made in the manner specified in paragraph (1)(A) or (1)(B) of Section 20135(b) of the Act.

(2) Property rights in subject inventions. Each subject invention for which the presumption of paragraph (b)(1)(i) of this clause is conclusive or for which there has been a determination that it was made in the manner specified in paragraph (1)(A) or (1)(B) of Section 20135(b) of the Act shall be the exclusive property of the United States as represented by NASA unless the Administrator waives all or any part of the rights of the United States, as provided in paragraph (b)(3) of this clause.

(3) Waiver of rights. (i) Section 20135(g) of the Act provides for the promulgation of regulations by which the Administrator may waive all or any part of the rights of the United States with respect to any invention or class of inventions made or that may be made under conditions specified in paragraph (1)(A) or (1)(B) of Section 20135(b) of the Act. The promulgated NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1, provide procedures for the Contractor to submit petitions (requests) for waiver of rights and guidance for NASA in acting on petitions for such waiver of rights.

(ii) As provided in 14 CFR part 1245, subpart 1, the Contractor may petition, either prior to execution of the contract or within 30 days after execution of the contract, for advance waiver of rights to any invention or class of inventions that may be made under a contract. If such a petition is not submitted, or if after submission it is denied, the Contractor (or an employee inventor of the Contractor) may petition for waiver of rights to an identified subject invention within eight months of first disclosure of invention in accordance with paragraph (e)(2) of this clause, or within such longer period as may be authorized in accordance with 14 CFR 1245.105.

(c) Minimum rights reserved by the Government.

(i) With respect to each subject invention for which a waiver of rights has been granted, the Government reserves—

(1) An irrevocable, nonexclusive, non-transferable, royalty-free license for the practice of such invention throughout the world by or on behalf of the United States or any foreign government in accordance with any treaty or agreement with the United States; and

(1) Such other rights as stated in 14 CFR 1245.107.

(2) Nothing contained in this paragraph (c) shall be considered to grant to the Government any rights with respect to any invention other than a subject invention.

(d) Minimum rights to the Contractor.

(1) The Contractor is hereby granted a revocable, nonexclusive, royalty-free license in each patent application filed in any country on a subject invention in which the Government has title and in any resulting patent, unless the Contractor fails to disclose the subject invention within the times specified in paragraph (e)(2) of this clause. The Contractor's license extends to its domestic subsidiaries and affiliates, if any, within the corporate structure of which the Contractor is a party and includes the right to grant sublicenses of the same scope to the extent the Contractor was legally obligated to do so at the time the contract was awarded. The license is transferable only with the approval of the Administrator except when transferred to the successor of that part of the Contractor’s business to which the invention pertains.

(2) The Contractor’s domestic license may be revoked or modified by the Administrator to the extent necessary to achieve expedient practical application of the subject invention pursuant to an application for an exclusive license submitted in accordance with 37 CFR part 404, Licensing of Government Owned Inventions. The Contractor’s license will not be revoked in that field of use or the geographical areas in which the Contractor has achieved practical application and continues to make the benefits of the invention reasonably accessible to the public. The license in any foreign country may be revoked or modified at the discretion of the Administrator to the extent the Contractor, its licensees, or its domestic subsidiaries or affiliates have failed to achieve practical application in that foreign country.

(3) Before revoking or modifying the Contractor's license, the Contractor will be provided a written notice of the Administrator’s intention to revoke or modify the license, and the Contractor will be allowed 30 days (or such other time as may be authorized by the Administrator for good cause shown) after the notice to show cause why the license should not be revoked or modified. The Contractor has the right to appeal to the Administrator any decision concerning the revocation or modification of its license.

(e) Contractor’s obligations.

(1) The Contractor shall establish and maintain active and effective procedures to assure that reportable items are promptly identified and disclosed to Contractor personnel responsible for the administration of this New Technology—Other Than a Small Business Firm or Nonprofit Organization clause within six months of conception and
or first actual reduction to practice, whichever occurs first in the performance of work under this contract. These procedures shall include the maintenance of laboratory notebooks and other records as are reasonably necessary to document the conception and/or the first actual reduction to practice of the reportable item. The Contractor shall disclose the procedures for identifying and disclosing reportable items are followed. Upon request, the Contractor shall furnish the Contracting Officer a description of such procedures for evaluation and for determination as to their effectiveness.

(2) The Contractor shall disclose in writing each reportable item to the Contracting Officer within two months after the inventor discloses it in writing to Contractor personnel responsible for the administration of this New Technology—Other Than a Small Business Firm or Nonprofit Organization clause or within six months after the Contractor becomes aware that a reportable item has been made, whichever is earlier, but in any event for subject inventions before any on sale, public use, or publication of such invention known to the Contractor. The disclosure to the agency shall identify the inventor(s) or innovator(s) and this contract under which the reportable item was made. It shall be sufficiently complete in technical detail to convey a clear understanding, to the extent known at the time of the disclosure, of the nature, purpose, operation, and physical, chemical, biological, or electrical characteristics of the reportable item. The disclosure shall also identify any publication, sale or offer for sale, or public use of any subject invention and whether a manuscript describing such invention has been submitted for publication and, if so, whether it has been accepted for publication at the time of disclosure. In addition, after disclosure to the agency, the Contractor will promptly notify the agency of the acceptance of any manuscript describing a subject invention for publication or of any sale, offer for sale, or public use planned by the Contractor.

(i) The Contractor may use whatever format is convenient to disclose reportable items required in subparagraph (e)(2). NASA prefers that the Contractor use either the electronic or paper version of NASA Form 1679, Disclosure of Invention and New Technology (including computer software) to disclose reportable items. Both the electronic and paper versions of NASA Form 1679 may be accessed at the electronic New Technology Reporting Web site http://invention.nasa.gov.

(4) The Contractor shall furnish the Contracting Officer the following:

(i) Interim new technology summary reports every 12 months (or such longer period as may be specified by the Contracting Officer) from the date of the contract, listing reportable items during that period, and certifying that all reportable items have been disclosed (or that there are no such inventions).

(ii) A final new technology summary report, within 3 months after completion of the contracted work, listing all reportable items or certifying that there were no such reportable items, and listing all reportable items at any tier containing a patent rights clause or certifying that there were no such subcontractors.

(5) The Contractor agrees, upon written request of the Contracting Officer, to furnish additional technical and other information available to the Contractor as is necessary for the preparation of a patent application on a subject invention and for the prosecution of the patent application, and to execute all papers necessary to file patent applications on subject inventions and to establish the Government’s rights in the subject inventions.

(6) The Contractor agrees, subject to paragraph 27.302(j) of the Federal Acquisition Regulation (FAR), that the Government may duplicate and disclose subject invention disclosures and all other reports and papers furnished or required to be furnished pursuant to this clause.

(f) Examination of records relating to inventions.

(1) The Contracting Officer or any authorized representative shall, until 3 years after final payment under this contract, have the right to examine any books (including laboratory notebooks), records, and documents of the Contractor relating to the conception or first actual reduction to practice of inventions in the same field of technology as the work under this contract to determine whether—

(i) Any such inventions are subject inventions;

(ii) The Contractor has established and maintained the procedures required by paragraph (e)(1) of this clause; and

(iii) The Contractor and its inventors have complied with the procedures.

(2) If the Contracting Officer learns of an unreported Contractor invention that the Contracting Officer believes may be a subject invention, the Contracting Officer may require the Contractor to disclose the invention to the agency for a determination of ownership rights.

(3) Any examination of records under this paragraph will be subject to appropriate conditions to protect the confidentiality of the information involved.

(g) Withholding of payment (this paragraph does not apply to subcontracts).

(1) Any time before final payment under this contract, the Contracting Officer may, in the Government’s interest, withhold payment until a reserve not exceeding $50,000 or 5 percent of the amount of this contract,
whichever is less, shall have been set aside if, in the Contracting Officer’s opinion, the Contractor fails to—

(i) Establish, maintain, and follow effective procedures for identifying and disclosing reportable items pursuant to paragraph (e)(1) of this clause;

(ii) Disclose any reportable items pursuant to paragraph (e)(2) of this clause;

(iii) Deliver acceptable interim new technology summary reports pursuant to paragraph (e)(4)(i) of this clause or a final new technology summary report pursuant to paragraph (e)(4)(ii) of this clause; or

(iv) Provide the information regarding subcontracts pursuant to paragraph (h)(4) of this clause.

(2) Such reserve or balance shall be withheld until the Contracting Officer has determined that the Contractor has rectified whatever deficiencies exist and has delivered all reports, disclosures, and other information required by this clause.

(3) Final payment under this contract shall not be made before the Contractor delivers to the Contracting Officer all disclosures of reportable items required by paragraph (e)(2) of this clause, and an acceptable final new technology summary report pursuant to paragraph (e)(4)(ii) of this clause.

(4) The Contracting Officer may decrease or increase the sums withheld up to the maximum authorized above. No amount shall be withheld under this paragraph while the amount specified by this paragraph is being withheld under other provisions of the contract. The withholding of any amount or the subsequent payment thereof shall not be construed as a waiver of any Government rights.

(h) Subcontracts.

(1) Unless otherwise authorized or directed by the Contracting Officer, the Contractor shall—

(i) Include this clause (suitably modified to identify the parties) in any subcontract hereunder (regardless of tier) with other than a small business firm or nonprofit organization for the performance of experimental, developmental, or research work; and

(ii) Include the clause at FAR 52.227–11, as modified by 1852.227–11, (suitably modified to identify the parties) in any subcontract hereunder (regardless of tier) with a small business firm or nonprofit organization for the performance of experimental, developmental, or research work; and

(iii) Modify the applicable clause in any subcontract hereunder (regardless of tier) to identify the parties as follows: references to the Government are not changed, and in all references to the Contractor, the subcontractor is substituted for the Contractor so that the subcontractor has all rights and obligations of the Contractor in the clause.

(2) In the event of a refusal by a prospective subcontractor to accept such a clause the Contractor—

(i) Shall promptly submit a written notice to the Contracting Officer setting forth the subcontractor’s reasons for such refusal and other pertinent information that may expedite disposition of the matter; and

(ii) Shall not proceed with such subcontract without the written authorization of the Contracting Officer.

(3) In the case of subcontracts at any tier, the agency, subcontractor, and Contractor agree that the mutual obligations of the parties created by this clause constitute a contract between the subcontractor and NASA with respect to those matters covered by this clause.

(4) The Contractor shall promptly notify the Contracting Officer in writing upon the award of any subcontract hereunder (regardless of tier) by identifying the subcontractor, the applicable patent rights clause in the subcontract, the work to be performed under the subcontract, and the dates of award and estimated completion. Upon request of the Contracting Officer, the Contractor shall furnish a copy of such subcontract, and, no more frequently than annually, a listing of the subcontracts that have been awarded.

(5) The subcontractor will retain all rights provided for the Contractor in the clause of paragraph (h)(1)(i) or (ii) of this clause, whichever is included in the subcontract, and the Contractor will not, as part of the consideration for awarding the subcontract, obtain rights in the subcontractor’s subject inventions.

(i) Preference for United States industry. Unless provided otherwise, no Contractor that receives title to any subject invention and no assignee of any such Contractor shall grant to any person the exclusive right to use or sell any subject invention in the United States unless such person agrees that any products embodying the subject invention will be manufactured substantially in the United States. However, in individual cases, the requirement may be waived by the Administrator upon a showing by the Contractor or assignee that reasonable but unsuccessful efforts have been made to grant licenses on similar terms to potential licensees that would be likely to manufacture substantially in the United States or that under the circumstances domestic manufacture is not commercially feasible.

(End of clause)
Requests for Waiver of Rights to Inventions

As prescribed in 1827.303(d)(2), insert the following provision in all solicitations that include the clause at 1852.227–70, New Technology—Other than a Small Business Firm or Non-profit Organization:

**REQUESTS FOR WAIVER OF RIGHTS TO INVENTIONS (APR 2015)**

(a) In accordance with Section 20135(g) of the National Aeronautics and Space Act (51 U.S.C. 20135(g)) (hereinafter “the Act”) and the NASA Patent Waiver Regulations, 14 CFR part 1245, subpart 1, NASA may waive all or any part of the rights of the United States with respect to any invention or class of inventions made or that may be made under a NASA contract or subcontract with other than a small business firm or a domestic nonprofit organization if the Administrator determines that the interests of the United States will be served thereby. Waiver of rights in inventions made or that may be made under such NASA contract or subcontract may be requested at different time periods. Advance waiver of rights to any invention or class of inventions that may be made under a contract or subcontract may be requested prior to the execution of the contract or subcontract, or within 30 days after execution by the selected contractor (or such longer period as may be specified by the Contracting Officer). In addition, waiver of rights to an individually identified invention or to a class of inventions made and reported under a contract or subcontract may be requested, even though a request for an advance waiver was not made or, if made, was not granted.

(b) Each request for waiver of rights shall be by petition to the Administrator. No specific forms need be used, but the request should contain a positive statement that waiver of rights is being requested under the NASA Patent Waiver Regulations; a clear indication of whether the request is for an advance waiver or for a waiver of rights for an individually identified invention or class of inventions; whether foreign rights are also requested and, if so, the countries, and a citation of the specific section or sections of the regulations under which such rights are requested. For individually identified inventions or a class of inventions, the petition shall identify each invention with particularity (e.g., by NASA’s assigned number to the Disclosure of Invention and New Technology report or by title and inventorship). For advance waivers, the petition shall identify the invention or class of inventions that the Contractor believes will be made under the contract and for which waiver is being requested. To meet the statutory standard of “any invention or class of inventions,” the petition must be directed to a single invention or to inventions directed to a particular process, machine, manufacture, or composition of matter, or to a narrowly-drawn, focused area of technology. Additionally, each petition shall include an identification of the petitioner; place of business and address; if petitioner is represented by counsel, the name, address and telephone number of the counsel; the name, address, and telephone number of the party with whom to communicate when the request is acted upon; the signature of the petitioner or authorized representative; and the date of signature. In general, waivers are granted in order to provide for the widest practicable dissemination of new technology resulting from NASA programs, and to promote early utilization, expeditious development, and continued availability of this new technology for commercial purposes and the public benefit. Thus, it is preferable that the petition also include a description of the Contractor’s plan for commercializing the invention or class of inventions for which waiver is being requested (e.g., identity specific fields of use).

(c) Petitions for advance waiver of rights should, preferably, be included with the proposal, or at least in advance of contract negotiations. Petitions for advance waiver, prior to contract execution, shall be submitted to the Contracting Officer. All other petitions shall be submitted to the Patent Representative designated in the contract.

(d) Petitions submitted with proposals selected for negotiation of a contract will be forwarded by the Contracting Officer to the installation Patent Counsel for processing and then to the Inventions and Contributions Board. The Board will consider these petitions and where the Board makes the findings to support the waiver, the Board will recommend to the Administrator that waiver be granted, and will notify the petitioner and the Contracting Officer of the Administrator’s determination. The Contracting Officer will be informed by the Board whenever there is insufficient time or information or other reasons to permit a decision to be made without unduly delaying the execution of the contract. In the latter event, the petitioner will be so notified by the Contracting Officer. All other petitions will be processed by installation Patent Counsel and forwarded to the Board. The Board shall notify the petitioner of its action and if waiver is granted, the conditions, reservations, and obligations thereof will be included in the Instrument of Waiver. Whenever the Board notifies a petitioner of a recommendation adverse to, or different from, the waiver requested, the petitioner may request reconsideration under procedures set forth in the Regulations.
Designation of New Technology Representative and Patent Representative.

As prescribed in 1827.303(d)(3), insert the following clause:

DESIGNATION OF NEW TECHNOLOGY REPRESENTATIVE AND PATENT REPRESENTATIVE (APR 2015)

(a) For purposes of administration of the clause of this contract entitled “New Technology—Other than a Small Business Firm or Nonprofit Organization” or “Patent Rights—Ownership by the Contractor,” whichever is included, the installation New Technology and Patent Representatives identified at http://prod.nais.nasa.gov/portals/pl/new_ltechlpocs.html are hereby designated by the Contracting Officer to administer such clause for the appropriate installation:

(b) Disclosures of reportable items and of subject inventions, interim new technology summary reports, final new technology summary reports, utilization reports, and other reports required by the applicable “New Technology” or “Patent Rights—Ownership by the Contractor” clause, as well as any correspondence with respect to such matters, shall be directed to the New Technology Representative unless transmitted in response to correspondence or request from the Patent Representative. Inquiries or requests regarding disposition of rights, election of rights, or related matters shall be directed to the Patent Representative. This clause shall be included in any subcontract hereunder requiring a “New Technology—Other than a Small Business Firm or Nonprofit Organization” clause or “Patent Rights—Ownership by the Contractor” clause, unless otherwise authorized or directed by the Contracting Officer. The respective responsibilities and authorities of the aforementioned representatives are set forth in 1827.305–270 of the NASA FAR Supplement.

(End of clause)

Invention Reporting and Rights—Foreign.

As prescribed in 1827.303(e)(1), insert the following clause:

INVENTION REPORTING AND RIGHTS—FOREIGN (APR 2015)

(a) As used in this clause, the term “invention” means any invention, discovery or improvement, and “made” means the conception or first actual demonstration that the invention is useful and operable.

(b) The Contractor shall report promptly to the Contracting Officer each invention made in the performance of work under this contract. The report of each such invention shall:

(1) Identify the inventor(s) by full name; and

(2) Include such full and complete technical information concerning the invention as is necessary to enable an understanding of the nature and operation thereof.

(c) The Contractor hereby grants to the Government of the United States of America as represented by the Administrator of the National Aeronautics and Space Administration the full right, title and interest in and to each such invention throughout the world, except for the foreign country in which this contract is to be performed. As to such foreign country, Contractor hereby grants to the Government of the United States of America as represented by the Administrator of the National Aeronautics and Space Administration an irrevocable, non-transferable, nonexclusive, royalty-free license to practice each such invention by or on behalf of the United States of America or any foreign government pursuant to any treaty or agreement with the United States of America, provided that Contractor within a reasonable time files a patent application in that foreign country for each such invention. Where Contractor does not elect to file
such patent application for any such invention in that foreign country, full right, title and interest in and to such invention in that foreign country shall reside in the Government of the United States of America as represented by the Administrator of the National Aeronautics and Space Administration.

(d) The Contractor agrees to execute or to secure the execution of such legal instruments as may be necessary to confirm and to protect the rights granted by paragraph (c) of this clause, including papers incident to the filing and prosecution of patent applications.

(e) Upon completion of the contract work, and prior to final payment, Contractor shall submit to the Contracting Officer a final report listing all inventions required to be reported under this contract or certifying that no such inventions have been made.

(f) In each subcontract, the Contractor awards under this contract where the performance of research, experimental design, engineering, or developmental work is contemplated, the Contractor shall include this clause (suitably modified to substitute the subcontractor in place of the Contractor) and the name and address of the Contracting Officer.

(End of clause)

[80 FR 12951, Mar. 12, 2015, as amended at 80 FR 50212, Aug. 19, 2015]

As prescribed in 1827.409(g), insert the following clause:

COMMERCIAL COMPUTER SOFTWARE LICENSE

(APR 2015)

(a) Any delivered commercial computer software (including documentation thereof) developed at private expense and claimed as proprietary shall be subject to the restricted rights in paragraph (d) of this clause. Where the vendor/contractor proposes its standard commercial software license, those applicable portions thereof consistent with Federal laws, standard industry practices, the Federal Acquisition Regulations (FAR) and the NASA FAR Supplement, including the restricted rights in paragraph (d) of this clause, are incorporated into and made a part of this purchase order/contract. Those portions of the vendor’s/contractor’s standard commercial license or lease agreement that conflict with Federal law (e.g., indemnity provisions or choice of law provisions that specify other than Federal law) are not incorporated into and made a part of this purchase order/contract and do not apply to any computer software delivered under this purchase order/contract.

(b) If the vendor/contractor does not propose its standard commercial software license until after this purchase order/contract has been issued, or until at or after the time the computer software is delivered, such license shall nevertheless be deemed incorporated into and made a part of this purchase order/contract under the same terms and conditions as in paragraph (a) of this clause. For purposes of receiving updates, correction notices, consultation, and similar activities on the computer software, no document associated with the aforementioned activities shall alter the terms of this clause unless such document explicitly references this clause and an intent to amend this clause and is signed by the NASA Contracting Officer.

(c) The vendor’s/contractor’s acceptance is expressly limited to the terms and conditions of this purchase order/contract. If the specified computer software is shipped or delivered to NASA, it shall be understood that the vendor/contractor has unconditionally accepted the terms and conditions set forth in this clause, and that such terms and conditions (including the incorporated license) constitute the entire agreement between the parties concerning rights in the computer software.

(d) The following restricted rights shall apply:

(1) The commercial computer software may not be used, reproduced, or disclosed by the Government, or Government contractors or their subcontractors at any tier, except as provided below or otherwise expressly stated in the purchase order/contract.

(2) The commercial computer software may be—

(i) Used, or copied for use, in or with any computer owned or leased by, or on behalf of, the Government; provided, the software is not used, nor copied for use, in or with more than one computer simultaneously, unless otherwise permitted by the license incorporated under paragraphs (a) or (b) of this clause;

(ii) Reproduced for safekeeping (archives) or backup purposes;

(iii) Modified, adapted, or combined with other computer software, provided that the modified, combined, or adapted portions of the derivative software incorporating restricted computer software shall be subject to the same restricted rights; and

(iv) Disclosed and reproduced for use by Government contractors or their subcontractors in accordance with the restricted rights in paragraphs (d)(2)(i), (ii), and (iii) of this clause; provided they have the Government’s permission to use the computer software and have also agreed to protect the computer software from unauthorized use and disclosure.

(3) If the incorporated vendor’s/contractor’s software license contains provisions or

48 CFR Ch. 18 (10–1–16 Edition)

As prescribed in 1827.409(m)(1), insert the following clause:

(a) **Definitions.** As used in this clause—

"Government-furnished computer software" or "GFCS" means computer software:

1. In the possession of, or directly acquired by, the Government whereby the Government has title or license rights thereto; and

2. Subsequently furnished to the Contractor for performance of a Government contract.

"Computer software," "data" and "technical data" have the meaning provided in the Federal Acquisition Regulations (FAR) Subpart 2.1—Definitions or the Rights in Data—General clause (FAR 52.227-14).

(b) The Government shall furnish to the Contractor the GFCS described in this contract or in writing by the Contracting Officer. The Government shall furnish any related technical data needed for the intended use of the GFCS.

(c) **Use of GFCS and related technical data.** The Contractor shall use the GFCS and related technical data, and any modified or enhanced versions thereof, only for performing work under this contract unless otherwise provided for in this contract or approved in writing by the Contracting Officer.

1. The Contractor shall not, without the express written permission of the Contracting Officer, reproduce, distribute copies, prepare derivative works, perform publicly, display publicly, release, or disclose the GFCS or related technical data to any person except for the performance of work under this contract.

2. The Contractor shall not modify or enhance the GFCS unless this contract specifically identifies the modifications and enhancements as work to be performed. If the GFCS is modified or enhanced pursuant to this contract, the Contractor shall provide to the Government the complete source code, if any, and all related documentation of the modified or enhanced GFCS.

3. Allocation of rights associated with any GFCS or related technical data modified or enhanced under this contract shall be defined by the FAR Rights in Data clause(s) included in this contract (as modified by any applicable NASA FAR Supplement clauses). If no Rights in Data clause is included in this contract, then the FAR Rights in Data—General (52.227–14) as modified by the NASA FAR Supplement (1852.227–14) shall apply to all data first produced in the performance of this contract and all data delivered under this contract.

4. The Contractor may provide the GFCS, and any modified or enhanced versions thereof, to subcontractors as necessary for the performance of work under this contract. Before release of the GFCS, and any modified or enhanced versions thereof, to such subcontractors (at any tier), the Contractor shall insert, or require the insertion of, this clause, including this paragraph (c)(4), suitably modified to identify the parties as follows: references to the Government are not changed, and in all references to the Contractor the subcontractor is substituted for the Contractor so that the subcontractor has all rights and obligations of the Contractor in the clause.

5. The Government provides the GFCS in an "AS-IS" condition. The Government makes no warranty with respect to the serviceability and/or suitability of the GFCS for contract performance.

6. The Contracting Officer may by written notice, at any time—

1. Increase or decrease the amount of GFCS under this contract;

2. Substitute other GFCS for the GFCS previously furnished, to be furnished, or to be acquired by the Contractor for the Government under this contract;

3. Withdraw authority to use the GFCS or related technical data; or

4. Instruct the Contractor to return or dispose of the GFCS and related technical data.

(f) **Title to or license rights in GFCS.** The Government shall retain title to or license rights in all GFCS. Title to or license rights in GFCS shall not be affected by its incorporation into or attachment to any data not owned by or licensed to the Government.
(g) Waiver of Claims and Indemnification. The Contractor agrees to waive any and all claims against the Government and shall indemnify and hold harmless the Government, its agents, and employees from every claim or liability, including attorney’s fees, court costs, and expenses, arising out of, or in any way related to, the misuse or unauthorized modification, reproduction, release, performance, display, or disclosure of the GFCS and related technical data by the Contractor, a subcontractor, or by any person to whom the Contractor has released or disclosed such GFCS or related technical data.

(h) Flow-down of Waiver of Claims and Indemnification. In the event a contract includes this NASA FAR Supplement clause 1852.227–88, the Contractor shall include the foregoing clause 1852.227–88(g), suitably modified to identify the parties, in all subcontracts, regardless of tier, which involve use of the GFCS and/or related technical data in any way. At all tiers, the clause shall be modified to define GFCS as it is defined herein and to identify the parties as follows: references to the Government are not changed, and in all references to the Contractor the subcontractor is substituted for the Contractor so that the subcontractor has all rights and obligations of the Contractor in the clause. In subcontracts, at any tier, the Government, the subcontractor, and the Contractor agree that the mutual obligations of the parties created by this clause 1852.227–88 constitute a contract between the subcontractor and the Government with respect to the matters covered by the clause.

(End of clause)

1852.228–70 Aircraft ground and flight risk.

As prescribed in 1828.370(a), insert the following clause. The purpose of this clause is to have the Government assume risks that generally entail unusually high insurance premiums and are not covered by the contractor’s contents, work-in-process, and similar insurance. Since the definitions in the clause may not cover every situation that should be covered to achieve this purpose, the clause may be modified as follows: If the contract covers helicopters, vertical take-off aircraft, lighter-than-air airships, or other unconventional types of aircraft, the definition of “aircraft” should be modified to specify that the aircraft has reached a point of manufacture comparable to that specified in the standard definition, which is written for conventional winged aircraft. The definition of “in the open” may be modified to include “hush houses,” test hangars, comparable structures, and other designated areas. In addition, clause paragraph (d)(3) may be modified to provide for Government assumption of risk of transportation by conveyance on streets or highways if the contracting officer determines that this transportation is limited to the vicinity of the contractor’s premises and is merely incident to work being performed under the contract.

AIRCRAFT GROUND AND FLIGHT RISK (OCT 1996)

(a) Notwithstanding any other provisions of this contract, except as may be specifically provided in the Schedule as an exception to this clause, the Government, subject to the definitions and limitations of this clause, assumes the risk of damage to, or loss or destruction of, aircraft in the open, during operation, or in flight and agrees that the Contractor shall not be liable to the Government for any such damage, loss, or destruction.

(b) For the purposes of this clause, the following definitions apply:

(1) Unless otherwise specifically provided in the Schedule, “aircraft” includes—

(1) Aircraft (including both complete aircraft and aircraft in the course of being manufactured, disassembled, or reassembled; provided that an engine, wing, or a portion of a wing is attached to the fuselage) to be furnished to the Government under this contract (whether before or after Government acceptance); and

(ii) Aircraft (regardless of whether in a state of disassembly or reassembly) furnished by the Government to the Contractor under this contract, including all property installed in, being installed in, or temporarily removed from them, unless the aircraft and property are covered by a separate bailment agreement.

(2) “In the open” means located wholly outside of buildings on the Contractor’s premises, or at such other places as may be described in the Schedule as being in the open for the purposes of this clause, except that aircraft furnished by the Government are considered to be in the open at all times while in the Contractor’s possession, care, custody, or control.

(3) “Flight” includes any flight demonstration, flight test, taxi test, or other flight made in the performance of this contract, or for the purpose of safeguarding the aircraft, or previously approved in writing by the Contracting Officer.
(1) With respect to land-based aircraft, flight commences with the taxi roll from a flight line on the Contractor’s premises and continues until the aircraft has completed the taxi roll and is engaged to a flight line on the Contractor’s premises.

(ii) With respect to seaplanes, flight commences with the launching from a ramp on the Contractor’s premises and continues until the aircraft has completed its landing run upon return and is beached at a ramp on the Contractor’s premises.

(iii) With respect to helicopters, flight commences upon engagement of the rotors for the purpose of take-off from the Contractor’s premises and continues until the aircraft has returned to the ground on the Contractor’s premises and the rotors are disengaged.

(iv) With respect to vertical take-off aircraft, flight commences upon disengagement from any launching platform or device on the Contractor’s premises and continues until the aircraft is in flight when on the ground or water only during periods of reasonable duration following emergency landing, other landings made in the performance of this contract, or landings made in accordance with paragraph (c)(5) of this clause.

(2) Operation means operations and tests, other than on any production line, of aircraft not in flight, whether or not the aircraft is in the open under unreasonable conditions, an equitable adjustment shall be made in the contract price to compensate the Contractor for any additional costs incurred in correcting them, and the contract shall be modified in writing accordingly.

(3)(i) If the Contracting Officer finds that the Contractor has failed to act promptly to correct unreasonable conditions or has failed to correct them within a reasonable time, the Contracting Officer may by written notice terminate the Government’s assumption of risk under this clause for any aircraft which is in the open under those conditions. This termination shall be effective at 12:01 A.M. on the 15th day following the day of receipt by the Contractor of the notice.

(i) If the Contracting Officer later determines that the Contractor acted promptly to correct the conditions or that the time taken by the Contractor was not in fact unreasonable, an equitable adjustment shall be made to compensate the Contractor for any additional costs incurred as a result of the termination, and the contract shall be modified in writing accordingly.

(4) If the Government’s assumption of risk under this clause is terminated in accordance with paragraph (c)(3) of this clause, the risk of loss with respect to Government-furnished property shall be determined in accordance with the Government property clause of this contract, if any, until the Government’s assumption of risk is reinstated in accordance with paragraph (c)(5) of this clause.
fact been corrected, the Contractor shall be entitled to an equitable adjustment for any costs of insurance extending after the third working day referred to in paragraph (c)(3) of this paragraph.

(d) The Government’s assumption of risk shall not extend to damage to, or loss or destruction of aircraft—

(1) Resulting from failure of the Contractor, due to willful misconduct or lack of good faith of any of the Contractor’s managerial personnel, to maintain and administer a program for protecting and preserving aircraft in the open and during operation, in accordance with sound industrial practice;

(2) Sustained during flight if the flight crew members conducting the flight have not been approved in writing by the Contracting Officer;

(3) While in the course of transportation by rail or by conveyance on public streets, highways, or waterways, except for Government-furnished property;

(4) The extent that the damage, loss, or destruction is in fact covered by insurance;

(5) Consisting of wear and tear, deterioration (including rust and corrosion), freezing, or mechanical, structural, or electrical breakdown or failure, unless this damage is the result of other loss, damage, or destruction covered by this clause (except that, in the case of Government-furnished property, if the damage consists of reasonable wear and tear or deterioration or results from an inherent defect in such property, this exclusion shall not apply); or

(6) Sustained while the aircraft is being worked upon and directly resulting from the work, including but not limited to any repairing, adjusting, servicing, or maintenance operation, unless the damage, loss, or destruction is of a type that would be covered by insurance that would customarily have been maintained by the Contractor at the time of the damage, loss, or destruction, but for the Government’s assumption of risk under this clause.

(e)(1) With the exception of damage to, or loss or destruction of, aircraft in flight, the Government’s assumption of risk under this clause shall not extend to the first $1,000 of loss or damage resulting from each separately occurring event. The Contractor assumes the risk of and shall be responsible for the first $1,000 of loss of or damage to aircraft in the open or during operation resulting from each separately occurring event, except for reasonable wear and tear and except to the extent the loss or damage is caused by negligence of Government personnel.

(2) If the Government elects to require that the aircraft be replaced or restored by the Contractor to its condition immediately prior to the damage, the equitable adjustment in the price authorized by paragraph (i) of this clause shall not include the dollar amount of the risk assumed by the Contractor under this paragraph (e). If the Government does not elect repair or replacement, the Contractor agrees to credit the contract price or pay the Government $1,000 (or the amount of the loss if smaller) as directed by the Contracting Officer.

(f) No subcontractor may be relieved from liability for damage to, or loss or destruction of, aircraft while in its possession or control, except to the extent that the subcontract, with the Contracting Officer’s prior written approval, provides for relief of the subcontractor from that liability. In the absence of such approval, the subcontract shall require the return of the aircraft in as good condition as when received, except for reasonable wear and tear or for the utilization of the property in accordance with the provisions of this contract. If a subcontractor has not been relieved from liability and any damage, loss, or destruction occurs, the Contractor shall enforce the liability of the subcontractor for that damage to, or loss or destruction of, the aircraft for the benefit of the Government.

(g) The Contractor warrants that the contract price does not and will not include, except as this clause may otherwise authorize, any charge or contingency reserve for insurance (including self-insurance funds or reserves) covering any damage to, or loss or destruction of, aircraft while in the open, during operation, or in flight, the risk of which has been assumed by the Government under this clause, whether or not such assumption may be terminated as to aircraft in the open.

(h)(1) In the event of damage to, or loss or destruction of, aircraft in the open, during operation, or in flight, the Contractor shall take all reasonable steps to protect the aircraft from further damage, separate damaged and undamaged aircraft, and put all aircraft in the best possible order. Further, except in cases covered by paragraph (e) of this clause, the Contractor should furnish to the Contracting Officer a statement of—

(i) The damaged, lost, or destroyed aircraft;

(ii) The time and origin of the damage, loss, or destruction;

(iii) All known interests in commingled property of which aircraft are a part; and

(iv) Any insurance covering any part of the interest in the commingled property.

(2) Except in cases covered by paragraph (e) of this clause, an equitable adjustment shall be made in the amount due under this contract for expenditures made by the Contractor in performing its obligations under this paragraph (h), and this contract shall be modified in writing accordingly.

(i)(1) If, before delivery and acceptance by the Government, any aircraft is damaged, lost, or destroyed and the Government has under this clause assumed the risk of that
damage, loss, or destruction, the Government shall either

(i) Require that the aircraft be replaced or restored by the Contractor to its condition immediately prior to the damage or

(ii) Terminate this contract with respect to that aircraft.

(2) If the Government requires that the aircraft be replaced or restored, an equitable adjustment shall be made in the amount due under this contract and in the time required for its performance, and the contract shall be modified in writing accordingly.

(3) If this contract is terminated under this paragraph (i)(i)(ii) with respect to the aircraft, and under this clause the Government has assumed the risk of the damage, loss, or destruction, the Contractor shall be paid the contract price for the aircraft (or, if applicable, any work to be performed on the aircraft) less any amounts the Contracting Officer determines (i) that it would have cost the Contractor to complete the aircraft (or any work to be performed on it), together with any anticipated profit on the uncompleted work and (ii) to be the value, if any, of the damaged aircraft or any remaining portion of it retained by the Contractor. The Contracting Officer shall have the right to prescribe the manner of disposition of the damaged, lost, or destroyed aircraft or any remaining parts of it, and, if the Contractor incurs additional costs as a result of such disposition, a further equitable adjustment shall be made in the amount due to the Contractor.

(j)(1) If the Contractor is at any time reimbursed or compensated by any third person for any damage, loss, or destruction of any aircraft, the risk of which has been assumed by the Government under this clause and for which the Contractor has been compensated by the Government, it shall equitably reimburse the Government.

(2) The Contractor shall do nothing to prejudice the Government’s rights to recover against third parties for any such damage, loss, or destruction and, upon the request of the Contracting Officer, shall at the Government’s expense furnish to the Government all reasonable assistance and cooperation (including the prosecution of suits and the execution of instruments of assignment or subrogation in favor of the Government) in obtaining recovery.

[61 FR 55772, Oct. 29, 1996]

1852.228–71 Aircraft flight risks.

(a) As prescribed in 1828.311–270(a), insert the following clause:

AIRCRAFT FLIGHT RISKS (DEC 1988)

(a) Notwithstanding any other provision of this contract (particularly paragraph (g) of the Government Property (Cost-Reimbursement, Time-and-Materials, or Labor-Hour Contracts) clause and paragraph (c) of the Insurance—Liability to Third Persons clause, the Contractor shall not: (1) Be relieved of liability for damage to, or destruction of, aircraft sustained during flight or (2) be reimbursed for liabilities to third persons for loss of or damage to property or for death or bodily injury caused by aircraft during flight, unless the flight crew members have previously been approved in writing by the Contracting Officer.

(b) For the purposes of this clause—

(1) Unless otherwise specifically provided in the Schedule, “aircraft” includes any aircraft, whether furnished by the Contractor under this contract (either before or after Government acceptance) or furnished by the Government to the Contractor under this contract, including all Government property placed or installed or attached to the aircraft, unless the aircraft and property are covered by a separate bailment agreement. “Flight” includes any flight demonstration, flight test, taxi test, or other flight made in the performance of this contract, or for the purpose of safeguarding the aircraft, or previously approved in writing by the Contracting Officer.

(i) With respect to land-based aircraft, flight commences with the taxi roll from a flight line and continues until the aircraft has completed the taxi roll to a flight line.

(ii) With respect to seaplanes, flight commences with the launching from a ramp and continues until the aircraft has completed its landing run and is beached at a ramp.

(iii) With respect to helicopters, flight commences upon engagement of the rotors for the purpose of take-off and continues until the aircraft has returned to the ground and rotors are disengaged.

(iv) With respect to vertical take-off aircraft, flight commences upon disengagement from any launching platform or device and continues until the aircraft has been re-engaged to any launching platform or device and assigned to their respective crew positions to conduct any flight on behalf of the Contractor.

(c) (1) If any aircraft is damaged, lost, or destroyed during flight and the amount of the damage, loss, or destruction exceeds $100,000 or 20 percent of the estimated cost, exclusive of any fee, of this contract, whichever is less, and if the Contractor is not liable for the damage, loss, or destruction under the Government Property (Cost-Reimbursement, Time-and-Materials, or Labor-Hour Contracts) clause of this contract or under paragraph (a) of this clause, an equitable adjustment for any resulting repair, restoration, or replacement required under
this contract shall be made: (i) In the estimated cost, the delivery schedule, or both and (ii) in the amount of any fee to be paid to the Contractor, and the contract shall be modified in writing accordingly.

(2) In determining the amount of adjustment in the fee that is equitable, any fault of the Contractor, its employees, or any subcontractor shall be considered. Where it is determined that the damage, loss, or destruction shall be taken into consideration.

(End of clause)

1852.228–76 Cross-waiver of liability for international space station activities.

As prescribed in 1828.372, insert the following clause:

CROSS-WAIVER OF LIABILITY FOR INTERNATIONAL SPACE STATION ACTIVITIES (OCT 2012)

(a) The Intergovernmental Agreement Among the Government of Canada, Governments of Member States of the European Space Agency, the Government of Japan, the Government of the Russian Federation, and the Government of the United States of America concerning Cooperation on the Civil International Space Station (IGA) for the International Space Station (ISS) contains a cross-waiver of liability provision to encourage participation in the exploration, exploitation, and use of outer space through the ISS. The objective of this clause is to extend this cross-waiver of liability to NASA contracts in the interest of encouraging participation in the exploration, exploitation, and use of outer space through the International Space Station (ISS). The Parties intend that this cross-waiver of liability be broadly construed to achieve this objective.

(b) As used in this clause, the term:

(1) “Agreement” refers to any NASA Space Act agreement that contains the cross-waiver of liability provision authorized by 14 CFR 1266.102.

(2) “Damage” means:

(i) Bodily injury to, or other impairment of health of, or death of, any person;

(ii) Damage to, loss of, or loss of use of any property;

(iii) Loss of revenue or profits; or

(iv) Other direct, indirect, or consequential Damage.

(3) “Launch Vehicle” means an object, or any part thereof, intended for launch, launched from Earth, or returning to Earth which carries Payloads or persons, or both.

(4) “Partner State” includes each Contracting Party for which the IGA has entered into force, pursuant to Article 25 of the IGA or pursuant to any successor agreement. A
Partner State includes its Cooperating Agency. It also includes any entity specified in the Memorandum of Understanding (MOU) between NASA and the Government of Japan to assist the Government of Japan’s Cooperating Agency in the implementation of that MOU.

(b) “Party” means a party to a NASA Space Act agreement involving activities in connection with the ISS and a party that is neither the prime contractor under this contract nor a subcontractor at any tier.

(6) “Payload” means all property to be flown or used on or in a Launch Vehicle or the ISS.

(7) “Protected Space Operations” means all Launch or Transfer Vehicle activities, ISS activities, and Payload activities on Earth, in outer space, or in transit between Earth and outer space in implementation of the IGA, MOUs concluded pursuant to the IGA, implementing arrangements, and contracts to perform work in support of NASA’s obligations under these Agreements. It includes, but is not limited to:

(i) Research, design, development, test, manufacture, assembly, integration, operation, or use of Launch or Transfer Vehicles, the ISS, Payloads, or instruments, as well as related support equipment and facilities and services; and

(ii) All activities related to ground support, test, training, simulation, or guidance and control equipment and related facilities or services. “Protected Space Operations” also includes all activities related to evolution of the ISS, as provided for in Article 14 of the IGA. “Protected Space Operations” excludes activities on Earth which are conducted on return from the ISS to develop further a Payload’s product or process for use other than for ISS-related activities in implementation of the IGA.

(b) “Related Entity” means:

(i) A contractor or subcontractor of a Party or a Partner State at any tier;

(ii) A user or customer of a Party or a Partner State at any tier; or

(iii) A contractor or subcontractor of a user or customer of a Party or a Partner State at any tier. The terms “contractor” and “subcontractor” include suppliers of any kind.

(6) “Transfer Vehicle” means any vehicle that operates in space and transfers Payloads or persons or both between two different space objects, between two different locations on the same space object, or between a space object and the surface of a celestial body. A Transfer Vehicle also includes a vehicle that departs from and returns to the same location on a space object.

(c) Cross-waiver of liability:

(1) The Contractor agrees to a cross-waiver of liability pursuant to which it waives all claims against any of the entities or persons listed in paragraphs (c)(1)(i) through (c)(1)(iv) of this clause based on Damage arising out of Protected Space Operations. This cross-waiver shall apply only if the person, entity, or property causing the Damage is involved in Protected Space Operations and the person, entity, or property damaged is damaged by virtue of its involvement in Protected Space Operations. The cross-waiver shall apply to any claims for Damage, whatever the legal basis for such claims, against:

(i) A Party as defined in (b)(5) of this clause;

(ii) A Partner State other than the United States of America;

(iii) A Related Entity of any entity identified in paragraph (c)(1)(i) or (c)(1)(ii) of this clause; or

(iv) The employees of any of the entities identified in paragraphs (c)(1)(i) through (c)(1)(iii) of this clause.

(2) In addition, the contractor shall, by contract or otherwise, extend the cross-waiver of liability set forth in paragraph (c)(1) of this clause to its subcontractors at any tier by requiring them, by contract or otherwise, to:

(i) Waive all claims against the entities or persons identified in paragraphs (c)(1)(i) through (c)(1)(iv) of this clause; and

(ii) Require that their subcontractors waive all claims against the entities or persons identified in paragraphs (c)(1)(i) through (c)(1)(iv) of this clause.

(3) For avoidance of doubt, this cross-waiver of liability includes a cross-waiver of claims arising from the Convention on International Liability for Damage Caused by Space Objects, which entered into force on September 1, 1972, where the person, entity, or property causing the Damage is involved in Protected Space Operations and the person, entity, or property damaged is damaged by virtue of its involvement in Protected Space Operations.

(4) Notwithstanding the other provisions of this clause, this cross-waiver of liability shall not be applicable to:

(i) Claims between the Government and its own contractors or between its own contractors and subcontractors;

(ii) Claims made by a natural person, his/ her estate, survivors or subrogees (except when a subrogee is a Party to an Agreement or is otherwise bound by the terms of this cross-waiver) for bodily injury to, or other impairment of health of, or death of, such person;

(iii) Claims for Damage caused by willful misconduct;

(iv) Intellectual property claims;

(v) Claims for Damage resulting from a failure of the contractor to extend the cross-waiver of liability to its subcontractors and related entities, pursuant to paragraph (c)(2) of this clause;
1852.228–78

(vi) Claims by the Government arising out of or relating to the contractor’s failure to perform its obligations under this contract.

(5) Nothing in this clause shall be construed to create the basis for a claim or suit where none would otherwise exist.

(6) This cross-waiver shall not be applicable when 49 U.S.C. Subtitle IX, Chapter 701 is applicable.

(End of clause)

[77 FR 59342, Sept. 27, 2012]

1852.228–78 Cross-waiver of liability for science or space exploration activities unrelated to the International Space Station.

As prescribed in 1828.371(b) and (d), insert the following clause:

CROSS-WAIVER OF LIABILITY FOR SCIENCE OR SPACE EXPLORATION ACTIVITIES UNRELATED TO THE INTERNATIONAL SPACE STATION (OCT 2012)

(a) The purpose of this clause is to extend a cross-waiver of liability to NASA contracts for work done in support of Agreements between Parties involving Science or Space Exploration activities that are not related to the International Space Station (ISS) but involve a launch. This cross-waiver of liability shall be broadly construed to achieve the objective of furthering participation in space exploration, use, and investment.

(b) As used in this clause, the term:

(1) “Agreement” refers to any NASA Space Act agreement that contains the cross-waiver of liability provision authorized in 14 CFR 1266.104.

(2) “Damage” means:

(i) Bodily injury to, or other impairment of health of, or death of, any person;

(ii) Damage to, loss of, or loss of use of any property;

(iii) Loss of revenue or profits; or

(iv) Other direct, indirect, or consequential Damage;

(3) “Launch Vehicle” means an object, or any part thereof, intended for launch, launched from Earth, or returning to Earth which carries Payloads or persons, or both.

(4) “Party” means a party to a NASA Space Act agreement for Science or Space Exploration activities unrelated to the ISS that involve a launch and a party that is neither the prime contractor under this contract nor a subcontractor at any tier hereof.

(5) “Payload” means all property to be flown or used on or in a Launch Vehicle.

(6) “Protected Space Operations” means all Launch or Transfer Vehicle activities and Payload activities on Earth, in outer space, or in transit between Earth and outer space in implementation of an Agreement for Science or Space Exploration activities unrelated to the ISS that involve a launch. Protected Space Operations begins at the signature of the Agreement and ends when all activities done in implementation of the Agreement are completed. It includes, but is not limited to:

(i) Research, design, development, test, manufacture, assembly, integration, operation, or use of Launch or Transfer Vehicles, Payloads, or instruments, as well as related support equipment and facilities and services; and

(ii) All activities related to ground support, test, training, simulation, or guidance and control equipment, and related facilities or services.

Protected Space Operations excludes activities on Earth which are conducted on return from space to develop further a payload’s product or process other than for the activities within the scope of an Agreement.

(7) “Related entity” means:

(i) A contractor or subcontractor of a Party at any tier;

(ii) A user or customer of a Party at any tier; or

(iii) A contractor or subcontractor of a user or customer of a Party at any tier.

NOTE TO PARAGRAPH (a)(7): The terms “contractors” and “subcontractors” include suppliers of any kind.

(8) “Transfer Vehicle” means any vehicle that operates in space and transfers Payloads or persons or both between two different space objects, between two different locations on the same space object, or between a space object and the surface of a celestial body. A Transfer Vehicle also includes a vehicle that departs from and returns to the same location on a space object.

(c) Cross-waiver of liability:

(1) The Contractor agrees to a waiver of liability pursuant to which it waives all claims against any of the entities or persons listed in paragraphs (c)(1)(i) through (c)(1)(iv) of this clause based on Damage arising out of Protected Space Operations. This cross-waiver shall apply only if the person, entity, or property causing the Damage is involved in Protected Space Operations and the person, entity, or property damaged is damaged by virtue of its involvement in Protected Space Operations. The waiver shall apply to any claims for Damage, whatever the legal basis for such claims, against:

(i) A Party;

(ii) A Party to another NASA Agreement or contract that includes flight on the same Launch Vehicle;

(iii) A Related Entity of any entity identified in paragraphs (c)(1)(i) or (c)(1)(ii) of this clause; or

(iv) The employees of any of the entities identified in (c)(1)(i) through (iii) of this clause.
The Contractor agrees to extend the cross-waiver of liability as set forth in paragraph (c)(1) of this clause to its own subcontractors at all tiers by requiring them, by contract or otherwise, to:

(i) Waive all claims against the entities or persons identified in paragraphs (c)(1)(i) through (c)(1)(iv) of this clause; and

(ii) Require that their Related Entities waive all claims against the entities or persons identified in paragraphs (c)(1)(i) through (c)(1)(iv) of this clause.

(3) For avoidance of doubt, this cross-waiver of liability includes a cross-waiver of claims arising from the Convention on International Liability for Damage Caused by Space Objects, entered into force on 1 September 1972, in which the person, entity, or property causing the Damage is involved in Protected Space Operations and the person, entity, or property damaged is damaged by virtue of its involvement in Protected Space Operations.

(4) Notwithstanding the other provisions of this clause, this cross-waiver of liability shall not be applicable to:

(i) Claims between the Government and its own contractors or between its own contractors and subcontractors;

(ii) Claims made by a natural person, his/her estate, survivors, or subrogees (except when a subrogee is a Party to an Agreement or is otherwise bound by the terms of this cross-waiver) for bodily injury to, or other impairment of health, or death of such person;

(iii) Claims for Damage caused by willful misconduct;

(iv) Intellectual property claims;

(v) Claims for damages resulting from the failure of the contractor to extend the cross-waiver of liability to its subcontractors and related entities, pursuant to paragraph (c)(2) of this clause; or

(vi) Claims by the Government arising out of or relating to a contractor’s failure to perform its obligations under this contract.

(5) Nothing in this clause shall be construed to create the basis for a claim or suit where none would otherwise exist.

(6) This cross-waiver shall not be applicable when 49 U.S.C. Subtitle IX, Chapter 701 is applicable.

1852.228–81 Insurance—Partial Immunity From Tort Liability.

As prescribed in 1828.311–270(c), insert the following clause:

INSURANCE—PARTIAL IMMUNITY FROM TORT LIABILITY (SEP 2000)

(a) Except as provided for in paragraph (b) of this clause, the Government does not assume any liability to third persons, nor will the Government reimburse the contractor for its liability to third persons, with respect to loss due to death, bodily injury, or damage to property resulting in any way from the performance of this contract; and

(b) The contractor need not provide or maintain insurance coverage as required by paragraph (a) of FAR clause 52.228–7, Insurance—Liability to Third Persons, provided that the contractor may obtain any insurance coverage deemed necessary, subject to approval by the Contracting Officer as to form, amount, and duration. The Contractor shall be reimbursed for the cost of such insurance and, to the extent provided in paragraph (c) of FAR clause 52.228–7, for liabilities to third persons for which the contractor has obtained insurance coverage as provided in this paragraph, but for which such coverage is insufficient in amount.

(End of clause)

[65 FR 54440, Sept. 8, 2000]

1852.228–82 Insurance—Total Immunity From Tort Liability.

As prescribed in 1828.311–270(d), insert the following clause:

INSURANCE—TOTAL IMMUNITY FROM TORT LIABILITY (SEP 2000)

[65 FR 54440, Sept. 8, 2000]
INSURANCE—TOTAL IMMUNITY FROM TORT LIABILITY (SEP 2000)

(a) The Government does not assume any liability to third persons, nor will the Government reimburse the Contractor for its liability to third persons, with respect to loss due to death, bodily injury, or damage to property resulting in any way from the performance of this contract or any subcontract under this contract.

(b) If any suit or action is filed, or if any claim is made against the Contractor, the cost and expense of which may be reimbursable to the contractor under this contract, the Contractor will immediately notify the contracting officer and promptly furnish copies of all pertinent papers received by the contractor. The Contractor will, if required by the Government, authorize Government representatives to settle or defend the claim and to represent the contractor in or take charge of any litigation. The Contractor may, at its own expense, be associated with the Government representatives in any such claim or litigation.

(End of clause)

[65 FR 54440, Sept. 8, 2000]

1852.231–70 Precontract costs.

As prescribed in 1831.205–70, insert the following clause:

PRECONTRACT COSTS (JUN 1995)

The contractor shall be entitled to reimbursement for costs incurred on or after in an amount not to exceed $ that, if incurred after this contract had been entered into, would have been reimbursable under this contract.

(End of clause)

[60 FR 29505, June 5, 1995]

1852.231–71 Determination of compensation reasonableness.

As prescribed at 1831.205–671, insert the following provision.

DETERMINATION OF COMPENSATION REASONABleness (MAR 1994)

(a) The proposal shall include a total compensation plan. This plan shall address all proposed labor categories, including those personnel subject to union agreements, the Service Contract Act, and those exempt from both of the above. The total compensation plan shall include the salaries/wages, fringe benefits and leave programs proposed for each of these categories of labor. The plan also shall include a discussion of the consistency of the plan among the categories of labor being proposed. Differences between benefits offered professional and non-professional employees shall be highlighted. The requirements of this plan may be combined with that required by the clause at FAR 52.222–46, “Evaluation of Compensation for Professional Employees.”

(b) The offeror shall provide written support to demonstrate that its proposed compensation is reasonable.

(c) The offeror shall include the rationale for any conformance procedures used or those Service Contract Act employees proposed that do not fall within the scope of any classification listed in the applicable wage determination.

(d) The offeror shall require all service subcontractors provide, as part of their proposal, the information identified in (a) through (c) of this provision for cost reimbursement or non-competitive fixed-price type subcontracts having a total potential value expected to exceed the threshold for requiring certified cost or pricing data as set forth in FAR 15.403–4.

(End of provision)

1852.232–70 NASA modification of FAR 52.232–12.

As prescribed at 1832.412–70, make the following modifications:

NASA MODIFICATION OF FAR 52.232–12. (MAR 1998)

(a) Basic clause. (1) In paragraph (e), Maximum Payment, in the sentence that begins “When the sum of,” change the word “When” to lower case and insert before it: “Unliquidated advance payments shall not exceed $ at any time outstanding. In addition.

* * *

(2) In paragraph (m)(1), delete “in the form prescribed by the administering office” and substitute “and Standard Form 425, Federal Financial Report.”

(b) Alternate II (if incorporated in the contract). In paragraph (e), Maximum Payment, in the sentence that begins “When the sum of,” change the word “When” to lower case and insert before it: “Unliquidated advance payments shall not exceed $ at any time outstanding. In addition.

* * *

(c) Alternate V (if incorporated in the contract). (1) Substitute the following for paragraph (b): “(b) Use of funds. The Contractor may use advance payment funds only to pay for properly allocable, allowable, and reasonable costs for direct materials, direct labor, indirect costs, or such other costs approved in writing by the administering contracting
office. Payments are subject to any restrictions in other clauses of this contract. Determinations of whether costs are properly allocable, allowable, and reasonable shall be in accordance with generally accepted accounting principles, subject to any applicable subparts of part 31 of the Federal Acquisition Regulation, other applicable regulations referenced in part 31, or subpart 1831.2.

(2) In paragraph (d), Maximum Payment, in the sentence that begins “When the sum of,” change the word “When” to lower case and insert before it: “Unliquidated advance payments shall not exceed $__ at any time outstanding. In addition, __ __ __.”

(3) In paragraph (j)(1), insert between “statements,” and “together with Standard Form 425, Federal Financial Report”:

(4) If this is a Phase I contract awarded under the SBIR or STTR programs, delete paragraph (a) and substitute the following:

“(a) Requirements for payment. Advance payments will be made under this contract upon receipt of invoices from the Contractor. Invoices should be clearly marked “Small Business Innovation Research Contract” or “Small Business Technology Transfer Contract,” as appropriate, to expedite payment processing. One-third of the total contract price will be available to be advanced to the contractor immediately after award, another one-third will be advanced three months after award, and the final one-third will be paid upon acceptance by NASA of the Contractor’s final report. By law, full payment will be made no later than 12 months after the date that contract requirements are completed. The Contractor shall flow down the terms of this clause to any subcontractor requiring advance payments.”

(End of clause)

1852.232–77 Limitation of funds (fixed-price contract).

As prescribed in 1832.705–270(a), insert the following clause. Contracting officers are authorized, in appropriate cases, to revise clause paragraphs (a), (b), and (g) to specify the work required under the contract, in lieu of using contract item numbers. The 60-day period may be varied from 30 to 90 days, and the 75 percent from 75 to 85 percent.

LIMITATION OF FUNDS (FIXED-PRICE CONTRACT) (MAR 1969)

(a) Of the total price of items __ through __, the sum of $__ is presently available for payment and allotted to this contract. It is anticipated that from time to time additional funds will be allocated to the contract in accordance with the following schedule, until the total price of said items is allotted:

<table>
<thead>
<tr>
<th>Date</th>
<th>Amounts</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

(b) The Contractor agrees to perform or have performed work on the items specified in paragraph (a) of this clause up to the point at which, if this contract is terminated pursuant to the Termination for Convenience of the Government clause of this contract, the total amount payable by the Government (including amounts payable for subcontracts and settlement costs) pursuant to paragraphs (f) and (g) of that clause would, in the exercise of reasonable judgment by the Contractor, approximate the total amount at the time allotted to the contract.

The Contractor is not obligated to continue performance of the work beyond that point. The Government is not obligated in any event to pay or reimburse the Contractor more than the amount from time to time allotted to the contract, anything to the contrary in the Termination for Convenience of the Government clause notwithstanding.

(c) (1) It is contemplated that funds presently allotted to this contract will cover the work to be performed until

(2) If funds allotted are considered by the Contractor to be inadequate to cover the work to be performed until that date, or an agreed date substituted for it, the Contractor shall notify the Contracting Officer in writing when within the 60 days the work will reach a point at which, if the contract is terminated pursuant to the Termination for Convenience of the Government clause of this contract, the total amount payable by the Government (including amounts payable for subcontracts and settlement costs) pursuant to paragraphs (f) and (g) of that clause will approximate 75 percent of the total amount then allotted to the contract.

(3) (i) The notice shall state the estimated date when the point referred to in paragraph (c)(2) of this clause will be reached and the estimated amount of additional funds required to continue performance to the date specified in paragraph (c)(1) of this clause, or an agreed date substituted for it.

(ii) The Contractor shall, 60 days in advance of the date specified in paragraph (c)(1) of this clause, or an agreed date substituted for it, advise the Contracting Officer in writing as to the estimated amount of additional funds required for the timely performance of the contract for a further period as may be specified in the contract or otherwise agreed to by the parties.

(4) If, after the notification referred to in paragraph (c)(3)(ii) of this clause, additional funds are not allotted by the date specified
in paragraph (c)(1) of this clause, or an agreed date substituted for it, the Contracting Officer shall, upon the Contractor’s written request, terminate this contract on that date or on the date set forth in the request, whichever is later, pursuant to the Termination for Convenience of the Government clause.

(d) When additional funds are allotted from time to time for continued performance of the work under this contract, the parties shall agree on the applicable period of contract performance to be covered by these funds. The provisions of paragraphs (b) and (c) of this clause shall apply to these additional allotted funds and the substituted date pertaining to them, and the contract shall be modified accordingly.

(e) If, solely by reason of the Government’s failure to allot additional funds in amounts sufficient for the timely performance of this contract, the Contractor incurs additional costs or is delayed in the performance of the work under this contract, and if additional funds are allotted, an equitable adjustment shall be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the items to be delivered, or in the time of delivery, or both.

(f) The Government may at any time before termination, and, with the consent of the Contractor, after notice of termination, allot additional funds for this contract.

(g) The provisions of this clause with respect to termination shall in no way be deemed to limit the rights of the Government under the default clause of this contract. The provisions of this Limitation of Funds clause are limited to the work on and allotment of funds for the items set forth in paragraph (a). This clause shall become inoperative upon the allotment of funds for the total price of said work except for rights and obligations then existing under this clause.

(h) Nothing in this clause shall affect the right of the Government to terminate this contract pursuant to the Termination for Convenience of the Government clause of this contract.

(End of clause)

1852.232–79 Payment for on-site preparatory costs.

As prescribed in 1832.111–70, insert the following clause:

PAYMENT FOR ON-SITE PREPARATORY COSTS

1832.111–70

Costs associated with on-site preparatory work (start-up or set-up costs) will be prorated over all work activities of a Critical Path Method (CPM) network or Progress Chart against which progress payments will be sought. Separate payment for on-site preparatory costs will not be made by the Government.

(End of clause)

1852.232–80 Submission of vouchers for payment.

As prescribed in 1832.908–70, insert the following clause:

SUBMISSION OF VOUCHERS FOR PAYMENT

As prescribed in 1832.908–70, insert the following clause:

Payment for on-site preparatory costs.

As prescribed in 1832.111–70, insert the following clause:

PAYMENT FOR ON-SITE PREPARATORY COSTS

1832.111–70

Costs associated with on-site preparatory work (start-up or set-up costs) will be prorated over all work activities of a Critical Path Method (CPM) network or Progress Chart against which progress payments will be sought. Separate payment for on-site preparatory costs will not be made by the Government.

(End of clause)
The contract includes provision allowing the contractor to submit vouchers using other than the steps prescribed at NSSC’s Vendor Payment information Web site. In such instances, the Contractor agrees to submit non-electronic payment requests using the method or methods specified in Section G of the contract.

(e) Improper vouchers. The NSSC Payment Office will notify the contractor of any apparent error, defect, or impropriety in a voucher within seven calendar days of receipt by the NSSC Payment Office. Inquiries regarding requests for payment should be directed to the NSSC as specified in paragraph (b) of this section.

(f) Other payment clauses. In addition to the requirements of this clause, the Contractor shall meet the requirements of the appropriate payment clauses in this contract when submitting payment requests.

(g) In the event that amounts are withheld from payment in accordance with provisions of this contract, a separate payment request for the amount withheld will be required before payment for that amount may be made.

(End of clause)
1852.234–2 Earned Value Management System.

As prescribed in 1834.203–70(b) insert the following clause:

**EARNED VALUE MANAGEMENT SYSTEM (NOV 2006)**

(a) In the performance of this contract, the Contractor shall use—

(1) An Earned Value Management System (EVMS) that has been determined by the Cognizant Federal Agency to be compliant with the EVMS guidelines specified in the American National Standards Institute (ANSI)/Electronic Industries Alliance (EIA)—748 Standard, Industry Guidelines for Earned Value Management Systems (current version at the time of award) to manage this contract; and

(2) Earned Value Management (EVM) procedures that provide for generation of timely, accurate, reliable, and traceable information for the Contract Performance Report (CPR) and the Integrated Master Schedule (IMS) required by the data requirements described in the contract.

(b) If, at the time of award, the Contractor’s EVMS has not been determined by the Cognizant Federal Agency to be compliant with the EVMS guidelines, or the Contractor does not have an existing EVMS that is compliant with the guidelines in the ANSI/EIA—748 Standard, the contractor shall use a system that currently is in existence at the time of award. The Contractor shall determine its system to be compliant with the EVMS guidelines through formal validation and acceptance by the Cognizant Federal Agency.

(c) The offeror shall identify in its offer the major subcontractors, or major subcontracted effort if major subcontractors have not been selected, planned for application of the EVMS requirement. Prior to contract award, the offeror and NASA shall agree on the subcontractors, or subcontracted effort, subject to the EVMS requirement.

(d) The offeror shall incorporate its compliance evaluation factors for subcontractors into the plan required by paragraph (b) of this provision.
(e.g., incorporation of major modifications). The objective of IBRs is for the Government and the Contractor to jointly assess the Contractor’s baseline to be used for performance measurement to ensure complete coverage of the statement of work, logical scheduling of the work activities, adequate resourcing, and identification of inherent risks. See the NASA IBR Handbook (http://evm.nasa.gov/handbooks.html) for guidance.

(d) Unless a waiver is granted by the Cognizant Federal Agency, Contractor proposed EVMS changes require approval of the Cognizant Federal Agency prior to implementation. The Cognizant Federal Agency shall advise the Contractor of the acceptability of such changes within 30 calendar days after receipt of the notice of proposed changes from the Contractor. If the advance approval requirements are waived by the Cognizant Federal Agency, the Contractor shall disclose EVMS changes to the Cognizant Federal Agency at least 14 calendar days prior to the effective date of implementation.

(e) The Contractor agrees to provide access to all pertinent records and data requested by the Contracting Officer or a duly authorized representative. Access is to permit Government surveillance to ensure that the Contractor’s EVMS complies, and continues to comply, with the EVMS guidelines referenced in paragraph (a) of this clause, and to demonstrate—

(1) Proper implementation of the procedures generating the cost and schedule information being used to satisfy the contract data requirements;

(2) Continuing application of the accepted company procedures in satisfying the CPR required by the contract through recurring program/project and contract surveillance; and

(3) Implementation of any corrective actions identified during the surveillance process.

(f) The Contractor shall be responsible for ensuring that its subcontractors, identified below, comply with the EVMS requirements of this clause as follows:

(1) For subcontracts with an estimated dollar value of $50M or more, the following subcontractors shall comply with the requirements of this clause.

(Contracting Officer to insert names of subcontractors or subcontracted effort).

(2) For subcontracts with an estimated dollar value of less than $50M, the following subcontractors shall comply with the requirement in paragraph (b), if applicable, to obtain compliance/validation.

(Contracting Officer to insert names of subcontractors or subcontracted effort).

(g) If the contractor identifies a need to deviate from the agreed baseline by working against an Over Target Baseline (OTB) or Over Target Schedule (OTS), the contractor shall submit to the Contracting Officer a request for approval to begin implementation of an OTB or OTS. This request shall include a top-level projection of cost and/or schedule growth, whether or not performance variances will be retained, and a schedule of implementation for the reprogramming adjustment. The Government will approve or deny the request within 30 calendar days after receipt of the request. Failure of the Government to respond within this 30-day period constitutes approval of the request. Approval of the deviation request does not constitute a change, or the basis for a change, to the negotiated cost or price of this contract, or the estimated cost of any undefinitized contract actions.

(End of clause)

Alternate I (NOV 2006). As prescribed in 1834.203–70(b), substitute the following paragraph (b) for paragraph (b) of the basic clause:

(b) If, at the time of award, the Contractor’s EVMS has not been determined by the Cognizant Federal Agency to be compliant with the EVMS guidelines, or the Contractor does not have an existing cost/schedule control system that is compliant with the guidelines in the ANSI/EIA-748 Standard (current version at the time of award), the Contractor shall apply the system to the contract and shall take timely action to implement its plan to be compliant with the guidelines. The Government will not formally validate/accept the Contractor’s EVMS with respect to this contract. The use of the Contractor’s EVMS for this contract does not imply Government acceptance of the Contractor’s EVMS for application to future contracts. The Government will monitor compliance through routine surveillance.

1852.235–70 Center for AeroSpace Information.

As prescribed in 1835.070(a), insert the following clause:

CENTER FOR AEROSPACE INFORMATION (DEC 2006)

(a) The Contractor should register with and avail itself of the services provided by the NASA Center for AeroSpace Information.

311
1852.235–71  Key personnel and facilities.

As prescribed in 1835.070(b), insert the following clause:

**KEY PERSONNEL AND FACILITIES (MAR 1989)**

(a) The personnel and/or facilities listed below (or specified in the contract Schedule) are considered essential to the work being performed under this contract. Before removing, replacing, or diverting any of the listed or specified personnel or facilities, the Contractor shall notify the Contracting Officer reasonably in advance and submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on this contract.

(b) The Contractor shall make no diversion without the Contracting Officer’s written consent; provided, that the Contracting Officer may ratify in writing the proposed change, and that ratification shall constitute the Contracting Officer’s consent required by this clause.

(c) The list of personnel and/or facilities (shown below or as specified in the contract Schedule) may, with the consent of the contracting parties, be amended from time to time during the course of the contract to add or delete personnel and/or facilities.

[List here the personnel and/or facilities considered essential, unless they are specified in the contract Schedule.]

(End of clause)

1852.235–72 Instructions for responding to NASA Research Announcements.

As prescribed in 1835.070(c), insert the following provision:

**INSTRUCTIONS FOR RESPONDING TO NASA RESEARCH ANNOUNCEMENTS (JUL 2016)**

(a) General. (1) Proposals received in response to a NASA Research Announcement (NRA) will be used only for evaluation purposes. NASA does not allow a proposal, the contents of which are not available without restriction from another source, or any unique ideas submitted in response to an NRA to be used as the basis of a solicitation or in negotiation with other organizations, nor is a pre-award synopsis published for individual proposals.

(2) A solicited proposal that results in a NASA award becomes part of the record of that transaction and may be available to the public on specific request; however, information or material that NASA and the awardee mutually agree to be of a privileged nature will be held in confidence to the extent permitted by law, including the Freedom of Information Act.

(3) NRAs contain programmatic information and certain requirements which apply only to proposals prepared in response to that particular announcement. These instructions contain the general proposal preparation information which applies to responses to all NRAs.

(4) A contract, grant, cooperative agreement, or other agreement may be used to accomplish an effort funded in response to an NRA. NASA will determine the appropriate award instrument. Contracts resulting from NRAs are subject to the Federal Acquisition Regulation and the NASA FAR Supplement. A grant, cooperative agreement, or other agreement resulting from NRAs are subject to policies and procedures outlined in the Guidebook for Proposers Responding to a NASA Funding Announcement, 2 CFR part 1800, 14 CFR part 1274, or other agreement policy. Any proposal from a large business concern that may result in the award of a contract, which exceeds $5,000,000 and has subcontracting possibilities should include a small business subcontracting plan in accordance with the clause at FAR 52.219-9, Small Business Subcontracting Plan. (Subcontract plans for contract awards below $5,000,000, will be negotiated after selection.)

(5) NASA does not have mandatory forms or formats for responses to NRAs; however, it is requested that proposals conform to the guidelines in these instructions. NASA may accept proposals without discussion; hence, proposals should initially be as complete as
possible and be submitted on the proposers’ most favorable terms.

(b) To be considered for award, a submission must, at a minimum, present a specific project within the areas delineated by the NRA; contain sufficient technical and cost information to permit a meaningful evaluation; be signed by an official authorized to legally bind the submitting organization; not merely offer to perform standard services or to just provide computer facilities or services; and not significantly duplicate a more specific current or pending NASA solicitation.

(b) NRA-Specific Items. Several proposal submission items appear in the NRA itself: the unique NRA identifier; when to submit proposals; where to send proposals; number of copies required; and sources for more information. Items included in these instructions may be supplemented by the NRA.

(c) The following information is needed to permit consideration in an objective manner. NRAs will generally specify topics for which additional information or greater detail is desirable. Each proposal copy shall contain all submitted material, including a copy of the transmittal letter if it contains substantive information.

(1) Transmittal letter or prefatory material. (i) The legal name and address of the organization and specific division or campus identification if part of a larger organization;

(ii) A brief, scientifically valid project title intelligible to a scientifically literate reader and suitable for use in the public press;

(iii) Type of organization: e.g., profit, non-profit, educational, small business, minority, women-owned, etc;

(iv) Name and telephone number of the principal investigator and business personnel who may be contacted during evaluation or negotiation;

(v) Identification of other organizations that are currently evaluating a proposal for the same efforts;

(vi) Identification of the NRA, by number and title, to which the proposal is responding;

(vii) Dollar amount requested, desired starting date, and duration of project;

(viii) Date of submission; and

(ix) Signature of a responsible official or authorized representative of the organization, or any other person authorized to legally bind the organization (unless the signature appears on the proposal itself).

(2) Restriction on use and disclosure of proposal information. Information contained in proposals is used for evaluation purposes only. Offerors or quoters should, in order to maximize protection of trade secrets or other information that is confidential or privileged, place the following notice on the title page of the proposal and specify the information subject to the notice by inserting an appropriate identification in the notice.

In any event, information contained in proposals will be protected to the extent permitted by law, but NASA assumes no liability for use and disclosure of information not made subject to the notice.

Notices—Restriction on use and disclosure of proposal information

The information (data) contained in [insert page numbers or other identification] of this proposal constitutes a trade secret and/or information that is commercial or financial and confidential or privileged. It is furnished to the Government in confidence with the understanding that it will not, without permission of the offeror, be disclosed to any individual, organization, or government, except as provided in this section, (or other agreement) which does not limit the Government’s right to use or disclose this information (data) to the extent provided in the contract (or other agreement). This restriction does not apply to the Government’s right to use or disclose information (data) obtained from another source without restriction.

(3) Abstract. Include a concise (200–300 word if not otherwise specified in the NRA) abstract describing the objective and the method of approach.

(4) Project description. (i) The main body of the proposal shall be a detailed statement of the work to be undertaken and should include objectives and expected significance; relation to the present state of knowledge; and relation to previous work done on the project and to related work in progress elsewhere. The statement should outline the plan of work, including the broad design of experiments to be undertaken and a description of experimental methods and procedures. The project description should address the evaluation factors in these instructions and any specific factors in the NRA. Any substantial collaboration with individuals not referred to in the budget or use of consultants should be described. Subcontracting significant portions of a research project is discouraged.

(ii) When it is expected that the effort will require more than one year, the proposal should cover the complete project to the extent that it can be reasonably anticipated. Principal emphasis should be on the first year of work, and the description should distinguish clearly between the first year’s work and work planned for subsequent years.

(5) Management approach. For large or complex efforts involving interactions among numerous individuals or other organizations, plans for distribution of responsibilities and arrangements for ensuring a coordinated effort should be described.

(6) Personnel. The principal investigator is responsible for supervision of the work and participates in the conduct of the research regardless of whether or not compensated.
under the award. A short biographical sketch of the principal investigator, a list of principal publications and any exceptional qualifications should be included. Omit social security number and other personal items which do not merit consideration in evaluation of the proposal. Give similar biographical information on other senior professional personnel who will be directly associated with the project. Give the names and titles of any other scientists and technical personnel associated substantially with the project in an advisory capacity. Universities should list the approximate number of students or other assistants, together with information as to their level of academic attainment. Any special industry-university cooperative arrangements should be described.

(ii) Facilities and equipment. (i) Describe available facilities and major items of equipment especially adapted or suited to the proposed project, and any additional major equipment that will be required. Identify any Government-owned facilities, industrial plant equipment, or special tooling that are proposed for use. Include evidence of its availability and the cognizant Government points of contact.

(ii) Before requesting a major item of capital equipment, the proposer should determine if sharing or loan of equipment already within the organization is a feasible alternative. Where such arrangements cannot be made, the proposal should so state. The need for items that typically can be used for research and non-research purposes should be explained.

(B) Proposed costs (U.S. proposals only). (i) Proposals should contain cost and technical parts in one volume: do not use separate "confidential" salary pages. As applicable, include separate cost estimates for salaries and wages; fringe benefits; equipment; expendable materials and supplies; services; domestic and foreign travel; ADP expenses; publication or page charges; consultants; subcontracts; other miscellaneous identifiable direct costs; and indirect costs. List salaries and wages in appropriate organizational categories (e.g., principal investigator, other scientific and engineering professionals, graduate students, research assistants, and technicians and other non-professional personnel). Estimate all staffing data in terms of staff-months or fractions of full-time.

(ii) Explanatory notes should accompany the cost proposal to provide identification and estimated cost of major capital equipment items to be acquired; purpose and estimated number and length of trips planned; basis for indirect cost computation (including date of most recent negotiation and cognizant agency); and clarification of other items in the cost proposal that are not self-evident. List estimated expenses as yearly requirements by major work phases.

(iii) Allowable costs are governed by FAR part 31 and the NASA FAR Supplement part 1831.

(iv) Use of NASA funds—NASA funding may not be used for foreign research efforts at any level, whether as a collaborator or a subcontract. The direct purchase of supplies and/or services, which do not constitute research, from non-U.S. sources by U.S award recipients is permitted. Additionally, in accordance with the National Space Transportation Policy, use of a non-U.S. manufactured launch vehicle is permitted only on a no-exchange-of-funds basis.

(9) Security. Proposals should not contain security classified material. If the research requires access to or may generate security classified information, the submitter will be required to comply with Government security regulations.

(10) Current support. For other current projects being conducted by the principal investigator, provide title of project, sponsoring agency, and ending date.

(11) Special matters. (i) Include any required statements of environmental impact of the research, human subject or animal care provisions, conflict of interest, or on such other topics as may be required by the nature of the effort and current statutes, executive orders, or other current Government-wide guidelines.

(ii) Identify and discuss risk factors and issues throughout the proposal where they are relevant, and your approach to managing these risks.

(iii) Proposers should include a brief description of the organization, its facilities, and previous work experience in the field of the proposal. Identify the cognizant Government audit agency, inspection agency, and administrative contracting officer, when applicable.

(d) Renewal proposals. (1) Renewal proposals for existing awards will be considered in the same manner as proposals for new endeavors. A renewal proposal should not repeat all of the information that was in the original proposal. The renewal proposal should refer to its predecessor, update the parts that are no longer current, and indicate what elements of the research are expected to be covered during the period for which support is desired. A description of any significant findings since the most recent progress report should be included. The renewal proposal should treat, in reasonable detail, the plans for the next period, contain a cost estimate, and otherwise adhere to these instructions.

(2) NASA may renew an effort other through amendment of an existing contract or by a new award.

(e) Length. Unless otherwise specified in the NRA, effort should be made to keep proposals as brief as possible, concentrating on
National Aeronautics and Space Administration

1852.235–72

substantive material. Few proposals need exceed 15–20 pages. Necessary detailed information, such as reprints, should be included as attachments. A complete set of attachments is necessary for each copy of the proposal. As proposals are not returned, avoid use of “one-of-a-kind” attachments.

(f) Joint proposals. (1) Where multiple organizations are involved, the proposal may be submitted by only one of them. It should clearly describe the role to be played by the other organizations and indicate the legal and managerial arrangements contemplated. In other instances, simultaneous submission of related proposals from each organization might be appropriate, in which case parallel awards would be made.

(2) Where a project of a cooperative nature with NASA is contemplated, describe the contributions expected from any participating NASA investigator and agency facilities or equipment which may be required. The proposal must be confined only to that which the proposing organization can commit itself. “Joint” proposals which specify the internal arrangements NASA will actually make are not acceptable as a means of establishing an agency commitment.

(g) Late proposals. Proposals or proposal modifications received after the latest date specified for receipt may be considered if a significant reduction in cost to the Government is probable or if there are significant technical advantages, as compared with proposals previously received.

(h) Withdrawal. Proposals may be withdrawn by the proposer at any time before award. Offerors are requested to notify NASA if the proposal is funded by another organization or of other changed circumstances which dictate termination of evaluation.

(i) Evaluation factors. (1) Unless otherwise specified in the NRA, the principal elements (of approximately equal weight) considered in evaluating a proposal are its relevance to NASA’s objectives, intrinsic merit, and cost.

(2) Evaluation of a proposal’s relevance to NASA’s objectives includes the consideration of the potential contribution of the effort to NASA’s mission.

(3) Evaluation of its intrinsic merit includes the consideration of the following factors of equal importance:

(i) Overall scientific or technical merit of the proposal or unique and innovative methods, approaches, or concepts demonstrated by the proposal.

(ii) Offeror’s capabilities, related experience, facilities, techniques, or unique combinations of these which are integral factors for achieving the proposal objectives.

(iii) The qualifications, capabilities, and experience of the proposed principal investigator, team leader, or key personnel critical in achieving the proposal objectives.

(iv) Overall standing among similar proposals and/or evaluation against the state-of-the-art.

(4) Evaluation of the cost of a proposed effort generally not eligible for funding from NASA if the proposal is funded by another sponsoring institution, in which case a cost plan for only the NASA portion of the proposal involves collaboration with a U.S. institution, in which case a cost plan for only the participation of the U.S. entity must be included. Proposals from foreign entities and proposals from U.S. entities that include foreign participation must be endorsed by the respective government agency or funding/sponsoring institution in the country from which the foreign entity is proposing. Such endorsement should indicate that the proposal merits careful consideration by NASA, and if the proposal is selected, sufficient funds will be made available to undertake the activity as proposed.

(2) All foreign proposals must be typewritten in English and comply with all other submission requirements stated in the NRA.
1852.235–73

All foreign proposals will undergo the same evaluation and selection process as those originating in the U.S. All proposals must be received before the established closing date. Those received after the closing date will be treated in accordance with paragraph (g) of this provision. Sponsoring foreign government agencies or funding institutions may, in exceptional situations, forward a proposal without endorsement if endorsement is not possible before the announced closing date. In such cases, the NASA sponsoring office should be advised when a decision on endorsement can be expected.

(3) Successful and unsuccessful foreign entities will be contacted directly by the NASA sponsoring office. Copies of these letters will be sent to the foreign sponsor. Should a foreign proposal or a U.S. proposal with foreign participation be selected, NASA’s Office of External Relations will arrange with the foreign sponsor for the proposed participation on a no-exchange-of-funds basis, in which NASA and the non-U.S. sponsoring agency or funding institution will each bear the cost of discharging their respective responsibilities.

(4) Depending on the nature and extent of the proposed cooperation, these arrangements may entail:

(i) An exchange of letters between NASA and the foreign sponsor; or

(ii) A formal Agency-to-Agency Memorandum of Understanding (MOU).

(m) Cancellation of NRA. NASA reserves the right to make no awards under this NRA and to cancel this NRA. NASA assumes no liability for canceling the NRA or for anyone’s failure to receive actual notice of cancellation.

1852.235–73 Final Scientific and Technical Reports.

As prescribed in 1835.070(d) insert the following clause:

Final Scientific and Technical Reports

(DEC 2006)

(a) The Contractor shall submit to the Contracting Officer a final report that summarizes the results of the entire contract, including recommendations and conclusions based on the experience and results obtained.

The final report shall include tables, graphs, diagrams, curves, sketches, photographs, and drawings in sufficient detail to explain comprehensively the results achieved under the contract.

(b) The final report shall be of a quality suitable for publication and shall follow the formatting and stylistic guidelines contained in NPR 2200.2, Requirements for Documentation, Approval, and Dissemination of NASA Scientific and Technical Information. Electronic formats for submission of reports should be used to the maximum extent practical. Before electronically submitting reports containing scientific and technical information (STI) that is export-controlled or limited or restricted, contact the Contracting Officer to determine the requirements to electronically transmit these forms of STI. If appropriate electronic safeguards are not available at the time of submission, a paper copy or a CD-ROM of the report shall be required. Information regarding appropriate electronic formats for final reports is available at http://www.sti.nasa.gov under “Publish STI—Electronic File Formats.”

(c) The last page of the final report shall be a completed Standard Form (SF) 296, Report Documentation Page.

(d) In addition to the final report submitted to the Contracting Officer, the Contractor shall concurrently provide to the NASA Center for AeroSpace Information (CASI) a copy of the letter transmitting the final report to the Contracting Officer. The copy of the letter shall be submitted to CASI at the address listed at http:// www.sti.nasa.gov under the “Get Help” link.

(e) In accordance with paragraph (d) of the Rights in Data—General clause (52.227–14) of this contract, the Contractor may publish, or otherwise disseminate, data produced during the contract required by 1852.235–74 when included in the contract, without prior review by NASA. The Contractor is responsible for reviewing publication or dissemination of the data for conformance with laws and regulations governing its distribution, including intellectual property rights, export control, national security and other requirements, and to the extent the contractor receives or is given access to data necessary for the performance of the contract which contain restrictive markings, for complying with such restrictive markings. Should the Contractor seek to publish or otherwise disseminate the final report, or any additional reports required by 1852.235–74 if applicable, as delivered to NASA under this contract, the Contractor may do so once NASA has completed its document availability authorization review, and availability of the report has been determined.

Alternate I (FEB 2003) As prescribed by 1835.070(d)(1), insert the following as paragraph (e) of the basic clause:

(e) The data resulting from this research activity is “fundamental research” which will be broadly shared within the scientific community. No foreign national access or dissemination restrictions apply to this research activity. The Contractor may publish,
release, or otherwise disseminate data produced during the performance of this contract, including the final report, without prior review by NASA for export control or national security purposes. However, NASA retains the right to review the final report to ensure that proprietary information, which may have been provided to the Contractor, is not released without authorization and for consistency with NASA publication standards. Additionally, the Contractor is responsible for reviewing any publication, release, or dissemination of the data for conformance with other restrictions expressly set forth in this contract, and to the extent it receives or is given access to data necessary for the performance of the contract which contain restrictive markings, for compliance with such restrictive markings.

Alternate II (DEC 2005) As prescribed by 1835.070(d)(2), insert the following as paragraph (e) of the basic clause:

(e) Data resulting from this research activity may be subject to export control, national security restrictions or other restrictions designated by NASA; or, to the extent the Contractor receives or is given access to data necessary for the performance of the contract which contain restrictive markings, may include proprietary information of others. Therefore, the Contractor shall not publish, release, or otherwise disseminate, except to NASA, data produced during the performance of this contract, including data contained in the final report and any additional reports required by 1852.235-74 when included in the contract, without prior review by NASA. Should the Contractor seek to publish, release, or otherwise disseminate data produced during the performance of this contract, the Contractor may do so once NASA has completed its document availability authorization review and the availability of the data has been determined.

(f) All publications of any material based on or developed under NASA sponsored projects shall include an acknowledgement similar to the following:

"The material is based upon work supported by the National Aeronautics and Space Administration under Contract Number XXXX."

Except for articles or papers published in scientific, technical or professional journals, the exposition of results from NASA supported research shall also include the following disclaimer:

"Any opinions, findings, and conclusions or recommendations expressed in this material are those of the author(s) and do not necessarily reflect the views of the National Aeronautics and Space Administration."

Alternate III (JAN 2005) As prescribed by 1835.070(d)(3), insert the following as paragraph (e) of the basic clause:

(e) The Contractor’s rights in data are defined in FAR 52.227-20, Rights In Data—SBIR Program. The Contractor may publish, or otherwise disseminate, such data without prior review by NASA. The Contractor is responsible for reviewing publication or dissemination of the data for conformance with laws and regulations governing its distribution, including intellectual property rights, export control, national security and other requirements, and to the extent the Contractor receives or is given access to data necessary for the performance of the contract which contain restrictive markings, for complying with such restrictive markings. In the event the Contractor has established its claim to copyright data produced under this contract and has affixed a copyright notice and acknowledgement of Government sponsorship, or has affixed the SBIR Rights Notice contained in paragraph (d) of FAR 52.227-20, the Government shall comply with such Notices.

(End of clause)

1852.235-74 Additional Reports of Work—Research and Development.

As prescribed in 1835.070(e), insert a clause substantially the same as the following:

ADDITIONAL REPORTS OF WORK—RESEARCH AND DEVELOPMENT (FEB 2003)

In addition to the final report required under this contract, the Contractor shall submit the following report(s) to the Contracting Officer:

(a) Monthly progress reports. The Contractor shall submit separate monthly reports of all work accomplished during each month of contract performance. Reports shall be in narrative form, brief, and informal. They shall include a quantitative description of progress, an indication of any current problems that may impede performance, proposed corrective action, and a discussion of the work to be performed during the next monthly reporting period.

(b) Quarterly progress reports. The Contractor shall submit separate quarterly reports of all work accomplished during each three-month period of contract performance. In addition to factual data, these reports
should include a separate analysis section interpreting the results obtained, recommending further action, and relating occurrences to the ultimate objectives of the contract. Sufficient diagrams, sketches, curves, photographs, and drawings should be included to convey the intended meaning.

(c) Submission dates. Monthly and quarterly reports shall be submitted by the 15th day of the month following the month or quarter being reported. If the contract is awarded beyond the middle of a month, the first monthly report shall cover the period from award until the end of the following month. No monthly report need be submitted for the third month of contract effort for which a quarterly report is required. No quarterly report need be submitted for the final three months of contract effort since that period will be covered in the final report. The final report shall be submitted within \( n \) days after the completion of the effort under the contract.

(End of clause)

[68 FR 5232, Feb. 3, 2003]

1852.236-71 Additive or deductive items.

As prescribed in 1836.570(a), insert the following provision:

ADDITIVE OR DEDUCTIVE ITEMS (MAR 1989)

(a) The low bidder for purposes of award shall be the conforming responsible bidder offering the low aggregate amount for the first or base bid item, plus or minus (in order of priority listed in the Schedule) those additive or deductive bid items providing the most features of the work within the funds determined by the Government to be available before bids are opened. If addition of another bid item in the listed order of priority would make the award exceed those funds for all bidders, it shall be skipped and the next subsequent additive bid item in a lower amount shall be added for each bid if award on it can be made within the funds.

(b) An example for one bid is an amount available of $100,000, a bidder’s base bid of $85,000, and four successive additives of $10,000, $6,000, $6,000, and $4,000. In this example, the aggregate amount of the bid for purposes of award would be $99,000 for the base bid plus the first and fourth additives, the second and third additives being skipped because either of them would cause the aggregate bid to exceed $100,000.

(c) All bids shall be evaluated on the basis of the same additive or deductive bid items. The listed order of priority must be followed only for determining the low bidder. After determination of the low bidder, award in the best interests of the Government may be made to that bidder on its base bid and any combination of its additive or deductive bid items for which funds are determined to be available at the time of the award, provided that award of the combination of bid items does not exceed the amount offered by any other conforming responsible bidder for the same combination of bid items.

(End of provision)

1852.236-72 Bids with unit prices.

As prescribed in 1836.570(b), insert the following provision:

BIDS WITH UNIT PRICES (MAR 1989)

(a) All extensions of the unit prices bid will be subject to verification by the Government. If there is variation between the unit price and any extended amounts, the unit price will be considered to be the bid.

(b) If a modification to a bid based on unit prices that provides for a lump-sum adjustment to the total estimated cost is submitted, the application of the lump sum adjustment to each unit price in the bid must be stated. If it is not stated, the lump-sum adjustment shall be applied on a pro rata basis to every unit price in the bid.

(End of provision)

1852.236-73 Hurricane plan.

As prescribed in 1836.570(c), insert the following clause:

HURRICANE PLAN (DEC 1988)

In the event of a hurricane warning, the Contractor shall—

(a) Inspect the area and place all materials possible in a protected location;

(b) Tie down, or identify and store, all outside equipment and materials;

(c) Clear all surrounding areas and roofs of buildings, or tie down loose material, equipment, debris, and any other objects that could otherwise be blown away or blown against existing buildings; and

(d) Ensure that temporary erosion controls are adequate.

(End of clause)

1852.236–74 Magnitude of requirement.

As prescribed in 1836.570(d), insert the following provision:

**MAGNITUDE OF REQUIREMENT (DEC 1988)**

The Government estimated price range of this project is between $____ and $____. [Insert the estimated dollar range.]

(End of provision)

1852.236–75 Partnering for construction contracts.

As prescribed in 1836.7004, insert the following clause:

**PARTNERING FOR CONSTRUCTION CONTRACTS (AUG 1998)**

(a) The terms “partnering” and “partnership” used herein shall mean a relationship of open communication and close cooperation that involves both Government and Contractor personnel working together for the purpose of establishing a mutually beneficial, proactive, cooperative environment within which to achieve contract objectives and resolve issues and implementing actions as required.

(b) Partnering will be a voluntary commitment mutually agreed upon by at least NASA and the prime contractor, and preferably the subcontractors and the A&E design contractor, if applicable. Sustained commitment to the process is essential to assure success of the relationship.

(c) NASA intends to facilitate contract management by encouraging the foundation of a cohesive partnership with the Contractor, its subcontractors, the A&E design contractor, and NASA’s contract management staff. This partnership will be structured to draw on the strengths of each organization to identify and achieve mutual objectives. The objectives are intended to complete the contract requirements within budget, on schedule, and in accordance with the plans and specifications.

(d) To implement the partnership, it is anticipated that within 30 days of the Notice to Proceed the prime Contractor’s key personnel, its subcontractors, the A&E design contractor, and NASA personnel will attend a partnership development and team building workshop. Follow-up team building workshops will be held periodically throughout the duration of the contract as agreed to by the Government and the Contractor.

(e) Any cost with effectuating the partnership will be agreed to in advance by both parties and will be shared with no change in the contract price. The contractor’s share of the costs are not recoverable under any other Government award.

(End of clause)

[63 FR 44171, Aug. 18, 1998]

1852.237–70 Emergency evacuation procedures.

As prescribed at 1837.110–70(a), insert the following clause:

**EMERGENCY EVACUATION PROCEDURES (DEC 1988)**

The contractor shall assure that its personnel at Government facilities are familiar with the functions of the Government’s emergency evacuation procedures. If requested by the Contracting Officer, the Contractor shall designate an individual or individuals as contact points to provide for efficient and rapid evacuation of the facility if and when required.

(End of clause)

1852.237–71 Pension portability.

As prescribed at 1837.110–70(b), insert the following clause:

**PENSION PORTABILITY (JAN 1997)**

(a) In order for pension costs attributable to employees assigned to this contract to be allowable costs under this contract, the plans covering such employees must:

1. Comply with all applicable Government laws and regulations;

2. Be a defined contribution plan, or a multiparty defined benefit plan operated under a collective bargaining agreement. In either case, the plan must be portable, i.e., the plan follows the employee, not the employer;

3. Provide for 100 percent employee vesting at the earlier of one year of continuous employee service or contract termination; and

4. Not be modified, terminated, or a new plan adopted without the prior written approval of the cognizant NASA Contracting Officer.

(b) The Contractor shall include paragraph (a) of this clause in subcontracts for continuing services under a service contract if:

1. The prime contract requires pension portability;

2. The subcontracted labor dollars (excluding any burdens or profit/fee) exceed $2,500,000 and ten percent of the total prime contract labor dollars (excluding any burdens or profit/fee); and
(3) Either of the following conditions exists:
   (i) There is a continuing need for the same or similar subcontract services for a minimum of five years (inclusive of options), and if the subcontractor changes, a high percentage of the predecessor subcontractor’s employees are expected to remain with the program;
   (ii) The employees under a predecessor subcontract were covered by a portable pension plan, a follow-on subcontract or a subcontract consolidating existing services is awarded, and the total subcontract period covered by the plan covers a minimum of five years (including both the predecessor and successor subcontracts).

   (End of clause)

1852.237–72 Access to Sensitive Information.

As prescribed in 1837.203–72(a), insert the following clause:

ACCESS TO SENSITIVE INFORMATION (JUN 2005)

(a) As used in this clause, “sensitive information” refers to information that a contractor has developed at private expense, or that the Government has generated that qualifies for an exception to the Freedom of Information Act, which is not currently in the public domain, that the Contractor has developed at private expense, that may involve access to sensitive information, and which may be sensitive or privileged.

(b) To assist NASA in accomplishing management activities and administrative functions, the Contractor shall provide the services specified elsewhere in this contract.

(c) If performing this contract entails access to sensitive information, as defined above, the Contractor agrees to—

(1) Utilize any sensitive information coming into its possession only for the purposes of performing the services specified in this contract, and not to improve its own competitive position in another procurement.

(2) Safeguard sensitive information coming into its possession from unauthorized use and disclosure.

(3) Allow access to sensitive information only to those employees that need it to perform services under this contract.

(4) Preclude access and disclosure of sensitive information to persons and entities outside of the Contractor’s organization.

(5) Train employees who may require access to sensitive information about their obligations to utilize it only to perform the services specified in this contract and to safeguard it from unauthorized use and disclosure.

(6) Obtain a written affirmation from each employee that he/she has received and will comply with training on the authorized uses and mandatory protections of sensitive information needed in performing this contract.

(7) Administer a monitoring process to ensure that employees comply with all reasonable security procedures, report any breaches to the Contracting Officer, and implement any necessary corrective actions.

(d) The Contractor will comply with all procedures and obligations specified in its Organizational Conflicts of Interest Avoidance Plan, which this contract incorporates as a compliance document.

(e) The nature of the work on this contract may subject the Contractor and its employees to a variety of laws and regulations relating to ethics, conflicts of interest, corruption, and other criminal or civil matters relating to the award and administration of government contracts. Recognizing that this contract establishes a high standard of accountability and trust, the Government will carefully review the Contractor’s performance in relation to the mandates and restrictions found in these laws and regulations. Unauthorized uses or disclosures of sensitive information may result in termination of this contract for default, or in debarment of the Contractor for serious misconduct affecting present responsibility as a government contractor.

(f) The Contractor shall include the substance of this clause, including this paragraph (f), suitably modified to reflect the relationship of the parties, in all subcontracts that may involve access to sensitive information.

   (End of clause)

1852.237–73 Release of Sensitive Information.

As prescribed in 1837.203–72(b), insert the following clause:

RELEASE OF SENSITIVE INFORMATION (JUN 2005)

(a) As used in this clause, “sensitive information” refers to information, not currently in the public domain, that the Contractor has developed at private expense, that may embody trade secrets or commercial or financial information, and that may be sensitive or privileged.

(b) In accomplishing management activities and administrative functions, NASA relies heavily on the support of various service providers. To support NASA activities and functions, these service providers, as well as their subcontractors and their individual
employees, may need access to sensitive information submitted by the Contractor under this contract. By submitting this proposal or performing this contract, the Contractor accepts that NASA may release to its service providers, their subcontractors, and their individual employees, sensitive information submitted during the course of this procurement, subject to the enumerated protections mandated by the clause at 1852.237-72, Access to Sensitive Information.

(c)(1) The Contractor shall identify any sensitive information submitted in support of this proposal or in performing this contract. For purposes of identifying sensitive information, the Contractor may, in addition to any other notice or legend otherwise required, use a notice similar to the following:

Mark the title page with the following legend:

This proposal or document includes sensitive information that NASA shall not disclose outside the Agency and its service providers that support management activities and administrative functions. To gain access to this sensitive information, a service provider’s contract must contain the clause at 1852.237-72, Access to Sensitive Information. Consistent with this clause, the service provider shall not duplicate, use, or disclose the information in whole or in part for any purpose other than to perform the services specified in its contract. This restriction does not limit the Government’s right to use this information if it is obtained from another source without restriction. The information subject to this restriction is contained in pages [insert page numbers or other identification of pages].

Mark each page of sensitive information the Contractor wishes to restrict with the following legend:

Use or disclosure of sensitive information contained on this page is subject to the restriction on the title page of this proposal or document.

(2) The Contracting Officer shall evaluate the facts supporting any claim that particular information is "sensitive." This evaluation shall consider the time and resources necessary to protect the information in accordance with the detailed safeguards mandated by the clause at 1852.237-72, Access to Sensitive Information. However, unless the Contracting Officer decides, with the advice of Center counsel, that reasonable grounds exist to challenge the Contractor’s claim that particular information is sensitive, NASA and its service providers and their employees shall comply with all of the safeguards contained in paragraph (d) of this clause.

(d) To receive access to sensitive information needed to assist NASA in accomplishing management activities and administrative functions, the service provider must be operating under a contract that contains the clause at 1852.237-72, Access to Sensitive Information. This clause obligates the service provider to do the following:

(1) Comply with all specified procedures and obligations, including the Organizational Conflicts of Interest Avoidance Plan, which the contract has incorporated as a compliance document.

(2) Utilize any sensitive information coming into its possession only for the purpose of performing the services specified in its contract.

(3) Safeguard sensitive information coming into its possession from unauthorized use and disclosure.

(4) Allow access to sensitive information only to those employees that need it to perform services under its contract.

(5) Preclude access and disclosure of sensitive information to persons and entities outside of the service provider’s organization.

(6) Train employees who may require access to sensitive information about their obligations to utilize it only to perform the services specified in its contract and to safeguard it from unauthorized use and disclosure.

(7) Obtain a written affirmation from each employee that he/she has received and will comply with training on the authorized uses and mandatory protections of sensitive information needed in performing this contract.

(8) Administer a monitoring process to ensure that employees comply with all reasonable security procedures, report any breaches to the Contracting Officer, and implement any necessary corrective actions.

(e) When the service provider will have primary responsibility for operating an Information Technology system for NASA that contains sensitive information, the service provider’s contract shall include the clause at 1852.204-76, Security Requirements for Unclassified Information Technology Resources. The Security Requirements clause requires the service provider to implement an Information Technology Security Plan to protect information processed, stored, or transmitted from unauthorized access, alteration, disclosure, or use. Service provider personnel requiring privileged access or limited privileged access to these information technology systems are subject to screening using the standard National Agency Check (NAC) forms appropriate to the level of risk for adverse impact to NASA missions. The Contracting Officer may allow the service provider to conduct its own screening, provided the service provider employs substantially equivalent screening procedures.

(f) This clause does not affect NASA’s responsibilities under the Freedom of Information Act.
(g) The Contractor shall insert this clause, including this paragraph (g), suitably modified to reflect the relationship of the parties, in all subcontracts that may require the furnishing of sensitive information.

(End of clause)

1852.239–70 Alternate delivery points.

As prescribed in 1839.107–70(a)(1), insert the following clause:

ALTERNATE DELIVERY POINTS (NOV 1993)

(a) The first priority of this contract is to satisfy the anticipated requirements of ______ (contracting activity). However, should the actual requirements of ______ (contracting activity) be less than the maximum quantities/values specified in section B of this contract, ______ (contracting activity) may order the remaining available quantities/values to satisfy the requirements of other installations. The other installations at which delivery may be required are: ______ (List installations and their locations)

(b) The prices of the deliverables in section B are F.O.B. destination to ______ (contracting activity). If delivery to an alternate location is ordered, an equitable adjustment may be negotiated to recognize any variances in transportation costs associated with delivery to that alternate location.

(End of clause)

1852.239–72 Denied Access to NASA Facilities.

As prescribed in 1842.7001, insert the following clause:

DENIED ACCESS TO NASA FACILITIES (OCT 2015)

(a)(1) The performance of this contract requires contractor employees of the prime contractor or any subcontractor, affiliate, partner, joint venture, or team member with which the contractor is associated, including consultants engaged by any of these entities, to have access to, physical entry into, and to the extent authorized, mobility within, a NASA facility.

(2) NASA may close and or deny contractor access to a NASA facility for a portion of a business day or longer due to any one of the following events:

(i) Federal public holidays for federal employees in accordance with 5 U.S.C. 6103.

(ii) Fires, floods, earthquakes, unusually severe weather to include snow storms, tornadoes and hurricanes.

(iii) Occupational safety or health hazards.

(iv) Non-appropriation of funds by Congress.

(v) Any other reason.

(3) In such events, the contractor employees may be denied access to a NASA facility, in part or in whole, to perform work required by the contract. Contractor personnel already present at a NASA facility during such events may be required to leave the facility.

(b) In all instances where contractor employees are denied access or required to vacate a NASA facility, in part or in whole, the contractor shall be responsible to ensure...
contractor personnel working under the contract comply. If the circumstances permit, the contracting officer will provide direction to the contractor, which could include continuing on-site performance during the NASA facility closure period. In the absence of such direction, the contractor shall exercise sound judgment to minimize unnecessary contract costs and performance impacts by, for example, performing required work off-site if possible or reassigning personnel to other activities if appropriate.

(c) The contractor shall be responsible for monitoring the local radio, television stations, NASA Web sites, other communications channels, for example contracting officer notification, that the NASA facility is accessible. Once accessible the contractor shall resume contract performance as required by the contract.

(d) For the period that NASA facilities were not accessible to contractor employees, the contracting officer may—

(1) Adjust the contract performance or delivery schedule for a period equivalent to the period the NASA facility was not accessible;

(2) Forego the work;

(3) Reschedule the work by mutual agreement of the parties; or

(4) Consider properly documented requests for equitable adjustment, claim, or any other remedy pursuant to the terms and conditions of the contract.

(e) Notification procedures of a NASA facility closure, including contractor denial of access, as follows:

(1) The contractor shall be responsible for monitoring the local radio, television stations, NASA Web sites, other communications channels, for example contracting officer notification, for announcement of a NASA facility closure to include denial of access to the NASA facility. The contractor shall be responsible for notification of its employees of the NASA facility closure to include denial of access to the NASA facility. The contractor shall be responsible for notification of its employees of the NASA facility closure to include denial of access to the NASA facility.

The dismissal of NASA employees in accordance with statute and regulations providing for such dismissals shall not, in itself, correlate with technical and schedule reporting categories to be used, which shall correlate with technical and schedule reporting categories, for the reporting period.

Moreover, the leave status of NASA employees shall not be conveyed or imputed to contractor employees denied access. Once accessible the contractor shall continue performance in accordance with the contract.

(2) NASA’s Emergency Notification System (ENS), ENS is a NASA-wide Emergency Notification and Accountability System that provides NASA the ability to send messages, both Agency-related and/or Center-related, in the event of an emergency or emerging situation at a NASA facility. Notification is provided via multiple communication devices, e.g., Email, text, cellular, home/office numbers. The ENS provides the capability to respond to notifications and provide the safety status. Contractor employees may register for these notifications at the ENS Web site: http://www.hq.nasa.gov/office/ops/nasaonly/ENSinformation.html.

As prescribed in 1842.7202, insert the following clause:

NASACONTRACTORFINANCIALMANAGEMENT
REPORTING (NOV 2004)

(a) The Contractor shall submit NASA Contractor Financial Management Reports on NASA Forms 533 in accordance with the instructions in NASA Procedures and Guidelines (NPR) 9501.2, NASA Contractor Financial Management Reporting, and on the reverse side of the forms, as supplemented in the Schedule of this contract. The detailed reporting categories to be used, which shall correlate with technical and schedule reporting, shall be set forth in the Schedule. Contractor implementation of reporting requirements under this clause shall include NASA approval of the definitions of the content of each reporting category and give due regard to the Contractor’s established financial management information system.

(b) Lower level detail used by the Contractor for its own management purposes to validate information provided to NASA shall be compatible with NASA requirements.

(c) Reports shall be submitted in the number of copies, at the time, and in the manner set forth in the Schedule or as designated in writing by the Contractor Officer. Upon completion and acceptance by NASA of all contract line items, the Contracting Officer may direct the Contractor to submit Form 533 reports on a quarterly basis only, report only when changes in actual cost incur, or suspend reporting altogether.

(d) The Contractor shall ensure that its Form 533 reports include accurate subcontractor cost data, in the proper reporting categories, for the reporting period.

(e) If during the performance of this contract NASA requires a change in the information or reporting requirements specified in the Schedule, or as provided for in paragraph (a) or (c) of this clause, the Contracting Officer shall effect that change in accordance with the Changes clause of this contract.
1852.242–78 Emergency Medical Services and Evacuation.

As prescribed in 1842.7003, insert the following clause:

EMERGENCY MEDICAL SERVICES AND EVACUATION—APRIL 2001

The Contractor shall, at its own expense, be responsible for making all arrangements for emergency medical services and evacuation, if required, for its employees while performing work under this contract outside the United States or in remote locations in the United States. If necessary to deal with certain emergencies, the Contractor may request the Government to provide medical or evacuation services. If the Government provides such services, the Contractor shall reimburse the Government for the costs incurred.

(End of clause)

1852.243–70 Engineering change proposals.

As prescribed in 1843.205–70(a)(1), insert the following clause, modified to suit contract type:

ENGINEERING CHANGE PROPOSALS (FEB 1998)

(a) Definitions.

''ECP'' means an Engineering Change Proposal (ECP) which is a proposed engineering change and the documentation by which the change is described, justified, and submitted to the procuring activity for approval or disapproval.

(b) Either party to the contract may originate ECPs. Implementation of an approved ECP may occur by either a supplemental agreement or, if appropriate, as a written change order to the contract.

(c) Any ECP submitted to the Contracting Officer shall include a “not-to-exceed” [price or estimated cost] increase or decrease adjustment amount, if any, and the required [time of delivery or period of performance] adjustment, if any, acceptable to the originator of the ECP. If the change is originated within the Government, the Contracting Officer shall obtain a written agreement with the Contractor regarding the “not-to-exceed” [price or estimated cost] and [delivery or period of performance] adjustments, if any, prior to issuing an order for implementation of the change.

(d) After submission of a Contractor initiated ECP, the Contracting Officer may require the Contractor to submit the following information:

1. Cost or pricing data in accordance with FAR 15.403-5 if the proposed change meets the criteria for its submission under FAR 15.403-4; or
2. Information other than cost or pricing data adequate for Contracting Officer determination of price reasonableness or cost realism. The Contracting Officer reserves the right to request additional information if that provided by the Contractor is considered inadequate for that purpose. If the Contractor claims applicability of one of the exceptions to submission of cost or pricing data, it shall cite the exception and provide rationale for its applicability.

(e) If the ECP is initiated by NASA, the Contracting Officer shall specify the cost information requirements, if any.

(End of clause)

1852.243–71 Shared savings.

As prescribed in 1843.205–70(a)(2), add the following paragraph (f), modified to suit contract type, to the basic clause:

(f) If the [price or estimated cost] adjustment proposed for any contractor-originated ECP is [insert a percent or dollar amount of the contract price or estimated cost] or less, the ECP shall be executed with no adjustment to the contract [price or estimated cost].

(End of clause)
Cost Reduction Proposals (CRP) and approved by the Contracting Officer. These cost reduction projects may require changes to the terms, conditions or statement of work of the contract. Any cost reduction projects must not change the essential function of any products to be delivered or the essential purpose of services to be provided under the contract.

(b) Definitions:

(1) Cost savings, as contemplated by this clause mean savings that result from instituting changes to the covered contract, as identified in an approved Cost Reduction Proposal.

(2) Cost Reduction Proposal—For the purposes of this clause, a Cost Reduction Proposal means a proposal that recommends alternatives to the established procedures and/or organizational support of a contract or group of contracts. These alternatives must result in a net reduction of contract cost and price to NASA. The proposal will include technical and cost information sufficient to enable the Contracting Officer to evaluate the CRP and approve or disapprove it.

(3) Covered contract—As used in this provision, covered contract means the contract, including unexercised options but excluding future contracts, whether contemplated or not, against which the CRP is submitted.

(4) Contractor implementation costs—As used in this provision, Contractor implementation costs, or “implementation costs”, shall mean those costs which the Contractor incurs on covered contracts specifically in developing, preparing, submitting, and negotiating a CRP, as well as those costs the Contractor will incur on covered contracts to make any structural or organizational changes in order to implement an approved CRP.

(5) Government costs—As used in this provision, the term Government costs means internal costs of NASA, or any other Government agency, which result directly from development and implementation of the CRP. These may include, but are not limited to, costs associated with the administration of the contract or with such contractually related functions such as testing, operations, maintenance and logistics support. These costs also include costs associated with other Agency contracts (including changes in contract price or cost and fee) that may be affected as a result of the implementation of a CRP. They do not include the normal administrative costs of reviewing and processing the Cost Reduction Proposal.

(c) General. The Contractor will develop, prepare and submit CRP’s with supporting information as detailed in paragraph (e) of this clause, to the Contracting Officer. The CRP will describe the proposed cost reduction activity in sufficient detail to enable the Contracting Officer to evaluate it and to approve or disapprove it. The Contractor shall share in any net cost savings realized from approved and implemented CRPs in accordance with the terms of this clause. The Contractor’s actual percentage share of the total cost savings shall be a matter of negotiation with the Contracting Officer, but shall not, in any event, exceed 50 percent of the total cost savings recognized by the Contracting Officer. The Contractor may propose changes in other activities that impact performance on its contract, including Government and other Contractor operations, if such changes will optimize cost savings. A Contractor shall not be entitled to share, however, in any cost savings that are internal to the Government, or which result from changes made to any contracts to which it is not a party even if those changes were proposed as a part of its CRP. Early communication between the Contractor and Government is encouraged. The communication may be in the form of a concept paper or preliminary proposal. The Government is not committed to accepting any proposal as a result of these early discussions.

(d) Computation of cost savings. The cost savings to be shared between the Government and the Contractor will be computed by the Contracting Officer by comparing a current estimate to complete (ETC) for the covered contract, as structured before implementation of the proposed CRP, to a revised ETC which takes into account the implementation of that CRP. The cost savings to be shared shall be reduced by any cost overrun, whether experienced or projected, that is identified on the covered contract before implementation of the CRP. Although a CRP may result in cost savings that extend far into the future, the period in which the Contractor may share in those savings will be limited to no more than five years. Implementation costs of the Contractor must be considered and specifically identified in the revised ETC. The Contracting Officer shall not consider Contractor implementation costs in computing the total cost savings to be shared. The Contractor shall not be entitled, under the provisions of this clause, to share in any cost reductions to the contract that are the result of changes stemming from any action other than an approved CRP. However, this clause does not limit recovery of any such reimbursements that are allowed as a result of other contract provisions.

(e) Supporting information. As a minimum, the Contractor shall provide the following supporting information with each CRP:

(1) Identification of the current contract requirements or established procedures and/or organizational support which are proposed to be changed.

(2) A description of the difference between the current process or procedure and the proposed change. This description shall address
how proposed changes will meet NASA requirements and discuss the advantages and disadvantages of the existing practice and the proposed changes.

(4) A list of contract requirements which must be revised, if any, if the CRP is approved, along with proposed revisions. Any changes to NASA or delegated contract management processes should also be addressed.

(5) Detailed cost estimates which reflect the implementation costs of the CRP.

(6) An updated ETC for the covered contract, unchanged, and a revised ETC for the covered contract which reflects changes resulting from implementing the CRP. If the CRP proposes changes to only a limited number of elements of the contract, the ETCs need only address those portions of the contract that have been impacted. Each ETC shall depict the level of costs incurred or to be incurred by year, or to the level of detail required by the Contracting Officer. If other CRPs have been proposed or approved on a contract, the impact of these CRPs must be addressed in the computation of the cost savings to ensure that the cost savings identified are attributable only to the CRP under consideration in the instant case.

(7) Identification of any other previous submissions of the CRP, including the dates submitted, the agencies and contracts involved, and the disposition of those submissions.

(f) Administration. (1) The Contractor shall submit proposed CRPs to the Contracting Officer who shall be responsible for the review, evaluation and approval. Normally, CRP’s should not be entertained for the first year of performance to allow the Contracting Officer to assess performance against the basic requirements. If a cost reduction project impacts more than a single contract, the Contractor may, upon concurrence of the Contracting Officers responsible for the affected contracts, submit a single CRP which addresses fully the cost savings projected on all affected contracts that contain this Shared Savings Clause. In the case of multiple contracts affected, responsibility for the review and approval of the CRP will be a matter to be decided by the affected Contracting Officers.

(2) Within 60 days of receipt, the Contracting Officer shall complete an initial evaluation of any proposed cost reduction plan to determine its feasibility. Failure of the Contracting Officer to provide a response within 60 days shall not be construed as approval of the CRP. The Government shall promptly notify the Contractor of the results of its initial evaluation and indicate what, if any, further action will be taken. If the Government determines that the proposed CRP has merit, it will open discussions with the Contractor to establish the cost savings to be recognized, the Contractor’s share of the cost savings, and a payment schedule. The Contractor shall continue to perform in accordance with the terms and conditions of the existing contract until a contract modification is executed by the Contracting Officer. The modification shall constitute approval of the CRP and shall incorporate the changes identified by the CRP, adjust the contract cost and/or price, establish the Contractor’s share of cost savings, and incorporate the agreed to payment schedule.

(3) The Contractor will receive payment by submitting invoices to the Contracting Officer for approval. The amount and timing of individual payments will be made in accordance with the schedule to be established with the Contracting Officer. Notwithstanding the overall savings recognized by the Contracting Officer as a result of an approved CRP, payment of any portion of the Contractor’s share of savings shall not be made until NASA begins to realize a net cost savings on the contract (i.e., implementation, startup and other increased costs resulting from the change have been offset by cumulative cost savings). Savings associated with unexercised options will not be paid unless and until the contract options are exercised. It shall be the responsibility of the Contractor to provide such justification as the Contracting Officer deems necessary to substantiate that cost savings are being achieved.

(4) Any future activity, including a merger or acquisition undertaken by the Contractor (or to which the Contractor becomes an involved party), which has the effect of reducing or reversing the cost savings realized from an approved CRP for which the Contractor has received payment may be cause for recomputing the net cost savings associated with any approved CRP. The Government reserves the right to make an adjustment to the Contractor’s share of cost savings and to receive a refund of moneys paid if necessary. Such adjustment shall not be made without notifying the Contractor in advance of the intended action and affording the Contractor an opportunity for discussion.

(g) Limitations. Contract requirements that are imposed by statute shall not be targeted for cost reduction exercises. The Contractor is precluded from receiving reimbursements under both this clause and other incentive provisions of the contract, if any, for the same cost reductions.

(h) Disapproval of, or failure to approve, any proposed cost reduction proposal shall not be considered a dispute subject to remedies under the Disputes clause.

(1) Cost savings paid to the Contractor in accordance with the provisions of this clause do not constitute profit or fee within the limitations imposed by 10 U.S.C. 2306(d) and 41 U.S.C. 254(b).
1852.243–72 Equitable adjustments.

As prescribed in 1843.205–70(b), insert the following clause:

EQUITABLE ADJUSTMENTS (APR 1998)

(a) The provisions of all other clauses contained in this contract which provide for an equitable adjustment, including those clauses incorporated by reference with the exception of the “Suspension of Work” clause (FAR 52.242–14), are supplemented as follows:

Upon written request, the Contractor shall submit a proposal for review by the Government. The proposal shall be submitted to the contracting officer within the time limit indicated in the request or any extension thereto subsequently granted. The proposal shall provide an itemized breakdown of all increases and decreases in the contract for the Contractor and each subcontractor in at least the following detail: material quantities and costs; direct labor hours and rates for each trade; the associated FICA, FUTA, SUTA, and Workmen’s Compensation Insurance; and equipment hours and rates.

(b) The overhead percentage cited below shall be considered to include all indirect costs including, but not limited to, field and office supervisors and assistants, incidental job burdens, small tools, and general overhead allocations. “Commission” is defined as profit on work performed by others. The percentages for overhead, profit, and commission are negotiable according to the nature, extent, and complexity of the work involved, but in no case shall they exceed the following ceilings:

<table>
<thead>
<tr>
<th></th>
<th>Overhead (percent)</th>
<th>Profit (percent)</th>
<th>Commission</th>
</tr>
</thead>
<tbody>
<tr>
<td>To Contractor on work performed by other than its own forces</td>
<td>—</td>
<td>—</td>
<td>10</td>
</tr>
<tr>
<td>To first tier subcontractor on work performed by its subcontractors</td>
<td>—</td>
<td>—</td>
<td>10</td>
</tr>
<tr>
<td>To Contractor and/or subcontractors on work performed with their own forces</td>
<td>10</td>
<td>10</td>
<td>—</td>
</tr>
</tbody>
</table>

(c) Not more than four percentages for overhead, profit, and commission shall be allowed regardless of the number of subcontractor tiers.

(d) The Contractor or subcontractor shall not be allowed overhead or commission on the overhead, profit, and/or commission received by its subcontractors.

(e) Equitable adjustments for deleted work shall include credits, limited to the same percentages for overhead, profit, and commission in paragraph (b) of this clause.

(f) On proposals covering both increases and decreases in the amount of the contract, the application of the overhead, profit, and commission shall be the net change in direct costs for the Contractor or the subcontractor performing the work.

(g) After receipt of the Contractor’s proposal, the contracting officer shall act within a reasonable period, provided that when the necessity to proceed with a change does not permit time to properly check the proposal, or in the event of a failure to reach an agreement on a proposal, the contracting officer may order the Contractor to proceed on the basis of the price being determined at the earliest practicable date. In such a case, the price shall not be more than the increase or less than the decrease proposed.

1852.244–70 Geographic participation in the aerospace program.

As prescribed in 1844.204–70, insert the following clause:

GEOGRAPHIC PARTICIPATION IN THE AEROSPACE PROGRAM (APR 1985)

(a) It is the policy of the National Aeronautics and Space Administration to advance a broad participation by all geographic regions in filling the scientific, technical, research and development, and other needs of the aerospace program.

(b) The Contractor agrees to use its best efforts to solicit subcontract sources on the broadest feasible geographic basis consistent with efficient contract performance and without impairment of program effectiveness or increase in program cost.

(c) The Contractor further agrees to insert this clause in all subcontracts of $100,000 and over.

(End of clause)

1852.245–70 Contractor requests for Government-furnished property.

As prescribed in 1845.107–70(a)(1), insert the following clause:
CONTRACTOR REQUESTS FOR GOVERNMENT-FURNISHED PROPERTY (AUG 2015)

(a) The Contractor shall provide all property required for the performance of this contract. The Contractor shall not acquire or construct items of property to which the Government will have title under the provisions of this contract without the Contracting Officer’s written authorization. Property which will be acquired as a deliverable end item as material or as a component for incorporation into a deliverable end item is exempt from this requirement. Property approved as part of the contract award or specifically required within the statement of work is exempt from this requirement.

(b)(1) In the event the Contractor is unable to provide the property necessary for performance, and the Contractor requests provision of property by the Government, the Contractor’s request shall:

(i) Justify the need for the property;
(ii) Provide the reasons why contractor-owned property cannot be used;
(iii) Describe the property in sufficient detail to enable the Government to screen its inventories for available property or to otherwise acquire property, including applicable manufacturer, model, part, catalog, National Stock Number or other pertinent identifiers;
(iv) Combine requests for quantities of items with identical description and estimated values when the estimated values do not exceed $500,000 per unit; and
(v) Include only a single unit when the acquisition or construction value equals or exceeds $500,000.

(2) Contracting Officer authorization is required for items the Contractor intends to manufacture as well as those it intends to purchase.

(d) The Contractor shall submit requests to the Contracting Officer no less than 30 days in advance of the date the Contractor would, should it receive authorization, acquire or begin fabrication of the item.

(c) The Contractor shall maintain copies of Contracting Officer authorizations, appropriately cross-referenced to the individual property record, within its property management system.

(d) Property furnished from Government excess sources is provided as-is, where-is. The Government makes no warranty regarding its applicability for performance of the contract or its ability to operate. Failure of property obtained from Government excess sources under this clause is insufficient reason for submission of requests for equitable adjustments discussed in the clause at FAR 52.245-1. Government Property, as incorporated in this contract.

Alterate I (AUG 2015) As prescribed in 1845.107-70(a)(2), add the following paragraph (e).

(e) In the event the Contracting Officer issues written authorization to provide property, the Contractor shall screen Government sources to determine the availability of property from Government inventory or excess property.

(1) The Contractor shall review NASA inventories and other authorized Federal excess sources for availability of items that meet the performance requirements of the requested property.

(i) If the Contractor determines that a suitable item is available from NASA supply inventory, it shall request the item using applicable Center procedures.

(ii) If the Contractor determines that an item within NASA or Federal excess is suitable, it shall contact the Center Industrial Property Officer to arrange for transfer of the item from the identified source to the Contractor.

(2) If the Contractor determines that the required property is not available from inventory or excess sources, the Contractor should note the acquisition file with a list of sources reviewed and the findings regarding the lack of availability. If the required property is available, but unsuitable for use, the contractor shall document the rationale for rejection of available property. The Contractor shall retain appropriate cross-referenced documentary evidence of the outcome of those screening efforts as part of its property records system.

1852.245–71 Installation-accountable Government property.

As prescribed in 1845.107-70(b)(1), insert the following clause:

INSTALLATION-ACCOUNTABLE GOVERNMENT PROPERTY (JAN 2011)

(a) The Government property described in paragraph (c) of this clause may be made available to the Contractor on a no-charge basis for use in performance of this contract. This property shall be utilized only within the physical confines of the NASA installation that provided the property unless authorized by the Contracting Officer under (b)(1)(iv). Under this clause, the Government retains accountability for, and title to, the property, and the Contractor shall comply with the following:

NASA Procedural Requirements (NPR) 4100.1, NASA Materials Inventory Management Manual;
NASA Procedural Requirements (NPR) 4200.1, NASA Equipment Management Procedural Requirements;

NASA Procedural Requirement (NPR) 4300.1, NASA Personal Property Disposal Procedural Requirements;

[Insert any additional property management responsibilities.]

Property not recorded in NASA property systems must be managed in accordance with the requirements of the clause at FAR 52.245-1, as incorporated in this contract.

The Contractor shall establish and adhere to a system of written procedures to assure continued, effective management control and compliance with these user responsibilities. In accordance with FAR 52.245-1(h)(1), the contractor shall be liable for property lost, damaged, destroyed or stolen by the contractor or their employees when determined responsible by a NASA Property Survey Board, in accordance with the NASA guidance in this clause.

(b)(1) The official accountable record-keeping, financial control, and reporting of the property subject to this clause shall be retained by the Government and accomplished within NASA management information systems prescribed by the installation Supply and Equipment Management Officer (SEMO) and Financial Management Officer. If this contract provides for the Contractor to acquire property, title to which will vest in the Government, the following additional procedures apply:

(i) The Contractor’s purchase order shall require the vendor to deliver the property to the installation central receiving area.

(ii) The Contractor shall furnish a copy of each purchase order, prior to delivery by the vendor, to the installation central receiving area.

(iii) The Contractor shall establish a record for Government titled property as required by FAR 52.245-1, as incorporated in this contract, and shall maintain that record until accountability is accepted by the Government.

(iv) Contractor use of Government property at an off-site location and off-site subcontractor use requires advance approval of the Contracting Officer and notification of the Industrial Property Officer. The property shall be considered Government furnished and the Contractor shall assume accountability and financial reporting responsibility. The Contractor shall establish records and property control procedures and maintain the property in accordance with the requirements of FAR 52.245-1, Government Property Not recorded in NASA property systems, until its return to the installation. NASA Procedural Requirements related to property loans shall not apply to offsite use of property by contractors.

(2) After transfer of accountability to the Government, the Contractor shall continue to maintain such internal records as are necessary to execute the user responsibilities identified in paragraph (a) of this clause and document the acquisition, billing, and disposition of the property. These records and supporting documentation shall be made available, upon request, to the SEMO and any other authorized representatives of the Contracting Officer.

(c) The following property and services are provided if checked:

(1) Office space, work area space, and utilities. Government telephones are available for official purposes only.

(2) Office furniture.

(3) Property listed in [Insert attachment number or “not applicable” if no equipment is provided].

(i) If the Contractor acquires property, title to which vests in the Government pursuant to other provisions of this contract, this property also shall become accountable to the Government upon its entry into Government records.

(ii) The Contractor shall not bring to the installation for use under this contract any property owned or leased by the Contractor, or other property that the Contractor is accountable for under any other Government contract, without the Contracting Officer’s prior written approval.

(4) Supplies from stores stock.

(5) Publications and blank forms stocked by the installation.

(6) Safety and fire protection for Contractor personnel and facilities.

(7) Installation service facilities: [Insert the name of the facilities or “none”].

(8) Cafeteria privileges for Contractor employees during normal operating hours.

(9) Medical treatment of a first-aid nature for Contractor personnel injuries or illnesses sustained during on-site duty.

(10) Building maintenance for facilities occupied by Contractor personnel.

(11) Moving and hauling for office moves, movement of large equipment, and delivery of supplies. Moving services may be provided on-site, as approved by the Contracting Officer.

(End of clause)

Alternate I (JAN 2011) As prescribed in 1845.107-70(b)(4), substitute the following for paragraph (b)(1)(i) of the basic clause:

(i) The Contractor shall not utilize the installation’s central receiving facility for receipt of contractor-acquired property. However, the Contractor shall provide listings suitable for establishing accountable records.

1852.245–72 Liability for Government property furnished for repair or other services.

As prescribed in 1845.107–70(c), insert the following clause:

LIABILITY FOR GOVERNMENT PROPERTY FURNISHED FOR REPAIR OR OTHER SERVICES (JAN 2011)

(a) This clause shall govern with respect to any Government property furnished to the Contractor for repair or other services that is to be returned to the Government. Such property, hereinafter referred to as “Government property furnished for servicing,” shall not be subject to FAR 52.245–1, Government Property.

(b) The official accountable recordkeeping and financial control and reporting of the property subject to this clause shall be retained by the Government. The Contractor shall maintain adequate records and procedures to ensure that the Government property furnished for servicing can be readily accounted for and identified at all times while in its custody or possession or in the custody or possession of any subcontractor.

(c) The Contractor shall be liable for any loss, damage, or destruction of Government property furnished for servicing when caused by the Contractor’s failure to exercise such care and diligence as a reasonable prudent owner of similar property would exercise under similar circumstances. The Contractor shall not be liable for loss, damage, or destruction of Government property furnished for servicing resulting from any other cause except to the extent that the loss, damage, or destruction is covered by insurance (including self-insurance funds or reserves).

(d) The Contractor shall hold the Government harmless and shall indemnify the Government against all claims for injury to persons or damage to property of the Contractor or others arising from the Contractor’s possession or use of the Government property furnished for servicing or arising from the presence of that property on the Contractor’s premises or property.

1852.245–73 Financial reporting of NASA property in the custody of contractors.

As prescribed in 1845.107–70(d), insert the following clause:

FINANCIAL REPORTING OF NASA PROPERTY IN THE CUSTODY OF CONTRACTORS (JAN 2011)

(a) The Contractor shall submit annually a NASA Form (NF) 1018, NASA Property in the Custody of Contractors, in accordance with this clause, the instructions on the form and NFS subpart 1845.71, and any supplemental instructions for the current reporting period issued by NASA.

(b)(1) Subcontractor use of NF 1018 is not required by this clause; however, the Contractor shall include data on property in the possession of subcontractors in the annual NF 1018.

(2) The Contractor shall mail the original signed NF 1018 directly to the cognizant NASA Center Deputy Chief Financial Officer, Finance, unless the Contractor uses the NF 1018 Electronic Submission System (NESS) for report preparation and submission.

(3) One copy shall be submitted (through the Department of Defense (DOD) Property Administrator if contract administration has been delegated to DOD) to the following address: [Insert name and address of appropriate NASA Center office,], unless the Contractor uses the NF 1018 Electronic Submission System (NESS) for report preparation and submission.

(c)(1) Annual reporting period shall be from October 1 of each year through September 30 of the following year. The report shall be submitted in time to be received by October 15. The information contained in these reports is entered into the NASA accounting system to reflect current asset values for agency financial statement purposes. Therefore, it is essential that required reports be received no later than October 15. Some activity may be estimated for the month of September, if necessary, to ensure the NF 1018 is received when due. However, contractors’ procedures must document the process for developing these estimates based on planned activity such as planned purchases or NASA Form 533 (NF 533 Contractor Financial Management Report) cost estimates. It should be supported and documented by historical experience or other corroborating evidence, and be retained in accordance with FAR Subpart 4.7, Contractor Records Retention. Contractors shall validate the reasonableness of the estimates and associated methodology by comparing them to the actual activity once that data is available, and adjust them accordingly. In addition, differences between the estimated cost and actual cost must be adjusted during the next reporting period. Contractors shall have formal policies and procedures, which address the validation of NF 1018 data, including data from subcontractors, and the identification and timely reporting of errors. The objective of this validation is to ensure that information reported is accurate and in

330
compliance with the NASA FAR Supplement. If errors are discovered on NF 1018 after submission, the contractor shall contact the cognizant NASA Center Industrial Property Officer (IPO) within 30 days after discovery of the error to discuss corrective action.

(2) The Contracting Officer may, in NASA’s interest, withhold payment until a reserve not exceeding $25,000 or 5 percent of the amount of the contract, whichever is less, has been set aside, if the Contractor fails to submit annual NF 1018 reports in accordance with NFS subpart 1845.71 and any supplemental instructions for the current reporting period issued by NASA. Such reserve shall be withheld until the Contracting Officer has determined that NASA has received the required reports. The withholding of any amount or the subsequent payment thereof shall not be construed as a waiver of any Government right.

(d) A final report shall be submitted within 30 days after disposition of all property subject to reporting when the contract performance period is complete in accordance with paragraph (b)(1) through (3) of this clause.

(End of clause)

1852.245–74 Identification and marking of Government equipment.

As prescribed by 1845.107–70(e), insert the following clause.

IDENTIFICATION AND MARKING OF GOVERNMENT EQUIPMENT (JAN 2011)

(a) The Contractor shall identify all equipment to be delivered to the Government using NASA Technical Handbook (NASA-HDBK) 6003, Application of Data Matrix Identification Symbols to Aerospace Parts Using Direct Part Marking Methods Techniques, and NASA Standard (NASA-STD) 6002, Applying Data Matrix Identification Symbols on Aerospace Parts or through the use of commercial marking techniques that: (1) are sufficiently durable to remain intact through the typical lifespan of the property; and, (2) contain the data and data format required by the standards. This requirement includes deliverable equipment listed in the schedule and other equipment when no longer required for contract performance and NASA directs physical transfer to NASA or a third party. The Contractor shall identify property in both machine and human readable form unless the use of a machine readable-only format is approved by the NASA Industrial Property Officer.

(b) Equipment shall be marked in a location that will be human readable, without disassembly or movement of the equipment, when the items are placed in service unless such placement would have a deleterious effect on safety or on the item’s operation.

(c) Concurrent with equipment delivery or transfer, the Contractor shall provide the following data in an electronic spreadsheet format:

1. Item Description.
2. Unique Identification Number (License Tag).
3. Unit Price.
4. An explanation of the data used to make the unique identification number.
5. For equipment no longer needed for contract performance and physically transferred under paragraph (a) of this clause, the following additional data is required:
   1. Date originally placed in service.
   2. Item condition.
6. The data required in paragraphs (c) and (d) of this clause shall be delivered to the NASA center receiving activity listed below:

(f) The contractor shall include the substance of this clause, including this paragraph (f), in all subcontracts that require delivery of equipment.

1852.245–75 Property management changes.

As prescribed in 1845.107–70(f), insert the following clause.

PROPERTY MANAGEMENT CHANGES (JAN 2011)

(a) The Contractor shall submit any changes to standards and practices used for management and control of Government property under this contract to the assigned property administrator prior to making the change whenever the change—

1. Employs a standard that allows increase in thresholds or changes the timing for reporting loss, damage, or destruction of property;
2. Alters physical inventory timing or procedures;
3. Alters recordkeeping practices;
4. Alters practices for recording the transport or delivery of Government property;
5. Alters practices for disposition of Government property.

1852.245–78 Physical inventory of capital personal property.

As prescribed in 1845.107–70(i), insert the following clause:

PHYSICAL INVENTORY OF CAPITAL PERSONAL PROPERTY (AUG 2015)

(a) In addition to physical inventory requirements under the clause at FAR 52.245–1, Government Property, as incorporated in this contract, the Contractor shall conduct annual physical inventories for individual property items with an acquisition cost exceeding $500,000.

(i) The Contractor shall inventory—

(1) Items of property furnished by the Government;

(2) Items acquired by the Contractor and titled to the Government under the clause at FAR 52.245–1;

(3) Items constructed by the Contractor and not included in the deliverable, but titled to the Government under the clause at FAR 52.245–1; and

(iv) Complete but undelivered deliverables.

(b) The Contractor shall use the physical inventory results to validate the property record data, specifically location and use status, and to prepare summary reports of inventory as described in paragraph (c) of this clause.

(c) The Contractor shall submit the request to the cognizant property administrator and obtain approval from the property administrator prior to implementation of the practice.

(1) The Contractor utilizes an electronic system for property identification, such as a laser bar-code reader or radio frequency identification reader, and

(a) The programs or software preclude manual data entry of inventory identification data by the individual performing the inventory; and

(b) The inventory and property management systems contain sufficient management controls to prevent tampering and assure proper posting of collected inventory data.

(2) The Contractor has limited quantities of property, limited personnel, or limited property systems; and the Contractor provides written confirmation that the Government property exists in the recorded condition and location;

(c) The Contractor shall submit the request to the cognizant property administrator and obtain approval from the property administrator prior to implementation of the practice.

(3) The Contractor shall report the results of the physical inventory to the property administrator within 10 calendar days of completion of the physical inventory. The report shall—

As prescribed in 1845.107–70(j), insert the following clause.

RECORDS AND DISPOSITION REPORTS FOR GOVERNMENT PROPERTY WITH POTENTIAL HISTORIC OR SIGNIFICANT REAL VALUE (JAN 2011)

(a) In addition to the property record data required by the clause at FAR 52.245–1, Government Property as incorporated in this contract, Contractor records of all Government property under this contract shall—

(1) Identify the projects or missions that used the items;

(2) Specifically identify items of flown property;

(3) When known, associate individual items of property used in space flight operations with the using astronaut(s); and

(4) Identify property used in test activity and, when known, the individuals who conducted the test.

(b) The Contractor shall include this information within item descriptions—

(1) On any Standard Form 1428, Inventory Schedule;

(2) In automated disposition systems;

(3) In any other disposition related reports; and

(4) In other requests for disposition instructions.

(c) The Contractor shall not remove NASA identification or markings from Government property prior to or during disposition without the advanced written approval of the Plant Clearance Officer.

1852.245–80 Government property management information.

As prescribed in 1845.107–70(k)(1), insert the following provision.

GOVERNMENT PROPERTY MANAGEMENT INFORMATION (JAN 2011)

(a) The offeror shall identify the industry leading or voluntary consensus standards, and/or the industry leading practices, that it intends to employ for the management of Government property under any contract awarded from this solicitation.

(b) The offeror shall provide the date of its last Government property control system analysis along with its overall status, a summary of findings and recommendations, the status of any recommended corrective actions, the name of the Government activity that performed the analysis, and the latest available contact information for that activity.

(c) The offeror shall identify any property it intends to use in performance of this contract from the list of available Government property in the provision at 1852.245–81, List of Available Government Property.

(d) The offeror shall identify all Government property in its possession, provided under other Government contracts that it intends to use in the performance of this contract. The offeror shall also identify: The contract that provided the property, the responsible Contracting Officer, the dates during which the property will be available for use (including the first, last, and all intervening months), and, for any property that will be used concurrently in performing two or more contracts, the amounts of the respective uses in sufficient detail to support prorating the rent, the amount of rent that would otherwise be charged in accordance with FAR 52.245–9, Use and Charges (June 2007), and the contact information for the responsible Government Contracting Officer. The offeror shall provide proof that such use was authorized by the responsible Contracting Officer.

(e) The offeror shall disclose cost accounting practices that allow for direct charging of commercially available equipment, when commercially available equipment is to be used in performance of the contract and the equipment is not a deliverable.

(f) The offeror shall identify, in list form, any equipment that it intends to acquire and directly charge to the Government under this contract. The list shall include a description, manufacturer, model number (when available), quantity required, and estimated unit cost. Equipment approved as part of the award need not be requested under NFS clause 1852.245–70.

(g) The offeror shall disclose its intention to acquire any parts, supplies, materials or
equipment, to fabricate an item of equipment for use under any contract resulting from this solicitation when that item of equipment:
(Will be titled to the government under the provisions of the contract; is not included as a contract deliverable; and the Contractor intends to charge the costs of materials directly to the contract. The disclosure shall identify the end item or system and shall include all descriptive information, identification numbers (when available), quantities required and estimated costs.
(h) Existing Government property may be reviewed at the following locations, dates, and times: [Enter the appropriate information]

(End of provision)

Alterate 1 (JAN 2011) As prescribed in 1845.107–70(k)(2) add the following paragraph (i).
(i) Existing available Government property listed in the provision at 1852.245–81 is provided "as-is." NASA makes no warranty regarding its performance or condition. The offeror uses this property at its own risk and should make its own assessment of the property's suitability for use. The equitable adjustment provisions of the clause at 52.245–1, Government Property, as included in this solicitation, are not applicable to this property. The offeror must obtain the Contracting Officer’s written approval before acquiring replacement property when it intends to charge the cost directly to the contract.

[76 FR 2006, Jan. 12, 2011]

1852.245–82 Occupancy management requirements.
As prescribed in 1845.107–70(m), insert the following clause:

OCCUPANCY MANAGEMENT REQUIREMENTS (JAN 2011)
(a) In addition to the requirements of the clause at FAR 52.245–1, Government Property, as included in this contract, the Contractor shall comply with the following in performance of work in and around Government real property:
(1) NPD 8800.14, Policy for Real Property Management.
(2) NPR 8831.2, Facility Maintenance Management.

(Insert any additional Center occupancy requirements here)
(b) The Contractor shall obtain the written approval of the Contracting Officer before installing or removing Contractor-owned property onto or into any Government real property or when movement of Contractor-owned property may damage or destroy Government-owned property. The Contractor shall restore damaged property to its original condition at the Contractor’s expense.
(c) The Contractor shall not acquire, construct or install any fixed improvement or structural alterations in Government buildings or other real property without the advance, written approval of the Contracting Officer. Fixed improvement or structural alterations, as used herein, means any alteration or improvement in the nature of the building or other real property that, after completion, cannot be removed without substantial loss of value or damage to the premises. Title to such property shall vest in the Government.
(d) The Contractor shall report any real property or any portion thereof when it is no longer required for performance under the contract, as directed by the Contracting Officer.

(End of clause)

1852.245–83 Real property management requirements.
As prescribed in 1845.107–70(n), insert the following clause:
REAL PROPERTY MANAGEMENT REQUIREMENTS  
(JAN 2011)

(a) In addition to the requirements of the FAR Government Property Clause incorporated in this contract (FAR 52.245-1), the Contractor shall comply with the following in performance of any maintenance, construction, modification, demolition, or management activities of any Government real property:

1. NPD 8800.14, Policy for Real Property Management.
2. NPR 8831.2, Facility Maintenance Management.
3. [Insert any real property related Center requirements here]

(b) Within 30 calendar days following award, the Contractor shall provide a plan for maintenance of Government real property provided for use under this contract. The Contractor’s maintenance program shall enable the identification, disclosure, and performance of normal and routine preventative maintenance and repair. The Contractor shall disclose and report to the Contracting Officer the need for replacement and/or capital rehabilitation. Upon acceptance by the Contracting Officer, the program shall become a requirement under this contract.

(c) Title to parts replaced by the Contractor in carrying out its normal maintenance obligations shall pass to and vest in the Government upon completion of their installation in the facilities. The Contractor shall keep the property free and clear of all liens and encumbrances.

(d) The Contractor shall keep records of all work done to real property, including plans, drawings, charts, warranties, and manuals. Records shall be complete and current. Record of all transactions shall be auditable. The Government shall have access to these records at all reasonable times, for the purposes of reviewing, inspecting, and evaluating the Contractor’s real property management effectiveness. When real property is disposed of under this contract, the Contractor shall deliver the related records to the Government.

(e) The Contracting Officer may direct the Contractor in writing to reduce the work required by the maintenance program authorized in paragraph (b) of this clause at any time.

(End of clause)

1852.246–72 Material inspection and receiving report.

As prescribed in 1846.674, insert the following clause:

MATERIAL INSPECTION AND RECEIVING REPORT (APR 2015)

(a) At the time of each delivery to the Government under this contract, the Contractor shall prepare and furnish a Material Inspection and Receiving Report (DD Form 250 series). The form(s) shall be prepared and distributed as follows:

[b] [Insert number of copies and distribution instructions.]

(b) The Contractor shall prepare the DD Form 250 in accordance with NASA FAR Supplement 1846.6. The Contractor shall enclose the copies of the DD Form 250 in the package or seal them in a waterproof envelope, which shall be securely attached to the exterior of the package in the most protected location.

(c) When more than one package is involved in a shipment, the Contractor shall list on the DD Form 250, as additional information, the quantity of packages and the package numbers. The Contractor shall forward the DD Form 250 with the lowest numbered package of the shipment and print the words “CONTAINS DD FORM 250” on the package.

(End of clause)

1852.246–73 Human space flight item.

As prescribed in 1846.370, insert the following clause:

**HUMAN SPACE FLIGHT ITEM (MAR 1997)**

The Contractor shall include the following statement in all subcontracts and purchase orders placed by it in support of this contract, without exception as to amount or subcontract level:

“FOR USE IN HUMAN SPACE FLIGHT; MATERIALS, MANUFACTURING, AND WORKMANSHIP OF HIGHEST QUALITY STANDARDS ARE ESSENTIAL TO ASTRONAUT SAFETY.

IF YOU ARE ABLE TO SUPPLY THE DESIRED ITEM WITH A HIGHER QUALITY THAN THAT OF THE ITEMS SPECIFIED OR PROPOSED, YOU ARE REQUESTED TO BRING THIS FACT TO THE IMMEDIATE ATTENTION OF THE PURCHASER.”

(End of clause)

1852.247–72 Advance notice of shipment.

As prescribed in 1847.305–70(a), insert the following clause:

Authority: 40 U.S.C. 486(c).

Source: 50 FR 13200, Apr. 3, 1985, unless otherwise noted.

1901.000 Scope of part.

This part describes the method by which the Broadcasting Board of Governors implements and supplements the Federal Acquisition Regulation and contains policies and procedures that implement and supplement Chapter 1 of the Federal Acquisition Regulation (48 CFR).

Subpart 1901.1—Purpose, Authority, Issuance

1901.101 Purpose.

This subpart establishes the Broadcasting Board of Governors Acquisition Regulation as Chapter 19 of the Federal Acquisition Regulations System (48 CFR chapter 19) and states the relationship of the IAAR to the Federal Acquisition Regulation (FAR), 48 CFR chapter 1.

1901.102 Authority.

The the Broadcasting Board of Governors Acquisition Regulation is prescribed by the Director of the Broadcasting Board of Governors pursuant to the authority of the Reorganization Plan No. 2 of 1977 and the Federal Property and Administrative Services Act of 1949, as amended, and other applicable law.

1901.103 Applicability.

Except where a deviation is specifically authorized in accordance with subpart 1901.4 or otherwise authorized by law, the FAR and the IAAR govern all the Broadcasting Board of Governors acquisitions within the United States.

1901.104 Issuance.

1901.104-1 Publication and code arrangement.

(b) The IAAR is issued as chapter 19 of title 48, CFR.

1901.104-2 Arrangement of regulations.

The IAAR uses the same numbering system and arrangement used in the FAR. Where the IAAR implements the FAR, it is numbered and captioned to correspond to the FAR. Where there is no corresponding material in the FAR, numbers beginning with 70 or higher are assigned to the IAAR supplementing part. Where the subject matter is the FAR requires no implementation, the IAAR contains no corresponding part.

Subpart 1901.4—Deviations From the FAR

1901.403 Individual deviations.

Deviations from the IAAR or the FAR in individual cases shall be authorized by the Board Procurement Executive or a designee unless FAR 1.405(e) is applicable. The request shall
cite the specific part of the IAAR or FAR from which it is desired to deviate; shall set forth the nature of the deviation(s); and shall give the reason for the action requested.

1901.404 Class deviations.
Class deviations affecting more than one contracting action shall be authorized only by the Board Procurement Executive, unless FAR 1.405(e) is applicable, and shall be subject to the limitations set forth in FAR 1.404. Requests shall include the same information as cited in 1901.403.

Subpart 1901.6—Contracting Authority and Responsibilities

1901.601 General.
The Director, Office of Contracts, is designated the Board Procurement Executive. The Board Procurement Executive is delegated the full delegable authority of the Director of this Board with respect to the acquisition of goods and services by contract and such other methods as may be prescribed in the FAR. The Board Procurement Executive is delegated overall responsibility by the Director for the Board’s contracting activities.

1901.602 Contracting officers.

1901.602–1 Authority.
The Broadcasting Board of Governors Contracting Officers designated by name on Certificates of Appointment by the Board Procurement Executive are authorized to enter into, administer, and terminate contracts and make related determinations and findings, subject to all requirements and limitations set forth in the Certificate of Appointment. A list of the Broadcasting Board of Governors employees who have been appointed as Contracting Officers and the limits of their authority is available from the Policy and Procedures Staff, Office of Contracts.

PART 1902—DEFINITIONS OF WORDS AND TERMS

AUTHORITY: 40 U.S.C. 486(c).

SOURCE: 50 FR 13202, Apr. 3, 1985, unless otherwise noted.

Subpart 1902.1—Definitions

1902.101 Definitions.
As used throughout this regulation, the following words and terms are used as defined in this subpart unless (a) the context in which they are used clearly requires a different meaning or (b) a different definition is prescribed for a particular part or portion of a part.

Board means the Broadcasting Board of Governors, acting through any of its duty authorized officials.
Board Procurement Executive means the Director, Office of Contracts.
AR/CO means Authorized Representative of the Contracting Officer (see 1942.202–70).
Contracting activity means the Office of Contracts, which has the responsibility to contract for the acquisition of supplies and services (including construction).
Head of the Board (also called Board head) means the Board Director or Deputy Director; and the term authorized representative means any person, persons or board (other than the contracting officer) authorized to act for the Head of the Board.
Purchasing Activity means an office with one or more Level I or Level II Small Purchases Contracting Officer(s) exercising limited redelegations of contracting officer authority.
BBG means the Broadcasting Board of Governors.

Subpart 1903.6—Contracts With Government Employees or Organizations Owned or Controlled by Them

Sec.
1903.602 Exceptions.
1903.670 Contracts between the Broadcasting Board of Governors and former employees.

AUTHORITY: 40 U.S.C. 486(c).

SOURCE: 50 FR 13202, Apr. 3, 1985, unless otherwise noted.
Subpart 1903.6—Contracts With Government Employees or Organizations Owned or Controlled by Them

1903.602 Exceptions.
To avoid potential conflicts of interest or the appearance of preferential treatment, it is the Broadcasting Board of Governors policy not to award contracts, purchase orders, grants or cooperative agreements to Government employees or their family members or business concerns owned or controlled by Government employees or their family members. Exceptions to this policy must be approved by the Board Director or Board Procurement Executive and supported by written Findings and Determination. A contract with an employee for services may result in violation of the dual salary compensation statutes (5 U.S.C. 5533). Nothing in this paragraph is intended to render inapplicable the conflict of interest prohibition set out in 18 U.S.C. 208.

1903.670 Contracts between the Broadcasting Board of Governors and former employees.
To avoid conflicts of interest or the appearance of preferential treatment, purchase orders, contracts, grants or cooperative agreements with former employees of the Broadcasting Board of Governors, or with firms in which former employees or their family members are known to have controlling interests, may be entered into within two years following separation from employment only with the written approval of the Board Director. A written justification shall be made a part of the file. The justification must address the issue of conflict of interest and conclude that it does not exist; or that in spite of its existence, the Board’s ability to meet its mission would be seriously harmed without the award.

SUBCHAPTER B—ACQUISITION PLANNING

PART 1909—CONTRACTOR QUALIFICATIONS

Subpart 1909.4—Debarment, Suspension, and Ineligibility

1909.403 Definitions.

The Board Procurement Executive is designated the “debarring official” and the “suspending official” as defined in FAR 9.403 and is designated as the Board official authorized to make the decisions required in FAR 9.405(a), 9.405–1(b), 9.405–2, 9.406–1(c), and 9.407–1(d).

1909.404 Consolidated list of debarred, suspended, and ineligible contractors.

(a) The Policy and Procedures Staff, Office of Contracts, shall be responsible for the maintenance and distribution of the GSA Consolidated List of Debarred, Suspended, and Ineligible Contractors. It will be coordinated with the Solicitation Mailing List and appropriate notations will be made on both lists, when additions or deletions are necessary. Contracting Officers shall notify the Policy and Procedures Staff, Office of Contracts, of their distribution needs and shall ensure the list is used effectively.

(b) The Board Procurement Executive (or designee) is responsible for notifying GSA of the information required by FAR 9.404(b).

1909.406 Debarment, suspension, and ineligibility.

(a) Investigation and referral. Any officer of the Board who becomes aware of circumstances which may serve as a basis for a debarment, suspension, or ineligibility shall report the circumstances by memorandum to the Board Procurement Executive for consideration of debarment, suspension or ineligibility action.

(b) Decision-making process. (1) Contractors shall be given the opportunity to submit, in person, in writing, or through a representative, information and arguments in opposition to a proposed debarment or suspension. All rebuttals shall be addressed to the Board Procurement Executive. However, if a response to the proposed debarment or suspension is not received by the Board Procurement Executive within 30 calendar days of receipt of the notice, the debarment or suspension shall become final.

(2) If a contractor, or a representative, desires to present information and arguments in person to the Board Procurement Executive, an oral presentation will be held within 20 calendar days of receipt of the request, unless a longer period of time is requested by the contractor. Hearings will be held before a three-person fact-finding board composed of one member each from the Office of General Counsel and Congressional Liaison, the Bureau of Management, and the Office of Contracts, other than the initiating officer. The fact-finding board shall deliver written findings to the Board Procurement Executive (together with a transcription of the proceedings, if made) within 10 calendar days after the hearing. The findings shall resolve any facts in dispute based on a preponderance of the evidence presented and determine whether a cause for debarment or suspension exists.

(c) Debarring/suspending official’s decision. The debarring/suspending official’s final decision shall be made in writing in accordance with FAR 9.406–3 and notice of the decision will be given.
Broadcasting Board of Governors

1910.004–70 Brand name products or equal.

(a) General. Consistent with the policy stated in FAR 10.004(a)(2), the Broadcasting Board of Governors acquisitions will generally not be based on a specifically identified product or feature(s) thereof. However, under unusual circumstances such an approach may be used as described below.

(b) Citing brand name products. Brand name or equal purchase descriptions shall cite all brand name products known to be acceptable and of current manufacture. If the use of a brand name or equal purchase description results in the purchase of an acceptable brand name product which was not listed as an “equal” product, a reference to that brand name product should be included in the purchase description for later acquisitions. If a brand name product is no longer applicable, the reference thereto shall be deleted from subsequent purchase description.

(c) Specifying essential characteristics.

(1) It is imperative that brand name or equal purchase descriptions specify each physical or functional characteristic of the product that is essential to the intended use. Failure to do so may result in a defective solicitation and the necessity to resolicit the requirements. (See 1910.004–73.) Care must be taken to avoid specifying characteristics that cannot be shown to materially affect the intended end use and which unnecessarily restrict competition.

(2) When describing essential characteristics, permissible tolerances should be indicated. Avoid specifying a characteristic (e.g., a specific dimension) of a brand name product unless it is essential to the Government’s need. The contracting officer must be able to justify the requirement.

1910.004–71 Limits on the use of brand name or equal purchase descriptions.

(a) General. The use of brand name or equal purchase descriptions in solicitations is intended to promote competition by encouraging the offering of products that are equal in all material respects to brand name products cited in such descriptions. Identification by brand name does not indicate a preference for the products mentioned but indicates the quality and characteristics of products that will meet the Government’s needs. Where a component of an item is described in the solicitation by a brand name or equal purchase description and the contracting officer determines that application of the provision of 1952.210–70 would be impracticable, the requirement to include the entry described in 1910.004–72(a) shall not apply. If the provision is included in the solicitation for other reasons, there also shall be included in the solicitation a statement to identify either the component parts (described by brand name or equal descriptions) to which the provision applies or those to which it does not apply. This also applies to accessories related to an end item where a brand name or equal purchase description of the accessories is a part of the description of an end item. Brand name or equal descriptions shall not be used to acquire a particular product under the guise of competitive acquisition to the exclusion of other products that would meet the actual needs.

(b) In small purchases within the open market limitations, brand name policies and procedures shall be applicable to the extent practicable.

(c) Approval required. A brand name or equal purchase description shall not
be used unless it has been approved at one level above the contracting officer.

**1910.004–72 Solicitations, brand name or equal descriptions.**

(a) An entry substantially as follows shall be prominently inserted in the item listing after each item or component part of an end item to which a brand name or equal purchase description applies.

Bidding on:
Manufacturer’s Name: ____________________________
Brand: ____________________________
No.: ____________________________

(b) Because bidders frequently overlook the requirements of the clause at 1952.210–70 “Brand Name or Equal,” the following note shall be inserted in the item listing after each brand name or equal item (or component part), or at the bottom of each page, listing several such items, or in a manner that may otherwise direct the offeror’s attention to this clause.

Offerors offering other than brand name items identified herein should furnish with their offers adequate information to ensure that a determination can be made as to equality of the product(s) offered (see the provision “Brand Name or Equal” set forth in 1952.210–70 of the solicitation).

(c) If offeror samples are requested for brand name or equal acquisitions, the above notice shall not be included in the solicitation.

**1910.004–73 Offer evaluation and award, brand name or equal descriptions.**

An offer may not be rejected for failure of the offered product to equal a characteristic of a brand name product if it was not specified in the brand name or equal description. However, if it is clearly established that the unspecified characteristic is essential to the intended end use, the solicitation is defective and no award may be made. In such cases, the contracting officer should resolicit the requirements, using a purchase description that sets forth the essential characteristics.

**1910.004–74 Procedure for negotiated procurements and small purchases.**

(a) The policies and procedures prescribed for sealed bid procurements shall be generally applicable to negotiated procurements.

(b) The clause set forth at 1952.210–70 may be adapted for use in negotiated procurements. If use of the clause is not practicable (as may be the case in unusual and compelling urgency purchases), suppliers shall be suitably informed that proposals offering products different from the products referenced by brand name will be considered if the contracting officer determines that the offered products meet fully the salient characteristics requirements of the solicitation.

(c) In small purchases within open-market limitations, such policies and procedures shall be applicable to the extent practicable.

**1910.011 Solicitation provisions and contract clauses.**

The Contracting Officer shall include the provision at 1952.210–70, Brand Name or Equal, in solicitations for which brand name or equal purchase is used.

Subpart 1913.5—Purchase Orders

1913.505 Purchase order and related forms.

1913.505–2 Board order forms in lieu of Optional and Standard Forms.

(a) Optional Forms 347 and 348 shall be used as prescribed in FAR 13.505 unless an equivalent form has been authorized for use by the Board Procurement Executive (or Designee). Exceptions may be granted, on a case-by-case basis, in order to accommodate computer-generated purchase order forms. Exception approval for over printing (FAR 53.104) is not needed.

(b) The Broadcasting Board of Governors Form IA–44 (see 1953.370–44) is authorized for use when obtaining non-personal services on an intermittent basis for such services as script writers, translators, narrators, etc.

Subpart 1942.2—Assignment of Contract Administration

1942.202–70 Authorized Representative of the Contracting Officer (AR/CO).

The Contracting Officer may designate an appropriately qualified Government employee to act as the Authorized Representative of the Contracting Officer (AR/CO). Such designation shall apply to a single contract, must be in writing, and shall define the scope and limitations of the AR/CO’s authority. The instrument designating an AR/CO shall not contain authority to sign or agree to any contract or major modification to a contract. Contractual commitments shall be made only by a duly certified contracting officer. The Contracting Officer shall insert the clause at 1952.242–70, Authorized Representative of the Contracting Officer, in solicitations and contracts when an individual is to be selected and designated by the Contracting Officer to perform administration of a given contract(s).

1946.704 Authority for use of warranties.

(a) The procurement request initiator is responsible for preparing a written recommendation for those purchases deemed to be appropriate for application of warranty provisions. The recommendation shall state why a warranty is appropriate by specifically addressing the criteria set forth in FAR 46.703. The recommendation shall also identify the specific parts, subassemblies, assemblies, systems, or contract line items to which a warranty should apply.

(b) Prior to solicitation of the requirement, the contracting officer shall make a written determination when a warranty provision is to be included.

PART 1952—SOLICITATION PROVISIONS AND CONTRACT CLAUSES

Sec. 1952.000 Scope of part.

Subpart 1952.1—Instructions for Using Provisions and Clauses

1952.102–2 Incorporation in full text.

1952.104 Procedures for modifying and completing provisions and clauses.

Subpart 1952.2—Texts of Provisions and Clauses

1952.215–70 Key personnel and facilities.

The personnel and/or facilities listed below (or as specified in the Schedule of this contract) are considered essential to the work being performed hereunder. Prior to removing, replacing, or diverting any of the specified individuals or facilities, the Contractor shall notify the Contracting Officer reasonably in advance and shall submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on this contract. No diversion shall be made by the Contractor without the written consent of the Contracting Officer; provided, that the Contracting Officer may ratify in writing the change and such ratification shall constitute the consent of the Contracting Officer required by this clause. The personnel and/or facilities listed below (or as specified in the Schedule of this contract) may, with the consent of the contracting parties, be amended from time to time during the course of the contract to either add or delete personnel and/or facilities, as appropriate.

(End of clause)

As prescribed in 1927.405(g), insert the following clause:

GOVERNMENT RIGHTS (UNLIMITED) (FEB 1985)

The Government shall have unlimited rights, in all drawings, designs, specifications, notes and other works developed in the performance of this contract, including the right to use same on any other Government design or construction without additional compensation to the Contractor. The Contractor hereby grants to the government a paid-up license throughout the world to all such works to which he may assert or establish any claim under design patent or copyrights laws. The Contractor for a period of three years after completion of the project agrees to furnish the original or copies of all such works on the request of the Contracting Officer.
1952.227-77 Rights in shop drawings.

As prescribed in 1927.405(h), insert the following clause:

RIGHTS IN SHOP DRAWINGS (FEB 1985)

(a) Shop drawings for construction means drawings, submitted to the Government by the Construction Contractor, subcontractor or any lower tier subcontractor pursuant to a construction contract, showing in detail (i) the proposed fabrication and assembly of structural elements and (ii) the installation (i.e., form, fit, and attachment details) of materials or equipment. The Government may duplicate, use, and disclose in any manner and for any purpose shop drawings delivered under this contract.

(b) This clause, including this paragraph (b), shall be included in all subcontracts hereunder at any tier.

1952.227-78 Disposition of prints and videotape recordings.

As prescribed in 1927.405(j) insert the following clause in License Agreements:

DISPOSITION OF PRINTS AND VIDEOTAPE RECORDINGS (FEB 1985)

If the Board elects to discontinue distribution and exhibition hereunder, or upon expiration of the term of this License Agreement, the Board will destroy all prints and erase all videotape recordings of the Film. A certificate(s) attesting to such destruction and/or erasure will be furnished the Licensor upon its written request.

SOURCE: 64 FR 49324, Sept. 10, 1999, unless otherwise noted.

Subpart 2001.1—Purpose, Authority, Issuance

This subpart establishes Chapter 20, the Nuclear Regulatory Commission Acquisition Regulation (NRCAR), and provides for the codification and publication of uniform policies and procedures for acquisitions by the NRC. The NRCAR is not, by itself, a complete document. It must be used in conjunction with the Federal Acquisition Regulation (FAR) (48 CFR chapter 1).

2001.102 Authority.

The NRCAR and the amendments to it are issued by the Senior Procurement Executive under a delegation from the Executive Director for Operations dated May 16, 1997, in accordance with the authority of the Atomic Energy Act of 1954, as amended (42 U.S.C. 161), the Energy Reorganization Act of 1974 (42 U.S.C. 5841, 5872), the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 486(c)), as amended, FAR subpart 1.3, and other applicable law.

2001.103 Applicability.

The FAR and NRCAR apply to all NRC acquisitions of supplies and services which obligate appropriated funds, unless exempted by Sections 31 and 161 of the Atomic Energy Act of 1954 as amended, and Section 205 of the Energy Reorganization Act of 1974 as amended. For procurements made from non-appropriated funds, the Director, Division of Contracts and Property Management, shall determine the rules and procedures that apply.

2001.104–1 Publication and code arrangement.

(a) The NRCAR and its subsequent changes are:
(1) Published in the daily issue of the Federal Register; and
(b) The NRCAR is issued as 48 CFR chapter 20.

(a) General. Chapter 20 is divided into parts, subparts, sections, subsections, paragraphs, and further subdivisions as necessary.
(b) Numbering. The numbering system and part, subpart and section titles used in this Chapter conform with those used in the FAR as follows:
(1) Where Chapter 20 implements the FAR or supplements a parallel part, subpart, section, subsection, or paragraph of the FAR, that implementation or supplementation is numbered and captioned to the FAR part, subpart, section, or subsection being implemented or supplemented, except that the implementation or supplementation is preceded with a 20 or 200 so that there will always be four numbers to the left of the decimal. For example, NRC’s implementation of FAR 1.104–1 is shown as 2001.104–1 and the NRC’s implementation of FAR 24.1 is shown as 2024.1.

(2) When the NRC supplements material contained in the FAR, it is given a unique number containing the numerals “70” or higher. The rest of the number parallels the FAR part, subpart, section, subsection, or paragraph it is supplementing. For example, Section 170A of the Atomic Energy Act of 1954, as amended, requires a more comprehensive organizational conflict of interest review for NRC than is contemplated by FAR 9.5. This supplementary material is identified as 2009.570.

(3) Where material in the FAR requires no implementation or supplementation, there is no corresponding numbering in the NRCAR. Therefore, there may be gaps in the NRCAR sequence of numbers where the FAR requires no further implementation.

(c) Citation. The NRCAR will be cited in accordance with Office of the Federal Register standards approved for the FAR. Thus, this section when referred to in the NRCAR is cited as 2001.104–2(c). When this section is referred to formally in official documents, such as legal briefs, it should be cited as “48 CFR 2001.104–2(c).” Any section of the NRCAR may be formally identified by the section number, e.g., “NRCAR 2001.104–2.” In the NRCAR, any reference to the FAR will be indicated by “FAR” followed by the section number, for example FAR 1–104.

2001.105 Information collection requirements: OMB approval.

(a) The Nuclear Regulatory Commission has submitted the information collection requirements contained in this part to the Office of Management and Budget (OMB) for approval as required by the Paperwork Reduction Act (44 U.S.C. 3501 et seq.). The NRC may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. OMB has approved the information collection requirements contained in this part under control number 3150–0169.

(c) This part contains information collection requirements in addition to those approved under the control number specified in paragraph (a) of this section. These information collection requirements and control numbers under which they are approved are as follows:

(1) In 2052.215–77(a) and 2052.215–78(b), NRC Form 445 is approved under control number 3150–0193.

(2) [Reserved]

Subpart 2001.3—Agency Acquisition Regulations

2001.301 Policy.

Policy, procedures, and guidance of an internal nature will be promulgated through internal NRC issuances such as Management Directives or Division of Contracts and Property Management Instructions.
2001.303 Public participation.
FAR 1.301 and section 22 of the Office of Federal Procurement Policy Act, as amended (41 U.S.C. 418b) require rulemaking for substantive acquisition rules, but allow discretion in the matter for other than significant issues meeting the stated criteria. Accordingly, the NRCAR has been promulgated and may be revised from time to time in accordance with FAR 1.301. This procedure for significant subject matter generally involves issuing a notice of proposed rulemaking that invites public comment, review and analysis of comments received, and publication of a final rule. The final rule includes a discussion of the public comments received and describes any changes made as a result of the comments.

Subpart 2001.4—Deviations From the FAR and the NRCAR

2001.402 Policy.
(a) Deviations from the provisions of the FAR or NRCAR may be granted as specified in this subpart when necessary to meet the specific needs of the requesting office. The development and testing of new techniques and methods of acquisition should not be discouraged simply because the action would require a FAR or NRCAR deviation.
(b) Requests for authority to deviate from the provisions of the FAR or the NRCAR must be signed by the requesting office and submitted to the Director, Division of Contracts and Property Management, in writing, as far in advance as possible. Each request for deviation must contain the following:
(1) A statement of the deviation desired, including identification of the specific paragraph number(s) of the FAR or NRCAR from which a deviation is requested;
(2) The reason why the deviation is considered necessary or would be in the best interest of the Government;
(3) If applicable, the name of the contractor and identification of the contract affected;
(4) A description of the intended effect of the deviation;
(5) A statement of the period of time for which the deviation is needed; and
(6) Any pertinent background information which will contribute to a full understanding of the desired deviation.

2001.403 Individual deviations.
In individual cases, deviations from either the FAR or the NRCAR will be authorized only when essential to effect only one contracting action or where special circumstances make the deviations clearly in the best interest of the Government. Individual deviations must be authorized in advance by the Director, Division of Contracts and Property Management.

2001.404 Class deviations.
Class deviations affect more than one contracting action. Where deviations from the FAR or NRCAR are considered necessary for classes of contracts, requests for authority to deviate must be submitted in writing to the Director, Division of Contracts and Property Management, who will consider the submission jointly with the Chairperson of the Civilian Agency Acquisition Council, as appropriate.

Subpart 2001.6—Contracting Authority and Responsibilities

2001.600–70 Scope of subpart.
This subpart deals with the placement of contracting authority and responsibility within the agency, the selection and designation of contracting officers, and the authority of contracting officers.

(a) Contracting authority vests in the Chairman. The Chairman has delegated this authority to the Executive Director for Operations (EDO). The EDO has delegated this authority to the Deputy Executive Director for Management Services (DEDM). The DEDM has delegated this authority to the Director, Office of Administration (ADM). The Director, ADM, has delegated the authority to the Director, Division of Contracts and Property Management (DCPM), who, in turn, makes contracting officer appointments within Headquarters and Regional Offices. All of these delegations
are formal written delegations containing dollar limitations and conditions.

(b) The Director, Division of Contracts Division of Contracts and Property Management, establishes contracting policy throughout the agency; monitors the overall effectiveness and efficiency of the agency’s contracting office; establishes controls to assure compliance with laws, regulations, and procedures; and delegates contracting officer authority.

(a) The Government is not bound by agreements or contractual commitments made to prospective contractors by persons to whom contracting authority has not been delegated. Any unauthorized commitment may be in violation of the Federal Property and Administrative Services Act, other Federal laws, the FAR, the NRCAR, and good acquisition practice. Certain requirements of law and regulation necessary for the proper establishment of a contractual obligation may not be met under an unauthorized commitment; for example, the certification of the availability of funds, justification for other than full and open competition, competition of sources, determination of contractor responsibility, certification of current pricing data, price/cost analysis, administrative approvals, and negotiation of appropriate contract clauses.

(b) The execution of otherwise proper contracts made by individuals without contracting authority, or by contracting officers in excess of the limits of their delegated authority, may later be ratified. To be effective, the ratification must be in the form of a written procurement document clearly stating that ratification of a previously unauthorized commitment is intended. All ratifications of procurement actions valued at $2,500 or less may be approved by the appropriate regional administrator or Headquarters contracting officer. For any such action, all other terms of subpart 2001.6 are applicable. All ratification actions exceeding $2,500 shall be approved by the Competition Advocate.

(c) Requests received by contracting officers for ratification of commitments made by personnel lacking contracting authority must be processed as follows:

1. The Designating Official that is responsible for the office request shall furnish the contracting officer all records and documents concerning the commitment and a complete written statement of facts, including, but not limited to:
   (i) A written statement consistent with the complexity and size of the action as to why the contracting office was not used including the name of the employee who made the commitment;
   (ii) A statement as to why the proposed contractor was selected;
   (iii) A list of other sources considered;
   (iv) A description of work performed, or to be performed, or products to be furnished;
   (v) The estimated or agreed upon contract price;
   (vi) A certification of the appropriated funds available;
   (vii) A description of how unauthorized commitments in similar circumstances will be avoided in the future.

2. The contracting officer shall review the written statement of facts for a determination of approval of all actions valued at $2,500 or less. For actions greater than $2,500, the contracting officer shall forward the written statement of facts to the Competition Advocate through the Director, Division of Contracts and Property Management with any comments or information that should be considered in evaluating the request for ratification.

3. The NRC legal advisor may be asked for an opinion, advice, or concurrence if there is concern regarding the propriety of the funding source, appropriateness of the expense, or when some other legal issue is involved.

2001.603 Selection, appointment, and termination of appointment.

The Director, Division of Contracts and Property Management, is authorized by the Director, Office of Administration, to select and appoint contracting officers and to terminate their appointment as prescribed in FAR
PART 2002—DEFINITIONS

Subpart 2002.1—Definitions

2002.100 Definitions.

Agency means the Nuclear Regulatory Commission (NRC).

Agency Head or Head of the Agency means the NRC Executive Director for Operations, for the purposes specified in the regulations in this chapter and the FAR. This delegation does not extend to internal NRC requirements such as clearance levels and Commission papers which specify higher levels of authority.

Commission means the NRC Commission of five members, or a quorum thereof, sitting as a body, as provided by Section 201 of the Energy Reorganization Act of 1974 (42 U.S.C. 5841).

Competition Advocate means the individual appointed as such by the Agency Head as required by Public Law 98–389. The Director, Division of Contracts and Property Management, has been appointed the Competition Advocate for the NRC.

Head of the Contracting Activity means the Director, Division of Contracts and Property Management.

Senior Procurement Executive means the individual appointed as such by the Agency Head pursuant to Executive Order 12332. The Deputy Executive Director for Management Services, has been appointed the NRC Senior Procurement Executive.

Simplified acquisitions means those acquisitions conducted using the methods, policies, and procedures of FAR part 13 for making purchases of supplies or services.

Task and Delivery Order Ombudsman means the Director, Division of Contracts and Property Management, or designee pursuant to section 1004(a) of Pub. L. 103–355, the Federal Acquisition Streamlining Act.

Subpart 2003.1—Safeguards

Standards of conduct for Federal employees are published in 5 CFR parts 2635 and 5801. Requirements for financial disclosure are published in 5 CFR part 2634.

Subpart 2003.2—Contractor Gratuities to Government Personnel

2003.203 Reporting suspected violations of the gratuities clause.

(a) Suspected violations of the “Gratuities” clause, FAR 52.203.3, must be reported orally or in writing directly to the NRC Office of the Inspector General. A report must include all facts and circumstances related to the case. Refer to 5 CFR part 2635 for an explanation regarding what is prohibited and what is permitted.

(b) When appropriate, discussions with the contracting officer or a higher
procurement official, procurement policy staff, and the procurement legal advisor before filing a report are encouraged.

Subpart 2009.1—Responsible Prospective Contractors

2009.100 NRC policy.

(a) It is NRC policy that only competitively awarded contracts shall be placed with an individual who was employed by the NRC within two years from the date of the Request for Procurement Action. This policy also applies to:

(1) The noncompetitive award of contracts to organizations where former NRC employees have dominant ownership interests in the organization, such as partners or majority stockholders;

(2) The noncompetitive award of contracts to organizations where former NRC employees have dominant management interests, such as principal officers, or where the organization is predominately staffed by former NRC employees; and

(3) The noncompetitive award of contracts, task orders or other NRC work assignments where the particular assignment is to be performed by designated former NRC employees, including principal investigators, key personnel, and others who will perform more than a nominal amount of the work in question.

(b) The following procurement actions are considered noncompetitive for the purposes of this policy:

(1) Contracts awarded noncompetitively under the Small Business Administration’s 8(a) Program;
(2) Individual task orders if the former employee was not identified as “key personnel” in a proposal which was evaluated under competitive procedures;
(3) Unsolicited proposals;
(4) Subcontracts that require review for the purpose of granting consent under NRC prime contracts.

(c) The term NRC employee includes special Government employees performing services for NRC as experts, advisors, consultants, or members of advisory committees, if—
(1) The contract arises directly out of the individual’s activity as a special employee;
(2) The individual is in a position to influence the award of the contract; or
(3) The Contracting Officer determines that another conflict of interest exists.

d) A justification explaining why it is in the best interest of the Government to contract with an individual or firm described in paragraphs (a) and (b) of this section on a noncompetitive basis may be approved by the Senior Procurement Executive after consulting with the Executive Director for Operations. This is in addition to any justification and approvals which may be required by the FAR for use of other than full and open competition.

e) Nothing in this policy statement relieves former employees from obligations prescribed by law, such as 18 U.S.C. 207, Restrictions on Former Officers, Employees, and Elected Officials of the Executive and Legislative Branches.

The contracting officer shall insert the following provisions in all solicitations:
(a) Section 2052.209–70 Current/Former Agency Employee Involvement.

Subpart 2009.4—Debarment, Suspension, and Ineligibility

2009.403 Definitions.
As used in 2009.4:
Debarring official means the Senior Procurement Executive.
Suspending official means the Senior Procurement Executive.

2009.404 Consolidated list of parties excluded from Federal procurement or non-procurement programs.
The contracting officer responsible for the contract affected by the debarment or suspension shall perform the actions required by FAR 9.404(c) (1) through (6).

2009.405 Effect of listing.
Compelling reasons are considered to be present where failure to contract with the debarred or suspended contractor would seriously harm the agency’s programs and prevent accomplishment of mission requirements. The Senior Procurement Executive is authorized to make the determinations under FAR 9.405. Requests for these determinations must be submitted from the Head of the Contracting Activity, through the Director, Office of Administration, to the Senior Procurement Executive.

2009.405–1 Continuation of current contracts.
The Head of the Contracting Activity is authorized to make the determination to continue contracts or subcontracts in existence at the time the contractor was debarred, suspended, or proposed for debarment in accordance with FAR 9.405–1.

2009.405–2 Restrictions on subcontracting.
The Head of the Contracting Activity is authorized to approve subcontracts with debarred or suspended subcontractors under FAR 9.405–2.

2009.406 Debarment.

(a) Investigation and referral. (1) When a contracting officer becomes aware of possible irregularities or any information which may be sufficient cause for debarment, the contracting officer must first submit a complete statement of facts (including a copy of any criminal indictments, if applicable) and a recommendation for action to the Head of the Contracting Activity. If the contracting officer’s statement of facts indicates misconduct on the part of the contractor in regard to an
NRC contract, the Head of the Contracting Activity will refer the matter of misconduct to the Inspector General to determine if an investigation is required prior to referring the case to the debarring official.

(2) To the extent the Head of the Contracting Activity believes that sufficient grounds for debarment exist, independent of any pending investigation by the Inspector General, the Head of the Contracting Activity shall immediately forward the case, without reference to any pending investigation, and a recommendation for action to the Senior Procurement Executive for review. In such circumstances, the Head of the Contracting Activity will take no additional action in regard to a specific matter of misconduct referred to the Inspector General prior to consulting with the Inspector General.

(b) Decision-making process. If, after reviewing the recommendations and consulting with the Office of the General Counsel and, if appropriate, the Office of the Inspector General, the debarring official determines debarment is justified, the debarring official shall initiate the proposed debarment in accordance with FAR 9.406–3(c) and notify the Head of the Contracting Activity of the action taken. If the contractor fails to submit a timely written response within 30 days after receipt of the notice in accordance with FAR 9.406–3(c)(4), the debarring official may notify the contractor in accordance with FAR 9.406–3(d) that the contractor is debarred.

(c) Fact-finding proceedings. For actions listed under FAR 9.406–3(b)(2), the contractor shall be given the opportunity to appear at an informal hearing. The hearing should be held at a location and time that is convenient to the parties concerned and no later than 30 days after the contractor received the notice, if at all possible. The contractor and any specifically named affiliates may be represented by counsel or any duly authorized representative. Witnesses may be called by either party. The proceedings must be conducted expeditiously and in such a manner that each party will have an opportunity to present all information considered pertinent to the proposed debarment.
2009.470 Appeals.
A debarred or suspended contractor may appeal the debarring/suspending official’s decision by mailing or otherwise furnishing a written notice within 90 days from the date of the decision to the Executive Director for Operations. A copy of the notice of appeal must be furnished to the debarring/suspending official.

Subpart 2009.5—Organizational Conflicts of Interest

2009.500 Scope of subpart.
In accordance with 42 U.S.C. 2210a., NRC acquisitions are processed in accordance with 2009.570, which takes precedence over FAR 9.5 with respect to organizational conflicts of interest. Where non-conflicting guidance appears in FAR 9.5, that guidance must be followed.

2009.570 NRC organizational conflicts of interest.

2009.570–1 Scope of policy.
(a) It is the policy of NRC to avoid, eliminate, or neutralize contractor organizational conflicts of interest. The NRC achieves this objective by requiring all prospective contractors to submit information describing relationships, if any, with organizations or persons (including those regulated by the NRC) which may give rise to actual or potential conflicts of interest in the event of contract award.
(b) Contractor conflict of interest determinations cannot be made automatically or routinely. The application of sound judgment on virtually a case-by-case basis is necessary if the policy is to be applied to satisfy the overall public interest. It is not possible to prescribe in advance a specific method or set of criteria which would serve to identify and resolve all of the contractor conflict of interest situations that might arise. However, examples are provided in the regulations in this chapter to guide application of this policy guidance. The ultimate test is as follows: Might the contractor, if awarded the contract, be placed in a position where its judgment may be biased, or where it may have an unfair competitive advantage?
(c) The conflict of interest rule contained in this subpart applies to contractors and offerors only. Individuals or firms who have other relationships with the NRC (e.g., parties to a licensing proceeding) are not covered by the regulations in this chapter. This rule does not apply to the acquisition of consulting services through the personnel appointment process. NRC agreements with other Government agencies, international organizations, or state, local, or foreign Governments. Separate procedures for avoiding conflicts of interest will be employed in these agreements, as appropriate.

2009.570–2 Definitions.
Affiliates means business concerns which are affiliates of each other when either directly or indirectly one concern or individual controls or has the power to control another, or when a third party controls or has the power to control both.
Contract means any contractual agreement or other arrangement with the NRC except as provided in 2009.570–1(c).
Contractor means any person, firm, unincorporated association, joint venture, co-sponsor, partnership, corporation, affiliates thereof, or their successors in interest, including their chief executives, directors, key personnel (identified in the contract), proposed consultants or subcontractors, which are a party to a contract with the NRC.
Evaluation activities means any effort involving the appraisal of a technology, process, product, or policy.
Offeror or prospective contractor means any person, firm, unincorporated association, joint venture, co-sponsor, partnership, corporation, or their affiliates or successors in interest, including their chief executives, directors, key personnel, proposed consultants, or subcontractors, submitting a bid or proposal, solicited or unsolicited, to the NRC to obtain a contract.
Organizational conflicts of interest means that a relationship exists whereby a contractor or prospective contractor has present or planned interests related to the work to be performed under an NRC contract which:
(1) May diminish its capacity to give impartial, technically sound, objective
assistance and advice, or may otherwise result in a biased work product; or
(2) May result in its being given an unfair competitive advantage.

Potential conflict of interest means that a factual situation exists that suggests that an actual conflict of interest may arise from award of a proposed contract. The term potential conflict of interest is used to signify those situations that—
(1) Merit investigation before contract award to ascertain whether award would give rise to an actual conflict; or
(2) Must be reported to the contracting officer for investigation if they arise during contract performance.

Research means any scientific or technical work involving theoretical analysis, exploration, or experimentation.

Subcontractor means any subcontractor of any tier who performs work under a contract with the NRC except subcontracts for supplies and subcontracts in amounts not exceeding $10,000.

Technical consulting and management support services means internal assistance to a component of the NRC in the formulation or administration of its programs, projects, or policies which normally require that the contractor be given access to proprietary information or to information that has not been made available to the public. These services typically include assistance in the preparation of program plans, preliminary designs, specifications, or statements of work.

2009.570–3 Criteria for recognizing contractor organizational conflicts of interest.

(a) General. (1) Two questions will be asked in determining whether actual or potential organizational conflicts of interest exist:
   (i) Are there conflicting roles which might bias an offeror’s or contractor’s judgment in relation to its work for the NRC?
   (ii) May the offeror or contractor be given an unfair competitive advantage based on the performance of the contract?

(2) NRC’s ultimate determination that organizational conflicts of interest exist will be made in light of common sense and good business judgment based upon the relevant facts. While it is difficult to identify and to prescribe in advance a specific method for avoiding all of the various situations or relationships that might involve potential organizational conflicts of interest, NRC personnel will pay particular attention to proposed contractual requirements that call for the rendering of advice, consultation or evaluation activities, or similar activities that directly lay the groundwork for the NRC’s decisions on regulatory activities, future procurements, and research programs. Any work performed at an applicant or licensee site will also be closely scrutinized by the NRC staff.

(b) Situations or relationships. The following situations or relationships may give rise to organizational conflicts of interest:
   (1) The offeror or contractor shall disclose information that may give rise to organizational conflicts of interest under the following circumstances. The information may include the scope of work or specification for the requirement being performed, the period of performance, and the name and telephone number for a point of contact at the organization knowledgeable about the commercial contract.
      (i) Where the offeror or contractor provides advice and recommendations to the NRC in the same technical area where it is also providing consulting assistance to any organization regulated by the NRC.
      (ii) Where the offeror or contractor provides advice to the NRC on the same or similar matter on which it is also providing assistance to any organization regulated by the NRC.
      (iii) Where the offeror or contractor evaluates its own products or services, or has been substantially involved in the development or marketing of the products or services of another entity.
      (iv) Where the award of a contract would result in placing the offeror or contractor in a conflicting role in which its judgment may be biased in relation to its work for the NRC, or would result in an unfair competitive advantage for the offeror or contractor.
(v) Where the offeror or contractor solicits or performs work at an applicant or licensee site while performing work in the same technical area for the NRC at the same site.

(2) The contracting officer may request specific information from an offeror or contractor or may require special contract clauses such as provided in 2009.570-5(b) in the following circumstances:

(i) Where the offeror or contractor prepares specifications that are to be used in competitive procurements of products or services covered by the specifications.

(ii) Where the offeror or contractor prepares plans for specific approaches or methodologies that are to be incorporated into competitive procurements using the approaches or methodologies.

(iii) Where the offeror or contractor is granted access to information not available to the public concerning NRC plans, policies, or programs that could form the basis for a later procurement action.

(iv) Where the offeror or contractor is granted access to proprietary information of its competitors.

(v) Where the award of a contract might result in placing the offeror or contractor in a conflicting role in which its judgment may be biased in relation to its work for the NRC or might result in an unfair competitive advantage for the offeror or contractor.

(c) Policy application guidance. The following examples are illustrative only and are not intended to identify and resolve all contractor organizational conflict of interest situations.

(i)(i) Example. The ABC Corp., in response to a Request For Proposal (RFP), proposes to undertake certain analyses of a reactor component as called for in the RFP. The ABC Corp. is one of several companies considered to be technically well qualified. In response to the inquiry in the RFP, the ABC Corp. advises that it is currently performing similar analyses for the reactor manufacturer.

(ii) Guidance. An NRC contract for that particular work normally would not be awarded to the ABC Corp. because there are other well-qualified companies available, there would be no reason for considering a waiver of the policy.

(2)(i) Example. The ABC Corp., in response to an RFP, proposes to perform certain analyses of a reactor component that is unique to one type of advanced reactor. As is the case with other technically qualified companies responding to the RFP, the ABC Corp. is performing various projects for several different utility clients. None of the ABC Corp. projects have any relationship to the work called for in the RFP. Based on the NRC evaluation, the ABC Corp. is considered to be the best qualified company to perform the work outlined in the RFP.

(ii) Guidance. An NRC contract normally could be awarded to the ABC Corp. because no conflict of interest exists which could motivate bias with respect to the work. An appropriate clause would be included in the contract to preclude the ABC Corp. from subsequently contracting for work with the private sector that could create a conflict during the performance of the NRC contract. For example, ABC Corp. would be precluded from the performance of similar work for the company developing the advanced reactor mentioned in the example.

(3)(i) Example. The ABC Corp., in response to a competitive RFP, submits a proposal to assist the NRC in revising NRC’s guidance documents on the respiratory protection requirements of 10 CFR part 20. ABC Corp. is the only firm determined to be technically acceptable. ABC Corp. has performed substantial work for regulated utilities in the past and is expected to continue similar efforts in the future. The work has and will cover the writing, implementation, and administration of compliance respiratory protection programs for nuclear power plants.

(ii) Guidance. This situation would place the firm in a role where its judgment could be biased in relationship to its work for the NRC. Because there are other well-qualified companies available, there would be no reason for considering a waiver of the policy.
exists, a waiver of the policy, in accordance with 2009.570–9 may be warranted. Any waiver must be fully documented in accordance with the waiver provisions of this policy with particular attention to the establishment of protective mechanisms to guard against bias.

(4)(i) Example. The ABC Corp. submits a proposal for a new system to evaluate a specific reactor component’s performance for the purpose of developing standards that are important to the NRC program. The ABC Corp. has advised the NRC that it intends to sell the new system to industry once its practicability has been demonstrated. Other companies in this business are using older systems for evaluation of the specific reactor component.

(ii) Guidance. A contract could be awarded to the ABC Corp. if the contract stipulates that no information produced under the contract will be used in the contractor’s private activities unless this information has been reported to the NRC. Data on how the reactor component performs, which is reported to the NRC by contractors, will normally be disseminated by the NRC to others to preclude an unfair competitive advantage. When the NRC furnishes information about the reactor component to the contractor for the performance of contracted work, the information may not be used in the contractor’s private activities unless the information is generally available to others. Further, the contract will stipulate that the contractor will inform the NRC contracting officer of all situations in which the information, developed about the performance of the reactor component under the contract, is proposed to be used.

(5)(i) Example. The ABC Corp., in response to a RFP, proposes to assemble a map showing certain seismological features of the Appalachian fold belt. In accordance with the representation in the RFP and 2009.570–3(b)(1)(i), ABC Corp. informs the NRC that it is presently doing seismological studies for several utilities in the eastern United States, but none of the sites are within the geographic area contemplated by the NRC study.

(ii) Guidance. The contracting officer would normally conclude that award of a contract would not place ABC Corp. in a conflicting role where its judgment might be biased. Section 2052.290-72(c) Work for Others, would preclude ABC Corp. from accepting work which could create a conflict of interest during the term of the NRC contract.

(6)(i) Example. AD Division of ABC Corp., in response to a RFP, submits a proposal to assist the NRC in the safety and environmental review of applications for licenses for the construction, operation, and decommissioning of fuel cycle facilities. ABC Corp. is divided into two separate and distinct divisions, AD and BC. The BC Division performs the same or similar services for industry. The BC Division is currently providing the same or similar services required under the NRC’s contract for an applicant or licensee.

(ii) Guidance. An NRC contract for that particular work would not be awarded to the ABC Corp. The AD Division could be placed in a position to pass judgment on work performed by the BC Division, which could bias its work for NRC. Further, the Conflict of Interest provisions apply to ABC Corp. and not to separate or distinct divisions within the company. If no reasonable alternative exists, a waiver of the policy could be sought in accordance with 2009.570–9.

(7)(i) Example. The ABC Corp. completes an analysis for NRC of steam generator tube leaks at one of a utility’s six sites. Three months later, ABC Corp. is asked by this utility to perform the same analysis at another of its sites.

(ii) Guidance. Section 2052.290-72(c)(3) would prohibit the contractor from beginning this work for the utility until one year after completion of the NRC work at the first site.

(8)(i) Example. ABC Corp. is assisting NRC in a major on-site analysis of a utility’s redesign of the common areas between its twin reactors. The contract is for two years with an estimated value of $5 million. Near the completion of the NRC work, ABC Corp. requests authority to solicit for a $100K contract with the same utility to transport spent fuel to a disposal site. ABC Corp. is performing no other work for the utility.
(ii) Guidance. The Contracting Officer would allow the contractor to proceed with the solicitation because it is not in the same technical area as the NRC work; and the potential for technical bias by the contractor because of financial ties to the utility is slight due to the relative value of the two contracts.

(9)(i) Example. The ABC Corp. is constructing a turbine building and installing new turbines at a reactor site. The contract with the utility is for five years and has a total value of $100 million. ABC Corp. has responded to an NRC Request For Proposal requiring the contractor to participate in a major team inspection unrelated to the turbine work at the same site. The estimated value of the contract is $75K.

(ii) Guidance. An NRC contract would not normally be awarded to ABC Corp. because these factors create the potential for financial loyalty to the utility that may bias the technical judgment of the contractor.

(d) Other considerations. (1) The fact that the NRC can identify and later avoid, eliminate, or neutralize any potential organizational conflicts arising from the performance of a contract is not relevant to a determination of the existence of conflicts prior to the award of a contract.

(2) It is not relevant that the contractor has the professional reputation of being able to resist temptations which arise from organizational conflicts of interest, or that a follow-on procurement is not involved, or that a contract is awarded on a competitive or a sole source basis.

2009.570–4 Representation.

(a) The following procedures are designed to assist the NRC contracting officer in determining whether situations or relationships exist which may constitute organizational conflicts of interest with respect to a particular offeror or contractor. The procedures apply to small purchases meeting the criteria stated in the following paragraph (b) of this section.

(b) The organizational conflicts of interest representation provision at 2052.209–71 must be included in solicitations and contracts resulting from unsolicited proposals. The contracting officer must also include this provision for task orders and contract modifications for new work for:

(1) Evaluation services or activities;
(2) Technical consulting and management support services;
(3) Research; and
(4) Other contractual situations where special organizational conflicts of interest provisions are noted in the solicitation and would be included in the resulting contract. This representation requirement also applies to all modifications for additional effort under the contract except those issued under the “Changes” clause. Where, however, a statement of the type required by the organizational conflicts of interest representation provisions has previously been submitted with regard to the contract being modified, only an updating of the statement is required.

(c) The offeror may, because of actual or potential organizational conflicts of interest, propose to exclude specific kinds of work contained in a RFP unless the RFP specifically prohibits the exclusion. Any such proposed exclusion by an offeror will be considered by the NRC in the evaluation of proposals. If the NRC considers the proposed excluded work to be an essential or integral part of the required work and its exclusion would be to the detriment of the competitive posture of the other offerors, the NRC shall reject the proposal as unacceptable.

(d) The offeror’s failure to execute the representation required by paragraph (b) of this section with respect to an invitation for bids is considered to be a minor informality. The offeror will be permitted to correct the omission.

(a) General contract clause. All contracts and simplified acquisitions of the types set forth in 2009.570–4(b) must include the clause entitled, “Contractor Organizational Conflicts of Interest,” set forth in 2052.209–72.

(b) Other special contract clauses. If it is determined from the nature of the proposed contract that an organizational conflict of interest exists, the contracting officer may determine that the conflict can be avoided or, after obtaining a waiver in accordance with
2009.570-9, neutralized through the use of an appropriate special contract clause. If appropriate, the offeror may negotiate the terms and conditions of these clauses, including the extent and time period of any restriction. These clauses include but are not limited to:

1. Hardware exclusion clauses which prohibit the acceptance of production contracts following a related non-production contract previously performed by the contractor;
2. Software exclusion clauses;
3. Clauses which require the contractor (and certain of its key personnel) to avoid certain organizational conflicts of interest; and
4. Clauses which provide for protection of confidential data and guard against its unauthorized use.

2009.570-6 Evaluation, findings, and contract award.

The contracting officer shall evaluate all relevant facts submitted by an offeror and other relevant information. After evaluating this information against the criteria of 2009.570-3, the contracting officer shall make a finding of whether organizational conflicts of interest exist with respect to a particular offeror. If it has been determined that real or potential conflicts of interest exist, the contracting officer shall:

a. Disqualify the offeror from award;

b. Avoid or eliminate such conflicts by appropriate measures; or
c. Award the contract under the waiver provision of 2009.570-9.

2009.570-7 Conflicts identified after award.

If potential organizational conflicts of interest are identified after award with respect to a particular contractor and the contracting officer determines that conflicts do exist and that it would not be in the best interest of the Government to terminate the contract, as provided in the clauses required by 2009.570-5, the contracting officer shall take every reasonable action to avoid, eliminate, or, after obtaining a waiver in accordance with 2009.570-9, neutralize the effects of the identified conflict.

2009.570-8 Subcontracts.

The contracting officer shall require offerors and contractors to submit a representation statement from all subcontractors (other than a supply subcontractor) and consultants performing services in excess of $10,000 in accordance with 2009.570-4(b). The contracting officer shall require the contractor to include contract clauses in accordance with 2009.570-5 in consultant agreements or subcontracts involving performance of work under a prime contract.

2009.570-9 Waiver.

(a) The contracting officer determines the need to seek a waiver for specific contract awards with the advice and concurrence of the program office director and legal counsel. Upon the recommendation of the Senior Procurement Executive, and after consultation with legal counsel, the Executive Director for Operations may waive the policy in specific cases if he determines that it is in the best interest of the United States to do so.

(b) Waiver action is strictly limited to those situations in which:

1. The work to be performed under contract is vital to the NRC program;

2. The work cannot be satisfactorily performed except by a contractor whose interests give rise to a question of conflict of interest.

3. Contractual and/or technical review and surveillance methods can be employed by the NRC to neutralize the conflict.

(c) The justification and approval documents for any waivers must be placed in the NRC Public Document Room.

2009.570-10 Remedies.

In addition to other remedies permitted by law or contract for a breach of the restrictions in this subpart or for any intentional misrepresentation or intentional nondisclosure of any relevant interest required to be provided for this section, the NRC may debar the contractor from subsequent NRC contracts.

Subpart 2011.4—Delivery or Performance Schedules—Contract Clauses

2011.104–70 NRC Clauses.

(a) The contracting officer shall insert the clause at 2052.211–70 Preparation of Technical Reports, when deliverables include a technical report.

(b) The contracting officer shall insert the clause at 2052.211–71 Technical Progress Report, in all solicitations and contracts except—

(1) Firm fixed price; or

(2) Indefinite-delivery contracts to be awarded on a time-and-materials or labor-hour basis, or that provide for issuing delivery orders for specific products/services (line items).

(c) The contracting officer shall insert the clause at 2052.211–72 Financial Status Report, in applicable cost reimbursement solicitations and contracts when detailed assessment of costs is warranted and a Contractor Spending Plan is required. The contracting officer shall use the clause at 2052.211–72 Financial Status Report—Alternate 1 when no Contractor Spending Plan is required.

(d) The contracting officer may alter clauses at 2052.211–70, 2052.211–71, 2052.211–72, and 2052.211–72, Alternate 1 before issuing the solicitation or during competition by solicitation amendment. Reporting requirements should be set at a meaningful and productive frequency. Insignificant changes may also be made by the contracting officer on a case-by-case basis during negotiations without solicitation amendment.

Subpart 2015.2—Solicitation and Receipt of Proposals and Implementation

2015.209–70 Solicitation provisions and contract clauses.

(a) The contracting officer shall insert the following clauses in solicitations and contracts that are applicable to the requirement:

1. Section 2052.215–70, Key Personnel in applicable solicitations and contracts;

2. (i) Section 2052.215–71, Project Officer Authority in applicable solicitations and contracts for cost-reimbursement, cost-plus-fixed-fee, cost-plus-award-fee, cost sharing, labor-hour or time-and-materials, including task order contracts. This clause and the following alternate clauses are intended for experienced, trained project officers, and may be altered to delete duties where appropriate:

   (ii) Section 2052.215–71 Alternate 1. For solicitations for delivery orders for specific products/services;

   (iii) Section 2052.215–71 Alternate 2. For solicitations for firm fixed price contracts, with paragraph (b)(1) of Alternate 1 deleted and the remainder of the clause renumbered.

3. The contracting officer shall insert the provision at 2052.215–72, Timely Receipt of Proposals in all solicitations;

4. The contracting officer shall insert the provision at 2052.215–73, Award Notification and Commitment of Public Funds in all solicitations; and

5. The contracting officer shall insert the provision at 2052.215–74, Disposition of Proposals in all solicitations.

(b) The contracting officer may insert the following provisions in all solicitations as applicable. These provisions may be altered to fit the circumstances of the requirement. These provisions shall be tailored to assure that all sections of the instructions for the Technical and Management Proposal, or Oral Presentation and Supporting Documentation, reflect a one-to-one relationship to the evaluation criteria:

1. Section 2052.215–77, Contract Award and Evaluation of Proposals, shall be included in all solicitations where technical merit is more important than cost,

2. Section 2052.215–79 Alternate 1 must be included when proposals are to be evaluated on a lowest price, technically acceptable basis.
Subpart 2015.3—Source Selection Processes and Techniques

2015.300 Scope of subpart.

This subpart applies to all contracts awarded on a competitive basis in accordance with FAR part 15. This subpart does not apply to contracts awarded on a non-competitive basis to the Small Business Administration under Section 8(a) of the Small Business Act.

2015.303 Responsibilities.

(a) The source selection authority is the contracting officer. The contracting officer, acting as the source selection authority, shall select an offer for award based on review of the Source Evaluation Panel’s recommendation contained in the reports described in paragraph (c) of this section.

(b) Any cancellation of solicitations and subsequent rejection of all proposals must be approved by the Head of the Contracting Activity.

(c) For all proposed contracts with total estimated values in excess of the simplified acquisition threshold and expected to result from competitive technical and price/cost negotiations, the cooperative review efforts of technical, contracting, and other administrative personnel are formalized through establishment of a Source Evaluation Panel. A single technical member may be appointed to the Source Evaluation Panel to evaluate proposals with the contracting officer’s approval. In these instances, the Designating Official (Office Director or designee) is responsible for appointing a Source Evaluation Panel to evaluate competitive technical proposals in accordance with the solicitation technical criteria. The Designating Official is also responsible for conducting an independent review and evaluation of the Source Evaluation Panel’s proposal evaluation report(s) to the contracting officer.

2015.304 Evaluation factors.

The evaluation factors included in the solicitation serve as the standard against which all proposals are evaluated and are the basis for the development of proposal preparation instructions in accordance with FAR 15.304(b). The solicitation may indicate the relative importance of evaluation factors and subfactors by assigning a numerical weight to each factor. If a solicitation uses numerical weights, those weights shall be stated in the solicitation. The relative importance of factors that are not numerically weighted will be stated in the solicitation. Examples of factors which may not be numerically weighted are conflict of interest, estimated cost, and “go/no go” evaluation factors.

2015.305 Proposal evaluation.

The contracting officer may provide offerors’ cost proposals and supporting financial information to members of the Source Evaluation Panel at the same time technical proposals are distributed for evaluation. The Source Evaluation Panel shall use this information to perform an accurate integrated assessment of each offeror’s proposal based on all the facts presented to them.

Subpart 2015.6—Unsolicited Proposals

2015.606 Agency procedures.

(a) The Division of Contracts and Property Management is the point of contact for the receipt, acknowledgment, and handling of unsolicited proposals.

(b) An original and two copies of the unsolicited proposal as well as requests for additional information regarding their preparation, must be submitted.
to: U.S. Nuclear Regulatory Commission, Division of Contracts and Property Management, Mail Stop T-7-I-2, Washington, DC 20555.

(c) The Division of Contracts and Property Management shall enter each unsolicited proposal into the unsolicited proposal tracking system.

2015.606–1 Receipt and initial review.

(a) The Division of Contracts and Property Management shall acknowledge receipt of an unsolicited proposal, complete a preliminary review, assign a docket number, and send copies of the unsolicited proposal to the appropriate program office Director(s) or designee for evaluation.

(b) The Division of Contracts and Property Management shall be responsible for controlling reproduction and distribution of proposal material by notifying evaluators of their responsibilities and tracking the number of proposals received and forwarded to evaluators.

(c) An acknowledgment letter will be sent to the proposer by The Division of Contracts and Property Management. The letter will provide an estimated date for a funding decision or identifying the reasons for non-acceptance of the proposal for review in accordance with FAR 15.606–1(b) and FAR 15.606–1(c).

2016.307–70 Contract provisions and clauses.

(a) The contracting officer shall insert the provision at 2052.216–70, Level of Effort, in solicitations for negotiated procurements containing labor costs other than maintenance services to be awarded on a cost reimbursement, cost sharing, cost-plus-award fee, cost-plus-fixed fee, time and materials, or labor hour basis.

(b) The contracting officer may insert the following provisions and clauses in cost reimbursement contracts as applicable:

1. Section 2052.216–71, Indirect Cost Rates (where provisional rates without ceilings apply).

3. Section 2052.216–71, Indirect Cost Rates (Ceiling)—Alternate 2 (where provisional rates with ceilings apply).

(c) The contracting officer may make appropriate changes to these clauses to reflect different arrangements.

Subpart 2016.5—Indefinite-Delivery Contracts

2016.506–70 Contract provisions and clauses.

The contracting officer shall insert the following clauses in all solicitations and contracts that contain task order procedures. These clauses may be altered by the contracting officer to fit the circumstances of the requirement.

(a) Section 2052.216–72, Task Order Procedures;

(b) Section 2052.216–73, Accelerated Task Order Procedures.

Subpart 2027.3—Patent Rights Under Government Contracts

2027.305–3 Follow-up by Government.

(a) The contracting officer shall, as a part of the closeout of a contract, require each contractor to report any patents, copyrights, or royalties attained using any portion of the contract funds in writing.

(b) If no activity is to be reported, the contractor shall provide the following written determination before final payment and closeout of the contract:

(1) No inventions or discoveries were made,

(2) No copyrights were secured, produced, or composed,

(3) No notices or claims of patent or copyright infringement have been received by the contractor or its subcontractors; and

(4) No royalty payments were directly involved in the contract or reflected in the contract price to the Government, nor were any royalties or other payments paid or owed directly to others.

(c) The contracting officer may waive any of the requirements in paragraphs (b) (1) through (4) of this section, after documenting the file to indicate the—

(1) Impracticality of obtaining the document(s); and

(2) Steps taken to attempt to obtain them.

(d) The contracting officer shall notify agency legal counsel responsible for patents whenever a contractor reports any patent, copyright, or royalty activity. The contract officer shall document the official file with the resolution to protect the Government’s rights before making any final payment and closing out the contract.

2027.305–70 Solicitation provisions and contract clauses.

The contracting officer shall insert the clause at 2052.227–70, Drawings, Designs, Specifications, and Data, in all solicitations and contracts in which drawings, designs, specifications, or other data will be developed and the NRC is required to retain full rights to them (except for the contractor’s right to retain a copy for its own use). When any of the clauses prescribed at FAR 27.409, Solicitation Provisions and Contract Clauses, are included in the solicitation/contract, this clause will not be used.

Subpart 2033.1—Protests

2033.103 Protests to the agency.

Protests to the agency are first considered by the contracting officer. In accordance with FAR 33.103(d)(4), the protestor may appeal the contracting officer’s decision by delivering or providing a written request to the agency Director, Division of Contracts or Property Management, or designee, to conduct an independent review of the Contracting Officer’s decision.

Subpart 2033.2—Disputes and Appeals

2033.204 Policy.

Final decisions of the NRC contracting officer on contract disputes and appeals issued under to the Contracts Disputes Act will be heard by the Department of Energy Board of Contract Appeals (EBCA) under an interagency agreement between the NRC and the Department of Energy. The EBCA rules appear in 10 CFR part 1023.

2033.211 Contract Claims—Contracting officer’s decision.

The contracting officer shall alter the paragraph at FAR 33.211(a)(4)(v) to identify the Energy Board of Contract Appeals and include its address: U.S. Department of Energy, Board of Contract Appeals, HG–50, Building 950, 1000 Independence Ave., SW., Washington, DC 20585, when preparing a written decision.

2033.215 Contract clause.

The contracting officer shall use the clause at FAR 52.233–1, Disputes, with its Alternate I, where continued performance is vital to national security, the public health and safety, critical and major agency programs, or other essential supplies or services whose timely reprocurement from other sources would be impractical.

2035.71 Broad agency announcements.

SOURCE: 64 FR 49336, Sept. 10, 1999, unless otherwise noted.

2035.70 Contract clauses.

(a) The contracting officer shall insert the following clause in all solicitations and contracts for research and development by private contractors and universities and for other technical services, as appropriate:

(1) Section 2052.235–70, Publication of Research Results;

(2) Section 2052.235–72 Safety, Health and Fire Protection.

2035.71 Broad agency announcements.

(a) Criteria for selecting contractors may include such factors as:

(1) Unique and innovative methods, approaches, or concepts demonstrated by the proposal.

(2) Overall scientific, technical, or economic merits of the proposal.

(3) The offeror’s capabilities, related experience, facilities, techniques, or unique combinations of these which are integral factors for achieving the proposal objectives.

(4) The qualifications, capabilities, and experience of the proposed principal investigator, team leader, or key personnel who are critical in achieving the proposal objectives.

(5) Potential contribution of the effort to NRC’s mission.

(6) Overall standing among similar proposals available for evaluation and/or evaluation against the known state-of-the-art technology.

(b) Once a proposal is received, communication between the agency’s scientific or engineering personnel and the principal investigator is permitted for clarification purposes only and must be coordinated through the Division of Contracts and Property Management.

(c) After evaluation of the proposals, the Designating Official shall submit a comprehensive evaluation report to the contracting officer which recommends the source(s) for contract award. The report must reflect the basis for the selection or nonselection of each proposal received.
SUBCHAPTER G—CONTRACT MANAGEMENT

PART 2042—CONTRACT ADMINISTRATION

Subpart 2042.570—Differing Professional Views (DPV)

Sec.
2042.570–1 Policy.
2042.570–2 Solicitation provisions and contract clauses.

Subpart 2042.8—Disallowance of Costs

2042.803 Disallowing costs after incurrence.

SOURCE: 64 FR 49336, Sept. 10, 1999, unless otherwise noted.

Subpart 2042.570—Differing Professional Views (DPV)

2042.570–1 Policy.

The Nuclear Regulatory Commission's (NRC) policy is to support the contractor's expression of professional health and safety-related concerns associated with the contractor's work for the NRC that may differ from a prevailing NRC staff view, disagree with an NRC decision or policy position, or take issue with proposed or established agency practices. An occasion may arise when an NRC contractor, contractor's personnel, or subcontractor personnel believes that a conscientious expression of a competent judgement is required to document these concerns on matters directly associated with its performance of the contract. The procedure described in 2052.242–71, Procedures for Resolving NRC Contractor Differing Professional Views, provides for the expression and resolution of DPVs of health and safety-related concerns associated with the mission of the agency by NRC contractors, contractor personnel, or subcontractor personnel on matters directly associated with its performance of the contract. The contractor shall provide a copy of the NRC DPV procedure to all of its employees performing under this contract and to all subcontractors who shall, in turn, provide a copy of the procedure to its employees. The prime contractor or subcontractor shall submit all DPV's received but need not endorse them.

2042.570–2 Solicitation provisions and contract clauses.

(a) The contracting officer shall insert the clause at 2052.242–70, Resolving NRC Contractor Differing Professional Views, in the body of cost reimbursement solicitations and contracts for professional services, as appropriate. This clause may not be altered by the contracting officer.

(b) The contracting officer shall include the clause at 2052.242–71, Procedures for Resolving NRC Contractor Differing Professional Views, as an attachment to cost reimbursement solicitations and contracts for professional services, as appropriate. This clause may not be altered by the contracting officer.

Subpart 2042.8—Disallowance of Costs

2042.803 Disallowing costs after incurrence.

(a) Vouchers and invoices submitted to NRC must be submitted to the contracting officer or designee for review and approval for payment. If the examination of a voucher or invoice raises a question regarding the allowability of a cost submitted, the contracting officer or designee shall:

(1) Hold informal discussions with the contractor as appropriate.

(2) If the discussions do not resolve the matter, the contracting officer shall issue a notice advising the contractor of costs disallowed. The notice must advise the contractor that it may:

(i) If in disagreement with the disallowance, submit a written claim to the contracting officer for payment of the disallowed cost and explain why the cost should be reimbursed; or

(ii) If the disagreement(s) cannot be settled, file a claim under the disputes clause which will be processed in accordance with disputes procedures found at FAR subpart 33.2; and
(3) Process the voucher or invoice for payment and advise the NRC Division of Accounting and Finance to deduct the disallowed costs when scheduling the voucher for payment.

(b) When audit reports or other notifications question costs or consider them unallowable, the contracting officer shall resolve all cost issues through discussions with the contractor and/or auditor within six months of receipt of the audit report whenever possible.

(1) One of the following courses of action must be pursued:
   (i) Accept and implement audit recommendations as submitted;
   (ii) Accept the principle of the audit recommendation but adjust the amount of the questioned costs;
   (iii) Reject audit findings and recommendations.

(2) When implementing the chosen course of action, the contracting officer shall:
   (i) Hold discussions with the auditor and contractor, as appropriate;
   (ii) If the contracting officer agrees with the auditor concerning the questioned costs, attempt to negotiate a mutual settlement of questioned costs;
   (iii) Issue a final decision, including any disallowance of questioned costs; inform the contractor of his/her right to appeal the decision under the disputes procedures found at FAR subpart 33.2; and provide a copy of the final decision to the Office of the Inspector General; and
   (iv) Initiate immediate recoupment actions for all disallowed costs owed the Government by one or more of the following methods:
      (A) Request that the contractor provide a credit adjustment (offset) and an adequate description/explanation of the adjustment against amounts billed the Government on the next or other future invoice(s) submitted under the contract for which the disallowed costs apply;
      (B) Deduct the disallowed costs from the next invoice submitted under the contract;
      (C) Deduct the disallowed costs on a schedule determined by the contracting officer after discussion with the contractor (if the contracting officer determines that an immediate and complete deduction is inappropriate); and
      (D) Advise the contractor that a refund is immediately payable to the Government (in situations where there are insufficient payments owed by the Government to effect recovery from the contract).

PART 2045—GOVERNMENT PROPERTY

Subpart 2045.3—Providing Government Property to Contractors

Sec. 2045.370 Providing Government property (in general).

(a) Unless otherwise provided for in FAR 45.302–1(d), applicable to Government facilities with a unit cost of less than $10,000, a contractor may be provided Government property or allowed to purchase the property at Government expense if the contracting officer, with the advice of the agency property official determines that:

   (1) No practicable or economical alternative exists; e.g., acquisition from other sources, utilization of subcontractors, rental of property, or modification of program project requirements;
   (2) Furnishing Government property is likely to result in substantially lower costs to the Government for the items produced or services rendered when all costs involved (e.g., transportation, installation, modification, maintenance, etc.) are compared with the costs to the Government of the contractor’s use of privately-owned property; and
   (3) The Government receives adequate consideration for providing the property.
2045.371 Property accountability procedures.

(a) The threshold for detailed reporting of capitalized equipment by contractors is $50,000.

(b) The contractor shall send a copy of each Financial Status Report (NRCAR 2052.211–72, and 2052.211–72 Alternate 1), that references the acquisition of, or change in status of, contractor-held property purchased with government funds valued at the time of purchase at $50,000 or more to the Chief, Property and Acquisition Oversight Branch, Division of Contracts and Property Management.

Subpart 2052.2—Text of Provisions and Clauses

2052.200 Authority.

2052.204–70 Security.

As prescribed at 2004.404(a), the contracting officer shall insert the following clause in solicitations and contracts during which the contractor may have access to, or contact with classified information, including National Security information, restricted data, formerly restricted data, and other classified data:

SECURITY (OCT 1999)

(a) Security Classification Requirements Form. The attached NRC Form 187 (See List of Attachments) furnishes the basis for providing security and classification requirements to prime contractors, subcontractors, or others (e.g., bidders) who have or may have an NRC contractual relationship that requires access to classified information or matter, access on a continuing basis (in excess of 90 or more days) to NRC Headquarters controlled buildings, or otherwise requires NRC photo identification or card-key badges.

(b) It is the contractor's duty to safeguard National Security Information, Restricted Data, and Formerly Restricted Data. The contractor shall, in accordance with the Commission's security regulations and requirements, be responsible for safeguarding National Security Information, Restricted Data, and Formerly Restricted Data, and for protecting against sabotage, espionage, loss, and theft, the classified documents and material in the contractor’s possession in connection with the performance of work under this contract. Except as otherwise expressly provided in this contract, the contractor shall transmit to the Commission any classified matter in the possession of the contractor or any person under the contractor’s control in connection with performance of this contract upon completion or termination of this contract.

(1) The contractor shall complete a certificate of possession to be furnished to the Commission specifying the classified matter to be retained if the retention is:

(i) Required after the completion or termination of the contract; and

(ii) Approved by the contracting officer.
(2) The certification must identify the items and types or categories of matter retained, the conditions governing the retention of the matter and their period of retention, if known. If the retention is approved by the contracting officer, the security provisions of the contract continue to be applicable to the matter retained.

(c) In connection with the performance of the work under this contract, the contractor may be furnished, or may develop or acquire, proprietary data (trade secrets) or confidential or privileged technical, business, or financial information, including Commission plans, policies, reports, financial plans, internal data protected by the Privacy Act of 1974 (Pub. L. 93-579), or other information which has not been released to the public or has been determined by the Commission to be otherwise exempt from disclosure to the public. The contractor agrees to hold the information in confidence and not to directly or indirectly duplicate, disseminate, or disclose the information, in whole or in part, to any other person or organization except as necessary to perform the work under this contract. The contractor agrees to return the information to the Commission or otherwise dispose of it at the direction of the contracting officer. Failure to comply with this clause is grounds for termination of this contract.

(d) Regulations. The contractor agrees to conform to all security regulations and requirements of the Commission which are subject to change as directed by the NRC Division of Security and the Contracting Officer. These changes will be under the authority of the FAR Changes clause referenced in Section I of this document.

(e) Definition of national security information. As used in this clause, the term national security information means information that has been determined pursuant to Executive Order 12850 or any predecessor order to require protection against unauthorized disclosure and that is so designated.

(f) Definition of restricted data. As used in this clause, the term Restricted Data means all data concerning design, manufacture, or utilization of atomic weapons; the production of special nuclear material; or the use of special nuclear material in the production of energy, but does not include data declassified or removed from the Restricted Data category under to Section 142 of the Atomic Energy Act of 1954, as amended.

(g) Definition of formerly restricted data. As used in this clause the term Formerly Restricted Data means all data removed from the Restricted Data category under to Section 122 of the Atomic Energy Act of 1954, as amended.

(h) Security clearance personnel. The contractor may not permit any individual to have access to Restricted Data, Formerly Restricted Data, or other classified information, except in accordance with the Atomic Energy Act of 1954, as amended, and the Commission’s regulations or requirements applicable to the particular type or category of classified information to which access is required. The contractor shall also execute a Standard Form 312, Classified Information Nondisclosure Agreement, when access to classified information is required.

(i) Criminal liabilities. Disclosure of National Security Information, Restricted Data, and Formerly Restricted Data relating to the work or services ordered hereunder to any person not entitled to receive it, or failure to safeguard any Restricted Data, Formerly Restricted Data, or any other classified matter that may come to the contractor or any person under the contractor’s control in connection with work under this contract, may subject the contractor, its agents, employees, or subcontractors to criminal liability under the laws of the United States. (See the Atomic Energy Act of 1954, as amended, 42 U.S.C. 2011 et seq., 18 U.S.C. 793 and 794; and Executive Order 12958.)

(j) Subcontracts and purchase orders. Except as otherwise authorized, in writing, by the contracting officer, the contractor shall insert provisions similar to the foregoing in all subcontracts and purchase orders under this contract.

(k) In performing contract work, the contractor shall classify all documents, material, and equipment originated or generated by the contractor in accordance with guidance issued by the Commission. Every subcontract and purchase order issued under the contract that involves originating or generating classified documents, material, and equipment must provide that the subcontractor or supplier assign the proper classification to all documents, material, and equipment in accordance with guidance furnished by the contractor.

(End of clause)
their presence on-site shall be clearly identifiable by a distinctive badge furnished by the Government. The Project Officer shall assist the contractor in obtaining the badges for contractor personnel. It is the sole responsibility of the contractor to ensure that each employee has proper identification at all times. All prescribed identification must be immediately delivered to the Security Office for cancellation or disposition upon the termination of employment of any contractor personnel. Contractor personnel shall have this identification in their possession during on-site performance under this contract. It is the contractor’s duty to assure that contractor personnel enter only those work areas necessary for performance of contract work and to assure the safeguarding of any Government records or data that contractor personnel may come into contact with.

(End of clause)

2052.209-70 Current/former agency employee involvement.

As prescribed at 2009.105-70, the contracting officer shall insert the following provision in all solicitations:

CURRENT/FORMER AGENCY EMPLOYEE INVOLVEMENT (OCT 1999)

(a) The following representation is required by the NRC Acquisition Regulation 2009.105-70(b). It is not NRC policy to encourage offerors and contractors to propose current/former agency employees to perform work under NRC contracts and as set forth in the above cited provision, the use of such employees may, under certain conditions, adversely affect NRC’s consideration of non-competitive proposals and task orders.

(b) There ( ) are ( ) are no current/former NRC employees (including special Government employees performing services as experts, advisors, consultants, or members of advisory committees) who have been or will be involved, directly or indirectly, in developing the offer, or in negotiating on behalf of the offeror, or in managing, administering, or performing any contract, consultant agreement, or subcontract resulting from this offer. For each individual so identified, the Technical and Management proposal must contain, as a separate attachment, the name of the individual, the individual’s title while employed by the NRC, the date individual left NRC, and a brief description of the individual’s role under this proposal.

(End of provision)

2052.209-71 Contractor organizational conflicts of interest (representation).

As prescribed in 2009.570-4(b) and 2009.570-8, the contracting officer must insert the following provision in applicable solicitations and in contracts resulting from unsolicited proposals. The contracting officer must also include the following in task orders and contract modifications for new work.

CONTRACTOR ORGANIZATIONAL CONFLICTS OF INTEREST REPRESENTATION (OCT 1999)

I represent to the best of my knowledge and belief that:

The award to of a contract or the modification of an existing contract does / does not / involve situations or relationships of the type set forth in 48 CFR 2009.570-3(b).

(a) If the representation, as completed, indicates that situations or relationships of the type set forth in 48 CFR 2009.570-3(b) are involved, or the contracting officer otherwise determines that potential organizational conflicts of interest exist, the offeror shall provide a statement in writing that describes in a concise manner all relevant factors bearing on his representation to the contracting officer. If the contracting officer determines that organizational conflicts exist, the following actions may be taken:

(1) Impose appropriate conditions which avoid such conflicts;

(2) Disqualify the offeror; or

(3) Determine that it is otherwise in the best interest of the United States to seek award of the contract under the waiver provisions of 48 CFR 2009-570-9.

(b) The refusal to provide the representation required by 48 CFR 2009.570-4(b), or upon request of the contracting officer, the facts required by 48 CFR 2009.570-3(b), must result in disqualification of the offeror for award.

(End of provision)

2052.209-72 Contractor organizational conflicts of interest.

As prescribed at 2009.570-5(a) and 2009.570-8, the contracting officer must insert the following clause in all applicable solicitations, contracts, and simplified acquisitions of the types described; 2009.570–4(b):

CONTRACTOR ORGANIZATIONAL CONFLICTS OF INTEREST (JAN 1993)

(a) Purpose. The primary purpose of this clause is to aid in ensuring that the contractor:
(1) Is not placed in a conflicting role because of current or planned interests (financial, contractual, organizational, or otherwise) which relate to the work under this contract, and
(2) Does not obtain an unfair competitive advantage over other parties by virtue of its performance of this contract.

(b) Scope. The restrictions described apply to performance or participation by the contractor, as defined in 48 CFR 2009.570–2 in the activities covered by this clause.

(c) Work for others. (1) Notwithstanding any other provision of this contract, during the term of this contract, the contractor agrees to forego entering into consulting or other contractual arrangements with any firm or organization the result of which may give rise to a conflict of interest with respect to the work being performed under this contract. The contractor shall ensure that all employees under this contract abide by the provision of this clause. If the contractor has reason to believe, with respect to itself or any employee, that any proposed consultant or other contractual arrangement with any firm or organization may involve a potential conflict of interest, the contractor shall obtain the written approval of the contracting officer before the execution of such contractual arrangement.

(2) The contractor may not represent, assist, or otherwise support an NRC licensee or applicant undergoing an NRC audit, inspection, or review where the activities that are the subject of the audit, inspection, or review are the same as or substantially similar to the services within the scope of this contract (or task order as appropriate) except where the NRC licensee or applicant requires the contractor’s support to explain or defend the contractor’s prior work for the utility or other entity which NRC questions.

(3) When the contractor performs work for the NRC under this contract at any NRC licensee or applicant site, the contractor shall neither solicit nor perform work in the same or similar technical area for that licensee or applicant organization for a period commencing with the award of the task order or beginning of work on the site (if not a task order contract) and ending one year after completion of all work under the associated task order, or last time at the site (if not a task order contract).

(4) When the contractor performs work for the NRC under this contract at any NRC licensee or applicant site, the contractor may not solicit work at that site for that licensee or applicant during the period of performance of the task order or the contract, as appropriate.

(5) The contractor may not perform work at that site for that licensee or applicant during the period of performance of the task order or the contract, as appropriate, and for one year thereafter.

(3) It is recognized that the scope of work of a task-order-type contract necessarily encompasses a broad spectrum of activities. Consequently, if this is a task-order-type contract, the contractor agrees that it will disclose all proposed new work involving NRC licensees or applicants which comes within the scope of work of the underlying contract. Further, if this contract involves work at a licensee or applicant site, the contractor agrees to exercise diligence to discover and disclose any new work at that licensee or applicant site. This disclosure must be made before the submission of a bid or proposal to the utility or other regulated entity and must be received by the NRC at least 15 days before the proposed award date in any event, unless a written justification demonstrating urgency and due diligence to discover and disclose is provided by the contractor and approved by the contracting officer. The disclosure must include the statement of work, the dollar value of the proposed contract, and any other documents that are needed to fully describe the proposed work for the regulated utility or other regulated entity. NRC may deny approval of the disclosed work only when the NRC has issued a task order which includes the technical area and, if site-specific, the site, or has plans to issue a task order which includes the technical area and, if site-specific, the site, or when the work violates paragraphs (c)(2), (c)(3) or (c)(4) of this section.

(e) Access to and use of information. (1) If, in the performance of this contract, the contractor obtains access to information, such as NRC plans, policies, reports, studies, financial plans, internal data protected by the Privacy Act of 1974 (5 U.S.C. Section 552a (1988)), or the Freedom of Information Act (5
U.S.C. Section 652 (1986)), the contractor agrees not to:

(i) Use this information for any private purpose until the information has been released to the public;

(ii) Compete for work for the Commission based on the information for a period of six months after either the completion of this contract or the release of the information to the public, whichever is first;

(iii) Submit an unsolicited proposal to the Government based on the information until one year after the release of the information to the public; or

(iv) Release the information without prior written approval by the contracting officer unless the information has previously been released to the public by the NRC.

(2) In addition, the contractor agrees that, to the extent it receives or is given access to proprietary data, data protected by the Privacy Act of 1974 (5 U.S.C. Section 552a (1988)), or the Freedom of Information Act (5 U.S.C. Section 552 (1988)), or other confidential or privileged technical, business, or financial information under this contract, the contractor shall treat the information in accordance with restrictions placed on use of the information.

(3) Subject to patent and security provisions of this contract, the contractor shall have the right to use technical data it produces under this contract for private purposes provided that all requirements of this contract have been met.

(f) Subcontracts. Except as provided in 48 CFR 2009.570-2, the contractor shall include this clause, including this paragraph, in subcontracts of any tier. The terms contract, contractor, and contracting officer, must be appropriately modified to preserve the Government's rights.

(g)(i) Remedies. For breach of any of the above restrictions, or for intentional nondisclosure or misrepresentation of any relevant interest required to be disclosed concerning this contract or for such erroneous representations that necessarily imply bad faith, the Government may terminate the contract for default, disqualify the contractor from subsequent contractual efforts, and pursue other remedies permitted by law or this contract.

(g)(ii) Waiver. A request for waiver under this clause must be directed in writing to the contracting officer in accordance with the procedures outlined in 48 CFR 2009.570-9.

2052.211–70 Preparation of technical reports.

As prescribed at 2011.104–70(a), the contracting officer shall insert the following clause in solicitations and contracts when deliverables include a technical report. The contracting officer may alter this clause before issuing the solicitation or during competition by solicitation amendment. Insignificant changes may also be made by the contracting officer on a case-by-case basis during negotiation without amending the solicitation.

PREPARATION OF TECHNICAL REPORTS (JAN 1993)

All technical reports required by Section C and all Technical Progress Reports required by Section F are to be prepared in accordance with the attached Management Directive 3.8, "Unclassified Contractor and Grantee Publications in the NUREG Series." Management Directive 3.8 is not applicable to any Contractor Spending Plan (CSP) and any Financial Status Report that may be included in this contract. (See List of Attachments.)

(End of clause)
shall include the acquisition of, or changes
officer and the contracting officer. The Financial Status Report (FSR) to the project
during negotiation, without amending the solicitation.

**TECHNICAL PROGRESS REPORT (JAN 1993)**

The contractor shall provide a monthly Technical Progress Report to the project officer and the contracting officer. The report is due within 15 calendar days after the end of the report period and must identify the title of the project, the contract number, appropriate financial tracking code specified by the NRC Project Officer, project manager and/or principal investigator, the contract period of performance, and the period covered by the report. Each report must include the following for each discrete task/task order:

- (a) A listing of the efforts completed during the period, and milestones reached or, if missed, an explanation provided;
- (b) Any problems or delays encountered or anticipated and recommendations for resolution.

If the recommended resolution involves a contract modification, e.g., change in work requirements, level of effort (cost) or schedule delay, the contractor shall submit a separate letter to the contracting officer identifying the required change and estimated cost impact.

- (c) A summary of progress to date; and
- (d) Plans for the next reporting period.

**2052.211–72 Financial status report.**

As prescribed at 2011.104–70(c), the contracting officer shall insert the following clause in applicable cost reimbursement solicitations and contracts when a detailed assessment of costs is warranted and a contractor spending plan is required. The contracting officer may alter this clause and Alternate 1 of this clause before issuing the solicitation or during competition by negotiation, without amending the solicitation.

**Financial Status Report (OCT 1999)**

The contractor shall provide a monthly Financial Status Report (FSR) to the project officer and the contracting officer. The FSR shall include the acquisition of, or changes in the status of, contractor-held property acquired with government funds valued at the time of purchase at $50,000 or more. Whenever these types of property changes occur, the contractor shall send a copy of the report to the Chief, Property and Acquisition Oversight Branch, Office of Administration.

The report is due within 15 calendar days after the end of the report period and must identify the title of the project, the contract number, the appropriate financial tracking code (e.g., Job Code Number or JCN) specified by the NRC Project Officer, project manager and/or principal investigator, the contract period of performance, and the period covered by the report. Each report must include the following information for each discrete task:

- (a) Total estimated contract amount.
- (b) Total funds obligated to date.
- (c) Total costs incurred this reporting period.
- (d) Total costs incurred to date.
- (e) Detail of all direct and indirect costs incurred during the reporting period for the entire contract or each task, if it is a task ordering contract.
- (f) Balance of obligations remaining.
- (g) Balance of funds required to complete contract/task order.
- (h) Contractor Spending Plan (CSP) status: A revised CSP is required with the Financial Status Report whenever the contractor or the contracting officer has reason to believe that the total cost for performance of this contract will be either greater or substantially less than what had been previously estimated.

1. Projected percentage of completion cumulative through the report period for the project/task order as reflected in the current CSP.
2. Indicate significant changes in the original CSP projection in either dollars or percentage of completion. Identify the change, the reasons for the change, whether there is any projected overrun, and when additional funds would be required. If there have been no changes to the original NRC-approved CSP projections, a written statement to that effect is sufficient in lieu of submitting a detailed response to item “h”.

- (i) Property status:
  1. List property acquired for the project during the month with an acquisition cost between $500 and $49,999. Give the item number for the specific piece of equipment.
  2. Provide a separate list of property acquired for the project during the month with an acquisition cost of $50,000 or more. Provide the following information for each item of property: item description or nomenclature, manufacturer, model number, serial number, acquisition cost, and receipt date. If no property was acquired during the month, include a statement to that effect. The same
information must be provided for any component or peripheral equipment which is part of a “system or system unit.”

(3) For multi-year projects, in the September monthly financial status report provide a cumulative listing of property with an acquisition cost of $50,000 or more showing the information specified in paragraph (i)(2) of this clause.

(4) In the final financial status report provide a closeout property report containing the same elements as described above for the month in which these types of changes occur, for all property purchased with NRC funds regardless of value unless title has been vested in the contractor. If no property was acquired under the contract, provide a statement to that effect. The report should note any property requiring special handling for security, health, safety, or other reasons as part of the report.

(i) Travel status. List the starting and ending dates for each trip, the starting point and destination, and the traveler(s) for each trip.

(j) If the data in this report indicates a need for additional funding beyond that already obligated, this information may only be used as support to the official request for funding required in accordance with the Limitation of Cost (LOC) Clause (FAR 52.232–20) or the Limitation of Funds (LOF) Clause FAR 52.232–22.

(End of clause)

Alternate 1 (OCT 1999). As prescribed in 2011.104–70(c), the contracting officer shall insert the following clause in applicable cost reimbursement solicitations and contracts when no contractor spending plan is required:

FINANCIAL STATUS REPORT—ALTERNATE 1 (OCT 1999)

The contractor shall provide a monthly Financial Status Report (FSR) to the Project Officer and the contracting officer. The FSR shall include the acquisition of, or changes in the status of, contractor-held property acquired with government funds valued at the time of purchase at $50,000 or more. Whenever these types of changes occur, the contractor shall send a copy of the report to the Chief, Property and Acquisition Oversight Branch, Office of Administration. The report is due within 15 calendar days after the end of the report period and shall identify the title of the project, the contract number, project manager and/or principal investigator, the contract period of performance, and the period covered by the report. Each report shall include the following information for each discrete task:

(a) Total estimated contract amount.

(b) Total funds obligated to date.

(c) Total costs incurred this reporting period.

(d) Total costs incurred to date.

(e) Detail of all direct and indirect costs incurred during the reporting period for the entire contract or each task, if it is a task ordering contract.

(f) Balance of obligations remaining.

(g) Balance of funds required to complete contract/task order.

(h) Property status:

(1) List property acquired for the project during the month with an acquisition cost between $500 and $49,999. Give the item number for the specific piece of equipment.

(2) Provide a separate list of property acquired for the project during the month with an acquisition cost of $50,000 or more. Provide the following information for each item of property: item description or nomenclature, manufacturer, model number, serial number, acquisition cost, and receipt date. If no property was acquired during the month, include a statement to that effect. The same information must be provided for any component or peripheral equipment which is part of a “system or system unit.”

(3) For multi-year projects, in the September monthly financial status report provide a cumulative listing of property with an acquisition cost of $50,000 or more showing the information specified in paragraph (h)(3) of this clause.

(4) In the final financial status report provide a closeout property report containing the same elements as described above for the monthly financial status reports, for all property purchased with NRC funds regardless of value unless title has been vested in the contractor. If no property was acquired under the contract, provide a statement to that effect. The report should note any property requiring special handling for security, health, safety, or other reasons as part of the report.

(1) Travel status: List the starting and ending dates for each trip, the starting point and destination, and the traveler(s) for each trip.

(j) If the data in this report indicates a need for additional funding beyond that already obligated, this information may only be used as support to the official request for funding required in accordance with the Limitation of Cost (LOC) Clause (FAR 52.232–20) or the Limitation of Funds (LOF) Clause FAR 52.232–22.

(End of clause)

2052.214–70 Prebid conference.

As prescribed at 2014.201–670(a), the contracting officer may insert the following provision in invitations for bids which require a prebid conference:
2052.214–72 Bid evaluation.

As prescribed at 2014.201–670(c), the contracting officer shall insert the following provision in applicable invitations for bids (paragraph “(f)” of this provision is optional):

BID EVALUATION (JAN 1993)

(a) Award will be made to that responsive, responsible bidder within the meaning of FAR Subpart 9.1 whose total bid amount, as set forth by the bidder in Section B of this Invitation for Bid (IFB), constitutes the lowest overall evaluated final contract price to the Government based upon the requirements for the schedule. Bids will be evaluated for purposes of award by first ascertaining the sum of the total amount for each of the items specified in Section B of this solicitation. This will constitute the bidder’s “Total Bid Amount.”

(b) Bidders shall insert a definite price or indicate “no charge” in the blank space provided for each item and/or sub-item listed in Section B. Unless expressly provided for in the bid, no additional charge will be allowed for work performed under the contract other than the unit prices stipulated for each item and/or sub-item.

(c) Any bid which is materially unbalanced as to price for the separate items specified in Section B of this IFB may be rejected as nonresponsive. An unbalanced bid is defined as one which is based on prices which, in the opinion of the NRC, are significantly less than cost for some work and/or prices which may be significantly overstated for other work.

(End of provision)
(d) Separation charges, in any form, are not solicited. Bids containing charges for discontinuance, termination, failure to exercise an option, or for any other purpose will cause the bid to be rejected as nonresponsive.

(e) A preaward on-site survey of the bidder’s facilities, equipment, etc., in accordance with FAR 9.105 and 9.106, may be made by representatives of the Commission for the purpose of determining whether the bidder is responsible within the meaning of FAR 9.1, and whether the bidder possesses qualifications that are conducive to the production of work that will meet the requirements, specifications, and provisions of this contract. If requested by the Commission, the prospective contractor may also be required to submit statements within * hours after receiving the request:

1. Concerning their ability to meet any of the minimum standards set forth in FAR 9.104,
2. Samples of work, and
3. Names and addresses of additional clients, Government agencies, and/or commercial firms which the bidder is now doing or had done business with.

(f) Notwithstanding paragraph (b) of this section, the award of any contract resulting from this solicitation will be made on an “all or none” basis. Thus, bids submitted on fewer than the items listed in Section B of this IFB, or on fewer than the estimated quantity, will cause the bid to be rejected as nonresponsive.

*To be inserted into solicitation.

(End of provision)

2052.214–73 Timely receipt of bids.

As prescribed at 2014.670(b), the contracting officer shall insert the following provision in all invitations for bids:

TIMELY RECEIPT OF BIDS (OCT 1999)

Sealed offers for furnishing the services or supplies in the schedule are due at the date and time stated in block 9 of Standard Form 33, Solicitation, Offer and Award. Offers sent through the U.S. Mail (including U.S. Postal Service Express Mail Next Day Service—Post Office to Addressee) must be addressed to the place specified in the solicitation. All hand-carried offers including those made by private delivery services (e.g., Federal Express and Airborne Express) must be delivered to the NRC loading dock security station located at 11545 Rockville Pike, Rockville, Maryland 20852 and received in the depository located in Room T-7-I-2. All offerors should allow extra time for internal mail distribution or for pick up of hand-carried deliveries. The NRC is a secure facility with perimeter access-control and NRC personnel are only available to receive hand-carried offers during normal working hours, 7:30 AM – 3:30 PM, Monday through Friday, excluding Federal holidays.

(End of provision)

2052.214–74 Disposition of bids.

As prescribed at 2014.670(b), the contracting officer shall insert the following provision in applicable invitation for bids:

DISPOSITION OF BIDS (JAN 1993)

After award of the contract, one copy of each unsuccessful bid will be retained by the NRC’s Division of Contracts and Property Management in accordance with the General Records Schedule 3(5)(b). Unless return of the additional copies of the bid is requested by the bidder upon submission of the bid, all other copies will be destroyed. This request should appear in a cover letter accompanying the bid.

(End of provision)

2052.215–70 Key personnel.

As prescribed at 2015.209–70(a)(1), the contracting officer shall insert in solicitations and contracts the following clause as applicable to the requirement:

KEY PERSONNEL (JAN 1993)

(a) The following individuals are considered to be essential to the successful performance of the work hereunder:

* The contractor agrees that personnel may not be removed from the contract work or replaced without compliance with paragraphs (b) and (c) of this section.

(b) If one or more of the key personnel, for whatever reason, becomes, or is expected to become, unavailable for work under this contract for a continuous period exceeding 30 work days, or is expected to devote substantially less effort to the work than indicated in the proposal or initially anticipated, the contractor shall immediately notify the contracting officer and shall, subject to the concurrence of the contracting officer, promptly replace the personnel with personnel of at least substantially equal ability and qualifications.

(c) Each request for approval of substitutions must be in writing and contain a detailed explanation of the circumstances necessitating the proposed substitutions. The request must also contain a complete resume

Nuclear Regulatory Commission

2052.215–71  Project officer authority.

As prescribed in 2015.209–70(a)(2)(1), the contracting officer shall insert the following clause in applicable solicitations and contracts for cost-reimbursement, cost-plus-fixed-fee, cost-plus-award-fee, cost sharing, labor-hour or time-and-materials, including task order contracts. This clause and the following alternate clauses are intended for experienced, trained project officers, and may be altered to tend to experienced, trained personnel who have been reassigned, terminated, or have otherwise become unavailable for the contract work is not reasonably forthcoming, or that the resultant reduction of productive effort would be so substantial as to impair the successful completion of the contract or the service order, the contract may be terminated by the contracting officer for default or for the convenience of the Government, as appropriate. If the contracting officer finds the contractor at fault for the condition, the contract price or fixed fee may be equitably adjusted downward to compensate the Government for any resultant delay, loss, or damage.

"To be incorporated into any resultant contract:

(End of clause)

2052.215–71  Project officer authority.

As prescribed in 2015.209–70(a)(2)(1), the contracting officer shall insert the following clause in applicable solicitations and contracts for cost-reimbursement, cost-plus-fixed-fee, cost-plus-award-fee, cost sharing, labor-hour or time-and-materials, including task order contracts. This clause and the following alternate clauses are intended for experienced, trained project officers, and may be altered to delete duties where appropriate:

PROJECT OFFICER AUTHORITY (OCT 1999)

(a) The contracting officer’s authorized representative hereinafter referred to as the project officer for this contract is:

Name: *
Address: *
Telephone Number: *

(b) Performance of the work under this contract is subject to the technical direction of the NRC project officer. The term technical direction is defined to include the following:

(1) Technical direction to the contractor which shifts work emphasis between areas of work or tasks, authorizes travel which was unanticipated in the Schedule (i.e., travel not contemplated in the Statement of Work or changes to specific travel identified in the Statement of Work), fills in details, or otherwise serves to accomplish the contractual statement of work.
(2) Provide advice and guidance to the contractor in the preparation of drawings, specifications, or technical portions of the work description.
(3) Review and, where required by the contract, approve technical reports, drawings, specifications, and technical information to be delivered by the contractor to the Government under the contract.
(4) Technical direction must be within the general statement of work stated in the contract. The project officer does not have the authority to and may not issue any technical direction which:

(1) Constitutes an assignment of work outside the general scope of the contract.
(2) Constitutes a change as defined in the “Changes” clause of this contract.
(3) In any way causes an increase or decrease in the total estimated contract cost, the fixed fee, if any, or the time required for contract performance.
(4) Changes any of the expressed terms, conditions, or specifications of the contract.
(5) Terminates the contract, settles any claim or dispute arising under the contract, or issues any unilateral directive whatever.
(d) All technical directions must be issued in writing by the project officer and must be confirmed by the project officer in writing within ten (10) working days after verbal issuance. A copy of the written direction must be furnished to the contracting officer. A copy of NRC Form 445, Request for Approval of Official Foreign Travel, which has received final approval from the NRC must be furnished to the contracting officer.
(e) The contractor shall proceed promptly with the performance of technical directions duly issued by the project officer in the manner prescribed by this clause and within the project officer’s authority under the provisions of this clause.
(f) H, in the opinion of the contractor, any instruction or direction issued by the project officer is within one of the categories defined in paragraph (e) of this section, the contractor may not proceed but shall notify the contracting officer in writing within five (5) working days after the receipt of any instruction or direction and shall request that contracting officer to modify the contract accordingly. Upon receiving the notification from the contractor, the contracting officer shall issue an appropriate contract modification or advise the contractor in writing that, in the contracting officer’s opinion, the technical direction is within the scope of this article and does not constitute a change under the “Changes” clause.
(g) Any unauthorized commitment or direction issued by the project officer may result in an unnecessary delay in the contractor’s performance and may even result in the
contractor expending funds for unallowable costs under the contract.

(h) A failure of the parties to agree upon the nature of the instruction or direction or upon the contract action to be taken with respect to the instruction or direction is subject to 52.233-1—Disputes.

(i) In addition to providing technical direction as defined in paragraph (b) of the section, the project officer shall:

(1) Monitor the contractor’s technical progress, including surveillance and assessment of performance, and recommend to the contracting officer changes in requirements.

(2) Assist the contractor in the resolution of technical problems encountered during performance.

(3) Review all costs requested for reimbursement by the contractor and submit to the contracting officer recommendations for approval, disapproval, or suspension of payment for supplies and services required under this contract.

(End of clause)

Alternate 1

(Oct 1999). As prescribed at 2015.209-70(a)(2)(ii), the contracting officer shall insert the following clause in solicitations and contracts which require issuance of delivery orders for specific products/services.

PROJECT OFFICER AUTHORITY—ALTERNATE 1

(a) The contracting officer’s authorized representative, hereinafter referred to as the project officer, for this contract is:

Name: *
Address: *
Telephone Number: *

(b) The project officer shall:

(1) Place delivery orders for items required under this contract up to the amount obligated on the contract award document.

(2) Monitor contractor performance and recommend changes in requirements to the contracting officer.

(3) Inspect and accept products/services provided under the contract.

(4) Review all contractor invoices/vouchers requesting payment for products/services provided under the contract and make recommendations for approval, disapproval, or suspension.

(c) The project officer may not make changes to the express terms and conditions of this contract.

*To be incorporated into any resultant contract.

(End of clause)

Alternate 2 (OCT 1999). As prescribed at 2015.209(a)(2)(i), the contracting officer shall insert in solicitations for firm fixed price contracts, the clause at 2052.215-71 Project Officer Authority Alternate 1 which shall be used with paragraph (b)(1) deleted and the remainder of the clause renumbered.

2052.215-72 Timely receipt of proposals.

As prescribed in 2015.209-70(a)(3), the contracting officer shall insert the following provision in all solicitations:

TIMELY RECEIPT OF PROPOSALS (OCT 1999)

Sealed offers for furnishing the services or supplies in the schedule are due at the date and time stated in block 9 of Standard Form 33, Solicitation, Offer and Award. Offers sent through the U.S. Mail (including U.S. Postal Service Express Mail Next Day Service—Post Office to Addressee) must be addressed to the place specified in the solicitation. All hand-carried offers including those made by private delivery services (e.g., Federal Express and Airborne Express) must be delivered to the NRC loading dock security station located at 11545 Rockville Pike, Rockville, Maryland 20852 and received in the depository located in Room T-7-1-2. All offerors should allow extra time for internal mail distribution or for pick up of hand-carried deliveries. The NRC is a secure facility with perimeter access-control and NRC personnel are only available to receive hand-carried offers during normal working hours, 7:30 AM—3:30 PM, Monday through Friday, excluding Federal holidays.

(End of provision)

2052.215-73 Award notification and commitment of public funds.

As prescribed at 2015.209-70 (a)(4), the contracting officer shall insert the following clause in applicable solicitations:

AWARD NOTIFICATION AND COMMITMENT OF PUBLIC FUNDS (OCT 1999)

(a) All offerors will be notified of their exclusion from the competitive range in accordance with FAR 15.503(a)(1). Under the requirements of FAR 15.503(a)(2), preliminary notification will be provided before award for small business set-aside procurements on negotiated procurements. The contracting officer shall provide written postaward notice to each unsuccessful offeror in accordance with FAR 15.503(b).
(b) The contracting officer is the only individual who can legally commit the NRC to the expenditure of public funds in connection with this procurement. This means that, unless provided in a contract document or specifically authorized by the contracting officer, NRC technical personnel may not issue contract modifications, give informal contractual commitments, or otherwise bind, commit, or obligate the NRC contractually. Informal contractual commitments include:

(1) Encouraging a potential contractor to incur costs before receiving a contract;
(2) Requesting or requiring a contractor to make changes under a contract without formal contract modifications;
(3) Encouraging a contractor to incur costs under a cost-reimbursable contract in excess of those costs contractually allowable; and
(4) Committing the Government to a course of action with regard to a potential contract, contract change, claim, or dispute.

(End of clause)

**2052.215–74 Disposition of proposals.**

As prescribed at 2015.209–70(a)(5), the contracting officer shall insert the following provision in all solicitations:

**Disposition of Proposals (JAN 1993)**

After award of the contract, one copy of each unsuccessful proposal is retained by the NRC’s Division of Contracts and Property Management in accordance with the General Records Schedule 3(5)(b). Unless return of the additional copies of the proposals is requested by the offeror upon submission of the proposals, all other copies will be destroyed. This request should appear in a cover letter accompanying the proposal.

(End of provision)

**2052.215–75 Proposal presentation and format.**

As prescribed at 2015.209–70(b)(1), the contracting officer may insert the following provision in applicable negotiated procurements for cost type solicitations. This clause may be tailored to each procurement and solicitation evaluation criteria by the contracting officer to fit the circumstances of the procurement.

**Proposal Presentation and Format (OCT 1999)**

(a) Information submitted in response to this solicitation must be typed, printed, or reproduced on letter-size paper and each copy must be legible. All information provided, including all resumes, must be accurate, truthful, and complete to the best of the offeror’s knowledge and belief. The Commission will rely upon all representations made by the offeror both in the evaluation process and for the performance of the work by the offeror selected for award. The Commission may require the offeror to substantiate the credentials, education, and employment history of its employees, subcontractor personnel, and consultants, through submission of copies of transcripts, diplomas, licenses, etc.

(b) The offeror shall submit the following material which constitutes its offer, as defined by FAR 2.101, in two separate and distinct parts at the date and time specified in * of the solicitation for receipt of sealed offers.

(1) Part 1—Solicitation Package/Offer. Two (2) original signed copies of this solicitation package/offer. All applicable sections must be completed by the offeror.
(2) Part 2—Cost Proposal. One (1) original and * copies of the “Cost Proposal.”

(i) The cost proposal shall be submitted separately from the Technical and Management Proposal or Oral Presentation and Supporting Documentation (as applicable).
(ii) The offeror’s request for an exception to submitting cost or pricing data shall be made in accordance with FAR 52.215–20(a).
(iii) If the contracting officer does not grant the offeror an exception from the requirement to submit cost or pricing data, the offeror’s cost proposal shall conform with the requirements of FAR 52.215–20(b). Cost information shall include pertinent details sufficient to show the elements of cost upon which the total cost is predicted in accordance with the requirement of FAR 52.215–20 (b)(1).
(iv) When the offeror’s estimated cost for the proposed work exceeds $100,000 and the duration of the contract period exceeds six months, the offeror shall submit a Contractor Spending Plan (CSP) as part of its cost proposal. Guidance for completing the CSP is attached.

(v) For any subcontract discussed under the Technical and Management Proposal or Oral Presentation Material, provide supporting documentation on the selection process, i.e., competitive vs. noncompetitive, and the cost evaluation.

(c) “Written Technical and Management Proposal” or “Oral Presentation and Supporting Documentation” (as applicable). One (1) original and * copies.

(i) The written Technical and Management Proposal or Oral Presentation and Supporting Documentation may not contain any reference to cost. Resource information, such as data concerning labor hours and categories, materials, subcontracts, travel, computer time, etc., must be included so that the offeror’s understanding of the scope of work may be evaluated.
(2) The offeror shall submit in the written Technical and Management Proposal or Oral Presentation and Supporting Documentation full and complete information as set forth below to permit the Government to make a thorough evaluation and a sound determination that the proposed approach will have a reasonable likelihood of meeting the requirements and objectives of this procurement.

(3) The written Technical Proposal or Oral Presentation and Supporting Documentation must be tailored to assure that all information reflects a one-to-one relationship to the evaluation criteria.

(4) Statements which paraphrase the statement of work without communicating the specific approach proposed by the offeror, or statements to the effect that the offeror’s understanding can or will comply with the statement of work may be construed as an indication of the offeror’s lack of understanding of the statement of work and objectives.

(d) Written Technical or Oral Presentation and Supporting Documentation Requirements—Instructions.

*To be incorporated into the solicitation.

(End of provision)

Alternate 1 (OCT 1999). As prescribed at 2015.209–70(b)(2), this Alternate 1 may be used for solicitations for negotiated task orders. Include the following paragraph (iv) in place of paragraph (b)(2)(iv) of the basic provision:

(b)(2)(iv) The offeror’s cost proposal shall be based on the NRC’s estimated level of effort. The NRC’s estimated level of effort for this procurement is approximately * professional and * clerical staff-years for the duration of this contract. This information is advisory and is not to be considered as the sole basis for the development of the staffing plan. For the purposes of the Government estimate, 2000 hours constitute a staff year. The total estimated cost proposed by the offeror is used for evaluation purposes only. Any resultant contract, except a requirements contract, contains an overall cost ceiling whereby individual task orders may be issued. The cost and fee, if any, for each task order is individually negotiated and also contains a cost ceiling.

Alternate 2 (OCT 1999). As proposed at 2015.209–70(b)(3), Alternate 2 may be used for solicitations for negotiated fixed price, labor hour, or time and materials contracts. Substitute the following paragraph (b)(2)(ii) for the paragraph (b)(2)(ii) of the basic provision, delete paragraphs (b)(2)(iii)–(iv) of the basic provision, and renumber the remaining paragraphs.

(ii) Submittal of information other than cost or pricing data shall be made in accordance with FAR 52.215–20 Alternate IV.

2052.215–76 Preproposal conference.

As prescribed at 2015.407–70(c), the contracting officer may insert the following provision in applicable solicitations which include a preproposal conference:

PREPROPOSAL CONFERENCE (JAN 1993)

(a) A preproposal conference is scheduled for:

Date: *
Location: *
Time: *

(b) This conference is to afford interested parties an opportunity to present questions and clarify uncertainties regarding this solicitation. You are requested to mail written questions concerning those areas of uncertainty which, in your opinion, require clarification or correction. You are encouraged to submit your questions in writing not later than * working day(s) before the conference date. Receipt of late questions may result in the questions not being answered at the conference although they will be considered in preparing any necessary amendment to the solicitation. If you plan to attend the conference, notify * by letter or telephone *, no later than close of business *. Notification of your intention to attend is essential in the event the conference is rescheduled or canceled. (Optional statement: Due to space limitations, each potential offeror is limited to * representatives at the conference.)

(d) The envelope must be marked “Solicitation No. */Preproposal Conference.”

*To be incorporated into the solicitation.

(End of provision)

2052.215–77 Travel approvals and reimbursement.

As prescribed at 2015.209–70(d), the contracting officer shall insert the following clause in cost reimbursement solicitations and contracts which require travel but do not set a specific
ceiling amount on that travel. Requests for foreign travel must be submitted to the NRC 30 days in advance of the travel date.

**TRAVEL APPROVALS AND REIMBURSEMENT**

(OCT 1999)

(a) All foreign travel must be approved in advance by the NRC on NRC Form 445, Request for Approval of Official Foreign Travel, and must be in compliance with FAR 52.247–63 Preference for U.S. Flag Air Carriers. The contractor shall submit NRC Form 445 to the NRC no later than 30 days before beginning travel.

(b) The contractor must receive written approval from the NRC Project Officer before taking travel that was unanticipated in the Schedule (i.e., travel not contemplated in the Statement of Work, or changes to specific travel identified in the Statement of Work).

(c) The contractor will be reimbursed only for travel costs incurred that are directly related to this contract and are allowable subject to the limitations prescribed in FAR 31.205–46.

(d) It is the responsibility of the contractor to notify the contracting officer in accordance with the FAR Limitations of Cost clause of this contract when, at any time, the contractor learns that travel expenses will cause the contractor to exceed the travel ceiling amount identified in paragraph (a) of this clause.

(e) Reasonable travel costs for research and related activities performed at State and nonprofit institutions, in accordance with Section 12 of Pub. L. 100–679, must be charged in accordance with the contractor’s institutional policy to the degree that the limitations of Office of Management and Budget (OMB) guidance are not exceeded. Applicable guidance documents include OMB Circular A–87, Cost Principles for State and Local Governments; OMB Circular A–122, Cost Principles for Nonprofit Organizations; and OMB Circular A–21, Cost Principles for Educational Institutions.

*(To be incorporated into any resultant contract.)*

(End of clause)

**2052.215–79 Travel approvals and reimbursement—Alternate 1.**

As prescribed in 2015.209(a)(1), the contracting officer shall insert the following provision in solicitations when technical merit is more important than cost:

**CONTRACT AWARD AND EVALUATION OF PROPOSALS**

(OCT 1999)

(a) By use of narrative and numerical (as appropriate) scoring techniques, proposals are evaluated against the evaluation factors specified in paragraph * below. These factors are listed in their relative order of importance.

(b) The Government intends to award a contract or contracts resulting from this solicitation to the responsible offeror(s) whose
(a) A separate cost analysis is performed on each cost proposal. To provide a common basis for evaluation of cost proposals, the level of effort data must be expressed in staff hours. Where a Contractor Spending Plan (CSP) is required by other provisions of this solicitation, consideration is given to the Plan for completeness, reasonableness, and as a measure of effective management of the effort.

*(To be incorporated into the solicitation.)*

(End of provision)

Alternate 1 (OCT 1999). As prescribed at 2015.209-70(e)(2), Alternate 1 may be used when proposals are to be evaluated on a lowest price, technically acceptable basis. Substitute the following paragraph for paragraph (b) in the clause at 2052.215-79:

(b) Although technical merit in the evaluation criteria set forth below is a factor in the evaluation of proposals, award will be made on the basis of the lowest evaluated price of proposals meeting or exceeding the acceptability standards for non-cost factors.

Alternate 2 (OCT 1999). As prescribed at 2015.209-70(e)(2), Alternate 2 may be used when cost and technical merit are of equal significance. Substitute the following paragraph for paragraph (b) in the clause at 2052.215-79:

(b) In the selection of a contractor, technical merit in the evaluation criteria set forth below and cost bear equal significance. To be selected for an award, the proposed cost must be realistic and reasonable.

2052.216-70 Level of effort.

As prescribed at 2016.307-70(a) the contracting officer shall insert the following provision in solicitations for negotiated procurements containing labor costs other than maintenance services, to be awarded on a cost reimbursement, cost sharing, cost-plus-award-fee, cost-plus-fixed-fee, time and materials, or labor hours basis.

**LEVEL OF EFFORT (JAN 1993)**

The NRC's estimate of the total effort for this project is approximately * professional and * clerical staff-years for the duration of this contract. This information is advisory and is not to be considered as the sole basis for the development of the staffing plan. For the purposes of the Government estimate, 2000 hours constitute a staff year.

*(To be incorporated into any resultant contract.*
End of provision

2052.216–71 Indirect cost rates.

As prescribed at 2016.307–70(b), the contracting officer may insert the following clause in solicitations and contracts where provisional rates without ceiling apply:

INDIRECT COST RATES (JAN 1993)

(a) Pending the establishment of final indirect rates which must be negotiated based on audit of actual costs, the contractor shall be reimbursed for allowable indirect costs as follows:

(b) The contracting officer may adjust these rates as appropriate during the term of the contract upon acceptance of any revisions proposed by the contractor. It is the contractor’s responsibility to notify the contracting officer in accordance with FAR 52.232–20, Limitation of Cost, or FAR 52.232–22, Limitation of Funds, as applicable, if these changes affect performance of work within the established cost or funding limitations.

*To be incorporated into any resultant contract.

(End of clause)

2052.216–72 Task order procedures.

As prescribed at 2016.506–70(a), the contracting officer may insert the following clause in applicable solicitations and contracts where provisional rates with ceilings apply:

INDIRECT COSTS (CEILING)—ALTERNATE 2 (OCT 1999)

(a) For this contract, the ceiling amount reimbursable for indirect costs is as follows:

(b) In the event that indirect rates developed by the cognizant audit activity on the basis of actual allowable costs result in a lower amount for indirect costs, the lower amount will be paid. The Government may not be obligated to pay any additional amounts for indirect costs above the ceiling rates set forth above for the applicable period.

*To be incorporated into any resultant contract.

(End of clause)
(4) Key personnel;
(5) Applicable special provisions; and
(6) Total task order amount including any fixed fee.

(End of clause)

2052.216–73 Accelerated task order procedures.

As prescribed at 2016.506–70(b), the contracting officer may insert the following clause in applicable solicitations and contracts that contain task order procedures. This clause may be altered to fit the circumstances of the requirement.

ACCELERATED TASK ORDER PROCEDURES (JAN 1993)

(a) The NRC may require the contractor to begin work before receiving a definitized task order from the contracting officer. Accordingly, when the contracting officer verbally authorizes the work, the contractor shall proceed with performance of the task order subject to the monetary limitation established for the task order by the contracting officer.

(b) When this accelerated procedure is employed by the NRC, the contractor agrees to begin promptly negotiating with the contracting officer the terms of the definitive task order and agrees to submit a cost proposal with supporting cost or pricing data. If agreement on a definitized task order is not reached by the target date mutually agreed upon by the contractor and contracting officer, the contracting officer may determine a reasonable price and/or fee in accordance with subpart 15.8 and part 31 of the FAR, subject to contractor appeal as provided in 52.233–1, Disputes. In any event, the contractor shall proceed with completion of the task order subject only to the monetary limitation established by the contracting officer and the terms and conditions of the basic contract.

(End of clause)

2052.222–70 Drawings, designs, specifications, and other data.

As prescribed at 2027.305–70, the contracting officer shall insert the following clause in all solicitations and contracts in which drawings, designs, specifications, and other data will be developed and the NRC must retain full rights to them (except for the contractor’s right to retain a copy for its own use). When any of the clauses prescribed at FAR 27.409 are included in the solicitation and contract, this clause will not be used.

DRAWINGS, DESIGNS, SPECIFICATIONS, AND OTHER DATA (JAN 1993)

All drawings, sketches, designs, design data, specifications, notebooks, technical and scientific data, and all photographs, negatives, reports, findings, recommendations, other data and memoranda of every description relating thereto, as well as all copies of the foregoing relating to the work or any part thereto, are subject to inspection by the Commission at all reasonable times. Inspection of the proper facilities must be afforded the Commission by the contractor and its subcontractors. These data are the property of the Government and may be used by the Government for any purpose whatsoever without any claim on the part of the contractor and its subcontractors and vendors for additional compensation and must, subject to the right of the contractor to retain a copy of the material for its own use, be delivered to the Government, or otherwise disposed of by the contractor as the contracting officer may direct during the progress of the work or upon completion or termination of this contract. The contractor’s right of retention and use is subject to the security, patent, and use of information provisions, if any, of this contract.

(End of provision)
**2052.231–70** Precontract costs.

As prescribed in 2031.109–70, the following clause may be used in all cost type contracts when costs in connection with work under the contract will be incurred by the contractor before the effective date of the contract. Approval for use of this clause must be obtained at one level above the contracting officer.

**PRECONTRACT COSTS (JAN 1993)**

Allowable costs under this contract include costs incurred by the contractor in connection with the work covered by this contract during the period from * and including * to the effective date of this contract that would have been allowable under the terms of this contract if this contract had been in effect during that period. However, the costs may not in aggregate exceed * which is included in the estimated cost of this contract.

*To be incorporated into any resultant contract.

(End of clause)

**2052.235–70** Publication of research results.

As prescribed in 2035.70(a)(1), the contracting officer shall insert the following clause in applicable solicitations and contracts for research and development by private contractors and universities and for other technical services as appropriate.

**PUBLICATION OF RESEARCH RESULTS (OCT 1999)**

(a) The principal investigator(s) contractor shall comply with the provisions of NRC Management Directive 3.6 (Vol. 3, Part 1) and NRC Handbook 3.6 (Part I-IV) regarding publication in refereed scientific and engineering journals or dissemination to the public of any information, oral or written, concerning the work performed under this contract. Failure to comply with this clause shall be grounds for termination of this contract.

(b) The principal investigator(s) contractor may publish the results of this work in refereed scientific and engineering journals or in open literature and present papers at public or association meetings at interim stages of work. In addition to submitting to NRC the final reports and other deliverables required under this contract, however, such publication and papers shall focus on advances in science and technology and minimize conclusions and/or recommendations which may have regulatory implications.

(c) The principal investigator(s) shall coordinate all such publications with, and transmit a copy of the proposed article or paper to, the NRC Contracting Officer or Project Officer, prior to publication. The NRC agrees to review and provide comments within thirty (30) days after receipt of a proposed publication. However, in those cases where the information to be published is (1) subject to Commission approval, (2) has not been ruled upon, or (3) disapproved by the Commission, the NRC reserves the right to disapprove or delay the publication. Further, if the NRC disagrees with the proposed publication for any reason, it reserves the right to require that any publication not identify the NRC’s sponsorship of the work and that any associated publication costs shall be borne by the contractor.

(End of clause)

**2052.235–71** Safety, health, and fire protection.

As prescribed in 2035.70(a)(2), the contracting officer shall insert the following clause in applicable solicitations and contracts for research and development by private contractors and universities and for other technical services as appropriate:

**SAFETY, HEALTH, AND FIRE PROTECTION (JAN 1993)**

The contractor shall take all reasonable precautions in the performance of the work under this contract to protect the health and safety of its employees and of members of the public, including NRC employees and contractor personnel, and to minimize danger from all hazards to life and property. The contractor shall comply with all applicable health, safety, and fire protection regulations and requirements (including reporting requirements) of the Commission and the Department of Labor. If the contractor fails to comply with these regulations or requirements, the contracting officer may, without prejudice to any other legal or contractual rights of the Commission, issue an order stopping all or any part of the work. Thereafter, a start work order for resumption of work may be issued at the discretion of the contracting officer. The contractor may not make a claim for an extension of time or for compensation or damages by reason of, or in connection with, this type of work stoppage.
2052.242–70 Resolving differing professional views.

As prescribed in 2042.570–1, the contracting officer shall insert the following clause in the body of cost reimbursement solicitations and contracts for professional services, as appropriate. This clause may not be altered by the contracting officer.

RESOLVING NRC CONTRACTOR DIFFERING PROFESSIONAL VIEWS (DPVs) (DATE)

(a) The Nuclear Regulatory Commission’s (NRC) policy is to support the contractor’s expression of professional health and safety related concerns associated with the contractor’s work for NRC that may differ from a prevailing NRC staff view, disagree with an NRC decision or policy position, or take issue with proposed or established agency practices. An occasion may arise when an NRC contractor, contractor’s personnel, or subcontractor personnel believes that a conscientious expression of a competent judgment is required to document such concerns on matters directly associated with its performance of the contract. The NRC’s policy is to support these instances as Differing Professional Views (DPVs).

(b) The procedure that will be used provides for the expression and resolution of differing professional views (DPVs) of health and safety related concerns associated with the mission of the agency by NRC contractors, contractor personnel or subcontractor personnel on matters directly associated with its performance of the contract. This procedure may be found in Attachments to this document. The contractor shall provide a copy of the NRC DPV procedure to all of its employees performing under this contract and to all subcontractors who shall, in turn, provide a copy of the procedure to its employees. The prime contractor or subcontractor shall submit all DPV’s received but need not endorse them.

(End of clause)

2052.242–71 Procedures for Resolving Differing Professional Views.

As prescribed in 2042.570–2(b), the contracting officer shall include the following clause as an attachment to cost reimbursement solicitations and contracts for professional services, as appropriate. This clause may not be altered by the contracting officer.

PROCEDURES FOR RESOLVING NRC CONTRACTOR DIFFERING PROFESSIONAL VIEWS (DPVs) (OCT 1999)

(a) The following procedure provides for the expression and resolution of differing professional views (DPVs) of health and safety related concerns of NRC contractors and contractor personnel on matters connected to the subject of the contract. Subcontractor DPVs must be submitted through the prime contractor. The prime contractor or subcontractor shall submit all DPV’s received but need not endorse them.

(b) The NRC may authorize up to eight reimbursable hours for the contractor to document, in writing, a DPV by the contractor, the contractor’s personnel, or subcontractor personnel. The contractor shall not be entitled to any compensation for effort on a DPV which exceeds the specified eight hour limit.

(c) Before incurring costs to document a DPV, the contractor shall first determine whether there are sufficient funds obligated under the contract which are available to cover the costs of writing a DPV. If there are insufficient obligated funds under the contract, the contractor shall first request the NRC contracting officer for additional funding to cover the costs of preparing the DPV and authorization to proceed.

(d) Contract funds shall not be authorized to document an allegation where the use of this NRC contractor DPV process is inappropriate. Examples of such instances are: allegations of wrongdoing which should be addressed directly to the NRC Office of the Inspector General (OIG), issues submitted anonymously, or issues raised which have already been considered, addressed, or rejected, absent significant new information. This procedure does not provide anonymity. Individuals desiring anonymity should contact the NRC OIG or submit the information under NRC’s Allegation Program, as appropriate.

(e) When required, the contractor shall initiate the DPV process by submitting a written statement directly to the NRC Office Director or Regional Administrator responsible for the contract, with a copy to the Contracting Officer, Division of Contracts and Property Management, Office of Administration. Each DPV submitted will be evaluated on its own merits.

(f) The DPV, while being brief, must contain the following as it relates to the subject matter of the contract:

(1) A summary of the prevailing NRC view, existing NRC decision or stated position, or the proposed or established NRC practice.

(2) A description of the submitter’s views and how they differ from any of the above items.
(3) The rationale for the submitter’s views, including an assessment based on risk, safety and cost benefit considerations of the consequences should the submitter’s position not be adopted by NRC.

(g) The Office Director or Regional Administrator will immediately forward the submittal to the NRC DPV Review Panel and acknowledge receipt of the DPV, ordinarily within five (5) calendar days of receipt.

(h) The panel will normally review the DPV within seven calendar days of receipt to determine whether enough information has been supplied to undertake a detailed review of the issue. Typically, within 30 calendar days of receipt of the necessary information to begin a review, the panel will provide a written report of its findings to the Office Director or Regional Administrator and to the Contracting Officer, which includes a recommended course of action.

(i) The Office Director or Regional Administrator will consider the DPV Review Panel’s report, make a decision on the DPV and provide a written decision to the contractor and the Contracting Officer normally within seven calendar days after receipt of the panel’s recommendation.

(j) Subsequent to the decision made regarding the DPV Review Panel’s report, a summary of the issue and its disposition will be included in the NRC Weekly Information Report submitted by the Office Director. The DPV file will be retained in the Office or Region for a minimum of one year thereafter. For purposes of the contract, the DPV shall be considered a deliverable under the contract. Based upon the Office Director or Regional Administrator’s report, the matter will be closed.

SUBCHAPTER A—GENERAL

PART 2100 [RESERVED]

PART 2101—FEDERAL ACQUISITION REGULATIONS SYSTEM

Subpart 2101.1—Purpose, Authority, Issuance

Sec.
2101.101 Purpose.
2101.102 Authority.
2101.103 Applicability.
2101.104 Issuance.
2101.104–1 Publication and code arrangement.
2101.104–2 Arrangement of regulations.

Subpart 2101.3—Agency Acquisition Regulations

2101.301 Policy.
2101.370 Effective date of LIFAR amendments.

SOURCE: 58 FR 40372, July 28, 1993, as amended at 70 FR 41149, July 18, 2005

2101.103 Applicability.

The FAR is generally applicable to contracts negotiated in the FEGLI Program pursuant to 5 U.S.C. chapter 87. The LIFAR implements and supplements the FAR where necessary to identify basic and significant acquisition policies unique to the FEGLI Program.

2101.104 Issuance.

2101.104–1 Publication and code arrangement.

(a) The LIFAR and its subsequent changes are published in:

(1) Daily issues of the Federal Register; and

(b) The LIFAR does not replace or incorporate regulations found at 5 CFR part 870, which provide the substantive policy guidance for administration of the FEGLI Program under 5 U.S.C. chapter 87. The following is the order of precedence in interpreting a contract provision under the FEGLI Program:

(1) 5 U.S.C. chapter 87.
(2) 5 CFR part 870.
(3) 48 CFR chapters 1 and 21.
(4) The FEGLI Program contract.

2101.104–2 Arrangement of regulations.

(a) General. The LIFAR conforms with the arrangement and numbering system prescribed by FAR 1.104 and 1.303. However, when a FAR part or subpart is adequate for use without further OPM implementation or supplementation, there will be no corresponding LIFAR part, subpart, etc. The LIFAR is to be used in conjunction with the FAR and the order for use is:

(1) FAR;
(2) LIFAR.

(b) Citation. (1) In formal documents, such as legal briefs, citation of Chapter
Subpart 2101.3—Agency Acquisition Regulations

2101.301 Policy.

(a) Procedures, contract clauses, and other aspects of the acquisition process for contracts in the FEGLI Program shall be consistent with the principles of the FAR. Changes to the FAR that are otherwise authorized by statute or applicable regulation, dictated by the practical realities associated with certain unique aspects of life insurance, or necessary to satisfy specific needs of the Office of Personnel Management, to the extent not otherwise regulated in the FAR, shall be implemented as amendments to the LIFAR and published in the FEDERAL REGISTER, or as deviations to the FAR in accordance with FAR subpart 1.4.

(b) OPM may issue internal procedures, instructions, directives, and guides to clarify or implement the LIFAR within OPM. Clarifying or implementing procedures, instructions, directives, and guides issued pursuant to this section of the LIFAR must:

(1) Be consistent with the policies and procedures contained in this chapter as implemented and supplemented from time to time; and

(2) Follow the format, arrangement, and numbering system of this chapter to the extent practicable.

[58 FR 40372, July 28, 1993, as amended at 70 FR 41149, July 18, 2005]

2101.370 Effective date of LIFAR amendments.

(a) Except as provided in paragraphs (b) and (c) of this section, an amendment to the LIFAR is effective when promulgated or as provided in the amendment.

(b) Except as provided in paragraphs (c) and (d) of this section, if the LIFAR is amended in a manner which would increase the contractor’s costs or liabilities under the contract(s), the amendment will be made effective the October 1 subsequent to the amendment’s promulgation, unless the contractor(s) agree(s) in writing to an earlier date.

(c) Except as provided for in paragraph (d) of this section, if the LIFAR is amended between July 31 and October 1 in a manner which would increase the contractor’s costs or liabilities under the contract(s), the amendment will not be effective until the October 1 in the year following the amendment’s promulgation, unless the contractor(s) agree(s) in writing to an earlier date.

(d) Paragraphs (b) and (c) of this section are not applicable to amendments that are necessary to implement new or existing legislation.

(e) OPM will not initiate any changes to the LIFAR during a continuity of services period, as discussed in section 2152.237-70 of this chapter.

[58 FR 40372, July 28, 1993, as amended at 70 FR 41149, July 18, 2005]

PART 2102—DEFINITIONS OF WORDS AND TERMS

Subpart 2102.1—Definitions

2102.101 Definitions.

In this chapter, unless otherwise indicated, the following terms have the meaning set forth in this subpart.

Contract means a policy or policies of group life and accidental death and dismemberment insurance to provide the benefits specified by 5 U.S.C. chapter 87.

Contractor means an insurance company contracted to provide the benefits specified by 5 U.S.C. chapter 87.

Contract price means premium.

Contract year means October 1 through September 30. Also referred to as contract term.

Director means the Director of the Office of Personnel Management.

Employees’ Life Insurance Fund means the trust fund established under 5 U.S.C. 8714.

Enrollee means the insured, or, where applicable, the assignee.
FEGLI Program means the Federal Employees’ Group Life Insurance Program.

Fixed price with limited cost redetermination plus fixed fee contract means a contract which provides for:

(1) A fixed price during the contract year with a cost element that is adjusted at the end of the contract term based on costs incurred under the contract; and

(2) A profit or fee that is fixed at the beginning of the contract term. The amount of adjustment for costs is limited to the amount in the Employees’ Life Insurance Fund. The fee will be in the form of either a risk charge or a service charge.

Grace period means 31 days from and including the payment due date of the first business day of the month.

Insurance company, as provided in 5 U.S.C. 8709, means a company licensed to transact life and accidental death and dismemberment insurance under the laws of all the States and the District of Columbia. It must have in effect, on the most recent December 31 for which information is available to the Office of Personnel Management, an amount of employee group life insurance equal to at least 1 percent of the total amount of employee group life insurance in the United States in all life insurance companies.

OPM means the United States Office of Personnel Management.

Premium means an amount intended to cover the estimated annual benefits and administrative costs plus a fixed service or risk charge, made available to the Contractor in 12 equal installments. At the end of the contract year, a reconciliation of premiums, benefits, and other costs is performed as a limited cost redetermination.

Reinsurer means a company that reinsures portions of the total amount of insurance under the contract as specified in 5 U.S.C. 8710 and is not an agent or representative of the Contractor.

Subcontract means a contract entered into by any subcontractor that furnishes supplies or services for performance of a prime contract under the FEGLI Program. Except for the purpose of FAR subpart 22.8—Equal Employment Opportunity, the term subcontractor does not include reinsurers under the FEGLI Program.

[70 FR 41149, July 18, 2005]

PART 2103—IMPROPER BUSINESS PRACTICES AND PERSONAL CONFLICTS OF INTEREST

Subpart 2103.5—Other Improper Business Practices

Sec. 2103.570 Misleading, Deceptive, or Unfair Advertising.

(a) OPM, or the Contractor with the approval of OPM, makes available to Federal employees a booklet describing the provisions of the FEGLI Program, which includes information about eligibility, enrollment, and general procedures. The booklet, along with valid election documents, serves as certification of the employee’s coverage under the FEGLI Program. Any marketing/advertising directed specifically at Federal employees and life insurance contacts with Federal employees for the purpose of selling FEGLI Program coverage must be approved by OPM in advance.

(b) The Contractor is prohibited from making incomplete and/or incorrect comparisons or using disparaging or minimizing techniques to compare its other products or services to those of the FEGLI Program. The Contractor agrees that any advertising material...
authorized and released by the Contractor which mentions the FEGLI Program will be truthful and not misleading and will present an accurate statement of FEGLI Program benefits. The Contractor will use reasonable efforts to assure that agents selling its other products are aware of and abide by this prohibition.

(c) The contractor’s failure to conform to the requirements of this subpart shall be considered by OPM in the determination of the service charge prenegotiation objective.

[58 FR 40373, July 28, 1993, as amended at 70 FR 41150, July 18, 2005]

2103.571 Contract clause.

The clause at 2152.203–70 shall be inserted in FEGLI Program contracts and in subcontracts.

PART 2104—ADMINISTRATIVE MATTERS

Subpart 2104.7—Contractor Records Retention

Sec. 2104.703 Policy.

Subpart 2104.9—Taxpayer Identification Number

2104.9001 Contract clause.

Subpart 2104.70—Designation of Authorized Personnel

2104.7001 Designation of authorized personnel.

SOURCE: 58 FR 40373, July 28, 1993, unless otherwise noted.

Subpart 2104.7—Contractor Records Retention

2104.703 Policy.

In view of the unique payment schedules of FEGLI Program contracts and the compelling need for records retention periods sufficient to protect the Government’s interest, contractors shall be required to maintain records for periods determined in accordance with the provisions of FAR 4.703(b)(1) and LIFAR 2115.106–270.

Subpart 2104.9—Taxpayer Identification Number

2104.9001 Contract clause.

The clause at 2152.204–70 of this chapter must be inserted in all FEGLI Program contracts.

[70 FR 41150, July 18, 2005]

Subpart 2104.70—Designation of Authorized Personnel

2104.7001 Designation of authorized personnel.

The contractor shall notify the contracting officer in writing of the name(s), title(s), and address(es) of the individual(s) authorized to act on behalf of the contractor regarding a LIFAR Program contract. The notice shall include any restriction(s) upon the authority of the individual(s). Any change to the notice must also be provided to the contracting officer in writing.
SUBCHAPTER B—ACQUISITION PLANNING

PART 2105—PUBLICIZING CONTRACT ACTIONS

Subpart 2105.70—Applicability

2105.7001 Applicability.
FAR part 5 has no practical application to the FEGLI Program because the requirements for eligible contractors (i.e., qualified life insurance companies) are stated in 5 U.S.C. 8709.
[70 FR 41150, July 18, 2005]

PART 2106—COMPETITION REQUIREMENTS

Subpart 2106.70—Applicability

2106.7001 Applicability.
FAR part 6 has no practical application to the FEGLI Program because 5 U.S.C. chapter 87 exempts the FEGLI Program from competitive bidding.
[70 FR 41150, July 18, 2005]

PART 2109—CONTRACTOR QUALIFICATIONS

Subpart 2109.4—Debarment, Suspension, and Ineligibility

Sec.
2109.408 Certification regarding debarment, suspension, proposed debarment and other responsibility matters.

2109.409 Certification and contract clause.

(a) The contracting officer may require the precontract certificate in 2152.209-70 to be filed prior to or during negotiations.

(b) The contracting officer shall insert the clause at 2152.209-71 in all FEGLI Program contracts.

Subpart 2109.70—Minimum Standards for FEGLI Program Contractors

2109.7001 Minimum standards for FEGLI Program contractors.

(a) The Contractor must meet the requirements of chapter 87 of title 5, United States Code; part 870 of title 5, Code of Federal Regulations; chapter 1 of title 48, Code of Federal Regulations; and the standards in this subpart. The Contractor must continue to meet these and the following statutory and regulatory requirements while under contract with OPM. Failure to meet these requirements and standards is cause for OPM’s termination of the contract in accordance with part 2149 of this chapter.

(b) The contractor must actually be engaged in the life insurance business and must be licensed to transact life and accidental death and dismemberment insurance under the laws of all the States and the District of Columbia at the time of application.

Source: 58 FR 40374, July 28, 1993, unless otherwise noted.
(c) The contractor must not be a Federal, State, local or territorial government entity.

(d) The contractor must not be debarred, suspended or ineligible to participate in Government contracting or subcontracting for any reason.

(e) The contractor must keep statistical and financial records regarding the FEGLI Program separate from that of all its other lines of business.

(f) The Contractor agrees to enter into annual premium rate redeterminations with OPM.

(g) The Contractor must furnish such reasonable reports as OPM determines are necessary to administer the FEGLI Program. The cost of preparation of such reports will be considered an allowable expense within the administrative expense ceiling defined in section 2152.231–70 of this chapter.

(h) The contractor must establish and maintain a system of internal control that provides reasonable assurance that:

1. The payment of claims and other expenses is in compliance with legal, regulatory, and contractual guidelines;

2. Funds, property, and other FEGLI Program assets are safeguarded against waste, loss, unauthorized use, or misappropriation;

3. Revenues and expenditures applicable to FEGLI Program operations are properly recorded and accounted for to permit the preparation of reliable financial reporting and to maintain accountability over assets; and,

4. Data are accurately and fairly disclosed in all reports required by OPM.

(i) The contractor must permit representatives of OPM and of the General Accounting Office to audit and examine books and accounts pertaining to the FEGLI Program at such reasonable times and places as may be designated by OPM or the General Accounting Office.

[58 FR 40374, July 28, 1993, as amended at 70 FR 41150, July 18, 2005]
must be able to allocate investment income to the FEGLI Program in an appropriate manner. If the Contractor fails to invest funds on hand, properly allocate investment income, or credit any income due to the contract, for whatever reason, it must return or credit any investment income lost to OPM or the FEGLI Program, retroactive to the date that such funds should have been originally invested, allocated, or credited in accordance with the clause at 2152.210–70 of this chapter.

[70 FR 41150, July 18, 2005]
SUBCHAPTER C—CONTRACTING METHODS AND CONTRACT TYPES

PART 2114—SEALED BIDDING

Subpart 2114.70—Applicability

2114.7001 Applicability.

FAR part 14 has no practical application to the FEGLI Program because 5 U.S.C. chapter 87 exempts the FEGLI Program from competitive bidding.

[70 FR 41151, July 18, 2005]

PART 2115—CONTRACTING BY NEGOTIATION

Sec. 2115.070 Negotiation authority.

2115.071 Specific retention periods: Contract clause.

Subpart 2115.1—Source Selection Processes and Techniques

2115.170 Applicability.

FAR subpart 15.1 has no practical application to the FEGLI Program because prospective contractors (insurance companies) are considered for inclusion in the FEGLI Program in accordance with criteria provided in 5 U.S.C. chapter 87, LIFAR 2109.7001, and LIFAR 2115.370.

[70 FR 41151, July 18, 2005]

Subpart 2115.2—Solicitation and Receipt of Proposals and Information

2115.270 Applicability.

(a) FAR subpart 15.2 has no practical application to the FEGLI Program because 5 U.S.C. chapter 87 exempts the FEGLI Program from competitive bidding.

(b) OPM will announce any opportunities to submit applications to provide life insurance through the FEGLI Program in insurance industry periodicals and other publications as deemed appropriate by OPM. The announcement will contain information on the address to which requests for application packages should be submitted and on deadline dates for submission of completed applications.

(c) Eligible contractors (i.e., qualified life insurance companies) are identified in accordance with 5 U.S.C. 8709. Prospective contractors voluntarily come
forth in accordance with procedures provided in section 2115.370.

(d) OPM may approve one or more life insurance companies that, in its judgment, are best qualified to provide life insurance coverage to Federal enrollees.

Subpart 2115.3—Source Selection

2115.370 Applicability.

FAR subpart 15.3 has no practical application to the FEGLI Program because prospective contractors (insurance companies) are considered for inclusion in the FEGLI Program in accordance with criteria provided in 5 U.S.C. chapter 87, LIFAR 2109.7001, and the following:

(a) Applications must be signed by an individual with legal authority to enter into a contract on behalf of the company for the dollar level of claims and expenses anticipated.

(b) Applications will be reviewed for evidence of substantial compliance in the following areas:

(1) Management: Stable management with experience pertinent to the life insurance industry and, in particular, large group management; sufficient operating experience to enable OPM to evaluate past and expected future performance.

(2) Marketing: Past ability to attract and retain large group contracts; steady or increasing amount of group life insurance in force.

(3) Legal expertise: Demonstrated competence in researching, compiling, and implementing various Federal and State laws that may impact payment of benefits; ability to defend legal challenges to payment of benefits.

(4) Financial condition: Establishment of firm budget projections and demonstrated success in keeping costs at or below those projections on a regular basis; evidence of the ability to sustain operations in the future and to meet obligations under the contract OPM might enter into with the company; adequate reserve levels; assets exceeding liabilities.

(5) Establishment of office: Ability to establish an administrative office capable of assessing, tracking, and paying claims.

(6) Internal controls: Ability to establish and maintain a system of internal control that provides reasonable assurance that the payment of claims and other expenses will be in compliance with legal, regulatory, and contractual guidelines; funds, property, and other FEGLI Program assets will be safeguarded against waste, loss, unauthorized use, or misappropriation; and revenues and expenditures applicable to FEGLI Program operations will be properly recorded and accounted for to permit the preparation of timely and accurate financial reporting and to maintain accountability over assets.

Subpart 2115.4—Contract Pricing

2115.402 Policy.

Pricing of FEGLI Program premium rates is governed by 5 U.S.C. 8707, 8708, 8711, 8714a, 8714b, and 8714c. FAR subpart 15.4 will be implemented by applying cost analysis policies and procedures. To the extent that reasonable or good faith actuarial estimates are used for pricing, such estimates will be deemed acceptable and, if inaccurate, will not constitute defective pricing.

[70 FR 41151, July 18, 2005]

2115.404–70 Profit.

(a) Risk charge. (1) Section 8711(d) of title 5, United States Code, provides for payment of a risk charge to FEGLI Program contractors as compensation for the risk assumed under the FEGLI Program. It is appropriate to pay such a charge when substantial risk is borne by the contractor; that is, when the balance in the Employees’ Life Insurance Fund is no larger than five times annual claims.

(2) The risk charge is determined by agreement between the contractor and OPM. The amount of risk charge shall be specified in the contract.

(b) Waiver of the risk charge. (1) When the Fund balance is greater than five times annual claims, OPM and the contractor may agree that the contractor will relinquish the risk charge in favor of a profit opportunity in the form of a
service charge for the contractor. The service charge so determined shall be
the total service charge that may be negotiated for the contract and shall
encompass any service charge (whether entitled service charge, profit, fee, con-
tribution to surpluses, etc.) that may have been negotiated by the prime con-
tractor with any subcontractor. At no

time may both a risk charge and a

service charge be paid for the same

portion of a policy year.

(2) Once agreement to relinquish the

risk charge is made, the agreement

may not be cancelled unless OPM and

the Contractor mutually agree to re-
institute payment of a risk charge; or

unless the Fund balance falls below the

level defined in 2115.404–70(a) and 30
days’ notice of cancellation is pro-
vided; or unless the Contractor or OPM
provides notice of cancellation for any
reason 1 year prior to the date can-
cellation is sought.

(c) Any profit prenegotiation objec-
tive (service charge) will be determined
on the basis of a weighted guidelines
structured approach.

(58 FR 40375, July 28, 1993. Redesignated and
amended at 70 FR 41151, July 18, 2005)

2115.404–71 Profit analysis factors.

(a) The OPM Contracting Officer will
apply a weighted guidelines method
when developing the prenegotiation ob-
tective (service charge) for the FEGLI
Program contract. In accordance with
the factors defined in FAR 15.404–4(d),
OPM will apply the appropriate
weights derived from the ranges speci-
fied in paragraph (b) of this section and
will determine the prenegotiation ob-
tective based on the total dollar
amount of the Contractor’s Basic and
Option C (family optional insurance)
claims paid in the previous contract
year.

(1) Contractor performance. OPM will
consider such elements as the accurate
and timely processing of benefit
claims, the volume and validity of
complaints received by OPM, effective-
ness of internal controls systems in
place, the timeliness and adequacy of
reports on operations, and responsive-
ness to OPM offices, enrollees, bene-
cficiaries, and Congress as measures of
economical and efficient contract per-
formance. This factor will be judged
apart from the Contractor’s basic re-
sponsibility for contract compliance
and will be a measure of the extent and
nature of the Contractor’s contribution
to the FEGLI Program through the ap-
lication of managerial expertise and
effort. Evidence of effective contract
performance will receive a plus weight,
and poor performance or failure to
comply with contract terms and condi-
tions a zero weight. Innovations of ben-
efit to the FEGLI Program will gen-
erally receive a plus weight; docu-
mented inattention or indifference to
effective operations, a zero weight.

(2) Contract cost risk. OPM will evalu-
ate the Contractor’s risk annually in
relation to the amount in the Employ-
nees’ Life Insurance Fund and will
evaluate this factor accordingly.

(3) Federal socioeconomic programs.
OPM will consider documented evi-
dence of successful Contractor-initi-
ated efforts to support such Federal so-
cioeconomic programs as drug and sub-
stance abuse deterrents and other con-
cerns of the type enumerated in FAR
15.404–4(d)(1)(iii) as a factor in negoti-
ating profit. This factor will be related
to the quality of the Contractor’s poli-
cies and procedures and the extent of
exceptional effort or achievement dem-
onstrated. Evidence of effective sup-
port of Federal socioeconomic pro-
grams will result in a plus weight; in-
difference to Federal socioeconomic
programs will result in a zero weight;
and only deliberate failure to provide
opportunities to persons and organiza-
tions that would benefit from these
programs will result in a negative
weight.

(4) Capital investments. This factor is
generally not applicable to FEGLI Pro-
gram contracts because facilities cap-
ital cost of money may be an allowable
administrative expense. Generally, this
factor will be given a weight of zero.
However, special purpose facilities or
investment costs of direct benefit to
the FEGLI Program that are not recov-
erable as allowable or allocable admin-
istrative expenses may be taken into
account in assigning a plus weight.

(5) Cost control. This factor is based
on the Contractor’s previously dem-
onstrated ability to perform effectively
and economically. In addition, consid-
eration will be given to measures taken
by the Contractor that result in productivity improvements and other cost containment accomplishments that will be of future benefit to the FEGLI Program. Examples are containment of costs associated with processing claims; success at preventing waste, loss, unauthorized use, or misappropriation of FEGLI Program assets; and success at limiting and recovering erroneous benefit payments.

(6) Independent development. Consideration will be given to independent Contractor-initiated efforts, such as the development of a unique and enhanced customer support system, that are of demonstrated value to the FEGLI Program and for which developmental costs have not been recovered directly or indirectly through allowable or allocable administrative expenses. This factor will be used to provide additional profit opportunities based upon an assessment of the Contractor’s investment and risk in developing techniques, methods, practices, etc., having viability to the Program at large. Improvements and innovations recognized and rewarded under any other profit factor cannot be considered.

(7) Transitional services. This factor is based on the Contractor’s performance of transitional activities during a continuity of services period as described in the clause at 2152.237–70 of this chapter. These are any activities apart from the normal servicing of the contract during an active contract term. Other than for a transitional period, the weight applied to this factor for any active contract term is zero.

(b) The weight ranges for each factor to be used in the weighted guidelines approach are set forth in the following table:

form of either a risk charge or a service charge.

(a) Risk charge. The risk charge will be determined as prescribed in 5 U.S.C. 8711(d) and section 2115.404–70 of this chapter. It will consist of a negotiated amount which will reflect the risk assumed by the Contractor and the reinsurers and may be adjusted as a result of increased or decreased risk under the contract. When the applicable fee is a risk charge, no service charge will be paid for the same period of time.

(b) Service charge. The amount of the service charge will be determined using a weighted guidelines structured approach in accordance with section 2115.404–71 of this chapter and negotiated with the Contractor at the beginning of the contract term. When the applicable fee is a service charge, no risk charge will be paid for the same period of time.

2122.170 Contract clauses.

The provisions at FAR sections 52.222–21, 52.222–22, 52–222.25 are implemented by changing the word “offeror” to “Contractor” and the word “solicitation” to “contract” wherever they appear in the text to reflect the FEGLI Program’s statutory exemption from competitive bidding (5 U.S.C. 8709), which obviates the issuance of solicitations.

Subpart 2124.70—Protection of Individual Privacy

2124.102 General.

2124.102–70 Policy.

Records retained by FEGLI Program contractors on Federal insureds and members of their families serve the contractors’ own commercial function of paying FEGLI Program claims and are not maintained to accomplish an agency function of OPM. Consequently, the records do not fall within the provisions of the Privacy Act. Nevertheless, OPM recognizes the need for the contractors to keep certain records confidential. The clause at 2152.224–70 addresses this concern.

PART 2128—BONDS AND INSURANCE

Subpart 2128.3—Insurance

2128.370 Contract clause.

The contract clause at FAR 52.228–7 is a mandatory clause in FEGLI Program contracts, except paragraph (d) is modified as follows:

(d) The Government’s liability under paragraph (c) of this clause is limited to the amount available in the Employee’s Life Insurance Fund. Nothing in this contract shall be construed as implying that the Government will make additional funds available later or that Congress will appropriate funds later sufficient to meet deficiencies.

(a) 5 U.S.C. 8714(c)(1) prohibits the imposition of taxes, fees, or other monetary payment on FEGLI Program premiums by any State, the District of Columbia, the Commonwealth of Puerto Rico, or any political subdivision or governmental authority of those entities.

(b) Paragraph (a) of this section shall not be construed to exempt the contractor from the imposition, payment, or collection of a tax, fee, or other monetary payment on the net income or profit accruing to or realized by it from business conducted under the FEGLI Program if the tax, fee, or payment is applicable to a broad range of business activity.

2129.305 State and local tax exemptions.

(a) FAR 29.305 is modified for the FEGLI Program by substituting paragraph (b) of this section in the place of paragraph (b) of FAR 29.305.

(b) Furnishing proof of exemption. If a reasonable basis to sustain a claimed exemption exists, the seller will be furnished evidence of exemption if requested by the contractor and approved by the contracting officer or at the discretion of the contracting officer.

Subpart 2129.1—General

2129.170 Policy.

(a) OPM shall consider taxes as a FEGLI Program cost under 2131.205–41.

(b) For purposes of the limited cost redetermination of a FEGLI Program contract, taxes are not limited to those in effect as of the contract date, but shall include any taxes enacted, modified, or repealed, by legislative, judicial, or administrative means, during the contract year.

Subpart 2129.3—State and Local Taxes

2129.302 Application of State and local taxes to the Government.

(a) 5 U.S.C. 8714(c)(1) prohibits the imposition of taxes, fees, or other monetary payment on FEGLI Program premiums by any State, the District of Columbia, the Commonwealth of Puerto Rico, or any political subdivision or governmental authority of those entities.

(b) Paragraph (a) of this section shall not be construed to exempt the contractor from the imposition, payment, or collection of a tax, fee, or other monetary payment on the net income or profit accruing to or realized by it from business conducted under the FEGLI Program if the tax, fee, or payment is applicable to a broad range of business activity.

2129.305 State and local tax exemptions.

(a) FAR 29.305 is modified for the FEGLI Program by substituting paragraph (b) of this section in the place of paragraph (b) of FAR 29.305.

(b) Furnishing proof of exemption. If a reasonable basis to sustain a claimed exemption exists, the seller will be furnished evidence of exemption if requested by the contractor and approved by the contracting officer or at the discretion of the contracting officer.

SOURCE: 58 FR 40378, July 28, 1993, unless otherwise noted.

Subpart 2131.1—Applicability

2131.103 Contracts with commercial organizations.

The contracting officer shall incorporate the cost principles and procedures of FAR subpart 31.2 and this part by reference in all FEGLI Program contracts because of the nature of a fixed price with limited cost redetermination plus fixed fee contract.

2131.109 Advance agreements.

FAR 31.109 is applicable to FEGLI Program contracts, except that precontract costs and nonrecurring costs that exceed $100,000 will not be allowed in the absence of an advance agreement between OPM and any potential FEGLI Contractor.

2131.201 General.

The provisions of FAR 31.201–5 shall apply to income, rebates and other credits resulting from benefit payments that include, but are not limited to—

(a) Uncashed and returned checks.

(b) Refunds attributable to litigation with regard to payments of FEGLI Program life insurance monies.

(c) Erroneous benefit payment, refunds, overpayment, and duplicate payment recoveries.

(d) Escheatments.

2131.203 Indirect costs.

The provisions of FAR 31.203 apply to the allocation of indirect costs.

2131.205 Selected costs.

2131.205–1 Public relations and advertising costs.

The provisions of FAR 31.205–1 shall be modified to include the following:

(a) Costs of media messages are allowable if approved by the contracting officer and all of the following criteria are met:

1. The primary objective of the message is to disseminate information on general health and fitness or encouraging healthful lifestyles;

2. The costs of the contractor's messages are allocated to all underwritten and non-underwritten lines of business; and

3. The contracting officer approves the total dollar amount of the contractor's messages to be charged to the FEGLI Program in advance of the policy year.

(b) Costs of media messages that inform enrollees about the FEGLI Program are allowable if approved by the contracting officer.

(c) In those instances where contracting officer approval of the total dollar amount is not solicited in advance, it is incumbent upon the contractor to show the contracting officer, for subsequent approval, that the costs
are reasonable and do not unduly burden the administrative cost to the contract.

(d) Costs of messages that are intended to, or which have the primary effect of, calling favorable attention to the contractor or subcontractor for the purpose of enhancing its overall image or selling its product or services are not allowable.

2131.205–3 Bad debts.

Erroneous benefit payments. If the contractor or OPM determines that a FEGLI Program benefit has been paid in error for any reason, the contractor shall make a diligent effort to recover such erroneous payment from the recipient. The contracting officer shall allow an unrecovered erroneous payment to be charged to the contract provided the contractor demonstrates that the recovery of the erroneous payment was attempted in accordance with a system that is approved under 2146.270(b) and that either a diligent effort was made to recover the erroneous overpayment or it would not be cost effective to recover the erroneous overpayment. The contractor’s compliance with a system that is approved under 2146.270(b) will be deemed to be a diligent effort to recover the erroneous overpayment.

2131.205–6 Compensation for personal services.

FAR 31.205–6 is supplemented as follows: Overtime on a FEGLI Program contract normally would meet the conditions specified in FAR 22.103. Advance approval of the contracting officer is not required for overtime, extra-pay shifts, and multi-shifts.

2131.205–32 Precontract costs.

Precontract costs will be allowable in accordance with FAR part 31, but precontract costs that exceed $100,000 will not be allowable except to the extent allowable under an advance agreement negotiated in accordance with section 2131.109 of this chapter.

[70 FR 41152, July 18, 2005]

2131.205–38 Selling costs.

Selling costs are not allowable costs to FEGLI contracts except to the extent that they are attributable to conducting contract negotiations with the Government and for liaison activities involving ongoing contract administration, including the conduct of informational and enrollment activities as directed or approved by the Contracting Officer.

[70 FR 41152, July 18, 2005]
2131.205-43 Trade, business, technical and professional activity costs.

(a) FEGLI Program contractors shall seek the advance written approval of the contracting officer for allowability of all or part of the costs associated with trade, business, technical, and professional activities when the allocable costs of such participation to the FEGLI Program will exceed $2,500 annually and the contractor allocates more than 50 percent of the membership cost of a trade, business, technical, or professional organization to the FEGLI Program.

(b) When approval of costs for membership in an organization is required, the contractor must demonstrate conclusively that membership in such an organization and participation in its activities extend beyond the contractual relationship with OPM, have a reasonable relationship to providing services to FEGLI Program insureds, and that the organization is not engaged in activities such as those cited in FAR 31.205–22 (lobbying costs) for which costs are not allowable.

2131.205–70 Major subcontractor service charge.

In a subcontract for enrollment and eligibility determinations, administration of claims and payment of benefits and any other subcontract for which prior approval is necessary, when costs are determined on the basis of actual costs incurred, any amount that exceeds the allowable cost of a major subcontract (whether entitled service charge, incentive fee, profit, fee, surplus, or any other title) is not allowable under the contract. Amounts which exceed allowable costs may be paid to a major subcontractor only from the risk charge or service charge negotiated between OPM and the contractor.

2131.205–71 Reinsurer administrative expense costs.

A charge of $500 per policy year per reinsurer of the FEGLI Program as set forth in the contract is an allowable cost when documented through an internal accounting entry of the contractor and actually paid. This amount is deemed to be sufficient to reimburse reinsurers for the minor administrative expenses incurred in reinsuring the FEGLI Program.

2131.270 Contract clauses.

The clause at 2152.231–70 shall be inserted in all FEGLI Program contracts.

SOURCE: 58 FR 40379, July 28, 1993, unless otherwise noted.

Subpart 2132.1—General

2132.170 Recurring premium payments to Contractors.

(a) OPM will make payments on a letter of credit (LOC) basis. OPM and the Contractor will concur on an estimate of benefits and administrative costs plus the fixed service or risk charge for the forthcoming contract year, as specified in the contract. The annual premium to the Contractor, based on this estimate, will be credited to the Contractor’s LOC account in 12 equal monthly installments due on the first business day of each month and available for drawdown. OPM will credit the Contractor’s LOC account for the December payment no later than the last business day of each calendar year.
Following the close of the contract year, a reconciliation of premiums, benefits, and other costs will be performed as a limited cost redetermination. In addition, interest distribution payments will be made available for Contractor drawdown from the LOC account. The Contractor will use the LOC account in accordance with guidelines issued by OPM.

(b) Withdrawals from the LOC account for benefit costs of $5,000 or more will be made on a claims-paid basis. Withdrawals from the LOC account for benefit costs of less than $5,000 and other FEGLI Program disbursements will be made on a checks-presented basis. Under a checks-presented basis, drawdown on the LOC is delayed until the checks issued for FEGLI Program disbursements are presented to the Contractor’s bank for payment.

(c) Nothing in this chapter will affect the ability of the Contractor to hold the special contingency reserve established and maintained in accordance with the terms of 5 U.S.C. 8712.

2132.171 Contract clause.

The clause at 2132.232–70 shall be inserted in all FEGLI Program contracts.

Subpart 2132.6—Contract Debts

2132.607 Tax credit.

FAR 32.607 has no practical application to FEGLI Program contracts. The statutory provisions at 5 U.S.C. 8707 and 8708 authorize joint enrollee and Government contributions to the Employees’ Life Insurance Fund. Because the Fund is comprised of contributions by enrollees as well as the Government, contractors may not offset debts to the Fund by a tax credit that is solely a Government obligation.

2132.617 Contract clause.

The clause at FAR 52.232–17 is modified in FEGLI Program contracts to exclude the parenthetical phrase “(net of any applicable tax credit under the Internal Revenue Code (26 U.S.C. 1481)).”

Subpart 2132.7—Contract Funding

2132.770 Insurance premium payments and special contingency reserve.

Insurance premium payments and a special contingency reserve are made available to FEGLI Program contractors in accordance with 5 U.S.C. 8712 and 8714.

2132.771 Non-commingling of FEGLI Program funds.

(a) FEGLI Program funds must be maintained in such a manner as to be separately identifiable from other assets of the Contractor. Cash and investment balances reported on the FEGLI Program Annual Financial Report must be supported by the Contractor’s books and records.

(b) This requirement may be modified by the Contracting Officer in accordance with the clause at 2132.232–71 of this chapter when adequate accounting and other controls are in effect. If the requirement is modified, such modification will remain in effect until rescinded by OPM.

2137.102 Policy.

(a) The services under this contract are of vital interest to the Government and must be continued without interruption in the event the contract is terminated, unless the termination occurs as a result of OPM’s failure to pay premiums on a timely basis.

(b) The Contractor will be reimbursed for all reasonable phase-in and phase-out costs (i.e., costs incurred within the agreed-upon period after contract termination that result from phase-in and phase-out operations). The Contractor also will receive a risk or service charge for the full period after contract termination during which services are continued, not to exceed a pro rata portion of the risk or service charge for the final contract year. In addition, OPM will pay the Contractor an incentive amount, not to exceed the pro rata risk or service charge for the continuity of services period (LIFAR 2152.237–70), based on exceptional performance during the transition period to a new Contractor. The Contracting Officer will use the weighted guidelines method described in 2115.404–71 of this chapter in determining the incentive amount. The amount of the risk or service charge will be based upon the accurate and timely processing of benefit claims, the volume and validity of customer service complaints, the timeliness and adequacy of reports on operations, and responsiveness to OPM offices, insured individuals, beneficiaries, and Congress.

Subpart 2146.2—Contract Quality Requirements

2146.201 General.

(a) This part prescribes policies and procedures to ensure that services acquired under the FEGLI Program contract conform to the contract’s quality requirements.

(b) OPM will make an initial evaluation of the Contractor’s system of internal controls under the quality assurance program required by 2146.270 of this chapter and will acknowledge in writing whether or not the system is consistent with the requirements set forth in this subpart. After the initial review, subsequent periodic reviews may be limited to changes in the Contractor’s internal control guidelines.
Office of Personnel Management

However, a limited review does not diminish the Contractor’s obligation to apply the full internal control system.

[58 FR 40380, July 28, 1993, as amended at 70 FR 41153, July 18, 2005]

2146.270 FEGLI Program quality assurance requirements.

(a) The contractor shall develop and apply a quality assurance program specifying procedures for assuring contract quality, as directed by the contracting officer. At a minimum, the program should include procedures to address:

(1) Accuracy of payments and recovery of overpayments;
(2) Timeliness of payments to beneficiaries;
(3) Quality of services and responsiveness to beneficiaries;
(4) Quality of service and responsiveness to OPM; and
(5) Detection and recovery of fraudulent claims.

(b) The Contractor must prepare overpayment recovery guidelines to include a system of internal controls.

(c) The contracting officer may order the correction of a deficiency or a modification in the contractor’s services and/or quality assurance program. The contractor shall take the necessary action promptly to implement the contracting officer’s order. If the contracting officer orders the correction of a deficiency or a modification of the contractor’s services and/or quality assurance program pursuant to this paragraph after the contract year has begun, the costs incurred in correcting the deficiency or making the modification will not be considered to the contractor’s detriment in the cost control factor of the service charge [if applicable] for the following contract year. However, if there is a deficiency, the deficiency itself may be taken into consideration.

[58 FR 40380, July 28, 1993, as amended at 70 FR 41153, July 18, 2005]

2146.270–1 Contract clause.

The clause at 2152.246–70 shall be inserted in all FEGLI Program contracts.

PART 2149—TERMINATION OF CONTRACTS

Sec. 2149.002 Applicability.

2149.002 Applicability.

(a) Termination. (1) Termination of FEGLI Program contracts is controlled by 5 U.S.C. 8709(c) and this chapter. The procedures for termination of FEGLI Program contracts are contained in FAR part 49. For the purpose of this part, terminate means to discontinue as used in 5 U.S.C. 8709(c).

(2) A life insurance contract entered into by OPM may be terminated by OPM at any time for default by the Contractor in accordance with the provisions of FAR part 49, and FAR 52.249-8. A life insurance contract entered into by OPM may be terminated by the Contractor at the end of the grace period, after default for nonpayment by OPM. Notwithstanding the preceding sentence, the Contractor will allow OPM an additional 5 days after the end of the grace period to make payment if the failure to make payment was inadvertent and/or due to circumstances beyond the Government’s control.

(3) A life insurance contract entered into by OPM may be terminated for convenience of the Government 60 days after the Contractor’s receipt of OPM’s written notice to terminate.

(4) The Contractor may terminate its contract with OPM at the end of any contract year when notice of intent to terminate is given to OPM in writing at least 60 days prior to the end of the contract year (i.e., no later than July 31).

(b) Continuation of services. The services under this contract are of vital interest to the Government and must be continued without interruption in the event the contract is terminated for
the Contractor’s default or OPM’s convenience. Consequently, the contract termination procedures contained in this paragraph must be used in conjunction with section 2137.102 of this chapter, section 2137.110 of this chapter, and the provisions of the “Continuity of Services” clause at 2152.237–70 of this chapter. The Contractor is not required to continue performance subsequent to OPM’s default for failure to pay premiums in accordance with the provisions of the clause at 2152.249–70(b) of this chapter.

(c) Settlement. The procedures for settlement of contracts after they are terminated are those contained in FAR part 49.

[70 FR 41153, July 18, 2005]

Subpart 2149.5—Contract Termination Clauses

2149.505 Other termination clauses.

2149.505–70 FEGLI Program contract termination clause.

The clause in 2152.249–70 shall be inserted in all FEGLI Program contracts.

2152.203–70 Misleading, deceptive, or unfair advertising.

As prescribed in 2103.571, insert the following clause:

MISLEADING, DECEPTIVE, OR UNFAIR ADVERTISING (OCT 2005)

The Contractor agrees that any advertising material authorized and released by the Contractor which mentions the FEGLI Program must be truthful and not misleading and must present an accurate statement of FEGLI Program benefits. The Contractor is prohibited from making incomplete and/or incorrect comparisons or using disparaging or minimizing techniques to compare its other products or services to those of the FEGLI Program. The Contractor agrees to use reasonable efforts to assure that agents selling its other products are aware of and abide by this provision. The Contractor agrees to incorporate this clause in all subcontracts as defined at LIFAR 2102.101.

(End of clause)

2152.204–70 Taxpayer Identification Number.

As prescribed in 2104.901, insert the following clause:

TAXPAYER IDENTIFICATION NUMBER (OCT 2005)

(a) Definitions.

Common parent, as used in this provision, means that corporate entity that owns or controls an affiliated group of corporations that files its Federal income tax returns on a consolidated basis, and of which the Contractor is a member.

Taxpayer Identification Number (TIN), as used in this provision, means the number required by the Internal Revenue Service (IRS) to be used by the Contractor in reporting income tax and other returns. The TIN is the Contractor’s Social Security Number.

(b) The Contractor must submit the information required in paragraphs (d) through (f) of this clause to comply with debt collection requirements of 31 U.S.C. 7701(c) and 3235(d), reporting requirements of 26 U.S.C. 6041, 6041A, and 6050M, and implementing regulations issued by the IRS. The Contractor is subject to the payment reporting requirements described in FAR 4.904. The Contractor's failure or refusal to furnish the information will result in payment being withheld until the TIN is provided.

(c) The Government may use the TIN to collect and report on any delinquent amounts arising out of the Contractor’s relationship with the Government (31 U.S.C. 7701(c)(3)). The TIN provided hereunder may be matched with IRS records to verify its accuracy.

(d) Taxpayer Identification Number (TIN).

(End of clause)

2152.209–70 Certification regarding debarment, suspension, proposed debarment and other responsibility matters during negotiations.

As prescribed in 2109.409(a), the contracting officer may require a potential contractor to provide the following certification:

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT, AND OTHER RESPONSIBILITY MATTERS DURING NEGOTIATIONS (OCT 1993)

(a)(1) The undersigned certifies, to the best of its knowledge and belief, that—

(i) The undersigned and/or any of its Principals—

(A) Are ( ) are not ( ) presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have ( ) have not ( ), within a 3-year period preceding this certification, been convicted of or had a civil judgment rendered against them for: Commission of fraud or a
criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; and

(C) Are ( ) are not ( ) presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(2) of this clause.

(ii) The undersigned has ( ) has not ( ), within a 3-year period preceding this certification, had one or more contracts terminated for default by any Federal agency.

(2) "Principals," for the purposes of this certification, means officers; directors; owners; partners; and persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions).

This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious, or fraudulent certification may render the undersigned subject to prosecution under section 1001, title 18, United States Code.

(b) The undersigned shall provide immediate written notice to the Contracting Officer if, at any time prior to the contract award, the undersigned learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the actions mentioned in paragraph (a) of this provision exists will not necessarily result in the withholding of an award under a contract under the FEGLI Program. However, the certification, or the undersigned’s failure to provide such additional information as requested by the Contracting Officer will be considered in connection with a determination of the undersigned’s responsibility under LIFAR subpart 2109.70, Minimum Standards for FEGLI Program Contractors.

(d) Nothing contained in this certification shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a). The knowledge and information of the undersigned is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in (a) is a material representation of fact upon which reliance is placed during negotiation of a FEGLI Program contract. If it is later determined that the undersigned knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this certification for default.

As prescribed in 2109.409(b), insert the following clause:

**Certification According to Certification Regarding Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters (OCT 1993)**

(a)(1) The Contractor certifies, to the best of its knowledge and belief, that—

(I) The Contractor and/or any of its Principals—

(A) Are ( ) are not ( ) presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have ( ) have not ( ), within a 3-year period preceding this certification, been convicted of or had a civil judgment rendered against them for: Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; and

(C) Are ( ) are not ( ) presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(2) of this clause.

(ii) The Contractor has ( ) has not ( ), within a 3-year period preceding this certification, had one or more contracts terminated for default by any Federal agency.

(2) "Principals," for the purposes of this certification, means officers; directors; owners; partners; and persons having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions).

This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious,
or fraudulent certification may render the Contractor subject to prosecution under section 1001, title 18, United States Code.

(b) The Contractor shall provide immediate written notice to the Contracting Officer if, at any time, the Contractor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A Contractor’s certification that any of the actions mentioned in the certification exists will not necessarily result in termination of the contract. However, the certification, or the Contractor’s failure to provide such additional information as requested by the Contracting Officer will be considered in connection with a determination of the Contractor’s responsibility under LIFAR subpart 2109.70, Minimum Standards for FEGLI Program Contractors.

(d) Nothing contained in the certification shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this section. The knowledge and information of the Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in this section is a material representation of fact upon which reliance is placed by the Contracting Officer in making this contract. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract for default.

(End of clause)

2152.210–70 Investment income.

As prescribed in 2110.7004(a), insert the following clause:

INVESTMENT INCOME (OCT 2005)

(a) The Contractor must invest and reinvest all FEGLI Program funds on hand until needed to discharge promptly the obligations incurred under the contract. Within the constraints of safety and liquidity of investments, the Contractor must seek to maximize investment income. However, the Contractor will not be responsible for any actions taken at the direction of OPM.

(b) All investment income earned on FEGLI Program funds shall be credited to the FEGLI Program.

(c) When the Contracting Officer concludes that the Contractor failed to comply with paragraph (a) or (b) of this clause, the Contractor must pay to OPM the investment income that would have been earned, at the rate(s) specified in paragraph (d) of this clause, had it not been for the Contractor’s noncompliance. Failed to comply with paragraph (a) or (b) of this clause means:

1. Making any charges against the contract which are not actual, allowable, allocable, or reasonable; or
2. Failing to credit any income due under the contract and/or failing to place funds on hand, including premium payments and payments from OPM not needed to discharge promptly the obligations incurred under the contract, tax refunds, credits, deposits, investment income earned, uncashed checks, or other amounts owed OPM in income-producing investments and accounts.

(d)(1) Investment income lost as a result of unallowable, unallocable, or unreasonable charges against the contract shall be paid from the 1st day of the contract term following the contract term in which the unallowable charge was made and shall end on the earlier of: (i) The date the amounts are returned to OPM; (ii) the date specified by the Contracting Officer; or, (iii) the date of the Contracting Officer’s Final Decision.

(2) Investment income lost by the Contractor as a result of failure to credit income due under the contract or failure to place funds on hand in income-producing investments and accounts must be paid from the date the funds should have been invested or appropriate income was not credited and will end on the earlier of:

(i) The date the amounts are returned to OPM;
(ii) The date specified by the Contracting Officer; or
(iii) The date of the Contracting Officer’s final decision.

(3) The Contractor shall credit to the FEGLI Program income that is due in accordance with this clause. All amounts payable shall bear lost investment income compounded semiannually at the rate established by the Secretary of the Treasury as provided in section 12 of the Contract Disputes Act of 1978 (Pub. L. 95–663), during the periods specified in paragraphs (d)(1) and (d)(2).

(4) All amounts due and unpaid after the periods specified in paragraphs (d)(1) and (d)(2) shall bear simple interest at the rate applicable for each 6-month period as fixed by the Secretary of the Treasury until the amount is paid [see FAR 32.614–1].

(End of clause)

2152.210–71 Notice of significant events.

As prescribed in 2110.7004(b), insert the following clause:
NOTICE OF SIGNIFICANT EVENTS (OCT 2005)

(a) The Contractor agrees to notify OPM of any significant event within 10 working days after the Contractor becomes aware of it. As used in this section, a “significant event” is any occurrence of anticipated occurrence that might reasonably be expected to have a material effect upon the Contractor’s ability to meet its obligations under this contract, including, but not limited to, any of the following:

(1) Disposal of 25 percent or more of the Contractor’s assets within a six-month period;

(2) Termination or modification of any contract or subcontract if such termination or modification might have a material effect on the Contractor’s obligations under this contract;

(3) Loss of 20 percent or more of FEGLI Program reinsurers in a contract year;

(4) The imposition of, or notice of the intent to impose, a receivership, conservatorship, or special regulatory monitoring;

(5) The withdrawal of, or notice of intent to withdraw, by any State or the District of Columbia, its license to do life insurance business or any other change of life insurance status under State law;

(6) The Contractor’s material default on a loan or other financial obligation;

(7) Any actual or potential labor dispute that delays or threatens to delay timely performance or substantially impairs the functioning of the Contractor’s facilities or facilities used by the Contractor in the performance of the contract;

(8) Any change in its charter, constitution, or by-laws which affects any provision of this contract or the Contractor’s participation in the Federal Employees’ Group Life Insurance Program;

(9) Any significant changes in policies and procedures or interpretations of the contract which would affect the benefits payable under the contract or the costs charged to the contract;

(10) Any fraud, embezzlement or misappropriation of FEGLI Program funds; or

(11) Any written exceptions, reservations, or qualifications expressed by the independent accounting firm (which ascribes to the standards of the American Institute of Certified Public Accountants) contracted with by the Contractor to provide an audit opinion on the annual financial report required by OPM for the FEGLI Program. Accounting firm employees must audit the report in accordance with Generally Accepted Government Auditing Standards or other requirements issued by OPM.

(b) Upon learning of a significant event, OPM may institute action, in proportion to the seriousness of the event, to protect the interest of insureds, including, but not limited to—

(1) Directing the Contractor to take corrective action; or

(2) Making a downward adjustment to the weight in the “Contractor Performance” factor of the service charge.

(c) Prior to taking action as described in paragraph (b) of this clause, OPM will notify the Contractor and offer an opportunity to respond.

(d) The Contractor agrees to insert this clause in any subcontract or subcontract modification when the amount of the subcontract or modification that is charged to the FEGLI Program contract exceeds $550,000 and is at least 25 percent of the total cost of the subcontract.

(End of clause)

2152.216–70 Fixed price with limited cost redetermination—risk charge.

As prescribed in 2116.270–1(a), insert the following clause when a risk charge is negotiated:

FIXED PRICE WITH LIMITED COST REDETERMINATION PLUS FIXED FEE CONTRACT—RISK CHARGE (OCT 2005)

(a) This is a fixed price with limited cost redetermination plus fixed fee contract, with the fixed fee in the form of a risk charge. OPM will pay the Contractor the risk charge as specified in a letter from the Contracting Officer.

(End of clause)
(b) At the Contractor’s request, OPM will furnish, during the third quarter of the current contract year, an accounting of the funds in the Employees’ Life Insurance Fund as of the end of the second quarter of the contract year.

(End of clause)

[70 FR 41155, July 18, 2005]

2152.216–71 Fixed price with limited cost redetermination—service charge.

As prescribed in 2116.270–1(b), insert the following clause when a service charge is negotiated:

**FIXED PRICE WITH LIMITED COST REDETERMINATION PLUS FIXED FEE CONTRACT—SERVICE CHARGE (OCT 2005)**

(a) This is a fixed price with limited cost redetermination plus fixed fee contract, with the fixed fee in the form of a service charge. OPM will pay the Contractor the service charge as specified in a letter from the Contracting Officer.

(b) At the Contractor’s request, OPM will furnish, during the third quarter of the current contract year, an accounting of the funds in the Employees’ Life Insurance Fund as of the end of the second quarter of the contract year.

(End of clause)

[70 FR 41155, July 18, 2005]

2152.224–70 Confidentiality of records.

As prescribed in 2124.104–70, insert the following clause:

**CONFIDENTIALITY OF RECORDS (OCT 2005)**

(a) The Contractor will use the personal data on employees and annuitants that is provided by agencies and OPM, including social security numbers, for only those routine uses stipulated for the data and published in the FEDERAL REGISTER as part of OPM’s notice of systems of records.

(b) The Contractor shall also hold all medical records, evidence of insurability for insurance coverage, designations of beneficiaries, amounts of insurance, and information relating thereto, of the insured and family members confidential except for disclosure as follows:

(1) As may be reasonably necessary for the administration of this contract;

(2) As authorized by the insured or his or her estate;

(3) As necessary to permit Government officials having authority to investigate and prosecute alleged civil or criminal actions; and

(4) As necessary to audit the contract.

(End of clause)

[58 FR 40381, July 28, 1993, as amended at 70 FR 41155, July 18, 2005]

2152.231–70 Accounting and allowable cost.

As prescribed in 2131.270, insert the following clause:

**ACCOUNTING AND ALLOWABLE COST (OCT 2005)**

(a) **Annual financial report.** (1) The Contractor must prepare annually a financial report summarizing the financial operations of the FEGLI Program for the previous contract year. This report will be due to OPM in accordance with a date established by OPM’s requirements.

(2) The Contractor must have the most recent financial report for the FEGLI Program audited by an independent public accounting firm that ascribes to the standards of the American Institute of Certified Public Accountants. The audit must be performed in accordance with Generally Accepted Government Auditing Standards or other requirements issued by OPM. The report by the independent accounting firm on its audit must be submitted to OPM along with the annual financial report.

(3) Based on the results of either the independent audit or a Government audit, the FEGLI contract may be:

(i) Adjusted by amounts found not to constitute chargeable costs; or

(ii) Adjusted for prior overpayments or underpayments.

(b) **Definition of costs.** (1) A cost is chargeable to the contract for a contract term if it is:

(i) An actual, allowable, allocable, and reasonable cost;

(ii) Incurred with proper justification and accounting support;

(iii) Determined in accordance with subpart 31.2 of the Federal Acquisition Regulation (FAR) and subpart 2131.2 of the Federal Employees’ Group Life Insurance Acquisition Regulation (LIFAR) applicable on October 1 of each year; and

(iv) Determined in accordance with the terms of this contract.

(2) In the absence of specific contract terms to the contrary, contract costs will be classified in accordance with the following criteria:

(i) **Benefits.** Claims costs consist of payments made and costs incurred (including delayed settlement interest) by the Contractor for life insurance, accidental death and dismemberment insurance, excess mortality charges, post-mortem conversion
Contractor's FEGLI Program operations and the chief financial officer for the Contractor's overall operation of the business. Unless otherwise provided in the contract, FAR, or LIFAR, administrative expenses include, but are not limited to, taxes, service charges to reinsurers, the cost of investigation and settlement of policy claims, the cost of maintaining records regarding payment of claims, and legal expenses incurred in the litigation of benefit payments. Administrative expenses exclude the expenses related to investment income in paragraph (b)(2)(ii)(B) of this clause.

(b) Administrative expense ceiling. Each year an administrative expense ceiling for the following contract year is calculated based on the prior contract year's administrative expense ceiling, adjusted by the percentage change in the average monthly consumer Price Index for All Urban Consumers for the preceding 12 months. Administrative expenses are reimbursed up to the administrative expense ceiling or actual costs, whichever is less. Both parties will reexamine the base, including the prior year's actual expenses, at the request of either OPM or the Contractor. Within the administrative expense ceiling is a separately negotiated limit for indirect costs that may be charged against the ceiling for the contract year. The Contractor agrees to provide annually to the Contracting Officer a detailed report of direct and indirect administrative costs which form the basis for determining the limit on indirect costs for the following contract year. During a continuity of services period, OPM and the Contractor will negotiate a one-time increase in the administrative expense ceiling to cover phase-in/phase-out costs. Costs that exceed the revised ceiling must be submitted by the Contractor, in writing and in advance of their incurrence, to the Contracting Officer for approval.

(ii) Investment income. Investment income represents the amount earned by the Contractor after deducting chargeable investment expenses. Investment expenses are those chargeable contract costs, as defined in paragraph (b)(1) of this clause, which are attributable to the investment of FEGLI funds.

(c) Certification of Annual Financial Report. (1) The Contractor must certify the annual financial report in the form set forth in paragraph (c)(2) of this clause. The certificate must be signed by the chief executive officer for the Contractor's FEGLI Program operations and the chief financial officer for the Contractor’s FEGLI Program operations and must be returned with the annual financial report. (2) The certification required must be in the following form:

CERTIFICATION OF ANNUAL FINANCIAL REPORT

This is to certify that I have reviewed this financial report and, to the best of my knowledge and belief, attest that:

1. The report was prepared in conformity with the guidelines issued by the Office of Personnel Management and fairly presents the financial results of this contract year in conformity with those guidelines;

2. The costs included in the report are actual, allowable, allocable, and reasonable in accordance with the terms of the contract and with the cost principles of the Federal Employees' Group Life Insurance Program Acquisition Regulation (LIFAR) and the Federal Acquisition Regulation (FAR);

3. Income, overpayments, refunds, and other credits made or owed in accordance with the terms of the contract and applicable cost principles have been included in the report.

[70 FR 41155, July 18, 2005]

2152.232–70 Payments.

As prescribed in 2132.171, insert the following clause:

PAYMENTS (OCT 2005)

(a) OPM will make available to the Contractor, in full settlement of its obligations under this contract, subject to adjustment based on actual claims and administrative cost, a fixed premium once per month on the first business day of the month. The premium is determined by an estimate of costs for the contract year as provided in Section 2132.232–70 and is redetermined annually by mutual agreement of OPM and the Contractor. In addition, an annual reconciliation of premiums, benefits, and other costs is performed, and additional payment by OPM or reimbursement by the Contractor is paid as necessary.

(b) If OPM fails to fund the Letter of Credit (LOC) account for the full amount of premium due by the due date, a grace period of 31 days will be granted to OPM for providing
any premium due, unless OPM has previously given written notice to the Contractor that the contract is to be discontinued. The contract will continue in force during the grace period.

(c) If OPM fails to fund the LOC account for any premiums within the grace period, the contract may be terminated at the end of the 31st day of the grace period in accordance with LIFAR 2149.002(a)(2). If during the grace period OPM presents written notice to the Contractor that the contract is to be terminated before the expiration of the grace period, the contract will be terminated the later of the date of receipt of such written notice by the Contractor or the date specified by OPM for termination. In either event, OPM will be liable to the Contractor for all premiums then due.

(d) In accordance with LIFAR 2142.205 and LIFAR 2252.243–70, Changes, if a change is made to the contract that increases or decreases the cost of performance of the work under this contract, the Contracting Officer will make an equitable adjustment to the payments under this contract.

(e) In the event this contract is terminated in accordance with LIFAR part 2149, the special contingency reserve held by the Contractor will be available to pay the necessary and proper charges against this contract after other Program assets held by the Contractor are exhausted.

(70 FR 41156, July 18, 2005)

2152.232–71 Non-commingling of FEGLI Program funds.

As prescribed in 2132.772, insert the following clause:

NON-COMMINGLING OF FUNDS (OCT 2005)

(a) The Contractor must maintain FEGLI Program funds in such a manner as to be separately identifiable from other assets of the Contractor.

(b) The Contractor may request a modification of paragraph (a) of this section from the Contracting Officer. The modification must be requested, and approved by the Contracting Officer, in advance of any change, and the Contractor must demonstrate that accounting techniques have been established that clearly measure FEGLI Program cash and investment income (i.e., subsidiary ledgers). Reconciliations between amounts reported and actual amounts shown in accounting records must be provided as supporting schedules to the annual financial report.

(End of clause)

(70 FR 41156, July 18, 2005)

2152.232–72 Approval for assignment of claims.

As prescribed in 2132.806, insert the following clause:

APPROVAL FOR ASSIGNMENT OF CLAIMS (OCT 1993)

(a) The Contractor shall not make any assignment of FEGLI Program funds under the Assignment of Claims Act without the prior written approval of the Contracting Officer.

(b) Unless a different period is specified in the Contracting Officer’s written approval, an assignment of FEGLI Program funds shall be in force only for a period of 1 year from the date of the Contracting Officer’s approval. However, assignments may be renewed upon their expiration.

(End of clause)

2152.237–70 Continuity of services.

As prescribed in 2137.110, insert the following clause:

CONTINUITY OF SERVICE (OCT 2005)

(a) The Contractor recognizes that the services under this contract are vital to the Government and must be continued without interruption. The Contractor further recognizes that upon contract expiration or termination, including termination by the Contractor for OPM’s failure to make timely premium payments, a successor, either the Government or another Contractor, may continue them. The Contractor agrees to furnish phase-in training and exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor.

(b) The Contractor shall, upon the Contracting Officer’s written notice, (1) furnish phase-in and phase-out services for up to 10 months after this contract expires and (2) negotiate in good faith a plan with a successor to determine the nature and extent of phase-in and phase-out services required. The plan shall specify a training program and a date for transferring responsibilities for each division of work described in the plan, and shall be subject to the Contracting Officer’s approval. The Contractor shall provide sufficient experienced personnel during the phase-in and phase-out period to ensure that the services called for by this contract are maintained at the required level of proficiency.

(c) The Contractor must allow as many experienced personnel as practicable to remain on the job during the transition period to help the successor maintain the continuity and consistency of the services required by

2152.243–70 Changes.

As prescribed in 2143.205, insert the following clause:

CHANGES (OCT 2005)

(a) Except as provided in paragraph (f) of this clause, the Contracting Officer may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in any one or more of the following:

(1) Description of services to be performed;
(2) Time of performance (i.e., hours of the day, days of the week, etc.);
(3) Place of performance of the services.

(b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this contract, or the Contractor’s liability under this contract, whether or not changed by the order, the Contracting Officer shall make an equitable adjustment in the contract price, the delivery schedule, or both, and shall modify the contract.

(c) The Contractor must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order. However, if the Contracting Officer decides that the facts justify it, the Contracting Officer may receive and act upon a proposal submitted before final payment of the contract.

(d) If the Contractor’s proposal includes the cost of property made obsolete or excess by the change, the Contracting Officer shall have the right to prescribe the manner of the disposition of the property.

(e) Failure to agree to any adjustment shall be a dispute under the Disputes clause. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.

(f) The Contracting Officer shall not make any changes pursuant to paragraph (a) of this clause to conform this contract to any amendment in the LIFAR before the effective date of the amendment as provided for in LIFAR 2101.370.

(End of clause) (58 FR 40381, July 28, 1993, as amended at 70 FR 41157, July 18, 2005)

2152.244–70 Subcontracts.

As prescribed by 2144.204, insert the following clause:

SUBCONTRACTS (OCT 2005)

(a) The Contractor must notify the Contracting Officer reasonably in advance of entering into any subcontract or subcontract modification, or as otherwise specified by this contract, when the cost of that portion of the subcontract that is charged the FEGLI Program contract exceeds $550,000 and is at least 25 percent of the total cost of the subcontract.

(b) The advance notification required by paragraph (a) of this clause shall include the following information:

(1) A description of the supplies or services to be subcontracted;
(2) Identification of the type of subcontract to be used;
(3) Identification of the proposed subcontract and an explanation of why and how the proposed subcontractor was selected, including the competition obtained;
(4) The proposed subcontract price and the Contractor’s cost or price analysis;
(5) The subcontractor’s current, complete, and accurate cost or pricing data and Certificate of Current Cost or Pricing Data, if required by other contract provisions.
2152.246–70 Quality assurance requirements.

As prescribed by 2146.270–1 insert the following clause:

QUALITY ASSURANCE REQUIREMENTS (OCT 2005)

(a) The Contractor shall develop and apply a quality assurance program as directed by the Contracting Officer pursuant to LIFAR 2146.270.

(b) The Contractor must keep complete records of its quality assurance procedures and the results of their implementation and make them available to an authorized Government entity during contract performance and for 5 years after the end of the contract term to which the records relate.

(c) The Contracting Officer or his or her representative has the right to inspect and test all services called for by the contract, to the extent practicable, at all times and places during the term of the contract and for as long afterward as the contract requires. The Contracting Officer or his or her representative shall perform any inspections and tests in a manner that will not unduly delay the work.

(End of clause)

2152.249–70 Renewal and termination.

As prescribed in 2149.505–70, insert the following clause:

(End of clause)
RENEWAL AND TERMINATION (OCT 2005)

(a) This contract renews automatically each October 1st, unless written notice of termination is given by the Contractor not less than 60 calendar days before the renewal date.

(b) This contract may be terminated by OPM at any time in accordance with FAR part 49 and FAR 52.249-8 for default by the Contractor. This contract terminates at the end of the grace period if the Government does not fund the LOC account for any of the premium due to the Contractor (see LIFAR 2149.002(a)(2)). However, the Contractor and OPM may agree to continue the contract. In addition, the Contractor agrees to assist OPM with an orderly and efficient transition to a successor in accordance with LIFAR 2137.102, and the provisions of the predecessor in accordance with LIFAR 2137.110, and the provisions of the "Continuity of Services" clause at 2152.237–LIFAR 2137.110, and the provisions of the order of the contractor's receipt of OPM's written notice of termination.

(c) This contract may be terminated for convenience of the Government 60 days after the Contractor's receipt of OPM's written notice of termination.

(d) Upon termination of the contract for Contractor's default or OPM's convenience, the Contractor agrees to assist OPM with an orderly and efficient transition to a successor in accordance with LIFAR 2137.102, LIFAR 2137.110, and the provisions of the "Continuity of Services" clause at 2152.237–70. The Contractor is not required to continue performance subsequent to OPM's failure to fund the LOC account for premiums due under paragraph (b) of this clause.

(e) After receipt of a termination notice, the prime Contractor shall, unless directed otherwise by the Contracting Officer, terminate all subcontracts to the extent that they relate to the performance of the FEGLI Program contract. The failure of the prime Contractor to include an appropriate termination clause in any subcontract, or to exercise the clause rights, shall not affect the Contracting Officer's right to require the termination of the subcontract; or increase the obligation of the Government beyond what it would have been if the subcontract had contained an appropriate clause.

(End of clause)

Subpart 2152.3—Provision and Clause Matrix

2152.370 Use of the matrix.

(a) The matrix in this section lists the FAR and LIFAR clauses to be used with the FEGLI Program contract. The clauses are to be incorporated in the contract in full text.

(b) Certain contract clauses are mandatory for FEGLI Program contracts. Other clauses are to be used only when made applicable by pertinent sections of the FAR or LIFAR. An "M" in the "Use Status" column indicates that the clause is mandatory. An "A" indicates that the clause is to be used only when the applicable conditions are met.

SOURCE: 61 FR 50738, Sept. 27, 1996, unless otherwise noted.

Subpart 2301.1—Purpose, Authority, Issuance

2301.101 Purpose.

(a) The Social Security Acquisition Regulation (SSAR) is issued to establish uniform acquisition policies and procedures for the Social Security Administration (SSA) which conform to the Federal Acquisition Regulation (FAR) System.

(b) The SSAR implements and supplements the FAR. (Implementing material expands upon or indicates the manner of compliance with related FAR material. Supplementing material refers to policies or procedures which have no corresponding counterpart in the FAR.)

(c) The SSAR contains only formal agency policies and procedures which have a significant effect beyond SSA’s internal operating procedures or which have a significant cost or administrative impact on contractors or offerors.

2301.103 Authority.

The SSAR is prescribed under the authority of 5 U.S.C. 301 and section 205(c) of the Federal Property and Administrative Services Act of 1949, as amended (40 U.S.C. 486(c)).

2301.104 Applicability.

The FAR and SSAR apply to all SSA acquisitions as stated in FAR 1.104. Unless specified otherwise, the FAR and SSAR apply to acquisitions within and outside the United States.

2301.105 Issuance.

2301.105–1 Publication and code arrangement.

(a) The SSAR is also published in the same forms as indicated in FAR 1.105–1(a).

(b) The SSAR is issued in the Code of Federal Regulations (CFR) as Chapter 23 of Title 48, Social Security Acquisition Regulation (SSAR). It may be referenced as “48 CFR chapter 23.”

2301.105–2 Arrangement of regulations.

(a) General. The SSAR conforms to the FAR with respect to divisional arrangements; i.e., subchapters, parts, subparts, sections, subsections, and paragraphs.

(b) Numbering. The FAR System of numbering permits the keying of the same or similar subject matter throughout Chapters 1 (FAR) and 23 (SSAR) of Title 48, CFR. However, SSA’s system varies somewhat from that of the FAR numbering scheme, in the numbering to the left of the decimal point. Whereas the FAR only identifies the part number of 48 CFR to the left of the decimal point, our corresponding reference identifies the chapter as well. For example, the FAR paragraph corresponding to this SSAR paragraph is numbered 1.105–2(b) where “1” is the part number (may be one or two digits and is followed by a decimal point), “1” (to the right of the decimal point) is the subpart number, “05” (always two digits) is the section number, “2” is the subsection number (always hyphenated), and “(b)” is the paragraph reference. This SSAR reference is 2301.105–2(b) where the “23” is the chapter number assigned to SSA and the “01” represents the part number (part numbers will always be two digits for agencies implementing the FAR). The remaining numbers to the right of
the decimal point are identical to and reflect the same divisions as in the FAR numbering scheme.

(c) References and citations. (1) Unless otherwise stated, references indicate parts, subparts, sections, subsections, etc., of this regulation, the SSAR.

(2) This regulation shall be referred to as the Social Security Acquisition Regulation (SSAR). Any reference may be cited as “SSAR” followed by the appropriate number. Within the SSAR, the number alone will be used.

(3) Citations of authority shall be incorporated where necessary. All FAR reference numbers shall be preceded by “FAR.”

2401.000 Scope of part.

This part describes the method by which the Department of Housing and Urban Development (HUD) implements, supplements and deviates from the Federal Acquisition Regulation (FAR) through the establishment of the HUD Acquisition Regulation (HUDAR), which prescribes the Department’s procurement policies and procedures under the FAR System.

Subpart 2401.1—Purpose, Authority, Issuance

2401.100 Scope of subpart.

This subpart describes the HUDAR and states its relationship to the FAR System. This subpart also provides the explanation of the purpose and the authorities under which the HUDAR is issued.

2401.101 Purpose.

The Department of Housing and Urban Development Acquisition Regulation is hereby established as chapter 24 of the Federal Acquisition Regulation System (48 CFR chapter 24). It is issued to provide uniform Departmental policies and procedures for the acquisition of supplies, personal property and non-personal services by the Department’s contracting activities and to make these policies and procedures readily available to Departmental personnel and to the public.

2401.103 Authority.

The HUDAR is prescribed under section 7(d) of the Department of HUD Act (42 U.S.C. 3535(d)), section 205(c) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 486(c)), the general authorization in FAR 1.301, and the Secretary’s delegations of procurement authority.

[71 FR 2634, Jan. 13, 2006]

2401.104 Applicability.

All acquisition of personal property and non-personal services (including construction) by HUD, except as may be otherwise authorized by law, must be accomplished in accordance with the HUDAR and the FAR.

447
2401.105 Issuance.

2401.105–2 Arrangement of regulations.

(a) General. Chapter 24 is divided into parts, subparts, sections, subsections, paragraphs and further subdivisions as necessary.

(b) Numbering. Generally, the numbering system and part, subpart, and section titles used in the HUDAR conform with those used in the FAR or as follows:

1. When the HUDAR implements or deviates from a parallel part, subpart, section, subsection, or paragraph of the FAR, that implementation or deviation will be numbered and captioned where possible to correspond to the FAR part, subpart, section, subsection, or paragraph. For example, FAR subpart 1.4, Deviations, is implemented in HUD’s acquisition regulations at subpart 2401.4, Deviations. (The “24” in the number indicates what chapter of title 48 contains the HUDAR.)

2. When HUD supplements material contained in the FAR, it is given a unique number containing the numerals “70” or higher. The rest of the number will parallel the FAR part, subpart, section, subsection, or paragraph it is supplementing. For example, FAR 14.407, Award, does not contain a provision for the steps to be taken when only one bid is received. The HUDAR provides this information. Since the subject matter supplements what is contained in FAR 14.407, the HUDAR section supplementing the FAR is numbered 2414.407–70.

3. Where material in the FAR requires no implementation or deviation, there is no corresponding numbering in the HUDAR. Therefore, there may be gaps in the HUDAR sequence of numbers where the FAR, as written, is applicable to the HUDAR and requires no further implementation.

(c) Citation. The HUDAR will be cited in accordance with Federal Register standards approved for the FAR. Thus, this section when referred to in the HUDAR is cited as 2401.105–2(c). When this section is referred to formally in official documents, such as legal briefs, it should be cited as “48 CFR 2401.105–2(c).” Any section of the HUDAR may be formally identified by the section number, e.g., “HUDAR 2401.105–2.” In the HUDAR, any reference to the FAR will be indicated by “FAR” followed by the section number, for example FAR 37.108.

2401.106 OMB approval under the Paperwork Reduction Act.

The Paperwork Reduction Act of 1980 (44 U.S.C. 3501–3520) requires that Federal agencies obtain approval from the Office of Management and Budget (OMB) before collecting information from 10 or more persons. HUD has received approval from OMB to collect information under the provisions of its Acquisition Regulation. The OMB Approval Number is 2535–0091.

[50 FR 46575, Nov. 8, 1985. Redesignated at 61 FR 19470, May 1, 1996]

2401.106–70 Contract clause.

The contracting officer shall insert the clause at 2452.201–70, Coordination of Data Collection Activities, in solicitations and contracts where the Contractor is required to collect information under the provisions of its Acquisition Regulation. The OMB Approval Number is 2535–0091.

[77 FR 73525, Dec. 10, 2012]

Subpart 2401.3—Agency Acquisition Regulations

2401.301 Policy.

(a)(1) Implementation. The HUDAR implements and supplements the FAR. Implementation material is that which expands upon related FAR material. Supplementing material is that for which there is no counterpart in the FAR.

(c) Exclusions. Certain HUD policies and procedures which come within the scope of this chapter are not included in the HUDAR. Not included is a policy or procedure of an internal nature or which is expected to be effective for a period of less than six months.
Subpart 2401.4—Deviations

2401.403 Individual deviations.
The Senior Procurement Executive is the agency head’s designee for the purposes of FAR 1.403.

[77 FR 73525, Dec. 10, 2012]

2401.404 Class deviations.
(a) The Senior Procurement Executive is the agency head’s designee for the purposes of FAR 1.404(a).

[77 FR 73525, Dec. 10, 2012]

2401.470 Deviations from the HUDAR.
The Senior Procurement Executive is authorized to approve deviations from the HUDAR.

[77 FR 73525, Dec. 10, 2012]

2401.471 Requests for deviations—FAR and HUDAR.
(a) Requests for deviations from the FAR or HUDAR shall be submitted in writing to the Chief Procurement Officer.

(b) Each request for authorization of a deviation from the FAR or HUDAR shall:
(1) Identify the deviation as individual or class;
(2) Identify the FAR or the HUDAR requirement from which a deviation is sought;
(3) Fully describe the deviation, its intended effect, and the circumstances in which it will be used;
(4) Explain why a deviation is required and include pertinent background and supporting information;
(5) State whether the deviation has been requested previously and if so, the circumstances and result of the previous request; and
(6) Identify the contractor(s) and the contract(s) (including dollar values) that would be affected.

(c) At his or her discretion, the Chief Procurement Officer will consider requests for deviations on an expedited basis and, in urgent situations, may authorize deviations via telephone or electronic mail. Such authorizations will be confirmed in writing.

(d) The contracting officer shall include a copy of each authorized deviation in the contract file(s) to which it pertains.

[77 FR 73525, Dec. 10, 2012]

Subpart 2401.6—Career Development, Contracting Authority, and Responsibilities

2401.601 General.

2401.601–70 Senior Procurement Executive.
Unless otherwise designated by the Secretary through a delegation of authority, the Chief Procurement Officer is the Department’s Senior Procurement Executive and is responsible for all departmental procurement policy, regulations, and procedures, and oversight of all HUD procurement operations. The Senior Procurement Executive is also responsible for the development of HUD’s procurement system standards, evaluation of the system in accordance with approved criteria, enhancement of career management of the procurement workforce, and certification to the Secretary that the Department’s procurement system meets approved criteria.

[71 FR 2434, Jan. 13, 2006]

2401.602 Contracting Officers.

2401.602–3 Ratification of unauthorized commitments.
(b)(1) Requests for ratification of unauthorized commitments shall be submitted in writing through the contracting officer to the ratification approval officials identified in paragraph (b)(3) of this section. The Assistant Secretary or equivalent official for the office that created the unauthorized commitment shall sign the request for ratification.

(3) In accordance with FAR 1.602–3(b)(3), the Senior Procurement Executive may delegate the authority to approve ratifications of individual unauthorized commitments down to, but not below, the level of an Assistant Chief Procurement Officer.

(c)(5) Concurrence by legal counsel in the Contracting Officer’s recommendation for payment of an unauthorized commitment (see FAR 1.602–3(c)(5)) shall not be required when the value of
2401.603 Selection, appointment and termination of appointment.

2401.603–2 Selection.
(a) In selecting Contracting Officers, appointing authorities shall consider the experience, education, training, business acumen, judgment, character, reputation, and ethics of the individual to be appointed. Appointing authorities shall also consider the size and complexity of contracts the individual will be required to execute or administer, and any other limitations on the scope of the authority to be exercised.
(b) Individuals appointed to a position having Contracting Officer authority, and whose primary duties are performed as a Contracting Officer, other than contracting authority limited to simplified acquisition procedures, shall meet the following requirements:

1. The education and specialized experience commensurate with the grade of the appointee as set forth in the qualification standards for the GS–1102 occupational series developed by the Office of Federal Procurement Policy under the authority of 41 U.S.C. 433, and two years of experience performing contracting, procurement, or purchasing operations in a government or commercial procurement office. Alternatively, where appointment of a Contracting Officer involves a specialized procurement field, experience in that field may be considered as a criterion for appointment.

2. Successful completion of contracting-related training as prescribed by the Senior Procurement Executive.
(c) The Senior Procurement Executive may waive education and specialized experience requirements as provided for in the qualification standards developed by the Office of Federal Procurement Policy under the authority of 41 U.S.C. 433.

2401.603–3 Appointment.
(a) Appointments to officials not expressly delegated procurement authority by a published departmental delegation of authority shall be made in writing by the Head of the Contracting Activity. The Certificate of Appointment (SF 1402) shall constitute the appointing official’s determination that the appointee meets the selection requirements set forth at 2401.603–2.

Subpart 2403.2—Contractor Gratuities to Government Personnel

2403.203 Reporting procedures.

Suspected violations of the gratuities clause (FAR 52.203-3) shall be reported to the Head of the Contracting Activity (HCA) in writing. The HCA will request the Office of Inspector General (OIG) to conduct any necessary investigation. Upon receipt of the OIG report, the HCA will evaluate the circumstances to determine if a violation has occurred. The HCA will refer violations and recommended corrective actions to the Senior Procurement Executive for disposition.

2403.204 Treatment of violations.

The Senior Procurement Executive will process violations in accordance with FAR 3.204.

2403.303–70 Reporting requirements.

Potential anti-competitive practices such as described in FAR subpart 3.3, evidenced in bids or proposals, shall be reported to the Office of General Counsel through the Head of the Contracting Activity with a copy to the Senior Procurement Executive and the Inspector General. The Office of General Counsel will provide reports to the Attorney General as appropriate.

Subpart 2403.4—Contingent Fees

2403.405 Misrepresentations or violations of the Covenant Against Contingent Fees.

(a) Government personnel who suspect or have evidence of attempted or actual exercise of improper influence, misrepresentation of a contingent fee arrangement, or other violation of the Covenant against Contingent Fees shall report the matter promptly to the Head of the Contracting Activity.

(b) When there is specific evidence or other reasonable basis to suspect one or more of the violations in paragraph (a) of this section, the HCA shall review the facts and, if appropriate, take or direct one or more of the actions set forth at FAR 3.405(b). The HCA shall refer suspected fraudulent or criminal matters to HUD’s Office of the Inspector General for possible referral to the Department of Justice.

2404.805 Storage, handling and disposal of contract files.

(a) Unsuccessful cost and technical proposals shall be retained in the contracting activity for a period of two months following the contract award as reference material for debriefings. Upon expiration of the two month period, the contracting office shall either:

(1) Retain one copy of each such proposal with the official contract file; or,

(2) Ship one copy of each unsuccessful bid or proposal to the Federal Records Center unless a debriefing has been requested but not held, or a protest is pending concerning the procurement. In no event shall these documents be destroyed before expiration of the retention periods in FAR 4.805.

(b) By the program office. Unsuccessful proposals shall be retained on file in the program office which conducted the technical evaluation for a period of two months following the contract award. Upon expiration of the two month period, the program office shall return one copy of each unsuccessful bid or proposal not required for the conduct of debriefings to the contracting activity for proper disposition. The remaining copies will be destroyed.

PART 2408—REQUIRED SOURCES OF SUPPLIES AND SERVICES

Subpart 2408.4—Federal Supply Schedules

Sec. 2408.404 Pricing.
2408.405–6 Limiting sources.

Subpart 2408.8—Acquisition of Printing and Related Supplies

2408.802–70 Contract clause.

GSA has determined the prices of supplies and fixed-price services, and rates for services offered at hourly rates, to be fair and reasonable for the purpose of establishing the schedule contract. GSA’s determination does not relieve the ordering activity Contracting Officer from the responsibility of making a determination of fair and reasonable pricing for individual orders, BPAs, and orders under BPAs. Contracting Officers shall follow the general principles and techniques outlined in FAR Section 15.404–1, Proposal Analysis Techniques, to ensure that the final agreed-to price is fair and reasonable, keeping in mind that the complexity and circumstances of each acquisition should determine the level of detail of the analysis required.

2408.405–6 Limiting sources.

(c)(2) Justifications for limiting sources, under the Federal Supply Schedules when exceeding the simplified acquisition threshold, must be prepared and approved using the latest version of HUD Form 24013.

(d)(3) HUD’s Chief Procurement Officer, as the Head of Contracting Activity, has delegated the authority to the Deputy Chief Procurement Officer to approve, in writing, justifications for limited source considerations for a proposed Federal Supply Schedule order or Blanket Purchase Agreement (BPA) with an estimated value exceeding $13.5 million, but not exceeding $68 million.

Subpart 2408.4—Federal Supply Schedules

SOURCE: 81 FR 13750, Mar. 15, 2016, unless otherwise noted.

2408.404 Pricing.

(d) Supplies offered on the schedule are listed at fixed prices. Services offered on the schedule are priced either at hourly rates, or at fixed price for performance of a specific task (e.g., installation, maintenance, and repair).
PART 2409—CONTRACTOR QUALIFICATIONS

Subpart 2409.1—Responsible Prospective Contractors

Sec. 2409.105 Procedures

(a) The Contracting Officer shall perform a financial review when the Contracting Officer does not otherwise have sufficient information to make a positive determination of financial responsibility. In addition, the Contracting Officer shall consider performing a financial review—

(1) Prior to award of a contract, when—

(i) The contractor is on a list requiring pre-award clearance or other special clearance before award;

(ii) The contractor is listed on the Consolidated List of Contractors Indebted to the Government, or is otherwise known to be indebted to the Government;

(iii) The contractor may receive Government assets such as contract financing payments or Government property;

(iv) The contractor is experiencing performance difficulties on other work; or

(v) The contractor is a new company or a new supplier of the item.

(2) At periodic intervals after award of a contract, when—

(i) Any of the conditions in paragraphs (a)(1)(ii) through (v) of this section are applicable; or

(ii) There is any other reason to question the contractor’s ability to finance performance and completion of the contract.

(b) The Contracting Officer shall obtain the type and depth of financial and other information that is required to establish a contractor’s financial capability or disclose a contractor’s financial condition. While the Contracting Officer should not request information that is not necessary for protection of the Government’s interests, the Contracting Officer must insist upon obtaining the information that is necessary. The unwillingness or inability of a contractor to present reasonably requested information in a timely manner, especially information that a prudent business person would be expected to have and to use in the professional management of a business, may be a material fact in the determination of the contractor’s responsibility and prospects for contract completion.

(c) The Contracting Officer shall obtain the following information to the extent required to protect the Government’s interest. In addition, if the Contracting Officer concludes that information not listed herein is required to determine financial responsibility, that information should be requested. The information must be for the person(s) who are legally liable for contract performance. If the contractor is not a corporation, the Contracting Officer shall obtain the required information for each individual/joint venturer/partner:

(1) Balance sheet and income statement—

(i) For the current fiscal year (interim);

(ii) For the most recent fiscal year and, preferably, for the 2 preceding fiscal years. These should be certified by an independent public accountant or by an appropriate officer of the firm; and

(iii) Forecasted for each fiscal year for the remainder of the period of contract performance.
(2) Summary history of the contractor and its principal managers, disclosing any previous insolvencies—corporate or personal, and describing its products or services.

(3) Statement of all affiliations disclosing—
(i) Material financial interests of the contractor;
(ii) Material financial interests in the contractor;
(iii) Material affiliations of owners, officers, members, directors, major stockholders; and
(iv) The major stockholders if the contractor is not a widely-traded, publicly-held corporation.

(4) Statement of all forms of compensation to each officer, manager, partner, joint venturer, or proprietor, as appropriate—
(i) Planned for the current year;
(ii) Paid during the past 2 years; and
(iii) Deferred to future periods.

(5) Business base and forecast that—
(i) Shows, by significant markets, existing contracts and outstanding offers, including those under negotiation; and
(ii) Is reconcilable to indirect cost rate projections.

(6) Cash forecast for the duration of the contract.

(7) Financing arrangement information that discloses—
(i) Availability of cash to finance contract performance;
(ii) Contractor’s exposure to financial crisis from creditor’s demands;
(iii) Degree to which credit security provisions could conflict with Government title terms under contract financing;
(iv) Clearly stated confirmations of credit with no unacceptable qualifications; and
(v) Unambiguous written agreement by a creditor if credit arrangements include deferred trade payments or creditor subordinations/repayment suspensions.

(8) Statement of all state, local, and Federal tax accounts, including special mandatory contributions, e.g., environmental superfund.

(9) Description and explanation of the financial effect of issues such as—
(i) Leases, deferred purchase arrangements, or patent or royalty arrangements;
(ii) Insurance, when relevant to the contract;
(iii) Contemplated capital expenditures, changes in equity, or contractor debt load;
(iv) Pending claims either by or against the contractor;
(v) Contingent liabilities such as guarantees, litigation, environmental, or product liabilities;
(vi) Validity of accounts receivable and actual value of inventory, as assets; and
(vii) Status and aging of accounts payable.

(10) Significant ratios such as—
(i) Inventory to annual sales;
(ii) Inventory to current assets;
(iii) Liquid assets to current assets;

[77 FR 73526, Dec. 10, 2012]

2415.209 Solicitation provisions and contract clauses.

(a)(1) The Contracting Officer shall insert a provision substantially the same as the provision at 2452.215–70, Proposal Content, in all solicitations for negotiated procurements expected to exceed the simplified acquisition limit. The provision may be used in simplified acquisitions when it is necessary to obtain business proposal information in making the award selection. If the proposed contract requires work on, or access to, HUD systems or applications (see the clause at 2452.239–
70), the provision shall be used with its Alternate I. When the Contracting Officer has determined that it is necessary to limit the size of the technical and management portion of offers submitted by offerors, the provision shall be used with its Alternate II.

(2) The contracting officer shall insert the provision at 2452.215–71, Relative Importance of Technical Evaluation Factors to Cost or Price, in solicitations for contracts to be awarded using the tradeoff selection process (see FAR 15.101–1) expected to exceed the simplified acquisition limit.

**Subpart 2415.3—Source Selection**

2415.303 Responsibilities.

(a)(1) Except as identified in paragraph (a)(2) of this section, HUD's Chief Procurement Officer, as the Senior Procurement Executive, designates Assistant Secretaries, or their equivalent, for requiring activities as the Source Selection Authorities for selections made using the tradeoff process. Assistant Secretaries may delegate this function to other departmental officials. This designation also applies to acquisitions not performed under the requirements of FAR part 15, but utilizing tradeoff analysis.

(2) HUD's Chief Procurement Officer, as the Senior Procurement Executive, designates HUD's Office of General Counsel (OGC) as the Source Selection Authority, regardless of contract amount, in all Headquarters procurements for legal services, unless (s)he specifically designates another agency official to perform that function. Any Headquarters office desiring to procure outside legal services for the Department shall obtain OGC approval before advertising or soliciting proposals for such services. OGC shall determine whether the services are necessary and the extent of OGC involvement in the procurement.

(b)(1) The technical evaluation requirements related to source selection shall be performed by a Technical Evaluation Panel (TEP). The TEP may consist of any number of members as appropriate to the acquisition, with one member serving as the chairperson.

As needed, the TEP may include advisors and committees to focus on specific technical areas or concerns. The TEP is responsible for fully documenting the evaluation of all proposals as appropriate to the source selection approach in use and for making the source selection recommendation to the source selection authority.

2415.304 Evaluation factors and significant subfactors.

(c)(3)(i) The extent of participation of small businesses in performance of the contract, whether as a joint venture, teaming arrangement, or subcontractor, shall be addressed in the source selection for contracts to be awarded using the tradeoff source selection process (see FAR 15.101–1) that require the use of the clause at FAR 52.219–9, Small Business Subcontracting Plan.

(d) The solicitation shall state the basis for the source selection decision as either the "lowest price technically acceptable" (LPTA) process or the "tradeoff" process (as defined at FAR subpart 15.1).

[77 FR 73527, Dec. 10, 2012]

2415.305 Proposal evaluation.

(a) After receipt of proposals, the Contracting Officer will forward copies of the technical portion of each proposal to the TEP Chairperson or his or her designee. The cost/price portion of each proposal shall be retained by the Contracting Officer pending initial technical evaluation by the TEP.

(3) Technical evaluation when tradeoffs are performed. The TEP shall rate each proposal based on the evaluation factors specified in the solicitation. The TEP shall identify each proposal as being acceptable, unacceptable but capable of being made acceptable, or unacceptable. A proposal shall be considered unacceptable if it is so clearly deficient that it cannot be corrected through written or oral discussions. Under the tradeoff process, predetermined threshold levels of technical acceptability for proposals shall not be employed. A technical evaluation report, which complies with FAR
15.305(a)(3), shall be prepared and signed by the technical evaluators, furnished to the Contracting Officer, and maintained as a permanent record in the official procurement file.

2415.308 Source selection decision.

After receipt and evaluation of final proposal revisions, the TEP shall document its selection recommendation(s) in a final written report. The final report shall include sufficient information to support the recommendation(s) made, appropriate to the source selection approach and type and complexity of the acquisition.

[64 FR 46096, Aug. 23, 1999]

2415.370 Solicitation provision.

The contracting officer shall insert the provision at 2452.215–72, Evaluation of Small Business Participation, in solicitations for contracts that require the use of the FAR clause in 52.219–9, “Small Business Subcontracting Plan,” that will be awarded using the tradeoff source selection process (see FAR 15.101–1).

2415.605 Content of unsolicited proposals.

2415.605–70 Unsolicited research proposals.

FAR subpart 15.6 outlines the policies and procedures relating to unsolicited proposals. In addition to these requirements, the Department requires that each award made as the result of an unsolicited proposal for research contain a commitment to provide actual cost-sharing. This provision will be included in the award whether or not cost-sharing was part of the unsolicited proposal.

2415.606 Agency procedures.

(a) The contact points shall ensure that unsolicited proposals are controlled, evaluated, safeguarded, and disposed of in accordance with FAR subpart 15.6. Proposals, as used in this section, shall mean proposals for procurement contracts with the Department and shall not include proposals or applications for assistance, including grants or cooperative agreements.

(b) Unless otherwise specified in a Federal Register announcement, unsolicited proposals should be submitted to:

(1) For research: Department of Housing and Urban Development, Office of Policy Development and Research, PD&R Correspondence Unit, 451 Seventh Street, SW., Washington, DC 20410–0001.

(2) For all others: Department of Housing and Urban Development, Office of the Chief Procurement Officer, 451 Seventh Street, SW., Washington, DC 20410–0001.

(c) Individuals or organizations interested in submitting unsolicited proposals should contact the appropriate office in paragraph (b) of this section for additional information on proposal requirements.

Subpart 2416.5—Indefinite-Delivery Contracts

2416.505 Ordering.

(a) The contracting officer shall be the ordering official for all task orders except as provided for herein. The contracting officer may designate an ordering official when orders are to be placed on a firm fixed-price basis, the prices of the specific services or supplies to be provided under the order are set forth in the contract, and there is no negotiation of order terms. The contracting officer shall not designate ordering officials:

(1) For contracts for services where prices are not tied to delivery of a completed service;

(2) For any contracts where discounts need to be negotiated; or

(3) In any other circumstances where adjustment of contract price or any other terms and conditions is necessary.

(b)(6) The Departmental competition advocate also serves as the Departmental task and delivery order ombudsman in accordance with FAR 16.505(b)(6). In addition to the duties
set forth at FAR 16.505(b)(6), the ombudsman shall recommend any corrective action regarding affording fair opportunity to contractors to compete for orders to the responsible contracting officer.

[77 FR 73527, Dec. 10, 2012]

2416.506 Solicitation provisions and contract clauses.

2416.506–70 Solicitation provisions and contract clauses.

(a) Unpriced task orders. The Contracting Officer shall insert the clause at 2452.216–75, Unpriced Task Orders, in contracts in which task orders are individually negotiated and when there may be a need to issue unpriced task orders. The Contracting Officer shall ensure that the cost of the work authorized by any unpriced task order is not in excess of the funds available for the order. The Contracting Officer shall establish the time period for the definitization of each unpriced order and insert the anticipated date of definitization in the clause. The HCA shall approve periods that exceed 180 days.

(b) Minimum and maximum quantities or amounts for order. The contracting officer shall insert a clause substantially the same as 2452.216–76, Minimum and Maximum Quantities or Amounts for Order, in all indefinite-quantity and requirements solicitations and contracts. When the clause is used for requirements solicitations and contracts, the contracting officer may either delete paragraph (a) or insert “none” for the minimum quantity or amount.

(c) Estimated quantities—requirements contract. The Contracting Officer shall insert the provision at 2452.216–77, Estimated Quantities—Requirements Contract, in all solicitations for requirements contracts.

(d) Ordering procedures. The Contracting Officer shall insert the clause at 2452.216–78, Ordering Procedures, in all indefinite-delivery solicitations and contracts. If the supplies or services to be ordered under the contract are pre-priced in the contract, the orders will be issued on a fixed-price basis, and no order terms are negotiated before issuance. The Contracting Officer shall use the clause with its Alternate I. If the contract provides for the issuance of task orders for services on a negotiated basis (see also 2416.505), the Contracting Officer shall use the clause with its Alternate II.

PART 2417—SPECIAL CONTRACTING METHODS

Subpart 2417.2—Options

Sec. 2417.204 Contracts.

Subpart 2417.5—Interagency Acquisitions Under the Economy Act

2417.504 Ordering procedures.

Subpart 2417.2—Options

2417.204 Contracts.

(e)(1) The Senior Procurement Executive (SPE) is authorized to approve contract periods for other than information technology contracts that exceed the 5-year limit set forth at FAR 17.204(e) that are not otherwise limited by statute (e.g., the Service Contract Act). Except as provided for in paragraphs (e)(2) and (4) of this section, the SPE shall approve any contract period that will exceed 5 years, including all option periods, prior to the award of the basic contract.

(2) With regard to HUD indefinite-delivery contracts, the “contract period” requiring the SPE’s prior approval in paragraph (e)(1) of this section shall mean the ordering period of a contract.
Unless otherwise specified within the contract, the 5-year limit shall not apply to the period that any task or delivery order issued within the contract’s ordering period extends beyond the final end date of the contract’s ordering period, regardless of whether the performance period of the order causes the total period of the contract to exceed 5 years. The issuance of any such task or delivery order does not require the SPE’s approval. Task or delivery orders with end dates extending beyond the ordering period of the contract may not exceed the final delivery date that the contracting officer has stated in the applicable indefinite-delivery FAR clause included in the contract (i.e., 52.216–20, “Definite Quantity,” paragraph (d); 52.216–21, “Requirements,” paragraph (f); or 52.216–22, “Indefinite Quantity,” paragraph (d)).

(3) The SPE’s authority described in paragraphs (e)(1) and (2) of this section shall not be used as the basis to retroactively increase or extend the period of any existing contract.

(4) The SPE is not required to approve any option properly exercised pursuant to the FAR clause at 52.217–8, “Option to Extend Services,” that extends the contract period beyond 5 years; provided that the total length of all options exercised pursuant to FAR clause 52.217–8 may not exceed 6 months; and provided that exercise of any such options shall be in accordance with FAR 37.111. Any proposed extension of a contract beyond the 6-month maximum permitted by FAR 52.217–8 shall be considered a new requirement and shall be subject to the competition requirements of FAR part 6.

Subpart 2419.2—Policies

2419.201 General policy.

(d) The Director of HUD’s Office of Small and Disadvantaged Business Utilization (OSDBU) is responsible for the administration of the HUD small business program and for performing all functions and duties prescribed in FAR 19.201(d). This includes Department-wide responsibility for developing, implementing, executing, and managing these programs; providing advice on these programs; and representing HUD before other government agencies on matters primarily affecting small, small disadvantaged, and women-owned small business; HUBZone small business; veteran-owned small business; and service-disabled veteran-owned small business concerns.

(e) The Director of OSDBU shall designate small business specialists who shall advise and assist HUD’s contracting activity and small business concerns as described in paragraph (d) on all matters related to small business participation in HUD acquisitions. Small business specialists shall perform the following functions:

1. Maintain a program designed to locate capable small-business sources as referenced in paragraph (d) of this section for current and future procurements;

2. Coordinate inquiries and requests for advice from such businesses on procurement matters;

3. Review proposed requirements for supplies and services, ensure that all such business concerns will be afforded an equitable opportunity to compete, and, as appropriate, initiate recommendation for small business or Section 8a set-asides (under the Small Business Act);

4. Take action to ensure the availability of adequate specifications and drawings, when necessary, to obtain participation by such businesses in a procurement;

5. Review proposed procurements for possible breakout of items suitable for procurement from such businesses;

6. Advise such businesses with respect to the financial assistance available under existing laws and regulations and assist such businesses in applying for financial assistance;

7. Ensure that adequate records are maintained and accurate reports are prepared concerning such businesses participation in the procurement program;

8. Make available to SBA copies of solicitations, when requested, and

Subpart 2419.8—Small Business Administration Section (8)(a) Program

2419.800 General.

(f) By Partnership Agreement between the SBA and HUD, the SBA delegated to HUD’s Senior Procurement Executive its authority under paragraph 8(a)(1)(A) of the Small Business Act (5 U.S.C. 637(a)) to enter into 8(a) prime contracts, and its authority under 8(a)(1)(B) of the Small Business Act to award the performance of those contracts to eligible 8(a) Program participants. Under the Partnership Agreement, a contract may be awarded directly to an 8(a) firm on either a sole-source or competitive basis. The SBA reserves the right to withdraw the delegation issued as a result of the Partnership Agreement; however, any such withdrawal shall have no effect on contracts already awarded under the Partnership Agreement.

2419.804–3 SBA acceptance.

2419.804–370 SBA acceptance under partnership agreements for acquisitions exceeding the simplified acquisition threshold.

(a) The following procedures apply to the acceptance of requirements covered by the Partnership Agreement for acquisitions that exceed the simplified acquisition threshold.

(1) The SBA’s decision whether to accept the requirement will be transmitted to HUD in writing within 5 working days of receipt of the offer.

(2) The SBA may request, and HUD may grant, an extension beyond the 5-day limit.

(3) SBA’s acceptance letters should be faxed or emailed to HUD.

(4) If HUD has not received an acceptance or rejection of the offering from SBA within 5 days of SBA’s receipt of the offering letter, the contracting officer may assume that the requirement has been accepted and proceed with the acquisition.

(b) The contents of SBA’s acceptance letter shall be limited to the eligibility of the recommended 8(a) contractor.

2419.808–1 Sole source.

(a) If the acquisition is conducted under the Partnership Agreement cited in 2419.800, the 8(a) contractor is responsible for negotiating with HUD within the time frame established by the contracting officer. If the 8(a) contractor does not negotiate within the established time frame, and HUD cannot allow additional time, HUD, after notification and approval by SBA, may proceed with the acquisition from other sources.

(b) If the acquisition is conducted under the Partnership Agreement cited in 2419.800, HUD is delegated the authority to negotiate directly with the 8(a) participant; however, if requested by the 8(a) participant, the SBA may participate in negotiations.

2419.811 Preparing the contracts.

2419.811–1 Sole source.

(e) If the award is to be made under the Partnership Agreement cited in 2419.800, the contracting officer shall prepare the instrument to be awarded to the 8(a) firm in accordance with the normal HUD procedures for non-8(a) contracts, except for the following:

(1) The award form shall cite 41 U.S.C. 253(c)(5) and 15 U.S.C. 637(a) as the authority for use of other than full and open competition.

(2) The contracting officer shall include appropriate contract clauses, as
necessary, to reflect that the acquisition is an 8(a) contract awarded under the authority of the Partnership Agreement cited in 2419.800.

(3) The contracting officer shall include SBA’s requirement number on the contract unless the acquisition does not exceed the simplified acquisition threshold.

(4) A single award document shall be used between HUD and the 8(a) contractor. As such, no signature on the part of the SBA is required; a single signature by the HUD contracting officer shall suffice. The 8(a) contractor’s signature shall be placed on the award document as the prime contractor. The 8(a) contractor’s name and address shall be placed in the “awarded to” or “contractor name” block on the appropriate forms.

2419.811–2 Competitive.

(a) If the award is to be made under the Partnership Agreement cited in 2419.800, competitive contracts for 8(a) firms shall be prepared in accordance with the same standards as 8(a) sole-source contracts as set forth in 2419.811–1.

(b) If the acquisition is conducted under the Partnership Agreement cited in 2419.800, the process for obtaining signatures shall be as specified in 2419.811–1(e).

Subpart 2429.1—General

2429.101 Resolving tax problems.

In order to have uniformity in HUD’s treatment of the tax aspects of contracting and ensure effective cooperation with other Government agencies on tax matters of mutual interest, the Office of General Counsel has the responsibility within HUD for handling all those tax problems. Therefore, the contracting activity will not engage in negotiation with any taxing authority for the purpose of determining the validity or applicability of, or obtaining exemptions from or refund of, any tax. When a problem exists, the Contracting Officer shall request, in writing, the assistance of legal counsel. The request shall detail the problem and be accompanied by appropriate backup data. Counsel shall report to the Contracting Officer as to the necessary disposition of the tax problem. The Contracting Officer will notify the contractor of the outcome of the tax problem. Counsel is responsible for communications with the Department of Justice for representation or intervention in proceedings concerning taxes.

Subpart 2432.7—Contract Funding

2432.703–1 General.

(b)(1) Except as described herein, a fixed-price contract may be funded incrementally only if—

(i) Sufficient funds are not available to the Department at the time of contract award or exercise of option to fully fund the contract or option; and

(ii) The contract (excluding any options) or any exercised option—

(A) Is for severable services; and

(B) Does not exceed one year in length; and

(C) Is incrementally funded using funds available (unexpired) as of the date the funds are obligated; and

(iii) If applicable, the contract uses funds available from multiple (2 or more) fiscal years and Congress has otherwise authorized incremental funding.
2432.703–3 Contracts crossing fiscal years.

(b) The contracting officer may enter into a contract, exercise an option, or place an order under a contract for severable services for a period that begins in one fiscal year and ends in the next fiscal year if the period of the contract awarded, option exercised, or order placed does not exceed one year.

[65 FR 3573, Jan. 21, 2000]

2432.704 Limitation of cost or funds.

2432.704–70 Incrementally funded fixed-price contracts.

(a) Upon receipt of the contractor’s notice under paragraph (c) of the clause at 2452.232–72, Limitation of Government’s Obligation, the contracting officer shall promptly provide written notice to the contractor that the Government is—

(1) Allotting additional funds for continued performance and increasing the Government’s limitation of obligation in a specified amount;

(2) Terminating the affected contract line items (CLINs) or contract, as applicable; or

(3) Considering whether to allot additional funds; and

(i) The contractor is required by the contract terms to stop work when the Government’s limitation of obligation is reached; and

(ii) Any costs expended beyond the Government’s limitation of obligation are at the contractor’s risk.

(b) Upon learning that the contract will receive no further funds, the contracting officer shall promptly give the contractor written notice of the Government’s decision and terminate the affected CLINs or contract, as applicable, for the convenience of the Government.

(c) The contracting officer shall ensure that, in accordance with paragraph (b) of the clause at 2452.232–72, “Limitation of Government’s obligation,” sufficient funds are allotted to the contract to cover the total amount payable to the contractor in the event of termination for the convenience of the Government.

2432.908 Contract clauses.

(a) The contracting officer shall insert the clause at 2452.232–73, Constructive Acceptance Period, in solicitations and contracts when the contracting officer has determined that an acceptance period longer than the 7 days provided for in the FAR clause at 52.232–25, “Prompt Payment,” is needed.

(b) The contracting officer shall insert a clause substantially the same as provided at 2452.232–70, Payment Schedule and Invoice Submission (Fixed-price), in fixed-price contracts other
than performance-based contracts under which performance-based payments will be used.

(3) The contracting officer shall insert a clause substantially the same as provided at 2432.232–71, Voucher Submission, in all cost-reimbursement, time-and-materials, and labor-hour type solicitations and contracts. The contracting officer shall insert the billing period agreed upon with the contractor (see also the FAR clause at 52.216–7, “Allowable Cost and Payment”).

(4) The Contracting Officer may substitute appropriate language for the clauses in paragraph (c)(2) and (3) of this clause when payment under the contract will be made on the basis of other than the submission of an invoice or voucher; e.g., directly from proceeds of property sales.

Subpart 2433.1—Protests

2433.102 General.

2433.102-70 Responsibility.

2433.103 Protests to the agency.

(d)(2) Appeals of Contracting Officer protest decisions shall include the information required at FAR 33.103(d)(2)(i), (ii), (iii), (iv), (v) and (vi).

(d)(4)(i) Protesters may request an appeal of the Contracting Officer’s decision on a protest. Such requests shall be made in writing to the cognizant HCA not later than 10 days after receipt of the Contracting Officer’s decision.

(ii) The HCA, in consultation with the Office of General Counsel, shall make all independent reviews of the Contracting Officer’s decision requested by protesters in accordance with FAR 33.103(d)(4) and provide the protester with the HCA’s decision on the appeal.

(f)(1) A determination by the Contracting Officer to award a contract pending resolution of a protest as authorized by FAR 33.103 shall be approved by the HCA in consultation with the Office of General Counsel.

(f)(3) A determination by the Contracting Officer to not suspend performance of a contract pending resolution of a protest as authorized by FAR 33.103 shall be approved by the HCA in consultation with the Office of General Counsel.

[64 FR 46097, Aug. 23, 1999]

2433.104 Protests to GAO.

(a)(1) General. When advised by GAO of the receipt of a protest, the Office of General Counsel shall immediately inform the contracting activity. The Contracting Officer shall notify the Office of General Counsel upon receipt of the copy of the protest from the protestor.

(2) Upon receipt by the Department of a written request for a formal report
relating to a protest, the Office of General Counsel, with appropriate assistance from the Contracting Officer, shall prepare and file the report in accordance with GAO requirements at 4 CFR part 21.

(c) *Protests after award.* Protests received after award shall be treated in the same manner as those filed with GAO before award in accordance with paragraphs (a)(1) and (a)(2) of this section.

(d) *Findings and notice.* When the Contracting Officer makes a determination to award a contract notwithstanding a protest as authorized by FAR 33.104(b)(1)(i-ii), or to continue contractor performance as authorized by FAR 33.104(c)(2), that determination of the intent to make an award or to continue contract performance shall be approved by the HCA after consultation with the Office of General Counsel.

(g) *Notice to GAO.* If the HCA proposes not to comply with a GAO recommendation concerning the resolution of a protest of a procurement award, prior to reporting to the Controller General concerning that decision, the HCA shall obtain the concurrence of the Office of General Counsel and the Senior Procurement Executive.

2436.602 Selection of firms for architect-engineer contracts.

2436.602-2 Evaluation boards.

(a) Each architect-engineer evaluation board, whether permanent or ad hoc (which may include preselection boards), shall consist of at least three voting members who are Federal employees from the appropriate program area or from Federal offices outside the program area as appropriate. One member of each board shall be appointed chairperson. Non-voting advisors may also be appointed, including private practitioners in architecture, engineering and related professions. The members of a permanent board shall be appointed for a period of two years. Appointment shall be made by the following authorities with copies of appointment memoranda furnished to the appropriate contracting activity:

(1) Assistant Secretary or equivalent for boards appointed at the Headquarters level;

(2) The cognizant program office head for boards appointed at the field level.

(c) Conflict of interest. Each board member, whether voting or nonvoting, shall be advised of, and presumed to be familiar with the regulations at 24 CFR part 0, Standards of Conduct, regarding conflicts of interest. If at any time during the selection process a board member encounters a situation with one or more of the firms being considered that might be or might appear to be a conflict of interest, he or she will disqualify him or herself and call it to the attention of the chairperson for resolution and proper action. The chairperson will refer the matter to legal counsel.

(d) Confidentiality. The evaluation board is to be insulated from outside pressures, to the extent practical. No person having knowledge of the activities of the board shall divulge information concerning the deliberations of the board to any other persons not having a need to know such information.

Sec. 2448.102 Policies.

2448.103 Processing value engineering change proposals.

48 CFR Ch. 24 (10–1–16 Edition)

2448.104–3 Sharing collateral savings.

AUTHORITY: 40 U.S.C. 486(c); 42 U.S.C. 3535(d).

SOURCE: 71 FR 2437, Jan. 13, 2006, unless otherwise noted.

2448.102 Policies.

(a) The authority of the agency head to exempt contracts from including Value Engineering (VE) procedures and processes under 48 CFR 48.102(a) is delegated to the HCA for individual (case-by-case) exemptions and to the Senior Procurement Executive for class exemptions.

(b) The Senior Procurement Executive is responsible for managing and monitoring HUD’s VE efforts.

2448.103 Processing value engineering change proposals.

Upon receipt of a Value Engineering Change Proposal (VECP), the Contracting Officer shall promptly forward it to the program office responsible for the contract, indicating:

(a) The date the VECP was received;
(b) The date by which the contractor must be informed of the government’s acceptance or rejection of the VECP, unless additional time is required for evaluation;
(c) The date by which the Contracting Officer must know of the technical officer’s decision in order to timely accept or reject the VECP;
(d) The need for information required to inform the contractor if the VECP is to be rejected or if additional time is needed to evaluate the VECP;
(e) The potential for awarding concurrent, future, or collateral savings to the contractor, if the VECP is accepted;
(f) That if the VECP is accepted, precise information will be needed with regard to the type of savings, and government costs, that can be expected from its acceptance;
(g) The need for a procurement request setting forth the specification changes to be used in a contract modification accepting the VECP in whole or in part; and
(h) The need for additional funds, if acceptance of the VECP will result in an increase in the cost of contract performance.
Department of Housing and Urban Development

2448.104–3 Sharing collateral savings.

(a) The authority of the HCA to determine that the cost of calculating and tracking collateral savings will exceed the benefits to be derived under 48 CFR 48.104–3(a) is delegated to the Contracting Officer.

2452.201–70 Coordination of data collection activities.

As prescribed in 2401.106–70, insert the following clause in solicitations and contracts where the contractor is required to collect identical information from ten or more public respondents:

COORDINATION OF DATA COLLECTION ACTIVITIES (APR 1984)

If it is established at award or subsequently becomes a contractual requirement to collect identical information from ten or more public respondents, the Paperwork Reduction Act (44 U.S.C. 3501–3520) applies. In that event, the Contractor shall not take any action to solicit information from any of the public respondents until notified in writing by the Contracting Officer that the required Office of Management and Budget (OMB) final clearance was received.

(End of clause)
**Subpart 2452.2—Texts of Provisions and Clauses**

**2452.203-70 Prohibition against the use of government employees.**

As prescribed in 2403.670, insert the following clause in all solicitations and contracts:

**Prohibition Against the Use of Government Employees (Feb 2006)**

In accordance with Federal Acquisition Regulation 3.601, contracts are not to be awarded to government employees or a business concern or other organization owned or substantially owned or controlled by one or more government employees. For the purposes of this contract, this prohibition against the use of government employees includes any work performed by the contractor or any of its employees, subcontractors, or consultants.

(End of clause)

[71 FR 2438, Jan. 13, 2006]

**2452.204-70 Preservation of, and access to, contract records (tangible and electronically stored information (ESI) formats).**

As prescribed in 2404.7001, insert the following clause:

(a) For the purposes of this clause—

Contract records means information created or maintained by the contractor in the performance of the contract. Contract records include documents required to be retained in accordance with FAR 4.703 and other information generated or maintained by the contractor that is pertinent to the contract and its performance including, but not limited to: email and attachments, formal and informal correspondence, calendars, notes, reports, memoranda, spreadsheets, tables, telephone logs, forms, survey, books, papers, photographs, drawings, machine-readable materials, and data. Contract records may be maintained as electronically stored information or as tangible materials. Contract records may exist in either final or any interim version (e.g., drafts that have been circulated for official purposes and contain unique information, such as notes, edits, comments, or highlighting). Contract records may be located or stored on the contractor’s premises or at off-site locations.

Electronically stored information (ESI) means any contract records that are stored on, or generated by, an electronic device, or contained in electronically accessible media, either owned by the contractor, subcontractor(s), or employees of the contractor or subcontractor(s) regardless of the physical location of the device or media (e.g., offsite servers or data storage).

ESI devices and media include, but are not be limited to:

(1) Computers (mainframe, desktop, and laptop);

(2) Network servers, including shared and personal drives;

(3) Individual email accounts of the contractor’s principals, officers, and employees, including all folders contained in each email account such as “inbox,” “outbox,” “drafts,” “sent,” “trash,” “archive,” and any other folders;

(4) Personal data assistants (PDAs);

(5) External data storage devices including portable devices (e.g., flash drive); and

(6) Data storage media (magnetic, e.g., tape; optical, e.g., compact disc, microfilm, etc.).

Tangible materials means contract records that exist in a physical (i.e., non-electronic) state.

(b) If during the period of performance of this contract, HUD becomes, or anticipates becoming, a party to any litigation concerning matters related to records maintained or generated by the Contractor in the performance of this contract, the Contracting Officer may provide the contractor with a written (either hardcopy or email) preservation hold notice and certification of compliance with the preservation hold notice. Upon receipt of the hold notice, the Contractor shall immediately take the following actions—

1. Discontinue any alteration, overwriting, deletion, or destruction of all tangible materials and ESI.

2. Preserve tangible materials and ESI. The contractor shall preserve ESI in its “native” form to preserve metadata (i.e., creation and modification history of a document).

3. Identify all individuals who possess or may possess tangible materials and ESI related to this matter, including contractor employees, subcontractors, and subcontractor employees. The contractor shall provide the names of all such individuals via email to the HUD official indicated in the notice.

4. Document in writing the contractor’s efforts to preserve tangible materials and ESI. It may be useful to maintain a log documenting preservation efforts.

5. Complete the certification of compliance with the preservation hold notice upon receipt and return it to the identified contact person; and
(6) Upon the request of the Contracting Officer, provide the Contracting Officer or other HUD official designated by the Contracting Officer with any of the information described in this clause. The contractor shall immediately confirm receipt of such request. The contractor shall describe in detail any records that the contractor knows or believes to be unavailable and provide a detailed explanation of why they are unavailable, and if known, their location.

(c)(1) If any request for records pursuant to paragraph (b)(6) of this clause causes an increase in the estimated cost or price or the time required for performance of any part of the work under this contract, or otherwise affects any other terms and conditions of this contract, the Contracting Officer shall make an equitable adjustment in the contract price, the delivery schedule, or both, and shall modify the contract.

(2) The contractor may assert its right to an adjustment under this clause within ________ [Contracting Officer insert period; 30 days if no other period inserted] from the date of receipt of the Contracting Officer’s request made pursuant to paragraph (b)(6) of this clause. However, if the Contracting Officer decides that the facts justify it, the Contracting Officer may receive and act upon a request submitted before final payment of the contract.

(3) Failure to agree to any adjustment shall be a dispute under the “Disputes” clause of this contract. However, nothing in this clause shall excuse the contractor from providing the records requested by the Contracting Officer.

(e) The contractor shall include this clause in all subcontracts.

(End of clause)

Alternate I (DEC 2012) For cost-reimbursement type contracts, substitute the following paragraph (c)(1) for paragraph (c)(1) of the basic clause:

(c)(1) If any request for records pursuant to paragraph (b)(6) of this clause causes an increase in the estimated cost or price or the time required for performance of any part of the work under this contract, or otherwise affects any other terms and conditions of this contract, the Contracting Officer shall make an equitable adjustment in any one or more of the following and will modify the contract accordingly:

(i) Estimated cost;
(ii) Delivery or completion schedule, or both; (ii) Amount of any fixed fee; or
(iii) Other affected terms.

Alternate II (DEC 2012) For labor-hour or time-and-materials type contracts, substitute the following paragraph (c)(1) for paragraph (c)(1) of the basic clause:

(c)(1) If any request for records pursuant to paragraph (b)(6) of this clause causes an increase in the estimated cost or price or the time required for performance of any part of the work under this contract, or otherwise affects any other terms and conditions of this contract, the Contracting Officer shall make an equitable adjustment in any one or more of the following and will modify the contract accordingly:

(i) Hourly rates;
(ii) Delivery schedule; or
(iii) Other affected terms.

[77 FR 73532, Dec. 10, 2012]

2452.208-71 Reproduction of reports.

As prescribed in 2143.110(b), insert the following clause in solicitations and contracts where the Contractor is required to produce, as an end product, publications or other written materials.

REPRODUCTION OF REPORTS (APR 1984)

In accordance with Title I of the Government Printing and Binding Regulations, printing of reports, data, or other written material, if required herein, is authorized provided that the material produced does not exceed 5,000 production units of any page and that items consisting of multiple pages do not exceed 25,000 production units in aggregate. The aggregate number of production units is determined by multiplying pages times copies. A production unit is one set, size 8 1/2 by 11 inches or less, printed on one side only and in one color. All copy preparation to produce camera ready copy for reproduction must be set by methods other than hot metal typesetting. The reports should be produced by methods employing stencils, masters, and plates which are to be used in single unit duplicating equipment no larger than 11 by 17 inches with a maximum image of 10 1/4 by 14 1/4 inches and are prepared by methods or devices that do not utilize reusable contact negatives and/or positives prepared with a camera requiring a darkroom. All reproducibles (camera ready copies for reproduction by photo offset methods) shall become the property of the Government and shall be delivered to the Government with the report, data, or other written materials.

(End of clause)

2452.209–70 Potential organizational conflicts of interest.

As prescribed in 2409.507–1, the Contracting Officer may insert a provision substantially the same as follows in solicitations:

POTENTIAL ORGANIZATIONAL CONFLICTS OF INTEREST (FEB 2000)

(a) The Contracting Officer has determined that the proposed contract contains a potential organizational conflict of interest. Offerors are directed to FAR subpart 9.5 for detailed information concerning organizational conflicts of interest.
(b) The nature of the potential conflict of interest is [Contracting Officer insert description]:
(c) Offerors shall provide a statement which describes concisely all relevant facts concerning any past, present or planned interest (financial, contractual, organizational, or otherwise) relating to the work to be performed under the proposed contract and bearing on whether the offeror has a possible organizational conflict of interest with respect to:
1. Being able to render impartial, technically sound, and objective assistance or advice, or
2. Being given an unfair competitive advantage. The offeror may also provide relevant facts that show how its organizational structure and/or management systems limit its knowledge of possible organizational conflicts of interest relating to other divisions or sections of the organization and how that structure or system would avoid or mitigate such organizational conflict.
(d) No award shall be made until any potential conflict of interest has been neutralized or mitigated to the satisfaction of the Contracting Officer.
(e) Refusal to provide the requested information or the willful misrepresentation of any relevant information by an offeror shall disqualify the offeror from further consideration for award of a contract under this solicitation.
(f) If the Contracting Officer determines that a potential conflict can be avoided, effectively mitigated, or otherwise resolved through the inclusion of a special contract clause, the terms of the clause will be subject to negotiation.

(End of provision)

[65 FR 3577, Jan. 21, 2000]

2452.209–71 Limitation on future contracts.

As prescribed in 2409.507–2, the Contracting Officer may insert a clause substantially the same as follows in solicitations and contracts for services:

LIMITATION ON FUTURE CONTRACTS (FEB 2000)

(a) The Contracting Officer has determined that this contract may give rise to potential organizational conflicts of interest as defined at FAR subpart 9.5.
(b) The nature of the potential conflict of interest is [Contracting Officer insert description]
(c) If the contractor, under the terms of this contract or through the performance of tasks pursuant to this contract, is required to develop specifications or statements of work that are to be incorporated into a solicitation, the contractor shall be ineligible to perform the work described in that solicitation as a prime or first-tier subcontractor under any ensuing HUD contract.
(d) Other restrictions—[Contracting Officer insert description].
(e) The restrictions imposed by this clause shall remain in effect until [Contracting Officer insert period or date].

(End of clause)

[65 FR 3577, Jan. 21, 2000]

2452.209–72 Organizational conflicts of interest.

As prescribed in 2409.508–2, insert the following contract clause in all contracts:

ORGANIZATIONAL CONFLICTS OF INTEREST (APR 1984)

(a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, he or she does not have any organizational conflict of interest which is defined as a situation in which the nature of work under a Government contract and a Contractor’s organizational, financial, contractual or other interests are such that:
1. Award of the contract may result in an unfair competitive advantage; or
2. The Contractor’s objectivity in performing the contract work may be impaired.
(b) The Contractor agrees that if after award he or she discovers an organizational conflict of interest with respect to this contract, he or she shall make an immediate and full disclosure in writing to the Contracting Officer which shall include a description of the action which the Contractor has taken or intends to take to eliminate or neutralize the conflict.

The Government may, however, terminate the contract for the convenience of the Government if it would be in the best interest of the Government.
2452.215–70

(c) In the event the Contractor was aware of an organizational conflict of interest before the award of this contract and intentionally did not disclose the conflict to the Contracting Officer, the Government may terminate the contract for default.

(d) The provisions of this clause shall be included in all subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

(End of clause)

2452.215–70 Proposal content.

As prescribed in 2415.209(a), insert a provision substantially the same as the following:

PROPOSAL CONTENT (MAR 2016)

(a) Proposals shall be submitted in two parts as described in paragraphs (c) and (d) below. Each of the parts must be complete in itself so that evaluation of each part may be conducted independently, and so the identified parts of each proposal may be evaluated strictly on its own merit. Proposals shall be submitted in the format, if any, prescribed elsewhere in this solicitation. Proposals shall be enclosed in sealed packaging and addressed to the office specified in the solicitation. The offeror’s name and address, the solicitation number and the date and time specified in the solicitation for proposal submission must appear in writing on the outside of the package.

(b) The number of proposals required is an original and [insert number] copies of Part I, and [insert number] copies of Part II.

(c) Part I—Technical Proposal. (1) The offeror shall submit the information required in Instructions to Offerors designated under Part I—Technical Proposal.

(d) Part II—Business Proposal. (1) The offeror shall complete the Representations and Certifications provided in Section K of this solicitation and include them in Part II, Business Proposal.

(2) The offeror shall provide information to support the offeror’s proposed costs or prices as prescribed elsewhere in Instructions to Offerors for Part II—Business Proposal.

(3) The offeror shall submit any other information required in Instructions to Offerors designated under Part II—Business Proposal.

(End of provision)

Alternate I (MAR 2016) As prescribed in 2415.209(a), if the proposed contract requires work on, or access to, sensitive automated systems as described in 2452.239–70, add the following subparagraph, numbered sequentially, to paragraph (d):

The offeror shall describe in detail how the offeror will maintain the security of automated systems as required by clause 2452.239–70 in Section I of this solicitation and include it in Part II, Business Proposal.

(End of provision)

Alternate II (MAR 2016) As prescribed in 2415.209(a), add the following paragraph (e) when the size of any proposal Part I or Part II will be limited:

(e) Size limits of Parts I and II. (1) Offerors shall limit submissions of Parts I and II of their initial proposals to the page limitations identified in the Instructions to Offerors. Offerors are cautioned that, if any Part of their proposal exceeds the stipulated limits for that Part, the Government will evaluate only the information contained in the pages up through the permitted number. Pages beyond that limit will not be evaluated.

(2) A page shall consist of one side of a single sheet of 8½" × 11" paper, single spaced, using not smaller than 12 point type font, and having margins at the top, bottom, and sides of the page of no less than one inch in width.

(3) Any exemptions from this limitation are stipulated under the Instructions to Offerors.

(4) Offerors are encouraged to use recycled paper and to use both sides of the paper (see the FAR clause at 52.204–4).

(End of provision)

(End of provision)

[81 FR 13752, Mar. 15, 2016]

2452.215–71 Relative importance of technical evaluation factors to cost or price.

As prescribed in 2415.209(a)(2), insert the following provision:

RELATIVE IMPORTANCE OF TECHNICAL EVALUATION FACTORS TO COST OR PRICE (DEC 2012)

For the purposes of evaluating offers and the selection of the contractor or contractors under this solicitation, the relative merit of the offeror’s technical proposal as evaluated in accordance with the technical evaluation factors listed herein shall be considered [Contracting Officer insert one of the following: “significantly more important than,” “approximately equal to,” or “significantly less important than”] cost or price. While the proposed cost or price will not be assigned a specific weight, it shall be

486
considered a significant criterion in the overall evaluation of proposals.

[77 FR 73533, Dec. 10, 2012]

As prescribed in 2415.370, insert the following provision:

EVALUATION OF SMALL BUSINESS PARTICIPATION (DEC 2012)

(a) In addition to the technical and management evaluation factors set forth in this solicitation, the Government will evaluate the extent to which all offerors identify and commit to using small businesses in the performance of the contract, whether through joint ventures or teaming arrangements, or as subcontractors. The evaluation shall consider the following:

(1) The extent to which small businesses are specifically identified in proposals;

(2) The extent of commitment to use small businesses (for example, enforceable commitments will be weighted more heavily than non-enforceable ones);

(3) The complexity and variety of the work small businesses are to perform;

(4) The realism of the proposal;

(b) Offerors that are required to submit a subcontracting plan pursuant to the clause at FAR 52.219–9, Utilization of Small Business Concerns, and 52.219–9, Small Business Subcontracting Plan; and

(5) The extent of participation of small businesses in terms of the total value of the contract.

(b) Offerors that are required to submit a subcontracting plan pursuant to the clause at FAR 52.219–9 shall include the small businesses proposed as subcontractors for evaluation under this provision in their subcontracting plan.

(End of provision)

[77 FR 73533, Dec. 10, 2012]

2452.215–70 Estimated cost, base fee and award fee.

As prescribed in 2416.406(e)(1), insert the following clause in all cost-plus-award-fee contracts:

ESTIMATED COST, BASE FEE AND AWARD FEE (FEB 2006)

(a) The estimated cost of this contract is $[insert amount].

(b) A base fee is payable in the amount of $[insert amount]. The government will make payment of the base fee in [insert number] increments on the schedule set forth in the Performance Evaluation Plan established by the government. The amount payable shall be based on the progress toward completion of contract tasks as determined by the Contracting Officer. Payment of the base fee is subject to any withholdings as provided for elsewhere in this contract.

(c) A maximum award fee available for payment is $[insert amount]. The government shall make payments of the award fee in accordance with the schedule established in the Performance Evaluation Plan and the Evaluation Period(s) set forth in the Distribution of Award Fee clause.

(End of clause)

[71 FR 2438, Jan. 13, 2006]

2452.216–71 Award fee.

As prescribed in 2416.406(e)(2), insert the following clause in all fixed-price-award-fee contracts:

AWARD FEE (FEB 2006)

In addition to the fixed-price for this contract set forth in the Schedule, a maximum award fee of $[insert amount] is available for payment. The government shall make payments of the award fee in accordance with the schedule established in the Performance Evaluation Plan and the Evaluation Period(s) set forth in the Distribution of Award Fee clause.

(End of clause)

[71 FR 2438, Jan. 13, 2006]

2452.216–72 Determination of award fee earned.

As prescribed in 2416.406(e)(3), insert the following clause in all award fee contracts:

DETERMINATION OF AWARD FEE EARNED (FEB 2006)

(a) At the conclusion of each evaluation period specified in the Performance Evaluation Plan, the government shall evaluate the contractor’s performance and determine the amount, if any, of award fee earned by the contractor. The amount of award fee to be paid will be determined by the designated Fee Determination Official’s (FDO’s) judgmental evaluation in accordance with the criteria set forth in the Performance Evaluation Plan. This decision will be made unilaterally by the government. In reaching this decision, the FDO may consider any justification of award fee the contractor submits, provided that the justification is submitted within [insert number] days after the end of an evaluation period. The FDO determination shall be in writing, shall set forth...
2452.216-73 Performance evaluation plan.

As prescribed in 2416.406(e)(3), insert the following clause in all award fee contracts:

**PERFORMANCE EVALUATION PLAN (AUG 1987)**

(a) The Government shall unilaterally establish a Performance Evaluation Plan that will provide the basis for the determination of the amount of award fee awarded under the contract. The Plan shall set forth evaluation criteria and percentage of award fee available for (1) technical functions, including schedule requirements if appropriate, (2) management functions; and, (3) cost functions. The Government shall furnish a copy of the Plan to the Contractor [insert number] days before the start of the first evaluation period.

(b) The Government may unilaterally change the award fee plan prior to the beginning of subsequent evaluation periods. The Contracting Officer will provide such changes in writing to the Contractor prior to the beginning of the applicable evaluation period.

(End of clause)

[71 FR 2438, Jan. 13, 2006]

2452.216-74 Distribution of award fee.

As prescribed in 2416.406(e)(3), insert the following clause in all award fee contracts:

**DISTRIBUTION OF AWARD FEE (FEB 2006)**

(a) The total amount of award fee available under this contract is assigned to the following evaluation periods in the following amounts:

- Evaluation Period: [insert time period]
- Available Award Fee: [insert dollar amount]

(b) In the event of contract termination, either in whole or in part, the amount of award fee available shall represent a proportionate distribution associated with evaluation period activities or events as determined by the Fee Determination Official as designated in the contract.

(End of clause)

Alterate I (FEB 2006). As prescribed in 2416.406(e)(3), add paragraph (c):

(c) The contract clauses required for cost-reimbursement contracts shall be modified for use under award fee contracts as cited below:

1. The term “base fee and award fee” shall be substituted for “fixed fee” where it appears in the clause at FAR 52.243-2, Changes—Cost Reimbursement.

2. The term “base fee” shall be substituted for “fee” where it appears in the clauses at FAR 52.232–20, Limitation of Costs, and FAR 52.232–22, Limitation of Funds.

3. The phrase “base fee, if any, and such additional fee as may be awarded as provided for in the Schedule” shall be substituted for the term “fee” whenever it appears in the clause at FAR 52.216-7, Allowable Cost and Payment.

(End of clause)

[71 FR 2438, Jan. 13, 2006]

2452.216-75 Unpriced task orders.

As prescribed in 2416.506-70(a), insert the following clause:

**UNPRICED TASK ORDERS (FEB 2006)**

(a) Prior to the issuance of a task order under this contract, it is anticipated that the government and the contractor will reach agreement on the price or total cost and fee (if applicable) for the services to be provided under the order. The Contracting Officer may authorize commencement of work prior to final agreement on cost or price. In such case, the contractor shall immediately commence performance of the services specified in the order and shall submit a pricing proposal within 15 days of receipt of the task order. Upon completion of negotiations, the final negotiated cost or price will be set forth in a supplemental agreement that is executed by the contractor and the Contracting Officer. Failure to agree upon the cost or price shall be considered a dispute subject to the Disputes clause of this contract.

(b) Unpriced task orders shall indicate a “not-to-exceed” amount for the order; however, such amount shall not exceed 50 percent of the estimated cost of the task order. The task order shall only require the Contracting Officer’s signature, but shall also...
comply with all other task order requirements. Unpriced task orders shall indicate the date by which the government anticipates that the cost or price of the order will be definitized.

2452.219–70 Small business subcontracting plan compliance.

As prescribed in 2419.708(d), insert the following provision:

SMALL BUSINESS SUBCONTRACTING PLAN COMPLIANCE (FEB 2006)

(a) This provision is not applicable to small business concerns.

(b) Offerors’ attention is directed to the provisions in this solicitation at FAR 52.219-8, Utilization of Small Business Concerns, and the clause at FAR 52.219-9, Small Business Subcontracting Plan.

(c) The government will consider offerors’ prior compliance with subcontracting plans in determining their responsibility (see FAR 9.104-3). Therefore, offerors having previous contracts with subcontracting plans shall provide the following information: agency name; agency point of contact; contract number; total contract value; a synopsis of the work required under the contract; the role(s) of the subcontractor(s) involved; and the applicable goals and actual performance (dollars and percentages) for subcontracting with the types of small business concerns listed in the clause at FAR 52.219-9. This information shall be provided for the three most recently completed contracts with such subcontracting plans.

2452.219–71 Notification of competition limited to eligible 8(a) concerns—Alternate III to FAR 52.219–18.

As prescribed in 2419.811–3(d)(3), insert the following clause:

NOTIFICATION OF COMPETITION LIMITED TO ELIGIBLE 8(a) CONCERNS—ALTERNATE III TO FAR 52.219–18 (DEC 2012)

The following paragraph (c) replaces paragraph (c) of the clause at FAR 52.219-18, Notification of Competition Limited to Eligible 8(a) Concerns:

(c) Any award resulting from this solicitation will be made directly by the HUD Contracting Officer to the successful 8(a) offeror selected through the evaluation criteria set forth in this solicitation.

[77 FR 73533, Dec. 10, 2012]
2452.219–72  Section 8(a) direct awards (Deviation).

As prescribed in 2419.811–3(f), insert the following clause:

SECTION 8(A) DIRECT AWARD (DEC 2012)

(a) This contract is issued as a direct award between the Department of Housing and Urban Development (HUD) and the 8(a) Contractor pursuant to a Partnership Agreement (Agreement) between the Small Business Administration (SBA) and HUD. The SBA retains responsibility for 8(a) certification, 8(a) eligibility determinations and related issues, and providing counseling and assistance to the 8(a) contractor under the 8(a) program. The cognizant SBA district office is: [To be completed by Contracting Officer at time of award].

(b) SBA is the prime contractor and [insert name of 8(a) contractor] is the subcontractor under this contract. Under the terms of the Agreement, HUD is responsible for administering the contract and taking any action on behalf of the Government under the terms and conditions of the contract. However, the HUD Contracting Officer shall give advance notice to the SBA before issuing a final notice terminating performance, either in whole or in part, under the contract. The HUD Contracting Officer shall also coordinate with SBA prior to processing any novation agreement. HUD may assign contract administration functions to a contract administration office.

(c) [insert name of 8(a) contractor] agrees:

(1) To notify the HUD Contracting Officer, simultaneously with its notification to SBA (as required by SBA’s 8(a) regulations), when the owner or owners upon whom 8(a) eligibility is based, plan to relinquish ownership or control of the concern. Consistent with 15 U.S.C. 637(a)(21), transfer of ownership or control shall result in termination of the contract for convenience, unless SBA waives the requirement for termination prior to the actual relinquishing of ownership or control.

(2) To adhere to the requirements of FAR 52.219-14, “Limitations on Subcontracting.”

(End of clause)

2452.219–73  Incorporation of subcontracting plan.

As prescribed in 2419.708(b), insert the following clause:

INCORPORATION OF SUBCONTRACTING PLAN (DEC 2012)

The Contractor’s approved subcontracting plan, dated [Contracting Officer insert date] is hereby incorporated by reference and made a part of this contract.

(End of clause)

2452.219–74  Small business subcontracting goals.

As prescribed in 2419.708(b), insert the following provision:

SMALL BUSINESS SUBCONTRACTING GOALS (DEC 2012)

(a) This provision does not apply to offerors that are small businesses.

(b) The offeror’s attention is directed to the FAR clause at 52.219–9, “Small Business Subcontracting Plan,” herein. HUD will evaluate proposed subcontracting plans using the Departmental small business subcontracting goals set forth in paragraph (c) of this clause. Offerors that are unable to propose subcontracting that meets HUD’s established goals must provide the rationale for their proposed level of subcontracting.

(c) HUD’s subcontracting goals are as follows:

(i) Small Business— [Contracting Officer insert HUD small business subcontracting goal percentage]

(ii) The total Small Business goal shown in paragraph (c)(i) of this clause contains the following subordinate goals [Contracting Officer insert percentages]:

(A) Small Disadvantaged Business— %

(B) Women-Owned Small Business— %

(C) Service-Disabled Veteran-Owned Small Business— %

(D) HUBZone Small Business— %

(End of provision)

2452.222–70  Accessibility of meetings, conferences, and seminars to persons with disabilities.

As prescribed in 2422.1408(c), insert the following clause in all solicitations and contracts:

ACCESSIBILITY OF MEETINGS, CONFERENCES, AND SEMINARS TO PERSONS WITH DISABILITIES (FEB 2006)

The contractor shall assure that any meeting, conference, or seminar held pursuant to the contract meets all applicable standards for accessibility to persons with disabilities pursuant to section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), and any implementing regulations of the Department. The contractor shall be responsible for ascertaining the specific accessibility needs.
Government information.

As prescribed in 2427.470, use the following clause:

GOVERNMENT INFORMATION (DEC 2012)

(a) Definitions. As used in this clause, “Government information” includes—

Contractor-acquired information, which means information acquired or otherwise collected by the Contractor on behalf of the Government in the context of the Contractor’s duties under the contract.

Government-furnished information (GFI), which means information in the possession of, or directly acquired by, the Government and subsequently furnished to the Contractor for performance of a contract. GFI also includes contractor-acquired information if the contractor-acquired information is a deliverable under the contract and is for continued use under the contract. Otherwise, GFI does not include information that is created by the Contractor and delivered to the Government in accordance with the requirements of the work statement or specifications of the contract. The type, quantity, quality, and delivery requirements of such deliverable information are set forth elsewhere in the contract schedule.

(b) Information Management and Information Security.

(1) The Contractor shall manage, account for, and secure all Government information provided or acquired by the contractor. The Contractor shall be responsible for all Government information provided to its subcontractors. The Contractor agrees to include a requirement in each subcontract under this contract that flows down the protection from disclosure requirements.

(2) The Contractor’s responsibility for Government information extends from the initial provision or acquisition and receipt of information, through stewardship, custody, and use until returned to, or otherwise disposed of, as directed by the Contracting Officer. This requirement applies to all Government information under the Contractor’s accountability, stewardship, possession or control, including its subcontractors.

(c) Use of Government information.

(1) The Contractor shall not use any information provided or acquired under this contract for any purpose other than in the performance of this contract.

(2) The Contractor shall not modify or alter the Government information, unless authorized in writing, in advance, by the Contracting Officer.

(d) Government-furnished information.

(1) The Government shall deliver to the Contractor the information described below—

Description Date to be Provided

[Contracting Officer insert]

(2) The delivery and/or performance dates specified in this contract are based upon the expectation that the Government-furnished information will be suitable for contract performance and will be delivered to the Contractor by the dates stated in paragraph (d)(1) of this clause.

(i) The Government does not warrant the validity or accuracy of the Government-furnished information unless otherwise noted.

(ii) In the event that information received by the Contractor is not in a condition suitable for its intended use, the Contractor shall immediately notify the Contracting Officer in writing. Upon receipt of the Contractor’s notification, the Contracting Officer shall advise the Contractor on a course of action to remedy the problem.

(iii) If either the failure of the Government to provide information to the Contractor by the dates shown in this clause or the remedial action taken under this clause to correct defective information causes an increase or decrease in the Contractor’s cost of, or the time required for, the performance of any part of the work under this contract, the Contractor shall provide to the Contracting Officer its written statement describing the general nature and amount of the equitable adjustment proposal within 30 days after the remedial action described in paragraph (ii) herein is completed, or within 30 days after the date upon which the Government failed to provide information, unless the Contracting Officer extends this period.

(3)(i) The Contracting Officer may, by written notice, at any time—

(A) Increase or decrease the amount of Government-furnished information under this contract;

(B) Substitute other Government-furnished information for the information previously furnished, to be furnished, or to be acquired by the Contractor for the Government under this contract; or

(C) Withdraw authority to use the information.

(ii) Upon completion of any action(s) under paragraph (d)(3)(i) of this clause, and the Contractor’s timely written request, the Contracting Officer shall consider an equitable adjustment to the contract.

(e) Rights in information. Government information is the property of the U.S. Government unless otherwise specifically identified. The specific rights in any other information acquired or created by the Contractor under
this contract shall be as expressed in the “Rights in Data” clause contained in this contract.

(1) **Government access to information.** The Government shall have the right to access any Government information maintained by the contractor and any subcontractors. The Contractor shall provide the Contracting Officer, and other duly authorized Government representatives, with access to all Government information, including access to the Contractor’s facilities, as necessary, promptly upon written notification by the Contracting Officer. Such notification may be by electronic mail.

(g) **Contractor liability for Government information.** (1) Unless otherwise provided for in the contract, the Contractor shall not be liable for loss, theft, damage, or destruction to the Government information furnished or acquired under this contract, except when the loss, theft, damage, or destruction is the result of the Contractor's failure to properly manage, account for, and safeguard the information in accordance with this clause.

(2) In the event of any loss, theft, damage, or destruction of Government information, the Contractor shall immediately take all reasonable actions necessary to protect the Government information from further loss, theft, damage, or destruction.

(3) The Contractor shall do nothing to prejudice the Government’s rights to recover against third parties for any loss, theft, damage, or destruction of Government information.

(h) **Information alteration and disposal.** Except as otherwise provided for in this contract, the Contractor shall not alter, destroy, or otherwise dispose of any Government information unless expressly directed by the Contracting Officer to do so.

(1) **Return of Government information to the Government.** (1) The Government may require the Contractor to return Government Information to the Government at any time. Upon demand by the Contracting Officer or his/her representative, the Contractor shall return all Government information to the Government as directed by the Contracting Officer or another individual designated by the Contracting Officer.

(2) The Contractor’s failure to return all information as directed, including directions regarding the time frames for delivery back to the Government and directions prescribing the form in which the data must be returned, shall be considered a breach of contract, and the Government shall have the right to physically remove the Government information from the Contractor, including removal of such information from the Contractor’s physical premises and from any electronic media (e.g., Contractor’s computer systems).

(i) When required to return Government information to the Government, the Contractor shall do so at no cost to the Government. The Government shall not be responsible for the cost of data format conversion and the cost of delivery, if any.

(4) **Failure to correct or replace Government information.** (5) In the event of Contractor delay in returning Government information, the Contractor shall do so at no cost to the Government. The Government shall not be liable for breach of contract for the following:

(1) Any delay in delivery of Government-furnished information.

(2) Delivery of Government-furnished information in a condition not suitable for its intended use.

(3) An increase, decrease, or substitution of Government-furnished information.

(4) Failure to correct or replace Government information for which the Government is responsible.

(k) **Subcontracts.** The Contractor shall ensure that all subcontracts under which Government information is provided to a subcontractor include the basic terms and conditions set forth in paragraphs (a), (b), (c), (f), and (h) of this clause in each subcontract. Subcontracts shall clearly describe the Government information provided to the subcontractor. The Contractor shall be responsible for all Government information provided to subcontractors.

**Altered I.** When the contracting officer determines that the failure to return Government information as provided for in paragraph (i) of this clause shall result in a monetary damage to the Government, the contracting officer shall include the following additional paragraph (i)(5) of this clause. The contracting officer shall consult the requiring activity to determine an amount or percentage that accurately reflects the damages to the Government.

(5) In the event of Contractor delay in returning the Government Information to the Government, for each calendar day late, the Contracting Officer has the discretion to deduct [Contracting Officer insert dollar amount or percentage] from the total value of the contract, and/or withhold payment from the Contractor.

(End of clause)

[77 FR 73534, Dec. 10, 2012]

**2452.232–70 Payment schedule and invoice submission (Fixed-Price).**

As prescribed in HUDAR Section 2432.908(c)(2), insert the following clause in all fixed price solicitations and contracts where invoicing and payments will NOT be made through the
PAYMENT SCHEDULE AND INVOICE SUBMISSION
(Fixed-Price) (MAR 2016)

(a) Payment schedule. Payment of the contract price (see Section B of the contract) will be made upon completion and acceptance of all work unless a partial payment schedule is included below:

(Continue as necessary)

(b) Submission of invoices. (1) The Contractor shall submit invoices as follows: original to the payment office and one copy each to the Contracting Officer and a copy to the Government Technical Representative (GTR) identified in the contract. To constitute a proper invoice, the invoice must include all items required by the FAR clause at 52.232-25, “Prompt Payment.”

(2) To assist the government in making timely payments, the contractor is also requested to include on each invoice the appropriation number shown on the contract award document (e.g., block 14 of the Standard Form (SF) 26, block 25 of the SF-33, or block 18a of the SF-1449) and carbon copy the Contracting Officer and the Government Technical Representative (GTR). To constitute a proper invoice, the invoice must include all items required by the FAR clause at 52.232-25, “Prompt Payment.” The contractor shall clearly include in the Subject line of the email: INVOICE INCLUDED. CONTRACT/ORDER #: ____, INVOICE NUMBER _____ and Contract Line Item Number(s)

(2) To assist the government in making timely payments, the contractor is also requested to include on each invoice the appropriation number shown on the contract award document (e.g., block 14 of the Standard Form (SF) 26, block 21 of the SF-33, or block 25 of the SF-1449).

(End of Alternate I)

Alternate II (MAR 2016) As prescribed in HUDAR Section 2432.908(c)(2), replace paragraphs (b)(1) and (2) of the HUDAR Clause 2452.232-70 Payment Schedule and Invoice Submission (Fixed-price) with the following Alternate II language in all fixed price solicitations and contracts when required:

(b) Submission of invoices. (1) The Contractor shall submit invoices electronically via email to the email addresses shown on the contract award document (e.g., block 14 of the Standard Form (SF) 26, block 25 of the SF-33, or block 18a of the SF-1449) and carbon copy the Contracting Officer and the Government Technical Representative (GTR). To constitute a proper invoice, the invoice must include all items required by the FAR clause at 52.232-25, “Prompt Payment.”

(2) To assist the government in making timely payments, the contractor is also requested to include on each invoice the appropriation number shown on the contract award document (e.g., block 14 of the Standard Form (SF) 26, block 21 of the SF-33, or block 25 of the SF-1449).

(End of Alternate II)
2452.232–71 Voucher submission (cost-reimbursement, time-and-materials, and labor-hour).

As prescribed in HUDAR Section 2432.908(c)(3), insert the following clause in all cost reimbursable, time-and-materials, and labor-hour solicitations and contracts where vouchering and payments will NOT be made through the Department of Treasury’s Bureau of Fiscal Services Invoice Processing Platform (IPP) system:

VOUCHER SUBMISSION (COST-REIMBURSEMENT, TIME-AND-MATERIALS, AND LABOR-HOUR) (MAR 2016)

(a) Voucher submission. (1) The contractor shall submit, to the Contracting Officer insert billing period, e.g., monthly, an original and two copies of each voucher. In addition to the items required by the clause at FAR 52.232–25, Prompt Payment, the voucher shall show the elements of cost for the billing period and the cumulative costs to date. The Contractor shall submit all vouchers, except for the final voucher, as follows: original to the payment office and one copy each to the Contracting Officer and the Government Technical Representative (GTR). In addition to the items required by the clause at FAR 52.232–25, Prompt Payment, the voucher shall show the elements of cost for the billing period and the cumulative costs to date. The contractor shall clearly include in the Subject line of the email: VOUCHER INCLUDED; CONTRACT/ ORDER #: . VOUCHER NUMBER and Contract Line Item Number(s).

(2) To assist the government in making timely payments, the contractor is requested to include on each voucher the applicable appropriation number(s) shown on the award or subsequent modification document (e.g., block 14 of the Standard Form (SF) 26, or block 21 of the SF–33). The contractor is also requested to clearly indicate on the mailing envelope that a payment voucher is enclosed.

(b) Contractor remittance information. (1) The Contractor shall provide the payment office with all information required by other payment clauses contained in this contract.

(2) For time-and-materials and labor-hour contracts, the Contractor shall aggregate vouchered costs by the individual task for which the costs were incurred and clearly identify the task or job.

(c) Final Payment. The final payment shall not be made until the Contracting Officer has certified that the contractor has complied with all terms of the contract.

(End of clause)

Alternate I (MAR 2016). As prescribed in HUDAR section 2432.908(c)(3), replace paragraphs (a)(1) and (2) with the following Alternate I paragraphs to HUDAR Clause 2452.232–71, Voucher Submission in time and material, cost-reimbursable and labor hour solicitation and contracts other than performance-based under which performance-based payments will be used and where invoices are to be submitted electronically by email but will not be paid through the Department of Treasury’s Bureau of Fiscal Services Invoice Processing Platform (IPP) system:

(a) Voucher submission. (1) The contractor shall submit vouchers electronically via email to the email addresses shown on the contract award document (e.g., block 12 of the Standard Form (SF) 26, block 25 of the SF–33, or block 18a of the SF–1449) and carbon copy the Contracting Officer and the Government Technical Representative (GTR). In addition to the items required by the clause at FAR 52.232–25, Prompt Payment, the voucher shall show the elements of cost for the billing period and the cumulative costs to date. The contractor shall clearly include in the Subject line of the email: VOUCHER INCLUDED; CONTRACT/ ORDER #: . VOUCHER NUMBER and Contract Line Item Number(s).

(2) To assist the government in making timely payments, the contractor is requested to include the applicable appropriation number(s) shown on the award or subsequent modification document (e.g., block 14 of the Standard Form (SF) 26, or block 21 of the SF–33).

(End of Alternate I)

As prescribed in 2432.705–70, use the following clause:

<table>
<thead>
<tr>
<th>Contract line item number</th>
<th>Total price</th>
<th>Amount of current funding</th>
<th>Anticipated date(s) of future funding</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

The contracting officer will revise this table as funds are allotted to the contract.

(b) For the incrementally funded line item(s) in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those item(s) for the Government’s convenience, approximates the total amount currently allotted to the contract for these contract line items. The Contractor is not authorized to continue work on the incrementally funded line item(s) beyond that point. The Government will in no event be obligated to reimburse the Contractor in excess of the amount allotted to the contract for the incrementally funded line item(s) regardless of anything to the contrary in the clause entitled “Termination for Convenience of the Government.” As used in this clause, the total amount payable by the Government in the event of termination for convenience of applicable line item(s) includes costs, profit, and estimated termination settlement costs for those line item(s).

(c) Notwithstanding the dates specified in the allotment schedule in paragraph (a) of this clause, the Contractor will notify the Contracting Officer in writing at least 90 days unless the Contracting Officer inserts a different number) days prior to the date when, in the Contractor’s best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 85 percent of the total amount then allotted to the contract for performance of the applicable line item(s). This notification will state: the estimated date when that point will be reached; and an estimate of the amount of additional funding, if any, needed to continue performance of the applicable line items up to the next scheduled date for allotment of funds identified in paragraph (a) of this clause (or to another mutually agreed-upon date). The notification will also advise the Contracting Officer of the estimated amount of additional funds that will be required for the timely performance of the line item(s) funded pursuant to this clause, for a subsequent period as may be specified in the allotment schedule in paragraph (a) of this clause or otherwise agreed to by the parties. If after such notification additional funds are not allotted by the date identified in the Contractor’s notification, or by an agreed-upon date, the Contracting Officer will terminate any line item(s) for which additional funds have not been allotted, pursuant to the clause of this contract entitled “Termination for Convenience of the Government.”

(d) When additional funds are allotted for continued performance of the incrementally funded line item(s), the parties will agree to the period of contract performance covered by the funds. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and agreed-upon date(s), and the contract will be modified accordingly.

(e) If the Contractor incurs additional costs or is delayed in the performance of the work under this contract solely by reason of
the failure of the Government to allot additional funds in amounts sufficient for timely performance of the incrementally funded line item(s), and then additional funds are allotted, an equitable adjustment will be made in the line item price(s) or in the time of delivery, or both. Failure to agree to any such equitable adjustment hereunder shall be considered a dispute subject to the "Disputes" clause in this contract.

(f) The Government may allot additional funds for the performance of the incrementally-funded line item(s) at any time prior to termination.

(g) The termination provisions of this clause do not limit the rights of the Government under the clause entitled "Default." The provisions of this clause are limited to the work and allotment of funds for the incrementally funded line item(s) and will no longer apply once the contract is fully funded except with regard to the rights or obligations of the parties concerning equitable adjustments negotiated under paragraphs (d) and (e) of this clause.

(h) Nothing in this clause affects the right of the Government to terminate this contract pursuant to the clause of this contract entitled "Termination for Convenience of the Government."

(i) Nothing in this clause shall be construed as authorization of voluntary services whose acceptance is otherwise prohibited under 31 U.S.C. 1342.

(End of clause)
2452.237–73

**KEY PERSONNEL (FEB 2006)**

(a) **Definition.** “Personnel” means employees of the contractor, or any subcontractor(s), affiliates, joint venture partners, or team members, and consultants engaged by any of those entities.

(b) The personnel specified below are considered to be essential to the work being performed under this contract. Prior to diverting any of the specified individuals to other projects, the contractor shall notify the Contracting Officer reasonably in advance and shall submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on the program. No diversion shall be made by the contractor without the written consent of the Contracting Officer.

(c) The contractor shall submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on the program. No diversion shall be made by the contractor without the written consent of the Contracting Officer.

(d) The contractor believes that guidance provided by any government personnel, whether or not specifically provided pursuant to this clause, is of a nature described in paragraph (b) above.

(End of clause)

2452.237–73  Conduct of work and technical guidance.

As prescribed in 2437.110(e)(2), insert the following clause in all contracts for services:

**CONDUCT OF WORK AND TECHNICAL GUIDANCE (MAR 2016)**

(a) The Contracting Officer will provide the contractor with the name and contact information of the Government Technical Representative (GTR) assigned to this contract. The GTR will serve as the contractor’s liaison with the Contracting Officer with regard to the conduct of work. The Contracting Officer will notify the contractor in writing of any change to the current GTR’s status or the designation of a successor GTR.

(b) The GTR for liaison with the contractor as to the conduct of work is [to be inserted at time of award] or a successor designated by the Contracting Officer. The Contracting Officer will notify the contractor in writing of any change to the current GTR’s status or the designation of a successor GTR.

(c) The GTR will provide guidance to the contractor on the technical performance of the contract. Such guidance shall not be of a nature which:

(1) Causes the contractor to perform work outside the statement of work or specifications of the contract;

(2) Constitutes a change as defined in FAR 52.243–1;

(3) Causes an increase or decrease in the cost of the contract;

(4) Alters the period of performance or delivery dates; or

(5) Changes any of the other express terms or conditions of the contract.

(d) The GTR will issue technical guidance in writing or, if issued orally, he/she will confirm such direction in writing within five calendar days after oral issuance. The GTR may issue such guidance via telephone, facsimile (fax), or electronic mail.

(e) Other specific limitations [to be inserted by Contracting Officer]:

(f) The contractor shall promptly notify the Contracting Officer whenever the contractor believes that guidance provided by any government personnel, whether or not specifically provided pursuant to this clause, is of a nature described in paragraph (b) above.

[81 FR 13754, Mar. 15, 2016]

2452.237–75  Access to HUD Facilities.

As prescribed in 2437.110(e)(3), insert the following clause in solicitations and contracts:

**ACCESS TO HUD FACILITIES (DEC 2012)**

(a) **Definitions.** As used in this clause—

**Access** means physical entry into and, to the extent authorized, mobility within a Government facility.

**Contractor employee** means an employee of the prime contractor or of any subcontractor, affiliate, partner, joint venture, or team members with which the contractor is associated. It also includes consultants engaged by any of those entities.

**Facility** and **Government facility** mean buildings, including areas within buildings that are owned, leased, shared, occupied, or otherwise controlled by the Federal Government.

**NACI** means National Agency Check with Inquiries, the minimum background investigation prescribed by the U.S. Office of Personnel Management.

**PIV Card** means the Personal Identity Verification (PIV) Card, the Federal Government-issued identification credential (identification badge).

(b) **General.** The performance of this contract requires contractor employees to have access to HUD facilities. All such employees who do not already possess a current PIV Card acceptable to HUD shall be required to provide personal background information, undergo a background investigation (NACI or other OPM-required or approved investigation), including an FBI National Criminal History Fingerprint Check, and obtain a PIV Card prior to being permitted access to any such facility in performance of this contract. HUD may accept a PIV Card issued by another Federal Government agency but

498
shall not be required to do so. No contractor employee will be permitted access to a HUD facility without a proper PIV Card.

(c) Background information. (1) For each contractor employee subject to the requirements of this clause and not in possession of a current PIV Card acceptable to HUD, the contractor shall submit the following properly completed forms: Standard Form (SF) 85, “Questionnaire for Non-sensitive Positions,” FD 258 (Fingerprint Chart), and a partial Optional Form (OF) 306 (Items 1, 2, 6, 8–13, 16, and 17). The SF-85 and OF-306 are available from the OPM Web site, http://www.opm.gov. The GTR will provide all other forms that are not obtainable via the Internet.

(2) The contractor shall deliver the forms and information required in paragraph (c)(1) of this clause to the GTR.

(3) The information provided in accordance with paragraph (c)(1) of this clause will be used to perform a background investigation to determine the suitability of the contractor employees to have access to Government facilities. After completion of the investigation, the GTR will notify the contractor in writing when any contractor employee is determined to be unsuitable for access to a Government facility. The contractor shall immediately remove such employee(s) from work on this contract that requires physical presence in a Government facility.

(d) Affected contractor employees who have had a federal background investigation without a subsequent break in federal employment or federal contract service exceeding 2 years may be exempt from the investigation requirements of this clause subject to verification of the previous investigation. For each such employee, the contractor shall submit the following information in lieu of the forms and information listed in paragraph (c)(1) of this clause: Employee’s full name, Social Security Number, and place and date of birth.

(e) PIV Cards. (1) HUD will issue a PIV Card to each contractor employee who is to be given access to HUD facilities and who does not already possess a PIV Card acceptable to HUD (see paragraph (b) of this clause). HUD will not issue the PIV Card until the contractor employee has successfully cleared the FBI National Criminal History Fingerprint Check and HUD has initiated the background investigation for the contractor employee. Initiation is defined to mean that all background information required in paragraph (c)(1) of this clause has been delivered to HUD. The employee may not be given access prior to those two events. HUD may issue a PIV Card and grant access pending the completion of the background investigation. HUD will revoke the PIV Card and the employee’s access if the background investigation process (including adjudication of investigation results) for the employee has not been completed within 6 months after the issuance of the PIV Card.

(2) PIV Cards shall identify individuals as contractor employees. Contractor employees shall display their PIV Cards on their persons at all times while working in a HUD facility, and shall present cards for inspection upon request by HUD officials or HUD security personnel.

(f) Access to HUD information systems. If this contract requires contractor employees to have access to HUD information system(s), application(s), or information contained in such systems, the contractor shall comply with all requirements of HUDAR clause 2452.237–75, Access to HUD Systems, including providing for each affected employee any additional background investigation forms prescribed in that clause.

(g) Subcontracts. The contractor shall incorporate this clause in all subcontracts where the requirements specified in paragraph (b) of this section are applicable to performance of the subcontract.

(End of clause)

[77 FR 73537, Dec. 10, 2012]
2452.237–77 Temporary closure of HUD facilities.

As prescribed in 2437.110(e)(4), insert the following clause:

Temporary Closure of HUD Facilities (MAR 2016)

(a)(1) The Department of Housing and Urban Development observes the following days as holidays—
New Year’s Day
Martin Luther King’s Birthday
Washington’s Birthday
Memorial Day
Independence Day
Labor Day
Columbus Day
Veterans Day
Thanksgiving Day
Christmas Day

Any other day designated by Federal law, Executive Order or Presidential Proclamation.

(2) When any holiday specified in (a)(1) falls on a Saturday, the preceding Friday shall be observed. When any such holiday falls on a Sunday, the following Monday shall be observed. Observances of such days by Government personnel shall not be cause for additional period of performance or entitlement to compensation except as set forth in the contract. If the contractor’s personnel work on a holiday, no form of holiday or other premium compensation will be reimbursed either as a direct or indirect cost, unless authorized pursuant to an overtime clause elsewhere in this contract.

(b)(1) HUD may close a HUD facility for all or a portion of a business day as a result of—
(A) Granting administrative leave to non-essential HUD employees (e.g., unanticipated holiday);
(B) Inclement weather;
(C) Failure of Congress to appropriate operational funds;
(D) Any other reason.

(2) In such cases, contractor personnel not classified as essential, i.e., not performing critical round-the-clock services or tasks, who are not already on duty at the facility shall not report to the facility. Such contractor personnel already present shall be dismissed and shall leave the facility.

(c) When contractor personnel services are not required or provided due to closure of a HUD facility as described in this clause, the contractor shall be compensated as follows—
(1) For fixed-price contracts, deductions in the contractor’s price will be computed as follows—
(A) The deduction rate in dollars per day will be equal to the per month contract price divided by the number of business days in each month.
(B) The deduction rate in dollars per day will be multiplied by the number of days services are not required or provided.

If services are provided for portions of days, appropriate adjustment will be made by the Contracting Officer to ensure that the contractor is compensated for services provided.

(2) For cost-reimbursement, time-and-materials and labor-hour type contracts, HUD shall not reimburse as direct costs, the costs of salaries or wages of contractor personnel for the period during which such personnel are dismissed from, or do not have access to, the facility.

(End of clause)

2452.237–79 Post award conference.

As prescribed in 2437.110(e)(5), insert the following clause in all contracts for services:

Post Award Conference (MAR 2016)

The Contractor shall be required to attend a post-award conference on DATE to be held at ADDRESS, unless other arrangements are made. All Contractors must have a valid ID for security clearance into the building.

(End of clause)

Alternate I Post Award Conference (MAR 2016) If the conference will be conducted via telephone or video conferencing, substitute the following for the first and second sentences:

The conference will be conducted via [telephone, video conferencing]. The Contracting Officer or designee will provide the contractor with the date, time and contact information for the conference.

(End of Alternate I)

[81 FR 13754, Mar. 15, 2016]

2452.237–81 Labor categories, unit prices per hour and payment.

As prescribed in 2437.110(e)(6), insert the following clause in all indefinite
quantity and requirements solicitations and contracts when level of effort task orders will be issued.

LABOR CATEGORIES, UNIT PRICES PER HOUR AND PAYMENT (MAR 2016)

The contractor shall provide the following types of labor at the corresponding unit price per hour in accordance with the terms of this contract:

The unit price per hour is inclusive of the hourly wage plus any applicable labor overhead, General and Administrative (G&A) expenses, and profit. Payment shall be made to the contractor upon delivery to, and acceptance by, the Government office requesting services. The total amounts billed shall be derived by multiplying the actual number of hours worked per category by the corresponding price per hour.

(End of clause)

[81 FR 13754, Mar. 15, 2016]

2452.239–70 Access to HUD systems.

As prescribed in 2439.107(a), insert the following clause:

Access to HUD systems (MAR 2016)

(a) Definitions: As used in this clause—

"Access" means the ability to obtain, view, read, modify, delete, and/or otherwise make use of information resources.

"Application" means the use of information resources (information and information technology) to satisfy a specific set of user requirements (see OMB Circular A–130).

"Contractor employee" means an employee of the prime contractor or of any subcontractor, affiliate, partner, joint venture, or team members with which the contractor is associated. It also includes consultants engaged by any of those entities.

"Mission-critical system" means an information technology or telecommunications system used or operated by HUD or by a HUD contractor, or organization on behalf of HUD, that processes any information, the loss, misuse, or unauthorized access to, or modification of which would have a debilitating impact on the mission of the agency.

"NACI" means a National Agency Check with Inquiries, the minimum background investigation prescribed by OPM.

"PIV Card" means the Personal Identity Verification (PIV) Card, the Federal Government-issued identification credential (i.e., identification badge).

"Sensitive information" means any information of which the loss, misuse, or unauthorized access to, or modification of, could adversely affect the national interest, the conduct of federal programs, or the privacy to which individuals are entitled under section 552a of title 5, United States Code (the Privacy Act), but which has not been specifically authorized under criteria established by an Executive Order or an Act of Congress to be kept secret in the interest of national defense or foreign policy.

"System" means an interconnected set of information resources under the same direct management control, which shares common functionality. A system normally includes hardware, software, information, data, applications, communications, and people (see OMB Circular A–130). System includes any system owned by HUD or owned and operated on HUD’s behalf by another party.

(b) General. (1) The performance of this contract requires contractor employees to have access to a HUD system or systems. All such employees who do not already possess a current PIV Card acceptable to HUD shall be required to provide personal background information, undergo a background investigation (NACI or other OPM-required or approved investigation), including an FBI National Criminal History Fingerprint Check, and obtain a PIV Card prior to being permitted access to any such system in performance of this contract. HUD may accept a PIV Card issued by another Federal Government agency but shall not be required to do so. No contractor employee will be permitted access to any HUD system without a PIV Card.

(2) All contractor employees who require access to mission-critical systems or sensitive information contained within a HUD system or application(s) are required to have a more extensive background investigation. The investigation shall be commensurate with the risk and security controls involved in managing, using, or operating the system or application(s).

(c) Citizenship-related requirements. Each affected contractor employee as described in paragraph (b) of this clause shall be:

(1) A United States (U.S.) citizen; or,

(2) A national of the United States (see 8 U.S.C. 1409); or,

(3) An alien lawfully admitted into, and lawfully permitted to be employed in the United States, provided that for any such individual, the Government is able to obtain sufficient background information to complete the investigation as required by this clause. Failure on the part of the contractor to provide sufficient information to perform a required investigation or the inability of the Government to verify information provided for affected contractor employees will result in denial of their access.

(d) Background investigation process. (1) The Government Technical Representative (GTR)
shall notify the contractor of those contractor employee positions requiring background investigations.

(1) For each contractor employee requiring access to mission-critical systems and/or sensitive information contained within a HUD system and/or application(s), the contractor shall submit the following properly completed forms: Standard Form (SF) 85, “Questionnaire for Public Trust Positions,” FD 258; and a Fair Credit Reporting Act form (authorization for the credit-check portion of the investigation). Contractor employees shall not complete the Medical Release behind the SF-85P.

(ii) The SF–85, 85P, and OF–306 are available from OPM’s Web site, http://www.opm.gov. The GTR will provide all other forms that are not obtainable via the Internet.

(2) The contractor shall deliver the forms and information required in paragraph (d)(1) of this clause to the GTR.

(3) Affected contractor employees who have had a federal background investigation without a subsequent break in federal employment or federal contract service exceeding 2 years may be exempt from the investigative requirements of this clause subject to verification of the previous investigation. For each such employee, the contractor shall submit the following information in lieu of the forms and information listed in paragraph (d)(1) of this clause: employee’s full name, Social Security number, and place and date of birth.

(4) The investigation process shall consist of a range of personal background inquiries and contacts (written and personal) and verification of the information provided on the investigative forms described in paragraph (d)(1) of this clause.

(5) Upon completion of the investigation process, the GTR will notify the contractor if any contractor employee is determined to be unsuitable to have access to the system(s), application(s), or information. Such an employee may not be given access to those resources. If any such employee has already been given access pending the results of the background investigation, the contractor shall ensure that the employee’s access is revoked immediately upon receipt of the GTR’s notification.

(b) Failure of the GTR to notify the contractor (see subparagraph (d)(1)) of any employee who should be subject to the requirements of this clause and is known, or should reasonably be known, by the contractor to be subject to the requirements of this clause, shall not excuse the contractor from making such employee(s) known to the GTR. Any such employee who is identified and is working under the contract, without having had the appropriate background investigation or furnished the required forms for the investigation, shall cease to perform such work immediately and shall not be given access to the system(s)/application(s) described in paragraph (b) of this clause until the contractor has provided the investigative forms required in paragraph (d)(1) of this clause for the employee to the GTR.

(7) The contractor shall notify the GTR in writing whenever a contractor employee for whom a background investigation package was required and submitted to HUD, or for whom a background investigation was completed, terminates employment or federal contract service exceeding 2 years may be exempt from the investigative requirements of this clause subject to verification of the previous investigation. For each such employee, the contractor shall submit the following information in lieu of the forms and information listed in paragraph (d)(1) of this clause: employee’s full name, Social Security number, and place and date of birth.

(e) PIV Cards. (1) HUD will issue a PIV Card to each contractor employee who is to be given access to HUD systems and does not already possess a PIV Card acceptable to HUD (see paragraph (b) of this clause). HUD will not issue the PIV Card until the contractor employee has successfully cleared an FBI National Criminal History Fingerprint Check, and HUD has initiated the background investigation for the contractor employee. Initiation is defined to mean that all background information required in paragraph (d)(1) of this clause has been delivered to HUD. The employee may not be given access prior to those two events. HUD may issue a PIV Card and grant access pending the completion of the background investigation. HUD will revoke the PIV Card and the employee’s access if the background investigation process (including adjudication of investigation results) for the employee has not been completed within 6 months after the issuance of the PIV Card.

(2) PIV Cards shall identify individuals as contractor employees. Contractor employees shall display their PIV Cards on their persons at all times while working in a HUD facility, and shall present cards for inspection upon request by HUD officials or HUD security personnel.

(3) The contractor shall be responsible for all PIV Cards issued to the contractor’s employees and shall immediately notify the GTR if any PIV Card(s) cannot be accounted for. The contractor shall promptly return PIV Cards to HUD as required by the FAR clause at 52.204–9. The contractor shall notify the GTR immediately whenever any contractor employee no longer has a need for
(b) of this clause sign a pledge of nondisclosure of information. (1) Neither the contractor nor any of its employees shall divulge or release data or information developed or obtained during performance of this contract, except to authorized government personnel with an established need to know, or upon written approval of the Contracting Officer. Information contained in all source documents and other media provided by HUD is the sole property of HUD.

(2) The contractor shall require that all employees who may have access to the systems/applications identified in paragraph (b) of this clause sign a pledge of nondisclosure of information. The employees shall sign these pledges before they are permitted to perform work under this contract. The contractor shall maintain the signed pledges for a period of 3 years after final payment under this contract. The contractor shall provide a copy of these pledges to the GTR.

(ii) HUD Handbook 2400.25, Information Technology Security Policy;
(iii) HUD Handbook 732.3, Personnel Security/Suitability;
(iv) Federal Information Processing Standards 201 (FIPS 201), Sections 2.1 and 2.2;
(v) Homeland Security Presidential Directive 12 (HSPD–12); and
(vi) OMB Memorandum M–05–24, Implementing Guidance for HSPD–12. The HUD Handbooks are available online at: http://www.hud.gov/offices/adm/hudclips/ or from the GTR.

(2) The contractor shall develop and maintain a compliance matrix that lists each requirement set forth in paragraphs, (b) through (h), (i)(1), and (m) of this clause with specific actions taken, and/or procedures implemented, to satisfy each requirement. The contractor shall identify an accountable person for each requirement, the date upon which actions/procedures were initiated/completed, and certify that information contained in this compliance matrix is correct. The contractor shall ensure that information in this compliance matrix is complete, accurate, and up-to-date at all times for the duration of this contract. Upon request, the contractor shall provide copies of the current matrix to the Contracting Officer and/or government technical representative.

(3) The Contractor shall ensure that its employees, in performance of the contract, receive annual training (or once if the contract is for less than one year) in HUD information technology security policies, procedures, computer ethics, and best practices in accordance with HUD Handbook 2400.25.

(k) Contractor compliance with this clause. The Contractor shall afford authorized personnel, including the Office of Inspector General, access to the Contractor’s facilities, installations, operations, documentation (including the compliance matrix required under paragraph (i)(2) of this clause), databases, and personnel used in performance of the contract. Access shall be provided to the extent required to carry out, but not limited to, any information security program activities, investigation, and audit to safeguard against threats and hazards to the integrity, availability, and confidentiality of HUD data and systems, or to the function of information systems operated on behalf of HUD, and to preserve evidence of computer crime.

(1) Physical access to Federal Government facilities. The contractor and any subcontractor(s) shall also comply with the requirements of HUDAR clause 2452.237–75 when the
contractor’s or subcontractor’s employees will perform any work under this contract on site in a HUD or other Federal Government facility.

(m) Subcontracts. The contractor shall incorporate this clause in all subcontracts where the requirements specified in paragraph (b) of this section are applicable to performance of the subcontract.

(End of clause)

[81 FR 13755, Mar. 15, 2016]

2452.239–71 Information Technology Virus Security.

As prescribed in 2439.107(b), insert the following clause:

INFORMATION TECHNOLOGY VIRUS SECURITY (FEB 2006)

(a) The contractor hereby agrees to make every reasonable effort to deliver information technology products to HUD free of known computer viruses. The contractor shall be responsible for examining all such products prior to their delivery to HUD using software tools and processes capable of detecting all known viruses.

(b) The contractor shall include the following statement on deliveries of hardware, software, and data products, including diskettes, made under this contract: [product description, part/catalog number, other identifier, and serial number, if any]

“[This product has been scanned for known viruses using [name of virus-screening product, including version number, if any] and is certified to be free of known viruses at the time of delivery.”

(c) The Contracting Officer may assess monetary damages against the contractor sufficient to compensate HUD for actual or estimated costs resulting from computer virus damage or malicious destruction of computer information arising from the contractor’s failure to take adequate precautions to preclude delivery of virus-containing products in the delivery of hardware, software, or data on diskettes under this contract.

(d) This clause shall not limit the rights of the government under any other clause of this contract.

2452.242–70 Indirect costs.

As prescribed in 2422.705–70, insert the following clause in cost-reimbursement type solicitations and contracts when it is determined that the Contractor will be compensated for negotiated or provisional indirect cost rates pending establishment of final indirect cost rates.

INDIRECT COSTS (APR 1984)

(a) Pursuant to the provisions of the clause of this contract entitled, “Allowable Cost and Payment” the rates listed below are established. If the column entitled, “Ceiling Rate” has rates listed, the ceiling applies for those rates only. If there are no ceiling rates listed, ceilings do not apply to this contract and the provisions of paragraph (b) of this clause are not applicable.

(1) Baseline plan. The baseline plan shall consist of:

(i) A narrative portion that:

(A) Identifies each task and significant activity required for completing the contract work, critical path activities, task dependencies, task milestones, and related deliverables;

(B) Describes the contract schedule, including the period of time needed to accomplish each task and activity (see paragraph (1)(B) of this section below);
Department of Housing and Urban Development

2452.244–70

(C) Describes staff (e.g., hours per individual), financial, and other resources allocated to each task and significant activity; and,

(D) Provides the rationale for contract work organization and resource allocation.

(ii) A graphic portion showing:

(A) Cumulative planned or budgeted costs of work scheduled for each reporting period over the life of the contract (i.e., the budgeted baseline); and

(B) The planned start and completion dates of all planned and budgeted tasks and activities.

(2) Progress reports. Progress reports shall consist of:

(i) A narrative portion that:

(A) Provides a brief, concise summary of technical progress made and the costs incurred for each task during the reporting period; and

(B) Identifies problems, or potential problems, that will affect the contract’s cost or schedule, the causes of the problems, and the contractor’s proposed corrective actions.

(ii) A graphic portion showing:

(A) The original time-phased, budgeted baseline.

(B) The schedule status and degree of completion of the tasks, activities, and deliverables shown in the baseline plan for the reporting period, including actual start and completion dates for all tasks and activities in the baseline plan; and

(C) The costs incurred during the reporting period, the current total amount of costs incurred through the end date of the reporting period for budgeted work, and the projected costs required to complete the work under the contract.

(3) Reporting frequency. The reports described in (b)(2) shall be submitted [insert period, e.g., monthly, quarterly, or schedule based on when payments will be made under the contract].

(c) The formats, forms, and/or software to be used for the contract management system under this contract shall be [Contracting Officer insert appropriate language “as prescribed in the schedule’’; “a format, forms and/or software designated by the GTR’’; or, “the contractor’s own format, forms and/or software, subject to the approval of the GTR”].

(d) When this clause applies to individual task orders under the contract, the word “contract” shall mean “task order.”

(End of clause)

Alternate I (FEB 2006). As prescribed in 2442.1107, replace paragraph (b) with the following:

(b) The contract management system shall consist of two parts:

(1) Baseline plan. The baseline plan shall consist of:

(i) A narrative portion that:

(A) Identifies each task and significant activity required for completing the contract work, critical path activities, task dependencies, task milestones, and related deliverables;

(B) Describes the contract work schedule, including the period of time needed to accomplish each task and activity (see paragraph (ii) of this section below);

(C) Describes key personnel allocated to each task and significant activity; and,

(D) Provides the rationale for contract work organization.

(ii) A graphic portion showing the planned start and completion dates of all planned tasks and activities.

(2) Progress reports. Progress reports shall consist of:

(i) A narrative portion that:

(A) Provides a brief, concise summary of technical progress made for each task during the reporting period; and

(B) Identifies problems, or potential problems, that will affect the contract’s cost or schedule, their causes, and the contractor’s proposed corrective actions.

(ii) A graphic portion showing the schedule status and degree of completion of the tasks, activities, and deliverables shown in the baseline plan for the reporting period, including actual start and completion dates for all tasks and activities in the baseline plan.

(3) Reporting frequency. The reports described in (b)(2) shall be submitted [insert period, e.g., monthly, quarterly, or schedule].

2452.244–70 Consent to subcontract.

As prescribed in HUDAR Section 2444.204(a), insert the following clause in contracts and task orders with an estimated value exceeding $10,000,000.

Consent to Subcontract (Mar 2016)

(a) Due to the substantive nature of subcontracting that may be necessary during performance of this contract, the Contracting Officer has determined that a consent for individual subcontracts is required to adequately protect the Government. Consent is required for—

(1) Cost-reimbursement, time-and-materials, or labor-hour subcontracts, or combination of such, in excess of $150,000 per year to a single subcontractor or consultant;

(2) Fixed price subcontracts in excess of 25% of the annual contract value to a single subcontractor or consultant.

(b) If subcontracts meeting the above parameters were not provided during the negotiation of the original contract award, the
Contractor shall obtain post award consent and provide signed copies of the subcontract agreements within 10 days of consent.

(c) The Contractor shall provide the Contracting Officer with 30 days advance notification prior to changing subcontractors or existing subcontracting agreements, unless precluded due to circumstances beyond the control of the contractor. If advance notification is not feasible, the Contractor shall provide notification to the Contracting Officer no later than 10 days after the Contractor identifies the need to replace a subcontractor. The notification shall include a copy of the proposed new subcontracting agreement. Upon consent and finalization of the final subcontract agreement, the Contractor shall provide a copy of the signed agreement to the Contracting Officer.

(d) The Contracting Officer’s consent to a subcontract does not constitute a determination of the acceptability of the subcontract terms or price, or of the allowability of costs.

(e) If not required elsewhere in the contract, no more than 30 calendar days after award, the Contractor shall provide a separate continuity of services plan to the Contracting Officer that will ensure services performed by subcontractors that cost more than 25% of the cost/price of the contract will continue uninterrupted in the event of performance problems or default by the subcontractor.

2452.251–70 Contractor employee travel.

As prescribed in 2451.7001, insert the following clause in all cost-reimbursement solicitations and contracts involving travel:

CONTRACTOR EMPLOYEE TRAVEL (OCT 1999)

(a) To the maximum extent practical, the Contractor shall make use of travel discounts which are available to Federal employees while traveling in the conduct of official Government business. Such discounts may include, but are not limited to, lodging and rental car rates.

(b) The Contractor shall be responsible for obtaining and/or providing to his/her employees written evidence of their status with regard to their performance of Government contract work needed to obtain such discounts.

SUBCHAPTER A—GENERAL

PART 2500 [RESERVED]

PART 2501—FEDERAL ACQUISITION REGULATIONS SYSTEM

Subpart 2501.1—Purpose, Authority, Issuance

Sec. 2501.101 Purpose.
2501.102 Authority.
2501.103 Applicability.
2501.104 Issuance.
2501.104–1 Publication and code arrangement.
2501.104–2 Arrangement of regulations.

Subpart 2501.4—Deviations From the FAR

2501.403 Individual deviations.
2501.404 Class deviations.

Subpart 2501.6—Contracting Authority and Responsibilities

2501.601 General.
2501.602 Contracting officers.
2501.602–1 Authority.

AUTHORITY: 42 U.S.C. 1870(a).

SOURCE: 49 FR 46744, Nov. 28, 1984, unless otherwise noted.

Subpart 2501.1—Purpose, Authority, Issuance

2501.101 Purpose.

These regulations implement and supplement the Federal Acquisition Regulations (FAR).

2501.102 Authority.

The NSF Acquisition Regulations are issued under the authority of section 11(a) of the National Science Foundation Act of 1950, as amended (42 U.S.C. 1870(a)).

2501.103 Applicability.

Except where a deviation is specifically authorized in accordance with subpart 2501.4 or otherwise authorized by law, the FAR and the NSFAR govern all NSF acquisitions.

2501.104 Issuance.

2501.104–1 Publication and code arrangement.

(a) The NSFAR is published in the daily issues of the FEDERAL REGISTER and, in cumulative form, in the Code of Federal Regulations.

(b) The NSFAR is issued as chapter 25 of title 48, CFR.

2501.104–2 Arrangement of regulations.

The NSFAR uses the same numbering system and arrangement used in the FAR. Where the NSFAR implements the FAR it is numbered and captioned to correspond to the FAR. Where there is no corresponding material in the FAR, Parts 70 and up are used by the NSFAR. Where the subject matter in the FAR requires no implementation the NSFAR contains no corresponding part.

Subpart 2501.4—Deviations From the FAR

2501.403 Individual deviations.

Individual deviations, affecting only one contracting action may be authorized by the NSF Procurement Executive.

2501.404 Class deviations.

Class deviations may be authorized by the NSF Procurement Executive subject to the limitations set forth in FAR subpart 1.4.

Subpart 2501.6—Contracting Authority and Responsibilities

2501.601 General.

Authority and responsibility to contract for authorized supplies and services is vested in the Director, NSF, within the limits expressly provided by the National Science Foundation Act of 1950 (42 U.S.C. 1861 et seq.). The NSF Procurement Executive is delegated overall responsibility by the Director for the Foundation’s contracting activities.
2501.602 Contracting officers.
2501.602–1 Authority.

NSF Contracting Officers have authority to enter into, administer, or terminate contracts and make related determinations and findings to the extent of the authority delegated to them in writing by the NSF Procurement Executive.
SUBCHAPTER B—ACQUISITION PLANNING

Subpart 2509.4—Debarment, Suspension, and Ineligibility

2509.400 Scope of subpart.

This subpart supplements subpart 9.4 of the Federal Acquisition Regulation by prescribing NSF policies and procedures and assigning responsibility for making debarment and suspension decisions. Nothing in this subpart is intended to alter the effect of subpart 9.4.

2509.403 Definitions.

The NSF Deputy Director is the “debarring official” and “suspended official” for the Foundation. All duties assigned to the NSF Deputy Director by this regulation or by subpart 9.4 of the Federal Acquisition Regulation may be delegated by him or her to any officer or employee of the Foundation.

2509.405 Effect of listing.

2509.405–1 Continuation of current contracts.

(a) The NSF Deputy Director will decide whether to continue NSF contracts or subcontracts in existence at the time a contractor is debarred, suspended, or proposed for debarment.

(b) The NSF Deputy Director will decide whether to renew or otherwise extend the duration of NSF contracts, or consent to subcontracts, with contractors debarred, suspended, or proposed for debarment. He or she will prepare a written statement of the compelling reasons for renewal and extension.

2509.405–2 Restrictions on subcontracting.

The NSF Deputy Director may authorize a contracting officer to consent to a subcontract with a contractor debarred, suspended, or proposed for debarment. He or she will prepare a written statement of the compelling reasons for such approval.

2509.406 Debarment.

2509.406–1 General.

(c) The NSF Deputy Director will decide whether to enter into a contract with a contractor that is debarred or proposed for debarment. He or she will prepare a written statement of the compelling reasons justifying continued business dealings between the Foundation and the contractor.

2509.406–3 Procedures.

(a) Any NSF employee who becomes aware of circumstances that may serve as the basis for debarment of a contractor will promptly report them to the NSF Office of Inspector General (OIG) and the debarring official. OIG will investigate the circumstances and, if it determines appropriate, prepare a written referral of the matter to the debarring official.

(b) Upon receipt of a referral from the NSF Office of Inspector General, the debarring official will determine, in consultation as appropriate with OIG, the NSF Office of the General Counsel, the NSF Procurement Executive, and program officials, what additional steps are necessary and appropriate to make a decision in accordance with the requirements of 48 CFR 9.406–3.
2509.407 Suspension.

2509.407-1 General.

(d) The NSF Deputy Director will decide whether to enter into a contract with a suspended contractor. He or she will prepare a written statement of the compelling reasons justifying continued business dealings between the Foundation and the contractor.

2509.407-3 Procedures.

(a) Any NSF employee who becomes aware of circumstances that may serve as the basis for suspension of a contractor will promptly report them to the NSF Office of Inspector General (OIG) and the suspending official. OIG will investigate the circumstances and, if it determines appropriate, prepare a written referral of the matter to the suspending official.

(b) Upon receipt of a referral from the NSF Office of Inspector General, the suspending official will determine, in consultation as appropriate with OIG, the NSF Office of the General Counsel, the NSF Procurement Executive, and program officials, what additional steps are necessary and appropriate to make a decision in accordance with the requirements of 48 CFR 9.407-3.

2509.408 Certification regarding debarment, suspension, proposed debarment, and other responsibility matters.

(a)(2) NSF contracting officers will notify the Office of Inspector General and the Deputy Director whenever information submitted by offerors in compliance with the Certifications Regarding Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters provisions in solicitations indicates the existence of an indictment, charge, conviction, or civil judgment.

2509.410 Appeals.

(a) A debarred or suspended contractor may appeal to the Director in writing within 30 days after receiving notice of the debarring or suspending official’s decision in accordance with 48 CFR 9.406-3(e) or 9.407-3(d)(4). The debarring or suspending official’s decision becomes a final administrative action if not appealed within the 30 day period.

(b) The Director may appoint an uninvolved NSF officer or employee to review an appeal and make recommendations.

(c) The Director will inform the appellant of a final decision within 30 days after receiving the appeal. That decision will be the final administrative action of the Foundation.

PART 2515—CONTRACTING BY NEGOTIATION

Authority: 42 U.S.C. 1870(c).

Source: 49 FR 46744, Nov. 28, 1984, unless otherwise noted.

Subpart 2515.2—Negotiation Authorities

2515.215–70 NSF negotiation authorities.

(a) Authorities. Citation: 42 U.S.C. 1870(c).

(b) Application. When an NSF contract is for scientific activities which are determined by the NSF contracting officer to be “necessary to carry out the purposes of the NSF Act,” then 41 U.S.C. 252(c)(15) is applicable and the contract may be entered into through negotiation rather than formal advertising. The Foundation’s contracting officer may, in lieu of reliance on 42 U.S.C. 1870(c) and 41 U.S.C. 252(c)(15), utilize other applicable negotiating authorities at his or her discretion. 42 U.S.C. 1870(c) and 41 U.S.C. 252(c)(15) may also be used to authorize negotiation if the Foundation is carrying out, “at the request of the Secretary of State or Secretary of Defense, specific scientific activities in connection with matters relating to international cooperation or national security.” Contracts or their modifications entered into under this authority may be done so without legal consideration and without performance or other bonds.

2527.7002 NSF patent policy.

Subpart 2527.71—Data Rights [Reserved]

Subpart 2527.70—Disposition of Rights in Inventions

2527.7001 General.

National Science Foundation policies, procedures, and clauses governing allocation of rights to inventions made under NSF contracts, grants, and cooperative agreements are codified as part 650 of title 45 of the Code of Federal Regulations.

2527.7002 NSF patent policy.

As authorized by the National Science Board at its 230th meeting, October 15–16, 1981, the Director of the National Science Foundation has adopted the following statement of NSF patent policy.

(a) In accordance with the Bayh-Dole Act and the Presidential Memorandum entitled “Government Patent Policy”, issued February 18, 1983, the Foundation will use the Patent Rights clause prescribed by the Department of Commerce in all its funding agreements for the performance of experimental, developmental, or research work, including awards made to foreign entities, unless the Foundation determines that some other provision would better serve the purposes of that Act or the interests of the United States and the general public.

(b) In funding agreements covered by a treaty or agreement that provides that an international organization or foreign government, research institute, or inventor will own or share patent rights, the Foundation will acquire such patent rights as are necessary to comply with the applicable treaty or agreement.

(c) If an awardee elects not to retain rights to an invention, the Foundation will allow the inventor to retain the principal patent rights unless the awardee, or the inventor’s employer if other than the awardee, shows that it would be harmed by that action.

(d) The Foundation will normally allow any patent rights not wanted by the awardee or inventor to be dedicated to the public through publication in scientific journals or as a statutory invention registration. However, if another Federal agency is known to be interested in the relevant technology, the Foundation may give it an opportunity to review and patent the invention so long as that does not inhibit the dissemination of the research results to the scientific community.

Subpart 2532.4—Advance Payments

2532.401 Statutory authority.

The NSF Act (42 U.S.C. 1870(d)) provides that advance, progress, or other payments which relate to scientific activities or scientific information may
be made without regard to the provi-
sions of section 3324 of title 31 of the
United States Code.
[49 FR 46745, Nov. 28, 1984, as amended at 61
FR 51022, Sept. 30, 1996]

2532.403 Applicability.
Advance payments may be made in
any amount not exceeding the contract
price, provided (a) the amount of the
advance payment is based upon an
analysis of the financing required by
the contractor for the contract and
does not exceed reasonable financial
requirements between payments, and
(b) such advance payment is appro-
priate in order to contract for the re-
quired work.

Subchapter A—General

PART 2800 [RESERVED]

PART 2801—DEPARTMENT OF JUSTICE ACQUISITION REGULATIONS SYSTEM

Subpart 2801.1—Purpose, Authority, Issuance

2801.101 Purpose.
(a) The Justice Acquisition Regulations (JAR) in this chapter are established to provide procurement regulations that supplement the Federal Acquisition Regulation (FAR), 48 CFR chapter 1. As such, the regulations contained in the JAR will include coverage of only those areas where agency implementation is required by the FAR, or where Department of Justice (DOJ) policies and procedures exist that supplement FAR coverage and directly affect the contractual relationship between the Department and potential or existing contractors. The JAR will not repeat FAR coverage.

(b) The FAR contains many references to agency procedures. If the JAR does not include supplemental guidance under the corresponding part or subpart, it is because the FAR language is considered to be sufficient. In those instances where the JAR states “in accordance with bureau procedures,” it does not mean that the bureau must have a procedure. It is intended that the bureau procedures are to be followed if they exist, however, it does not mean that the bureau must have a formal written procedure. Where both the JAR and bureau procedures do not address a FAR subject, the FAR guidance is to be followed.

(c) The JAR is not a complete system of regulations and must be used in conjunction with the FAR.

2801.106 OMB approval under the Paperwork Reduction Act.

The Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) and the Office of Management and Budget’s (OMB) implementing regulations at 5 CFR part 1320, require that reporting and record keeping requirements affecting 10 or more members of the public be cleared by that office. The OMB control number for the collection of information under 48 CFR chapter 28 is 1103-0018.

AUTHORITY: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).

SOURCE: 63 FR 16118, Apr. 2, 1998, unless otherwise noted.
Subpart 2801.2—Administration

2801.270–1 Revisions.
In addition to changes published in the FEDERAL REGISTER, the JAR will be amended by issuance of Justice Acquisition Circulars (JACs) containing loose-leaf replacement pages which revise parts, subparts, sections, subsections, paragraphs or subparagraphs. A vertical bar (edit bar) at the beginning or end of a line indicates that a change has been made within that line.

Subpart 2801.3—Agency Acquisition Regulations

2801.304 Agency control and compliance procedures.
Pursuant to FAR 1.304, the Procurement Executive (PE) is responsible for ensuring that bureau acquisition regulations and directives do not restrain the flexibilities found in the FAR. For this reason, bureau acquisition regulations shall be forwarded to the PE upon issuance. The PE reserves the right to revoke the regulations and directives in this chapter if they are determined to be restrictive.

Subpart 2801.4—Deviations From the FAR and JAR

2801.403 Individual deviations.
Individual deviations from the FAR or the JAR shall be approved by the head of the contracting activity (HCA). A copy of the deviation shall be included in the contract file. Copies of all deviations will be provided to the PE.

2801.404 Class deviations.
Requests for class deviations from the FAR or the JAR shall be submitted to the PE. The PE will consult with the chairperson of the Civilian Agency Acquisition Council, as appropriate, and send his/her recommendations to the Assistant Attorney General for Administration (AAG/A). The AAG/A will grant or deny requests for such deviations. For the purposes of this chapter, requests for deviations involving basic ordering agreements, master type contracts, or situations where multiple awards are made from one solicitation, are considered to involve more than one contract and therefore considered to be class deviation requests.

Subpart 2801.6—Career Development, Contracting Authority, and Responsibilities

2801.601 General.
(a) In accordance with Attorney General Order 1687–93, the authority vested in the Attorney General with respect to contractual actions, for goods and services, is delegated to the following officials:
(1) AAG/A (for the offices, boards, and divisions (OBDs));
(2) Director, Federal Bureau of Investigation;
(3) Director, Federal Bureau of Prisons;
(4) Commissioner, Federal Prison Industries;
(5) Commissioner, Immigration and Naturalization Service;
(6) Administrator, Drug Enforcement Administration;
(7) Assistant Attorney General, Office of Justice Programs;
(8) Director, U.S. Marshals Service;
(b) The acquisition authority delegated to the officials in 2801.601(a) may be redelegated to subordinate officials as necessary for the efficient and proper administration of the Department’s acquisition operations. Such redelegated authority shall expressly state whether it carries the power of redelegation of authority.
(c) The redelegation of contracting authority directly to specific persons without regard for intermediate organizational levels only establishes authority to represent the Government in its commercial business dealings. It is
not intended to affect the organizational relationship between the contracting officers and higher administrative and supervisory levels in the performance of their duties.

2801.602 Contracting officers.

2801.602–3 Ratification of unauthorized commitments.

The HCA may delegate the authority to ratify unauthorized commitments to the chief of the contracting office, except for those actions effected by his or her office. Dollar thresholds for delegations made under this section will be determined by the HCA. Copies of all ratifications are to be provided to the PE.

2801.603 Selection, appointment and termination of appointment.

2801.603–1 Department of Justice Acquisition Career Management Program.

(a) Each Bureau Procurement Chief shall develop and manage an acquisition career management program for contracting personnel in his or her component, consistent and uniform with this section and the Department of Justice Acquisition Procurement Career Management Program.

(b) The program shall cover all contracting personnel in the following categories:

(1) General Schedule (GS–1102) Contracting Series;

(2) Contracting officers, regardless of General Schedule Series, with contracting authority above the simplified acquisition threshold;

(3) Purchasing Series (GS–1105), other individuals performing purchasing duties and individuals with contracting authority between the micro purchase and simplified acquisition thresholds.

(4) All Contracting Officer Representatives/Contracting Officer Technical Representatives, or equivalent positions.

(c) The program shall include:

(1) Management information system. Standardized information on the acquisition workforce will be collected and maintained. To the maximum extent practicable, such data requirements shall conform to the standards established by the Office of Personnel Management for the Central Personnel Data File and shall be compatible with the Department of Justice acquisition workforce management information system.

(2) Individual assessments and development plans for personnel in the GS–1102 contracting series. (i) An individual assessment by a supervisor of each covered employee’s state of competence to perform the full range of potential duties of his or her job; and

(ii) An individual development plan to schedule classroom, on-the-job training, or other training to develop the employee’s skill level to an appropriate level in each area of competence necessary to perform his or her job.

(iii) Individual assessments and development plans should be designed to fit the needs of the component, but they should be built upon the units of competence and instruction prepared by the Federal Acquisition Institute whenever feasible. Individual development plans should attempt to bring the employee to an appropriate level of skill in all necessary competencies in the field of procurement. In general, a proficiency skill level of 3, as defined in Attachment 1 to Office of Federal Procurement Policy (OFPP) Policy Letter 92–3, shall be obtained for any contracting duty that is actually required to be performed on the job. Individual assessments and development plans should be reviewed annually and revised as appropriate, until the employee reaches the full competency level of his or her job.

(iv) Employees who perform only purchasing duties, regardless of occupational series, shall be required to obtain the requisite level of skill only in competencies involving simplified acquisitions. If the employee’s duties are expanded to include contracting duties, then skill in procurement competencies must be assessed and developed.

(v) Individual assessments of covered employee skills shall be completed within 90 days of the employee’s entry on duty.

(3) Mandatory training. Training shall be provided for the identified categories of contracting personnel to meet the minimum standards identified in OFPP Policy Letter 97–01.
(4) Skills currency. Contract Specialists (GS-1102) and contracting officers with authority to obligate funds above the micro-purchase threshold that have satisfied the mandatory training requirements, shall be provided the equivalent of at least 40 hours of continuing procurement and acquisition related education and training every two years for the purpose of maintaining the currency of acquisition knowledge and skills.

(5) Program funding. Bureau Procurement Chiefs are responsible for assessing the funding needs to provide for the education and training of their acquisition workforce and requesting such funding in the annual budget process.

2801.603–3 Appointment.

Contracting officers whose authority will be limited to micro-purchases shall be appointed in writing and include any limitations to that authority.

Subpart 2801.70—Contracting Officer’s Technical Representative

2801.7001–701 General.

Contracting officers may appoint individuals selected by program offices to act as authorized representatives in the monitoring and administration of a contract. Such officials shall be designated as Contracting Officers’ Technical Representatives (COTR’s).

2801.7001–702 Selection, appointment, and limitation of authority.

(a) COTR standards program. This subpart sets forth policies and procedures for establishing standards for COTR’s in DOJ. The program sets forth minimum standards for individuals to be eligible for an appointment as a COTR.

(b) Applicability. The eligibility requirements of this subpart apply to all individuals who are designated by the contracting officer as COTR’s.

(c) Eligibility standards. To be determined eligible for an appointment as a DOJ COTR, the following standards must be met:

(1) The candidate must attend and successfully complete a minimum of a 16-hour basic COTR course; and

(2) The candidate must attend a minimum of 1 hour training specifically in procurement ethics, either through courses offered periodically by the Department, the bureaus, or a Government or commercial vendor.

(d) Limitations. Each COTR appointment made by the contracting officer shall clearly state that the representative is not an authorized contracting officer and does not have the authority under any circumstances to:

(1) Award, agree to award, or execute any contract, contract modification, notice of intent, or other form of binding agreement;

(2) Obligate, in any manner, the payment of money by the Government;

(3) Make a final decision on any contract matter which is subject to the clause at FAR 52.233–1, Disputes; or

(4) Terminate, suspend, or otherwise interfere with the contractor’s right to proceed, or direct any changes in the contractor’s performance that are inconsistent with or materially change the contract specifications.

(e) Termination. Termination of the COTR’s appointment shall be made in writing by the contracting officer and shall give the effective date of the termination. The contracting officer shall promptly modify the contract once a COTR termination notice has been issued. A termination notice is not required when the COTR’s appointment terminates upon expiration of the contract.

(f) Waivers. No individual may serve as a COTR on any contract without the requisite training and signed COTR certificate for the file. In the rare event that there is an urgent requirement for a specific individual to serve as a COTR and the individual has not successfully completed the required training, the BPC may waive the training requirements and authorize the individual to perform the COTR duties, for a period of time not to exceed 120 days. The waiver will be granted in accordance with bureau procedures.

(g) COTR clause. The clause at 2852.201–70 is required in all contracts where a COTR is designated.
Subpart 2802.1—Definitions

2802.101 Definitions.

Throughout this chapter, the following words and terms are used as defined in this subpart unless the context in which they appear clearly requires a different meaning, or a different definition is prescribed for a particular part or portion of a part.

(a) *Bureaus* means contracting activities. (See contracting activity in this subpart.)

(b) *Bureau procurement chief* means that supervisory official who is directly responsible for supervising, managing and directing all contracting offices of the bureau.

(c) *Chief of the contracting office* means that supervisory official who is directly responsible for supervising, managing and directing a contracting office.

(d) *Contracting activity* means a component within the Department which has been delegated procurement authority to manage contracting functions associated with its mission. See 2801.601(a).

(e) *DOJ* means the Department of Justice.

(f) *HCA* means head of the contracting activity i.e. those officials identified in 2801.601(a) having responsibility for supervising, managing, and directing the operations of the contracting activities.

(g) *JAR* means the Department of Justice Acquisition Regulations in 48 CFR chapter 28.

(h) *JMD* means the Justice Management Division.

(i) *OBDs* means the offices, boards, and divisions within the Justice Department.

(j) *PE* means the Procurement Executive for the Department of Justice.

[83 FR 16121, Apr. 2, 1998]

PART 2803—IMPROPER BUSINESS PRACTICES AND PERSONAL CONFLICTS OF INTEREST

Subpart 2803.1—Safeguards

2803.101–3 Agency regulations.

The DOJ regulations governing Standards of Conduct are contained in 5 CFR part 2635.

2803.104 Procurement integrity.

2803.104–10 Violations or possible violations.

(a) Upon receipt of information of a violation or possible violation of section 27 of the Act, the contracting officer must do the following:

(1) Refer the matter to the Office of the Inspector General or other office designated in Attorney General Order 1931–94; and

(2) Make the determination required by FAR 3.104–10(a) and follow the procedures prescribed therein.

(b) The individual referenced in FAR 3.104–10(a)(1) is the Bureau Procurement Chief.

(c) The HCA must follow the criteria contained in FAR 3.104–10(g) when designating authority under this subpart.

(d) The HCA, or designee, shall refer information regarding actual or possible violations of section 27 of the Act to the Office of the Inspector General or other office designated in Attorney General Order 1931–94 for guidance before taking action.
(e) If the HCA, or designee, receiving the information of a violation, or possible violation, determines that award is justified by urgent and compelling circumstances, or is otherwise in the interest of the Government, then the contracting officer may be authorized to award the contract after notification to the Office of the Inspector General or other office designated in Attorney General Order 1931–94.

(f) The contracting officer will be advised, or directed by the HCA, or designee, as to the action to be taken. The types of actions that would normally be taken when a violation has occurred that affected the outcome of a procurement are listed in FAR 3.104–11(d).

(g) The PE shall be advised of all instances where violations have been determined to have occurred. Information must describe the violation as well as actions taken.

2803.104–70 Ethics program training requirements.

It is the responsibility of the bureaus to provide training for “procurement officials” concerning the requirements of FAR 3.104. The bureau procurement training efforts should be coordinated with the Department’s Ethics Official, who is responsible for developing agency ethics training plans, to include briefings on ethics and standards of conduct for employees who are contracting officers and procurement officials. The Ethics Official should be contacted directly to schedule training.

Subpart 2803.2—Contractor Gratuities to Government Personnel

2803.203 Reporting suspected violations of the gratuities clause.

DOJ personnel shall report suspected violations of the gratuities clause to the contracting officer or chief of the contracting office in writing. The report shall clearly state the circumstances surrounding the incident, including the nature of the gratuity, the behavior or action the gratuity was to influence, and the persons involved. The contracting officer, after review, shall forward the report along with his or her recommendations regarding the treatment of the violation in accordance with FAR 3.204(c) to the HCA or designee.

2803.204 Treatment of violations.

(a) The HCA or designee shall determine whether adverse action against the contractor in accordance with FAR 3.204(c) should be taken. In reaching a decision, the HCA or designee shall consult with the contracting activity’s legal advisor and the Office of the Inspector General or other office designated in Attorney General Order 1931–94.

(b) Prior to taking any action against the contractor the HCA or designee shall allow the contractor the opportunity to present opposing arguments in accordance with FAR 3.204(b).

(c) The PE shall be advised of all instances where violations have been determined to have occurred. Information must describe the violation as well as actions taken.

Subpart 2803.3—Reports of Suspected Antitrust Violations

2803.301 General.

Reports of suspected antitrust violations shall be referred to the AG and PE in accordance with bureau procedures.

Subpart 2803.9—Whistleblower Protections for Contractor Employees

2803.905 Procedures for investigating complaints.

(a) The Inspector General shall conduct an investigation and provide a written report of findings to the HCA.

(b) The HCA will ensure that the Inspector General provides the report of finding as specified in FAR 3.905(c).

(c) The complainant and contractor shall be afforded the opportunity to submit a written response to the report of findings within 30 days to the HCA. Extensions of time to file a written response may be granted by the HCA.

(d) The HCA may at any time request additional investigative work be done on the complaint.
Department of Justice

2803.906 Remedies.
(a) Upon determination that a contractor has subjected one of its employees to a reprisal for providing information, the HCA may take one or more actions specified in FAR 3.906(a).
(b) Whenever a contractor fails to comply with an order, the HCA shall request an action be filed for enforcement of such order in the United States district court.

Subpart 2804.4—Safeguarding Classified Information Within Industry

2804.402 General.

Classified acquisitions or contracts which require access to classified material, as defined in FAR 4.401, for their performance shall be subject to the policies, procedures, and instructions contained in departmental regulations and shall be processed in a manner consistent with those regulations.

2804.403 Responsibilities of contracting officers.

For proposed solicitations and contracts which may require access to classified material or where guard services are assigned to safeguard departmental activities in possession of classified information, the contracting officer shall consult with the COTR and the Director, Security and Emergency Planning Staff, JMD, to determine the appropriate security measures to safeguard such material and information.

2804.470 Contractor Personnel Security Program.

2804.470–1 Policy.

It is the policy of the Department of Justice that all acquisitions which allow unescorted contractor access to Government facilities or sensitive information contain, as appropriate, requirements for appropriate personnel security screening by the contractor. To the maximum extent practicable, contractors shall be made responsible for the performance of personnel security screening. The personnel security screening may vary from one acquisition to another, depending upon the type, context, duration and location of the work to be performed. Classified contracts are exempted from the requirements of this section because they are governed by the requirements of Executive Order 12829 (January 6, 1993).

2804.470–2 Responsibilities.

(a) The primary acquiring component, together with its Security Program Manager, is responsible for providing the contracting officer with the appropriate contractor personnel security screening requirements (including waiver requirements, if appropriate) to be included in the statement of work.

(b) The contracting officer is responsible for including in the contract file for all such acquisitions, a certification made by the responsible Security Program Manager that the personnel security requirements of the
contract are adequate to ensure the security of Departmental operations, information, and personnel.

(c) The Security Program Manager for the acquiring component is responsible for monitoring and ensuring that the contractor personnel security requirements of the contract are accomplished.

(d) For purposes of this section, the term Contracting Officer includes anyone empowered to place orders under Blanket Purchase Agreements (BPA) or any other existing contract vehicle and/or through the use of the government-wide commercial purchase card.

Subpart 2804.5—Electronic Commerce in Contracting

2804.506 Exemptions.

Pursuant to FAR 4.506(b), all determinations that FACNET processing is not cost-effective or practicable for the contracting officer, or portions thereof, shall be initiated by the HCA and submitted to the PE for processing to the Attorney General for signature.

Subpart 2804.6—Contract Reporting

2804.602 Federal Procurement Data System.

(a) Federal Procurement Data System (FPDS) reports shall be submitted to the Procurement Policy and Review Group (PPRG) within 20 days of the close of each of the first three quarters of the fiscal year and within 30 days after the close of the fourth quarter. Specific preparation procedures are contained in the FPDS Reporting Manual and the Product and Service Code Manual.

(b) Bureaus shall submit periodic reports of their subcontract activities, together with copies of their Standard Forms 295 and 294 to the Director, Office of Small and Disadvantaged Business Utilization (OSDBU) as required by that office.

(c) BPCs shall provide to the PE, the name, office, mailing address, and telephone number of the individual who will provide day-to-day operational contact within the bureau for the implementation of the FPDS. Changes and updates shall be forwarded to PPRG within 10 days after they occur. It is the responsibility of the bureau contacts to ensure that all actions are reported and submitted to PPRG in a timely manner and that all statistics and reports are accurate, current, and complete. BPCs shall be responsible for validating the data.

Subpart 2804.8—Government Contract Files

2804.805 Storage, handling, and disposal of contract files.

In accordance with FAR 4.805, each bureau shall prescribe procedures for the handling, storing, and disposing of contract files.

Subpart 2804.9—Information Reporting to the Internal Revenue Service

2804.901 Definitions.

Classified contract, as used in this subpart, means a contract such that the fact of its existence or its subject matter has been designated and clearly marked or clearly represented, pursuant to the provisions of Federal law or an Executive Order, as requiring a specific degree of protection against unauthorized disclosure for reasons of national security.

Confidential contract, as used in this subpart, means a contract, the reporting of which to the Internal Revenue Service (IRS) as required under 26 U.S.C. 6050M, would interfere with the effective conduct of a confidential law enforcement activity, such as contracts for sites for undercover operations or contracts with informants, or foreign counterintelligence activity.

2804.902 Contract information.

(a) Pursuant to FAR 4.902, the HCA, or delegate, shall certify to the PE, in the format specified in this section, under penalty of perjury, that such official has examined the information submitted by that bureau as its FPDS data, that the data has been prepared pursuant to the requirement of 26 U.S.C. 6050M, and that, to the best of such official’s knowledge and belief it
is compiled from bureau records maintained in the normal course of business for the purpose of making a true, correct and complete return as required by 26 U.S.C. 6050M.

(b) The following certification will be signed and dated by the HCA, or delegate, and submitted with each bureau quarterly FPDS report (as specified by 2804.602).

CERTIFICATION

I, ___________________________ (Name), ___________________________ (Title) under the penalties of perjury have examined the information to be submitted by ___________________________ (Bureau) to the Procurement Executive, for making information returns on behalf of the Department of Justice to the Internal Revenue Service, and certify that this information has been prepared pursuant to the requirements of 26 U.S.C. 6050M and that it is to the best of my knowledge and belief, a compilation of bureau records maintained in the normal course of business for the purpose of providing true, correct and complete returns as required by 26 U.S.C. 6050M.

Signature ___________________________

Date ___________________________

(c) The PE will certify the consolidated FPDS data for the Department, transmit the data to the Federal Procurement Data Center (FPDC) and authorize the FPDC to make returns to the IRS on behalf of the agency.

2804.970 Special reporting exceptions.

(b) The head of the agency has determined that the filing of information returns, as required by 26 U.S.C. 6050M, on confidential contracts, which involve law enforcement or foreign counterintelligence activities, would interfere with the effective conduct of those confidential law enforcement or foreign counterintelligence activities, and that the special reporting exceptions added to 26 U.S.C. 6050M by The Technical and Miscellaneous Revenue Act of 1988 to these types of contracts.

Subpart 2805–2—Synopses of Proposed Contract Actions

2805.201–70 Departmental notification.

(a) A copy of each synopsis of a proposed contract action sent to the Department of Commerce, shall be furnished to the Director, Office of Small and Disadvantaged Business Utilization (OSDBU), Justice Management Division (JMD).

(b) Contracting officers shall document, in the contract file, that a copy of the notice has been forwarded to the OSDBU. A “cc” to the OSDBU on the file copy of the CBD notice shall be considered adequate documentation.

Subpart 2805.3—Synopses of Contract Awards

2805.302–70 Departmental notification.

(a) The contracting officer shall forward a copy of the synopsis of contract award, as prepared under FAR 5.302, to the Director, OSDBU, JMD.

(b) Contracting officers shall document in the contract file that a copy of the notice has been forwarded to the OSDBU. A “cc” to the OSDBU on the

file copy of the CBD notice shall be considered adequate documentation.

Subpart 2805.5—Paid Advertisements

2805.502 Authority.

(a) Authorization for paid advertising is required for newspapers only. Pursuant to 28 CFR 0.14, the authority to approve publication of paid advertisements in newspapers has been delegated to the officials listed in 2801.601(a). This authority may be redelegated as appropriate.

(b) Authority to purchase paid advertising must be granted in writing by an official delegated such authority. No advertisement, notice, or proposal will be published prior to receipt of advance written authority for such publication.

No voucher for any such advertisement or publication will be paid unless there is presented, with the voucher, a copy of such written authority. Authority shall not be granted retroactively.

2805.503–70 Procedures.

(a) Agency officials exercising the authority delegated by 2805.502(a) and (b) shall do so in accordance with the procedures set forth in FAR 5.503 and those in this subsection.

(b) Requests for procurement of advertising shall be accompanied by written authority to advertise or publish which sets forth justification and includes the names of newspapers or journals concerned, frequency and dates of proposed advertisements, estimated cost, and other pertinent information.

(c) Procedures for payment of vouchers are contained in Title 7, Chapter 5–25.2, General Accounting Office Policy

2806.302 Circumstances permitting other than full and open competition.

2806.302–7 Public interest.

2806.302–70 Determination and findings.

(a) Procedure. The determination and findings (D&F) required by FAR 6.302.7(c)(1) shall be prepared in the format provided in paragraph (b) of this subsection. The original D&F and documentation supporting the use of this exception to the requirement for full and open competition shall be submitted to PPRG, JMD, for concurrence and coordination to the Attorney General for signature.

(b) Format. The following format shall be used for the D&F:

DEPARTMENT OF JUSTICE
WASHINGTON, DC 20530

DETERMINATION AND FINDINGS

Authority To Use Other Than Full and Open Competition:

Upon the basis of the following findings and determination, which I hereby make pursuant to the authority of 41 U.S.C. 253(c)(7), as implemented by FAR 6.302-7, it is in the public interest to provide for other than full and open competition in the contract action described below.

Findings:

1. The (1) proposes to enter into a contract for the acquisition of (2).
2. Use of the authority cited above is necessary and in the public interest for the following reasons: (3)

Determination

For the reasons described above, it is necessary and in the public interest to use other than full and open competition in the proposed acquisition.

Signature

Date

Notes:

(1) Name of contracting activity.
(2) Brief description of supplies or services.
(3) Explain the need for use of the authority.

2806.303 Justifications.

2806.303–1 Requirements.

Pursuant to FAR 6.303–1(d), a copy of the justification shall be forwarded through the Department’s Competition Advocate to the Department’s point of contact with the Office of the United States Trade Representative.

2806.303–2 Content.

In addition to the information required by FAR 6.303–2, justifications requiring the approval of the PE shall contain the following documents:

(a) A written Acquisition Plan as required by FAR 7.102 and part 2807 of this chapter. If a plan was not prepared, explain why planning was not feasible or accomplished.

(b) A copy of the CBD announcement or proposed announcement in accordance with the requirements of FAR 5.203.

(c) As part of the description of the supplies or services required in FAR 6.303–2, the justification shall include the statement of need as submitted by the requiring activity and any subsequent changes or revisions to the specifications.

(d) Any additional documentation that may be unique to the proposed procurement and is relevant to the justification.
2806.304 Approval of the justification.

(a) All justifications for contract actions over the contracting officer’s approval dollar threshold shall be submitted to the BPC for concurrence before being forwarded to the contracting activity competition advocate for approval. Justifications requiring approval by the PE shall be further submitted for the concurrence of the contracting activity competition advocate and the HCA, or designee, before being forwarded to the PE for approval.

(b) After approval by the PE, the signed original will be returned to the contracting activity and one copy will be retained by the PPRG, JMD.

(c) Pursuant to FAR 6.304(c), a class justification for other than full and open competition shall be approved in accordance with bureau procedures.

Subpart 2806.5—Competition Advocates

2806.501 Requirement.

In accordance with FAR 6.501:

(a) The Assistant Director, Procurement Policy and Review Group, Management and Planning Staff, Justice Management Division, has been designated as the Competition Advocate for the Department of Justice.

(b) The agency head will appoint, in each bureau, an official to be the contracting activity competition advocate. The contracting activity competition advocates shall be vested with the overall responsibility for competition activities within their contracting activity. No individual in the contracting office at or below the level of chief of the contracting office may serve as the contracting activity competition advocate. An individual at any level above the BPC may serve as contracting activity competition advocate.

2806.502 Duties and responsibilities.

In addition to the duties and responsibilities set forth in FAR 6.502(b) and elsewhere in this chapter, contracting activity competition advocates shall:

(a) Actively enforce the Department’s Competition Advocacy Program and ensure that systems are established for the effective internal control of contracting activity functions and activities which implement the Department’s Competition Advocacy Program.

(b) Implement specific goals and objectives to enhance competition and the acquisition of commercial items.

(c) Prepare and submit to the DOJ Competition Advocate, by November 30 of each year, an annual report of competition advocacy activities conducted during the prior fiscal year.

PART 2807—ACQUISITION PLANNING

Subpart 2807.1—Acquisition Plans

Sec. 2807.102 Policy.

2807.102–70 Applicability.

2807.103 Agency-head responsibilities.

2807.103–70 Other officials’ responsibilities.

2807.105 Contents of written acquisition plans.

Subpart 2807.5—Inherently Governmental Functions

2807.503 Policy.

AUTHORITY: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).

SOURCE: 63 FR 16124, Apr. 2, 1998, unless otherwise noted.
(b) Acquisition planning shall be the joint responsibility of both the contracting and program offices. All acquisition plans shall be prepared sufficiently in advance of solicitation release dates to ensure that requirements are presented in a way that promotes full and open competition and provides sufficient time for the identification and resolution of impediments that could delay the acquisition or lead to increased cost or technical risk.

2807.102–70 Applicability.

(a) Planning commensurate with the complexity and dollar value of the individual requirement shall be performed for all acquisitions, except for those acquisitions listed in paragraph (c) of this subsection which may be exempt from the planning process. Heads of contracting activities may favor the use of oral plans for simple and/or small dollar acquisitions. When oral plans are used, the file should be documented with the name of the individual who approved the plan.

(b) Written acquisition plans shall be prepared for all major systems acquisitions as defined in 2834.002.

(c) The following types of acquisitions may be exempt from the acquisition planning program:

(1) Architect-engineering services;

(2) Unsolicited proposals (when deemed innovative and unique in accordance with FAR 15.5);

(3) Regulated utility services where services are available from only one source;

(4) Acquisitions made from or through other Government agencies; and

(5) Contract modifications which exercise an option or add funds to an incrementally funded contract (provided there is an approved acquisition planning document for the original action and there is no significant deviation from that plan).

2807.103 Agency-head responsibilities.

The AAG/A may establish acquisition planning criteria and thresholds for those bureaus who:

(a) Fail to allow ample time for conducting competitive acquisitions;

(b) Develop a pattern of awarding urgent requirements that generally restrict competition;

(c) Fail to identify identical or like requirements that, where appropriate, can be combined under one solicitation and miss opportunities to obtain lower costs through volume purchasing, reduce administrative costs in processing one contract action versus multiple actions, and standardize goods and services.

2807.103–70 Other officials' responsibilities.

(a) In accordance with FAR 7.1, the HCA shall develop an acquisition planning program for all acquisitions to ensure that its needs are met in the most effective, economical, the timely manner.

(b) Heads of contracting activities have the flexibility to develop programs that are best suited to their individual needs. Criteria and thresholds shall be established at which increasingly greater detail and formality in the planning process is required. DOJ components are encouraged to keep paperwork to a minimum and to put a premium on simplicity.

(c) HCAs shall ensure that, during the acquisition planning phase, requirements personnel consider the use of:

(1) The metric system of measurement consistent with 15 U.S.C. 2205(b); and

(2) Environmentally preferable and energy-efficient products and services.

2807.105 Contents of written acquisition plans.

(a) HCAs shall prescribe format and content of acquisition planning documents that are commensurate with the complexity and dollar value of the individual acquisition (sample acquisition planning documents for both simple and complex acquisitions may be used or modified as appropriate).

(b) HCAs shall include, at a minimum, the content elements at FAR 7.105 and 7.106 for all major systems acquisitions as defined in 2834.002.
2807.503 Policy.
The requirements official shall provide the contracting officer, concurrent with the transmittal of the statement of work (or modification thereof), a written determination that none of the functions to be performed are inherently governmental. Any disputes concerning this determination shall be resolved by the contracting officer, after consultation with the requirements official. The contracting officer’s determination shall be final.

2809.503 Waiver.

AUTHORITY: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).

SOURCE: 63 FR 16125, Apr. 2, 1998, unless otherwise noted.
(2) Maintain agency-wide records of debarred or suspended contractors in accordance with FAR 9.404.

(b) Contracting activities shall provide an effective system to ensure that contracting staff consult the "List of Parties Excluded from Federal Procurement and Nonprocurement Programs" prior to soliciting offers from, awarding or extending contracts to, or consenting to subcontracts with contractors on the list.

2809.405 Effect of listing.

(a) Contractors debarred, suspended, or proposed for debarment are excluded from receiving contracts, and bureaus shall not solicit offers from, award contracts to, or consent to subcontracts with these contractors, unless the HCA determines that there is a compelling reason for such action and the PE approves such determinations.

(b) Bids received from any listed contractor in response to an invitation for bids shall be entered on the abstract of bids, and rejected unless the HCA determines in writing that there is a compelling reason to consider the bid and the PE approves such action.

(c) Proposals, quotations, or offers received from any listed contractor shall not be evaluated for award or included in the competitive range, nor shall discussions be conducted with a listed offeror during a period of ineligibility, unless the HCA determines in writing that there is a compelling reason to do so and the PE approves such action.

2809.405–1 Continuation of current contracts.

(a) In accordance with FAR 9.405–1, contracting activities may continue contracts or subcontracts in existence at the time a contractor is suspended or debarred unless it is determined that termination of the contract is in the best interest of the Government. In making this determination, contracting activities shall consider the seriousness of the act or omission leading to the debarment or suspension, the effect of debarment or suspension on the contractor’s ability to continue operations, and the Department’s ability to safeguard its interests and receive satisfactory performance.

(b) Contracting activities shall not renew or otherwise extend the duration of current contracts, or consent to subcontracts, with contractors debarred, suspended, or proposed for debarment, unless the HCA states, in writing, the compelling reasons for renewal or extension and the PE approves such action.

Subpart 2809.5—Organizational and Consultant Conflicts of Interest

2809.503 Waiver.

The HCA may waive any general rule or procedure of FAR 9.5 by determining that its application in a particular situation would not be in the Government’s interest.

PART 2811—DESCRIBING AGENCY NEEDS

Sec. 2811.001 Definitions.

2811.002 Policy.

Subpart 2811.1—Selecting and Developing Requirements Documents

2811.103 Market acceptance.

2811.104–70 Brand-name or equal description.

Subpart 2811.6—Priorities and Allocations

2811.603 Procedures.

AUTHORITY: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).

SOURCE: 63 FR 16126, Apr. 2, 1998, unless otherwise noted.

2811.001 Definitions.

Dual systems means the use of both inch-pound and metric systems. For example, an item is designed, produced, and described in inch-pound values with soft metric values also shown for information or comparison purposes.

Hybrid systems means the use of both inch-pound and standard metric values in specifications, standards, supplies, and services; e.g., an engine with internal parts in metric dimensions and external fittings or attachments in inch-pound dimensions.

Metric system means the International System of Units established by the
General Conference of Weights and Measures in 1960.

Soft metric means the result of mathematical conversion of inch-pound measurements to metric equivalents in specifications, standards, supplies, and services. The physical dimensions are not changed.

2811.002 Policy.

Consistent with the policy expressed in FAR 11.002(b), solicitations must include specifications and purchase descriptions stated in metric units of measurement whenever metric is the accepted industry system. Whenever possible, commercially developed metric specifications and internationally, or domestically developed voluntary standards, using metric measurements, must be adopted. While an industry is in transition to metric specifications, solicitations must include requirements documents stated in soft metric, hybrid, or dual systems, except when impractical or inefficient.

Subpart 2811.1—Selecting and Developing Requirements Documents

2811.103 Market acceptance.

Pursuant to FAR 11.103, the HCA or designee at a level not lower than the BPC has the authority to require offerors to demonstrate that the items offered meet the criteria set forth in FAR 11.103(a).

2811.104–70 Brand-name or equal description.

When a brand-name or equal description is used, the clause set forth in 2852.211–70, Brand-name or Equal, shall be inserted into the solicitation.

Subpart 2811.6—Priorities and Allocations

2811.603 Procedures.

The PE is the agency official delegated authority to exercise priority authority on behalf of the Department. Any request for a priority rating on a contract or order must be submitted to PPRG, JMD, in accordance with the procedures in this subpart.

(a) The requesting activity shall submit, to the PE, a description of the supplies or services requiring a priority rating and a complete justification for the necessity of a rated order including the method and type of contract and the anticipated award date. The justification must also state the level of priority rating requested and comply with the requirements of the Defense Priorities and Allocations System.

(b) Upon receipt, the PPRG shall review the request for completeness and establish appropriate liaison with the Department of Commerce (DOC), the administering agency. Depending on the nature of the requirement, the PPRG may schedule a meeting with DOC officials to present the proposal. In such cases, a representative from the requiring activity may be requested to attend.

(c) DOJ activities requesting rated orders that concern classified material shall call PPRG before submitting their request to ensure appropriate transmission and handling between the requesting activity and PPRG.

PART 2812—ACQUISITION OF COMMERCIAL ITEMS

AUTHORITY: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).

Subpart 2812.3—Solicitation Provisions and Contract Clauses for the Acquisition of Commercial Items

2812.302 Tailoring of provisions and clauses for the acquisition of commercial items.

Pursuant to FAR 12.302(c), the HCA or designee at a level not lower than the BPC is authorized to approve clauses or additional terms or conditions for inclusion in solicitations or contracts for commercial items that are inconsistent with customary commercial practices.

[63 FR 16127, Apr. 2, 1998]
Subpart 2813.3—Simplified Acquisition Methods

2813.305 Imprest funds and third party drafts.

Regulations governing the operation and procedures of the imprest fund shall be contained in internal bureau regulations. Individuals delegated the authority to withdraw from the imprest fund are further subject to the limitations contained in their delegation memorandum.

2813.307 Forms.

In accordance with FAR 13.307, bureaus may use order forms other than Standard Form (SF) 1449, OF 347 and 348 and may print on those forms, clauses considered to be suitable for purchases.

(a) Contracting activities using the SF 44 will be responsible for instructing authorized users as to the limitations and procedures for use of the form as outlined in FAR 13.306.

(b) Since the SF 44 is an accountable form, a record shall be maintained of: serial numbers of the forms; to whom issued; and, the date issued. SF 44s shall be kept securely under lock and key to prevent unauthorized use. A reservation of funds shall be established to cover total anticipated expenditures prior to use of the SF 44.

Subpart 2813.70—Certified Invoice Procedure

2813.7001 Policy.

Under limited circumstances as described in this subpart, supplies or services directly related to mission accomplishment, may be acquired on the open market from local suppliers at the site of the work or use point, using vendor’s invoices under the certified invoice procedure, instead of issuing purchase orders. Certified invoice procedures may not be used to place orders under established contracts.

2813.7002 Procedure.

(a) Purchases utilizing the certified invoice procedure shall be effected only in accordance with FAR part 13 and this part 2813, subject to the following:

(1) The amount of any one purchase does not exceed the micro-purchase threshold;

(2) A purchase order is not required by either the supplier or the Government;

(3) Appropriate invoices can be obtained from the supplier; and,

(4) The items to be purchased shall be domestic source end products, except as provided in FAR subpart 25.1.

(b) Use of the certified invoice procedures does not eliminate the requirements in FAR part 13 or this part 2813 that are applicable to purchases of this dollar threshold.

(c) The chief of the contracting office, as defined in 2802.101(c), shall delegate the authority to use the certified invoice procedure. Each delegation must specify any limitations placed on the individual’s use of these procedures, such as limits on the amount of each purchase, or limits on the commodities, or services which can be procured.

(d) Each individual using this purchasing technique shall require the supplier to immediately submit properly prepared invoices which itemize...
property or services furnished. Upon receiving the invoice, the individual making the purchase shall annotate the invoice with the date of receipt, verify the arithmetic accuracy of the invoiced amount and verify on the invoice that the supplies and/or services have been received and accepted. If the invoice is correct, the individual making the purchase shall sign the invoice indicating acceptance and immediately forward it to the appropriate administrative office. The invoice shall be approved by the appropriate administrative office and forwarded to the Finance Office for payment within 5 workdays after receipt of the invoice, or acceptance of supplies or services, whichever is later. Before forwarding the invoice to Finance, the administrative office shall place the following statement on the invoice, along with the accounting and appropriation data:

I certify that these goods and/or services were received on (date) and accepted on (date). Oral purchase was authorized and no confirming order has been issued.

Subpart 2814.4—Opening of Bids and Award of Contract

2814.407 Mistakes in bids.

2814.407-3 Other mistakes disclosed before award.

(a) The authority to make determinations under paragraphs (a), (b), (c), and (d) of FAR 14.407-3 is delegated to the HCA or designee at a level not lower than the BPC.

(b) The following procedures shall be followed when submitting doubtful cases of mistakes in bids to the Comptroller General for an advance decision:

(1) Requests for advance decisions submitted to the Comptroller General in cases of mistakes in bids shall be made by the HCA.

(2) Requests for advance decisions shall be in writing, dated, signed by the requestor, addressed to the Comptroller General of the United States, General Accounting Office, Washington, D.C. 20548, and contain the following:

(i) The name and address of the party requesting the decision;

(ii) A statement of the question to be decided, a presentation of all relevant facts, and a statement of the requesting party's position with respect to the question; and

(iii) Copies of all pertinent records and supporting documentation.

2814.407-4 Mistakes after award.

Proposed determinations under FAR 14.407 shall be coordinated with legal counsel in accordance with bureau procedures.

2814.409 Information to bidders.

2814.409-2 Award of classified contracts.

In accordance with FAR 14.409–2, the contracting officer shall advise the unsuccessful bidders, including any who did not bid, to take disposition action in accordance with bureau procedures.

**SOURCE:** 63 FR 16128, Apr. 2, 1998, unless otherwise noted.

Subpart 2815.2—Solicitation and Receipt of Proposals and Information

2815.205 Issuing solicitations.

Solicitations involving classified information shall be handled in accordance with the policies and procedures contained in Departmental regulations and other offices, boards, divisions, and bureaus (OBDBs) prescribed policies and regulations that supplement Departmental regulations.

2815.207 Handling proposals and information.

Classified proposals and quotations shall be handled in accordance with the current DOJ Order agency regulations and any supplemental directives or orders implemented by the OBDBs. Such supplemental regulations must have the prior approval of the AAG/A before implementation in accordance with the Departmental regulations.

Subpart 2815.4—Contract Pricing

2815.404 Proposal analysis.

2815.404–2 Information to support proposal analysis.

All requests for field pricing support shall be made by the contracting officer directly to the cognizant audit agency. A copy of the request for such services shall be sent to the Department of Justice Office of the Inspector General (OIG) at the address shown in this subsection at the time it is mailed to the cognizant audit agency. A copy of each report received shall also be sent to the OIG. Requests for other audit assistance may be made to the Assistant Inspector General for Audits, Suite 5000, 1425 New York Avenue, NW., Washington, DC 20530.

2815.404–4 Profit.

If a contractor insists on a price or demands a profit or fee that the contracting officer considers unreasonable and the contracting officer has taken all authorized actions to negotiate a reasonable price or profit or fee without success, the contracting officer shall then refer the contract action to the HCA or designee.

2815.407–4 Should-cost review.

In acquisitions for which a program should-cost review is conducted, the required should-cost review team report shall be prepared in accordance with bureau procedures.

Subpart 2815.6—Unsolicited Proposals

2815.606 Agency procedures.

(a) Each contracting activity shall designate a point of contact for the receipt and handling of unsolicited proposals. Generally, the official designated shall be the BPC or immediate subordinate.

(b) The designated point of contact for each contracting activity shall provide for and coordinate receipt, review, evaluation, and final disposition of unsolicited proposals in accordance with FAR subpart 15.6.

2816.601 Time-and-material contracts.

2816.602 Labor-hour contracts.

2816.603 Letter contracts.

2816.603–2 Application.

2816.603–3 Limitations.

**AUTHORITY:** 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).

**SOURCE:** 63 FR 16128, Apr. 2, 1998, unless otherwise noted.

Subpart 2816.5—Indefinite-Delivery Contracts

2816.505 Ordering.

(a) In accordance with FAR 16.505(b)(4), the Department of Justice
Task Order and Delivery Order Ombudsman is the DOJ Competition Advocate.

(b) Heads of contracting activities shall designate a contracting activity Task Order and Delivery Order Ombudsman. This person may be the contracting activity competition advocate and must meet the qualification requirements of 2806.501(b).

(c) Contracting activity ombudsman shall review and resolve complaints from contractors concerning task or delivery orders placed by the contracting activity.

(d) Contractors not satisfied with the resolution of a complaint by a contracting activity ombudsman may request the Departmental Ombudsman to review the complaint.

Subpart 2816.6—Time-and-Materials, Labor-Hour, and Letter Contracts

2816.601 Time-and-material contracts.

In addition to the limitations listed in FAR 16.601(c), a time-and-materials contract may be used only after the contracting officer receives written approval from the chief of the contracting office. When the contracting officer is also the chief of the contracting office, the approval to use a time-and-materials type contract will be made at a level above the contracting officer.

2816.602 Labor-hour contracts.

The limitations set forth in 2816.601 for time-and-material contracts also apply to labor-hour contracts.

2816.603 Letter contracts.

2816.603-2 Application.

In cases where the contracting officer and the contractor cannot negotiate the definitization of a letter contract within 180 days after the date of the letter contract, or before completion of 40 percent of the work to be performed, the contracting officer may, with the written approval of the PE, revise and extend the definitization schedule. However, in no event shall the extension of the definitization schedule extend beyond the lesser of an additional 180 day period or the completion of 80 percent of the work to be performed. If at the end of the extension, the contracting officer and the contractor cannot negotiate a definitive contract because of failure to reach an agreement on price or fee, the procedures set forth in FAR 51.216-25, 16.603-2, 15.8, and part 31 shall be followed, as applicable.

2816.603-3 Limitations.

A letter contract may be used only after the express written approval of the Procurement Executive. Requests for approval shall contain the rationale explaining why no other contract is suitable and shall include the approval of the HCA or designee. Under circumstances of compelling urgency which do not permit the time needed for written approval, oral approval must be obtained; however, written documentation to support the award and confirm the oral approval must be submitted as soon as practicable after award.

SOURCE: 63 FR 16130, Apr. 2, 1998, unless otherwise noted.
2823.107 Compliance responsibilities.
If a contracting officer becomes aware of noncompliance with clean air, water or other affected media standards in facilities used in performing nonexempt contracts, that contracting officer shall notify the Department of Justice Environmental Executive (DOJEE).

2823.303–70 Departmental contract clause.
The contracting officer shall insert the clause at 2852.223–70, Unsafe Conditions Due to the Presence of Hazardous Material, in all solicitations and contracts, as appropriate, if the contract will require the performance of services on Government-owned or Government-leased facilities.

2823.403 Policy.
It is the policy of DOJ that its contracting activities and contractors that procure on behalf of DOJ, acquire EPA designated items in accordance with EPA’s Comprehensive Procurement Guideline For Products Containing Recovered Materials (CPG) (40 CFR part 247). The recommended minimum recovered materials content of EPA designated items is set forth in EPA’s Recovered Materials Advisory Notices (RMANs) and in E.O. 12873 as amended. These publications are available from the DOJEE.

2823.404 Procedures.
(a) The program office initiating the acquisition is responsible for determining if recovered materials should be included in the specification. Procurement offices are responsible for informing program offices of the requirement for writing specifications for designated items that include minimum content standards specified in the RMANs.
(b) If the program office chooses to procure designated items containing less than the minimum content standards, and program office must justify that decision in writing and include a copy of the signed justification with the procurement request package. FAR 23.404(b)(3) sets forth the only acceptable justifications for acquiring EPA designated items which do not meet the minimum content standard. The contracting officer is the approving official for justifications made pursuant to FAR 23.404(b)(3). Contracting officers are responsible for including a signed copy of the justification in the acquisition file and submitting a copy of the approved justification to the DOJEE.

2823.404–70 Affirmative procurement program for recycled materials.
(a) Recovered materials preference program. Preference will be given to procuring and using products containing recovered materials rather than products made with virgin materials when adequate competition exists, and when price, performance and availability are equal.
(b) Promotion program. The DOJEE has primary responsibility for actively promoting the acquisition of products containing recycled materials throughout DOJ. Technical and procurement personnel will cooperate with the DOJEE to actively promote DOJ’s Affirmative Procurement Program (APP).
(c) Procedures for vendor estimation, verification and certification—(1) Estimation. The contractor shall provide estimates of the total percentage(s) of recovered materials for EPA designated items to be used in products or services provided.
(2) Certification. Contracting officers shall provide copies of all vendor and subcontractor certifications required by FAR 23.405(b) to the DOJEE.
(3) Verification. The DOJEE is responsible for periodically reviewing vendor certification documents and waivers as part of the annual review and monitoring process to determine if DOJ is in compliance with E.O. 12873 and subsequent amendments.

PART 2825—FOREIGN ACQUISITION

Subpart 2825.2—Buy American Act—Construction Materials

Sec. 2825.203 Evaluating offers.

The HCA, or designee at a level not lower than the BPC, is the agency official authorized to make determination that using a particular domestic construction material would unreasonably increase the cost of the acquisition or would be impracticable.

Subpart 2825.3—Balance of Payments Program

2825.302 Policy.

The HCA, or designee at a level not lower than the BPC, is the agency official authorized to make determinations under FAR 25.302(b)(3), as well as authorize the use of a differential greater than 50 percent, as specified in FAR 25.302(c), for the evaluation of domestic and foreign offers under the Balance of Payments Program. All determinations made under this section shall be in writing and shall set forth the facts and circumstances supporting the determination. Determinations shall be reviewed and concurred in by the contracting activity’s legal counsel.

Subpart 2825.9—Additional Foreign Acquisition Clauses

2825.901 Omission of audit clause.

The HCA, or designee at a level not lower than the BPC, is the agency official authorized to make determinations under FAR 25.901(c). All determinations made under this authority shall be reviewed and concurred in by the contracting activity’s legal counsel prior to being approved by the authorized agency official.
SUBCHAPTER E—GENERAL CONTRACTING REQUIREMENTS

PART 2828—BONDS AND INSURANCE

Subpart 2828.1—Bonds

Sec. 2828.106 Administration.
2828.106–6 Furnishing information

Subpart 2828.2—Sureties

2828.204 Alternatives in lieu of corporate or individual sureties.

Subpart 2828.3—Insurance

2828.307–1 Group insurance plans.

AUTHORITY: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).
SOURCE: 63 FR 16131, Apr. 2, 1998, unless otherwise noted.

Subpart 2828.1—Bonds

2828.106 Administration.

2828.106–6 Furnishing information.

In accordance with FAR 28.106–6(c), the HCA, or designee at a level not lower than the BPC, is the agency official authorized to furnish the certified copy of the bond and the contract.

Subpart 2828.2—Sureties

2828.204 Alternatives in lieu of corporate or individual sureties.

When contractors submit any of the types of security described in FAR 28.204–1 through 28.204–3 in lieu of furnishing sureties, the contracting officer shall enter into an agreement with the contractor covering a bank account, and suitable covenants protecting the Government’s interest, in which the securities will be deposited to protect against their loss during the period of the bond obligation.

Subpart 2828.3—Insurance

2828.307–1 Group insurance plans.

Under cost-reimbursement contracts, before buying insurance under a group insurance plan, the contractor shall submit the plan to the contracting officer for review and approval. During review, the contracting office should utilize all sources of information available such as audit, industry practices, etc., to determine that acceptance of the group insurance plan, as submitted, is in the Government’s best interest.

PART 2829—TAXES

AUTHORITY: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).

Subpart 2829.3—State and Local Taxes

2829.303 Application of State and local taxes to Government contractors and subcontractors.

(a) It is DOJ policy that DOJ contracts shall not contain clauses expressly designating prime contractors as agents of the Government for the purpose of avoiding State and local taxes.

(b) Although circumstances may exist under which a contractor is an agent of the Government, even in the absence of a contract clause expressly designating a contractor as such, these circumstances should be extremely rare. Before any DOJ contracting activity may contend that any of its contractors are agents of the Government for the purpose of claiming immunity from State and local sales and use taxes, the matter will be referred to the AAG/A for review, and approval to ensure that DOJ policy is complied with and that the contracting activity’s contention is fully in accordance with the pertinent legal principles and precedents. Each case forwarded will be reviewed by the HCA before referral to the AAG/A. The referral will include all pertinent data on which the contractor’s contention is based, together with a thorough analysis of all relevant legal precedents.

(c) Whenever clauses, procedures, and business practices are cited by DOJ contracting activities to support the contention that a contractor is an agent of the Government for the purpose of immunity from a State or local sales or use tax, contracting activities
should whenever possible, devise alternative clauses, procedures, and practices for future use which will accomplish their intended purpose without providing the basis for contention that the contractor is an agent of the Government for the purpose of immunity from State and local sales or use taxes. Any referral to the AAG/A for approval under this subpart shall include comments on the extent to which alternative clauses, procedures, or practices may be utilized to accomplish the intended purpose without providing the basis for the contention that the contractor is an agent of the Government for the purpose of immunity from State and local sales or use taxes.

Subpart 2831.2—Contracts With Commercial Organizations

2831.205 Selected costs.

2831.205–32 Precontract costs.

(a) Precontract cost authorizations shall be used only on cost reimbursement contracts, contain no provisions for payment of fees, and be treated as advance agreements in accordance with the provisions of FAR 31.109 and 2831.109.

(b) The following limitations apply to the execution of precontract cost authorizations.

(1) Contracts which are estimated to be greater than the simplified acquisition threshold may contain a precontract cost authorization providing the authorization is for a period of 60 days or less and the dollar amount does not exceed the lesser of the simplified acquisition threshold or one third of the total estimated costs (including fee if any) of the contract.

(2) The limitation expressed under paragraph (b) of this section may be increased in unusual circumstances as appropriate, with the written approval of the HCA, but in no event shall they exceed one-third of the total estimated costs (including fee if any) of the contract or be for periods of time which exceed 90 days.

SOURCE: 63 FR 16132, Apr. 2, 1998, unless otherwise noted.

Subpart 2833.1—Protests

2833.101 Definitions.

(a) *Agency Protest Official* means the official, other than the contracting officer, designated to review and decide procurement protests filed with a contracting activity of the Department of Justice.

(b) *Deciding Official* means the person chosen by the protestor to decide the agency protest; it may be either the Contracting Officer or the Agency Protest Official.

(c) *Interested Party* means an actual or prospective offeror whose direct economic interest would be affected by the award of a contract or by the failure to award a contract.

(1) This person will be at a level above that of the Contracting Officer, will be knowledgeable about the acquisition process in general and will have no programmatic interest in the procurement.

(2) This official shall be an individual designated by the head of the contracting activity and may be the Competition Advocate.

(d) Responsibilities:

(i) Contracting Officers: (i) Include the provision at 2852.233–70 in all solicitations that are expected to exceed the simplified acquisition threshold.

(ii) If the protestor requests that the Contracting Officer decide the protest, or if the protest is silent on this issue, the Contracting Officer decides the protest using the procedures in this subpart and FAR 33.103.

(iii) If the protestor requests that the Agency Protest Official decide the protest, the Contracting Officer must ensure that the Agency Protest Official receives a copy of the materials served
on the Contracting Officer within one business day after the filing date.

(2) Agency Protest Official: If the protestor requests that the Agency Protest Official decide the protest, the Official must use the procedures in this subpart and FAR 33.103 to provide an independent review of the issues raised in the protest.

2833.103 Protests to the agency.

(a) The filing time frames in FAR 33.103(e) apply. An agency protest is filed when the protest complaint is received at the location the solicitation designates for serving protests.

(b) An interested party filing an agency protest has the choice of requesting either that the Contracting Officer or the Agency Protest Official decide the protest.

(c) In addition to the information required by FAR 33.103(d)(2), the protest must:

(1) Indicate that it is a protest to the agency.

(2) Be filed with the Contracting Officer.

(3) State whether the protestor chooses to have the Contracting Officer or the Agency Protest Official decide the protest. If the protest is silent on this matter, the Contracting Officer will decide the protest.

(4) Indicate whether the protestor prefers to make an oral or written presentation of arguments in support of the agency protest to the deciding official.

(d) The decision by the Agency Protest Official is an alternative to a decision by the Contracting Officer on a protest. The Agency Protest Official will not consider appeals from a Contracting Officer’s decision on an agency protest.

(e) The deciding official must conduct a scheduling conference with the protestor within five (5) days after the protest is filed. The scheduling conference will establish deadlines for oral or written arguments in support of the agency protest and for agency officials to present information in response to the protest issues. The deciding official may hear oral arguments in support of the agency protest at the same time as the scheduling conference, depending on availability of the necessary parties.

(f) Oral conferences may take place either by telephone or in person. Other parties may attend at the discretion of the deciding official.

(g) The protestor has only one opportunity to support or explain the substance of its protest. Department of Justice procedures do not provide for any discovery. The deciding official has discretion to request additional information from either the agency or the protestor. However, the deciding official will normally decide protests on the basis of information provided by the protestor and the agency.

(h) The preferred practice is to resolve protests through informal oral discussion.

(i) An interested party may represent itself or be represented by legal counsel. The Department of Justice will not reimburse the protestor for any legal fees related to the agency protest.

(j) If an agency protest is received before contract award, the Contracting Officer must not make award unless the Head of the Contracting Activity makes a determination to proceed under FAR 33.103(f)(1). Similarly, if an agency protest is filed within ten (10) days after award, the Contracting Officer must stay performance unless the Head of the Contracting Activity makes a determination to proceed under FAR 33.103(f)(3). Any stay of award or suspension of performance remains in effect until the protest is decided, dismissed, or withdrawn.

(k) The deciding official must make a best effort to issue a decision on the protest within twenty (20) days after the filing date. The decision may be oral or written. If oral, the deciding official must send a confirming letter within three (3) days after the decision using a means that provides receipt. The confirming letter must include the following information:

(1) State whether the protest was denied, sustained or dismissed.

(2) Indicate the date the decision was provided.

(l) If the deciding official sustains the protest, relief may consist of any of the following:

(1) Recommendation that the contract be terminated for convenience or cause.

(2) Recompeting the requirement.
Department of Justice

2833.211 Contracting officer’s decision.

(3) Amending the solicitation.

(4) Refraining from exercising contract options.

(5) Awarding a contract consistent with statute, regulation, and the terms of the solicitation.

(6) Other action that the deciding official determines is appropriate.

(m) If the Agency Protest Official sustains a protest, then within 30 days after receiving the Official’s recommendations for relief, the Contracting Officer must either:

(1) Fully implement the recommended relief; or

(2) Notify the Agency Protest Official in writing of any recommendations have not been implemented and explain why.

(n) Proceedings on an agency protest may be dismissed or stayed if a protest on the same or similar basis is filed with a protest forum outside of the Department of Justice.

Subpart 2833.2—Disputes and Appeals

2833.209 Suspected fraudulent claims.

Contracting officers shall report suspected fraudulent claims to the Office of the Inspector General.

2833.211 Contracting officer’s decision.

(a) The Agency Board of Contract Appeals (BCA), which will hear appeals from the decisions of bureau contracting officers, is the Department of Transportation BCA. The procedures set forth in 48 CFR chapter 63 shall apply.

(b) Pursuant to 28 CFR 0.45(i), the contact for all appeals of decisions of DOJ contracting officers which will be forwarded to the BCA under paragraph (a) of this section, is the Deputy Assistant Attorney General, Commercial Litigation Branch, Civil Division.
PART 2834—MAJOR SYSTEM ACQUISITION

AUTHORITY: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).

Subpart 2834.0—General

2834.002 Policy.

In accordance with Pub. L. 98–577, the Small Business and Federal Procurement Competition Enhancement Act of 1984, an executive agency may establish a dollar threshold for the designation of a major system. Accordingly, dollar thresholds for a major system under Office of Management and Budget Circular A–109 are designated in this section.

(a) Major automated information system. Within the Department of Justice, a major automated information system is one whose life-cycle cost is in excess of $100 million.

(b) Major real property system. (1) By purchase, when the assessed value of the property exceeds $60 million.

(2) By lease, when the annual rental charges, including basic services (e.g., cleaning, guards, maintenance), exceed $1.8 million.

(3) By transfer from another agency at no cost when the assessed value of the property exceeds $12 million.

(c) Research and Development (R&D) System. Any R&D activity expected to exceed $0.5 million, for the R&D phase is subject to OMB Circular A–109, unless exempted by the HCA.

(d) Any other system or activity. The HCA responsible for the system may designate any system or activity as a Major System under OMB Circular A–109 as a result of Departmental review, e.g., selected systems designed to support more than one principal organizational unit.

(e) Exemption. The AAG/A, upon recommendation by the HCA responsible for the system, may determine that because of the routine nature of the acquisition, the system (e.g., an information system utilizing only off-the-shelf hardware or software) will be exempt from the OMB Circular A–109 process, although by virtue of the life cycle costs, it would otherwise be identified as “major” in response to OMB Circular A–109.

PART 2842—CONTRACT ADMINISTRATION

Subpart 2842.15—Contractor Performance Information

Sec. 2842.1502 Policy.
2842.1503 Procedures.

Authority: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).
Source: 63 FR 16134, Apr. 2, 1998, unless otherwise noted.

Subpart 2842.15—Contractor Performance Information

2842.1502 Policy.
The head of each contracting activity shall be responsible for establishing
past performance evaluation procedures and systems as required by FAR
42.1502 and 42.1503.

2842.1503 Procedures.
Past performance evaluation procedures and systems shall include, to the
greatest practicable extent, the evaluation and performance rating factors set
forth in the Office of Federal Procurement Policy best practices guide for
past performance.

PART 2845—GOVERNMENT PROPERTY

Subpart 2845.1—General

Sec. 2845.105 Records of Government property.

Subpart 2845.5—Management of Government Property in the Possession of Contractors

(a) In compliance with FAR 45.505-14, by January 31 of each year, DOJ con-
tractors shall furnish the cognizant contracting officer an annual report of
the DOJ property for which they are accountable as of the end of the cal-
der year.

(b) By March 1 of each year, bureaus shall submit a summary report of De-
partmental property furnished under each contract, as of the end of the cal-
der year, to the Facilities and Administrative Services Staff, Justice
Management Division. The report shall be categorized in accordance with FAR
45.505 and shall include contracts for
which the bureau maintains the official
government records.

Subpart 2845.6—Reporting, Redistribution, and Disposal of Contractor Inventory

2845.603 Disposal methods.
Policies pertaining to reutilization and disposal of DOJ property, including
requirements for internal screening,
waivers, and disposal reporting, are
prescribed in the Justice Property
Management Regulations Subpart 128–
43. Unless otherwise specified, the
“plant clearance officer” shall be a
designated utilization and disposal rep-
resentative of a bureau’s property man-
age ment office.
Subpart 2846.6—Material Inspection and Receiving Reports

Sec. 2846.601 General.

Bureaus shall prescribe procedures and instructions for the use, preparation, and distribution of material inspection and receiving reports and commercial shipping document/packing lists to evidence Government inspection.

[63 FR 26739, May 14, 1998]

Subpart 2846.7—Warranties

2846.704 Authority for use of warranties.

The use of a warranty in an acquisition shall be approved at a level above the contracting officer.
SUBCHAPTER H—CLAUSES AND FORMS

PART 2852—SOLICITATION PROVISIONS AND CONTRACT CLAUSES

AUTHORITY: 28 U.S.C. 510; 40 U.S.C. 486(c); 28 CFR 0.75(j) and 28 CFR 0.76(j).
SOURCE: 63 FR 16135, Apr. 2, 1998, unless otherwise noted.

Subpart 2852.1—Instructions for Using Provisions and Clauses

2852.102 Incorporating provisions and clauses.
2852.102–270 Incorporation in full text.

JAR provisions or clauses shall be incorporated in solicitations and contracts in full text.

Subpart 2852.2—Text of Provisions and Clauses

2852.201–70 Contracting Officer’s Technical Representative (COTR).
2852.211–70 Brand-name or equal.
2852.223–70 Unsafe conditions due to the presence of hazardous material.
2852.233–70 Protests filed directly with the Department of Justice.

As prescribed in subpart 2801.70, insert the following clause:

CONTRACTING OFFICER’S TECHNICAL REPRESENTATIVE (COTR) (JAN 1985)
(a) Mr./Ms (Name) of (Organization) (Room No.), (Building), (Address), (Area Code & Telephone No.), is hereby designated to act as Contracting Officer’s Technical Representative (COTR) under this contract.
(b) The COTR is responsible, as applicable, for: receiving all de{}rable, inspecting and accepting the supplies or services provided hereunder in accordance with the terms and conditions of this contract; providing direc-
tion to the contractor which clarifies the contract effort, fills in details or otherwise serves to accomplish the contractual Scope of Work; evaluating performance; and certifying all invoices/vouchers for acceptance of the supplies or services furnished for payment.
(c) The COTR does not have the authority to alter the contractor’s obligations under the contract, and/or modify any of the expressed terms, conditions, specifications, or cost of the agreement. If as a result of technical discussions it is desirable to alter change contractual obligations or the Scope of Work, the Contracting Officer shall issue such changes.
(End of clause)

2852.211–70 Brand-name or equal.

As prescribed in 2811.104–70, insert the following clause:

BRAND-NAME OR EQUAL (JAN 1985)
(a) The terms “bid” and “bidders”, as used in this clause, include the terms “proposal” and “offerors”. The terms “invitation for bids” and “invitational”, as used in their clause include the terms “request for proposal” and “request”.
(b) If items called for by this invitation for bids have been identified in the schedule by a “brand name or equal” description, such identification is intended to be descriptive but not restrictive, and is to indicate the quality and characteristics of products that will be satisfactory. Bids offering “equal” products (including products of a brand name manufacturer other than the one described by brand name) will be considered for award if such products are clearly identified in the bids and are determined by the Government to meet fully the salient characteristics and requirements listed in the invitation.
(c) Unless the bidder clearly indicates in his/her bid that he/she is offering an “equal” product, his/her bid shall be considered as offering the brand name product referenced in the invitation for bids.
(d)(1) If the bidder proposes to furnish an “equal” product, the branch name, if any, of the product to be furnished shall be inserted in the space provided in the invitation for bids, or such product shall be otherwise clearly identified in the bid. The evaluation of bids and the determinations to equality of the product offered shall be the responsibility of the Government and will be based on information furnished by the bidder or
identified in his/her bid as well as other information reasonably available to the purchasing activity. To ensure the sufficient information is available, the bidder must furnish as a part of his/her bid all description material (such as cuts, illustrations, drawings, or other information) necessary for the purchasing activity to: (i) determine whether the product offered meets the salient characteristics requirements of the invitation for bids, and (ii) establish exactly what the bidder proposed to furnish and what the Government would be binding itself to purchase by making an award. The information furnished may include specific references to information previously furnished or information otherwise available to the purchasing activity.

(2) If the bidder proposes to modify a product so as to make it conform to the requirements of the invitation for bids, he/she shall: (i) include in his/her bid a clear description of such proposed modification, and (ii) clearly mark any description material to show the proposed modifications.

(3) Modifications proposed after the bid opening to make a product conform to a brand name product referenced in the invitation for bids will not be considered.

(End of clause)

2852.223–70 Unsafe conditions due to the presence of hazardous material.

As prescribed in 2823.303–70, insert the following clause:

UNSAFE CONDITIONS DUE TO THE PRESENCE OF HAZARDOUS MATERIAL (JUN 1996)

(a) “Unsafe condition” as used in this clause means the actual or potential exposure of contractor or Government employees to a hazardous material as defined in Federal Standard No. 333, and any revisions thereto during the term of this contract, or any other material or working condition designated by the Contracting Officer’s Technical Representative (COTR) as potentially hazardous and requiring safety controls.

(b) The Occupational Safety and Health Administration (OSHA) is responsible for issuing and administering regulations that require contractors to appraise its employees of all hazards to which they may be exposed in the course of their employment; proper conditions and precautions for safe use and exposure; and related symptoms and emergency treatment in the event of exposure.

(c) Prior to commencement of work, contractors are required to inspect for and report to the contracting officer or designee the presence of, or suspected presence of, any unsafe condition including asbestos or other hazardous materials or working conditions in areas in which they will be working.

(d) If during the performance of the work under this contract, the contractor or any of its employees, or subcontractor employees, discovers the existence of an unsafe condition, the contractor shall immediately notify the contracting officer, or designee, (with written notice provided not later than three (3) working days thereafter) of the existence of an unsafe condition. Such notice shall include the contractor’s recommendations for the protection and the safety of Government, contractor and subcontractor personnel and property that may be exposed to the unsafe condition.

(e) When the Government receives notice of an unsafe condition from the contractor, the parties will agree on a course of action to mitigate the effects of that condition and, if necessary, the contract will be amended. Failure to agree on a course of action will constitute a dispute under the Disputes clause of this contract.

(3) Modifications proposed after the bid opening to make a product conform to a brand name product referenced in the invitation for bids will not be considered.

(End of clause)

2852.233–70 Protests filed directly with the Department of Justice.

As prescribed in 2833.102(d), insert a clause substantially as follows:

PROTESTS FILED DIRECTLY WITH THE DEPARTMENT OF JUSTICE (JAN 1998)

(a) The following definitions apply in this provision:

(1) “Agency Protest Official” means the official, other than the contracting officer, designated to review and decide procurement protests filed with a contracting activity of the Department of Justice.

(2) “Deciding Official” means the person chosen by the protestor to decide the agency protest; it may be either the Contracting Officer or the Agency Protest Official.

(3) “Interested Party” means an actual or prospective offeror whose direct economic interest would be affected by the award of a contract or by the failure to award a contract.

(b) A protest filed directly with the Department of Justice must:

(1) Indicate that it is a protest to the agency.

(2) Be filed with the Contracting Officer.

(3) State whether the protestor chooses to have the Contracting Officer or the Agency Protest Official decide the protest. If the protestor is silent on this matter, the Contracting Officer will decide the protest.
(4) Indicate whether the protestors prefer to make an oral or written presentation of arguments in support of the protest to the deciding official.

(5) Include the information required by FAR 33.103(a)(2):
   (i) Name, address, facsimile number and telephone number of the protestor.
   (ii) Solicitation or contract number.
   (iii) Detailed statement of the legal and factual grounds for the protest, to include a description of resulting prejudice to the protestor.
   (iv) Copies of relevant documents.
   (v) Request for a ruling by the agency.
   (vi) Statement as to the form of relief requested.
   (vii) All information establishing that the protestor is an interested party for the purpose of filing a protest.
   (viii) All information establishing the timeliness of this protest.

(c) An interested party filing a protest with the Department of Justice has the choice of requesting either that the Contracting Officer or the Agency Protest Official decide the protest.

(d) The decision by the Agency Protest Official is an alternative to a decision by the Contracting Officer. The Agency Protest Official will not consider appeals from the Contracting Officer’s decision on an agency protest.

(e) The deciding official must conduct a scheduling conference with the protestor within five (5) days after the protest is filed. The scheduling conference will establish deadlines for oral or written arguments in support of the agency protest and for many officials to present information in response to the protest issues. The deciding official may hear oral arguments in support of the agency protest at the same time as the scheduling conference, depending on availability of the necessary parties.

(f) Oral conferences may take place either by telephone or in person. Other parties may attend at the discretion of the deciding official.

(g) The protestor has only one opportunity to support or explain the substance of its protest. Department of Justice procedures do not provide for any discovery. The deciding official may request additional information from either the agency or the protestor. The deciding official will resolve the protest through informal presentations or meetings to the maximum extent practicable.

(h) An interested party may represent itself or be represented by legal counsel. The Department of Justice will not reimburse the protestor for any legal fees related to the agency protest.

(i) The Department of Justice will stay award or suspend contract Performance in accordance with FAR 33.103(f). The stay or suspension unless over-ridden, remains in effect until the protest is decided, dismissed, or withdrawn.

(j) The deciding official will make a best effort to issue a decision on the protest within twenty (20) days after the filing date. The decision may be oral or written.

(k) The Department of Justice may dismiss or stay proceeding on an agency protest if a protest on the same or similar basis is filed with a protest forum outside the Department of Justice.
