

§ 5201.105

5 CFR Ch. XLII (1–1–16 Edition)

control over the financial interests held in the fund.

(2) Nothing in this section prohibits an employee or the spouse or minor child of an employee from having a financial interest in a pension administered by, or which invests in, a company or other person engaged in mining activities subject to the Mine Safety and Health Act.

Example: A mine inspector who was a former employee of mining company X could continue to participate in mine company X's pension plan without violating this section. However, he would have to disclose the interest on his financial disclosure report. Additionally, the inspector should not inspect or otherwise take official action on a matter affecting mine company X without checking with his ethics advisor to ensure that performance of his official duties would not violate the conflict of interest statute (18 U.S.C. 208) or any other ethics provisions.

(c) *Waiver.* (1) The Assistant Secretary of labor for Mine Safety and Health or the Assistant Secretary's designee may grant an employee a written waiver from the prohibitions contained in paragraph (a) of this section, based on a determination that the waiver is not inconsistent with 5 CFR part 2635 or otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of misuse of position or loss of impartiality, or to ensure confidence in the impartiality and objectivity with which Mine Safety and Health Administration programs are administered.

(2) The Assistant Secretary or the designee shall grant a waiver from the

prohibitions in paragraph (a) of this section regarding spouses and minor children unless the Assistant Secretary or the designee determines that the covered relationship or interest is likely to be inconsistent with 5 CFR part 2635 or is otherwise prohibited by law.

(3) A waiver under this section may be accompanied by appropriate conditions, such as requiring execution of a written statement of disqualification. A waiver may be withdrawn if it is later determined that such waiver does not meet the requirements for the granting of waivers under this paragraph. Notwithstanding the grant of any waiver, a covered employee remains subject to the disqualification requirements of 5 CFR 2635.402 and 2635.502.

(4) Factors which may be considered in connection with the granting or denial of waivers include the nature and extent of the financial interest, and the official position and duties of the employee.

(d) *Pre-existing interests.* Notwithstanding paragraph (a) of this section, an employee of the Mine Safety and Health Administration, and a spouse or minor child of such an employee, may retain financial interests otherwise prohibited by paragraph (a) of this section which were approved in writing under procedures in effect before the effective date of this section, unless the approval is withdrawn, subject to the standards applicable to the withdrawal of waivers under paragraph (c) of this section.
