Under the provisions of 44 U.S.C. 1507, the contents of the CFR, a special edition of the Federal Register, shall be judicially noticed. The CFR is prima facie evidence of the original documents published in the Federal Register (44 U.S.C. 1510).

It is prohibited to use NARA’s official seal and the stylized Code of Federal Regulations logo on any republication of this material without the express, written permission of the Archivist of the United States or the Archivist’s designee. To cite the regulations in this volume use title, part and section number. Thus, 7 CFR 1.1 refers to title 7, part 1, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 as of January 1
- Title 17 through Title 27 as of April 1
- Title 28 through Title 41 as of July 1
- Title 42 through Title 50 as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 2016), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a "List of CFR Sections Affected" is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

"[RESERVED]" TERMINOLOGY

The term "[Reserved]" is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a "[Reserved]" location at any time. Occasionally "[Reserved]" is used editorially to indicate that a portion of the CFR was left vacant and not accidentally dropped due to a printing or computer error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

(a) The incorporation will substantially reduce the volume of material published in the Federal Register.

(b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.

(c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR indexes and tabular guides

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.
An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

AUTHORITY: 5 U.S.C. 301, unless otherwise noted.

Subpart A—Official Records

§ 1.1 Purpose and scope.
This subpart establishes policy, procedures, requirements, and responsibilities for administration and coordination of the Freedom of Information Act (“FOIA”), 5 U.S.C. 552, pursuant to which any person may obtain official records. It also provides rules pertaining to the disclosure of records pursuant to compulsory process. This subpart also serves as the implementing regulations (referred to in §1.3, “Agency implementing regulations”) for the Office of the Secretary (the immediate offices of the Secretary, Deputy Secretary, Under Secretaries and Assistant Secretaries) and for the Office of Communications. The Office of Communications has the primary responsibility for implementation of the FOIA in the Department of Agriculture (“USDA” or “Department”). The term “agency” or “agencies” is used throughout this subpart to include both USDA program agencies and staff offices.

[65 FR 46336, July 28, 2000]

§ 1.2 Policy.

(a) Agencies of USDA shall comply with the time limits set forth in the FOIA and in this subpart for responding to and processing requests and appeals for agency records, unless there are unusual circumstances within the meaning of 5 U.S.C. 552(a)(6)(B) and §1.16(b). An agency shall notify a requester in writing whenever it is unable to respond to or process a request or appeal within the time limits established by the FOIA.

(b) All agencies of the Department shall comply with the fee schedule provided as appendix A to this subpart, with regard to the charging of fees for providing copies of records and related services to requesters.

[65 FR 46337, July 28, 2000]

§ 1.3 Agency implementing regulations.

Each agency of the Department shall promulgate regulations setting forth the following:

(a) The location and hours of operation of the agency office or offices where members of the public may gain access to those materials required by 5 U.S.C. 552(a)(2) and §1.4 to be made available for public inspection and copying.

(b) Information regarding the publication and distribution (by sale or otherwise) of indexes and supplements to
§ 1.4 Public access to certain materials.

(a) In accordance with 5 U.S.C. 552(a)(2), each agency within the Department shall make the following materials available for public inspection and copying (unless they are promptly published and copies offered for sale):

(1) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases;

(2) Those statements of policy and interpretation which have been adopted by the agency and are not published in the Federal Register;

(3) Administrative staff manuals and instructions to staff that affect a member of the public;

(4) Copies of all records, regardless of form or format, which have been released pursuant to a FOIA request under 5 U.S.C. 552(a)(3), and which because of the nature of their subject matter, have become or are likely to become the subject of subsequent requests for substantially the same records. Agencies shall decide on a case by case basis whether records fall into this category, based on the following factors:

(i) Previous experience with similar records;

(ii) The particular characteristics of the records involved, including their nature and the type of information contained in them; and

(iii) The identity and number of requesters and whether there is widespread media, historical, academic, or commercial interest in the records.

(5) A general index of the records referred to in paragraph (a)(4) of this section.

(b) Records encompassed within paragraphs (a)(1) through (a)(5) of this section created on or after November 1, 1996, shall be made available to the public by computer telecommunications or, if computer telecommunications means have not been established by the agency, by other electronic means.

(c) Each agency of the Department shall maintain and make available for public inspection and copying current indexes providing identifying information regarding any matter issued, adopted or promulgated after July 4, 1967, and required by paragraph (a) of this section to be made available or published. Each agency shall publish and make available for distribution copies of such indexes and supplements to such indexes at least quarterly, unless it determines by notice published in the Federal Register that publication would be unnecessary and impracticable. After issuance of such notice, each agency shall provide copies of any index upon request at a cost not to exceed the direct cost of duplication.

(d) Each agency is responsible for preparing reference material or a guide for requesting records or information.
§ 1.5 Requests for records.

(a) Any person who wishes to inspect or obtain copies of any record of any agency of the Department shall submit a request in writing and address the request to the official designated in regulations promulgated by that agency. The requester may ask for a fee waiver. All such requests for records shall be deemed to have been made pursuant to the Freedom of Information Act, regardless of whether the request specifically mentions the Freedom of Information Act. To facilitate processing of a request, the requester should place the phrase “FOIA REQUEST” in capital letters on the front of the envelope or on the cover sheet of the facsimile transmittal.

(b) A request must reasonably describe the records to enable agency personnel to locate them with reasonable effort. Where possible, a requester should supply specific information regarding dates, titles, names of individuals, names of offices, and names of agencies or other organizations that may help identify the records. If the request relates to a matter in pending litigation, the requester should identify the court and its location.

(c) If an agency determines that a request does not reasonably describe the records, the agency shall inform the requester of this fact and extend the requester an opportunity to clarify the request or to confer promptly with knowledgeable agency personnel to attempt to identify the records the requester is seeking. The “date of receipt” in such instances, for purposes of §1.13, shall be the date of receipt of the amended or clarified request.

(d) If a request for records or a fee waiver made under this subpart is denied, the requester shall have the right to appeal the denial. Requesters also may appeal agency determinations of a requester’s status for purposes of fee levels under sec. 5 of appendix A to this subpart. All appeals must be in writing and addressed to the official designated in regulations promulgated by the agency which denied the request. To facilitate processing of an appeal, the requester should place the phrase “FOIA APPEAL” in capital letters on the front of the envelope or on the cover sheet of the facsimile transmittal.

(e) Requests that are not addressed to a specific agency in USDA, or which pertain to more than one USDA agency, or which are sent to the wrong agency of USDA, should be forwarded to the Department’s FOIA Officer in the Office of Communications, U.S. Department of Agriculture, Washington, DC 20250.

(f) The Department FOIA Officer will determine which agency or agencies should process the request, and, where necessary, refer the request to the appropriate agency or agencies. The Department FOIA Officer will also notify the requester of the referral and of the name of each agency to which the request has been referred.

(g) A request will be properly received when it is in the possession of the component agency that has responsibility for maintaining the requested records.
Office of the Secretary, USDA

§ 1.8

(b) Each agency shall develop and maintain a record of all written requests and appeals received in that agency. The record shall include the names of the requester; a brief summary of the information requested; whether the request or appeal was granted, denied, or partially denied; the exemption from mandatory disclosure under 5 U.S.C. 552(b) upon which any denial was based; and the amount of any fees associated with the request or appeal.

[65 FR 46337, July 28, 2000]§ 1.6 Aggregating requests.

When an agency reasonably believes that a requester, or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the agency may aggregate any such requests and charge accordingly. One element that may be considered in determining whether such a belief would be reasonable is the brevity of the time period during which the requests have been made.

[65 FR 46338, July 28, 2000]§ 1.7 Agency response to requests for records.

(a) 5 U.S.C. 552(a)(6)(A)(i) provides that each agency of the Department to which a request for records is submitted in accordance with §1.5(a) shall inform the requester of its determination concerning that request within 20 working days of its date of receipt (excepting Saturdays, Sundays, and legal public holidays), plus any extension authorized under §1.16. If the agency determines to grant the request, it shall notify the requester of any conditions surrounding the granting of the request (e.g., payment of fees) and the approximate date upon which the agency will provide the requested records. If the agency grants only a portion of the request, it shall treat the portion not granted as a denial, and make a reasonable effort to estimate the volume of the records denied and provide this estimate to the requester, unless providing such an estimate would harm an interest protected by an exemption of the FOIA. If the agency determines to deny the request in part or in whole, it shall immediately inform the requester of that decision and provide the following:

(1) The reasons for the denial;
(2) The name and title or position of each person responsible for denial of the request;
(3) The requester’s right to appeal such denial and the title and address of the official to whom such appeal is to be addressed; and
(4) The requirement that such appeal be made within 45 days of the date of the denial.

(b) If the reason for not fulfilling a request is that the records requested are in the custody of another agency outside USDA, other than in the permanent custody of the National Archives and Records Administration (“NARA”), the agency shall inform the requester of this fact and shall forward the request to that agency or Department for processing in accordance with its regulations. If the records are in the permanent custody of NARA, the agency shall inform the requester.

Information about obtaining access to records at NARA may be obtained through the NARA Archival Information Locator (NAIL) Database at http://www.nara.gov/nara.nail.html, or by calling NARA at (301) 713–6800. If the agency has no knowledge of requested records or if no records exist, the agency shall notify the requester of that fact.

[65 FR 46338, July 28, 2000]§ 1.8 Multitrack processing.

(a) When an agency has a significant number of requests, the nature of which precludes a determination within 20 working days, the requests may be processed in a multitrack processing system, based on the date of receipt, the amount of work and time involved in processing the request, and whether the request qualifies for expedited processing.

(b) Agencies may establish as many processing tracks as appropriate; processing within each track shall be based on a first-in, first-out concept, and rank-ordered by the date of receipt of the request.

(c) Agencies may provide a requester whose request does not qualify for the fastest track an opportunity to limit
the scope of the request in order to qualify for a faster track. This multi-track processing system does not lessen agency responsibility to exercise due diligence in processing requests in the most expeditious manner possible.

(d) Agencies shall process requests in each track on a “first-in, first-out” basis, unless there are unusual circumstances as set forth in §1.16, or the requester is entitled to expedited processing as set forth in §1.9.

[65 FR 46338, July 28, 2000]

§ 1.9 Expedited processing.

(a) A requester may apply for expedited processing at the time of the initial request for records. Within ten calendar days of its receipt of a request for expedited processing, an agency shall decide whether to grant it, and shall notify the requester of the decision. Once the determination has been made to grant expedited processing, an agency shall process the request as soon as practicable. If a request for expedited processing is denied, the agency shall act expeditiously on any appeal of that decision.

(b) A request or appeal will be taken out of order and given expedited treatment whenever the agency determines that the requester has established either of the following criteria:

(1) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(2) An urgency to inform the public about an actual or alleged federal government activity, if made by an individual primarily engaged in disseminating information. Representatives of the news media would normally qualify as individuals primarily engaged in disseminating information; however, other requesters must demonstrate that their primary activity involves publishing or otherwise disseminating information to the public as a whole, and not just a particular segment or group. “Urgency” contemplates that the information has a particular value that will be lost if not disseminated quickly. Ordinarily this means a breaking news story of general public interest, information of historical interest, or information sought for litigation or commercial activities would not meet the test of urgency, nor would a news media publication or broadcast deadline unrelated to the news breaking nature of the information.

(c) A requester who seeks expedited processing must provide a written statement that the requester has certified to be true and correct to the best of the requester’s knowledge, explaining in detail the basis for requesting expedited processing. The agency will not consider the request to have been received unless accompanied by a written, certified statement, and will be under no obligation to consider the request for expedited processing until it receives such a written, certified statement.

(d) the same procedures apply to requests for expedited processing of administrative appeals.

§ 1.10 Search services.

Search services are services of agency personnel—clerical or professional—used in trying to find the records, that are responsive to a request. Search services includes both manual and electronic searches and time spent examining records for the purpose of finding information that is within the scope of the request. Search services also include services to transport personnel to places of record storage, or records to the location of personnel for the purpose of the search, if such services are reasonably necessary.

[65 FR 46339, July 28, 2000]

§ 1.11 Review services.

(a) Review services are services of agency personnel—clerical or professional—in examining records, both paper and electronic, located in response to a request that is for a commercial use (as specified in sec. 6 of appendix A to this subpart) to determine whether any portion of any record located is exempt from mandatory disclosure.

(b) Review services include processing any records for disclosure e.g., doing all that is necessary to redact exempt portions and otherwise prepare records for release.
(c) Review services do not include the time spent resolving general legal or policy issues regarding the application of exemptions.

§ 1.12 Handling information from a private business.

Each USDA agency is responsible for making the final determination with regard to the disclosure or nondisclosure of information in agency records that has been submitted by a business. When, in the course of responding to an FOIA request, an agency cannot readily determine whether the information obtained from a person is privileged or confidential business information, the policy of USDA is to obtain and consider the views of the submitter of the information and to provide the submitter an opportunity to object to any decision to disclose the information. If a request (including a subpoena duces tecum as described in §1.215) is received in USDA for information that has been submitted by a business, the agency shall:

(a) Provide the business information submitter with prompt notification of a request for that information (unless it is readily determined by the agency that the information requested should not be disclosed or, on the other hand, that the information is not exempt by law from disclosure). Afford business information submitter reasonable time in which to object to any disclosure. The submitter must explain fully all grounds upon which disclosure is opposed. For example, if the submitter maintains that disclosure is likely to cause substantial harm to it competitive position, the submitter must explain item-by-item why disclosure would cause such harm. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under FOIA;

(b) Notify the requester of the need to inform the submitter of a request for submitted business information;

(c) Determine whether the requested records are exempt from disclosure or must be released;

(d) Provide business information submitters with notice of any determination to disclose such records prior to the disclosure date, in order that the matter may be considered for possible judicial intervention; and

(e) Notify business information submitters promptly of all instances in which FOIA requesters bring suit seeking to compel disclosure of submitted information.

[65 FR 46339, July 28, 2000]

§ 1.13 Date of receipt of requests or appeals.

The date of receipt of a request or appeal shall be the date it is received in the agency and office responsible for the administrative processing of FOIA requests or appeals.

[65 FR 46339, July 28, 2000]

§ 1.14 Appeals.

(a) Requesters seeking administrative appeal of a denial of a request for records or denial of a fee waiver must ensure that the appeal is received by the agency within 45 days of the date of the denial letter.

(b) Each agency shall provide for review of appeals by an official different from the official or officials designated to make initial denials.

(c) 5 U.S.C. 552(a)(6)(A)(ii) provides that each agency in the Department to which an appeal of a denial is submitted shall inform the requester of its determination concerning that appeal within 20 working days (excepting Saturdays, Sundays, and legal public holidays), plus any extension authorized by §1.16, of its date of receipt. If the agency determines to grant the appeal, it shall inform the requester of any conditions surrounding the granting of the request (e.g., payment of fees) and the approximate date upon which compliance will be effected. If the agency grants only a portion of the appeal, it shall treat the portion not granted as a denial. If it determines to deny the appeal either in part or in whole, it shall inform the requester of that decision and of the following:

(1) The reasons for denial; and

(2) The name and title or position of each person responsible for denial of the appeal; and

(3) The right to judicial review of the denial in accordance with 5 U.S.C. 552(a)(4).
§ 1.15

(d) Each agency, upon a determination that it wishes to deny an appeal, shall send a copy of the records requested and of all correspondence relating to the request to the Assistant General Counsel, General Law Division, Office of the General Counsel ("Assistant General Counsel"). When the volume of records is so large as to make sending a copy impracticable, the agency shall enclose an informative summary of those records. The agency shall not deny an appeal until it receives concurrence from the Assistant General Counsel.

(e) The Assistant General Counsel shall promptly review the matter (including necessary coordination with the agency) and render all necessary assistance to enable the agency to respond to the appeal within the administrative deadline or any extension of the administrative deadline.

(65 FR 46339, July 28, 2000)

§ 1.15 General provisions respecting release of records.

(a) When releasing documents, agencies shall provide the record in any form or format the requester specifies, if the record is readily reproducible in that form or format. Agencies shall make reasonable efforts to maintain their records in forms or formats that are reproducible. In responding to requests for records, agencies shall make reasonable efforts to search for records in electronic form or format, except when such efforts would significantly interfere with the operation of an agency’s automated information system. Such determinations shall be made on a case-by-case basis.

(b) In the event a requested record contains some portions that are exempt from mandatory disclosure and others that are not, the official responding to the request shall ensure that all reasonably segregable non-exempt portions are disclosed, and that all exempt portions are identified according to the specific exemption or exemptions which are applicable. The amount of deleted information shall be indicated on the released portion of paper records. Deletions may be marked by use of brackets or darkened areas indicating removal of information, or by any other method that would reasonably demonstrate the extent of the deletion. In the case of electronic deletion, or deletion in audiovisual or microfiche records, if technically feasible, the amount of redacted information shall be indicated at the place in the records, if technically feasible, the amount of redacted information shall be indicated at the place in the record where such deletion was made. This may be done by use of brackets, shaded areas, or some other identifiable technique which will clearly show the limits of the deleted information.

(c) If, in connection with a request or an appeal, a charge is to be made in accordance with sec. 8 of appendix A to this subpart, agencies shall inform the requester of the fee amount and of the basis for the charge. Each agency, in accordance with sec. 8 of appendix A to this subpart, may require payment of the entire fee, or a portion of the fee, before it provides the requested records. An agency shall require full payment of any delinquent fee owed by the requester plus any applicable interest prior to releasing records on a subsequent request or appeal. If a requester refuses to remit payment in advance, an agency may refuse to process the request or appeal with written notice to that effect forwarded to the requester. The “date of receipt” appeal for which advance payment has been required shall be the date that payment is received.

(d) In the event compliance with the request or appeal involves inspection of records by the requester rather than providing copies of the records, the agency response shall include the name, mailing address, and telephone number of the person to be contacted to arrange a mutually convenient time for such inspection.

(e) Whenever duplication fees, or search fees for unsuccessful searches (see sec. 4(f) of appendix A to this subpart), are anticipated to exceed $25.00, and the requester has not indicated, in advance, a willingness to pay fees as high as those anticipated, agencies shall notify the requester of the amount of the anticipated fee. If an extensive and therefore costly successful search is anticipated, agencies also
should notify requesters of the anticipated fees. The notification shall offer the requester the opportunity to confer with agency personnel to reform the request to meet the requester's needs at a lower fee. In appropriate cases, an advance deposit in accordance with sec. 8 of appendix A to this subpart may be required.

§ 1.16 Extension of administrative deadlines.

(a) In unusual circumstances as specified in this section, when additional time is needed to respond to the initial request or to an appeal, agencies shall acknowledge the request or the appeal in writing within the 20 working day time period, describe the unusual circumstances requiring the delay, and indicate the anticipated date for a substantive response that may not exceed 10 additional working days, except as provided in the following:

(1) In instances in which the agency, with respect to a particular request, has extended the response date by 10 additional working days, if the agency finds that it cannot make a response determination within the additional 10 working day period, the agency shall notify the requester and provide the requester an opportunity to limit the scope of the request to allow the agency to process the request within the extended time limit, or an alternative time frame for processing the request or a modified request.

(2) If the requester refuses to reasonably modify the request or arrange for an alternative time frame for processing the request, the FOIA provides that such refusal shall be considered as a factor in determining whether there are exceptional circumstances that warrant granting additional time for the agency to complete its review of the records, as set forth in 5 U.S.C. 552(a)(6)(C)(i). The term “exceptional circumstances” does not include a delay that results from a predictable agency backlog, unless the agency demonstrates reasonable progress in reducing its backlog of pending requests.

(b) As used in this section, “unusual circumstances” that may justify delay are:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another Department or agency having a substantial interest in the determination of the request or among two or more components of agency having substantial subject-matter interest in the request.

NOTE TO PARAGRAPH (b): Consultation regarding policy or legal issues between an agency and the Office of the General Counsel, Office of Communications, or the Department of Justice is not a basis for extension under this section.

(c) The 10-day extension authorized by this section may be divided between the initial and appellate reviews, but in no event shall the total extension exceed 10 working days.

(d) Nothing in this section shall preclude the agency and the requester from agreeing to an extension of time. Any such agreement should be confirmed in writing and should specify clearly the total time agreed upon.

§ 1.17 Failure to meet administrative deadlines.

In the event an agency fails to meet the administrative deadlines set forth in §1.7 or §1.14, plus any extension authorized by §1.16, it shall notify the requester, state the reasons for the delay, and the date by which it expects to dispatch a determination. Although the requester may be deemed to have exhausted his or her administrative remedies under 5 U.S.C. 552(a)(6)(C), the agency shall continue processing the request as expeditiously as possible and dispatch the determination when it is reached in the same manner and form as if it had been reached within the applicable deadline.
§ 1.18 Fee schedule.

Pursuant to §2.28 of this title, the Chief Financial Officer is delegated authority to promulgate regulations providing for a uniform fee schedule applicable to all agencies of the Department regarding requests for records under this subpart. The regulations providing for a uniform fee schedule are found in appendix A to this subpart.

§ 1.19 Exemptions and discretionary release.

(a) All agency records, except those specifically exempted from mandatory disclosure by one or more provisions of 5 U.S.C. 552(b), shall be made promptly available to any person submitting a request under this subpart.

(b) Agencies are authorized, in their sole discretion, to make discretionary releases when such release is otherwise specifically prohibited by Executive Order, statute, or regulation.

(1) The number of requests for records received and the number of requests which were processed;

(2) The number of determinations made not to comply with initial requests for records made to it under §1.5(a), and the reasons for each such determination;

(3) The number of appeals made by persons under §1.14(b), the result of such appeals, and the reason for the action upon each appeal that results in a denial of information.

(4) A complete list of all statutes that the agency relies upon to authorize the agency to withhold information under 5 U.S.C. 552(b)(3), a description of whether a court has upheld the decision of the agency to withhold information under each such statute, and a concise description of the scope of any information withheld;

(5) The number of requests for records pending before the agency as of September 30 of the preceding year, and the median number of days that such requests had been pending before the agency as of that date;

(6) The median number of days taken by the agency to process different types of requests;

(7) The total amount of fees collected by the agency for processing requests;

(8) The number of full-time staff of the agency devoted to processing requests for records under this section, and the total amount expended by the agency for processing such requests.

(b) Each agency shall compile the information required by paragraph (a) of this section for the preceding fiscal year into a report and submit this report to the Director of Communications, Office of Communications, no later than November 30 following the fiscal year’s close.

(c) The Director of Communications, Office of Communications, shall combine the reports from all the agencies within USDA into a Departmental report, and shall submit to the Attorney General on or before February 1 of each year in accordance with 5 U.S.C. 552(e).

(d) Each agency shall make the report available to the public including by computer telecommunications, or if computer telecommunications means have not been established by the agency, by other electronic means.

§ 1.21 Compilation of new records.

Nothing in 5 U.S.C. 552 or this subpart requires that any agency create a new record in order to fulfill a request for records. However, an agency is required to provide a record in a form or format specified by a requester, if the record is readily reproducible by the agency in the form or format requested. Creation of records may be undertaken voluntarily if the agency determines this action to be in the public interest or the interest of USDA.

APPENDIX A TO SUBPART A OF PART 1—FEE SCHEDULE

Section 1. General.

This schedule sets forth fees to be charged for providing copies of records—including photographs, microfilm, maps and mosaics, and related services—under the Freedom of Information Act (FOIA). Records and related services are available at the locations specified by agencies in their FOIA implementing regulations. The fees set forth in this schedule are applicable to all agencies of the Department of Agriculture, and are based upon guidelines prescribed by the Office of Management and Budget (OMB) issued at 52 FR 10012 (March 27, 1987). No higher fees or charges in addition to those provided for in this schedule may be charged a party requesting services under the Freedom of Information Act.

Section 2. Types of services for which fees may be charged.

Subject to the criteria set forth in section 5 of this appendix, fees may be assessed under the Freedom of Information Act on all requests involving such services as record search, duplication, and review. Fees may also be charged in situations involving special service to a request, such as certifying that records requested are true copies, or sending records by special methods such as express mail, etc. For services not covered by the FOIA or by this appendix, agencies may set their own fees in accordance with applicable law, or costs incurred will be assessed the requester at the actual cost to the Government. For example, where records are required to be shipped from one office to another by commercial carrier in order to timely answer a request, the actual freight charge will be assessed the requester.

Section 3. Instances in which fees will not be charged.

(a) Except for requests seeking records for a commercial use (as specified in section 5 of this appendix), no charge shall be made for either: (1) The first 100 pages of duplicated records (8½" × 14" or smaller-size paper); or (2) The first two hours of manual search time, or the equivalent value of computer search time as defined in section 4(e) of this appendix.

(b) No charge shall be made—even to commercial use requesters—if the cost of collecting a fee would be equal to or greater than the fee itself. For USDA, this figure has been calculated to be $25.00.

(c) Fees may not be charged for time spent by an agency employee in resolving legal or policy issues, or in monitoring a requester’s inspection of agency records. No charge shall be made for normal postage costs.

(d) Records shall also be furnished without charge under the following conditions:

(1) When filling requests from other Departments or Government agencies for official use, provided quantities requested are reasonable in number;

(2) When members of the public provide their own copying equipment, in which case no copying fee will be charged (although search and review fees may still be assessed); or

(3) When any notices, decisions, orders, or other materials are required by law to be served on a party in any proceeding or matter before any Department agency.

Section 4. Fees for records and related services.

(a) The fee for photocopies of pages 8½" × 14" or smaller shall be $0.20 per page (per individual side of sheet).

(b) The fee for photocopies larger than 8½" × 14" shall be $0.50 per linear foot of the longest side of the copy.

(c) The fee for other forms of duplicated records, such as microform, audio-visual materials, or machine-readable documentation (i.e., magnetic tape or disk), shall be the actual direct cost of producing the records.

(d) Manual searches shall be charged for in one of the two following manners in the given order:

(1) When feasible, at the salary rate of the employee conducting the search, plus 16 percent of the employee’s basic pay; or

(2) Where a homogeneous class of personnel is used exclusively, at the rate of $10.00 per hour for clerical time, and $20.00 per hour for supervisory or professional time. Charges should be computed to the nearest quarter hour required for the search. A homogeneous class of personnel, for purposes of conducting manual searches and where more than one individual is involved, is a group of employees of like rank, grade, pay or position. A heterogeneous class of personnel is a group of employees of unlike rank, grade, pay, or position. If a heterogeneous class of personnel is involved in a search then the search shall be charged for at the salary rate of the individuals.

(e) Mainframe computer searches and services shall be charged for at the rates established in the Users Manual or Handbook published by the computer center at which the work will be performed. Where the rate has not been established, the rate shall be $25.00 per minute. Searches using computers other than mainframes shall be charged for at the manual search rate.

(1) Other rates are published and may be examined at the following places:

(f) Charges for unsuccessful searches, or searches which fail to locate records or which locate records which are exempt from disclosure, shall be assessed at the same fee rate as searches which resulted in disclosure of records.

(g) The fee for providing review services shall be the hourly salary rate (i.e., basic pay plus 16 percent) of the employee conducting the review to determine whether any information is exempt from mandatory disclosure.

(h) The fee for Certifications shall be $5.00 each; Authentications under Department Seal (including aerial photographs), $10.00 each.

(i) All other costs incurred by USDA agencies will be assessed the requester at the actual cost to the Government.

(j) The fees specified in paragraphs (a) through (g) of this section apply to all requests for services under the FOIA, unless no fee is to be charged, or the agency has determined to waive or reduce those fees pursuant to section 6 of this appendix. No higher fees or charges in addition to those provided for in this appendix may be charged for services under the FOIA.

(k) The fees specified in paragraphs (h) and (i) of this section and in section 17 of this appendix apply to requests for services other than those subject to the FOIA. The authority for establishment of these fees is at 31 U.S.C. 9701 and other applicable laws.

(l) Except as provided in section 11 of this appendix, for services not subject to the FOIA, and not covered by paragraph (h) of this section, agencies may set their own fees in accordance with applicable law.

Section 5. Levels of fees for each category of requesters.

Under the FOIA there are four categories of FOIA requesters: Commercial use requesters, educational and non-commercial scientific institutions; representatives of the news media, and all other requesters. FOIA prescribes specific levels of fees for each category:

(a) Commercial use requesters—For commercial use requesters, agencies shall assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating the records sought. Commercial use requesters are not entitled to the free search time or duplication referenced in section 3(a) of this appendix. Agencies may recover the cost of searching for and reviewing records for commercial use requesters even if there is ultimately no disclosure of records.

(1) A commercial use requester is defined as one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made.

(2) In determining whether a requester properly belongs in this category, agencies must determine whether the requester will put the records to a commercial use. Where an agency has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the agency may seek additional clarification from the requester.

(b) Educational and non-commercial scientific institution requesters—Fees for this category of requesters shall be limited to the cost of providing duplication service alone, minus the charge for the first 100 reproduced pages. No charge shall be made for search or review services. To qualify for this category, requesters must show that the request is being made as authorized by and under the auspices of an eligible institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly research (if the request is from an educational institution) or scientific research (if the request is from a non-commercial scientific institution).

(1) The term educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research (see section 5(a)(1)) of this appendix basis, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(2) The term non-commercial scientific institution refers to institution that is not operated on a "commercial" (see section 5(a)(1)) of this appendix basis, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(c) Requesters who are representatives of the news media—Fees for this category of requesters shall also be limited to the cost of providing duplication service alone, minus the charge for the first 100 reproduced pages. No charge shall be made for providing search or review services. Requests in this category must not be made for a commercial use.
(1) The term representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public.

(2) The term news media includes television or radio stations broadcasting to the public at large, and publishers of periodicals which disseminate news and who make their products available for purchase or subscription by the general public.

(3) freelancer journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(4) All other requesters—Fees for requesters who do not fit into the categories described in paragraphs (a), (b), or (c) of this section shall be assessed for the full reasonable direct cost of searching for and duplicating records that are responsive to a request. No charge, however, shall be made to requesters in this category for: (1) The first 100 duplicated pages; or (2) the first two hours of manual search time, or the equivalent value of computer search time as defined in section 4(e) of this appendix.

Section 6. Fee waivers and reductions.

(a) Agencies shall waive or reduce fees on request for records if disclosure of the information in the records is deemed to be in the public interest. A request is in the public interest if it is likely to contribute significantly to public understanding of the operations or activities of the government, and is not primarily in the commercial interest of the requester.

(i) In determining when fees shall be waived or reduced, agencies should consider the following six factors:

(ii) The subject of the request, i.e., whether the subject of the requested records concerns the operations or activities of the government;

(iii) The informative value of the information to be disclosed, i.e., whether the disclosure is likely to contribute to an understanding of government operations or activities;

(iv) The contribution to an understanding of the subject by the general public likely to result from disclosure, i.e., whether disclosure of the requested information will contribute to "public understanding";

(v) The existence and magnitude of a commercial interest, i.e., whether the requester has a commercial interest that would be furthered by the requested disclosure; and,

(vi) The primary interest in disclosure, i.e., whether the magnitude of the identified commercial interest of the requestor is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester."

(2) An agency may, in its discretion, waive or reduce fees associated with a request for disclosure, regardless of whether a waiver or reduction has been requested, if the agency determines that disclosure will primarily benefit the general public.

(3) Agencies may also waive or reduce fees under the following conditions:

(i) Where the furnishings of records or a service without charge or at a reduced rate is an appropriate courtesy to a foreign country or international organization, or where comparable fees are set on a reciprocal basis with a foreign country or an international organization;

(ii) Where the requester is engaged in a nonprofit activity designed for the public safety, health, or welfare;

(iii) Where it is determined that payment of the full fee by a State or local government or nonprofit group would not be in the interest of the program involved;

(iv) Fees shall be waived, however, without discretion in all circumstances where the amount of the fee is $25.00 or less.

Section 7. Restrictions regarding copies.

(a) Agencies may restrict numbers of photocopies and directives furnished the public to one copy of each page. Copies of forms provided to the public shall also be held to the minimum practical. Persons requiring any large quantities should be encouraged to take single copies to commercial sources for further appropriate reproduction.

(b) Single or multiple copies of transcripts, provided to the Department under a reporting service contract, may be obtained by the public from the contractor at a cost not to exceed the cost per page charged to the Department for extra copies. The contractor may add a postage charge when mailing orders to the public, but no other charge may be added.

Section 8. Payments of fees and charges.

(a) Payments should be billed for to the fullest extent possible at the time the requested materials are furnished. Payments should be made by requesters within 30 days of the date of the billing.

(b) Payments shall be made by check, draft, or money order made payable to the Treasury of the United States, although payments may be made in cash, particularly where services are performed in response to a visit to a Department office. All payments should be sent to the address indicated by the agency responding to the request.
Office of the Secretary, USDA

(c) Where the estimated fees to be charged exceed $250.00, agencies may require an advance payment of an amount up to the full estimated charges (but not less than 50 percent) from the requester before any of the requested materials are reproduced.

(d) In instances where a requester has previously failed to pay a fee, an agency may require the requester to pay the full amount owed, plus any applicable interest as provided in section 9 of this appendix, as well as the full estimated fee associated with any new request before the agency begins to process that new or subsequent request.

Section 9. Interest charges.

On requests that result in fees being assessed, agencies may begin levying interest charges on an unpaid bill starting on the 31st day following the day on which the billing was sent. Interest will be at the rate prescribed in 31 U.S.C. 3717, and will accrue from the date of the billing.

Section 10. Effect of the Debt Collection Act on fees.

In attempting to collect fees levied under the FOIA, agencies shall abide by the provisions of 31 U.S.C. 3701, 3711–3720A, in disclosing information to consumer reporting agencies and in the use of collection agencies, where appropriate, to encourage payment.

Section 11. Photographic and digital reproductions of microfilm, aerial imagery, and maps.

Microfilm, aerial imagery, and maps that have been obtained in connection with the authorized work of this Department may be sold at the estimated cost of furnishing reproductions of these records, using photographic, digital, or other methods of reproduction as prescribed in this appendix.

Section 12. Agencies which furnish photographic reproductions.

(a) Aerial Photographic reproductions. The following agency of the Department furnishes aerial photographic reproductions:

Farm Service Agency (FSA), Aerial Photography Field Office (APFO), USDA, 2222 West 2300 South, Salt Lake City, Utah 84119-2020.

(b) Other photographic reproductions. Other types of reproductions may be obtained from the following agency of the Department:

National Agricultural Library, Agricultural Research Service, USDA, Office of the Deputy Director, Technical Information Systems, Room 200, NAL Building, Beltsville, MD 20705.

Section 13. Circumstances under which reproductions may be provided free.

Reproductions may be furnished free at the discretion of the agency, if it determines that furnishing free reproductions is in the public interest, to:

(a) Representatives of the news media for dissemination to the general public.

(b) Agencies of State and local governments carrying on a function related to that of the Department when it will help to accomplish an objective of the Department.

(c) Cooperators and others furthering agricultural programs. Generally, only one print of each photograph should be provided free.

Section 14. Loans.

Aerial photographic film negatives or reproductions may not be loaned outside the Federal Government.

Section 15. Sales of positive prints under government contracts.

The annual contract for furnishing single and double frame slide film negatives and positive prints to agencies of the Department, County Extension Agents, and others cooperating with the Department, carries a stipulation that the successful bidder must agree to furnish slide film positive prints to such persons, organizations, and associations as may be authorized by the Department to purchase them.

Section 16. Procedure for handling orders.

In order to expedite handling, all orders should contain adequate identifying information. Agencies furnishing aerial photographic reproductions require that all such orders identify the photographs. Each agency has its own procedure and order forms.

Section 17. Reproduction prices.

The prices for reproductions listed in this section are for the most generally requested items.

(a) National Agricultural Library. The following prices are applicable to National Agricultural Library items only: Reproduction of electrostatic, microfilm, and microfiche copy—$5.00 for the first 10 pages or fraction thereof, and $3.50 for each additional 10 pages or fraction thereof. Duplication of NAL-owned microfilm—$10.00 per reel. Duplication of NAL-owned microfiche—$5.00 for the first fiche, and $0.50 for each additional fiche. Charges for manual and automated data base searches for bibliographic or other research information will be made in accordance with section 4, paragraphs (c)-(e) of this appendix.

(b) Other photographic reproductions. Other types of reproductions may be obtained from the following agency of the Department:

National Agricultural Library, Agricultural Research Service, USDA, Office of the Deputy Director, Technical Information Systems, Room 200, NAL Building, Beltsville, MD 20705.
§ 1.26 Representation before the Department of Agriculture.

(b) Administrative provisions. (1) In any hearing or other proceeding before the Department of Agriculture, the parties may appear in person or by counsel or

other representative. Persons who appear as counsel or in a representative capacity in any hearing or proceeding must conform to the standards of ethical conduct required of practitioners before the U.S. District Court for the District of Columbia, and to any applicable standards of ethical conduct established by statutes, executive orders and regulations.

(2) Whenever the Secretary finds, after notice and opportunity for hearing, that a person who is acting or has acted as counsel or representative in any hearing or other proceeding before the Department has not conformed to any such standards of ethical conduct, the Secretary may order that such person be precluded from acting as counsel or representative in any hearing or other proceeding before the Department for such period of time as the Secretary deems warranted. Whenever the Secretary has probable cause to believe that any person who is acting or has acted as counsel or representative in any such hearing or other proceeding has not conformed to any such standards of ethical conduct, the Secretary may, by written notice to such person, suspend the person from acting as such a counsel or representative pending completion of the procedures specified in the preceding sentence.

(3) No employee or former employee of the Department shall be permitted to represent any person before the Department in connection with any particular matter as to which by reason of employment with the Department the employee or former employee acquired personal knowledge of such a nature that it would be improper, unethical, or contrary to the public interest for the employee or former employee so to act.

(4) This section shall not be construed to prevent an employee or former employee of the Department from appearing as a witness in any hearing or other proceeding before the Department.

(18 U.S.C. 203, 205, 207)

§ 1.27 Rulemaking and other notice procedures.

(a) This section shall apply to:

(1) Notices of proposed rulemaking;
(2) Interim final rules;
(3) Advance notices of proposed rulemaking; and
(4) Any other published notice that solicits, or affords interested members of the public an opportunity to submit, written views with respect to any proposed action relating to any program administered in the Department regardless of the fact that the issuance of a rule may not be contemplated.

(b) Each notice identified in paragraph (a) of this section shall indicate the procedure to be followed with respect to the notice, unless the procedure is prescribed by statute or by published rule of the Department. Each notice shall contain a statement that advises the public of the policy regarding the availability of written submissions by indicating whether paragraph (c), (d), or (e) of this section is applicable to written submissions made pursuant to the notice.

(c) All written submissions made pursuant to the notice shall be made available for public inspection at times and places and in a manner convenient to the public business.

(d)(1) Any written submission, pursuant to a notice, may be held confidential if the person making the submission requests that the submission be held confidential, the person making the submission has shown that the written submission may be withheld under the Freedom of Information Act, and the Department official authorized to issue the notice determines that the submission may be withheld under the Freedom of Information Act.

(2) If a request is made in accordance with paragraph (d)(1) of this section for confidential treatment of a written submission, the person making the request shall be informed promptly in the event the request is denied and afforded an opportunity to withdraw the submission.

(3) If a determination is made to grant a request for confidential treatment under paragraph (d)(1) of this section, a statement of the specific basis for the determination that will not be susceptible of identifying the person making the request will be made available for public inspection.
(e) If the subject of the notice is such that meaningful submissions cannot be expected unless they disclose information that may be withheld under the Freedom of Information Act, the notice shall so indicate and contain a statement that written submissions pursuant to the notice will be treated as confidential and withheld under the Freedom of Information Act. Provided, That the policy regarding availability of written submissions set forth in this paragraph may only be used with the prior approval of the Secretary, or the Under Secretary or Assistant Secretary that administers the program that is the subject of the notice.

§ 1.28 Petitions.

Petitions by interested persons in accordance with 5 U.S.C. 553(e) for the issuance, amendment or repeal of a rule may be filed with the official that issued or is authorized to issue the rule. All such petitions will be given prompt consideration and petitioners will be notified promptly of the disposition made of their petitions.

§ 1.29 Subpoenas relating to investigations under statutes administered by the Secretary of Agriculture.

(a) Issuance of subpoena. (1) When the Secretary is authorized by statute to issue a subpoena in connection with an investigation being conducted by the Department, the attendance of a witness and the production of evidence relating to the investigation may be required by subpoena at any designated place, including the witness’ place of business. Upon request of any representative of the Secretary involved in connection with the investigation, the subpoena may be issued by the Secretary, the Inspector General, or any Department official authorized pursuant to part 2 of this title to administer the program to which the subpoena relates, if the official who is to issue the subpoena is satisfied as to the reasonableness of the grounds, necessity, and scope of the subpoena. Except as provided in paragraph (a)(2) of this section, the authority to issue subpoenas may not be delegated or redelegated by the head of an agency.

(2) The Administrator, Grain Inspection, Packers and Stockyards Administration, may delegate the authority to issue subpoenas in connection with investigations being conducted under the Packers and Stockyards Act (7 U.S.C. 161–229), to the Deputy Administrator, Packers and Stockyards Programs.

(3) In the case of a subpoena issued under the Animal Health Protection Act (7 U.S.C. 8301–8317), Plant Protection Act (7 U.S.C. 7701–7772), or Title V of the Agricultural Risk Protection Act of 2000 (7 U.S.C. 2279e–2279f), the subpoena will be reviewed for legal sufficiency by the Office of the General Counsel, USDA.

(b) Service of subpoena. (1) A subpoena issued pursuant to this section may be served by:

(i) A U.S. Marshal or Deputy Marshal,

(ii) Any other person who is not less than 18 years of age, or

(iii) Certified or registered mailing of a copy of the subpoena addressed to the person to be served at his, her, or its last known residence or principal place of business or residence.

(2) Proof of service may be made by the return of service on the subpoena by the U.S. Marshal, or Deputy Marshal; or, if served by an individual other than a U.S. Marshal or Deputy Marshal, by an affidavit or certification of such person stating that he or she personally served a copy of the subpoena upon the person named in the subpoena; or, if service was by certified or registered mail, by the signed Postal Service receipt.

(3) In making personal service, the person making service shall leave a copy of the subpoena with the person subpoenaed; and the original, bearing or accompanied by the required proof of service, shall be returned to the official who issued the subpoena.

Subpart C—Judicial Proceedings

§ 1.41 Service of process.

Process in any suit brought in Washington, District of Columbia, against the United States or any officer of the U.S. Department of Agriculture in any matter involving the activities of this Department, shall be served on the General Counsel of the Department. A U.S. Marshal or other process server attempting to serve process in such a suit on any officer of the Department shall be referred to the Office of the General Counsel, in order that service of process may be made. In the event an officer of the Department of Agriculture is served with process in such a suit, the officer shall immediately notify the General Counsel. Any subpoena, summons, or other compulsory process requiring an officer or employee to give testimony, or to produce or disclose any record or material of the U.S. Department of Agriculture, shall be served on the officer or employee of the U.S. Department of Agriculture named in the subpoena, summons, or other compulsory process.

Subpart D—Claims

§ 1.51 Claims based on negligence, wrongful act or omission.

(a) Authority of the Department. Under the provisions of the Federal Tort Claims Act (FTCA), as amended, 28 U.S.C. 2671–2680, and the regulations issued by the Department of Justice (DOJ) contained in 28 CFR part 14, the United States Department of Agriculture (USDA) may, subject to the provisions of the FTCA and DOJ regulations, consider, ascertain, adjust, determine, compromise, and settle claims for money damages against the United States for personal injury, death, or property loss or damage caused by the negligent or wrongful act or omission of any employee of USDA while acting within the scope of his or her office or employment, under circumstances where the United States, if it were a private person, would be liable, in accordance with the law of the place where the act or omission occurred.

(b) Procedure for filing claims. Claims must be presented by the claimant, or by his or her duly authorized agent or legal representative as specified in 28 CFR 14.3. Standard Form 95, Claim for Damage or Injury, may be obtained from the agency within USDA that employs the employee who allegedly committed the negligent or wrongful act or omission. The completed claim form, together with appropriate evidence and information, as specified in 28 CFR 14.4, shall be filed with the agency from which it was obtained.

(c) Determination of claims—(1) Delegation of authority to determine claims. The General Counsel, and such employees of the Office of the General Counsel as may be designated by the General Counsel, are hereby authorized to consider, ascertain, adjust, determine, compromise, and settle claims pursuant to the FTCA, as amended, and the regulations contained in 28 CFR part 14 and in this section.

Subpart E—Cooperative Production of Television Films

SOURCE: 22 FR 2904, Apr. 25, 1957, unless otherwise noted.

§ 1.71 Purpose.

This subpart establishes procedures for developing special working relationships with the Department of Agriculture requested by producers of films for television use. These procedures are designed to guide Department employees and producers of commercial television pictures in entering into such arrangements.

§ 1.72 Policy.

(a) General. It is a basic policy of the Department of Agriculture to make information freely available to the public.

(b) Cooperation with television film producers. The Department recognizes that
§ 1.73 Responsibility.

The Director of Information or his designee will be the authority for the approval of special working relationships on the part of the Department of Agriculture and its agencies. The Director or his designee shall not commit the Department to such special arrangements without proper concurrence and coordination with interested agencies and approval by the appropriate Assistant Secretary or Group Director.

§ 1.74 Basis for special working relationships.

The Department and its agencies may lend special assistance on television films when it is clearly evident that public interests are served. Where special assistance is sought, an individual cooperative agreement will be drawn up between the Department with the Director of Information as its agent, and the producer. Details on such assistance as reviewing stories and scripts, loan of material, arrangements for locations, use of official motion picture footage, assignment of technical advisors and similar aids will be covered in the agreement, which shall delineate the general stipulations listed in §1.75.

§ 1.75 General stipulations.

In requesting special working arrangements the producer must agree to the following stipulations:

(a) The producer must show that he has legal authority to the literary property concerned.

(b) The producer must show access to a distribution channel recognized by the motion picture or television industry. In lieu of complete distribution plans for a television series, a producer must produce satisfactory evidence of financial responsibility (showing financial resources adequate for the defrayment of costs for the proposed undertaking).

(c) The commercial advertising of any show produced, using oral or written rights granted to the producer, shall not indicate any endorsement, either direct or implied, by the U.S. Department of Agriculture or its agencies, of the sponsor's product.

(d) Commercial sponsorship shall be only by a person, firm, or corporation acceptable under the terms of the 1954 Television Code of the National Association of Radio and Television Broadcasters, and all subsequent amendments thereto. Political sponsorship shall not be permitted.

(e) That no production costs shall be chargeable to the U.S. Department of Agriculture.

(f) That such cooperation will not interfere with the conduct of Department programs.

(g) All damages, losses and personal liability incurred by producer will be his responsibility.

(h) That mutual understanding and agreement will be reached upon story, script and film treatment with the Department before film production is begun.
§ 1.76 Department cooperation.
When the producer agrees to meet the above stipulations to the satisfaction of the Director of Information, the U.S. Department of Agriculture and its agencies will be available for consultation on story ideas and give guidance through the services of a technical advisor to insure technical authenticity. Equipment, locations, and personnel will be available to the extent that such availability is concurrent with normal and usual conduct of the operations of the Department. The Department will check and work with the cooperators to arrange shooting schedules in order to avoid interferences with working schedules.

§ 1.77 Assignment of priorities.
(a) Authority. (1) The Director of Information or his designee will make assignment of priorities for the U.S. Department of Agriculture for a television film company’s and/or individual producer’s story treatment of the subject matter, but no such priority shall limit use of the subject matter itself.
(2) A priority will be given in writing upon acceptance in writing by the producer of the stipulations in § 1.75(b). The U.S. Department of Agriculture will hold the producer’s treatment of the story material in confidence until the producer has made a public release pertaining to the subject.
(b) Time and scope. A priority will be given on the producer’s story treatment for an agreed upon period of time. Requests for cooperation with similar or conflicting ideas and backgrounds will be considered only after holder of the first priority has used the agreed upon time to develop the materials.
(1) Details on priorities will be written into the agreements.
(2) The Director of Information will retain the right to cancel priorities when the producer at any stage violates the provisions of the regulations or of a particular agreement, or when public interest is no longer served.
(3) No priority will be canceled until the producer has had an opportunity to appear before the Secretary of Agriculture or his designee.

§ 1.78 Development of special working relationships.
(a) Preliminary. Prior to the submittal of a script or the rendering of an agreement, assistance may be given by the Department or one of its agencies in outlining story plans, visits to field points, and other incidentals that will assist the producer in determining his course of action.
(b) Request for special working arrangements. Once the decision is made to go ahead with an agreement, either the interested agency or the producer will make a written submission to the Director of Information, requesting that special working arrangements be established.
(1) In submitting scripts prior or subsequent to executing a written agreement under a special working relationship four (4) copies of the completed script shall be submitted to the Director of Information or his designee, along with a statement of specific requirements and the anticipated production schedule.
(2) No script will be used under a special working relationship without the specific approval of the Director of Information.
(3) Upon approval of the script, the agency of the Department concerned with subject matter will endeavor to arrange for the desired assistance with the stipulations of this policy.

§ 1.79 Credits.
On films on which the Department or one of its agencies provides special assistance it shall be mutually agreed by the producer and the Director of Information what credits shall be given to the Department, and the form these credits will take.

§ 1.110 Purpose and scope.
This subpart contains the regulations of the U.S. Department of Agriculture (USDA) implementing the Privacy Act
§ 1.111 Definitions.
For purposes of this subpart the terms individual, maintain, record, system of records, statistical record, and routine use shall have the meanings set forth in 5 U.S.C. 552a(a). The term agency shall mean an agency of USDA, unless otherwise indicated.

§ 1.112 Procedures for requests pertaining to individual records in a record system.
(a) Any individual who wishes to be notified if a system of records maintained by an agency contains any record pertaining to him or her, or to request access to such records, shall submit a written request in accordance with the instructions set forth in the system notice for that system of records. This request shall include:
   (1) The name of the individual making the request;
   (2) The name of the system of records (as set forth in the system notice to which the request relates);
   (3) Any other information specified in the system notice; and
   (4) When the request is one for access, a statement as to whether the requester desires to make a personal inspection of the records, or be supplied with copies by mail.
   (b) Any individual whose request under paragraph (a) of this section is denied may appeal that denial to the head of the agency which maintains the system of records to which the request relates.
   (c) In the event that an appeal under paragraph (b) of this section is denied, the requester may bring a civil action in federal district court to seek review of the denial.

§ 1.113 Times, places, and requirements for identification of individuals making requests.
(a) If an individual submitting a request for access under §1.112 has asked that an agency authorize a personal inspection of records pertaining to him or her, and the agency has granted that request, the requester shall present himself or herself at the time and place specified in the agency’s response or arrange another, mutually convenient, time with the appropriate agency official.
(b) Prior to inspection of the records, the requester shall present sufficient identification (e.g., driver’s license, employee identification card, social security card, credit cards) to establish that the requester is the individual to whom the records pertain. If the requester is unable to provide such identification, the requester shall complete and sign in the presence of an agency official a signed statement asserting the requester’s identity and stipulating that the requester understands that knowingly or willfully seeking or obtaining access to records about another individual under false pretenses is a misdemeanor punishable by fine up to $5,000. No identification shall be required, however, if the records are required by 5 U.S.C. 552 to be released.
(c) Any individual who has requested access to records about himself or herself by personal inspection, and who wishes to have another person or persons accompany the requester during this inspection, shall submit a written statement authorizing disclosure of the record in the presence of such other person or persons.
(d) Any individual having made a personal inspection of records pertaining to the requester may request the agency to provide the requester copies of those records or any portion of those records. Each agency shall grant such requests but may charge fees in accordance with §1.120.
(e) If an individual submitting a request for access under §1.112 wishes to be supplied with copies of the records by mail, the requester shall include with his or her request sufficient data for the agency to verify the requester’s identity. If the sensitivity of the
§ 1.116 Request for correction or amendment to record.

(a) Any individual who wishes to request correction or amendment of any record warrant it, however, the agency to which the request is directed may require the requester to submit a signed, notarized statement indicating that the requester is the individual to whom the records pertain and stipulating the requester understands that knowingly or willfully seeking or obtaining access to records about another individual under false pretenses is a misdemeanor punishable by fine up to $5,000. No identification shall be required, however, if the records are required by 5 U.S.C. 552 to be released. If the agency to which this request is directed determines to grant the requested access, it may charge fees in accordance with § 1.120 before making the necessary copies.

§ 1.116 Request for correction or amendment to record.

(a) Any individual who wishes to request correction or amendment of any record under § 1.112 for information concerning the existence of records about the requester in any system of records it maintains, or deny any request for access to records about the requester in any system of records it maintains, unless that system is exempted from the requirements of 5 U.S.C. 552a(d) in § 1.123.

(d) If any agency receives a request pursuant to § 1.112(a) for access to records in a system of records it maintains which is so exempted, the system manager shall determine if the exemption is to be asserted. If the system manager determines to deny the request, the system manager shall inform the requester of that determination, the reason for the determination, and the title and address of the agency head to whom the denial can be appealed.

(e) If the head of an agency determines that an appeal pursuant to § 1.112(b) is to be denied, the head of the agency shall inform the requester of that determination, the reason for the determination, and the requester’s right under 5 U.S.C. 552a(g) to seek judicial review of the denial in Federal district court.

(f) Nothing in 5 U.S.C. 552a or this subpart shall allow an individual access to any information compiled in reasonable anticipation of a civil action or proceeding.

§ 1.117 Agency review of request for correction or amendment of record.

(a) Any agency which receives a request for amendment or correction under §1.116 shall acknowledge that request within 10 days of its receipt (excluding Saturdays, Sundays and legal public holidays). The agency shall also promptly, either:

1. Make any correction, deletion or addition with regard to any portion of a record which the requester believes is not accurate, relevant, timely or complete; or
2. Inform the requester of its refusal to amend the record in accordance with the request; the reason for the refusal; the procedures whereby the requester can appeal the refusal to the head of the agency; and the title and business address of that official. If the agency informs the requester of its determination within the 10-day deadline, a separate acknowledgement is not required.

(b) If an agency is unable to comply with either paragraphs (a)(1) or (2) of this section within 30 days of its receipt of a request for correction or amendment, (excluding Saturdays, Sundays and legal public holidays), it should inform the requester of that fact, the reasons for the inability to comply with paragraphs (a)(1) or (a)(2) of this section within 30 days, and the approximate date on which a determination will be reached.

(c) In conducting its review of a request for correction or amendment, each agency shall be guided by the requirements of 5 U.S.C. 552a(e)(1) and (5).

(d) If an agency determines to grant all or any portion of a request for correction or amendment, it shall:

1. Advise the individual of that determination;
2. Make the requested correction or amendment; and
3. Inform any person or agency outside USDA to whom the record has been disclosed, if an accounting of that disclosure is maintained in accordance with 5 U.S.C. 552a(c), of the occurrence and substance of the correction or amendments.

(e) If an agency determines not to grant all or any portion of a request for correction or amendment, it shall:

1. Comply with paragraph (d) of this section with regard to any correction or amendment which is made;
2. Advise the requester of its determination and the reasons for the determination not to grant all or a portion of the request for a correction or amendment;
3. Inform the requester that he or she may appeal this determination to the head of the agency which maintains the system of records; and
4. Describe the procedures for making such an appeal, including the title and business address of the official to whom the appeal is to be addressed.

(f) In the event that an agency receives a notice of correction or amendment to information in a record contained in a system of records which it
§ 1.118 Appeal of initial adverse agency determination on correction or amendment.

(a) Any individual whose request for correction or amendment under § 1.116 is denied, and who wishes to appeal that denial, shall address such appeal to the head of the agency which maintains the system of records to which the request relates, in accordance with the procedures set forth in the agency’s initial denial of the request.

(b) The head of each agency shall make a final determination with regard to an appeal submitted under paragraph (a) of this section not later than 30 days (excluding Saturdays, Sundays, and legal public holidays) from the date on which the individual requests a review, unless, for good cause shown, the head of the agency extends this 30-day period and so notifies the requester, together with an estimate of the date on which a final determination will be made. Such extension should be utilized only in exceptional circumstances and should not normally exceed 30 days. The delegation of authority set forth in this paragraph may not be redelegated.

(c) In conducting a review of an appeal submitted under paragraph (a) of this section, the head of an agency shall be guided by the requirements of 5 U.S.C. 552a(e)(1) and (5).

(d) If the head of an agency determines to grant all or any portion of an appeal submitted under paragraph (a) of this section, the head of the agency shall inform the requester and the agency shall comply with the procedures set forth in §1.117(d)(2) and (d)(3).

(e) If the head of an agency determines in accordance with paragraph (c) of this section not to grant all or any portion of an appeal submitted under paragraph (a) of this section, the head of the agency shall inform the requester:

(1) Of this determination and the reasons for the determination;

(2) Of the requester’s right to file a concise statement of the requester’s reasons for disagreeing with the agency’s decision;

(3) Of the procedures for filing such a statement of disagreement;

(4) That such statements of disagreements will be made available to anyone to whom the record is subsequently disclosed, together with (if the agency deems it appropriate) a brief statement by the agency summarizing its reasons for refusing to amend the record;

(5) That prior recipients of the disputed record will be provided with a copy of the statement of disagreement, together with (if the agency deems it appropriate) a brief statement of the agency’s reasons for refusing to amend the record, to the extent that an accounting of disclosures is maintained under 5 U.S.C. 552a(c); and

(6) Of the requester’s right to seek judicial review of the agency’s determination in accordance with 5 U.S.C. 552a(g). The agency shall assure that any statements of disagreement submitted by a requester are handled in accordance with paragraphs (e)(4) and (5) of this section.

§ 1.119 Disclosure of record to person other than the individual to whom it pertains.

No agency shall disclose any record which is contained in a system of records it maintains, by any means of communication to any person, or to another agency outside USDA, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless the disclosure is authorized by one or more provisions of 5 U.S.C. 552a(b).

§ 1.120 Fees.

Any agency which provides copies of records pursuant to a request under this subpart may charge fees for the direct costs of producing such copies in accordance with appendix A to subpart A of this part. No agency, however, shall charge any fee for searches necessary to locate records. Nor shall an agency charge any fees for copies or searches, when the requester sought to
make a personal inspection but was provided copies instead at the discretion of the agency.

§ 1.121 Penalties.
The criminal penalties which have been established for violations of the Privacy Act of 1974 are set forth in 5 U.S.C. 552a(i). These penalties are applicable to any officer or employee of an agency who commits any of the acts enumerated in 5 U.S.C. 552a(i). These penalties also apply to contractors and employees of such contractors who enter into contracts with an agency of USDA and who are considered to be employees of the agency within the meaning of 5 U.S.C. 552a(m)(1).

SECTION 1. General requirements. Each agency that maintains a system of records subject to 5 U.S.C. 552a and the regulations of this subpart shall:

(a) Maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required to be accomplished by statute or by executive order of the President;

(b) Collect information to the greatest extent practicable directly from the subject individual when the information may result in adverse determinations about an individual’s rights, benefits, and privileges under Federal programs;

(c) Inform each individual whom it asks to supply information, on the form which it uses to collect the information, or on a separate form that can be retained by the individual, of:

(1) The authority (whether granted by statute, or by executive order of the President) which authorizes the solicitation of the information and whether disclosure of such information is mandatory or voluntary;

(2) The principal purpose or purposes for which the information is intended to be used;

(3) The categories of records maintained in the system, including the categories of uses and the purpose of such use;

(4) The routine uses which may be made of the information, as published pursuant to paragraph (d)(4) of this section; and

(5) The agency procedures whereby an individual can be notified at his or her request if the system of records contains a record pertaining to the individual;

(6) The title and business address of the agency or agencies responsible for the system of records, or establishment of a new system of records, or to alter any existing system of records, shall insure that

(7) The agency procedures whereby an individual can be notified at his or her request if the system of records contains a record pertaining to the individual;

(8) The agency procedures whereby an individual can be notified at his or her request how the individual can gain access to any record pertaining to him or her contained in the system of records, and how he or she can contest its content; and

(9) The categories of sources of records in the system;

(e) Maintain all records which are used by the agency in making any determination about any individual with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination;

(f) Prior to disseminating any record about an individual to any person other than an agency, unless the dissemination is made pursuant to 5 U.S.C. 552a(b)(2), make reasonable efforts to assure that such records are accurate, complete, timely, and relevant for agency purposes;

(g) Maintain no record describing how any individual exercises rights guaranteed by the First Amendment unless expressly authorized by statute or by the individual about whom the record is maintained, or unless pertinent to and within the scope of an authorized law enforcement activity;

(h) Make reasonable efforts to serve notice on an individual when any record on such individual is made available to any person under compulsory legal process when such process becomes a matter of public record;

(i) Establish rules of conduct for persons involved in the design, development, operation, or maintenance of any system of records, or in maintaining any record, and instruct each such person with respect to such rules and the requirements of this section and the penalties for noncompliance;

(j) Establish appropriate administrative, technical, and physical safeguards to insure the security and confidentiality of records and to protect against any anticipated threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience, or unfairness to any individual on whom information is maintained.

SEC. 2. Amendment of routine uses for an existing system of records, or establishment of a new system of records.

(a) Any agency which intends to add a routine use, or amend an existing one, in a system of records it maintains, shall, in accordance with 5 U.S.C. 552a(c)(1), ensure that at least 30 days advance notice of such action is given by publication in the Federal Register and an opportunity provided for interested persons to submit written data, views or arguments to the agency.

(b) Any agency which intends to establish a new system of records, or to alter any existing system of records, shall insure that
adequate advance notice is provided to Congress and the Office of Management and Budget to permit an evaluation of the probable or potential effect of such action on the privacy and other personal or property rights of individuals or the disclosure of information relating to such individuals, and its effect on the preservation of the constitutional qualifications of federalism and separation of powers. Such notice is required for any new system of records and for any alteration in an existing one which will:

(1) Increase the number or types of individuals on whom records are maintained;
(2) Expand the type or amount of information maintained;
(3) Increase the number or categories of agencies or other persons who may have access to those records;
(4) Alter the manner in which the records are organized so as to change the nature or scope of those records (e.g., the combining of two or more existing systems);
(5) Modify the way the system operates at its location(s) in such a manner as to alter the procedures by which individuals can exercise their rights under this subpart; or
(6) Change the equipment configuration on which the system is operated so as to create the potential for greater access (e.g., adding a telecommunications capability).

Sect. 3. Accounting of certain disclosures. Each agency, with respect to each system of records under its control, shall:

(a) Except for disclosures made under 5 U.S.C. 552a(b)(1) and (2), keep an accurate account of:

(c) Except for disclosures made under 5 U.S.C. 552a(b)(7), make the accounting required under paragraph (a) of this section available to the individual named in the record at his or her request.

Sect. 4. Government contractors. When an agency within the Department provides by a contract for the operation by or on behalf of the agency of a system of records to accomplish an agency function, the agency shall, consistent with its authority, cause the requirements of this subpart to be applied to such system. For purposes of 5 U.S.C. 552a(i) any such contractor or any employee of such contractor shall be considered to be an employee of an agency and therefore subject to the criminal penalties set forth in 5 U.S.C. 552a(i).

Sect. 5. Mailing lists. No agency within the Department shall sell or rent any individual’s name and address unless such action is specifically authorized by law. This section shall not be construed to require, or to authorize, the withholding of names and addresses whose disclosure is required by 5 U.S.C. 552.

Sect. 6. Social security account numbers. (a) No agency shall deny, or permit any State or local government with whom it is involved in a cooperative venture to deny, to any individual any right, benefit, or privilege provided by law because of such individual’s refusal to disclose his or her social security account number.

(1) Any disclosure required by Federal statute;
(2) Any disclosure to any agency relating to a system of records it maintained prior to January 1, 1975, if such disclosure was required under statute or regulation adopted prior to that date, to verify the identity of an individual.
(c) Any agency in the Department which requests an individual to disclose his or her social security account number shall inform that individual whether the disclosure is mandatory or voluntary, by what statutory or other authority the number is solicited, and what uses will be made of it. The agency shall also insure that this information is provided by a State or local government with whom it is involved in a cooperative agreement.

Sect. 7. Annual report. Each agency in the Department shall submit to the Office of the General Counsel prior to March 30 of each year a report containing the following information related to implementation of 5 U.S.C. 552a:

(a) A summary of major accomplishments;
(b) A summary of major plans for activities in the upcoming year;

If such investigation discloses that no violation of the Act or of the regulations, standards, instructions, or orders issued pursuant thereto, has occurred, no further action shall be taken and the person submitting the information shall be so informed.

(4) The person submitting the information shall not be a party to any proceeding which may be instituted as a result thereof and such person shall have no legal status in the proceeding, except as a subpoenaed witness or as a deponent in a deposition taken without expense to such person.

(1) If there is reason to believe that a person has violated or is violating any provision of a statute listed in § 1.131 or of any regulation, standard, instruction or order issued pursuant thereto, whether based upon information furnished under paragraph (a) of this section or other information, a complaint may be filed with the Hearing Clerk pursuant to these rules.

(2) Any person determined by the Chief, PACA Branch, pursuant to §§ 47.47–47.49 of this title to have been responsibly connected within the meaning of 7 U.S.C. 499a(b)(9) to a licensee who is subject or potentially
subject to license suspension or revocation as the result of an alleged violation of 7 U.S.C. 499b or 499hr(b) or as provided in 7 U.S.C. 499g(d) shall be entitled to institute a proceeding under this section and to have determined the facts with respect to such responsibly connected status by filing with the Hearing Clerk a petition for review of such determination.

(3) As provided in 5 U.S.C. 558, in any case, except one of willfulness or one in which public health, interest, or safety otherwise requires, prior to the institution of a formal proceeding which may result in the withdrawal, suspension, or revocation of a “license” as that term is defined in 5 U.S.C. 551(8), the Administrator, in an effort to effect an amicable or informal settlement of the matter, shall give written notice to the person involved of the facts or conduct concerned and shall afford such person an opportunity, within a reasonable time fixed by the Administrator, to demonstrate or achieve compliance with the applicable requirements of the statute, or the regulation, standard, instruction or order promulgated thereunder.

§ 1.136 Answer.

(a) Filing and service. Within 20 days after the service of the complaint (within 10 days in a proceeding under section 4(d) of the Perishable Agricultural Commodities Act, 1930), or such other time as may be specified therein, the respondent shall file with the Hearing Clerk an answer signed by the respondent or the attorney of record in the proceeding. The attorney may file an appearance of record prior to or simultaneously with the filing of the answer. The answer shall be served upon the complainant, and any other party of record, by the Hearing Clerk. As response to a petition for review of responsibly connected status, the Chief, PACA Branch, shall within ten days after being served by the Hearing Clerk with a petition for review, file with the Hearing Clerk a certified copy of the agency record upon which the Chief, PACA Branch, made the determination that the individual was responsibly connected to a licensee under the Perishable Agricultural Commodities Act, 7 U.S.C. 499a et seq., and such agency record shall become part of the record in the review proceeding.

(b) Contents. The answer shall:

(1) Clearly admit, deny, or explain each of the allegations of the complaint and shall clearly set forth any defense asserted by the respondent; or

(2) State that the respondent admits all the facts alleged in the complaint; or

(3) State that the respondent admits the jurisdictional allegations of the complaint and neither admits nor denies the remaining allegations and consents to the issuance of an order without further procedure.

(c) Default. Failure to file an answer within the time provided under paragraph (a) of this section shall be deemed, for purposes of the proceeding, an admission of the allegations in the Complaint, and failure to deny or otherwise respond to an allegation of the Complaint shall be deemed, for purposes of the proceeding, an admission
§ 1.137 Amendment of complaint, petition for review, or answer; joinder of related matters.

(a) Amendment. At any time prior to the filing of a motion for a hearing, the complaint, petition for review, answer, or response to petition for review may be amended. Thereafter, such an amendment may be made with consent of the parties, or as authorized by the Judge upon a showing of good cause.

(b) Joinder. The Judge shall consolidate for hearing with any proceeding alleging a violation of the Perishable Agricultural Commodities Act, 7 U.S.C. 499a et seq., any petitions for review of determination of status by the Chief, PACA Branch, that individuals are responsibly connected, within the meaning of 7 U.S.C. 499a(b)(9), to the licensee during the period of the alleged violations. In any case in which there is no pending proceeding alleging a violation of the Perishable Agricultural Commodities Act, 7 U.S.C. 499a et seq., but there have been filed more than one petition for review of determination of responsible connection to the same licensee, such petitions for review shall be consolidated for hearing.

§ 1.138 Consent decision.

At any time before the Judge files the decision, the parties may agree to the entry of a consent decision. Such agreement shall be filed with the Hearing Clerk in the form of a decision signed by the parties with appropriate space for signature by the Judge, and shall contain an admission of at least the jurisdictional facts, consent to the issuance of the agreed decision without further procedure and such other admissions or statements as may be agreed between the parties. The Judge shall enter such decision without further procedure, unless an error is apparent on the face of the document. Such decision shall have the same force and effect as a decision issued after full hearing, and shall become final upon issuance to become effective in accordance with the terms of the decision.

§ 1.139 Procedure upon failure to file an answer or admission of facts.

The failure to file an answer, or the admission by the answer of all the material allegations of fact contained in the complaint, shall constitute a waiver of hearing. Upon such admission or failure to file, complainant shall file a proposed decision, along with a motion for the adoption thereof, both of which shall be served upon the respondent by the Hearing Clerk. Within 20 days after service of such motion and proposed decision, the respondent may file with the Hearing Clerk objections thereto. If the Judge finds that meritorious objections have been filed, complainant’s Motion shall be denied with supporting reasons. If meritorious objections are not filed, the Judge shall issue a decision without further procedure or hearing. Copies of the decision or denial of complainant’s Motion shall be served by the Hearing Clerk upon each of the parties and may be appealed pursuant to §1.145. Where the decision as proposed by complainant is entered, such decision shall become final and effective without further proceedings 35 days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to §1.145: Provided, however, That no decision shall be final for purposes of judicial review except a final decision of the Judicial Officer upon appeal.

§ 1.140 Conferences and procedure.

(a) Purpose and scope. (1) Upon motion of a party or upon the Judge’s own motion, the Judge may direct the parties or their counsel to attend a conference at any reasonable time, prior to or during the course of the hearing, when the Judge finds that the proceeding would be expedited by a conference. Reasonable notice of the time, place, and manner of the conference shall be given. The Judge may order each of the parties to furnish at or subsequent to the conference any or all of the following:

(i) An outline of the case or defense;
§ 1.141 Procedure for hearing.

(a) Request for hearing. Any party may request a hearing on the facts by including such request in the complaint or answer, or by a separate request, in writing, filed with the Hearing Clerk within the time in which an answer may be filed. A petition for review shall be deemed a request for a hearing. Failure to request a hearing

(ii) The legal theories upon which the party will rely;
(iii) Copies of or a list of documents which the party anticipates introducing at the hearing; and
(iv) A list of anticipated witnesses who will testify on behalf of the party. At the discretion of the party furnishing such list of witnesses, the names of the witnesses need not be furnished if they are otherwise identified in some meaningful way such as a short statement of the type of evidence they will offer.

(2) The Judge shall not order any of the foregoing procedures that a party can show is inappropriate or unwarranted under the circumstances of the particular case.

(3) At the conference, the following matters shall be considered:
(i) The simplification of issues;
(ii) The necessity of amendments to pleadings;
(iii) The possibility of obtaining stipulations of facts and of the authenticity, accuracy, and admissibility of documents, which will avoid unnecessary proof;
(iv) The limitation of the number of expert or other witnesses;
(v) Negotiation, compromise, or settlement of issues;
(vi) The exchange of copies of proposed exhibits;
(vii) The identification of documents or matters of which official notice may be requested;
(viii) A schedule to be followed by the parties for completion of the actions decided at the conference; and
(ix) Such other matters as may expedite and aid in the disposition of the proceeding.

(b) Reporting. A conference will not be stenographically reported unless so directed by the Judge.

(c) Manner of Conference. (1) The conference shall be conducted by telephone or correspondence unless the Judge determines that conducting the conference by audio-visual telecommunication would measurably increase the United States Department of Agriculture’s cost of conducting the conference, the conference shall be conducted by personal attendance of any individual who is expected to participate in the conference, by telephone, or by correspondence.
(2) If the conference is not conducted by telephone or correspondence, the conference shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the conference by personal attendance of any individual who is expected to participate in the conference:
(i) Is necessary to prevent prejudice to a party;
(ii) Is necessary because of a disability of any individual expected to participate in the conference; or
(iii) Would cost less than conducting the conference by telephone or correspondence.

(d) Order. Actions taken as a result of a conference shall be reduced to a written appropriate order, unless the Judge concludes that a stenographic report shall suffice, or, if the conference takes place within 7 days of the beginning of the hearing, the Judge elects to make a statement on the record at the hearing summarizing the actions taken.

(e) Related matters. Upon motion of a respondent, the Judge may order the attorney for the complainant to produce and permit the respondent to inspect and copy or photograph any relevant written or recorded statements or confessions made by such respondent within the possession, custody or control of the complainant.

[42 FR 743, Jan. 4, 1977, as amended at 60 FR 8455, Feb. 14, 1995]
within the time allowed for the filing of the answer shall constitute a waiver of such hearing. Waiver of hearing shall not be deemed to be a waiver of the right to request oral argument before the Judicial Officer upon appeal of the Judge's decision. In the event the respondent denies any material fact and fails to file a timely request for a hearing, the matter may be set down for hearing on motion of the complainant or upon the Judge's own motion.

(b) Time, place, and manner. (1) If any material issue of fact is joined by the pleadings, the Judge, upon motion of any party stating that the matter is at issue and is ready for hearing, shall set a time, place, and manner for hearing as soon as feasible after the motion is filed, with due regard for the public interest and the convenience and necessity of the parties. The Judge shall file with the Hearing Clerk a notice stating the time and place of the hearing. This notice shall state whether the hearing will be conducted by telephone, audio-visual telecommunication, or personal attendance of any individual expected to participate in the hearing. The Judge's determination regarding the manner of the hearing shall be made in accordance with paragraphs (b)(3) and (b)(4) of this section. If any change in the time, place, or manner of the hearing is made, the Judge shall file with the Hearing Clerk a notice of such change, which notice shall be served upon the parties, unless it is made during the course of an oral hearing and made part of the transcript or recording, or actual notice is given to the parties.

(2)(i) If any material issue of fact is joined by the pleadings and the matter is at issue and is ready for hearing, any party may move that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing rather than by audio-visual telecommunication. Any motion that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than by audio-visual telecommunication.

(ii) Within 10 days after the Judge issues a notice stating the manner in which the hearing is to be conducted, any party may move that the Judge reconsider the manner in which the hearing is to be conducted. Any motion for reconsideration must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than in accordance with the Judge's notice.

(3) The hearing shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the hearing by personal attendance of any individual who is expected to participate in the hearing:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the hearing; or

(iii) Would cost less than conducting the hearing by audio-visual telecommunication. If the Judge determines that a hearing conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture's cost of conducting the hearing, the hearing shall be conducted by personal attendance of any individual who is expected to participate in the hearing or by telephone.

(4) The Judge may, in his or her sole discretion or in response to a motion by a party to the proceeding, conduct...
the hearing by telephone if the Judge finds that a hearing conducted by tele-
phone:
(i) Would provide a full and fair eviden-
tiary hearing;
(ii) Would not prejudice any party; and
(iii) Would cost less than conducting
the hearing by audio-visual tele-
communication or personal attendance
of any individual who is expected to
participate in the hearing.
(c) Appearances. The parties may ap-
pear in person or by attorney of record
in the proceeding. Any person who ap-
pears as attorney must conform to the
standards of ethical conduct required
of practitioners before the courts of the
United States.
(d) Debarment of attorney. (1) Whenev-
er a Judge finds that a person acting
as attorney for any party to the pro-
ceeding is guilty of unethical or con-
tumacious conduct, in or in connection
with a proceeding, the Judge may
order that such person be precluded
from further acting as attorney in the
proceeding. An appeal to the Judicial
Officer may be taken from any such
order, but no proceeding shall be de-
layed or suspended pending disposition
of the appeal: Provided, That the Judge
shall suspend the proceeding for a rea-
sonable time for the purpose of ena-
bling the party to obtain another at-
torney.
(2) Whenever it is found, after notice
and opportunity for hearing, that a
person, who is acting or has acted as
attorney for another person in any pro-
ceeding before the United States De-
partment of Agriculture, is unfit to act
as such counsel because of such uneth-
ical or contumacious conduct, such
person will be precluded from acting as
counsel in any or all proceedings before
the Department as found to be appro-
priate.
(e) Failure to appear. (1) A respondent
who, after being duly notified, fails to
appear at the hearing without good
cause, shall be deemed to have waived
the right to an oral hearing in the pro-
ceeding and to have admitted any facts
which may be presented at the hearing.
Such failure by the respondent shall
also constitute an admission of all the
material allegations of fact contained
in the complaint. Complainant shall
have an election whether to follow the
procedure set forth in §1.139 or whether
to present evidence, in whole or in
part, in the form of affidavits or by
oral testimony before the Judge. Fail-
ure to appear at a hearing shall not be
deemed to be a waiver of the right to
be served with a copy of the Judge’s de-
cision and to appeal and request oral
argument before the Judicial Officer
with respect thereto in the manner
provided in §1.145.
(2) If the petitioner in the case of a
Petition for Review of a determination
of responsibly connected status within
the meaning of 7 U.S.C. 499a(b)(9), hav-
ing been duly notified, fails to appear
at the hearing without good cause,
such petitioner shall be deemed to have
waived the right to a hearing and to
have voluntarily withdrawn the peti-
tion for review.
(f) Order of proceeding. Except as may
be determined otherwise by the Judge,
the complainant shall proceed first at
the hearing.
(g) Written statements of direct testi-
mony. (1) Except as provided in para-
graph (g)(2) of this section, each party
must exchange with all other parties a
written narrative verified statement of
the oral direct testimony that the
party will provide at any hearing to be
conducted by telephone; the direct tes-
timony of each employee or agent of
the party that the party will call to
provide oral direct testimony at any
hearing to be conducted by telephone;
and the direct testimony of each expert
witness that the party will call to pro-
vide oral direct testimony at any hear-
ing to be conducted by telephone. The
written direct testimony of witnesses
shall be exchanged by the parties at
least 10 days prior to the hearing. The
oral direct testimony provided by any
witness at a hearing conducted by tele-
phone will be limited to the presen-
tation of the written direct testimony,
unless the Judge finds that oral direct
testimony which is supplemental to
the written direct testimony would fur-
ther the public interest and would not
constitute surprise.
(2) The parties shall not be required
to exchange testimony in accordance
with this paragraph if the hearing is
scheduled to begin less than 20 days
after the Judge’s notice stating the
time of the hearing.

(h) Evidence—(1) In general. (i) The
testimony of witnesses at a hearing
shall be on oath or affirmation and
subject to cross-examination.

(ii) Upon a finding of good cause, the
Judge may order that any witness be
examined separately and apart from all
other witnesses except those who may
be parties to the proceeding.

(iii) After a witness called by the
complainant has testified on direct ex-
amination, any other party may re-
quest and obtain the production of any
statement, or part thereof, of such wit-
ness in the possession of the complain-
ant which relates to the subject matter
as to which the witness has testified.
Such production shall be made accord-
ing to the procedures and subject to
the definitions and limitations pre-
scribed in the Jencks Act (18 U.S.C.
3500).

(iv) Evidence which is immaterial, ir-
relevant, or unduly repetitious, or
which is not of the sort upon which re-
ponsible persons are accustomed to
rely, shall be excluded insofar as prac-
ticable.

(2) Objections. (i) If a party objects to
the admission of any evidence or to the
limitation of the scope of any examina-
tion or cross-examination or to any
other ruling of the Judge, the party
shall state briefly the grounds of such
objection, whereupon an automatic ex-
ception will follow if the objection is
overruled by the Judge.

(ii) Only objections made before the
Judge may subsequently be relied upon
in the proceeding.

(3) Depositions. The deposition of any
witness shall be admitted in the man-
ner provided in and subject to the pro-
visions of §1.148.

(4) Exhibits. Unless the Judge finds
that the furnishing of copies is imprac-
ticable, four copies of each exhibit
shall be filed with the Judge: Provided,
That, where there are more than two
parties in the proceeding, an additional
copy shall be filed for each additional
party. A true copy of an exhibit may be
substituted for the original.

(5) Official records or documents. An of-
official government record or document
or entry therein, if admissible for any
purpose, shall be admissible in evi-
dence without the production of the
person who made or prepared the same,
and shall be prima facie evidence of the
relevant facts stated therein. Such
record or document shall be evidenced
by an official publication thereof or by
a copy certified by a person having
legal authority to make such certifi-
cation.

(6) Official notice. Official notice shall
be taken of such matters as are judi-
cially noticed by the courts of the
United States and of any other matter
of technical, scientific, or commercial
fact of established character: Provided,
That the parties shall be given ade-
quate notice of matters so noticed, and
shall be given adequate opportunity to
show that such facts are erroneously
noticed.

(7) Offer of proof. Whenever evidence
is excluded by the Judge, the party of-
fering such evidence may make an
offer of proof, which shall be included
in the transcript or recording. The
offer of proof shall consist of a brief
statement describing the evidence ex-
cluded. If the evidence consists of a
brief oral statement, it shall be in-
cluded in the transcript or recording in
toto. If the evidence consists of an ex-
hibit, it shall be marked for identifica-
tion and inserted in the hearing record.
In either event, the evidence shall be
considered a part of the transcript or
recording and hearing record if the Ju-
dicial Officer, upon appeal, decides the
Judge’s ruling excluding the evidence
was erroneous and prejudicial. If the
Judicial Officer decides the Judge’s
ruling excluding the evidence was erro-
neous and prejudicial and that it would
be inappropriate to have such evidence
considered a part of the hearing record,
the Judicial Officer may direct that
the hearing be reopened to permit the
taking of such evidence or for any
other purpose in connection with the
excluded evidence.

(i) Transcript or recording. (1) Hearings
to be conducted by telephone shall be
recorded verbatim by electronic re-
cording device. Hearings conducted by
audio-visual telecommunication or the
personal attendance of any individual
who is expected to participate in the
hearing shall be transcribed, unless the
Judge finds that recording the hearing
§ 1.143 Motions and requests.

(a) General. All motions and requests shall be filed with the Hearing Clerk, and served upon all the parties, except (1) requests for extensions of time pursuant to §1.147, (2) requests for subpoenas pursuant to §1.149, and (3) motions and requests made on the record during the oral hearing. The Judge shall rule upon all motions and requests filed or made prior to the filing of an appeal of the Judge’s decision pursuant to §1.145, except motions directly relating to the appeal. Thereafter, the Judicial Officer will rule on any motions and requests, as well as the motions directly relating to the appeal.
§ 1.144

(b) Motions entertained. (1) Any motion will be entertained other than a motion to dismiss on the pleading.
(2) All motions and request concerning the complaint must be made within the time allowed for filing an answer.

(d) Response to motions and requests. Within 20 days after service of any written motion or request, or within such shorter or longer period as may be fixed by the Judge or the Judicial Officer, an opposing party may file a response to the motion or request. The other party shall have no right to reply to the response; however, the Judge or the Judicial Officer, in the Judge’s or the Judicial Officer’s discretion, may order that a reply be filed.

(e) Certification to the judicial officer. The submission or certification of any motion, request, objection, or other question to the Judicial Officer prior to the filing of an appeal pursuant to §1.145 shall be made by and in the discretion of the Judge. The Judge may either rule upon or certify the motion, request, objection, or other question to the Judicial Officer, but not both.

§ 1.144 Judges.

(a) Assignment. No Judge shall be assigned to serve in any proceeding who (1) has any pecuniary interest in any matter or business involved in the proceeding, (2) is related within the third degree by blood or marriage to any party to the proceeding, or (3) has any conflict of interest which might impair the Judge’s objectivity in the proceeding.

(b) Disqualification of Judge. (1) Any party to the proceeding may, by motion made to the Judge, request that the Judge withdraw from the proceeding because of an alleged disqualifying reason. Such motion shall set forth with particularity the grounds of alleged disqualification. The Judge may then either rule upon or certify the motion to the Secretary, but not both.

(2) A Judge shall withdraw from any proceeding for any reason deemed by the Judge to be disqualifying.

(c) Powers. Subject to review as provided in this subpart, the Judge, in any assigned proceeding, shall have power to:

(1) Rule upon motions and requests;
(2) Set the time, place, and manner of a conference and the hearing, adjourn the hearing, and change the time, place, and manner of the hearing;
(3) Administer oaths and affirmations;
(4) Issue subpoenas as authorized by the statute under which the proceeding is conducted, requiring the attendance and testimony of witnesses and the production of books, contracts, papers, and other documentary evidence at the hearing;
(5) Summon and examine witnesses and receive evidence at the hearing;
(6) Take or order the taking of depositions as authorized under these rules;
(7) Admit or exclude evidence;
(8) Hear oral argument on facts or law;
(9) Require each party to provide all other parties and the Judge with a copy of any exhibit that the party intends to introduce into evidence prior to any hearing to be conducted by telephone or audio-visual telecommunication;
(10) Require each party to provide all other parties with a copy of any document that the party intends to use to examine a deponent prior to any deposition to be conducted by telephone or audio-visual telecommunication;
(11) Require that any hearing to be conducted by telephone or audio-visual telecommunication be conducted at locations at which the parties and the Judge are able to transmit and receive documents during the hearing;
(12) Require that any deposition to be conducted by telephone or audio-visual telecommunication be conducted at locations at which the parties are able to transmit and receive documents during the deposition;
(13) Do all acts and take all measures necessary for the maintenance of order, including the exclusion of contumacious counsel or other persons; and
(14) Take all other actions authorized under these rules.
(d) **Who may act in the absence of the Judge.** In case of the absence of the Judge or the Judge’s inability to act, the powers and duties to be performed by the Judge under these rules of practice in connection with any assigned proceeding may, without abatement of the proceeding unless otherwise directed by the Chief Judge, be assigned to any other Judge.

§ 1.145 Appeal to Judicial Officer.

(a) **Filing of petition.** Within 30 days after receiving service of the Judge's decision, if the decision is a written decision, or within 30 days after issuance of the Judge’s decision, if the decision is an oral decision, a party who disagrees with the decision, any part of the decision, or any ruling by the Judge or who alleges any deprivation of rights, may appeal the decision to the Judicial Officer by filing an appeal petition with the Hearing Clerk. As provided in §1.141(h)(2), objections regarding evidence or a limitation regarding examination or cross-examination or other ruling made before the Judge may be relied upon in an appeal. Each issue set forth in the appeal petition and the arguments regarding each issue shall be separately numbered; shall be plainly and concisely stated; and shall contain detailed citations to the record, statutes, regulations, or authorities being relied upon in support of each argument. A brief may be filed in support of the appeal simultaneously with the appeal petition.

(b) **Response to appeal petition.** Within 20 days after the service of a copy of an appeal petition and any brief in support thereof, filed by a party to the proceeding, any other party may file with the Hearing Clerk a response in support of or in opposition to the appeal and in such response any relevant issue, not presented in the appeal petition, may be raised.

(c) **Transmittal of record.** Whenever an appeal of a Judge’s decision is filed and a response thereto has been filed or time for filing a response has expired, the Hearing Clerk shall transmit to the Judicial Officer the record of the proceeding. Such record shall include: the pleadings; motions and requests filed and rulings thereon; the transcript or recording of the testimony taken at the hearing, together with the exhibits filed in connection therewith; any documents or papers filed in connection with a prehearing conference; such proposed findings of fact, conclusions, and orders, and briefs in support thereof, as may have been filed in connection with the proceeding; the Judge’s decision; such exceptions, statements of objections and briefs in support thereof as may have been filed in the proceeding; and the appeal petition, and such briefs in support thereof and responses thereto as may have been filed in the proceeding.

(d) **Oral argument.** A party bringing an appeal may request, within the prescribed time for filing such appeal, an opportunity for oral argument before the Judicial Officer. Within the time allowed for filing a response, appellee may file a request in writing for opportunity for such an oral argument. Failure to make such request in writing, within the prescribed time period, shall be deemed a waiver of oral argument. The Judicial Officer may grant, refuse, or limit any request for oral argument. Oral argument shall not be transcribed unless so ordered in advance by the Judicial Officer for good cause shown upon request of a party or upon the Judicial Officer’s own motion.

(e) **Scope of argument.** Argument to be heard on appeal, whether oral or on brief, shall be limited to the issues raised in the appeal or in the response to the appeal, except that if the Judicial Officer determines that additional issues should be argued, the parties shall be given reasonable notice of such determination, so as to permit preparation of adequate arguments on all issues to be argued.

(f) **Notice of argument; postponement.** The Hearing Clerk shall advise all parties of the time and place at which oral argument will be heard. A request for postponement of the argument must be made by motion filed a reasonable amount of time in advance of the date fixed for argument.

(g) **Order of argument.** The appellant is entitled to open and conclude the argument.
(h) Submission on briefs. By agreement of the parties, an appeal may be submitted for decision on the briefs, but the Judicial Officer may direct that the appeal be argued orally.

(i) Decision of the judicial officer on appeal. As soon as practicable after the receipt of the record from the Hearing Clerk, or, in case oral argument was had, as soon as practicable thereafter, the Judicial Officer, upon the basis of and after due consideration of the record and any matter of which official notice is taken, shall rule on the appeal. If the Judicial Officer decides that no change or modification of the Judge’s decision is warranted, the Judicial Officer may adopt the Judge’s decision as the final order in the proceeding, preserving any right of the party bringing the appeal to seek judicial review of such decision in the proper forum. A final order issued by the Judicial Officer shall be filed with the Hearing Clerk. Such order may be regarded by the respondent as final for purposes of judicial review without filing a petition for rehearing, reargument, or reconsideration of the decision of the Judicial Officer.

§ 1.146 Petitions for reopening hearing; for rehearing or reargument of proceeding; or for reconsideration of the decision of the Judicial Officer.

(a) Petition requisite—(1) Filing; service; ruling. A petition for reopening the hearing to take further evidence, or for rehearing or reargument of the proceeding, or for reconsideration of the decision of the Judicial Officer, must be made by petition filed with the Hearing Clerk. Every such petition must state specifically the grounds relied upon. Any such petition filed prior to the filing of an appeal of the Judge’s decision pursuant to §1.145 shall be ruled upon by the Judge, and any such petition filed thereafter shall be ruled upon by the Judicial Officer.

(2) Petition to reopen hearing. A petition to reopen a hearing to take further evidence may be filed at any time prior to the issuance of the decision of the Judicial Officer. Every such petition shall state briefly the nature and purpose of the evidence to be adduced, shall show that such evidence is not merely cumulative, and shall set forth a good reason why such evidence was not adduced at the hearing.

(3) Petition to rehear or reargue proceeding, or to reconsider the decision of the Judicial Officer. A petition to rehear or reargue the proceeding or to reconsider the decision of the Judicial Officer shall be filed within 10 days after the date of service of such decision upon the party filing the petition. Every petition must state specifically the matters claimed to have been erroneously decided and alleged errors must be briefly stated.

(b) Procedure for disposition of petitions. Within 20 days following the service of any petition provided for in this section, any party to the proceeding may file with the Hearing Clerk a reply thereto. As soon as practicable thereafter, the Judge or the Judicial Officer, as the case may be, shall announce the determination whether to grant or deny the petition. The decision of the Judicial Officer shall automatically be stayed pending the determination to grant or deny the petition. The decision of the Judicial Officer shall automatically be stayed pending the determination to grant or deny a timely petition. Such decision shall not be final for purposes of judicial review until the petition is denied or the decision is affirmed or modified pursuant to the petition and the time for judicial review shall begin to run upon the filing of such final action on the petition. In the event that any such petition is granted, the applicable rules of practice, as set out elsewhere herein, shall be followed. A person filing a petition under this section shall be regarded as the moving party, although such person shall be referred to as the complainant or respondent, depending upon the designation in the original proceeding.

§ 1.147 Filing; service; extensions of time; and computation of time.

(a) Filing; number of copies. Except as otherwise provided in this section, all documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk shall be filed in quadruplicate: Provided, That where there are more than two parties in the proceeding, an additional copy shall be filed for each additional party.
Any document or paper required or authorized under the rules in this part to be filed with the Hearing Clerk shall, during the course of an oral hearing, be filed with the Judge.

(b) Who shall make service. Copies of all such documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk shall be served upon the parties by the Hearing Clerk, or by some other employee of the Department, or by a U.S. Marshal or deputy marshal.

(c) Service on party other than the Secretary. (1) Any complaint or other document initially served on a person to make that person a party respondent in a proceeding, proposed decision and motion for adoption thereof upon failure to file an answer or other admission of all material allegations of fact contained in a complaint, initial decision, final decision, appeal petition filed by the Department, or other document specifically ordered by the Judge to be served by certified or registered mail, shall be deemed to be received by any party to a proceeding, other than the Secretary or agent thereof, on the date of delivery by certified or registered mail to the last known principal place of business of such party, last known principal place of business of the attorney or representative of record of such party, or last known residence of such party if an individual, or

(ii) Delivery to such party if an individual, to an officer or director of such party if a corporation, or to a member of such party if a partnership, at any location.

(d) Service on another. Any subpoena, written questions for a deposition under §1.148(d)(2), or other document or paper, served on any person other than a party to a proceeding, the Secretary or agent thereof, shall be deemed to be received by such person on the date of:

(1) Delivery by certified mail or registered mail to the last known principal place of business of such person, last known principal place of business of the attorney or representative of record of such person, or last known residence of such person if an individual;

(2) Delivery other than by mail to any responsible individual at, or leaving in a conspicuous place at, any such location; or

(3) Delivery to such party if an individual, to an officer or director of such party if a corporation, or to a member of such party if a partnership, at any location.

(e) Proof of service. Any of the following, in the possession of the Department, showing such service, shall be deemed to be accurate:

(1) A certified or registered mail receipt returned by the postal service with a signature;

(2) An official record of the postal service;

(3) An entry on a docket record or a copy placed in a docket file by the Hearing Clerk of the Department or by an employee of the Hearing Clerk in the ordinary course of business;

(4) A certificate of service, which need not be separate from and may be incorporated in the document or paper of which it certifies service, showing the method, place and date of service.
§ 1.148 Depositions.

(a) Motion for taking deposition. Upon the motion of a party to the proceeding, the Judge may, at any time after the filing of the complaint, order the taking of testimony by deposition. The Motion shall be in writing, shall be filed with the Hearing Clerk, and shall set forth:

1. The name and address of the proposed deponent;
2. The name and address of the person (referred to hereafter in this section as the “officer”) qualified under the regulations in this part to take depositions, before whom the proposed examination is to be made;
3. The proposed time and place of the examination, which shall be at least 15 days after the date of the mailing of the motion; and
4. The reasons why such deposition should be taken, which shall be solely for the purpose of eliciting testimony which otherwise might not be available at the time of hearing, for uses as provided in paragraph (g) of this section.

(b) Judge’s order for taking deposition.

1. If the Judge finds that the testimony may not be otherwise available at the hearing, the taking of the deposition may be ordered. The order shall be filed with the Hearing Clerk and shall state:

i. The time of the deposition;
ii. The place of the deposition;
iii. The manner of the deposition (telephone, audio-visual telecommunication, or personal attendance of those who are to participate in the deposition);
iv. The name of the officer before whom the deposition is to be made; and
v. The name of the deponent. The officer and the time, place, and manner need not be the same as those suggested in the motion for the deposition.

2. The deposition shall be conducted by telephone unless the Judge determines that conducting the deposition by audio-visual telecommunication:

i. Is necessary to prevent prejudice to a party;
ii. Is necessary because of a disability of any individual expected to participate in the deposition; or
iii. Would cost less than conducting the deposition by telephone. If the Judge determines that a deposition conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture’s cost of conducting the deposition, the deposition shall be conducted by personal attendance of any individual who is expected to participate in the deposition or by telephone.
(3) If the deposition is not conducted by telephone, the deposition shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the deposition by personal attendance of any individual who is expected to participate in the deposition:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the deposition or

(iii) Would cost less than conducting the deposition by telephone or audio-visual telecommunication.

(c) Qualifications of officer. The deposition shall be made before the Judge or before an officer authorized by the law of the United States or by the law of the place of the examination to administer oaths, or before an officer authorized by the Secretary to administer oaths.

(d) Procedure on examination. (1) The deponent shall be examined under oath or affirmation and shall be subject to cross-examination. Objections to questions or documents shall be in short form, stating the grounds of objections relied upon. The questions propounded, together with all objections made (but not including argument or debate), shall be recorded verbatim. In lieu of oral examination, parties may transmit written questions to the officer prior to the examination and the officer shall propound such questions to the deponent.

(2) The applicant shall arrange for the examination of the witness either by oral examination, or by written questions upon agreement of the parties or as directed by the Judge. If the examination is conducted by means of written questions, copies of the applicant’s questions must be received by the other party to the proceeding and the officer at least 10 days prior to the date set for the examination unless otherwise agreed, and any cross questions of a party other than the applicant must be received by the applicant and the officer at any time prior to the time of the examination.

(e) Certification by officer. The officer shall certify on the deposition that the deponent was duly sworn and that the deposition is a true record of the deponent’s testimony. The officer shall then securely seal the deposition, together with one copy thereof (unless there are more than two parties in the proceeding, in which case there should be another copy for each additional party), in an envelope and mail the same by registered or certified mail to the Hearing Clerk.

(f) Corrections to the transcript or recording. (1) At any time prior to the hearing, any party may file a motion proposing corrections to the transcript or recording of the deposition.

(2) Unless a party files such a motion in the manner prescribed, the transcript or recording shall be presumed, except for obvious typographical errors, to be a true, correct, and complete transcript or recording of the testimony given in the deposition proceeding and to contain an accurate description or reference to all exhibits in connection therewith, and shall be deemed to be certified correct without further procedure.

(3) At any time prior to use of the deposition in accordance with paragraph (g) of this section and after consideration of any objections filed there to, the Judge may issue an order making any corrections in the transcript or recording which the Judge finds are warranted, which corrections shall be entered onto the original transcript or recording by the Hearing Clerk (without obscuring the original text).

(g) Use of deposition. A deposition ordered and taken in accordance with the provisions of this section may be used in a proceeding under these rules if the Judge finds that the evidence is otherwise admissible and (1) that the witness is dead; (2) that the witness is unable to attend or testify because of age, sickness, infirmity, or imprisonment; (3) that the party offering the deposition has endeavored to procure the attendance of the witness by subpoena, but has been unable to do so; or (4) that such exceptional circumstances exist as to make it desirable, in the interests of justice, to allow the deposition to be used. If the party upon whose motion the deposition was taken refuses to offer it in evidence, any other party may offer the deposition or any part thereof in evidence. If only part of a deposition is offered in evidence by a
§ 1.149 Subpoenas.  
(a) Issuance of subpoenas. The attendance and testimony of witnesses and the production of documentary evidence from any place in the United States on behalf of any party to the proceeding may be required by subpoena at any designated place of hearing if authorized by the statute under which the proceeding is conducted. Subpoenas shall be issued by the Judge upon a reasonable showing by the applicant of the grounds and necessity thereof; and with respect to subpoenas for the production of documents, the request shall also show their competency, relevancy, and materiality. All requests for subpoenas shall be in writing, unless waived by the Judge for good cause shown. Except for good cause shown, requests for subpoenas shall be received by the Judge at least 10 days prior to the date set for the hearing.

(b) Service of subpoenas. Subpoenas may be served by any person not less than 18 years of age. The party at whose instance a subpoena is issued shall be responsible for service thereof. Subpoenas shall be served as provided in §1.147.

§ 1.149 Subpoenas.  
(a) Issuance of subpoenas. The attendance and testimony of witnesses and the production of documentary evidence from any place in the United States on behalf of any party to the proceeding may be required by subpoena at any designated place of hearing if authorized by the statute under which the proceeding is conducted. Subpoenas shall be issued by the Judge upon a reasonable showing by the applicant of the grounds and necessity thereof; and with respect to subpoenas for the production of documents, the request shall also show their competency, relevancy, and materiality. All requests for subpoenas shall be in writing, unless waived by the Judge for good cause shown. Except for good cause shown, requests for subpoenas shall be received by the Judge at least 10 days prior to the date set for the hearing.

(b) Service of subpoenas. Subpoenas may be served by any person not less than 18 years of age. The party at whose instance a subpoena is issued shall be responsible for service thereof. Subpoenas shall be served as provided in §1.147.

§ 1.150 Fees of witnesses.  
Witnesses summoned under these rules of practice shall be paid the same fees and mileage that are paid witnesses in the courts of the United States, and witnesses whose depositions are taken, and the officer taking the same, shall be entitled to the same fees as are paid for like services in the courts of the United States. Fees shall be paid by the party at whose instance the witness appears or the deposition is taken.

§ 1.151 Ex parte communications.  
(a) At no stage of the proceeding between its institution and the issuance of the final decision shall the Judge or Judicial Officer discuss ex parte the merits of the proceeding with any person who is connected with the proceeding in an advocative or in an investigatory capacity, or with any representative of such person: Provided, That procedural matters shall not be included within this limitation; and Provided further, That the Judge or Judicial Officer may discuss the merits of the case with such a person if all parties to the proceeding, or their attorneys have been given notice and an opportunity to participate. A memorandum of any such discussion shall be included in the record.

(b) No interested person shall make or knowingly cause to be made to the Judge or Judicial Officer an ex parte communication relevant to the merits of the proceeding.

(c) If the Judge or the Judicial Officer receives an ex parte communication in violation of this section, the one who receives the communication shall place in the public record of the proceeding:

(1) All such written communications;

(2) Memoranda stating the substance of all such oral communications; and

(3) All written responses, and memoranda stating the substance of all oral responses thereto.

(d) Upon receipt of a communication knowingly made or knowingly caused to be made by a party in violation of this section, the Judge or Judicial Officer may, to the extent consistent with the interests of justice and the policy of the underlying statute, require the party to show cause why his claim or interest in the proceeding should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

(e) To the extent consistent with the interests of justice and the policy of the underlying statute, a violation of this section shall be sufficient grounds for a decision adverse to the party who knowingly commits a violation of this section by ex parte communications.
Office of the Secretary, USDA

§ 1.160 Scope and applicability of rules in this part.

The rules of practice in this part shall be applicable to cease and desist proceedings, initiated upon complaint by the Secretary of Agriculture, pursuant to section 2 of the Capper-Volstead Act.

§ 1.161 Definitions.

As used in this part, words in the single form shall be deemed to import the plural, and vice versa, as the case may require. The following terms shall be construed, respectively, to mean:

*Complainant or Secretary* means the Secretary of Agriculture, United States Department of Agriculture, or any officer(s) or employee(s) to whom authority has heretofore been delegated, or whom authority may hereafter be delegated, to act in his or her stead.

*Decision* means: (1) the Judge’s decision, and includes (i) findings and conclusions and the reasons or basis therefor on all material issues of fact, law, or discretion, (ii) order, and (iii) rulings on proposed findings, conclusions and order submitted by the parties, and (2) the decision and order by the Judicial Officer upon an appeal of the Judge’s decision.

*Hearing* means that part of the proceeding which involves the submission of evidence before the Judge for the record in the proceeding.

*Hearing Clerk* means the Hearing Clerk, United States Department of Agriculture, Washington, DC 20250.

App. (1988)), to perform the function involved (§ 2.35(a) of this chapter), or the Secretary if he or she exercises the authority so delegated.

*Respondent* means the cooperative associations, or association, against whom a complaint has been issued.

§ 1.162 Institution of proceedings.

(a) *Filing of information.* Any person having information that any agricultural association, as defined in the Capper-Volstead Act, is engaged in any practice which monopolizes or restrains trade in interstate or foreign commerce to such an extent that the price of any agricultural product is unduly enhanced by reason thereof, may submit such information to the Secretary. Such information shall be in writing and shall contain a complete statement of facts detailing the price enhancement and the practices alleged.

(b) *Consideration of information.* The Secretary shall consider all information filed under paragraph (a) of this section, and any other information...
§ 1.163 The complaint.

The complaint shall state briefly all allegations of fact which constitute a basis for the proceeding, and shall designate a time and place for the hearing in the matter, which shall be at least 30 days after the service of the complaint upon the respondent.

§ 1.164 Answer.

(a) Filing and service. Within 20 days after service of the complaint, or such other time as may be specified therein, the respondent shall file with the Hearing Clerk, an answer, signed by the respondent or the respondent's attorney. The answer shall be served upon the complainant by the Hearing Clerk.

(b) Contents. The answer shall clearly admit, deny, or offer an explanation in response to each of the allegations of the complaint, and shall clearly set forth any affirmative defense.

(c) Default. Failure to file an answer shall constitute an admission of the allegations in the complaint, and may be the basis for a decision upon the presentation of a prima facie case by the complainant.

§ 1.165 Amendments.

Amendments to the complaint may be made prior to the filing of an answer in which case the time for filing the answer shall be extended 20 days or for other time agreed to by the parties. After the answer is filed, amendments to the complaint, or to the answer or other pleading, may be made by agreement of the parties or allowed at the discretion of the Judge. In case of an amendment which significantly changes the issues, the hearing shall, on the request of a party, be postponed or adjourned for a reasonable period, if the Judge determines that such action is necessary to avoid prejudice to the party.

§ 1.166 Consent order.

At any time, complainant and respondent may agree to the entry of a consent order. Such order shall be entered by the Judge (prior to a decision) or the Judicial Officer (after a decision by the Judge), and become effective on the date specified therein.

§ 1.167 Conference.

(a) Purpose. Upon motion of a party or upon the Judge's own motion, the Judge may direct the parties to attend a conference when the Judge finds that the proceeding would be expedited by discussions on matters of procedure and/or possible stipulations. The conference may include discussions regarding:

(1) Simplification of the issues;
(2) Limitation of expert or other witnesses;
(3) The orderly presentation of evidence; and
(4) Any other matters that may expedite and aid in the disposition of the proceeding.

(b) Manner of the Conference. (1) The conference shall be conducted by telephone or correspondence unless the Judge determines that conducting the conference by audio-visual telecommunication:

(i) Is necessary to prevent prejudice to a party;
(ii) Is necessary because of a disability of any individual expected to participate in the conference; or
(iii) Would cost less than conducting the conference by telephone or correspondence. If the Judge determines that a conference conducted by audio-
visual telecommunication would measurably increase the United States Department of Agriculture’s cost of conducting the conference, the conference shall be conducted by personal attendance of any individual who is expected to participate in the conference, by telephone, or by correspondence.

(2) If the conference is not conducted by telephone or correspondence, the conference shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the conference by personal attendance of any individual who is expected to participate in the conference:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the conference; or

(iii) Would cost less than conducting the conference by audio-visual telecommunication.

§ 1.168 Procedure for hearing.

(a) Time and place. The oral hearing shall be held at such time and place as specified in the complaint, and not less than 30 days after service thereof. The time and place of the hearing may be changed for good cause, by the Judge, upon motion of either complainant or respondent.

(b) Manner of hearing. (1) The Judge shall file with the Hearing Clerk a notice stating whether the hearing will be conducted by telephone, audio-visual telecommunication, or personal attendance of any individual expected to attend the hearing and the Judge’s determination regarding the manner of hearing shall be made in accordance with paragraphs (b)(3) and (b)(4) of this section. If any change in the manner of the hearing is made, the Judge shall file with the Hearing Clerk a notice of the change, which notice shall be served on the parties, unless it is made during the course of an oral hearing and made part of the transcript or recording, or actual notice is given to the parties.

(2)(i) Any party may move that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing rather than by audio-visual telecommunication. Any motion that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than by audio-visual telecommunication.

(ii) Within 10 days after the Judge issues a notice stating the manner in which the hearing is to be conducted, any party may move that the Judge reconsider the manner in which the hearing is to be conducted. Any motion for reconsideration must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than in accordance with the Judge’s notice.

(3) The hearing shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the hearing by personal attendance of any individual who is expected to participate in the hearing:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the hearing; or

(iii) Would cost less than conducting the hearing by audio-visual telecommunication.

The Judge may, in his or her sole discretion or in response to a motion by a party to the proceeding, conduct the hearing by telephone if the Judge finds that a hearing conducted by telephone:

(i) Would provide a full and fair evidentiary hearing;

(ii) Would not prejudice any party; and

(iii) Would cost less than conducting the hearing by audio-visual telecommunication or personal attendance

of any individual who is expected to participate in the hearing.

(c) Appearances. The parties may appear in person or by counsel or by other representative. Persons who appear as counsel or in a representative capacity must conform to the standards of ethical conduct required of practitioners before the courts of the United States.

(d) Order of proceeding. Except as otherwise may be agreed by the parties and approved by the Judge, the complainant shall proceed first at the hearing.

(e) Failure to appear. If respondent, after being duly notified, fails to appear at the hearing, and no good cause for such failure is established, complainant shall present a prima facie case on the matters denied in the answer.

(f) Written statements of direct testimony. (1) Except as provided in paragraph (f)(2) of this section, each party must exchange with all other parties a written narrative verified statement of the oral direct testimony that the party will provide at any hearing to be conducted by telephone; the direct testimony of each employee or agent of the party that the party will call to provide oral direct testimony at any hearing to be conducted by telephone; and the direct testimony of each expert witness that the party will call to provide oral direct testimony at any hearing to be conducted by telephone. The written direct testimony of witnesses shall be exchanged by the parties at least 10 days prior to the hearing. The oral direct testimony provided by a witness at a hearing conducted by telephone will be limited to the presentation of the written direct testimony, unless the Judge finds that oral direct testimony which is supplemental to the written direct testimony would further the public interest and would not constitute surprise.

(2) The parties shall not be required to exchange testimony in accordance with this paragraph if the hearing is scheduled to begin less than 20 days after the Judge’s notice stating the time of the hearing.

(g) Evidence. (1) The testimony of witnesses at the hearing shall be upon oath or affirmation, transcribed or recorded verbatim, and subject to cross-examination. Evidence which is immaterial, irrelevant, or unduly repetitious, or which is not of the sort upon which responsible persons are accustomed to rely, shall be excluded insofar as practicable.

(2) Objections. If a party objects to the admission of any evidence or to the limitation of the scope of any examination or cross-examination, the party shall briefly state the grounds of such objections, whereupon an automatic exception will follow if the objection is overruled by the Judge. The ruling of the Judge on any objection shall be part of the transcript or recording. Only objections made before the Judge may subsequently be relied upon in the proceeding.

(3) Official records or documents. An official record or document, if admissible for any purpose, shall be admissible in evidence without the production of the person who made or prepared the same, and shall be prima facie evidence of the relevant facts stated therein. Such record or document shall be evidenced by an official publication thereof, or by a copy certified by a person having legal authority to make such certification.

(4) Exhibits. Unless the Judge finds that the furnishing of multiple copies is impracticable, four copies of each exhibit shall be filed with the Judge unless the Judge finds that a greater or lesser number is desirable. A true copy of an exhibit may be substituted for the original.

(5) Official notice. Official notice shall be taken of such matters as are judicially noticed by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character: Provided, That the opposing party shall be given adequate opportunity to show that such facts are erroneously noticed.

(6) Offer of proof. Whenever evidence is deleted from the record, the party offering such evidence may make an offer of proof, which shall be included in the transcript or recording. The offer of proof shall consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement or of an exhibit, it shall be inserted into the transcript or recording in toto. In such event, it
shall be considered a part of the transcript or recording and record if the Judicial Officer decides that the Judge’s ruling in excluding the evidence was erroneous and prejudicial. The Judge shall not allow the insertion of such excluded evidence in toto if the taking of such evidence will consume considerable time at the hearing. In the latter event, if the Judicial Officer decides that the Judge’s ruling excluding the evidence was both prejudicial and erroneous, the hearing may be reopened to permit the taking of such evidence.

(7) Affidavits. Affidavits may be submitted into evidence, in lieu of witness testimony, only to the extent, and in the manner agreed upon by the parties.

(h) Transcript or recording. (1) Hearings to be conducted by telephone shall be recorded verbatim by electronic recording device. Hearings conducted by audio-visual telecommunication or the personal attendance of any individual who is expected to participate in the hearing shall be transcribed, unless the Judge finds that recording the hearing verbatim would expedite the proceeding and the Judge orders the hearing to be recorded verbatim. The Judge shall certify that to the best of his or her knowledge and belief any recording made pursuant to this paragraph with exhibits that were accepted into evidence is the record of the hearing.

(2) If a hearing is recorded verbatim, a party requests the transcript of a hearing or part of a hearing, and the Judge determines that the disposition of the proceeding would be expedited by a transcript of the hearing or part of a hearing, the Judge shall order the verbatim transcription of the recording as requested by the party.

(3) Recordings or transcripts of hearings shall be made available to any person at actual cost of duplication.

§ 1.169 Post-hearing procedure and decision.

(a) Corrections to transcript or recording. (1) At any time, but not later than the time fixed for filing proposed findings of fact, conclusions and order, or briefs, as the case may be, any party may file a motion proposing corrections to the transcript or recording.

(2) Unless a party files such a motion in the manner prescribed, the transcript or recording shall be presumed, except for obvious typographical errors, to be a true, correct, and complete transcript or recording of the testimony given at the hearing and to contain an accurate description or reference to all exhibits received in evidence and made part of the hearing record.

(3) At any time prior to the filing of the Judge’s decision and after consideration of any objections filed as to the transcript or recording, the Judge may issue an order making any corrections in the transcript or recording which the Judge finds are warranted, which corrections shall be entered onto the original transcript or recording by the Hearing Clerk (without obscuring the original text).

(b) Proposed findings of fact, conclusions, order and briefs. The parties may file with the Hearing Clerk proposed findings of fact, conclusions and orders based solely upon the record and on matters subject to official notice, and briefs in support thereof. The Judge shall announce at the hearing a definite period of time within which these documents may be filed.

(c) Judge’s decision. The Judge, within a reasonable time after the termination of the period allowed for the filing of proposed findings of fact, conclusions and order, and briefs in support thereof, shall prepare, upon the basis of the record and matters officially noticed, and shall file with the Hearing Clerk, the Judge’s decision, a copy of which shall be served by the Hearing Clerk upon each of the parties. Such decision shall become final and effective without further proceedings 35 days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to §1.170: Provided, That no decision shall be final for purposes of a request for Judicial Review, as provided in §1.175(a), except a final decision of the Judicial Officer on appeal.

§ 1.170 Appeal to the Judicial Officer.

(a) Filing of petition. Within 30 days after receiving service of the Judge's decision, a party who disagrees with the decision, or any part thereof, or any ruling by the Judge or any alleged deprivation of rights, may appeal such decision to the Judicial Officer by filing an appeal petition with the Hearing Clerk. As provided in §1.168(g)(2), objections regarding evidence or a limitation regarding examination or cross-examination or other ruling made before the Judge may be relied upon in an appeal. Each issue set forth in the petition, and the arguments thereon, shall be separately numbered; shall be plainly and concisely stated; and shall contain detailed citations to the record, statutes, regulations or authorities being relied upon in support thereof. A brief may be filed in support of the appeal simultaneously with the petition.

(b) Response to appeal petition. Within 20 days after the service of a copy of an appeal petition and any brief in support thereof, filed by a party to the proceeding, any other party may file with the Hearing Clerk a response in support of or in opposition to the appeal and in such response any relevant issue, not presented in the appeal petition, may be raised.

(c) Transmittal of record. Whenever an appeal of a Judge's decision is filed and a response thereto has been filed or time for filing a response has expired, the Hearing Clerk shall transmit to the Judicial Officer the record of the proceeding. Such record shall include: the pleadings; motions and requests filed and rulings thereon; the transcript or recording of the testimony taken at the hearing, together with the exhibits filed in connection therewith; any documents or papers filed in connection with a prehearing conference; such proposed findings of fact, conclusions, and orders, and briefs in support thereof, as may have been filed in connection with the proceeding; the Judge's decision; such exceptions, statements of objections and briefs in support thereof as may have been filed in the proceeding; and the appeal petition, and such briefs in support thereof and responses there to as may have been filed in the proceeding.

(d) Oral argument. A party bringing an appeal may request, within the prescribed time for filing such appeal, an opportunity for oral arguments before the Judicial Officer. Within the time allowed for filing a response, appellee may file a request in writing for opportunity for such an oral argument. Failure to make such request in writing, within the prescribed time period, shall be deemed a waiver of oral argument. The Judicial Officer may grant, refuse, or limit any request for oral argument. Oral argument shall not be transcribed unless so ordered in advance by the Judicial Officer for good cause shown upon request of a party or upon the Judicial Officer's own motion.

(e) Scope of argument. Argument to be heard on appeal, whether oral or on brief, shall be limited to the issues raised in the appeal or in the response to the appeal, except that if the Judicial Officer determines that additional issues should be argued, the parties shall be given reasonable notice of such determination, so as to permit preparation of adequate arguments on all issues to be argued.

(f) Notice of argument; Postponement. The Hearing Clerk shall advise all parties of the time and place at which oral argument will be heard. A request for postponement of the argument must be made by motion filed a reasonable amount of time in advance of the date fixed for argument.

(g) Order of argument. The appellant is entitled to open and conclude the argument.

(h) Submission on briefs. By agreement of the parties, an appeal may be submitted for decision on the briefs, but the Judicial Officer may direct that the appeal be argued orally.

(i) Decision of the judicial officer on appeal. As soon as practicable after the receipt of the record from the Hearing Clerk, or, in case oral argument was had, as soon as practicable thereafter, the Judicial Officer, upon the basis of and after due consideration of the record and any matter of which official notice is taken, shall rule on the appeal. If the Judicial Officer decides that no change or modification of the Judge's decision is warranted, the Judicial Officer may adopt the Judge's
Office of the Secretary, USDA

§ 1.173 Judges.

(a) Assignment. No Judge shall be assigned to serve in any proceeding who (1) has any pecuniary interest in any matter or business involved in the proceeding, (2) is related within the third degree by blood or marriage to any party to the proceeding, or (3) has participated in the investigation preceding the institution of the proceeding or in determination that it should be instituted or in the preparation of the moving paper or in the development of the evidence to be introduced therein.

(b) Disqualification of Judge. (1) Any party to the proceeding may, by motion made to the Judge, request that the Judge disqualify himself or herself and withdraw from the proceeding. Such motion shall set forth with particularity the alleged disqualification. The Judge may then either rule upon or certify the motion to the Judicial Officer, but not both.

(2) A Judge will withdraw from any proceeding in which the Judge deems himself or herself disqualified for any reason.

(c) Conduct. At no stage of the proceeding between its institution and the issuance of the final decision shall the Judicial Officer or the Judge discuss ex parte the merits of the proceeding with any person who is connected with the proceeding as an advocate or in an investigative capacity, or with any representative of such person: Provided, That procedural matters shall not be included within the limitation; and Provided further, That the Judicial Officer of Judge may discuss the merits of the case with such a person if all parties to the proceeding, or their representatives, have been given an opportunity to be present. Any memorandum or other communication addressed to the Judicial Officer or a Judge, during the pendency of the proceeding, and relating to the merits of the transcript is filed with the Hearing Clerk, shall be made by and in the discretion of the Judge. The Judge may either rule upon or certify the motion, request, objection, or other question to the Judicial Officer, but not both.

§ 1.172 Motions and requests.

(a) General. All motions and requests shall be filed with the Hearing Clerk, and shall be served upon the parties, except those made on record during the oral hearing. The Judge shall rule upon all motions and requests filed or made prior to the filing of the certification of the transcript or recording. Thereafter, the Judicial Officer will rule on any motions or requests.

(b) Motions entertained. Any motion will be entertained except a motion to dismiss on the pleadings. All motions and requests concerning the complaint must be made within the time allowed for filing an answer.

(c) Contents. All written motions and requests shall state the particular order, ruling, or action desired and the grounds therefore.

(d) Response to motions in request. Within ten days after service of any written motion or request, or within such shorter or longer period as may be fixed by the Judge or the Judicial Officer, the opposing party may file a response to the motion or request.

(e) Certification to the judicial officer. The submission or certification of any motion, request, objection, or other question to the Judicial Officer prior to the time when the Judge’s certification

(a) Filing; Number of Copies. Except as otherwise provided by the Judge or the Secretary, all documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk shall be filed in quadruplicate: Provided, That, where there are parties to the proceeding in addition to complainant and respondent, an additional copy shall be filed for each such additional party. Any document or paper, required or authorized under the rules in this part to be filed with the Hearing Clerk, shall, during the course of an oral hearing, be filed with the Judge.

(b) Service; proof of service. Copies of all such documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk, shall be served upon the parties by the Hearing Clerk, or by some other employee of the Department, or by a U.S. Marshal or his Deputy. Service shall be made either (1) by delivering a copy of the document or paper to the individual to be served or to a member of the partnership to be served, or to the president, secretary, or other executive officer or any director of the corporation or association to be served, or to the attorney or agent of record of such individual, partnership, corporation, organization, or association; or (2) by leaving a copy of the document or paper at the principal office or place of business or residence of such individual, partnership, corporation, organization, or association, or of his or its attorney or agent of record and mailing by regular mail another copy to each person at such address; or (3) by registering or certifying and mailing a copy of the document or paper, addressed to such individual, partnership, corporation, organization, or association, or to his or its attorney or agent of record and mailing by regular mail another copy to each person at such address; or (3) by registering or certifying and mailing a copy of the document or paper, addressed to such individual, partnership, corporation, organization, or association, or to his or its principal office or place of business: Provided, That if the registered or certified document or paper is returned undelivered because the addressee refused or failed to accept delivery, the document or paper shall be served by remailing it by regular mail. Proof of service hereunder shall be made by the certification of the person who actually made the service: Provided, That if the service be made by mail, as outlined in paragraph (b)(3) of this section proof of service shall be made by the return post office receipt.
in the case of registered or certified mail, or by the certificate of the person who mailed the matter by regular mail. The certificate and post office receipt contemplated herein shall be filed with the Hearing Clerk, and the fact of filing thereof shall be noted in the record of the proceeding.

(c) Extension of time. The time for the filing of any document or paper required or authorized under the rules in this part to be filed may be extended by the Judge prior to the filing of the certification of the transcript or recording if there is good reason for the extension. In all instances in which time permits, notice of the request for extension of the time shall be given to the other party with opportunity to submit views concerning the request.

(d) Effective date of filing. Any document or paper required or authorized under the rules in this part to be filed shall be deemed to be filed at the time when it reaches the Department of Agriculture in Washington, D.C.; or, if authorized to be filed with an officer or employee of the Department at any place outside the District of Columbia, it shall be deemed to be filed at the time when it reaches the office of such officer or employee.

(e) Computation of time. Saturdays, Sundays and Federal holidays shall be included in computing the time allowed for the filing of any document or paper: Provided, That when such time expires on a Saturday, Sunday or Federal holiday, such period shall be extended to include the next following business day.

GENERAL PROVISIONS

§ 1.180 Definitions.

(a) The definitions contained in § 1.132 of this part are incorporated into and made applicable to this subpart.

(b) Adjudicative Officer means an administrative law judge, administrative judge, or other person assigned to conduct a proceeding covered by EAJA.

(c) Agency means an organizational unit of the Department whose head reports to an official in the Office of the Secretary.

(d) Agency counsel means the attorney from the Office of the General Counsel representing the agency of the Department administering the statute involved in the proceeding.

(e) Days means calendar days.

(f) Department means the United States Department of Agriculture.
§ 1.181 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called “EAJA” in this subpart), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called “adversary adjudications”) before the Department. An eligible party may receive an award when it prevails over the Department unless the position of the Department was substantially justified or special circumstances make an award unjust. Alternatively, an eligible party may receive an award in connection with an adversary adjudication arising from an agency action to enforce the party’s compliance with a statutory or regulatory requirement where the demand by the agency is substantially in excess of the decision of the adjudicative officer and is unreasonable when compared with such decision under the facts and circumstances of the case. The rules in this subpart describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Department will use to make awards.

§ 1.182 When EAJA applies.

EAJA applies to any adversary adjudication pending or commenced before the Department on or after August 5, 1985, except with respect to a proceeding covered under §1.183(a)(1)(ii) of this part, which is effective on or after October 21, 1986. In addition, the provisions of §1.185(b) relating to award for excessive demand apply only to adversary adjudications commenced on or after March 29, 1996. Changes in maximum rates for attorney fees are effective as of October 11, 2002.

§ 1.183 Proceedings covered.

(a)(1) The rules in this subpart apply to adversary adjudications. These are:
(i) Adjudications required by statute to be conducted by the Department under 5 U.S.C. 554 in which the position of the Department or any other agency of the United States, or any component of an agency, is presented by an attorney or other representative who enters an appearance and participates in the proceeding.
(ii) Appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before the Agriculture Board of Contract Appeals as provided in section 8 of that Act (41 U.S.C. 607), and
(iii) Any hearing conducted under chapter 38 of title 31, United States Code.

(2) Any proceeding in which the Department may prescribe a lawful present or future rate is not covered by EAJA. Proceedings to grant or renew licenses also are excluded, but proceedings to modify, suspend, or revoke licenses are covered if they are otherwise “adversary adjudications.” The proceedings covered include adversary adjudications under the following statutory provisions.

(b) The failure of the Department to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by EAJA; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes both matters covered by EAJA and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

§ 1.184 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under EAJA, the applicant must meet one of the following conditions:

(1) The applicant must be a prevailing party to the adversary adjudication for which it seeks an award; or

(2) The applicant must be a party to an adversary adjudication arising from an agency action to enforce the party’s compliance with a statutory or regulatory requirement in which the demand by the agency was substantially in excess of the decision of the adjudicative officer and the demand is unreasonable when compared with such decision under the facts and circumstances of the case.

(b) In addition to the criteria set out in paragraph (a) of this section, a party seeking an award must be one of the following:

(1) An individual with a net worth of not more than $2 million;

(2) The sole owner of an unincorporated business who has a net worth of not more than $7 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (7 U.S.C. 1141f(a)) with not more than 500 employees;

(5) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than $7 million and not more than 500 employees;

(6) For purposes only of paragraph (a)(2) of this section, a small entity as defined in 5 U.S.C. 601.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the adversary adjudication was initiated. Provided, that for purposes of eligibility in proceedings covered by §1.183(a)(1)(ii) of this part, the net worth and number of employees of an applicant shall be determined as of the date the applicant filed its appeal under 41 U.S.C. 606.

(d) In interpreting the criteria set forth in paragraph (b) of this section, the following apply:

(1) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(2) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant’s direction and control. Part-time employees shall be included on a proportional basis.

(3) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation, or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this subpart, unless the adjudicative officer determines such treatment would be unjust and contrary to the purposes of EAJA in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute
special circumstances that would make an award unjust.

(4) An applicant that participates in a proceeding primarily on behalf of one or more other person or entity that would be ineligible is not itself eligible for an award.

§ 1.185 Standards for awards.

(a) Prevailing party. (1) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the Department was substantially justified. The position of the Department includes, in addition to the position taken by the Department in the adversary adjudication, the action or failure to act by the Department upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant because the position of the Department was substantially justified is on the agency.

(2) An award to a prevailing applicant will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

(b) Excessive demand. (1) If, in an adversary adjudication arising from an agency action to enforce a party’s compliance with a statutory or regulatory requirement, the demand by the agency is substantially in excess of the decision of the adjudicative officer and is unreasonable when compared with such decision under the facts and circumstances of the case, the adjudicative officer shall award to the party the fees and other expenses related to defending against the excessive demand, unless the party has committed a willful violation of law or otherwise acted in bad faith, or special circumstances make an award unjust. Fees and expenses awarded under this paragraph shall be paid only as a consequence of appropriations provided in advance.

(2) “Demand” means the express demand of the agency which led to the adversary adjudication, but does not include a recitation by the agency of the maximum statutory penalty:

(i) In the administrative complaint, or
(ii) Elsewhere when accompanied by an express demand for a lesser amount.

§ 1.186 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents, and expert witnesses, even if the services were made available without charge or at reduced rate to the applicant.

(b) In proceedings commenced on or after the effective date of this paragraph, no award for the fee of an attorney or agent under the rules in this subpart may exceed $150 per hour. No award to compensate an expert witness may exceed the highest rate at which the Department pays expert witnesses, which is set out at §1.150 of this part. However, an award also may include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent, or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent, or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent, or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or
other matter was necessary for preparation of the applicant's case.

§ 1.187 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Department may adopt regulations providing that attorney fees may be awarded at a rate higher than $150 per hour in some or all of the types of proceedings covered by this part. The Department will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act.

(b) Any person may file with the Department a petition for rulemaking to increase the maximum rate for attorney fees in accordance with §1.28 of this part. The petition should identify the rate the petitioner believes the Department should establish and the types of proceedings in which the rate should be used. It also should explain fully the reasons why the higher rate is warranted. The Department will respond to the petition within 60 days after it is filed, by initiating a rulemaking proceeding, denying the petition, or taking other appropriate action.

§ 1.188 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Department and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

[77 FR 43584, July 17, 2012]

§ 1.189 Delegations of authority.

(a) Except as provided in paragraph (b) of this section, the Secretary of Agriculture delegates to the Judicial Officer authority to take final action on matters pertaining to the Act in particular cases to other subordinate officials or bodies.

(b)(1) The Secretary of Agriculture delegates to the Director of the National Appeals Division authority to take final actions on matters pertaining to the Act for proceedings under 7 CFR part 11.

(2) With respect to proceedings covered under §1.183(b)(1)(ii) of this part, the Board of Contract Appeals is authorized by statute (41 U.S.C. 607) to take final action.

INFORMATION REQUIRED FROM APPLICANTS

§ 1.190 Contents of application.

(a) An application for an award of fees and expenses under EAJA shall identify the applicant and the proceeding for which an award is sought. Unless the applicant is an individual, the application shall state the number of employees of the applicant and describe briefly the type and purpose of its organization or business. The application shall also:

(1) Show that the applicant has prevailed and identify the position of the Department that the applicant alleges was not substantially justified and shall briefly state the basis for such allegation; or

(2) Show that the demand by the Department in the proceeding was substantially in excess of, and was unreasonable when compared with, the decision in the proceeding.

(b) The application also shall, as appropriate, include a declaration that the applicant is a small entity as defined in 5 U.S.C. 601 or a statement that the applicant’s net worth does not exceed $2 million (if an individual) or $7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt
§ 1.191 Status, a statement that describes the basis for the applicant’s belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 114j(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application also may include any other matters that the applicant wishes the Department to consider in determining whether, and in what amount, an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It also shall contain or be accompanied by a written verification under oath or affirmation under penalty of perjury that the information provided in the application and all accompanying material is true and complete to the best of the signer’s information and belief.

§ 1.191 Net worth exhibit.

(a) An applicant, except a qualified tax-exempt organization or cooperative association, must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 1.184 of this part) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant’s assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this subpart. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled “Confidential Financial Information,” accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b) (1) through (9). The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the established procedures of the Department under the Freedom of Information Act (§§ 1.1 through 1.23 of this part).

§ 1.192 Documentation of fees and expenses.

(a) The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project, or similar matter, for which an award is sought.

(b) The documentation shall include an affidavit from any attorney, agent, or expert witness representing or appearing on behalf of the party, stating the actual time expended and the rate at which fees and other expenses were computed and describing the specific services performed.

(1) The affidavit shall state the services performed. In order to establish the hourly rate, the affidavit shall state the hourly rate which is billed and paid by the majority of clients during the relevant time periods.

(2) If no hourly rate is paid by the majority of clients because, for instance, the attorney or agent represents most clients on a contingency basis, the attorney or agent shall provide information about two attorneys or agents with similar experience, who perform similar work, stating their hourly rate.

(c) The documentation also shall include a description of any expenses for which reimbursement is sought and a statement of the amounts paid and payable by the applicant or by any other person or entity for the services provided.
Office of the Secretary, USDA

§ 1.197

(d) The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any fees or expenses claimed, pursuant to §1.199 of this part.

§ 1.193 Time for filing application.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after final disposition of the proceeding by the Department.

(b) For the purposes of this subpart, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, become final and unappealable, both within the Department and to the courts.

(c) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

PROCEDURES FOR CONSIDERING APPLICATIONS

§ 1.194 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in §1.191 of this part for confidential financial information. The provisions relating to filing, service, extensions of time, and computation of time contained in §1.147 of this part are incorporated into and made applicable to this subpart, except that the statutory 30 day time limit on filing the application as set out in §1.193 of this part may not be extended.

§ 1.195 Answer to application.

(a) Within 30 days after service of an application, agency counsel may file an answer. If agency counsel fails to timely answer or settle the application, the adjudicative officer, upon a satisfactory showing of entitlement by the applicant, may make an award for the applicant’s allowable fees and expenses.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of agency counsel’s position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under §1.199 of this part.

§ 1.196 Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under §1.199 of this part.

§ 1.197 Comments by other parties.

Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served. A commenting party may not participate further in proceedings on the application, unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.
§ 1.198 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded. If a prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 1.199 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant’s eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether the position of the Department was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(b) A request that the adjudicative officer order further proceedings under this section shall identify specifically the information sought or the disputed issues, and shall explain specifically why the additional proceedings are necessary to resolve the issues.

(c) In the event that an evidentiary hearing is held, it shall be conducted pursuant to §§1.130 through 1.151 of this part, except that any hearing in a proceeding covered by §1.183(a)(1)(ii) of this part shall be conducted pursuant to Rules 17 through 25 of the Board of Contract Appeals contained in §24.21 of this title.

§ 1.200 Decision.

The adjudicative officer or Board of Contract Appeals shall issue an initial decision on the application as expeditiously as possible after completion of proceedings on the application. Whenever possible, the decision shall be made by the same administrative judge or panel that decided the contract appeal for which fees are sought. The decision shall include written findings and conclusions on the applicant’s eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. This decision also shall include, if at issue, findings on whether the position of the Department was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made.

§ 1.201 Department review.

(a) Except with respect to a proceeding covered by §1.183(a)(1)(ii) of this part either the applicant or agency counsel may seek review of the initial decision on the fee application, in accordance with the provisions of §§1.145(a) and 1.146(a) of this part or in accordance with any delegation made pursuant to §1.189 of this part. If neither the applicant nor agency counsel seeks review, the initial decision on the fee application shall become a final decision of the Department 35 days after it is served upon the applicant. If review is taken, it will be in accordance with the provisions of §§1.145(b) through (i) and 1.146(b) of this part, or

(b) With respect to a proceeding covered by §1.183(a)(1)(ii) of this part, either party may seek reconsideration of the decision on the fee application in accordance with Rule 29 of the Board of Contract Appeals contained in §24.21 of this title. In addition, either party may appeal a decision of the Board of Contract Appeals to the Court of Appeals for the Federal Circuit in accordance with 41 U.S.C. 607.
§ 1.202 Judicial review. 

Judicial review of final agency decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 1.203 Payment of award. 

An applicant seeking payment of an award shall submit to the head of the agency administering the statute involved in the proceeding a copy of the final decision of the Department granting the award, accompanied by a statement that the applicant will not seek review of the decision in the United States courts. The agency will pay the amount awarded to the applicant within 60 days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

§ 1.210 Purpose. 

This subpart sets forth procedures governing the appearance of USDA employees as witnesses in order to testify or produce official documents in judicial or administrative proceedings when such appearance is in their official capacity or arises out of or is related to their employment with USDA. These regulations do not apply to appearances by USDA employees as witnesses in judicial or administrative proceedings which are purely personal or do not arise out of or relate to their employment with USDA. This subpart also does not apply to Congressional requests or subpoenas for testimony or documents.

§ 1.211 Definitions. 

(a) Administrative proceeding means any proceeding pending before any federal, state, or local agency and undertaken for the purpose of the issuance of any regulations, orders, licenses, permits, or other rulings, or the adjudication of any matter, dispute, or controversy.

(b) Appearance means testimony or production of documents the request for which arises out of an employee’s official duties with USDA or relates to his or her employment with USDA. For the purpose of this subpart, an appearance also includes an affidavit, deposition, interrogatory, or other required written submission.

(c) Judicial proceeding means any case or controversy pending before any federal, state, or local court.

(d) Travel expenses means the amount of money paid to a witness for reimbursement for transportation, lodging, meals, and other miscellaneous expenses in connection with attendance at a judicial or administrative proceeding.

(e) USDA means the United States Department of Agriculture.

(f) USDA agency means an organizational unit of USDA whose head reports to an official within the Office of the Secretary of Agriculture.

§ 1.212 General. 

No USDA employee may provide testimony or produce documents in a judicial or administrative proceeding unless authorized in accordance with this subpart.

§ 1.213 Appearance as a witness on behalf of the United States. 

An employee of USDA may appear as a witness on behalf of the United States in any judicial or administrative proceeding without the issuance of a summons, subpoena, or other compulsory process. Employees should obtain permission for such an appearance from their immediate supervisor unless the USDA agency or General Counsel has issued instructions providing otherwise.
§ 1.214 Appearance as a witness on behalf of a party other than the United States where the United States is not a party.

(a) An employee of USDA served with a valid summons, subpoena, or other compulsory process demanding his or her appearance, or otherwise requested to appear on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is not a party, shall promptly notify the head of his or her USDA agency of the existence and nature of the order compelling his or her appearance, or of the document requesting his or her attendance. He or she shall also specify, if that is known, the nature of the judicial or administrative proceeding and the nature of the testimony or documents requested.

(b)(1) An employee of USDA served with a valid summons, subpoena, or other compulsory process, or requested to appear as a witness on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is not a party, may appear only if such appearance has been authorized by the head of his or her USDA agency, with the concurrence of the General Counsel, based upon a determination that such an appearance is in the interest of USDA.

(2) An employee of USDA requested to appear as a witness on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is not a party, without the service of a valid summons, subpoena, or other compulsory process, may appear only if such appearance has been authorized by the head of his or her USDA agency and the concurrence of the General Counsel, based upon a determination that such an appearance is in the interest of USDA.

(c) Unless an appearance is authorized as provided in paragraphs (b)(1) or (b)(2) of this section, the employee shall appear at the stated time and place (unless advised by the General Counsel or his or her designee that the summons, subpoena, or other process was not validly issued or served), produce a copy of these regulations and respectfully decline to provide any testimony. As appropriate, the General Counsel or his or her designee will request the assistance of the Department of Justice or of a United States Attorney, in the case of a judicial proceeding; or of the official or attorney representing the United States, in the case of an administrative proceeding, to represent the interests of the employee and USDA.

(d) If there is any question regarding the validity of a summons, subpoena, or other compulsory process, an employee shall contact the Office of the General Counsel for advice.

(e)(1) In determining whether the employee’s appearance is in the interest of USDA, authorizing officials should consider the following:

(i) what interest of USDA would be promoted by the employee’s testimony;

(ii) whether an appearance would result in an unnecessary interference with the duties of the USDA employee;

(iii) whether an employee’s testimony would result in the appearance of improperly favoring one litigant over another.

(2) The considerations listed in paragraph (e)(1) of this section are illustrative and not exhaustive.

§ 1.215 Subpoenas duces tecum for USDA records in judicial or administrative proceedings in which the United States is not a party.

(b) Whenever a subpoena duces tecum compelling the production of records is served on a USDA employee in a judicial or administrative proceeding in which the United States is not a party, the employee, after consultation with the General Counsel or his or her designee, shall appear in response thereto, respectfully decline to produce the records on the grounds that it is prohibited by this section and state that the production of the records involved

He or she shall also specify, if that is known, the nature of the judicial or administrative proceeding and the nature of the testimony or documents requested.

(b)(2) An employee requested to appear as a witness or produce records on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is a party, without being served a valid summons, subpoena, or other compulsory process, may appear or produce records only if such appearance or production has been authorized by a representative of the Department of Justice, the United States Attorney, or other counsel representing the United States, in the case of a judicial proceeding; or of the official or attorney representing the United States, in the case of an administrative proceeding, to represent the interest of the employee and USDA.

(c) The head of the USDA agency shall consult with the General Counsel or his or her designee as to whether there are grounds to oppose the employee's attendance or production of documents and, if so, whether to seek to quash the summons, subpoena, compulsory process, or to deny authorization under paragraph (b)(2) of this section.

(d) As appropriate, the General Counsel or his or her designee will request the assistance of the Department of Justice, a United States Attorney, or other counsel representing the United States, in the case of a judicial proceeding; or of the official or attorney representing the United States, in the case of an administrative proceeding, to represent the interest of the employee and USDA.

(b) In the case of allegations of liability under §1.303(a) of this part with respect to a claim, the reviewing official determines with respect to such claim, or a group of related claims submitted at the same time, that the amount of money or the value of property or services demanded or requested in violation of §1.303(a) of this part does not exceed $150,000; and

(c) For the purposes of this section, a group of related claims submitted at the same time shall include only those claims arising from the same transaction (e.g., a single grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission, regardless of the amount of money or the value of property or services demanded or requested.

(d) Nothing in this section shall be construed to limit the reviewing official’s authority to join in a single complaint against a person claims that are...
unrelated or were not submitted simultaneously, regardless of the amount of money or the value of property or services demanded or requested.

§ 1.307 Complaint.
(a) On or after the date the Department of Justice approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the respondent, as provided in §1.308 of this part.
(b) The complaint shall state—
(1) The allegations of liability, including the statutory basis for liability, an identification of the claims or statements that are the basis for the alleged liability, and the reasons that liability allegedly arises from such claims or statements;
(2) The maximum amount of penalties and assessments for which the respondent may be held liable;
(3) Instructions for requesting a hearing, including a specific advice of the respondent’s right to request a hearing and to be represented by a representative; and
(4) That failure to file an answer within 30 days of service of the complaint may result in the imposition of the penalty and assessment sought in the complaint without right to appeal.
(c) At the same time the reviewing official serves the complaint, he or she shall serve the respondent with a copy of these regulations.

§ 1.309 Answer and request for hearing.
(a) Within 30 days of the date of receipt or refusal to accept service of the complaint, the respondent may file an answer with the reviewing official.
(b) In the answer, the respondent—

(2) Shall state any defense upon which the respondent intends to rely;
(3) Shall state the name, address, and telephone number of the person authorized to act as the respondent’s representative, if any;
(4) May state any reasons why the respondent contends the penalty and assessment should be reduced or modified; and
(5) May request a hearing.

§ 1.310 Default upon failure to file an answer.
(a) If the respondent does not file an answer within the time prescribed in §1.309(a) of this part, the reviewing official may refer the complaint together with proof of service to the ALJ and request that the ALJ issue an order of default imposing the penalties and assessments sought in the complaint. An answer must comply in all material respects with §1.309(b) of this part in order to be considered filed within the time prescribed in §1.310(a) of this part.
(b) Upon the referral of the complaint under paragraph (a) of this section, the ALJ shall promptly serve on the respondent, in the manner prescribed in §1.308 of this part, a notice that a decision will be issued under this section.
(c) If the respondent fails to answer, the ALJ shall assume the facts alleged in the complaint to be true and, if such facts establish liability under §1.303 of this part, the ALJ shall issue a decision imposing the penalties and assessments sought in the complaint, not to exceed the maximum amount allowed under the statute.
(d) A respondent who fails to file a timely answer waives any right to a review of the penalty and assessment, unless he can demonstrate extraordinary circumstances justifying the failure to file an answer.
§ 1.311 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall send to the ALJ copies of the complaint, proof of service, and the answer.

§ 1.312 Procedure where respondent does not request a hearing.

(a) If the respondent files an answer with the reviewing official within the time period prescribed in §1.309(a) of this part but does not request a hearing, the ALJ, upon receipt of the complaint, proof of service, and answer, shall notify the respondent that a decision will be issued under this section and shall afford the parties 30 days in which to submit documentary evidence or other relevant written information, including briefs or other written arguments. At the end of that period, the ALJ shall issue a decision based upon the pleadings and the evidence submitted, or if no evidence has been submitted, upon the pleadings. The burden of proof shall be as set forth in §1.329 of this part.

(b) When a decision is to be issued under this section, the ALJ shall have discretion to permit, allow, limit, or otherwise control discovery to the extent set forth under §§1.322 thru 1.324 of this part.

§ 1.313 Procedure where respondent requests a hearing; notice of hearing.

§ 1.316 Ex parte contacts.

Except to the extent required for the disposition of ex parte matters as authorized by law, the ALJ shall not consult or be consulted by any person or party (except employees of the ALJ’s office) on any matter in issue, unless on notice and opportunity for all parties to participate.

(a) Upon written request to the reviewing official, the respondent may review any relevant and material documents, transcripts, records, and other materials that relate to the allegations set out in the complaint and upon which the findings and conclusions of the investigator of the complaint are based unless such documents are privileged under Federal law. Upon payment of fees for duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the respondent also may obtain a copy of all exculpatory information in the possession of the reviewing official or the investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. If the document would otherwise be privileged, only that portion containing exculpatory information must be disclosed.

(c) The notice sent to the Attorney General from the reviewing official as described in §1.305 of this part is not discoverable under any circumstances.

(d) The respondent may file a motion to compel disclosure of the documents subject to the provisions of this section. Such a motion may be filed with the ALJ following the filing of the answer pursuant to §1.309 of this part.

(c) Requests for production of documents and requests for admission.

(1) A party may serve requests for production of documents or requests for admission on another party.

(2) If a party served with such requests fails to respond timely, the requesting party may file a motion to compel production or deem admissions, as appropriate.

(3) A party served with such a request may file a motion for a protective order before the date on which a response to the discovery request is due, stating reasons why discovery should be limited or should not be required.

(4) Within 15 days of service of a motion to compel or to deem matter admitted or a motion for a protective order, the opposing party may file a response.

(5) The ALJ may grant a motion to compel production or deem matter admitted or may deny a motion for a protective order only if he finds that—

(i) The discovery sought is necessary for the expeditious, fair, and reasonable consideration of the issues;

(ii) It is not unduly costly or burdensome;

(iii) It will not unduly delay the proceeding; and

(iv) The information sought is not privileged.

(1) A party seeking to use depositions or written interrogatories may file a motion with the ALJ.

(3) The ALJ may grant a motion allowing the taking of a deposition or the use of interrogatories or may deny a motion for a protective order only if he finds that the moving party has satisfied the standards set forth in paragraph (c)(5) of this section and has shown that the information sought cannot be obtained by any other means.

(4) If the ALJ grants a motion permitting a deposition, he shall issue a subpoena, which may also require the witness to produce documents. The party seeking to depose shall serve the subpoena in the manner prescribed in § 1.308 of this part.

(5) The party seeking to depose shall provide for the taking of a verbatim transcript of the deposition, which it shall make available to all other parties for inspection and copying.

(e) Costs. The costs of discovery shall be borne by the party seeking discovery.

(f) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) That the discovery not be had;

(2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;

(3) That the discovery may be had only through a method of discovery other than that requested;

(4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;

(5) That discovery be conducted with no one present except persons designated by the ALJ;

(6) That the contents of discovery or evidence be sealed;

(7) That a deposition after being sealed be opened only by order of the ALJ;

(8) That a trade secret or other confidential research, development, commercial information or facts pertaining to any criminal investigation, proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or

(9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

(g) Exchange of witness lists, statements, and exhibits. Witness lists, copies of prior statements of proposed witnesses, and copies of proposed hearing exhibits, including copies of any written statements or depositions that a party intends to offer in lieu of live testimony in accordance with § 1.331(b) of this part, shall be exchanged at least 15 days in advance of the hearing, or at such other time as may be set by the ALJ. (c) A party who desires the issuance of a subpoena shall file with the ALJ a written request not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request shall specify any documents to be produced and shall designate the witnesses whose attendance is sought to be required and describe their addresses and locations with sufficient particularity to permit such witnesses to be found. The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is
§ 1.324 Fees.
The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of USDA, a check for witness fees and mileage need not accompany the subpoena.

§ 1.325 Form, filing and service of papers.
(a) Form.
(1) The original and two copies of all papers in a proceeding conducted under this subpart shall be filed with the ALJ assigned to the case.
(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena).
(3) Every pleading and paper shall be signed by and shall contain the address and telephone number of the representative for the party or the person on whose behalf the paper was filed.
(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or his representative or by proof that the document was sent by certified or registered mail.
(b) Service. A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than the complaint or notice of hearing shall be made by delivering or mailing a copy to the party’s last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.
(c) Proof of service. A certificate of the person serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 1.326 Computation of time.
(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day.
(b) When the period of time allowed is ten or fewer calendar days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal Government shall be excluded from the computation.
(c) When a document has been served by mail, an additional five days will be added to the time permitted for any response.

§ 1.327 Motions.
(a) Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.
(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.
(c) The ALJ may require written motions to be accompanied by supporting memorandums.
(d) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.
§ 1.331 Witnesses.

(e) The ALJ may not grant a written motion prior to expiration of the time for filing responses thereto, except upon consent of the parties or following a hearing, but may overrule or deny such motion without awaiting a response.

(f) The ALJ shall make every reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 1.328 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for:

(1) Failing to comply with a lawful order, subpoena, or procedure;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with a subpoena or an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission, the ALJ may:

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem admitted each item as to which an admission is requested;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon testimony relating to the information sought;

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request; or

(5) Request that the Attorney General petition an appropriate district court for an order to enforce a subpoena.

(d) If a party fails to prosecute or defend an action under this subpart commenced by service of a complaint, the ALJ may dismiss the action or enter an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion or other action which is not filed in a timely fashion.

§ 1.329 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the respondent is liable for a civil penalty or assessment under §1.303 of this part, and if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The USDA shall prove respondent’s liability and any aggravating factors by a preponderance of the evidence.

(c) The respondent shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 1.330 Location of hearing.

(a) The hearing may be held—

(1) In any judicial district of the United States in which the respondent resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place as may be agreed upon by the respondent and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The ALJ shall issue an order to the parties designating the time and the place of the hearing.

§ 1.331 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of
§ 1.332 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided herein, the Federal Rules of Evidence are not applicable to the hearing, except that the ALJ may in his discretion apply the Federal Rules of Evidence in order to assure production of credible evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties unless otherwise ordered by the ALJ pursuant to §1.322 of this part.

§ 1.333 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained from the reporter by anyone at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the judicial officer.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone unless otherwise ordered by the ALJ.

§ 1.334 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 1.335 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the judicial officer, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the judicial officer in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent
claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;
(2) The time period over which such claims or statements were made;
(3) The degree of the respondent’s culpability with respect to the misconduct;
(4) The amount of money or the value of the property, services, or benefit falsely claimed;
(5) The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;
(6) The relationship of the amount imposed as civil penalties to the amount of the Government’s loss;
(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;
(8) Whether the respondent has engaged in a pattern of the same or similar misconduct;
(9) Whether the respondent attempted to conceal the misconduct;
(10) The degree to which the respondent has involved others in the misconduct or in concealing it;
(11) Where the misconduct of employees or agents is imputed to the respondent, the extent to which the respondent’s practices fostered or attempted to preclude such misconduct;
(12) Whether the respondent cooperated in or obstructed an investigation of the misconduct;
(13) Whether the respondent assisted in identifying and prosecuting other wrongdoers;
(14) The complexity of the program or transaction, and the degree of the respondent’s sophistication with respect to it, including the extent of the respondent’s prior participation in the program or in similar transactions;
(15) Whether the respondent has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the government of the United States or of a State, directly or indirectly; and
(16) The need to deter the respondent and others from any engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the judicial officer from considering any other factors that in any given case may mitigate or aggravate the acts for which penalties and assessments are imposed.

§ 1.336 Initial decision of the ALJ.

(a) The ALJ shall issue an initial decision, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues for every claim or statement with respect to which a penalty or assessment was proposed:

(1) Whether any claim or statement identified in the complaint violates §1.303 of this part;
(2) If the respondent is liable for penalties or assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors described in §1.335 of this part.

(c) The ALJ shall serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall include with the initial decision a statement describing the right of any respondent determined to be liable for a civil penalty or assessment to file notice of appeal with the judicial officer. The ALJ may extend the time period for serving the initial decision on the parties.

(d) Unless the initial decision of the ALJ is timely appealed to the judicial officer, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the Secretary and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 1.337 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a
motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the judicial officer in accordance with §1.338 of this part.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the judicial officer in accordance with §1.338 of this part.

§ 1.338 Appeal to the judicial officer.

(a) Any respondent who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the Secretary by filing a notice of appeal with the judicial officer in accordance with this section. The judicial officer of USDA shall consider all appeals to the Secretary under this subpart and render a decision on behalf of the Secretary.

(b)(1) A notice of appeal may be filed at any time within 30 days after the ALJ issues an initial decision. However, if another party files a motion for reconsideration under §1.337 of this part, consideration of the appeal shall be stayed automatically pending resolution of the motion for reconsideration.

(2) If a motion for reconsideration is timely filed, a notice of appeal may be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(c) The judicial officer may extend the initial 30-day period during which a notice of appeal may be filed for an additional 30 days if the respondent files a request for an extension within the initial 30-day period and shows good cause.

(d) If the respondent timely files a notice of appeal with the judicial officer and the time for filing motions for reconsideration under §1.337 of this part has expired, the ALJ will forward the record of the proceeding to the judicial officer.

(e) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(f) The representative for USDA may file a brief in opposition to exceptions within 30 days of receiving the brief proposing exceptions.

(g) There is no right to appear personally before the judicial officer.

(h) There is no right to interlocutory appeal of rulings by the ALJ.

(i) The judicial officer, in reviewing the decision, shall not consider any objection that was not raised before the ALJ unless a demonstration is made that extraordinary circumstances caused the failure to raise the objection.

(j) If any party demonstrates to the satisfaction of the judicial officer that additional evidence not presented to the ALJ is material and that there were reasonable grounds for the failure to present such evidence to the ALJ, the judicial officer shall remand the matter to the ALJ for consideration of such additional evidence.

(k) The judicial officer may affirm, reduce, reverse, compromise, remand or settle any penalty or assessment determined by the ALJ.

(l) The judicial officer shall promptly serve each party to the appeal with a copy of the decision of the judicial officer and a statement describing the respondent’s right to seek judicial review.
(m) Unless a petition for review is filed as provided in 31 U.S.C. 3805 after a respondent has exhausted all administrative remedies under this part and within 60 days after the date on which the judicial officer serves the respondent with a copy of the judicial officer’s decision, a determination that a respondent is liable under § 1.303 of this part is final and is not subject to judicial review.

§ 1.339 Stays ordered by the Department of Justice.

(a) If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the Secretary a written finding that continuation of the administrative process described in this subpart with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the judicial officer shall stay the process immediately.

(b) If the judicial officer stays the administrative process in accordance with paragraph (a) of this section, the judicial officer may order the process resumed only upon receipt of the written authorization of the Attorney General.

§ 1.340 Stay pending appeal.

(a) A decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the judicial officer.

(b) The respondent may file with the ALJ a request for stay of the effective date of a decision of the judicial officer pending judicial review. Such request shall state the grounds upon which respondent relies in requesting the stay, together with a copy of the notice(s) of appeal filed by respondent seeking review of a decision of the judicial officer. The filing of such a request shall automatically stay the effective date of the decision of the judicial officer until the ALJ rules upon the request.

(c) The representative for the USDA may file an opposition to respondent’s request for a stay within 10 days of receipt of the request. If the representative for the USDA fails to file such an opposition within the allotted time, or indicates that the USDA has no objection to the request, the ALJ may grant the stay without requiring respondent to give a bond or other security.

(d) The ALJ may grant a contested request where justice so requires and to the extent necessary to prevent irreparable harm but only upon the respondent’s giving of a bond or other adequate security. The ALJ shall rule promptly on a contested request for stay.

(e) A decision of the ALJ denying respondent’s request for a stay shall constitute final agency action.

§ 1.341 Judicial review.

Section 3805 of title 31, United States Code, authorizes judicial review by an appropriate United States District Court of a final decision of the judicial officer imposing penalties or assessments under this part and specifies the procedures for such review.

§ 1.342 Collection of civil penalties and assessments.

Sections 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this subpart and specify the procedures for such actions.

§ 1.343 Right to administrative offset.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under § 1.341 or § 1.342 of this part, or any amount agreed upon in a settlement under § 1.345 of this part, may be collected by administrative offset under 31 U.S.C. 3716, except that an administrative offset may not be made under this subsection against a refund of an overpayment of Federal taxes then or later owing by the United States to the respondent.

During the 10 working day review period, parties who have submitted written comments on an application or on a formal review of a sourcing area may submit a written recommendation to the Judge, including an analysis of the facts and law as to why the Judge should approve or disapprove that application. A sourcing area applicant whose sourcing area application is the subject of the proceeding, and a sourcing area holder whose sourcing area is the subject of a formal review, may also submit a written recommendation to the Judge. The recommendation must be postmarked no later than the 10th working day of the review period.

The request for a hearing shall be filed with the Judge. The hearing is for the purpose of supplementing the written record submitted prior to the hearing. The written record submitted prior to the hearing consists of papers and documents submitted during the 30 calendar day comment period, the 10 working day review period, and any motions submitted before the hearing. The notice of hearing shall contain a reference to the authority under which the sourcing area is proposed or formally reviewed; shall define the scope of the hearing; shall contain a reference to the sourcing area that is the subject of the hearing; and shall state the date, time and place of such hearing; which shall be set with due regard for the necessity and convenience of the parties of record or their representatives. The Judge shall schedule a hearing no later than 21 calendar days after the 10 working day period for reviewing written comments ends. The Judge may consolidate requests for a hearing regarding the same application.

(2) Giving notice of hearing. The notice of hearing shall be served upon the parties of record for the sourcing area application at issue by the Hearing Clerk.

§ 1.418 Procedure upon no request for hearing.

If no hearing is requested by a party of record, the Judge shall issue an initial decision based on the written record and without further procedure or hearing. If no hearing is requested, the written record consists of papers and documents submitted during the 30-day comment period, the 10-day review period, and includes motions submitted before the Judge issues an initial decision. Such consent recommendation shall be filed with the Hearing Clerk, signed by the parties with appropriate space for signature by the Judge. The consent recommendation shall contain an admission of the jurisdictional facts, the factual and legal basis for the recommended sourcing area, the consent to the issuance of the recommended decision as the final decision of the agency without further procedure and such other admissions or statements as may be recommended by the parties. The Judge shall review the recommendation to determine whether such recommendation conforms with the Forest Resources Conservation and Shortage Relief Act of 1990 (16 U.S.C. 620, et seq.), 36 CFR 223.190, 36 CFR 223.191(e) and these procedures. If the recommendation conforms to the aforementioned Act, regulations, and procedures, the Judge may enter such decision without further procedure, unless an error is apparent on the face of the
§ 1.421 Prehearing conferences and procedures.

(a) Purpose and scope. (1) Upon motion of a party of record or upon the Judge’s own motion, the Judge may direct the parties or their counsel to attend a conference at any reasonable time, prior to or during the course of the hearing, when the Judge finds that the proceeding would be expedited by a prehearing conference. Reasonable notice of the time and place of the conference shall be given. The Judge may order each of the parties to furnish at or subsequent to the conference any or all of the following:
   (i) An outline of a party’s position;
   (ii) The facts upon which the party will rely;
   (iii) The legal theories upon which the party will rely;
   (iv) Copies of or a list of documents which the party anticipates introducing at the hearing; and
   (v) A list of anticipated witnesses who will testify on behalf of the party. At the discretion of the party furnishing such list of witnesses, the names of the witnesses need not be furnished if they are otherwise identified in some meaningful way such as a short statement of the type of evidence they will offer.

(2) The Judge shall not order any of the foregoing procedures that a party can show is inappropriate or unwarranted under the circumstances of the particular determination.

(3) At the conference, the following matters shall be considered:
   (i) The simplification of issues;
   (ii) The possibility of obtaining stipulations of facts and of the authenticity, accuracy, and admissibility of documents, which will avoid unnecessary proof;
   (iii) The limitation of the number of expert or other witnesses;
   (iv) Negotiation, compromise, or settlement of issues;
   (v) The exchange of copies of proposed exhibits;
   (vi) The identification of documents or matters of which official notice may be requested;
   (vii) A schedule to be followed by the parties for completion of the actions decided at the conference; and
   (viii) Such other matters as may expedite and aid in the disposition of the proceeding.

(b) Reporting. A prehearing conference will not be stenographically reported unless so directed by the Judge.

(c) Action in lieu of personal attendance at a conference. In the event the Judge concludes that personal attendance by the Judge and the parties or counsel at a prehearing conference is unwarranted or impracticable, but determines that a conference would expedite the proceeding, the Judge may conduct such conference by telephone or correspondence.

(d) Order. Actions taken as a result of a conference shall be reduced to an appropriate written order, unless the Judge concludes that a stenographic report shall suffice, or if the Judge elects to make a statement on the record at the hearing summarizing the actions taken.

§ 1.422 Conduct of the hearing.

(a) Time and place. The hearing shall be held at the time and place fixed in the notice of hearing. If any change in the time or place of the hearing is made, the Judge shall file with the Hearing Clerk a notice of such change, which notice shall be served upon the parties, unless it is made during the course of an oral script, or actual notice is given to the parties.

(b) Appearances. The parties may appear in person or by attorney of record in the proceeding. Any party who desires to be heard in person shall, before proceeding to testify, state his name, address, and occupation. If any such person is appearing through counsel, such person or such counsel shall, before proceeding to testify or otherwise to participate in the hearing, state for the record the authority to act as such counsel or representative, and the names, addresses, and occupations of such person and such counsel. Any such person or such counsel shall give such
other information respecting his appearance as the Judge may request. Any person who appears as counsel must conform to the standards of ethical conduct required of practitioners before the courts of the United States.

(c) Failure to appear. A party of record who, after being duly notified, fails to appear at the hearing without good cause, shall be deemed to have waived the right to an oral hearing in the proceeding. Failure to appear at a hearing shall not be deemed to be a waiver of the right to be served with a copy of the Judge’s decision.

(d) Order of proceeding. The Judge shall determine the order in which the parties shall proceed.

(e) Evidence—(1) In general. (i) The testimony of witnesses at a hearing shall be on oath or affirmation and shall be subject to cross-examination. Cross-examination shall be permitted to the extent required for a full and true disclosure of the facts. The Judge may require that testimony on one issue raised by numerous parties be heard at one time.

(ii) Upon a finding of good cause, the Judge may order that any witness be examined separately and apart from all other witnesses except those who may be parties to the proceeding.

(iii) After a witness has testified on direct examination, any other party may request and obtain the production of any statement, or part thereof, of such witness in the possession of the party who called the witness, which relates to the subject matter as to which the witness has testified. Such production shall be made according to the procedures and subject to the definitions and limitations prescribed in the Jencks Act (18 U.S.C. 3500).

(iv) Evidence which is immaterial, or unduly repetitious, or which is not of the sort upon which responsible persons are accustomed to rely, shall be excluded insofar as practicable.

(2) Objections. (i) If a party objects to the admission of any evidence or to the limitation of the scope of any examination or cross-examination or to any other ruling of the Judge, the party shall state briefly the grounds of such objection, whereupon an automatic exception will follow if the objection is overruled by the Judge.

(ii) Only objections made before the Judge may subsequently be relied upon in the proceeding.

(3) Depositions. The deposition of any witness shall be admitted in the manner provided in and subject to the provisions of §1.228 of these procedures.

(4) Exhibits. Unless the Judge finds that the furnishing of copies is impracticable, two copies of each exhibit shall be filed with the Judge. The party submitting the exhibit shall serve on every other party of record a copy of the exhibit, pursuant to §1.427(c) of these procedures. A true copy of an exhibit may be substituted for the original.

(5) Official records or documents. An official government record or document or entry therein, if admissible for any purpose, shall be admissible in evidence without the production of the person who made or prepared the same, and shall be prima facie evidence of the relevant facts stated therein. Such record or document shall be evidenced by an official publication thereof or a copy certified by a person having legal authority to make such certification.

(6) Official notice. Official notice shall be taken of such matters as are judicially noted by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character: Provided, That the parties shall be given adequate notice of matters so noticed, and shall be given adequate opportunity to show that such facts are erroneously noticed.

(7) Offer of proof. Whenever evidence is excluded by the Judge, the party offering such evidence may make an offer of proof, which shall be included in the transcript. The offer of proof shall consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement, it shall be included in the transcript in toto. If the evidence consists of an exhibit, it shall be marked for identification and inserted in the hearing record.

(f) Transcript. Hearings shall be recorded and transcribed verbatim. Transcripts thereof shall be made available to any person, at actual cost of duplication (5 U.S.C. App. 2, section 11).
§ 1.423 Post-hearing procedure.

(a) Corrections to transcript. (1) Within the period of time fixed by the Judge, any party may file a motion proposing corrections to the transcript.

(2) Unless a party files such motion in the manner prescribed, the transcript shall be presumed, except for obvious typographical errors, to be complete.

(3) As soon as practicable after the close of the hearing and after consideration of any timely objections filed as to the transcript, the Judge shall issue an order making any corrections to the transcript which the Judge finds are warranted, which corrections shall be entered onto the original transcript by the Hearing Clerk (without obscuring the original text).

(b) Proposed findings of fact, conclusions, order, and brief. Prior to the close of the hearing, each party may submit for consideration proposed findings of fact, conclusions, order, and brief in support thereof. A copy of each such document filed by a party shall be served upon each of the other parties.

(c) Judge’s decision. (1) The Judge may, upon motion of any party or in his or her own discretion, issue a decision orally at the close of the hearing, or within 10 calendar days after the close of the hearing, or within 10 calendar days after submission of the record, if no hearing is requested.

(2) If the decision is announced orally, a copy thereof, excerpted from the transcript of the record, shall be furnished to the parties by the Hearing Clerk. Irrespective of the date such copy is mailed, the issuance date of the decision shall be the date the oral decision was announced.

(3) If the decision is in writing, it shall be filed with the Hearing Clerk and served upon the parties as provided in §1.427.

(4) The Judge’s decision shall become effective without further proceedings 21 calendar days after the issuance of the decision, if announced orally at the hearing, or if the decision is in writing, 21 calendar days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to §1.426. Provided, however, that no decision shall be final for purposes of judicial review except a final decision of the Judicial Officer upon appeal.

(5) The Judicial Officer shall issue a decision within 10 calendar days of the receipt of the response to the appeal.

§ 1.424 Motions and requests.

(a) General. All motions and requests shall be filed with the Hearing Clerk, and served upon all the parties except motions and requests made on the record during the oral hearing.

(b) Motions entertained. No dispositive motions, including motions to dismiss on the pleadings and motions for summary judgment, shall be entertained unless specifically mentioned herein or allowed in the discretion of the Judge.

(b) Disqualification of Judge. (1) Any party to the proceeding may, by motion made to the Judge, request that the Judge withdraw from the proceeding because of an alleged disqualifying reason. Such motion shall set forth with particularity the grounds of alleged disqualification. The Judge may then either rule upon or certify the motion to the Secretary, but not both.

(2) A Judge shall withdraw from any proceeding for any reason deemed by the Judge to be disqualifying.

(c) Powers. Subject to review as provided elsewhere in this part, the Judge,

(d) Who may act in the absence of the Judge. In case of the absence of the Judge or the Judge’s inability to act, the powers and duties to be performed by the Judge under these rules of practice in connection with any assigned proceeding may, without abatement of the proceeding unless otherwise directed by the Chief Judge, be assigned to any other Judge.

§ 1.426 Appeal to Judicial Officer.

(a) Filing of petition. Within 10 calendar days after receiving service of the Judge’s decision, a party who disagrees with the decision, or any part thereof, or any ruling by the Judge or any alleged deprivation of rights, may appeal such decision to the Judicial Officer by filing an appeal petition with the Hearing Clerk. As provided in §1.422(e)(2), objections regarding evidence or a limitation regarding examination or cross-examination or other rulings made before the Judge may be relied upon in an appeal. Each issue set forth in the petition, and the arguments thereon, shall be separately numbered; shall be plainly and concisely stated; and shall contain detailed citations of the record, statutes, regulations or authorities being relied upon in support thereof. A brief may be filed in support of the appeal simultaneously with the petition. A party filing a petition of appeal to the Judicial Officer, and any brief in support thereof, shall serve the other parties to the proceeding with a copy of the petition and supporting brief. The copies of the petition and supporting brief shall be served on the parties to the proceeding with a copy of the petition and supporting brief. (d) Decision of the Judicial Officer on appeal. The Judicial Officer, upon the basis of and after due consideration of the record and any matter of which official notice is taken, shall rule on the appeal within 4 months after the institution of the proceeding, pursuant to 16 U.S.C. 620b(c)(3). If the Judicial Officer decides that no change or modification of the Judge’s decision is warranted, the Judicial Officer may adopt the Judge’s decision as the final order in the proceeding, preserving any right of the party bringing the appeal to seek judicial review of such decision in the proper forum. A final order issued by the Judicial Officer shall be filed with the Hearing Clerk. Such order may be regarded by a party as final for purposes of judicial review.

In lieu of oral examination, parties may transmit written questions to the officer prior to the examination and the officer shall propound such questions to the deponent.

(2) The applicant shall arrange for the examination of the witness either by oral examination, or by written questions upon agreement of the parties or as directed by the Judge. (b) The Department of Agriculture may indemnify a Department employee (which for the purposes of this regulation shall include a former employee) for any verdict, judgment, or other monetary award rendered against such employee, provided the Secretary or the Secretary’s designee determines, in his or her discretion, that the conduct giving rise to such verdict, judgment, or award was taken within the scope of his or her employment with the Department, and such indemnification is in the interest of the United States.

(c) The Department of Agriculture may pay for the settlement or compromise of a personal damage claim against a Department employee by the payment of available funds, at any time, provided that the Secretary or the Secretary’s designee determines, in his or her discretion, that the alleged conduct giving rise to the personal damage claim was taken within the scope of the employee’s employment, and such settlement or compromise is in the interest of the United States.

(2) If so, whether the other Department has also received a hearing request with respect to the preliminary condition or prescription.

(b) Decision on consolidation. Where more than one Department has received a hearing request, the Departments involved must decide jointly:
(1) Whether the cases should be consolidated for hearing under paragraphs (c)(3)(ii) through (iv) of this section; and

(b) Any stay of the hearing process will not affect the deadline for filing a notice of intervention and response, if any, pursuant to § 1.622(a)(1)(ii).

§ 1.625 How will the Forest Service respond to any hearing requests?

(a) General. NFS will determine whether to answer any hearing request under § 1.621 on behalf of the Forest Service.

(i) That the Forest Service is willing to stipulate to the facts as alleged by the requester;
(ii) That the Forest Service believes the issue listed by the requester is not a factual issue, explaining the basis for such belief;

2. The name, address, and other contact information for the representative of each party to the hearing process;

(c) If NFS refers the case to the Department of Commerce’s designated ALJ office, the regulations at 50 CFR 221.1 et seq. will apply from that point on.

**GENERAL PROVISIONS RELATED TO HEARINGS**

§1.630 What will OALJ do with a case referral?

Within 5 days after the effective date stated in the referral notice under §1.626(c)(4), 43 CFR 45.26(c)(4), or 50 CFR 221.26(c)(4):

(a) The Hearing Clerk must:

(2) Assign an ALJ to preside over the hearing process and issue a decision; and

(3) Issue a docketing notice that informs the parties of the docket number and the ALJ assigned to the case; and

(b) The ALJ must issue a notice setting the time, place, and method for conducting an initial prehearing conference under §1.640. This notice may be combined with the docketing notice under paragraph (a)(3) of this section.

§1.631 What are the powers of the ALJ?

The ALJ will have all powers necessary to conduct a fair, orderly, expeditious, and impartial hearing process relating to Forest Service’s or other Department’s condition or prescription that has been referred to the ALJ for hearing, including the powers to:

(a) Administer oaths and affirmations;

(b) Issue subpoenas under §1.647;

(c) Shorten or enlarge time periods set forth in these regulations, except that the deadline in §1.660(a)(2) can be extended only if the ALJ must be replaced under §1.632 or 1.633;

(d) Rule on motions;

(e) Authorize discovery as provided for in §§1.641 through 1.647;

(f) Hold hearings and conferences;

(g) Regulate the course of hearings;

(l) Take any other action authorized by law.

§1.632 What happens if the ALJ becomes unavailable?

(a) If the ALJ becomes unavailable or otherwise unable to perform the duties described in §1.631, the Hearing Clerk will designate a successor.

(b) If a hearing has commenced and the ALJ cannot proceed with it, a successor ALJ may do so. At the request of a party, the successor ALJ may recall any witness whose testimony is material and disputed, and who is available to testify again without undue burden. The successor ALJ may, within his or her discretion, recall any other witness.

§1.633 Under what circumstances may the ALJ be disqualified?

(a) The ALJ may withdraw from a case at any time the ALJ deems himself or herself disqualified.

(b) At any time before issuance of the ALJ’s decision, any party may move that the ALJ disqualify himself or herself for personal bias or other valid cause.

(1) The party must file the motion promptly after discovering facts or other reasons allegedly constituting cause for disqualification.
§ 1.634 What is the law governing ex parte communications?

(a) Ex parte communications with the ALJ or his or her staff are prohibited in accordance with 5 U.S.C. 554(d).

(b) This section does not prohibit ex parte inquiries concerning case status or procedural requirements, unless the inquiry involves an area of controversy in the hearing process.

§ 1.635 What are the requirements for motions?

(a) General. Any party may apply for an order or ruling on any matter related to the hearing process by presenting a motion to the ALJ. A motion may be presented any time after the Hearing Clerk issues a docketing notice under §1.630.

(1) A motion made at a hearing may be stated orally on the record, unless the ALJ directs that it be reduced to writing.

(2) Any other motion must:

(i) Be in writing;

(ii) Comply with the requirements of §§1.610 through 1.613 with respect to form, content, filing, and service; and

(iii) Not exceed 15 pages, including all supporting arguments.

(b) Content. (1) Each motion must state clearly and concisely:

(i) Its purpose and the relief sought;

(ii) The facts constituting the grounds for the relief sought; and

(iii) Any applicable statutory or regulatory authority.

(2) A proposed order must accompany the motion.

(c) Response. Except as otherwise required by this part, any other party may file a response to a written motion within 10 days after service of the motion. The response may not exceed 15 pages, including all supporting arguments. When a party presents a motion at a hearing, any other party may present a response orally on the record.

(d) Reply. Unless the ALJ orders otherwise, no reply to a response may be filed.

(e) Effect of filing. Unless the ALJ orders otherwise, the filing of a motion does not stay the hearing process.

(f) Ruling. The ALJ will rule on the motion as soon as practicable, either orally on the record or in writing. He or she may summarily deny any dilatory, repetitive, or frivolous motion.

§ 1.640 What are the requirements for prehearing conferences?

(a) Initial prehearing conference. The ALJ will conduct an initial prehearing conference with the parties at the time specified in the notice under §1.630, on or about the 20th day after the effective date stated in the referral notice under §1.626(c)(4), 43 CFR 45.26(c)(4), or 50 CFR 221.26(c)(4).

(1) The initial prehearing conference will be used:

(i) To identify, narrow, and clarify the disputed issues of material fact and exclude issues that do not qualify for review as factual, material, and disputed;

(ii) To consider the parties' motions for discovery under §1.641 and to set a deadline for the completion of discovery;

(iii) To discuss the evidence on which each party intends to rely at the hearing;

(iv) To set deadlines for submission of written testimony under §1.652 and exchange of exhibits to be offered as evidence under §1.654; and

(v) To set the date, time, and place of the hearing.

(2) The initial prehearing conference may also be used:

(i) To discuss limiting and grouping witnesses to avoid duplication;

(ii) To discuss stipulations of fact and of the content and authenticity of documents;
(iii) To consider requests that the ALJ take official notice of public records or other matters;

(iv) To discuss the submission of written testimony, briefs, or other documents in electronic form; and

(v) To consider any other matters that may aid in the disposition of the case.

(b) Other conferences. The ALJ may in his or her discretion direct the parties to attend one or more other prehearing conferences, if consistent with the need to complete the hearing process within 90 days. Any party may by motion request a conference.

(c) Notice. The ALJ must give the parties reasonable notice of the time and place of any conference. A conference will ordinarily be held by telephone, unless the ALJ orders otherwise.

(d) Preparation. (1) Each party’s representative must be fully prepared to discuss all issues pertinent to that party that are properly before the conference, both procedural and substantive. The representative must be authorized to commit the party that he or she represents respecting those issues.

(2) Before the date set for the initial prehearing conference, the parties’ representatives must make a good faith effort:

(i) To meet in person, by telephone, or by other appropriate means; and

(ii) To reach agreement on discovery and the schedule of remaining steps in the hearing process.

(e) Failure to attend. Unless the ALJ orders otherwise, a party that fails to attend or participate in a conference, after being served with reasonable notice of its time and place, waives all objections to any agreements reached in the conference and to any consequent orders or rulings.

(f) Scope. During a conference, the ALJ may dispose of any procedural matters related to the case.

(g) Order. Within 2 days after the conclusion of each conference, the ALJ must issue an order that recites any agreements reached at the conference and any rulings made by the ALJ during or as a result of the conference.

§ 1.641 How may parties obtain discovery of information needed for the case?

(a) General. By agreement of the parties or with the permission of the ALJ, a party may obtain discovery of information to assist the party in preparing or presenting its case. Available methods of discovery are:

(1) Written interrogatories as provided in §1.643;

(2) Depositions of witnesses as provided in paragraph (h) of this section; and

(3) Requests for production of designated documents or tangible things or for entry on designated land for inspection or other purposes.

(b) Criteria. Discovery may occur only as agreed to by the parties or as authorized by the ALJ during a prehearing conference or in a written order under §1.640(g). The ALJ may authorize discovery only if the party requesting discovery demonstrates:

(1) That the discovery will not unreasonably delay the hearing process;

(2) That the information sought:

(ii) Is not already in the license proceeding record or otherwise obtainable by the party;

(iii) Is not cumulative or repetitious; and

(3) That the scope of the discovery is not unduly burdensome;

(4) That the method to be used is the least burdensome method available;

(5) That any trade secrets or proprietary information can be adequately safeguarded; and

(6) That the standards for discovery under paragraphs (f) through (h) of this section have been met, if applicable.

(d) Timing of motions. A party must file any discovery motion under paragraph (c)(2) of this section within 7 days after the effective date stated in the referral notice under §1.626(c)(4), 43 CFR 45.26(c)(4), or 50 CFR 221.26(c)(4).

(e) Objections. (1) A party must file any objections to a discovery motion or to specific portions of a proposed discovery request within 7 days after service of the motion.

(2) An objection must explain how, in the objecting party's view, the discovery sought does not meet the criteria in paragraphs (b)(1) through (b)(6) of this section.

(f) Materials prepared for hearing. A party generally may not obtain discovery of documents and tangible things otherwise discoverable under paragraph (b) of this section if they were prepared in anticipation of or for the hearing by or for another party's representative (including the party's attorney, expert, or consultant).

(1) If a party wants to discover such materials, it must show:

(i) That it has substantial need of the materials in preparing its own case; and

(ii) That the party is unable without undue hardship to obtain the substantial equivalent of the materials by other means.

(2) In ordering discovery of such materials when the required showing has been made, the ALJ must protect against disclosure of the mental impressions, conclusions, opinions, or legal theories of an attorney.

(g) Experts. Unless restricted by the ALJ, a party may discover any facts known or opinions held by an expert through the methods set out in paragraph (a) of this section concerning any relevant matters that are not privileged. Such discovery will be permitted only if:

(1) The expert is expected to be a witness at the hearing; or

(2) The expert is relied on by another expert who is expected to be a witness at the hearing, and the party shows:

(i) That it has a compelling need for the information; and

(ii) That it cannot practicably obtain the information by other means.

(ii) Is unwilling to attend the hearing voluntarily, and the party is unable to compel the witness's attendance at the hearing by subpoena.

(2) Paragraph (b)(1)(ii) of this section does not apply to any person employed by or under contract with the party seeking the deposition.

(3) A party may depose a senior Department employee only if the party shows:

(i) That the employee's testimony is necessary in order to provide significant, unprivileged information that is not available from any other source or by less burdensome means; and

(ii) That the deposition would not significantly interfere with the employee's ability to perform his or her government duties.

(4) Unless otherwise stipulated to by the parties or authorized by the ALJ upon a showing of extraordinary circumstances, a deposition is limited to 1 day of 7 hours.

(1) Completion of discovery. All discovery must be completed within 25 days after the initial prehearing conference.

(1) Each approved interrogatory must be answered separately and fully in writing.

(2) The party or its representative must sign the answers to interrogatories under oath or affirmation.

d) Access to records. A party’s answer to an interrogatory is sufficient when:

(1) The information may be obtained from an examination of records, or from a compilation, abstract, or summary based on such records;

(2) The burden of obtaining the information from the records is substantially the same for all parties;

(3) The answering party specifically identifies the individual records from which the requesting party may obtain the information and where the records are located; and

(4) The answering party provides the requesting party with reasonable opportunity to examine the records and make a copy, compilation, abstract, or summary.
§ 1.645 What are the requirements for requests for documents or tangible things or entry on land?

(2) Deny the motion.

(c) Arrangements. If the parties agree to or the ALJ approves the taking of the deposition, the party requesting the deposition must make appropriate arrangements for necessary facilities and personnel.

(1) The deposition will be taken at the time and place agreed to by the parties or indicated in the ALJ’s order.

(2) The deposition may be taken before any disinterested person authorized to administer oaths in the place where the deposition is to be taken.

(3) Any party that objects to the taking of a deposition because of the disqualification of the person before whom it is to be taken must do so:

(i) Before the deposition begins; or

(ii) As soon as the disqualification becomes known or could have been discovered with reasonable diligence.

(4) A deposition may be taken by telephone conference call, if agreed to by the parties or approved in the ALJ’s order.

§ 1.646 What sanctions may the ALJ impose for failure to comply with discovery?
(a) Upon motion of a party, the ALJ may impose sanctions under paragraph (b) of this section if any party:
(1) Fails to comply with an order approving discovery; or
(2) Fails to supplement or amend a response to discovery under § 1.642(a).
(b) The ALJ may impose one or more of the following sanctions:

(5) Take other appropriate action to remedy the party’s failure to comply.

§ 1.647 What are the requirements for subpoenas and witness fees?
(a) Request for subpoena. (1) Except as provided in paragraph (a)(2) of this section, any party may request by written motion that the ALJ issue a subpoena to the extent authorized by law for the attendance of a person, the giving of testimony, or the production of documents or other relevant evidence during discovery or for the hearing.
   (2) A party may request a subpoena for a senior Department employee only if the party shows:
      (i) That the employee’s testimony is necessary in order to provide significant, unprivileged information that is not available from any other source or by less burdensome means; and

   (2) A witness who is not a party and who attends a deposition or hearing at the request of any party without having been subpoenaed is entitled to the same fees and mileage expenses as if he or she had been subpoenaed. However, this paragraph does not apply to Federal employees who are called as witnesses by the Forest Service or another Department.
(d) Motion to quash. (1) A person to whom a subpoena is directed may request by motion that the ALJ quash or modify the subpoena.
   (2) The motion must be filed:

   (i) Is unreasonable;
   (ii) Requires production of information during discovery that is not discoverable; or
   (iii) Requires disclosure of irrelevant, privileged, or otherwise protected information.

      (iv) Be offered as an exhibit during the hearing.
   (2) Any witness submitting written testimony must be available for cross-examination at the hearing.
   (b) Oral testimony. Oral examination of a witness in a hearing, including on cross-examination or redirect, must be conducted under oath and in the presence of the ALJ, with an opportunity for all parties to question the witness.
   (c) Telephonic testimony. The ALJ may by order allow a witness to testify by telephonic conference call.
      (1) The arrangements for the call must let each party listen to and speak to the witness and each other within the hearing of the ALJ.
      (2) The ALJ will ensure the full identification of each speaker so the reporter can create a proper record.
      (3) The ALJ may issue a subpoena under §1.647 directing a witness to testify by telephonic conference call.

§ 1.653 How may a party use a deposition in the hearing?
(a) In general. Subject to the provisions of this section, a party may use in the hearing any part or all of a deposition taken under §1.644 against any party who:
   (1) Was present or represented at the taking of the deposition; or
   (2) Had reasonable notice of the taking of the deposition.
   (b) Admissibility. (1) No part of a deposition will be included in the hearing record, unless received in evidence by the ALJ.
      (2) The ALJ will exclude from evidence any question and response to which an objection:
         (i) Was noted at the taking of the deposition; and
(i) Would have been sustained if the witness had been personally present and testifying at a hearing.

(3) If a party offers only part of a deposition in evidence:
   (i) An adverse party may require the party to introduce any other part that ought in fairness to be considered with the part introduced; and
   (ii) Any other party may introduce any other parts.

(c) Videotaped deposition. If the deposition was recorded on videotape and is admitted into evidence, relevant portions will be played during the hearing and transcribed into the record by the reporter.

§ 1.654 What are the requirements for exhibits, official notice, and stipulations?

(a) General. (1) Except as provided in paragraphs (b) through (d) of this section, any material offered in evidence, other than oral testimony, must be offered in the form of an exhibit.

(2) Each exhibit offered by a party must be marked for identification.

(3) Any party who seeks to have an exhibit admitted into evidence must provide:
   (i) The original of the exhibit to the reporter, unless the ALJ permits the substitution of a copy; and
   (ii) A copy of the exhibit to the ALJ.

(b) Material not offered. If a document offered as an exhibit contains material not offered in evidence:
   (1) The party offering the exhibit must:
      (i) Designate the matter offered as evidence;
      (ii) Segregate and exclude the material not offered in evidence, to the extent practicable; and
      (iii) Provide copies of the entire document to the other parties appearing at the hearing.
   (2) The ALJ must give the other parties an opportunity to inspect the entire document and offer in evidence any other portions of the document.

(c) Official notice. (1) At the request of any party at the hearing, the ALJ may take official notice of any matter of which the courts of the United States may take judicial notice, including the public records of any Department party.

(2) The ALJ must give the other parties appearing at the hearing an opportunity to show the contrary of an officially noticed fact.

(3) Any party requesting official notice of a fact after the conclusion of the hearing must show good cause for its failure to request official notice during the hearing.

(d) Stipulations. (1) The parties may stipulate to any relevant facts or to the authenticity of any relevant documents.

(2) If received in evidence at the hearing, a stipulation is binding on the stipulating parties.

(3) A stipulation may be written or made orally at the hearing.

§ 1.655 What evidence is admissible at the hearing?

(a) General. (1) Subject to the provisions of §1.642(b), the ALJ may admit any written, oral, documentary, or demonstrative evidence that is:
   (i) Relevant, reliable, and probative; and
   (ii) Not privileged or unduly repetitious or cumulative.

(2) The ALJ may exclude evidence if its probative value is substantially outweighed by the risk of undue prejudice, confusion of the issues, or delay.

(3) Hearsay evidence is admissible. The ALJ may consider the fact that evidence is hearsay when determining its probative value.

(4) The Federal Rules of Evidence do not directly apply to the hearing, but may be used as guidance by the ALJ and the parties in interpreting and applying the provisions of this section.

(b) Objections. Any party objecting to the admission or exclusion of evidence must concisely state the grounds. A ruling on every objection must appear in the record.

§ 1.656 What are the requirements for transcription of the hearing?

(a) Transcript and reporter's fees. The hearing will be transcribed verbatim.

(1) The Forest Service will secure the services of a reporter and pay the reporter's fees to provide an original transcript to the OALJ on an expedited basis.
§ 1.657

(2) Each party must pay the reporter for any copies of the transcript obtained by that party.

(b) Transcript corrections. (1) Any party may file a motion proposing corrections to the transcript. The motion must be filed within 5 days after receipt of the transcript, unless the ALJ sets a different deadline.

(2) Unless a party files a timely motion under paragraph (b)(1) of this section, the transcript will be presumed to be correct and complete, except for obvious typographical errors.

(3) As soon as practicable after the close of the hearing and after consideration of any motions filed under paragraph (b)(1) of this section, the ALJ will issue an order making any corrections to the transcript that the ALJ finds are warranted.

§ 1.657 Who has the burden of persuasion, and what standard of proof applies?

(a) Any party who has filed a request for a hearing has the burden of persuasion with respect to the issues of material fact raised by that party.

(b) The standard of proof is a preponderance of the evidence.

§ 1.658 When will the hearing record close?

(a) The hearing record will close when the ALJ closes the hearing, unless he or she directs otherwise.

(b) Evidence may not be added after the hearing record is closed, but the transcript may be corrected under § 1.656(b).

§ 1.659 What are the requirements for post-hearing briefs?

(a) General. (1) Each party may file a post-hearing brief within 15 days after the close of the hearing.

(2) A party may file a reply brief only if requested by the ALJ. The deadline for filing a reply brief, if any, will be set by the ALJ.

(3) The ALJ may limit the length of the briefs to be filed under this section.

(b) Content. (1) An initial brief must include:

(i) A concise statement of the case;

(ii) A separate section containing proposed findings regarding the issues of material fact, with supporting citations to the hearing record;

(iii) Arguments in support of the party's position; and

(iv) Any other matter required by the ALJ.

(2) A reply brief, if requested by the ALJ, must be limited to any issues identified by the ALJ.

(c) Form. (1) An exhibit admitted in evidence or marked for identification in the record may not be reproduced in the brief.

(i) Such an exhibit may be reproduced, within reasonable limits, in an appendix to the brief.

(ii) Any pertinent analysis of an exhibit may be included in a brief.

(2) If a brief exceeds 20 pages, it must contain:

(i) A table of contents and of points made, with page references; and

(ii) An alphabetical list of citations to legal authority, with page references.

§ 1.660 What are the requirements for the ALJ's decision?

(a) Timing. The ALJ must issue a decision within the shorter of the following time periods:

(1) 30 days after the close of the hearing under § 1.658; or

(2) 120 days after the effective date stated in the referral notice under § 1.626(c)(4), 43 CFR 45.26(c)(4), or 50 CFR 221.26(c)(4).

(b) Content. (1) The decision must contain:

(i) Findings of fact on all disputed issues of material fact;

(ii) Conclusions of law necessary to make the findings of fact (such as rulings on materiality and on the admissibility of evidence); and

(iii) Reasons for the findings and conclusions.

(2) The ALJ may adopt any of the findings of fact proposed by one or more of the parties.

(3) The decision will not contain conclusions as to whether any preliminary condition or prescription should be adopted, modified, or rejected, or whether any proposed alternative should be accepted or rejected.

(c) Service. Promptly after issuing his or her decision, the ALJ must:
(1) Serve the decision on each party to the hearing;
(2) Prepare a list of all documents that constitute the complete record for the hearing process (including the decision) and certify that the list is complete; and
(3) Forward to FERC the complete record for the hearing process, along with the certified list prepared under paragraph (c)(2) of this section, for inclusion in the record for the license proceeding. Materials received in electronic form, e.g., as attachments to electronic mail, should be transmitted to FERC in electronic form. However, for cases in which a settlement was reached prior to a decision, the entire record need not be transmitted to FERC. In such situations, only the initial pleadings (hearing requests with attachments, any notices of intervention and response, answers, and referral notice) and any dismissal order of the ALJ need be transmitted.

(d) Finality. The ALJ’s decision under this section with respect to the disputed issues of material fact will not be subject to further administrative review. To the extent the ALJ’s decision forms the basis for any condition or prescription subsequently included in the license, it may be subject to judicial review under 16 U.S.C. 825l(b).

ALTERNATIVES PROCESS

§ 1.670 How must documents be filed and served under this subpart?

(a) Filing. (1) A document under this subpart must be filed using one of the methods set forth in §1.612(b).
(2) A document is considered filed on the date it is received. However, any document received after 5 p.m. at the place where the filing is due is considered filed on the next regular business day.

(b) Service. (1) Any document filed under this subpart must be served at the same time the document is delivered or sent for filing. A complete copy of the document must be delivered or sent to each license party and FERC, using:
(i) One of the methods of service in §1.613(c); or
(ii) Regular mail.

(2) The provisions of §1.613(d) regarding a certificate of service apply to service under this subpart.

§ 1.671 How do I propose an alternative?

(a) General. To propose an alternative condition, you must:
(1) Be a license party; and
(2) File a written proposal with NFS, at the appropriate address provided in §1.612(a)(1):
(i) For a case under §1.601(d)(1), within 30 days after the Forest Service files its preliminary conditions with FERC; or
(ii) For a case under §1.601(d)(2), within 60 days after the Forest Service files its proposed conditions with FERC.

(b) Content. Your proposal must include:
(1) A description of the alternative, in an equivalent level of detail to the Forest Service’s preliminary condition;
(2) An explanation of how the alternative will provide for the adequate protection and utilization of the reservation;
(3) An explanation of how the alternative, as compared to the preliminary condition, will:
   (i) Cost significantly less to implement; or
   (ii) Result in improved operation of the project works for electricity production;
(4) An explanation of how the alternative will affect:
   (i) Energy supply, distribution, cost, and use;
   (ii) Flood control;
   (iii) Navigation;
   (iv) Water supply;
   (v) Air quality; and
   (vi) Other aspects of environmental quality; and
(5) Specific citations to any scientific studies, literature, and other documented information relied on to support your proposal, including any assumptions you are making (e.g., regarding the cost of energy or the rate of inflation). If any such document is not already in the license proceeding record, you must provide a copy with the proposal.
§ 1.672 May I file a revised proposed alternative?

(a) Within 20 days after issuance of the ALJ’s decision under §1.660, you may file with NFS, at the appropriate address provided in §1.612(a)(1), a revised proposed alternative condition if:

(1) You previously filed a proposed alternative that met the requirements of §1.671; and

(2) Your revised proposed alternative is designed to respond to one or more findings of fact by the ALJ.

(b) Your revised proposed alternative must:

(1) Satisfy the content requirements for a proposed alternative under §1.671(b); and

(2) Identify the specific ALJ finding(s) to which the revised proposed alternative is designed to respond and how the revised proposed alternative differs from the original alternative.

(c) Filing a revised proposed alternative will constitute a withdrawal of the previously filed proposed alternative.

§ 1.673 When will the Forest Service file its modified condition?

(a) Except as provided in paragraph (b) of this section, if any license party proposes an alternative to a preliminary condition or prescription under §1.671, the Forest Service will do the following within 60 days after the deadline for filing comments on FERC’s draft NEPA document under 18 CFR 5.25(c):

(1) Analyze under §1.674 any alternative condition proposed under §1.671 or §1.672; and

(2) File with FERC:

(i) Any condition the Forest Service adopts as its modified condition; and

(ii) The Forest Service’s analysis of the modified condition and any proposed alternative.

(b) If the Forest Service needs additional time to complete the steps set forth in paragraphs (a)(1) and (2) of this section, it will so inform FERC within 60 days after the deadline for filing comments on FERC’s draft NEPA document under 18 CFR 5.25(c).

§ 1.674 How will the Forest Service analyze a proposed alternative and formulate its modified condition?

(a) In deciding whether to accept an alternative proposed under §1.671 or §1.672, the Forest Service must consider evidence and supporting material provided by any license party or otherwise reasonably available to the Forest Service, including:

(1) Any evidence on the implementation costs or operational impacts for electricity production of the proposed alternative;

(2) Any comments received on the Forest Service’s preliminary condition;

(3) Any ALJ decision on disputed issues of material fact issued under §1.660 with respect to the preliminary condition;

(4) Comments received on any draft or final NEPA documents; and

(5) The license party’s proposal under §1.671 or §1.672.

(b) The Forest Service must accept a proposed alternative if the Forest Service determines, based on substantial evidence provided by any license party or otherwise available to the Forest Service, that the alternative:

(1) Will, as compared to the Forest Service’s preliminary condition:

(i) Cost significantly less to implement; or

(ii) Result in improved operation of the project works for electricity production; and

(2) Will provide for the adequate protection and utilization of the reservation.

(c) For purposes of paragraphs (a) and (b) of this section, the Forest Service will consider evidence and supporting material provided by any license party by the deadline for filing comments on FERC’s NEPA document under 18 CFR 5.25(c).

(d) When the Forest Service files with FERC the condition that the Forest Service adopts as its modified condition under §1.673(a)(2), it must also file:

(1) A written statement explaining:

(i) The basis for the adopted condition;

(ii) If the Forest Service is not accepting any pending alternative, its reasons for not doing so; and
(iii) If any alternative submitted under §1.671 was subsequently withdrawn by the license party, that the alternative was withdrawn; and
(2) Any study, data, and other factual information relied on that is not already part of the licensing proceeding record.
(e) The written statement under paragraph (d)(1) of this section must demonstrate that the Forest Service gave equal consideration to the effects of the condition adopted and any alternative not accepted on:
(1) Energy supply, distribution, cost, and use;
(2) Flood control;
(3) Navigation;
(4) Water supply;
(5) Air quality; and
(6) Preservation of other aspects of environmental quality.
§ 1.675 Has OMB approved the information collection provisions of this subpart?
Yes. This subpart contains provisions in §§1.670 through 1.674 that would collect information from the public. It therefore requires approval by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 et seq. (PRA). According to the PRA, a Federal agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number that indicates OMB approval. OMB has reviewed the information collection in this rule and approved it under OMB control number 1094-0001.

App.), is authorized to—
(a) Make an arrest without a warrant for any criminal felony violation subject to §1a.4, if such violation is committed, or if the official has probable cause to believe that such violation is being committed, in his/her presence;
(b) Execute and serve a warrant for an arrest, for the search of premises, or the seizure of evidence if such warrant is issued under authority of the United States upon probable cause to believe that any criminal felony violation, subject to §1a.4, has been committed; and
(c) Carry a firearm.

[50 FR 13759, Apr. 8, 1985]

§ 1a.3 Persons authorized.
Any person who is employed in the Office of Inspector General and who is designated by the Inspector General in accordance with and subject to §1a.5 and who conducts investigations of alleged or suspected felony criminal violations of statutes administered by the Secretary of Agriculture or any agency of the Department of Agriculture may exercise the authorities listed in and pursuant to §1a.2.

§ 1a.4 Limitations.
The powers granted by §§1a.2(a) and 1a.2(b) shall be exercised only when a
designated official is engaged in an investigation of alleged or suspected felony violations of statutes administered by the Secretary of Agriculture or any agency of the Department.

§ 1a.5 Responsibility of the Inspector General.

The Inspector General shall:

(a) Issue directives conforming to this part governing the exercise of the authorities granted by this part. These directives should contain the policies and procedures by which the authorities will be exercised by designated officials of the Office of Inspector General;

(b) Establish criteria for qualification by officials of the Office of Inspector General who are designated to exercise the authorities granted in this part;

(c) Monitor the implementation and exercise of the authorities granted by this part;

(d) Designate, pursuant to §§ 1a.2, 1a.3 and 1a.4, and the directives issued under paragraph (a) of this section, and the criteria established under paragraph (b) of this section, employees who have satisfied all the qualifications set by the Inspector General to exercise the authorities granted by § 1a.2; and

(e) Submit to the Attorney General of the United States the name of any employee of the Office of Inspector General designated pursuant to paragraph (d) of this section. Any designation not specifically disapproved by the Attorney General within 30 days after the date of submission shall be deemed approved.

PART 1b—NATIONAL ENVIRONMENTAL POLICY ACT

§ 1b.1 Purpose.

(a) This part supplements the regulations for implementation of the National Environmental Policy Act (NEPA), for which regulations were published by the Council on Environmental Quality (CEQ) in 40 CFR parts 1500 through 1508. This part incorporates and adopts those regulations.

(b) This part sets forth Departmental policy concerning NEPA, establishes categorical exclusions of actions carried out by the Department and its agencies, and sets forth those USDA agencies which are excluded from the requirement to prepare procedures implementing NEPA.

§ 1b.2 Policy.

(a) All policies and programs of the various USDA agencies shall be planned, developed, and implemented so as to achieve the goals and to follow the procedures declared by NEPA in order to assure responsible stewardship of the environment for present and future generations.

(b) Each USDA agency is responsible for compliance with this part, the regulations of CEQ, and NEPA. Compliance will include the preparation and implementation of specific procedures and processes relating to the programs and activities of the individual agency, as necessary.

(c) The Under Secretary, Natural Resources and Environment (NR&E), is responsible for ensuring that agency implementing procedures are consistent with CEQ’s NEPA regulations and for coordinating NEPA compliance for the Department. The Under Secretary, NR&E, through the Agricultural Council on Environmental Quality, will develop the necessary processes to be used by the Office of the Secretary in reviewing, implementing, and planning its NEPA activities, determinations, and policies.

(d) In connection with the policies and requirements set forth in this part, all USDA agencies are responsible for compliance with Executive Order 12114, “Environmental Effects Abroad of
Major Federal Actions." Compliance will include the preparation and implementation of specific procedures and processes relative to the programs and activities of the individual agencies, as necessary. Agencies shall consult with the Department of State; the Council on Environmental Quality; and the Under Secretary, NR&E, prior to placing procedures and processes in effect.

§ 1b.3 Categorical exclusions.

(a) The following are categories of activities which have been determined not to have a significant individual or cumulative effect on the human environment and are excluded from the preparation of environmental assessment (EA's) or environmental impact statement (EIS's), unless individual agency procedures prescribed otherwise.

1. Policy development, planning and implementation which relate to routine activities, such as personnel, organizational changes, or similar administrative functions;
2. Activities which deal solely with the funding of programs, such as program budget proposals, disbursements, and transfer or reprogramming of funds;
3. Inventories, research activities, and studies, such as resource inventories and routine data collection when such actions are clearly limited in context and intensity;
4. Educational and informational programs and activities;
5. Civil and criminal law enforcement and investigative activities;
6. Activities which are advisory and consultative to other agencies and public and private entities, such as legal counselling and representation;
7. Activities related to trade representation and market development activities abroad.

(b) Agencies will identify in their own procedures the activities which normally would not require an environmental assessment or environmental impact statement.

(c) Notwithstanding the exclusions listed in paragraphs (a) of this section and §1b.4, or identified in agency procedures, agency heads may determine that circumstances dictate the need for preparation of an EA or EIS for a particular action. Agencies shall continue to scrutinize their activities to determine continued eligibility for categorical exclusion.

§ 1b.4 Exclusion of agencies.

(a) The USDA agencies and agency units listed in paragraph (b) of this section conduct programs and activities that have been found to have no individual or cumulative effect on the human environment. The USDA agencies and agency units listed in paragraph (b) of this section are categorically excluded from the preparation of an EA or EIS unless the agency head determines that the action may have a significant environmental effect.

§ 1c.101 To what does this policy apply?

(a) Except as provided in paragraph (b) of this section, this policy applies to all research involving human subjects conducted, supported or otherwise subject to regulation by any federal department or agency which takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the federal government outside the United States.

(1) Research that is conducted or supported by a Federal department or agency, whether or not it is regulated as defined in §1c.102(e), must comply with all sections of this policy.

(2) Research that is neither conducted nor supported by a Federal department or agency but is subject to regulation as defined in §1c.102(e) must be reviewed and approved, in compliance with §§1c.101, 1c.102, and 1c.107 through 1c.117 of this policy, by an institutional review board (IRB) that operates in accordance with the pertinent requirements of this policy.

(b) Unless otherwise required by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the following categories are exempt from this policy:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (i) Research on regular and special education instructional strategies, or (ii) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless:

(i) Information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and

(ii) Any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation.

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior that is not exempt under paragraph (b)(2) of this section, if:

(i) The human subjects are elected or appointed public officials or candidates for public office; or

(ii) Federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research, involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such
Office of the Secretary, USDA § 1c.101

a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine:

(i) Public benefit or service programs;

(ii) Procedures for obtaining benefits or services under those programs;

(iii) possible changes in or alternatives to those programs or procedures; or

(iv) Possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies, (i) if wholesome foods without additives are consumed or (ii) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this policy.

(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the department or agency but not otherwise covered by this policy, comply with some or all of the requirements of this policy.

(e) Compliance with this policy requires compliance with pertinent federal laws or regulations which provide additional protections for human subjects.

(f) This policy does not affect any state or local laws or regulations which may otherwise be applicable and which provide additional protections for human subjects.

(g) This policy does not affect any foreign laws or regulations which may otherwise be applicable and which provide additional protections to human subjects of research.

(h) When research covered by this policy takes place in foreign countries, procedures normally followed in the foreign countries to protect human subjects may differ from those set forth in this policy. [An example is a foreign institution which complies with guidelines consistent with the World Medical Assembly Declaration (Declaration of Helsinki amended 1989) issued either by sovereign states or by an organization whose function for the protection of human research subjects is internationally recognized.] In these circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the FEDERAL REGISTER or will be otherwise published as provided in department or agency procedures.

(i) Unless otherwise required by law, department or agency heads may waive the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this policy. Except when otherwise required by statute or Executive Order, the department or agency head shall forward advance notices of these actions to the Office for Human Research Protections, Department of Health and Human Services (HHS), or any successor office, and shall also publish them in the FEDERAL REGISTER or in such other manner as provided in department or agency procedures. [56 FR 28012, 28018, June 18, 1991; 56 FR 29756, June 28, 1991, as amended at 70 FR 36328, June 23, 2005]

1Institutions with HHS-approved assurances on file will abide by provisions of title 45 CFR part 46 subparts A-D. Some of the other Departments and Agencies have incorporated all provisions of title 45 CFR part 46 into their policies and procedures as well. Continued
§ 1c.102 Definitions.

(a) Department or agency head means the head of any federal department or agency and any other officer or employee of any department or agency to whom authority has been delegated.

(b) Institution means any public or private entity or agency (including federal, state, and other agencies).

(c) Legally authorized representative means an individual or judicial or other body authorized under applicable law to consent on behalf of a prospective subject to the subject’s participation in the procedure(s) involved in the research.

(d) Research means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program which is considered research for other purposes. For example, some demonstration and service programs may include research activities.

(e) Research subject to regulation, and similar terms are intended to encompass those research activities for which a federal department or agency has specific responsibility for regulating as a research activity, (for example, Investigational New Drug requirements administered by the Food and Drug Administration). It does not include research activities which are incidentally regulated by a federal department or agency solely as part of the department’s or agency’s broader responsibility to regulate certain types of activities whether research or non-research in nature (for example, Wage and Hour requirements administered by the Department of Labor).

(f) Human subject means a living individual about whom an investigator (whether professional or student) conducting research obtains:

1. Data through intervention or interaction with the individual, or

2. Identifiable private information.

Intervention includes both physical procedures by which data are gathered (for example, venipuncture) and manipulations of the subject or the subject’s environment that are performed for research purposes. Interaction includes communication or interpersonal contact between investigator and subject. “Private information” includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record). Private information must be individually identifiable (i.e., the identity of the subject is or may readily be ascertained by the investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

(g) IRB means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) IRB approval means the determination of the IRB that the research has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) Minimal risk means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests.

(j) Certification means the official notification by the institution to the supporting department or agency, in accordance with the requirements of this policy, that a research project or activity involving human subjects has been reviewed and approved by an IRB in accordance with an approved assurance.
§ 1c.103 Assuring compliance with this policy—research conducted or supported by any Federal Department or Agency.

(a) Each institution engaged in research which is covered by this policy and which is conducted or supported by a federal department or agency shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements set forth in this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research in question, on file with the Office for Human Research Protections, HHS, or any successor office, and approved for federalwide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the Office for Human Research Protections, HHS, or any successor office.

(b) Departments and agencies will conduct or support research covered by this policy only if the institution has an assurance approved as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB provided for in the assurance, and will be subject to continuing review by the IRB. Assurances applicable to federally supported or conducted research shall at a minimum include:

1. A statement of principles governing the institution in the discharge of its responsibilities for protecting the rights and welfare of human subjects of research conducted at or sponsored by the institution, regardless of whether the research is subject to federal regulation. This may include an appropriate existing code, declaration, or statement of ethical principles, or a statement formulated by the institution itself. This requirement does not preempt provisions of this policy applicable to department- or agency-supported or regulated research and need not be applicable to any research exempted or waived under §1c.101 (b) or (i).

2. Designation of one or more IRBs established in accordance with the requirements of this policy, and for which provisions are made for meeting space and sufficient staff to support the IRB’s review and recordkeeping duties.

3. A list of IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications, licenses, etc., sufficient to describe each member’s chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution; for example: full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant. Changes in IRB membership shall be reported to the department or agency head, unless in accord with §1c.103(a) of this policy, the existence of an HHS-approved assurance is accepted. In this case, change in IRB membership shall be reported to the Office for Human Research Protections, HHS, or any successor office.

4. Written procedures which the IRB will follow (i) for conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and the institution; (ii) for determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and (iii) for ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research, during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to the subject.

5. Written procedures for ensuring prompt reporting to the IRB, appropriate institutional officials, and the department or agency head of (i) any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy.
policy or the requirements or determinations of the IRB and (ii) any suspension or termination of IRB approval.

(c) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed in such form and manner as the department or agency head prescribes.

(d) The department or agency head will evaluate all assurances submitted in accordance with this policy through such officers and employees of the department or agency and such experts or consultants engaged for this purpose as the department or agency head determines to be appropriate. The department or agency head’s evaluation will take into consideration the adequacy of the proposed IRB in light of the anticipated scope of the institution’s research activities and the types of subject populations likely to be involved, the appropriateness of the proposed initial and continuing review procedures in light of the probable risks, and the size and complexity of the institution.

(e) On the basis of this evaluation, the department or agency head may approve or disapprove the assurance, or enter into negotiations to develop an approvable one. The department or agency head may limit the period during which any particular approved assurance or class of approved assurances shall remain effective or otherwise condition or restrict approval.

(f) Certification is required when the research is supported by a federal department or agency and not otherwise exempted or waived under §1c.101 (b) or (i). An institution with an approved assurance covering the research shall certify within 30 days after receipt of a request for such a certification from the department or agency, that the application or proposal has been approved by the IRB. If the certification is not submitted within these time limits, the application or proposal may be returned to the institution.

(Approved by the Office of Management and Budget under Control Number 0990–0260.)

§§ 1c.104–1c.106 [Reserved]

§ 1c.107 IRB membership.

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members, and the diversity of the members, including consideration of race, gender, and cultural backgrounds and sensitivity to such issues as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. In addition to possessing the professional competence necessary to review specific research activities, the IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments and regulations, applicable law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a vulnerable category of subjects, such as children, prisoners, pregnant women, or handicapped or mentally disabled persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these subjects.

(b) Every nondiscriminatory effort will be made to ensure that no IRB consists entirely of men or entirely of women, including the institution’s consideration of qualified persons of both sexes, so long as no selection is made to the IRB on the basis of gender. No
IRB may consist entirely of members of one profession.  
(c) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.  
(d) Each IRB shall include at least one member who is not otherwise affiliated with the institution and who is not part of the immediate family of a person who is affiliated with the institution.  
(e) No IRB may have a member participate in the IRB’s initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB.  
(f) An IRB may, at its discretion, invite individuals with competence in special areas to assist in the review of issues which require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.  

§ 1c.108 IRB functions and operations.  
In order to fulfill the requirements of this policy each IRB shall:  
(a) Follow written procedures in the same detail as described in §1c.103(b)(4) and, to the extent required by, §1c.103(b)(5).  
(b) Except when an expedited review procedure is used (see §1c.110), review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.  

§ 1c.109 IRB review of research.  
(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy.  
(b) An IRB shall require that information given to subjects as part of informed consent is in accordance with §1c.116. The IRB may require that information, in addition to that specifically mentioned in §1c.116, be given to the subjects when in the IRB’s judgment the information would meaningfully add to the protection of the rights and welfare of subjects.  
(c) An IRB shall require documentation of informed consent or may waive documentation in accordance with §1c.117.  
(d) An IRB shall notify investigators and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its decision and give the investigator an opportunity to respond in person or in writing.  
(e) An IRB shall conduct continuing review of research covered by this policy at intervals appropriate to the degree of risk, but not less than once per year, and shall have authority to observe or have a third party observe the consent process and the research.

[56 FR 28012, 28018, June 18, 1991, as amended at 70 FR 36328, June 23, 2005]  

§ 1c.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.  
(a) The Secretary, HHS, has established, and published as a Notice in the FEDERAL REGISTER, a list of categories of research that may be reviewed by the IRB through an expedited review procedure. The list will be amended, as appropriate after consultation with other departments and agencies, through periodic republication by the Secretary, HHS, in the FEDERAL REGISTER. A copy of the list is available from the Office for Human Research Protections, HHS, or any successor office.  
(b) An IRB may use the expedited review procedure to review either or both of the following:  
(1) Some or all of the research appearing on the list and found by the reviewer(s) to involve no more than minimal risk,  
(2) Minor changes in previously approved research during the period (of
one year or less) for which approval is authorized. Under an expedited review procedure, the review may be carried out by the IRB chairperson or by one or more experienced reviewers designated by the chairperson from among members of the IRB. In reviewing the research, the reviewers may exercise all of the authorities of the IRB except that the reviewers may not disapprove the research. A research activity may be disapproved only after review in accordance with the non-expedited procedure set forth in §1c.108(b).

(c) Each IRB which uses an expedited review procedure shall adopt a method for keeping all members advised of research proposals which have been approved under the procedure.

(d) The department or agency head may restrict, suspend, terminate, or choose not to authorize an institution’s or IRB’s use of the expedited review procedure.

§ 1c.111 Criteria for IRB approval of research.

(a) In order to approve research covered by this policy the IRB shall determine that all of the following requirements are satisfied:

(1) Risks to subjects are minimized:
   (i) By using procedures which are consistent with sound research design and which do not unnecessarily expose subjects to risk, and (ii) whenever appropriate, by using procedures already being performed on the subjects for diagnostic or treatment purposes.

(2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects, and the importance of the knowledge that may reasonably be expected to result. In evaluating risks and benefits, the IRB should consider only those risks and benefits that may result from the research (as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research). The IRB should not consider possible long-range effects of applying knowledge gained in the research (for example, the possible effects of the research on public policy) as among those research risks that fall within the purview of its responsibility.

(3) Selection of subjects is equitable. In making this assessment the IRB should take into account the purposes of the research and the setting in which the research will be conducted and should be particularly cognizant of the special problems of research involving vulnerable populations, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons.

(4) Informed consent will be sought from each prospective subject or the subject’s legally authorized representative, in accordance with, and to the extent required by §1c.116.

(5) Informed consent will be appropriately documented, in accordance with, and to the extent required by §1c.117.

(6) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of subjects.

(7) When appropriate, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(b) When some or all of the subjects are likely to be vulnerable to coercion or undue influence, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons, additional safeguards have been included in the study to protect the rights and welfare of these subjects.

§ 1c.112 Review by institution.

Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.

§ 1c.113 Suspension or termination of IRB approval of research.

An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB’s requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval
§ 1c.116 General requirements for informed consent.

Except as provided elsewhere in this policy, no investigator may involve a human being as a subject in research covered by this policy unless the investigator has obtained the legally effective informed consent of the subject or the subject’s legally authorized representative. An investigator shall seek such consent only under circumstances that provide the prospective subject or the representative sufficient opportunity to consider whether or not to participate and that minimize the possibility of coercion or undue influence. The information that is given to the subject or the representative shall be in language understandable to the subject or the representative. No informed consent, whether oral or written, may include any exculpatory language through which the subject or the representative is made to waive or appear to waive any of the subject’s legal rights, or releases or appears to release the investigator, the sponsor, the institution or its agents from liability for negligence.

(a) Basic elements of informed consent.

Except as provided in paragraph (c) or (d) of this section, in seeking informed consent the following information shall be provided to each subject:

(1) A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject’s participation, a description of the procedures to be followed, and identification of
§ 1c.116

any procedures which are experimental;

(2) A description of any reasonably foreseeable risks or discomforts to the subject;

(3) A description of any benefits to the subject or to others which may reasonably be expected from the research;

(4) A disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

(5) A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

(6) For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;

(7) An explanation of whom to contact for answers to pertinent questions about the research and research subjects’ rights, and whom to contact in the event of a research-related injury to the subject; and

(8) A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled.

(b) Additional elements of informed consent. When appropriate, one or more of the following elements of information shall also be provided to each subject:

(1) A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) which are currently unforeseeable;

(2) Anticipated circumstances under which the subject’s participation may be terminated by the investigator without regard to the subject’s consent;

(3) Any additional costs to the subject that may result from participation in the research;

(4) The consequences of a subject’s decision to withdraw from the research and procedures for orderly termination of participation by the subject;

(5) A statement that significant new findings developed during the course of the research which may relate to the subject’s willingness to continue participation will be provided to the subject; and

(6) The approximate number of subjects involved in the study.

(c) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth above, or waive the requirement to obtain informed consent provided the IRB finds and documents that:

(1) The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine:

(i) Public benefit of service programs;

(ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs; and

(2) The research could not practically be carried out without the waiver or alteration.

(d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirements to obtain informed consent provided the IRB finds and documents that:

(1) The research involves no more than minimal risk to the subjects;

(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;

(3) The research could not practically be carried out without the waiver or alteration; and

(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

(e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.
§ 1c.119 Research undertaken without the intention of involving human subjects.

In the event research is undertaken without the intention of involving human subjects, nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable federal, state, or local law.

(Approved by the Office of Management and Budget under Control Number 0990–0260)

§ 1c.117 Documentation of informed consent.

(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject's legally authorized representative. A copy shall be given to the person signing the form.

(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:

(1) A written consent document that embodies the elements of informed consent required by § 1c.116. This form may be read to the subject or the subject's legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or

(2) A short form written consent document stating that the elements of informed consent required by § 1c.116 have been presented orally to the subject or the subject's legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative. Only the short form itself is to be signed by the subject or the representative. However, the witness shall sign both the short form and a copy of the summary, and the person actually obtaining consent shall sign a copy of the summary. A copy of the summary shall be given to the subject or the representative, in addition to a copy of the short form.

(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:

(1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject will be asked whether the subject wants documentation linking the subject with the research, and the subject’s wishes will govern; or

(2) That the research presents no more than minimal risk of harm to subjects and involves no procedures for which written consent is normally required outside of the research context.

In cases in which the documentation requirement is waived, the IRB may require the investigator to provide subjects with a written statement regarding the research.

(Approved by the Office of Management and Budget under Control Number 0990–0260)

§ 1c.118 Applications and proposals lacking definite plans for involvement of human subjects.

Certain types of applications for grants, cooperative agreements, or contracts are submitted to departments or agencies with the knowledge that subjects may be involved within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution's responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subjects' involvement will depend upon completion of instruments, prior animal studies, or purification of compounds. These applications need not be reviewed by an IRB before an award may be made. However, except for research exempted or waived under § 1c.101(b) or (i), no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved by the IRB, as provided in this policy, and certification submitted, by the institution, to the department or agency.
human subjects, but it is later proposed to involve human subjects in the research, the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.

§ 1c.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.

(a) The department or agency head will evaluate all applications and proposals involving human subjects submitted to the department or agency through such officers and employees of the department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and others, and the importance of the knowledge gained or to be gained.

(b) On the basis of this evaluation, the department or agency head may approve or disapprove the application or proposal, or enter into negotiations to develop an approvable one.

§ 1c.121 [Reserved]

§ 1c.122 Use of Federal funds.

Federal funds administered by a department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.

§ 1c.123 Early termination of research support: Evaluation of applications and proposals.

(a) The department or agency head may require that department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.

(b) In making decisions about supporting or approving applications or proposals covered by this policy the department or agency head may take into account, in addition to all other eligibility requirements and program criteria, factors such as whether the applicant has been subject to a termination or suspension under paragraph (a) of this section and whether the applicant or the person or persons who would direct or have directed the scientific and technical aspects of an activity have, in the judgment of the department or agency head, materially failed to discharge responsibility for the protection of the rights and welfare of human subjects (whether or not the research was subject to federal regulation).

§ 1c.124 Conditions.

With respect to any research project or any class of research projects the department or agency head may impose additional conditions prior to or at the time of approval when in the judgment of the department or agency head additional conditions are necessary for the protection of human subjects.

§ 2.2 Authority of the Secretary to prescribe regulations.

The general authority of the Secretary to prescribe regulations governing the work of the Department is based on 5 U.S.C. 301 which provides that the head of an Executive department may prescribe regulations for the government of his department, the conduct of its employees, the distribution and performance of its business, and the custody, use and preservation of its records, papers, and property.

§ 3.1  

(a) In general. (1) The regulations in this part prescribe standards and procedures for use by USDA agencies in the collection, compromise, suspension, or termination of debts owed to the United States.

(2) The regulations in this part apply to all debts of the United States subject to collection by USDA agencies, except as otherwise specified in this part or by statute.

(3) The regulations in this part do not preclude the Secretary from collection, compromise, suspension, or termination of debts as otherwise authorized by law. In such cases the laws and implementing regulations that are specifically applicable to claims collection
activities of a particular agency generally shall take precedence over this part.

(b) Agency specific regulations. (1) The regulations of this part shall apply to the Commodity Credit Corporation to the extent specified in 7 CFR part 1403.

(2) USDA agencies may issue regulations to supplement this part in order to meet the specific requirements of individual programs.

(c) Inapplicability. The regulations of this part shall not apply to:

(1) Collection of debts owed government travel card contractors by USDA employees;

(2) Collection of debts owed by individual Food Stamp Program recipients for whom debt collection procedures are provided under 7 CFR 273.18.

§ 3.2 Authority.

The regulations in this part are issued under the Debt Collection Act of 1982, as amended by the Debt Collection Improvement Act of 1996 (DCIA) (31 U.S.C. 3701 et seq.) and the Federal Claims Collection Standards issued pursuant to the DCIA by Treasury and Justice (31 CFR parts 901-904) that prescribe government-wide standards for administrative collection, compromise, suspension, or termination of agency collection action, disclosure of debt information to credit reporting agencies, referral of claims to private collection contractors for resolution, and referral to Justice for litigation to collect debts owed the government. The regulations under this part also are issued under Treasury regulations implementing DCIA (31 CFR part 285) and related statutes and regulations governing the offset of Federal salaries (5 U.S.C. 5512 and 5514; 5 CFR part 550, subpart K) and administrative offset of tax refunds (31 U.S.C. 3720A).

Federal agency means any other Department or entity within the Executive branch of the government.

Government or Federal government means the government of the United States, unless otherwise specified.

NAD means the USDA National Appeals Division.

Non-centralized administrative offset means an agreement between a USDA creditor agency and a payment authorizing agency to offset the payments made by the payment authorizing agency to satisfy a USDA debt. An internal administrative offset is a type of non-centralized administrative offset.

under this part, including immediate referral for litigation.

(b) Required notices. In demand letters, the USDA creditor agency shall inform the debtor:

1. The nature and amount of the debt; and the facts giving rise to the debt;
2. How interest, penalties, and administrative costs are added to the debt, the date by which payment must be made to avoid such charges, and that such assessments must be made unless excused in accordance with §3.17;
3. The date by which payment should be made to avoid the enforced collection actions described in paragraph (b)(6) of this section;
4. The willingness of the creditor agency to discuss alternative payment arrangements and how the debtor may enter into a written agreement to repay the debt under terms acceptable to the agency (see §3.16);
5. The name, address, telephone number and email address (optional) of a contact person or office within the creditor agency;
6. The intention of the creditor agency to enforce collection if the debtor fails to pay or otherwise resolve the debt, by taking one or more of the following actions:
   i. Offset. Offset the debtor’s USDA payments and refer the debtor’s debt to TOP for offset against other Federal payments, including income tax refunds, in accordance with subpart D;
   ii. Private collection agency. [Reserved]
   iii. Credit reporting agency reporting. Report the debt to a credit reporting agency in accordance with §3.12;
   iv. Administrative wage garnishment. Refer the debt to Treasury in accordance with subpart E for possible collection by garnishing the debtor’s wages through administrative wage garnishment;
   v. Litigation. Refer the debt to Justice in accordance with §3.21 to initiate litigation to collect the debt;
   vi. Referral to Treasury. Referral of the debt to Treasury for collection in accordance with subpart C of this part;
7. That USDA debts over 180 days delinquent must be referred to Treasury for the collection actions described in paragraph (b)(6) of this section;
8. How the debtor may inspect and copy records related to the debt;
9. How the debtor may request a review of the USDA creditor agency’s determination that the debtor owes a debt and present evidence that the debt is not delinquent or legally enforceable (see subpart F of this part);
10. [Reserved]
11. How a debtor who is a Federal employee subject to Federal salary offset may request a hearing (see subpart G of this part);
12. How a debtor may request a waiver of the debt, if applicable;
13. How the debtor’s spouse may claim his or her share of a joint income tax refund by filing Form 8379 with the Internal Revenue Service (see http://www.irs.gov);
14. How the debtor may exercise other statutory or regulatory rights and remedies available to the debtor;
15. That certain debtors may be ineligible for government loans, guarantees, and insurance (see §3.14);
16. If applicable, the creditor agency’s intention to suspend or revoke licenses, permits, or privileges (see §3.14); and
17. That the debtor must advise the creditor agency of the filing of any bankruptcy proceedings of the debtor or of another person liable for the debt being collected.

(c) Exceptions to notice requirements. A USDA creditor agency may omit from a demand letter one or more of the provisions contained in paragraphs (b)(6) through (b)(17) if the USDA creditor agency, in consultation with OGC, determines that any provision is not legally required given the collection remedies to be applied to a particular debt.

(d) Agencies shall exercise care to ensure that demand letters are mailed or hand-delivered on the same day that they are dated. There is no prescribed format for demand letters. Agencies shall utilize demand letters and procedures that will lead to the earliest practicable determination of whether the debt can be resolved administratively or must be referred for litigation.
§ 3.12 Reporting of consumer debts.

(a) Notice. In demand letters to debtors sent in accordance with §3.11, agencies shall inform debtors:

1. The intent of the agency to report the delinquent consumer debt to credit reporting agencies after 60 days;

2. The specific information to be transmitted (i.e., name, address, and taxpayer identification number, information about the debt);

3. The actions which may be taken by the debtor to prevent the reporting (i.e., repayment in full or a repayment agreement); and

4. The rights of the debtor to seek review of the existence of the debt in accordance with subpart F.

(b) Disclosure. Disclosure of delinquent consumer debts must be consistent with the requirements of 31 U.S.C. 3711(e), the Privacy Act of 1974 (5 U.S.C. 552a), the Bankruptcy Code, and 31 CFR 901.4.

(c) Non-duplication of hearings. When an agency has given a debtor any of the notices required by this part and an opportunity for administrative review under subpart F, the agency need not duplicate such notice and review opportunities before reporting the delinquent debt to credit bureaus.

(d) Stay of disclosure. Agencies shall not disclose a delinquent debt to a credit reporting agency if a debtor requests review under subpart F until a final determination is made by a reviewing official that upholds the agency intent to disclose.

(e) Commercial debt. The requirement of this section does not apply to commercial debts, although agencies...
Office of the Secretary, USDA

§ 3.13 Contracting with private collection contractors and with entities that locate and recover unclaimed assets. [Reserved]

§ 3.14 Suspension or revocation of eligibility for loans and loan guarantees, licenses, permits, or privileges.

(a) Agencies are not permitted to extend financial assistance in the form of a loan, loan guarantee, or loan insurance to any person delinquent on a nontax debt owed to a Federal agency, except as otherwise authorized by law or upon waiver of application of this section by the USDA Chief Financial Officer (CFO) or Deputy CFO. This prohibition does not apply to disaster loans. Agencies may extend credit after the delinquency has been resolved. The Secretary of the Treasury may exempt classes of debts from this prohibition and has prescribed standards defining when a “delinquency” is “resolved” for purposes of this prohibition. See 31 CFR 285.13 (Barring Delinquent Debtors From Obtaining Federal Loans or Loan Insurance or Guarantees).

(b) Similarly, agencies also are not permitted to extend financial assistance (either directly or indirectly) in the form of grants, loans, or loan guarantees to judgment debtors who have a judgment lien placed against their property until the judgment is satisfied, unless the agency grants a waiver in accordance with agency regulations. See 31 U.S.C. 3201(e).

(c) In non-bankruptcy cases, agencies seeking the collection of statutory penalties, forfeitures, or other types of claims must consider the suspension or revocation of licenses, permits, or other privileges for any inexcusable or willful failure of a debtor to pay such a debt in accordance with the agency’s regulations or governing procedures. The debtor shall be advised in the agency’s written demand for payment of the agency’s ability to suspend or revoke licenses, permits, or privileges.

(d) Any agency making, guaranteeing, insuring, acquiring, or participating in, loans must consider suspending or disqualifying any lender, contractor, or broker from doing further business with the agency or engaging in programs sponsored by the agency if such lender, contractor, or broker fails to pay its debts to the government within a reasonable time or if such lender, contractor, or broker has been suspended, debarred, or disqualified from participation in a program or activity by another Federal agency. Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overrun payments, but not including sums owed to the government under the Internal Revenue Code) owed to any Federal agency or instrumentality is grounds for nonprocurement suspension or debarment if the debt is uncontested and the debtor’s legal administrative remedies for review of the debt are exhausted. See 7 CFR 3017.305(c)(3) and 405(a)(2).

(e) The failure of any surety to honor its obligations in accordance with 31 U.S.C. 9305 shall be reported to Treasury. Treasury will forward to all interested agencies notification that a surety’s certificate of authority to do business with the government has been revoked.

(f) The suspension or revocation of licenses, permits, or privileges also may extend to USDA programs or activities that are administered by the States on behalf of the government, to the extent that they affect the government’s ability to collect money or funds owed by debtors. Therefore, States that manage USDA activities, pursuant to approval from the agencies, shall ensure that appropriate steps are taken to safeguard against issuing licenses, permits, or privileges to debtors who fail to pay their debts to the government.

(e) In bankruptcy cases, before advising the debtor of an agency’s intention to suspend or revoke licenses, permits, or privileges, agencies may seek legal advice from OGC concerning the impact of the Bankruptcy Code, particularly 11 U.S.C. 362 and 525, which may restrict such action.

§ 3.15 Liquidation of collateral.

(a) In accordance with applicable statutes and regulations, agencies may liquidate security or collateral through a sale or a nonjudicial foreclosure, and apply the proceeds to the applicable debt(s), if the debtor fails to pay the
§ 3.16 Collection in installments.

(a) Whenever feasible, agencies shall collect the total amount of a debt in one lump sum. If a debtor is financially unable to pay a debt in one lump sum, agencies may accept payment in regular installments. Agencies shall obtain financial statements from debtors who represent that they are unable to pay in one lump sum and independently verify such representations whenever possible (see 31 CFR 902.2(g) for methods of verification). Agencies that agree to accept payments in regular installments shall obtain a legally enforceable written agreement from the debtor that specifies all terms of the arrangement and that contains a provision accelerating the debt in the event of default.

(b) The size and frequency of installment payments shall bear a reasonable relation to the size of the debt and the debtor’s ability to pay. If possible, the installment payments shall be sufficient in size and frequency to liquidate the debt in three years or less.

(c) Security for deferred payments shall be obtained in appropriate cases. Agencies may accept installment payments notwithstanding the refusal of the debtor to execute a written agreement or to give security, at the agency’s option.

§ 3.17 Interest, penalties, and administrative costs.

(a) Except as provided in paragraphs (g) and (l) of this section, agencies shall charge interest, penalties, and administrative costs on debts owed to the United States pursuant to 31 U.S.C. 3717. If not included in the agency’s demand notice, an agency shall mail or hand-deliver a written notice to the debtor, at the debtor’s most recent address available to the agency, explaining the agency’s requirements concerning these charges except where these requirements are included in a contractual or repayment agreement. These charges shall continue to accrue until the debt is paid in full or otherwise resolved through compromise, termination, or waiver of the charges.

(b) Agencies shall charge interest on debts owed the United States as follows, except as otherwise required by law:

(1) Interest shall accrue from the date of delinquency, or as otherwise provided by law.

(2) Unless otherwise established in a contract, repayment agreement, or by statute, the rate of interest charged shall be the rate established annually by the Secretary of the Treasury in accordance with 31 U.S.C. 3717. Pursuant to 31 U.S.C. 3717, an agency may charge a higher rate of interest if it reasonably determines that a higher rate is necessary to protect the rights of the United States. The agency must document the reason(s) for its determination that the higher rate is necessary.

(3) The rate of interest, as initially charged, shall remain fixed for the duration of the indebtedness. When a debtor defaults on a repayment agreement and seeks to enter into a new agreement, the agency may require payment of interest at a new rate that reflects the current value of funds to the Treasury at the time the new agreement is executed. Interest shall not be compounded, that is, interest shall not be charged on interest, penalties, or administrative costs required by this section. If, however, a debtor defaults on a previous repayment agreement, charges that accrued but were not collected under the defaulted
agreement shall be added to the principal under the new repayment agreement.

(c) Agencies shall assess administrative costs incurred for processing and handling delinquent debts. The calculation of administrative costs shall be based on actual costs incurred or upon estimated costs as determined by the assessing agency.

(d) Unless otherwise established in a contract, repayment agreement, or by statute, agencies shall charge a penalty, pursuant to 31 U.S.C. 3717(e)(2), not to exceed six percent a year on the amount due on a debt that is delinquent for more than 90 days. This charge shall accrue from the date of delinquency.

(e) Agencies may increase an “administrative debt” by the cost of living adjustment in lieu of charging interest and penalties under this section. “Administrative debt” includes, but is not limited to, a debt based on fines, penalties, and overpayments, but does not include a debt based on the extension of government credit, such as those arising from loans and loan guarantees. The cost of living adjustment is the percentage by which the Consumer Price Index for the month of June of the calendar year preceding the adjustment exceeds the Consumer Price Index for the month of June of the calendar year in which the debt was determined or last adjusted. Increases to administrative debts shall be computed annually. Agencies may use this alternative only when there is a legitimate reason to do so, such as when calculating interest and penalties on a debt would be extremely difficult because of the age of the debt.

(f) When a debt is paid in partial or installment payments, amounts received by the agency shall be applied first to outstanding penalties, second to administrative charges, third to interest, and last to principal, except as otherwise required by law.

(g) Agencies shall waive the collection of interest and administrative charges imposed pursuant to this section (i.e., this does not apply to interest or administrative penalties determined by an applicable agreement or instrument such as a loan contract) on the portion of the debt that is paid within 30 days after the date on which interest began to accrue. Agencies may extend this 30-day period on a case-by-case basis. In addition, agencies may waive interest, penalties, and administrative costs charged under this section, in whole or in part, without regard to the amount of the debt, either under the criteria set forth in the Federal standards for the compromise of debts (31 CFR part 902), or if the agency determines that collection of these charges is against equity and good conscience or is not in the best interest of the United States.

§ 3.18 Use and disclosure of mailing addresses.

(a) When attempting to locate a debtor or in order to collect or compromise a debt under this part or parts 902–904 of title 31 or other authority, agencies may send a request to Treasury to obtain a debtor’s mailing address from the records of the Internal Revenue Service (IRS).

(b) Agencies are authorized to use mailing addresses obtained under paragraph (a) of this section to enforce collection of a delinquent debt and may disclose such mailing addresses to other agencies and to collection agencies for collection purposes.

§ 3.19 Standards for the compromise of claims.

An agency shall follow the standards set forth in 31 CFR part 902 for the compromise of debts pursuant to 31 U.S.C. 3711 arising out of the activities of, or referred or transferred for collection services to, that agency, except where otherwise authorized or required by law.

§ 3.20 Standards for suspending or terminating collection activities.

An agency shall follow the standards set forth in 31 CFR part 903 for the suspension or termination of collection
activity pursuant to 31 U.S.C. 3711, except where otherwise authorized or required by law.

§ 3.21 Referrals of Debts to Justice.

An agency shall promptly refer to Justice for litigation debts on which aggressive collection activity has been taken in accordance with this part, and that cannot be compromised by the agency or on which collection activity cannot be suspended or terminated in accordance with 31 CFR parts 902 and 903. Agencies shall follow the procedures set forth in 31 CFR part 904 in making such referrals.

Subpart C—Referral of Debts to Treasury

SOURCE: 73 FR 4, Jan. 2, 2008, unless otherwise noted.

§ 3.30 General requirements.

(a) Agencies are required by law to transfer delinquent, nontax, legally enforceable debts to Treasury for collection through cross-servicing and through centralized administrative offset. Additionally, USDA has chosen to transfer debts to Treasury for collection through administrative wage garnishment. Agencies need not make duplicate referrals to Treasury for all these purposes; a debt may be referred simultaneously for purposes of collection by cross-servicing, centralized administrative offset, and administrative wage garnishment where applicable. However, in some instances a debt exempt from collection via cross-servicing may be subject to collection by centralized administrative offset so simultaneous referrals are not always the norm. This subpart sets forth rules applicable to the transfer of debts to Treasury for collection by cross-servicing. Rules for transfer to Treasury for centralized administrative offset are set forth in subpart D, and for administrative wage garnishment in subpart E.

(b) When debts are referred or transferred to Treasury, or Treasury-designated debt collection centers under the authority of 31 U.S.C. 3711(g), Treasury shall service, collect, or compromise the debts, or Treasury will suspend or terminate the collection action, in accordance with the statutory requirements and authorities applicable to the collection of such debts.

§ 3.31 Mandatory referral for cross-servicing.

(a) Agencies shall transfer to Treasury any legally enforceable nontax debt in excess of $25, or combination of debts less than $25 that exceeds $25 (in the case of a debtor whose taxpayer identification number (TIN) is unknown the applicable threshold is $100), that has or have been delinquent for a period of 180 days in accordance with 31 CFR 285.12 so that Treasury may take appropriate action on behalf of the creditor agency to collect or compromise, or to suspend or terminate collection, of the debt, including use of debt collection centers and private collection contractors to collect the debt or terminate collection action.

(b) The requirement of paragraph (a) of this section does not apply to any debt that:

(1) Is in litigation or foreclosure (see 31 CFR 385.12(d)(2) for definition);

(2) Will be disposed of under an approved asset sale program (see 31 CFR 285.12(d)(3)(i) for definition);

(3) Has been referred to a private collection contractor for a period of time acceptable to Treasury;

(4) Is at a debt collection center for a period of time acceptable to Treasury;

(5) Will be collected under internal offset procedures within three years after the debt first became delinquent;

(6) Is exempt from this requirement based on a determination by the Secretary of the Treasury that exemption for a certain class of debt is in the best interest of the United States. Federal agencies may request that the Secretary of the Treasury exempt specific classes of debts. Any such request by an agency must be sent to the Fiscal Assistant Secretary of the Treasury by the USDA CFO.

(c) A debt is considered 180 days delinquent for purposes of this section if it is 180 days past due and is legally enforceable. A debt is past due if it has not been paid by the date specified in the agency’s initial written demand for payment or applicable agreement or instrument (including a post-delinquency
payment agreement) unless other satisfactory payment arrangements have been made. A debt is legally enforceable if there has been a final agency determination that the debt, in the amount stated, is due and there are no legal bars to collection action. Where, for example, a debt is the subject of a pending administrative review process required by statute or regulation and collection action during the review process is prohibited, the debt is not considered legally enforceable for purposes of mandatory transfer to Treasury and is not to be transferred even if the debt is more than 180 days past due. When a final agency determination is made after an administrative appeal or review process (including administrative review under subpart F), the creditor agency must transfer such debt to Treasury, if more than 180 days delinquent, within 30 days after the date of the final decision.

§ 3.32 Discretionary referral for cross-servicing.
Agencies shall consider referring legally enforceable nontax debts that are less than 180 days delinquent to Treasury or to Treasury-designated “debt collection centers” in accordance with 31 CFR 285.12 to accomplish efficient, cost effective debt collection if no USDA payments will be available to collect the debt through internal administrative offset under §3.43.

§ 3.33 Required certification.
Agencies referring delinquent debts to Treasury for collection via cross-servicing must certify, in writing, that:
(a) The debts being transferred are valid and legally enforceable;
(b) There are no legal bars to collection; and
(c) The agency has complied with all prerequisites to a particular collection action under the laws, regulations or policies applicable to the agency, unless the agency and Treasury agree that Treasury will do so on behalf of the agency.

§ 3.34 Fees.
Federal agencies operating Treasury-designated debt collection centers are authorized to charge a fee for services rendered regarding referred or transferred debts. The fee may be paid out of amounts collected and may be added to the debt as an administrative cost.

Subpart D—Administrative Offset

§ 3.40 Scope.
(a) This subpart sets forth the procedures to be used by agencies in collecting debts by administrative offset. The term “administrative offset” has the meaning provided in 31 U.S.C. 3701(a)(1).
(b) This section does not apply to:
(1) Debts arising under the Social Security Act, except as provided in 42 U.S.C. 404;
(2) Payments made under the Social Security Act, except as provided for in 31 U.S.C. 3716(c) (see 31 CFR 285.4, Federal Benefit Offset);
(3) Debts arising under, or payments made under, the Internal Revenue Code (except for offset of tax refunds) or the tariff laws of the United States;
(4) Offsets against Federal salaries (such offsets are covered by subpart F);
(5) Offsets under 31 U.S.C. 3728 against a judgment obtained by a debtor or against the United States;
(6) Offsets or recoupments under common law, State law, or Federal statutes specifically prohibiting offsets or recoupments of particular types of debts;
(7) Offsets in the course of judicial proceedings, including bankruptcy; or
(c) Unless otherwise provided for by contract or law, debts or payments that are not subject to administrative offset under 31 U.S.C. 3716 may be collected by administrative offset under the common law or other applicable statutory authority.
(d) Supplemental provisions related to offsets by the Commodity Credit Corporation (CCC) may be found at 7 CFR part 1403 and for the Farm Service Agency at 7 CFR part 792.
(e) Unless otherwise provided by law, administrative offset of payments under the authority of 31 U.S.C. 3716 to
collect a debt may not be conducted more than 10 years after the government’s right to collect the debt first accrued, unless facts material to the government’s right to collect the debt were not known and could not reasonably have been known by the official or officials of the government who were charged with the responsibility to discover and collect such debts. This limitation does not apply to debts reduced to a judgment.

(f) In bankruptcy cases, agencies may seek legal advice from OGC concerning the impact of the Bankruptcy Code, particularly 11 U.S.C. 106, 362, and 553, on pending or contemplated collections by offset.

§ 3.41 Procedures for notification of intent to collect by administrative offset.

(a) Prior to initiation of collection by administrative offset, a creditor agency must:

(1) Send the debtor a written Notice of Intent to Collect by Administrative Offset, by mail or hand-delivery, of the type and amount of the debt, the intention of the agency to use non-centralized administrative offset (which includes a USDA internal administrative offset) to collect the debt 30 days after the date of the Notice, the name of the Federal agency or USDA agency from which the creditor agency wishes to collect in the case of a non-centralized administrative offset, the intent to refer the debt to Treasury for collection through centralized administrative offset (including possible offset of tax refunds) 60 days after the date of the Notice if the debt is not satisfied by offset within USDA or by agreement with another Federal agency, and an explanation of the debtor’s rights under 31 U.S.C. 3716; and

(2) Give the debtor the opportunity:

(i) To inspect and copy agency records related to the debt;

(ii) For a review within the agency of the determination of indebtedness in accordance with subpart F; and

(iii) To make a written agreement to repay the debt.

(b) The procedures set forth in paragraph (a) of this section are not required when:

(1) The offset is in the nature of a recoupment;

(2) The debt arises under a contract subject to the Contracts Disputes Act;

(3) In the case of a non-centralized administrative offset, the agency first learns of the existence of the amount owed by the debtor when there is insufficient time before payment would be made to the debtor/payee to allow for prior notice and an opportunity for review. When prior notice and an opportunity for review are omitted, the agency shall give the debtor such notice and an opportunity for review as soon as practicable and shall promptly refund any money ultimately found not to have been owed to the government; or

(4) The agency previously has given a debtor any of the notice and review opportunities required under this part, with respect to a particular debt (see, e.g., §3.11). With respect to loans paid on an installment basis, notice and opportunity to review under this part may only be provided once for the life of the loan upon the occurrence of the first delinquent installment. Subsequently, if an agency elects this option, credit reporting agencies may be furnished periodically with updates as to the current or delinquent status of the loan account and the borrower may receive notice of referral to TOP for delinquent installments without further opportunity for review. Any interest accrued or any installments coming due after the offset is initiated also would not require a new notice and opportunity to review.

(c) The Notice of Intent to Collect by Administrative Offset shall be included as part of a demand letter issued under §3.11 to advise the debtor of all debt collection possibilities that the agency will seek to employ.

§ 3.42 Debtor rights to inspect or copy records, submit repayment proposals, or request administrative review.

(a) A debtor who intends to inspect or copy agency or USDA records with respect to the debt must notify the creditor agency in writing within 30 days of the date of the Notice of Intent to Collect by Administrative Offset. In response, the agency must notify the
debtor of the location, time, and any other conditions, consistent with part 1, subpart A, of this title, for inspecting and copying, and that the debtor may be liable for reasonable copying expenses. A decision by the agency under this paragraph shall not be subject to review under subpart F or by NAD under 7 CFR part 11.

(b) The debtor may, in response to the Notice of Intent to Collect by Administrative Offset, propose to the creditor agency a written agreement to repay the debt as an alternative to administrative offset. Any debtor who wishes to do this must submit a written proposal for repayment of the debt, which must be received by the creditor agency within 30 days of the date of the Notice of Intent to Collect by Administrative Offset or 15 days after the date of a decision adverse to the debtor under subpart F. In response, the creditor agency must notify the debtor in writing whether the proposed agreement is acceptable. In exercising its discretion, the creditor agency must balance the government’s interest in collecting the debt against fairness to the debtor. A decision by the agency under this paragraph shall not be subject to review under subpart F or by NAD under 7 CFR part 11.

(c) A debtor must request an administrative review of the debt under subpart F within 30 days of the date of the Notice of Intent to Collect by Administrative Offset for purposes of a proposed collection by non-centralized administrative offset and within 60 days of the date of the Notice of Intent to Collect by Administrative Offset for purposes of a proposed collection by referral to Treasury for offset against other Federal payments that would include tax refunds.

§ 3.43 Non-centralized administrative offset.

(a) Scope. In cooperation with the Federal agency certifying or authorizing payments to the debtor, a creditor agency may make a request directly to a payment authorizing agency to offset a payment due a debtor to collect a delinquent debt from, for example, a Federal employee’s lump sum payment upon leaving government service in order to pay an unpaid advance. Also, non-centralized administrative offsets include USDA internal administrative offsets, for example, of CCC payments to pay Farm Service Agency (FSA) delinquent debts. Unless prohibited by law, when centralized administrative offset is not available or appropriate, past due, legally enforceable nontax delinquent debts may be collected through non-centralized administrative offset.

(b) Effectuation of offset. A non-centralized administrative offset may be effected 31 days after the date of the Notice of Intent to Collect by Administrative Offset, any time after the final determination in an administrative review conducted under subpart F upholds the creditor agency’s decision to offset, or any time after the creditor agency notifies the debtor that its repayment proposal submitted under § 3.42(c) is not acceptable if the 30-day period for the debtor to seek review of the Notice has expired, unless the creditor agency makes a determination under § 3.41(b)(3) that immediate action to effectuate the offset is necessary.

(c) Certification. A payment authorizing agency may conduct a non-centralized administrative offset only after certification by a creditor agency that:

1. The debtor has been provided notice and opportunity for review as set forth in § 3.41; and
2. The payment authorizing agency has received written certification from the creditor agency that the debtor owes the past due, legally enforceable delinquent debt in the amount stated, and that the creditor agency has fully complied with its regulations concerning administrative offset.

(d) Responsibilities of payment authorizing agencies. Payment authorizing agencies shall comply with offset requests by creditor agencies to collect debts owed to the United States, unless the offset would not be in the best interests of the United States with respect to the program of the payment authorizing agency, or would otherwise be contrary to law. Appropriate use should be made of the cooperative efforts of other agencies in effecting collection by administrative offset.

(e) Application of recovered amounts to satisfaction of debts. When collecting
multiple debts by non-centralized administrative offset, agencies shall apply the recovered amounts to those debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, particularly the applicable statute of limitations.

§ 3.44 Centralized administrative offset.

(a) Mandatory referral. After the notice and review opportunity requirements of §3.41 are met, an agency shall refer debts which are over 180 days delinquent to Treasury for collection through centralized administrative offset 61 days after the date of the Notice of Intent to Collect by Administrative Offset provided in accordance with §3.41. If the debtor seeks review under subpart F, referral of the debt must occur within 30 days of the final decision upholding the agency decision to offset the debt if the debt is more than 180 days delinquent.

(b) Discretionary referral. After the notice and review opportunity requirements of §3.41 are met, and administrative review under subpart F is not sought or is unsuccessful on the part of the debtor, an agency may refer a debt that is less than 180 days delinquent.

(c) Procedures for referral. Agencies shall refer debts to Treasury for collection in accordance with Treasury procedures set forth in 31 CFR part 285.5.

(d) Payment authorizing agency responsibilities. (1) The names and TINs of debtors who owe debts referred to Treasury under this section shall be compared to the names and TINs on payments to be made by Federal disbursing officials. Federal disbursing officials include disbursing officials of Treasury, the Department of Defense, the United States Postal Service, other government corporations, and disbursing officials of the United States designated by Treasury. When the name and TIN of a debtor match the name and TIN of a payee and all other requirements for offset have been met, the payment authorizing agency must offset a payment to satisfy the debt.

(2) Any USDA official serving as a Federal disbursing official for purposes of effecting centralized administrative offset under this section must notify a debtor/payee in writing that an offset has occurred to satisfy, in part or in full, a past due, legally enforceable delinquent debt. The notice must include the information set forth in paragraph (d)(4) of this section.

(3) As described in 31 CFR 285.5(g)(1) and (2), any USDA official serving as a Federal disbursing official for purposes of centralized administrative offset under this section shall furnish a warning notice to a payee/debtor prior to beginning offset of recurring payments. Such warning notice shall include the information set forth in paragraph (d)(4) of this section.

(4) The notice shall include a description of the type and amount of the payment from which the offset was taken, the amount of offset that was taken, the identity of the creditor agency requesting the offset, and a contact point within the creditor agency who will respond to questions regarding the offset.

(5) The priorities for collecting multiple payments owed by a payee/debtor shall be those set forth in 31 CFR 285.5(f)(3).

§ 3.45 USDA payment authorizing agency offset of pro rata share of payments due entity in which debtor participates.

(a) A USDA payment authorizing agency, to satisfy either a non-centralized or centralized administrative offset under §§3.43 and 3.44, may offset:

(1) A debtor’s pro rata share of USDA payments due any entity in which the debtor participates, either directly or indirectly, as determined by the creditor agency or the payment authorizing agency; or

(2) USDA payments due any entity that the debtor has established, or reorganized, transferred ownership of, or changed in some other manner the operation of, for the purpose of avoiding payment on the claim or debt, as determined by the creditor agency or the payment authorizing agency.

(b) Prior to exercising the authority of this section to offset any portion of a payment due an entity, the creditor agency must have provided notice to that entity in accordance with §3.41 of
its intent to offset payments to the entity in satisfaction of the debt of an individual debtor participating in that entity.

§ 3.46 Offset against tax refunds.

USDA will take action to effect administrative offset against tax refunds due to debtors under 26 U.S.C. 6402 in accordance with the provisions of 31 U.S.C. 3720A through referral for centralized administrative offset under §3.44.

§ 3.47 Offset against amounts payable from Civil Service Retirement and Disability Fund.

Upon providing the Office of Personnel Management (OPM) written certification that a debtor has been afforded the procedures provided in §3.41, creditor agencies may request OPM to offset a debtor’s anticipated or future benefit payments under the Civil Service Retirement and Disability Fund (Fund) in accordance with regulations codified at 5 CFR 831.1801 through 831.1808. Upon receipt of such a request, OPM will identify and “flag” a debtor’s account in anticipation of the time when the debtor requests, or becomes eligible to receive, payments from the Fund. This will satisfy any requirement that offset be initiated prior to the expiration of the time limitations referenced in §3.40(e).

Subpart E—Administrative Wage Garnishment

SOURCE: 73 FR 4, Jan. 2, 2008, unless otherwise noted.

§ 3.50 Purpose.

This subpart provides USDA procedures for use of administrative wage garnishment to garnish a debtor’s disposable pay to satisfy delinquent non-tax debt owed to USDA creditor agencies.

§ 3.51 Scope.

(a) This subpart applies to any agency that administers a program that gives rise to a delinquent nontax debt owed to the United States and to any agency that pursues recovery of such debt.

(b) This subpart shall apply notwithstanding any provision of State law.

(c) Nothing in this subpart precludes the compromise of a debt or the suspension or termination of collection action in accordance with the provisions of this part or other applicable law.

(d) The receipt of payments pursuant to this subpart does not preclude an agency from pursuing other debt collection remedies under this part. An agency may pursue such debt collection remedies separately or in conjunction with administrative wage garnishment.

(e) This subpart does not apply to the collection of delinquent nontax debt owed to the United States from the wages of Federal employees from their Federal employment. Federal pay is subject to the salary offset procedures of subpart G of this part.

(f) Nothing in this subpart requires agencies to duplicate notices or administrative proceedings required by contract or other laws or regulations, or other provisions of this part.

§ 3.52 Definitions.

As used in this subpart the following definitions shall apply:

Disposable pay means that part of the debtor’s compensation (including, but not limited to, salary, bonuses, commissions, and vacation pay) from an employer remaining after the deduction of health insurance premiums and any amounts required by law to be withheld. For purposes of this section, “amounts required by law to be withheld” include amounts for deductions such as social security taxes and withholding taxes, but do not include any amount withheld pursuant to a court order.

Employer means a person or entity that employs the services of others and that pays their wages or salaries. The term employer includes, but is not limited to, State and local governments, but does not include an agency of the Federal government.

Garnishment means the process of withholding amounts from an employee’s disposable pay and the paying of those amounts to a creditor in satisfaction of a withholding order.
§ 3.53 Withholding order means any order for withholding or garnishment of pay issued by an agency, or judicial or administrative body. For purposes of this section, the terms “wage garnishment order” and “garnishment order” have the same meaning as “withholding order.”

§ 3.53 Procedures.

(a) USDA has determined to pursue administrative wage garnishment of USDA debtors by referral of nontax legally enforceable debts to Treasury for issuance of garnishment orders by Treasury or its contractors.

(b) Pursuant to §3.11, agencies must notify debtors of their intent to pursue garnishment of their disposable pay through referral of the debt to Treasury for issuance of an administrative wage garnishment order and provide debtors with the opportunity for review of the existence of the debt under subpart F within 60 days of the date of the demand letter.

(c) Upon expiration of the 60-day period for review, or upon completion of a review under subpart F that upholds the agency’s determination of the debt, USDA will transfer the debt for collection through administrative wage garnishment as well as other means through cross-servicing or centralized administrative offset.

(d) If Treasury elects to pursue collection through administrative wage garnishment, Treasury, or its contractor, will notify the debtor of its intent to initiate garnishment proceedings and provide the debtor with the opportunity to inspect and copy agency records related to the debt, enter into a repayment agreement, or request a hearing as to the existence or amount of the debt or the terms of the proposed repayment schedule under the proposed garnishment order, in accordance with 31 CFR 285.11.

(e) If the debtor requests a hearing at any time, Treasury will forward the request to the USDA creditor agency to which the debt is owed, and the creditor agency will contact the Office of the CFO (OCFO) for selection of a hearing official. The issuance of proposed garnishment orders by Treasury shall not be subject to appeal to NAD under 7 CFR part 11. Hearings will be conducted in accordance with 31 CFR 285.11(f).

(f) OCFO shall provide a copy of the hearing official’s final decision to Treasury for implementation with respect to the subject garnishment order.

Subpart F—Administrative Reviews for Administrative Offset, Administrative Wage Garnishment, and Disclosure to Credit Reporting Agencies

Source: 73 FR 4, Jan. 2, 2008, unless otherwise noted.

§ 3.60 Applicability.

(a) This section establishes consolidated administrative review procedures for debts subject to administrative offset, administrative wage garnishment, and disclosure to credit reporting agencies, under subparts D and E. A hearing or review under this section shall satisfy the required opportunity for administrative review by the agency of the determination of a debt for both administrative offset and administrative wage garnishment that is required before transfer to Treasury for collection or collection by the agency through non-centralized administrative offset.

(b) For debt collection proceedings initiated by FSA, CCC, the Rural Housing Service, the Rural Business-Cooperative Service, the Risk Management Agency, the Federal Crop Insurance Corporation, the Natural Resources Conservation Service, Rural Development, and the Rural Utilities Service (but not for programs authorized by the Rural Electrification Act of 1936 or the Rural Telephone Bank Act, 7 U.S.C. 901 et seq.), unless otherwise specified, any administrative review will be conducted by NAD in accordance with 7 CFR part 11 and not the procedures of this subpart.

§ 3.61 Presiding employee.

An agency reviewing officer may be an agency employee, or the agency may provide for reviews to be done by another agency through an interagency agreement. No agency employee may
§ 3.62 Procedures.

(a) A debtor who receives a Notice of Intent to Collect by Administrative Offset, Notice of Disclosure to Credit Reporting Agencies, or Notice of Intent to Collect by Administrative Wage Garnishment, or more than one of the above simultaneously, may request administrative review of the agency’s determination that the debt exists and the amount of the debt. Any debtor who wishes to do this must submit a written explanation of why the debtor disagrees and seeks review. The request must be received by the creditor agency within 60 days of the date of the notice in the case of a Notice of Intent to Collect by Administrative Offset that includes referral to Treasury for offset against other Federal payments including tax refunds and 30 days in the case of all other notices.

(b) In response, the creditor agency must notify the debtor in writing whether the review will be by documentary review or by hearing. An oral hearing is not necessary with respect to debt collection systems in which a determination of indebtedness rarely involves issues of credibility or veracity and the agency has determined that review of the written record is ordinarily an adequate means to correct prior mistakes. The agency shall provide the debtor with a reasonable opportunity for an oral hearing when the debtor requests reconsideration of the debt and the agency determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the debt turns on an issue of credibility or veracity. If the debtor requests a hearing, and the creditor agency decides to conduct a documentary review, the agency must notify the debtor of the reason why a hearing will not be granted. The agency must also advise the debtor of the procedures to be used in reviewing the documentary record, or of the date, location and procedures to be used if review is by a hearing.

(c) An oral hearing may, at the debtor’s option, be conducted either in-person or by telephone conference. All travel expenses incurred by the debtor in connection with an in-person hearing will be borne by the debtor. All telephonic charges incurred during the hearing will be the responsibility of the agency.

(d) After the debtor requests a hearing, the hearing official shall notify the debtor of:

(1) The date and time of a telephonic hearing;
(2) The date, time, and location of an in-person oral hearing; or
(3) The deadline for the submission of evidence for a documentary review.

(e) Unless otherwise arranged by mutual agreement between the debtor and the agency, evidenced in writing, any documentary review or hearing will be conducted not less than 10 days and no more than 45 days after receipt of the request for review.

(f) Unless otherwise arranged by mutual agreement between the debtor and the agency, evidenced in writing, a documentary review or hearing will be based on agency records plus other relevant documentary evidence which may be submitted by the debtor within 10 days after the request for review is received.

(g) Hearings. Hearings will be as informal as possible, and will be conducted by a reviewing officer in a fair and expeditious manner. The reviewing officer need not use the formal rules of evidence with regard to the admissibility of evidence or the use of evidence once admitted. However, clearly irrelevant material should not be admitted, whether or not any party objects. Any party to the hearing may offer exhibits, such as copies of financial records, telephone memoranda, or agreements, provided the opposing party is notified at least five days before the hearing.

(1) Burden of proof. (i) The agency will have the burden of going forward to prove the existence or amount of the debt. (ii) Thereafter, if the debtor disputes the existence or amount of the debt, the debtor must prove by a preponderance of the evidence that no debt exists or that the amount of the debt is incorrect. In addition, the debtor may
§ 3.70 Scope.

(a) The provisions of this subpart set forth USDA procedures for the collection of a Federal employee’s pay by salary offset to satisfy certain valid and past due debts owed the government.

(b) These regulations apply to:

(1) Current USDA employees and employees of other agencies who owe debts to USDA; and

(2) Current USDA employees who owe debts to other agencies.

(c) These regulations do not apply to debts owed by FSA county executive directors or county office employees. Salaries of those employees are subject to administrative offset as provided in 7 CFR part 792 or part 1403.

(d) These regulations do not apply to debts or claims arising under the Internal Revenue Code of 1954 (26 U.S.C. 1 et seq.); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 or employee training expense in 5 U.S.C. 4108).

(e) These regulations identify the types of salary offset available to USDA, as well as certain rights provided to the employee, which include a written notice before deductions begin and the opportunity to petition for a hearing and to receive a written decision if a hearing is granted. The rights provided by this section do not extend to:

(1) Any adjustment to pay arising out of an employee’s election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less;

(2) A routine intra-agency adjustment of pay that is made to correct an
overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the four pay periods preceding the adjustment and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment; or

(3) Any adjustment to collect a debt amounting to $50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.

(f) These regulations do not preclude an employee from:

(2) Requesting waiver of any other type of debt, if waiver is available by statute; or

(3) Questioning the amount or validity of a debt, in the manner prescribed by this part.

(g) Nothing in these regulations precludes the compromise, suspension or termination of collection actions where appropriate under USDA regulations contained elsewhere.

§ 3.71 Definitions.

As used in this subpart the following definitions shall apply:

Agency means an executive department or agency; a military department; the United States Postal Service; the Postal Rate Commission; the United States Senate; the United States House of Representatives; any court, court administrative office, or instrumentality in the judicial or legislative branches of the government; or a government corporation.

Debt means:

(1) An amount owed to the United States from sources which include, but are not limited to, insured or guaranteed loans, fees, leases, rents, royalties, services, sales of real or personal property, overpayments, penalties, damages, interest, fines and forfeitures (except those arising under the Uniform Code of Military Justice).

(2) An amount owed to the United States by an employee for pecuniary losses where the employee has been determined to be liable due to his or her negligent, willful, unauthorized or illegal acts, including but not limited to:
   (i) Theft, misuse, or loss of government funds;
   (ii) False claims for services and travel;
   (iii) Illegal, unauthorized obligations and expenditures of government appropriations;
   (iv) Using or authorizing the use of government-owned or leased equipment, facilities, supplies, and services for other than official or approved purposes;
   (v) Lost, stolen, damaged, or destroyed government property;
   (vi) Erroneous entries on accounting records or reports; and
   (vii) Deliberate failure to provide physical security and control procedures for accountable officers, if such failure is determined to be the proximate cause for a loss of government funds.

Disposable pay means that part of current basic pay, special pay, incentive pay, retired pay, retainer pay, or the case of an employee not entitled to basic pay, other authorized pay remaining after the deduction of any amount required by law to be withheld (other than deductions to execute garnishment orders in accordance with 5 CFR parts 581 and 582). Among the legally required deductions that must be applied first to determine disposable pay are levies pursuant to the Internal Revenue Code (title 26, United States Code) and deductions described in section 581.105(b) through (f) of part 5 of this title.

Employee means a current employee of an agency, including a current member of the Armed Forces or a Reserve of the Armed Forces, but does not include a FSA county executive director or county office employee.

Hearing official means a USDA administrative law judge or some other individual not under the control of the Secretary.

Salary offset means a reduction of a debt by offset(s) from the disposable pay of an employee without his or her consent.
Waiver means the cancellation, remission, forgiveness, or non-recovery of a debt owed by an employee to an agency as permitted or required by 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, 5 U.S.C. 8346(b) or any other law.

§ 3.72 Coordinating offset with another Federal agency.

(a) When USDA is owed the debt. When USDA is owed a debt by an employee of another agency, the other agency shall not initiate the requested offset until USDA provides the agency with a written certification that the debtor owes USDA a debt (including the amount and basis of the debt and the due date of the payment) and that USDA has complied with these regulations.

(b) When another agency is owed the debt. USDA may use salary offset against one of its employees who is indebted to another agency, if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount and basis of the debt and the due date of the payment) and that the agency has complied with its regulations required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

(c) Mandatory centralized administrative offset. Debts may be referred to Treasury under §3.44 for collection through salary offset in accordance with 31 CFR 285.7.

§ 3.73 Determination of indebtedness.

(a) In determining that an employee is indebted to USDA and that 31 CFR parts 900 through 904 have been satisfied and that salary offset is appropriate, USDA will review the debt to make sure that it is valid and past due.

(b) If USDA determines that any of the requirements of paragraph (a) of this section have not been met, no determination of indebtedness shall be made and salary offset will not proceed until USDA is assured that the requirements have been met.

§ 3.74 Notice requirements before offset.

Except as provided in paragraph (b) of this section, salary offset will not be made unless USDA first provides the employee with a minimum of 30 days written notice. This Notice of Intent to Offset Salary will state:

(a) That USDA has reviewed the records relating to the debt and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;

(b) USDA’s intention to collect the debt by means of deduction from the employee’s current disposable pay until the debt and all accumulated interest are paid in full;

(c) The approximate beginning date, frequency, and amount of the intended deduction (stated as a fixed dollar amount or as a percentage of pay, not to exceed 15 percent of disposable pay) and; and the intention to continue the deductions until the debt is paid in full or otherwise resolved;

(d) An explanation of USDA requirements concerning interest, penalties and administrative costs; unless such payments are waived in accordance with 31 U.S.C. 3717 and §3.17;

(e) The employee’s right to inspect and copy USDA records relating to the debt;

(f) The employee’s right to enter into a written agreement with USDA for a repayment schedule differing from that proposed by USDA, so long as the terms of the repayment schedule proposed by the employee are agreeable to USDA;

(g) The employee’s right to a hearing conducted by a hearing official on USDA’s determination of the debt, the amount of the debt, or percentage of disposable pay to be deducted each pay period, so long as a petition is filed by the employee as prescribed by USDA;

(h) That the timely filing of a petition for hearing will stay the collection proceedings;

(i) That a final decision on the hearing will be issued at the earliest practical date, but not later than 60 days after the filing of the petition requesting the hearing, unless the employee requests, and the hearing officer grants, a delay in the proceedings;

(j) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

1. Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statutes or regulations;
(2) Penalties under the False Claims Act, 31 U.S.C. 3729–3731, or any other applicable statutory authority; or
(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002 or any other applicable statutory authority;
(k) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;
(l) That amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee, unless there are applicable contractual or statutory provisions to the contrary;
(m) The method and time period for requesting a hearing; and
(n) The name and address of an official of USDA to whom communications must be directed.

§ 3.75 Request for a hearing.

(a) Except as provided in paragraph (c) of this section, an employee must file a petition for a hearing that is received by USDA not later than 30 days from the date of the USDA notice described in § 3.74, if an employee wants a hearing concerning:
(1) The existence or amount of the debt; or
(2) USDA’s proposed offset schedule (including percentage).
(b) The petition must be signed by the employee and must identify and explain with reasonable specificity and brevity the facts, evidence and witnesses which the employee believes support his or her position. If the employee objects to the percentage of disposable pay to be deducted from each check, the petition must state the objection and the reasons for it.
(c) If the employee files a petition for a hearing later than the 30 days as described in paragraph (a) of this section, the hearing officer may accept the request if the employee can show that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the filing deadline (unless the employee has actual notice of the filing deadline).

§ 3.76 Result if employee fails to meet deadlines.

An employee will not be granted a hearing and will have his or her disposable pay offset in accordance with USDA’s offset schedule if the employee:
(a) Fails to file a petition for a hearing as prescribed in § 3.75; or
(b) Is scheduled to appear and fails to appear at the hearing.

§ 3.77 Hearing.

(a) If an employee timely files a petition for a hearing under section 3.75, USDA shall select the time, date, and location for the hearing.
(b)(1) Hearings shall be conducted by the hearing official designated in accordance with 5 CFR 550.1107; and
(2) Rules of evidence shall not be adhered to, but the hearing official shall consider all evidence that he or she determines to be relevant to the debt that is the subject of the hearing and weigh it accordingly, given all of the facts and circumstances surrounding the debt.
(c) USDA will have the burden of going forward to prove the existence of the debt.
(d) The employee requesting the hearing shall bear the ultimate burden of proof.
(e) The evidence presented by the employee must prove that no debt exists or cast sufficient doubt such that reasonable minds could differ as to the existence of the debt.

§ 3.78 Written decision following a hearing.

Written decisions provided after a hearing will include:
(a) A statement of the facts presented at the hearing to support the nature and origin of the alleged debt and those presented to refute the debt;
(b) The hearing officer’s analysis, findings, and conclusions, considering all the evidence presented and the respective burdens of the parties, in light of the hearing;
(c) The amount and validity of the alleged debt determined as a result of the hearing;
(d) The payment schedule (including percentage of disposable pay), if applicable;
§ 3.79 Review of USDA records related to the debt.

(a) Notification by employee. An employee who intends to inspect or copy USDA records related to the debt must send a letter to USDA stating his or her intention. The letter must be received by USDA within 30 days of the date of the Notice of Intent to Offset Salary.

(b) USDA response. In response to the timely notice submitted by the debtor as described in paragraph (a) of this section, USDA will notify the employee of the location and time when the employee may inspect and copy USDA records related to the debt.

§ 3.79 Written agreement to repay debts as alternative to salary offset.

(a) Notification by employee. The employee may propose, in response to a Notice of Intent to Offset Salary, a written agreement to repay the debt as an alternative to salary offset. Any employee who wishes to do this must submit a proposed written agreement to repay the debt that is received by USDA within 30 days of the date of the Notice of Intent to Offset Salary or 15 days after the date of a hearing decision issued under §3.78.

(b) USDA response. USDA will notify the employee whether the employee's proposed written agreement for repayment is acceptable. USDA may accept a repayment agreement instead of proceeding by offset. In making this determination, USDA will balance the USDA interest in collecting the debt against hardship to the employee. If the debt is delinquent and the employee has not disputed its existence or amount, USDA will accept a repayment agreement, instead of offset, for good cause such as, if the employee is able to establish that offset would result in undue financial hardship or would be against equity and good conscience.

§ 3.81 Procedures for salary offset: when deductions may begin.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in USDA's Notice of Intent to Offset Salary to collect from the employee's current pay.

(b) If the employee filed a petition for a hearing with USDA before the expiration of the period provided for in §3.75, then deductions will begin after the hearing officer has provided the employee with a hearing, and a final written decision has been rendered in favor of USDA.

(c) If an employee retires or resigns before collection of the amount of the indebtedness is completed, the remaining indebtedness will be collected according to the procedures for administrative offset (see subpart D of this part).

§ 3.82 Procedures for salary offset: types of collection.

A debt will be collected in a lump-sum or in installments. Collection will be by lump-sum collection unless the employee is financially unable to pay in one lump-sum, or if the amount of the debt exceeds 15 percent of disposable pay for an ordinary pay period. In these cases, deduction will be by installments, as set forth in §3.83.

§ 3.83 Procedures for salary offset: methods of collection.

(a) General. A debt will be collected by deductions at officially-established pay intervals from an employee's current pay account, unless the employee and USDA agree to alternative arrangements for repayment under §3.80.

(b) Installment deductions. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency
of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted for any period will not exceed 15 percent of the disposable pay from which the deduction is made, unless the employee has agreed in writing to the deduction of a greater amount. PART 4 [RESERVED]

PART 5—DETERMINATION OF PARITY PRICES

Sec.
5.1 Parity index and index of prices received by farmers.
5.2 Marketing season average price data.
5.3 Selection of calendar year price data.
5.4 Commodities for which parity prices shall be calculated.
5.5 Publication of season average, calendar year, and parity price data.
5.6 Revision of the parity price of a commodity.

§ 5.1 Parity index and index of prices received by farmers.

(a) The parity index and related indices for the purpose of calculating parity prices after May 1, 1976, according to the formula contained in section 301(a) of the Agricultural Adjustment Act of 1938, as amended by the Agricultural Acts of 1948, 1949, 1954, and 1956 (hereinafter referred to as section 301(a)) shall be the index of prices paid by farmers, interest, taxes, and farm wage rates, as revised May 1976 and published in the May 28, 1976, and subsequent issues of the monthly report, “Agricultural Prices.” The calculation of these indices by the National Agricultural Statistics Service in the monthly report, “Agricultural Prices,” shall be continued.

(b) The measure of the general level of prices received by farmers as provided for in section 301(a)(1)(B)(ii) after January 1, 1959, shall be the index of prices received by farmers as revised January 1959 and published in the January 30, 1959, and subsequent issues of “Agricultural Prices.” The simple average of the 120 monthly indices included in the preceding 10 calendar years plus an adjustment to take account of the effect on the index of any adjustment made on average prices of
individual commodities as hereinafter specified shall be used in the calculation of the adjusted base prices. Parity prices heretofore published for periods prior to January 1, 1959 shall not be revised.

(c) The term milkfat as used in these regulations is synonymous with the term butterfat, and when any statute requires calculation of the parity price of butterfat, the parity price of milkfat shall be the parity price of butterfat.

§ 5.2 Marketing season average price data.

It is hereby found that it is impractical to use averages of prices received by farmers on a calendar year basis for the following agricultural commodities for the purpose of calculating adjusted base prices and, therefore, marketing season average prices will be used. An allowance for any supplemental payment resulting from price support operations shall be included in the determination of the adjusted base prices. For cigar binder tobacco, types 51–52, for each of the marketing seasons beginning in the years 1949 through 1958, 37.9 cents per pound shall be used in lieu of the average of prices received by farmers for such tobacco during each such marketing season.

§ 5.3 Selection of calendar year price data.

In computing the adjusted base price for those commodities for which calendar year price data are used, the average of the prices received by farmers for such commodity, at such times as the Secretary may select during each year, as used in section 301(a)(1)(B)(i), shall be the simple average of the 12 monthly estimates of the prices received by farmers as published by the National Agricultural Statistics Service in “Agricultural Prices” for those commodities for which such prices are available. An allowance for unredeemed loans and purchase agreement deliveries, any supplemental payments resulting from price support operations, and the value of marketing certificates, such as those received by producers of wheat pursuant to the Agricultural Adjustment Act of 1938, as amended, and others of generally similar character and effect, shall be added to the price specified above. Prices received for milk wholesale, milkfat, beef cattle, sheep, and lambs shall include wartime subsidy payments as provided by section 301(a)(1)(B). For Maryland Tobacco, type 32, the price data for each calendar year shall be the weighted average price of type 32 tobacco sold during the period January 1–December 31.

---

1 For the purpose of calculating parity prices the commodity peanuts shall exclude peanuts produced for oil in 1950 and 1951 under the provisions of subsection (g) and (h) of section 359 of the Agricultural Adjustment Act of 1938 as amended.
§ 5.5 Publication of season average, calendar year, and parity price data.

(a) New adjusted base prices for all of the commodities on a calendar year basis and for as many of the commodities on a marketing season average basis as are practicable shall be published on or about January 31 of each year. In cases where preliminary marketing season average price data are used in estimating the adjusted base prices published in January, any additional price data which becomes available shall be used in estimating a revised adjusted base price which shall be published prior to the beginning of the marketing season for the commodity.

(b) The official parity prices determined under section 301(a)(1) and the regulations in this part and the indexes and relevant price data shall be published in the monthly report “Agricultural Prices” issued by the National Agricultural Statistics Service. Parity prices for all commodities for which parity prices are computed shall be so published in the January and July issues each year. The parity prices published in other issues may be restricted to those which the National Agricultural Statistics Service, after consultation with the Agricultural Marketing Service, the Farm Service Agency, and any other interested government agency, considers necessary or desirable. The parity prices determined in accordance with the parity price of a commodity.

§ 5.6 Revision of the parity price of a commodity.

(a) Initiation of hearings. The “modernized” parity formula specified in section 301(a)(1) of the Agricultural Adjustment Act of 1938, as amended, takes into consideration the average prices received by farmers for agricultural commodities during the last ten years and is designed gradually to adjust relative parity prices of specific commodities for persistent or continuing changes in demand and supply conditions which are reflected in market prices. Accordingly, only in rare cases is it possible for the parity price of any agricultural commodity to become seriously out of line with the parity prices of other agricultural commodities. In any case, however, in which producers of any agricultural commodity believe that the parity price of such commodity, as computed pursuant to the provisions of section 301(a)(1), is seriously out of line with the parity prices of other agricultural commodities, a request for a public hearing under section 301(a)(1)(F) may be submitted to the Secretary of Agriculture by a substantial number of interested producers. The producers shall also furnish to the Secretary, with such request or separately, data supporting their conclusion that the parity price of such commodity is seriously out of line with the parity prices of other commodities. Upon receipt of such a request with supporting data, or at any time upon the Secretary’s own motion, this Department will make a preliminary study of the relationship between the parity price of such commodity and the parity prices of other commodities, and if the Secretary concludes that there appears to be reasonable grounds for believing that the parity price of such commodity is seriously out of line with the parity prices of other agricultural commodities, a hearing will be held pursuant to the provisions of section 301(a)(1)(F).

(b) Notice of hearing. If the Secretary of Agriculture determines that such a hearing shall be held, he shall issue a
notice of the hearing, which shall be filed with the Hearing Clerk of the United States Department of Agriculture, who shall promptly (1) cause such notice to be published in the Federal Register, and (2) mail a copy thereof to each of the producers who requested the hearing and to grower organizations known to be interested in the hearing. Legal notice of the hearing shall be deemed to be given upon filing such notice with the Federal Register for publication, and failure to give notice in the manner otherwise provided in this paragraph shall not affect the legality of the notice. The notice of hearing shall state the purpose of the hearing and the time and place of the hearing. The time of the hearing shall not be less than fifteen days after the date of publication of the notice in the Federal Register, unless the Secretary shall determine that an emergency exists which requires a shorter period of notice, in which case the period of notice shall be that which the Secretary determines to be reasonable in the circumstances.

(c) Conduct of hearing—(1) Presiding officer. Each hearing held under section 301(a)(1)(F) shall be presided over by a Hearing Examiner of the Office of Administrative Law Judges or such other employee of the Department as the Secretary may designate for the purpose.

(2) Time and place of hearing. Each hearing shall be heard at the time and place set forth in the notice of hearing but may be continued by the presiding officer from day to day or adjourned to a later date or to a different place without notice other than the announcement thereof at the hearing.

(3) Order of procedure. At the commencement of the hearing, the presiding officer shall file as an exhibit a copy of the Federal Register containing the notice of the hearing and shall then outline briefly the procedure to be followed. Evidence shall then be received from interested persons in such order as the presiding officer shall prescribe.

(4) Submission of evidence. The hearing shall be conducted in such a way as to obtain a clear and orderly record. All interested persons appearing at the hearing shall be given reasonable opportunity to offer data, views, or arguments relevant to (i) whether the parity price for the agricultural commodity involved is or is not seriously out of line with the parity prices of other agricultural commodities, and (ii) the proper relationship between the parity price of such commodity and the parity prices of other agricultural commodities and the revisions, if any, which should be made in computing the parity price of such commodity. All documentary exhibits shall be submitted in duplicate. The presiding officer shall, insofar as possible, exclude irrelevant, immaterial, or unduly repetitious evidence but shall not apply technical judicial rules of evidence. Every witness shall be subject to questioning by the presiding officer or by any other representative of the Department, but cross-examination by other persons shall not be allowed, except in the discretion of the presiding officer. The proceedings at the hearing shall be transcribed verbatim.

(5) Written arguments. The presiding officer shall fix a time, not to exceed ten days from the close of the hearing, within which interested persons may file written arguments with the Hearing Clerk.

(d) Preparation and issuance of determination—(1) Preparation of recommendation. As soon as practicable after the close of the hearing, the presiding officer, or such employees of the Department as may be assigned for the purpose, shall review, consider, and weigh all evidence of probative value, views, and arguments which have been submitted, and may consider other pertinent information and data which is available in the Department of Agriculture, and shall submit a recommendation thereon to the Secretary.

(2) Determination by the Secretary. As soon as possible after receipt of the recommendation, the Secretary shall determine whether the parity price of such commodity computed in accordance with section 301(a)(1) appears to be seriously out of line with the parity prices of other agricultural commodities whether the facts require a revision of the method of computing the parity price of such commodity, and the revision, if any, which is required
Office of the Secretary, USDA

§ 6.3

in the method of computing the parity price of such commodity. Such determination by the Secretary shall be final. The Secretary's determination shall be filed with the Hearing Clerk who shall cause the determination to be published promptly in the FEDERAL REGISTER. The Hearing Clerk shall also mail a copy of the determination to each producer and grower organization which participated in or is known to be interested in the hearing. Upon application to the Hearing Clerk, any person shall be entitled to a copy of the determination.

§ 6.2 Responsibility for actions under section 22 and section 8(a).

The primary responsibility within the Department of Agriculture for action on matters for which the Secretary is responsible under section 22 of the Agricultural Adjustment Act of 1933, as amended, and section 8(a) of the Trade Agreements Extension Act of 1951 is assigned to the Administrator, Foreign Agricultural Service (referred to in this part as the ''Administrator''), but the other offices, agencies, and bureaus of the Department whose activities will be affected by any action under section 22 or section 8(a) shall be consulted by the Administrator in discharging his responsibility under this part.

§ 6.3 Requests by interested persons for action by Department of Agriculture.

(a) Section 22. A request for action under section 22 should be submitted in duplicate to the Administrator, Foreign Agricultural Service, United States Department of Agriculture, Washington 25, D.C. Such request shall include a statement of the reasons why action would be warranted under section 22 and shall be supported by appropriate information and data.

(b) Section 8(a). A request for action under section 8(a) should be submitted in duplicate to the Administrator, Foreign Agricultural Service, United States Department of Agriculture, Washington 25, D.C. Such request shall include a statement of the reasons why the commodity is perishable, and why, due to such perishability, a condition exists requiring emergency treatment, and shall be supported by appropriate information and data. A request under
§ 6.4 Investigations.

(a) Section 22. The Administrator shall cause an investigation to be made whenever, based upon a request submitted pursuant to §6.3 or upon other information available to him, he determines that there is reasonable ground to believe that the imposition of import quotas or fees under section 22 may be warranted, or that the termination or modification of import quotas or fees in effect under section 22 may be warranted.

(b) Section 8(a). The Administrator shall cause an immediate investigation to be made whenever (1) a request is received for emergency treatment in connection with an application properly filed with the Tariff Commission under section 7; (2) a request is received for emergency treatment under section 22 if the Administrator determines that there is reasonable ground to believe that the imposition of import quotas or fees under section 22 may be warranted; or (3) the Administrator, upon the basis of other information available to him, has reasonable ground for believing that emergency treatment under section 8(a) is necessary. The Administrator shall expedite to the fullest practicable extent his attention to requests for emergency treatment under section 8(a), and such requests shall receive priority over requests for other action under section 22. The investigation shall cover (1) whether the commodity is a perishable agricultural commodity; (2) whether, due to the perishability of the commodity, a condition exists requiring emergency treatment as indicated by such factors as (i) the marketing season for the commodity, (ii) past and prospective domestic production, stocks, requirements, and prices, (iii) past and prospective imports; and (3) such other matters as the Administrator determines are relevant to a determination as to whether emergency treatment for the commodity is necessary. No public hearing shall be held in connection with investigations under this paragraph.

§ 6.5 Hearings under section 22.

The Administrator is authorized to provide for such public hearings as he deems necessary to discharge the responsibility for action under section 22 vested in him by §§ 6.2 and 6.4(a). In view of the need, however, for prompt action on requests for action under section 22, public hearings shall be held in connection with investigations conducted under §6.4(a) only when the Administrator determines that a public hearing is necessary to obtain supplementary information not otherwise available. Any public hearing which is held shall be conducted by representatives designated for the purpose by the Administrator; shall be preceded by such public notice as, in the opinion of the Administrator, will afford interested persons reasonable opportunity to attend and present information; and minutes of the proceedings at such hearing shall be obtained. Hearings shall be informal and technical rules of evidence shall not apply. Such hearings are for the purpose of obtaining information for the assistance of the Secretary. However, in discharging his responsibilities under section 22, the Secretary is not restricted to the information adduced at the hearings.

§ 6.6 Submission of recommendations under section 22.

(a) The Administrator shall make a report to the Secretary upon the completion of each investigation made by him pursuant to §6.4(a). The report shall summarize the information disclosed by the investigation; shall contain the recommendations of the Administrator; and, in case action under section 22 is recommended, shall be accompanied by a suggested letter from the Secretary to the President recommending that the Tariff Commission be directed to conduct an investigation. If emergency treatment is recommended, the report shall discuss the condition which requires emergency treatment and be accompanied by suggested letters from the Secretary to the President, to the Tariff Commission, and to the petitioner (if any) advising them of the Secretary’s determination. The suggested letter from the Secretary to the President shall include a recommendation as to whether such emergency treatment should take the form of action by the President prior to receiving the recommendations of the Tariff Commission, or whether a decision by the President may appropriately be withheld until the recommendations of the Tariff Commission are received. If emergency treatment is not recommended, the report to the Secretary shall be accompanied by suggested letters from the Secretary to the petitioner and to the Tariff Commission stating the action taken. Each such report shall be submitted to the other offices, agencies, and bureaus of the Department of Agriculture whose activities would be affected, for concurrence or comment.

(b) Section 7. The Administrator shall make a report to the Secretary upon the completion of each investigation made by him pursuant to §6.4(b). The report shall summarize the information disclosed by the investigation, including the points listed in §6.4(b) which were considered in reaching the recommendation, and shall contain the recommendations of the Administrator as to whether or not emergency treatment is required. If emergency treatment is recommended, the report shall discuss the condition which requires emergency treatment and shall be accompanied by suggested letters from the Secretary to the President, to the Tariff Commission, and to the petitioner advising them of the Secretary’s determination. The suggested letter from the Secretary to the President shall include a recommendation as to whether such emergency treatment should take the form of action by the President prior to receiving the recommendations of the Tariff Commission, or whether a decision by the President may appropriately be withheld until the recommendations of the Tariff Commission are received. If emergency treatment is not recommended, the report to the Secretary shall be accompanied by suggested letters from the Secretary to the petitioner and to the Tariff Commission stating the action taken. Each such report shall be submitted to the other offices, agencies, and bureaus of the Department of Agriculture whose activities would be affected, for concurrence or comment.

§ 6.8 Representation at Tariff Commission hearings.

The Department of Agriculture shall be represented at all hearings conducted by the Tariff Commission under section 22 by persons designated by the Administrator, assisted by a representative of the Office of the General Counsel. Such representatives shall present the recommendations of the Department of Agriculture, shall submit such information and data in support thereof as are available, and shall exercise the right of examining other witnesses which is granted to the Secretary.

Subpart—Dairy Tariff-Rate Quota Import Licensing

AUTHORITY: Additional U.S. Notes 6, 7, 8, 12, 14, 16-23 and 25 to Chapter 4 and General Note 15 of the Harmonized Tariff Schedule of the United States (19 U.S.C. 1202), Pub. L. 97-
§ 6.20 Introduction.

(a) Presidential Proclamation 6763 of December 23, 1994, modified the Harmonized Tariff Schedule of the United States affecting the import regime for certain articles of dairy products. The Proclamation terminated quantitative restrictions that had been imposed pursuant to section 22 of the Agricultural Adjustment Act of 1933, as amended (7 U.S.C. 624); proclaimed tariff-rate quotas for such articles pursuant to Public Law 103–465; and specified which of such articles may be entered only by or for the account of a person to whom a license has been issued by the Secretary of Agriculture.

(b) Effective January 1, 1995, the prior regime of absolute quotas for certain dairy products was replaced by a system of tariff-rate quotas. The articles subject to licensing under the tariff-rate quotas are listed in Appendices 1, 2, and 3 to be published annually in a notice in the FEDERAL REGISTER. Licenses permit the holder to import specified quantities of the subject articles at the applicable in-quota rate of duty. If an importer has no license for an article subject to licensing, such importer will, with certain exceptions, be required to pay the applicable over-quota rate of duty.

(c) The Secretary of Agriculture has determined that this subpart will, to the fullest extent practicable, result in fair and equitable allocation of the right to import articles subject to such tariff-rate quotas. The subpart will also maximize utilization of the tariff-rate quotas for such articles, taking due account of any special factors which may have affected or may be affecting the trade in the articles concerned.

§ 6.21 Definitions.

§ 6.23

(D) The exporter of dairy products in the quantities and number of shipments required under (A) or (B) above.

(3) Nonhistorical licenses for articles other than cheese or cheese products (Appendix 2). A person may annually apply for a nonhistorical license for articles other than cheese or cheese products (Appendix 2) if such person meets the requirements of paragraph (b)(1)(ii) of this section.

(c) Exceptions.

(1) A licensee that fails in a quota year to enter at least 85 percent of the amount of an article permitted under a license shall not be eligible to receive a license for the same article from the same country for the next quota year. For the purpose of this paragraph, the amount of an article permitted under the license will exclude any amounts surrendered pursuant to § 6.26(a), but will include any additional allocations received pursuant to § 6.26(b).

(2) Paragraph (c)(1) of this section will not apply where the licensee demonstrates to the satisfaction of the Licensing Authority that the failure resulted from breach by a carrier of its contract of carriage, breach by a supplier of its contract to supply the article, act of God or force majeure.

(3) Paragraph (c)(1) of this section may not apply in the case of historical or nonhistorical licenses, where the licensee demonstrates to the satisfaction of the Licensing Authority that the country specified on the license maintains or permits an export monopoly to control the dairy articles concerned and the licensee petitions the Licensing Authority to waive this requirement. The licensee shall submit evidence that the country maintains an export monopoly as defined in this paragraph. For the purposes of this paragraph “export monopoly” means a privilege vested in one or more persons consisting of the exclusive right to carry on the exportation of any article of dairy products from a country to the United States.

(4) The Licensing Authority will not issue a nonhistorical license (Appendix 2) for an article from a country during a quota year to an applicant who is affiliated with another applicant to whom the Licensing Authority is issuing a nonhistorical license for the same article from the same country for that quota year. Further, the Licensing Authority will not issue a nonhistorical license for butter to an applicant who is affiliated with another applicant to whom the Licensing Authority is issuing a historical butter license of 57,000 kilograms or greater.

(5) The Licensing Authority will not issue a nonhistorical license (Appendix 2) for an article from a country during a quota year to an applicant who is associated with another applicant to whom the Licensing Authority is issuing a nonhistorical license for the same article from the same country for that quota year. Further, the Licensing Authority will not issue a nonhistorical license for butter to an applicant who is associated with another applicant if:

(i) The applicant is the spouse, brother, sister, parent, child or grandchild of such other applicant;

(ii) The applicant is the spouse, brother, sister, parent, child or grandchild of an individual who owns or controls such other applicant;

(iii) The applicant is owned or controlled by the spouse, brother, sister, parent, child or grandchild of an individual who owns or controls such other applicant.

(iv) Both applicants are 5 percent or more owned or directly or indirectly controlled, by the same person;

(v) The applicant, or a person who owns or controls the applicant, benefits from a trust that controls such other applicant.

(5) The Licensing Authority will not issue a nonhistorical license (Appendix 2) for an article from a country during a quota year to an applicant who is associated with another applicant to whom the Licensing Authority is issuing a nonhistorical license for the same article from the same country for that quota year. Further, the Licensing Authority will not issue a nonhistorical license for butter to an applicant who is associated with another applicant if:

(i) The applicant is the spouse, brother, sister, parent, child or grandchild of such other applicant;

(ii) The applicant is the spouse, brother, sister, parent, child or grandchild of an individual who owns or controls such other applicant;

(iii) The applicant is owned or controlled by the spouse, brother, sister, parent, child or grandchild of an individual who owns or controls such other applicant.

(iv) Both applicants are 5 percent or more owned or directly or indirectly controlled, by the same person;

(v) The applicant, or a person who owns or controls the applicant, benefits from a trust that controls such other applicant.
applicant to whom the Licensing Authority is issuing a historical butter license for 57,000 kilograms or greater. For the purpose of this paragraph, an applicant will be deemed associated with another applicant if:

(i) The applicant is an employee of, or is controlled by an employee of, such other applicant;

(ii) The applicant manages or is managed by such other applicant, or economically benefits, directly or indirectly, from the use of the license issued to such other applicant.

(6) The Licensing Authority will not issue a nonhistorical license for an article from a country during a quota year, for which the applicant receives a designated license.

§ 6.25 Allocation of licenses.

(a) Licensing Authority. The Licensing Authority will issue historical, nonhistorical and designated licenses.

(b) Historical licenses for the 2016 and subsequent quota years (Appendix 1). A person issued a historical license for the current quota year will be issued a historical license in the same amount for the same article from the same country for the next quota year except that beginning with the 2023 quota year, a person who has surrendered more than 50 percent of such historical license in at least three of the prior 5 quota years will thereafter be issued a license in an amount equal to the average annual quantity entered during those 5 quota years.

(c) Nonhistorical licenses (Appendix 2). The Licensing Authority will allocate nonhistorical licenses on the basis of a rank-order lottery system, which will operate as follows:

(1) The minimum license size shall be:

(i) Where the article is cheese or cheese product:

(A) The total amount available for nonhistorical license where such amount is less than 9,500 kilograms;

(B) 9,500 kilograms where the total amount available for nonhistorical license is between 9,500 kilograms and 500,000 kilograms, inclusive;

(C) 19,000 kilograms where the total amount available for nonhistorical license is between 500,001 kilograms and 1,000,000 kilograms, inclusive;

(D) 38,000 kilograms where the total amount available for nonhistorical license is greater than 1,000,000 kilograms; or

(E) An amount less than the minimum license size established in paragraphs (c)(1)(i) through (D) of this section, if requested by the licensee;
(ii) Where the article is not cheese or cheese product:
(A) The total amount available for nonhistorical license where such amount is less than 19,000 kilograms;
(B) 19,000 kilograms where the total amount available for nonhistorical license is between 19,000 kilograms and 550,000 kilograms, inclusive;
(C) 38,000 kilograms where the total amount available for nonhistorical license is between 550,001 kilograms and 1,000,000 kilograms, inclusive; and
(D) 57,000 kilograms where the total amount available for nonhistorical license is greater than 1,000,000 kilograms;
(E) An amount less than the minimum license sizes established in paragraphs (c)(1)(i)(A) through (D) of this section, if requested by the licensee.

(2) Taking into account the order of preference expressed by each applicant, as required by § 6.24(c), the Licensing Authority will allocate licenses for an article from a country by a series of random draws. A license of minimum size will be issued to each applicant in the order established by such draws until the total amount of such article in Appendix 2 has been allocated. An applicant that receives a license for an article will be removed from the pool for subsequent draws until every applicant has been allocated at least one license, provided that the licenses for which they applied are not already fully allocated. Any amount remaining after the random draws which is less than the applicable minimum license size may, at the discretion of the Licensing Authority, be prorated equally among the licenses awarded for that article.

(d) Designated licenses (Appendix 3). (1) With respect to an article listed in Appendix 3, the government of the applicable country may, not later than October 31 prior to the beginning of a quota year, submit directly by email to the Licensing Authority:
(i) The names, addresses and emails of the importers that it is designating to receive licenses; and
(ii) The amount, in kilograms, of such article for which each such importer is being designated. Where quantities for designation result from both Tokyo Round concessions and Uruguay Round concessions, the designations should be made in terms of each.
(2) To the extent practicable, the Licensing Authority will issue designated licenses to those importers, and in those amounts, indicated by the government of the applicable country, provided that the importer designated meets the eligibility requirements set forth in §6.23. Consistent with the international obligations of the United States, the Licensing Authority may disregard a designation if the Licensing Authority determines that the person designated is not eligible for any of the reasons set forth in §6.23(c)(1) or (2).
(3) If a government of a country which negotiated in the Uruguay Round for the right to designate importers has not done so, but determines to designate importers for the next quota year, it shall indicate its intention to do so directly and in writing to the Licensing Authority not later than July 1 prior to the beginning of such next quota year. Furthermore, if a government that has designated importers for a quota year determines that it will not continue to designate importers for the next quota year, it shall so indicate directly and in writing to the Licensing Authority, not later than July 1 prior to such next quota year.

§ 6.26 Surrender and reallocation.

(a) If a licensee determines that it will not enter the entire amount of an article permitted under its license, such licensee shall surrender its license right to enter the amount that it does not intend to enter. Surrender shall be made to the Licensing Authority no later than October 1. Any surrender shall be final and shall be only for that quota year, except as provided in §6.25(b). The amount of the license not surrendered shall be subject to the license use requirements of §6.23(c)(1).

(b) For each quota year, the Licensing Authority will, to the extent practicable, reallocate any amounts surrendered. Such reallocations shall be made by the Licensing Authority to the extent practicable, on a pro rata basis among all persons with surrendered licenses.

(c) Any person who qualified for or was issued a cheese or cheese product license for a quota year may apply to receive additional license, or addition to an existing license for a portion of the amount being reallocated. A person
who did not qualify for a cheese or cheese product license for a quota year, but qualified only for a license for articles other than cheese or cheese products, may only apply to receive an additional license for articles other than cheese or cheese products, or addition to an existing license for articles other than cheese or cheese products for a portion of the amount being reallocated. The application shall be submitted to the Licensing Authority no earlier than September 1 and not later than September 15, and shall specify:

(1) The name and control number of the applicant;
(2) The article and country being requested, the applicable HTS Additional U.S. Note number and, if more than one article is requested, a rank-order by Additional U.S. Note number; and
(3) If applicable, the number of the license issued to the applicant for that quota year permitting entry of the same article from the same country.

(d) The Licensing Authority will reallocate surrendered amounts among applicants as follows:

(1) The minimum license size, or addition to an existing license, will be the total amount of the article from a country surrendered, or 10,000 kilograms, whichever is less;
(2) Minimum size licenses, or additions to an existing license, will be allocated among applicants requesting articles on the basis of the rank-order lottery system described in §6.25(c);
(3) If there is any amount of an article from a country left after minimum size licenses have been issued, the Licensing Authority may allocate the remainder in any manner it determines equitable among applicants who have requested that article; and
(4) No amount will be reallocated to a licensee who has surrendered a portion of its license for the same article from the same country during that quota year unless all other licensees applying for a reallocated quantity have been allocated a license;

(e) However, if the government of an exporting country chooses to designate eligible importers for surrendered amounts under Appendix 3, the Licensing Authority shall issue the licenses in accordance with §6.25(d)(2), provided that the government of the exporting country notifies the Licensing Authority of its designations no later than September 1. Such notification shall contain the names, addresses, and emails addresses of the importers that it is designating and the amount in kilograms of such article for which each importer is being designated. In such case the requirements of paragraph (c) of this section shall not apply.

[80 FR 44254, July 27, 2015]

§ 6.27 Limitations on use of license.

(a) A licensee shall not obtain or use a license for speculation, brokering, or offering for sale, or permit any other person to use the license for profit.
(b) A licensee who is eligible as a manufacturer or processor, pursuant to §6.23, shall process at least 75 percent of its licensed imports in such person’s own facilities and maintain the records necessary to so substantiate.

[80 FR 44254, July 27, 2015]

§ 6.28 Transfer of license.

(a) If a licensee sells or conveys its business involving articles covered by this subpart to another person, including the complete transfer of the attendant assets, the Licensing Authority will transfer to such other person the historical, nonhistorical or designated license issued for that quota year. Such sale or conveyance must be unconditional, except that it may be in escrow with the sole condition for return of escrow being that the Licensing Authority determines that such sale does not meet the requirements of this paragraph.
(b) The parties seeking transfer of license shall give written notice to the Licensing Authority of the intended sale or conveyance described in paragraph (a) of this section by email. The notice must be received by the Licensing Authority at least 20 working days prior to the intended consummation of the sale or conveyance. Such notice shall include electronic copies of the documents of sale or conveyance. The Licensing Authority will review the documents for compliance with the requirements of paragraph (a) of this section and advise the parties in writing of its findings by the end of the 20-day
period. The parties shall have the burden of demonstrating to the satisfaction of the Licensing Authority that the contemplated sale or conveyance complies with the requirements of paragraph (a) of this section. Within 15 days of the consummation of the sale or conveyance, the parties shall email the final documents to the Licensing Authority. The Licensing Authority will not transfer the licenses unless the documents are submitted in accordance with this paragraph.

(c) The eligibility for a license of a person to whom a business is sold or conveyed will be determined for the next quota year in accordance with § 6.23. For the purposes of § 6.23(b)(1) the person to whom a business is sold or conveyed shall be deemed to be the person to whom the historical licenses were issued during the quota year in which the sale or conveyance occurred. Further, for the purposes of § 6.23(b) and (c), the entries made under such licenses by the original licensee during the year in which the sale or conveyance is made, shall be considered as having been made by the person to whom the business was sold or conveyed.

(80 FR 44254, July 27, 2015)

(c) If the article entered or withdrawn from warehouse for consumption was purchased by the licensee through a direct sale from a foreign supplier, the licensee shall present, at the time of entry:

(3) A commercial invoice or bill of sale from the original consignee to the licensee.
(f) The Licensing Authority may waive the requirements of paragraphs (c), (d) or (e), if it determines that because of strikes, lockouts or other unusual circumstances, compliance with those requirements would unduly interfere with the entry of such articles.
(g) Nothing in this subpart shall prevent the use of immediate delivery in accordance with the provisions of CBP regulations relating to tariff-rate quotas.

(80 FR 44254, July 27, 2015)

§ 6.40 General.

This subpart sets forth the procedures applicable to the determination by the Secretary of Agriculture as to whether the price at which any article of quota cheese is being offered for sale in the United States on a duty-paid wholesale basis is less than the domestic wholesale market price of similar articles produced in the United States (i.e., price-undercutting) in accordance with section 702 of the Trade Agreement Act of 1979 (Pub. L. 96-39, 93 Stat. 144, 19 U.S.C. 1202 note) (hereinafter referred to as the Act).

(g) Subsidy has the same meaning as such term has in section 771(5) of the Tariff Act of 1930 as added by section 101 of the Trade Agreements Act of 1979 (19 U.S.C. 1677(5)).

(h) The United States means the Customs Territory of the United States, which is limited to the United States, District of Columbia and Puerto Rico.
§ 6.42 Complaints of price-undercutting.

(a) Submission of complaint. Any person who has reason to believe that the price at which any article of quota cheese is offered for sale or sold in the United States on a duty-paid wholesale price basis is less than the domestic wholesale market price of similar articles produced in the United States and that a foreign government is providing a subsidy with respect to such article of quota cheese may file with the Investigating Authority a written complaint making such allegation.

(b) Contents of complaint. Such complaint shall contain, or be accompanied by, information to substantiate complainant’s allegations, in substantially the following form:

(1) The name and address of the complainant.

(2) The location of the domestic wholesale market in which price-undercutting is alleged to be occurring.

(3) The article of quota cheese involved in the alleged price-undercutting.

(4) The country of origin of such article of quota cheese.

(5) The similar domestic article, the price of which the complainant believes is being undercut.

(6) The month and year that the complainant first concluded that the price-undercutting was taking place.

(7) To extent known to the complainant, all pertinent facts with regard to the alleged subsidy, and, if known, the statutory or other authority under which it is paid, the manner in which it is paid, and the value of such subsidy when received and used by producers or sellers of such quota cheese.

(8) All other information which the complainant believes substantiates the allegation of price-undercutting, including the complainant’s estimate of the domestic wholesale market price of the similar article produced in the United States and the duty-paid wholesale price of the quota cheese involved. If available, samples of the domestic and imported cheese products should be submitted.

§ 6.43 Determinations.

(a) Making determinations. Not later than 30 days after receiving an accept-
designated area on the basis of the average of prices determined for the major market area which is determined to be the most representative of the designated area, taking into consideration any special factors which may be affecting prices in the designated area.

(4) “Similar article produced in the United States” shall be an article of cheese, cheese product, or imitation cheese produced in the United States and marketed in the domestic wholesale market, which is determined by the Investigating Authority, based upon available information to be most like the imported article of quota cheese alleged to be involved in price-undercutting, in terms of its physical properties and end use. In making this determination, first consideration shall be given to the normal end uses of the article produced in the United States in comparison with the end use of the article of quota cheese alleged to be involved in price-undercutting. If the end use of both articles is determined to be the same (e.g., processing or retail sale), the physical characteristics of the two articles shall be considered.

If the common end use of the two articles is processing, the representative samples of the two articles shall be examined in terms of processing quality, taking special note of processing yields. If the common end use of the two articles is retail sale, representative samples of the two articles shall be examined in terms of similarities of taste, texture, general appearance, quality, age, and packaging. Imported imitation quota cheese shall only be compared with imitation domestic cheese. If it is determined that the domestic cheese the price of which is claimed to be undercut is not similar to the quota cheese allegedly undercutting it, there shall be no finding of price-undercutting.

(b) Reporting determinations. Determinations by the Secretary as to the validity of allegations of price-undercutting made under this subpart shall be published in the FEDERAL REGISTER not later than 5 days after the date the determination is made.

§ 6.44 Delegation of authority.

The powers vested in the Administrator, FAS, insofar as such powers relate to the functions of the Investigating Authority by this regulation are hereby delegated to the Investigating Authority. This final rule has been reviewed under the USDA criteria established to implement Executive Order 12044, “Improving Government Regulations.” A determination has been made that this action should not be classified “significant” under those criteria. § 11.2 General statement.
(a) This part sets forth procedures for proceedings before the National Appeals Division within the Department. The Division is an organization within the Department, subject to the general supervision of and policy direction by the Secretary, which is independent from all other agencies and offices of the Department, including Department officials at the state and local level. The Director of the Division reports directly to the Secretary of Agriculture. The authority of the Hearing Officers and the Director of the Division, and the administrative appeal procedures which must be followed by program participants who desire to appeal an adverse decision and by the agency which issued the adverse decision, are included in this part.
(b) Pursuant to section 212(e) of the Federal Crop Insurance Reform and Department of Agriculture Reorganization Act of 1994, Pub. L. 103–354 (the Act), 7 U.S.C. 6912(e), program participants shall seek review of an adverse decision before a Hearing Officer of the Division, and may seek further review by the Director, under the provisions of this part prior to seeking judicial review.

§ 11.3 Applicability.
(a) Subject matter. The regulations contained in this part are applicable to adverse decisions made by an agency, including, for example, those with respect to:
(1) Denial of participation in, or receipt of benefits under, any program of an agency;
(2) Compliance with program requirements;
(3) The making or amount of payments or other program benefits to a participant in any program of an agency; and
(4) A determination that a parcel of land is a wetland or highly erodible land.
(b) Limitation. The procedures contained in this part may not be used to seek review of statutes or USDA regulations issued under Federal Law.

§ 11.4 Other laws and regulations.
(a) The provisions of the Administrative Procedure Act generally applicable to agency adjudications (5 U.S.C. 554–557), and the Equal Access to Justice Act (5 U.S.C. 504) and its implementing regulations at 7 CFR part 1, subpart J, shall apply to proceedings under this part except for proceedings under §11.5 and §11.6(a).
(b) The Federal Rules of Evidence, 28 U.S.C. App., shall not apply to proceedings under this part.

§ 11.5 Informal review of adverse decisions.
(a) Required informal review of FSA adverse decisions. Except with respect to farm credit programs, a participant must seek an informal review of an adverse decision issued at the field service office level by an officer or employee of FSA, or by any employee of a county or area committee established under section 8(b)(5) of the Soil Conservation and Domestic Allotment Act, 16 U.S.C. 590h(b)(5), before NAD will accept an appeal of a FSA adverse decision. Such informal review shall be done by the county or area committee with responsibility for the adverse decision at issue. The procedures for requesting such an informal review before FSA are found in 7 CFR part 780. After receiving a decision upon review by a county or area committee, a participant may seek further informal review by the State FSA committee or may appeal directly to NAD under §11.6(b).
(b) Optional informal review. With respect to adverse decisions issued at the State office level of FSA and adverse decisions of all other agencies, a participant may request an agency informal review of an adverse decision of that agency prior to appealing to NAD. Procedures for requesting such an informal review are found at 7 CFR part 780 (FSA), 7 CFR part 614 (NRCS), 7 CFR part 1900, subpart B (RBS), and 7 CFR part 1900, subpart B (RHS).

§ 11.6 Director review of agency determination of appealability and right of participants to Division hearing.

(a) Director review of agency determination of appealability. (1) Not later than 30 days after the date on which a participant receives a determination from an agency that an agency decision is not appealable, the participant must submit a written request personally signed by the participant to the Director to review the determination in order to obtain such review by the Director.

(2) The Director shall determine whether the decision is adverse to the individual participant and thus appealable or is a matter of general applicability and thus not subject to appeal, and will issue a final determination notice that upholds or reverses the determination of the agency. If the Director reverses the determination of the agency, the Director will notify the participant and the agency of that decision and inform the participant of his or her right to proceed with an appeal.

(3) The Director may delegate his or her authority to conduct a review under this paragraph to any subordinate official of the Division other than a Hearing Officer. In any case in which such review is conducted by such a subordinate official, the subordinate official’s determination shall be considered to be the determination of the Director and shall be final and not appealable.

(b) Appeals of adverse decisions. (1) To obtain a hearing under §11.8, a participant personally must request such hearing not later than 30 days after the date on which the participant first receives notice of the adverse decision or after the date on which the participant receives notice of the Director’s determination that a decision is appealable. In the case of the failure of an agency to act on the request or right of a participant, a participant personally must request such hearing not later than 30 days after the participant knew or reasonably should have known that the agency had not acted within the timeframes specified by agency program regulations, or, where such regulations specify no timeframes, not later than 30 days after the participant reasonably should have known of the agency’s failure to act.

(2) A request for a hearing shall be in writing and personally signed by the participant, and shall include a copy of the adverse decision to be reviewed, if available, along with a brief statement of the participant’s reasons for believing that the decision, or the agency’s failure to act, was wrong. The participant also shall send a copy of the request for a hearing to the agency, and instead of a hearing, the participant may request a record review.

(c) If a participant is represented by an authorized representative, the authorized representative must file a declaration with NAD, executed in accordance with 28 U.S.C. 1746, stating that the participant has duly authorized the declarant in writing to represent the participant for purposes of a specified adverse decision or decisions, and attach a copy of the written authorization to the declaration.

§ 11.7 Ex parte communications.

(a)(1) At no time between the filing of an appeal and the issuance of a final determination under this part shall any officer or employee of the Division engage in ex parte communications regarding the merits of the appeal with
any person having any interest in the appeal pending before the Division, including any person in an advocacy or investigative capacity. This prohibition does not apply to:

(i) Discussions of procedural matters related to an appeal; or

(ii) Discussions of the merits of the appeal where all parties to the appeal have been given notice and an opportunity to participate.

(2) In the case of a communication described in paragraph (a)(1)(ii) of this section, a memorandum of any such discussion shall be included in the hearing record.

(b) No interested person shall make or knowingly cause to be made to any officer or employee of the Division an ex parte communication relevant to the merits of the appeal.

(c) If any officer or employee of the Division receives an ex parte communication in violation of this section, the one who receives the communication shall place in the hearing record:

(1) All such written communications;

(2) Memoranda stating the substance of all such oral communications; and

(3) All written responses to such communications, and memoranda stating the substance of any oral responses thereto.

(d) Upon receipt of a communication knowingly made or knowingly caused to be made by a party in violation of this section the Hearing Officer or Director may, to the extent consistent with the interests of justice and the policy of the underlying program, require the party to show cause why such party’s claim or interest in the appeal should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

§ 11.8 Division hearings.

(a) General rules. (1) The Director, the Hearing Officer, and the appellant shall have access to the agency record of any adverse decision appealed to the Division for a hearing. Upon request by the appellant, the agency shall provide the appellant a copy of the agency record.

(2) The Director and Hearing Officer shall have the authority to administer oaths and affirmations, and to require, by subpoena, the attendance of witnesses and the production of evidence. A Hearing Officer shall obtain the concurrence of the Director prior to issuing a subpoena.

(i) A subpoena requiring the production of evidence may be requested and issued at any time while the case is pending before the Division.

(ii) An appellant or an agency, acting through any appropriate official, may request the issuance of a subpoena requiring the attendance of a witness by submitting such a request in writing at least 14 days before the scheduled date of a hearing. The Director or Hearing Officer shall issue a subpoena at least 7 days prior to the scheduled date of a hearing.

(iii) A subpoena shall be issued only if the Director or a Hearing Officer determined that:

(A) For a subpoena of documents, the appellant or the agency has established that production of documentary evidence is necessary and is reasonably calculated to lead to information which would affect the final determination or is necessary to fully present the case before the Division; or

(B) For a subpoena of a witness, the appellant or the agency has established that either a representative of the Department or a private individual possesses information that is pertinent and necessary for disclosure of all relevant facts which could impact the final determination, that the information cannot be obtained except through the testimony of the person, and that the testimony cannot be obtained absent issuance of a subpoena.

(iv) The party requesting issuance of a subpoena shall arrange for service. Service of a subpoena upon a person named therein may be made by registered or certified mail, or in person. Personal service shall be made by personal delivery of a copy of the subpoena to the person named therein by any person who is not a party and who is not less than 18 years of age. Proof of service shall be made by filing with the Hearing Officer or Director who issued the subpoena a statement of the date and manner of service and of the names of the persons served, certified by the person who made the service in person or by return receipts for certified or registered mail.
§ 11.8

(v) A party who requests that a subpoena be issued shall be responsible for the payment of any reasonable travel and subsistence costs incurred by the witness in connection with his or her appearance and any fees of a person who serves the subpoena in person. The Department shall pay the costs associated with the appearance of a Department employee whose role as a witness arises out of his or her performance of official duties, regardless of which party requested the subpoena. The failure to make payment of such charges on demand may be deemed by the Hearing Officer or Director as sufficient ground for striking the testimony of the witness and the evidence the witness has produced.

(vi) If a person refuses to obey a subpoena, the Director, acting through the Office of the General Counsel of the Department and the Department of Justice, may apply to the United States District Court in the jurisdiction where that person resides to have the subpoena enforced as provided in the Federal Rules of Civil Procedure (28 U.S.C. App.).

(3) Testimony required by subpoena pursuant to paragraph (a)(2) of this section may, at the discretion of the Director or a Hearing Officer, be presented at the hearing either in person or telephonically.

(b) Hearing procedures applicable to both record review and hearings. (1) Upon the filing of an appeal under this part of an adverse decision by any agency, the agency promptly shall provide the Division with a copy of the agency record. If requested by the applicant prior to the hearing, a copy of such agency record shall be provided to the appellant by the agency within 10 days of receipt of the request by the agency.

(2) The Director shall assign the appeal to a Hearing Officer and shall notify the appellant and agency of such assignment. The notice also shall advise the appellant and the agency of the documents required to be submitted under paragraph (c)(2) of this section, and notify the appellant of the option of having a hearing by telephone.

(3) The Hearing Officer will receive evidence into the hearing record without regard to whether the evidence was known to the agency officer, employee, or committee making the adverse decision at the time the adverse decision was made.

(c) Procedures applicable only to hearings. (1) Upon a timely request for a hearing under §11.6(b), an appellant has the right to have a hearing by the Division on any adverse decision within 45 days after the date of receipt of the request for the hearing by the Division.

(2) The Hearing Officer shall set a reasonable deadline for submission of the following documents:

(i) By the appellant:
(A) A short statement of why the decision is wrong;
(B) A copy of any document not in the agency record that the appellant anticipates introducing at the hearing; and
(C) A list of anticipated witnesses and brief descriptions of the evidence such witnesses will offer.

(ii) By the agency:
(A) A copy of the adverse decision challenged by the appellant;
(B) A written explanation of the agency’s position, including the regulatory or statutory basis therefor;
(C) A copy of any document not in the agency record that the agency anticipates introducing at the hearing; and
(D) A list of anticipated witnesses and brief descriptions of the evidence such witnesses will offer.

(3) Not less than 14 days prior to the hearing, the Division must provide the appellant, the authorized representative, and the agency a notice of hearing specifying the date, time, and place of the hearing. The hearing will be held in the State of residence of the appellant, as determined by the Hearing Officer, or at a location that is otherwise convenient to the appellant, the agency, and the Division. The notice also shall notify all parties of the right to obtain an official record of the hearing.

(4) Pre-hearing conference. Whenever appropriate, the Hearing Officer shall hold a pre-hearing conference in order to attempt to resolve the dispute or to narrow the issues involved. Such pre-hearing conference shall be held by telephone unless the Hearing Officer and all parties agree to hold such conference in person.
(5) Conduct of the hearing. (i) A hearing before a Hearing Officer will be in person unless the appellant agrees to a hearing by telephone.

(ii) The hearing will be conducted by the Hearing Officer in the manner determined by the Division most likely to obtain the facts relevant to the matter or matters at issue. The Hearing Officer will allow the presentation of evidence at the hearing by any party without regard to whether the evidence was known to the officer, employee, or committee of the agency making the adverse decision at the time the adverse decision was made. The Hearing Officer may confine the presentation of facts and evidence to pertinent matters and exclude irrelevant, immaterial, or unduly repetitious evidence, information, or questions. Any party shall have the opportunity to present oral and documentary evidence, oral testimony of witnesses, and arguments in support of the party's position; controvert evidence relied on by any other party; and question all witnesses. When appropriate, agency witnesses requested by the appellant will be made available at the hearing. Any evidence may be received by the Hearing Officer without regard to whether that evidence could be admitted in judicial proceedings.

(iii) An official record shall be made of the proceedings of every hearing. This record will be made by an official tape recording by the Division. In addition, either party may request that a verbatim transcript be made of the hearing proceedings and that such transcript shall be made the official record of the hearing. The party requesting a verbatim transcript shall pay for the transcription service, shall provide a certified copy of the transcript to the Hearing Officer free of charge, and shall allow any other party desiring to purchase a copy of the transcript to order it from the transcription service.

(6) Absence of parties. (i) If at the time scheduled for the hearing either the appellant or the agency representative is absent, and no appearance is made on behalf of such absent party, or no arrangements have been made for rescheduling the hearing, the Hearing Officer has the option to cancel the hearing unless the absent party has good cause for the failure to appear. If the Hearing Officer elects to cancel the hearing, the Hearing Officer may:

(A) Treat the appeal as a record review and issue a determination based on the agency record as submitted by the agency and the hearing record developed prior to the hearing date;

(B) Accept evidence into the hearing record submitted by any party present at the hearing (subject to paragraph (c)(6)(ii) of this section), and then issue a determination; or

(C) Dismiss the appeal.

(ii) When a hearing is cancelled due to the absence of a party, the Hearing Officer will add to the hearing record any additional evidence submitted by any party present, provide a copy of such evidence to the absent party or parties, and allow the absent party or parties 10 days to provide a response to such additional evidence for inclusion in the hearing record.

(iii) Where an absent party has demonstrated good cause for the failure to appear, the Hearing Officer shall reschedule the hearing unless all parties agree to proceed without a hearing.

(7) Post-hearing procedure. The Hearing Officer will leave the hearing record open after the hearing for 10 days, or for such other period of time as the Hearing Officer shall establish, to allow the submission of information by the appellant or the agency, to the extent necessary to respond to new facts, information, arguments, or evidence presented or raised at the hearing. Any such new information will be added by the Hearing Office to the hearing record and sent to the other party or parties by the submitter of the information. The Hearing Officer, in his or her discretion, may permit the other party or parties to respond to this post-hearing submission.

(d) Interlocutory review. Interlocutory review by the Director of rulings of a Hearing Officer are not permitted under the procedures of this part.

(e) Burden of proof. The appellant has the burden of proving that the adverse decision of the agency was erroneous by a preponderance of the evidence.

(f) Timing of issuance of determination. The Hearing Officer will issue a notice of the determination on the appeal to
the named appellant, the authorized representative, and the agency not later than 30 days after a hearing or the closing date of the hearing record in cases in which the Hearing Officer receives additional evidence from the agency or appellant after a hearing. In the case of a record review, the Hearing Officer will issue a notice of determination within 45 days of receipt of the appellant’s request for a record review. Upon the Hearing Officer’s request, the Director may establish an earlier or later deadline. A notice of determination shall be accompanied by a copy of the procedures for filing a request for Director review under §11.9. If the determination is not appealed to the Director for review under §11.9, the notice provided by the Hearing Officer shall be considered to be a notice of a final determination under this part.

§ 11.9 Director review of determinations of Hearing Officers.

(a) Requests for Director review. (1) Not later than 30 days after the date on which an appellant receives the determination of a Hearing Officer under §11.8, the appellant must submit a written request, signed personally by the named appellant, to the Director to review the determination in order to be entitled to such review by the Director. Such request shall include specific reasons why the appellant believes the determination is wrong.

(2) Not later than 15 business days after the date on which an agency receives the determination of a Hearing Officer under §11.8, the head of the agency may make a written request that the Director review the determination in order to be entitled to such review by the Director. Such request shall include specific reasons why the agency believes the determination is wrong.

(3) A copy of a request for Director review submitted under this paragraph shall be provided simultaneously by the submitter to each party to the appeal.

(b) Notification of parties. The Director promptly shall notify all parties of receipt of a request for review.

(c) Responses to request for Director review. Other parties to an appeal may submit written responses to a request for Director review within 5 business days from the date of receipt of a copy of the request for review.

(d) Determination of Director. (1) The Director will conduct a review of the determination of the Hearing Officer using the agency record, the hearing record, the request for review, any responses submitted under paragraph (c) of this section, and such other arguments or information as may be accepted by the Director, in order to determine whether the decision of the Hearing Officer is supported by substantial evidence. Based on such review, the Director will issue a final determination notice that upholds, reverses, or modifies the determination of the Hearing Officer. The Director’s determination upon review of a Hearing Officer’s decision shall be considered to be the final determination under this part and shall not be appealable. However, if the Director determines that the hearing record is inadequate or that new evidence has been submitted, the Director may remand all or a portion of the determination to the Hearing Officer for further proceedings to complete the hearing record or, at the option of the Director, to hold a new hearing.

(2) The Director will complete the review and either issue a final determination or remand the determination not later than—

(i) 10 business days after receipt of the request for review, in the case of a request by the head of an agency; or

(ii) 30 business days after receipt of the request for review, in the case of a request by an appellant.

(3) In any case or any category of cases, the Director may delegate his or her authority to conduct a review under this section to any Deputy or Assistant Directors of the Division. In any case in which such review is conducted by a Deputy or Assistant Director under authority delegated by the...
Director, the Deputy or Assistant Director’s determination shall be considered to be the determination of the Director under this part and shall be final and not appealable.

(e) Equitable relief. In reaching a decision on an appeal, the Director shall have the authority to grant equitable relief under this part in the same manner and to the same extent as such authority is provided an agency under applicable laws and regulations.

§ 11.10 Basis for determinations.
(a) In making a determination, the Hearing Officers and the Director are not bound by previous findings of facts on which the agency’s adverse decision was based.
(b) In making a determination on the appeal, Hearing Officers and the Director shall ensure that the decision is consistent with the laws and regulations of the agency, and with the generally applicable interpretations of such laws and regulations.
(c) All determinations of the Hearing Officers and the Director must be based on information from the case record, laws applicable to the matter at issue, and applicable regulations published in the FEDERAL REGISTER and in effect on the date of the adverse decision or the date on which the acts that gave rise to the adverse decision occurred, whichever date is appropriate under the applicable agency program laws and regulations.

§ 11.11 Reconsideration of Director determinations.
(a) Reconsideration of a determination of the Director may be requested by the appellant or the agency within 10 days of receipt of the determination. The Director will not consider any request for reconsideration that does not contain a detailed statement of a material error of fact made in the determination, or a detailed explanation of how the determination is contrary to statute or regulation, which would justify reversal or modification of the determination.
(b) The Director shall issue a notice to all parties as to whether a request for reconsideration meets the criteria, the Director shall include a copy of the request for reconsideration in the notice to the non-requesting parties to the appeal. The non-requesting parties shall have 5 days from receipt of such notice from the Director to file a response to the request for reconsideration with the Director.
(c) The Director shall issue a decision on the request for reconsideration within 5 days of receipt of responses from the non-requesting parties. If the Director’s decision upon reconsideration reverses or modifies the final determination of the Director rendered under §11.9(d), the Director’s decision on reconsideration will become the final determination of the Director under §11.9(d) for purposes of this part.

§ 11.12 Effective date and implementation of final determinations of the Division.
(a) On the return of a case to an agency pursuant to the final determination of the Division, the head of the agency shall implement the final determination not later than 30 days after the effective date of the notice of the final determination.
(b) A final determination will be effective as of the date of filing of an application, the date of the transaction or event in question, or the date of the original adverse decision, whichever is applicable under the applicable agency program statutes or regulations.

§ 11.13 Judicial review.
(a) A final determination of the Division shall be reviewable and enforceable by any United States District Court of competent jurisdiction in accordance with chapter 7 of title 5, United States Code.
(b) An appellant may not seek judicial review of any agency adverse decision appealable under this part without receiving a final determination from the Division pursuant to the procedures of this part.

§ 11.14 Filing of appeals and computation of time.
(a) An appeal, a request for Director Review, or any other document will be considered “filed” when delivered in
writing to the Division, when postmarked, or when a complete facsimile copy is received by the Division.

(b) Whenever the final date for any requirement of this part falls on a Saturday, Sunday, Federal holiday, or other day on which the Division is not open for the transaction of business during normal working hours, the time for filing will be extended to the close of business on the next working day.

(c) The time for filing an appeal, a request for Director review, or any other document expires at 5:00 p.m. local time at the office of the Division to which the filing is submitted on the last day on which such filing may be made.

§ 11.15 Participation of third parties and interested parties in Division proceedings.

In two situations, parties other than the appellant or the agency may be interested in participating in Division proceedings. In the first situation, a Division proceeding may in fact result in the adjudication of the rights of a third party, e.g., an appeal of a tenant involving a payment shared with a landlord, an appeal by one recipient of a portion of a payment shared by multiple parties, an appeal by one heir of an estate. In the second situation, a party may desire to receive notice of and perhaps participate in an appeal because of the derivative impact the appeal determination will have on that party, e.g., guaranteed lenders and reinsurance companies. The provisions in this section set forth rules for the participation of such third and interested parties.

(a) Third parties. When an appeal is filed, the Division shall notify any potential third party whose rights may be adjudicated of its right to participate as an appellant in the appeal. This includes the right to seek Director review of the Hearing Officer determination. Such third parties may be identified by the Division itself, by an agency, or by the original appellant. The Division shall issue one notice to the third party of its right to participate, and if such party declines to participate, the Division determination will be binding as to that third party as if it had participated. For purposes of this part, a third party includes any party for which a determination of the Division could lead to an agency action on implementation that would be adverse to the party thus giving such party a right to a Division appeal.

(b) Interested parties. With respect to a participant who is a borrower under a guaranteed loan or an insured under a crop insurance program, the respective guaranteed lender or reinsurance company having an interest in a participant’s appeal under this part may participate in the appeal as an interested party, but such participation does not confer the status of an appellant upon the guaranteed lender or reinsurance company such that it may request Director review of a final determination of the Division.

§ 11.20 General statement.

This subpart provides guidance for the general public as to the organization and functions of NAD.

Subpart C—Availability of Information to the Public

AUTHORITY: 5 U.S.C. 301 and 552; 7 CFR 1.1–1.16.

SOURCE: 63 FR 44774, Aug. 21, 1998, unless otherwise noted.

§ 11.30 General statement.

This subpart implements the regulations of the Secretary of Agriculture at 7 CFR 1.1 through 1.16 concerning FOIA (5 U.S.C. 552). The Secretary’s regulations, as implemented by the regulations in this part, govern the availability of the records of NAD to the public.

§ 11.31 Public inspection and copying.

Section 1.5 of this title requires that certain materials be made available by each USDA agency for public inspection and copying in accordance with 5 U.S.C. 522(a)(2). Members of the public wishing to gain access to these NAD records should write to the appropriate address shown in appendix A of this subpart.

§ 11.32 Initial requests for records.

(a) Requests for NAD records should be in writing and addressed to the NAD official having custody of the records desired as indicated in §11.22(d). Addresses are found in Appendix A of this subpart. In his or her petition, the requester may ask for a fee waiver if there is likely to be a charge for the requested information. The criteria for waiver of fees are found in section 6 of appendix A, subpart A of part 1 of this title. All requests for records shall be deemed to have been made pursuant to FOIA, regardless of whether FOIA is specifically mentioned. To facilitate processing of a request, the phrase “FOIA REQUEST” should be placed in capital letters on the front of the envelope.

(b) A request must reasonably describe records to enable NAD personnel to locate them with reasonable effort. Where possible, a requester should supply specific information, such as dates, titles, appellant name or appeal number, that may help identify the records. If the request relates to a matter in pending litigation, the court and its location should be identified.

(c) If NAD determines that a request does not reasonably describe the records, it shall inform the requester of this fact and extend the requester an opportunity to clarify the request or to confer promptly with knowledgeable NAD personnel to attempt to identify the records he or she is seeking. The “date of receipt” in such instances, for purposes of §1.12(a) of this title, shall be the date of receipt of the amended or clarified request.

(d) Nothing in this subpart shall be interpreted to preclude NAD from honoring an oral request for information, but if the requester is dissatisfied with the response, the NAD official involved shall advise the requester to submit a written request in accordance with paragraph (a) of this section. The “date of receipt” of such a request for purposes of §1.12(a) of this title shall be the date of receipt of the written request. For recordkeeping purposes, the
NAD official responding to an oral request for information may ask the requester to also submit his or her request in writing.

(e) If a request for records or a fee waiver under this subpart is denied, the person making the request shall have the right to appeal the denial. Requesters also may appeal NAD decisions regarding a requester’s status for purposes of fee levels under section 5 of Appendix A, subpart A of part 1 of this title. All appeals must be in writing and addressed to the official designated in §11.33. To facilitate processing of an appeal, the phrase “FOIA APPEAL” should be placed in capital letters on the front of the envelope.

(f) NAD shall develop and maintain a record of all written and oral FOIA requests and FOIA appeals received by NAD, which shall include, in addition to any other information, the name of the requester, brief summary of the information requested, an indication of whether the request or appeal was denied or partially denied, the FOIA exemption(s) cited as the basis for any denials, and the amount of fees associated with the request or appeal.

§ 11.33 Appeals.

Any person whose initial FOIA request is denied in whole or in part may appeal that denial to the Director, National Appeals Division, U.S. Department of Agriculture, 3101 Park Center Drive, Suite 1113, Alexandria, Virginia 22302, The Director will make the final determination on the appeal.

Subpart A—General Provisions

§ 12.1 General.

(a) Scope. This part sets forth the terms and conditions under which a
Office of the Secretary, USDA

§ 12.2

person who produces an agricultural commodity on highly erodible land or designates such land for conservation use, plants an agricultural commodity on a converted wetland, or converts a wetland shall be determined to be ineligible for certain benefits provided by the United States Department of Agriculture (USDA) and agencies and instrumentalities of USDA.

(b) Purpose. The purpose of the provisions of this part are to remove certain incentives for persons to produce agricultural commodities on highly erodible land or converted wetland and to thereby—

(1) Reduce soil loss due to wind and water erosion;
(2) Protect the Nation’s long-term capability to produce food and fiber;
(3) Reduce sedimentation and improve water quality; and
(4) Assist in preserving the values, acreage, and functions of the Nation’s wetlands.

§ 12.2 Definitions.

(a) General. The following definitions shall be applicable for the purposes of this part:

Agricultural commodity means any crop planted and produced by annual tilling of the soil, including tilling by one-trip planters, or sugarcane.

Approved insurance provider means a private insurance company that has been approved and reinsured by FCIC to provide insurance coverage to persons participating in programs authorized by the Federal Crop Insurance Act, as amended (7 U.S.C. 1501–1524).

Approved insurance provider means a private insurance company that has been approved and reinsured by FCIC to provide insurance coverage to persons participating in programs authorized by the Federal Crop Insurance Act, as amended (7 U.S.C. 1501–1524).

Conservation plan means the document that—

(1) Applies to highly erodible cropland;
(2) Describes the conservation system applicable to the highly erodible cropland and describes the decisions of the person with respect to location, land use, tillage systems, and conservation treatment measures and schedules; and
(3) Is approved by the local soil conservation district in consultation with the local committees established under section 8(b)(5) of the Soil Conservation and Domestic Allotment Act (16 U.S.C. 590h(b)(5)) and the Natural Resources Conservation Service (NRCS) for purposes of compliance with this part.

Conservation system means a combination of one or more conservation measures or management practices that are—

(1) Based on local resource conditions, available conservation technology, and the standards and guidelines contained in the NRCS field office technical guides (available from NRCS State offices); and
(2) Designed for purposes of this part to achieve, in a cost-effective and technically practicable manner, a substantial reduction in soil erosion or a substantial improvement in soil conditions on a field or group of fields containing highly erodible cropland when compared to the level of erosion or soil conditions that existed before the application of the conservation measures and management practices.

Conservation use or set aside means cropland that is designated as conservation-use acreage, set aside, or other similar designation for the purpose of fulfilling provisions under any acreage-limitation or land-diversion program administered by the Secretary of Agriculture requiring that the producer devote a specified acreage to conservation or other non-crop production uses.

Creation of a wetland means the development of the hydrologic, geochemical, and biological components necessary to support and maintain a wetland where a wetland did not previously exist. Any wetland established on a non-hydric soil will be considered a created wetland.

Department means the United States Department of Agriculture (USDA).

Enhancement of a wetland means the alteration of an existing wetland to increase its specific functions and values.
§ 12.2  Enhancement actions include new capabilities, management options, structures, or other actions to influence one or several functions and values.

FCIC means the Federal Crop Insurance Corporation, a wholly owned corporation within USDA whose programs are administered by RMA.

FSA means the Farm Service Agency, an agency of USDA which is generally responsible for administering commodity production adjustment and certain conservation programs of USDA.

Field means a part of a farm that is separated from the balance of the farm by permanent boundaries such as fences, roads, permanent waterways, or other similar features. At the option of the owner or operator of the farm, crop lines may also be used to delineate a field if farming practices make it probable that the crop lines are not subject to change. Any highly erodible land on which an agricultural commodity is produced after December 23, 1985, and is not exempt under §12.5(a), shall be considered part of the field in which the land was included on December 23, 1985, unless, to carry out this title, the owner and FSA agree to modify the boundaries of the field.

Highly erodible land means land that has an erodibility index of 8 or more.

Hydric soils means soils that, in an undrained condition, are saturated, flooded, or ponded long enough during a growing season to develop an anaerobic condition that supports the growth and regeneration of hydrophytic vegetation.

Hydrophytic vegetation means plants growing in water or in a substrate that is at least periodically deficient in oxygen during a growing season as a result of excessive water content.

Landlord means a person who rents or leases farmland to another person.

Local FSA office means the county office of the Farm Service Agency serving the county or a combination of counties in the area in which a person’s land is located for administrative purposes.

NIFA means the National Institute of Food and Agriculture, an agency of USDA which is generally responsible for coordinating the information and educational programs of USDA.

Person means an individual, partnership, association, corporation, cooperative, estate, trust, joint venture, joint operation, or other business enterprise or other legal entity and, whenever applicable, a State, a political subdivision of a State, or any agency thereof, and such person’s affiliates as provided in §12.8 of this part.

Reinsurance year means a 1-year period beginning July 1 and ending on June 30 of the following year, identified by reference to the year containing June.

Restoration of a wetland means the reestablishment of wetland conditions, including hydrologic condition or native hydrophytic vegetation, to an area where a wetland had previously existed.

RMA means the Risk Management Agency, an agency within USDA that administers the programs of the FCIC through which Federally reinsured crop insurance is provided to American farmers and ranchers.

Secretary means the Secretary of USDA.

Sharecropper means a person who performs work in connection with the production of a crop under the supervision of the operator and who receives a share of such crop for such labor.

Soil map unit means an area of the landscape shown on a soil map which consists of one or more soils.

A tenant shall not be considered the farm operator unless the tenant is determined to be the operator pursuant to this part and 7 CFR part 718.

Wetland, except when such term is a part of the term “converted wetland”, means land that—

(1) Has predominance of hydric soils;
(2) Is inundated or saturated by surface or groundwater at a frequency and duration sufficient to support a prevalence of hydrophytic vegetation typically adapted for life in saturated soil conditions; and
(3) Under normal circumstances does not support a prevalence of such vegetation, except that this term does not include lands in Alaska identified as having a high potential for agricultural development and a predominance of permafrost soils.

Wetland determination means a decision regarding whether or not an area is a wetland, including identification of wetland type and size. A wetland determination may include identification of an area as one of the following types of wetland—

(1) Artificial wetland is an area that was formerly non-wetland, but now meets wetland criteria due to human activities, such as:
   (i) An artificial lake or pond created by excavating or diking land that is not a wetland to collect and retain water that is used primarily for livestock, fish production, irrigation, wildlife, fire control, flood control, cranberry growing, or rice production, or as a settling pond; or
   (ii) A wetland that is temporarily or incidentally created as a result of adjacent development activity;
(2) Commenced-conversion wetland is a wetland, farmed wetland, farmed-wetland pasture, or a converted wetland on which conversion began, but was not completed, prior to December 23, 1985.
(3) Converted wetland is a wetland that has been drained, dredged, filled, leveled, or otherwise manipulated (including the removal of woody vegetation or any activity that results in impairing or reducing the flow and circulation of water) for the purpose of or to have the effect of making possible the production of an agricultural commodity without further application of the manipulations described herein if:
   (i) Such production would not have been possible but for such action, and
   (ii) Before such action such land was wetland, farmed wetland, or farmed-wetland pasture and was neither highly erodible land nor highly erodible cropland;
(4) Farmed wetland is a wetland that prior to December 23, 1985, was manipulated and used to produce an agricultural commodity, and on December 23, 1985, did not support woody vegetation and met the following hydrologic criteria:
   (i) Is inundated for 15 consecutive days or more during the growing season or 10 percent of the growing season, whichever is less, in most years (50 percent chance or more), or
   (ii) If a pothole, playa, or pocosin, is ponded for 7 or more consecutive days during the growing season in most years (50 percent chance or more); or
(5) Farmed-wetland pasture is wetland that was manipulated and managed for pasture or hayland prior to December 23, 1985, and on December 23, 1985, met the following hydrologic criteria:
   (i) Inundated or ponded for 7 or more consecutive days during the growing season in most years (50 percent chance or more), or
   (ii) Saturated for 14 or more consecutive days during the growing season in most years (50 percent chance or more).
§ 12.3 Applicability.

(a) The provisions of this part apply to all land, including Indian tribal land, in the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands of the United States, American Samoa, and the Commonwealth of the Northern Mariana Islands.

(b) The rules in this part are applicable to all current and future determinations on matters within the scope of this part. Nothing in these rules relieves any person of any liability under previous versions of these rules.

(c) Notwithstanding paragraph (b) of this section, for the purpose of eligibility for Federal crop insurance premium subsidy for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524), the provisions of this part apply to final HEL and wetland conservation determinations, including all administrative appeals, after February 7, 2014, on matters within the scope of this part.

(1) For acts or situations of non-compliance or failure to certify compliance according to this part, ineligibility for Federal crop insurance premium subsidies will be applied beginning with the 2016 reinsurance year for any Federally reinsured policy or plan of insurance with a sales closing date on or after July 1, 2015.

(2) [Reserved]

§ 12.4 Determination of ineligibility.

(a) Actions. Except as provided in §§12.5 or 12.13, a person shall be ineligible for all or a portion of USDA program benefits listed in this section if:

(1) The person produces an agricultural commodity on a field in which highly erodible land is predominant, or designates such a field for conservation use;

(2) The person produces an agricultural commodity on a wetland that was converted after December 23, 1985; or

(3) The person produces a converted wetland where the conversion occurred prior to December 23, 1985, an agricultural commodity had been produced at least once before December 23, 1985, and as of December 23, 1985, the converted wetland did not support woody vegetation and met the following hydrologic criteria:

(i) Inundation was less than 15 consecutive days during the growing season or 10 percent of the growing season, whichever is less, in most years (50 percent chance or more); and

(ii) If a pothole, playa or pocosin, ponding was less than 7 consecutive days during the growing season in most years (50 percent chance or more) and saturation was less than 14 consecutive days during the growing season most years (50 percent chance or more); or

(4) Wetland, as defined above in this section.

Wetland delineation means outlining the boundaries of a wetland determination on aerial photography, digital imagery, other graphic representation of the area, or on the land.

(b) Terms for FSA operations. In the regulations in this part, and in all instructions, forms, and documents in connection therewith, all other words and phrases specifically relating to FSA operations shall, unless required by the subject matter or the specific provisions of this part, have the meanings assigned to them in the regulations at part 718 of this title that govern reconstitutions of farms, allotments, and bases and any subsequent amendment thereto.

(3) After November 28, 1990, the person converts a wetland by draining, dredging, filling, leveling, removing woody vegetation, or other means for the purpose, or to have the effect, of making the production of an agricultural commodity possible.

(b) Highly erodible land. A person determined to be ineligible under paragraph (a)(1) of this section may be ineligible for all program benefits listed in (d) and (e) of this section.

(c) Wetland conservation. Except as provided in §12.13, a person determined to be ineligible under paragraph (a)(2) of this section is ineligible for all or a portion of the USDA program benefits listed in paragraph (d) of this section for which the person otherwise would have been eligible during the crop year of the commodity that was planted on the converted wetland. Except as provided in §12.13, a person determined to be ineligible under paragraph (a)(3) of this section for the conversion of a wetland is ineligible for all or a portion of the USDA program benefits listed in paragraph (d) of this section for which the person otherwise would have been eligible during the crop year which is equal to the calendar year during which the violation occurred and each subsequent crop year until the converted wetland is restored or the loss of wetland values, acreage, and functions have been mitigated prior to the beginning of such calendar year in accordance with §12.5(b)(4)(i) (A) and (C) through (F) of this part. Ineligibility under paragraph (a)(2) of this section may be reduced, in lieu of the loss of all benefits specified under paragraph (d) of this section for such crop year, based on the seriousness of the violation, as determined by the FSA Deputy Administrator for Farm Programs or designee upon recommendation by the FSA County Committee. Factors such as the information that was available to the affected person prior to the violation, previous land use patterns, the existence of previous wetland violations under this part or under other Federal, State, or local wetland provisions, the wetland values, acreage, and functions affected, the recovery time for full mitigation of the wetland values, acreage, and functions, and the impact that a reduction in payments would have on the person's ability to repay a USDA farm loan will be considered in making this determination.

(d) Programs subject to either highly erodible land or wetland conservation. USDA program benefits covered by a determination of ineligibility under this rule are:

(1) Contract payments, marketing assistance loans, and any type of price support or payment made available under the Agricultural Act of 2014, the Commodity Credit Corporation Charter Act (15 U.S.C. 714b and 714c), or successor Acts.

(2) A farm credit program loan made or guaranteed under the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) or any other provision of law administered by FSA if the Secretary determines that the proceeds of such loan will be used for a purpose that contributes to the conversion of wetlands that would make production of an agricultural commodity possible or for a purpose that contributes to excessive erosion of highly erodible land (i.e., production of an agricultural commodity on highly erodible land without a conservation plan or conservation system as required by this part);

(3) A payment made pursuant to a contract entered into under the Environmental Quality Incentives Program under chapter 4 of subtitle D of the Food Security Act of 1985, as amended; or a payment under any other provision of Subtitle D of that Act;

(4) A payment made under section 401 or 402 of the Agricultural Credit Act of 1978 (16 U.S.C. 2201 or 2202);

(5) A payment, loan, or other assistance under section 3 or 8 of the Watershed Protection and Flood Prevention Act (16 U.S.C. 1003 or 1006a) and;

(6) Federal crop insurance premium subsidies for a policy or plan of insurance offered under the Federal Crop Insurance Act (7 U.S.C. 1501–1524).

(e) Programs subject to highly erodible land only. In addition to programs listed in paragraph (d) of this section, a person determined to be ineligible under paragraph (a)(1) of this section shall be ineligible as determined by FSA for the following USDA program benefits for which the person otherwise would have been eligible during the
crop year for which the determination applies:

(1) A farm storage facility loan made under section 4(h) of the Commodity Credit Corporation Charter Act (15 U.S.C. 714b(h));

(2) A disaster payment made under the Federal Agricultural Improvement and Reform Act, Pub. L. 104–127, or any other act; and

(3) A payment made under section 4 or 5 of the Commodity Credit Corporation Charter Act (15 U.S.C. 714b or 714c) for the storage of an agricultural commodity acquired by the Commodity Credit Corporation.

(f) Determination of ineligibility. For the purpose of paragraph (a) of this section, a person shall be determined to have produced an agricultural commodity on a field in which highly erodible land is predominant or to have designated such a field for conservation use, to have produced an agricultural commodity on converted wetland, or to have converted a wetland if:

(1) NRCS has determined that—

(i) Highly erodible land is predominant in such field, or

(ii) All or a portion of the field is converted wetland; and

(2) FSA has determined that the person is or was the owner or operator of the land, or entitled to share in the crops available from the land, or in the proceeds thereof; and

(3) With regard to the provisions of paragraph (a)(1) and (a)(2) of this section, FSA has determined that the land is or was planted to an agricultural commodity or was designated as conservation use during the year for which the person is requesting benefits.

g) Intent to participate in USDA programs. Persons who wish to participate in any of the USDA programs described in paragraph (d) or (e) of this section are responsible for contacting the appropriate agency of USDA well in advance of the intended participated date so that Form AD–1026 can be completed. This contact will help assure that the appropriate determinations regarding highly erodible land or wetland, and conservation plans or conservation systems are scheduled in a timely manner. A late contact may not allow sufficient time for USDA to service the request and could result in a substantial delay in receiving a USDA determination of eligibility or ineligibility.

§ 12.5 Exemption.

(a) Exemptions regarding highly erodible land—(1) Highly erodible cropland in production or in USDA programs during 1981 through 1985 crop years. During the period beginning on December 23, 1985, and ending on the later of January 1, 1990, or the date that is two years after the date the cropland on which an agricultural commodity is produced was surveyed by NRCS to determine if such land is highly erodible, no person shall be determined to be ineligible for benefits as provided in § 12.4 as the result of the production of an agricultural commodity on any highly erodible land:

(i) That was planted to an agricultural commodity in any year 1981 through 1985; or

(ii) That was set aside, diverted, or otherwise not cultivated in any such crop years under a program administered by the Secretary for any such crops to reduce production of an agricultural commodity.

(2) Compliance with a conservation plan or conservation system. As further specified in this part, no person shall be ineligible for the program benefits described in § 12.4 as the result of production of an agricultural commodity on highly erodible land or the designation of such land for conservation use if such production or designation is in compliance with a conservation plan or conservation system approved under paragraph (a)(2)(i) or (a)(2)(ii) of this section. A person shall not be ineligible for program benefits under § 12.4 as the result of the production of an agricultural commodity on highly erodible land or as the result of designation of such land as conservation use if the production or designation is:

(i) In an area within a CD, under a conservation system that has been approved by the CD after the CD determines that the conservation system is in conformity with technical standards set forth in the NRCS field office technical guide for such district; or
(ii) In an area not within a CD, under a conservation system that has been approved by NRCS to be adequate for the production of such agricultural commodity on highly erodible land or for the designation of such land as conservation use.

(3) Reliance upon NRCS determination for highly erodible land. A person may be relieved from ineligibility for program benefits as the result of the production of an agricultural commodity which was produced on highly erodible land or for the designation of such land as conservation use in reliance on a determination by NRCS that such land was not highly erodible land, except that this paragraph shall not apply to any agricultural commodity that was planted on highly erodible land, or for the designation of highly erodible land as conservation use after NRCS determines that such land is highly erodible land, and the person is notified of such determinations.

(4) Areas of 2 acres or less. No person shall be determined to be ineligible under §12.4 for noncommercial production of agricultural commodities on highly erodible land on an area of 2 acres or less if it is determined by FSA that such production is not intended to circumvent the conservation requirements otherwise applicable under this part.

(5) Good faith. (i) No person will become ineligible under §12.4 as a result of the failure of such person to apply a conservation system on highly erodible land if all of the following apply:

(A) FSA determines such person has acted in good faith and without the intent to violate the provisions of this part;

(B) NRCS determines that the person complies with paragraph (a)(5)(ii) of this section; and

(C) The good faith determination of the FSA county or State committee has been reviewed and approved by the applicable State Executive Director, with the technical concurrence of the State Conservationist; or district director, with the technical concurrence of the area conservationist.

(ii) A person who otherwise meets the requirements of paragraphs (a)(5)(i)(A) and (a)(5)(i)(C) of this section will be allowed a reasonable period of time, as determined by NRCS, but not to exceed one year, during which to implement the measures and practices necessary to be considered actively applying the person’s conservation plan, as determined by USDA. If a person does not take the required corrective actions, the person may be determined to be ineligible for the crop year during which such actions were to be taken, as well as any subsequent crop year.

(iii) Notwithstanding the good-faith requirements of paragraph (a)(5)(i) of this section, if NRCS observes a possible compliance deficiency while providing on-site technical assistance, NRCS will provide to the responsible person, not later than 45 days after observing the possible violation, information regarding actions needed to comply with the plan and this subtitle. NRCS will provide this information in lieu of reporting the observation as a violation, if the responsible person attempts to correct the deficiencies as soon as practicable, as determined by NRCS, after receiving the information, but not later than one year after receiving the information. If a person does not take the required corrective actions, the person may be determined to be ineligible for the crop year during which the compliance deficiencies occurred, as well as any subsequent crop year.

(iv) A person who meets the requirements of paragraphs (a)(5)(i) and (a)(5)(ii) of this section will, in lieu of the loss of all benefits specified under §12.4(d) and (e) for such crop year, be subject to a reduction in benefits by an amount commensurate with the seriousness of the violation, as determined by FSA. The dollar amount of the reduction will be determined by FSA and may be based on the number of acres and the degree of erosion hazard for the area in violation, as determined by NRCS, or upon such other factors as FSA determines appropriate.

(v) Any person whose benefits are reduced in a crop year under paragraph (a)(5) of this section may be eligible for all of the benefits specified under §12.4(d) and (e) for any subsequent crop year if, prior to the beginning of the subsequent crop year, NRCS determines that such person is actively applying a conservation plan according to
the schedule specified in the plan on all highly erodible land planted to an agricultural commodity or designated as conservation use.

(6) Allowable variances. (i) Notwithstanding any other provisions of this part, no person shall be determined to be ineligible for benefits as a result of the failure of such person to apply a conservation system if NRCS determines that—
(A) The failure is technical and minor in nature and that such violation has little effect on the erosion control purposes of the conservation plan applicable to the land on which the violation has occurred; or
(B) The failure is due to circumstances beyond the control of the person; or
(C) NRCS grants a temporary variance from the practices specified in the plan for the purpose of handling a specific problem, including weather, pest, and disease problems, which NRCS determines cannot reasonably be addressed except through such variance.

(ii) If the person's request for a temporary variance involves the use of practices or measures to address weather, pest, or disease problems, NRCS shall make a decision on whether to grant the variance during the 30-day period beginning on the date of receipt of the request. If NRCS fails to render a decision during the period, the temporary variance shall be considered granted unless the person seeking the variance had reason to know that the variance would not be granted. In determining whether to grant a variance for natural disasters such as weather, pest, or disease problems, NRCS will consider such factors as:
(A) The percent of a stand damaged or destroyed by the event;
(B) The percent of expected crop production compared to normal production for that crop;
(C) The documented invasion of non-native insects, weeds, or diseases for which no recognized treatment exists;
(D) Whether an event is severe or unusual based on historical weather records; and
(E) Other specific circumstances caused by a natural event that prevented the implementation of conservation practices or systems, installation of structures, or planting of cover crops.

(7) Technical and minor violations. Notwithstanding any other provisions of this part, a reduction in benefits in an amount commensurate with the seriousness of the violation, as determined by FSA, and consistent with paragraph (a)(5)(iv) of this section, will be applied if NRCS determines that a violation involving highly erodible land that would otherwise lead to a loss of benefits is both of the following:
(i) Technical and minor in nature; and
(ii) Has a minimal effect on the erosion control purposes of the conservation plan applicable to the land on which the violation occurred.

(b) Exemptions for wetlands and converted wetlands—(1) General exemptions. A person shall not be determined to be ineligible for program benefits under §12.4 as the result of the production of an agricultural commodity on converted wetland or the conversion of wetland if:
(i) The land is a prior-converted cropland and meets the definition of a prior-converted cropland as of the date of a wetland determination by NRCS;
(ii) The land has been determined by NRCS to be a prior-converted cropland and such determination has been certified, and NRCS determines that the wetland characteristics returned after the date of the wetland certification as a result of—
(A) The lack of maintenance of drainage, dikes, levees, or similar structures;
(B) The lack of management of the lands containing the wetland, or
(C) Circumstances beyond the control of the person;
(iii) The land was determined by NRCS to be a farmed wetland or a farmed-wetland pasture and—
(A) Such land meets wetland criteria through a voluntary restoration, enhancement, or creation action after that determination,
(B) The technical determinations regarding the baseline site conditions and the restoration, enhancement, or creation action have been adequately documented by NRCS,
(C) The proposed conversion action is documented by the NRCS prior to implementation, and
(D) The extent of the proposed conversion is limited so that the conditions will be at least equivalent to the wetland values, acreage, and functions that existed at the time of implementation of the voluntary wetland restoration, enhancement, or creation action;
(iv) NRCS has determined that the conversion is for a purpose that does not make the production of an agricultural commodity possible, such as conversions for fish production, trees, vineyards, shrubs, cranberries, agricultural waste management structures, livestock ponds, fire control, or building and road construction and no agricultural commodity is produced on such land;
(v) NRCS has determined that the actions of the person with respect to the conversion of the wetland or the combined effect of the production of an agricultural commodity on a wetland converted by the person or by someone else, individually and in connection with all other similar actions authorized by NRCS in the area, would have only a minimal effect on the wetland functions and values in the area;
(vi)(A) After December 23, 1985, the Army Corps of Engineers issued an individual permit pursuant to section 404 of the Clean Water Act, 33 U.S.C. 1344, authorizing such action and the permit required mitigation that adequately replaced the values, acreage, and functions of the wetlands converted, as determined by NRCS, or
(B) After December 23, 1985, the action is encompassed under section 404 of the Clean Water Act, 33 U.S.C. 1344, by an Army Corps of Engineers nationwide or regional general permit and the wetland values, acreage, and functions were adequately mitigated, as determined by NRCS; or
(vii) The land is determined by NRCS to be—
(A) An artificial wetland,
(B) A wet area created by a water delivery system, irrigation, irrigation system, or application of water for irrigation,
(C) A nontidal drainage or irrigation ditch excavated in non-wetland, or
(D) A wetland converted by actions of persons other than the person applying for USDA program benefits or any of the person’s predecessors in interest after December 23, 1985, if such conversion was not the result of a scheme or device to avoid compliance with this part. Further drainage improvement on such land is not permitted without loss of eligibility for USDA program benefits, unless NRCS determines under paragraph (b)(1)(v) of this section that further drainage activities applied to such land would have minimal effect on the wetland functions and values in the area. In applying this paragraph, a converted wetland shall be presumed to have been converted by the person applying for USDA program benefits unless the person can show that the conversion was caused by a third party with whom the person was not associated through a scheme or device as described under §12.10 of this part. In this regard, activities of a water resource district, drainage district, or similar entity will be attributed to all persons within the jurisdiction of the district or other entity who are assessed for the activities of the district or entity. Accordingly, where a person’s wetland is converted due to the actions of the district or entity, the person shall be considered to have caused or permitted the drainage. Notwithstanding the provisions of the preceding sentences and as determined by FSA to be consistent with the purposes of this part, the activities of a drainage district or other similar entity will not be attributed to a person to the extent that the activities of the district or entity were beyond the control of the person and the wetland converted is not used by the person for the production of an agricultural commodity or a forage crop for harvest by mechanical means or mitigation for the converted wetland occurs in accordance with this part.
(2) Commenced conversion wetlands. (i) The purpose of a determination of a commenced conversion made under this paragraph is to implement the legislative intent that those persons who had actually started conversion of a wetland or obligated funds for conversion prior to December 23, 1985, would
be allowed to complete the conversion so as to avoid unnecessary economic hardship.

(ii) All persons who believed they had a wetland or converted wetland for which conversion began but was not completed prior to December 23, 1985, must have requested by September 19, 1988, FSA to make a determination of commencement in order to be considered exempt under this section.

(iii) Any conversion activity considered by FSA to be commenced under this section lost its exempt status if such activity as not completed on or before January 1, 1995. For purposes of this part, land on which such conversion activities were completed by January 1, 1995, shall be evaluated by the same standards and qualify for the same exemptions as prior-converted croplands. For purposes of this part, land on which such conversion activities were not completed by January 1, 1995, shall be evaluated by the same standards and qualify for the same exemptions as wetlands or farmed wetlands, as applicable.

(iv) Only those wetlands for which the construction had begun, or to which the contract or purchased supplies and materials related, qualified for a determination of commencement. However, in those circumstances where the conversion of wetland did not meet the specific requirements of this paragraph, the person could have requested a commencement of conversion determination from the FSA Deputy Administrator for Farm Programs, upon a showing that undue economic hardship would have resulted because of substantial financial obligations incurred prior to December 23, 1985, for the primary and direct purpose of converting the wetland.

(3) Wetlands farmed under natural conditions. A person shall not be determined to be ineligible for program benefits under §12.4 of this part as a result of the production of an agricultural commodity on a wetland on which the owner or operator of a farm or ranch uses normal cropping or ranching practices to produce agricultural commodities in a manner that is consistent for the area, where such production is possible as a result of natural conditions, such as drought, and is without action by the producer that alters the hydrology or removes woody vegetation.

(4) Mitigation. (i) No person shall be determined to be ineligible under §12.4 for any action associated with the conversion of a wetland if the wetland values, acreage, and functions are adequately mitigated, as determined by NRCS, through the restoration of a converted wetland, the enhancement of an existing wetland, or the creation of a new wetland, if the mitigation—

(A) Is in accordance with a mitigation plan approved by NRCS;

(B) Is in advance of, or concurrent with, the wetland conversion or the production of an agricultural commodity, as applicable;

(C) Is not at the expense of the federal government in either supporting the direct or indirect costs of the restoration activity or costs associated with acquiring or securing mitigation sites, except if conducted under a mitigation banking program established by USDA;

(D) Occurs on lands in the same general area of the local watershed as the converted wetlands, provided that for purposes of this paragraph, lands in the same general area of the local watershed may include regional mitigation banks;

(E) Is on lands for which the owner has granted an easement to USDA or in the case of a mitigation bank operated under a USDA program, an entity approved by USDA, recorded the easement on public land records, and has agreed to the maintenance of the restored, created, or enhanced wetland for as long as the converted wetland for which the mitigation occurred remains in agricultural use or is not returned to its original wetland classification with equivalent values, acreage, and functions; and

(F) Provides the equivalent values, acreage, and functions that will be lost as a result of the wetland conversion.

(ii) A mitigation plan is a record of decisions that document the actions necessary to compensate for the loss of wetland values, acreage, and functions that result from converting a wetland. The mitigation plan may be a component of a larger natural resources conservation plan.
(iii) The State Conservationist, in consultation with the State Technical Committee, may name certain types or classes of wetland not eligible for exemption under paragraph (b)(4)(i) of this section where the State Conservationist determines that mitigation will not achieve equivalent replacement of wetland values, acreage, and functions within a reasonable time frame or for other reasons identified by the State Conservationist. Any type or class of wetland that a State Conservationist identifies as not eligible for exemption under paragraph (b)(4)(i) of this section will be published in the Federal Register for inclusion in this part.

(5) Good faith violations. (i) A person who is determined under §12.4 of this part to be ineligible for benefits as the result of the production of an agricultural commodity on a wetland converted after December 23, 1985, or as the result of the conversion of a wetland after November 28, 1990, may regain eligibility for benefits if all of the following apply:

(A) FSA determines that such person acted in good faith and without the intent to violate the wetland provisions of this part; and

(B) NRCS determines that the person is implementing all practices in a mitigation plan within an agreed-to period, not to exceed one year; and

(C) The good faith determination of the FSA county or State committee has been reviewed and approved by the applicable State Executive Director, with the technical concurrence of the State Conservationist; or district director, with the technical concurrence of the area conservationist.

(ii) In determining whether a person acted in good faith under paragraph (b)(5)(i)(A) of this section, the FSA shall consider such factors as whether—

(A) The characteristics of the site were such that the person should have been aware that a wetland existed on the subject land,

(B) NRCS had informed the person about the existence of a wetland on the subject land,

(C) The person did not convert the wetland, but planted an agricultural commodity on converted wetland when the person should have known that a wetland previously existed on the subject land.

(D) The person has a record of violating the wetland provisions of this part or other Federal, State, or local wetland provisions, or

(E) There exists other information that demonstrates that the person acted with the intent to violate the wetland provisions of this part.

(iii) After the requirements of paragraph (b)(5)(i) of this section are met, USDA may waive applying the ineligibility provisions of §12.4.

(6) Reliance upon NRCS wetland determination. (i) A person shall not be ineligible for program benefits as a result of taking an action in reliance on a previous certified wetland determination by NRCS.

(ii) A person who may be ineligible for program benefits as the result of the production of an agricultural commodity on converted wetland or for the conversion of a wetland may seek relief under §12.11 of this part if such action was taken in reliance on an incorrect technical determination by NRCS as to the status of such land. If the error caused the person to make a substantial financial investment, as determined by the NRCS, for the conversion of a wetland, the person may be relieved of ineligibility for actions related to that portion of the converted wetland for which the substantial financial investment was expended in conversion activities. The relief available under this paragraph shall not apply to situations in which the person knew or reasonably should have known that the determination was in error because the characteristics of the site were such that the person should have been aware that a wetland existed on the subject land, or for other reasons.

(7) Responsibility to provide evidence. It is the responsibility of the person seeking an exemption related to converted wetlands under this section to provide evidence, such as receipts, crop-history data, drawings, plans or similar information, for purposes of determining whether the conversion or other action is exempt in accordance with this section.

§ 12.6 Administration.

(a) General. In general determinations will be made as follows:

(1) Except as provided in paragraph (a)(2) of this section, a determination of ineligibility for benefits in accordance with the provisions of this part will be made by the agency of USDA to which the person has applied for benefits. All determinations required to be made under the provisions of this part will be made by the agency responsible for making such determinations, as provided in this section.

(2) Eligibility for Federal crop insurance premium subsidies will be based on final determinations, including all administrative appeals, made by NRCS and FSA. Neither RMA, FCIC, approved insurance providers, or any employee, agent, or contractors thereof, will make any determination regarding compliance with the highly erodible land or wetland provisions of this part, unless specifically provided for in §12.13.

(b) Administration by FSA. (1) The provisions of this part which are applicable to FSA will be administered under the general supervision of the Administrator, FSA, and shall be carried out in the field in part by State FSA committees and county FSA committees (COC).

(2) The FSA Deputy Administrator for Farm Programs may determine any question arising under the provisions of this part which are applicable to FSA and may reverse or modify any determination regarding eligibility with respect to programs administered by FSA made by a State FSA committee or COC or any other FSA office or FSA official (except the Administrator) in connection with the provisions of this part.

(3) FSA shall make the following determinations which are required to be made in accordance with this part:

(i) Whether a person produced an agricultural commodity on a particular field as determined under §12.5(a)(1);

(ii) The establishment of field boundaries;

(iii) Whether land was planted to an agricultural commodity in any of the years, 1981 through 1985, for the purposes of §12.5(a)(1);

(iv) Whether land was set aside, diverted, or otherwise not cultivated under a program administered by the Secretary for any crop to reduce production of an agricultural commodity under §§12.4(g) and 12.5(a)(1);

(v) Whether for the purposes of §12.9, the production of an agricultural commodity on highly erodible land or converted wetland by a landlord’s tenant or sharecropper is required under the terms and conditions of the agreement between the landlord and such tenant or sharecropper;

(vi) Whether the conversion of a particular wetland was commenced before December 23, 1985, for the purposes of §12.5(b)(3);

(vii) Whether the conversion of a wetland was caused by a third party under §12.5(b)(1)(vii)(D);

(viii) Whether certain violations were made in good faith under §§12.5(a)(5) or 12.5(b)(5);

(ix) The determination of the amount of reduction in benefits based on the seriousness of the violation, based on technical information provided by NRCS;

(x) The determination of whether the application of the producer’s conservation plan or system would impose an undue economic hardship on the producer; and

(xi) Whether the proceeds of a farm loan made, insured, or guaranteed by FSA will be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetland.

(4) A representative number of farms selected in accordance with instructions issued by the Deputy Administrator shall be inspected by an authorized representative of FSA to determine compliance with any requirement specified in this part as a prerequisite for obtaining program benefits.

(5) FSA may consult with U.S. Fish and Wildlife Service on third-party determinations.

(c) Administration by NRCS. (1) The provisions of this part that are applicable to NRCS shall be administered under the general supervision of the Associate Chief for Conservation, and shall be carried out in the field by the regional conservationist, state conservationist, area conservationist, and
district conservationist or other NRCS representative.

(2) An NRCS representative shall make the following determinations which are required to be made in accordance with this part:

(i) Whether land is highly erodible or has a wetland type or a converted wetland identified in accordance with the provisions of this part;

(ii) Whether highly erodible land is predominant on a particular field under §12.22;

(iii) Whether the conservation plan that a person is applying is based on the local NRCS field office technical guide and is approved by—

(A) The CD and NRCS, or

(B) NRCS;

(iv) Whether the conservation system that a person is using has been approved by the CD under §12.5(a)(2) or, in an area not within a CD, a conservation system approved by NRCS to be adequate for the production of an agricultural commodity on highly erodible land;

(v) Whether the actions of a person(s) with respect to the conversion of a wetland or production of an agricultural commodity on converted wetland would have only a minimal effect on the functions and values of wetlands in the area;

(vi) Whether an approved conservation plan is being applied on highly erodible fields in accordance with the schedule specified therein or whether a failure to apply the plan is technical and minor in nature, due to circumstances beyond the control of the person, or whether a temporary variance form the requirements of the plan should be granted;

(vii) Whether an approved conservation system is being used on a highly erodible field;

(viii) Whether the conversion of a wetland is for the purpose or has the effect of making the production of an agricultural commodity possible;

(ix) Whether a farmed wetland or farmed-wetland pasture is abandoned;

(x) Whether the planting of an agricultural commodity on a wetland is possible under natural conditions;

(xi) Whether maintenance of existing drainage of a wetland described in §12.33 exceeds the scope and effect of the original drainage;

(xii) Whether a plan for the mitigation of a converted wetland will be approved and whether the mitigation of a converted wetland is accomplished according to the approved mitigation plan;

(xiii) Whether all technical information relating to the determination of a violation and severity of a violation has been provided to FSA for making payment-reduction determinations; and

(xiv) Whether or not a commenced-conversion activity was completed by January 1, 1995.

(3) NRCS may provide such other technical assistance for implementation of the provisions of this part as is determined to be necessary.

(4) A person may obtain a highly erodible land or a wetland scope-and-effect determination by making a written request on Form AD–1026. The determination will be made in writing, and a copy will be provided to the person.

(5) A determination of whether or not an area meets the highly erodible land criteria or whether wetland criteria, identified in accordance with the current Federal wetland delineation methodology in use at the time of the determination and that are consistent with current mapping conventions, may be made by the NRCS representative based upon existing records or other information and without the need for an on-site determination. This determination will be made by the NRCS representative as soon as possible following a request for such a determination.

(6) An on-site determination as to whether an area meets the applicable criteria shall be made by an NRCS representative if the person has disagreed with the determination made under paragraph (c)(5) of this section, or if adequate information is not otherwise available to an NRCS representative on which to make an off-site determination.

(7) An on-site determination, where applicable, will be made by the NRCS representative as soon as possible following a request for such a determination, but only when site conditions are
§ 12.7 Certification of compliance.

(a) Self-certification. In order for a person to be determined to be eligible for any of the benefits specified in §12.4:

(1) It must be determined by USDA whether any field in which the person applying for the benefits has an interest and intends to produce an agricultural commodity contains highly erodible land;

(2) The person applying for or receiving the benefits must certify in writing on Form AD–1026 that such person will not produce an agricultural commodity on highly erodible land, or designate such land for conservation use; or plant an agricultural commodity on a converted wetland; or convert a wetland to make possible the production of an agricultural commodity during the crop year in which the person is seeking favorable for the evaluation of soils, hydrology, or vegetation.

(8) With regard to wetland determinations, if an area is continuously inundated or saturated for long periods of time during the growing season to such an extent that access by foot to make a determination of predominance of hydric soils or prevalence of hydrophytic vegetation is not feasible, the area will be determined to be a wetland.

(9) Persons who are adversely affected by a determination made under this section and believe that the requirements of this part were improperly applied may appeal, under §12.12 of this part, any determination by NRCS.

(10) NRCS will operate a program or work with third parties to establish mitigation banks to assist persons in complying with §§12.4(c) and 12.5(b)(4). Persons will be able to access mitigation banks established or approved through this program without requiring the Secretary to hold an easement in a mitigation bank.

(d) Administration by NIFA. The NIFA shall coordinate the related information and education program for USDA concerning implementation of this rule.

(e) Assistance of other Federal agencies. If NRCS determines, through agreement or otherwise, that the purposes of this part would be furthered by the assistance of other Federal agencies with wetland responsibilities, NRCS may accept such assistance and adopt any or all such actions by these agencies as an action by an NRCS representative under this part.

(f) Administration by RMA. The provisions of this part that are applicable to RMA will be administered under the general supervision of the Administrator, RMA.

(1) Eligibility for Federal crop insurance premium subsidies will be based on final determinations, including all administrative appeals, made by NRCS and FSA as provided in this part.

(3) Neither RMA nor FCIC will make any determination of eligibility regarding compliance with the highly erodible land or wetland provisions in this part, unless specifically provided for in §12.13.

(4) RMA will provide the applicable information regarding determinations made by NRCS and FSA to the appropriate approved insurance providers to ensure those determinations affecting Federal crop insurance premium subsidy eligibility are implemented according to this part.

(g) Approved insurance providers. No approved insurance provider or any employee, agent, or contractor of an approved insurance provider will:

(1) Make any determination of eligibility regarding compliance with the highly erodible land or wetland provisions of this part; or

(2) Be responsible or liable for a person’s eligibility for Federal crop insurance premium subsidy under this part, except in cases of fraud, misrepresentation, or scheme and device by the approved insurance provider or any employee, agent, or contractor thereof.

§ 12.7 Certification of compliance.

(a) Self-certification. In order for a person to be determined to be eligible for any of the benefits specified in §12.4:

(1) It must be determined by USDA whether any field in which the person applying for the benefits has an interest and intends to produce an agricultural commodity contains highly erodible land;

(2) The person applying for or receiving the benefits must certify in writing on Form AD–1026 that such person will not produce an agricultural commodity on highly erodible land, or designate such land for conservation use; or plant an agricultural commodity on a converted wetland; or convert a wetland to make possible the production of an agricultural commodity during the crop year in which the person is seeking favorable for the evaluation of soils, hydrology, or vegetation.
such benefits, unless such actions are exempt, under §§12.5 or 12.13 from the provisions of §12.4 of this part;

(3) A person may certify application of practices required by the person’s conservation plan. NRCS shall permit a person who makes such a certification with respect to a conservation plan to revise the conservation plan in any manner, if the same level of conservation treatment provided for by the conservation system under the person’s conservation plan is maintained. NRCS may not revise the person’s conservation plan without the concurrence of the person;

(4) The person applying for a FSA direct or guaranteed farm credit program loan must certify that such person shall not use the proceeds of the loan for a purpose that will contribute to excessive erosion on highly erodible land or to conversion of wetlands for the purpose, or to have the effect, of making the production of an agricultural commodity possible; and

(5) The person applying for the benefits must authorize and provide representatives of USDA access to all land in which such person has an interest for the purpose of verifying any such certification.

(b) Availability to other agencies. Each agency of USDA shall make all certifications of compliance received by such agency and the results of investigations concerning such certifications of compliance available to other agencies.

(c) Compliance. A certification made in accordance with this section does not relieve any person from compliance with provisions of this part.

(d) Timely filing. In order for a person to be determined eligible for Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524), the person must have Form AD–1026 or successor form on file with FSA, as specified in §12.13.

§ 12.8 Affiliated persons.

(a) Ineligibility of affiliated persons. Ineligibility of an individual or entity under this part for benefits shall also be an ineligibility for benefits for “affiliated persons” as defined in this section.

(b) Affiliated persons of an individual. If the person requesting benefits is an individual, the affiliated persons are:

(1) The spouse and minor child of such person or guardian of such child; except that spouses who establish to the satisfaction of the COC that operations of the husband and wife are maintained separately and independently shall not be considered affiliates;

(2) Any partnership, joint venture, or other enterprise in which the person or any person listed in paragraphs (b)(1) has an ownership interest or financial interest; unless such interest is held indirectly through another business enterprise; or

(3) Any trust in which the individual, business enterprise, or any person listed in paragraph (b)(1) is a beneficiary or has a financial interest, unless such interest is held indirectly through another business enterprise.

(c) Affiliated persons of an entity. If the person who has requested benefits from USDA is a corporation, partnership, or other joint venture, the affiliated persons are any participant or stockholder therein of the corporation, partnership, or other joint venture, except for persons who have an indirect interest through another business enterprise in such corporation, partnership, or other joint venture or persons with a 20 percent or less share in a corporation.

(d) Limitation. Any reduction in payments which results only from the application of the affiliation provisions of this section to a partnership, joint venture, trust, or other enterprise shall be limited to the extent of interest held in such partnership, joint venture, trust, or other enterprise by the person or business enterprise that committed the violation. However, for violations for which the business enterprise is considered directly responsible under the provisions of this part, the business enterprise shall be subject to a full loss of benefits, including those instances in which the business enterprise has an interest in the land where the violation occurred or where the business enterprise had an interest in the crops produced on the land.
(e) Avoidance of this part. Limitations on affiliation shall not apply as needed to correct for any action that would otherwise tend to defeat the purposes of this part.

§ 12.9 Landlords and tenants.

(a) Landlord eligibility. Landlord eligibility will include the following:

(1) Except as provided in paragraph (a)(2) of this section, the ineligibility of a tenant or sharecropper for:

(i) Program benefits (as specified in § 12.4) except as provided in paragraph (a)(1)(ii) of this section will not cause a landlord to be ineligible for USDA program benefits accruing with respect to land other than those in which the tenant or sharecropper has an interest; and

(ii) Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) will, in lieu of ineligibility for premium subsidy, result in a reduction in the amount of premium subsidy paid by FCIC on all policies and plans of insurance for the landlord.

(A) The percentage reduction will be determined by comparing the total number of cropland acres on the farm on which the violation occurred to the total number of cropland acres on all farms in which landlord has an interest, as determined by FSA.

(B) The farms and cropland acres used to determine the premium subsidy reduction percentage will be the farms and cropland acres of the landlord for the reinsurance year in which the tenant or sharecropper is determined ineligible.

(C) The percentage reduction will be applied to all policies and plans of insurance of the landlord in the reinsurance year subsequent to the reinsurance year in which the tenant or sharecropper is determined ineligible.

(D) If the landlord and tenant or sharecropper are insured under the terms and conditions of the agreement between the landlord and such tenant or sharecropper and such agreement was entered into after December 23, 1985, or if the landlord has acquiesced in such activities by the tenant or sharecropper:

(i) The provisions of paragraph (a)(1)(i) of this section will not be applicable to a landlord; and

(ii) A landlord will be ineligible for premium subsidy on all policies and plans of insurance in the reinsurance year subsequent to the reinsurance year in which the tenant or sharecropper is determined ineligible.

(b) Tenant or sharecropper eligibility. Tenant or sharecropper eligibility will include the following:

(1) If all of the requirements in paragraph (b)(2) of this section are met:

(i) The ineligibility of a tenant or sharecropper, except as provided in paragraph (b)(1)(ii) of this section, may be limited to the program benefits listed in §12.4(b) accruing with respect to only the farm on which the violation occurred; and

(ii) In lieu of ineligibility for Federal crop insurance premium subsidies for all policies or plans of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524), the premium subsidy on all policies and plans of insurance of the ineligible tenant or sharecropper will be reduced.

(A) The percentage reduction will be determined by comparing the total number of cropland acres on the farm on which the violation occurred to the total number of cropland acres on all farms in which tenant or sharecropper has an interest, as determined by FSA.

(B) The farms and cropland acres used to determine the premium subsidy reduction percentage will be the farms and cropland acres of the tenant or sharecropper for the reinsurance year in which the tenant or sharecropper is determined ineligible.

(C) The percentage reduction will be applied to all policies and plans of insurance of the tenant or sharecropper in the reinsurance year subsequent to the reinsurance year in which the tenant or sharecropper is determined ineligible.

(D) If the landlord and tenant or sharecropper are insured under the
same policy, the tenant or sharecropper will be ineligible for premium subsidy on that policy in lieu of a percentage reduction on that policy.

(2) The provisions of paragraph (b)(1) of this section will not apply unless all the following are met:

(i) The tenant or sharecropper shows that a good-faith effort was made to comply by developing an approved conservation plan for the highly erodible land in a timely manner and prior to any violation of the provisions of this part;

(ii) The owner of such farm refuses to apply such a plan and prevents the tenant or sharecropper from implementing certain practices that are a part of the approved conservation plan; and

(iii) FSA determines that the lack of compliance is not a part of a scheme or device as described in §12.10.

(3) If relief is granted under paragraph (b)(1) of this section, the tenant or sharecropper must actively apply those conservation treatment measures that are determined to be within the control of the tenant or sharecropper.

[61 FR 47025, Sept. 6, 1996, as amended at 80 FR 22881, Apr. 24, 2015]

§12.11 Action based upon advice or action of USDA.

The provisions of part 718 of this Title, as amended, relating to performance based upon the action or advice of a County Committee (COC) or State FSA Committee shall be applicable to the provisions of this part. In addition, if it is determined by the appropriate USDA agency that the action of a person which would form the basis of any ineligibility under this part was taken by such person in good-faith reliance on erroneous advice, information, or action of any other authorized representative of USDA, the appropriate agency may make such benefits available to the extent that similar relief would be allowed under 7 CFR part 718.

§12.12 Appeals.

Any person who has been or who would be denied program benefits in accordance with §12.4 as the result of any determination made in accordance with the provisions of this part may obtain a review of such determination in accordance with the administrative appeals procedures of the agency which rendered such determination. Agency appeal procedures are contained in the Code of Federal Regulations as follows: FSA, part 780 of this title; NRCS, part 614 of this title; Rural Utilities Service, part 1900, subpart B of this title.

§12.13 Special Federal crop insurance premium subsidy provisions.

(a) General. The provisions and exemptions in this section are only applicable to Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524). The exemptions in this section are in addition to any that apply under §12.5. Any conflict between this section and another will be resolved by applying this section, but only for Federal crop insurance premium subsidies. Any exemptions or relief under this section apply to Federal crop insurance premium subsidies and do not apply to other benefits even for the same person for the same crop year or reinsurance year. Unless otherwise specified in this section, the provisions in this section apply to both highly erodible land and wetlands.

(b) Ineligibility for failing to certify compliance. Subject to paragraphs (b)(2) and (3) of this section, failing to certify compliance as specified in §12.7 will result in ineligibility as follows:
(1) A Form AD–1026, or successor form, for the person must be on file with FSA on or before June 1 prior to the beginning of the reinsurance year (July 1) in order for the person to be eligible for any Federal crop insurance premium subsidies for the reinsurance year. Failure to file Form AD–1026, or successor form, with FSA on or before June 1 prior to the beginning of the reinsurance year (July 1) will result in ineligibility for premium subsidies for the entirety of that reinsurance year.

(2) A person will have until the first applicable crop insurance sales closing date to provide information necessary for the person’s filing of a Form AD–1026 if the person:

(i) Is unable to file a Form AD–1026 by June 1 due to circumstances beyond the person’s control, as determined by FSA; or

(ii) Files a Form AD–1026 by June 1 in good faith and FSA subsequently determines that additional information is needed, but the person is unable to comply by July 1 due to circumstances beyond the control of the person.

(3) A person who does not have Form AD–1026, or successor form, on file with FSA on or before June 1 prior to the beginning of the reinsurance year may be eligible for Federal crop insurance premium subsidy for the subsequent reinsurance year if the person can demonstrate they began farming for the first time after June 1 but prior to the beginning of the reinsurance year (July 1). For example, a person who started farming for the first time on June 15, 2015, will be eligible for Federal crop insurance premium subsidy for the 2016 reinsurance year. However, in that case, the person must file Form AD–1026 with FSA on or before June 1, 2016 to be eligible for premium subsidy for the 2017 reinsurance year.

(c) Ineligibility for violations. If a person is ineligible due to a violation of the provisions of this part, the timing and results will be as follows:

(1) Unless an exemption in this section or § 12.5 applies, ineligibility for Federal crop insurance premium subsidy for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) due to a violation of the provisions of this part will:

(i) Not apply to the reinsurance year in which the violation occurred or any reinsurance year prior to the date of the final determination of a violation, including all administrative appeals of the determination, as determined by NRCS or FSA as applicable; and

(ii) Only apply to reinsurance years subsequent to the date of a final determination of a violation, including all administrative appeals of the determination, as determined by NRCS or FSA as applicable. A person who is in violation of the provisions of this part, as determined by FSA or NRCS, in a reinsurance year will, unless otherwise exempted, be ineligible for any Federal crop insurance premium subsidy beginning with the subsequent reinsurance year. For example, a person who is determined to be in violation of the provisions of this part and has exhausted all administrative appeals on June 1, 2015, (2015 reinsurance year) will, unless otherwise exempted, be ineligible for Federal crop insurance premium subsidy effective July 1, 2015, the start of the 2016 reinsurance year, and will not be eligible for any Federal crop insurance premium subsidy for any policy or plan of insurance during the 2016 reinsurance year. Even if the person becomes compliant during the 2016 reinsurance year, the person will not be eligible for Federal crop insurance premium subsidy until the 2017 reinsurance year starting on July 1, 2016.

(2) Eligibility for Federal crop insurance premium subsidy for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) due to a violation of the provisions of this part will be based on FSA and NRCS final determinations, including all administrative appeals, regarding compliance with the provisions of this part.

(3) The amount of premium subsidy for an insured person will be reduced when any person with a substantial beneficial interest in the insured person is ineligible for premium subsidy under this part. The amount of reduction will be commensurate with the ineligible person’s substantial beneficial interest in the insured person. The ineligible person’s substantial beneficial interest in the insured person will be...
determined according to the policy provisions of the insured person.

(4) Administrative appeals include appeals made in accordance with §12.12 and part 11 of this title, but do not include any judicial review or appeal, or any other legal action.

(d) Exemption to develop and comply with an approved HEL conservation plan. The following exemptions provide a delay in the requirement to develop and comply with an NRCS approved HEL conservation plan for certain persons.

(1) Persons subject to the provisions of this part regarding highly erodible land, specifically those related to section 1211(a) of the Food Security Act of 1985, as amended, for the first time solely due to amendments to that section by section 2611(a) of the Agricultural Act of 2014 (16 U.S.C. 3811(a)(1)), will have 5 reinsurance years after the date the person is determined to have HEL and has exhausted all administrative appeals, if applicable, to develop and comply with a conservation plan approved by NRCS before being ineligible for Federal crop insurance premium subsidies. The additional time to develop and comply with a conservation plan approved by NRCS applies only to persons who have not previously been subject to the highly erodible land conservation provisions of this part. The additional time provided in this paragraph does not apply to any person who had any interest in any land or crop, including an affiliated person, that was subject to the provisions of this part before February 7, 2014. The 5 reinsurance years to develop and comply with a conservation plan approved by NRCS starts:

(i) For persons who have no land with an NRCS HEL determination, the 5 reinsurance years begins the start of the reinsurance year (July 1) following the date the person is determined to have HEL and has exhausted all administrative appeals; or

(ii) For persons who have any land for which an NRCS HEL determination has been made and all administrative appeals have been exhausted, the 5 reinsurance years begins the start of the reinsurance year (July 1) following the date the person certifies compliance with FSA to be eligible for USDA benefits subject to the conservation compliance provisions.

(2) Persons who meet all the following criteria will have 2 reinsurance years from the start of the reinsurance year (July 1) following the date the person certifies compliance with FSA to be eligible for USDA benefits subject to the conservation compliance provisions to develop and comply with a conservation plan approved by NRCS before being ineligible for Federal crop insurance premium subsidies:

(i) Were subject to the provisions of this part regarding highly erodible land, specifically those related to section 1211(a) of the Food Security Act of 1985 (16 U.S.C. 3811(a)(1)), as amended, any time before February 7, 2014;

(ii) Before February 7, 2014, stopped participating in all USDA programs subject to the provisions of this part regarding highly erodible land;

(iii) Would have been in violation of the provisions of this part regarding highly erodible land had they continued to participate in those programs after February 7, 2014; and

(iv) Are currently in violation of the provisions of this part regarding highly erodible land.

(e) Exemption for prior wetland conversions completed prior to February 7, 2014. No person will be ineligible for Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) for:

(1) Converting a wetland if the wetland conversion was completed, as determined by NRCS, before February 7, 2014; or

(2) Planting or producing an agricultural commodity on a converted wetland if the wetland conversion was completed, as determined by NRCS, before February 7, 2014.

(f) Exemption for wetland conversion that impacts less than 5 acres. The following exemption is for wetland conversion that impacts less than 5 acres of an entire farm:

(1) In lieu of ineligibility for Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) due to a wetland conversion violation or concurrent with a planned wetland conversion occurring after
February 7, 2014, a person may, if approved by NRCS, pay a contribution to NRCS in an amount equal to 150 percent of the cost of mitigating the converted wetland, as determined by NRCS.

(2) A person is limited to only one exemption, as determined by NRCS, described in paragraph (f)(1) of this section per farm.

(3) NRCS will not refund this payment even if the person later conducts actions which will mitigate the earlier conversion.

(g) Exemption for wetland conversion when a policy or plan of insurance is available to a person for the first time. The following exemption is for wetland conversion when a policy or plan of insurance is available to the person for the first time.

(1) When a policy or plan of insurance that provides coverage for an agricultural commodity is available to the person, including as a person who is a substantial beneficial interest holder, for the first time after February 7, 2014, as determined by RMA, ineligibility for Federal crop insurance premium subsidies for such policy or plan of insurance due to a wetland conversion violation will only apply to wetland conversions that are completed, as determined by NRCS, after the date the policy or plan of insurance first becomes available to the person.

(2) The exemption described in paragraph (g)(1) of this section:

(i) Applies only to the policy or plan of insurance that becomes available to the person for the first time after February 7, 2014, as determined by RMA;

(ii) Does not exempt or otherwise negate the person’s ineligibility for Federal crop insurance premium subsidies for any other policy or plan of insurance; and

(iii) Applies only if the person takes steps necessary, as determined by NRCS, to mitigate all wetlands converted after February 7, 2014, in a timely manner, as determined by NRCS, but not to exceed 2 reinsurance years.

(3) For the purposes of the paragraph (g)(1) of this section:

(i) A policy or plan of insurance is considered to have been available to the person after February 7, 2014, if, after February 7, 2014, in any county in which the person had any interest in any acreage, including as a person who is a substantial beneficial interest holder:

(A) There was a policy or plan of insurance available on the county actuarial documents that provided coverage for the agricultural commodity; or

(B) The person obtained a written agreement to insure the agricultural commodity in any county; and

(ii) Changing, adding, or removing options, endorsements, or coverage to an existing policy or plan of insurance will not be considered as a policy or plan of insurance being available for the first time to a person.

(h) Wetland conversion mitigation exemption. Unless another exemption applies, the following exemption provides additional time to mitigate wetland conversions.

(1) A person determined to be in violation of the provisions of this part due to a wetland conversion occurring after February 7, 2014, will have 1 reinsurance year after the final determination of violation, including all administrative appeals, as determined by NRCS, to initiate a mitigation plan to remedy the violation, as determined by NRCS, before becoming ineligible for Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524.). For example, if in May 2017, after NRCS has determined that a person is in violation for converting a wetland and the person has exhausted all administrative appeals, the person will have until June 30, 2018, to initiate a mitigation plan to remedy the violation before becoming ineligible for Federal crop insurance premium subsidies for the 2019 reinsurance year.

(2) Notwithstanding paragraph (h)(1) of this section, if a person determined to be in violation of the provisions of this part due to a wetland conversion occurring after February 7, 2014, as determined by NRCS, and is subject to the provisions of this part for the first time solely due to section 2611(b) of the Agricultural Act of 2014, such person will have 2 reinsurance years after the final determination of violation, including all administrative appeals, as determined by NRCS, to implement all practices in a mitigation plan.
plan to remedy the violation, as determined by NRCS, before becoming ineligible for Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524).

(3) Administrative appeals include appeals made in accordance with §12.12 and part 11 of this title, but do not include any judicial review or appeal, or any other legal action.

(i) Good faith exemption. The following is a good faith exemption for wetland conservation:

(1) A person determined by FSA or NRCS to be in violation, including all administrative appeals, of the provisions of this part due to converting a wetland after February 7, 2014, or producing an agricultural commodity on a wetland that was converted after February 7, 2014, may regain eligibility for Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) if all of the following criteria are met:

(i) FSA determines that such person acted in good faith and without the intent to violate the wetland conservation provisions of this part;

(ii) NRCS determines that the person is implementing all practices in a mitigation plan to remedy or mitigate the violation within an agreed-to period, not to exceed 2 reinsurance years; and

(iii) The good faith determination of the FSA county or State committee has been reviewed and approved by the applicable State Executive Director, with the technical concurrence of the State Conservationist; or District Director, with the technical concurrence of the area conservationist.

(2) In determining whether a person acted in good faith under paragraph (i)(1)(i) of this section, FSA will consider such factors as whether:

(i) The characteristics of the site were such that the person should have been aware that a wetland existed on the subject land;

(ii) NRCS had informed the person about the existence of a wetland on the subject land;

(iii) The person has a record of violating the wetland provisions of this part or other Federal, State, or local wetland provisions; or

(iv) There exists other information that demonstrates the person acted with the intent to violate the wetland conservation provisions of this part.

(3) After the requirements of paragraph (i)(1) of this section are met, FSA may waive applying the ineligibility provisions of this section to allow the person to implement the mitigation plan approved by NRCS.

(j) Landlord and Tenant wetland violations relief. The following provides landlord and tenant relief for wetland violations:

(1) Except as provided in (j)(2) of this section, the ineligibility of a tenant or sharecropper for Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) will, in lieu of ineligibility for premium subsidy, result in a reduction in the amount of premium subsidy paid by FCIC on all policies and plans of insurance for the landlord.

(i) The percentage reduction will be determined by comparing the total number of cropland acres on the farm on which the violation occurred to the total number of cropland acres on all farms in which landlord has an interest, as determined by FSA.

(ii) The farms and cropland acres used to determine the premium subsidy reduction percentage will be the farms and cropland acres of the landlord for the reinsurance year in which the tenant or sharecropper is determined ineligible.

(iii) The percentage reduction will be applied to all policies and plans of insurance of the landlord in the reinsurance year subsequent to the reinsurance year in which the tenant or sharecropper is determined ineligible.

(iv) If the landlord and tenant or sharecropper are insured under the same policy, the landlord will be ineligible for premium subsidy on that policy in lieu of a percentage reduction on that policy.

(2) A landlord will be ineligible for the premium subsidy on all policies and plans of insurance in the reinsurance year subsequent to the reinsurance year in which the tenant or sharecropper is determined ineligible if the
production of an agricultural commodity on a converted wetland by the landlord’s tenant or sharecropper is required under the terms and conditions of the agreement between the landlord and such tenant or sharecropper and such agreement was entered into after February 7, 2014, or if the landlord has acquiesced in such activities by the tenant or sharecropper.

(3) If all the requirements in paragraph (j)(4) of this section are met, in lieu of ineligibility for Federal crop insurance premium subsidies for all policies or plans of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) for producing or planting an agricultural commodity on a wetland converted after February 7, 2014, the premium subsidy on all policies and plans of insurance of the ineligible tenant or sharecropper will be reduced.

(i) The percentage reduction will be determined by comparing the total number of cropland acres on the farm on which the violation occurred to the total number of cropland acres on all farms in which tenant or sharecropper has an interest, as determined by FSA.

(ii) The farms and cropland acres used to determine the premium subsidy reduction percentage will be the farms and cropland acres of the tenant or sharecropper for the reinsurance year in which the tenant or sharecropper is determined ineligible.

(iii) The percentage reduction will be applied to all policies and plans of insurance of the tenant or sharecropper in the reinsurance year subsequent to the reinsurance year in which the tenant or sharecropper is determined ineligible.

(iv) If the landlord and tenant or sharecropper are insured under the same policy, the tenant or sharecropper will be ineligible for premium subsidy on that policy in lieu of a percentage reduction on that policy.

(4) The provisions of paragraph (j)(3) of this section will not apply unless all the following are met:

(i) The tenant or sharecropper shows that a good-faith effort was made to comply by developing a plan, approved by NRCS, for the restoration or mitigation of the converted wetland in a timely manner and prior to any violation;

(ii) The owner of such farm refuses to apply such a plan and prevents the tenant or sharecropper from implementing the approved plan;

(iii) FSA determines the lack of compliance is not a part of a scheme or device as described in §12.10; and

(iv) The tenant or sharecropper actively applies the practices and measures of the approved plan that are within their control.

(k) Evaluation of certification. NRCS will evaluate the certification in a timely manner.

(1) A person who properly completes, signs, and files Form AD–1026, or successor form, with FSA certifying compliance with the provisions of this part will be eligible for Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) during the period of time such certification is being evaluated by NRCS, if an evaluation is required.

(2) A person will not be ineligible for Federal crop insurance premium subsidies for a policy or plan of insurance under the Federal Crop Insurance Act (7 U.S.C. 1501–1524) if:

(i) NRCS fails to complete a required evaluation of the person’s Form AD–1026, or successor form in a timely manner after all documentation has been provided to NRCS; and

(ii) The person is subsequently determined to have been in violation of the provisions of this part during the time NRCS was completing the evaluation.

(3) The relief from ineligibility provided in paragraph (k)(2) of this section:

(i) Applies only to violations that occurred prior to or during the time NRCS is completing the required evaluation;

(ii) Does not apply to any violations that occur subsequent to NRCS completing the evaluation;

(iii) Does not apply if FSA or NRCS determines the person employed, adopted, or participated in employing or adopting a scheme or device, as provided in §12.10, to evade the provisions of this part or to become eligible for the relief provided in paragraph (k)(2) of this section; and
(iv) Does not apply if the required evaluation is delayed due to unfavorable site conditions for the evaluation of soils, hydrology, or vegetation.

(1) **Failing to notify FSA of a change.** Requirements to pay equitable contribution for failing to notify FSA of a change are as follows.

A person who fails to notify FSA of any change that could alter their status as compliant with the provisions of this part and is subsequently determined, by FSA or NRCS, to have committed a violation of the wetland conservation provisions of this part after February 7, 2014, will be required to pay to NRCS an equitable contribution.

(2) The amount of equitable contribution will be determined by NRCS, but will not exceed the total amount of Federal crop insurance premium subsidy paid by FCIC on behalf of the person for all policies and plans of insurance for all years in which the person is determined to have been in violation.

(3) A person who fails to pay the full equitable contribution amount by the due date determined by NRCS will be ineligible for Federal crop insurance premium subsidy on any policy or plan of insurance beginning with the subsequent reinsurance year. The person will be ineligible for Federal crop insurance premium subsidy for the entire reinsurance year even if full payment of the equitable contribution amount is received by NRCS during the reinsurance year.

**Subpart B—Highly Erodible Land Conservation**

§ 12.20 NRCS responsibilities regarding highly erodible land.

In implementing the provisions of this part, NRCS shall, to the extent practicable:

(a) Develop and maintain criteria for identifying highly erodible lands;

(b) Prepare and make available to the public lists of highly erodible soil map units;

(c) Make soil surveys for purposes of identifying highly erodible land; and

(d) Provide technical guidance to conservation districts which approve conservation plans and systems, in consultation with local county FSA committees, for the purposes of this part.

§ 12.21 Identification of highly erodible lands criteria.

(a) **Basis for identification as highly erodible.** Soil map units and an erodibility index will be used as the basis for identifying highly erodible land. The erodibility index for a soil is determined by dividing the potential average annual rate of erosion for each soil by its predetermined soil loss tolerance (T) value. The T value represents the maximum annual rate of soil erosion that could occur without causing a decline in long-term productivity. The equation for measuring erosion is described below.

(1) The potential average annual rate of sheet and rill erosion is estimated by multiplying the following factors of the Universal Soil Loss Equation (USLE):

(i) Rainfall and runoff (R);

(ii) The degree to which the soil resists water erosion (K); and

(iii) The function (LS), which includes the effects of slope length (L) and steepness (S).

(2) The potential average annual rate of wind erosion is estimated by multiplying the following factors of the Wind Erosion Equation (WEQ): Climatic characterization of windspeed and surface soil moisture (C) and the degree to which soil resists wind erosion (I).

(3) The USLE is explained in the U.S. Department of Agriculture Handbook 537, “Predicting Rainfall Erosion Losses.” The WEQ is explained in the paper by Woodruff, N.P., and F. H. Siddaway, 1965, “A Wind Erosion Equation,” Soil Science Society of America Proceedings, Vol. 29, No. 5, pages 602-608. Values for all the factors used in these equations are contained in the NRCS field office technical guide and the references which are a part of the guide. The Universal Soil Loss Equation, the Revised Universal Soil Loss Equation, and the Wind Erosion Equation and the rules under which NRCS
§ 12.22 Highly erodible field determination criteria.

(a) Predominance. Highly erodible land shall be considered to be predominant on a field if either:

(1) 33.33 percent or more of the total field acreage is identified as soil map units which are highly erodible; or

(2) 50 or more acres in such field are identified as soil map units which are highly erodible.

(b) Modification of field boundaries. A person may request the modification of field boundaries for the purpose of excluding highly erodible land from a field. Such a request must be submitted to, and is subject to the approval of, FSA. FSA shall use the technical determination of NRCS in approving this request.

(c) Impact of changing field boundaries. When field boundaries are changed to include areas of land that were included in a field that was previously determined to be predominately highly erodible according to paragraph (a) of this section, such areas shall continue to be subject to the requirements for predominately highly erodible fields, except as provided in paragraph (b) of this section.

(d) Small area of noncropland. Small areas of noncropland within or adjacent to the boundaries of existing highly erodible crop fields such as abandoned farmsteads, areas around filled or capped wells, rock piles, trees, or brush which are converted to cropland are considered to meet the requirement of §12.5(a)(2) if they are included in an approved conservation plan for the entire highly erodible field.

§ 12.23 Conservation plans and conservation systems.

(a) Use of field office technical guide. A conservation plan or conservation system developed for the purpose of §12.5(a) must be based on, and to the extent practicable conform with, the NRCS field office technical guide in use at the time the plan is developed or revised. For highly erodible croplands which were used to produce agricultural commodities prior to December 23, 1985, the applicable conservation systems in the field office technical guide are designed to achieve substantial reductions in soil erosion. Conservation systems shall be technically and economically feasible; based on local resource conditions and available conservation technology; cost-effective; and shall not cause undue economic hardship on the person applying the conservation system. Any conservation plans or systems that were approved prior to July 3, 1996, are deemed to be in compliance with this paragraph.

(b) Substantial reduction in soil erosion. For the purpose of determining whether there is a substantial reduction in soil erosion on a field containing highly erodible cropland which was used to produce an agricultural commodity prior to December 23, 1985, the measurement of erosion reduction achieved by applying a conservation plan or system shall be based on a comparison of the estimated annual level of erosion that is expected to occur on that portion of the field for which a conservation plan or system was developed and is being applied, to the estimated annual level of erosion that existed on that same portion of the field before the application of a conservation plan or system. On a field that is converted from native vegetation after July 3, 1996, and where any crop production will result in increased erosion, in no
Office of the Secretary, USDA

§ 12.23

Case will the required conservation plan or system permit a substantial increase in erosion.

(c) Field trials. NRCS may allow a person to include in the person's conservation plan or a conservation system under the plan, on a field-trial basis, practices that are not currently approved but that NRCS considers have a reasonable likelihood of success. These trials must have prior approval by NRCS, and must be documented in the person's conservation plan specifying the limited time period during which the field trial is in effect. If, at the end of the conservation field trial period, NRCS finds that the practice does not meet conservation compliance requirements, the person will not be ineligible for USDA program benefits during the period of the field trial.

(d) Highly erodible land previously under a Conservation Reserve Program contract. Any person who owns or operates highly erodible land that was under a Conservation Reserve Program contract as authorized by section 1231 of the Food Security Act of 1985, as amended, shall have 2 years after the expiration of termination of the contract to fully apply a conservation system if the conservation plan for such land requires the installation of structural measures for the production of an agricultural commodity. NRCS officials may extend this period one additional year for circumstances beyond the control of the person. The person shall not be required to meet a higher conservation standard than the standard applied to other highly erodible cropland located within the area served by the field office technical guide for the area in which the field is located.

(e) Information regarding conservation options. NRCS, in providing assistance to a person for the preparation or revision of a conservation plan under this part, will provide such person with information concerning cost-effective and applicable erosion control alternatives, crop flexibility, or other conservation assistance options that may be available.

(f) Timely request for assistance. Persons who require NRCS assistance for the development of a conservation plan or the installation of a conservation system are encouraged to request this assistance well in advance of deadline dates for compliance; otherwise the person may not be able to comply with these provisions and maintain eligibility for USDA program benefits.

(g) Action by conservation districts. Conservation districts approve or disapprove conservation plans or conservation systems after NRCS determines that the plans or systems conform to the NRCS field office technical guide. If a conservation district fails, without due cause, to act on a request for conservation plan or conservation system approval within 45 days, or if no conservation district exists, NRCS will approve or disapprove, as appropriate, the conservation plan or system in question.

(h) Application of a conservation plan or system. A person is considered to be applying a conservation plan for purposes of §12.5(a) if the conservation system or plan being applied achieves or exceeds the substantial reduction in soil erosion as described in paragraph (b) which the conservation system or plan was designed to achieve. It is the responsibility of the person to:

(1) Certify that the conservation plan or system is being applied; and

(2) Arrange for a revision of the conservation plan with NRCS, if changes are made in land use, crop rotation or management, conservation practices, or in the original schedule of practice installation that would affect the achievement of substantial reduction in soil erosion in a given crop year.

(i) Appeal to FSA. Persons who are adversely affected by the determinations made under this subpart and believe that the requirements of this subpart were improperly applied may appeal the decision to FSA under §12.12.

(j) Undue economic hardship. After a technical determination has been made, the FSA county committee shall, if a person asserts that the application of the person's conservation system would impose an undue economic hardship on the person, make a recommendation to the State FSA Committee as to whether or not the application of the conservation system would impose an undue economic hardship. The State FSA Committee may provide the person with a variance on the basis of the hardship. Under this...
variance, and any conditions that may be required in the variance, the person will be considered to be in compliance with the applicable provisions of this part. The State FSA Committee will consider relevant factors, such as the cost of installation of required conservation practices and benefits earned through programs subject to compliance with this part, and the person's general economic situation.

Subpart C—Wetland Conservation

§ 12.30 NRCS responsibilities regarding wetlands.

(a) Technical and coordination responsibilities. In carrying out the provisions of this part, NRCS shall:

(1) Oversee the development and application of criteria to identify hydric soils in consultation with the National Technical Committee for Hydric Soils and make available to the public an approved county list of hydric soil map units, which is based upon the National List of Hydric Soils;

(2) Coordinate with the U.S. Fish and Wildlife Service and others in updating the National List of Plant Species that Occur in Wetlands;

(3) Make or approve wetland determinations, delineations and certifications, functional assessments, mitigation plans, categorical minimal effects, and other technical determinations relative to the implementation of the wetland conservation provisions of this part;

(4) Develop and utilize off-site and on-site wetland identification procedures;

(5) Assure quality of service and determinations through procedures developed by NRCS in consultation with other Federal agencies that have wetland responsibilities;

(6) Investigate complaints and make technical determinations regarding potential violations;

(7) Develop a process at the state level, in coordination with the U.S. Fish and Wildlife Service, to ensure that these provisions are carried out in a technically defensible and timely manner, seek assistance as appropriate, and annually review the progress being made on implementation; and

(b) Technical assistance from others. In carrying out the provisions of this part, NRCS may request technical assistance from the U.S. Fish and Wildlife Service, State or local agencies, conservation districts, or qualified private entities when NRCS determines that additional staff resources or technical expertise are needed to address adequately the requirements of this part or to enhance the quality of implementation of this part.

(c) Certification of wetland determinations and wetland delineations. (1) Certification of a wetland determination means that the wetland determination is of sufficient quality to make a determination of ineligible for program benefits under §12.4 of this part. NRCS may certify a wetland determination without making a field investigation. NRCS will notify the person affected by the certification and provide an opportunity to appeal the certification prior to the certification becoming final. All wetland determinations made after July 3, 1996, will be done on a tract basis and will be considered certified wetland determinations. A not-inventoried designation within a certified wetland is subject to change when the soil, hydrology, and vegetation evaluation is completed and identified as to type of wetland or as a non-wetland. This change from a not-inventoried designation to an approved wetland designation will be done at the request of the landowner or during a formal investigation of a potential violation.

(2) The wetland determination and wetland delineation shall be certified as final by the NRCS official 30 days after providing the person notice of certification, or, if an appeal is filed with USDA, after the administrative appeal procedures are exhausted.

(3) In the case of an appeal, NRCS will review and certify the accuracy of the determination of all lands subject to the appeal to ensure that the subject lands have been accurately delineated. Prior to a decision being rendered on the appeal, NRCS will conduct an on-site investigation of the subject land.

(4) Before any benefits are withheld, an on-site investigation of a potential wetland violation will be made by
NRCS. The affected person will be provided an opportunity to appeal the on-site determination to USDA if the on-site determination differs from the original determination. Such action by NRCS shall be considered a review of the prior determination and certification of the delineation. If the prior determination was a certified wetland determination, an appeal of the NRCS on-site determination shall be limited to the determination that the wetland was converted in violation of this part.

(5) A copy of the information from the final certified wetland determination and the wetland delineation shall be recorded on official USDA aerial photography, digital imagery, or other graphic representation of the area.

(6) As long as the affected person is in compliance with the wetland conservation provision of this part, and as long as the area is devoted to the use and management of the land for production of food, fiber, or horticultural crops, a certification made under this section will remain valid and in effect until such time as the person affected by the certification requests review of the certification by NRCS. A person may request review of a certification only if a natural event alters the topography or hydrology of the subject land to the extent that the final certification is no longer a reliable indication of site conditions, or if NRCS concurs with an affected person that an error exists in the current wetland determination.

§ 12.31 On-site wetland identification criteria.

(a) Hydric soils. (1) NRCS shall identify hydric soils through the use of published soil maps which reflect soil surveys completed by NRCS or through the use of on-site reviews. If a published soil map is unavailable for a given area, NRCS may use unpublished soil maps which were made according to the specifications of the National Cooperative Soil Survey or may conduct an on-site evaluation of the land.

(2) NRCS shall determine whether an area of a field or other parcel of land has a predominance of hydric soils that are inundated or saturated as follows:

(i) If a soil map unit has hydric soil as all or part of its name, that soil map unit or portion of the map unit related to the hydric soil shall be determined to have a predominance of hydric soils;

(ii) If a soil map unit is named for a miscellaneous area that meets the criteria for hydric soils (i.e., riverwash, playas, beaches, or water) the soil map unit shall be determined to have a predominance of hydric soils; or

(iii) If a soil map unit contains inclusions of hydric soils, that portion of the soil map unit identified as hydric soil shall be determined to have a predominance of hydric soils.

(3) List of hydric soils. (i) Hydric soils are those soils which meet criteria set forth in the publication “Hydric Soils of the United States 1985” which was developed by the National Technical Committee for Hydric Soils and which is incorporated by reference. This publication may be obtained upon request by writing NRCS at U.S. Department of Agriculture, P.O. Box 2890, Washington, DC 20013, and is available for inspection at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202–741–6030, or go to: http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html. Incorporation of this publication by reference was approved by the Director of the Federal Register on June 24, 1986. The materials are incorporated as they exist on the date of the approval and a notice of any change in these materials will be published in the Federal Register.

(ii) An official list of hydric soil map units shall be maintained at the local NRCS office and shall include—

(A) All soils from the National List of Hydric Soils that can be found in that field office area, and

(B) Any soil map units or areas which the state conservationist determines to meet such hydric soil criteria.

(iii) Any deletions of a hydric soil unit from the hydric soil map unit list must be made according to the established procedure contained in the publication “Hydric Soils of the United States 1985” for adding or deleting soils from the National List of Hydric Soils.
§ 12.31 Hydrophytic vegetation.

Hydrophytic vegetation consists of plants growing in water or in a substrate that is at least periodically deficient in oxygen during a growing season as a result of excessive water content.

(1) A plant shall be considered to be a plant species that occurs in wetland if such plant is listed in the National Wetland Plant List, or (as determined by NRCS) successor publication. The publication may be accessed at: http://rsgisias.crrel.usace.army.mil/NWPL/

(2) For the purposes of the definition of “wetland” in §12.2 of this part, land shall be determined to have a prevalence of hydrophytic vegetation if:

(i) NRCS determines through the criteria specified in paragraph (b)(3) of this section that under normal circumstances such land supports a prevalence of hydrophytic vegetation. The term “normal circumstances” refers to the soil and hydrologic conditions that are normally present, without regard to whether the vegetation has been removed; or

(ii) In the event the vegetation on such land has been altered or removed, NRCS will determine if a prevalence of hydrophytic vegetation typically exists in the local area on the same hydric soil map unit under non-altered hydrologic conditions.

(3) The determination of prevalence of hydrophytic vegetation will be made in accordance with the current Federal wetland delineation methodology in use by NRCS at the time of the determination.

(c) Mitigation wetlands. Notwithstanding the provisions of this section, wetlands which are created in order to mitigate the loss of other wetlands as a result of irrigation, recreation, municipal water, flood control, or other similar projects shall not be considered to be artificial wetland for the purposes of §12.5(b)(1)(vii)(A) of this part.

(d) Minimal effect determination. For the purposes of §12.5(b)(1)(v) of this part, NRCS shall determine whether the effect of any action of a person associated with the conversion of a wetland, the conversion of wetland and the production of an agricultural commodity on converted wetland, or the combined effect of the production of an agricultural commodity on a wetland converted by someone else has a minimal effect on the functions and values of wetlands in the area. Such determination shall be based upon a functional assessment of functions and values of the wetland under consideration and other related wetlands in the area, and will be made through an on-site evaluation. A request for such determination will be made prior to the beginning of activities that would convert the wetland. If a person has converted a wetland and then seeks a determination that the effect of such conversion on wetland was minimal, the burden will be upon the person to demonstrate to the satisfaction of NRCS that the effect was minimal.

The production of an agricultural commodity on any portion of a converted wetland in conformance with a minimal-effect determination by NRCS is exempt under §12.5(b)(1)(v) of this part. However, any additional action of a person that will change the functions and values of a wetland for which a minimal-effect determination has been made shall be reported to NRCS for a determination of whether the effect continues to be minimal. The loss of a minimal effect determination will cause a person who produces an agricultural commodity on the converted wetland after such change in status to be ineligible, under §12.4, for certain program benefits. In situations where the wetland values, acreage, and functions are replaced by the restoration, enhancement or creation of a wetland in accordance with a mitigation plan approved by NRCS, the exemption provided by the determination will be effective after NRCS determines that all practices in a mitigation plan are being implemented.

(e) Categorical Minimal Effect Exemptions. (1) The state conservationist, in consultation with the state technical committee established under 16 U.S.C. 3861, shall identify any categories of conversion activities and conditions which are routinely determined by NRCS to have minimal effect on wetland functions and values, as described in paragraph (d) of this section, and recommend to the Chief, NRCS, or a designee, inclusion on a list of categorical minimal effect exemptions.
Office of the Secretary, USDA

§ 12.33

(2) The Chief, or designee, shall evaluate the conversion practices recommended by the state conservationists in the region to ensure consistency across State and regional lines, and to determine whether any categories of conversion activities identified pursuant to paragraph (e)(1) of this section, if such activities were exempt from the ineligibility provisions of §12.4, would only have a minimal effect on wetland functions and values in a wetland system within the region.

(3) Any categories of conversion activities which meet the criteria of paragraph (e)(2) of this section will be published in the Federal Register for inclusion in this part and shall be exempt under §12.5(b)(1)(v) of this part.

(4) The NRCS local field office shall maintain a list of any activities and conditions which are determined by the Chief, or designee, exempt pursuant to this section and will provide the list to a person upon request.

§ 12.32 Converted wetland identification criteria.

(a) Converted wetland shall be identified by determining whether the wetland was altered so as to meet the definition of converted wetland. In making this determination, the following factors are to be considered:

(1) Where hydric soils have been used for production of an agricultural commodity and the effect of the drainage or other altering activity is not clearly discernible, NRCS will compare the site with other sites containing the same hydric soils in a natural condition to determine if the hydric soils can or cannot be used to produce an agricultural commodity under natural conditions. If the soil on the comparison site could not produce an agricultural commodity under natural conditions, the subject wetland will be considered to be converted wetland.

(2) Where woody hydrophytic vegetation has been removed from hydric soils for the purpose of or permitting the production of an agricultural commodity, the area will be considered to be converted wetland.

(b) A wetland shall not be considered to be converted if:

(1) Production of an agricultural commodity on such land is possible as a result of a natural condition, such as drought, and it is determined that the actions of the person producing such agricultural commodity does not permanently alter or destroy natural wetland characteristics. Destruction of herbaceous hydrophytic vegetation (i.e., plants other than woody shrubs or trees) as a result of the production of an agricultural commodity shall not be considered as altering or destroying natural wetland characteristic if such vegetation could return following cessation of the natural condition which made production of the agricultural commodity possible; or

(2) Such land is correctly identified as farmed wetland or farmed-wetland pasture.

§ 12.33 Use of wetland and converted wetland.

(a) The provisions of §12.32(b)(2) are intended to protect remaining values, acreage, and functions of the wetlands described therein. Persons may continue to farm such wetlands under natural conditions or as they did prior to December 23, 1985. However, no action can be taken to increase effects on the water regime beyond that which existed on such lands on or before December 23, 1985, unless NRCS determines the effect on losing remaining wetland values would be minimal under §12.5(b)(1)(v). If, after December 23, 1985, changes due to human activity occurred in the watershed and resulted in an increase in the water regime on a person’s land, the person may be allowed to adjust the existing drainage system to accommodate the increased water regime on the condition that the person affected by this additional water provides NRCS with appropriate documentation of the increased water regime, the causes thereof, and the planned changes in the existing drainage system. In order to maintain program eligibility, a person must provide sufficient documentation and receive approval from NRCS prior to making any changes that will have the effect of increasing the capacity of the existing drainage systems.
(b) Unless otherwise provided in this part, the production of an agricultural commodity on land determined by NRCS to be prior-converted cropland is exempted by law from these regulations for the area which was converted. Maintenance or improvement of drainage systems on prior-converted croplands are not subject to this rule so long as the prior-converted croplands are used for the production of food, forage, or fiber and as long as such actions do not alter the hydrology of nearby wetlands or do not make possible the production of an agricultural commodity on these other wetlands. Other wetlands under this section means any natural wetland, farmed wetland, farmed-wetland pasture, or any converted wetland that is not exempt under §12.5 of this part.

(c) Abandonment is the cessation for five consecutive years of management or maintenance operations related to the use of a farmed wetland or a farmed-wetland pasture. Unless the criteria for receiving an exemption under §12.5(b)(1)(iii) are met, such land is considered to be abandoned when the land meets the wetland criteria of §12.31. In order for documentation of site conditions to be considered adequate under §12.5(b)(1)(iii), the affected person must provide to NRCS available information concerning the extent of hydrological manipulation, the extent of woody vegetation, and the history of use. In accordance with §12.5(b)(1)(iii), participation in a USDA approved wetland restoration, set-aside, diverted acres, or similar programs shall not be deemed to constitute abandonment.

(d) The maintenance of the drainage capacity or any alteration or manipulation, including the maintenance of a natural waterway operated and maintained as a drainage outlet, that affects the circulation and flow of water made to a farmed wetland or farmed-wetland pasture would not cause a person to be determined to be ineligible under this part, provided that the maintenance does not exceed the scope and effect of the original alteration or manipulation, as determined by NRCS, and provided that the area is not abandoned. Any resultant conversion of wetlands is to be at the minimum extent practicable, as determined by NRCS.

PART 14—DETERMINING THE PRIMARY PURPOSE OF CERTAIN PAYMENTS FOR FEDERAL TAX PURPOSES

Sec.
14.1 Purpose.
14.2 Applicability.
14.3 Objective.
14.4 Policy.
14.5 Procedure.
14.6 Criteria for determining the primary purpose of payments with respect to potential exclusion from gross income.
14.7 Non-Federal programs and payments.

SOURCE: 45 FR 56507, Sept. 4, 1980, unless otherwise noted.

§ 14.1 Purpose.

(a) Part 14 sets forth criteria to be used by the Secretary of Agriculture in determining the primary purpose of certain payments received by persons under applicable programs. Determining the primary purpose for which applicable payments are made is one step toward the exclusion of all or part of the payments from gross income for Federal income tax purposes.

(b) The criteria set forth in part 14 apply only to the determinations to be made by the Secretary of Agriculture.

§ 14.2 Applicability.

(a) Part 14 applies only to payments received under the programs listed in paragraphs (a)(1) through (10) of this section. Payments received under programs not listed in paragraphs (a)(1) through (10) of this section, are not considered eligible for exclusion from gross income under this part.

(1) The rural clean water program authorized by section 208(j) of the Federal Water Pollution Control Act (33 U.S.C. 1288(j)).

(2) The rural abandoned mine program authorized by section 406 of the
§ 14.5 Procedure.

(a) The portion of an applicable payment that may be excluded from gross income under part 14 shall be that portion or all, as appropriate, that—

(1) Is determined to be made primarily for the purpose of conserving soil and water resources, protecting or restoring the environment, improving forests, or providing wildlife habitat; and

(2) Is determined by the Secretary of the Treasury as not increasing substantially the annual income derived from the property associated with the payment.

(b) Primary purpose means the principal, fundamental, predominant, or independent objective for which a payment is made. The following shall be considered in determining the primary purpose of a payment:

(1) Single-purpose payments shall be considered as having that purpose as their primary purpose.

(2) Multiple-purpose payments. If a payment is made for several purposes, it may be considered as having soil and water conservation, environmental protection or restoration, forestry improvement, or providing wildlife habitat as its primary purpose to the extent of the portion of the payment that is made for one or more of such purposes.

(3) Where a purpose of a payment, or portion thereof, is in doubt, the following sources should be considered—

(i) Authorizing legislation, legislative history, administrative regulation, administrative history, interpretive...
§ 14.6 Criteria for determining the primary purpose of payments with respect to potential exclusion from gross income.

(a) Soil conservation. (1) Payments shall be considered to be made primarily for the purpose of soil conservation if they are intended to finance activities, measures, or practices to reduce soil deterioration.

(2) Soil deterioration refers to impairments of the physical or chemical properties of soil that are largely irreversible and that can be expected to result in a long-term or permanent reduction in the productive capacity of the resource regardless of the level of technology available or applied. Erosion by water and wind and the associated changes that result in permanent or long-term reductions in the productive capacity of the soil are forms of soil deterioration.

(b) Water conservation. (1) Water conservation includes actions that, for a given level of water supply, reduce the demand for or use of water by—

(i) Improving efficiency in use;

(ii) Reducing loss and waste;

(iii) Increasing the recycling or reuse of water, thereby making existing supplies available for other current or future uses; or

(iv) Improving land management practices for the purpose of reducing water use, loss, waste, increasing the efficiency of water use, or increasing the recycling or reuse of water.

(2) Payments shall be considered to be made primarily for the purpose of water conservation if they are intended to finance actions, measures, or practices that can be expected to result in water conservation as defined in paragraph b(1) of this section.

(c) Protecting the environment. (1) Payments shall be considered to be made primarily for the purpose of protecting the environment if they are intended to finance actions, measures, or practices undertaken to prevent man-caused or man-induced reductions or degradations in the quantity or quality of the natural external or extrinsic conditions directly or indirectly affecting people.

(2) External or extrinsic conditions refer to the complex of natural conditions or circumstances, including but not limited to those affecting public health and safety, in which people reside or otherwise carry out their lives.

(d) Restoring the environment. (1) Payments shall be considered to be made primarily for the purpose of restoring the environment if they are intended to finance actions, measures, or practices undertaken to reestablish, return, or enhance the quantity or quality of the natural external or extrinsic conditions directly or indirectly affecting people that existed before the man-caused or man-induced degradation.

(2) External or extrinsic conditions have the same meaning with respect to restoring the environment as they do for protecting the environment.

(e) Improving forests. (1) Payments shall be considered to be made primarily for the purpose of improving forests if they are intended to finance actions, measures, or practices undertaken for the direct or indirect conservation or enhancement of the quantity or quality of timber resources.

(2) Improving forests includes the generation and regeneration of timber stands as well as the silvicultural improvement of such timber stands but excludes harvest cuttings not undertaken primarily for silvicultural improvement.

(f) Providing habitat for wildlife. (1) Payments shall be considered to be made primarily for the purpose of providing habitat for wildlife if they are intended to finance actions, measures, or practices leading directly to the establishment of those physical and biological conditions or resources that can be expected to support primarily non-cultivated and nondomesticated animal and plant life. The animal and plant life must be of value to the public in their natural state apart from any value that may be realized from them as private economic gain.
(2) Wildlife includes but is not limited to species of terrestrial or aquatic animals and plants.

(3) Habitat includes, but is not limited to, the food supply, water supply, and nesting and escape cover necessary to support populations of wildlife species. Included in the definition of wildlife habitat are domestic crops raised for the primary purpose of providing food supply or cover for specific wildlife species.

§ 14.7 Non-Federal programs and payments.

(a) Definition of non-Federal programs. Non-Federal program means any program of a State, a possession of the United States, a political subdivision of any State or possession of the United States, the District of Columbia, or a combination of any of the foregoing.

(b) Applicability. Payments received through non-Federal programs under which payments are made primarily for the purpose of conserving soil and water resources, protecting or restoring the environment, improving forests, or providing a habitat for wildlife may be considered for exclusion from gross income under part 14.

(c) Determining the primary purpose of non-Federal payments. The determination of the primary purpose for which non-Federal payments are made with respect to their potential for exclusion from gross income shall be made by using the criteria set forth in part 14 for determining the primary purpose of Federal payments.

(d) Procedure for determining the primary purpose of payments made under non-Federal programs. (1) To initiate the process of determining the applicability of this part to payments received through non-Federal programs and the primary purpose of the payments for potential exclusion from gross income, the non-Federal official responsible for the program through which the payments are made should provide six copies of the following materials relating to the program to the Secretary of Agriculture—

(i) Authorizing legislation;

(ii) Rules or regulations;

(iii) Current policies and procedures under which payments are made and used;

(iv) A description of all practices or measures for which payments are made and used; and

(v) Any other information that may be helpful in determining the purpose for which payments, or portions thereof, are made and used.

(2) Any changes in the supporting documentation listed in paragraphs (d)(1)(i) through (d)(1)(iv) of this section, should be reported to the Secretary within 30 days of the date they become final.

§ 15.1

Purpose and application of part.
(a) The purpose of the regulations in this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereinafter referred to as the “Act”) to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity of an applicant or recipient receiving Federal financial assistance from the Department of Agriculture or any Agency thereof.

(b) The regulations in this part apply to any program or activity of an applicant or recipient for which Federal financial assistance is authorized under a law administered by the Department including, but not limited to, the Federal financial assistance listed in the appendix to this part. They apply to money paid, property transferred, or other Federal financial assistance extended to an applicant or recipient for its program or activity after the effective date of these regulations pursuant to an application approved or statutory or other provision made therefor prior to such effective date. The regulations in this part do not apply to (1) any Federal financial assistance by way of insurance or guaranty contract, (2) money paid, property transferred, or other assistance extended prior to the effective date of the regulations in this part, (3) any assistance to an applicant or recipient who is an ultimate beneficiary, or (4) except as provided in §15.3(c), any employment practice of any employer, employment agency or labor organization. The fact that a specific kind of Federal financial assistance is not listed in the appendix, shall...
not mean, if title VI of the Act is otherwise applicable, that such Federal financial assistance is not covered. Other Federal financial assistance under statutes now in force or hereinafter enacted may be added to this list by notice approved and issued by the Secretary and published in the Federal Register.

§ 15.2 Definitions.

(a) Department means the Department of Agriculture, and includes each of its operating agencies and other organizational units.

(b) Agency means any service, bureau, agency, office, administration, instrumentality of or corporation within the U.S. Department of Agriculture extending Federal financial assistance to any program or activity, or any officer or employee of the Department to whom the Secretary delegates authority to carry out any of the functions or responsibilities of an agency under this part.

(c) Secretary means the Secretary of Agriculture or any officer or employee of the Department to whom the Secretary has herefore delegated, or to whom the Secretary may hereafter delegate, the authority to act in his stead under the regulations in this part.

(d) Hearing Officer means a hearing examiner appointed pursuant to 5 U.S.C. 3105, and designated to hold hearings under the regulations in this part or any person authorized to hold a hearing and make a final decision under the regulations in this part.

(e) Recipient means any State, political subdivision of any State, or instrumentality of any State or political subdivision, any public or private agency, institution, or organization, or other entity or any individual in any State, to whom Federal financial assistance is extended, directly or through another recipient, including any successor, assignee, or transferee thereof, but such term does not include any ultimate beneficiary.

(f) Primary recipient includes any recipient which is authorized or required to extend Federal financial assistance to another recipient.

(g) Federal financial assistance or financial assistance includes (1) grants and loans of Federal funds, (2) the grant or donation of Federal property and interests in property, (3) the detail of Federal personnel, (4) the sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in such property or the furnishing of services without consideration or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by such sale, lease or furnishing of services to the recipient, and (5) any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance.

(h) Grant, loan or contract includes any grant, loan agreement or commitment to loan, contract or agreement to provide financial assistance or any other arrangement between the Department or any Agency and a recipient of financial assistance.

(i) United States means the States of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam,Wake Island, the Canal Zone, and the territories and possessions of the United States, and the term State means any one of the foregoing.

(j) Applicant means one who submits an application, request, or plan required to be approved by an Agency, or by a primary recipient, as a condition to eligibility for Federal financial assistance, and application means such an application, request, or plan.

(k) Program or activity and program mean all of the operations of any entity described in paragraphs (k)(1) through (4) of this section, any part of which is extended Federal financial assistance:

(1)(i) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or

(ii) The entity of such State or local government that distributes such assistance and each such department or agency (and each other State or local
§ 15.3 Discrimination prohibited.

(a) General. No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity if the applicant or recipient to which these regulations apply. These regulations apply, but are not restricted, to unequal treatment in priority, quality, quantity, methods or charges for service, use, occupancy or benefit, participation in the service or benefit available, or in the use, occupancy or benefit of any structure, facility, or improvement.

(b) Specific discriminatory actions prohibited. (1) A recipient under any program to which the regulations in this part apply may not, directly or through contractual or other arrangements on the ground of race, color, or national origin:

(i) Deny an individual any service, financial aid, or other benefit provided under the program;

(ii) Provide any service, financial aid, or other benefit, to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;

(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege, enjoyed by others receiving any service, financial aid, or other benefit under the program;

(v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit under the program;

(vi) Deny an individual an opportunity to participate in the program through the provisions of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee but only to the extent set forth in paragraph (c) of this section).

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program or the class of individuals to be...
afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing the accomplishment of the objectives of the program as respects individuals of a particular race, color, or national origin.

(3) In determining the site or location of facilities, an applicant or recipient may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any of its programs or activities to which the regulations in this part apply, on the grounds of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act and the regulations in this part.

(4) As used in this section, the services, financial aid, or other benefit provided under a program or activity of an applicant or recipient receiving Federal financial assistance shall be deemed to include any and all services, financial aid, or other benefit provided in or through a facility provided or improved in whole or part with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in these regulations does not limit the applicability of the provisions of paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color or national origin.

(c) Employment practices. Where a primary objective of the Federal financial assistance to a program to which the regulations in this part apply is to provide employment, a recipient may not, directly or through contractual or other arrangements, subject an individual to discrimination on the ground of race, color, or national origin in its employment practices under the program including recruitment or recruitment advertising, employment, layoff or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities. This paragraph applies to programs where a primary objective of the Federal financial assistance is (1) to reduce unemployment, (2) to assist individuals in meeting expenses incident to the commencement or continuation of their education or training, or (3) to provide work experience which contributes to education or training. Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the grounds of race, color, or national origin in the employment practices of the recipient or other persons subject to the regulations in this part, tends, on the grounds of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity of the applicant or recipient to which these regulations apply, the foregoing provisions of this §15.3(c) shall apply to the employment practices of the recipient or other persons subject to these regulations, to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of, beneficiaries. The requirements applicable to construction employment under any program or activity of the applicant or recipient shall be those specified in or pursuant to part III of Executive Order 11246 or any Executive order which supersedes it.

(a) General. (1) Every application for Federal financial assistance to which these regulations apply, except an application to which paragraph (b) of this section applies, and every application for Federal financial assistance to provide a facility, shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the applicant’s program or activity will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to the Act and the regulations in this part. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein, or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for the purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services and benefits or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases, the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application.

(2) In the case of real property, structures, or improvements thereon, or interests therein, which was acquired through Federal financial assistance, or in the case where Federal financial assistance is provided in the form of a transfer of real property or interest therein from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. Where no transfer of property is involved, but property is
improved through Federal financial assistance, the recipient shall agree to include such a covenant in any subsequent transfer of such property. Where the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by the Agency to revert title to the property in the event of a breach of the covenant where, in the discretion of the Agency concerned, such a condition and right of reverter is appropriate to the purposes of the Federal financial assistance under which the real property is obtained and to the nature of the grant and the grantee. In such event, if a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on such property for the purposes for which the property was transferred, the Agency may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as it deems appropriate to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

(c) Assurances from institutions. The assurance required with respect to an institution of higher education, or any other institution, insofar as the assurance relates to the institution’s practices with respect to admission or other treatment of individuals or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution.

(d) Recipients other than applicants. Each recipient not required to submit an application for Federal financial assistance, shall furnish, as a condition to the extension of any such assistance, an assurance or statement as is required of applicants under paragraphs (a), (b)(1) and (2) of this section.

(e) Elementary and secondary schools. The requirements of paragraphs (a), (b), or (d) of this section with respect to any elementary or secondary school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible official of the Department of Health, Education, and Welfare determines is adequate to accomplish the purposes of the Act and this part, and provides reasonable assurance that it will carry out such plan; in any case of continuing Federal financial assistance the said responsible official of the Department of Health, Education, and Welfare may reserve the right to redetermine, after such period as may be specified by him, the adequacy of the plan to accomplish the purposes of the Act and this part within the earliest practical time. In any case in which a final order of a court of the United States for the desegregation of such school or school system...
§ 15.5 Compliance.

(a) Cooperation and assistance. Each Agency shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with the regulations and this part and shall provide assistance and guidance to recipients to help them comply voluntarily with the regulations in this part. As a normal part of the administration of Federal financial assistance covered by the regulations in this part, designated personnel will in their reviews and other activities or as specifically directed by the Agency, review the activities of recipients to determine whether they are complying with the regulations in this part. Reports by such personnel shall include statements regarding compliance and instances, if any, of noncompliance. In the event of noncompliance, the Agency shall seek to secure voluntary compliance by all appropriate means.

(b) Compliance reports. Each recipient shall keep such records and submit to the Agency timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the Agency may determine to be necessary to ascertain compliance with the regulations in this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of the regulations in this part and their applicability to the program for Federal statutes, authorities, or other means by which Federal financial assistance is extended and which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the Department or its Agencies finds necessary to apprise such persons of the protections against discrimination assured them by the Act and the regulations in this part.

§ 15.6 Complaints.

Any person who believes himself/herself or any specific class of individuals to be subjected to discrimination prohibited by the regulations in this part may by himself/herself or by an authorized representative file with the Secretary or any Agency a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the Agency or the Secretary. Such complaint shall be promptly referred to the Assistant Secretary for Civil Rights. The complaint shall be investigated in the manner determined by the Assistant Secretary for Civil Rights and such further action taken by the Agency or the Secretary as may be warranted.
§ 15.7 Intimidatory or retaliatory acts prohibited.

No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or the regulations in this part, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under the regulations in this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of the regulations in this part, including the conduct of any hearing or judicial proceeding arising thereunder.

§ 15.8 Procedure for effecting compliance.

(a) General. If there appears to be a failure or threatened failure to comply with the regulations in this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with the regulations in this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, upon a finding, in accordance with the procedure hereinafter prescribed, or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) Noncompliance with § 15.4. If an applicant fails or refuses to furnish an assurance required under § 15.4 or otherwise fails or refuses to comply with the requirements imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of the regulations in this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. No order suspending, terminating, or refusing to grant or to continue Federal financial assistance shall become effective until (1) the Agency has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with the requirement imposed by or pursuant to the regulations in this part, (3) the action has been approved by the Secretary pursuant to § 15.10(e), and (4) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate, having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) Other means authorized by law. No action to effect compliance by any other means authorized by law shall be taken until (1) the Secretary has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least ten days from the mailing of such notice to the recipient or other person. During this period of at least ten days, additional efforts shall be made to persuade the recipient or other person to comply with the regulations in this part and to take such corrective action as may be appropriate.
§ 15.9 Hearings.

(a) Opportunity for hearing. Whenever an opportunity for a hearing is required under the regulations in this part, reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the Secretary or the Agency that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this subsection or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and the regulations in this part and consent to the making of a decision on the basis of such information as is available.

(b) Time and place of hearing. Hearings shall be held at the offices of the Department in Washington, DC, at a time fixed by the hearing officer or by the Secretary unless it is determined that the convenience of the applicant or recipient or of the Department requires that another place be selected. Hearings shall be held before a hearing officer.

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and the Department shall have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554–557, and in accordance with such rules of procedure promulgated by the Secretary as not inconsistent with this section, relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department, and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the hearing officer conducting the hearing at the outset or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to these regulations in this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the hearing officer. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) Consolidated or joint hearings. In cases in which the same or related facts are asserted to constitute noncompliance with these regulations with respect to two or more to which the regulations in this part apply, or noncompliance with the regulations in this part and the regulations of one or more other Federal Departments or Agencies issued under title VI of the Act, the Secretary may, by agreement with such other Departments or Agencies, where applicable provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedure not inconsistent with the regulations in this part. Final decisions in such cases, insofar as the regulations in this part are
concerned, shall be made in accordance with §15.10.

§15.10 Decisions and notices.

(a) Decision by hearing officer or Secretary. (1) The hearing officer shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings, and proposed decision to the Secretary for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient. The applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the Secretary his exceptions to the initial decision, with his reasons therefor.

(2) In the absence of exceptions, the Secretary may on his own motion within 45 days after the initial decision serve on the applicant or recipient a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review the Secretary shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the Secretary.

(b) Decisions on record or review. Whenever a record is certified to the Secretary for decision or he reviews the decision of a hearing officer pursuant to paragraph (a), the applicant or recipient shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of the final decision of the Secretary shall be given in writing to the applicant or recipient, and to the complainant, if any.

(c) Decisions on record where a hearing is waived. Whenever a hearing is waived pursuant to §15.9(a), a decision shall be made by the Secretary on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of a hearing officer shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to the regulations in this part with which it is found that the applicant or recipient has failed to comply.

(e) Decision by Secretary. The Secretary shall make any final decision which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under the regulations in this part or the Act.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and the regulations in this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to the regulations in this part, or to have otherwise failed to comply with the regulations in this part, unless and until it corrects its noncompliance and satisfies the Agency that it will fully comply with the regulations in this part.

(g) Post termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order or brings itself into compliance with the Act and the regulations in this part and provides reasonable assurance that it will fully comply therewith. An elementary or secondary school or school system which is unable to file an assurance of compliance with §15.4(a), (b), or (d) shall be restored to full eligibility to receive Federal financial assistance if it complies with the requirements of a §15.4(e) and is otherwise in compliance with the Act and the regulations in this part.

(2) Any applicant or recipient adversely affected by an order entered
§ 15.11 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 15.12 Effect on other regulations; forms and instructions.

(a) Effect on other regulations. All regulations, orders, or like directions hereinafter issued by any officer of the Department which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which the regulations in this part apply, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by the regulations in this part, except that nothing in the regulations in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of the regulations in this part. Nothing in these regulations, however, shall be deemed to supersede any of the following including future amendments thereof:

1. Executive Order 11246 and regulations issued thereunder; or

2. Executive Order 11063 and regulations issued thereunder or any other regulations or instructions insofar as they prohibit discrimination on the ground of race, color, or national origin in any program or situation to which the regulations in this part are inapplicable, or prohibit discrimination on any other ground.

(b) Forms and instructions. Each Agency shall issue and promptly make available forms and such implementing instructions and procedures consistent with the regulations in this part as may be necessary. Each Agency in making available Federal financial assistance to any program or activity may utilize contractual commitments in obtaining compliance with the regulations in this part, including obtaining compliance by recipients other than the contracting recipient.

(c) Supervision and coordination. The Secretary may from time to time assign to officials of other Departments or Agencies of the Government with the consent of such Department or Agency, responsibilities in connection with the effectuation of the purposes of title VI of the Act and the regulations in this part (other than responsibility for final decision as provided in §15.10) including the achievement of effective coordination and maximum uniformity within the Department and within the Executive Branch of the Government in the application of title VI and these regulations to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another Department or Agency acting under this paragraph shall have the same effect as though such action had been taken by

Authority: Sec. 602, 78 Stat. 252; 42 U.S.C. 2000d-1; sec. 15.9(d) of subpart A to 7 CFR, part 15, and laws referred to in the appendix to subpart A, part 15, title 7 CFR.

Source: 30 FR 14355, Nov. 17, 1965, unless otherwise noted.

GENERAL INFORMATION

§ 15.60 Scope of rules.

The rules of practice and procedure in this subpart supplement §§15.9 and 15.10 of subpart A of this part and govern the practice for hearings, decisions, and administrative review conducted by the Department of Agriculture, pursuant to title VI of the Civil Rights Act of 1964, section 602 (78 Stat. 252) and this part, title 7, CFR, except these rules shall not apply to any stage of a proceeding which has occurred prior to the effective date hereof.

§ 15.61 Records to be public.

All documents and papers filed in any proceeding under this part may be inspected and copied in the Office of the Department Hearing Clerk.

§ 15.62 Definitions.

All terms used in this subpart shall, unless the context otherwise requires, have the same meaning as defined in subpart A of this part.

§ 15.63 Computation of time.

A period of time begins with the day following the act or event and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed in the District of Columbia, in
which case it shall be the following workday. When the period of time prescribed or allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.

§ 15.64 Parties.
The term party shall include an applicant or recipient with respect to whom the agency has issued a notice of hearing or opportunity to request a hearing in accordance with subpart A of this part and §15.81. The agency shall be deemed a party to all proceedings.

§ 15.65 Appearance.
Any party may appear in person or by counsel or authorized representative and participate fully in any proceeding.

§ 15.66 Complainants not parties.
A person submitting a complaint pursuant to §15.6 is not a party to the proceedings governed by this subpart, but may petition, after proceedings have been commenced, to become an intervenor.

§ 15.67 Intervener.
Any interested person or organization may file a petition to intervene which will include a statement of position and a statement of what petitioner expects to contribute to the hearing, and a copy of the petition will be served on all parties. Such petition should be filed prior to the prehearing conference, or if none is held, before the commencement of the hearing, unless the petitioner shows good cause for filing the petition later. The hearing officer may grant the petition if he believes that such participation will not unduly delay a hearing and will contribute materially to the proceeding. An intervenor is not a party and may not introduce evidence at a hearing, or propound questions to a witness, unless the hearing officer determines that the proposed additional evidence is relevant and will clarify the facts. The intervenor may submit and serve on all parties a brief in support or opposition to any brief of a party. All service and notice required by and upon a party shall apply to an intervenor.

§ 15.68 Ex parte communications.
(a) General. After proceedings have been commenced, any communication or discussion ex parte, as regards the merits of the proceeding or a factually related proceeding, between an employee of the Department involved in the decisional process and a person not employed by the Department, and any such communication or discussion between any employee of the Department, who is or has been engaged in any way in the investigation or prosecution of the proceeding or a factually related proceeding, and an employee of the Department who is involved or may be involved in the decisional process of a proceeding, except at a conference, hearing or review proceeding under these rules is improper and prohibited.

(b) Request for information. A request for information about the status of a proceeding without discussing issues or expressing points of view and inquiries with respect to procedural matters or an emergency request for an extension of time are not deemed ex parte communications. When practical all parties should be notified of any request for an extension of time. Communication between an applicant or recipient and the agency or the Secretary with respect to securing voluntary compliance with any requirement of subpart A of this part is not prohibited.

(c) Unsponsored written material. Letters expressing views or urging action and other unsponsored written material regarding matters in issue in a proceeding will be placed in the correspondence section of the docket of the proceeding. Such are not deemed part of the evidence or record.

FORM, EXECUTION, FILING AND SERVICE OF DOCUMENTS

§ 15.71 Form of documents to be filed.

§ 15.73 Service.

Service shall be made by the Hearing Clerk by personal delivery of one copy to each person to be served or by mailing by first-class mail, or air mail if more than 300 miles, properly addressed with postage prepaid. When a party or intervenor has appeared by attorney or representative, service upon such attorney or representative will be deemed proper service. The initial notice of hearing, opportunity to request a hearing, or notice setting a date for a hearing shall be by certified mail, return receipt requested.

§ 15.74 Date of service.

The date of service shall be the day when the matter is deposited in the U.S. mail or is delivered in person, except that the date of service of the initial notice a hearing or notice of opportunity to request a hearing or notice setting a date for a hearing shall be the date of its delivery, or of its attempted delivery if delivery is refused.

INITIAL NOTICE AND RESPONSE

§ 15.81 How proceedings are commenced.

Proceedings are commenced by mailing a notice to an applicant or recipient of alleged noncompliance with the Act and the Secretary’s regulations thereunder. The notice will be signed by the interested agency head or by the Secretary and shall be filed with the hearing clerk for proper service by the hearing clerk according to the rules of this subpart. The notice shall include either a notice of hearing or notice of opportunity to request a hearing as determined by the Secretary and shall comply with the requirements of §15.9(a).

§ 15.82 Notice of hearing and response thereeto.

A notice of hearing shall fix a date not less than 30 days from the date of service of the notice of a hearing on matters alleged in the notice. If the applicant or recipient does not desire a hearing, he should so state in writing, in which case the applicant or recipient shall have the right to submit written information and argument for the record, and the additional right to further participate in the proceeding. Failure to appear at the time set for a hearing, without good cause, shall be deemed a waiver of the right to a hearing under section 602 of the Act and the regulations in this part and consent to the making of a decision on such information as is available which may be presented for the record.

§ 15.83 Notice of opportunity to request a hearing and response thereeto.

A notice of opportunity to request a hearing shall set a date not less than 20 days from service of said notice within which the applicant or recipient may file a request for a hearing, or may waive a hearing and submit written information and argument for the record, in which case, the applicant or recipient shall have the right to further participate in the proceeding. When the applicant or recipient elects to file a request for a hearing, a time shall be set for the hearing at a date not less than 20 days from the date applicant or recipient is notified of the date set for the hearing. Failure of the applicant or recipient to request a hearing or to appear at the date set shall be deemed a waiver of the right to a hearing, under section 602 of the Act and the regulations in this part and consent to the making of a decision on such information as is available which may be presented for the record.

§ 15.84 Answer.

In any case covered by §15.82 or §15.83 the applicant or recipient shall file an answer. Said answer shall admit or deny each allegation of the notice, unless the applicant or recipient is without knowledge, in which case the answer shall so state, and the statement will be considered a denial. Failure to
§ 15.85 Amendment of notice or answer.

The notice of hearing or notice of opportunity to request a hearing may be amended once as a matter of course before an answer thereto is served, and each applicant or recipient may amend his answer once as a matter of course not later than 10 days before the date fixed for hearing but in no event later than 20 days from the date of service of his original answer. Otherwise a notice or answer may be amended only by leave of the hearing officer. An applicant or recipient shall file his answer to an amended notice within the time remaining for filing the answer to the original notice or within 10 days after service of the amended notice, whichever period may be the longer, unless the hearing officer otherwise orders.

§ 15.86 Consolidated or joint hearings.

Two or more proceedings against the same respondent, or against different respondents in which the same or related facts are asserted to constitute noncompliance, may be consolidated for hearing or decision or both by the agency head if he has the principal responsibility within the Department for the administration of all the laws extending the Federal financial assistance involved. If laws administered by more than one agency head are involved, such officials may by agreement order consolidation for hearing. The Secretary may order proceedings in the Department consolidated for hearing with proceedings in other Federal Departments or agencies, by agreement with such other Departments or agencies. All parties to any proceeding consolidated subsequently to service of the notice of hearing or notice of opportunity to request a hearing shall be promptly served with notice of such consolidation.

HEARING OFFICER

§ 15.91 Who presides.

A hearing officer shall preside over all proceedings held under this part. The hearing officer shall be a hearing examiner qualified under section 11 of the Administrative Procedure Act (5 U.S.C. 1001 et seq.), and designated to hold hearings under the regulations in this subpart or any person authorized to hold a hearing and make a final decision. The hearing officer will serve until he has made an initial decision, certified the record to the Secretary, or made a final decision if so authorized.

§ 15.92 Designation of hearing officer.

Unless otherwise provided by an order of the Secretary at the time the notice of alleged noncompliance provided in §15.81 is filed with the Office of the Hearing Clerk, the hearing shall be held before a hearing examiner, who shall be appointed by the Chief Hearing Examiner, Office of Hearing Examiners within five days after the filing of such notice. Unless otherwise provided, the hearing examiner shall certify the entire record with his recommended findings and proposed decision to the Secretary for final decision.

§ 15.93 Time and place of hearing.

When a notice of hearing is sent to an applicant or recipient, the time and place of hearing shall be fixed by the Secretary, and when the applicant or recipient requests a hearing, the time and place shall be set by the hearing officer and in either case in conformity with §15.9(b). The complainant, if any, shall be advised of the time and place of the hearing.

§ 15.94 Disability of hearing officer.

In the case of death, illness, disqualification, or unavailability of the designated hearing officer, another hearing officer may be designated by the Secretary to take his place. If such death, illness, disqualification or unavailability occurs during the course of
a hearing, the hearing will be either continued under a substitute hearing officer, or terminated and tried de novo in the discretion of the Secretary. In the absence of the designated hearing officer any hearing examiner may rule on motions and other interlocutory papers.

§ 15.95 Responsibilities and duties of hearing officer.

The hearing officer shall have the duty to conduct a fair hearing, to take all necessary action to avoid delay, and to maintain order. He shall have all powers necessary to these ends, including (but not limited to) the power to:

(a) Arrange and issue notice of the date, time and place of hearings, or, upon due notice to the parties, to change the date, time and place of hearings previously set.

(b) Hold conferences to settle, simplify, or fix the issues in a proceeding, or to consider other matters that may aid in the expeditious disposition of the proceeding.

(c) Require parties and interveners to state their position with respect to the various issues in the proceeding.

(d) Administer oaths and affirmations.

(e) Rule on motions, and other procedural items on matters pending before him.

(f) Regulate the course of the hearing and conduct of parties therein.

(g) Examine witnesses and direct witnesses to testify.

(h) Receive, rule on, exclude or limit evidence.

(i) Fix the time for filing motions, petitions, briefs, or other items in matters pending before him.

(j) In accordance with his authority issue an initial decision, or recommended findings and proposed decision, or final decision.

(k) Take any other action a hearing officer is authorized to take under these rules or subpart A of this part.

MOTIONS

§ 15.101 Form and content.

(a) General. Motions shall state the relief sought and the authority relied upon. If made before or after the hearing, the motion shall be in writing and filed with the hearing clerk with a copy to all parties. If made at the hearing, they should be stated orally but the hearing officer may require that any motion be reduced to writing and filed and served on all parties in the same manner as a formal motion.

(b) Extension of time or postponement. A request for an extension of time should be filed and served on all parties and should set forth the reasons for the request and may be granted upon a showing of good cause. Answers to such requests are permitted, if made promptly.

§ 15.102 Responses to motions.

Within 8 days or such reasonable time as may be fixed by the hearing officer, or Secretary, if the motion is properly addressed to him, any party may file a response to the motion, unless the motion is made at a hearing in which case an immediate response may be required. The hearing officer may dispose of motions at a prehearing conference.

§ 15.103 Disposition of motions.

The hearing officer may not sustain or grant a motion prior to expiration of the time for filing responses thereto, but may overrule or deny such motion without waiting on a response: Provided, however, That prehearing conferences, hearings, and decisions need not be delayed pending disposition of motions. Oral motions may be ruled on immediately. Motions submitted to the hearing officer not disposed of in separate rulings or in his decision will be deemed denied. Oral argument shall not be held on written motions unless expressly ordered. Interlocutory appeals from rulings on motions shall be governed by §15.123.

HEARING PROCEDURES

§ 15.110 Prehearing conferences.

(a) In any case in which it appears that such procedure will expedite the proceeding, the hearing officer may, prior to the commencement of the hearing, request the parties to meet with him or to correspond with him regarding any of the following:

(1) Simplification and clarification of the issues;
§ 15.111 Purpose of hearing.

(a) The hearing is directed to receiving factual evidence and expert opinion testimony related to the issues in the proceeding. Argument will not be received in evidence; rather it should be presented in statements, memoranda or briefs, as determined by the hearing officer. Brief opening statements, which shall be limited to a statement of the party’s position and what he intends to prove, may also be made at hearings.

(b) Hearings for the reception of evidence will be held only in cases where issues of fact must be resolved in order to determine whether the respondent has failed to comply with one or more applicable requirements of subpart A of this part. In any case where it appears from the answer of the applicant or recipient to the notice of hearing or notice of opportunity to request a hearing, from his failure timely to answer, or from his admissions or stipulations in the record that there are no matters of material fact in dispute, the hearing officer may enter an order so finding, and fixing the time for the submission of evidence by the Government for the record. Thereafter, the proceedings shall go to conclusion in accordance with the rules of this subpart. An appeal from such order may be allowed in accordance with the rules for interlocutory appeal in §15.123.

§ 15.112 Statement of position and brief.

The hearing officer may require all parties and any intervener to file a written statement of position or brief prior to the beginning of a hearing.

§ 15.113 Testimony.

(a) Testimony shall be given orally under oath or affirmation by witnesses at the hearing, but the hearing officer, in his discretion, may require or permit that the testimony of any witness be prepared in writing and served on all parties in advance of the hearing. Such testimony may be adopted by the witness at the hearing and filed as part of the record thereof. Unless authorized by the hearing officer, witnesses will not be permitted to read prepared testimony into the record. Except as provided in §§15.115 and 15.116, witnesses shall be available at the hearing for cross-examination.

(b) Proposed exhibits shall be exchanged either at a prehearing conference, or otherwise prior to the hearing. Proposed exhibits not so exchanged may be denied admission as evidence unless good cause is shown why they were not exchanged. The authenticity of all proposed exhibits exchanged prior to hearing will be deemed admitted unless written objection thereto is filed prior to the hearing or unless good cause is shown at the hearing for failure to file such written objection.

§ 15.115 Affidavits.

An affidavit, intended to be used as evidence without cross-examination of the affiant, will be filed and served on the parties at least 15 days prior to the hearing; and not less than seven days prior to hearing a party may file and serve written objections to any affidavit on the ground that he believes it necessary to test the truth of assertions therein by cross-examination. In such event, the affidavit objected to will not be received in evidence unless the affiant is made available for cross-examination at the hearing or otherwise as prescribed by the hearing officer. In absence of an objection being filed within the time specified, such affidavit will be received in evidence.
§ 15.116 Depositions.

Upon such terms as may be just, the hearing officer, in his discretion, may authorize the testimony of any witness to be taken by deposition.

§ 15.117 Evidence.

Irrelevant, immaterial, unreliable, and unduly repetitious evidence will be excluded, and technical rules of evidence shall not apply but rules or principles designed to assure the most credible evidence available and to subject testimony to test by cross-examination shall apply.

§ 15.118 Cross-examination.

Cross-examination will be limited to the scope of direct examination and matters at issue in the hearing.

§ 15.119 Objections.

Objections to evidence shall be timely and briefly state the ground relied upon. The ruling of the hearing officer will be part of the record. Argument in support of the objection will not be part of the record.

§ 15.120 Exceptions to rulings of hearing officer unnecessary.

Exceptions to rulings of the hearing officer are unnecessary. It is sufficient that a party, at the time the ruling of the hearing officer is sought, makes known the action which he desires the hearing officer to take, or his objection to an action taken, and his grounds therefor.

§ 15.121 Official notice.

A public document, or part thereof, such as an official report decision, opinion, or published scientific or economic statistical data issued by any branch of the Federal or a State Government which has been shown to be reasonably available to the public, may be offered for official notice and authenticity of any relevant documents described in and exhibited with the request, or for the admission of the truth of any relevant matters of fact stated in the request. Each of the matters of which an admission is requested shall be deemed admitted, unless within a period designated in the request (not less than 10 days after service thereof, or within such further time as the hearing officer may allow upon motion and notice) the party to whom the request is directed serves upon the requesting party a sworn statement either denying specifically the matters of which an admission is requested or setting forth in detail the reasons why he cannot truthfully either admit or
§ 15.131 Official transcript.

The hearing clerk will designate the official reporter for all hearings. The official transcript of testimony taken, together with any affidavits, exhibits, depositions, briefs, or memoranda of law shall be filed with the hearing clerk. Transcripts of testimony in hearings will be supplied by the official reporter to the parties and to the public at rates not to exceed the maximum rates fixed by the contract between the Department and the reporter. Upon notice to all parties, the hearing officer may authorize corrections to the transcript which involve matters of substance.

§ 15.132 Record for decision.

The transcript of testimony, exhibits, affidavits, depositions, briefs, memoranda of law, and all pleadings, motions, papers, and requests filed in the proceeding, except the correspondence section of the docket, including rulings, and any recommended findings and proposed decision, or initial decision shall constitute the exclusive record for final decision.

Posthearing Procedures

§ 15.135 Posthearing briefs.

The hearing officer shall fix a reasonable time for filing posthearing briefs, which may contain proposed findings of fact and conclusions of law, and, if permitted, reply briefs. Briefs should include a summary of the evidence relied upon together with references to exhibit numbers and pages of the transcript, with citation of the authorities relied upon. Briefs shall be filed in the Office of the Hearing Clerk with a copy to all parties.

§ 15.136 Decisions and notices.

When the time for submission of posthearing briefs has expired the hearing officer shall either make an initial decision or final decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Secretary for a final decision and a copy of such initial, or final decision or certification shall be mailed to the applicant or recipient and other parties by the hearing clerk.

§ 15.137 Exceptions to initial or proposed decision.

Within 30 days of the mailing of such notice of initial or recommended findings and proposed decision, the applicant or recipient and other parties may file with the hearing clerk for consideration by the Secretary exceptions to the initial or recommended findings and proposed decision, with reasons therefor. Each party will be given reasonable opportunity to file briefs or other written statements of contentions in which the party may request that the decision be modified, reversed, affirmed or adopted.

§ 15.138 Review of initial decision.

In the absence of exceptions to an initial decision, the Secretary may on his own motion within 45 days after an initial decision serve upon the parties a notice that he will review the decision and will give the parties reasonable opportunity to file briefs or other written statements of contentions. At the expiration of said time for filing briefs, the Secretary will review the initial decision and issue a final decision thereon. In the absence of either exceptions to an initial decision or a notice or review, the initial decision shall constitute the final decision of the Secretary.

§ 15.139 Oral argument.

If any party desires to argue orally before the Secretary on the review of recommended findings and proposed decision, or an initial decision, he shall so state at the time he files his exceptions or brief. The Secretary may grant
such request in his discretion. If granted, he will serve notice of oral argument on all parties and will set forth the order of presentation and the amount of time allotted, and the time and place of argument.

§ 15.140 Service of decisions.

All final decisions shall be promptly served on all parties and the complainant.

§ 15.141 Contents of decision.

Each decision of a hearing officer shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to the regulations in this part with which it is found that the applicant or recipient has failed to comply.

§ 15.142 Content of orders.

The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and the regulations in this part, including provisions designed to assure that no Federal financial assistance will thereafter be extended under such program to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to the regulations in this part, or to have otherwise failed to comply with the regulations in this part, unless and until it corrects its noncompliance and satisfies the Agency that it will fully comply with the regulations in this part.

§ 15.143 Decision where financial assistance affected.

The Secretary shall make any final decision which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under the regulations in this part or the Act.

An assurance of compliance with this part shall not be satisfactory to the Secretary if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with §15a.3(a) to eliminate or to eliminate the effects of past discrimination whether occurring prior or subsequent to the submission to the Secretary of such assurance.

(b) Transfers of property. If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee which operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of subpart B.

(c) Duration of obligation. (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurances shall obligate the recipient for the period during which it retains ownership or possession of the property.
(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(d) Form. The Secretary will specify the form of the assurances required by paragraph (a) of this section and the extent to which such assurances will be required of the applicant’s or recipient’s subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 15a.5 Effect of other requirements.

(a) Effect of other Federal provisions. The obligations imposed by this part are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, as amended; title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e et seq.); the Equal Pay Act (29 U.S.C. 206 and 206(d); and any other act of Congress or Federal regulation.

(b) Effect of State or local law or other requirements. (c) Effect of rules or regulations of private organizations. The obligation to comply with this part is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association which would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and which receives or benefits from Federal financial assistance.

(d) Effect of compliance with HEW regulations. If a recipient is covered by the title IX regulations issued by HEW, 45 CFR part 86, and has already complied with the HEW requirements corresponding to §§15a.3(c), 15a.4(a), 15a.7 (a) and (b), and 15a.8 (a) and (b), then the requirements of those sections need not be duplicated in order to comply with this part. However, if the requirements have not been applied to all programs funded by this Department, then the requirements will have to be met as to those programs.

§ 15a.6 Effect of employment opportunities.

The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 15a.7 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under this part, including any investigation of any complaint communicated to such recipient alleging its noncompliance with this part or alleging any actions which would be prohibited by this part. The recipient shall notify all its students and employees of the name, office address and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) Complaint procedure of recipient. A recipient shall adopt and publish grievance procedures providing for prompt, and equitable resolution of student and employee complaints alleging any action which would be prohibited by this part.

§ 15a.8 Dissemination of policy.

(a) Notification of policy. (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities which it operates, and that it is required by title IX and this part not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the Secretary finds necessary to apprise such persons of
§ 15a.11

the protections against discrimination assured them by title IX and this part, but shall state at least that the requirement not to discriminate in education programs and activities extends to employment therein and to admission thereto unless subpart C does not apply to the recipient, and that inquiries concerning the application of title IX and this part to such recipient may be referred to the employee designated pursuant to §15a.7 or to the Secretary.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of the effective date of this part or of the date this part first applies to such recipient, whichever comes later, which notification shall include publication in:

(i) Local newspapers,
(ii) newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and
(iii) memoranda or other written communications distributed to every student and employees of such recipient.

(b) Publications. (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form which it makes available to any person of a type described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in this paragraph which suggests, by text or illustration, that such recipient treats applicants, students, employees differently on the basis of sex except as such treatment is permitted by this part.

(c) Distribution. Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and require such representatives to adhere to such policy.

(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.

(c) Nondiscrimination. No policy or practice of a recipient to which §15a.17 applies shall result in treatment of applicants to or students of such recipient in violation of subpart C unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) Effects of past exclusion. To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which §15a.17 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs which emphasize the institution’s commitment to enrolling students of the sex previously excluded.

(c) Prohibitions relating to marital or parental status. In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which this subpart applies:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant which treats persons differently on the basis of sex;

Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) Disproportion in classes. Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in counseling or appraisal materials or by counselors.

For the purposes of this part, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

§ 15b.7 Notice of nondiscrimination and accessible services.

(a) A recipient shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504 and this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its programs or activities. (3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action (i) with respect to handicapped persons who are no longer participants in the recipient’s program or activity but who were participants in the program when such discrimination occurred or (ii) with respect to handicapped persons who would have been participants in the program or activity had the discrimination not occurred, or (iii) with respect to handicapped persons presently in the program or activity, but not receiving full benefits or equal and integrated treatment within the program.

(b) Voluntary action. A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient’s program or activity by qualified handicapped persons.

(c) Self-evaluation. (1) A recipient shall, within one year of the effective date of this part:

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. This includes relationships with employment and referral agencies, with labor unions with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) Specific activities. The provisions of this subpart apply to:

(2) Job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices,

(2) The type of the recipient’s operation, including the composition and structure of recipient’s workforce;

(c) Nothing in this section shall prohibit a recipient for conditioning an offer of employment on the results of a medical examination conducted prior to the employee’s entrance on duty: Provided, That (1) all entering employees are subjected to such an examination regardless of handicap; and (2) the results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained...

This paragraph does not necessarily require a recipient to make each of its existing facilities or every part of an existing facility accessible to and usable by qualified handicapped persons.

(b) Method. A recipient may comply with the requirements of paragraph (a) of this section through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirements of §15b.19, or any other method that results in making its program or activity accessible to qualified handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for meeting the requirement of paragraph (a) of this section, a recipient shall give priority to those methods that serve qualified handicapped persons in the most integrated setting appropriate.

(c) Small providers. If a recipient with fewer than fifteen employees finds, after consultation with a handicapped person seeking its services, that there is no method of complying with paragraph (a) of this section other than by making a significant alteration in its existing facilities, the recipient may, as an alternative, refer the handicapped person to other providers of those services that are accessible at no additional cost to handicapped persons.

(d) Application for modification of requirements. Recipients that determine after a self-evaluation conducted according to the requirements of §15b.8(c), that accessibility can only be accomplished through substantial modifications which would result in a fundamental alteration in the nature of the program or activity, may apply to the Secretary for a modification of the requirements of this section.

(e) Historic Preservation Programs; Application for waiver of program accessibility requirements. (1) A recipient shall operate each assisted program or activity involving Historic Preservation Programs so that when each part is viewed in its entirety it is readily accessible to and usable by handicapped persons. This paragraph does not necessarily require a recipient to make each of its existing historic properties or every part of an historic property accessible to and usable by handicapped persons. Methods of achieving accessibility include:
(i) Making physical alterations which enable handicapped persons to have access to otherwise inaccessible areas or features of historic properties;

(ii) Using audio-visual materials and devices to depict otherwise inaccessible areas or features of historic properties;

(iii) Assigning persons to guide handicapped persons into or through otherwise inaccessible portions of historic properties;

(iv) Adopting other innovative methods to achieve accessibility. Because the primary benefit of an Historic Preservation Program is the experience of the historic property itself, in taking steps to achieve accessibility, recipients shall give priority to those means which make the historic property, or portions thereof physically accessible to handicapped individuals.

(2) Where accessibility cannot be achieved without causing a substantial impairment of significant historic features, the Secretary may grant a waiver of the accessibility requirement. In determining whether accessibility can be achieved without causing a substantial impairment, the Secretary shall consider the following factors:

(i) Scale of property, reflecting its ability to absorb alterations;

(ii) Use of the property, whether primarily for public or private purpose;

(iii) Importance of the historic features of the property to the conduct of the program or activity; and,

(iv) Cost of alterations in comparison to the increase in accessibility.

The Secretary shall periodically review any waiver granted under this section and may withdraw it if technological advances or other changes so warrant.

(3) Where the property is federally owned or where Federal funds may be used for alterations, the comments of the Advisory Council on Historic Preservation shall be obtained when required by section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470), and 36 CFR part 800, prior to effectuation of structural alterations.

(f) Time period. A recipient shall comply with the requirements of paragraph (a) of this section within sixty days of the effective date of this part except that where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part and as expeditiously as possible.

(g) Transition plan. In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within one year of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum:

1. Identify physical obstacles in the recipient’s facilities that limit the accessibility of its program or activity to handicapped persons;

2. Describe in detail the methods that will be used to make the facilities accessible;

3. Specify the schedule for taking the steps necessary to achieve full accessibility under paragraph (a) of this section and if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

4. Identify the person responsible for implementation of the plan.

§ 15b.19 New construction.

(a) Design and construction. Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by handicapped persons, if the construction is commenced after the effective date of this part.

(b) Alteration. Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by handicapped persons.
(c) Conformance with Uniform Federal Accessibility Standards. (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101–19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

(d) Compliance with the Architectural Barriers Act of 1968. Nothing in this section of §15b.20 relieves recipients, whose facilities are covered by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157) from their responsibility of complying with the requirements of that Act and any implementing regulations.

Subpart D—Preschool, Elementary, Secondary, Adult, and Extension Education

§15b.20 Applicability.

Except as otherwise noted, this subpart applies to public and private schools, elementary, secondary, adult, and extension education programs or activities that receive Federal financial assistance provided by the Department of Agriculture after the effective date of this part and to recipients that operate, or that receive Federal financial assistance for the operation of, such programs or activities.

§15b.21 Location and notification.

A recipient that operates a public elementary or secondary education program or activity shall annually:

(a) Undertake to identify and locate every qualified handicapped person residing in the recipient’s jurisdiction who is not receiving a public education; and

(b) Take appropriate steps to notify handicapped persons and their parents or guardians of the recipient’s duty under this subpart.

§15b.22 Free appropriate public education.

(a) General. A recipient that operates a public elementary or secondary education program or activity shall provide a free appropriate public education to each qualified handicapped person who is in the recipient’s jurisdiction, regardless of the nature or severity of the person’s handicap.

(b) Appropriate education. (1) For the purpose of this subpart, the provision of an appropriate education is the provision of regular or special education and related aids and services that (i) are designed to meet individual educational needs of handicapped persons as adequately as the needs of nonhandicapped persons are met and (ii) are based upon adherence to procedures that satisfy the requirements of §§15b.23, 15b.24, and 15b.25.

(2) Implementation of an Individualized Education Program developed in accordance with the Education of the Handicapped Act is one means of meeting the standard established in paragraph (b)(1)(i) of this section.

(3) A recipient may place a handicapped person or refer such person for aid, benefits, or services other than those that it operates or provides as its means of carrying out the requirements of this subpart. If so, the recipient remains responsible for ensuring that the requirements of this subpart

are met with respect to any handicapped person so placed or referred.

(c) Free education—(1) General. For the purpose of this section, the provision of a free education is the provision of educational and related services without cost to handicapped persons or their parents or guardians, except for those fees that are imposed on non-handicapped persons or their parents or guardians. It may consist either of the provision of free services or, if a recipient places a handicapped person in or refers such person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, payment for the costs of the aid, benefits, or services. Funds available from any public or private agency may be used to meet the requirements of this subpart. Nothing in this section shall be construed to relieve an insurer or similar third party from an otherwise valid obligation to provide or pay for services provided to a handicapped person.

(2) Transportation. If a recipient places a handicapped person or refers such person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, the recipient shall ensure that adequate transportation to and from aid, benefits, or services is provided at no greater cost than would be incurred by the person or his or her parents or guardian if the person were placed in the program operated by the recipient.

(3) Residential placement. If a public or private residential placement is necessary to provide a free appropriate public education to a handicapped person because of their handicap, the placement, including nonmedical care and room and board, shall be provided at no cost to the person or his or her parents or guardian.

(4) Placement of handicapped persons by parents. If a recipient has made available in conformance with the requirements of this section and §15b.23, a free appropriate public education to a handicapped person and the person's parents or guardian choose to place the person in a private school, the recipient is not required to pay for the person's education in the private school. Disagreements between a parent or guardian and a recipient regarding whether the recipient has made a free appropriate education available or otherwise regarding the question of financial responsibility are subject to the due process procedures of §15b.25.

(d) Compliance. A recipient may not exclude any qualified handicapped person from a public elementary or secondary education after the effective date of this regulation. A recipient that is not, on the effective date of this regulation, in full compliance with the other requirements of the preceding paragraphs of this section shall meet such requirements at the earliest practicable time but in no event later than September 1, 1982.

§ 15b.23 Educational setting.

(a) Academic setting. A recipient to which this subpart applies shall educate, or shall provide for the education of each qualified handicapped person in its jurisdiction with persons who are not handicapped to the maximum extent appropriate to the needs of the handicapped person. A recipient shall place a handicapped person in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. Whenever a recipient places a person in a setting other than the regular educational environment pursuant to this paragraph, it shall take into account the proximity of the alternate setting to the person's home.

(b) Nonacademic setting. In providing or arranging for the provision of nonacademic and extracurricular services and activities, including meals, recess periods, and the services and activities set forth in §15b.26(a)(2), a recipient shall ensure that handicapped persons participate with nonhandicapped persons in such activities and services to the maximum extent appropriate to the needs of the handicapped person in question.

(c) Comparable facilities. If a recipient, in compliance with paragraph (a) of
this section, operates a facility that is identifiable as being for handicapped persons, the recipient shall ensure that the facility and the services and activities provided therein are comparable to the other facilities, services, and activities of the recipient.

§ 15b.24 Evaluation and placement.

(a) Placement evaluation. A recipient that operates a public elementary or secondary education program or activity shall conduct an evaluation in accordance with the requirements of paragraph (b) of this section of any person who, because of handicap, needs or is believed to need special education or related services before taking any action with respect to the initial placement of the person in regular or special education and any subsequent significant change in placement.

(b) Evaluation procedures. A recipient to which this section applies shall establish standards and procedures for the evaluation and placement of persons who, because of handicap, need or are believed to need special education or related services which ensure that:

(1) Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;

(2) Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and

(3) Tests are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student’s aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student’s impaired sensory, manual or speaking skills (except where those skills are the factors that the test purports to measure).

(c) Placement procedures. In interpreting evaluation data and in making placement decisions, a recipient shall (1) draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical conditions, social or cultural background, and adaptive behavior, (2) establish procedures to ensure that information obtained from all such sources is documented and carefully considered, (3) ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options, and (4) ensure that the placement decision is made in conformity with §15b.23.

(d) Reevaluation. A recipient to which this section applies shall establish procedures, in accordance with paragraph (b) of this section, for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act is one means of meeting this requirement.

§ 15b.25 Procedural safeguards.

A recipient that provides a public elementary or secondary education shall establish and implement, with respect to action regarding the identification, evaluation, or educational placement of persons who, because of handicap, need or are believed to need special instruction or related services, a system of procedural safeguards that includes notice, an opportunity for the parents or guardian of the person to examine relevant records, an impartial hearing with opportunity for participation by the person’s parents or guardian and representation by counsel, and a review procedure. Compliance with the procedural safeguards of section 615 of the Education of the Handicapped Act is one means of meeting this requirement.

§ 15b.26 Nonacademic services.

(a) General. (1) Recipients to which this subpart applies shall provide nonacademic and extracurricular services and activities in such a manner as is necessary to afford handicapped students an equal opportunity for participation in such services and activities.
(2) Nonacademic and extracurricular services and activities may include counseling services, physical education and athletics, food services, transportation, health services, recreational activities, special interest groups or clubs sponsored by the recipient, referrals to agencies which provide assistance to handicapped persons, and assistance in obtaining outside employment.

(b) Counseling services. A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities.

(c) Physical education and athletics. (1) In providing physical education courses and athletics and similar aid, benefits, and services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors interscholastic, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation.

(2) A recipient may offer handicapped students physical education and athletic activities that are separate or different from those offered to nonhandicapped students only if separation or differentiation is consistent with requirements of §15b.23, and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(d) Food services. In providing food services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. (1) Recipients shall serve special meals, at no extra charge, to students whose handicap restricts their diet. Recipients may require students to provide medical certification that special meals are needed because of their handicap.

(2) Where existing food service facilities are not completely accessible and usable, recipients may provide aides or use other equally effective methods to serve food to handicapped persons. Recipients shall provide all food services in the most integrated setting appropriate to the needs of handicapped persons as required by §15b.23(b).

§ 15b.27 Extension education.

(a) General. A recipient to which this subpart applies that provides extension education may not, on the basis of handicap, exclude qualified handicapped persons. A recipient shall take into account the needs of such persons in determining the benefits or services to be provided.

(b) Delivery sites. (1) Where existing extension office facilities are inaccessible, recipients may make aid, benefits, or services normally provided at those sites available to qualified handicapped persons through other methods which are equally effective. These methods may include meetings in accessible locations, home visits, written or telephonic communications, and other equally effective alternatives.

(2) For aid, benefits, or services delivered at other publicly-owned facilities, recipients shall select accessible facilities whenever possible. If accessible facilities cannot be selected because they are unavailable or infeasible due to the nature of the activity, recipients shall use other methods to deliver aid, benefits, or services to qualified handicapped persons. These methods may include the redesign of activities or some sessions of activities, the provision of aids, home visits, or other equally effective alternatives.

(3) For aid, benefits, or services delivered at privately-owned facilities, such as homes and farm buildings, recipients shall use accessible facilities whenever qualified handicapped persons requiring such accessibility are participating, or are likely to participate. If accessible facilities cannot be selected because they are unavailable or infeasible due to the nature of the activity, recipients shall use other methods to deliver aid, benefits, or services to qualified handicapped persons. These methods may include the
redesign of activities or some sessions of activities, the provision of aides, home visits, or other equally effective alternatives.

(4) Recipients shall make camping activities accessible to qualified handicapped persons. Recipients are not required to make every existing camp, all existing camp facilities, or all camp sessions accessible, but recipients who operate more than one camp or session may not limit qualified handicapped persons to one camp or session.

(c) Materials. Recipients shall make materials accessible to qualified handicapped persons with sensory or mental impairments. Commonly-used materials shall be readily available in alternate forms such as Braille or tape. Upon request, recipients shall make other materials available through appropriate means such as Braille, tape, readers, large print formats, simplified versions, written scripts, or interpreters. Recipients need not provide individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

§ 15b.29 Applicability.

Subpart E applies to public and private postsecondary education programs or activities, including postsecondary vocational education programs and activities, that receive Federal financial assistance provided by the Department of Agriculture after the effective date of this part.

§ 15b.30 Admissions and recruitment.

(a) General. Qualified handicapped persons may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient to which this subpart applies.

(b) Admissions. In administering its admission policies, a recipient to which this subpart applies: (1) May not apply limitations upon the number or proportion of handicapped persons who may be admitted; (2) May not make use of any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons or any class of handicapped persons unless (i) the test or criterion, as used by the recipient, has been validated as a predictor of success in the education program or activity in question and (ii) alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Secretary to be available. (3) Shall assure itself that (i) admissions tests are selected and administered so as best to ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant’s aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the applicant’s impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual, or speaking skills are offered as
§ 15b.32 Academic adjustments.

(a) Academic requirements. A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) Other rules. A recipient to which this subpart applies may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or of dog guides in campus buildings, that have the effect

§ 15b.31 Treatment of students.

(a) General. No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational training, housing, health, insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, other postsecondary education aid, benefits, or services to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, an education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap, exclude any qualified handicapped student from any course, course of study, or other part of its education program or activity.

(d) A recipient to which this subpart applies shall operate its programs or activities in the most integrated setting appropriate.

§ 15b.33 Housing.

(a) Housing provided by the recipient. A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of the transition period provided for in subpart C, such housing shall be available in sufficient quantity and variety so that the scope of handicapped students’ choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.

(b) Other housing. A recipient that assists any agency, organization, or person in making housing available to any of its students shall take such action as may be necessary to assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 15b.34 Financial and employment assistance to students.

(a) Provision of financial assistance. (1) In providing financial assistance to qualified handicapped persons, a recipient to which this subpart applies may not, (i) on the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate or (ii) assist any entity or person that provides assistance to any of the recipient’s students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) Assistance in making available outside employment. A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that would not violate subpart B if they were provided by the recipient.

(c) Employment of students by recipients. A recipient that employs any of its students may not do so in a manner that violates subpart B.

§ 15b.35 Nonacademic services.

(a) Physical education and athletics. (1) In providing physical education courses and athletics and similar aid, benefits,
or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of §15b.31(d) and only of no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) Counseling and placement services. A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) Social organizations. A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

§ 15b.38 Health care facilities.

(a) Communications. A recipient that provides notice concerning benefits or services or written material concerning waivers of rights or consent to treatment shall take such steps as are necessary to ensure that qualified handicapped persons, including those with impaired sensory or speaking skills, are not denied effective notice because of their handicap.

(b) Emergency treatment for the hearing impaired. A recipient hospital that provides health services or benefits shall establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency health care.

(c) Drug and alcohol addicts. A recipient to which this subpart applies that operates a general hospital or outpatient facility may not discriminate in admission or treatment against a drug or alcohol abuser or alcoholic who is suffering from a medical condition, because of the person’s drug or alcohol abuse or alcoholism.

§ 15b.37 Auxiliary aids.

(a) A recipient to which this subpart applies that employs fifteen or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills, where necessary to afford such persons an equal opportunity to benefit from the service in question.

(b) The Secretary may require recipients with fewer than fifteen employees to provide auxiliary aids where the provision of aids would not significantly impair the ability of the recipient to provide its benefits or services.

(c) For the purpose of this section, auxiliary aids may include Brailled and taped material, interpreters, and other aids for persons with impaired hearing or vision.

§ 15b.38 Health care facilities.

(a) Communications. A recipient that provides notice concerning benefits or services or written material concerning waivers of rights or consent to treatment shall take such steps as are necessary to ensure that qualified handicapped persons, including those with impaired sensory or speaking skills, are not denied effective notice because of their handicap.

(b) Emergency treatment for the hearing impaired. A recipient hospital that provides health services or benefits shall establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency health care.

(c) Drug and alcohol addicts. A recipient to which this subpart applies that operates a general hospital or outpatient facility may not discriminate in admission or treatment against a drug or alcohol abuser or alcoholic who is suffering from a medical condition, because of the person’s drug or alcohol abuse or alcoholism.
§ 15b.39 Education of institutionalized persons.

A recipient to which this subpart applies that operates or supervises a program or activity that provides aid, benefits, or services for persons who are institutionalized because of handicap shall ensure that each qualified handicapped person, as defined in §15b.3(n)(2), in its program or activity is provided an appropriate education, as defined in §15b.22(b). Nothing in this section shall be interpreted as altering in any way the obligations of recipients under subpart D.

§ 15b.40 Food services.

(a) Recipients which provide food services shall serve special meals, at no extra charge, to persons whose handicap restricts their diet. Recipients may require handicapped persons to provide medical certification that special meals are needed because of their handicap.

(b) Where existing food service facilities are not completely accessible and usable, recipients may provide aides or use other equally effective methods to serve food to handicapped persons. Recipients shall provide all food services in the most integrated setting appropriate to the needs of handicapped persons.

§ 15b.41 Multi-family rental housing.

(a) General. No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in multi-family rental housing.

(b) New construction. (1) Recipients receiving assistance from the Department for multi-family rental housing projects constructed after the effective date of this part shall construct at least five percent of the units in the project or one unit, whichever is greater, to be accessible to or adaptable for physically handicapped persons. The requirement that five percent of the units in the project or at least one unit, whichever is greater, be accessible or adaptable may be modified if a recipient shows, through a market survey approved by the Department, that a different percentage of accessible or adaptable units is appropriate for a particular project and its service area.

(i) The variety of units accessible to or adaptable for physically handicapped persons shall be comparable to the variety of units available in the project as a whole.

(ii) No extra charge may be made for use of accessible or adaptable units.

(iii) A recipient that operates multi-family rental housing projects on more than one site may not locate all accessible or adaptable units at one site unless only one accessible or adaptable unit is required.

(2) Standards for accessibility are contained in subpart C and in appropriate regulations.

(c) Existing facilities. Recipients receiving assistance from the Department for multi-family rental housing projects constructed prior to the effective date of this part shall assure that their facilities comply with the accessibility requirements established in §15b.18 if a qualified handicapped person applies for admission. Necessary physical alterations made pursuant to such requirements shall be completed within a reasonable amount of time after the unit becomes available for occupancy by the qualified handicapped person. Subject to the availability of funds and fulfillment by the recipient of all program eligibility requirements, the Department may assist recipients to comply with accessibility requirements through methods such as (1) consideration of subsequent loan applications for purposes of making existing facilities accessible or for the construction of additional units which are accessible and (2) consideration of approval to commit project reserve account funds for minor modifications in order to make existing facilities accessible.

Subpart G—Procedures

§ 15b.42 Procedures.

The procedural provisions applicable to title VI of the Civil Rights Act of
1964 apply to this part. These procedures are found in 7 CFR 15.5–15.11 and 15.60–15.143.

§ 15c.1 Purpose.

The purpose of this part is to establish the nondiscrimination policy of the USDA on the basis of age in programs and activities funded in whole or in part by USDA, in compliance with the Age Discrimination Act of 1975, as amended (Age Act), and the requirements set by the HHS in its Government-wide regulation at 45 CFR part 90.

§ 15c.2 Definitions.

Action means any act, activity, policy, rule, standard, or method of administration or use of any policy, rule, standard or method of administration.

Age means the number of elapsed years from the date of a person’s birth.

Age distinction means any action using age or an age-related term.

Age-related term means a word or words that necessarily imply a particular age or range of ages (e.g., “children,” “adult,” or “older person”).
Agency means a major organizational unit of USDA with delegated authorities to deliver programs, activities, benefits, and services.

Agency Head means the head of any agency within USDA which may hold the title Administrator, Chief, or Director depending on the agency.

Assistant Secretary for Civil Rights (ASCR) means the civil rights officer for USDA responsible for the performance and oversight of all civil rights functions within USDA, and who retains the authority to delegate civil rights functions to heads of USDA agencies and offices. The ASCR is also responsible for evaluating agency heads on their performance of civil rights functions.

Beneficiary means a person or group of persons with an entitlement to receive or enjoy the benefits, services, resources, and information from, or to participate in, the activities and programs funded in whole or in part by USDA.

Complainant means any person or group of persons who files with any USDA agency a complaint that alleges discrimination in a program or activity funded in whole or in part by USDA.

Complaint means a written statement that contains the complainant’s name and address and describes the alleged discriminatory action in sufficient detail to inform the Office of the Assistant Secretary for Civil Rights (OASCR) of the nature and date of the alleged civil rights violation. The statement must be signed by the complainant(s) or someone authorized to sign on behalf of the complainant(s). The complaint need not be written or signed if submitted in an alternate format to accommodate the complaint filing needs of a person who has Limited English Proficiency, a disability, or other special need. The complaint must be based on one or more prohibited bases.

Compliance Review means a systematically planned and regularly initiated investigation that assesses and evaluates the civil rights and equal opportunity policies, procedures and practices of a USDA agency or instrumentality to determine compliance with civil rights statutes, regulations, standards, and policies.

Department (used interchangeably with USDA) means the Department of Agriculture, and includes each of its operating agencies and other organizational units.

Discrimination means unlawful treatment or denial of benefits, services, terms, conditions, rights, or privileges to a person or persons based on a protected basis, including age.

(1) Federal Financial Assistance includes:
(i) Grants and loans of Federal funds;
(ii) The grant or donation of Federal property and interests in property;
(iii) The detail of Federal personnel;
(iv) The sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property, or any interest in such property, or the furnishing of services without consideration or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by such sale, lease or furnishing of services to the recipient; and
(v) Any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance.

(2) Federal financial assistance does not include procurement contracts at market value, contracts of guarantee or insurance, regulated programs, licenses, or programs that provide direct benefits. The complaint must be based on one or more prohibited bases.

HHS means The United States Department of Health and Human Services.

Normal Operation means the operation of a program or activity without significant changes that would impair its ability to meet its objectives.

Program or activity includes all of the operations of:
(1) State and local governments. (i) A department, agency, special purpose district, or other instrumentality of a State or of a local government; or
(ii) The entity of such State or local government that distributes Federal financial assistance and each such department or agency (and each other State or local government entity) to which the assistance is extended, in the
case of assistance to a State or local government.

(2) Educational institutions. (i) A college, university, or other postsecondary institution, or a public system of higher education; or

(ii) A local educational agency (as defined in 20 U.S.C. 7801), system of vocational education, or other school system.

(3) Private organizations. (i) An entire corporation, partnership, or other private organization, or an entire sole proprietorship—

(A) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(B) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation.

(ii) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship.

(4) Other organizations receiving Federal financial assistance. Any other entity which is established by two or more of the entities described in paragraph (r)(1), (2), or (3) of this section; any part of which is extended Federal financial assistance.

Recipient means any State, political subdivision of any State, or instrumentality of any State or political subdivision (to include the District of Columbia and any United States territories and possessions), any public or private entity, institution, organization, or any of their instrumentalities, or any individual (provided the individual is not the ultimate beneficiary) in any State, to whom Federal financial assistance is extended, directly or through contractual, licensing, or other arrangements use age distinctions or take any other actions which have the effect, on the basis of age, of:

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance, or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(c) Specific forms of age discrimination. The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

(d) Exceptions to the rules against age discrimination. (1) A recipient is permitted to take an action, otherwise prohibited by this section, if the action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if:

(i) Age is used as a measure or approximation of one or more other characteristics;

(ii) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity;

(iii) The other characteristic(s) can be reasonably measured or approximated by the use of age; and

(iv) The other characteristic(s) are impractical to measure directly on an individual basis.
(2) A recipient is permitted to take an action otherwise prohibited by this section that is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

(3) If a recipient operating a program or activity provides special benefits to the elderly or to children, such use of age distinctions shall be presumed to be necessary to the normal operation of the program or activity, notwithstanding the provisions of this subpart.

(4) Any age distinctions contained in a rule or regulation issued by USDA shall be presumed to be necessary to the achievement of a statutory objective of the program or activity to which the rule or regulation applies, notwithstanding the provisions of this part.

§ 15c.4 Compliance, assurance, and notice requirements.

(a) USDA recipients have primary responsibility to ensure that their programs and activities are in compliance with the Age Act and this regulation and shall take steps to eliminate violations of the Age Act. Each recipient of Federal financial assistance from USDA shall sign a written assurance as specified by the Department that it shall comply with the Age Act and this regulation. Each recipient initially receiving funds from USDA that makes the funds available to a sub-recipient must notify the sub-recipient of its obligations under the Age Act.

(b) Each recipient shall make necessary information about the Age Act and this regulation available to its beneficiaries in order to inform them about the protections against discrimination provided by the Act and this regulation.

§ 15c.5 Information requirements.

Each recipient shall maintain records in a form and containing information which the agency determines may be necessary to ascertain whether the recipient is complying with the Age Act and this regulation. Each recipient shall provide the agency any information necessary to determine whether the recipient is in compliance with the Age Act and this rule. Each recipient shall also permit reasonable access to the agency of the books, records, accounts, and other facilities and sources of information to the extent necessary to determine whether a recipient is in compliance with the Age Act and this regulation.

§ 15c.6 Compliance reviews.

(a) USDA may conduct compliance reviews or use other similar procedures to review the activities of recipients to determine whether they are complying with the Age Act and this regulation and to investigate and address violations of the Age Act. USDA may conduct these reviews, at any time, even in the absence of a complaint against a recipient. The reviews may be as comprehensive as necessary to determine whether a violation of the Age Act or this regulation has occurred.

(b) If a compliance review indicates a violation of the Age Act or this regulation, USDA shall attempt to achieve voluntary compliance with the Age Act. USDA shall monitor and evaluate a recipient’s efforts to remedy a violation to ensure compliance consistent with applicable civil rights requirements until compliance has been achieved. If voluntary compliance cannot be achieved, USDA shall undertake enforcement of the Age Act and this regulation.

§ 15c.7 Complaints.

(a) Filing of complaints. Any person who believes he/she or any specific class of individuals has been subject to discrimination by a recipient or believes that the recipient is otherwise in noncompliance with the provisions of the Age Act or this regulation may file a complaint with OASCR. The USDA Program Discrimination Complaint Form may be used to file a complaint.

(b) Time and place of filing. All age discrimination complaints alleging discrimination or noncompliance must be filed within 180 days of the last discriminatory act, to be timely. All complaints under this part shall be filed
§ 15c.8 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by the Age Act; or

(b) Cooperates in any mediation, investigation, hearing, or other part of the agency's investigation, conciliation, and enforcement process.

§ 15c.9 Enforcement.

(a) If USDA finds that a recipient has committed a violation of the Age Act and determines that voluntary compliance cannot be obtained, the Department shall enforce the requirements of the Age Act and this regulation through the termination of a recipient's Federal financial assistance under the program or activity involved where the recipient has violated the Age Act or this regulation. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge.

(1) Any termination under this paragraph (a) shall be limited to the particular recipient and particular program or activity receiving Federal financial assistance or portion thereof found to be in violation of the Age Act or this regulation.

(2) No action under this paragraph (a) may be taken until:

(i) OASCR, or designee, has advised the recipient of its failure to comply with the Age Act and this regulation, and has determined that voluntary compliance cannot be obtained; and

(ii) Thirty days have elapsed after the head of the agency involved has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the program or activity involved.

with the Office of the Assistant Secretary for Civil Rights, U.S. Department of Agriculture, Washington, DC 20250.

(c) Notice of rights and responsibilities. USDA shall provide notice to the complainant and the recipient of their:

(1) Rights and obligations under complaint procedures including their right to have a representative at all stages of the complaint process;

(2) Rights to contact the agency for information and assistance regarding the complaint resolution process; and

(3) Obligation to participate actively in efforts toward speedy resolution of the complaint.

(d) Mediation of complaints. All complaints that allege discrimination based on age shall be mediated in an attempt to resolve disputes at the earliest stage possible. The complainant and the recipient are required to participate in the mediation process. If the complainant and recipient reach a mutually satisfactory resolution of the complaint during the mediation period, they shall reduce the agreement to writing.

(e) Investigation of complaints. If the parties are unable to reach a resolution, USDA shall investigate the complaint. During the investigation of the complaint, OASCR or an agency delegated complaint processing authority shall use informal fact finding methods, including joint or separate discussions with the complainant and recipient, to establish the facts and, if possible, settle the complaint on terms that are mutually agreeable to the parties. USDA may seek the assistance of any involved State agency. If informal resolution efforts are unsuccessful, OASCR shall complete the investigation.

(f) Final determination. After a complete investigation, OASCR shall make a final determination as to the merits of the complaint. The complainant shall be notified of the final determination and provided notice of his or her right to file a civil action under the Age Act, 2 U.S.C. 6104(e), and 15c.10 of this part.

(g) Voluntary compliance. If OASCR or an agency delegated complaint processing authority finds that age discrimination has occurred, USDA shall attempt to obtain voluntary compliance. The recipient shall take any remedial action which USDA may require to overcome the effects of discrimination. If USDA cannot obtain voluntary compliance, it shall undertake enforcement of the Age Act and this regulation.
(3) An agency may defer granting new Federal financial assistance to a recipient when termination proceedings under this paragraph (a) are initiated.

(b) When an agency withholds funds from a recipient under this regulation, the Agency Head may disburse the withheld funds directly to any public or non-profit private organization or agency, or State or political subdivision of the State. These alternate recipients must demonstrate the ability to comply with this regulation and to achieve the goals of the Federal statute authorizing the Federal financial assistance.

(c) USDA may seek to achieve compliance with the Age Act and this regulation by any other means authorized by law.

§ 15c.10 Exhaustion of administrative remedies.

(a) A complainant may file a civil action, in a United States district court for the district in which the recipient is found or transacts business, following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if:

(1) 180 days have elapsed since the complainant filed the complaint and the agency has made no finding with regard to the complaint; or

(2) The agency issues any finding in favor of the recipient.

(b) Before commencing the action, the complainant shall give 30 days’ notice by registered mail to the Secretary of HHS, the Attorney General of the United States, the head of the granting USDA agency, and the recipient stating the alleged violation of the Age Act, the relief requested, the court in which the action will be brought, and whether or not attorney’s fees are demanded in the event the complainant prevails.

(c) No action shall be brought if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court of the United States. A complainant prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney’s fees, but that these costs must be demanded in the complaint.

In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 15e.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 15e.161–15e.169 [Reserved]

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;
(2) A description of a remedy for each violation found; and
(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §15e.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

Subpart B—I Filed a Complaint With USDA Prior to July 1, 1997, How Do I Request That USDA Consider My Complaint Using These Procedures?

§ 15f.5 How do I request that USDA consider my complaint under these procedures?

In order for USDA to consider your complaint under these procedures, a Section 741 Complaint Request must be docketed with the Docketing Clerk in the USDA OCR.

(a) Do I have to file a “Section 741 Complaint Request” if USDA is already working on my complaint? Do I have to file again? If USDA OCR already reviewed or is working on your complaint, you will receive a notice by March 1, 1999, indicating that your complaint automatically has been docketed as a Section 741 Complaint Request for consideration under these procedures. The notice will provide you with the docket number assigned your Request and will give you further instructions with respect to what options you have or what actions you must take.

(b) What if USDA is not working on my complaint? If I think USDA has reviewed or is working on my complaint, but do not receive a letter by March 1, 1999, what should I do? If USDA is not already working on your complaint, or you do not receive a letter from USDA by March 1, 1999, or within 30 days thereafter, you should file a Section 741
Office of the Secretary, USDA

§ 15f.9

(c) How long do I have to file my Section 741 Complaint Request? You have until October 21, 2000 to file your Section 741 Complaint Request. If you did not receive a notice form USDA by October 21, 2000, that your Section 741 Complaint Request had been docketed automatically under paragraph (a) of this section, then any Section 741 Complaint Request received by USDA after October 21, 2000, will not be accepted.

§ 15f.8 What does the Docketing Clerk do with my Section 741 Complaint Request?

All Section 741 Complaint Requests docketed by the OCR Docketing Clerk will be referred to the Director for an informal review. The Director will determine if the complaint is one that can be resolved informally, and, if so, the Director will seek to resolve the complaint informally with the complainant.

§ 15f.9 What will the Director do to settle my Section 741 Complaint Request when it is received?

The Director will review each Section 741 Complaint Request. If the Director finds that your complaint is an eligible complaint, the Director will: review all documents and evidence submitted by you; review all agency or CR files, if any exist, regarding the circumstances surrounding the alleged discrimination; review any damage claims; and seek any further clarification, if necessary, from either you or the agency. CR also may refer your eligible complaint for a formal investigation by the CR Program Investigation Division or by an outside contractor. Based on his or her review, the Director will either undertake negotiations with you to resolve the complaint; or inform you that CR will not settle the complaint and explain to you your options, including your right to request formal proceedings before an ALJ under subpart D of this part within 30 days of receipt of notice from the Director that CR will not settle the complaint. If the complaint is successfully resolved or settled, the Director will issue a final determination disposing of the attorney is entitled to represent you on your behalf. If USDA receives such an authorization, all documents in connection with consideration of your complaint under these procedures will be sent to your attorney and not to you.

§ 15f.6 What must I say or include in my Section 741 Complaint Request?

§ 15f.7 May I be represented by an attorney?

(a) If your Section 741 Complaint Request is automatically docketed as set forth in §15f.5(a), and you already are represented by counsel of whom you have notified USDA, then this section does not apply.

(b) If you are filing your Section 741 Complaint Request with USDA, and if you are represented by an attorney, your Section 741 Complaint Request should also include an authorization signed by you indicating that the attorney is entitled to represent you on your behalf. If USDA receives such an authorization, all documents in connection with consideration of your complaint under these procedures will be sent to your attorney and not to you.

(c) Once your Section 741 Complaint Request is docketed with USDA, and you afterwards retain an attorney, you should forward an authorization to USDA signed by you indicating that
the matter. If you have received a notice that the Director will not settle the complaint prior to February 14, 2003, you have until 90 days after February 14, 2003 to request formal proceedings under subpart D of this part. Any request for formal proceedings received by USDA after the deadlines set forth in this section will not be accepted.

[68 FR 7412, Feb. 14, 2003]

§ 15f.10 What if I do not want the Director to review my Section 741 Complaint Request and I want to proceed directly to a hearing?

If you do not want the Director to review your Section 741 Complaint Request, you may request a hearing following the procedures below in subpart D. You may request a hearing at any time during informal review or negotiations with the Director, or at any time during USDA consideration of your Section 741 Complaint Request.

Subpart D—If I Request a Hearing, What Will Happen? How Will the Hearing Be Conducted?

§ 15f.11 Where must I file a hearing request and what happens to it?

If you desire a hearing, you must file a request for a hearing with the Docketing Clerk, citing the docket number assigned to your Section 741 Complaint Request. When the Docketing Clerk receives your request for a hearing, your Section 741 Complaint Request will be assigned to an ALJ. The Docketing Clerk will send a notice of your hearing request to OCR and the agency, notifying them of the docket number and the assigned ALJ. The Docketing Clerk also will send you a notice of receipt of the hearing request that will inform you of the name of the assigned ALJ.

§ 15f.12 Am I entitled to a hearing in all circumstances?

Under section 741, you have a right to a hearing as part of the process for USDA to render a final determination on your eligible complaint. However, if at any time the ALJ determines that your complaint is not an eligible complaint, he or she may dismiss your complaint with a final determination and USDA review of your complaint will then have been completed. You also are not entitled to a hearing if there are no material issues of fact in dispute between you and USDA. In other words, if the only dispute remaining is a question of law, you will not receive a hearing and the ALJ will make a final determination under §15f.16.

§ 15f.13 What is the function of the ALJ and who may communicate with him?

(a) What are the powers of the ALJ?

The ALJ is responsible for conducting a hearing at your request on your Section 741 Complaint Request. He or she will have all powers prescribed in these rules and will make a proposed determination on your complaint. The proposed determination then will become the final determination after 35 days, unless the ASCR reviews the proposed determination.

(b) What is an ex parte communication?

An ex parte communication is a communication by one party to a proceeding with the ALJ outside of the presence of, or without notice to, the other parties to a proceeding. Ex parte communications in the proceedings on your complaint are prohibited and will be handled as follows:

(1) The ALJ will not engage in ex parte communications regarding the merits of a complaint with any party or with any person having any interest in the proceedings on the complaint, including OCR and any person in an advocacy or investigative capacity, at any time between the assignment of a hearing to him or her and the issuance of a proposed determination. This prohibition does not apply to:

(i) Discussions of procedural matters related to the complaint; or

(ii) Discussions of the merits of the complaint where all parties to the proceeding on the complaint have been given notice and an opportunity to participate.

(2) In the case of a communication described in paragraph (b)(1)(ii) of this section, a memorandum of any such discussion shall be included in the hearing record.

(3) No party to the proceeding or other interested person shall make or knowingly cause to be made to the
§ 15f.16 Although I request a hearing, may I request the ALJ to issue a decision without a hearing?

(a) At any time after the parties have been notified of your hearing request, you may file a request with the ALJ to make a determination based on the written record. With your request, you should file any other arguments or evidence that you wish the ALJ to consider. The agency and OCR will have 35 days after you file your request to file any additional information, arguments, or evidence for the consideration of the ALJ. The ALJ may recommend dismissal of your complaint on the basis of a finding that it is not an eligible complaint; recommend denial of your eligible complaint on the merits; or make a proposed finding of discrimination on your eligible complaint and recommend to award you such relief as would be afforded under the applicable statute or regulation under which the eligible complaint was filed. The ALJ will make a proposed determination on your complaint based on the original complaint, the Section 741 Complaint Request, the OCR report, and any other evidence or written documents filed by the parties. The proposed determination will become the final determination 35 days after it is filed unless you request review of the proposed determination by the ASCR. The ASCR also may review the proposed determination on his or her own initiative. If the ASCR reviews the decision, he or she will allow the parties a reasonable opportunity to file briefs in support of or opposition to the proposed determination, and afterwards will issue a final determination within 35 days after you request review of the proposed determination.

(b) To the maximum extent practicable, a final determination will be made within 180 days of your filing of the Section 741 Complaint Request.

§ 15f.17 What happens before the hearing?

(a) Do I need to file another answer or pre-hearing brief? You may file a pre-hearing brief in support of your complaint.

(b) Will there be a pre-hearing conference? The ALJ may hold a pre-hearing conference. If such a conference is to be held, the notice of the pre-hearing conference also will contain a notice to the parties of a time and date for the pre-hearing conference. Pre-hearing conferences normally will be held by telephone. Issues that may be addressed at the pre-hearing conference may include: simplification of the issues; the possibility of obtaining stipulations of fact and of the authenticity of documents; limitation of the number of witnesses; exchange of copies of hearing exhibits; negotiation, compromise or settlement of issues; identification of documents of which official notice will be requested; a schedule for completion of the actions decided upon at the conference; and any other matters that may aid and expedite the conclusion of the proceeding. No transcript of the pre-hearing conference will be made but the ALJ will issue a written memorandum summarizing the results of the pre-hearing conference.

(c) What else may the ALJ ask for before the hearing? Prior to the hearing, the ALJ may require each of the parties to furnish any or all of the following: an outline of a party’s position with respect to the complaint, the facts upon which the party intends to rely, the legal theories upon which the party intends to rely, copies of or a list of the documents and exhibits which the party anticipates introducing at the hearing, and a list of anticipated witnesses.

§ 15f.18 May I depose potential witnesses?

(a) A party may request an order from the ALJ to take the testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence. The application for the order must specify the reason and need for taking testimony by deposition.

(b) The time, place, and manner of taking depositions will be as mutually agreed by the parties, or failing agreement, by order of the ALJ.

(c) No testimony taken by depositions will be considered as part of the evidence in the hearing until such testimony is offered and received in evidence at the hearing, and ordinarily it will not be received into evidence if the deponent is present and can testify at the hearing. However, when the deponent is present and can testify, the deposition may be used to contradict or impeach the testimony of the deponent given at the hearing. Where you have requested a final determination by the ALJ based on the written record without a hearing, the ALJ, in his or her discretion, may receive depositions to supplement the record.

(d) Each party will bear its own expenses associated with the taking of any deposition.

§ 15f.19 Other than myself, OCR, and the agency, may any other interested party participate in the proceeding?

In most cases, there will be no parties to a proceeding under these rules, other than the complainant, OCR, and, and if it so desires, the agency. However, if there are circumstances in which additional parties have an interest in the proceeding, such as a bank which participated in a case involving a guaranteed loan, such other interested parties may be permitted to participate in the proceeding at the discretion of the ALJ.

§ 15f.20 May I subpoena witnesses to the hearings?

No. USDA has no statutory authority to subpoena witnesses to testify at the hearing.

§ 15f.21 What rules are applicable to the actual conduct of the hearing?

(a) Who may appear at the hearing? You may appear at the hearing in person or through your attorney. OCR or the agency will appear through a designated representative, which may include a USDA attorney. Any person who appears as counsel must conform
Office of the Secretary, USDA § 15f.21

(4) Exhibits. Unless the ALJ finds that the furnishing of copies is impracticable, two copies of each exhibit must be filed with the ALJ. A party submitting an exhibit must provide every other party (except interested parties) a copy of the exhibit one week before the hearing. A true copy of an exhibit may be substituted for the original.

(5) Official records or documents. An official government record or document or entry therein, if admissible for any purpose, will be admissible in evidence without the production of the person who made or prepared the same, and will be prima facie evidence of the relevant facts stated therein. Such record or document must be evidenced by an official publication thereof or a copy certified by a person having legal authority to make such certification.

(6) Official notice. Official notice will be taken of such matters as are judicially noted by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character if the parties are given adequate notice of matters so noticed, and the parties will be given adequate opportunity to show that such facts are erroneously noticed.

(7) Offer of proof. Whenever evidence is excluded by the ALJ, the party offering such evidence may make an offer of proof, which must be included in the transcript. The offer of proof should consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement, it must be included in the transcript in its entirety. If the evidence consists of an exhibit, it must be marked for identification and inserted in the hearing record.

(8) Interlocutory review. Interlocutory review of rulings by the ALJ will not be permitted.

(9) Transcript or recording. (i) Hearings to be conducted by telephone will be recorded verbatim by electronic recording device. Hearings conducted by audio-visual telecommunication or by the personal attendance of parties and witnesses must be transcribed, unless the ALJ finds that recording the hearing verbatim would expedite the proceeding and the ALJ orders the hearing to be recorded verbatim. The ALJ must certify that to the best of his or her
knowledge and belief any recording made pursuant to this paragraph with exhibits that were accepted into evidence is the record of the hearing.

(ii) If a hearing is recorded verbatim, a party requests the transcript of a hearing or part of a hearing, and the ALJ determines that the disposition of the proceeding would be expedited by a transcript of the hearing or part of a hearing, the ALJ shall order the verbatim transcription of the recording as requested by the party.

(iii) The costs of transcription or verbatim recordings will be paid for by USDA and charged to the agency whose action gave rise to the complaint at issue. Copies of recordings or transcripts of hearings will be made available to any party at the actual cost of duplication.

§ 15f.22 What happens after the hearing?

The ALJ will fix a reasonable time for filing posthearing briefs, proposed findings of fact and conclusions of law, and if permitted, reply briefs. Briefs should include a summary of evidence relied upon together with references to exhibit numbers and citations to the transcript and authorities relied upon. Briefs must be filed with the Docketing Clerk with copies to all parties.

§ 15f.23 What will constitute the record for the final determination?

The original complaint, the Section 741 Complaint Request, the OCR report, the agency answer, the transcript of testimony, exhibits, affidavits, depositions, briefs, memoranda of law, and all pleadings, motions, papers, and requests filed in the proceeding, including rulings, and the proposed determination by an ALJ (if applicable) shall constitute the exclusive record for the final determination.

§ 15f.24 When and in what form will a final determination be made on my complaint by USDA?

(a) The ALJ will make a proposed determination orally at the close of a hearing, or in writing within 35 days. The ALJ may recommend dismissal of your complaint on the basis of a finding that it is not an eligible complaint; recommend denial of your eligible complaint on the merits; or make a proposed finding of discrimination on your eligible complaint and recommend to award you such relief as would be afforded under the applicable statute or regulation under which the eligible complaint was filed. The proposed determination will become the final determination 35 days after it is made, unless you request review of the proposed determination by the ASCR. The ASCR also may review the proposed determination on his or her own initiative. If the ASCR reviews the proposed determination, he or she will allow the parties a reasonable opportunity to file briefs in support or opposition to the proposed determination, and afterwards file a final determination within 35 days after you request review of the proposed determination.

(b) To the maximum extent practicable, a final determination will be filed within 180 days after you filed your Section 741 Complaint Request.

§ 15f.25 Will USDA pay my attorneys fees if I win?

If you prevail on your eligible complaint, either in whole or in part, after a proceeding before an ALJ under the procedures in this subpart, you may be eligible for an award of attorneys fees as a prevailing party under the Equal Access to Justice Act (EAJA), 5 U.S.C. 504. To get an EAJA award, you must file an application for such fees with the ALJ within 30 days after the final determination is made. Instructions for filing an EAJA application and obtaining an EAJA award are contained in 7 CFR part 1, subpart J. The ALJ must follow those rules, and not these Section 741 Complaint Request rules, in making any EAJA award.

Subpart E—What if I Do Not Agree With the Final Determination by USDA?

§ 15f.26 May I seek judicial review of the final determination?

Section 741 provides that you have at least 180 days after a final determination denying your eligible complaint
under these rules to seek judicial review in the United States Court of Federal Claims or a United States District Court of competent jurisdiction.

Subpart F—How Do I Count Days for Purposes of Deadlines and What Happens if I Miss a Deadline in These Rules?

§ 15f.27 When is something considered “filed” as required by these rules and to whom do I need to give copies of what I file?

A document, or other item, that must be “filed” under these rules is considered filed when postmarked or when it is received and date-stamped by the Docketing Clerk.

§ 15f.28 When I or someone else has to do something within a certain number of days, how will USDA or the ALJ count the days?

Unless otherwise specifically noted, a “day” refers to a calendar day and a document that must be filed by a certain date must either be postmarked on that date or received by the Docketing Clerk on that date. For documents that must be or are “filed” under these regulations, you count the number of days after filing starting with the day after the filing date as day one. For other time periods, you calculate the time period by counting the day after receipt by the party as day one. If the last day of a time period expires on a Saturday, a Sunday, or a Federal holiday, the last day of the time period will expire on the next business day.

§ 15f.29 May I request an extension of a deadline or may I get relief for missing a deadline in these rules?

You may request that the ALJ extend a deadline in these rules, or afford you relief for missing a deadline, which he or she may do, consistent with the principles of sovereign immunity, the terms of any applicable statute, these rules, and the necessity of expeditious completion of the public business. It is the intent of USDA that the time deadlines expressed in these regulations be construed equitably to ensure resolution of eligible complaints, to the extent permitted by law.

PART 16—EQUAL OPPORTUNITY FOR RELIGIOUS ORGANIZATIONS

Sec. 16.1 Purpose and applicability.

16.2 Rights of religious organizations.

16.3 Responsibilities of participating organizations.

16.4 Effect on State and local funds.

16.5 Compliance.

SOURCE: 69 FR 41382, July 9, 2004, unless otherwise noted.

§ 16.1 Purpose and applicability.

(a) The purpose of this part is to set forth USDA policy regarding equal opportunity for religious organizations to participate in USDA assistance programs for which other private organizations are eligible.

(b) Except as otherwise specifically provided in this part, the policy outlined in this part applies to all recipients and subrecipients of USDA assistance to which 7 CFR parts 3015, 3016, or 3019 apply, and to recipients and subrecipients of Commodity Credit Corporation assistance that is administered by agencies of USDA.

§ 16.2 Rights of religious organizations.

(a) A religious organization is eligible, on the same basis as any other eligible private organization, to access and participate in USDA assistance programs. Neither the Federal government nor a State or local government receiving USDA assistance shall, in the selection of service providers, discriminate for or against a religious organization on the basis of the organization’s religious character or affiliation.

(b) A religious organization that participates in USDA assistance programs will retain its independence and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use USDA direct assistance to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, a religious organization may:
§ 16.3 Responsibilities of participating organizations.

(a) An organization that participates in programs and activities supported by direct USDA assistance programs shall not discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(b) Organizations that receive direct USDA assistance under any USDA program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services supported with direct USDA assistance. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services supported with direct assistance from USDA, and participation must be voluntary for beneficiaries of the programs or services supported with such direct assistance. These restrictions on inherently religious activities do not apply where USDA funds or benefits are provided to religious organizations as a result of a genuine and independent private choice of a beneficiary or through other indirect funding mechanisms, provided the religious organizations otherwise satisfy the requirements of the program.

(c) Nothing in paragraphs (a) or (b) shall be construed to prevent religious organizations that receive USDA assistance under the Richard B. Russell National School Lunch Act, 42 U.S.C. 1751 et seq., the Child Nutrition Act of 1966, 42 U.S.C. 1771 et seq., or USDA international school feeding programs from considering religion in their admissions practices or from imposing religious attendance or curricular requirements at their schools.

(d)(1) Direct USDA assistance may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting USDA programs and activities only to the extent authorized by the applicable program statutes and regulations. Direct USDA assistance may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used by the USDA funding recipients for inherently religious activities. Where a structure is used for both eligible and inherently religious activities, direct USDA assistance may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to USDA funds. Sanctuaries, chapels, or other rooms that an organization receiving direct assistance from USDA uses as its principal place of worship, however, are ineligible for USDA-funded improvements. Disposition of real property after the term of the grant or any change in use of the property during the term of the grant is subject to government-wide regulations governing real property disposition (see 7 CFR parts 3015, 3016 and 3019).

(2) Any use of direct USDA assistance funds for equipment, supplies, labor, indirect costs and the like shall be prorated between the USDA program or activity and any use for other purposes by the religious organization in accordance with applicable laws, regulations, and guidance.

(3) Nothing in this section shall be construed to prevent the residents of housing receiving direct USDA assistance funds from engaging in religious exercise within such housing.

§ 16.4 Effect on State and local funds.

If a State or local government voluntarily contributes its own funds to supplement activities carried out under
programs governed by this part, the State or local government has the option to separate out the direct USDA assistance funds or commingle them. If the funds are commingled, the provisions of this part shall apply to all of the commingled funds in the same manner, and to the same extent, as the provisions apply to the direct USDA assistance.

§ 16.5 Compliance.
USDA agencies will monitor compliance with this part in the course of regular oversight of USDA programs.

17.2 Definition of terms.
17.3 Purchase authorizations.
17.4 Agents of the participant or importer.
17.5 Contracts between commodity suppliers and importers.

17.7 Notice of sale procedures.
17.8 Ocean transportation.
17.9 CCC payment to suppliers.
17.10 Refunds and insurance.

(c) Applicability of this part. In addition to the provisions of a particular purchase authorization, each purchase authorization, unless otherwise provided, is subject to the provisions of this part to the same extent as if the provisions were fully set forth in the purchase authorization.

(d) Modification or revocation. The General Sales Manager reserves the right at any time for any reason or cause whatsoever to supplement, modify or revoke any purchase authorization, including the termination of deliveries, if it is determined to be in the interest of the U.S. Government. CCC shall reimburse suppliers who would otherwise be entitled to be financed by CCC for costs which were incurred as a result of such action by the GSM in connection with firm sales or shipping contracts, and which were not otherwise recovered by the supplier after a reasonable effort to minimize such costs: Provided, however, That such reimbursement shall not be made to a supplier if the GSM determines that the GSM’s action was taken because the supplier failed to comply with the requirements of the regulations in this part or the applicable purchase authorization; Provided further, That reimbursement to suppliers of ocean transportation shall not exceed the ocean freight differential when the purchase authorization provides only for financing the differential.

(2) Purchase authorizations may permit cotton textiles processed beyond the stage described in paragraph (f)(1) of this section to be purchased, but the maximum financing by CCC is limited to the equivalent value of the cotton yarns and fabrics described in paragraph (f)(1) of this section, contained in the textiles, plus eligible ocean transportation costs.

(3) Financing is available only for textiles manufactured entirely of U.S. cotton in the United States.

§ 17.4 Agents of the participant or importer.

(a) General. (1) A participant or importer is not required to use a purchasing agent or shipping agent, or employ the services of any other agent, broker, consultant, or other representative (hereafter “agent”) in connection with arranging the purchase of agricultural commodities under title I of the Act and arranging ocean transportation for such commodities. However, if an agent is used, the participant shall submit a written nomination of the agent to the Deputy Administrator, Export Credits, FAS, along with a copy of the proposed agreement between the participant or importer and such agent. The written nomination shall also specify the period of time to be covered by the nomination. A person may not act as agent for a participant or importer unless the Deputy Administrator, Export Credits, FAS, has provided a written statement that the nomination is accepted in accordance with the provisions of this section.

(2) See §17.6(c) regarding commissions, fees, or other compensation of
any kind to agents of a participant or importer.

(3) A freight agent employed by the Agency for International Development under titles II and III is not eligible to act as an agent for the participant or importer during the period of such employment. A subcontractor of such freight agent is not eligible to act as an agent for the participant or importer during the period of its subcontract.

(b) Affiliate defined. For purposes of this section, the term affiliate has the meaning provided in §17.2 and, in addition, persons will also be considered to be affiliates if any of the following conditions are met:

(1) There are any common officers or directors.

(2) There is any investment by eligible commodity suppliers, selling agents, or persons engaged in furnishing ocean transportation or ocean transportation-related services for commodities provided under any title of the Act, section 416(b) of the Agricultural Act of 1949, or the Food for Progress Act of 1985, whether or not any part of the ocean transportation is financed by the U.S. Government, or by agents of such persons, or their officers or directors, in the agent of the participant or importer.

(3) There is any investment by the agent of the participant or importer, or its officers or directors, in approved commodity suppliers, selling agents, or persons engaged in furnishing ocean transportation or ocean transportation-related services for commodities provided under any title of the Act, section 416(b) of the Agricultural Act of 1949, or the Food for Progress Act of 1985, whether or not any part of the ocean transportation is financed by the U.S. Government, or in agents of such persons. These conditions include those cases in which investment has been concealed by the utilization of any scheme or device to circumvent the purposes of this section but does not include investment in any mutual fund.

(c) Information to be furnished. A person nominated to act as an agent of the participant or importer, and any independent contractor that may be hired by such person to perform functions of a shipping agent, shall furnish to the Deputy Administrator, Export Credits, FAS, the following information or documentation as may be applicable:

(1) The names of all incorporators;

(2) The names and titles of all officers and directors;

(3) The names of all affiliates, including the names and titles of all officers and directors of each affiliate, and a description of the type of business in which the affiliate is engaged;

(4) The names and proportionate share interest of all stockholders;

(5) If beneficial interest in stock is held by other than the named shareholders, the names of the holders of the beneficial interest and the proportionate share of each;

(6) The amount of the subscribed capital;

(7) For USDA acceptance of a nomination covering services provided during each U.S. fiscal year (October 1–September 30), a written statement signed by such person:

(i) Certifying that, during the U.S. fiscal year covered by USDA’s acceptance of the nomination, the person has not engaged in, and will not engage in, supplying commodities under any title of the Act or the Food for Progress Act of 1985 or furnishing ocean transportation or ocean transportation-related services for commodities provided under any title of the Act, section 416(b) of the Agricultural Act of 1949, or the Food for Progress Act of 1985, whether any part of the ocean transportation is financed by the U.S. Government or that the person has not served and will not serve as an agent of firms engaged in providing such commodities, ocean transportation and ocean transportation-related services;

(ii) Certifying that, for ocean transportation brokerage services provided during the U.S. fiscal year covered by USDA’s acceptance of the nomination, the person has not shared and will not share freight commissions with the participant, the importer, or any agent of the participant or the importer, whether CCC finances any part of the ocean freight. CCC will consider as sharing a commission a situation where the agent forgoes part or all of a commission and the supplier of ocean

transportation pays a commission directly to the participant, the importer, or any other person on behalf of the participant or the importer; and

(iii) Undertaking that, during the U.S. fiscal year covered by USDA’s acceptance of the nomination, affiliates of such person have not engaged in and will not engage in the activities or actions prohibited in this paragraph (c)(7).

(8) A certification that neither the person nor any affiliates has arranged to give or receive any payment, kickback, or illegal benefit in connection with the person’s selection as agent of the participant or importer.

(d) USDA acceptance. (1) USDA will consider accepting the nomination of a person to act as an agent of the participant or importer when the documents required to be submitted by this section are received by the Deputy Administrator, Export Credits, FAS.

(2) USDA’s acceptance of such nomination shall remain in effect for the period of time requested by the participant or such shorter period as the Deputy Administrator, Export Credits, FAS, may determine. USDA will withdraw such acceptance if the agent of the participant or importer, or any of the affiliates of such agent, violates the certifications or undertakings made pursuant to paragraphs (c)(7) and (8) of this section.

(3) A person is required to submit the information and documentation required by §17.4(c) to support the person’s first nomination to act as an agent of any participant or importer for each fiscal year. For subsequent nominations covering the same fiscal year, the person must provide a written certification that the information and documentation provided earlier are still accurate and complete, or must provide the details of any changes to previously submitted information.

(e) Notification. The Deputy Administrator, Export Credits, FAS, shall promptly notify persons nominated as agents of the participant or importer, of the determination or of the need for further inquiry, and shall provide a written response within 30 calendar days of receipt of all the required documents. If USDA will not accept the nomination, the notification shall state the reasons therefor. The determination of the Deputy Administrator, Export Credits, FAS, is effective immediately and continues in effect pending the result of any appeal to the General Sales Manager.

(f) Non-acceptance or withdrawal. (1) If USDA does not accept the nomination of a person, or if acceptance has been withdrawn pursuant to the provisions of this section, the person may, within 30 calendar days, present to the General Sales Manager, orally or in writing, any reasons as to why such action should not stand. Nothing in this paragraph shall be construed as to prohibit a person whose nomination has not been accepted or whose acceptance has been withdrawn by USDA from being nominated at a later time.

(2) If, in the procurement of commodities made available under title I, Pub. L. 480, a participant or importer uses an agent whose nomination has not been accepted in writing by the Deputy Administrator, Export Credits, FAS, USDA may withhold sales approval.

(3) If, in the shipping of commodities made available under title I, Pub. L. 480, a participant or importer uses an agent whose nomination has not been accepted in writing by the Deputy Administrator, Export Credits, FAS, USDA may withhold vessel approval or may deduct from the ocean freight differential to be paid, the amount of any commission to the agent in connection with the shipment.

(g) No competitive advantage. A shipping agent may not take any action which would give a competitive advantage to any supplier of commodities or ocean transportation. This includes, but is not limited to, providing advance notice of IFB’s or amendments, or selectively enforcing IFB or contract requirements.

§17.5 Contracts between commodity suppliers and importers.

(a) Commodity suppliers and selling agents. (1) Commodity suppliers must be determined to be eligible under the Pub. L. 480, title I program in order for their contracts to be eligible for CCC financing. A prospective commodity
supplier must be engaged in the business of selling agricultural commodities for export from the United States. The commodity supplier must maintain a bona fide business office in the United States, and must have a person, principal or agent on whom service of judicial process may be had in the United States.

(2) Persons who wish to participate as commodity suppliers shall submit the following information to the Foreign Agricultural Service, Stop 1033, USDA, 1400 Independence Ave., SW, Washington, DC 20250–1033:

(i) A current financial statement of the prospective supplier, preferably an audited statement, as evidence of financial responsibility. Submission of a letter of reference from a bank is also encouraged.

(ii) A statement containing general background information about the firm, including the names and titles of the chief executive officers and a description of the firm’s experience as an exporter of U.S. agricultural commodities. Copies of bills of lading supporting this statement are also requested.

(iii) Any other information requested relating to whether the prospective supplier is responsible and is able to perform its obligations under this part and the purchase authorization.

(3) If, at the time the commodity supplier reports the sale it is determined that an agent employed or engaged by a commodity supplier to obtain a contract is not a selling agent as defined in §17.2, the sale will not be eligible for financing.

(b) Eligibility for financing. To be eligible for financing, commodity contracts must comply with the following requirements unless otherwise specified in the purchase authorization.

(1) Commodity contracts between suppliers and importers are considered to be conditioned on the approval by USDA of the contract price; conformance of the sale to the provisions of the purchase authorization; responsiveness of the offer to IFB terms; and compliance by the supplier and the selling agent, if any, with paragraph (a) of this section.

(2) Importers and suppliers must enter into contracts within the contracting period specified in the purchase authorization. The contracts must provide for deliveries to the importer in accordance with the delivery terms and during the delivery period specified in the purchase authorization, or any amendment or modification thereto.

(3) Contracts for a commodity, under a purchase authorization which limits delivery terms to f.o.b. or f.a.s., must be separate and apart from the contracts for ocean transportation of the commodity.

(4) The supplier’s sales price may not exceed the prevailing range of export market prices as applied to the terms of sale at the time of sale, as determined by USDA. The “time of sale” is the date and time specified in the IFB for receipt of offers; or the date of the contract amendment if the amendment affects the sale price, as determined by USDA. The contract price may not be on a cost plus a percentage-of-cost basis.

(c) Contracting procedures—(1) Purchasing—general. (i) Importers must purchase commodities on the basis of IFB’s.

(ii) The participant shall maintain a record of all offers received from suppliers until the expiration of three years after final payment under contracts awarded under the purchase authorization. The GSM may examine these records or request specific information in connection with the offers.

(2) Invitations for bids. The following conditions shall apply on all purchases of commodities on the basis of IFB’s:

(i) The General Sales Manager must approve the terms of the IFB before it is issued by the importer.

(ii) The importer shall issue the IFB in the United States and shall open all offers in public in the United States at the time and place specified in the IFB.

(iii) The IFB must permit submission of offers from all suppliers who meet the requirements of this subpart.

(iv) The IFB may not preclude offers for shipment from any United States port(s) unless the purchase authorization provides for exportation only from certain ports.

(v) The IFB may not establish minimum quantities to be offered or which will be considered.
(vi) The IFB must stipulate the responsibility for each party for payment of any costs not eligible for financing by CCC.

(vii) The IFB must be in compliance with this part, the purchase authorization, and sound commercial standards.

3 Contract awards. (i) The importer shall consider only offers which are responsive to the IFB and shall make awards either on the basis of the lowest commodity price(s) offered or on the basis of lowest landed cost. However, when vessels offered under the flag of the participant, the importing country or the destination country; or vessels controlled by the participant, the importing country or the destination country are to be used, the participant must purchase commodities for shipment on such vessels only on the basis of the lowest commodity price(s) offered. This limitation may, however, be waived by the GSM:

(A) When the lowest commodity price(s) offered are in locations where vessels cannot reasonably be made available without a substantial increase in freight costs to the participant;

(B) For small quantities offered at additional loading points (in aggregate not more than 15 percent of the total tonnage offered by a vessel); or

(C) Where this limitation would conflict with the purposes of the program.

(ii) For purposes of this section, “lowest commodity price(s)” means the lowest commodity price(s) offered for loading onto the type of vessel (dry bulk carrier, tanker, etc.) to be utilized to carry the commodity purchased.

(iii) For purposes of this section, “lowest landed cost” means the combination of commodity price and ocean freight rate resulting in the lowest total cost to deliver the commodity to the importing country, considering the quantity which must be shipped on privately owned U.S.-flag commercial vessels, as determined by the Director. Lowest landed cost may be defined on either a foreign flag or U.S. flag basis. Awards may not be made on the lowest landed cost basis unless IFB's are issued for commodity and ocean freight so that all commodity and ocean freight offers are reviewed simultaneously.

(iv) Participants are encouraged to purchase commodities on the basis of lowest landed cost when U.S. flag vessels are to be used. If such commodity purchases are not made on the basis of lowest landed cost (U.S. flag), ocean freight differential payments will nonetheless be calculated on the rates of U.S. flag vessels which would represent the lowest landed cost.

(v) Announcement of awards shall be made in the United States. The importer shall promptly submit to the Director copies of all offers received with a copy of the IFB which was issued. No sale can be approved for financing until this information has been received by FAS. The decision of the GSM shall be final regarding the responsiveness of offers to IFB terms in the awarding of contracts.

(d) Contract quantity eligible for financing. The quantity eligible for financing in the contract between the supplier and the importer may not exceed that quantity approved by the Pub. L. 480 Operations Division, FAS, including any approved contract tolerance.

(e) Contract disputes. Contracts between suppliers and importers should stipulate the responsibility of each party for payment of any costs not eligible for financing by CCC. Questions as to payment of ineligible costs should be resolved between the contracting parties.

(f) Contract provisions. Each contract entered into for financing under this part is deemed to include all terms and conditions required by the regulations in this part.

(g) Export Trade Act (Webb-Pomerene Law). A supplier who is a member of a Webb-Pomerene association and who enters into contracts with importers as a member of such an association shall so indicate in a statement on, or attached to, the copy of the supplier's detailed invoice referred to in §17.9(c)(2).

§17.6 Discounts, fees, commissions and payments.

For purposes of this section, the term “payment” means a commission, fee or other compensation of any kind. The term “other compensation of any
kind” includes anything given in return for any consideration, services, or benefits received or to be received.

(a) Discounts. If a contract provides for one or more discounts (including but not limited to trade or quantity discounts and discounts for prompt payment) whether expressed as such or as “commissions” to the importer, CCC will only pay the invoice amount after the discount (supplier’s contracted price less all discounts).

(b) Selling agents. (1) A supplier may not make a payment to a selling agent employed or engaged by the supplier to obtain a contract. This prohibition applies to any payment to a person who has acted as a selling agent to obtain a contract even though the payment may be for services performed that are not themselves services to obtain a contract.

(2) A person is deemed to act “to obtain a contract” if the person acts on behalf of a commodity supplier to:

(i) Influence a buyer to award a contract to the supplier;
(ii) Give the supplier a competitive advantage in relation to other potential suppliers; or
(iii) Influence CCC to approve a contract for financing under this part.

(3) CCC will not consider acts which are purely ministerial in nature and do not require the exercise of personal influence, judgment, or discretion (such as attending bid openings or presenting offers at bid openings), or services to implement a contract after it has been entered into by the parties (such as handling documentation problems or contract disputes), as acts to obtain a contract.

(c) Other prohibitions. (1) Suppliers of commodities or ocean transportation may not:

(i) Pay a commission to the participant or importer; to any agency, including an agency of the government of the importing country or the destination country; or to a corporation owned or controlled by the participant or the government of the importing country or the destination country.

(ii) Pay a commission to any affiliate of the participant, if the participant is a private entity;

(iii) Make any payment to an agent of the participant or importer, in the person’s capacity as such agent, other than ocean transportation brokerage commissions.

(iv) Pay an address commission or payment.

(2) For ocean transportation, in addition to this paragraph, see also §17.8(j).

(3) When any portion of the ocean freight is financed by CCC, total ocean transportation brokerage commissions earned on U.S. and non-U.S.-flag bookings by all parties arranging vessel fixtures shall not exceed 2½ percent of the total freight costs.

(4) If a payment is made in violation of this section, CCC may demand dollar refund of the entire amount financed by CCC under the contract.

§ 17.7 Notice of sale procedures.

(a) Telephonic notice of sale. The supplier shall, immediately upon making a firm sale, telephone a notice of sale to Pub L. 480 Operations Division, FAS. A sale is considered firm when the supplier has been notified by the importer of an award, even though the contract is conditioned on approval by FAS (see §17.5(b)(1)). If the supplier fails to furnish a notice of sale within 3 working days after the date of sale, CCC has the right to refuse to finance the sale.

(b) Sale approval. (1) Pub. L. 480 Operations Division will notify the supplier by telephone of approval of the notice of sale.

(2) The supplier will prepare Form FAS–359, “Declaration of Sale,” and submit it to Pub. L. 480 Operations Division promptly as soon as FAS has provided the CCC Registration Number to the supplier. The supplier or the supplier’s authorized representative must sign the form.

(3) Each Form FAS–359 shall cover only a single sale contract. If a sale is made under two or more purchase authorizations, the supplier will prepare separate forms for each purchase authorization.

(4) If any correction is needed to the Form FAS–359, the supplier must immediately notify FAS. If a contract is amended, the supplier should present the original Form FAS–359 for payment along with a copy of the written USDA approval of the contract amendment.

(c) Sale disapproval. (1) Pub. L. 480 Operations Division, FAS, will notify the
§ 17.8

supplier by telephone when a sale is disapproved for financing. The related contract between the supplier and importer shall, for purposes of financing, be considered null and void.

(2) On receipt of a notice of disapproval, the supplier shall promptly notify the importer.

(d) Contract delivery period. Price approval is limited to exports made during the delivery period stated in the notice of sale or any contract amendment approved by the Pub. L. 480 Operations Division, FAS. If the supplier cannot complete delivery by the terminal delivery date of the contract delivery period, the supplier and the participant or importer shall submit a notice of contract amendment as provided in paragraph (e) of this section. If the supplier fails to comply, §17.10(d) shall apply.

(e) Contract amendments. (1) The supplier and the participant or importer shall each submit a written notice of each contract amendment to the Director immediately after the amendment to the contract is made. This includes not only any change in the contract delivery period or any other terms and conditions of the contract.

(2) The notice of contract amendment must contain the following:

(i) A request that USDA approve an amendment to the specifically identified sale contract between (the participant or importer) and (the commodity supplier).

(ii) A statement of what the amendment consists of (as, extension of delivery period through (date)) and a detailed explanation of the reasons for the amendment.

(iii) A statement that the contract amendment has been agreed to by both buyer and seller.

(3) Pub. Law 480 Operations Division, FAS, will notify the supplier as to whether the amendment is approved or disapproved.

(4) The supplier shall furnish a copy of the USDA approval of the amendment with other documentation submitted to obtain payment.

(5) If the supplier fails to furnish notice of a contract amendment to Pub. L. 480 Operations Division, FAS, within 3 working days after the date of such amendment, CCC has the right to refuse to finance the sale or any portion of the sale.

(6) Any amendment must be consistent with the provisions of the purchase authorization and this part and must otherwise be acceptable to Pub. L. 480 Operations Division, FAS.

§ 17.8 Ocean transportation.

(a) General. (1) This section applies to the financing of ocean freight or ocean freight differential. Ocean freight will be financed by CCC only to the extent specifically provided for in the purchase authorization. The purchase authorization may provide requirements in addition to or in lieu of those specified in this section.

(2) The supplier of ocean transportation must be engaged in the business of furnishing ocean transportation from the United States and must have a person, principal or agent, on whom service of judicial process may be had in the United States.

(3) The quantity of the commodity which must be shipped on privately owned U.S.-flag commercial vessels will be determined by the Director.

(4) The supplier of ocean transportation shall release copies of the ocean bills of lading to the supplier of the commodity promptly upon completion of loading of the vessel.

(5) When CCC finances any part of the ocean freight or the ocean freight differential, the participant must open an operable irrevocable letter of credit for the portion of the ocean freight not financed by CCC. All banking institution charges, such as commissions, expenses, etc., are for the account of the participant. The amount of the letter of credit shall be computed using the information provided in the Form CCC-106. The letter of credit shall provide for sight payment or acceptance of a draft, payable in U.S. dollars, on the basis of the quantities specified in the applicable ocean freight contract. If the supplier of ocean transportation accepts the commodity before receipt of an acceptable letter of credit from a bank, the supplier takes such action at
its own risk. This action in itself does not affect eligibility for CCC financing.

(b) Contracting procedures—(1) Invitations for Bids (IFB's). (i) Public freight “invitations for Bids” are required in the solicitation of freight offers from all U.S. and non-U.S. flag vessels when CCC is financing any portion of the ocean freight.

(ii) For non-U.S. flag vessels when CCC is not financing any portion of the ocean freight, public freight IFB’s are also required unless otherwise authorized by the Director, or unless the participant requires the use of vessels under its flag, the flag of the destination country, or other non-U.S. flag vessels under its control. Vessels considered to be under the control of the participant or the destination country include vessels under time charters, bare boat charters, consecutive voyage charters, or other contractual arrangements for the carriage of commodities which provide guaranteed access to vessels.

(iii) Prior to release to the trade, all freight IFB’s must be submitted to the Director for approval. Freight IFB’s must be issued by means of Bridge News, New York, plus at least one other means of communication.

(iv) All freight IFB’s must:

(A) Specify a closing time for the receipt of offers and state that late offers will not be considered;

(B) Provide that offers are required to have a canceling date no later than the last contract layday specified in the IFB;

(C) Provide the same deadline for receipt of offers from both U.S. flag vessels and non-U.S. flag vessels;

(D) Stipulate the responsibility for each party for payment of any costs not eligible for financing by CCC (in the IFB or the pro forma charter party).

(2) Competitive bidding. When CCC is financing any portion of the freight, all offers shall be opened in public in the United States at the time and place specified in the IFB. Offers shall be opened prior to receipt of offers for the sale of commodities as the Director determines appropriate. Only offers which are responsive to the IFB may be considered, and no negotiation shall be permitted.

(3) Records of offers. Copies of all offers received must be promptly furnished to the Director, who may require the participant, or its shipping agent, to submit a written certification to the GSM that all offers received (with the times of receipt designated thereon) were transmitted to the Department. For purposes of this paragraph “time of receipt” shall be the time a hand-carried offer or a mailed offer was received at the designated location for presentation or, if transmitted electronically, the time the offer was received, as supported by evidence satisfactory to the Director.

(4) Re-tenders. The Director may permit or require a participant to refuse any and all bids, and in such case a participant may conduct a re-tender with the approval of the Director. The Director shall not approve or require freight re-tenders unless they will increase the likelihood of meeting U.S. flag cargo preference requirements, will permit the desired quantity to be shipped, will likely result in reduced CCC expenditures, or are otherwise determined to be in the best interest of the program.

(c) Request for vessel approval. The pertinent terms of all proposed charters and all proposed liner bookings, regardless of whether any portion of ocean freight is financed by CCC, must be submitted to the Director for review and approval before fixture of the vessel. Tentative advance vessel approvals may be obtained by telephone provided Form CCC–105, “Ocean Shipment Data—Pub. L. 480 (Request for Vessel Approval)”, is furnished promptly confirming the information supplied by telephone. The Form CCC–105 shall be submitted in duplicate to the Director.

(d) Advice of vessel approval. (1) USDA will give written approval of charters and liner bookings on Form CCC–106, “Advice of Vessel Approval.” The Form CCC–106 will state whether CCC will finance any part of the ocean freight. For f.a.s. or f.o.b. shipments, CCC will issue Form CCC–106 to the ocean carrier when CCC finances any part of the ocean freight. For c.& f. or c.i.f. shipments, CCC will issue Form CCC–106 to the supplier of commodity.
(2) If CCC agrees to finance any portion of the ocean freight, the participant or its agent shall forward a copy of the ocean freight contract immediately after execution to the Director for review and approval prior to issuance of Form CCC–106.

(3) CCC may also require the supplier of ocean transportation to submit copies of lightening, stevedoring, or bagging contracts for any voyage for which CCC finances ocean freight or ocean freight differential.

(e) Special charter party provisions required when any part of ocean freight is financed by CCC. This paragraph applies when CCC finances any part of the ocean freight for commodities booked on charter terms. In the event of any conflict between the provisions of the regulations in this part and the charter party or ocean bills of lading issued pursuant thereto, the provisions of the regulations in this part shall prevail. The charter party shall contain or, for the purpose of financing pursuant to the regulations in this part, be deemed to contain the following provisions:

(1) That if there is any failure on the part of the supplier of ocean transportation to perform the charter party after the vessel has tendered at the loading port, the charterer shall be entitled to incur all expenses which in the judgment of the General Sales Manager are required to enable the vessel to carry out her obligations under the charter party including, but not limited to, expenses for lifting any liens asserted against the vessel.

(2) That, notwithstanding any prior assignments of freight made by the owner or operator, the expenses authorized in paragraph (e)(1) of this section may be deducted from the freight earned under the charter party.

(3) That ocean freight is earned and that 100% thereof is payable by the charterers when the vessel and cargo arrive at the first port of discharge, subject to paragraph (e)(4) of this section, and to the further condition that if a force majeure as described in paragraph (l)(1) of this section results in the loss of part of the vessel’s cargo, 100% of the ocean freight is payable on the part so lost. This provision does not relieve the carrier of the obligation to carry to other points of discharge if so required by the charter party.

(4) That if a force majeure as described in paragraph (l)(1) of this section prevents the vessel’s arrival at the first port of discharge, the freight shall be payable by the charterer at the time the General Sales Manager determines that such force majeure was the cause of nonarrival.

(5) That laydays are non-reversible.

(6) That in a dispute involving any rights and obligations of CCC, including rights and obligations as successor or assignee, which cannot be settled by agreement, the dispute shall not be subject to arbitration.

(f) Special charter party information required when any part of ocean freight is financed by CCC. When CCC finances any part of the ocean freight for commodities booked on charter terms, the charter party shall contain the following information:

(1) The name of each party participating in the ocean freight brokerage commission, if any, and the percentage thereof payable to each party;

(2) The name of the vessel and the name of the substitute vessel, if any.

(g) Notice of arrival. Each Form CCC–106 will indicate whether a notice of arrival is required. A notice of arrival, when required, must be furnished promptly by the participant or its designated agent or other source acceptable to CCC (excluding the carrier or its agent) and must include the name of the vessel, the purchase authorization number, the first port of discharge, and the date of arrival. The notice of arrival of the vessel also constitutes prima facie evidence of arrival of the cargo.

(h) Foreign flag vessels. The cost of ocean transportation will be financed by CCC on non-U.S. flag vessels only when, and to the extent, specifically provided in the applicable purchase authorization.

(1) U.S.-flag vessels. When a commodity is required to be shipped on a privately owned U.S.-flag commercial vessel, Form CCC–106 will set forth:

(1) The rate of the ocean freight differential, if any, which the Director determines to exist between the prevailing foreign-flag vessel rate and the U.S.-flag vessel rate; and
(2) The approximate tonnage for which CCC will authorize reimbursement of ocean freight or ocean freight differential, as appropriate.

(j) **Items not eligible for financing by CCC.** The following costs will not be financed by CCC, either separately or as part of the commodity contract price:

1. Loading, trimming, and other related shipping expenses unless included in the ocean freight rate;
2. Discharge costs unless included in the ocean freight rate;
3. The cost of "dead freight";
4. Cargo dues and taxes assessed by the importing or recipient country;
5. Surcharges assessed by steamship conferences or carriers, unless specifically authorized by the Director;
6. General average contributions;
7. Stevedoring overtime and vessel crew overtime;
8. Ship's disbursements;
9. Any payments prohibited in § 17.6(b) and (c); and
10. Detention.

(k) **General financing provisions.** When any part of ocean freight will be financed either separately or as part of the commodity contract price, the following shall apply:

1. Ocean freight contracts must show the ocean freight rate from one loading port to one discharge port, and may provide for an increase in rate for an additional port of loading or discharge, or other option. CCC, however, will finance initially the lowest such rate or OFD, as appropriate. Increased amounts due because of the exercise of such option will be financed only after receipt of an ocean bill of lading or other evidence showing that the option was exercised.
2. In the case of transshipment to a foreign flag vessel, CCC will finance the ocean freight or OFD, as appropriate, only to the point of transshipment, at a rate determined by the GSM, and CCC will not finance any part of the ocean freight beyond the point of transshipment unless specifically approved by the GSM. If the commodity was transported from a U.S. port and was transshipped at another U.S. port, CCC will not finance, without prior approval of the GSM, any part of the ocean freight incurred before transshipment.
3. The ocean freight rate eligible for CCC financing and the rate used for the U.S.-flag vessel in calculating ocean freight differential shall not exceed the following rates for the category of the vessel concerned:
   i. For commodities covered by published tariff rates—the published conference contract rate;
   ii. For other commodities—the market rate prevailing at the time of request for approval as determined by the Director, but in any event not in excess of rates charged other shippers (irrespective of booking dates) for like commodities on the voyage concerned.

4. Payment will be made for ocean freight or OFD, as appropriate, from loading points to discharge points at rates approved by the Director on Form CCC–106 in conformity with paragraph (k)(3) of this section.

5. Freight for a vessel designated on Form CCC–106 as a U.S. flag vessel shall not be eligible for financing unless such vessel complies with the provisions of Pub. L. 87–266.

6. Ocean freight contracts must specify that the participant shall be liable for detention of the vessel for loading delays attributable solely to the decision of the supplier of ocean transportation not to commence loading because of the failure of the participant to establish an ocean freight letter of credit in accordance with paragraph (a)(5) of this section. However, ocean freight contracts may not contain a specified detention rate. The ocean transportation supplier shall be entitled to reimbursement for detention costs for all time so lost, for each calendar day or any part of the calendar day, including Saturdays, Sundays and holidays. The period of such delay shall not commence earlier than upon presentation of the vessel at the designated loading port within the laydays specified in the ocean freight contract, and upon notification of the vessel’s readiness to load in accordance with the terms of the applicable ocean freight contract. The period of such delay shall end at the time that operable irrevocable letters of credit have been established for the applicable ocean freight or the time the vessel begins loading, whichever is earlier. Time calculated as detention shall not count
as laytime. Reimbursement for such detention shall be payable no later than upon the vessel’s arrival at the first port of discharge.

(1) Force majeure. (1) The GSM will waive the requirement for the notice of arrival required by Form CCC–106 by a written notice to the supplier of ocean transportation on the receipt of evidence satisfactory to the General Sales Manager that the vessel is lost or unable to proceed to destination after completion of loading as a result of one or more of the following causes: Damage caused by perils of the sea or other waters; collisions; wrecks; stranding without the fault of the carrier; jetison; fire from any cause; Act of God; public enemies or pirates; arrest or restraint of princes, rulers or peoples without the fault of the supplier of ocean transportation; wars; public disorders; captures; or detention by public authority in the interest of public safety. The supplier may substitute such waiver for the notice of arrival.

(2) The determination of a force majeure by the GSM shall not relieve the participant from its obligation under the Agricultural Commodities Agreement to pay CCC, when due, the dollar amount of ocean freight, plus interest (exclusive of ocean freight differential), financed by CCC.

(m) Demurrage/despatch. CCC will not finance demurrage and CCC will not share in despatch earnings. Owners and commodity suppliers will settle laytime accounts at load port(s) and owners and charterers will settle laytime accounts at discharge port(s). Under no circumstances shall CCC be responsible for resolving disputes involving calculation of laytime or the payment of demurrage or despatch.

(n) Ocean freight included in the commodity contract price. For cost and freight or c.i.f. contracts the ocean freight, or the ocean freight differential, as appropriate, will be financed only to the extent specifically provided in the applicable purchase authorization.

(o) Separate freight contracts. Contracts for ocean transportation, under a purchase authorization which limits delivery terms to f.o.b. or f.a.s., must be separate and apart from the contracts for the commodity.

§ 17.9 CCC payment to suppliers.

(a) General. (1) The supplier shall request payment from CCC for the amount of the commodity price or the ocean freight or ocean freight differential to be financed by CCC.

(2) The supplier shall support such a request for payment by presenting to CCC the documents required by this section, the purchase authorization, and the IFB, unless such documents were previously submitted to CCC. Such documents, however, need not be submitted when and to the extent that the Controller determines that the intended purpose of a document is served by documents otherwise available to or under the control of CCC or by alternate documents specified in such determination.

(3) CCC will examine each document to ascertain that it is in accordance with this part, the purchase authorization, and the IFB. CCC will audit all the required documents to ensure accuracy, completeness, and consistency. When CCC has determined that all required documents have been submitted and that the documents are acceptable for payment, CCC will pay the supplier for the commodity price or the ocean freight or ocean freight differential to be financed by CCC which is supported by the documents.

(4) CCC is required to issue all payments by electronic transfer. Each supplier submitting documents to CCC for payment must provide the name of the company, the bank ABA number to which payment is to be made, the account number for the company at the bank, the company’s Taxpayer Identification Number, and the type of account being used.

(b) General documentation requirements. The supplier must put the appropriate purchase authorization number on all required documents which are prepared under the supplier’s control, and should arrange for the appropriate purchase authorization number to be put on all other required documents at the time of their preparation.

(c) Documents required for payment—commodity. The general provisions relating to such documents are as follows. Additional requirements for payment to commodity suppliers for
c.& f. or c.i.f. sales are contained in paragraph (c)(8) of this section.

(1) Supplier's certificate. A signed original of Form CCC–329 “Supplier’s Certificate” from the commodity supplier covering the net invoice price for the commodity.

(2) Supplier’s detailed invoice. Two copies of the supplier’s detailed invoice showing quantity, description, contracted price, net total invoice price expressed in dollars, the amount for which financing is requested from CCC, the amount not eligible for financing by CCC, and basis of delivery of the commodity (e.g., f.o.b. vessel). In arriving at the net invoice price there shall be deducted:

(i) All discounts from the supplier’s contracted price through payments, credits, or other allowances made or to be made to the importer, the importer’s agent or consignee;

(ii) All purchasing agents’ commissions;

(iii) All other amounts not eligible for financing.

(3) Additional payment. A request for an additional payment submitted for a transaction for which all or part of the required documents have been previously submitted to CCC shall be supported by a Form CCC–329 “Supplier’s Certificate” and the supplier’s detailed invoice, covering the additional amount requested. The supplier’s invoice must show the date, serial number and the amount of the original invoice and the basis for the additional amount claimed.

(4) Weight certificate. The weight certificate shall be issued by or on authority of a State or other governmental weighing department, Chamber of Commerce, Board of Trade, Grain Exchange, or other independent organization or firm providing public weighing services. Such organization or firm must have:

(i) Qualified, impartial, paid employees who are stationed at the port facility or, if authorized under the applicable purchase authorization, other facility where weights are customarily determined, one of whom supervised the employee of such a facility in the performance of the weighing covered by the certificate.

(ii) Qualified, independent, impartial, supervised, weighmasters stationed at the port facility or, if authorized under the applicable purchase authorization, another facility where weights are customarily determined, one of whom supervised the employee of such a facility in the performance of the weighing covered by the certificate.

(5) Federal appeal inspection. The official certificate representing the results of an appeal inspection, when included in the documents presented for payment, shall supersede any other inspection certificate required by this part, the applicable purchase authorization, the IFB or the contract.

(6) Form CCC–359. (i) Form FAS–359, “Declaration of Sale,” signed for the GSM, is the written document by which USDA notified the supplier that the sale was approved for financing. The supplier shall submit Form FAS–359 to CCC with the documents covering the first transaction under the contract. The unit price shown on the supplier’s invoice must not exceed the approved unit price shown on the Form FAS–359.

(ii) For subsequent transactions under the same contract, the supplier shall certify on the CCC copy of the detailed invoice as follows:

I hereby certify that the applicable Form FAS–359 was submitted to CCC with documents covering Invoice No. dated for $.

(7) Bill of lading. Four copies of the ocean bill of lading.

(8) C.& f. or c.i.f. sales. In addition to the requirements of paragraph (c)(1) through (7) of this section, the following requirements apply for c.& f. or c.i.f. sales:

(i) Signed original of Form CCC–106.

(ii) The supplier’s detailed invoice shall show a computation of the dollar amount of ocean freight differential, whenever the Form CCC–106 provides for an ocean freight differential on a cost and freight or c.i.f. sale and authorizes financing of any portion of ocean freight by CCC. In arriving at the net invoice price the supplier shall deduct the ocean freight, or portion thereof which is not being financed by CCC.

(iii) One nonnegotiable copy of the insurance certificate or policy where the cost of insurance is included in the price of the commodity to be financed by CCC.
§ 17.10 Refunds and insurance.

(a) Participant—failure to comply. The participant shall pay in U.S. dollars promptly to CCC on demand by the General Sales Manager the entire amount financed by CCC (or such lesser amount as the GSM may demand) whenever the GSM determines that the participant has failed to comply with any agreement or commitment made by the participant in connection with the transaction financed or with the applicable Agricultural Commodities Agreement between the U.S. and the participant.

(b) Adjustment refunds. All claims by importers for adjustment refunds arising out of terms of the contract or out of the normal customs of the trade, including arbitration and appeal awards, allowances, and claims for overpayment of ocean transportation, if such

(i) A statement signed by the ship’s master, owner, or owner’s agent, and signed laytime statements or other written concurrence of charterer or the charterer’s agent showing the exercise of the higher rated option.

(e) Payment of freight by CCC prior to the vessel’s arrival at the discharge port.

(1) Upon request by the supplier, CCC may pay the ocean freight or ocean freight differential to be financed by CCC before the vessel arrives at the first port of discharge if the supplier furnishes CCC financial coverage in the form of an acceptable letter of credit from a U.S. bank.

(2) The amount of security required by CCC under paragraph (e)(1) of this section may be computed by multiplying the ocean freight rate or ocean freight differential rate financed by CCC as shown on the related Form CCC–106 times either:

(i) The tonnage shown on the related bill of lading, if the bill of lading is furnished to CCC; or

(ii) The tonnage stated in the ocean freight contract (without tolerance).

(3) On receipt of an acceptable letter of credit, the Controller will issue a waiver of the notice of arrival which is required under paragraph (d)(2) of this section.

(f) Advice of amount financed. CCC will forward advice of payment to the participant.

§ 17.10 Refunds and insurance.

(iv) A request for an additional payment shall also include a statement signed by the ship’s master or owner (or agent of either of them) showing exercise of the higher-rated option, if the payment is stated to be due because of the exercise of a higher-rated option provided in an ocean freight contract.

(d) Documents required for payment—ocean freight financed separately from commodity price—(1) Supplier’s certificate. A signed original of Form CCC–329, “Supplier’s Certificate”, executed by the carrier or its agent, covering the dollar cost of ocean freight or ocean freight differential.

(2) Ocean bill of lading. One copy of the ocean bill of lading and, if required by the related Form CCC–106, a notice of arrival at the first port of discharge of the vessel named in the Form CCC–106. In lieu of a notice of arrival the carrier may present a waiver of the notice of arrival signed by the GSM or Controller.

(3) Invoice. One copy of the carrier’s invoice which shows the total freight costs, the amount not eligible for financing by CCC, and the amount for which payment is requested from CCC. If the invoice relates to a U.S.-flag vessel, such invoice shall contain the following typed or stamped certification, executed by the supplier:

The undersigned hereby certifies that the vessel named herein and for which ocean freight is claimed, qualifies as a privately owned U.S.-flag commercial vessel within the requirements of Pub. L. 87–266 and is an eligible U.S.-flag vessel for the purposes of Pub. L. 664, 83rd Congress.

(4) Form CCC–106. Signed original of Form CCC–106.

(5) Ocean freight contract. One copy of the ocean freight contract.

(6) Higher rated option. A request for payment of any amounts claimed because of the exercise of a higher rated option following payment of a lower rated option pursuant to §17.8(k)(1) shall be supported by the following documents:

(i) One copy of the carrier’s invoice as described in paragraph (d)(3) of this section except for the certification required therein.

(iii) A statement signed by the ship’s master, owner, or owner’s agent, and signed laytime statements or other written concurrence of charterer or the charterer’s agent showing the exercise of the higher rated option.
refunds relate to amounts financed by CCC, shall be settled by payment in U.S. dollars and such payment shall be remitted by the supplier to CCC. The remittance shall be identified with the date and amount of the original payment and the applicable purchase authorization number.

(c) **Insurance on c.i.f. sales.** The provisions of this paragraph apply only to transactions under purchase authorizations that specifically authorize c.i.f. sales in which the cost of insurance is included in the net c.i.f. invoice price of the commodity financed. When the supplier furnishes insurance in favor of or for the account of the importer, the policies or certificates of insurance shall include a loss payable clause which provides that all claims shall be paid in U.S. dollars to the Controller. Such payments shall be accompanied by advice of the purchase authorization number, the names and addresses of the supplier and importer, the nature of the claim, the quantity of the commodity involved in the claim, the date of shipment, the bill of lading number, and the name of the vessel. CCC will credit the account of the participant or will refund local currency in accordance with paragraph (e) of this section.

(d) **Refund of ineligible amounts.** If a sale has been financed and CCC determines that the sales price exceeds the price permissible under §17.5(b)(4), or that the sale is otherwise ineligible for financing, in whole or in part, the supplier shall refund in dollars such excess price or ineligible amount to CCC promptly on demand. If not promptly refunded, such amount may be set off by CCC against monies it owes to the supplier. The making of any such refund to CCC, or any such setoff by CCC shall not prejudice the right of the supplier to challenge such determination in a court action brought against CCC for recovery of the amount refunded or set off.

(e) **Refund of local currency or reduction of amount due.** Immediately after receipt by CCC of U.S. dollar payment from suppliers, or from or for the account of the participant under this section, CCC will provide for payment to the participant of the local currency equivalent of dollars received, if such local currency has been deposited for the particular transaction, or will credit the participant’s account as follows:

1. For payments under this section, except paragraph (a), the local currency refunded will be at the exchange rate agreed to by the Government of the United States and the participant in effect at the time the local currency is paid to or for the account of the importer, except that if there has been a change in the exchange system or structure of the importing country or the destination country, such payment shall be made at the agreed exchange rate which was in effect on the date of dollar disbursement for the transaction financed, and except further that local currency shall not be paid when the dollars are to be reauthorized for replacement of the commodity.

2. For payment under paragraph (a) of this section, the local currency refunded will be at the agreed exchange rate in effect on the date of the dollar disbursement for the transaction financed: Provided, that local currency will not be refunded to the extent that deposits of such currency have been made available to the participant on a grant basis.

3. For refunds received by CCC under long-term credit agreements the participant’s account shall be credited with the dollar amount refunded or otherwise recovered, and the participant notified accordingly.

§ 17.11 Recordkeeping and access to records.

Suppliers and agents of the participant or importer shall keep accurate books, records and accounts with respect to all contracts entered into hereunder, including those pertaining to ocean transportation-related services and records of all payments by suppliers to representatives of the importer or participant, if CCC finances any part of the ocean freight. Suppliers and agents shall permit authorized representatives of the U.S. Government to have access to their premises during regular hours to inspect, examine, audit and make copies of such books, records and accounts. Suppliers and agents shall retain such records until the expiration of three years after final payment under such contracts.

[56 FR 32951, July 18, 1991]

§ 20.2 Administration.

The regulations of this part will be administered by the Foreign Agricultural Service (FAS) under the general supervision of the Administrator, FAS.
Information pertaining to these regulations may be obtained from the office specified in §20.10.

[Amtd. 3, 45 FR 8562, Feb. 8, 1980]

§ 20.3 Delegation of authority.

Authority has been delegated to the Administrator to promulgate amendments and revisions to the regulations in this part.

[Amtd. 3, 45 FR 8562, Feb. 8, 1980]

§ 20.4 Definitions.

As used in these regulations and in all instructions, forms, and documents pertaining hereto, the words and phrases defined in this section shall have the meaning assigned to them as follows:

(a) Administrator. The Administrator, Foreign Agricultural Service, U.S. Department of Agriculture.

(b) Buy-back contract. A transaction under which a reporting exporter having sold a commodity for export to a foreign buyer liquidates the export sale contract by making an offsetting purchase of the same kind of commodity from the same foreign buyer.

(c) Commodity. Wheat and wheat flour, feed grains, oilseeds, cotton, rice, cattle hides and skins, beef and pork, and any products thereof, and any other agricultural commodity the Secretary may designate. “Commodity” shall also mean a commodity having identifying characteristics as described in any announcement issued pursuant to §20.5 such as class(es) of wheat and rice, or staple length(s) of cotton. Mixed wheat shall be considered to be the predominant wheat class of the blend. This definition excludes commodities to be used for seed which have been treated in such a manner that their use is limited to seed for planting purposes or on which a certificate has been issued by a recognized seed testing laboratory setting forth variety, germination and purity.

(d) Country of destination. (1) Any country outside the United States or (2) any territory or possession of the United States. Country of destination shall be the ultimate destination of the export, and shall not be deemed to be the country through which any transshipment takes place.

(e) Export. A shipment of a commodity from the United States destined to a country specified in paragraph (d) of this section. The commodity shall be deemed to have been exported on the date of the applicable export carrier onboard bill of lading or the date the commodity is received for shipment, as specified on the bill of lading, in the case of a commodity received for shipment in a lash barge or containerized van if a through on-board bill of lading is issued for shipment to a country specified in paragraph (d) of this section.

(f) Export carrier. The vessel on which a commodity is exported from the United States to a country specified in paragraph (d) of this section, or if export is by railcar, truck, or airplane, “export carrier” means such railcar, truck, or airplane.

(g) Exports for exporter’s own account. A transaction involving shipments made by the reporting exporter which are unsold at the time of export, shipments on consignment to selling agents of the reporting exporter for subsequent sale for the account of the reporting exporter, shipments by the reporting exporter that have not been allocated to any outstanding export sale, and shipments from the United States to any foreign country in bond for subsequent shipment to a third country.

(h) Export sale. A transaction entered into between a reporting exporter and a foreign buyer. The transaction must be represented by a written document evidencing that (1) the exporter agrees to export the commodity, (2) the foreign buyer agrees to receive the commodity, (3) a fixed price or an agreed upon mechanism by which such a price can be determined is established, and (4) payment will be made to or for the account of the reporting exporter by or on the behalf of the foreign buyer for delivery of the commodity. The quantity of “outstanding export sale” means the quantity not yet exported under an export sale. The terms of delivery specified in the written agreement, such as FAS vessel, FOB vessel, C&F, CIF, etc., do not determine whether a transaction is an export sale which must be reported. A transaction which otherwise meets this definition
and is subject to the posting of an exporter performance bond or letter of credit from the foreign buyer is included in this definition and such a transaction shall be reported under these regulations. However, a transaction which becomes operative only upon the imposition of export controls is excluded from this definition of “export sale” and such a transaction shall not be reported under these regulations.

(i) Foreign buyer and foreign seller. A person whose place of doing business with respect to the transaction is outside the United States. Foreign buyer or foreign seller includes a person who maintains a place of doing business outside the United States even though the transaction is concluded in the United States by his agent who has a place of business in the United States or by his employee who does not maintain a place of doing business in the United States. (If such employee maintains a place of doing business in the United States with respect to the transaction, the resulting contract is construed to be a domestic sale.) Notwithstanding the foregoing, all foreign governments, agencies and instrumentalities are considered foreign buyers or foreign sellers even though transactions are concluded by their employees in the United States or they maintain a place of business with respect to the transaction in the United States. (If such employee maintains a place of doing business in the United States with respect to the transaction, the resulting contract is construed to be a domestic sale.) Notwithstanding the foregoing, all foreign governments, agencies and instrumentalities are considered foreign buyers or foreign sellers even though transactions are concluded by their employees in the United States or they maintain a place of business with respect to the transaction in the United States.

(j) Marketing year. The reporting period specified for a commodity in appendix 1.

(k) Optional origin contracts. A transaction involving an export sale contract between a reporting exporter and a foreign buyer under which the reporting exporter has the option of exporting the commodity from the United States or from one or more other exporting countries or an export sale contract under which no origin is specified.

(l) Person. An individual, partnership, corporation, association or other legal entity.

(m) Purchases from foreign sellers. A transaction involving the purchase of a commodity from a seller whose place of business with respect to the transaction is outside the United States.

(n) Quantity. The actual contract quantity (exclusive of any upward or downward tolerance) specified in the agreement between the reporting exporter and foreign buyer or seller.

(o) Reporting exporter. A person who enters into a transaction referred to in this section whose place of doing business with respect to such transaction is in the United States. A reporting exporter shall include any person who sells a commodity to a foreign buyer irrespective of whether or not such person may appear as the shipper on the export documentation or whether or not such person is required to file a Shipper’s Export Declaration. A reporting exporter would not normally include agents of either the reporting exporter or foreign buyer, brokers, or freight forwarders unless such agents, brokers or freight forwarders are acting in the capacity of a principal. (See examples §20.6(c).)

(p) United States. All of the 50 States, the District of Columbia and Puerto Rico.

§ 20.5 Announcements.

Commodities for which reports are required under these regulations are set forth in appendix 1 to this part. Any change therein will be made by publication in the Federal Register of an amendment thereto, and, in addition, announcement of such change will be made through the press service. The unit of measure to be used in reporting the commodity, the beginning and ending dates of the marketing year for each commodity, and any other information deemed necessary to be included in the report will be specified in appendix 1 to this part and amendments thereto and in the announcements through press service.

§ 20.6 Submission of reports.

(a) Weekly reports. For each commodity for which reports are required under these regulations, the reporting

522
exporter shall file weekly with the office specified in §20.10 and not later than the time specified in paragraph (k) of this section, a report by marketing year on the applicable forms contained in appendix 2 (FAS–97, “Report of Optional Origin Sales,” FAS–98, “Report of Export Sales and Exports,” and on FAS–100, “Report of Exports for Exporter’s Own Account”), setting forth the following information and that required by such forms. Information for each applicable item on the respective form shall be reported. If the reporting exporter determines that the report forms cannot be received in the office specified in “20.10 by the time specified in paragraph (k) of this section, the exporter shall transmit the information contained in the report forms by the use of FAX, telephone, or electronic submission. The required form must be subsequently submitted in accordance with § 20.6(k)(2). Exporters have the option to submit the weekly reports using an electronic reporting system (forms 97e, 98e, and 100e) which may be accessed via a secured Internet website. Reporting exporters should contact the Export Sales Reporting staff to obtain passwords and access to the Internet reporting site. Exporters also have the option of satisfying the requirements of Forms FAS–97, FAS–98, and FAS–100 by submitting ASCII comma delimited files via e-mail to the ESR mailbox at esr@fas.usda.gov.

(1) United States origin sales only. (i) Total quantity of outstanding export sales from the previous report by country of destination.

(ii) Quantity of new export sales made during the week expressed in the specified unit of measure (do not include any tolerance). Include the quantity of any optional original export sale for which an option was exercised during the week to export the commodity from the United States.

(iii) Quantity of any purchases of the same kind of commodity made from foreign sellers during the week.

(iv) Quantity of export sales cancelled and quantity of buyback contracts made during the week.

(v) Changes in destination during the week for export sales previously reported.

(vi) Changes in the marketing year during the week for export sales previously reported.

(vii) Exports made against export sales during the week.

(viii) Total outstanding balance of export sales at the close of business for the current report.

(2) Optional origin sales (United States and other countries). (i) Total quantity of outstanding export sales from the previous report by country of destination.

(ii) Quantity of new export sales made during the week expressed in the specified unit of measure (do not include any tolerance) by country of destination.

(iii) Quantity of export sales for which an option was exercised during the week which would determine the origin of the commodity to be exported with the origin indicated as the United States or other than the United States.

(iv) Quantity of optional export sales cancelled and the quantity of optional buy-back contracts made during the week.

(v) Changes in destination during the week for sales previously reported.

(vi) Changes in the marketing year during the week for sales previously reported.

(vii) Total outstanding balance of optional export sales for which an option has not been exercised at the time of compiling the report.

(3) Exports for exporter’s own account. (i) Total outstanding balance of exports for exporter’s own account that has been shipped from the United States as shown on the previous report by country where located or, if in transit, by country of intermediate destination.

(ii) Quantity of new exports for exporter’s own account exported during the week.

(iii) Quantity of previously reported exports for exporter’s own account that was applied to outstanding or new export sales during the week.

(iv) Quantity of previously reported exports for exporter’s own account sold to other U.S. exporters during the week.

(v) Changes in destination during the week for exports previously reported.
(vi) The total outstanding balance of exports for exporter’s own account at the close of business for the current report.

(b) Monthly reports. The information described in paragraph (a) of this section shall be reported monthly when specified by an announcement issued pursuant to §20.5. The forms specified in paragraph (a) of this section shall be utilized to furnish the information required to be reported monthly and such information shall be filed in the manner and at the time required by §20.6(f).

(c) Exporters who are required to report. The reporting exporter has the sole responsibility of reporting any and all information required by these regulations. The following are examples of who shall be considered the reporting exporter for the purpose of these regulations. (Firm A in each example is a firm whose place of doing business with respect to the transaction is in the United States, and the commodity to be delivered under the purchase contract is subject to these regulations. See §20.4(i) for definition of a foreign buyer and foreign seller.)

(1) Firm A makes an export sale to Firm B whose place of doing business with respect to the transaction is also in the United States. Firm B has made or will make an export sale to a foreign buyer. In this case Firm A cannot report the sale to Firm B since Firm B’s place of doing business with respect to the transaction is located in the United States. In this example, Firm B is required to report the sale to the foreign buyer.

(2) Firm A makes an export sale to a foreign buyer through the foreign buyer’s agent and the agent’s place of doing business with respect to the transaction is in the United States. In this example Firm A is required to report the export sale since the resulting contract is between Firm A and the foreign buyer.

(3) Firm A consigns an export to his agent (other than an employee of Firm A). When the agent makes a sale to a foreign buyer, Firm A is required to report the sale. If the agent makes the sale to a firm whose place of doing business with respect to the transaction is in the United States, Firm A will not report the sale.

(4) Firm A makes a purchase from a foreign seller. In this example, Firm A is required to report the purchase.

(5) Firm A makes a purchase from an agent of a foreign seller and the agent’s place of doing business with respect to the transaction is in the United States. In this example, Firm A is required to report the purchase. The agent is not a principal party in interest in the contract and cannot report the sale to Firm A. The foreign seller is not a reporting exporter and is not required to make a report of the sale.

(6) Firm A, the agent of the foreign buyer, whose place of doing business with respect to the transaction is in the United States, purchases commodities domestically at interior warehouses and arranges for exportation to its principal, the foreign buyer. In this example, Firm A is required to report the sale and export.

(7) If a reporting exporter has a transaction not described in paragraphs (1) through (6) of this paragraph (c) and is in doubt whether a transaction should be reported, the exporter should request a decision from the office specified in §20.10.

(d) Contract terms. Reports of contract terms shall be filed when requested in accordance with §20.11. The report showing contract terms shall be filed on FAS–99, "Contract Terms Supporting Export Sales and Foreign Purchases," and shall include the following:

(1) Reporting exporter’s contract number.

(2) Date of export sale or purchase.

(3) Name of foreign buyer or foreign seller.

(4) Delivery period specified in the export sale or purchase.

(5) Delivery terms specified in the export sale or purchase (F.O.B., C. & F., etc.).

(6) Actual quantity of the export sale or purchase.

(7) Quantity not exported against the sale or foreign purchase (do not include any tolerance).

(8) Country of destination.

(9) On purchases from foreign sellers, show separately from export sales all items of this paragraph (d).
(e) **Reporting of destination.** The reporting exporters shall report the country of destination specified in the export sale contract or otherwise declared in writing by the foreign buyer. (Where a government, or agency of such government, is the sole importer of the commodity in a country, the exporter shall report that country as the country of destination only if the exporter or foreign buyer has made a direct sale to that foreign government or agency.) If the country of destination is not so specified or declared, the exporter shall report the destination as “unknown.” If by the time of exportation the exporter has not so ascertained the country of destination, the name of the country reported to the Bureau of Customs of the Shipper’s Export Declaration for such export shipment should be reported, even though it may be an intermediate destination. The reporting exporter is not expected to report destination changes made after reporting the export on FAS-98, “Report of Export Sales and Exports.”

(f) **Optional class or kind of commodity.** If the export sale provides for an option as to the class or kind of commodity to be delivered under the export sale, the reporting exporter should report the particular class or kind of commodity expected to be exported.

(g) **Range in contract quantity.** If the export sale provides for a range in quantity (e.g. 10,000 metric tons to 12,000 metric tons with or without a loading tolerance) with the reporting exporter or buyer having the option to declare a firm quantity at a later date, the reporting exporter shall report the maximum export sale quantity (exclusive of any loading tolerance). If an option is exercised for a lesser quantity at a later date, the reporting exporter shall report the reduction as an amendment to an export sale previously reported.

(h) **Transfer of unexported balances** from one marketing year to the next marketing year. If exports against an export sale are not complete by the end of the marketing year in which the commodity is being reported for export, the reporting exporter shall transfer the quantity not exported against the export sale to the next marketing year on the first report submitted after the beginning of the new marketing year.

(i) **Errors on previous reports.** Whenever an exporter discovers an error or is advised by the office specified in §20.10 of an error on a prior report, the error shall be corrected in the current weekly report to reflect the proper outstanding export sales and exports. The exporter shall also furnish a complete written explanation of such reporting error.

(j) **When reports are required.** (1) A reporting exporter shall submit reports for those commodities for which there are new export sales, outstanding export sales, exports for exporter’s own account for which an offsetting export sale has not been made and reported, or purchases from foreign sellers.

(2) A reporting exporter may discontinue reporting for a commodity only when actual exports and other required reporting of changes have reduced to zero all export sales, exports for exporter’s own account for which an offsetting export sale has not been made and reported, or purchases from foreign sellers.

(3) If a reporting exporter discontinues making reports because a zero balance has been reached for a particular commodity, the exporter shall be responsible to commence reporting again once a new export sale, a new export for exporter’s own account, or a new purchase from a foreign seller for that commodity is made.

(k) **Manner and time of reporting.**—(1) Manner. An original of all report forms, other than electronic forms and ASCII comma delimited files, must be filed with the office specified in §20.10. Each report form shall contain the full business name, address and telephone number of the reporting exporter and the name and original signature of the person submitting the report form on behalf of the reporting exporter. Computer generated printouts may be used in lieu of standard reporting forms when approved by the office specified in §20.10.

(2) **Time of filing reports.** Information required to be reported weekly (either via fax, telephone, or electronically) must be received in the office specified
§ 20.7 Confidentiality of reports.

A reporting exporter’s individual reports shall remain confidential and subject to examination only by designees of the Administrator. Information from reports filed by exporters on a weekly basis will be compiled and published in compilation form each week following the week of reporting. Information from daily reports filed by exporters will be made available to the public on the following business day at 9 a.m., eastern time. Information from monthly reports filed by exporters will be compiled and published in compilation form in the weekly report no later than the week following the time of filing specified in §20.6(k).

§ 20.8 Failure to report.

Any person who knowingly fails to report export sales pursuant to the requirements of these regulations shall be fined not more than $25,000 or imprisoned not more than one year, or both.

§ 20.9 Records.

Each reporting exporter shall establish and maintain accurate records as to all export sales of commodities subject to these regulations. Such records shall include, but shall not be limited to, export sales contracts or other agreements with the foreign buyer or foreign seller pursuant to which any export has or will be made; bills of lading or delivery documents evidencing all such exports and inspection and weight certificates relating thereto. Such records shall be available during regular business hours for inspection and audit by authorized employees of the United States Department of Agriculture and shall be preserved for three years after the date of export to which they relate.

§ 20.10 Place of submission of reports.

Weekly reports and information required to be submitted in connection therewith shall be addressed to or delivered to the following office FAX: (202) 690–3270 or (202) 690–3273:

§ 20.11 Additional reports and information.

(a) Daily reports. The reporting exporter shall report daily to the Administrator information with respect to sales of agricultural commodities as requested. Daily reports shall be made by telephone no later than 3 p.m., E.S.T., on the next business day following the calendar day of the sale.

Subpart A—General

The Rural Development Act of 1972 (Pub. L. 92–419), herein called the Act, consists of six titles designed to facilitate the development of rural communities through a series of authorizations including grants, loans, and administrative provisions. This Act adds new statutory rural development coordination responsibilities to certain Federal departments and agencies to be carried out under the leadership of the Secretary of Agriculture.

§ 22.102 Summary of authorities.

The purpose of this section is to give notice that certain authorities have been delegated by the Secretary of USDA agencies for implementation. New Secretarial delegations covering the Rural Development Act were effective May 31, 1973, and were published in the Federal Register June 7, 1973 (38 FR 14944–14953). These are as follows:

(a) Title I (38 FR 14948). Responsibility delegated to the Assistant Secretary for Rural Development. The responsibility for administering loan and grant authorities is redelegated to the Farmers Home Administration, except the responsibility for administering loan authorities with respect to rural electrification and telephone facilities and service which has been redelegated to the Rural Electrification Administration.

(b) Titles II (38 FR 14945–14948), III (38 FR 14945–14948), and V (38 FR 14945–14948). Responsibility delegated to the Assistant Secretary for Conservation, Research and Education and redelegated as follows:

1. Titles II (38 FR 14951–14952) and III (38 FR 14951–14952) to the Administrator, Soil Conservation Service.

2. Title V (38 FR 14949–14950) to the Administrators, Cooperative State Research Service and the Extension Service respectively.

(c) Title IV (38 FR 14945–14948). Responsibility delegated to the Assistant Secretary for Conservation, Research and Education and redelegated (38 FR 14950–14951) to the Chief of the Forest Service.

(d) Title VI, section 603 (38 FR 14948). Responsibility delegated to Assistant Secretary for Rural Development and redelegated (38 FR 14953) to the Administrator, Rural Development Service.

The Rural Development Act recognizes that many Federal departments and agencies of the executive branch of government administer programs and provide services which are applicable to the needs of rural communities. Section 603 of the Rural Development Act charges the Secretary of Agriculture with providing governmentwide leadership for, and with coordinating a nationwide rural development program. In such coordination, the Secretary shall seek measures that will achieve effective integration of relevant Federal services in rural areas as provided by Agriculture agencies and other Departments and agencies. This section also requires that the Secretary shall establish goals and report to the Congress on progress in complying with specified purposes of the Act. The Federal Regional Council will play a major role in coordination at the field level. An organic Act of the Department (7 U.S.C. 2201) has been amended to require the Secretary to add Rural Development to those purposes for which he is authorized to acquire and diffuse useful information.

§ 22.103 Purpose.

The purpose of these regulations is to establish the policies, procedures, and responsibilities required by section 603 of the Rural Development Act.

§ 22.104 General policy.

Federal implementation of the Act will be consistent with the President’s policy of decentralized decisionmaking and administrative responsibility which gives fullest possible consideration to State and local rural development goals and priorities. As a result of section 817(4) of the Agriculture and Consumer Protection Act of 1973 (Pub. L. 93–86) which prohibits prior approval by any State officials of any loan or grant under any program authorized by title I of the Rural Development Act of 1972 (Pub. L. 92–419), it has been necessary to substantially modify the planned administration of programs.
under section 603 of the Rural Development Act.

Subpart B—Roles and Responsibilities of Federal Government

§ 22.201 Coordination.

The following identifies types and levels of coordination:

(a) Washington level interdepartmental and interagency coordination for purposes of the Act.

(b) Coordination for purposes of the Act among agencies within the U.S. Department of Agriculture.

(c) Coordination among and between the field operations of Federal agencies for purposes of the Act.

(d) Coordination for purposes of the Act between levels of field operations of the Federal government and State governments.

§ 22.202 Federal unit responsibilities.

The following Federal units have major responsibilities in implementing the Act.

(b) The Under Secretary of Agriculture will represent the Secretary in matters pertaining to rural development policy when such matters are of mutual concern to the Under Secretaries’ Group for Regional Operations (Executive Order 11647 as amended by E.O. 11731) and the Federal Regional Councils, or at such other times that he or the Secretary may deem appropriate.

(c) The Assistant Secretary of Agriculture for Rural Development will chair an Assistant Secretaries’ Working Group consisting of interdepartmental and interagency members from Agriculture, Health, Education, and Welfare, Housing and Urban Development, Defense, Labor, Commerce, Transportation, Environmental Protection Agency, Small Business Administration and others as appropriate. This working group will operate under the aegis of the Rural Development Committee of the Domestic Council. The purpose of this working group is:

(1) To develop and recommend rural development policy applicable to more than one executive department or agency.

(2) To develop cooperative procedures between and among executive departments and agencies in matters pertaining to rural development.

(3) To devise effective rural development strategies and to bring Federal resources and services to bear toward their realization.

(4) To advise the Under Secretaries’ Group on involvement of Federal Regional Councils in rural development activities.

The Secretary of Agriculture may utilize the services of the Assistant Secretaries’ Working Group in performing his rural development functions for the Rural Development Committee of the Domestic Council.

(d) The Administrator, Rural Development Service, under the policy direction of the Assistant Secretary for Rural Development shall coordinate rural development activities under section 603 of the Rural Development Act as directed by the Secretary. In the fulfillment of such responsibilities, he is authorized to communicate directly with other Federal department and agency officials of corresponding levels of authority and with State and Federal Regional Council officials.

(e) The Federal Regional Councils shall have primary responsibility for interagency program coordination at the field level and will provide assistance to and liaison with States in promoting rural development. Federal attention to this type of cooperation and coordination will be emphasized. In addition, the Federal Regional Councils, operating within policy determined at the Washington level, shall be responsible for performing an oversight function to assess how well the machinery is working in carrying out the Rural Development Act authorities. Each Federal Regional Council shall create an appropriate management structure to accomplish the foregoing. This may include the creation of a Rural Development Committee. The Department of Agriculture will chair such Rural Development Committees or otherwise
assume the lead in managing rural development activities of the Federal Regional Councils.

(1) Procedures for the coordination of rural development activities will be consistent with the policies expressed herein and with any specific Federal guideline based on these regulations or on Executive Order 11647, as amended by Executive Order 11731.

(2) Councils shall exercise authority under Executive Order 11647, as amended by Executive Order 11731, to promote in rural areas integrated program and funding plans involving several Federal agencies.

§ 22.203 Major responsibilities under title VI, Sec. 603.

(a) Title VI, section 603(b). (1) Section 603(b) of the Rural Development Act charges the Secretary of Agriculture with providing leadership in the development of a nationwide rural development program. Included in this program would be pertinent Federal departments and agencies which might contribute to this rural development mission. In carrying out his responsibilities, the Secretary shall report annually, prior to September 1, to the Congress on rural development goals for employment, income, population, housing, and quality of community services and facilities. To carry out the provisions of the Act specified above, the following major responsibilities are identified:

(i) The Rural Development Committee of the Domestic Council will assume responsibility for interdepartmental policy formulation and resolution of issues pertaining to this section of the Act as determined by the Secretary of Agriculture. This committee consists of members of the Community Development Committee of the Domestic Council, to wit: The Secretary of Agriculture, Chairman of the Rural Development Committee; the Secretary of HUD, Chairman of the Urban Development Committee; the Secretary of Transportation, Chairman of the Transportation Policy Development Committee; the Secretaries of Treasury, Commerce, and Labor and the Director of OMB.

(ii) The Secretary of Agriculture shall be responsible for Washington level coordination pursuant to this section of the Act.

(iii) At the regional level, the Federal Regional Councils shall develop and implement procedures designed to identify and facilitate access to Federal resources appropriate for rural development purposes within States. Such procedures will be consistent with policies expressed or endorsed by the Under Secretaries’ Group. The Councils shall also be responsible for monitoring the effectiveness with which the Rural Development Act is implemented within their respective regions.

(2) The Secretary of Agriculture is also authorized to initiate or expand research and development efforts related to solution of rural development problems including problems of rural water supply, rural sewage and solid waste management, and rural industrialization.

(3) The Rural Development Service will operate a rural development research program and may also participate in rural development research in cooperation with Federal, State, and private research units.

(b) Title VI, section 603(c) of the Rural Development Act. (1) Under guidance by the Under Secretaries’ Group, and under the leadership of the U.S. Department of Agriculture member on each of the Federal Regional Councils, the Rural Development Committees of the Federal Regional Councils or other Federal Regional Council mechanisms assigned to work with rural development, shall be responsible for proposing to the appropriate Federal and State agencies actions in such areas as:

(i) Adjustment, where appropriate, of administrative boundaries used by field staffs of Federal and federally supported agencies to conform with boundaries of multicounty jurisdictions. “Multicounty jurisdictions” as used means substate planning districts or other combinations of county jurisdictions as designated by States for State planning purposes.

(ii) Co-location of field units of Federal agencies and consolidation of offices in the vicinity of principal centers of local government administration (including multicounty jurisdictional administration), to encourage
increased cooperation within and among different governmental levels.

(iii) Exchange of personnel between Federal and State agencies under the Intergovernmental Personnel Act (Pub. L. 91–648), to supplement and broaden staffs administering rural development programs, and provide specific technical expertise for certain projects.

(iv) Interchange of personnel among Federal agencies for the purposes expressed in paragraph (b)(1)(ii) of this section.

(2) In addition, the U.S. Department of Agriculture member on the Federal Regional Councils shall, by July 31, of each year, report to the Assistant Secretary for Rural Development who shall in turn report to the Under Secretaries' Group and the Congress on progress made in carrying out the programs outlined in paragraphs (b)(1)(ii) through (iv) of this section and plans for programs to be implemented during the following fiscal year. The first report will be due to the Assistant Secretary by July 31, 1974.

§ 22.204 Rural development committees.

State rural development committees, consisting of USDA agency members and, in most instances, State governments and other Federal agency representatives are available to assist States in accomplishing their rural development objectives. Such assistance if requested by the State can take the form of technical assistance and cooperative services to States in carrying out their rural development priorities.

§ 22.205 Allocation of loan and grant funds.

(a) Title I grant funds and approved loan funding levels will be allocated among States by a formula designed to ensure equitable treatment. This applies to amounts made available for business and industrial loans, water, sewer and other community facilities except electrical and telephone facilities provided by or through the Rural Electrification Administration.

(b) During the second half of the fiscal year, the Secretary of Agriculture shall review State and multicounty jurisdictional rural development programs and projects so that unused allocations may be shifted from one State to another so as to enable the obligation of all available funds prior to the end of the fiscal year.

(c) The formula used for fund allocation will ensure that a minimum loan and grant level is established so that no State receives an amount too small to serve the purposes of the Act. A percentage of total loan and grant authority will be withheld from initial allocation to allow subsequent appropriate technical adjustments in amounts allocated to individual States.

(d) Title V funds shall be distributed by the Secretary under the formula specified in the Act. Title V activities will be consistent with the principle that States and multicounty jurisdictions have responsibility for the rural development planning and priority setting functions.

Subpart C—Roles and Responsibilities of State Governments

§ 22.301 Selection and designation.

Procedures for implementing the Act are designed to give the fullest possible consideration to planning and development goals and strategies at the State and multicounty jurisdictional levels. The governing bodies of multicounty organizations should include representatives of local governments contained within the respective multicounty jurisdictions. State development strategies and priorities shall be fully considered in the Federal administration of Rural Development Act authorities.

§ 22.302 Area eligibility.

Eligibility for programs under the Act will be based on the criteria of community size and location of population as specified in the Act. State designations of eligible areas will be duly considered by the Federal government in the determination of eligibility for loan and grant assistance.

§ 22.303 Cooperation with Federal Regional Councils.

States are urged to establish and maintain close and cooperative relationships with the Federal Regional Councils which will be in a position to
assist the States and multicounty jurisdictions in the identification and application of available resources. States may authorize direct communications and liaison between the Regional Councils and multicounty jurisdictions within States.

§ 22.304 Multiyear planning and programming.

State and multicounty jurisdictions are encouraged to adopt multiyear planning and development programs. As administrative procedures for implementing the Act support the feasibility of such a process, these programs should consider joint State, Federal, and local budget planning factors and be refined to conform to the actual fund availability as annual budgets are finalized and allocated. Such programs, once initiated, will be extended by the annual addition of a new planning year until programs are completed or terminated.

The State and multicounty jurisdictional rural development planning process must conform to the review requirements expressed in OMB Circular No. A–95 under parts I, III, and IV as appropriate.

§ 22.306 Financing rural development planning.

States will be required to finance rural development planning through their own resources, revenue-sharing allocations, or the Department of Housing and Urban Development planning and management assistance program or other available Federal planning programs.

§ 22.307 Program evaluation.

The Department of Agriculture is responsible for continuous program evaluation to determine if individual projects and the entire program is cost effective in terms of reaching rural development goals. As a result, USDA is responsible for conducting and reporting an annual evaluation of selected rural development projects and the overall rural development program. USDA shall include as a part of its evaluation Federal Regional Council assessment of the effectiveness of interagency coordination and delivery of services within the overall rural development program. States and multicounty districts are encouraged to participate in the joint preparation of such program evaluations. Copies of such evaluations should be supplied to the Administrator, Rural Development Service, Department of Agriculture and to the Federal Regional Councils, in sufficient time so as to arrive not later than July 1. The initial evaluation, due July 1, 1974, in addition to the requirements listed below, should include a background statement and should summarize first year program efforts and results. Annual evaluation should:

(a) Describe the process used in planning, project selection and priority setting, and the criteria and process used in evaluating program effectiveness.

(b) Describe the specific objectives of the programs.

(c) Describe and assess the cost and effectiveness of projects being pursued within individual multicounty jurisdictions.

(d) Express observations, conclusions and recommendations based on such evaluations which may contribute to the development of better management, coordination and planning procedures.

§ 22.308 Project approval.

State and multicounty jurisdictional planning is a State and local prerogative. Federal agencies will be responsive to State rural development strategies and priorities. However, determination of eligibility and feasibility and final approval of individual projects involving Federal funds must remain with the Federal government consistent with the Act and implementing regulations.

§ 22.309 Seeking Federal review.

States may, if they elect, submit multicounty development plans and proposals to the Federal Regional Councils and to the Rural Development Service, USDA, for review and comment. Such review will neither obligate the Federal government with respect to such programs nor require States to conform with suggestions
supplied by the USDA or the Federal Regional Council.

Title V provides the opportunity to utilize and build upon the research, extension, and community service capability of public and private institutions of higher education in each State to expand scientific inquiry and education backup for rural development. The higher educational and research institutions in each State, including the Land Grant Institutions of 1890, are authorized to assist in developing and disseminating through the most appropriate manner, scientific information, technical assistance, and feasibility studies required to improve the rural development capability of local citizens, agencies, and governments. Programs authorized under title V shall be organized and conducted by one or more colleges or universities in each State to provide a coordinated program in each State which will have the greatest impact on accomplishing the objectives of rural development in both the short and longer term and the use of these studies to support the State’s comprehensive program to be supported under title V.

(b) Title V operations will be consonant with the purpose that all Federal rural development activities be coordinated with other federally assisted rural development activities and with the State’s ongoing rural development program. To effectuate such purpose, the Assistant Secretary for Conservation, Research and Education will implement title V plans and activities in close coordination with the Assistant Secretary for Rural Development.

§ 23.2 Administration.

(a) Title V will be administered by the Director of the National Institute of Food and Agriculture in cooperation with the chief administrative officer of the State Land Grant University who will administer the program within his respective State. To assure national and State coordination with programs under the Smith-Lever Act of 1914 and the Hatch Act (as amended), August 11, 1955, the administration of the programs shall be in association with the programs conducted under the Smith-Lever Act and the Hatch Act as required by section 504(b) of the Act.

(b) Programs authorized under title V shall be conducted as mutually agreed upon by the Secretary and the chief administrative officer of the State Land Grant University responsible for administering said programs in a memorandum of understanding which shall provide for the coordination of the programs, coordination of these programs with other rural development programs of Federal, State, and local government, and such other matters as the Secretary shall determine.

§ 23.3 Coordination.

The chief administrative officer of the administratively responsible State Land Grant University will designate an official who will be responsible for the overall coordination of the authorized programs for the State. The designated official will be responsible for the overall coordination of planning.
organizing, funding, conducting and evaluating programs in association with the person responsible for the administration of research programs, the person responsible for the administration of the extension programs, and the administrative head of agriculture of the University (chairman of the State Rural Development Advisory Council).

§ 23.4 State Rural Development Advisory Council.

(a) The chief administrative officer of the administratively responsible State Land Grant University will appoint a State Rural Development Advisory Council with membership as set forth in section 504(e) of title V. The function of the Council shall be to review and approve annual program plans conducted under title V. The Council will also advise the chief administrative officer on all matters pertaining to the authorized programs.

(b) The Chairman of the State Rural Development Advisory Council will ensure that programs proposed under title V including regional programs applicable within the State are not inconsistent with and are, to a maximum extent practicable, in consonance with other rural development programs and activities approved in that State.

(c) Those elements of the research and extension plan which would impact directly on rural development activities being developed or pursued by States will be considered jointly by the State Rural Development Advisory Council and appropriate State agencies to assure a constructive reinforcement of those State activities.

§ 23.5 Availability of funds.

Funds available under title V for extension and research programs shall be allocated to, and following approval of a State Annual Plan of Work, paid to the official of the State Land Grant University designated to receive funds under the Smith-Lever and Hatch Acts respectively. Funds will be available for State programs for expenditures authorized by section 509(c) of title V, in the fiscal year for which the funds were appropriated and the next fiscal year.

§ 23.6 Plan of Work.

(a) A State Annual Plan of Work for carrying out the programs authorized under title V shall be prepared. The Plan of Work should include:

1. Identification of major problems and needs which can be met by each related extension and research program in the geographic or problem area.

2. The relationship of this program to ongoing planning and development efforts.

3. The organizational structure for planning, conducting, and evaluating each pilot program, including the names and title of the members of the Rural Development Advisory Council and the composition of major committees and work groups.

4. A separate concise statement describing specific extension projects to be funded under each program. The statement should contain the following elements: Title, objectives, organization and operational procedures, probable duration, personnel, institutions involved, and relation to the research effort. In addition, a brief description of each regular or special extension project which is complementary and supports the title V pilot program, but which is funded from other sources shall be included.

5. A separate concise statement describing specific research projects to be funded under each program. The statement should contain the following elements: Title, objectives, organization, and operational procedures, probable duration, personnel, institutions involved, and relation to the extension effort. In addition, a brief description of each regular or special research project which is complementary and supports the title V program, but which is funded from other sources, shall be included.

6. A plan for evaluating the impact of each program on the development of the area, including the effectiveness of the extension and research program techniques, and organizational structure for planning and conducting each program. Appraisals by community leaders in the area should be included in the evaluation.

7. Provisions for making an annual progress report to the Assistant Secretary for Conservation, Research, and

Education which will document achievements pertaining to the goals and objectives as stated in the Plan of Work.

(b) The Plan of Work shall include plans for all programs to be conducted with funds authorized under section 503(b)(3) and (4) of title V. The Plan of Work shall include plans for the programs to be conducted by each cooperating and participating university or college and such other information as included in these guidelines. Each State program must include research and extension activities directed toward identification of programs which are likely to have the greatest impact upon accomplishing the objectives of rural development in both the short and longer terms and the use of these studies to support the State’s comprehensive program to be supported under section 505(b) of title V. In addition, all other rural development extension and research efforts funded from other sources that contribute directly to the proposed programs shall be described in the Plan of Work.

(c) Since the appropriation authorization for title V is limited to a three-year period the Plan of Work should be developed to demonstrate extension and research program techniques and organizational structures for providing essential knowledge to assist and support rural development efforts within that time.

(1) In accordance with the above criteria, the Plan of Work should:
   (i) Concentrate on limited geographic or problem areas where title V efforts would be expected to have high impact within the three-year authorization.
   (ii) Give emphasis to rural areas, including towns and cities with populations of less than 50,000.
   (iii) Involve the administratively responsible Land Grant University and other public or private colleges and universities, as appropriate, in meeting with high priority extension and research needs of the area(s).
   (iv) Give priority to education and research assistance leading to increasing job and income opportunities, improving quality of life, improving essential community services and facilities, improving housing and home improvements, and enhancing those social processes necessary to achieve these goals.
   (v) Be consistent with Statewide comprehensive planning and development efforts and objectives. Procedures set forth under §23.4(c) are designed to achieve attainment of this requirement.

(d) Four copies of the Plan of Work approved by the State Rural Development Advisory Council shall be submitted by the person responsible for the overall coordination of the title V programs in the State to the Assistant Secretary for Conservation, Research and Education, U.S. Department of Agriculture, Washington, DC 20250, within 60 days after enactment of the annual Appropriation Act for the Department of Agriculture.

(e) Plans of Work not meeting the above criteria will not be approved by the Assistant Secretary for Conservation, Research and Education.

Subpart B—Regional Program

§ 23.9 General.

(a) Section 503(b)(2), title V, of the Rural Development Act of 1972 (Pub. L. 92–419) hereafter referred to as “Title V” authorizes funds to finance work authorized under title V which serve two or more States; in which universities in two or more States cooperate; or which is conducted by one University serving two or more States. The authorized funding under section 503(b)(2) is hereafter referred to as the “Regional Programs.”

(b) The Regional Programs shall develop and provide knowledge essential to assist and support rural development in the region, and shall provide for technical consultation and personnel development for the research and extension staff in the several States of the region to help them to be more responsive to rural development needs and activities.

Regions as delineated for purposes under section 503(b)(2) will be coterminous with the regional delineation by the National Association of State Universities and Land Grant Colleges. Each Regional Center will be established by the regional association of State Agricultural Experiment Station Directors and the regional organization of Cooperative Extension Directors in the region to be served by the Regional Center. These associations and organizations will designate the location of the Regional Center.

(b) Although the Regional Center will administer the program, it is also expected that it will draw on expertise from outside the Regional Center. The Director of each Regional Center shall seek advice and assistance from regional and subregional committees, groups or persons who can contribute to the Regional Center’s program.

(b) Special rules. The following special rules apply to the determination of poverty rate for Round I, Round II, Round IIS and Round III nominated areas:

(1) Round I—(i) Census tracts with no population. Census tracts with no population shall be treated as having a poverty rate that meets the requirements of paragraphs (a)(1)(i) and (a)(1)(ii) of this section, but shall be treated as having a zero poverty rate for purposes of applying paragraph (a)(1)(iii) of this section;

A Census tract with a population of less than 2,000 shall be treated as having a poverty rate which meets the requirements of paragraphs (a)(1)(i) and (a)(1)(ii) of this section if more than 75 percent of the tract is zoned for commercial or industrial use;

(iii) Adjustment of poverty rates for Round I Enterprise Communities. For Round I Enterprise Communities only, the Secretary may, where necessary to carry out the purposes of this part, apply one of the following alternatives:

(A) Reduce by 5 percentage points one of the following thresholds for not more than 10 percent of the Census tracts (or, if fewer, five Census tracts) in the nominated area:

1. The 20 percent threshold in paragraph (a)(1)(i) of this section;

(B) Reduce the 35 percent threshold in paragraph (a)(1)(iii) of this section by 10 percentage points for three Census tracts.

(2) Round II, Round IIS and Round III—(i) Census tracts with no population. Census tracts with no population shall be treated the same as those Census tracts having a population of less than 2,000;

(ii) Census tracts with populations of less than 2,000. A Census tract with a population of less than 2,000 shall be treated as having a poverty rate of not less than 25 percent if:

(A) More than 75 percent of such tract is zoned for commercial or industrial use; and

(B) Such tract is contiguous to 1 or more other Census tracts which have a poverty rate of 25 percent or more, where such determination is made without applying § 25.104(b)(2)(ii).

(iii) Emigration criteria. For purposes of the discretion as may be exercised...
by the Secretary pursuant to paragraph (a)(2)(iv) of this section, a nominated area must demonstrate out-migration of not less than 15 percent over the period 1980–1994 for each census tract. The outmigration for each census tract in the nominated area shall be as reported for the county in which the census tract is located: Provided, however, That the nominated area may include not more than one census tract where the reported out-migration is less than 15 percent, which tract shall be contiguous to at least one other census tract in the nominated area.

(c) General rules. The following general rules apply to the determination of poverty rate for Round I, Round II, Round IIIS and Round III nominated areas.

(1) Rounding up of percentages. In making the calculations required by this section, the Secretary shall round all fractional percentages of one-half percentage point or more up to the next highest whole percentage point figure.

(2) Noncontiguous parcels. Each such parcel (excluding, in the case of Round II, Round IIIS and Round III, up to three noncontiguous developable sites not exceeding 2,000 acres in the aggregate) must separately meet the poverty criteria contained in this section.

(3) Areas not within census tracts. In the case of an area which is not tracted for Census tracts, the block numbering area shall be used for purposes of determining poverty rates. Block groups may be used for Alaska and Hawaii.

(1) Strategic vision for change, which identifies what the community will become and a strategic map for revitalization. The vision should build on assets and coordinate a response to community needs in a comprehensive fashion. It should also set goals and performance benchmarks for measuring progress and establish a framework for evaluating and adjusting the revitalization plan.

§ 25.204 Evaluation of the strategic plan.

The strategic plan will be evaluated for effectiveness as part of the designation process for nominated rural areas described in subpart D of this part. On the basis of this evaluation, USDA may request additional information pertaining to the plan and the proposed area and may, as part of that request, suggest modifications to the plan, proposed area, or term that would enhance its effectiveness. The effectiveness of the strategic plan will be determined in accordance with the four key principles contained in §25.202(a). (4) **Permanent implementation and evaluation structure.** The extent to which a responsible and accountable implementation structure or process has been created to ensure that the plan is successfully carried out and that improvements are made throughout the period of the zone or community’s designation.

(c) **Economic opportunity.** (1) The extent to which businesses, jobs, and entrepreneurship will increase within the zone or community;

(2) The extent to which residents will achieve a real economic stake in the zone or community;

(3) The extent to which residents will be employed in the process of implementing the plan and in all phases of economic, community and human development;

(4) The extent to which residents will be linked with employers and jobs throughout the entire area and the way in which residents will receive training, assistance, and family support to become economically self-sufficient;

(5) The extent to which economic revitalization in the zone or community interrelates with the broader regional economies; and

(5) **Supporting families.** The extent to which the strengths of families will be supported so that parents can succeed at work, provide nurture in the home, and contribute to the life of the community;

(6) **Youth development.** The extent to which the development of children, youth, and young adults into economically productive and socially responsible adults will be promoted and the extent to which young people will be:

   (i) Provided with the opportunity to take responsibility for learning the skills, discipline, attitude, and initiative to make work rewarding;

Subpart D—Designation Process

§ 25.300 USDA action and review of nominations for designation.

(a) Establishment of submission procedures. USDA will establish a time period and procedure for the submission of applications for designation as empowerment zones or enterprise communities, including submission deadlines and addresses, in a notice inviting applications or other applicable notice, to be published in the Federal Register.

(b) Acceptance for processing. USDA will accept for processing those applications as empowerment zones and enterprise communities which USDA determines have met the criteria required under this part. USDA will notify the states and local governments whether or not the nomination has been accepted for processing. The application must be received by USDA on or before the close of business on the date established by the notice inviting applications or other applicable notice published in the Federal Register. The applications must be complete, inclusive of the strategic plan, as required by § 25.202, and the certifications and written assurances required by § 25.200(b).

(c) Site visits. In the process of reviewing each application accepted for processing, USDA may undertake site visits to any nominated area to aid in the process of evaluation.

(d) Modification of the strategic plan, boundaries of nominated rural areas, or period during the application review period. Subject to the limitations imposed by § 25.100.

(1) USDA may request additional information pertaining to the strategic plan and proposed area and may, as a part of that request, suggest modifications to the strategic plan or nominated area that would enhance the effectiveness of the strategic plan;

(2) Enlargement of a nominated area will not be allowed if the inclusion of the additional area will result in an average poverty rate less than the average poverty rate at the time of initial application; and

(3) An applicant may modify the nominated area or strategic plan during the application review period with USDA approval.

(e) Designations. Final determination of the boundaries of areas and the term
for which the designations will remain in effect will be made by the Secretary.

§ 25.301 Selection factors for designation of nominated rural areas.

In choosing among nominated rural areas eligible for designation as Empowerment Zone, Enterprise Community or Champion Community, the Secretary shall consider:

(a) The potential effectiveness of the strategic plan, in accordance with the key principles in §25.202(a);

(b) The strength of the assurances made pursuant to §25.200(b) that the strategic plan will be implemented;

(c) The extent to which an application proposes activities that are creative and innovative;

(d) The extent to which areas consisting of noncontiguous parcels are not so widely separated as to compromise achievement by the nominated area of a cohesive community or regional identity; and

(e) Such other factors as established by the Secretary, which include the degree of need demonstrated by the nominated area for assistance under this part and the diversity within and among the nominated areas. If other factors are established by USDA, a FEDERAL REGISTER Notice will be published identifying such factors, along with an extension of the application due date if necessary.

§§ 25.302–25.399 [Reserved]

Empowerment Zones, Enterprise Communities and Champion Communities shall submit to USDA periodic reports which identify the community, local government and State actions which have been taken in accordance with the strategic plan. In addition to these reports, such other information relating to designated Empowerment Zones, Enterprise Communities and Champion communities as USDA may request from time to time shall be submitted promptly. On the basis of this information and of on-site reviews, USDA will prepare and issue periodic reports on the effectiveness of the Empowerment Zones/Enterprise Communities Program.

(b) Annual report. All rural Empowerment Zones and Enterprise Communities shall submit an annual report to USDA for each calendar year which includes an executive summary and benchmark progress report as follows:

(1) Executive summary. The executive summary shall identify the progress and setbacks experienced in efforts to achieve benchmark goals. Activities other than those expressly included in the strategic plan should also be noted in order to provide an understanding of where the community stands with respect to implementation of the strategic plan. Furthermore, the executive summary should address the following:

(i) Identify the most significant accomplishments to date.

(ii) Describe the level of community participation and overall support for the EZ/EC initiative.

(iii) List and describe new partnerships or alliances formed.

(iv) Identify problems or obstacles not otherwise anticipated in the strategic plan.

(v) Describe solutions developed or efforts to address the problems and obstacles.

(vi) Identify practices or concepts which were found especially effective in implementing the strategic plan.

(2) Benchmark progress report. For each benchmark goal the community will provide a current measure of the baseline condition which is the subject of targeted improvement and whether the current measure represents an improvement from the baseline condition as initially stated in the strategic plan. For each benchmark activity the community will provide a status report in form and substance acceptable to USDA.

(c) Timely State data. Where not prevented by State law, nominating State governments must provide the timely release of data requested by USDA for the purposes of monitoring and assisting the success of Empowerment Zones and Enterprise Communities.
§ 25.401 Responsibility of lead managing entity.

(a) Financial. The lead managing entity will be responsible for strategic plan program activities and monitoring the fiscal management of the funds of the Empowerment Zone or Enterprise Community.

(b) Reporting. The lead managing entity will be responsible for developing the reports required under this subpart.

(c) Cooperation. All entities with significant involvement in implementing the strategic plan shall cooperate with the lead managing entity in its compliance with paragraphs (a) and (b) of this section.

§ 25.402 Periodic performance reviews.

USDA will regularly evaluate the progress in implementing the strategic plan in each designated Empowerment Zone and Enterprise Community on the basis of performance reviews to be conducted on site and using other information submitted. USDA may also commission evaluations of the Empowerment Zone program as a whole by an impartial third party. Evidence of continual involvement of all segments of the community, including low income and disadvantaged residents, must be evidenced in the implementation of the strategic plan.

§ 25.403 Ongoing 2-year work plan requirement.

(a) Each Empowerment Zone and Enterprise Community shall prepare and submit annually, work plans for the subsequent 2-year interval of the designation period.

(b) The 2-year work plan shall be submitted to USDA 45 days prior to the start of the applicable 2-year period.

(c) The 2-year work plan must include the following sections and content:

(1) Section 1—Work Plan. Identify the benchmark goals to be achieved in the applicable 2 years of the strategic plan, together with the benchmark activities to be undertaken during the applicable 2 years of implementation. Include references to the applicable baseline conditions and performance indicators to be used in assessing performance.

(2) Section 2—Operational Budget. For each benchmark activity to be undertaken in the applicable 2 years of the strategic plan, set forth the following information:

(i) Expected implementation costs;

(ii) Proposed sources of funding and whether actual commitments have been obtained;

(iii) Technical assistance resources and other forms of support pledged by Federal, State and local governments, non-profit organizations, foundations, private businesses, and any other entity to assist in implementation of the community’s strategic plan, and whether this support is conditional upon the designation of the community as an Empowerment Zone; and

(iv) Documentation of applications for assistance and commitments identified as proposed funding and other resources.

§ 25.404 Validation of designation.

(a) Maintaining the principles of the program. The empowerment zone, enterprise community or champion community (the designated community) must maintain a process for ensuring ongoing broad-based participation by community residents consistent with the approved application and planning process outlined in the strategic plan.

(1) Continuous improvement. The designated community must maintain a process for evaluating and learning from its experiences. It must detail the methods by which the community will assess its own performance in implementing its benchmarks, the process it will use for reviewing goals and benchmarks and revising its strategic plan.

(2) Participation. The designated community must develop as part of its strategic plan a written plan for assuring continuous broad-based community participation in the implementation of the strategic plan and the means by which the strategic plan is implemented, including board membership in the lead entity and other key partnership entities.

(b) Administration of the strategic plan. The strategic plan must be administered in a manner consistent with the principles of the program contained in §25.202(a).
(1) **Lead entity.** The lead entity must have legal status and authority to receive and administer funds pursuant to Federal, state and other government or nonprofit programs.

(2) **Capacity.** The lead entity must have the capacity to implement the strategic plan, as demonstrated by audited financial statements as of the most recent fiscal year or other documentation that may be requested by USDA.

(3) **Board membership.** The membership of the board must be representative of the entire socio-economic spectrum in the designated community including business, social service agencies, low income and minority residents. Board membership may be determined by either broad-based election or by appointment to meet this diversity requirement; however, not more than 45 percent of board members may be selected by appointment. Elections of community residents to the board may be done by any locally acceptable process; however, at least one board member from each of the designated community’s census tracts must be elected and representative of the low income residents in their census tract. The Deputy Administrator, Office of Community Development, may waive the 45 percent maximum appointment limit only for Tribal Governmental Organizations where the Deputy Administrator determines, in writing, that a more representative board would be obtained through the appointment process.

(4) **Partnerships.** The relationship between the designated community’s lead entity board and local governments and other major regional and community organizations operating in the same geographic area is critical to the community’s success in implementing its strategic plan. Every effort should be made to identify and maintain relationships with local partners. Documentation including, but not limited to, minutes of meetings, benchmark activity reports and annual reports of the lead entity must reflect the contributions of local partnership entities.

(5) **Public information.** The designated community must have written procedures in place describing the means by which citizens of the community and partnership organizations will be kept informed of the community’s activities and progress in implementing the strategic plan, consistent with the principal objective of community based partnerships pursuant to §25.202(a)(2). These procedures must be kept current and compliance with them documented on an ongoing basis.

(c) **Reevaluation of designations.** On the basis of the performance reviews described in §25.402, and subject to the provisions relating to the revocation of designation appearing at §25.405, USDA will make findings as to the continuing eligibility for and the validity of the designation of any Empowerment Zone, Enterprise Community, or Champion Community.

(d) **Modification of designation.** Based on a rural zone or community’s success in carrying out its strategic plan, and subject to the provisions relating to the revocation of designation in accordance with §25.405 and the requirements as to the number, maximum population and other characteristics of rural Empowerment Zones referenced in §25.100, the Secretary may modify designations by reclassifying rural Empowerment Zones as Enterprise Communities or Enterprise Communities as Empowerment Zones.

§ 25.405 Revocation of designation.

(a) **Basis for revocation.** The Secretary may revoke the designation of a rural area as an Empowerment Zone or Enterprise Community, or withdraw status as a Champion Community, if the Secretary determines, on the basis of the periodic monitoring and assessments described in §25.402, that the applicant, lead managing entity, or the States or local governments in which the rural area is located have:

(1) Modified the boundaries of the area without written approval from USDA;

(2) Failed to make progress in implementing the strategic plan; or

(3) Not complied substantially with the strategic plan (which may include failing to apply funds as contained in the strategic plan without advance written approval from USDA).
Office of the Secretary, USDA

§ 25.503

(b) Letter of Warning. Before revoking the designation of a rural area as an Empowerment Zone or Enterprise Community, the Secretary will issue a letter of warning to the applicant, the lead managing entity (if different from the applicant) and the nominating States and local governments, with a copy to all affected Federal agencies of which USDA is aware:

(1) Advising that the Secretary has determined that the applicant and/or lead managing entity and/or the nominating local governments and State:
   (i) Have modified the boundaries of the area without written approval from USDA; or
   (ii) Are not complying substantially with, or have failed to make satisfactory progress in implementing the strategic plan; and

(2) Requesting a reply from all involved parties within 90 days of the receipt of this letter of warning.

(c) Notice of revocation. To revoke the designation, the Secretary must issue a final notice of revocation of the designation of the rural area as an Empowerment Zone or Enterprise Community, after:

(1) Allowing 90 days from the date of receipt of the letter of warning for response; and

(2) Making a determination pursuant to paragraph (a) of this section.

(d) Notice to affected Federal agencies. USDA will notify all affected Federal agencies of which it is aware of its determination to revoke any designation pursuant to this section or to modify a designation pursuant to §25.404(b).

(e) Effective date. The final notice of revocation of designation will be published in the Federal Register, and the revocation will be effective on the date of publication.

(b) Exceptions to the definition. On a case by case basis, the Secretary may grant requests for waiver from the definition of “rural” stated in paragraph (a) of this section upon a showing of good cause. Applicants seeking to apply for a rural designation who do not satisfy the definition in paragraph (a) of this section must submit a request for waiver in writing to the Deputy Administrator, USDA Office of Community Development, Reporters Building, Room 701, STOP 3203, 300 7th Street, SW., Washington, DC 20024–3202. Requests must include:

(1) The name, address and daytime phone number of the contact person for the applicant seeking the waiver; and

(2) Sufficient information regarding the area that would support the infrequent exception from the definition.
(c) Waiver process. The Secretary, in consultation with the Department of Commerce, will have discretion to permit rural applications for communities that do not meet the above rural criteria.
